

Lajuana Sublett Wins First Place

Eight was the highest number of games called correctly in the 10th week of the Merchants Football Contest with most guessers coming in with only four, five and six correct guesses. Lajuana Sublett, student at Farwell Junior High, topped the week's winners by guessing eight games right and missing the tie-breaker score by only 16 points. She was awarded \$5 for the weekly first prize.

Winfred Long picked eight games correctly, but missed the tie-breaker by 39 points to take second prize of \$3. Dickie Chandler also called eight of the games right and missed the tie-breaker by 53 points to take third place money and also put her in the third place position in the over-all contest along with five other persons. Omata Scott also named eight games right, but

neglected to pick a tie-breaker score on her entry so was not eligible for the weekly prize.

T. J. Kittrell, who jumped into sole possession of first place two weeks ago, remains in the lead in the over-all picture with a total of 66 games called correctly. Kittrell only got six games right in last week's guessing, but that proved to be enough to keep his hold on the No. 1 position.

Jerry Mathis, who was tied for second place with Albert Johnson after last week's counting, moved into the No. 2 slot all alone with 64 points (games called correctly). Johnson dropped into third place along with five other contestants with 63 points apiece. Brett and Greg Hargrove, who were in a tie for third last week along with Harold Travis and James Hobbs, dropped out of the top three while Travis and Hobbs

managed to hang onto their third place positions.

All bunched together in that Number 3 list are Dickie Chandler, Doris Herington, James Hobbs, Albert Johnson, Lynn Kittrell and Harold Travis.

Only two weeks remain in the contest which will see some lucky person winning two tickets to the Cotton Bowl game in Dallas on New Year's Day plus \$50 expense money. Another "good guesser" will win the second place award of two tickets to the Sun Bowl game in El Paso on December 19 plus \$25 expense money.

URELY PERSONAL

By John

The annual Farwell Merchants Football contest is entering the home stretch with only two weeks to run. At this late date we can report that for the first time in many a year it appears that the men will out-call the ladies in picking the pigskin winners. We can report these local men as undisputed champions in their respective households: Curtis Birchfield, H. R. Crook, Carl Glenn Davis, Ray Ford, Truitt Hardage (for a change), Albert Johnson (success may go to his head), and of course, our contest leader, T. J. Kittrell. Glenn Marsh, John McFarland, Dutch Quickel (no kidding), W. M. Roberts, Vernon Scott, Loyd Smith and Harold Travis round out the list of family champions. We noted that Jack Wardlaw couldn't quite cut it yet, and several other coffee cup quarterbacks haven't beat their spouses -- yet!

We said at the start of the season that it would only take a little over a 70 per cent average to win the contest and with 100 games up for guessing so far, the leader has called 66 right. This is slightly below our original estimation but the next two weeks should see an improvement in this percentage.

Some time ago a sage observed that those who did not profit from history were destined to re-live it. We feel that inescapably the dark tide of history is slowly but surely engulfing the United States. Today the mailed fist of soviet imperialism is poised over our heads. Our left-leaning politicians have allowed the Red Colossus to not only reach numerical parity in the rocket field, but they are also at a decided advantage in actual deliverable mega-tonnage of nuclear destruction. The Big Bear's armies far outnumber the free world's manpower, and swiftly the superiority of the United States Navy is disappearing. Reliable reports give Russia the edge today in nuclear armed and powered submarines. This armed advantage will not go long unused by the masters of the Kremlin and when it is exercised, we will be faced with the alternative of disastrous war or the acceptance of Soviet policy and eventual drastic curtailment of freedom as us WW II and older types know it.

How history might have been totally different had we listened to our military men in years past. If George S. Patton had been allowed to finish up the European Theater of WW II as he wanted, we would not have the specter of Red domination today. Had General Douglas MacArthur been allowed to wind up the Korean war as he wanted to, we would not have the spigot of blood in Vietnam today. Had the advice of the Chiefs of Staff been heeded, we would not have Red submarine bases in Cuba. In fact, we would have no Castro or no Reid president of Chile. Had Eisenhower pushed his advantage in the Suez crisis of 1956, we would not have the Middle East powder keg threatening to go off in our faces.

Yes, in spite of the carping caterwauling of our home-grown do-gooders, the country owes a tremendous debt to our men of the military. When the fire of the Red Armageddon descends on our heads, you can bet that Lawrence O'Brien will find a way to palm it off on Barry Goldwater or possibly Herbert Hoover.

Monday evening we watched the sad sight of the Dallas Cowboys floundering around the field and absorbing the 38-0 shellacking being handed out by the resurgent St. Louis Cardinals. As sorry as the Cowboys' performance was, it could not hold a candle to the sad performance of the announcing corps led by ex-Cowboy Dandy Don Meredith. As a commentator, and we must use that word very loosely, he is about as good as he was as a quarterback -- overmatched every time he stepped out on the field.

NOTICE

Texico - Farwell residents are reminded of the community-wide meeting planned at Texico School auditorium today (Thursday) at 2 p.m. CST when Dr. William P. Hale of Amarillo will give an enlightening talk on drug abuse. Everyone is urged to come out to hear this talk which is sponsored by Texico Woman's Club.

HAPPY WINNER -- Lajuana Sublett happily receives a check for \$5 from Clarence Christian of Oklahoma Lane Farm Supply and Gin for winning first place in last week's edition of the Merchants Football Contest. Lajuana, who is a Farwell Junior High student, guessed eight games correctly and was only 16 points off on the tie-breaker score to win first place honors. Only four persons managed to call eight games right in last week's guessing. Two more weeks remain in the contest which will send some lucky person to the Cotton Bowl game in Dallas on New Year's Day.

Bobby Westfall Hired As Country Club Pro

Bobby Westfall of El Reno, Okla., has been hired as the new golf pro at Farwell Country Club and will take over duties there as soon as possible after December 1. Gene Deeds, who has been pro here since 1967, will be leaving at that date to take over duties as superintendent of the Lubbock Country Club.

Westfall, who is a graduate of Texas Tech, has played professional golf on the tour and has served as pro for seven years at Floydada. He has been at El Reno for a year.

Action on the hiring of the new pro was taken at a meeting of the club's board of directors Tuesday night of this week. Effective the day Westfall takes over, the club will remain open seven days per week. Green fees of \$3 on weekends and \$2 on weekdays will still be the same. Other operations of the club will remain the same, say board members.

Westfall and his wife have three sons ages 11, nine and six.

!!! EARLY DEADLINE !!!

Due to the Thanksgiving holiday next week, the Tribune will have to be mailed early, thus setting an early deadline for all news copy. All news to be printed in next week's edition should be called into the Tribune office or delivered there by 11 a.m. Tuesday, Nov. 24. Papers will be mailed Wednesday, Nov. 25, so that local subscribers will receive their papers prior to the holiday.

Sam Randol Services Conducted Wednesday

Funeral services were conducted Wednesday, Nov. 18, from the 16th and Pile Sts. Church of Christ in Clovis for Thomas Samuel Randol who died November 16 in a Roswell hospital following surgery.

Mr. Randol, who had lived in Farwell until 1962 when he moved to his home at 311 West Kathie, Clovis, was a retired farmer. He homesteaded south of Texico in 1903 and lived there for many years before moving into the town of Farwell in 1946. He was born December 7, 1893, in Trent, Tex.

Survivors include his wife Dovie; five daughters, Mrs. Eileen Cantrell and Mrs. Talma Robertson, both of Clovis, Mrs. Azleet Roberts of Texico, Mrs. Tommie Fain of Littlefield, and Mrs. Hettye Nann Schreefer of Omaha, Neb.; one brother, Ebb Randol of Farwell; 14 grandchildren, and one great-grandchild.

Bob Ware, Church of Christ minister of Littlefield, and Bob Hawkins, minister of the 16th and Pile Sts. Church of Christ, officiated at final rites. Burial was in the Plains Mausoleum under the direction of Steed-Todd Funeral Home. Pallbearers included Albert Lane

Jail Break In Farwell

A prisoner being held in the Parmer County jail enjoyed a few hours of freedom Tuesday evening following a break from the jail at approximately 4:15 that afternoon. Ramiro Gonzales, being held in jail awaiting action of the grand jury on charges of car theft, overpowered Parmer County Deputy Sheriff Tom Atkins during the afternoon feeding time and escaped the jail on foot.

Gonzales forced Atkins into a cell and slammed the door, then made good his escape. County Judge Archie Tarter heard Atkins' calls for help and released him. Surrounding area peace officers were then notified of the escape.

Gonzales made it on foot to a relative's house in Mulshoe where Parmer County Sheriff Charlie Lovelace was notified and the escapee was returned to custody about 11:30 the same evening.

Expansion Planned --

Bond Issue Proposed For Texico School District

On Tuesday, Nov. 24, the qualified voters of Texico Municipal School District No. 2 will go to the polls and pass judgment on a proposed \$350,000.00 bond issue. Proceeds of the bond issue will go to provide the Texico School System with a new auditorium-gymnasium complex. The proposed new building will house facilities for dressing rooms for both the boys and girls and will also have a coaches' office.

The auditorium-gymnasium will have space for a basketball court as well as a stage which will be located at the south end of the building. There will be a portable bleacher system to allow local patrons to view

basketball games as well as civic and school presentations which require a stage. The proposed building will be built with a portion of it using the wall on the west side of the present library. The building will go northward to the north end of the present high school classrooms. The dressing room facilities will be in this area of the structure. It will also be close enough to the athletic fields to be used by the home and visiting teams as dressing rooms for football games etc.

Going south from the athletic department will be the big auditorium-gymnasium combination. The Texico School Board emphasizes the need for the new complex by pointing out that the old or present gymnasium building has outlived its usefulness and the late Fire Marshal has recommended that it be abandoned and all activities be transferred to another building at once.

The board also points out that as the school system continues to grow other buildings will have to be added in the future. If the bond issue is passed at this time, then this bond, plus all the existing indebtedness can be paid off by the time additional instructional facilities are necessary.

The school district is now paying \$56,000 annually on the existing school debt. With the inclusion of the proposed bond issue the payments will only be increased to \$60,000 annually. This will allow all indebtedness to be paid off in approximately eight years and put the system in good financial position to provide additional facilities which will be needed by that time.

The proposed increase in local taxation will only amount to 69 cents per \$1,000 assessed valuation. This means that on a house with an actual value of \$15,000, the added taxes will just be \$3.45 per year over the present payments.

The polling place will be the Texico Town Hall and voters may cast their ballots between the hours of 8 a.m. and 7 p.m. Tuesday, November 24. All qualified electors of the district will be eligible to vote. Two ballot boxes will be provided at the polling place, one box being for property owners and the other box for non-property owners. This arrangement will be provided to take care of state legal requirements for this type of election.

Dr. Thigpen To Present Series Of Sermons

SAM RANDOL
Martin, Preston Martin, Z. A. McCasland, Ben Fletcher, Cleo Carpenter, John Sublett, H. W. Harmon and Manzy Simms.

Dr. Charles R. Thigpen of Albuquerque, N.M., will present a series of "Sermons in Song" at Hamlin Memorial United Methodist Church beginning at the Sunday, Nov. 22, worship service at 11 o'clock. Other services will be at 7 p.m. Sunday evening and at 7:30 p.m. Monday and Tuesday evenings. Following the Sunday evening service, Dr. Thigpen will be honored at a reception in the church parlor which will be hosted by members of the WSCS.

Everyone is invited to these unique evangelism programs and a nursery will be provided for each service.

Dr. Thigpen is District Superintendent of the Albuquerque District of the United Methodist Church and served as pastor of churches in Oklahoma City, Perry, Elk City, Blackwell and Ponca City, all in Oklahoma, and First Methodist Church of Albuquerque before coming to Albuquerque in 1967 from the Wesley Methodist Church in Oklahoma City.

The guest speaker received his education from Oklahoma City University where he received a bachelor of arts degree in 1939; Perkins School of Theology, Southern Methodist University and received an honorary doctor of divinity degree from Oklahoma City University in June, 1965.

Dr. Thigpen studied voice for six years under Mabel K. Laird of Oklahoma City and did radio work on Oklahoma City stations and at an Albuquerque station. He was a gospel singer for many years and in 1960 recorded his first album of vocal solos entitled, "The Glove Road." His second album, "My God and I," was published in 1962; and his third album, "Let There Be Peace" was released in 1964. His latest attempt, "Observations on

FFA Members Take Orders For Fruit

Farwell's Chapter of Future Farmers of America is selling crates of oranges and grapefruit as a money-making project for their organization at this time. All FFA members are taking orders for the fruit which will be delivered near December 15.

Each crate of fruit, which is shipped here from the orchards of the Rio Grande Valley, sells for \$5 and a person may order a complete crate of either fruit or he may order a combination of the two.

Anyone interested should contact any FFA member or one of the chapter advisors, Jerry Mathis and Danny Ivy, to place an order.

Dinner Nets \$275

A spokesman for the Texico Cemetery Association reported this week that the dinner sponsored by that organization on Election Day netted \$275. Association members expressed appreciation to each person who brought and helped serve the food and to all who ate with them that day. Proceeds from the venture will be used for upkeep of the Texico Cemetery.

To Do Research

Donald W. Jones of Bovina, who is a Ph.D. candidate in plant physiology at Virginia Poly-Technic Institute and State University at Blacksburg, Va., will be working on research on a herbicide developed by the Velsicol Chemical Corp., according to information released by the university last week. Jones is the husband of the former Judy Billingsley of Farwell.

Reunion Next Week At Oklahoma Lane

Next Friday night, Nov. 27, is the date to circle on the calendar for the big Oklahoma Lane Ex-Students and Community Reunion which is to get underway at 7 p.m. in the Oklahoma Lane Community Building.

Local residents and ex-students will furnish pie and coffee to be served at the evening of visiting and fellowship which will be the second reunion of the area residents in recent years. At the last get-together, it was voted to schedule the reunion every five years so that perhaps more persons would return for the event.

Many out-of-town ex-students and residents have written to say that they are coming to the reunion and are looking forward to the celebration. Officers of the organization are Harold Carpenter, president; Arlin Hartzog, vice-president; and Mrs. Ponce Billingsley, secretary-treasurer. Any of these officers may be con-

Pay Increase Planned For County Employees

A public hearing has been set for Monday, Dec. 14, at 2 p.m. at the County Court Room in the Court House at Farwell on a proposal to increase the salaries of all county officials and employees, including deputies, assistants, clerks and stenographers, by \$45.00 per month.

Any and all persons in the county who are interested are invited to this meeting.

Former Local Boy To Play Saturday

When Farwell's throng of Texas Tech football fans journey to Lubbock on November 21 to see the Hogs of Arkansas meet the Red Raiders, they will be seeing a hometown boy perform once again.

Bobby Field, a senior at the University of Arkansas, played his first football while a student at Farwell and is beginning his third year as a starter at the "monster man" position for the potent Razorbacks. That seemingly would be the wrong spot for a guy the size of Bobby, but what he lacks in size, he makes up for in spirit, courage and sheer determination, while playing havoc with running backs and tight ends who outweigh him sometimes as much as 30-40 pounds.

Field, who admits that football is one of the most important things in his life, is an active member of the Fellowship of Christian Athletes and readily tells all who will listen of the importance of Christ in the life of everyone, regardless of his trade.

BOBBY FIELD

During the past summer, Bobby, along with several hundred other Christian college students spent several weeks working among the hippie and transient types of people in California. He was accompanied on the trip by another local boy, Kyle Sheets, who is presently attending Christian College of the Southwest in Dallas. He was also a star football player for the Farwell Steers.

Bobby feels that these organizations are capable of reaching many more young persons than might be reached directly through the church, and adds that his faith in Christ really helps him along when things get rough, even in football.

At any rate, it will be a thrill again for Farwell folks to see Bobby in action as they remember back when he was their All-State quarterback.

Draft Board Notes Changes

Local Draft Board No. 18 Executive Secretary Clela O. Allshie announces that random selection number 141 is the highest lottery selection number reached in 1970.

However, the board spokesman said, it may be necessary to go to a higher random selection number than the previous high number in order to satisfy the remaining 1970 draft calls.

Executive Secretary Clela O. Allshie said that in compliance with the White House Executive Order announced recently, all registrants of Local Board No. 18 who hold the highest reached number or numbers for induction due to any circumstance, will be considered for carryover into the extended priority selection group if they are classified I-A as of December 31, 1970. Such young men will have their liability for induction extended for the first three months of 1971.

The local board spokesman said that the Executive Order states that registrants who held numbers above the highest reached number of Board No. 18 and are classified I-A on December 31, will be placed in a lower draft priority group on January 1.

TRIVIA from across the desk of Joann Getz

The Neiman-Marcus Christmas Catalog is out! The expected excitement and originality has made the catalog famous the world over. While a spotted fur coat is not featured this year, there is plenty of attention to animals, trees and ecology as well as the famous His and Hers items and the most exclusive gifts in the world.

As economists continue to argue the future, Neiman-Marcus provides for both the optimist and the pessimist. For the rainy-day pessimist, only a Noah's Ark would do for the deluge ahead. Whenever come-what-may finally does come, he boards his own Ark and floats away. Quarters for 180 animals, all in pairs: 92 mammals, 10 reptiles, 26 birds, 14 fresh-water fish and 38 insects. And, of course, 8 passengers, 4 ship's crew and all the staff, including one each of: French chef, Swedish masseur, German hair stylist, English valet, French maid, Italian courier, English curator/librarian, Park Avenue physician and Texas A&M veterinarian. Including animals, cost \$588,247.00.

Because the optimist takes confidence in the future, he plants an oak tree to become, over the years, a nest for his grandchildren's treehouse. A young tree, three feet high, \$10.00, is complete with its own Austrian Christmas ornament.

This year's "HIS and HERS" is a pair of 1971 Thunderbirds for \$25,000. Engineered by the Ford Motor Company, they become homes away from home. "HIS," gunmetal gray and silver, features a dictating machine, electric razor, locking safebox for valuable papers. "HERS," ruby and black, has flourescent makeup mirror, console cosmetic case and sewing kit. Both "HIS" and "HERS" have tape centers complete with music and language courses. But the final NM touch is the NM graphic, a monogram design used for the luggage and matching landau top and trunk interiors.

The same NM graphic is used frequently throughout the catalog. A lucite dog house with an NM brown and black terry cushion, \$85.00. For him, the graphic design tie (\$8.50); for her, a red and white NM silk square (\$20.00). For them, the same design on mugs, (4 for \$10.00) or playing cards with scorepad, (\$6.50).

For the first time ever, a chic eight-foot long lacy qiviut scarf handwoven by Eskimo women from the supersoft underwool of the formidable Alaskan Muskox. NM executives have worked with the University of Washington ten long years to help develop it, \$150.00.

A lucite bathtub with built-in aquarium arrives with its own fish and luxurious beauty chest filled with Youth Dew, \$5,000.00.

Or why not get really carried away and let her invite 598 of her closest friends for a 24-hour cruise aboard the T.S. Hansaatic. First stop, the new Neiman-Marcus in Bal Harbour, Florida, for a champagne Bon Voyage toast, then on to Port Everglades for noon embarkation. A luxurious floating party including sports and sauna, gourmet dining, dancing til dawn -- or just gaze at the sea and stars. After a late breakfast, a fond farewell to the blue Caribbean and 24 hours of the essence of luxury... the ocean frolic, just \$35,000.

A section on "Things she didn't know she needed gently prods the gift-giver's memory:

A tiny Rx reminder, a pill box alarm clock (\$65.00) that sounds off sweetly when it's time to have another. A 14 kt yellow gold eyelash holder-appliator (\$100.00) keeps lashes ready to use, easy to apply.

If she has covered everything else in the house in need-point, chances are she's missed the fly swatter. So here's everything she'll need for \$10.00. As she sits by the fire needling her fly swatter, her own Royal Worcester hand-painted porcelain thimble will protect her fingers from nasty pin pricks, \$7.50.

For the ecology minded gift-giver, a trash-masher is a must. Compacts trash, even cans and bottles to, to 1/4 their original size, \$250.00.

Christmas is really the only time to give him or her that something they have always dreamed of. For him, a buffalo leather vest from England, \$69.50. Or elephant hide attache case, \$300.00.

For her, a natural golden sable, \$7950.00, or a luxurious week at the ultimate oasis, The Greenhouse, \$725.00. For the younger miss, the special Silver Spoon Course at The Greenhouse during the summer is perfect just before the deb season, \$495.00.

Or select from pages of dazzling precious jewels, ranging from a beautiful Plagat watch for \$4900.00 to a unique bug tie tac, \$10.00.

For the children, originality abounds. The new Sesame Street game can be a mother's best friend, \$20.00. And for the little one's very first Christmas, a musical moo, of course. A soft, contented cow, \$10.00, plays that magical tune, "Deep in the Heart of Texas."

Your child's room will be transformed into a world all his own by the deft artistic hand of Anita Laidman Wagenvoort. After a consultation with each child, she turns the walls of an ordinary room into a world of whimsy, \$1500.00.

Wrap it all up, in the world's most celebrated gift wrap. And a Merry Christmas to all and a Happy New Year, too...from Neiman-Marcus.

Wild, warm fake fur is the target for big sewing ventures this winter.

To hit the bull's eye in style when sewing fake fur, follow these tips:

-Choose a design with few styling details. Eased seams are difficult to handle.

-Since fake fur is a pile fabric with a nap, check the pattern envelope under "withnap" for yardage requirements. If not listed, add three-eighths to three-fourths yard for cutting pattern pieces one way.

-When cutting the fur fabric, eliminate seams wherever possible. For example, if there is front opening, cut the facing and front center together. Lay pattern pieces on the wrong side of the fabric and have the nap running downward. Cut one layer at a time in deep pile, cutting only the backing to avoid cutting the pile. Mark the fur fabric with chalk or tailor's tacks.

-Baste seams of the fake fur garment to prevent shifting, and stitch in the direction of the pile whenever possible. Long pile yarns may get caught in the seams but can be released by pulling them gently with a pin or needle. If stitching on the pile side of the fabric, keep the pile flat by stitching through transparent cellophane tape.

-Buttonholes are difficult to handle on fake fur garments, so another type closure is usually preferred.

-Check the label on the end of the fake fur fabric bolt for information about ironing. Some fur fabrics cannot be pressed with heat or steam; finger pressing may then be used. If a velvet ironing board is not available, try a turkish towel or self-fabric placed face up on board with pile side of garment on top. Press lightly with steam iron in direction of the nap. Remaining fur fabric pieces may be used as trim detail on other garments.

USDA's Consumer and Marketing Service reports plentiful supplies of broilers during November.

To help celebrate abundance, try this tempting recipe:

CHICKEN FIESTA

1 ready-to-cook broiler-fryer
 1 box instant Spanish rice
 1 8-ounce can tomato sauce
 1 fresh lemon, cut into quarters
 Salad oil

To prepare the stuffing, cook the Spanish rice according to package directions, using the can of tomato sauce for the liquid. Rub the chicken with the rice mixture and place on a rack in an open baking pan. Baste well with salad oil, then bake at 350 degrees, allowing about 30 minutes per pound of chicken.

If you prefer to make the dressing from white rice, then proceed as follows: Cook enough white rice to measure

Slenderettes Meet In Hammit Home

Mrs. Ann Hammit was hostess to the regular meeting of the Twin City Slenderettes last Thursday afternoon.

Mrs. Loretta Fogerson was named top loser of the week. Funds left in the "fines" kitty which was contributed by members who were fined 25 cents each time they ate something not approved, were to be used to treat the group at a meal at a Clovis restaurant on November 19.

Attending the November 12 meeting were Mesdames Hammit, Frances Birchfield, Rubie Craft, Wanda Walker, Gladys Kaltwasser, Sis Deeds and Loretta Fogerson.

It's getting close to Christmas and many of you will be mailing packages. Here are some suggestions for mailing cookies.

The secret is in the packing; mailable kinds include soft drop cookies, filled cookies and chewy bar cookies.

Use a strong cardboard box or metal container for mailing cookies.

Cookies with honey and fruit improve flavor with age. Apple-sauce, molasses, oatmeal and mincemeat cookies are good packers.

Why not bake bar cookies in foil pie pans and mail them in the pans.

Line the mailing container with aluminum foil and put a cushion of crumpled paper towels or wax paper on the bottom. Wrap cookies in pairs, back to back, with foil or plastic wrapping to seal in flavor.

Pack snugly in rows with heavy cookies at the bottom. Cover each layer with a cushion of paper towels and top with a thick layer.

Wrap the filled box in foil and heavy brown paper and tie securely. *****

Two SWPS Units Tops In Efficiency

You always know the top 20 in college football the Tuesday after the last Saturday that the teams have gone to battle. The statistics don't come out quite that fast in the electric utility business, however, and a Federal Power Commission report which was just recently released shows that two of Southwestern Public Service Company's giant electric generating units were in the top 20 for efficiency in 1968, the latest year for which figures are available.

The Federal Power Commission report on operating expenses and efficiencies rated Unit #2 at Cunningham Station, near Hobbs, N.M., as the 10th most efficient gas-fired generator.

Food gifts are always good, so why not make some of your favorite baked goods for Christmas. It's not too early to start now.

FRUIT CAKE COOKIES

1/2 c butter or margarine
 2/3 c brown sugar
 1 egg, beaten
 1 t soda
 1-1/2 T milk
 1-1/2 c flour
 1 t cinnamon
 1 t nutmeg
 1 t allspice
 1 t cloves
 1/4 t salt
 1/4 c fruit juice
 1 lb candied pineapple
 1/2 lb candied cherries
 4 c pecans

Cream butter or margarine and sugar. Beat in egg. Dissolve soda in the milk. Sift together flour, cinnamon, nutmeg, allspice, cloves and salt. Add dry ingredients, alternately with milk and fruit juice, to the fat and sugar mixture. Mix in fruit and nuts. Drop by spoonfuls on greased baking sheets. Bake at 300F for 20 to 30 minutes. Yield: 9 or 10 dozen cookies.

rating unit in the nation, insofar as heat rate is concerned, and Unit #4 at Plant X, near Earth, Tex., was selected as the 12th most efficient.

Each of the generating units has a capability of 210,000 kilowatts. The recognition of their efficiency is measured in the amount of gas required to produce a kilowatt-hour of electric energy.

Where this all gets important to the customers is when you get it down to dollars and cents. Southwestern's cost for gas has increased by 36 per cent in the last ten years, but the unit fuel cost for each kilowatt-hour generated has increased by only 22 per cent. The more efficient units, such as those cited in the FPC report, make this performance possible.

Harrol Redwine Gets Air Medal In Viet Nam

Army Warrant Officer Harrol D. Redwine, son of Mr. and Mrs. J. C. Redwine, Route 1, Bovina, recently received the Air Medal near Ving Long, Vietnam.

W. O. Redwine earned the award for meritorious service while participating in aerial flight in support of ground operations in Vietnam.

An aviator in Troop A, 7th Squadron of the 1st Air Cavalry, he entered the army in March 1969 and was last stationed at Ft. Rucker, Ala.

The 25-year-old warrant officer was graduated from Lazzbuddie High School in 1963 and received his BS degree at West Texas State University in Canyon, in 1968. His wife, Charlotte, lives on Route 1, Friona.

In Final Game --

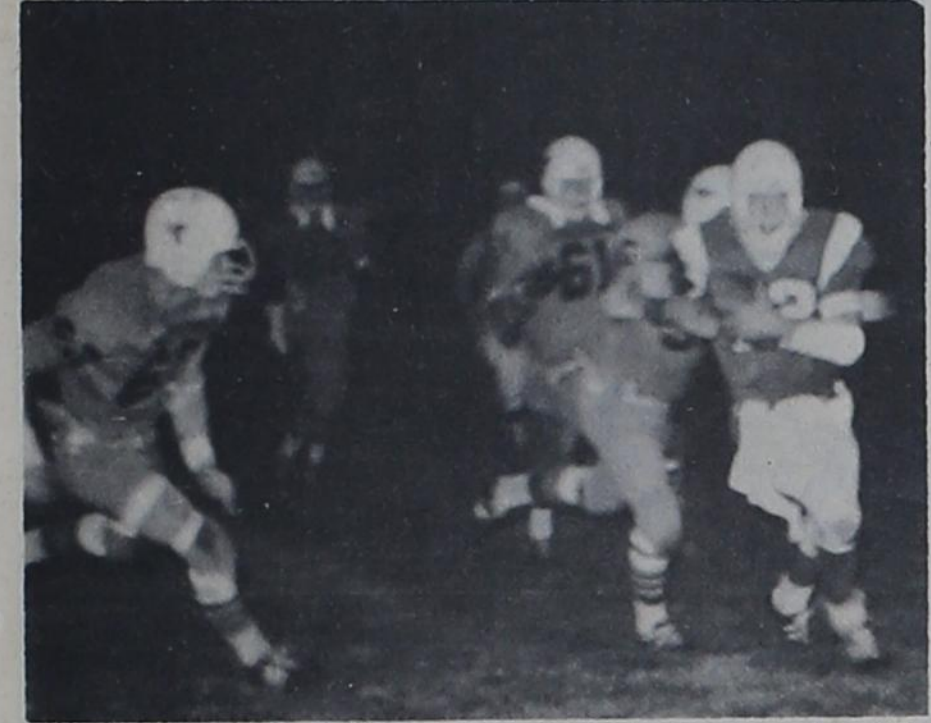

Vega Bests Farwell In Cold, Wet Outing

by Will Anderson
The Farwell Steers dropped their final game of the season to the Vega Longhorns in Vega Friday night by a score of 34-8.

a score when he intercepted a Farwell pass, Robinson scored from there on an 80-yard run. Once again the PAT was unsuccessful and the 'Horns led 24-0.

performances although they did not win as many games as they would have liked. The Blue and White started off the season with three straight losses to Friona, Dimmitt and Morton, then came back when district play began to defeat Hart, Happy, Bovina and Springlake, and took over undisputed lead of District 3-A.

Steers out of district contention. On the same night, Bovina played the upset role by taking Vega out of the running to leave Kress and Sudan in No. 1.

ALL ALONE -- Gene Sheets, Farwell quarterback, circles end for a short gain in the second quarter of last week's 34-8 loss to the Vega Longhorns. The final game of the season was played at Vega on wet and slick turf. The temperature was only a few degrees above freezing and a steady north wind of 25-35 miles per hour hampered play all evening.

of Ray Norton, Barry Williams and Larry Jones, the Steers set Vega back to the 44 after four plays. At that point half-back Tony Cassetty threw a touchdown pass to Landon Carter to put the home team ahead 6-0. The two-point conversion was stopped and Vega went to the dressing room at half time with the 6-point advantage, the remainder of the second quarter having been used up in a defensive battle.

The 'Horns got the second half off to a flying start scoring on the first play from scrimmage from the 40-yard line on a run by Dickie Robinson. Barry Williams prevented the two-point attempt and the score was 12-0. The resulting kick was bobbed and Vega recovered on the 47-yard line. From there the Longhorns scored in 12 plays, chiefly on the running of Tony Cassetty and Landon Carter. Carter plunged the final two yards to pay dirt, but when the 'Horns again failed to make a two-point conversion, the score was 18-0. Dickie Robinson stopped a Steer drive some 20 yards from

extra points to bring the score to 24-8. After that, neither team could sustain a drive until late in the fourth quarter when Vega took over on their own 39, and drove in from there for the tally. This time the extra point kick was true and the score read 31-8, Vega.

Once again Vega took over on downs only 26 yards from the goal but were halted by the Steer defense on the 14. From this point they booted a field goal to end the scoring for the night at 34-8.

Another fine defensive showing was turned in by Mickey Lunsford, Gene Sheets and Randy Chandler.

Coach Toby Booth commented that the Steers probably did not play as well as they could have in the Vega game; however, he said there were times when the team looked good on offense.

In summing up the Steers' 4-6 season, 4-3 in district play, Coach Booth says his team was much improved from the beginning of the season and that overall, the boys all turned in good

Last Friday night Kress was edging the Sudan team to win District 3-A honors while Farwell was playing in a losing effort at Vega. Kress will meet Petersburg of District 5-A in the bi-district match this weekend.

Farwell will lose eight seniors from the present squad, including Jackie Gilliam, Gene Sheets, Everado Arce, Larry Jones, Randy Chandler, Barry Williams, Mike Haseloff and Gary Erwin.

October Sees 13 County Accidents

The Texas Highway Patrol investigated 13 accidents on rural highways in Parmer County during the month of October, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in three persons injured and an estimated property damage of \$18,140.

The rural accident summary for this county during the first 10 months of 1970 shows a total of 117 accidents resulting in three persons killed, 61 persons injured, and an estimated property damage of \$108,935.

"Traffic-wise, November and December are noted as dangerous months for pedestrians. During November and December of 1969 in Texas, there were 86 pedestrians killed and 885 injured in collisions with motor vehicles. Some of the attributing factors are early hours of darkness, bad weather, drinking intoxicating beverages, holidays, and lack of drivers' and pedestrians' attention," Sgt. Wells says.

Sgt. Wells listed tips to aid both pedestrians and drivers: Always wear something light colored when walking after dark. If possible, carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

Aboard Carrier

Navy Seaman Apprentice Anacleto Ortiz Jr., son of Mr. and Mrs. Anacleto Ortiz of Texico, has returned to San Diego aboard the attack aircraft carrier USS Bon Homme Richard.

The 43,000-ton warship completed her record sixth, and final, Vietnam combat deployment when she returned to her home port November 12 after seven and one half months in the Western Pacific.

During the 26 years since commissioning, Bon Homme Richard distinguished herself in three major conflicts, World War II, Korea and Vietnam.... the only Navy attack carrier to claim that record.

Ortiz is a 1968 graduate of Texico High School.

Farwell Girls Win In Three Outings

Farwell's A team girls have won three basketball games in as many outings in recent weeks, taking two victories over Muleshoe and one over Dimmitt.

In the game played with Dimmitt on the Farwell court Tuesday of this week the local girls were victorious, 41-39. LaShawn Sheets led the winners with 16 points, followed by Jeniene Taylor with 13 and Becky Ritchie with 12. High pointer for the visitors was Baldrige with 14.

Farwell's B team won over Dimmitt, 38-34, with Robyn Craig tossing in 27 for the Blue and White. Marilyn Winegeart had eight, and Joyce White and Gail Meeks each scored three points. Dones and Mooney each had 10 for the losers.

In games played November 3 at Muleshoe, the A team won over Muleshoe, 46-44, with Jeniene Taylor leading the scoring

with 21 points. Becky Ritchie had eight and LaShawn Sheets had 17. Winn and Kimbrough each had 16 for Muleshoe.

The Farwell B team was downed 41-39 on this date. Robyn Craig made 23 points in the losing effort; Marilyn Winegeart had 13, Joyce White had one, and Sandra Watkins had two. Jeannie Putman had 20 for the winners.

On November 10 the locals again played the Muleshoe team and the Farwell varsity team won 39-19. LaShawn Sheets poured in 15 points for Farwell and was followed by Jeniene Taylor with 13, Becky Ritchie with six, Polly Dollar with three, and Jo Dell Goldsmith with two.

The B team was edged 43-39 on the high scoring of Jeannie Putman who put in 29 points for the winners. Farwell's scoring went like this: Robyn

Craig, 25; Marilyn Winegeart, two; Joyce White, six; Sandra Watkins, three; and Gail Meeks, three.

Farwell girls coach Gayle Nicholas reported that she was well pleased with play in the games with the Muleshoe team and highly complimented the defensive unit composed of Trumi Christian, Terri Edwards, Debra Foster, Phyllis Jones, Deb Wardlaw, Penny Phillips and Lynne White.

In the games with Dimmitt, however, Coach Nicholas said she was somewhat disappointed in the over-all play and that team members were disappointed in the small turn-out of local fans to see the games.

The two teams will be playing at Friona tonight (Friday) with the A team game scheduled to begin at 7 p.m. Farwell's A and B boys teams will also be playing at Friona.

Dimmitt Tops Farwell Boys

Farwell's varsity basketball team lost its first game of the 1970 season, 94-66, to Dimmitt in a game played at Farwell Tuesday night.

Gene Sheets led the losing squad with 28 points while Randy Chandler had 13 for the Steers. Brett Hargrove was tops in the rebound department with seven to his credit.

Coach Vernon Scott said following the game that the Steers played very poorly on defense and that they turned the ball over some 24 times without getting a shot. In commenting on the "press and run" played by the Steers, Coach Scott says his team will continue to do this for at least two more weeks. At that time they will make an evaluation and determine what type game plan they will play the remainder of the season, Scott added.

The varsity worked primarily on defensive tactics the remainder of the week in preparation for tonight's game with Friona. Schedule for the remainder of the season follows:

- Nov. 20 - Friona at Friona, Nov. 23 - Morton at Farwell, A & B
Nov. 24 - Dora, at Dora, N.M., A & B

Christmas Mail Tips Noted By Postmasters

The local postmasters of Texico and Farwell list six tips on how residents of Texico-Farwell can help meet tight Christmas budgets this year by careful mailing of cards and parcels.

For the most efficient mailing, the following suggestions are made:

1. For servicemen over "SAM" (Space Available Mail) Christmas parcels can be sent until November 20 for only the small domestic parcel post charge involved from Texico-Farwell to East or West Coast points of embarkation for military mail. Parcels up to five pounds and 60 inches in combined length and girth are accepted at this low rate.
2. Large parcels (up to 30 pounds with the same length and girth limitations) can be sent as "PAL" (Parcel Airlift) mail, provided they are mailed by November 27. The charge is only \$1 per parcel, plus the regular domestic parcel post postage - much less than charges that would apply later if straight airmail service must be provided.
3. For all packaging, invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.
4. Insure parcels realistically to cover full value, but do not overinsure. A \$10 gift, for example, can bring only \$10 compensation, if lost, even if "insured" for \$100.
5. Get plenty of stamps on your first trip to the post office to avoid the time and expense of additional trips.
6. Use ZIP Code on all mail as a tool for economy in mailing. When it is used consistently to cover full value, but do not overinsure. A \$10 gift, for example, can bring only \$10 compensation, if lost, even if "insured" for \$100.

For service to its patrons the Farwell post office will have its service counter open on Dec. 5, 12, and 19 until noon. Ordinarily the office is closed on Saturdays, but service will be available only on these three Saturdays during December.

ently on parcels and cards, ZIP Code helps prevent errors in delivery and expedites handling. If only a few Christmas cards go astray, an investment of several dollars may be lost, for example.

The key to efficient Christmas mail is to mail early and carefully. Clear addressing, with the ZIP Codes, proper packaging and early depositing can prevent most problems and provide the greatest value for money spent for postage.

However, this interruption will enable gins and the area classing offices to catch up on their backlogs of cotton to be ginned and classed.

On The Farm In Palmer County

By R. MACK HEALD
County Agent

The South Plains cotton harvest was at a peak until halted by the unfavorable weather, according to W. K. Palmer, in charge of the Lubbock Cotton Classing office of the U.S.D.A. Samples received at the four area U.S.D.A. classing offices had reached a seasonal high of 40 to 45 thousand daily when the rain and snow interrupted the harvest.

Estimates indicate that approximately one-half of this season's crop is now out of the fields.

at Lubbock, Brownfield, La-mesa and Levelland classed 215,000 samples during the week ending Friday, Nov. 13. Total classed so far this season now stands at 336,000. This is far ahead of the volume at this date last year when only 29,000 samples of the 1969 crop had been classed.

Strict Low Middling was the predominant grade at Lubbock last week with 34 per cent of all cotton classed. Low Midd-

ling made up eight per cent, Middling Light Spotted 18 per cent and Strict Low Middling Light Spotted 21 per cent.

Staple length improved slightly and averaged approximately 31/32. Sixty per cent stapled 31/32 and longer compared to 43 per cent the previous week.

Micronaire continued very good. Eighty-four per cent of all cotton classed at the Lubbock office last week had micronaire readings in the premium range of 3.5 to 4.9 and 7 per cent "miked" 5.0 and higher.

Ninety-three per cent of the cotton classed at Lubbock last week had Pressley readings of 80,000 pounds and higher, compared to 88 per cent the previous week. Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above.

Trading increased on the Lubbock market but prices were \$2.50 to \$5.00 per bale lower. Prices ranged from the

loan for high grade, long staple cotton up to \$27.50 per bale over the loan for low grade, low micronaire cotton.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3/5 to 4.9 micronaire range were: Strict Low Middling 15/16 - 20.25, Strict Low Middling 31/32 - 20.50, Strict Low Middling Light Spotted 31/32 - 20.85, Middling Light Spotted 31/32 - 20.10 and Strict Low Middling Light Spotted 1-inch - 20.40.

Prices paid farmers for cotton seed were steady and ranged from \$55.00 to \$66.00 per ton.

Uranium deposits were discovered in Texas in 1954 by an airplane carrying scintillation equipment.

Hottest spot on earth is Al Aziziyah, Libya, where a temperature of 135.4 degrees F in the shade was recorded in 1922.

AWARD PRESENTED -- Upon recommendation of Conquistador Council, Texico-Farwell Scoutmaster Gene Bitner received the Scout's Key Award at Monday night's El Llano Grande District Banquet in Clovis. Presenting the certificate and ribbon was Major George Crowl, Cannon AFB, who serves as chairman of the Leadership Training Committee.

Bitner Receives Scout's Key

Gene Bitner, who has served as a Scoutmaster in Texico-Farwell since May of 1966, was awarded the Scout's Key Monday night, Nov. 9, at the El Llano Grande District Banquet in Clovis. The "Key" is a green and white ribbon with gold Boy Scouts of America emblem attached, also presented with a special certificate from the Conquistador Council, headquartered in Roswell.

Awarded for at least three years' service as Scoutmaster, candidates for the "Key" must also have had at least seven indoor and outdoor training sessions and at least one Council training course, such as the "Show and Do" camp-outs held each year for adult leaders.

Has Surgery

Brett Coffman, 18-month old son of Mr. and Mrs. Frank Coffman of Denver, Colo., recently underwent a tonsillectomy and while in surgery, suffered an asthmatic attack and was in critical condition for awhile. His paternal grandmother, Mrs. E. R. Coffman of Farwell, reports he is much improved now.

by records showing he has carried his boys over 13,150 miles to places such as Santa Fe, Albuquerque, Carlsbad, Corona, San Antonio, Galveston, Oklahoma, and Camp Wehlnah-pay for monthly camping experiences. He explains, "On TV, in books, and in magazines, our boys see Scouts on hikes through tall timber, fishing from mountain streams, and planting their flags atop high mountains. Camping in the sandhills or in a back yard just doesn't keep this promise for outdoor adventure -- so that's the reason we take our Scouts to where camping is really a scenic experience."

Scoutmaster Bitner also created the "Texico-Farwell" community strip currently being worn by Boy Scouts and Cub Scouts in recognition of the "Twin Cities" status of our communities. Obtaining this uniform part took a considerable amount of persuasion from the Scoutmaster and Roger Albertson, Scout Distributor in Muleshoe, because of a national supply policy to have only one community name on uniforms. From the beginning, Monday night as been "meeting night," but Scouts also visit the Scoutmaster's house during the week to work on advancement and plan for future activities. Bitner and his wife, Linda, reside at 110 San Andres in Farwell. He is employed by the Texas Highway Department, Palmer County Section, inovina.

Lucky Clover 4-H Meets Tuesday

The Lucky Clover 4-H Club met in regular monthly session Tuesday afternoon, Nov. 17. The short business meeting was presided over by Deborah Harding, president.

Kathy Lockhart of Texico presented the program on drugs, explaining the effect different types of drugs produce and also explained some of the terms heard used on the drug scene. Members then asked questions concerning drugs.

Refreshments were served by Paul Brigham and David Harding to ten members and two adult leaders.

Two new club projects will begin in the near future, including photography and home improvement. Interested members should contact Mrs. Hurschel Harding.

Donna Wines, Davy Craig Exchange Wedding Vows

Wedding vows were exchanged by Donna Wines, daughter of Mr. and Mrs. Prentice Mills of Farwell, and Davy Craig of Clovis, son of Mr. and Mrs. David Craig of Alamosa, Colo., on Friday, Nov. 13, at Church of Christ, West 21st and Echols Ave., Clovis.

Attending the couple at the 7 o'clock ceremony were his sister and brother-in-law, Mr. and Mrs. James Calder of Clovis. Daughters of the bride, Angie and Cindy Wines, also attended.

After a short wedding trip to Albuquerque, Mr. and Mrs. Craig will be making their home in Clovis.

Girl Scout Troop Holds Investiture

On Tuesday, Nov. 10, Girl Scout Troop 121 held its annual investiture and rededication ceremonies in Fellowship Hall

of Hamlin Memorial United Methodist Church. Six girls were newly invested as Junior Girl Scouts and 16 girls renewed their Girl Scout Promise.

The program was begun by the Super Six Patrol who presented the United States and Troop 121 Colors. Girl Scouts who are earning their troop dramatics badges presented a choral reading on the Girl Scout Promise and Laws while members of the Six Bathub Rings Patrol carried out the candle lighting ceremony.

Troop leaders, Mrs. Charles Aycock and Mrs. Jack Kirkland, then invested new Girl Scouts, Kathy Key, Mary Lou Roberts, Rachel Sierra and Shawn Smith, and former Brownie Scouts Cheryl Lockmiller and D'Lynn Lockmiller.

Girl Scouts rededicating their Promise were Jamey Berry, Beth Black, Kathy Booth, Jan Bradshaw, Roxie Chandler, Paula Christian, Toby Curtis, Natalie Dollar, Judy Hardage, Leigh Ann Kirkland, Cary Marsh, Carolyn Meeks, Susan Meeks, Carol Vinton, Vicki Vinton and Deana Williams.

Following the closing Flag Ceremony, Margaret's Moppets Patrol served punch and cookies to the Scouts, their parents and guests. The Pink Panther Patrol was in charge of straightening and cleaning Fellowship Hall after the program.

Harvest Moon Party Honors Youth Groups

The youth group of Oklahoma Lane Baptist Church and other area young people were honored at a Harvest Moon party at the church last week. Hosting and sponsoring the social were the pastor and his wife, Mr. and Mrs. Bob Roberts, and Mr. and Mrs. Harold Carpenter.

Highlight of the evening was an old-fashioned scavenger hunt. Other games were played at the church throughout the evening. Refreshments of pie and hot chocolate were served.

The entertaining room was decorated to resemble a harvest scene with a harvest moon shining over shocks of feed, pumpkins, turkeys and other autumn type decorations in shades of

Pre-Nuptial Shower Honors Becky Daylor

Miss Becky Taylor, bride-elect of Milton Walling, was honoree at a pre-nuptial shower in the home of Mrs. Don Williams on Wednesday, Nov. 11, from 9:30 to 11:30 a.m. Assisting Mrs. Williams as hostesses were Mesdames A. T. Watts, Alvin Mace, Paul Holt, G. T. Watkins, Pike Jordan, Rosa Roberts, Joe Helton and Glenn Bell.

The honoree's chosen colors of blue and white were featured in decorations at the serving table which was centered with an arrangement of white spider mums and blue carnations with a white wedding bell attached to the arrangement.

A crystal bowl, covered with powder blue organza petals and dark green fabric leaves at the base, held chunks of fresh fruit which was served with assorted coffee cake, spiced tea and coffee. The crystal bowl was made as a gift for the couple by his

grandmother, Mrs. Eula Mae Madole of Clovis.

Crystal and silver appointments were used and napkins of blue bearing the names "Becky and Milton" in silver lettering completed the setting at the white covered table.

Hostesses alternated at the serving table and the honoree was assisted in opening and registering gifts by her mother, Mrs. Jack Taylor; mother of the bridegroom-elect, Mrs. Mitz Walling; and sister of the bridegroom-elect, Mrs. Edith Ann Campbell. Special guests were grandmothers of the bride, Mrs. Lee Taylor of Morton and Mrs. Edna Wages of Lubbock; and the future bridegroom's grandmother, Mrs. Madole of Clovis.

The engaged couple will exchange vows Friday night, Nov. 27, at 6 p.m. in the Calvary Missionary Baptist Church in Farwell.

Theta Rho Members Receive Pearl Awards

Four members of Theta Rho Chapter of Epsilon Sigma Alpha International have just won the highest honor their soror-

ity can bestow on a new member; the First Pearl Award. The recipients are Sarah Marsh, Alice Vinton, Patsy Berry and Doris Ford.

They received their awards Monday night during a chapter meeting at the home of Lillie Christian. The award was presented by LaMoin Williams, awards chairman.

ESA, one of the world's foremost leadership-service organizations for women, emphasizes educational and philanthropic accomplishments in attaining the First Pearl Award. Epsilon Sigma Alpha's 1,700 chapters annually raise and distribute more than one million dollars for local charities, scholarships and other philanthropic projects.

green and gold. Mrs. Roberts decorated the church for the event.

Attend Meet

Several members of the Woman's Society of Christian Service of Hamlin Memorial United Methodist Church were in Floyd, N.M., on Tuesday to attend a sub-district meeting of the WSCS.

Mrs. Charles Turner of the local church presided at the installation of officers for the sub-district. Others from the local church in attendance were Rev. and Mrs. W. T. Perry and Mrs. C. C. Christian.

Miss Cathy White Is Shower Honoree

Miss Kathy White of Colorado Springs, formerly of Texico, bride-elect of James C. Devine of Denver, Colo., was honoree at a pre-nuptial shower in the home of Mrs. Mary Jean Patrick in Farwell on Saturday afternoon, Nov. 14.

Hostesses for the bridal court were Mesdames Patrick, Audrey Kittrell, Diane Eshleman, Donna Donahay, Janie Day, Lois Hudnall, Aileen Pearce and Jerri Tharp.

Pink and white, chosen colors of the bride-elect, were featured in the decorations. The honoree and her mother, Mrs. Margaret White, were presented corsages of white carnations with pink trim.

Pink punch and cookies were served from white milkglass appointments from a table covered with white lace over pink. An arrangement of artificial pink and white flowers in a white

milkglass container centered the table and was presented to the honoree. Pink napkins bearing the names of the engaged couple completed the table decor.

Serving at the refreshment table were Cindy Eshleman, Jo Pearce and D'Ann Day.

Assisting the honoree in opening gifts were her sisters, Susan White of Texico and Mrs. Carol Turner of Pampa.

Mrs. Pearce directed games and told a story, "Kathy-rella," with each guest making up his own ending of the story. Approximately 40 guests attended the social.

Local Couple Hosts Anniversary Reception

Mr. and Mrs. Glenn Marsh and daughters, Kim and Cary, were in Archer, Neb., over the weekend to help host the 50th wedding anniversary celebration for their parents, Mr. and Mrs. Marion Marsh.

The five Marsh sons and their families hosted the event at the Fairview Methodist Church on Sunday, Nov. 15, when some 500 persons called during the receiving hours.

At a program planned by the

Marsh children, the sons sang a medley of songs and also an original number composed for the honored couple by their son, Rev. Donald Marsh. The Marsh grandchildren and the daughters-in-law of the couple also participated in singing various numbers during the afternoon. A gold locket and earrings were presented to Mrs. Marsh and he was given a gold key chain. The local family returned to Farwell on Tuesday.

Hob Coffmans Are Parents Of Girl

Mr. and Mrs. Hob Coffman of Cactus, Tex., are parents of a daughter born Wednesday, Nov. 4, in a Dumas hospital. The young lady, who weighed six pounds and two ounces, has been named Laura Renae. She was 19 inches in length at birth.

Paternal grandparents are Mr. and Mrs. E. R. Coffman of Farwell and maternal grandparents are Mr. and Mrs. Selix Kelm of Portales. The E. R. Coffmans and daughters, Gaye and April, visited from Thursday, Nov. 12, until the following Sunday with the Hob Coffmans and their new daughter.

Woman's Club Hears Book Review Monday

Texico Woman's Club members heard a review of the book, "The House at Otowi Bridge," by Peggy Pond Church, given by Mrs. Floy Wilbanks of Melrose when the club met in regular session in the home of Mrs. Norma Rogers Monday night, Nov. 16.

Co-hostess with Mrs. Rogers was Mrs. Lois Hudnall. Tentative plans for the club's Christmas party were made and it will

be in the home of Mrs. Charlotte Pierce.

Attending besides Mrs. Wilbanks and Mrs. Hudnall were Mesdames Charlotte Pierce, Aileen Pearce, Marcia Leavell, Vera Walters, Audrey Kittrell, Wanda Turnbough, Louise Enggram and Margaret White.

Son Born Sunday To Watkins

Mr. and Mrs. Mike Watkins of Okmulgee, Okla., announce the birth of their first child, a son, who was born at an Okmulgee hospital on Sunday, Nov. 15. The new arrival weighed six pounds, 12 ounces at birth and had not been named when local relatives received news of his birth.

Watkins, a former resident of Farwell, is serving with the Seabees and is stationed in Guantanamo Bay, Cuba. He is due to return home sometime in February.

Grandparents of the child are Mr. and Mrs. Gilbert Watkins of Lubbock, formerly of Farwell, and Mr. and Mrs. Herman O'Shields of Okmulgee, Okla. The baby is the first grandchild for Mr. and Mrs. Watkins.

Paternal great-grandparents are Mr. and Mrs. G. T. Watkins of Farwell.

While visiting his grandparents, Robbie fell from the top of the carport where he was playing and fractured both hands. Mrs. Coffman accompanied the Wilson family back to Oklahoma City where both hands were put in casts. She then remained for a week's visit with the Wilsons and reports that Robbie is getting along fine at this time.

Longhorn Roundup

by Mike Casey

The Longhorns of Lazbuddie raised their season mark to 8-1 last Friday night when they edged past the Amherst Bulldogs 20-15. The 'Horns, whose ranks are being stretched extremely thin due to injuries, saw several other players hobbling around trying to shake off injuries.

Jimmy Noland received what was thought to be a severely twisted ankle midway through the game and is a doubtful starter for the final game of the season. Marty Moseley has already been lost for the season and several other team members are being hampered by injuries.

The Bulldogs were the first to light up the scoreboard Friday night when Eddie Moates booted a 20-yard field goal through the uprights in the first quarter.

In the second period of play the 'Horns came charging back on Arthur Graves' 29-yard scoring run. Lazbuddie scored once more in the second quarter when Charles Lee tossed an aerial to Graves. Lee was credited with another Longhorn touchdown in the third stanza. He bolted 85 yards through the Amherst defense to the end zone.

In the final quarter, however, the Bulldogs fought from their deficit and Sandy Moore sprinted 12 yards for a touchdown and Bobby Clayton scored on a 45-yard run. The Longhorns were content to let the clock run out when they regained possession of the ball.

Lazbuddie gained 370 yards total offense, 333 of these yards coming on the ground and 37 gained through the air. Amherst rolled up 256 yards rushing and 55 passing for a total of 311 yards on offense. Charles Lee was the 'Horns' leading rusher with 186 yards. Arthur Graves had 149 yards, Jimmy Noland had 32 yards, and Mark Barnes gained 28 yards.

The Turkey Turks will be Lazbuddie's next opponent when the 'Horns travel to Turkey for the Friday night (Nov. 20) game to begin at 7:30 p.m.

Hospital Notes

C. H. Whitener of Farwell was admitted to Clovis Memorial Hospital last week for medical attention. Late in the week he was transferred to Retirement Ranch where he will make his home for awhile.

Mrs. Hedwig Gast, who has been ill, is reported to be improving this week. She is making her home in Day's Nursing Home, Room 212, 1201 Norris, Clovis, and would welcome guests.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

ST. PAUL AND THE RESURRECTION

The Apostle Paul, in discussing the resurrection of the dead, this question quite simply in this came to the simple and valid conclusion:

"If there be no resurrection of the dead, then is Christ not risen" (1 Cor. 15:13).

But the Apostle does not stop here. Hear him as he presses a further argument home:

"And if Christ be not risen, THEN IS OUR PREACHING VAIN, AND YOUR FAITH IS ALSO VAIN" (Vers. 14).

And this leads to yet another conclusion: "If Christ be not raised, your faith is vain; YE ARE YET IN YOUR SINS. Then they also who have fallen asleep in Christ have perished" (Vers. 17,18).

These are frank words about stern realities. If there is no such thing as bodily resurrection of the dead, then Christ has not been raised from the dead, and if this is the case we have no living Savior.

But granting all this, can we believe in what is palpably impossible? Ah, but is resurrection palpably impossible? Paul answers this question quite simply in this same discussion in First Corinthians 15:

"But some man will say, How are the dead raised up? And with what body do they come?" (Ver. 35).

This is not an interested question, but a challenge meant to prove that resurrection is impossible, and the apostle answers it as such:

"Thou fool, that which thou sowest is not quickened except it die" (Ver. 36).

What a devastating reply! We may point out all the reasons why resurrection is "impossible," but after all is said and done we are still surrounded by overwhelming evidence that it is a fact. Every blade of grass, every ear of corn, every beautiful flower bears witness to the fact of resurrection.

Yes, Christ is alive from the dead, and "able to save them unto the uttermost that come unto God by Him . . ." (Heb. 7:25).
