Railroad-Highway Dept. Makes Safety Survey

The Santa Fe Railway and Texas Highway Department of Public Safety were busy in the area early this week making a survey of railroad crossing violations by motorists in an effort to determine how the railroad and highway patrol could be more effective in controlling crossing mishaps and near accidents.

W. E. (Bill) Wells of the Department of Public Safety from Hereford and L. E. Sankney, superintendent of special services for Santa Fe from Amarillo, were in Texico-Farwell Monday to begin the survey.

The survey here was deemed necessary because of an extra-ordinary number of re-

ports from train engineers of motorists in the area trying to beat trains across the crossing.

The men report that one of their engines actually left paint marks on the rear of a gasoline tanker recently and a report of a near-accident with a school bus in the area has also been made.

One of the ways being tried to enforce the motorists to stop when the signals are in operation at a crossing is that of a Department of Public Safety helicopter relaying messages to a highway patrol car in the vicinity.

A DPS unmarked helicopter was used in the survey Monday on a trial basis and more in-

formation on this project will probably be released later.

New Water Supt. Hired In Texico

A newly-employed water superintendent has taken over duties for the Town of Texico, replacing Morgan Billington who gave up the position because of poor health.

The new employee, Larry Don Guiley, was hired at a meeting of the Town Council on January 15 and began his duties on Monday, Jan. 18.

Guiley, who is formerly of Muleshoe, resides at 512 Garwood with his wife, Brenda, and their five-month old daughter.

Little Dribblers Group Organized In Farwell

Organization of the Farwell Little Dribblers was made at a meeting Monday night, Jan. 18. The Little Dribblers, which is basketball for boys in the fifth and sixth grades, will be composed of boys from Farwell Public Schools only, and is financed solely by the Farwell Youth Commission. The Commission is providing insurance, uniforms and entry fees.

Deel, player agent, Jerry Owen; and director, Charles Hargrove.

The Farwell Little Dribblers will be composed of four teams of fifth and sixth grade boys, with eight boys on each team.

All boys who are interested in playing on one of the teams, including those who have already signed up, should meet at the high school gym Saturday, Jan. 23, at 11 a.m. Boys should all wear their tennis shoes. The first several Saturday meetings will be devoted to player-team organization.

Vernon Scott is president of the organization and other officers are vice president, Troy Christian; secretary, Richard

TRANSFER OF COTTON ALLOTMENTS: Cotton allotments may be transferred by sale or lease from Farmer County to any other county in Texas. Allotments can be transferred to Farmer County from almost any other county in Texas. Transfers may be initiated at anytime from now until May 3, 1971.

APPLICATION TO AVERAGE FARM IN FARMER COUNTY: In the following example we take a farm that has 640 acres of cropland - The 1970 feed grain base was 200 acres, the 1970 wheat allotment was 180.5 acres and the 1970 cotton allotment was 194.5 acres. If this farm is to participate in the 1971 programs, the situation would be:

	Crop Allotment A on which A to Base Payment be Set-	
	Made	Aside
Cotton	130.0	130.0
Feed	200.0	100.0
Wheat	80.0	80.0
Total to be Set-Aside	126.0	126.0
Minimum acres to plant for full protection of all bases in future years:		
Cotton	130.0	
Feed Grain	100.0	
Wheat	80.0	
Set-Aside	126.0	
Total	436.0	

acres - to be utilized on the farm in meeting the minimum program requirements.

March Of Dimes Activities Set

Several activities for the upcoming March of Dimes drive in Farwell have been scheduled, according to Mrs. Nell Walling, local chairman.

On January 22, a MOD coffee day will be held at Farwell Restaurant; and on January 27, a similar coffee day will be held at Clara's Spur

Restaurant. On these dates, these businesses will donate all money paid for coffee to the March of Dimes.

Members of Theta Rho chapter of EAS will make a house-to-house canvass in the annual Mother's March on Thursday, Jan. 28, beginning at 5:30 p.m.

MAKE SAFETY SURVEY--W. E. (Bill) Wells of Hereford, head of the area Texas Highway Department of Public Safety, left, and L. E. Sankney, superintendent of special services of Santa Fe Railway from Amarillo, were in Texico-Farwell early this week making a safety survey concerning railroad crossing violations in the area. An extremely large number of reports by train engineers of local motorists trying to beat trains across the crossing instigated the local survey in which an unmarked DPS helicopter and highway patrol units were used. Motorists are urged to stop at all crossings when the signals are in operation, whether or not a train is in sight.

Announce '3.76 In '76' Texas Goal

A program to increase Texas agricultural income by more than a billion dollars by 1976 was announced by Dr. John E. Hutchison, director of the Texas Agricultural Extension Service, in January of 1970.

The week of January 25-29 has been designated "3.76 in '76" week in the state and county with Governor Preston Smith and County Judge Archie Tarter having signed proclamations announcing the date of the beginning of the program.

This goal calls for \$3.76 billion in total cash receipts by the end of the 1976 crop year, not including government payments; and was determined from projections by Extension specialists and individuals in the agricultural industry. A committee of agricultural economists with the Extension Service studied past production records and made projections for 1976 based on current trends and expected improvements in technology and marketing.

Projections on an individual county basis were made by

program building committees, made up of businessmen and producers. The expectations were then organized along county, Extension district and economic area lines to give producers across the state "something to shoot for."

In addition, annual goals were determined for the various agricultural commodity groups to allow a yearly measure of the program's success.

Texas presently accounts for about five percent of the total national agricultural cash receipts. But to achieve the goal of "3.76 in '76", the state must

claim almost ten percent of the projected national increase in the coming years. Extension specialists and county agricultural agents are scheduling meetings with producers throughout the state to help them with new advancements in technology and marketing in their particular areas.

It is projected that Farmer County will have an increase over 1968 of over \$22,000,000 by 1976. This will be due mostly to grain sorghum and cattle. A complete article on this county's projection will appear in next week's paper.

Major Changes Noted In New Farm Program

By Prentice L. Mills
The 1971 farm program for wheat, feed grains and cotton

is similar in many respects to the programs which have been in effect for the past few years.

However, there are, as most everyone knows, some major changes. These are: 1. Barley is not included in the feed grain program for the coming year. 2. There will be set-aside (diverted) acres, but no set-aside acreage payments. 3. The planting requirements are much more relaxed and different than last year.

The general provisions of the three programs are as follows: COTTON PROGRAM: The 1971 allotment for a farm will be approximately 67 per cent of the 1970 allotment for the farm. The price support will be made on the entire allotment at a minimum of 15 cents per pound times the payment yield for the farm. The allotment is used only to determine the acreage on which payment is made and to determine the acreage to be set-aside. The required set-aside (diverted) acres will not be more than 20 per cent of the farm's allotment. There is no cross-compliance provisions and a person may plant as much cotton as he desires on any of his farms.

The 1971 payment yield will be determined by using the 1970 actual yield and will not be computed until after the farm operator has furnished the ASCS office with his 1970 cotton production records. These production records must show bale number and weight of each bale produced on the farm. This 1970 yield will be added to twice the 1970 projected yield and divided by three to arrive at the payment yield for 1971. The County Committee may make adjustments in the 1970 yield; and, no doubt, will, in many cases. 1971 cotton allotment notices were mailed recently on eligible farms in Farmer County.

FEED GRAIN PROGRAM: Feed grain bases and yields for 1971 will be the same as 1970 on most farms. A price support payment will be made on 50 per cent of the base acreage and the required set-aside (diverted) acres will not be in excess of 20 per cent of the farm base. A farm will be eligible for its price support payment if the required set-aside acreage is made. There is no cross-compliance provision and a producer may participate in the program on one farm and plant as he pleases on any other farm in which he has an interest. If the 20 per cent set-aside requirement is not changed, a farm's price support payment will (or could) be about 98 per cent of what it was in

1970. If it is determined (by the Secretary of Agriculture) at a later date that the set-aside is only 10 per cent - then, the price support payment could possibly be 50 per cent less than the 20 per cent set-aside.

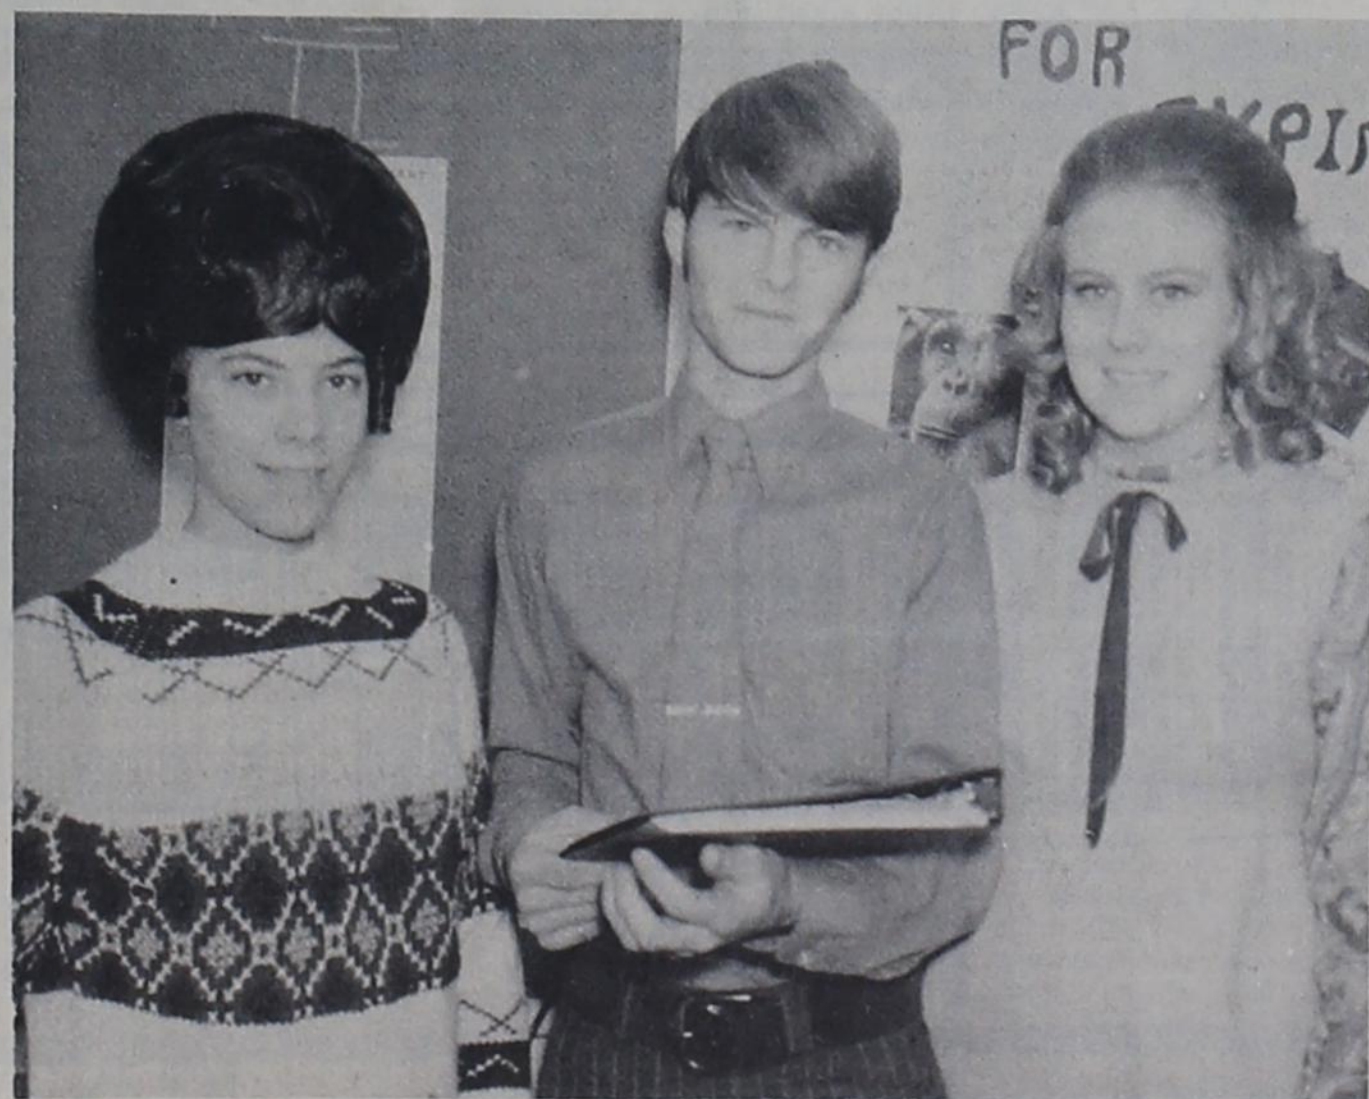

WHEAT PROGRAM: The 1971 wheat allotment for a farm will be approximately 44 per cent of the 1970 allotment for a given farm. The set-aside acreage requirement will not be more than an acreage equal to 75 per cent of the farm's 1971 allotment. This set-aside requirement is approximately the same number of acres required for participation in the 1970 wheat program.

SET-ASIDE ACREAGE: This acreage may be treated in about the same manner as was diverted acreage in the past few years with the following changes: A. In a regular skip row planting pattern, two rows skipped may be counted as set-aside acres. B. This acreage may be planted to sweet sorghum. C. This acreage may be grazed except during the period May 15 to October 16. D. This acreage may have a cover of small grain (wheat, rye, oats, barley, etc.) left on it - provided, the farm operator requests approval of this practice before May 1.

Gerald Kirk Will Speak In Muleshoe

The "Support Your Local Police" committee of Muleshoe is sponsoring a public meeting at the high school auditorium on Saturday, Jan. 30, at 8 p.m. Speaking will be Gerald W. Kirk, a young Negro who is a former FBI undercover operative. Kirk, who was asked by the FBI to report on revolutionary activities at the University of Chicago, has worked with all types of subversive groups in the United States and after four years of undercover work, he testified before the House Internal Security Committee in Washington.

At this time, Kirk is engaged in speaking to interested groups everywhere to explain the threat of subversion. Admission to the meeting in Muleshoe will be \$1 in advance or \$1.50 at the door. Students will be admitted for 50 cents. Everyone is urged to attend this meeting.

OEA OFFICERS--Three of the Texico Office Education Association students who have recently been named to state and national offices in the OEA are, left to right, Regina Leverton, state sentinel; Billy Baldrige, state reporter; and Betty Potts, state parliamentarian. Mark Nation of the Texico chapter, not shown, is new state president of OEA, and Susan Murrell, also not shown, who is presently a student at ENMU, is the national and state treasurer of the group. The students were in Santa Fe Saturday to make plans for the coming regional and state conferences of OEA.

PURELY PERSONAL

By John

We note that the ecology kick is not lessening in its intensity. In fact, some segments of the press seldom pass up a good opportunity to report the opinions of some obscure, and probably nutty, scientist closeted in his ivory tower. We feel that the press in so doing does a disservice to the public at large and some of its advertisers in particular.

Several weeks ago we personally appreciated our utility companies that supply us with gas and electricity. I, for one, would not want to go back to the "good old days" of cobs and chips for heat. In addition to the physical discomfort of doing without gas and electricity for our home heating, other drawbacks connected with a lack of energy has occurred to us.

For example, while we are complaining about the "smog" in our cities, let us consider the "smog" or smell that would arise from a large town were it dependent upon horses or oxen for transportation. Or consider the "smog" from rotting garbage were not our modern and motorized collection systems being in operation. If we were without energy to fuel our incinerators and compactors we would quickly be engulfed in a mass of rotting filth.

The citizens of Amarillo have complained about the taste of their water since it has been pumped, with energy, from Lake Meredith. Well, at least it is pure. Within the memory of living man, water purity has not always been taken for granted. If our privies drained into the same creek we had to go to dip our water from, we would have more to complain about than taste alone.

Yes, we are still of the opinion that a person sense will give us an ever-advancing standard of living and keep "pollution" within tolerable bounds. We doubt if there were ever a beautiful city nestled in Elysian hills surrounded with the sweet honeysuckle and with spotless streets for man to dwell in without let or hindrance to his physical or esthetic self. Camelot on the Potomac included.

The ultimate answer to man's search for a better environment can only come from the application of more power to motivate his technological advances. Therefore, the public press should look for the information to report that reflects our true progress rather than the sensationalism of half-baked scare reports.

In perusing our exchange papers we came across this poem from the Brownfield News published by our perceptive friend, Sig Atkinson. It certainly contains a lot of truth and is entitled, "The Real Delinquent." Here it is:

We read the papers, we hear on the air
Of killing and stealing and crime everywhere.
We sigh and we say, as we notice the trend,
"This young generation! Where will it all end?"
But can we be sure that it's their fault alone
That most of it maybe isn't really our own?
Too much money to spend; too much idle time;
Too many movies of passion and crime;
Too many books not fit to be read;
Too much evil in what they've heard said;
Too many children encouraged to roam
By too many parents who won't stay at home.
Kids don't make the movies, they don't write the books
That paint a gay picture of gangsters and crooks,
They don't make the liquor, they don't run the bars,
They don't pass the laws and they don't make the cars,
They don't make the drugs that addle the brain,
It's all done by older folks, greedy for gain.
Thus, in so many cases, it must be confessed:
The label "Delinquent" fits older folks best.

Boosters Set Meet

Farwell Boosters will meet at Lucille's Farwell Restaurant on Monday night, Jan. 25, at 7:30 p.m. At that time, films taken on the newly-purchased TV recorder will be shown. Ralph Franse, president of the booster organization, says everyone is in vited to the meeting to see the films and the new machine.

Farm Program --

(Continued from Page 1)

Of course, wheat may be substituted for feed grain and vice-versa in meeting the minimum planting requirements for grain on the farm. In this example there should be a minimum grain acreage of 180.0 acres. This could be all wheat, all feed grain or a combination of the two. As this example farm has 640.0 acres of cropland, there is 204.0 acres of land left (after meeting the minimum requirements) which the farmer may use in any manner in which he sees fit. This acreage could be planted to any of the program crops or in any other crop; except rice, tobacco, peanuts, sugar cane or ELS cotton.

FARMERS SHOULD KEEP THIS IN MIND: There are no cross-compliance provisions under any of these programs. A farmer can plant wheat, feed grain and cotton on a farm (s) with no bases or allotments and participate on his farm(s) with bases and/or allotments.

AN INVITATION: There are, of course, many questions which are left unanswered in this news item. The people at your local ASCS office will be happy to answer any questions presented to them. Do call on them.

Young Voters Registering

As of January 15, 1971, some 38 persons under the age of 21 had registered to vote in Farmer County. Twenty-two boys had registered for application to vote while 16 girls registered.

Twenty registrations from persons under 21 have been counted since January 1 when officially the new ruling allowing the 18-year-olds to vote was announced. Of this group, 11 were boys and nine were girls. Among the youngest of the applicants were Lonnie McFarland, Sally D. Kendrick, and Nancy Scales, who were each 17 years of age at the time of registration.

The first person under age 21 to register under the new ruling was Darla M. Bracken of Friona, who signed up October 7, 1970.

Arrests Help Clear Bovina Burglaries

Parmer County Sheriff's office reports that arrests made over the weekend should help clear up some "20 or more thefts" in Bovina and immediate vicinity, including the burglaries at the school Friday night.

Four persons, one adult and three juveniles, were charged with the thefts.

Alex Telles, 20, of Bovina was charged with receiving and concealing stolen goods and has been bound over for grand jury action. His bond was set at \$5000.

Steve Madrigal, 14, was implicated in only one instance of burglary and was released on probation until he reaches the age of 21 years.

Manuel Hernandez, 16, and Bennie Estrada, 15, were sentenced to the State School for Boys at Gatesville, Tex., and were taken there Wednesday.

Sheriff Charles Lovelace says that some of the stolen property has been recovered.

In other action by the department during the past few days, Troy Talent, 32, of Muleshoe, has been charged with arson and has been bound over for grand jury action.

Talent is charged with setting fire to a barn near Lazbuddie which belonged to Jack Smith and Bill Sherley. The barn, machinery and seed which burned was valued at over \$20,000.

In county court Monday morning, Robert Rodriguez, 18, of Farwell was fined \$100 and court costs after being charged with carrying a pistol.

Parthenood Clinic Board Has Meeting

Parmer County Planned Parthenood board met in regular session at the First State Bank of Bovina on Monday, Jan. 18, with board members from Bovina, Farwell and Friona present along with Lil Caro, field coordinator, and Karl Kaufman, executive director, from Amarillo.

Betty Garza, outreach worker, reported that a total of 41 patients had been enrolled in the Parmer County chapter, including 23 from Bovina, 11 from Friona, and seven from Farwell.

Planned Parthenood Clinics are in operation in eight counties of the Panhandle at the present time with about 1700 participants in the clinics.

Anyone wishing more information about the clinics should call Betty Garza, phone 238-3981 or go by the Bovina Neighborhood Center office which is located on Highway 60 in the building formerly occupied by Warren Auto Supply.

Attending Monday's meeting besides those mentioned above were Virginia Rhodes, Lee Stevenson, Benita Sanchez, Pearl Lee Fleming, Johnnie Mae Hood, Rev. I. S. Ansley, and Sarah Alexander.

Historical Marker Set At Parmerton

An official Texas Historical Marker for the site of Parmerton will be erected today (Friday), January 22, it was announced this week by Hugh Moseley of Farwell, chairman of the Parmer County Historical Survey Committee.

The marker will be placed at Hwy. 60, 5.5 miles north-east of Bovina adjacent to the Townsite of Parmerton. Dedication plans will be announced in the near future.

Inspection of the marker read: "Site of Parmerton (elevation 4,202 feet). Founded as Parmer Switch on Pecos and Northern Texas Railroad in 1898. In 1906 became site of a model farm, using Campbell dry farming method, run by Capitol Freehold Land & Investment Co. In 1907 Parmerton Townsite Co. bought 200 acres of the farm and laid out a town, which was designated first county seat that same year. A post office was soon established. When in late 1907, Farwell was elected new county seat, Parmerton's citizens departed, taking homes and other buildings with them. Only the railroad switch marks the site today."

The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities.

The name and location of the new marker will appear in the next edition of "Guide to Official Texas Historical Markers" in order to stimulate tourist travel interest in this area and to acquaint people of this locale with their unique heritage.

DPS Notes 13 County Accidents

The Texas Highway Patrol investigated 13 accidents on rural highways in Parmer County during the month of December, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in one person killed, 13 persons injured, and an estimated property damage of \$11,185.00.

The rural accident summary for this county during the calendar year of 1970 shows a total of 146 accidents resulting in five persons killed, 86 persons injured, and an estimated property damage of \$133,560.00. "Operation Motorcade", which was in effect during the Christmas and New Year's holidays, recorded 101 traffic deaths as compared to the estimated 87. Ten of these traffic fatalities occurred in the Lubbock Region in the following counties: Cochran, Crosby, Parmer, Swisher, Wichita and Wise which had one fatality each with Dallam and Potter Counties having two fatalities each.

Sgt. Wells reminds all motorists to think about the more than 30,000 people that have been killed in Texas traffic accidents during the last 10 years, and to join the drive to reverse this alarming trend of traffic deaths by strict observance of traffic laws and rules of defensive driving.

Johnny Dane, Randy Skaggs Named To All-State Team

Two Texico Wolverines, Johnny Dane and Randy Skaggs, have been named to the Class A All-State football team in New Mexico for their play in

the 1970 season. Three other members of the Wolverine squad made honorable mention to the mythical team. They are Ricky Pace, Albert Steward, Jr., and Bill Servatius.

The Wolverines, playing their second season of football after a 32-year layoff from the sport, finished the season with a 4-3-1 record. They were coached by Jim Wynne.

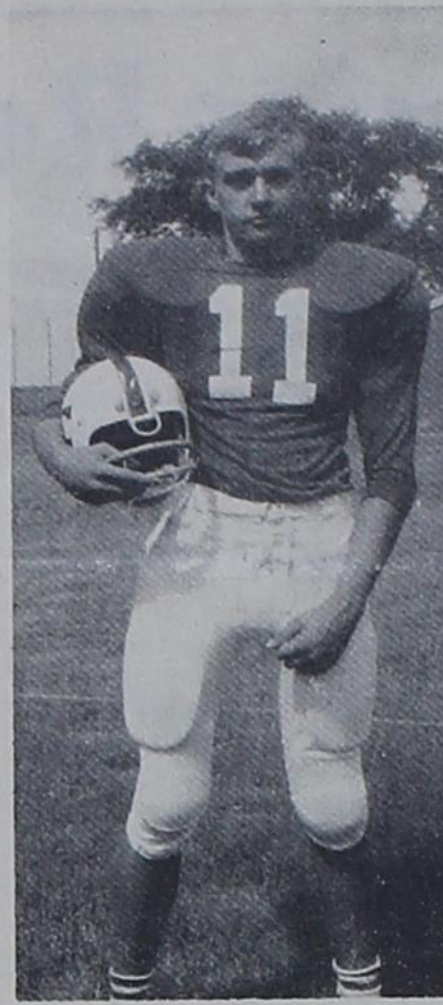

Dane, son of Mr. and Mrs. Weldon Dane, played split end; and Skaggs, son of Mr. and Mrs. Paul Skaggs, played offensive guard. Pace, tight end, is the son of Mr. and Mrs. Larry Pace; Steward, full-back, is the son of Mr. and Mrs. Albert Steward Sr.; and Servatius, defensive guard, is the son of Mr. and Mrs. Robert Servatius.

Steers Whip Vega, Hart; Remain Tops In District

Farwell Steers continued their winning ways during their past two outings, taking victories at the hands of Vega and Hart to remain in the number one position in Class 3-A. Farwell's win over Hart Tuesday night was their 28th district win in a row. The Steers' last defeat in district play was back on February 9, 1968, when they were beaten by Sudan.

Friday night, Farwell topped Vega 44-41 in a real tough game to wind up the first half of the district slate. Gene Sheets made 15 points and Brett Hargrove had 10 to lead Steer scoring. Hargrove garnered nine rebounds to lead in that category.

In Tuesday night's encounter, Farwell was victorious 71-54. Coach Vernon Scott remarked that it was really two ball games, stating that Farwell stood around in the first half while Hart played, then during the second half, Farwell played while Hart stood around. Gene Sheets scored 32 points for high scoring honors. Brett Hargrove had 13, Gary Erwin had 10 and Kevin

Hardage had 10. Brett Hargrove had 10 rebounds.

Coach Scott complimented the team effort that is being put out and also commented that Sheets, who had been in somewhat of a slump the past few games, played much better in the Hart game.

Coach Scott says that although Farwell has won the first half of the district slate, he expects the second half to be really tough. In the new set-up, the first half winner or the winner of the most games may not necessarily win the district title. Winners of the first and second halves will play to determine the overall winner; so Farwell still has a tough schedule ahead.

Scott says that the team is taking each game one at a time and that each one must be considered a serious one. He says he expects a tough game from Happy tonight (Friday) and that Bovina "will really be a hard game."

All local fans are urged to come out and support the Steers and are especially encouraged to go to the game in Bovina Tuesday night.

BASKETBALL

Texico Varsity Tops Dora, Causey Teams

Friday night the Texico varsity team beat Dora by a score of 45 to 43, although Dora was favored to win. The score at halftime was tied at 20-20. Texico made 25 of 34 free throws, and controlled the scoreboard for the entire game. High point men in Friday night's game were Terry Yell with 14 points, Greg Walters with 12 points and Ricky Pace with 11 points.

On Saturday night the Wolverines gained another victory by defeating Causey by a score of 71-54. Coach Bucky Walters stated that the team "played real good in the second half," and that every man on the team scored against Causey. High scorers for that game were

Wes Clark with 12 points, Monty Lambert with 11 points, and Doug Harrison with 9 points.

In B team action Friday night, Texico lost to Dora by a score of 37 to 31, although Texico was ahead at the half, 18 to 14. High scoring in this game was done by Albert Steward, 16 points, Frankie Tipton, eight points, and Tim Ingram with 4 points.

After the upset Friday night, Texico's B team came back Saturday night and defeated Causey by a score 41 to 24. High scorers in Saturday night's game were Albert Steward making 13 points, Frankie Tipton with 10 points, and Randy Skaggs with eight points.

Wolverines To EPAC Tourney

Texico's Wolverines will begin play in the annual Eastern Plains Athletic Conference tournament today (Thursday) in Portales. Texico will play the winner of the Floyd-Elida game and will begin play at 8:30 p.m. Thursday. Tournament action got underway Wednesday, Jan. 20, and will continue through January 23.

Next weekend, the varsity will be playing two road games, traveling to Grady on Friday night and to Logan on Saturday night. Game time is 7:30 p.m. CST for both games.

The Texico B team will be playing in the Portales Sophomore tournament on Monday, Jan. 25, when they are scheduled to meet the Clovis "C" team at 7 p.m. This tournament will continue through January 27.

Golf Association Has New Officers

Ladies Golf Association of Farwell Country Club had its first meeting of the new year at the Club House on Wednesday, Jan. 13. Newly-elected officers of the group were presented, including Sharron Hughes, president; Reba Bonds, vice-president; Kathryn Skarda, secretary-treasurer; and Doris Herington and Bernice Norton, tournament co-chairmen.

Main item of business for the group was the changing of the Association's monthly meeting day to Thursday from Wednesday. Wednesday had been the original meeting day and play day for the ladies, but it was felt that more women would participate in the events if the day were changed. The Thursday meeting day will be tried on a temporary basis.

Annual dues of the group are \$4 per member. May 5 has been set for the annual invitational tournament sponsored by the Association and it is hoped that a partnership tournament can be set up later in the summer.

Doris Herington was elected to represent the local group as a director of the High Plains Ladies Golf Association which

is composed of clubs from Friona, Olton, Muleshoe, Farwell and Dimmitt. This group meets the second Wednesday of each month, April through October, at one of the member clubs for a play day. The host club is responsible for lunch and prizes for the day; however, guests pay a nominal amount for their meal.

Dues to the High Plains Association are \$5 per club, plus \$5 per member who wishes to join. The Association also sponsors a tournament at the close of the year.

Officers and members of the local group are planning many interesting events for the coming months at the local course and it is hoped that more members of the Club will come and join the play day of the group each Thursday. If the weather is not suitable for playing golf, card games and others will be available.

Attending the Wednesday meeting were Sharron Hughes, Dardanella Helton, Ann Norton, Irene Jones, June Magness, Lamoyn Williams, Carrie Anderson, Reba Bonds, Doris Herington, LoVetta Gurley and Kathryn Skarda.

Farwell Girls Lose Two Games

Farwell girls varsity basketball team was defeated in their last two outings, falling to teams from Vega and Hart. In the Friday night game at Vega, Farwell managed only one free throw for their total points in the first quarter and only scored four points during the next period. They lost the game 40-24. Shawn Sheets scored nine points for Farwell.

In Tuesday night's game with Hart, Farwell was defeated 41-24. Jenene Taylor had high point honors for Farwell with 12.

Bright spot of the evening was the winning effort of the girls B team who defeated Hart's B squad 39-22. Marilyn Winegeart poured in 17 points for the winners.

The teams will be playing Happy on the local court this Friday night and will travel to Bovina for games next Tuesday night.

Texico Girls Beat Causey

Texico's senior and junior high girls teams defeated the Causey teams in games played at Causey Tuesday night.

In the junior high game, Texico was victorious 18-14 with Betty Steward leading local scorers with eight points. Linda Autrey had five, Becky Lockmiller scored four, and Diane Luce made one.

Score in the senior high game was Texico 32, Causey 9. Seven

Texico players scored in the winning effort. Arlent Servatius and Kim Pearce each scored seven points while Diane Kelley had six, Lyn Fought had five, Marilyn Walters had three, and Joe Pearce and Judy Yell each had two.

Next game for the Texico girls will be Tuesday, Jan. 26, when the junior and senior high teams play Grady starting at 7 p.m. CST.

Students On SPC Honor Roll

Five students from Farwell have been named to the Dean's Honor List for the fall semester at South Plains College, Levelland, announces Academic Dean Nathan Tubbs.

To be eligible for the Dean's Honor List, a student must carry at least 12 hours and make a grade point average of 3.25 or above.

Among those making the perfect grade of 4.0 was Ruth Ann Blankenship, daughter of Mr. and Mrs. R. E. Blankenship.

Other local students making a grade point of 3.25 or above for the fall semester include Cheryl Kaltwasser, daughter of Mr. and Mrs. Gilbert Kaltwasser; Vicky Kaltwasser, daughter of Mr. and Mrs. Walter Kaltwasser; Tim Martin, son of Mr. and Mrs. Preston Martin; and Jay Herington, son of Mr. and Mrs. J. W. Herington.

Farwell High Honor Roll

A list of students who had an above-90 average for the first semester of the current school term at Farwell High School has been released this week by Charles Turner, school counselor.

Those making an above-90 average for the first 18 weeks of school include, freshmen: Joyce White, Debbie Kay Meeks, Patti London, Kevin Hargrove and Lynn Blankenship.

Sophomores making the coveted list are Deborah Stancell, Eldon Embry, Glenda Sublett, Debra Flowers, Sandra Ensor, Davis Garner, Caroline Ander-

son, Kent Blain, Gerald Gohlke and Carolyn Herington.

Juniors on the list are Jana Bass, Alan Gober, Ginger Herington, Kristy Taylor, Susan Patschke, Kim Snider, Lynne White, Paula Mayfield and Brett Hargrove.

Seniors include Polly Dollar, James Hobbs, Kirt Martin, Gene Sheets, Debra Wardlaw, Debbie Hancock and Jenene Taylor.

Other students with high grade averages will also be included in the Honor Society, and names of these persons will be announced in an upcoming assembly, says Turner.

At Home In Parmer County

It looks and tastes like bacon, costs half as much and has one-third the calories of bacon. But it's not bacon. It's a new synthetic meat analog being tested called bacon. The bacon analog has fourteen ingredients, including generous measures of wheat and soy proteins and corn oil. It looks like strip bacon, but has no cholesterol, is precooked and does not shrink during cooking.

The synthetic bacon was market tested in forty supermarkets in Indiana for a six month period. It was sold as a frozen food. Bacon stocks were displayed, as usual, in refrigerated cases in a separate section of the store.

Results of the market testing showed that there is a good chance for the commercial success of bacon analog. A consumer survey indicated that the analog's price of 69 cents for an 8-ounce package was an important consideration for the buyers, who considered the price reasonable. But the consumers also continued to buy bacon.

A favorite recipe of Mrs.

Cordie (Helen) Potts of the Rhea Community is a vegetable casserole.

GREEN BEAN CASSEROLE
1 or 2 cans French-style beans
1 can Mushroom soup
1 small can Mushroom pieces
1/2 can French fried onion rings
Mix beans, soup and mushrooms in casserole. Bake at 350 degrees F. until heated through. Top with onion rings. Bake 5 minutes longer.

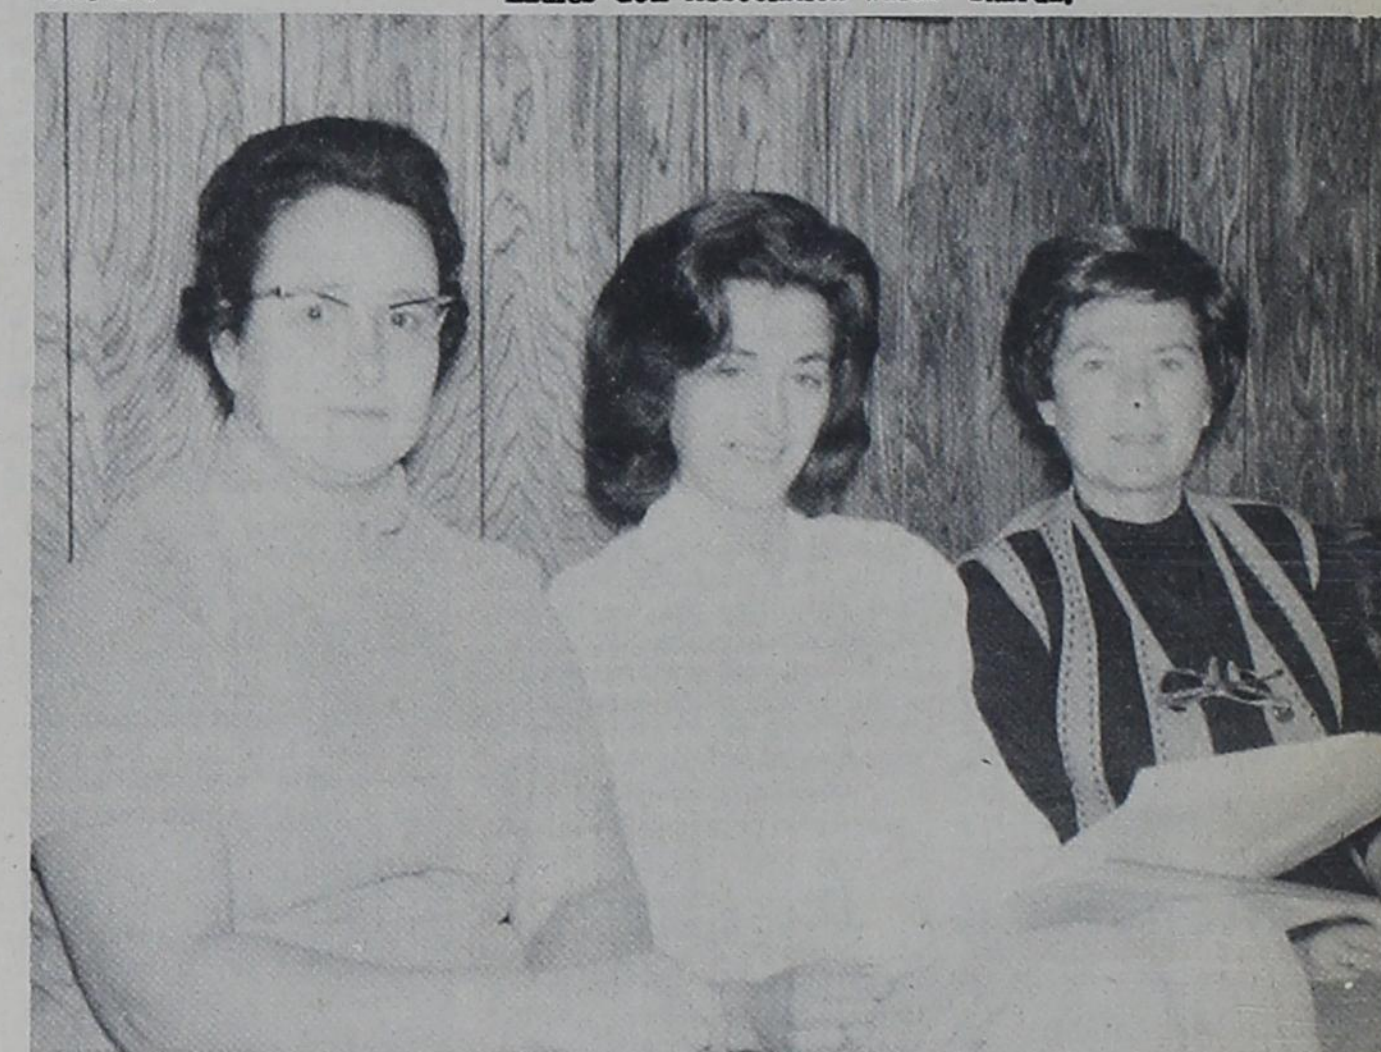

Peanut butter, by far the most popular form of peanut consumption, is an important nutritious food for the daily diet.

Peanut butter is ranked high by the U. S. Department of Agriculture in at least six nutrient categories: food energy, fats necessary to maintain body balance, protein, phosphorus, thiamine and niacin. Because of its food value, even a single peanut butter sandwich or several tablespoons of the product added to a recipe adds important nutrients to the daily diet.

Peanut butter, over 26 percent pure protein, is also more economical on a per-ounce basis, sometimes costing only half as much as other protein foods.

The young miss, who had no generation-gap problems, was having a heart-to-talk talk with her grandmother about her school work, her boy friends, etc. "Tell me, Grandma," she said suddenly, "at what age are men the most fun?" "Men are like record-players, honey," replied the elderly lady. "They play at different speeds according to age but they are nice to have around at 33, 45 or 78."

BANQUET SPEAKER -- Rev. Robert Harrison, left, was guest speaker at the banquet for Texico-Farwell seniors held Monday night at the local Methodist Church. With Rev. Harrison are, left to right, Kirt Martin, Farwell senior class president; Wesley Clark, president of the senior class at Texico; Rev. W. T. Perry, pastor of Hamlin Memorial United Methodist Church; and Mrs. Charles Turner, president of the WSCS which hosted the banquet.

Toward New Horizons' WSCS Banquet Theme

"Toward New Horizons" was the theme of the annual banquet for Texico-Farwell seniors hosted by members of the Women's Society of Christian Service of Hamlin Memorial United Methodist Church.

Ninety-six persons were served at the banquet Monday night, Jan. 18, in fellowship hall of the church. Rev. Robert Harrison, pastor of Kingswood United Methodist Church, Clovis, was guest speaker.

Tables were covered with white and featured gold and brown streamers. Small treasure chests filled with jewels and gold coins decorated the tables. The stage was decorated to resemble a "Treasure Island" complete with fishnets, tropical plants and large treasure chests. A "Treasure Island" theme was also featured in a wall display behind the speaker's table.

Entertainment for the evening was provided by a rock combo featuring guitars and drums. Playing in the band were Jack Kirkland, Kevin Hardage, Johnny Franse and Jimmy Birchfield with Carl Goetsch doing several vocal numbers. Other band members also joined in some vocal arrangements.

"Rules of Mountain Climbing" was the theme of Rev. Harrison's talk in which he likened the rules of living to that of mountain climbing. Three rules he listed that par-

tain to everyday living as well as to climbing the slopes were (1) Follow the leader. Get behind whoever is chosen to lead, whether it be someone in a school organization, a church or in the government. Help him and he will be a good leader, the speaker encouraged. (2) Do your part and if the going gets rough, do more than your share. Be willing to do whatever is necessary to get the task accomplished regardless of whether or not you are doing more than your neighbor. (3) Never cut the rope. Under no circumstances should a mountain climber ever cut the rope that links him to the other climbers. Likewise, persons, families, communities, schools, churches and nations should never cut themselves off from one another.

Rev. W. T. Perry, pastor of the local church, gave the invocation and introduced special guests and the speaker. Mrs. Charles Turner, WSCS president, gave the welcome; an response was given by the class presidents from Texico and Farwell.

Charles Turner accompanied banquet attendants at the piano as they sang "America" at the closing of the program.

The buffet style meal consisted of friend chicken, baked potatoes, green beans, tossed salad, cole slaw, hot rolls and cherry cobbler.

ENTERTAINMENT for the WSCS-sponsored banquet for Texico-Farwell seniors Monday night was furnished by this group of young men from Farwell who participated in a rock combo. From left to right are Jack Kirkland, Johnny Franse, Carl Goetsch, Jimmy Birchfield and Kevin Hardage. Goetsch was featured vocalist and other band members also joined in some vocal arrangements.

On The Farm In Parmer County

By R. MACK HEALD
County Agent

The annual West Texas Vegetable Producers Conference will be held on February 3, 1971, in the Bull Barn, in Hereford.

This will be a day-long meeting beginning at 8:30 a.m. The program is planned primarily for producers of vegetables in the field.

The keynote address will feature the all-important topic of marketing, "How Texas Vegetable Growers Can Secure a Successful Future for the Texas Vegetable Industry by Working Together in a Strong Marketing Association." Wayne Hawkins, manager of the North Florida Potato Exchange, Florida Sweet Corn Exchange, Zellwood Sweet Corn Exchange and South Florida Pole Bean Association will be the speaker.

Ed Garnett of Amarillo, farm management specialist with the Texas Agricultural Extension Service, will discuss the economic potential of vegetables and how this relates to "3,76 in '76," the Extension program designed to increase agricultural income in Texas by \$1 billion by 1976.

Discussions of vegetable research will also be featured on the program. Dr. William Lipe of Lubbock, assistant professor of horticulture with the Texas Agricultural Experiment Station, and Dr. John Downes of Lubbock, professor of agronomy at Texas Tech University, will discuss research conducted by Texas A&M University and Texas Tech, respectively. Dr. John Larsen of College Station, Extension horticulturist-vegetables, will discuss adaptive research in vegetable seeding with vermiculite.

Other topics which should be of interest to vegetable producers include "Vegetable Response to Band Placement of Phosphorus, Mechanization of Onion Harvest, Symptoms and Control of Major Potato Diseases and Potato Tuber Moth." Discussing these topics will be Dr. Billy Hipp of Weslaco, associate professor of soil chemistry, Texas Agricultural Experiment Station; James Hatton of Weslaco, Extension agricultural engineer; Dr. Robert Berry of Lubbock, Extension plant pathologist; and Dr. Roland Roberts, also of Lubbock, Extension vegetable specialist.

Bruce Parr, vegetable producer at Friona and president of the West Texas Vegetable Council, will report on the activities of the West Texas Vegetable Marketing Association and will preside at a brief meeting of the council during

Local Woman's Brother Dies

Funeral services were conducted on Wednesday, Jan. 13, at Olney, Tex., for Hamilton "Doc" Jones, brother of Mrs. Lila B. Nickels of Farwell. Jones died in Olney on Sunday, Jan. 10.

Mrs. Nickels had been in Olney for some time prior to her brother's death. Other survivors include two sisters, Mrs. Guy Nickels of Muleshoe and Mrs. Irving Blair of Wichita Falls.

Mrs. Joyce Haseloff of Farwell was in Olney for the services and Mrs. Lila Nickels plans to return home this Sunday.

which directors will be elected. A roundtable panel discussion on vegetable marketing and production will wrap up the program. Featured will be the program speakers as well as David Fitts, a USDA marketing specialist; Thomas Longbrake of Weslaco, Extension vegetable specialist; and Floyd Butler, Jr., vegetable producer at San Angelo.

The meeting is being sponsored by the Extension Service and the West Texas Vegetable Council. It is designed to present vital information on marketing and producing of West Texas vegetables and to encourage growers to unite and support a coordinated Extension program of problem-solving and result demonstrations to be conducted this year.

I encourage all vegetable producers in Parmer County to make plans now to attend this important conference.

Two Accidents In Farwell

Robby Blair, 18, of Rt. 1, Farwell, was involved in a one-car accident Sunday night at approximately 8:30. According to investigating officers, Blair was traveling west on Avenue A (Hwy 70-84) when the front-end of his car locked. His car skidded and ran head-on into a telephone pole. Blair was not seriously injured, reported Patrolman Robert Shedd.

Tuesday afternoon two cars met in the intersection of 7th St. and Avenue B, with only minor property damage resulting. Involved in the accident were Guadalupe Quiroz of Muleshoe, who was driving a 1959 Ford, and Jesus Garcia of Farwell, who was driving a 1964 Chevrolet. This accident occurred about 10:30 a.m., according to the highway patrolmen who investigated the mishap.

LOCAL

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60633

SIN NO JOKE

The present trend in American moral conduct is downward. Increasing thousands all about us are throwing restraint to the winds "to enjoy the pleasures of sin."

We struggle with the problem of juvenile delinquency, but tempt the young in a hundred ways to immorality and violence. We are shocked at the deeds of sex-mad criminals who make it unsafe for women to walk the streets at night, but our women continue to pay less and less heed to the principles of modesty and decency that would contribute so greatly to their safety.

Most of all, we have disregarded the Word of God. No longer does the Bible hold the first place in our homes. It rather lies gathering dust while our moral and spiritual strength is dissipated by pursuing pleasures that fail to bring true happiness or satisfaction. Yes, we have "a form of godliness" but our conduct "denies the power thereof."

Sin may be "fun" to many. They may joke about drunkenness, indecency and immorality, but God de-

clares that it is no joke to Him. He says: "Fools make a mock at sin" (Prov. 14:9), for, not only does sin in its very nature break down, rather than build up, but as responsible creatures sinners will one day have to give an account of their conduct to the God who created them.

To look at the brighter side, we may all rejoice in another indication that sin is no joke to God. St. Paul points it out in I Cor. 15:3, where he says: "Christ died for our sins." Christ knew the horrible results of sin and the dreadful penalty which justice must visit upon it. Yes, and He also knew that "all have sinned and come short of the glory of God" (Rom. 3:23) and in infinite love He left the glories of heaven and stooped to bear the disgrace and penalty for sin Himself. "Christ...hath once suffered for sins, the Just for the unjust, that He might bring us to God" (I Pet. 3:18) and those who come to know God through faith in Christ experience peace and joy which this world can never afford.

Marilyn Barnes, Frank Hinkson II Married In Lazbuddie Ceremony

A double ring ceremony performed at the Lazbuddie Baptist Church on Monday, Dec. 28, united in marriage Miss Marilyn Joy Barnes and Frank Harold Hinkson II. The bride is the daughter of Mr. and Mrs. Sam Barnes of Lazbuddie and the bridegroom is the son of Mr. and Mrs. Frank Hinkson, also of Lazbuddie.

Rev. Dale Cain, church pastor, led the couple in their vows at an altar decorated with a large arched candelabrum flanked by spiral candelabra. Royal blue and white ribbons and greenery were featured on the candelabra and each window of the church held a candle arrangement.

Scott Shafer of Carrizozo, N.M., sang "A Time For Us," "Walk Hand In Hand," and "His Way - Mine." The soloist was accompanied by Mrs. Marcella Jennings of Lazbuddie, organist, who also played traditional wedding selections.

Given in marriage by her father, the bride wore a floor length gown of satin and re-embroidered lace featuring a Victorian neckline, empire bodice and long bishop sleeves which were caught at the wrist by deep cuffs. A satin bow accented the front waistline at the top of the A-line skirt which featured two rows of scalloped lace near the hemline. Seed pearls were re-embroidered on the lace at the neckline and at the hemline. Her matching chapel length veil of illusion was edged in scalloped lace and was attached to a small pillbox marked with a flat satin bow and tarr-shaped crown of pearls.

Her bouquet of white orchids surrounding white carnations decorated with royal blue and

white streamers rested atop a white Bible.

Following bridal tradition, her Bible was something old and her dress was something new. She wore the traditional blue garter and borrowed was a lace handkerchief which belonged to her mother. For good luck she wore in her shoe pennies minted in the year of the couple's births.

Matron of honor was Mrs. Marsha Barnes of Canyon, sister-in-law of the bride, Misses Brenda Johns of Lazbuddie and Ellen Herington of Farwell were bridesmaids. The bride's attendants wore formal length gowns of royal blue crepe styled with slightly gathered empire waists accented by blue sequins. Sequins also were featured on the cuffs of the long puffed sleeves of nylon chiffon. They wore matching blue choker necklaces, blue shoes and each carried a royal blue candle arrangement with blue and white streamers.

Serving his brother as best man was Mike Hinkson of Las Cruces, N.M. Groomsman were Robert Gallman of Lazbuddie and Monte Barnes, brother of the bride, Mark Barnes, brother of the bride, and Bill Williams of Portales, N.M., served as ushers.

Registering the wedding guests was Rayena Treider of Lazbuddie. Candlelighters were Judy Lust of Lazbuddie and Kurt Pilgrim of Baltimore, Md., niece and nephew of the groom. Karen Pilgrim of Baltimore, niece of the groom, was flower girl. David Lust, nephew of the groom, was ring bearer. Judy Lust and Karen Pilgrim were dressed identically to the other bridal attendants.

A reception was held in Fellowship Hall of the church im-

mediately following the ceremony. White lace over royal blue covered the bride's table where a crystal punch service, the three-tiered wedding cake and the bride's bouquet were featured. The groom's table was laid with an ebru lace cloth over blue and was centered with a cake. Silver coffee service and appointments were used.

Serving at the reception were Carolyn Matthews, Canyon; Melinda Hinkson, sister-in-law of the groom, Las Cruces; Rhonda Treider, Lazbuddie; and Theresa Seaton, Lazbuddie, cousin of the bride.

The bride wore a white pants suit trimmed in gold with gold and white accessories for a wedding trip to Ruidoso, N.M.

The bride was a sophomore at South Plains College in Levelland and plans to enter Texas Tech where the groom is a sophomore.

Out of town wedding guests included Earl Mecham, Billings, Mont.; Mr. and Mrs. Dean Hinkson and Dale, Wilcox, Ariz.; Mr. and Mrs. Maurice McKeag and family, Santa Fe, N.M.; Mr. and Mrs. Hugh Hinkson, Brian and Arnold, Wood River, Neb.; Preston Hinkson, Mrs. Rudy Hinkson, and Mrs. Doyle Hendrickson and children, all from Cairo, Neb.; Buster Poling, Clayton, N.M.; Jim McCoy, Tucumcari, N.M.; Mr. and Mrs. Bob Self, Dumas; Mr. and Mrs. Charles Skipworth, Amarillo; Mr. and Mrs. Ronny Barnes and Renee, Canyon; and Mr. and Mrs. Charles Pilgrim and family, Baltimore, Md.

The groom's parents, the Frank Hinksons, hosted a rehearsal dinner for the wedding party at a Clovis restaurant on Saturday, Dec. 26.

Joint Party For McCarter Children

James Clayton McCarter and his sister, Misty Kay, children of Mr. and Mrs. Floyd Trantham Jr. of Farwell, celebrated their birthdays with a joint party in the family home on Saturday, Jan. 16.

James was three years old on December 21 and Misty Kay was one year old January 16.

Mrs. Kay Harmon of Clovis baked the birthday cake which was decorated in green and bore the words, "Happy Birthday." Three candles were on one side of the confection de-

noting James' age and one candle was on the other side for Misty Kay's age.

Helping celebrate at the party were Mrs. Harmon, Twila Kay, Russell and Cynthia, the honorees' sister, Melissa McCarter, and their parents.

Grandparents of the honored pair are Mr. and Mrs. Floyd Trantham Sr. of Clovis, Mr. and Mrs. J. K. McCarter of Kerens, and Mrs. Anna Hill of Farwell; and great-grandparents, Mr. and Mrs. A. J. Inman of Kerens.

PARTY HONOREES -- Misty Kay and James Clayton McCarter observed their birthdays with a joint party in the home of their parents, the Floyd Tranthams, on Saturday, Jan. 16. They are shown with the green decorated birthday cake which they shared for the event. Misty Kay was one year old and James Clayton was three years of age.

Garner Named To Regional Band

David Garner, sophomore at Farwell High, placed fourth chair in the All-Region Honor Band at Lubbock last week. David, who plays base clarinet, is the son of Mr. and Mrs. R. J. Garner.

Outstanding band students in Region 16, composed of bands from Classes B, A and AA schools, will be in Lubbock on January 28 and 29 to rehearse for the All-Region band concert scheduled for January 30. Also trying out from Farwell

were Gwen Rundell and James Hobbs.

Hospital Notes

Mrs. Floyd Trantham Jr., was reported to be in good condition the middle of this week after undergoing surgery at Clovis Memorial Hospital on Tuesday morning. It was not known how long she would be confined to the hospital.

Pledges Sorority

Miss Meredith Anderson, daughter of Mr. and Mrs. R. W. Anderson of Farwell, has recently pledged Kappa Kappa Gamma sorority at Southern Methodist University in Dallas where she is a freshman student.

Rush activities at SMU started on January 11 and were completed Sunday, Jan. 17. Meredith is a 1970 graduate of Farwell High School.

Mrs. David Duncan To Shower Honoree

Mrs. David Duncan, a recent bride, was honoree at a post-nuptial miscellaneous shower at the Pleasant Hill Community Center on Thursday, Jan. 14.

Hostesses were Mesdames Leon Webb, T. J. Tipton, Elmer Langford, Hurshei Hughes, Paul Harrison, Tommy Farmer, John Hill, Clarence Brown and Paul Skaggs.

Chosen colors of the honoree, yellow and white, were featured on the refreshment table where a centerpiece of yellow and white roses and lily of the valley arranged in a milkglass container was featured. The arrangement was made by Mrs. Langford. Punch, sand tarts, nuts and mints were served.

Reception To Honor Basses

Rev. and Mrs. J. L. Bass of Farwell will be honored with a reception in observance of their 25th wedding anniversary this Sunday, Jan. 24, at First Baptist Church, Farwell. Receiving hours begin at 2:30 p.m.

Former Residents Visit Perry Home

Rev. and Mrs. William Justice of Hackettstown, N. J., visited last Friday in the home of Rev. and Mrs. W. T. Perry in Farwell. Rev. Justice served Methodist churches in West Texas and New Mexico a number of years ago and presently is a retired member of the North New Jersey Conference of the United Methodist Church.

Many persons of the area will remember Mrs. Justice as the former Thelma Dunagan. Her parents were pioneers of this area and at one time her father owned a jewelry store in Texico.

Rev. Justice now spends a great deal of time writing for

The honoree was assisted in opening the gifts by her mother-in-law, Mrs. Pearl Duncan.

Some 25 persons attended the social and many who were unable to attend sent gifts.

Study Club Meets With Mrs. Aldridge

The Farwell Study Club met January 18, at 7:30 p.m. in the home of Mrs. Lillian Aldridge. There were 10 members, including Mrs. Aldridge, and six visitors present. Visitors attending the meeting were Mr. and Mrs. Charles Aycock, Elmer Scott, Claude Coffey, Mrs. Mary Jean Patrick, and Mrs. Aldridge's mother, Mrs. Jessie Orr.

Members present were Mesdames Hope Shuman, Gertrude Foster, Jewel Scott, Nina Glasscock, Cricket Taylor, Sal Vincent, Beulah Hobbs, Eunice Crume, and Hattie Coffey. Charles Aycock of the Aldridge, Harding, and Aycock law firm, spoke to the group on Texas state laws and federal laws and also on drawing up a will.

Mrs. Aldridge served refreshments of pumpkin bread and coffee after Aycock's talk.

Woman's Club Hears Dr. Eugene Smith

Members of Texico Woman's Club met Monday night at Clara's Spur Restaurant to hear a talk and see slides presented by Dr. Eugene Debs Smith of Eastern New Mexico University. Dr. Smith showed slides of a trip to Baja Peninsula.

Husbands of members were guests for the meeting, and hostesses were Mrs. Tommie Snodgrass and Mrs. Gale Engram. They served refreshments of pie, sandwiches and coffee.

During a business session, the club made final plans for an upcoming rummage sale and also discussed plans for the barbecue supper the club will serve at Texico High School homecoming on February 5. More details on the supper will be announced later.

Attending Monday night's meeting were Mr. and Mrs. Bud Pearce and Danny, Mr. and Mrs. Murray White, Mr. and Mrs. Roy Snodgrass, Mr. and Mrs. Harvey Hudnall, Mr.

and Mrs. Dan Gurley, and Mr. and Mrs. Jim Rogers;

Also, Mesdames Jerri Tharp, Louise Engram and Tim, Gale Engram, and the guest, Dr. Smith, and a friend who accompanied him from ENMU, Paul Coggins.

Karen Williams Has Birthday

Mrs. Onie Bradshaw was in Amarillo recently to visit her daughter and family, Mr. and Mrs. Jackie Williams, and to help her granddaughter, Karen, celebrate her fourth birthday.

To begin the birthday celebration, the group went to an Amarillo park and later in the evening they enjoyed refreshments of birthday cake and punch. The cake was decorated with pink and white and featured a doll on the top.

Enjoying the party besides the honoree were her parents, her grandmother, and her sister, Kathy, who is two years of age.

Church Votes Fourth Year Sponsorship Of Troop 200

Farwell First Baptist Church voted during its regular monthly business meeting last Wednesday night to sponsor Texico-Farwell Boy Scout Troop 200 for a fourth year. Meeting space provided by the church includes one large troop meeting room, surrounded by five additional adjoining rooms which are used by individual patrols. Sanctuary and Fellowship Hall usage is also provided for special occasions. Troop 200 is also

granted access to church printing and audio-visual equipment. Following the vote of approval, Scoutmaster Gene Bitner gave a report on troop activities during the preceding year, which included 78 days of Scouting. There were 19 "overnights" during the year. Troop 200 also spent its fourth annual week at Camp Wehnaahpay, and had a five-day expedition to San Antonio, Houston, and Galveston. Next year the troop will have a five-week expedi-

tion to Fairbanks, Alaska, camping in all the western states and Canada.

Troop Committeemen recognized for the fourth year of Scouting at the church included Duane Herington, Neil Stewart, Bill Craft, R. J. Garner, and Donald Watkins. Pastor J. L. Bass signed the official re-chartering papers which have been forwarded to Conquistador Council offices in Roswell.

Mrs. Jessie Orr Receives Letter From Congressman

As a result of having been the subject of one of the feature stories in the Christmas edition of the Tribune, Mrs. Jessie Orr of Farwell has received a letter from United States Congressman Bob Price, congratulating her for having reached her 91st birthday.

One sister-in-law said when reading the story that she could still remember how tasty all the candy, cookies and cakes baked by Mrs. Orr tasted. She also related how Mrs. Orr was always busy canning and preserving food to fill the shelves of her cellar.

Mrs. Orr and her brother, H. C. (Harold), are the only two survivors left of a family of 10 children. H. C. lives in Oklahoma where he taught school for 35 years. Now 68 years of age, he is retired. Mrs. Orr has two grandchildren and three great-grandchildren, one of whom celebrated her birthday on January 13.

Congressman Price's letter to Mrs. Orr, dated January 7, 1971, reads:

Dear Mrs. Orr,

News reached me today about your 91st Birthday Celebration.

This is a happy occasion not only for you, but for your loved ones as well. It certainly gives me pleasure to join with your many other friends in congratulating you. I know your life has been an inspiration to many.

May God grant you contentment and good health as you begin another year.

Sincerely,

Bob Price

Member of Congress

Local Men Attend Board Meetings

Attending the Convocation of Conference Boards of the United Methodist Church last week at Roswell, N. M., were Rev. W. T. Perry and I. W. Quickel of Hamlin Memorial United Methodist Church. Rev. Perry is a member of the Board of Health and Welfare Ministries and the Board of Education. Quickel is a member of the Board of Pensions. Charles Turner of the local church is a member of the Commission on Ecumenical Affairs, but was unable to attend the meeting. Ministers and laymen from all over the New Mexico Conference of the United Methodist Church gathered for the meeting. All of the boards and agencies of the church meet in this spring convocation to lay plans to be approved by the annual conference which meets in May.

In the Board of Health and Welfare ministries, Rev. Perry

serves as the district director in the Clovis district. Plans discussed in this board included support for the Methodist Home in Waco, as well as the Landsun Manor at Carlisbad, N. M., and the Methodist Mission Home in San Antonio. As a member of the Board of Education, Rev. Perry has been assigned the chairmanship of a study committee to determine the needs and possible help of educational problems in the Sunday Schools of rural and small churches. The re-

port of this committee was adopted by the board of education and will be submitted to the conference in May. The Board of Pensions considered several proposals concerning the support of retired ministers and their widows. These proposals will also be submitted to the May conference. The four-day meeting of the convocation ended last Thursday.
