# Telephone Company Plans Open House

West Texas Rural Telephone Cooperative, Inc., will hold Open House at its new facilities in Hereford Saturday afternoon from 2 to 4:30 p.m. Dedication of the new plant has been set for 2 p.m. with David Hamil, Rural Electrification Administration administrator, as special guest. The new facilities are located at South 385, Industrial Park Addition in Hereford.

The new plant consists of the general offices and warehouse of the cooperative which provides telephone service to the rural subscribers in the areas of Deaf Smith, Parmer, Castro and Bailey Counties. The area

office facility consists of approximately 4,000 square feet and the warehouse has approximately 5,000 square feet.

Present directors of the cooperative are James Ensor, president, Oklahoma Lane; George Olson, secretary, Frio; Jimmie Cockerham, vice president, Tharp; and directors Edwin Morrison, Westway; Robert Strain, Dawn; Keith G. Brock, Hub; and James W. Dixon, Parmer.

Employees of the cooperative are Vernon C. Inmon, manager; Robert Harris, office manager; Fred Fox, plant superintendent; Hilda Havens, accountant; Freda Beauchamp, service

representative; Kay Stancell, Marian Robinson, Sarabelle Gillespie, clerks; Marsha Horton, secretary; Melvin Brown, central office equipment and plant maintenance; and construction employees are Joe Del Toro, Ambrose Flores, Byron Grover, Danny Stancell, Arlo Deyke and Clyde Carter.

"The cooperative has been working toward the construction and providing its own headquarters and warehouse facilities for the past 10 years and is proud to be able to show the general public of the counties in which it has service facilities the fine facilities which have been built through the efforts of the board of directors, management and the Rural Electrification Administration," states Inmon.

West Texas Rural Telephone Cooperative, Inc., was organized in 1950 through the efforts

## Gillie Will Speak At Chamber Banquet

"There's No Market for Wet Blankets," is the title of the talk to be presented by Jim Gillie at the annual Farwell Chamber of Commerce banquet scheduled for Tuesday night, March 30, in the Farwell School cafeteria at 7:30 p.m.

Gillie, who is assistant to the manager of Phillips 66 Public Affairs Division of Phillips Petroleum Company, is rated as one of the top speakers in the country, using a light-hearted and humorous approach to sell his message of "positive attitudes" and "working together" to solve problems.

He was born in the Far East, was reared in Arkansas and was graduated from Kansas University. He has been in teaching, purchasing, sales promotion and advertising.

Tickets to the banquet are \$3 each and are available from any Chamber member. New officers and directors of the organization will be recognized at the annual fete along with a man and woman chosen from the community's ranks as the most outstanding citizens of the year.

Everyone is invited to the banquet for an evening of good food and fun.

## E. J. Holub To Speak At Athletic Banquet

The annual banquet to honor athletes at Farwell High School will be Saturday night, March 20, at 7:30 in the school cafeteria, with E. J. Holub of the Kansas City Chiefs as the main speaker.

Tickets for the event, which will feature the presentation of various athletic awards for the past year, are \$2.50 each and are on sale at the office of the school principal Amos Tatum or may be purchased from the varsity cheerleaders or pep club officers. Deadline for obtaining tickets is Thursday, March 18, and no tickets will be sold at the door.

Awards which are to be given include outstanding football player, outstanding boy and girl basketball player, clutch player (a football category award), the Chamber of Commerce award, track and field award, sportsmanship award, principal's award to the athlete with the highest scholastic average, and

the hardest blocker and tackler award.

Holub, former All-American at Texas Tech, has played with the Chiefs for 10 seasons, joining the team when they were the Dallas Texans as their number one draft choice. That year the Texans won the AFL championship and the team moved to Kansas City. Holub played in the first official Super Bowl game in 1966 when Green Bay defeated the Chiefs 31-17, and he also was a participant in the last official Super Bowl featuring AFL-NFL teams when the Chiefs beat Minnesota 23-7.

The one-time Lubbock High star now makes his home on a ranch south of Odessa with his wife, the former Jo Beth Chandler, and their daughters, Jana, age eight, and Joell, age three.

Everyone is asked to get their ticket early and be on hand for this annual event.

## Absentee Voting To Begin Monday

Absentee voting for the school trustee elections of Farwell Independent School District and Lazbuddie Independent School District begins Monday, March 15. At Farwell, voters may cast their absentee ballots at the office of County Clerk Bonnie Warren in the courthouse. Mrs. Warren and Mrs. Mildred Erwin are the absentee voting clerks.

At Lazbuddie, persons wishing to vote absentee should cast their ballots at the office of Superintendent Sam Barnes at the Lazbuddie school. Clerks are Mrs. Murrell Johns and Bobby Mimms. Deadline for absentee voting is March 30.

Elections for trustees at both schools will be Saturday, April 3. Farwell voters will cast ballots at the county courtroom while Lazbuddie citizens will

ALL-DISTRICT STEERS -- These three members of the Farwell Steers 1971 basketball team were named to the District 3A All-District list last week. Left to right are Brett Hargrove, junior; Gene Sheets, senior; and Gary Erwin, senior. Hargrove and Sheets were unanimous choices of the district coaches for the honor. Sheets was the high scoring Steer of the season and also set an all-time scoring record with 667 points. Hargrove set a new record with a 57 per cent average from the floor. Erwin accounted for 55 steals and hit on 33 per cent of his field goals.

"AND DON'T YOU FORGET IT" screams the crotchety old aunt, played by Kim Snider, to the ancient caretaker, portrayed by Eddie Meeks, in a scene from the Farwell Junior play "Hobgoblin House," which goes on stage tonight (Friday) at 8 o'clock in the school auditorium. Tickets for the mystery-comedy are \$1 for adults and 50 cents for students. They may be purchased from any junior class member and will also be available at the door. A cake auction will be conducted during intermission.

## 1971 Farm Programs And Rules Of Participation Listed By ASCS

By Prentice L. Mills

If a farm is to participate in the cotton, wheat or feed grain program(s) this year, there are certain things that the farm operator is required to do in order that the farm may be eligible for program benefits.

This is written to remind farm operators and landowners of these basic requirements. They are as follows:

First, the farm operator must sign the farm up in the pro-

gram(s) during the period March 1 through April 9. Second, there must be an acreage of land set-aside on the farm to satisfy the set-

## 4-H & FFA Hog Show At Texico

Texico 4-H Club and FFA members will have their annual hog show this Saturday at 2 p.m. (CST) at the agriculture barns. Some 23 youngsters will be exhibiting 40 animals in two divisions -- heavy-weight and lightweight -- and a grand and reserve champion will be selected. Judge for the event will be Charles Chambers, vocational agriculture instructor at Grady High School.

Jim Pierce, Texico High principal, says that the show offers the youngsters an opportunity to learn how to prepare their animals for showing as well as learning the proper way to show their hogs. This is

# Five Farwell Youth Named All-District

Five Farwell High School basketball players, three boys and two girls, were named to the District 3-A All-District team for the season just completed.

Named to the coveted list on the boys roster were Gary Erwin, Gene Sheets and Brett Hargrove, the latter two being unanimous choices for the honor. Sheets and Erwin are seniors, Hargrove is a junior. Debra Foster and Jenlene Taylor were named to the

mythical girls team, both by unanimous decisions of the district coaches. Debra, a guard, is a junior, and Jenlene, who played forward, is a senior. Jenlene was the team's second high scorer for the year, making 371 points. The Steerettes claimed one of their best records in several years this season. La Shawn Sheets was high scorer for the year, making 377 points. She and Polly Dollar also set a new record of 70 per cent accuracy at the

free throw line, breaking the previous mark of 67 per cent set by Ellen Herrington in 1969. Jana Bass had the high field goal percentage with 35 per cent.

Sheets, son of Mr. and Mrs. Harry Sheets, set an all-time new scoring record for Farwell High with 667 points and also

set a record by hitting on 248 field goals. He had 98 steals on the year and garnered some 228 rebounds. Sheets hit 45 per cent from the floor and was responsible for 98 steals.

Hargrove also managed to Erwin, a key factor in the Steers' defensive machine, ran

RESERVE CHAMPION BARROW at the 1971 Houston Livestock Show was this Poland China shown by Mike Windham of Lazbuddie, son of Mr. and Mrs. Scotty Windham. The animal which brought \$3,050 at auction, had been named Grand Champion of the Parmer County Junior Livestock Show in February. Mike also showed a crossbred barrow to the champion in its class and both his animals showed for grand and reserve champions of the show. Over 900 barrows were entered in the competition which was judged by Dave Hulker of Ames, Iowa. Several other Parmer County 4-H Club members showed swine in the Houston event.

of the original board of directors which included E. C. Reinauer of Hereford, C. H. Webb of Dimmitt, Alfred W. May of Dawn, Joe Warren of Nazareth, F. T. Schlenker of Friona, Harold W. Carpenter of Oklahoma Lane and J. C. Morrison of Hereford, and Leo Forrest, then manager of the DeafSmith County Electric Cooperative, Inc., of Hereford.

Past directors of the West Texas Rural Telephone Cooperative, Inc., since its organization are Tharp Exchange; Vernon Estes, Earle Hise, Robert Wilson and M. H. Carson; Dawn Exchange; H. M. Benson, V. J. Owens and Ernest L. McGee; Frio Exchange; Earl Holt, C. R. Dameron and W. P. Axe; Oklahoma Lane Exchange; Dick Gerles, Carroll Jones and Bert Williams; Hub Exchange; E. L. Fairchild and Raymond Milner; Parmer Exchange; Louis Welch; and Westway Exchange, Charlie Burk.

The application and receiving of the first loan from the REA was made in August of 1951. This loan was for \$454,000 to serve subscribers in Deaf Smith, Parmer and Castro counties. The first offices of the cooperative were ready for service in 1953 at Dawn, Frio, Westway, Hub, Parmer Tharp and Oklahoma Lane with some 650 customers. Additional loans have been made for more central office equipment, outside plant and stations from 1951 to provide service to approximately 2,000 customers.

In 1959-1960, the cooperative experienced an ice storm which destroyed some \$100,000 worth of plant. In 1962-64, the cooperative converted its 8-10 system to a 5-party system. Through constant growth in the rural area in feed yards, plants, agriculture and applications for private lines, the cooperative in 1967 applied for a program of a 1-party system in the area served. A loan of approximately \$3,000,000 was applied for in 1970 released for the modifications of all of the cooperative's facilities.

At the present time, the cooperative is converting all of its facilities to 1-party service. Extensive modification of office equipment is being made and approximately 90 per cent of the aerial wire facilities are being buried. The cooperative is installing the most modern equipment available. Upon completion of the modifications, the area will have 1-party service, direct distance dialing, and will be able to furnish any and all types of special services

available in the communication industry.

Present plans call for completion of the 1-party modification, DDD, mobile dial facilities for the Hub Exchange and other extensive modifications in equipment. Upon completion of these projects, the cooperative will have approximately 1,250 route miles of lines (cable and aerial wire), 1,500 private line customers, 650 extensions and various special services in its operations. The cooperative's customer average per mile will be approximately one to the mile, and will operate with some 15 employees for administration, maintenance and construction of its facilities.

**County NFO Slates Regional Barbeque**

Parmer County National Farmers Organization is sponsoring a region-wide barbeque Monday from 6 to 8 p.m. in Bovina Schools Cafeteria.

An invitation to attend the barbeque and the program which is scheduled to follow is being extended to all farmers and businessmen and their wives in the 18th Congressional District of Texas and neighboring New Mexico counties.

Guest speaker for the evening will be Erhard Pfingsten of Iowa, national vice president of the NFO.

Serving of the meal will be from 6 until 8 p.m., according to Robert E. Wilson and Wayne Magness, Parmer County members, with the program following at 8.

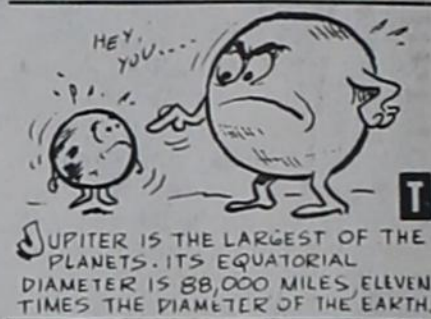

A nominal, breakeven charge will be made for the meal, Wilson says. Tickets are available from various NFO members in the county and at the county office in Friona.

Pfingsten has served as national vice president of the NFO since 1963. He was first elected to the national board of directors in 1960. He was appointed director of the meat commodity department in 1961 and was elected national vice president in 1962.

A native of Gage County, Ne-

braska, Pfingsten received his college education in Kansas. In 1932, he began farming in Western Iowa. He entered the armed forces in 1943. At the end of World War II, he bought a farm in Woodbury County, Iowa.

Phone numbers to call for tickets to the event are listed in an advertisement in this week's issue of the paper.

# Haglers Build Handsome, Unique Home In Farwell

A unique and beautiful sight in Farwell is the home of Mr. and Mrs. Bill Hagler located at 310 First Street. The Haglers live in a log home which they built themselves.

The local family began work on the home Halloween Day, 1968, and moved in April 1, 1969, but the house was not completed until June of 1970. Helping Hagler with the construction was his uncle, Frank Brown, from Pagosa Springs, Colo., Mike Brown of Friona, and "a lot of other relatives and

friends." Mrs. Hagler recalls one time while they were building the house when she had to feed 40 people in her mobile home one weekend when they were putting up the walls.

Logs for the walls of the home came from Pagosa Springs, Colo., where Hagler cut them himself. The walls of the den are of pecky pine and came from Arkansas. The paneling and other wood for the interior of the home is from New Mexico and Texas. Hagler says the house is definitely "not a kit

house." The only part of the house the Haglers didn't build was the fireplace, which was done by a man from Clovis.

The home has four bedrooms, two upstairs and two downstairs, a living room, dining room, kitchen and den. The home includes 2880 square feet of living space.

The den has a decor all its own. The walls are of pecky pine, with a dark brick fireplace on the west wall. It is decorated by a number of old things such as bottles, pans, and pic-

tures the Haglers have found or purchased.

A unique feature of the home is a light which Hagler made from an old wagon wheel which came from the wagon his grandfather came west in. He has a collection of barbed wire which was used in the earlier days of the west.

Hagler also built the home in which his mother lives. It is located directly behind his house.

The Haglers have four children, three sons and one daughter. Two of the boys attend school in Farwell, while the other boy and girl attend school at Melrose where they live with their grandparents. The Hagler family belongs to the Texico Baptist Church.

The Haglers enjoy traveling, and do as much of it as they possibly can. They have been big game hunting in Alaska and have attended the Baja 4-wheel car races in Mexico.

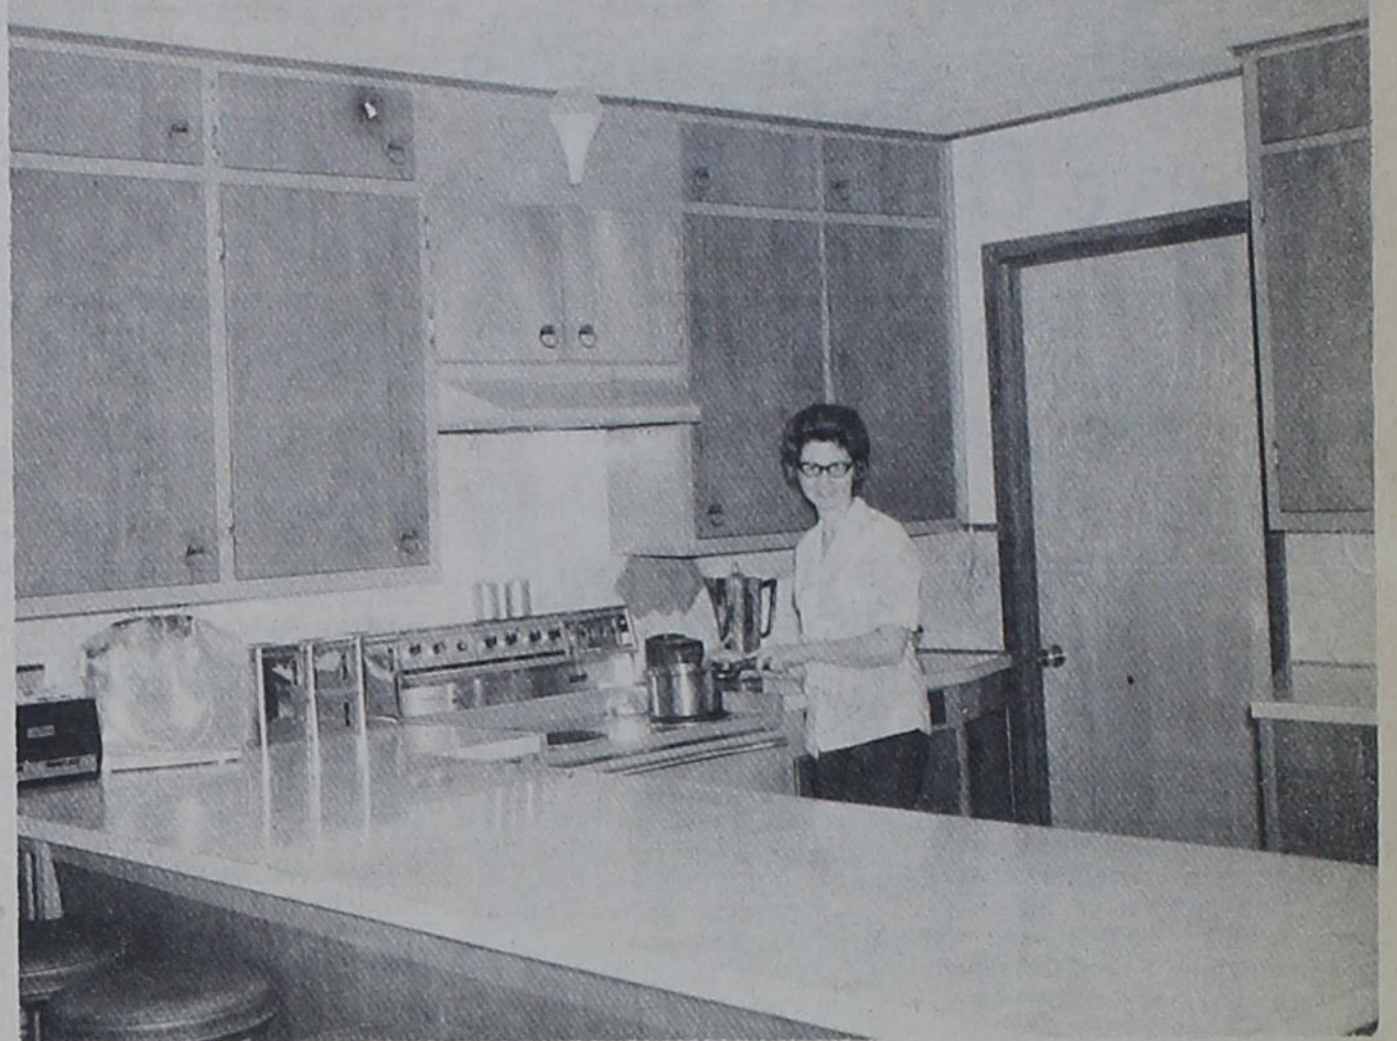

Hagler is an outdoorsman and enjoys hunting and fishing, while Mrs. Hagler cans food and enjoys working in their yard and

garden. Hagler states that he enjoys living in Texas very much and that he owns some farmland south of Farwell.

Hagler and his wife are both members of the Eastern Star Order in Clovis and Hagler is a member of the Masonic Lodge #13 of Pueblo, Colo.

Hagler was born and reared in this area and his wife is formerly of Forrest, N.M.

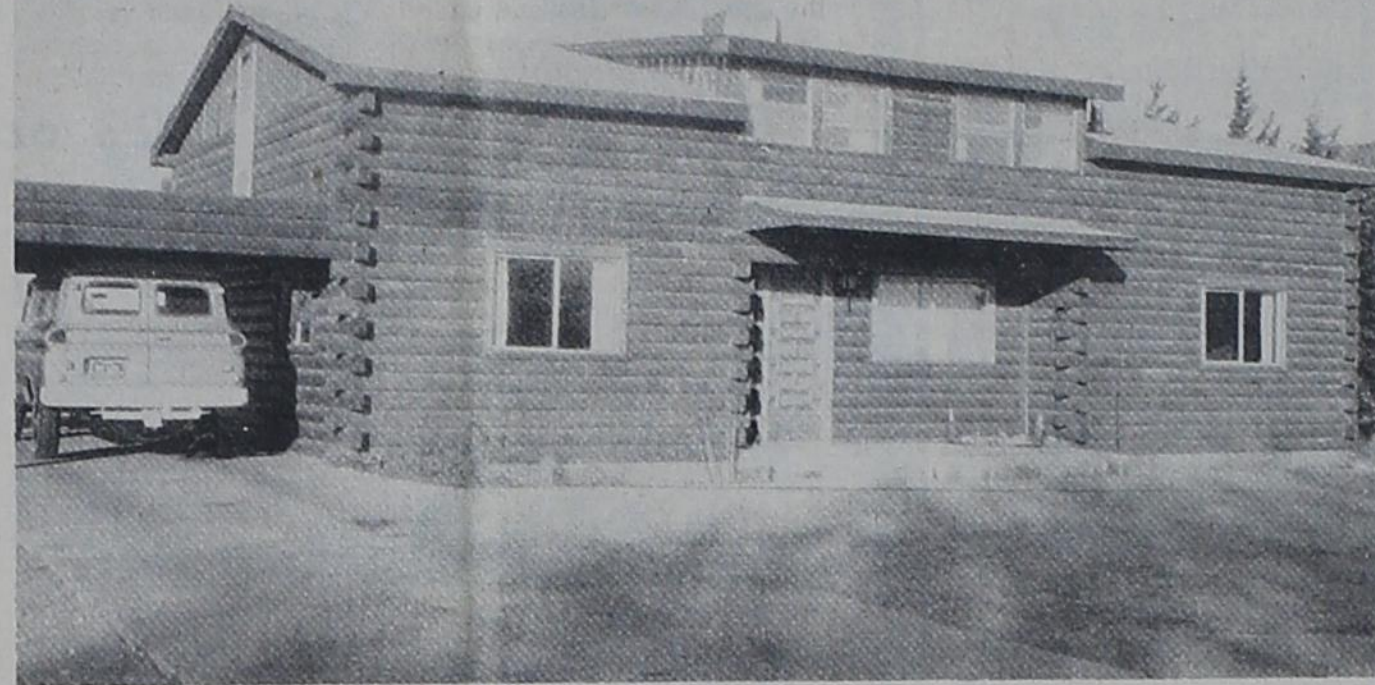

Hagler says he hopes someday Texas will be his winter home and he can live in the north during the summer.

**MODERN KITCHEN --** The den of the Bill Hagler home on First Street in Farwell shows the rustic features of the home while the kitchen is quite modern. Mrs. Hagler is shown in her kitchen which is equipped with all the modern appliances. The doors of the cupboards, in dark wood are complimented by the antique green of the cupboard base and background.

**ANTIQUATE ITEMS --** Pointing out some of the items he has found and purchased that decorate the mantle of the fireplace in his den is Bill Hagler. The light fixture hanging from the ceiling was made by Hagler from a wheel off the wagon in which his grandfather came to the West. The ceiling of the den extends to the roof and the upstairs area is built in a balcony-type arrangement. Beams in the ceiling run through the entire house but are only visible in the den. Behind Hagler is the door leading to the upstairs portion of the home.

**HAGLERS' LOG HOUSE --** Bill Hagler brought the logs for the exterior of the unusual home on First Street in Farwell from Pagosa Springs, Colo., where he cut the logs himself. At left is an outdoor patio which leads to an indoor patio. Two walls of the dining room are made of the logs; however, the rest of the house is paneled or done in sheetrock and plaster.

**RUSTIC DECOR --** Bill Hagler and his wife Kay relax in the rustic den of their log home located on Frist Street in Farwell. The gun on the paneled wall is a shotgun manufactured in the year 1898 and is flanked on either side by pictures with a Western theme done on velvet. The paneling and other wood in the home, other than the logs, is from New Mexico and Texas.

**OVER 30 YEARS OF PROVEN DEPENDABILITY**  
Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

**LOW OPERATING COST**  
Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low... no extra installation costs, either!

**HIGH ALTITUDE - NO PROBLEM**  
Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

**CHOICE OF BRANDS**  
There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

**CHOICE OF SIZES**  
Electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high, too small runs up operating cost. Electric air conditioning can save you money on both counts.

# Lazbuddie Youth Shows Reserve Champ Barrow

Mike Windham of Lazbuddie showed his Poland China barrow to the Reserve Grand Champion at the Houston Livestock Show last week, raising the number of prize-winning animals exhibited by Farmer County 4-H'ers this year.

Over 900 barrows were entered in this show which is one of the largest junior barrow shows in the Southwest. Judge for the event was Dave Hulker of Ames, Iowa.

Young Wingham, son of Mr. and Mrs. Scotty Wingham, also showed the Champion Crossbred barrow and both his animals were exhibited for champion and reserve of the show. His winning barrow was recently named Grand Champion of the Farmer County Junior Livestock Show.

Other Farmer County 4-H youngsters exhibiting animals at the Houston event were Gary and Dwight Green, sons of Mr.

and Mrs. Doyle Green; and Terri and Danny Clark, children of Mr. and Mrs. Wayne Clark.

Terri Clark showed her lightweight Chester White barrow to first place in its class.

Several records were broken in prices paid for animals at the auction sale Friday afternoon. The Grand Champion barrow sold for \$7,500 and Windham's Reserve Champion brought \$3,050. His middle-weight crossbred brought \$4.25 per pound for a total of approximately \$915.

Accompanying the 4-H youngsters to the show were Mack Heald, county agent, Doyle Green and Scotty Wingham. County Agent Heald says, "This was the first time that most of the 4-H youngsters had exhibited their animals at the Houston show, and needless to say, they are ready to go back and try for the 'big one' next year."

good training before entering the county and other shows, he pointed out.

Besides winning trophies, prize money will also be awarded to the top exhibitors. Pierce says that about 25 per cent of those showing animals will receive prize money.

Donations are being accepted on a top market hog to be given away at the show. The hog has been donated by Donald Rucker and donations are \$1. All the money received from this project will be awarded as prize money to the winning showmen.

Tickets for the hog may be obtained by contacting any 4-H Club or FFA member.

Everyone is invited to come out and see the fine animals being raised by this group of young people.

Donating the trophies for grand and reserve champion winners are Texico Branch of Citizens Bank and Texico Feed Lots.

aside requirements for the programs in which the farm is participating. This set-aside acreage must be devoted to an approved conserving use; also, the farm operator is required to control erosion, weeds, insects and rodents on this set-aside acreage.

### All-District --

(Continued from Page 1)

well, forcing many turnovers during the season and accounting for 55 steals. Gary hit on 33 per cent of his field goals and contributed 155 points to the Steers' winning season. Gary is the son of Mrs. Mildred Erwin. set a new record of percentage of field goals, hitting on 57 per cent. He was the top rebounder with 329 and was credited with 55 steals and 492 total points. He is the son of the Elmer Hargroves.

Third, under the program(s) in which the farm is participating, the operator should make certain that his crop acreages meet the minimum planting requirements for payment and crop history purposes. The crops must be planted and cared for in a workmanlike manner in order for the farm to be eligible for program benefits.

Fourth, the farm operator is required to measure his acreages accurately and report the acreages to the ASCS office within the reporting period. Wheat acreages must be reported by no later than May 3. Feed grain and cotton acreages must be reported by no later than August 1. Measurement service by ASCS personnel is available to those desiring it.

BASIC REQUIREMENTS FOR SET-ASIDE ACREAGE -- The acreage must be cropland that would produce a crop this year. If the set-aside acreage is not of average productivity for the

farm, the farm's program payments will be reduced to reflect this. Here is the way the payment reduction would be computed on a farm where the set-aside acres are considered below average for the farm: on an example farm that has irrigated payment yields and the set-aside acreage is from dryland acreage. This example farm has a 100 acre feed grain base with 120 bushel (irrigated) payment yield established. The set-aside for the farm is 20 acres and is designated on land that cannot be irrigated. The ASC County Committee establishes a dryland yield for the farm (grain sorghum) at 35 bushels per acre. The payment reduction in this case will be computed by multiplying 29 cents times the difference between the irrigated yield and the dryland yield and then multiplying the result by the 20 acre set-aside under the feed grain program. 120 bu. minus 35. equals 85 bu. difference. 85 bu. x 29¢ equals \$24.65 per

acre payment reduction. 20 acres times \$24.65 equals \$493.00 which is the total payment reduction under the feed grain program in this example. This farm has a 45.0 acre wheat allotment with a 44 bushel (irrigated) payment yield established. The set-aside is dryland. The dryland yield for the farm is set at 18 bu. per acre. To arrive at the payment reduction under the wheat program, we multiply 80 cents times the difference between the irrigated and dryland yields and multiply the result by the acres set-aside under the wheat program. This brings 33.7 acres. 44 minus 18 equals 26. 26 times 80 equals \$20.80 per acre payment reduction. 33.7 acres times \$20.80 equals \$700.96 payment reduction under the wheat program. This farm has a 30 acre cotton allotment with 550 lb. per acre irrigated yield and a 6 acre set-aside requirement. The set-aside is designated dryland and the dryland yield is set at 150

lbs. per acre. The payment reduction for cotton is at the rate of 5 cents per pound on the difference between the irrigated and dryland yields for the farm. 550 lbs. minus 150 lbs. equals 400 lbs. 400 lbs. times 5 cents equals \$20.00. Six acres times \$20 equals \$120 payment reduction under the cotton program on this farm. Therefore, the total farm reduction (under the three programs) for having dryland set-aside acres would be \$1313.96.

In the above example, mention is made of the difference between irrigated and dryland. However, there are cases where the set-aside may be irrigable and still be considered less productive than average for the farm. In these cases, the farm payments will be reduced to reflect the difference in productivity of the lands involved. Anyone who has a question about the farm programs is requested to visit the ASCS office. The people working there will be glad to assist with questions.

### TEXAS CATTLE FEEDING INDUSTRY CONTINUES TO GROW

The large commercial feedlot is becoming more and more important to the Texas cattle feeding industry.

Feedlots with capacities of under 8,000 head (at one time) decreased in number while lots with capacities of between 8,000 and 15,999 head made the biggest gains in 1970, according to Dr. Ed Uvacek, Extension livestock marketing specialist.

Feedlot marketing in the United States reached a record 24.9 million head during 1970, according to a recent USDA "Cattle on Feed" report. Texas feeders turned out 3.1 million head in the calendar year 1970.

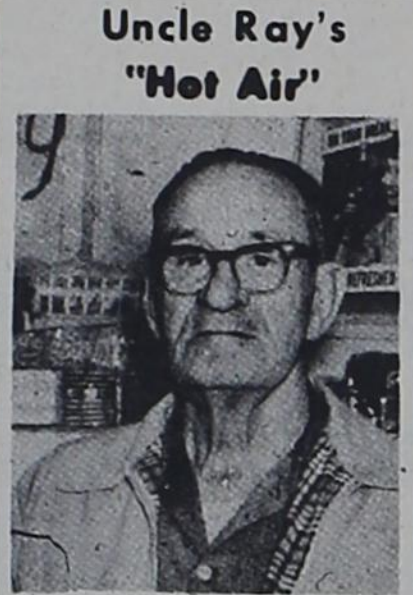

Last year Texas had 306 feedlots with a 1,000 head or more capacity operating at any one time. Dr. Uvacek indicated that these feedlots accounted for 97 per cent of the fed cattle marketed in the state.

A separate report issued by the Packers and Stockyards Administration shows that almost 11 percent of the 2.7 million cattle and calves fed in Texas in 1969 were owned by or fed for meat packers.

Texas ranks as the leading state for packer feeding, Dr. Uvacek said.

The Texas feeders figure represents an increase of 432,000 head over last year, considerably smaller than the year earlier gain, Dr. Uvacek commented.

He indicated that Texas remains the third largest feeding state in the nation, surpassed by Iowa and Nebraska. Dr. Uvacek added the ranking of the top ten cattle feeding states remained about the same as the previous year, with Minnesota edging out Arizona for the eighth position.

**SWEET SIXTEEN AND FIRST BIRTHDAY** -- Bessie Bowery, left, observed her 16th birthday on March 4, and her niece, Kristi Bowery, observed her first birthday on March 6. They were honored, along with Andy Bowery who will be 15 on March 29, at a family birthday party at the home of Kristi's parents, Mr. and Mrs. Joe Allen Bowery, on Saturday night. Andy and Bessie are children of Mrs. Janie Bowery of Farwell. At far right Kristi enjoys a slice of her birthday cake without benefit of spoon or fork.

## Three Family Members Honored On Birthdays

A joint birthday celebration Saturday night honored Bessie and Andy Bowery and their niece, Kristi Bowery, at a party

given in the home of Kristi's parents, Mr. and Mrs. Joe Allen Bowery. Bessie and Andy are children of Mrs. Janie Bow-

ery. Bessie was 16 years old on March 4; Andy will be 15 years of age on March 29; and Kristi was one year old March 6.

Each honoree had his own special cake for the occasion. Kristi's cake, composed of one chocolate layer and one white layer, was decorated with white frosting and red and yellow flowers. One candle and the words, "Happy Birthday, Kristi," completed its decor.

The other cakes were frosted with white and each had the name of the honoree along with the number of his birthday written underneath his name.

Refreshments of birthday cake, punch, coffee, sandwiches, chips and dips were served to the honorees and Mr. and Mrs. W. T. Magness, Mr. and Mrs. Janie Bowery, Mr. and Mrs. Billy Hammit and Chucky, Cecil Bowery, Becky Martin, Mr. and Mrs. Joe White, Lynne, Joyce, Peggy and Boyd, and Vickie Jue, all of Farwell, and Mr. and Mrs. Jerry Moore and Lisa of Houston.

## Texico Girls Do Meet

Six young ladies from the Texico Baptist Church, accompanied by their adult leader, Mrs. Aileen Pearce, were in Albuquerque recently to attend the state-wide house party or youth conference for Baptist young people from all over New Mexico.

The conference, whose theme was "Give Me a Vision," was held at the Sandia Baptist

Church in Albuquerque, and the attendants were guests in the homes of Duke City residents for the weekend.

Mr. and Mrs. Tom Watson of Portales, who are missionaries to Peru, were main speakers for the three-day session. Mrs. Watson will be remembered here as Jo Ann Smith, daughter of the Gordon Smiths of Pleasant Hill.

After attending an 8 o'clock worship service Sunday morning, the local group started home, arriving here about 4 p.m.

Attending from the local church were Misses Betty Jean Autrey, Cindy Eshleman, Kim and Jo Pearce, Georgia Autrey and Terri Madden, who all reported having a great time.

## ESA Plans Benefit Saturday, March 13

A benefit for funds for philanthropic projects of Theta Rho chapter of ESA has been planned for Saturday night, March 13, at Farwell Country Club beginning at 7:30 p.m.

Charge for admission is \$3 per couple and games of dominoes, "42," bridge and others will be played and refreshments will be served.

Everyone is welcome to attend.

## Mrs. Haseloff Gives Topic At LWML Meet

Mrs. Mildred Haseloff presented the topic, "Being Honest With Youth," when the Lutheran Women's Missionary League of St. John Lutheran Church met at the Parish Hall on March 4.

An evangelism day was planned for March 25 beginning at 9 a.m. at the church and it was reported that 30 garments had been sewn for World Relief. The LWML is also collecting used clothing to be sent to this project.

A letter from a missionary in Indonesia was read that thanked the ladies for sending a camera and pencils at Christmas. The group will be responsible for mailing other pencils if anyone would like to donate them.

April 21-22 are the dates set for a Christian Growth Workshop in Lubbock and family night at the church is planned for Sunday, March 21. Each lady is asked to bring spaghetti and meatballs for her family.

Attending the meeting were Mesdames Bertha Kaltwasser, Liz Kaltwasser, Mary Helen

Gohlke, Mildred Haseloff, Mary Karbas, Bernadine Kube, Alma Lingnan, Myrna Lingnan, Helen Meissner, Madge Pelman, Mary Alice Ramm and Minnie Ramm, and Pastor Pelman.

Mrs. Liz Kaltwasser and Mrs. Bertha Kaltwasser served refreshments to the group.

## Local Ladies Attend Meet

Mrs. Hattie Coffey and Mrs. Lauretta Pool of Farwell were among the 20 ladies present at the Saturday morning meeting of Delat Kappa Gamma society at the home of Mrs. Martha Bates in Friona. Hostesses were Mrs. Bates were Mesdames Ethel Bengler, Jeannie Moseley and Faye Reeve.

Carmaleet Trutt presided at a business session and Janie Sudderth read the chapter collect.

"I Came, I Saw, I Conquered," was the title of the program presented by Mrs. Dorothy Donaldson, Mrs. Hickman, Mrs. Icy Lear and Josie Alonzo. The message of the program was the changes, accomplishments etc. of teachers of the past, present and future. Mrs. Lear was in charge of the program.

## Lutheran Churches Set Prayer Service

St. John Lutheran Church, Lariat, Rev. Herbert F. Pelman, pastor, will join the more than 6,000 congregations of The Lutheran Church - Missouri Synod, in a special prayer service for the POW'S and the MIA'S on Sunday, March 14.

Dr. Jacob A. O. Preuss, president of the three million member Missouri Synod has

asked leaders of other denominations to urge the congregations under their jurisdiction to join the Lutherans in this special day of prayer in their respective churches.

"I am making this appeal to Christian people all over the world," stated Dr. Preuss, "because I believe the Bible which says that the fervent prayer of a righteous man avaleth much, and that if we seek and knock we shall find and it shall be opened to us."

The special prayer for the POW'S and MIA'S will be incorporated into the regular morning worship service hour at 10:30 at St. John church.

## Hospital Notes

Mrs. S. G. Jones of Farwell entered St. Anthony's Hospital in Amarillo on Tuesday, March 9, to have surgery for removal of a cataract from an eye.

Mrs. Pansy Ross is recuperating at Clovis Memorial Hospital where she underwent surgery last Friday. Her condition is reported as satisfactory.

Albert Smith of Farwell was reported to be recuperating fairly well at the hospital in Clovis following surgery on Tuesday morning. He will probably remain hospitalized for at least another week, says family members.

W. F. Gable of Farwell underwent surgery at Clovis Memorial Hospital Monday of this week and is reported to be getting along fine.

I. W. Quikkel returned to his home in Bovina late Tuesday after undergoing tests at an Amarillo hospital. His condition was reported as satisfactory.

## Tracksters To Vie At Springlake

Farwell's high school track teams, boys and girls, will be in Springlake this Saturday to participate in their first event of the year. The boys team will enter some three events prior to the district meet which is scheduled for April 4 in Vega. The girls district event will be in Hale Center on April 20.

Fourteen boys are out for varsity track under the tutelage of Coach Toby Booth who says he feels the Steers' strong showing will be in the 440 and mile relays.

Steers who will be entering such events as 440 relay, 220 run and 100-yard dash are Larry Erwin, Ray Norton, Gary Erwin, David Norton, Gene Sheets, Billy Brigham, Steve Franse, Terry Craft, Johnny Franse and Mike Travis. Some of these boys also participate in the hurdles event, Mack McFarland and Kirk McFarland will run the 880 and Randy Chandler will enter the discus and shot events, Larry Erwin is the pole vaulter, but has been hampered with a sore ankle.

Besides this week's outing, Farwell will enter meets at Hale Center and Plains before going to the district competition.

In the girls division, Coach Gayle Nicholas had girls entered in some 13 events for the Springlake meet. Debra Foster, Kristy Taylor, Vickie Co-

burn and Patty London will compete in the 440-yard relay; Jeniene Taylor and Karen Foster will enter the 440-yard run; and Kristy Taylor and Barbara Goettsch will participate in the 220-yard dash.

Other competitors include LaShawn Sheets, Barbara Goettsch, Vickie Coburn and Leslie Norton, 880-yard relay; Jeniene

Taylor, Barbara Goettsch, Sandra Ensor and Leslie Norton, mile relay; LaShawn Sheets, 880-yard run; Kristy Taylor and Connie Jones, 60-yard dash; Connie Jones and Vickie Coburn, 100-yard dash; Debra Foster, shot and discus; LaShawn Sheets and Lynne White, high jump; and Phyllis Jones, broad jump and triple jump.

## Junior High Will Sponsor Tourney

Farwell Junior High School will sponsor a volleyball tournament, open to all outsiders teams, for both men and women, at the Farwell gym on April 1, 2 and 3. Two courts will be set up so that two games may be played simultaneously.

The bracket will be set up so that each team will play three games and the tournament winners will be those teams winning two out of three games. A player will be allowed to play only on one team during the tournament.

Entry fee is \$8 per team and 25 cents per day per player and spectators will be charged. Junior high classes will also sponsor a concession stand featuring sandwiches, pops, candy, gum and other goodies. Proceeds from the event will be used to buy physical education equipment for the junior high, including a push ball and some archery equipment.

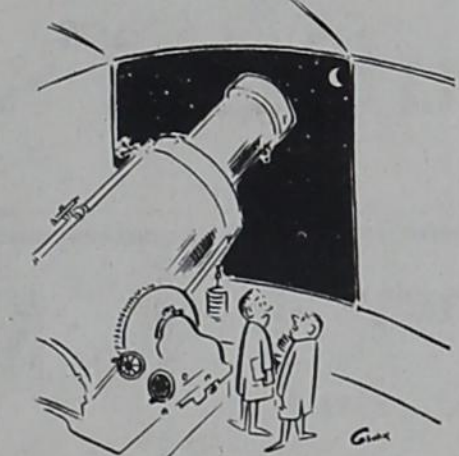

## Band Boosters Meet

Farwell Band Boosters met at the school band hall on Wednesday, March 3. Among the business was discussion of the musical to be presented by the band department on April 2 at the school auditorium. An exact time for the event along with other details will be announced later.

It was announced that the high school band will be in Dimmitt on Wednesday, March 31, to compete in the UIL concert contests.

Discussion of the band banner and a banquet for band members was tabled until a later date.

## Attend Clergy Day Observance At CAFB

Rev. and Mrs. W. T. Perry of Hamlin Memorial United Methodist Church were among those attending the annual Clergy Day program at Cannon Air Force Base Tuesday night. Each year the commanding officer of CAFB sets aside a day as Clergy Day and extends invitations to all area ministers and their wives to attend a special program. Hosting the event are the various Chaplains stationed at Cannon.

Featured on the Tuesday night program was Rabbi Maurice Feuer of Amarillo, who spoke on "A Modern Man's

Faith." The Chaplains made a presentation on their work, "The People of God at Cannon." Lt. Col. Travis Blaisdell,

senior chaplain at the base, was in charge of the Clergy Day program and Lt. Col. (Chaplain) Carl Riggs acted as master of ceremonies.

## Toothpick Gone, Quickel Okay

Wilfred Quickel was reported to be "feeling fine" Wednesday morning after suffering a somewhat harrowing and what could have been a most serious experience Tuesday. Quickel swallowed a portion of a toothpick which was inside meat he was eating at noon Tuesday. The toothpick lodged crosswise in his throat and he was rushed to the hospital in Clovis where doctors made an unsuccessful attempt to dislodge it. He was then taken to Amarillo where a specialist removed the object from his throat, and dismissed him to

return home. Except for a minor sore throat, he was reported to be "A-okay" early Wednesday.

## GIFFORD-HILL'S 360 SPRINKLER SYSTEM

Beautiful days off times come at the wrong time. You might just as soon see a gentle, soaking, half-inch rain. But because Mother Nature isn't always as dependable as she might be, Gifford-Hill has stolen some of her thunder. The electrically powered 360 sprinkler system lets you schedule your own rain. The exclusive sprinkler spacing concept applies the same amount of water at one end of the system as it does at the other. No puddling. No runoff. The 360 goes in either direction, uphill or down. It will water a quarter-circle, a half-circle, any portion of your field with the exact amount needed. And the positive gear drive motor lets it move only when you want it to. You should have a 360. On those beautiful sunny days, you'll have everything going for you, including the rain. Gifford-Hill & Company, Inc.

# rounds out a beautiful sunny day.
