"In sincere appreciation for the 27 years dedicated to the Texico School and the Community" reads the inscription on the plaque presented to Mrs. Lillie Allman by the Texico School Board upon her retirement at the closing of school in May. Her fellow teachers presented her with a bracelet watch as a token of their esteem.

She says, "One of the courses I most enjoyed while attending college in years past was a course in photography taught by Ralph Sellmeyer at Texas Tech." This summer Lilhas devoted

most of her time to improving the appearance of her backyard. She has added numerous shrubs (most of which are flowering), nine rose bushes in colors of red, white, yellow and salmon, and is caring for the annual County Clerk Bonnie Warren plants which re-seed themselsythia, yew tree, red and blue althea, and a photenia whose Dr. and Mrs. R. She bought a new lawn mower and cuts her own grass.

Lil serves on the official board of the First Methodist Church in Clovis, where she has had her membership for many years. Presently she is serving as a member of the Board of Trustees and is a member of the Clyde Campbell Circle of the Women's Society of Christian Service. She has also served on many of the church commissions through the years. She modestly says, "I don't really do much." But as one catches the gleam in her eye as she talks about the work done by the various church commissions she was and is serving on, one knows that here indeed is one who truly finds joy in serving

Lil's home shows her good taste as she displays many beautiful antique plates, bowls and pitchers and articles of cutglass, she has collected through the years. Most of the pieces in the collection have a historical value to the owner. In the collection are several plates given to her by former students, who sent the gifts in appreciation. Lay Witness Mission

Hamlin Memorial United

Spiritual Renewal

August 27, 28, 29

Methodist Church

The first Lay Witness Mission came into being only a few years ago when a team of laymen came together for meditation, prayer, and sharing. Those who shared in the first mission of this type were from various churches and from all walks of life. As they listened to one another, they realized an awareness of a deeper spiritual dimension. These laymen began to grow in Christian experience and faith and were anxious to tell others of their changed lives. Therefore, this is more than a program -- it is a weekend experience for a local church, designed so that a team of laymen can speak to laymen about the reality of Christ in their daily living.

Mr. Harold Davidson, from Little Rock, Arkansas, will be the coordinator for this endeavor. He will be assisted by some 18 adults and 10 youth who will come to Texico-Farwell at their own personal expense just to have an opportunity to share their experience with Christ, They are not perfect or saintly people but they are men, women, and youth who have encountered the living Christ. THE SPIRIT OF FAITH

It is thrilling to hear the SPEAK," the results would be as Psalmist though "greatly afflicted," say: "I believe; therefore have I spoken" (Psa. 116:10).

It is thrilling too, to see the Apostle Paul, though "troubled ... perplexed ... persecuted ... cast | few who will stand, regardless down ... always delivered unto of consequences, for the light death for Jesus' sake," - it is God has given them. Some mainthrilling to see him take his tain a discreet silence for the stand with David and to hear him | "fear of man"; others because speak of having "THE SAME SPIRIT OF FAITH," adding: "WE ALSO BELIEVE AND THEREFORE SPEAK" (II Cor. 4:8-13).

If only all who believe the glorious message of God's grace: that believers in Christ are accepted in Him, pronounced "complete" and baptized into one body by one divine baptism-if all who believed these truths would speak out today, there would be a sweeping revival tomorrow in the Church, the Body of Christ. If, putting all other considerations aside they would openly and honestly say: "WE ALSO BELIEVE AND THEREFORE

But, alas, there are few who possess "the spirit of faith"; they love "the praise of man." Both say: "One must be careful what one says, for these truths are not popular," but both alike are guilty of unfaithfulness to God and the truth.

With God's help, let us not be among them. Let us, where the truth is concerned, stand with David and Paul and say: "WE ALSO BELIEVE AND THEREFORE SPEAK!" Let us be among those who truly possess "the spirit of faith," who are determined to "stand fast in the faith" and ready to "fight the good fight of faith" (I Cor. 16:13; I Tim. 6:12).
