Garrett Picks All Ten In Football Contest

Phil Garrett became top prize winner in the first week of the 13th annual Merchants Football Contest. He picked all ten games right--an effort which he alone accomplished this week.

Three persons wisely chose nine games correctly. Charles Hargrove and Richard Engelking were neck and neck for second and third places. Hargrove won second since he was only eight points off on the tie breaker score. Engelking was 11 points off.

Only woman to come near the winner's circle was Elaine Wardlaw who also chose nine games correctly. She was only 12 points off on the tie breaker, just one point behind Engelking.

Garrett, as first winner in the weekly contest, walked off with \$5 in prize money. Hargrove was rewarded for his guessing genius with \$3 and Engelking received \$1.

It seems more and more folks are curious about the football circuit this year. More first week entries were received this year than ever before, with 263 persons trying their skill. Twenty-four contestants

guessed eight games correctly. Games missed most on last week's schedule were Texas Tech-Tulane, West Texas-Memphis State, Dumas-Palo Duro and Kress-Icalou.

A total of 28 area merchants are sponsoring the 12-week contest.

Everyone is urged to get into the contest while it is still young and continue to enter each week. For the next 11 weeks, a list of ten high school, college and professional football games will appear in the contest entry blank. Entrants must choose a winner of each of the games and pick a score on the tie-breaker game. This score will be used only in the event

that two or more persons call the same number of games correctly.

Entries must be in the Tribune office no later than 5 p.m. each Friday. Mailed entries must be postmarked by the 5 p.m. deadline. Only one entry may be made by an entrant each week and entrants must be 12 years of age or older.

At the end of the contest a winner will be decided. He or she will receive two tickets to the Cotton Bowl football game in Dallas and \$50 in expense money. Second place winner will receive two tickets to the Sun Bowl in El Paso and \$25 in expense money.

Lions Attend Fall Roundup

Several members of Texico-Farwell Lions Club attended a Fall Roundup training session held at the Holiday Inn in Clovis Sunday, Sept. 12.

Attending were Mr. and Mrs. Joe Helton, Mr. and Mrs. Lee Hutchins, and Bill Whitesides, Jim Walker and James Craig. Whitesides, local president; Walker, local secretary-treasurer; and Craig, Third Deputy District Governor of District 40X, were among 120 officers from Lions Clubs in District 40X of New Mexico.

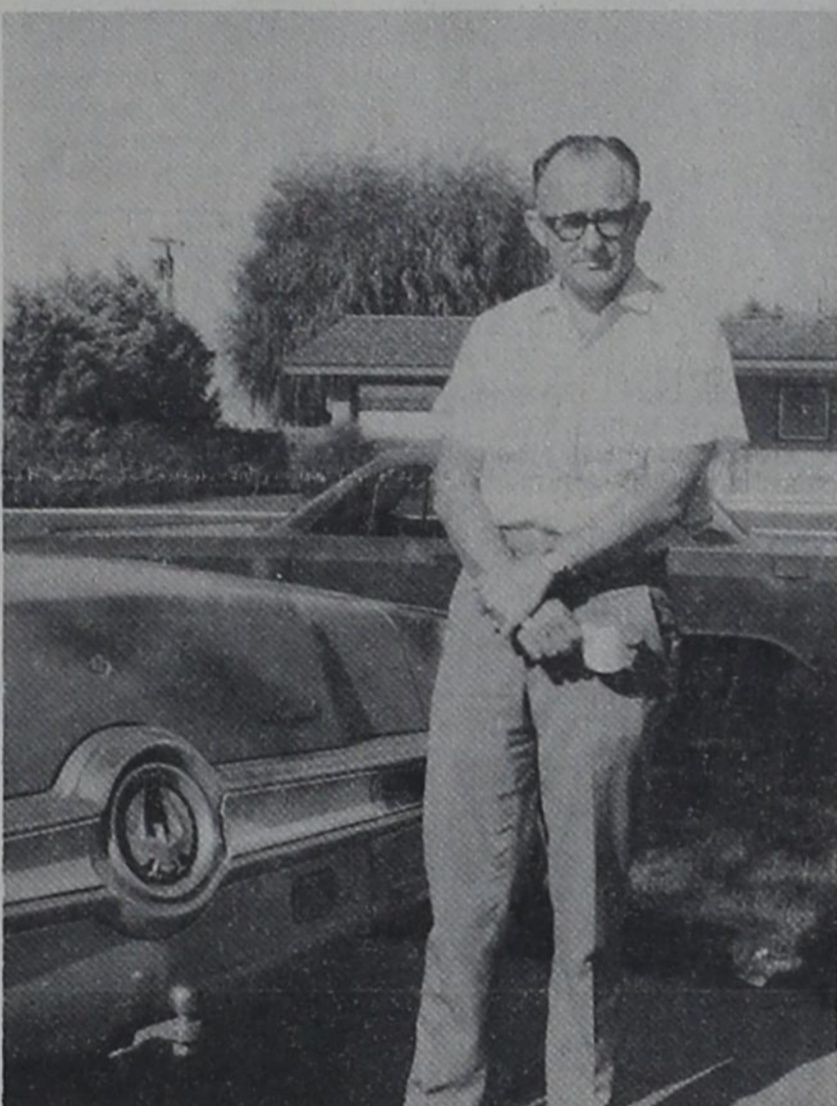

Lions and their wives were honored with a luncheon during the training session.

Project Nets Over \$200

Texico-Farwell Lions Club realized an amount over \$200 during their annual Broom Sale held last Friday and Saturday, according to Bill Whitesides, president.

A percentage of the money will go to the Lighthouse of the Blind, the organization which furnished the merchandise for the sale. Proceeds left over for local funds will be distributed to several programs supported by the local club.

Next project on the agenda will be a lightbulb sale which is scheduled to take place some time in October, said Whitesides.

OFF TO WASHINGTON to serve on the National Advisory Committee from the Agricultural Department, Grain Division, R. W. Anderson of Farwell left Wednesday to board the plane in Lubbock for the trip. Anderson was named to the committee by Secretary of Agriculture Clifford B. Hardin and has been serving about a year. The group will set the 1972 feed grains program during the current meeting. Anderson attends meetings of the committee approximately every three months.

THREE GENERATIONS of Hugheses now have the distinction of being able to say they were taught by W. M. Roberts, Farwell Schools superintendent, standing right. When Tim Hughes, sitting, began his first year of school, he was preceded by his father, Joe Hughes, left, who was under Roberts' supervision in 1959-60, and his grandmother, Mrs. B. V. Hughes, who was a pupil of Roberts when he taught at King High School in Hardeman County, Texas. Roberts has been teaching or has been in an administration position for the past 40 years.

UNBELIEVABLE as it may seem, 263 persons tried their hand (or mind) at guessing football scores during the first week of the Tribune's 13th annual Merchants Football Contest, Phil Garrett of Lariat, left, was the only one who successfully guessed all ten games correctly. He is being presented first prize, a check for \$5, from one of the sponsors, Calvin Meissner of Lariat Gln. Charles Hargrove and Richard Engelking guessed nine games correctly, making them second and third place winners, respectively.

Boosters To Sponsor Chili Supper

Farwell Booster Club will sponsor a chili supper from 5:30-7:30 p.m., Friday, Sept. 24, before the Morton game. Adults will be fed for \$1.00 and charge will be 75 cents for children ages 12 and under.

A menu of chili, beans, pickles, crackers, pie and soft drinks will be served. Officers for the 1971-72 year elected in a regular meeting Tuesday night, Sept. 14, are Troy Christian, president; Don Gerles, secretary-treasurer; and Doyle Ford, vice-president.

FARWELL BOOSTER CLUB OFFICERS for 1971-72 were chosen Tuesday night, Sept. 14, during a Booster Club meeting. They are Troy Christian, president, sitting left; Don Gerles, secretary-treasurer, seated left; and Doyle Ford, vice-president, standing. Farwell Boosters will sponsor a chili supper from 5:30-7:30 p.m., Sept. 24 before the Morton game.

Lazbuddie Lions Schedule Dinner

Lazbuddie Lions Club will sponsor a fund-raising dinner Sunday, Sept. 19, at the Lazbuddie school cafeteria.

Prices for the dinner, which will begin at approximately 12:15 a.m., will be \$1.75 for adults, \$1.25 for elementary students, and pre-school children will get in free.

Members of the Lions Club will serve fried chicken and all the trimmings. Everyone is invited to attend the dinner. Proceeds will go to projects supported by the Lions Club.

Watermelon Sale --

Members of Theta Rho chapter of Epsilon Sigma Alpha will be selling watermelons from 10 a.m. until 4 p.m. Saturday, Sept. 18, on the parking lot in front of the Holiday Store. The melons will sell for \$1 each or a donation will be accepted.

Proceeds from the sale will go to research for Cystic Fibrosis. Melons will also be sold door to door. Don Williams of Farwell donated the melons.

Cystic Fibrosis is a most common chronic disease. It is estimated that 3,500 children are born each year with C.F. Every two and a half hours, 'round the clock, a C.F. child is born.

Half of the children die before they are five. One has no

way of knowing whether or not he or his children are carriers of the CF-producing gene.

To protect your own child and your friends' children, ESA

members urge you to know the C.F. symptoms. They are chronic coughing, difficulty in breathing, repeated respiratory infection, a large appetite but small gain in weight, bulky diarrhea and a tendency toward easy exhaustion.

C.F. often shows a marked similarity to other diseases and has been confused with asthma, bronchitis, allergy, celiac disease, tuberculosis and other respiratory diseases. The vital job of bringing C.F. under control has only begun. The lives of tens of thousands of living and unborn depend upon research and improvements in methods of diagnosis and treatment. Local ESA members urge everyone to give generously to support the C.F. medical research program to conquer Cystic Fibrosis.

Farwell High School will offer an adult typing class to any interested persons. The class will be held at night, according to Jack Williams, high school principal.

Williams said all interested adults who would like to enroll in such a class should be present at a meeting at 8 o'clock Monday night, Sept. 20, in the high school building.

Gas Company Offers Free Light-Up

Farwell customers of Southern Union Gas are being urged by the company to have their central heating units and floor or attic furnaces lighted before cold weather arrives.

As part of its normal service to customers, Southern Union is providing light-up service free if requests are received by October 15, according to W. J. Orbison, local manager for the gas company. Requests received after the deadline are subject to a \$2.50 service fee.

Many householders light their own pilot lights, while others call on plumbing firms to handle the job, Orbison pointed out.

If customers do not call until cold weather, they may have to wait for service, Orbison said. This results because when chil-

Crook Wins Award For Safe Driving

Darrell L. Crook of Grand Prairie, Tex., son of Mr. and Mrs. H. R. Crook of Farwell, received a "safe driving" award certificate and was presented a watch by the company for which he works.

Crook drives a digger truck for White Advertising Co. and was presented the award and gift for operating a vehicle in five different states for one year without an accident.

VICTIM OF A MAD PLOT? Not exactly. Dr. Jerry Gregory seems to be in a perilous position with two ladies about to dump watermelon on top of his head. Actually, Mrs. Duane Herington, left, and Mrs. Don Gerles, right, are selling the watermelon to the doctor as part of a project to raise funds for Cystic Fibrosis research. The two women are members of Theta Rho chapter of Epsilon Sigma Alpha, local sorority which is sponsoring a watermelon sale this Saturday for the CF benefit.

W. H. Graham, former publisher of the State Line Tribune and now chief mogul of the Lovington, N. M., daily paper, is a writer of rare perception and forthright thinking. We are therefore pleased this week to pass a recent column of his on to our readers.

We are not so concerned with his critique of the picture "Love Story" as we are in agreement with his analysis of the youth cult and culture in which we are being submerged today. Part of Graham's column follows:

"BOO HOO HOO. I've seen 'Love Story' and I'm crying. I'm crying not because Jennie died, but because she never lived. I'm crying not because Oliver lost his wife and lover, but because he, never knew love in the first place.

I'm crying because ten million kids in this country have been sold an egocentric synthesis of love for the real thing. I'm crying because a Harvard egghed has hoaxed a whole generation into buying a diabolical untruth.

Erich Segal's portrayal of love is not love at all, but plain selfishness. They care only for themselves.

Oliver and Jennie's "love" is mutually exclusive. As they see only themselves, everyone and everything else can go and hang. They say to hell with their parents, the church, society, convention, and anyone or anything that should in the least impinge upon their total selfishness.

Religion and the moral antecedents of a lawful society are brushed away with one hand as "the God bit," which both profess not to "go for." It seems never to occur to either that society has not merely happened, but was built-bit by painstaking bit. Oliver means to be a great lawyer, but for some reason Segal has him oblivious of the fact that without "the God bit," our law might well still be the Code of Hammurabi (an eye for an eye, and a tooth for a tooth.)

"Love Story" paints the generation gap with excreting realism. Oliver's father (casually referred to as "the son-of-a-bitch") has conspicuous faults. The evident ones are price, arrogance, and hypocrisy.

But with his shortcomings, at least he wanted his son to do well, and invested time, effort, and substance in the furtherance of that hope. That is more than some fathers will do--whether they be rich or poor. How this justified the son's uncompromising belligerence Segal fails to make clear. If the answer is two wrongs make a right, then there is no answer.

There, in fact, is the major shortcoming of the film. While explaining--even glorifying--the division of father and son, it suggests no resolution of the matter. Must we assume that Oliver goes on forever despising his well intentioned but fumbling father? Surely not: even 20th Century heroes must have a rationale for their behavior. Does Oliver himself never attain maturity?

"Love Story" is a scatological landmark. This makes the filmmakers very happy. They are straining at the traces to exercise their newfound liberties, which have recently crept from the images over into the soundtrack.

This is all done in the name of realism, to which I say bosh. Frathouse language is a part of the scene, no denying it. But as an embellishment for an ostensibly tender story of young love, vulgarity and obscenity are awkwardly out of place.

I am not persuaded that lovers talk that way to each other even in the liberated, hang-loose Ivy League. Even oaf laborers and mop maids sense instinctively that love should transcend the gutter. They try, however clumsily, to lift it up. Radcliffe girls and Harvard law degree candidates would not stoop to such intellectual desecrations.

Youth thinks it has invented sex and discovered love. Youth, after all, lacks the truth shock that experience brings. Let youth revel in its innocence. Living will eventually bring maturity.

But until the metamorphosis is accomplished, let us not worship the ignorance of youth as a new dimension in truth and reality. It is a wonderful, a terrible, but always an incomplete stage of life.

A "Love Story" it is not, A "Sad Story," it is.

Receives

Broken Arm

Gary Green, son of Mr. and Mrs. Doyle Green of Farwell, received a broken arm Wednesday afternoon, Sept. 1, when he was practicing football.

He was taken to Clovis Memorial Hospital where x-rays revealed the arm was broken in two places. Green, who played on the Farwell B team, will be out for the rest of the season.

Score In Second Half --

Steers Lose Opener To Chieftains 26-8

By Will Anderson
The 1971 Steers of Farwell High School got this year's football season off to a slow start last Friday night with a 26-8 defeat at the hands of the Friona Chieftains.

The Steers managed 10 first downs during the course of the night as compared to the Chief's 11.

Farwell played a great defensive game, punting five times to Friona's two. Both teams suffered nine turnovers. Otherwise, it was a pretty lopsided affair with Friona scoring all their points in the first half; Farwell all theirs in the last half.

Farwell's Larry Erwin downed Friona's opening kickoff in the end zone bringing the ball into play on the 20. Friona then took over after a Steer fumble on the first play from scrimmage.

From there, the Chieftains drove through Farwell's defense to a fourth down and goal on the one yard line. Quarterback Johnny Bandy plunged over the goal to make the score 6-0. Bobby Drake kicked the extra point for Friona giving them a 7-0 lead.

The rest of the quarter was a series of exchanges, highlighted by the defensive expertise of Terry Craft, Mike Travis, Larry Erwin and Micky Lunsford, aided by the strategic fumble recoveries of Terry Craft and Ty Phillips. Starting early in the second quarter, Friona scored on their next three possessions; on a 23-yard pass to Larry Fallwell, a 63-yard pass to James Sims and a 46-yard scramble by Bill Bailey.

Conversion points were good on only one of these three touchdowns, so that the score at the halftime was 26-0.

The third quarter was a hard-nosed defensive struggle with neither team maintaining possession for more than eight

plays. The highpoint of this period of the game was again Farwell's defense, with fumble recoveries by Mike Travis, Terry Craft, Eddie Meeks and Kirk McFarland, and interceptions by Kirk McFarland and David Dannheim, and the great all-around defense of Duke Kirkland and Mack McFarland.

But, in the closing minutes of the game, Farwell was not to be denied a chance to prove themselves. Farwell drove from Friona's 43 to the six-yard-line in four plays on the running abilities of Kevin Hardage and Brett Hargrove, quarterback.

Hargrove plunged from the six for the touchdown and kept the ball again for the two-point

conversion to put Farwell on the scoreboard, with the final score of 26-8.

The game ended with Friona camped on the Steers' goal line striving for a final touchdown, but being held back by the stern Farwell defense.

Head Coach Toby Booth said he felt his team played sluggish football last Friday night. "We were just not up to our potential," he said.

"We made too many mental mistakes. Our blocking on offense was not good. Our mental mistakes cost us the ball game," he said. According to Booth, youth and errors beat the Steers.

Farwell Jr. High Seeks Out Amherst

Farwell Junior High football team will travel to Amherst for its second game of the season Thursday, Sept. 16.

Last week Farwell romped over Lazbuddie 32-6. Jack Foster scored four touchdowns for Farwell, while Javier Galvan scored one TD plus a two-point conversion.

Head Coach Larry McDorman also cited David Cantu, Joe Cantu and Jubel Blair for blocking punts and doing good jobs on defense.

McDorman expressed the opinion that "All of the players looked good in their first game."

Undergoes Treatment

Jack A. Kirkland, son of Mr. and Mrs. Jack Kirkland, was in Lubbock last Friday, Sept. 10, for treatment of a knee which he injured in sports last year.

Doctors reopened the knee which had been operated on in July for torn cartilage. Several more pieces of cartilage were removed.

Kirkland will be on crutches for approximately two more weeks, according to reports. He will be unable to play football this season due to the in-

Steers Seek Out Dimmitt Tonight

Farwell Steers will seek out the Dimmitt Bobcats Friday night (tonight) in a non-district tilt. The game will be played at 8 p.m. CDT in Dimmitt.

Head Coach Toby Booth said that Dimmitt is one of the better ball clubs on the Steer schedule this year. "They are a powerful club with big, strong athletes. They also have adequate speed in the backfield," he said.

A pep rally will be held at 3:15 p.m. Friday afternoon to rally the Steers on for the game Friday night. The public is invited to attend the pep rallies which will be held every Friday afternoon if possible, according to Phyllis Jones, Pep Club president.

FARWELL DEFENSE provided the crowd at the Steer's first outing last Friday night with a good show. Mack McFarland, No. 80; Terry Craft, No. 62; Kirk McFarland, No. 81; and Mike Travis, No. 60, are shown leading the team in a defensive attack on Friona. Despite the tremendous efforts of these boys and others on the team, the Chieftains came out on top of the score, 26-8.

Friona Catches Junior Varsity

Friona B team gave Farwell junior varsity a sound thrashing when the two met in the first game of the season last Thursday night. The score was 36-12.

Head Coach Larry LeFevre said his team will have time to get things together for the next game which is scheduled Sept. 24 with Muleshoe in Muleshoe. There is an open date this week.

The last game in September will be played Sept. 31 with Hart here.

Four games are scheduled in October with a game Oct. 7 in Happy, Oct. 14 with Bovina here, Oct. 21 with Springlake here, and Oct. 28 with Kress here.

Nov. 4 the junior varsity will play Sudan in Sudan and Nov. 11 they will go to Vega.

Final Score 13-12 --

Wolverines Lose Close One

By Dale Fought

The score read 13-12 as the last buzzer rang, and the Texico Wolverines had lost their second game of the season. The Wolverines lost to Whiteface, Tex., in a non-district clash. Texico just couldn't convert the extra points, while Whiteface managed to kick one point after touchdown through the uprights.

The Wolverines kicked off to the Whiteface Antelopes to start the game. Ricky Ketcherside brought the Antelopes' Bobby Myers down on the 30-yard line. Whiteface moved the ball very good until they got into Wolverine territory and then the Wolverine defense tightened up and held them from the needed first down.

Texico found it easier to move against the Antelopes in the air the first quarter as only short yardage was picked up on the ground. Randy Harrison completed a pass to end Curtis Lindley for around 20 yards for the Wolverines, but couldn't keep going with his attack.

The first quarter ended with no score for either side. The Wolverines seemed to be more successful in the air, while Whiteface moved the ball better on the ground.

In the second quarter, both teams scored; Whiteface on the ground and Texico on a pass interception. The Antelopes' touchdown came on a five-yard run by senior back Bobby Mosley. The PAT kick was good putting the Antelopes ahead 7-0.

Texico then received the kick and senior back Albert Steward carried the ball up the middle for 15 yards. Steward carried the ball several times for good gains, but penalties and Whiteface's hard playing defense kept them from scoring.

Again Whiteface got the ball and started up the field. On third down, a good passing situation came up so the Antelopes went to the air. Texico defensive back Curtis Lindley snatched the ball before it reached the intended receiver, reversed his field and dashed down the sidelines with good blocking on the part of the Wolverine offense to cross the goal line for Texico's first score. The PAT failed leaving the score at 7-6 when half-time came.

To start the second half off right, Albert Steward took the opening kick back 75 yards on a fine run across the goal line to make the score 12-7. The extra point conversion failed for the second time but still left Texico leading. Whiteface took the kick and moved the ball down the field very well on the running of Mosley who was the Antelopes' leading ground gainer.

When the Antelopes worked their way down to the Wolverine 20, they seemed to stop

motion completely. Alan Haile stood out on their series by making some good tackles and on third down recovering a fumble to give Texico the ball again. For the remainder of the quarter both teams failed to go anywhere and the score still stood at 12-7 at the end of the third quarter.

In the final quarter, Whiteface dominated the game by holding to their running game. The Antelopes worked their way down to a first and goal and then ran the ball in for the final score of the game. The ball switched back and forth several times and finally Texico came up with the ball deep in their own territory with 37 seconds left to play. Wolverine quarterback Randy Harrison went to the air in hope of a final score. Time ran short

Wolverines Will Travel To Vaughn

Texico Wolverines will sniff out a trail to Vaughn, N.M., this Friday night for their first district game.

Head coach Jim Wynne said he had received reports of the Vaughn team's lack of size and experience. "Vaughn lost to Fort Sumner last week, 56-8, and I feel like they are a weak team," Wynne commented, "but it could be anybody's game."

He hastened to add that the Wolverines need to win this game. "I think we're in pretty good shape for this week's game, if we don't have any other injuries," he added.

School Lunch Schedule

AT TEXICO

MONDAY: Hamburger on bun, lettuce, pickles, onions, tomato slice, potato chips, cobbler, milk.

TUESDAY: Enchiladas, buttered corn, shredded lettuce, loaf bread, fruit salad, milk.

WEDNESDAY: Vegetable and beef stew, toasted cheese sandwiches, fruit gelatin, banana cake, milk.

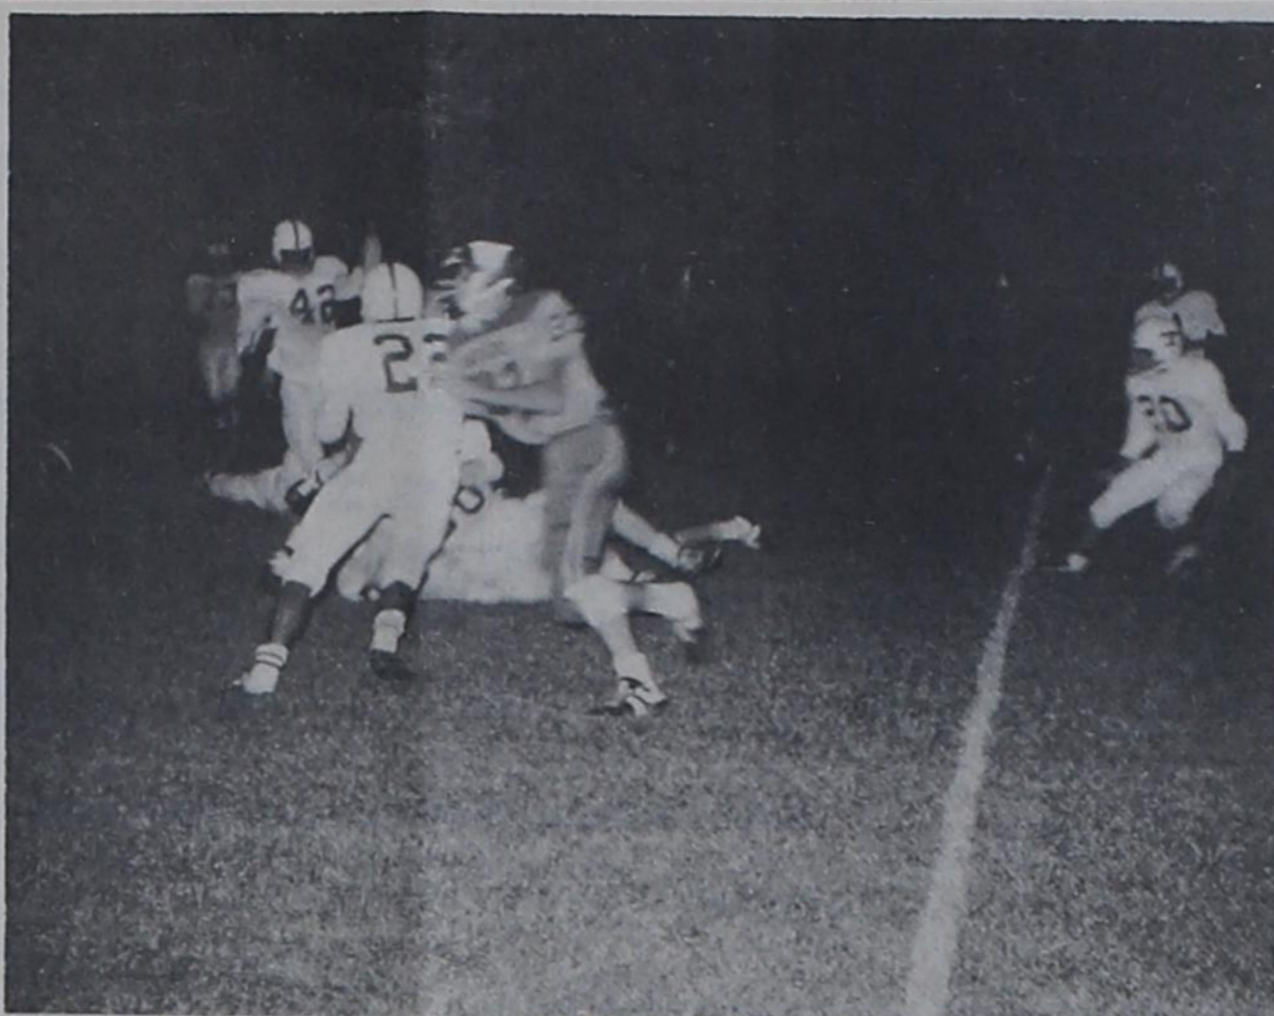

THURSDAY: Fried chicken, creamed potatoes, tossed salad, hot rolls, butter, peanut butter, Karo, milk.

FRIDAY: Meat balls on rice, green beans, celery stick, hot rolls, apple butter, chocolate milk.

before the Texico team could make it though, and the final score put Whiteface in the lead by a slim 13-12 margin.

Randy Harrison played an excellent game as quarterback, moving his team well most of the time. He completed three passes for 52 yards and rushed for an additional 15 yards. Tailback Albert Steward carried the pigskin for an amazing 147 yards and scored one touchdown on a 75-yard touchdown run. Fullback Ricky Ketcherside rushed for 35 yards. Texico's total yardage was 249 yards; 197 on the ground and 52 in the air.

The Wolverines play their next game this Friday night. They travel to Vaughn, N.M., and play the Vaughn team in a district game.

DEFENSIVE BACK Curtis Lindley, No. 22, shows his stamina and determination in carrying the ball for the Wolverines last Friday night. Lindley intercepted an Antelope pass and scooted 55 yards to make the first Wolverine touchdown of the night. Albert Steward, fullback, 42, and Domingo Rojas, 20, provide blocking for Lindley as he struggles past an Antelope tackle. The Whiteface Antelopes slipped past the Wolverines 13-12 in a non-district clash.

Texico Jr. High Meets Melrose

Texico Junior High football squad will face Melrose Saturday morning at 10 a.m. in Texico.

The team lost to Fort Sumner last week with a final score of 8-6. Coach Jim Wynne said his team looked good and he was proud of their effort.

Wynne said in past games, Fort Sumner had been winning with 30 to 40 points in the team's favor. Although both

teams fumbled quite a bit, Wynne said his boys recovered more than the Fort Sumner team.

Texico Girls --

Teams Win Over Grady

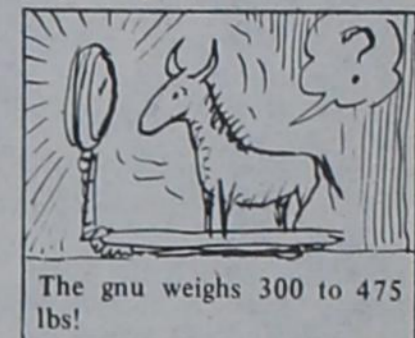

Both Texico Junior High and Senior High girls teams were winners over two teams from Grady last Thursday afternoon at Texico-Farwell Lions Club ballpark.

Texico Junior High girls team beat Grady Junior High 25-5. Texico Senior girls were victors over the Grady Senior girls 16-8.

The week before, the Texico girls teams beat House 7-1 in a junior high game and 26-13 in the senior high game. Othena Smith made a home run against House. The first three

batters for Texico hit against the fence, according to Charles Stockton, coach.

Both Texico teams will travel to Melrose Thursday to play at 4 p.m. C.D.T.

Beat Hart --

Longhorns Make Lone Touchdown

Lazbuddie Longhorns topped Hart last Friday night when Arthur Graves, halfback, took the ball over the goal line from 24 yards out to give the Longhorns a 6-0 lead over their opponent. Lazbuddie failed to make the

point after touchdown which kept the score at 6-0. The score occurred in the first quarter. Head Coach Buddy Brock expressed pleasure with his team's performance, especially with the defense. "Overall, I am pleased with the effort and ability of the team," he said.

Brock listed Ricky Seaton, Jimmy Noland and Thomas Kervin as outstanding players on offense. Defensively, Jimmy Noland and Loy Dale Clark were the outstanding players, he added.

"Mike Winders will be out for several weeks with a broken foot and we will need a replacement, but as far as injuries go we are in pretty good shape," Brock commented.

The Longhorns will travel to Shallowater this week to see if they can add another feather to their cap. The game will be at 8 p.m. in Shallowater Friday night, Sept. 17.

HIGHWAY WEEK--As a part of Highway Week in Texas, designated for Sept. 19 through 25 by Governor Preston Smith, open house will be held at the Parmer County office of the Texas Highway Department here according to Weldon Moody, maintenance foreman. Theme of this year's observance will be "Roads and Streets - The Backbone of Total Transportation." Shown putting up the sign in front of the Bovina office are, left to right, Doyle Wasson and Manuel Lopez.

Make the most of your food dollars this week by following these marketing tips from

Gwendolyn Clyatte, Extension consumer marketing specialist.

September "Better Breakfast Month" reminds us of some good selections for meat to start the day, she says. Try corned beef hash, ham slices, ground beef patties or luncheon meats for new breakfast treats.

According to the Office of Emergency Preparedness, the current wage-price freeze applies to meat items, Mrs. Clyatte reports. Therefore, she continues, the upward price trend has been stabilized for a while.

Overall prices at the meat counter are about the same, but some stores are advertising specials on beef roasts, especially chuck cuts, but steaks may cost more. Look for other beef values on round steaks, ground beef and liver.

Pork shoulders, some chops, fresh picnics and bacon are reasonably priced items. Other values include hams, Boston butt roasts and end cut loin roasts.

Fryer chickens are a good buy in many markets, the specialist says. Egg prices are a bit lower, so now is the time to include eggs in family meals.

At the dairy counter, look for good buys on cottage cheese, American cheese and yogurt. New crop red and golden apples, reported in large supply this year, have just arrived at most markets. Pears, plums

Players Of The Week

Head Coach Buddy Brock named Jimmy Noland, senior, right guard, on defense and Arthur Graves, junior, left halfback, on offense as Longhorns of the Week.

Head Hunter Award went to Noland, Loy Dale Clark, senior, left end; and Mark Barnes, junior, fullback, for their outstanding defensive play.

Offensively, Graves, was cited and given the Longhorn Award. Big Lick of the Week, given to the player who gets in the biggest lick to the opposing team, was presented to Arthur Graves.

and grapes are also in good supply. Additional economical selections include bananas, purple prunes, cantaloupes, watermelons and nectarines.

Mrs. Clyatte suggests you enjoy locally grown fresh vegetables while they last --- okra, peppers, eggplant, squash, field peas, and lima beans. Dry onions, celery, cabbage, carrots and potatoes are in good supply.

Portraying Area Homemakers

by Janie Crane

Our Area Homemaker this week, Mrs. Bill (Glenda) Thigpen, is quite a seamstress. Mrs. Thigpen manages to make most of the clothes that her daughter, Sonja, 7, wears to school and church and the clothes that her other daughter, Schree, five months old, needs. If that doesn't seem like a full-time job, then here is another of her accomplishments. Besides clothing both of her girls, she also makes most of her own clothes. She has been sewing since her high school years.

Glenda enjoys raising pot plants and arranging flowers. She has several plants in various parts of the house now. They include ivy, begonias, copper plants and others. Several of the plants were given to her by her mother, Mrs. H. H. Billingsley of Texico. Glenda has lived in the Texico-Farwell area for 27 years. She has been married almost ten years to Bill Thigpen. Both Glenda and Bill graduated from Texico High School.

The Thigpens attend First Baptist Church in Texico where Glenda was a Sunday School teacher before Schree was born.

Sonja, her oldest daughter, is in the third grade at Texico Elementary School this fall. DAUGHTER HERE Mr. and Mrs. Jon Schroeder, Jerry and Kimberly, of Houston visited recently in the home of Mrs. Schroeder's parents, Mr. and Mrs. J. T. Lockhart in Texico. Schroeder's parents, Mr. and Mrs. William Schroeder of Plainview, were guests in the Lockhart home for Sunday dinner.

Sonja enjoys reading, swimming and playing dolls. "I really couldn't get along without her," says Glenda. "She helps me with the housework and babysits with her little sister," she adds.

Glenda's husband, Bill, is the newly-appointed manager of Worley Grain Co. of Farwell. He enjoys collecting Avon collector's item bottles and antiques. He has all the glass car bottles manufactured by Avon and an old antique telephone and old clock.

Glenda says she enjoys cooking for her family very much and she finds many recipe ideas in the Area Homemaker column. She gave us three of her family's favorite recipes.

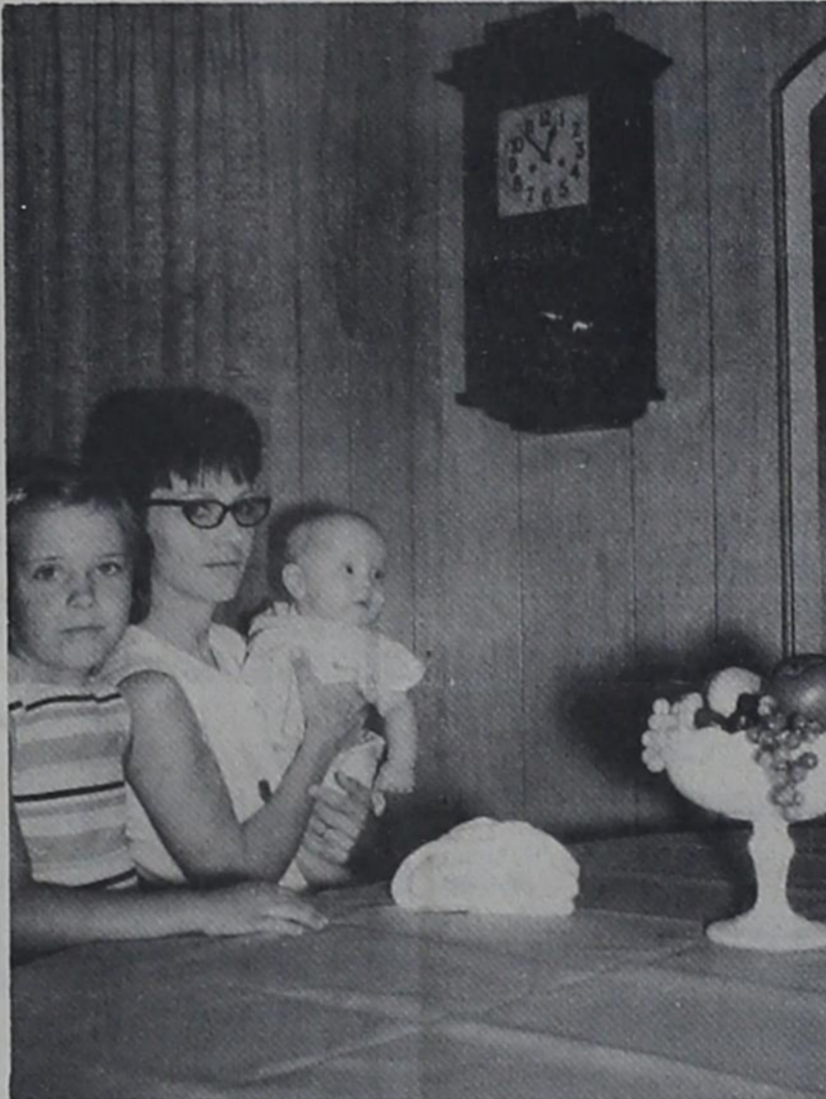

TUNA-NOODLE CASSEROLE
1 can white tuna, flaked
2 cans cream mushroom soup
6 chopped ripe olives
1/2 of an 8 oz. package of noodles, cooked

Mix ingredients in greased casserole and top with four handfuls of crushed potato chips. Place in a 325 degree oven and bake 30-45 minutes or until bubbly. Serve with cottage cheese and pineapple salad for a complete meal.

PECAN PIE
3 eggs
1 1/4 cups Mrs. Butterworth's Syrup
2/3 cup sugar
1 cup coarsely chopped pecans
Heat oven to 375 degrees. Beat all ingredients except pecans with rotary beater. Mix in pecans and pour into pastry-lined pie pan. Bake 40-50 minutes or until set and pastry is nicely browned.

PEPPY STUFFED PEPPERS
4 green peppers
2 cups cooked rice (2/3 cup uncooked)
1 lb. ground beef
1/4 cup chopped onion
1/8 teaspoon pepper
2 cans tomato sauce

Cut green peppers in half -- lengthwise. Remove seeds and wash. Combine beef, rice, onions, salt, pepper and 1/2 cup tomato sauce. Pile lightly in pepper halves and place in large baking dish. Pour sauce on top of each pepper. Cover tightly and bake in moderate oven 350 degrees for 1 1/2 hours, or until peppers are tender, basting occasionally.

WATCHING THE CLOCK and waiting for daddy to come home for dinner are Mrs. Bill (Glenda) Thigpen and daughters, Sonja, 7, and Schree, five months old. Mrs. Thigpen is a typical homemaker who enjoys cooking and sewing for her family. She makes almost all the clothes worn by Sonja, Schree, and herself. Glenda started sewing when she was in high school. She also enjoys raising potted plants.

S. S. Class Has Regular Meeting

Ruth Sunday School Class of Farwell Baptist Church met in regular session Thursday night, Sept. 9, in the home of Mrs. Ethel Harding.

The meeting was in charge of Mrs. Lillian Guess, class president. Mrs. Mary Brannon opened the meeting with a prayer.

After a business session,

Mrs. True Bell gave a devotional titled "Try Giving Yourself Away."

Refreshments of coffee, punch, cookies and candy were served to the following members: Mmes. Lillian Guess, Alma Boss, True Bell, Alvenia Cox, Mabel Reynolds, Maude Wilson, Ida Whitener, Lillie Hendricks and Ollie Carpenter.

One guest, Mrs. Mary Brannon, was present.

First Girl Born In McCleskey Families

Sgt. and Mrs. Jerry McCleskey are the parents of a new daughter born Wednesday, Sept. 8, at the Air Force hospital in Anchorage, Alaska. She has been named Millie Lariece and is the first child for the couple. She weighed six lbs., 13 ounces.

The new arrival is also the first girl in the family of her paternal grandmother, Mrs. Loyce McCleskey of Farwell. The local woman says she has three brothers, four sons, and two grandsons, but her new granddaughter is the first girl in the family since she was born.

WML Meets, Hears Speaker

The Women's Missionary League of St. John's Lutheran Church at Lariat met Thursday, Sept. 2, at the Parish Hall.

Mrs. Hyman Shelter of Hereford, convention delegate to the International Convention in Louisville, Ky., spoke to the group.

Plans were made for LWML Sunday which has been set for Oct. 3. Family night has been set for Sept. 19. Those attending will play miniature golf in Clovis from 3:30 p.m. until 5:30 p.m. At 6 p.m., the group will meet at the Farwell City Park for a wiener roast.

An evangelism meeting of WML will be held Sept. 24 at the Parish Hall. Everyone is asked to bring old greeting cards, pencils and used Sunday School materials to send to a missionary in Indonesia.

Mrs. Walter Kaltwasser and Mrs. Gilbert Kaltwasser served refreshments to Mmes. Hubert Gohlke, Herbert Peiman, Wilbert Kalbas, Otto Lingnau, Adolph Haseloff, Richard Haseloff, Delbert Lingnau, Clarence Kube and Ed Ramm.

Bodies of poet William Blake and his wife lie in pauper's grave in Buyhills fields, Finsbury.

Maternal grandparents are Mr. and Mrs. Clarence Morris of Florida.

S. S. Class Has Social

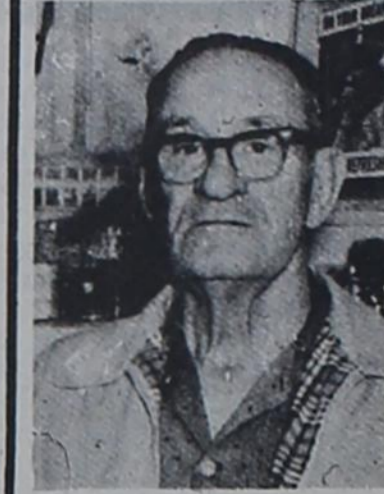

Members of the Friendship Sunday School Class of the First Baptist Church of Farwell and their husbands were guests at an ice cream and cake social held in the home of Mr. and Mrs. Clyde Magness Monday night, Sept. 6.

Those present were Mmes. Sallie Chandler, Hattie Coffey, Elsie Tarr, Marie Cox, Leatha Jo Roberts, Loyce McCleskey and son Allen, and Eleanor Kube.

The group enjoyed visiting, singing hymns and playing "42."

Cases of the growth in late life of a third set of teeth have been recorded several times.

Headed For District -- Cheryl Gohke Wins Bake Show

Cheryl Gohlke, daughter of Mr. and Mrs. Hubert Gohlke of Oklahoma Lane, was named winner of the County 4-H Bake Show held Saturday, Sept. 11, in the Community Room of First State Bank in Bovina.

Four girls participated in the show, according to Jana Pronger, Farmer County home demonstration agent. They were judged on two baked products, pound cake and yeast rolls, and on their 4-H Foods records. Miss Nina Matthews of Briscoe and Miss Pat Palmer, HD agent from Wheeler County, were judges.

Miss Gohlke was recognized for having the best records and the top overall score, Arlene

Magness of Bovina was recognized for having the best yeast rolls. She was also named alternate.

Cheryl Whitecotton of Bovina was recognized for having the best pound cake. Also participating in the show was Alicia Spring of Bovina.

As winner of the county show, Miss Gohlke will represent her county in the District Bake Show in Amarillo which will be held Sept. 18. Her baked goods will also be on display during the Tri-State Fair.

She is an eighth grader at Farwell Junior High School and is a member of Oklahoma Lane 4-H Club.

NEW FHA MEMBERS at Farwell High School were initiated Monday night, Sept. 13, in a ceremony held at the Home Ec Cottage. On The Farm In Farmer County

By R. MACK HEALD
County Agent

During the past several days fall armyworms have been reported on lawns and certain crops in the Panhandle area. Infestations are generally light and spotted but producers and homeowners should pay careful attention in case damaging infestations develop.

Fall armyworms feed on small grains, native and lawn grasses and other types of lush growth. Small grains planted for fall and winter grazing are especially susceptible to damage by this pest which is mainly a night feeder.

The larval or "worm stage" may last for 10-25 days during which time they may reach 1-1/2 inches in length. When they are full grown the worms burrow into the soil where pupation occurs. The larvae or worms may vary in color from pale green to almost black. The worms have two characteristic markings. Three parallel yellow lines extend along the back. A prominent white inverted "Y" also appears on the front of the worm's head. Large numbers of all armyworms can destroy entire fields or lawns and then often invade adjoining areas. Buildups are generally heaviest after cool, wet weather. However, when most plants are limited by dry weather, fall armyworms may be found in large numbers in grain sorghum or small grain fields. Areas that have been irrigated or that are in lush green growing condition are especially vulnerable to infestation.

Armyworms receive their common name by their habit of

moving in large numbers in search of more favorable feeding conditions. These larvae can often be seen crawling across turnrows and irrigation ditches.

Producers and homeowners are urged to pay close attention to their small grains, grasses and lawns and carefully examine any signs of possible feeding activity of this pest. Insecticidal control of fall armyworms is accomplished most effectively when larvae are small.

Report From The Sheriff's Office

Sheriff Charlie Lovelace is investigating three reported robberies which occurred during the past week.

Wednesday night, Sept. 8, Harold Carpenter reported approximately \$700-\$1000 in merchandise was stolen from his home. Missing were a stereo, shotgun, carpet sweeper, typewriter, table, mirror, two women's purses and several other objects.

The sheriff's department is also investigating a reported theft which occurred at a Bovina dry goods store over the weekend. An undetermined amount of merchandise was taken, according to owner, Ed Isaacs.

A lake pump and motor were reported missing Sunday from the Triplett Ranch, north and west of Bovina. Officers are investigating the report.

Fire Calls

No fire calls were reported during the past week at Farwell Fire Station.

Texico Fire Department reported an emergency call at Texico Feedlot about 9 a.m. Tuesday morning, Sept. 14. An emergency vehicle was summoned to take J. D. Ferris to Clovis Memorial Hospital after he was hurt in an industrial accident.

Marriage Licenses Issued

Marriage licenses issued by the office of the Farmer County clerk this past week went to Clyde F. Geddie and Karen Kay Owen on Sept. 8; and Carson Weaver Long and Bobbie Renee Eminger on Sept. 9.

Legal Notices

--LEGAL NOTICE--

All brands and marks on Texas livestock must be re-recorded with County Clerks after August 30, 1971. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis.

The law further states that all such brands and marks must be re-recorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations indicate.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording of that brand.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and re-recording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or re-recorded as provided by the new law.

The County Clerk of each county shall have this act published in some newspaper of general circulation in the county for a period of 30 days. The act shall be published on the effective date, August 30, 1971, and thereafter for 30 days.

It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location on the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated. Failure to do so is punishable by a fineable offense of not less than \$10 or more than \$50 (Article 1486 P.C.).

The law applies to all counties in the state of Texas and shall take precedence over any special statutes heretofore applying to individual counties pertaining to recording and re-recording of brands.

Witness my hand this 28th day of August, 1971.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60635

WHY GOD PERMITS HIS CHILDREN TO SUFFER

Contrary to common belief, the Bible does not teach that all men are the children of God. Our Lord said to the religious leaders of His day: "Ye are of your father the devil" (John 8:44), but to the believers in Christ at Galatia, St. Paul wrote: "Ye are all the children of God by faith in Jesus Christ" (Gal. 3:26).

As the children of Adam, it is not strange that we should have to bear suffering, for sorrow, sickness and death entered the world with sin (Rom. 5:12). But some people wonder why God's children, whose greatest desire is to please Him, should have to suffer along with others.

There are several reasons for this. In the case of Job, God allowed His servant to suffer to prove to Satan that Job did not live a godly life for personal gain -- and Job was richly rewarded later for all he had borne.

Further, God's people could not be of much spiritual help to others if they were exempt from the sufferings which others have to bear. In such a case the unsaved would say: "Yes, you can talk! You don't know what it is to suffer disappointments, sickness and pain, as we do."

Then too, it must be remembered that even the most Godly saint is not perfect and must at times be disciplined, "for whom the Lord loveth He chasteneth, and scourgeth every son whom He receiveth" (Heb. 12:6). This is done for our good, to keep us from sin and its results.

Finally, suffering and adversity tend to make God's children pray more and lean harder on Him, and herein lies their spiritual strength and blessing. St. Paul said: "I find pleasure in infirmities... for when I am weak, then am I strong" (II Cor. 12:10).

But there is a great two-fold advantage which the suffering Christian has over others. First, his sufferings are only temporary, and second, they earn eternal glory for him.

"For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory" (II Cor. 4:17).

TRIVIA

from across the desk
of Joann Getz

Comedian-singer Glenn Ash and The Celebration, a singing-dancing group composed of six unique and individual talents, will share the spotlight with Tennessee Ernie Ford on the first three days of the 54th annual Panhandle South Plains Fair, set at Lubbock Sept. 27-Oct. 2.

Ford and company will appear Monday through Wednesday. An all-star Mexican variety show featuring singer Lucha Villa and recording star Jose Alfredo Jimenez plus the Guadalajaras, a mariachi group, will be here for a one-night stand on Thursday.

Merle Haggard, Bonnie Owens and The Strangers will wrap up the weeklong show Friday and Saturday.

Show times for all three "specials" are 5:30 p.m. and 8:30 p.m. daily. Tickets are priced at \$2.50, \$3.50 and \$4.50. All seats reserved. Tickets purchased prior to Sept. 27 will be accompanied by free gate admission passes.

INITIAL SUCCESS: The letter-perfect way to add a personal touch to your parties is to cool down your guests' drinks with big ice "cubes" in the shape of your own initial. This is now possible with the help of a special ice tray.

The tray is made of polyethylene plastic so the "cubes" can slip out easily, without breaking. Each tray holds ten individual monogrammed "cubes", and is designed to stack neatly over the tray below, so that little freezing space is wasted.

Look for these monogrammed ice trays at your local stores. These trays are also excellent for personalizing fudge, butter patties, or even flavored ices for fancy desserts.

FASHIONIQUE: The 1971 fall/winter fashion picture should please everyone for it is most accurately described as . . . "anything goes," says a leading fashion co-ordinator.

The classic look is important, with dresses fashionably emphasized. Belted shirt-dresses and wrap-arounds with softly flared skirts are in prime focus. Jacket-dresses, clinging silhouettes and long cardigan-sweater styles are capturing fashion headlines, as is the blazer -- worn over skirts, dresses and pants.

The classic look brings the charm of the '40s into a '71 perspective, featuring the return of wide, padded shoulders, large lapels, extended yokes, peplums, ruffles and gathered sleeves with wide cuffs.

Pants -- featuring full flare legs -- continue to be strong for the season, with clam-diggers, knee-lengths and knickers dominating.

Coats -- are fuller; wrap-arounds, chubby-coats and leathers (including suede) in seasonal brights, will keep mid-lady warm through winter.

Sweaters -- are shorter, with squared-off sweetheart necklines, and long puffy dolman sleeves, styled in jacquard and argyle patterns.

Seasonal fabrics for dresses, suits and pants include knits, leathers, jerseys, quiltings and shiny silks. Fall/winter color shades are black -- alone or teamed with bright burgundies -- eggplant, bottle green and the deep oranges.

Styles go to all lengths, with the majority of fashions featured at or just below the knee.

NUTRITION NOTE: American teen-agers love snacks -- in fact studies reveal that 90% of the about 12 million teenage girls say they eat snacks at least once a day; half say they eat snacks two or more times a day. Their favorites are cookies, fruit, potato chips, soft drinks, ice cream, and candy.

Unfortunately, some of these snacks don't provide much nutritional value. They are commonly called "empty calorie foods." A person would have to walk a mile to use up the calories taken in drinking one cola beverage.

Maybe that proves we should encourage our teens to snack on nutritional foods such as fruit which is a good source of necessary vitamins and minerals as well as calories.

Completes Training

Private Larry D. Vaughn, son of Mr. and Mrs. Theron D. Vaughn of Route 1, Muleshoe, recently completed nine weeks of advanced individual infantry training at Ft. Polk, La.

During the course, he received guerrilla training and lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on enemy villages. He was taught methods of removing booby traps, setting ambushes and avoiding enemy ambushes.

Other specialized training included small unit tactics, map reading, land mine warfare, communications, and firing the M-16 rifle, M-60 machine gun and the 3.5-inch rocket launcher.

His wife, Lynda, lives on Route 2, Sudan.

Completes

Basic Training

Private Jackie Gilliam, son of Mr. and Mrs. Gilbert Gilliam of Oklahoma Lane, is home on leave after completing basic training at Fort Polk, La.

Gilliam, a 1971 graduate of Farwell High School, will return Sept. 24 to Fort Mammoth, N.J., to begin advanced individual training (AIT) with the United States Army.

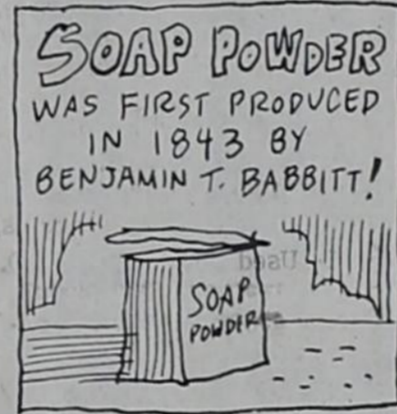

M. S. Drive Nets \$110.53

A recent canvass of Farwell netted \$110.53 to be sent to the Muscular Dystrophy Association.

Six girls, ages 11 and 12, took it upon themselves to go door to door for donations. They were Kathy Booth, daughter of Mr. and Mrs. Toby Booth; Deana Williams, daughter of Mr. and Mrs. Don Williams; Connie and Cindy Haseloff, daughters of Mrs. Joyce Haseloff; Peggy White, daughter of Mr. and Mrs. Joel White; and Jamey Berry, daughter of Mr. and Mrs. Jim Berry.

The girls wish to thank everyone who contributed to their cause.

Any further contributions may be mailed to: Muscular Dystrophy Association, Panhandle Chapter, P.O. Box 7100, Amarillo, Tex. 79109.

Town Council Meets In Regular Session

Texico Town Council met Tuesday night, Sept. 14, in a regularly scheduled session.

The council approved a request by Mary Gear to park a trailer at 212 Jewel Street. The group also approved the police report for the month of August which was \$259.

Discussion was also held on the proposed face-lifting for Texico City Hall. A sketch, done by Nance Construction Co. depicting the changes, was studied. No action was taken due to the absence of City Attorney Harry Patton of Clovis.

ROBERT ARMSTRONG

The husband moaned as he looked over the bill covering his latest auto mishap. "Wasn't \$25 quite a bit to tow the car to the garage?" he asked.

"Yes, I thought so too," answered his wife, thoughtfully. "But don't worry, I got our money's worth. I had my brakes on as they towed me in."

Hudnall Presents Paper

Wayne Hudnall, son of Rev. and Mrs. Harvey Hudnall of Texico, presented a paper prepared for his master's degree at Texas Tech University at the annual meeting of the American Society of Agronomy, Crop Science Society of America, and Soil Science Society of America in New York City held August 15-20.

Hudnall wrote the paper from research done for his master's degree. Co-author was Dr. B. L. Allen, his major professor.

The paper was entitled "Relations Between Soil Properties and Mesquite (Prosopis glandulosa Torr) Distributions in West Texas."

Hudnall was accompanied on the trip by Dr. Allen and Dr. E. A. Coleman, professors of agronomy at Tech, and Robert Gallman of Lazbuddie.

Gallman, president of the Agronomy Club at Tech and a student representative, is the son of Mrs. Loraine Gallman of Lazbuddie.

Hudnall is married to the former Callalya Roberts, daughter of Mr. and Mrs. Grayson Roberts of Texico.

Enroll At LCC

Douglas Harriman, son of Mr. and Mrs. O. C. Harriman; James and Camille Hobbs, son and daughter of Mrs. Beulah K. Hobbs; Kirt Martin, son of Mr. and Mrs. Preston Martin; and Robert Rhodes, son of O. L. Rhodes, have all enrolled for the fall semester at LCC.

Douglas is a sophomore majoring in Bible, James is a freshman majoring in Liberal Arts, Camille is a junior majoring in Elementary Education, Kirt is a freshman majoring in Agricultural Business, and Robert is a junior majoring in Human Relations. Lubbock Christian College is a small, private, senior college offering BA and BS degrees in 16 majors.

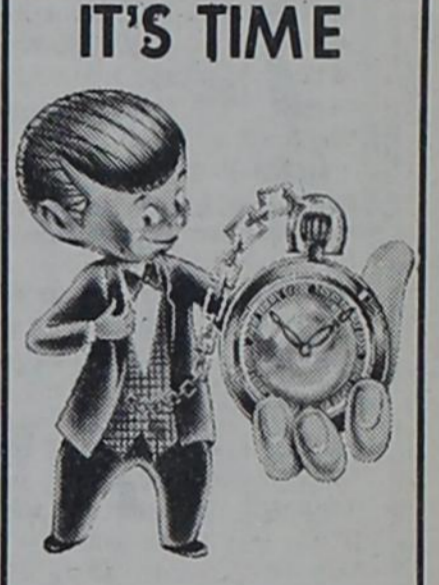

4-H Council Elects Officers

Parmer County 4-H Council met Wednesday, Sept. 8, in Bovina.

Officers for 1971-72 were elected. They are Carrie Haseloff of Farwell, chairman; Phillip Schueler of Friona, vice-chairman; Holly Hart of Friona, secretary; Deborah Harding of Farwell, treasurer; Kevin Kaltwasser of Farwell, reporter; and Reta Davis of Lazbuddie, District council delegate.

The group finalized plans for the Parmer County Achievement Banquet which has been set Oct. 2 at 7:30 p.m. in Bovina. They also discussed plans for National 4-H Week Oct. 3-9.

Rice is more extensively grown and more widely used than any other foodstuff.
