Coronation At 9 P.M. --

Texico School Carnival Scheduled For Friday

Only one more week to go before we mark the halfway point in the Farwell Merchants Football Contest.

Obviously from the standings announced above, Vernon and Albert are not the best game seers in their households.

A more detailed analysis of the men versus the women in football game guessing will be presented next week.

The local coffee shops are hardly a place to get reliable statistics, particularly on grain yields.

This caused the more alert pencil pushers to offer to buy the combine, hire the custom crew or inquire about membership in his church.

Setting obligations far in advance can oftentimes have a disastrous effect on one's druthers.

On Friday evening, October 15, the Farwell Steers will travel to Bovina to engage the Mustangs thereof in the honorable game of football.

From the performances of the respective teams this year, it ought to be a hard fought match.

This also means that we will not be there to take action pictures of the game so if anyone can take pictures for the Tribune during the game, we would be eternally grateful plus willing to put up a little cash subsidy in the process.

Also we will not be taking contest entries at the game and all entries that week must be turned in at the Tribune office.

Texico's annual school carnival will get underway at 7:30 p.m. in the old gym Friday night, Oct. 15.

Booths which will be open during the carnival this year are football throw, dunking board, cakewalk, marriage booth, jail, ring toss, plank walk, name booth, fish pond, country store, bean bag throw, pool shoot and darts.

Texico junior and senior high bands will have a concession stand in the band hall where coffee, cake and cookies will be available.

Money which is derived from this event will be distributed between the junior and senior high bands for their concession stand and "42" room, elementary school for its country store and fish pond and Texico High School Student Council.

A Carnival King and Queen contest will highlight the evening with the coronation to begin at 9 p.m. Candidates from grades seven through 12 have been nominated.

The royalty will be chosen by penny votes. Candidates receiving the most money votes will be crowned King and Queen of the Carnival.

Seventh grade candidates for King and Queen are Richard Hadley, son of Mr. and Mrs. John Hadley, and Debbie Stephens, daughter of Mr. and Mrs. Bill Stephens.

Spencer Turner, son of Mr. and Mrs. David Turner, and Gia Crooks, daughter of Mr. and Mrs. Arley Crooks, are the eighth grade candidates.

Freshman candidates are Charlotte Smith, daughter of Mr. and Mrs. Dean Smith, and Sammy West, son of Eddie West.

Linda Ann Autrey, daughter of Mr. and Mrs. Milton Autrey, and Dusty Leatherwood, son of Mr. and Mrs. David Turner, and Gia Crooks, daughter of Mr. and Mrs. Arley Crooks, are the eighth grade candidates.

Local Woman's Mother Dies

Services for Mrs. Hattie Nabors, 75, of Abernathy were to be held at 10 a.m. Thursday in the Abernathy United Methodist Church with Rev. Conrad Ryan, pastor, officiating.

Mrs. Nabors, mother of Mrs. John Lovelace of Farwell, died about 2:30 p.m. in a resthome in Lubbock.

Mrs. Nabors was a native of Alabama and moved to Abernathy from Snyder in 1944.

Other survivors are two sons, John of Abernathy and Jack of Carlsbad; a sister, Mrs. Verma Anderson of San Antonio; a brother, Tim of San Marcos; and five grandchildren.

Mr. and Mrs. Don Leatherwood, are the sophomore candidates. Junior candidates are Kim Pearce, daughter of Mr. and

Mrs. Bud Pearce, and Fulgencio Ortiz, son of Mr. and Mrs. Orlando Ortiz. Senior candidates are Con-

nie Autrey, daughter of Mr. and Mrs. Milton Autrey, and Ricky Ketcherside, son of Mrs. Esther Ketcherside.

CARNIVAL CANDIDATES for Texico School Carnival King and Queen are pictured with each King candidate standing behind each Queen candidate from their respective grades.

ASCS Reminds Cotton Producers --

Payment Yields Can Be Protected

This message is for all cotton producers; and, especially the farm operators. The farm operator is the person who can do the most to maintain a farm's cotton program yield.

As the yield for each farm is established on the basis of actual production of cotton from the farm, it behoves the farm operator to make certain that the yield records for the farm are correct.

When you carry your cotton to your gin, make certain that the ginmer knows which farm it came from.

Dr. Martin W. Fleck of Albuquerque, District Governor of District 552 Rotary Clubs, was special guest of Texico-Farwell Rotary Club last Wednesday, Oct. 6.

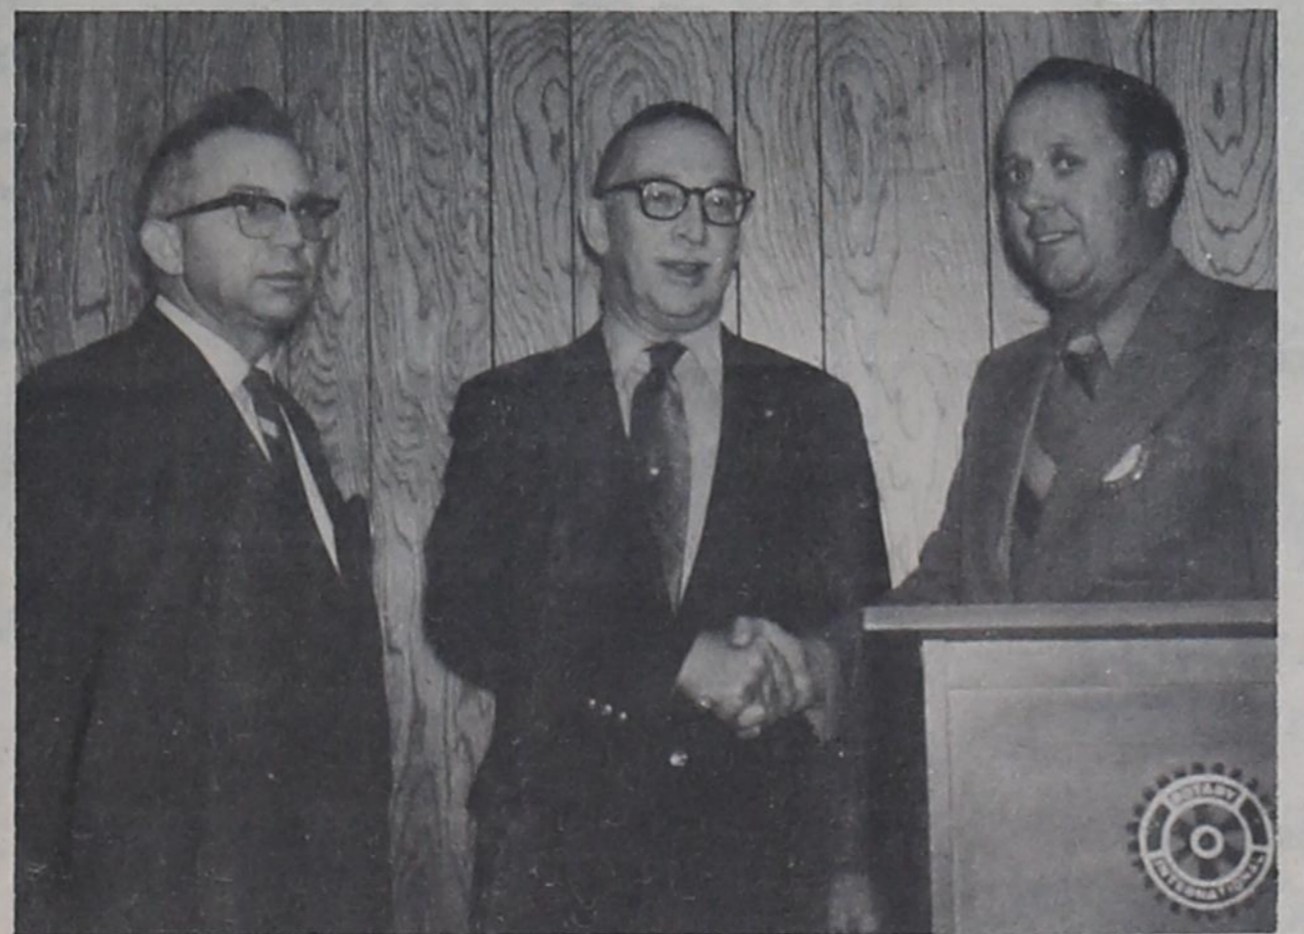

Fleck also met with club officers Tuesday night, Oct. 5, to discuss plans for service activities and offering suggestions on administrative matters.

der for us to record the necessary information. We will keep these documents in the farm file.

2. If the cotton yield for your farm is below average due to adverse weather (wind, hail, rain, etc.) or other circumstances beyond your control, you (the farm operator) should report this to the ASCS Office and also report to us just what you did in attempting to produce a normal crop of cotton on the farm.

**Summarizes Year --**

**National 4-H Week Climaxes Activities**

Last week, October 3-9, was designated National 4-H Week, with the theme of "4-H Bridges the Gap." Almost 75,000 Texas young people from 9-19 years of age are 4-H members. Chances are you know someone who is a 4-H member in Parmer County. This youngster may even be your child or grandchild. If this is the case, then you know about some of the educational activities these youngsters are involved in. However, if you are not connected with 4-H, you may be interested to know what these youngsters have done in the past year.

A total of 175 members were enrolled in Parmer County's seven 4-H clubs in 1971. A brand new club in the Rhea Community with Mr. and Mrs. Walter Schueler and Mrs. Norman Taylor serving as the organizational leaders was formed.

Parmer County 4-H youngsters sold over \$1,100 worth of chocolate to go toward the State 4-H Center near Brownwood. Bovina was the high selling club and Randy Gerles was the top salesman.

January and February is show time and Parmer County 4-H members exhibited in 10 different livestock shows. Carrie Haseloff, Oklahoma Lane 4-H member, exhibited the Grand Champion Steer in the Parmer County Junior Livestock Show, while Mike Windham of the Lazbuddie club showed the Reserve Grand Champion Barrow and the Champion Dorset Lamb. Mike also showed the Champion Poland China Barrow in Amarillo and Hereford, as well as the Reserve Champion Southdown Lamb in Hereford. Mike took two barrows to Houston and won Reserve Grand Champion

Barrow over all Breeds and Champion Crossbred Barrow. In the county show, Cathie Trimble, Bovina 4-H, showed the Reserve Champion Southdown Lamb and Alonzo Strickland had the Reserve Champion Fine Wool Lamb. Gary Green was awarded the swine showmanship award in the County show. Joe Haseloff had the Grand Champion Steer at the Farwell local show, while Deborah and David Harding showed the Grand and Reserve Grand Champion lambs.

At the District I Elimination Contest in Canyon, "The Golden Girls," a group composed of Tammie Smith, Karla Littlefield and Candy Moore, won first in the Share-the-Fun Contest. Deborah Harding won third in the Food & Nutrition Educational Activity. Michael Mimms and Kent Winders won second with their Farm and Ranch Management Demonstration.

Thirty-four girls participated in the County Food Show. There were five seniors and 29 junior girls. Jacquelyn Langford was high point individual. Carrie Haseloff and Deborah Harding won the senior division and participated in the district contest, while Cheryl Gohlke and Jacquelyn Langford participated in the junior division.

Three girls attended the District I 4-H Horse Show in Amarillo. Gay London, Patti London and Lee Ann Williams showed in Amarillo, with Gay placing ninth in her halter class.

Danny Clark and Reta Davis, Lazbuddie 4-H, attended the 4-H Electric Camp in New Mexico, which is sponsored by Southwestern Public Service. Two 4-H youngsters' record books went to state judging contest in College Station, Kevin Kaltwasser sent his in Field Crop Sciences and Deborah Harding sent her book in Food Preservation.

In July, 22 girls competed in the Parmer County 4-H Dress Revue. Mary Beth Bennett, Friona 4-H, was the Senior winner with Karene Hart, alternate. Holly Hart was winner of the 12-13 year-old division and over-all high point individual. Terri Boling was second high point individual. Evelyn Hart was the winner of the 9-11 year-old group. Cheryl Gohlke was the winner in the County Bake Show, and represented Parmer County at the District Bake Show held during the Tri-State Fair.

The 4-H Fair was held in September with 183 entries by 23 4-H'ers from over the county. Those winning trophies for being high point individual in each division were: Evelyn Hart - Crops Division; Kent Winders - Gardening; Holly Hart - Crafts; Cheryl Gohlke-Canning; Karene Hart-Clothing; and Cheryl Gohlke - Baked Goods.

These educational activities are designed to train young people for leadership roles in the future. With the help of interested individuals and adult leaders, these programs and projects are made possible. In this way, today's 4-H'ers "bridge the gap" to make tomorrow's citizens.

**Palo Duro Canyon Camp Has Patrol Competition**

Patrol competition was added to this month's camping experience for Texico-Farwell Boy Scout Troop 200. The lead changed several times in Palo Duro Canyon Scouting skills competition between Moose Patrol, led by Mike McCully, and Rattlesnake Patrol, led by Billy Roberts. Winning by a final score of 530 to 520 points, Rattlesnake Patrol will be given a swimming trip to Portales next Sunday as its prize. Scores by events were:

Rattlesnakes	Moose	
Campsite	95	90
Cooking	185	185
Fire Building	25	0

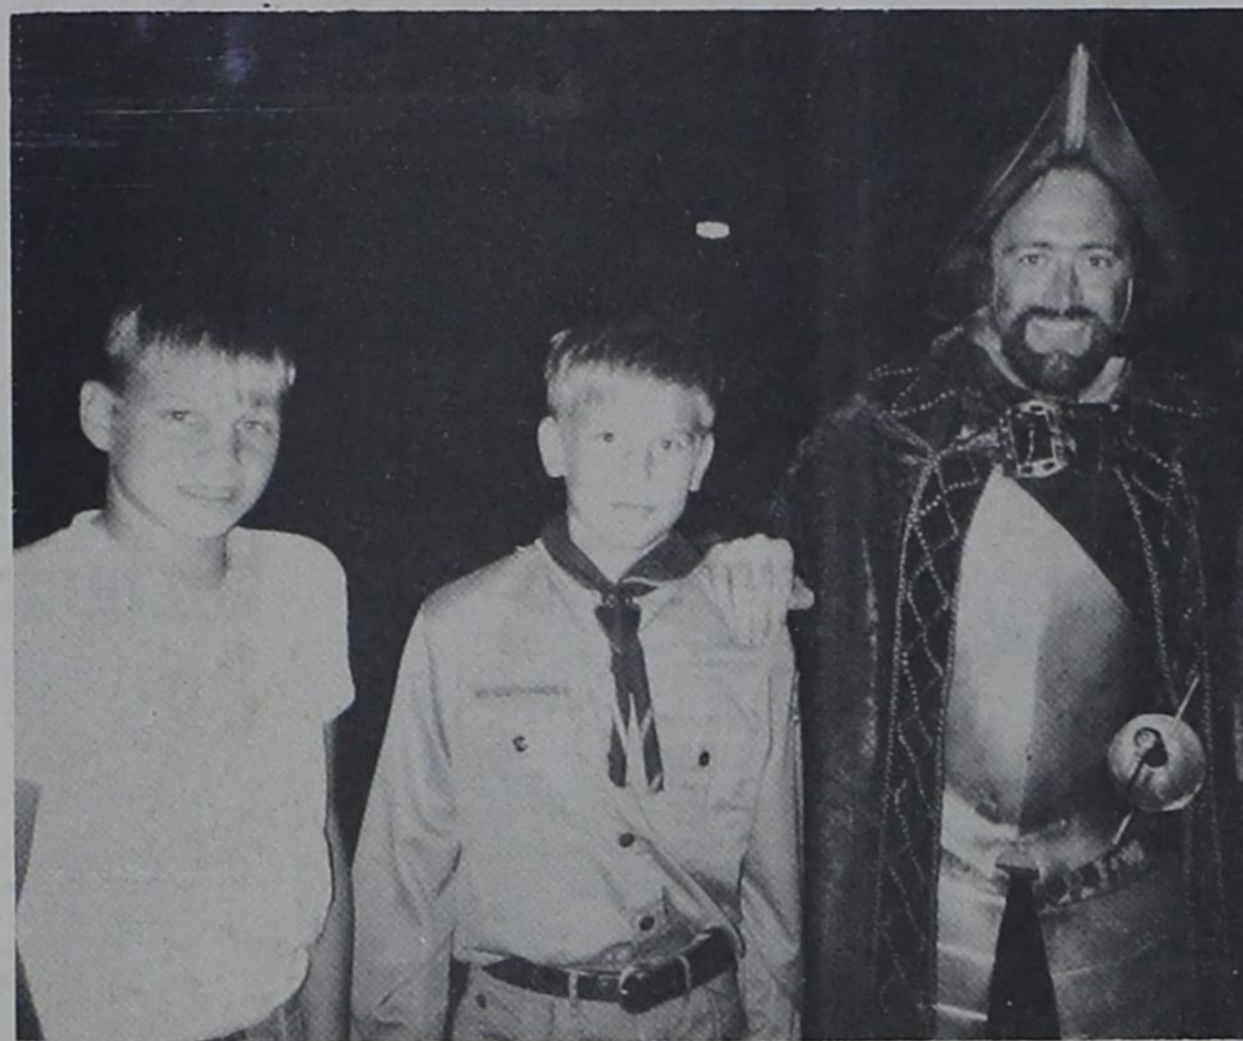

Knot Tying	-20	-35
Trail Signs	85	90
Tent Packing	95	100
Clean-up	100	100
Personal		
Demerits	-35	-10

Knots were graded on the basis of five points lost for each knot tied incorrectly by any member of the patrol. Coaches were Randy Stovall for the Moose Patrol and Donnie Garner for the Rattlesnake Patrol. Other patrol members were (Rattlesnake) Dwayne Obenshain, Tim Jones, Bill Gau, Bobby Gau, Wayne Martin, (Moose) Timothy Morris, Kevin

Ford, Guy Whitesides, Clay Roberts and Alan McCleskey.

Preceding competition was a Saturday afternoon, Oct. 2, of hiking and other "free time" activities. Saturday night the troop attended "They Came from Spain" in the amphitheatre. Sunday morning there was a Bible questions game conducted by Scoutmaster Gene Bitner, followed by worship services conducted by Stovall, Garner and Billy Roberts.

Sunday afternoon was completed by a ride on the "Sad Monkey Railroad" and souvenir shopping.

**TROOP MEETS CONQUISTADORS --** Being Scouts of Conquistador Council, headquartered in Roswell, Troop 200 members were able to meet friendly replicas of the Coronado originals following presentations of "They Came from Spain" in the Palo Duro Canyon Amphitheatre. Pictured are (left) Mike McCully and (center) Bobby Gau with an unidentified representative of Texas Panhandle Heritage Foundation, the group which also presents the popular musical drama "Texas." Their new production, viewed by Texico-Farwell Scouts on Oct. 2, begins with the Creation and concludes with Spanish explorers marching forth from Palo Duro into the future of a brave new world.

Consumers in the United States loose about four billion dollars a year through gyps and fraud. The only way consumers can guard against such losses is to learn to recognize dishonest business gimmicks. A popular gimmick is the promise of a free gift. But remember, very few things are really free with no strings attached. Businessmen who make a habit of giving away free goods and services cannot make a profit or stay in business. Consumers, then, should investigate before being taken by claims such as "free" and "low, low prices." Consumers usually get no better quality than they pay for.

Another attention-getter is "you have been selected." You probably were selected because your name is next in the telephone book, or because your house happens to be next in the block.

Watch for the "supply is limited" claim. Often the supply really is limited, but this is not always the case. The company may be overstocked and the salesman instructed to push the product. For some reason, the produce may not sell on its own.

"If you get 10 buyers, it's yours free," is a phrase usually spouted by door-to-door salesmen. Be cautious: you may not be able to get buyers for the product, and the salesman may have already covered the neighborhood. Or, you may not really want to sell the product to neighbors.

Also, put on your guard when you hear "a well-known person in your neighborhood bought one." Don't be fooled into thinking such a claim automatically makes the product worthwhile. Many people buy foolishly, and the same product will not meet the needs of everyone.

A product that "can't be purchased in the store" may be a good product from a reputable company. Many well-known companies conduct their business only through door-to-door salesmen. But, dishonest businesses may also operate through direct contact, peddling low quality, poor merchandise. So be on the alert.

Always beware, then, of unrealistic promises. Watch out for "too good to be true" and "something for nothing" signals. Remember, legitimate bargains come and go everyday -- but so do frauds.

 Dear Mr. Getz,

I just found out last week that the Spur Post Office doesn't put a definite time on their post marks. They just put A.M. or P.M.

There is a mail truck that comes in the morning and one at 3:30 p.m. in the afternoon. Then the Post Office closes at 5 p.m. that day and you should receive it the next day they said.

I hope this will do because I don't get your paper until dinner on Friday. I haven't been doing real well right now anyway on the picks in the paper, so you know I haven't been cheating -- I hope.

I enjoy your paper and I try to keep up on the Farwell news, especially the team. Good luck this Friday. Thank you.  
 Sincerely,

UP AND OVER goes Larry Erwin, fullback, as he carries the ball for Farwell Steers last Friday night in their game with Happy. The Steers won the homecoming game 33-12. Erwin gained significant yardage in the first quarter of play and was credited with a touchdown in the second quarter.

Second District Win --

## Farwell Tops Happy In Homecoming Game

by Will Anderson

In a key district game, the Farwell Steers knocked off the Happy Cowboys, 33-12, in Farwell Friday night. It was a great night for the Steer offense who drove for 14 first downs and a total yardage of 337 yards. Ray Norton was again the leading rusher, amassing a total of 131 yards with an average of 3.7 yards per carry. In the air, quarterback Brett Hargrove completed five of 10 passes for 101 yards. During the course of the game, Hargrove also ran for an additional 101 yards.

The Cowboys totaled 19 first downs and 329 yards in the game, mainly on the ground, completing four of 12 passes for 58 yards. The Steers lost 76 yards on nine penalties as compared to five Cowboy penalties for 45 yards.

Farwell got the game off to a roaring start when they drove from their own 39 to the Happy one in nine plays on the running of Ray Norton, Brett Hargrove and Larry Erwin. Hargrove plunged over from there and Andy Bowers added the extra point to give the Steers an opening lead of 7-0.

Thanks largely to the fine-defending of Mike Travis and Kirk and Mack McFarland, Happy was forced to punt after four plays on their next possession so the Steers regained possession on the Cowboys' 44. The Farwell ground game and a pass interference call on the three brought the Steers into striking range again in ten plays. After Norton crashed over from a yard out the score rose to 14-0 with little more than eight minutes elapsed in the game.

Then, early in the second quarter, the Cowboys found themselves in a fourth and seven situation on their own 23. The resulting Happy punt, unfortunately (for Happy) went almost straight up. The Steers took the ball on the 15, eight yards back from where the punt was kicked. They drove from there to a TD in five plays, Larry Erwin dashing the final five yards to paydirt. After the conversion point was blocked, the Steers led 20-0.

The rest of the half, Terry Craft, Micky Lunsford and Larry Erwin led the defense in the rugged assault on the Cowboy backfield. The Steer offense fared little better until, with 31 seconds left in the half, the Steers took possession on their own 41. After two incomplete passes, QB Hargrove

connected on a pass to Kevin Hardage on the sideline who streaked away for another Steer TD. After the extra point was missed, the score stood 26-0 at half.

The Cowboys came back a sadder but considerably wiser team the second half as, in 13 plays, they drove from their 21 to their first TD, QB Steve Cole legging the last six yards. After the extra point was missed, Farwell led 26-6.

The Farwell defense redoubled their efforts, and held the Cowboys only eight yards away from the goal. Mike Travis recovered a Happy fumble on the Happy 46. But the Steers could go nowhere from there and were forced to punt, putting Happy back on their own five yard stripe. But the Cowboy offense clawed their way from there to a TD in 10 plays, Steve Cole again dashing the last 11 yards. The two-point conversion attempt was blocked so the score stood 26-12.

The Steers took possession of the ball on their own 47 and proceeded from there to the 27 in eight plays, entirely on the running of Ray Norton. But there, the offense stalled and the Steers lined up in field goal formation. But this field goal was faked and QB Brett Hargrove went to the air, Kevin Hargrove snagging this pass on the four to set up Farwell with a first and goal. Brett Hargrove ran it over from there and Bowers' extra point made the score 33-12. The game ended with the Steer defense holding back the Cowboys as they struggled for another score.

Head Coach Toby Booth said last week's game with Happy was probably the Steers' best offensive showing in a long time. "Much credit goes to the line for outstanding blocking along with the backs," he said.

"As far as defensive play, we did an excellent job the first half. We let down a bit in the third quarter, but we came back and played good football in the fourth quarter," he added.

Booth said all of the offensive backs, Larry Erwin, Ray Norton and Brett Hargrove,

### Lazbuddie

### Plays New

### Home Friday

Lazbuddie Longhorns will play New Home Friday night, Oct. 15, in Lazbuddie, Friday night is Lazbuddie's Homecoming.

Head Coach Buddy Brock said New Home was one of the biggest (size) teams Lazbuddie has had to face this season. They have a 210-lb fullback and halfbacks weighing 210 and 185 lbs.

"They started out slow, but they have been getting better. They may be tougher than we expect."

### At Texico Stadium --

## Lazbuddie Stomps Wolverines 52-0

Lazbuddie Longhorns, coached by Buddy Brock, outran the Texico Wolverines, coached by Jim Wynne, last week with a score of 52-0.

Lazbuddie scored its first touchdown midway through the first quarter after quarterback Ricky Seaton intercepted a pass thrown by Texico's quarterback Doug Harrison.

Arthur Graves, Lazbuddie's quick halfback, ran the touchdown from three yards out. Mark Barnes kicked the extra point.

After Texico recovered a Longhorn fumble and drove for two plays, they gave up the ball again to Lazbuddie. Graves scrambled over the goal line for his second TD of the night. The point after touchdown failed.

In the second quarter, Graves broke loose for a 70-yard dash to pay dirt from his own 30-yard line. The TD was nullified on a clipping penalty at the line of scrimmage, but officials marked off a 15-yard penalty from the Texico goal line, giving Lazbuddie possession of the ball, which was a break for Lazbuddie.

Four plays later, Jerry Barber took a pass from Seaton and traveled five yards for the third Longhorn touchdown. The point after touchdown was blocked by Texico.

Loy Dale Clark was moved to quarterback for the next series of plays by Lazbuddie's offense. Clark moved his team downfield and scored on a quarterback sneak from two yards out to give Lazbuddie a 25-0 lead. Barnes again kicked for the extra point making the score 26-0.

Graves scored his third TD of the night when he took the ball from Clark and flew past the Wolverines in a 91-yard run to the goal line.

In the second half of play, the Longhorns controlled the ball with Clark, Graves and Deon McGee each scoring.

Texico's ground game was led by Harrison and Curtis Lindley. Terry Yell, who broke an arm early in the season, was

playing defense last Friday night with a heavily bandaged arm. Texico had seven first downs with 109 yards on the ground.

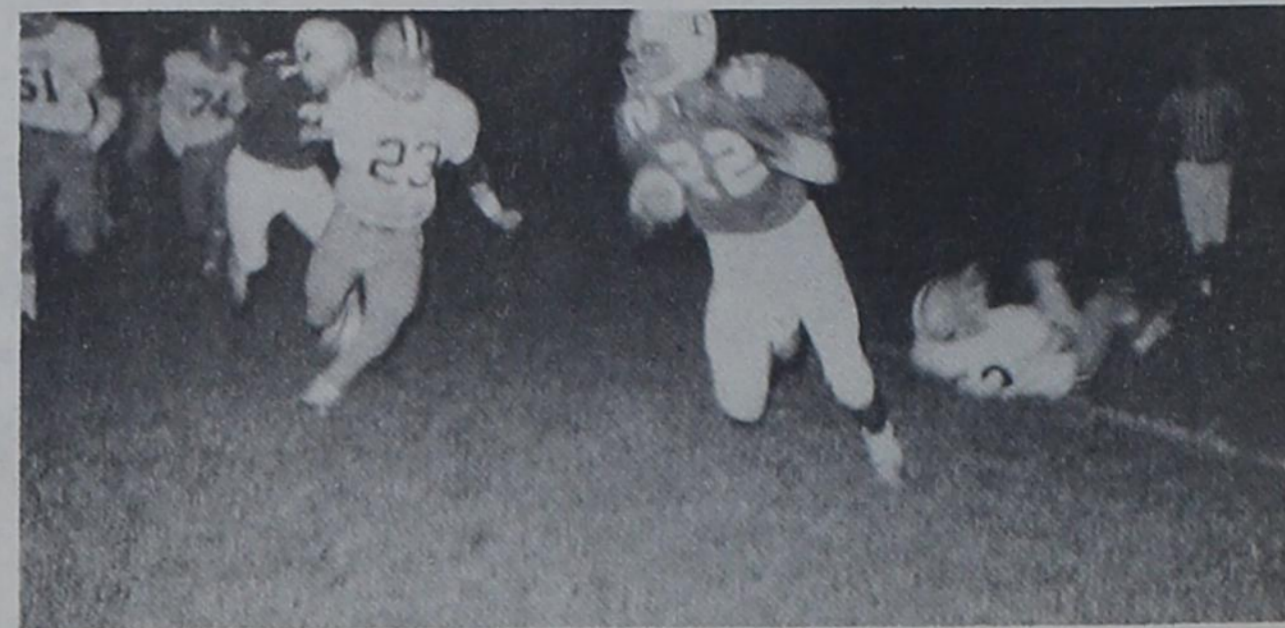

Head Coach Jim Wynne commented after the game about his

Texico Wolverines, "Lazbuddie had a good team, but it wasn't that good. We could have won. There is no reason for the loss."

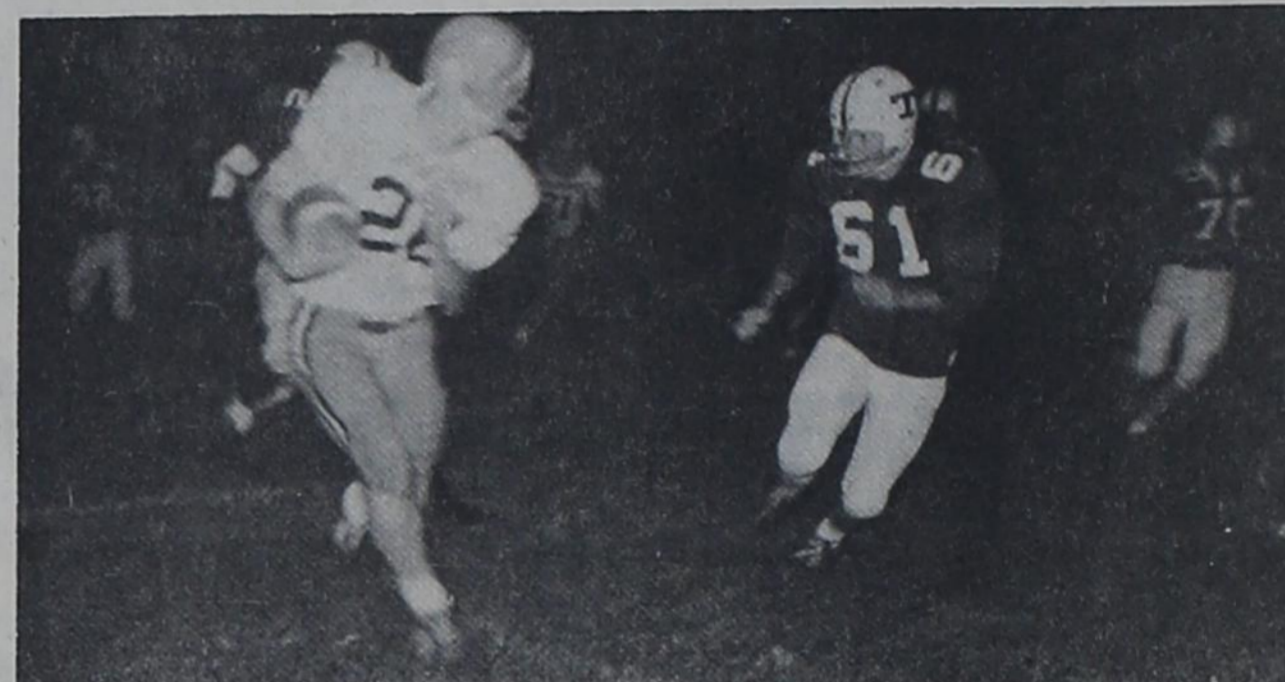

Head Coach Buddy Brock said he was "really proud" of his Lazbuddie Longhorns. "They

either played better than they have before or Texico was not as tough as we anticipated. They block real well."

Texico has an open date this week. They will travel to Tatum Oct. 22 for their next game.

TEXICO HALFBACK Curtis Lindley races past the Lazbuddie defenders last Friday night for some hard-fought yardage. Although Lindley and Doug Harrison, quarterback, led the Wolverine's ground game, they were unable to score. The Longhorns came out on top with a 52-0 final score over the Wolverines. Lindley's rush was in the third quarter of play.

OUT OF REACH -- Lazbuddie halfback Donnie Coker slipped past a Texico defender last Friday night at Texico. Coker's team mustered 52 points during the contest. Arthur Graves scored three touchdowns for the Longhorns with Jerry Barber, Loy Dale Clark and Deon McGee capping the rest of the points. Lazbuddie will host New Home Friday night, Oct. 15.

### Steers Travel To Bovina Friday

Farwell Steers will be in Bovina tonight, (Friday) to take on their third district opponent.

Head Coach Toby Booth said Bovina was a larger team than Farwell with three defensive men well over 190 lbs. "They probably have one of the best defensive clubs in the area. They are big enough and real quick," he said.

"As far as rushing lineage against them, Friona is probably the only team that was able to run against them. They played good enough to have won over Happy and Springlake as they outthrust their district opponents," added Coach Booth.

### Jr. Hi., J. V. To Host Bovina

Farwell Junior High seventh and eighth grade teams and Farwell High School Junior Varsity teams will host Bovina teams tonight, (Thursday) beginning at 5 p.m.

In last week's games against Happy, Farwell eighth grade won 20-12. Frank Vidaurrewas credited with one touchdown and Jack Foster with two TDs. Javier Galvan made two extra points.

Robert Johnson and Jubel Blair looked good on defense, according to Head Coach Larry McDorman. Brad Jones did a good job for the team by intercepting a pass in the last few seconds of the game to keep Happy from scoring, McDorman said.

Farwell Junior Varsity slapped Happy with a 28-14 defeat last Thursday. All of the run-

ning backs scored, according to Head Coach Tally Kelso. Winfred Long, Mike Woods and Pablo Lucio are all credited with one touchdown apiece. Ricky Williams also scored a TD on a pass play from Lesly Curtis.

Kelso commented on the excellent running of the backfield and the good job by the line. He mentioned Paul Brigham and Bill Johnson as doing good jobs defensively and offensively. Mark Haseloff was cited by the coach for his defensive game.

# Missy Taylor Is Winner In Last Week's Contest

Missy Taylor jumped into the winner's circle of the annual Merchants Football Contest last week by making eight correct predictions. Several others managed to correctly pick eight games, but Miss Taylor was closest on the tiebreaker with seven points off and received \$5 first place weekly prize money.

Winning last week's second place check of \$3 was Connie Phillips with eight correct

games and 14 points off on the tiebreaker. Third place of \$1 went to Jerry Irby who guessed eight games correctly and was 24 points off on the tiebreaker.

Connie Phillips tied with E. A. Walker in the previous week's contest. She is the only person thus far who has stepped into the winner's circle twice.

Six other people chose eight games correctly last week.

They were Gene Hardage, Albert Johnson, Mrs. Albert Johnson, Edward Terry, Gary Green and Carl Davis. Five of these people missed both the Oklahoma State-TCU tie and the UT at Arlington - WT clash. Only one person of these six picked Texas to beat Oklahoma.

Overall leader at the present time is Bunk Phillips with a score of 34. Terry Craft and Jerry Mathis are both in second place with 33 points. Third place leaders are Mrs. Albert Johnson and Omata Scott with 32 points.

Winners chosen each week are presented checks of \$5, \$3 and \$1 for first, second and third place, respectively.

Grand prize in the contest is two tickets to the Cotton Bowl in Dallas on New Year's Day and \$50 expense money. Second place winner in the overall contest will receive two tickets to the Sun Bowl in El Paso plus \$25 expense money.

Entrants should be 12 years old and older. Mailed entries should be postmarked by 5 p.m. Friday.

Entry blanks should be marked clearly. The Game of the Week score will be used only in the case of a tie, and will not be counted as a right or wrong game.

It's not too late to get into the fun, so get your pencils sharpened and fill out an entry blank which is available at the Tribune office or several local businesses. Pick your choice of the winner of the ten games listed on the contest blank. The list will consist of ten high school, college and pro football games. Pick the score of the Farwell and opponent game, and you may come out the winner of one of the three weekly prizes.

## Ladies "Game Night" Set For Monday

Theta Rho #1560 chapter of Epsilon Sigma Alpha will sponsor their second annual ladies "Game Night" for Cystic Fibrosis. All area ladies are invited. The event will begin at 7:30 p.m., Oct. 18, at Farwell Country Club. Donations of \$2 or more will be taken.

"Game Night" will feature bridge, shang-hai and crazy bridge. Bobbie's of Farwell has donated a door prize. Jewelry, donated by Mrs. Delbert Black, will be auctioned off during the evening.

Cystic Fibrosis is a leading cause of death in young children. In the U. S. alone there are probably 10 million carriers of the defective gene responsible for C.F., report sorority members. It is established that 3,500 children are born each year with C. F. Every 2 1/2 hours, around the clock, a C.F. child is born.

C. F. often shows a marked similarity to other diseases and has been confused with asthma, bronchitis, allergy, celiac disease, tuberculosis and other respiratory diseases.

Over five million children in this country have severe respiratory disease, including C. F. All need prompt and expert diagnosis and persistent treatment to avoid permanent lung damage or even death.

That's why the National Cystic Fibrosis Research Foundation has now broadened its program to include serious lung ailments of children regardless of their medical names.

Ladies of the community are urged by ESA members to come to the game night and help support the National Cystic Fibrosis Research Foundation in its fight against respiratory diseases.

**TWO MINUTES WITH THE BIBLE**

BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

**CHURCH ON FIRE**

The Chicago newspapers carried an account several years ago of a large church, burned to the ground, at a loss of about half a million dollars. Our sympathy went out to the pastor and congregation who, at best, had to carry on for a time under makeshift arrangements.

But the account reminded me of the story of another church on fire. The crowds had gathered to see the fire engines pour water on the burning building, when one man spotted a friend in the crowd. "Hi Bob!" he shouted: "This is the first time I've seen you at church!" "Well," responded the other, "This is the first time I've seen a church on fire."

We write this as a special appeal to true, born-again Christians. Isn't it true that if believers were more "on fire" for Christ, more completely sold out to Him, those who are now disinterested

would be more apt to become interested and come to know Him as their Savior? We so soon lose interest or become discouraged, and quit. This is why the Apostle Paul, that tireless ambassador for Christ wrote:

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord" (1 Cor. 15:58).

This, we repeat, is his exhortation only to believers, for God will not accept our money or our good works, until we have first accepted from Him "the gift of God," which is "eternal life, through Jesus Christ our Lord" (Rom. 6:23).

Accept that gift; trust the Christ who died for your sins and He will give you plenty to do—the most rewarding service any man can possibly render.

**BRAND NEW HOMES** for approximately 45 squirrels living in the trees around the Parmer County Courthouse and Farwell City Park were delivered recently to the courthouse by Farwell FFA members. Carpenters, left to right, front row: Andy Bowery, Darvey Hargett, Randy Stovall, Larry Wardlaw, Ricky Williams and Freddie Dale; back row: Danny Ivy, FFA advisor, Weldon Embry, Conda Jones and Winfred Long, presented the new homes to County Judge Archie Tarter. The county furnished the materials for the buildings and the FFA members built the homes.

**Squirrels Celebrate 20th Anniversary**

Approximately 45 squirrels living in the trees around Parmer County Courthouse and Farwell City Park received an anniversary gift recently. When Farwell Future Farmers of America members delivered 10 new homes to the courthouse.

The structures were built from materials furnished by the county. FFA members provided the manpower to build the homes as part of their yearly projects.

This month is the 20th anniversary of the squirrels' presence in the trees. On Oct. 22, 1951, Parmer County Commissioners Court appropriated sufficient funds to pay for the construction of suitable boxes as living quarters and to furnish suitable feed for the squirrels.

At that time, the court also expressed appreciation to Lubbock Park Commission for furnishing five pairs of squirrels without charge for beautifying the courthouse and as a control of English sparrows.

Joe W. Jones, then Parmer County agent, went to Lubbock in a pickup truck to get the squirrels and a squirrel nesting box to be used as a pattern for additional boxes.

Jones related that K. N. Klapp, then in charge of Lubbock Parks, was much impressed at the legal document that was drawn-up by the late John H. Aldridge, attorney, and approved by the Commissioners Court.

Information concerning Jones' anecdote and the court's motion concerning the squirrels was obtained from a record of Commissioner's Court Minutes dated Oct. 22, 1951. The record is being typed on cards and filed by Parmer County Tax Assessor and Collector Hugh Moseley for future use.

**Douglas Tucker Receives Grant**

Douglas Tucker, science teacher at Malibu, Calif., has again scored an educational triumph, quotes a release received from an area newspaper. He is the son of Mr. and Mrs. R. B. Tucker of Hollis, Okla., former teachers in the Farwell school system and now teaching in the Wellington schools.

Last year, Tucker authored a pilot course in the teaching of Oceanography. Recently, he was contacted by California educators and industry to conduct research in the future of Oceanography. He was offered a science research grant of three years' duration, the outcome of the research to apply to education, industry, and his doctorate degree.

Tucker qualifies as a research chemist, and his parents were somewhat surprised when his final reply was --

"It's a dream of an opportunity, but in all truthfulness, my preference is to work directly with youth. Science, research, youth -- what a combination! But first must come the youth. I'll continue teaching."

**Farwell Students Study At Wayland**

"Well, no wonder," the blonde responded sympathetically. "All those darned monuments!"
