

Labor Bill Won't Work, Experts Advise Truman

WASHINGTON, June 13. (AP)—Government labor experts who have been analyzing the Taft-Hartley bill will advise President Truman that the measure is "unworkable" and will not stop a coal strike.

Key Decisions Must Be Made By President

WASHINGTON, June 13. (AP)—President Truman returns from Canada today to face a series of crucial decisions on congressional acts that may determine the course of the American economy in the next six months.

With foreign policy matters temporarily in the background, the president must decide within the next few days whether to accept or reject Republican-sponsored labor and tax-cutting bills.

Within the next three weeks or less, he must make similar decisions on rent control and wool price support bills, with the possibility that a controversial measure on railroad rate fixing also will be laid before him.

If he decides to veto most or all of these five measures—as many democrats have predicted—he may well do so. Mr. Truman will have made a clean break on domestic issues with the GOP-controlled Congress.

His bipartisan program on foreign policy remains generally intact, despite some cracks in its structure. But that also may face a test if the President is persuaded later than a European rehabilitation program requires the attention of a special session before Congress meets regularly again in January.

First on the list of pressing presidential decisions apparently will be the \$4,000,000,000 tax reduction bill. Democratic leaders generally expect a veto message on it Monday, although some of them say there is a possibility the President may let it become law. The deadline for a veto message is Monday-midnight.

Senator Taft of Ohio, chairman of the senate GOP policy committee, told a reporter there is "almost no chance" that Congress would override a tax veto. That would mean continuation of present levies at least until early next year.

Whether the President signs it or not, the labor bill appears likely to become law. There is a clear margin for overriding a veto in the house, and democratic strategists privately despair of mustering the required one-third plus one vote to sustain in the senate.

Truman Visits Niagara Falls

ENROUTE TO WASHINGTON WITH PRESIDENT TRUMAN, June 13. (AP)—Returning home from Canada, President Truman gazed today at historic Niagara Falls—and observed, in the manner of any other tourist: "I'm glad I don't have to go over there in a barrel."

Dogs Still Troublesome

COYOTE POPULATION DECLINES RAPIDLY IN BIG SPRING AREA

There have been equally reliable reports, however, that some other presidential advisers are urging Mr. Truman to sign the measure. This group is said to contend (A) that the bill does give the government some means of dealing with the threat of a new coal strike next month and (B) that congress is virtually certain to enact it into law in any event.

The labor experts are reported to have concluded, among other things, that the measure awaiting Mr. Truman's decision follows more nearly the original version introduced by Rep. Hartley (R-NJ) than what they called the less restrictive measure sponsored by Senator Taft (R-Ohio).

Here are some of the specific reasons they cite as arguments for a veto:

1. The provision exempting work stoppages resulting from "abnormally dangerous conditions" would make it possible, in their opinion, for John L. Lewis to bring about a nationwide or partial soft coal strike in mines which have become "unsafe" during the 10-day vacation the miners will take from June 27 to July 7.

2. "Yellow dog" contracts could be revived under a section guaranteeing employees the right to organization or to refrain from organization. (Yellow dog contracts are those employers make with individual workers pledging them not to join a union.)

3. Industry-wide bargaining would be dealt a blow by the requirement that workers involved in a contract dispute vote secretly on accepting their individual employer's last settlement offer, as stated on the ballot.

4. A provision limiting payroll deductions for union dues after July 1, 1948, to workers who have submitted individual authorizations to the employer, could force wholesale cancellation of contracts—such as the vital two-year agreement of the CIO-steelworkers.

5. Maintenance of union membership could be destroyed by the provision holding that a union can force an employer to drop an unwelcome member only for non-payment of dues.

Several foreign diplomatic representatives here said privately, meanwhile, that they feel the Marshall program will take too long to become effective.

They said the plan makes it virtually impossible to put the proposals into action by fall when dollar crises are foreseen for a large number of European countries.

Several foreign diplomatic representatives here said privately, meanwhile, that they feel the Marshall program will take too long to become effective.

Britons Study Marshall Plan To Aid Europe

Empire Wants To Know What Is Required

WASHINGTON, June 13. (AP)—The British embassy has opened talks with the State department to learn how to put Secretary Marshall's call for a joint European revival program into action.

Diplomatic authorities who reported this today said the embassy officials are seeking clarification of a number of Marshall's suggestions before deciding whether to urge London to take the initiative in getting the European countries together.

These authorities said the United States is looking to Britain to start the program rolling but has no intention of dictating what the next steps should be.

Marshall, in restating this country's desire to promote European recovery, declared last week that Europe itself must lay the foundation for American help by drafting a comprehensive rehabilitation plan of its own.

But Benjamin V. Choen, State department counselor, declared in a speech at Long Beach, Calif., yesterday that from \$15,000,000 to \$24,000,000,000 will be needed during the next three to four years to prevent starvation and the "danger of dictatorship."

Cohen called the present aid program for Europe "clearly insufficient."

Several foreign diplomatic representatives here said privately, meanwhile, that they feel the Marshall program will take too long to become effective.

They said the plan makes it virtually impossible to put the proposals into action by fall when dollar crises are foreseen for a large number of European countries.

Small Nations Rap Big Five Disagreement

LAKE SUCCESS, June 13. (AP)—Col. W. R. Hodgson of Australia led a small nation attack today against a big power failure to break a 60-day deadlock between the United States and Russia on a basic working plan for world disarmament.

He told the United Nations commission on conventional armaments that the major powers had only delayed the group's work when they were given problems to settle among themselves.

While criticizing the Big Five's inability to agree on how to tackle arms limitation, Hodgson also drew attention to its failure to agree on a governor for the internationalized city of Trieste.

"We are back where we started from in this commission," the Australian said. "It is a surprising but a true thing that you have a great power submitting a proposal and another major power submitting a counter plan."

Expressing Australia's support of the U.S. plan for the regulation and reduction of armaments and armed forces, he urged the commission to get on with the job which the major powers had failed to accomplish.

The Big Five was given the task of reconciling Russian and American views on disarmament principles last April, but reported back to the commission a week ago that it had failed.

The major powers were deputized as a special subcommittee to work out the differences because their concurrence is a prerequisite to any settlement of the arms question.

Several foreign diplomatic representatives here said privately, meanwhile, that they feel the Marshall program will take too long to become effective.

They said the plan makes it virtually impossible to put the proposals into action by fall when dollar crises are foreseen for a large number of European countries.

St. Louis Tied Up By Transit Strike

ST. LOUIS, June 13. (AP)—Virtually everything on wheels that would run was pressed into service today as thousands of St. Louisians sought a way to get to their jobs after an early morning strike of street car and bus operators tied up public transportation in the St. Louis area of more than 1,000,000 population.

Family automobiles, ancient jalopies whose lives have been prolonged by the death of new cars and all available taxicabs jammed main thoroughfares, snarling traffic at most of the principal interchanges.

Absenteeism ran high in the heavily industrialized city during the first hours of the strike which became 100 per cent effective with such suddenness that most individuals and firms were totally unprepared.

Most workers faced the situation in good spirits and many drivers went out of their way to pick up hitch-hikers along the most heavily travelled streets.

Hardly a single vehicle reached its destination without picking up a maximum load and many had passengers riding running boards. No attempt was made by the St. Louis Public Service Company to man street cars and buses which were cleared from their routes as soon as operators completed their scheduled runs.

The strike was voted early today by local 788 of the AFL amalgamated association of street, electric railway and motor coach employees. The last street cars and buses completed their runs at 5 a. m. C. S. T.

The St. Louis Public Service Company, in addition to providing service in St. Louis proper, serves most of its suburbs.

The strike vote came after union members had unanimously rejected the company's offer to sign a new wage contract on the basis by an arbitration board.

The Missouri legislature recently enacted a bill which prohibits strikes against public utilities and authorizes the governor to seize and operate utilities. The governor has signed the bill but it does not become effective until September.

Several foreign diplomatic representatives here said privately, meanwhile, that they feel the Marshall program will take too long to become effective.

130 Millions Taken Off VA Appropriation

Other Offices Trimmed As Much As 30 Per Cent

WASHINGTON, June 13. (AP)—The House appropriations committee trimmed \$130,884,220 from Veterans Administration funds today to approving an \$8,187,869,027 bill to finance 33 independent government agencies next year.

The total cut amounted to \$330,540,732, or 3.9 per cent below the amount President Truman asked. This brought to approximately \$3,590,000,000 the claimed savings of House Republicans in their drive to chop \$6,000,000,000 from Mr. Truman's 1948 budget of \$37,500,000,000.

The Veterans administration, however, was pared only 1.8 per cent in getting \$5,944,457,080 for its work during the 12 months beginning July 1.

Among major recipients covered by the bill are the office of the president, not cut at all; the Atomic Energy commission, reduced 30 per cent; the Civil Service commission, cut less than one per cent; the Federal Communications commission, trimmed 17 per cent; the Federal Power commission, cut 12 per cent; the Federal Trade commission, reduced almost one third; the Federal Works agency, cut 12 per cent; and the Interstate Commerce Commission, trimmed 10 per cent.

Even the president's own budget was cut, receiving \$32,382 less than the \$3,470,000 it had asked.

These are the major offices affected by the bill, and the effect the measure will have on them if the house and senate uphold the committee's recommendations:

Atomic Energy commission: cut from \$250,000,000 to \$175,000,000 but given the full \$250,000,000 contract authorization it requested. The committee said additional funds could be provided early next year if shown necessary. Of the total approved \$250,000,000 was earmarked for research in cancer control.

Veterans administration: given \$6,944,457,080 of the \$7,075,341,300 it had requested. The amount See FUNDS, P. 6, Col. 5

Several foreign diplomatic representatives here said privately, meanwhile, that they feel the Marshall program will take too long to become effective.

They said the plan makes it virtually impossible to put the proposals into action by fall when dollar crises are foreseen for a large number of European countries.

PHONED MOLOTOV — W. E. (Smoky) Schroeder, 38, railroad fireman, shows in the cab of a locomotive at Oelwein, Ia., told how he called the Kremlin by phone and talked to Soviet Foreign Minister V. M. Molotov. (AP Wirephoto).

Non-Striking Ford Foremen Are Attacked

DETROIT, June 13. (AP)—Four non-striking Ford Motor Co. foremen were beaten on their way to work and a new walkout hit the Continental Motors Corp. today to mar an otherwise bright auto industry labor scene.

Both developments came on the heels of a settlement involving 16,000 strikers and a new wage agreement.

Deborn police said the foremen were dragged from their car and assaulted by three carloads of men about 6:30 a. m. while enroute to the Ford Rouge plant.

Taken in a police scout car to the Ford first aid station were Emil Rose, Charles Kaufman, Ylmar Polosarri and Max Schmidt. Rose suffered head injuries, Kaufman and Polosarri face injuries and Schmidt declined treatment.

Lt. Leonard Sikorski said there were at least 12 men in the three vehicles. They fled a few minutes before police arrived, he said, and none of them have been identified.

Some 3,700 Ford foremen, members of the Foreman's Association of America (independent), have been on strike for 24 days in a contract dispute.

Former President Of Notre Dame Dies

SOUTH BEND, Ind., June 13. (AP) The Rev. J. Hugh O'Donnell, C. S. C., who served as president of the University of Notre Dame for six years and was associated with the university for nearly 35 years, died yesterday at the age of 82.

Father O'Donnell, who has been ill with cancer and several months ago had undergone an operation, retired as president a year ago and was succeeded by the Rev. John J. Cavanaugh. He became president in 1940, and guided Notre Dame throughout the war years.

NEW DC-6 MEXICO CITY, June 13. (AP)—A new Douglas DC-6 will be put on the American Airlines' Mexico City, Dallas, Washington, New York run Monday.

It's Friday 13th and Jimmy Spears of Hillsboro is in bed, as usual. The Hillsboro man has taken to bed every Friday 13th for the last 37 years except twice when he forgot the date. Both times he had trouble.

But Corinne Parker of Port Arthur isn't superstitious. She is 13 years old today, and celebrated her birthday by breaking a mirror, spilling salt, walking under a ladder, and receiving a black cat as a present.

In Midland, Manager Harold Webb of the Midland Indians tried hard to delay a baseball game with Big Spring so it would end on Friday 13th. Midland was trailing badly, and Webb figured maybe Friday 13th might change the home team's luck. He failed, however, and the game ended just before midnight with Big Spring winning 9-0.

Hillsboro, which is very Friday 13th-conscious because of Jimmy Spears and his highly publicized superstition, reported the following: James Garrison isn't worried, although he admits his name has exactly 13 letters in it.

Friday 13th: Some Are Worried, Some Are Not

By The Associated Press

IN BED TODAY—Jimmy Spears who lives east of Hillsboro, is in bed today, just as he has been every Friday 13th for the past 37 years, with only two exceptions. (Bad luck both times). More about Spears on today's Editorial page. (AP Photo).

Claims Confession Made Under Duress

NACOGDOCHES, June 13. (AP) of blonde Dorothy Stokes, 23, The "Buttermilk Poisoning" trial charged with murder in the death of her sister-in-law, is expected to go to the jury late today.

In two hours of testimony yesterday, Mrs. Stokes denied all accusations.

She said the signature on a confession which she allegedly made was "forced."

Defense Attorney Hosea L. Edwards asked the defendant, "Did you poison Doriene Garrett?" the slain woman.

"I did not," the Garrison, Texas mother replied. She supported a previous defense contention that the confession was signed under duress.

TURN THE KNOB AND SMELL SWEET

NEW YORK, June 13. (AP)—Guests got a scent in return for the price of a room with a shower at a Manhattan hotel today.

The Henry Hudson hotel installed gadgets in its showers which sprayed guests with water and soluble perfume of pine (for men) and apple blossom (for women). Guests merely had to turn the right knob to smell the right way.

Nagy On His Way To United States

By The Associated Press

Imre Nagy, deposed by the communists as premier of Hungary, was en route to the United States today in what diplomats said apparently was an effort to draw attention to the U. S. public to events in that Central European public.

High British Sources Keep Mum

LONDON, June 13. (AP)—British government ministers declined comment today on New Zealand reports concerning the purported development of a super-secret super-weapon approaching the atomic bomb in importance.

The Defense Ministry, the Air Ministry, the War Office, the Admiralty and the Ministry of Supply all refused to discuss stories out of Auckland which quoted "most reliable" sources as saying research on such an offensive weapon was started in 1944 and still was being pursued in the strictest secrecy by scientists in New Zealand.

Great Britain and New Zealand. "Had the project been completed in time it might have played a role as effective as the atom bomb in the subjugation of Japan," the New Zealand Herald, of Auckland, reported.

"Without discounting the effectiveness of the project as an offensive weapon," the paper continues, "it does not offer such a threat to world peace as the atom bomb. This may not be amplified further than saying that things pertaining to it are under control."

First reports that such research was under way followed the award of the rank of commander of the British Empire to Prof. David James Leech in the West Royal Birthday Honors list. Reports in Auckland said Leech had taken a leading part in the coordination and development of research on the project.

Flag Rites At 7:15 Saturday

Significance of the colors will be outlined in brief addresses Saturday at 7:15 p.m. when the American Legion and Veterans of Foreign Wars present a joint Flag Day program on the courthouse lawn.

Leaders of the veterans' organizations estimated that the entire program will require about half an hour, being timed for lowering of the colors just before sunset.

Wayne Williams is to be master of ceremonies, talking briefly on "Speak Up for Democracy." Dr. C. A. Long, pastor of the First Methodist church, will be the principal speaker. Invitation is to be by Capt. Uly Sheppard of the Salvation Army and there will be special music.

Antonio Rodriguez will sound "Retreat" and then "To the Colors" as the color guard, headed by Neel Barnaby lowers the flag in the climax of the observance. During Saturday, business houses, public institutions and others who have flags are urged to fly the colors.

There was no hint from any source as to the nature of the project and so far as was known only New Zealand, Britain and the United States had the information. A Wellington man was said to have presented the idea to military authorities in December, 1943. This idea was said to have been shared with the United States in January, 1944, after which the research planning was begun.

Gerry Rodriguez Blanks Midland Indians, 9-0

Locals Increase Circuit Lead

TOMMY HART
MIDLAND, June 13. — Gerry Rodriguez made his fourth victory of the 1947 Longhorn league season his most impressive one as the Big Spring Broncs blanked the Midland Indians, 9-0, in a battle for the top position here Thursday night.

Rodriguez, troubled with a sore arm three weeks ago, put on a stylish show before a capacity house as the Hosses increased the "daylight" between them and the Tribe to two full games.

The Iacomic Cuban boy rattled out three hits, all singles. He issued four walks, struck out nine and never let a man past second base. Inspired by his performance, his mates played errorless ball.

Lefty Grove, Midland hurler, pitched well enough to win an ordinary game. He surrendered only seven safeties. However, his defense was shaky and his wildness cost him dearly. He gave up six walks, most of them when it hurt most.

The gratis passes and a hit batsman, sandwiched around hits by Pat Stacey and Armando Trapasso, enabled the Big Springers to pick up three tallies in the first. They added two more in the second on a hit, a walk and a bobble.

Grove settled and pitched creditable ball until the sixth, when four misplays plus two hits and a base on balls cost him four additional runs.

Bobby Martin broke a brief batting slump with three safeties while John Alvis collected two of Midland's three safeties.

Second Shooting Enters Testimony In Murder Trial

SEGUIN, June 13. (P)—The murder trial of Dallas Husky, 39, Kenedy stockman and trader, entered its fifth day here today after a state witness introduced a surprising note into the testimony yesterday.

Kenneth Hogan, 19, now of Cuero, a state witness, testified that he saw Husky's father firing a gun at Philip Loyd Duckett, 30, a Kenedy salesman, at the same time the younger Husky was shooting.

Dallas Husky is charged with murder in the August 2 shotgun slaying of Duckett.

Hogan testified that he and his wife, accompanied by a friend, were across the street from the Corner Cafe, scene of the shooting.

Hogan told the court Dr. M. F. Husky, a Kenedy veterinarian and father of Dallas Husky, fired one shot from a gun held on his hip into Duckett's body. He said he then saw Dallas Husky fire four times.

The state witness testified further that Duckett was alive when he reached the victim's side following the shooting.

In response to direct questioning Hogan asserted five shots were fired, but upon cross-examination said he could have been mistaken and that four shots might have been fired. He said the first two shots were so close together they could not have come from the same gun.

Anti-Red Laws Recommended

WASHINGTON, June 13. (P)—The civil service committee has recommended house approval of legislation providing for the removal of federal employees found to be disloyal to the government.

Its major provisions:

1. All federal employees and all applicants for federal positions are to be investigated to determine if any are disloyal to the United States.
2. The investigations would be conducted by the civil service commission and the FBI, reporting to a loyalty board composed of five members appointed by the president.
3. If the board makes a final decision adverse to the person under investigation, the department or agency involved shall be requested to remove the employee or refuse employment to the applicant.
4. If the department or agency head refuses to comply, the board must notify the president, and on January 15 of each year the board must advise congress of the status of cases which have been referred to the president for action.

Seed from a 500-pound bale of cotton will yield 140 pounds of vegetable oil, 400 pounds of cattle feed, 240 pounds of hulls and 21 pounds of linters.

Doctor's Discovery FOR FLUSHING KIDNEYS

Backache, loss of pep, getting up nights, and headache are often caused by nothing more than improper kidney action due to excess acid in the urine. Kidneys are one of Nature's ways of removing impurities from the blood. And when these impurities back up, trouble may start.

If you have these troubles, give your kidneys and bladder a good flushing out by taking Dr. Kilmor's Swamp-Root. It works on the kidneys to flush them out, increasing the flow of urine to help relieve that excess acidity and ease that burning when you pass water, helps that bladder irritation that gets you up nights.

Made of 16 herbs, roots, vegetables, and balsams, Swamp-Root is absolutely non-habit forming. Caution: take as directed.

For free trial supply, send to Dept. Z, Kilmor & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your druggist.

New Labor And Liquor Bills Being Studied By Gov. Jester

AUSTIN, June 13. (P)—Gov. Beauford H. Jester continued his study today of a bill to prohibit secondary strikes which has been on his desk since the legislature adjourned.

Yesterday the governor indicated he would act on the measure within the next few days. He said

there was a question involved as to whether a penalty provided in the bill conflicted with the penalty provided for a similar offense in a bill passed previously.

Jester also indicated that he would give a decision the first of next week on a House bill which would allow "wet" precincts with

in "dry" counties. He said he had received a deluge of telegrams and letters both for and against the bill. "Both sides have really turned the heat on," he commented.

Jester said he had received a number of communications concerning his approval or disapproval of a bill which would outlaw fraternities and sororities in public high schools.

Another unsigned bill which has aroused public interest is one which would require county commissioners to raise the salaries of employees in counties of 60,000 to 100,000 population.

At his press conference yesterday Jester said he had signed a bill which changes the name of the Texas Unemployment Compensation Commission to the Texas Employment Commission. The agency will continue its operation as in the past.

Lawmakers Get Death Notes

WASHINGTON, June 13. (P)—Rep. J. Parnell Thomas (R-N.J.), chairman of the House Un-American Activities Committee, reported he has received a letter threatening him with death and has turned it over to the FBI.

Thomas told a reporter the three-page, hand written letter warned him of death in June and Rep. Rankin (D-Miss), a committee member, of death in July.

Thomas said one part reads: "This is not a threat or warning or bargaining. Can't bargain with a super race. It is simply a death notice."

The letter is signed "finis"—Latin for "end."

Thomas said the letter is of a more serious tone than many other "crackpot" letters that are received frequently.

Thomas further quoted the letter: "May I be the first to inform you that you will be relieved of your duties in June. In fact you won't have duties. There will be a resistance movement of righteous people, white and black, that will make any underground look silly."

"Your most logical successor, Rankin, would be silly because his month is July."

Russia's Grain Helped By Rains

MOSCOW, June 13. (P)—Prospects for a bumper grain crop in Russia this year were brightened this week as heavy rains fell in virtually every part of the northern, western and southern U. S. S. R.

"The first stage in the struggle for a great harvest has been successfully realized in the southern areas," Pravda editorialized. "In most collective and state farms spring sowing has been carried out in more organized fashion than last year and greater use has been made of agro-technology and experience."

Pravda added that the most important task lay ahead—"the collection and delivery of the grain."

US Government Gets Parking Ticket

PROVIDENCE, R. I. (P)—A postal truck was lagged for illegal parking. Postmaster Raymond A. Crogan, hoped police would forget the matter.

"I don't know where we would get the dollar," he protested. "We would have to write to the first assistant."

Police Capt. Earl F. Adams is adamant. "If the fine isn't paid," he warns. "I'll take action against the truck owner."

"The government owns the truck."

Philadelphia Speed Limits A Problem

SALT LAKE CITY, June 13. (P)—The traffic cop stopped the lady and in time-honored fashion inquired whether she knew the speed limit on West Temple Street.

The lady didn't. She got a ticket. Appearing to pay the fine she told Judge Reva Bosone:

"A little later I asked him if he knew what the speed limit was on Highland Drive. He didn't and it looks to me like someone else needs a little schooling on speed limits."

A&M To Award 26 Scholarships

COLLEGE STATION, June 13. (P)—Winners of 26 Texas A&M Opportunity Award Scholarships for 1947 will be announced at a luncheon here Saturday.

R. Henderson Shuffler, director of the annual program, said a number of Texas business, professional and industrial leaders has been invited to the session by Gibb Gilchrist, president of A&M.

The awards are given through statewide competition on the basis of scholarship, leadership, character and need, and were started in 1946 when the A&M Association of Former Students and others offered 17 scholarships.

The sponsors this year are the Texas A&M College Association of Former Students, donor of 10 scholarships; Jesse H. Jones of Houston, donor of six agricultural scholarships; the Will Rogers Memorial Fund, two scholarships; and one each from the following: James Robert Astin Memorial Fund, Julia Ball Lee Memorial Fund, Albert B. Banta Estate of Shreveport, La.; John S. Redditt of Lufkin, San Antonio A&M Mothers' Club, Wofford Cain, Southern Union Gas Company of Dallas, Southwest Reserve Life Insurance Company of Longview and R. E. Hodgson of Lubbock.

Greek Army Starts Mountain Offensive

ATHENS, June 13. (P)—The Greek Army clamped a blackout on operations in the Olympus-Piera mountain area today, where it was reported that a new phase of the offensive against the guerrillas was underway. One informed source said that approximately 12,000 men were engaged in the newest operations.

The area is bounded by the Aliakmon river on the west, Khasia and the lower Olympus mountains to the south and the gulf of Salonika on the east.

Mexico Cuts Fee For Tourist Entry

LAREDO, June 13. (P)—The Mexican government has given American tourists a break. The fee for tourist automobiles entering Mexico from the United States side of the border has been slashed from ten pesos to fifty centavos. In U. S. money, this is a cut from \$2 to eleven cents.

The reduction went into effect Monday and was ordered by a presidential decree.

Horse Sense Opposes One Way Street Sign

PHILADELPHIA, June 13. (P)—A horse pulling a mail wagon on a northbound one-way street refused to go any way but southbound. The result was a traffic jam and a curious crowd—but nobody knew the cause until a farmer in the crowd stepped out and observed that the sun was hitting the street.

"That horse is afraid of his shadow, that's all," he commented.

Oil Field Tradesforemen!

THERE ARE EXCELLENT OPPORTUNITIES FOR YOU IN SOUTH AMERICA!

An American oil company—affiliated with Standard Oil Company (N. J.)—has excellent openings for the following experienced tradesforemen:

ELECTRICAL FOREMAN: With at least 3 years' supervisory work in large industrial plants; qualified to take charge of field electrical work, construction and maintenance.

GARAGE FOREMAN: With at least 5 years' experience on cars, trucks, tractors, including Ford trucks with Coleman 4-wheel drive; qualified to supervise electrical and gas welding.

DIESEL FOREMAN: With at least 5 years' experience, including Diesel equipped drilling rigs. Must be of supervisory caliber.

MARINE REPAIR FOREMAN: With at least 5 years' experience, preferably marine engineer ticket; experienced on heavy duty Diesels up to 500 h.p.; qualified to repair hulls of small craft.

PRODUCTION FOREMAN—OIL FIELD: Thoroughly qualified field production foreman familiar with well hook-ups, pumping, etc.

TOOLPUSHERS: With at least 1 year as supervisor.

Liberal salaries—premium for foreign service—other cash allowances—generous savings and retirement plan—paid vacations in the U. S. plus travel expenses—excellent chances for promotion.

Write us telling of your age, education and experience. Your letter will be held strictly confidential.

Two Visiting Pastors To Speak Here Sunday

The Rev. Jimmie Parks, Waco, and the Rev. Walter Symank, Foley, Ala., have been announced as guest pastors for the Sunday morning services at two local churches. The Rev. Parks will deliver the sermon at the East Fourth Baptist church and the Rev. Symank will speak at St. Paul's Lutheran church.

The Rev. Parks, who is doing graduate work in Baylor University, will conduct both the morning and the evening services at the East Fourth Baptist church.

The Rev. Walter Symank, pastor of the Lutheran church in Foley, Ala., will speak at the 11 a. m. divine worship hour at St. Paul's Lutheran church Sunday.

Using the lesson from John 3:16-18, the Rev. Symank will build his sermon about "God's Gift of Grace to a Sinful World." Holy baptism has been scheduled for the regular morning services.

Christian doctrine lectures may be heard at 8 p. m. Wednesday at the church.

Rev. Aubrey White New Pastor At Wesley Church

Dr. P. D. O'Brien will deliver a special sermon in commemoration of Father's Day Sunday morning at the First Baptist church. Entitled "Wanted—A Man to Stand in the Breach," the theme is taken from Ezekiel 22:30. The services will be heard over KBST at 11 a. m.

At the 8 p. m. services, Dr. O'Brien will speak on "The World Upside Down," taking his text from Acts 17:6.

Evening worship at the First Methodist church will begin at 8 o'clock Sunday, to continue through the summer months, instead of at 7:30. Dr. C. A. Long, pastor, has announced.

Dr. Long will speak on "A Dad Who Could Take It" at the 11 a. m. worship Sunday.

The Rev. W. R. McClure, pastor of the Church of the Nazarene, has announced that he will discuss "Life to the Full" at the 11 a. m. service Sunday. Sunday school will begin at 9:45.

"Achan, the Covetous" is the sermon topic for the 8 p. m. worship.

REV. AUBREY F. WHITE

New minister in Big Spring is the Rev. Aubrey F. White, who preaches his first sermon Sunday as pastor of the Wesley Methodist church, 12th and Owens Sts.

The Rev. Mr. White comes here from Clyde, where he was pastor for two years. During that time a \$5,000 educational building was built and paid for, and 85 were added to the church membership, 51 on profession of faith. The new minister here also served at Grace Methodist church, Abilene, for four years. He is a graduate of McMurry college, Abilene, and attended Southern Methodist, Dallas.

The Rev. and Mrs. White are parents of three sons, ages four, eight and 15.

"A Great Church" will be the new pastor's topic at the 11 a. m. worship Sunday. The topic will be based on Matthew 16:18. In the evening, Rev. Mr. White will speak on "The Blessedness of Forgetting."

Bridge Club Meets In Schwarzenbach Home

Mrs. H. G. Schwarzenbach, 711 Scurry street, was hostess for the meeting of the Thursday Bridge club Thursday afternoon.

Mrs. Maurice Koger won high score, Mrs. R. E. McKinney, second high and Mrs. Woody Ramsey, low.

Guests were Mrs. Earl Cooper, Mrs. Ramsey, Mrs. Hudson Landers, Mrs. W. E. Ramsey, Mrs. Pete Harmonson and Mrs. Nina Rose Walker, who joined the group for tea.

Other members present were Mrs. James Edwards, Mrs. Don Burke, Mrs. Sonny Edwards, Mrs. Wayne Prather, Mrs. Vance Lebkowsky and Mrs. Stormy Thompson.

Mrs. C. M. Pheland, 308 Princeton street, will be hostess for the next meeting, June 26.

Jimmy Don Williams Honored On Birthday

Jimmy Don Williams, son of Mr. and Mrs. A. C. Williams, was complimented with a party on his sixth birthday Tuesday.

Pink and white were the colors featured in decorations. The birthday cake was pink and white decorated with bluebirds.

Games were played and refreshments served to Sherry Lou Coats, Mickey Russell, Larry Neece, Marie Neece, David McClanahan, Ronnie Burch, Gay Nell Lane, Kenneth Lane, Bobbie Lou Lane, Linda Russell, Charles Earl Russell, Curtis Wynn, Rodney Johnston and Bo Cloud.

Royal Neighbors Have Business Meeting

The Royal Neighbors convened Thursday afternoon in the WOW hall for a routine business session.

Members present were Mrs. Shelby Hall, Mrs. J. T. Byers, Mrs. Alice Wright, Mrs. J. F. Nabors, Mrs. Oma McClenahan, Mrs. Myrtle Orr and Mrs. W. M. Gage.

Bykota Class Members To Have Steak Barbecue

Members of the Bykota class of the First Baptist church will be entertained with a steak barbecue Saturday 7:30 p. m. at the city park.

Members and families are urged to attend.

Girl Scout Day Camp To Organize

Official organization of the 1947 Big Spring Girl Scout Day Camp will be at 9 a. m. Monday.

Scouts are to meet at the amphitheater at 8:30 a. m. for a song fest. A meeting of counselors will be held at 8:30 A. M. also.

Each day's program will open at 8:30 p. m. with a song directed by Reba Roberts, Donnie Roberts, Jean Cornelison and Mrs. Joe Haddon.

Swimming classes will be conducted each morning by the Red Cross. Emphasis will be placed on outdoor cooking, building fires, nature study and sketching. The museum will be open to the group during the week.

There will be a story telling period each afternoon at 2:15 p. m. directed by Billie Jean Younger, Joyce Worrell and Pat Phillips.

Instruction in sketching is scheduled each afternoon under the supervision of Mrs. O. N. Waters, Mrs. Mary C. Lock and Tommie Ann Hill.

Mrs. H. W. Smith is in charge of the office work, and records. Mrs. Ross Boykin will be camp nurse. Arah Phillips is the camp director.

The camp will close Friday. Registrations will be accepted through Monday.

Mrs. J. A. Crosland Is Complimented With Farewell Party

Mrs. James A. Crosland was complimented with a farewell party Thursday afternoon by Mrs. W. J. Garrett, 412 East Park street.

Mrs. Crosland will join her husband this week in Gulfport, Miss. Games of bridge were played with Mrs. Roy Lassiter winning high and Mrs. Buel Fox, second high.

Mrs. Garrett presented Mrs. Crosland with a gift.

Others present were Mrs. Ben Hogue, Mrs. O. L. Grandstaff, Mrs. R. E. Lee, Mrs. Wayne Parrish and Mrs. William J. Swann of Sterling City.

XYZ Club Members Elect New Officers

Mrs. Arthur Caywood was elected president of the XYZ club at their dinner meeting Thursday evening in the Hotel Crawford.

Other officers chosen were Mrs. Vernon Logan, vice president and Mrs. W. D. Caldwell, secretary.

Hostesses for the meeting were Mrs. H. Canning, Mrs. Felton Smith and Mrs. Ralph Wyatt.

In games following the dinner, Mrs. K. R. Swain won high and Mrs. J. A. Culver, bingo at bridge and Mrs. R. B. Talley, high and Mrs. Martelle McDonald, bingo at 42.

Others present were Mrs. O. L. Nabors, Mrs. Harlan Choate, Mrs. Archie Marchant, Mrs. W. C. Carr, Mrs. W. D. Caldwell, Mrs. Harvey Wooten, Mrs. Charles Staggs, Mrs. G. G. Morehead, Mrs. A. McNary, Mrs. H. C. McNabb, Mrs. Carl Gross, Mrs. W. N. Norred, Mrs. Woodrow Campbell, Mrs. V. A. Whittington, Mrs. Doug Orme, Mrs. J. D. Jones, Mrs. Choeffe and Mrs. W. B. Younger.

Visits And Visitors

Five Big Spring couples have returned from Buchanan Lake where they spent a week on a fishing outing. In the group were Mr. and Mrs. Bernie Freeman, Mr. and Mrs. James Evans, Mr. and Mrs. Jack Cook and daughter Mr. and Mrs. V. A. Whittington and daughter, James Campbell and Mr. and Mrs. Woodrow Campbell.

Mr. and Mrs. Ross Shultz of El Paso, Mr. and Mrs. C. C. Shultz of Midland, Mrs. L. B. Bonner of Sweetwater and Mrs. H. R. Gwynn of Lott are visiting in the home of Mr. and Mrs. C. J. Shultz, 204 West North 2nd.

Mrs. Gage Lloyd and children will leave Monday for Kerrville where Mrs. Lloyd expects to participate in the Westminster encampment. Rebekah Lloyd is to attend Shriner Institute during its eight-week term while the Lloyds are in Kerrville.

Doris Jean Morehead, daughter of Mr. and Mrs. G. G. Morehead, left Tuesday for Ridgecrest, N. C. where she will attend a Baptist Training Union encampment for ten days.

Bluebonnet Class Meeting Is Held

Bluebonnet Class members of the First Baptist church met Thursday evening in the home of Mrs. Gene Nabors for a business meeting.

Present were Mrs. J. E. Hogan, Mrs. John McIntosh, Mrs. Dalton Carr, Mrs. O. H. Daily, Mrs. D. E. Meier, Mrs. H. M. Hall, Mrs. Winsett Nance, Mrs. Frank Timmons, Mrs. Howard Ewert, Mrs. Gene Combs, C. E. Sandridge, Mrs. L. C. Hill, Mrs. R. C. Thomas, Mrs. F. L. Ashley.

In some parts of the United States, lightning strikes electric transmission lines an average of once a year for every mile of line.

Three Vacation Bible Schools Have Total Enrollment Of 365

Three vacation Bible schools with a total of 65 young people enrolled today concluded their first week of activity. The Westside Baptist church Bible school ended Thursday, the First Methodist closes tonight, and the Airport Baptist summer courses will have commencement exercises Tuesday evening.

Vacation Bible schools at the Presbyterian and Assembly of God Citadel are to continue through churches and the Salvation Army June 20.

The junior department of the Presbyterian church is doing research work in connection with a course in nature study. Included in their study program have been field tours and framing specimens of leaves for display. Enrollment for the summer courses is 66, and the Rev. Gage Lloyd has had the assistance of a faculty of 15. Commencement exercises are announced for 11 a. m. June 20 and a picnic likely will be given the preceding Thursday.

The First Methodist church will end its summer Bible school this evening with a special program in which each department will participate. Commencement will be at 7:30 for the 100 students enrolled and 50 certificates are to be handed out. Some 20 workers conducted the Methodist Bible school.

The Rev. Donald Walker of West Park, Ark., is guest director at the Assembly of God vacation Bible school where 113 children are enrolled. According to the Rev. R. E. Winter, pastor, the enrollment is expected to climb to 200 before the school closes June 20. Commencement at the Salvation Army Citadel has been listed for 11 o'clock Friday morning June 20, to be followed by a picnic for students and faculty at the city park at noon. Total attendance to the vacation Bible courses has been placed at 240, with an average enrollment of 80.

The Airport Baptist church vacation Bible school is continuing in its final week with a total of 106 enrolled.

Evelyn Dees, J. W. McIntosh Marriage Told

Announcement has been made of the marriage of Evelyn Dees, daughter of Mr. and Mrs. M. T. Dees of Austin, to Johnny W. McIntosh, son of Mrs. Bertha McIntosh of Big Spring, May 28 in the home of the bride's parents.

The Rev. Blake Smith read the ceremony.

The bride wore a white linen suit fashioned with a fitted bodice and flared peplum back. She carried a white Bible topped with white gladiolas and lilies of the valley tied with satin streamers.

Delta Dees, sister of the bride, was maid of honor and Doris Dees, another sister, was bridesmaid.

R. E. Blount, Jr. of Big Spring was best man and Charlie Parker of San Antonio and R. W. Dees, brother of the bride, were ushers.

A reception was held immediately following the ceremony.

The bride attended the University of Texas and was employed by the department of English. McIntosh also attended the University of Texas. He is a member of Sigma Phi Epsilon fraternity. He served overseas with the Navy two years.

The couple is attending the Howard County Junior College until September when they will return to the University of Texas.

Couple's Class Has Meeting To Consider Candidates For Teacher

Members of the Couple's Sunday school class of the First Methodist church held a business meeting Wednesday evening in the home of Mr. and Mrs. A. J. Haines, 1612 Donley street.

The purpose of the meeting was to consider possible candidates for a class teacher.

Present were Mr. and Mrs. Omar L. Jones, Mr. and Mrs. Arnold Marshall, Mr. and Mrs. Howard Thompson, Mr. and Mrs. C. C. Williamson, Mrs. Clyde Johnston, Mrs. Harry C. Johnson, Mr. and Mrs. William H. Gray and Mrs. Howard Fallsbury.

James A. Crosland left Big Spring Friday for Gulfport, Miss. where he will become manager of a steamline company. Mrs. Crosland will join Crosland shortly.

Dude Camden of Maracaibo, Venezuela was a visitor Wednesday in the home of Mr. and Mrs. Ed Henze.

Legal Notice
THE STATE OF TEXAS
TO: EDWARD D. WHEELER and PUBLIC FINANCE CORPORATION, GRETTING.
You are commanded to appear and answer the plaintiff's petition as follows:
Plaintiff is suing to recover storage charges accrued on and against a 1938 Pontiac Coupe automobile Motor No. 14180, left in storage with Crawford Hotel Storage in City of Big Spring, Texas, on September 18, 1945; plaintiff alleges the amount due for storage is \$185.00; that plaintiff is the owner of said claim for storage and asserts and seeks to foreclose lien on said automobile, and alleges the value of said automobile to be \$200.00.

Legal Notice
otherwise not to exceed ten (10) years period of time, shall re-allocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5) Cent ad valorem tax for said ten (10) year period, and all designated institutions of higher learning which participate in the allocation of such funds shall not thereafter receive any other state funds for the accounting or construction of buildings or other permanent improvements for which said Five (5) Cent ad valorem tax is levied, provided that in the event of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enforcing. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasurer in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants issued out of the special fund hereby created for said purpose.

Legal Notice
Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the state on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon:
"FOR the amendment to Article VII of the Constitution of the State of Texas, adding Section 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; and for the financing of the construction and equipment of buildings and other permanent improvements at the Agricultural and Mechanical College of Texas and the University of Texas."
"Against the amendment to Article VII of the Constitution of the State of Texas, adding Section 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; and for the financing of the construction and equipment of buildings and other permanent improvements at the Agricultural and Mechanical College of Texas and the University of Texas."

ONE LAXATIVE IS ENOUGH

SOME POLKS keep many kinds of laxatives on hand. They include weak, mild, strong and harsh types for different members of the family. Actually, all you need is a single bottle of new, improved ADLERIKA, the FAMILY LAXATIVE. It's a scientifically compounded "Tone-Up" laxative originated by a doctor. It works quickly, but gently, to move waste through the digestive tract. Stimulates sluggish intestinal muscles equally well for youngsters or older people. Try it and you will learn why over 20,000,000 bottles have been sold. Contains use only as directed.

New Items In Local Museum

Several items which were associated with early history of Big Spring and West Texas have been submitted to the West Texas Memorial museum for public exhibition by Shine Phillips.

Included in the group are a graduate, several DeSoto sticks and a cork screw which belonged to Earl of Aylford.

The mortar was used in Big Spring's first drug store, which was housed in a tent on what is now First Street. It was used by Dr. Prince in 1879 and later by Dr. D. W. McIntyre. The pharmacist's graduate was used by Dr. McIntyre in 1882.

Brought here from Louisiana or Southeast Texas, the DeSoto sticks are of the same type that were used to mark the Staked Plains. They were found buried near Monahans.

All of the articles were given to the Cunningham and Phillips Drug stores by L. F. McKay, and they have now been submitted to the Business and Professional Women's club to be prepared for display at the museum.

Wm. H. Hicks Dies In Hospital

Services will be held at 10 a. m. Saturday in the Nalley chapel for William Henry Hicks, 76, who died in a local hospital early Friday following an illness of brief duration.

The body will be taken overland to Lubbock, where his wife, who died in 1939, is buried, for interment at 3 p. m. Saturday. The Rev. Cecil Rhodes, West Side pastor, will be in charge of the funeral.

Surviving Mr. Hicks are six sons, Arthur Hicks, Abilene, Ervin Hicks, Roscoe, Alvin Hicks, Odell Hicks, Orvie Hicks, Brownfield, and Lawrence Hicks, Seagraves; and three daughters, Mrs. Ethel Sellers, Alice; Mrs. Effie Roberts, Texas City; and Mrs. Lucille Albright, Big Spring.

He also leaves 30 grandchildren and 18 great-grandchildren.

Man Convicted On Driving Charge

Dean Louis Hamrick, who had entered a plea of "not guilty" to the charge of driving while under the influence of intoxicants, was fined \$50 and costs in a trial by jury completed in county court Thursday afternoon. In addition, his driver's license was suspended for six months.

Luvan Flores, held on a similar charge, changed his plea from "not guilty" to "guilty," and was fined \$75 plus court expenses by Judge Walton Morrison.

Hold Batting Drill

Members of the Nathan's Jewellers, local semi-pro baseball club, will hold a batting drill at the Bombardier school west of town, Manager Freddy Acton has announced.

The Gem Setters were supposed to play Roscoe here last night but the game was cancelled at the request of the local management.

Park Your Auto In Right 'Stall,' Chief Requests

Although violations of parking regulations have decreased sharply, one frequent discrepancy continues to create a handicap in the business district, the police department reported today.

Closer observation of parking lines, especially in the meter area, will eliminate the trouble, W. D. Green, acting chief of police, said.

Green pointed out that some motorists park their machines with apparent disregard for lines which have been painted on the streets, and in some cases they take up two parking spaces despite the fact that their vehicles are in position in relation to the parking meter.

The lines have been painted at the correct angle, and drivers should stop their cars within the designated boundaries, with the parking meters directly in front of the windshield, Green said.

Salvation Army To Hold Swim Classes

On the basis of a survey in connection with the current Vacation Bible school at the Salvation Army, three swimming classes are contemplated.

Capt. Olvy Sheppard said that approximately two-thirds of those attending the school, or 60 youngsters, said they could not swim.

Accordingly, Monday the first session of three classes will be held at the Munny swimming pool for candidates. On the basis of enrollment in the sections, plans will be developed for continuation of the classes.

Capt. Sheppard plans to teach the nine to 12-year old boys; Leon Breidmeyer the 13-17-year old boys, and Mrs. (Capt.) Sheppard the nine to 15-year old girls. Tentatively, two sessions per week are contemplated for four to six weeks.

Berry Will Assume Nat'l. Guard Duties

AUSTIN, June 13. (AP)—When Lt. Gen. Fred L. Walker's resignation as commander of the Texas National Guard becomes effective July 31, State Adj. Gen. K. L. Berry will take over the duty temporarily, Gov. Beauford Jester has announced.

The governor said he planned no appointment to the post before the effective date of the resignation.

Walker's resignation was announced Wednesday.

Weather Forecast

Dept. of Commerce Weather Bureau

BIG SPRING AND VICINITY—Cloudy to partly cloudy, somewhat cooler this afternoon. Warmer Saturday. Expected high today 77, low tonight 60, high Saturday 77.

WEST TEXAS—Clear to partly cloudy, not quite so warm in northern and upper portions of Pecos Valley eastward this afternoon. Little change in temperature tonight; warmer in Panhandle and South Plains Saturday.

WART TEXAS—Partly cloudy, scattered showers in northern and central portions; not quite so warm in north and west central portions this afternoon. Little change in temperature tonight; warmer in north and west central portions Saturday.

Markets

PORT WORTH, June 13. (AP)—Cattle 1,100; calves 350; steady to weak. Medium good in northern and western. Hogs 18,000-21,000; few good fat cows around 17.50; common to medium 12.50-16.50; good choice fat calves 12.00-22.50; medium butcher calves 13.50-18.00; stock calves and yearlings 15.00-22.50. Hogs 200; butcher hogs steady with top 25.75; good and choice hogs 18.00-30.00. Sheep 2,500; good and choice 15.00-17.50; 23.25-24.50; some strong to unevenly high at 20.50-21.50. Sheep 7,800; generally steady; medium to good spring lambs 17.00-20.00; medium to good shorn lambs 16.00-19.00; stocker and feeder lambs 10.00-15.50; old ewes an aged wethers 4.00-6.00.

NEW YORK, June 13. (AP)—Cotton futures sold off more than 1/2 a bale in early dealings today but displayed rallying tendencies in later dealings. Bearish liquidation was influenced by favorable private crop reports and continued mill strike of surplus cotton. Active covering in nearby July accounted for the later upturn.

WALL STREET
NEW YORK, June 13. (AP)—Demand for stocks lightened considerably in today's market as a number of leaders retreated fractionally although occasional resistant spots persisted.

Dealings proceeded at the quiet pace that characterized early sessions this week. Definite direction was lacking, and near midday, the list presented a mixed appearance.

American Telephone dipped to another new 1947 low.

Psychiatrists On Staff Of Big Spring State Hospital

Failure of the 50th legislature to provide for psychiatrists at the Big Spring State hospital does not mean that there are no psychiatrists on the hospital staff.

As a case in point, Dr. A. M. Bowden, superintendent and medical director, cited Dr. John P. Howser, a member of the staff, who is a member of the American Psychiatric association and has had 20 years experience in the field. He was formerly with the Veterans Administration as a psychiatrist before his retirement. Dr. Bowden considers him one of the outstanding psychiatrists in the state.

Most of the other staff members, under terms of the legislature's definition (physician with six years experience in treatment of mental diseases) could qualify as psychiatrists.

Under terms of the eleemosynary bill, the distinction between psychiatrist and physician is largely in a salary differential. For some reason, the legislature failed to list a psychiatrist designation for Big Spring State hospital, despite the fact that there are staff members who satisfy the requirements.

Only one reason could be ascribed: That the Big Spring State hospital is the smallest of the state's hospitals for mentally ill and carries a modest patient load in comparison to others.

Funds

(Continued From Page One)

granted was \$1,380,052,335 less than the VA has this year.

The committee said its cut would not impair veterans' benefits or require the reduction of "even one penny in financial assistance" to eligible veterans and their dependents.

The committee cut \$38,959,220 from administrative funds to force a reduction of 10,000 in the number of VA employees, leaving 205,000 for next year.

Civil Service commission: cut \$759,000 from the \$280,063,000 it requested, with the explanation that the number of federal employees is expected to drop from 2,100,000 on June 30 of this year to 1,500,000 a year later.

Federal Communications Commission: given \$1,260,000 less than the \$7,300,000 it sought and denied \$375,000 for a special telegraph investigation.

Federal Works agency: given \$332,375,727 of the \$378,260,059 it asked. The committee cut \$5,000,000 from the grade-crossing program and \$31,288,854 from the federal-aid postwar highway program.

National Advisory Committee for Aeronautics: given all but \$390,000 of the \$43,839,000 it asked, including funds for developing guided missiles and planes of unprecedented speed to keep the U. S. on top in aviation.

One Of Suspects Wanted Here Gets Prior Sentence

Sheriff Bob Wolf, who went to Canyon Thursday to pick up two men wanted in connection with the theft of half a dozen pigs from the Big Spring State hospital, returned with only one.

E. C. Parker, one of the accused received a 15-year sentence in that city on a statutory charge and will be sent directly to the state penitentiary at Huntsville.

John Cantrell, who was sentenced to four years in Canyon on a charge of stock theft, will undergo trial here. He is confined to the county jail.

Blue Lodge Elects Gross As Master

Eugene Gross was elected worshipful master of the Masonic Blue Lodge when officers were named Thursday evening.

He succeeds Bert Shive as head of the lodge. Gross will be succeeded as senior warden by T. R. (Cattfish) Morris. Other officers elected were A. A. McKinney, junior warden; G. W. Dabney, treasurer; Bill Lowe, secretary; and H. D. Stewart, tiler. Installation is scheduled for later in the month.

Knott School Bid Deadline Is Set

Bids for six Knott school buildings, placed on the auction block when it became assured that the new \$90,000 brick building would be ready for occupancy by the fall term, must be in the hands of either the county superintendent or Homer Barnes, superintendent at Knott, no later than 2 p. m. Saturday.

The Knott school board, which must pass upon the offers, have the privilege of rejecting "any or all the bids."
