

By Hop Jr.

If last week's false storm warnings don't convince you of the general uselessness of professional weather forecasters, we don't know what will.

Thank goodness, March is just around the corner, and the annual forecast of J. W. Crim is once again at hand.

It has become our unpleasant duty to complain publicly of the lack of cooperation from some of what should be a newspaper's most helpful news sources.

Again this past week, The Tribune was "scooped" on a local news story by the Clovis News-Journal, when it could easily have been turned in to the local newspaper.

From time to time, we hear complaints from our readers, and even from our advertisers, that we do not give the proper emphasis and coverage on news events from this community.

On the whole, we believe that we have a rather enterprising news staff, but they are not Scotland Yard graduates, and it shouldn't be necessary for them to have to hunt out a story in the fashion of a detective looking for clues.

A newspaper cannot do a good job of reporting the news, no matter how hard it tries, without the full cooperation of its sources, and the person on the street or in an office who helps us with an occasional thoughtful tip has just as much to do with getting a story into print as does the reporter.

A Tribune staffer called on the Texico school three times last week in a search for news. "Nothing much doing," she was told, and then, the day after The Tribune was published, came the story in the Clovis daily.

We don't want to hog the show. All we ask is an even break. If we can receive the same consideration as an out-of-town newspaper, we'll be satisfied.

And we're not mad. Just hurt. We wish Bovina much success in carrying the District 3-B basketball banner into 1956, and we hope, state competition.

This is one year it was a shame to see two good basketball teams fight it out in one small district, and oddly enough, Farwell would have been better off if it had been a Class A school and not had to play that "week" (Continued On Last Page)

Baptist Revival Starts Tomorrow

Services tomorrow (Friday) evening at 7:30 will open a 10 day revival at First Baptist Church, Farwell. Prayer meeting will be held at 7:30 with evening preaching services starting at 8 o'clock nightly through Sunday, March 3.

Rev. George Brittain, pastor of the First Baptist Church of Grants, N. M., will be guest evangelist for the meeting.

Rev. Brittain started his college training at Grand Canyon Baptist College in Prescott, Ariz., where he studied for two years.

From there, Rev. Brittain enrolled at Wayland College in Plainview where he was graduated in 1953.

During his stay at Wayland, Rev. Brittain was pastor of the Sunny Side Baptist Church of the State Plains Association. He moved to Grants in September 1954.

Rev. E. J. Keith, pastor of the local church, says that the goal for Sunday School attendance this Sunday (February 26) is "at least 200." Training union attendance goal for the same date is 100, says Rev. Keith.

Rev. Keith adds that he feels certain that everyone will enjoy hearing Rev. Brittain preach and would like to extend a cordial invitation to everyone to attend any or all of the revival services.

All-District Boys

These boys and girls were chosen as District 3-B's most outstanding players for 1955-56. On the all-district boys' team were, left to right (back row), Erith Hawkins, Bovina; Bert Williams, Farwell; Edward Pinnell, Ad-

rian; (front) Jimmy Oliver, Lazbuddie; and Eddie Smith, Farwell. Members of the girls' team (back row), Erma Jordan, Adrian; Glenna Davis, Farwell; Joy Smith, Lazbuddie; Linda Kube, Farwell; (front) Jackie

Phillips, Vega; Nealy Steinbock, Lazbuddie. Not present for the picture was Janie Alverson of Bovina. Two girls tied for the honor of being on the all-district team, and both were included.

L'buddie To Meet Amherst

Lazbuddie girls, winners of the District 3-B basketball championship, will meet the team from Amherst in the first round of regional play at the Springlake gym on Tuesday night, February 28, at 8 o'clock.

Semi-finals and finals of the regional tourney will be played at West Texas State gymnasium in Canyon on Friday and Saturday, March 2 and 3.

Should the Lazbuddie squad beat Amherst, they will meet the winner of the Roosevelt-Bula game at Canyon on Friday night, March 1, at 7 o'clock.

Holding a 27 won and 3 lost record for the season, the Lazbuddie team did not lose a single conference game, although Bovina, another 3-B district title contender, defeated them in non-conference play.

Lazbuddie has been beaten by Amherst, the team they meet Tuesday, earlier this season by a 53-45 score.

C. W. Dukes, a graduate of Texas Tech, is Lazbuddie's coach.

Has Beens Meet Young'Un's Tonight In Cage Benefit

Farwell gymnasium will be the scene of a benefit basketball game tonight (Thursday) at 7:30 when the "Bloomer Boys," featuring such renowned cage artists as Jack Williams, Calvin Murray, Prof Morton, R. B. Tucker, L. B. Penick, James Allen and Dal Hartsell, meet the "Futures," Farwell's prospects for next year's A squad, in what promises to be one of the greatest sports attractions of the season.

Although Hartsell is not a regular member of the Farwell faculty, he is visiting teacher for all county schools, and therefore has been "asked" to participate, according to Calvin Murray, Farwell athletic director.

Main event of the evening will be a game between the present A team and the Steer exes. This game will be played immediately following the "Bloomer Boys" vs. "Futures" classic.

Admission to the games will be 50 cents for adults and 25 cents for students. Murray says that the funds are to be used to finance spring sports—track, baseball and volleyball.

Officiating for the duels will be Earl Childers, and Herman Milford will be gatekeeper.

Council Organized To Push Vegetables

Farmers, businessmen, and others interested in bringing organized production of fresh vegetables to the Plains met together at Plainview February 14 and brought into being the West Texas Vegetable Council, the first large-scale group of its type ever to appear in this part of the state.

Although the constitution and by-laws of the organization are now in a formative stage, it is no secret that the aim of the Council will be to bring about a survey of the possibilities of large-scale vegetable production in the region, and to

1954 Retail Sales Jump 86.8% Over 1948 In Parmer County

Sales through retail establishments in Parmer County totaled \$8,204,000 in 1954, according to a preliminary report by the Bureau of the Census, U. S. Department of Commerce.

This was an increase of 86.8 percent over sales in 1948 of 78 stores at \$4,391,000. Stores with payroll in 1954 numbered 63, had 214 paid employees in November 1954, reported payroll of \$545,000, and accounted for sales of \$7,594,000. Proprietors of unincorporated businesses number 89.

Parmer County retailers were beaten out at the check stands by Bailey County with \$11,213,000 sales from 105 businesses, and Deaf Smith County with \$16,889,000 in sales from 146 establishments; but did manage to edge Castro, its neighbor to the east, which had total sales of \$6,920,000 in its 59

retail stores.

Other vital statistics on Parmer County's businesses:

There were 20 food stores with sales of \$1,827,000, four restaurants or cafes with \$128,000 in receipts, five general merchandise stores for \$133,000 in sales, and four apparel stores having a combined \$152,000 gross.

The five automotive businesses

did a total gross of \$1,645,000, the 17 gasoline stations turned in \$754,000, the lumber, hardware and farm implement dealers grossed \$1,988,000, and other businesses took in \$1,176,000.

Individual statistics were withheld for drug stores and furniture and appliance dealers to avoid disclosures because of their small number.

Farm Organizations Drive for Members

Parmer Farmers Union In Membership Drive

The first annual membership drive of the Parmer County Farmers Union was started Monday, just four days before the organization became a year old. The first meeting of the Union was held in Bovina February 24, 1955, in which fifteen members were signed up. At the close of the first day of the 1956 drive 128 members had been enrolled in the local organization, says W. L. Edelman, Friona, president.

During 1955, rapid strides were made with many activities being carried on, he says. A representative of the Parmer county group (Continued On Last Page)

FB Membership Drive To Begin Soon

E. T. Ford, Parmer County FB vice-president and membership chairman, announced this week that the annual membership drive is getting under way. Community captains and their wives will meet in the Friona Club House Monday night, February 27th, to prepare team areas for working teams to cover on Tuesday, March 13.

On hand to assist in the planning session will be O. K. Hoyle, state field supervisor, and Joe Ed Sullivan, district field supervisor.

Objectives of the drive are three-fold, said Ford:

- 1. Get new members. 2. Inform present members. 3. Discover new leaders. Special emphasis is being placed on information this year, to develop a more active membership. Two other meetings will follow the (Continued On Last Page)

Spurlin Operating Border No. 1 Station

Sonny and W. H. "Pop" Spurlin are now operating the Border No. 1 Service Station in Texico, at the intersection of Highways 60-70-84. Sonny leased the business from Paul Wurster, local oil consignee.

The station handles Conoco products.

Both men have had previous local experience in the service station business.

"Ma" Moore Observes Tenth Anniversary

Jim's Cafe in Texico, owned and operated by Mrs. Jim "Ma" Moore and son Jimmy, will observe a tenth anniversary this weekend, and free coffee and cupcakes will be served Saturday.

Hours of the free servings will be from 8 until 11 o'clock in the morning, and from 2 until 6 o'clock in the afternoon. Ten free prizes also will be awarded during the day, with certificates being baked into the cupcakes.

Bovina, Lazbuddie Win District Crowns With Little Trouble

As the sports mathematicians had it figured, the Bovina boys and the Lazbuddie girls emerged from the District 3-B tournament in Farwell as champions last weekend, supporting their already top flight season records, for undisputed titles to the district crown.

Possible trouble was forecast for both teams, as other district members had envious emotions concerning the tourney, but in fact, both champs sailed to the finals with comparative ease.

The last-ditch stand of the Farwell Steers in the third boys' game of the meet didn't turn out to be the close fight that most fans expected it to be, and the Mustangs rolled over the hosts with a com-

fortable eight-point margin of safety, 69-61.

Bovina's Fillies were expected to give the Lazbuddie girls a stiff tussle in the meet, but they also failed, supporting their already top flight season records, for undisputed titles to the district crown. (Continued On Last Page)

County Style Show Is Tuesday Night

Seven Parmer County dry goods stores are participating in a county-wide style show being sponsored by members of the Woman's Society of Christian Service of the Bovina Methodist Church.

The style show will be held at the Bovina School auditorium on Tuesday night, February 28, at 7:30 o'clock. Admission is 75 cents for adults, 50 cents for high school students, and 25 cents for grade school students.

Models for the show are being selected from the towns which have stores participating in the event.

Fern's Department Store, Farwell; Harman's and Williams Mercantile, Bovina; and Ware's Department Store, Rockway-Hurst Department Store, Foster's Dry Goods, and LuNora's, Friona; are the businesses entering fashions in the show.

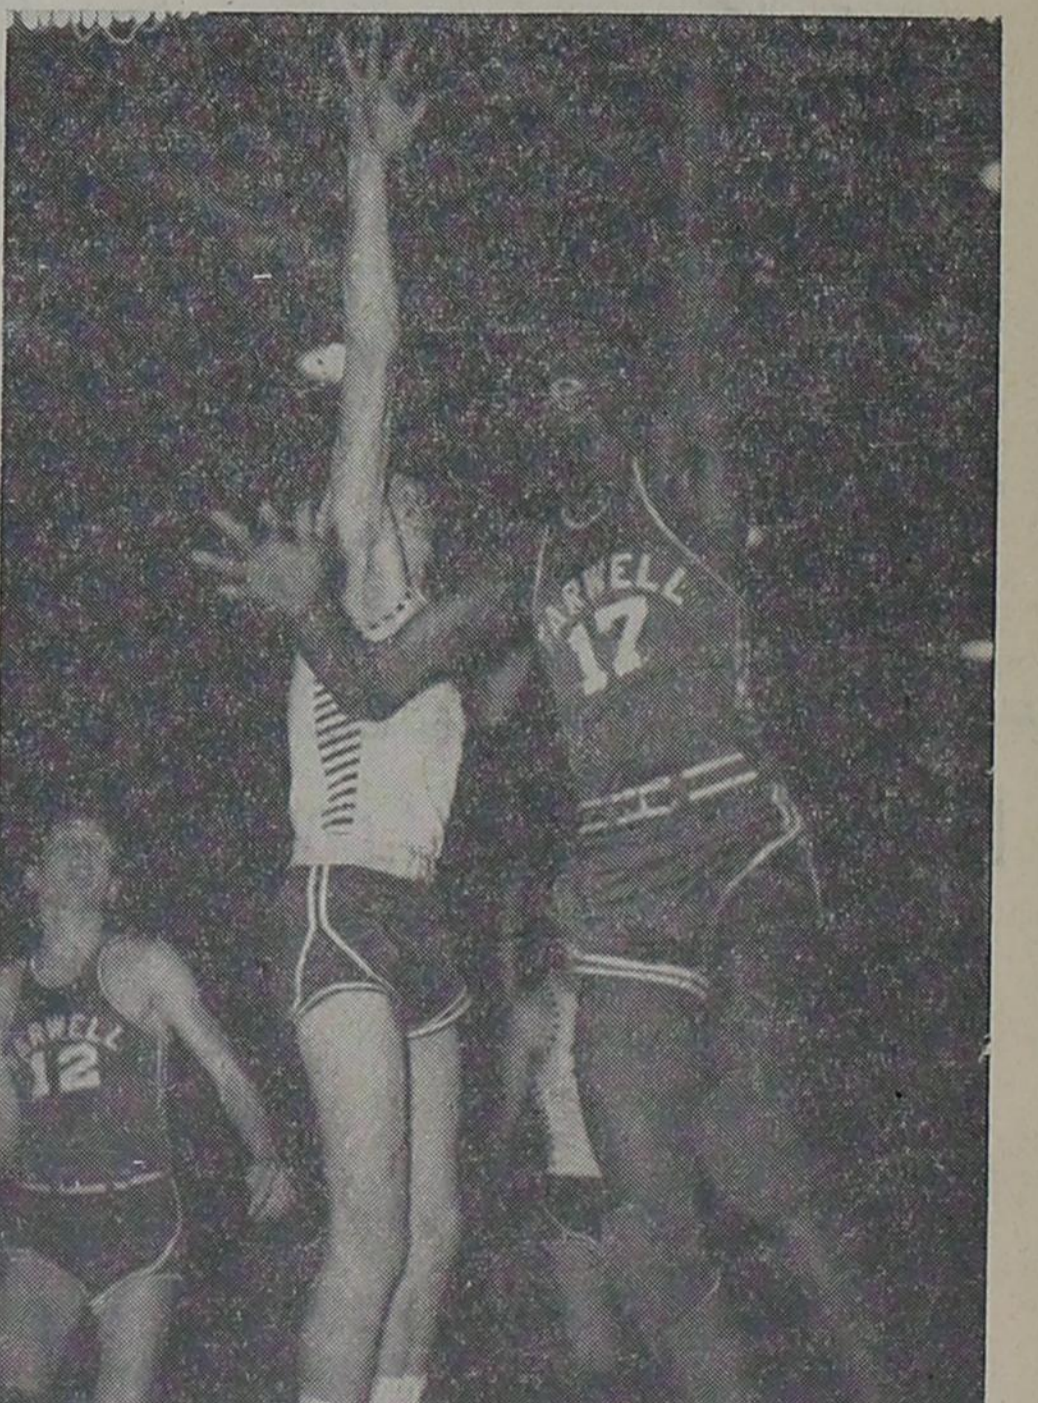

Everyone is invited to attend this county wide event, according to Mrs. Harry J. Charles who is in charge of arrangements.

Crain New Barber At Billington Shop

Billy Crain, coming here from Amarillo, is the new barber at Billington Barber Shop in Farwell. Sterlyn Billington announces this week.

Crain, who married the former Doris Leavell of Texico, arrived here last week, and says that he and his wife intend to move here as soon as housing becomes available.

She is still in Amarillo, and will terminate her job there as a stenographer.

Rimmed It

Under the guard of Larry Ezell, Bovina, George Washington gets off a shot near the goal for the Farwell Steers in the district tournament last week. The ball rolled around the rim and fell off for a near miss. Number 12 at the left is Bert Williams, Farwell.

THE TRIBUNE'S EDITORIAL COMMENT

Shivers Is Clear, Believes Man Who Knows

Is there a person in Texas who voted for Allan Shivers two years ago who hasn't wondered from time to time whether he did the wisest thing?

We doubt it, especially if that person has had only the numerous reports of land and insurance scandals, retainers fees, and other such malpractices pounded into his head by the pro-Yarborough group.

After supporting the candidacy of Governor Shivers last year, and positively doing so (that is, not saying he was the "lesser of two evils" as some publishers did), we have had our wobbly moments in past months, as outrage after outrage was uncovered at Austin.

It was, then, heartening to hear Kenneth Towery say, "I tried as hard as I could to pin something on the governor," at the Friona Chamber of Commerce banquet last weekend, but included, "As far as I'm concerned, he's clear."

It should be added that the bashful-appearing Towery, who won a 1955 Pulitzer prize for breaking the veterans' land scandal in Texas, qualified his feelings in subsequent statements, saying that he didn't agree "with some of his policies," but the substance of Towery's remarks left no doubt that he believes that the governor is not at the root of all the corruption in Austin.

And furthermore, Towery was in a good position to know what he was saying when he commented, "I think it's (the scandals) ruined both of them

Farwell-Bovina Girls Vie for Second Place In District Standing

Farwell girls and the Bovina Fillies will meet, perhaps next week, according to R. B. Tucker, Farwell girls' coach, to decide by way of a playoff who will receive second place honors in district 3-B basketball for the season which is almost a memory.

Farwell girls hold second place in the tournament standing after defeating Vega in the semi-finals. They were conquered in the finals by the six from Lazbuddie who hold the best season record plus the district crown.

Bovina has the second best conference record in round-robin play, and as the district tournament counts one-half the title and the round-robin duels count the other half, a playoff game is necessary. Definite date and place of the playoff match had not been decided upon Tuesday of this week, according to Tucker.

Concert Association Tickets Now on Sale

This week opened the annual membership drive for the Clovis Cooperative Concert Association, according to Mrs. John Aldridge, membership campaign manager for Parmer County.

Tickets for the concert series which usually include four performances each season, are \$6 for adults and \$3 for students.

Mrs. Aldridge requests that anyone interested in purchasing a ticket call her and she will deliver the tickets. The membership campaign drive will last for one week.

Farwell Students To Enter Spelling Bee

June Ritchie, Jerry McCuan and J. F. Mount will represent Farwell School in the senior division of the county spelling bee to be held at Friona School auditorium on Friday afternoon, February 24, at 1 p. m.

Those from Farwell who will enter county competition in the fifth and sixth grade division are Virginia Willard and D'Ann Garrett.

Try-outs were held Wednesday at school to determine entrants in the county meet. Seventh and eighth graders vying for the honor were Micky Rundell, Janice Hillock, J. F. Mount, Jerry McCuan and June Ritchie.

Barry McCuan, Roy Hallmark, Danny Johnson, Nolan Kreiger, Shirlene Martin, Margaret Hasehoff, Bonnie Jo Cochran, Sandra Hendrickson, Patricia Kaltwasser, D'Ann Garrett and Virginia Willard were competitors in the junior division.

Mrs. R. B. Tucker will accompany the five students to the meet Friday afternoon.

Area Cotton Men At 4-State Meeting

Four men from Parmer and Bailey counties left by plane Tuesday morning to attend a four-state cotton meeting to be held in Texarkana.

They are Gilbert Kaltwasser, Parmer County Farm Bureau president, L. F. Bruns, legislative chairman, Bill Millen, Bailey County FB president, and one other Bailey County farmer.

Represented at the meeting will be Farm Bureau leaders from Texas, Oklahoma, Arkansas and Louisiana. AFBF Legislative Director Jack Lynn was to present the Farm Bureau's seven-point cotton program, and Dr. M. K. Horne, of the National Cotton Council, was to review the council's recent study on "Price and the Future of U. S. Cotton."

Farmers attending from this area hope to gain information vital to cotton growers here.

County MOD Drive Total Is \$3,517.14

Parmer County March of Dimes receipts for 1956 totaled \$3,517.14, according to Raymond Euler, county chairman. Blizzard conditions near the end of the drive slowed activities and reports, but over all, contributions were liberal, and all concerned with the promotion of the annual drive wish to express their appreciation to Parmer County citizens for their cooperation, says Euler.

Tabulation by communities is as follows: county wide efforts: talent show, \$200.66; telethon, \$226.60; mail returns, \$119.10. Bovina, \$296.79; Farwell, \$731.49; Lazbuddie, \$177.52; Rhea, \$226.13; Black, \$83.22; and Friona, \$1456.63.

Friona's contributions came from the following sources: Friona Schools, \$981.94; Cub Scouts, den 7, \$6.08; Modern Study Club, \$173.50 (including Mother's March); Friona Woman's Club, \$5; Friona Fire Department, \$50; American

Legion, \$7.50; FHA Chapter, \$44.81; and coin collectors, \$186.60.

Donations and contributions from Farwell included the following: Methodist Men, \$9; Texico-Farwell Fireboys, \$25; ESA coffees, \$73; Mother's March (conducted by ESA members), \$120.03; Widow's Club, \$4; Farwell 4-H Club girls, \$20; Farwell Schools, \$407.33; and coin collectors, \$73.13.

A portion of the funds donated at Lazbuddie included \$57.22 from the grade school, \$44 from a social given by the Willie Steinbock family and \$50 from a "42" party.

Other community break downs on fund raising efforts were not available.

In 1955, March of Dimes funds collected in the county totaled \$4,038.49, a sum \$521.25 more than this year's figure of \$3,517.14.

Lubbock Junior Show Planned for March

LUBBOCK—The 23rd Annual South Plains Junior Fat Stock Show will be held here March 19, 20, and 21, according to an announcement made this week by George W. Brassell, Jr., general chairman for this year's area-wide show.

Catalogs for the 1956 show are now being prepared and will be sent, along with entry blanks to County Agents, FFA Advisors, and Vocational Agriculture teachers throughout West Texas and Eastern New Mexico next week.

The show annually attracts hundreds of 4-H Club and FFA Chapter boys from approximately 29 coun-

ties. The 1955 event exhibited 1,200 hogs, lambs, and steers.

General Superintendent of the youth stock show will be D. M. Sherrill, Lubbock County Agent, and L. M. Hargrove will be Assistant Superintendent.

Chairman Brassell announced a few changes which will be in effect this year. All animals must be entered by Saturday, March 17. The date was set to allow sifting, to be done Sunday.

Also in the Steer Division, it was decided to have three weight classes, light, medium and heavy, instead of the two weights as in previous shows.

In the Lamb Division, three Grand Champions will be selected as to types.

You Can't Get Blood from A Turnip-- But We Got WATER from a Gravel-Packed Well in a Graveyard for Irrigation Wells!

Everybody who knows anything about irrigation in Parmer County knows about the Redbed Highs north of Bovina and west of Friona that are a well-drillers nightmare. It's really hard to get a well in this area, and in fact, there are eleven dry holes in the immediate vicinity of the well which we brought in.

This well is owned by L. T. Green of Kerrville, and the farm is operated by a renter. The well is a very strong 6-incher, and was drilled to 250 feet, with the Layne-Bowler Pump set on 246 feet. We gave particular care in making sure this well would develop maximum water in this poor territory, and gravel-packed it. We are glad to report that it looks like a very successful installation.

Now, we don't claim to be able to get good irrigation water where nobody else can, but we think this is a good way of illustrating how a good job of drilling, casing setting, gravel-packing, and pump setting, plus a superior pump, can pay dividends where the going is tough.

Hearts and Flowers Is Shower Theme

Hearts and flowers formed the theme for the afternoon bridal shower honoring Mrs. Perry Cump-ton of Bovina, Tuesday in the home of Mrs. E. G. Blair. Mrs. Cump-ton is the former Miss Twila Strickland of this city.

The lace-covered serving table was centered with an arrangement of red sweet peas and white carnations with minute centers of red hearts. Standing amid the floral display was a large outline of a heart, accented by a lacy ruffle of white net.

Napkins were inscribed with the names "Perry and Twila," and crystal appointments were used. Individual cake squares of white were iced in white, and were centered with red hearts of icing. Candy hearts and nuts completed the refreshments.

Hostesses for the occasion were Mesdames E. G. Blair, Gene Coffman, B. N. Graham, E. E. Booth, Riley Boss, W. H. Graham Sr., Edie Smith, A. D. Smith, O. B. Pipkin and J. R. Thornton.

Mrs. A. D. Smith gave a reading for a portion of the afternoon's entertainment.

Registering during the afternoon were Mesdames J. E. Jones, A. T. Watts, Mitz Walling, Alvin Mace, C. A. White, W. J. Matthews, N. L. Cump-ton, H. N. Aldrich, J. E. Bingham, Jess Newton, Grace Sanders, Ruby Dixon, Willie Lovelace, Anne Overstreet, G. W. Atchley;

Also, Mesdames N. L. Tharp, Baker Faville, Hillhouse, Rushing, Albert Thomas, J. A. Cox, Noble Goldsmith, W. H. Graham Jr., Joe Blair and Jeannie, Bob Hines, D. O. Rolland and Doris, W. W. Vin-yard, and Dorothy Eason and Peggy.

To Tres Ritos

Mr. and Mrs. John McFarland, accompanied by his sister and family, Mr. and Mrs. W. R. McBrayer and daughters of Hobbs, N. M., made a trip to Tres Ritos, N. M. where they enjoyed a week-end of skiing.

Mr. and Mrs. McFarland returned home Sunday.

Bon Voyage Shower Honors Recent Bride

A bon voyage bridal lingerie shower honoring Mrs. J. H. Thomas, nee Miss Fay Autrey, was given Thursday night of last week in the basement of the Texico Baptist Church. Mrs. Thomas will soon sail to Hawaii to join her husband who is serving in the U. S. Navy.

The church basement was decorated to resemble a ship, the USS Grapple, with life savers, sea bags and other Navy equipment carrying out the theme.

The serving table was laid with red, white and blue crepe paper and held a miniature bus, labeled "Texico," an airplane, labeled "San Francisco," and a ship, labeled "Hawaii."

Refreshments of cake and punch were served to the guests. Red, white and blue Life Savers were served from sailor caps. The white cake was decorated with a large blue anchor and bore the names "Fay and Johnny."

Ice floating in the punch bowl was in the shape of a life saver. Miss Naomi Hapke, close friend of the bride, registered the guests. Miss Hapke was dressed in a Hawaiian costume to further carry out the decoration motif.

Those registering throughout the evening were Mrs. Morgan Billington and Jill, Mrs. Geneva Lovelace, Miss Shirley Doshier, Miss Karen Brehm, Miss Joyce Gil-lean, Mrs. Harry Baker, Mrs. J. T. Lockhart and Betty, Miss Naomi Hapke, Miss Judy Tharp, Miss Anita Tharp, and the hostesses, Mrs. Ailene Pearce and members of her Sunday School class, Mrs. Margaret White and members of her Sunday School class, and Mrs. Mabel Tharp.

Also, Mesdames N. L. Tharp, Baker Faville, Hillhouse, Rushing, Albert Thomas, J. A. Cox, Noble Goldsmith, W. H. Graham Jr., Joe Blair and Jeannie, Bob Hines, D. O. Rolland and Doris, W. W. Vin-yard, and Dorothy Eason and Peggy.

Among those unable to attend but sending gifts were Mrs. Lena Yoder, Mrs. Billie Phillips, Mrs. Claude Dyer, Mr. and Mrs. Lenton Pool, Mr. and Mrs. Wellman and Mr. and Mrs. Bennett.

WCS Meets In Blair Home

Mrs. E. G. Blair was hostess to members of the WCS for a regular meeting on Wednesday afternoon of this week.

Mrs. Grace Sanders was leader of the afternoon's program on the subject, "The World's Laborer—Worthy of His Hire." Assisting Mrs. Sanders with the presentation of the program were Mrs. James A. Cox, Mrs. N. L. Tharp and Mrs. Albert Thomas. Group discussion concerning the program topic was held by other members.

The group decided to have an all day meeting next Wednesday at the home of Mrs. W. H. Graham Sr. A covered dish luncheon will be served.

The hostess served refreshments of cherry pie, topped with whipped cream, and coffee and punch to Mesdames James A. Cox, Albert Thomas, N. L. Tharp, G. W. Atchley, A. D. Smith, R. C. Cantrell, E. E. Attending the party were Mr. and Mrs. Don Williams, Mr. and Mrs. Bob Hart, Mr. and Mrs. Elmer Hargrove, Mr. and Mrs. Bob Anderson, JeDon Porter, and the honorees, Mr. and Mrs. Carthon Phillips.

Eastern Star Chapter Honors Local Masons

Bovina Chapter Number 839, OES met in a stated meeting at the Lodge Hall on Thursday evening, February 16. The chapter observed its annual Friendship Night.

A six-o'clock dinner was served in the dining room to visiting OES Chapters from Friona, Dimmitt, Hereford, Muleshoe and Clovis.

The Valentine theme of the formal dinner was carried out with a centerpiece of pink and white carnations placed on pink tulle with a styrofoam cupid hovering over it. Light for the diners was provided by tall pink tapers. Pink and white lace hearts were scattered over each table.

Gracing the piano was a white heart with gathered pink net, flanked by American Beauty Roses.

Rev. W. R. Beard gave the invocation, and Wayne Stevens and Dal Hartsell gave a vocal selection, "Bless This House."

Entertainment for the evening was given by local talent including vocal numbers by Harriette Lou and Billy Charles, Betty Hawkins, Dal Hartsell, Wayne Stevens, and Mrs. Bedford Caldwell. Mrs. Doris Wilson was the piano accompanist.

The program was under the direction of Mrs. Margaret Charles and Mrs. Lura Rundell.

In behalf of the OES Chapter, the Worthy Matron presented the Masons with a gift. Harry J. Charles, Past Worshipful Master of the local lodge, received the gift and expressed thanks to the chapter.

Hostesses for the evening were Mrs. Jewel Barry, Mrs. Nettie Rhinehart, Mrs. Barbara Trimble, Mrs. Maude Trimble and Mrs. Mary Jane Wilson.

Distinguished guests attending were Mrs. Margaret Wilson, Deputy Grand Matron of District 2, Section 3 of Texas, and Wallace Carmack, Past Worthy Grand Patron of the state of New Mexico.

Following the program and dinner, chapter members and visitors retired to the chapter room where business was transacted and visitors and distinguished guests were welcomed.

At the conclusion of the meeting, Mrs. Arrie Graham rendered a vocal solo, "Others." About 50 guests signed the register.

Mrs. Liles Hostess To Class Meeting

Hostess for a meeting of the Esther Sunday School class of First Baptist Church, Farwell, on Tuesday night, was Mrs. Bill Liles. This meeting was postponed from February 13, regular monthly meeting date of the class.

Mrs. Calvin Blain opened the evening's meeting with prayer, and Mrs. Mable Martin gave the devotion. Topic on which Mrs. Martin spoke was "The Habit of Going to Church."

During a business session, class members voted to have a toy shower for the church nursery. Upkeep of the nursery is the class project, and the toy shower will be held at the next regular class meeting on Tuesday evening,

March 12, at the home of Mrs. James Patrick.

Present for Tuesday's meeting were Mesdames Raymond Martin, Edith Blair, Jim Terrell, Fred Curtis, Joe McWilliams, Joy Chadwick, Calvin Blain, Leroy McDonald, Cecil Rundell and the hostess, Mrs. Liles.

D. W. Carpenters Feted on Anniversary

On Thursday, February 16, Mr. and Mrs. D. W. Carpenter were feted with a surprise luncheon at their home in observance of their 46th wedding anniversary.

Preparing and serving the meal for the celebration were Mrs. Harold Carpenter and Mrs. Lester Norton, daughter-in-law and daughter, respectively, of the Carpenters.

Guests enjoying the luncheon of baked ham and all the trimmings were Mr. and Mrs. Howard Garner, Mr. and Mrs. George Patton, Mr. and Mrs. Jack Roach, Mr. and Mrs. Sterling Donaldson and Zelda, Mr. and Mrs. Lester Norton, Mr. and Mrs. Harold Carpenter, Sheila Garner and Kim Gober.

The group spent the afternoon visiting in the Carpenter home.

Gift Wrapping Is ESA Subject Monday

"Gift Wrapping for Special Occasions" is the subject of a program planned for members of Epsilon Sigma Alpha Monday evening in the home of Mrs. Gilbert Watkins, at 7:30.

Mrs. Walter Kaltwasser and Mrs. Gilbert Kaltwasser are in charge of the presentation. Several special guests have been invited to the meeting.

Following the program, a social hour is planned.

Also on the agenda for members of ESA is the district meeting of the organization, to be in Clovis March 4. This session will begin with a luncheon with a business session planned for the afternoon.

Project displays to be entered in competition at the district meeting will show the philanthropic work of chapters. Committee to plan the display for the local chapter includes Wilma Liner, Dorothy Quickel, Jeanne Graham and Jo Ann Williams.

Mr. and Mrs. Sam Randol visited Sunday until Tuesday of last week with their daughter and family, Dr. and Mrs. J. R. Fain, in Littlefield.

Pre-Nuptial Shower For Marcella Magness

Miss Marcella Magness, daughter of Mr. and Mrs. M. Magness, and bride-elect of R. A. Cassidy, was honored at a bridal shower given at the American Legion Hall on Wednesday afternoon of last week.

Mesdames John Armstrong, John Porter, Joe Magness, Joe White, L. L. Norton, Kate Phillips, Cecil Atchley, Thurman Utsman and A. F. Phillips Jr., were hostesses for the occasion.

The serving table centerpiece was composed of an arrangement of red roses and a miniature bride and groom. Pink tapers flanking the arrangement completed the table decorations.

Among those attending and sending gifts were Mesdames Carl Davis, Bert Williams, C. F. Lokey, J. W. Magness, W. H. Spurlin, Lorene Bosler, D. H. Brown, Don Williams, Oliver Sikes, W. N. Foster, W. T. Club Meets Thursday In Kaltwasser Home

Mrs. Gilbert Kaltwasser was hostess to members of the Oklahoma Lane Home Demonstration Club for a regular meeting on Thursday afternoon, February 16.

After a business meeting, club members worked on aluminum trays. They planned to work on the trays again at a meeting held today (Thursday) at the home of Mrs. Alton Pruitt.

The hostess served refreshments of angel food ice cream cake, coffee and lemonade to Mesdames Fred Bolton, Henry Haseloff Jr., Clarence Johnson, Vernon Symcox, Windbourn Hardage, John Range, S. E. Magness, and three visitors, Mrs. Gene Oesch, Mrs. Harold Norrod, and Mrs. John Kaltwasser.

Joint Class Meet Is Tuesday Night

Quarterly joint class meeting of the five adult women's classes of the Texico Baptist Church will be held at the church on Tuesday night, February 28.

Members of the Ruth Sunday School class will be hostesses for the meeting. A musical program with each class participating has been planned.

All members and associate members of the classes are urged to be present for the meeting.

Attend Banquet

Rev. and Mrs. C. C. Morgan attended a banquet at a Clovis restaurant Tuesday night of last week. The banquet, given by members of the Ministerial Alliance, for their wives, carried out a Valentine motif.

Sunday Guests In Parsons Home

Howard Hudson, electrician's mate in the U. S. Navy, arrived in Texico Friday morning to begin a 30 day leave visiting his mother, Mrs. Monty Parsons. Hudson's ship, the USS Ajax AR-6 arrived in San Diego on February 13 from a six month tour of the Far East.

Miss Katherine Parrish of Clovis was a Sunday dinner guest in the

Parsons home. Calling in the afternoon were Mrs. Lena Yoder and Edward.

Film Is Feature of Family Night Social

An inspirational film, "The Unfinished Task," was the main feature of the program presented at the monthly family night social of St. John's Lutheran Church at Lariat on Sunday night.

Each family invited guests, and a supper of sandwiches, beans, potato salad, cake, coffee and hot chocolate were served prior to the program.

Approximately 90 persons attended the get-together.

From Portales

Visiting during the weekend with Mrs. Clytie Dial and Benji were her son and daughter, Ronnie and Gloria, and Misses Laquita Forte and Donna Bell, and Ben White and Tommy Hightower. All of these young people are students at ENMU in Portales.

Farwell C-C Feed March 2

The annual banquet of the Farwell Chamber of Commerce, originally scheduled for February 10, will be Friday night, March 2, at the Farwell School cafeteria.

The switch in dates was made necessary by the big snowfall earlier this month.

Marshall Formby, member of the state highway commission, owner of interests in radio and newspaper stations on the Plains, and a practicing attorney at Plainview, is to be the principal speaker.

Old timers will be honored, special music will be brought in, and other attractions are expected to draw a capacity crowd.

Tickets can be obtained from any Chamber director, and are priced at \$2 per plate. Wilfred Quikkel, secretary-manager of the group, points out that tickets purchased for the date of the banquet when first announced will be valid for the new date.

Rev. J. D. Horton Home from Hospital

Mr. and Mrs. Bill Liles and Billy were in Amarillo on Sunday to visit Rev. and Mrs. J. D. Horton.

Rev. Horton, a former pastor here, suffered a severe heart attack recently but is recuperating at his home now. Rev. Horton was hospitalized for several days, and Mrs. Liles reports that he will have to remain in bed for about three more weeks although he is able to sit up for an hour each day.

Rev. Horton is pastor of the Highland Baptist Church in Amarillo.

We have reached the point of no return. We have to make a decision. Either the Grambs should settle for the family of two little boys which we now have, or we'll need to add at least two more youngsters to the family. Reason, all the diapers are wearing out. And if we should have to re-stock—look what that could mean!

We have all been so basketball conscious in the past weeks—we've been noticing what other teams are doing. We were disappointed when the game which was scheduled between Silverton (our old home town) and Farwell wasn't played when the snow hit. That would be a rare opportunity to see our two favorites in action. Of course, our loyalty would have been divided.

But we notice one girl's team which has an enviable record. The Hamilton high school girl's team has won the district championship again—their ninth conference championship in ten years of play.

Probably, the man of the household wouldn't object if we wanted to celebrate Washington's birthday, by baking a cherry pie.

One of the greatest efforts for church attendance that we've read about, is under way in Dallas. A layman there has assigned himself the task of filling the church on February 26—at the night service. It will take more than 2,000 people to fill that particular auditorium.

So he has sent personal invitations to the President, to the Governor and his wife, Comedian Arthur Godfrey and his whole show, and numerous others. He is inviting the biggest Lions Club on the North American continent, the Oak Cliff Lions, of which he is program chairman. He is inviting everyone he meets in his daily work as a salesman. He is hoping for 100 percent attendance from the Methodist choir, of which he is a member, and he is sending some 3,000 letters inviting people to "come fill your cup with good fellowship."

Kenneth W. Ritchel, the one-man crusade, says "I believe people will go to church if somebody will invite them."

It all began when the church began trying to bolster Sunday evening attendance. The pastor asked each member of the official board to try to fill one pew, six people, on one Sunday evening in a three-

month period.

Ritchel's time came, and it was so easy to get six people to church, that he asked if he could invite "100 people." That is when he decided he would "fill the church."

He says "Lots of fellows think I've bit off a big bite; but that doesn't shake me—if all the people come who think I can't do it, the church will be overflowing."

The following is from Twilight Zone, from the Hamilton paper. Actually, we hadn't thought about it in that light before, but there might be something to it.

Burney Walker, assistant district attorney from Waco, grossly libeled newspapers and radio stations when he was questioning prospective jurors for the McGowan trial Monday evening. Smirking at a witness, the barrister asked if he had ever read or heard anything about the case to cause him to make up his mind. The juror replied that he had read about it in the papers, and heard about it on the radio. To which the counselor responded, "Newspaper and radio reports are not facts."

It may be true, Mr. Walker, that newspapers sometimes fail to report ALL of the facts, but you'd be one of the first to object if a policy were adopted requiring ABSOLUTE TRUTHFUL reporting in all stories.

For instance, how'd readers like to find a story like this'n telling about the wedding of some young lady and a local yokel? "Miss Jane Doe, old maid daughter of the John Does, finally landed a man yesterday, even if she did have to settle for something far less than the best."

"She pledged her vows to young Johnny Shirker, who has been supported by his widowed mother since he was kicked out of college for cheating on exams. He is not employed, and has made no effort to find a job, but he plans to take his bride into his mother's home. His mother earns a scant living by taking in washing."

That's just a sample to show what might happen if papers ever decided to throw off all restraint and give away to the urge that lies secretly in the heart of every newsman. It just wouldn't do, Mr. Walker, but please refrain from further uncalled for criticism about the fourth estate, or some editor might give way to that urge.

If a milk bath is an aid to beauty, our kitchen floor should be "out of this world." Anyone with children, would probably verify this statement.

Sixth largest industry in America is the printing industry.

Over 500,000,000 books were printed and bound last year by the nation's printers and publishers.

One price tag which can stand a lot of clipping in 1956, says the Texas Farm and Ranch Safety Committee, is the one that goes with every farm or home accident.

Stepping Out...With His Two Loves!

It's the hour of twilight!
And what happier prospect could a man ask for a wonderful evening. For tonight he's stepping out with his two favorite companions—the lady in his life . . . and the car in his life!
And you can rest assured that the "car of cars" will make a contribution all of its own to his evening's enjoyment.
First of all, there will be the inner satisfaction a man always feels as he steps into his Cadillac and settles behind the wheel. All about him will be the inspiration of Cadillac's luxury . . . and beauty . . . and graciousness.
Then there will be the thrill of Cadillac's marvelous performance. Driving will be so easy and so effortless that every mile will be a mile of relaxation and pleasure.
There will be the contentment that comes with Cadillac's great safety . . . and the comforting

knowledge that he—and his lady—are surrounded with every comfort and safeguard known to automotive science.
And, finally, there will be the joy of arriving in the "car of cars" . . . and of catching those glances of admiration that will come his way as he pulls to the curbstone at journey's end.
Little wonder, then, that Cadillac owners have so great an affection for their motor cars.
And their sentiments etch themselves all the more deeply in the light of Cadillac's great economy and practicality. For how wonderful it is to know that the satisfactions of Cadillac ownership are coming from motordom's soundest and wisest investment.
Why not come in soon—with your lady—and "step out" for an hour or so at the wheel of a 1956 Cadillac? The car is waiting for you . . . and we'll be delighted to do the honors!

Farwell Teachers To County Meeting

Twenty Farwell faculty members and three members of the local school board attended the county teachers meeting held last Wednesday night at the Bovina School.

The group of more than 100 school teachers and board members from Parmer County met at the school cafeteria where a banquet opened the evening's program. A meal consisting of baked ham, candied yams, green beans, congealed salad and cherry cobbler was served.

Following the banquet, the group adjourned to the auditorium where faculty members presented a musical program. Mrs. Aubrey Rhodes was mistress of ceremonies, and Wayne Stevens and Dal Hartsell opened the program by singing a duet, "Bless This House."

Other numbers on the program included a vocal rendition of "If I Loved You" by Mrs. Bedford Caldwell and Wayne Stevens; a vocal duet, "Abba Dabba Honeymoon" by Mrs. Harold Hawkins and Dal Hartsell; and "When You Were a Tulip" as sung by a quartet composed of Mrs. Hilton Terry, Mrs. Hodge Rigdon, Wayne Stevens and Bob Wills. Mrs. R. E. Everett accompanied the quartet at the piano.

After the program, members of the District 3-B basketball association met to discuss the county tournament and other matters concerning this group.

Guests were taken on a tour of the Bovina school building after the business meeting adjourned.

Members of the Farwell faculty will be hosts for the final county teachers meet to be held sometime before school closes in May.

Ralph Yarborough To Address Parmer County Farmers Union

Arrangements have been completed for Judge Ralph Yarborough of Austin to address the first annual banquet of the Parmer County Farmers Union at the Friona school cafeteria, March 30 at 7:30 p. m., says W. L. Edelman, county president.

A special musical feature for the banquet will be provided by the Berg Sisters, a nationally known stage, radio, and television trio who will appear before the Na-

tional Farmers Union convention at Denver March 18 to 22.

Places will be prepared for more than 200 persons with many out-of-town guests being expected. Plans are being made to have Alex Dickie, Texas state FU president, and Emery E. Jacob, assistant to the national president of Farmers Union, here for the occasion.

Tickets for the banquet are being printed and can be secured from W. H. Long, chairman of ticket sales, or at the office of the Friona Star, State Line Tribune, and The Bovina Blade. The banquet is not limited to the members of Farmers Union.

This is Farm Bureau

Compiled by Gilbert Kaltwasser, president of Parmer County Farm Bureau, as directed by E. T. Ford, vice-president; Roy V. Miller, Secretary-Treasurer; Jack Patterson, J. T. Jones, A. R. McCutchan, Sterling Donaldson, T. L. Kent, L. F. Bruns, Ralph Miller, Roy Grace, Harry Hamilton.

HISTORY OF THE FARM BUREAU

The earlier farm organizations in the United States were, in the main, Protest Movements, Political Movements, organized for one particular purpose. The Farm Bureau is none of these. It was organized to represent, speak for, and enable, farmers to work together on a broad National front in solving

their problems. It's organization and development came about as a result of a desire of farmers to assume their full responsibilities as citizens to take their places at the first table on a basis of equality with other organized groups.

PHILOSOPHY OF FARM BUREAU

The basic philosophy of Farm Bureau is stated in American Farm Bureau Federation as follows: In order to maintain and improve our capitalistic system and prevent further steps in the trend to socialism, which if unchecked may lead to Communism, we assert the following beliefs:

"We Believe: In the American Competitive system under which supply and demand in the market place are the deciding factor of price. That every man is entitled to earn money honestly. It is his right to save, invest and spend his money as he chooses. He is also privileged to own property he desires within the limits of the laws."

"We Believe: In voluntary cooperation as a part of the American way of life."

"We Believe: That our economic system should be permitted to produce at the highest possible rate of efficiency."

"We Believe: That monopoly in any form is dangerous, whether it is by government, industry, labor, or agriculture. That property

rights cannot be taken away without infringing on the rights guaranteed by the constitution. That man's search for progress should be encouraged and should not be inhibited by false promise of security for all."

"We Believe: In the separation of church and state and that each individual should have the right to worship according to the dictates of his conscience. That the constitution is the basic law of the land and that its interpretation should be consistent with the intent of its authors."

"We Believe: That the farm people have the right and are the best qualified to speak for farmers through the organization of their choice without government coercion or intervention. That all persons seeking national, state or local offices should state their belief with respect to private capitalism, socialism and communism regardless of party affiliations."

"We Believe: That government should, with a minimum of controls and aid, stimulate individual initiative and effort in every way."

BASIC CONCEPTS OF FARM BUREAU

It is a FARMERS organization. It is financed by farmers, run by farmers, to do for farmers what farmers want done.

It is a GENERAL farm organization. Its membership consists of producers of all kinds of farm commodities from every state in the union and Puerto Rico. A basic concept is "The interest of farmers can best be served by reconciling differences within agriculture."

It seeks to develop a CONSTRUCTIVE program designed to prevent problems or to solve those which cannot be prevented. It is not a protest movement—not 19th century bellyaching. Important phases of its program are (1) education; (2) public relations; (3) self help; (4) legislation, etc.

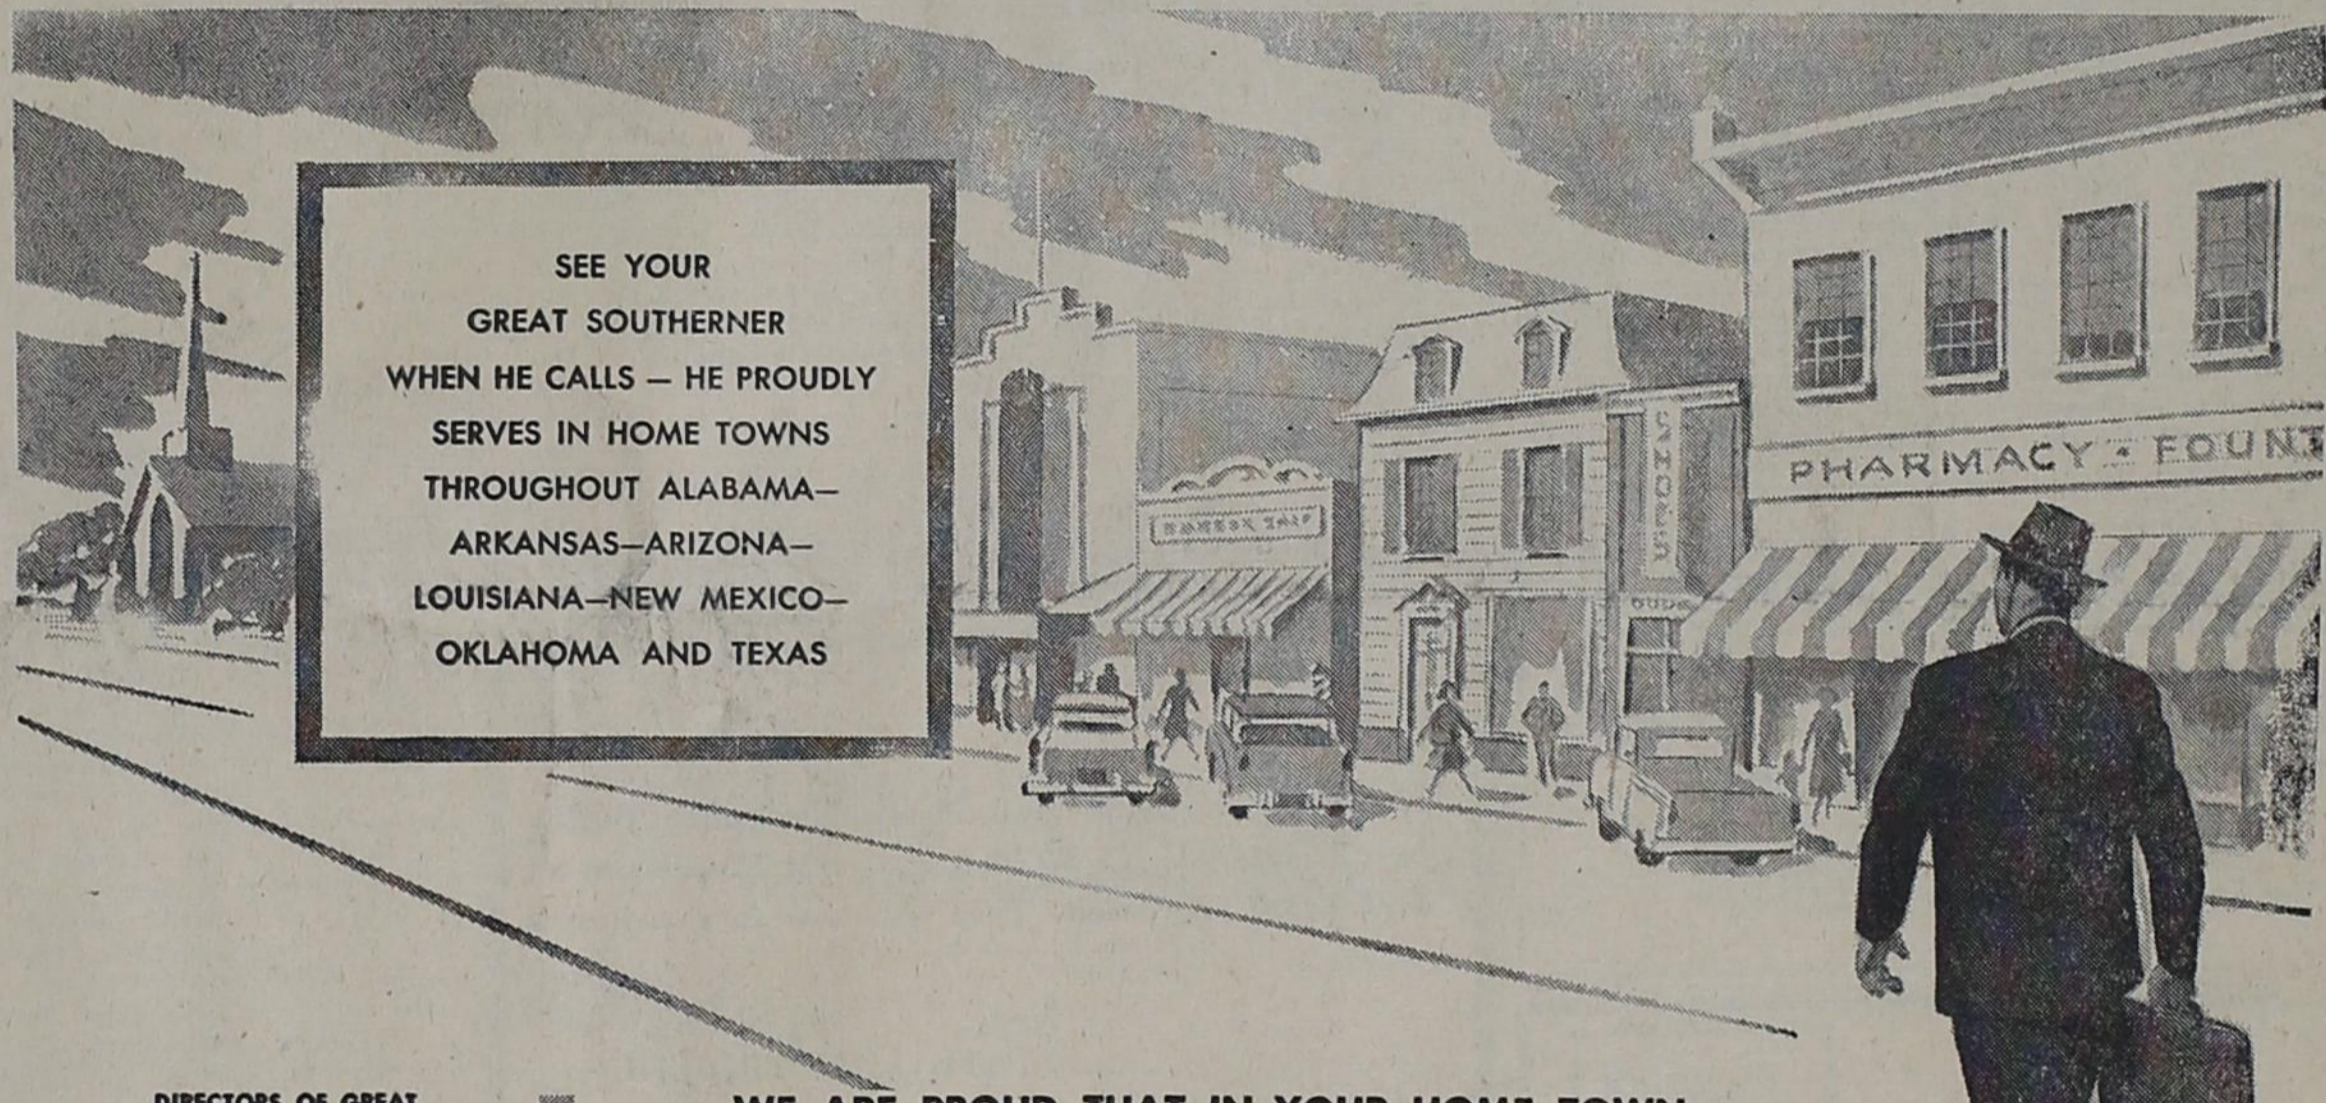

Its membership is a FAMILY MEMBERSHIP. Farm problems don't have gender—neither mas-

culine or feminine. Its organization structure is completely DECENTRALIZED. Organization discipline springs from desire to cooperate—self discipline, not imposed by higher organizational authority.

Its policies are developed on a NON-PARTISAN basis and support is sought on a BI-PARTISAN basis.

The accomplishments of the organization; the seventeen years of consistent membership growth; the fact that it is not only the largest farm organization in the United States but also the largest in the world, the largest in the history of farm organization—provide evidence of the soundness of these basic concepts.

Watch next week's paper for some of the accomplishments of Farm Bureau that benefit the farmers in this area.

ag officials, including Dr. W. N. Williamson, assistant director of Extension Service, A&M College.

He stressed the need for a survey to determine the feasibility of such a move before production steps are taken.

The council also listened to Dr. John McNeeley, marketing specialist from the A&M Experiment Station. He gave an optimistic note to the meeting by pointing out the increased growth of the fresh vegetable markets in this country due to diet changes, increasing population, the decline of "back yard gardening," and other factors.

One of the major steps taken at the meeting was the issuance of a formal request to G. G. Gibson, director of the Extension Service, asking that assistance be given in making the preliminary survey, which the Council feels should be gotten under way as soon as possible.

Pledges of cooperation were obtained from Dr. George Elle, assistant dean of agriculture at Texas Tech, who said that all the fa-

cilities of that department would be available for the work; and a like expression of help from the agriculture department of West Texas College by Dr. R. M. Callahan, head of that department.

Work of the Council was divided into four categories, and committees named to proceed along those lines. Committees and their members:

Survey—Gene Quest, Lubbock; R. G. Jones, Anton; Arno Struve, Abernathy.

Finance—Don Anthony, Dumas; Hosea Foster, Canyon; B. R. Evans, Tulia.

Organization—Gene McLaughlin, Ralls; Arlon Miller, Floydada; Herman B. Thornton, Lockney.

Education and information—Nelson Welch, Friona; Arlin Hartzog, Bovina; E. O. Baker, Muleshoe; Don Williams, Farwell.

Until the organizational committee workers can draw up a constitution and by-laws, the Council will work informally on its goals. One phase of activity that will be speeded up in the near future is the contacting of towns and areas generally within the irrigated High Plains that may be interested in such a movement, but which have not yet been worked with.

Special work in the interest of grain sorghum and cotton has been done at local, state, and national

ed in their upset attempt, and faded 44-37 before the Lazbuddie sharpshooters.

Adrian and Bovina girls met in the tourney opener Thursday night when the Fillies edged to a 48-46 victory to give them a ticket to the semi-finals. Adrian's Erma Jordan was high scorer for the evening by racking up 29 points. High scorer for Bovina was Pauline Lloyd with 19.

Score by quarters, Bovina first, read 12-8; 24-22; and 33-31.

The Mustangs of Bovina and the Lazbuddie Longhorns tangled in the second match of the tournament. Erith Hawkins of the Mustang squad led his teammates to a 79-38 win over Lazbuddie by marking up 26 points during the evening. Jimmie Oliver was Lazbuddie's high point man with 14 to his credit. Score by quarters, Lazbuddie first: 9-12; 16-35; and 16-56.

Starting play in the semi-final loop were Farwell and Vega girls who both drew first round byes. Glenna Davis of the Farwell six racked up the highest individual score of the tournament in this match when she accounted for 44 points and spurred the blue and white to a 65-57 win and a place on the final bracket setup.

Lynne Hardin of the Vega team made 27 points and Jane Russ made 20 for the guest squad. Angela Williams, Farwell, made 14.

Last game in the semi-finals for the girls was played between Bovina and Lazbuddie Friday morning. Lazbuddie took this one 44-37 with Joy Smith scoring high with 26 points. (For further details of this game, see Lazbuddie News in another section of the Tribune).

Drawing byes in the boys' bracket were teams from Vega, Adrian and Farwell, who all had insured spots on the semi-final bracket.

Adrian and Vega met Friday afternoon to start play in this round. Adrian fought to a four point win in possibly the most exciting game of the tournament as they took a 57-53 victory in an overtime period. A close game all the way, score by quarters read, Adrian first: 20-15; 28-23; and 41-39.

Pinnell, of Adrian, was chosen as a member of the all district team.

and scored 16 points in this game to be Adrian's high scorer. Rex Jones of Vega topped his team in the scoring department with 18.

The Farwell-Bovina game proved to be a lack-luster performance for both teams, a possible explanation being that both were keyed to a high pitch for the important event.

Bovina led in the game practically all the way, and after the first quarter, two points was as close as the Steers ever came to catching up. At the end of that first canto, the score was 13-13.

By intermission time, the Mustangs had pulled ahead 34-26, and at the three-quarter mark, they still owned a two-point lead, 50-48.

The difference between the two teams was decided at the free-shot line, where Bovina collected 23 points, Farwell 9. Bovina received 33 shots on fouls, Farwell 13.

Troy Christian and Eddie Smith fouled off in the last quarter for the Steers. No Bovina player had more than three fouls marked against him.

Erith Hawkins, Mustang all-district nominee, made 20 points to lead the afternoon's scoring. Neil Smith of Bovina, Bert Williams, and Eddie Smith of Farwell, all had 17 each.

Darrell Read, Bovina, scored 15; and George Washington, Farwell, 14.

Meeting in the girls' game for the district title Friday night were Lazbuddie and Farwell. Lazbuddie shellacked the local squad 70-39 with Joy Smith taking high point honors with 41 tallies to give her team the district crown. Glenna Davis managed 20 points to be Farwell's high scorer. More details of this game may be found in the Lazbuddie News.

Bovina trampled the Adrian Matadors 84-52 to give the Mustangs the championship in the final

match of the last round Friday night.

Erith Hawkins of the Bovina squad was high scorer with 22. Edward Pinnell racked up 13 points for Adrian, and Read and Ezell, both of Bovina, tied with 16 each.

Score by quarters, Bovina first: 26-10; 44-24; and 68-32.

Farwell captured second place district honors by defeating Adrian 70-42 in a playoff game at Farwell gym Monday night.

Eddie Smith led the scoring for the Steers with 22 points, followed by Bert Williams with 16. Scoring high for Adrian was Brown with 12 counts.

Score by quarters, Farwell first: 18-14; 38-24; and 58-30.

Black Community Works on Contest

Mr. and Mrs. Allen Bridges of Amarillo visited Sunday with Mr. and Mrs. John Benger. Bridges is Mrs. Benger's brother.

Mr. and Mrs. Fern Barnett, Judy, Bettie and Wesley, and Mr. and Mrs. R. E. Barnett visited Sunday in Lubbock with Mr. and Mrs. G. R. Brock.

Sunday dinner guest of Mr. and Mrs. John S. Thompson was her mother, Mrs. Leona Wolfe.

Danny Carmichael visited Sunday with Randy Price.

Mr. and Mrs. J. M. Watson, Mr. and Mrs. Guy Latta and Mr. and Mrs. Johnnie Benger spent Friday evening with Mr. and Mrs. John Benger. The group spent the evening playing "42."

Howard Elmore returned home Sunday from the Parmer County Hospital where he had been confined for the past ten days.

Mr. and Mrs. Ralph Price visited Sunday in Hereford with his parents, Mr. and Mrs. Willie Price. Mrs. Minnie Barnett returned to Amarillo Sunday after visiting the past two weeks in the home of Mr. and Mrs. R. E. Barnett.

Visiting in the Fred Dennis home is his father from Blair, Okla.

Work on the Black community building is scheduled to start this week as another step in the Texas Rural Neighborhood Progress contest sponsored by the Farmer-Stockman magazine and the Texas A&M Extension Service, which members of the community have entered.

Painting and redecorating the building, in addition to beautifying it through landscaping, is just another part of the many improvements that residents of the Black community intend to get for themselves by cooperating with one another.

The contest, which has been in operation as a yearly affair since 1946, is open to all rural communities in the state, although Black is the only Parmer County community this year attempting to win the prize.

It has been established "to stimulate individual family and neighborhood effort toward farm, home, and neighborhood improvement," and the objectives are "to make farm and ranch life more desirable and satisfying, as well as more profitable and stable for farm families."

The top state award is \$500 to the community which is judged as having the best performance in the contest period. Smaller awards are offered for state runners-up and district champions.

Mrs. Dick Rockey, secretary-treasurer of the community's organized improvement movement, said this week, "All of us have certainly enjoyed getting together again and working for the community."

"After our rural school was consolidated, and good roads made it easy for us to go to Friona or Hereford, our community life sort of 'drifted away,' but now, we all enjoy working together again in helping to improve our neighborhood."

President of the move is Mrs. John Benger, and vice-president is Ralph Price.

Committee members: Finance—Mrs. Lloyd Prewitt, Fern Barnett, Mrs. Ellis Tatum. Community house grounds—J. R. Braxton, Woodrow Whitaker, Tom Presley, Ellis Tatum.

Community house—Mrs. Clyde Hays, Howard Elmore, J. R. Braxton.

Areas in which the community is attempting to better itself include increasing and managing family income, improving health conditions and services, improving the home and farm, and encouraging social participation.

Reagan Brown, rural extension sociologist from College Station, visited the community last week and helped explain the different points in the improvement program. Mrs. Rockey reports greatly accelerated interest in the work since Brown's visit.

The deadline for the contest is March 31.

Mrs. Ellis Tatum and Mary and Mrs. Ray Landrum and Eugenia were shopping in Clovis Saturday.

Mr. and Mrs. Howard Elmore and Mrs. Dick Rockey visited and shopped in Farwell and Clovis Saturday.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Bruce Parr, Roy V. Miller, and Les Bruns attended a meeting in Lubbock last Friday night, where presidents and secretaries of district two met to study execution of Farm Bureau policies, and review accomplishments to date.

Vice-president E. T. Ford, who is also chairman of membership work, announces that drive captains will take their wives to a meeting in the Friona Club House Monday night to make further plans for the membership drive, which begins Tuesday, March 6. Present to assist in the planning will be state Field Representative, O. K. Hoyle, and District Field Representative, Joe Ed Sullivan.

It's easy to understand how hard it is for the average layman to understand what the proposed "Soil Bank" legislation is, and whether it will be better or worse than what we've had, if he reads all the different versions and opinions that have been written and spoken regarding it. The easiest subject of conversation is still the one that enumerates the various problems confronting the farmers.

Conversation usually slows down, or stops, when the question is presented, "Now that you have repeated the well know problem, what is the solution?" We are certainly hopeful that legislation

will be forthcoming that will give immediate and long range relief in these matters. One optimistic feature, or incident that occurred, was the market increase of \$2 per bale on cotton the day following the president's message on the proposed program. Anything that causes the open market to fluctuate upward, is, it seems, worthy of some serious consideration.

Farm Bureau Directors want to repeat the standing invitation to any person desiring to do so, to attend any or all directors meetings, which are held in the Friona office the first Monday of each month. They extend a special invitation to new county residents to attend at least one of these meetings to become acquainted with the officers and directors and their method of administration.

Ken Towery Speaks At Chamber Feed

Kenneth Towery, a small-town newspaper editor who won a Pulitzer prize for reporting in 1955, told his views on the Texas veterans' land scandal to around 200 persons at a Friona Chamber of Commerce banquet Friday night.

He was introduced by Bert Neeley, publisher of the Friona Star. It was Towery who last year printed the first reports of irregularities in the handling of the state's veterans' land program that led to the disclosure of windfall profits made for many developers, and to the imprisonment of Bascom Giles, one of the state's then most respected office holders, who oversaw the administration of the program as state land commissioner.

Towery narrated the events that led up to the "break" in the case, telling that he first suspicioned something foul afoot when hearing reports that colored residents of the area were being "entertained" by whites.

"It looked exceedingly strange," he said, "to see this type of activity," and he sent Negro employees of the newspaper into the colored sections of Curero to check

on the goings-on. Much later, it developed that some of these were Negro veterans who unwittingly signed papers making application for land under the state's loan program, and that they learned too late of the trickery.

Wiley Cheatham, county attorney, also "smelled a rat," said Towery, and went to Austin, hoping to bring charges against some of the questionable practices. He returned disillusioned, and turned the work over to the editor.

Towery, gathering information all the time, then himself made a trip to the capitol, and after checking numerous records there and calling on Giles, decided that something really big was about to be stirred up.

He returned to his home town, where he began a series of "interview-type" articles aimed at arousing curiosity, and some of the larger papers of the state picked up the lead.

"I have heard the state's (big) newspapers criticized about not working harder on breaking this story to the public," said Towery, "but I don't have any complaints about them. They did all they could."

From Towery's early work, the investigation movement continued to snowball, drawing more and more people into it, until a full-scale, statewide scandal had been exposed.

With reference to the present state administration, the editor said, "I tried as hard as I could to pin something on the governor, but as far as I'm concerned, he's clear."

He also mentioned Attorney General John Ben Shepperd in connection with the governor, and commented, "They have been criticized, and probably rightly so, for delegating authority to have others sign for them at meetings of the veterans' land board."

And although Towery mentioned that he doesn't approve of many of the administration's policies, he left the clear impression that he feels the governor and those closest to him were not directly involved in bringing about the scandal.

Of the land board, Towery said, "I don't see how they could have done any better" without personal inspection of each application, which was a physical impossibility.

The attorney general was praised by the editor for his cooperation in making law enforcement officials available at the scene when the trouble erupted, and Towery said the action of justice was speeded by Shepperd's work.

In a veiled cut at Ralph Yarborough, who probably will be a strong candidate for governor this year, and who has been making numerous appearances over the

state, he said that if any person has any information, "he ought to turn it over to a grand jury and let justice be done."

Yarborough has been one of the state's sharpest critics of the administration.

On the political future of Shivers and Shepperd, Towery believes: "I think it's (the scandal) ruined both of them."

On the likelihood of any such thing ever happening again in the state: "I believe the next legislature will see things differently. I don't think well have any more of this stuff."

Williams Elected Chamber President

It was announced that Herman Neff, Joe Douglas and Andy Hurst had been elected as new directors and Wright Williams had been elected as president of the organization for 1956. Other members of the board of directors are Charlie Mercer, Hank Outland and Dillie M. Kelley, outgoing president.

Wright Williams has lived in Friona since 1929 when he came here to accept a position as bookkeeper for the Consumers Fuel Association. Williams and Miss Jane Johnston of Abernathy were married in 1930 and have lived in Friona since that time except one year at Big Spring and the 3 1/2 years he was in the service during World War II.

In 1934 Williams was elected manager of the Consumers Fuel Association and served in that capacity until 1937. After his return from Uncle Sam's service, he was the Magnolia Wholesale Agent until he became associated with the City Drug Store.

In the spring of 1950 he sold his interest in the drug store to O. J. Beene and has been connected with the North Plains Gin since it was built in 1951.

Williams has been an active member of the Chamber of Commerce for many years and has served on the board of directors since 1947. He was president in 1951. He has also been an active worker in the Lions Club since its organization and has served as secretary, vice-president and president.

Next meeting of the Chamber of Commerce will be held the first Tuesday in March.

Mr. and Mrs. George Marshall, former Friona residents, have bought a home in Hereford and are moving there from Texico.

Saturday visitors in the Oscar Baxter home were Mr. and Mrs. Ray Duff and children from Plains, the Jim Baxters and the George Marshalls.

Mr. and Mrs. Dean Blackburn, Mr. and Mrs. Frankie Allen and Mrs. Arma Coffman spent Sunday in the home of Mr. and Mrs. Truitt Coffman in Amarillo.

Mr. and Mrs. W. J. Coffman and children from the Lazbuddie community visited in the home of Mrs. Arma Coffman Monday.

Senior Class Play Set for March 9

Voodoo, black magic, a weird house overlooking the sea, where strange things happen at night and people disappear, never to be heard of again. These are a few of the elements you will find in "The Zombie," a new, three-act mystery comedy drama to be presented by the Friona senior class in the high school auditorium on the evening of March 9.

When the class first decided to produce a mystery play this year, they said they wanted something different, and that is just what "The Zombie" is. Thrill follows thrill with bewildering rapidity, and the denouement comes as a distinct surprise.

Those taking part in the production are Billy Hodgeson, Marie White, Morris Bruns, Jerry Scarborough, Nelda May, Phyllis Fairchild, Charles Kirk, Eugenia Landrum, Ann McKee, Harold Taylor, Loletta O'Brian, and Donald Petty. Sponsors are H. T. Childers, Joe Means, and H. D. Watkins who are doing a splendid job directing it.

The stage and special effects have been worked out by Cotton Renner, Bill Dennis, Jarrell Wright, Ray Dean Fleming, Jerry Houlette, Kenneth Ferguson, and Mickey Ready, who have been complimented highly for their clever work.

CONGREGATIONAL CHURCH NEWS

Rev. Nelson returned home Friday after attending a Ministers Retreat for three days. Wednesday, he led a seminar on "Strategy for Rural Churches."

Junior and Senior Pilgrim Fellowship groups invited the youth groups from the other churches to meet with them last Sunday. The meeting began at 5 p. m. with Mrs. H. K. Kendrick as guest speaker. The group enjoyed a worship service, recreation, and refreshments. Forty-five persons attended the World Day of Prayer Service Friday afternoon. All of the women taking part carefully prepared and presented the program, which gave the Indian interpretation of some of our most loved scriptures. The service is inter-denominational in 135 countries around the world.

Women's Fellowship met at the home of Mrs. Lange last Wednesday. Mrs. Bartlett gave the devotion and Mrs. Whitefield gave the study of "Chippewa Poverty." Hostesses were Mrs. Wilson and Mrs. Hartwell who served coffee and banana cake.

BAPTIST CHURCH NEWS

C. M. Fields, Pastor

Five hundred and thirty were present for Sunday School on the first Sunday of the revival. Training union attendance was 286.

Tuesday and Wednesday evenings, Rev. Neil Record, the visiting evangelist, showed slide pictures of the Holy Land which he visited last summer.

Tuesday, the District Nine con-

vention was held in the Calvary Baptist Church in Lubbock.

All auxiliary meetings were postponed this week during the revival.

Revival services will continue throughout Sunday, February 26. Morning services begin at 7:30 a. m. except on Saturday and they will be at 10 a. m. Prayer groups meet at 7:30 each evening and worship services are at 8 p. m.

All primary and junior boys and girls are urged to be present for a sing-song each night at 7:30 during the revival.

Don Lewis Receives Honor at Midwestern

Don Lewis, 1955 graduate of Friona High School and son of Mr. and Mrs. Henry Lewis, has received special recognition at Midwestern University in Wichita Falls where he is now enrolled.

He completed his first semester of training with an average of A- and was one of the 168 students to be placed on the honor roll. A student may have a B average to reach this position and a very small number who receive a rating of A are placed on the Dean's Honor Roll.

Don has been nominated by the freshman class as a candidate for campus favorite. Each class elects its candidates according to the size of the class.

Ed Boggess, J. M. Watson, Joe Collier, Nelson Welch, Gilbert Wenner, Eugene Boggess and Rene Sneed are fishing near Del Rio this week.

City Commission Has Regular Meeting

At the meeting of the city commission Tuesday evening, routine business was attended to. Those present were Mayor Charles Allen and Commissioners A. W. Anthony Sr. and O. J. Beene.

Work on the current paving project is progressing and actual construction is expected to begin about March 1.

At present about 50% of the property owners have signed contracts with the contractor for paving. The construction will be done in units and as soon as the required number of property owners in a unit have signed contracts, construction will begin in that unit.

Foreign Students Are Guest Speakers

Four foreign students from Amarillo High School were guest speakers for the Parent-Teacher Association meeting last Thursday evening. The countries represented were Turkey, Germany, and Argentina.

A panel discussion brought out several points of interest for the local people.

A school day in Germany begins at 7:30 a. m. and ends at 1:30 p. m. There are three schools that each German student may enter—grade school, middle school, and high school. There are 13 grades, and if a student completes his training this far, it is equal to a junior college education in the United States. Only five per cent of the

students finish high school.

All four of the visitors seemed to prefer the educational system of the United States to that of their own countries. A system such as ours tends to lessen the possibilities of class distinction.

Juvenile delinquency is a rather uncommon thing in those three countries because the parents have stricter discipline at home.

Following the panel discussion, a question and answer period gave those present a chance to ask questions of general interest. Topics from religion to farming were discussed.

Funeral Services Held Monday for Meil Baby

Funeral services for Eddie Bob Meil were conducted Monday at 2:30 p. m. at the First Baptist Church in Friona. Rev. C. M. Fields, pastor of the church, officiated.

Burial was in the Friona Cemetery under the direction of Marcum-Claborn Funeral Home. Eddie Bob was born February 17 at the Parmer County Community Hospital.

Besides his parents, Mr. and Mrs. Eddie Meil, Eddie Bob is survived by his grandparents, Mr. and Mrs. J. A. Loflin of Bovina and Mr. and Mrs. C. L. E. Meil of Meadow.

Mr. and Mrs. Sherman McCown, Paul and Sharon of Adrian visited in the Glenn Floyd home Tuesday evening. Susan Floyd returned home with them and will be their guest about a week.

We went to Dallas last week. Since we so seldom get away from home for more than 24 hours at a time, that is news. While we were there, we read the Dallas Morning News. We especially enjoyed Paul Crume's front page column BIG D. Since we knew that his first column appeared in the State Line Tribune, his writings were of interest to us.

Had we known at the time that the publicized Lariat, we might have given him some information on it. We had to come home and read last week's Tribune to learn that Big D was interested in Lariat. Our interest in that Parmer County town dates back about 17 years. At that time, our judgment of the time of the stork's arrival wasn't very good. As it happened, the stork was nearer than the Clovis hospital, so Gerald is a native of Lariat.

As some of you know, our daughter, Marilyn, is mentally ill. We have been trying for several years to get her into a special school. The trip to Dallas was made for her benefit. About 12:30 p. m. Monday we received a letter stating that an appointment had been made for a speech evaluation for Marilyn at 10 a. m. Thursday. This was to be followed by a clinical examination at the Children's

joy a lot of natural beauty we do not have, but we have no desire to exchange places with any of them. Friona sure looked good to us when we returned. It has always seemed strange to us that when we have been away for a short time, which always seems longer to us, no changes have been made. When we got back, we were glad to see everyone, and almost no one seemed glad to see us. The majority of them didn't even know we had been anywhere.

Someone on the radio last week asked, "Is Big D big?" Of course, we knew it was. Hadn't realized and still can't realize just how big it is. As we sat at a busy downtown intersection waiting for a green light, we saw more people than we had seen in the past year. They were as thick as bees in a hive and going in every direction. It amazed us to think that each one had something to do and knew where he was going. Maybe the Merchandise Mart isn't as large as it seemed to us that all of the businesses in Friona could be housed on two floors of it or maybe on the ground floor.

One thing we learned was a good spot for an ill person regardless of the nature of his illness. Our destination was located near the intersection of Maple and Oak Lawn Avenues, and in this neighborhood there were hospitals and clinics for any illness or condition we had ever heard of. The Scottish Rite Hospital for Crippled Children is much larger than we had any idea it would be. The Children's Center where we went was a very nice, well equipped place. Its basic function is for the treatment and training of cerebral palsy victims. The work that is being done there would be inspirational to anyone who visited it.

The doctors, nurses, office personnel and everyone else who was connected with the Center were very kind, patient and sympathetic with each of the children who were brought there for diagnosis, treatment or training. We accomplished our mission, so it was a nice trip.

The thing that we saw that we would have liked most to have brought home with us was rain. It rained and rained and rained while we were there and rained a lot of the way on our way home. When we got back up on the plains, the sand was blowing.

In Denton, we saw the courthouse. It was an old building much like the one at Decatur and we tried to buy a picture post card of it, but couldn't find one.

The only hanging our father-in-law ever witnessed was on the courthouse square in Denton before the turn of the century. Since we had heard him tell about it many times, we wanted a picture especially for him. As we remember the story, the hanging came as a result of a slaying. There had been a lawsuit over a land dispute and the man who lost the case shot the judge and all the jurors. Then he was hanged for killing the 13 men.

Did you see two of Friona's citizen's pictures in the Sunday Amarillo News? Dillie M. Kelley and

Eversman MODERN, RUBBER MOUNTED
FLOATING-HITCH DITCHER

"Finest Ditcher Ever Built!"
Says John Bradley

I have found my Eversman Ditcher one of the finest I have ever used. The wide, clean ditch it makes carries plenty of water. I like the feature of having a one-man ditcher. I like the way it transports, no lifting or loading. I get away from a lot of shoveling by being able to back the ditcher into another ditch and pull away. The water follows.

By removing the ditcher blades and putting on an Eversman sub-soiler I have deep-chiseled 50 acres. This was a lot cheaper than buying a separate sub-soiler chisel. I pulled it to a depth of about 18" with ease with my three-plow tractor.

Ponies Bale Cotton Center in Bi-District

With one side of Dimmitt High School gym's concrete bleachers crammed full of excited basketball fans and Cotton Center's side almost as full, Bovina's Mustangs eked out a 50-48 win over the Cotton Center Elks last night in a bi-district game.

The win earned Bovina the right to play in the Regional Tournament in Canyon Friday and Saturday. The Mustangs will first play Briscoe, winner of districts 11 and 12 at 7:00 p. m. Friday.

Last night's game was close, there was never more than six points separating the two teams who were the best in their respective districts.

The Cotton Center boys played a slow, methodical brand of ball and forced the Mustangs, ordinarily a fast break team, to play the same way most of the game.

The first quarter saw both teams hold a two point lead at times, but when the quarter ended, the score was tied 12-12.

The second quarter netted the Mustangs one point. It ended 25-24. However, Neil Smith and Darrel Read both stole the ball from Elk ball handlers during the quarter and dropped the stolen ball through their own basket to keep the locals in front. They held a scant lead throughout the quarter.

At the intermission, the tension was on as much as ever, the one point lead the Mustangs held wasn't enough to make anyone feel at ease.

With 5:33 remaining on the clock, the Mustangs lost the lead and Cotton Center led 28-27. Read poured in a jump shot to give the local five the lead back, but it was quickly gone again. The Elks scored three field goals—

six points—and were in possession of a 34-29 lead before the Ponies could counter again.

Erith Hawkins and Larry Ezell closed the gap in the score with three free throws between them to make the score 34-32, seconds later, Ezell tipped in the tying two pointer.

A Cotton Center long shot rolled around the rim and then fell out of the basket as the buzzer sounded to leave the third quarter score tied 34-34.

With the beginning of the fourth quarter, the tension was still building, if that was possible.

Hawkins made two field goals early to give the Mustangs a four point lead, then, Smith, the Mustangs' play maker, calmly and coolly dropped in a jump shot from the free throw line to increase the lead to six points. 6:08 remained.

But Cotton Center tied it up shortly with two field goals and two free throws. Hawkins came back with two more field goals, Read added a jump shot to gain the six point lead back, 46-40.

Cotton Center made two points, then Smith countered with two, 48-42. The Elks made a shot from the side to make it 48-44. Then Smith, who was being rushed passed to Hawkins, who had been left open near the goal, Hawkins laid the ball in the basket to make the score 50-44 to end the Mustangs' scoring for the night. Just 44 seconds playing time remained. Two free throws for Cotton Center made it 50-46 and a tip in with two seconds left made the score 50-48.

Hawkins lead the locals' scoring with 20 points. Smith tossed in 14. Ezell made eight. Read, handicapped by the best guard he has played against this season, made six, and Billy Richards made two. Billy Johnson didn't score.

Project Show Set For March 10

The Bovina FFA Chapter will have its first annual Project Show Saturday, March 10, at the FFA-owned lots on the east side of Bovina. Roy M. Crawford, chapter advisor has announced.

Chapter members have approximately 65 animals as projects and Crawford says that he expects a large percentage of these to be in the show.

The reason for the show is to encourage the boys in their work and to get the community more interested in the work the boys are doing, Crawford says.

The majority of the projects are hogs, however, there are one Hereford steer, two beef calves, and three dairy heifers included in the

group.

After the local show, some of the projects will be shown at the Parmer County show at Friona and at the Lubbock show. Both these shows are scheduled after Bovina's show.

The local show will be an all-day affair.

There will be no sale connected with the local show because the boys who have fat animals will sell them at the close of the Lubbock show.

Included in the show will be six chapter-owned and fed barrows.

Lions and Wives to Hear "Dub" Nelson

Bovina Lions Club members and their wives will hear W. T. "Dub" Nelson, Lions district governor, speak Thursday night at the Bovina school cafeteria on "Lionism is a Fusion of the Human and the Divine." The meeting will begin at 7:00 p. m.

Nelson will be introduced to the group by Cecil Massey, Lion zone chairman, of Hereford.

Bedford Caldwell, president of the local club, is urging 100 per cent attendance by the members of the club.

The club will observe Founder's night as well as Ladies' night at the Thursday meeting.

Funeral Services For E. V. Isham Held Here Today

Funeral services for Elmer V. (Verb) Isham, long-time Bovina resident and Parmer County farmer, were held this afternoon (Wednesday) at 2:00 p. m. at the Bovina Church of Christ. Burial was in the Mission Garden of Memories in Clovis.

Isham, a quiet-spoken, well-liked man, died of a heart attack at his home in Bovina Monday afternoon.

Services were conducted by Ebb Randol, minister of the Church of Christ at Melrose, N. M.

Isham is survived by three sons; Rex, a student at Texas A&M College at College Station; Lynn and Ronnie, both students of Bovina High School; two brothers; Neil and C. L.; two sisters, Mrs. Eula Fahsholtz and Mrs. R. R. O'Neil, all of Clovis.

Isham was born April 3, 1903 and had lived in Parmer County for 45 years.

He was preceded in death by his wife, who died in 1949. Steeds Funeral Home in Clovis was in charge of arrangements.

Agreement Adopted By Gas Association

Farmers belonging to the Parmer County Gas Association adopted a partnership agreement among themselves at a meeting Friday night in Bovina. The group will own some 25 miles of natural gas pipe line that will run north of Bovina.

Floyd Dunavant was elected permanent chairman of the group at the Friday meeting. He had been acting as temporary chairman. O. W. Rhinehart was named vice-

chairman and C. R. Elliott, secretary-treasurer.

Contract for construction of the line was let to Bob Orr of Panhandle Steel Company of Amarillo and the construction is expected to be completed by the last of this week.

Approximately 40 irrigation wells will be serviced by the line.

The Association will have an annual meeting about the first of February. At this time, problems, if any, will be discussed and officers for the coming year will be elected.

Pioneer Natural Gas Company will pay for four and one-half miles of the line. The remainder of the cost will be paid by the farmers who will use it.

A committee, composed of a few of the members, will work out minor details concerning the association.

Fire Department Has Aspirator for Public

Henry Minter, city secretary and a member of Bovina's Volunteer Fire Department has announced that the department has an oxygen aspirator that may be used by the public anytime that it is needed.

The machine also serves as an inhalator and a resuscitator.

Minter says that it was primarily to be used by the fire department but it is available for anyone that might have use for it.

Individuals that are overcome by smoke, near drowning, or that need oxygen for any reason may be helped by the machine.

It is kept in the city hall.

Texico Ag Boys Show in El Paso Fair

Texico Ag boys have done it again; in fact, it's getting to be a habit with them to bring home their share of the honors despite strong competition.

The Texico boys managed to bring back four ribbons on twelve hogs entered in the Southwestern Fat Stock Show in El Paso, last week.

Winning a first place ribbon was Bobby Spears, whose hog sold through the livestock sale and brought a premium price of 70 cents per pound, or a total of \$175.

Weldon Bell won first place on a pen of three hogs and a second place on an individual entry which netted him 55 cents per pound, or a total of \$135.

J. C. and Allen Kelley took fifth place on a pen of three which they sold at packer's bid for 15 cents per pound. All of these boys had other hogs which they had planned to take but were unable to do so because of the severe snow storm which blew in about three days before they were to enter the show.

Spears and Bell realized a profit of approximately \$140 and \$100, respectively, through selling their hogs at a premium through the auction ring.

Tom Hudson, sponsor of the group, said in assembly Monday when ribbons were presented, "I feel that our boys did exceedingly well since they had only about three percent of the entries and won approximately 16 percent of the prizes in the show."

Texico Wins Two In Home Season Finale

Both high school basketball teams won over Rogers Friday night to end home season play at Texico. Texico girls romped over the Rogers' six 51-22, and the Wolverines outscored the visitors 62-40.

The final home game for several seniors at Texico, the line up started with Anita Tharp, Sue Reid and Shirley Doshier, all seniors, at forward positions. D'Tanis Caldwell, Sue Doolittle and Joyce Gillean started on the defensive end.

All girls suited out for the game saw some action during the 32 minute session. Barbara Caldwell and Sue Reid tied in the high scoring department with 19 points each.

This victory gave the Texico Whirlwinds a season record of 15 wins and four losses.

In discussing the season's activity on the court, Coach Paul Frederick says "The team this year has the best average of wins against losses than any team I've coached since I have been in the system."

After a slow start, the end of the season has found Texico boys coming to life. After beating Rogers Friday night, the Wolverines fought to a 40-39 victory over Elida Saturday night. The local boys will be playing in the district tournament at Portales this weekend.

Mikala Faville Crowned Sweetheart

Mikala Faville, junior, was crowned 1956 band sweetheart between basketball games Friday night as Texico teams played hosts to Rogers.

A slow waltz was played by the band while Mikala was escorted to the middle of the court. Forming an archway for the ceremony were the majorettes, Melba Doshier, D'Rene Danforth, Connie Tharp and Anita Moss and Susan Levins, drum majorette.

Dick Lockhart, band president, crowned Mikala and presented her with a bouquet of pink roses.

Mikala is the daughter of Mr. and Mrs. Leroy Faville of this city. She was chosen band sweetheart by popular vote of the band members earlier in the year.

Home Economics Club Sees Demonstration

Monday afternoon the Home Economics Club attended a demonstration in the home economics cottage given by Miss Jo Crabtree, home supervisor with the Southern Union Gas Company. She spoke on understanding the use of the gas range. Miss Crabtree also gave the new and outstanding points in the construction of the gas ranges.

One point brought out by Miss Crabtree was the lack of smoke and simplicity in cleaning the modern gas range. She also emphasized the fact that the ranges can be kept clean easily, because

COMMENTING With Carolyn

Al Garten, director of the athletics at ENMU in Portales, was at THS last week talking with members of the senior class. Although giving some publicity for ENMU, in his short speech, Garten emphasized the fact, "go to college," regardless of your choice of schools.

Not once, not twice, but several times this year the FFA boys have won honors at fairs and various other showings. Their latest accomplishment was the winning of several ribbons at a recent El Paso fair. These ribbons were won individually by Allen Kelley, Weldon Bell, J. C. Kelley and Bobby Spears. Congratulations!

March 1 is the date chosen by the senior class for a skating party in Clovis. The sophomores and juniors have been invited as guests.

The postman's creed "rain, sleet or snow, the mail must go through" is just how Mrs. John Hightower, head cook at the Texico lunch room feels about her job. During the bad weather last week, Mrs. Hightower's car was stalled between her home north of Texico and the school. She walked two miles to the Reid home where she obtained a ride to her lunchroom duties.

Members of the typing class wish to thank Mr. Ritchie for making 25 new stands for their typing books. These stands, which are really the "latest," were recommended by the new student teachers from Portales.

Basketball at Texico is just about over for this year; however, the Wolverines are entered in the district tournament at Portales this weekend. Well see you at Greyhound Gymnasium yelling for the Wolverines. Carolyn

Grade School Has Valentine Parties

Tuesday, February 14, the Texico grade school children had Valentine parties throughout the school. They all enjoyed refreshments and exchanging Valentines. Mothers and guests attending were Mrs. Murray White, Mrs.

Clyde McDaniel, Mrs. Lorene Wilson, Mrs. Melvin Goolsby, Mrs. Imogene Arnold, Mrs. Perry Winkles, Mrs. Grayson Roberts, Mrs. Paul Skaggs, Mrs. E. G. Brehm, Mrs. Morgan Billington, Mrs. Ores Eshleman, Mrs. C. C. Morgan, Betty May Curtis, Randy Brehm, Arlene Arnold, Randy Skaggs, Mrs. Knight and son Calvin, Roddy Pearce, and Miss Moss, student teacher.

Boys and girls of the fourth grade have been enjoying an interesting study of "houses around the world." Different children brought exhibits from home or constructed the various types of houses at school.

On the sick list this week were Barbara Raulie, Kay Hall and Linda Palmateer.

Children of the sixth grade are happy to have Gary Webster back with them after moving away, but the second grade is very sorry to lose Keith Owen.

New blackboards have been added to all grade school rooms recently.

Children in the fifth grade are sorry that Mrs. Peyton had to go to Oklahoma because of her father's illness.

Kenneth Taylor, sixth grade student, celebrated his 13th birthday recently when his sister-in-law, Mrs. Bob Taylor, served the class punch and cupcakes.

Students Have Skating Party

Tuesday afternoon the seventh grade students enjoyed a Valentine party. Those furnishing refreshments to help complete the party were Pauline Servatius, Pat Patterson, Jerry Thigpen, Virginia Crocker and Laverne Rily.

Eva Morgan enrolled Monday, February 13, to give the seventh grade class a count of 31 students.

Eighth graders also had a party on St. Valentine's Day. Mrs. Ray Tharp brought the class a twin heart-shaped cake iced in pink and decorated in white. Other refreshments were brought by LaDonna Stewart and Gail Hadley.

Margaret Hudson of the seventh grade and Delmer Dubill of the eighth grade won the contest held in their rooms, about "what do you know about the presidents." They will be awarded a prize from

their teachers. The seventh and eighth grades had a combination party at Hillcrest Roller Rink Thursday night. There were 47 students present and seven guests. Sponsors for the group were Mr. and Mrs. Fred Danforth.

Third Graders Make Valentines

Third grade students enjoyed a Valentine party at school Tuesday afternoon. After playing several Valentine games, refreshments of Valentine cookies, strawberry pop and heart candies were served by the room mothers, Mesdames Troy Lovett, Mary Holland, Dick Doshier, Frank Doshier, W. D. Wakefield, Roscoe Burris, and the teachers, Mrs. Miller and Mrs. Seale.

The third grade was sorry to learn that John David's grandmother passed away. John David went to Fort Worth with his parents to attend the funeral.

Bobby Woodward was absent from school recently, and he declares that the mumps are not so much fun to have.

Sofia Zamora has been away from school for several days. She has been visiting her mother in Albuquerque.

Texico School Has New Student Teachers

Five student teachers, from Eastern New Mexico University, have been added to the Texico faculty and will be here for six weeks. These teachers are as follows:

Alva Jane Moss teaches in the first grade under the supervision of Mrs. Faville. Her major is elementary education while her minor is in music. Jane was formerly a student at Texico High School, graduating from here in 1952.

Jimmy Starkey is not new to this area since he has done substitute teaching here and was also connected with the summer recreational program in 1953. Jimmy has charge of the boys who are learning to tumble.

The other three teachers are teaching under Mrs. Jones in the commercial department. They are Janet George, Ann Bohn, and Shirley Mihas.

Janet is teaching typing I and also the junior high girls P. E. Her

major is secretarial science and P. E.

Ann is taking part of the shorthand II class and also typing I. Her major is secretarial science.

Shirley teaches some of the shorthand II girls and is teaching typing II. Secretarial science is her major.

Senior Personality Has Mature Thoughts

On December 11, 1938, a blue-eyed boy was born to Mr. and Mrs. Paul F. Thornton to whom they gave the name of Roy. He has been in the Texico School all of his school life, with the exception of one year, but has no plans for the future except that he plans to graduate from high school. He says then Uncle Sam will probably get him.

His proudest moment came to him when he was graduated from junior high school in 1952.

His subjects in school include journalism, bookkeeping, American history, and American government.

Wrestling is his favorite subject and his favorite hobby is chasing girls.

Roy is very politically minded. His hope is that President Eisenhower runs again and the administration approves a stable price support program. "Ninety percent parity is what the farmers need," he said.

His prediction for the future is that when the government ap-

propriates federal funds for education, America will be far better off in the education of her youth.

JUNIORS BEAT ELIDA, LOSE TO PORTALES

Texico Junior High boys played their last game of the season Saturday, when they traveled to Elida to bring home a 34-30 victory.

Elida trailed behind Texico two points nearly all the way, but Bobby Slover managed to make two free throws to put Texico in for the win.

The boys lost to Portales Friday, 44-26, during the invitational tournament at Ft. Sumner. Although Portales is rated high in their county, Texico made a good showing against this team.

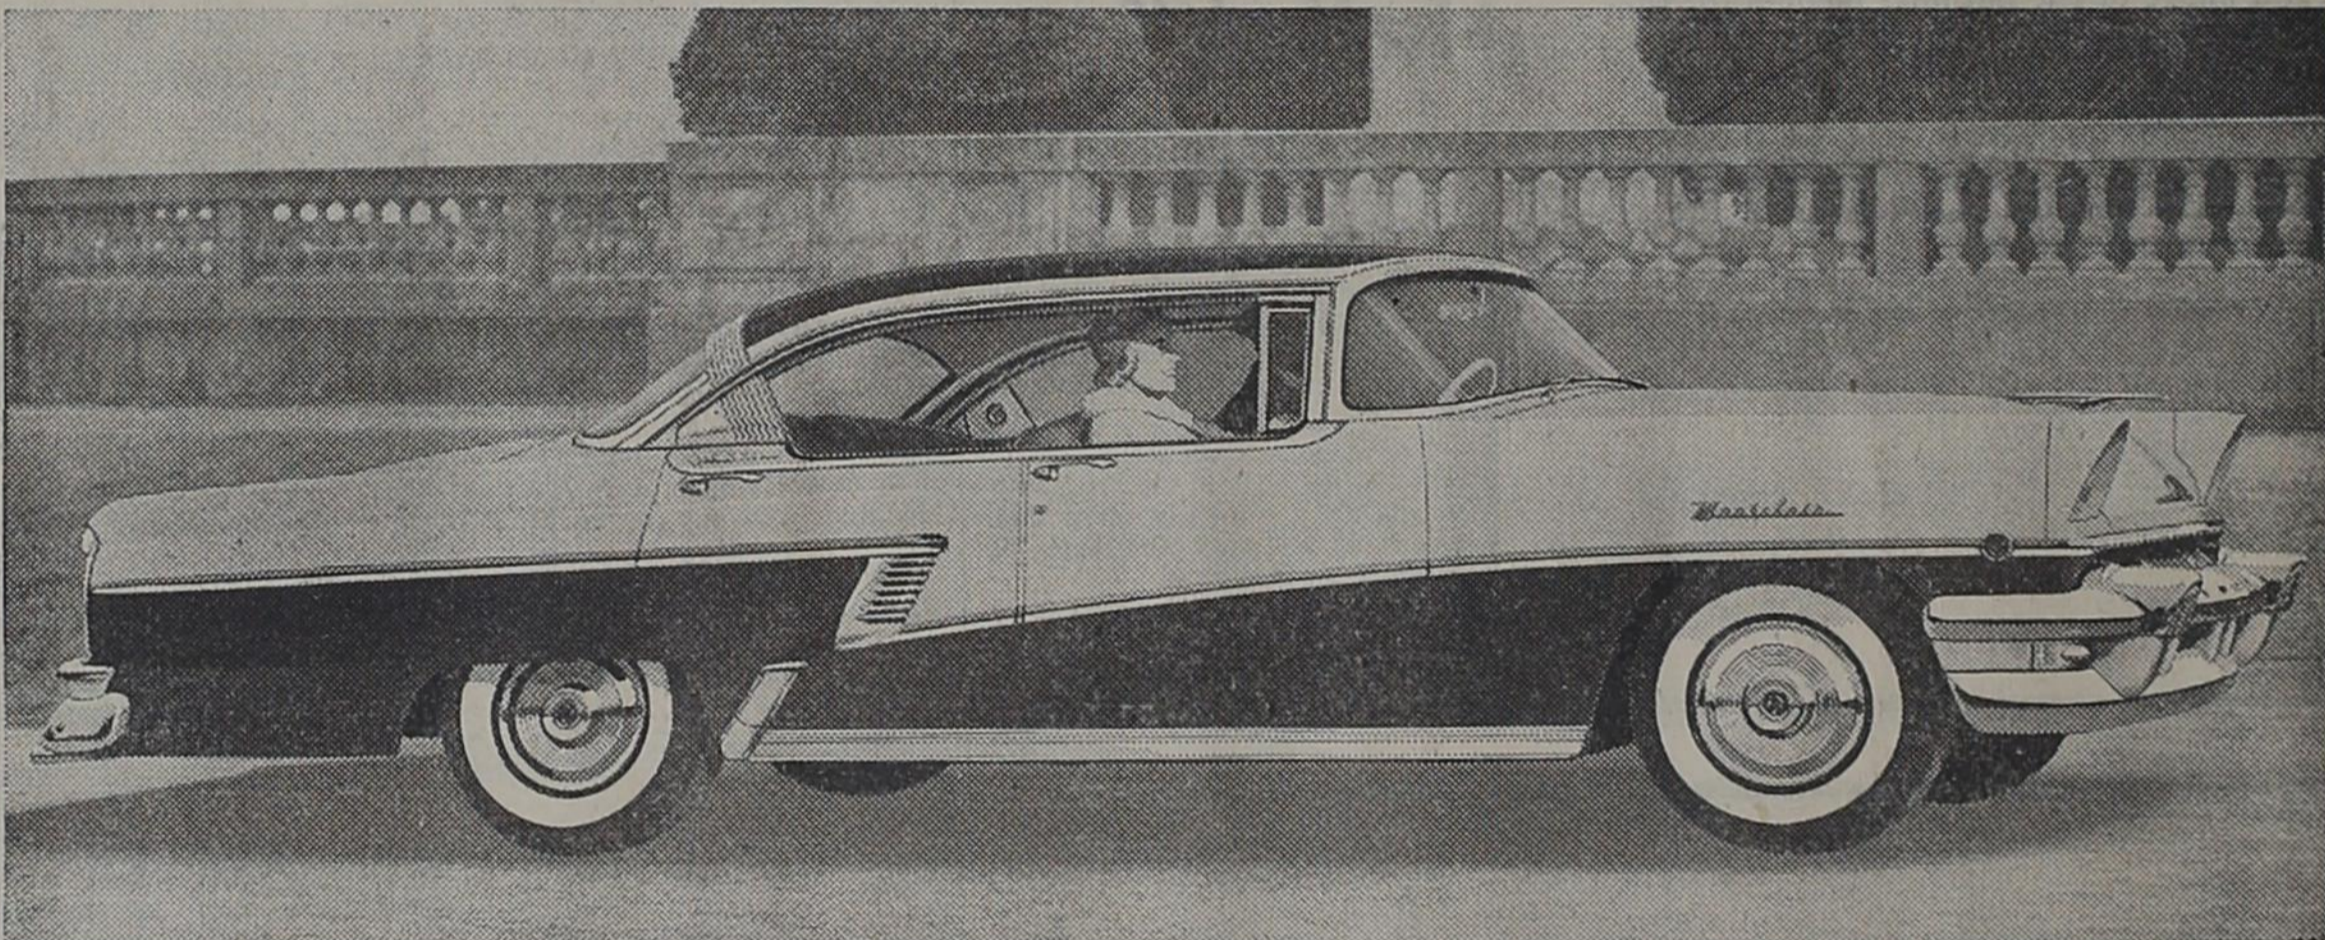

GUEST SPEAKERS APPEAR ON PROGRAM

Speaking at the Texico School Monday morning were A. Snow Allen from Illinois and Van Dusen from the Navy Recruiting Station in Clovis.

Allen talked on criminology and good citizenship, and Van Dusen gave helpful information on selective service requirements.

Incomplete vaccination programs have reportedly resulted in severe production drops in some laying flocks in the state. L-214, "A Suggested Vaccination Program for Chicks" is available at your local county agent's office.
