Hardage Outguesses All In First Week's Contest

Kevin Hardage, a Farwell Steer with considerable knowledge of football, outdid everyone in the first week of the Merchant's Football Contest by coming up with nine correct winners and having the lowest tiebreaker score. He received a check for \$5.

Hardage was not alone on top. Bobbie McFarland and Steven Kaltwasser also guessed nine right, but tiebreaker scores determined first, second and third places. Hardage won first since he was only 23 points off on the tiebreaker. Mrs. McFarland was 27 points off and Kaltwasser was 28 points off. Mrs. McFarland received a check for \$3 and Kaltwasser got a \$1 check.

The first week of the 12-week contest was a high-scoring one. Approximately 67 percent of the 251 persons who entered the football contest guessed six or more correctly. Highest possible score this week was nine since one game was paired incorrectly.

Those persons calling eight correct games were Paul Brigham, William Brigham, Buzz Busbice, Everette Christian, Gene Christian, David Dannheim, Mike Deel, Judy Earl, Gene Hardage, Mark Haseloff, Danny Ivy, Valerie Ivy, Joe W. Jones, John McFarland, Anne Norton, Tim Norton, Ty Phillips, Bill Prince, Ronnie Rogers, Harold Travis, Elaine Wardlaw, Doris White, Don Williams and Ellen Wurster.

Steve Owens was the first entrant this year. He deposited his blank in the Tribune office at 4:15 p.m. last Thursday.

To all those who forgot to enter the first week of the contest, there are 11 more fun-filled weeks in which to try your luck.

If the Grand Prize of two tickets to the Cotton Bowl Game on New Year's Day in Dallas, plus \$50 in expense money appeals to you, it's time you started filling out the entry blanks which will appear each week in the State Line Tribune.

Second prize is two tickets to the Sun Bowl in El Paso plus \$25 expense money. Both top prizes provide a goal for those who enjoy entering the contest each week.

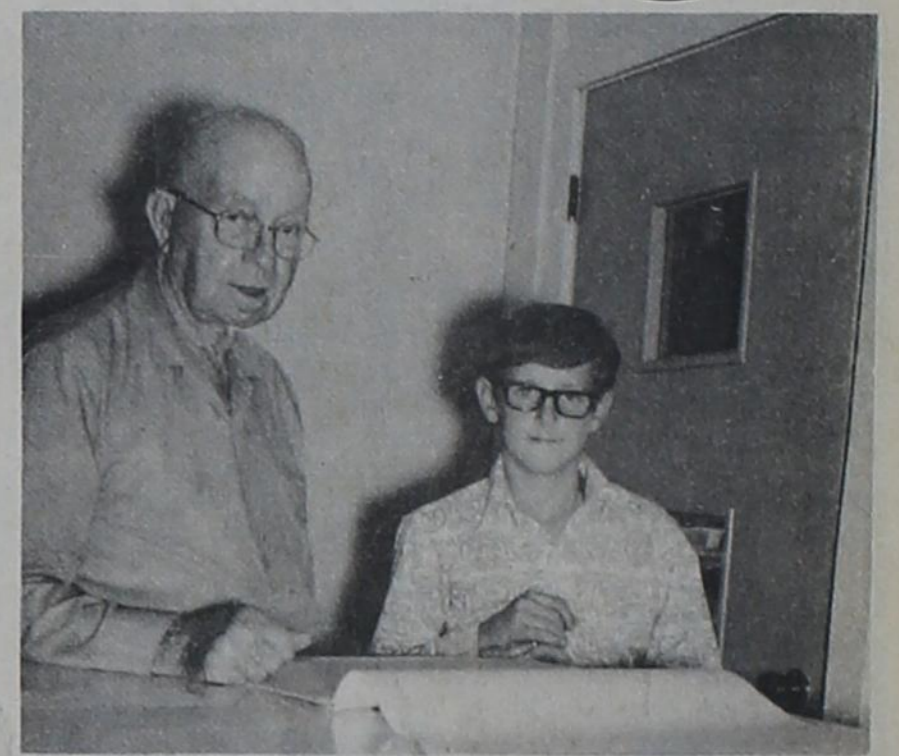

Weekly prizes of \$5, \$3 and \$1 for first, second and third place winners also add an incentive to all area residents to enter the football contest.

Each week, ten high school, college or professional football games will appear on the entry blank. Rules of the contest are to circle or otherwise indicate a winner for each game.

A Game of the Week, which will be a Steer game during Farwell football season, will be listed at the top of the entry blank. The Game of the Week will be used only in the event a tie results in the amount of games called correctly.

This score will also be used

in breaking a tie at the conclusion of the 12-week contest. The point-spread method will be used. It is possible for the entrant to predict the winner of the Game of the Week incorrectly, but still win the weekly money by being closer in the point spread. Entrants must be 12 years of

GENERATION GAP SPANNED - Rufus Carter, left, and Keith Herington, both of Farwell, spanned the generation gap last week when both entered the Merchant's Football Contest for the first time. Carter, 82, decided to try his luck and picked six correct games. Master Herington, who turned 12 on August 31, also did a little prognosticating and came up with five correct games. Here the two are discussing their scores and deciding what to do this week. Young Herington is the son of Mr. and Mrs. L. C. Herington.

\$273 In Broom Sale

Texico-Farwell Lions Club President Jim Walker reports that \$273 was made over the weekend during the Lions Club Broom Sale. "We had \$1,052 in gross sales," he said. The club receives a percentage of the profit on the sale of items stored at the Texas Lighthouse of the Blind.

He expressed the club's thanks to the residents of Texico-Farwell for responding so well to the sale. He said the money will be used toward purchasing glasses for needy children. Next project for the club is a lightbulb sale tentatively scheduled for Oct. 9.

DISHING OUT CHILI - Farwell Booster Club member Jim Berry, left, and President Bill Boling will be dishing out chili and beans tonight (Friday) from 5:30 to 7:30 p.m. in the school cafeteria. A meal of chili, beans, pie, iced tea and coffee will cost \$1.00, said Boling. He urges all Steer fans to eat with the Boosters tonight and attend the second home game in a row at 8 o'clock in Steer Stadium against Dimmitt.

Texico City Council Calls Special Session

Texico City Council has called a special session for Tuesday, Sept. 19, at 6:30 p.m. CDT. Purpose of the meeting will be to discuss the pros and cons of long-range planning and set up a planning commission.

The special session was called as a result of business at Tuesday night's (Sept. 12) regular session. Tuesday night Troy Ramsey of Eastern Plains Planning Council spoke to the council explaining his duties in relation to long-term planning by municipalities.

No action was taken after Ramsey's talk, but council members agreed to set up a planning commission. Thus, the special meeting was called.

Long-range planning covers areas such as economic growth, conservation, education, tourism and city repair and maintenance.

In other business, the council accepted the resignation of David Vaughn as sanitation director.

Parking Spaces Still Available

Farwell School Superintendent W. M. Roberts reports there are still several parking spaces available to those who wish to park their cars around the field at Steer Stadium during football games.

Farwell School Board decided recently to sell reserved parking spaces for all junior high, junior varsity and varsity games at a cost of \$10.

Anyone wishing to purchase one of the remaining spaces should contact Roberts at his office.

Changes Ownership

Mrs. Lou Busbice of Farwell announces that she has purchased Tom Paul's Beauty Salon in Farwell. Three operators, Marion Kay (Katie) Busbice, Mae Porter and Juanita Shirey, will be on duty.

FIRST WEEK'S WINNER - Kevin Hardage, right, happily accepts a \$5 check from Joe W. Jones of Security State Bank. Hardage, a member of the Farwell Steer team, guessed nine games correctly and was 23 points off on the tiebreaker. Two others, Bobbie McFarland and Steven Kaltwasser, also guessed nine games correctly but were further off on the tiebreaker score. Mrs. McFarland with a 27 point-spread captured second place and Kaltwasser was third with a 28 point-spread.

DIANE RILEY, FIRST RUNNER-UP in the Curry County Fair Queen Contest, left, smiles brightly after hearing of the outcome Tuesday night, Sept. 5, during Curry County Fair in Clovis. Nancijane Goodwin, center, a Clovis girl, was named 1972 Curry County Fair Queen. Sherry Grimes, right, 1971 Fair Queen, was on hand to view the coronation. Miss Riley, also named "Miss Congeniality", resides with her aunt and uncle, Mr. and Mrs. Donald Leatherwood of Texico. Her parents are Maj. and Mrs. Bob Hawkins of California.

PURELY PERSONAL

The highly trumpeted XX Olympiad is over. The controversies will linger on and on and on. In fact, the antics of some of the Communist countries' judges cast serious doubts on their integrity. It is apparent that some countries, particularly the United States, are pitting amateurs against very much professionals. It is also apparent that some of our own contestants are using the games as political platforms. None of these things are in the scope of the original Olympic idea. Unless we are prepared to take proper counter steps, it is debatable if the U.S. should return to the games in 1976.

If we return to the Olympic competition, we should drop our "amateur" status and send the best athletes we can get to represent us. We should demand better representation on the "officiating" staff, and lastly we should investigate the possibility of political activism within our own ranks. We think these steps are the minimum ones we should take before committing ourselves to another Olympiad.

As far as even staging the games are concerned, it should be well understood in advance that all countries will be allowed to send representatives to compete. If countries or even individuals do not want to compete against certain others, let them be the ones to be out of contention.

The Olympics must rise above the gross hypocrisy displayed this year by many of the African countries if it is to survive. Last minute craven concessions to politically-oriented athletes will kill the games as surely as the present amateurism ploy by Communist countries is a mockery to all thinking peoples.

A most revolting sidelight of the Olympics, of course, was the Arab terrorist raid which resulted in the deaths of 11 of the Israelis. This type of wanton terrorism is almost impossible to guard against, but the Israeli government has taken the only long term effective steps to control it.

Israel will not pay tribute to terrorism. The price has been steep in immediate terms but in the long run will prove to be the correct one. You cannot win by bargaining with wanton terrorism. It is too bad our own political leaders do not understand this premise.

Already, in New York, thugs in the process of a holdup took some hostages as they were being apprehended. They coolly announced that if their terms were not met they would slaughter the hostages because they would not be executed for such slaughter. This opens frightening vistas of coming criminal terror. What are our fatheaded people-lovers going to do now?

In a recent interview, a fellow who had been paroled after serving 24 years for a murder was praising the banning of the death penalty. He said that had the death penalty been given to him, he would not be here today to work for such penalty abolition.

Our thoughts were, so what? His victim was long dead. The victim's family has long suffered and is probably still suffering. Nobody today seems to remember the victims and their families.

We predict that many an innocent life will be forfeited before society rectifies the bill of soft-soap it has been sold about the death penalty.

On the local gardening scene, Rufus Carter is a towering figure. He raises magnificent watermelons. We know, he gave us one. Rufus is also in the running for the Turnip Championship Derby this fall as he is staking out some likely looking entries. Rufus' big worry in the tremendous turnip division seems to be Joe McWilliams. Rufus has just cause there.

So far, the publisher has not had much opportunity to judge many local tomatoes. This must be the year of the tiny tomato for Texico-Farwell horticulturists. In the garden growing division, some people have it and some don't.

Dimmitt Bobcats Next Steer Foe

Farwell Steers will face the Dimmitt Bobcats tonight (Friday) at 8 o'clock in Steer Stadium. Coach Toby Booth said Dimmitt runs about the same kind of offense as Farwell. He mentioned the power high. He also said the opposing team was quick and small.

"We should be much better this week. We're working a little more earnestly this week after our game with Friona,"

he said.

Dimmitt has only one offensive and two defensive starters back in the fold this year. They boast a 3-7 record from last year. The Bobcats have eight returning lettermen.

According to reports, last year's B team and freshmen units will be important in filling vacancies on the varsity squad at Dimmitt.

Dimmitt lost their season opener to Muleshoe last week.

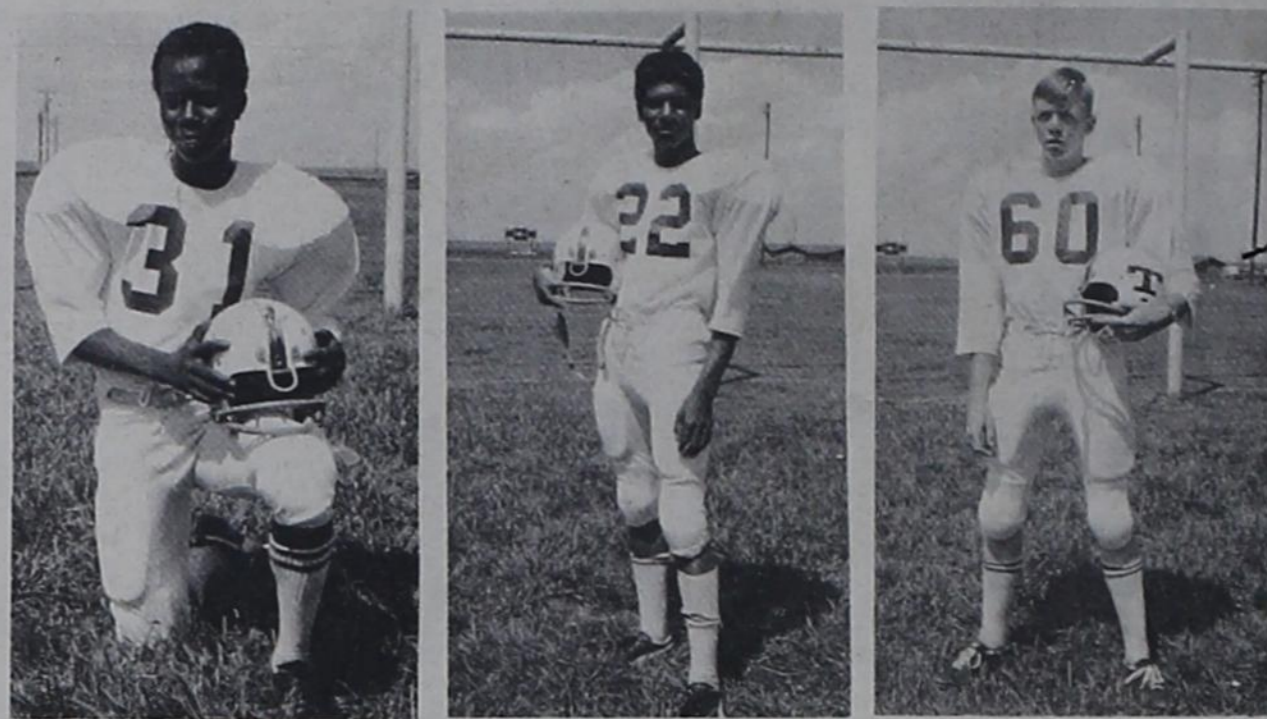

Texico Takes On Vaughn

Texico Wolverines take on their first district opponent tonight (Friday) at 8:30 p.m. CDT in Wolverine Stadium. The Wolverines will tangle with the Vaughn Eagles.

Coach Bucky Walters said he didn't really know what to expect from the Eagles but figured they were a fairly tough team. They were beaten the week before by a AA team 6-0, and they were clobbered by Ft. Sumner, according to Walters.

"They're not the strong team in the district. Melrose is still supposedly the strongest, but we won't be overlooking Vaughn as a tough opponent," he added.

Wolverines Of The Week

JAMES STEWARD CURTIS LINDLEY DWAYNE KELLEY

James Stewart, slot back, Curtis Lindley, halfback, and Dwayne Kelley, end, were named Wolverines of the week by Coach Bucky Walters. Stewart and Lindley were cited for their offensive play. Stewart ran 60 yards for a touchdown and in another play ran 40 yards for a TD which was called back. Lindley gained good yardage and also did an outstanding job defensively. Kelley also was praised by the coach as giving a fine performance defensively.

Chiefs Have Unfriendly Pow-Wow With Steers

by Lynn Blankenship

Friona proved to be more than the Farwell Steers could handle Friday night as the Chiefs handed the Steers a 34-14 defeat. The Chieftains dominated the statistics as well as the scoring having 438 yards total offense to Farwell's 199. The Chief's ground game rolled up 366 yards while their extremely tough defense held the Steers to 141 yards. Farwell's passing game was also stopped as Friona held Farwell to 58 yards in the air.

Things looked real good on the opening kickoff as a Chief went backwards with the ball. Farwell's defense was really shining at this point. James Bartlett took the ball for the Chiefs to make about two yards on the first play of the night. The Chiefs then drove 70 yards in 15 plays, starting at their own 20 and going to Farwell's 10-yard line where Farwell took possession, as Friona lost the ball on downs.

Quarterback Kevin Hargrove started Farwell's offensive play picking up about two yards. The Steers drove only three yards in three plays and were forced to punt. Kevin Hardage gave the ball a very good boost, but a Chief ran the ball

back 55 yards. However, there was a penalty against Friona for clipping and the Chieftains lost their long run, to resume play on their own 45-yard line.

A 35-yard pass was completed to Teddy King, but he had a Steer pursuer, Ray Norton, so he didn't get anywhere. Two plays afterwards, Johnny Bandy hit Teddy King with a pass and he went over the goal line to give the Chiefs their first points of the game. The try for extra points by Kevin Wiseman failed and the Chiefs took the lead 6-0.

The action wasn't finished in the first quarter as Farwell went 24 yards plus 20 yards worth of penalties against Friona. All this effort and, then to Farwell's misfortune, there was a bad handoff which caused a fumble and a Chief fell on the ball. The Chiefs took possession with 40 seconds left in the first quarter.

Starting the second quarter of the game, Friona was forced to punt and Ray Norton, taking the ball, returned it about 15 yards. Farwell was unable to move the ball well.

A Steer pass was intercepted by Johnny Bandy who made a

36-yard run. Two plays afterwards, Louis Lee took the ball for 15 yards and might have broken away but he tripped. The Chiefs were now on the Farwell 15-yard line.

Again two plays later, Lee made a 13-yard run to give Friona a 12-0 lead. He carried the ball over again for the extra points which made it 14-0 with 6:16 left in the first half.

Farwell, unable to move the ball, was then forced to punt. The hike was way over Hardage's head, and he had to run back for it. He tried to run with it, but there were just too many Chiefs around. Friona took possession on Farwell's five-yard line. Two plays afterward, Lee took the ball for two yards and another TD for Friona. After getting two tries for the PAT's, the Chiefs failed and the score was 20-0 with 2:28 remaining in the first half.

At halftime, things didn't look too good for the Steers, but the Steer Band displayed their new uniforms and provided a great halftime show.

Farwell got first try at the ball at the start of the second half, but the Steers were forced to punt again, and two plays later Chieftain James Bartlett made a 63-yard run. Everyone thought he was gone but Carl Kirkland, and he did something about it. Kirkland tackled him on Farwell's one-yard line. Friona's next play took them over the goal line to make the score 26-0. The try for extra points failed.

A short time later, Friona scampered 20 yards for their fifth touchdown of the night. Lee again took the ball over for the extra points and made it 34-0 with 2:27 left in the third quarter.

The Steers really came to life with about four minutes left to play as it was third down and 12 to go as Quarterback Johnny Boling hit David Dannheim with a pass of 18 yards to give Farwell their first TD for the night. The try for extra points failed as Winfred Long tried to run the ball over.

The score was now 34-6 as Farwell kicked off to Friona. The Chiefs lost their "spiz" and fumbled the ball. Farwell recovered it and the Steer offense was ready to go again.

TD FOR FHS - Farwell's Steers faced a tough Friday night against their first opponents of the season, the Friona Chieftains. The battle cry "TD For FHS" worked only twice for the Steers as they fell to the Chiefs, 34-14. David Dannheim, No. 83, received a pass from Quarterback Johnny Boling with four minutes left in the game to give the Steers their first points on the scoreboard.

Time was running out, but on third and eight, Boling hit Kirkland with a 40-yard pass to give the Steers another TD. Boling ran the ball over for the points after touchdown.

Almost two minutes were left in the game but neither team was able to muster an offense again. Therefore, Friona took home the 34-14 victory.

The Steers will meet Dimmitt tonight (Friday) at Farwell. Let's really turn out and take the Steers to victory.

Rams Hand Wolverines Second Loss

by Steve Osborn

Texico Wolverines rolled up 153 yards to Portales B team's 141 yards, but came out on the short end on the scoreboard 26-12 in Saturday night's game on Portales' field.

After a slow start Curtis Lindley of Texico speeded up the action by running 60 yards on a punt return for the first touchdown of the game. The extra-point try failed. The remainder of the first quarter was played between the 20-yard lines with neither team scoring.

At the start of the second quarter Portales fumbled the ball with a quick recovery by Texico's Kent Armstrong. After a series of downs and a 15-yard penalty against Portales, the Wolverines had to give up the ball. Portales returned the ball to the one-yard line before being chopped down by Lindley. In the play that followed Portales made their first touchdown. The Rams' extra point try also failed, tying the score at 6-6.

On the following kickoff by Portales, Texico's James Stewart returned the ball in a wild 58-yard run for the Wolverines' second touchdown but again their extra point attempt

failed, making the score 12-6 at halftime.

In the third quarter, Texico was forced to punt and Portales again returned the ball to the one-yard line. This set up the play for the Rams' second touchdown. They tried to run the ball for two points but the attempt failed.

Trying desperately to pull out ahead, the Wolverines took advantage of two 15-yard penalties against the Rams. Then James Stewart again ran for a touchdown only to have it called back on a clipping penalty against Texico. Deep in Ram territory the Wolverines tried on a fourth down to gain yardage for a first down but failed, thus turning the ball over to the Rams.

In the few minutes remaining in the third quarter, Portales marched three yards for their third touchdown. The Rams succeeded in holding Texico for the remainder of the third quarter.

About five minutes into the fourth quarter Portales scored and ran successfully for two points.

The Rams continued to hold the Wolverines back for the rest of the game with the final

score remaining 26-12.

Texico made 153 yards rushing, 9 yards passing, and lost 85 yards for penalties.

Portales made 141 yards rushing, 25 yards passing, and lost 100 yards due to penalties.

The Wolverines will take on Vaughn here tonight (Friday) at 8:30 p.m. (CDT). Vaughn is their first district opponent.

Coach Bucky Walters said the Curry County Fair took quite a few boys away from workouts last week. "We only had about half our boys all week. We just didn't get enough workouts," he said.

"We weren't ready for them. We've still got a lot to learn. I played 24 boys in the game, which is quite a few. We were leading 12-6 at the half, but they got to us in the second half," he added.

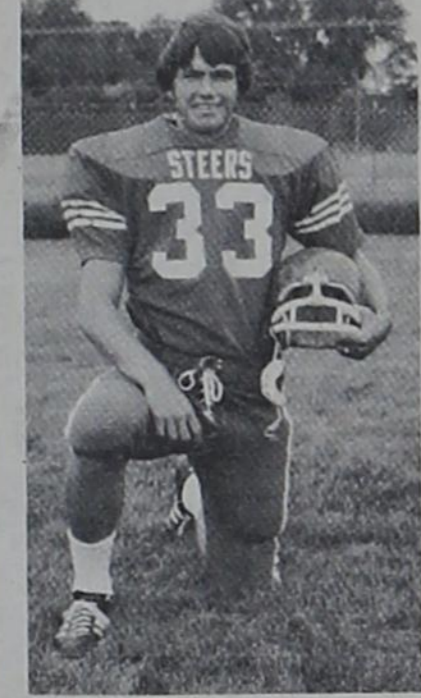

Walters went on to say that he was pleased with the team's performance considering their experience. He said that the Wolverine's called-back touchdown was one big factor in the outcome of the game.

He commented that the Rams B team used the same quarterback as was used in a recent Portales-Clovis scrimmage.

JESSE CANTU

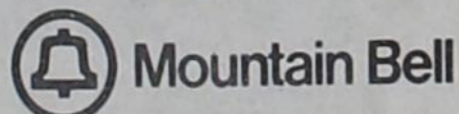

KEVIN HARDAGE

Lineman Jesse Cantu received the kudos of Coach Toby Booth as outstanding defensive player against Friona Friday night. "He did a pretty good job defensively," said Booth. Kevin Hardage, tailback, was named outstanding offensive player. "He did a good job of running and punting for us," said the coach.

UNDER THE PILE - Somewhere underneath this pile of Friona Chiefs is Mike Woods, No. 30, Farwell back. The action took place in the third quarter of last Friday's game at Farwell. The Steers found it tough going, both offensively and defensively, in their season opener. Tonight (Friday) the Steers take on the Dimmitt Bobcats at Steer Stadium at 8 o'clock.

Farwell 8th Faces Amherst Here Thurs.

Farwell eighth grade Yearlings will battle Amherst's eighth graders in Farwell at 5:30 p.m. Thursday. Coach Jerry Dee Owen said he expects the team to look better than they did against Friona last Thursday.

Friona clipped the Yearlings 12-0. "We had one touchdown called back on a penalty, and we were inside the 20-yard line three times and should have scored," said Owen.

"We just didn't do what we were supposed to do," he added.

Owen mentioned outstanding offensive players as Ruben

Castillo, Chip Craft and Mike Goettsch. Tim Jones, David Hargrove, Joe Haseloff and Jimmy Maltos were cited for their defensive play.

Farwell seventh grade Yearlings tied Friona 6-6 last Thursday. Dan Geuther recovered a fumble which the Yearlings turned into a score, said Coach Larry McDorman.

McDorman said Charlie Castillo and Carlos Lucio did fine jobs on defense. Russ Jones and Josh Ensor led the offense, he added. "Our defense is way ahead of our offense this time of year. Our team looked good as a whole," he stated.

NEWS OF ECOLOGY

Nature Weaves A Wondrous Fiber

In this era of highly justified environmental concern, more and more people are joining hands with nature in protective alliance.

And, as often happens when friendships are formed, we are beginning to better appreciate the attributes of our new and natural partner in life.

Take, for instance, her ability to weave and gift us with wondrous fibers like wool. In addition to being naturally wrinkle-resistant, colorfast, resilient, water-repellent and fire-resistant, wool is also completely biodegradable. And that's because wool is a protein fiber, made of the same substance as your own hair and fingernails.

Further, because woolen fabrics breathe with your body, they help to conserve your body temperature in hot or cold weather. This, in turn, helps to conserve precious fuels used in heating and air-conditioning.

All of which goes to prove that it's not only nice—but also wise—to join hands with Mother Nature.

Fall fashion formulas are mix, match and machine wash. Children's fashions will arrive this fall with a classic look in washable no-irons.

Durable, washable fabrics in comfortable, practical styles will be the rule of the season for today's fashion-conscious young—even the very young with their rough-and-tumble enthusiasm.

General trends for fall point to a casual look with plaids a major element and fabric textures important—particularly brushed effects for depth and richness.

In the girls department the still-popular layered look will emerge in knit dresses, cuffed pants, stretch bodysuits, pleated or flared skirts, tops and sweaters—including twin sweater sets.

Skirts will be mostly knee-length or ankle-length with a generous sprinkling of culotte-style shorties. Pants will feature turned-up cuffs, flares and modified bell bottoms.

In the boys aisle, jean styling will remain the top favorite, but fabrics and special treatments will vary widely, with corduroy and denim remaining popular.

Knits and stretch wovens will make inroads, because they're sleek, allow body

movement, comfort, and snap back to shape after laundering.

Fall shirt fashions for boys are still highly-patterned—often coupled with solid pants as a complement.

Knit sport shirts reflect the classic, long-sleeved, front-button collar trends. Cotton, polyester and blends feature geometric patterns, animal motifs and leaf prints. Plaids show up in denim work shirts, western and lumberjack styles with wide appeal to boys.

Shop carefully for the most mix-ability and machine wash-and-dry-ability.

Farwell J.V. Tonight At 8 - - Thursday Lazbuddie Plays Host To Meadow

Farwell Junior Varsity will play Amherst Thursday at 7:30 p.m. in Farwell. In order to win this game, Coach Don Alana said the team would have to put out more effort and eliminate mistakes.

Juniors Varsity lost to Friona Saturday 14-8. George Garza made the touchdown for Farwell with Jack Foster adding the two extra points.

"For as little time as we've spent in workouts and the kids being young, it was not too bad a loss. We just haven't played too much yet," said Coach Alana.

Social Security Official Offers Advice To Brides

"Now that the wedding gift thank-you notes have been written, and the new furniture arranged, it is time for the new bride to get to the business aspect of her marriage," Carl H. Thompson, manager of the Clovis Social Security office, has suggested. For example, the bride should contact her nearest social security office and have her name changed on her social security card. This is not as unimportant as it may first appear to be.

Social Security earnings records are kept both by name and social security number. Then the bride's employer reports her wages showing her usual social security number but a new name, this causes difficulty in crediting the earnings to the proper account. In such a situation the Social Security Administration cannot assume that the worker has married, but each case must be verified to be certain that the new name still refers to the same person.

Changing a name on social security records is not difficult. The bride should simply call or write the nearest social security office and ask for the form "Request for Change in Social Security Records." When she completes and returns this form along with her old social security card, a card showing her new name can usually be issued within a few days.

Lazbuddie Longhorns will play host to Meadow tonight (Friday) at 8 o'clock. Coach Allen Harman said he didn't know anything about Meadow except that they beat Ropesville last week 22-6.

"We will have to have 100 percent effort if we plan to win this game. They are a good ball club," he said.

The Longhorns lost their season opener last week to Hart, 28-12. Harman said the team couldn't move offensively or defensively. "We got the ball moving offensively during the last half, but our defense was poor throughout the game," he said.

"We were just outplayed. Our team doesn't like to lose, but it will happen again if we can't get things going," he added.

Arthur Graves and Ricky Seaton were credited with the two touchdowns for the Longhorns.

Lazbuddie's junior high team lost to Hart last Thursday 22-0.

Texico JH Meets Melrose

Texico Junior High will host Melrose Saturday morning at 10 o'clock. Coach Kenneth Shaw said he thought Melrose had only 15 boys out for football this year. "I plan to let a lot of my seventh and eighth graders play this Saturday," he stated.

Texico blanked Ft. Sumner last Saturday morning 6-0. Tommy Galvan, quarterback, was credited with 85 yards on the ground and Tony Summers, fullback, rushed for 35 yards. Summers was also credited with the touchdown on a six-yard plunge. Galvan attempted the extra point, but it failed. Halfback Spencer Turner had 34 yards rushing.

"I was real pleased with everyone Saturday morning. Our offense needs shaping up,

though. We needed to be sharper. That's what we're working on this week," the coach added.

Texico Girls Play Softball

Texico Junior and Senior High softball teams begin their season Thursday afternoon at 4:30 CDT in Texico against Melrose. Coach Charles Stockton said there are so many girls reporting for softball this year that he will not know until after the first game who would be playing and in what position.

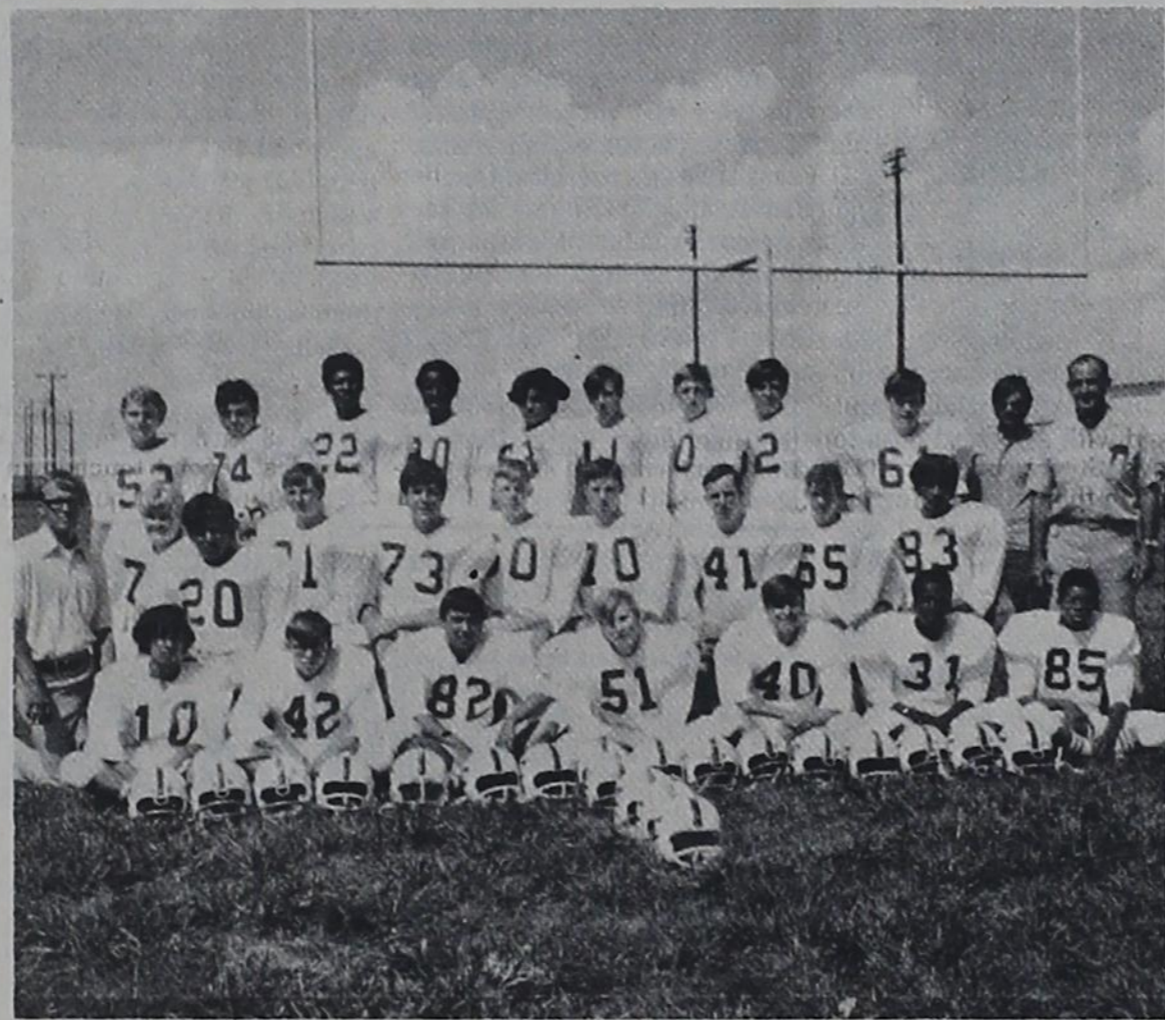

Because of several cancellations, a softball schedule cannot be released as yet.

Portraying Area Homemakers

by Janie Crane

A love for music and crafts makes an interesting combination for our area homemaker, Mrs. Donald (Marjorie) Watkins of Farwell. She recently used sheets of music to decoupage wall plaques for her music room.

She and her girls, Sandra, 16, and Jill, 15, enjoyed making many decoupage items this summer. They also enjoy other craft projects such as hooking rugs, making ribbon flowers and pillows.

Marjorie enjoys playing the piano and organ in her spare time. She spends quite a bit of time preparing music on the organ since she is organist for First Baptist Church, Farwell.

Marjorie works for Jim Berry, CPA, from September to May each year. While she is working, Jill and Sandra help out. Jill does most of the cooking then, while Sandra takes care of the housecleaning chores.

Marjorie was born and raised in Pleasant Hill where she graduated from high school. She attended a business school in Albuquerque and went to work for an accountant in Clovis.

Marjorie and Donald were married in 1948. They met at church. Watkins came to Oklahoma Lane in 1929 from Oklahoma. He graduated from Oklahoma Lane High School and attended a photography school in Lubbock.

Watkins operated a photography studio in Farwell several years before getting into the feed store business. He stayed in that business for a while and then began farming.

Both Marjorie and Donald's parents live in Farwell. They are Mr. and Mrs. C. H. Whitener and Mr. and Mrs. G. T. Watkins. Marjorie says she and the girls learn a lot of their craft ideas from Mrs. Watkins.

Both Mr. and Mrs. Watkins are civic and church-minded. While Marjorie performs her organist duties at the Church, Marjorie serves as a Sunday School secretary and is a deacon.

Watkins belongs to Farwell Booster Club. He films all the Steer football games. Marjorie is a long-standing member of the Farmerettes Club.

When she is not helping her mother or involved in one of the family's crafts projects, Sandra enjoys playing the piano and basketball. She also likes to read.

Jill also enjoys playing basketball and many of the same things that Sandra likes.

Scott, 16, the only boy in the family, enjoys hunting and fishing.

All of the Watkins teenagers enjoy having their friends over. Ping pong and pool tables in the basement give neighborhood youths hours of fun.

Marjorie has given us four of her family's favorite recipes to share with our readers. Three of them are dessert recipes since the family is very fond of them.

MUSIC, A FAVORITE - Our area homemaker, Mrs. Donald (Marjorie) Watkins of Farwell, enjoys playing the piano and organ more than any other pastime. She serves as organist for First Baptist Church, Farwell. Mrs. Watkins and her daughters, Sandra and Jill, enjoy crafts projects which led Marjorie to combine music and decoupage in the beautiful wall plaques which hang behind her organ in the music room. The violin and flowers on the picture at right were hand-painted.

FILLING:

- 3/4 c. sugar
- 1 t. vanilla
- 1 pkg. (8 ozs.) cream cheese, softened

EGG

- 1 egg
- 1/2 c. flaked coconut

GLAZE:

- 1 c. powdered sugar
- 3 T. cocoa
- 2 T. butter
- 2 T. vanilla
- 1 to 3 T. hot water

Generously grease and lightly flour a 10-inch tube or Bundt pan. Prepare filling and set aside. (No need to sift flour; measure by lightly spooning into cup and leveling off.)

In large mixer bowl, combine sugar, oil and eggs; beat one minute at high speed. Add remaining ingredients except filling and nuts. Beat three minutes at medium speed, scraping bowl occasionally.

By hand, stir in nuts. Pour 1/2 batter into prepared pan. Carefully spoon prepared filling over batter; top with remaining batter. Bake at 350 degrees for 70 to 75 minutes until top springs back when touched lightly in center.

Cool upright in pan for 15 minutes; remove from pan. Cool completely; drizzle with glaze.

Filling: In small mixer bowl, beat sugar, vanilla, cream cheese and egg until smooth. Stir in coconut and chocolate pieces.

Glaze: In mixer bowl, combine powdered sugar, cocoa, butter, vanilla and hot water. Stir until smooth.

BARBECUE TURKEY BUNS

- 1 1/2 c. cubed turkey
- 2 T. finely chopped onion
- 1/2 t. salt
- 1/4 t. pepper
- 1 T. brown sugar
- 1 T. vinegar
- 1 T. Worcestershire sauce
- 3/4 c. catsup
- 3/4 c. water

Combine all ingredients except turkey in a heavy frying pan. Cover and let simmer slowly for about 30 minutes. Add turkey, let stand a few minutes until heated through. Stir, and serve on hot split hamburger buns.

POPCORN BALLS

- 3 gals. popped popcorn
- 1 can sweetened condensed milk
- 1 box brown sugar
- 1 stick oleo
- 1 c. white corn syrup

Cook last four ingredients to soft ball stage and pour over popcorn.

LIZZIES

- 1 1/2 c. brown sugar
- 3 c. flour
- 1 stick butter or oleo
- 3 T. sweet milk
- 3 t. soda
- 4 eggs
- 1 t. each cinnamon and cloves
- 1/2 t. nutmeg
- 1/2 c. fruit juice (any kind)
- 1 1/2 lbs. nutmeats (3 cups)
- 1 lb. candied pineapple (2 cups)
- 1/2 lb. candied cherries (1 cup)
- 1 lb. white raisins (2 cups)
- 1 lb. dark raisins (2 cups)
- 1 lb. dates (2 cups)

Add cut fruit to chopped nuts and let stand while you mix batter. Cream butter and sugar, add beaten eggs, milk and fruit juice, and mix well.

Sift flour, soda and spices together. Add cream mixture; add nuts and fruit and mix well. Drop by spoonful on greased cookie sheet. Bake in slow oven 250 or 275 to 325 degrees 20 to 25 minutes.

Lutheran Hour Starts 40th Year

Sunday, Sept. 17, The Lutheran Hour will begin its 40th season of broadcasting on the radio. The worldwide program, which is heard in 46 languages in more than 125 lands, is carried by some 1,100 stations in the United States and Canada and nearly 700 stations throughout the world. This area can hear the program at 7 p.m. CDT every Sunday.

"Jubilate Deo", (Rejoice in the Lord), is this year's theme. It reflects the gratitude due God for the many blessings He has bestowed on this radio ministry. Dr. Oswald Hoffmann, The Lutheran Hour speaker since 1955, will address the worldwide listening audience Sunday with a sermon entitled "To the Nations," says Rev. Martin Platzer, pastor of St. John's Lutheran Church, Lariat.

A fiery chili cooking championship - the Third Chilympiad - will be held at Aquarena Springs in San Marcos September 29-October 1.

SWCD Directors Plan Election

Parmer County Soil and Water Conservation District Directors met in their regular monthly meeting on Sept. 5, at a Friona restaurant.

District Directors present were Leon Grissom, Chairman; Jimmie Cockerham, Leroy Johnson and Alton Morris. Guests of the SWCD were Soil Conservation Service representatives Ed Thomas of Temple, Harry Rucker of Amarillo, and Herb Evans. Others present were County Agent Mack Heald, ASCS Executive Director Prentice Mills, Fieldman Martin Chandler and ASCS County Committeemen John Agee, Jimmy Heard and Louis Welch.

Herb Evans presented six conservation plans for approval by the SWCD. Evans reported that 52 District Cooperators had been assisted during August. The district approved the hiring of a Distributive Education student to assist the district and approved a request by the Hi-Plains Feed Yard for the SCS to assist them on pollution abatement.

Plans were made by the board to hold the district directors' election in Zone No. 4 (Farwell) on Tuesday, Oct. 10, at the County ASCS office.

Several directors are planning to attend the SWCD State Association Meeting in October.

Pamela Hemstad Weds Mac Wesley Hancock III

Pamela Kay Hemstad, daughter of Bruce N. Hemstad and Mrs. Marguerite Warmuth Bruno of New Orleans, La., became the bride of Mac Wesley Hancock III, son of Mr. and Mrs. Mac Wesley Hancock, Jr., of Farwell, in Saint Louis Cathedral in New Orleans August 26.

The couple said their vows before an altar decorated on either side with baskets of white flowers and fern. A white velvet-covered kneeling bench and white velvet carpet covering the center aisle of the cathedral completed the setting.

Given in marriage by her father, the bride chose a formal length gown of candlelight organza embossed with re-embroidered Alencon lace and seed pearls. Her veil of illusion was held by a Juliette cap of lace and pearls. She carried an old-fashioned bouquet of white roses.

Carrying out wedding tradition, the bride wore the bridegroom's mother's pearls as something old and borrowed. Something blue was her garter and something new, her gown.

Mrs. George Lund, Jr., of New Orleans was her sister's matron of honor. Chere Cormier and Mrs. Steve Johnson of New Orleans and Debbie Hancock of Farwell, the groom's sister, were bridal attendants. Arlene Hemstad and George Lund III of New Orleans served as junior attendants. Pamela Kay Lund of New Orleans, niece of the bride, and Virginia Hemstad, sister of the bride, were flower girls.

The female attendants wore gowns of pale yellow textured chiffon with Bertha collars and picture hats featuring netting held by spring flowers. They carried old-fashioned bouquets of orange miniature carnations, yellow yams, daisies and pink roses dotted with baby's breath and trimmed in yellow netting and ribbons.

Charles Nester of Pottstown, Pa., served as best man. Groomsman and ushers were

MRS. MAC W. HANCOCK III

Ralph Rodriguez of New Orleans, Bill Burton of Fort Worth, Bronson Doyle of New Orleans, George Lund, Jr., of New Orleans and Ron Hancock of Farwell, brother of the groom.

The bride's mother chose a floor length gown of lime green chiffon and the groom's mother chose a floor length gown of beige lace for the couple's wedding.

A reception followed at a Saint Charles Street home. The reception table was covered with white lace over taffeta. A two-tiered wedding cake with candlelight icing was topped with a loving cup filled with

flowers. The bridegroom's cake was a chocolate doberge featuring the scales of justice designed in icing.

The couple made a wedding trip to Mexico.

Mrs. Hancock attended Soule Business College and is a former U. S. Customs employee. Hancock received a B.A. degree in history from Texas Tech University and J.D. degree from Tulane University School of Law. He is a second lieutenant in the U. S. Army Transportation Corps. He will be stationed at Ft. Eustis, Va., until January 1. He will then be employed as an associate of a law firm in Amarillo.

ESA To Have Benefit For Cystic Fibrosis

Theta Rho Chapter of Epsilon Sigma Alpha Sorority has scheduled a Bridge Benefit for Cystic Fibrosis Monday, Sept. 18, at 7:30 p.m. at Farwell Country Club.

Each year, sorority members raise money for Cystic Fibrosis, their chapter project as well as a state project. Last year, the chapter was awarded the State Philanthropic Award for its outstanding drive for Cystic Fibrosis.

All area ladies are urged to participate in the Bridge Benefit. Games to be played Monday night include bridge,

Miss Kaltwasser is employed by the Tucumcari, N.M., school system.

Attends Banquet

W. T. Magness of Farwell attended Parmer County Farm Bureau Banquet Saturday, Sept. 9, in Bovina. He is a member of the Board of Directors of Parmer County Farm Bureau.

"42", Shanghai and "crazy" bridge. Donations will be \$1.50 per person.

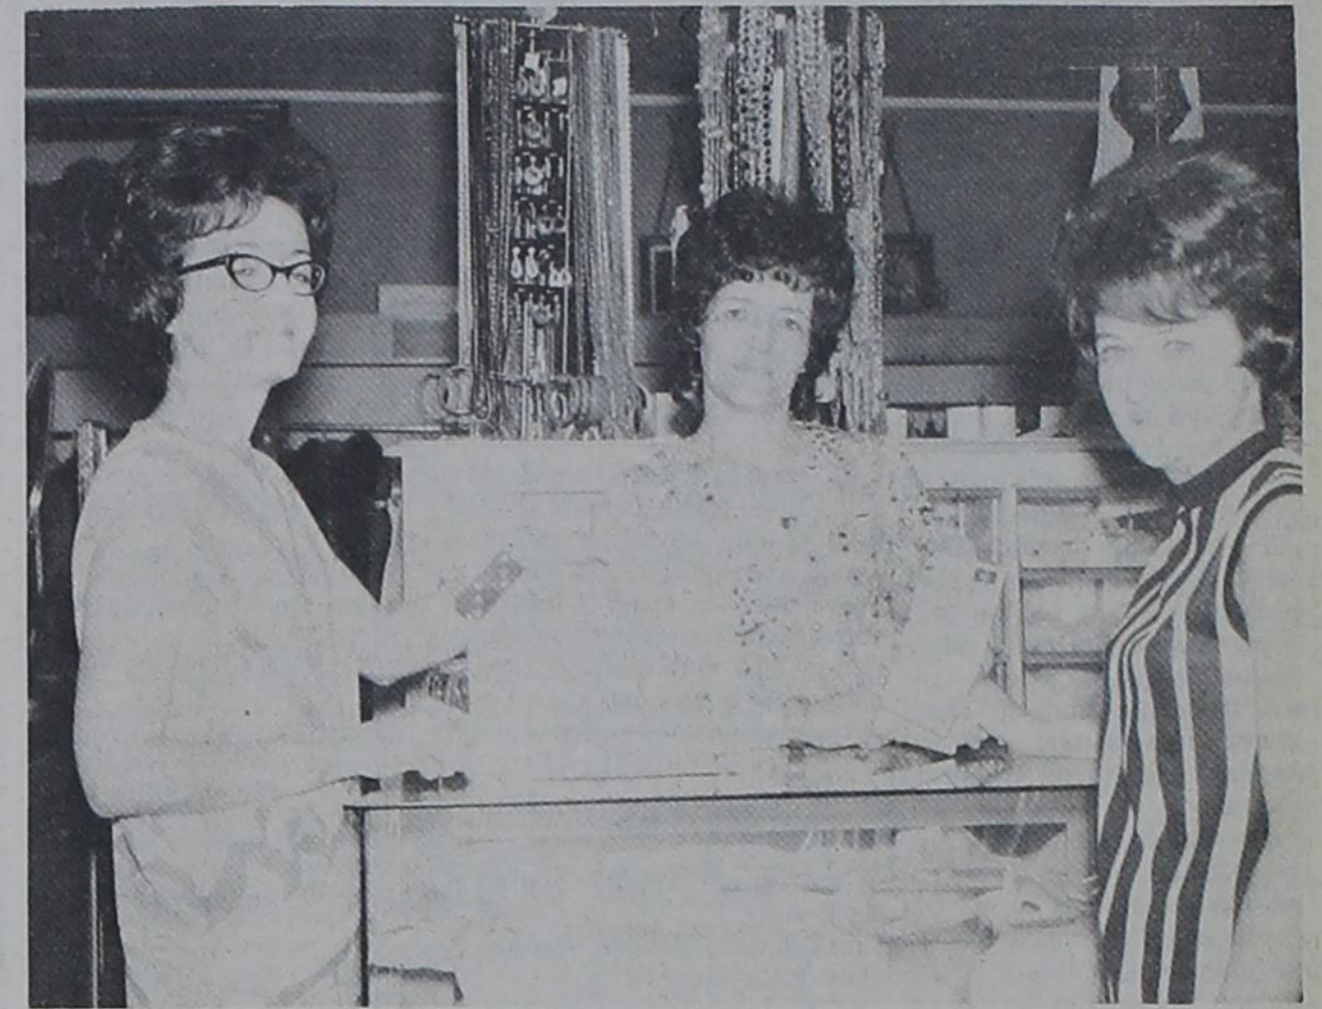

Alice Vinton is Cystic Fibrosis chairman this year with Patsy Berry as co-chairman. These women urge all ladies to please come and play games and help support the National Cystic Fibrosis Research

Foundation in its fight against respiratory diseases.

Cystic Fibrosis is a leading cause of death in young children. It is estimated that 3,500 children are born each year with the disease. CF often shows a marked similarity to other diseases and has been confused with asthma, bronch-

itis, allergy, celiac disease, tuberculosis and other respiratory diseases.

Symptoms of CF include chronic coughing, difficulty in breathing, repeated respiratory infection, a large appetite but small gain in weight, bulky diarrhea and a tendency toward easy exhaustion.

ESA BRIDGE BENEFIT - All area ladies are invited to play bridge, "42", Shanghai and "crazy" bridge Monday night, Sept. 18, at 7:30 o'clock at Farwell Country Club. Theta Rho Chapter of Epsilon Sigma Alpha Sorority is sponsoring the benefit at \$1.50 per person for Cystic Fibrosis. Cystic Fibrosis Co-chairman Patsy Berry, left, and Chairman Alice Vinton, right, were busy early this week advertising the event. They presented Bobbie McFarland of Bobbie's, center, with a sign to advertise the benefit and a pamphlet containing information on the disease which is a leading cause of death in young children.

Makes Plans For Rally

Lutheran Women's Missionary League at St. John's Lutheran Church, Lariat, met Thursday afternoon, Sept. 7. Opening hymn was "Take My Life and Let It Be."

Topic was "Prayer Power" given by Mrs. Richard Haseloff.

Business preparations were continued for the fall rally which is scheduled at the church Sept. 19. Rev. Dean Kelm of Odessa will be speaker that day. His topic is "Prayer Power." Twelve area churches have been invited to participate.

In other business, the women were urged to give trading stamps for the purpose of purchasing a bus for special children in Good Samaritan Home.

A Braille workday was scheduled Thursday, Sept. 21. The women are to bring sack lunches. Mission calling has been set for Sept. 29. Plans were made for a skating party and wiener roast on the last Sunday of the month, Sept. 24, for church members and friends.

Attending the meeting were Mesdames Clarence Kube, Gilbert Kaltwasser, Hubert Gohlke, Wilbert Kalbas, Richard Haseloff, Ernest Ramm, Adolph Haseloff, Gene Beavers, Bertha Kaltwasser, Paul Geuther and Walter Kaltwasser; and Rev. Martin Platzer.

ESA Rummage Sale Saturday

Letters To The Editor

September 2, 1972

Dear Editor,

Your view seems very "near-sighted" to me in your editorial last Friday in regard to Ed Muskie's control of auto emissions in the efforts of clean air.

I am not an Ed Muskie fan, but I am certainly in favor of any efforts toward clean air. Ed Muskie's political aspirations seem to me to be beside the point in this case. Products of industry at a low cost is not the only example of progress. Our lawmakers are charged with the responsibility of making the best decisions for all the people of the U. S. as a whole and to preserve conditions for future generations. Anything done in this light is progress in its broadest sense. If a consumer cannot afford the extra cost at the time, then perhaps 1975-76 is not the year to purchase a new car - there will be plenty who will do so - and it seems that as these newer innovations become standard equipment, the price goes down.

It seems to me that we are not paying for Ed Muskie's political aspirations but for the improvement of conditions for our children and future generations. My definition of a patriot is one whose goals are in this direction. If a decision helps a politician politically for doing something worthwhile then what does it matter? Those are the ones we need making our laws.

I would be interested to know what you consider "unrealistic" about Muskie's terms.

Sincerely, (Mrs.) Nanda Turnbough Texico, N.M. P.S. About the "professionalism" vs. "unionism" in regard to teachers - I haven't made up my mind about it. I am a teacher at the Texico Elementary School and I certainly feel that I and my constituents do a better job than the American Legion could do!

Board Members Hear Programs

Farwell School Board met in regular session Monday night, Sept. 11. Danny Ivy presented a cooperative vocational agriculture program to the Board. Charles Turner went over the 1971-72 testing and guidance program.

Band Boosters Pick Workers

Farwell Band Boosters met Wednesday, Sept. 6, in the band hall to designate workers for particular areas to collect names and ads for band calendars.

Anyone not contacted by a Band Booster in connection with the band calendar project should call Billie Blain or Peggy Snider.

According to Mrs. R. J. Garner, the Boosters try to limit themselves to this one main project each year. "All help is appreciated," she stated.

She urges workers to be finished with their areas by the next Band Booster meeting Wednesday, Oct. 4, so the material can be sent off and calendars received by January 1.

In other business, President Billie Blain made plans to send each band parent a letter asking for sponsors on out-of-town trips. The band is taking three buses on each "away" game, and two sponsors are needed for each bus.

There is pending before the District Court for the 6th Judicial District an action between Harold C. Abramson, Trustee in Bankruptcy of General Values, Inc., and Hale County State Bank in which certain holders of "Yes Stamps" have intervened claiming the funds in issue and asking to be designated as a class.

In that action, it has become material to learn to what extent there are holders of "Yes Stamps" in the above-named counties. If you have in your possession "Yes Stamps" which have never been redeemed, and if you wish to assert your claim for redemption of those stamps you should promptly bring your stamps to the Hale County State Bank in Plainview, Hale County, Texas, in order that they may assist you in preparing a claim. You will be required to verify your claim with an affidavit that you acquired these stamps in either Hale or Farmer Counties, Texas. Your stamps will be retained by the bank. It is anticipated that all holders will be paid in full; but there may be a larger dollar value of stamps submitted than there is money available for distribution. In this event it is hoped that stamp holders will be paid on a pro rata basis, or perhaps other money may be secured from the Bankruptcy Court. Before any firm agreement can be reached, it is necessary for the District Court of Hale County to ascertain the number of claimants who wish to come forward with their stamps. Those who file claims will be notified by mail of the results of the litigation.

PLEASE TAKE NOTE THAT YOUR FAILURE TO RESPOND TO THIS NOTICE WILL PROBABLY RESULT IN A TERMINATION OF ANY RIGHTS YOU MAY HAVE TO THE FUNDS IN ISSUE.

All claims must be filed no later than the 20th day of October, 1972.

Mrs. G. Wayne Adair
Mrs. Craig Morris
Mrs. Marshall Pharr
Mrs. Jerry Young

Individually and in behalf of all holders of "Yes Stamps."

Published in State Line Tribune, Aug. 25, Sept. 1, 15, 29, Oct. 13, 1972.

TWO MINUTES WITH THE BIBLE BY CORNELIUS R. STAM PRES. SERAEM BIBLE SOCIETY CHICAGO, ILLINOIS 60635
TRUE BLESSEDNESS
It has been said that the word "blessed," in our English King James Bible, simply means happy. Thus the "blessed man" of Psalm 1 is a happy man and the "blessed God" of 1 Tim. 1:11 is a happy God. To say the least this is a superficial understanding - or misunderstanding - of one of the most wonderful words of Scripture. A fool can be happy, a drunkard can be happy, a wicked man can be happy, but none of these are truly blessed, for one who is blessed has a deep and true reason to rejoice. Thus Psa. 1:1,2 says that the man who shuns "the counsel of the ungodly," "the way of sinners" and "the seat of the scornful" and meditates and delights in the law of God, is well off and has good reason to rejoice. Few, of course, would dare to claim that they have fully lived up to this passage in the Psalms, but God's Word has good news even for such. In Romans 4:6-8 St. Paul declares: "David also describeth the blessedness of the man unto whom God imputeth righteousness without works, saying, Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin." This blessedness is not a mere feeling of happiness. It is rather the state of being well off, with a deep and abiding reason to rejoice. Thus Psalm 40:4 says: "Blessed is the man that maketh the Lord his trust," and when the Galatians stopped trusting completely in the Lord and began leaning on their own works, the apostle asked them: "Where is then the blessedness ye spake of?" (Gal. 4:15). To be truly blessed, then, is to be well off, with the greatest possible reason to rejoice. This is why the believer in Christ, saved and eternally safe in Him, is, like God Himself, "blessed for evermore" (11 Cor. 11:31).

TRIBUNE RIVIA from across the desk of Joann Getz

Nation's Top Cheerleaders Pool Advice For Parents: "My mother never told me to watch out for my roommate's boyfriend," laughed Missy McCrary, co-captain of the Notre Dame Cheerleading Team, in a humorous aside at a recent panel discussion of college seniors.

She and the other winners of this year's All-American Cheerleader Awards were being interviewed on what parents should advise college freshmen-to-be.

When asked, "What do you wish your mother had told you about college?" Amy Dianne McClain, the top cheerleader of the University of Tennessee, replied, "The thing I wasn't prepared for was the amount of work. You really have to learn how to budget your time."

Jose Pena, of the University of Texas, agreed. "The big difference between high school and college," he said, "is that you can't go out for everything in college. You can't go out for, say, the tennis team, the cheerleading squad and be in the drama club. Parents should advise freshmen to decide on one major extracurricular activity and then concentrate on it."

The top cheerleaders in the country had just been presented with \$1,000 scholarship checks from one of the leading toothpaste companies, which underwrites the annual All-American cheerleader awards in recognition of the bright smiles that are an important key to the cheerleaders' personalities. The company also presents a grant of a full year's expenses to the college cheerleading team that the International Cheerleading Foundation ranks the best in the country.

Mary Rooney Frailey, a member of the winning Notre Dame team, says typing is a must for college, and if summer schedules permit, it's suggested that students who haven't had typing in high school take a short course before college starts.

Kevin Chismire, co-captain of the Notre Dame team, stresses, "One of the most important things parents can do is re-affirm their confidence in their son's or daughter's ability without setting impossible goals."

And Mary Jane Scarborough, of Western Kentucky University, advises, "Don't let your teenager get discouraged if he

or she doesn't make a certain team or club the first year. I was destroyed when I failed to get on the cheerleading squad in my freshman year. Then I tried again, made it as a sophomore."

Probably the biggest "must" for freshmen today, says Kevin Chismire, is to be well informed. "Reading the newspaper - not just the entertainment or sports page, but the whole paper - in an important habit to get into."

Three cheers for that advice!

COLLEGE STUDENTS: BORED OF EDUCATION?

To many concerned parents, today's college students seem much less impressed with the importance of their education than were students of years ago. Sometimes, the students even seem bored.

But educators and psychologists point out - seriously, yet sometimes with a smile - that many college students today are learning far more at school than their parents ever did.

Today education is different. Not only do new teaching methods make learning easier and lots more effective, but also college is seen as a place for social - as well as academic - instruction.

Which is as it should be, when you consider that college is a mini-model of the tough outside world students will soon enough have to cope with and function in. And adjusting properly to that world is just as important and just as difficult as any course a school has to offer.

That's why so many students are getting involved with the running of their schools. The actuality of practical campus politics is a good deal more enlightening and instructive than classroom theories.

That's also why students seem to take their competitive sports more seriously than ever before. Trying to do one's best is very much a part of the outside world and these kids are very much aware of it. They play hard and work hard.

Unfortunately, these kids - the good kids who make up the majority of this nation's student body - rarely make news on radio or TV. But their abilities and straight thinking have not gone unnoticed.

Each year, more and more of these grade-A students are being recruited by business and industry before graduation.

Which would indicate that they were far from bored with their college education.

Gospel Singing Show Slated

The fourth annual Gospel Singing Show sponsored by Texico Volunteer Fire Department is scheduled Tuesday, Sept. 19, at 8 o'clock in Texico school auditorium.

Les Beasley and the Florida Boys are to be featured entertainers. They have performed on several television shows.

Proceeds from the show will be used to buy new equipment for the Department and repair old equipment.

Charge for admission is \$1.00 for children under 14 and \$2.00 for adults. Firemen urge everyone to attend the show and enjoy the singing.

Showers Add Even Moisture

Tuesday afternoon and night's thundershowers added an almost even amount of moisture to the Texico-Farwell area. Most amounts recorded were in the one-inch vicinity, although less than half an inch was recorded north of Texico.

South of Texico on the John Hadley farm, 8 inch of moisture was reported for Tuesday's rain. North of Texico, the Gerald Whitener place received only .45 inches of moisture during two small showers and Tuesday night's heavy rain.

Northeast of Farwell on the L. L. Norton farm, 6 inch of rain was recorded. The same amount was recorded at Lariat. Harold Carpenter in the Oklahoma Lane area reported one inch of moisture.

An inch of moisture was also reported by B. A. Rogers in Texico with Fred Chandler reporting the same amount in Farwell. South of Farwell on the Bert Williams place, the amount recorded was .8 inch.
