General Election Tuesday, Nov. 7

PURELY PERSONAL
by John

Next Tuesday is the big day in the life of most politicians. Some will make it and some will lick their egos for a time before striking out again. Some of the defeated will run again and stand a chance of eventual election. Others will hopefully slide into the limbo of forgotten souls.

A number of newspapers have been endorsing this candidate or that party and offering the public "sage" advice in the process. We have never publicly endorsed a party or candidate. We have tried to keep our remarks along philosophical line and to give the PP readers something to think about, and then to arrive at their own personal decision. Obviously, with our political conservative bent, it would be no trick to surmise our personal preferences in most positions up for election.

We have never been slaves to one party's banner because we have always believed that having good men on the ticket is not a monopoly of one organization, and that actual party platforms are a base of shifting sand. What passes for the Democratic platform today in no way resembles the platform my grandfather worshipped as a "Democrat" do or die. Likewise the Republican platform put before the people this year is very different in tone and philosophy from the one my father supported in his years. In our opinion a "party man" is a mental sloth.

In seeming contradiction to the above statement, we are going to make a public recommendation in the November 7 election. We recommend that our readers vote for Maurice Angly Jr. for State Treasurer.

We do this not from a party standpoint but from an ethical point. We believe that Jesse James as the State Treasurer showed way too much favoritism or just plain dereliction when the State of Texas had over \$10,000,000.00 on deposit at Sharpstown State Bank; four million of this amount in a checking account at no interest.

The voters of Texas heartily rejected many of the other State officials who were in office at the time the story of the "Sharpstown" scandal broke to the public. Of those who were sent to political limbo we feel that many had far less to do with "Sharpstown" than Jesse James. Therefore, we think that to return Mr. James to office would be a grave injustice to the people of Texas.

The road to Perdition is paved with good intentions. We laid a few cobblestones along the route last Saturday evening. With the pleasant prospects of an extra hour's sleep looming for Saturday night we girded up and took in a social event in Clovis.

About midnight as we were thinking of coming home the thought came to us that it was only 11 o'clock in Clovis and if you take the bonus hour into account it would be only 10 o'clock; and that would be too early to go home. So, we socialized a mite longer and finally retired a good deal later than our usual wont, but still looking at that extra hour.

Well, when the sun came up and it got light our inner clock got restless because for the last several weeks we had not seen the sun until sometime after arising. Between the late hour and the early sun, it is our sad duty to report that we napped as the good parson preached Sunday morning.

Really we had planned to be bright-eyed and bushy-tailed for church, but as a parting shot at Daylight Savings Time, we will lay the blame on man's tinkering with the sun's good time.

Farwell Band To Contest

Farwell High School Band will go to UIL Marching Contest in Lubbock on Tuesday, Nov. 14. The contest was originally scheduled for Tuesday, but was postponed two weeks, according to Band Director Lynn Burton.

TRICK OR TREAT? - Both farmers and youngsters alike were wondering Tuesday whether the first snowfall of the year was a blessing or tragedy. Although the steadily falling snow Tuesday afternoon, which replaced sleet and rain early Tuesday morning, was a beautiful sight, it threatened to play havoc with Halloween night "Trick or Treating" and put yet another damper on grain harvest and cotton picking.

Herington Tops Crop Of Weekly Guessers

L. C. "Buster" Herington outguessed a host of entrants to win first place weekly money in the Merchants Football Contest last week. Herington, who called seven of the 10 games correctly and named the tiebreaker by 15 points, says he has been trying to win first place in the contest for 14 years and that this was finally his week. Herington and his family have been consistent entrants in the contest during its entire existence, missing entering only one week during the 14-year-old event. Herington says the only other time he has won was once when he picked up third place money. Winning second place in last

week's game-calling was Cheryl Goldsmith who also guessed seven games correctly but was off 21 points on the tiebreaker. This proved once again how important the tiebreaker has been in naming winners during this year's contests.

A two-way tie for third place went to Anne Norton and Sam Gonzales who each called six games correctly and each was off three points on the tiebreaker. A total of 39 persons called six games correctly - a fair amount considering there were three tie games involved in the guessing. Tie games were between Hart and Kress, Vega and Sudan, and Texico and Roy.

Breaking into sole ownership of first place in the overall contest as a result of last week's guessing was Mrs. Elaine Wardlaw who now has a total of 58 points. In second place with 57 points is Kevin Hardage who has been in first place for the past several weeks. Close behind in third place with 56 points are Gene Hardage and W. M. Roberts. Paul Brigham and William Brigham are in fourth place with 55 points, and Judy Earl, Ralph Franse, Linda Gerles and Dorris White are sharing fifth place with 54 points.

With only four more weeks remaining in the contest, any of the leaders could grab the top spot.

TOP PROGNOSTICATOR This week in the Merchants Football Contest was L. C. "Buster" Herington, left, who accepts his \$5.00 check for first place from Wendol Christian of Oklahoma Lane Farm Supply and Gin. Herington called seven correct games and was 15 points off on the tiebreaker. Only seven games were used in scoring since there were three ties involved in the games listed on the entry blank.

Report From The Sheriff's Office

Farmer County Sheriff's officers are investigating a report that several items were taken from an unoccupied house belonging to Glenn Floyd, four miles west of Friona on a farm-to-market road.

A heating stove, two end tables, an old lantern and two folding cots have been taken from the house within the last week, said Sheriff Charles Lovelace.

Ten head of yearlings owned by Chuck Stallings were reported by Frank Doshier, Jr. to be missing from a pasture four miles southwest of Lariat. The cattle are branded with a NS slash on the left hip.

If anyone has seen or knows of the missing stock, they are asked to call Doshier, Stallings or the Sheriff's office. They were first reported missing Wednesday of last week.

Oliver Persons, Jr., went before District Judge Pat Boone, Jr. last Thursday and pleaded guilty to theft. He had been charged with theft stemming from an incident which occurred last Christmas. At that time, Monty Carbin reported three motorcycles and a trailer taken from his home. The merchandise has since been recovered in Roswell.

Persons was fined court costs and his portion of the damage and given a three-year probated sentence. Two other persons were implicated in this case, said Lovelace.

Oscar Starbuck of Roswell is out on bond and his case is pending. Tommy Taylor of Friona was tried earlier. He also pleaded guilty to the theft and received a three-year probated sentence.

Happy Cowboys Stampede Lazbuddie's Longhorns

Lazbuddie Longhorns were shut out Friday night on their own turf by a group of "Happy" Cowboys, 41-6. The Cowboys went on a rampage, scoring throughout the game.

Lazbuddie's only score came in the second quarter when Ricky Seaton, quarterback, ran over the goal line from two yards out. The extra point try was unsuccessful.

Coach Allen Harman said he wasn't pleased with the score, but he felt his team never gave up and stayed after their opponents.

"Two of our starters were out and our starting fullback, Ricky Wall, a freshman, was not familiar in his position. He replaced Mark Barnes and Jimmy Jennings, who were out with injuries," said Harman.

Harman mentioned that he may try Barnes at offensive tackle since Barnes won't be

Wolverines Of The Week

RANDY HARRISON

GERALD WHITENER

ALAN HAILE

Randy Harrison, quarterback, and Curtis Lindley, halfback, were named Wolverines of the Week on offense for their outstanding running games against Roy Friday night. Walters recognized Gerald Whitener, guard, and Alan Haile, tackle and linebacker, as Wolverines of the Week for their defensive efforts. According to Walters, all of these boys did a fine job for the Wolverines in their final game of the season and last district clash.

Wolverines Wind Up 1972 Season

Texico's Wolverines wound up the 1972 football season with a district game played at Roy on Friday night, tying the Longhorns 12-12 in a game marred by penalties. The Wolverines finished second in District 6A with a 1-1-1 record.

According to Texico Coach Bucky Walters, penalties negating long runs and generally slowing the Wolverine offense, coupled with even more penalties providing the Longhorns with first downs and considerable yardage were the key factors in the outcome of the game.

To start the game, Texico kicked to the Longhorns who were soon forced to punt. Texico's Curtis Lindley returned the punt 75 yards for a Wolverine TD, only to have it nullified by a penalty.

Later in the first period, Randy Harrison, Wolverine quarterback, ran for 45 yards and the first legitimate Texico score of the evening. The try for extra point was no good and Texico led 6-0.

The Wolverine defense did a good job of containing Roy on the next series, forcing another punt. Texico again put together

a scoring drive, aided by a rough seven-yard scramble by James Steward and a first down gain by Harrison. Lindley ran the ball the final 35 yards for the score and put Texico on the scoreboard for the second time. A run for a two-point conversion was unsuccessful, leaving the Green and White in front 12-0 at the end of the first quarter.

The score remained the same at the end of the half with both teams containing the other during the second period.

The second half of play still found the Wolverines plagued by penalties, managing only a few yards offensively. After a Texico punt to Roy, the Longhorn offense came to life and a key first down pass from Jimmy Rigoni to Lawrence Ebell kept the drive alive. A 15-yard run by Danny Garcia put Roy's first score on the boards. The try for a two-point conversion was no good and Texico's lead was narrowed to 12-6.

Texico still had its problems in this period. A fumble with only a few yards to go and a 50 yard run by Lindley nullified

by a penalty served to deflate the Wolverine offensive machine.

The fourth quarter saw more of the same with Texico unable to move the ball due to another rash of penalties. A 30-yard pass by Steward was called back on an infraction to end another drive.

Late in the fourth stanza, Roy launched a drive that ended with the tying score when Ebell slipped over from two yards out to end the evening's scoring. The two-point try for points after was foiled.

Coach Bucky Walters says he felt that the Wolverines played a good game against Roy.

"Our boys played good," he said, adding, "they weren't really in our class, but we suffered so many penalties that it really hurt us."

Two of the most painful penalties were the ones nullifying a 75-yard punt return and another touchdown run.

"We had quite a few 40 and 50 yard runs called back and several of our pass plays were penalized. When we made that 75-yard punt return, flags began to fly," the Texico mentor said.

In commenting on the Wolverines' 2-5-1 season record and 1-1-1 district mark, Coach Walters said he felt the team did a pretty good job this year.

"We'll be back next year with most of our boys returning and with some good boys coming up we have a good chance to improve," Walters commented.

Ft. Sumner, a Class AA team has been added to the Texico schedule for next year, he said.

HARRISON HURRIES - Texico quarterback Randy Harrison scoots around end for a 41-yard carry to paydirt to notch the first touchdown for the Wolverines in their Friday night game with the Longhorns of Roy. The District 6-A contest, played at Roy, ended in a 12-12 tie and was the final game of the season for Texico who came out second in the district with a 1-1-1 record. All of the Wolverine scoring came in the first half of play in a game marred by penalties.

Farwell Steers Bow To Bovina Mustangs

by Lynn Blankenship
The Farwell Steers met defeat once again with a 26-15 loss to the Bovina Mustangs. Being the great rivalry that it is, many fans were out supporting both teams. In the past history of the rivalry, the Mustangs have won only two of the past 18 games with the Steers, the last win coming Friday night.

The extremely strong Bovina defense held Farwell to only one interception, which was made by Farwell.

The Steers' passing game seemed to be our only key as both of our touchdowns were pass plays. The Mustangs have a very quick and aggressive offense. Only twice were they thrown for a loss.

Doug Johnston kicked off for the Steers to get things going and the Mustangs started offensive play on their own 28-yard line. The Mustangs were not going to give the ball up until they got on the scoreboard. They traveled those 72 yards in 18 plays with Quarterback Kim Rundell taking the ball the final one yard for the first touchdown of the night. The extra point kick was good and Bovina led 7-0 with 4:08 remaining in the first period of play.

Ray Norton took the Mustang kick on our own 18-yard line and fumbled it. However, he was quick enough to grab it after it rolled back five yards and run he did. It seemed as though he passed about 20 Mustangs and ran to the 46. (I think maybe he had it planned that way.)

On Farwell's first offensive play from scrimmage, Wini-fred Long took the ball for 15 yards and a first down. This was the only first down of the first half for Farwell. The Steers soon came to a fourth down situation and tried to go for it. The try failed as we picked up only one yard.

Bovina took possession on their own 37-yard line. After advancing 45 yards, they were forced to punt. The punt went in the endzone and the Steers started again on their 20. We were forced to punt to Bovina, and they weren't going to stop.

In seven plays they traveled 49 yards with a Mustang loping over the goal line after a run of 27 yards. The PAT kick was again good and the score stood 14-0 in favor of Bovina with 6:41 remaining in the first half.

After each team exchanged punts, the Steers decided they needed on the scoreboard. It took them only three plays to go 56 yards. Quarterback Kevin Hargrove connected with a pass to David Dannheim for a pickup of 55 yards and a Steer TD. Doug Johnston booted the ball straight through the goal posts to score the extra point. We were behind only seven points now with the score 14-7 with 3:01 remaining in the first half.

After the Steer kickoff, the Mustangs worked down to the Steer 19. A pass was tried but was intercepted by a Steer defender in the endzone. He was tackled in the endzone and a safety indication was given. However, a safety was not possible since the Farwell runner did not advance out of the endzone. The safety for Bovina was taken away and the half ended 14-7.

The Steer band displayed a fine performance for the halftime show as the bandsmen are preparing for UIL Marching Contest in Lubbock. As a feature number, the band played "Son of a Preacher Man" while the twirlers performed with fire batons.

Bovina kicked off to Farwell to start the second half but the Steers were soon forced to punt. Each team again exchanged punts. When the

Mustangs finally were able to hang on, they went all the way across the goal line. They traveled 69 yards on their touchdown drive. Their run for extra points failed and Bovina went further in the lead, 20-7 with 13 seconds remaining in the third period.

After a series of punts and the same old ballgame, again the Mustangs went over the goal line for another TD with Billy Shelby toting the ball the last four yards to make it 26-7. The extra point try failed and Farwell was six more points behind with 4:01 remaining in the game.

In those next few minutes the Steers broke loose and traveled 87 yards in nine plays. Five of these plays were completed passes. The scoring play was a pass to Dannheim for 12 yards and a Steer TD. Johnston caught a pass in the end zone for the extra two points and the scoreboard read Bovina 26, Farwell 15, with 35 seconds remaining.

The time ticked away and the Bovina Mustangs took their hard-earned victory and left the city of Farwell. The Mustangs now stand 3-0 for district play to the Steers' 1-3.

The Steers travel to Vega tonight (Friday) for their fifth district game. Game time is 7:30 p.m., since the return to Standard Time from Daylight Savings Time.

IT DIDN'T WORK - Kevin Hargrove, Farwell quarterback, attempted to drop back for a pass but with all receivers covered was forced to run with the leather oval. The alert Bovina defenders managed to upend Hargrove and almost recover the ball, but it was blown dead by the officials. This unhappy action occurred toward the end of the third quarter in last week's 26-15 Steer loss to cross-county rival Bovina at Steer Stadium. The win by the Mustangs preserved their unblemished district record and dropped the Steers from title contention.

Steers Travel To Vega

Farwell Steers, coming off a 26-15 trouncing at the hands of Bovina, travel into Longhorn country Friday (tonight) for a district tilt with Vega, last

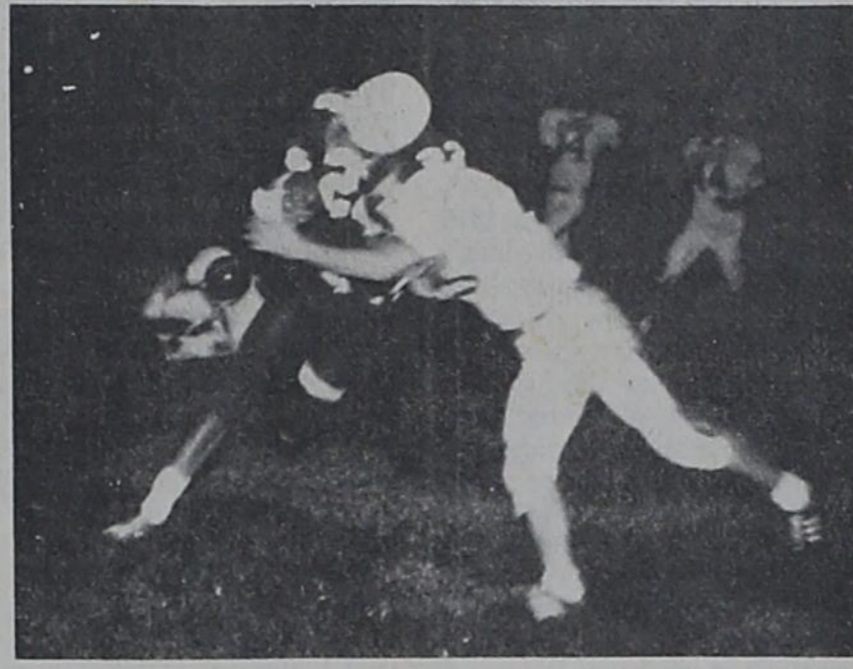

year's District 3-A champions. Farwell tied the Longhorns 36-36 in Vega's quest for the district title last year. This year both teams enter the game with

identical 1-3 district records.

Steer mentor Toby Booth says that the Longhorns, who run a wishbone offense, are a hot and cold ball club. "Lately they have been showing up well. They beat Sudan on penetrations in one district encounter," he commented.

Booth says, "They're a better ball club than their 1-3 record indicates. They have a well balanced club and can run the football better than anything else."

Booth ended his comments on the upcoming tilt by saying he felt there would be a good football game for Farwell fans tonight at Vega.

STEER STOPS SHELBY - Bovina Quarterback Billy Shelby gets a not-so-gentle shove from a Farwell defender in the first quarter of play in the Friday night Farwell-Bovina game. The Bovina Mustangs proved too much for the Steers as they chalked up a 14-7 lead at halftime and finished with a 26-15 win. Although the Steers had a fair night passing, the offense was unable to crash through Bovina's defenders to the goal line more than twice. The second Steer touchdown came with less than a minute showing on the clock when Hargrove connected with Dannheim for 12 yards.

Steer Coach Toby Booth praised Bovina's Mustangs, saying, "They have a real fine ball club. Shelby was excellent. He's a fine ball carrier."

Booth said the Steers made two or three bad mistakes which hurt them. "But, other than that, the Steers played a good game," he added.

"Offensively we weren't doing as well as we expected. We felt we could have run better than we did, but they hurt our veer (running attack) with their defensive efforts. Our passing attack was pretty good," he said.

Booth commented on the fine efforts of David Dannheim and Ray Norton.

JOHNNY WATFORD

The young couple had been keeping up an animated conversation throughout the concert, and finally a man behind them exclaimed, "What a pesky nuisance!"

The young man turned indignantly and asked, "Were you referring to me, sir?" "Goodness no," Johnny assured him blandly.

"I meant the musicians—they're making such an infernal racket that I can't make out a word you're saying."

JV Loses Against Bovina 7th & 8th Yearlings Win,

Farwell's seventh grade Yearlings completed a pass in the last second of play against Bovina Thursday night, Oct. 26, to come up victorious, 6-0. A beautiful 30-yard pass thrown by quarterback Russ Jones to Josh Ensor, who brought the pigskin in for the score, was the thriller of the evening.

Bovina and Farwell defensive squads spent most of their time battling it out in the middle of the field, but Farwell's offense finally clicked as the last of second on the clock ticked away.

No attempt was made to kick an extra point since there were too many people on the field after the whistle blew, signaling the end of the game, said Coach Larry McDorman.

"Our defense did real well. They held up for us like they have in the past. Russ Jones and Josh Ensor are my Yearlings of the Week. Their offensive efforts brought us through," he added.

Farwell seventh grade has an open date this week. The following Thursday they will play Sudan here beginning at 5 p.m.

slammed Bovina, 40-12. All of Farwell's backs scored, including Ruben Castillo, Mike Goettsch, Jimmy Maltos and Travis Bibbs.

"We played a good game. We didn't look very well the first half, but we looked like we were supposed to in the second half," said Coach Jerry Owen.

Greg Geuther, Joe Haseloff, Johnny Clines and Kent Goldsmith were recognized by Owen for their outstanding offensive play. Defensive players lauded were Robert Vidaurri, Berwin Howard, John Johnson and Jimmy Maltos.

Farwell eighth grade and Farwell Junior Varsity teams play Vega Thursday beginning at 5 p.m. They will be going against Sudan the following Thursday. The coach said both Vega and Sudan's eighth grade teams are undefeated, so anything could happen.

Farwell Junior Varsity lost to Bovina last Thursday night, 18-12. Thad Phillips scored Farwell's first touchdown on a 30-yard pass from Lesley

Curtis on about the third play of the game. Just a few minutes before the half, Jack Foster made a 15-yard run for the JV's second and final touchdown.

"Everybody did a good job. The team has improved considerably since the first of the season," said Coach Don Alana.

Farwell eighth grade Yearlings chalked up another fine score last week as they

On FFA Trip - -

Musical Experience, Friendship Gained

by David Garner

(EDITOR'S NOTE - David Garner, 17, son of Mr. and Mrs. R. J. Garner of Lariat, was one of 120 Future Farmers of America Chapter members from across the nation to participate in the National FFA Band at the 45th National FFA Convention in Kansas City, Mo., Oct. 10-13.)

On Oct. 7, I boarded TWA flight 412 in Amarillo which started a week of work, work and excitement that I'll long remember.

After checking in to the Muehlebach Hotel in Kansas City, Mo., I had the rest of the day off. After meeting my roommates, who were from Tennessee, South Dakota and Texas, we were off to explore the sights and sounds of

Kansas City. We went back to the room early because hours of practice were ahead of us for the next three days. These practices began at 8:30 a.m. and ended at 6 p.m. with an hour and a half for lunch; and began again at 7:30 p.m. and lasted till 9:30 p.m.

During the first rehearsal, tryouts for chairs were held. Somehow I was lucky and won the honor of sitting first chair in the bass clarinet section.

After all tryouts were over was when the hard practice started. But, that night we were treated to a banquet given by the Phillips Petroleum Company.

One of the highlights of the week was a trip to the Lone Summit Ranch just outside of Kansas City. Here the National

Band and Chorus members were given a barbecue while entertainment was provided by a country-western band. Our speakers were some of the members of the Kansas City Chiefs football team.

But it (the entertainment) all ended too soon. There was plenty of time and space to practice our marching for the American Royal Parade. And that's exactly what we did - for about four hours.

But look at the bright side. We had a ten minute break after the first two hours. After returning to the building around 6 o'clock, we were through for the day. So, we gathered most of the members of the band and chorus up for a dance at the nearest pizza parlor, which was conveniently located right across the street.

On Wednesday morning, the 45th National FFA Convention was underway and the band played at each of the seven sessions on Wednesday through Friday. Wednesday night, the National Band had its concert for the 14,350 members of FFA who

came from all over the United States and Puerto Rico for the convention.

Thursday night, "the mail order band", as we were sometimes called, made its Grand Entry. We performed a high-stepping act, marching down the aisles of the convention floor to our chairs with lights out, spots on and cameras flashing. We all felt like real celebrities. There was excitement in the air and I don't think anyone got any sleep that night after the session was over.

Friday was FFA Day at the American Royal Livestock Show. The National Band gave a performance in the show barn by marching around the inside of the arena while playing fast-moving songs.

Then we were greeted with a surprise visit by Tricia Nixon Cox. She talked to each of us and signed autographs. We then returned to the Convention Hall for the closing session of the 45th National FFA Convention.

New national officers were announced and the convention

Lutheran Church Slates Festival

St. John's Lutheran Church, Lariat, will be celebrating its Fall Mission Festival Sunday, Nov. 5. Rev. Martin Platzer has announced. Preacher for the 10:30 a.m. and 3:00 p.m. service will be Rev. Eldon F. Horn of Faith Lutheran Church, Lubbock.

The Mission Festival, an annual event at St. John's, is not only an opportunity to worship with fellow members and friends, but also offers each the opportunity to help finance mission projects throughout the state and throughout the country and world, says Rev. Platzer. Within the state, the Lutheran Church, Texas District, supports many "special ministries." These include a "Camping Ministry", a state-wide effort to provide a ministry to the ever-popular camp scene; a "Recreation Ministry" conducted at various vacation sites throughout the state; a "Seamen's Ministry", offering pastoral aid to foreign seamen at the Port of Houston.

There are also many campus and inner-city ministries which are a part of the District's

Program. The offerings from Sunday's Mission Festival will help support such ministries and many like them throughout the country and the world.

Ladies of St. John's will serve a noon meal between the services and also a light supper following the 3 p.m. service. All members of the community are welcome to attend.

Chamber Discusses Projection

Farwell Chamber of Commerce and Agriculture met Tuesday at noon at Clara's Spur Restaurant with 15 members present.

Main discussion at the meeting centered around a report financed by Farmers Home Administration and compiled by Douglas-Cheney and Associates, Consulting Engineers, in Muleshoe.

The report, printed in booklet form, is called Parmer County Comprehensive Plan. The Council members discussed the growth projections listed for Farwell, Bovina and Friona.

According to a table in the booklet Farwell's year projection for the year 1990 gives the city a population of 1750. Bovina's projected population by 1990 is 2300, and Friona's is 5300.

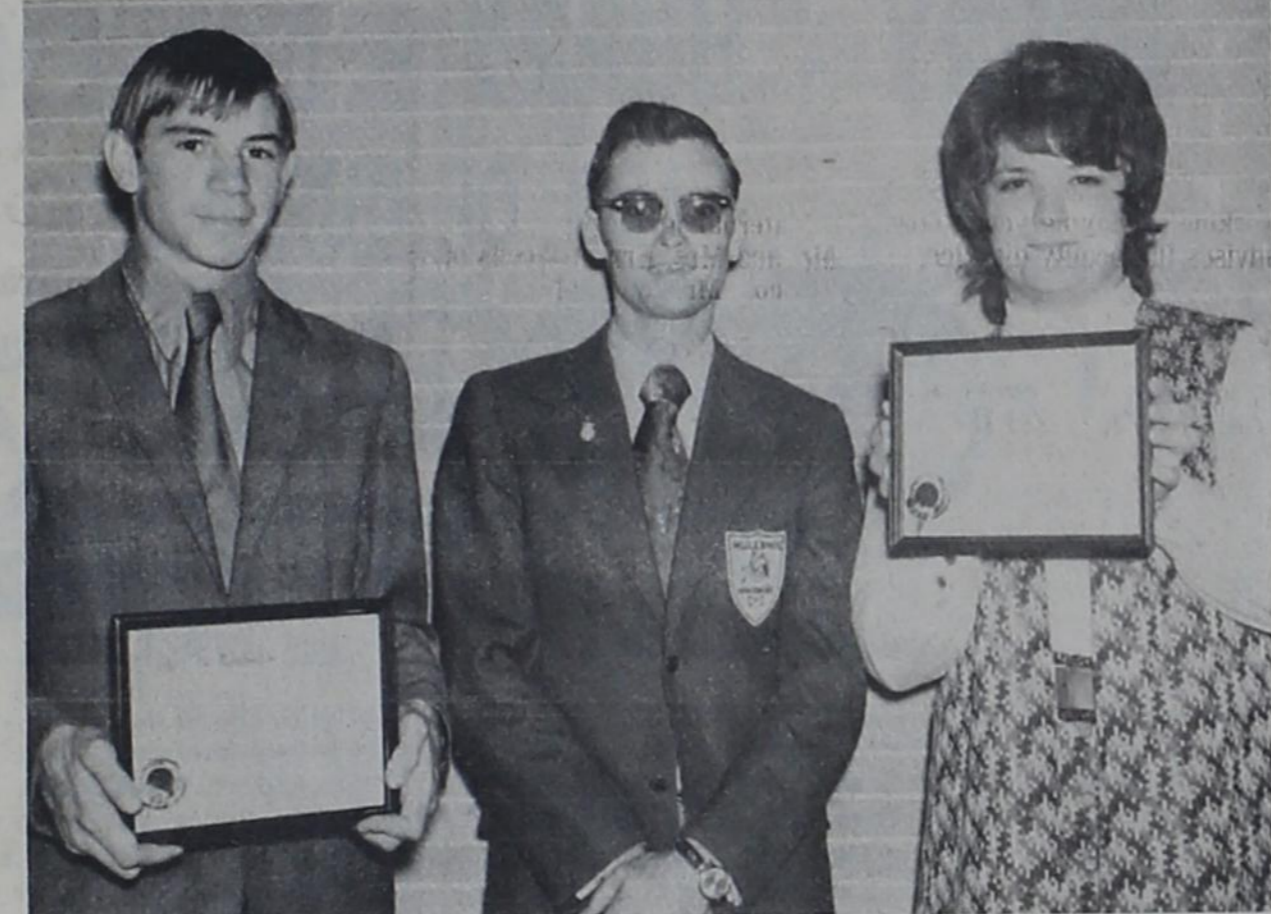

Gil Patschke and Jim Berry were selected by the group to attend a meeting of the Texas State Industrial Commission in Big Spring on Nov. 14. The meeting will be on financing of industrial programs and improvements in rural areas in Texas. The city of Farwell qualifies in this area.

Why You Should Re-Elect President Richard Nixon Nov. 7 LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses—and we're helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

FOR YOUR OWN GOOD

DESIGNERS VOICE VIEWS FOR FALL FASHIONS:

At last, there's a beautiful fashion alternative for women who think young, but have outgrown their jeans. And that alternative marks the long-awaited resurgence of fashionable dresses on the apparel scene.

An "awkward age," 25 to 40? No more, thanks to brilliant innovative designers. Aware that today's gals have no desire to look like their younger sisters or grandmothers either, one of the fashion companies had its leading designers blend fabric, color, design and style into complete new lines of fall dresses for these long neglected femmes, who can now get quality "designer" dresses at reasonable prices, says the fashion company.

Designer Eloise Curtis based her entire medley of fall collections on what she terms the "today look for today's living. Ten years ago, the young woman was a teenager helping to usher in mod styles. Today, she is a career woman, a housewife and mother, but most of all a contemporary thinker. Her clothing must blend with today's mood."

The spirit of this designer's fall collection displays her thoughts. She has smartly styled her collection with an array of cheerful colors, blended them with a variety of desirable materials including mohair, wool and polyester knits, and dashed them with stripes, polka dots and checks. Unlike Miss Curtis, designer Maurice Antaya is aiming strictly for the burgeoning better missy sportswear market. His designs are with the thought that the woman should "mix and match her ensemble."

"My fall collection is based on the popular man-tailored look. I have added softness and femininity to a complete line of sports coats, pants, blouses and vests. It's a total concept with a couture look."

"Today's young woman," says couture designer Leo Narducci, "wants a youthful, sophisticated multi-purpose dress."

For fall, Narducci's collection is sparked by greys,

greens, dark reds and dark blues in what he terms "the real colors." He'll be blending houndstooth, basket weave, and embroidered patterns onto solid materials consisting mostly of wools and chenille to create a total classic but young look. Many fashion designers of today will hope to close the generation gap and reach the teenager of the sixties as she matures in the seventies.

Looking Young:

Regardless of her age, no woman today wants to look old, says a fashion and beauty director. Here are a few suggestions that won't prevent old age but certainly can help prevent the problems that may make you look that way.

Facial exercises are a must to help you tone up throat muscles and get rid of a second chin. Do this one daily: make a long neck, breathe normally and hold chin up. Keep head forward and shoulders down; force the neck muscles out, increasing the repetitions.

Now repeat, this time forcing the chin muscles out as strongly as you can, to the count of six. (Imagine you are rolling your tongue back and pressing your fingers against the chin muscles.) Relax. Repeat five times. Gradually increase the repetitions. You are only as old as you feel... and look! Start working at staying young now, advises the beauty director.

Former Resident Visits In Farwell

Mrs. Adrid Van Horn of Roseburg, Ore., a former Texico resident, was visiting in Farwell recently with Mrs. D. O. Rolland. She spent a week in Farwell with Mrs. Rolland, and they visited mutual friends. She returned home Tuesday, Oct. 24.

While she was here, Mrs. Van Horn, Mrs. Rolland and Mrs. A. B. Bell of Texico attended Texico Baptist Church services together. It had been 12 years since Mrs. Van Horn and Mrs. Rolland had seen each other and then only for a short time. She is the former Adrid Eason.

Local Women Tour Museum, Art Shows

Several local and area women went to Canyon Monday for tours of the museum on West Texas State University campus and art exhibits around town.

The day's excursion was set up for the women by Cary Magness, a Canyon resident, who is the son of Mr. and Mrs. Clyde Magness of Farwell.

Going to Canyon for the day were Mesdames Clyde Magness, Clay Henson, True Bell, Marie Cox, Bob Byrd, Ronnie

Byrd, Lila B. Nickels, Francis Williamson, Marlon Inman and Gerald Curtis, all from Farwell, and Evelyn Winders of Lazbuddie and H. T. Magness of Friona.

The women toured the museum on WTSU campus led by the curator, Mrs. Olive Bugbee, who also showed them paintings by Frank Gerversi, sculpture by Waldine Fauch, and silk screens by Tenkie Tachibana.

They also visited an art gallery owned by the university president's wife, where they were taken on a tour by Mrs. Virgil Henson, who told them about the artists and their work exhibited in the gallery.

The women then went to the home of Jim Ward, who is well-known for his western bronze sculptures. Ward showed the group his paintings and sculpture. He showed them his workshop and explained how he casts molds and makes the sculptures.

The final stop for the group was the First National Bank in Canyon. The women were treated to a tour of the art exhibited in the bank and then served coffee and cake, hosted by Mrs. Cary Magness.

On The Farm In Farmer County

By R. MACK HEALD
County Agent

Since we have seen a killing frost this year, prussic acid poisoning is possible in cattle running on sorghum stubble.

The danger of prussic acid poisoning exists mainly in pastures and fields where sorghum stubble is making regrowth and where there is vigorous, young growth of Johnson grass, sorghum-sudan hybrids and related plants. Such growth generally has a high content of prussic acid, especially if produced under stress of dry or cool weather.

The main danger to livestock is grazing such pastures and fields immediately after a killing frost.

Livestock producers should wait a week to 10 days following a killing frost before allowing cattle to graze suspect pastures and fields. If only a light frost occurs, the cattle can be removed until plant growth is killed by a heavy freeze.

Each year numerous animals are lost from prussic acid poisoning. These losses are needless and rob the producer's pocketbook. Giving special attention to grazing management and staying abreast of changing weather conditions can avoid cattle losses to prussic acid poisoning.

Fall runs don't just pertain to football! It's also that time of the year when feeder cattle are moved to market!

Market runs on feeder cattle traditionally increase during the fall months.

The volume of feeder calves annually hits a peak during October and November. In recent years feeder supplies have become even more intense with fall marketings reaching as high as three

times the numbers sold in the spring months. During some years, November marketings have been almost 10 times larger than those during the spring months.

It is surprising that these fall runs continue as intense as ever and that cattlemen have not adjusted enough to eliminate seasonal glut.

Even though cattle prices are still high, feeder prices are determined by the supply of feeder calves and the demand. However, the demand for these animals is now fairly constant throughout the year due to the development of large commercial feedlots. Once this demand is exceeded, concentrated supplies of feeders could greatly influence market prices.

So keep an eye on those fall runs. It's your game, you're carrying the ball, and the decision is yours.

SWCD Assn. Urges Support Of Amendments

The state association of Soil and Water Conservation Districts of which the Farmer County SWCD is a member is encouraging all people voting on November 7 to support Amendments nine and 12.

Leon Grissom, chairman of Farmer County SWCD, said that these constitutional amendments will make it possible for district directors to be elected from well-qualified men who are serving on other boards and committees. This will improve the quality of the soil and water program in Farmer County.

Helton Takes Hunting Trip

D., where they enjoyed pheasant and goose hunting. The weather was perfect and the hunting good, they reported. They returned home Oct. 28.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

WHEN THE LORD ASKED WHY

There are two occasions when the Lord asked "Why?" which stand out from all the rest.

Once it was to God He cried it and once to Saul of Tarsus. Once to the Holy One and once to the chief of sinners. Once He cried it from the shameful cross and once from His glory in heaven. In each case the name was repeated.

In Matt. 27:46 we find the first anguished "Why?" as He cried: "MY GOD, MY GOD, WHY HAST THOU FORSAKEN ME?" The other is found in Acts 9:4, where He calls from His exile in heaven: "SAUL, SAUL, WHY PERSECUTEST THOU ME?"

These two questions represent the greatest riddles of history and yet strangely, one of them is the simple solution to the other! Why did God forsake His Son? You will find the answer when you ask why mankind, represented by Saul, forsook and even persecuted God's Son. God's action, in giving Christ up to die, was the antidote to man's sin. Christ's death was the remedy for man's sin. It was because of the utter unreasonableness of man's sin that God, to save him, had to be more than reasonable.

Saul had led his nation and the world in rebellion against Christ, but this is just why, in infinite love God chose him to become the great apostle of grace, telling the world that "Christ died for our sins."

Hear him tell how he had been "a blasphemer, and a persecutor, and injurious" but how "the grace of our Lord was exceeding abundant" (I Tim. 1:13,14). Hear him say:

"Christ Jesus came into the world to save sinners, of whom I am chief. Howbeit for this cause I obtained mercy, that in me first Jesus Christ might show forth all longsuffering, for a pattern to them which should hereafter believe on Him to life everlasting" (Vers. 15,16).

Since the "chief of sinners" is now in heaven, there is hope for us all if we but trust in the Christ who died for us.
