

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

EIGHT PAGES

SIXTIETH YEAR

10 CENTS

A state of hypocrisy is more or less a permanent condition afflicting the politicians of the world. Nowhere is it more evident than in the convoluted maneuverings of the United Nations.

In an effort to make many of the "postage stamp" members of this debating society more responsible for their ideological meanderings, Congressman Bob Price has introduced some very sensible legislation to the U. S. Congress. Price's bill would simply limit all United States monetary contributions to an amount equivalent to this country's population in proportion to the total population of all United Nation members.

This action would reduce our largess from approximately 37 per cent at the present time to a future level of about seven per cent. It should quickly convince many UN members of the perils of being forced to put their money where their mouths so often are. Personally, we hope this bill receives favorable action, but we would not want to be forced to wager a bob or two on this eventuality.

Texas Food and Fiber Abundance Week has been set for November 15-21, just before Thanksgiving -- and rightly so. America's high standard of living stems directly from the world's most efficient producer of food and fibers -- the American farmer.

In spite of the self-importance attached to labor by its recalcitrant Barons, American agriculture is still both the nation's biggest industry and its all-around biggest employer. Hooray for our farmers and ranchers. Let's all remember them as we say Grace over the collective feast.

From time to time, we have mentioned the shortcomings of various church groups such as the World Council of Churches and the United Methodist General Board of Social Concerns. Usually when a group or board of this nature makes a pronouncement, it is prefaced with the disclaimer that it does not represent the entire body but it speaks only for its membership.

Well, we have said that we think this is pretty thin stuff and that it does not in reality give the general public this understanding. Now we find a case where a group noteworthy for its disclaimers as well as its fatheaded public statements is about to get its desserts.

One Sgt. Myron C. Pryor is suing the above-mentioned Methodist Board of Social Concerns for a report it circulated concerning the infamous Kent State incident. The good sergeant is asking \$1.5 million in damages. This ought to cause some of our more easily-activated activists to check their records more thoroughly before mouthing their horses and riding off in all directions.

Well, be that as it may, in spite of its well-known subtlety of saying "we speak only for ourselves," this gathering of the theological thespians is appealing to the Methodist Council of World Service for the wherewithal to conduct its legal defense. If they have been so all-fired independent, why don't they pass the hat among like-minded lunatics for their funds?

Antics from social simpletons such as these will revive the art of "trunk" Methodism. Personally, we are just better acquainted with the United Methodist Church, but we feel that all denominations today are afflicted with similar groups that are contributing mightily to the decline of Church support and attendance.

This is something that the leadership of all churches had better recognize and correct, before organized religion ignominiously dwindles away.

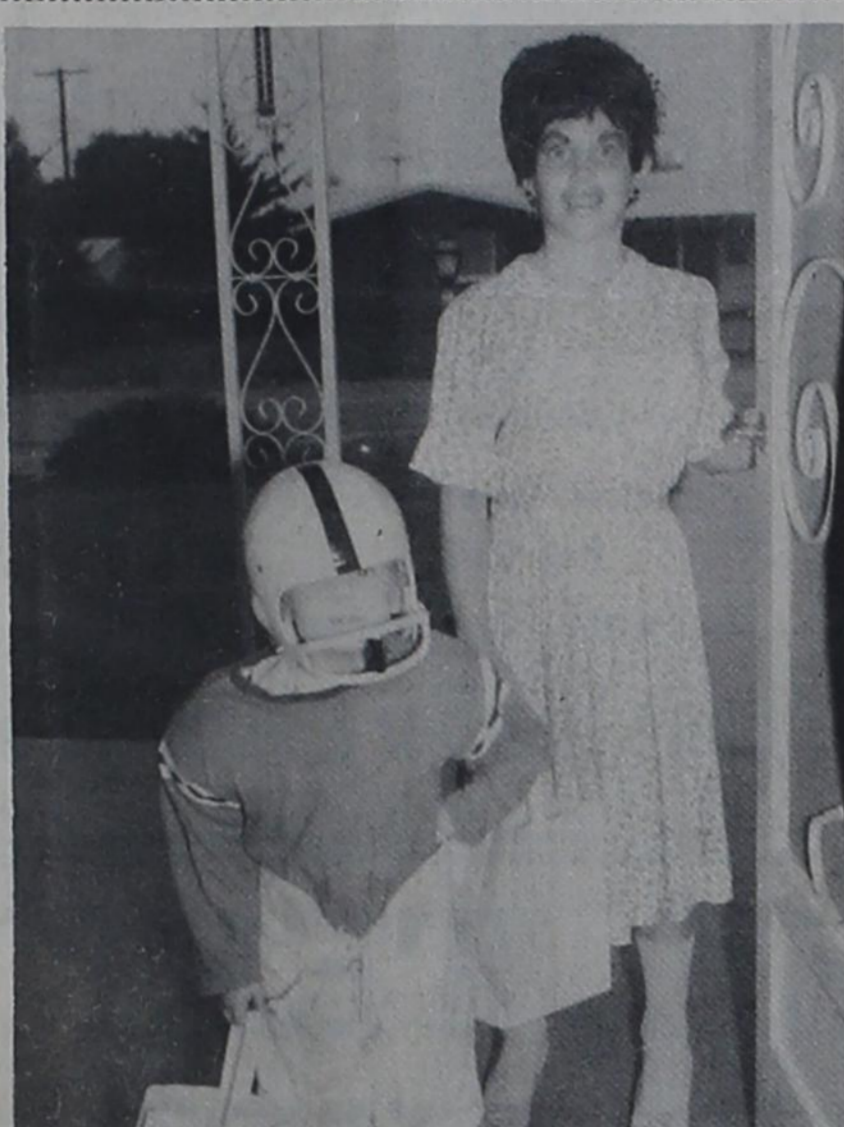

Two Days Left --

3% Discount Ends Oct. 31

A three per cent tax discount on state and county taxes will end Sunday, Oct. 31, according to Hugh Moseley, Farmer County Tax Assessor-Collector.

Taxpayers have only two days left in which to take their payments to the tax office. Tax payments mailed to the tax office which are postmarked on or before Oct. 31 will be discounted three per cent.

A two per cent discount will be in effect through the month of November, Moseley said. Persons paying their taxes dur-

TRICK OR TREAT? -- Which will it be, wonders little Deana Avara, age 3, who peers out of her helmet with one eye as she and her brother, Darin, age 9, knocked on a door in search of all those good things that goblins, witches, a football player and a beautiful young "lady" receive on Halloween. Both Deana and Darin, children of Mr. and Mrs. Dean Avara of Farwell, are excitedly awaiting the night when their bags of treats will be brimming over with candy, apples, cookies and various other goodies.

Halloween --

Proclamations Issued By Mayors

Halloween proclamations have been issued by Mayor Elmer Hartrove of Farwell and Mayor Perry Winkles of Texico regarding "trick or treating" this weekend in the Twin Cities. "Trick or treaters" are urged to celebrate Halloween on Saturday evening instead of Sunday evening, between the hours of 6:30 and 9 p.m. Reasons are that it is a weekend night and will not conflict with Sunday night church services," say the mayors.

Those persons wishing to serve the ghosts and goblins should leave their porchlights on during these hours. "For those who do not want 'trick or treaters' at the door, keep your porchlights off," the Mayors added.

Parents of children who plan to celebrate Halloween are asked to caution children to visit only those homes which have porchlights shining. Children should try to do their "trick or treating" in their own neighborhood for safety's sake.

Let's make this a Happy Halloween for both youngsters and oldsters by following the suggestions made by our mayors.

Magness Resigns --

Lee Hutchins was elected fire chief of Farwell Volunteer Fire Department last Thursday night, Oct. 21, in the fire meeting hall. He replaces George Magness, who had been fire chief for the past seven years.

Magness resigned last week because he felt he could not do a good job as fire chief because his occupation requires his being away from town too

Hutchins Elected Farwell Fire Chief

much. Hutchins was elected during a yearly election of fire department officers.

Each year in October, the department elects a new slate of officers. Also elected during the meeting were Smokey Gast, assistant fire chief; Joel White, secretary; James Craig, trading officer; and R. T. Langston, kangaroo judge.

Similar To 1971 Program --

1972 Grain Program Announced By ASCS

The 1972 feed grain program is very similar to the 1971 program with changes as follows, as announced by Prent-

ice Mills, County Executive Director of the Farmer County ASCS office.

The new program raises the minimum set-aside requirement to 25 per cent of the base (this was 20 per cent in 1971), boosts set-aside (price-support) payments, brings barley into the feed grain program, adjusts loan levels upward for grain sorghum and barley (more consistent with the feeding value of corn), and offers farmers two new options to set-aside additional acreage above the minimum qualifying 25 per cent.

Set-aside payments will be 40 cents per bushel for corn (32 cents in 1971), 32 cents per bushel for barley, and 38 cents per bushel for grain sorghum (29 cents in 1971).

Farwell Chamber Elects Patschke To WT Chamber

Farwell Chamber of Commerce met Tuesday noon, Oct. 26, at Clara's Spur Restaurant in regular session. Besides business at hand, the group elected Gil Patschke to the board of directors of West Texas Chamber of Commerce.

The group also appointed a nominating committee to nominate directors for 1972.

Happy Leaves District --

New Steer Schedule Completed For 1972

Representatives for District 3-A schools met last Monday, Oct. 18, in Springlake to schedule district games for the 1972-73 football seasons.

For the next two years, District 3-A will have seven teams competing instead of eight. Happy has been transferred to a Class B district due to the lack of enrollment.

District games scheduled for Farwell Steers during the next two years will be in this order: Kress, Springlake-Earth, Hart, Bovina, Vega and Sudan.

An entire 1972 schedule has been completed and was released this week by Farwell School Superintendent W. M. Roberts.

Sept. 8 -- Friona here.

Sept. 15 -- Dimmitt here.

Sept. 22 -- Farwell at Plains.

Sept. 29 -- Farwell at Seagraves.

Oct. 6 -- Kress here.

Oct. 13 -- Farwell at Springlake-Earth.

Oct. 20 -- Hart here.

Oct. 27 -- Bovina here.

Nov. 3 -- Farwell at Vega.

Nov. 10 -- Open date. All other district teams have games scheduled on this date. The other teams will have an open date at other times during the season.

In other business, representatives to the meeting voted to let Bovina's basketball games count only to determine the district champion. Bovina will not be eligible in 1972 for district honors because the basketball team was put on probation during the 1971 season.

Heald Discusses Moisture --

'When To Cut' Problem Faces Milo Producers

The annual problem of "when to cut" is again facing grain sorghum producers, with an added twist this year, according to Mack Heald, Farmer County agricultural agent.

Grain is coming into elevators with higher-than-normal moisture content. The late rains and subnormal temperatures have delayed drying of the grain, which is constantly threatened with wind loss during the fall months, according to Heald.

Producers must decide whether to go ahead and accept the reduced price that goes with an early harvest or to wait for the grain to field dry and take a chance on yield loss, he says.

Ray Anthis, chief inspector for Lubbock Grain Exchange, says recent rains have caused sucker heads to emerge on plants, which increase the

moisture level of the entire crop.

"As of last week, the number of carloads moving through Lubbock was only about ten per cent of the amount moved by the same date last year," Anthis said. He went on to explain that harvest usually peaks the last half of October, but will probably come much later this year.

"A possibility that presents problems to both producer and elevator manager is the chance of a frost in the next few days," Heald said. "The younger suckers would be frozen and dried out, but the endosperm will remain white," he added.

"A test at the elevator will show the load of grain to be low enough in moisture, but damage will still occur. The white endosperm will eventually

turn brown and show signs of heat damage without ever getting hot," said the county agent.

Elevators generally desire grain with 14 per cent moisture or lower, which is at the level commonly referred to as "storable moisture." Grain which is harvested at 20 per cent moisture will lose approximately seven per cent of its weight to shrinkage by the time the elevator can dry it to 14 per cent.

Grain harvested at lower moisture levels loses much less weight to shrinkage. For instance, Heald says, 18 per cent moisture grain will lose only 4.6 per cent of its weight when dried to 14 per cent moisture.

Another factor, according to Heald, is that there is much

less carry-over in elevators than in past years. Ordinarily, an elevator can combine the new grain with older material that is very low in moisture, and help in the overall drying process.

Reduced yields in recent years have caused a shortage of grain in elevators. (Continued on Page 2)

Pie Supper Slated After Texico Game

Texico Women's Club will host a pie and coffee get-together in Texico school cafeteria after Texico's homecoming game tonight, Oct. 29.

Homemade pie and coffee will be served.

Johnson Elected SWCD Director

Leroy Johnson was elected as a Farmer County Soil and Water Conservation District Director at an election recently at Hub Cafe. He will serve a five-year term beginning immediately.

Johnson has been farming in the Hub Community for eight years and was rewarded for his conservation efforts by being named the "Outstanding Conservation Farmer of the Year" in 1970 by the Farmer County SWCD.

Johnson operates about 1700 acres of irrigated land in the Hub Community. He is recognized locally as a water conservationist due to his proper application of water and installation of tall water recovery systems.

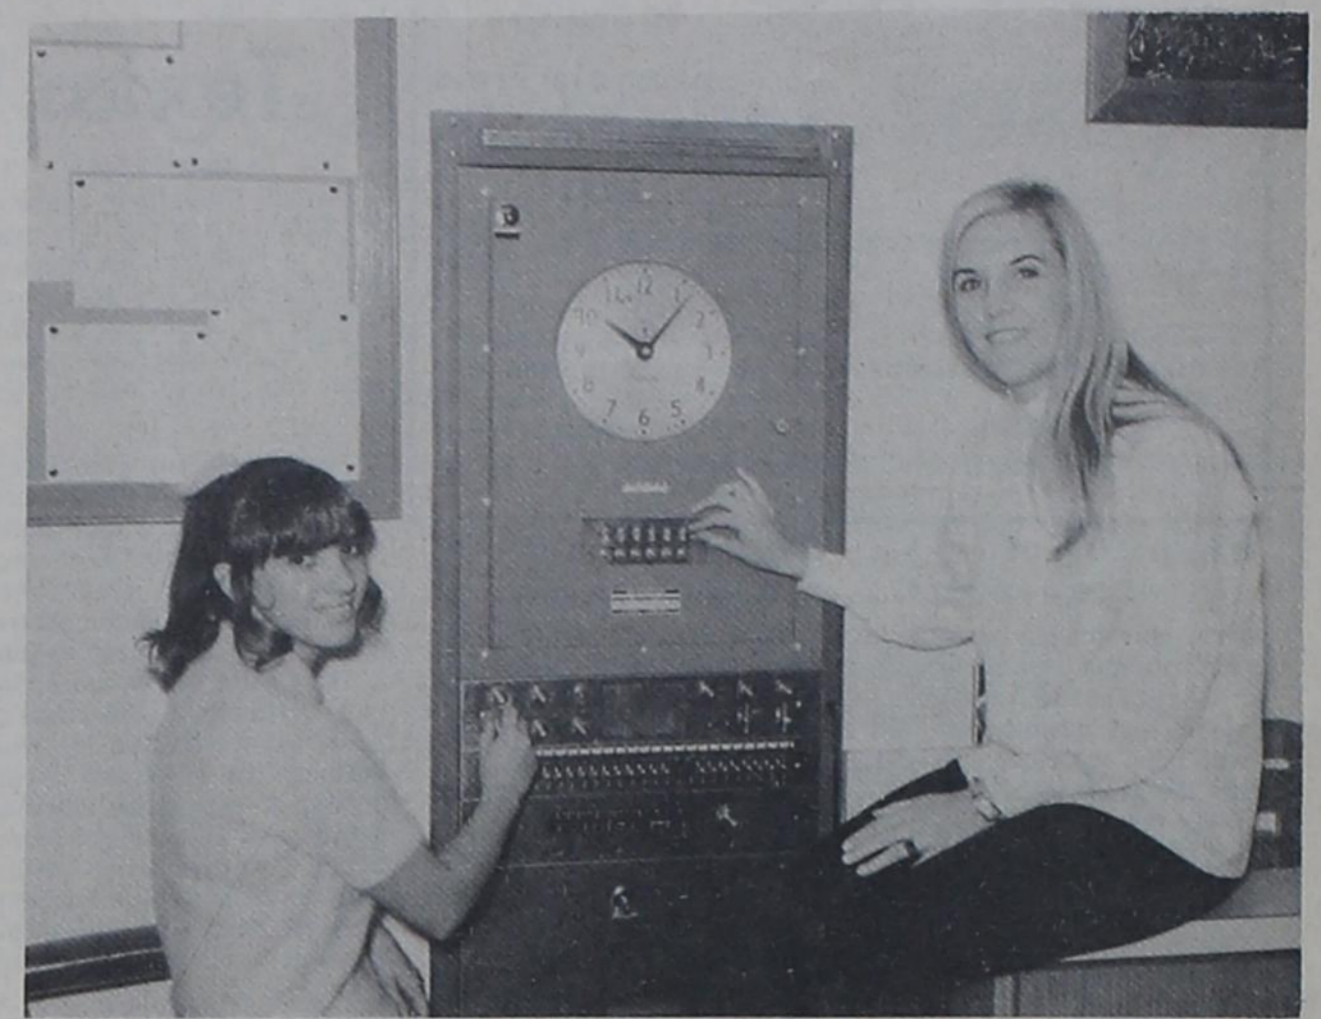

Leroy is married and has three children, two in Friona High School. He is a civic leader and is active in the Friona First Baptist Church.

Farmers, Ranchers Tax Meeting Set

A tax management meeting for farmers and ranchers is set for Thursday, Nov. 4, at 7:30 p.m. in the Community Center at Hub, according to Mack Heald, Farmer County agricultural agent.

The meeting, sponsored by Texas Agricultural Extension Service, in cooperation with the Pep Program, will be of interest to all producers, as income tax time is just around the corner.

Topics for the meeting will be tax management tips, changes in tax laws that affect farmers, record keeping, capital gains and losses, casualty and drought losses and involuntary conversions.

TURN BACK THE CLOCK -- Paula Mayfield, left, daughter of Mr. and Mrs. Billy Mayfield, and Kim Snider, right, daughter of Mr. and Mrs. M. A. Snider, Jr., all of Farwell, are looking forward to Sunday, Oct. 31, when standard time resumes. Both girls attend Farwell High School, and they find it extra hard to drag themselves out of bed these mornings because it is still dark. Come Sunday, though, the sun will be up before most people start stirring around.

Standard Time Resumes Sunday

Area residents are reminded that this Sunday, Oct. 31, is the day when standard time resumes. Actual time will be changed at 2 a.m. Sunday, but for those of you who retire earlier, turn your clocks back one hour before going to bed Saturday night.

Since the last Sunday in April, we have been living on daylight savings time. For the last few weeks, the effects of the late sunrises and late sunsets have been playing on the area.

Local businesses and school begin their mornings in near darkness. Farmers and ranchers also have been working under dark, dreary conditions for about the past month.

Remember turn those clocks back or you won't get that extra hour of sleep that was promised you last April.

Nov. 2 --

Cemetery Ass'n. To Serve Dinner

The Texico Cemetery Association will hold its annual dinner in the Texico Community Building Tuesday, Nov. 2. Serving will begin at 11:30 a.m. CST. Chicken and dressing with all the trimmings will be the main menu with many other home cooked dishes, salads and homemade pies and cakes.

The public is invited to come and eat. The meal will be served buffet style and the price is \$1.50 per plate.

Funds derived from this dinner will be used for the upkeep of the Texico Cemetery.

Johnson Elected SWCD Director

Leroy Johnson was elected as a Farmer County Soil and Water Conservation District Director at an election recently at Hub Cafe. He will serve a five-year term beginning immediately.

Johnson has been farming in the Hub Community for eight years and was rewarded for his conservation efforts by being named the "Outstanding Conservation Farmer of the Year" in 1970 by the Farmer County SWCD.

Johnson operates about 1700 acres of irrigated land in the Hub Community. He is recognized locally as a water conservationist due to his proper application of water and installation of tall water recovery systems.

Leroy is married and has three children, two in Friona High School. He is a civic leader and is active in the Friona First Baptist Church.

Farmers, Ranchers Tax Meeting Set

A tax management meeting for farmers and ranchers is set for Thursday, Nov. 4, at 7:30 p.m. in the Community Center at Hub, according to Mack Heald, Farmer County agricultural agent.

The meeting, sponsored by Texas Agricultural Extension Service, in cooperation with the Pep Program, will be of interest to all producers, as income tax time is just around the corner.

Topics for the meeting will be tax management tips, changes in tax laws that affect farmers, record keeping, capital gains and losses, casualty and drought losses and involuntary conversions.

Texico Homecoming Friday, Bonfire Thurs.

Texico High School will celebrate its homecoming this year with a bonfire tonight (Thursday) Oct. 28, beginning at 6:30 when a car caravan will form at the school.

Participants in the caravan are asked to decorate their cars for a tour through the city of Texico before the caravan returns to the north end of Wolverine Stadium for the bonfire.

Sophomore class is in charge of gathering wood and building the bonfire. Texico High School band, cheerleaders and pep club will be on hand to cheer the football team on to victory Friday night when they face the Roy Longhorns.

Homecoming King and Queen will be crowned during the half time ceremonies Friday night. The queen candidates will be driven around the stadium in a car before being presented to the stands. They will be joined by the kind candidates prior to the coronation. Last year's Homecoming King will crown

the new Homecoming Queen. Last year's Queen will crown the new Homecoming King.

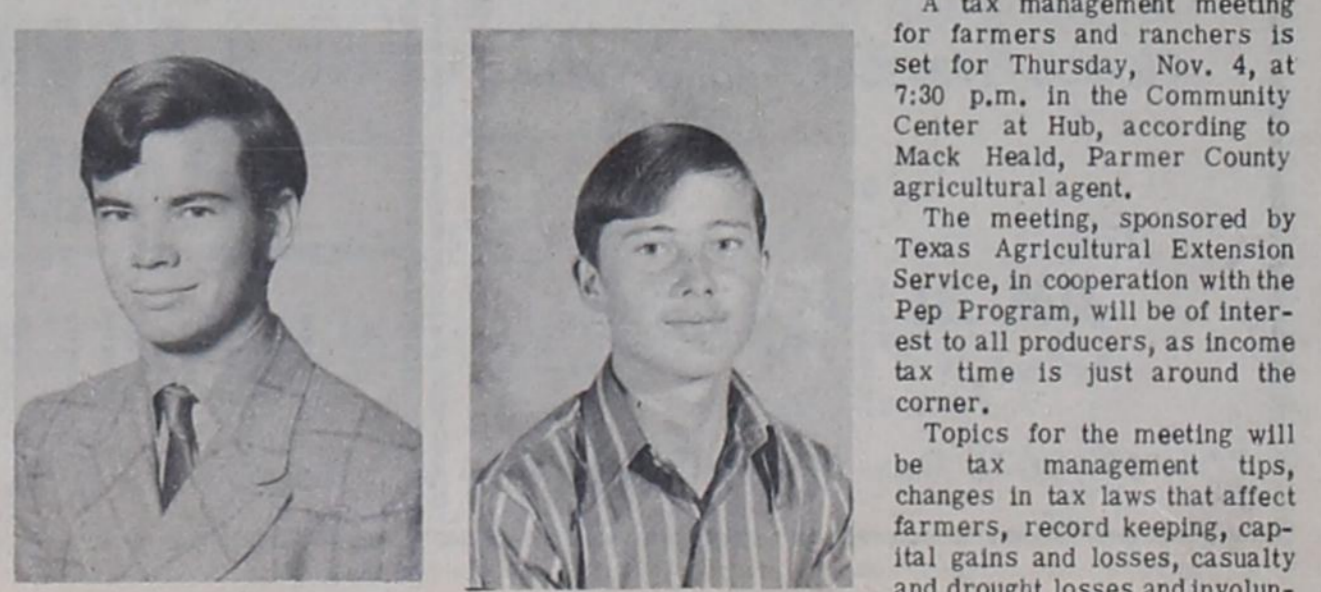

Candidates were selected last week by the student body and recognized at a pep rally last Friday afternoon. They are

Deborah Tharp, daughter of Mr. and Mrs. Lonnie Tharp; Judy Yell, daughter of Mr. and Mrs. Buck Yell; and Regina Kelley, daughter of Mr. and Mrs. Glenn Kelley, Homecoming Queen candidates.

Candidates for King are Douglas Harrison, son of Mr. and Mrs. Paul Harrison; Gerald Whitener, son of Mr. and Mrs. Howard Whitener; and Kent Armstrong, son of Mr. and Mrs. Deward Armstrong.

When To Cut --

(Continued from Page 1)

years, plus the big increase in grain sorghum use, has resulted in very little carry-over. The obvious question is "why doesn't the producer just wait until the grain is field dried?"

Here is where vital decisions must be made. Old Man Weather is the chief factor. The dock on wet grain may seem like quite a large sum, but one day of damaging wind can easily offset the income gained by waiting to harvest, Heald says.

Also, the producer must often schedule his harvest to match the availability of custom equipment. Here is an example of what adverse weather can do, according to Heald. A producer with a crop that will yield 6,000 pounds per acre will have to face a reduction of 11 cents per hundredweight if the grain has 18 per cent moisture at the elevator. This would amount to \$6.60 per acre lost for the early harvesting.

If he decides to wait, and adverse weather such as wind and rain knocks down ten per cent of his crop, this would be a loss of almost \$11 per acre if the current price of grain sorghum was \$1.80 per hundredweight.

Under the heavy financing that most crops are burdened with, it is easy to see why the producer harvests early. There are alternatives to every question; this is just another of the problems faced by High Plains and Panhandle producers.

Smokey Says:

"I give my pledge as an American to revere the living earth of which I am a part and to cherish all things living on, over and beneath its surface."

Forest fires waste our natural resources!

Grain Program --

(Continued from Page 1)

These are paid on the established farm yield times one-half the barley, corn or grain sorghum base. The farmer will have three options at sign-up time. The sign-up will start on Jan. 17, 1972.

The options are as follows:
1. He will decide whether to participate and, if so, to what degree. The minimum participation requires a 25 per cent diversion to qualify a farm for loans and payments.

2. At sign-up time, a farmer can agree to set-aside an additional amount of acreage, up to 10 per cent of the farm's corn or grain sorghum base and up to 20 per cent of the barley base. The government will accept this additional voluntary acreage set-aside at sign-up time and will make set-aside payments for grain sorghum at the rate of 49 cents per bushel times the farm yield for the additional acreage set-aside. The corn payment rate is 52 cents per bushel and the barley rate is 42 cents per bushel.

3. Also, at sign-up time, the farmer may offer to set-aside still another five per cent or 10 per cent of his corn or grain sorghum base acreage. It will not be known at sign-up time whether this acreage is accepted. If it is accepted, the payment rate for each additional acre would be the same as that computed in item two. The Secretary of Agriculture will announce by around the middle of March whether any of this additional acreage will be accepted.

Now, when will the farmer be paid? As soon as possible after July 1. The 1972 program offers even more flexibility than the 1971 program for the farmer and USDA. The farmer is allowed to plant whatever crop he wishes on that part of his farm not in set-aside or conversing base use. Also, soybeans have been added to the list of crops which may be planted to protect the farm's feed grain base or wheat allotment. Of course, feed grains may be planted in lieu of wheat and vice-versa.

Any person desiring further information about the 1972 program, especially as it might pertain to a certain farm, are urged to contact their County ASCS office.

PAT's Told Story --

Tatum Edges By Texico Wolverines

by Dale Fought
Texico Wolverines traveled to Tatum, N.M., last Friday night to receive a heartbreaking 27-26 loss. The Wolverines seemed the victor all the way, but Tatum in a surprise attack upset the Wolverines by one point.

Texico held the Tatum Coyotes to seven points in the first half on a fine defensive effort. The Wolverines struck first on a six yard run by Albert Steward. Steward again showed some fine running in this game.

The point after touchdown kick by Curtis Lindley was no good, but it still left the Wolverines out in front by six points. Tatum came back to score on a 17-yard pass from Oscar Pena to Kendal Lawlis. They then kicked the pigskin through the uprights to set the score at 7-6 in favor of Tatum.

Texico scored once more in the first half on another Steward run. Again the PAT failed and the score stood 12-7 in favor of the Wolverines. This was the score at the half; the Wolverines out in front by five points.

In the second half, the Texico team widened the score on a touchdown by quarterback Randy Harrison. Texico ran the two-point conversion, leaving the score at 20-7, the Wolverines leading. The Wolverine attack didn't stop there though. Ricky Ketcherside found him-

self in front of a Tatum pass and he obligingly picked it off, running it for a 60-yard TD play. The PAT kick was no good, but still the Wolverines were out in front by 19 points.

By some miraculous occurrence the Tatum Coyotes still managed to win the game. The Coyotes proceeded to score three times, twice on passes from Oscar Pena to Jerry Cook. Craig Dallas scored once on a short yardage play and then ran his own PAT attempt across. These three scores put the Tatum Coyotes ahead by the needed one point. The Wolverines evened the Coyotes in TD's but couldn't match them in extra points.

The Wolverines showed a fine defensive effort throughout the game and the offense rolled along fine until the third quarter. Texico played the better game but Tatum came up with those valuable extra points that were the deciding factor.

"We just made too many mistakes against Tatum. We need to eliminate these mistakes. We did a good job on offense. We put 26 points on the board, and that's what we needed to do," commented Head Coach Jim Wynne.

"Our defense played hard, also. Tatum just made the extra point which gave them the game," he added.

Texico Jr. High Loses To Tatum

Texico Junior High lost to Tatum last Saturday, Oct. 23, in their last game of the season. The score was 56-20.

Head Coach Jim Wynne commented on the loss saying he felt that Tatum's junior high team was as good as their varsity team. "They were way too much for us to handle. We played well, but we were out-classed," he said.

"We ended with a 4-2 season which is the best season yet for the junior high. We had a real good bunch of boys, and I think we will have some excellent prospects coming to the varsity next year," he added.

Metal used in coins is cold at the time the coins are stamped.

Coinage of the United States silver dollar commenced in 1794.

Texico Homecoming --

Texico-Roy Clash In District Game

Texico Wolverines will take on the Roy Longhorns tonight (Friday), Oct. 29, at 8:30 p.m. in Wolverine Stadium for their final district football game and the last game of the season.

Head Coach Jim Wynne said he expected Roy to have a team which is basically the same as Tatum. "They like to throw the ball and they have about the same size team as Texico," he said.

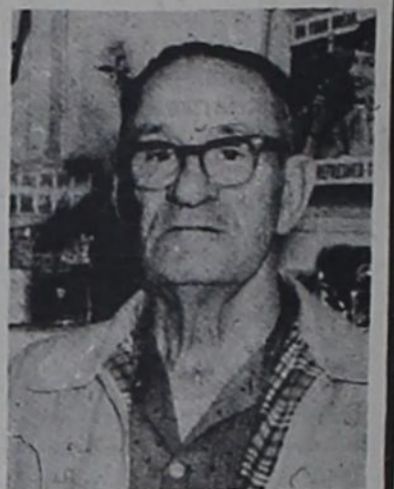

"I feel like we'll be able to move the ball against them, but we'll need to stop their offense. I don't look for as much speed from Roy as the Tatum team had," the coach added.

Homecoming festivities will take place during halftime of the game when a Homecoming King and Queen will be crowned.

Barracudas are more apt to attack man than sharks.

Jupiter, the biggest planet, also leads the list for moons—it has 12. Saturn is next with 9. Uranus has 5, Mars and Neptune have 2 each. Earth has one—and Mercury, Venus, and Pluto have none!

Second District Loss --

Steers Lose 28-0 To Springlake-Earth

By Will Anderson
In a game plagued by blunders, the Farwell Steers lost to the Springlake-Earth Wolverines by a score of 28-0. Nothing seemed to go right for the Steers who, in 16 possessions, suffered five punts, four turnovers on downs, four fumbles and three interceptions.

The Green Horde did a little bit better, having five punts, three turnovers on downs, two fumbles, one interception and 28 points. It was also a night for the "big play"; no scoring play ever starting closer to the goal line than 18 yards.

Wolverine Greg Slover took the Steers' opening kick-off on the 10-yard line and took it out to the 23, where he met Steer Harold Jones. They drove from there to their own 41 in four plays, despite the stubborn defending of Mike Travis, Kirk McFarland, Terry Craft and Larry Erwin.

On the next play, Hoyt Glasscock, lovingly called "The Jolly Green Giant" by his peers, smashed through the Steer line and stalked off in search of a greener pasture. He found it after he crossed the goal line and then added the extra point to make it 7-0.

The rest of the half was a confusing series of exchanges, highlighted for the Steers by big defensive plays by Micky Lunsford, Terry Craft and Harold Jones.

Then, with 2:40 left in the half and from 35 yards out, Wolverine Carl Sulser hauled in a pass from Quarterback Mike Cleavinger and carried it on in for the score to make it 14-0 at the end of the half.

The second half began the way the first half had ended, a series of various types of exchanges. Then, late in the third quarter, the Steers found them-

selves in a fourth and five on their own 18, so a punt was attempted. But the hike from center went awry, to be finally recovered in the endzone by Wolverine Tony Keeth for a touchdown. Guy Davis ran over a two-point conversion to make it 22-0.

Three punts later, Springlake found themselves in possession of the ball on their own 42. Knowing what to do the Wolverines gave the ball to Glasscock, pointed him in the right direction, took off his leash, and let him go.

"Jolly Green" rampaged the 58 yards to paydirt, but extra points were prevented when Brett Hargrove intercepted the Wolverine pass in the endzone. The Wolverines led 28-0.

Steer QB Johnny Boling took over the reins of the Steer offense for the rest of the half and mounted the Steers' longest drive against Springlake. But the Steers' fate was sealed and the game ended with the Wolverines' sizable lead of 28-0.

The Steers now stand 1-2-1 in district won-lost-tied totals, which pretty well puts them out of district contention. But the Steers, ever noted as spoilers, are still in position to knock some other teams out from under that crown.

Head Coach Toby Booth said, offensively, the Steers were not as good as they have been this season. "We felt like we had a good effort from our defense. We made too many mistakes, though."

"We didn't have the ability to move the ball. That was the difference in the scoring."

Farwell Jr. High, J.V. Hosts Kress

Farwell Junior High seventh and eighth grade football teams and Farwell High School Junior Varsity will host Kress this Thursday afternoon beginning at 5 p.m. in Steer Stadium.

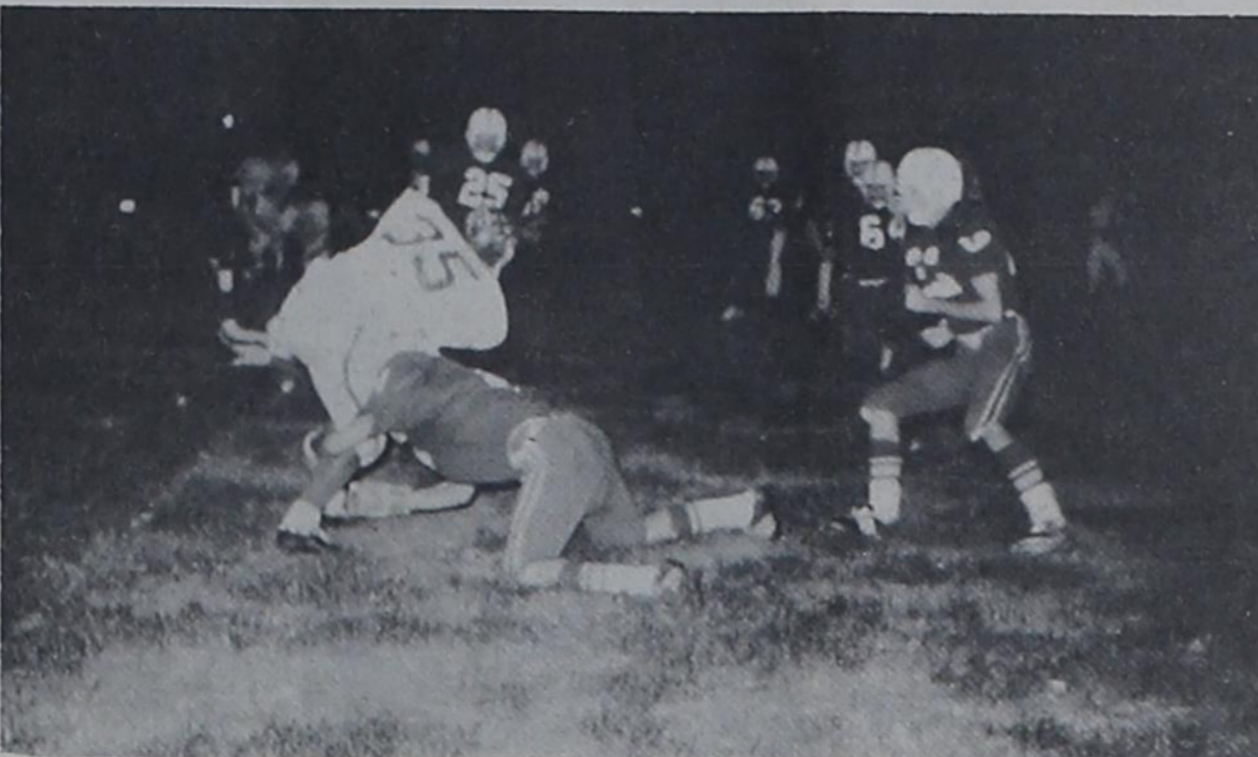

Farwell seventh grade team is coached by Larry LeFevre. Farwell eighth grade is coached by Larry McDorman and Junior Varsity head coach is Tally Kelso.

Anton, Lazbuddie In Lazbuddie Tops Nazareth District Game

Lazbuddie will travel to Anton this Friday night for the most important game of the season, according to Head Coach Buddy Brock. Anton, with an undefeated record, is the only team keeping Lazbuddie from a District 3-B conference championship.

Both teams will be counting heavily on this game, says Brock. "We will need to stop their running back, Alvin Williams. If we can stop him, we could win the game. They also have a good fullback in Betts," added the coach.

SPORTS

STOPPED AGAIN -- Larry Erwin, No. 35, caught a pass in the fourth quarter contributing several yards for the Farwell Steer offense before he was downed by a Wolverine defender. Despite their efforts, the Steers were blanked 28-0 by Springlake-Earth. The game marked Farwell's second district loss--the first being to Bovina. Farwell will travel to Kress this Friday night in hopes of improving their record.

Steers Of The Week

TERRY CRAFT

HAROLD JONES

MIKE TRAVIS

Head coach Toby Booth commented this week on the excellent defensive efforts of Mike Travis, Terry Craft and Harold Jones. They all gave their best efforts in last week's game against Springlake-Earth, said Booth. Also mentioned were Ray Norton and Johnny Boling on offense. "We were especially happy with the throwing ability of Boling last week," said Booth.

Anton, Lazbuddie In Lazbuddie Tops Nazareth District Game

Lazbuddie slipped past Nazareth last week in what Head Coach Buddy Brock termed "the worst game of the year." The final score was 7-6 in favor of the Longhorns.

At Lazbuddie --

Players Of The Week

Jerry Barber and Mark Barnes were cited this week by Head Coach Buddy Brock for their outstanding efforts last week against Nazareth. Barber was noted for his offensive play and Barnes, for defense. Big Lick of the Week went to Roy Flores. Two weeks ago, Loy Dale Clark and Jimmy Noland were cited by Brock for outstanding games against New Home. Noland is a defensive player and Clark is an offensive player. Big Lick of the Week went to Arthur Graves.

Eighth Loses --

Farwell J.V., 7th Win Over Springlake-Earth

Farwell Junior Varsity and seventh grade teams came out victorious last Thursday, Oct. 21, over Springlake-Earth, but the eighth grade team fell to their opponent 36-16.

Larry McDorman, eighth grade coach, said, "They were just too big for us." He cited Jack Foster, credited with one touchdown, Franky Vidaurre, one TD, and Javier Galvan, two extra points, for their efforts in putting Farwell on the scoreboard. Jack Foster was also credited with two extra points.

Seventh grade coach Larry LeFevre was proud of his team's 20-6 win over Springlake-Earth. "The boys did a good job, especially in the second half. They were held completely by Springlake in the first half, but came back in the second for a win," he said.

Ruben Costello was credited with two touchdowns occurring from passes by Jimmy Malto. Jerry Ancira had one TD to his credit. Two extra points were made to give Farwell 20 points.

Farwell Junior Varsity blanked Springlake-Earth 14-0 last Thursday. Head Coach Tally Kelso said the team gave another good effort for the victory. "The entire team worked very hard throughout the game."

"The score at halftime was 0-0 and the team had to give a good effort to win. The opposing coach said his team played the best game they played all season. That means it was a good victory for our squad."

Lesly Curtis scored the first touchdown on a quarterback keeper around left end. Points after touchdown failed. Farwell's last score came with only a couple of minutes left in the game, when Winfred Long swept around right end for the score.

Mike Woods scored the extra points on an off-tackle play behind the blocking of Bill Johnson and Kie Watkins. "All our linemen have been doing a good job, and credit must be given to all of them -- Jesse Cantu, Gene

Christian, Delvin Dupuy, Ricky Williams, Kent Gast and Rudy Rodriguez," said Kelso.

"The defensive unit is still our strong point of the team. They have held the opposition to 56 points while the offense has generated 120 points."

"Gene Christian and Delvin Dupuy played their best game of the season on defense. Paul Brigham, Mark Haseloff and Mike Woods did a good job at their positions. It was a good effort by all the boys," the coach concluded.

Applications Ready For Cost-Share Program

Soil Conservation Service is now taking applications for participation in the Great Plains Conservation Program. The program provides cost-share

assistance to help a producer accelerate land treatment on his farm or ranch. It provides government cost-share for such practices as pasture planting, range seeding, parallel terraces, waterways, fences, stock ponds, livestock water walls, land levelling and irrigation pipeline. Cost-share under this program is up to 80 per cent of the total cost.

Friona SCS personnel expect new appropriations to be forthcoming by spring of 1972. Interested persons are urged to apply soon because funds are limited and the program is on a first come, first served basis. For more information on the Great Plains Conservation Program, contact the Friona Soil Conservation Service office.

Muscles normally account for 40 per cent of the body weight.

Longest recorded interval in post-mortem birth is 29 minutes.

In Dallas To See Football Games

David and Charles Dannheim and their sister, Mrs. Jerry Martin, left for Dallas Friday night after the Farwell Steer football game.

The Dannheim brothers attended the Texas Tech-SMU football game Saturday afternoon and also were in attendance at the Dallas Cowboy-New England Patriot game Sunday.

Mrs. Martin's husband is in the Veteran's Hospital at Dallas and she visited with him while there. The Dannheims and Mrs. Martin returned home Sunday evening, but Martin remained in the hospital for more tests.

At Home In Parmer County

by Jana Pronger
County HD Agent

What do you know about eggs? Besides the fact that they are good for you, and you need them in most baked goods, and they are usually eaten at breakfast, and that they are USDA graded. But did you know that the U. S. Department of Agriculture reports plentiful supplies of eggs this month -- for your eating and cooking needs!

Here are some more interesting facts about eggs. As the newly laid egg cools, the contents contract, forming an air cell, usually at the large end of the egg. When you break open a high-quality egg, it covers a small area and has a round, upstanding, well-centered yolk. The yolk is surrounded by a large amount of thick white standing firmly around it. Choose high quality eggs for table use --- cooked in the shell, poached or fried.

The shell of the egg has minute pores or openings which allow air to pass through. When eggs have been kept for some time, some of the water in the egg evaporates, causing the air cell to grow larger. This is one indication of lower quality. Such eggs will cover a wider space when you crack them open. Usually the yolk is very flat-

tened and is easily broken. The amount of thick white decreases, leaving only thin white. If these eggs are hard-cooked, the yolk will not be well-centered and will be flat on one side.

Use these lower quality eggs for cooking and baking. You may not enjoy them fried, poached or cooked in the shell.

The white stands that cling to the yolk are called the chalazae. They are the cords or anchors that help to hold the yolk in a central position. The chalazae are edible. You do not need to remove them.

The color of the yolk is determined by heredity and some feeds consumed by the hen. Flavor and nutritive value are not affected by the color of the yolk.

Occasionally you will find small blood clots in eggs. These eggs are all right to eat. If you wish, you can easily remove these spots before cooking.

The shell color of eggs ranges from chalk white to cream to dark brown. Sometimes brown-shelled eggs and white-shelled eggs sell at different prices, but studies show that shell color is a characteristic of the brood, and does not affect the flavor, keeping quality, color of yolk or nutritive value of the egg.

The size of the egg tells you how much egg you are getting for your money because the "size" of eggs is based on their weight. Large eggs may weigh from 24 to 27 ounces per dozen, medium-eggs -- 21 to 24 ounces per dozen and small eggs -- 18 to 21 ounces per dozen. The following chart shows the difference in amounts of whole eggs, egg white and egg yolk for three sizes:

Number of whole eggs to fill a standard 1 cup measure - 4 large eggs; 5 medium eggs; 6 small eggs.

Number of egg whites to fill a standard 1 cup measure -- 7 large; 8 medium; 9 small.

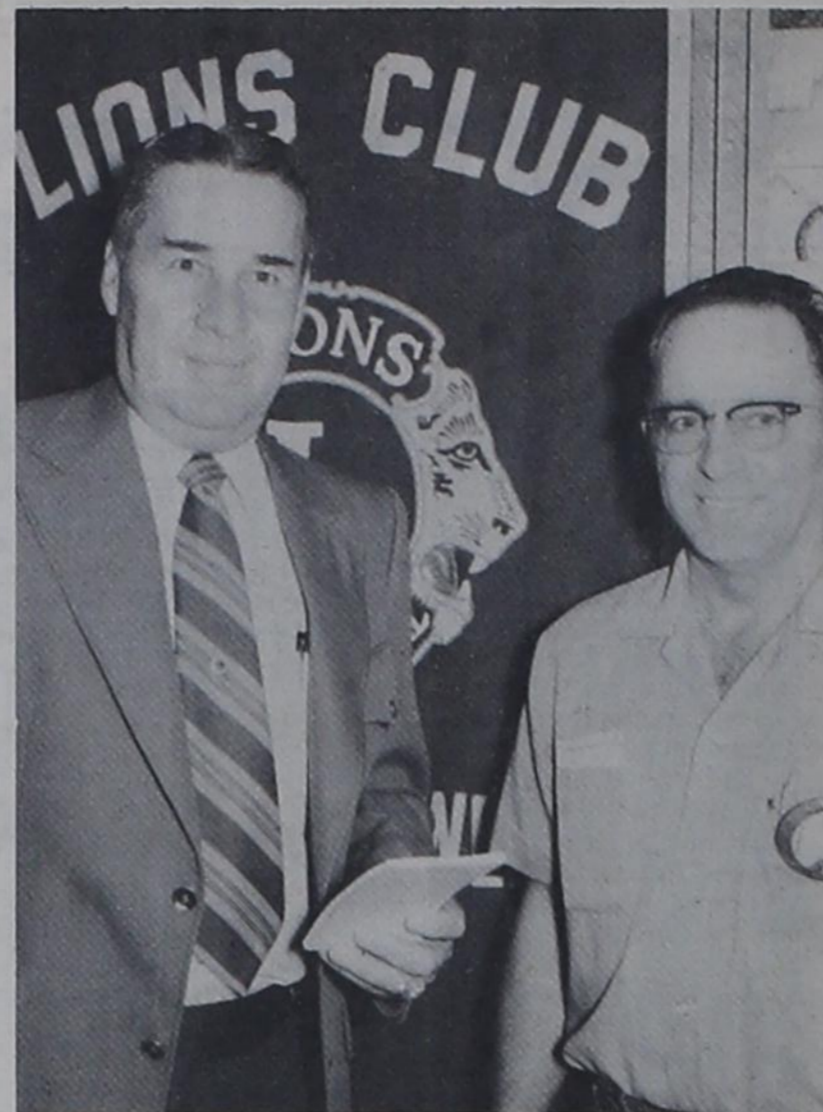

Number of egg yolks to fill a standard 1 cup measure -- 14 large; 17 medium; 19 small.

Eggs that are clean, cold and covered will keep their original quality for the longest time. New-laid eggs have a protective film, called the "bloom," that surrounds the shell. The bloom helps keep out bacteria and molds, and therefore eggs should not be washed.

Like milk, eggs are perishable, especially at room temperature. Eggs kept in a warm kitchen or store can lose as much quality in three days as eggs kept for two weeks in the refrigerator in a covered container. Always buy eggs that have been refrigerated in the grocery store. Because eggshells are porous, eggs should be stored in covered containers -- like the carton they come in -- to avoid loss of moisture.

Take advantage of egg bargains now, while they are plentiful.

One way to get the eggs your family needs into their diet is with baked goods. One quick

OFFICIAL VISIT -- District Governor Gerald Dorough, of Clovis, left, of Lions Club District 40X of New Mexico paid his annual official visit to a regular meeting of Texico-Farwell Lions Club Monday night, Oct. 25. He spoke to club members on Lionism and discussed the progress of the local club with club officers. Bill Whitesides, right, local president, welcomed Dorough to the meeting.

Walker Brothers Home On Leave

Army Private Randy Walker and Marine Private Ronny

Walker, age 17, twin sons of Mr. and Mrs. E. A. Walker of Farwell, have been home from the armed services visiting their parents and other relatives.

Ronny completed his basic training at Camp Pendleton, Calif., October 19 and was given a two-week leave. He will leave Saturday, Oct. 30, to return to the Marine base at Camp Pendleton for further assignment.

Randy completed eight weeks of basic training at the U. S. Army Training Center at Ft. Polk, La., October 1. He arrived home on a weekend pass Thursday, Oct. 21, from his new base at Ft. Gordon, Ga., where he is a clerk typist working in the security division. He left Monday afternoon to return to Ft. Gordon where he will be stationed for some time.

Both brothers attended Farwell High School before enlisting. Randy enlisted in the Army July 30 and Ronny enlisted in the Marine Corps one week later.

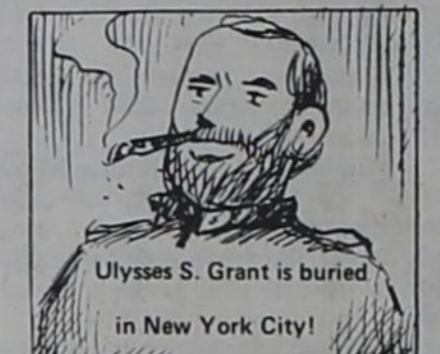

Mercury, a liquid metal, is about 18% heavier than lead and about 13 times heavier than water. It readily forms mixtures with other metals, and these mixtures are called amalgams. Silver amalgam is the commonest dental cavity-filling material in use in the U.S.A.

Holub Speaks To School

E. J. Holub, scout for the Kansas City Chiefs professional football team, was in Texico last Monday, Oct. 18, to show a film to students at Texico Elementary School.

The former All-American at Texas Tech who played center and linebacker for the Red Raiders has played in the same two positions for the Chiefs and for the former Dallas Texans before the team became the Kansas City Chiefs. He has been a scout for the Chiefs since sustaining another one of his many knee injuries during his football career.

Holub presented the film "Highlight of the Kansas City Chiefs' Win in the Super Bowl."

Ulysses S. Grant is buried in New York City!

He also spoke on individual importance. He told the students that everyone can be great at doing something.

Whats Cooking At Farwell School

Report From The Sheriff's Office

Three youths from Texico, held in Curry County Jail earlier this week, were brought to Parmer County Courthouse Tuesday for a court session in which the youths were released into the custody of their parents.

The juveniles were charged with a break-in at the Taco Burger Drive-in in Farwell last Thursday, Oct. 21. County Judge Archie Tarter ordered the boys to make restitution for all damages which occurred during the break-in and also for damages caused during other acts of vandalism committed in the community by the youth. They were also ordered to report to the juvenile officer in Farwell once a month.

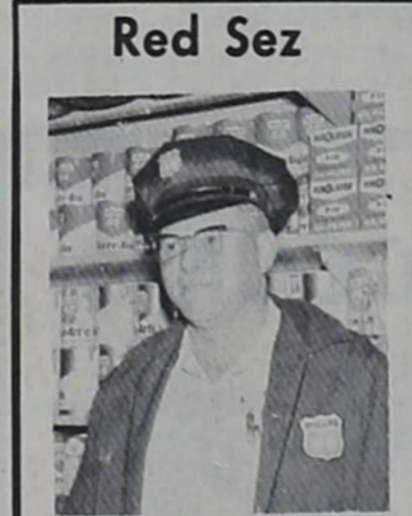

and easy recipe that I've found to be a favorite with the kids is:

\$1,000 Split Seconds
Sift together 2 cups flour, 2/3 cups sugar and 1/2 teaspoon baking powder

Blend in 3/4 cup butter, 1 un-beaten egg and 2 teaspoons vanilla

Divide into four parts
Shape into rolls -- 13 inches long by 3/4 inch thick.

Place on ungreased baking sheet 4 inches apart and 2 inches from edge. Make a depression 1/4 inch to 1/3 inch deep with knife handle lengthwise in center. Fill with red jelly or jam (1/3 cup in all). Bake at 350 degrees F. for 20 minutes until golden brown. While warm cut into bars diagonally. Cool on wire racks.

Red stepped up to Groucho Marx on the street and asked, "Aren't you Groucho Marx?"
"That's funny," he replied, "I was just about to ask you the same thing."

HEAT-N-CLEAN

In the Electric Climate

Put in electric heating and we'll give you an electric dishwasher.

Put clean electric heating in your single family residence and we'll give you an electric dishwasher to clean your dishes. You may choose either a built-in model or the convertible in your choice of colors — Dark Copper, Avocado, Harvest Gold, or White. We'll deliver it to your door and you take care of the installation as you see fit.

To qualify for this "most wanted" appliance, the dishwasher, you need only be a customer of Southwestern Public Service Company and put permanently installed, whole-house electric heating in your present or new home with installation beginning not later than December 1, 1971, when the offer expires.

Call us this week for complete information on the desirability of comfort electric heating. Don't miss out on the opportunity to receive an electric dishwasher free of extra cost!

Enjoy clean living in the electric climate.

GOLDEN ANNIVERSARY
Comfort Electric Heating
1921-1971

P. S. If you already have a dishwasher—don't despair. We have a substitute you'll like.

The Women's Page

Brownie Scouts Have 'Fly-Up'

Brownie Scouts held their investiture ceremony last Monday afternoon in Hamlin Memorial United Methodist Church. The ceremony was opened by a flag ceremony which included six color guards and a flag bearer.

Mrs. Alice Vinton, troop leader, pinned leader pins on assistant leaders, Mrs. Pat Childers and Mrs. Lovetta Gurley. Mrs. Gurley pinned World Association pins on each incoming Brownie, while Mrs. Vinton pinned on Brownie pins.

Fourteen new Brownies were received into the troop during the ceremony. They were Janene Berry, Stacy Campbell, Christi Childers, Tracy Dobbs, Darrisa Ford, Pamela Gau, Silynda Gurley, Dana Hukill, Sharon Kalbas, Penny Klimek, Donna Meeks, Teresa Morris and Tracy Williams. Eleven girls from last year's troop were present. They were Jeanette Ballis, Betsy Black, Sharmy Christian, Laurie Curtis, Cydney Ford, Tori Hardage, Joette Hargett, Diann McKillip, Linda Pinner, Judith Schilling and Robin Vinton.

Each of the girls were presented with a membership card. Mrs. Annette Black and Mrs.

Sue Hukill, Brownie mothers, were also presented with membership cards.

The ceremony ended with the girls forming a Brownie ring. They sang the Brownie smile song and recited the Brownie

promise. Refreshments of cookies and punch were served from a table decorated with an orange candle in a toadstool ring next to a plaque on which was written the Brownie promise.

Name Rodriguez, Stanton Top FHA Girls

Diane Rodriguez, daughter of Mr. and Mrs. Erasmo Rodriguez, and Lanett Stanton, daughter of Mr. and Mrs. Roy Stanton, received honors as FHA Girls of the Month during a regular meeting last Monday, Oct. 18, of Farwell High School Future Homemakers of America.

Each month the girls who has the most number of points is chosen Girl of the Month. This month both Diane and Lanett had the same number of points. The point system is based on grades, participation in FHA and activities in school and out of school.

Stanley Austin was elected by Farwell High School Future Homemakers of America members as their FHA Beau.

After the pledge of allegiance, Susan Symcox led the song committee in teaching the group a number of songs. Jana Bass accompanied on the piano.

After a business meeting, Jana Pronger, Parmer County Home Demonstration Agent, presented a program on home economics careers.

Refreshments were served by Becky Richel, Brenda Vinson, Debra Foster, Virginia Pewitt and Vickie Gilliam.

NEW GIRL SCOUTS, PATROL LEADERS -- Dondra Gerles and Sherry Dudley, left to right, front row, received pins during an investiture ceremony last Tuesday, Oct. 19, for new Junior Girl Scouts in Troop 121. Installed as patrol leaders during the ceremony were Jana Berry, Jan Bradshaw and Toby Curtis, left to right, back row. A rededication ceremony was held in conjunction with the investiture and installation.

Junior Girl Scouts Hold 'Fly-Up' Meet

Farwell Junior Girl Scout Troop 121 held its investiture-rededication ceremony and patrol leader installation last Tuesday, Oct. 19.

Parents of troop members were special guests for the occasion. Vickie Vinton served as scout-in-charge of the opening flag ceremony. Jana Berry carried the American flag and Suzanne Howard carried the troop flag. Color guards were Susan Meeks, Terri Chandler, D'Lynn Lockmiller and Debra Prather.

Receiving Girl Scout pins and World Association pins during the ceremony were Sherry Dudley and Dondra Gerles. Each girl gave the Girl Scout promise and was welcomed into the troop. Mrs. Gerald Curtis and Mrs. Jim Berry presented the girls with their pins.

Installed as patrol leaders were Jan Bradshaw, Toby Curtis and Jana Berry. They received patrol leader cords which are worn on the left shoulder and consist of two gold cord loops. One cord represents the responsibility of the leader to her patrol, and the other, her responsibility to the entire troop.

Troop members then participated in a rededication ceremony in which the girls renewed their promise to fulfill the ideals of Girl Scouting. Roxie Chandler, Corine Ancira and Kim Marsh each lit one white candle and repeated one of the three parts of the Girl Scout promise. Jayme Berry, Sherry Dudley, Tonda Fulcher, Vickie Vinton, Toby Curtis, Lisa Howard, Dondra Gerles, Jan Bradshaw, Tina Andrade and Debra Prather

each lit green candles and repeated each of the Girl Scout laws.

Refreshments of punch and cookies were served to approximately 40 troop members and guests.

Visits Parents

Jana Pronger of Farwell visited last weekend in the home of her parents, Mr. and Mrs. A. E. Pronger, Jr. and family. She was accompanied by Nell Rentschler, assistant extension agent for Dallam County.

Billington Company

Mr. and Mrs. Sterlyn Billington of Farwell were visited last week by their son and wife, Mr. and Mrs. Mike Billington of Fort Worth. Also visiting in the home was Stephanie Traxson, the Billington's granddaughter, who came to Farwell with the Mike Billingtons.

The Mike Billingtons attended West Texas State University Homecoming at Canyon while they were here.

ANNOUNCE ENGAGEMENT -- Mr. and Mrs. John R. Hadley of Texico announce the engagement and approaching marriage of their daughter, Lou Ann, to Raymond Lee Larson of Las Cruces, son of Mr. and Mrs. M. L. Larson. Miss Hadley, a 1970 graduate of Texico High School, is a sophomore at New Mexico State University majoring in home economics. Larson is a senior at the university majoring in business. The couple plans to be married Dec. 19 at 3:30 CST in First Baptist Church of Texico. All friends of the couple are invited to attend the wedding and reception to follow.

ESCA Game Night Nets Over \$200

Approximately \$230 was realized from Game Night sponsored by Theta Rho chapter of Epsilon Sigma Alpha Sorority held at the Farwell Country Club Monday night, Oct. 18. A jewelry auction netted the organization approximately \$89. Jewelry was donated by Mrs. Delbert Black.

Participants in the game night activities played bridge, Shanghai, and crazy bridge. Mrs. Truitt Hardage was winner of a large silk, hand-printed original design scarf donated by Bobbie's.

Approximately 35 ladies were served refreshments of cook-

ies, brownies, punch and coffee.

The game night, in its second year, was held for the purpose of collecting money for Cystic Fibrosis, which is the state philanthropic project of the group.

Attends Parents' 40th Anniversary

Mrs. Martin Kube, accompanied by son, David, of Farwell last weekend attended the 40th wedding anniversary celebration of her parents, Mr. and Mrs. A. H. Daude, who live near Lampasas.

An open house was held for the occasion and Mrs. Kube's two brothers were also in attendance. Mrs. Daude has seven brothers and sisters and all but two of them came for the celebration, reports Mrs. Kube.

Mrs. Kube and David made the trip by plane and on their return trip they visited the Lyn-

Mrs. Wurster Has New Granddaughter

Mrs. Ellen Wurster of Farwell was recently informed of the arrival of a new granddaughter, Renee Wurster, born to Mr. and Mrs. Tom Wurster of Midland.

Renee weighed eight pounds at birth. She has two brothers and a sister.

Mrs. Albert Thomas of Farwell is the child's paternal great-grandmother. Mr. and Mrs. J. D. Prewitt of Ralls are the maternal grandparents.

Mrs. Wurster, the paternal grandmother, visited with her new grandchild and her son and family last weekend in Midland.

Niece Visits

W. W. Vinyard

Mr. and Mrs. Leon Brandenburg of Duncannon, Tex. near Dallas, visited Tuesday in the home of W. W. Vinyard in Farwell.

Mrs. Brandenburg is a niece of Vinyard.

DIANE RODRIGUEZ

LANETT STANTON

Pinning Ceremony Held By ESCA Group

Theta Rho #1560 of Epsilon Sigma Alpha held a "pledge pin ceremony" Monday, Oct. 25, in the home of Mrs. Jim Berry of Farwell.

Mrs. Troy Christian, president, conducted the ceremony and presented pins to Mesdames Terry Parr, Jimmy Peoples and Dean Avara.

Mrs. Bob Vinton, awards chairman, announced that Mesdames Dan Gurley, Vernon Scott and Darrell Stephens have qualified and will be recommended reports it will probably be this weekend before she is well enough to be dismissed.

Percy Tipton of Farwell, who has been a patient in Lubbock Methodist Hospital off and on for several weeks, re-entered the hospital last Saturday, Oct. 23. He is reported to be doing about the same.

Mrs. H. M. Moss of Farwell reports she is feeling fine after suffering a light stroke Saturday, Oct. 16. She was hospitalized in Clovis Memorial Hospital from Saturday until last Wednesday, Oct. 20.

for the "First Pearl Award." The award is given for exceptional participation in chapter activities during the first year of membership.

Following the business meeting, a program on "Our Relations To Others" was presented by Mrs. Don Gerles and Mrs. Vernon Scott.

Refreshments of cherry-cream cheese pie, soft drinks and coffee were served to Mesdames Mitz Walling, Don Williams, Jack Kirkland, Rosa Roberts, Dan Gurley, Pike Jordan, Darrell Stephens, Don Gerles, Vernon Scott, Fred Chandler, Bob Vinton, Doyle Ford, Duane Herington, Glenn Marsh, Troy Christian, Jim Berry, Jimmy Peoples, Dean Avara and Terry Parr.

Next regular meeting will be November 8 at 8 p.m. in the home of Mrs. Dan Gurley.

ATTEND FUNERAL
Mrs. N. H. Goldsmith, Dan and Jo Dell of Farwell attended the funeral of Mrs. Frances Hackney in Fort Worth Tuesday, Oct. 26. Also attending was Mrs. Vickie Hackney of Eules, a daughter of Mrs. Goldsmith.

Hospital Notes

Roy V. Ham of Farwell is at home after spending several days in Clovis Memorial Hospital. Ham is doing very well, according to reports.

Mrs. O. B. Pipkin of Farwell is at home after spending several days in Clovis Memorial Hospital. Mrs. Pipkin, hospitalized for medical attention, was released Sunday. She is reported to be doing fine.

Buttons Howard of Farwell was released Saturday from Clovis Memorial Hospital where he had been a patient for two days. Howard is reported doing better.

Katie Busbice of Farwell is confined to Clovis Memorial Hospital this week for medical attention. She entered the hospital Monday and her mother

Crooks Have Company, Visit In El Paso

Mr. and Mrs. H. R. Crook and Jaquetta of Farwell, Mr. and Mrs. Cleo Simmons of Cleveland, Okla., and Mr. and Mrs. French Crook of Bovina visited last weekend in the home of Mr. and Mrs. French Crook, Jr. and family of El Paso. While in El Paso, the group visited Juarez and Mrs. Crook talked with Rev. and Mrs. Hardin Atkins and family. Atkins is a former minister of Hamlin Memorial United Methodist Church.

The Simmons' and Miss Shuck are staying in the Crook home this week. Mrs. Simmons and Miss Shuck are sisters of Crook.

Attend Market

Mrs. John McFarland, owner of Bobbie's, and Mrs. Darrell Norton, both of Farwell, attended market this week in Dallas. They were expected to return some time Wednesday.

SEAL Published in the State Line Tribune Oct. 15, 22, 29 and Nov. 5, 1971.

THE STATE OF TEXAS COUNTY OF PARMER

KNOW ALL MEN BY THESE PRESENTS:

THAT the Commissioners Court of Parmer County, Texas, has determined in its discretion that it is advisable to make a lease or leases for mineral development of County School Lands belonging to Parmer County, Texas, situated in Andrews County, Texas, and such Commissioners Court does hereby give notice of its intention to lease the following described lands for such purpose; to-wit:

Laborers 19 and 22, League 315, Parmer County School Land, Andrews County, Texas.

The Commissioners Court of Parmer County, Texas, will receive and consider bids for such mineral leases as such Court may determine to make at the next regular term of such Court to be held at or after 10:00 o'clock A.M. of the second Monday in November, 1971; that is, the 8th day of November, 1971, at the Courthouse of Parmer County, Texas, in Farwell, Texas. On said date and at said place the Commissioners Court of Parmer County, Texas, will receive by Public Auction and consider upon public hearing any and all bids submitted for the leasing of said lands or portions thereof as hereinabove described and in the discretion of such Court will award the lease to the highest and best bidder submitting a bid therefor provided that if, in the judgment of said Court, the bids submitted do not represent the fair value of such leases, such Court, in its discretion, may reject same and again give notice and call for additional bids. The form of lease to be awarded pursuant to the successful bid is exhibited with the Res-

olution of such Court providing for receipt of such bids adopted on the 27th day of September, 1971, and may be inspected in the Office of the Clerk of said Court.

WITNESS OUR HANDS and the Seal of said Court at Farwell, Texas, this 1 day of October, 1971.

THE COMMISSIONERS COURT OF PARMER COUNTY, TEXAS By Archie L. Tarter County Judge, Parmer County, Texas

TWO MINUTES WITH THE BIBLE BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633 WHY GOD WAITS St. Peter was not wrong when he declared at Pentecost that the last days had begun (Acts 2:16,17). They had indeed begun, but God had a secret purpose to give the world a period of grace before putting down its rebellion and sending Christ to reign. This secret purpose concerning "the dispensation of grace" is the subject of Paul's epistles, but it is interesting to see how Peter's last message explains this interruption in God's prophesied program and the delay in Christ's return to reign. First, he says in II Peter 3:8: "But, beloved, be not ignorant of this one thing, that ONE DAY IS WITH THE LORD AS A THOUSAND YEARS, AND A THOUSAND YEARS AS ONE DAY." Mark well, this is not our feeble explanation now as to the delay in Christ's return. This statement was made at the beginning of this time of waiting, at the dawn of the age of grace. But let us go on with Peter's declaration: "The Lord is NOT SLACK concerning His promise ... BUT IS LONGSUFFERING to us-ward, not willing that any should perish, but that all should come to repentance" (Ver. 9). So the delay in Christ's return to judge and reign should not be counted slackness or laxness, but "longsuffering." Thus the apostle goes on to say: "And account that the longsuffering of our Lord is SALVATION..." Where did Peter get this information? How did he know about "the dispensation of the grace of God"? Verse 15 explains: "Even as our beloved brother Paul also, according to the wisdom given unto him hath written unto you." To Paul particularly was committed "the gospel of the grace of God" which we proclaim today (Acts 20:24).
