

Republicans Find Favor With Texas

Nixon Receives 82% Of Parmer Co. Vote

President Richard M. Nixon wound up Tuesday's general election with a landslide victory over Sen. George S. McGovern. Nixon amassed 61 percent of the popular vote to 38 percent for McGovern, according to incomplete returns.

Nixon carried Parmer County by a whopping 82 percent. Out of the county's 2930 recorded votes, Nixon won 2304 to 495 cast for his opponent.

Sen. John Tower easily won his bid for re-election on a statewide basis with a 56-43 percent edge over Barefoot Sanders. Tower also carried Parmer County by a wide majority, 1817 to 1015, 64 percent of the county going for the incumbent senator. Flores

Amaya, the Raza Unida Party candidate for U. S. Senator picked up 17 votes in Parmer County.

Rep. George Mahon, who was unopposed in his bid for re-election, received 1696 votes from Parmer County.

Dolph Briscoe, Democratic candidate for governor of Texas, had a slight lead over his opponent, Republican Henry C. (Hank) Grover, at mid-morning Wednesday. Things were nip and tuck in the race with Grover showing a surprisingly high percentage of votes when the returns first came in.

Parmer County showed a mild favoritism for the Democratic candidate, giving Briscoe 1490 votes. Grover received 1326 Parmer County votes. Ramsey Muniz, Raza Unida Party candidate, got a total of 82 votes in Parmer County.

Tax Assessor-Collector, 2186; Cecil Atchley, County Commissioner for Precinct 3, 588; and Raymond E. Mears, Justice of Peace, Farwell Precinct 1, 574.

In the heated race for County Commissioner for Precinct No. 1, (Friona) Thomas Lewellen gathered up 838 votes to 432 for Osborn. That race did not appear on the ballot for Farwell's precinct.

Voting was lower in this general election than it was four years ago. Four years ago, 3102 cast ballots to 2930 voting Tuesday. The total four years ago was out of some 3870 registered voters. Tuesday's total was from a possible 3950 voters.

County Clerk Bonnie Warren said 146 absentee ballots were cast in the general election. "I think probably there were a lot of 18-year-olds who didn't cast ballots. There weren't as many voting absentee as I expected," she said.

She said there were less ballots cast percentage-wise than in the general election four years ago. Four years ago, 80 percent of Parmer County's registered voters turned out for the general election. This year, only 74 percent of the registered voters made it to the polls.

Bovina's precinct was plagued with the lowest percentage turnout Tuesday. Only 477 out of 709 registered voters made their choices known.

Rhea's precinct, as usual, says Mrs. Warren, had a very high percentage with 72 out of 77 registered voters casting ballots. One hundred fifty-six out of 215 registered voters in the Oklahoma Lane precinct went to the polls. Lazbuddie precinct reported 256 voters out of 333 registered.

Forty absentee ballots were cast in Farwell precinct which brought the total number of voting in the precinct to 596 out of 732 registered. That number gives the Farwell precinct an approximate 80 percent turnout.

Albert Smith, Farwell precinct election judge, said that

BULLETIN

Democrat Dolph Briscoe was declared the winner in the Texas Governor's race by the Texas Election Bureau on the basis of steady returns showing he was leading. The special bulletin was broadcast at 12:30 p.m. Wednesday.

In the Lieutenant Governor's race, Bill Hobby received a wide majority of the county's votes. Only four votes went to Meyer Alewitz of the Socialist Workers Party, while Hobby gained 1969. Hobby was also leading by a wide majority on the state level, according to incomplete returns.

Although Jesse James, Democratic incumbent, was leading at midnight over Maurice Angly, Jr., in the State Treasurer's race, he was facing a strong challenge on the state level. County-wise, Angly won over James with a 1442-1239 vote margin. In that race, Ruben Solis, Jr., of the Raza Unida Party, picked up 31 Parmer County votes.

Parmer County officials running for re-election unopposed received the following votes in the county: Hurshel R. Harding, County Attorney, 2067; Charles Lovelace, Sheriff, 2176; Hugh Moseley, County

STEVE BLAIR

Blair Admitted To School

Steven Joe Blair of Farwell has been admitted to the Southwestern State College School of Pharmacy in Weatherford, Okla. His parents are Mr. and Mrs. Joe Blair of Farwell.

Before being accepted by the School of Pharmacy, Blair completed two years of pre-professional college work. After three years of professional studies he will be awarded the bachelor of science in pharmacy degree.

Texico Woman's Club Starts New Project

Texico Woman's Club made preparations Saturday for a recycling project which requires help from all townspeople if it is to be successful, say spokesmen for the club.

Saturday, members of the club painted barrels at Citizens Bank in Texico to hold glass bottles. Club members painted each barrel a different color to hold different colored glass bottles.

They ask that the townspeople fill these barrels with glass bottles, putting a particu-

lar color of bottle in the proper barrel, minus all metal. Labels may remain on the bottles, and it doesn't matter what the bottles formerly contained since the glass will be melted as it is recycled.

After the barrels are full, they will be taken to the Coca Cola Bottling Co. in Clovis where the ladies will receive \$15 per ton for the glass. The money received from the recycling project, which will continue for an indefinite time, will be used for a city

recreational fund which will provide for improvements to the city park or the swimming pool or something of this nature.

Woman's Club members ask that when you fill these barrels, please don't mix colors. If the barrel in which you need to empty your glass is full, just place the glass on the ground beside it.

RECYCLING PROJECT - Texico Woman's Club members were out painting barrels Saturday in preparation for the club's recycling project. Members pictured, left to right, are Margie Crooks, Edith Chandler, Margaret White and Marcia Leavell. Each of the barrels is painted a different color to hold different colored glass bottles. Townspeople are asked to put their bottles, with all metal removed, in the proper barrels at Citizens Bank in Texico. When the barrels are full, the ladies will take them to the Coca Cola Bottling Co. in Clovis where they will receive \$15 per ton for the glass. Although Elevators Busy - -

Lack Of Machinery Hinders Area Harvest

Area elevator operators hardly had time to talk this week as area milo harvest got underway in earnest. Although trucks from the surrounding farms were rolling in steadily, most elevator operators bemoaned the fact that combines in this area were scarce.

"We just don't have enough combines," said Johnie Williams of Sherley-Anderson-Pitman elevators in Farwell and Texico. Bill Thigpen of Worley Grain in Farwell commented that the shortage of combines would slow the harvest down some.

Operators were predicting that grain harvest would be finished anywhere from 10 days to two or three weeks, depending on whether the weather holds out and enough combines can be found.

Asa Smith of Sherley-Anderson Elevator in Lariat said he wouldn't be surprised if maybe 60 per cent of the grain was harvested by the end of the week. "I think harvest could go on for another week. They could have most of it cut in 10 days if the weather stays pretty," he said.

Local elevator men were more pessimistic. Williams said he figured a third of the grain could be harvested by the end of the week. Thigpen commented, "It's hard to say how long it will take. It may take two or three weeks unless we get enough combines. If the weather leaves us alone, we'll get it out soon enough," he added.

test weight. They say the later grain is averaging much better than grain brought in earlier this year.

Smith said yields this year are real good. He said there would probably be as much grain brought in this year as

last year, but not as many acres had been planted. He estimated averages at 6,000 to 8,000 pounds per acre. He said one patch already cut averaged 8,000 and another averaged 9,000. Smith said it was hard to tell since not enough had been

cut. Williams said he thought yields would be better than last year. Thigpen also predicted above average yields. Neither would predict average yields saying they felt not enough grain had been cut yet.

HEAVY GOING IN THE FIELD - Combines in the area were working all possible hours this week to cut the bumper milo crop forecast for the High Plains. Due to the recent inclement weather, many of the combines were fitted with special "pick up" units rather than the usual cutting heads. This crop being harvested north of Texico was reported to be yielding over 8,000 lbs. per acre, a figure that apparently will be common for the Parmer and Curry county areas.

Basketball Workouts

Coach Vernon Scott announces that basketball workouts will be Saturday morning at 11 o'clock in Farwell High School gymnasium.

He urges all boys in high school who are interested in playing on Farwell's varsity and B teams to be there ready to play.

Evangelism Weekend Planned By Church

Hamlin Memorial United Methodist Church will have a Fall Evangelism Weekend Friday, Nov. 17, through Sunday, Nov. 19. The Evangelism Committee of the church is in charge. Rev. Gene Richardson, pastor of Center Street Church at Tucumcari, N.M., will be the evangelist.

Services during the weekend are planned beginning at 7:30 p.m. Friday, Nov. 17, with Rev. Richardson singing and leading the congregation in song and preaching.

Saturday, Nov. 18, Rev. Richardson will again lead the service at 7:30 p.m. Concluding the weekend of evangelism, Rev. Richardson will lead the

Sunday morning, Nov. 19, worship service at 11 o'clock and the evening worship service at 7 o'clock.

Rev. Richardson led the singing at the church's fall services in October, 1971. He has served churches at San Jon, N.M., several churches in Oklahoma, at Marfa, Tex., and has been at Center Street Church for the past four years. He has been song leader for the Bloys Camp Meeting near Marfa for a number of years.

The Evangelism Committee is composed of Mrs. M. A. Snider, Jr., chairman; Donald Christian, Mrs. Lenton Pool and Gil Patschke.

To Band Contest

Farwell High School Band, under the direction of Lynn Burton, will compete in UIL Marching Contest Tuesday, Nov. 14, in Lubbock.

The band is scheduled to march for the judges at 12:30 p.m. in Jones Stadium on the Texas Tech University campus.

Farwell FFA To Sell Fruit

Farwell Future Farmers of America Chapter members will begin taking orders for oranges and grapefruit next week, according to Jerry Mathis, Chapter advisor.

The fruit can be ordered from any Chapter member.

'Project' Canvass Slated Next Week

Next week, Monday through Friday, Nov. 13-17, area chairmen will be canvassing residents in the city of Farwell and other area persons living in the Farwell School District for donations to Farwell Elementary School's annual Christmas Card Project.

Each year money from the project is used to provide items for the school which are not covered in the general school budget. Elementary School Principal Vernon Scott stresses that this annual project is the only money-making venture during the year for the elementary school.

Mrs. Joe Hughes is general chairman for the project. If you are not contacted next week during the canvass period or you need to have

money picked up, contact Mrs. Hughes at 481-9114. Or you may contact any of the following: Mrs. Ted Magness, 825-2581; Farwell Elementary School, 481-9131; or Mrs. Georgia Lee Rundell at Farwell Superintendent's office, 481-3682.

This annual project has long been effective as a way for friends and neighbors to say "Merry Christmas" to each other without having to send Christmas cards locally, and to help the elementary school at the same time. Those donating to the project will have their names printed in the Christmas issue of the Tribune in a "special greeting". Everyone is urged to donate to the project the amount they would normally spend sending Christmas cards locally.

TEXICO ROYALTY - Elaine Kelley and Tommy Galvan were chosen Friday night at Texico's School Carnival as Carnival Queen and King. Miss Kelley was the sophomore candidate and Galvan was the freshman candidate. They were chosen by the penny-a-vote method. Richard Hadley, last year's Carnival King, crowned the new queen. She was presented with a bouquet of red carnations. Gia Crooks, last year's Queen, crowned the new king. A large crowd was on hand Friday night to enjoy the various activities.

Steers See No Light With 32-0 Shut - Out

by Lynn Blankenship

It seemed as though the Steers just couldn't see the light shining across the goal line as they dropped a 32-0 loss to the Vega Longhorns. This loss makes the Steer record 1-8 for the season with only one game remaining.

Vega picked up 271 total yards during the night to Farwell's 147. The Longhorns tried no passes and the Steers completed four for 55 yards.

Farwell kicked off to Vega to start the contest, with the Longhorns starting offensive play on their own 36-yard line. They were unable to obtain a first down and the Steers took over on their own 19.

Mike Wood took the ball 27 yards on Farwell's first offensive play which was the longest run of the night for Farwell. Two plays afterward, Farwell fumbled and Vega took over.

The Steers were quick to get the ball back as Vega fumbled on their first play with Kevin Hargrove recovering. Farwell was forced to punt and the Longhorns started a TD drive. Vega traveled 67 yards in nine plays to get on the scoreboard. Their run for extra points was good and Vega had eight of their 32 points, with 2:44 remaining in the first quarter.

After a series of punts, Vega drove 59 yards for their PAT touchdown. Again their PAT try for two extra points was accomplished and the score stood 16-0.

As the Steers were in possession of the ball, a pass was attempted. The pass was complete, but to a Longhorn. The Longhorn intercepted the

pass and ran 50 yards for Vega's third TD. Their extra point try failed and with 24 seconds left in the first half, Vega was in the lead 22-0.

The Steers took the ball to start the second half but were soon forced to punt. On Vega's second play, a Longhorn ran 69 yards for a touchdown. The run for extra points was good and Vega took one further step out with a 30-0 lead with 9:51 remaining in the third quarter.

Each team gave the ball up four times in the remainder of the fourth. The Steers had the ball on their own 2-yard line and were in a fourth down situation. They were prepared to punt but were going to have to do it deep in their end zone. The hike was over Doug Johnston's head and as he grabbed it he was tackled in the end zone to give Vega a safety. This made the score 32-0.

Neither team was able to make any more progress and Vega took the victory 32-0. The Steers' district record is now 1-4.

"We just got beat. At times we looked pretty good. Hargrove's passing was above average and we defended the ball well at times. Movingly we didn't look too bad. We just couldn't score," said Coach Toby Booth.

MIKE WOODS

Coach Toby Booth chose two Steers of the Week for their outstanding efforts against Vega Friday night. Named as Steer of the Week for his defensive efforts was Ray Norton, linebacker. Mike Woods, back, received kudos as Steer of the Week for his efforts on offense.

Steers Seek Out Final Dist. Foe

Farwell Steers will travel to Sudan tonight (Friday) for a game at 7:30 o'clock with the Hornets. The game will be the last in the season for Farwell. It will also be their last district clash of the year.

"Sudan hasn't won a district game, but they have a better ball club than their district record indicates. They run the wishbone," said Coach Toby Booth.

"It will be a tough game," he added. Farwell won one district tilt this year, beating Springlake-Earth.

The Steers blanked Sudan last year 28-0.

All fans are urged to turn out and go to Sudan and support and cheer the Farwell Steers to victory in their final football game of the season.

Farwell 8th Defeats Vega In District Tilt

Farwell eighth grade Yearlings defeated Vega Thursday, Nov. 2, 16-14. Mike Goettsch scored the first touchdown for the Yearlings. Ruben Castillo ran a two-point conversion to give Farwell eight points on the scoreboard.

Jimmy Maltos finished up the scoring for the Yearlings before the end of the first half. Castillo again ran a two-point conversion to bring Farwell's total to 16. The score at half-time was 16-8. Vega completed one touchdown with extra points in the first half and another TD in the second half, but the second extra point try was unsuccessful.

"We were lucky to win that game. At one point, Vega had the ball on our 20-yard line and only inches for a first down. They fumbled and we recovered the ball. We played in spurts - only when we needed to," said Coach Jerry Owen.

"Sudan has a good ball club. They have a 6-1 record this season. They're larger than Farwell and have more team speed. We have to beat them to win district. We haven't lost a

district game this season," he added.

Farwell Junior Varsity lost last Thursday to Vega 42-16. In the second half of play, Jack Foster made a 12-yard dash for Farwell's first touchdown. A two-point conversion attempt was successful.

In the last quarter of play, George Garza carried the ball over for Farwell JV. Another two-point conversion brought the Junior Varsity a total of 16 points for the evening.

Coach Don Alana said, "There has been a lot of improvement since the first of the season. The team has made definite progress but we have made lots of mistakes, though."

Alana said he had heard Sudan hadn't won any B team games. That would put Sudan and Farwell in a fairly even match, according to Alana. "The outcome should be interesting. Even though I'm hoping we're fairly matched, you never can tell," he added.

The seventh and eighth grade Yearlings and Farwell Junior Varsity teams were to

host Sudan Thursday with games beginning at 5 p.m. This was the last game of the season for all of the teams and the last district tilt for the junior high teams.

Mustangs Stampede Longhorns

The Mustangs from Wilson collected in Longhorn territory Friday night and stomped Lazbuddie 41-14. Lazbuddie's first score of the evening came when Quarterback Ricky Seaton dove over the goal from the one-yard line for a touchdown. A run for extra points failed.

In the third quarter, Seaton again braved an aggressive defensive play by the Mustangs to score another six points for Lazbuddie. He ran for an impressive 58-yard run for Lazbuddie's second and last TD.

Arthur Graves tackled on two extra points for the Longhorns on a PAT run.

"We just didn't play good ball. We had several out with injuries and we were changing people around. They had a fine football team," said Coach Allen Harman. Harman said David Buentallo, starting linebacker and tackle, was out with the flu.

He also mentioned that Ricky Walls, a freshman, was again playing fullback in place of Mark Barnes. Barnes, who

injured his knee earlier in the season, played at offensive and defensive tackle positions.

Seaton said Harman, played defense, suffered a shoulder injury. He also has been playing at the defensive linebacker position. Larry Cox and Tim Smith were playing at linebacker positions. According to Harman, they were new to these positions.

Lazbuddie will host Matador tonight (Friday) at 7:30 in Longhorn Stadium. The Matadors began their season with

only four seniors and no proven quarterback.

Lazbuddie has a 4-3 record for District 2-B play and a season record of 4-4. The Longhorns will be looking for a good game against the Matadors and, hopefully, another win to tuck under their belts.

Last Thursday, Lazbuddie Junior High lost 50-6 to Sundown. Lazbuddie's fifth and sixth grade team also traveled to Sundown last Thursday, losing 8-0.

Lazbuddie Junior High was to host Whiteface Thursday.

Basketball Season - -

Texico Jr. And Sr. Girls Start Tuesday

Texico Junior and Senior High basketball girls teams will get their season started Tuesday, Nov. 14, on their home court

Coach Charles Stockton says he has several girls returning from last year on the Senior High team. They are Jo Pearce, forward; Diane Luce, guard; Arlene Servatius, forward; Kim Pearce, post and guard; Judy Yell, forward; Carla Richardson, guard; Marilyn Walters, guard and forward; and Coretta Askew, guard. All are juniors and

seniors. New girls who will be helping out this year are Belinda Hatcher, forward, and Linda Autrey, forward, juniors; and Elizabeth Pierce, Carol Eshleman, Charlotte Smith, Beverly Duncan, Sue Hall, Elaine Kelley, Libby Cavallero and Freda Leavell, sophomores.

Stockton said he was starting over on the Junior High team since so many of last year's players had gone up to the Senior High team. He said

there were so many out for the Junior High team this year, he was not sure who would be playing and in what positions.

The following Texico Senior and Junior High girls basketball schedule was released:

Nov. 14 - House here
Nov. 28 - Tatum here
Nov. 30 - Melrose there
Dec. 12 - Elida there
Jan. 4 - Floyd there
Jan. 9 - Ft. Sumner there

Both teams will play on these dates. Games will begin at 7 p.m. CST.

On The Farm In Palmer County

By R. MACK HEALD
County Agent

The first cotton sample of the 1972-73 season was classed Sept. 14 by the USDA's Agricultural Marketing Service Cotton Classing Office in Lubbock. W. K. Palmer, officer-in-charge, reported that only 1,191 cotton samples from the current crop had been received through Friday, Nov. 3.

This compares to a total of 1,757 samples at this time last year.

Most of this early cotton has been harvested in Dawson, Lynn and Gaines counties, but first bales have been harvested over the entire area.

The seasonal classing offices at Brownfield and Levelland are expected to begin receiving samples for classification on Monday, Nov. 13.

Most of the early harvested cotton has been long staple cotton which was machine picked and hail damaged and chemically defoliated cotton which was stripped.

Quality of this early cotton varied widely depending on the condition of the fields at the time of harvest.

Grades of these first bales have been predominantly Middling and Strict Low Middling. Staple length has averaged approximately one inch and micronaire of most cotton has been in the premium range of 3.5 to 4.9.

Price quotations on the Lubbock market for cotton in the premium micronaire range of 3.5 to 4.9 ranged from the low for low grade, short staple cotton to \$27.50 per bale over the low for high grade, long staple cotton. Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities were: Middling 31/32 - 23.05, Middling 1 inch - 24.25, Middling 1-1/16 - 27.50, Strict Low Middling 31/32 - 22.30, Strict Low Middling 1 inch - 23.50, and Strict Low Middling 1-1/16 - 25.00.

Prices paid farmers for cottonseed ranged from \$42 to \$50 per ton and averaged \$46 per ton.

It's partly up to hog producers whether the hog production industry must go

through the profit wringer again or can maintain reasonably profitable market prices. The hog outlook is quite favorable through the first eight months of 1973; then prices will be determined largely by the size of the 1973 spring pig crop.

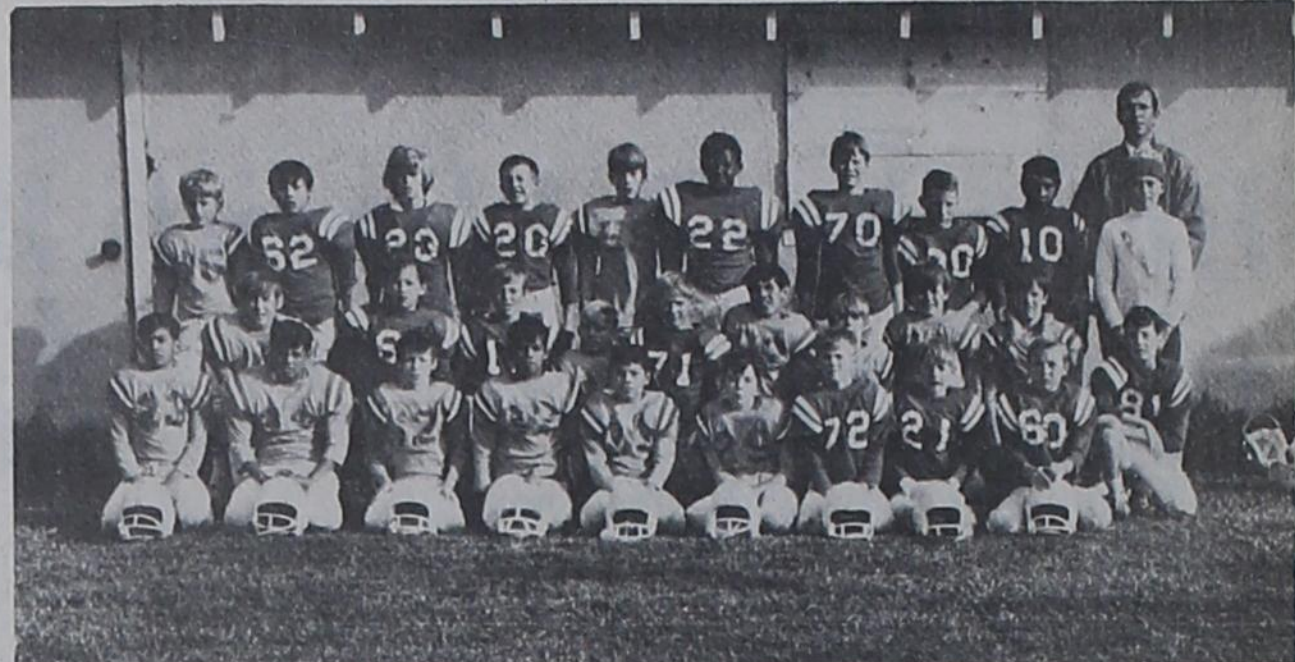

This year is shaping up as the all-time best price and profit year which could spell gloomier times ahead. Historically, the hog industry has not been able to withstand prosperity. Following a year of good prices, sow farrowings are typically increased over the next 12 to 24 months until supplies become burdensome and prices drop to unprofitable levels.

The market can possibly withstand a five per cent increase in December-through-May farrowings and another five per cent increase in the June-to-November 1973 crop with a sharp drop in late 1973 - early 1974 prices. If farrowings are much larger, profit margins by late 1973 will be poor.

In general, the hog outlook is quite favorable for the rest of 1972 and into the third quarter of 1973. Pig crop estimates for the February-to-May period indicate that the volume for the rest of this year should run at least six per cent to seven per cent below last year. A sizeable gilt and sow holdback for 1973 farrowing could reduce slaughter a bit more.

Basic demand conditions should continue strong this fall, especially in view of further improvement in economic activity. Nevertheless a seasonal pickup in marketings will cause prices to trend lower.

Looking at 1973 market prospects, intended farrowings point to at least some reduction in slaughter supplies

during most of the January-to-June 1973 period. Possibly, the first quarter 1973 prices of barrows and gilts on the Midwest interior markets will start at a \$25 to \$26 per hundredweight range then work down to a \$23 to \$24 range.

Prices are likely to weaken still more during April, then show seasonal strength and reach the \$25 to \$26 level at the Midwest markets by July. After that, the outlook depends largely upon the size of the 1973 spring pig crop.

had all A's. Juniors with 89.5 or above were Lynn Blankenship and Patti London.

Seniors with 89.5 or above were Caroline Anderson, Ger-

ald Gohlke, Deborah Harding, Cheryl Haynie, Glenda Sublett and Marilyn Winegeart. Seniors making all A's were Kent Blain, Eldon Embry and Carolyn Herington.

Resolutions Are Passed At Annual SWCD Meet

At the state association of Soil and Water Conservation Districts annual meeting on Oct. 18 and 19, several resolutions were passed that are of interest to Palmer County farmers.

One resolution passed was for changing the present state law concerning conservation districts to make it more inclusive of environmental problems.

Another resolution was to request the Governor of Texas to include at least one farmer and rancher on the Texas Water Quality Board.

The resolution calling for districts to administer any land use planning regulations

was passed.

The final resolution passed was to protect agriculture land from excessive taxes caused by inflated valuations.

The resolution concerning use of prime agriculture land for other than agriculture was turned down.

Contest Lead Tied Again - -

Brenda Goldsmith Wins Prize Money For First

Brenda Goldsmith, a Farwell High School junior and daughter of Mr. and Mrs. Bill Goldsmith, picked nine games correctly to win the first place weekly prize money of \$5.00 in the Merchants Football Contest. She was 26 points off on the tiebreaker game score.

Albert Johnson was second place weekly winner with 28 points off on the tiebreaker. Rusty McFarland came in a close third with 30 points off on the tiebreaker score. They were presented checks for \$3.00 and \$1.00, respectively, in weekly prize money.

Others calling nine correct games, but who were not as skilled at picking the tiebreaker score, were Gerald Hardage, 33 points off; Mona Hardage, 36 points off; and Steven Kaltwasser, 112 points off.

The contest lead is tied again with Kevin Hardage, W. M. Roberts and Elaine Wardlaw all in first place with 64 points. The lead has changed several times in the last several weeks.

Gene Hardage, with 63 points, still has his eyes on first place, although he is presently running a close second.

Third place contenders with 62 points are Paul Brigham, William Brigham and Ralph Franse.

Carl Glenn Davis, Mona Hardage, Champ Porter and Mike Travis are holding on to fourth place with 61 points.

A large group is still paddling upstream with 60 points. The fifth place prognosticators are Billy Brigham, Everette Christian, Judy Earl, Linda Gerles, Gerald Hardage, Elmer Hargrove, L. C. Herington, B. V. Hughes, Joe W.

Jones, Melborn Jones, Carlton Newell, Earlene Porter, Bill Prince, Ronnie Rogers and Albert Smith.

Tension is building in the overall contest with only three more weeks to go. Those persons who have been looking forward to the Grand Prize of two tickets to the Cotton Bowl Football Game in Dallas on New Year's Day plus \$50

expense money, or second prize of two tickets to the Sun Bowl Football Game in El Paso on Dec. 30 plus \$25 expense money are sharpening their pencils and their wits going into the final stretch.

And everyone has a chance at the weekly prize money, so get into this annual guessing game the last three weeks - you might be a winner.

RECEIVES \$5 CHECK - Brenda Goldsmith, daughter of Mr. and Mrs. Bill Goldsmith, accepts a \$5 check for first place in the Merchants Football Contest from Charles Bentley, manager of Allsup's 7-11 Store in Farwell. Miss Goldsmith, a junior at Farwell High School, picked nine correct games and was 26 points off on the score of the tiebreaker to win first place money.

Class Enjoys Meeting And Salad Supper

Companion Sunday School Class of First Baptist Church, Texico, enjoyed a salad supper and meeting Thursday, Nov. 2, in the home of Jo Walker in Farwell.

Marie Wall opened the meeting with prayer. A devotional was given by Mary Bradley on poems on starting out a new year. The monthly class meeting preceded a salad supper. Salads were brought by each of the women attending.

Attend Camp

Four young people from Hamlin Memorial United Methodist Church attended a weekend work camp at Sacramento Methodist Assembly near Cloudercroft, N.M., Saturday and Sunday. They were Jaquetta Crook, Tamey Jones, Joyce White and Guy Whitesides, along with Mrs. W. T. Perry, their counselor.

They were part of some 150 young people and counselors from over New Mexico and West Texas involved in this project. The dining hall at Sacramento Assembly burned recently and plans were made to convert the present recreational building into a temporary dining hall. The youth meeting was for that purpose.

The world of business is a mystery to too many of us and more companies should undertake programs to acquaint students and the general public with their operations.

Hospital Notes

Doyle Goldsmith of Farwell was released Friday from Clovis Memorial Hospital. He entered the hospital Oct. 23 for medical treatment of burns following an explosion at a Clovis milling company. He is reported to be doing fine.

Calvin Meissner of Lariat was released Friday from the Clovis hospital. He had been undergoing medical treatment since Oct. 24 for injuries he received in an automobile accident. He is reported to be in satisfactory condition.

Ray Mears of Farwell is recuperating at home. He was released from the Clovis hospital Tuesday after having been a patient since Oct. 15. He is reported to be doing fine.

Cary Marsh, daughter of Mr. and Mrs. Glenn Marsh of Farwell, was released Tuesday from the Clovis hospital. She entered the hospital Thursday, Nov. 2, for medical treatment. She is showing improvement, but will be at home for several days.

Mrs. Johnny Hammit of Texico was released Saturday evening from the Friona hospital. She entered the hospital Wednesday, Nov. 1, for surgery. She is reported to be doing well.

Mrs. C. W. Sledge of Texico was released Friday from High Plains Baptist Hospital in Amarillo. She entered the hospital Thursday, Nov. 2, for eye surgery. She says she is doing very well.

Mrs. Ernest Woods of Texico is an out-patient at Lubbock Methodist Hospital. She was able to come home to visit with her family over the weekend, but returned this week to Lubbock. She may be able to return home by the end of the week. Mrs. Woods underwent brain surgery Oct. 20.

Mrs. Mark Liethen of Farwell was admitted Monday to Lubbock Medical Center. She is undergoing tests and is reported to be improving.

Brownies Conduct Investiture

Brownie Troop #143 conducted an investiture ceremony Monday, Nov. 6, at Hamlin Memorial United Methodist Church. Troop members repeated the Brownie Promise and Pledge of Allegiance.

The story of how Brownies were started was read, refreshments were served and the girls sang songs. Mrs. Roene Stewart is Troop leader and Mrs. Sue Dobbs is assistant.

Girls attending the investiture were Vicki Trigo, Tracy Dobbs, Marie Newcomb, Donna Sudderth, Hortencia Galvan, Darris Ford, Tammy Obenshain, Maryleda Dorris, Veronica Andrade, Patricia Moncada and Janice Stephens. Girls not present were Donna Rodriguez and Patty Rojas.

Marriage Licenses Issued

Marriage licenses issued by Parmer County Clerk's office during the past week went to Robert D. Garcia and Mary Jessie Coronado.

Relatives Here

Visiting Sunday in the home of Mr. and Mrs. Sterlyn Billington of Farwell were his aunts and uncle, Mr. and Mrs. France Jarnagin and Mrs. Mozelle Stanton, all of Erick, Okla. Mr. and Mrs. Morgan Billington of Texico joined the group for dinner Sunday.

Honor Roll Students Listed

Thirty-nine students from six grades at Texico High School were listed on the first nine-week honor roll, according to Jim Pierce, principal. Grading at Texico is based on a 12-point system with those making the honor roll having at least nine points or a B plus average.

Seniors are: Georgia Autrey, Terry Madden, Steve Osborn, Jo Pearce, Diane Riley, Marilyn Walters, Gerald Whitener and Linda Wilson. Juniors: Belinda Hatcher, Regina Kelley, Dwayne Kelley, Cheryl Lockmiller and Eugene Wallace.

Sophomores: Randy Cain, Roy Hagler, Steve Harrington, Rickey Hendrix, Elaine Kelley, Elizabeth Pierce, David Turnbough and Max Winkles.

Freshmen: Robbie Bradley, Terry Brown, Gia Crooks, Valerie Fitz, Tommy Galvan, Rhonda Pace, Rusty Rucker, Vicki Snodgrass and Spencer Turner.

Eighth grade: Mark Howard and Debbie Ledbetter.

Seventh grade: Sally Chavez, Nickie Flores, Christi Harrington, Donna Montano, Cindy Perkins, Leona Webb and Debra Wilks.

WIN SECOND IN PARADE - Farwell Junior High bandsmen, Mike Goettsch, eighth grader; Jamey Berry and Charlie Castillo, seventh graders; and Brenda Winegeart, eighth grader, left to right, proudly display the second place trophy their band won Saturday at Eastern New Mexico University's Homecoming Parade. The band competed in Class E Junior High. Sierra Mid School in Roswell won first, Portales Junior High won third and two bands, Brenda Mid School in Roswell and Morton Junior High, didn't place.

THIRD PLACE - Texico High School Band Director Rudy Walla holds the third place trophy the band won Saturday at Eastern New Mexico University's Homecoming Parade. The band was in competition with several other bands in Class C.

Pleasant Hill - -

Ladies Have 'Classroom' Day

Pleasant Hill Ladies Club met Nov. 2 for an all-day meeting. Seeing 26 ladies bent over their work gave the impression of dutiful children at school, according to Janice Turner, club reporter.

All was serious business, however, with four "teachers" roaming the room giving extra help to any who needed it, reported Mrs. Turner. The lesson for the day was liquid embroidery; and the "teachers" were Leslie Peacock, Susan Capps, Kay McIntyre and Judy Veale.

The business session consisted mainly of making preparations and plans for the Nov. 16 meeting, which is to be their Homecoming. All past members of the club are invited and urged to attend.

General amusement and some hilarity was furnished by roll call, answered by "cute things children have done." The club has some mother-daughter members, and the younger members were embarrassed by their own childish sayings, says Mrs. Turner.

Members present were Nancy Barnes, Elaine Boatwright, Nora Bocox, Marianne Brunson, Rozeltha Clark, Naomi Duncan, Delores Eichenberger, Dorothy Farmer, Alta Gerles, Martha Heinz;

Also, Pat Howe, Mary Lou Jesko, Helen Kelley, Velma Kelley, Ogetha Langford, Cavie Lovett, Rubye McCormick, Mary Meier, Beverly Pierce, Gladys Pierce;

And, Jo Priest, Peggy Singletary, Barbara Trimble, Janice

Turner and Wilma Nell Whitener.

Guests present in addition to the "teachers" were Mary Lou Harrelson of Clovis and Sharon Meier of Casper, Wyo.

Hostesses Pat Howe and Delores Eichenberger served chicken enchiladas and garlic toast at the luncheon meeting.

At Home In Parmer County

By Jana Pronger
County HD Agent

With sewing winter fashions in full swing and sewing for Christmas gifts underway, I thought you might enjoy the following information on knits:

Simply using a small ruler can help the shopper determine several important characteristics about a knit fabric. You should consider stability and shrinkage factors in coordinating knit fabrics and patterns.

The knit's stability is important. Moderately stretchy knits require more care in construction, including scrupulous stay-stitching where the sewer doesn't want the seams to stretch.

Stability can be determined by gripping the knit fabric and ruler in your left hand, four inches from the raw edge. Next, stretch the fabric toward the right and measure how much it stretches.

If the stretch is no more than half an inch, the fabric is stable; up to 1 1/4 inches means it's moderately stretchy; and more than 1 1/2" means the fabric is very stretchy.

After determining the stability in this way, check the back of the pattern envelope to see if the fabric's stretchiness is suitable for the style chosen. In addition to determining the knit's stability, the shopper can check its recovery ability as well.

After stretching the knit, let it go with your right hand. If it springs back to its original shape immediately, it has good recovery ability and won't "grow" during construction.

If it doesn't snap back right away, then special care in sewing and handling will be necessary.

Also, shrinkage is easily converted from per cent to inches per yard with the ruler. By knowing the shrinkage, the purchaser can decide whether to allow additional yardage for shrinkage in washable knits.

If you would like further sewing information, just call my office in Farwell (481-3619) or drop me a note at Box 683, Farwell, Texas 79325.

Fire Calls

Texico Fire Department answered an emergency call Tuesday night to a Texico resident. The emergency vehicle took a man to the Friona hospital.

Portraying Area Homemakers

by Janie Crane

Mrs. T. J. (Marcine) Tipton of Texico, our area homemaker this week, has lived in the Texico community 22 years. She was born in Grady, N.M., and has lived in Curry County all her life.

Her husband moved to Curry County (Grady) when he was two years old. In fact, when he was three Marcine was born and lived half a mile from his own home.

She tells an amusing story about the time T. J.'s mother brought her family over to see her soon after her mother had brought her home from the hospital. "According to our mothers, T. J. bit my big toe," she says.

From that day on, T. J. and Marcine were destined to be together. They both went to Grady Schools until T. J.'s family moved to Clovis. He attended Grady School three years before they moved.

Tipton attended Clovis Schools until he went to work in Clovis. He entered the service (Army) in 1942 and returned to Clovis again in 1946, where he worked in feed lots until 1962. Since then he has been employed at Feed and Ranch Supply, the Ralston Purina distributor in Clovis.

Marcine continued to go to school at Grady until she began working as a waitress in Clovis. She was working as a waitress in 1947 when she and T. J. got married. She quit working in that capacity in 1950.

Seven years ago in 1966, Marcine decided on a whim that she wanted to go to work again. She began as a cook at Texico School cafeteria and is still enjoying herself. "I love it. I like the kids," she says.

The Tiptons have six children, two of whom are at home, Ronnie, 19, and Debbie, 12. Debbie is an eighth grader at Texico High School.

The other children are Skip of Farwell, Sandy Cox of Mayodan, N. C.; Charlie of Tahoka and Frankie of Clovis. The Tiptons also have five grandchildren.

"All of our kids attended Texico Schools. We've had a child in Texico Schools for the past 21 years. This is the first year we haven't had a boy in school," she says.

The family attends Texico First Baptist Church. Marcine was a member of Texico Extension Club for several years until she began working at the cafeteria. The club is not in existence any more.

When she has some free time, Marcine loves to sew, crochet and knit. "I have to make all my clothes - I'm so long-legged I can't buy anything," she explains. She enjoys sewing for her children and grandchildren, too.

Marcine likes to knit sweaters and is using her spare time now to crochet coat hangers for Christmas presents.

She says the entire family enjoys going fishing and deer hunting. They have a deer hunting trip planned for Nov. 16 to the Guadalupe Mountains of New Mexico. That's the family's favorite location for the sport. For fishing, they usually go to Alamogordo Lake in New Mexico.

Marcine describes the family as a sports family. She says the kids always had horses which they enjoyed very much. "Debbie loves riding horses," she adds.

She says all the kids enjoyed playing ball when they were in school and that Debbie plays with the girls baseball league during the summer.

With as active a family as Marcine raised and is raising, it's no wonder she enjoys making sweets to provide them with energy. All three of the recipes she is sharing with our readers this week are desserts.

PINEAPPLE UPSIDE DOWN CAKE

- 1/4 c. butter
- 1 c. brown sugar
- 1 can pineapple rings

Melt butter in skillet. (She uses a cast iron skillet.) Sprinkle brown sugar over butter and place pineapple rings on top. Brown mixture.

- 3 eggs
- 1 c. flour
- 5 t. pineapple juice
- 1 t. baking powder
- 1 c. sugar

Mix these ingredients together and pour batter over browned pineapple and brown sugar mixture right in skillet. Place skillet in 350 degree oven for 35-40 minutes. Turn out plate with pineapple mixture on top.

CHOCOLATE COCONUT DIPS

- 2 1/2 c. sugar
- 3 T. water
- 1 c. minus 1 T. light corn syrup
- 4 c. flaked coconut
- 1 pkg. (eight squares) semi-sweet chocolate, cut in pieces

Combine sugar, water and corn syrup, and heat to boiling. Add coconut and cook until small amount of syrup forms soft ball in cold water (or until candy thermometer shows 236 degrees Fahrenheit).

Drop from teaspoon in uneven balls on waxed paper. Cool. Melt chocolate over warm (not boiling) water, then allow it to cool slightly. Dip coconut centers in chocolate, lift out on waxed paper and cool until firm. Makes 5 dozen candies.

Friendship Class Meets

Friendship Sunday School Class of First Baptist Church, Farwell, met Monday night at the home of Mrs. Loyce McCleskey. After Mrs. Hattie Coffey opened the meeting with prayer, Mrs. Jimmie Wiman gave a devotional on "How To Be A Good Mother-In-Law". A business meeting followed. The meeting was then adjourned for a social.

Refreshments of pumpkin pie and spiced tea were served by the hostess to Mesdames Sallie Chandler, Nan Preston, Dickie Magness, Letha Jo Roberts, Pearl Geries, Jimmie Wiman, Hattie Coffey, Estellene Billington and Elsie Tarr.

"Keep It Clean"

When washing a plastic-covered chair, use a well-sudsed sponge or brush to reach down into the crevices where dust collects.

CAFETERIA COOK Mrs. T. J. (Marcine) Tipton of Texico is crocheting coat hangers for Christmas gifts. She has resided in the Texico community 22 years and has been working at Texico School cafeteria almost seven years, since 1966. The Tiptons have six children. Two of them, Ronnie, 19, and Debbie, 12, are still at home. Debbie is an eighth grader at Texico High School.

Gil Patschkes Feted With Housewarming

Mr. and Mrs. Gil Patschke were honored Sunday afternoon with a housewarming in their newly-built home in Farwell. Their daughters, Susan, a student at Texas Tech University in Lubbock, and Nancy, a resident of Weatherford, Okla., were at home to help them greet some 114 guests who called during the afternoon. Steve Blair, the Patschke's son-in-law, was also present.

Guests were served gold and green punch, coffee and assorted cookies from a carved, hand-made dining table. Crystal and silver appointments and green and gold napkins were used in serving.

The table was covered with an orange Spanish runner and was centered with an arrangement of gold spider mums and bronze chrysanthemums.

Hostesses for the affair were Mesdames Charles Hargrove, Donald Christian, Charles Aycock, Ted Magness, Leon Langford, Joe Helton, Jim Wiman, Bob Vinton, Joe Blair, Troy Christian, Glenn Marsh, Terry Parr and Jim Berry. They wore formal-length dresses.

Hostess gifts were hand-made fireplace tool sets with coordinated screens.

Several persons attended from out-of-town, including people from Friona, Clovis, Levelland and Bovina.

Son Is Born To Haseloffs

Mr. and Mrs. Richard Haseloff of Farwell are parents of a son, Darron Wade, born at 11:29 a.m. Saturday in Clovis Memorial Hospital. He weighed eight pounds and was 20 1/2 inches long.

He has a sister, Dana Sue, age two.

Maternal grandparents are Mr. and Mrs. O. F. Morton of Okmulgee, Okla. Paternal grandparents are Mr. and Mrs. A. H. Haseloff of Farwell.

Maternal great-grandparents are Mr. and Mrs. V. E. Allison of Brownfield. The Herbert Peimans of Farwell are paternal great-grandparents.

S. S. Class Fetes McDaniels

Companion Sunday School Class of First Baptist Church, Texico, honored Mr. and Mrs. Roy McDaniel, Cory and Dena, with a come and go housewarming Sunday afternoon.

Refreshments of punch and assorted cookies were served from crystal appointments. The serving table was decorated with a gold centerpiece of artificial flowers. Gold napkins were used in serving refreshments.

Gold accents complimented the McDaniels' new trailer house.

Bud Pearce's Help With N. D. Revivals

Mr. and Mrs. Bud Pearce of Texico returned late Monday night after taking a trip to North Dakota to help with revivals in the Pioneer Mission area. They are members of First Baptist Church, Texico.

They helped with revivals in Devil's Lake, N. D., and Langdon, N. D. The revivals were led by Jimmy Nettles, home missionary evangelist in Fort Worth, who is evangelist for Pioneer Missions.

Nettles was in Texico last summer and asked the Pearce's to help with his revivals.

Gregorys Are Parents Of Son

Dr. and Mrs. Jerry Don Gregory of Farwell are parents of a son, Parker Trace, born Tuesday in Lubbock Osteopathic Hospital. He weighed 6 lbs., 14 oz. and was 20 1/2 inches long.

WATFORD

With his mother-in-law due in town for a visit, Johnny took aside the family cook and handed her a slip of paper. "Bertha, here's a list of my mother-in-law's favorite dishes," he ordered. "Don't lose it."
 "No, sir," said Bertha. "And remember," he continued, "if just one of these dishes is served while she's here - you're fired."

AGRICULTURE SECRETARY VISITS - Donald Christian of Farwell, left, was in Clovis Wednesday, Nov. 1, when United States Secretary of Agriculture Earl L. Butz spoke to local and area civic clubs at a noon luncheon. Christian is pictured greeting the Secretary following the luncheon meeting. Secretary Butz was in Clovis hitting the campaign trail for Republican candidates in New Mexico and took time to visit with area farmers and ranchers and talk over the farm program. The Secretary also addressed several hundred members of FFA and FHA, and students of high school government and civics classes from Curry County and area schools. Included in that group was a delegation from Texico High School FFA Chapter and Texico 4-H Club member. In the background is Pete Domenici, Republican candidate for U. S. Senator.

Windbreak Planting Suggested

Now is the time to start planning and planting windbreaks, say Soil Conservation Service officials.

Windbreaks planted on the south and west sides of fields and buildings will protect areas from prevailing winds.

North windbreaks will pro-

tect areas from drifting snow and provide good protection for livestock.

Some benefits of windbreaks are: increased crop yields by reduced evaporation; blow-out protection of crops from wind; reduced loss of livestock during severe winds and blizzards; reduced feed re-

quirements for livestock in winter;

Also, provide food and shelter for wildlife; reduced home heating costs in winter; prevent wind erosion of top soil; beautification of eyesores such as waste treatment areas (sanitary landfills and sewer farms); and increased sale value of land.

The Parmer County Soil Conservation Service office at 614 Euclid Ave., Friona, has helpful tips on preparation, seeding and care of windbreaks.

To Ranchers And Farmers - -

Emergency Loan Benefits Available

Texas farmers and ranchers who have suffered crop, livestock, or property losses from a natural disaster since June 30, 1971, may be eligible for benefits from Public Law 92-385, J. Lynn Futch, State Director of Farmers Home Administration - Texas, announced recently.

Provisions of this law, signed by President Nixon on August 16, 1972, are now fully operative, Futch said.

Benefits are divided into two time frames:

1. Farmers and ranchers who received loans from Farmers Home Administration as the result of losses due to a natural disaster that occurred between June 30 and December 31, 1971, may be eligible for a cancellation of up to \$5,000 of the principal of the loan. Interest on the remaining loan would be three percent.

2. Those who received loans

as the result of losses from natural disaster that occurred after December 31, 1971, are also eligible for a cancellation of up to \$5,000. Interest on the outstanding balance would be charged at one percent.

Futch emphasized that it is not necessary for those who are entitled to benefits to contact the local FHA office. These are blanket provisions applicable to all who have received loans, and each will be contacted and told of the action he should take.

Futch also advises that any farmer or rancher who receives an Emergency loan from Farmers Home Administration between now and June 30, 1973, may have up to the first \$5,000 of the loan cancelled, with the balance at a one percent interest rate. The amount of cancellation is limited to the loss or damage not compensated by insurance or otherwise.
