

# Crawford Services Tuesday

Funeral services for Mr. Clarence Crawford, 63, of Farwell were Tuesday afternoon at Farwell First Baptist Church with Rev. Cliff Ennen, assisted by Rev. W. T. Perry, officiating.

Burial was in Texico Cemetery under the direction of Steed-Todd Funeral Home. Pallbearers were W. N. Foster, Jack Waltman, Mason Neely, Raymond Richey, Hubert Ellison, Jim Curtis and Olan Schlueter.

Mr. Crawford, a resident of Farwell since 1971, passed away Saturday afternoon in St. Anthony's Hospital in Amarillo after a long illness. He had lived in Las Vegas, Nev., before coming to Farwell.

Mr. Crawford was born Nov. 12, 1909, and was a government employee for 33 years before his retirement in 1969. He was a veteran of World War II.

Survivors include his wife, Edith; his mother, Mrs. Mary Emma Crawford of Amarillo; one sister, Mrs. F. A. Thomas of Amarillo; and two brothers, E. D. and Roy F., both of Las Vegas, Nev.

In National Tournament --

## Little Dribblers Win Region Championship

Farwell Little Dribblers overpowered four teams in the Regional Tournament Thursday, Friday and Saturday in Friona to win the Regional Championship. They were to play a team

from Vinton, La., Thursday at 4:30 p.m. in the first round of the National Little Dribblers' Tournament in Levelland.

Farwell is in the American Division of the National Tournament. The American Division includes towns of 5,000 and less population. Teams included in the tournament are from Texas, Arizona, Illinois, Louisiana and Kansas.

Thursday, April 19, Farwell Little Dribblers trampled Springlake-Earth 33-16 in their first tournament game. Friday, Farwell fell to Friona 27-24.

Saturday morning, Farwell scalped Dimmitt 48-23. Farwell crumpled Hart Saturday afternoon 38-26. In the finals Saturday night, the Dynamite Dribblers signed Friona 26-22 for the regional championship.

Farwell won the Region I championship. There are 10 regions in the United States. Each player on the Farwell team was presented a trophy.

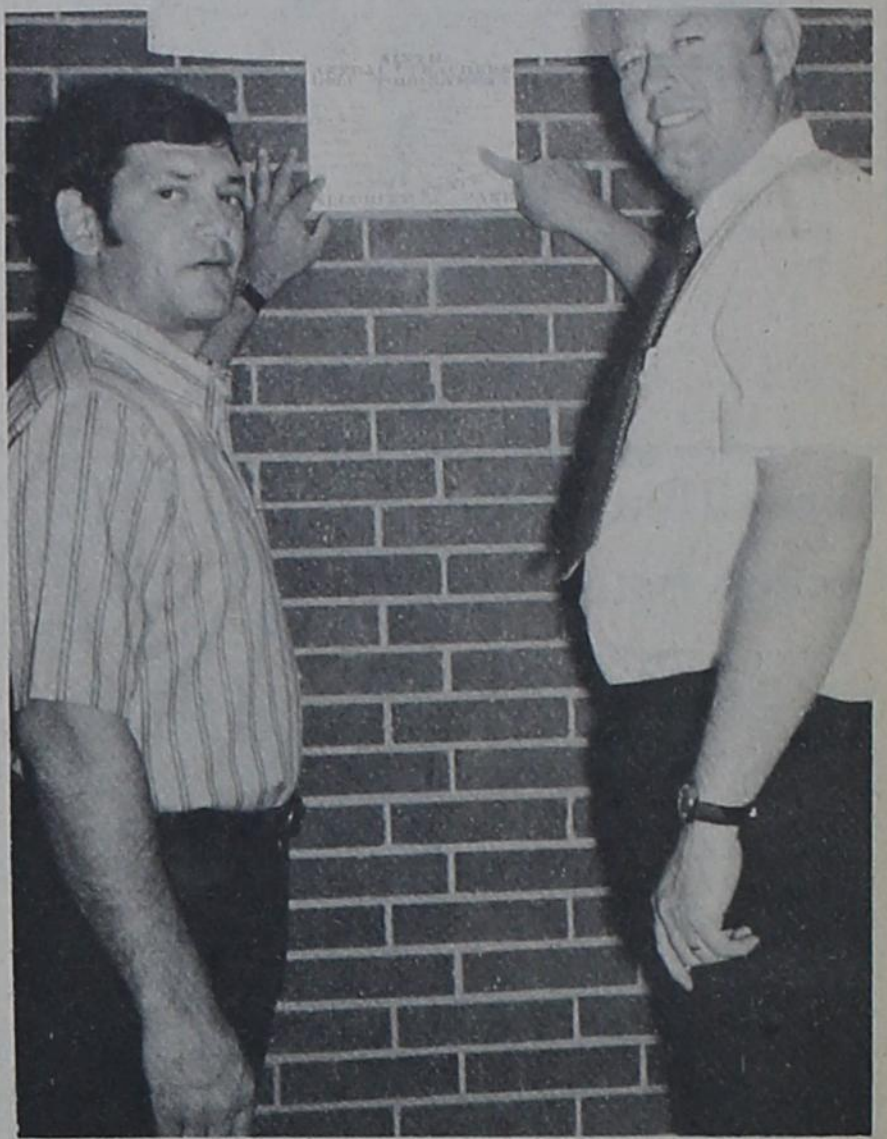

Team members are Randy Gerles, Steve Owens, Mark Owen, Robin Roberts, Stanley Goldsmith, Rowdy Chandler, Steven Scott, Steve Hargrove,

Clay Roberts and Kayle Watts.

Head coach for the Little Dribblers is Jerry Dee Owen. Assistant coaches are Carl Kirkland, Coag Taylor and Mike Woods.

Vernon Scott said he thought the Little Dribblers had done a great job at the tournament. He also commented on the fine coaching the boys have received.

The team was to leave Farwell Thursday at 1 p.m. and stay in Levelland until they win the tournament or are eliminated.

READY FOR TEACHERS TOURNEY -- Vernon Scott, left, defending champion in Gabe Anderson's Sixth Annual Teachers Tournament, points out to Don Alana the benefits which are open to those Parmer County and Curry County teachers who will compete Saturday, May 5. Both men are coaches in Farwell School system. Scott is also elementary school principal.

Curry & Parmer Teachers --

## Golf Tourney Slated May 5

The Gabe Anderson Sixth Annual Teachers Golf Tournament, sponsored by Security State Bank in Farwell, is scheduled for Saturday, May 5, at Farwell Country Club.

In past years, Parmer County and Texico teachers have been invited to enter, but this year all Curry County teachers are urged to join Parmer County teachers in the tournament.

Entry fees are \$3.00 for individuals and \$5.00 for teams. Individual and team prizes will be given in both gross and net divisions.

A traveling team trophy will be awarded, as well as a \$100

gift certificate for the first hole-in-one and \$100 added to total entry fees.

Shotgun start is slated for 9 a.m. CDT. Vernon Scott of Farwell is defending champion. Friona's team won the traveling trophy last year.

Farwell Country Club will provide one free practice round next week prior to the tournament. No green fee will be charged for the tournament.

For a school to be eligible to win the traveling trophy and keep the trophy at their school for a year, they must designate five players before they tee off. The four low scores will determine the team score.

### URELY PERSONAL

by John

Triticale is not real new to the High Plains, but our first taste of Triticale pancakes came only this last weekend. We can unreservedly report them as delicious. We thank local Triticale grower and farmer Donald Watkins for the bag of Triticale flour we used to concoct the cakes.

Our experience with matters of crop cultivation are nil so do not know about growing the crop, but from our gastronomical experience we think the wheat-rye hybrid will find a ready market on the housewife's table.

The High Plains is enjoying the spectacle of a massive movement to promote beef. This we wholeheartedly support and believe in. However, we do not have to be convinced about the virtues of beef nor that it is not an overpriced commodity. We firmly believe that it is, if anything, priced still too low in relation to most of the unnecessary of life which the American public consumes.

This thought does occur to us. Is the massive promotion on the Golden Spread directed in the right area. We do not think that any community in this entire section of the country needs to be told the beef story. We do think that the large metropolitan areas are the spots where the silliness of the boycott sprang up and are the areas in which the promotional efforts should be concentrated.

It would do no real good to bombard our Congressmen with beef facts because they already believe in the beef cause. The thing as we see it would be to organize a massive information campaign directed toward Congressmen from New York, Pittsburg, Detroit, St. Louis, Los Angeles and towns of that size and location. This is where the fat heads proliferate.

Elsewhere in this issue is a tear out ad designed to give the residents of Farwell an opportunity to bring their ideas, pet peeves, gripes or thoughts on priorities for city planning. This is a very good idea and one that many folks should take advantage of in putting their ideas on paper. The City Dads would appreciate it if persons would identify themselves on the paper but this is not a necessity in getting their attention.

As an inveterate coffee shop patron, we are exposed to innumerable gripes, complaints and also some very good ideas. NOW is the opportunity to direct this to the proper channels where thought and consideration will be given to this correspondence.

Those who neglect to communicate with their elected officials will have no standing when it comes to complaining. We suspect that this applies to the Councilmen individually and we know it applies to this writer specifically. Don't tell me if you haven't told them first.

Also in this issue we are carrying a page advertisement from NORM, the National Organization for Raw Materials. We recently heard a talk by the executive director of this organization, Arnold E. Paulson, in Amarillo. His message and the organization's message needs to be read and considered by every thinking person. It contains much food for thought. We have a copy of much of their aims and economic thought in our office and will be glad to give it to those who ask for it.

Information is the foundation of a logical conclusion; be informed.

### Emergency Loan Deadline

Farmers in Parmer County who suffered crop or property losses because of drought and other natural disasters during the period Jan. 1, 1972, through June 19, 1972, and who have not received an emergency loan to assist them in recovering their losses may apply for an emergency loan at Farmers Home Administration County office, 708 Ave. A in Farwell, on or before Tuesday, May 8.

## Circus Coming To Town Wed.

Fisher Bros. Circus will arrive Wednesday, May 2, for two performances, 6 and 8 p.m., east of Texico-Farwell Lions Club ballpark. The shows are being sponsored by Texico-Farwell Lions Club.

Advance sale tickets may be obtained from any member of the local Lions Club for \$1.00 per person. Box office tickets will be \$1.25 for children 12 and under and \$1.50 for adults. All tickets are good for any seats in the big top since Fisher Bros. Circus does not have reserved seats.

The Circus will feature Conga, billed as the largest Regal Python on exhibition. Conga is over 20 feet long and weighs over 200 pounds.

The Circus also features elephant acts, trapeze, jugglers, clowns and balancing acts -- something to entertain and please everyone.

Divie, the elephant, will also be busy prior to the shows helping erect the big top.

Starts May 7 --

## Little League Roster, Schedule Announced

Rosters of four Little League major league division teams and their coaches have been announced and a schedule of games released, according to Jim Walker, president of Little League.

The four Little League teams are Kelly Green, Tide, Worley Grain and Aldridge Insurance. They will start their season May 7 with Tide vs. Worley Grain and Aldridge Insurance vs. Kelly Green. First games listed on the schedule printed elsewhere in this issue of the Tribune will begin at 6 p.m.

with second games beginning at 8 p.m.

Worley Grain team members are Mark Ancira, David Deel, Gary Hardage, Phillip Hagler, Keith Herington, Randy Herington, Craig Kaltwasser, Jack D. Wardlaw, Brent Green, Michael Nance, Paul Garza, Alvin Lopez, Mark Clifton, Orlando Ortiz and Larry McDorman. Richard Deel is manager and Truitt Hardage, coach.

Aldridge Insurance team members are Darrin Avara, Clyde Bibbs, Herbert Bibbs,

Jerry Bradley, David Cavallero, Steve Doolittle, Neil Haile, Richard May, Lorenzo Ortiz, Steve Owens, Michael Boling, Ricky Forman, Maximo Gonzales, Allen Warren and Javier Esparza. Bill Boling is manager and coach.

Kelly Green team members are Brent Black, James Castleberry, D. D. Foster, Randy Gerles, Keith Hadley, James Hadley, David Kube, Tim Lane, Grover Halsell, Steve Kittrell, Leslie Eubanks, Joel Edwards, Roger Castillo, Greg Howard and Carroll Gold-

smith. Lewis Foster is manager and coach.

Tide team members are Tim Askew, Rowdy Chandler, Stanley Goldsmith, Steve Hargrove, Ricky Ortiz, Mark Owen, Ronnie Pace, Mark Powell, John Scott, Steve Scott, Boyd White, David Daniels, Mac Langford, Brent Crooks and Jeff Tharp. Fred Chandler is manager and Jerry Dee Owen, coach.

Pee Wee League and senior league division rosters and schedules will be announced at a later date.

## Civil Defense To Organize

A Parmer County Civil Defense unit will be organized in Farwell, according to John Daniels of Farwell. The first meeting will be Thursday, May 3.

A time and place has not been designated but posters will be up in several locations around town within the next few days, Daniels said.

Adults and teenagers who are interested in forming a group for rescue operations during severe weather, radio relay, first aid and communications breakdowns are urged to attend the first meeting of organization of the Parmer County unit. Daniels said CB'ers were especially welcome. CB'ers are members of Citizens Band, owners of two-way radios.

Daniels said James Fritz of Farwell has discussed the organization of a Parmer County Civil Defense unit with Parmer County Commissioner's Court. Fritz, a former resident of northern Indiana, is qualified for Civil Defense.

Fritz' Civil Defense unit was ranked No. 1 in Indiana and 25th in the nation, according to Daniels. Fritz has been a Farwell resident since last August.

## In Texico -- Bazaar Set Monday

Texico Woman's Club will have a Bazaar Monday, April 30, from 9 a.m. to 6 p.m. in the community room at Citizens Bank, Texico Branch.

A variety of items, from household to personal, will be sold to raise funds for making improvements to the community building in Texico.

Cookbooks compiled by the Club and a bake sale, which will include canned and homemade food, and homemade items, will also be featured at the Bazaar.

## Rain, Hail, Dust Pound Twin Cities

Rain, hail and dust have dealt blows to Parmer County and Texico area residents during the past week. Thursday, April 19, brought a heavy dust-storm which hampered travelers in the area and knocked limbs from weather-beaten trees.

Monday afternoon the rains came bringing 1.1 inches of rain to Farwell and 8 inch to Texico. South of Texico, one inch of moisture was recorded.

North of Texico, .75 inch of moisture was recorded. West of Lariat on the Joe McWilliams place, .8 inch was recorded. In Lariat, .7 inch of moisture was reported.

Tuesday evening's rain included some hail. In Farwell .2 inch of rain was reported. "It barely hailed," said Fred Chandler at Sherley-Anderson-Pitman elevator.

No hail was reported at Texico with 25 inch of moisture. South of Texico a half inch of moisture was received. According to John Hadley, the hail was light, it fell in various sizes and it quit almost as soon as it started.

A half inch was also reported north of Texico on the Elmer Langford place. Mrs. Langford said the hail covered the ground in pea and marble-sized. She added that as far as she knew there was no damage to crops in the area.

On Joe McWilliams place .6 inch of rain was recorded Tuesday with a little hail, bringing the two-day total to 1.40 inches. At Lariat, .5 inch of moisture was reported with small, soft hail accompanying it. "The hail knocked a good many leaves off the trees, but I kind of doubt if it hurt the crops," said Asa Smith at Sherley-Anderson elevator.

The only crop damage done by the hail which was reported to the Tribune was received at the Sterlyn Billington farm south of Clovis. Mrs. Billington said their barley crop was 50-75 percent damaged by the hail.

South of Farwell approximately two inches of moisture fell Monday and Tuesday. Quite a lot of marble-sized hail fell Tuesday, according to Mrs. Ted Magness.

## Texico Council Calls Special Meet Tuesday

Texico City Council has called a special meeting Tuesday, May 1, at 6:30 p.m. in City Hall for discussion of the 1973-74 city budget.

Anyone interested in the budget discussion is urged to attend the meeting, according to Clara Wiehl, Texico City Clerk.

At the regular meeting of the Council Tuesday night Andreas Samuels from Eastern Plains Planning Council met to talk with trustees about a capital improvement program.

Mrs. Wiehl said a capital improvement program is adopted by a city for capital improvements within a specified number of years and a certain amount is set aside to be used for the program.

The special meeting was scheduled after a lengthy discussion with Samuels concern-

ing the program. A previous special meeting concerning the city budget had taken place Thursday, April 19.

In other business, the trustees agreed to have some pits dug at the city dump.

Tuesday, April 10, at a regular meeting of the Council, Municipal Judge Grady Goff asked the trustees for a blanket approval to work prisoners on city projects when feasible.

The trustees gave their approval until an ordinance can be drawn up. The approval will allow those charged under city law who can't pay their fines to work out their fines for the city.

The police report for the month of March in the amount of \$377 was approved. Bills were approved for payment. A resolution was passed to balance the 1972-73 budget.

GOSPEL SINGING SHOW -- The Smarts, a quartet from Denver, Colo., will present a gospel singing show Tuesday, May 1, at 8 p.m. in Farwell school auditorium. The well-known gospel singing and evangelistic team is being sponsored by Farwell Future Homemakers of America Chapter. Mrs. Gene Lack and Mrs. Jimmy Craven, two of the Smart singers, are nieces of Jim Bob Smart of Farwell

## Smarts Scheduled Tuesday

The Smarts, a gospel singing and evangelist team, will be appearing Tuesday, May 1, at 8 p.m. in Farwell school auditorium. The group, which is well-known for its gospel singing talents, is being sponsored by Farwell Future Homemakers of America Chapter.

Tickets will be \$1.50 for adults and \$1.00 for students. Also featured on the eve-

ning's musical program will be a Farwell High School Choir under the direction of Lynn Burton and The Soul Searchers, a gospel singing group from Farwell. The Soul Searchers include Vicki and Karla Smart, Pam Rhonda and Sharon Sudderth.

The Smarts are Mr. and Mrs. Gene Lack and Mr. and Mrs. Jimmy Craven of Denver, Colo.

Second-class postage paid at Farwell, Texas 79325. Published every Friday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$4.50 per year; elsewhere, \$6.00 per year. Payable in advance.

## Texico FFA Members Feted With Banquet

Texico Future Farmers of America Chapter members were honored Friday night, April 20, with a banquet in Texico school cafeteria. Parents of FFA members were special guests. Linda Autrey opened the program with an invocation. FFA officers led the opening ceremony with Dwayne Kelley, vice-president, giving the welcome.

J. D. Kelley gave the response. Roy Hagler introduced special guests and awards were presented to various FFA members. Gerald Whitener was presented the DeKalb award by Eugene Wallace. He also received the Farm Mechanics award. Dwayne Kelley received the Leadership award from Craig Chumley. Kelley and Ricky Hendrix tied for the Scholarship award.

David Turnbough was recipient of the Livestock award. The Crops award went to Roy Hagler. Each of the boys winning Chapter awards were presented medals.

Texico High School freshman Ted Richardson was awarded a plaque as Star Greenhand. The Star Greenhand award goes to the freshman student who is outstanding in his first year as a Vocational Agriculture student and FFA member.

Sammy West was awarded a plaque as Star Chapter Farmer. The Star Chapter Farmer award is presented to the upperclass student who is outstanding in his farming program and leadership.

Honorary Chapter Farmers, Howard Whitener and Johnny Rucker, were recognized by Dwayne Kelley and presented plaques. Honorary Chapter Farmers are persons who help the local FFA chapter with their various projects.

Judging team high individual award winners were David Turnbough, Livestock and Meats; Sammy West, Horses; Albert Galvan, Poultry; and Eugene Wallace, Dairy. They were presented trophies by Gerald Whitener.

Curtis Lindley presented Retiring Senior Officers' plaques to Gerald Whitener, Chapter secretary; and Bobby Englant, Chapter recorder.

Kent Armstrong, Texico FFA Chapter president, was presented a block and gavel by Dwayne Kelley as a memento of his service in that office this year.

Armstrong gave an appreciation gift to Eddie West, FFA advisor and Vocational Agriculture instructor at Texico High School.

Officers introduced at the banquet were Kent Armstrong, president; Dwayne Kelley, vice-president; Bobby Englant, secretary; Kevin Stanley, treasurer; Gerald Whitener, reporter; Craig Chumley, sentinel; and Tami Christesson, Sweetheart. Carla Richardson, Texico Future Homemakers of America Chapter president, was also introduced.

CHAPTER AWARD WINNERS-- Texico Future Farmers of America Chapter members receiving Chapter awards Friday night, April 20, at the annual FFA Parent-Member Banquet at Texico school cafeteria were, left to right, Dwayne Kelley, Leadership; David Turnbough, Livestock; Roy Hagler, Crops; and Gerald Whitener, Farm Mechanics and DeKalb award. Kelley also tied with Ricky Hendrix for the Scholarship award. Each of the recipients received a medal. Turnbough's trophies are for high individual judging team awards. Whitener's plaque was presented to him as a Retiring Senior Officer.

FFA STAR GREENHAND, FARMER awards presented last Friday night at the annual Texico High School FFA Banquet went to Ted Richardson, left, Star Greenhand, and Sammy West, Star Chapter Farmer. The Star Greenhand award goes to the freshman student who excels in his farming program and leadership. The Star Chapter Farmer award is presented to the outstanding upperclassman in his farming program and leadership. The two received plaques.

One out of every three households now owns more than one car.

### Farwell Bands To Contest Saturday

Farwell Elementary Fifth Grade Band and Cadet Sixth Grade Band will compete in UIL Regional Contest Saturday in Floydada, according to Lynn Burton, band director. The bands are to leave around 7:30 a.m. and be back in Farwell between 6 and 6:30 p.m. The elementary band will play at 10:20 a.m. and the Cadet band will play at 1:20 p.m. There are 92 bandmen in both bands.

### Report From The Sheriff's Office

Parmer County Sheriff Charles Lovelace said three burglaries occurred Monday night in Bovina. Glass was broken out at Jones Service Station and Custom Farm Services to gain entrance, but nothing was taken at either place of business, according to Lovelace.

At Bovina Wheat Growers, entrance was gained through the back door. Lovelace said a cutting torch was used in an attempt to break into a safe in the office. Extensive damage was done to the safe although it was never opened, he added.

A small amount of change, one small pistol and some pocket knives were taken. Lovelace said a fire extinguisher which had been in the office was found outside on the ground.

Lovelace noted that Parmer County Sheriff's officers are still looking for a 1965 Chevrolet 3/4 ton pickup taken from the E. W. Clark Fina Station in Farwell April 14.

He said the station was entered through a plate glass window and keys to the pickup taken. Approximately \$3.00 in change was also taken. Lovelace said there is a suspect in the case.

Wednesday morning Sheriff's officers were holding two runaway juveniles from Vici, Okla., awaiting their parents' arrival to take them home.

Jose Guerra, 21, of Friona was arrested Wednesday morning and charged with enticing a minor female for immoral purposes. He is being held on \$1,000 bond after the charge was filed in County Court.

### What's Cooking At Farwell School

MONDAY -- Roman holiday, buttered corn, cheese scalloped potatoes, carrot sticks, orange gelatin, bread and milk.

HONORARY CHAPTER FARMERS awards were presented to Howard Whitener, center, and Johnny Rucker, right, at the annual Texico High School FFA Parent-Member Banquet Friday night, April 20. The awards are presented to persons who help the Chapter with their various projects. Eddie West, FFA advisor and Vocational Agriculture instructor at Texico High School, left, congratulates the two men.

HIGH INDIVIDUALS-JUDGING TEAMS -- High individuals on judging teams announced at the annual Texico Future Farmers of America Chapter Parent-Member Banquet last Friday night were, left to right, David Turnbough, Livestock and Meats; Sammy West, Horses; Albert Galvan, Poultry; and Eugene Wallace, Dairy. The honorees were presented trophies.

### Wallace Selected For Science Training Session

Eugene Wallace, a junior at Texico High School, has been selected to go to a summer science training program offered at New Mexico Highlands University in Las Vegas. He will be going to the second session from July 9 to July 27. He is the son of Mr. and Mrs. Wilburn Wallace.

This program is sponsored by the New Mexico Academy of Science which is receiving its funds from the New Mexico State Legislature. The program's topic is on "Water, The Citizen and the Scientist," and will deal with the investigation of the origin of the North American water supply, its chemical, physical, and biological properties as well as how the American people have abused this water.

Wallace was selected on the basis of academic achievements, particularly in science and math, by a screening committee of scientists.

Wallace, along with many other students from all over the state of New Mexico, will become thoroughly involved with the water story and will get an opportunity to participate in lectures and discussions, extensive lab work, and field trips. This will all be under the supervision of Highland's professors and some students who are experts in biology, chemistry and earth science.

His tuition and fees, housing, meals, and travel costs will be paid by the college where he will live and eat during the training program.

"Inflation is that period when a man can lose his shirt not only in the stock market but also in the supermarket." (Changing Times)

His tuition and fees, housing, meals, and travel costs will be paid by the college where he will live and eat during the training program.

His tuition and fees, housing, meals, and travel costs will be paid by the college where he will live and eat during the training program.

# Hollenback Will Teach Farm Course

E. F. "Bill" Hollenback, welding specialist with the Agricultural Education Adult Specialist Program headquartered at Texas A&M University, will instruct a farm arc welding short course in Farwell May 7-10 at the Vocational Agricultural Department at Farwell High School.

The course is being sponsored by Farwell High School Vocational Agriculture Department, according to W. M. Roberts, Farwell school superintendent.

The short course will begin at 7:30 p.m. Monday, May 7, and meet each night at the same time through May 10. An entry fee of \$5.00 will be charged.

Farmers interested in attending the short course should write or call Roberts or Vocational Agriculture teachers Danny Ivy or Jerry Mathis.

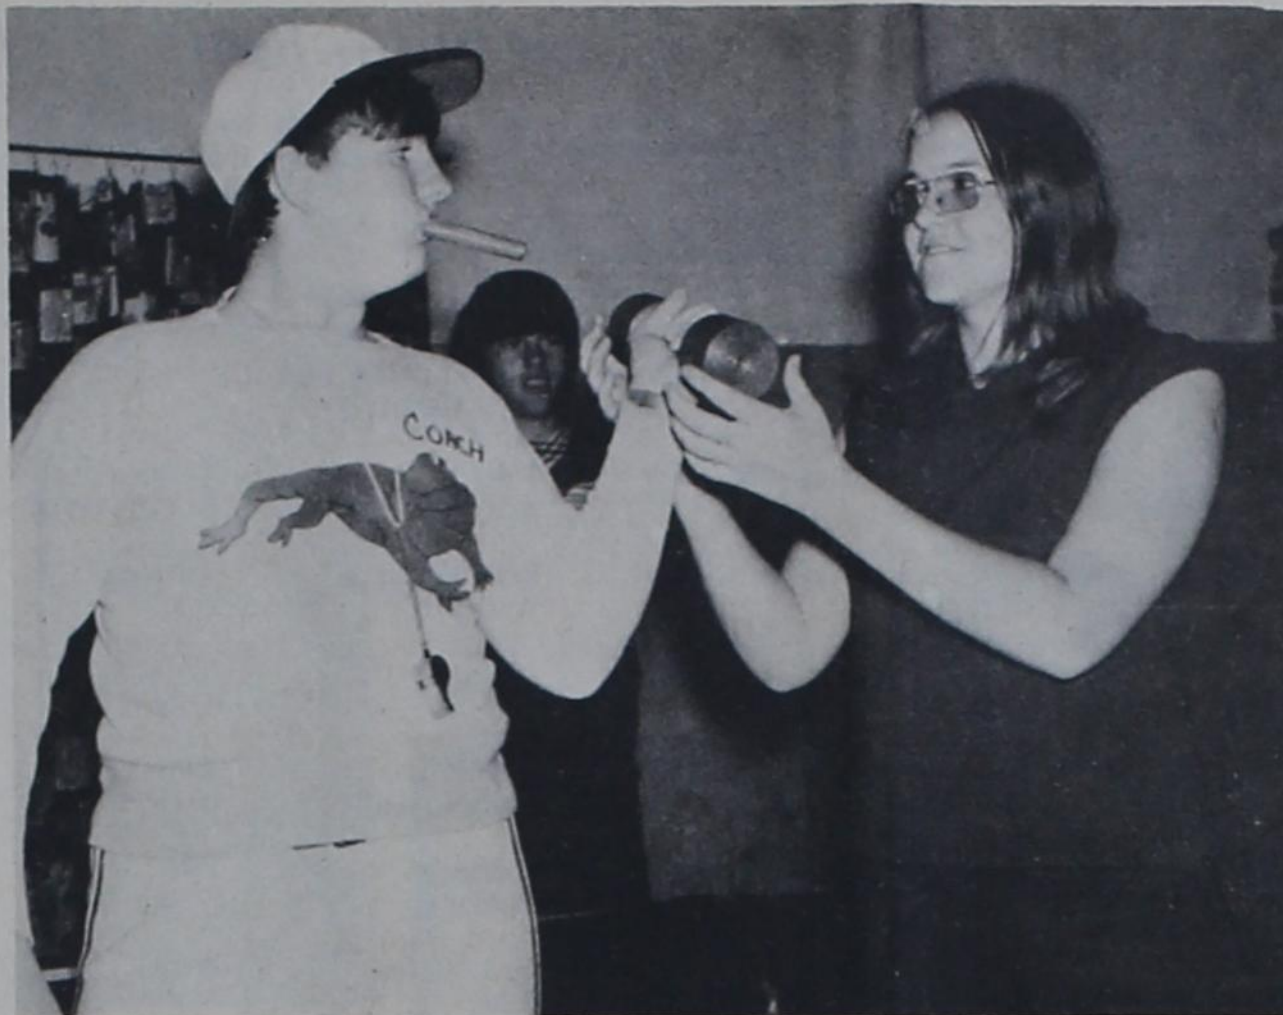

Hollenback states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operator in running a bead, striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardsurfacing and pipe welding.

### BOOKMOBILE SCHEDULE

Thursday, May 3 - Okla. Lane, 9:00-10:00; Rhea Community, 10:45-11:45; Friona #1, 1:00-1:30; Black, 1:45-2:45.

Friday, May 4 - Hub, 8:45-9:45; White's Elevator, 10:00-11:00; Lazbuddie, 12:00-1:00; Clay's Corner, 1:15-2:15.

Saturday, May 5 - Farwell, 8:55-11:50; Friona #II, 1:00-4:00.

### Resource Room Planned - -

## Texico School Budget Raised \$11,963 For Year

Texico school budget for 1973-74 was raised \$11,963 during the annual school budget hearing Thursday, April 19, in Clovis, according to A. D. McDonald, Texico school superintendent.

The \$11,963 will be used to operate a junior high resource room for various exceptional children, McDonald said. The money allocated for the resource room was added on to a proposed \$432,784 budget which had already been approved by the State Department of Education.

McDonald said he had requested the increase some time ago for the resource room, but nothing had been settled until it was approved Thursday by the State Department of Finance and Administration.

Harry Wugalter, chief of the school finance division of the State Department of Finance and Administration, and his staff of state budget specialists,

Petroleum liquids supply about 43 per cent of our nation's energy needs.

approved the Texico school budget which provided for a salary increase for the superintendent and two principals.

The superintendent's salary was increased from \$13,600 to \$14,300 for the 1973-74 school year. McDonald said the two principals received salary increases in the same proportion

as the superintendent's.

The budget also called for a \$300 raised base in teachers' salaries which averaged \$373 per teacher. Wugalter also told Texico administrators that they will continue to receive funds for a tutoring service and that they can expect to receive \$42,090 in state equalization funds.

# Texico - Parmer Co. Wrecks Kill Cows

Three wrecks, each involving only one vehicle, have occurred during the past two weeks in the Texico area and in Parmer County. Two of the wrecks resulted in the death of eight cows.

Saturday, April 14, a car driven by Jimmy Luera of Muleshoe hit and killed seven cows south of Texico on the State Line road. According to Texico City Marshal Willie Ronquillo, apparently 40-50 cows reportedly belonging to Far-Tex Feed Yards had stray-

ed out onto the road. Ronquillo said Luera's car was demolished, but he received only a few scratches.

Friday, April 20, a car driven by Bobby Peace of Friona hit a cow six miles east of Farwell on U. S. Highway 60. Peace was not injured, but his car was heavily damaged, according to Glenn Fant, Texas highway patrolman from Farwell who investigated the accident.

About five minutes later, Fant said, a car driven by Roy Craig Capps of Farwell hit the same cow damaging the front fender of the vehicle. Capps was not injured.

Sunday, April 22, a car driven by Jesus Garcia of Friona rolled over and landed in a ditch 5 3/10 miles north of Bovina on Farm Road 1731.

According to Fant, Garcia apparently lost control of his car rounding a curve. Garcia and Emilio Ramos, also of Friona, who was a passenger in the car, received minor cuts and bruises.

Monday afternoon, a car and pickup were involved in a minor accident three miles south of Lazbuddie at county dirt road intersections.

James Winson Meason of Muleshoe was traveling west in a pickup and Mrs. Nona Faye Precure of Rt. 1, Muleshoe, was traveling north in her car when the vehicles collided at the intersection.

According to Jim Bishop, Texas highway patrolman from Farwell investigating the accident, Meason's vehicle allegedly hit the Precure vehicle on the right front fender.

No injuries were received by either party in the collision.

A NEW DAY, A NEW WAY WITH 4-H is the theme of a window display at Citizens Bank in Texico which members of Texico 4-H Club put up Monday to publicize Curry County 4-H Week. The county observance began Monday and will continue through Sunday. Texico 4-H'ers, left to right, Mike Leatherwood, Elizabeth Pierce, president; and Freda Leavell, reporter; staple butcher paper across one section of the three-dimensional display. The window can be seen all this week.

## Band Trip Success Says Band Director

The trip which Farwell High School band took to Six Flags Over Texas last week was termed a success by Band Director Lynn Burton.

Burton said 72 out of 83 band members went on the trip which they had earned during the last three years by hard work. Most of the money used in making the trip came from concerts.

Burton commented on the excellent job done by the parents and sponsors who went along on the trip. They were Lillis Garner, Mary London, Jerri Tims, Gloria Herington, Mr. and Mrs. H. R. Crook and Mr. and Mrs. Danny Ivy.

Mrs. Burton also went along on the trip but had to be hos-

pitalized in the Greater Southwest Hospital in Grand Prairie Tuesday through Thursday of last week.

Burton expressed his appreciation to the band's supporters who made the trip possible by their attendance at concerts given throughout the year.

## Jr. High Girls Win In Tennis

Farwell Junior High eighth grade girls, Kristi Magness, Carol Vinton and Kathy Booth, placed Tuesday in a tennis tournament at Sudan. Misses Magness and Vinton placed third in doubles and Miss Booth placed second in singles. Farwell Junior High students were entered in both seventh and eighth grade boys and girls singles and doubles events. They are coached by Mrs. Dolores Vaughn.

## Farwell Play Cast Attends Regional

Farwell High School's one-act play cast presented "Once Upon A Playground" at Regional UIL One-Act Play Contest in Lubbock Wednesday, April 18.

According to Mrs. Joyce Hargrove, director, the play didn't place in competition and none of the cast members were selected to the regional cast, but they performed well.

## Utah Symphony Will Perform In Clovis

The Utah Symphony will bring its 75-member orchestra to Clovis Saturday, April 28, for the first time. The Symphony, internationally recognized as one of the great

orchestras of the world and listed in the top 12 in the nation, will perform at Marshall Auditorium at 8 p.m. MST. The orchestra serves as a

regional and international standard of musical good will as it presents its concerts each season. Having completed a concert tour of Europe where it was hailed as a great orchestra, the group's recent tour throughout Latin America consistently received standing ovations for its performances.

Maestro Abravanel, Musical Director and Conductor of the Symphony since 1947, is the major key to the Symphony's success, it has been said. "He is a superior conductor more interested in music than in

himself," according to the New York Times critics. Sharing the podium with the Maestro for many youth and community concerts will be Associate Conductor Ardean Watts.

Ticket reservations may be made in advance by calling (505) 763-9755.

## We're proud our seeds have earned the trust of farmers like these...

**HENRY HASELOFF** recorded a yield of 164 bu. on 95 acres of Pioneer brand 3306. Two-hundred corn acres will be in 3306 next year, proving that Pioneer brand corn hybrids did well for Henry Haseloff, Rt. 1, Farwell, Texas.

**GRAYSON ROBERTS** recorded yields of 8836 pounds with Pioneer brand 846, and 9072 pounds with Pioneer brand 820. "Pioneer brand hybrids are extra good on all points," according to Grayson Roberts, Texico, New Mexico.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

- For the Southern Panhandle and Plains area we recommend these sorghum, corn and forage hybrids...
- Pioneer brand 846—excellent drought resistance—consistent high yields—MDM and smut resistant—medium maturity.
- Pioneer brand 820—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.
- Pioneer brand 8417—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.
- Pioneer brand 3369A—a corn with outstanding seedling vigor—tolerant to blight—good roots and stalks—good ear retention—heavy grain yield.
- Pioneer brand 3306—excellent for grain or silage—drought resistant—single cross—well-suited to narrow rows.
- Pioneer brand 988—sorghum sudangrass hybrid for pasture, greenchop, hay or haylage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all...

Pioneer is a brand name; numbers identify varieties. ©Registered trademark of Pioneer Hi-Bred International, Inc., Des Moines, Iowa, U.S.A.

### Dribblers Plan Make-Up Game

Farwell Girls Dribblers will play make-up games Monday night beginning at 6 p.m. The games will make up for games cancelled April 2 because of snow.

Thursday, April 12, the Tigerettes beat the Queens 36-32 after one overtime period. At the end of regulation play, the score was 30-30.

Paula Christian scored 28 points and Vickie Vinton scored eight points for the Tigerettes. Maria Jaime scored 22 points, Olga Rodriguez scored six and Wendy Stancell scored four for the Queens.

The Steerettes dumped the Patriottes 14-10 after three overtime periods. At the end of regulation, play the score was tied 6-6. Two overtime periods failed to bring a winner, so a

third was required before the tie was broken.

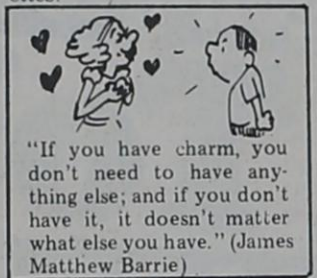

April Coffman scored 10 points and Toby Curtis scored four for the Steerettes. Patriotte Kim Watkins scored six points; Brenda Jones and Lisa Hughes each scored two points.

Monday, the Steerettes slipped past the Queens 18-16. Miss Coffman scored 12 points and Dondra Geries scored six points for the Steerettes. Miss Rodriguez and Miss Jaime each scored eight points for the Queens.

The Tigerettes beat the Patriottes 34-29 in overtime. They were tied 27-27 at the end of regulation play. Miss Watkins scored 19 points, Miss Hughes, six; and Miss Jones, four; for the Patriottes, Miss Christian scored 28 points and Jana Ber-

ry scored six points for the Tigerettes.

Girls Dribblers were to play Thursday beginning at 6 p.m. in Farwell school gym. Patriottes face the Queens and Steerettes take on the Tigerettes.

"If you have charm, you don't need to have anything else; and if you don't have it, it doesn't matter what else you have." (James Matthew Barrie)

JOHNNY

WATFORD

The small boy was playing carpenter with his little sister. As he was about to use a hammer, his mother said, "I would rather you didn't play with the hammer, Johnny. You might smash your fingers."

"Don't worry, Mommy," the boy assured her. "Janie is going to hold the nails."

## Texico Athletes Feted At Banquet Saturday

Brig. Gen. Robert V. Spencer, commander of the 832nd Air Division at Cannon Air Force Base, was the featured speaker at Texico High School Athletic Banquet Saturday night in Texico school cafeteria.

Spencer spoke to the athletes and special guests attending about his experiences as an ath-

lete. He stressed commitment and dedication in both the sports field and any other field they might go into.

Banquet goers enjoyed a meal of roast beef, trimmings, cobbler, and coffee or tea. Tables were decorated in an Easter motif with flower centerpieces. Lily-shaped programs and small loving cups

serving as name cards completed the decorations. Decorating for the banquet was done by Texico High School cheerleaders.

Athletes at Texico competing in football, basketball, track, volleyball and softball were honored guests. Film clips of football and basketball games at Texico High School was a special attraction.

### Bradshaw Girl Appears

#### With Twirling Corps

Renessa Bradshaw, six-year-old daughter of Mr. and Mrs. Jerry Bradshaw of Lubbock, appeared with the Lubbock Lites Twirling Corps at Okla-

homa State National Open Contest in Oklahoma City recently.

The senior corps took a first in dance twirl and the junior corps took a second. Twenty-four girls rode the bus to Oklahoma City for the contest.

Several trophies were brought home by individual members of the Corps who were entered in different divisions.

Miss Bradshaw placed second in "T" strut, first in her solo and first in box strut. This was her second contest. She has taken twirling lessons only since September.

She is entered in a contest in May and will be attending twirling camp this summer at Lake Brownwood.

She is the granddaughter of Mrs. Onie Bradshaw and great-granddaughter of Rufus Carter, both of Farwell.

RENESSA BRADSHAW

### Meth. Church Will Study Book Of Luke

A study of the Book of Luke will begin Sunday, April 29, at Hamlin Memorial United Methodist Church, according to Mrs. Joel White, chairman of the Missions Work area.

The study is for the entire congregation and will begin at 7 p.m. Sunday with a covered-dish supper followed by the study-discussion.

The series will continue on May 6, 13 and 27 as a prelude to the evening worship services. These sessions will begin each Sunday night at 6 p.m.

Leaders for the various sessions are Jack Williams, for the initial session; and Terry Parr, Gil Patschke and I. W. Quicken, for subsequent sessions.

In connection with the Bible study, sessions have been planned for the Youth and Ele-

### Hughes Presents 4-H Program

Parliamentary Procedure was the topic of a program presented by Walter Hughes to Farwell 4-H Club Tuesday at Farwell Junior High School library.

Dondra Gerles opened the meeting with the Pledge of Allegiance, followed by the 4-H Motto led by Jana Berry. Nineteen members and one new member were present.

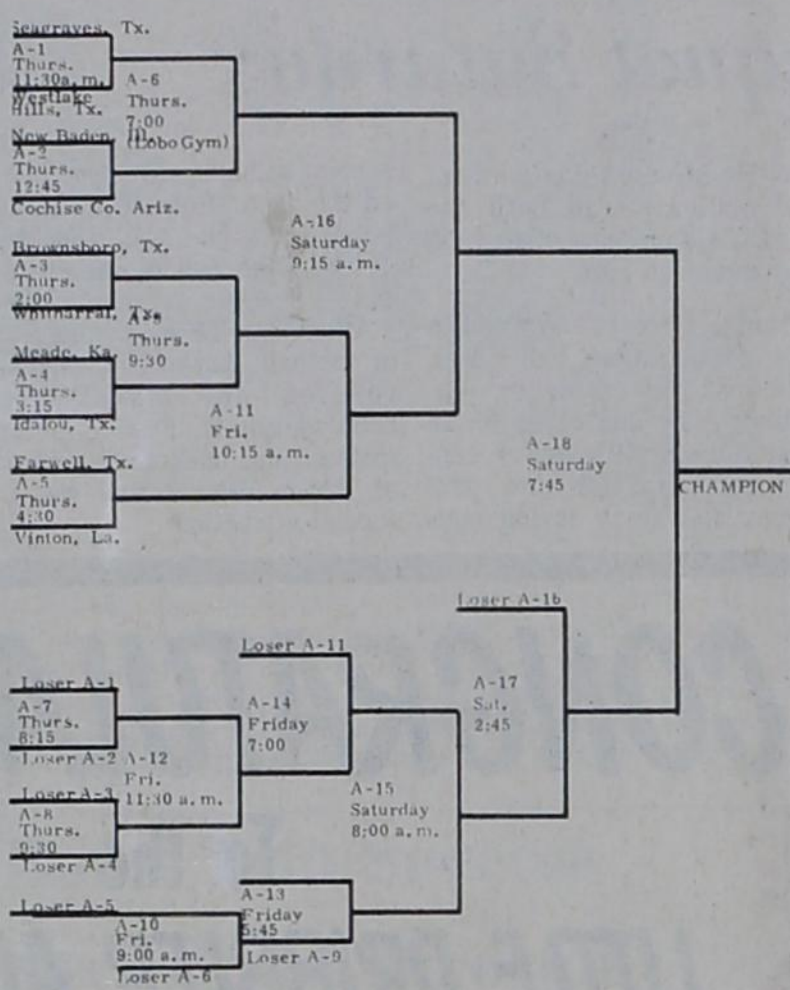

Refreshments were served by Lisa and Suzanne Howard and Jana Berry. Annette Langford led the group in recreation.

### Joneses Attend A&M Activities

Mr. and Mrs. Melborn Jones, Harold and Conda, of the Oklahoma Lane community, traveled to College Station Wednesday, April 18, to visit with their son, Larry, a sophomore at Texas A&M University, and attend Aggie Muster and the Maroon and White spring football game.

Mr. and Mrs. Jones attended Muster Saturday morning and the football game Saturday afternoon. The Jones boys returned home Friday, April 20, but their parents stayed for Saturday's events, returning home Sunday.

## Relative Of Local People Honored On 106th Birthday

Marlon, Karolene, Brent and Suzahn Inman of Lariat visited recently with Mrs. Inman's great-grandmother, Mrs. Mary F. Towns of Gustine, Tex., and helped her celebrate her 106th birthday.

Amid congratulations and best wishes of friends and relatives at a Gustine nursing home, Mrs. Towns celebrated her birthday March 4.

Denver Doggett, administrator at Smith Memorial Nursing Home in Gustine where Mrs. Towns has lived since Aug. 21, 1968, carried out a large birthday cake with one large candle and six smaller ones as approximately 30 younger nursing home residents and staff members and 150 relatives and friends joined in wishing her "Happy Birthday".

"Granny" as she is called by those at the home is still alert physically and mentally, although her hearing and sight are beginning to fade, says Mrs. Inman. She uses less medicine than anyone else in the home, according to Doggett. Every day she takes some tonic, similar to many patent medicines available without prescription, and nothing else.

Mrs. Towns was born March 4, 1867 in west Tennessee, the daughter of Tom and Jane McBride. At an early age, Mrs. Towns moved with her family to Texas, living for a time in Brownwood.

"We were just little bitty fellows," she remembers, referring to her three brothers, including a set of twins, and four sisters, all of whom have passed away.

The centenarian's mother's ill health soon forced the family to move to East Texas from Brownwood. Mrs. Towns can still recall the trip. The family spent the first night at Dublin when the foundation and frame of the city's first house had just been erected.

Later on during the trip as they neared Fort Worth she remembers a stone fence that bordered a wheat field near Granbury. Mrs. Towns also has vivid memories of Texas Indians making raids on many pioneer families.

On her 102nd birthday, Mrs. Towns decided it was time for her to begin using a walking stick, but it was about two years later before she began using it regularly to aid her. Although she is still able to walk on her own, the nursing home staff keeps her in a wheel chair as much as possible to prevent the possibility of her falling and being injured.

Each year since she reached the age of 100, birthday wishes have poured in from the President of the United States, the governor of Texas and other governmental officials.

According to Mrs. Inman, "Granny" loves everybody and everything and is rarely despondent. "She is almost never unhappy," says Mrs. Inman. One of her favorite pastimes is going into the meeting room of the nursing home and visiting with the "old women", though

only a few of them are approaching the 100-year figure.

What is the secret of living a long, healthy life? "Don't be hot-tempered," is Mrs. Towns' quick reply.

Mrs. Towns is the grandmother of Verney Towns of Muleshoe and Mrs. Vernon Jamison of Lariat. Other great-grandchildren are Dr. Jim Towns of Nacogdoches, Tex., Dennis Raney of Dallas and Leon Jamison of Omaha, Neb.

CELEBRATING 106 YEARS of life recently in a Gustine, Tex., nursing home was Mrs. Mary F. Towns, great-grandmother of Mrs. Marlon Inman, right, of Lariat. Mrs. Karolene Inman, Marlon, and their two children, Brent, upper left, and Suzahn, lower left, were among 150 relatives and friends and approximately 30 nursing home residents and employees who helped Mrs. Towns celebrate.

## Pam Chadwick Feted At Bridal Shower

Pam Chadwick of La Har- bor, Calif., bride-elect of Larry Erwin of Farwell, was honored Thursday, April 19, with a bridal shower at Farwell First Baptist Church.

Hostesses were Mesdames Walter Kaltwasser, J. B. Sud- derth, Loyce McCleskey, El- mer Hargrove, A. V. Warren, Howard Crook, Lee Meeks and Bill Craft.

Table decorations were in the bride-elect's chosen colors of pastel rainbow hues. A multi-colored floral arrange- ment flanked by two pink candles decorated the serving table which was covered with a

white cloth.

White punch and coffee were served from a milkglass punch bowl and silver coffee service. A white sheet cake decorated with pink flowers was also served. Multi-colored napkins were used in serving.

Pam Erwin, sister of the prospective bridegroom, presided at the guest register. The table was covered with a white cloth and centered with a pink flower arrangement. Approximately 20 persons were in attendance.

Mrs. Mildred Erwin of Far- well, mother of the prospective bridegroom, Mrs. W. O. Chad- wick of Farwell, aunt of the bride-elect, and Mrs. Fairy Stovall of Farwell, grandmoth- er of the prospective bride- groom, helped the honoree open gifts. Hostess gift was an avocado-colored electric skil- let. Each of the special guests and the honoree were present- ed with kitchen utensil cor- sages tied with multi-colored ribbon.

## Attends Lab

Jana Pronger, Parmer Coun- ty Extension Agent, attended the Longhorn Recreation Lab at Glen Lake Methodist Camp in Glen Rose, Tex., April 8-14.

Miss Pronger learned folk games and craft ideas to pass along to county 4-H'ers. Some 100 participants from Oklaho- ma and Texas were in attend- ance.

## Stephens Parents Of Daughter

Mr. and Mrs. Darrell Step- hens of the West Camp com- munity are parents of their second daughter, Kaci Denee, born at 3:45 p.m. CST in Clovis Memorial Hospital Wednesday, April 18.

Kaci Denee weighed 7 lbs., 12 ozs., and was 21 inches long. She has one sister, Kendra, 20 months old.

Maternal grandfather is J. L. "Shanks" Ivy of Lazbuddie. Paternal grandparents are Mr. and Mrs. Loyd Stephens of Muleshoe.

Mrs. Stephens is staying with the Stephens family and help- ing with the new baby.

## Brunsons Parents Of First Child

Mr. and Mrs. Ron Brunson of the Pleasant Hill Community are parents of their first child, a boy named Blaine Lee, born at 4:34 p.m. MST Thursday, April 12, in Clovis Memorial Hospital.

Blaine Lee weighed 8 lbs., 14 1/2 ozs., and was 22 inches long.

Maternal grandparents are Mr. and Mrs. C. T. Munz of Alvin, Tex. Paternal grand- parents are Mr. and Mrs. Willis Brunson of Corona, Tex.

Maternal great-grandmother is Mrs. A. B. Gebert of Schulenburg, Tex. Paternal great-grandparents are Mr. and Mrs. O. C. Moyers of Crosbyton, Tex., and Mr. and Mrs. G. C. Brunson of Albu- querque.

## Snider Families Meet For Weekend

Eight brothers and sisters of the Snider family spent the Easter holiday weekend in Farwell with the families of Melvin Snider and Mrs. Willie Williams.

Sisters and brothers of Snider and Mrs. Williams and their families who were here from Friday, April 20, until Monday, April 23, were Roscoe Snider of San Gabriel, Calif., Ethel Husband and Hazel Willingham of Hollis, Okla., Mr. and Mrs. Elmer Snider of Borger, Letha Knight of Ros- well and Mr. and Mrs. Lea Clonts and Tommy of Phoenix, Ariz. Jessie Winn of Hollis, a friend of Mrs. Husband, was also present.

According to Mrs. Williams, the total age of all eight chil- dren is 583 years. She said counting the two sisters who didn't come, Mrs. Ruby Hus- band of Hollis and Mrs. Lotie Johnson of Lawton, Okla., whose combined ages are 160, and the age of a deceased brother, 70, the total age of all 11 children would be 713 years.

Tuesday, Mr. and Mrs. Joe Sheriff of Hollis, Jim Sheriff of Amarillo and Bill Brown of Grandfield, Okla., visited in Farwell with the Johnnie Wil- liamses, Willie Williamses and in the Melvin Snider homes.

Mrs. Williams celebrated her birthday Sunday in the com- pany of her family and bro- thers and sisters.

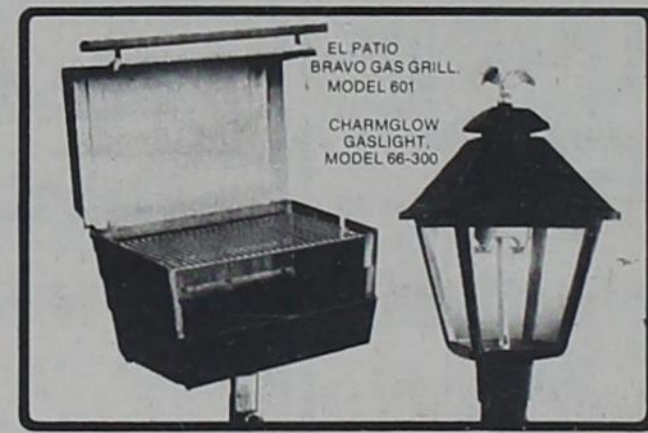

## ESA To Send Two To State Confab

Theta Rho Chapter of Epsi- lon Sigma Alpha Sorority is sending two members, Rosa Roberts and Lois Avara, to State ESA Convention in Albu- querque today. The conven- tion will continue through Sun- day.

Theta Rho Chapter of ESA met Monday in the home of Faye Parr. After a business meeting, the members enjoyed refreshments of coffee cake, coffee and soft drinks.

Attending were Linda Ger- ies, Lois Avara, Martha Peo- ples, Maxine Williams, Patsy Berry, Alice Vinton, Ometa

ENGAGEMENT ANNOUNCED -- Mr. and Mrs. J. W. Herington of the West Camp community announce the engagement and approaching marriage of their daughter, Elizabeth Ellen, to Robert M. Gallman, son of Mrs. Loraine Gallman of Lazbuddie. The couple will be married at Hamlin Memorial United Methodist Church at 7:30 p.m. June 2. All friends and relatives are invited to attend the wedding and reception to follow. No local invitations are being sent. Miss Herington, a 1969 graduate of Farwell High School, will receive her BS degree in Home Economics at Texas Tech University in May. Gallman, a Lazbuddie High School graduate, received his BS degree in Agronomy at Tech and is currently farming in Lazbuddie.

## Easter Holiday Visits & Visitors

Jay and Ellen Herington, both students at Texas Tech University in Lubbock, and Ginger Herington, a student at South Plains College in Lev- eland, were home for the Easter holiday weekend visiting their parents, Mr. and Mrs. J. W. Herington of the West Camp community.

Walnut Springs, Tex., with Mrs. Magness' parents, Mr. and Mrs. L. B. Hensley, The Magnesses left Farwell Fri- day, April 13, and returned home Wednesday, April 18.

Kim Snider, daughter of Mr. and Mrs. M. A. Snider, Jr., of Farwell, spent the Easter holi- day with her parents.

Teresa Quickel of Midland visited with her parents, Mr. and Mrs. I. W. Quickel of Farwell, over the Easter holi- days. Easter Sunday visitors in the Quickel home were J. R. Thorton, a resident of Kings Manor Retirement Home in Hereford, Mrs. Quickel's father, and Mr. and Mrs. I. W. Quickel of Bovina, Quickel's parents.

Mr. and Mrs. Ted Magness and children of Farwell spent part of their Easter vacation in

## Oralía Vega Becomes Bride Of Johnny Rivas

Oralía Vega, daughter of Mr. and Mrs. Erasmo Vega of Clovis, became the bride of Johnny Gregory Rivas, son of Mr. and Mrs. Jose Rivas of Texico, April 12 in Lady of Guadalupe Catholic Church in Clovis.

Given in marriage by her father, the bride wore a full-length gown of white satin trimmed with lace. She carried a bouquet of white carnations tied with pink ribbon. Her elbow-length veil was of illusion.

Frank Galvan of Farwell served as best man in the single ring ceremony. Julie Ballejo of Texico was maid of honor.

A reception followed the wedding in the home of the bride's parents. Guests enjoyed a supper and the traditional

cutting of the wedding cake. The three-tiered white cake was decorated with pink bells and flowers and topped with bride and groom statuettes.

The couple will make their home in California where the groom is employed. Mrs. Rivas attended Clovis High School. Rivas graduated from Texico High School in 1972.

## Smarts Attend Youth Confab

Mr. and Mrs. Jim Bob Smart and family of Farwell attended a Youth Conference in Ar- lington last week. They travel- ed on to Killeen and returned home to Farwell Monday af- ternoon.

## Okla. Lane 4-H'ers Talk Over Crafts Classes

Oklahoma Lane 4-H Club met Monday, April 23, after school in St. John Lutheran Church Parish Hall. The meet- ing was opened with the Pledge of Allegiance to the flag by Ted Mesman.

Billy Roberts, leathercraft leader, told persons taking leathercraft what they would need to start the class. He said lessons would be on Wednes- days starting May 2 after school in the bunkhouse south of Oklahoma Lane Baptist parsonage. He told 4-H Club members they could ride Far- well school bus No. 3 to get there.

Members taking woodcarv- ing were reminded that lessons start Monday, April 30. The first lesson will be at the Charles Turner home. Turner, woodcarving leader, will dis- cuss materials and tools that are needed. Again, those at- tending may ride bus No. 3.

It was announced that knit- ting classes will be postponed until September.

Anyone from Oklahoma Lane 4-H Club who wants to make plain muffins and cinnamon rolls are to meet at Mrs. Hubert Gohlke's home May 31 at 1:30 p.m. The 4-H'ers can practice making these rolls and muffins during the sum- mer for the Bake Show which is scheduled late in the sum- mer.

Boys and girls sewing classes will start the week of May 13. A date has not yet been set. Any girls and boys wanting to take the sewing class must let Mrs. Charles Turner and Mrs. Gohlke know by May 11.

All Oklahoma Lane 4-H Club members going on the field trip to Amarillo Tuesday, May 29, will meet at St. John Lutheran Church Parish Hall in Lariat at 7:55 a.m. They are to bring a sack lunch and drinks will be furnished.

Members will tour a cream- ery, bakery and a clothing fac- tory. There will also be a play period in Thompson Park.

Yalonda Martin and Linda Gohlke gave a demonstration on "The Birds and the Trees and the Flowers". Members who swept Parish Hall were Scotty and Jeanette Gilliam, Craig Kaltwasser and Joanna Mesman.

Raylene and Doylene Poe served refreshments to Brett and Melody Poe, Cheryl and Linda Gohlke, Lucretia and Polly Turner, Billy Roberts, Jeanette and Scotty Gilliam, John Johnson, Donna, Rick and Randy Marshall, William and Yalonda Martin, Sharlotte and Lanny Redwine, Diann McKillip, Ted, Tom and Jo- hanna Mesman and Craig Kalt- wasser.

## Hensons Feted On Anniversary

Mr. and Mrs. Clay Henson of Farwell were honored Sunday, April 15, with an open house and reception in their home in honor of their 35th wedding anniversary.

The affair was hosted by Mr. and Mrs. Jerry Henson and girls of Mesquite, Tex. Henson is the couple's son.

Approximately 90 persons called during the afternoon to congratulate the Hensons and wish them many more years of happy married life.

Cake and green punch were served to the guests from crystal appointments. The serving table was topped with a white hand-crocheted cloth. The cake was a white sheet cake deco- rated with yellow and green

flowers. Yellow and green col- ors were used to represent jade and coral, modern and traditional gifts for the 35th wedding anniversary.

Cammy Sue Henson, grand- daughter of the Hensons, pre- sided at the guest book. Ladies who helped serve refreshments were Gussie Deal of Albuquer- que, Dorothy Lovelace, Dickie Magness, Pearl Geries, Max- ine Williams and Ann Love- lace, all of Farwell.

Clay Henson and Irene John- son were married April 16, 1938, in Meadow, Tex. They farmed in the Brownfield area before moving to Farwell in October, 1953.

The Hensons went into the hardware business when they came to Farwell. They sold their business in September, 1972.

# At Home In Parmer County

By Jana Pronger  
County HD Agent

Steady dating -- whether it's wise or otherwise -- depends on the maturity of the couple involved.

Although there's no universally accepted definition, "going steady" is considered an understanding between boy and girl to date one another regularly and exclusively.

A generation gap between parents and teens may exist when it comes to steady dating -- mainly due to the differing views.

Contemporary steady dating -- a new type of dating relationship -- is an invention of the modern era. It no longer corresponds to the marriage-oriented going steady pattern of earlier decades, and yet it's not random dating either. It combines two types of relationships -- casual involvement in nonmarriage-oriented steady dating with other partners taboo.

Parents sometimes have difficulty grasping one-to-one steady dating since random dating was preferred by their generation. At that time a teen's popularity was largely based on number of boy or girlfriends, with some quali-

fications, of course.

Parents should also realize that steady dating doesn't necessarily lead to marriage.

Whereas engagement usually leads to marriage, steady dating isn't supposed to lead to anything -- it's an end in itself.

Although some steady relationships do eventuate in matrimony, most begin without marriage in mind.

According to an Extension Family Life specialist, chief motivators for going steady are a sense of insecurity and escape from competition or pressures from society.

On the other hand, a steady relationship has its limitations. It limits the variety of friendships while it narrows the choice of a marriage partner.

In addition, it may lead to marriage by default -- that is, the couple is expected to marry because they went steady so long.

Steady dating also may limit social activities -- and cause the couple to become so involved with each other that little else matters.

Other hazards involve partners being "taken for granted," too much intimacy or too early marriage.

## Hospital Notes

Jay Abernathy, son of Mr. and Mrs. John Abernathy of Austin, is doing fine after a heart catheter Thursday, April 19, in Children's Medical Center in Dallas. At this time there is no open heart surgery planned for little Jay, according to his grandmother, Mrs. Buster Gast of Farwell. Mrs. Gast and Mrs. Sam Aldridge went to Dallas last week to be with Jay. They returned home Friday, April 20.

Mrs. M. A. Snider, Sr., of Farwell is some improved at Clovis Memorial Hospital. She is able to receive visitors.

H. M. "Bill" Moss of Farwell was released Saturday from Memorial Hospital. He had been undergoing medical treatment for a week.

Mrs. Perry Winkles of Texico was released Thursday, April 19, from Parmer County Community Hospital in Friona. She entered the hospital April 17 for medical treatment.

Morgan Billington of Texico returned Tuesday, April 17, to Veteran's Administration Hospital in Albuquerque for medical treatment.

**Park Expansion**  
Anheuser-Busch, Inc., has announced a \$6.5 million expansion of Busch Gardens-Tampa, including creation of a Moroccan Village, addition of major thrill rides, and other entertainment features. August A. Busch, Jr., chairman of the board and chief executive officer, said expansion of the company's family entertainment complex will begin immediately.

## "Keep It Clean"

Teflon coated cooking surfaces should not be scoured with steel wool, metal scouring pads or abrasives. These will damage the finish. The same holds true for Corningware. Though freezing and cooking properties are not harmed, cleaning with metal may leave marks on the surface. Both types of cookware release food particles and grease readily in hot suds. Stubborn stains may be soaked in suds and scrubbed away with a plastic sponge.

★ WE NEED LISTINGS NOW ★

"Sales and Loans Are Our Service"

**TWO MINUTES WITH THE BIBLE**  
BY CORNELIUS R. STAM, PRES.  
BEREAN BIBLE SOCIETY  
CHICAGO, ILLINOIS 60633

**AN OLD-FASHIONED DOCTRINE**

How many there are whose hearts would be thrilled if they understood the old-fashioned Bible doctrine of sanctification!

Sanctification is not a negative matter; don't do this and don't do that. It is rather the positive truth that God wants us for Himself as a sacred possession, much as a bridegroom considers his bride his very own in a special, sacred way.

Bible sanctification is a two-fold truth, affecting both our standing before God and our spiritual state. In one sense every true believer in Christ has already been sanctified, or consecrated to God, by the operation of the Holy Spirit. Thus we read:

"...God hath from the beginning chosen you to salvation, THROUGH SANCTIFICATION OF THE SPIRIT..." (I Thes. 2:13). "Elect according to the foreknowledge of God the Father, THROUGH SANCTIFICATION OF THE SPIRIT..." (I Pet. 1:2).

This has nothing to do with our conduct. God did it. Sanctification begins with Him. Thus, Paul could write to even the careless Corinthian believers and say: "Ye ARE sanctified" (I Cor. 6:11; cf. Acts 20:32; 26:18). This phase of sanctification is based on the redemptive work of Christ in our behalf, for Heb. 10:10 says: "We are sanctified through the offering of the body of Jesus Christ once for all."

But now God would have us appreciate this fact and conduct ourselves accordingly, consecrating ourselves ever more completely to Him. This is practical, progressive sanctification. "For this is the will of God, even your sanctification" (I Thes. 4:3). Hence Paul's benediction: "The very God of peace sanctify you wholly" (I Thes. 5:23), and his exhortation to Timothy to be "a vessel unto honor, sanctified, and meet (fit) for the Master's use" (II Tim. 2:21).

How can believers be more wholly sanctified to God in their practical experience? By studying and meditating on His Word. Our Lord prayed: "Sanctify them through Thy truth: Thy Word is truth" (John 17:17) and Paul declares that "Christ loved the Church and gave Himself for it that He might sanctify and cleanse it with THE WASHING OF WATER BY THE WORD" (Eph. 5:25,26).

# AN OPEN LETTER TO THE AMERICAN PEOPLE

## A TROUBLED ECONOMY

The economy of the United States and the rest of the Free World is experiencing the most crucial economic and monetary crisis of this century. All of these national and international problems can be traced directly to unsound economic theory based upon Monetization of Debt, rather than Monetization of Real Wealth (Raw Materials) to build and develop a solvent national and world economic system.

## EXPLOITATION OF HUMAN RACE

Most of the problems such as war, poverty, depressions, inflation, and social disorders, that confront the people of the world can be traced to these unsound economic policies which have been the result of theory not based upon facts; and the selfish practice of the human race to exploit one another by expecting to buy goods and services below their rightful value.

## ECONOMIC SOLUTIONS ARE POSSIBLE!

A future world peace cannot be built on the same old foundation of economic exploitation. Freedom cannot be won, or given, to human beings that are forced to labor for less than \$.30 cents per day. Neither can we, or any other nation, expect to have a very great amount of world trade with three fourths of the population of the world with a wage level so low that it will not prevent starvation.

## NEW WEALTH - THE KEY

The United States does not have to experience the horrors of inflation, the dangers

THE HISTORY OF THE AMERICAN Enterprise System has been the envy of the world. The productive capacity and out-put of the United States in reaching a trillion-dollar economy is a story of mystery and fact. The American enterprise system has become the most productive system the world has known, and provided the highest standard of living for most of its people than any other system in the history of civilization.

TODAY, THIS MIGHTY productive system is facing one of the most serious monetary crisis in its history. The nation

is faced with problems such as hungry people, too much food, people living in slums with unemployment, and too many building materials to clear our slums. This just does not make sense.

OUR PROBLEM HAS NOT been one of overproduction, but under consumption resulting from loss of buying power in the market place.

AS AN EXAMPLE: Agriculture alone has been underpaid over \$800 billion over the past 20 years. Over \$75 billion underpayment in 1971. Think of the schools, churches

of depression, or war. It does not have to have unemployment, or build prosperity on debt, or a welfare system. The United States can regain its rightful place among the nations of the world in establishing an equitable world monetary system, and economy, that will bring about the world prosperity that must precede all other efforts in maintaining a permanent peace, and dignity, for all mankind throughout the world.

## COMMON SENSE POLICIES NEEDED

After making an extensive study of the records of the national economy, we have arrived at a formula that can be used to determine in advance our national income, employment, etc., with accuracy, and guide us in preventing the collapse of our nation's economy, and wipe out the dangers of another major world war. A recurrence of such conditions could mean the loss of our present form of government which would make it impossible for the United States to help a struggling world back to a foundation of peace, not to mention caring for itself.

These conditions do not have to happen, or exist. Inflation, depressions and unemployment can be avoided, providing we base our economic premise upon sound common sense economic policies based upon the record of the nation, instead of some Utopian Theory that has never worked, and never will work.

## PRODUCTION TIMES PRICE - INCOME

We must remember that wealth is production. We must also realize that if our production of wealth is properly priced in terms of dollars, we will create the earned income to maintain a solvent economy.

and share of local government this lost income would have supported during this period. Rural America had no problem supporting its public institutions when agricultural prices were at full honest parity, nor our larger towns, cities and Metropolitan areas.

Gross National Product, highest wage averages in history, but the problems increase. The economists have employed every formula in the book except that of restoring honest prices for raw materials, especially agriculture.

THE NATION is experiencing horrors of inflation in the midst of recession; and the economists are baffled in licking these problems.

THERE WILL BE NO solutions to our economic dilemma until agricultural and other raw material prices are restored to full 100% of honest parity. If not, the nation will continue to experience the horrors of uncontrolled inflation, poverty for the masses, and unlimited expansion of debt, interest and taxes -- then economic collapse.

THE UNITED STATES has enjoyed the highest level of

## ALL NEW WEALTH COMES FROM THE LAND, SEA AND AIR !

### OUR

# RAW MATERIAL PRODUCTION

The value of this new wealth is nothing more, and no greater than, the price the nation is willing to pay itself for its New Wealth production. Whenever raw material production, in any form, whether it be agriculture, fossil fuels, minerals from our mines, fishing, or timber from our forests, is brought into being -- "this is the New Wealth that has been added to everything mankind had before." New Wealth can only come from something that was non-existent before, and its real value is nothing more than the price society pays for that new wealth in terms of dollars.

## LOSS OF NATIONAL NEW WEALTH INCOME

Whenever new wealth is underpaid in terms of monetary dollars, then the nation as a whole is forced to substitute excessive debt expansion in lieu of the lost earned income resulting from the underpricing of that New Wealth.

## NATION BANKRUPTING ITSELF

For the past twenty years or more, the nation has been Monetizing Debt Expansion to cover up the shortage or loss of New Wealth resulting from the underpricing, and underpayment, of our raw material production, mostly agriculture! As a result, the nation has been bankrupting itself by mortgaging all of its assets, substituting fiat money, and a fiat economy, thus creating the illusion we have basked in the sunshine of prosperity.

## FANTASTIC DEBT SYSTEM

Unless the nation is willing to pay the horrible price of another depression, and possible collapse of our economic system, it then becomes mandatory that the people who believe in peace and prosperity, under a free democratic society, based upon a private enterprise system, do something immediately, to alert, and challenge the folly of our New Economic Theories which have been responsible for creating the most fantastic debt expansion system the world has ever known.

## UNBEARABLE

The United States must change its policies. This nation must return to economic balance. If not, the price civilization will undoubtedly pay at some future date is almost unbearable to think about.

If the people who believe in our Private Enterprise System and who want to retain this form of economic freedom, will not alert themselves, rise up, and do something to preserve that system, WHO WILL! Apathy and complacency will surely win a trouncing victory for Giantism, the Conglomerate Structure, which in the final analyses will end up with government absorbing them.

## A NEW ORGANIZATION

We have just recently formed a new organization called the National Organization for Raw Materials, Inc. "NORM".

This organization should have rightfully been called an organization for the restoration of NEW WEALTH through proper and equitable prices for our nation's raw material production.

## DIVIDE AND CONQUER

We realize the nation has more organizations today than the system can afford. We know that the nation is over-organized. WHY? Most organizations spring up to divide and

conquer people, split them so wide that each group seems to be working against themselves, rather than for the best interests of the nation as a whole.

## THE PURPOSE OF THIS ORGANIZATION IS RESEARCH, EDUCATION AND PUBLIC INFORMATION.

The National Organization for Raw Materials, Inc. (NORM) has but one purpose in mind. We have but one goal, one ambition, one objective . . . a Sound National Economy that will finance itself through the proper creation of new wealth to sustain the system.

## ECONOMIC BALANCE MUST BE RESTORED.

Unless economic balance is restored to our national economy through an equitable pricing system for all raw material production, and the opportunity for common people maintained to own their own farms, ranches, their own independent units of business, the system will fall. Private Enterprise must be retained for the common people of this nation. When the opportunities and incentives are lost for common people to play the game, then the system no longer has any meaning or purpose.

## SOUND BUSINESS PRINCIPLES

Therefore, our overall goal is to retain, protect and strengthen our system of private enterprise, for people, not the GIANTS alone, who would control the economic destiny of the world. It is our soul and purpose to rebuild a strong and solvent national economy based upon sound business principles with economic justice for every segment of society.

## GREATEST UNTOLD STORY IN AMERICA TODAY

We are in dire need of your help. We need financial support to get our story told to the nation. We need financial help so our story, "the greatest untold story in America today" can reach the key figures in government, business, industry, clergy, labor, etc. We have made fantastic inroads already as individuals. Now through the united efforts of a strong and influential organization, we "MUST, and we CAN" get this job accomplished.

## YOU ARE THE KEY TO OUR SUCCESS OR FAILURE

YOU, your friends, your neighbors, who strongly believe in our Free Society, our Independent System of Family Owned Enterprises are the Key to our success or failure. We need your HELP NOW. We need your support, both financial, and in people numbers power. We plead with you to send us a contribution immediately so your dollars can go to work protecting your American Heritage.

## TIME IS OUR WORST ENEMY

Please fill out the membership blank attached, get your check or money order in the mail today. Time is our worst enemy. Time is running out. We need all the support we can muster TODAY. Make your investment which is necessary to insure, as well as assure your economic security, and your own personal pride in knowing that you have invested in a program that is dedicated to the preservation and perpetuation of a free, independent private enterprise economic system, for your children and grandchildren.

## ALL AMERICA MUST BE ALERTED

All America must be alerted to the dangers we face ourselves. Unless this nation restores a solvent economic system based upon the creation of EARNED NEW WEALTH to sustain the system, rather than a bankrupt society struggling for existence under a FIAT MONEY STRUCTURE -- there will be no solutions forthcoming.

## WE NEED YOU - JOIN NORM TODAY

Notice the names of prominent people across the nation who are members of NORM. These great Americans join with me in this urgent appeal for your help. Join with your fellow Americans in a united effort to preserve, protect, strengthen the greatest system of economic enterprise civilization has ever known, the family farms, family owned and operated business enterprises. We owe this to ourselves. It is our responsibility as freedom loving people to invest for the protection and security of our basic rights and freedom. Please don't put it off. Send in your contribution now! Stand up and be counted! Become a part of a program that is designed for you, your way of life, your business, your future and the future security of your children.

OVER EIGHT MILLION jobs go begging in America today because of the underpricing of raw material production. Eight million families, 32 million people could return to the rural areas if honest prices were paid for agricultural, mining, fishing and the other raw materials. THINK ABOUT IT!

Following table illustrates the percentage of Private Enterprise Income in ratio to total national income for years 1929 through 1971. Source of Information, President's Economic Report, Survey of Current Business (1971).

1929	36.6%	1951	35.0%

EVERY SEGMENT OF AMERICAN LIFE today is in financial trouble, business, industry, schools, churches, federal, state and local governments. Why? The economy has not generated, or created the Earned New Wealth Income to sustain itself!

OUR ENTIRE NATIONAL ECONOMY today is based upon debt expansion. We are fast approaching the point where the only New Capital for expansion must come from the Interest Profits on Debt.

HOW MUCH LONGER before the American people awaken to a sense of reality -- and take the time to discover how New Wealth is created, where New Wealth comes from?

ECONOMICS has become the flow of money, credit and debt. It's time the nation returns to the natural laws of economics. The nation cannot continue to cheat itself out of its New Wealth Income and cover up the losses with perpetual Debt Expansion. Economics must be the flow of goods and services, not the flow of Debt.

NORM IS DEDICATED to support all groups and programs whose ambition and integrity is designed to establish economic balance within the national economy.

Sincerely,  
Arnold E. Paulson  
Executive Director  
National Organization for Raw Materials, Inc.,

**POSTAL WEEK OBSERVANCE** -- Texico and Farwell Post Office employees will be observing Postal Week April 29 through May 5. Farwell Postmaster Jim Bob Smart and Texico Postmaster Louise Engram discuss the display of 10 special stamps honoring postal employees which will be released on Postal People Day Monday, April 30. The 10 special stamps will include a message printed on the reverse side, for the first time, as a reminder of the jobs postal people perform.

## Postal Employees To Observe Postal Week

U. S. Postmaster Gen. E. T. Klassen has designated the week of April 29 through May 5 as "Postal Week". He has designated this time to "take stock of the challenge which must be jointly met by postal people and by the millions of citizens throughout America who depend upon the mail as an essential part of their personal and business lives."

Klassen explained in his special message to U. S. Post Office employees that one of the principal aims of Postal Week will be to promote the "informed understanding, cooperation, support and constructive suggestions of every citizen and community" for the benefit of the U. S. Postal Service, as well as call attention to the daily public services performed by postal employees.

Texico and Farwell Post Offices will join 31,000 other Post Offices Monday, April 30, in issuing 10 special stamps honoring two-thirds of a million postal employees.

Each of the 10 stamps depicts a specific job postal people perform each day. And, for the first time, a message is printed on the reverse side of

### Riata Cowbells Will Meet Thurs. May 10

Riata Cowbells will meet Thursday, May 10, for their monthly meeting at 8 p.m. in the Bovina bank community room. New members from this area are still being encouraged. Any women with an interest in the promotion of beef are invited to attend the May meeting.

At the April meeting, the by-laws and constitution for the local chapter were read and approved by the members.

## TRIBUNE TRIVIA from across the desk of Joann Getz

**A COLOR-FULL SPRING:** Color puts the ring into spring. From new-grass green to smoky-twilight violet, here comes spring 1973 in a romantic mood. A glow with vivid to misty colors, spring's the perfect setting if you're a woman who knows just how to match it, color for color, from your special spring of beauty secrets.

First comes fashion, blooming around you this season with flower-fresh flair and femininity in a kaleidoscopic fantasy. The "layered" look is big as ever with short cropped jackets in ice cream shades of oyster, ivory or pale blue over brightly colored body shirts, "40's sweaters," and long cuffed pants.

The look is effortless, uncluttered, simple with short snappy, leggy two-piece dresses in soft clingy fabrics in feminine colors and tiny patterns making the daytime scene. The evening silhouette is slinky with halter jerseys and long pleated skirts in pastel crepes. Batches of more beautiful colors are served up in Gaudin South Seas prints, afrique and jungle patterns and intricate Persian mosaics.

All this brilliance calls for equal brilliance in your make-up, hair style and hair color. Make them vivid, yet natural; definite but not overly dramatic.

Hair should reflect the romantic mood of fashion with a

feminine look well cared for. Skinny bare tops and cutout halters put the spotlight on the nape of the neck.

Hair for spring is casual and carefree -- softly layered short and bouncy, or waves and curls gently falling down the back. The page boy returns with sides a few inches shorter than the back undersweep, or blunt cut all around -- whatever the style, they show off your hair's body, depth of color and highlight (or lack of them).

A shampoo-in color is the answer for spring hair still caught in the winter doldrums. It is designed for the woman who wants definite, but not dramatic, change in her hair color.

From top of head to tip of toe, your spring '73 will be color-full.

### CITRUS JUICE: It's Good For You -- But Why?

Everyone knows how good citrus juices taste, and almost everyone knows that they're good for you. But a lot of people still don't know why, researchers have learned.

Do you know why British sailors are called Limeys? That has something to do with one of the reasons why citrus juices are good for you. Back in the middle of the 18th Century, when sailors on long voyages suffered terribly -- and often died -- of scurvy, a British naval surgeon found

that citrus juices could prevent the disease, which is caused by a lack of the Vitamin C found in fresh fruits and vegetables. The good doctor had never heard of vitamins, of course, but he found that lime juice -- which in those days was what they called lemon juice too -- could prevent and even quickly cure scurvy.

From then on, British sailors were given a regular ration of lime juice. Other sailors scornfully called them lime-juice sailors, or Limeys. But their scorn didn't last too long, when they found how healthy the juice made these Limeys.

So it is that an eight-ounce glass of orange juice, for example, -- whether fresh, canned or frozen -- will supply the average adult with his daily requirement of Vitamin C.

The body doesn't store up Vitamin C; you can't build up a supply in your tissues. It should be supplied to your body regularly in reasonable amounts rather than in large, infrequent doses.

The same is true of canned or frozen citrus juice. It lasts a long time in its can, but not forever, and it won't do to buy an enormous supply and then

use it up over a long period. It should be purchased in moderate amounts and used within a reasonable time.

Vitamin C isn't the only valuable nutritional content of citrus juice. Using orange juice as an example -- that's the juice used most by Americans -- an eight-ounce glass will supply about 11 per cent of the thiamine, 5 per cent of the carotene, 4 per cent of the viacin and 2.5 per cent of the riboflavin needed by that same average adult.

Citrus juices are excellent in special diets, too. They contain no chemical preservatives of any kind if they are in a metal can. They contain virtually no fat and only from 1/2 to 1 per cent protein, and are very low in sodium. A six-ounce serving has less than 100 calories, and citrus juices are natural alkalizers -- despite their acid content -- because digestion leaves residual minerals that are distinctly alkaline.

So no matter who you are -- British sailor, average adult, low-sodium dieter or anyone else -- you can drink all the fresh, canned or frozen citrus juice you want with confidence that it's good for you -- REALLY good for you.

## PERFORMANCE

Growers Like The Results Of TEXAS TRIUMPH SEEDS In 1972  
Lonnie Hinsley - Has Compared TWO 62y With Several Varieties The Past Two Years. TWO 62y Continues To Come Out On Top; This Year His Average Was 8,330 Pounds Per Acre, Making Him More Net Dollars Per Acre. TWO 62y Has Strong Stalks That Stand In Weather Like We Had This Past Harvest Season.

TWO 72y Was The Top Producer At High Plains Research Foundation In 1972. And Was The Number One Hybrid On The List At Plains Branch Station, Clovis, N.M. 1971.
