

FROM THE HOPPER

No excuses. We were late. For the first time that we can remember (The Tribune is 43 years old, but we don't remember back THAT far) our paper was mailed late, last week.

While, taking in the county fair a couple of weeks back, we had the pleasure of receiving several subscriptions for The Tribune, some of which were paid for in cash.

The Grahams make a habit of being constantly "broke," and it's a rare thing when somebody can find them with enough money between the two to buy a round of coffee.

So, when we got four or five one-dollar bills stuffed into our pocket, we thought we were really going some.

Once, we pulled out the bills just to look at them for a moment, and the wife spied our cache. Her eyes narrowed, she pointed an accusing finger at our fistful and demanded, "Where did you get all that money?"

Jim Grisham of Roberts Seed was good enough to send us a clipping from the closing grain letter of Uhlmann Grain Company, dated August 30.

With the current problems facing farmers of this area who still are largely dependent on grain sorghum production for their livelihood, we think you'll be interested in reading the following excerpt:

"The sorghum crop has been gaining both in popularity and in importance, but not much is heard of it in this part of the country as it is grown mainly in Texas, Kansas, Nebraska, Oklahoma and Colorado.

"Recently we have learned that plantings were being increased in Iowa and to some extent in Illinois. Last year's harvested crop of grain sorghums was roughly, 10.8 million acres, and this year's harvested acreage is indicated at 13.2 million acres.

"During the 10-year period 1943-52, the average crop in this country was somewhat less than 135,000,000 bushels, but it was estimated that we might have a yield of 266,000,000 bushels this season, according to the August 1 government report. The grain is used in mixed feeds, especially for poultry, although in recent years the use of sorghums was found to be satisfactory in the production of such food products as starch and dextrose.

"Like corn, it is a grass, but unlike corn, sorghum grain grows at the top of the plant where corn has its pollen bearing tassel. It has been grown mostly in the southern and central Great Plains area, where moisture was generally insufficient for dependable corn production.

"Just today the Department of Agriculture announced that hybrid seed is expected to be available to growers in limited quantities for the first time next spring. In the next five years most of the more than 10,000,000 acres now planted in open pollinated grain sorghums may be planted with new superior hybrids.

"This new development promises to become a big factor toward increased acreage. Dr. Martin, one of the scientists identified with this work, expects hybrid grain sorghums to move east from the southern great plains, particularly as growers learn that these hybrids can insure more stable feed grain supplies than corn in dry years.

"Also, he says that the extensive damage by and cost of control of the corn borer, should encourage a change-over in some areas from corn to sorghums, which are less susceptible to grasshopper and root worm attack."

We call attention to the two paragraphs where the writer goes into detail about sorghums, for the obvious purpose of explaining what grain sorghums actually are.

Remember that this letter is being sent to hundreds of men in the grain trade all over the nation. Imagine it being necessary for the writer to explain to professional grain merchants just WHAT milo is!

Here on the High Plains we take it perfectly for granted that everyone all over the country knows what a wonderful crop of grain sorghum we produce every year—but they don't.

(Continued On Last Page)

Big Sudan Crop

Dick Doshier, southwest of Mexico, had a whopping 1760 acres in sudan this year. In the picture are (left to right), M. A. Casement and Fred Casterline, seed buyers; Jarrell and Dick Doshier. On the tractor is L. E. McKillip.

Dick Doshier Grows 1760 Acres of Sudan

Most farmers of the High Plains consider sudan a minor cash crop, even though there are many of them who do have substantial acreages from time to time.

However, it is unlikely that many have gone in for growing sudan on the scale that has Dick Doshier, southwest of Mexico, who this past week started harvesting operations on 1760 acres of the crop.

Sudan is popular in many areas

of the nation as a pasture grass, and in fact, some sudan pasture is made use of in this area. However, most of the sudan grown in Curry and Parmer Counties is harvested for seed, and sold to seed buyers.

That is what Doshier has done this year. He contracted with Casterline & Sons Seed Company of Dodge City, Kans. Fred Casterline, owner of the firm, was in this area as harvesting got started last week and commented favorably on the crop grown by Doshier and his two sons, Jarrell and Alford.

L. E. McKillip of Farwell, who was helping harvest the big crop last week, said, "I've been farming for a long time, but I've never seen so much sudan in all my life."

The crop—nearly all of which is considered excellent—is yielding up to 2000 lbs. in some spots under irrigation. Other irrigated acreage tapers down to about 1200 pounds per acre.

Dryland sudan is producing from 500 to 1000 pounds per acre, reports Doshier, who usually is referred to as (Continued On Last Page)

Sherley-Anderson-Pitman To Expand

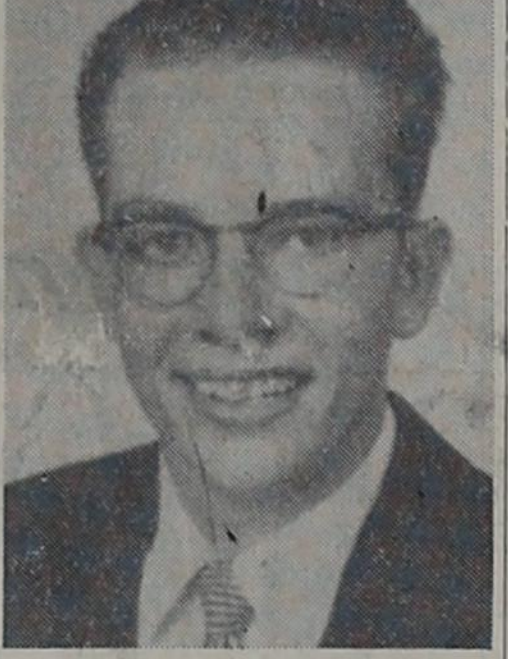

Construction now under way at Sherley-Anderson-Pitman, Inc., in Farwell, will bring to a total 1,250,000 bushels of concrete storage for the firm this fall.

Johnie Williams, manager of the elevator, says that construction of the six concrete 24-foot tanks is expected to be completed within 30 days. Chalmers & Borton of Hutchinson, Kans., are contractors.

The present facilities of 750,000 bushels are on the eastern side of the S-A-P property, and the new tanks will set in a row to the west, next to Ninth Street.

"We will need it for this year's milo crop," says Williams.

Women are publishers of 33 Texas newspapers.

TOMMY NESBITT

Okla. Lane Baptists Have Youth Revival

Wednesday evening of this week marked the beginning of a youth revival at the Oklahoma Lane Baptist Church. Tommy Nesbitt of Pleasant Hill, a student at Wayland College, is evangelist.

The revival will continue through Sunday night, with services at 8 o'clock each evening. Gary McCormick of Clovis is song leader.

Watts' Grand Opening To Be Saturday

The formal opening of the new building of Watts' Machine & Pump Company will be all day Saturday, Sept. 24, announces A. T. Watts, owner. The building is located one block south of the Farwell post office.

Free coffee and donuts will be served all day, and free balloons will be passed out to kiddies. In addition, several nice door prizes will be awarded, including a clock radio, an electric coffee maker, and a table model radio.

Registration only is required to be eligible to win.

Watts, who has been in his building for some time, says that the open house has been postponed because of the busy irrigation season which is just now tapering off.

Silage Growing in Importance

More and more farmers are coming to discover that growing and storing silage crops on their farms pays off when it comes to feeding cattle. Time was when the farm silo was as common a sight as the house windmill, but its popularity drifted away as this part of the Plains became predominantly a "land farming" area and feeding diminished in importance.

Of recent, however, the trend appears to be back to silage, and for reasons that appear to be sound. Some of the primary crops grown in and around Parmer County for silage include honey, red top cane, atlas sargo, corn, and high hegar. These occupy a sizeable total acreage in the area, and all yield well under irrigated conditions.

Yields usually can be counted on to run from 12 to 18 tons per acre, although in some cases where fertilizer and large amounts of water are properly applied, it is possible to get yields of up to 30 tons per acre.

For the individual farmer, a silage crop stored in a silo has definite economic advantages for his feeding program.

He has on hand a green, succulent feed that is available at any time of the year, and he finds that his silo-stored feed possesses more nutrients and vitamins than feed stored in any other manner.

When properly put away, there is no practical limit for the length of time that silage can be kept in good shape. There are cases of where silage has been taken from silos and found to be in good condition after as long as 15 years of storage.

Proper packing is essential to storage success, although covering the silo with earth has no apparent advantage.

Silo-stored feed won't blow away and won't burn up—two ever-present hazards to nearly any other type of stored feed. Storing silage

is relatively inexpensive, too. The farmer who has silage will find that he can feed when it will profit him to do so, and because he has an ever-ready source of supply, he is not at the mercy of the buyer as is so often the case.

With feed stored in a silo, the farmer can buy cattle when they are cheapest—in the fall, for instance—and then feed them until winter wheat is available.

When forced from winter pasturage, he can then dig into his silo for feed once again and with- (Continued On Last Page)

Corn for Silage

Here is corn being cut into forage on the Mose Glascock farm south of Farwell. The 10-acre plot of Hybrid No. 507 averaged 20 tons per acre. It was sold to the Farwell Feed Lots. Glascock applied 24 tons of cotton burrs per acre, applied 300 pounds of anhydrous ammonia, and watered four times to make the good yield. Jewel Castor of the feed pens had 70 acres of his own adjoining this field which was as good or better than Glascock's.

County May Consider Creating New Office

Parmer County citizens, who last November 2 voted in favor of a constitutional amendment allowing them to divide the offices of sheriff and tax assessor-collector, may have an opportunity in the not-too-distant future to exercise that prerogative.

No decision has been made in the county commissioners' court as to whether to hold a special election in the near future to determine whether citizens would desire separation of the offices, but the subject of such an election has been under study by the court, and likely will be again considered next Monday when the court convenes in regular session.

Parmer County's commissioners are not hurrying into a decision to call the election. They apparently desire enough time to sound out public opinion in a "straw poll" of the precincts before taking any action themselves.

While Parmer County studies the matter, neighboring counties are acting, or already have done so. Deaf Smith County the first of this week said "yes" overwhelmingly to the question.

So did Bailey County recently, and Cochran County to the southeast. It is understood that an election is being eyed by Castro County, too.

What Separation?

Residents may well wonder what the separation of the offices would entail. Some persons do not understand that one man in Parmer County has charge of and is responsible for the management of:

- 1. The county's law enforcement agency, known as the sheriff's department. 2. The assessing and collecting of taxes for both state and county tax rolls.

These offices are little more than remotely related, and they require the services of personnel trained in entirely different fields.

In counties where the population is 10,000 or greater, the offices are already divided—by law. Last year's constitutional amendment permitted the 96 counties such as Parmer—with less than 10,000—to divide the offices if the people so indicated their desire to do so.

Parmer's estimated population is now in excess of 7,000 people, conservatively figuring. But that isn't the whole story. Everyone knows that the economic development of this county has far out-

stripped its population rise, and now duties for both offices are much greater than ever before.

If the commissioners' court decides to call a special election, and it can do so without the necessity of being petitioned, then county residents will be able to express their opinions at the polls.

If their answer is affirmative, then the court could either appoint a person to act as assessor-collector, or allow the man or woman to be selected in the general election next year. The latter option would likely be the system

used in Parmer County in such an event.

Then, there would be separate candidates for the separate offices, and each would be elected as are other county officials.

The court could call the election at a very early date—perhaps next month—but the official division of the duties would not take place until the new terms of office begin January 1, of 1957.

One member of the commissioners' court this week said he would appreciate opinions of the matter, and felt sure that other commissioners would, also.

Steers Nudge Groom 21-20 Friday Night

Farwell Steers edged by the Groom Tigers 21-20 in a non-conference battle on the Groom gridiron Friday night with a conversion by Troy Christian and two extra point kicks from the toe of Eddie Smith accounting for the win. Farwell received the opening

kickoff and ran only three downs on the ground route before punting to the Tigers. The Groom eleven started a march downfield and racked up two first downs before fumbling.

The Steers recovered and soon were in scoring position after a 40 yard pass from Smith to Christian. Christian then drove five yards to pay dirt for the first TD of the game. Eddie Smith converted.

In the second period of play Christian got loose on a 65 yard run to put the Steers ahead 13-0. Smith again kicked the PAT.

Ronald Homer of the Groom eleven plowed the four yards needed for the home team's first cut. Doug Whately ran for the extra point to make the half time score read Farwell 14, Groom 7.

In the third period, Kenneth Friemel intercepted a pass from Smith, intended for Christian, and ran 20 yards for another Groom touchdown. Whately ran the extra point.

Truitt Hardage made the Steers' final TD on a two yard run after a 25 yard pass from Smith to Hardage set up the scoring play. Christian carried the ball across for the point after touchdown.

Deep in the final period Groom's Gerald Hermesmeyer sneaked through the middle of the Steer (Continued On Last Page)

FB "Open Forum" Meeting Date Set; Group Buying Aired

Directors of the Parmer County Farm Bureau Monday night set October 6, Bovina, as the date and place of the first "open forum" type meeting ever attempted by the organization.

The purpose of this session will be to draw from members who attend, their viewpoints as related to current problems affecting farmers.

The resolutions committee will then attempt to write resolutions around the ideas expressed at the open forum, and then the entire Bureau membership will have an opportunity to vote on the issues at its annual convention. The convention will be Oct. 20, also in Bovina.

The directors also discussed with great interest possible group purchasing of farm supplies, with a view in mind of decreasing production overhead. Mentioned were fertilizers, insecticides, and fuels.

Present were Gilbert Kaltwasser, president; T. E. Lovett, T. R. Smallwood, E. T. Ford, J. T. Jones, A. J. Ellison, Ralph Miller, T. L. Kent, L. F. Bruns, Roy V. Miller, and Raymond Euler, service representative.

Mrs. Coffman Places First in Curry Fair

For the third time in less than a month, Mrs. E. R. Coffman has won another first place award for flower arranging. Mrs. Coffman's last award was received at the Curry County Fair held in Clovis.

The first of her recent awards was won at the Curry County Flower Show sponsored by the members of the Clovis extension clubs. Mrs. Coffman also placed first in flower arrangement competition at the Parmer County Fair.

Mrs. Coffman will enter arrangements in the New Mexico State Fair to be held at Albuquerque, N. M., this weekend. This phase of the fair will be held at the First National Bank Building.

Sikes Motor Company To Show Fords Friday

The first showing of the 1956 Ford cars and trucks will be at Sikes Motor Company of Farwell tomorrow (Friday), says Oliver Sikes, owner.

Ford cars have new front end and side styling, in addition to a wider range of engines this year. Ford's trucks and pickups feature a new style cab, in addition to new engine choices, also.

Free coffee and donuts will be served from 8 a. m. through 6 p. m. to visitors.

Parmer County's Products Win Many Firsts at Tri-State

Agricultural product exhibits from Parmer County took 12 first places out of 29 product divisions at the Tri-State Fair in Amarillo this week.

County Agent Joe Jones, who prepared the exhibits, reported blue ribbons in the following classes:

- 1—Three pounds of lint; 2—One gallon Martin's maize; 3—One gallon of maize, other variety; 4—20 open bolls of cotton; 5—Blackeyed peas; 6—Lima beans; 7—Irish potatoes; 8—Cantaloupes; 9—Hairy vetch; 10—Soybeans; 11—Austrian winter peas; 12—Beans, other variety.

In addition, Parmer County captured six second places, three third places, and two fourths.

Two Parmer Clubbers Place at Tri-State

Two Parmer County 4-H Club boys won honors at the annual Sears show at the Tri-State Fair in Amarillo this week.

Larry Mabry, son of Mr. and Mrs. Walter Mabry, showed the grand champion boar and received \$50 in prizes. He also appeared on Cotton John's television program while there.

Jerry Rankin, son of Mr. and Mrs. O. L. Rankin of Friona, took ninth place in a gilt contest that County Agent Joe Jones reported to be the most competitive in several years. Rankin received \$26.

The boys, who won their pigs by writing essays, were fed dinner by Sears & Roebuck (sponsor of the program) while in Amarillo. There were 20 counties represented in the contests this year.

THE TRIBUNE'S EDITORIAL COMMENT

Call It Hearsepower

We think the horsepower race in automobiles has gotten out of hand. Any car that will go faster than 100 miles per hour on the straightaway is a suicide weapon, pure and simple, and maybe there ought to be a law restricting its manufacture.

We are no opponents of power and speed, except where it is excessive, and endangers the public safety. The power plants of nearly all new cars have swollen to such a size that it is an effort to drive within maximum legal speed limits.

When horsepower exceeds about 175 for present cars and present inadequate road system, it ought to be referred to as hearsepower.

We Don't Want White

Unless we've not been reading close enough, only one man has publicly announced his intention of running for governor of Texas next year—Reuben Senterfitt. However, several others are likely to enter, and are being talked up at the present time.

One of these is John White, state commissioner of agriculture. John, with his shock of unruly red hair, is an impressive figure, and he usually goes over big at gatherings where he speaks.

After hearing him a couple of times and reading some of his views, however, we don't think he would make a good governor. We still think a con-

THE STATE LINE TRIBUNE

servative state government is best—and White would certainly not provide us with that.

Seems like most everything we do has its drawbacks. We believe in advertising, but sometimes you don't want everyone to take the ad message too literally.

In The Dallas News recently, a car dealer placed a want ad in the paper using the punch line "come on down and steal our cars." Sure enough, burglars broke into the place, took the spare tires and wheels off five 1955 models, broke into the cigarette machine and made off with the cigarettes and money.

According to our NEA bulletin, fancy emporiums for decorating the male have recently noticed a terrific increase in volume of business. More men are leaving \$8 and \$10 in the barber shop than ever before to pay for the mud pack and the manicurist, plus the haircut and shampoo.

Our husband just doesn't keep with the trend. He dislikes shaving (which he does himself), and usually shaves and gets a haircut when his wife and mother resort to meaningful stares. His son doesn't seem to mind.

As for the mud pack and manicurist—we just wouldn't know!

Speaking of shaving, after seeing all the bearded gentlemen in Friona last weekend at the fair, we are only glad we weren't born into the era when face shrubbery was popular. It was amusing to plug the fair, but we imagine the fellows were glad to shave Saturday night.

Mamas will appreciate the poem below, even if the humor is missed by papas. This bit of wisdom appeared in a column in the Dumas paper.

A washcloth, a towel, and a bar of soap
And a grown-up is ready to sit and soak.

A three-year old will never bathe
Without equipment. A razor to shave.

A floating duck, a doll, a pipe,
A Dairy Queen spoon, a glass to wipe
Some straws, a sponge, a rubber fin,
And a cup to gather soapsuds in.

By the time he's through the floor's
an ocean
Of water and soap and shaving
lotion.

The bath mat is soaked and float-
ing away
The spots on the ceiling are there

to stay.
The child himself is quickly dried,
And drowsy and sweet and sleepy-
eyed.
Now the grown-up repairs all the
damage done
And wistfully thinks such a bath
must be fun.

Pool Makes Squad Roster at ENMU

Included on the roster of the Eastern New Mexico University Greyhound football team this season is Don Pool, halfback from Farwell. Pool is the son of Mr. and Mrs. Lenton Pool and will be a freshman at ENMU this year.

The present squad is composed of 24 lettermen, three squadmen from a year ago, four transfers and 13 freshmen. Coach Carl Richardson planned to take a crew of 33 on the Idaho trip. They left Portales Wednesday afternoon and planned an overnight stay in Albuquerque.

IS RECUPERATING

Rev. C. C. Morgan was taken to the Parmer County Community Hospital about 2:30 a. m. Monday and was hospitalized there for treatment of a kidney infection.

Rev. Morgan was returned to his home Tuesday at noon and Mrs. Morgan reported at that time his condition was better.

CARD OF THANKS

To those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement, we extend our heartfelt thanks.

Mrs. Baker O. Faville
Mr. and Mrs. Leroy Faville
Mikala Ann Faville

Just look at the figures if you don't think women are wearing fewer clothes these days.

Jottin's from Jeanne

Last week, we had a raisin cake recipe from Mrs. J. T. Eubanks and this week we have another type cake, from the same Parmer cook. Thanks again Mrs. Eubanks.

BANANA SPICE CAKE

- 2 1/2 cups sifted flour, cake or all purpose
- 1 1/4 cups sugar
- 2/3 cup vegetable shortening
- 1 tsp. salt
- 1 tsp. cinnamon
- 3/4 tsp. cloves, nutmeg, allspice, soda
- 1/3 cup dark molasses
- 2/3 cup mashed bananas

Mix thoroughly by hand or mixer (medium speed) for 2 minutes. Stir in:

- 2 1/2 tps. baking powder
- Add 3 eggs—1/2 cup milk
- Mix thoroughly by hand or mixer for 2 minutes. Pour into greased and floured pans. Bake in moderate oven 375 degrees about 40 minutes. Cool and ice.

Makes two 9" layers plus six cupcakes. I usually make a 3 layer cake. A very good cake and keeps well.

Mrs. Jack Smith of Lazbuddie

mentioned that when she received our card asking for her favorite recipe she thought that she did not have one that anyone would enjoy. Then when her two daughters came home from school, they read the card and immediately asked why she didn't send her recipe for chocolate pie.

She says that the pie is a favorite with the girls and that for those who like chocolate flavors, it is the best pie recipe she has ever used.

Mrs. Smith adds that the filling may seem a small amount, but that the richness of it will more than make up for the quantity.

- 1 cup sugar
- 2 rounded tablespoons cocoa
- 1 rounded tablespoon flour
- 3 egg yolks
- 1 cup milk
- 1 teaspoon vanilla
- dash salt
- 1 baked pastry shell

Combine sugar, flour, salt and cocoa and mix well. Beat egg yolks well and add the one cup milk. Add dry ingredients to egg mixture. Cook over double boiler until thick, stirring occasionally to prevent sticking. Add the vanilla when mixture is slightly cool. For the meringue, beat the 3 egg whites with 1/4 teaspoon baking powder and 1/4 cup sugar until the whites are stiff. Be sure the sugar is beaten well into the whites. Add 1 teaspoon vanilla and brown in 300 degree oven for 10 minutes.

Mrs. Smith adds a helpful hint to those who have trouble with

meringue falling. She says that she has found that substituting 3 heaping tablespoons of marshmallow cream for the sugar and continuing to beat the whites until very stiff makes the meringue on her pies stand up nicely.

We finally got away for a short visit with our parents, the Dudleys of Silverton, last weekend. Our mother-in-law took us over Friday morning and the husband came after us Sunday.

Homecoming was a disappointment, not because of lack of planning, but because the people right there in town just couldn't get away to attend the meeting. It is discouraging to travel a distance, and have people living right there not attend. We have five or six classmates who live in Silverton; none were there.

We mention this because Farwell's homecoming is to be in a short two months. If you people right here in town don't support it, how can you expect such a meeting to survive? When we get too busy to renew old acquaintances, we wonder if we aren't too busy. Somehow, we can't help but feel that friendship is one of the dearest things we can attain in life.

Our next door neighbor was showing one of the biggest nicest tomatoes we have ever seen at the first of the week. The one tomato weighed over a pound and was perfectly formed.

AUTOMATIC GAS HEATING IS THE MODERN, ECONOMICAL WAY FOR DEPENDABLE WINTER COMFORT

Announcing New Ford Trucks for '56

Exciting new functional styling draws all eyes to the finest trucks on the American road—new Ford!

Now! Most horsepower per dollar!

- NEW! More horsepower in every model... up to 26% more! Every engine Short Stroke!
- NEW! Bigger capacities! New Driverized Cabs! New Lifeguard safety features!
- NEW! New styling, new "leadership look"! Over 280 models, from Pickups to BIG JOBS!

Comparison of strokes shows how much piston travel is saved by Short Stroke engine. Result: less friction, less wear, more usable power.

Now—'56 Ford Trucks give you a choice of seven Short Stroke Y-8's and a Short Stroke Six. Horsepower increases up to 26%. More power to get you rolling faster, save you time all the way! More horsepower per dollar than any other truck line—proved by comparisons of net horsepower and suggested list prices of all trucks!

New Driverized Cabs with full-wrap windshields cut driving strain. New Lifeguard features give you protection you can't get in any other truck! See the new Ford Trucks now, at your Ford Dealer's!

No other truck gives you all of these '56 features

- NEW! 8-ft. "1/2-ton" Express for bulky loads. Also, 6 1/2-ft. Pickup. GVW 5,000 lbs.
- NEW! Deep-center Lifeguard steering wheel helps protect driver from steering column. Only Ford has it! No extra cost.
- NEW! Lifeguard door latches give added protection against doors jarring open in an accident.
- NEW! 12-volt ignition for better starting, better performance, greater electrical reserve.
- NEW! "Special" Y-8 engines with exclusive hood air scoop, 4-barrel carburetor and dual exhaust system... for extra power and performance!
- NEW! Tubeless tires run 25% cooler, give extra mileage! Standard on every Ford Truck!
- NEW! Sodium-cooled exhaust valves in heavy-duty engines operate as much as 225° cooler!
- NEW! Full-wrap windshield standard on all cabs. New full-wrap rear window at low extra cost.

College Starts for Local Young People

Several young people from Texico-Farwell and vicinity left this week to enroll at various colleges and universities throughout the area.

Students enrolling Wednesday at Eastern New Mexico University as freshmen were Gloria Dial, Georgiana Weisler, Jimmy Don Moss, Darrell Smith, Allen Lockhart, Jerry Johnson, Kenneth Reid, Ronald Hutson, Dick Felts, Don Pool, Loretta Stancell and Bobby Richardson.

Local youth who are returning to ENMU as upperclassmen include James King, junior; Ronald King, sophomore; Ronny Dial, junior; Howard Jenkins, junior; J. B. Taylor, sophomore; Darlene Sprawls, sophomore; and Richard Hapke, junior. Beverly Lovelace will be classified there as a sophomore after attending school at Stephens College in Columbia, Mo., last year.

Attending Texas Tech will be Dennis Raney, senior; Mr. and Mrs. Leon Ware, sophomores; LaVon Jones, freshman and Jim Green, junior.

Kayla Felts will be a junior at Abilene Christian College.

At Texas Christian University, in Fort Worth, Mrs. Nathan Harding will be a sophomore student. Her husband will be doing graduate work at Southwestern Theological Seminary, also in Fort Worth.

Nancy Aldridge is enrolled as a junior at the University of Oklahoma and Mary Krieger is a sophomore at St. John's College in Winfield, Kans.

Ann Whitley will leave Sunday for Denton where she will attend TSCW as a sophomore. Pudge Rose returned last week to NMMI in Roswell, N. M., where he is a freshman.

Attending West Texas State College in Canyon are Doyle Vaughan, sophomore; and Mrs. Phyllis Tucker Steelman, also a sophomore.

Robbie Foster entered McMurtry College in Abilene as a freshman and Wendell Pike started his first year of schooling at Wayland College in Plainview.

Wayne Tucker, senior, and Robert Tucker, junior, are attending the University of New Mexico. Jerry Poteet has entered Texas A&M at College Station and Douglas Williams is a sophomore at New

Mexico A&M.

Other local people who may be planning to attend college this fall were not contacted.

Business Session Begins ESA Year

The 1955-56 series of meetings for Theta Rho chapter of Epsilon Sigma Alpha, started last Tuesday evening, when the group met in the home of Mrs. Bob Brooks, to hear reports and discuss new business. Mrs. Joe Helton, president, presided over the meeting.

Mrs. Rosa Roberts, educational director, presented yearbooks to attendees, and each meeting was outlined. It was decided to write a constitution and by-laws for the local chapter, including policies that are not clarified in the state constitution. Also, a final report on the Parmer County fair queen contest was heard. Miss Sally Osborn of Friona was crowned queen in ceremonies Saturday night.

Pins of recognition were presented to past officers of the group.

Also, some members turned in funds derived from summer projects. The deadline for this activity was extended until next business meeting to allow a few members to complete their work.

The coming district meeting was announced for the second Sunday in October, in Tucumcari, N. M.

Officers to assist Mrs. Helton this year are Sylvia Watkins, vice-president; LaMoin Williams, recording secretary; Gladys Kaltwasser, corresponding secretary; Janell Brooks, treasurer; and Maxine Williams, scrapbook and Jonquil Girl.

Wilma Limer is in charge of publicity; Mrs. Watkins and Mrs. Williams and Jeanne Graham make up the contact and rush committee; Mrs. Brooks, Mrs. Kaltwasser and Dorothy Quickel are on the ways and means committee.

Planning the yearbook were Mesdames Nell Walling, Thelma Watts and Mrs. Roberts.

Next meeting will be a social September 26, in the home of Mrs. Helton. LaMoin Williams and Maxine Williams are in charge of the program.

Farwell Pep Squad Is Busy Group

Farwell High School pep squad has approximately 25 members this year and is being sponsored by Mrs. Irene Jones and Mrs. Russell Young.

The squad meets every Thursday during the seventh period and has already started several projects to aid the organization financially.

This group is responsible for programs for all the home football games and members of the squad have contacted local business firms for ads which appear on the programs.

Before each game the group sells lapel ribbons for ten cents each. President of the organization this year is Dixie Turner. Other officers serving with her include vice-president, Betty Curtis, and secretary-treasurer, Betty Smart.

Head cheerleader is Marilyn Austin, senior. Other cheerleaders are Juanita Range, freshman; Martha Smith, sophomore; Mary Ann Walls, junior; and Betty Routon, senior.

To Amarillo

Mrs. Don Williams and Mrs. Marilyn Edwards and Terri were in Amarillo Sunday for a visit with friends. While there, they attended the Parade of Homes.

New Club Year Starts For Woman's Club

"I am convinced that Texico-Farwell has, in reality, taken time to dream—in other words, the community has hitched its wagon to a star," was the comment of Dr. Mary Leone McNeff, in her president's message to the Texico-Farwell Woman's Club which held its first meeting of the new club year on Monday night at the Sky Room of the Silver Grill in Clovis.

Dr. McNeff compared Texico-Farwell of today with the community it was when she came to Farwell seven years ago. She commented about all the improvements in both towns, including street lighting, paving, new business firms and school additions and expansion.

Club members were reminded by Dr. McNeff that only busy people do things and that any club is only as good as its members make it.

Mrs. E. J. Keith gave the invocation and two new members, Mrs. Ansel Doolittle and Mrs. C. B. Stockton, were admitted to the club.

Members of the devotional committee, which includes Mrs. R. C. Cantrell, Mrs. E. J. Keith, Mrs. C. C. Morgan and Mrs. Gladys Sofford, were especially urged to attend all meetings of the club as they will be in charge of all devotions during the club year. This committee was added to the club this year. Members of the committee are all associate members of the club.

Those present at Monday night's meeting included Mesdames D. W. Bagley, Travis Brown, Joe Crume, Fred Danforth, Bill Foster, Bill Garrett, B. N. Graham, Edd Hardage, Clay Henson, Agrie Jones, Jack McManigal, M. C. Roberts, B. A. Rogers, M. A. Snider, J. D. Thomas, L. R. Vincent, W. W. Vinyard.

Also, Mesdames Johnie Williams, Jack Williams and E. G. Williams and Dr. Mary Leone McNeff.

Next club meeting will be held on October 17.

Hostesses will be Mrs. Johnie Williams, Mrs. Jack McManigal, Mrs. Willie Williams and Mrs. Jack Williams.

Mrs. Wanda Comer of Clovis will give a travelogue and theme of the program will be "Take time to look around—it is too short a day to be selfish."

Sheila Garner Has Party On Birthday

Sheila Garner was honored on her fourth birthday with a party held in the home of her grandmother, Mrs. H. L. Garner.

The cake was decorated with five candles. The extra candle was for Sheila's little brother, Derrick, who celebrated his first birthday on September 16. Sheila's birthday was September 13.

Games were played and refreshments of individual cup cakes bearing candles, and ice cream and lemonade were served to Stevie and Johnnie McGuire, Velda Donaldson, James Symcox and the honorees, Sheila and Derrick Garner.

Others present for the party were Mrs. Delbert Garner, mother of the honorees, Mrs. H. L. Garner, Mrs. Wade Carpenter and Mrs. Vernon Symcox.

Will Meet Monday

Members of the Companion Sunday School Class of Texico Baptist Church will be hostesses to a joint meeting of the four adult ladies' classes of the church on Monday night, September 26.

The meeting will be held at the church and will begin at 8 p. m. Mrs. Rita Dollar will be in charge of the program on missions.

Regular meeting of the Companion Class will be held on October 6.

Miss Daniel Wed To Anthony J. Scioli

The A. D. Smith home in Farwell was the scene of the wedding of Miss Lula Daniel and Anthony J. Scioli on Tuesday evening, September 20. Miss Daniel is the daughter of Mrs. Sarah Daniel of Kinta, Okla. His parents are J. W. Scioli and Mrs. Scioli, both of Newark, N. J.

The house was decorated throughout with lovely cut flowers and Mrs. Smith played soft wedding music at the piano.

Judge Smith performed the double ring ceremony as the couple stood before the fireplace.

Attendants for the couple were Mrs. N. W. Peyton of Texico and Marvin Beemer of Clovis Air Force Base. Beemer's home state is Michigan.

The bride wore a dress of pink and white checked material featuring a full-tiered skirt and a scooped neckline. The tiers were set off with tiny lace and the neckline was also outlined with lace.

Something old was the string of pearls she wore; something new was her wedding dress; for something blue, she carried blue accessories and something borrowed was a good luck piece she carried in her shoe.

The couple will be at home at 709 Wallace in Clovis where he is stationed with the Air Force. They planned to take a wedding trip to New Jersey to visit his parents. They will return through Oklahoma to visit her mother.

Miss Daniel has made her home with the N. W. Peytons in Texico for a period of about five years while she has been employed in Clovis. Miss Daniel is a cousin of Mrs. Peyton.

Wedding guests included Mr. and Mrs. N. W. Peyton, Beth Ellen and Sharon, and Mr. and Mrs. A. D. Daniel.

Rainbow To Install Officers Tonight

Miss Judy Garrett will be installed as Worthy Advisor of the Order of Rainbow for Girls, Assembly 158, Bovina Chapter, on Thursday night, September 22, (tonight), at the Farwell school auditorium at 8 o'clock.

Theme of Judy's installation will be "Friendship." Her chosen colors for the program are pink and silver, and Mrs. Mae Porter will be the installing officer.

Other installing officers include Jo Ann Williams, recorder; Jo Elaine Magness, marshal; Mrs. Harry Whitley, chaplain; musician, Mrs. Erma Jones; and mascot, Christy Ivy. Rainbow Dad is Nelson Smith.

Other officers to be installed include Phyllis Magness, Worthy Associate Advisor; Donna Hobby, charity; Janie Alverson, hope; Murlene Crook, faith; Lillie Ellison, recorder; Celia Berry, treasurer; Harriet Charles, chaplain;

Also, Kay Leake, drill leader; Gari Lynn Crook, love; Sherrye Vestal, religion; Joy Redden, major; Jo Carol Whitley, immortality; Sharon Coffman, fidelity; Katherine Billington, patriotism; Gwenlyne Potts, service; L'Orchid Latham, confidential observer; Fern Tipton, outer observer; Sue Estes, musician; and Pat Aldridge, choir director.

Gloria Dial is the outgoing Worthy Advisor.

Everyone is cordially invited to attend the installation ceremony.

Have Picnic At Lake

Mr. and Mrs. Charles McDaniel and Leon, Mr. and Mrs. Kenneth Willis and Frank and Mr. and Mrs. Ronny Ferguson enjoyed a picnic at Alamogordo Lake Sunday.

Mr. and Mrs. W. J. Sides Honored Sunday with Reception in Barry Home

Mr. and Mrs. W. J. Sides, residents of Parmer County since 1925, were honored Sunday, September 18, on their 60th wedding anniversary with a celebration in the home of their daughter, Mrs. Scottie Barry, east of Bovina.

Sides also celebrated his 85th birthday on Sunday. The Barry home was decorated throughout with home grown cut flowers grown by Mrs. Edd McGuire, Mrs. Lee Sudderth and Earl Roberts. Roberts made all the corsages and flower arrangements for the occasion.

Covered with a white lace cloth over blue linen, the serving table was centered with an arrangement of bluish pink and yellow dahlias with lighted blue and silver candles flanking the centerpiece.

The large white cake was decorated with blue and silver. Blue napkins, inscribed in silver with "Willie and Rebecca—1895-1955" carried out the blue and silver decorative motif.

For the afternoon's entertainment, the group gathered around a small organ borrowed from the Baptist Church for the occasion, to sing many old songs.

Mrs. Tom Caldwell presided at the guest book and those registering during the afternoon included Earl Roberts, Mrs. Clyde Perkins, Mr. and Mrs. Edd McGuire, Miss Bobbie Jean Routh, Mr. and Mrs. T. M. Caldwell, Mr. and Mrs. A. B. Wilkinson, Mr. and Mrs. Lloyd Battey, Mr. and Mrs. D. S. Harrell, Gabe Anderson, Mr. and Mrs. Franke Knabe, Mr. and Mrs. A. D. Smith;

Also, Mrs. J. E. Jones, Mr. and Mrs. Wilbur Charles, Mr. and Mrs. John West, Mrs. Billie Sudderth, Mr. and Mrs. John Stagner, Mr. and Mrs. L. M. Grissom and Lola Gene, Mr. and Mrs. W. N. Foster, Mr. and Mrs. M. B. Buchanan, Mr. and Mrs. R. N. Williford, Mr. and Mrs. Bedford Caldwell, Mr. and Mrs. Ernest Sandel, Mr. and Mrs. A. J. Routh;

And, Mrs. Mabelle Hartwell, Mrs. Charles Schlenker, W. H. Graham Jr. and the host and hostess, Mr. and Mrs. Scottie Barry.

Former Phyllis Tucker Honored with Shower

Mrs. Eddie Gayle Steelman, the former Phyllis Tucker was honored with a bridal shower Saturday in the fellowship hall of the Baptist Church.

Hostesses for the fete were Mesdames Ruby Wilson, F. O. Turner, Elmer Lowrie, E. M. Ware, Reagan Looney, Buck Ellison, Boye Taylor, Bill Bradshaw, Billie Sudderth, W. E. Williams, J. P. Macon, H. L. Tidenberg, and Maud Trimble.

The bride was presented with a white cushion mum corsage. Mrs. Amos Steelman, the groom's mother, and Mrs. Hugh Tucker, the bride's mother, were presented with white carnation corsages.

The table, covered with a white linen table cloth was decorated with blue candles. Pink asters were arranged around the pink heart. An arrangement of pink asters sat on top of the piano and the registering table was covered with a lace tablecloth and decorated with pink roses. Miss Evelyn Steelman served the guests punch, Mrs. Billie Sudderth served the cake and Mrs. Elmer Lowrie registered the guests.

The program which followed featured Miss Harriette Lou Charles, who sang "Hold My Hand" and the Junior Wilsons, Joan Kay Ezell, Nancy Cumpton, and Janice Leake, who sang "How Important Can It Be." The numbers were accompanied by Mrs. John Wilson on the piano.

Those who attended the shower were Mesdames H. J. Charles, John Stagner, J. M. Gunn, Leslie Jane Fourtrentin, J. P. Macon, Julia Leake, Donald Barron, John

Wilson, Lee Sudderth, Don Sudderth, Arnold Hromas, Leona Steelman, J. R. Glover, Hugh Tucker, F. O. Turner, Elmer Lowrie, E. M. Ware, Reagan Looney, Buck Ellison, Boye Taylor, Billie Sudderth, J. P. Macon, H. L. Tidenberg.

Also attending were Vivaleigh Steelman, Evelyn Steelman, Galen Hromas, Charlotte Hromas, Joan Kay Ezell, Nancy Cumpton, Janice and Harriette Charles.

DAR And DAC Observe Day

Daughters of the American Colonists met in the home of Mrs. Douglas Stone in Portales for a morning coffee where Mrs. Russell Bird, State Regent, gave an interesting talk.

Mrs. Bird stressed research work as an important project and urged all members to be good Americans.

A short business session was held by the Chapter Regent, Mrs. Clyn Smith. All members were urged to display the flag during constitution week and on all patriotic days.

A poem titled "Freedom" was given by Mrs. Florence Thompson. The chapter voted to give ten dollars to national projects.

The Daughters of the American Revolution held a meeting in the Hotel Boykin where a luncheon was served to 21 members.

Mrs. Byron Nelson, State Regent of the DAR, gave an interesting talk which was broadcast over the radio on Patriotism. Mrs. Nelson urged every citizen to keep up on patriotic education in schools, organizations and in every walk of life. She also stressed the fact that the constitution was not a bill of rights, but a bill of obligation as quoted in our American Creed.

Mrs. C. W. Alexander, Regent of El Portal Chapter, presided at the meeting and introduced the honored guests, Mrs. Byron Nelson, State Regent of DAR; Mrs. Russell Bird, State Regent of DAC; and Mrs. Douglas B. Stone, State Vice Regent of DAR.

Reports were given by chapter chairmen to be sent to the state convention which will be held on October 13, 14 and 15 at Deming, N. M.

Mrs. Florence Thompson and Mrs. A. D. Smith were elected as delegates from the El Portal Chapter of DAR to attend the convention.

To Tri-State Fair

Among those from Farwell attending the Tri-State Fair in Amarillo on Monday were Mr. and Mrs. John Getz and Mike, Mrs. W. H. Graham Sr., Mrs. Walter Hardage, Mrs. Sterlyn Billington, Mr. and Mrs. G. P. Meissner and family and Mr. and Mrs. Ernest Kube and family.

Donahey Twins Feted At Bridal Shower

Misses Betty and Peggy Donahey were honored Tuesday night, September 20, at a bridal shower given in the basement of the First Baptist Church of Texico.

Hostesses for the occasion were Mesdames Buddy Pearce, Ansel Doolittle, Tena Roth, Joe Carpenter, Joe Camp, Wayne Tucker, Don Fought, Jerry Paul, Barney Kelley, Murray White, Mark Fairman, Luther Pearce and Ronny Ferguson.

Mrs. Tena Roth and Mrs. Buddy Pearce presided at the serving table where refreshments of punch and cake were served.

Registering the guests were Mrs. Ansel Doolittle and Mrs. Joe Camp. Guests registering throughout the evening included Mrs. Nora Donahey, Mrs. M. C. Kreitzberg, Miss Viva Davis, Mrs. C. H. Whitener, Mrs. Howard Whitener, Mrs. Harry Donahey, Mrs. Olan Schleuter, Mrs. Guy Cox, Mrs. M. H. Poteet, Mrs. Charles McDaniel, Mrs. Fred Danforth, Mrs. Ronald London, Mrs. Harry Baker, Mrs. Leon London and the hostesses.

Wedding vows for the twin sisters will be read on Sunday afternoon, October 2, at the First Baptist Church of Texico at 2:30 p. m. (MST).

Peggy is the bride-elect of Coke Cates Jr., son of Mr. and Mrs. C. C. Cates of Broadview.

Betty will wed Lt. Wilfred L. Johnson of Clovis Air Force Base. Johnson is the son of Mrs. Charles Johnson of Pittsburgh, Pa.

Following the double wedding ceremony a reception will be held in the home of Mr. and Mrs. Guy Cox in Farwell.

Farmerettes Model At Breakfast Club

Members of the Farmerettes acted as models for Ann Lee's at the breakfast club held Saturday morning at the Silver Grill in Clovis.

Mrs. Joyce McGuire modeled a black flannel suit with brown accessories. A brown suit with brown accessories was modeled by Mrs. Avis Carpenter and Mrs. Dorothy Roach modeled an orange dress with a black blouse and black accessories.

Mrs. Janie Garner wore a turquoise corduroy duster for the show and Mrs. Ann Caldwell modeled an orange printed flannel duster. Mrs. Margie Watkins was shown modeling a chocolate brown swan dress.

Modeling a brown plaid wool skirt and white jersey blouse was Judy Roach.

Ann Lee's presented each model with a pair of earscrews after the style show. The Farmerettes have a standing invitation to act as models for Ann Lee's at the breakfast club at any time.

Other members of the group who enjoyed lunch at the Silver

Grill were Mrs. Lois Billingsley, Mrs. Jerry Meeks, Mrs. Walter Verner and Mrs. Ann Caldwell's mother.

Judy Billingsley drew the names for the gifts at the breakfast club.

Farmerettes' regular meeting date is the last Thursday in each month. No definite plans have been made for the next meeting of the organization.

4-H Club Leaders Meet In Farwell

4-H Club leaders from Parmer County met at Farwell Monday afternoon at the office of Miss Corinne Stinson, county home demonstration agent, to discuss plans for future activities of the various county clubs.

Plans were discussed for an achievement program to be held in connection with National 4-H Club Achievement Day which is November 12. No definite date has been set for the local achievement day, but Miss Stinson reports that county awards will be presented to boys and girls in the county 4-H Clubs for achievement.

Also discussed was the selection of girls to receive the Farm Bureau leadership awards to be presented at the annual convention of the Parmer County Farm Bureau.

These awards are based on club records and general leadership. Girls eligible for the awards will write narratives on leadership according to Miss Stinson.

One girl from each club in the four major communities in Parmer County will receive an award. Awards will also be presented to members of Boys' 4-H Clubs, FFA and FHA Chapters.

A safety program to be carried on by 4-H Club members in the county is being planned, but no definite date for the program has been set. Girls and boys from the clubs plan to start a safety campaign by putting reflector tape on farm equipment.

Members of the 4-H Club Council will meet in the Bovina Legion Hall on Saturday, October 8. No date was set for the next meeting of this 4-H Club leaders group.

Those present for Monday's meeting were Mrs. J. E. Whitesides and Mrs. Earl Stevenson of the Bovina Clubs; Mrs. J. D. Mabry and Mrs. A. E. Barnett of the Friona Clubs; Mrs. A. G. Thorn and Mrs. Jack Smith of Lazbuddie Clubs; and Mrs. Paul Winegeart represented the Oklahoma Lane Club

Farwell Band Is Well Represented At Fair

With the exception of one person, all members of the Farwell School 60 piece band were in Amarillo Monday morning, September 19, to participate in the Tri-State Fair parade.

Mrs. Erma Jobs, director of the band, said that the group made a fine showing and that they all had a good time at the fair. There were 24 bands marching in the parade on a non-competitive basis.

Mrs. Jobs also reports that the chorus has begun working on the annual fall Footlight Revue which will be held some time soon after football season ends.

Vacation in Colorado

Mr. and Mrs. Bert Williams, Mark and Barry, returned Friday from a vacation trip to Colorado Springs.

The Williamses left Farwell Sunday, September 11, and went to Colorado Springs where they spent two days. They then visited in the Pike's Peak area.

Some of the points of interest they visited included Will Rogers Shrine and Zoo, and the Cave of the Winds.

They went to the Royal Gorge at Canon City and drove through the mountains near Gunnison. Mrs. Williams says that they really saw "a lot of mountains."

Farwell FHA To Meet In October

Farwell Chapter of Future Homemakers of America will meet on Monday night, October 10, to plan activities for the coming year according to Jo Elaine Magness, president of the organization.

The group has not met thus far during this school term, but members are working with the sponsor, Mrs. L. B. Penick, for a good club year.

Officers elected at the close of last year's school term to serve in the chapter include president, Jo Elaine Magness; vice-president, Betty Hubbell; secretary-treasurer, Mary Ann Walls; song leader, Betty Curtis; pianist, Doris Pond; parliamentarian, Pat Aldridge; and historian, Betty Smart.

ESA To Meet Monday In Graham Home

ESA will meet in the home of Mrs. W. H. Graham Jr. on Monday night, September 26, at 8 o'clock. Place of the meeting was originally scheduled at the home of Mrs. Claude Dyer.

Program committee members for this meeting are Mrs. Bert Williams and Mrs. Don Williams. Members may invite guests, and those planning to bring guests are asked to notify Mrs. Graham by Sunday, September 25.

To Oklahoma

Mrs. Johnnie Williams and Jo Ann and David Anderson took Mrs. Williams' parents, Mr. and Mrs. J. H. Stone, to Amarillo Saturday where they met their daughter, Mrs. Glenn Fowler.

The Stones accompanied Mrs. Fowler to her home in Carnegie, Okla., for a three weeks' stay there.

To San Antonio

Mr. and Mrs. W. J. Sides planned to leave today (Thursday) for a trip to San Antonio to visit their son and family, Mr. and Mrs. David W. Sides, for a few days. Mrs. Scottie Barry, daughter of

Mr. and Mrs. Sides, planned to drive her parents to San Antonio for the five day visit.

Two Women Visit In Crume Home

Visitors Tuesday of last week in the home of Mr. and Mrs. Kirt Crume were Mrs. Frances Butkovich and Leona Plese of Albuquerque. They were enroute home from New Orleans, where they had taken Mrs. Butkovich's grandson to enroll in Loyola University.

Move to Farwell

Mr. and Mrs. Robert Widener, formerly of Friona, have recently moved to Farwell to make their home. Widener will be employed by Bill Garrett.

To Quannah

Mr. and Mrs. L. B. Penick spent the weekend in Quannah where they visited her father, W. L. Wilson.

Back In School

Edith Ann and Milton Lee Walling, children of Mr. and Mrs. Mitz Walling, were both on the sick list last week. Edith Ann suffered a throat infection and cause of Milton Lee's illness was not determined. Both children are back in school this week.

Sale Is Success

Farwell senior class sponsored a bake sale Saturday, September 17, and report that the response to this project was very good.

The same group plans to sponsor another bake sale some time within the next two weeks. Details of time and place of the coming sale will be announced later.

Are Honored Sunday

Mrs. Mitz Walling was hostess to a birthday dinner Sunday honoring her father, C. L. Gunn, and her brother, Junior Gunn, both of Forrester, N. M.

Those present were Mr. and Mrs. C. L. Gunn, Mr. and Mrs. Junior Gunn and baby, and the host and hostess and family, Mr. and Mrs. Mitz Walling, Edith Ann and Milton Lee.

Attend Funeral

Mr. and Mrs. Melvin Snider and Melvin Snider Jr. were in Quannah Wednesday of this week to attend the funeral of Snider's aunt, Mrs. Mary Bradley, who died in Pendleton, Ore., last Friday.

Variety Club to Meet

Variety Club will meet on Tuesday, October 4, in the home of Mrs. J. M. Pruitt at 2:30.

All members are urged to be present and are asked to bring paints to the meeting.

Church Has Social

A crowd numbering between 40 and 50 persons attended the family night social held at St. John's Lutheran Church in Lariat on Sunday night, September 18.

After a supper of sandwiches and cake, the group enjoyed an evening of playing games.

Those present brought clothing for the world relief program, and plans were made to ship the clothing at a later date.

In Moore Home

Recent guests in the home of Mrs. Jim Moore and Jimmy were Mrs. Moore's brother, Fred Smith of Houston, and her mother, Mrs. Mollie Smith of Hale Center.

To Oklahoma

Mr. and Mrs. Calvin Murray visited Friday night in Groom with Mr. and Mrs. Weldon Reno after the Farwell-Groom football game.

The Murrays then went to Delhi, Okla., where they visited his father, B. L. Murray, and his sister, Linda Murray.

They returned to Farwell Monday.

Has Bridge Party

Mrs. Johnnie Williams was hostess to the Thursday afternoon bridge club at her home the past week. Twelve were present for the social.

Mrs. Don Williams is hostess today.

To Hereford

Mrs. W. H. Graham Sr. went to Hereford Monday afternoon to join her daughter and family, Mr. and Mrs. Vance Crume and daughters, for a trip to the Tri-State Fair in Amarillo to attend the Holiday on Ice Show Monday night. Mrs. Graham returned home Tuesday morning.

Mr. and Mrs. Gilbert Kaltwasser left Tuesday morning for a trip to the mountains in New Mexico. Mr. and Mrs. Walter Kaltwasser are planning a trip to Ruidoso, N. M., this weekend.

Visiting Saturday and Sunday with Miss June Hensley was her brother, Marion, of Pampa.

DWI, Bad Checker Fined in Court

C. L. McWhirter, Bovina, was fined \$1 plus costs in County Judge A. D. Smith's court Monday after pleading guilty of giving a worthless check to Crow Slaughtering plant of Friona.

McWhirter paid the \$20 prior to the trial.

Joal Lovejoy Raburn, Clovis, was fined \$100 and costs on a charge of DWI. He pled guilty in county court and paid his fine.

Raburn was picked up Sunday in Farwell by Sheriff Chas. Lovelace.

Local Men Attend Texas-Tech Game

John Aldridge, Elmer Hargrove, Bob Anderson and Don Williams left Friday for Austin to attend the Texas University-Texas Tech football game.

The Tech team defeated their opponents in one of the first upsets of the season.

The men returned home Sunday.

HOMECOMING PLANNED

All former residents of Bowie County are urged to attend the annual picnic and get-together to be held Sunday, September 25, at Mackenzie Terrace in Lubbock starting at 11 a. m.

Those planning to attend are asked to bring a picnic lunch.

Sometimes the girls who could marry anybody she pleased, just doesn't please anybody.

See The New FORDS For 1956

ONE OF 17 MODELS—Advanced front end and side styling of the new 1956 Ford is emphasized in this view of the Sunliner convertible, one of 17 new body styles which Ford dealers will place on display next Friday, September 23. The grille has been widened and lengthened, and parking lamps have been worked into chrome housings which extend around the sides of the fenders. A new-style hood ornament is recessed above the special Fairlane Ford crest. On the fender is the new ornament indicating "Thunderbird power", which is standard in Fairlane models with the Y-8 engine.

NEW CAB STYLE—Ford's F-100 pickup truck with wraparound windshield and hooded roof is available in a 110 or 118 inch wheelbase to carry either a 45 or 65 cubic foot box. Powered by a 223 cu. in. I-block six cylinder engine rated at 133 hp, or a 272 cu. in. Y-8 rated at 167 hp, the pickup has five transmissions available: standard, overdrive, Fordomatic and heavy duty 3 speed and 4 speed. Ford's 1956 trucks go on display at 6,800 Ford dealer showrooms September 23.

Stubble Mulching Keeps Soil In Place and Reduces Blowing

Stubble mulching can help keep soil in place and reduce sand and dust storm frequency and intensity. It is also one of the most adapted conservation practices for widespread application in our area. Average yields have been increased by using the practice over a period of years.

Protects From Erosion

Stubble mulching leaves as much stubble of residue producing crops such as sorghums and wheat on the surface of the ground as possible while cultivating to kill weeds. The practice accomplishes the intended purpose of protecting the soil from erosion by wind and water. Insects have not proven to be a problem in connection with the practice.

The ideal implement for stubble mulch tillage is a sweep-type blade at least 30" wide. A 6" overlap between sweeps gives a spacing between shanks of at least 24" and vertical clearance to permit stubble to pass. It is wise to use a rolling couler ahead of the shanks.

Durable Machine Best

The machine supporting the sweeps should be durable and heavy enough to stay in hard ground when the sweep settings are at level position. A power lift is of great benefit. Either toolbar mounted sweeps or field cultivators may be used. The larger the sweeps the more effective the results in leaving residues on the surface.

When fallowing land, a good practice is to use delayed fallow which is cultivation delayed until the first crop of weeds develop in the spring following harvest. This eliminates up to 35 per cent of the expense of cultivation in comparison with the usual ways of fallowing and it produces equally as high yields.

The undisturbed stubble, plus any fall weed growth, provides the best possible protection against erosion during the blow season and gives the soil a remarkably receptive condition to moisture.

When tilling the land after harvest, the first tillage should be made the deepest, and successive cultivations should be shallower to avoid a plowsole formation. Tillage of soil at a constant depth when wet smears soil particles together, destroys air space and inhibits oxygen replenishment in the soil. Points of the sweeps should be pointed slightly downward to hold the plow in the ground only as a last resort. Extremely hard ground may warrant a set-

ting to keep sweeps plowing instead of riding out. Rains do not generally resist weeds unless they occur within a 24-hour period after working.

In preparing row crop land, the stubble mulch sweep machine can be used for pre-planting operations up to the time the crop is listed.

Adaptations of stubble mulching have been used in other ways. Crops aftermath including weeds and sorghums or wheat stubble has been managed by use of stalk cutters, particularly the power driven type. This leaves a layer of vegetative material on the surface. This is also a very good procedure when growing redtop cane for soil improving purposes. All material has been cut to size which is easily manageable for future farming operations.

Factors Are Cited

Several factors which favor stubble mulching in the area are as follows:

1. Stubble mulch breaks up water films that greatly restrict the intake of water by soil.
2. Stubble on surface intercepts raindrops and reduces their tearing down effect on soil surface structure.
3. Soil surface is less pulverized by sub-surface tillage, and therefore less subject to erosion than by some other methods.
4. Decay of plant residues and formation of decomposition products that stabilize the soil surface takes place mainly at the surface where it is most needed.
5. Decrease run-off of water.
6. Surface vegetative mulches reduce surface wind velocities and allow less soil movement.
7. Reduces evaporation.
8. Reduces surface crusting and aids in seeding emergence.
9. Forms a very good base condition for seeding grasses and legumes and giving them protection during critical periods.
10. May be used in control of soil temperatures.
11. Helps maintain organic matter in soils.

Increases Yields

The economic aspect of stubble mulching which is pleasing is in its increased average yields. In an area such as ours where the average rainfall is less than 20 inches and there are more dry years than wet ones. Moisture is the limiting factor in crop production. By the management of these surface residues, the farmer is usually favored by the conditions set up.

Years with above normal precipitation may produce more on lands tilled in other ways when fertility rather than moisture is the limiting factor, but these years are unusual and the average is the criteria that must be used as the yardstick over the years. Stubble mulching can do a lot for our plains agriculture.

Organization of People

A soil conservation district is an organization of and by the people who own and operate agricultural land. They form a subdivision of government, like a city, a county, or an independent school district, and like these other subdivisions are authorized by state law. Soil conservation districts assume the responsibility for getting the conservation job done in their districts,

and they accept help from the Soil Conservation Service, from the state, the county, commercial and civic organizations — well, from anyone able and willing to help. In most states the people in the district elect five of their number to manage the district's affairs as a board of supervisors. (Some state laws require a different number of supervisors — or commissioners). Soil conservation districts include more than four-fifths of the nation now.

New Farwell Gym Nears Completion

Superintendent of Farwell Schools, Jack Williams, said this week that work in the new gymnasium east of the high school building is nearing completion and that at the present time it looks like it will be ready for full use by October 1.

Workmen are getting ready to sand the floors and there is still some work to be done on the exterior of the structure.

The new band hall in the gymnasium has been in use since the starting of school.

RECEIVES BURNS

M. A. Palmateer received second degree burns to both legs Friday of last week when a radiator hose on an irrigation motor exploded. Palmateer, a former resident of the Texico vicinity, is confined to Clovis Memorial Hospital at the present time. His condition is reported as good.

Car Inspection Deadline Is Set

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today that the Public Safety Commission has set September 15, 1955, through April 15, 1956, as the new motor vehicle inspection period for state motorists.

Garrison pointed out that this will give Texas car owners a full seven months to report to one of the more than 4000 licensed inspection stations in the state for a safety check of their vehicles.

MOSELEY TO LUBBOCK

Hugh Moseley, county clerk, was in Lubbock Wednesday to attend the dedication of the new Mackenzie Lodge No. 1327. George Mofett, grand master of Dallas, officiated at the ceremony.

LETTERS TO THE EDITOR

UNION GAP, WASH.

Dear Sonny:
Hope you get this in time so we won't miss a copy of the Tribune.

We surely enjoy every copy of the news. We also had several families from there visiting here this summer and they said they didn't know how much your paper meant to them until they were away from home. So you know it is always enjoyed more by us as it tells all the news from there.

There has been a hospital opened in Farwell, I think, but you never have its news. Why?

You don't have our address correct. Please change it so I won't have to go to the office to get it.

Thanking you for your nice paper and all the news.
Mrs. W. C. Barber
2713 5th Street
Union Gap, Wash.

Texas Pasture Lands Being Re-established

Drouth-breaking rains in many parts of the state have focused attention on the need to restore vital pasturelands ravaged by five years of burning dry weather.

Many thousands of acres of rangeland, especially in West Texas, have been relegated to "second table" or even barren condition during the drouth. Rainfall, alone, will not restore it to proper productivity without additional care.

Landowners must take into consideration the makeup of the soil when they start seeding operations. Plenty of seed but too little lime and fertilizer may mean "poor luck" in establishing a good pasture.

There are scores of reasons for poor stands and failures, including planting seed too deep or too shallow, lack of firmness of seed bed, use of poor quality or unadapted seed and competition by weeds. These are particularly true when a good legume-grass cover is attempted. Yet, the major cause ap-

pears to be a lack of plant nutrients.

Some 4 million of our nation's farms are below even minimum standards of grass culture. The complacency shown by many growers in regard to regular and disastrous stand failures is costing them an extra \$50 million a year for seed, alone.

Before seeding a field, it is to the farmer's advantage to get a complete soil analysis and determine what nutrients it may need to guarantee a good crop. On one Central Texas farm, proper fertilization meant the difference between 2,210 pounds of weed-free forage per acre as compared with a previous yield of 410 pounds containing 40 to 70 percent weeds.

Grassland farmers are urged to consult their county agents or write direct to the Texas Department of Agriculture, Austin, for soil sample information. Proper planning beforehand may mean the difference between success and failure in re-establishing pastures wiped out by the drouth.

Teen-agers—People who express a burning desire to be different by dressing exactly alike.

CHANGING TIMES

Then there is the fellow who poured alcohol on his tomato plants so he could raise raise them stewed.

Then there was the girl who worshipped the ground he walked on until she learned that he didn't own the property.

Here Friday! NEW '56 FORD!

The fine car at half the fine car price!

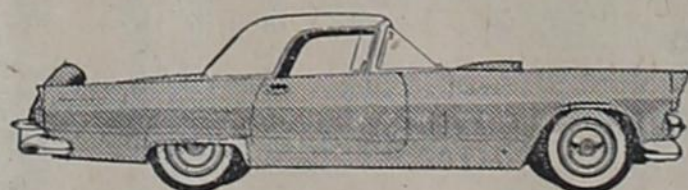

With new 202 h.p. Thunderbird Y-8

New 202-h.p. Thunderbird Y-8 engine is available in Fordomatic Fairlanes and Station Wagons. In Fordomatic Customlines and Mainlines you can have the 176-h.p. Y-8. And Ford's new 137-h.p. Six is available in all 18 models.

...with new Thunderbird styling

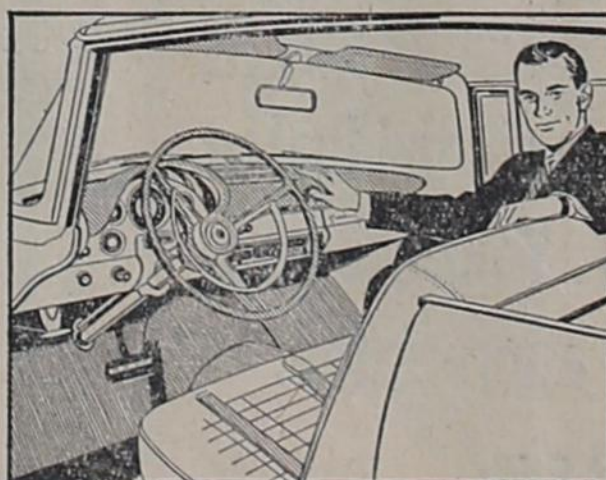

The new '56 Ford looks like the Thunderbird! You'll find the same graceful lines... the same long, low silhouette... the same dashing appearance... styling which helped the fabulous Ford Thunderbird to win America's heart.

...with new Lifeguard Design

For '56, Ford brings you the greatest safety news in a generation... Lifeguard Design. In cooperation with universities, medical associations and safety experts, Ford learned the cause of most serious injuries in accidents. To provide extra protection against these hazards Ford developed the new Lifeguard features described at right.

But there is still more wonderful news! Ford brings you Thunderbird power in a modern deep-block Y-8... Thunderbird beauty, too... rich new interiors... quality throughout.

See it... try it... you'll agree the '56 Ford is the fine car at half the fine car price.

Ford's new Lifeguard features are: a new deep-center design steering wheel, to act as a cushion in event of accident... double-grip door locks to reduce chance of doors opening under shock... optional padding for control panel and sun visors to help lessen injuries... optional seat belts to help keep occupants in seats.

Come in... See the new '56 FORD Friday

BY KATE LINDOP

Junior Class
Has Social

The Junior Class, under direction of Mrs. Doyn Merriman and Mrs. James Roach, met at the Bovina Roadside Park Sunday afternoon at 4:30 p. m., for a social hour together.

The group enjoyed playing

CAN'T BUY IT WHEN
YOU NEED IT MOST!

That's one thing about life insurance that should be kept in mind. Buy early—it's the best investment you can make!

JOHN GETZ, Agent
Farwell, Texas

games and making hot dogs. Watermelon was also served.

Class members present were David Lindop, Virginia Willard, Tommie Snodgrass, Gerald Gober, Aubrey White, Donna Sudderth, Zell Billingsley, Patricia Patton, Paula Winegeart, Judy Billingsley and Ricky Cooper.

Guests were Rev. and Mrs. Vernon Willard, Dannie Lindop, Mr. and Mrs. L. L. Cooper and Leslie, Doyn Merriman and Gary, Mr. and Mrs. Tom Lindop, Bruce Billingsley, and the teachers.

K-K Club Meets
In Blankenship Home

The Knick-Knack Club ladies met in the home of Mrs. Ginny Blankenship Thursday, September 15, with 11 members, three children and the hostess present.

The group enjoyed tacking a comfort for the hostess, and hemming cup towels.

Next meeting will be with Veta Bolton on Thursday, October 20.

Mrs. Betty Jackson of Muleshoe will be demonstrator for a hostess party at this meeting.

Members present were Dorothy Brown, Nettie Johnson, Sylvia Watkins, Kate Lindop, Lois Billingsley, Jean Paine, Ma Rue Snodgrass, June Patton, Louise Douglas, Nadine Rundell, Veta Bolton and the hostess.

Refreshments of cheese sandwiches, Fritos, cake and lemonade were served to close the meeting.

METHODIST CHURCH NEWS

Rev. Vernon Willard, Pastor

Attendance Sunday, September 18, for church school was 82. Approximately 110 were present for the worship hour.

Preceding the sermon, a christening service was held for Cynthia Suzanne, infant daughter of Mr. and Mrs. B. J. Foster, with the pastor officiating.

Visitors at the church were Mr. and Mrs. Lee Doshier and daughter of Texico, Mrs. A. J. Doshier of Farwell and W. A. Doshier of Tulsa,

Pruitt; mission study chairman, Mrs. Katherine Hardage; social chairman, Mrs. Lucille Hukill; vice-president, Dortha Mason; second vice-president, Mrs. Betty Pruitt; and stewardship chairman, Mrs. Julia Symcox. Carol Hukill was a guest at Monday's meeting.

Miss Margaret Verner, freshman student at Texas Tech, was at home Sunday to attend worship services at the church.

Members of the Brotherhood of the church were hosts to the Brotherhood organization of Kress Baptist Church for a barbecue supper held at the church on Monday night.

Howard Garner, president of the local Brotherhood, welcomed the guests and then turned the evening over to the visitors who presented a very interesting program.

Those present from the local Brotherhood included Sterling Donaldson, Howard Garner, Harold Carpenter, Jack Roach, Frank Edwards, Walter Verner, Bernard Nelson, Frank Doshier Jr., Jimmie McGuire, Delbert Garner, Mr. Blevins, Bert Andrews, Alton Pruitt, Donald Watkins, Kenneth Johnson and Charles Hukill. Eleven members of the Kress Brotherhood were present.

Local church members who represented the church at the Tierra Blanca Associational meeting at Canyon Tuesday of this week were Mrs. Frank Edwards, Mr. and Mrs. Howard Garner, Mr. and Mrs. W. E. Verner, Mrs. J. M. Pruitt and Rev. and Mrs. Vance Zinn.

PSP Fair Boosters To Stop Over Here

Radio and television stars will accompany a group of Lubbock businessmen to Farwell, Thursday, September 22, to greet local residents and to extend an invitation to attend the Panhandle South Plains Fair September 26 through October 1.

The delegation will arrive at 12:20 p. m. loaded with free souvenir balloons and pencils for the children and copies of the "Fair News," a Fair Association publication which gives the color and highlights of the Fair. The main attraction this year is the South Plains first ice show, "Holiday On Ice," which will be staged at the Fair Coliseum Sept. 25-30. A cast of 125 expert skaters, lavishly costumed, will perform. Stars are Jinx Clark and Bobby Blake along with Olympic skating star Sonja Kaye.

The businessmen will also tell of the nearly doubled livestock premiums, the new swine and cattle barns, the newly-paved midway, and the performance of the singing cowboy, Tex Ritter, who will entertain Fair audiences Saturday, October 1.

While here, Lubbock businessmen will present free Fair tickets to the superintendent of schools for all local children, since the Fair Association has designated Monday, September 26, as "Area School Day." The businessmen will also visit their associates in Farwell to become better acquainted. They will then proceed to Clovis, and Portales.

Saturday Is Fair Day For Rural Youth

Saturday, September 24, has been set aside as Rural Youth Day at the Tri-State Fair in Amarillo.

Members of all 4-H Clubs, Future Farmers of America Chapters and Future Homemakers of America Chapters and leaders of these groups will be guests of the Fair on that day.

A special Rural Youth Day program has been planned and will be held in the sports arena at the fair grounds starting at 10 a. m. on that day.

These groups will be admitted to the matinee performance of the Holiday on Ice Show at reduced prices. Regular admission is \$2 per ticket. Members of the above mentioned organizations will be admitted for \$1 each.

"Cotton" John Smith will be master of ceremonies for the special program and music will be furnished by a western band. Group singing will be led by Homer Rice.

The Berg Sisters of St. Francis will sing several popular songs and John Boyce, vice-president of the Tri-State Fair, will give a welcome address.

Delbert Dalby, president of the

Fair, will be in charge of the crowning of the baking queen and the wheat kings. A wheat king will be chosen from 4-H Clubbers and one will be chosen from the Future Farmers of America groups. The program will be televised over KGNC-TV.

HOPPER—

(Continued From Page 1)

A number of times we have noticed the seemingly odd questions of residents from the Middle West, who wanted to know, "What is that beautiful, short grain you are growing out here?" To we who live here in the heart of the milo country, it seems incredible that there is anyone who doesn't know what milo is, but that does happen to be true.

If grain dealers across the country have to be told what grain sorghums are, then how much more less informed could we expect the feeders and other potential markets of the distant parts of the nation to be?

Surely we can see that the grain sorghum producing industry—of which we are the very heart—has a BIG job ahead in the field of promotion and product education.

No doubt there are hundreds—perhaps thousands—of potential buyers of grain sorghums who wouldn't recognize the grain if it was placed in their hand.

We'd be mighty tickled to sell every grain we grow this year to them for a whole lot less than they will be paying for corn. If they can only be brought to see the advantages of buying grain sorghums, then we have gone a long way in helping a vital industry that is flat of its back at the present time.

Have you checked the local milo market the past few days? If we don't create some demand for the mountains of grain we are producing, we may see darker days than we're seeing right now.

We are solidly convinced that some organized effort to spur sales of grain sorghums needs to be gotten underway without further delay.

Some farmers of this area tell us they are practically giving away their crop this year even with the help of a government support price. It ought to be made the last year we ever gave away a grain sorghum crop!

Texico Teachers To Center Thursday

Six Texico school men were in Center Thursday night to attend a meeting of Curry County Schoolmasters. County tournaments for the year were on the agenda for discussion.

Attending from Texico were Agrie Jones, John Adams, Merle Thurman, Paul Frederick, C. B. Stockton and Curtis Miller.

FARWELL

Silage Good Buy When Feeding Cattle

(Continued From Page 1)

hold his cows from the market for any length of time he deems advisable.

It should be pointed out that storing and feeding silage is not all play and no work, however. Most farmers dislike the chore of digging silage out of the silo—especially when the weather is disagreeable.

Silage—which preserves itself by fermentation—gives off an odor disagreeable to humans and thus proves to be a further nuisance to the operator. Its smell, however, is relished by livestock.

For those persons who are considering the installation of a silo or the growing of silage crops, County Agent Joe Jones reports that he has some excellent bulletins on hand which deal in detail with these enterprises.

Dick Doshier Grows 1760 Acres Sudan

(Continued From Page 1)

to by his auctioneering title, "The Colonel."

In addition to the big sudan crop, Doshier is selling 110 acres of Atlas Sargo to Casterline. It also is yielding well, and will make 3000 pounds of grain or 20 tons of silage to the acre, according to the farmer.

Doshier appears to be in the sudan raising business for keeps. "I have been farming around here

for 24 years and have never missed a year of raising some sudan," he says. In addition, he adds that he always has ended up making some money out of each year's crop—which is unusual.

Steers Nudge Groom 21-20 Friday Night

(Continued From Page 1)

line and charged downfield 38 yards for the Tigers' final tally. Whatley's attempt to run the extra point failed.

Groom had possession of the ball on Farwell's five nearing the end of the game. As the whistle blew to end the tussle, the Steers had just thrown the Tigers for a several yard loss on a pass play.

Statistics of the game were not complete, but Groom racked up 10 first downs while the Steers managed only 5.

Coach Russell Young says that his boys looked more polished in this game and that they drew fewer penalties than in their season opener with Melrose.

Preston Cain turned in a good punting performance, kicking four times for an average of about 35 yards.

Defensive standouts for the Steers were Gerald Hardage, Jerry Dee Owens and Douglas Hillock. Darrell Garner did some fine blocking.

The local squad will be idle this week, but will be drilling for the tilt with the Friona Chiefs on Friday night, September 30, at Farwell. Game time is 8 p. m.

Scattered Showers During Past Week

Scattered showers fell over the Texico-Farwell, Farmer County area during the past week, bringing from .25 to about two inches moisture at varying points.

The most concentrated showers were reported near and east of Friona, where some reports of about two inches were heard. Most localities caught considerably less, however.

For the most part, the rains have come too late to do great benefit to the maturing feed crop. It is felt that they have not caused much damage to cotton, and any moisture at all is appreciated by wheat farmers and those having grass.

Teddy Gulley Arrives On Iceland This Mo.

On Sept. 6, A/3c Teddy E. Gulley of Rte. No. 1, Farwell, arrived at Keflavik International Airport, Iceland for assignment to the Iceland Air Defense Force.

The Iceland Air Defense Force is responsible for the air defense of Iceland, and the maintenance of air-sea rescue and refueling facilities for commercial and Military Air Transport Service transoceanic aircraft.

TO FOOTBALL GAME

Bob Hart and Glenn Phillips were in Austin over the weekend to attend the Texas Tech-Texas University football game. They flew from Lubbock.

FARWELL BAPTIST NEWS

Rev. E. J. Keith, Pastor

Leonard Watkins of Fort Worth was guest speaker at the church on Sunday night. Watkins is a student at Southwestern Seminary at Fort Worth and is well-known in this area. He and his wife had been to Amherst to attend the funeral of her uncle.

Attendance for Sunday School, Sunday morning, September 18,

was 145. Seventy-eight persons were present Sunday evening for the training union program and a good crowd attended the evening worship service.

Several members of the local church attended the annual Tierra Blanca Associational meeting held in Canyon Tuesday of this week.

Girls who model the latest styles in bathing suits don't show them, they show her.

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

"Tail Water" Tough Problem, But Here Are Some Suggestions

By W. H. Graham Jr.

With the publication recently of a story relating the difficulties of some farmers in controlling irrigation water on their land, an inquiry was made by this newspaper into ways of reducing or eliminating waste or "tail water" from irrigated fields.

The county agent's office and the Parmer County Soil Conservation technicians have been very helpful in offering suggestions designed to improve the efficiency of well irrigation on the High Plains.

In addition, there has been considerable comment offered from individual farmers who have had unusual problems of their own in using irrigation water, and they have been glad to explain how they reduced the waste of water in their own way.

There are many ways of helping solve the problem of tail water in irrigated farming. Some may not prove to be practical—or even possible—on certain farms.

The individual doing the irrigating will have to decide for himself which method can be made use of, on his own place.

In addition, it should be noted that some practices are only temporary or "part-way" measures that should be eventually replaced by a program of a more permanent type.

The installation of underground concrete irrigation tile nearly always results in a great improvement in irrigation water management. Though expensive in initial cost, farmers who have used it assert that it is the greatest single improvement any irrigated farm can have.

Aluminum surface pipe, coupled to an underground tile system, provides a flexible, accurate, and trouble-free means of transporting irrigation water from the well to the row—the first basic conservation step.

If the problems of ditches and tubes are eliminated, farmers often find that other miscellaneous irrigation problems which are interrelated with these first two diminish or disappear entirely.

Bench Levelling
A practice which is often very desirable on steeply sloping farms

is bench levelling. In this system, the land is levelled in separate grades and has the appearance of a stairway when completed.

Sometimes it may not be practical to bench level an entire field, but irrigation farmers find that by so treating the lower end of their farms, a great amount of tail water can be utilized.

In some cases, bench levelling of the lower end has resulted in a complete elimination of waste water. In any event, this practice is classed as a permanent improvement to any farm.

Broadcast Strips
Another treatment which can be inexpensively given the lower end of sloping irrigation runs is to close drill or broadcast a strip of grain sorghum, hegari, or some other crop.

The close-knit stalks of the crop will do a great deal to retard the headlong rush of water from the irrigation well. In addition, farmers who have tried this method report that often the best part of their crop is taken from this broadcast strip where saturation of water was made possible.

Broadcast strips are obviously a year-to-year practice and not permanent improvements in any sense.

Shorter Runs, Smaller Tubes
Although more labor is required, many irrigation farmers have profitably used the method of reducing the length of their irrigation runs and using smaller tubes to obtain better distribution of their irrigation water.

A good system of ditches is required for the successful operation of this system, however.

Water Down Row
An Oklahoma Lane farmer telephoned The Tribune to explain a practice he has adapted for a number of years on steeply sloping land. He believes it entirely practical, and reports that he has had great success with this method.

Prior to planting his grain sorghum, he chisels out a seedbed where he will later place his row. Then, when the rows are planted in this chiseled-out place, the young plant will have a good place to root down.

In addition, this broken-up earth accepts water much more readily

than soil in the "middles" where implements roll back and forth so

many times during the growing season.

Then, when watering time comes around, he waters directly down the row, and because his soil is open, he receives great penetration. He does not use sweeps to clean out his middles for watering.

He reports that a knifing job will get out all the weeds, and that through actual experience, he has secured a yield of one-third greater on row-watered grain sorghum (on hilly land) than where watering was down the middles.

Cut-Back Head Method
Some farmers have had success using a method of irrigation known as the "cut-back head" system.

In this practice, they boost the head of water going into the rows a great deal when the set is first made, and then reduce the flow later on for a soaking-in period.

An example of this practice would be the farmer who places 2-inch tubes in each row and leaves them there until the water reaches the other end of the field (or is nearly out, depending on slope of land and condition of soil).

He then removes one tube and lets the other continue to soak up the row, although the volume is reduced by such an extent that the water will usually not run excessively out of the end of the row.

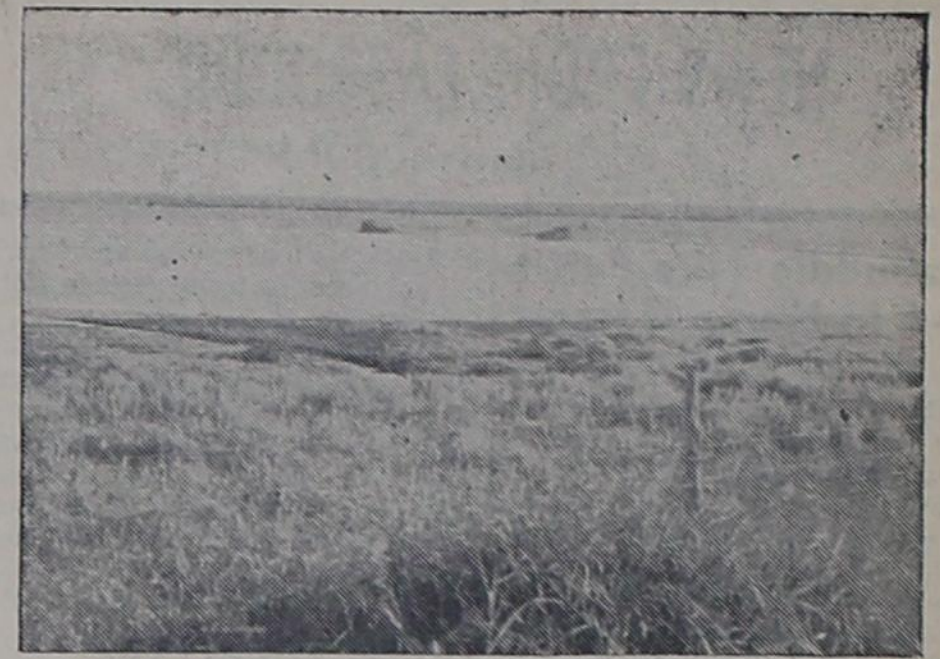

Sizes of tubes used in this method vary, and experimentation on the part of the operator is necessary in determining what is best on his farm.

This method of irrigating requires only slight additional labor, once the operator "catches on" to the system.

Re-circulating Water
A method which is permanent, though not popular yet on the High Plains, is the re-circulation of irrigation water by means of a secondary irrigation system.

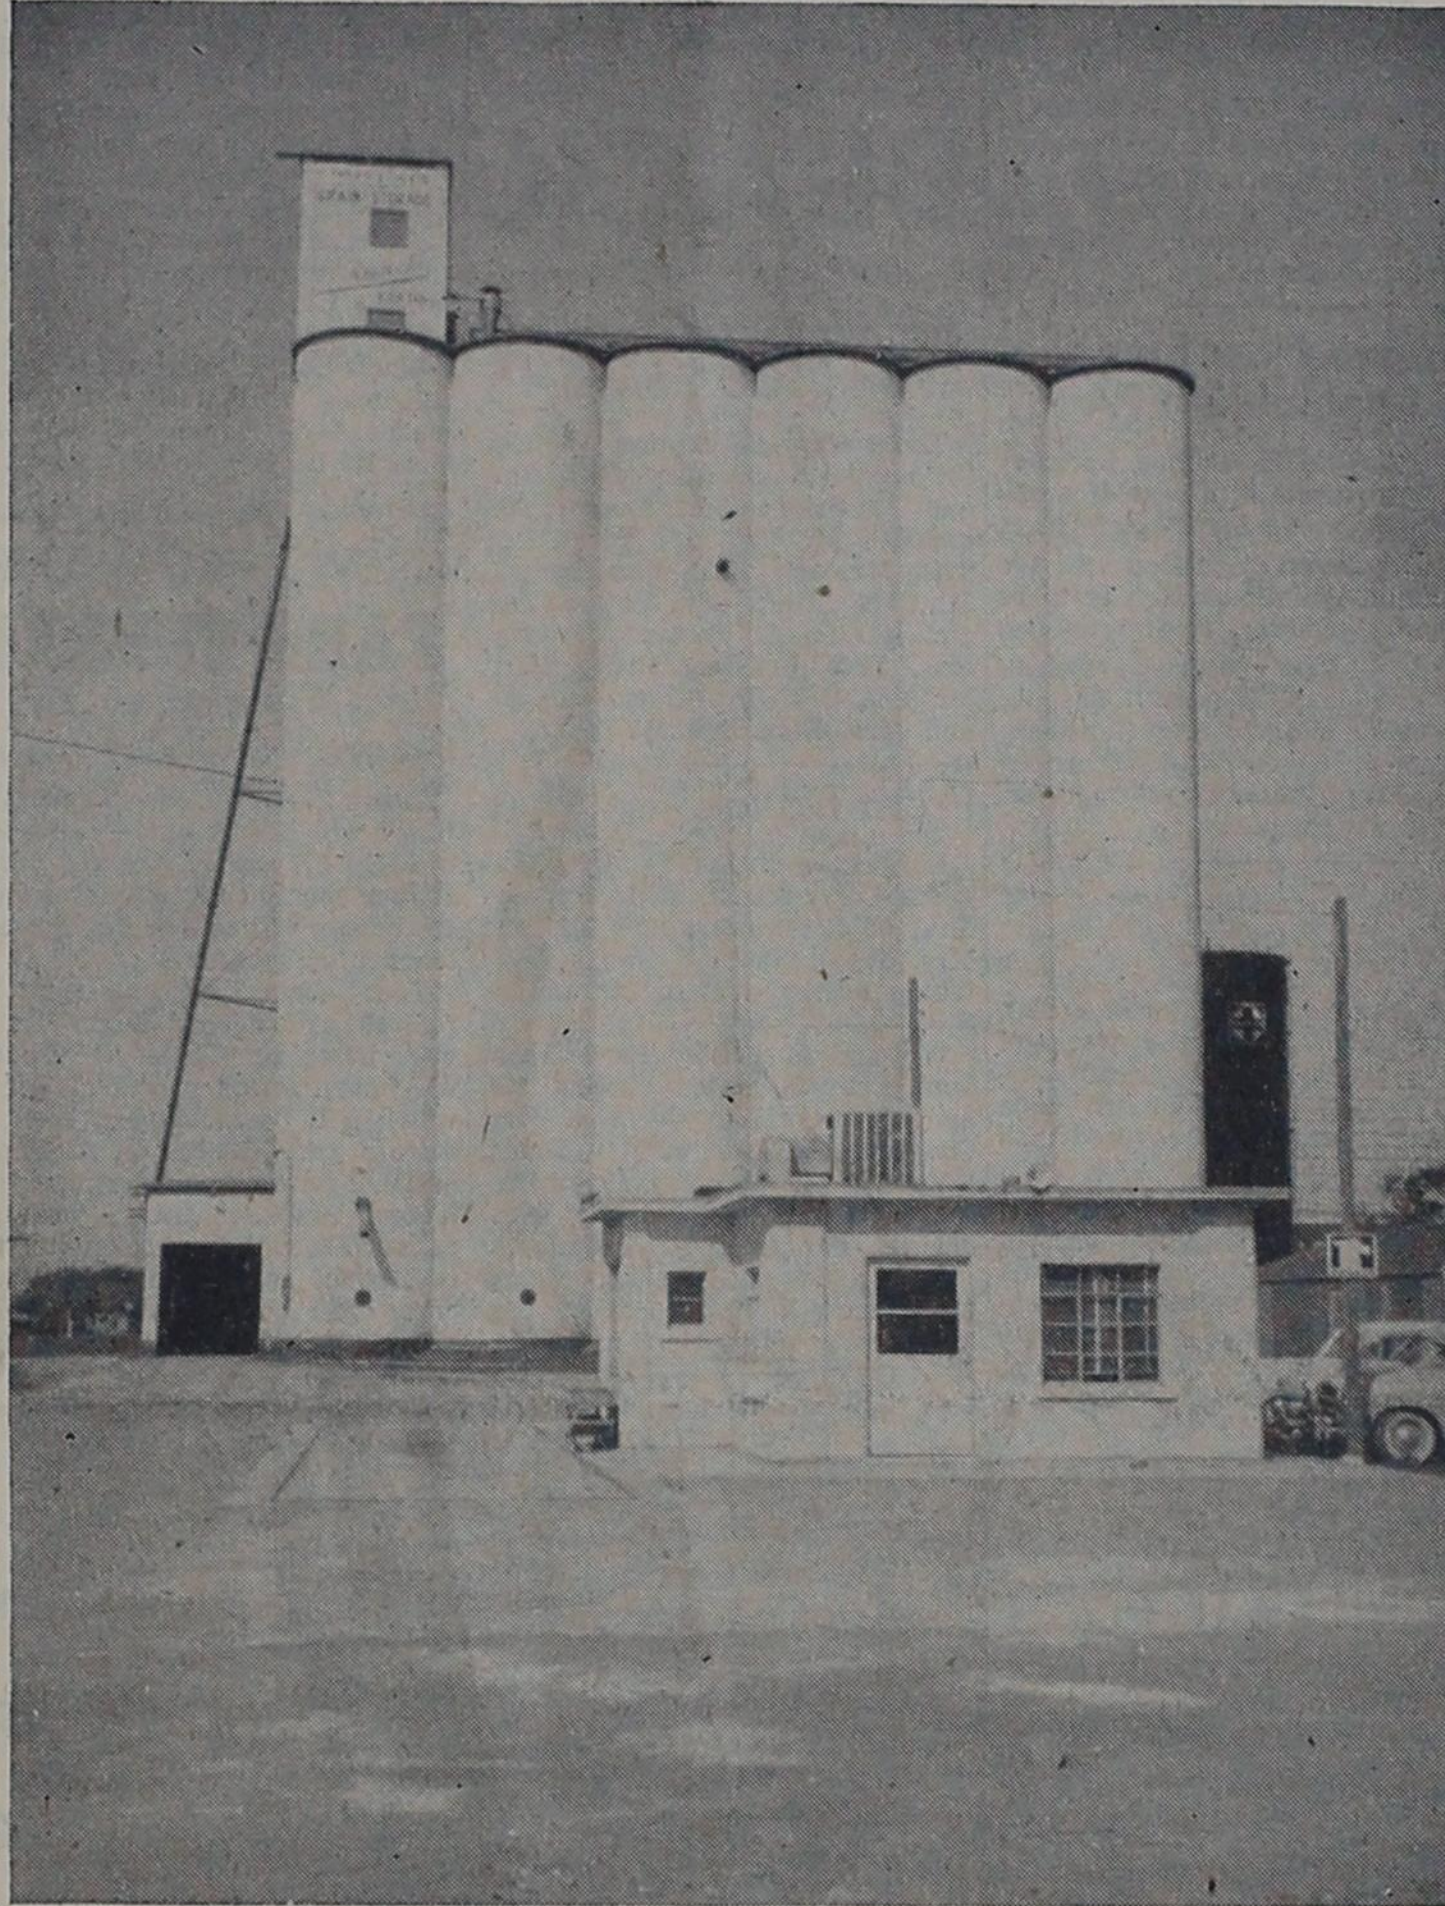

In this practice, water which has run through the field is collected at the lower end and returned to the top of the run through surface pipe. A centrifugal pump supplies the pressure to return the water "up hill."

This system is extensively used in California and Southern Arizona, but as already mentioned, is rare (Continued On Next Page)

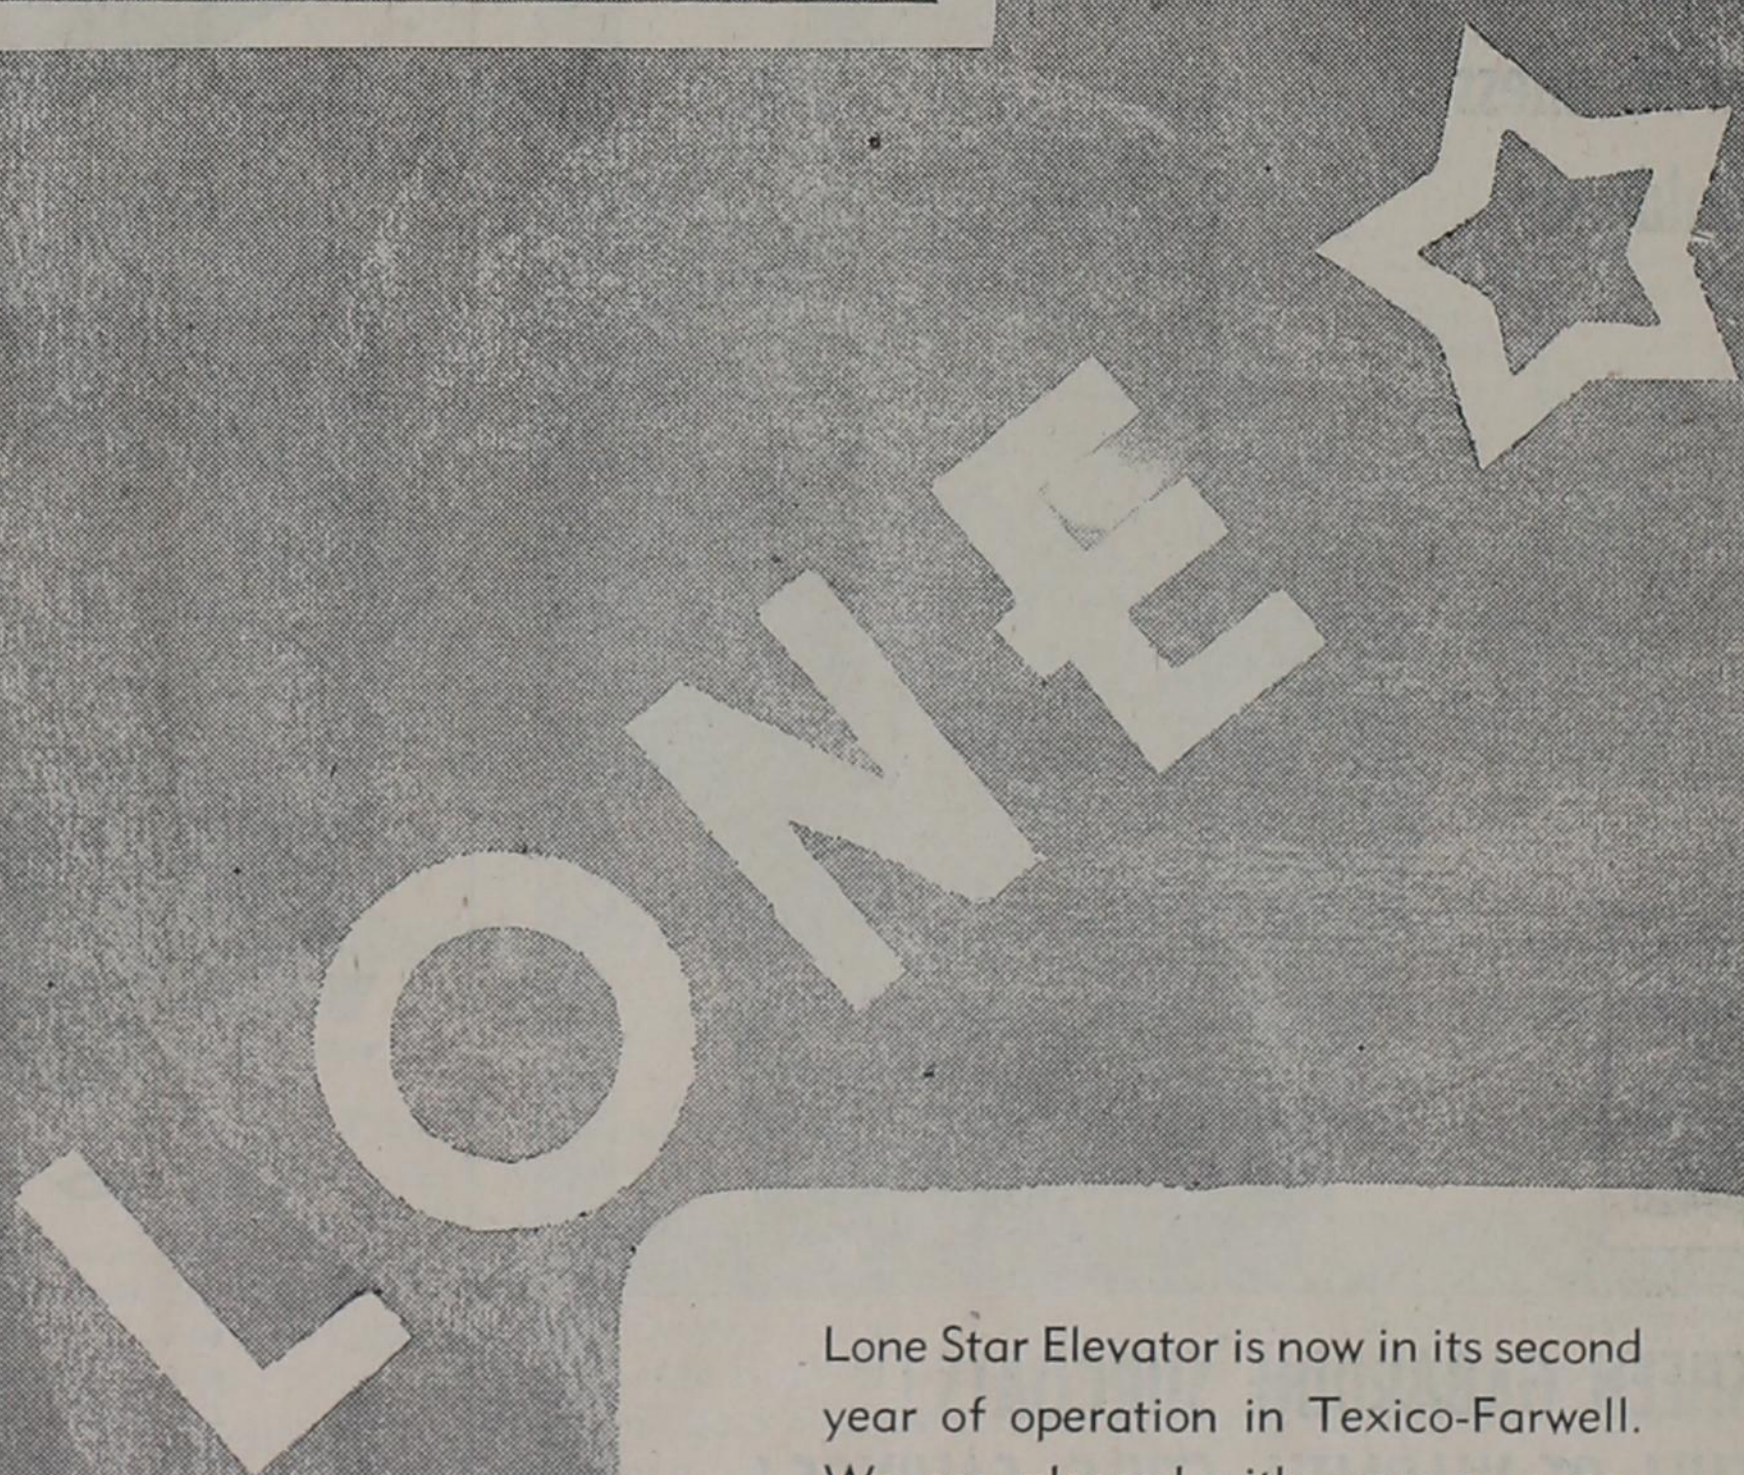

HEAP CHEAP WATER

This is another view of the McCutchan farm, showing the large lakeful of "tail water." The two mounds of dirt which can be seen on the opposite shore of the lake were taken from a ditch cut into the edge of the lake to drain water a few feet inland where it is picked up by a pump and forced through concrete pipe to the bench levelled fields. McCutchan was named Parmer SCD's conservation farmer of the year in 1954.

Our aim is still one of service to you—
Let us assist you in handling your grain crop.

Lone Star Elevator is now in its second year of operation in Texico-Farwell. We are pleased with your response and the manner in which you have accepted us—We Will Appreciate Your Business.

DRAWS SECOND LOOKS

Archie McCutchan, who farms east of Bovina, finds waste or "tail water" such as is flowing from this 24-inch culvert much cheaper to use than water pumped from the irrigation strata several hundred feet down. McCutchan has bench levelled the area around a lake on his place and lifts the water to his crop by means of a centrifugal pump through concrete pipe. This picture was made near the county road passing north of his farm.

NEWS FROM LAZBUDDIE

BY MRS. BERT GORDON

Lazbuddie Hits Pettit 89-6 in Home Game

At Longhorn Field, September 16, the Lazbuddie Longhorns won their first home game of the season with flying colors. The score at the end of the game stood 89-6. The game started with Lazbuddie kicking to Pettit, but they quickly regained the ball. A few action filled moments later, fullback Leon Smith carried the pigskin over for the first score.

Smith made the extra point and another TD following a score made by Jimmy Oliver. Oliver rapidly made his second score with Glen Watkins making the extra point.

In the second quarter, Jimmy Oliver scored twice and Johnny Gammon scored twice. In this period number 23 of the hard fighting Tigers scored a touchdown by running over half way down the field. At the half the score was 55-6.

In the third quarter Jimmy Oliver scored again for Lazbuddie. In the fourth quarter Lazbuddie scored 4 more touchdowns, one each by Oliver, Watkins, Smith and Daniel. Extra points were made by Watkins and Gammon.

Probably the closest game of the season will be Friday, September 23, when Lazbuddie meets its rival, Bula, at Bula.

Freshman line up: Lawrence King, Ronnie Jones, Bob Hall, Ronnie Briggs, Bobbie Blackburn, Smythe Lawrence, Dickie Scruggs, James Carpenter, Dean Watkins, Mickey Smith, Bill Hargrove, Dwayne Teague, Dennis Nelson, Larry Treider. Managers are Edward Pruitt and Je Don Gallman. Coach is J. G. Ward.

Joyce Hargrove Weds Charles Albright Jr.

Miss Joyce Hargrove and R. Charles Albright Jr., were married on Friday, September 9, at 7:30 p. m. in the Lazbuddie Baptist Church parsonage. The Rev. C. K. Roberts read the ceremony. Miss Earline Peterson and Sam Hunter were attendants.

The bride wore a white embossed cotton dress with matching accessories.

The bride is a former student of Lazbuddie High School and the groom attended Texas Tech.

Following the ceremony the couple left for a trip to points of interest in New Mexico. They will make their home in Lubbock where

Albright is employed as an electrical engineer for Southwestern Public Service.

Guests for the wedding included Mrs. C. K. Roberts, Sam Hunter, Mr. and Mrs. Wilson Clemmons and children, Mrs. J. D. Hargrove, mother of the bride, Mrs. Marshall L. Edwards and Linda Hargrove, the bride's sisters, and her brother, Bill Hargrove.

Junior High Team Downs Farwell 14-0

The Lazbuddie Junior High Football team played its first game of the season, Thursday, September 15, with Farwell. The score was 14-0, Lazbuddie's victory.

The first quarter was the most interesting with Joe Don Beavers making the first touchdown of the game. The second score was made in the fourth period by quarterback Derrell Jennings.

The pep squad for the junior team is made up of 7th and 8th grade girls.

Cheer leaders are Maudine Barnes, Alice Gordon, Glenda Robertson; majorettes are Judy Brown and Beverly Smith; drum majorette is Omo Lee Porter and mascots are Christie Ivy and Terry Scott.

Lazbuddie FHA Elects Officers

The Lazbuddie FHA Chapter met on Monday night, September 12, in the home economics building.

President, Nealy Steinbock, was in charge of the meeting.

A discussion was held concerning the initiation of the freshman members.

The following officers for the new year were elected:

President, Danny Cargile; vice-president, Janis Clark; 2nd vice-president, Maryellen Thompson; secretary, Juanita Scott; treasurer, Patsy Cox; song leader, Duella Lawrence; pianist, Nealy Steinbock; Sergeant at Arms, Mona Hall; historian, Jeannell Floyd; and reporter, Janice Oliver.

Mrs. D. W. Cargile and Mrs. John Agee were elected as chapter mothers. There were thirty members and the chapter advisor present.

Miss Geline Carrell of Lubbock visited Sunday in the home of her parents, Mr. and Mrs. Thomas Carrell.

'55 Football Schedule For Lazbuddie High

Bula, September 23, there; Spade, September 30, here; Southland, October 7, here; Wellman, October 14, there; Threeway, October 21, there; Smyer, November 4, here; and Cotton Center, November 11, there.

Line up and weights of Longhorns includes Leon Smith, 150; Jimmy Oliver, 138; Chunky Ivy, 155; Nathan Melton; Glen Watkins, 159; Jim Roy Daniels, 150; Johnny Gammon, 154; Durwood Teague, 153; Andy Fuqua, 145; Jimmy Weaver; Roy Vanlandingham, 156; Kirby Carrell, 104; and Ronnie Ivy.

Colors—black and orange; managers, Leland Gustin and James Gilmore; coach, C. W. Dukes.

Pep Squad Boasts Forty-One Members

There are 41 members in this year's high school pep club. Cheerleaders are Sherry Steinbock, Nealy Steinbock, Danny Cargile and Therese Jesko. Majorettes are Juanita Scott, Mona Hall and Maryellen Thompson. Drum majorettes are Joy Smith, Patsy Cox and Janis Clark. Mascots are Marsha Schuman and Tommie Jennings.

Mrs. Lawrence is the sponsor and Janice Oliver is president of the squad. Vice-president is Mina Jennings and Katherine Smith is secretary-treasurer.

Teague New Prexy Of Lazbuddie FFA

The Lazbuddie Future Farmers of America met at a regular meeting Monday evening, September 5.

The topic of discussion was the freshman initiation which is to be held in approximately three weeks.

The following officers were elected: president, Durwood Teague; vice-president, Johnny Gammon; secretary, Glenn Watkins; treasurer, Leon Wilson; and reporter, Travis Peterson.

WMU Group Has Meeting Friday

The Lazbuddie WMU met Friday at the church for the week of prayer program for state missions and Christian education. At noon the ladies enjoyed a covered dish luncheon.

Mrs. Juel Treider was in charge of the program. Members present were Mesdames Jimmy Ivy, Juel Treider, W. S. Menefee, C. K. Roberts, Bert Gordon, Raymond Houston, F. W. Greene, Luther Ham, J. L. Withrow and Claud Heath.

Mr. and Mrs. D. W. Cargile are vacationing in California.

Mr. and Mrs. Luther Ham visited friends and relatives in Midland, Odessa, and Elida, N. M., on Wednesday and Thursday.

Mr. and Mrs. S. J. Bozeman of Amherst visited in the Bert Gordon home Friday.

Mr. and Mrs. John Agee took his mother, Mrs. Rosie Agee, to Dallas Wednesday for a medical check up.

Mr. and Mrs. J. W. Crim visited Mr. and Mrs. Max Crim of Amarillo Sunday and Monday. They attended the opening day of Tri-State Fair.

Mrs. Juel Treider, Larry Treider and Duella Lawrence were in Lubbock Monday to consult a bone specialist for the treatment of a thumb which Larry injured while playing football.

Mr. and Mrs. Frank Spitzer returned Friday from a short trip to the mountains of Colorado.

Guests in the Weldon Slayton home over the weekend were his mother, Mrs. Celia Bell Slayton, and his uncle, Alvin True, of Edmondson.

Mrs. Archie Tartar returned home Sunday from the hospital in Friona. She had undergone surgery the first of the week.

BLACK

MRS. DICK ROCKEY

Attend SCD Banquet

Those from Black who attended the annual Soil Conservation Banquet in Friona Thursday evening included Mr. and Mrs. Lloyd Pre-witt, Mr. and Mrs. John Benger, Mr. and Mrs. Coy Patton, Mr. and Mrs. R. E. Barnett, Mr. and Mrs. Pete Braxton, Bruce Parr, Mr. and Mrs. Clyde Hays and Mr. and Mrs. Dick Rockey.

From Dallas

Miss Anna Jo Southall of Dallas spent the weekend with Mr. and Mrs. J. R. Braxton and Mr. and Mrs. P. O. Southall. Anna Jo is taking nurses' training in Dallas.

Mr. and Mrs. Otey Hinds spent Sunday at Muleshoe visiting Mr. and Mrs. Cordelia Cochran. Mrs. Cochran is a sister of Mrs. Hinds.

Visiting Mr. and Mrs. Lloyd Pre-witt Sunday were Mr. and Mrs. Ernest Fannahill of Lockney. Mrs. Maxine Thompson and Mrs. Leona Wolfe attended a hos-

teess party at Littlefield Friday night.

Mrs. Mildred Barnett, Mrs. R. E. Barnett, Mrs. Carrie Tatum and Mrs. Maxine Price visited Mrs. T. J. Presley and Mrs. Glen Robertson on Wednesday morning.

Mrs. Ben Koelder, Mrs. Coy Patton and Mrs. A. G. Schlob visited Mrs. Helen Fangman last week.

Sunday visitors in the R. E. Barnett home were Mrs. Bud Barnett and daughters of Hereford and Judy and Betty Barnett.

John S. Thompson entered some cattle in the Tri-State Fair at Amarillo this week. We wish John lots of good luck.

Mr. and Mrs. Clyde Hays attended the Tri-State Fair Monday.

Arnold and Teddy Fangman were Tri-State Fair visitors Monday.

Mr. and Mrs. Clark Whitaker of Amarillo and Mr. and Mrs. G. H. Whitaker of Hereford visited Sunday with Mr. and Mrs. Woodroe Whitaker.

Mr. and Mrs. Lloyd Pre-witt made a business trip to Amarillo on Friday of last week.

Visiting in the Lester Dean home Sunday were his brother and family, the L. K. Deans of Muleshoe.

Sunday dinner guests in the J. R. Braxton home were Mr. and Mrs. Clyde Sherrieb and son.

Black Community received rain measuring from one half inch to one inch on Sunday evening.

Mr. and Mrs. Sam Greenon has just returned from a two weeks' visit in Waynesboro, Tenn. Greenon is a former resident of Waynesboro.

Black Home Demonstration Club will meet at the club house on Wednesday, September 28, with Mrs. H. H. Elmore as hostess.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Texas Farm Bureau "Leadership Pins" will be presented to leaders in 4-H, FFA and FHA young people at your county convention this year. Recipients will be selected by their teacher or sponsor.

Your county officers and directors are deeply interested in your being present at the county wide open forum meeting, date of which will be announced soon, to discuss your desires on state and national issues that determine your income and freedom in your vocation. From these discussions, the resolutions committee will endeavor to draw up resolutions embody-

ing those desires, for presentation at the county convention, which will be held ten days or so following the open forum meeting. Resolutions approved at the convention will be presented to delegates of Texas Farm Bureau at Fort Worth in November. If you want 90% of parity government supports without regard for supply and demand, all you have to do to get Parmer County Farm Bureau to support that is to attend meetings to which you are invited and vote with the majority for that. If you think parity percentages should be dependent on supply and demand by a reasonable formula, then vote with the majority on that, and that will be the county policy. If you like the idea of producing on all but ten or fifteen percent of your acreage, and planting what you want to, you may favor the "Land Fertility Bank" program, presently supported by Farm Bureau. But whatever you want, come and say so. That is the only way your rep-

resentatives can know what you want them to work for. And you can be sure they are working on these things when they would like to be spending the time on their own farm producing.

Here are a few short philosophical lines we think you may enjoy thinking on: A fool always finds some greater fool to admire him. (Boileau) Wouldn't it be wonderful if all the people who are educated were also intelligent? (N. J. Maberry) Live only today, and you ruin tomorrow. (C. Simmons) The less men think, the more they talk. (Montesquieu) These quotes from the Defender Magazine.

Consider this: Be not thou one of them that strike hands, or of them that are sureties for debts. Proverbs 22-26.

Davy Crockett may not have shot an Indian, killed a bear, or saved the Alamo—but in 1955 he sure did wipe the spacemen off the map.

THIS RAIN IS WONDERFUL FOR YOUR WHEATLAND

No doubt you still have some wheat to plant, and have been pleased with the nice showers.

That moisture will increase the value of anhydrous ammonia applied to your land now, too, and help the decomposition processes that mean bigger crops next year.

See us for custom application of this and other fertilizers.

» News from Bovina «

By Special Arrangement with The Bovina Blade

Residents Involved In Traffic Accidents

Bovina was the scene of three traffic accidents Sunday, September 18. Two happened early in the morning and the third in the early afternoon.

At 4:30 a. m., at the intersection of Farm Road 1731 (Third Street) and Highway 86, a 1950 Mercury coach with New Mexico license and driven by Galdino H. Garcia, 17, of Bovina failed to stop, went across the highway and crashed into the front of the recently-erected Wonder building owned by Gene Snell.

The car went through the front of the building, through a petition inside the building and finally came to stop against the side of the building some 60 feet from where it had entered.

Property damage to the building was estimated at \$400 and damage to the car was about

\$150 according to James R. Kirkwood, highway patrolman, who investigated the accident.

Garcia was not injured. He was charged with driving with no brakes and driving without driver's license.

Troy Fuller, driving a 1950 Chevrolet pickup collided with a 1955 Mercury coach driven by Sgt. Joseph C. Rountree of Amarillo Air Force Base at the same intersection at 7:45 a. m. Rountree was going west and Fuller was attempting to turn left down third street.

Damage was estimated at \$150 to each of the vehicles. Neither man were injured.

Fourth Street and Avenue D, 12:10 p. m., a 1949 Ford coach driven by Norman E. Killough, 18, and a 1955 pickup driven by Billie Sudderth collided.

Damage to the car was about \$125 and damage to the pickup was about \$300. Neither of the men was injured.

Patrolman Kirkwood investigated all three accidents.

City Purchases Land For Sewer Disposal

At a called meeting September 19, the city commission elected to purchase a tract of land on the east side of Bovina to be used for the sewer disposal unit.

The land is owned by Tom G. Hudson and contains 64 acres. The land will cost the city \$10,000. However, the deal was made with the understanding that first the city must get the money from the bonds that were voted for the sewer system August 13, and that the land must meet the approval of the engineers as a sewer disposal unit.

Engineers for the sewer system are Hasie and Green Engineering Company of Lubbock.

Rev. Luther Kirk To Preach

Sunday night, September 25, at 7:45 o'clock, Rev. R. L. Kirk, the District Superintendent of the Plainview District will preach in the Bovina Methodist Church.

The first quarterly conference will be held immediately after the preaching service. All official members of the church are urged to be present. A complete report of the local Methodist Church will be made and recorded.

Harold Burkhalter of Lubbock visited in the Art Mast home Friday.

Happy Cowboys Ride Mustangs To 28-0 Win Friday

The Class A Happy Cowboys scored once in each of the four quarters Friday night at Mustang Field as they defeated the Bovina Mustangs 28-0.

Happy kicked off to Bovina, who moved the ball to their own 37 in three plays and were forced to punt from that point. Darrell Read kicked out of bounds on the Happy 35.

Happy moved the ball back to the Bovina 11 on four plays and the ball was carried by four different backs. Larry Black started the drive off by moving the ball from the 35 to the 40, Wayne Cole carried to the 21 in Bovina's end of the field, Billy Conway carried it to the 18, and Quarterback Gary Poage carried to the 11 where it was first and 10. On the first play from the 11 Poage carried over to give the Cowboys a lead that Bovina could never recover. The running attempt for the extra point was good.

Larry Ezell took the following kickoff on his own 20 and carried it out to the 39. On the second down, after Ezell failed to gain, the handoff was fumbled in the Bovina backfield and Happy recovered.

Wayne Cole carried to the 32, Poage made a first down on the Bovina 26. Then after another first down, Bovina took over on downs on its own 10. Read carried to the 15. Richard recovered his own fumble to the 16, an offside penalty against Happy netted a first down on the 21. Read, in three consecutive carries, had picked up a first down on the 32. He then carried to the 38, Ezell couldn't gain, Read failed to gain and Read kicked to the Happy 32.

Conway made a first down to the 42 on the first play, Cole lost five back to the 35, Poage was stopped for no gain by Read, Conway made one to the 36 and then with fourth down and 14 to go for a first, Happy punted to Billy Richards who was stopped on his own 31.

On the first play from this point, Read carried through the middle for a 69 yard run and a touchdown. However, the play was called back because of an illegal substitution.

Bovina was penalized five yards to the 26. Ezell carried to the 32 and the first quarter ended at that point. Read threw an incomplete pass to begin the second quarter and then Bovina drew a five yard penalty of offside. Read punted on the next play to Conway who returned to the Bovina 49.

After two 15 yard penalties, one for holding and one for clipping, Happy was still on the Bovina 49. They kicked to Richards who caught the ball and was tackled on his own one yard line. On the first play from the one, Bovina fumbled, the Cowboys recovered, and Poage carried over on first down for the touchdown. The extra point running attempt was good and the score—14-0.

Read carried the kickoff back to the 40, an incomplete pass, an offside penalty against Happy, three yards by Read, six by Ezell and Bovina had a first down on the Happy 46. With time running out in the half, Read threw three passes that all fell incomplete, then kicked, and the ball rolled dead on the Happy 17.

The teams exchanged punts, neither being able to pick up a first down and when the half ended Happy was in possession of the ball on its own 36 yard line.

Bovina kicked off to begin the second half and Happy had added another touchdown, plus the point after, before they lost the ball. Score 21-0.

After taking the kickoff and drawing a 15 yard penalty, Bovina was forced to punt from its own 26. Four plays later Conway carried over from Bovina's 40. The try for point was good, making the score 28-0 and that ended the scoring for the night.

The teams battled evenly until late in the fourth quarter when Happy advanced to Bovina's eight where Ben Elliott picked up the remaining yardage needed for a touchdown, however, it was called back due to a holding penalty.

The Mustangs took over on downs on the 12, didn't gain the needed yardage in three plays, and with fourth down, Read was back to kick, but a bad pass from center went over his head and into the end zone where it was covered by Happy. The touchdown was nullified, however, by offsetting penalties.

Read and Richards shared quarterbacking duties in the absence of the regular Neil Smith. Mike Barrazo, a newcomer to the squad was outstanding on defense for the Mustangs.

Water Committee Meets with Farmers

Members of the Parmer County Water Committee discussed irrigation problems with some 12 Parmer County irrigation farmers who are having trouble with their tail water and with other irrigation problems Thursday night in Bovina at the office of Wilson-Brock Insurance agency.

All members of the water committee were present and talked to the farmers about solutions to the problems.

The committee recently made a plea to the farmers through ads in the county newspapers to "exercise care to see that your irrigation water is not wasted."

The water committee believes that the water problems can be worked out democratically and through education. They plan to call a mass meeting of county farmers some time within the next month to further discuss the problems. Members of the district water committee will meet with the local committee and the farmers at that meeting to offer their advice and assistance to the matter.

The meeting will be held either in Bovina or Friona.

Bovina Has New Street Markers

Bovina has street markers. The Lions Club finished the erection of the street markers Friday afternoon after two days of work.

The money for the markers was collected earlier in the year by the Bovina Women's Study Club from the town people. The Study Club also made arrangements for the purchasing of the markers. The steel posts that were set in concrete, and that the markers were put on, were given by the city of Bovina and Arlin Hartzog. The city also furnished the concrete that the posts were set in.

Some 66 poles were set with a marker for every street in Bovina. The letters on the signs are white on a royal blue background. "They

are made of the highest grade of Vitreous Enamel," the catalog from which they were ordered says. "They are fused on to an 18-gauge sheet of specially prepared metal with high temperature under scientific controls. Single face made for installation back to back." They are guaranteed not to fade, crack, creep, nor tarnish. "The holes are fitted with rust-proof eyelets which protect the enamel at these points and allow for expansion or contraction."

Mustangs Journey To Friona Friday

The Bovina Mustangs journey to Friona Friday night to do battle with the Class A Chiefs. Friona has won one game and lost one so far this season while Bovina has come out on the short end of two scores. However, both the Bovina losses were against Class A schools.

The Mustangs will be handicapped by the loss of starting back Billy Richards who suffered a fractured ankle in last week's encounter with the Happy Cowboys. Coach Bob Wills said that Richards will probably be out for the remainder of the season.

Freshman Billy Burnam will replace Richards in the Mustang backfield. Quarterback Neil Smith, who missed last week's game because of sickness, will be ready to go against Friona.

Tailback Darrell Read got a bruise on his arm last week but he will probably be able to play come Friday. Wills' squad was hampered by the lack of practice Monday. No physical practice was held but the team did have skull practice.

Probable starting lineup for Bovina is Read, Smith, Burnam, and Larry Ezell in the backfield. In the line, Erith Hawkins and Kenneth Estes, ends, Sonny Brito and Lynn Isham, tackles, Dickie Steelman and Terry Adams, guards, and Jerry Loflin, center.

Mr. and Mrs. Wesley Ayres and Dianna had supper Wednesday evening with the Fred Ayres. The Wesley Ayres live in Clovis.

Bovina Good Neighbor Club Meets

The Good Neighbor Club of Bovina met last Friday, September 16, with Mrs. J. D. Stevens as hostess. After the short business meeting, reports were given on the Fair at Friona. Mrs. Mable Newberry won a red ribbon with a hand painted table cloth. The president appointed a committee for nomination of new officers for the coming year.

After the business meeting Mrs. Lee Renner of the Hi-Point club gave a report of her trip to a convention that she attended in

SMART FALL FASHIONS

Fort Worth. The theme of this convention was "For God and Home."

Refreshments were served to Mesdames Hoppingardner, Newberry, Sikes, Murray, Kent, Morris, Lloyd and J. T. Jones.

Mable Newberry will be assistant hostess for the next meeting which will be October 7.

The club will meet on Friday, October 7, in the home of Mrs. Edd Johnson.

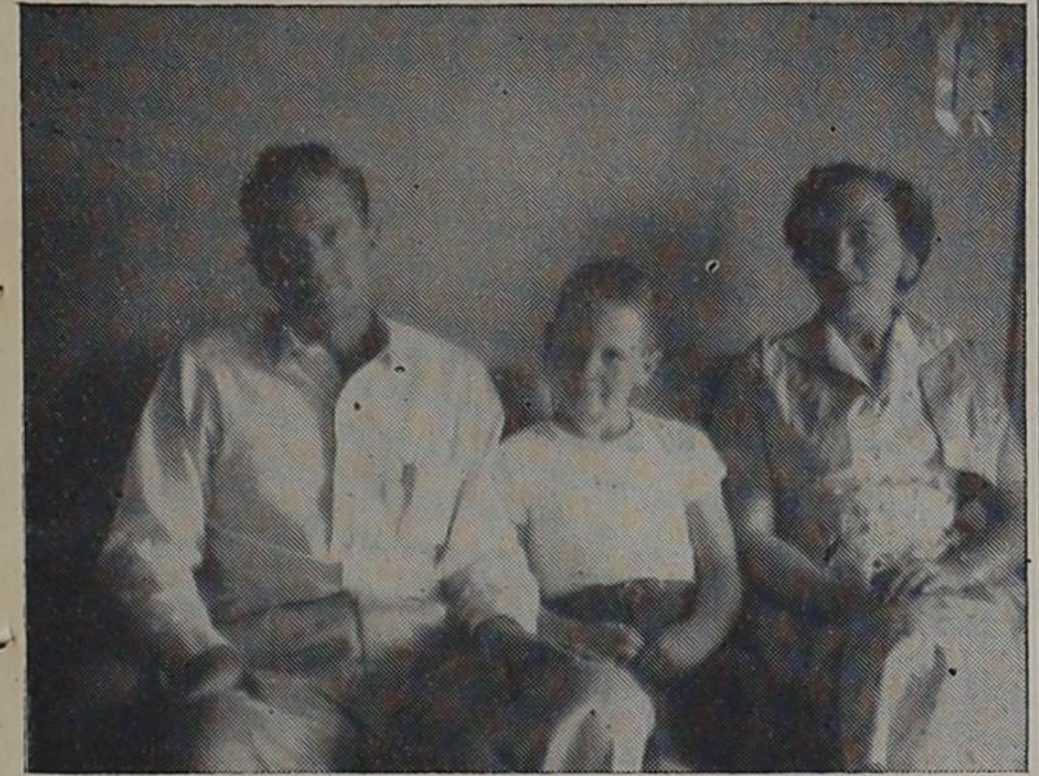

GIVES PERFORMANCE
Last Friday night the Bovina band entertained the crowd and honored the football team by making a double file guard before the game for the boys football team to run through as they came out on the field. They played several numbers during the first half and then gave a halftime performance. The band marched onto the field and proceeded to make a cross with the American flag as the center. When the formation was complete the band played "God Bless America. The band will give a half time performance at Friona Friday.

BOVINA BUTANE SERVICE PRESENTS KNOW YOUR NEIGHBORS

Mr. and Mrs. O. D. Bingham and children, Darla, 12 and "Bing," 7, who live about three-fourths of a mile west of the Hub are the neighbors for this week.

Mrs. Bingham, nee Gennie Aldridge, was born in Kingston, Mo., and her parents, Mr. and Mrs. A. C. Aldridge reside in Spade. Gennie has two brothers, Eddie, stationed with the Navy at San Diego, Calif.; and G. D. who is a manager of an ice plant in San Diego. She also has a sister, Mrs. Olevia Locke, who lives in Littlefield and is employed by the telephone company in that city.

Gennie received her grade school education in Kingston and then the Aldridge family moved to Barstow, Calif., where Gennie was graduated from high school.

After graduation, Gennie moved to San Diego, Calif., where she was employed at an aircraft plant. It was while she was working at this job that she met O. D.

O. D. was born at Goree, close to Seymour, in Knox County and has one brother and four sisters who are still living. His parents, Mr. and Mrs. W. D. Bingham, and two brothers are deceased. Bingham attended school at Munday, near Goree, and served in the Navy during World War II. He was based on different Pacific Islands during his service as a parachute rigger. He was discharged in 1945.

The Bingham family was introduced by mutual friends and their courtship lasted about six months. They were married August 30, 1941 in Yuma, Ariz.

The Bingham family continued living in San Diego until 1946 when they moved to Spade. It was while they resided in California that

their daughter, Darla, was born.

O. D. began his farming career in Spade but soon sold his land and moved to Lubbock where he was in the real estate and loan business. From there, the Bingham family moved to Dimmitt where O. D. once again took up farming. The Bingham family moved to Parmer County to their present location three years ago. O. D. not only farms, but he also works in the real estate business at the Hub, in partnership with A. L. Glasscock of Bovina.

The Bingham's son, "Bing," was born while the family resided in Lubbock.

The family attends the First Baptist Church in Friona where Gennie assists in teaching the beginners' class. Gennie is also a member of the Hub HD Club and the Order of Eastern Star in Friona.

O. D. is a member of the Parmer County Farm Bureau, Bovina Lions, Masons and Shriners (Kheva Temple in Amarillo).

O. D. farms 660 acres all together, 320 of which is his own land. The rest is divided up in one-half and one-quarter sections in the Hub Community. He has four wells, three on natural gas and one on butane, furnished by Bovina Butane Service.

Bingham's crops consist of feed, cotton and wheat. Other equipment on butane supplied by Bovina Butane Service includes two tractors, a pick-up and the home appliances.

When asked her opinion of Parmer County, Mrs. Bingham had nothing but praise. She said, "Both O. D. and I like Parmer County better than any place we have ever lived."

Stinnett Rattlers Bite Friona Chiefs, 38-7

Friona Chiefs traveled to Stinnett last Saturday for a game with the Rattlers with the opposition coming out the victor by a score of 38-7. The Chiefs were playing without the assistance of Billy Parker.

Coach Means says that the Rattlers had a very fine team and an excellent coach. He adds that they had the poise of college kids.

Means says that the Chiefs were outplayed all the way around, but that they did look some better than in the game with Vega. He adds that the Friona eleven was just not ready for Saturday's game.

This Friday the Chiefs will play Bovina on their own field and Means says this will be another tough one for his team. Game time is 8 p. m.

Means says that since the loss of Parker, his line-up has been changed and that the line now

averages 161 while the backfield averages 158.

Probable starting lineup for Friday's game includes Don Reeve, 165, center; Alan Neff, 161, left guard; Donald Petty, 158, right guard; Joe Allen, 165, right tackle; Weldon Fairchild, 169, left tackle; Joe McLellan, 150, right end; and Phillip Weatherly, 157, left end. Probable starters in the backfield will be Wesley Barnett, 165, quarterback; Charles Kirk, 152, left halfback; Mickey Ready, 156, fullback; and Jerry Houlette, 155, right halfback.

First PTA Meet Held Thursday

Friona's first PTA meeting of the year was held last Thursday evening at the school gym with approximately 100 persons in attendance, according to Mrs. Frank Spring, member of the organization.

Guests were greeted by the officers of the PTA and Mrs. Dillie Kelley, wife of the Friona superintendent of schools. The hospitality committee was in charge of all the arrangements. Members of this group include Mesdames Frank Spring, J. T. Gee, Joe Talley, G. B. Buske and Ernest Osborn.

Dillie Kelley, superintendent of schools, introduced the members of the faculty preceding the program.

Those participating in the program included a trio composed of Linda Gee, Doris McFarland and Betty Agee, who sang several vocal selections and also led those present in group singing. Readings were given by Vera Ann Jones and Brenda Blackburn. Piano accompaniment was provided by Mrs. Eva Miller; and Sally Osborn and Sandra Brock alternately gave piano renditions throughout the social hour, which was held following the program.

The hostesses and the hospitality committee, served refreshments of punch and cookies.

Next meeting of the organization is set for October 20 at the school auditorium.

Al Rogers Show To Be Sponsored By Progressive Club

Progressive Study Club met Tuesday evening, September 13, for the first meeting of the new year with a buffet supper being the feature of this session. Margie Herring, president, gave the official greeting to those present.

In the course of the business meeting, the club voted to sponsor the Al Rogers Show on KGNC-TV on Saturday, November 3. This is seen on Channel four each week at 5 p. m. The correct title of the show is the Panhandle Barn Dance, but Rogers is the master of ceremonies.

"Footsteps of Progress" was announced as being the club's theme for the coming year.

Decorations carried out the club colors of orchid and gold with the main attraction being a large

map of Texas placed on one wall of the club house. This map featured a pathway up the middle with footprints imprinted along this path. Tables were laid with orchid cloths with gold place cards in the shape of the sole of a shoe. Centerpieces consisted of orchid dahlias and orchid and white asters.

Emmarie Lehnick, chairman of the program committee, presented the members with their year-books followed by the remainder of the program.

"Parliamentary Rules" was given by Reba Buske followed by Patsy Talley who gave, "Construction Steps To Go By." Emmarie Lehnick then led the group in the song, "Love and Grow."

The supper of fried chicken, salads and homemade ice cream was enjoyed by Mesdames Mary Bavousett, Betty Baxter, Reba Buske, Thelma Coffey, Ruthie Fite, Margie Herring, Lunell Horton, Lavonne Hughes, Betty Jarboe, Wanda Jarrell, Thelma Johnson, Emmarie Lehnick, Edd Luttrell, Sue Proctor, Martha Mae Truitt, Betty Rector, Lynn Roberts, Patsy Talley and Mamie Lou Welch.

The club's next meeting on September 27, will feature outdoor cooking. The group will meet at 7 p. m. in order to have time for this special feature at the club house in Friona.

Friona Firemen Hold Regular Session

Friona Firemen met last Thursday evening at the fire station for their regular bi-monthly meeting with 14 members present.

A discussion was held on the demonstrations which were given at the county fair. Chief Baimum says that all went well at the affair and that there were approximately 200 spectators.

Those present at Thursday's meeting gave the equipment a general "going over" and the usual class was held. The latter consisted of a discussion of fires and control of such.

Next meeting date is October 6.

Douglas Funeral Held At Childress Friday

Mrs. R. D. Douglas, 77, passed away Wednesday, September 14, at the Thurman Rest Home in Amarillo after being in failing health for some time.

Funeral services were held Friday, September 16, in Childress. Interment was in the Childress cemetery.

Mrs. Douglas had resided in Friona for a short time before going to the rest home in Amarillo.

Her husband preceded her in death in 1941 and four of her children are also deceased.

Mrs. Douglas is survived by 11 children, 39 grandchildren and 33 great-grandchildren.

Survivors who live in Parmer County are R. L. Douglas Sr., of Farwell, Mrs. Harve Alverson, Bovina, and Joe Douglas of Friona.

Mr. and Mrs. Calvin Martin and son, Clarence, returned last Thursday from a business trip to Colorado. Mrs. Calvin Martin visited her daughter, Mrs. Eugene Nidey, and family while the men conducted their business elsewhere in Colorado.

Meet the New Friona Teachers

The following is the beginning of a series of articles which is being presented in order to introduce the new teachers in the Friona Schools.

Dorothy Rudd is the first one to be interviewed and she says that she is originally from Krum which is a small town about 10 miles northwest of Denton. She teaches sophomore and junior English in the local school.

Miss Rudd is the only child of Mr. and Mrs. David M. Rudd who reside in Krum.

She received her primary and high school education at Krum and then went to college at North Texas State where she majored in English. Miss Rudd was graduated from this college in May of this year with a BA degree.

When asked what her comment about Friona is, she answered, "I like it fine here."

Dwight Rogers is the next interviewee and he teaches science and mathematics in the high school department at Friona.

Rogers received his high school education at Atoka, Okla., and attended Southeastern State College in Durant, Okla., where he majored in science. He was graduated from this institution with a B. S. degree in May of this year.

Rogers' parents, Mr. and Mrs. T. E. Gregg, reside in Oklahoma City, Okla., and he has a brother, Jimmy, who is majoring in math at the Oklahoma Baptist University at Shawnee, Okla. He also has a brother and sister in grade school at Oklahoma City. As for the brother in college, Rogers says that he doesn't know whether or not he will enter the teaching field.

He agrees with Miss Rudd on the subject of Friona and says he thinks the city is "okay."

"B" Team Loses To Springlake

The Friona "B" team met the Springlake eleven on the gridiron in Friona last Thursday evening and lost by a score of 32-0. This team is coached by Joe Means, Tom Jarboe and Ed Lehnick.

Means says that the Friona boys "didn't have their plays down very good because the coaches had been stressing blocking and tackling." He added that they thought this most important and that the

plays would come later.

"The boys are trying to make up for their mistakes in practice this week and seem to have a good deal of pep," Means says.

Next game for the "B" team will be held this Thursday evening with Farwell on the Farwell gridiron.

Carter Reunion Held Sunday at Lubbock

The W. T. Carter family reunion was held Sunday at Mackenzie Park in Lubbock with approximately 72 present for the basket lunch affair.

Visitors were present during the afternoon from Crosbyton, Brownfield, Lubbock, Tahoka and several students from Texas Tech also joined in the annual occasion.

Mrs. J. M. Bradley's five brothers and their families met Mrs. Bradley at Lubbock. Others present from Friona included Mrs. C. D. Carter, Mrs. Carol Dean Dunn, Donna and Roy, Mr. and Mrs. Clarence Martin, Martha, Larry and Mike and Mr. and Mrs. W. S. Crow and children, Joy and Earl.

A very pleasant day was had by all, says Mrs. Bradley, and the affair dismissed at 4 p. m., she adds.

A talk was given by C. C. Carter of Rotan and a prayer was said by Roy Carter, son of C. C. Carter, who is the high school coach at Dalhart.

Another son of Carter, Horace Carter, gave the prayer of thanksgiving at the lunch hour.

Next year this reunion will be held the fourth Sunday in August at the same location.

Those present, other than the ones mentioned, were Mr. and Mrs. D. E. Coldiron, David and Ronnie, Mr. and Mrs. Boots Deathridge, Gary, Lavon and Jackie and Mr. and Mrs. Carlos Moor, all from Amarillo; Mr. and Mrs. T. C. Carter and Jane, Mr. and Mrs. Cotton Russell and Bettie, Pampa;

Mr. and Mrs. Roy Jenkins and Mr. and Mrs. Harvey Gave, Brownfield; Mr. and Mrs. C. J. Carter and Sandra of Hobbs, N. M.; Mr. and Mrs. H. C. Carter of Anson; Mr. and Mrs. C. C. Carter, and James, Mr. and Mrs. Odell McQueen and two sons, Mr. and Mrs. W. C. Carter;

Mr. and Mrs. Horace Carter, Robert and Debie, Mr. and Mrs. Art Carter, Mike, Pat and Terry, Mr. and Mrs. Roy Carter, Carrol Ann and her guest, Mrs. Bascuem, Mrs. Kiker, Ray Wayne Singley, Guinn Carter and Miss Jane Hargrove, all of Rotan; Mrs. Mae Richardson and Carrol from Snyder and Mr. and Mrs. Roy Carter and Barbara from Dalhart.

Attends Funeral In Floydada, Monday

Mrs. Burtram Jack went to Floydada last Monday to attend the funeral of Edwin Hammond, a neighbor of the Jacks when they resided in that city. Mrs. Jack remained and visited with relatives Monday night, returning to Friona on Tuesday.

PETITIONS TAKEN

Roy Wilson, city manager, said this week that several parties have obtained petitions on paving which is to be done within the city of Friona within a short time. Wilson states that these must be in his office by 5 p. m. on October 3.

To Meet Friday

A meeting will be held this Friday evening immediately following the Friona-Bovina football game in the home of Mr. and Mrs. Ralph Taylor.

The purpose of this session is to

begin making plans for the annual homecoming in Friona which will be held some time around the Christmas season.

Visits Sister

Mrs. Kenneth Watkins and son, Butch, went to Clovis Monday where they met Harry Mayo, brother of Mrs. Watkins, who arrived there from Dallas, by plane.

Mayo visited in the Watkins home for four days before leaving by plane to return to his home in Santa Cruz, Calif.

Promotion Day Set

Promotion Day at the Friona Methodist Church has been set for Sunday, September 25. This special occasion will be held in the sanctuary of the Friona Church from 10:30 to 11 a. m. on this day. All classes will be dismissed early to attend this affair and everyone in the community is cordially invited to attend.

Friona People Join In Birthday Party

A group of Friona people went to Clovis last Friday night to help Charlie Baxter celebrate his birthday at a party which was held in the Baxter home in that city.

Those attending from Friona were Mr. and Mrs. J. W. Baxter, F. F. Truitt, Mr. and Mrs. Billy Dean Baxter and children, Mr. and Mrs. Clarence Martin and children, and Mr. and Mrs. Calvin Martin.

Mr. and Mrs. Lonnie Baxter of Clovis were also present at the special occasion.

Yearbooks Presented At Woman's Club

A breakfast beginning at 8:30 a. m. was the special feature of the first meeting of the Friona Woman's Study Club which was held Wednesday, September 14, at the club house. The breakfast menu consisted of sliced cantaloupe, orange juice, bacon, scrambled eggs, jelly and honey, hot biscuits and butter and coffee and hot tea.

Arrangements of asters and dahlias were placed on the tables which were laid with white cloths. Theme for this meeting was "Ten men banded together in love can do what ten thousand, separately, would fail in."

Following the breakfast, roll call was answered with "My Most Enjoyable Vacation."

Mrs. Carl Maurer gave a talk on the programs which are planned

for the club this year.

Hostesses were members of the program committee, which included Mesdames F. T. Schlenker, C. C. Maurer and V. R. Jordan. These ladies were assisted by Mrs. L. F. Lillard, Mrs. Ed White and Mrs. S. L. McLellan.

Special music was given by Mrs. G. L. Hough at the piano.

Those present were Mesdames A. W. Anthony, M. A. Bartlett, H. Boatman, M. B. Buchanan, L. R. Dilger, C. W. Dixon, R. N. Gore, C. A. Guinn, Wesley Hardesty, Maybelle Hartwell, H. C. Kendrick, O. F. Lange, S. L. McLellan, Joe Moyer, Mary Officer, S. S. Prichard, G. E. Reed, F. L. Reed, F. W. Reeve and W. A. Tinney.

Hub HD Hears Report On State HDA Meet

Hub Home Demonstration Club met last Thursday in the home of Mrs. O. D. Bingham with 10 members and one guest present.

The meeting time was spent in hearing a report by Mrs. Gertrude Renner on the Texas Home Demonstration Association meeting which was held in Fort Worth in August.

Refreshments of cake, coffee and Cokes were served to Mesdames Dorothy Ellis, Clydie Black, Anna Mae Thomas, Lavonne Renner, Toleta Mabry, J. D. Thompson, the hostess, Mrs. Bingham, and the special guest, Mrs. Renner.

Next meeting of the group will be held October 6, in the home of Mrs. Clydie Black.

Home Study Club To Have Bake Sale

Home Study Club met Thursday, September 15, in the home of Mrs. Erma Lea Tims with 11 members present.

The meeting was called to order by Lillie Baxter, president, and the minutes were read and approved by Mary Barnett, secretary.

It was announced that the club would sponsor a bake sale Saturday, September 24, in the show room of Maurer Machinery in Friona. This sale will get under way at 10 a. m.

Officers will be elected at the next meeting of the club on September 29 and members voted to discontinue meetings during the summer months.

Members heard the constitution read by the secretary of the club and then voted upon this legislation.

On September 22 (tonight) a party will be held in the home of Joy Linderman for members and their families.

Next session on the 29th will be held in the home of Fern Sanders at 2:30 p. m.

Clean-up day was held again on Tuesday at the Friona Methodist Church. This was done so that work which was begun last Thursday could be completed this week.

Marries Recently

Mr. and Mrs. C. L. Dunn of Friona, announce the recent marriage of their daughter, Kathryn, to Billy Parker, son of Mr. and Mrs. Lee Parker of Friona.

Vows were exchanged at the First Methodist Church in Guyton, Okla., with Rev. Harris of the church officiating.

It was not known, at the time of this report, where the couple plan to make their home, but Mrs. Dunn says that they will probably reside in the Friona vicinity.

Both Mr. and Mrs. Parker attended Friona schools where Parker was a senior and Mrs. Parker was a junior. Mrs. Dunn says that neither plan to continue their schooling.

Friona HD Club In Wilkins Home

Friona Home Demonstration Club met Wednesday, September 14, in the home of Mrs. Joyce Wilkins.

Mrs. Lucille Rockey was a special guest at the meeting and she gave a report on the State Home Demonstration meeting held in Ft. Worth in August. Mrs. Judy Cummings, local member, says that Mrs. Rockey gave a very good report and that those present enjoyed her talk.

Refreshments of angel food cake and lemonade were served to Mesdames Blanche Woody, Mary Bandy, Judy Cummings, Inez Sherley, Joyce Wilkins, one new member, Mrs. Martha Roff, also; four members of the Farmington HD Club, Mesdames Sue Barrett, Bonnie Barrett, Johnny Reed and Ruthie Fite, and the special guest, Mrs. Rockey.

Next meeting will be held September 28, in the home of Mrs. Blanche Woody. Mrs. Anna Daugherty will be hostess for this meeting.

Next meeting will be held September 28, in the home of Mrs. Blanche Woody. Mrs. Anna Daugherty will be hostess for this meeting.

Rally Day Scheduled

The First Methodist Church in Friona will hold a rally day on Sunday, October 2. It is hoped that 100 percent attendance can be recorded and the goal for both adult and children's classes has been set at 350. The goal for the adult classes is 180.

Sunshine Class Meets In Jim Shaffer Home

Sunshine Class of the Friona Methodist Church met last Thursday afternoon in the home of Mrs. Jim Shaffer.

The group continued their study of the book of Revelation and refreshments of ice cream and cake were served following the meeting.

Next meeting will be held October 6.

Those present at Thursday's meeting were Mesdames A. A. Crow, Lucy Vestal, Pearl Hand, Della Osborn, Verda Osborn, Olive Rector, Mattie Reed, Anna Anthony, Eva Moseley, Hazel Kendrick, Ella Sulser, Corrine Shaffer, Lois Nelson and Velma McGee.

Attends Meet Tuesday

Tierra Blanca Associational meeting was held Tuesday at the First Baptist Church in Canyon. Rev. C. M. Fields, pastor of the Friona Baptist Church, is the associational moderator and was included in the day's activities on Tuesday.

Fellowship Meets At Church Wednesday

The Congregational Church Women's Fellowship met Wednesday, September 21, at the church for its regular session.

Hostesses for this occasion were Mrs. Floyd Schlenker and Mrs. Sarah Dean. The devotional was given by Mrs. Viola Treider.

Mrs. M. A. Bartlett was in charge of the program which was entitled, "Indian Attitudes."

Will Meet Friday

Northside Home Demonstration Club will meet tomorrow (Friday) in the home of Mrs. Glenn Taylor at 2:30 p. m.

Mrs. Curtis Murphree and Mrs. Ruby Roberts will be in charge of the program on the care of house plants and bulbs.

Will Meet Monday

Friona Woman's Study Club will meet Wednesday, September 28, at the club house. This session will feature a program on United Nations Day and the quotation, from the pen of Anne O'Hare McCormick, for the day is "Today the real test of power is not the capacity to make war, but the capacity to prevent war."

Mrs. Carl Maurer will give a book review and special music

will be provided by Phyllis Treider.

Hostesses for this meeting will be Mrs. H. C. Kendrick and Mrs. Maybelle Hartwell.

LOCALS

Kenneth Watkins, George D. Magness and Harry Mayo, (Mrs. Watkins' brother), traveled to Amarillo Tuesday morning on business.

Betty Zon Ashcraft, daughter of Mr. and Mrs. Clarence Ashcraft, visited over the weekend in her parents' home. Miss Ashcraft is a student nurse in Amarillo.

Carol Blackburn, who is a student nurse in Amarillo, visited over the weekend in the home of her parents, Mr. and Mrs. Claude Blackburn.

Mrs. Nettie Collier and daughter, accompanied by Brenda Luellen, were in Amarillo Saturday on business.

"What's the matter, John? You look kind o' weather-beaten this morning."

"That's exactly what I am. I bet \$5 it would rain yesterday, and it didn't."

Little Frederick was saying his prayers one night. His mother overheard this gem: "And please make Tommy stop throwing things at me. By the way, I've mentioned this before."

A modern car is a far cry from what our folks used to drive years ago. Gasolines have changed a lot, too. Shamrock has kept up with auto engine developments with a completely modern gasoline formula.

wife, Mr. and Mrs. Perry Shackelford.

Mr. and Mrs. Kenneth Watkins and son and Mr. and Mrs. George D. Magness and family were in Amarillo Sunday on business.

Mr. and Mrs. Clarence Martin visited over night Saturday in the home of Mr. and Mrs. Kenneth Heady in Lubbock. Mrs. Martin's mother, Mrs. C. D. Carter, accompanied the Martins to Lubbock.

Mr. and Mrs. David Moseley and Mrs. Moseley's brother and wife, Mr. and Mrs. Joe Collier, went to Seminole recently to visit a sister, Mrs. T. F. Doaks, who is critically ill in a hospital there.

Mr. and Mrs. Arlon Miller of Floydada visited Mrs. Miller's parents, Mr. and Mrs. E. M. Jack, on Sunday. Miss Veri Miller visited in the Burtram Jack home and returned Sunday evening to Floydada with the Arlon Millers.

Saturday supper guests in the home of Mr. and Mrs. H. G. Houston were Mr. and Mrs. Troy Young.

J. G. McFarland was in Oklahoma City, Okla., for a few days this week on business.

Mr. and Mrs. V. R. Jordan spent the weekend in Snyder where they visited their son and wife, Mr. and Mrs. Marvin Jordan.

Hollis Horton's brother, Robert, of Birmingham, Ala., is visiting this week in the Horton home.

Wesley Foster, who was in the hospital last week with a blood stream infection, is reported to be doing fine, and is back on the job this week.

Mrs. A. O. Drake went to Hereford Saturday where she visited with Mr. and Mrs. Bud Minor.

Mr. and Mrs. N. C. Sulser, Earh, visited in the home of Rev. and Mrs. Hugh Blaylock on Sunday evening.

Mr. and Mrs. Calvin Martin and Mr. and Mrs. Billie Dean Baxter were dinner guests Sunday in the home of Mrs. Martin's parents, Mr. and Mrs. J. W. Baxter.

Sunday evening guests in the Calvin Martin home were Mr. and Mrs. Earl Williams and Mr. and Mrs. Bill Locke and daughter from Lamar, Colo.

"Tail Water"—

(Continued From Page 1)

on the High Plains. Conditioning Of Land The slope of the land is not always the biggest factor in encouraging water to run off. Its condition has a great deal to do with its ability to accept irrigation water.

Since the soils of Parmer County have considerable variation, this is another matter that would depend on the local situation. How-

ever, it is generally agreed that all soils are benefitted by soil-conditioning crops.

Deep-rooted legumes not only increase the fertility of the soil, but improve its tilth and permeability. They "aerate" the land in such a manner that water can enter through its "pores" at a much greater rate.

In tight-land farming, this practice becomes increasingly important, although it is admitted that this is a long-term project that requires the setting aside of a certain portion of acres on a farm which might otherwise be needed for the production of a cash crop.

However, farmers who find time and acres to spare for such a plan report that it is time well spent and that they benefit greatly in later years.

RHEA

MRS. NOLA DRAGER

Rhea HD Meets In Sifford Home

The Rhea Home Demonstration Club met in the home of Mrs. Billy Sifford on Friday, September 16.

Next meeting will be held in the home of Mrs. Willie Wall, Friday, October 7.

Mrs. Bill Buchanan gave a very interesting talk on her trip to Fort Worth as a delegate to the State HDA meeting.

Miss Corinne Stinson plans to meet with the club on October 7.

Mr. and Mrs. J. D. Cooper and family moved to Bovina last Friday.

KIDS ARE CUTE!

Keep 'Em that Way with Cute (and practical) Clothes from—

LuNORA'S

FRIONA, TEXAS
"Tiny Tots to Teens"

To Hereford

Mr. and Mrs. Robert Schueler and Mr. and Mrs. C. G. Drager attended a mission rally at Hereford recently.

From Kansas

Mr. and Mrs. Wilford Fehr and boys, Steve and David, of Emporia, Kans., visited in the home of Mr. and Mrs. Gilbert Schueler last week. Fehr is a brother of Mrs. Schueler.

WIN PRIZES AT FAIR

Mr. and Mrs. F. T. Schlenker won three blue ribbons, and second and fourth place awards with five head of cattle they entered in the Curry County Fair held last week in Clovis.

Mrs. Sarah Dean, Gladys and Lindy attended the Curry County Fair Saturday.

Mr. and Mrs. Pug Collier visited in the home of Mr. and Mrs. Franklin Sunday.

Leroy Bauer of Happy spent last week in the home of Mr. and Mrs. Franklin Bauer.

Saturday's rain was surely nice. Below are some of the amounts of moisture which fell in this area.

Albert Drager received 9/10 of inch; C. G. Drager received 1/4 of inch; Franklin Bauer received 1 1/10 of inch; Raymond Schueler received 6/10 of inch, Melvin Sachs received 8/10 inch and C. L. Calaway received 6/10 inch.

Mrs. Clara Sachs of Clovis visited in the home of Mr. and Mrs. Melvin Sachs over the weekend.

Mrs. Alton Kunkel, Mrs. Norbert Schueler, and Mrs. Raymond Schueler visited in the home of Mr. and Mrs. L. H. Hoffman last Tuesday.

Mr. and Mrs. Carl Schlenker and family and Mr. and Mrs. Franklin Bauer visited in the home of Mr. and Mrs. Raymond Schueler Sunday.

Mr. and Mrs. W. C. Newbrough and family were Sunday visitors in the home of Mr. and Mrs. J. D. Stevens in Bovina.

Mr. and Mrs. Walter Schueler visited in the home of Mr. and Mrs. E. O. Woolever in Clovis Saturday night.

Mr. and Mrs. Robert Schueler visited in the home of Mr. and Mrs. L. H. Hoffman of Hereford Sunday.

Mr. and Mrs. C. G. Drager visited in the home of Mr. and Mrs. E. F. Vogler at Hereford Sunday.

A little blurred will tell you when you have had too much to drink.

LEGAL—

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Parmer County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: Eugene L. Swenson and wife, Esther Swenson, Charles W. Swenson, Jr., and should he have ever married, then his unknown wife or wives, Ira M. Cobe and wife, E. W. Cobe, Grayson M. P. Murphy, William S. Hood, and should he have ever married, then his unknown wife or wives, and Benjamin B. Putnam, and should he have ever married, then his unknown wife or wives, and should any of the said defendants be deceased, then their unknown heirs, assigns or legal representatives, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Parmer County at the Courthouse thereof, in Farwell, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation same being the 17th day of October A. D. 1955, to

Plaintiff's Petition filed in said court, on the 3rd day of September A. D. 1955, in this cause, numbered 1810 on the docket of said court and styled H. T. EDWARDS, Plaintiff, vs. EUGENE L. SWENSON, ET AL, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff brings this suit in trespass to try title, alleging that he is the owner in fee simple of All of Section 24, Block "A", of a Capitol Syndicate Subdivision of Parmer Co., Texas; that on or about the 1st day of September, A. D. 1955, the Defendants entered unlawfully upon such land and ejected Plaintiff therefrom and wrongfully withhold possession from such Plaintiff; and Plaintiff further sets up and pleads the 5-and 10-year Statute of Limitations as same pertains to land titles in the State of Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Farwell, Texas, this 3rd day of September A. D. 1955.

Attest: Hugh Moseley Clerk, District Court Parmer County, Texas
By Bonnie Warren, Deputy.

**MR. IRRIGATION FARMER:
WILL YOU PLEASE HELP US**

Because there still are some irrigation well operators in Parmer County who are operating their wells in such a manner as to cause hazardous road conditions, water in bar ditches, interference with school buses, mail routes, and farming operations of others, the Parmer County Water Board feels it is necessary to call attention to the laws under which our Water District operates.

It is the viewpoint of the committee that our water problems can be worked out democratically and through education, for the reason that we all have mutual interests in this matter. However, it is the duty of the Board to call to your attention the laws of the district which provide court action for the elimination of the conditions mentioned.

We will appreciate your attention to this matter, and trust that we can control this situation on a voluntary basis. Still, the interests of all the users of the District must be protected. It is suggested that you exercise care to see that your irrigation water is not wasted.

Respectfully,

**PARMER COUNTY WATER
COMMITTEE**
