Clovis Medical Plans Aired To Local Group

Plans for a new medical center complex for Clovis were presented to a group of interested local citizens last Friday morning. The meeting was in the community room of the Security State Bank in Farwell. A number of local residents who are exploring the possibility of a nursing home facility in Farwell were present to hear the Clovis plans.

Presenting the program were Jack Geddes, administrator of Lubbock Medical Center hospital, and Merle Harris, an associate of Byrnes-Harris Real Estate firm in Clovis.

The plans as given to the local audience envisioned a 164-bed hospital to be erected on the northeast corner of

Seventh and Norris streets in Clovis. In addition to the hospital, the plans also provide for a 120-patient rest home facility, an area for doctors' offices, apartment buildings and a town house area. Also, a park and lake area was called for to add an aesthetic touch to the plans.

Of interest to the local persons were the prospects of a medical complex located on the east side of Clovis which would be readily accessible to people needing care from the Farmer County area.

In discussing the project, Geddes said that the parent group, Clovis Medical Park, Inc., had plans and agreements with the new medical school at Texas Tech University in Lubbock to provide interns and resident physicians for the hospital. Also, the Tech medical school would support

the hospital with medical and technical advice wherever necessary.

In response to the question of a possible conflict between a nursing home in Clovis and a nursing home in Farwell, Geddes said that the two facilities would complement each other and that there would be ample demand for beds and rooms in both plants.

Geddes indicated that there is a great demand, growing each year, for retirement/nursing facilities. He pointed out that close medical supervision would be a great asset to a nursing home and that his program could be helpful in obtaining additional doctors for Farwell.

Harris, the Clovis representative, explained that the hospital itself would be a non-profit organization but that commercial development of

the adjoining area would provide the economic incentive for local participation in the financing.

Harris also indicated that investors from other areas were interested in the project and that at the present time a starting date of April 1 is contemplated. If the construction starts by then, the hospital portion would be completed in an additional 18 months with commercial projects to follow.

At the conclusion of the meeting, Geddes expressed the opinion that his organization was very willing to help the local nursing home project in the matter of attracting additional medical personnel to Farwell.

Those attending the meeting from Farwell included Don Williams, W. T. Perry, Gil Patschke, John Getz, Claude Rose Jr. and R. W. Anderson.

HOMECOMING ROYALTY - Cindy Watts, sophomore at Farwell High School, was chosen Homecoming Queen Friday night during halftime activities of the Farwell-Seagraves football game. Shown, left to right, with Queen Cindy, center, is Charla Norton, sophomore candidate, Cary Marsh, freshman; Leslie Norton, senior; and Pam Mayfield, junior. Cindy was the candidate-at-large. Kent Armstrong, Farwell High School senior, was crowned Pep Club Beau. Taking part in the coronation ceremonies were the Farwell High School Band and the junior high band.

Robin Mahaney Wins Fourth Week's Contest

In a week that saw many games going according to form in the Merchants Football Contest, Robin Mahaney and Dorothy Quickel, both of Farwell, were the only entrants to call all ten games correctly. First place money of \$5 went to Mahaney as he was only 15 points off on the point-spread of the tiebreaker game score. Mrs. Quickel was 32 points off so she had to settle for the runner-up spot and \$3 prize money.

Ysleta Kittrell and Jean Travis, also of Farwell, called nine games on the nose and also estimated the tiebreaker score alike, so they split the third place money of \$1.

Thirty-three other persons guessed nine games correctly, but were farther off on the tiebreaker, making it a very close contest this week. Those calling nine games right were E. R. Coffman, James Craig, H. R. Crook, Eileen Dannheim, Carl Davis, Carl Glenn Davis, Carolyn Sue Davis, James Ensor, Mildred Erwin, Mrs. J. H. Eubanks, Irene Jones, Joe Jones, Mrs. E. A. Key;

Also, Liz Kaltwasser, Reba Kirkland, Kirk Magness, Claire McFarland, Don Owens, Champ Porter, Vernon Scott, Mrs. Jack E. Taylor, Ralph Franse, Randy Gerles, Darrel Green, Gary Green, Joyce Hargrove, Henry Haseloff, Joe Haseloff, Doris Herington, Albert Johnson, Mrs. Albert Johnson, Bill Johnson and Sam Gonzales.

Mrs. Jack E. Taylor leads the overall contest with a total of 31 points. In second place with 30 points are Becky Taylor, Russ Jones and Jerry Mathis. Running a close third with 29 points are Missy Taylor, Carl Davis, Carl Glenn Davis, Ralph Franse, Louise Hancock, Joyce Hargrove, B. V. Hughes, Bill Johnson, Robert Johnson and Sarah Marsh.

The fourth week of the contest saw 25 new entrants, bringing the total number of contestants to 352 so far, which goes to show that it's never too

late to enter. Grand prize is two tickets to the Cotton Bowl game in Dallas on New Year's Day plus \$50 expense money. The runner-up will receive two tickets to the Sun Bowl game in El Paso and \$25 expense money.

With eight more weeks in the fall run, the Area Merchants

Football Contest is still anybody's game and will not be decided until the final entries are tallied the last week in November.

This is a good week to get your name on an entry blank and join the weekly fun and maybe win one of the weekly checks.

City Of Texico - -

Council Approves Building Repairs

Texico City Council met Tuesday evening, Sept. 25, and approved architect's plans, submitted by A. D. McDonald, for repairs and remodeling of the Community Building.

In other business transacted, Mrs. Helen Goff was hired as part time assistant clerk and approval was given for the purchase of a new typewriter for the police department. The Council made it mandatory that any adjustments regarding water bills must be presented to the Council by those persons desiring adjustments.

The City Dads also voted to

give the city marshal two days off each week instead of one day a week. They also heard complaints from persons about dogs being allowed to run loose in the city.

Present at the meeting were Mayor Manford Turnbough and Trustees Don Caillouet, Bill Christian and Bill Thigpen. Also in attendance were Larry Parks of Eastern Plains Planning Council, A. D. McDonald, Texico school superintendent; Harry Patton, city attorney; Willie Ronquillo, city marshal; Billy Hammit, water superintendent; and Clara Wiehl, city clerk.

List Released For Grand Jury Duty

Parmer County Sheriff's Department this week released a list of prospective jurors who are instructed to appear for Grand Jury duty on Thursday, Oct. 11, at 9:30 a.m.

Those listed are Ralph Franse, Don Christian, Bruce Parr, Bob Fillpot, Buck Ellison, Travis Stone, Harry Sheets, Steve Bavousett, Alvin Glasscock;

Also, Eugene Boggess, Lenton Pool, Jack Patterons, Mel-

vin Sachs, J. W. Gammon, J. B. Sudderth, Raymond Fleming, Joe W. Magness and Ovid Lawless.

Bonfire Is Thurs. - - Homecoming Set At Texico School

Texico School Homecoming activities have been scheduled for Oct. 11 and 12. On Thursday night at 7:30 o'clock the car caravan will travel through the streets of Texico. This event will be followed by the bonfire at 8:30 p.m. on the north end of the football field.

Homecoming Queen candidates and Pep Club Beau candidates have been chosen and will be announced in next week's issue.

Prior to the homecoming game on Friday, Oct. 12, the senior class parents will sponsor a barbecue dinner in the school cafeteria. Prices will be \$1.50 for adults and \$.75 for

children under 12.

The senior parents are also accepting donations of \$1 for a half of beef to be given away Nov. 9 at the school carnival.

Texico will host Moriarty for the homecoming game and all fans are urged to support the Wolverines during all homecoming activities.

HOLD THE REINS, WATCH THE CHAINS! Maybe Dusty Leatherwood isn't matching wits with "Showboat" and maybe reins have been traded for riggings but the competition was just as tough and the animals just as fierce as in the early days during the New Mexico Junior Finals Rodeo held Sept. 27

PROPOSED CLOVIS HOSPITAL - Don Williams, left, member of Farwell Chamber of Commerce hospital/nursing home committee, looks at the architect's sketch of the proposed Clovis Medical Park Hospital. Talking to Williams is Merle Harris from Clovis, a developer in the Clovis Memorial Park, Inc. project. The proposed facility will be located on the northeast corner of Norris and East Seventh streets in Clovis.

Local Youth Place In NM Jr. Finals Rodeo

Several local youths entered in competition and captured top ratings at the New Mexico Junior Finals Rodeo conducted Sept. 27 and 28 in Albuquerque.

Terry and Dusty Leatherwood, sons of Mr. and Mrs. Donald Leatherwood of Texico, were awarded top honors in their respective events during rodeo competition. Dusty received two trophy buckles during bull riding competition

by nabbing the state bull riding championship and by accumulating the most points. Terry was also the recipient of two trophy buckles, one for first place in calf roping and one for first in steer wrestling.

Diane and Limey Riley, niece and nephew of the Donald Leatherwoods, took places in the pole bending competition. Diane captured fourth place while Limey

placed third in one go-round and fourth in average.

Third place in break-away calf roping was awarded to Levi Dorris. Dorris is the son of Mr. and Mrs. Jack Dorris. Diane Luce, daughter of Mr. and Mrs. Leon Luce, participated in the goat tying and break-away calf roping.

The youngsters were accompanied to Albuquerque by their parents.

and 28 in Albuquerque. Dusty, in the picture on the left, and his brother Terry were both awarded trophy belt buckles for their performances in bull riding and steer wrestling, respectively, during the rodeo and several other area youths captured places in their various events during competition.

BEST GUESSER - Robin Mahaney, left, submitted the best entry in last week's Merchant's Football Contest. Mahaney correctly called all ten games and only missed the Farwell-Seagraves tiebreaker game score by the point-spread of 15 points. Vernon Thigpen, assistant manager of Gifford-Hill, one of the contest sponsors, presents Mahaney with his first place check of \$5.

PURELY PERSONAL
by John

I wonder how many other people are tired of getting caught with the "shorts." Around here we are short of this and short of that and are getting short of temper over the whole thing. It seems almost impossible that this great productive country could develop so many shortages so quickly. But we have, and we think that a little reflection may cast some light on the subject.

Among our many shortages is the notorious short memory of the great American public. We suspect that very few folks really remember the warnings issued several years ago by respectable people in the industrial ranks that this era was dawning.

Yes indeed, over the years far too many Americans have listened to various nutty, ill-conceived, grounded in socialism proposals and have gone immediately out and coerced a supine, politically-oriented Congress into passing laws embracing these screw-ball ideas.

Almost without exception, every shortage is DIRECTLY DUE to Congressional laws passed by people without the foggiest notion as to what they were doing. Congress directly bears the "albatross" of our national shortages, but getting the people to wake up to this fact will prove impossible. Everybody and everything will receive the pointed finger, expect Congress. Yes, the political debacle of the decade is not "Watergate" but a craven Congress that has let every imaginable pressure group run the country for its narrow interests.

The economy of the United States will never return to its great productive level until many of these stupid laws are repealed and common sense comes back to Washington. This, maybe, our grandchildren will finally see.

Wes Izzard has a lot of confidence in October. On the very first day of the month he features the "October's Bright Blue Weather" quatrain. We have often cited this piece of verse in support of October as a "favorite month" but never, never until we could see how the harvest month was going to go. Occasionally October turns out to be not so good. In fact, last year was a pretty sorry October, so here's to Wes and his climatological optimism this year. Let's all pull for the best October in history. Our harvesting farmers deserve it.

We do, have one - a local tomato grower. His name is Rufus Carter and he grows dandy tomatoes at his home. How do we know? Well he gave us a sack full of his beauties and they were delicious eaten with a handful of salt. Probably nobody else has grown such lovely tomatoes; at least we haven't seen 'em.

Our friends the Dumas Demons are the most consistent thorn in the flesh of our local football seers. Willie Roberts, for one, just can't seem to foresee when they will win or lose. Littlefield's massacre of Muleshoe was rather unexpected, according to weekly guessers, and Texico with their win ruined a number of otherwise good entries.

This Week's contest card has several sleepers, we think, so not only is a good knowledge of football necessary to winning our contest but luck will also play a significant role in the final outcome. This gives everybody from tyro to aficionado a good chance to emerge as a winner. This probably accounts for the Tribune's annual contest growth in popularity each year.

School Officials Attend Confab

W. M. Roberts, Farwell School superintendent, and Gilbert Kaltwasser and Wilbert Kalbas, members of the school board, were in San Antonio Sept. 30 and Oct. 1. They attended the Texas Association of School Administrators and School Boards Annual Convention.

Governor Dolph Briscoe was guest speaker at the banquet Sunday night.

2nd District Clash --

Texico 'Buffaloes' Melrose With First Season Win

by Domingo Rojas

Texico's Wolverines herded the Melrose Buffaloes for a 52-0 victory and their first win of the season to give the Green and White a 1-2 season record in action at Wolverine Stadium Friday, Sept. 29. The win was also the first plus mark on the Wolverines district record giving them a 1-1 statistic.

Action began with the Wolverines kicking off to the Buffaloes. Unable to do anything against the strong Wolverine defense the Buffs punted from their 19-yard-line. Eugene Wallace picked up the punt to start the Wolves' offense on their own 45-yard-line. After two plays quarterback Curtis Lindley handed to halfback Tommy Galvan who carried to the Melrose 14-yard-line. Lindley ran a keeper around end for the first touchdown of the night with 6:57 left in the first quarter. Randy Harrison ran the points after touchdown to give the Wolverines an 8-0 lead.

On the kickoff return the Buffalo quarterback attempted a keeper but was stopped cold by defensive tackle Roger Pace. Galvan intercepted a pass on the next play and Texico's offense came strong as Harrison picked up a first down on the first play. A major

15-yard penalty on the Buffs gave Texico another first. The Wolves failed to move the ball and a fumble occurred with Melrose recovering on their 22-yard-line. The Buffaloes were penalized 15 yards on their first play which put them in a second and 25 situation. Melrose quarterback Kevin Cooper was forced to try a pass to end Leroy Gover but safety Eugene Wallace was there to break it up. After no gains Melrose punted to Texico. After two plays QB Lindley ran a keeper for a 50-yard TD only to have it called back on a clipping penalty. Unable to gain the yardage lost in the penalty Harrison punted to start the Buffalo offense on their own 4-yard-line. After a series of punts, Lindley ran another good gainer to the Buffs 12-yard-line. Another clipping penalty put the Wolverines in a two and 25 situation. Time ran out before another play could be put in motion with the Wolverines in the lead 8-0 at half.

Third quarter opened with Galvan picking up a first down in two carries following the Melrose kickoff. Harrison tried the halfback pass to tight end Spencer Turner who grabbed it on the 4-yard-line. Next play

was a Green and White TD when Sammy West took the hand off from Lindley and carried it across the goal line. The PAT was unsuccessful and the score was 14-0, Texico.

Wolverine Craig Chumley kicked off to Buffalo Lennie Scott who took it to the Buffs 26-yard-line. Again Melrose lost the ball to the Wolverine defense when Cooper tried a pass with linebacker Jimmy Ortiz intercepting and carrying to the Melrose 4-yard-line. Two plays later Lindley went into the endzone and Harrison was credited with the PAT to make the score 22-0.

The Melrose offense put the ball in the air and was intercepted by Chumley who carried to the Melrose 12-yard-line. Chumley dropped the ball with a Buffalo coming up with it. However, Melrose gave the ball right back to the Wolves when a fumble occurred. Ortiz covered it on the Buffs 11-yard-line. The Wolverine offense soon made another touchdown when Harrison carried through the middle. Harrison also made the extra points. With 3:10 left in the third quarter, the score was 30-0.

Fourth quarter action saw Harrison get a hand off from the quarterback to gain eight

yards in the first play. Harrison then ran the ball to the Melrose 20-yard-line to gain another first down. Another TD was soon added to the Wolverines score when Lindley outran the Melrose defense for a 20-yard TD play. PAT attempt failed and the score remained 36-0.

Melrose received the kickoff on their 20-yard-line. No gain was made in the first play and on the second play Pace came through the line to get QB Cooper for a one-yard loss. On third down Pace again made a good tackle on Clifford Holloway. Melrose punted out to the Wolves 39-yard-line and Harrison added to his running total as he gained nine yards in the first play. Galvan broke loose on the second play to run to the Buffalo 25-yard-line for another first. After plays by Harrison and Galvan, Lindley made another TD for the Wolves. Harrison's extra point was good and Texico led 44-0.

On the next kickoff Holloway was stopped by M. H. Askew on the Buffalo 23-yard-line. First offensive play was a pass attempt by Cooper who was hit hard by Kevin Stanley before he could get the ball in the air. With no yards gained against the Wolverine defense Melrose punted to their 31-yard-line. Lindley handed to Galvan who ran to the 5-yard-line. Next play was another TD for Texico as Galvan ran through the Buff defense for six points. West made the extra points and the final score was Texico 52 and Melrose 0.

In commenting on the Wolverine team, Head Coach Bucky Walters said he was very pleased with the way the

ALMOST GOT AWAY - Wolverine Halfback Randy Harrison, No. 11, almost broke loose from this Melrose Buffalo on his way to another touchdown for Texico. Coming in to help is Steve Harrington, No. 81. The Wolves beat the Buffaloes last Friday night, 52-0.

offense and defense played Friday night.

Coach Walters remarked that all of the offensive players "executed their blocking assignments very well and the offensive backs did some great running with halfback Randy Harrison rushing for 166 yards in 13 carries. Tommy Galvan also crossed the 100-yard mark with 103 yards in 12 carries." Coach Walters also commented on Sammy West who gained 61 yards in five carries "Curtis Lindley also did some real fine running with four touchdowns credited to him," said Coach Walters.

The defensive squad, according to Coach Walters, "did an excellent job." Statistics indicate that tackle Roger Pace has 12 tackles and a fumble recovery to his credit. Craig

Chumley, linebacker, had 14 tackles and one interception. Raymond Cantu, nose guard, had 12 tackles and Jimmy Ortiz also had one interception. Next clash for the Wolverines will begin at 8:30 p.m. Friday (tonight) in Wolverine Stadium when Texico hosts the Fort Sumner Foxes.

Wolverines Of The Week

RAYMOND CANTU

ROGER PACE

CRAIG CHUMLEY

RANDY HARRISON

Four players were selected as Wolverines of the Week for their fine performance last Friday against the Melrose Buffaloes. Randy Harrison, offensive halfback, did some fine running with 116 yards in 13 carries, according to Texico Wolverine Coach Bucky Walters. "Harrison got us the yards when we needed them," added the coach. Other offensive players commended were Curtis Lindley and Tommy Galvan. Outstanding defensive players named were Craig Chumley, Roger Pace and Raymond Cantu. According to Walters, Chumley had 14 tackles and one interception. Pace recovered one fumble and had 12 tackles and Cantu also had 12 tackles. Honorable mention went to Jimmy Ortiz who recovered one fumble and intercepted one pass.

Seagraves Eagles Fly Past The Steers 34-19

by Lynn Blankenship

Somehow, with the Steer Stadium full, a nice night, and Steer Spirit everywhere, the Eagles flew past the Steers to take a 34-19 victory for the Farwell Homecoming game.

Fumbles were the key to the game. Three out of five of Farwell's fumbles handed Seagraves three of their touchdowns. One out of four of Seagraves' fumbles gave Farwell a touchdown.

The statistics of the game are rather confusing. The Steers had seven penalties for 45 yards and the Eagles had ten penalties for 110 yards. The Steers had 283 total yards to Seagraves' 408, but Seagraves had only two more first downs than the Steers.

The Steers kicked off to the Eagles to get the game underway and Seagraves didn't give the ball up until they had a touchdown. After driving 54 yards, an Eagle flew in for 16 yards and six points. The point after touchdown failed and Seagraves moved in front 6-0 with 7:14 remaining in the first period.

Early in the second quarter there was a Steer fumble on the Eagle eight-yard line with Seagraves recovering. However Kevin Hargrove plowed through on Seagraves first play and caused them to fumble with Hargrove covering the ball on the Seagraves six-yard line. On the next play, Mike Woods ran the ball those six yards for a Steer TD. A mighty roar went up by the Steer fans as they released the homecoming balloons. The conversion attempt failed and the Steers tied the game up 6-6 with 11:35 remaining in the second quarter.

Later in the second quarter there was a Seagraves fumble with Carl Kirkland recovering it two yards into the end zone. Kirkland ran the ball to the 18-yard-line. The Steers were quick to fumble and the Eagles recovered. On Seagraves' first play they went for 13 yards and their second touchdown. A 15-yard penalty was called on Seagraves during their extra point attempt; nevertheless on their next try they completed a pass for 18 yards for two extra points. The score stood 14-6 with 6:25 remaining in the second period.

Shortly following the Eagle kickoff, the Steers again fumbled and lost the ball. It took Seagraves only three plays plus a five-yard penalty to make another Eagle touchdown. The PAT failed and Seagraves led 20-6 with 4:44 remaining in the first half.

Early in the third quarter an Eagle nested in the end zone for another touchdown coming in from the one yard line. The Eagle try for two extra points was successful and Seagraves moved further out 28-6 with 9:06 remaining in the third period.

In the third quarter Seagraves had a fourth down situation and were forced to punt. The punt went a total of only three yards. The Steers, however, were quick to fumble

again losing the ball and two plays later an Eagle flew in 38 yards for another TD. The PAT failed and the score stood 34-6 with 2:50 left in the third quarter.

Following the Eagle kickoff, quarterback Hargrove completed three out of four passes plus 33 yards rushing by the Steers to give Farwell another TD. Mike Woods ran the ball across the goal line from one yard out. The PAT was good and Farwell advanced its score to 13 with 18 seconds remaining in the third quarter.

In the fourth quarter, Hargrove carried in from one yard for another Farwell touchdown to bring the score up to 19. The PAT was unsuccessful and the score read Seagraves 34, Farwell 19.

During the 7:23 remaining in the ballgame, neither team threatened again.

"We feel like we made a much better offensive showing

STEERS SCORE -- Farwell Steer back Mike Woods jumped high in the air with jubilation after scoring the first of three Steer touchdowns in last week's Farwell-Seagraves game played on the local field. Woods carried the ball from six yards out to produce this second quarter tally. In spite of the Steers' offensive efforts, Seagraves won the game 34-19.

than all year. We probably should have scored more but too many mistakes were made. But, our offense was so much better we really can't complain," stated Head Coach Toby Booth in his comments on Friday's action against the Seagraves Eagles.

According to Coach Booth, Carl Kirkland had been moved from end to the tailback

position for Friday's game. Booth stated, "Kirkland seemed to adapt to the move readily and he played an excellent football game. Our three key offensive men, Kevin Hargrove, Mike Woods and Kirkland, made their best show of the year."

In reference to the defensive game against Seagraves Coach Booth said, "Jesse Cantu was all over the football field. He's credited with 15 tackles and caused four fumbles. To sum it up, he's a 'tremendous competitor' and we need more like him."

Coach Booth also commended Kie Watkins and Barry Goldsmith for playing "a pretty good defensive game." As a whole, Coach Booth stated the "defensive at times was good, then we'd get sloppy." The Farwell Steers are scheduled to travel to Kress to battle the Kangaroos in their first district clash of the 1973 season. Game time is 8 p.m. Friday (tonight).

STEERS OF THE WEEK

CARL KIRKLAND

JESSE CANTU

Steers of the Week selected by Head Coach Toby Booth for their outstanding competition during action against the Seagraves Eagles are Carl Kirkland and Jesse Cantu. Kirkland had been switched from end to tailback and "adapted readily". According to Booth, "Kirkland played an excellent football game." Defensively, Jesse Cantu is a "tremendous competitor" who was all over the field during Friday's action, the coach said.

First District Clash --

Steers Expected To 'Get Tough' Against Kangaroos

"We're through playing the 'funsies'. We start district play this Friday (tonight) against the Kress Kangaroos on their ground," commented Steer Head Coach Toby Booth in regard to the Steers' next opponents.

Booth said the only difference in the Steers and the Kangaroos is speed. "Kress has a team that is a little quicker than we are. They're about the same size but the

speed is the only difference," he commented.

Kress is fielding a team with 11 lettermen returning, including three offensive and four defensive starters. Inexperience and a young team have been contributing factors in Kress' determination to down their opponents in season play.

Farwell will be facing lettermen running backs Trent Street, 145 lbs., Larry Buske, 170 lbs., Tim Reed, 170 lbs.,

Max Jones, 140 lbs., Eugene Sepeda, 138 lbs., and Stan Weathered, 155 lbs.

According to area reports a line will need to be fashioned around only four Kress lettermen, Ruland, Williams, Young and Hartman, 170, 135, 150 and 140 pounds, respectively.

The opening kickoff of tonight's clash will be at 8 o'clock in Kangaroo Stadium. Coach Booth urges all Steer supporters to attend the game,

Win Streak Unbroken --

7th Grade Yearlings Down Another Victim

That "BOOM OFFENSE" and "HEAD HUNTER DEFENSE" of the mighty 7th grade Yearlings rolls on as the team added another victim to its credit. The Yearlings downed Bovina by a score of 12-0 Thursday afternoon on home ground, which keeps them undefeated and yet to be scored on.

The first quarter was scoreless, but the Yearlings hit pay dirt in the second quarter when quarterback Rowdy Chandler scored on an option play, to give them a 6-0 lead at half.

Bovina held the Yearlings scoreless in the third quarter, but Robin Roberts added another six points in the fourth when he too scored on an option run.

DeeDee Foster was again this week credited with the most yards gained and Steve

Owens did a good job of rushing.

According to coach, "the backs had a good night behind our fierce line. All the boys played well".

The coach cited Steve Scott, Robert Lucero, Randy Geris and Radney Robertson as outstanding offensive players. Outstanding defensive players named were Levi Dorris, David Hernandez, Kayle Watts and Bruce Mayfield.

This week the Yearlings were to start district play with Kress in Steer Stadium at 5:30 Thursday. The Yearling coach stated that the "clash with Kress is a MUST game for us. Kress has the toughest 7th grade team in the district and it will be out biggest game." The 7th grade Yearlings record now stands at 4-0.

EFFIGY EAGLE - This effigy was burned in effigy last Thursday night at the bonfire at Farwell High School as part of homecoming activities. The replica of the eagle and the bonfire were made by members of the freshman class as part of their initiation. The school bands, pep club and many Steer supporters took part in the bonfire ceremony.

Farwell 8th Grade Loses To Muleshoe

Farwell eighth grade fell to Muleshoe Thursday, Sept. 27, in Muleshoe by a score of 8-0, giving the team its third loss of the season.

According to Coach Larry McDorman, "We played great

ball. Our defense was outstanding with the best hitting we've done all year and our offense was working good, but every time we got close to the goal line we got penalized."

McDorman credited Russ Jones for throwing the ball well, and cited Jones, Richard Yreugas, Charlie Costillo and Rusty McFarland as outstanding defense players. Outstanding offense honors also went to Jones and Yreugas.

The 8th grade Yearlings were to start district play this week against Kress at home. Both junior high teams and the junior varsity were scheduled to play at Steer Stadium with the games to start at 5:30 Thursday afternoon. The eighth grade season record now stands at 1-3-0.

1-1 Record --

Jr. Wolves Set To Meet Ft. Sumner

Texico Junior High football team was to play the Portales Lambs Thursday, Oct. 4. The game was to be played on Wolverine territory.

The Jr. Wolves downed the Melrose Buffaloes last week-end to advance their season record to 1-1. The Wolves were defeated by Ft. Sumner Foxes in their first game.

Kenneth Shaw, Head Coach, commented that the Jr. High team is coming along very well. "We have some boys who play very good ball," stated Coach Shaw. "Mark Howard is

a fine defensive player along with Jackie Reid, who can block and tackle real well. Arthur Salguero is a fine quarterback and Joe West is a tough running back," added the coach.

Next game for the Jr. High team will be against the Ft. Sumner Foxes Saturday, Oct. 13, at 10 a.m. (CDT) at Wolverine field.

In commenting on the Foxes Coach Shaw stated, "The Foxes beat us the first game 20-0, but it was our season opener and we had alot of inexperienced players."

Footnotes on Football

Football may be English as steak and kidney pie. But British team managers often beef up their squads with players from Scotland.

The leading teams in England, according to the Teacher's Scotch Information Centre, are well bolstered with Scottish players, who are noted for their flair for the game and for their courage and aggressiveness.

Football as it is now known is Scotland-which is quite different from the game we know in the United States-could be said to have started on June 2, 1869, when a Glasgow newspaper carried a report of a contest. It was the first newspaper report of a football match in Scotland

and a forerunner of the struggle by newspapers to satisfy the need of the masses to read about the game.

In Glasgow today there are three grounds capable of holding 100,000 spectators each. But football in Scotland is not all big crowds and spectacular professionalism.

At the fun level there is wide participation just for kicks. Few schools are without football teams. Youth clubs and church organizations have their leagues.

Youthful Scottish players are frequently taken as school-boy apprentices to England or later go for heavy transfer fees. Obviously, the Scots have lots on the ball.

No Changes Expected For Ft. Sumner Clash

"A good-sized ball club with some pretty big players and tough running backs" is the way Texico Wolverine Head Coach Bucky Walters described the Wolverines' next opponents, the Ft. Sumner Foxes. Included in the Foxes' offensive squad is George Sparks, a 6 ft. 2 in., 190 lb. senior running back. According to the coach, Sparks is a very tough boy who can run with the ball very well.

Kick-off time is slated for 8:30 p.m. Friday (tonight) in Wolverine Stadium.

Sports Afield

By Ted Kesting

The Ft. Sumner team runs a wishbone and a Power I formation which proved very effective against the Vaughn Eagles as they defeated the Eagles 30-8. The Foxes also downed the Melrose Buffaloes 52-0. The Foxes suffered a big defeat last weekend when they were bombed by the AAA West Las Vegas team 57-0 and will come to Texico to retaliate the big loss, Coach Walters stated.

No changes are expected to be made by the coach in the offensive or defensive lineups for tonight's clash and Coach Walters concluded by stating, "The Wolverines will have a very tough game on their hands."

Most fish lay their eggs in water. On the West Coast, however, there is a small fish known as the grunion which lays its eggs on land. —SPORTS AFIELD

Solution to Litter May Give Answers To Basic Problems

"If we can solve the human behavioral problem of littering, we may be able to find answers to many other social issues," Roger W. Powers, executive vice president of Keep America Beautiful, Inc., told delegates from 25 countries attending the recent Keep Europe Beautiful conference in Stockholm.

"More than a symbol of environmental ignorance, littering is a symptom of a far greater malady affecting all nations," Mr. Powers stated. "Littering is a problem that shows a person's indifference, lack of respect and even insecurity."

"How can the world hope to solve its many other environmental problems if it cannot solve a universal problem like littering?," he asked.

Littering is the result of an attitude and must be dealt with in humanistic terms so that each person is given a sense of individual responsibility, he explained.

SCOUT LEADERS - Assistant Scoutmaster Lee Courtney of Farwell, who is stationed at Cannon Air Force Base, discusses Boy Scout activities with Scoutmaster Dwaine Nance of Farwell. The men will be the new Scout leaders of Texico-Farwell Troop 200. Courtney is also an Eagle Scout.

Girls --

Volley Ball Games Set

Texico junior high and high school girls volleyball games are scheduled with Portales Thursday, Oct. 11, at 4 p.m. in Texico gymnasium.

Their last games on the season's schedule are with Tatum Thursday, Oct. 18, in the Texico gym, also to start at 4 p.m.

Charles Stockton is coach of the girls teams.

Anne Norton Selected As Outstanding Young Woman

Mrs. Gerald (Anne) Norton of Farwell has been chosen as one of the Outstanding Young Women of America for 1973 and will appear in the annual biographical compilation, "Outstanding Young Women of America."

Mrs. Norton was nominated by United Presbyterian Women for her outstanding achievements.

The Outstanding Young Women of America program recognizes the achievements and abilities of women between the ages of 21 and 35. These women are being honored for their outstanding civic and professional contributions to their communities, states and the nation.

These candidates are now being considered for further state and national awards. This fall, 50 of the young included in "Outstanding Young Women of America"—one from each state—will be named as their state's Outstanding Young Woman of the Year. From the 50 state winners, America's Ten Outstanding Young Women for 1973 will be selected.

Mrs. Norton is the daughter of Mr. and Mrs. Charles W. Gibson of Friona. She graduated as an honor student from Union High School in Brownfield. Husband Gerald is a farmer and rancher and they are parents of two children;

Charla, who is a sophomore at Farwell High School, and Tim, an eighth grader in Farwell Junior High.

Anne has been previously employed in the advertising departments of Sears and Dunlaps, in the advertising department of the Farmington Daily News, as elementary librarian at Bloomfield Elementary School and office manager at Far-Tex Feed Yard. She has spent most of her married life as a homemaker.

The Norton family are active members of the First Presbyterian Church in Clovis. Anne has served in the choir, Sunday school teacher, on the Evangelism committee, nominating committee, President 1973-74 of United Presbyterian Women,

Secretary 1972-73 Synodical of the Southwest, and Leadership and Resource Chairman 1973-74 of Synodical of the Southwest. Synodical of the Southwest includes women of the Presbyterian churches in the states of Arizona and New Mexico. She is also program chairman of Church Women United in Clovis.

Anne is a member of Farwell band parents, is Future Homemakers of America Mother Advisor, member of Farwell Ladies Golf Association and Farmerettes, and she and her husband are class parents.

When time permits, Anne enjoys reading, decoupage, gold leafing, sewing, cooking, and watching all types of sports, especially football.

At Home In Parmer County

By Jana Pronger
County HD Agent

Dallas again will host the annual State 4-H Dress Revue as 47 Texas Coeds model today's fashions and compete for honors October 4-6. Parmer County will be represented in the state contest again this year. Susan Mimms, daughter of Mr. and Mrs. Dalton Mimms of Lazbuddie, will be competing. Deborah Harding of Farwell was one of the participants in 1972. Both girls won the right to compete in Dallas by first winning the County Revue then being among the top five finalists on the District level.

I think we can rightly be proud of our 4-H'ers in Parmer County, as they are actively participating in almost every phase of 4-H. Among our recent celebrities are Jacquelyn Langford, Farwell, winner of the District Beef record book contest, and Deborah Harding, Farwell, in sheep. Both girls' records were in State competition in September. Karene and Holly Hart of Friona were the District record winners for Sheep and Beef in 1972. One of the most recent honors was the crowning of Karene Hart as the Tri State Fair in Amarillo.

We also have some 4-H Sisters Visit

Visiting in the home of Mr. and Mrs. Clyde Magness of Farwell recently were Mrs. Ray Partlow of Sylvania, Ohio, and Mr. and Mrs. Garlon Harper from Memphis, Tenn. Mrs. Partlow and Mrs. Harper are sisters of Mrs. Magness.

Home On The Range

The National Safety Council warns that the kitchen is an especially dangerous area of the house.

Food preparation need not turn into a disaster from a fire, burns and scalds if a few simple rules are obeyed.

Don't wear trailing sleeves, large floppy neck bows, or flimsy clothes around stoves. Even though it may be a chore to get out of a bathrobe, changing into a close-fitting, tightly woven garment may save a life, the Council says.

Always use big oven mitts, turn pot handles and lids away from you when sneaking a peek at your cooking.

travelers. Jacquelyn Langford traveled to Houston this summer as the Parmer County Representative to the Texas 4-H Congress. Holly and Karene Hart were among a delegation of 70 Texans to attend the National 4-H Citizenship Shortcourse and Texas Heritage Tour this summer.

I hope you will join me in recognizing these and the other 234 4-H'ers in Parmer County during the National 4-H Week, October 7-13.

Jana Pronger To Attend National Assn. Meeting

Jana Pronger of Farwell, Parmer County Extension Agent, will be among more than 50 agents from throughout Texas attending the 39th Annual Meeting of the National Association of Extension Home Economists, October 14-19 at Grossinger's in New York State. According to Miss Pronger, theme for the meeting is "A Time For Renewal."

"Agents will be involved in professional improvement, recognizing outstanding achievements and exchanging teaching innovations and methods," she said of the week-long meeting.

Jane Milliken Is New Ladies Club Champion

Jane Milliken of Clovis defeated defending champion Sharron Hughes of Farwell by one stroke to win Farwell Country Club's annual Ladies Club Championship in the tournament played Sept. 25 and 26. Mrs. Milliken had a 92-87 for a 179 total while Mrs. Hughes shot a 92-88 for a 180 total. Doris Herington of Farwell took third place with a 91-93 for a 184 total.

In the net division, Mrs. Herington was first with a 73-75. Second place went to Carrie Anderson of Farwell with a 77-77.

In the nine-hole division, Omata Scott of Farwell won the low gross with a score of

118. Alice Vinton shot a 74 in the low net to win first, beating Reba Bonds of Bovina by one stroke.

Approximately 15 women participated in the two-day tournament.

GOD AND COUNTRY AWARDS - Boy Scouts Jack Rose, Dwayne Obenshain, Guy Whitesides and Alan Warren are shown with Rev. W. T. Perry, pastor of Hamlin Memorial United Methodist Church, where they were honored Sunday, Sept. 30, for having earned their God and Country awards. The Scouts have worked and studied with Rev. Perry for the past year in order to be eligible for this honor. This is the first time any Scout in Texico-Farwell has ever received the God and Country award. The Scouts are members of Texico-Farwell Troop 200.

MAN AND HIS ENVIRONMENT

In the midst of the current environmental panic, one man does not feel the environment is in as bad condition as some would have us believe.

Said British Scientist D. G. Hessayon in his 1972 Tennant Memorial Lecture at the University of Strathelyde, "In England, smoke concentrations have fallen 80 per cent in the past 10 years. Sulphur dioxide is down 40 per cent. Now on an average winter day in London, visibility is four miles. In 1958, the average visibility was one mile.

"There are now 55 species of fish in the lower Thames river where there were none 15 years ago."

"There have been no adult deaths from pesticides, but last year, in the same 12-month period, 11 people were gored to death by bulls."

First For Texico - Farwell --

Four Boy Scouts Receive God And Country Award

Four Boy Scouts from Texico-Farwell Troop 200 are recipients of God and Country awards. Those receiving the honors are Dwayne Obenshain, son of Mr. and Mrs. Harlan Obenshain; Alan Warren, son of Mr. and Mrs. A. V. Warren; Guy Whitesides, son of Mr. and Mrs. Bill Whitesides; and Jack Rose, son of Mr. and Mrs. Claude Rose, Jr., all of Farwell.

Rev. W. T. Perry, pastor of Hamlin Memorial United Methodist Church, presented the awards to all of the scouts Sunday, Sept. 30, except to Jack Rose, who will be receiving his award during services at St. John's Lutheran Church this coming Sunday. However Jack stood with the other Boy Scouts as they were honored at the Methodist Church and they in turn will attend the services at his

church when he receives his award.

The award culminates a year's work and effort by the Scouts. Rev. Perry has assisted them during this year, and this is the first time any Scout has received the God and Country award in Texico or Farwell.

To earn this award a Scout must serve in civic and church affairs and must learn many religious traits which falls in three stages:

1. A study of the Bible, which requires them to memorize the books of the Bible and to have a working knowledge of the Old or New Testaments.

2. There are five categories in this stage; Christian Faith, Christian Witness, Christian World Outreach, Christian Citizenship and Christian Fellow-

ship. 3. This stage requires studying the background of the history of the Christian church and they are required to undertake and develop a knowledge of Christian vocations, and also to develop an understanding of what the church is doing in church-related colleges and institutions and where they are located.

4. The final stage is planning of family worship within the family.

All four Scouts started out in Cub Scouts and have been very active in all phases of Scout work. They also traveled to Canada last year with the Scouts.

The troop has recently acquired a new scoutmaster, B. D. Nance of Farwell and assistant scoutmaster, Lee Courtney of Cannon AFB, who is an Eagle Scout.

HOSPITAL NOTES

Mrs. Alvin (Juanita) Mace of Farwell was admitted to High Plains Baptist Hospital in Amarillo Sept. 23 for medical treatment. She is reported to be in fair condition but will be hospitalized for sometime.

Orie Jones of Farwell was dismissed from a Lubbock hospital Saturday, Sept. 29, and is reported to be doing fine.

Fire Calls

Farwell Fire Department was called Wednesday to extinguish a fire on a diesel engine of a train three miles east of Farwell.

Texico had no fire calls this week.
