

PARMER COUNTY'S TRIBUTE

to those who lost their lives in service during World War II is shown following unveiling ceremony held at the Friona City Park on Memorial Day. The monument was sponsored by the Friona American Legion Post.

The memorial monument stands at the edge of the park grounds, directly in the center of the square, facing Main street. It is mounted on a Texas star of concrete.

### Roberts Opens New Elevator in Clovis

M. C. Roberts, of the Roberts Seed Company, formally opened his new grain elevator, located on Prince Street, in Clovis, last Saturday.

The Roberts Seed Company has been in operation in Texico for the past several years, and during recent months has expanded the business to include new distributing points at Clovis and Portales.

The grain elevator in Clovis will be operated under the name of the Roberts Elevator, and Tulon G. White is manager of the new business.

### Large Crowd Works In Local Cemetery

Members and friends of the Texico Cemetery Association met for an all-day working and memorial service at the burial grounds, Thursday, Memorial Day. About 60 people were present for the service.

Minister Ebb Randol brought an inspiring Memorial Day address, and S. C. Hunter led the crowd in singing. Lunch was served, with coffee donated by Stanley Stewart.

The cemetery underwent considerable improvement work, and several spruce trees were set out.

Mrs. Ruby Dixon and houseguest, Miss Margaret Shehan, spent several days last week in Albuquerque. Miss Shehan has returned to her home in Great Bend, Kan.

### TO OUT-OF-TOWN SUBSCRIBERS

Under new policy, a charge of 10c is made for change of address. Please include this when you notify us of such change. Otherwise, The Tribune will not be forwarded to new addresses.

### Memorial Unveiled At Friona On Thursday

A large crowd was present in Friona on Memorial Day, when unveiling ceremonies of the monument erected in honor of Parmer County boys who gave their lives during the recent war were conducted at the City Park.

Post Commander Frank Griffith, of Friona Post No. 206, American Legion, gave a brief dedication, after which the monument was unveiled for the crowd. The erection of the memorial was sponsored by the Friona Legionnaires.

The monument was unveiled by Lt. Charles E. Allen and Floyd Rector, of the Maritime Service, following which taps was played to the flag, flying a half-mast in the background.

Griffith then introduced Rev. Clarence Day, of the Friona Baptist Church, and Rev. David Binkley, Friona Methodist pastor and former Army chaplain, both of whom made short talks stressing the importance of Memorial Day.

The ceremonies were concluded at the Friona cemetery, where the graves were decorated. Rev. Houlette, of the Congregational Church, and Rev. North, of the Baptist Church, spoke at the cemetery.

### THOMPSON IS MANAGER

Charley Thompson has been employed to manage the elevator of the Lariat Grain & Seed Company, it was announced here this week.

Thompson began his duties on June 1st and is now in charge of the plant, which has been closed the past few months.

### MORE SUDAN TO POLAND

The Henderson Grain & Seed Company made another large shipment of Sudan grass seed to Poland last week, with 600,000 pounds being billed out from the local elevator for foreign delivery.

### ON SOFTBALL TEAM

Duane Sprawls, son of Mr. and Mrs. Aubrey Sprawls of this city, who is attending Texas A. & M. at College Station, was a member of the freshman Cavalry softball team, recent winners in an intramural tournament held at College Station. The C. Cavalry squad won the freshman title, a news dispatch reveals, winning seven of eight games.

### Drastic Changes Made In Train Schedules

A complete turnover on train schedules operating through here, both on the Amarillo and Slaton divisions of the Santa Fe, went into effect on Sunday throwing local people off balance as to when mail might be expected and from where.

Aubrey Sprawls, at the local depot announces the following schedule on which passenger trains are now operating:

No. 98-91, to Lubbock, arrives here at 2:35 PM.

No. 92-97, from Lubbock, is also due here at 2:35 PM.

No. 24, eastbound to Amarillo, arrives at 2:48 PM.

No. 2, eastbound to Amarillo, arrives at 3:45 AM.

No. 23, westbound from Amarillo, arrives at 3:48 PM.

No. 1, westbound from Amarillo, arrives at 1:49 AM.

Sprawls pointed out that this puts three passenger trains through the local yard in about 13 minutes, during the afternoon beginning at 2:35.

### WRECK AT FRIONA

A car-pickup crash, in which no one was injured, occurred about 7 o'clock Friday evening at the intersection of Main street with Highway 60 in Friona. A pickup driven by Carl Bender circled out of the Mogolia station on the south of the highway, directly in the path of a Chevrolet heading west, driven by Giles Williams, of Bovina. Williams swung into the wide intersection, with the pickup smashing into the driver's side. The car sustained bad damage, while injury to the pickup was not heavy.

### STATION CHANGES

Bill Moss has sold his service station in Farwell to Claude Darr, W. T. North and Bowden Darr, who have taken over the business. It was announced the first of the week that Texaco products would be handled by the new owners of the station.

### ACCEPTED FOR SERVICE

Reaford K. Wenner has been found acceptable for military service following examination at Oklahoma City recently, Mrs. Bess Henneman, clerk of the Parmer Selective Service, announced today.

# WHEAT HARVEST ON

## Chavez Appears Winner

With 25 counties heard from, complete but unofficial returns from New Mexico's primary election on Tuesday gave Senator Chavez a lead of slightly more than 300 votes early Wednesday morning.

Tabulations announced at 9 a. m. gave Sen. Chavez 18,662 and Gov. John J. Dempsey 15,132 in the race for the Democratic nomination for U. S. Senator from New Mexico.

In the governor's race, Mabry held a substantial lead over Barker, his nearest opponent in the race, with Mabry receiving 11,372 and Barker polling 8,836.

Dr. M. S. Smith appears to be nosed out of the nomination for Lt. Governor by Joe M. Montoya, and early returns placed Chas. Rose, brother of Claude Rose of this city, in the lead for state superintendent of public instruction.

Theo. Rozzell won easily over C. A. Joplin and James McNamara for state representative, with Rozzell polling 1825, Joplin received 581 ballots, and McNamara trailed with 465.

W. H. Collins outdistanced his two opponents to win the nomination for Curry County sheriff handily. He garnered 1404 votes, while C. B. Witherspoon came in with 900, to be followed by Virgil Dunn with 782.

In the race for Curry county superintendent, A. I. Metcalf nosed out John Gregory 1141 to 1021, with Matie Gilham trailing with 832.

O. W. Miller, of Melrose, made an unsuccessful attempt to unseat H. B. Moberly for county commissioner, although the race was close with no figures announced.

### Local Team Wins First Softball Encounter

Winning at ease, the Texico-Farwell softball team, sponsored by the Henderson Grain & Seed Company of this city, and coached by Seth Rollins, took the Pleasant Hill sluggers into camp in the opening game of the season, Monday evening, at Wildcat Field in Clovis.

Final score showed the locals with 23 points, while Pleasant Hill had only 9.

Coach Rollins expressed himself as well pleased with the showing of the local lads in their first encounter of the season, with little practice behind them.

Clarence Meeks pitched the entire game for Texico-Farwell, and did such a good job that he is already being talked of as the most promising twirler in the Clovis League. In addition to defeating Pleasant Hill with his pitching ability, Meeks slammed out two home runs just for good measure. Don Williams and Jim Bailey also got homers during the game. Bob Drace and Harry Baker caught for the locals Baker retiring in favor of Drace after receiving a hand injury.

The Pleasant Hill battery was composed of Floyd Bocox and Howard Whitener, the latter turning in an excellent performance behind the bat. Lawrence Holland patted out a homer, and Glenn Bocox carried off the batting honors with three singles.

The locals will meet the Campbell Ice Cream team in their next game, on June 1, at 6:30, Clovis time. All games are to be played at Wildcat Field.

### Parmer Draft Office Changes Quarters

The Parmer County Selective Service office, which has been located in the J. D. Thomas business building in Farwell for the past several years, moved this week to quarters in the local courthouse.

Mrs. Bess Lee Henneman, clerk, said the draft office is now located on the second floor of the courthouse, in the southeast corner. The office is the same as that formerly occupied by the ration office, she explained.

Mrs. Henneman reminded again that the office is not open at all on Saturdays, now, with regular hours observed Monday through Friday.

### REMODELING CAFE

The City Cafe in Farwell was closed Tuesday and Wednesday, while some remodeling and renovating was being done about the place. It will re-open on Thursday.

### SHIPMENTS DELAYED

A. C. Green, who has been named distributor for the new Kaiser-Frazier automobiles stated this week the shipments of the new cars had been delayed by the strike situations over the nation. The first model had been expected early this month but Green stated that it appeared it would be the latter part of July before his first demonstrator could be expected.

Meanwhile, Green is remodeling one of the Village of Texico buildings on Main street and getting it ready for his agency location.

### Calaway Announces For County Commissioner

C. L. Calaway, well-known Rhea stock farmer, this week authorized his announcement as candidate for the office of County Commissioner, precinct 2 Parmer County, subject to the action of the Democratic primary election on July 27.

In making his announcement, Calaway explained that it was being made in response to many requests he had received from supporters in the district. He is 51 years old, and has been a resident of Parmer County for 18 years, coming here from Red River County.

For 12 years he served as a member of the school board at Rhea, and also put in four years as county committeeman on the Triple A program. Calaway is well qualified for the office he seeks, and promises, if elected, to give of the best of his ability in the discharge of the duties of the office.

### Brewer Is Candidate For County Clerk

The Tribune is authorized to announce the candidacy of Loyde A. Brewer, of Friona, for the office of county and district clerk, subject to the action of the Democratic primary in July.

In announcing himself as a candidate, Brewer made the following statement:

"I hereby announce myself as a candidate for the office of county and district clerk of Parmer County, subject to the action of the Democratic primary in July.

"I am 31 years of age, married, and have lived in and near Friona in Parmer County since 1928. I finished both grade and high school at Friona and attended college at Texas Technological College in Lubbock in 1934-35, taking work in the business administration field.

"I have lived on the farm, and since 1937, I have worked for different businesses in Friona, including nearly four years with the Friona State Bank, where I was employed as assistant cashier when I was drafted into the armed service on October 21, 1941. I served four years with our Air Forces, including 2 1/2 years of foreign service with the 9th Air Force in the Middle East, the 12th Air Force in North Africa and the 15th Air Force in Italy. I was honorably discharged at Fort Sam Houston, Texas, October 21, 1945. I took advantage of the educational opportunities offered in the army and attended the Air Force Clerical School at Fort Logan, Colo., and a School of Gases at O'Fallon, Ill.

"I did a great deal of personnel and administrative work in the army as well as work in the field of the generation of breathing oxygen for flying combat crews on our heavy bombers overseas.

"I returned to Friona after my discharge, and was married to Miss Wana Vestal of Friona, who has had considerable teaching experience in Parmer County schools. Soon after the first of the year I was employed as bookkeeper by the Friona Consumers Co., where I have served to the present time.

"I feel that I am well qualified to serve as your county and district clerk, and if elected I will always strive to faithfully and honestly discharge the obligations of the important office with which you have entrusted me.

"In the course of the campaign, I will endeavor to see as many of the citizens of Parmer County as time and circumstances permit, and I will greatly appreciate any consideration you may see fit to give me."

Parmer County's 1946 harvest season is expected to be pretty well underway over the entire county early next week, after getting started last Friday with the first load in the county being marketed at Lariat by A. J. Jones, who is on the farm formerly owned by E. E. Booth, southwest of Lariat.

The first load of 1946 wheat to come to Farwell was brought in last Friday by Lary Winkle, north of town, and sold to the Henderson Grain & Seed Co. It tested 62 and had a moisture content of 12.38. The Winkle field is producing 12 to 15 bushels.

Additional first loads were reported at Farwell and Bovina Monday, with H. H. Barlow bringing in a load from the Withers place east of town, and Mason Neeley of Pleasant Hill, arriving in Bovina with the initial load of the season.

All of the first loads tested No. 1, with a test of 62, and moisture content running from 14.8 to 15.50. The Jones load was bought by the Lariat Elevator; the Barlow load went to the Farwell Elevator Company, and the Macon Elevator handled the Neeley load. All three were awarded a premium.

Elevator men said that it was difficult to make an accurate estimate on the yield on the first cuttings, but the opinion expressed by the growers placed the yield from 8 to 15 bushels per acre. Jones reported that he expected to harvest 15 bushels, while Barlow estimated his yield at from 8 to 10 bushels. No estimate was made on the Neeley farm.

There will be scattering harvest activity over the county this weekend, farmers say, but most of the combining will not get started before early next week. Several combines from the west, where the crop was practically a failure this year, have been seen passing through here the past week on their way to harvest fields farther east.

The area south of the Santa Fe tracks in this county is expected to outstrip that north of the tracks in wheat production this year. This is particularly true of the Oklahoma Lane, Lariat, and Lazbuddy sections, where reports indicate there is more wheat this year than ever before. Much acreage north of Friona was damaged recently in a disastrous hailstorm which leveled fields to the ground.

Increased production in the southern portion of the county will come from lands normally used for row crops. Farmers in the row crop sections turned to wheat plantings last fall when dry weather denied them a row crop.

The prediction has been frequently made that Farwell and Lariat will ship more wheat this year than was sent from these two points in 1945, one of the best wheat crops in recent years.

The 1946 harvest sets a new record for beginning early. Normally, observers note, the season does not really get underway until June 20 and afterward.

As the harvest season opens, elevator men were already expressing concern about the prospective shortage of railroad cars to move the grain to terminals. They have been informed by the railroads that cars will be short this year, and grain men in turn are advising farmers not to storm the elevators with their wheat until they have filled storage bins on the farms.

It is estimated that elevator storage in the county will not exceed 800,000 bushels, and this storage, it is believed, will last only a short time once the harvest really gets underway.

Due to the recent bonus offered by the CCC for stored wheat, harvest this year finds all the grain elevators empty.

### Trade Journal Makes Mention Of Cities

"Southern Union News", a trade journal published by Southern Union Gas Company, which serves this area, makes mention of the Twin Cities of Texico-Farwell in its current issue.

Several pictures, showing local churches and schools, the Parmer county courthouse in Farwell, and the local elevators, are on the double page spread devoted to Texico-Farwell, and a number of interesting paragraphs about the development of the towns are given.

**OUR PLEDGE**  
We pledge allegiance to the Flag of the United States, and to the Republic for which it stands; One Nation, indivisible, with Liberty and Justice for all.

**Organizations Seek To Halt Certificate Abuse**

Five leading veterans organizations have agreed to support efforts of the War Assets Administration to wipe out abuses of certification to wipe out surplus property, Hamilton Morton, regional director, Fort Worth, announces. The agreement was reached following a meeting in Washington of the veterans policy committee of the WAA, consisting of representatives of the organizations and WAA officials.

Joseph F. Carroll, director, compliance enforcement division, had uncovered indications that a small minority of veterans had acquired surplus property for others after certifying that the property was for their own use.

Under WAA regulation, any evidence of irregularity in the acquisition of surplus property is reported to the Department of Justice. Investigation is thereupon taken over by the FBI and prosecution by the Department of Justice.

Some of the cases which the Department is now preparing to prosecute involve dealers who have induced veterans to obtain substantial amounts of property for the dealers, certifying that it is for their own use in setting up or maintaining a business.

Members of the veterans policy committee at the meeting were Omar B. Ketchum, VFW; Millard Rice, DAV; Herrick J. O'Gara, American Legion; Chat Patterson, AVC, Inc. and Robert E. McLaughlin, American Veterans of World War II. WAA officials present included Carroll, Scott W. Donaldson and Huly E. Bray.

**To Have New Stadium At Tech By Fall**

LUBBOCK—Hopes that Texas Tech's new \$300,000 stadium may be completed for use this fall have been revived by recent progress, which includes employment of architects and engineers, and indication the government will release needed materials.

Lubbock architects and engineers are drawing plans for the new structure, following visits to stadiums in Fort Worth, Dallas, and other cities to obtain ideas.

Plans call for dressing rooms, offices, classrooms and storage space in the east stand, and for utilization of space under the west stand for storage and classrooms. Rest rooms and concession areas also will be in each stand.

The new stadium, to seat 15,000 persons, will be located northwest of the present football field, Morley Jennings, director of Tech's athletics, has announced. It will be of concrete and steel and will be so constructed that enlargement would be easily possible.

Plans also call for construction of

**POLITICAL ANNOUNCEMENTS**

The State Line Tribune is authorized to make the following political announcements, subject to the action of the Democratic primary election in July:

- For District Attorney: FLOYD H. RICHARDS KING FIKE (Re-election)
- For District Judge: JOHN H. ALDRIDGE (Re-election)
- HARRY SCHULTZ
- For Sheriff-Assessor-Collector: EARL BOOTH (Re-election)
- For County Commissioner, Pct. 4: W. S. MENEFEE (Re-election)
- For County Commissioner, Pct. 3: FRANK DOSHER
- T. E. LEVY (Re-election)
- JOHN ARMSTRONG
- For State Representative: J. W. JENNINGS
- TOM W. DEEN (Re-Election)
- I. B. (Doc) HOLT
- For County Judge and Ex-Officio Superintendent: A. D. SMITH (Re-election)
- W. O. CHERRY
- For County Treasurer: ROY B. EZELL (Re-election)
- For County Commissioner, Pct. 2: W. E. (BUCK) McCUAN
- F. T. SCHLENKER (Re-election)
- For County and District Clerk: C. B. (CHARLIE) LOVELACE
- LOYDE A. BREWER

a new street from the stadium area to the main section of the campus and for erection of adequate parking space. Most of the present stands will be raised. The present field, surrounded by a track, will be used for practice.

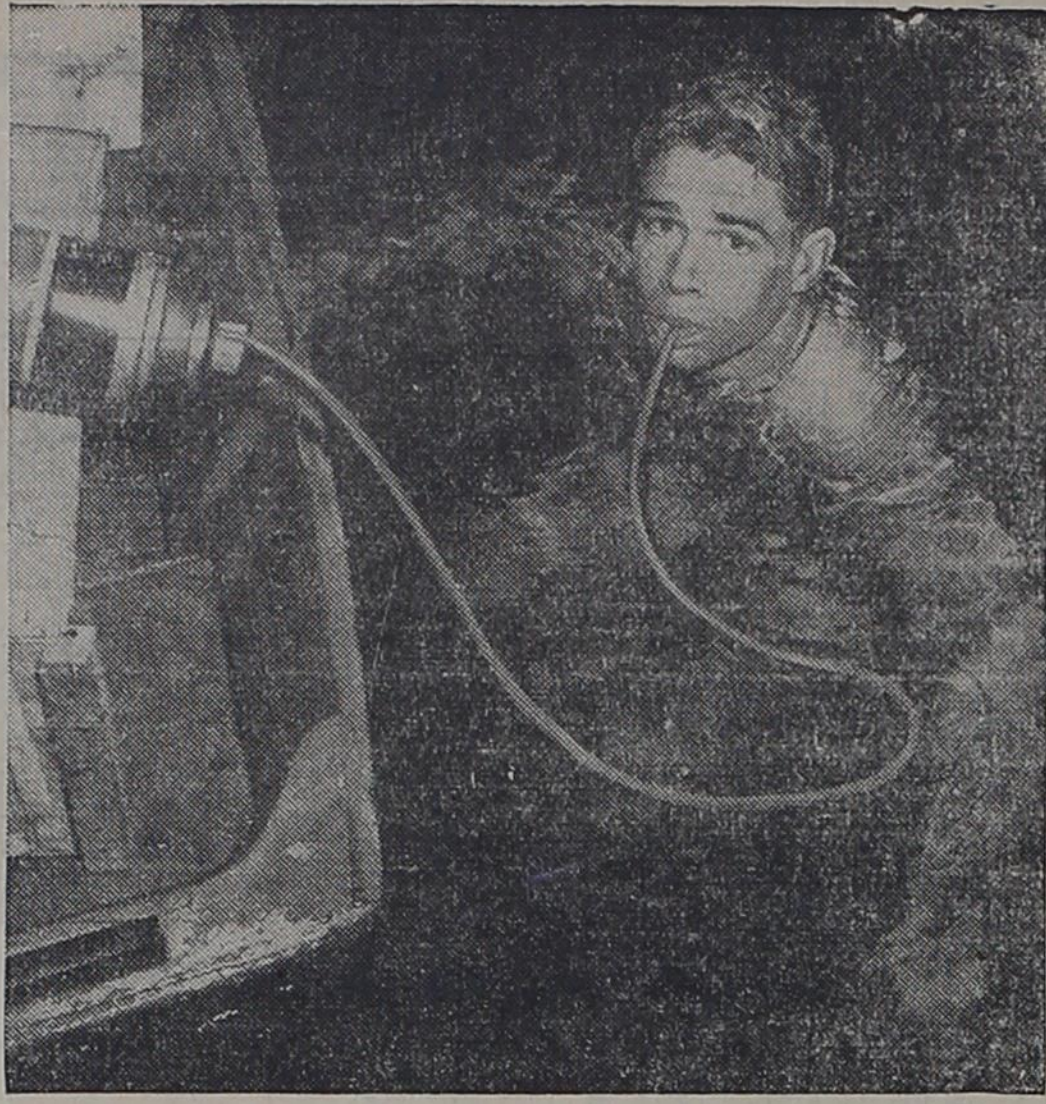

The new stadium will be known as the Clifford and Audrey Jones Memorial Stadium, honoring Dr. Clifford B. Jones, president emeritus of Tech, and his wife.

**CULL FLOCKS, SAVE GRAIN**

Immediate and sharp culling of poultry flocks is needed to conserve grain for human consumption, the USDA advises producers. The goal set for poultry producers to help prevention aboard is to cull during May and June at least one out of every seven birds in the nation's laying flocks, compared to the one out of nine culled during these two months last year.

**MORE SUDS**

Thirteen percent of the soap being manufactured today is from salvaged fat, according to Charles L. Hairston, field representative of the American Fat Salvage Committee, Inc. Hairston said that 16 million pounds of fat was salvaged in March 1946, a record exceeded only once in the history of the campaign.

**FAST FEEDING . . .** Jimmy Slyter, 19, receives food through tube from thermos bottle during his Los Angeles-Catalina island swim try. The navy veteran was forced to abandon his attempt after two hours and 49 minutes of paddling, approximately five miles short of the 22 mile route. He was pulled aboard exhausted. Judges believe that he struck his head on boat which caused collapse.

**NO QUICK END TO FAMINE**

Production and sharing of food to help solve the problem of world food shortage is more than a temporary concern of U. S. farmers and consumers. Latest estimates are that the shortage will continue through this year and at least until the 1947 harvest—and this estimate does not, of course, take into consideration the effects on the food picture that extensive unfavorable weather conditions could have.

**FALL PIG GOAL BELOW 1945**

Farmers are asked to reduce fall pig production 10% below the number produced in 1945. The lower goal is due to the tight feed situation and need for grains to feed starving people. The goal of 31,500,00 fall pigs is slightly above average production in the 1934-43 period. Farmers in the corn belt are asked to farrow 9% fewer sows, and farmers in other areas 12% less than in 1945.

**PLAN LARGE NAVY**

Present plans for the Navy's post-war organized reserve calls for 25,000 officers and 175,000 enlisted men. Maintained in a constant state of

readiness, they will be prepared to man Navy ship and short billets on 10 days notice in the event of an emergency call to active duty.

YOUR FRIENDLY  
**MAGNOLIA DEALER**

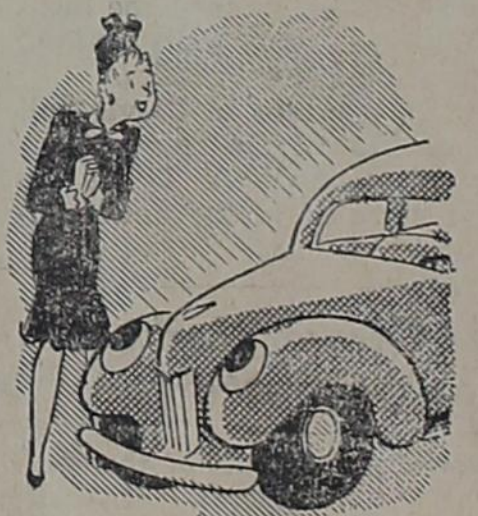

Yes, we have more help now

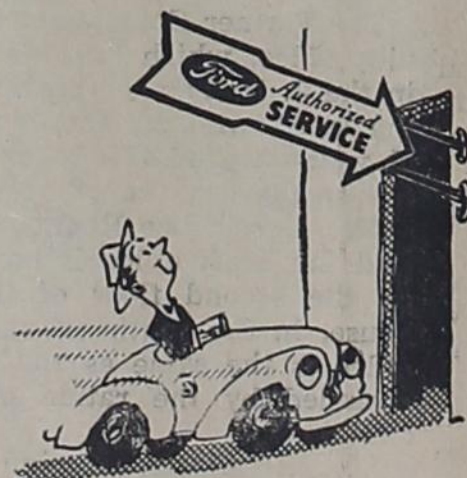

Our service is faster than ever now . . . and better. Many of our Veterans . . . old friends of your Ford car . . . are back on the job. They're making our shop hum with the kind of activity that means shorter tie-ups for your car . . . better work at lower prices. Bring your car in now. We've enough skilled mechanics . . . factory-trained in approved Ford methods . . . to get going on it right away. It'll give your car that "new-car" feel again.

It pays to keep up appearances

The appearance of your car can mean a lot. Because when you get ready to trade for a new Ford . . . you'll get more money for a car that looks like real value. Fender dents, bent bumpers, scratched doors and bad upholstery all tend to cut down turn-in allowances. So now's the time to make your car ready for its top re-sale value.

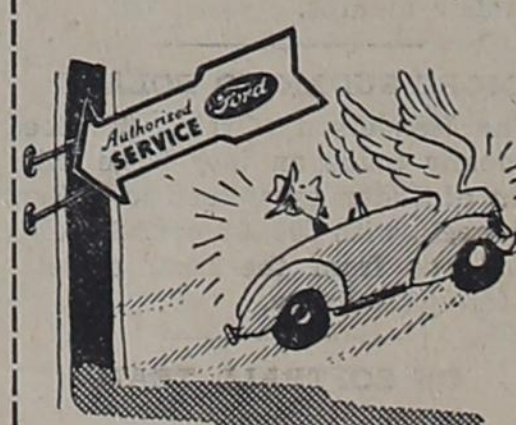

Drive in at this sign for a complete overhaul

That familiar blue-and-white Ford oval sign means "Home, Sweet Home" for your Ford. Drive in and let us give your car a complete overhaul. It'll cost less than you think . . . and a lot less than if you delay. An overhaul includes a thorough check-up throughout your car, with new parts installed where needed. Come in and ask about it. The work can be done now without delay.

Drive out with your car young again

Your car can feel young and frisky again! Just try letting our Ford-trained mechanics use their Ford-approved methods and precision-built Genuine Ford parts to fix it right! Special Ford equipment for tests, adjustments and repairs gets the work done quickly . . . saves on labor. And you'll get a better trade-in price, too.

A speed record for sub-sinking was credited to the destroyer escort USS Englant. In 11 days the sleek Navy carrier knocked out five Jap subs and participated in the kill of a sixth.

**JET PLANE FAST**  
The Navy's KSD-1, a radio-controlled jet-propelled airplane, attains a speed of 700 miles an hour. It is 10 feet long, has a wingspan of 8½ feet, and carries an explosive cargo of 1000 pounds.

## Consider Quality, Wear When Buying A Rug

COLLEGE STATION.—Judging quality and wear in new rugs may be a problem to many homemakers according to Mrs. Bernice Claytor, specialist in home improvement for the A. and M. College Extension Service, and she has several suggestions to prospective buyers.

The amount of wool in the rug, the construction of the rug, and the quality of the wool itself determine quality and wear in the rug.

Assuming that the wool is of good quality, the rug with a greater amount of wool will be a rug of high-quality, Mrs. Claytor says. A label will usually tell whether the wool used is worsted or woolen. Worsted rugs wear well and look well, but the initial cost is apt to be high.

Both sides of the rug should be carefully examined to check on construction. A high-pile rug will wear better than a short-pile rug of the same density. But a rug with a short-dense pile is preferable to a loosely woven high-pile rug.

Tightly woven foundation yarns, called "filling" are important in the wear of a rug. These are usually cotton or jute. Tightness of weave in the "filling" of a rug can be tested by shifting the rug back and forth in the hands. If the back of the rug feels sleazy or thin, if it lacks firmness of shifts readily, it probably is not a high quality rug.

Weave itself does not necessarily mean quality and durability, Mrs. Claytor concludes. There may be high, medium and low-priced rugs in any well-known weaves.

## Odd Gadgets Return Home From War

Truly, some odd gadgets went to war.

Before the war, a standard item of equipment in homes where carbonated water was used in mixing drinks of various kinds was the seltzer bottle. During the war it practically went off the market.

It went off the market because one hingamajig used in its operation had been commandeered by the military. It was the little carbon dioxide cartridge which, when you squeezed the bottle handle, carbonated the water. You might very well ask what the military wanted with such gadgets. But those cartridges probably saved many lives at sea, as they were used

in one type life belt. When you squeezed on concealed pincers, they pierced two of the cartridges concealed in the belt, inflating the belt almost instantly.

The War Assets Administration is now offering for sale 2,770,900 of the cartridges which have been declared surplus. All inquiries for their purchase should be addressed to the Fort Worth office of WAA, P.O. Box 1407.

## Where's 45's Feed Crop?

COLLEGE STATION.—Half of the feed produced in Texas in 1945, on the basis of total food value, was wasted.

That is the contention of G. G. Gibson, dairy specialist of the Texas A. and M. College Extension Service, who points out that most sections of the state have 90 days of plentiful pasture and feed and a nine-months' period of getting by the best way they can.

In his estimate of lost food value which might be conserved for feeding Gibson includes such potential crops as fence row Johnson grass, crop residue, and bundle feed which is stacked in the open. Rat and weevil damage to stored grain, of course, takes a heavy toll.

"There has never been a year when it is so important not only to produce as much feed as possible, but to save every bit that is produced," Gibson said.

He pointed to the silo, especially the trench silo, as the surest and least expensive method of storing feed.

"Some farmers point to high labor cost and labor shortages as the reason why trench silos were not dug and filled in 1945," Gibson added. "I believe that labor cost at its present level is not the limiting factor for food conservation in the face of the nation-wide food and feed shortage."

"Insurance of All Kinds"

Farwell, Texas

## LEGAL NOTICE

**CITATION BY PUBLICATION THE STATE OF TEXAS**  
TO: G. W. Hunter, C.W. Leonard, Hannah J. Hunter, John W. Evans, J. W. Evans, Frank D. Heaton, and the unknown heirs, assigns and legal representatives of the aforementioned, defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of June A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 9th day of May A. D. 1946, in this cause, numbered 1355 on the docket of said court and styled C. T. Stowers, Plaintiff, vs. G. W. Hunter, et al, Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that he is the owner in fee simple of Lots four (4) and five (5), Block nineteen (19) of the original town of Friona, Parmer County, Texas

by reason of the ten year statute of limitations.

Plaintiff pleads in detail the ten year statute of limitations and facts entitling him to relief thereunder, and alleges that the defendants claim of title to said land is inferior to the title of plaintiff, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 9th day of May A. D. 1946.

Attest: D. K. ROBERTS, Clerk District Court, Parmer County, Texas. By Dorothy Lovelace, Deputy. 27-4tc.

# Ready to Serve You At Lariat

We are pleased to announce to the farmers of the West Camp, Oklahoma Lane and Lariat sections that our new and modern elevator is now open and ready to handle your wheat during the present harvest season.

Built only recently, this new plant is the latest word in efficiency, geared to the needs of our customers who are entitled to the very best service we are able to give them.

We have secured the services of Charley Thompson, well known Oklahoma Lane returned soldier, to manage this plant, and he will be assisted by a crew that will give you top-notch service.

We Will Appreciate a Share of Your Business and Will Strive to Please

## Lariat Grain & Seed Company

Charley Thompson, Mgr.

**Wacs Get Treatment In Vet Hospitals**

Q. Can an honorably discharged member of the Women's Army Corps obtain hospital treatment in a Veteran's Administration hospital?

A. Yes, former female members of the armed forces are entitled to the same treatment as male war vets.

Q. Does National Service life insurance contain any restrictive provisions respecting military service, occupation, or travel which might limit the protection under the insurance retained after discharge?

A. No.

Q. Under what conditions may National Service life insurance premiums be waived by the government on account of total disability?

A. All National Service life insurance policies contain a provision for the waiver of payment of premiums, upon application by the insured, during the continuous total disability of the insured which continues or has continued for 6 or more consecutive months provided such disability commenced subsequent to the date of his application for insurance, while the insurance was in force under premium-paying conditions and prior to the insured's 60th birthday.

Q. How does a non-citizen veteran apply for naturalization?

A. If the veteran has been honorably discharged, he may apply at the nearest office of the Immigration and Naturalization Service or at the nearest post office for complete information.

Q. What are the requirements for a pension payable to World War II veterans for service-connected disabilities?

A. Pension may be paid for disability incurred in or aggravated by active service in World War II, in line of duty, according to the degree of disability shown. Pension is not payable if the disability is the result of the veteran's own willful misconduct. The veteran must have a discharge under conditions other than dishonorable.

**CAMPAIGN CHAIRMAN**

AUSTIN—Jerry Sadler, candidate for governor, has announced that his cousin, Harley Sadler, of Sweetwater, has accepted appointment as his campaign chairman for West Texas.

**Leaves Santa Fe RR For Role Of Wife**

Completing a chapter unique in American railroading, Margaret L. Irwin is resigning as special representative of the operating vice president of the Santa Fe Railway, and retiring to private life as the wife of Frank Hauke, prominent Kansas livestock and utility operator, whose bride she became a little over a year ago.

As a climax to her career with the Santa Fe, which started in the accounting department and included three years in the public relations department, Miss Irwin was called in 1943 to organize the women's personnel department, and was largely responsible for the fine record made by women employees who volunteered their services as railway workers during the critical manpower shortage created by the war.

Many traditions were abolished with the establishment of this department, a step which was necessary as more women were attracted to the Santa Fe to relieve many of the men were called for military service. It was a case of keeping 'em rolling to help win the war, and that the plan was successful goes to the everlasting credit of Miss Irwin and her staff.

It was a system lines movement which involved placing women in all ranks of railroad service, from agents and chair car attendants to turn table operators and engine wipers, in fact, the purpose was to employ women in all positions for which they could qualify. The work will go on but, with the war emergency met, Miss Irwin decided to step from the highest position a woman ever attained with the Santa Fe to the role of a wife.

**Prohibit Feed "Bait" For Hog Purchases**

Soliciting shipments of live hogs from producers by offering feeds and feed ingredients as an inducement has been prohibited by OPA. The action, effective May 28, prohibits live hog buyers from offering tankage, protein supplements, or other feeds in short supply as a means for live hog slaughters located near marketing centers to divert supplies of hogs from slaughterers and other buyers situated further away.

These activities have created shortages in areas some distance away from the markets and have tended to disrupt the normal distribution of hogs.

OPA also has announced two other minor changes to the live hog regulations:

(1) Order buyers now can charge for transportation of hogs they buy on the same basis as live hog dealers.

(2) A farm slaughterer now is explicitly defined as "a person chiefly engaged in producing agricultural products as the resident operator of a farm and who does not sell or deliver meat of a dressed weight in excess of 6,000 pounds in any 12 consecutive months."

The guy who invented the rolling pen must have been an optimist.

**Texans Move Bumper Crops To Markets**

Texas farmers are sending a bumper crop of tomatoes to market with still heavier shipments due shortly as harvesting reaches a seasonal peak.

So far this season, about 4,000 carlots have moved from the lower Rio Grande Valley, the Yoakum district and East Texas, according to Charles L. Howell, Acting Director, USDA's Production and Marketing Administration.

Total yield for the state is estimated at 8,917,000 bushels, the early Valley crop accounting for 5,472,000 bushels. Acreage increases in the Avery and Yoakum sections will bring production in these areas above average.

Tomatoes are highly perishable and must be consumed soon after they come to market to prevent waste, Howell said, urging Texas housewives and restaurants to buy and serve them often. This will keep supplies moving and will provide farmers with a market for tomatoes still in the fields.

He also encouraged housewives to can tomatoes while they are abundant. "Canned tomatoes are scarce in most places and home canning now will assure adequate supplies later when fresh tomatoes will be limited," he said.

### Radar Experiments On Texas Coast

AUSTIN—Radar experiments will be conducted along the Texas coast near Corpus Christi in August Dr. E. W. Hamlin, director of the University of Texas radar research project, has announced. Plans for the experiment were formulated recently when a group of navy, army and coastguard officers

and civilian scientists and technicians met at the University. Exact location of the test has not been decided.

The University has a \$162,000 contract with the Navy's Office of Research and Inventions in ultrahigh frequency radio research.

#### MANY RESERVE OFFICERS

On V-J Day, 260,000 of the Navy's 300,000 commissioned officers were reserves.

### A Local Lady Spit Up Acid Liquids For Hours After Eating

For hours after every meal, a local lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloat, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her.

No gas, bloat or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound. INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Parmer County.

#### STUDENTS TO DEBATE

Texas high school students will have a national controversial issue for the University of Texas Interscholastic League debate competition in 1947, Rodney J. Kidd, acting director, has announced. The question will be: "Resolved: That the Federal government should provide a system of complete medical care available to all citizens at public expense."

### Breakfast Quick Bread Is Family Treat

COLLEGE STATION.— Many housewives these days are faced with the problem of making a quick bread for breakfast when they are unable to buy bread for the usual toast. Edith Lawrence, specialist in food preparation for the A. and M. College Extension Service, says that hot biscuits or muffins can be prepared with almost as little effort as toast if one learns the secret.

A biscuit mix which can be stored in the refrigerator and quickly made into biscuit or muffins in Miss Lawrence's answer. The recipe is: 12 cups sifted flour, 1-3 cup double-acting baking powder, 4 teaspoons salt, and 1 to 1 and 1-2 cups fat. Sift flour and measure. Add baking powder and salt and sift the three together. Cut in fat until mixture has a fine even crumb. Place in a closed container and keep in a cool place, refrigerator preferred.

For roll biscuit, combine about 2-3 cup milk (enough to make a soft dough) with 2 cups of mix. Turn out on slightly floured board. Knead very lightly about 18 strokes. Roll to 1-2 inch thickness, cut with biscuit cutter first dipped into flour, place on baking sheet either ungreased or only slightly so, and bake in hot oven (450 to 485 degrees F.) for about 12 minutes.

For drop biscuits: Combine about 3-4 cup milk (enough to make a little softer dough than above) with 2 cups

of mix. Mix lightly. Drop from a spoon about an inch apart on baking sheet. Bake as for roll biscuit.

For muffins: Combine 1 slightly beaten egg, 1 cup milk, and 2 table-spoons sugar. Add to 2 cups biscuit mix and stir only until dry ingredients are moist. Fill well-greased muffin tins about 2-3 full. Bake in hot oven (400 to 425 degrees F.) a-

bout 20 minutes.

This recipe makes about 1 gallon of mix which will keep in the refrigerator at least a month. Whole wheat flour may be substituted for white flour.

Beavers, the only ones within 800 miles, have built a dam on Big Mineral Bay, Lake Texoma.

# Harvest Season Finds Us Ready!

MODERN EQUIPMENT

As wheat harvest season opens in the Lariat, Oklahoma Lane and West Camp communities, we are pleased to announce that never before have we been so well prepared to handle the wheat crop as we are at this time.

HONEST WEIGHTS FAIR TESTS

During the past two years we have been modernizing our elevator facilities to care for our customers in the fastest possible time, and this season finds us equipped to the highest standard of efficiency, ready to serve you.

PROMPT SERVICE

Through the years we have been more than a "fair weather friend" but we have maintained operations at full speed the year 'round, ready to serve you at any and all times. To meet the harvest rush, we have added new crew members to handle your grain with dispatch.

Your business, as always in the past, will be greatly appreciated, and we will be doing our best to satisfy you to the last detail.

# Lariat Elevator

BOONE ALLISON, Mgr.

LARIAT, TEXAS.

**Collecting Emergency Food Is Explained**

COLLEGE STATION.—The plan for Texas rural women to process and ship surplus home grown products in cooperation with the national emergency food collection has been announced by Maurine Hearn, vice director for women and state home demonstration agent for the Texas A. and M. College Extension Service.

"Food conservation is just as important as it was any time during the war," Miss Hearn said, "and, judging from inquiries received from many Texas counties we believe the plan will meet the approval of 4-H girls and home demonstration club women throughout the state."

All products must be canned under supervision to be accepted by UNRRA. Canned foods should be put in No. 2 tin cans. Processing time tables found in Extension Service publications B-101, B-88, C-223 and C-224 should be followed. Any of the following canned foods will be accepted: meats, including chicken; ranchstyle pork and beans; concentrated vegetable soup; grapefruit juice; English peas, field peas, corn, snap beans, sauerkraut, tomatoes, and fruits.

Counties who have no surplus fruits and vegetables to can may ship dried peas or beans in bushel-size cotton or burlap bags.

Containers of home canned foods should be marked before processing to identify the contents. A recommended method is the use of a rubber stamp and special ink. Cans processed by club members or others under supervision may carry the Texas 4-H Pantry Label with the name of the product typed or legibly written with water proof ink on each label.

Food must be packed in shipping containers and shipped freight collect to the National Shipping and Warehousing Officer, Emergency Food Collection, 100 Maiden Lane, New York, 7, New York.

More detailed information about collection and shipping can be obtained from the local county home demonstration agent.

**NO BUSINESS FAILURES**

There were no business failures in Texas in February, March or April, the University of Texas Bureau of Business research reports. There was only one failure in January.

**Delegates To National Camp Are Announced**

COLLEGE STATION.—The two girls and two boys who have been chosen to represent Texas 4-H Clubs at the National 4-H Club Encampment in Washington, D. C., June 11-18, have been announced by Lorene Stevens and James W. Potts, 4-H Club specialist for the Texas A. and M. College Extension Service. The winners are: Eddie Virginia King, Howland, Lamar County; Lanelle Riedel, Buda, Travis County; Billie P. Hancock, Lakeview, Hall County; and Jackie Gene Brock, Floydada, Floyd County.

Usually an annual affair, the 1946 Encampment will be the first to be held since 1941. Objectives of the camp are to help 4-H delegates study at first hand the work of the U. S. Department of Agriculture and the other government departments, to gain a better understanding of the national government and the important part that can be played by each citizen, and to confer together regarding the development of a strong rural leadership and a richer and fuller life for all those living in the country.

The Texas boys and girls will be accompanied to Washington by Miss Stevens and Mr. Potts, and the Texas and New Mexico groups will travel together by automobile.

**NEW FARM MACHINERY RATED TO VETERANS**

A total of 403 certificates for new farm machinery and equipment were filed by New Mexico veterans thru May 20; 89 certificates were reported as being satisfied. Chief reason why vets were not able to obtain machinery was the general low level production of farm machinery which was partly attributed to work stoppages, lack of coal and raw material.

Production of dairy, barnyard and irrigation equipment, windmills and pumps were among the items which showed an increase in production.

Decreases were shown in production of tractors, plowing, seeding, cultivating and fertilizing equipment. Production of repair parts was not adequate but parts available did greatly assist farmers who were not able to obtain new equipment.

The possibility of reaching the estimate of minimum needs for this year is remote; however, final settlement of labor difficulties will improve production considerably during the last half of 1946.

WANTED—Man and wife to work and live on farm. Quarters furnished. Good deal for right party. J. D. McMillian, Farwell. 29-3tp

**COST OF LIVING UP**

Cost of living in the large cities of Texas has been some 30 per cent higher since the beginning of the war, the University of Texas Bureau of Business Research reports. The Bureau based its report on an index of consumers' prices for moderate-income families in the nation's big cities, compiled by the Bureau of Labor Statistics.

WE'RE BUILDING AHEAD OF A FAST GROWING TERRITORY

Long before V-J Day, we made plans, and started putting them into effect. New generating capacity in six power plants, one complete new plant, miles and miles of new transmission lines to bring more electric power to more people at a lower cost than ever before. That, in a nutshell, is what our vast expansion program consists of.

All this means better living in the home electrically, better farming, more and bigger industries, more profitable business.

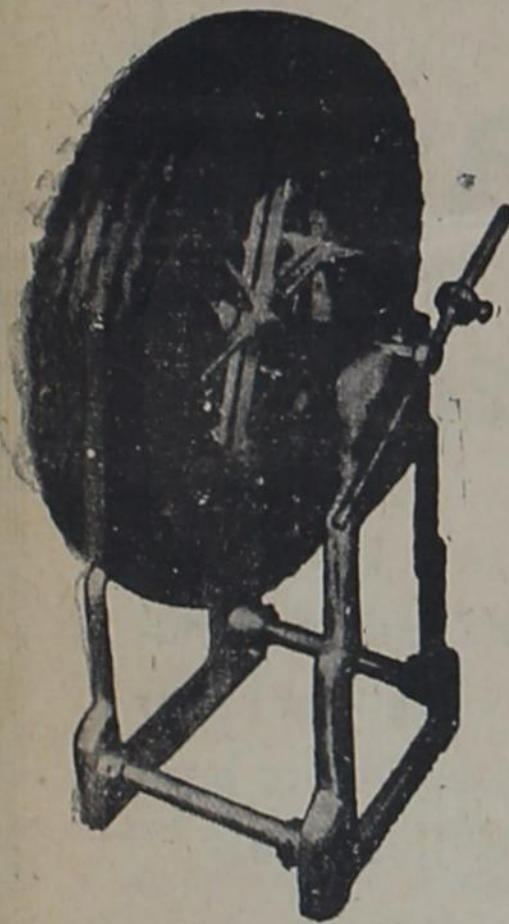

Yes, we're on our way to help develop a better, more prosperous territory.

No. 21 of a series of advertisements designed to help build this fast growing territory in which we serve.

## Rainbow Assembly Is Formed Wednesday For Girls From Over Entirety Of Parmer County

The first Rainbow Assembly for girls in Parmer County was formed in Bovina, last Wednesday evening, when 35 girls from Bovina, Friona, Farwell, Oklahoma Lane and Lazbuddy were initiated into the Order. Rainbow members from Olton and Earth visited the organization meeting, held in the Masonic Hall, and directed initiation and investiture.

Martha Williams was named as worthy advisor, with Rosa Lee Denney as assistant. Other officers include Gloria Kepley charity; Joyce Edwards, hope; Lunell McFarland, faith; Joan Williams, recorder; Rosamond Booth, treasurer; Lura Dell Cherry, chaplain; Dean Gonsler, drill leader; Mary Leatrice Cherry, organist; Wynelle Brown, love; Muna Welch, religion; Maxine Ford, nature; Clara Treider, immortality; Louise Rundell, fidelity; Nancy Williams, patriotism; Shelby Ann Jersig, service; Wenonah Thorn, confidential observer; Bettye Kimbrow, outer observer; Jean Turner, choir director; and Mrs. Mae Porter mother-mentor.

Serving as members of the advisory board to the Rainbow will be Mrs. Porter, Nelson C. Smith, chairman; Lura Rundell, secretary; Lucy Looney, Jewel Barry, Tina Bainum, Chas. Bainum, Willie Mae Dunn and Bessie Denney.

Instituting officers included Mrs. Ira Stenson, supreme deputy, from Olton; Nelda White, chaplain; Wanda Chitwood, marshal; Joline Brint, installing marshal, and Delone Adams, installing recorder.

During the initiation ceremonies, those in charge were Nelda Willis, grand confidential observer of the Grand Assembly of Rainbow, worthy advisor; Wanda Chitwood, worthy assistant advisor; Betty Walthal, charity; Betty Louise Hood, hope; Joline Brint, faith; Marilyn Willis, drill leader; Evangeline Burrough, treasurer; Joyce Coker, confidential observer; LaJuana Kelley, outer observer; Lelie Bohoner, organist; Jean Wilson choir director; Ysleta Newton, recorder; Pat Bartlett, red; Ann Clayton, orange; Elinor Campbell, yellow; Odel Couch, green; Joy Phillips, blue; Betty Hall, indigo; Delone Adams, violet.

Special guests were representatives from the two Rainbow assemblies at Clovis.

Girls who were initiated into the Order were Lura Dell and Mary Leatrice Cherry, Clara Treider, Joy Elaine Daniel, Wenonah Thorn, Patricia Jean Gonsler, Dean Gonsler, Ruth Birchfield, Irene Hardage, Margaret Doshier, Joyce Doshier, Modelle Hammonds, Lunell McFarland, Juanita Louise Rundell, Billy Corrine Christian, Betty Joyce Edwards, Gloria Florence Kepley, Bonnie Marlene Foster, Rita Rundell, Beverly Virginia Gulley, Martha Williams, Delores Wilson, Gladys Hopingardner, Rosa Lee Denney, Nancy Lou Williams, Shelby Ann Jersig, Nonetta Thompson, Wynell Brown, Maxine Ford, Rosamond Booth, Joan Williams, Jeatonne Morris, Murna Welch, Jean Turner and Betty Jane Kimbrow.

## Good Attendance At Local Bible School

Rev. Virgil Hunton, pastor of the local Baptist Church, announced the first of the week that some 100 students were in attendance at the vacation Bible school, sponsored by local Baptists, which concludes on Friday of this week.

Youngsters of various ages are enrolled in classes of handwork, which are handled by members of the church congregation.

A commencement program for the youngsters will be held at the church on Sunday afternoon from 2:30 to 4:00. The public is invited and parents of the children who are attending are especially urged to attend.

## Mr. and Mrs. Kube Honored at Dinner

A delicious dinner was given in the home of Mr. and Mrs. Albert Kube on May 28th, honoring Mr. and Mrs. Walter Kube of Copperas Cove, who are visiting relatives and friends. The occasion also celebrated the birthday of Miss Alice Ramm.

The dinner was served from a white covered table, with a lovely birthday cake in the center.

The following were present, Mr. and Mrs. Carl Zoch, Wilbert and Ruby; Mr. and Mrs. Edd Ramm and family, Mr. and Mrs. Ernest Kube and girls, Mr. and Mrs. Ben Kube and son, Mr. and Mrs. F. B. Stovall and Raymond, Mrs. Mary Kube and family, Mr. and Mrs. Walter Kube of Copperas Cove; Henry Helms, Albert Helms, Martin Kube, and Mr. and Mrs. Albert Kube.

Refreshments were served in the afternoon, and games of 42 enjoyed.

Mr. and Mrs. LeRoy Faville were attending business matters in Amarillo, on Monday.

Mr. and Mrs. LeRoy Faville were attending business matters in Amarillo, on Monday.

## Attends Recital In Austin, Thursday

Mrs. Earl Booth has returned from Austin where she spent last weekend visiting with her son, Ronald Earl, student at the University of Texas.

Booth was presented in a piano recital at Austin on Thursday evening, being one of the music students who were prominent in a week's series of recitals.

The young man is an outstanding pianist, and is majoring in music at the University.

## Wesleyan Guild Will Meet Next Tuesday

Members of the Wesleyan Guild of the Methodist Church will meet in the home of Mrs. M. C. Roberts in Texico, next Tuesday evening, June 11, it has been announced.

Mrs. Harvey E. Carrell is to have charge of the program during the evening, and all members are urged to be present at 8:30.

## Leave For California

Mr. and Mrs. Hayden Cason and young son left Saturday for their home in Ontario, Calif., after spending two weeks here. The Casons and C. E. Crume returned Friday night from Dallas and vicinity, where they had visited relatives.

## Are Guests Here

Mrs. H. D. Nifong and Mrs. Harry D. Nifong, both of Mansfield, Texas, are here as guests of the former's daughter, Mrs. H. Y. Overstreet. Mr. and Mrs. Overstreet and daughter took their guests to Carlsbad, Monday, where the party made the trip through the famed Cavern.

## Home From School

Miss Jean Ann Hart, Miss Joan Booth and Miss Marilyn Anderson, all students at Texas Tech, Lubbock, have returned to their homes here for the summer vacation period. Miss Hart is employed in the Aldridge law office in Farwell.

## NEWS FROM OUR BOYS IN UNIFORM

### GETS STATES DUTY

Lloyd Gober has advised friends here that he will soon be heading for the States for assignment to a camp. Currently, Gober is serving with the Army at Guam.

### NOW IN LUBBOCK

Jimmie Overstreet, recently released from the Army, has returned to employment with Sears-Roebuck, and is now located at Lubbock, his mother, Mrs. Anne Overstreet, reports.

### DISHARGES FILED

Coxswain George William Reed was discharged from the Navy at Camp Wallace, Tex., on May 24th. Reed enlisted in May, 1944, served 15 months sea duty.

Bobby Joe Mann, S1-c, received his Navy release at New Orleans on May 23rd, having entered service in April, 1944. Colors include the victory, America area, A-P and Philippine liberation ribbons.

### ON FURLOUGH

Pfc. Erwin Schwede, son of Mr. and Mrs. Walter Schwede of the Lariat community, is here for a delay en route furlough. He is being transferred from Scott Field, Ill., to Love Field, Dallas.

## Wesleyan Guild Will Meet Next Tuesday

Members of the Wesleyan Guild of the Methodist Church will meet in the home of Mrs. M. C. Roberts in Texico, next Tuesday evening, June 11, it has been announced.

Mrs. Harvey E. Carrell is to have charge of the program during the evening, and all members are urged to be present at 8:30.

## Birthday Dinner Given For Leon Billingsley

Leon Billingsley, of the Oklahoma Lane community, was surprised with a birthday dinner, Friday evening, in the E. W. McGuire home.

The evening was spent in playing games of 42.

Those present were Mr. and Mrs. Leon Billingsley and Judy, Mr. and Mrs. Earl Billingsley and Betty, Mr. and Mrs. Charles Robertson of Amarillo, Vashti Fowler and Earl Roberts.

Mr. and Mrs. Hayden Cason and young son left Saturday for their home in Ontario, Calif., after spending two weeks here. The Casons and C. E. Crume returned Friday night from Dallas and vicinity, where they had visited relatives.

## Are Guests Here

## Spurlins Visit Here

Rev. and Mrs. J. J. Spurlin and family, from Southland, Nebraska, are here visiting in the home of his parents, Mr. and Mrs. Jerry Spurlin, in Texico. The local man has been quite ill, and his son was called here. Reports the first of the week were that Mr. Spurlin was improved. Another guest here last week was Mrs. W. O. Sillers, of El Paso, mother of Mrs. J. J. Spurlin.

## Visit In Roswell

Mr. and Mrs. John Porter were in Roswell over the weekend, where their son, JeDon, enrolled at New Mexico Military Institute, completed his high school training. The Porters attended graduation ceremonies.

## 8th Birthday Noted

"Boog" Johnson, son of Dr. and Mrs. V. Scott Johnson, celebrated his eighth birthday last Wednesday, with a party at his home in Farwell. A number of young friends enjoyed the occasion, and refreshments were served at the conclusion of the day.

## Son Is Born

A son weighing 7 lbs. and 11 oz. was born to Mr. and Mrs. Claude Dyer on Thursday, May 30, at the Clovis Memorial Hospital. The infant has been named Dickey Ray.

## Brother Visits Here

Jim Ashworth, brother of Mrs. Ada Goldsmith, was here last week from Bakersfield, Calif., to visit his sister for the first time in 44 years. A family reunion was held in the home of Jim Young. Ashworth left Saturday for his home.

## Attend Graduation

Mrs. Roy Thornton and daughters, Iris and Mrs. Wilfred Quickel, went to College Station, last week, to attend graduation ceremonies at Texas A. & M., where William Thornton was a member of the class. They also visited in Dallas with Mr. and Mrs. Julian Thornton.

## On Vacation Trip

Dr. and Mrs. V. Scott Johnson and children left Monday on a vacation trip, during which they will visit points of interest in Colorado and northern New Mexico, returning for a few days at their cabin in Holy Ghost Canyon, in New Mexico.

## Here From Kansas

Mrs. E. L. Fry and daughters, Barbara Jane and Patricia, of Wichita, Kansas, were guests in the O. C. Sikes home this week. Miss Patricia went on to Roswell to attend the graduating exercises of the New Mexico Military Institute.

Mrs. D. Carney and daughters, Ann and Sharon, of Deming, N. M., are here visiting her sister, Mrs. S. E. Morris, and family.

Mr. and Mrs. E. Dicknell and Mr. and Mrs. James Smith spent Sunday visiting with Mr. and Mrs. L. C. Moore, in Bovina.

Mr. and Mrs. William Thornton are expected here this week from College Station, where he recently graduated from A. & M. They will visit relatives and Thornton will see to the harvest of his wheat crop.

Mrs. S. C. Smith, mother of Mrs. O. C. Sikes, arrived here the first of the week after a visit in Wichita, Kansas.

## Bill the Butcher Says

As long as the "bootleggers" continue to operate, we'll have meat for our customers. About the only kind of meat plentiful in this country of Whitefaces is lunch goods. We might remind our patrons that the beef carcass is not made up of sirloins, T-bones, rounds and prime roast, which is another way of saying you are going to have to help us rid the cases of second-choice meat, including hamburger. We can't always have choice cuts and nothing else.

## Hall's Grocery & Market

## Bovina Happenings

Jimmy Ware had his tonsils removed Tuesday, at the Memorial hospital in Clovis.

Miss Janella Rury, Bobbie Higgins and Donald Rury visited in the A. G. White home Wednesday.

Mr. and Mrs. Jack Kaminski, now of California, are the proud parents of a baby boy, named Richard Staley. Mrs. Kaminski is the former Mary Elizabeth Charles, formerly of Bovina.

Harold Hawkins, of San Diego, of the Navy, is visiting home folks this week.

Mr. and Mrs. Clifford Leake's children had their tonsils removed this week.

Donald Norton, recently discharged from the service, is now at home.

J. P. Macon is progressing nicely with the remodeling of his elevator, and expects to be ready to receive wheat the first of the week.

Mr. and Mrs. R. S. Johnston were in Lubbock, Friday. Sam returned home with them for a few days.

Bob Johnston was a business visitor in Plainview, Saturday.

Mr. and Mrs. Dennington of Paducah, visited Mr. and Mrs. R. Standefer over the weekend.

Mr. and Mrs. F. W. Ayres and Mr. and Mrs. Levi Johnston attended the singing at the Lariat Church of Christ.

Mr. and Mrs. Byron Turner and children and Mr. and Mrs. Harold Turner and Don enjoyed an outing at Buffalo Lake this weekend.

Mrs. Fred Stumpp went to Oklahoma City Monday, for a few days and Rev. Stumpp has gone to Fort Worth, to attend a Baptist convention.

Mr. and Mrs. R. N. Williford left Saturday for Fort Worth where they will visit relatives for a few weeks.

Vernon Ward and R. M. Gaines went on a fishing trip this week.

Jr. Barbee is visiting relatives in Mineral Wells, this week.

Mrs. Buren Vassey returned from Fort Worth where she had visited for some time.

Betty Jo Moorman is spending the week with Mr. and Mrs. Ray Barnes at Melrose, N. M.

Jimmy Rury spent the past week with Wesley Ayres.

Peggy Sue Starr, of Phillips, is visiting Janean Ellison, this week.

Pauline Norton, of Quemado, Texas, is visiting her parents and relatives here. She will go from here to Oil City, N. M., to be employed.

Mr. and Mrs. Jack Kessler of Clovis visited her parents, Mr. and Mrs. E. H. Englant, Thursday.

Dinner guests in the R. N. Williford home Monday were Mr. and Mrs. Boyd Gregory of Elida, Mr. and Mrs. Vernon Ward and Mrs. Standefer.

Dinner guests in the J. S. Potts home Sunday were Mr. and Mrs. Herbert Potts and children, Mr. and Mrs. Edwards and Joyce.

Mrs. Caldwell is having some repair work done on her home.

Mr. and Mrs. Bob Blalock are adding two rooms and a bath to their home.

### Sunday School Class Enjoys Party

The Dorcas Sunday School class of the Baptist Church enjoyed a party in the home of Mr. and Mrs. Reagan Looney, Wednesday evening. Forty-two games were played, and refreshments served to Mr. and Mrs. Otho Hammonds, Mr. and Mrs. Buren Vassey, Mr. and Mrs. Vernon Ward, Mr. and Mrs. Nat Reed, Mr. and Mrs. C. O. Smith, Mr. and Mrs. Joe Wilson, Mr. and Mrs. Troy Fuller, Mr. and Mrs. Ronald Berggren, Billie Starr, Wayne Smith and Jack Radford, and the hostesses.

### Mrs. A. Hromas Is Hostess To WMU

Ladies of the WMU met in the home of Mrs. Arnold Hromas Wednesday afternoon. The lesson hour was spent studying the new mission books.

Refreshments were served to Mesdames J. R. Glover, R. N. Williford, N. E. Bonds, O. W. Rhinehart, Vernon Ward, Hilary Tidenberg and the hostess.

### Nuptials Performed In Church Service

Nuptial vows were exchanged by Odie Hoffer and Aubrey Ellison, of Bovina, in the First Presbyterian Church in Amarillo on Friday, May 31st, at 11:30. The wedding ceremony was performed by Rev. L. L. Hill.

Attending the ceremony were Mr. and Mrs. Hubert Ellison, Mr. and Mrs. J. C. Denney; the bride's sister, Benny, and friend, Vivian, from Happy, Texas; Miss Martha Rogers of Amarillo; J. R. Ellison, Fred and Sue Hoffer.

After dinner in Amarillo with the group of attendants, the couple left for a short wedding trip to Colorado. They will be at home in Bovina on their return.

### Sew and Chatter Club Has Theatre Party

The ladies of the Sew and Chatter Club met Thursday afternoon for a theatre party.

In the group were Mesdames Jess Walling, Maurice Means, Joe Wilson, T. G. Hudson, Pete Davies, Buck Ellison, Harold Turner, Byron Turner, Odie White and Ronald Berggren.

### HOME GARDENS

The tomato has a clear claim to first honors as the most popular vegetable according to a survey of 1945 victory gardens. Tomatoes were grown in 88% of the farm gardens and 90% of non-farm gardens, according to statistics. Onions were next in popularity, then string beans, lettuce, radishes, potatoes, green peas and cabbage.

**Positions Open in State Health Department**

AUSTIN—Competitive examinations for positions in the State Department of Health have just been announced by the Merit System Council for the Texas State Department of Health. Examinations are for professional and technical positions, and will be of the unasssembled type consisting of an evaluation of training and experience. Veterans preference will be allowed applicants who have been honorably discharged from the United States armed forces and who make a passing score on the examination.

All applications must be mailed before midnight June 21. Positions for which examinations will be held, and their entrance salaries are as follows:

Director, bureau of laboratories, \$375; pediatrics consultant, \$300;

clinician, M&CH, \$300; senior engineer, \$300; engineer, \$250; senior serologist, \$250; serologist, \$200; assistant serologist, \$150; junior serologist, \$125; parasitologist, \$200; assistant bacteriologist, \$150; assistant immunologist, \$150; junior chemist, \$125.

Application blanks may be obtained from Russell E. Shrader, Merit System Supervisor, Littlefield Building, Austin, Texas.

Wonder when the government will stop living beyond our means?

**LEGAL NOTICES**

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS  
TO: Frank Stewart and the unknown heirs, assigns, and representatives of Frank Stewart, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M.

of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of June A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 9th day of May A. D. 1946, in this cause, numbered 1354 on the docket of said court and styled J. D. Moore, Plaintiff, vs. Frank Stewart, et al, Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that he is the owner in fee simple of:

Lots thirteen (13), fourteen (14), fifteen (15), and sixteen (16), Block seventy-five (75) of the original town of Friona, Parmer County, Texas,

and was the owner of such premises on May 1, 1946 and the present defendants unlawfully entered upon said lands and dispossessed him, and he further pleads fully the ten years statute of limitations, claiming to be the owner of said lands by reason of complying with the ten year statute of limitations as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 9th day of May A. D. 1946.

Attest:  
D. K. ROBERTS,  
Clerk District Court, Parmer County, Texas.

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS

TO: J. J. Burkholder and the unknown heirs, assigns and legal representatives of J. J. Burkholder, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the court house thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of June, A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 10th day of May, A. D. 1946, in this cause, numbered 1356 on the docket of said court and styled J. B. McFarland, Plaintiff, vs.

J. J. Burkholder, et al, Defendants. A brief statement of the nature of this suit is as follows, to wit:

Plaintiff brings suit in Trespass to Try Title, alleging that he is the owner in fee simple of:

All of Block four (4), of the original Town of Friona, Parmer County, Texas,

and was on the first day of May A. D. 1946, when the defendants unlawfully entered upon said premises and dispossessed him and wrongfully withhold possession from him to his damages in the sum of \$10.00. The plaintiff further pleads in detail the ten year statute of limitations, claiming to be the owner of said land by reason of the ten year statute of limitations, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 10th day of May, A. D. 1946.

Attest:

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS

TO: The Unknown Heirs, Assigns, and Legal Representatives of Samuel Clifford Leaman and Ella Gaedke Leaman, Deceased, the names and residences of whom are unknown, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the courthouse thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of this issuance of this citation, same being the 24th day of June A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 10th day of May A. D. 1946, in this cause, numbered 1357 on the docket of said court and styled Jesse M. Osborn, Plaintiff, vs. unknown Heirs of Samuel Clifford Leaman, et al, Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff alleges that he is the owner in fee simple of the North one-half (N. 1/2) of the Southwest one-quarter (S.W. 1/4) of

Section twelve (12) Rhea Block "C", Capitol League No. 410, Parmer County, Texas,

and was the owner of said land on May 1, 1946, and thereafter on the 2nd day of May, 1946 the defendants unlawfully entered upon and dispossessed him of such premises to his damage in the sum of \$50. And he prays for title and possession of said land, for his damages, and cost of suit as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 10th day of May A. D. 1946.

**Farmers are your neighbors~They want you to know that~**

**Cooperatives**

**were born of economic necessity**

**THREE** out of every four farmers in the great Northwest belong to cooperatives.

These cooperatives are associations of farmers.

They were created for farmers' mutual benefit.

They render their farmer-owner-patrons the services they need—at cost.

The farmers take their products to their cooperatives. These products are handled at cost and sold—at a saving to the farmers. And, to complete the cycle of cooperation, farmers may purchase equipment and supplies used in operation of their farms—at a saving.

But back of the beginning and growth of every farmers' cooperative is the old story of economic necessity. Farmers had to do something.

There is a saying that necessity is the mother of invention. Dire necessity for organization and self help forced farmers into action.

For generations, farmers and their families had eked out a precarious living off their land. They never knew what their crops would bring until after harvest. Then they got the bad news.

They did know that the speculator, the commission merchant from the markets in the big cities, would be on hand to buy up as much as they could for as little as possible.

The farmers knew that what they received would be a very small portion of what consumers in the cities and towns would have to pay.

Then, on the other hand, the farmer knew that everything he had to use in operations of his farm he would pay for at the top retail rate.

The farmers were caught between the millstones. They bought high and sold low.

Your neighbors, the farmers, like to consider themselves America's foremost individualists.

But, as individuals, they found themselves unable to solve the problems common to all of them. So, the farmers consulted together. They decided to enter into a partnership to build and operate their own marketing and purchasing enterprises. They built their cooperatives.

They made all these enterprises non-profit organizations. All the savings made by working together were to be returned to them on the basis of their patronage. And, as true partners, each had a voice and a vote in all decisions.

Your neighbors, the farmers, like their co-ops. Their co-ops have helped farmers to increase their incomes. They have helped farmers to farm more efficiently. They have helped farmers to provide their wives and children with a few more of the good things of life.

Farmers are your neighbors. They want you to know about their cooperatives. They want you to understand their problems. They want the friendship and good will of all of you.

Next time you go by a farmers' co-op, stop in and get acquainted with the manager. He's one of your town neighbors. Let's pull together.

**These cooperatives help build your community**

**NOTICE OF MEETING OF BOARD OF EQUALIZATION**

The Commissioners' Court of Parmer County, Texas, will convene as a board of equalization in the courthouse in Farwell, Texas, at a regular meeting on June 10, 1946. All persons who are interested are invited to be present at this meeting of the Commissioners' Court as a board of equalization.

A. D. SMITH, County Judge

**Tommy Dorsey To Play At Texas State Fair**

DALLAS—It's State Fair of Texas bound for Tommy Dorsey and his orchestra, plus Ziggy Elman, the hottest trumpet player in captivity; Tamer Aswad, popular Assyrian baritone; and 36 other instrumentalists who have followed the Dorsey baton to the top slot in the nation's band hierarchy.

R. L. Thornton, president of the State Fair association, has announced that Dorsey and his orchestra have been booked to appear in Fair Park Auditorium, Oct. 5-20 for the first postwar State Fair. A total of 22 performances will be presented, he said.

Dorsey, the nation's ace popular bandman and trombone virtuoso, will have an augmented concert orchestra of 38 pieces. The surrounding show, expected to include other entertainers of equal note, will be arranged by the special attractions committee, made up on Julius Schepps, chairman; W. H. Hitzelberger, vice-president and general manager of the Fair association; Jordan Ownby, and Charles R. Meeker, Jr., auditorium manager.

The State Fair association has allocated \$100,000 to underwrite the stage show, Thornton said. This is said to be the largest guarantee ever posted for a State Fair Auditorium production.

**XIT REUNION IN JUNE**

The 10th annual XIT reunion and rodeo will be held in Dalhart this year on Saturday, Sunday and Monday, June 22, 23, 24. The date was changed from August in the hope that the weather would be more favorable. All former XIT members, as well as others interested, are invited to attend.

**FAT CONSERVATION**

Civilian collections from salvage fat for April totaled 13,956,000 lbs. This is a decline from March figure of 16,077,000 lbs., but a widespread meat shortage and the fact that April was a 30-day month were both contributing factors. It is interesting to note that average monthly collections for the first four months of 1946 were 40% ahead of average monthly collections for the last six months, during which points were paid for used fats.

**Enlarged Program For Surplus Goods Sale**

The War Assets Administration announces that private concerns with proven ability will be employed to expedite disposal of surplus war property to be sold under WAA's stepped-up sales at site program.

These concerns will participate in the program on a cost-plus-fixed-fee contract. WAA will set the price on surplus to be sold.

Simultaneously, WAA declared that by September a large number of sales at sites will be underway all over the nation, with potential purchasers enabled to inspect merchandise, make selections and payments and acquire purchases quickly.

Sales at site supervised by private concerns under WAA control will be original sales of property declared surplus and will in no wise constitute a re-sale of any war surpluses. Private concerns which have successfully contracted with the federal government for engineering management, construction and operational services during the war years, and many others which believe they can meet qualifications set by WAA, will participate in the program.

Veterans, priority claimants, small businessmen and other groups will be served at sales at sites operated by private concerns in precisely the same manner they are served by WAA personnel. Likewise, all goods to be sold will be priced in conformance with present procedures and other normal conditions of sale will be followed.

**HAVE TONSILECTOMIES**

Bill Crume, son of C. E. Crume, and Donald Crume, son of Mr. and Mrs. Joe Crume, sustained tonsilectomies last Friday at a Clovis hospital. Bobby and Phillip, sons of Mr. and Mrs. Joe Crume, were slated for operations this week.

**NEW MACHINES**

Heavy's Garage, operated in Texico by T. B. Allen, continues to add new equipment to its rapidly expanding facilities, and this week four new machines have been installed, including two lathes, a K. O. Lee valve-seating tool, and a steam Jenny for cleaning motors, etc.

Mr. and Mrs. Lee McElroy and family have returned from a visit in San Angelo and Lubbock.

**Navy Launches Drive For Many Recruits**

NEW ORLEANS—Civilian men and ex-service veterans will be able to take an intensive electrical training course, which will qualify them for good Navy positions or civilian employment, Commander E. E. Garcia, USN, announced at Eighth Naval District Headquarters.

Due to the many recent Navy developments in radio, radar, and underwater sound gear and the shortage of qualified personnel in these fields, a special recruiting drive will be conducted from June 2 to 20 throughout the 8th District to enlist men for study and duty in this branch, Cmdr. Garcia said.

Men with backgrounds of aptitude in electricity, physics, mathematics and engineering are particularly desired as applicants for the rating of electronics technicians mate, it was pointed out. Applicants will be selected for this training according to findings of the Eddy electronics test which they will be required to take previous to enlistment.

Those who pass this test will be given a 10-months training program at the ETM school at the Great Lakes NTS. Upon successful completion of this course they will be assigned to duty in electronics.

Veterans of the Navy, Naval Reserve Marine Corps, Army and Coast Guard who have been on active duty for six months prior to discharge, may enter this program with ratings at Seaman First Class, ETM. Civilians may enter as Apprentice Seamen but will receive rapid promotion as they progress in the course.

Age limits are 17 to 30 years of age. Men who have seen previous duty may add the number of years they have been on active service to 30 as their maximum age limit. An unlimited number of two, three, four and six-year enlistments in electronic technicians billets, are now open. Men enlisting before August 6 will also be entitled to all benefits of the GI Bill of Rights Cmdr. Garcia explained. Family allowances will be given men joining before July 1.

Mr. and Mrs. Willis Magness spent Sunday in Portales, visiting with Mr. and Mrs. Muggs Magness and family.

Mr. and Mrs. Tom Grady and family, of Las Vegas, were here Sunday visiting with friends.
