Juvenile Crime Reported On Increase In County

Two members of the county judiciary, County Judge Paul Fortenberry and County Attorney Johnny Actkinson, met with members of the news media in a special session Monday, Dec. 1, for the purpose of exposing the tremendous rise in juvenile crime in the county. At the present time, this juvenile activity is reported to be centered in the Friona and Bovina areas.

It was reported that juveniles have the misconception that "because we are juveniles we cannot be punished severely for crimes we commit."

Attorney Actkinson elaborated on this statement and declared that any person, juvenile or adult, can be tried and prosecuted for a crime.

"In reality, juveniles can be prosecuted for more than adults. Juveniles are faced with such crimes as truancy or running away where adults are not. And, any juvenile who commits truancy or runs away is subject to punishment," he stated.

But the problems of truant and run-aways were not the main topic of discussion during the session. The county officials called the meeting in order to shed light on the rise of more serious juvenile crimes.

Reports of "syndicated" or group juvenile crime in the county have been received. An example given concerned a juvenile who was punished by a school official. Following punishment, the offender did not threaten the official personally, but he did threaten the official's family.

Such incidents are growing in the county and it is the general consensus that the public should be made aware of the policies concerning juveniles.

It was noted that many persons do not file against a juvenile because they feel "what good would it do. They will just be turned loose on society again without punishment."

Actkinson remarked that this is not so. "There are a large percentage of juveniles reprimanded and turned loose but the majority of such offenders are not filed on. If the public would exercise their duty and right and file complaints, the great number of such incidents would be brought before the judicial system and the reality of the increasing number of these crimes would become evident."

The judge and attorney both commented that juvenile punishment can be as severe as punishment for adults. It was explained that a juvenile who commits a crime may be sentenced to confinement not to exceed his or her 18th birthday. "If a 13-year-old commits a crime, he can be sentenced to five years which would not go beyond the 18th year limit," commented Actkinson.

He then stated that if a juvenile commits a crime during his 17th year, trial may be postponed until after the juvenile's 18th birthday, at which time he would be tried as an adult.

The officials pointed out that the most common juvenile crimes are vandalism and destruction of property. "Punishment for these offenses is set strictly by the dollar value of any vandalized or destroyed property. Most of these crimes fall into the Class A misdemeanor category. This includes property valued at \$20 but less than \$200," the attorney explained.

Although a rise in vandalism and destruction of property has been noted, so has a rise in problems of protection between students. "It's like group crime where someone

doesn't like another person and pays a third party to do harm to that person."

This type of activity is most common in the school systems with special meetings being scheduled whereby school administrators and faculty members can be made aware of their rights and duties when encountering such incidents.

When questioned as to what school faculty members can do, the attorney replied that as faculty members only, about all that can be done is to control the situation as best as possible then summon the police.

When questioned as to how a known trouble maker can be

handled, the officials said that teachers, even if they believe a student to be harboring a deadly weapon, have no right to frisk students or to search lockers. Students also have rights which are protected by our constitution. "But, a police officer may be summoned and with sufficient cause may conduct such searches."

It was then brought out that all punishment does not fall on the juveniles committing crimes. "If a crime is planned and carried out by a juvenile, a parent or parents are also responsible for the act," Actkinson said. Accidental vandalism or property destruction

such as breaking of a window with a baseball are still crimes as far as the law is concerned but with no malicious action being displayed in such a deed, it is usually settled without charges being filed or is considered by the court with leniency.

"We are doing everything within our power to let the parents of these juveniles and other members of the society know what the situation is. If the public acknowledges the situation and acts in a responsible manner, we may be able to curb the incidents before they get completely out of hand," the officials concluded.

Escapee Apprehended After Texico Incident

Texico City Marshal Willie Ronquillo this week reported the apprehension of an escapee from a Michigan mental institution following arrest of the man in connection with a local theft.

Sometime between the hours of 8 p.m. November 25 and 5:30 a.m. November 26, a break-in occurred at Transport Cafe located on Highway 60-70-84 west of Texico. The thief or thieves reportedly robbed the pinball machine, juke box and cigarette machine in the establishment and took boxes of candy and a small transistor radio.

A Texico businessman, Red Prather, reported to the marshal that he had seen a hitchhiker around his place of business who was spending a large amount of quarters.

Upon locating the suspect, Marshal Ronquillo reported that the man gave the name of Virgil Dean Brown and stated that he had been in the Texico-Farwell area since November 26.

Upon investigation, the subject admitted that he had been

spending a large amount of quarters but he had brought them from Michigan. During the investigation, sacks of candies and a transistor radio were noticed by the marshal.

The subject was then held for further questioning while positive identification was made on the suspected stolen articles by the manager of the truck stop cafe.

The subject was then placed under arrest and taken to Clovis where he was jailed for breaking and entering. "At this time we didn't know he had given a false name," commented Marshal Ronquillo. The law official stated that the name Virgil Dean Brown was sent through the National Crime Information Center and the NCIC computer returned a "negative reply" on the name.

Members of the Clovis Sheriff's Office and the New Mexico State Police aided in the investigation by contacting Sparta, Mich. The Michigan Highway Patrol reportedly had nothing on the name.

The Michigan officials were then instructed to contact state institutions and they returned the name of Virgil Dean Young. Young had been an escapee from a Michigan mental institution since October 7.

Young is currently in custody awaiting extradition back to Michigan. He was arraigned Monday, Dec. 1, before a county magistrate for the Texico crime.

The Texico marshal also reported that a companion had been seen with Young but the man had not been apprehended. The other suspect, Donald Fisher, is also an escapee from the Michigan institution. Fisher's description was given as 6'11" or 6'2", very slim and a hippie type subject.

In other action, Marshal Ronquillo reported a robbery Saturday, Nov. 29, at 1 p.m. at the Wheeler 66 Service Station in Texico.

It was reported that two black males and one black female, driving a 1966 gray Chrysler, pulled into the station. The female asked the attendant, Red Prather, to check the oil and while he was complying with the request, the two men allegedly went into the station and broke into the cash register and took approximately \$78.50.

The marshal commented that after Prather had serviced the auto he went into the station and discovered the theft. By this time, the three had gotten into the vehicle and sped from the drive. Road blocks were

Revival Scheduled At Baptist Church

The First Baptist Church of Texico will be conducting a revival beginning Sunday, Dec. 7, and continuing through Wednesday, Dec. 10.

Rev. Carey J. Miller of Aurora, Colo., will be serving as evangelist for the four-day revival with David Miller, also of Aurora, serving as song leader.

It has been reported that Rev. Miller practices Bible preaching and will be presenting services at 11 a.m. and 6:30 p.m. MST on the first day of the revival. A covered dish dinner is to be served at the church following the morning worship service.

Services Monday through Wednesday are to be conducted at 11 a.m. and 7 p.m. each day. Nursery facilities will be provided during each session.

Rev. Carey is pastor of Central Baptist Church of Aurora where he has filled the

pulpit for the past eight years. This is the eighth church he has pastored.

The evangelist is a graduate of Bolivar Southwestern Baptist College in Missouri and Howard Payne Baptist College in Brownwood. He also attended the Southwestern Baptist Seminary in Fort Worth. Rev. Miller has just completed a two-year term as president of the Colorado State Convention.

David Miller is currently serving as music and youth director at Central Baptist Church in Aurora where he has served for three and one-half years.

Miller is also a graduate of Bolivar Southwestern Baptist College in Missouri and Oklahoma State University.

Anyone requesting further information on the revival is asked to contact Joel Horne, interim pastor at Texico Baptist Church, at 784-3706.

TODAY'S THE DAY - Today (Friday), Dec. 4, is the final day for area residents to submit their names for publication to Project Christmas Card, an annual event sponsored by Farwell Elementary School. Persons participating in the project simply contribute the money they would normally spend in sending Christmas greetings locally and their name is added to the Christmas greeting published in the Christmas edition of the State Line Tribune. Donations realized from the project are returned in full to the school as supplementary educational aids such as cassette learning packages, books and films. Reviewing the greeting which appeared in the 1974 Tribune Christmas edition are project co-chairman, Sylvia Buchenau, left, and Betty Jean Castleberry. Anyone in the Texico or Farwell areas not contacted who wishes to participate in the project may contact Mrs. Buchenau, Mrs. Castleberry or the Farwell School.

Deadline Today For Project Christmas Card

Today (Friday), Dec. 5, is the final day of canvassing in Farwell for the 1975 edition of Farwell Elementary School's "Project Christmas Card."

According to workers Betty Jean Castleberry and Sylvia Buchenau, "things are going fairly well this year but it has been reported that approximately \$800 is needed to make supplemental purchases for the school.

The workers reported that all funds received from Project Christmas Card are all returned to the school system in the form of educational aids. During the past years, such items as films, cassette learning packages, story cas-

Savings & Loan Will Open Here

It has been announced by Don Harmon, manager of Tri-County Savings and Loan Association of Muleshoe, that the firm has been chartered to open a branch office in Farwell.

According to Harmon, the offices are to be a ready-built building located on the Farmers Home Administration property located on Third Street in Farwell.

The manager commented that Tri-County is to have the local office open by the first of January.

Mrs. Louise Hancock of Farwell has been employed as secretary for the new business but the staff has not been completed.

Need For Dentist Presented At Meet

Four Farwell residents, Claude Rose, Jr., Bob Anderson, Gil Patschke and Jim Berry, were in Amarillo Tuesday, Nov. 25, to attend a meeting with National Health Service Corps concerning the application for a dentist for Farwell.

According to Rose, the Texas Dental Society and Panhandle Regional Planning Commission have opposed placement of a dentist or dentists in Farwell. This meeting was to include Texas Dental Society, the Panhandle Regional Planning Commission, Panhandle Dental Society, the city of Farwell, National Health Service Corps and the Public Health Service regional dental consultant.

"The opposition, Texas Dental and Panhandle Dental, failed to show up for the meeting," Rose stated. "But we presented our case to the people attending, giving our facts and figures on the need for a dentist in Farwell."

Dr. Jerry Gribble, regional dental consultant, Santos Garza, representing National Health

settes and library aids have been purchased with proceeds from the project.

Mrs. Castleberry commented that the City of Texico has not been canvassed for project participants but any person wishing to be included may contact any of the workers today, and they will be included.

The project is sponsored yearly in an effort to aid the school and also aid local residents in cutting the expense of mailing Christmas cards locally. Persons participating in the project simply donate the money, or a portion thereof, they would normally spend in sending Christmas cards locally.

For this donation, their name, or names of family members are included in the Christmas greeting published in the Christmas edition of the State Line Tribune.

In this manner, the greeting not only reaches the majority of Farwell and Texico resi-

dents, but is also sent to each and every subscriber of the Tribune.

Serving with the Project Christmas Card committee this year, in addition to Mrs. Buchenau and Mrs. Castleberry, are Lillie Christian, Wanda Coates, Eunice Scholing, Joy Stancell, Mary Mesman, La Moine Williams, Mary Kalbas and Jeannie Bartley, county workers;

And, Alice May, Beverly Obenshain, Lee Nell Eubank, Marlene Ford, Linda Geries, Billie Blain, Betty Stewart, Gwen Hughes, Shorty Robertson, Irene Woods and Jeannie Smith, canvassers for the city. School workers are Jerry Yows, elementary, and Sandra Turner, junior high.

Mrs. Castleberry, chairman of the project, commented that all of the workers may have helpers who are unknown to the committee, but the work of each and every person contributing to the project is appreciated.

Rash Of Farm Thefts Plague Law Officials

Parmer County Sheriff Charlie Lovelace has reported a rash of break-ins at area farms which have plagued members of the Sheriff's Department during the past month.

The largest theft in the county occurred last week six

miles north of Friona at the Hilton Wilson farm. According to the sheriff, the George Salas family resided in the house on the property during the incident.

During the burglary a "great deal of vandalism" occurred and approximately \$1100 in property was taken. Among items removed from the property were clothes, radios, clocks, musical instruments, TV's, guns, tools and other items.

Members of the department are still investigating the incident.

Another farm house burglary occurred in the Rhea community at the Bob Lee farm. The burglar or burglars reportedly broke out a picture window to gain entrance into the residence. Taken from the premises were 10 guns (shotguns and rifles), a bicycle, toaster, blender, a pair of western boots, and a radio.

A barn located eight miles east of Friona and owned by Tony Lupton was burglarized also. Approximately \$300 in property, including an electric welder, five-gallon butane bottle and a battery charger, was taken in the theft.

The sheriff said that in two other farm thefts in the Rhea community hydraulic lifters were taken from farm implements in addition to several hand tools. The lifters were valued at \$75-\$100 each.

In a farm theft which occurred four miles east of Farwell, J.B. Sudderth reported that an alternator, radio and tools had been taken from an irrigation motor.

J.E. Knight reported another

Sometimes we think that the country has gone crazy. We do not know if the news media is leading it or following it. In some instances we think that the media folks are going out of their way to bring up unimportant subjects for their own aggrandizement. An example of a tempest in a teapot has been the recent rash of stories coming out of Austin, concerning the amount of time Governor Dolph Briscoe does or does not spend on the job.

Apparently some reporters feel that the Governor of Texas should spend virtually his entire time governing. We do not feel this way. We think that the amount of time Briscoe might spend in Austin or at his ranch at Uvalde is irrelevant as to how well he is doing as Governor.

The implication in these so-called "investigative" stories is that the Governor does not spend as much time acting as Governor as his predecessors have spent. Therefore, the argument goes, Texas is undergoverned. Ah, nuts.

To begin with, we cannot tell from our distant perch that Texas is any worse, or better, off under Briscoe than the last half-dozen Governors. It may very well be that Briscoe can work a lot faster than the other Governor's Mansion occupants. If he can get accomplished in one day what it took some other person two days to do, well more power to him.

It could be that his philosophy is "the less government, the better government." If so, that's fine with us. In fact, we strongly think that if more of our legislators spent less time thinking up damphool laws, the people in the state would be the better for it. As proof of this we believe that a major factor in the sound defeat of the proposed new state Constitution was the unpleasant specter of annual legislative sessions.

We would suggest to our high and mighty brethren in Austin to get off Governor Briscoe and start on the myriad of boards, bureaus and commissions that are making everyday life so dear and costly to the taxpayers of Texas. There are plenty of editorial trees to chop down if they would just get out of the forest and see them.

In a recent interview with our County Judge and County Attorney, we have been apprised of the apparent growth of hooliganism and vandalism in the county. In some communities it is becoming alarming and must be stopped if the citizenry is to enjoy the peaceful life which they are supposedly guaranteed.

A number of factors were brought out in the discussion. The first was the fact that a minor committing a crime cannot be judged past his 18th birthday, and hence will not pay the full penalty for his crime.

Next, it was pointed out that threats to life and limb by juvenile desperadoes cannot readily be combatted and that this tended to deter some people from filing complaints to punish the criminals.

It was also stated that many

★ Annual Dinner Slated Sunday

theft to the Sheriff's Department stating that a .12 gauge automatic shotgun and a double-barrel shotgun, both valued at \$600, were taken. Knight commented that he did not know when the theft occurred, "he just noticed the items missing last week."

Four business establishments in the area were also burglarized recently.

At Big Tex Elevator near Summerfield, the office was burglarized with \$2-\$3 in change taken from the cold drink machine.

Tide Chemical in Farwell was vandalized with the glass in the door broken to gain entry. According to reports, the office had been ransacked but nothing was missing.

In a similar incident, Riverside Chemical in Bovina was burglarized with postage stamps being taken. Entry was gained by breaking a glass in the door.

Sheriff Lovelace commented that Chemical Enterprises at Pleasant Hill (Curry County) had suffered a similar burglary. He stated that investigating officers said a window was broken to enter the business with the thief or thieves suffering cuts from the broken glass and leaving blood stains in the office. Postage stamps and \$36 in change were taken from the office.

The Bovina School was broken into last week with \$135 damage resulting from vandalism while entrance was gained. "It seems they were trying to get food from the concession stand but nothing was taken," Sheriff Lovelace

remarked.

Elvis Childs reported the theft of approximately 250 gallons of fuel from an overhead tank located on his farm two and one-half miles east of Lariat. Another gas theft occurred in Farwell when approximately 20 gallons of fuel were siphoned from the vehicle of Dr. Cliff Ennen.

Sheriff Lovelace stated, "This kind of activity has been happening all over the county and the surrounding area. All neighboring counties are complaining of the same thing."

"We are trying to locate the fence who is selling the stolen articles. If we can find any of the stolen goods we can probably trace them back to the thief or thieves. Our department is working steadily with city and county officials in an effort to put an end to the activity."

The law official commented that a night patrol in the country areas is in the planning stages. "Most of these thefts are happening in the country where no one is living or at places where no one is home."

set up by the Curry County Sheriff's Department and state and city law officials but the trio was not apprehended. They were last seen traveling west on Highway 60-70-84.

The Texico marshal also reported two accidents, one occurring Wednesday, Nov. 26, and the other Saturday, Nov. 29.

The first incident involved a vehicle driven by Jim Dale Standridge of Lazbuddie and another driven by Hurley Tubbs of Texico.

The marshal stated that upon approaching the railroad crossing on Wheeler Avenue in Texico, Standridge apparently believed a train was approaching the crossing and came to a sudden stop. The Tubbs vehicle then hit the Standridge auto from the rear.

Passengers in the Standridge

vehicle included his wife and three children. Tubbs' two sons were passengers in his vehicle with both boys being taken to the hospital and treated for minor injuries.

Both Tubbs and Standridge were issued citations. Standridge was cited for careless driving while Tubbs was ticketed for defective equipment.

In the Saturday incident two vehicles, driven by Ray Allen of Clovis and Mary Cantu of Texico, were both coming off state road 108 when the Cantu vehicle reportedly hit the rear of the Allen auto.

Passengers in the vehicles included Allen's brother and a Clovis boy who was riding in the Cantu vehicle.

One citation was issued in the incident when Mary Cantu was ticketed for careless driving.

EPA Representatives Meet With Texico City Council

Two representatives of the Environmental Protection Agency (EPA) of Clovis met with members of the Texico City Council during a session conducted Tuesday, Nov. 25.

G.L. Mauldin requested that the city of Texico back the EPA in sponsoring a general city clean-up to help rid the city of rats.

Dave Tanner of the EPA stated that city residents must change from the present barrels used for depositing of

trash to 32-gallon covered containers. Mauldin agreed to "wait on the covered can proposition" until the city could afford the extra expense of the revised sanitation method. He stressed the baiting of rats and a clean-up until the city was financially able to change sanitation procedures.

It was agreed that Trustee Ruby Goforth would meet with Curry County Commissioners at their next meeting to request the use of vehicles for one day in the middle of December for clean up purposes. Mauldin agreed to attend the meeting and speak to the Commission on behalf of Texico.

Also during the meeting, Texico City Marshal Willie Ronquillo was instructed to issue warnings or tickets to everyone in the city who had dogs running loose. It was

reported that the first offense would draw a warning for the offender with the second and all subsequent offenses to be ticketed.

Texico City Clerk Clara Wiehl stated that each ticket issued was punishable by a \$10 fine. "If a person is issued a ticket today and fails to correct the situation and is issued another ticket, \$10 fines may be assessed for each of the tickets."

Truman Kittrell and Johnny Chappell met with Trustees as spokesmen for the "42 Club" and requested permission to meet in the Texico Community Building for four meetings. Permission was granted.

Don Morris appeared before the Council and stated that he wanted the east end of Mildred Avenue closed. The Board okayed the closing of the avenue located north of the

city. Water Superintendent Billy Hammit was authorized to have a sign made showing where solid wastes are to be dumped.

Galen, the celebrated Greek physician, was convinced that pears had therapeutic value.

times the reason that victims of outrageous actions did not file a complaint was that the feeling of "What's the use, they will just be turned loose on us again" was all too prevalent.

Well, basically, all these things are a direct result of our juvenile laws. Our legislators need to spend less time figuring out ways to spend money, raise taxes and creating a mountain of red tape - and more time on how to protect the huge majority of law abiding citizens from the deprivations of a few criminal misfits.

It's way past time to quit worrying about the civil rights of the criminal element and start to worry about the civil rights of the law abiding.

Fatheaded legislators, foggy-brained judges and fatuous juries will eventually break down our American society unless the people start electing legislators with some common sense, throwing out judges and exhibiting some backbone in the jury room.

If we cannot have a society of laws we may have a society of guns, ala the old west. Who wants that?

Coach Reviews Steers - -

District Boys Teams On Equal Footing

Farwell Varsity Steer Coach Bert Roanhaus issued a statement this week in regard to the Steers' 1975-76 basketball season in which he commented, "Every team in the district is starting out on equal footing. Not any of the Steers' games will be easy. All the teams are equal and what it boils down to is who plays the best ball game when the teams meet will win."

In commenting on the Steer Squad, the coach said that, overall, the team has a lot of potential. "We're young and inexperienced as far as varsity basketball goes. We need a lot of improvement overall and I look for the beginning of the year to be more of a learning period than anything else."

"We haven't worked together as a varsity unit and we're not as concerned about winning at the beginning as we are about improvement. We hope to improve game-by-game so that by the time district rolls around we will be playing as one ball club."

In addition to the Steers being inexperienced as a varsity squad, the coach pointed out that size will be to the disadvantage of the Steers. "We only have three big men, and from there on out, we're pretty small. But I feel that our quickness will overcome our size as far as small people go."

"We probably have, as far as big men go, two of the best forwards in the district. Quickness and good ball handling are our two main assets going into the new season."

In listing individual Steer Varsity basketballers, the coach made the following comments:

BRAD JONES - Senior forward, 6'3" - Brad was most valuable in district last year. From what I have seen, he is probably one of the most outstanding Class A players in the Panhandle. He is an excellent shooter, excellent rebounder and a great all-around ball player.

RUSS JONES - Sophomore forward, 6'2" - Russ is a good rebounder and fair shooter. He is a good team man and, as far as all-around is concerned, he is a good all-around player.

MIKE GOETTSCHE - Junior guard, 5'10" - Goettsch is a fair ball handler and fair shooter. We are looking for a lot of improvement from him this year. Mike looks like he will be tough on the boards.

CHIP CRAFT - Junior guard, 5'6" - Chip is a good ball handler and fair shooter. I am looking for a lot of improvement from him. He needs to come a long way.

MIKE McCULLY - Senior forward, 6'2" - McCully is a backup forward. He will be put in situations where we need height. He's not a real good ball handler or shooter but we have seen a lot of improvement since practice started.

GERALD HARDAGE - Senior guard, 5'6" - It's hard to comment on Gerald. He has

had several injuries in football and hasn't really worked out yet. We are looking forward to a lot from Gerald but, like I said, we really haven't had a chance to look at him yet.

SAMMY MERRITT - Junior guard, 5'11" - Sammy is probably the best ball handler as far as guards go. He is a good shooter, good dribbler and good rebounder. Sammy is a good overall playmaker. He's the man who will probably bring the ball down court and set everything up for us. He's an overall good player.

Varsity, JV Steers Defeat Lazbuddie

The Lazbuddie Longhorns hosted the Farwell Varsity and Junior Varsity Steers in basketball clashes Tuesday, Nov. 25, and fell victim to the Steers. The Varsity took a 57-28 win while the Junior Varsity bumped the Longhorns 60-32.

Varsity action saw the Steers take an 18-7 lead at the end of the first period and maintain the lead 31-18 at the half. During third period play Farwell hung onto and expanded its lead to 45-22 and took the victory 57-28 when the final buzzer sounded.

Tagged leading scorer for the Steers was Brad Jones who hit for 27 points. Also adding to the Farwell side of the scoreboard were Travis Bibbs, Chip Craft, Russ Jones, Mike Goettsch and Billy White.

Recognized as leading rebounder was Brad Jones with 18 while Russ Jones picked up 17 rebounds.

Statistics show the Steers hit on 25 of 59 attempted field goals for 42 percent. They were on the mark for 7 of 15 field goals for 47 percent. They grabbed off a total of 44 rebounds.

Varsity Coach Bert Roanhaus commented, "We looked better this game than we did our first. We still need lots of improvement and we are going to do some very tough work on the spots we are weak in."

"If we keep improving like I know we are, I feel we can have an outstanding ball club and a very good season. But it's only going to come with lots of hard work."

"Brad Jones was high scorer and played a good game on defense. The whole team looked much better overall," he concluded.

The JV Steers were tied 14-14 with Lazbuddie at the end of the first period. Farwell took a 28-22 lead at the half and expanded that lead to 46-28 during the third quarter. During the final period they wrapped up the win and were victorious 60-32.

Honored as high scorer for the Steers was Clay Roberts with 19. Also scoring in double

BILLY WHITE - Junior guard, 5'11" - White is a fair ball handler and a fair shooter. He is a good team man but overall he needs a lot of improvement. We have seen quite a bit of improvement in him in the past week.

TRAVIS BIBBS - Junior guard, 5'9" - Travis is a good ball handler, shooter and probably the quickest man we have on the team. He is a good rebounder, good driver, and overall, with some improvement, will be an outstanding ball player.

figures were Terry McCully with 13 and Vic Christian with 12. Other scorers were Dee Foster, Steve Hargrove, Kirk Magness, Randy Gerles, Craig Walls and Tim Norton. Leading rebounder was Clay Roberts with 19.

Coach Don Alana stated, "We came on strong in the second quarter to defeat Lazbuddie. Roberts had 19 points and 19 rebounds. Other good performer was Vic Christian with 12 points and 9 rebounds. This win will make Farwell 2-0 for the season."

Steerettes Defeat Lazbuddie In Tilts

Farwell's Varsity and Junior Varsity Steerettes traveled to Lazbuddie for game action Tuesday, Nov. 25, and slapped their hosts in both games with the Varsity taking a 69-37 victory and the Junior Varsity winning 40-20.

In Varsity game action the Steerettes led from the opening quarter 19-4 with the second quarter ending with Farwell leading 41-11. In third period play the Steerettes upped their lead to 57-19 and ended with the 69-37 victory.

High individual scorer was Kathy Booth with 23 points with Kathy White popping the net for 13 points. Also adding to the Steerette score were Bonnie Foster, Sheryl Woods, Sherri McCully, Missy Taylor, Lori Norton, Estelle Embry, Claire McFarland and Gaye Coffman.

Leading rebounders for Farwell were Pam Erwin and Terri Boling with seven each. The Steerettes hit 32 of 66 attempted field goals for 50

percent and 7 of 14 attempted free shots for 50 percent. The team picked off a total of 37 rebounds.

Steerette Coach Joe Allen stated, "Lazbuddie had some people out for the game and were unable to compete as well as everyone would have liked."

The Junior Varsity Steerettes dominated Lazbuddie in game action by leading 14-2, 24-10, 32-16 and 40-20 during the four quarters of game action.

Taking honors as leading scorer was Jamye Berry with a total of 12 followed by Natalie Dollar with 10. Also scoring for Farwell were D'Lynn Eubank, Dana Ennen and Carol Vinton, who each dumped six points.

Leading rebounder was Rhonda Walls with five and Judy Hardage was credited with 10 assists.

JV Coach Larry McDorman commented, "Everyone played well for us."

Coach Allen Comments On Varsity Steerettes

Varsity Steerette Coach Joe Allen has released his comments on individual Steerettes composing the 1975-76 basketball team.

In commenting on his players the coach made the following remarks:

TERRI BOLING - Senior post guard, 5' 8" - Terri is not particularly quick or springy and will generally be shorter than the post forward. She offsets these disadvantages by working hard and using intelligence to position herself well. She is a good ball handler.

GAYE COFFMAN - Senior guard, 5' 8" - Gaye lacks varsity experience, but her unique style of defense, quickness and spring upset her opponents. She needs successful experience in handling the ball. Gaye gives us a lift coming off the bench and she could become a starter before the season is over.

ESTELLE EMBRY - Senior guard, 5' 8" - Estelle jumps well and has very quick hands. Like Gaye Coffman, she has fine shot blocking ability. Estelle is strong and rebounds well. She needs successful ball handling experience also.

PAM ERWIN - Senior guard, 5' 3" - Pam is hustle personified. She goes, perhaps, a little too fast, and is a little too aggressive, but she is a team leader whether on the court or on the bench. When we find a forward about her height, Pam's going to get a starting assignment.

BONNIE FOSTER - Senior forward, 5' 4" - Bonnie has great quickness and spring, but for some reason, never learned to shoot properly. She must improve her shooting to keep the "1" (outside) position from three challengers.

CLAIRE MCFARLAND - Senior guard, 5' 3" - Claire was not blessed with quickness, height or spring, but she was blessed with a mature, outlook on things. Claire is a team leader by virtue of her unselfish and hard-working attitude. She keeps her cool and does a good job on the bench or in the game.

LORI NORTON - Senior guard, 5' 7" - Lori is quick, intelligent and determined. She has very quick hands and tends to use them too aggressively.

Lori may get a lot of assignments as the helping (sinking) guard. I regard Lori as our best all-around guard. For a basically emotional girl with reddish hair, she's doing a great job of keeping calm in pressure-packed situations.

KATHY WHITE - Senior post forward, 5' 7" - Like her good friend, Estelle Embry, Kathy never says much, smiles a little when something hilarious happens, and plays hard. Kathy has very good spring and is a good shooter. She must improve her moves and score more in order for us to win the tough games. She's an excellent rebounder.

SHERYL WOODS - Senior forward, 5' 6" - Sheryl has good quickness and fine offensive moves. Unfortunately, she usually neglects to zero in on the basket. If Sheryl corrects this habit, she could challenge Kathy White for the "2" (low post) spot or, more likely, take over the "1" (outside) spot. She has a good set shot and was impressive as the "1" girl against Frenship. Sheryl is talented and could contribute greatly in making us a better team.

KATHY BOOTH - Junior forward, 5' 8" - Kathy has size, spring, quickness and fine shooting ability. She is the

"3" (inside-outside) girl our offense is built around. With all her talent and dedication, Kathy is, believe it or not, not even close to the player she could be - and will be.

SHERRI McCULLY - Junior forward, 5' 3" - Sherri is quick, springy, aggressive and uses her left hand well around the basket. Right now her jump shot and set shot are off (too flat). If she can get her shot corrected she can be the "1" girl. She penetrates to the basket well with drives and jump shots.

MISSY TAYLOR - Junior forward, 5' 5" - Missy is perhaps our best outside shooter next to Kathy Booth. Missy backs up Kathy at the "3" girl spot now. If she improves her ball handling and penetrates to the basket better, she can win the "1" girl spot. Missy is a hustler with a lot of desire. She must learn to control her emotions.

Texico Trustees To Meet Tuesday

Members of the Texico City Council are to meet in regular session Tuesday, Dec. 9.

The meeting is to begin at 6:30 MST at City Hall.

FIRE CALLS

The Farwell Volunteer Fire Department reports four calls during the past week with three calls being to extinguish grass fires.

On November 25 the unit was summoned to a grass fire one and one-half miles out of the city on the Amarillo Highway. That same evening a grass fire was reported one-half mile east of Lariat. On Dec. 1, the unit responded to a call to extinguish a grass fire between Lariat and Farwell on the right-of-way.

The ambulance was summoned as a precautionary measure November 26 to an accident at the railroad crossing connecting Texico and Farwell. No injuries were reported.

It was reported that no calls have been received by the Texico Volunteer Fire Department.

WOLVERINE WARRIORS - The Texico High School Varsity Wolverines recently completed their 1975 football season with a 3-6 record. Members of the 1975 squad are, from left, front row: Ricky Gonzales, Dusty Casey, Charlie Smith, Tommy Galvan, Joey West, Justin Gaddis and Steve Holley; second

row: Mark Howard, Chris Eshleman, Larry Rolan, Ted Richardson, Eladio Loera, Willie Ronquillo and Nathan Newcomb; back row: John Burgett, Robbie Bradley, Steve Turner, Steve Ashley, Homer Ashley, Steve Askew, Barry Lindley, Spencer Turner and Coach Ray Manly.

Wolverines End Season With 3-6 Record

The Varsity Wolverines of Texico High School have now put the 1975 football season into the history books as they closed play recently with a 3-6 record for the season. In district competition, the squad holds a 0-4 record.

In commenting on the past season's play, Texico Head Coach Ray Manly stated that the Wolverines had put a total of 98 points on the scoreboard. The squad gave up 190 points to their opponents. The greatest number of points by the Wolverines scored in any one ball game during the season was 47.

The coach commented that throughout the season touchdowns had been scored by Wolverines Spencer Turner, 4; Chris Eshleman, 1; Steve Askew, 1; Tommy Galvan, 3; Mark Howard, 1; Steve Turner, 3; Homer Ashley, 1; and Joey West, 1. These do not include statistics for extra point conversions.

Coach Manly stated that the 1976 Wolverine Squad will lose six of its present players through graduation. Senior members of the squad are Tommy Galvan, Spencer Turner, Robbie Bradley, Ted Richardson, Steve Ashley and Nathan Newcomb.

In reviewing statistics for the team, the coach commented that during the season the Wolverines had connected on 20 of 62 attempted passes for a total of 325 yards, with five Wolverine passes being intercepted. "We intercepted a total of 10 passes for the year on our opponents."

Wolverine Spencer Turner was the Wolverines leader in the yardage department. Turner racked up 700 yards rushing, only 50 yards over the total of the second leading gainer, Tommy Galvan, who paced off a total of 650 yards.

The longest run from scrimmage for the Wolverines was a 99-yard run by Spencer Turner against the Vaughn Eagles. Tommy Galvan is credited with hauling in an 80-yard touchdown pass against Jal.

Wolverines honored as "Outstanding Season Players" by Coach Manly are Robbie Bradley and Spencer Turner. "Bradley is our outstanding defensive man. He was always consistent. If he didn't have the most tackles per game, he had almost the most. During the last game, Bradley was credited with 15 tackles," commented the coach.

"Spencer was selected as

our offensive man. He was our leading ground gainer and leading scorer for the season," reflected the coach.

"We had a very successful season," stated Manly. "We had a lot of almost wins and I feel that we could have won two more games that were almost wins. If we had had one more break going our way we could have made it. After our loss to Ft. Sumner, the wind was really taken out of our players."

"Two of our district teams

were in the state playoffs so we had some pretty rough competition. When we played Jal and Eunice, they were in the top five and Dexter was at the top most of the season. Ft. Sumner was rated below us until we suffered a loss to them," the coach continued.

The coach commented that his feelings, like those of his players, are that the Wolverines were "out-classed" in district competition. "Texico is now classes as a AA team. We are trying for a new resolution of

re-alignment of classes as far as population is concerned to put the Wolverines on more even footing with the teams they play.

"Texico had 24 players turn out for football while some of our competitors had as many as 40 prospective players. We are competing against schools that could have two very well-rounded football teams. Texico just isn't big enough to warrant its present classification and this is having a great effect on the football squad."

Brad Jones Selected All-District Player

Senior Steer Brad Jones of Farwell High School was among five 1975 footballers who were unanimous selections for the 3-A All-District Team.

Other unanimous choices were linebacker Jerry Artho, offensive tackle Gerald Berry, and quarterback Larry Richardson, all of Vega, and guard Randy Latham of Springlake-Earth.

District champion Hart landed eight players on the team, with six of the Longhorns named to the defensive unit. Vega matched Hart in the number of All-District choices, and Vega's Larry Richardson was named "Player of the Year."

Farwell was also honored when members of the Steer Varsity squad received seven All-District Honorable Men-

BRAD JONES

tions. Offensive honorable mentions were awarded to Steve Meeks, guard; Charles Christian, center; Joe Haseloff, tackle; and Russ Jones, quarterback.

Defensive honorable mentions went to Joe Haseloff, tackle; David Cantu, linebacker; and Sammy Merritt, cornerback.

Members of the All-District offensive unit are centers, Brent Been of Springlake and Jeff Ferguson of Vega; tackles, Gerald Berry of Vega and Dean Hill of Hart; guards, Randy Latham of Springlake, Jerry Artho of Vega and Carlos Amados of Kress; ends, Brad Jones of Farwell and Bryan Irons of Hart; quarterback, Larry Richardson of Vega; runningbacks, Kevin Montgomery of Vega, Jim Furr of Springlake and Tommy DeLeon of Bovina.

The defensive unit includes linemen, Terry Hill, Barry George and B. Minjares of Hart, Randy Bills of Springlake and Gerald Berry of Vega; linebackers, Jerry Artho of Vega, Bryan Irons of Hart and Gary Black of Hart; and defensive backs, Gil Woods of Springlake, Larry Richardson of Vega, A. Castillo of Hart, J. Willard of Bovina and L. Sizemore of Kress.

The Farwell All-District player is the son of Mr. and Mrs. Joe Jones.

JOHNNY MABEN

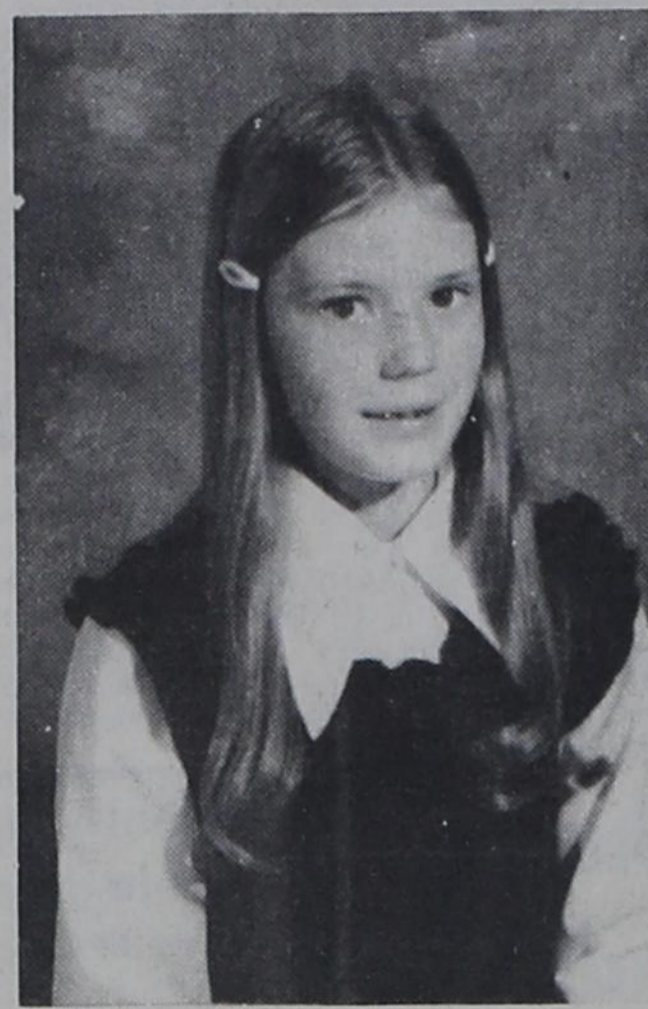

Maben Tagged Most Improved

Texico Wolverine Coach Cecil Davis has selected Johnny Maben as the most improved freshman football player of the 1975 season.

Johnny was a starter at the end of the season on both offense and defense. He has 5.3 speed in the 40-yard dash, exceptional height and the ability to hit with authority, according to Coach Davis.

At the present time, Johnny is lifting weights to get ready for track season and to prepare himself for football at Texico High School as a sophomore player.

Teen Of The Week At Texico School

BETH KELLEY

Beth Kelley, an eighth grader at Texico Junior High, is Texico's "Teen of the Week" for December 8-12. The daughter of Mr. and Mrs. J. D. Kelley of the Pleasant Hill community, Beth is active in all girls' sports and the band at Texico. She is also an active member of the Pleasant Hill Baptist Church. As a member of the Pleasant Hill Pals 4-H Club, Beth has won many awards for various 4-H projects. [Selection of "Teen of the Week" made by anonymous committee.]

Varsity, JV - - Wolverines Fall To Santa Rosa

Santa Rosa hosted the Varsity and Junior Varsity Wolverines of Texico for basketball action Tuesday, Nov. 25, and handed the visiting teams defeats. The Varsity was dumped 50-38 by Santa Rosa and the JV suffered a 57-34 loss.

Howard, Justin Gaddis, Don Duncan, Jackie Reid and Mike Snodgrass.

Tagged leading rebounder for the Texico team was Christian who picked off 14.

Coach's comments were unavailable from Coach Ray Manly.

Texico's Varsity Wolverines were down three points, 9-6, at the end of the first period and still trailed 18-8 at the end of the half. The Wolverines rallied in the second half of game action but not enough to overcome Santa Rosa's 50-38 victory.

Leading scorer for the Wolverines was Tommy Galvan who popped the net for a total of 11 points. Also scoring for the Wolverines were Spencer Turner, Joey West, Bill Autrey, Barry Lindley and Richard Hadley.

Leading rebounders for the Wolverines were Turner and Autrey who each picked up 11.

Varsity Coach Randy Lyons commented, "Texico played their most consistent ball game of the year. Santa Rosa had all its players except one back from last year's team that went to state. Overall, our improvement has been steady."

The JV Wolverines trailed 10-17 at the end of the first period and trailed Santa Rosa 16-33, 41-24 and 57-34 during the other three quarters of play.

Taking honors as high individual scorer for the Wolverines was Steve Christian who hit for 15. Also adding to the Wolverine score were Mark

Meeting Slated

By School Board

The Texico School Board of Education will meet in regular session Tuesday, Dec. 9, at 7 p.m. MST at the high school.

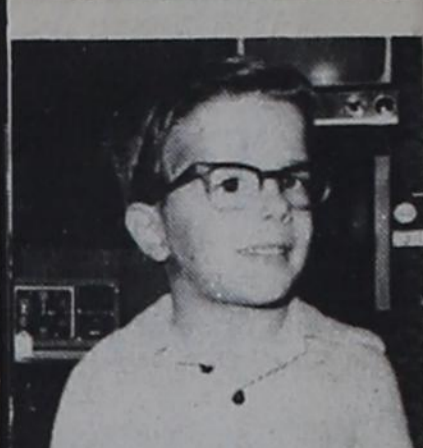

During this meeting a discussion will be conducted in regard to the program review by the State Department of Education. The review has been planned for Tuesday, Dec. 16. At 1 p.m. that day Ted Sanders, assistant superintendent of administration with the State Department of Education, will view the school and will meet with the School Trustees and any interested persons to discuss the local educational system.

Also on the agenda for the December 9 meeting is a discussion of liability insurance coverage for the Texico faculty, staff and Board members.

Trustees will also review applications for a kindergarten teacher. It was reported that a kindergarten session is to be held at Texico during the last 12 weeks of the 1975-76 school year.

Groups Slate Meet

The Texico Chamber of Commerce and the Texico Community Planning Committee will meet in a joint session Tuesday, Dec. 9, at 6:30 p.m. at the Texico Community Building.

Tommy was talking about the recent fire in his school. "I knew it was going to happen," he said, "because we had been practicing for it all year."

With inflation continuing to out-pace Social Security benefits, it seems nearly everyone would have to be included in a private pension plan. How extensive is this involvement?

An estimated 30 million persons, nearly one-half of the private nonagricultural labor force in the U.S. were enrolled in about 300,000 private pension plans having total assets of approximately \$150 billion as of 1972. With the rate of increase continuing, by 1980, the figures will be: 42 million people, 500,000 plans and \$225 billion in assets. The HR-10 and IRA plans are particularly applicable to self-employed individuals, with or without employees. Prime examples being: professional men, service-oriented businessmen and farmers and ranchers.

I have received word that agricultural producers, landowners, city officials and others directing outdoor burning operations must soon comply with new regulations set forth by the Texas Air Control Board.

The new outdoor burning regulations which become effective December 5 outline conditions under which burning can be acceptably practiced.

Agricultural producers who, in the past, have burned crop residues and rangeland to enhance production will be particularly affected by the new regulations.

Outdoor burning in these instances will be allowed when no practical alternative exists. However, certain conditions must be met. The wind must be in a direction that will carry smoke away from urban areas, and wind speed must be between six and 23 miles per hour.

Furthermore, open burning must take place at least 300 feet from residential, commercial or industrial areas. To allow maximum dispersions, burning should only be conducted between 9 a.m. and 5 p.m. insofar as is reasonably practical.

Several other key items in the new regulations deal with burning of municipal solid waste. The population ceiling on cities and towns that can use outdoor burning to dispose of garbage and trash has been lowered to 3,000 people. And municipal solid waste disposal sites that are burned must be located at least 300 yards from a public road and one mile from a residential or commercial area. Limits are also placed on the hours during which municipal solid waste may be burned.

The new regulations also authorize outdoor burning to dispose of diseased animals to prevent disease transmission. And, garbage and trash can also be burned at private residences when regular collection service is not provided.

Two weed control meetings are scheduled for December 9, at the USDA Southwestern Great Plains Research Center in Bushland and December 11, at the Hale County Agricultural Center in Plainview. Both of these meetings start at 1:30 p.m. and should conclude by 4 p.m.

The topics of discussion include watergrass control in sorghum; solving weed problems in corn; using soil sterilants on bindweed; weed control in sunflowers, wheat, cotton and soybeans.

These meetings should be of great interest with some new information being presented.

Marriage Licenses

It has been reported that County Clerk Bonnie Warren has issued six marriage licenses during the past week. Licenses were issued to Robert Lee Horton and Kathy Yvonne Dondelinger; Robert Littleton Barber and Alice Marie Hill; Also, Timmy Carroll Smith and Deborah Susan Jesko; Kenyth Jerrell Cass and Karene Annette Jaracki; Rickey Leon Rector and Debra Lee Short; and Darrell Dean Stanton and Della Mae Bullington.

Help may be on the way for lowering the costs of feeding cattle. Initial research on a new compound called monensin has had positive results at several agricultural colleges and test stations. Classified as an antibiotic, the chemical has produced an increase in feed efficiency as high as 13 percent. Average improvement in tests at the University of Nebraska was 11 percent. On that basis a dollars and cents evaluation means a savings of about twenty dollars a head in the average feeding cost for feedlot beef. Food and Drug Administration officials are expected to react more favorably toward the new compound than toward the still controversial DES since monensin acts only in the rumen of the animal and reportedly leaves no residues in tissue. Researchers say the compound enhances gain efficiency when used in amounts small enough to be comparable to adding one pint to 5,000 gallons of water.

Thanksgiving Holiday Visits And Visitors

Mr. and Mrs. Smokey Gast and Mrs. Gast's mother, Mrs. Ernestine (Ma) Schooling, all of Farwell, and the Gasts' daughter and family, Mr. and Mrs. Jack Walker and daughters, Jana and Jodi, of Vega, journeyed to Phoenix, Ariz., on Tuesday, Nov. 25. There they attended the annual reunion of Mrs. Schooling's family. The travelers returned home Saturday.

Thanksgiving Day dinner guests in the home of Mr. and Mrs. Jack Kirkland and Leigh Ann of Farwell included their sons and families, Mr. and Mrs. Jack A. Kirkland of Abilene and Mr. and Mrs. Carl Kirkland and Brandon of Farwell.

Also present were Mrs. Kirkland's parents and sisters, Mr. and Mrs. A.W. Green and Rise and Mr. and Mrs. Merle Richardson and children all of Clovis.

The Jack A. Kirklands remained in Farwell over the weekend.

Visiting during the holidays with Mr. and Mrs. W.M. Roberts of Farwell were their son and family, Mr. and Mrs. Charles Roberts and Matthew of Fort Stockton. Also visiting in the Roberts home were Bobby Actkinson and Kelli of Saginaw, Miss Randi Thomas of Morton, Mr. and Mrs. Errol Johnson, Brad and Laurie of Farwell, and Betty Jones and Johnnie Smith of Clovis.

Dr. and Mrs. Tom Williams and children, Scott and Laura, of Fort Smith, Ark., spent last week in the home of his parents, Mr. and Mrs. Jack Williams of Farwell, and with her parents, Mr. and Mrs. W.D. Prince of Clovis.

Also visiting in the Jack Williams home was their daughter, Sharon, from Lubbock. Joining the group for Thanksgiving dinner was Grace Snider of Farwell.

Debra Wardlaw of Arlington spent the Thanksgiving holidays in Farwell, arriving Thursday morning and staying until Saturday, with her mother, Elaine Wardlaw, and brother, Jack D. Debra teaches at Arlington Junior High

School. Also sharing the holiday with the Wardlaws was Mrs. Wardlaw's sister, Louise Scott of Amarillo.

Mr. and Mrs. William Dannheim and David of Farwell left Wednesday, Nov. 26, for Amarillo where they spent the weekend. They visited with their son and family, Mr. and Mrs. Charles Dannheim and children, Elizabeth and Charles Jr., and with their daughter and family, Mr. and Mrs. Frank Fipps and children. They also visited with Mr. and Mrs. Raymond Sullivan, former Farwell residents.

Col. and Mrs. Robert Sandvick and Warren of Lubbock spent part of their Thanksgiving holidays with her sister and family, Mr. and Mrs. W.T. Meeks and son Todd of Farwell.

Mr. and Mrs. Bob Vinton and daughters, Carol, Vickie and Robin, of Farwell went deer hunting in the area around Senora, Tex. Accompanying them was Delbert Black and son Brent, also of Farwell.

It was reported that Bob, wife Alice and daughter Carol all brought back a deer. The group was gone from Wednesday until early Sunday morning.

Mr. and Mrs. Buster Gast of Farwell were in Lubbock from Wednesday until Sunday where they visited with their daughter Judy and family, Mr. and Mrs. John Abernathy and Jay.

Also sharing the occasion were Mr. and Mrs. Hez Abernathy of Fountain Lake, Ariz., and Mr. and Mrs. Randy Abernathy and Jeff of Clovis, John's parents and brother and family.

Becky Brandt Feted At Get Acquainted Social

Becky Brandt of Amarillo, bride-elect of Lester Ray Norton, was honored at a get acquainted social Saturday, Nov. 29, in the home of Mr. and Mrs. Darrell Norton.

The honoree was presented a corsage of red carnations and special guest at the affair was her mother, Mrs. Jerry Lyons of Amarillo.

Decorations carried out a Christmas theme with the serving table covered with a white cloth and centered with a five-branch spiral candelabrum. The silver candelabrum was accented by fresh, red carnations and greenery which

had been sprayed silver. Guests were served refreshments from a silver coffee service and silver punch bowl service by Leslie Lunsford, Lori Norton and Beth Ann Brandt, sister of the honoree. Nancy Brown, also a sister of the honoree, presided at the guest book.

Refreshments included coffee, hot Wassail punch, finger sandwiches, Christmas candies and cookies, nuts and mints.

Hostesses for the social were Mmes. Pike Jordan, Roy Snodgrass, Doyle Ford, Mitz Walling, Gerald Norton and Darrell Norton.

Special Music Program Slated By Senior Center

Members of the Texico-Farwell Senior Center scheduled a Special Music program for 6 p.m. MST Thursday, Dec. 4, at the Community Center in Texico.

Hattie Young and the Golden Age Band of Clovis were to present the entertainment following the regular Senior Center potluck supper.

It has been reported that leathercraft classes are continuing at the Center and are

★Attention All Cooks!

The time of year is here again when the State Line Tribune requests assorted food recipes from area homemakers for publication in the Christmas edition of the paper.

Our deadline for articles for our Christmas edition is rapidly approaching.

We have had several requests for holiday food recipes and we, in turn, are asking area residents to submit their recipes for publication.

Persons who would consent to sharing a favorite recipe or two, are asked to please submit them as soon as possible to the Tribune office so they may be prepared for printing in our Christmas edition.

Don Lambs Are Parents Of First Child

Mr. and Mrs. Don Lamb of Denver, Colo., are parents of their first child, a daughter, born Friday, Nov. 14, at 2:36 a.m. in Fitzsimons Army Medical Center in Aurora, Colo.

The lass, named Amanda Rachele, weighed seven pounds, 15 ounces at birth and measured 20 inches in length.

Maternal grandparents are Mrs. Mickey Rogers and Allan R. Rogers, both of Texico. Paternal grandparents are Mr. and Mrs. Don Lamb, Sr. of Dallas.

Great-grandparents are Mr. and Mrs. B.A. Rogers of Texico, Mr. and Mrs. B.B. Simons of Dallas and Mrs. James Lamb of Paducah, Ky.

Mrs. Lamb is the former Marcia Rogers of Texico. Lamb is currently stationed at Lowery AFB, Colo. Mrs. Rogers reported that Lamb has received orders for Cannon AFB, effective shortly after January 1, 1976. The Lambs will be visiting in Texico for a short time prior to moving to Cannon.

In Colorado

Mickey Rogers of Texico returned Tuesday, Nov. 25, from Denver, Colo., where she had been visiting in the home of her daughter and family, Mr. and Mrs. Don Lamb.

Mrs. Rogers left for Denver November 13 to be with her daughter and visit with her first granddaughter, Amanda Rachele, who was born November 14.

held each Monday evening from 6-9 p.m. MST.

Art and pottery classes are also conducted at the Center each Wednesday. The art classes are held from 14:30 p.m. with pottery classes scheduled from 6-9 p.m.

Regular meetings of the organization are held each first and third Thursday of the month at 6 p.m.

Mrs. Joe Caywood, director of the Center, related that any person, 50 years of age or older, is invited to join the classes.

50TH ANNIVERSARY - Mr. and Mrs. Hubert Ellison of Farwell will celebrate their Golden Wedding Anniversary on Sunday, Dec. 14. All friends and relatives are cordially invited to attend a reception in their honor from 2:00 until 6:00 p.m., in the home of Mr. and Mrs. Jerry Ellison at 900 Sixth Street in Farwell. The event will be hosted by their children, Mr. and Mrs. Jerry Ellison of Farwell, Mr. and Mrs. C. R. Howard of Canyon, Mr. and Mrs. Troy Christian of Farwell and Mr. and Mrs. Melvin Terry of Shallowater. The couple requests no gifts, please.

BRIDES OF THE WHITE HOUSE - Mrs. Glenn Reeve of Friona is shown with her collection of 16 dolls representing brides of the White House. The collector presented a program on the history of the brides and their costumes recently at the Annual Parmer County Home Demonstration luncheon hosted by the Oklahoma Lane HD Club. Mrs. Reeve, who is in great demand, presents her program on the brides frequently to various groups and organizations.

At HD Luncheon - -

History Of Brides Revealed Through Research & Talent

Inspired by an article relating to the marriage of Tricia Nixon, an idea was kindled and put into motion by Mrs. Glenn Reeve of Friona. Mrs. Reeve felt that making the wedding dresses and learning about each of the White House brides would be a tribute to the nation's Bicentennial celebration.

Through many hours and months of research in books, institutes, museums, and correspondence with some of the

living White House brides, she created as intricately in detail as possible the wedding dress of each bride.

Mrs. Reeve related stories about each bride's life and the circumstances centering around each bride's marriage as well as a few comical things which are not commonly known about the brides. One bride had a pet green snake that very mysteriously ended up dead. Another was considered a rebel, according to the moral standards of her time.

Story book dolls beautifully dressed in the gowns Mrs. Reeve made are a tribute to her hard work in the collection of the 16 White House bride dolls.

Mrs. Reeve presented her program at a local restaurant, Thursday, Nov. 20, for the annual Parmer County Home

Demonstration luncheon hosted by the Oklahoma Lane HD Club. A red, white, and blue theme was carried out in decorations. Approximately 30 persons were in attendance.

Mrs. Gilbert Kaltwasser opened the program with the pledge to the flag and prayer. The program was closed by everyone singing "God Bless America."

Woman's Club Fair To Begin Tomorrow

Just in time for Christmas shopping, the Second Annual Arts and Crafts Fair sponsored by the Texico Woman's Club will be Saturday, Dec. 6, in the Texico Schools' south gymnasium.

Items priced from 25 cents up will be for sale by exhibitors from Albuquerque, Melrose, Ranchvale, Happy, Tex., Farwell, Floyd, Portales, Texico, and other places.

The all-day event will be from 8 a.m. to 5 p.m. MST, and there will be a 25 cent admission charge.

Texico Woman's Club receives proceeds from admission, booth rentals, concession stand, and their own booth, while the exhibitors retain their own profits.

Proceeds from the Woman's Club will go to scholarships, safety programs, and community projects. In the past, the Texico Woman's Club has been responsible for renovating the Community Center Building, sponsoring a safety campaign to get railroad crossing arms placed at railroad tracks on Highway 84 between Texico and Farwell, and other similar programs.

Exhibitors include Mary Bradley and Cynthia Thigpen with afghans, quilts, and jewelry; Vernon Luce and Louise McCutchen with authentic Indian jewelry; Evelyn Hadley,

Linda Harrison, and Jean Smith with baked goods, afghans, and macrame; Jim Pierce and James Harding with turquoise and coin jewelry.

Others include Betty Winegeart who will be displaying liquid embroidery; the Senior Citizens of Texico and Farwell with pottery, leathercrafts, and paintings; the Texico F.H.A. with decorative objects and arts and crafts; Ann Ledbetter, Maurine Caywood, and Debbie Ledbetter with mosaic candles, leather purses, and plaques; and Ruby Draper with arts and crafts.

Nan Hendrix's booth will feature sand candles which are made from sand from White Sands, N.M.; Kathy Morris will have a jewelry display; and Laurene Akers will sell handmade quilts and afghans.

Among the more unusual items will be Mrs. Francis Flaherty's "rock babies," figurines and various items made from rocks. Mrs. Billie Cooper will display items ranging from western bulletin boards with Ace Reid-type drawings to decorated comode lids.

The Texico Woman's Club will take donations of \$1 on Barbie and Ken dolls with an abundant wardrobe for each doll. The drawing for the dolls will be shortly before closing time at the Fair. The dolls and their costumes will be on display all day at the Woman's Club booth. The Woman's Club booth will also include their popular cookbooks which feature hundreds of recipes from area homemakers.

"The Arts and Crafts Fair provides an excellent marketplace for shopping for unusual and exceptional Christmas gifts. Many shoppers from other areas last year commented that the drive was well worth it," said Teresa Curry, chairman of the event.

BARBIE AND KEN - Members of Texico Woman's Club will give away a Barbie Doll and wardrobe and a Ken Doll and wardrobe during their Second Annual Arts, Crafts and Jewelry Fair. The fair is to be Saturday, Dec. 6, at the south gymnasium at Texico Schools. Displaying the dolls are Marie Christian, left, and Ann Ledbetter, officers of the Woman's Club.

Pleasant Hills Pals 4-H Has Officer Installation

Members of the Pleasant Hill Pals 4-H Club met recently for their November meeting during which officers for the forthcoming year were installed.

Mrs. Bertha Kelley conducted the installation with the following officers taking their positions: Pam Southard, president; Tina Gerles, vice-president; Beth Kelley, secretary-treasurer; Franklin and Peggy Webb, reporters; Lori Pierce, Council representative; and Debra Wilks, parliamentarian.

The meeting was called to order by Pam Southard with Tina Gerles leading the pledge to the American flag and Beth Kelley, the 4-H Pledge.

During the business session new members, Jeff Day, Kent Harding and Barbara Holley, were recognized. Plans were then made for the December meeting of the organization and members signed up for their projects.

Leaders attending the meeting were Mrs. Herman Gerles, Pearl Duncan, Bertha and J.D. Kelley, Helen Kelley, Beverly Pierce, Frances Webb and Mrs. Bill Southard. Visi-

tors were Brett Southard, Shanna Kelley, Kim Pierce and Keri Pierce.

Members present for the session included Tina Gerles, Peggy, Franklin and Leona Webb, Doyle Duncan, Jeff Day, Beth Kelley, Debra Wilks, Mary Lou Roberts, Zandy Kelley, Lori Pierce, Pam Southard, Kent Harding and Barbara Holley.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

BETHLEHEM AND CALVARY
"Sweet Name come down from heav'n above,
To win our heart's deep tender love;
As Bethlehem and Calv'ry prove:
My Jesus."

How true this old hymn is! Bethlehem and Calvary do indeed prove that the Lord Jesus Christ came from heaven to win us to Himself.

St. Paul's declaration that "Christ Jesus came into the world to save sinners" (1 Tim. 1:15) takes in both Bethlehem and Calvary. At Bethlehem Christ showed His love for man, not merely by coming to be with us, but by becoming one of us.

Luke, "the beloved physician," wrote the famous "Gospel According to St. Luke" to show how truly man the Lord Jesus Christ was. Apart from sins, our Lord experienced all the emptions, the sorrows, the joys, the pains, the pleasures that we do. The Son of God actually became the Son of Man that the sons of men might become the sons of God.

But His life alone could not save us. His holiness would only expose our sin and condemn us. This is why the Apostle Paul declares that "Christ DIED for our sins" (1 Cor. 15:3), and that "we have redemption through His blood, the forgiveness of sins, according to the riches of His grace" (Eph. 1:7).

Those who believe this and trust Christ as their personal Savior rejoice in the truth of the above poem. Their hearts have been won to the Blessed One who came from heaven to Bethlehem and Calvary because He loved them.

Steerettes, Steers Compete In Tourney

The Farwell Varsity Steerettes and Steers are currently participating in the 1975 Friona Basketball Tournament. Action in the tournament was scheduled to open at 10 a.m. Thursday, Dec. 4. First game for the local basketballers was set for 4 p.m. Thursday in Chieftain gym with the

Steerettes taking on the Gruver girls roundballers. First game action for the Steers was to begin at 5:30 p.m. Thursday when they were to meet the Clovis Junior Varsity in game action. Tournament games have been scheduled for today

(Friday), Dec. 5, and tournament action is to conclude Saturday with play-offs for championship berths. Members of the Farwell squads and their coaches urge all Steer and Steerette fans out to support the teams in tournament competition.

Steerettes Tip Kress, Fall To Vega

The Farwell 8th Grade Steerettes added one win and one loss to their season record as they took a 49-16 win over Kress and were dropped 46-30 by Vega.

In the Kress tilt Farwell led from the end of the first period when they had put a 14-2 lead on the scoreboard. During the second period, the Steerettes expanded their lead to 24-8. They came back in the third period and widened their leading margin to 38-10 as they took the 49-16 win when the final buzzer sounded.

Honored as high individual scorer for the Steerettes was Jana Berry with 14 points. Other Steerettes scoring were Lisa Hughes, Kim Marsh, Gayla Goldsmith, Shawn Waler, Suzanne Howard, Karer Blain and Carole Perkins.

Coach Jim Yakubovsky commented on his starting team, Lisa Hughes, Kim Marsh, Jana Berry, Carole Perkins, Dondra Gerles and Karen Blain, by saying, "The starters played an excellent game allowing only 16 points and scoring 49. With our starters playing so well, our substitutes are getting a lot of playing time."

In the Vega tilt the Steerettes were down 14-7 at the end of the first period but closed to within three points of Vega, 20-17, at the half. During the third period, Vega once again stepped out front

42-23 and maintained its lead to win 46-30.

Recognized as leading scorer for Farwell was Jana Berry with 13. She was followed by Lisa Hughes with 12 and Kim Marsh, five.

The coach stated, "Our forwards did a real fine job against a taller Vega team. I also thought our guards played a good game. A few mental mistakes in the third quarter

hurt us, but our team never did quit trying to come back. Vega had a good ball club and played their best game to beat us. We are now going to prepare ourselves for our next week's game against Bovina, Dec. 8"

Eighth Yearlings Take Two Wins Losses

The Eighth Grade Yearlings of Farwell battled four opponents in recent game action and came up with two wins and two losses.

The first win came when the Yearlings pounded Bovina 30-10. Farwell led throughout the entire four quarters of play with scores of 5-2, 11-6, 15-10 and the winning tally, 30-10.

Tagged leading scorer was James Castleberry with 12. Adding points to the Yearling score were Mark Owen, Blaine Buchenau, Craig Kaltwasser and Mike Lonsdale.

The second win was recorded when the Yearlings dumped Kress 31-22. Farwell led through all four quarters of play with scores by quarters showing leads of 12-9, 19-18, 24-20 and the 31-22 win.

Leading scorers for Farwell were Castleberry and Owen who each hit for 11 points. Also adding to the score were Buchenau and Kaltwasser.

Farwell suffered a two-point loss to Hart as the Longhorns hooked horns with the Yearlings and dropped them 29-27. Farwell trailed 4-1 at the end of the first period but took a one-point lead, 13-12, at the half. They maintained a 19-18 lead at the end of the third period but Hart rallied and took the 29-27 win.

High scorer was Castleberry with 13. Other scorers were Owen, Buchenau and Kaltwasser.

Vega's Longhorns pounded the Yearlings 28-13. Farwell lead 3-2 at the end of the first period but lost the lead and trailed 14-5 at the half. During the third quarter of play Vega surged ahead, 24-11, and held

The Seventh Grade Steerettes and Yearlings of Farwell both suffered losses to Vega when they were defeated by scores of 45-33 and 35-18, respectively.

The Vega girls took a 16-5 first quarter lead over the Steerettes and were ahead 26-13 at the end of the first half. Farwell was not able to close the margin held by Vega and trailed 36-17 at the end of the third period and took the 45-33 loss when the final buzzer sounded.

Taking recognition as leading Steerette scorer was Robin Ennen who hit for a total of 24 individual points. Also scoring were Sharmy Christian and

the lead to win.

Owen was tagged high scorer for Farwell with Yearlings Castleberry, Buchenau, Kaltwasser and Roy Lovelady also adding to the Farwell score.

Coach's comments were not available from Coach Larry McDorman.

Judith Schilling.

Coach Joe Allen stated, "Robin Ennen showed her usual hustle with an improvement in her shooting style and percentage. Sharmy Christian showed improved aggressiveness on the forward end in the fourth quarter. Tori Hardage played well on the guard end."

The Seventh Yearlings fell to Vega 35-18 after trailing 11-5, 25-9 and 35-15 in the first three quarters of action. Leading scorer honors for the Yearlings were taken by

Billy Mayfield who hit for a total of nine. Also adding to the Yearling score were Boyd White, Richard May, Richard Carpenter, Gary White, and Clay Williams.

Leading rebounder was May who pulled down three.

Coach Don Alana remarked, "This last game brings our season record to 1-3. We are learning and doing the best we can do. Some of our seventh grade boys are coming along very well. Mayfield and Carpenter both had a good game against Vega."

Oklahoma Lane Reunion Draws 148 Attendants

by Lois Billingsley

The Oklahoma Lane United Methodist church, which was formerly the Oklahoma Lane school's gymnasium and elementary building, was the scene of the third community reunion of ex-teachers, students, and former and present residents, Friday evening, Nov. 28.

Mrs. Avis Carpenter and Mrs. Lois Billingsley served at the register table with 148 persons registering. Name tags were being examined quite closely by many who wanted to be sure of "so and so's" identity - some having been away for 40 years or longer.

With the traditional ringing of the old school bell and with his witticisms throughout the meeting, president Harold Carpenter called the group together for a short business meeting and program. Mrs. Ginny Blankenship led "The Battle Hymn of the Republic" with Mrs. Julia Symcox at the organ and Harold Carpenter at the piano. Mrs. Lois Billingsley read the minutes of the last reunion which was five years ago.

Four former students or teachers gave short talks reminiscing incidents of the past during their years at Oklahoma Lane school. Those were Mrs. Loucile Foster, the oldest Oklahoma Lane graduate and also a teacher in 1946-47; Billy Joe Foster, whose entire elementary and high school years were at Oklahoma Lane and who is now a Methodist minister; Commie E. Williams who began his teaching career at Oklahoma Lane, having taught here in 1937 through 1939; and Mrs. Dorothy Harris Brown who taught at Oklahoma Lane 1938 to 1943 and still resides in the community.

Mrs. Foster was wishing that everyone present could have seen the first basketball suits when Tammi and Sharmy Christian appeared with the basketball modeling black bloomers and white mid-blouses like the first suits were.

Cecil Rundell presented a harmonica solo, "Swanee River," and Cecil and Mrs. Julia Symcox sang "It Will Be a Glad Reunion Day" with Julia at the piano.

Recognition was given to the former teachers present including Mrs. Lillie Mae (Fogerty) Figer of Dumas who came to teach in 1924; Mrs. Minnie McClendon of Corpus Christi coming in 1928; Mrs. Francis (Paul) Shaw of Canyon who came in 1929 to 1931; Seth Rollins of Sacramento, Calif., who taught 1930 through 1933 - his wife, formerly Wana Levy, was a student at Oklahoma Lane; Clayton Devin of Happy taught 1933 through 1936; Mrs. C.E. Williams, formerly Miss Evelyn Beard, of Raton, N.M., taught 1936 to 1940; and C.E. Williams of Raton taught 1937 to 1940; Mrs. Dorothy (Harris) Brown of Muleshoe from 1938 to 1943; Mrs. Dorothy (Harmon) Donaldson taught in 1942 and still resides at Oklahoma Lane; Miss Rosalee Wilhoit of Albuquerque, N.M., taught 1943-45; Willie Roberts of Farwell taught 1945 through 1947; Mrs. Loucile Foster of Farwell taught 1946 and 1947; and Mrs. Olela (Thompson) Paden of Ennis, Tex. taught in 1947. Mrs. Foster and Mrs. Paden were also former Oklahoma Lane students.

Lester Norton was recognized for being owner and operator of school buses for a number of years, having begun the operation as a teenager and school boy.

Others being honored were former school board members and wives and wives of deceased members; former county precinct commissioners' wives and the present county treasurer; two former students who are now ministers, Rev. B.J. Foster, Methodist pastor at Anton, Tex., and Rev. Ray Wood, Baptist pastor at Apache, Okla. Ray and his mother, Mrs. Sherman (Maude) Wood of Fredrick, Okla. were some of the first settlers in the Oklahoma Lane community in 1916 and they and Ray's wife came from Oklahoma for the reunion.

Avis Carpenter named the deceased who were present at the second reunion in 1970 and a moment of silent prayer was conducted in their memory.

Those honored for having come farthest were Mrs. Helen (Bolton) Johnson from Redmond, Wash., Mr. and Mrs. Seth Rollins of Sacramento, Calif., Mr. and Mrs. Ray (Deloros Nix) Weaver of

Redlands, Calif., Mr. and Mrs. Johnny Ginnings, Atoka, Okla., Mrs. Minnie McClendon of Corpus Christi; Mrs. Virginia Ruth (Sides) Lindsey of San Antonio; Mr. and Mrs. C.E. Williams from Raton, N.M., Mr. and Mrs. Ray Wood of Apache, Okla., Mrs. Maude Wood of Fredrick, Okla., Miss Rosalee Wilhoit and Mr. and Mrs. Troy Kersey came from Albuquerque, N.M.

The present officers were re-elected for another term. They are Harold Carpenter, president; Arlin Hartzog, vice-president; and Lois Billingsley, secretary-treasurer.

Pictures were taken of Seth Rollins, who was instigator of starting softball, and his former players, and also of Clayton Devin and his basketball players. Pictures were also taken of the former teachers and others taken at random throughout the evening.

Refreshments of cookies, doughnuts, tea, coffee, and hot perked punch were served and the remainder of the evening was spent visiting and reminiscing.

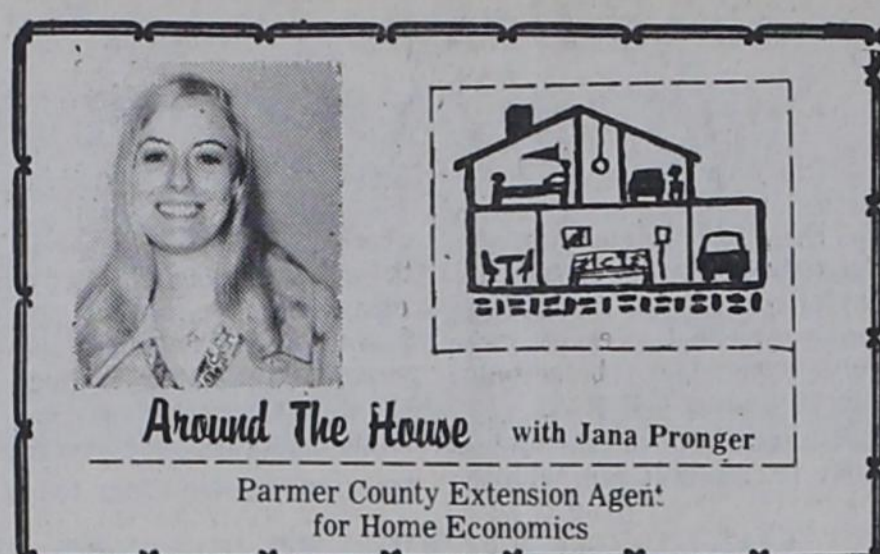

Places represented were Redmond, Wash., Redlands, Calif., Sacramento, Calif., Raton, N.M., Albuquerque, N.M., Clovis and Texico, N.M., Fredrick, Atoka, and Apache, Okla., and Arkadelphia, Ark.

And from Texas attendants represented Dumas, Floydada, Happy, Vernon, Ennis, Dalhart, Amarillo, Canyon, Anton, Lubbock, Bushland, Hereford, Corpus Christi, San Antonio, Slaton, Muleshoe, Friona, Bovina, Lariat, Farwell, and the Oklahoma Lane community, east of Farwell.

Getting ready for holiday baking? Here's some good news from the USDA Marketing Service! The total pecan harvest is up 75 percent from a year ago and prices are running slightly lower.

Nutrition studies show that pecans are an excellent source of calcium, phosphorus, iron protein, quality carbohydrates and vitamins A and B.

How many pounds of pecan in the shell does it take to make a pound of meats?

Here's the rule of thumb: 2 1/2 pounds of good quality native pecans will yield a pound of meats (about 4 cups); 2 pounds of paper shell pecans of good quality will yield a pound of meats.

It is reported that pecans in the shell will keep fresh for about a year when stored at a temperature range from 32 to 38 degrees F. However, if you wish to pick out nuts in your spare time to have for the busy holiday season, then store the shelled nuts in a covered container in the refrigerator. They will keep fresh for about six months. Pecans become rancid unless properly stored.

Shiny, plump cranberries add sparkle to holiday celebrations as ingredients in punch, turkey stuffing, fruit salads and desserts.

Americans have loved cranberries since the first Thanksgiving feast when Indians gave the bright red berries to the Pilgrims.

Cranberries, when harvested during fall and winter, are readily available all year: frozen, canned, in jellies, whole or in juice form with or without added sugar.

Recipes for many festive cranberry desserts are available in the "Christmas Time at Home" (B-254) bulletin, for 35 cents, from my office in the courthouse in Farwell.

CRANBERRY CRUNCH

- 1 c. uncooked rolled oats
- 1/2 c. flour
- 1 c. brown sugar
- 1/2 c. butter or margarine

Cook cranberries in water until skins pop open. Strain and chill. Separate eggs, beat yolks until frothy; add 1/2 cup of sugar and beat until smooth and creamy. Beat whites until they form soft peaks; add remaining sugar and beat until smooth and shiny. Fold yolks into whites; pour in cream and juice. Mix well. Sprinkle with cloves if desired. Serves 8 to 10.

LEMONADE-CRANBERRY PUNCH

- 4 pts. cranberry juice
- 4 6-oz. cans frozen lemonade concentrate
- 1/2 t. salt
- Cinnamon sticks
- 1/2 t. cinnamon
- 1/2 t. allspice
- 4 c. water

Combine ingredients and simmer gently for 15 minutes. Pour into punch bowl and serve in mugs with cinnamon sticks. Yield: 1 gallon

CRANBERRY SALAD

- 1 qt. cranberries
- 1 1/2 c. sugar
- 2 T. granulated gelatin
- 1 c. diced, unpeeled apples
- 1/2 c. orange juice
- 1 c. finely chopped celery
- 1 c. chopped nuts

Grind cranberries, using fine blade; add sugar, mix and let stand for at least 1 hour stirring occasionally. Soften the gelatin in the orange juice for 5 minutes; then stir over hot water until dissolved. Mix gelatin mixture with cranberries, celery, apples and nuts. (Miniature marshmallows also can be added). Place ingredients in individual molds or flat dish, which have been rinsed in cold water. Chill in refrigerator until set. Unmold (or in dish cut in squares) and serve on crisp lettuce leaf, with mayonnaise (if desired).

CRANBERRY EGGNOG

- 4 c. cranberries
- 4 c. water
- 3/4 c. sugar
- 6 eggs
- 1 pt. heavy cream
- Ground cloves

CRANBERRY QUICK BREAD

- 2 c. flour
- 1 t. baking soda
- 1 t. salt
- 3/4 c. sugar
- 1 egg

Parmer County SWCD Sponsors Essay Contest

The Parmer County Soil and Water Conservation District will again sponsor the Annual County-Wide Conservation Essay Contest. This year the essays will be entitled "Conserving Our Land After 200 Years," announced Leon Grissom, chairman of the district board.

The length of the essay will be 300 words or less. The entry must be written in long-hand in ink and the contestants must be 18 years old or younger.

Prizes will be \$50 for first place, \$35 for second place, \$25 for third place, and \$15 for fourth place. In addition the first place winner will be entered in the state-wide contest.

"This contest will in no way affect an entrant's interscholastic league eligibility," Grissom stressed. "This contest is not between schools."

Each school will soon be receiving details on this contest and everyone eligible is encouraged to enter.

"The deadline for entry is January 16, 1976 so start making plans to enter the

- 1 c. halves or coarsely chopped raw cranberries
- 1/2 c. orange juice
- 3 T. white vinegar plus water to make 2 1/2 c.
- 1 t. grated orange rind
- 1/4 c. melted shortening
- 1 c. chopped nuts

Sift together flour, soda, salt and sugar into mixing bowl. Beat eggs; add liquids, orange rind and melted shortening. Add all at once to flour mixture; stir until flour is just dampened. Add cranberries and nuts; stir just enough to blend well. Turn into greased 8 3/4-inch by 4 1/2-inch by 2 1/2-inch loaf pan. Bake at 350 degrees F. for 60 to 70 minutes. Remove from pan; cool several hours or overnight before slicing.

contest now," Grissom concluded.

Two separate organizations of the Texico-Farwell area sponsored give-aways during the Farwell-Lazbuddie basketball games played Tuesday, Dec. 2, at Farwell gym.

Members of Theta Rho Chapter of Epsilon Sigma Alpha Sorority sponsored a drawing for 50 books of trading stamps. Jimmie Flores of Texico held the lucky ticket and became the winner.

According to a spokesman for the organization, approximately 400 tickets were purchased for the give-away.

Also on Tuesday evening, members of the Farwell Jaycees sponsored a give-away for a Weatherby Shotgun. Approximately 904 donations for tickets had been made for the give-away and Beth Black of Farwell was named winner of the prize.

Both the ESA and Jaycee organizations wish to express their appreciation to all persons who made donations to aid their clubs' projects.

"I feel like I'm expected to just get out of the way."

As people get older, they sometimes feel like other people have their lives all worked out for them. It's called being a "senior citizen."

For the older person, it might feel like you're expected to get out of the way. Not make any waves. And feel like you're not as good as you used to be.

But, at your age, you've got more talent, good ideas, and experience than most. And you, more than anyone else, know what's right for you.

Are you sure you just want to sit there?

4-H Gold Star Winners Feted At Banquet

FETED AT DISTRICT BANQUET - Michael Mimms, left, and Cheryl Gohlke, Parmer County 4-H'ers, were among 38 outstanding 4-H'ers presented the highest county award offered in the 4-H Club program during the district banquet held November 24 in Lubbock. The award, the Gold Star, is intended to stimulate winners through higher achievements and to encourage other young people to participate in the county 4-H program.

Book Fair Is Underway

A Book Fair, sponsored by the Farwell High and Junior High schools, is currently underway at the foyer of the school auditorium.

The affair began Thursday, Dec. 4, and is scheduled to continue through Saturday, Dec. 6. Hours have been set at 8 a.m.-6 p.m. CST.

Students and interested persons have been invited to attend the fair to browse or purchase books.

Library workers from the two Farwell school libraries are manning the displays and are taking orders for books to read or give as gifts.

With parents, supporters and special guests looking on Monday night, Nov. 24, 38 outstanding 4-H'ers were presented the highest county award offered in the 4-H Club program, the Gold Star, with Cheryl Gohlke and Michael Mimms of Parmer County among award winners.

Award ceremonies, which included a banquet in their honor, were staged at Lubbock's Coronado High School. Twelve member-owned electric cooperatives serving district 2 hosted the event with the Texas Agricultural Extension Service, which directs the 4-H program in Texas.

A boy and girl from each of the 20 counties in Extension Service District 2 are eligible to receive this highest county award each year. The award is based on outstanding achievement, leadership and contribution to the county 4-H program. Speaker for the special occasion was Charles W. Stenholm, general manager of Stamford Electric Cooperative, Inc., Stamford, and past president of Texas Electric Cooperatives, Inc., Austin.

Master of ceremonies was Mrs. Gail House, Department of Home Economics instructor at Texas Tech University. Mrs. Aubrey W. Russell, District 2 Extension Agent (retired), Lubbock, narrated the presentation of awards, with District Extension Agents Billy C. Gunter (agriculture) and Catherine B. Crawford (home economics) presenting the honors.

Special guests included parents, adult leaders, Extension Service officials, representatives of electric cooperatives

and other supporters of the 4-H program.

The event is sponsored annually by the following 12 electric cooperatives: Bailey, Dickens, Lamb, Deaf Smith and Swisher counties, and Lea County, N.M. Also, Caprock, Lighthouse, Lone Wolf, Lyntegar, Midwest and South Plains electric cooperatives.

To qualify for the special award, a 4-H'er must be at least 13 years of age, have completed at least three years of club work and be currently active in 4-H.

According to the district agents, the Gold Star Award is intended to stimulate winners through higher achievements and to encourage other young people to participate in the county 4-H program.

Gold Star honorees are Cheryl Gohlke and Michael Mimms of Parmer County; Alta Ramm and Jimmy Hen-

derson of Bailey County; Ruby Jo Jarrett and Thomas Perkins of Briscoe County; Cinde Sides and Matt Howell of Castro County; Suzanne Gillespie and Gene Lynsky of Cochran County; Tana Boydston and Scott Brown of Crosby County; Gayle Griffin and Van Gentry of Dawson County; Ann Campbell and Curtis Smalley of Floyd County; Pam Martin and Phil Emfinger of Gaines County;

Also, Sandra Bostick and Joe Neal Clary of Garza County; Denese Rhodes and Chris Cummings of Hale County;

Belynda Singleton and Cole Garner of Hockley County; Dawn Branscum and Jim Fields of Lamb County; Becky Hand and Larry Hand of Lubbock County; Sheree Jerden and Joel Carter of Lynn County; Kim Layne and Johnny Reed of Scurry County; Deana Finck and Gary Gilleland of Swisher County; Charley Frazier and Les Hancock of Terry County; and Mylonne Millsap and Tim Bowers of Yoakum County.

LINDISLAY

Offers These Exclusive Features As Standard On Zimmatic Systems!

<p>Monitoring System: Selector switches and read-out meters quickly pinpoint possible electrical malfunctions, save walking fields to find problems</p>	<p>Pressure Shut Down: Pressure shut down automatically stops Zimmatic during any loss in pipe line pressure. Eliminates backtracking.</p>	<p>Enclosed Drive: Drive mechanism is enclosed in sealed oil bath. Gears are up to 75% heavier with 3 times the strength of some competitive models.</p>	<p>Uni-Knuckle: Patented joint allows stress-free flexing on rough terrain. Unit is completely external—nothing inside pipe to obstruct flow.</p>
<p>Extra Long Wheelbase: A full 14 ft.—one of the longest in the industry. Works with Uni-Knuckle and Lindsay rotating feature to provide exceptional stability on rough terrain and over terraces.</p>	<p>Thermal Plastic Control Boxes: Zimmatic towers feature molded double-wall insulated plastic boxes for freedom from condensation and corrosion.</p>	<p>Wheel Swivel: Designed for quick change from watering to towing position. Removal of one pin allows wheel to swivel.</p>	<p>High Torque Motors: Lindsay's 200 in.-lb. (stalled) motors, specially designed for irrigation, deliver up to 50,000 in.-lb. torque. Large shafts, heavier gears to withstand stress.</p>
