Summer Ball Leagues Attract 215 Boys, Girls

With this issue we are winding up the baseball season for the Twin Cities. It was a successful season for the kiddoes as they all seemed to enjoy the games and the associations with the coaches, managers and others who gave so much of their time in promoting the program.

The season was marred only by the continued vandalism of the restroom facilities at the ballpark. We all hope this is now a thing of the past for our community.

The next big sporting event for Texico and Farwell will be the advent of "good ole football" which is really just around the corner.

The air is already filling with the whispers of fall football. We are now being treated to Canadian League football games on Sunday and to fill-in spots on the NFL-AFL fall game offerings. As an early harbinger of fall we also notice the Texico cheerleaders diligently working out under the spreading leaves of the Court-house elm trees. Time marches on!

With this as a preamble, we will again remind the faithful that the Tribune is planning the usual fall Merchants Madness football contest. For the real professional game guessers we recommend the Bob Lilly Pro Report as a weekly guide to the professional games.

We have already entered our subscription along with several other outstanding football seasons in the area. This report will begin toward the last of this month and continue for 26 weeks thereby covering our contest period in good shape. We are carrying a coupon in the paper which can be filled out and mailed to the Tribune along with a check. This will start the "Report" coming with the first issue and will be well worth it for the upcoming season.

Let's talk about a less pleasant subject -- the gasoline shortage. We are now convinced that this is not a short term condition or one that the politicians can legislate away. We believe that this present state of affairs could be materially helped by our politicians repealing some of their harum-scarum anti-pollution legislation and by taking quick action to unblock the Alaskan pipeline.

We do not look for any such logical action from our national representatives in Washington but only a massive orgy of finger-pointing at any and everything but themselves.

Unwise, hasty and ill-advised legislation, like chickens, comes home to roost and the albatross of legislative stupidity is getting heavier and heavier about the Congressional neck.

Why the shortage? Anyone who has driven a late model car can tell horrendous tales of drastically increased gas consumption. This is a result, in the main, of our too rigid laws curbing Nadar's pollution. Why no new refineries? The ecology zany's have strangled new construction at every turn with hampering lawsuits.

Why no new well exploration? Fatheaded Congressmen at the beck of the "big liberals" closed the so-called depletion loop hole in well drilling several years ago. It was a big victory, then, to hear NBC-CBS et al hollar. But where in the name is our gas today?

Well enough of this chit chat, our big media boys will have us believing that the "capitalistic barons" are again at fault. Those same businessmen who have given us the world's greatest standard of living will be pilloried as knaves.

We will continue to suffer from any number of shortages as long as we continue to suffer from a lack of common sense in Foggy Bottom.

Another industry that has felt the paralyzing hand of ecology is the paper business. Many old paper mills have been closed down because the cost of installing anti-pollution measures has been prohibitive for them. New mills have not

Texico-Farwell Little League divisions and Girls' Softball divisions involved approximately 215 boys and girls and many adults and sponsors. Jim Walker, president of the Little League organization, and Mrs. Delbert Black, head of the Girls Softball program, coordinated efforts for another successful ball season.

The 1973 season, which ended on July 4, has generally been termed a good one with wide participation among the youth of the Twin Cities area. About 138 boys and 75 girls participated in the program.

Sponsors this year were Citizens Bank, Gifford-Hill, Piggly Wiggly, Interstate Fertilizer and Sherley-Anderson-Pitman, Little League Minor division.

And, Kelly Green, Worley Grain, Tide Products and Aldridge Insurance, Little League Major division.

Girls Softball division sponsors were Capitol Food, Golden West and Clara's Spur Restaurant, Senior Division.

Also, Prather's 66, Rose Drug, Farwell Builders and KZOL, Junior division. Seventy-eight boys participated in the Pee Wee or Minor division. Umpires for the minors were Mike Deel, Pete Rundell and Bill Eubanks. Their joint effort behind the plate witnessed these final standings.

Gifford-Hill captured first

place with a perfect record of 10 wins and no losses in the Minor division. Citizens Bank nailed down second place with a seven and three record. A tie for third place resulted between Sherley-Anderson-Pitman and Interstate Fertilizer teams, each having a record of three wins and seven losses. Piggly Wiggly anchored the standings with a record of two wins and eight losses.

The Major division, attracting 60 boys this year, had a highly competitive season, according to Walker. Participation, he said, was real good among eligible boys. However, he felt attendance by the populace was not as good as in past years. He cited and praised the mothers' roles in the success of the season. According to Walker, "If it wasn't for the mommas, the kids wouldn't make it to ball practice."

Tide defeated Aldridge 12-7 in July 4th competition and ended the season with a perfect record of 18 wins and no losses to win the Major division. Kelly Green captured second place posting an 11 win, 7 loss record. Worley Grain hung on to third place by defeating Kelly Green on July 4th by a score of 10-9. The win brought Worley's record to the .500 mark with a win/loss record of 9 each. Aldridge finished with a 0 and 18 record. Walker was quick to point

out that this team provided competition at a high level though their record is on the negative side. He also noted that other teams knew they had been in a real ball game when the final inning was over. Men devoting their time to umpiring duties in the Majors and headed by Willie Dannheim were Vernon Scott, Jim Berry, Charles Aycock and Bill Hagler. Walker gave special recognition and thanks to Dannheim for having each game officiated at its scheduled time.

Approximately 70-75 girls were divided into Junior and Senior divisions with four and three teams respectively.

Final standings in Junior girls found Rose Drug, which has not lost a game, in first place. KZOL finished second, Farwell Builders came in third and Prather's 66 was in fourth place. These standings are not official but are correct as far as the newspaper has been able to determine. Final games were to be played last week but had to be called due to a lack of players.

In the Senior division, Clara's and Capitol Food tied for first place. Golden West did not win any games and was in last place. The final games in this division, likewise, were not played last week due to a lack of players.

Mrs. Black expressed hope that the girls league can re-

organize next year so that the girls will not lose interest in the sport.

Both Walker and Mrs. Black expressed appreciation to all

the sponsors, coaches, managers, umpires and the many others who faithfully gave so much of their time and effort to the program.

Texico Youths Tagged All-Around Cowhands

Vicki Snodgrass and Terry Leatherwood, both of Texico, were honored over the weekend as All-Around Cowgirl and Cowboy at New Mexico 4-H Rodeo in Clovis at the Mounted Patrol Arena.

Miss Snodgrass, daughter of Mr. and Mrs. Roy Snodgrass, was named Best All-Around Girl in the Junior girls division. She received a saddle for her achievements.

Leatherwood, son of Mr. and Mrs. Donald Leatherwood, was named Best All-Around Senior Boy. He also received a saddle.

Miss Snodgrass won the first go, second go and average in the barrels. She placed third in the first go, third in the second go and second in the average in pole bending. In goat tying, she won the first go, placed fourth in the second go and was third in the average.

Leatherwood won the first go, placed second in the second go and won the average in tie-down roping. He tied for third in the first go, tied for first in the second go and tied for first in the average in barebacks. In bull riding, he

won third in the first go and third in the average.

Other Texico youths placing in the rodeo competition were Limey Riley, a nephew of the Leatherwoods, who tied for third in the first go, tied for first in the second go and tied for first in the average of bareback bronc riding. He won both gos and the average in bull riding. He was in the Senior boys division.

Diane Riley placed second in the first go, fourth in the second go and third in the average in pole bending. Diane Luce won the first go of goat tying. She placed third in the first go, third in the second go and third in the average in barrels. Both girls competed in the Senior girls division.

Levi Dorris, a competitor in the Junior boys division, placed second in the second go and second in the average in ribbon roping. He placed second in the second go and fourth in the average in break-away roping.

Cheralee Tharp, a Junior girls division entry, placed second in the first go of pole bending. She placed fourth in the first go, second in the

second go and second in the average in goat tying.

Susan Snodgrass, another Junior girls division competitor, placed third in the first go, third in the second go and fourth in the average in goat tying.

Mike Leatherwood, Mike

Snodgrass, Danny Riley, Freda Leavell and Monty Leavell also competed in the 4-H Rodeo.

Diane Riley was named first runner-up and Elizabeth Pierce was second runner-up in the Curry County 4-H Queen Contest staged in conjunction with the rodeo.

Monday - -

Club Workday, Cookout On Tap

Farwell Community Arena Association is sponsoring a hamburger cookout Monday, July 16. Everyone is invited to attend the cookout which begins at 7 p.m. However, those attending must bring their own hamburger. Everything else will be provided courtesy of the Arena Association.

In conjunction with and prior to the dinner, the Association will have its annual workday at which time the arena will receive repairs for the upcoming AJRA Rodeo.

The club will have its annual husband and wife ribbon roping in which husband-wife teams compete against each other. This event usually supplies lots of laughs, according to President Darrell Norton. He urges the community to come out and support the events. He promises an entertaining evening of activity.

Rodeo Starts July 26 - -

Community Prepares For 1973 Border Town Days

The seventh annual Border Town Days celebration is scheduled for July 26, 27 and 28. By all indications, the event is shaping up to be an exciting and fun-filled affair for everyone. Many activities are planned in conjunction with the American Junior Rodeo Association-sanctioned rodeo which begins Thursday night, July 26, and is sponsored by Farwell Community Arena Association.

Stock for this year's AJRA-sanctioned rodeo will be furnished by contractor Ray Davis of Lubbock. American Junior Rodeo Association members will participate in approximately 15 events. These include tie-down roping, pole bending, bareback bronc riding, bull riding and break-away roping and others.

Contestants will be divided into three divisions. These are age 12 and under, ages 13-15 and ages 16-19. The rodeo is expected to attract approximately 200 young competitors. Cowboys and cowgirls who best the livestock and fellow competitors in various events and divisions will be awarded belt buckles. Rodeo performances will be at 8 p.m. Thursday, Friday and Saturday, July 26-28, in the Farwell Roping Arena, east of Farwell.

Rules for the annual Border Town Days Queen Contest have also been established. According to Mrs. Darrell Norton, contest chairman, it is

open to girls in the 14-17-year-old category who attend either Texico or Farwell high schools. If a girl is 18 and a senior in high school, she will be eligible to compete. The candidate must be able to ride since half

her total score will be determined by her ability to handle a horse.

The queen contestants will ride in Saturday afternoon's parade and be presented in the Grand Entry of each rodeo

performance. The public is urged to attend riding competition for queen contestants at 9 a.m. Saturday, July 28, at the Roping Arena.

Annual Penny Anderson Golf Tournament Slated

The third annual Penny Anderson-Partnership Golf Tournament is slated for July 21-22 at Farwell Country Club, which boasts "fantastic bluegrass fairways and beautiful bent grass greens."

Teams will be flighted by handicaps of partners with the lowest handicaps. Any team may declare for the champion-

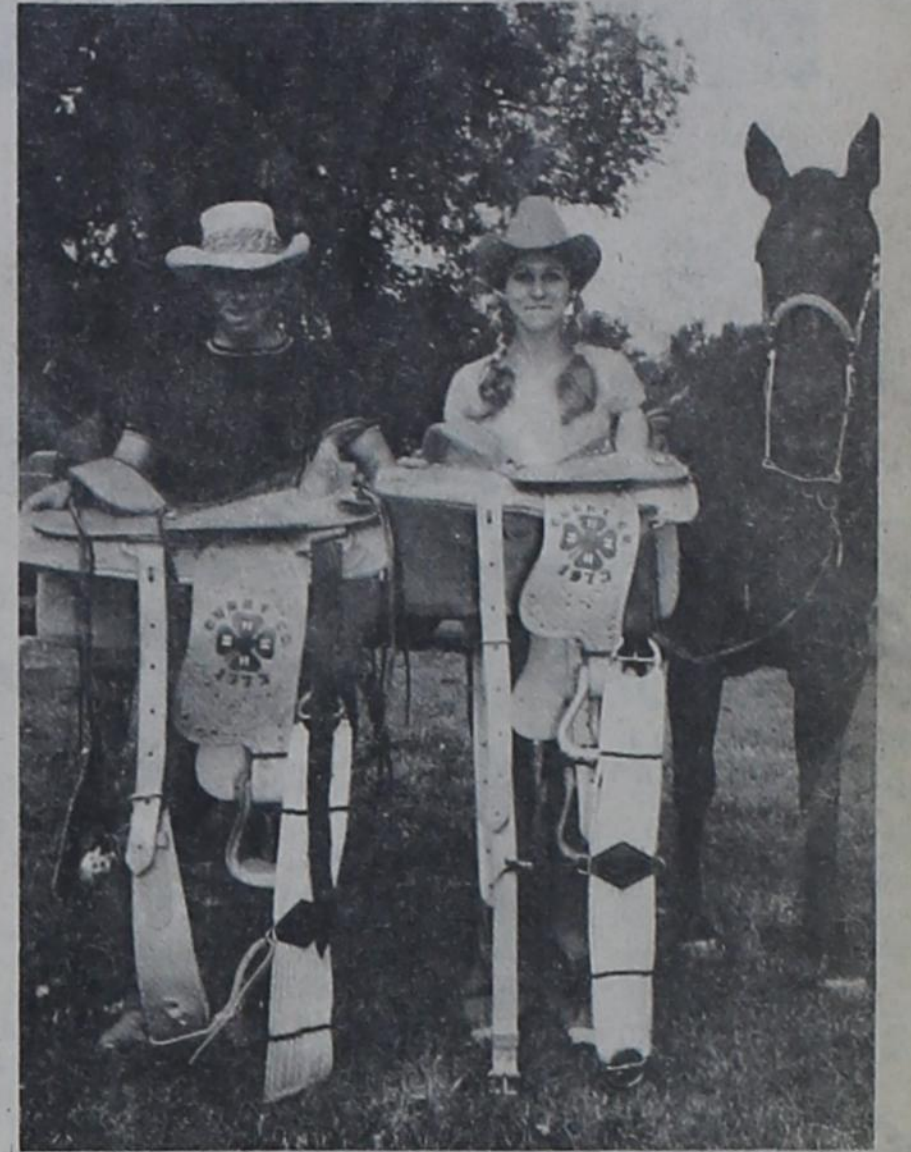

ship flight. Entry fee is set for \$35 per team with all entry fees to be returned in gift certificates.

Shotgun starts are at 10 a.m. and 3 p.m. each day. Defending champions are Brooks Jennings and Al Lorkovic, Sr., of Clovis. Players from the area are invited and the first

50 teams to enter will be accepted to participate in the tournament.

All players and their spouses are invited to attend a pool party and hamburger cookout on Saturday night, July 21.

For additional information concerning the tourney, contact Martin Reeves, host professional, at 806/481-9110.

NAMED BEST ALL-AROUND - Terry Leatherwood and Vicki Snodgrass, both of Texico, were named Best All-Around Cowboy and Cowgirl over the weekend at New Mexico 4-H Statewide Rodeo in Clovis. Miss Snodgrass, daughter of Mr. and Mrs. Roy Snodgrass, won the title in the Junior girls division. Leatherwood, son of Mr. and Mrs. Donald Leatherwood, won his title in the Senior boys division. They both received saddles for their achievements.

1973 LITTLE LEAGUE ALL-STARS - Selection of Little League All-Stars was announced between the final two games of the season which were played on the Fourth of July as part of the community celebration. Members of this year's All-Star team are, left to right, front row: Rowdy Chandler, Stan Goldsmith and Keith Herington; second row: Ronnie Pace, Steve Doolittle, David Deel and Craig Kaltwasser; third row: Steve Scott, Neil Haile, Mark Owen and Brent Black. Not pictured are Lorenzo Ortiz, D. D. Foster, James Castleberry and Leslie Eubanks. The team will be coached by Richard Deel, pictured in the back. They will compete in Friona on July 20 in the District tournament.

PLANNING AJRA RODEO - 1973 Farwell Community Arena Association officers pictured discussing the upcoming AJRA Rodeo are, left to right, sitting: Darrell Norton, president; Joe Blair, arena director; Mitz Walling, vice-president; W. O. Chadwick, director; and Frank Doshier, Jr., treasurer; standing: Bob Chadwick, secretary; and Don Leatherwood, director. Arena Association officers and attending members met Monday evening and made plans for the seventh annual American Junior Rodeo Association rodeo set for July 26, 27 and 28 at Farwell Arena.

SUMMERTIME MEANS SPECIAL BEAUTY CARE:

Summer is here and with it comes the good times we've been longing for all winter. As the temperature rises, thoughts turn to sun and sand, sea and warm weather.

There's so much to do in the summer -- and more desire to do it. Biking, hiking, swimming, tennis, picnics and parties fill our days and evenings. Somehow, though, without the winter wind whistling past, we often forget that proper beauty care is just as important in the summer as in the cold winter months.

Of course you'd rather be outside playing golf or at the beach than at home caring for your skin, hair and nails. But to keep looking great all summer, beauty care is important. Some time-saving tips will help you look great and still not miss out on a single good time.

Most important in the summer is your skin. That suntan may look great now, but you may regret it later. Sun can really damage your skin, breaking it down and causing wrinkles and blotches as you get older. Today's deep suntan isn't worth a pruneface tomorrow!

Especially if you're fair, use a suntan lotion with screening agents. Your skin will be protected from the sun's most harmful rays. You may tan a little slower, but the payoff will be worth it.

To keep "Beauty fuss time" at a minimum, keep your nails short for summer. Since they are subject to more abuse than in winter, your nails will chip, break and peel less if they are short and "out of the way."

As for hair, your best bet is to keep your hair covered while in the sun just as much as possible. Sun dries hair just as it does skin; if you ignore your hair, it will take you all winter to get it back in shape. Use mild shampoos and lots of conditioner. Find a simple hairstyle that doesn't require setting every night. A hairstyle that can be brushed into place, or pulled back with a scarf or ribbon, is ideal for summer.

That's all you need for a great summer look. Moisturizers and a gentle cleanser will give your skin a fresh glow while you're getting that gorgeous tan. Big floppy hats or colorful scarves for your hair, and basic care for nails will help you look great without fuss all summer long.

IN BATTLE OF THE SEXES: Now There's Musk Oil Scent For Men, Too.

First there was the Sensuous Woman. Now comes the Sensuous Man. And they both owe it all to the provocative scent of musk oil, says a leading perfume company.

"Today, musk oil rates as a distinct kind of scent -- the sensuous kind -- and even women's lib won't keep men from sharing in the good life," reads the advertisement.

The manufacturer of musk and other animal oil perfumes emphasizes that the scent is derived from chemical synthesis, and not from those elusive little musk deer that roam the high Himalayas.

According to the company, a good share of the female population has decided, presumably on the basis of happy experience, that musk oil is indeed the erogenous scent it's been rated since the time of Cleopatra. Now, the world may have a chance to learn what would have happened if Anthony had been armed with musk oil, too.

Women have learned that it takes only a drop of musk oil (following instructions), dabbed at any pulse point, to arouse the animal instincts in the nearest -- and dearest -- member of the opposite sex.

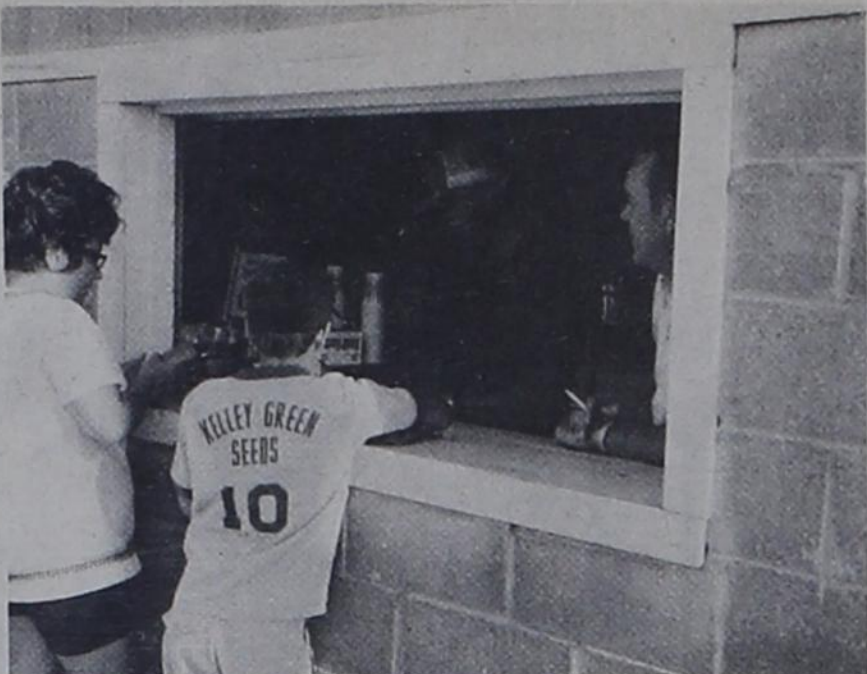

For men, musk oil is to be "splashed generously, refreshingly -- on face, neck, chest." And those men who don't shave can have musky-scented beards! Ugh.

been built because populated areas have turned down efforts of the industry to build close to labor and power. With all levels of government living on "an original and four copies" of everything, the demand for paper has outstripped our production.

If this trend continues, we will face the 21st century as our forefathers faced the 19th century, with fortitude and the corn cob.

The barking toad of Brazil has horns on its eyelids. It barks like a dog and has a bite that can kill a horse!

PAUSE FOR REFRESHMENTS -- A popular stop at the community Fourth of July celebration at Texico-Farwell Lions Club ballpark was the Texico Chamber of Commerce concession stand. Chamber member Jim Rogers, in the shadows inside the stand, is busy serving two young customers while C of C President Bill Christian looks on. On the menu was soda water, chewing gum, popcorn and candy.

WHERE'S THE BALL? -- Little League action topped the list of holiday specials in the Twin Cities on the Fourth of July. The ball, by the way, was headed for center field for a single. Two games were played as a finale to the regular season. Little League All-Stars were announced during the evening. Despite blowing sand and rain, a thunderstorm and lightning, the games were completed.

FOOD APLENTY -- Twin City residents are pictured in the serving line for delicious barbecue. The barbecue meal was part of the communities' celebration in observance of Independence Day and was provided by Texico Woman's Club, Texico Chamber of Commerce, Texico Volunteer Fire Department and the City of Texico sponsored the evening's events which were climaxed by a colorful fireworks display.

Leavell, will set the riding pattern for contestants and will lead the Grand Entry each night. She will crown the new queen at Saturday night's performance. Diane Luce, 1972 Border Town Days Queen, will help with the contest. Judges have not been selected as yet and will be announced at a later date.

Queen contestants will practice the riding pattern Monday, Tuesday and Wednesday nights prior to the contest. After the riding competition they will be treated to a Coke party at Clara's Spur Restaurant. At this time, they will have private interviews with the judges. Deadline for entering the Queen Contest will be Sunday, July 22.

Plans for the parade are not complete at this time. However, it has been determined that cash prizes will be awarded by Farwell Chamber of Commerce to the first three places in float competition. Trophies, also provided by Farwell Chamber, will be awarded to riding clubs which will be rated by judges furnished by members of the Arena Association. The parade route will start at Citizens Bank in Texico and proceed down the Lubbock highway to the Arena. As of press time, a parade marshal had not been chosen.

Activities for the public, in conjunction with the rodeo and queen contest, will include a barbecue after the parade on Saturday at Farwell City Park sponsored by the Chamber. Caterer for the \$3.00-a-plate affair will be Floyd Tranthean of Clovis.

Old-timers will have a get-together again this year which will be staged in the park on Saturday afternoon.

Other plans are in the making and a meeting is slated by the Chamber July 17 to finalize plans. All Chamber members and anyone interested in Border Town Days are urged to attend the meeting at Clara's starting at noon Tuesday.

Nutrition Notes

Sometimes on a hot day we are tempted to succumb to a "light" meal, such as a fruit salad and cold drink. So we need some protein to build and repair our body tissues. An accompaniment of cold meat sandwiches or crackers and cheese would help fill this need, or you could introduce a hearty Indian Pudding, made with milk and eggs. Peanut butter snacks would also help.

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN -- The phrase, "Sign your name on the dotted line," can sound quite inviting after you've waited for credit approval on a loan or time purchase.

That may be the flattering sign that you're a "good credit risk". But it is not wise to rush into any contract.

If you read any installment contract carefully, you should find a statement in bold type, cautioning: "Notice to Buyer -- Do not sign this agreement before you read it, or if it contains blank spaces." The statement also puts you on notice that you are entitled to a copy of the agreement.

In order to meet state and federal requirements on credit agreements, the contract must tell you the difference between cash price and credit price, less down payment and/or trade-in; list any additional charges, such as credit insurance premiums, and spell out the total number of payments to be made by you, as well as the amount of each monthly or weekly payment due.

If you already have insurance which would cover your note amount or the secured property if anything happened to you, or if you have an insurance agent with whom you would prefer to deal, let the creditor know. He cannot require you to buy the policy he may offer.

Be certain the agreement

contains the name, as well as the address, of the lender or creditor; the correct date on which you made the note, and the date for final payment. And, if the creditor is taking alien or other security on your property, make sure that that detail is included in the contract.

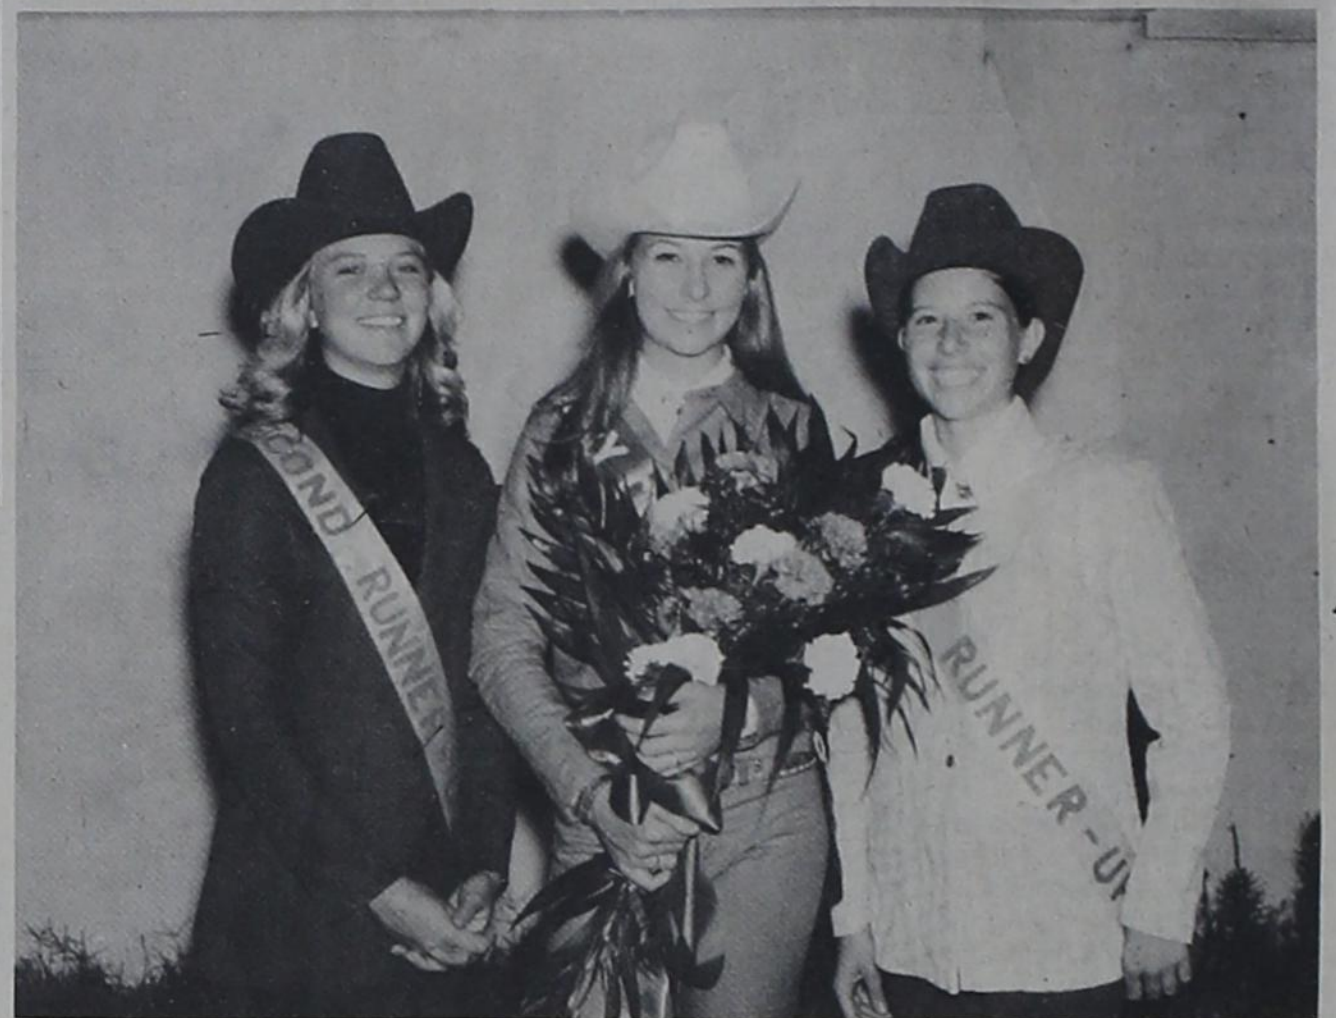

If you are negotiating a home improvement, ask to see the "certificate of satisfaction" which the seller must furnish you. But heed the warning that you should not sign the certificate of satisfaction until the work has been completed, and until you know that you are satisfied with it.

That may seem like a lot of detail. But it is not complicated.

Just remember to read carefully every section leading to a space for your signature. And be certain you understand it to your own satisfaction.

Most merchants or lending institution officials will be more than happy to answer any questions. In fact, some are exceedingly scrupulous about not allowing you to sign until they believe there is no room for misunderstanding.

Take advantage of the occasion to review the obligation you're accepting. Now that it is all there in black and white, do you honestly believe that the amount and the frequency of payments will not work too much of a hardship on the

CURRY COUNTY 4-H QUEEN Ginger Trimble of Rt. 1, Clovis, center, and her attendants, Diane Riley, right, first runner-up, and Elizabeth Pierce, second runner-up, both of Texico, were chosen Thursday night, July 5, at the Curry County 4-H Queen Contest, in conjunction with New Mexico Statewide 4-H Rodeo in Clovis. Miss Trimble, daughter of Mr. and Mrs. George Trimble, will compete in Tucuman the last of July for New Mexico 4-H Queen. Miss Riley is the niece of Mr. and Mrs. Donald Leatherwood. Miss Pierce is the daughter of Mr. and Mrs. James Pierce.

A GROUP OF MUGGERS - Not in the Twin Cities, you say. Well, these boys just happen to be camera muggers. They were part of the team members from Major and Minor divisions of Texico-Farwell Little League who enjoyed a Hot Dog Feed sponsored by Texico-Farwell Rotary Club Saturday evening. The boys attending ate until their tummies were full of hot dogs, potato chips, punch and ice cream. Notice the boy on the right in the foreground. He almost swallowed that hot dog whole!

Fires Require Joint Department Effort

Texico Fire Department was called out between 10 and 10:30 p.m. Wednesday, July 4, to extinguish a haystack fire. The call, according to Billy Hammit, assistant captain, was to the John Hadley place, five miles south and three miles west of Texico. Farwell Fire Department assisted in controlling the blaze.

The fire, located in two haystacks, occurred about the time Texico Fire Department was returning from the annual fireworks display. Hammit said the action taken by the department was of a "controlled burning" type as the nature of the fire did not require "fighting" techniques to extinguish. Final checks were made on the haystack before equipment was secured at 3 a.m., July 5.

Hadley reported the two stacks were last fall's hay. They were apparently struck by lightning and loss is estimated at \$4,000 to \$5,000. He also said lightning had previously damaged two pressure pumps, an electric pump and other farm equipment.

The Hadleys prepared breakfast for the firefighters on conclusion of activities. Hammit said this kind gesture was very much appreciated by attending firemen.

truck was being filled with gasoline. The gas storage tank fortunately did not explode. There were no injuries to any of the Scott family, who were all in the yard at the time.

Damage was estimated at \$3,000 to \$3,500. The tractor was not insured and the pickup was only partially covered, according to Mrs. Scott. An ambulance accompanied one of the responding firetrucks, but, fortunately, its services were not required.

Mrs. Scott expressed her appreciation to the Texico Fire Department and Farwell Fire Chief Lee Hutchins who, she said, answered the calls immediately and restricted the fire from spreading to other farm structures.

His projects include a steer for beef production and barrows for pork production. Before qualifying for this degree, Jones had to make \$500 from his projects. A detailed description of his projects are included in his record books.

In leadership, Jones has attended stock shows in Farwell, Parmer County, Odessa, El Paso and Amarillo. Besides serving as reporter for his Chapter, he has been a voting delegate at District and Area I FFA meetings.

Also listed in the record books are Jones' other school activities and church work. A degree recipient is judged on his leadership activities outside of FFA, as well as within his Chapter.

New Track Topic Of Texico School Board

Texico School Board met Tuesday night, July 10, at Texico High School. Supt. A.D. McDonald reported discussion of a new track was the main course of business.

The track which must be constructed from budgeted funds was put up for bids. However, no bids were received and action on construction of this facility has been delayed until after football season. At that time, McDonald said, they have hopes of firming plans on its construction.

Members also discussed two positions to be filled in the high school staff. Confirmation was not made and the two positions are still officially open. These are in the math department and a bilingual position in English and Spanish.

School board members present were Paul Skaggs, president; Buddy Pearce, vice-

president; Roy Richardson, secretary; D. Smith Day, member; and McDonald. Board member David Turner was not present.

In Texico - - Pentecostal Church Gets New Preacher

Rev. E. R. Lanham arrived recently to pastor United Pentecostal Church in Texico, replacing Rev. Floyd Leverton. Rev. Leverton and his family moved to Abilene.

Lanham and his wife, Veneata, moved into the parsonage the last of May. They have four grown children, James, Johnny, Barbara and Gail. Both girls are married and all four are out on their own. They have five grandchildren.

Rev. Lanham has been preaching for the past 14 years. He began his work in Abilene and has since moved extensively throughout the Southwest. Towns he has served in are Amarillo, Plainview and Grants, N.M. The Lanhams have been all over the Southwest. He reports, "There is no definite length of time a preacher stays in one place. We go where we are needed the most." The first church where he took full responsibility was in Colorado City, Tex.; they spent five years.

The Lanhams have no special interests other than their church work though Rev. Lanham has done much mechanical work in the past.

Mrs. Lanham is originally from Council Grove, Kan. She moved to Texas in 1944 at which time they married. Though they have been many places, Veneata "really likes this area."

Rev. Lanham served in World War II by spending five years in the Army Air Corps. He was stationed in Kansas, spent some time in Nebraska where he met Veneata and went to Okinawa where he worked on B-29s. At this time he re-enlisted for four more years only to be released from active duty the following year.

The State Line Tribune
Farwell, Texas 79325

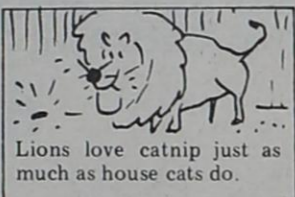

Dear Mr. Getz,
I wish to inform you of our change of address. Our new address is 309 Terrace Drive, Pauls Valley, Oklahoma 73075. John has started his law practice here and we have made Pauls Valley our home. Hope your family is fine. Tell Mike, Judy and their family "Hello" when you write them. Thanks you for having such a fine paper. We really enjoy it.

Cordially,
Judy Sprowls

Mrs. Roth's Brother Dies

Funeral services were Sunday, July 1, at Odessa and Follett for Arno Haines, 65, of Odessa. He was a brother of Mrs. Tina Roth, formerly of Texico, who now resides in Plainview.

Mr. Haines was buried in the Follett cemetery. Survivors include four children, five sisters, one brother, six grandchildren and one great-grandchild.

Lions love catnip just as much as house cats do.

Fogersons Move

Mr. and Mrs. Dewey Fogerson were to move to Dora, N.M., Thursday and Fogerson will preach his first sermon at Dora Church of Christ Sunday, July 15.

Fogerson has ministered to Farwell Church of Christ for the past five years, coming here from Menard, Tex. He and his wife have three children, Paul, Jennifer and Andrew.

Fogerson said his family has enjoyed the time they spent in Farwell. He expressed his appreciation to the community for its friendliness and fellowship.

"That new salesman of yours seems to be a very important man in your office," observed a caller to the manager. "That's right," agreed the manager. "Ah, then he is important?" asked the caller. "No, no," said the manager. "You were right the first time - he just seems important."

Recipe Shower Fetes Debbie Tharp

Debbie Tharp of Texico, bride-elect of Monty Lambert of Panhandle, Tex., was honored with a recipe shower in the home of Mrs. Milton Autrey of Texico Tuesday evening, July 3. Hostesses for the affair were Connie Autrey, Diane Kelley, Marilyn Walters and Kathy Lockhart, friends of the honoree. The serving table was covered with a floral cloth and accented by a bouquet of white and yellow daisies. Each guest brought their favorite recipe and an ingredient. Those attending were Cheri Tharp, Kim and Jo Pearce, Freda Leavell, Elizabeth Pearce, Othena Smith, Elaine Kelley, Linda Autrey and Betsy Autrey. The guests enjoyed refreshments consisting of chips, onion dip, cookies, lemonade and pop.

Don Crosses Are Parents Of Girl

Mr. and Mrs. Don Cross of Texico are parents of a girl, Krystal Kaye, born at 12:55 a.m. Saturday, July 7, in Parmer County Community Hospital. Krystal Kaye weighed 7 lbs., 1 oz. and was 19 in. long. She has one brother, Stanley, five years old. Maternal grandmother is Mrs. Dixie Stewart of Texico. Beale Stewart, her uncle, also lives in Texico. Paternal grandmother is Mrs. Clara Kitchens of Danville, Ark.

Davis Stationed In Wash.

Navyman ABH-3 Gary Davis arrived June 12 in Alameda, Calif., after a tour with the USS Enterprise. Davis will be stationed in Bremerton, Wash., after July 25 with the Enterprise. He expects to remain there several months. Davis is married to the former Vickie Blain, daughter of Mrs. Billie Blain of Farwell. She has been living in Alameda.

Visit Son

Mrs. Beulah Hobbs and her daughter and son-in-law, Mr. and Mrs. Greg Carey of Lubbock, visited last weekend with their son and brother, James, at Camp Blue Haven, located in the mountains northwest of Las Vegas, N.M. Hobbs is employed as a camp counselor. He will be a junior accounting major at Lubbock Christian College this fall. He will also be student director of LCC A Cappella Chorus, a position he was elected to last year.

Attend Funeral

Mr. and Mrs. Bill Whitesides and Elva of Farwell attended funeral services Tuesday for Mrs. Whitesides' great-aunt, Mrs. Maggie Nafvagar, 93, of Olton. Mrs. Nafvagar had been an Olton resident since 1913. Funeral services were in Plainview with burial in Olton. On the return trip, Mrs. Whitesides' brother and niece, Raymond Block and Sharon of Tucumcari, and her sister, Mrs. Rex Sparks of Ima, N.M., visited in Texico-Farwell with the Whitesides family and the Fred Fraziers.

Women Have Bowling Teams

Two women's bowling teams, a young women's team from Clovis and a grandmothers' team from Friona, are being sponsored by Security State Bank of Farwell. The grandmothers' team recently competed in the Ladies International Bowling Congress in Las Vegas, Nev. Lillian Clark is the team chairman. The team also bowls in Clovis. They wear gold shirts lettered in brown with "Security State Bank". The bank recently became sponsor for the young women's team from Clovis. The team bowls in the Early Bird Coffee League in Clovis where they are ranked in 11th place, having won seven games and lost 13. There are 14 teams in the league. Team members are Boots Wilson, captain; Betty Riegel, Janette Freeman and Virginia Sellars. They started league play June 6 and will finish the last of August.

Nutrition Notes

When the thermometer soars, the idea of a hot dinner sometimes is impossible to face, both in the eating and especially in the preparation. But this should not "turn us off" from serving meats and other protein items. Cheese and egg dishes are high in protein so why not combine these two foods and serve a cheese soufflé? Meats can be served as attractively cold as hot. For instance, chilled sliced ham, thinly sliced meat loaf, or chicken salad are good replacements for baked ham, the usual meat loaf, or roast chicken.

Melody Roberts Honored With Salad Supper

Melody Roberts, bride-elect of Gene Sheets, was honored Monday, July 2, with a salad supper hosted by Mrs. Allie Burriss in her home in Texico. Each guest brought a salad and a recipe. The table was lined with salads which were served buffet-style. The meal was topped off with strawberry shortcake. Guests attending the supper were Mrs. Bill Roberts, the honoree's mother; Mrs. Harry Sheets, the prospective groom's mother; Mrs. Virginia Sheets, grandmother of the prospective groom; Sherri and Beverly Roberts, sisters of the honoree; Mrs. Ethel Howard and the hostess. Melody and Gene, both of Farwell, plan an August wedding.

4-H'ers In Dress Revue

Parmer County 4-H'ers will participate today (Friday) in the County Dress Revue at Hamlin Memorial United Methodist Church. The girls will be judged beginning at 2:30 this afternoon and will participate in a public revue at 7:30 this evening. Winners in the County Revue will compete in District 4-H Dress Revue July 26 in Amarillo at the Holiday Inn West.

Birchfields Attend Reunion

Mr. and Mrs. Curtis Birchfield of Farwell were in Lubbock over the weekend to attend the third annual reunion of the family of Mr. and Mrs. F. E. Lindsey of Idalou. Mrs. Birchfield is the daughter of the Lindseys. Saturday evening about 70 persons gathered in the backyard of Nancy Davis of Idalou, Mrs. Birchfield's sister, for a charcoal hamburger supper. On Sunday all gathered in the Idalou club house for a noon meal and an afternoon spent in taking pictures, playing "42" and more visiting. All of Mr. and Mrs. Lindsey's seven children were in attendance along with 25 of their 29 grandchildren and 18 of their 21 great-grandchildren. Also attending were Mrs. Mae Lindsey of Campbell, Tex., sister of Mrs. Lindsey, and Mr. and Mrs. Joe Skaggs of Brownfield, brother of Mrs. Lindsey, and several nieces and nephews. The group decided to have the reunion next year at the same time and place.

Hargrove Kids Keeping Busy

Charles Hargrove, Jr., bicycled to Seminole, Tex., Friday and Saturday, July 6 and 7. The 135-mile trip took him approximately 12 hours to complete. He expects to return home this week after visiting his grandmother, Mrs. Dorothy Hargrove, a few days. Steve Hargrove attended the Gerald Myers Basketball Camp on the Lubbock Christian College campus recently. His team, the Bears, won the camp championship under the direction of Hargrove, who was the leading scorer. David Hargrove is home after spending several days in Lubbock Methodist Hospital undergoing tests for a back injury. The boys are the sons of Mr. and Mrs. Charles Hargrove of Farwell.

Wedding Reminder

Debbie Tharp and Monty Lambert will be married on Saturday, July 14, at 8:30 p.m. in Farwell Church of Christ.

Miss Tharp is the daughter of Mr. and Mrs. Lonnie Tharp of Texico. Lambert is the son of Mr. and Mrs. V. L. Lambert of the Pleasant Hill community. All friends and relatives are invited to attend the wedding and reception.

Nephew Here

Mr. and Mrs. Lee Moss of Perryton visited over the weekend with his aunt, Mrs. D. O. Rolland of Farwell, and his uncle, Bill Moss of Farwell, who is a patient in Clovis Memorial Hospital.

Jim Wimans Feted At Surprise Church Social

Mr. and Mrs. Jim Wiman of Farwell were honored Sunday evening, July 8, with a surprise church social at Farwell First Baptist Church. The ice cream and cake fellowship was sponsored by the Wimans' sharing group and attended by the congregation of Farwell First Baptist. The surprise affair followed the regular evening worship service at the church. The Wimans are leaving this week for Spokane, Wash., where Wiman has been given an assignment by Gifford-Hill. They came here five years ago. Mrs. Wiman taught first grade at Farwell Elementary School.

At Home In Parmer County

By Jana Pronger
County HD Agent

We all have problems from time to time with products that we buy. Do you realize that consumers have the right to complain - and to expect adjustments - on purchases that fall short?

You also have the responsibility of making justified complaints - not those stemming from consumer negligence or abuse. Consumers can follow several guidelines to insure better products and services. Make a habit of keeping receipts, handtags, warranties and care labels in one convenient place so they're available if needed for merchandise returns. Before buying, read instructions carefully concerning use, storage, washing, oiling and other general care for a preview on what to expect from the product. After buying, follow instructions. This may eliminate the need to return merchandise. When returning merchandise avoid making returns near closing time or during rush hours. If leaving an item for repairs - or if a refund will be mailed to you - be sure to get a receipt for the item. In making a complaint be calm and courteous. Be friendly, but firm, and don't be sarcastic or abusive. Let the facts speak for themselves. State the facts clearly - where and when the product was purchased, its model number (if any), brand name, price and what is wrong with it. Try to explain what went wrong, when and how the defect appeared. If telephoning complaint, ask name of person receiving complaint. If writing a letter, include your name, address, zip code and telephone number on all correspondence and keep carbon copies. Company addresses appear in "Poor's Register of Corporations, Directors and Executives" or "Moody's Industrial Manual" in most libraries. If a company doesn't respond to a first letter within two or three weeks, send a second letter. If there is still no response, refer the matter to Consumer Protection lawyers in the nearest regional office of the state attorney general. In this area contact John Richards, County Office Bldg., 806 Broadway, Lubbock 79401 or call (806) 747-5238 if you are in need of advice.

\$8 Million Paid To Area Farmers

Parmer County farmers will earn approximately \$8 million in payments under the 1973 wheat, feed grain and cotton programs, according to Prentice Mills, Executive Director of Parmer County Agricultural Stabilization and Conservation Service. A farmer participating in one or more of the programs becomes eligible to receive payments as soon as a final acreage report has been filed.

As of presstime, approximately one half of these payments were placed in the mail during the past week. The payments went to producers on farms for which crop acreage reports were completed prior to July 1.

According to Mills, payments are being processed by the local office as rapidly as possible after an acreage report is received. At present, a farmer may expect to receive payment within 10 days after he has made the final acreage report for his farm.

Mills reminds farm operators they have until August 1 to report their farm's acreages. If a report is not filed by then, the farm is not eligible for program payments or other program benefits.

ASCS PROGRAM PAYMENTS MAILED - Billie Fay Sluder, left, and Dorothy Gast, clerks at Parmer County ASCS office, bundle payments to be mailed to area farmers. Parmer County farmers will receive approximately \$8 million under the 1973 wheat, feed grain and cotton programs. Half of the payments were put in the mail during the past week.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE DEATH OF THE CROSS

There are four words which every one of us should consider in connection with Christ's death at Calvary if we would fully appreciate what our Savior did for us there.

CRUCIFIXION
It is doubtful whether man has ever conceived a more cruel and humiliating way to execute even the vilest criminals. The physical agony alone must have been horrible to even contemplate. The criminal was nailed to a tree and left to hang there, writhing in the most intense pain until, fevers wracking his body, he died. And then think of the humiliation as he was nailed there, stripped and naked, to suffer shame and disgrace before the public gaze. Little wonder Phil. 2:8 says that Christ humbled Himself to become obedient "unto death, even the death of the cross."

SUBSTITUTION
We have not even begun to understand the cross if we do not understand that Christ died there as our Substitute, paying for our sins. "Christ died for our sins" (I Cor. 15:3). "His own self bare our sins in His own body on the tree" (I Peter 2:24).

REPRESENTATION
But Christ was more than our Substitute; He was our voluntary Representative at Calvary. He had taken on Himself human form that He might represent man before God and die as a Man for men.

"As it is appointed unto men once to die but after this the judgment, so Christ was once offered to bear the sins of many..." (Heb. 9:27,28).

"(HE) was made... lower than the angels... that HE by the grace of God should taste death for every man" (Heb. 2:9).

IDENTIFICATION
It follows from this that if Christ represented me at Calvary, HE became identified with me there, and I am identified with Him as I accept this by faith. Hence Paul exclaims: "I am crucified with Christ, nevertheless I live; yet not I, but Christ liveth in me; and the life which I now live in the flesh, I live by the faith of the Son of God, who loved me and gave Himself for me" (Gal. 2:20).

FHA OFFICE BUILDING STARTED - Nance Construction Co. began work this week on an office building which will be located across the street north from Aldridge, Harding and Aycock law offices. The new offices will house the Parmer County office of Farmers Home Administration. Concrete has been poured for the foundation and cement blocks have been unloaded at the site in preparation for the construction.

Moisture Received In Area

Intermittent showers Monday and Tuesday brought a fair amount of moisture to the Twin Cities area. Monday night there were light showers and sprinkles over the surrounding area but no measurable precipitation.

Tuesday the area received variable amounts of rain. Reports of over one-half inch of rain in Texico were received. South of Farwell the amount recorded was a quarter of an inch. In other areas, moisture ranged from a half inch to over an inch. Although

the showers didn't last long, there was a heavy downpour each time.

The total amount received in the vicinity for the two days ranged from over an inch north of Texico to approximately one-half inch in the Twin Cities proper. In areas south and east of Texico-Farwell moisture received was up to an inch and over.

Last Sunday night, July 8, after a hot summer day with temperatures in the 90's, the Twin Cities were cooled by light showers. Although it was

mostly an electrical storm, the surrounding area received varied amounts of moisture from it.

Wednesday, July 4, rain dampened Texico and area Fourth of July annual celebrations. Although there were mild showers, there was not much accountable precipitation.

Reports south of Farwell were of light showers, but moisture south of Texico was recorded at .3 inch. The rain varied from a sprinkle at Lariat, to .45 inch in parts of Texico and Farwell. North of the Twin Cities, reports of one-half inch were received.

Cost-Share Program

Applications Available

Now is the time to sign up for cost-share through the Great Plains Conservation Program, according to Parmer County Soil and Water Conservation officials. Applications will be taken on a first come-first serve basis until the

money is exhausted, they say. To date this program is the only program which offers cost-share to farmers and ranchers since REAP was cancelled.

The requirements and benefits are custom-tailored for each individual and his needs. There will be money available for such practices as irrigation pipeline, tailwater return systems, grass planting, waterways, land levelling and other conservation practices.

The total amount which can be cost-shared on any operating unit is limited to \$25,000, officials say. The cost-share rate is up to 80 per cent for certain practices.

Remember, applications are being taken on a first come-first serve basis and funds are limited. To find out more about the Great Plains Conservation Program and to make an application in Parmer County, call or come by the Soil Conservation Service office in Friona.

Game Scores Given For Junior Girls

Game scores for the past four weeks in Junior Girls Softball are as follows:

June 12 - No scores available; June 15 - Rose Drug, 28, Farwell Builders, 7; June 19 - KZOL, 25, Farwell Builders, 8; June 22 - Prather's 66, 22, Farwell Builders, 9; June 26 - after three innings, KZOL, 24, Prather's 2; June 29 - Rose Drug beat Prather's, no score available, Farwell Builders forfeited to KZOL.

On July 3, Rose Drug scalped KZOL 28-11. Farwell Builders forfeited to Prather's 66. Final games were not played due to lack of players.

Nurses in the special care unit of a hospital's newborn nursery are being provided with old fashioned rocking chairs. Infants left alone for weeks in a hospital incubator can become socially retarded, it has been found. To prevent this, the nurses hold, fondle, pet and pat the babies during feeding periods.

SAFETY PLEDGE OF JUNIOR FIRE MARSHALS

Anxious to do their share in preventing fires, members of The Hartford Insurance Group's Junior Fire Marshal program learn—and practice—this safety pledge:

I will never play with matches.
I will never start a fire.
I will tell my friends not to play with matches.

I will never use the stove unless my mother says I may, and only when she is right there with me.

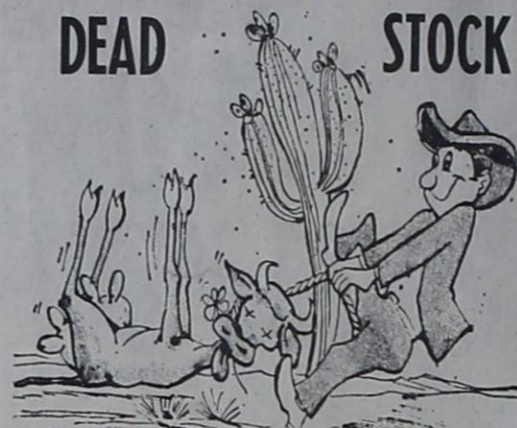

I will learn what to do in case of fire.

I will learn how to turn in a fire alarm.

I will never turn in a false alarm.
I will always be a good Junior Fire Marshal. I will try to make Mom and Dad, my teacher and our firemen proud of me.
