

TWO SHOTS, TWO DEER—That was the remarkable luck of E. F. Lokey, local attorney, and his son, Ernest, who returned last weekend from their first big game hunt on the Philmont Ranch in Cimarron Canyon of New Mexico. Lokey downed an 8-pointer, while the 15-year-old lad brought in a 6-pointer.

Bovina Cattle Feeding Project Is Leading County Industry

Possibly the biggest project that is being carried on in Parmer County at present is that of Triplett & Pringle, cattle feeders and buyers of Bovina.

The magnitude of their operations were revealed in an interview with a Tribune reporter last Saturday when jovial and accommodating Bob Pringle sat in his office at Bovina and discussed freely the operations of the firm that distributes upwards of \$40,000.00 per month in Parmer and Curry counties.

Pringle revealed that at present they have no less than 7,000 head of stock grazing on the wheat fields of Parmer and Curry Counties. Grazing prices run an average of \$3.00 per head each month, which accounts for the distribution of \$21,000.00 each month to the farmers of this immediate section. The operating expense of the feeding project will amount to another \$5,000.00 per month, and then add to that the large sums on money distributed to the farmers for feed, grown on local farms, and you can readily see that the total outlay during each month approximately a grand total of \$40,000.00.

"And the biggest problem I have is that pile of cow manure," Pringle said, pointing to a large accumulation of ideal fertilizer.

At present 1500 head of young heifers and steers are on full feed in the feedlots at Bovina, and they will be fed out there before being shipped out for slaughter. From four to five hundred head are fattened out each month. Most of these fat cattle are shipped out by truck to Dallas, Fort Worth, Oklahoma City and El Paso, while quite a number are shipped by rail to the West Coast.

A crew of 18 men are kept employed by Triplett & Pringle, fourteen of them giving all their time to the actual feeding operation, while the remaining four are kept busy looking after stock on the wheat fields.

"We have cattle on 57 different farms, and our men see these cattle every day," Pringle said. Asked about his losses, he said the losses were kept to a minimum; the most of them from bloat caused by eating too much green wheat, but even these losses are negligible. He explained that with the stock being inspected every day, it was rare that a case of bloat had sufficient time to develop beyond treatment.

Asked about losses from theft, Pringle replied, "If we ever had a single animal stolen, we don't know it," adding that occasionally an animal would disappear and never be found.

Triplett and Pringle have been operating in Bovina for the past five years, but it is only during the past year and a half that their operations have assumed such huge proportions, and which is possibly the largest enterprise being carried on in the county at the present.

Only White Face
"We have learned that good grade white face Herefords do better and yield us a better return than any other grade," he said. All the stock that is now on wheat pastures is young stuff, generally called calves and yearlings. The cattle on full feed are older, ranging from two to three. "We never buy any old cows

or bulls," Pringle asserted, adding their feedings were confined to heifers and steers.

At present, the cattle in the feedlots are being given a balanced ration of alfalfa hay, cottonseed meal, corn and some bundles for roughage. All this feed is ground before being placed in the feed troughs. This requires the services of a crew of 14 men. Corn being used at present is being shipped here from Iowa, Pringle explaining that this became necessary this year when the farmers of this section failed to produce sufficient amount of grain to supply the demand. "We always use local feed when we can get it," he added.

When the cattle are ready for butchering, they go direct to the slaughtering pens of the Safeway Company, located at all the large cities in the southwest. Cattle loaded out at Bovina in the forenoon will be in the killing chutes in Fort Worth and Dallas the next morning, with very little shrinkage, he pointed out. Cattle placed in the feed pens are ready for market in 90 to 100 days, depending on the condition of the feeders when they are placed in the pens.

Asked where the feeders were obtained in the first place, he said that practically all of them came from within radius of three to four hundred miles of here, and are brought in by rail and truck.

The young stock now on the wheat fields will be taken off about March 1st, Triplett calculates and will be taken out at Bovina or sold to other feeders in various parts of the county, some of the probably going to Iowa and Nebraska.

While Mr. Pringle gives all his time to the Bovina project, his partner J. S. Triplett, Jr., of Amarillo, is constantly buying feeder stock all over the North Plains and shipping them out. They also maintain an office in San Angelo, and deal extensively in feeder animals in that part of the state.

The firm is a member of the Texas Cattle Raisers Association, as well as the New Mexico Association, which has proven a great benefit from many angles, especially in keeping down the losses from stolen.

Two water wells are maintained at the feeding pens, both operated by electricity, and are kept in constant operation. One of the wells is equipped with a pressure system that forces water to the farthest lot. Two large Bearcat feed mills, both equipped with electric motors, are kept busy grinding the feed for the stock. All pens are lighted at night, and a watchman is maintained to make the rounds through the pens at night to watch for accidents among the cattle and be on guard against an outbreak of fire.

Hundreds of tons of baled alfalfa and feed bundles are kept in reserve for the feeding operations, and although this is a constant fire hazard as yet no serious losses have resulted from the source.

"Naturally, we lose a cow occasionally," Pringle said, adding that the carcass was soon disposed of by notifying one of the rendering plants nearby, with the animal usually being picked on that day.

DISTRICT GAME HERE FRIDAY

Deer Hunters Report Various Success

With most of the big game hunters home from the New Mexico mountain areas the first of the week, various degrees of success were being reported by the returning nimrods.

Heading the list for lucky hunters was the group which went to the Tom Moore Canyon south of Beaverhead. There were six hunters in the party and all succeeded in bringing home their lawful limit of one buck, keeping a six-year perfect record intact. The group was composed of Jack White, Arch Green, Claude Thomas, Grady Pierce, Lester Norton and Mack Johnson. Norton headed the list with a 14-pointer, while Green had a close second, downing a 13-point buck. All the kills were good sized.

Sighted Buck, Shot Same

But the most phenomenal score is turned in by E. F. Lokey and his 15-year-old son, Ernest. This team went to the Philmont Ranch in the Cimarron Canyon and returned with a couple of choice deer, a six and an eight-pointer, with the senior Lokey bagging the larger. The remarkable part of the hunt, however, was the fact that each of the hunters only fired one shot to bring down their venison.

The pitch-playing bunch, making the trek to Luna Canyon over near the Arizona line, turned in about the same report that has characterized their hunting exploits in recent years. With eight hunters in the party, only two of them were successful, the credit going to Capt. G. D. Anderson, Jr. and A. L. Parks. Other members of the party included G. D. Anderson, LeRoy Faville, J. I. Gober, Bill Shirley, Judge John Alridge, and Buddy Jones. While the credit went to Parks for bringing down one of the deer, members of the party reported that all the group got at least one shot at the fleeing animal, with seventeen volleys being fired by the hunters as they piled out of the car and shot in the direction of the fleet buck.

Mr. and Mrs. A. R. Self and their 17-month-old son, in company with Rev. and Mrs. J. L. Willis of Clovis, brought in two deer from the Hard Castle Gap, south of Quemado. Self bagged a ten-pointer and the minister had to be satisfied with a nine.

Lee Osborne and T. B. Allen, who pitched their camp in Dark Canyon, southwest of Weed, were driven out by a raging snow storm after only a half-day's hunt. They came home empty-handed—and were glad to get out. Several hunters, they reported, were snowed in, in the region where they were camped.

Thanksgiving Holidays Given For Schools

Official Thanksgiving holidays for both the Texico and Farwell schools were announced this week by Supts. H. A. Clift and B. A. Rogers with students and teachers vacationing both Thanksgiving Day and Friday, the 29th.

Schools will be dismissed at the regular time on Wednesday afternoon with no classes scheduled until Monday morning, December 2nd. Although no survey has been made, it was more or less understood here that the majority of local merchants would be closed on next Thursday, as will all courthouse offices, the bank, and the postoffices.

ATTEND SALE TUESDAY

Representatives of the Texico ag department were out of town Tuesday, attending a sale of registered Duroc hogs, held at the Leon Madala place. Supervisor Tom Hudson stated before his group left that they planned to buy some barrows, gilts and sows, but no report on the purchases was available as The Tribune went to press.

MOVING BACK

Mr. and Mrs. T. O. Barnes and family, who have been living in Roswell the past few months, are moving back to Farwell this week and will occupy their property at the rear of the City Laundry.

Remember when hankies were two for a nickel, instead of two for a dollar?

Amarillo Boosters To Visit Texico-Farwell

What Pepper, Please?

In recommending use of tough cuts of venison for making sausage, Edith Lawrence, food specialist at College Station, says blithely, "add two-thirds cup black pepper to 50 pounds meat". She might at least have tipped us off where to buy the pepper—and we mean honest-to-goodness pepper!—and what to use for money if we do find it, with the price being over \$2 per pound it is understood here.

Thousands Of Cattle On Parmer Wheat

Literally thousands of head of cattle have been shipped into Parmer County during the past few weeks, being placed on wheat fields in this county for grazing. The latest influx has come from the snow-covered ranges of western Kansas and eastern Colorado.

Davis King, Santa Fe agent at Bovina, where practically all of the rail shipments to this county have been received, reported last Saturday that 225 carloads of cattle had been unloaded at Bovina since early in October. Eighteen cars were received Saturday, direct from the storm-stricken area of southwestern Colorado. More shipments are on the way, it was said.

Shipments received thus far, King said, were in reasonably good flesh. Practically all classes of cattle, from calves to old cows, have been included.

No Turkeys Available In Farwell Markets

If you don't have your Thanksgiving bird, chances are that you are going to "get the bird" from local produce markets, a Tribune reporter discovered the first of the week.

Mrs. Andy Marcus, reporting for the Marcus Produce, stated, "we weren't offered a single turkey before the market closed", adding, however, that she understood markets in Clovis were flooded. It was also understood that the White Produce, the only other produce market here, was left high and dry when the turks moved to market a few weeks ago.

There are a few herds in the area belonging to individuals who are not offering them to produce houses, reports say, but whether or not they will be available for Thanksgiving was another item. Some herd owners had indicated that their turkeys would not be ready before Christmas.

For the first time, according to produce houses, turkey hens brought a higher price than toms, with a 10c variation listed. On the hoof, individual sales around here have been made at 40c per pound—which puts the beloved white meat at about the same price as any other kind of meat offered in butcher shops.

Whether or not the produce houses will buy turkeys for a few more days before next Thursday, when the majority of Americans expect to sit down to the traditional dinner, could not be ascertained today.

Could be that hens who read this better hit the nests with eggs the next few days or they may find themselves supplanting their larger sisters come Thursday.

Some Pumpkin Available
Looking around further concerning that Thanksgiving menu, the inquiring reporter discovered that canned pumpkin is still on the scarce list, although a few "dribbles" of shipments have been received.

Canned cranberry sauce, which customarily graces the dressing and gravy, made a brief appearance here the first of the week, but short stocks were not expected to last the eager customers for long. Fresh berries are available, but the price is high and sugar short to convert them into sauce.

Tribune job printing is best.

A good-will delegation of approximately 100 Amarillo business men will visit Farwell on Wednesday, December 4, at 5 p. m. The group will arrive by special train and will be accompanied by a 40-piece West Texas State College band, of Canyon.

C. M. Henderson, president of the Farwell Chamber of Commerce, will welcome the trippers, and the response will be given by George S. (Pinky) Vinyard, president of the Amarillo Chamber, who heads the good-will delegation.

After a few short talks, a band program will be given at the station. The train will remain in Farwell 40 minutes, then departing for Clovis.

A sincere invitation is extended by the Amarillo trippers to every citizen of this city to be at the station on December 4, when the seven-car special train arrives. The band concert will be dedicated to the local people.

McAlister To Talk At Men's Club

R. B. McAlister, owner-manager of radio station KICA, Clovis, has accepted an invitation to appear as the principal speaker at the monthly meeting of the local Men's Club on Thursday evening of this week.

Chairman C. M. Henderson made this announcement before leaving the first of the week for South Texas, where he will be attending business matters the next few days.

Henderson said that local matters would also be discussed at the meeting, including a report on the progress of the new fire truck. The meeting will get underway at 7:30 in the basement of the Methodist church and the usual lunch of sandwiches, pie and beans will be furnished by those in attendance.

Dairy Club Members To Meet Wednesday

A meeting of members and their families of the Parmer County Cattle Club will be held tonight (Wednesday) at the Oklahoma Lane school house, County Agent Lee McElroy reported today, with the session to get underway at 8 o'clock.

Dr. E. E. Kraus, Clovis veterinarian, has been invited to meet with the club members to discuss various problems of dairy work. In addition, new directors will be named for the coming year. Current directors are Levi Johnson, president; L. M. Grisom, vice president; Melvin Sudderth, acting secretary-treasurer; and Virgil Teague, Sterling Donaldson, Wendol Christian, W. E. Martin and J. T. Gee.

In speaking of dairy work in this county, McElroy reported that some ten new grade-A dairy barns have been constructed within the past six months, bringing the approximate total in the county to 30. He urged that all men who have such barns, whether or not they have registered stock and are members of the club, attending the meeting.

Ice cream and cake will be served at the social hour which will follow the business session.

TO TEACHERS MEETING

Mrs. Elizabeth Bruce will represent the Texico school faculty at Albuquerque, next week, when the annual meeting of the New Mexico Teachers Association is held. Supt. B. A. Rogers said today that, so far as he knew Mrs. Bruce was the only local teacher who plans to attend the state convention.

BEAUTY SHOP OPENS

Mrs. Mary Cason this week reopened the Vanity Fair Beauty Shop, in Farwell, and is inviting the patronage of the public. The shop has been moved from its former location, now being situated in the Wallace building on main street, two doors east of the City Tailor shop.

For the first time in history, a district championship football game will be entered by a Parmer County team, when the Farwell Steers, title holders of District 2, and the Gruber Greyhounds, champs of District 1, meet on the Steer gridiron Friday of this week, November 22nd, to definitely decide who is the champion for the six-man football league.

The decision to play the game came last Friday night, after Gruber defeated Booker, 25-8, in the deciding match for the six-man crown of District 1.

A survey here early this week revealed that practically all of the business houses in Farwell will be closed during the game in order to allow all employees to attend.

On paper, it would appear that the Greyhounds have all the statistical advantages. They will outweigh Farwell some nine pounds to a man in the line, with an average weight of 160, while the Steer average is 151. They have played nine games and lost none during the current season, during which time Farwell played seven and lost two; and they have racked up a total of 237 points to 43 scored by their opposition, while the Steers were tallying 176 points against 84 taken by their competitors.

With all these facts granted, however, sportscasters were still of the opinion today that it would be a battle to the finish when the teams get into action here Friday. This will wind up the 1946 season, as six-man leagues only reach bi-district areas, Coach Jack Williams added.

The Steer tentative starting line-up will include Williams or Herington at left halfback; Ford at right half, Hart at quarterback, Sheets over the ball at center, and Booth and Robertson on left and right end, respectively.

Coach Lawrence Brotherton, of the Greyhounds, lists the following lineup: McClellan at quarterback, Gross at halfback and Vernors at fullback; Wallin at center, Frazier at left end and Bayless at right end. Barring mishap during practice sessions, these first-stringers are expected to start the game Friday.

A scouting party composed of Coach Williams, Max Ford, Don Williams, Bobby Hart, Buster Herington, Harry Sheets and Junior Robertson attended the Gruber-Booker game, played in Perryton last Friday night, at which time the Gruber tactics were studied, and strenuous workouts are going on this week to prepare the Steers for any tricks which the Greyhounds may pull from the bag.

Providing the weather is good, Farwell will likely attack in the air, considering the weight advantage held by the Greyhounds in the line. On the other hand, should inclement weather put the players on a wet turf, the Steers will have to make-up what they lack in weight by enthusiasm and determination.

This game will wind up high school football careers for five members on the Farwell string, as Max Ford, Don Williams, Buster Herington, Hephel Harding and Bob Loe are seniors this year.

The game, which will be broadcast over KICA, Clovis, will get underway at 2 o'clock, Texas time, on the local gridiron east of the courthouse. Admission is 75c for adults and 50c for high school students. Tickets went on sale on Monday, and holders of season tickets, sold early in the year, are advised that since this is an "extra" their season tickets will not pass them at the gate. C. D. Holmes of Friona, and R. E. Everett, of Bovina, will officiate.

Scout Meeting Held On Tuesday Night

Boys and men interested in formation of a Boy Scout troop in Texico met at the school on Tuesday night, when plans for organizing a local chapter and arranging for a scoutmaster were taken under consideration.

Members of the local committee charged with the responsibility of securing a leader for the boys are Rupert Paul, chairman; Jack White, L. A. Pearce, Walter Freeman and B. A. Rogers.

TRANSFORMER FIRE

The fire department was called out last Thursday afternoon when a large electric transformer near the Roberts Seed company flared up. No damage, except to the transformer, resulted from the blaze.

Bufs Bow To Abilene, Last Home Game, 22

CANYON.—The Buffaloes of West Texas State take a one game vacation from Border Conference competition Friday night, when they entertain the Shockers of Wichita University in an intersection grid battle.

Both teams resumed workouts today following weekend engagement on the gridiron. The Bufs lost a 28-7 conference tilt to unbeaten Hardin-Simmons in Abilene while the Shockers' annual Homecoming game before an estimated crowd of 10,000.

It was a disappointed but far from discouraged Buffalo eleven which returned from Abilene Saturday morning and resumed workouts this week pointing for their last home game of the season Friday night against the Shockers. It was a great team that defeated the Bufs, and the showing turned in by the maroon and white jerseyed Buffs in the second half of play was nothing short of sensational as they consistently held in check the nationally rated Cowboy backs, while gaining seven points for their side of the

ledger.

Major task confronting Coach Gus Miller during the coming week is patching up an injured team. Most serious of the injuries is the one suffered by big Omer Jordan, left end from Vernon, who broke his left arm in the Cowboy game. Jordan had turned in magnificent defensive play from his terminal position before his injury forced him to the sidelines.

Berl Pruitt, mercury footed Panhandle halfback, is limping badly this week on an injured hip. His hip,

injured previously this season, was re-hurt Friday night when hit hard following a punt return late in the fourth quarter. Pruitt was carried from the field. Miller said today that Pruitt would probably be nursing his injury by game time Friday night and it was likely that the speedster would play.

A question mark hangs over rugged Beryl Dean Clinton, first string guard from Starton, who has a hip injury also. Clinton was not in uniform for the Hardin-Simmons game and it is not yet known if he will be ready Friday night.

Ray Moore, freshman quarterback from Munday, returns to the active duty list this week. Moore has been benched with a knocked down shoulder, and he was not in uniform for the Cowboy tilt.

Friday's meeting is the first between West Texas State and Wichita University. The Shockers are coached by Ralph Graham who also is Athletic Director for the college. Graham was assistant coach eight years at Indiana University under Alvin (Bo) McMillian before coming to Wichita for the 1942 season. Under McMillian as player at Kansas State, was leading Big Six scorer in years 1931, 1932, and 1933. Graham served two years in the Navy as lieutenant senior grade, being stationed one year in the Pacific. He is now coaching his second season at Wichita University and his first season in the Missouri Valley Conference.

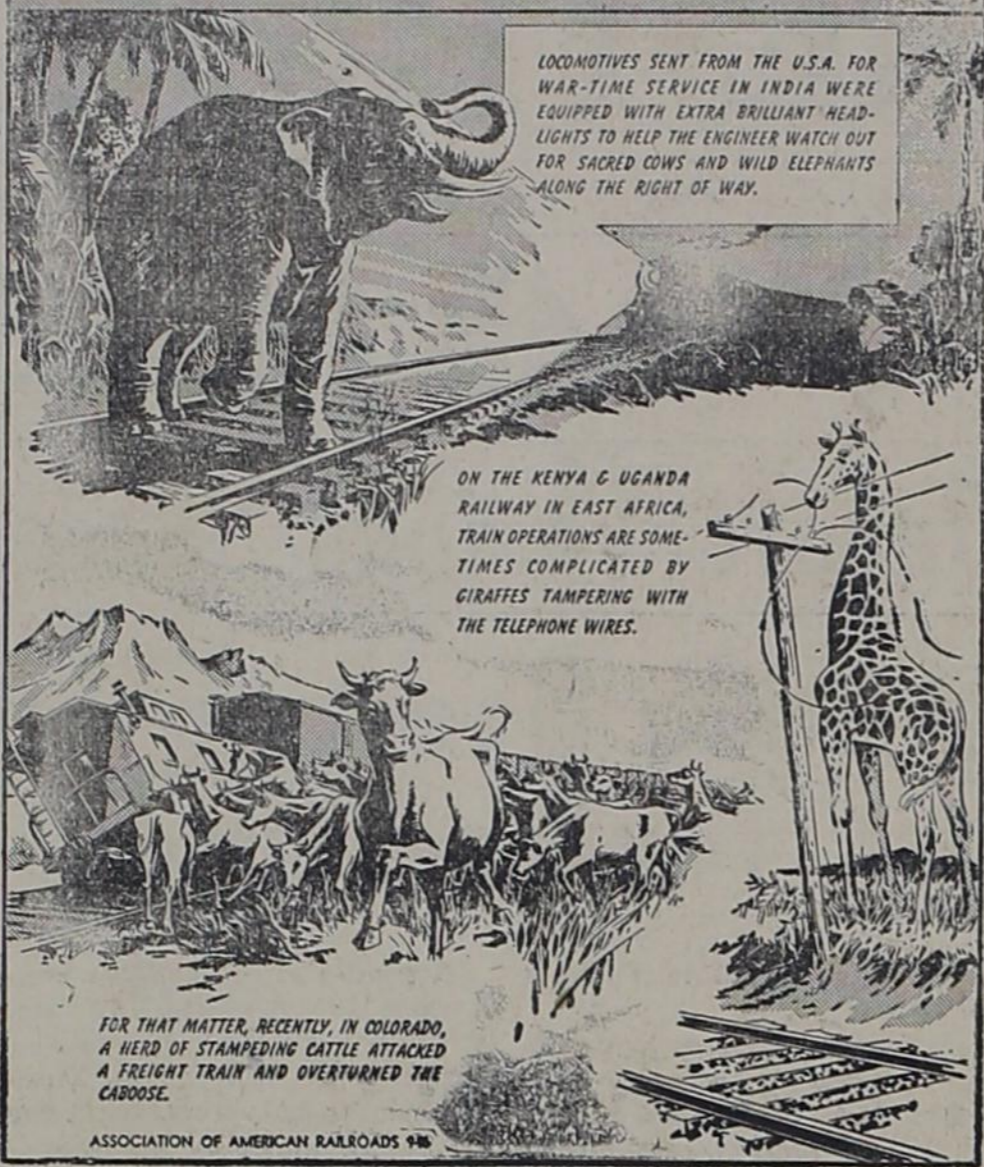

Assisting Graham with the coaching chores is James Trimble, line coach; Ted Warren, end coach; and Mel Binford, head basketball coach and football scout.

Wichita University is a school of 2,500 enrollment, co-educational and non-demonominational. It is a municipal school, becoming such in 1926. It was formerly Fairmount College (Congregational).

President of the Kansas school is Dr. W. M. Jardino, former president of Kansas State College (1918-1925). He served as secretary of agriculture from 1925 to 1930. From 1930 to 1933 he was minister to Egypt. He became president of Wichita University March 1, 1934.

The term "Shockers" is a connotation from the official nickname of the Athletic teams—Wheatshockers. A record of 3 wins and 4 losses held by the Shockers. They were beaten by University of Tulsa 33-13, University of Dayton 21-0, University of Kansas 14-7, and Oklahoma City University 28-0.

Potato Chip Snack Bar

Parties are always fun — and with Thanksgiving and the Christmas Holidays ahead, it's a wise hostess that knows what to serve her guests that is different and delicious. From tomato juice for the children to an old-fashioned for Dad, we've developed canapés that will please even the most finicky. Smart hostesses are also discovering the time-saving advantage of serving these snacks on delicious potato chips.

PARTY CANAPÉS

Cream Cheese Rosettes
 Add enough thick cream to the cream cheese to make the right spreading consistency. Season with paprika and add chopped chives and lemon juice. Using a pastry tube, make a small rosette of cheese on crisp potato chips.

Broiled Shrimp Canapé
 Marinate shrimps in French dressing for 1 hour. Place shrimps under broiler and cook until shrimps are heated through. Place one shrimp in the center of a curled, crisp potato chip and serve immediately.

Egg and Anchovy Canapé
 Chop 2 hard cooked eggs fine, add 6 to 8 anchovy filets (also chopped fine) to the egg and mix in 2 tbs. pickle relish. Spread on potato chips.

Cucumber and Bacon Canapés
 Mix equal parts of diced, broiled bacon and minced cucumber with mayonnaise. Spread on potato chips and garnish with diced green peppers and pearl onions.

Avocado Whip
 Mash pulp of 1 avocado and beat with a rotary egg beater until light and fluffy. Add 1 tbs. lemon juice, ¼ tsp. salt and ½ tsp. onion juice. Place on table or bar with accompanying bowl of chips or crackers, to be used as scoops.

Blue Cheese Canapé
 Put ¼ cup Blue Cheese (domestic Roquefort) through a sieve; add ¼ pkc. cream cheese, 1 tsp. onion juice, 2 drops tabasco sauce, 1 tbs. sherry wine and 2 tsp. mayonnaise. Mix thoroughly and spread on potato chips. Garnish with paprika, parsley or strips of green pepper.

The proportions of these recipes give a generous yield. It is also possible for all of these canapés to be prepared beforehand and stored in the refrigerator. When guests arrive, you are all set to serve the mixes without that last minute, tiring, party rush!

Annual Convention Will Be Held In Lubbock

LUBBOCK.—The annual convention of the Texas State Council of the National Aeronautics Association will meet in Lubbock, November 22, 23, and 24, according to Fred H. Lindall, San Angelo, president of the council.

Among the topics to be discussed by the convention is the establishment of a state headquarters for the Council with a paid manager to coordinate the activities and efforts of, and to serve the local groups. Adequate financing of such a comprehensive program will also be taken up. Other topics which will be brought before the gathering are examination of proposed state legislation pertaining to aeronautics, adoption of a policy of action of the part to the council in this legislation, discussion and formulation of plans for a proposed State Aviation organization designed to combine the activities and strength of all Texas aviation organizations, promulgation of a uniform aviation effort for the common good, and election of new State council officers for the coming year.

Each chapter in the state will elect or appoint a delegate to vote and speak for the group.

A cash prize of \$50.00 will be awarded the chapter having the greatest number of members registered with the attendance committee by November 18. All registrations should be sent to M. D. Fanning, Lubbock Chamber of Commerce, Lubbock, Texas.

Parts Representative Will Visit Amarillo

Amarillo.—J. M. Rodgers, auto parts representative of War Assets Administration, Fort Worth, will make a second two-day visit to Amarillo November 25th and 26th, to familiarize automotive and parts dealers, veterans, service garages and fleet owners with surplus auto parts for sale by WAA.

Rodgers has for interested parties the latest revised National Consolidated Inventory, giving the number, name and price of all surplus automotive parts available in 48 states.

All purchasers, except veterans, must place a minimum order of \$500 net. Veterans in an emergency can buy automotive parts without a min-

imum.

During his stay in Amarillo, Rodgers will be located in the Chamber of Commerce office, Amarillo Bldg., for future reference, he will leave the revised inventory list. Supplements will be issued after 10th of each month, listing all new inventories of surplus auto parts.

Judging Teams Will Go To Chicago

LUBBOCK.—Names of members of the senior livestock judging team to represent Texas Technological College at the International Livestock Exposition in Chicago November 30 were announced this week at the 19th annual pig roast, traditional festivity sponsored by the Aggie

Club to honor Tech judging teams.

Sharing honors at the pig roast with the International Exposition team were members of the dairy cattle judging team that competed at the Dairy Cattle Congress in Waterloo, Iowa, and of the livestock judging team that represented Tech at the American Royal Livestock Show in Kansas City last month. Approximately 500 persons attended the pig roast, including more than 100 special guests from over Texas and Oklahoma.

Members of the International Livestock judging team are Nathan Allen, Big Springs; Albert Devin, Tulia; James Gunter, Claude; Kenneth Lewis, Sweetwater; William Montgomery, Longworth and John B. Wheeler, Eola.

Accompanied by Prof. R. C. Mowbrey of the animal husbandry department, the team will leave Lubbock Nov. 21 and will practice judge seven times at points on the way to Chicago. There they will compete with teams from land grant colleges all over the United States and points in Canada on judging beef cattle, sheep, hogs and horses.

Improve GI Food Tips On Using Less Tender Venison

COLLEGE STATION.—Deer season is certain to bring to wives of successful hunters the problem of using less tender cuts of venison.

Edith Lawrence, specialist in food preparation for the Extension Service, offers venison sausage with its variety of uses as a solution.

The shoulder, neck and lower portion of the ribs, when boned, make good sausage, she says. Here are the directions:

Grind meat, using three parts deer to one part fresh pork fat. If a drier sausage is preferred, use four parts venison and one part pork. Season with 1-3 cups salt and 3-4 cup black pepper to 50 lbs. meat. About 3-8 cup sage may be added, according to taste. (Three-eighths of a cup equals 1-4 cup plus 2 tablespoons.)

If sausage is to be kept for some time, stuff into casing or muslin bag, Miss Lawrence suggests. She adds that it may be smoked, depending on family preference.

Ground venison may be used as any other ground meat—in meat loaf, with spaghetti or in chili. Occasionally even choice cuts from an old animal prove difficult to cook tender, and in this event, should be ground. In addition to adding seasoning, add some fat, the specialist advises, for venison usually contains insufficient fat. That is sometimes the reason it remains tough after long cooking.

Deer season east of the Pecos River is from Nov. 16—Dec. 31. West of the Pecos, Nov. 19—Nov. 24.

Health Notes
By Texas Department of Health

AUSTIN.—The first Thanksgiving Day in this country was proclaimed for the purpose of expressing thanks not only for the bountiful harvest which the colonists had reaped, but for the sturdy health and endurance that had permitted them to survive the hardships and exposure, that first rigorous year in America. On the occasion of this Thanksgiving Day, the State Health Officer, Dr. Geo. W. Cox, is appealing to every citizen of Texas to give serious thought to the preservation of his own health and that of his community.

"We have much to be thankful for in that our national health level has remained high despite the nervous tension, sacrifices and deprivations of a post-war period," Dr. Cox stated. "Our people have maintained a remarkably high health level and even under existing conditions, Texas has shown a continued decline in maternal and infant deaths."

"The people of Texas have reason to be thankful for the steadily increasing interest and cooperation being shown in matters pertaining to general sanitation and the control of communicable diseases," Dr. Cox asserted. "Responsibility for advancement of the public health program lies not with the State Health Department primarily but with the people who support and encourage the local community efforts exerted and who apply in their own individual lives the health rules with which they have become acquainted through public health education."

Dr. Cox pointed out that one direct result of public health efforts in this nation has been the lengthening of the normal life span by more than 15 years.

"Certainly this is something to be thankful for and it should lend incentive for further efforts to promote and maintain community as well as statewide public health programs," he concluded.

BUMPER HEGARI CROP

LUBBOCK.—A bumper crop of hegari, with an estimated average yield of five tons of dry feed per acre from 40 acres, was recently cut and shocked on an irrigated plot on the farms of Texas Technological College. About 30 per cent of the yield, by weight, was grain.

The field was thoroughly soaked about two weeks before it was planted in the middle of June, and alternate rows were irrigated again two times before harvest.

November 23 Named "Sister Kenny Day"

AUSTIN.—Saturday, November 23, has been designated Sister Kenny Day in Texas, in a proclamation issued here today by Governor Coke R. Stevenson. Campaigns now being conducted in more than 150 Texas counties will put forth special efforts to complete their county quotas on this day and make their reports to State Headquarters at the Driskill

Hotel in Austin, it was announced by George C. Francisco, Jr., of Houston, Chairman of the Texas Chapter, Sister Elizabeth Kenny Infantile Paralysis Foundation.

Chairman Francisco has announced the Texas quota as \$150,000. These funds will be used in training technicians, and building up a fund which will be used in establishing a Kenny clinic in Texas where the Kenny method of treating polio, the most successful yet known, will be available to all victims.

The picture, "Sister Kenny" in which Rosalind Russell plays the role of the famous Australian Nurse, will be shown in more than fifty Texas towns during the first week in December.

Christmas Seal Month Opens On Nov. 25th

AUSTIN.—Governor Coke Stevenson yesterday issued a proclamation officially designating the period from November 25th to December 25th as "Christmas Seal Month" and urged all Texas to support the Texas Tuberculosis Association and its affiliated county associations by "buying and using Christmas Seals during this month".

The annual Christmas Seal Sale will open Monday and continue until Christmas.

In issuing the proclamation, Governor Stevenson pointed out that tuberculosis is the greatest disease cause of death along Texans between 15 and 35 years of age, and that because of its communicable nature, tuberculosis is our greatest public health problem.

Rainbow Girl Honored At Tea In Friona

A tea honoring Miss Martha Williams, grand representative from the Texas Grand Assembly to Oklahoma, was held at 3:00 p. m. Sunday in the Woman's Club building in Friona.

During the afternoon a program was given by Rainbow girls from Hereford, Friona, Clovis, Oklahoma Lane, Bovina and Lazbuddy. Included were a vocal solo by Dorothy Nell Guinn of Friona, accompanied by Lunell McFarland; vocal solo by Marcia Anne Johnson, of Clovis, accompanied by Peggy Rogers; reading by Gloria Kepley of Oklahoma Lane; song, Reta Rundell, June Christian, Billy Christian, Beverly and Betty Gulley and Louise Rundell of Oklahoma Lane, accompanied by Mary Leatrice Cherry; vocal solo by Rosa Lee Denney of Bovina, accompanied by Mrs. W. O. Cherry, and a piano solo by Mrs. S. D. Porter of Lazbuddy.

After the program, Miss Williams was presented with a lovely gift from the Bovina Assembly's Mother Advisor, Mrs. Mae Porter.

Young People's Class Organized On Friday

A new young adult class for the Methodist Sunday School was organized the past Friday night, when several of the young people met at the church, elected officers, and enjoyed a social evening.

Miss Iris Thornton was named as president, with Muggins Graham as vice president, Miss Anne Nabors as song leader; Mrs. A. F. Phillips, Jr., as secretary-treasurer; and Miss Twila Strickland as pianist. Lenton Pool was named as teacher of the group, with Lee McElroy chosen as assistant.

Following a game session, refreshments of doughnuts and coffee were served to Mr. and Mrs. A. F. Phillips, Jr., Miss Iris and Graham Thornton, Miss Anne Nabors, Muggins Graham and Rev. Harvey E. Carrell.

Mr. and Mrs. H. Y. Overstreet left the latter part of last week for Chicago, where they will spend about ten days, attending business matters in connection with the Capitol Freehold Land Trust.

New Books Are Added To Texico Library

A large number of books—fiction, non-fiction and reference—have been received at the Texico school library, Supt. B. A. Rogers stated the first of the week, adding again that all patrons of the school are invited to use the resources of the library for reference and entertainment.

At present, some 3000 volumes are on hand in the library, with approximately 470 reference books, 850 of fiction and entertainment, 500 dealing with history, and 800 of literature, the school head reported, following a survey conducted for state records.

Some of the more outstanding of the recent additions include Bob Tope's best seller, "I Never Left Home"; "Our G-Men", by Crump; "The American", Fast; O'Henry's Complete Works, Porter; "Pilots, Man Your Planes!", Mason; "Arrowsmith", Lewis; Best Short Stories, De Maupassant; "Ann Bartlett at Bataan", Johnson; "Undercover", Carlson; Great Modern Short Stories, Overton; Famous Ghost Stories, Cerf; "Eisenhower, Man and Soldier", Miller; "Inside the FBI", Flobert; "Let My People Go", Buckmaster; "Nothing But Wodehouse", Nash; "Exis Laughing", Cobb; The Texas Rangers, Webb. Also in the group were two new sets of encyclopedias.

Licenses, Marriages Recorded By Clerk

A marriage license to John C. A. Lynn and Miss Carolyn Lange was issued the past Friday, November 15th, while on Sunday, November 17th, a permit to wed was issued to John Thomas Overstreet and Juanita Monday, the clerk's records show. Two marriages have been recorded. Rev. Harvey E. Carrell, Methodist minister, performed the ceremony for Miss Thelma Letsinger and Willis Evert Bear on Sunday, and the marriage of Miss Francis Juanita Godwin to Herman Darrell Winegeart was performed by J. L. Carman on November 9th.

Mr. and Mrs. W. W. Vinyard returned home the latter part of last week from a vacation trip, having visited in a number of Texas points.

Bovina Assembly Meets In Regular Session

At a regular meeting, the Bovina Assembly of the Order of the Rainbow for Girls opened and initiated in regular form. The occasion was formal and semi-formal, with the girls being very lovely in their evening gowns.

Miss Martha Williams, appointed as grand representative of the Texas Grand Assembly to Oklahoma, last spring, was formally presented, and grand honors given her after the introduction, in a very impressive ceremony.

A lovely gift was presented Miss Williams by Miss Delores Wilson, on behalf of the Rainbow Girls, and Nelson C. Smith presented her with a beautiful autograph book, signed by everyone present at the tea held on November 17 at Friona.

Answering queries, Mae Porter, advisor, has listed the following requirements, to be attained for merit badges and service bars:

Merit badge: All secret work recited by memory in open assembly. Service bars:

Red bar: First three color stations by memory to Mother Advisor or in open assembly; Orange Bar: Last four color stations by memory to Mother Advisor or in open assembly; Yellow Bar: Repeating by memory the three regular prayers (opening, closing, initiation) to Mother Advisor or in assembly; Green Bar: Repeating by memory the American creed; Blue Bar: Some special service to Rainbow Assembly; Indigo Bar: Some special service to community; Violet Bar: Repeating by memory "Charity's" lecture in initiation ceremony; Pot of Gold: Repeat all of "Faith's" lecture in initiation ceremony.

After the meeting was closed, members and guests adjourned to the dining hall where refreshments of punch and cookies were served.

Mrs. John Lockhart Will Be Hostess, Wednesday

COUNCIL MEETING IS CALLED FOR SCOUTS

All Girl Scout Leaders, and the committee mothers (brownies included) are asked to meet at the Farwell School building on Friday at 4:00 o'clock. Miss Dixie Dozier, Girl Scout Field Worker from National Headquarters will be present for the meeting and will doubtless bring much valuable information and instruction regarding Girl Scout activities.

Another guest speaker attending the meeting will be the Rev. Luther Sharpe of Clovis who is Finance Finance Chairman for this area.

Troops 1 and 2 are now second class scouts and are beginning their badge work. Mrs. Lloyd Brewer is a new leader and she is starting the girls on an Arts and Craft Badge. Last week they began some textile painting under her direction and showed great interest in their work.

Thanks to the wonderful support and cooperation of the community, we shall soon be able to send in our fee for professional aid from headquarters. We'd like especially to mention the Men's Club of Texico-Farwell which sponsors our local organization and the Veterans.

THE MAVERICK

FOURTH GRADE

The fourth grade welcomes a new member, Cleo Garner, who came here from Muleshoe. We now have a membership of twenty-two.

FIFTH GRADE

The Fifth grade presented the East chapel program which was the Hal-low'e'n program. All members of the class took part.

We made \$26.85 at the school carnival. We want to thank every one who helped us. We, especially want to thank Mr. Walter Hardage for helping us with the boxing; Mrs. Clift and Mrs. Sprawls for their work with our booth, and Mrs. Clift for the cake she gave.

We have been making Thanksgiv-ing decorations for our room.

SOPHOMORE

The Sophomores are really proud of Mary Ruth Petree, she seems to be liked by all the football boys.

Warlick's bones seem to be so breakable, he needs two bottles of milk for lynch every day, eh Warlick?

SENIOR NEWS

The Seniors haven't much to say this time. It seems that we are all glad to get back to studying after so many days to miss classes. We can't seem to catch up with the time these days. Here it is time for our second six weeks test and it seems we have just finished the first ones. We hard-ly know whether it is because we are so near out of school or because this year is so interesting we get busy and don't notice the time. Eh! Seniors?

HOMEMAKING III NEWS

Tommie could you tell us why you were so persistent about getting your red jumper done by Saturday night?

Iris tell us that her waistline is only 23" but we think her skirt would fit better if it was 27".

At last Peggy is ready for her hem after having to take out all ten seams of her skirt three or four time.

Theda, why do you want to put of modeling our skirts? Could it be because she dosen't think she can finish hers that soon?

Has everybody seen Inez's new skirt? It sure is snazzy.

Why is Mary Ruth groaning, "Oh, how I wish I was through!"

We wonder if Mildred will ever get through with her darts.

HOMEMAKING II NEWS

We are now making a scrap book on "The Kitchen" and there has been quite a bit of hair pulling and gnashing of teeth. Just like typing isn't it girls? Two of our girls, served at a banquet given for the Superintendents of the county. They were rather nervous about the whole thing. In fact when they began to pour the coffee the cups and saucers rattled like a china-doll. After serving the girls the women clean up. They got to making so much noise the teachers went to see what the commotion was about.

The entire banquet was a success.

F F A NEWS

The Farwell boys are planning to take a big part in the spring live-stock show. This will perhaps be Farwell's largest entries in shows. For the fat stock show there will be around twenty-five entries. This in-cludes both hogs and calves. The in-itation of the green hands was a thing they wont be forgetting, not very soon-anyway.

SCANDAL

I wonder why Valarie and Chester have broken up! Who's name had he been putting on his gloves? How about that, Hazel???

YOU DON'T NEED

A FOUR-LEAF CLOVER

Four-leaf clovers are always a welcome sign, but experience has taught that "common sense" is much more practical. Four-leaf clovers are much better when used as feed for livestock than for a sign of luck.

So, don't depend on a four-leaf clover to help you get the utmost in use and pleasure from Natural Gas.

Check all connections and adjustments NOW. Be sure there are no leaks. Be sure your appliances are burning correctly.

And, above all, be sure your appliances are well-vented . . . be sure you have a source of fresh air when you go to bed. During the summer, vents often become clogged, so be sure they are cleaned out before the cold days arrive. If appliances do not have proper vents, call our service department NOW. A trained serviceman is ready to help you at all times.

FARWELL ATHLETIC TEAMS HAVE MIXED-UP WEEKEND OF BASKETBALL AND FOOTBALL

The athletic departments of the Farwell school made a clean sweep of all opposition last weekend, taking wins in both the football and basketball contests, over Oklahoma Lane and Pleasant Hill, respectively. The first event of the weekend sport calendar was a six-man football contest between the Laners and the Steers, which was played on the Farwell court Thursday and which went to the Steers, 30-6, with every man on the string getting an opportunity to add to his time during the game.

Although not a hotly-contested affair, considerable enthusiasm was evidenced by sports fans, as the Steers needed this final match to clinch the District 2 six-man championship, and consequently, a fairly good crowd was on hand to witness the fray.

All of Farwell's touchdowns came as climaxes of long gains, with Hart scoring the longest run of the day, when he took a Cowboy punt and thundered down the field for 57 yards before hitting paydirt. Robertson was credited with two touchdowns, one after a 35-yard run and one after a 20-yard scamper, and Sheets carried the pigskin for 45 yards and 30 yards to enter the end zone twice during the game.

Rundell chalked up the only tally of the game for the losers, plunging over from the two-yard line, after Gober had made a beautiful run to put his team in scoring position. The Cowboy touchdown came when the clock showed only two minutes left to go.

Farwell scored once in the first quarter, twice in the second period, and once each in the third and last cantos, the scorebook revealed. Halftime festivities included the coronation of Misses Maxine Ford and Mary Ruth Petree as "football queens", the two girls having been named by members of the squad. They were crowned by Don Williams and Max Ford, co-captains of the team.

Play Basketball Saturday
Jumping quickly into the cage season, both boys and girls hit the local court Saturday night, in the opening game of the season against the visiting Pleasant Hill teamsters, and raked up two wins.

The girls' game, which ended 7-6, was exceptionally slow on the part of both squads, with the forwards stopping to dribble when they had a chance to shoot, and the guards passing into the hands of the opposition.

It was practically a free-throw battle, with Meeks, shifted from guard to forward, leading the Farwell scorers with a total of four. Wagner had an equal amount for the Pleasant Hillers, and H. Randol was in second place for honors, taking three for Farwell.

The boys' game, which also went to Farwell, ended with a 24-18 count after see-sawing during the first half and showing Pleasant Hill in a 15-16 lead at the beginning of the final quarter.

Actually, the game was not as ragged as could have been expected, considering the little amount of practice the locals had, but at times

it appeared that the Steers were still wearing their gridiron uniforms. Williams of Farwell, and Davis of Pleasant Hill were tied for scoring honors, with eight each, while Hart came in second, making three fielders for the locals, and Jarrell had four points for the losers. Holland turned in a good game at guard for the visitors, as did Hart, centerman for Farwell.

Pleasant Hill Falls To Texico Squads

Two visiting Pleasant Hill teams failed to equal the scoring of the Texico cagesters, the past Friday night, when boys and girls basketball games were held on the local court, before what officials termed today as the biggest game ever recorded for the local gym.

The girls' game appeared to be a cinch for the visitors until the final minutes, when Coach Tom Hudson switched Bridges from guard to forward, and she hit the bucket for nine points to give Texico a 20-16 win, after the locals had been trailing 11-5 at the half.

By this count, Bridges led the scoring parade, with Whitner of Pleasant Hill coming in for a close second when she counted eight. Moore had six and Green four.

The Texico starting lineup put Green, McDaniels and Ingram at forward, with May, Bridges and Monk were at guard. Pleasant Hill players included Winkles, Betts and Whitner at forward; B. Roberts, Roberts and Duncan at guard. Rogers replaced Bridges at guard for Texico in the second half.

Starting off with a bang, the local boys ran up a heavy score in the first few minutes, after which Coach C. E. Sanders used every substitute he had on the bench, in keeping the final score down to 26-14.

High scorer for the evening was M. Doolittle, who took six for Texico, while running mates Bridges and Vought battled it out for a 4-point tie to stand in second place. Texico starters were Balcock and Pearce at guard, Vought and M. Doolittle at forward, and Paul at center.

TO SOUTH TEXAS

C. M. Henderson left the latter part of last week for the hill country of South Texas, where he will join a group of old Texas A. & M. students on a deer hunt. He expected to proceed to Corpus Christi to attend business matters before returning home.

BOYS WIN GIRLS LOSE TO FRIONA TEAMS

A three-game series played at Friona on Tuesday night gave the two girls squads of that schools victories over Texico, while the local boys wound up the evening by defeating the Chiefs.

The senior girls game ended at a 26-15 count, and the scorebook reveals that the locals missed enough free shots to have sewed up the game. In addition, Texico had control of the ball the most of the first half but proved unable to hit the basket, while the Squaws made all shots count when the ball came their way.

M. Taylor held the scoring honors with 12 for the winners, while Bridges had 10 for Texico. L. Robason, as usual, turned in a good game at guard for the Squaws, while P. Rogers, May and Monk proved surprisingly good on holding down the Friona forwards.

The second-string girls' game went to Friona, also, by a 15-21 count, after dragging through the early periods of the scrimmage. Cobb led the basket parade, taking nine points for Friona, while Ingram bagged a total of eight for Texico.

The boys' game was definitely in the hands of the Texico team, with the final count standing at 48-15.

All members of the local squad turned in good performances, while the Chiefs proved pretty ragged, due primarily to the fact that they have had very little practice, having just wound up a gridiron season.

Texico Cagesters Go To Ranchvale Friday, 22

Playing their first game of the current season away from home, the Texico cagesters, with Coaches C. E. Sanders and Tom Hudson, will visit on the Ranchvale court Friday night of this week, November 22nd, it was announced today. This will be the last series until after the Thanksgiving holidays.

Reports here, while meager, do not indicate a very hard game for the local boys, with Ranchvale reportedly having succumbed to Dora by a heavy score already. The Texico boys, having defeated Pleasant Hill last weekend, are gunning for another scalp.

The outcome for the two girls sextettes is a matter of conjecture. Texico lost last Tuesday to Friona, then won Friday night from Pleasant Hill. It is understood locally that the game Friday will be the initial match of the stason for the Ranchvalers.

The P-39 war plane is popularly called the Aircoaba.

First Class Play Will Be Presented, 27th

What happens when a man jilts one girl, falls in love with his fiancee's female lawyer, and then attempts a disguise to protect himself from both women will be revealed on Wednesday evening of next week, November 27th, when the Texico juniors present their play, "Please, Mr. Featherway!" in the auditorium of the school.

The uproariously funny three-act comedy is being directed by Warren G. Harding and will begin at 7:30, Texas time. Admission to the play will be 25c for school student and 35c for adults, Harding announced.

Stuart Cameron (Malvin Curry) never meant to let glamorous singing star Marilyn Marvell (Margie Baker), think that he was serious about her. When she did get that idea, Cameron beat a hasty retreat, further complicating things by falling in love—from a distance—with Theodora Ellsworth (Phyllis Mendoza), a young lawyer who has offices across the alley from those of Charles Wellman (Clifton McDonald), also an attorney and a pal of Cameron's.

The plot thickens when Miss Marvell, Miss Ellsworth, Cameron and Garrison (Gerald Balcock), the garrulous process server, get together under one roof. In desperation, Cameron unwillingly poses as a bearded poet, Eustace Featherway, and is practically forced to write serious poetry, speak before a woman's club, and have his false beard tugged at every turn.

Other members of the cast include Peggy Wellman, wife of Charles, played by Aileen May; Mrs. Haven, president of a small-town literary club, enacted by Goldie Sutton; and Mrs. Alma Doane, secretary of the club, portrayed by Mary Harding.

The public is cordially invited, and urged to be on time for the opening curtain of this hilarious play.

New Officers Elected For County Singers

Claude Watkins, was named as the new president of the Parmer County Singers Association, last Sunday, when the annual meeting was held at Oklahoma Lane.

Other officers elected included Arlie Green, of Friona, as vice president, and Earl Roberts of Oklahoma Lane, secretary.

A large crowd of visitors and association members attended the meeting at Oklahoma Lane Sunday and report an enjoyable day.

Graham Is Elected As Local Representative

Six thousand ministers in nineteen church denominations, nationwide, have banded together in a crusade known as Spiritual Mobilization to combat the peril to spiritual freedom because of communist infiltrations and due to a rising pagan level toward a mortal God State, according to announcement made yesterday by the organization. The movement is locally represented by Rev. B. N. Graham.

This crusade for freedom which recognizes man as a child of God and as such master (not slave) of the State, sponsors the return to the American way of life with its democratic process and constitutional government. Its advisory committee is headed by such notables as Dr. Donald J. Cowling, former president of Carleton College; Roger W. Babson, the statistician; Dr. Edgar J. Goodspeed, Bible scholar and author; Dr. Rufus B. von Kleinsmid, chancellor University of Southern California; Alfred Noyes, poet; Dr. Robert A. Millikan, president California Institute of Technology; Dr. Norman Vincent Peale, Clergyman; Hon. Albert W. Hawkes, United States Senator; and others.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending November 16, were 25,443 compared with 23,680 for the same week in 1945. Cars received from connections totaled 13,000 compared with 10,592 for same week in 1945. Total cars moved were 33,443 compared with 34,272 for same week in 1945. Santa Fe handled a total of 37,794 cars in preceding week of this year.

which has cooperated with him and his operations from the very start. He also praised the New Mexico Cattle Sanitary Board for its cooperation. "When we want to move cattle into or from New Mexico, all we have to do is notify them and call Harry Whitley," he reported. "But that pile of manure (Pringle had another name for it) is our biggest problem." He said that efforts to dispose of it for fertilizer had failed, and he still doesn't know what to do with the accumulation which is daily growing larger.
