

Texico Inaugurates Community Program

An interesting community program that bids well to become popular with local residents was started last Friday evening, with the Texico merchants taking the lead. The first program was for the benefit of the youngsters and a dog show was the principal attraction.

Cash prizes were given to the youngsters showing the ugliest and the best-looking dogs. Ralph Cox's entry copped first in the best looking mongrel, and Ikey Wilmon exhibited the ugliest critter.

The community get-together is to be held each Friday evening at 8 o'clock, just east of the Home Grocery & Market. Lights and a public address system have been installed.

Next Friday evening a program of music and a quiz contest for youngsters 14 years and under will be held. Les Means, chief sponsor of the programs, said this week that plans were under discussion to enlarge the entertainment features so that everybody in the community would have a chance to take part.

He is working on plans for a program that will have the church choirs of the various churches of the Twin Cities competing. "We want to work out a program that will be of interest to everybody and at the same time give everyone a chance to participate," he said.

Bovina Baptist Revival Begins On July 28th

With Dr. Joseph Herschel Cohen, noted world travel and evangelist in charge, the Bovina Baptist church will begin a series of revival services on Sunday, July 28, the pastor, Rev. Fred Stumpff, has announced. Dr. Cohen, a native of Charleston, S. D., estimates that he has spoken before nine million persons and has brought 27,000 individuals to Christ. His most famous sermon, "The Jewish Passover" will be vividly presented in full costume during the series.

Services will be held twice daily beginning July 29, at 10:30 a. m. and 8:30 p. m. The public is cordially invited to come early and join in the splendid singing under the direction of Royce Curtis, evangelistic song leader.

Revival Slated For Okla. Lane Church

Rev. J. J. Terry, pastor, announces a revival for the Baptist Church at Oklahoma Lane, to begin on the evening of July 25th and continue through August 4th.

Rev. H. T. Harris, pastor of the First Baptist Church of Hedley, Texas, will act as the evangelist, delivering sermons at 11 a. m. and 8:30 p. m. each day.

It was also announced that a three-day singing school would begin at the church on the evening of July 22nd, to be conducted by Fred Becker, of the Baptist Theological Seminary at Fort Worth. Becker will also direct the congregational singing during the evangelistic services.

Rev. Terry urged that all people of the community make plans to attend both the revival and singing.

Retain Cream Stubs, AAA Recommends

Producers who are marketing cream and milk are urged to retain sales stubs, Harold Carpenter, supervisor of the local AAA office said today.

These stubs, which constituted the basis on which subsidies were allowed to producers, may prove extremely valuable if OPA is reinstated. Carpenter added, in urging that producers take care of their receipts.

Accidents and fires strike one out of every 12 farm families.

TO OUT-OF-TOWN SUBSCRIBERS

Under new policy, a charge of 10¢ is made for change of address. Please include this when you notify us of such change. Otherwise, The Tribune will not be forwarded to new addresses.

PACE BROS. LEASE GARAGE

J. H. and R. W. Pace, both ex-servicemen, have leased the State Line Garage, and have been remodeling the business this week in preparation for their opening. They expect to carry a line of automobile parts and will be prepared to do mechanical work. They will handle Magnolia products, with a complete line of Mobil goods.

Former Local Woman Dies In Oklahoma

Mrs. W. A. Doshier, age about 70, died at the family home in Tipton, Okla., early Tuesday morning after a lingering illness. Burial will take place at Tipton on Thursday of this week.

The Doshier family came here from Oklahoma in 1918 and settled and improved one of the first farms in the Oklahoma Lane community, 2½ miles east of the school. A few years ago they sold their interests and returned to Oklahoma. Several relatives and a number of friends from here will be in attendance at the funeral.

She is survived by five sons: Lee, Texico; A. J., Farwell; Ernest, Klamath Falls, Ore.; Elmo, Tipton, Okla.; Jessie Marion, Oakland, Cal.; and three daughters, Mrs. Wannie Hurst and Mrs. Carl Miller, both of Klamath Falls, and Mrs. Clarence Barber, Farwell.

Details On Martin Funeral Given

Mrs. Lora Martin, of Fort Worth, has written friends here the details of the funeral held in Japan for her son, Lt. Morris Edwin Martin, who met his death in a plane crash on June 8th.

Martin was killed at Nagoocha, letters to Mrs. Martin reveal. His base was just a few miles from Yokohama, at Yokosuka. Both the Chaplain and Commanding Officer have written Mrs. Martin, telling of her son's high rating in the service, as he had never had a mark against him. They also mentioned his popularity with his fellow officers and his men.

Funeral services were held at twilight, apparently, and burial was with the cemetery located on a high bluff overlooking Yokohama Bay and Tokyo Bay.

No details have been received on the young man's death, but apparently he was alone in a small craft, as Mrs. Martin writes that the Chaplain staffed his talk with "The purple mountains on the western horizon seemed to be reaching to catch the sinking sun. A small craft hung suspended above the earth a moment, and then it was the end of the day."

Through some mail mixup, the young flyer had had no letters from home for some time, and in addition, Christmas packages for last year were recently returned. Mrs. Martin says that if her son had written about the different kind of planes that men could check out and fly when they wanted to go up, adding that he enjoyed flying an observation plane, as it was plastic and afforded a good view, as well as being "fixed so you could almost stop and look at anything you saw".

The Martins formerly made their home in Farwell, and the entire family is well known here.

INSTALLS COOLER

The Security State Bank has just completed the installation of a new air conditioner. It is understood that the new machine is especially designed to cool off hot checks.

LEASES CAFE

Eddie Smith, a recent discharger who comes here from Clovis, has leased the State Line Cafe in west Texico, and is now in charge of the business. Smith says he will operate the business 24 hours a day and will serve regular meals and short orders.

Always hang up shovels, forks, hoes and rakes when you are thru with them. Leaving them lying on the ground or floor is dangerous.

Chamber Commerce Makes Progress

531 Carloads Wheat Shipped to Date

REV. H. T. HARRIS, of Hedley, Texas, who will conduct a revival at the Oklahoma Lane Baptist Church, July 25 through August 4.

School Transfers Must Be Made During July

Judge A. D. Smith, ex-officio county school superintendent reminds parents of this county that all students who live in a school district where their grade is not taught, should transfer to the district where they plan to attend during the 1946-47 school year.

It is impossible for the receiving district to count a student on the teacher-pupil load and receive salary aid for teaching him if he has failed to transfer to the school.

All parents of such students should see that their children are transferred, for the receiving school may charge \$9 per month for each student who was not transferred, Judge Smith said.

Before a student can be transferred from one district to another, the parent or guardian must sign an application form in duplicate and leave both copies with the county school superintendent. One copy is sent to the State Department of Education at Austin and the other is kept in the county office. Local superintendents, or the county superintendent will be glad to furnish parents with the necessary forms.

District school trustees have the authority to protest all transfers of students whose grades are taught in the home district.

July 31 is the last date for filing transfers, Judge Smith warned.

Vacancies Remain On Farwell Faculty List

Supt. H. A. Clift reported today that five vacancies remained in the Farwell school faculty, with two being caused by recent resignations of Miss Berthamae Thomas and Virgil Kelly.

Both Miss Thomas and Kelly are planning to continue their college work toward degrees, Supt. Clift added. Miss Thomas has been handling commercial subjects and doing some departmental work in the upper brackets of the elementary school for the past four years, while Kelly, a veteran, served here last year as grade principal and teacher.

Other than these two vacancies, the Superintendent listed openings in the grades requiring a third grade teacher and three teachers for departmental work in the fourth, fifth, sixth and seventh grades. He added that he had definitely one teacher for one of these vacancies, but was not ready to announce which position the new faculty member would take.

Supt. B. A. Rogers, of Texico, was not available for a statement today, but it was understood that the commercial department position is still vacant at his school. Otherwise, the Texico faculty is complete, barring resignations between now and the opening of the September term.

TO ATTEND MEETING

County Agent Lee McElroy will be in Lubbock on Thursday and Friday, July 18-19, to attend a district meeting of Extension workers. Routine office details will be up for discussion at this time, it was understood.

Martin Proves Big Onions Possible

John Martin, retiring executive of the local AAA office, was displaying some choice onions, produced in his back yard, last weekend.

They were of the white Bermuda variety and the largest measured 17 inches in circumference and weighed one pound and nine ounces. Others averaged about 16 inches in size and about one pound in weight. They were produced from plants, bought at a local grocery store.

Martin said the plants had no unusual attention, other than that they were watered regularly and grown on new ground.

School Land Leased By Co. Commissioners

Through the Commissioners Court, H. B. Herring has been given a 10-year gas and oil lease on a large block of Parmer County school land, located in Gaines County.

The contract covers "Labors 1, 2, 3, 8, 9, and 10 in League 315, Gaines County, Texas." Parmer County will receive a bonus of \$4.00 per acre and a 50¢ per acre delay rental for the lease.

The Friona State Bank, the county depository, is named as the bank to handle the incoming returns from the lease. Incoming money from the transaction will go into the permanent school fund of the county and will be distributed to the schools of the county on a per scholastic basis.

Carpenter To Have Charge Of AAA

Harold Carpenter, who has been associated with the Triple A office in Farwell for the past several years, took over as county administrator today (Wednesday), it is announced, and will henceforth be in charge of Parmer County AAA office work.

He succeeds John Martin, who has tendered his resignation as head of the local office with the announcement that he is moving to Belton, Texas, where he will be in business. Martin returned from Belton last week, having purchased residence property there. His home in Farwell was recently sold to Ed Meeks.

Martin came here last August to resume directorship of the Parmer office. He had previously been located here, later moving to Plainview.

Leon Billingsley, of the Oklahoma Lane community, who has previously had five years experience in AAA work, will succeed Carpenter as chief clerk and field man, it was also announced. Miss Helen McDaniel is the other member of the force.

CROPS UP SOUTHWEST

J. O. Landon, who lives southwest of Texico, was in town last Saturday and reported that most of the crops in his section were up, with some of them already worked out for the first time. Frequent showers the past few weeks have brought reasonable moisture to that section, and stockmen report that range conditions have shown a great improvement during the past few weeks.

ICE HOUSE CLOSSES

Andy Marcus announced this week that his ice house in Farwell would be closed at noon each Sunday hereafter, and reminded patrons to get their ice for Sunday use in the forenoon.

CLOSE FOR ONE WEEK

The City Cleaners announces that their place of business will be closed during the week of July 22-29. Patrons having clothes in the local establishment are requested to call for them before closing time July 20.

Miss Peggy Mayfield, of Friona, visited her sister, Mrs. Woodrow Lovelace, in Farwell, the last of the week.

Parmer County's 1946 wheat crop, considered by most observers to be little better than a complete failure three months ago, has developed into one of the most amazing surprises in recent years.

With the harvest completed, a checkup here the first of the week revealed that already 531 carloads of the golden grain had been shipped from the county, off the present crop. Grain men estimate that possibly as much as one third of the yield is still being held in country elevators and on the farms.

Already the marketed crop has totaled more than 849,000 bushels, with a cash balance of more than one and a quarter million dollars. Grain men and other observers have predicted that the cash value of the crop this year will run between two and three million dollars.

Shipments from the county centers, compiled this week, showed that 531 carloads had been handled. Each car has a normal capacity of 1650 bushels. Figuring these bushels at \$1.70, it is discovered that the cash value is \$1,479,455.00.

Friona In Lead

Friona, always the heaviest wheat shipping center of the county, is in the lead with the number of cars being billed out at 184. Lariat, never before considered a wheat movement point, is holding second place with 150 cars (estimated), and Bovina places third with a total of 103. Texico-Farwell was close behind Bovina, having shipped 94 cars.

Black, located in the extreme northeastern edge of the county, and surrounded by a good wheat belt, has reported no shipments of this year's crop. It is assumed that the grain there has been held on storage in the large elevator. Furthermore, no account is possible of the grain produced in this county and marketed in adjoining counties. A considerable amount of the crop produced in the Lazbuddy section found its way to the Muleshoe elevators, and some along the eastern edge of the county probably went to Hereford.

Grain men agree that farmers are holding much of this year's crop on the farms, and no estimate is possible of the amount in storage.

Prior Approval Sheets Must Be Returned To AAA Office By 31st

Warning that unless the prior approval sheets are on file in the local Triple A office by July 31st that no Agricultural Conservation Program payments would be forthcoming for the current year, Harold Carpenter, supervisor, made an earnest appeal today to get farmers to get these papers in immediately.

"During the rush of harvest, many producers put off completion of their sheets," Carpenter reported, "but unless we have them on hand by the deadline—July 31st—there is nothing we can do about making payment for practices carried out under the ACP."

The program underwent a revision this year, when it was announced that all practices desired by farmers must have prior approval by county committeemen. Since May, the okayed sheets have been mailed out to producers for their signatures, and Carpenter stressed the fact that they must be returned, or no money will be forthcoming.

Plateau Singers To Meet In Plainview

The annual meeting of the Plateau Singing Convention, which embraces all the Texas Panhandle, will be held at Plainview on Saturday and Sunday, July 20-21, it was learned here this week.

The meeting will be held in the City Auditorium in Plainview, and is expected to draw thousands of visitors from Texas and adjoining states. Many of the outstanding singers of the southwest are scheduled to appear on the program that will get underway Saturday evening and continue throughout Sunday.

John F. Taylor, of Canyon, is president of the organization, and Miss Pat Holland, also of Canyon, is the secretary.

The Farwell Chamber of Commerce held its first general meeting on Thursday night of last week, in the homemaking room of the Farwell High School, with a good representation of local business men.

President C. M. Henderson, in opening the first general meeting since the Chamber was organized, expressed his appreciation for the accomplishments that had been realized since the local organization began to function.

He called for reports of the various committees, with each reporting progress. H. Y. Overstreet reported for the Road Committee, outlining the work this group was doing. In addition to his report on road matters, Overstreet said that a movement started some months ago to secure curb-to-curb paving along Main Street in Farwell was progressing satisfactorily, and expressed the opinion that this piece of street improvement "was assured".

Overstreet said that it was apparent that the farm-to-market road leading from Farwell to the Oklahoma Lane school would be built during this year. "Eventually," he said, "we expect to see this piece of road paved to the Castro County line."

More Street Lights For Farwell

O. C. Sikes, in reporting for the Civic Improvement committee, said "We are going to have street lights in Farwell" and gave it as his opinion that at least 40 additional street lights were soon to be added to the residential section "just as soon as materials are available". Sikes said that 84 property owners had signed up, agreeing to have 87½¢ added to their monthly electric bills to defray the operating expense.

The Southwestern Public Service Company, Sikes reported, has agreed to make the installations without charge. In addition to the street lights, a definite move is on to have the county courtyard well lighted, and officials of the local school and waterworks, present at the meeting, said they would cooperate in the movement by installing lights at the waterworks park and the school grounds.

Sam Aldridge, reporting for the special committee named to secure a doctor for Farwell, merely said, "The doctor is here". Aldridge then went into some detail of the investigations the committee had made, concluding with, "I think we are fortunate in securing the services of Dr. Coventry."

New Business Reported

President Henderson then called for the report of the special committee whose duty it was to interest some individual in bringing a picture show to Farwell. At the insistence of the members, Roy Adams, who was present, and who is here with the announced intentions of opening a movie in Farwell, said that he took up residence here about two months ago and since that time has been working on details of putting in a show house. "We expect to have an announcement as to the location in the near future," Adams said, adding, "We plan to give you a show house that you will be proud of."

County Agent Lee McElroy, reporting for the Agricultural Committee, recommended the support of the two livestock shows that are held annually in Parmer County, and outlined a Johnson grass eradication program "that would cover a period of several years." His committee recommended that these two projects receive the endorsement and encouragement of the Chamber of Commerce. The group also suggested that Johnson grass eradication contests be conducted throughout the county, with liberal premiums offered for the most effective kill.

Sam Aldridge read his draft of the proposed Constitution and By-Laws. After much discussion, the annual membership fee was set at \$25 per year, payable in advance. Otherwise, only a few minor changes were made in the draft before it was adopted.

Mr. Thornton, who has been collecting garbage in Farwell the past few months, appeared and stated that the arrangements he had with individuals was unsatisfactory. He proposed to haul all garbage (except barnyard refuse) from the city for \$60 per month. President Henderson named Lee McElroy, Fred Henry and Ebb Randol as a committee to work out the garbage disposal project.

POSTAL RECEIPTS DROP

AUSTIN—May postal receipts of 55 Texas cities, totaling \$2,594,918, showed a decrease of 0.2 per cent from the previous month, and were 3.9 per cent lower than receipts for May, 1945, according to the University of Texas Bureau of Business Research.

Allan Shivers Is Only Vet In Race

Senator Alan Shivers, of Port Arthur, candidate for lieutenant governor, is the only war veteran seeking that office. Exempt from military service, he joined the army as a volunteer and served two years in Africa, France, Italy and Germany. A member of the Texas Senate 12 years, he is asking to be promoted to lieutenant governor on the basis of his service to his country and his state. Adv.

Tips Are Given For Removal of Stains

COLLEGE STATION—Many common stains in cotton clothes can be removed easily if the treatment is known. So Mrs. Dora R. Barnes clothing specialist, list the following treatments:

Asphalt, tar, wax, and paraffin stains can be removed from both white and colored cottons with carbon tetrachloride.

Fresh fruit stains on white cottons can be removed with javelle water. For colored cottons, sponge with warm water, then apply lemon juice after testing a piece of material.

For grass and green vegetable stains, use javella water on white cottons and alcohol on colored garments.

A prepared ink remover is best on white cotton. But ink should be removed from colored cottons with alcohol, then lemon juice. However, Mrs. Barnes cautions that a piece should be tested before this treatment is applied.

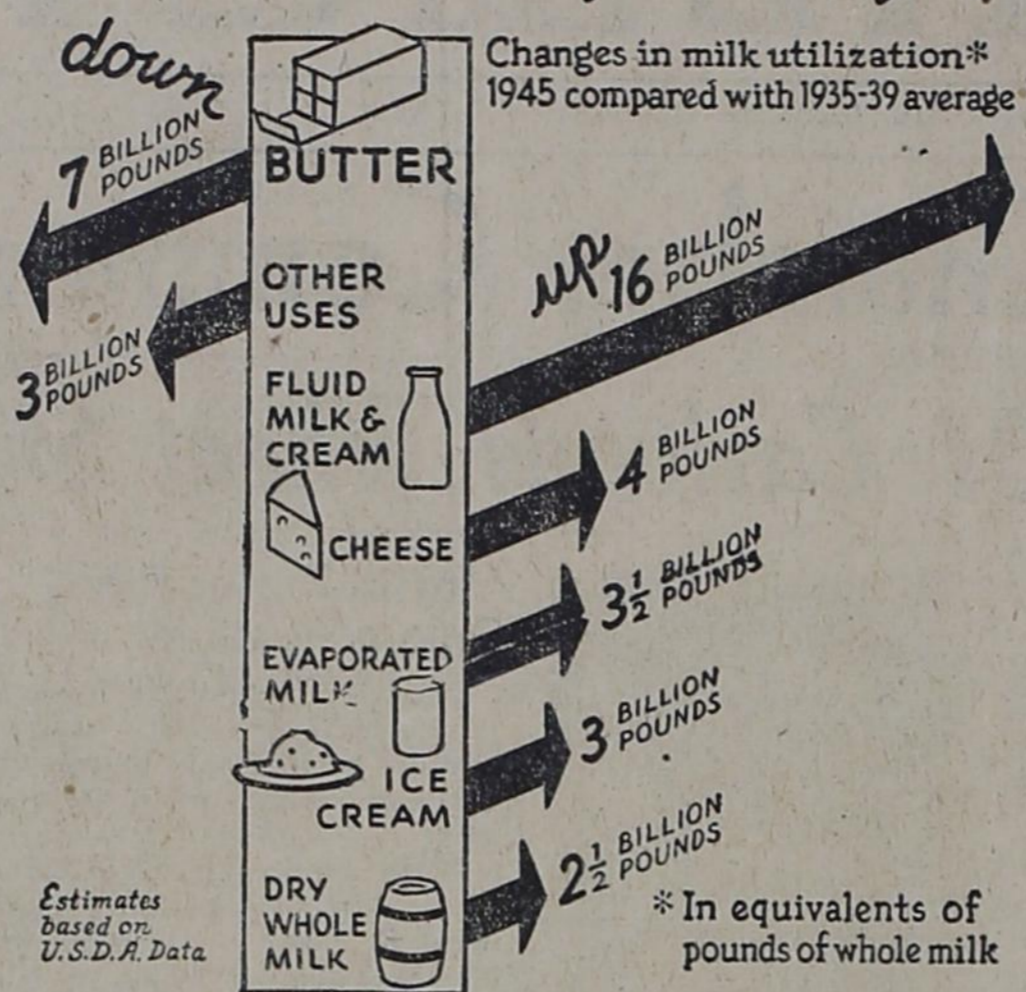

Rust can be removed from both white and colored cottons with oxalic acid or lemon juice. Paint stains in both white and cotton goods can be removed with turpentine or carbon tetrachloride.

Carbon tetrachloride will remove lipstick in both white and colored cottons, but cold cream should be worked into colored material before application.

For treatment of mildew in white cottons, use hot suds, rinse, and alternate javelle water and oxalic acid. For colored things, use soap and water.

WHERE DID THE BUTTER GO?

... Americans are using it in other forms

Knowing that American dairymen are producing more milk than at any time in history, it is hard for many people to understand why they cannot get butter. The real facts are that, for the most part, they are getting that butter in other forms.

Americans consumed 16 billion pounds more milk as milk and cream in 1945, than in the five pre-war years. That is enough to make six pounds of butter a year for every man, woman, and child in the United States. Manufacture of other milk products for American fighters and Lend Lease increased enormously. American food habits are improving rapidly, points out the National Dairy Council, and there is a heavy demand for milk and milk products. This is creating a situation which makes it difficult for production to catch up with demand.

ENERGY FROM SUN

The flow of energy falling perpendicularly every second on the earth's surface from the sun is equivalent to 4,690,000 horsepower per square mile.

FIRST COMMERCIAL

Radio's first network commercial program was the "Eveready Hour" broadcast Feb. 12, 1924, under the sponsorship of National Carbon Company, Inc. The program was entitled: "He Knew Lincoln."

ELECT

FLOYD H. RICHARDS

DISTRICT ATTORNEY

69th Judicial District

So the People of Parmer County May Know:

FLOYD H. RICHARDS was elected County Attorney of Dallam County, Texas, in 1940. He served in that capacity until he was called to the U. S. Army.

For the next four and one-half years he was in the Army; first as a bombardier, where he flew forty combat missions in the European theatre of Operations, and later he was appointed Trial Judge Advocate (Prosecuting Attorney) at Midland Army Air Field.

He has now returned from the Army, opened a law office in Dalhart and announced as a candidate for District Attorney of this District.

We believe he has earned the promotion he asks. His experience as County Attorney and Trial Judge Advocate has qualified him for the advancement.

Furniture Outlook Shows Improvement

Our buyer has just returned from Chicago, where he spent a week in conference with the biggest furniture manufacturing executives in the country.

We were given every assurance that we could be expecting increased shipments of furniture, household appliances and rugs in the near future—possibly early in August.

Another encouraging note: There seems to be little possibility of radical price advances on items you have been needing for your home.

Meanwhile, we are holding the line here, with no increase in our price levels since OPA regulations were removed.

AWARDED CITATIONS

AUSTIN—Eleven University of Texas members have been awarded citations by the Navy Department for outstanding war-time research on anti-submarine weapons and a new type of torpedo.

**To the Voters of Commissioner's
Precinct No. 3, Parmer County:**

I am taking this method of informing you that I am still in the race for County Commissioner, despite any impressions to the contrary.

Due to a misunderstanding of filing requirements, my name will not appear on the ballot of July 27, 1946. The way to cast a vote for me will be to draw a line through the names of the candidates appearing on the ballot and write in my name.

I am making the race as a "write-in candidate" at the insistence of many of the voters of this precinct, and I shall be truly grateful if you will mark your ballot in the manner mentioned.

If nominated and elected I assure you that I will, to the best of my ability, discharge the duties of the office in such a manner that the interests of the county shall be protected at all times.

I respectfully solicit your support in my behalf.

JOHN ARMSTRONG

WHEN YOU SAY THAT SMILE

DESPITE THE GREAT DISPARITY IN THEIR AGES, HE CHALLENGED BABE RUTH TO A FIGHT!

**Focuses Attention
On State Veterans**

Senator Allen Shivers, only ex-serviceman in the race for Lieutenant-Governor, focused attention on war veterans when he opened his campaign recently in his hometown, Port Arthur.

"I exchanged ideas with fighting men many times in the hard days overseas in Africa, Italy, France and Germany. I know the anxiety and disappointment so many veterans feel today, and I understand and appreciate their problems that are also my own problems," the Jefferson county senator stated.

Although only 38 years old, Senator Shivers is dean of the Texas Senate because of his 12 years service. The Gulf Coast counties of Jefferson, Hardin, Liberty and Orange made him the youngest senator ever to take the oath of office when he was first sent to the state capitol to represent them in 1934.

"My past 12 years experience in the state senate enables me to preside over that legislative body, which is one of the main duties of Lieutenant-Governor," Senator Shivers pointed out.

Listed as his aims when elected Lieutenant-Governor, Senator Shivers named consideration of war veterans problems, higher salaries for teachers, better farm-to-market roads and reorganization of the pardon and parols system of the state.

He pointed out that he proposed and sponsored a farm-to-market road program for every county in Texas during the last session of the legislature. "The first old-age assistance law placed upon the Texas Statutes was sponsored by Allan Shivers," he reminded.

"I have been a proponent of legislative re-districting since 1937. This must be done and soon," the senator said, continuing his platform. "I favor a 60-day session of the legislature each year rather than 120 days every other year. I also favor a reduction in the number of legislators and adequate pay for them," he said.

Now touring the state in the interest of his candidacy, the senator said he is asking for promotion upon the basis that he is the only candidate for Lieutenant-Governor who has the experience and qualifications

that are so badly needed in order to properly preside over the Texas Senate, the Lieutenant-Governor's chief function.

NEW CORPORATIONS

AUSTIN—Texas gained 336 new corporations in May, with all but 13 capitalized below \$100,000, the University of Texas Bureau of Business Research reports. Only 77 charters were issued in May, 1945, and 228 in April, 1946. Those firms handling oil, real estate, or transportation equipment or service registered outstanding gains during May.

Health Notes

By Texas Department of Health

In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, Dr. Geo. W. Cox, State Health Officer, today issued an urgent warning to every individual in Texas to practice strict personal hygiene to protect his own health and that of those about him.

"Of course, cleanliness and personal hygiene are ordinarily taken for granted," Dr. Cox said, "but at this time with the incidence of poliomyelitis having reached a total of 292 cases, I would like to re-emphasize some personal sanitary measures which may help in preventing the spread of this crippling and often fatal disease."

The State Health Officer stressed the importance of scrupulous cleanliness of the person. Frequent bathing and immaculately clean clothing are vitally necessary. Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic are recommended. The nasal passages should be kept clean and dental defects corrected immediately.

Sanitation and thorough cleanliness in the home are instinctive with the average housewife, but at this time their importance to health must be re-emphasized. Home sanitation includes those taken-for-granted measures such as washing the dishes in hot soapy water and rinsing them in hot clear water; keeping sinks, bathtubs and fixtures scoured clean and rinsed with a mild antiseptic solution; sunning and airing bed clothes, ridding the home of flies, rats and roaches which, since poliomyelitis is believed to be a filth-borne disease, are suspected as being responsible for transmission.

"If good personal hygiene is combined with good community sanitation and hygiene, it is hard for any disease to get a foothold," Dr. Cox said. "With such a dread disease as poliomyelitis prevalent in the state, no precaution should be overlooked and no bars should be left down for its entrance."

OKLAHOMA LANE

A group of neighbors gathered in the Jack Roach home, Sunday, to enjoy a covered dish dinner honoring James Roach, who returned home from overseas last week. Attending were Mr. and Mrs. Brown and daughter of Vernon; Mr. and Mrs. C. E. Johnson of Arapaho, Okla.; Mrs. Roach of Oklahoma City, mother of Jack Roach; Miss Frances Roach of Farwell; Mr. and Mrs. George Patton and daughter, Mr. and Mrs. Oris Hubbell and children, Mr. and Mrs. Harold Carpenter, Mr. and Mrs. Wade Carpenter, Mr. and Mrs. Johnnie Ginnings and son, Mr. and Mrs. Levi Johnson and children, Mr. and Mrs. Bill Johnson, Mrs. Emma Joyner, Mr. and Mrs. James Roach and daughter and Mr. and Mrs. Jack Roach.

Mrs. Arthur Bolton is ill at this writing.

Mr. and Mrs. Billie Joe Foster and Mr. and Mrs. Nelson Foster and sons were Sunday guests of Mr. and Mrs. Jack Fegan of Clovis.

Scottie Gober and W. M. Donaldson motored to Lubbock, Monday. Mr. and Mrs. Ernest Foster and Mr. and Mrs. Earl Cole, all of Clovis, and Mr. and Mrs. Oscar Hubbell and daughters visited Mr. and Mrs. Bill Hubbell and family, Sunday.

Mrs. Sterling Donaldson and children have been visiting in Tullia the past week.

Mr. and Mrs. Brown and daughter, of Vernon, left for their home Monday, after visiting in the Owen Patton home.

Mr. and Mrs. C. E. Johnson of Arapaho, Okla., are visiting in the Levi and Bill Johnson homes.

Mr. and Mrs. Archie Henchey and family were Sunday guests of Mrs. Joe Donaldson. The Hencheyes left today (Wednesday) for their new home in the state of Washington.

A large group of young people honored Miss Hazel Hinchey with a farewell party in the form of a hay ride and skating party, Monday night.

LIGHTNING DOESN'T HAVE TO STRIKE TWICE TO BE BAD...

IF YOU DON'T HAVE INSURANCE!

IF FIRE OR LIGHTNING SHOULD STRIKE YOUR HOME TONIGHT:

1. Would you have ANY insurance?
2. Would the insurance you have be sufficient to REPLACE your loss, based on today's high building costs?
3. Would that STORED WHEAT, representing perhaps a year's toil and expense, be a COMPLETE LOSS?

THINK IT OVER; then drop in and let us bring your insurance coverage UP-TO-DATE.

"If it's worth insuring at all, it's worth insuring properly."

Mrs. Robert Leach And Mrs. Melvin Cash Are Shower Honorees

Mrs. Robert Leach, the former Miss Aleta Cash, and Mrs. Melvin Cash, the former Miss Vera Leach, were complimented with a double bridal shower, last Tuesday afternoon at 3:00 o'clock, at the Rhea school house. Hostesses were Mrs. Bill Alderson, Mrs. J. D. Stevens, and Miss Fay Leach.

Presenting the gifts were Miss Irene Schueler, Miss Lillian Scheuler and Miss Alene McGlothlin.

The entertaining room was decorated with vases of cut flowers given by Mrs. Paul Koeltzow and Mrs. Manuel Wagner. Mrs. Floyd Schlenker and Mrs. Irene Cash presided at bride's book. A vocal solo was given by Mrs. Glenn Phipps, and a piano solo by Miss Cleola Hurst.

Lovely refreshments were served to Mesdames Sarah Dean, Hurst, Webb, Albert Drager, Helen Potts, Johnston, Bob Leach, Louise Wagner, Freda Wise, Gurley, Houlette, N. G. Phipps, H. M. Cash, Irene Cash, H. Schueler, Floyd Schlenker, Edna Koeltzow, Charlie Calaway, Bill Webb, Jerry McGlothlin, the honorees and hostesses, and Miss Cleola Hurst.

Regretting were Mesdames L. H. Hoffman, Robert Schueler, Bill McGlothlin, H. T. Reynolds and Malcolm, E. M. Wagner, Mae McFarland, Sera Nell Brown and Miss Velma Schueler.

Visitor Honored At Forty-Two Social

Mrs. Jim Curry, who is here from Alhambra, California, visiting with relatives and friends, was honored Monday afternoon when a number of friends gathered in the home of Mrs. W. H. Graham for games of forty-two.

At the conclusion of the games, a social hour was enjoyed and a refreshment plate of angel food cake topped with ice cream was served to Mesdames A. D. Smith, V. Scott Johnson, W. W. Vinyard, Lee Bradshaw, Anne H. Overstreet, Jim Curry, Vance Crume, and the hostesses.

Quarterly Conference

The third quarterly conference for the Bovina-Oklahoma Lane Methodist churches will be held at Oklahoma Lane Sunday, July 21. A basket dinner will be served and Dr. Hamlett will preach at 11 and have conference at 2 o'clock. Rev. Roscoe Trostle, pastor, says it is very urgent that every member of the churches attend, as the important question of whether the churches should separate and each have a full-time pastor will be discussed.

Bill the Butcher Says

Boy, we really hit the jackpot this week. After all that cry I made last week about empty meat cases, Monday found the cases full of the most complete line we have had since before OPA was even born.

Yes, sir, we have plenty of such items as bacon, ham, cheese and a full variety of lunch meats. To say nothing of the finest steaks and roasts ever displayed in Farwell.

It's always wise to shop at BILL HALL'S every day. We may be out today—but tomorrow will find us with plenty of EVERYTHING!

Lawn Party Held On Monday Evening

An unusual and interesting lawn party, attended by guests from out-of-town, was held at the home of Mrs. Pearl Donaldson, in Oklahoma Lane community, last Monday evening. The hostesses were Mrs. Arnold Hromas of Bovina and Mrs. Harold Carpenter of Oklahoma Lane.

The younger group, sponsored by Mrs. Hromas, included Billy and Betty Sides of San Antonio; Buddy, Dicky and Freddy Lykes of Laredo; Keith Battey of Friona; Peggy Joyce Stump, Charlotte Hromas and Billy Ward of Bovina; Christine and Baby Verner, Lowdene Terry and James Roberts, of Oklahoma Lane.

Ice cream cones and cookies were served to the youngsters and Mrs. Donaldson, Mrs. Verner, Mrs. Barry, Harold Carpenter, Arnold Hromas and Rev. and Mrs. Terry.

Mrs. Harold Carpenter directed the activities of the older group, with guests including Virginia Ruth Massongill of Los Angeles; Joan and Buddy Sides of San Antonio; Alta Norton of Farwell; Barbara Foster, Scotty Gober, Frances Suddeher, Hazel Hinchey, C. W. Grissom, Paul and Henry Young, Merrell Rundell, Melvin Terry, Glenn Hromas, Donald Ray and Charles Verner, and W. M. Donaldson. Refreshments of ice cream, cookies and punch were served.

The climax of the party came when both groups assembled around the dining table and were served the birthday cake prepared by Mrs. Scotty Barry, honoring Buddy and Billy Sides.

Baptist Young People To Summer Camp

A group of fourteen young people left here early Monday to represent the local Baptist church at the summer EMOW youth camp, near Albuquerque.

The young people were accompanied by Mrs. Bill Bradshaw and will spend a week at the encampment.

Program Will Conclude Local Bible School

As conclusion of a two-week series of classes, a program will be presented in the auditorium of the Methodist Church, Friday evening at 8:30, by students of vacation Bible school.

A display of the handicraft work completed by the children will be arranged for inspection, and the public is cordially invited to attend.

Double Wedding Held In Clovis, June 14

Brothers and sisters were united in marriage on June 14, at the Church of Christ in Clovis, when Leroy Nelson, pastor, performed the nuptial rites for Miss Almeta Fay Cash and Robert Leach, Jr., and Miss Vera Leach and Melvin Cash. Mrs. Cash and Robert Leach are from Friona, the children of Mr. and Mrs. Robert Leach, Sr.

Mrs. Leach chose a blue crepe dress with white accessories and a pink rosebud corsage, while Mrs. Cash wore white with black accessories and an identical corsage.

Mrs. Cash graduated from the Friona high school, and has been employed in Clovis for three years. Cash attended the Pampa high school, and has recently been discharged after four years in service. He is employed at the Southern Union Gas Company in Clovis.

Mrs. Leach is a former Clovis high school student, and her husband is a graduate of Friona. He has been discharged recently, having served one year in uniform, and the couple resides near Friona, where the groom is farming.

Visits With Parents

Mrs. Jack Greathouse, nee Peggy Schleuter, spent last week in the home of her parents, Mr. and Mrs. Olan Schleuter. Mr. and Mrs. Greathouse are operating a small ranch west of Floyd, N. M.

Guests Of Petrees

W. P. Reed, of Plainview, visited briefly in the Z. W. Petree home the first of the week. He was with relatives and they were en route to Red River, N. M., on a vacation trip. Reed is an acquaintance of the Petree family of 40 years standing.

Here From Dallas

Mrs. Archie Lorenz and daughters, Clara Bess and Barbara Mae, arrived from Dallas, Tuesday, to spend two weeks visiting in the home of Rev. and Mrs. Virgil Hunton. Mrs. Lorenz is a sister of Mrs. Hunton.

New Secretary

Miss Dora Dean Perkins, of the Oklahoma Lane community, has taken over the position of secretary in the office of County Agent Lee McElroy. She succeeds Mrs. Ophelia Billington, who recently resigned.

Here From California

Misses Alverda and Juanita Hall, former local girls who now make their home in Ontario, Calif., are here for a three-weeks visit with friends in Texico-Farwell, Clovis and Bovina.

Marcella and Virginia Ruth Magness, of Portales, visited the first part of the week in the home of Mr. and Mrs. Willis Magness.

Mr. and Mrs. Raymond Ross, of Morton, visited her sister and brother-in-law, Mr. and Mrs. William Thornton, over the weekend.

Mr. and Mrs. Dick Crume, of Lubbock, transacted business in Farwell over the weekend.

Mr. and Mrs. John Crim and family attended a family reunion at Temple, Texas, Sunday.

Misses Helen McDaniel and Maxine Crim spent Sunday visiting Mr. and Mrs. Clyde Pumroy in the Midway community.

Mr. and Mrs. Claude Curry and Mrs. Jim Curry spent Tuesday in Amarillo, visiting and attending business matters.

Duane Sprawls and Bobby Hart, employed with the Santa Fe signal gang in Ardmore, Okla., were here to visit their parents over the weekend.

NEWS FROM OUR BOYS IN UNIFORM

DISCHARGES FILED

T-Sgt. Horace G. McLean was released from the 88th Artillery at Fort Sam Houston on July 3rd. His EAME ribbon has one campaign star, Rome-Arno, and other colors include the Army of occupation (Germany), good conduct and victory. McLean served seven months in the States, 18 months overseas.

Charles Donald Smith, S1-c, received his navy discharge at Norman, Okla., on July 9th, serving since June, 1944. He has the victory and American area colors, also the A-P ribbon with one star and the Philippine liberation ribbon.

Pfc. Lloyd Burdell Sharp was discharged from the Marines at Great Lakes, Ill., on June 17th.

Pfc. Keith L. Blackburn is also home from the Marines, having been discharged at San Diego on July 6th. Blackburn served in the A-P theatre, with occupation troops in China, from May, 1945, to June, 1946.

First Lieutenant Elvis Bell has been discharged from the Air Corps, after spending 19 months in uniform. He has the American and victory ribbons.

S-Sgt. Vialo Weis was discharged from the 1st Infantry at Fort Sam Houston on July 11. A section leader, Weis participated in the combat on Luzon. His decorations include the combat infantryman's badge, the A-P ribbon with one star, the Philippine liberation ribbon, good conduct and victory colors, and the occupation army (Japan) ribbon. He spent 23 months in service, went overseas in February, 1945.

HERE ON FURLOUGH

Pfc. Bill Justice, who is stationed at Fitzsimmons General Hospital at Denver, is here on furlough, visiting his family. Justice recently returned from overseas, having spent about a year out of the States. He is with the medic detachment now, having been transferred from the MP's.

Little Miss Wanda Lee Green, of Lubbock, is a guest of her grandparents, Mr. and Mrs. D. K. Roberts.

Rev. R. L. Butler, of Throckmorton, Texas, visited old friends in the Twin Cities, Friday. Rev. Butler is a former local Methodist pastor.

Martell LeVeque, of Muleshoe, spent the weekend with friends in Texico-Farwell.

Mr. and Mrs. Buddy Jones, of Lariat, and Buck Johnson spent the weekend in the mountains at Holy Ghost canyon.

Mr. and Mrs. Oley Dean, from McAllen, Texas, are visiting in the Joe Muggs and Willis Magness homes. She is a sister to the Magness boys.

T. R. Nicewarner left for his home in Graham, Texas, last Friday, after spending a few days here visiting relatives.

"Skinney" Swain, of Mineral Wells, Texas, visited in the G. L. Nicewarner home a few days last week.

SOUTHWESTERN PUBLIC SERVICE COMPANY

21 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Check Peaches Before Buying For Canning

COLLEGE STATION—In selecting peaches for canning or other methods of preservation, color and texture of skin are sometimes misleading, for the best tasting peaches ripen from the seed out. Gwendolyn Jones, food preservation specialist, says that peaches of finest quality have a fresh appearance and when broken open are thoroughly ripe around the seed as well as under the skin.

Care must be exercised with ripe peaches, as they deteriorate quickly and should be canned as soon as possible after picking. If they must be kept for several days, cold storage at 36 to 40 degrees F. is the best method for holding them.

A standard bushel of peaches weighs about 48 pounds and should yield about 30 No. 2 cans or pint

jars, or 20 No. 3 cans or quart jars. This bushel of peaches, if a light syrup is used, will need about three pounds of sugar. For light syrup, use one cup sugar to 3 cups water.

Corn syrup or corn sugar may be substituted for part or all of sugar. One cup sugar and two cups corn syrup to six cups water makes a desirable thin syrup. Brown sugar or syrups that have strong flavor are not desirable for canning. Honey may be used to replace a small part of the sugar, but it affects flavor of fruit more than corn syrup. Never use saccharin in canning as heat makes it bitter. If used at all, add when fruit is served. Miss Jones advises consulting a doctor before using it, as too much may be harmful.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending July 13, 1946, were 29,471 compared with 31,113 for the same week in 1945. Cars received from connections totaled 8,759 compared with 14,030 for same week in 1945. Santa Fe handled a total of 37,190 cars in preceding week of this year.

RAIL SHIPMENTS MOUNT

AUSTIN.—Rail shipments of fruits and vegetables from Texas in May amounted to 12,923 carloads, a decrease of 18.5 per cent from 15,862 carloads in April and 2.6 per cent below shipments in May, 1945, according to the University of Texas Bureau of Business Research. A large proportion of the decrease was due to seasonal factors, it was explained.

ONE OF THE WONDERS OF THE WORLD...THE NATURAL BRIDGE IN VIRGINIA.

IT'S A NATURAL!

Sure, it's a natural... formed by Mother Nature through centuries. The Natural Bridge in Virginia is just one example of nature's handiwork. You can look around you and see hundreds of other examples on the surface of the earth in everyday life... pots and pans, tires, bookcases, mirrors... all originally come from nature. The secret is in making them useful to men!

That's the way it is with Natural Gas. Somewhere along the line Mother Nature created her perfect fuel for mankind. Undiscovered for centuries, its kind benefits to mankind lay undisturbed far beneath the surface of the earth. Suddenly, through surface breaks, this wonderful resource was discovered by man and utilized. That was long ago.

Today, the search and service of Natural Gas goes ever onward. Where once it was a matter of chance in discovering usable natural gas, today it is a science. Geological and engineering research, construction of research and operation facilities, constant vigilance by trained operation and maintenance men must be on the job each hour to bring you an unceasing flow of Nature's Most Perfect Fuel.

Like so many other of Mother Nature's resources, the resources of man must be alert at all times to bring the full benefits to the homes of America.

Every hour of every day and night, men are working to bring your Natural Gas

Governor Coke R. Stevenson signs the proclamation setting aside Sunday July 21 as "Soils and Souls Sunday." Left to right; A. G. Kennerly, editor of Farm and Ranch who sponsored the special observance; Paul Welsler, state conservationist of the Soil Conservation Service; and Harold Gaulwrapp, Mester of the Texas State Grange.

"SOILS AND SOULS SUNDAY" OBSERVED JULY 21

Church and farm leaders of Texas unite Sunday July 21 in observing "Soils and Souls Sunday," when the citizenship renews its vows for stewardship of the soil.

Governor Coke R. Stevenson spearheaded the program by making a proclamation setting aside the special Sunday which was sponsored by Farm and Ranch Magazine under the direction of A. B. Kennerly, editor of the publication.

"It is fitting," stated the Governor in his proclamation, "that religious groups should assume the initiative in carrying the message of stewardship of the soil, and that all groups whether governmental or private, should assist in this observance."

Church leaders in various denominations over the state are cooperating in the program and sermons on the special Sunday will be devoted to man's responsibility to God for passing on to future generations a fertile and bountiful soil.

Dr. Ide P. Trotter, Director of the Texas College Extension Service has made speeches in many churches in which he stressed the need of connecting a religious emphasis to the pleas for proper handling of God's soil committed to us.

Work Is Started On South Plains Fair

Lubbock.—Work has started on the Annual Panhandle South Plains Fair, the first to be held since 1941, Fair officials announced recently. Tentative date of the Fair, which will be held at the Fairgrounds in Lubbock, is October 7-12.

In preparing for the first Panhandle South Plains Fair since before the war, officials announced that the Fairgrounds are being reconditioned and that buildings are being painted and renovated so that everything will be in top condition when the Fair gets underway. They also disclosed that a carnival, a rodeo and midget auto races have already been lined up for appearances every day of the Fair.

OLD MOTTO

The motto "In God We Trust" has appeared on all coins of the United States since 1846.

PLEASANT HILL

(To Late For Last Week)

Jack Billinsley and wife have returned to California to make their home. He has recently been discharged from service.

Mr. Joe Singleterry spent the Fourth in Amarillo with his daughter, Evelyn.

Miss Bonnie Bakkerud of San Francisco, California, has been visiting John Spearman and many other friends.

Velma Pearson and children of Shull Valley, Arizona, have been visiting Mr. and Mrs. J. M. Heinz.

Wedding Bells have been ringing for several Pleasant Hill young people, namely; Evley Betts and Hershel Horton; Jake Winkle and Mary Ellen Brownlow; John Paul Ray and Johnnie Ruth Wall; and Glen Holland and Ruth Winegart.

Mr. and Mrs. J. A. Norwood and daughter, Frances, of Electric, Texas, have been visiting Mr. and Mrs. John Hightower. Mrs. Norwood is Mr. Hightower's sister.

Mr. and Mrs. Spencer Jarrell accompanied Alvis Bell to Augusta, Georgia. He returned to Camp Gordon.

Mrs. Alvis Bell and daughter are staying with her parents until he receives his discharge in August.

Jeannene Singleterry has returned from a two weeks visit with her grandmother, Mrs. Sows, of Hereford. Her cousin, Martin Reed Moore came home with her.

Mr. and Mrs. W. H. Jarrell have returned to their home in Vista, California.

Shirley Jo Spearman has gone to Toas, New Mexico, to spend the summer with her mother, Mrs. H. E. McCarty.

Bowel Cleaning Power Of Inner-Aid Medicine

One man recently took INNER-AID three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system

were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas

from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Parmer County.

Banks of New York City were the first in the United States to use the clearing house system.

To the Voters

of Precinct 3, Parmer County:

Up until the present time, I have been devoting practically all of my time to my farm in an effort to get my crop planted and worked out.

With most of this work behind me now, it is my intention to make an extensive campaign for the office of County Commissioner of Precinct No. 3. My desire and plan is to see every voter personally before the July primary. If, however, I should fail to contact you, it will not be because of my neglect, but because of conditions over which I had no control.

I have been a resident of Parmer County since 1942, and have resided in this precinct all the time. I feel I know the problems of the voters of the precinct and I also feel that I can discharge the duties of the office satisfactorily to the interests of the county.

If you can give me your vote in the forthcoming primary, I shall consider it a favor, and if elected I will give my best efforts in discharging the duties of this important office.

Frank Doshier

Action . . . plus

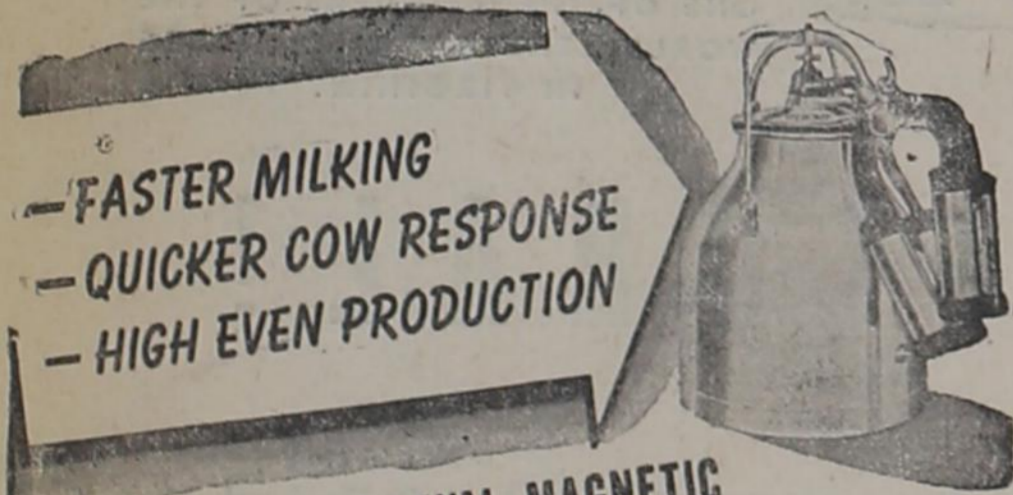

NOW, more than ever before, your old car needs the best gasoline on the market to give you the right performance. Don't expect your car to give you good service on inferior grade gasoline. Get a tankful of the New Phillips 66 and see your car perform like a two-year-old.

Once again you can say, "Fill 'er up!"

LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Ella S. Gorton, and her unknown heirs, assigns and legal representatives. Defendants. Greeting: You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of this issuance of this citation, same being the 12th day of August A. D. 1946, then and there to answer Plaintiff's petition filed in said Court, on the 29th day of June A. D. 1946, in this cause, numbered 1363 on the docket of said court and styled Friona Methodist Church Plaintiff, vs. Ella S. Gorton, et al Defendant. A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that it is the owner in fee simple of: Lots seven (7) and eight (8), in Block thirty three (33), of the original town of Friona, Parmer County, Texas, and was on the 1st day of June A. D. 1946, when the defendants

unlawfully entered upon said premises and dispossessed it and in the alternative plaintiff pleads the ten year statute of limitations. Plaintiff prays for judgment, for title and possession of said lands.

as is more fully shown by Plaintiff's Petition on file in this suit. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 29th day of June A. D. 1946.

Attest: D. K. ROBERTS Clerk, District Court Parmer County, Texas. (SEAL) 34-4tc.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Frank Clements. Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of August, A. D. 1946, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 26th day of June, 1946. The file number of said suit being No. 1361.

The names of the parties in said suit are: Norma Lee Clements as Plaintiff, and Frank Clements as Defendant.

The nature of said suit being substantially as follows, to wit:

This plaintiff sues defendant for divorce alleging that on June 1, 1942, defendant left her with the intention of permanently abandoning her and has not returned to her since that time, and that there is one child issuing from said marriage, namely Frankie Lee Clements, a girl 11 years of age. Plaintiff prays for divorce and for exclusive custody of said child and for general relief.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 27th day of June, A. D. 1946.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 27th day of June, A. D. 1946.

D. K. ROBERTS, Clerk District Court, Parmer County, Texas. (SEAL) 34-4tc.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: J. R. Morris, and his unknown heirs, assigns and legal representatives, defendants. Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of August, A. D. 1946, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 28th day of June, 1946. The file number of said suit being No. 1362. The names of the parties in said suit are: B. T. Galloway as plaintiff, and J. R. Morris as Defendant.

The nature of said suit being substantially as follows, to wit: Plaintiff brings this suit in trespass to try title and in the alter-

native plead alleging that he is the owner in fee simple of:

Lot three (3) in Block sixty three (63), of the original town of Friona, Parmer County, Texas.

and was the owner on June 1, 1946 and that the defendants and all of them unlawfully entered upon said land and dispossessed him, to his damage in the sum of \$25.00. Plaintiff pleads that he has had possession of said land under a claim of title continuously for more than ten years next preceding the filing of this petition.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 28th day of June A. D. 1946.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 28th day of June A. D. 1946.

D. K. ROBERTS, Clerk District Court, Parmer County, Texas. (SEAL) 34-4tc.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Henry Biwer, Chas. M. Stevens, C. M. Stevens, Jennie Mans and Maudine Mans, and the unknown heirs, assigns and legal representatives of the aforesaid parties, and the unknown husband or husband, if married, Defendants. Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas at or before 10 o'clock A. M., of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of August, A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 3rd day of July A. D., 1946, in this cause, numbered 1365 on the docket of said court and styled Henry Lloyd, Plaintiff, vs. Henry Biwer, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff alleges that he is the owner in fee simple of: Lots 10, 11 and 12, in Block 46, of the original town of Friona, Parmer County, Texas,

and was so the owner on July 1, 1946, and the defendants unlawfully entered upon said premises and dispossessed him and withholds possession thereof from him to his damages in the sum of \$1.00. Plaintiff further pleads in detail the ten year statute of limitations, alleging that he has had peaceful, adverse, continuous and uninterrupted possession of said lands, together with his predecessors in title for more than ten years next preceding the filing of his petition as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 2nd day of July A. D. 1946.

Attest: D. K. ROBERTS, Clerk, District Court, Parmer County, Texas. By: Dorothy Lovelace, Deputy. (SEAL) 34-4t

USDA Asks Industry To Hold Milk Prices

Secretary of Agriculture Anderson, has seconded the appeal of President Truman that all groups keep prices in line until Congress can take action leading to settlement of price control.

In a letter to the Chairman of the New York Milk Shed Dairy Committee, Secretary Anderson stated that, under the price policy announced previously by the Economic Stabilization Administrator, the continuing absence of price control and subsidies would justify an increase in milk prices. He expressed hope, however, that any further Congressional action would include provisions designed to permit orderly liquidation of subsidies without shock to producers and consumers.

A bee dies after losing its stinger.

Male mosquitoes do not bite human beings.

Garden and Lawn Jobs Are Listed For July

COLLEGE STATION—Home gardeners and landscapers need to look ahead, for jobs done now will pay rich dividends in the fall.

For flowers which bloom in the fall, plant now amaranthus, cockscomb, cosmos, four-o'clocks, marigolds, periwinkles, petunias, portulaca, sunflowers, tithonia and zinnias, advises Sadie Hatfield, specialist in landscape gardening.

She suggests planting these in half-shade, using a cold frame or canvas covering to protect seedlings from hot sun. Some thriving young plants now may be placed in full sun, including ageratum, bachelor's button, cockscomb, coleus, four-o'clocks, cosmos, periwinkle, petunia, salvia and zinnia.

Bulbs and tubers which may be planted in July are dahlias, gladioli, oxalis, water hyacinths, water lilies, and water poppies. Texas bluebonnet seed may be sowed now, but these will not come up until fall, so plant where they are to remain, she says.

Where fall blooming plants are forming long awkward branches, these may be cut or pinched back. Among these which may require attention are dahlias, chrysanthemums, poinsettias, and liatris. Tall growing plants may need to be staked. Cuttings made of shrubs, trees, and many flowers (as petunias and carnations) will root immediately now if given half shade and plenty of moisture.

The specialist gives this advice on watering: Give all plants a long soaking and let them show signs of thirst before watering again. This keeps roots deep in the soil. During dry weather "use of the hoe instead of the hose" keeps plants moist.

CLEAN UP CHICKENS

Nicotine spray in roosts has been found effective in ridding chickens of feather mites and body lice.

Is Our Representative for the Open Shop In Texas?

Let's Let the Records Speak!

Herewith will be found a reprint of a photostatic copy of page 2565 of the House Journal, May 29, 1945, of the 49th or last session of the Texas Legislature.

This House Joint Resolution No. 1 was a proposed amendment to our Constitution to have been submitted to the voters of Texas, which, if it had been ratified, would have guaranteed an OPEN SHOP in Texas. In other words, every citizen would have been guaranteed the right to work when, where and for whom he desired, and at whatever wage he would be satisfied to work for, whether a Union or a Non-Union worker.

You will note that this proposed amendment failed to receive the two-thirds vote necessary for passage; the vote being 60 for, 54 against, and 36 absent. Twenty-four of those absentees are shown on this page and many of those no doubt were absent because they were politically afraid to vote either way.

We all know that the CIO is spending several million dollars to organize our farm and other unskilled laborers in the South; that one labor organization has bragged that it would spend all of its 47 million in reserve to defeat President Truman; and that the CIO Political Action Committee is spending large sums of money right here in Texas to elect to our Legislature those favorable to its program and to defeat those against its program of (1) a CLOSED SHOP, (2) the FAIR EMPLOYMENT PRACTICES COMMITTEE (by which Negroes and Mexicans must be employed alongside Whites on equal basis); (3) ALLOWING NEGROES TO VOTE in our primaries, and many other matters that are foreign to our American Democratic institutions and long-time practices.

The people of Texas and the Nation had better look into the qualifications and political affiliations of the men they elect to our Legislature and to our Congress, and also look up the record on past matters of vital importance to our Democratic form of government.

House Joint Resolution No. 1 was one of those important matters. HOW DID YOUR REPRESENTATIVE VOTE ON THIS BILL? The reprint at the right will show you how he voted. You better stop, look and think before you vote!

May 29, 1945. HOUSE JOURNAL 2565

we submit the following Constitutional Amendment to our Bill of Rights:	Holstein Huddleston Jones of Hunt Jordan Lee Lehman Leonard Lestle Little Lock of Rusk Lock of Angelina Luedemann Mankum of Dallas Messer Moore of Red River Nicholson Parkhouse	Pickens Pruett of Travis Pruett of Wise Rampy Ramsey Reed Sedler Senterfit Smith of Tarrant Smith of Hays Smith of Lubbock Suttler, Miss Swanson Walker Ward Westbrook Wood

She Has An Important Job

and She's Good At It

The telephone operator has one of industry's important and most interesting jobs. Her skillful, deft fingers bind together the business and social fabric of the community.

Today she is busier than ever. More telephones are in use—more use is being made of those telephones. In peak hours the volume of calls increases sharply. To handle this faster flow of traffic we are adding more equipment as fast as we can get it, but the supply of some materials vital to us is more critical now than during the war.

Meanwhile, she'll appreciate your understanding until we can catch up and stay ahead of demands for service.

FARWELL, TEXAS

Softballers Can't Find Competition

Coach Seth Rollins, of the local softball club, has an unusual problem on his hands. He is finding it difficult to find a team that can give his club any worthwhile opposition, and as a result, he has a surplus of good players who don't get a chance to take part in any of the games.

Last Wednesday night the Henderson Grain & Seed team, coached the Clovis Lions Club unmercifully, the score being 21-1. Furthermore, the game was called in the fifth inning with the Lions yelping "calf rope". Clarence and W. T. Meeks tossed the game, with the former cashing in for two homers during the contest. Drace and Rundel shared the catching duties.

The Lions garnered a total of TWO hits during the 5-inning skirmish.

The locals added another Clovis scalp to their long string of victories, Tuesday night, defeating the Houston Bros. team by a score of 17-3 in a five-inning match. W. T. Meeks did the tossing, with Drace and Rundel on the receiving end. Clarence Meeks, playing in the field, slammed up a couple of homers, and Smokey Gast polled out a triple and a double in two appearances at bat.

Requests Received For Certified Seed Wheat

Several calls have been made by farmers of this county for certified wheat seed, County Agent Lee H. McElroy reported today.

Farmers who want this seed wheat should contact the agent's office, where information on location of seed may be obtained. The most popular varieties in this county, as reported to Agent McElroy, are Tenmarq, Comanche, and Blackhull.

Most of the elevators in the county are cooperating with the agent, and have a list of certified seed growers.

Music School Opens At Bovina Church, 21st

Royce Curtis, famed choir director, will be at the Bovina Baptist Church to direct a music school, opening on Sunday, July 21 and lasting one week. Curtis is coming under the direction and supervision of J. D. Riddle, secretary of the music department of the Texas Baptist Convention, and similar schools are being conducted all over the state.

Classes will be held twice daily beginning Monday, July 21st. A session for boys and girls, ages 9-14, will be conducted each morning at 10 o'clock and a similar session for intermediates, 15-16, young people and adults will be held each evening at 8:30. Music appreciation, practical church music, music in scriptures, and gospel hymn playing will be taught, and congregational singing will be emphasized. Several choirs will be organized and special music will be arranged for the revival, which begins Sunday, July 28.

Curtis will remain to lead the singing for the revival. All interested persons in the community are cordially invited.

Sugar Rationing Still Remains Under OPA

All phases of the sugar rationing program continue in effect, OPA Administrator Paul Porter has announced. Authority for sugar rationing comes from the Second War Powers Act, extended to March 31, 1947, by Congress. An Executive Order of June 30 specifically directed OPA to perform all functions relating to sugar rationing. All sugar users— industrial, institutional, wholesalers, and retailers—are advised to retain unused ration evidence and records.

Small-sized dollar bills have been in circulation as United States currency since July 10, 1929.

Black-Eyed Peas Listed As Extra Cash Crop

Farmers of Parmer County have an opportunity for an additional cash crop this year, according to Lee H. McElroy, county agent, who reports that the canning plants at Hereford and Muleshoe are asking that farmers plant the "snap" peas.

With continued drouth this year, many farmers now believe that it is too late to put in sorghum grain, as it is doubtful if the grain would mature before frost, and the agent points out that "it may be worthwhile to investigate planting a few acres of black-eyed peas as a cash crop".

In case such peas are planted, McElroy advises that they should be inoculated, explaining that black-eyed peas belong to the legume family, and if inoculated, will store nitrogen in the soil.

Pointing out difficulties of planting peas, the agent listed labor, soil moisture, and scarcity of seed. At present, seed is very limited, and labor for harvest may be a problem, as peas must be picked at the proper stage for canning and delivered immediately. They are sold by the ton, with the yield from three to five tons per acre, and, the agent says, at present prices they could bring more than other crops grown locally.

Further information may be obtained at either the Hereford or Muleshoe canneries.

Poison Johnson Grass Now, Agent Advises

Now is the time to begin poisoning Johnson grass, as it will soon be making seed, if it has not already headed. County Agent Lee McElroy advises use of Atlacide (sodium chlorate) on small spots in the field, as chemicals seem to have better effect when the plant is fruiting, in the bloom, and growing rapidly. Last year, he adds, a number of farmers had very good results with oil, kerosene, distillate, and gasoline, reporting a good kill.

Atlacide is available and is very satisfactory when used on small areas. The directions of the chemical company should be followed for best results.

Several field trips have been made to check eradication of bindweed by use of 2-4-D. The 2-4-D comes in many trade names, and all are basically the same, according to McElroy. A good top kill has been obtained except in a few applications. The question of root kill needs more time to determine the effect.

Mercy Wheat Contracts Paid Through AAA

Wheat producers who sold 1946-crop wheat for famine relief under the Department of Agriculture's "certificate" plan to defer selection of the market price date still will go to the county AAA office to arrange for settlement of their contracts. Because of the difficulty of computing applicable market prices since removal of OPA controls, the settlement on contracts for which a date past June 30, 1946 is selected will be made by regional Commodity Credit Corporation offices and checks in payment of the contract will inform their county offices of the date selected for marketing, and the contract will be completed at the county office before being forwarded to CCC.

PW Camp Materials To Be Used For Housing

Plans to dismantle Hereford Prisoner of War Camp and make the salvage lumber and critical building materials available for building under the Veterans Emergency Housing Program are now underway, Harry L. Holliday, Dallas regional director of War Assets Administration, announced Tuesday.

This constitutes the first offering in this area under terms of the Lanham-Mead resolution, whereby surplus lumber and building materials from military installations will become available for veteran housing. The entire program is an outgrowth of arrangements made between Wilson Wyatt, of the national housing agency and WA Administrator General E. B. Gregory to expedite veteran housing, Holliday explained.

Sales of the surplus materials will be handled as real property with government agencies, state and local governments, and non-profit institutions being allowed to exercise their priorities in the above offer for the first ten days after the camp buildings are advertised for sale. The facilities being offered are approximately 320 buildings, including administrative buildings, barracks, guard towers, quarters, mess halls, storehouses and warehouses.

CC Makes Progress

(Continued from front page)
Urges Study of Amendments

County Commissioner T. E. Levy called attention to two proposed amendments to the State Constitution that would be voted on this Fall, and urged that voters familiarize themselves with the proposed changes in the meantime. One of the proposals, Levy said, would permit the Commissioners Court to apportion the tax money in the counties into the various funds as the need demands. Under the present state law, Levy explained, heavy surpluses are built up in some funds, while the general fund is insufficient to meet the demands made upon it.

Such a condition, Levy said, compels the County Commissioners to transfer monies from one fund to another, "which is against the law". The second proposed amendment would allow the county to retain all its tax on gasoline, instead of sending it to the State Comptroller to be divided out proportionately over the State. Levy suggested that an investigation be made to see if the county would stand to profit or lose by the passage of the amendment.

O. B. Pipkin was in charge of preparing the coffee, which was served with doughnuts during the evening.

GO TO DALLAS

Mrs. M. C. Roberts and Mrs. Claude Rose have gone to Dallas, where they will spend a few days. Mrs. Roberts plans to visit relatives and Mrs. Rose is on a buying trip for the Fox Drug Store.

CALLED TO AMARILLO

Mrs. Bess Henneman was called to Amarillo the first of the week by the serious illness of her sister-in-law, Mrs. Kathleen Middick. Mrs. Henneman returned home Tuesday, reporting that Mrs. Middick was some improved.

FOX DRUG STORE

GO FOR PHYSICALS

Three Parmer County selectees left here Monday morning for Oklahoma City, to have pre-induction physicals. In the group were Woodie McDermitt, Floyd Rector, Hugh Moseley, according to Mrs. Bessie Lee Henneman, clerk of the board.

HOME FROM VACATION

Mr. and Mrs. LeRoy Faville and daughter returned home Monday evening from a week's outing trip to points of interest in New Mexico. They visited at Ruidoso, Carlsbad Caverns and other vacation retreats while away.
