

## Friena State Bank Sold to Local Men

A business transaction involving the sale of the capital stock of the Friena State Bank, at Friena, was consummated at Friena Monday evening, with Parmer county men, principally Friena citizens taking over the interests of the McLean family in the institution.

Following the completion of the transaction, a meeting of the new stockholders was held, with S. H. Osborne of Friena being elected as president, and J. R. Roden, also of that city, chosen as vice president.

Frank A. Spring, Friena insurance agent, and for many years an employe of the bank, was named as cashier, and will be in active charge of the bank.

The new list of directors includes Fred L. Carson of Bovina; J. G. McFarland, S. H. Osborne, J. R. Roden and Frank A. Spring, all of Friena.

The new stockholders took possession of the bank immediately upon completion of the sale.

For the past several months, the bank has been operated by Mrs. C. F. McLean, who succeeded her husband as cashier following his enlistment in the armed forces.

## Bids Open On Grain Bins Until April 17

Sealed bids on wooden grain bins belonging to the Commodity Credit Corporation, will be accepted by the AAA office in Farwell until 2 p. m. Monday, April 17, it was announced today.

A total of 155 such bins, some erected and painted, other in an unfinished stage, are available at various points over the county, Ellis M. Mills, local AAA administrator said today.

At present, the bins are offered only to farmers for agricultural purposes.

Minimum rates range at approximately 8c per board foot, Mills stated. The minimum acceptable bid for erected, painted bins with foundation, is \$190. Such bins measure 12x16x10, have a capacity of 1600 bushels.

The small unerected bins, complete with shingles, will sell for not less than \$185. They are 14x16x10 and have a capacity of 1843 bushels. Large unerected bins, complete with shingles, hardware, nails one coat wood preserver, will hold 2820 bushels. The minimum acceptable bid on these bins is \$285.

A separate bid must be made for each bin, accompanied by cashier's check, money order, or certified check. Awards will be made not later than 10 days after bids are opened, identical bids for the same bid to be awarded by lot. Deposits accompanying rejected bids will be promptly refunded.

The bid forms, instructions, and list of bins may be obtained at the AAA office. Any bins not purchased during this sale to farmers for agricultural purposes will be offered at a later date to the general public for any desired use.

## Red Cross Meeting Called At Bovina

C. R. Elliott, president of the Parmer County Chapter American Red Cross, has called a meeting of the organization at Bovina on the evening of April 11 to name a new set of officers for the ensuing year.

In connection with the issuance of a call for the meeting of Red Cross members, President Elliott has asked that a nominating committee meet prior to the Bovina gathering to nominate the new officers. Each community of the county has been asked to designate some person to serve in such capacity.

Fred Henry has been named as the Farwell member of the nominating committee.

Mr. Elliott explained that every man or woman in Parmer County who has contributed \$1.00 or more to the Red Cross during 1944 is a member on the Chapter.

"The meeting on April 11th will be a very important one," Mr. Elliott has stated. "At present the organization is without the services of a treasurer, and with all the money being handled by the Chapter it is important that we have this office filled." Mrs. McReynolds, of Friena, former treasurer, has removed from the county and the office became vacant automatically.

Morphine gets its name from the god Morpheus, the god of dreams.

## LIGHT SNOW FALLS

Another cold snap engulfed this region last Sunday morning. A light rain began falling early in the morning, which soon turned to snow and continued to fall for an hour. The snow melted as it fell and very little moisture resulted from the rain and snow.

## Miller Asks For Job As Co. Commissioner

Coming as a surprise to even his nearest acquaintances is the announcement of J. P. (Jim) Miller of the Oklahoma Lane community as a candidate for the office of county commissioner of Precinct No. 3 of Parmer County.

Mr. Miller came to Parmer County 26 years ago and settled on a farm 3 miles north and 1 mile east of the Oklahoma Lane school house, where he has resided continuously since that time. For the past 14 years he has served as Democratic precinct committeeman, and this is the first time he has ever offered himself as a candidate for public office.

He is 50 years old and is well qualified for the position he seeks at the Democratic primary election on July 22. He will appreciate any consideration shown his candidacy in the forthcoming primary.

## 17 Are Found Ready For Army, Navy Duty

Out of a total of 20 registrants sent to Lubbock Wednesday of last week for their pre-induction physical examinations, 17 were found acceptable for service in the army and navy, with four being assigned to the navy and 13 going to the army, it was announced here today through the local board.

All acceptable selectees were returned home and will not be called up for induction before the expiration of the customary three-weeks leave. Those found acceptable for the navy include Jack Weldon Jarrell, Floyd Julian Park, Jr., John Henry Morton, Olaf Blufford Deatherage (transferred here from Lamar Co.).

Those assigned to duty in the army were Walter Doyle Hardage, Clifton Oliver Thompson, Boone Allison, Elbert Ellis Landrum, James Alfred Watkins, Marvin Eugene Ezell, Mac Lewis Flippin, Donald Dean Hastings, Herman Hugh Johnson, Jr., Horace Guy McLean, John Robert Kimbrow, Edwinston Clark, Frank Wilson Lookingbill.

## Norton and Magness Elected as Trustees

L. L. Norton and Joe Magness were elected as members of the Farwell school board in the Saturday election that drew a total of 11 votes to the polls.

Both men were serving on the board by appointment to succeed Roy Bobst, deceased, and Ray Ford, removed from the district.

A new member of the local board was named Monday evening to succeed Olen Schleuter, who resigned because of his removal from the district. Vernie Townes was appointed by the board to succeed Schleuter.

## Graduation Exercises Come Early in May

Graduation exercises for the Texico seniors will be held early next month, it was announced today, the date for baccalaureate being May 7 with commencement to follow on May 11.

Rev. Paul H. Tripp, local Methodist minister, has been asked to deliver the baccalaureate address. The speaker for commencement will be President Floyd D. Golden, of the Eastern New Mexico College at Portales.

## RESIGNS POSITION

Mrs. Edna M. Elms, for the past three years home supervisor in the local Farm Security Administration office, has tendered her resignation, effective April 1st. W. E. LeVeque, supervisor, stated today that he had not been informed as to whether Parmer County would be assigned another supervisor, but added that it was doubtful.

## Army Nurses Make the Best of It

Although constantly under threat of German bombing or shelling, these U. S. nurses (left) on beachhead below Rome refuse to let it get them down. At right, two U. S. army nurses make the best of it. They are using a borrowed motorcycle to take an airing near the field hospital near Nettuno. Being under fire has failed to dampen their spirits.

## Brings Word From War Prisoner In Germany

"This is Houston, Texas, calling. I have a collect call, from Lt. Irish, who wants to talk to you about your son. Will you accept the charges?"

Mrs. M. C. Roberts was on the receiving end of the line, and the message pertained to her son, Lt. Wm. R. (Bill) Roberts, who has been a prisoner of the German government for many months.

Of course she would accept the call!

Lt. Irish explained that he was among the repatriated prisoners who arrived in New York a few weeks ago aboard the Gripsholm, a Swedish steamer. He was en route to his home on the west coast. Irish had been interned in the same prison camp with Lt. Roberts. He brought Mrs. Roberts first-hand information that her son was uninjured when his ship was shot down over Germany.

"Bill is uninjured and is well," the returned lieutenant told the mother of the local lad.

Are Treated Well

Lt. Irish then went on to explain some of the details of their confinement. "We are treated well, and the food, while not extra good, is ample." He explained that for the most part the food given the prisoners by the Germans consisted of black bread and potatoes, adding that these rations were supplemented by Red Cross food in abundance. Contrary to general local opinion, the lieutenant said the boys in prison camps were not told what to write to the folks at home. "We are allowed to write what we please," he explained, "but, of course, all we write is censored before being sent out."

Lt. Irish said that when he parachuted from his disabled plane, his back was broken as he came to earth, and he is permanently disabled. At this point he said that only such prisoners were being repatriated. He said that he had a list of the names of boys' parents "as long as my arm that I have promised to contact upon reaching the States".

Lt. Irish was a patient in the hospital at Stalag Luft 3 during his time as a prisoner.

## Farwell Board Elects Teachers For Year

The Farwell school board, in session Monday evening, reelected seven of the present faculty members for next year. Two members were not applicants for reelection.

Those named to serve for the 1944-45 term were Miss Berthamie Thomas, Mrs. Vivian Dooze, Mrs. J. T. Carter, Miss Edith Neil, Mrs. Harry Whitley, Mrs. Ethel Fowler and Mrs. Hazel Atchley.

Supt. J. T. Carter had been previously reelected. Mrs. Ruth Joss and T. A. McCuiston were not applicants for their positions for the ensuing school term.

A bore is a person who never makes long stories short.

## JENNINGS HERE MONDAY

Joe W. Jennings of Floyd County, was here the first of the week in the interest of his candidacy for the office of representative of the 120th district in the Texas legislature.

Mr. Jennings says that he is meeting with "more favorable encouragement than I had hoped for" as he makes a swing over the district in an attempt to meet the voters.

## Friena Paratrooper Is Reported Missing

Mr. and Mrs. C. R. Hurst, of Friena, have been advised by the War Department that their son, Pvt. Ray E. Hurst, is missing in action in the Italian campaign.

Pvt. Hurst is a paratrooper, and has been in Italy for the past few months. He was in the same company with Denzil Justice, of south of here, who was reported missing some months ago, but later returned to active duty.

Pvt. Hurst is reported to have failed to return to his base as of Feb. 29th.

## Religious Census Is Challenge to Church

"Attendance in local churches and Sunday Schools should easily increase 50% as revealed by the recent religious census." This statement was made today by W. C. Wright, local Baptist pastor, as a result of the census.

Over 1000 people were contacted in the survey. "Community cooperation was fine and we feel that many newcomers and non-church-goers became better acquainted with the religious life of our community the pastor added.

## DRAFT BOARD TO MEET

The Parmer County draft board will be in session here Saturday afternoon, it was announced today by Clerk Mrs. Bessie Lee Henneman. She said the meeting was called for 2 p. m. and invited parties having matters to refer to the board to be present. "The board will not likely be in session again till the latter part of the month," she said.

## BAPTIST EASTER REVIVAL OPENS SUNDAY EVENING

Rev. R. L. Jordan, pastor of the Friena Baptist Church, will deliver the first of a series of messages in the local Baptist Church on Sunday evening, April 9.

The Easter revival will continue with daily services at 11 a. m. and 8:45 p. m. through April 16. A cordial invitation is extended the public to hear Rev. Jenkins.

## Texico Voters Elect Roberts As Mayor

### Fishing Season Open

Gas-less and tire-less fishermen in this region will likely find no joy in the announcement that the season is now open in nearby lakes.

Alamogorda Lake and Conchas Lake, both in New Mexico, opened for a 15-day period on April 1st, and Buffalo Lake, near Canyon, is open for a like period.

Elephant Butte Lake (near Hot Springs, N. M.) is also open—but that is all the good it is doing most local sportsmen.

## Mrs. Melugin Buried In Bovina, Sunday

Mrs. Belle Melugin, a resident of Parmer County since 1906, passed away at her home near Texico the past Wednesday afternoon, following an illness of several years. Funeral services were conducted at the Hamlin Memorial Methodist Church on Saturday afternoon, with Rev. Paul H. Tripp in charge, assisted by B. N. Graham, and interment made in the Bovina cemetery under the direction of Steed Funeral Home.

She was born in eastern Tennessee on June 18, 1860, daughter of Mr. and Mrs. J. M. Kincaid. Her father was a captain in the Confederate army. In 1877 she was married to G. S. Dudley, and moved to Texas. Six children were born to the union, three of which, and Mr. Dudley, preceded her in death.

In 1896 she married James A. Melugin, and the family later moved to Parmer County. Mr. Melugin passed away in 1916, but the five children born to the union survive their mother. Mrs. Melugin was converted in her youth and had been a member of the Methodist Church since early womanhood.

Survivors are: Roy Melugin, of Lordsburg, N. M.; D. C. Melugin, Mrs. Edna Jarrell and Mrs. Freda Finley, all of Texico; Charles Dudley Dectaur, Tex.; Sam Dudley, Bowie, Tex.; and Mrs. Ruth Spearman, Pampa, Tex.

Paal bearers for the services were Dr. V. Scott Johnson, Claude Rose, B. S. Triplett, A. Beckman, Olan Schleuter and G. D. Anderson.

## Plans Bulletin On New Mail Charges

Nelson C. Smith, local rural carrier, was in Hereford last Saturday night, where he conferred with postal authorities regarding recent changes on the cost of different mail services.

Smith states that he hopes at an early date to have bulletins regarding such changes for each box holder on his route. In the meantime, he asks that if patrons are in doubt they ask for information before attempting to send mail, eliminating delay and misunderstandings.

## Car License Figures For County Released

Deputy Collector J. C. Wilkerson today released the number of car and truck registrations in Parmer County for the year 1944 on the deadline date of April 1st.

There are 1059 passenger cars in Parmer County, 62 commercial vehicles and 439 farm trucks, according to figures released by Wilkerson. These figures compare "about the same" with 1943 registrations, with a slight increase noted in the number of farm trucks.

By Means of a plastograph, University of Texas industrial engineers can determine the purity and other properties of clays, for use in ceramics manufacture.

Texico voters swept party lines aside in the municipal election Tuesday and elected an avowed Republican to the office of mayor for the first time in the history of the town, in an election that was marked by unusually light voting and interest.

M. C. Roberts, who styles himself as "a Texas-born Democrat" and who for the past two years has been an avowed Republican because of his opposition to New Deal principles, was the only candidate on the ticket for the office of mayor, and received 19 of the 27 votes cast.

Elected with Roberts were three councilmen and a clerk-treasurer. Frank Jones, Carl McCully and Calvin Sanders were named as councilmen, and W. L. Freeman was re-elected as clerk-treasurer.

Jones and McCully were candidates for re-election and Sanders is a new figure in Texico politics. G. L. Nicewarner is a hold-over member of the town council.

Write-in ballots in Tuesday's election gave LeRoy Faville four votes for mayor and two for councilman. Les Means also polled one write-in vote for the office of mayor. W. L. Freeman, candidate for reelection to the clerk-treasurer post, led the ticket with 25 of the 27 ballots cast.

The newly elected officers will assume office early in May, it is understood.

## County Schools Elect New Trustees Saturday

With no report in from Lazbuddie and Lakeview, County Judge Lee Thompson today announced the results of the school trustee elections in six districts of the county in Saturday's voting. Elected in the respective districts are:

Farwell—L. L. Norton, Joe Magness.

Friena—J. T. Crawford, H. T. Magness, Glenn Reeve.

Oklahoma Lane—E. L. Cochran, Lee Jones.

Bovina—E. M. Ware, Roy Hawkins, Frank H. Wilson.

Black—Otey B. Hinds, Rhea—C. V. Potts.

Tabulations made here Wednesday morning showed that Judge J. D. Hamlin was leading in the race for the office of county trustee at large, with Lazbuddie and Lakeview yet to turn in reports.

## Oklahoma School Sets Commencement Date

Supt. H. D. Bentley, of the Oklahoma Lane school, today announced the important graduation dates of the school, with May 21st being selected as baccalaureate Sunday and commencement exercises on May 22.

Rev. R. L. Butler, former local pastor and now of Abilene, will deliver the sermon on the 21st, and Supt. Bentley will give the graduating address to the class.

## FOUR NEW REGISTRANTS

Four new registrants, boys who attained their 18th birthday during the month of March, were announced today by Mrs. Bessie Lee Henneman, clerk of the local board. They are Vialo Weis, Rufus Eads Douglas, Billy Gerald Meeks, Frankie Joe Ditmore.

## Stock Show at Friena, April 14-15

The annual Parmer County spring exhibit of livestock, sponsored by Friena business and professional men, will be held in that city on Friday and Saturday, April 14-15, County Agent Garlon A. Harper has been informed by J. T. Gee, vocational supervisor of the Friena school.

According to information given here by Gee, the entries, as usual, will be open to any 4-H or FFA club boy residing in Parmer County. In all likelihood, only hogs and calves

will be on exhibit, since the best dairy stock in the county is expected to be entered at the Plainview show the same weekend, Harper opined today.

Last year, due to transportation difficulties, the show was a wash, but sponsors are reinstating it this year in the expectation that it will prove one of the biggest "entertainment-at-home" drawing cards of the season.

A complete list of classes and prizes was not available at the time The Tribune went to press.

**COLLEGE STATION**—Membership  
of the 36 Texas production credit  
associations has reached the highest  
point in their 10 year history. Dur-  
ing 1943 the membership increased  
to 24,797 farmers and ranchmen, the  
Texas A. and M. College Extension  
Service has been advised by the  
Production Credit Cooperation of  
Houston.

A recent check-up showed that  
members now own more than three  
million dollars in stock in their short  
term credit cooperatives, while earned  
surplus totals were in the excess  
of two million dollars. The year just  
past reflected a 12 per cent gain in  
membership and 20 per cent increase  
in locally owned capital stock.

Credit extended to Texas farmers  
and stockmen through production  
credit associations in 1943 amounted  
to more than sixty-four million dol-  
lars, a gain of about one million over  
the previous year.

**Health Notes**

By Texas Department of Health

**AUSTIN**—Sleep is a necessity of  
life and health, according to Dr. Geo.  
W. Cox, State Health Officer, and  
habitual loss of sleep will tend to re-  
tard the body's recovery from the  
fatigue of the day's activities.

"We may be able to go without  
sleep for a night or two, but too lit-  
tle sleep for a prolonged length of  
time will undermine the health of a  
rugged person and turn a cheerful  
individual into a cross, irritable  
one," Dr. Cox said. "When good  
health can be maintained to such a  
large degree by merely sleeping and  
thus allowing overtaxed bodies and  
minds to regain a proper balance, it  
is hard to understand why so many  
persons are heedless of this neces-  
sary requirement of a balanced pro-  
gram of life."

Some individuals need more sleep  
than others, the doctor said, and the  
most valuable experiments in this  
line are the ones each person makes  
on himself. We must take into con-  
sideration in this experiment, how-  
ever, that how well we sleep is as  
important as how long. A "good  
night's rest" means a sufficient num-  
ber of hours spent in sleep to en-  
able each individual to feel well, do  
efficient work, and to keep in a  
cheerful humor the next day.

"Some exercise out of doors each  
day will help us to sleep soundly at  
night. We must also have fresh air  
in our sleeping quarters. Give as  
much consideration as possible to  
the comfort of your bed and bed-  
clothes. Do not mull over your prob-  
lems and ideas after you have gone  
to bed. Make your plans early in the  
evening for a good night's rest by  
slowing down from the physical and  
mental work of your daily life. When  
you arise each morning rested and  
with a feeling of general well-being,  
you will be amply repaid or your  
thought in planning a 'good night's  
sleep.'"

# Your "Sacrifice"

Dear Customer:

You have given up a lot of things because of the war. You can't do much driving. You can't buy tires like you used to. And the same goes for meat and butter and cars and electric iceboxes. That's tough on you. You're "sacrificing" Me, too. My gas business is down to a trickle. My tire business has practically folded up. And on top of that, I'm short of help. That's why it sometimes takes me longer to serve you than it used to. But I am more anxious than ever to inspect your tires and your battery. If anything, my lube jobs are more conscientious than before. That's my part in helping you Care for your car for your country.

I am working longer hours than any man should, and making less money than I did. So that's my "sacrifice".

But, brother, you and I are not making any sacrifice that even deserves to be mentioned in the same mouthful with the sacrifices of our fighting soldiers, sailors, and marines.

## SIXTH AND SEVENTH GRADES

We have a new sixth grade pupil, Scottie Robinson. I wonder why J. C. M. pays so much much attention to her. She says that she doesn't care for anyone in here, but her beau is a sophomore—I wouldn't know who, would you? Warlick went to San Antonio recently. The first day he was gone we finished classes 30 minutes early. The second day we finished classes 25 minutes early. The third day he came back and we didn't finish our work at all . . . well? Most of the people think our teacher would make a good preacher—Why? Nina Ruth Spearman is visiting us. She is from Pampa. Almost forgot. A. C. is jealous of —? I wonder, don't you?

## FIRST GRADE NEWS

We have a new pupil. She comes from California and her name is Betty June Curtis. Lavoyna Billington made 100 in our phonetics review. Our spelling review included all words in the first half of our spelling book. Making over 90 or 100 were Lavoyna Billington, Joy Bingham, Barbara Ham, Kenneth Moore, Don Gerles, Merlyene Morris, Don Pool, Claude Rose, Elaine Martin, Darlene Sprawls, Gay Malone, Deon Branscum. Jill Dunn brought us a very nice surprise in a number of good books to add to our library. We really appreciate them.

We are reading some of the books the PTA gave us. Those we especially like are "And To Think That I Saw It on Mulberry Street", "Blaze and the Gypsies", "Cry-Baby Calf", "Frankie and Nicodemus and the Gang." Our new rhythm band numbers are Norwegian Mountain Dance and Sans Souci.

We were very glad when Curtis Barnes and Betty Ann Hedgcock returned to school, Monday. Orlin Lee Smith visited our room on Friday.

## CHATTER

We wonder how Bert is feeling by now? Loks like he is being pulled apart. Who will the winner be? Wynelle? Latrille? Jean A. is doing her part, too. It looks like Duane isn't sole court-er anymore. What about it, Norma? It looks like we have started "a little Dutch kindergarten". At least

three seniors girls are trying. We do like the shoes, though.

Say, Peggy W., when did you become such a wrestler.

Wynell can't fool us. WE know a Friona sweater, I guess.

Billie James, grow up some for Tommie.

We really like to be dumped. Don't we, volley ball girls?

Miss Neil seems to have been stepping out with one of the Senior boy's "big brother". Guess who!

Looks as if Spring has changed the minds of several brok-er-hearted bust-ups around Farwell High. Could be Joan and Bob, huh?

## SMALL BUSINESS POST-WAR PLANS CONSIDERED

AUSTIN—Small business—a dominant element in the Texas business and industrial scene—this week had its attention called by a University of Texas economist to certain provisions of the Baruch-Hancock report on war and post-war adjustment.

Dr. F. A. Buechel, economic analyst for the University's Bureau of Business Research, declared that at least three provisions of the report are of vital concern to small business.

These provisions, he explained, should be studied closely by Texas business, industrial, labor and civic leaders—for the report undoubtedly will be a strong influence in moulding the governmental policies toward trade.

The three provisions Dr. Buechel particularly cited are:

(1) That surpluses (of war materials) be disposed of in small lots to permit small as well as large business to participate.

(2) Effective representation of small business on industry advisory committees.

(3) Special credit to assist small business in the change-over and to encourage new enterprise.

He added that this last provision includes extension of lending authority of the Smaller War Plants Corporation, at present restricted to purposes of war production, to cover

financial assistance for change-over problems; expansion and liberalization of the Federal Reserve Systems authority to make industrial loans permitting one-half million dollars of such loans out-standing at any one time; and restrictions of these two additional sources of credit to supplement—not compete with—the enormous volume of savings in the hands of individuals and banks that await tapping.

"Texas industrial, business, labor and civic leaders will therefore wish to become thoroughly familiar with the report because of the practical bearing government policy will have on the affairs of industrial concerns, and on community development throughout the state," Dr. Buechel pointed out.

## DOLL UP CANNED GOODS, TOO

COLLEGE STATION—If the Gallup Poll on home-canning is correct, three-fifths of the families in this country did some home preservation last year. And the average put up per family was 135 jars or cans.

Winter time means home-makers are making raids on their pantry shelves, and if fresh fruits and vegetables are short in some sections it may be necessary to "jazz up" some dishes to keep them popular on the family menu sheet.

Specialists of the Texas A. and M. College Extension Service say the way canned fruit is prepared has a lot to do with its interest. And there are as many ways to prepare canned vegetables as fresh ones. Green beans for instance, can be browned in butter, scalloped, creamed with onions, or marinated with onions for a salad. Corn is adaptable, too-suitable in fritters, baked, with tomatoes in a casserole, or in an omelet. Hominy combines well with tomatoes or cheese, and a hominy loaf is a good energy food. Thirty-nine recipes have been compiled by Hazel Phipps, Extension specialist in food preparation, in a folder entitled "Attractive Ways to Serve Canned Vegetables". Individual recipes are obtainable from

county home demonstration agents, or, a limited number of the leaflets is available from Extension Service headquarters at College Station.

## YARD UPKEEP IS SMALL

COLLEGE STATION—Cost of the upkeep of her yard demonstration averages about 50 cents per month, Mrs. Leroy Williams of Willacy County estimates. This cost covers the purchase of new plants and trees. Mrs. Williams explains to Mrs. Hazel Martin, county home demonstration agent of the Extension Service, that the use of native shrubs enables her to keep the cost so low. She also does her own pruning.

## Current Soup Cookery

A smart buy, both for your points and cash this year, is a can of condensed cream of tomato soup. For a single can contains the makings of many a different dish. First, of course, it makes a super-soup . . . the old-time kind that tastes fresh off the vine—using sun-ripe tomatoes, real cream, and spice.

Another variation on this tomato concentrate, is an opulent salad. To the tomato soup just add a little gelatin for standability and stretch, some seasonings like celery and onion, a bay leaf, distilled vinegar, water, and a dusting of red pepper. Mold in your favorite ring pan, and serve with fish or chicken salad heaped in the center.

Or again, you might prefer to make a sizzling cocktail sauce by heightening this pure tomato paste with Worcestershire, red pepper sauce, horse-radish, and 57 sauce. It's elegant on oysters, adds fire to shrimp, is fervent with crab or lobster.

For a down-to-earth device, try converting this condensed cream of tomato soup into a real spaghetti sauce. Some onion, olive oil, water, condiments, and ground meat furnish the frills. And the boiled-down tomato goodness supplies a richer, finer flavor than your favorite pre-war sauce.

Here's how you do them all:  
**Tomato Aspic Ring with Salad Center**

Combine, then heat for 10 minutes—  
1 11-oz. can condensed cream of tomato soup, undiluted  
¼ cup grated celery  
1 tablespoon grated onion  
1½ teaspoons sugar  
1¼ teaspoons salt  
¼ teaspoon celery salt  
Dash red pepper  
¾ cup water  
1 bay leaf.  
Strain.

Soak—  
4 teaspoons gelatin  
in—  
½ cup cold water  
10 minutes.  
Add to hot liquid and stir until dissolved.  
Add—  
2 tablespoons distilled white vinegar.  
Pour into ring mold. Chill.  
When firm unmold and fill center with—  
3 cups chicken salad, meat salad, or vegetable salad.  
If preferred, the aspic may be formed in individual molds.  
Serves 6.

## Hot Tomato Cocktail Sauce

Combine, mixing well—  
1 11-oz. can condensed cream of tomato soup, undiluted  
2 tablespoons sugar  
2 teaspoons Worcestershire sauce  
3 tablespoons 57 sauce  
1½ teaspoons red pepper sauce.  
Simmer, stirring occasionally, for 15 minutes.

Soak for 10 minutes—  
1 teaspoon evaporated horse radish  
in—  
1 tablespoon cold water.  
Add to remaining ingredients. Chill and serve over seafood or cold cuts. Serves 8 to 10.

## Spaghetti with Meat Sauce

Brown, until soft—  
½ cup chopped onion  
in—  
¼ cup olive oil.  
Add, cooking until brown—  
½ pound ground beef.  
Add—  
1 11-oz. can condensed cream of tomato soup, undiluted  
1½ cups water  
1½ teaspoons salt  
Pepper.  
Cover and simmer for 30 minutes. Cook, then drain—  
¾ pound spaghetti.  
Serve the sauce over the spaghetti and sprinkle with grated Parmesan or sharp cheese. Serves 8. One cup sliced mushrooms may be added, if desired.

Health Notes by Texas Department of Health

AUSTIN—Speaking of the susceptibility of children to tuberculosis, Dr. Geo. W. Cox, State Health Officer, said today that few people realize that babies and young children are very likely to become infected with tuberculosis if they are kept in rooms with persons who have the disease, use the same dishes, sleep in the same beds, or are handled and kissed by persons who have tuberculosis.

"Babies and young children pick up the germs of tuberculosis just as readily as they pick up the germs of measles or whooping cough, or any of the other so-called children's diseases," Dr. Cox said. "But t. b., unlike most diseases, has more than one form. Babies who get it may not show the symptoms we associate with the disease in older persons. But the disease in most cases develops rapidly and is likely to end fatally. Tuberculosis in babies and young children is a very serious matter, although recent studies have shown that if young children are removed promptly from contact with the disease and given the necessary care, many lives can be saved."

Dr. Cox said that if the presence of tuberculosis is recognized in its early stages and medical attention secured promptly, a great deal can be accomplished whenever the disease develops, in young or old.

"Tuberculosis doesn't just simply happen. Nobody is born with the disease. Everybody who develops tuberculosis gets it from some other source, and children and young people who have been in contact with diseased persons are especially likely to contact it."

MAYBE... a Radiophone in your coming car

BUT... OIL-PLATING YOUR ENGINE is like outdoing the future—today

The first changes in new cars might be "miracles"—or moderate. Regardless, no new engines will be free from corrosive acids, always "planted" inside by every engine's explosions—just as in your present car. The more it stands unused, the greater the risk from trapped acid. This stepped-up risk arrived with rationing. Yet even before, when steadier heat in unrationed driving ousted acids partly, the prudent motorist still took advantage of all the extra acid-resistance made possible by having his engine OIL-PLATED.

This big advancement—a safely OIL-PLATED engine—can be "standard equipment" in your own car right today, at the mere price of a Spring oil change.

Out with unfit Winter oil! Then change to Conoco N<sup>th</sup> motor oil to have your engine automatically OIL-PLATED. The highly advanced synthetic in Conoco N<sup>th</sup> oil—patented—seems like "magnetism" in causing inner engine surfaces to attract and hold a layer of OIL-PLATING... a corrosion-resisting shield between acids trapped inside and every surface that's OIL-PLATED.

Wouldn't that make you OIL-PLATE your Victory car? It can help you bridge the gap until then, too. Simply change to Conoco N<sup>th</sup> for Spring at Your Mileage Merchant's Conoco station. Continental Oil Company

FARM WAGE STABILIZATION

COLLEGE STATION—War Food Administrator Marvin Jones has the power to check rising farm wages through a farm wage stabilization program.

The primary purpose of the program is to prevent wage "spiraling" through competition for farm labor. Because the freeze method is not suitable to farm wages, the law provides that the Administrator, on his own initiative, or at the request of the state director of the Extension Service, may appoint a state WFA wage board, to be composed of men who have the confidence of growers, laborers and the public. The majority of the members would have no connection with growers' associations and would not be growers themselves. This board, in consultation with the Extension Service director, would work out plans for administering the program on a state, area, and county basis.

Upon receiving a request for maximum wage regulations for an area, the state board would hold a hearing and obtain evidence from all interested parties. This would be used as a basis for recommendations to the Administrator with respect to top wage rates, whether piece rates or time rates be established, operations to be covered, area to be included, and other phases.

When the Administrator finds that the program is necessary in an area or county, local offices with a county advisory committee, composed of representatives of growers and laborers, would be set up to carry out the program.

WHAT D'YA MEAN...

"Free Enterprise"?

"Free Enterprise" is just a name for the way America works. It's the simple principle that human beings like to get on in the world. That when a man sets out to be a doctor or a shoe salesman or an electrical engineer—that's what he wants to be. And he can be!

FREEDOM OF ENTERPRISE, for example, has helped the electric companies under business management to most every war demand for electric power—stepping production steadily up and holding prices firmly down. The same freedom of enterprise that built the electric companies, built America! There is no substitute for it!

That when a farmer plows his field and plants his seed, he has a right to a fair return. A right to buy more land—and extend his fences. That when a business man founds a business, he's building a future—and nobody can take that future from him. That when a man works hard and saves his dollars, those dollars are his. He can spend them if he likes. Or he can invest his money, secure in the knowledge it's working for him.

Call that any name you like. Call it Free Enterprise or Democracy or Opportunity. Whatever you call it, it's American-bred-in-the-bone.

Without it, nobody's going to plan any further than tomorrow. Without it, there's no incentive to invest, discover or develop. Without it—and don't let anyone tell you otherwise—this country would lose its high place among the nations of the world.

## Pete Booth Will Present Easter Sunday Recital

A piano recital of unusual interest will be presented for the enjoyment of local people on Sunday afternoon, when Ronald Earl (Pete) Booth, talented young pianist son of Mr. and Mrs. Earl Booth, will appear at the Methodist Church.

Pete, 16-year-old high school senior, has been a student of Mrs. W. W. Vinyard of Farwell and Mrs. Gladys M. Glenn of Amarillo, for the past seven years, and has also had special work under visiting instructors both in Amarillo and Lubbock. His talent is recognized throughout this area, and he has played on occasion with the Amarillo Junior Symphony orchestra.

Included in his performance on Sunday afternoon will be a group of numbers by Chopin, the Siant-Saens concerto a number by Bach, later arranged by Hess; and a composition by Beethoven. Mrs. Glenn will assist at the second piano in the concerto number.

A men's quartette, composed of Rev. Paul H. Tripp, B. A. Rogers, Ellis M. Mills and W. W. Vinyard will sing, and Clifton Henderson will sing a solo.

The recital will begin at 4 o'clock Texas war time, and a cordial invitation is extended to the public.

## Farwell Basketeers Are Honored on Friday

Honoring members of the Farwell boys' cage team, a "Mulligan stew" dinner and social was given last Friday evening in the home of Mrs. John Porter, in Farwell.

Hostesses of the affair were Mrs. Porter, Mrs. Aubrey Sprawls, Mrs. Johnnie Williams, Mrs. Willie Williams, Mrs. Raymond Sudderth and Mrs. J. T. Carter.

The boys and their guests were seated at foursome tables, and after the dinner, various games were arranged for entertainment.

Attending the affair were Norma Jean Thomas, Joan Booth, Marilyn Anderson, Mary Latrille Hicks, Bertha Gast Tommy Randol, Jean Ann Hart, Jeatonne Morris, Bob Sudderth, Duane Sprawls, Glenn Phillips, Donald Ray Summers, Clarence Summers, Billy James Moore, Bert Williams, Muggins Graham, Billy Martin, Elbert Noack, Don Williams, Junior Harding, JeDon Porter and Coach J. T. Carter.

## Pack Meeting Tonight

Den 1 and Den 2 of the Cubs will hold a pack meeting tonight at the school at 8:30, to which all Cubs and their parents are urged to attend. Special merit awards will be made for work completed by the Cubs.

## Banquet Held Tuesday Evening At School

The annual Mother-Daughter banquet of the Texico home economics department was held at the school building on Tuesday night, with approximately 50 girls, their mothers, and special guests in attendance.

Helen H. Blair served as toast-mistress of the affair and opened the program by extending the class' welcome to the guests. The response was given by Mrs. E. G. Blair.

A piano duet was played by Evelyn and Beryl Brown, following which Claudean Curry read "If" and Mary Lee Moss gave a piano solo. Ina V. Haynes read "The House by the Side of the Road" and a trio, composed of Edna Mae Caldwell, Helen Blair and Betty Flye sang two numbers.

The girls joined in singing their class song, and the finale of the evening was the benediction by Supt. B. A. Rogers.

School colors were used in decorating the lovely banquet tables.

## Mmes. Blair, Engram Class Hostesses

The Wesley Bible Class of the Methodist Church met Tuesday afternoon in the home of Mrs. E. G. Blair, near Texico, with Mrs. W. W. Engram as assistant hostess.

The devotional was led by Mrs. O. B. Pipkin and the group joined in singing "Sweet Hour of Prayer" after which Mrs. B. N. Graham led in prayer.

Reports were given by the various committee chairmen and following a social hour, refreshments of cake and coffee were served to Mesdames Ralph Humble, B. E. Nobles, Pipkin, Graham, Roy B. Ezell, G. W. Lambert, Lena Yoder, Albert Thomas, J. H. Barger and the hostesses.

## Sunday School Revival Off to Good Start

Approximately 50 enrolled in the study course which began Monday night at the Texico-Farwell Baptist Church. Courses being offered in the five-night study include church history, soul winning, and child psychology.

Rev. Roy Watson, pastor from Vaughn, N. M., is leading the study, assisted by C. J. White, local Sunday School superintendent.

The study will conclude Friday night with examinations and applications for credit.

## Are Guests Here

Mr. and Mrs. R. T. Jenkins and family and Mr. and Mrs. Boone Allison and daughter, all of Lariat, visited in the home of Mr. and Mrs. Ebb Randol Sunday.

## NEWS FROM OUR BOYS IN CAMPS

### CALDWELL IS "OKAY"

Lt. Tom Caldwell, son of Mr. and Mrs. J. R. Caldwell of Farwell, who is at present in a German prison camp, is in good health and good spirits but wants to get back home, according to 1st Lt. Robert C. Barton on Gatesville, recently returned from the internment camp. Lt. Barton is at Walter Reed Hospital in Washington, receiving treatment for a wounded leg.

In Oflag No. 3, where Tom is interned, the boys have set up a socialistic system of government—everything they have is put into a common pool and meted out in equal shares. Under the circumstances, socialistic government is necessary, but Tom as well as all the others want to get back to a democracy again.

(This information was carried in an article by B. N. Timmons, of Washington, on March 31.)

### PROMOTED IN ITALY

WITH THE FIFTH ARMY, ITALY—Private Elton R. Venable, son of Mrs. Lessie Venable of Bovina, has been promoted to corporal. He is an assistant squad leader with a paratroop unit of the Fifth Army in Italy.

### ANOTHER STRIPE

Shorty Gast writes his parents, Mr. and Mrs. Karl Gast, that hereafter it's "Sgt. Gast". He is stationed at Camp Fannin, near Tyler, Tex.

### ON THE MOVE

Capt. L. W. Graham writes his brother, W. H. Graham, that he is being transferred to Camp Hood, near Waco Texas. Capt. Graham has been stationed at Camp Wolters, Texas, since entering the service more than two years ago.

### COMMANDS NEGROES

Lt. James D. (Jimmie) Overstreet son of Mrs. Anne Overstreet, has recently been placed in command of some Negro troops near Macon, Ga. He was stationed in Florida until a few weeks ago.

## Two New Members Added to Cubs

Charles Phillips and Morris Pike were accepted as new members of Den 2 of the Farwell Cubs on Monday, when the group held its regular meeting with a perfect attendance.

An Easter egg hunt was enjoyed, and refreshments served the Cubs by Mrs. F. R. Burnett.

## Easter Egg Hunt On Saturday

Children of the beginner-primary department of the Methodist Church are to meet at the church grounds Saturday afternoon of this week for the seasonal Easter egg hunt.

Mrs. W. H. Graham, director of the group, asks that each child bring a basket of eggs to be used in the hunt. The party will begin at 4 o'clock.

## Packed House Greet Texico Senior Play

Probably the largest crowd ever gathered locally for a class play was on hand the past Friday night, when the Texico seniors presented "Take it Easy", a comedy mystery in three acts that kept the packed house alternately roaring with laughter and gasping with surprise.

The cast was exceptionally well chosen, with Helen K. Blair turning in a superb performance as Mrs. Imanda Highgate, patron of the arts, who confused both her painters and herself throughout the play.

Belvin Freeman also turned in a good performance as the butler, while James Orval Francis provided laughs in his portrayal of Lon Torrence, house painter, who suddenly finds himself elevated to the position of portrait painter. Bob Drace as the real artist, was also well cast.

Other members of the cast turning in creditable performances were Alverda Hall, as Mrs. Highgate's daughter; Eugene Bowers as the rather easygoing detective hired to recover Mrs. Highgate's stolen pearls; Lena Belle Williams as the maid, Esther Selman as the cook and Carl Miller as the yard boy.

Mrs. H. Arnold, sponsor and director, today extended her thanks to the public for the attendance.

### Texico Boys Enter Melrose Track Meet

An invitation track meet which will be held at Melrose on Friday of this week, April 7, will be attended by participants from Texico, Coach C. E. Sanders said today.

It was expected that Melrose, Texico and House would be the only entries at the meet, Sanders said today and no awards will be made, the affair being only a preliminary to county track and field contests.

Entrants from here in the various events will likely include:

- Mile run—H. Doolittle, Drace, Milre, Freeman.
- 880—H. Doolittle, Drace, Kyle, Freeman.
- 440—M. Doolittle, Kyle, Freeman.
- 220—Bowers, White, Roop, Baker.
- 100—Bowers, White, Roop.
- High hurdles—Bowers, M. Doolittle, Martin.
- Low hurdles—Bowers, M. Doolittle, Frances, Roop, Drace, Baker, Martin.
- High jump—Frances.
- Broad jump—Frances, Baker, H. Doolittle, Roop, White, Bowers.
- Vault—Roop.
- Discus—Bowers, Drace.
- Javelin—H. Doolittle, Bowers, Baker.
- Shot put—Bowers.

Relay (Coach Sanders will pick four)—H. Doolittle, White, Roop, Frances, Baker.

County Tourney 15th  
The county tournament will be held next weekend, April 15, Coach Sanders said, either at Melrose or Texico. The annual Fox Relays at Fort Sumner are slated for April 22.

FNMC will sponsor the district meet at Portales on April 29, and the State meet follows on May 6.

### No Fruit, No Canning Sugar, Officials Say

"Unless you have fresh fruit on hand, do not apply for your yearly allotment of canning sugar."

Such was the announcement made this week by local ration officials, who stated that numerous county homemakers had been asking for such sugar during the past few days.

"The ration set-up prohibits the issuance of sugar until the fruit is on hand and ready to be canned," Mrs. Roy Bobst said, "therefore, it is a wasted trip to visit the local office to ask for sugar until you are actually ready to use it."

Stamp No. 40 in Book 4 is valid for 5 pounds of canning sugar, and must be used before additional certificates can be issued at the ration office. However, it, too, is strictly limited to use on fresh fruit, and should not be spent until the fruit is available.

"There's no rush," ration officials said today. "Fresh fruit is not available here now for canning purposes. Wait until you get your fruit, then ask for sugar. Your share will be allowed you as to every person."

### BURIED AT BOVINA

Funeral services for Mrs. Lawrence Starr were held at the Baptist Church at Bovina, Tuesday afternoon and burial made in the Bovina cemetery. Mrs. Starr died in a Clovis hospital on Sunday.

## Farming Talk

By GARLON A. HARPER

County Agricultural Agent

Texas A. & M. Extension Service

I have recently seen several flocks of chickens with infections of range paralysis. In this disease the birds in a flock may be affected in several different ways and yet all the various forms are traced back to the same disease. One of the most common and easy symptoms to look for is gray-eyed birds. One form of the disease will cause the eye to turn gray, and quite often birds are not affected in any other manner and may simply starve to death because of blindness. In other forms the birds may become suddenly paralyzed in one or both legs or wings or even in the neck. In the chronic form the fowls may become anemic and gradually lose flesh, while in the acute form such conditions are not shown.

A post mortem examination of the bird may show a liver which is enlarged several times its normal size. In the visceral form, tumors may be found, usually in the ovary, liver, kidneys or spleen. In the bone form the bones of the shanks become thickened.

There is no satisfactory treatment known for this disease. Therefore, prevention becomes very important. Too much attention cannot be paid to sanitation, immediate removal of sick birds, and elimination of parasites. The flock should be watched continuously for gray eyed birds and these should be culled out immediately. An excellent practice is to obtain chicks hatched from eggs of hens two years old and over, since the disease does not appear to bother birds after they reach the age of two years.

Poultry flock owners should follow the practice of closely examining all birds which become sick or die. A post mortem examination on such birds is easily done. Any observing person will recognize abnormalities in both the external and internal appearance. One of the first things to look for is internal parasites, since many of our hens die from worms. If such a practice is followed the owner will be in a much better position to find the true trouble than if they simply come in and tell someone they lost so many hens. I will be glad to check over any birds which are brought in when they become sick or immediately after they die.

### WFA Assistant To Visit Parmer County

Miss Kate Adele Hill, district demonstration agent, announces this week that Miss Graham Hart, of Shamrock, has been named as War Food Administration assistant in District 2.

The assistant will work with women of several counties along the lines of increased poultry production, home canning, gardening and other phases of home food production.

Miss Hill has particularly asked that all home demonstration council members meet with Miss Hart at 2 o'clock in the Farwell courthouse, next Monday, April 10, to lay plans for work in Parmer County.

Victory is Everybody's Job.

### MARCH, APRIL DAIRY PAYMENTS COMBINED

Dairy feed payments for March and April will be combined, according to word received at the Parmer County AAA office April 1. The date for accepting applications and issuing drafts, although not yet announced, will presumably be early in May after all April stubs have been returned to producers. Notice of the payment dates will be published when it is received.

Payment will be made on dairy products for the two months at 60c per cwt. for whole milk and 8c per lb. for butterfat. These rates represent a substantial increase over payment rates for January and February, which were 50c and 6c. It is generally predicted that rates will be lowered for the summer months when pasture becomes available.

Meanwhile, applications for payment on February production will be accepted through April. March 31 was the final date for January applications.

Dairymen and farmers are urged to keep dated records on file for March and April in order that drafts may be promptly issued at the proper time.

### COMMUNITY SALE SUCCESS

The community sale staged at Lariat on Tuesday was highly successful. Col. Dick Doshier, auctioneer, reports, with sales amounting to over \$10,000. Plans are already being made for another such sale April 18. A number of items have already been consigned to the forthcoming sale, and persons have items to list are requested to contact Doshier or Boone Allison.

### School Land Goes Up For Sale Next Month

Bascom Giles, commissioner of the general land office, announces the sale for May 2 of 225,000 acres of state school land located in more than 75 counties throughout Texas. Giles points out that the diversified soil and locations of the land should, in a large measure, meet the present unusual interest in and heavy demand for land purchases.

One of the purposes of the sale is to convert property, now in the hands of the State which in some instances produces small revenue, into private ownership for development so that it will be rendered for taxes which will be beneficial to the schools and counties as well as the state.

The terms for sale of public free school lands are: an initial payment of one-fifth, the remainder may be carried over a period of 40 years in an on-or-before note. The State retains a free royalty of one-eighth of the gross production of sulphur, and one-sixteenth of oil, gas, and other minerals.

Anyone interested may receive a list of the lands, together with instructions for bidding, by writing Bascom Giles, Commissioner of the General Land Office, Austin, Texas.

### COST OF LIVING DOWN

AUSTIN—The cost of living index eased off 1.6 points from the January figure of 136.1 as food prices decreased 1.6 points to an index of 134.4 for February, the University of Texas Bureau of Business Research reports.

A "people's history", in the form of a two-volume Handbook for Texas, is being compiled under the direction of Dr. W. P. Webb, professor and director of Research in Texas History at the University of Texas, and is authorized for publication in 1945 by the Texas State Historical Association under a grant from the Texas Legislature.
