

CONSOLIDATION MOVE STARTED

The Texico school board, in session Tuesday night, voted to start a movement immediately to consolidate the district with the Farwell school district, Supt. L. A. Hartley of the Texico school, announced today.

Supt. Hartley stated that a petition seeking a vote on the consolidation proposal would be circulated at once. Fifty signers of the present Texico district and a like number from the Farwell district will be required to call the election.

The matter of consolidating the two districts into one has been under consideration for several months but this is the first definite action in that direction. The consolidation, if carried, would not become effective until the opening of school next fall.

Officials on both sides of the line have conceded the fact that consolidation would be a definite help to a high school here, since both high schools have shown a constant scholastic decrease during the past few years.

Committee Named To Select School Ticket

A committee was named by the Farwell school board, Monday night to nominate a ticket to be placed before the voters of the district early in April, when two members will complete their tenure of office.

Those retiring from the board next month will be H. Y. Overstreet and Frank Phillips.

Committee members who have been asked to prepare a ticket are: C. D. Anderson, Jack Dunn, J. P. Tate, J. O. Ford, J. C. Tempie, John Armstrong and John Aldridge. This committee has been called to meet at the office of County Judge Lee Thompson on the afternoon of March 14th, at 3 p. m.

Must Have Certificate Of Title To Get Plates

Attaches at the tax collector's office here again warned autoists that a photostatic copy of their certificate of title to the vehicle must be presented when making application for the 1942 license tags, which went on sale here the first of March.

Generally several weeks—sometimes even longer—is required to obtain a certificate of title from the motor vehicle department of the Highway Department, and motorists are urged to make this application at once if they have not already done so.

"We cannot issue new license tags to anyone unless the application is accompanied by a certificate of title," it was announced at the collector's office.

The deadline for displaying the 1942 license tags is April 1st, and all cars and trucks in operation at that time must have the new plates, it was stated.

Invest in America by buying defense bonds and stamps.

Of Interest to Farmers

By Keltz Garrison, Sec'y. Parmer County AAA

The latter part of last week, notices were mailed to all cotton farmers in Parmer county, showing their 1942 cotton insurance yield per acre and the premium rate per acre. This office is now in a position to receive applications for cotton crop insurance, which guarantees either 50 or 75 percent of the farms' average yield, as shown by the notices which I am sure all farmers have received by this time.

I would like very much for all cotton farmers of the county to consider the cotton insurance plan in the light that it guarantees a cotton income, regardless of any hazard that might befall the cotton farmer, from the time he plants his crop until after the last boll is gathered. Farmers who need cash to start their cotton crop can use insurance contracts as collateral security for loans. Lending agencies will be safe in their investments because 50% or 75% of a normal crop is already on the dotted line.

Crop insurance has pegged the last hole in the farm program. We have conservation payments for soil-buil-

JESS COLEMAN, who recently took over the duties of Farm Security supervisor for Parmer county. He succeeds Frank Seale.

Food Stamp Plan Is Turned Down

The Parmer County Commissioners Court voted Tuesday to decline the adoption of the food stamp plan for this county. Their action followed a meeting in Amarillo, where the operation of the plan was explained.

Officials said that the initial cost to adopt the plan in this county would be \$1,000, and they took the position that it would be cheaper to continue the services of the surplus commodities truck.

Farwell Granted 25% Lower Insurance Rate

Property located in Farwell has been granted a 25% reduction in fire insurance rates on all policies written during the next 12 months, beginning on March 1st, 1942, it was announced by Mrs. B. N. Graham, local insurance agent.

Graham explained that this reduction had been earned by the low fire loss in the city during the past five years. Local observers pointed out that the fire loss here had been substantially reduced by the services of the Texico Fire Department.

HENDERSON GETS CALL

Clifton Henderson, son of Mr. and Mrs. "Henie" Henderson of this city, has been accepted as an aviation cadet in the U. S. Air Corps and will report to Kelly Field on March 23, he announced this week. Henderson made application to join the Air Corps some time ago and recently took his examination at Lubbock. He has a private pilot's license and has about 50 hours of soloing to his credit.

Mr. and Mrs. Paul Roberts are this week preparing living quarters for themselves over their market and grocery in Texico.

Snow Deposits Half Inch of Moisture

Launch Drive to Buy More Fire Hose

Junior Livestock Show Opens Friday, Friona

Attention of the majority of 4-H and FFA club members in Parmer county who own livestock or swine will be centered on the annual junior livestock show for the county, which gets under way Friday morning in the Friona bus barn.

As is usual, a two-day show will be staged, officials have announced, entries to remain on exhibit through Saturday afternoon, permitting all county residents ample time to visit the show.

Entries will be accepted up to 1 o'clock on the opening day, but it was believed by officials that most boys planning to enter calves or swine would have them on hand early in the morning.

Judging on Friday
Contrary to an announcement made last week, J. T. Gee, of the Friona vocational agriculture department, said that judging of the entries would be held on Friday afternoon, rather than on Saturday as stated in The Tribune.

According to officials, N. E. May, county agricultural agent from Dimmitt, will serve as judge for all show entries, "providing nothing unexpected interferes."

"We are holding the judging on Friday afternoon in order that visitors who can attend only one day—the first—will be able to know the winners," Gee said, and furthermore, added that it would be a major attraction to crowds expected to visit the exhibit barn on Saturday.

Defense Stamp Prizes
According to the announcement made last week, five places will be designated in each group of entries, with the awards being made in the form of defense stamps. First place winners will be given \$5 in stamps, while each succeeding placement will decrease one dollar.

Owners of the grand champion and reserve grand champion will each be given a registered gilt.

Asked as to the various classes of the show, Gee said that no age had been set in the different divisions, adding "an age limit is practically set by the entries, according to the class they fall in", and went on to say that only one division was open for calf entries, officials being of the opinion that a top-notch calf will provide good competition, regardless of age.

SAVES ON INSURANCE

Taking advantage of a 25% reduction in the fire insurance rates, the Farwell school board voted Monday night to cancel the present policies on school property and re-write them under the new rate. It was estimated that a saving of approximately \$250 would be made in this manner.

GOES TO CANYON

Leon Billingsley, who has been employed at the AAA office in Farwell, resigned the latter part of the week to go to Canyon, where he has accepted a position with the Texas Utilities Company.

BRING IN SCRAP IRON

Olan N. Schlueter, chairman of the USDA County War Board, issued an appeal this week to all farmers of Parmer county to gather their scrap iron in order that Uncle Sam may use it in our war efforts. "Scrap iron depots have been provided at Friona, and it is expected that similar depots will be provided at other centrally located points in the county," Schlueter said. "Besides getting a fair price for your scrap iron, every patriotic American farmer will also have the satisfaction of knowing he is contributing to the war effort," the chairman concluded.

Buchanan Nominated To Succeed Goodwine

M. B. Buchanan, farmer-stockman living southeast of Friona, has been nominated to succeed Clyde V. Goodwine as a member of the Parmer County Selective Service Board.

Buchanan's name was submitted by a number of the leading citizens of Friona, after he had agreed to accept the appointment. His nomination is being submitted to the State Selective Service office at Austin and his appointment is expected to be forthcoming in the near future.

Goodwine submitted his resignation to Maj. J. Watt Page some time ago, but he was not relieved until the latter part of last week. He asked to be relieved on the grounds that he was within the military age.

Buchanan has been a resident of Parmer county for about 20 years. He bears an excellent reputation and members of the Selective Service Board expressed themselves as fortunate in having him as a member of the Board.

First Aid Class Will Organize at Okla. Lane

Sponsored by members of the home demonstration club, a First Aid class for women will be organized at Oklahoma Lane on Thursday night of this week, March 5th.

This announcement was made by Mrs. Ed McGuire, who urged that all women who could possibly attend the first meeting Thursday be on hand at 8:30, war time, in order that the regular meeting night may be agreed upon.

Clarence O. Smith, of Bovina, has volunteered to teach, but only one night a week will be given, he has stated, thus making the course last a little longer than usual.

Books may be obtained from Mrs. Fred Kepley and Mrs. Sam Rundell, it was added, and the sponsors urge that all women of the community take advantage of the opportunity of attending a class in their own section.

All meetings will be held at the school building.

The secret of tender eggs is to cook them at low or moderate temperatures.

Ed Eason has launched a move among the business men of Texico and Farwell to raise sufficient money by popular subscription to buy at least 500 feet of fire hose, to add to the equipment of the Texico fire department.

Fire Chief Selman estimates that the hose will cost, delivered here, \$1.25 per foot. Selman, in detailing the additional equipment that will be needed to properly equip the new truck due to be received here during this month, said that at least 300 feet of leader line was also badly needed, and estimated that the entire hose needs, together with proper nozzles, would approximate between eight and nine hundred dollars.

It was pointed out at a meeting held Tuesday night at the fire station that all of the grain elevators and many residences were beyond the reach of hose now carried by the fire department.

Many local business men have already agreed to contribute liberally toward the purchase of the new hose, Eason reported.

First Aid Class To Be Held in Farwell

Mrs. Florence Wallace, head of the American Womans' Volunteer Service unit in Parmer county, said today that she had information to the effect that a First Aid class would be started in Farwell in the near future, particularly for men. At present, a course for women is being taught by Clarence O. Smith, at Bovina.

The state highway department, many of whose patrol and maintenance employees are busy teaching, has announced that it is anxious to conduct a class for men here, in view of the fact that in some emergencies many women would be needed at home, and the men should be trained to render necessary first aid assistance.

In this connection, Mrs. Wallace said, registration blanks are on hand at the local tailor shop and the first thirty-five signers will form the class unit. The date will be announced following initial arrangements.

Should Parmer county be the first in line for this work after the highway patrolmen complete a current course at Hereford, an instructor will come here from that city, Mrs. Wallace has been informed, and she urged that "if the men are interested, they should sign up immediately."

At present, only one instructor for classes of this type is certified in Parmer county, however, several women plan to take an advanced course opening in Clovis soon, to go on to receive teacher's certificates, and in all probability, classes will soon be held any place in the county that attendance justifies.

TO WASHINGTON, D. C.

Miss Dorothy Thornton, daughter of Mr. and Mrs. J. R. Thornton of this city, left Monday for Washington, D. C., where she has accepted a Civil Service appointment. Miss Thornton graduated from Texas Tech two years ago, and since that time has remained in Lubbock where she had employment.

A heavy snow—and incidentally, the second snow of this year—fell here Saturday night, bringing much-needed moisture to wheat fields and brightening prospects for early spring plowing operations.

The coverage here amounted to about five inches, and moisture registering a full half inch was recorded in local gauges. It was the first appreciable moisture to visit this immediate section since early in November.

However, farmers say that in spite of the four months of dry weather, growing wheat was suffering very little for lack of moisture. They explained that there was an abundance of underground moisture, with only a few inches of top soil remaining dry.

Generally speaking, most of the snow was retained on the ground where it fell, and was not swept away by high winds as is usually the case in this area. Wheat fields, where the snow had attained appreciable growth, were well covered with the snow. Cover crops left on the land held practically all the moisture, farmers say.

Roads Heavy

Roads, particularly those running east and west, were pretty well blocked by drifts that piled snow three and four feet deep in some places. School buses and mail carriers operating out of here had difficulty in making their rounds the first of the week.

Mail carriers reported some roads blocked, making detours necessary to deliver the mail to patrons, while some patrons could not be reached the first of the week, they said.

Hartley Resignation Is Made Known Here

The resignation of Supt. and Mrs. L. A. Hartley of the Texico school, which was tendered board members last July 21st, was publicly announced this week by the superintendent, who stated that the withdrawal from local duty became effective on June 30th of this year.

In making his announcement, Supt. Hartley stated that both he and Mrs. Hartley had enjoyed their three years of work in the local school. He made no statement as to what their future plans were.

The Hartleys came here from Holene, now known as Rosedale. During Supt. Hartley's tenure, several improvements have been made at the school, the most noteworthy of which is the hot lunch project, which was started for the benefit of school children this year.

No action has been taken thus far by the official board of the school to elect a successor to the resigning superintendent and grade school teacher, it was announced.

Mrs. Billington Takes Assistant P. M. Job

Mrs. Morgan Billington, who for the past several months has acted as substitute clerk at the Farwell post-office, has been named as assistant by Mrs. Noma Lokey, post master.

Mrs. Billington took over her duties the latter part of last week, succeeding Mrs. J. H. Martin, who resigned to go to Fort Worth, where she plans to secure a Civil Service position.

Thirty-six whole farm and ranch demonstrator families in Texas remodeled their homes last year.

Dutch Island Occupied by U. S. Troops

A street scene in the business section of Willenstad, capital of Curaçao, the Dutch island off the northern coast of Venezuela, which has been occupied by American troops. The troops were sent to reinforce the Dutch units which have been guarding the highly important oil refinery centers on the island.

Santa Fe Improving Trackage to Canyon

A crew of around 240 men are scheduled to begin work here Thursday, improving the Santa Fe trackage between Farwell and Canyon, a distance of 74½ miles.

W. E. Connell, roadmaster, who is here and in charge of the work, said they were expected to begin work early in the week, but had been detained due to the heavy snow which resulted in a soggy roadbed. Four gangs of 60 men each will be employed on the job, and at least two and one-half months are expected to be required to complete the work.

Connell said the work would be in the nature of adding new ballast to the roadbed, replacing old ties and raising the present track some four or five inches.

He said the average progress of

this kind of work was usually about a mile a day.

Bunk cars for the accommodation of the crew were set off on the siding here early this week, and the equipment to be used was being unloaded the first of the week.

May Double Track

Connell said that another improvement move was under consideration, which might be expected to start by April 1st. This would be the double tracking on the main line between here and Clovis. This improvement, he explained, is under consideration, and may have to be delayed due to inability to obtain the necessary materials.

If the line is double-tracked, he said, it would begin at a point near the underpass east of Farwell on the Slaton division, and run to Clovis.

LAZBUDDY

Mrs. Finis Jennings was hostess to a bridal shower, last Tuesday, in honor of Mrs. Douglas Boles of Littlefield. She was formerly Miss Eunice Whitt of Lazbuddy. After the beautiful gifts were admired, refreshments were served to Mesdames Douglas Boles, B. Whitt, Littlefield; B. H. Wagner, Albert Carroll; Joe Jorr-on, Owen Erolter, O. M. Jennings, Bruce Abney, Roy White and Miss Estelle White; Mmes. Frank Hinkson, John Gammons and Mmes. Bill Garrett and Morris Childers of Muleshoe. Gifts were sent by Mmes. O. N. Jennings, J. B. Jennings and Henry Ivy.

Lazbuddy Study Club met with Mrs. Albert Carroll, Feb. 19, with nine members present. Roll call was answered with a patriotic saying. Mesdames Glen Dunn, Finis Jennings, Walter Steinbock, Roy White and Estelle, Ralph Cox, John Gammon, Bruce Abney and Price Prather were served refreshments. Next meeting will be in the home of Mrs. W. H. Gammon, March 5.

Mr. and Mrs. S. L. Carroll, Mr. and Mrs. Albert Carroll and daughter, Sammy Beth, left the latter part of the week for a visit in Oklahoma.

The Christian Workers Club met Feb. 17th with Mrs. O. Treider. Eight members and two visitors were present. Program: prayer by Mrs. F. W. Greene; song, "Footprints of Jesus". The devotional was read by Mrs. Hayhurst. An election of officers named the following: president, Mrs. C. D. Julian; vice president, Mrs. C. E. Briscoe; secretary-treasurer, Mrs. R. G. Treider. Committees were appointed by the president. The members quitted for Mrs. Robert Precure. The next meeting will be in the home of Mrs. H. Armstrong.

Mr. and Mrs. Ray Cheyenne and Clovis, are visiting in the home of O. Treider.

Mrs. Geo. Taylor is on the sick list. Mr. and Mrs. O. Treider are on the sick list.

Dan Winn, of Clovis, visited here last week.

Mr. and Mrs. Robert Vise have returned from Hot Springs, N. M.

WHAT'LL THEY THINK UP NEXT?

Success in shipping "self-refrigerated" meat from the United States to England in ordinary ship space puts the finger on the adage that need is the mother of invention.

The meat, boxed and frozen to a very low temperature, goes to sea flanked bottom, sides and top with lard, which is also boxed and frozen. As lard also is urgently needed in Britain, it thus goes into service as soon as put aboard ship, paying its way as the preservative of the meat during the voyage, then taking its place along side the meat as a food item across the sea.

"MURDER BY NIGHT"

The long awaited junior play is to be presented in the near future—April 10, to be exact—with mysterious murders midst lightning and screaming galore.

Many thrills will be given by Dorothea Deaton, Arlon Lovelace, Franklin Sloan and Janie Lokey, as heirs to the Blackwell estate. Joe Lindsey, as the family lawyer, and Smokey Cast, as the inspector, give the story a weird turn. Archie Hamm, as the messenger, gives one of the heirs quite a fright—Billie Sharpe and Paul Roberson are the negro servants; Champ Landrum the hick police officer, and Twila Strickland, a nurse, give the story a final blow when they unravel the mystery. Be sure to see the junior play—A lifetime of thrills!!!

—FHS—

ASSEMBLY

The Senior Class entertained on Thursday with a "Doctor I Q" program. A 10c defense stamp was given for every correct answer.

Max Wallace acted as Dr. I Q. Jim Bob Dow was timekeeper. There were two judges, Ella Bea Shelley and James Martin. Joni Hillhouse, Merle Lovelace, Scott Billingsley and Charles Holland were helpers in the audience.

Receiving stamps were: Duane Curtis, Marjorie Moore, Glenn Phillips, Rosamond Booth, Peggy Williams, JeDon Porter, Robert Armstrong, Mr. McCuiston, A. C. Hennuman, Jill Dunn and Norma Jean Thomas.

Arlon Lovelace received 9 stamps for the jack pot question.

SECOND AND THIRD GRADE

We have made Dutch boys and girls for our health chart.

We have several absent from our room because of colds. We have all dried the snow.

Shirley Wilcoxson moved to Dalhart, Texas, last week.

—FHS—

FOURTH AND FIFTH GRADE

We are finishing a unit of "Our Changing Earth" in science this week. The earth is always changing and we have learned what causes these changes. Of course, they are made so very, very slowly that we usually do not notice them. Our next unit will be "The Earth's Neighbors".

A number of our group are still absent from school on account of illness. We will be glad when the weather clears up and everyone can be back in school.

Seven of the fourth and fifth grade children are busy working on contest spelling. Two of the group will represent us in the County Interscholastic League.

—FHS—

WHO'S WHO IN FARWELL HIGH SCHOOL

This week we decided to take one student from the entire high school to describe. We selected a senior boy.

A few of his favorites are: Movie: "Gone With The Wind". Actor: Errol Flynn.

Actress: Constance Moore.

Food: Fried chicken.

Hobby: Riding horses.

Sport: Baseball.

Pastime: Typing.

Book: "A Tale Of Two Cities".

Subject: Typing.

Ambition: Doctor.

Last week's Who's Who were: Freshman: Ruby Ezell.

Sophomore: Tommy Ruth Shelley.

Junior: Joanne Williamson.

Senior: Onealya Cole.

Teacher: Mr. Carter.

—FHS—

THE FRESHMAN CLASS

Say, Duane, what do we have in math? No, I never get mine 'til class time. Oh, this junior business is killing me. What did Miss Cain say about a test? Do you mean to say we are going to have a test on "Lady of the Lake" again tomorrow when we had one yesterday? Ouch! Whew! Why don't you shoot those paper wads the other direction, Glenn? Gee Whiz! There goes a whole bottle of ink on my homemaking paper.

Jean Ann, I wish you would keep your elbows on your own desk instead of in my ink bottle; Says Mr. Rogers to Joan, "Who discovered America, Joan?" "Shakespeare did, teacher!" Hey! Lynn, don't throw that book, here comes Mr. Rogers. But alas, too late, three demerits for just tossing one little book. . . shucks!

No, this is not unusual. It takes a little bit of this disturbance each day to permit the "Freshies" to live up to their reputation!

—FHS—

DO FARWELL HIGH STUDENTS KNOW BOOKS? ? ?

If you keep your ears open around school, you can hear discussions about all kinds of books. Some students are bookworms, others are not; some prefer Shakespeare, some will take Zane Grey, a few like text books, and some go for funny books. The editors have been conducting a poll to determine what type of books are generally preferred. The question, "If all the literature in the world, excluding the Bible, was to be destroyed, and you could save ONE selection, what would it be?" was asked a representative group of students and teachers. Here are the results:

Mr. Carter: Webster's Dictionary.
Mr. Rogers: Calculating in Mathematics.

Mr. Hooper: "How To Coach Winning Basketball", Holman.

Miss Shaw: "A Tale of Two Cities," Dickens.

Miss Cane: Complete Works of Shakespeare.

Scott: "A Tale of Two Cities," Dickens.

Lenora: "Gone With The Wind," Mitchell.

Jim Bob: "Rockne, Odol of American Football," Stuhldreher.

Merle: "A Tale Of Two Cities," Dickens.

Paul: "Oliver Twist".

Dorothea: "Girl of the Limberlost," Porter.

Billie: "Moor Born", Totheroh.

Archie: Number Calculations

Muggins: One Foot in Heaven".
Theda: "Gone With the Wind," Mitchell.

Junior H.: Webster's Dictionary.
Peggy: "Magnificent Obsession," Douglas.

Glen: "Dr. Jekyll and Mr. Hyde," Stevenson.

Jean Ann: "Lena Rivers".

Ronald: Encyclopedia.

Ruby E.: Dictionary, Webster.

This survey reveal that the fictional novels are in the majority with a vote of 10; nonfiction follows closely with a count of 7; drama and biographies received a vote of 2 each.

SANTA FE CARLOADINGS

The Santa Fe Railway system carloadings for the week ending February 28, 1942, were 20,981 compared with 16,474 for the same week in 1941. Received from connections were 8,125 compared with 7,044 for the same week in 1941. The total cars moved were 29,106 compared with 23,518 for the same week in 1941. The Santa Fe handled a total of 29,135 cars during the preceding week of this year.

LIFE SAVER FOR Cold Weather Starting

Are you all at sea about what to do when your motor suddenly refuses to start because the temperature is low?

Here's the answer: Just fill the tank with Phillips 66 Poly Gas. That's the quick, easy way to find out what a difference high test makes.

A touch of the starter, and your engine rolls into action with split-second speed. It's got to, because any engine in good mechanical condition will start provided the gasoline in the tank is "hot" enough.

And Phillips 66 Poly Gas is extra hot! . . . without a penny of extra cost!

Try a tankful. Compare. See if Phillips 66 Poly Gas doesn't give you just about the fastest cold-weather starting, and the finest cold-weather performance, you have ever enjoyed.

Remember, the Orange and Black 66 Shield is High Test Headquarters for car owners . . . because Phillips is the WORLD'S LARGEST PRODUCER of natural High Test Gasoline.

Phill-up with Phillips for Instant Starting

Notice To Car Owners

Have Photostatic Copy of Certificate of Title With You When You Come to Obtain Car License

Cars Must Be Registered in County Where Owner Lives

1942 Motor Vehicle Licenses are now due and must be paid between now and April 1st. License plates may be placed on your car any time after March 1st. We urge you to buy them early in order to avoid such a rush at the last moment.

Car owners applying for their 1942 license plates must have their 1941 license number or bring receipt for the 1941 license. Car owners driving motor vehicles with out-of-county license for 1941, MUST present 1941 car license receipts.

Farm trucks must be weighed the day of registration and affidavit made to that effect.

Money for all car and truck registrations remains in Parmer County.

Local Happenings

County Teachers To Meet In Friona

The annual meeting of the Parmer county teachers will be held in Friona tonight (Wednesday), Supt. J. T. Carter, of the Farwell school, said the first of the week.

Customarily, a banquet has been held in connection with the meeting, but officials earlier this year voted to cancel that part of the affair. Each school is to contribute to the entertainment, and Miss Lynnette Cain, local English teacher, will represent Farwell, giving a reading.

Principal business of the meeting will be the final agreement upon various dates for the Parmer County Interscholastic League events.

The majority of Farwell teachers have signified their intention of attending.

Work Started For Music Festival

Mrs. H. Arnold, director of music in the Texico school, said today that songs had arrived and practice would be started this week on numbers for the annual sectional music festival, which will be held April 10 and 11, in Portales.

Every year, bands, orchestras and choral groups in this area of New Mexico schools, assemble either at Clovis or Portales to present a two-day festival of music, which usually draws a large attendance.

The local school will participate only in choral singing, Mrs. Arnold said, to appear on Saturday, the 11th. In the afternoon, the choral group will present a special number for criticism of experts, she added, since this is the only form of "judging" that is done at the meet.

Wesley Class Meets Tuesday Afternoon

Meeting in the home of Mrs. G. W. Atchley, the Wesley Bible Class of the Methodist church held a regular gathering, Tuesday afternoon. Assistant hostesses were Mrs. Albert Thomas and Mrs. J. M. Crow.

Nine members answered the roll call, giving a list of chapters read and visits made, while Mrs. Lena Yoder was in charge of the devotional period.

At the conclusion of the afternoon, punch and cookies were served.

Club To Meet With Mrs. J. D. Thomas

Mrs. J. D. Thomas requests that all members of the Texico-Farwell Woman's Club take note of the fact that the club will meet in her home on March 10th.

According to the yearbook, the regular meeting is scheduled to be held in the home of Mrs. Mose Glasscock, and Mrs. Thomas urges that the ladies note the change of place.

PTA Will Meet March 12th

Officials of the Farwell Parent-Teacher Association have asked that members note that the next regular meeting will be held at the school building on Thursday, March 12th.

At this time a special program on safety will be conducted, and the visiting speaker will be from the Highway Department office in Lubbock.

Play At Okla. Lane On Friday Night

Announcement has been made that a three-act comedy, "Bashful Bobby", will be presented by the Oklahoma Lane juniors on Friday evening of this week, March 6th.

The play will be given in the school auditorium, with admission prices of 10, 15 and 25 cents. Time, 8:30.

Entertain Friends On 26th Anniversary

Mr. and Mrs. W. H. Graham entertained a number of friends in their home, the past Thursday evening, celebrating their 26th wedding anniversary.

Games of 42 were enjoyed by Mrs. Claude Thomas, Mrs. Warren Powers, Mr. and Mrs. Roy Bobst and Mr. and Mrs. Mose Glasscock, after which refreshments were served.

Banquet Date Set

Miss Dorothy Shaw, sponsor of the Farwell junior class, announced today that the annual banquet tendering the graduating class by the juniors, will be held at the homemaking building of the school on April 17th. Members of the homemaking department will have charge of the cooking and serving, while the juniors will arrange the program and decorations.

Assembly Program

Local patrons are cordially invited to visit the Farwell school at 11:30 Thursday morning, at which time the regular assembly program will be held, with the juniors in charge. A complete program was not available the first of the week, but several numbers are in rehearsal.

Home From California

Mr. and Mrs. F. E. Thompson and family returned the past Wednesday night from California, where they had gone a fortnight ago to spend a few days visiting their sons, Frank and J. D., both of whom are members of the U. S. Army. The Thompsons report a most enjoyable trip and a "grand visit" with the boys.

Kodak films, developed and printed, 25 cents per roll. I. E. Hanna, Farwell, Texas.

Whitley Married

Dave Whiteley, long-time resident of Farwell, is said to have arrived here Saturday from Oklahoma with a new bride. Repeated calls at the Whitley home failed to find the bride and groom, so readers will have to wait till next week for details.

Revival To Start On Thursday Night

Announcement has been made that a revival meeting will begin at the local Pentecostal Church on Thursday evening of this week, with Rev. Virgil Pace, of Clovis as the speaker, and the Dishman sisters in charge of the singing.

Services will begin at 8:30 in the evening, and the public is cordially invited. No closing date has been announced.

Mrs. W. E. Loveless, of Denton, Texas, mother of Mrs. J. T. Carter of this city; and Mr. and Mrs. C. B. Jones, of Stanton, Texas, spent the weekend in the Carter home.

Misses Velna Sheriff and Dorothy Shaw spent the weekend visiting with the former's parents, in Lubbock.

Mrs. C. W. Cook and son, Glenn, of Lubbock, visited here over the weekend. On their return home they were accompanied by her son, Carl Jr., who had spent a week with Mrs. Florence Wallace.

Announcement has been received of the birth of a son to Mr. and Mrs. Bert Reynolds, of Trinidad, Colo. She is the former Miss Maurine McDaniell, of this city.

Argus camera films developed and printed, 3/4x4 1/2 in. size, 36 exposure roll, \$1.00 each; 18 exposure roll, 60 cents. I. E. Hanna, Farwell, Texas.

Mr. and Mrs. Buck Ellison, of Bovina, were business visitors in Farwell, Tuesday.

Play Cast Hard At Work On Rehearsals

Under the direction of Mrs. Wesley Osborne, members of the Texico junior class are hard at work on the annual stage presentation, "Winning Winnie" which will be given at the auditorium on Friday evening, March 13th.

The play is strictly a comedy, with all concerned becoming involved in the intricacies of deception Wanda Weston, an authoress, is played by Pearl Martin. To liven up life, she starts a correspondence with members of the "Jolly Bachelor's Club," keeping it strictly on a platonic basis, but things get out of hand when she breaks her wrist and sister Winnie (Billie Nell Thompson) takes over and goes romantic in the correspondence.

The upshot of the writing is that the three bachelors converge upon the Weston home to woo the writer. Winnie, who already has a fiancee in the person of Robert Radcliff (Billy Bob Drace), goes to great lengths to keep the men from finding out they are being misled, by securing the cooperation of the secretary, Ethel Elkins (Albercia Hall), the maid, Tillie Tompkins (Dorothy Faul), and the cook, Flora Fish (Esther Selman) to pretend they are doing the writing. The bachelors are Floyd Park as Romney Romaine, James Box as Pete Parker, and Calvin Blaine as Texas Tripp.

The play will begin at 8:30 war time, and admission will be 15 cents for children and 25 cents for adults.

Delegates Named To Attend District Meet

At a meeting of the Parmer county home demonstration council, held the past Saturday in Friona, the ladies elected delegates who will represent the county at the District 2 meeting of the H. D. Association, to be held in Lubbock on April 11th.

Those named were: Mrs. Will Nittler, Bovina; Mrs. Johnnie Bengler, Parmerton; Mrs. Ellis R. Barry, Oklahoma Lane. Mrs. C. A. Guinn, of the Lakeview club, was elected as alternate.

One of the principal actions during the business session was the decision that each club member would donate one dozen eggs, or 25c, to the treasury, to carry on the budget of the year's work.

The women will hold a food sale in Friona on March 7, from 10 a. m. to 4 p. m., and the council meetings will from hereon be held at 3:30 p. m. war time, on each fourth Saturday.

"Murder By Night" Is Title Of Junior Play

A weird mystery, involving peculiar murders and the customary galaxy of thieves and money-grabbers, will be presented under the title of "Murder By Night" on April 10th, when the Farwell junior class turns stage conscious.

Members of the cast were named following tryouts last week, and rehearsals are scheduled for the near future. Included in the cast will be Dorothea Deaton, Jane Lokey, Twile Strickland, Billie Sharpe, Champ Landrum, Arlon Lovelace, Smokey Gast, Paul Roberson, Franklin Sloan, Joe Lindsey and Archie V. Hamm.

Miss Dorothy Shaw, sponsor, is in charge.

Sugar Hoarders Will Have To "Divvy Up"

Every household in the nation should get itself into the sugar ration habit now before the government's rationing plan goes into effect, Dan A. West, director of the Consumer Division of the Office of Price Administration, advised today. He also urged consumers who have hoarded large supplies of sugar to "divvy up" with their friends and neighbors.

"Rationing means 'share and share alike'," Mr. West said, "and if we're really serious about sharing the burdens of this war fairly, here's a good chance for us to begin doing it in our communities."

Consumers will have to certify the amount of sugar they have on hand when they register for War Ration Book No. 1. For all sugar in excess of two pounds per person, stamps will be torn out of the ration books, preventing further purchase of sugar until the hoards are used up. False certification will be punishable under the United States Criminal Code.

By "divvying up" sugar supplies with friends and neighbors now, Mr. West said, those who have stocked up heavily can help lessen the strain on retail stores and avoid the embarrassment of having many stamps removed from their ration books at the time of registration.

He pointed out that most homes do not have facilities for storing large quantities of sugar and that improper storage, especially in damp places, will result in hardening and caking and other spoilage which will mean a waste of sugar.

Under the rationing plan, sales of sugar will be restricted to something less than a pound of sugar per week per person. "Sugar rationing will work no hardship on anyone," West declared. "Many never use that much sugar in a week, anyway. For others, it's just a matter of wartime duty to pull in our belts and use less sugar than we've been accustomed to."

He suggested that every household figure out approximately the amount of sugar which it will be entitled to under the plan. "Try limiting your use of sugar to that amount. If you find you are using more than that, see where you can eliminate and cut down on things like cake frostings, home candy making, rich desserts and heavily-sweetened beverages. Then, when the rationing plan is in operation you will know how to make the best of your family's ration."

OFFICE DAY CHANGED

Jess Coleman, head of the Parmer FSA office in Farwell, said today that, in the future, he would be in the office on Tuesdays to interview clients, rather than on Mondays. He also reminded clients of the office hours, which are from 8:30 to 5, war time, Monday through Friday, and from 8:30 to 12, Saturday.

IN AIR CORPS

Announcement was received here last week to the effect that James R. Caldwell, son of Mr. and Mrs. J. R. Caldwell of Farwell, was among the Aviation Cadet graduates from the Air Corps Basic Flying School, at Gardner Field, Taft, Calif., on Monday, Feb. 23. Cadet Caldwell is now in line for a ten weeks advanced course, and upon successful completion will receive a commission as second Lieutenant in the Air Corps Reserve.

Demonstration Club Notes

By Special Staff Reporters

Midway Club

In beautifying the county home, first one must picture in mind just what we want, then make a plan. There are three things to consider. First, convenience; second, comfort; and third, beauty, said the home demonstration agent, Miss Elsie Cunningham to the Midway club, when it met in the home of Mrs. J. J. Haun, Feb. 19, with 8 members and one visitor present. At this meeting the club elected Mrs. W. S. Menefee to be presented to council as a delegate to the district convention, April 11th.

Delicious refreshments of fruit salad, angel food cake and cocoa were served to Mesdames. Travis Galloway, Clyde Woltman, R. C. Wiley, Stephen Jesko, Walter Fangman, Joe Jesko, J. R. Harris, visitor Marvin Haun, Miss Cunningham and the hostess, Mrs. J. J. Haun. The club will meet March 5 with Mrs. Travis Galloway. Program: "Food For Freedom".

Parmerton Club

The Parmerton home demonstration club met February 25 with Mrs. Claude Blackburn.

Miss Elsie Cunningham gave an interesting discussion on "Beautifying the Farm Home Grounds". Others taking part on the program were Mrs. G. H. Black and Mrs. Johnnie Benger.

Plans were discussed for organizing a home demonstration club south and east of Friona. A meeting will be held on March 11th at 3 p. m., war time, at the home of Mrs. M. W. Moody. All women living in that community are urged to attend.

Refreshments were served to Mesdames G. H. Brock, Giles Cobb, C. A. Turner, John Benger, Johnnie Benger, H. A. Hyde, G. L. Mingus, members; and Mesdames C. A. Collier, M. W. Moody, C. L. Vestal, visitors, and the agent, Miss Cunningham.

INT TO FARMERS

(Continued From Page One)

important factor in cotton crop insurance and should be realized by all cotton farmers.

Anyone desiring further information about their individual farm should contact this office. It will only take about two minutes to explain your entire set-up, the amount you are guaranteed and the amount it will cost you.

1942 Program

There are some misunderstandings and false rumors going around the county which should not be taken too seriously by those farmers which hear them. It has been reported to this office that rumors are going over the county to the effect that there will be no "layout" land for 1942. This is false, as all farms, in order to draw full conservation payments for 1942, will be required to have 20% of their cultivated acreage devoted to a soil-conserving crop or land use. This 20% does not have to be planted to anything.

It may be summer-allowed in accordance with good farming practices and the operator will receive 70¢ per acre toward his soil-building allowance on such land. The soil-conserving acres, however, may be planted to any of the sweet sorghums; but these fields of sweet sorghum must have at least five rows, or one rod, left on the land for each 25 rows, or five rods, harvested. Of course, the entire field may be left on the land, but in case a producer desires to bundle his cane the above rules will apply.

Several farmers have inquired as to whether they would draw their soil-building allowance in case they did not have their 20% conserving acreage on their farms. The 20% minimum conserving acres apply to crop payments only, and any producer who stays within his acreage al-

lotments and carries out approved soil-building practices will be paid for such practices regardless of whether he has any conserving acreage on his farm. Likewise, he may comply on one farm and not on another without being penalized on the farm he is not complying on, provided, of course, his cotton and wheat allotments are not exceeded.

Texico Out in First Round Of Tournament

The Texico senior boys wound up their current cage season the past weekend, when they entered the district tournament at Clovis, losing their opening game to the strong Field aggregation. Count for the game was 17-45.

In the final round of the meet, Clovis took the district crown, with the Grady team in second place. Both will represent this area at the state tournament it was believed here.

As to the local game, Texico was "just plain outclassed" by their opponents, who boasted some three or four four-year-men on the squad, as compared to the local players, most of whom are considered recruits in the game.

The Field team was strongly paced by Witcher, smooth forward who looped in 18 points during the game, despite frantic efforts of the Texico defense to halt his scoring drive.

Ribbons Awarded To County FSA Families

Some 26 ribbons, designating the rank in percentage for food raised at home for home consumption, have arrived at the Farmer County FSA office, according to Mrs. E. A. Elms, home supervisor.

In the group are 17 blue ribbons signifying that the family noted has raised 75 percent, or more, of the food used at home during 1941. Twenty-one families were listed as red ribbon winners, designating the production of 60 or more percent of home consumed food.

The ribbons and their accompanying certificates are on display in the local office, but Mrs. Elms declined to name the families concerned.

Burning Fence Rows Aid In Hopper Feud

Information received here this week from citizens of Bovina, who are practicing what they preach, was to the effect that the burning of banks of tumble weeds along fence rows is a definite step in the guarding of summer crops against grasshoppers.

Buck Ellison, of that city, stated that burning of such weeds leaves thousands of eggs, and possibly even a few hoppers, at the mercy of cold and wet weather, adding that a large number of farmers in that area had already taken such steps.

If the protective cover is burned from the eggs, they will necessarily be exposed to the wind and cold, with the informant pointing out that in cases where weeds had been burned, no sheltering bank of snow had built up to protect the eggs from the weather.

During the past several years, alert farmers have taken every precaution possible to prevent the spread of damage from the pests, and this measure may be just another step toward victory in the hopper feud.

TRACK TO START

"As soon as the weather clears," was the reply given by Coach A. D. McDonald of the Texico school, this week, when asked about the beginning of track workouts. Since basketball concluded at the school only last weekend, McDonald added that he had no definite idea concerning material which would be available for track this year, but went on to say that the majority of boys would be new to senior competition.

From the coconut leaves and wood its meat and oil are made shelter, fuel, food and drink by the Tahitians.

FFA Will Hold Class Contests, March 13

The Farwell FFA will hold class contests in poultry and farm shop judging on Friday afternoon, March 13, according to T. A. McCuiston, director.

Rules state that all chapter members who care to do so are eligible to participate in one of the contests.

The high individual in each contest will receive a silver medal, while the usual ribbons will be presented to the first five winners in each division. Members are to group themselves in teams of three, with the winning team to receive a pennant.

As a special feature, the results of the contests will be announced at a "pig roast" that night. McCuiston stated that the pig roast this year would take the place of the usual Father & Son banquet of the department.

6 Passenger Cars Are Allowed For 3 Months

The Farmer County Rationing Board will be allowed to approve the purchase of six new passenger cars during the months of March, April and May, it was announced here today by Chairman John Armstrong of the Rationing Board.

He explained that certificates of purchase for new cars could only be issued to those qualifying in the eligible list, which includes peace officers, doctors, taxicab operators, mail carriers and veterinarians. Persons transporting farm products to and from market by car may also come within the eligible list, Armstrong added.

May Employ Clerk

Information received here this week is to the effect that the Rationing Board has been authorized to employ a clerk, to be in charge of the local office on a two-thirds time basis.

No action, however, has been taken on this matter pending investigation of a suitable person to attend the duties.

Chairman Armstrong stated that it was becoming increasingly apparent that, with the rationing of tires, cars, sugar, and possibly other food-stuffs in the near future, a full time clerk would be necessary to keep the local office open at all times.

March Tire Quota

The local board has been allowed only 8 passenger car tires and 7 passenger car tubes for the month of March. While this is a reduction in the quota of passenger type tires and tubes under February, the truck and bus quota for the current month has been hiked considerably, with 51 truck and bus tires, and 57 truck and bus tubes assigned for distribution during the month.

Now that retreading and recapping have been placed on the ration list, the county has been assigned 22 retread jobs for the month on truck and bus tires. No passenger tire retread allotment is included in the March quota.

Under the new regulations, tractor and implement tires are now chargeable against the truck and bus quotas, Armstrong explained. He predicted, however, that most of the tractor and implement tires needed in the county had already been supplied and that practically all of the assigned quota would be absorbed in truck and bus equipment.

Ministers Eligible

Ministers are now eligible to purchase new tires for passenger cars, where proof is filed that the vehicle on which they are to be used is a necessity and that the car is being used for religious work, the Chairman also announced.

February Quota Exhausted

Twenty-three applicants for new tires during the month of February had to be declined for the very simple reason that the quota was exhausted before all applications were taken care of. These applications are being held over, and will be rationed under the assigned March quota.

Those granted purchase certificates at the meeting of the Board held on last Wednesday were:

- John West, 1 tractor tube.
- W. M. Sherley, 2 implement tires and tubes.
- W. M. Sherley, 1 truck tire and tube.
- L. M. Grissom, 2 tractor tires.
- Richard C. Hunter, 1 truck tire and tube.
- J. P. Miller, 1 obsolete tire.
- Robert Scheuler, 2 tractor tires and tubes.
- Lakeview school, 2 bus tires, 1 tube.
- Geo. A. Jones, 2 obsolete tires.
- Roy Johnson 4 tractor tires.
- J. G. McFarland, 2 obsolete tires.
- Jim Kichey, 1 obsolete tire.
- W. E. McGlothlin, 1 tractor tire.
- Friona Consumers, 1 truck tire and tube.
- Cecil Jones, 2 tractor tires, 1 tube.
- W. C. Williams, 2 tractor tires, 2 tubes.
- Lawrence Winegart, 3 obsolete tubes.
- Frank Mason, 1 pick-up tire and tube.
- Cecil Malone, 1 pick-up tire and tube.

BOVINA NEWS

Mr. and Mrs. Temmie Horton and Mr. and Mrs. Roland Farmer visited Sunday in the home of Mr. and Mrs. Alvin Gaines, in Friona.

Mr. and Mrs. James Watkins, Mr. and Mrs. Pete Vestal, Mr. and Mrs. Johnnie Vestal and Grady Mitchell left Tuesday for Lubbock, to be employed for an indefinite time.

Aubrey Brock and Willie Williams were Farwell business visitors, Monday.

Mr. and Mrs. Dick Free, of Dumas, spent the past weekend here with relatives.

Troy Free, who has been employed in Amarillo, is visiting his parents for a few days, awaiting his call to the Navy.

Bob Blalock made a business trip to Dumas the past weekend.

Bertrum Gunn left Monday for Raton, to be employed.

Ben Mays, of Dumas, spent Saturday with friends here.

Mr. and Mrs. James R. Thompson visited Mr. and Mrs. Ward Thompson, the past week.

The State Highway men from Dimmitt were called here Saturday to help clear the roads, caused by the severe snow storm.

Mrs. G. C. Danner and daughters, Patsy and Jean, were Clovis visitors Monday.

Mrs. Bill Venable and Mrs. J. D. Hance, of Clovis, were business visitors in Amarillo, Friday.

Patriotic Musical Program

On Feb. 26 in the high school auditorium, Mrs. E. T. Caldwell, local music teacher, presented her pupils in a unique and interesting patriotic program.

The first division of the program was not only entertaining but educational as well, as representatives of 15 countries in native costume, played music relative to their country and also gave information as to the different types of music.

The other division of the program was a clever operetta, "When Betsy Ross Made Old Glory," with grade school children, under the direction of Mrs. June Rhodes and Miss Della Eleler, taking leading parts. The participants were dressed in colorful colonial costume and did a number of folk dances, which made it a very delightful affair.

Cafeteria Shower Held

The food shower given or the Bovina school cafeteria sponsored by the PTA, was a huge success in spite of bad weather.

Throughout the afternoon, tea and cookies were served.

Contributions were received from Mesdames. Ross, Brock, Otis White, Bob Kelly, Joe Looney, Tom Rhodes, W. E. McCuan, W. E. Williams, Joe Langer, Clyde Blalock, Barron, Leroy Berggren, W. O. Cherry, Tidenberg, Frank Smith, Frank Ayres, Quickel, Shelby Jersig, E. F. Johnston, Buren Vassey, Williford, Mary Gaines, Aubrey Rhodes, Lady Gaines, Kimbrow, Bob Johnston, E. T. Caldwell, with a grand total of 113 quarts of canned food, besides money and other food items received.

The sponsors expressed their appreciation for the cooperation of patrons.
