

First Casualty in Argentine Shipping

This view of the new 12,500-ton motorship Victoria, first ship under Argentine registry to be damaged by a submarine or a mine, shows the effect of the explosion. The Victoria was proceeding with her flag plainly visible, and showing lights at night. She continued to New York under difficult conditions, and was reported to port safely.

Half of Parmer Sugar Cards Issued Monday

An estimated one-half of Parmer county's sugar consumers registered for their rationing books on Monday, the first day for sugar rationing registration. John Armstrong, chairman of the Parmer County Rationing Board, estimated here today Thursday of this week will be the final day for issuing rationing books, and Armstrong warned that unless rationing books are procured by that time it will be two weeks before another opportunity will be open.

Registration in this county was being carried on at the school houses, with classes being dismissed for a two-day period, Monday and Tuesday. Up to Monday night, 3293 applications had been filed in the county and a total of 3280 books issued. Those failing to receive books were denied on grounds of a surplus of sugar on hand.

One-Half Pound Is Limit

Armstrong explained that purchases of sugar would be limited to one-half pound per person per week for the present. He also said that

coupons on the rationing books would be honored on the week for which they were issued. "You must use the stamp during the time specified," he said.

He released the following schedule for use of stamps in the ration books:

Stamp No. 1 good from May 5 to May 16.

Stamp No. 2, good from May 17 to May 30.

Stamp No. 3 good from May 31 to June 13.

Stamp No. 4 good from June 14 to June 27.

No schedule has been received here for the rationing schedule beyond June 27.

Registration of Texico residents, which is being conducted at the school building after hours, was going good on Tuesday with some 325 making application up to that time. Residents may continue to register throughout Thursday evening at the school.

Of Interest to Farmers

By Keltz Garrison, Sec'y. Parmer County AAA

I have just received the following telegram from B. F. Vance, Administrative Officer in charge at College Station, Texas:

"You are authorized to announce revised 1942 ACP wheat rate of 9.9c per bushel and 1942 wheat parity rate of 13.5c per bushel."

According to this telegram, we will have a wheat parity, however, as yet I have not received any information with respect to a cotton parity. The ACP rate has been reduced from 10.5c per bushel to 9.9c per bushel, a reduction of .6c over the originally announced rate.

Strip Cropping Mixup

There still seems to be quite a bit of misunderstanding over the county concerning strip cropping. For the information of those who do not understand this practice, I am again outlining briefly the ways by which a person may qualify for the strip cropping practice. To begin with, no producer can draw a strip cropping practice unless his rows are contoured. In order for an acreage to be classified as having earned a strip cropping practice, a producer must have strips of cotton, soy beans corn or broadcast cane seeded with a grain drill alternating with strips of grain sorghums, wheat, barley, oats, rye, or other small grains. Strips of sudan or cane in rows alternating with strips of grain sorghum in strips will NOT qualify under the strip cropping practice. This practice has nothing whatever to do with your "layout" land. It is simply another practice which a farmer may use in earning his soil-building allowance, the same as he does contouring, summer fallowing, etc. A person may strip crop any amount of acreage he desires, but entire farm does not have to be strip cropped.

Since the state office has approved the practice of leaving a ten-inch stubble of grain sorghums, sweet sorghums, or sudan, at the rate of 35c an acre, it will not be necessary for any farmer in Parmer county to strip crop in order to earn his full soil-building allowance, however, if he does not leave a ten-inch stubble, there are numerous other practices which he may carry out in earning this allowance, but strip cropping is probably the easiest of the practices for him to carry out. A farmer may earn 35c per acre by leaving a ten-inch stubble regardless of whether his rows are contoured or not, also he will earn this 35c an acre in addition to his 45c an acre for having his rows contoured.

Rumors have reached this office that people who are in the business of threshing are telling over the county that the regulations have been changed whereby cane and sudan grass grown on "layout" land may now be threshed. This is not correct, for the regulations have not been changed, and I am of the opinion that they will not be changed. It and when they are changed this office will mail the information directly to every farmer in Parmer county and it will not be spread by grapevine gossip.

SIXTH AT STATE

Hershel Doolittle, representing the Texico school, placed sixth in the half-mile run at the New Mexico state track and field meet last weekend, when events were held in Albuquerque. A. D. McDonald, coach, stated that Doolittle ran an excellent race, but with the crowded condition of the field—27 men competing—made the going a little rough for the local boy, who was in the 25th lane.

CORREGIDOR IS CAPTURED

Graduation Programs to Start Sunday

Beginning on Sunday, May 10th, final exercises for the Texico and Farwell high school seniors will be conducted, culminating on Friday night, May 15th.

Opening the activities, the Texico class will assemble Sunday morning at 11 a. m. war time, in the auditorium, to hear Minister L. C. Cox of the Church of Christ, deliver the baccalaureate sermon.

The complete morning program includes:

Processional, Ronald Booth.
Invocation, Rev. E. J. Sloan.
"Lead Kindly Light", audience.
Scripture, Rev. W. C. Wright.
"When Mother Prayers," high school chorus.

Sermon, Minister Cox.
"Praise Ye The Father," chorus.
Benediction, Rev. Sloan.
Recessional, Ronald Booth.

Farwell Services At Night
Rev. W. C. Wright, of the local Baptist church, will be the speaker at the Farwell baccalaureate, which will be held in the auditorium Sunday evening, beginning at 9 o'clock (war time).

The program is as follows:

Processional, Mrs. C. M. Henderson.
Invocation, Rev. E. J. Sloan.
Song, audience.
Sermon, Rev. Wright.
Benediction, Minister Rex Kyker.
Recessional, Mrs. Henderson.

Commencement on Tuesday

Although starting out later, the Farwell students will be "exes" some three days before the Texico group, with the Farwell commencement exercises to be held Tuesday evening, May 12th, in the auditorium.

The program will begin at 9 o'clock, and has been arranged:

Processional, Mrs. Henderson.
Invocation, Minister Ebb Randol.
Vocal solo, Mrs. W. H. Graham.
Salutatory address, Lenora Birchfield.
Valedictory talk, James Martin.
Address, Dean Floyd Golden, Eastern New Mexico College, Portales.

Presentation of diplomas and awards, Supt. J. T. Carter.
Class song, Seniors.
Benediction, Rev. Wright.
Recessional, Mrs. Henderson.
The seniors are: A. G. Acker, Scott Ellingsley, Lenora Birchfield, Bill Brand, Onealya Cole, R. L. Douglas, Jim Bob Dow, Julius Dycus, Howard Ham, Johnnie Hillhouse, Charles Holland, Ernest Justice, C. E. Knowles, Merle Lovelace, James Martin, Ella Bee Shelley and Vernon Symcox.

Texico Graduates Friday

The eight seniors of the Texico school will receive their diplomas on Friday evening, May 15th, it was stated, at which time Dr. Alfred Crofts, of ENMC, will speak. The exercises will be held in the school auditorium, beginning at 9 o'clock.

The program:

Processional, Ronald Booth.
Invocation, Rev. Wright.
Salutatory address, Dorothy Paul.
"Our Bonnie Boat", "Old Irish Air", chorus.
Address, Dr. Crofts.

Valedictory, Ruby Doolittle.
Presentation of diplomas, Rupert Paul, president board of education.
Awards, scholarships, Supt. L. A. Hartley.
Benediction, Rev. Sloan.
"Auld Lang Syne," Sylvia and Wanda Pearce, Juanita Roberts.
Recessional, Ronald Booth.
Lila and Wanda Boss, Ruby Doolittle, Daniel Gonzales, Duane Howard, Dorothy Paul, Edna Earle Thompson and Mescal Winters are the graduates.

Members of both classes will be wearing the traditional caps and gowns.

In addition to exercises for the seniors, programs have been slated at both the Texico and Farwell auditoriums for Thursday evening, May 14th.

Programs on Thursday

At Texico, some twenty-four grade school students will receive diplomas for high school entrance, A. D. McDonald, sponsor, said. No speaker had been secured this week and the program will be given in The Tribune's next issue.

The all-school program for Farwell will also be held Thursday evening, Supt. Carter said today, adding that arrangements were not complete as yet.

Air has weight—about one pound to every 12 cubic feet.

GOES TO VIRGINIA

The Selective Service Board of this county has ordered J. B. Shirley of Friona, to report here next week to be sent to a civilian public service camp at Lynhurst, Va. Shirley was classified as a conscientious objector.

This makes the second conscientious objector that has been sent from Parmer county under the Selective Service regulations. The other was Irl Bertram Jack, of Friona, who is now stationed at Magnolia, Ark.

Mrs. Gordon McCuan Dies In Plainview

Funeral services for Mrs. Gordon McCuan of Bovina were held at the Baptist Church in this city Sunday morning at 11 o'clock, and the body was taken overland to their old home at Granbury, Texas, for burial in the Cedar Grove cemetery near that city.

Mrs. McCuan, age 51, died at a Plainview sanitorium Saturday morning, where she had been receiving treatment for several weeks. She was the wife of Gordon McCuan, former Parmer county clerk. They made their home in Farwell for many years and recently have resided in Bovina, where Mr. McCuan is engaged in business.

Rev. E. J. Speegle, pastor of the Bovina Baptist church, conducted the last rites, assisted by Rev. W. C. Wright, local pastor. The Eastern Star participated in the services.

Of her immediate family, she is survived by her husband, a son, John Dale of this city, and one daughter, Mabel Gordon of Bovina. A sister and three brothers also survive.

Fifteen Selectees Leave Here on 18th

Twelve Parmer county selectees, one holdover and two transfers will make up a shipment of local lads to be entrained here on the morning of Monday, May 18, for the induction center at Lubbock.

Twelve of the men will be used to fill the May quota from this county.

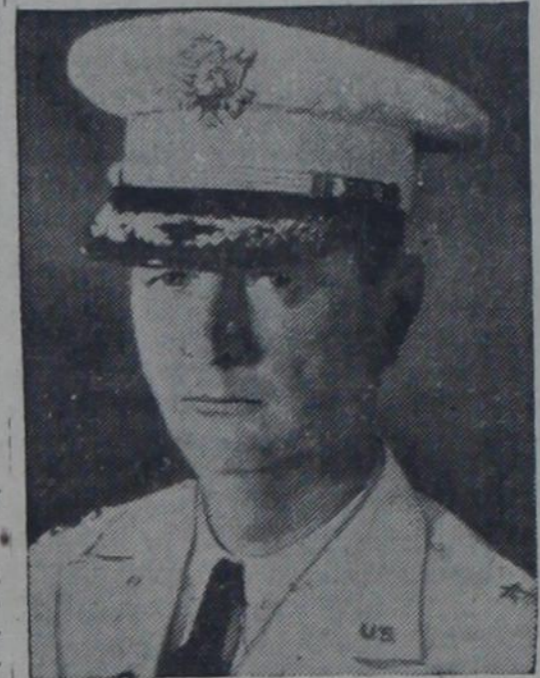

Those scheduled to leave here on the above date are: L. Delaney Brown, Melvin Francis Coffey, Virgil Lee Elms, Robert D. Lance Jr., Carl Edward Shirley, Ardain Fallwell, Wm. Morgan Billington, Wulford Edward Johnson, James Davis Gulley, Thos. Wesley Osborne, El Elizia Garrett, Wm. O'Dell Wilburn, Joe Byron Burford (holdover), Henry Kent Gerles (transfer), Donald Coleman Griffith (transfer).

GRADYS TO ROY

Mr. and Mrs. Tom Grady, who have been living at Hobbs, N. M. for the past several months, were transferred to Roy recently and moved to their location early this week. He is a cattle inspector for New Mexico. He is the son of Mrs. Pearl B. Grady of this city, and spent most of his life here.

The Gradys were here on Saturday to take their two older children, who had been visiting Mrs. Pearl Grady, home with them.

Announces Surrender Of American Forces

Recent photo of Maj. Gen. Jonathan M. Wainwright, who today announces the surrender of his American forces on the island of Corregidor to the Japanese forces.

Record Wind Does Some Damage Here

What is believed to have been a record-setter for a straight windstorm swept over this section all day last Thursday, causing some damage to property and growing wheat.

Practically all of the damage was confined to small outhouses, chicken houses, barns and the like, with windmills also coming in for a beating. At least three windmills are reported down in this section.

The damage to wheat is reported to be slight, however, and farmers generally are of the opinion that the wind will not affect the yield.

The wind gained a velocity estimated at not less than 60 miles per hour, with gusts rising to an even higher speed. Due to the fact that early rains had caused a good ground coverage of vegetation, only a very little sand, comparatively speaking, was in the air during the all-day blow.

County Agent Called To Service Tuesday

Lee H. McElroy, the local county agent, left here Tuesday for Littlefield, where he was entrained for Lubbock for his final physical examination and possible induction into the Army.

McElroy came here from Lubbock only about ten months ago to take over the county agent's job, succeeding Jason O. Gordon, who resigned to go to Floydada in a similar capacity. He was assistant county agent at Lubbock before coming here.

Mrs. McElroy announced the first of the week that it was her intention to continue to reside in Farwell. She is an experienced school teacher and hopes to follow her profession with the opening of schools next fall.

No official announcement has been made here regarding McElroy's successor.

Planters in Ceylon employ snakes to catch rats.

After 27 days of heroic fighting, characterized as the most outstanding defense that has ever been known, Corregidor, the fortress commanding Manila Bay, has fallen to the invading Japanese army, it was announced early this morning.

Maj. Gen. Jonathan M. Wainwright, commander of the small and hopelessly outnumbered garrison, today wired the War Department in Washington that he was forced to surrender to the overrunning Nipponese hordes.

The fall of Corregidor came 27 days after the enemy had taken Bataan, and four months after the Imperial forces, numbering many thousands, began their attack on the Philippine Island outpost.

Supplies Exhausted

The surrender of the American forces at the small island fortress came only after the "limits of human endurance had been exhausted". Gen. Wainwright cabled the War Department in Washington. It was known that food, ammunition and supplies on the besieged island had been running low for many days.

The invasion of the Philippine Islands began on Dec. 10, 1941, and the defense the American and Philippine forces put up will go down in history as one of the greatest ever staged. It has been estimated that not less than 200,000 Japanese troops have been engaged in the attack on the Islands, while the defending forces have never been estimated far in excess of 30,000.

Guerillas Fight On

Although Corregidor has fallen, dispatches early today said that the Islands were infested with small bands of guerilla forces that were expected to continue harrassing the invaders for many months yet to come.

The loss of Corregidor, which commands Manila Bay, one of the finest bays of the East, is a severe blow to the Allied cause. It was just 44 years ago today that Admiral Dewey cabled the War Department that he could take Manila and Manila Bay at any time, but did not have sufficient men to hold the city.

Carl Davis To Open Business in Farwell

C. G. (Carl) Davis, who is now engaged in business at St. Vrain, 20 miles west of Clovis, announced this week that he would open a new business in the building being vacated this week by the Osborne Mercantile Co.

Davis said that he planned to move his stock here from St. Vrain, and will add many new items to the stock, to include a complete line of groceries, shoes and notions. He said that he planned to add hardware and dry goods to the stock "as soon as I can".

He is taking over the remnant stock and all fixtures of the Osborne Mercantile Co. He said that the new business would be operated under the name of the C. G. Davis Mercantile Co. Plans now call for the formal opening of the new store on May 16th.

POTEET IMPROVING

Pvt. George Hulen Potet, who entered a Clovis hospital last week for treatment of pneumonia, is reported improving and may be able to leave the institution at an early date. Called home by the illness of his sister, Potet was stricken while on furlough.

May 11-16 Designated as Scrap Iron Week for Parmer County

The week beginning May 11th has been designated as "scrap iron week" in Parmer county by the county War Board, and officials are urging that every farmer in the county make a special effort during the week to see that all available scrap iron on his farm is taken to some centrally located point, in order that it might be put to use in vital industry.

According to Olan N. Schleuter, chairman of the board, there are a number of smelters which have been forced to close down because of lack of material, such as scrap iron, to keep them going. "Gathering your scrap iron and taking it to a central point in order that the production of vitally needed equipment will not

be hampered is just one big way by which farmers may assist in bringing the war to a close more rapidly," Schleuter said in making his appeal that farmers seriously consider the help they will be rendering by seeing that scrap iron on their farm is put where it will do the most good.

Four Depots Arranged

Scrap iron depots will be provided in Friona, Bovina and Texico, and it is possible that there will be other points in the county where the scrap metal will be collected. Farmers living in localities where it will be inconvenient to deliver the iron to one of the above places, should contact their local AAA community committeeman, and it is possible

that depots may be established at other points.

"The main thing to keep in mind," the chairman stressed, "is that sometime during the week May 11-16 every farmer should make every effort possible to see that his scrap iron is put in circulation."

Members of the War Board voiced the opinion that after May 16 farmers would be busy planting and it would probably be impractical to promote another drive later. In view of this situation, farmers should do their utmost to gather their scrap iron on the week which has been designated. Full cooperation of all farmers in the county is requested in this drive, members stressed.

The State Line Tribune

Entered as a second class mail matter at Farwell, Texas, under the Act of March 3, 1879.

W. H. GRABAM, Editor and Owner

ISSUED EVERY THURSDAY

Per Year \$1.50

OUR PLEDGE

We pledge allegiance to the Flag of the United States, and to the Republic for which it stands; One Nation, indivisible, with Liberty and Justice for all.

Bovina Happenings

Mr. and Mrs. Charlie Rury and family of Friona visited in the home of Mrs. Lillie Rhoads, Sunday.

Mr. and Mrs. Will Parker visited in Amarillo with L. D. Parker, Sunday.

Mrs. Jack Brown and daughter, Ollie Evelyn, of Happy, visited in the home of Mr. and Mrs. Bill Eberling home, last weekend.

W. L. Walker of Littlefield, visited his mother, Mrs. Bill Eberling, Sunday.

Congratulations to Mr. and Mrs. Harold Brown on the birth of a boy, Lewis Wayne, Monday, May 4.

Consumers Meeting

The annual meeting of the Consumers Fuel Assn. was held at the school on April 30. Quite a few members and families present and a good program was arranged. Leonard F. Cowden was present and gave the picture of the co-ops in action. This was very interesting. Some business was attended to. Refreshments were served.

Musical Program

On Thursday evening, May 7, at 8:30, Miss Matie Mae Swisher will present six members of her vocal studio in a national music week concert at the Methodist Church. Singers include Mrs. W. E. Williams, Betty Jo Nichols, Pattie Wilson, Mary Elizabeth Charles, Mary Ayres and Rosa Lee Denny. They will be assisted by Mrs. Davis Wilson, pianist. The public is cordially invited.

Recital at Oklahoma Lane

The pupils of Mrs. E. T. Caldwell will present a recital Sunday, May 10, at 8:30 p. m. at the Oklahoma Lane Methodist church. The public is invited.

Intermediate Recital

Miss Martha Alice Williams will be presented in Intermediate piano recital, assisted by her mother, Mrs. W. E. Williams, on May 10th, at the Bovina Methodist church, at 4 o'clock. The public is invited.

PLEASANT HILL

The wind storm last Thursday did quite a bit of property damage in this community. One chimney blew off the school building, and several windows were blown out.

Mrs. Alfred Singletary had the tear dust of her left eye lanced recently, and has been suffering severely since. She thinks it may have to be lanced again.

Mrs. Paul Spearman and children and Mrs. Hopper spent Sunday in Roswell.

Rev. Powers and wife spent the weekend in Littlefield with relatives.

The school was kept busy Monday even though there was no school. The sugar rationing went off very well.

Uncle Coleman Cox, who is just able to be about after a long illness, fell last week and cut one of his hands badly. Six stitches were taken.

The senior play, given Friday, was well attended, and each player did

his part well.

The Ladies Club will meet with Mrs. Grady Pierce next Thursday. Mickel Brown is quite ill. He had the measles about three weeks ago and may have a relapse.

Harry Donahey's brood house blew over Thursday and they lost a large number of baby chicks.

Mother Melugin fell last week trying to get from her chair to the bed and injured her back and hip.

Mrs. Vanderpool went to Amarillo last Tuesday to see an eye specialist. The Fundamental Baptist church begins its meeting May 17. Everyone is welcome.

Mrs. Mac Goodman was on the sick list the first of the week.

Mrs. Joe Bailey is able to be out after a case of measles.

Truck Tire Quotas For May Increased

While the allowable sale of new truck tires for the month of May in Parmer county is held at the same figure—49—as allowed in this county during the month of April, quite an increase is noted in retreads and tubes for this month, as revealed by the quota figures from the County Rationing Board.

Seventy-seven certificates to retread may be issued during May as against only 44 last month. New tube sales have been increased to 63 over 47 for the month of April.

While truck drivers were coming in for more consideration during May, passenger car drivers were cut almost fifty percent in their allowables for the month. Only 3 new passenger car tires may be purchased this month as compared with 6 in April. Retreads and tubes were likewise reduced with 16 and 9, respectively, as against 24 and 15 for the preceding month.

Retread Certificates Issued

At the regular weekly meeting of the Rationing Board, held last Wednesday, certificates for retreads were issued in addition to the new tire purchases listed as follows:

Dr. J. M. McCuan, one passenger car tire.

Rev. Joe Wilson, one passenger car tire and tube.

Olin Clark, two obsolete tires, one tube.

L. F. Green, two tractor tubes.

W. C. Osborn, one truck tire.

Obie Sheets, one truck tire and tube.

O. C. Jones, one truck tire.

Richard Drager, two truck tires and tubes.

E. H. Wagnon, two tractor tires.

O. M. Jennings, one truck tire and tube.

John Benger, one truck tire and tube.

Paul G. Renner, one truck tube.

M. T. Glasscock, one pickup tire and tube.

F. W. Ayres, one obsolete pickup tire and tube.

F. S. Truitt, two tires, one tube, obsolete.

Burl Beene, two obsolete tires and tubes.

Mrs. Chss. Owens, two obsolete tires.

J. E. Owns, two obsolete tires.

M. D. Hillock, two obsolete tires.

Burford Rule, two tires and tubes, obsolete.

John L. Collier, two tires and tubes, obsolete.

66 Registrants Are Listed In Class 3-A

Two meetings of the Parmer county Selective Service Board held during the past week resulted in the classification of 98 registrants, 66 of whom were listed in class 3-A.

All these registrants were from the third registration, and board members pointed out that a large percent were married men with families.

Other classifications, as announced by Mrs. Bessie Lee Henneman, clerk of the board, were: 1-A, five; 1-AO, one; 1-C, fourteen; 2-A, four; 4-F, one.

Eighteen of those considered were rated temporarily in 1-A and ordered up for their first physical examinations before being classified de-

But how do I do it?

UNTIL PEACE COMES WITH VICTORY no motor cars will roll from the assembly lines which once produced more than 5,000,000 automobiles a year.

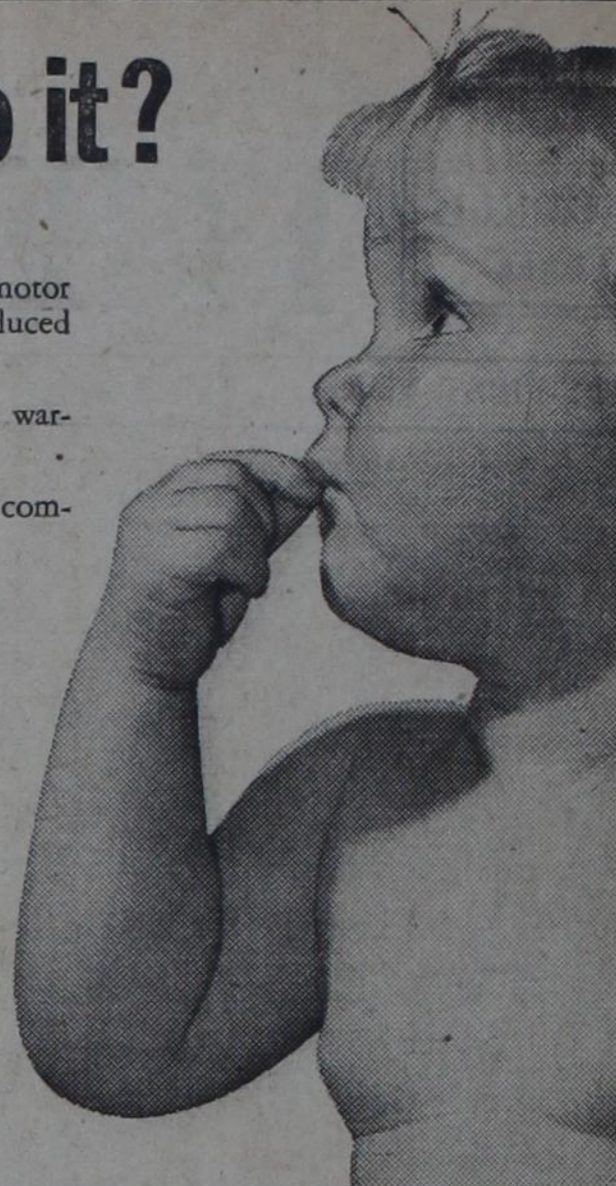

Thus is brought home to every car owner the vital, war-time necessity of making his car last longer.

If you are puzzled as to just what steps to take, a complete answer is ready and waiting for you at any Phillips 66 Service Station. There you will find a free folder, "Ten Patriotic Precautions for Good Citizens and Good Drivers" . . . published by Phillips in the interest of National Welfare. Also trained men to tell you what the Phillips Plan can do to help make your car last longer.

The heart of your car is the motor. Its care is of first importance. So keep the following facts in mind when you are deciding which oil to use:

The famous Phillips organization makes a complete and frank statement which does away with all doubt, if you want our best oil. Without hedging, without reservation, we say that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer.

For seasonal or for the regular 1,000-mile change, play safe and save by asking for Phillips 66 Motor Oil.

(Ed's Note: The following was received after the first group of "Camp News" was printed this week. Other stories on the boys service may be found elsewhere in this issue.)

BIGHAM VISITS HERE

S/Sgt. C. W. Bigham arrived here Sunday to spend a few days with his parents, Mr. and Mrs. W. W. Bigham and other relatives and friends. Sgt. Bigham is stationed at Daniel Field, Augusta, Ga., and has been in the service for about two years. Recently, application was made for him to receive his Technical Sergeant stripe, and he has hopes of getting his promotion when he returns to duty.

Questionnaires Out

Mrs. Henneman announced the completion of the mailing out of all questionnaires to men registering in the third sign-up on Feb. 16. She stated this week that many of the questionnaires were being returned incomplete, necessitating a re-mailing. "If the questionnaires are not complete, we have to mail them back for completion," she explained.

HENDERSON REJECTED

Clifton Henderson of this city, who recently was accepted as a flying cadet, has been discharged on account of his physical condition. He returned to his home here last week from Kelly Field, where he had been stationed.

The following correction appeared in a local newspaper: "We stated last week that John Doe was a 'defective' in the police force. This was a typographical error. Mr. Doe is really a detective in the police force."—Santa Fe Magazine.

Rail oddities

SEVENTY-FIVE PER CENT OF THE 600,000 TROOPS MOVED BY THE RAILROADS DURING THE SEVEN WEEKS FOLLOWING PEARL HARBOR TRAVELED IN PULLMAN CARS.

THE TYPE OF T-RAIL WHICH IS USED TODAY BY RAILROADS THROUGHOUT THE WORLD WAS DESIGNED ABOUT 1830 BY AN AMERICAN RAILROADER.

TO HIGHLIGHT THE IMPORTANCE OF PROPER PACKING AND CAREFUL HANDLING IN THE PREVENTION OF FREIGHT LOSS AND DAMAGE, AMERICAN RAILROADS AND SHIPPERS EACH YEAR OBSERVE APRIL AS "PERFECT SHIPPING MONTH."

When that new food from wood is perfected, the expression "room and board" will have added significance.

Cretonne derives its name from Creton, a village in Normandy, where linen was made.

For extra flavor sprinkle black pepper over mushroom, celery, pea or potato soup in bowls ready for the table.

The plant kingdom comprises about 250,000 species.

Churchill Spends Day With His Troops

Winston Churchill recently spent a day inspecting several thousand British fighting men and watched them go through various phases of their training. One of the things that interested the prime minister was the exercises by troops on the Commando lines, and he is shown here examining a knife used by one of the men with blackened faces who took part in the exercises.

FSA Families Help In Nation's War Effort

Contributions to the nation's war effort being made by farm families in Farmer county cannot be measured completely in amounts of defense bonds and stamps purchased by these families, in the opinion of Mrs. Edna P. Elms, home management supervisor for FSA.

"Few farm families being assisted by Farm Security are financially able to invest greatly in bond and stamp purchases," said Mrs. Elms. "Yet these people are making many sacrifices and they are contributing very materially to their nation's all-out program to blast the dictators."

"By producing greater quantities of food, and by building up their own strength, security and physical well-being, they are the men behind the men behind the guns."

"War-time shortages are not entirely new to these people," Mrs. Elms continued, "because they seldom have experienced abundances of many things. And yet, they are learning and striving to conserve materials vital for the war effort."

Mrs. Elms explained the FSA calls for helping farm families contribute to civilian defense by wise use of money and time, avoidance of waste and conservation of resources.

A homemaker, for example, who makes over a dress, who repairs old furniture, who makes curtains and wearing apparel from low cost material, who buys wisely and practices the common-sense economies known to our pioneer grandmothers is making a contribution to victory.

"Money can be more skillfully used if farm families learn thrifty buying practices, keep and analyze records, and buy cooperatively whenever possible. Economies can be made by saving food and material of all kinds. Better use of farm-grown

wish to serve. 18 and 19 year old men should see the Army Recruiting Service today.

foods, satisfactory storage space and careful cooking and use of waste fats for soap are examples of some economies that can and are being made by farm home-makers."

Mrs. Elms said America has become alarmed because so many of its rural youth were found unfit for military service, very largely because of dietary conditions.

"These," she said, "are among the conditions the FSA is working to correct. Adequate nutrition through home production and preservation of an all-year food supply, and economical planning of wholesome meals, are of major importance," she declared.

"When we know the facts about the annual incomes of small farm operators, often as low as \$250 a year, it is obvious they cannot invest much money to help win the war. But on the other hand, they can—and they are—producing greater quantities of food for the United Nations, building up their own strength, and helping make rural America strong enough to take the offensive against the aggressor nations."

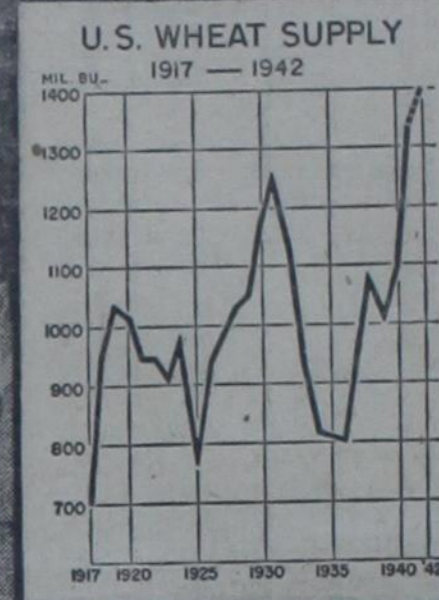

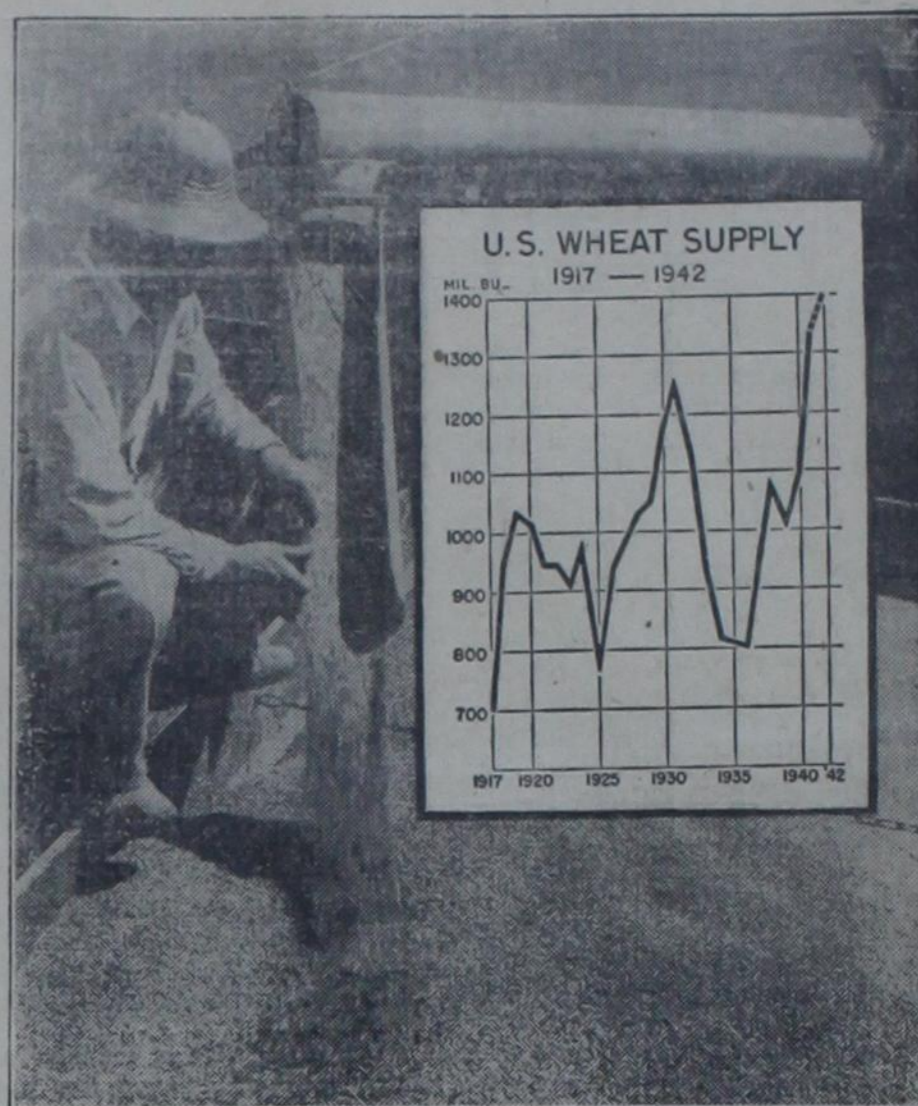

HOUSE CLEANING AND WAR

COLLEGE STATION — Spring house cleaning is more important in war-time than in ordinary years.

Mrs. Bernice Claytor, Extension Service specialist in home improvement, says cleaning now will help the homemaker salvage materials needed for the war effort, reduce fire hazards in the home, eliminate hiding places of insects and rodents, increase space needed for other uses, and make the home and grounds more attractive.

Keeping things in good condition is in line with the pledge thousands of Extension Victory Demonstrators in Texas are signing. The specialist says a victory demonstrator's home and farmstead should be as orderly as an Army Camp and as clean as the deck of a battleship.

U. S. Wheat Bins Are Full

World War II finds the United States well supplied with wheat, says the U. S. Department of Agriculture. As the chart indicates, the supply is double that of 1917 when America entered the first World War. It is estimated that on July 1, the Nation's supply will be nearly 1 1/2 billion bushels, enough for two years of domestic use. Instead of plowing up new land and expanding wheat acreage, farmers are able to use land, labor, and equipment in turning out other war commodities more vitally needed—such as dairy, poultry, and meat products, vegetables, and oil crops.

18-19-Year-Olds Can Choose Service Branch

A War Department announcement will be welcome news to the young men of 18 and 19 years who wish to get in the Army and have a favorite branch in which they wish to serve. The West Texas Recruiting & Induction District has been allotted quotas of enlistments for the Air Corps, the Armored Forces, the

Coast Artillery Corps, Cavalry, Field Artillery, Engineers, Signal Corps and Infantry, exclusively for men who are not yet 20.

Enlistments of men who are 20 and over, and are therefore of draft age, are welcome in the Army of the United States, unassigned. Their preferences are followed in assignment whenever possible. But only men of 18 and 19 years of age are allowed the preference of enlisting direct into the branch in which they

741 TO GET DEGREES FROM TEXAS A. & M.

COLLEGE STATION—The total of 741 candidates for degrees to be conferred at Texas A. & M. College Friday evening, May 15, shows a slight decrease over the 763 who received degrees last June, but the decrease is less than was to be expected under the present world conditions, Acting Registrar H. L. Heaton explained.

With the college the leader in producing commissioned officers for the United States Army, many who might have gone to military service earlier remained to complete the work toward their degrees and commission.

Of the graduating class of 741, a total of 565 will be commissioned as second lieutenants on Saturday morning, May 16, and are expected to go to active duty within two months of that date. Many will go right from the final review to duty.

NAVY RESERVE OPEN

NEW ORLEANS—College graduates and college seniors may continue V-7 enlistment in the United States Naval Reserve after May 1, despite the earlier announcement that beginning about that date this class would be closed to all men attending college who have not enlisted in Class V-1, it was announced today by Commander F. C. Huntoon, Director of the Office of Naval Procurement of the Eighth Naval District.

In addition to seniors and college graduates admitted to Class V-7, all juniors who while sophomores were not eligible for Class V-1 service may enlist in V-7, as may juniors who became members of that class prior to April 15.

Class V-7 consists of men studying officer training in the Navy, who are commissioned upon the successful completion of their training period.

It was also announced that those previously eligible for V-1 training are not eligible for Class V-7.

Sophomores and freshmen attending college make up Class V-1. They may continue their college education at least until the end of their sophomore year, and in many cases stay in school until graduation.

Four-fifths of the value of all the crude oil produced in Texas each year is paid to Texas oil workers and farmers and ranchers in wages and lease and royalty payments.

IT PAYS TO ADVERTISE

AUSTIN—Bascom Giles, Commissioner of the General Land Office, last week announced the awarding to the highest bidder of 363 tracts of school land which had been advertised for sale on April 8 by the School Land Board.

Commissioner Giles said that after studying the numerous bids received that "this was the most successful sale of school land held in recent years. The Public Free School Fund received the highest average price per acre and also the highest average price per tract that was ever received in the State's history."

Commissioner Giles attributed a large part of the success of this sale to the advertisements run in newspapers; and he is, therefore, convinced that "it pays to advertise."

WATCH YOUR STEP

COLLEGE STATION—To help farm men and women act as their own safety engineers, the U. S. Department of Agriculture in cooperation with the Federal Interdepartmental Safety Council has published a bulletin called "Watch Your Step . . . Farm Safety for National Defense."

Mrs. Bernice Claytor, extension service specialist in home improvement, points out that every year hundreds of thousands of accidents, big and little, take a tremendous toll of the farm family's time and money. With families already short of labor and faced with the need of producing more Food for Freedom, neither the farm family nor the nation can afford accidents, she says.

The new pamphlet on practical ways to prevent some of the more common farm accidents is available from the U. S. Department of Agriculture, Washington, D. C.

WHAT'LL THEY THINK UP NEXT?

The John Innes Institute at Merton, England, has developed a completely thornless blackberry. The fruits are large and of superb quality. The stock will be tested at United States experiment stations.

The things we stub our toes on today are the ones we laid around carelessly yesterday.

India is the largest producer of mica in the world and the principal source of chief strategic types, according to the Department of Commerce.

NEW MEXICO EASTERN GAS COMPANY

May 4, 1942

Dear Friends:

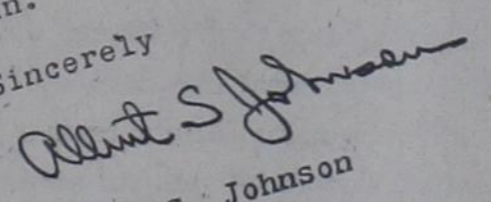

The last shot has been fired. The fight on Bataan Peninsula has ceased. Taps has sounded. An imperishible chapter in American history has been written.

As long as our free Nation exists we shall all be deeply indebted to those boys who fought so bravely and suffered so much. Our hearts go out to their families in this hour of their grief and suspense.

When Texas began its war for independence the people were not united. There were jealous quarrels over leadership. Many placed personal gains and comfort before duty. Others simply were not awakened to the peril. Defeats came and soldiers' lives were needlessly lost.

Then came the brave resistance of that small band of patriots at the Alamo. Their sacrifices and bravery united all Texas. And victory, in due time, came on San Jacinto battlefield. The Alamo took its place in history along side of Thermopylae.

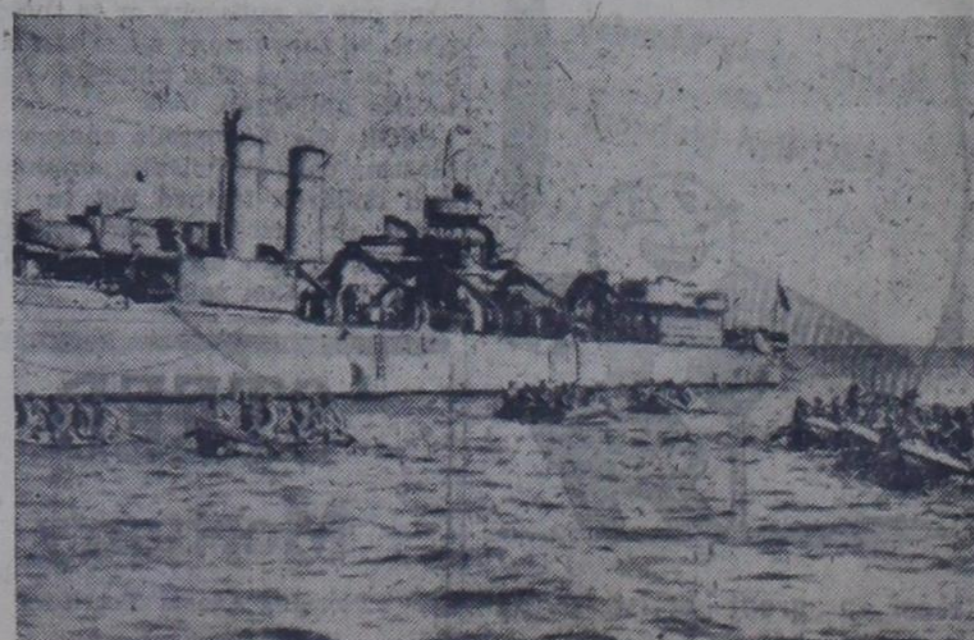

Let us pray that Bataan may be the Alamo of our time. If it does serve as the rallying cry that welds all Americans into one United Nation, grimly sacrificing and bravely fighting until victory is won, then Bataan will not have been in vain.

Sincerely,

 Albert S. Johnson
 President

U. S. Marines Adopt Commando Tactics

Somewhere in the U. S. marines are at commando practice. In the background is the mother ship, a U. S. destroyer, and about it are marines in rubber boats, which they have inflated to three pounds per square inch, and in which they are starting on a practice shore raiding party.

Before Japs Cut Burma Road at Lashio

Two years ago when Lashio became the buzzing hive of industry as the jumping off place for the fleet of trucks that fed China's war machine over the Burma road, this rail line was laid from Mandalay to Lashio. Supplies were run over the line by train, and then transferred to trucks for the run into China. The Japs flanked the British-Chinese armies battling about Mandalay, and the Burma road has been cut at that vital junction. Lashio was taken by the Japs in one of the swiftest drives in their whole startling campaign.

News from Our Boys in Camp

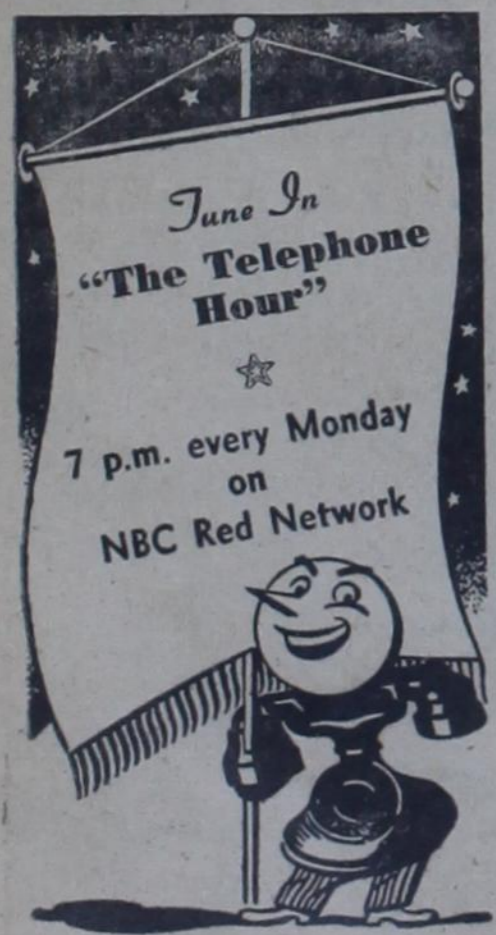

SOLDIER WRITES POEM
Following is a poem written by Sgt. J. T. Hulsey, son of Mrs. J. T. Hulsey of this city:

The Un-American

You say he can't stand the army,
The life is too tough for him,
And you think that he is better
Than your neighbors, Tom and Jim?
You raised him like a king's son,
He doesn't drink, smoke or brag,
If ten million more were like him
What would become of our flag?

You talk about the fifth column,
That is spreading throughout the
land,
But it's people like you who help
them,
And should be treated as one of their
band.
You say, leave the wars for the
roughnecks.
They are used to the beans and the
stew,
Well, I am glad to be classed as a
roughneck,
Who will fight for the Red, White,
and Blue.

You remember the fate of the
Frenchmen,
They, too, felt the same way as you.
They slept, when they should have
been watching
Now they're awake, but they're too
late and too few.
You can thank God, for the stripes
in Old Glory
Won't be blurred by that kind of
stain,
For there are ten million American
roughnecks,
Who wait when the fun starts again.

Hear a great artist every week. In May, Grace Moore, Charles Kullman, Lansing Hatfield, Jose Iturbi.

STRETCHING YOUR SUGAR ALLOWANCE

By Elsie Cunningham
Home Demonstration Agent

Many American housewives—maybe I should say most American housewives—have been in the habit of using sugar with a lavish hand. "Don't spare the sugar" has been a general rule for both cooking and canning.

The doctors, dentists, nutrition workers, even the fashion experts have had plenty to say about better health, better teeth, better complexions and better figures with less sugar. But the great American sweet tooth generally won the day. Americans have gone right on eating more sugar year after year.

Well, sometimes blessings are forced upon us. That's the way to look at the wartime sugar situation. Americans have always been able to overcome obstacles and I am sure this won't be a time when there will be an exception to the rule.

Let's see what we can figure out. I'll pass along a few ideas for using honey instead of sugar today—later I'll give ways of stretching your sugar in canning.

Honey Whipped Cream

1 c heavy cream, 1 to 2 T honey
Whip cream until stiff. Add honey and blend. Use on boiled custard, pie, pudding or fruit.

Honey Custard

3 eggs, 1/2 t. nutmeg, 1-8 t. salt, 2 c. milk, 1/4 c. honey.
Heat the milk. Beat eggs lightly.

Add honey and salt to eggs and mix. Add hot milk gradually to egg mixture, stirring constantly; finish as a custard pie, boiled custard or baked custard.

Baked custard—Pour into buttered custard cups or large mold and sprinkle with nutmeg. Set in pan of hot water and bake in a slow oven, 300 degrees F, until set, 30 or 40 minutes.

Boiled Honey Frosting

1 1/2 c. honey, 1-8 t. salt, 1 egg white, 1/2 t. vanilla.
Cook honey and salt to 238 degrees F or until it will spin a thread or make a soft ball when dropped in cold water. Beat egg white. Pour syrup in a thin stream over beaten egg white, continuing to beat until all syrup is added and frosting will stand in peaks. Add vanilla and spread on cake.

Honey Ice Cream

2 c. milk, 2 eggs, 3-4 c. honey, 1/2 t. salt, 1 c. cream.

Scald 2 cups whole milk, add honey and salt, beat eggs. Pour scalded milk into egg mixture and stir until well blended. Return to double boiler; cook for three or four minutes. Cool. Beat cream and fold into custard mixture. Freeze in refrigerator. Stir once or twice while freezing.

Honey Cream Pie

1 1/4 c. milk, 1/2 c. honey, 1/4 c. flour, 2 eggs yolks, beaten; 1/2 t. salt, 2 T. butter.

Add milk slowly to flour, beating until smooth. Add rest of milk, salt and honey. Cook in double boiler, stirring frequently, until thick. Cool

slightly, beat in egg yolks thoroughly. Return to low fire, cook 5 min., add butter, pour into baked pastry shell. Cover with meringue made from 2 egg whites beaten stiff with 2 tsp. honey and 1/2 tsp. baking powder.

FOR PLUMBING see Lovett. 7t.

And keep him! We don't want your son!!!

MADE PRIVATE FIRST CLASS

Mr. and Mrs. Lee Thompson of this city are in receipt of a letter from their son, Charlie, to the effect that he is now a "Private First Class," which means one stripe and a six dollar a month raise. Charlie is located with the 524th Schol Sqdn., at the Victorville Flying School, Victorville, California.

IS IN AUSTRALIA

Corp. Carthon Phillips, who is with the Air Corps "somewhere" in Australia, wired his parents, Mr. and Mrs. Frank Phillips, his greetings last week. This is the second wire the local people have received since young Phillips sailed last Nov 22nd. Phillips is a Flight Surgeon assistant in the Air Corps. He had trauling at Salt Lake City and went to Randolph Field for his exams, at which he ranked second-highest in a class of 56. He will have been in the service two years in September.

Health Notes

By Texas Department of Health

AUSTIN—With recent months bringing to Texas a great number of defense constructing projects, the danger resulting from the careless handling of blasting caps has been greatly magnified, according to Dr. Geo. W. Cox, State Health Officer. "Due to occasional carelessness on the part of workmen, live caps sometimes are left in the neighborhood of construction jobs and thus get into the hands of children or others ignorant of their character," Dr. Cox said, "Curiosity often leads to tampering with these blasting caps with resulting serious injury."

Parents and school teachers should stress that it is perilous to hit blasting caps with a hammer or other instrument, and that it is equally hazardous to throw them into fires, Dr. Cox stated. Children should be warned not to touch blasting caps. If they come upon a stray one they should report the fact promptly to some one in authority or to their parents, so that proper steps can be taken to remove this potential danger to life and limb.

With the dangerous character of blasting caps sufficiently emphasized, and children trained not to touch them, the hazards now associated with them can be practically eliminated, Dr. Cox said.

STEED Mortuary

"Serving Clovis Territory Since Clovis Began"

PHONE 14
CLOVIS, N. M.

Sure, every acre's raising more....
Now what's upping the mileage from this oil?

How does prize wheat or corn at the county fair get that way?

Sure, man-made soil improvers—modern synthetics—were added to improve on nature.

AND MODERN SYNTHETICS in Conoco Nth motor oil make it yield mileage that outscored all other brands tested in the sensational Death Valley Certified Competition. Five big-name quality brands got every fair chance against Conoco Nth oil. All were run till engines failed and none came closer than 58% of the mileage totaled by Conoco Nth!... the oil you can have for your needed Spring oil change that's now overdue... the oil whose best known man-made extra substance—at no extra premium—gives your engine OIL-PLATING.

OIL-PLATING backs up the familiar fluid type of oil film with a surfacing of lubricant close-bonded to inner engine parts. Every cylinder wall, for instance, becomes a wall of OIL-PLATING that doesn't all drain dry during all the time you use Conoco Nth. Even after all-day parking, the OIL-PLATING is still up to the topmost piston rings, ready to lubricate before any oil can circulate. That's one plain way of foiling excess wear, and keeping up mileage with your engine OIL-PLATED.

But Conoco Nth oil also includes Thialthene inhibitor

... another synthetic... invented to inhibit or restrain the dangerous "jelling" of oil under excess strain. Engine heat and pressure can even gum up oil into something like fly-paper coating—only dirtier, and not much better for mileage. Against this threat, Thialthene inhibitor was created for Conoco Nth (U. S. Pat. 2,218,132). And Conoco Nth out-mileaged the others in the Death Valley Test—from 74% all the way up to 161%. You can get real optimistic about your own mileage. Conoco Nth will come through for you. Change at Your Mileage Merchant's Conoco station. Continental Oil Company

Special Concert Will Be Held Sunday

A two-piano recital has been arranged by the Farwell P.T.A. Mrs. Florence Vinyard, chairman of National Music Week festivities, announced today. It will be given on Sunday afternoon, May 10th, at the Methodist church and all music lovers are invited.

The artists engaged to present the program are two of the Panhandle's outstanding pianists, Beckie Reeder Arnold, faculty member of the Musical Arts Conservatory at Amarillo, and Russell C. Curtis, of the Amarillo College piano faculty.

Mrs. Arnold received her Master of Music degree from the American Conservatory in Chicago, and has appeared as soloist with the Amarillo Philharmonic Orchestra and other organizations. She has given numerous recitals in Amarillo and throughout the Panhandle. Mr. Curtis received his degree from a Los Angeles Conservatory and has toured the United States as accompanist for several popular concert singers. He was formerly a member of the North Texas State College piano faculty at Denton.

The program chosen for Sunday will include classic, romantic and modern compositions from the artists' large repertoire of two-piano selections. Explanatory program notes will prepare the listeners for unfamiliar compositions.

Assisting on the program will be representatives from the conservatory's speech department, under the direction of Thelma Allen Martin.

Mrs. Albert Vohs Is Speaker At Club

Mrs. Albert Vohs, of Clovis, was the guest speaker of the Texico-Farwell Woman's Club, last Tuesday, when Mrs. John Armstrong acted as hostess.

A. J. Cronin's book, "Keys of the Kingdom," was reviewed by Mrs. Vohs, who gave a most illustrative and interesting interpretation of the novel.

Following her talk, the guests enjoyed a social hour and a delicious refreshment plate was served. Beautiful spring bouquets were arranged about the room.

Mrs. Vohs, Mrs. Brown, Mrs. A. H. Overstreet and Mrs. LeRoy Fawcett were among the club guests of the afternoon.

Mr. and Mrs. Jess Franklin of Ingleside, Tex., who had been visiting their daughter, Frances, at Texas Tech, spent Monday with their cousin, Mrs. Pearl B. Gray, near Texico.

Patriotic Program Is Given Wednesday

A patriotic program was presented the past Wednesday afternoon in the Methodist church, when ladies of the church acted as hostesses to all women of the town.

The entertaining rooms were beautifully decorated, bouquets of spirea, tulips, iris and other spring blossoms being used. A bouquet of pansies centered the tea table, where Mrs. Anne Overstreet and Mrs. B. N. Graham were in charge.

Corporal Chester Cranfill, who recently returned from Iceland after having spent a little over eight months there with the Marines, was invited to speak to the assembly and gave an exceptionally interesting talk on life and customs at that northern outpost.

Mrs. Minnie Aldridge was another guest speaker of the afternoon, and presented an excellent review of the recent article, "Back To Religion" by A. J. Cronin, outstanding writer.

The welcome address was extended the group by Mrs. Roy B. Ezell, with Mrs. E. G. Williams responding, after which the group gave the pledge to the flag and sang "America" and "America The Beautiful". Mrs. A. D. Smith gave a reading, "The Folds of the Flag" which was very fitting to the occasion.

A large number of ladies were in attendance, and following the program a social hour was enjoyed.

Surprise Birthday Supper Tendered

On last Thursday evening, friends and relatives gathered in the home of Mr. and Mrs. Ebb Randol, surprising Mr. Randol with a birthday supper.

Mrs. Carl Davis, daughter of the honored guest, baked the lovely cake, which was decorated with pink icing, and her small daughter, Glenna Ruth, presented the packages.

After the meal, the guests enjoyed various table games.

Attending were Mr. and Mrs. W. S. McDaniel, Mr. and Mrs. T. J. Randol, Mr. and Mrs. Wesley Osborne; Mr. and Mrs. Hugh Edwards and Dennis Dean of Clovis; Mr. and Mrs. Carl G. Davis and Glenna Ruth of St. Vrain; Mrs. Leona Osborne and Mrs. Lucille Osborne of California; Billie and Delphine Johnson; Mr. and Mrs. Ebb Randol and Madaline.

Mrs. White Hostess To Wesley Class

With sixteen members present, the Wesley Bible Class of the Methodist Church held a regular meeting Tuesday afternoon in the home of Mrs. Claude White, near Farwell.

Mrs. Albert Thomas and Mrs. Lorraine Selman acted as associate hostesses.

Mrs. E. J. Sloan was in charge of the devotional, after which reports on various activities were given, and it was agreed to send a Mother's Day package to Mrs. J. M. Crow, class member, who recently sustained a broken arm.

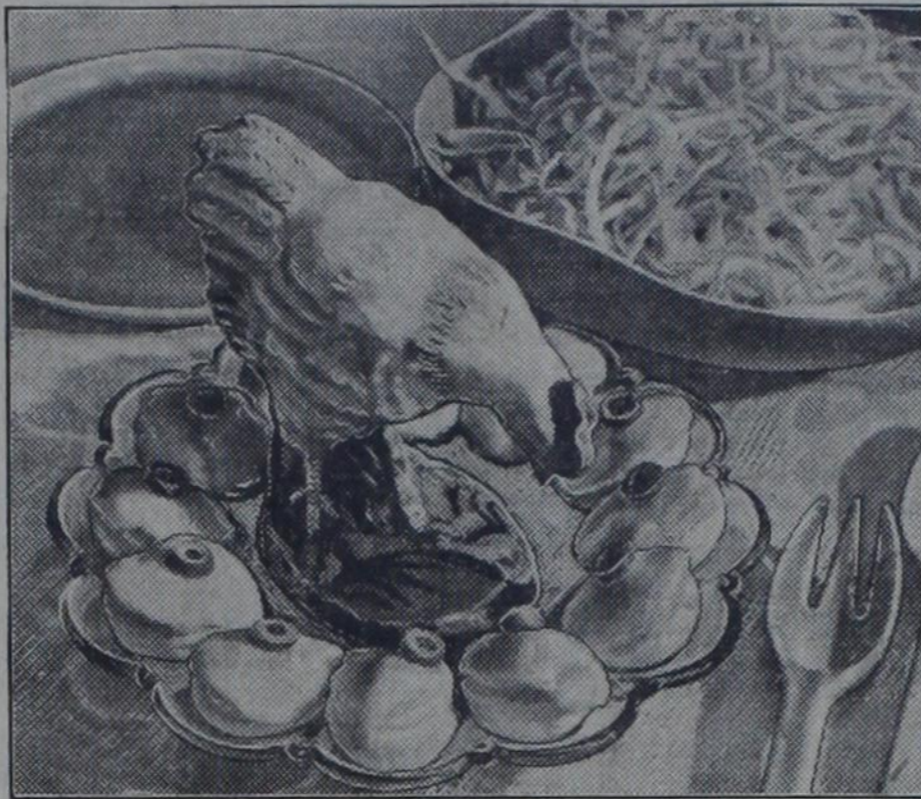

Muffins topped with strawberries and cream were served, with drinks, at the conclusion of the social hour.

SALADS CRISP, CRUNCHY AND NOURISHING

To Please the Man in Your Life

Dorothy Greig

MEN are more tractable about eating salads than they used to be. They even show enthusiasm—especially for salads of succulence and substance.

Stuffed Eggs with Cabbage Slaw is a man's size salad.

The two salads described here might have been created with men in mind. For instance, take this first one.

The cabbage slaw is mixed through with a dressing of tingling tartness and the accompanying deviled eggs are clothed with the same dressing glazed firm over the top, in the refrigerator.

Stuffed Eggs with Cabbage Slaw

Dressing:
1 teaspoon dry mustard
1 1/2 tablespoons sugar
1/2 teaspoon salt
1/2 teaspoon celery salt
1/2 cup salad oil
3 tablespoons vinegar
1/2 cup condensed tomato soup
1 1/2 cups salad dressing or mayonnaise

Combine the dry ingredients and salad oil, then add vinegar and tomato soup. Mix this dressing with the prepared salad dressing or mayonnaise.

Stuffed Eggs: Take 6 hard cooked eggs, cut in half lengthwise. Take out yolks of eggs, mash well and add 1/4 teaspoon salt and 3 tablespoons of finely chopped ham. Refill whites. Soften 1 teaspoon gelatine in one tablespoon of cold water, heat until gelatine has dissolved and add this to 1/4 cup of the Tomato Salad Dressing. Chill until dressing begins to thicken then pour over the stuffed eggs. Chill until dressing is glazed and firm over the eggs. Garnish top with stuffed olive slices.

Cabbage Slaw: Take 6 cups of

shredded cabbage. Combine with the Tomato Salad Dressing. Serve the stuffed eggs on a nest of cabbage slaw. Serves 6.

The second is a jellied salad. It appears smooth and soft but just take a bite and you're in for a surprise. For it is filled with crisp raw vegetables. And the cheese is spliced with tangy condensed tomato soup. The salad is a crunchy delight between the teeth and a flavor joy on the tongue.

Jellied Cream Cheese Tomato Salad

1 can condensed tomato soup
2 packages cream cheese
1 package lemon flavored gelatine
3/4 cup boiling water
2 tablespoons lemon juice
1/2 teaspoon salt
1 cup grated fresh carrots
1 cup chopped celery
1 cup chopped cabbage
4 tablespoons chopped green pepper

Heat the tomato soup, just as it comes from the can, add the cream cheese and stir or beat well until the cheese is thoroughly blended with the tomato soup, then cool. Dissolve the lemon flavored gelatine in the boiling water and chill. When gelatine begins to set mix with the tomato cheese mixture, add lemon juice, salt and vegetables. Pour into a mold and chill until firm. Serve on crisp greens or lettuce. Serves 6-8.

NURSING CLASSES BEGIN

Directed by Mrs. V. Scott Johnson, a series of home nursing classes began at the Farwell homemaking building on Tuesday. Classes will be held each Tuesday and Friday, with an afternoon group at 3 o'clock, and an evening class arranged at 9 o'clock. All local women, of both Texico and Farwell, who can possibly attend are urged to start in either the afternoon or night class at the next meeting, on Friday.

HALL'S GROCERY & MARKET

Students Give Programs During Music Week

Commemorating National Music Week, a large number of the piano students of Mrs. Florence Millwee Vinyard have presented or scheduled recitals in this city and the surrounding community.

Gloria Kepley was presented in an intermediate recital at the Oklahoma Lane auditorium, last Wednesday, with a large crowd on hand.

Assisting the young pianist were Jo Ann Williams, who obliged in duo numbers; Rosamond Booth, who read; and the Oklahoma Lane primary rhythm band.

Joint Recital Held

A joint piano recital featuring Jo Ann Williams and La Honda Wells was held Tuesday evening of this week at the West Camp school.

Piano solos were given by both students, and a piano duet was also featured. Other selections included a reading by Rosamond Booth, and a vocal duet by Joyce Marie Knowles and O. L. Thompson Jr.

Betty Hillhouse Plays Tonight

Eight-year-old Betty Hillhouse will appear in a recital this (Wednesday) evening, at the Farwell auditorium, to begin at 9 o'clock.

Other small children of the city will appear with Betty. A vocal solo will be sung by Nancy Carolyn Johnson, Jill Dunn and Mary Belle Aldridge will tap dance, and Rosamond Booth will read.

Two-Piano Program

A number of Mrs. Vinyard's pupil will present a two-piano concert commemorating National Music Weeks on Thursday evening, May 7, at the local Methodist church. The program begins at 9 o'clock.

The Texico high school chorus will assist in the program, Thursday evening, singing "O Lovely Night", and "America I Love You," under the direction of Mrs. H. Arnold.

The finale of the series of recitals will be held next Wednesday evening, when Joan Booth and Norma Jean Thomas present their Junior High School program, required for the girls' state credit.

This program will also be held in the Methodist church parlors, at 9 o'clock.

All recitals are open to the public, and a cordial invitation is extended.

Mrs. Buster Gast, of California, arrived last week to spend several days with relatives and friends in Farwell and Clovis. Over the weekend she was a guest in the Karl Gast home.

Lutheran Young People Have Regular Meeting

The Walther League met May 3 in the home of Miss Wana Vestal and Mrs. H. T. Reynolds. A business meeting was held, and it was voted to hold another skating party, May 10. The leaguers also resolved to pay a minimum of 10c each month to buy defense stamps.

Gilbert Schuler was named chairman of Christian knowledge committee and Carl Hoffman as the Christian service chairman.

After a Bible baseball game, other games were played. Delicious refreshments were served to eleven members, seven visitors and the hostesses.

Married Here Friday

Rev. E. J. Sloan officiated at the Methodist parsonage last Friday afternoon, joining in marriage Miss Lola Mae Levi, of Springfield, Mo., and Barry T. Lewis, of Sudan. The young couple plan to reside at Sudan until Mr. Lewis receives his call for Air Corps duty.

To California

Miss Lovilla Clay left Tuesday morning for points in California, where she expects to spend some fifteen days visiting with friends. She plans to return to her work in the local FSA office around the 24th of this month.

Rhea Walther League Elects New Officers

The Walther League of the Rhea Lutheran Church met April 28 at the home of Mrs. L. H. Hoffman.

A short business session was held, during which the following new officers were named: president, Raymond Schuler; vice president, Richard Drager; treasurer, Melvin Sachs; secretary, Velma Schuler; member-at-large, Frieda Gallmeier.

Richard Drager then led the topic, "Your Business".

Delicious refreshments were served to twelve members and two visitors by the hostess, Mrs. Hoffman.

Singing On Sunday

The different congregations of the Church of Christ in this area are invited to participate in an afternoon of singing on May 10th, at the Church at Lariat, officials announced today.

In the production of meat, Oklahoma leads 37 other states.

Basketball Sweaters Received At Texico

Two seniors of the Texico school received basketball sweaters bearing the school insignia this week, while one graduate received a combination sport letter.

To Edna Earle Thompson went a white sweater bearing the green letter "T", which had on it three service stripes and the basketball emblem, while Duane Howard's sweater bore the same emblem with two stripes.

Lila Boss received a combination sport letter, with three service stripes, a star, and both basketball and baseball emblems.

Schools Dismiss For Summer Next Week

The annual three-month vacation for Texico and Farwell students will begin next weekend, May 16th and 15th respectively, Supts. L. A. Hartley and J. T. Carter reported today.

Final examinations will be held at both schools the early part of the week. Farwell students will not be required to attend class on Thursday, May 14th, as the day will be given over to checking of exam papers, Supt. Carter said.

On Friday morning, May 15th, buses from the Farwell school will make their regular rounds—but instead of picking up students, the drivers will pass out report cards at the regular stops, and so far as students and teachers are concerned, that will be that for this year.

Texico students will be released through both Thursday and Friday while teachers check up on final grades, but will be asked to come to the school on Saturday morning to receive their report cards, Supt. Hartley announces.

Some people learn how to relax. Others never learn anything else.

Quotas Approved By 76 Percent In County

Two hundred and five farmers voted for the continuance of wheat marketing quotas, as against a total of 66 who opposed the measure, Parmer county tabulations revealed this week, showing a total of 271 votes cast by growers in this county.

According to Keltz Garrison, secretary of the local ACA, the total showed that 76% of the growers in Parmer county favored the continuance of wheat marketing quotas for another year. Press reports early in the week showed that 81% of all eligible voters in the nation favored the quotas.

By communities, the vote was as follows:

Place	Yes	No
Farwell	35	5
Oklahoma Lane	9	1
Midway	9	5
Lazbuddy	28	4
Lakeview	17	2
Black	14	5
Friona	42	25
Rhea	13	7
Bovina	38	14

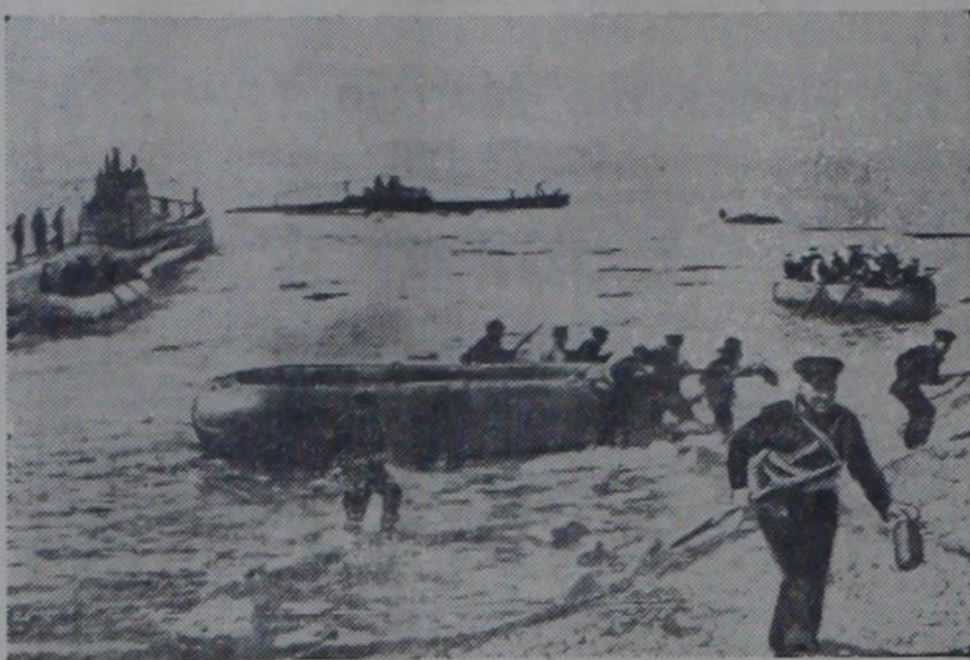

The continuation of marketing quotas for wheat during the coming year is now assured, since the necessary two-thirds majority approval was given the measure.

Summed up briefly, passage of the control bill means that wheat producers will share a limited market and will be offered a government loan at 85% of parity rate.

PLANNING TO MOVE SOON

Mr. and Mrs. Sterlyn Billington are planning to move their barber and beauty shop to their new quarters in the near future. Billington said early this week that he expected his new building, now under construction, to be completed within the next two weeks.

Russians Land Back of German Lines

Submarines of the Russian Black Sea fleet are shown landing marines on territory held by the Germans. Rubber rafts are used to put the marines ashore where they go to work in the rear of the German lines. Caption accompanying this photo from Moscow does not say so, but it is likely that this action took place in the Crimea.

Retailers to Discuss Price Fixing Program

LUBBOCK—Recent government orders controlling retail and wholesale prices for the duration of the war in order to halt swiftly mounting cost of living will be explained in detail at a meeting in Lubbock at 5 p. m., Friday, May 8.

Especially invited to the meeting are all retailers and others of the merchandising trade—owners of large and small stores alike—from 18 counties surrounding the city. Those counties are: Parmer, Bailey, Lamb, Hale, Floyd, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza, Kent, Gaines, Dawson and Borden.

The meeting will be held in the Lubbock senior high school auditorium, 19th St. and Ave. T. J. D. Hassell, member of the Lubbock Chamber of Commerce Committee on National Defense, will be chairman of the meeting.

Full opportunity will be provided at the meeting, or clinic, for all business men to learn all about the general maximum price regulations which will become effective May 18. Officials from the Regional Office of Price Administration at Dallas will be present to speak on the various phases of the regulations. After this presentation, they will answer questions sent up from the floor.

The clinic here is one of 31 such sessions being held during May in Texas. The Lubbock C. of C., in cooperation with OPA, and the Business Education Division of State Board for Vocational Education and the Lubbock public schools, is sponsoring and arranging for the meeting as a service to the war program and to people of this territory.

In view of the fact that retailers and wholesalers have joined consumers in the national fight against mounting costs, sponsors of the clinic urge all retailers and wholesalers of the counties listed above to attend. The affair will be open to all who desire to come.

To be explained by the Price Administration specialists will be how the over-all price regulations places an absolute ceiling over substantially all commodities and services sold at retail. The ceiling also extends over prices charged by wholesalers, manufacturers and producers—the ceiling being the highest prices charged by each individual seller for each commodity or service during the month of March, 1942.

The regulation has been termed as strictly a wartime measure that will apply for the duration and be abandoned as soon as possible after peace comes. As will be explained at the meeting, the general price control means a guarantee to American people that costs of living will remain stable, that the buying power of wages and salaries will not be impaired and that scarce goods will not go solely to those who have the most money, but that all people, rich and poor alike, will have an equal chance to obtain their share at a fair price.

STEPSON DIES

Mrs. Lena Yoder and son, Edward, were called to Fletcher, Okla., last Saturday to attend the funeral of her stepson, Jake Yoder, 59, who died at his home there Thursday morning. His death was attributed to heart failure.

Texico Students Give Program Friday Night

Students from all divisions of the Texico grammar school—with the exception of the eighth grade which will graduate on Thursday evening—will take part in an all-school program, Friday evening, May 8th at 9 o'clock in the school auditorium.

A. D. McDonald, principal of the grade school, has announced the following program for the evening: Song, "May Basket," Limm Miller Song, Tommie Vigil.

Rhythm band, primary group. "Going to the Seashore", second and third graders.

Tap dance, Ruth and Mary Ella Maxey.

Virginia Reel, in costume, first graders.

Tap dance, Paula Sue Arnold. Scenic reading, "The Ruggles Family," sixth and seventh grades.

"Invest for Uncle Sam," fourth and fifth grades.

Piano duet, Margie Nell and Mildred Murphy.

Tableau, "Liberty," sixth and seventh grades.

Grade teachers Miss Maude Pearson, Miss Hazel Metcalf, Miss Sadie Burns and Mrs. L. A. Hartley are arranging the various numbers from their respective divisions.

Small Number Listed As Women Volunteers

Mrs. Florence Wallace, chairman of the Parmer county AWVS unit, announced today that only a "very small number" of Parmer women registered during the past week as prospective volunteer workers in necessary home-front duties.

Friona reported a total of only nine, Bovina registered "around 20", and the Farwell list reached 32, Mrs. Wallace said. The other registration point, Lazbuddy, had not reported up to the time The Tribune went to press.

Mrs. Wallace urged that women who could take a part in sewing, knitting, or other volunteer work which may become necessary in this county, list their names at the City Cleaners in Farwell.

AGED LADY BREAKS ARM

Mrs. J. M. Crow of the Texico Hotel, is nursing a broken forearm, the result of falling down a flight of stairs leading to the basement of her place of business early last week.

HURTS FOOT IN FALL

W. J. Magness is getting around on crutches this week as a result of a fall. He was injured when he fell from atop a combine last week while working in the field. His left foot, injured many years ago in an accident, was badly sprained.

YOUR PRESENT CAR

May Have to Last You for "the Duration!"

Better start now keeping it in tip-top shape and good running order. Timely repairs and adjustments can prolong the life of your car for many months—provided they are made in time.

Bring your car to us for those minor repairs . . . it may save shoe leather in the long run.

Red Cross Sewing Room Will Open

A regular Red Cross sewing room will be opened to local volunteer women workers in the near future, to be located in the former Coltharpe market building in Texico.

Mrs. J. B. Coltharpe has offered this room for the sewing group, and will take charge. Arrangements have been made to have the sewing room open each Tuesday and Saturday, from 1 o'clock, and all women who will assist are urged to come in.

At present, there is mus'in on hand for the making of hospital gowns. Sewing machines are available, and it is asked that women who possibly can do their sewing at the work room, rather than taking it to their homes.

Registration Recalls 1-Day Army Service

Filling out his questionnaire here last Saturday recalled an unusual experience on the part of Robert Leach, farmer of the Hub community.

Leach related that in World War I he was called to the services at Colgate, Okla., on Nov. 18, 1918. After being mustered in and having an AEF band pinned on his arm in the forenoon, he was told to report again in the afternoon. Before he could carry out that order, the news of the Armistice was flashed over the world.

"I stayed around the rest of the day," he recalled, "and our commanding officer gave us a conditional discharge in the afternoon, subject to being recalled in 15 days."

That recall never came through. But Leach relates that many months afterward, he received a check for \$1.00 in payment of his day's services.

"There were 180 of us lined up and ready to be loaded in cattle cars when the Armistice news came through," he recalled.

SINGERS TO MEET

County Judge Lee Thompson today announced the annual meeting of the Plains-Panhandle Singing Association to be held in Lubbock, beginning on the afternoon of Saturday, June 6, and continuing throughout the day on Sunday, June 7. The convention will be held at the First Baptist Church in that city, he said.

AMBULANCE PHONE 1000

Johnson-Bayless

Funeral Home, 921 Pile, Clovis

My Thanks-

I want to use this means of expressing my sincere and heartfelt appreciation to the good people of Texico-Farwell and trade territory for the splendid patronage you have accorded me while engaged in business here under the name of the Osborne Mercantile Co.

"My number is up" and according to my present plans, I will leave here on the morning of May 18th for the induction station at Lubbock, where I expect to make my contribution in winning the war for liberty and justice.

You have been very generous in your support of the business I have managed over the past years. I could not step aside without expressing my debt of gratitude for every favor you have shown me. Without this support, I would have been merely "in business." But our relations have been far more than that, and it is to you that I owe the thanks.

Gratefully yours,
Wesley Osborne
