

Day Room Goal Near

Through the efforts of H. Y. Overstreet of this city, the Texico-Farwell community will be credited with furnishing one of the fifteen day rooms being equipped at the Clovis Air Base.

Overstreet stated today that he was within "striking distance" of his goal to raise at least \$750.00 in cash to be used in furnishing one of the rooms, and predicted the remainder would be subscribed before the close of the present week. He reported a total of \$600.00 now in hand.

"I haven't made a very intensive campaign," Overstreet explained, "and I believe I will be able to raise the remainder without much trouble."

Fifteen day rooms are being outfitted by various clubs, organizations and communities at the Air Base for the use of trainer flyers who are to be stationed at the Clovis Base. Already two have been equipped, the American Legion of Clovis and the Kiwanis Club of that city having completed their projects.

Serviceable furniture, such as lounges, chairs and tables will be accepted for use in the rooms, it was stated, with the additional explanation, "we cannot use junk."

Persons wishing to make a contribution to the Texico-Farwell project are requested to contact Mr. Overstreet at once. "We want to be among the first to equip our room," he said.

FBI Nabs Delinquent Parmer County Negro

Carrying out a previously announced threat to "crack down" on delinquents under Selective Service regulations, it was announced through the office of the local board today that Marion Eugene Rochell, Negro of Parmer county, had been arrested by the Federal Bureau of Investigation at Buffalo, N. Y.

Rochell registered with the Parmer county board and never completed his questionnaire when it was mailed to him. Draft officials here said that his case was being transferred to Buffalo with instructions to classify the delinquent and induct him into the Army without delay.

"And this is what is going to happen to other delinquent registrants of this county," one board member stated. There are other delinquents registered with the local board, whose induction into the Army will be undertaken just as soon as they are apprehended, it was stated.

Draft officials also warned registrants to be certain that they have in their possession at all times their registration and classification cards. The FBI is making a determined drive to round up all Selective Service delinquents, and any male person who is under the regulations must produce his registration and classification cards on demand. Failure to do so could mean that the person might be called up for induction.

Persons who have lost their registration cards are advised to contact the office of their local board and make application for a duplicate without delay. Possession of classification and registration cards is the only way the law enforcement officers have of knowing that the registrant has complied with Selective Service regulations, one board member pointed out, adding, "It may save you some embarrassment before you know it."

Special Bus Carries Inductees to Lubbock

A special chartered bus will leave the office of the local draft board this (Wednesday) afternoon at four o'clock for Lubbock with the February quota of inductees, who will report for their final physical test before being accepted or rejected for army service.

Twenty-two were originally listed in the group, which was published last week, however, some have been transferred out to other boards for induction, leaving at least 20 who will depart from here this afternoon. Morgan Billington has been named captain of the group.

They will receive their physical check-ups on Thursday. Those accepted will be given a week's furlough before actually being required to report to the reception center at Fort Sill, Okla.

Indian Guard Salutes United Nation Leaders

An ornately attired Indian guard snaps to salute as Gen. Archibald P. Wavell, left, of England's army, commander-in-chief in India, walks out of the conference room at New Delhi, India, with Brig. Gen. Clayton Bissell, commander of the air force. The conference was believed to be the beginning of important action in this theater of war.

Welfare Depends on Small Farm Operators

The welfare of millions of America's average citizens—their health, morale and pocket books—depends on how well the small American farm operators meet the immense task of producing food in 1943, in the opinion of Raleigh C. Middleton, rural rehabilitation supervisor of the Parmer FSA.

"Obviously this does not take into account the welfare of America's fighting forces nor the needs of this nation's allies, but unless our average farmers meet the tremendous food goals this year, the war effort is certain to suffer a severe setback," he said.

"The little farmer has a big job to do in 1943," Middleton continued, "and the Farm Security Administration has undertaken extensive measures to help the little man in agriculture. There is just one way to get more food production—that is through helping our family-sized and small farmers to produce their best."

Middleton said he wished to remind farm operators in Parmer County that they should make immediate arrangements to finance their production through the year ahead, adding that FSA loans are being directed especially to any small farmers who, with such financing, can become qualified as "essential farm producers under the war-unit rating, by adding to their livestock or poultry, or increasing their production of war-rated crops."

"Farm Security loans," he said, "are available for almost every need in the farm home or on the land, and loans are made usually for three to five-year periods."

Did You Find This Purse?

If you happen to be the lucky person who found an old brown leather billfold, containing \$47 in currency, you might think you are indeed fortunate.

But wait a minute. Perhaps you did not know that the purse belonged to one of the poorest men in our community. It represented every dime he had to feed his houseful of young children and invalid brother.

The unfortunate loser is offering a liberal reward for the return of the purse and contents. In addition, The Tribune will give \$5 for its return to the owner.

Lazbuddy Soldier Is Japanese Prisoner

Mr. and Mrs. Otto Treider of the Lazbuddy community have been advised by the War Department that their son, Melvin, is a prisoner of Japan, and is being held somewhere on the Philippine Islands.

His father, in a statement to a reporter last Saturday, said that they had not heard from their son for more than a year. He expressed the belief that his son was taken captive with the fall of Bataan.

Mr. Treider also added that he expected to receive information as to how he might communicate with Melvin by mail. Young Treider was among the first Parmer county boys to be sent to foreign service after entering the Army.

Of Interest to Farmers

By John Martin, Administrator Parmer County AAA

Electric Motors Are Scarce

Electric motors are scarce and will be difficult to buy during 1943 unless obtained as part of a rationed item. For that reason, the Texas USDA War Board has asked Texas farmers to repair and keep present motors in tip-top shape.

Purchase certificates issued by County Farm Rationing Committees for rationed machinery and equipment will include electric motors when they are part of a complete unit for which purchase certificates are issued. Examples include milking machines, power cream separators and domestic water systems.

For repairing an electric motor used for agricultural purposes, the Board said that farmers are entitled, without the necessity of individual application for priority, to apply an A-10 preference rating to an order which would place it in advance of non-rated or lower rated orders.

Under War Production orders governing machinery and equipment, some electric motors are produced and classed as farm repairs and are subject to neither rationing nor to

priority assistance. Another WPA order, however, which controls the majority of electric motors produced, requires high priority assistance before they can be obtained.

Farmers and Ranchmen Ready for Sign-up

Texas' approximate one-half million farmers and ranchmen were poised this week to undertake the biggest production job of their lives.

Called upon to produce more pork, beef, eggs, milk, poultry, soybeans and peanuts, they were waiting to itemize on war production plan sheets the amounts they could be depended on to produce this year.

War production plan sheets are expected in the state USDA war board office this week and will be distributed to county volunteer leaders immediately. Individual sign-up in the 254 counties will get under way soon and is expected to be complete in about three weeks.

When returned to county USDA war boards, the information incorporated on farm plan sheets will form the basis for action or recommendations on selective service de-

(Continued on last page)

Revised Machinery Quota Gives Parmer County Farmers Relief

Achievement Contest Open To County 4-H Club Boys

Plans for one of the most extensive county contests ever offered 4H club boys were announced today by County Agent Garlon A. Harper, who stated that the contest would be of an "achievement" type, and would last through 1943.

"Since all 4H clubbers are being urged to do their part in helping to win the war through food production and civilian war activities, in carrying out their goal for the year, 'to produce enough food for myself and to feed one soldier', the contest generally will follow these lines," Harper said.

Nine divisions have been laid out for the contest, i. e., food production, scrap collection, war bonds and stamps, war leadership, labor shortage, livestock and crop improvement, other contest participation, project records, and 4H club leadership, and decision of the winners will be by points received from participation in each branch.

The contest is open to all 4H club boys from the age of 9 through 21, inclusive. No division by ages will be made in the final judging.

The agent stated that a complete prize list was not yet ready for publication, but added that the tentative award list included a registered dairy heifer for first place, registered gilt for second, 100 baby chicks for third, and certified grain sorghum seed to plant 10 acres for fourth place.

Paralysis Fund Nets \$33.30, Wright Says

Rev. W. C. Wright, pastor of the Texico-Farwell Baptist Church, reported today that \$33.30 was raised locally in contributions for the drive to relieve victims of infantile paralysis.

No special campaign was promoted, the chairman said, with all funds being turned in through boxes placed in various vantage points over the Twin Cities.

Contributions in the various receptacles were as follows:

Farwell School	\$ 6.44
City Cafe	1.39
Red Cross Pharmacy	1.70
Texico School	11.67
Methodist Church	12.20
Total	33.30

All money raised will be turned in to appropriate headquarters, Rev. Wright stated.

New Order Affects Gas And Oil Sales

Oldtimers were this week reminded of an old sign that used to be prominently displayed in livery stables, reading like this:

"Whip light, drive slow, Cash up or no go"

when an order affecting the sale of gasoline and oil for use in private automobiles became effective. Hereafter, it will be unlawful for any motorist (except government agents and holders of T cards) to run charge accounts at service stations.

Wholesale deliveries made to farms are not affected by the recent orders, and charge accounts may still be extended to governmental agencies and truckers holding T rationing cards, it was stated here.

Closing hours for service stations were also put into effect here the first of the week. The announcement was authorized that the Shamrock station and the Darr station in Farwell would open at 8 a. m. and close at 8 p. m. six days a week, being closed on Sundays. The Phillips station will observe the following hours, seven days a week, open at 9 a. m. and close at 7 p. m.

CORRECTION

The Tribune wishes to apologize for an inadvertent typographical error made last week. Sugar stamp No. 11, which became valid Feb. 1, is good for purchase of 3 pounds of sugar, as usual, rather than 6 pounds, as stated in the last issue.

Doyle Kent, 3-year-old son of Mr. and Mrs. Noble Goldsmith, was taken to Lubbock Saturday for a tonsil operation. He was returned here the first of the week, apparently on the road to complete recovery.

Groundhog Leaves Us Uncertain

Whether or not we are to have an early spring, based on the old superstition of groundhog day, February 2, still remains uncertain in the minds of local people.

If Mr. Groundhog emerged from his hole in the forenoon, he found this region in the grip of a gray, cold mist of rain. While on the other hand, if he postponed his appearance till the afternoon, he most certainly could have seen his shadow in the bright, basking sunshine.

Last Rites Conducted For Nabors, Monday

Funeral services for J. H. Nabors, age 81, were conducted at the Steed Chapel in Clovis Monday afternoon by Rev. C. A. Lorts, pastor of the First Christian Church in Clovis, assisted by Rev. Paul T. Tripp, Methodist pastor of this city.

Burial was made in the Clovis cemetery under the direction of the Steed Mortuary.

Mr. Nabors passed away at the Memorial hospital in Clovis Friday evening after an illness of a week's duration. His age was given as the direct cause of his death.

Mr. and Mrs. Nabors came to Texico-Farwell 26 years ago from Eddy, Texas, and far a number of years conducted a grocery business in Texico. Later he disposed of this business and followed grain buying for a number of years. Recently he has been retired from the business scene after more than 40 years of active commercial life.

He and his wife had lived together more than 52 years. Besides his widow, he is survived by three daughters, Mrs. Ed Muckelroy, Texico; Mrs. Noma N. Lokey, Farwell; and Mrs. E. L. Wilde, Miami, Fla. Three grandchildren also survive.

Texico School Vote Comes Next Tuesday

Two members to the Texico school board of education will be chosen by the voters on Tuesday of next week, Feb. 9, with Wesley Engram and S. C. Hunter listed as those whose terms have expired.

Town Clerk W. L. Freeman stated today that no names had been filed on the ticket, and it was believed likely that the ballot would be drawn up Thursday night, when the school board is due to meet.

Voting will be done at the Texico city hall, with Clarence Houston, Tom Williams and G. W. Atchley as judges and Mrs. Silas Jones and Mrs. A. C. Green as clerks.

Previously, Engram has expressed his willingness to serve another term on the board, but Hunter has asked that he be relieved.

To Remove Delinquent Subs From Mailing List

If your time is out and you have not renewed your subscription to The Tribune, this will be the last issue you will receive until you pay up.

This blunt announcement was made by the publisher this week following a three-week campaign to get renewals in by Feb. 1. The renewals have been very gratifying and a checkup today reveals that only a few names are to be dropped from the list as delinquents, but it was decided to give this one more final warning before action is taken.

The offer to get this newspaper, The Progressive Farmer and the 32-piece luncheon set was withdrawn on Feb. 1. However, parties wishing to continue to receive The State Line Tribune may renew at the regular price of \$1.50 per year.

The subscription list of The Tribune has been mounting steadily since last Fall. Today it has reached such proportions that we are unable to carry delinquents.

Avoid Sticky Raisins in Grinders Raisins will not stick to the grinder as usual if they are rinsed first in boiling water and then changed to cold water before grinding.

Revised quotas on farm machinery and equipment, received in this county the past few days, will give some relief to beleaguered Parmer farmers, in the opinion of John Martin, AAA administrator.

Although farmers had expected that quotas would be a good deal below the ordinary purchase level, the exceeding low allotments first issued were viewed by all concerned with little less than panic, and enlarged allotments will do much in assisting farmers in carrying on under serious labor shortages.

Martin went on to state that two quotas of particular interest in this county—combines and row binders—have not yet been raised, but releases from state headquarters were indicative of a change for the better within a short time.

Under the revision, Parmer county is eligible for three milking machines, compared to the previous allotment of one, the separator quota has been doubled, jumping from six to 12, and the milk cooler allotment has been raised from one to two machines.

Two Burr type feed mills may be sold, compared to one in the first order and the Hammer mill allotment rises from six to 10. Originally only 13 tractors were allotted, now the number is 24, and tractor-drawn row planters took a decided raise from five to 16 under the revision.

Fifteen more listers have been allotted the county, bringing the number up to 25; the number of moldboard plows tripled, from four to 12; cultivator allotments jumped from 18 to 25; one more mower was allocated, making a total of seven; six one-way plows, as compared to four, may now be issued, and three grain drills (previous number was one) may be granted Parmer farmers.

Applications Being Taken

Martin went on to say that two points are set up for receiving applications. In Farwell, the AAA office force will take such applications any time during the week. In Friona, Mrs. Fay Wilson will be at the Farmer's Supply Co., on Wednesdays and Saturdays, for the purpose of taking applications.

The rationing board, which meets every two weeks at the AAA office in Farwell, is in session today (Wednesday).

Farmers were further advised that no quotas has been given the county for farm fencing or windmill equipment, but it is necessary that a purchase order be issued from the ration board.

Purchase certificates have been issued to the following producers:

- Dan W. Winn Jr., separator.
- Sam H. Sides, one-way plow.
- John T. Hartwell, tractor.
- Sid Tolbert, tractor.
- W. E. Payne, lister.
- Sid Tolbert, lister.
- John T. Hartwell, lister.
- A. F. Phillips, cultivator.
- W. M. Sherry, cultivator.
- D. A. Tarter, cultivator.
- Bob Hammonds, cultivator.
- A. G. Thorn, cultivator.
- L. L. Ginnings, cultivator.
- C. B. Watkins, cultivator.
- L. R. Baxter, hammer feed mill.
- Finis Kimbrough, hammer feed mill.
- Buster Haney, hammer feed mill.

Middleton Arrives To Take Charge of FSA

Raleigh C. Middleton, of Lubbock, arrived here the first of the week and Monday took over the job of rural rehabilitation supervisor in the Parmer county Farm Security Administration office.

Mr. Middleton comes here from the College Farm at Texas Technological College, where he has served as farm superintendent for the past seven years. This is his first affiliation with Farm Security. He succeeds Earl L. Fine, who left here the first of the year to become supervisor in the El Paso FSA office.

The Middleton family is taking up residence this week in the former C. F. Bieler home.

Lawrence Shipman, district supervisor, is spending this week in the local office, and announced today that Mrs. L. S. Pool had been appointed as clerk-typist in the office, taking over her new duties Tuesday.

STREET GRADING

Two county maintainers have been busy in Farwell this week, grading the streets of the town.

GOT WRONG BOTTLE

Carey Cassidy, employee of the Farwell Bonded Warehouse, was rushed to a hospital in Clovis Tuesday morning for treatment after he had, through mistake, swallowed the contents of a 2 oz. bottle of camphorated oil.

During the morning he had purchased two small bottles of medicine—one of castor oil and one of camphorated oil—to use in treating a bad cold. He explained that he took the contents of the wrong bottle internally.

Early railway track was laid directly on the ties; now tie plates are used to prevent sinking.

ESTRAY—Gray horse, came to my place about 2 months ago. Owner will please call. Clyde Sparks, 9 miles south Texico on Moorehead place. 10-34

FOR SALE—480 acres, Sec. 8, Block C, all farmed, near Friona, fine schools, roads, railway, John Sigmond, 1511 McKell St., Dallas, Texas. 12-4c

FOR SALE—To settle an estate, section of land not far from Oklahoma Lane, some improvements. See us for cheap farm and ranch lands. M. A. Crum, Friona. 12-20

CON-D-MENTAL

Doesn't fool you, for healthy baby chicks and growing hogs, hens, too... eggs, more eggs; worms, kills insects, roup, sore head and prevents disease. Ask your neighbor. Buy Con-D-Mental from your dealer. Sold and distributed by C. G. Ritchie, 407 Wallace, Clovis. 12-8p

LOST—Worn leather billfold containing \$47, some time Thursday or Thursday night, between old Port of Entry and Texico school. No identification inside. Liberal reward will be paid for return to I. P. Jaquess, janitor, Texico school. 12-11c

Japanese Treasure Chest in Hands of Marines

Sergt. Maj. William B. Richards of Fitchburg, Mass., gloats over treasure chest full of Japanese money which was captured by the marines in the first offensive on the Solomon Islands. Maybe Sergeant Richards will spend some of this dough in Tokyo—with the army of occupation we hope.

THANK YOU

I want to extend my appreciation to those who so graciously supported me as the Junior class candidate for Queen of the Mardi Gras. Thank you ever so much.

Peggy Williams

JUNIOR CLASS NEWS

The class is very proud of the new English teacher, Mrs. Sartaine, who began work Wednesday.

The juniors are also proud of Peggy Williams and Jack Knowles, crowned queen and king. We want to express our appreciation to the other candidates, who ran a fine race, and to the people who supported Peggy or any of the other candidates and the various booths that were sponsored by the school or other organizations.

The class is now going to work toward a junior-senior banquet.

We wonder why Muggins wants to invite the princesses of the Court to the junior-senior banquet?

What happened to Marilyn's date for the Mardi Gras? Maybe Mrs. West knows!

As reported by Mrs. West, the junior class contains some of the most remarkable typing students anywhere—and some that aren't so remarkable, but we don't talk about that! Confidentially, though, one or two students have attained upwards around the 50 and 60-word per minute mark. We have high goals for these talented pupils.

SOPHOMORE NEWS

Probably the talk of the town is the Mardi Gras, so we'll start on that, too. Our candidates, Norma Jean Thomas and Glenn Phillips, came in for a glorious record place. Did you notice what a good-looking couple they made? Best on the campus! Anyway, it was a good race.

We have a new sponsor, Mrs. Cooper, whom we welcome into our class. We hope you enjoy your stay here at Farwell High, Mrs. Cooper. It is estimated that we took in \$7 at the carnival.

Mrs. Cooper, in World History: "And now we shall take up the rule of William and Mary of Orange."

Bob S.: "Excuse me, Mrs. Cooper, but what I want to know is, did William and Mary of Orange have any little oranges?"

It is rumored that Jean Ann had on her pajamas under the cute little dress at the Mardi Gras. What about it, Jean? Incidentally, Jean Ann and Bob won first prize on their costumes. They were cute, don'tcha think?

SCANDAL

It seems Jean Ann got into trouble Thurs. night. Arlon, maybe you can figure that one out. Where did you go? Huh?

Peggy Schleuter had a terrible headache Friday. Too much Ma

Gras?

We wonder who Peggy Williams had a date with Thurs. nite? Could you tell us, Paul?

FRESHMAN NEWS

Why does Bertha work at the City Cafe?

The ball game was interesting, but there were other interesting subjects, also.

Jeatonne Morris is certainly proud of her baby brother.

Why is it that Tommie went to Clovis Friday and Saturday with Charles?

T. A. isn't going to be a bachelor as long as Imogene stays here.

Why does Earl clean his glasses on Bertha's handkerchief?

La Honda is sure proud of her ankle bracelet because Do Williams gave it to her.

We think J. W. likes the idea of being King although he won't admit it.

Mary, we didn't know you had such a good looking cousin, but it would be better for you to introduce him to us.

Maybe Mary will have Arlon to herself this week, at least without interference from one of her rivals. I hear A. G. is here, eh, Jean Ann?

Why it Melvin called Pinky? It couldn't be the color of his hair, or could it?

I wonder who wrote in my notebook that L. C. loves Nadine Stancell? Would he know?

It seems that Walter likes an upper class girl. Incidentally, she is the Soph queen.

Bertha and Theda are sure getting thick with a boy at Clovis. Who could it be?

Tommie, I heard Charles went out with another girl. You'd better watch him.

FOURTH AND FIFTH GRADES

The fourth and fifth grades gave the following assembly program on Jan. 28:

"Beautiful Heaven", "La Cucaracha", 4th and 5th grade girls; reading, "Runner McGee," by Rosamond Booth; tap dance, Jill Dunn and Robert Armstrong; piano solo, Betty Hillhouse; a play, "The Magic Cookie Jar" characters, a beggar, Cary Jo magness, a kitchen maid, Hazel Petree; cook, Hettye Nann Randol; butler, Bob Bobst; announcer, Betty Hillhouse.

SIXTH AND SEVENTH GRADES

The 6th grade has Jackie Holland as a new pupil. Charles Thompson and Larry Smith are the first new pupils of the 7th grade this year, making 15 in all.

Those out because of illness last week were Dale Hecht, Billie Marie Utsman, Larry Smith and Raymond Brand.

Our favorite geranium has three big blooms. Thanks to Mrs. W. H. Graham again.

COUNTY AGENT NEWS

By Garlon A. Harper
County Agricultural Agent
Texas A. & M. Extension Service

Many Parmer County farmers are making federal income tax reports this year for the first time. This is due to the fact that the exemption rate has been lowered, and also, many Parmer county farmers had a higher gross income for 1942 than previously.

When a farmer who is not familiar with income taxes first thinks of making a return he almost invariably says, "My expenses were so high that I won't have to pay any tax, so why make a return?" The best reason why a return must be made is that the law says that every single person making over \$500 in 1942 and every married person making over \$1200 in 1942 must file a return even if he has a dozen children and twice as much expense as income. In other words, if you are single and make more than \$500, or mar-

Captured by Allied Jungle Fighters

Dejected and sorry-looking are these Japs, pictured after their capture by Australian troops in New Guinea. The remainder of the Papuan army was captured by American and Australian forces when they seized two Japanese positions in the Sanananda area, where the fighting was particularly heavy.

have adequate diets in spite of wartime shortages, in the opinion of Mildred Horton of the A. & M. College Extension Service who is chairman of the Texas State Nutrition Committee.

She has announced that county and municipal food and nutrition committees are being asked to study the point rationing system and to offer their cooperation to county rationing committees and OCD consumer committees. Thousands of volunteers will be asked to provide nutrition information to families applying for War Ration Book 2. These may include persons trained in Red Cross nutrition classes, American Women's Volunteer Services, adults trained in home economics classes and demonstration clubs, Future

Homemakers and 4H club girls, and others, Miss Norton explains.

The State Nutrition Committee also has prepared suggested leaflets on victory gardens, orchards and other phases of home food production. These are for adaptation and distribution by local nutrition committees, Miss Horton says.

The current United States birth rate is 21 per 1,000 population.

You Can't Re-Fuse?

Sure You Can!

... and you'll help save time, money, and vital equipment!

1. Go to the main switch at your meter box. Stand on a DRY SURFACE and turn off electricity.

2. Remove "blown" fuse, touching only its top. The fuse with the scorched spot in the "window" on top is the one to remove.

It's easy to replace a fuse... almost as simple as replacing a light bulb. You save yourself inconvenience, too... when you re-fuse... because you restore your electric service immediately. No need to wait for a service man! And your cooperation will save tires, gasoline, truck wear, time and money... all mighty important for the duration.

When a fuse blows at your house... locate the trouble, disconnect the defective cord or appliance... then "light 'er up" in the few easy steps shown here. Or next time you're downtown, come in and see us. We'll be glad to show you how to replace "blown" fuses... and see that you get the size to fit your needs.

3. Replace "blown" fuse with new one, as you would a lamp bulb. Then turn on the main switch.

Get Extra Fuses from Your Dealer or from Us.

WAR TIME COOKING WARE

COLLEGE STATION—Familiar metal pans and kettles are vanishing from stores along with metal kitchen tools and gadgets. In their places are various sorts of kitchenware made of non-strategic materials.

The bride of 1943 may fry eggs in a pottery skillet, bake pie in a fiber pan, boil vegetables in earthenware and roast meat in glass, predicts Mrs. Bernice Claytor, specialist in home improvement for the A. & M. College Extension Service. She explains that metal must go to war so cooks must learn to use materials not needed at the front.

Pottery, earthenware and glass need more careful handling than metals. First you'll need to avoid sudden changes in temperature. If you put extremely cold food in these utensils, have the dish cold. Or if you put in hot food, heat the dish first with warm water.

Here's another caution. Never put empty pottery, earthenware or glass utensils over a flame. Be sure the dish contains liquid, fat, or some moist food before it is set over heat. Glass made for the purpose can cook over high heat but not earthenware or pottery. The safe rule with these is "Simmer and serve".

Homemakers who are afraid their metal spoons may chip or crack, these dishes can use wooden spoons for stirring and beating foods. Be careful about temperatures in dishwashing too, Mrs. Claytor suggests. Wash pottery, earthenware and glass like china, with warm soapsuds and a hot water rinse. Dry them with a soft towel.

THE FOOD PICTURE FOR 1943

COLLEGE STATION—What food rations civilians are assured this year will depend largely on the weather, on farmers' ability to get labor, machinery and fertilizer, and on the complex processing and transportation industries.

For that reason many forward-looking homemakers in villages and small towns will be resolving, along with rural women, to grow as much of the family's food supply as possible. Jennie Camp, specialist in home production planning for the A. & M. Extension Service, says some predictions about 1943 food supplies may help these homemakers with their planning.

For example, the supply of cereals—flour and grain foods—will be ample. For civilians, the supply of fats and oils will be shorter, so meals in 1943 will include less fried foods, gravies and oily dressings. Sugar supplies likely will be shorter too, because of the transportation situation.

Consumers can expect larger quantities of sweet potatoes and dried beans and peas in 1943. However, the carry-over of white potatoes is not as large as usual. The total milk supply may average about the same as last year, but war needs may mean less milk for civilians. More poultry for meat is in prospect but eggs may be less plentiful. Meat is almost certain to be less plentiful and it will be one of the next items to be rationed.

Fruits and vegetables are the big question mark in this year's food production, Miss Camp says, so homemakers will be smart not only to grow their own, if possible but to waste none, learn about their food values and overcome dislikes and whims about certain foods.

MEAT RATIONING ON THE FARM

COLLEGE STATION—Self rationing of meat to 2½ lbs. weekly for each person isn't such a hardship when the total for the year is reckoned, says Roy W. Snyder of the A. & M. College Extension Service. He's the extension animal industries specialist. The full quota would give one person 130 pounds each 12 months. The average consumption of meat in the United States in 1941 was 146 pounds.

Snyder suggests that the difference of 16 pounds—less than five ounces weekly—can readily be offset by good management in the home. Poultry and fish, along with liver and other portions of meat animals are not subject to restriction. Used a little more freely, these staples would provide satisfying substitutes for beef, veal, pork, lamb and mutton.

As the self-imposed rationing applies to farm families, Snyder says they can kill the meat they need to supply 2½ pounds weekly for each adult. A fat 225 pound pig will cut out about 100 pounds of meat which can be cured. In addition there will be about six pounds of spareribs and five pounds of sausage.

To avoid the usual congestion of meat at hog butchering time, Snyder suggests staggering the slaughtering program. Where two hogs normally have been killed and cured for the year's meat supply, he recommends butchering them at intervals of three or four weeks. This would reduce the amount of meat which ordinarily must be consumed as fresh. This includes the liver, the head when properly cleaned and trimmed, some of the bone meat, and feet, especially the portion below the knees and hocks.

"The family which wishes to help

Health Notes

By Texas Department of Health

AUSTIN—With the incident of influenza in Texas reaching new highs as winter advances, Dr. Geo. W. Cox, State Health Officer, today issued a warning to the public to guard against exposure to this disease.

"Influenza patients should be isolated as nearly as possible to avoid spreading the disease," Dr. Cox said. "The germ is believed to be spread from person to person through discharges from the nose and throat."

To protect yourself and others from this disease, here are some things to be remembered: Influenza is highly infectious. Practically everybody is susceptible to it. No matter how many times you

have had the disease you may contract it again. Therefore, keep away from people who are sneezing, coughing, or sniffing or who are actively ill with colds, influenza or pneumonia. Keep away from crowded places. Have your own towel and always wash your hands before eating, and sneeze or cough into your handkerchief.

Keep fit by drinking plenty of water, by eating simple nourishing foods, by some exercise out of doors every day, by dressing according to the weather, by having plenty of sleep in a well ventilated room and by keeping the bowels regulated.

Don't neglect your "cold". If you have the slightest suspicion of fever, go home, go to bed immediately and call your physician. Stay in bed until he tells you that you can get up, and follow his advice implicitly.

Greatest Value

For the greatest value, pasture grasses should be consumed as they grow. Dry grass does not provide equal food values.

all it can in the emergency will cure all the pork suitable for such treatment," Snyder counsels.

You wouldn't stand in their way

Every one of us wants to do his best to speed Victory. Your telephone is a war weapon. You can help by using it thoughtfully — not making unnecessary calls to busy war centers.

Yanks in Holy Land Visit Wailing Wall

Taken on a tour of the Holy Land by the hospitality committee of the Jewish agency for Palestine, these American soldiers are shown at the famous wailing wall in Jerusalem, the only existing relic of Solomon's temple. They are watching a bearded "chassid" (left) devoutly saying his prayers.

... "I helped cook 'em in my kitchen!"

"This is more of a woman's war than any war that has ever been fought!"

"From the heroic nurses of Bataan . . . to the women at home faced with the problem of preparing nutritious wartime meals for their families . . . we're all playing a vital part in helping to win this war."

"But there's another way we can show our patriotism that many of us have probably never considered . . . and that is by avoiding wasteful use of Gas . . . in cooking and especially in house heating and water heating."

"Most people think of Gas only as a household fuel . . . the truth is, it's also used in making nearly every kind of fighting weapon that goes to our men . . . planes, ships, tanks, guns, bombs!"

"Gas makes them faster . . . and that means lives saved! It's much more economical . . . and that affects all our pocketbooks. It's easier to control . . . and that means finer planes, better equipment for our husbands and sons!"

MEETING WARTIME NEEDS

Today the Gas industry is producing more Gas than at any time in history. Yet because of the demands of war production you are urged to use Gas wisely — don't waste it!

is vital to war production . . . use it wisely!

A Few ??'s to Ask the Printing Peddler

When the Peddler selling stationery and printing supplies solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

Among them being:

- Does he pay taxes in this community?
- Does he donate space in his newspaper to the local community enterprises?
- Does he pay wages to a force of employees located in this City, County or State?
- Does his paper devote its entire space toward the betterment and upbuilding of this community?
- Does he grant you every favor that you would ordinarily ask of a local newspaper?
- Does the quality of his merchandise stand inspection—is it on quality paper stock and the printed matter attractively arranged?
- Will he submit proof of your work before finishing and mailing it to you C. O. D.?
- Does his price include postage and insurance charges?
- Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business.

IF NOT . . . CONSULT

Notice for Bids County Depositories
 Notice is hereby given that the Commissioners Court of Parmer County Texas, will at the February term thereof, on the 22nd day of February, A. D., 1943, at 10:00 o'clock a. m., at the Court House in Farwell, Texas, receive sealed proposals from any banking corporation, association or individual banker in such county that may desire to be selected as the depository of the funds of such county, County Funds, School Funds and Clerk's Trust Funds.

Said sealed proposals shall be filed with the County Clerk on or before 10:00 o'clock a. m., of Monday, February 22, 1943, at his office in Farwell, Texas. The proposal submitted shall state the rate of interest offered on average daily deposits of the Trust Funds of the County and District Clerk, for the term between the date of the bid and the selection, designation and qualifications of another depository. Said bids shall be accompanied by certified check for not less than one-half of one per cent of the average daily balances of the amount of the trust funds in the possession of said clerk during the preceding calendar year.

LEE THOMPSON,
 County Judge of Parmer
 County, Texas.

DHIA'S POINT TH WAY

COLLEGE STATION—Average butterfat production per year of cows on test in Texas' 10 Dairy Herd Improvement Associations is nearly double that of run-of-the-mill dairy cows in the state according to records received by G. G. Gibson, asistant dairyman for the A. & M. College Extension Service.

Butterfat production for the state as a whole averages about 150 lbs. per cow per year, while cows in the 100 herds on DHIA tests in 25 counties produce about 290 lbs. per cow per year, Gibson says. There are several reasons for the difference in production and in income per cow. Gibson explains that a Dairy Herd Improvement Association is a cooperative of dairymen who want to improve their dairy herds. They select sires with high production records, keep accurate production records and provide proper care and

feeding under the direction of DHIA field men and county agricultural agents. The cost of testing to a producer-member of an Association is based on the size of his herd.

The feed cost per pound of butterfat is 37 cents for cows producing 100 lbs. butterfat per year in comparison with 17 cents per pound for cows producing as high as 400 lbs. per year, Gibson explains. And the income over feed cost per year is \$8 for the low producing cow in comparison with \$111 for the high producing cow.

The DHIA records show that the feed obtained from pasture costs only one-seventh to one-tenth as much as feed obtained from a sack.

150 WAACS Now At Fort Sam Houston

Auxiliaries and officers of the Woman's Army Auxiliary Corps are now replacing soldiers at training centers and camps, according to Sgt. Harvey M. Gist, Sub-Station Commander, U. S. Army Recruiting Station, Plainview.

Last week a company of 150 Auxiliaries and officers arrived in San Antonio for duty at Fort Sam Houston. This is the first large unit of WAACs to be assigned to duty in a military camp of the Eighth Service Command, Sgt. Gist said. This company is being ordered to take over positions now held by soldiers at the post, to relieve able-bodied men for combat service.

Unencumbered women citizens between the ages of 21 and 44, inclusive, of good character and health and able to pass the Army physical and mental examinations, are eligible for enrollment in the WAACS.

Thousands of women are needed now for service. Auxiliaries enrolled will be trained at Daytona Beach, Fla., or Des Moines, Iowa. Upon completion of training they will be sent out to replace soldiers.

Auxiliaries showing unusual leadership qualities will be selected for officer training. All officer candidates are now selected from the ranks.

Women interested in joining the WAACS should contact the U. S. Army Recruiting Station, Room 202, postoffice building, Plainview.

Utah Hunters

Utah hunters are asked by the state fish and game department to turn in all deer fat from the game they shoot in order to swell the state's waste fats collection by about 100,000 pounds.

TWO NEW GOVERNMENT RULINGS ON GAS & OIL SALES

Under the order which became effective Jan. 23, filling stations must elect to operate on one of two schedules.

- 1—The station must not stay open more than 72 hours per week, and not for more than 12 hours a day, or,
- 2—The station must stay open 24 hours a day for seven days a week.

However, if a Dealer elects to remain open 24 hours a day, he may serve ordinary motorists only 12 hours a day for 6 days of the week. Only Commercial vehicles—Trucks, Buses and Taxis—may be served during the remaining hours of operation.

We have elected to operate our Station from 9 a. m. to 7 p. m., seven days a week.

SECOND—Effective Feb. 1st, gasoline may be sold only for cash, other than to holders of "T" Coupons Governmental Agencies.

We shall appreciate your continued good will and patronage and will do our utmost to serve you as in the past.

Phillips 66 Service Sta.
 FARWELL, TEXAS

**Jack Holt says:
 "Conserve by Buying
 Better Clothes"**

Now that the Holidays are over, it is high time that you check up on your suit and topcoat needs for 1943.

Nowadays you should select clothes with one eye on durability and the other on smartness. Make your clothing dollars count as they never did before.

The necessity for conserving wool has brought minor style changes and the shade and pattern assortment is somewhat reduced. However, JACK HOLT is still providing QUALITY as usual. Your dollar will get you the same fabric and value that it did a year ago.

We believe it will be to your interest to select your
"For the Duration"
 suit or topcoat from JACK HOLT'S stock of TIMELY or MICHAEL-STERN clothes. And it might be well to do it soon.

Local Happenings

Peggy Williams, Jack Knowles are Crowned

Climaxing an evening of hilarity, Peggy Williams and Jack Knowles, representing the junior class, were crowned as King and Queen of the Mardi Gras carnival held in the Farwell school auditorium, Thursday.

Elaborate coronation ceremonies were carried out, with Muggins Graham presiding. Tommy Ruth Sheny and Lucille Ramm were the crownbearers, Joan Booth and Peggy Schleuter the heralds, Pete Booth was at the piano, Marilyn Claire Anderson, Theda White and Maxine Hughes were court jesters, Jane Claire Overstreet and Ann Whitley were trainbearers and Jill Dunn and Virginia Carter were flower girls.

During the ceremony, Wanetta Billington and Twila Mae Strickland sang, and Travis Poteet gave a horn solo.

Representatives from the other classes, Jetonne Morris and J. W. Herington, freshmen, Norma Jean Thomas and Glenn Phillips, sophomores, Dorothea Deaton and Smokey Gast, seniors, were members of the court of honor.

To Jean Ann Hart went the prize for the most picturesque costume of the evening, while Bob Sudderth was in second place.

The affair was a definite success from every viewpoint, in the opinion of Miss Dorothy Shaw, junior class sponsor, and she expressed her appreciation of the patronage given the carnival.

Wilkison Heads Shrine In Parmer County

Jas. C. Wilkison has been appointed by Potentate Bill Gilstrap as his aide to represent Khiva Temple in Parmer County for the year 1943, it is announced.

Noble Wilkison says that Khiva Temple has planned a very active year. More emphasis than ever will be placed on the treatment of crippled children. During the month of May, the Temple will sponsor a million dollar Shriners' Victory Bond drive in 40 counties, comprising Khiva's jurisdiction. Final reports on this drive will be received at a Victory Ceremonial to be held May 31.

Noble Wilkison also stated that plans for the initiation of 100 novices at the Victory Ceremonial, are well under way and that all initiation fees received will be invested in victory bonds in the name of the Temple.

Recital At Okla. Lane

Mrs. E. T. Caldwell presented Carrietta Grissom and June Christian, piano students, in their first intermediate recital, Jan. 28, at the local studio. Assisting them were other class members, Billy Bentley, Betty Rose Johnson and Doris Kent.

WCSA Meets With Mrs. Overstreet

Mrs. Anne Overstreet was hostess to the Woman's Society for Christian Service of the Methodist church, last Wednesday afternoon, with Mrs. Roy B. Ezell as program leader.

Plans for the Washington Tea, an affair sponsored yearly by the ladies, were discussed at the meeting and following the program, the afternoon was spent in piecing blocks for a quilt to be presented to the Clyde Sparks family, who recently lost all their belongings by fire.

Today (Wednesday), Mrs. G. W. Atchley is acting as hostess to an all-day quilting bee.

Those attending the last meeting were Mesdames W. B. Hill, A. D. Smith, B. A. Rogers, W. W. Vinyard, Lena Yoder, Paul Tripp, W. H. Graham, Roy B. Ezell, G. W. Atchley, B. E. Nobles, J. H. Barger, members, Mesdames E. G. Blair, W. W. Engram and Claude White, guests.

Mrs. Campbell Is Class Hostess

Mrs. G. E. Campbell was hostess to the Wesley Bible Class of the Methodist Church, Tuesday afternoon.

Mrs. A. D. Smith presided over the business meeting, and the devotional was conducted by Mrs. Anne Overstreet.

The February motif was carried out in the refreshment plate, cherry pie topped with whipped cream, and tea. Attending were Mesdames Anne Overstreet, Roy B. Ezell, B. E. Nobles, A. D. Smith, Ralph Humble, Lena Yoder, G. W. Atchley, E. G. Blair, W. W. Engram and the hostess.

Girls Auxiliary Meets

The Intermediate G. A. of the Baptist Church met Thursday in the home of Mrs. John Lockhart. Attending the meeting were Harriet Baker, Marjorie Baker, Juanita Hall, Roda Morgan, Minnie Smotherman, Darline Sullivan, Delia Slagle, Bobby Jean Breeze, Peggy Ann Schleuter, members, the leader, Mrs. Lockhart, and a guest, Mrs. Baker. Delicious cookies were served and an inspirational program followed.

Gives Speech Recital

Rex Kyker, son of Mr. and Mrs. Bob Kyker of Farwell was presented last week in his junior speech recital by Mrs. A. B. Morris, head of the dramatic arts department at Abilene Christian College. Featured in the recital was "I Am a Fool", the one-act play made famous by Orsen Wells. Also read were "The Badman", "Homing", Bryant's "To A Waterfowl" and "The Ballad of the Harp Weaver" by Edna St. Vincent Millay.

Guild Meets Tonight

The Wesleyan Guild of the Methodist Church will meet tonight (Wednesday), with Miss Hazel Anglin. Time is 8:15 and all members are urged to attend.

Miss Jennie Lee London, president, extended the appreciation of the Guild to those who contributed coffee for the booth sponsored by the group at the Mardi Gras carnival last week.

C. L. Smith was here the latter part of the week from Childress, visiting his brother, Eddie Smith.

NEWS FROM OUR BOYS IN CAMPS

WAAC GOES TO FT. CUSTER

Auxiliary Myrtle V. Nichols, one of Parmer county's first WAAC volunteers, has reported for duty at Fort Custer, Mich., with the 35th WAAC Post-Headquarters, according to a release received here. Mrs. Nichols formerly lived in Bovina. She and her sister, Miss Helen Vassey, entered the WAACs the past fall.

MAFFETT IN AFRICA

Sgt. D. D. (Bud) Maffett, former local Santa Fe employee, writes this week that "Africa isn't bad at all. Temperature of from 55 to 75 degrees since we've been here, no mosquitoes or snakes so far. It was a little warm when we landed, but of a different nature." Bud also reports that it is a little tough getting service in African drug stores, adding, "drawing a picture of a bellyache so you can get a pill, or describing a hangover on your fingers while hoping for a Bromo Seltzer, which you know they do not have."

VISITS PARENTS

Capt. W. M. Norton, son of Mr. and Mrs. Mercer Norton of Bovina, was here last week visiting relatives. He left Thursday for Perrin Field, near Sherman, Texas, where he is stationed in the Signal Corps.

BROWN BEING MOVED

Pvt. Dee Brown, who has been stationed at Temple, Tex., was here this week on a short furlough while being transferred from one post to another. He could not reveal the name of the post to which he was being sent, except to say that he would be much further from home than he has been in the past.

MOVES, BUT GOOD?

J. D. Peters, rank unknown, writes from "somewhere in Australia" that he has recently been moved out of a fly-infested region to a mosquito-infested camp.

LONDON WRITES FRIENDS

Sgt. Glen London writes from "somewhere in Africa" that he is having a great time and says that he has just completed straightening up his locker. He goes on to explain that the locker is about the size of a small handbag, containing toothpaste and other toilet articles.

GETS PROMOTION

Wayne London, who has been stationed at Camp Berkeley, has been recently promoted to the rank of sergeant. He is being transferred from his location to maneuvers in Louisiana.

SENT TO HARVARD

Paul Crume, of the Navy, wires his father, C. E. Crume, that he has been commissioned and is being sent from San Diego to Harvard University to be connected with a Naval communications unit. Paul neglects to inform friends here of his rank.

Roy Bobst, manager of the Kemp Lumber company, was confined to his home with a severe cold and threatened pneumonia the first of the week.

ST. JOHN'S EV. LUTHERAN CHURCH

Lariat, Texas
Rudolph Weiser, Pastor
"A Changeless Christ For A Changing World."

Fifth Sunday after Epiphany
"The Prodigal Son" will be the lesson for Sunday School and Bible Class at 10:45 a. m.

Divine Service with Holy Communion at 11:30. Announcements for communion should be made on Saturday evening.

Instruction Class meets at 3:00. Walther League Educational meeting at E. Kube home. Topic: "The Greatest Name—Watch Your Language."

Sunday School teachers meet at the parsonage on Thursday night. The Lutheran Hour is heard at 4 p. m. (CWT) each Sunday afternoon over station KICA, Clovis.

The public is cordially invited to worship with us.

CARD OF THANKS

For the words of sympathy and many acts of kindness shown us during our recent bereavement, we desire to express our sincere and grateful appreciation.

Mrs. J. H. Nabors,
Mr. and Mrs. Ed Muckelroy
Mr. and Mrs. E. F. Lokey
Mr. and Mrs. E. L. Wilde.

PLEASANT HILL

The 42 party given at the school last Friday night was a success.

Mrs. Maggie Bell returned from her trip the last of the week.

Mrs. Graham has been quite ill, narrowly escaping pneumonia.

Mr. Scott is able to be up and out again after a week's illness.

Mrs. Arthur Kays is expected to stop here from a trip to California, where her husband is working. She and the children will spend several days with Mr. and Mrs. W. P. Kays.

Mr. Hopper spent the weekend at home.

Club will meet with Mrs. C. H. Whitener, Thursday.

Mr. and Mrs. Oscar Parker visited Mr. and Mrs. J. A. Parker Sunday.

BOVINA NEWS

Recitals Presented

Mrs. E. T. Caldwell recently presented three groups of piano students in recitals at the high school studio.

Studying for high school credit are Mary Leatrice Cherry, Dessa Fern King, Willie Ellen and Martha Williams, junior; Nelda Jane Nittler and Charline King, intermediate; Billy Ward and June Gay Looney, primary. Assisting were other members of the class: Sam Johnson, accordion; Patsy and Connie Jean Eberting; Lera Dell and Patricia Cherry, Jimmy and Leon Ware, Rayline Hawkins and Betty Charles Jefferson.

Miss Lucile Akers, who has been visiting in the home of her sister, Mrs. E. T. Caldwell, left Saturday for Lubbock, from where she goes to the WAAC training center at Des Moines. Miss Akers was accepted for the communications division of the WAACs.

Bro. Campbell of Amherst, former pastor of the Pine Street M. E. Church at Dalhart, is conducting a two-week revival meeting at the Bovina M. E. church, which began on Feb. 1. Everyone is invited to attend and the church will appreciate particularly the help of singers of the town.

John Robert Kimbrow, who has been visiting his parents, Mr. and Mrs. J. W. Kimbrow, returned to

school work at Tarlton Station, Sunday.

Miss Evelyn Sachs of Hereford spent the weekend with her sister, Mrs. Webb Gober in Farwell.

Mr. and Mrs. Marty Ezell and daughter of Muleshoe, Mrs. Gene Parker of Roswell and Pfc. R. B. Ezell of Plainview were Sunday guests in the home of Mr. and Mrs. Roy B. Ezell.

Lee McDaniel, who is employed in radio work in Las Vegas, visited the past weekend with his grandparents, Mr. and Mrs. E. E. Booth.

Mrs. Creta Hunter, who is now living in Austin, visited the past Wednesday with friends and relatives in Texico-Farwell.

J. G. (Dad) Hughes, formerly of this city, writes from La Porte, Tex. that both are doing well and that Mrs. Hughes feels much improved.

A. G. Acker and Bobby Anderson left last Wednesday for College Station, to resume school work at Texas A. & M.

Mr. and Mrs. Roy B. Ezell were business visitors in Bovina, the past Friday evening.

Miss Hazel Anglin spent the weekend visiting in Tahoka and Lubbock with relatives and friends.

Mrs. J. S. Pool and Miss Winnie Pool of Tucumcari and Mr. and Mrs. Floyd D. Golden of Portales visited in the Lenton Pool home, Sunday.

Mrs. B. F. Bell visited last week with her son, Pvt. Elvis, who is finishing his basic training in the Air Corps at Sheppard Field. She said that he was being moved to an unannounced location.

J. M. Landrum returned home the latter part of last week after spending ten days visiting old friends and relatives in East Texas.

Mr. and Mrs. Earl Booth are announcing the arrival of their son, Charles Michael, who put in his appearance Sunday morning, Jan. 31.

Ray Ford, former local produce dealer, who is now employed by the Pantex Corporation at Amarillo was here Saturday, attending business matters. He reported his wife in poor

MUCH RAIN IN CALIFORNIA

Homer Taylor, who formerly lived in Texico and is now located with his family at Reseda, Calif., writes this week that they have had plenty of rain recently. Homer relates that he and the family spent most of the night in the car to escape flood waters, while several families near our place were taken out in boats. . . we live on high enough ground that the water didn't bother the furniture. All power lines and telephone lines were down. . . the sky is clear today, looks like our rain is over. . . we only got 1 1/2 inches."

What Mermaids Will Wear Next Summer

Just to remind you that somewhere in the world, the sun is shining, and that it'll be shining on you, too, some day, presented here is a preview of what the well-dressed mermaids will be wearing on the beaches next summer. This preview took place at Los Angeles, where it is summer most of the time.

We Sell Security . . .

We sell War Bonds for your convenience. And every time that we sell you a War Bond, we sell you two kinds of security:

SECURITY FOR AMERICA

War Bonds buy the equipment to crush the enemy. They buy security for America.

SECURITY FOR YOU

In ten years the value of these bonds will increase one-third. Buy them now for your family's security tomorrow.

Demonstration Club Notes

By Special Staff Reporters

Parmerton Club
Mrs. J. M. Watson was hostess to the Parmerton Club at her home Jan. 27. The agent, Miss Cunningham, gave the first of a series of lectures on nutrition from the Red Cross course. Those present included Mrs. C. A. Turner, Mrs. G. H. Brock, the agent, Miss Cunningham, and visitors Mrs. Eugene Boggess and Miss Helen Watson; the hostess, Mrs. J. M. Watson. The next meeting will be on Feb. 24, the place to be announced later.

Bovina Club
The Bovina club met on Jan. 25 with Mrs. Williford and Mrs. Tidenberg as hostess. After the business meeting Miss Cunningham gave an interesting demonstration on evidence of good nutrition, which was enjoyed very much by all present. The club will meet Feb. 11 with Mrs. Nittler and Mrs. Rhinehart as hostesses. Refreshments were served to Mesdames Homer Martin, Looney, Loyd, Rhinehart, Henry, Vassie Ward, Smith, Rhodes, Nittler, Parker and Bonds.

SANTA FE CARLOADINGS
Santa Fe System carloadings for the week ending Jan. 30, 1943, were 19,349 compared with 23,043 for the same week in 1942. Cars received from connections totaled 10,787 compared with 9,866 for the same week in 1942. Total cars moved were 30,166 compared with 32,909 for the same week in 1942.
Santa Fe handled a total of 30,088 cars in the preceding week of this year.

Clovis Takes Locals In Rough Cage Match

With spectators and players alike agreeing that the game was one of the roughest of the current season the Clovis Wildcats tumbled the Texico Wolverines last Friday night, 43-28, in a cage match held at Clovis.
Scoring was exceptionally close the first two periods, with the count at 15-18, Clovis, when the half was called. In the third quarter, however, Clovis began to push ahead of the scurrying Texico team and outdistanced them by a good margin in the closing period.
Three Clovis players and one Texico contest were on the bench at the close of the game due to fouls.
Scrambling for high point honors, Bowers finally outpointed Dunn of Clovis by one count, the boys having 14 and 13 to their credit, respectively.

Second Team Loses
A greatly outclassed Texico second team also dropped a game to the Clovis quintet, by 50-11, Supt. B. A. Rogers reported. "Their second team was almost as large as the first squad," Rogers stated, "and our little boys never had a chance."
No game was on schedule for this weekend, according to Coach C. E. Sanders, but he added that two boys' teams from Melrose were due to visit on the local court on Feb. 19.

COAL SHORTAGE IN CLOVIS
Local coal dealers stated today that a number of Clovis people had been making trips here during the past week to buy coal. One local dealer stated that Clovis coal dealers had not had any coal for the past two weeks. Fortunately, practically all domestic and commercial users in the City of Clovis proper are served with natural gas.

County Boys Teams Have Tourney, Feb. 6

W. O. Cherry, superintendent of the Bovina schools, this week announced that all senior boys' teams in Parmer county schools had accepted invitations to participate in a tournament in that gymnasium on Saturday, Feb. 6.

Play is scheduled to begin around "three or four" in the afternoon and continue through the final and consolation matches that night. No awards will be made, Supt. J. T. Carter of Farwell said today, the tournament being staged as an opportunity for the "teams to get together and play some games".

According to the bracket, Oklahoma Lane and Bovina are first up, the winner to take on Lazbuddy. Farwell and Friona also meet in the opening round, with the Oklahoma Lane-Bovina-Lazbuddy winner facing the top team of the Farwell-Friona contest. Winners throughout the schedule go into the winning bracket, the losers drop into the consolation bracket.

Locals Win Over Bovina
The Farwell boys, in the meantime, continued their winning streak last Friday night when they defeated Bovina, 40-32, on the Bovina court, Supt. Carter said.
The game was well played by both teams, and scores remained sufficiently close to cause excitement. Summers of Farwell and Hawkins of Bovina were tied for high scoring honors with 16 each.

Procedure Given For Ration Book Return

Stressing the fact that illegal use of ration books will cut down on allowable rations for other persons, the OPA has this week issued circumstances under which ration books must be returned to local ration boards.

Specifically, all ration books of deceased persons and those inducted into any type service must be returned except in two cases, viz (1) the A gasoline book of an inductee may be held by the owner if he still owns the automobile and if it is being used by some person entitled to use it; and (2), the A book of a deceased person may be held by any person entitled to use the car.

Arrangements have been made to present inductees with envelopes at time of induction, by which return of ration books may be made to the board. If inductee does not have his card with him, he may state name and address of the person with whom it was left. The local board, in turn, will file the returned books, except gasoline coupons, which are to be destroyed.

4H Clubbers To Have Program Next Month

Sponsors of 4H club work in the county met with a number of business men the past Wednesday evening at Oklahoma Lane, to discuss plans for observance of 4H club week in Parmer county.

At this time, it was agreed to conduct a special program for the boy and girl club members during March, County Agent Garlon A. Harper reported today, in lieu of a banquet previously suggested to be held during national 4H week, Feb. 6 through 14.

Harper added that complete arrangements for the March show, which will likely feature achievements of the clubbers, will be announced when complete.
However, the 4H boys and girls will take note of their special week by exhibiting a traveling window display over the county, and the public is urged to take note of the exhibit as a means of learning the type work clubbers of the county are doing.

Meetings Called To Explain Point Ration

Retail and wholesale food merchants and Parmer county ration board members are expected to be in Plainview on Feb. 11, at which time meetings will be held to explain the new point ration system, soon to go into effect.

Chairman John R. Armstrong explained that meetings will be held over the district between now and the 11th, with the Parmer county delegates to attend gatherings in the district court room at Plainview, at 1:30 p. m., on the date specified.

These meetings are being held in keeping with the idea that merchants and board members must have all information on the new system prior to the opening of point rationing, it was stated. Questions of all types will be presented and answered by officials in charge.
Although both groups will meet in Plainview of the same day, Armstrong stated that he had been informed that boards and merchants will gather separately.

Non-farm Rural Workers
Motor vehicles are the only means of transportation for 18 million non-farm rural workers, many of them war workers.

INT TO FARMERS—

(Continued from Page 1)
ferment, needs for farm machinery, equipment, fencing, and credit.

Deadline Date Extended
The deadline date for obtaining temporary transport gas rations has been stepped up to April 1. Previous closing date had been set by ODT for Jan. 31.

The extended date will benefit many Texas farmers who have not applied for certificates of war necessity or who have been unable to operate with gasoline obtained under present certificates.

Temporary transport rations in no way relieve farmers of appealing for corrected certificates or applying for certificates immediately, it was pointed out by officials, who said all temporary rations would be discontinued March 31. Farmers who do not have final certificates by the closing date will be unable to operate their trucks.

The ODT order affects farm truck operators as follows:

(1) If no appeals have been filed, farmers must apply to local county farm transportation committees and secure a permit to obtain gasoline for a period of one month or until Apr. 1, whichever period is shorter.
(2) Applicants who filed appeals after Jan. 15 automatically will be sent forms which allow them to obtain gasoline until final certificates are issued.

(3) Final certificates will be prepared and issued by ODT for all appeals from farm truck operators on hand Jan. 15 which are recommended by county farm transportation committee.

Accept Cotton Applications
John B. Martin, administrative officer of the Parmer county ACA, advises that his office is now ready to accept applications for 1943 new grower cotton allotments.

Martin states that any farm on which 1943 cotton allotment was not established will be eligible for a new grower allotment upon making application for same. These applications must be made within the next few days since tabulation of all C-2 cotton allotments must be in the Texas State AAA office not later than Feb. 15.

Notice To Producers
Parmer county producers are hereby advised that in event they do not care to plant their entire cotton allotment for 1943, such allotment should be released to the county ACA committee for reapportionment to other cotton farms in the county. This is only a temporary release for the year 1943 and will in no way affect the farm acreage allotment for 1944 and future years. However, any producer releasing 1943 acreage will not receive payments therefrom for the 1943 crop year.

April 1 is the closing date for releasing the cotton acreage.

Tax Payments Good, Collector Advises

While no accurate accounting had been made up to Tuesday, attaches at the county tax collector's office stated today that tax payments were good "and possibly above the average".

The deadline on tax payments for the year 1942 fell on Feb. 1, and attaches at the collector's office said it would be at least ten days before a complete accounting of the remittances could be made, explaining that payments by mail from non-residents at great distances were still being received here.
Interest at the rate of 1% per month will be added to current taxes not paid on or before Feb. 1, and hereafter an additional 1% interest

will be added each succeeding month so long as the taxes for 1942 remain delinquent.
"It looks like we will have less delinquents this year than in recent years," it was stated at the collector's office.
