

## 361 CARS WHEAT SHIPPED FROM PARMER

### Local Reactions to OPA Death Varied

Texico-Farwell merchants, interviewed here Tuesday morning, expressed varied reactions to opinion concerning the death of the OPA, with the majority expressing the belief that its termination might prove a good thing.

After explaining to the merchant that he wanted a statement for publication, a Tribune reporter expounded the question:

"What do you think about the death of the OPA?"

The first man interviewed was Claude Rose, of the Fox Drug Store, who replied: "I think everything will go skyhigh, and then come down whenever supply meets the demand." C. M. Henderson: "I think there is more confusion in Washington than anywhere else. I think industry wants to co-operate, but if we are to go out from under OPA we might as well have it now."

Bill Banks, manager of Southern Union Gas Company, believes "it will stop a lot of black market."

Harris Hunter, traveling salesman for Keith Fruit & Vegetable Co., of Lubbock: "We haven't yet felt any effects; there have been no changes in our prices, although most of our goods were removed from price control some time ago."

Carl Davis: "Glad to see it out and hope it stays out."

Mrs. Andy Marcus said that there had been no increase in the price of cream the first of the week, but expressed the belief that cream prices might rise before the close of the present week. Poultry and egg prices went up one cent Monday, she said.

A. Milstead: "I don't know. All I can hear is argument, and I don't know what to think. I believe things will get adjusted."

LeRoy Faville: "I expect a leveling-off of normal conditions after a period of possibly three months."

O. C. Sikes: "There are lots of inner workings back east that we don't know anything about, but I am of the opinion that we are better off without OPA; I believe it has served its purpose. I am expecting cars to come on through now. We are maintaining all old price levels on items we have for sale, and in some instances making reductions."

Ray Ford, manager Farwell Elevator "People depended on government control through the war, which was a necessity. But with the end of the war, I believe competition will settle all price problems."

Ray Means: "I think it's a good thing. If we ever intend to get out from under government control, now is a good time to start."

Les Means: "I believe it will work if people will have sense and keep prices down. I am not going to increase any of my prices unless forced to by increased costs."

But Bill Hall, groceryman across town, reported, "I paid 52 cents a pound for 'Longhorn' cheese Monday morning—when I had been selling it for 40 cents a pound."

E. M. Roop, manager Houston Bros. Lumber Co.: "Outside of a very few items, I think our prices will be no higher, and possibly some even less than under OPA."

Perry Crawley of Crawleys' Bakery: "I don't want to be quoted. I'm just listening and wondering what others think."

Joe Crume, manager Kemp Lumber Co.: "I think it will be a good thing, but I also think OPA will be restored within a week's time. We are going to have price control, but it will not be on the black market levels."

W. R. Joyce, wholesale drug salesman from Wichita, Kansas: "The American people have it in their power to have price control or not. If we encourage shysters by paying high prices, we will be just plain chumps."

M. C. Roberts: "It's a God's blessing. Grain and feed prices have no gone up and will not go up as long as we can prevent it. If the American

(Continued on last page)

### July Court Term To Open Monday

DR. JOSEPH COHEN, noted Christian Jew, who will begin a series of evangelistic services at the First Baptist Church in Bovina on Sunday, July 28th, it has been announced by Rev. Fred Stumpp, pastor.

### Escape Serious Injury When Cars Collide

Three persons escaped serious injury, one mile east of Farwell last Thursday afternoon, when two cars ran together head-on, turning one of the machines completely over and badly damaging the front end of both autos.

Mr. and Mrs. F. R. Cole, of Abilene, driving a 1941 Pontiac, were approaching from the west. From the east, Col. H. W. Hunsaker, of Albuquerque, N. M., was approaching in a Plymouth station wagon. Just before the cars met on the highway, the Plymouth station wagon went out of control and began zig-zagging across the pavement. The cars met head-on.

Joe Quinn of Plainview, owner of the station wagon, said that he was following Col. Hunsaker at a safe distance to the rear in another car, which did not become involved in the wreck. Quinn said that Co. Hunsaker was driving the station wagon for him and that both cars were enroute to Albuquerque.

The owner added that the Army officer had complained that the station wagon was weaving across the road before they reached Muleshoe, but they found no mechanical trouble with the machine.

When the cars came together, the station wagon was turned completely over and the Pontiac was rammed in front, but remained upright. The three occupants escaped with only slight bruises and cuts. Mrs. Cole's head smashed out a windshield glass, but she received only minor scratches.

### School's Request For Buildings Rejected

A letter received recently by Supt. H. A. Clift, of the Farwell school, from Phillip L. Ayres, project manager of the closed Hereford Prisoner of War Camp, announced that the school's application for abandoned buildings had been definitely rejected.

Ayres reported that the buildings had been assigned to organizations holding higher priority ratings, namely, The Federal Housing Administration and the Soil Conservation Service.

Farwell had asked for several of the buildings, to be used in addition to the other school property. It was not learned here whether the applications of other schools in the area were also turned down, but it was considered probable.

### JENNINGS HERE

Joe W. Jennings, candidate for state representative, was in Parmer County, Tuesday, in the interest of his candidacy. He expressed confidence that he would be the nominee in the July primary.

Expressing his appreciation for the majority vote he received in Parmer County two years ago, Jennings said he had every reason to believe his vote here would be even heavier in the forthcoming primary.

District Judge John Aldridge, of Farwell, will be on the bench at the Parmer County courthouse next Monday, July 8th, when the July term of district court opens here at 10 o'clock a. m.

Indications are that the July term will be rather busy, with 19 civil suits listed on the docket, in addition to 21 tax suits brought by the independent school districts in the county. The majority of the tax suits were instituted by the Friona school, the docket shows.

Of the 19 civil suits, ten of them are trespass to try title, two are for damages, one for partition, and six for divorce.

The cases are:

Oscar Pope vs. Homer McKenzie, damages.

Jas. P. Wilson vs. Savilla Shipman, TTT.

Jack Woltmon vs. O. M. Franklin Serum Co., damages.

A. T. Stowers vs. Janet Stowers, divorce.

Vadys Peters vs. Alfred Peters, divorce.

Ernest H. Brock vs. Marian Brock, divorce.

Aurora Whetstone vs. Rex D. Whetstone, divorce.

A. Beckman vs. M. S. Calhoun, TTT.

Mack M. Bainum vs. R. Connelly, et al, TTT.

Josephine Hudson, et al, vs. Thirza Hudson, et al, partition.

J. D. Moore vs. Frank Stewart, et al, TTT.

C. T. Stowers vs. G. W. Hunter, et al, TTT.

J. G. McFarland vs. J. J. Burkholder, TTT.

Jesse Osborne vs. Unknown Heirs of Samuel Clifford Leaman, et al, TTT.

Willie Lee Griffin vs. Helen Louise Griffin, divorce.

C. M. Henderson vs. Ella Porter, et al, TTT.

Norma Lee Clements vs. Frank Clements, divorce.

B. T. Galloway vs. J. R. Morris, TTT.

Friona Methodist Church vs. Ella S. Gorton, et al, TTT.

Tax suits filed by The Friona Independent School District are against E. R. Bartlett, et al; M. S. Weir, et al; C. A. Seabolt, et al; James Pritchard, et al; Nathan Wallenstein, et al; Elzey Charles, et al; John C. Horn, et al; J. F. Suits, et al; W. R. Shirley, et al; William R. Shirley and Guy Hanks; Alvin Beckett, et al; Sarah D. Olson, et al; S. A. Seabolt, et al; Geo. G. Wright, et al; Ethel White, et al; Carl B. Olton, et al; and Geo. G. Wright and heirs.

Those filed by The Farwell Independent School District are against Elitia J. Hudson, et al; John W. Moody, et al; James S. Bryant, et al; William Harvey, et al.

**Grand Jurors Called**

District Clerk D. K. Roberts has issued a call for grand jury duty to the following men:

B. E. Roberson J. P. Tate

John Gammon Clyde Perkins

Ed Boggess M. G. Jesko

L. H. Hoffman Joe Magness

J. B. Douglas J. I. Gober

C. V. Potts David Moseley

I. W. Quickel Clyde Goodwine

Chas. Ross Aubrey Brock

The prospective jurors are slated to report on the opening day of court, he added.

**BARBED WIRE GOES TO OLD MEXICO BUYER**

A buyer from Old Mexico, armed with a sizeable roll of American currency, was doing wholesale business with a number of local merchants over the past weekend, buying up all the barbed wire that he could find.

Reports say that he completely cleaned out all the stocks in Texico-Farwell and Bovina, and then moved on looking for more fencing materials. Local dealers estimate that he carried at least 500 spools of wire away with him.

He was buying the wire for a ranch just across the Texas border in Old Mexico.

### Deluge of Rain Falls In West Camp Area

A large portion of the West Camp community, southeast of here, received a deluge of rain last Thursday, which did thousands of dollars of damage to irrigated crops.

The heaviest part of the rain appeared to hit south and southeast of the West Camp school house, where farmers are claiming that the rainfall amounted to seven to nine inches, and fell in less than two hours. Considerable hail also accompanied the rain, to add further damage to the growing crops.

Ernest Kube, living four miles east of the school house, was one of the heavy losers in the storm, as were Walter Ramm and Joe Suter, both of whom estimate that the rainfall amounted to at least eight inches. Mrs. Jimmie Dean had a half section of wheat which had not been harvested, and reports say that it was completely ruined.

Harvest hands, caught in the fields late in the afternoon, were not able to get their machines and trucks out until the following day. Walter Ramm said that he lost 20 acres of cotton which he had just chopped out. Damage to other crops was also extensive, he said.

The whole countryside was a solid lake of water. In some places all you could see was the tops of fence posts." Ramm said in describing the downpour.

The storm extended south from West Camp, and in all other directions the rain tapered off. In the Williams-Snyder section, west of West Camp, the rain amounted to about three inches, gradually quitting as it went north. In Farwell, only .84 of an inch was recorded.

Most farmers in the Lariat community got sufficient rain to proceed with dry land plantings, which were well underway the first of this week. Little rain fell as far north as Oklahoma Lane, and it completely faded out before reaching Bovina, north of here.

Reports indicate that the flooded area to the south of West Camp was about five miles in width, and only a few miles in length.

### Calls Attention To Electrical Law

Odis Huggins, local manager of the Southwestern Public Service Company, today called attention to the fact that all electrical wiring done in Texico would have to be under a licensed contractor, in accordance with a ruling by the Electrical Administrative Board of New Mexico.

An inspection sheet, properly executed by an inspector of the Electrical Board, is required to be filed with the Southwestern Public Service Company, Huggins added. He emphasized the importance of making no changes or installations of electrical wiring without first contacting him at the local office for advice, which would be gladly furnished without charge.

### AIR COOLER INSTALLED

Patrons and clerks at the Davis Mercantile Co. are enjoying the large cooling system recently installed in the store. This is the largest unit in use in Farwell, and really does a good job in keeping the building comfortable.

### SHULTZ VISITS COUNTY

Harry Shultz, Dalhart attorney, who is a candidate for the office of district judge, was here the past weekend in the interest of his candidacy. Shultz said that he planned to conduct an active campaign over the seven-county district from now until the primary.

### Two-Year-Old Hears First Thunder

Growing up in a rainless country has its ill effects on children. One day last week, two-year-old Mike, son of Mr. and Mrs. Sterlyn Billington, heard thunder for his first time. He came dashing into the house, crying, "Mama, who's that doing all that loud talking?"

### Majority Of Businesses To Close On Fourth

A checkup around the local business houses the first of the week revealed that the majority plan to observe a holiday on Thursday the Fourth, with all offices at the courthouse announcing definitely that they would be closed.

Local elevator men reported that if weather continues favorable for delivery of wheat that they would remain open, and indications today were that farmers would be doing business at the elevators as usual.

### Farm Barn Burns As Lightning Strikes

A large barn, shed rooms and work shop, together with a good quantity of certified planting seeds, was completely destroyed by fire at the Oswell (Buddy) Jones farm north of Lariat last Thursday afternoon, when lightning struck the barn.

No one was at home when the fire broke out and neighbors arrived too late to save anything from the burning building. A truck that had been parked near the barn, was moved to safety by a passing neighbor, who was helpless to do anything else.

The loss was estimated at not less than \$5,000, and was covered with only \$600. Irreplaceable farm tools and work shop equipment, as well as a good boat, two outboard motors, and some valuable fishing equipment went up in smoke.

Jones, who was at home when the cloud approached, said that he saw a bolt of lightning hit in the field a short distance from the house. Immediately, he got in his car and went to the field to warn W. A. Bilbrey and Foster Winegert, who were planting, that it was unsafe to be out in the approaching electrical storm. They moved the equipment to another field about seven miles away, out of the path of the storm, and were at the latter location when lightning struck the Jones barn.

### Improvements Being Made At Farwell

Considerable reconditioning work is in progress at the Farwell school, with particular attention being paid to the elementary department, as noted by a survey of the buildings on Tuesday afternoon.

Improvement in the lighting arrangements, especially in the first grade room, now the first room at the south end of the building, is being given primary attention, with the walls and ceiling being made a flat white. Supt. H. A. Clift reported that he planned to put white cloth curtains, hung away from the windows, at the top of all windows in the room, to spread even lighting without glare, and added that he hoped to be able to add fluorescent lighting fixtures.

Storage bins will be built around the primary room, the school head added, and plans are now to completely do away with desks, using instead several tables around which the children will work. With this announcement, Supt. Clift asked that anyone having discarded, usable tables contact him as soon as possible.

Both the walls and ceiling of the school gymnasium are now in white, as is the lower hall in the elementary building, along with ceilings in the lower grade rooms. Practically all floors in the building are undergoing the ministrations of the sanding machine, after which they will be varnished and polished.

The library arrangements are also due for conversion. The shelves will be moved into the larger room to the south, and the small room now housing the library will serve as an office and check-out window.

Supt. Clift said further that he hoped to build a small stand in the library and place the movie machine in one of the windows separating the library and larger study hall. In this case, dark curtains would be necessary for the windows, so that the room could be darkened.

### Half of Crop Moved Out

With an estimated one-half of the 1946 wheat crop shipped out of the county, predictions made several weeks ago that the crop this year would exceed the record crop of 1945 were being fulfilled here early this week, as a check-up of shipments on the 1946 crop was made.

A survey compiled on Monday by a Tribune reporter revealed that already 361 cars of 1946 wheat had been moved from this county to the terminal elevators, and it was freely predicted that fully as much grain remained in the fields, on the farms and in the elevators of the county.

Tabulations compiled here showed that up to Monday, Lariat, normally a feed and cotton shipping point, was leading the county in the number of carloads of wheat sent out this season, a total of 104 cars.

Friona was second in wheat shipments, with a total of 93 cars, to be followed by Bovina with 86 and Farwell with 78, making a total of 361.

At Friona, where the harvest has been delayed by frequent showers, it is believed that not more than half the grain to be shipped from there has been moved. Combined with that is the large amount of storage available at this principal wheat shipping center of the county. With 93 cars already moved out, the prediction is being made that Friona may consign as many as 300 cars from the current crop.

There is no way of estimating the amount of grain being stored on the farm, and only a guess can be made of the number of bushels held in elevators. Bovina, with 86 cars moved, is expected to double that figure before the grain has all been cleared.

While the harvest in the Farwell-Lariat region has reached the final stages, elevator men reported all bins filled to capacity, and it was believed that shipments from these two points would rise to around 175 additional carloads from the present crop.

These figures do not include any report from Black, on the extreme northeastern edge of the county, and located in the middle of one of the county's most productive wheat areas. Neither do the figures represent any of the wheat grown in the Lazbuddy section, a large portion of which is hauled to Muleshoe elevators.

### Over \$3,000,000 Value

Grain men are predicting that the value of the wheat crop in Parmer County this year will reach between three and four million dollars. And the marvel of the whole picture is that this enormous crop was produced after most of the best wheat growers and observers were free to predict almost complete failure two months before the harvest began.

At least three features have figured in the large crop this year. First, the increased acreage, which was far in excess of any ever undertaken in this county. Second, the turning to wheat by many former row-crop farmers, who failed to have a crop last year due to continued dry weather; and lastly, the surprising yields that were not believed possible on the limited amount of moisture that fell during the growing season.

The growing grain received only one general snow in February. This fall, amounting to from eight to 12 inches over the area, was responsible for the yield.

With favorable conditions this fall, the wheat acreage in Parmer County will be heavily increased, in the opinion of observers.

### Chamber To Hold General Meet

President C. M. Henderson, of the Farwell Chamber of Commerce, today announced that the local Chamber would hold its first general membership meeting since organizing, on Thursday night of next week.

The meeting will be held in the Farwell homemaking room, and all members are urged to attend. Coffee and doughnuts will be served.

President Henderson said that there was considerable business to be disposed of, including the adoption of the constitution and by-laws of the local organization.

### TO OUT-OF-TOWN SUBSCRIBERS

Under new policy, a charge of 10c is made for change of address. Please include this when you notify us of such change. Otherwise, The Tribune will not be forwarded to new addresses.

**For County Commissioner, Pct. 4:**

W. S. MENEFFEE  
(Re-election)

**For County Commissioner, Pct. 3:**

FRANK DOSHER  
T. E. LEVY  
(Re-election)

JOHN ARMSTRONG

**For State Representative:**

J. W. JENNINGS  
TOM W. DEEN  
(Re-Election)

I. B. (Doc) HOLT

**For County Judge and**

**Ex-Officio Superintendent:**

A. D. SMITH  
(Re-election)

W. O. CHERRY

**For County Treasurer:**

ROY B. EZELL  
(Re-election)

**For County Commissioner, Pct. 2:**

W. E. (BUCK) McCUAN  
C. L. CALAWAY  
F. T. SCHLENKER  
(Re-election)

**For County and District Clerk:**

C. B. (CHARLIE) LOVELACE  
LOYDE A. BREWER

**Scholastic Levels Are Raised For Tech**

LUBBOCK—Scholastic levels at Texas Technological College will be raised under recently adopted rules for admission, Registrar W. P. Clem-

ent has announced.

The rules, it was pointed out, are intended to facilitate admission of Texas World War II veterans and all other qualified young men and women living in Texas seeking to enroll at Tech.

Approved by the Tech board of directors, the rules provide that all Texas students transferring from any other college shall have a C average in their grades; that students from outside the state, including veterans, shall be admitted if they have a B average or better in high school or college; and that a graduate of any Texas high school shall be admitted on presentation of a transcript of credits showing graduation.

The B average requirement, it as pointed out, tends to relieve pressure from states which refuse out-of-state students to their colleges, and at the same time will elevate the grade quality on the Tech campus.

The new plan bars from registration any person who previously attended another college or university and is ineligible for readmission to his or her former school.

Tech officials point out that the new rules should clear the way for admission of all scholastically qualified students who apply for admission to the state-supported school, scholastic averages over the campus will be raised, and only non-Texans with low averages in their classes will have difficulty enrolling.

**Cottons, Woolens Are Listed As Surplus**

The War Assets Administration today announces that it had made available approximately 7,500,000 yards of surplus cotton, woolen and worsted fabrics in 30 different types to help relieve the acute shortage of men's clothing.

Veterans are to have top priority in the purchase of this cloth to be used in their own small businesses for the exclusive manufacture of men's suits and overcoats.

To obtain first priority status, vets should contact the Veterans division in the WAA Fort Worth regional office, Room 1100, T&P Bldg., and be certified as eligible to exercise a veteran priority for the amounts and types of fabric they wish to purchase.

A second priority will be given by WAA to orders placed with WAA regional offices by the Reconstruction Finance Corporation in behalf of small business, in the event that the yardage is not consumed by veterans.

WAA will offer the fabrics thru its 33 regional offices and has set a tentative date of July 10 for the sale to start. It will continue for 20 days.

At the end of that period, if any fabrics remain unsold, manufacturers who do not qualify as veterans or small businesses through RFC will be permitted to purchase, provided they qualify under other conditions of the direction.

**CAFETERIA FOR TECH**

LUBBOCK—A cafeteria to accommodate students living off the campus, as well as faculty members, will be opened at Texas Technological College this fall. The cafeteria will be under the direction of the

food and nutrition department of Home Economics and will be used in connection with laboratory work of students in institutional management.

Color Maps Offered  
For State Tourists

AUSTIN—Another bid for out-of-state tourists is in the making as the Texas Highway Department announces limited quantities of its first postwar color travel map are now rolling off the presses.

The expected bumper crop of summer tourists in the Lone Star State will be guided over Texas highways with the aid of a map that will give visitors a brief introduction to a few of the State's points of interest. In addition, it will afford a complete, accurate, easy-to-read travel map for the use of all.

The de luxe map is expected to be the most popular feature at the Department's Information Bureaus, which have been re-opened at strategic points to supply postwar tourists with reliable, up-to-date facts on highways and tourist attractions which support one of the state's largest and fastest growing "cash crops".

The postwar edition carries a small scale map of the United States, the usual large scale insets of the State metropolitan areas, strip maps of the main Texas travel routes and the Pan American Highway into Mexico. It gives mileages between towns and carries a supplementary mileage chart. The highway marking system is explained with illustrations, and there is a column of miscellaneous facts about the nation's largest State.

Shown also are State and National parks, some of the old Missions, and other points of historical interest. Twenty-six color pictures, which will be changed in each subsequent edition, depict typical Texas scenes.

The outside of the map, when folded for mailing, bears a picture of the State Capitol and another of Governor Coke Stevenson. Beneath the Governors picture is his official greeting "To Motorists Everywhere". In his message Governor Stevenson extends to the people of other States and Nations a cordial invitation to visit Texas and enjoy the hospitality of its people. "The highways of Texas are yours," he says. "Use them freely for your business and pleasure."

What About  
OPA...?

Although, OPA has been discontinued, so far as price control is concerned, we are not disposed to take advantage of this occasion to boost our prices.

OPA may be permanently dead.

Maybe so, maybe not. Only time can tell. But whether it is continued or not, it will not affect our prices or our policy. We will continue to sell our high quality merchandise at the same fair price levels we have maintained in the past—OPA or no OPA.

On this basis, we solicit a continuation of your patronage.

INFLATION IN ITALY

UNRRA reports that war inflation has depreciated Italian currency so much that sugar costs 171 times its prewar price; butter, 75 times; bacon, 35 times; hard cheese, 45 times;

and bread beyond the 7-ounce daily ration) 60 times. Children's shoes are now priced 30 times higher than before the war and men's work shoes have increased to 57 times. Few people have the income to purchase the food available, UNRRA says.

REGISTRATION DATES

LUBBOCK—Registration for the second summer term of Texas Tech is scheduled for July 13, officials have announced. An enrollment of over 2,000 is expected.

MORE POWER to MORE PEOPLE

at a Lower Cost  
Than Ever Before

Our way of contributing to the prosperity of the territory we serve is through our vast expansion program. This was begun nearly two years ago. Now it includes new generating capacity at several locations, and miles of line to bring additional power to more people. And, of course, low rates so that you may enjoy more of the efficiencies and economies of electric service.

There's plenty of cheap power for better manufacturing, better business, better living.

Yes, we're helping to develop a better, more prosperous territory.

**FOR SALE**—Simmons bed with new mattress, Thor electric washing machine. W. O. Cherry, Bovina. 33-3p

**PENSIONS, LOANS ARE DISCUSSED FOR VETS**

**Q. Does the government pay the first year's interest on GI loans?**

**A. No.** When the loan is reported to VA for a certificate of guaranty, the amount that VA pays is applied to reduce the amount of the loan. VA pays per cent on the amount guaranteed, which cannot exceed 59 per cent of the loan, or \$4,000 on a real estate loan and \$2,000 on a non-real estate loan.

**Q. Is a veteran who holds a bad conduct discharge entitled to any benefits under the GI Bill?**

**A. Since** he holds neither an honorable nor a dishonorable discharge, it would be necessary for him to contact his nearest VA office for a decision as to whether he was discharged under conditions other than dishonorable; or he may apply to the Army or Navy for revision of discharge.

**Q. Can a veteran who is not a high school graduate take a course?**

**A. The veteran** who has not completed high school but who wishes to undertake a college education may go to college under a number of methods. It is best that he go to the nearest VA office and explore these possibilities.

**Q. Can a veteran who draws retirement pay also receive subsistence allowance while attending school?**

**A. Yes.**  
**Q. Are wives of veterans entitled to medical care under the GI Bill?**

**A. VA is not authorized** to furnish medical care for dependents of veterans under any existing laws.

**Q. Is the pension of a veteran subject to change if he takes a position?**

**A. No.** Disabled veterans are encouraged to do such work as their disability permits. This does not affect the amount of their pensions because each disability pension is based on the veteran's disability as determined by VA rating schedule. Such pensions are subject to change only as the disability itself changes.

**LEGAL NOTICES**

**CITATION BY PUBLICATION THE STATE OF TEXAS**

TO: Henry Biber, Chas. M. Stevens, C. M. Stevens, Tennie Mans and Maudine Mans, and the unknown heirs, assigns and legal representatives of the aforesaid parties, and the unknown husband or husband of Tennie Mans and Maudine Mans, if married, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas at or before 10 o'clock A. M., of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of August, A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 3rd day of July A. D., 1946, in this cause, numbered 1365 on the docket of said court and styled Henry Lloyd, Plaintiff, vs. Henry Biber, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff alleges that he is the owner in fee simple of Lots 10, 11 and 12, in Block 46, of the original town of Friona, Parmer County, Texas, and was so the owner on July 1, 1946, and the defendants unlawfully entered upon said premises and dispossessed him and withholds possession thereof from him to his damages in the sum of \$1.00. Plaintiff further pleads in detail the ten year status of limitations, alleging that he has had peaceful, adverse, continuous and uninterrupted possession of said lands, together with his predecessors in title for more than ten years next proceeding the filing of his petition as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 2nd day of July A. D. 1946.

Attest:  
D. K. ROBERTS, Clerk, District Court, Parmer County, Texas  
By: Dorothy Lovelace, Deputy. (SEAL) 34-4t

**Jester Tours State In Race For Office**

Folks in many sections of Texas have had a chance to see and talk to Beauford Jester of Corsicana, candidate for governor, during his tour of the state in the past two weeks.

In large cities and in small towns he has listened to him discuss the principles of his "People's Path" Platform. Jester has stated that he will stick to the principles in his "Peoples Path" and will make no rash promises or far fetched predictions in his campaign for the governorship.

In his tour of the state Jester urged: A long range, planned campaign to rebuild depleted farm lands; An expanded public health education program to reduce disease and to raise public health standards in Texas; A traffic and highway safety campaign to reduce the steadily mounting toll of accident victims throughout the state; Pledged support for an adequate state police highway patrol; Higher salaries and better working conditions for teachers in all public schools and colleges;

The establishing of a first class medical school and other educational facilities for negroes at Prairie View University; the building of more farm-to-market roads in all sections of Texas where roads are needed; Condemned attempts of OPA Director Chester Bowles to make a deal with labor whereby agriculture would be hamstrung by stabilized farm prices in return for which labor would agree to a one year strike truce.

**Blue Cross Medical Plan Is Outlined**

The medical profession and the hospitals of New Mexico offer medical care, surgery benefits and hospitalization to employed groups of three or more persons in this area under the recently incorporated nonprofit organization known as "Physician's Hospital Service, Inc."

The community-sponsored plan is a further development of the "Blue Cross" plan, which functions in forty-six of the states with a total enrollment of 23,000,000 members. Originally, the Blue Cross plans provided 21 days' hospital care to each employed person and each member of his family. The present plan is far more complete in its operation.

Hospital services include 120 days' care to each member of the family, including meals, dietary service, nursing care, unlimited use of the operating room and anaesthesia, laboratory tests, all splints, casts and dressings and all ordinary drugs.

Surgical services include all major and minor operations for the

treatment of illness or injury, all fractures and dislocations, cost of pregnancies and caesarean operations. Medical services include care for three months for treatment of illness or injury; 15 days care for each chronic ailment or condition; maternity benefits after ten month's membership in the Plan, and X-ray.

No physical examination is required and all conditions are covered whether pre-existent to membership or not. Protection begins immediately on the effective date of membership.

Members have free choice of their own doctor and may use any general hospital anywhere. People in this area would likely use the Blue Cross member hospital Clovis Memorial, or any of the members of the American Medical Association as physician. The cost of the service is based on actual hospital and medical costs in this area and is \$2.00 per month for the combined services; \$4.25 for a man and wife; and \$5.90 for man, wife, and all children under age 19.

Any employed group of three or more persons are eligible for the Blue Cross Plan. For further information on the coverage or how it may work the public may ask any physician or hospital, or call the Blue Cross office at 203 Barry Bldg., Clovis, phone number 1440.

**Wheat Crop Insurance Is Offered In New Mexico**

New Mexico farmers will be able to obtain comprehensive protection on their 1947 winter wheat crops under federal crop insurance. C. V. Hemphill, chairman of the State PMA committee, stated in announcing the program for next year's crop.

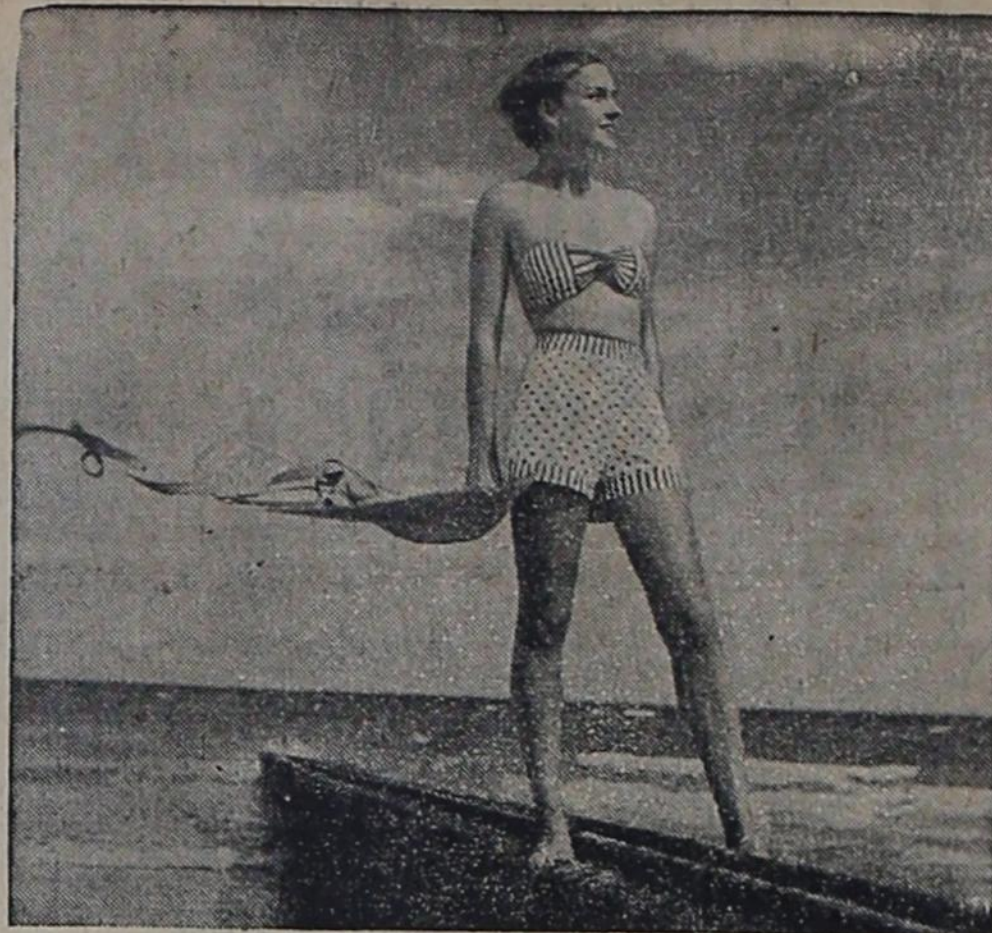

Farmers may insure various portions of their normal crop returns under partial insurance features of the program. Protection is afforded against all natural unavoidable crop hazards, including hail, flood, insects drought and diseases.

"Federal crop insurance is strictly a nonprofit venture to guarantee protection to farmers," Hemphill pointed out. Administrative costs are paid by the government, and all premiums are reserved for payment to insured farmers when their crops are lost.

"No matter how skillfully the farmer plants and cares for his crops, weather is beyond his control," he concluded. "The only assurance of some return from a wheat crop is a federal crop insurance contract. County agricultural conservation offices and authorized crop insurance agents will offer contracts for sale in this state until August 31, 1946."

Texas has produced more cotton than any other area in the world in the past century.

**Daring Sun Suit**

White Wesley Simpson cotton bathing suit with scarlet sun-splashes, and sunspots is shown above as pictured in the June issue of Town & Country magazine. The strapless bra measures your sunburn with nice accuracy for strapless evenings later.

Vote for

**BEAUFORD JESTER**  
of Corsicana for  
**GOVERNOR**

Beauford Jester long has been an active worker for the better things in life—church, welfare, civic development, education, agriculture and athletics. He has served with distinction on the Texas Railroad Commission. His record as a citizen, public official and soldier justifies his promotion to the governorship of Texas.

## Vacation Bible School Opens Next Monday

Beginning on July 8 and continuing through July 19th, the annual vacation Bible school will be held at the Hamlin Memorial Methodist Church. Classes will be provided for children of three years and up, being held Monday through Friday of each week.

Teachers and workers include the general superintendent, Mrs. D. K. Roberts; Rev. Harvey Carrell, Robert Morton, Mrs. Lloyd Cain, Mrs. H. A. Clift, Mrs. Roy Melugin, Mrs. Jim Moss, Mrs. L. H. McElroy, Miss Joan Booth and Mrs. William Thornton.

There will be four departments: one for children from three to six years of age; one for those from six through eight years; one for those nine and ten years old, and another group of children older than 10.

Mrs. Roberts reported Monday that it had not been decided which teachers would take charge of the various groups. She also added that it would be appreciated if everyone with cars would pick up children who otherwise might not be able to attend the school.

## Mrs. Ruby Dixon Is Hostess To Class

The Wesley Bible Class of the Methodist Church met in the home of Mrs. Ruby Dixon, Tuesday.

Program leader for the day was Mrs. Lena Yoder. Eight members were present, Mesdames O. B. Pippink, Ralph Humble, A. D. Smith, S. C. Hunter, G. W. Atchley, Anne Overstreet. The visitors were Mrs. J. C. Temple, Miss Laura Temple and Mrs. Harvey E. Carrell.

Lovely refreshments were served at the close of the program.

## Conducts Revival Series

Rev. and Mrs. Virgil E. Hunton returned this week from Portales, where Rev. Hunton has been conducting a revival meeting at the West Side Baptist Church. He reported Monday that there were 18 professions of faith, 13 of which joined the church by baptism. Attendance was good through the revival, the local minister reported.

## Guest Of Uncle

Miss Hazelwood Smith, who recently received her WAC discharge at San Angelo, after two years in uniform, is here for a brief visit in the home of her uncle, A. D. Smith. She will also visit Dr. and Mrs. Clyn Smith, in Clovis, before continuing to her home in Santa Barbara, California.

Mr. and Mrs. O. C. Sikes are planning to spend the Fourth at Eagle Nest Lake.

## Double Birthday Party Is Held On Friday

D. Tanis Caldwell, nine, and Alfred Stover, 3, celebrated their birthdays, last Friday afternoon, with a party held at the home of Mr. and Mrs. C. K. Caldwell, of Texico.

Two beautifully decorated cakes were cut and served with punch to 22 young guests, after games were enjoyed by the group.

The children present at the party were Melba Lee and Geneva Winegeart, Kathryn and Gloria June James, Shelvin Jane, Morris Allen and Joe Tom Reed; Nadean, Mary Sue, Bobbie and William Irvin Stover; Claudine, Charline, Etta Lou and Leroy Allen; Betty Bridges of Bovina; Betty Durham of Progress, Texas; and Peggy, Lou Jean, Barbara Caldwell, Bonnie Lou Williams, Joe Morgart Maxey, all of Texico.

Regrets were sent by Doris Level and Betty Crawley.

Mothers present were Mrs. O. L. Winegeart, Mrs. J. M. Reed, Mrs. R. A. Stover.

## Return To California

Mrs. George Kayser and young son and Mrs. Ralph Park left Saturday for their respective homes in California, after spending a week in Texico-Farwell visiting with relatives and friends.

## Scouts Meet Monday

The Farwell Troop Boy Scouts will hold their regular meeting next Monday evening, July 8, at the local courthouse, Scoutmaster Frank Seale announced today. The group will meet at 7:30, and plans are being considered to formulate a baseball club.

## Two Licenses Issued

Two wedding licenses were issued at the office of the county clerk on Tuesday, July 2. The first went to Calvin Arthur Goodman and Miss Ellen McMillin; the second to Max Hobbs and Miss Fay Beth Hill.

## To Grand Assembly

Miss Marcia Anne Johnson, daughter of Dr. and Mrs. V. Scott Johnson, left today (Wednesday) for Albuquerque, where she will spend the remainder of the week attending the Grand Assembly of Rainbow for New Mexico.

## Home From Lubbock

Mrs. L. R. (Jelly) Vincent is home and is doing very nicely, after undergoing a major operation in the Lubbock General Hospital some five weeks ago.

Mr. and Mrs. Clyde Magness were business visitors, the past Saturday, in Lubbock.

## NEWS FROM OUR BOYS IN UNIFORM

### HOME FROM COAST GUARD

Wilfred Quickel, who has spent the past four and one-half years in the Navy, joined his wife and young son here the past weekend, following receipt of his discharge on Tuesday, at New Orleans. Mrs. Quickel, the former Dorothy Thornton, has been making her home with her parents.

### ATTENDS PYLE THEATRE

T-4 Muggins Graham, son of Mr. and Mrs. B. N. Graham of this city, writes his parents that he is still in Tokyo, acting as chief clerk in the registrar's office for an Army hospital. Pyle memorial theatre—as recently opened there, and is one of the most beautiful he has ever seen.

### MOVED TO SAM HOUSTON

Sgt. Charles L. (Junior) Crume, who has been stationed at Fort Bliss in El Paso, since his induction last fall, has been transferred to Fort Sam Houston, at San Antonio. His wife, who has been with him in El Paso, arrived here Monday to spend a few days with relatives.

### DISCHARGES FILED

Jack Weldon Jarrell, Fireman First Class, was discharged at Shelton, Va., on May 20th. He enlisted in service May, 1944, and holds the A-P ribbon with four stars, the Philippine ribbon with two stars; the victory and American area colors.

Isaac Wilfred Quickel, Boatswain's Mate Second Class, received his release from the Coast Guard at New Orleans on June 24th, following service since January, 1942.

J. W. Parker, Machinist Mate Third Class, was released from the Coast Guard on June 19th. He entered service in January, 1942.

Mr. and Mrs. W. W. Vinyard spent the weekend visiting with her brother, in Lockney, Texas.

Mack Nobles, of Amarillo, and John Nobles and son, John Jr., of Midland, Tex., have been here with their parents, Mr. and Mrs. B. E. Nobles. They were called by the illness of Mr. Nobles.

Mr. and Mrs. LeRoy Faville are making arrangements to get off on a short vacation, probably to Ruidoso.

## Ration Continues On Sugar

With the death of OPA on Sunday night, local housewives who wondered the first of the week if the agency's expiration also meant the end of sugar rationing are advised in the negative.

Although most people are unaware of the fact, sugar rationing is actually under the Department of Agriculture, being administered by OPA during its life. It was not known here which of the various government bureaus would be responsible for collecting the ration stamps in the future.

However, grocers are advised not to sell sugar without stamps—as it may mean that they will be unable to secure any more of the staple when they turn to their jobbers.

Miss Dovey Wright, who is employed at the Aldridge office in Farwell, spent last weekend visiting friends at Roswell.

Mr. and Mrs. E. M. Roop have gone to Ford, Kansas, where they will visit over the weekend with a son.

Mr. and Mrs. Pete Thurmond and family, of Dallas, are visiting in the W. W. Hall home. Thurmond is a nephew of Mrs. Hall.

Dr. and Mrs. Clyn Smith, of Clovis, visited Sunday in the home of Mr. and Mrs. A. D. Smith in Farwell.

Mr. and Mrs. Jimmie Overstreet, of Lubbock, spent the weekend here with his mother, Mrs. Anne Overstreet, and other relatives.

Miss Bryan Cox, who is attending West Texas State College at Canyon, spent the weekend as guest of her aunt, Mrs. B. N. Graham, in Farwell.

## Conditioners Popular As Summer Heat Hits

Checking up with local dealers this week, and taking a drive around the Twin Cities, a Tribune reporter discovered that air conditioners are becoming more and more popular with local residents as the summer temperatures begin their climb.

Practically all local business houses are now air conditioned, and a drive around town will show an increasing number of "boxes" located in home windows, suggesting that local residents are prepared for hot weather and intend to be cool.

Members of the courthouse office staffs are still comfortable without artificial means, as the brick building has always been one of the coolest spots in town.

Mr. and Mrs. Lee McElroy and daughters and Mr. and Mrs. Frank Seale plan to spend the Fourth visiting in Lubbock.

Mr. and Mrs. Roy Adams, who have been visiting in Temple, have returned to their home in Farwell.

Mrs. J. D. Thomas and children, Miss Norma Jean and Warlick, spent Sunday visiting in Lubbock.

Mr. and Mrs. Dick Crume, of Lubbock, spent the weekend visiting here with relatives and attending business matters.

# Bovina Happenings

Mrs. W. N. Westmorland and son from Kermit, Texas and Mrs. J. M. Lindsey and two sons from Midland, Texas visited in the home of their parents, Mr. and Mrs. Bill Venable, last week.

Charlene King is employed at The Consumers Grocery at this time.

Patricia Ann Wilson is employed at the Smith Super Mart.

Dinner guest in the Byron Turner home Sunday were Mr. Ben Hendrickson of California, Mr. and Mrs. F. W. Ayres and son, Mr. and Mrs. Buck Ellison and children, Mr. and Mrs. Harold Turner and Don.

Mrs. Lilian Hance and son, Rocky, are visiting in Oklahoma City this week.

Billie Burch of Amarillo visited Lawrence Rhodes the past week. J. W. Ashcraft made a business trip to San Antonio this week.

Mr. and Mrs. Will Parker has received word from their son, Billie, who has served the past three years in the service. He will receive his discharge the 20th of July, and is to be home in a few weeks.

Mrs. C. R. Elliott made a business trip to Amarillo Tuesday.

Mr. and Mrs. John Byler and son, visited Mrs. Byler's mother, Mrs. Lucy Wilson, this weekend.

Ben Hendrickson from California visited his brother Mr. F. W. Ayres, over the weekend.

Mr. and Mrs. Neil Hendrickson and children of Oklahoma Lane were dinner guest in the Ayers home Sunday.

Mr. and Mrs. A. G. White, Lawrence Rhodes and Miss Betty Jo Moorman visited Mr. and Mrs. I. L. Rhodes in Roswell, Sunday.

Nolan Rhodes who is attending Tech at Lubbock spent the weekend at home.

Mr. and Mrs. Edwards and Joyce spent last week visiting relatives at Seymour, Texas.

Mr. and Mrs. Will Parker had as their guests this week his sister, Mrs. Cardwell and her sister, Mrs. Ingram, both of Nacogdoches County, Texas; also two sons, Mr. and Mrs. L. D. Parker and daughters of Amarillo and Mr. and Mrs. Billy Parker. The later has just received his discharge from the armed service.

Mr. and Mrs. W. C. Bryant visited Mrs. Gaines and Mr. and Mrs. Armstrong the past week.

## Cooked A Fine Dinner; Then Threw It To Dog

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of bloat, had headaches, felt worn out and was badly constipated. Finally she got INNER-AID and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Parmer County. (Adv.)

If you tell a man anything it goes in one ear and out the other. With a woman it goes in both ears and out the mouth.

**TO ATTEND CONFERENCE**  
COLLEGE STATION—H. A. Thomas, associate professor of electrical engineering, will represent Texas A. & M. College at an electronics conference to be held at the AAF Air Material Command at Wright Field, Dayton, Ohio, July 8-12. Captured enemy electronic equipment will be demonstrated and explained at the conference to representatives of colleges and industry.

**SANTA FE CARLOADINGS**  
Santa Fe System carloadings for week ending June 29 were 30,242 compared with 30,739 for same week in 1945. Cars received from connections totaled 10,504 compared with 15,369 for same week in 1945. Total cars moved were 40,746 compared with 46,108 for same week in 1945. Santa Fe handled a total of 38,619 cars in preceding week of this year.

You know the story of what happens when something goes wrong with the clock, or the refrigerator, or the doorknob, or some other mechanical device about the house: The man of the house gets out all his tools, unscrews every screw, takes everything apart, sweats and swears... usually with no luck! Then the little woman comes along and repairs the damage with a hairpin! Maybe this is truth and maybe it's tradition, but the man of the house can't always fix things... like your gas range or refrigerator. Nor will a hairpin do the job always. When there is something amiss with gas appliances, call in the Serviceman from your Gas Company. He is an expert at repairs; he is trained to service all gas appliances. There's no guesswork and "I-hope-this-works" approach when he's on the job! He's at your service at all times... gratis.

TO: Elitia J. Hudson, whose residence is unknown; Mattie D. Hudson, whose residence is unknown; L. F. Wilson, whose residence is unknown; T. O. Cuning, whose residence is unknown, and the unknown heirs, assigns and legal representatives of the aforesaid defendants, whose name and residence is unknown, and the unknown heirs and legal representatives of all the above named parties, and the unknown owner and owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and all other persons owning, having or claiming any interest or lien in the property hereinafter described.

You are hereby notified and commanded to appear and defend at the first day of the next regular term of the District Court of Parmer County, Texas, to be held at the Court House thereof in the City of Farwell, Parmer County, Texas, at or before ten o'clock A. M., on the 2nd Monday in July, A. D. 1946, the same being the 8th day of July, A. D. 1946, then and there to answer a petition in a delinquent tax suit filed in said court on the 17th day of June, A. D. 1946, in a suit numbered 1149, styled The State of Texas vs. Elitia J. Hudson, et al, on the docket of said court in which The State of Texas, County of Parmer and Farwell Independent School District are plaintiffs, and Elitia J. Hudson, Mattie D. Hudson, L. F. Wilson and T. O. Cuning, and their unknown heirs, assigns and legal representatives are defendants, and show cause why judgment shall not be rendered condemning said hereinafter described property and ordering sale and foreclosure thereof for said taxes, penalties, interests, and costs of suit.

Said suit is a suit to collect taxes, interest, penalties, and cost on the following described property: Lots 1, 2, 3, 4, 5 and 6, Block 18, of the original town of Farwell, Parmer County, Texas. The amount of taxes alleged to be delinquent, due, owing and unpaid for the respective years and in the respective amounts for each of said plaintiffs, intervenors, and impleaded party defendants, taxing units, on the above described property is as follows:

Plaintiffs, Impleaded Party Defendants, and Intervenor That Are Taxing Units: The State of Texas and County of Parmer; Taxes Due: \$156.30; Years delinquent: 1919 to 1945; To whom assessed: Mrs. M. D. Hudson.

Plaintiffs, Impleaded Party Defendants, and Intervenor That Are Taxing Units: Farwell Independent School District; Taxes Due: \$231.64; Years delinquent: 1919 to 1945; To whom assessed: Mrs. M. D. Hudson, together with interest, penalties, cost, charges, and expenses of suit, which have accrued and which may legally accrue thereon.

Each party to this suit shall take notice of, and plead, and answer to all claims and pleadings now on file or hereafter filed in said cause by all other parties therein.

Plaintiffs, Intervenor, and defendants that are taxing units also seek the establishment and foreclosure of the lien securing payment of such taxes as provided by law.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

WITNESS my hand and official seal of my office in Farwell, Parmer County, Texas, this the 17th day of June, A. D. 1946.

TO: Ella Porter and Fred Porter, the unknown stock holders of The Texas State Bank of Farwell, a Texas Banking corporation, and the unknown heirs, assigns and legal representatives of the aforesaid defendants, Greeting,

You are hereby notified and commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 29th day of July, A. D. 1946, then and there to answer Plaintiff's Petition filed in said court, on the 13th day of June, A. D. 1946, in this cause, numbered 1360 on the docket of said court and styled C. M. Henderson Plaintiff, vs. Ella Porter, et al Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that he is the owner in fee simple of Lots 17, 18, 19 and 20, in Block 20, of the original town of Farwell, Parmer County, Texas, and was the owner in fee simple of said lots on May 1, 1946, and the defendants and all of them unlawfully entered upon said land and dispossessed him and withhold from him said premises to his damage in the sum of \$1.00. Plaintiff prays for title and possession of said lands. As is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said court, at office in Farwell, Texas, this the 13th day of June, A. D. 1946.

D. K. ROBERTS, Clerk, District Court Parmer County, Texas, (SEAL) 32-4c.

**Home Canning Week Is Designated July 15-22**

The week of July 15 to 22 has been designated as National Home Food Preservation week to focus attention on the need for freeing food supplies as much as possible for world-wide hunger fronts by full utilization of home processing.

The announcement points out that home food preservation not only promotes better larders in American homes, but releases foods that are particularly adapted for shipment to famine areas abroad. Record crops of home grown and commercially produced vegetables and fruits are expected to help equal or better the 3 1/2 billion quart pack "put up" by housewives from victory gardens each year during the war.

TO: Frank Clements, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of August, A. D. 1946, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 26th day of June, 1946. The file number of said suit being No. 1361.

The names of the parties in said suit are: Norma Lee Clements as Plaintiff, and Frank Clements as Defendant.

The nature of said suit being substantially as follows, to wit:

This plaintiff sues defendant for divorce alleging that on June 1, 1942, defendant left her with the intention of permanently abandoning her and has not returned to her since that time, and that there is one child issuing from said marriage, namely Frankie Lee Clements, a girl 11 years of age. Plaintiff prays for divorce and for exclusive custody of said child and for general relief.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 27th day of June, A. D. 1946.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 27th day of June, A. D.

—Abraham Lincoln

**build DEMOCRACY**

"of the people, by the people, for the people"

THE Declaration of Independence declared "all men are equal". Abraham Lincoln further defined our democracy as "government of the people, by the people, for the people."

Your neighbors, the farmers, have taken the Declaration and Lincoln's definition literally. They have based their cooperative enterprise on those principles of American government.

Farmers stand on equal terms in their co-ops.

Each has a voice and a vote in its affairs. Each shares in the cooperative savings in proportion to the amount of his patronage.

Farmers have seen to it that no "Mr. Moneybags" holds a controlling interest by owning a majority of the stock. One man, one vote is the rule.

If it is true that deeds are better than words, then the farmers have built real democracy through cooperative enterprise. And, success of farmers' co-ops has built renewed faith in democratic processes. Let's keep that faith.

Bolster our democracy by backing the farmers' co-ops in your community.

Be a Co-op Booster

These cooperatives help build your community

**Lubbock VA Office Is Now Officially Open**

The 26 Panhandle counties heretofore served by the Muskogee Veterans administration regional office are officially under the jurisdiction of the Lubbock VA regional manager.

The Panhandle counties effected by the transfer are Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler.

Ten major divisions make up the Lubbock regional office, temporarily located at the air field. They are adjudication, vocational rehabilitation and education, contact, medical, supply, communications and records, finance, legal, loan guarantee and personnel. In addition to the manager and assistant manager, the organization is supported by a coordination and planning division and public relations division.

The adjudication division is responsible for the adjudication of all claims for compensation and pension filed by veterans, their dependents and beneficiaries, and the determination of eligibility to hospitalization.

Basic responsibilities of the vocational rehabilitation and education division are to provide suitable training to restore the employability of service-disabled veterans and to make available educational benefits to able-bodied veterans.

The contact division is the link between the VA and the veteran. Regional contact service functions through contact representatives conveniently located in key cities of the area to assist and advise veterans, their dependents and beneficiaries of their rights and benefits.

The primary function of the medical division is to furnish medical care for veterans with service-connected disabilities and to examine all claimants for pension, disability, insurance, and other related factors. It furnishes outpatient treatment and drugs and medicines for those with service-connected disabilities who can be cared for outside a hospital.

The supply division is responsible for procurement of all supplies and activities in connection with preparation of contracts, leases and requisitions.

Communications and records division maintains complete files for veterans who have applied to the VA for assistance of any nature. Also, mail and telegrams addressed to and originating from the regional office are received and routed by this division.

The finance division is responsible for all matters relating to moneys with which the regional office is concerned, such as making and accounting for payments, benefits and otherwise.

Guardianship of incompetent veterans or other beneficiaries and of minor beneficiaries of the VA is the concern of the legal division of the regional office, in connection with veterans' problems involving laws and regulations administered by the VA.

The loan guarantee division is responsible for activities related to the

administration of the loan guaranty provision in the GI Bill of Rights.

Charged with the acquirement and supervision of efficient personnel to staff the regional office, the personnel division determines eligibility of all applicants and refers them to the division chiefs for final selection.

"The VA shall do its utmost to render prompt and efficient service to all veterans of this region, but they must help us to help them by establishing contact with the VA regional office through their local contact office or representative. Any information or action pertaining to veterans' rights and benefits can be obtained through these representatives," said Sisson.

**Expect Transition In Wheat Cultivation**

Frank P. Wilson, large stock-farmer living north of Bovina, gave it as his opinion this week that in the very near future, a transition could be expected in this county in the cultivation of wheat.

Wilson had just completed harvesting his large acreage, and found that the grain sown on summer-tilled soil ran from 18 to 30 bushels to the acre, while, on the other hand, wheat that was grown on the "wheat-after-wheat" practice had yielded as low as three bushels to the acre.

"I don't see any use trying to grow a wheat crop every year, when you will actually make more money by planting it every other year," Wilson opined, as he reflected over his past experiences.

While he did not express an intention, Wilson strongly indicated that in the future he would follow the practice that has proved most profitable to him in the production of wheat, that of summer fallowing, and letting fields rest every other year.

**Largest Registration For Short Course**

COLLEGE STATION—Fifty seven students from four countries and seven states have registered in the 37th Annual Summer Cotton Short Course, the largest in the history of Texas A. & M. College. The instructors are J. M. Ward, T. C. Kilgore and J. Varela.

There are 14 from Mexico, one from Sweden, two from Egypt, eight from Louisiana, one each from Georgia, Tennessee and Illinois, three from Oklahoma, two from Alabama and 24 from Texas.

The class works daily, each student grading 100 samples. The class also visited the nearby Chance plantation to observe cotton dusting by plane.

**SALE IS SCHEDULED**

LUBBOCK—The West Texas Durco Breeders Association will hold a sale August 17, in the hog barn at the Panhandle South Plains Fairground in Lubbock, John N. Mitchell of Falls, secretary of the association, announced recently.

Mitchell made arrangements for the use of the Fairground facilities through M. D. Fanning of the Fair Association staff.

**IN FATHER'S FOOTSTEPS . . .** A staff sergeant with his own "private army" takes a stroll through Plymouth. He is Frank Cooper, Hansom Lane, Halifax, who is trailed by Allan, 7; twins, Ronald and Derek, 6; and Malcolm, 4, all born in New Delhi, while carrying the only girl in the family, six-months-old Frances. Clothes are the least of their worry, using battle suits for all except the baby.

**Clovis Rotarians No Match For Locals**

Breezing along in easy fashion, with Coach Seth Rollins using several new players and substitutes, the Texico-Farwell softball team, sponsored by the Henderson Grain & Seed Co., won a match with the Clovis Rotary Club, last Friday evening at Wildcat Stadium in Clovis.

The final score was 18-9. Billy Sudderth shared mound duty with the local's star tosser, Clarence Meeks, and Travis Rundell divided catching chores with Bob Drace, Cagle and Bresenham composed the Rotarian battery.

Max Ford, Meeks and Rundell pounded out circuit clouts for the winners, to hold batting honors. No game is scheduled for the locals this week, it was announced today.

**Locker Operators To Have School, Tech**

Frozen locker plant operators in this area are being invited to a special school, sponsored by the Extension Service, which will be held at Texas Tech on July 19th, County Agent Lee McElroy reported today.

The program will open at 9:30 and various problems of locker plant operation will be considered. Special studies will be conducted on preparation of vegetables and fruits, beef handling, sanitation and maintaining proper temperatures.

**CHILD DRINKS GASOLINE**

Young Paula Winegert, believed to be about two years old, was rushed to a Clovis hospital, Sunday afternoon, where she was given emergency attention after drinking some gasoline at a local filling station. The child apparently took the bottle of gasoline and drank it, thinking it was soda pop. Information from the attending physician on Tuesday was to the effect that she was expected "to pull through".

**IN WASHING BLANKETS**

Never wring woolen blankets, in fact, never wring anything which has wool in it. It is best to hang blankets on the line and let them drip until dry. An occasional beating with a carpet beater as they dry will keep them softer.

**Boulter Reports On School Condition**

E. H. Boulter, deputy for District 2, representing the State Department of Education, has recently made his report to A. F. Phillips, president of the board, concerning the Farwell school.

No additional credits were asked for the school, Supt. H. A. Clift reported today, and none were dropped by the state.

Boulter commended the condition of teacher's registers, the exhibits and teaching, the good atmosphere, and added "The school is well organized and under splendid supervision . . . Thanks go to Supt. Clift for his planning and cooperation. He is progressive."

It was recommended that teachers who do not have degrees work toward this end during the summer, and the deputy also recommended that the plant be reconditioned, which work is now underway.

**PLENTY OF SPUDS**

Abundant supplies of new potatoes are now rolling into most markets, the Department of Agriculture reports. The potatoes are reported to be selling generally at moderate prices and to be of good quality. Consumers are being asked to use potatoes as an alternate for bread and flour wherever potatoes are available in abundant supply.

**ORDER CUTS PROTEIN**

Protein meal use during any calendar quarter by manufacturers of mixed feed will be limited to 85 per cent of the quantity used in the corresponding quarter of 1945 or 25 tons, whichever of the two figures is the larger. Effective July 1, 1946, amendment 9 to WFO-9 reduced the total quantity of protein meal to be used, but the amendment permits the manufacturer of mixed feed to use his protein meal quota in making either poultry feed or livestock feed in accordance with the requirements of his trade territory.

so much meat won't go into the black market and I can get something to eat besides 'devils eggs'. . . guess wheat will go up to \$5 or \$6 a bushel, but I don't see why not. . . the farmers have been selling for about a dollar and six bits a bushel, then have to pay \$4 for a bag of doughnuts when they go to town."

House flies do not bite.

Bulls are no more sensitive to red than they are to any other color.

**Reactions to OPA Death Varied In Twin Cities**

(Continued from front page) people will exercise a little common sense and not go on a wild buying spree, things will level off satisfactorily. Otherwise, OPA will be restored."

And a drawly bus traveler summed up a general opinion: "Now maybe
