

Steers Face Big Test of Season

Conference Crown On Block At Sudan

Local Voters Go Ike

TOPS IN STATE—Pictured above is the defensive unit of the Farwell Steers football team. Through last week the Farwell team has allowed only 12 points to be scored against them by opposing teams, less than any other football team in Texas. Front row, left to right, Leon Jamison, David Willard, Mitchell Walls and Doug Hillock. Center, Jerry Henson. Back row, Roland Hillock, Johnny Gulley, Jerry Owens, Preston Cain, Tommy Lovelace, and Leo Lemmons. Not pictured is Phillip Berry, also a defensive starter.

How strong are the Farwell Steers?

That seems to be the question floating around among Farwellites this week in regard to the potency of the Farwell football team. The question should be answered when the Steers run into a hornet's nest at Sudan Friday night.

The Hornets are currently on top of the District 3-A football standings with a 3-0 record. Right behind them are the Steers, standing at 2-0. A win for Sudan would give them the district title and a win for Farwell would put the Steers in the driver's seat.

Should the Steers win, however, they still have to get by Springlake the following week to have a clear-cut title. A loss then would throw them into a tie even if they topped Sudan this Friday.

Since battling Melrose to a scoreless tie in the season opener, Farwell has been unstoppable,

looking stronger every week. Since that first game, the Steers have recorded seven straight wins, and have allowed the opposing teams only two touchdowns, both more or less flukes.

Morton scored the first touchdown against the Steer defense, catching the secondary off guard on a pass play. The second touchdown of the season came Friday night when a Eunice player intercepted a Steer lateral for a score.

As far as the record goes, Farwell has an unpenetrable line. However, the big question lies in whether or not the Steers have faced any top-notch competition. The first five games were against teams of lower classification, and even at that, the smaller schools were not outstanding in their divisions.

In the last three, Farwell has played teams of equal classification, but their records indicate that they too are not first class teams. The Steers took Morton, 9-6; Friona, 7-0; and Eunice, N. M., 27-6. Both Morton and Friona are in 3-A.

Sudan defeated both teams with much greater ease than did Farwell, taking Morton, 27-0, and Friona 33-7. Too, Springlake defeated Morton 32-12 and the Hornets won over Springlake by 19-13 (CST).

As for Eunice, they hold wins over several rugged New Mexico schools, but in three games against Texas opposition, went down to defeat in all of them.

So, if comparative scores are any indication, Farwell will be a three or four touchdown underdog Friday night and the same the following week. According to many observers though, they have been underdogs in the last three games, too.

Farwell's main hope lies in defense. If the Steer defensive unit can come through against the powerful offensive machine of Sudan, a win may be in the making for the local squad. Too, the

Texico Senior Play Tomorrow Night

Texico seniors will present their annual play, a three-act comedy, at the school auditorium Friday evening, November 9, at 8 o'clock (CST).

Leading roles are played by Dick Lockhart and Betty Pendergrass. Other characters include Susan Levins, Alex Brown, Weldon Bell, Glen Hancock, and Anita Watts.

Admission to the play will be 25 and 50 cents. Everyone is invited to see this play. Directing the play this year are Mrs. Jimmie Allman and Mrs. Agrie Jones.

Services Conducted For Jimmie Allman

Funeral services for James Clarence Allman were conducted yesterday (Wednesday) at Rose Chapel of Roberts Funeral Home in Clovis. Officiating was Dr. L. B. Trone, pastor of the First Methodist Church, Clovis, and interment was in Mission Garden of Memories.

Allman, 62, died about 12:45 a. m. Tuesday in a Clovis hospital where he had been taken around 9 p. m. Monday. Death was due to a heart condition he had suffered for several years.

Allman has been owner and operator of Allman's School of Dance in Clovis for the past 25 years. He is survived by his wife, Lillie, who is home economics teacher at Texico Schools, and two sisters of El Monte, Calif.

Active pallbearers for the funeral were Mel Kramer, Paul Jones, Bill Snyder, Roy Fulgham, Jack Calkins, and Harris Hunter, all of Clovis.

Lazbuddie Club Schedules Reunion

A reunion of the ex-members of the Lazbuddie Study Club will be Friday, November 23, in the fellowship hall of the community Methodist Church. Mrs. Finis Jennings says this week.

A luncheon will be served, at a charge of \$1.50 per plate. Mrs. Jennings, whose address is Mule-shoe route one, requests that persons who plan to attend contact her by November 19. The time of the reunion is from 10:30 a. m. until 4 p. m., and men as well as women are invited, says Mrs. Jennings.

The Sage of the Sandhills was in for a few minutes last week. K. K. is now 86 years of age, and we were amazed to hear him casually tell of his lonely ranch chores that would be hard work for a man of half his years.

Even at such an advanced age, K. K. still spends a lot of time in the saddle, and he was telling of some of his recent exploits with onery calves on his ranch in the sandhills to the south.

There are only a few raw-boned, suntanned natives of the open prairies of years ago still around to tell us what a good life we are missing away from the western range. K. K. Runnels is one of them.

Living alone miles from even a neighboring farm house, K. K. not only is happy, but is healthy in his hardy, robust environment.

A few weeks ago Dick Hapke, our Tribune news editor, typed off an editorial that was reprinted in some area newspapers and generated considerable local comment.

It had to do with the danger that many American families face when tempted with easy credit. Sometimes it is almost too easy to become obligated for a new car, television set, and a dozen other things that we, in our right mind, know we cannot possibly afford.

At the time, we remember laughing at Dick and telling him that since he isn't married, he hardly has had sufficient "easy credit" experience to be an authority on the subject. However, he pointed out that as an eligible bachelor, he didn't have too much trouble getting tied down to a 30-month car payment, so we had to agree that he was better qualified than we imagined.

After we thought this situation over a little bit, we remembered what our former boyhood friend, Warlick Thomas, had told us when he visited in our home several months ago.

Warlick and his wife were having a financial struggle getting through college after he had served out his military obligation. Never having been gainfully employed, he found money pretty hard to come by, even though the GI educational program was of some help.

They had purchased a small second hand television set for \$50, and it had served faithfully for a time, but finally, burned out completely. In spite of the fact that they had adhered to a rule to never buy anything on time, the Thomases were lured into making a purchase of a new set. When it came time to arrange for credit, Warlick found himself being asked for credit references. The clerk's suspicions were aroused when he discovered that the Thomases, although married several years, had never before bought anything on time. It just didn't sound reasonable.

Warlick told us that they had considerable difficulty making suitable arrangements for the financing. "I kept asking the salesman just how it was that you ever got started," Warlick told us.

Consider for a moment how preposterous this situation is. Here was a young couple who had lived conservatively ever since their marriage, always paying for whatever they needed.

The first time they sought credit, they found it almost impossible to get because they had never been in debt before. Ah, progress!

Which reminds us of just one more little story about installment purchasing. We read it somewhere.

Sign on a department store: "Try our new payment plan. Pay 100% down—no interest, no payments."

Comment heard at the dinner served Tuesday by the Cemetery Association ladies: "Boy, I haven't eaten like that since old times when we used to come in from threshing."

Woody Lovelace was doing the talking. It was noticed that wife Dorothy was well beyond earshot and did not pick up this remark.

Ladies Don't Forget Those Free Corsages

Women and girls from Farwell who are planning to attend the Farwell-Sudan football game at Sudan tomorrow (Friday) night are reminded to pick up their free corsages at the pep rally at the school auditorium tomorrow afternoon at 3 o'clock.

This courtesy is compliments of Watkins Gin of Farwell, Drew Watkins, owner; R. S. Smalts, mgr.

The free flowers for the Farwellites will be in blue and white representing the school colors, and all women and high school girls planning to go to the game are urged to go to the pep rally and get theirs.

Texico-Farwell voters followed the national trend in the general election Tuesday, going to the polls and giving their support to Dwight Eisenhower and Richard Nixon for the presidency and vice-presidency of the United States.

It was not a landslide, however, with the margin being narrow in both towns. Farwell endorsed the Republican candidates by a 223-202 count and Texico followed suit, going Ike 129-121. Farwell voters gave T. Coleman Andrews six votes for the presidency.

Poll tax receipt holders in Farwell totaled 462 and a record number of 437 ballots were cast. Response in Texico was not quite as good, but it was considered a high percentage, as 261 out of an eligible 312 voters went to the polls.

The New Mexico governor's race in Texico was exceptionally close with incumbent John Simms nosing out Republican Ed Mechem, 129-128. However, Curry County and the state gave Mechem the governorship for the next two years.

Farwell gave the Texas Democratic gubernatorial candidate, Price Daniel, a vote count of 368. Republican William R. Bryant drew 31 and write-in candidate W. Lee O'Daniel garnered 20. Too, Farwellites endorsed all eight of the constitutional amendments.

Texico voters turned thumbs down on both Curry County bond issues, rejecting the fair bonds, 24-93, and the library bonds, 10-96. They were also rejected county-wide by a large margin.

Other than the top national offices and the governor's race, Texico went overwhelmingly for the Democratic candidates on the ballot in the state-wide races.

In all local, county, and district races, the democratic candidates were unopposed on both sides of the line.

Association Dinner Highly Successful

Members of the Texico Cemetery Association were "deeply thrilled" over the success of their annual Thanksgiving dinner served Tuesday at the American Legion Hall which netted the Association \$197.

The Association would like to express its thanks to everyone who donated food and to everyone who came to eat there during the noon period.

Texico Civic Group To Start Recreation, Community Center

The Texico City Commission in its Monday night meeting granted permission to the Woman's Club to make a recreation and community center out of the building adjacent to the city hall.

Mrs. Curtis Miller, Mrs. Jim Moss, and Mrs. Fred Danforth, representatives of the women's group appeared before the commission stating their plans for the building. They plan to remodel the building and sponsor its activities.

The building will be used for various group meetings but emphasis is being placed on youth recreation and a library. It was pointed out by the women that the state would furnish books for a library if a building could be obtained.

In regard to youth recreation, it was pointed out that the Texico School faculty has doubled in the past seven years, thus indicating that there are many more youngsters in Texico than in years past and a need for a recreation spot.

The building is presently occupied by a Texico firm for storage (Continued On Last Page)

Texas agreed with the nation in returning President Eisenhower to his second term of office in the general election Tuesday, but it was a different story in predominantly-agricultural Parmer County.

Here, Adlai Stevenson and Estes Kefauver, the Democratic nominees for the nation's two highest offices, took a clear-cut victory. It was not, however, an overwhelming one, and pre-election guesses had predicted the margin would be wider.

A poll taken by the three Parmer County newspapers last week indicated that Stevenson could be expected to take 69% of the Parmer County vote. That would have been of landslide proportions.

As the case was, the Democratic nominees accumulated 1372 out of a record total vote of 2415. That was 56.8%. The Eisenhower-Nixon share of the Parmer County vote was 42.6%. They drew 1028 votes. At this early date, only a few are guessing what could be the cause of the strength of the GOP nominees in this county where that party is very inactive. A quick

sampling of opinion on the street seems to point to last-minute developments in world conditions.

With his military background and previous experience as president, Eisenhower apparently pulled the strings on some last minute decisions that might otherwise have fallen into the Democratic column.

An aggressive "get out the vote" campaign by area newspapers—in fact, all mass media—plus the effective efforts of local groups who did everything from ringing telephones and mailing reminders, to driving voters to the polls and sitting at home with their children, produced the biggest vote the county has ever had.

Four years ago, when Eisenhower and Nixon were running against Stevenson and Sparkman, Parmer County marked 2168. This week, the total cast in the county soared to 2415 for an all-time record.

The rush to the polls produced an unexpectedly heavy demand for ballots. In two instances, county officials had to "rob" boxes with an oversupply of ballots to meet the needs of others.

Extras were sent to Rhea and Lakeview, two rural polling points. Everyone was amazed at the turnout. Bert Gordon at Lazbuddie (Continued On Last Page)

Students of the two fourth grades will present the evening's program.

Mrs. Joyce Coffman, president of the local PTA, urges all members to attend this meeting. Mrs. Coffman also reminds members of the State PTA Convention which will be held in Amarillo on Wednesday, Thursday and Friday of next week. Mrs. Coffman plans to be at the meeting there on Thursday and says that it is hoped that at least one more officer from the local organization will attend.

Steers Ruffle Cards Feathers

A flock of Cardinals from Eunice swarmed into Farwell Stadium Friday night and when their feathers failed to flutter against the Steers' defense, the local team walked off with a 27-6 non-conference win, their seventh straight.

Outside of the first few minutes, when Eunice took the kickoff and went for three first downs, it was Farwell all the way. The stone-wall defense of the Steers again came through with a superb performance and the offense was equally effective.

Several miscues in the way of fumbles, rule infractions, bad passes from center, an intercepted lateral, and an intercepted pass, were overshadowed by the overall sparkling performance of the

Steers. The stubborn forward wall, which has been the chief reason for the Steers success this season,

stopped the Eunice rushing attack with only 132 yards and sev-

en first downs. Making up the rugged defensive line were Jerry Owens, Roland Hillock, Leo Lemons, Preston Cain, Leon Jamison, Mitchell Walls, and Doug Hillock.

The backfield jelled, with each of the starting backs turning in top-notch performances. David Willard was the top ground gatherer, compiling 143 yards in six tries, an average of 24 per carry. Consistent Tommy Lovelace continued to grind out yardage with his power drives, for a total of 78.

Quarterback Johnny Lovelace, with his adept faking and passing arm, again was a sparkplug in the Steer attack. He completed five passes for 152 yards.

Phillip Berry was effective in several different ways, gaining

30 yards rushing, catching three passes for 95 yards, and displaying dazzling running on kickoff and punt returns.

Too, Jerry Henson and Gerald Christian made some fine runs. Henson was especially alert in the Steer secondary, breaking up several Cardinal pass attempts.

Farwell got its first scoring drive underway late in the first period, with J. Lovelace hitting Berry with a pass which resulted in a TD. The 30-yard touchdown pass came after a 60-yard pass play was called back, due to an official's error.

Willard was first on the receiving end of the Lovelace pass, but bobbed it in the air and the ball rolled (Continued on Last Page)

Texico Group To County FB Meet

Members of the Texico Farm Bureau were in Clovis last Monday night, attending a meeting of the Curry County Farm Bureau. The meeting consisted of elections of officers, the passing of several resolutions, and several talks.

Speaking to the group were the president of New Mexico A&M College, several state Farm Bureau officers, and a state highway official.

Two hundred people were present at the meeting and Texico had 40 representatives, according to B. A. Rogers, chairman of the Texico organization.

Mrs. Levi Reid and Mrs. John Hadley were winners of door prizes.

Texico '42' Teams Win Over Clovis

Texico's "42" teams entertained two groups from Clovis Monday night in the first games of the year, and both local teams recorded wins. Captains of the Texico groups this year are Olan Schlueter and W. L. Roberts.

Schlueter's team won easily over its opponent, the score being 44-28. Roberts team eked out a 33-34 win over the other visiting team.

The Texico teams are in a 14-team Curry County league and will

be vying for the championship in the coming weeks. Each team plays a total of 13 games during the year. In the league, Clovis has four entries; Texico and Center, two each; and Pleasant Hill, Broadview, Grady, Field, Rosedale, and Ranchvale, one each.

Members of one team are James Gillean, Ed Muckleroy, Levi Reid, James Sutton, Austin Jones, T. J. Kittrell, Barney Harding, Schlueter, Chas. Bieler, Chas. McDaniel,

Clyde McDaniel, and Earl McDaniel.

The other local group includes Roberts, Clyde Shanks, Roy Spears, O. S. Allred, "Moots" Crane, Sam Cook, Buster Lunsford, Guy Alford, Pete Haynes, Johnny Lewis, Clayton Houn, and Leroy Sisson.

Next games for the Texico teams will be Monday, November 13, at Clovis.

Several Arrests Made

During the past week, several persons were picked up in Parmer County and charged with being drunk and driving while intoxicated, reports Parmer County Sheriff Chas. Lovelace.

Robert Dominguez, Clovis, was arrested by the state highway patrol Sunday and was fined \$100 plus court costs in county court Monday.

Also, five persons were arrested

by Lovelace over the weekend, all charged with being drunk. All were fined \$5 plus court costs in justice of peace court.

Another man was charged with theft in the county. He is Johnny Dawkin, 22, of Anton. His bond has been set at \$1000 and his case was bound over to the grand jury. The charge against the man was issued by Clyde Weatherly of Friona.

Council Overlooks Real Bargain

At the Texico City Commission meeting Monday night, Mayor Scotty Levins, in reading the mail received during the month to the councilmen, came across a letter advertising nylon hosiery and bras.

The letter was addressed to the Texico City Hall and it listed "huge savings on nylon hosiery and exceptional values on brassieres." The mayor started reading, but promptly stopped, asking the councilmen if they were in the market for such items.

The two councilmen present Judge Stone and Bud Peyton—voted "no" and the letter was cast aside.

Some observers thought the council acted too hastily on the matter.

The letter said something about enclosing order blanks and "looking forward to serving you, knowing that you will be completely satisfied with the unusual quality, price, and long wear of our merchandise."

Those councilmen don't even know a bargain when they see it.

Local GOC Needs Field Telephones

The Texico-Farwell Ground Observers Corps is in need of some field telephones. Anyone having a set he is not in need of has been asked to donate it to the GOC post.

Honor Roll Given For High School

The first six-weeks' honor roll, released from Principal Paul Frederick's office last week, shows the senior class with eight members on the roll.

Seniors include Barbara Caldwell, Carolyn Curd, Mikala Faville, Joyce Gillian, Susan Levins, Dick Lockhart, Betty Pendergrass, and Verlene Thigpen.

Juniors occupying the coveted positions are D. E. Hammitt, Betty Matthews, Bobby Patterson, and Rebecca Richardson.

Sophomores on the list are David Lockhart, Anita Moss, Teddy Roth, Monte Singletery, and Patsy Sprows.

Freshmen appearing on the roll are Joanne Brown, Phyllis Kelley, Mary Ann McDaniel, and Connie Tharp.

Nine eighth graders were high enough in grade point averages to appear on the honor list. They are Gary Dunlap, Leslie Dyer, Margaret Hudson, Glendon Moss, Kenneth Murdick, Patricia Patterson, Gary Singletery, Anna Lois Thatcher, and Jerry Thigpen.

In order to be on the honor roll a student must have a B plus average or better for all their subjects for the six-week period.

FIFTH GRADE TAKES ACTIVE PART IN FESTIVAL

Callayla Roberts, president of the fifth grade class, expresses her thanks to everyone who helped make their part of the Fall Festival a success. Through various activities, the class realized a profit of \$46.

Recipients of the two teddy bears given away by this class were Becky Richardson and Raymond Hadley.

Wanda Morgan says she enjoyed her recent trip to Arizona very much. The fifth graders are proud of their 100 percent spelling grades for the entire class for four weeks running.

Wanda Eshleman and Kathleen Smith had eye examinations recently and are wearing new glasses. For class favorites the class elected Terry Niece, Sue Walton, and Lonnie Curry.

Milner Speaks To Press Club

Joe W. Milner, instructor of journalism at Eastern New Mexico University, spoke to the Texico High School Press Club when it met Thursday, November 1.

Milner's speech dealt with ideas for and development of a feature story. He stressed the fact that ideas for feature stories are everywhere; one just has to be able to see them.

"A feature light in subject matter, on the unusual side, or on that which appeals to the emotions, will attract more readers," Milner said.

EDITORIAL

Interest of Parents Promote Student

By Betty Pendergrass

It seems parents are beginning to depend on teachers entirely for the education of their children. Actually education begins in the home. Whatever attitude the parent takes is usually reflected by the student.

If parents do not show by their actions that they are interested in the education their child is getting, it stands to reason that the child will show very little interest himself.

Teachers are responsible for the responsibility of the parent to prepare their children to receive instruction.

If parents do not regard learning as important, no amount of effort on the part of the teacher can give the student a motive to study.

Another important responsibility of the parents is co-operation with the schools. When parents visit school, they sometimes interrupt teachers, distract students and then they return home without much idea of what goes on in school. But planned consultations can prove to be wonderfully effective.

Statistics show that because of parental interest, children learned not only the importance of study, but also the habit of study.

The parents' role in the education of their children should not be that of a sideline critic, but as a partner or a friend of the teacher. Instead of saying, "I just can't imagine what's wrong with those teachers," more often a thorough self-analysis might reveal a few wrongs too.

When all parents assume all their responsibilities, there won't be quite so many people complaining about Johnny's not knowing how to spell, and Janie's lack of reading ability.

SENIOR PERSONALITY

By Mikala Faville

Betty Pendergrass—a pert, vivacious, red-haired lass—was born on October 14, 1937 in Phoenix, Ariz., weighing a mere 3½ pounds. She is the daughter of Mr. and Mrs. W. H. Pendergrass and has one sister and four brothers.

She states that her biggest thrill was when she was voted class favorite in the eighth grade.

She is a very active girl in school life, holding the office of reporter for the senior class as well as being the editor of the 1957 Wolverine, assistant editor of the school paper, treasurer of the Business Education Club and the F.H.A. Betty is the leading lady in the senior play, "The Birds and the Bees," playing the part of a newly-wed with a great deal of confidence in people.

Her favorite subject is journalism and she is enrolled in journalism II, shorthand, American Government, and speech.

She has a genuine interest in people of all ages and is cooperative and respectful to teachers and pupils alike.

Lower Grades Welcome New Pupils

Several new pupils have entered Texico School this week. The second grade welcomed Lillie May Grindle from Kountze, Texas, and Linda Dunn from Center, N. M. Helen Fay Gilbert and Russell McCulbough, both from Farmington, N. M., and Gene Gilbert from Spade, Texas, are new students in the first grade. Fourth graders are happy to have Lena Mae Grindle from Kountze, Texas with them.

Myrtle Arnold, second grader, now has the cast off her leg.

Mrs. Miller's second grade made a profit of \$13.55 at the Fall Festival.

Third graders and their teacher wish to thank their mothers and each person who made it possible for them to make so much money at the Fall Festival. The bake sale brought \$18.10 and their booth, "The Country Store," made \$26.25, a total of \$44.35. The amount remaining in the third grade room is \$26.61. They also wish to thank Mrs. Fought and Mrs. Winkles for helping with the bake sale.

First graders are practicing some of their safety rules as they go to and from the new play ground. They are also pleased with the new play ground equipment.

Mrs. Byrd's 4th grade was happy to report the amount of money taken in on the Fall Festival. The amount raised was \$23 and it will be used for books and other needed materials for their room, says Bob-

by Woodward, a fourth grade reporter.

First graders are also decorating their room for Thanksgiving. They are making flower posters from seeds removed from pumpkins used for Jack-o-lanterns.

Class favorites in Mrs. Seal's third grade are Veda Wilson, Jimmy Goolsby, and Jimmy Hill.

With Carolyn

Congratulations to Wilma Walton and Matt Pendergrass, juniors, who were selected as queen and king of the Fall Festival.

Members of the Texico journalism class are making plans to attend the annual J-Day on the campus of Texas Tech College in Lubbock. The day-long activities, including speeches, panel discussions and the presentation of awards for outstanding journalistic work, will be held November 17.

Graduation announcements were selected recently by the senior class. An interesting fact concerning this was that the salesman, Mr. Tate, had been principal of Texico School in 1929-32.

When Joe Milner, a journalism instructor from ENMU, spoke to the Press Club last week, he had two unusual journalistic definitions. "Liable is written slander. Slander is oral liable." Well—I guess we do have to be careful what we say in a newspaper, don't we?

Don't forget to attend the senior play, "The Birds and the Bees," which goes on stage tomorrow night in the school auditorium at 8 p.m. See ya' there. Carolyn

SIXTH GRADERS STUDY ABOUT FRANCE

An interesting study of France has been in progress in the sixth grade recently as a geography project.

At the Fall Festival this class netted \$46.25 through various activities sponsored.

A party at Beth Ellen Peyton's furnished an evening of fun for several members of this class.

Boston is nearer Europe than any other American city.

Flying a national flag upside down at sea is a signal of distress.

Teen Tales

By Mikala Faville

Did you ever wonder whether you would be glad or sad when you became a senior? More than once I wondered that, myself, during the 11 other years I have gone to school at Texico. When your senior year arrives, it really isn't so different from any other year except that you have more high school memories and less time to do other things in high school to remember! To see what other seniors were thinking, Betty Pendergrass, Susan Levins, Joe Glaze and Alex Brown were interviewed.

Betty Pendergrass stated that she had been too busy to really enjoy the honor of being a senior, but when she got her senior ring she thought of how long she had waited for it and how definite an acknowledgement it was that she really was a senior now. She felt that she enjoyed the sixth grade most because of various mischievous pranks many of the present seniors were engaged in that year.

"We cut classes by hiding in closets and even enjoyed our punishments," recalled Betty. One of the most memorable occasions was when about six girls left the school campus without a pass. At that time, sitting in the office and hearing our faults as described by Mr. Jones for two hours, was really important to us.

When I asked Susan Levins what it felt like to her to be a senior she said, "I wish it could last forever." "And what about when you received your senior ring," I asked. "I hope Daddy doesn't 'flip' when he sees this check," she replied. Susan said that she enjoyed her junior year most although so far her senior year has been "the most, to say the least." A memorable event to her seemed to be the same as Betty's—playing hooky in the sixth grade.

Being a senior makes Alex Brown feel like a "wheel" and he didn't seem to mind saying that he was thinking of girls when he got his senior ring. Alex enjoyed the second grade most because it was the shortest, (he skipped from the first grade to the third grade except for several weeks

in the second.) He thinks that last year's junior play, "Mother Is A Freshman," is something he will remember a long, long time.

"When I started to school this year and became a senior, I was as thrilled as a little kid on a Christmas morning, opening his presents and finding that he got what he really wanted," was the reaction of Joe Glaze when he was asked how it feels to be a senior. When he got his senior ring he said he was thinking how proud of it he was going to be, but not just for the beauty of it, but for what it stands for and the grand school from which it came. He liked his junior year best because of the parties and trips he took part in and also being with so many of his friends. To Joe, the trip the FFA boys took to St. Louis, Mo., is one of the many things he will never forget.

Adult Schools Planned By Texico FFA

Busily engaged in plans for two adult schools are Texico FFA boys and their sponsor, Tom Hudson.

The first one, a fertilizer school, will be held five nights November 26-29 and will be of interest to all adult farmers of Eastern New Mexico and West Texas.

Phillips Petroleum Co. is sending their top agronomist and fertilizer expert for the school which will also feature men from several

other fertilizer companies. More definite details about this school will be published in a later edition of this paper.

A welding school has been planned to begin the first of March, to include five nights of intensive work.

The men and machines for most of this school will be furnished by the Forney Arc Welding Company of Ft. Collins, Colo.

At the present time the boys are busy reconditioning all their shop tools in preparation for work to be done in the ag shop in the near future.

Maine is bordered by only one other state.

Who says dream cars never come true?

Dynamite from Detroit

Coming! America's first production dream car—
 it will influence the shape of cars for years to come.

The old Detroit rule was to introduce new features gradually, to make little changes each year. Sometimes a new grille, an engine improvement, or new colors and trim.

We broke that rule. In fact, we broke all the rules. *This is dynamite!*

For you are not the only one who has dreamed of a totally modern car, a car that has everything you find at automobile shows, in illustrations, and in custom-built experimental cars.

Detroit has had that dream, too. And that's why the 1957 Mercury is the car that has honestly excited the most car-jaded, the most sophisticated of Detroit's automotive experts.

When you see the new 1957 Mercury, you'll see America's first full-production dream car—a car that will influence the shape of cars for years to come.

You'll see a dream car you can own and drive—a car that has far more than startling years-ahead beauty.

THE BIG M for '57 boasts dream-car features never before found outside a designer's dreambook: a Keyboard Control that makes ordinary push-button driving old-fashioned; an exclusive Floating Ride with a revolutionary new cushioning action you have to *feel* to believe. There are Mercury "firsts" everywhere you look. A Power-Booster Engine Fan in the Montclair series that saves horsepower other cars waste. And many more Mercury exclusives.

You'll see THE BIG M—the new Mercury for 1957—soon. You'll see it. You'll drive it. The first dream car that can be yours. The *dynamite* is on its way from Detroit to your dealer's—now!

Calendar Is Theme Of School Coronation

The annual harvest festival was held in the school gym Saturday night with the entire school taking part in the festivities. The climax of the evening was the crowning of three queens. Theme of the coronation was "Calendar Girls on Parade."

Pat McLeod acted as the old year while Danny Cargile acted as the New Year for the month of January and escorted the first grade candidates for the king and queen. Jill Mimms, daughter of Mr. and Mrs. Pete Mimms, and John Ward, son of Mr. and Mrs. James G. Ward, represented grade 1A. Linda Ashford, daughter of Mr. and Mrs. Ansel Ashford, and Larry Davis, son of Mr. and Mrs. Freeman Davis, were candidates from 1B grade. Duella Lawrence, representing Lincoln's birthday, escorted the second grade candidates, Susan Pendergrass, daughter of Mr. and Mrs. Jess Pendergrass, and Timmy Foster, son of Mr. and Mrs. Demp Foster.

Candidates from grade 2B were escorted by Janis Clark as St. Valentine. Candidates were Sheri Robinson, daughter of Mr. and Mrs. James Robinson, and Royce Barnes, son of Mr. and Mrs. Wesley Barnes. Juanita Scott as St. Patrick's day escorted Toni Smith, daughter of Mr. and Mrs. Leon Smith Sr., and James Koelzer, son of Mr. and Mrs. B. N. Koelzer, from grade 3A. Next came Alice Gordon as Springtime, escorting Sherry Linville, daughter of Mr. and Mrs. Byran Linville, and Sammy Harlan, son of Mr. and Mrs. W. G. Harlan, from Grade 3B.

Loreeta Hill as the Easter bunny escorted Charlotte Seaton, daughter of Mr. and Mrs. Jimmy Seaton, and Gary Eubanks, son of Mr. and Mrs. Hoyt Eubanks, from the fourth grade. Maryellen Thompson as graduation escorted Louvenia Williams, daughter of Mr. and Mrs. G. E. Williams, and Denny Thompson, son of Mr. and Mrs. Denton Thompson, from grade five. Madalyn Schumman as a June bride escorted Gail Robinson, daughter of Mr. and Mrs. James Robinson, and Harroll Redwine, son of Mr.

and Mrs. J. C. Redwine, from grade six.

Loreta Bean as July 4th escorted Wanda Bean, daughter of Mr. and Mrs. John Bean, and John Agee Jr., son of Mr. and Mrs. John Agee Sr., for the seventh grade. Wanda Steinbock, dressed as fall, escorted Judy Brown, daughter of Mr. and Mrs. F. L. Brown, and Jerry Don Glover, son of Mr. and Mrs. Charles Glover, from the eighth grade. Glenda Robinson as school days escorted Maudine Barnes, daughter of Mr. and Mrs. Wesley Barnes, and Clyde Redwine, son of Mr. and Mrs. J. C. Redwine, for grade nine. Jeanelle Floyd as Halloween escorted Sharon Thorn, daughter of Mr. and Mrs. Garvin Thorn, and Dean Watkins, son of Mr. and Mrs. Claude Watkins, for the sophomore class.

Carolyn Hinkson as a pilgrim escorted Patsy Cox, daughter of Mr. and Mrs. Ralph Cox, and Ronnie Ivy, son of Mr. and Mrs. Jimmy Ivy, for the junior class. Janice Oliver as Christmas escorted Joy Smith and Andy Fuqua for the seniors. It was then revealed that Linda Ashford and Larry Davis were queen and king from the first six grades. Judy Brown and Jerry Don Glover were queen and king from junior high and Joy Smith and Andy Fuqua were queen and king of Lazbuddie High School.

The school faculty and students wish to thank the patrons for their cooperation and support for making the festival a success.

W. M. U. MEETS

The W. M. U. of the Baptist church met on Monday afternoon for fifth Monday Bible review with Mrs. C. K. Roberts in charge of the discussion. After the Bible study, a short business session was held with Mrs. A. E. Redwine in charge. Those present were Mmes. Carrie Withrow, L. B. Hambright, F. W. Greene, Abe Mallouf, J. C. Redwine, A. E. Redwine, Bert Gordon, Claude Heath, Jimmy Ivy, Roger Buckmaster, Buster Jones, and C. K. Roberts.

Longhorns Edged 14-13 By Hart Eleven

In a thrilling game Friday night, Hart defeated the Longhorns by a score of 14-13. Hart scored in the first quarter and made the extra point. Both teams were scoreless in the second period. Roy Vanlandingham made a touchdown for the Longhorns in the third period but the Longhorns failed to make the extra point.

Hart was held scoreless in the third period, but, in the final quarter, both teams scored a touchdown and both made extra points. The final score Hart 14, Lazbuddie 13.

The Longhorns will play Bovina Friday night at Bovina. This is a conference game. It is close to home. Let's support our boys!

Max Horsley Has Birthday Party

Max Horsley, son of Mr. and Mrs. Douglas Horsley, was honored on his eighth birthday with a party in his parents' home, November 4.

The group enjoyed playing different games, and after the play period, birthday cake and punch were served to the guests. Those present were Johnny Embry, Ronald and Linda Ashford, Roger Burhman, Lee and Carolyn Embry, Maudie and Benny Stancell, Jean Horsley, Darrell, Buddy, and Elaine Embry.

Parents attending were Mr. and Mrs. Joe Embry, Mr. and Mrs. Jessie Stancell, Mr. and Mrs. Chub Embry, and Max's grandparents, Mr. and Mrs. R. G. Horsley of Muleshoe.

In Corpus Christi

Rev. and Mrs. C. K. Roberts left last Thursday to attend the General Baptist Convention of Texas in Corpus Christi. On the way there they visited in Coleman with Mr. and Mrs. Luther Ham. They also visited their daughter and family, Mr. and Mrs. Truman Taylor and children, in Houston,

before going to Corpus Christi on Sunday for the opening of the W. M. U. convention on Monday morning.

Mr. and Mrs. Wesley Barnes and Junior and Mrs. Dixie Barnes are in Corpus Christi this week visiting Mr. and Mrs. J. S. Menefee and children and attending the Baptist Convention.

Mrs. Claude Heath visited in House, N. M., last Thursday night and Friday with Rev. and Mrs. Harvey Hudnall and children.

Miss Nealy Mace Steinbock of ENMU, Portales, spent the weekend with her parents, Mr. and Mrs. Shorty Steinbock.

Mr. and Mrs. Joe Cox and baby daughter of Farwell spent the weekend with her parents, Mr. and Mrs. Juel Treider.

Dr. Ivylo Bishop of Plainview spoke at the Baptist Church for both services Sunday in the absence of C. K. Roberts, pastor.

To Honor Teachers At Supper

The Lazbuddie W. M. U. met at the Baptist Church on Monday for the monthly business meeting and social. Mrs. A. E. Redwine presided at the business session. Reports from committee chairmen were heard and plans were made for the annual Thanksgiving supper to be held on November 21. The teachers in the school system will be honored at the supper.

Hostesses for the social hour were Mrs. A. E. Redwine and Mrs. L. B. Hambright. Those attending were Mesdames Earl Peterson and Junior, George Washington and Lana, F. W. Greene, Claud Heath, Buster Jones, Jimmy Ivy, Ira Wimberly, Carrie Withrow, Harold DeLoach, Abe Mallouf, S. E. Williams, L. B. Hambright, A. E. Redwine, Raymond Houston, and Bert Gordon.

The Lazbuddie school system will be dismissed for Thanksgiving Wednesday evening, November 28, and students will return to school on Monday, December 3.

Miss Geline Carrell of Lubbock visited her parents, Mr. and Mrs. Thomas Carrell, on Sunday.

Mr. and Mrs. John Agee and Rosemary spent the weekend in Oklahoma City, Okla., visiting her mother, Mrs. Mary Henderson.

Mrs. Luther Ham is still in the hospital at Coleman, but Mr. Ham reported the first of the week that she was slowly improving and is now able to read the letters and cards from her friends.

HAVE PARTY

The junior department of the Baptist church was entertained with a Halloween party in the home of Mr. and Mrs. Earl Peterson on Monday night. The house

was decorated with witches, black cats, and pumpkins. The guests were greeted at the door by a ghost. After playing Halloween games, refreshments of hot chocolate, cookies, apples, and jelly beans were served to about 33 guests.

One of the nicest "treats" we know of, in observance of Halloween, was the huge carmel-coated apple that was delivered to our door on the morning of October 31. It was not for us, it was for the oldest little Graham and his eyes were big as saucers when he realized that the present was for him. So we all enjoyed the surprise by watching his reaction. The thoughtful person who took time out from her busy schedule

to treat all the small-fry in her neighborhood was Mrs. M. F. Green. That isn't all, we'd love to have her recipe—those were the most perfectly coated apples we've ever seen.

If you don't think Texico-Farwell and surrounding area, produces some talented young people, you should have seen "Swanee", the musical production presented by students of ENMU Saturday night.

We nearly popped our buttons every time we spotted another of our home kids. We didn't have a program to aid us, but we recognized Bobby Richardson, who has always impressed us with her beautiful voice. Bobby was in the very effective chorus. Darlene Van Winkle, the former Darlene Sprawls, was in a quartet, an excellent one we might add.

Then there was Howard Jenkins of Lariat, who made us proud as punch with his specialty number. And Carolyn Cantrell added us to her list of fans with her part in a four vocalist specialty number.

The entire show was grand, but the stars were all from our communities, strangely enough. We could be slightly prejudiced too.

Band and Football Queens Crowned

In a pre-game ceremony at Steer Stadium in Farwell last Friday night, Miss Marian Smith, senior, was crowned football sweetheart of Farwell High School.

The Farwell Band, under the direction of Mrs. Erma Jobes, played while representatives of each high school class and their escorts

marched to the center of the field. Contestants and their escorts were Martha Blair and Joe Hughes, freshmen; Wilma Norton and Johnny Lovelace, sophomores; Naomi Hubbell and Mitchell Walls, juniors; and Marian Smith and Jerry Dee Owens, seniors. David Willard, who is co-captain along with Owens, also participated in the coronation.

The queen was presented with a large bouquet of chrysanthemums and she and her attendants were escorted to a special section of the bleachers where they sat during the game.

Doris Harriman was recognized as sweetheart of the band in a half-time presentation by the band. Band captain, Johnny McCuan, escorted Miss Harriman to the center of a heart formed by the band where she was crowned and presented with a gift from the band. The band played "I'll See You in My Dreams". Johnny Lovelace, the other band sweetheart, did not participate in the coronation ceremony, but was presented a gift from the organization after the game.

Texico Woman's Club To Visit in Portales

Members of the recently organized Texico Woman's Club will be guests, along with other Women's Clubs, at a meeting of the Portales Woman's Club on Wednesday afternoon, November 14. Guest speaker for the meeting will be Mrs. J. Howard Hodge, past president of the Texas Federation of Women's Clubs, whose subject will be "Public Affairs are Personal Affairs". Mrs. Hodge is now an officer in the general Federation of Women's Clubs.

Members of the local club will go in a caravan to Portales. Mrs. Fred Danforth, president of the local organization, requests that as many members who can, attend the meeting.

Last week the Club received a letter from Mrs. C. E. Davis, 3rd District president from Hobbs, welcoming the Texico Club into the Federation. Total membership in the Club now is 25. New members joining the Club this week are Mrs. Ronny Ferguson and Mrs. Les Means.

Mrs. Danforth wishes to express her appreciation to the Texico City Commission and the Fire Department for the use of the fire hall for their coffee sale and cake walk on election day.

Rainbow Girls Have Regular Business

Regular meeting of the Bovina Assembly of the Order of Rainbow for Girls was held in Bovina on Monday night with Miss Fern Tipton, Worthy Advisor, in charge.

Routine business was attended to and plans for a Christmas banquet were discussed. Definite plans concerning the banquet will be announced later, says Miss Tipton.

A guest of the Assembly for the meeting was Miss Billie Burgess of Farwell.

December 17 has been set as the night for initiation, according to the Worthy Advisor. She urges that all members of the Assembly make plans to attend this December 17th meeting.

Minnie Medley Wed To Johnny Fleming

Miss Minnie Medley, daughter of Mrs. and Mrs. G. L. Medley of Farwell, and Airman Second Class Johnny Fleming, son of Mrs. Veda Fleming of near New Orleans, La. were united in marriage in a simple, informal ceremony at the home of her sister and brother-in-law, Mr. and Mrs. Lee Nutt, in Clovis on Saturday morning, November

3, at 10:30. Ernest Highers, a Church of Christ Minister, performed the double ring ceremony. Attending the couple were the bride's sister, Mrs. Lee Nutt, and her brother, Bill Medley.

Lutheran Ladies Meet Thursday

Regular meeting of the Lutheran Ladies Missionary League of St. John's Lutheran Church of Lariat was held Thursday afternoon, November 1, at the Parish Hall.

The meeting was opened by the group singing a hymn. This was followed by scripture reading and prayer. Rev. Gene Oesch, pastor of the church, then led the group in the study of "Social Customs and Family Life of Bible Times".

Roll call was answered and after the minutes of the previous meeting were read, the treasurer's report was given.

During a business session the group voted to give the proceeds of their first rummage sale to the overseas food program. They then voted to have another rummage sale which was held Saturday, November 3, in Muleshoe. Proceeds from this sale are to be kept in the local treasury. The group will sponsor a handiwork sale on December 4 at Bass Appliance Store in Muleshoe.

Mrs. Gilbert Kaltwasser was appointed head of a committee in charge of arrangements for a Thanksgiving supper to be featured on family night at the church on Sunday, November 18.

At the close of the business session, officers for the new term were elected. Chosen as president of the organization was Mrs. Adolph Haseloff. Vice-president is Mrs. Walter Kaltwasser; secretary, Mrs. Otto Lingnau; and treasurer, Mrs. Ben Kube.

Misses Billie Fay Heckman and Dixie Turner were business visitors in Amarillo on Saturday.

Their two sons, Robert and Tommy, are staying with Mr. and Mrs. Jim Terrell and family while their parents are away.

In Kermit

Mr. and Mrs. John Rea were in Kermit during the weekend to visit with her sister, Mrs. Glenn Hinkle. Mr. and Mrs. Rea went to Kermit Friday and returned to Farwell on Sunday afternoon.

Miss Betty Routon Weds Doyle Ramage

Miss Betty Evelyn Routon, daughter of Mr. and Mrs. Earl Routon of the Oklahoma Lane community, became the bride of Herbert Doyle Ramage, son of Mr. and Mrs. C. W. Ramage of Muleshoe, on Thursday evening, November 1, at 7 o'clock.

The quiet, informal ceremony was performed at the First Baptist Church of Clovis with Rev. Irving Looney, pastor of the Oklahoma Lane Baptist Church, officiating.

The bride was given in marriage by her father. She wore a street length dress of pale blue styled with a sweetheart neckline, princess bodice with tiny buttons down the front and a full skirt gathered at the hip line on each side.

Her accessories included a beige hat with a small veil and bronze shoes and bag. She carried an arrangement of white flowers atop a white Bible. The Bible belonged to the bride's sister, Carolyn, and was used as "something borrowed". Something old and blue was a handkerchief belonging to her sister, Faye. Her wedding ensemble was something new.

Mrs. Routon chose a dress of turquoise with dark brown accessories for her daughter's wedding and Mrs. Ramage wore a gray suit with black accessories. Mrs. Routon and Mrs. Ramage both wore corsages of white carnations.

Only members of the immediate families and close friends attended

Farmerettes Make Plans For Supper

Discussion of the Club's annual Thanksgiving supper was held at the regular monthly meeting of the Farmerettes Club held Tuesday, October 30, at the home of Mrs. James Roach.

Tentative plans are for the supper to be held on Friday evening, November 23. President of the organization, Mrs. Louise Christian, appointed the following committees to make further plans for the supper: Mrs. Delbert Garner and Mrs. Jimmy McGuire, program committee; and Mrs. James Roach and Mrs. Wendol Christian, arrangements committee.

After the meeting, the hostess served refreshments of pops and cake to Mesdames Fred Bolton, Jimmy McGuire, Leon Grissom and Pam, Donald Watkins, Wendol Christian, B. J. Foster and Bill Meeks.

Next meeting of the group will be held at the home of Mrs. Melvin Sudderth.

Returns Home

Rev. Tommy Kersey returned to his home Saturday, November 3, after having been confined to Northwest Texas Hospital in Amarillo for over a week. Kersey had been receiving treatment for a broken leg which occurred in an accident on his farm. Kersey says he is happy to be at home and is resting well.

Mrs. Foster Is Shower Honoree

Mrs. Wayne Foster was honored Thursday afternoon, November 1, with a pink and blue shower in Fellowship Hall of the Oklahoma Lane Methodist Church. Members of the Ruth Circle of the WSCS were hostesses for the courtesy.

Mrs. Vernon C. Willard and Mrs. James Roach directed games before the gifts were opened and displayed.

Refreshments of cupcakes and punch were served to the following guests: Mesdames W. P. Shelley, Weldon Rundell and Gwendolyn, Lee Jones, J. D. White, R. E. Blankenship, Ruth Ann and Lynn, G. R. White, Claud Primrose, T. L. Kent, Curtis Jones, V. E. Willard, E. W. McGuire, Homer Foster, M. G. Rundell and daughters, James Roach, Vernon C. Willard and Terrie;

Also, Mesdames Wendol Christian and Loy Beth, Troy Christian, Donald Christian and Trummie, Robert Rundell, W. H. Montgomery, C. C. Christian, Fred Bolton and Melborn Jones and sons.

Sending gifts but unable to attend were Mesdames Alvin Mace, Everette Christian, John McFarland, Durb Kittrell, Floyd Embry, Buddy Jones, Vernon Symcox, Sam White, Shortie Milstead, Lon Carpenter, Sam Billingsley, L. D.

Rundell, Owen Patton, L. M. Grissom and Lola, E. W. McGuire and Condy Jones.

From Hospital

Dan Routon returned home Wednesday, October 31, from St. Anthony's Hospital in Amarillo where he recently underwent eye surgery. Routon is recuperating nicely at the present time, and will soon return to Amarillo for a checkup.

Hostess To Party

Mrs. Jack Roach was hostess to a party at her home on Thursday afternoon, November 1. Present for the gathering were Mesdames Fred O'Hair, Bernard Nelson, Henry Wilkerson, P. A. Lance, E. H. Meeks, Lloyd Gober, Mable Newberry, Jack Morrison, Levi Johnson, Lora Brown and Mrs. Singletery. Mrs. Roach served refreshments of chocolate cake and punch.

BAPTIST CHURCH NEWS

Sunday School attendance for November 4 was 105. Training Union attendance was 77. Rev. Edwin McAnear, manager of the Baptist Book Store in Lubbock, was guest speaker for both services in the absence of Rev. Looney, pastor, who is attending the Baptist State Convention in Corpus Christi this week. Mrs. McAnear presented special music at the morning worship service by singing "Satisfied with Jesus". Jan Mason sang a solo at the evening service and was accompanied at the piano by her sister, Brenda.

Royal Ambassadors met with their counselor, Harold Carpenter, at the church on Monday afternoon. The afternoon's program was taken from the Royal Ambassador magazine.

Meeting Posted

Regular meeting of the Knick-Knack Club has been postponed from Thursday, November 15, to Friday, November 16. The meeting will be held at the home of Mrs. Lora Brown and all members are urgently requested to be present. Important business will be discussed and plans will be made for the Club's Thanksgiving supper and the Christmas party.

Mrs. Waldo Cox of Farwell visited in the home of Mr. and Mrs. Bryan Blevins on Sunday afternoon.

Mr. and Mrs. Lee Mason and daughters visited Sunday afternoon in the home of Mr. and Mrs. Bernard Nelson.

Mr. and Mrs. V. O. Busby of Earth visited recently in the Delbert Garner home.

Mr. and Mrs. Paul Young and family of Floydada spent the weekend in the home of Mr. and Mrs. E. H. Young.

Ruby Parker Circle of the Oklahoma Lane WMU met this week in the home of Mrs. Bobby Finley. Mrs. Jack Roach presented the devotional and used St. John 3 as her guide. Community missions day was observed by the group, and shut-ins in the neighborhood were visited by the group after their meeting.

Farwell Juniors Whip Morton 38-0

Farwell's junior footballers ran wild and romped to a 38-0 victory over the visiting Morton eleven Tuesday night in a non-conference game which ended the season for the locals.

Farwell wound up second in their conference, with Springlake taking first place honors in this bracket.

Farwell started the ball rolling in Tuesday's tussle after Morton kicked. Not many minutes later, Farwell had racked up four first downs and Carroll Huggins had made his way across the double stripes for the first score of the evening. Extra point try was no good to leave the score at 6-0.

Morton made one first down while they had possession, then had a fumble recovered by the hosts. Early in the second period, with fourth down and 10 to go, Huggins faked a kick, then ran 12 yards to move the chain.

Morton recovered a fumble and made a first down. Bill Owens was instrumental in throwing the next Morton carrier for a six yard loss. Farwell's line held, and Morton was forced to punt. Another fumble by the locals and Morton was in possession again.

Huggins then intercepted a pass and ran 65 yards to pay dirt and the second home team score. Tommie Williams ran the extra point across to give Farwell a 13-0 lead.

Morton was forced to kick after three downs from scrimmage and a bad kick which bounced back into Morton territory set up another Farwell TD. Huggins was the man again as he drove about 40 yards for the count. A pass from Tommie Williams to J. F. Mount added the extra point.

Farwell recovered another fumble soon after the third quarter opened. Farwell was then forced to kick.

Another series of downs and Morton kicked. After a punt return to the Morton 45, Huggins went the rest of the way for a tally on first down to make the

score 26-0. Extra point kick was low.

Tommie Williams counted for the next Farwell TD. Williams was into the Morton backfield as the play was taking shape, and as both teams were wearing light colored jerseys, the Morton man under handed off to Williams who ran for a touchdown. Extra point kick was no good, leaving the score at 32-0.

Farwell then kicked to Morton who fumbled on their first down. Farwell recovered and made two first downs. Benjy Dial then crossed pay dirt for the final score of the evening to wind up the scoring at 38-0.

Morton held the ball for two plays, one to the Farwell 28. As the game ended, Farwell recovered a miscue.

Prior to the junior game, the local seventh graders suffered a 6-0 defeat at the hands of the Morton seventh graders.

Between games, Bill Owens was crowned junior high football hero with members of the junior high pep club participating in the coronation.

HUNTER RETURNS

E. R. "Weedy" Coffman returned last Wednesday from Mitchell, S. Dak., where he enjoyed pheasant hunting for five days. Accompanying Coffman on the hunt was Garvin Thorn of the Lazbuddie community. Thorn remained at Mitchell to complete the nine day season. Coffman reports that he had good luck.

Farwell Juniors To Present Play

Farwell juniors, under the direction of A. D. Daniel, will present "It's A Girl," a comedy in three acts at the school auditorium on Tuesday evening, November 20.

Admission for the presentation will be 50 and 25 cents. Everyone is urged to attend.

Characters who are working in nightly rehearsals for the play include Larry Pike as the father; Katherine Pullam as the mother; Jerry Turner as their 13-year-old son; Martha Smith as their 16-year-

old daughter; Leon Jamison as their son who is a college student; Naomi Hubbell as a girl he brings home from college;

Also Mitchell Walls as the 16 year old daughter's beau; Fern Tipton as the college son's girl friend; Truman McKillip as an elderly neighbor of the family; and Duane Herrington as the neighbor's son.

Lincoln was assassinated at Ford's theatre while attending a play entitled "Our American Cousin."

Six FB Delegates To State Meeting

Six voting delegates from Parmer County Farm Bureau will leave for Houston Saturday afternoon to attend the 23rd annual Texas Farm Bureau Convention in the Rice Hotel, November 11, to 14. The delegates are Gilbert Kaltwasser, Harry Hamilton, Roy V. Miller, Jack Patterson, Walter Schueler and M. T. Glascock.

Service agents Raymond Euler and Aubra Ellison are also going. Three wives are accompanying their husbands on the trip. They are Mrs. Gilbert Kaltwasser, Mrs. Walter Schueler and Mrs. Harry Hamilton.

The delegates are going with instructions to support resolutions voted by the membership in annual convention in Bovina September 24. Subjects up for consideration at the convention pertain to a proposed water development program for Texas, the Texas right to work laws, noxious weeds in feed grains, the national farm program, minimum parity supports on non-basic commodities, reduction of state cotton acreage reserve, segregation in schools, and consideration of a state sales tax to replace the present school tax system, and many others.

Parmer County is entitled to six voting delegates, based on a membership on October 31 of 628 members currently in good standing. Mr. and Mrs. Garland Smith (Cotton John) will be in attendance this year as guests of Farm Bureau districts one and two of West Texas.

Boling FHA Supervisor For Parmer County

Bill Boling is the new FHA supervisor of Parmer County. He replaces Walter Johnson of Hereford, who formerly oversaw Parmer-Deaf Smith offices.

Parmer County has been considered a separate and permanent FHA office since September 10.

Boling moved here Saturday from Perryton, where he was assistant supervisor of the Ochiltree County office. He and his wife and family are now residing in Texico. Bolings have two children: Cheryl, 4, and Johnny, 1.

John Zahn will continue in the FHA office in Farwell as assistant emergency loan supervisor.

Boling, who started his new duties Monday of this week, is familiar with Parmer County. From July of 1954 until October of 1955, he served in the capacity now held by Zahn.

THE PARMER FARMER

Sorghum alnum, the new drought-resistant, tall grass that resembles sudan and Johnson grass in appearance at least, is still making headlines in farm publications and newspapers across the country.

From indications we noticed earlier in the season, the soil and climatic conditions of Parmer County are very favorable for production of this new crop, and especially for seed purposes.

If the drought hangs on and the news of sorghum alnum continues to spread in the dryland areas all four directions from here, the irrigated Plains should be in a very good position to produce abundant seed. The price, of course, depends on the demand. So far, prospects appear good.

We happened by the Wells farm a little north of Friona the other day and remembered to look at where some of the tall grass had been raised this year. This crop had been raised for its seed, primarily, but we noticed that a binder was in the field, and apparently the forage is being put to good use.

Like dual-purpose cattle, dual-purpose crops enhance the profit picture.

The harvest continues to amaze us. It certainly is different from last year. The long lines of trucks that were in front of almost all the area elevators just a year ago have not materialized yet.

Mechanization and improved roads has done a lot to increase the tendency of a crop to "rush in" from all points at a simultaneous moment. However, this year's harvest is even and unhurried, compared to the past two years.

Is the weather really getting milder?

Evidence continues to accumulate that would indicate this is so. Species of animals that formerly had the southernmost parts of the country as their only habitation are now migrating northward.

The change of just a very few degrees in the average temperature of the northern hemisphere would bring about great changes, say the climatologists.

Even a slight warming would increase the melting of the polar ice cap to such an extent that the level of the great oceans that lap our shores would rise several feet. That event, in the case of many harbor cities, would be catastrophic.

More and more, as time goes on, it seems that we are less affected by the great natural and man-made forces in the world than any other place we know of. Isolation in this sense, then, could some day be a real blessing to the Plains.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

This is a continuation of our article of last week on what Soil Conservation Districts are.

Erosion has a chain of reactions. Soil washes off a field and finally piles up in a reservoir behind a man-made dam. A gully creeps up the slope without regard to fences, property lines, county lines, or state lines. Dust from a bare field buries a neighbor's wheat. Water rushes off over-grazed pastures to flood the land and towns below.

The only American answer to these problems is for people to cooperate in their solution. The machinery for such cooperation is a soil conservation district.

The wording of the laws permitting the formation of soil conservation districts varies from state to state. But the state laws do follow a general pattern. The administration of the laws is in the hands of state committees, boards, or commissions. The men who make up these committees are usually state agricultural department heads, or active farmers or ranchers, or both. They receive no federal funds nor are they under any form of federal control.

Soil conservation districts are governed by local citizens. The members of the governing bodies are called supervisors in Texas. Generally, supervisors donate their time and pay their own expenses. They are not on the federal payroll.

Most state laws provide that each soil conservation district shall have five supervisors, as does Texas. The supervisors must be local citizens and must also be active landowning farmers or ranchers.

Through their district governing body, local people formulate their own soil conservation program.

This governing body directs the activities of the district. It also coordinates the conservation efforts of various state and federal agencies and other organizations. Where funds permit district-owned equipment, as in Texas, the governing body controls the use of it. The governing body also handles the district money and signs the checks.

In brief, soil conservation districts are a true example of local self-government. The people of a community join together voluntarily and legally to solve their own problems in their own way.

Taken from: "The Why, What and How of Soil Conservation Districts."

Several predictions have been made in recent years about how swine and cattle will once again return to the pasture and feedlot of the farms of the irrigated plains.

To a certain extent, some of these predictions have come true, but the change has been slow indeed. We still are predominantly an area of "land" farmers, where the plow and the irrigation well rule supreme. The world-known agricultural combination of the cow, sow, and hen still isn't often to be found hereabouts.

In cases where cattle feeding has been re-introduced, we have noticed a tendency to specialize. That is, rather than be a farmer-stockman, we will see either farmer or stockman. The rural resident with dual interests is gradually declining.

Ex-County Agent Honored at Meeting

Ollie Limer, Hale County Agricultural agent, was one of six Texas agricultural agents to receive Distinguished Service Awards at the National Association of County Agricultural Agents annual meeting last week.

The meeting, which was held at Houston, was the first national meeting of the organization to be held in Texas. The Texas agents receiving the awards were the largest number from any state to be so recognized.

Each recipient of the Distinguished Service Award has been an employee of the Texas Agricultural Extension Service for 10 years or more and all have made many outstanding contributions to agriculture and improved rural living during their tenure of service.

Limer was county agricultural agent of Parmer County before moving to Plainview.

THE HAPPY HOMEMAKER

This afternoon we had the pleasure of watching a new combination washer and dryer work. A factory representative had charge of the demonstration at a county hardware store. As the clothes were being washed and dried, the man explained the various phases of the operation.

As we sat and watched, we wondered why he was going to such great lengths to point out the advantages of such a machine over the conventional type machine. He had a good point to bring up for just about any criticism which could be offered.

We left with the conclusion that homemakers would just have to be educated to accept the advantages of automatic laundering. Not too many years ago a lot of homemakers would not buy washing machines because they thought there was no way to clean clothes except by the iron pot, wash board, lye soap method. Maybe that is our attitude toward the automatic machines.

our regular job that should not be taken. Someone once said, "If you want something done, ask a busy woman to do it. Those who are not busy do not have time."

One homemaker with whom we talked last week said, "I just have five nights a week filled with club work, Cub Scout activities, and other things. Beginning the first of the year I am going to drop some of them so I will have some time at home." Maybe in the not too far distant future someone will start a movement to get the homemakers back in the home.

It has been a long time since we heard a man complain that his wife stayed too close to home to keep up with what was going on in the community. Seems like one extreme follows another.

"The Place Where Most People Trade"

WEDNESDAY, NOVEMBER 7, 1956

We will be expecting you to come see the new Oldsmobile on display at Parmer County Implement Friday, November 9. Oldsmobile for '57 is completely and beautifully new, all the way through. In fact, it introduces more product changes than have ever been made in any year for the past two decades. For 1957, Oldsmobile offers extra comfort, extra convenience and extra safety—plus Rocket performance at its liveliest. There's nothing like a Rocket for quick, responsive action—for a wealthy reserve of power through every driving range—for cruising speed economy. More than ever, the Rocket puts the accent on your kind of performance.

Farming is such a gamble—it's too hot or too cold, or too wet or too dry—that many farmers are a bit inclined to be pessimistic. Of one such, it is related that a friend was visiting the place and looking out over a wonderful field of corn, remarked:

"Just look at those stalks—higher than a man's head and six fine ears of corn to every stalk."

"Yes," the farmer conceded, with unsmiling face, "But a crop like that sure does pull on my land."

GOOD PRACTICE

Floyd Crume, work unit conservationist for the Parmer County SCD, inspects a field east of Bovina. This is a good example of utilizing crop residue, says Crume. The stubble had been cut with a stalk cutter and then was disced into the soil.

Use That Stubble, Advise SCS Men

Some farmers may be overlooking a good method of helping sustain production on their farms—especially under irrigated conditions—according to the Parmer County Soil Conservation Service.

This can be done by using the grain stubble as a soil conditioner; that is, chopping it into the top few inches of the soil, points out Floyd Crume, SCS conservationist. Stubble handled in this manner serves two purposes, he says. It decreases wind erosion, and it increases the ability of the soil to absorb moisture (both irrigation water and rainfall) during the fall and winter months.

In order for the stubble to be sufficiently decomposed, and to keep the soil in good condition, a high nitrogen-type fertilizer should

be applied to the mulched-in stubble, advises Crume.

After making representative clippings of some of the fields of the Parmer County Soil Conservation District, SCS technicians conclude that there are about two pounds of stubble left in the field for each pound of grain harvested.

In other words, if a farmer cuts 3,000 pounds of grain per acre, he should have around 6,000 pounds of stubble per acre left in his field.

Crume points out that by figuring that it takes about 20 pounds of high-nitrogen fertilizer to decompose a ton of stubble, a farmer can arrive at the amount of fertilizer that he needs to apply.

Also, he should have a soil analysis run to determine the amount of available nitrogen already present in the soil, suggest the SCS technicians.

FIGURE SERVINGS PER POUND WHEN YOU BUY BEEF

To select the best beef buy for the food budget, figure the number of servings from each pound to find the actual cost of the various cuts. Servings determine the actual cost, according to the extension foods and nutrition specialists.

One beef cut may cost more per pound than another cut, but in the end will give more servings per pound and at a lower cost per serving than the cheaper cut.

Pay particular attention to appearance of the meat. High quality beef has certain characteristics that indicate top grade, including a large amount of meat in relation to bone, a fairly thick coating of firm, creamy-white fat, lean that is firm and fine-textured, a fair amount of marbling (little streaks of fat intermingled with the lean),

Twenty one state Farm Bureaus had already exceeded their 1955 membership on September 30. This is two months before the end of the fiscal year. We are happy to report that Texas Farm Bureau is one of the 21. We are sorry to report that it is not the highest in membership in the nation. It should be.

If you didn't vote Tuesday it surely wasn't because it slipped your mind. Boy Scouts probably did as much as any other organization to get you to come out and say what you thought where it counts, at the polls. And we don't remember hearing as much encouragement from so many radio programs. We hope you voted and that you have paid your poll tax so you can vote in 1957, too.

We doubt that Senator Joseph W. Bailey seriously thought it could happen when he said on the Texas senate floor in 1912: "I suppose the time will come when we will contrive some way to pension the taxpayer. Just exactly how a system for that can be devised is past my comprehension. But with modern legislative legerdemain I have no doubt a way will be devised to make everybody support everybody else without anybody working for himself or for others." The quote was printed in the Texas

Tax Journal.

Farmer's Union To Elect Officers

There will be a meeting of the Farmer's Union at the Friona school cafeteria Tuesday evening, November 20, at 8 p.m. All farmers who are interested in the activities of this organization are urged to attend by W. L. Edelman, president.

New officers will be elected, an annual report will be given, and delegates to the state convention will be named. The organization hopes to have a good representation at the state convention which will be held in Abilene December 7 and 8.

and red porous bones. Lower grades of beef have less fat and the fat is yellowish in color. The texture of the lean is coarser than top-grade lean. Often this beef has a duller appearance to the flesh than higher grade beef.

Here is a good recipe using ground beef that you might like to try.

MEAT-POTATO BURGERS
¾ pound chopped raw beef
¾ cup chopped or coarsely grated raw potato
¼ cup chopped or grated onion
2 tablespoons chopped green pepper
1 teaspoon salt
1 egg
Drippings or other fat or oil
1 cup tomato juice or puree
1 tablespoon flour
Mix all ingredients except fat, tomato juice, and flour. Form into 4 or 5 flat cakes.
Brown the cakes on both sides in fat or oil in a fry pan. Add tomato juice, cover, and simmer slowly until done, about 25 minutes.
Remove cakes and keep them hot. Mix flour with a little water and stir slowly into the liquid in the pan. Cook until thickened, stirring occasionally. Serve this sauce with the cakes.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Here is an easy way for some of you ladies to increase your Christmas shopping purse: Come in and file for refund of the five cent state tax paid on the gasoline used for farming. That is five dollars for each hundred gallons of gasoline. Several farmers still allow some of their invoices to expire for exemption, even after they have received a notice 30 or so days before the expiration date. So you ladies can help balance the budget by coming in and filing as soon as you receive the card headed, "Important Notice." All you need to bring with you is the affidavit received with your last refund check. If it is your first claim, we will furnish the affidavit.

Rhea Farm Bureau had Cecil McNeil, safety officer of the State Highway Patrol, at their monthly meeting Friday night. He spoke and showed a film on traffic safety. Mrs. F. T. Schlenker arranged for the timely program.

is 166 pounds. Average weights of the Steer line is 156.

Another advantage held by Sudan team will be the home-field edge. Playing before a friendly crowd is always a help.

Farwell Coach Russell Young had little comment on the game other than saying his team would have to improve on past mistakes if it were to win.

Just what the outcome will be will not be known until Friday night, but with Sudan only 35 miles away, indications are that there will be a good representation of Farwell fans on hand to find out.

GOC To Re-Organize At Meeting Tonight

Texico-Farwell's Ground Observer Corps will have a special meeting tonight at the Farwell City Hall. The purpose of the meeting is to re-organize in order that members may become more familiar with the requirements of the post, says Wilfred Quicke, post supervisor.

This meeting and future meetings will consist of instruction to provide a trained nucleus for the post in the advent of a national emergency.

To man a GOC post in a national emergency, 84 volunteers are needed. Anyone from 12 to 112 is eligible to join the local organization, say local members.

John R. Armstrong is chief observer and is in charge of instruction. To be elected at tonight's meeting will be a recording secretary and a reporter.

Fire Damages Home Of R. T. Jenkins

A fire at the R. T. Jenkins home in Lariat Saturday afternoon resulted in considerable damage. The Texico-Farwell Fire Department was called to the scene but the fire had been extinguished by the time the truck arrived.

Damage from the fire included the gutting of one entire room. Destroyed was the furniture, a rug, and the walls, according to Mrs. Jenkins.

Mrs. Jenkins was alone in the house at the time of the fire. She says she had left the room, only five minutes before, closing the door behind her and had gone upstairs. The fact that the door to the room was closed is the only

Steers In Big Test of Season
(Continued from Page 1)

Steer offense will have to click and improve on past mistakes. It is certain that fumbles, rule infractions, and such, will be costly against the Hornets.

To date, Sudan has a 6-2 record, their two losses to Sundown and Muleshoe. They hold wins over Morton, Springlake, Friona, Seagraves, Amherst and Denver City.

The Sudan team, playing its last regular season game, will have the Steers on experience and they will also have a heavier line. The squad is composed of nine seniors and the average weight in the Hornet line

ed off a teammate's back, into the hand of Berry who went all the way in what looked to be the first Steer touchdown.

An official, thinking the ball went incomplete when Willard bobbled it, blew his whistle causing part of the Eunice defense to stop play. The ball was then brought back to the 30, where the officials ruled the completion had been made. On the very next play Lovelace hit Berry for the score. Lovelace also kicked the extra point.

The Steers' second score also came after a touchdown had been called back. T. Lovelace went 13 yards for a score, only to have it nullified by a backfield in motion penalty. From the 18 then, Willard scampered around end to score. Again, J. Lovelace's kick split the uprights to make the halftime score 14-0.

As the second half got underway, the Steers took the kickoff, and in four plays marched 62 yards for their third touchdown of the night. T. Lovelace went 32 yards in three carries, before Willard went 30 yards for the score. The extra point kick was blocked.

Later in the same period, J. Lovelace, on a keeper, went over from the six. For the extra point

thing that saved the house, she says.

The entire lower section of the home was damaged by smoke, but the fire damage was confined to the one room. Cause of the fire is unknown but it was thought that a hose must have slipped loose from a butane stove, thus igniting and setting fire to the rug.

Estimated amount of the damage was not immediately known.

die reported election officials as saying it was by far the biggest vote ever there. Albert Smith of Farwell had like comments. At Rhea, all but two eligible persons cast their vote, which was probably the highest turn-out in the county.

At Friona, where 918 poll taxes were paid, 813 persons made their way to the ballot box to express their opinions in national and state affairs.

Minor candidates failed to develop any strength in the election. T. Coleman Andrews, on the Texas Constitution Party ticket in Texas, drew 15 votes in the county. He pulled six of these from conservative Farwell.

William R. Bryant, Republican nominee for governor, drew only 164 votes in Parmer County, but even this amount was sufficient to put him ahead of W. Lee O'Daniel, who polled 121. O'Daniel sought write-in.

Parmer County voters added eight patches to an already patched-up constitution as they endorsed every proposed amendment to the state charter. This was a surprising development, in view of the

Lovelace passed to Glyn McDorman in the end zone.

That completed Farwell's scoring for the night and reserves played much of the final quarter. The Cardinals lone score came in the final period, when Ronald Hoover intercepted a J. Lovelace lateral, racing 60 yards for the score. Lovelace, who was going around right end, and heading into several Eunice tacklers, attempted to pitch off to Christian when the interception occurred.

fact that only two of the eight changes had organized local backing.

One more amendment will be voted on next Tuesday. It will, if passed, result in additional state aid to persons permanently disabled "by reason of his mental or physical handicap."

Susan Levins, Texico, is among the finalists in the J. Sissom Show to be held at the Amarillo City Auditorium on Saturday, November 11, at 8 o'clock.

Talent from all over the Panhandle area will appear in this 20-act entertainment treat. Contestants are the winners of the weekly J. Sissom Show which has been on KFDD-TV for the past 18 weeks. The winner of this show will receive the grand prize of \$200 in cash, a trip to New York on a TWA Constellation and an audition for the Ted Mack Original Amateur Hour. Runners up will also receive valuable merchandise prizes. Winners will be determined by an electronic applause meter.

Sixteen Cases Tried In Texico JP Court

Sixteen cases were tried in Sam N. Lewis' justice of peace court in Texico during October. Fines ranged from \$10 to and including \$25, plus court costs.

The cases tried by Lewis included speeding, 12; no license plates, 1; violation of State Corporation laws, 2; and operating a vehicle without a driver's license, 1.

Two other cases, one for passing a worthless check and one for forgery are pending, awaiting return of warrants, Lewis reports. Also one case was heard in police magistrate court. A man was fined \$16.50 for drinking and creating a disturbance.

purposes, but it was hoped by the Woman's club that they could gain possession and start to work in the immediate future.

Other business by the commissioners included discussion on adopting the state traffic code for the city on misdemeanor violations. With the adoption of the code, violations can be tried in the Texico police magistrate court rather than justice of peace court.

Man Arrested Here Wanted for Theft

A man picked up in Texico Monday night, charged with drunkenness, has turned out to be a man wanted for theft of around \$5,000 in Gainesville. He is Bernard White, 40, and his home is listed as Gainesville.

White was arrested at a Texico motel by Curry County Deputy Sheriff Val Baumgart and State Policeman Bill Bullock.

The commission approved the transfer of the garbage hauling contract from Jones Brothers to F. E. Winegeart.

A letter was read indicating that the state would pay two-thirds of the cost of four blocks of paving in the city. The blocks approved are part of an alternate for state highway 101.

Other business was routine and present for the meeting were Scotty Levins, mayor; N. W. Peyton and Judge Stone, councilmen; Mrs. Juanita Autrey, clerk; Earl Hartley, city attorney; and Russell Johnson, water superintendent.
