

Grand and Petit Jury Lists Are Announced

Here comes a card that gives us a surprise. It's from Mrs. Zuella Cooke of San Diego. She says:

"In this week's Hopper you suggest that Farwell is 50 years old. Our family rolled into Farwell in a covered wagon August 18, 1906. Farwell was a nice little town then.

"If you talk to Uncle Tom Randol, or to Sam (Randol) and wife, you can get more information on Farwell prior to 1906. Mrs. Sam Randol's father was the first man we met in the Twin Cities whom we knew. We had known the Vaughan family in Comanche County, Texas.

"I am sure Farwell's age is past the 50th milestone, though I doubt if it is very much older than that. Check with the Randols, the Vaughans, Riley Boss, Mrs. Perry Owens Sr.—they should give you the correct dates."

This comment catches us off balance. A year or two ago we asked a lot of questions around the area and finally decided that Farwell became a town in 1906.

In checking with Uncle Tom, we find:

As best as he can remember, the Belen cutoff was run through Texico and Farwell in July of 1905, and that he doesn't think laying off of the town got started before the next year.

However, he cautions us that he needs to dig into some of his things in order to see if that would be correct. We'll do some more checking, too, and perhaps we can find out a little bit more about just when Farwell's birthday is.

Texico is older, of course, but Farwell is about 50, we'll bet. Perhaps a little older, perhaps a wee bit younger.

Something else: When do you consider a town "started"? We will have to decide on that, too.

Our favorite low-brow philosophy is found each month in "CAPS and lower case," a beautiful little house organ issued by Jagers-Chiles-Stovall of Dallas. They are typographers famous throughout the nation.

But their horse sense isn't anything to be sneezed at, either, and often we find ourselves wishing, "Why couldn't we have thought of that?" This month they point out that being on time is largely a habit.

We agree that this is probably so, but are offended by the way they chide certain kinds of people who make a habit of being on time—barely. We belong to that classification.

Caps says it is poor business to schedule to be somewhere at a given time and not make any allowances for unexpected delays that would throw a time schedule off its feet.

We will confess that we usually figure our deadlines down to a split minute, but would point out to the writer that we make a lot more than we miss. A flat, a phone call, a customer, or any number of small delays have in the past been responsible for our being a wee bit late.

But we'll lay dimes to dog-biscuits that the good writer of CAPS and lower case would be in the same rut we are if he happened to be in the weekly newspaper business. We continually gamble to save precious minutes.

No one knows a man like his neighbor does.

That being self-evident, we believe that you will be interested in knowing what the editors of the home-town papers of the presidential and vice-presidential candidates think of the men. F. Ward Just, editor of the Libertyville, Illinois, Independent-Register says:

Adlai Stevenson is regarded here as a fine cultured gentleman and by virtue of the high honor that has come to him as the Democratic nominee for the Presidency we think of him as our first citizen. But his ideas on government are not readily accepted in this Republican community.

Four years ago, Mr. Stevenson lost Libertyville, (Ill.) Township by three to one. It is my guess that he will do better this November but will still lose his home township by a substantial margin.

Mr. Stevenson is extremely popular among his neighbors and the society set in near by fashionable Lake Forest.

"We like Adlai," said one of his good friends, "but we don't vote for him."

Lake County in which Libertyville is geographically in almost dead center is traditionally Republican by a healthy margin. The fact that Mr. Stevenson is the Democratic standard bearer, however, is bound to increase the Democratic vote.

Local politicians have predicted that national party funds will be thrown in Lake County to help their standard bearer make a better showing.

In the southern half of the county

Farwell Tax Rate Increased to 84c

Tax rate for the City of Farwell has been increased from 60 cents to 84 cents per \$100 valuation. The increase will go into effect on the 1956 taxes, which are now payable.

The reason for the increase is for retiring bonds which were approved in the amount of \$25,500 in a recent election. The bonds are being sold for purpose of acquiring a new fire station and adding extensions to the city's sewer system.

Tax statements were mailed out by Wilfred Quickel, city clerk, on Tuesday of this week and taxes are payable anytime between now and January 1, 1957. All taxes not paid by January 31, will be considered delinquent and a penalty will be assessed, Quickel says.

The total valuation of city property in Farwell this year is \$1,764,053, a \$30,000 natural increase over 1955. Total taxes payable are \$14,467.90, as compared to \$10,513.69 last year.

Mrs. Jimmy Morgan Buried Monday

Mrs. Jimmy Morgan, 44, of Texico died Saturday, September 29, in the Clovis hospital after having been ill for several months. Mrs. Morgan had been confined to the hospital for about a month.

Survivors include her husband, Jimmy, and an uncle and a cousin. She had been a resident of Texico for about 14 years and was a member of the Texico Baptist Church.

Funeral services were held Monday, October 1, at the Texico Baptist church with Rev. C. C. Morgan, pastor, officiating. Assisting was Rev. Carl Scott, pastor of the Central Baptist Church of Clovis. Interment was in Texico Cemetery.

Pallbearers were Paul Skaggs, Weber Caldwell, Don Fought, Jake Winkles, Orb Allred and Ernest Wood. Honorary pallbearers were Jim A. and Leroy Williams, Louis Caillouet and Lee Doshier.

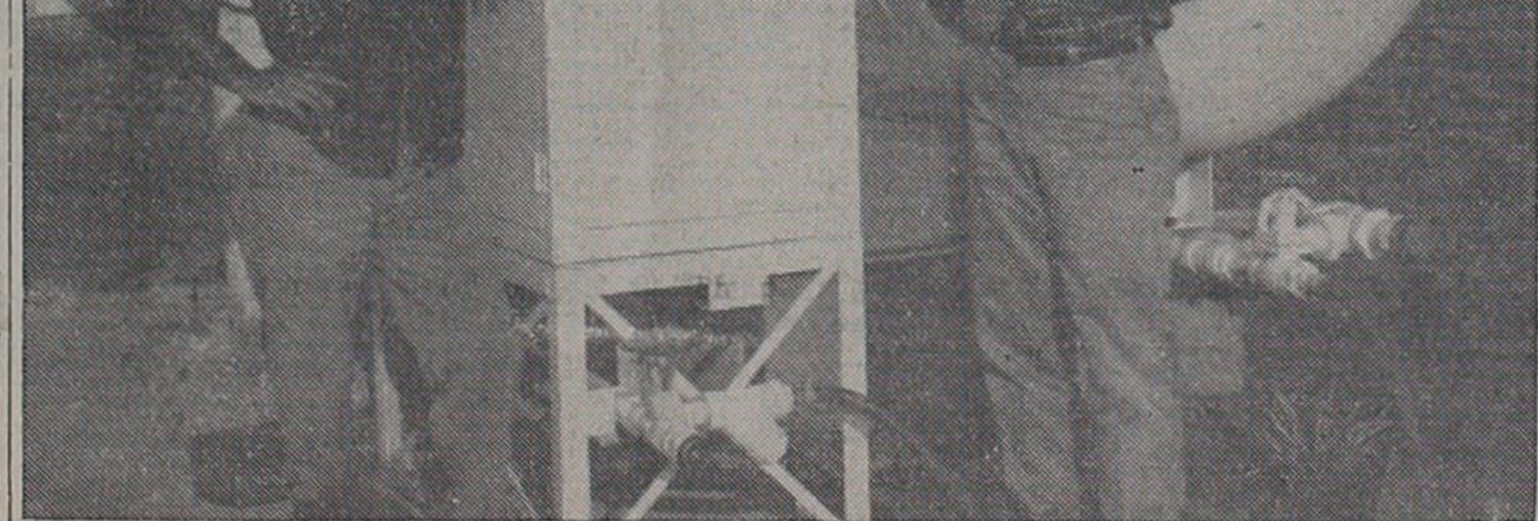

Hargrove, Williams Have Farm Supply

Opening of another business dealing in commercial fertilizer for the trade territory was announced this week by Elmer Hargrove and Don Williams of Farwell.

The two men have entered into a partnership and will operate a business near West Camp, south of Farwell, known as Hargrove & Williams Supply. Their initial venture will be into the field of fertilizer, although other farm needs may be sold at a later date.

Last week, 6,000 gallons of tank storage for anhydrous ammonia was set up at their location, and two pull-type applicators have been made ready for operation. Six trailer tanks will be used in the business.

Both men, who have farming interests, will be active in the management of the business. Williams says he feels there is a good potential for fertilizer business in the West Camp area.

ANOTHER FERTILIZER BUSINESS—The third new fertilizer business for this area started operation this week. Pictured above are the two owners, Don Williams, left, and Elmer Hargrove. The new plant is located near the West Camp community and the two are standing in front of a 6000-gallon storage tank.

investigated by the grand jury and the persons indicted will be tried at a later date by Judge E. A. Bills, according to Chas. Lovelace, county sheriff.

Numerous civil cases are on docket for the petit jury and the court will be in session during the week until all docketed cases have been tried, says Hugh Moseley, county and district clerk.

The petit jury list is comprised of 13 women and 47 men and 16 men make up the grand jury.

The lists are as follows:

Grand Jurors
Dalton Caffey, Tom Atkins, Kenyth Cass, H. T. Edwards, W. L. Edelman, George F. Trimble, T. E. Rhodes, E. M. Ware, Lee Jones, Clyde Goodwine, Clyde Magness, Clyde Hays, Virgil Woodson, J. W. Patrick, Ralph O. Taylor, and Jack Smith.

Sheriff's Department Has Busy Weekend

The Parmer County Sheriff's Department was busy over the past weekend, reports Sheriff Chas. Lovelace. Five arrests were made, two for driving while intoxicated, and three for being drunk. Also, two burglaries in the county and several attempted break-ins were investigated by officers.

On Saturday night, James Morton, Amarillo, was picked up in Friona and charged on a DWI, as was Antonio Renteria, farm worker in the county. Renteria was picked up between Farwell and Bovina. Both were fined \$100 by Judge A. D. Smith in county court Monday morning.

Two Mexican Nationals, Juan Montoya and Maraina Alvarez,

were arrested in Friona and charged with being drunk. Leonard Matthews was arrested in Bovina and charged with same. All three were fined \$23.10 in B. N. Graham's Justice of Peace court in Farwell Monday morning.

Burglaries investigated were at the Vestal-Brewer Hardware in Friona and Rhodes Service Station in Bovina. Break-ins were attempted at several other businesses in the two towns. Five pistols and ammunition were stolen at Friona and cash, candy and cigarettes were reported missing at the Bovina service station.

Texico Citizens Should Have Dogs Vaccinated

Texico citizens owning dogs have been asked to have their animals vaccinated and licensed as soon as possible. A check will soon be made and all dogs not having a vaccination and license tags will be disposed of, warns Mayor Scotty Levins.

A slip showing that a dog has been vaccinated will be needed before licenses may be obtained at the city clerk's office in Texico. The animals will have to be taken to Clovis for vaccination shots.

The need for such action came up this week when a young Texico girl was severely bitten by an unlicensed dog. Texico has a city ordinance requiring that all dogs be licensed and vaccinated.

GROUND OBSERVERS IN ACTION—During the practice alert of the Ground Observer Corps Sunday afternoon, these four members of the local organization are shown making a telephone report to the filter center at Oklahoma City. Left to right, Jimmy Armstrong, John Armstrong, Bill Quickel, and Wilfred Quickel.

Ground Observers Have Practice Alert

The seventh practice alert for the Ground Observer Corps in the Oklahoma Air Defense Filter Center area occurred Sunday from 2 p. m. until 6 p. m.

Major J. W. Caraway, who made the announcement, stated that the exercise involved approximately 2,100 volunteers, who manned and operated about 178 Ground Observ-

er Posts located in Eastern New Mexico, the Texas Panhandle, and the western two-thirds of Oklahoma.

Four local members participating in the alert were Wilfred Quickel, John Armstrong, Bill Quickel, and Jimmy Armstrong.

About 26 aircraft flew pre-determined routes with the exercise objective being for the Ground Observers to track them throughout their route by means of priority telephone reports to the filter center at Oklahoma City. The Farwell observers made six such reports.

Previous exercises have indicated an increasing degree of efficiency in the Ground Observer reporting system, according to a news release from the Oklahoma City filter center.

Texico Chamber Meets Tonight

Regular monthly meeting of the Texico Chamber of Commerce is scheduled for tonight at the City Hall, beginning at 8 o'clock.

At the last meeting, there was discussion on ways and means of attracting new businesses to Texico and more discussion is planned for tonight. Quotation on the printing of brochures, for advertising purposes, are to be presented.

All members are urged to attend and asked to bring a prospective member.

Stratton to Open Music Studio Here

R. B. Stratton of Stratton School of Music in Clovis, announced this week that he plans to open a studio in Texico-Farwell October 17. Weekly music lessons are planned every Wednesday.

Guitar, violin, and accordion classes are to be featured, but Stratton said they would offer classes on other instruments if enough persons were interested.

The new studio will be located in the building formerly occupied by Crawley's Grocery in Texico. Persons interested in enrolling in these classes are asked to contact Stratton at his Clovis business.

Dump Ground Open On Saturdays

Persons desiring to dump trash in the Farwell dump ground are advised by the city this week that Saturdays, from 1 until 5 in the afternoon, have been set aside for this purpose.

Mayor Johnnie Williams this week said that the city dads had decided to make a charge of 50 cents per pickup load, and \$1 for bobtail trucks and \$2 for semi-trucks.

"It costs money to run and take care of a dump ground in the proper way," said the mayor, "and we are asking the cooperation of all who wish to use these facilities."

Texico Farm Bureau Will Elect Officers

Annual business to be conducted at the regular meeting of the Texico Farm Bureau on Monday evening, October 8, will be the election of officers for the coming year.

Besides the election of officers, members will hear reports from Tom Hudson, Texico agriculture instructor, and the FFA boys on their trips to the county and state fairs. Meeting will begin at 8:30 and will be held at the Texico School lunchroom. Refreshments will be served. All members are urged to be present for this important meeting.

Citizens Asked to Help ESA By Telling Others About Sale

The first in a series of rummage sales, sponsored by members of Theta Rho chapter of ESA, is planned Saturday afternoon, beginning at 1 o'clock in the Ed Muckleroy building adjacent to State Line Grocery.

Funds from the project will be used to defray expenses of the Christmas projects of ESA. The group always gives away treats when Santa Claus visits town, and baskets are given to worthy persons in the communities during the Yule season.

Citizens are asked to be Santa's helpers by helping to advertise the sales. Anyone having farm laborers or other employees who might not hear of the sale through newspaper or radio, the employer is asked to inform these people, by Sylvia Watkins, ESA president.

Also, anyone having rummage to donate, is asked to contact any ESA member.

550 See New Ford At McKillip Motor

About 550 persons attended the grand opening and new car showing at McKillip Motor Co. in Farwell on Wednesday, said L. E. McKillip and Weedy Coffman, owners.

Winners of the door prizes included Sam Everett of Amarillo who won the electric percolator, J. H. Birchfield who won a wash and grease job, and Mrs. Phillip Cassidy who won a Presto cooker.

McKillip and Coffman were well pleased with the turn out to see the new Fords.

PTA TO MEET

Regular meeting of the Farwell PTA will be held at the school auditorium on Tuesday, October 9, at 8 o'clock. All members are urged to be present.

Steers Blast Leopards, 41-0

After battling to a scoreless tie in the initial period, Farwell's undefeated, unscored-on Steers broke loose in the second quarter and romped to a 41-0 decision over the New Home Leopards at the Farwell stadium Friday night.

The Steer offensive game was composed of both aerial and ground play and the Farwell team completely outclassed the visitors. In lambasting the Leopards, though, Farwell was not as impressive as the score indicates. Fumbles, numerous penalties, and a pass interception, which occurred in the game, would have meant disaster against a stronger foe.

The Steers were penalized 10 times for a total of 120 yards. A mediocre crowd looked on as

the locals won their third straight. For the fourth time this season, the Steer defense kept the opponent from crossing the goal line. Standout defensive men were Preston Cain, Jerry Owens, and Leo Lemon.

Led by the deceptive quarterbacking of Johnny Lovelace, the Steers amassed a total offensive yardage of 487 against the Leopards. The arm of Lovelace netted the home team 254 yards in the air and Farwell went 233 yards on the ground. The rushing yardage was evenly divided between Tommy Lovelace, Arlin Smith, and Larry Pike.

After the slow start, the Steers moved the ball 50 yards on the ground early in the second quarter (Continued on Last Page)

THE TRIBUNE'S EDITORIAL COMMENT

More Support Needed For Ground Observer Corps

Texico-Farwell citizens are shirking their duties when it comes to the support of the local Ground Observer Corps, an organization vital to all. Its operation is an integral part of the United States Air Defense program.

The Ground Observer Corps is an organization of civilian volunteers who give their time and effort to aid the United States Air Defense Force in observing and reporting all aircraft to a central reporting station known as a "filter center."

The main objective of the GOC at present is to train personnel to man such observation posts in the time of an emergency. The posts are a supplement to the network of radar stations which are charged with the responsibility of detecting enemy aircraft invading the United States.

Also, the GOC can be called out for severe weather alerts. The local corps participated in such an alert some time ago during a wind and rain storm. Its purpose then was to spot and report any tornadoes which might be in the area.

Even with the two-fold purpose, support of the local corps is almost nil. In fact, members attending the regular monthly meetings of the group average about two.

We feel that the people of Texico and Farwell could be doing a service to their community and

Wolverines Lose Conference Game; Whirlwinds Win

Texico Wolverines lost their first conference game Friday night when they were defeated by the House Cowboys 19-16 in a softball game played at House. The Whirlwinds smothered the House girls by a score of 35-17.

The Wolverines started by scoring 4 runs in the top of the first inning on three walks and two hits, but House struck back with three runs in their half of the first inning.

In the top of the second the Wolverines scored three runs to make the score 7-3, but the Cowboys collected seven runs in the bottom half of this stanza on 3 hits including a 3-run home run by Thurman James, pitcher for the Cowboys. James walked 3 in the top of the third and Texico picked up 5 runs in that inning after Jerry Henson hit a long triple to drive in three runs.

The Cowboys scored only 1 run in the bottom of the third to make the score 12-11, Texico's favor. The Wolverines were set down in order in the fourth while House scored 1 run to tie the game 12-12. Picking up two runs in the fifth, the Wolverines went ahead 14-12, but House came back with four runs in the bottom half of the inning

taking the lead 16-14. The Wolverines were out in three-up and three-down fashion in the sixth while House picked up three runs to make the score read 19-14. Going into the last inning the Wolverines rallied for two runs but this wasn't enough and the game ended, 19-16.

The Whirlwinds scored 11 runs in the second and fifth innings to pace them in their one sided 35-17 victory. Winning pitcher was Wilma Walton. Anita Moss hit a home run for the winners in the sixth inning.

Next game is at Clovis with Ranchvale on October 5.

FARWELL BAPTIST NEWS

Rev. E. J. Keith, Pastor

Promotion day was observed in the Sunday School and training union organizations this week with each department having its own promotion day program. Attendance for Sunday School was 172 and training union attendance was 91.

Rev. Keith would like to encourage everyone to help keep up this good attendance record.

The local church will be hostess to an Associational worker's conference of the Tierra Blanca Association tonight (Thursday) starting at 7:45. The program will be concerning Sunday School, and individual meetings will be held

for superintendents and teachers of the various departments of the church.

Rev. George Ray, pastor of the First Baptist Church of Dimmitt, will preach the closing message of the evening.

Associational Brotherhood meeting will be held Thursday evening, October 11, at the Oklahoma Lane Baptist Church.

Members of the WMU will be in Canyon on that date to attend the

annual Associational meeting of the WMU.

Regular meeting of the Brotherhood will be held Monday night, October 8, about 7:30. Claude Byrd of Lubbock will be the guest speaker and all men of the church are invited.

Office Practice Class Visits Farwell Bank

The office practice class of Texico High and sponsor, Mrs. Agrie Jones, visited the Security State Bank, Farwell, Wednesday to learn something of the bank's operation. They started their tour in the back of the concern and worked up front.

Mrs. Irene Dyer showed them the posting machine first. Then R. W. Anderson, vice-president of the bank, showed them the calculating machine and the picturing machine which makes a picture of out-of-town checks. It shows the front and back of the check on another machine. He then showed them one vault in the bank, explained how the combination worked, and how the money is used in a bank.

Gabe Anderson, president of the bank, then explained how loans and mortgages are made and what their functions are. He also explained that Lenton Pool has the job of seeing that assets and liabilities total out the same. He then showed the class his telephone which was quite unusual to the class. He said that the buttons on it were so that he could make calls inside and outside the bank at the same time.

Students and teacher alike agree that the trip was very interesting and educational.

Texico Faculty Has Dinner Meeting

Texico faculty met at a restaurant in Clovis Thursday night for a dinner meeting.

Speaker for the occasion was Ralph Drake, junior high principal, who gave details on the formation of a credit union. Drake is a member of the board of directors of the recently organized Clovis Credit Union.

In charge of the arrangements and acting as toastmaster was John Adams, president of the local teachers' association.

Those attending were Mr. and Mrs. Agrie Jones, Mr. and Mrs.

Commenting With Carolyn

Karek Jarto, well-known violinist, was the featured artist last week when the student council sponsored the first United Assembly program for 1956-57. Jarto presented familiar classics and popular music using his expressive singing tone quality and musical interpretation.

Activities last week included the marching of the Wolverine Band in the Friona anniversary parade. Band members are very proud of the trophy presented to them for participating in the parade.

Susan Levins, who appeared on the J. Sissom Show on KFDA-TV in Amarillo Saturday night, has been notified that she is one of the winners of this event. Winners were determined by the listening audience who wrote in naming their favorite performers.

As a result, Susan is now eligible to compete in a November 11 talent show in Amarillo. The winner of this show will be awarded a trip to New York City and the opportunity to audition for the Ted Mack Amateur Show. It could be, we have a future nationwide entertainer attending THS. Think so?

Campus Chatter: Those smiling faces around school belong to the seniors who recently received their class rings. Coming from Hereford, Tex., Peggy Weeks is a new member of the senior class. Last Thursday, Mrs. Sullivan took some campus shots for the school annual. Plans are now underway for a fall festival to be sponsored by the Business Education Club. Five FFA boys and Mr. Hudson are in Albuquerque this week attending the state fair.

SEVENTH GRADERS SPLIT GAMES WITH CENTER

Seventh grade softball teams came home with one victory and one loss Thursday afternoon when they met Center for a double header. The boys won 9 to 4 with Don Reid pitching and Allan Taylor catching.

The girls were defeated 20 to 4 with Janice Adams pitching and Mary Ortiz catching.

Curtis Miller is sponsor of this group.

EIGHTH GRADE ADDS TWO STUDENTS

Eighth graders are happy to welcome two new students. They are Diana Iwarski, who started the year at Floyd, and Connie Yell, who is from Reydon, Okla.

Everyone in the eighth grade is enjoying books which Mrs. Danforth ordered from the state library in Santa Fe. Anna Lois Thatcher has read nine books, Darlene Boatwright, seven, and Virginia Crocker and Pauline Servatius have read six each.

Due to two victories in baseball, everyone was in good spirits for a surprise party for Jerry Thigpen Tuesday, September 18, at her home.

Interview Reveals Teachers Human, Too

By Audrey Hapke

Texico School has a couple of new personalities around these days. One, a bespectacled man, dressed in a tweed business suit and looking quite dignified, might easily be mistaken for a movie director or some other celebrity. He's Edward Choate, English teacher in the school system.

He's friendly, likeable, and the kind of person school "kids" fascinate.

Born at Gorman, Texas, where he finished high school, Choate reflects the enthusiasm of his native state. He received his B. A. degree from Highlands University, Las Vegas, N. M., and did further work in New Mexico Western College at Silver City, N. M.

As might be expected from an English teacher, Choate's hobby is reading with photography thrown in for good measure.

He's really "human" too. He related a college experience in which he rolled down a window just in time for a prankster who was throwing snowballs into the classroom from the outside, to break the window costing the boy the sum of \$5 to replace the window.

When asked his impression of the Texico school he said, "I find the school different from any in which I have taught and the students superior in many ways."

Mrs. Gorman Byrd, who has been mistaken for a school girl many times, is really the fourth grade teacher with a B. S. degree received at Oklahoma University where she attended four and one-half years.

In many ways she is like a high school girl, having hobbies of tennis and miniature golf.

Mrs. Byrd (nee Juanita Caldwell) who was married to Gorman Byrd of West Camp on August 24, has done mission work for the Baptist Missionary Society the last three summers. She spent this past summer in Tucson, Ariz., where she worked with the Mexicans and Indians.

When asked her impression of the school she is very impressed with the staff and the good curriculum. When asked her most embarrassing moment, Mrs. Byrd explained that while attending college, one day she was on her way to her Spanish class but because of two buildings on the campus being just alike, she ended up in a French class.

Mrs. Byrd was born in Anadarko, Okla. During her high school years, she attended three years at Muleshoe High School although she was a 1951 graduate of Norman High, Norman, Okla.

Teen Tales

By Mikala Faville

We have been greeted by a fresh school term and an invigorating fall season which prompts many girls to splurge and buy new clothes with which to charm the masculine gender! Knowing these very simple facts, this writer compiled a poll with the help of eight Texico High School boys concerning boys' ideas on girls' clothes. Girls, the following statements are quotes from Dick Lockhart and Weldon Bell, seniors; Bobby Patterson and Dicky Adams, juniors; David Lockhart and Raymond Hadley, sophomores; and Crayton Weisler and Charles Stockton, freshmen.

Boys style levis on girls—"All right if they aren't too tight." "I like them." "Okay, but not on fat girls." "I think girls should wear girl's style levis." "Don't look good."

Levis can be worn—"Anywhere

except to dances and formal banquets;" "School once in awhile;" "Ball games, outdoor parties, rodeos, etc.;" "At home."

Shirt and levis—"I like western shirts;" "Anything but those that hang to your ankles;" "Sport and western shirts;"

Wearing your dad's shirt—"It is stupid;" "No!" "Very seldom;" "No good;" "Okay;" "Once in awhile;" "Her dad shouldn't let her go anywhere until she looks neater!"

Bermuda shorts—"Ugh!" "Keep them at home;" "I don't like them;" "Don't wear them anywhere;"

Short shorts—"during athletics and for sport wear, but never down-town."

Bobby Sox—"On some they are okay, but not on others;" "They should be worn with levis and full skirts."

Scatter pins worn on bobby Sox—"Don't see anything wrong with them;" "Never noticed this, but it sounds okay;" "Make a girl look in class."

Party clothes—"A low cut street length dress with a few can-cans and not too cotton picken' much jewelry;" "Dressier than usual;" "Nice dress with a few can-cans that aren't too stiff;" "A full skirt—gosh, I don't know what girls should wear!"

Can-cans—"Girls wear too many of them and hoops don't look worth a dime;" "They take up too much room;" "One is enough;" "Only one hoop;" "Can-cans are okay but not hoops."

Hair styles—"I like it short and in a duck's tail;" "Short is all right on some girls, I like pony tails and long hair;" "Pony tails are fine, but long hair, no;" "I like long hair on most girls, but not pony tails;" "I think a girl's hair should be long and fixed in curls or a pony tail;" "Some girls look good in duck tails, but I still don't like them."

Jewelry—"No jewelry except ring;" "Bracelets are fine if there aren't too many;" "Small earrings, not those that pull your ears out of shape;" "Not too much and with the right kind of clothes;" "Any kind of jewelry with dresses and suits but not with levis and peddle pushers;" "Okay if not too big and sloppy."

The Little Things

By Betty Pendergrass

Can you imagine what the world would be like without "the little things?" By that we don't particularly mean material things. For example, the importance of a smile or the effect of being recognized when you're in a crowd.

Do you appreciate the little things people do for you? For instance, have you noticed the difference in the appearance in the school campus this year? It has been improved beautifully. We all know that it has been improved, but have you given any thoughts as to whom you should show your appreciation?

In this edition of the "Wolverine," we would like to express our appreciation to the custodians, who worked through the summer to make our school a beautiful and more pleasant place to be.

Pep Club Organizes For School Year

The Pep Club met and organized Friday, September 21, in a first meeting of this school term. Sponsors for the group are Edward Choate and Agrie Jones.

Officers elected to serve this term are as follows: president, Barbara Caldwell; vice-president, Joyce Gillean; secretary, Susan Levins; treasurer, Darlene Day and reporter, Carolyn Curd.

Cheerleaders returning for this year are head cheerleader, Barbara Caldwell; and Oneita Autrey, Garlene Seale and Mikala Faville.

Several girls were nominated to try out for substitute cheerleader who is to be selected at a later date.

Texico Junior Teams Remain Undefeated

Keeping Texico's winning record, the junior high boys and girls brought in two more wins by defeating both Ranchvale teams in a softball game at Texico, Tuesday afternoon.

The Texico girls managed a 25-13 win, while the Texico boys won over Ranchvale 9-2. Connie Tharp was the starting

pitcher for Texico, with Betty Walton and Pauline Servatius being relief pitchers.

Texico did a good job of batting as LaDonna Stewart, Mary McDaniel, Gayle Hadley and Barbara Seale all knocked home runs.

Tuesdays' game saw the Texico boys doing a very good job of fielding. Several good catches were made in both the infield and outfield.

Starting the pitching for Texico was Charles Stockton. Relief pitchers were Billy Hukill and Bill Reid.

James Fielding knocked a home run and several other boys knocked triples for the Texico team.

In talking with Mr. Frederick, coach, he said, "Our team is strong in batting, but weak in fielding." Frederick says he doesn't feel that they have a strong chance of winning the county championship but he does feel they have a chance. He also feels that he has some junior girls who will add strength to the high school team next year.

FIFTH GRADERS TRY FOR GOOD SPELLING SCORES

A special effort is being made in the fifth grade to have every student in the class make 100 on daily spelling lessons. "Only two or three have failed to reach that goal and it is hoped these will make it in the next few days," Wanda Morgan, reporter says.

There have been only two absences in this class for the first month of school.

"Members of the sixth grade have enjoyed band trips, films, and decorating their room," says Jenness Weisler, reporter.

If sold for the value of its chemical elements, the human body would be worth about 98 cents.

...where you save does make a difference

Going into business for yourself often depends on having the money available when opportunity knocks. That's why it pays to save... now! And, when you put your savings into an Insured Savings and Loan Association... it pays even more. You get important advantages... excellent returns from your money is one advantage. Efficient, forward-looking service from men who know how to make your dollars work harder for you is another. And, of course, your money is safe because in Insured Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation—an agency of the U. S. Government. These are the reasons why Americans are putting more of their savings account dollars into Insured Savings and Loan Associations than anywhere else! Visit your nearby Insured Association tomorrow... and make sure you'll be ready when opportunity comes your way.

Rainbow Assembly To Be Instituted

All members of the Bovina Chapter of the Order of Rainbow for Girls are urged to attend an organizational meeting on Saturday evening, October 6, at 7 o'clock. A new Rainbow Assembly will be instituted in Friona at this time, according to Mrs. Julia Leake, Mother Advisor of the Bovina Chapter.

Mrs. Martha Marie Whitfield, Supreme Inspector of Texas, will have charge of the organizational meeting.

This meeting was discussed at the regular Rainbow meeting held Monday night of this week. Twelve girls and Mrs. Leake and Mr. and Mrs. O. W. Rhinehart were present for the meeting.

Fern Tipton of Farwell is Worthy Advisor of the Bovina Chapter.

Farwell WMU Officers Are Installed Monday

"Stars in the Kingdom" was the theme of an installation service for members of the Farwell Women's Missionary Union held Monday, October 1, at First Baptist Church, Farwell.

Installing officer was Mrs. P. A. Adams of Bovina. Guests for the occasion were members of the WMU organizations from the West Camp and Oklahoma Lane Baptist Churches.

Mrs. June Fisher and Mrs. Irene Woods sang "Will There be any Stars in my Crown?" and Mrs. Audie McManigal played "Evening Star" at the piano to further carry out the theme of the program.

Following the installation service, the local WMU was hostess to a social hour for the group. Refreshments of punch and angel food cake were served.

Attending from the Oklahoma Lane church were Mesdames H. L. Garner, W. E. Verner, Bernard Nelson, Frank Edwards, C. B. Watkins, Lucille Hukill, Kathryn Hardage, Harold Carpenter and Irving

To Install Officers

Installation of new officers for the coming term will be the main business of the Companion Sunday School class meeting to be held tonight at the home of Mrs. Hazel Stallings at 8 o'clock.

All members and associate members of the class are urged to be present.

Host and hostess for a bridge party at their home in Texico on Monday evening of this week were Mr. and Mrs. Ansel Doolittle.

Attending besides the Doolittles were Mr. and Mrs. Ollie Burton of Farwell, Mr. and Mrs. Hardy Hays, Mr. and Mrs. Tom Hardin and Mr. and Mrs. W. T. Gragg, all of Clovis, and Mr. and Mrs. Fred Danforth of Texico.

High scorer for the ladies was Mrs. Hardy Hays, and Tom Hardin won high score for the men.

Flash Party Given For MYF Group

A "flash" party, using the theme of communications, was given to honor and welcome new members of the Methodist Youth Fellowship on Sunday evening following church services at Hamlin Memorial Methodist Church.

Invitations were sent on telegrams and the party room was decorated with a mock radio station, a telegraph office and lightning flashes of crepe paper.

The group of about 20 youngsters played several games and participated in newspaper, flashlight, and other contests. The group losing the flashlight contest had to appear on a radio program emceed by Glen Phillips who was quizmaster. If the contestant could not answer the question, he had to give a short talk on "Why One Should Attend MYF" and "What One Misses When He Doesn't Attend MYF."

Mrs. W. N. Foster, president of the Wesleyan Guild, presented Mr. and Mrs. Glen Phillips, MYF sponsors, with a gift. Other MYF sponsors are Mr. and Mrs. Bob Hart who were unable to attend.

Refreshments of cookies and punch were furnished and served by members of the Guild. Mrs. Leroy Faville presided at the crystal punch bowl at the serving table which was laid with a pink cloth. The table was centered with an arrangement of dahlias in a silver pitcher and white tapers in crystal candelabra completed the table arrangements.

Guild members present for the party were Mesdames Foster, Ollie Burton, John R. Armstrong, Avis Patterson, Leroy Faville, Casey Cantrell and Fred Danforth.

Assisting with the decorations were Mesdames J. H. McDonald, W. N. Foster, Ollie Burton and John Armstrong.

Doolittles Hosts To Bridge Party

Host and hostess for a bridge party at their home in Texico on Monday evening of this week were Mr. and Mrs. Ansel Doolittle.

Attending besides the Doolittles were Mr. and Mrs. Ollie Burton of Farwell, Mr. and Mrs. Hardy Hays, Mr. and Mrs. Tom Hardin and Mr. and Mrs. W. T. Gragg, all of Clovis, and Mr. and Mrs. Fred Danforth of Texico.

High scorer for the ladies was Mrs. Hardy Hays, and Tom Hardin won high score for the men.

Mr. and Mrs. Robert Servatius and family of the Pleasant Hill community spent the weekend at Anton and attended the ice show at the Panhandle South Plains Fair in Lubbock.

Busy Bee Class Has Mother-Daughter Tea

Members of the Busy Bee Sunday School class of the Texico Baptist Church were hostesses to a tea for their mothers at the basement of the church on Thursday evening, September 27, at 6 o'clock. Teacher of this junior girls' class is Mrs. Nell Autry.

The room was centered with a large serving table decorated with the class colors of blue and gold. The table was covered with blue and was topped with an arrangement of blue and gold flowers.

Places for mothers and their daughters were marked at the table with blue nut cups for the mothers and gold Halloween favors for the girls.

To begin the program, each girl introduced her mother to the group. Then several members of the class presented a playlet concerning avoiding temptation. Judy Sharp and Carol White then sang a duet, "Yield Not To Temptation," accompanied by Betty Ruth Lockhart at the piano.

Mrs. Ray Sharp was chosen as "mother of the year" by the group and was crowned by her daughter, Judy. The class then presented Mrs. Sharp a mustard seed pin.

Refreshments of cake and punch were then served to those attending. The white cakes were inscribed with the individual names of the mother and daughters present.

Attending were Mrs. Ray Sharp and Judy, Mrs. Murray White and Carol, Mrs. C. C. Morgan and Wanda, Mrs. N. W. Peyton, Sharon Kay and Beth Ellen, and their grandmother, Mrs. Daniel, Mrs. P. E. Huber and Shirley, Mrs. J. O. Morris, Jean and Keith, Mrs. J. T. Lockhart, Betty Ruth and Kathy, Mrs. Nell Autry and Mrs. Morgan Billington and Jill.

Minnie Medley to Wed Johnny Fleming

Mr. and Mrs. G. L. Medley of Farwell are announcing the engagement and approaching marriage of their daughter, Minnie, to Airman Second Class Johnny Fleming of Clovis Air Force Base. Fleming is the son of Mrs. Veda Fleming of near New Orleans, La.

Only close friends and relatives of the couple will be present for the wedding ceremony which will be performed on the afternoon of October 12. Following the wedding they will make their home in Clovis.

The bride-elect is a 1953 graduate of Farwell High School and is currently employed at the ASC office in Farwell.

Freshman Class Enjoys Party

To climax a successful "hobo" day, the freshman class of Farwell High School was feted with a class party at the school auditorium on Saturday night. The group spent the day washing windows, washing cars and doing other odd jobs to make money for their class treasury.

Twenty-four freshmen were on hand for the party which started at 8. After the group returned from a scavenger hunt, they played games and enjoyed refreshments of pops and cookies.

Room parents present for the party were Mr. and Mrs. Alton Berry and Mr. and Mrs. Walter Hardage.

Mr. and Mrs. Weedy Coffman and children visited Sunday at the home of her parents, Mr. and Mrs. Fred Barker Sr., in Friona.

Mr. and Mrs. D. J. Brown of Texico had as their weekend guests their grandchildren, Erma Jean and Kerry Weems, children of Mr. and Mrs. Neil Weems of Portales.

Mrs. Hulsey Home From Recent Trip

Mrs. J. T. Hulsey returned to her home Friday after visiting for several days with friends and relatives in Kansas and Oklahoma.

At Mangum, Okla., Mrs. Hulsey attended the wedding of her cousin, Teddy Brier, and then went with Brier's mother, Mrs. Mildred Zaidel, to Mrs. Zaidel's home at Wichita, Kans. While at Wichita, Mrs. Hulsey also visited with Mr. and Mrs. Leland Brier and family and Mr. and Mrs. George Brier and family.

Mrs. Hulsey had not seen the Briers for over 40 years.

Guild to Meet Monday Night

Members of the Wesleyan Guild of Hamlin Memorial Methodist Church are reminded of the regular monthly meeting of the organization to be held Monday evening, October 8, at the home of Mrs. Fred Danforth in Texico at 8 o'clock.

Special music for the evening will be provided by Texico School students. All members are urged to attend and anyone wishing to join the Guild is asked to be present.

Class Officers Are Installed Monday

Mrs. Marie Keith, installing officer, used as her theme, "Footprints of Higher Ground," when she installed officers of the Rebecca and Homemaker Sunday School classes of First Baptist Church, Farwell, in a joint installation service at the church on Monday night of this week.

Prior to the installation, Mrs. Fern Hardage gave a devotion on "The Class Growing." Mrs. Dickie Magness and Mrs. Estellene Billington then sang "Higher Ground."

Installed as teacher of the Rebecca Class was Mrs. Dickie Magness with Mrs. Hattie Coffey as assistant teacher. Mrs. Mae Porter was installed as teacher of the Homemaker Class with Mrs. Lois Smith as her assistant.

Other officers of the Rebecca Class include president, Mrs. Ollie Utsman; vice-president, Mrs.

Audie McManigal; secretary, Mrs. Elsie Hardage; and group captains, Mrs. Geraldine Green and Mrs. Juanita Garrett.

Officers of the Homemaker Class are president, Mrs. Carrie Hardage; vice-president, Mrs. Tom Paul McCuan; secretary, Mrs. Onie Bradshaw; and group captains, Mrs. Fern Hardage and Mrs. Ruth Reed.

Both classes will continue to meet on the first Monday night of each month. The Homemaker class will meet at the home of Mrs. Lois Smith on Monday evening, November 5.

Sunshine Friends were drawn by the group and refreshments of cookies and lemonade were served to Mesdames Marie Keith, Ruth Reed, Irene Henson, Lois Smith, Estellene Billington, Elizabeth Turner, Fern Hardage, Elizabeth Range, Mae Porter, Elsie Hardage, Geraldine Green, Ollie Utsman, Erma Jobes, Audie McManigal;

Also; Mesdames Pearl Geries, Mable Kesner, Dickie Magness, Carrie Hardage and two visitors, Mrs. Irene Woods and Mrs. Dora Johnson.

Visiting during the weekend with Mr. and Mrs. Everett Christian and family were their daughter and son-in-law, Mr. and Mrs. Robert W. Barton, of Amarillo.

Shower Saturday For Recent Bride

Mrs. Dave Greer, the former Miss Dean Walls, was honored at a come and go bridal shower at the home of Mrs. G. L. Medley on Saturday afternoon, September 29, from 3 to 6 o'clock.

Hostesses were Mesdames Medley, Robert Morton, R. V. Ham, Lee Sudderth, Dale McCuan, Donald Joe Pipkin, Lester Norton, Dee Owens and Miss Billie Fay Heckman.

Fall floral arrangements decorated the house and centered the reception table where refreshments of punch and cookies were served.

Among those attending and sending gifts were Mesdames Grady Herington, James McDorman, Claude Rose, Cecil Atchley, D. O. Rolland and Doris, Bob Hines, W. E. Martin, Elaine Groff, O. B. Pipkin, Judge Stone, Don Sudderth of Bovina, Hedwig Gast, B. V. Hughes and Jeanette;

Also, Mesdames Lene Rippetoe of Friona, A. B. Bell and Catherine, Jess Coburn, Clytie Dial, Neal Walls, W. T. Meeks, S. O. Billington and Lavoyda, Lee Nutt and Billy Medley of Clovis, A. N. Walls, Joe Magness, Fern Hardage and Miss Naomi Hubbell and the hostesses.

To Meet Monday

Golden Circle Sunday School class of the Texico Baptist Church will have its regular monthly meeting on Monday night, October 8, at the home of Mrs. Bud Pearce.

Carolyn Cantrell Gets Eastern Role

Miss Carolyn Cantrell, 1956 graduate of Farwell High School, and daughter of Rev. and Mrs. R. C. Cantrell, has been selected to play the role of Lizzie Curry in the romantic play, "The Rainmaker" to be presented by the Eastern New Mexico University theatre on October 11-12.

Only seven roles are cast in the three-act play which is to be a special feature of the 1956 homecoming celebration.

From California To Visit Parents

Mr. and Mrs. Darrell Norton and children, Ray and Leslie Fern, of Merced, Calif., arrived here Tuesday of this week to spend a 30 day leave with their parents, Mr. and Mrs. Everett Christian, and Mr. and Mrs. Lester Norton.

Norton is stationed with the Air Force in California.

In Jones Home

Weekend guests of Mr. and Mrs. Aggie Jones in Texico were their children and families, Mr. and Mrs. Monte Jones of Clovis, Mr. and Mrs. Marion Hughes and sons, Dwight, Dwayne and Douglas, of Alamogordo, N. M. and Mr. and Mrs. Jim Starkey and children, Jimmy Don and Sandy, of Clovis.

Move to Causey

Mr. and Mrs. M. H. Poteet left today (Thursday) for Causey, N. M., where they will make their home for the next few months. Poteet purchased interest in a gin there, and he and Mrs. Poteet plan to "light housekeep" there during the ginning season. After that, they will return to their home in Texico.

West Camp HD Club Has Regular Meet

Mrs. Partin Austin was hostess to members of the West Camp Home Demonstration Club for a regular monthly business and social meeting at her home on Wednesday afternoon, September 26.

The afternoon's program on children's clothing was presented by Mrs. William Flower who explained the selection of patterns and materials and the care of the finished garment. She also demonstrated simple ways to make minor alterations.

Members present for the meeting were Mesdames Kenneth Nesbitt, Jack Hough, Jack Peel, E. A. Walker, E. E. Hughes, Guy Austin, Leldon Phillips, William Flowers, Mrs. Welch and the hostess.

Next meeting of the club will be held at the home of Mrs. W. W. Couch on Wednesday, October 10, at 2:30. Members of the Progress Home Demonstration Club will be guests at that meeting.

Returns Home

Miss Lewis Hensley left Tuesday morning to return to her home at Temple after visiting here since Tuesday of last week with her sister, June Hensley. During the weekend, June and Lewis were in Canyon to visit their brothers, Marion of Pampa, Leldon of Alpine and Lyman and family of Canyon.

Lewis Hears 21 Cases In September

Twenty-one cases were tried in the Justice of Peace court of Sam N. Lewis during September. Persons involved drew fines from \$5 to and including \$25 for a total of \$370, plus court costs, Lewis says.

Included in the law violations were operating a motor vehicle without driver's license, 3; speeding, 6; failure to yield right of way in a reckless manner, 1; overload, 1; knowingly allowing unlicensed minor to operate motor vehicle on public highways, 1; and violation of SCC laws, rules, and regulations, 9;

Also one case was tried in Texico Municipal Court. A person was fined \$16.50 for speeding within the city limits.

Apartment Remodeled At Local Fire Station

Living quarters of the Texico Fire Station have been completely remodeled with work on the project winding up this week, announces Stanton Thigpen, fire chief.

Cost of the project amounted to \$2,491 and the improvements included complete revision of rooms, laying new linoleum, and cutting doors and windows on the west side.

This is the first part of a \$4000 remodeling plan of the fire department. Improvements of offices and meeting rooms are scheduled for a later date, Thigpen says.

Farwell Steers Have Open Date Friday

Farwell's Steers will be idle this week, having an open date before playing Lazbuddie next Friday and entering into conference play the following week.

Russell Young, Steer coach, did not see much advantage in having an open date this week, saying that, "Sometimes an open date is more harmful than it is good." However, he said that much work needed to be done to improve on the numerous errors made by his team in its game with New Home last week.

After going to Lazbuddie for the encounter with Coach George Washington's Longhorns, Farwell has two successive conference games at home. Friona and Morton will furnish the opposition.

As to how other members of the Class 3-A Conference have fared so far this year, the Springlake Wolverines are leading the field with a 4-0 record. Next is Farwell, 3-0-1, followed by Sudan, 2-2; Friona, 1-2; and Morton, 0-4.

Test Drive Today's New Flite-Fuel

DISCOVER WHY WE SAY: IT'S PERFORMANCE THAT COUNTS!

Check off these Performance Advantages of **Flite-Fuel**

- Higher anti-knock
- Easy starting
- Fast acceleration
- Clean-burning
- More mileage

Claims of gasoline performance are one thing—actual performance something entirely different. That's why we make this suggestion: you've got nothing to lose and a lot to gain by test driving Phillips 66 FLITE-FUEL. Let your car's performance be the judge.

You'll discover ease of starting and responsiveness that you may never have suspected your motor could deliver. You'll benefit from the smoothness of advanced high octane. You'll get the advantages of controlled volatility and positive anti-stalling, and more miles per gallon, too. No other gasoline gives you the combination of high performance components you get in FLITE-FUEL.

Why not give FLITE-FUEL a try? Fill up today at any station where you see the familiar orange and black Phillips 66 Shield.

Foundation Work "Awfully Slow": Will Slack Off

Progress on a county-wide effort to raise money for establishment of a Plains station for the Texas Research Foundation is "awfully slow" this week, according to Gilbert Kaltwasser, Parmer County director.

Pledges to date total only about \$3,000, he says, and many workers have not made reports on contacts they were scheduled to make.

Kaltwasser gave two reasons for the draggy campaign, and said that he had been advised by Jesse Osborn of Muleshoe to "slack off" on the drive until some points have been made clear. Osborn is general chairman of the drive for this area.

One report that has undermined the work is that Hale County, which had garnered \$265,000 to attract the station, has pulled out of the Plains-wide effort in the hope that with such a large amount of money it will be able to underwrite a station of its own.

Directors of the Foundation at Renner have never announced where the station would be put if the financing campaign is successful, but it has been hinted that it would be in northern Lamb County.

In addition, a half section of sod land in southwestern Castro County has been offered as a station location, and it is considered a possibility that this might swing the project to that spot.

A breakfast to boost the work in

the Farwell area, including Oklahoma Lane and Lariat, has been cancelled. It was to have been in Farwell Monday morning.

Farmer's Union Sets Meet

Members of the Parmer County Farmers Union will meet Thursday night at the Friona High School. They will elect officers for the coming year, in addition to naming delegates to the state convention.

State Farmers Union President Alex Dickie will be present and will address the group. He is from Denton, and may possibly bring other Union officials with him to the meeting.

W. L. "Preach" Edelman, county FU president, says that the group now has 262 members in Parmer County, and that he anticipates widespread interest in the meeting.

With that membership, Parmer County will be entitled to nine delegates to the state convention, he says.

THE HAPPY HOMEMAKER

A remark which we heard a fellow make several years ago comes to our mind very often. He said, "There is no end to the things women can think of to mix together and call salad." At different times we have thought that he might have said, "There is no end to the things women can think of."

This idea was brought forcibly to our mind recently as we were reading a list of things that different women have thought of to use a home freezer for. Three that were especially interesting to us are being printed below. Hope you like them.

My favorite trick is to draw air out of plastic freezer bags after the food has been placed in them by using soda straws. Insert a straw in the top of the bag as it is bunched together between the fingers. Draw out as much air as possible by suction. As the bag pulls in, pull the straw out gently and pinch the bag tightly so no air re-enters while it is being fastened.

Add a decorative touch to the punch bowl by freezing a flower, preferably a red rose, in a block of ice. An empty cottage cheese carton makes a fine container. Fasten the rose to the bottom of the carton to keep it from floating. Fill with water and freeze.

There are three things to remember: first, you can't fill up a freezer in one day. Second, no matter how big a freezer you own or will own, you'll wish it were larger. Third, a freezer can't be a miracle worker without you. You are the brains behind your freezer.

There are so many lovely printed corduroy fabrics on the market this fall. If you decide to use any of them or any other fabric that has a nap or up and down, be sure you have all pieces of your pattern running the right direction. This can very easily be done by marking arrows with chalk on the selvage, or by sticking pins with the heads all turned one direction.

When buying any material that needs to be cut all in one direction, it will be necessary to buy more material than for materials on which you can lay your pattern pieces either way.

If you have trouble with zippers hanging (and who doesn't at one time or another?), a thin coat of liquid wax applied occasionally will help keep them running more smoothly.

Another thing which will help keep zippers in working order is to make sure they are fastened before the garment is laundered. This will often prevent torn garments.

Did you know that feather pillows may be washed in your automatic washer? We didn't until we read an article in a farm magazine a few months ago.

A salad which is very pretty and tasteful is made by combining 1/2 cup shredded raw carrots, 1 cup shredded cabbage, 1/2 cup shredded radishes and 1 nine ounce can pineapple chunks with salt and mayonnaise.

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep us OUT of war.

That's why I still like Ike—better than ever!

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Haft, Director.)

Harvest Rolls Along Fastest in History

The mechanical marvel of the combine and the age-old drudgery of boll pulling painted contrasting pictures of the Parmer County area harvest scene this week.

Harvesting of area feed grains and early cotton rolled along at a merry clip — possibly history's earliest operation on such a large scale. Ginnings at the county's 13 installations are already numbered in the hundreds of bales, and hundreds of acres of maize have been hauled to the elevators.

County Agent Joe Jones, after a survey of the county on Tuesday, noticed these things:

Combines are in operation throughout the area, unhampered by adverse weather conditions. Yields of grain sorghums have been good. James Mabry of the Hub is reported to have made 6,000 pounds with Martin's.

Other more common varieties are yielding well, too, says the agent, but he says he would prefer to wait a few weeks before he makes any predictions on hybrid yields. Some early reports are trickling in on this new development in seed breeding.

Looking at the cotton picture, the agent says there is lots of defoliation being practiced by growers who are after an early mechanical harvest.

Defoliants are being used to prematurely kill the cotton plant and force it to shed its leaves. The fields will then be ready for mechanical stripping of the bolls from the stalks.

"It's too early to tell whether this will be a money-making proposition or not," says Jones. "It could rain and cause the savings that could be expected from

No Word Yet On Hay Program

Reports the first of the week that the USDA has released an additional \$5 million in funds to refinance a drought emergency hay program in Texas have not resulted in confirmations on the county level, says John Zahn of the county FHA office.

Zahn, however, says that he expects to have orders on the new program "by the latter part of the week" and that it would be necessary for the changes to come through channels from Washington.

Only last week the roughage aid was suspended after USDA officials had commented that applications "exceeded the expected demand." Originally, \$1 million had been put into the plan.

The feed grain portion of the emergency program is not affected by these recent developments. Parmer County has been re-established as a drought disaster county only about four weeks.

the strippers to be cut or eliminated." Still, the majority of cotton farmers are staying with the practice of hiring hand labor to enter the fields and pull the early opening cotton. This early cotton is nearly always better in grade and brings a higher price.

Most of the cotton being pulled is grading light spot and white, with the latter classification prevailing. Staple is improved this year compared with 1955 also, notes Jones.

Some farmers have been able to get a bale an acre from the first hand pulling, which is considered very good.

"We have about 41,000 acres of cotton in the county," says the agent, "and I believe that we will make 50,000 bales from it this year."

There is considerable activity for minor cash-crops, too. Picking

Eligibility Facts Listed for Feed

Farmers and stockmen who wonder if they are eligible for the government's emergency feed program can examine the following requirements which have been released from the Parmer County FHA office:

"Subject to the following conditions, any established farmer or stockman whose principal occupation is farming or ranching and whose financial condition is such that he requires assistance under this program in order to maintain his foundation herd of livestock and continue his livestock operation, is eligible for assistance under the Emergency Feed Program.

"The fact that the purchase of hay or other feed at regular prices may not be profitable to the applicant is not sufficient to qualify him for assistance.

"The principal occupation of an applicant may be considered to be either the occupation from which he received at least one half of his net income for the calendar year next preceding the date of this application, or the occupation to which he devoted at least one half of his time during such year."

"The Place Where Most People Trade" Wednesday, Oct. 3, 1956, Friona, Texas

Our friend plans to buy land with all her surplus money. It's the only thing they aren't making more of, she says.

— P C I C — Since Mary's cafe burned, a lot of Friona folks have been eating at the school cafeteria. Makes it hard on Junior when he complains about the cafeteria food and his Mother replies, "We thought it was wonderful when we ate there."

— P C I C — The pair of cowboys had been on the trail for two days with a herd of cattle. During that time neither men nor animals had had any water. At last they caught sight of a small stream and the cattle dashed in. One of the cowboys had gone up a little way above them to drink when he noticed that his companion was scooping up a hatful of water where the cattle had stirred it up.

"Come up here where it ain't so muddy," the first one called out. "It don't matter," his comrade replied, "I'm gonna drink it all, anyhow."

— P C I C — We have two new employees at the Parmer County Implement company. Mr. Sherman Atwood, the bookkeeper, is from Amarillo. He is married and he and his wife plan to move to Friona soon. Sherman is staying at the Floyd Reeves until his wife can join him.

Mr. Mason Love is the new parts man. He is from Melrose, New Mexico, and has moved his family to Friona. They live north of the Pentecostal Church. Mason is enjoying Friona because of the irrigation farmers here. He says it's so dry at Melrose the farmers may forget how to farm.

— P C I C — Mr. and Mrs. Ben Jordan and small daughter visited in Floydada this weekend with the Darrell Robbins. Darrell is farming in Floydada now. He used to live in Friona and is a grandson of the J. W. Baxters.

of corn is proceeding at a fast rate, especially since the advent of the corn borer in many fields.

A windy spell might result in large losses to corn growers at this point, predict farm observers, and the farmers aren't waiting any longer than is absolutely necessary to get the ears out of the fields.

Carrots, beets, turnips, lettuce, and radishes that are being grown on a few farms, mostly in the northeastern part of the county, are progressing nicely, Agent Jones reports.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

"Scotch lite" stickers are available free at the office. They provide added visibility protection for cotton trailers, trucks, cars and bicycles when they are operated at night. They may be life savers if used on the sides of tractors and trailers, too, where other reflectors normally are not used.

We believe that cotton farmers interested in seeing the state cotton acreage reserve limited to 2 percent instead of 10 percent as it is now, should be sure their Farm Bureau membership is in good standing before November 1. There are sections of Texas that have been receiving cotton acreage from the larger reserve the last couple of years that will probably vote against the cut in the state convention.

Farmers are now entering the season for the hardest use of their tractors in harvesting and fall plowing. A pre-season checkup by one of the competent mechanics at the Parmer County Implement Company helps to insure that the valves, piston rings, and bearings are all in top working order.

— P C I C — Noticed Sonny Graham's column "Graham Crackers" made the editorial page of the Amarillo Daily. It's always fun to see something from your home town paper get some recognition. We heartily endorse Sonny's idea of paying hourly wages according to what a man is worth but we wonder how some folks would be able to live on that little.

— P C I C — Friona Chiefs will go to Dimmitt Friday night for their ball game. Friona's band also plans to go. How about lots of Friona folks driving over there to cheer for the home team?

— P C I C — One of the things that are easy for children to handle these days are their parents.

— P C I C — Completing the corn harvest as soon as possible after the corn is ready is always desirable. Most of the trouble with the picker comes late in the season when dry stalks often present a problem. Let us demonstrate an I. H. corn picker on your farm.

— P C I C — They were raising money to repair the church and a committee member called on Uncle Walt. "Can't give nothing," he said. "But," the churchman insisted, "you owe more to the Lord than you do anybody." "Yes, that's so," Uncle Walt replied, "but he ain't pushin' me like my other creditors are."

— P C I C — Jake and Minnie Lamb are fishing at Hot Springs again. Hope Jake catches some more big ones but you can't depend on him. We can depend on his wife to bring back lots of smaller ones though.

— P C I C — To POWER-UP for tough fall jobs visit our parts department for I. H. approved spark plugs, I. H. oil filters, I. H. hoses, I. H. belts, I. H. seat pads, I. H. mufflers and I. H. approved batteries and cables. Douglas has a good stock of them all and our prices are right.

areas are exceeding their membership goals, we hear, too. We are reasonably sure that the decision reached in the Texas Farm Bureau convention will determine the amount of reserve. Our case against the Smith-Doxey classing discrepancies can be greatly strengthened by your membership, too. The classing, of course, affects your income, whether you sell or put your cotton in the loan.

We should think the advocates of the necessity of federal aid to education would give some thought to who built and put public schools into operation in the first place. We certainly hope the average citizen will remember that money for such things can be raised on the local level for about half what it costs to route it through Washington.

Farm Bureau, locally and on state and national levels, is vigorously opposing such federal "aid" moves to insure local control of educational institutions.

We would like to suggest that you hear the radio program, Farm Bureau Round-up. It is an unusually good and interesting report on agricultural situations prepared by agricultural editors of several Texas radio stations. KPAN, Hereford, carries it at 12:45 on Saturdays. KLYN, Amarillo, at 6 a. m., and KFDA at 6:10 a. m., all on Saturday. If you listen to Lubbock, the following stations carry it on Saturdays: KCBBD, 6:45; KSEL, 7:15, and KFYO at 8:15, all in the morning.

Consider this: As a roaring lion, and a raging bear; so is a wicked ruler over the poor people. Proverbs 28:15.

"The Place Where Most People Trade" Wednesday, Oct. 3, 1956, Friona, Texas

This is a wonderful time of the year. Beautiful days, chilly nights, no sand storms. The only thing that would improve the weather is rain and more rain, but while you wait for rain, why not visit the Parmer County Implement Company and trade for a new Oldsmobile? Soon we will have the 1957 Oldsmobiles on our show floor but right now we are offering unbelievable bargains on the 1956 Oldsmobile.

— P C I C — Have you seen one of the McCormick No. 31 loaders? They are one of the major labor saving devices on any farm. Come by our store and let us show you one.

— P C I C — The Football Booster's Club is raising money to buy some equipment to take movies of all the football games. Some of the equipment has been purchased and some borrowed so the boys saw themselves in action on the screen this week. Coach Huffman thinks this will be an excellent way to teach the boys what they are doing right and what they are doing wrong. If you could help on this project call 2682 for Pudge Kendrick or 5221 for Hollis Horton.

— P C I C — J. L. Marcum is nursing a very bad knee this week. He was helping move some furniture across the street this week when he stumbled and fell on the sharp edge of the curb and fractured his kneecap.

— P C I C — Don't fail to shread your stalks. We have both I. H. and Servis shredders. Either with an eight foot I. H. Tandem does two operations in one.

— P C I C — Harry Ratliff will soon return as pharmacist at the Parmer County Community Hospital. Jim Baxter, manager of the hospital, has been doing double duty in the pharmacy thru the summer. Mr. and Mrs. Ratliff will live in Uncle John White's house.

Loan Program Facts To Be Explained In Monday Meeting

Details of the recently revised loan programs for farmers desiring to borrow money from the government for operation and investment capital will be aired at a meeting Monday at the courthouse in Farwell.

The program, which was expanded September 4, has been liberalized in certain respects, including the amount of money that can be borrowed, and the time in which repayment can be made, says John Zahn of the county FHA office.

To attend the program, which is to begin at 2:30, will be the county FHA committee, agricultural agency officials, bankers, equipment dealers, bulk oil dealers, the county judge, a representative from the Federal Land Bank, and others who have dealing with borrowers.

Zahn expects from 60 to 70 persons to be in attendance.

Ceilings on loans have been increased from \$10,000 to \$20,000, but security restrictions and interest remain the same, he said. In addition, certain reclassifications in types of loans have been made.

THE PARMER FARMER

The drouth is rough on the Plains states. No doubt about that. But it also is getting tougher and tougher on the Mountain states. No doubt about that, either.

We checked over northern New Mexico last weekend, and found to our dismay that rivulets and springs that we used to play in when a boy are now dried up and only rock-bare channels remain.

Forests everywhere are tinder-dry, and there is talk of not having deer hunting at all for fear of forest fire. Major rivers such as the Rio Grande, Pecos, Colorado, and Arkansas are at or near all-time lows for runoff.

Major streams such as Red River, and Cimarron, are running low, too.

We noticed that the lead story in Sunday's Denver Post had to do with the drouth. Water rationing has prevailed all summer long in that city, and the hinterland is baked and dry. Springs and creeks are drying up and the water tables are lowering everywhere.

The drouth stretches from the Texas Gulf up through the western states almost to the Canadian border. It's bigger than most folks realize.

Ranges east of the New Mexico mountains are without grass, but don't look as pitiful as those we saw three weeks ago in Central Texas. There is still some locally-grown hay from irrigated areas.

Dryland crops are burned out, as one might expect. The only good-looking dryland crop we have seen all year is north of San Jon. It is on sandy soil and appears to be Martin's Milo.

They must have had some heavy local showers there, or else that farmer is better at raising grain than most of his neighbors. In general, things are quite bleak.

SOIL CONSERVATION DISTRICT NEWS

Technicians of the Soil Conservation Service have been busy the past several weeks assisting farmers lay out row directions for wheat planting. There seems to be more interest in wheat planting this year after the better than average crop we had last year.

If you have a water problem on your wheat, contact the SCS technicians in Friona and let them assist you with it.

On wheat following grain sorghum be sure to use commercial fertilizer to decompose your old plant residues and provide plant food for the wheat. This will make a great difference in your yields, as well as improve your soil.

The windy season will soon be upon us and now is the time for us to make preparations to keep our soil at home.

While on the W. H. Drager farm the other day we were discussing the aspects of conservation relating to wind and water and Drager made a statement I have thought about and will pass it on to you.

"The topsoil, which consists of some 6 inches in this country, is worth 150 or more dollars per acre and the subsoil is worth 30 or less dollars per acre to us."

When we let our land blow or wash we are taking that many dollars out of our pockets.

The depth of topsoil in this area seems to fool a lot of people. It seems most folks think it is about 3 feet deep. It is actually 6 inches topsoil and 18 inches to 36 inches of subsoil. The productivity decreases as you go down the soil profile.

Let's prepare now to keep our valuable topsoil at home and use it for our own production and for those who live here in the future.

If you are planning to plant vetch or winter peas on sorghum or corn land it should be done by October 15. Actually, better results will be had with vetch than peas. Seeding rates: pure stand vetch 15 to 20 pounds per acre.

4-H Club meetings were the main topics for the HD Agent this week. I met with the junior and senior 4-H Clubs in Friona, Lazbuddie, and Bovina. The clubs in Farwell will meet one day next week. Family Food Spending Today

Food spending in the United States has climbed to a high peak, according to extension foods and nutrition specialists.

Average expenditure for food and alcoholic beverages (including the money value of food produced and consumed on farms) is estimated at almost \$450 per capita for the year 1955—or about \$1.25 per person a day. This is about 3 1/3 times what it was in the pre-war period. Much of this is due to price increases, but even after allowing for price increases, food expenditures are now about 1 1/2 times what they were in 1935-39.

Meals and snacks away from home account for some of this increase in food expenditures. Meals and beverages consumed away from home now make up about one-fifth of the \$450 total.

Families are buying more "convenience foods," but a large share of the family food budget still goes for foods that require considerable preparation. Meat, poultry and fish (excluding canned and ready-to-eat items) take 26 percent of the food budget; milk, cream and cheese—14 percent; eggs—4 percent; fresh vegetables, including potatoes and fresh fruits—14 percent.

October Plentiful Foods Listed

The harvest moon of October will shine on a cornucopia bulging with plentiful foods. This despite the prolonged drouth which has cut deeply into agricultural production in many states of the nation.

The USDA's Agricultural Marketing Service, Southwestern Regional Office, Dallas, reports that protein-rich foods dominate the October list.

These include beef turkeys, stewing chickens, broilers and fryers, as well as eggs, peanut butter, cheese, milk and other dairy products.

Potatoes and cabbage are the only vegetables carried on the October listing of plentiful foods.

A Norwegian mile is seven times as long as the American mile.

A sphygmometer is a blood pressure recording instrument.

Farmers Watch Crops As Frost Date Nears

Farmer County area farmers, wary of a repeat performance on last year's freeze of October 6, are keeping an eye on their crops, the calendar, and the weather this week.

Last year's nipping frost killed sappy cotton plants on thousands of acres of cotton and seriously reduced both quality and yield, but this fall has been ideal for the development and maturity of the

fleecy product.

Also, soggy weather in early September hurt area cotton. This year, it's been anything but soggy.

Friday Last Day For Wheat Signups

Friday, October 5 is the deadline for farmers to place acreage in the 1957 acreage reserve program, announces Prentice Mills, Parmer County ASC manager, this week.

The program will be similar in operation to this year's, except that farmers will be permitted to graze the crop until December 31. Acreage payments have been set at \$5.95 dryland and \$11.90 irrigated, per acre, before planting. To date, 43 applications have been made by wheat farmers.

LICE CONTROL IMPORTANT

Since most Texas livestock, due to the prolonged drouth, are being fed, the job of controlling lice and ticks can be effectively and economically carried out. Herds generally are confined to smaller areas and thus are readily accessible for spraying or dipping. Parasite free livestock will better utilize the feed they receive and will go into the winter season in a stronger condition.

Mr. and Mrs. Earl Allen of Lubbock, Mrs. Jason Allen and Beverly of Cotton Center and Mrs. L. L. Norton and David Lynn visited Wednesday in the home of Mr. and Mrs. D. W. Carpenter.

Mr. and Mrs. Howard Garner and Mr. and Mrs. Delbert Garner and family attended the Panhandle South Plains Fair in Lubbock one night last week.

Returns Home

Mr. and Mrs. I. R. Magers of Rochelle, Tex., visited last week in the home of Mr. and Mrs. Charles Hukill and family. Mrs. Lynn Smith, who had visited the past several months here with the Hukills, returned to Rochelle with the Magers. Mrs. Magers and Mrs. Hukill are daughters of Mrs. Smith.

Frank Edwards was honored with a supper on his birthday, Thursday night, September 27, at the home of Mr. and Mrs. Sterling Donaldson. Other guests attending the supper were Mrs. Frank Edwards and Mr. and Mrs. Harold Carpenter.

Uvon Ford Receives Injuries in Fall

Uvon Ford, a farmer in the Oklahoma Lane community, received several broken ribs last Thursday when he attempted to get upon a self-propelled combine being driven by Donald Watkins. Ford lost his footing as he tried to get on the machine and fell into the combine wheel, but Watkins was able to

stop the combine before Ford could be injured seriously.

Watkins, along with R. E. Blankenship and Burl Ford, who were working nearby, rushed Ford to the hospital in Clovis where the extent of his injuries was discovered. Ford is recuperating at home at the time of this writing.

Ruth Blankenship Breaks Arm in Fall

Ruth Anne Blankenship, five year old daughter of Mr. and Mrs. R. E. Blankenship, fell from the family car on Wednesday of last week and broke her arm just above the wrist.

Mrs. Blankenship and children had returned from town and Ruth Anne was helping her mother take packages from the car to the house when she fell. They did not discover that her arm was broken until the following day.

BAPTIST CHURCH NEWS

Sunday School attendance on September 30 was 119. Miss Jolene Donaldson presented special music as she played a piano solo "Be Still My Soul."

Training union attendance was 100. Jimmy McGuire, director of the training union, reports that the average attendance for training union during the month of September was 97. He urges everyone to continue to attend to make the average even better during October.

Special music for the evening worship hour was given by Mrs. Levanina Jones who sang "Crowned or Crucified."

Following the preaching service, Miss Jody Brown, daughter of Mr. and Mrs. Jackie Brown, became a member of the church by baptism.

Members of the WMU attended a joint officer installation service at First Baptist Church, Farwell, on Monday. Attending from Oklahoma Lane were Mesdames Bernard Nelson, Irving Looney, Frank Edwards, Charles Hukill, Claude Watkins, Wayne Hardage, Walter Verner, Howard Garner and Harold Carpenter.

Attend Reunion

About 70 persons were present at the park in Clovis on Sunday for a family reunion of the Pruitt brothers and their families. The group enjoyed a picnic lunch at noon and visiting during the afternoon. Attending from the Oklahoma Lane community were Mr. and Mrs. Alton Pruitt and family and Mr. and Mrs. J. M. Pruitt and family.

Farwell's Gain Okla. Lane's Loss

Mr. and Mrs. C. C. Christian have sold their home place, which had been their home for 26 years, to their son and family, Mr. and Mrs. Donald Christian. The C. C. Christians have purchased the house recently occupied by Mr. and Mrs. B. J. Foster in Farwell which originally belonged to the Ernest Kubes.

Mr. and Mrs. B. J. Foster and family will live in the Christian house until they can have a house built on their recently purchased farm in the Oklahoma Lane community.

The community welcomes the Fosters but is saddened to lose the Christians.

In Hospital

Mrs. E. L. Cochran underwent surgery at the Methodist Hospital in Lubbock on Monday, September 24. Mrs. Cochran's condition is reported as good at the present time, but it is not known when she will be able to return to her home.

METHODIST CHURCH NEWS

One hundred thirty-eight were present for Sunday School on promotion day which was observed September 30 at the church. Each Sunday School department presented a portion of the morning's program preceding the preaching hour.

Rev. Willard reports that the program was interesting and inspiring, and he would like to urge everyone to come back to church this Sunday to keep the attendance high for the month of October.

Both circles of the WSCS met at the church on Monday night, October 1, for their monthly joint meet-

ing. Ruth Circle members were hostesses for the meeting and presented the evening's program.

The group sang "His Way With Thee" to open the program and Mrs. T. L. Kent led the opening prayer.

The theme of the program was "The Isles of Southeast Asia." Mrs. James Roach read the scripture and Mrs. Fred Bolton discussed general information of the isles of Southeast Asia with the following members representing and discussing the following places: Mrs. Wayne Foster, Formosa; Mrs. Murrill Rundell, Hong Kong; Mrs. James Roach, Philippines; Mrs. Melborn Jones, Borneo; Mrs. Donald Christian, Indonesia; and Mrs. Lawrence Cooper, Malaya.

The group then sang "Take The Name of Jesus With You," and Mrs. Wendol Christian sang a solo, "Others," preceding the devotion on "Cooperation" which was given by Mrs. B. J. Foster. The program was completed with the members drawing Secret Prayer Pals. Rev. Willard dismissed the group with prayer.

The Ruth Circle then served refreshments of punch and cupcakes to those mentioned above and Mesdames C. C. Christian, Sam Billingsley, T. L. Kent, V. E. Willard, W. P. Shelley, George Douglas, R. E. Blankenship and Melvin Sudderth.

Harvest Time...

Time to reap the joys of ELECTRIC COOKING!

You can live better electrically when you cook electrically.

It's the traditional time of the year to reap the joys of harvest and it's time, too, to reap the joys of electric cooking. If you're not yet one of the millions of modern women who already cook electrically, then it's time you learned how easy electric cooking is. Take cleanliness, for example. Electric cooking is clean... no messy pan bottoms to clean because nothing burns onto the tops of electric elements or the bottoms of pans. Ovens are insulated on ALL SIX SIDES and they're automatic... just set and forget... whole meals cook for you automatically. It's harvest time... time for you to reap the joys of electric cooking.

HOW DO YOU LIKE YOUR COOKING... electrically, you can have it either way, conventional, free-standing models or the delightful new custom built-ins. Your Reddy Kilowatt Dealer can help you choose.

Texico Voters Must Register By Monday

Texico citizens who are not registered voters in the State of New Mexico have until Monday to become eligible to vote in November 6 general election.

Applications for registering are available at Stone's Variety in Texico and the deadline is October 8, announces Ruby Stone. Voters who were previously registered but have missed the last two major elections (the general election in 1954 and the past democratic primary) are ineligible and must re-register if they are to vote in the November election, she points out.

Since there is no republican primary in New Mexico, Republicans who took part in the 1954 general election are still eligible.

Other previously registered voters who will have to register again are women who have married and changed their names.

Also available at Stone's are application blanks for changes of party affiliations and blanks for residents who have moved here from another county.

To be eligible to vote in New Mexico a citizen must be 21 years of age, have lived in the state for one year, the county for 90 days, and the precinct or district for 30 days.

Texico Commission Names Committees

Two committees were appointed during the Texico City Commission meeting Monday night. One group was appointed to oversee the operation of the city-owned cemetery, and the other group was named for purpose of recommending ways in which the state recreation tax can best be spent in Texico.

Serving on the cemetery committee will be Ed Engram, J. H. Young, W. L. Freeman, Gladys Johnson, and Mrs. T. E. Roth. The function of the cemetery committee will be to set up rules and regulations for the cemetery, oversee its operation, and be in charge of caring for the cemetery ground. Mrs. Juanita Autrey, city clerk, will be in charge of selling lots.

A survey of the cemetery is now being made and a map, designating lots sold and lots available for purchase, will be had by the city clerk. This will bring up to date for the first time a record of which lots have or have not been sold.

Serving on the youth recreation committee will be Agrie Jones, chairman; Curtis Miller, Olan Schlueter, Paul Frederick, and Mabel Tharp.

The state-assessed cigarette tax of one cent per each package sold, amounts to around \$50 per month for the City of Texico and it is to be spent for youth recreation. Presently, the fund is over \$500, according to the city clerk.

The above committees were appointed by Mayor Scotty Levins, and the appointments were approved by the councilmen. The remainder of the Monday night meeting was of routine nature and present were Levins; Judge Stone, Olan Schlueter, N. W. Peyton, and Joe Helton, councilmen; Earl Hartley, city attorney; Mrs. Autrey; Russell Johnson, water superintendent; Stanton Thigpen, fire chief; and T. E. McLeod, town constable.

At the close of the meeting the following bills were approved:

General Fund—Mountain States Telephone, \$13.85; Mrs. J. H. Chism, \$10; Southwestern Public Service, \$33.52; and Texico Municipal Waterworks, \$7.55.

Fire Fund—Norris Electric, \$367.80; Texico Municipal Waterworks, \$32; Southern Union Gas, \$3; Kemp Lumber, \$118.26; and salaries for fire station improvements, \$275.18, and Farwell Hardware, \$9.42.

Street Improvement Fund—A. O. Poteet, \$58.33.

Recreation Fund—\$100 to N. W. Peyton for use of busses during summer youth recreation program. Meter Refund—\$10.

Mother Of Texico Woman In Hospital

Mrs. Cora Vaughn, mother of Mrs. Charles B. Stockton of Texico, is in serious condition at Clovis Memorial Hospital this week. Mrs. Vaughn, who was 79 years old last week, underwent major surgery there last Thursday.

Mrs. Stockton reports that her mother's condition is only fair at the present time and that they do not know when she will be able to return home. Her home is in Bellview, N. M.

Jack Dempsey held the heavy-weight boxing crown for seven years.

HOBO DAY IS SATURDAY

Saturday, October 6, will be "hobo" day for the sophomore class of Farwell High School. The group will wash cars, clean yards, do house work and other odd jobs on this date. Anyone desiring their services should call Owen Huffaker at 8-6386.

Mrs. Ed Weisler III This Week

Mrs. Ed Weisler, first grade teacher at Texico School, has been absent from school this week for rest and recuperation following recent surgery.

Mrs. Weisler underwent surgery several weeks ago and had returned to her duties at the school, but her physician advised her to remain at home this week. She plans to be back in school next week. Substituting for her this week is Mrs. Anson Bowers.

CARD OF THANKS

May we extend our heartfelt thanks to those of you who expressed your sympathy in so many thoughtful ways during our recent bereavement. Your kindnesses have meant much to us.
