

U. S. Treasury Department

## More Men Made Ready for Service

Moving to be prepared to meet calls for men to fill quotas, the Farmer County Selective Service Board was in session Saturday afternoon, during which time a large number of local registrants were moved from their previous classification to class 1-A, as the first step to make them available for induction.

In this process, the local board dipped deeply into the father group, and it appears quite likely that a goodly number of the father registrants of this county will be used to fill calls during the coming months.

Following is the list of classifications given by the local board in Saturday's meeting:

**1-A**  
James P. Patterson, Parks E. Wilson, Barney F. Woods, Joseph L. Rogers, Howard R. Crook, Sam Jones, Frank W. Lookingbill, Daniel R. Cheyne, Raymond C. Atchley, Asa C. Bates, Earl W. Drake, Otis L. Floyd, Harold L. Settle, Charley F. Summers, Noble H. Goldsmith, Newton L. Golden, Newman J. Carr, Glenn Curtis Danner, Lloyd B. Ridling, Loyd C. Eubanks, Oscar K. Wilhite, Artie M. Siner, Robert D. Blalock, Estel B. Smith, Paul G. Hastings, Ambrose J. Hamm, Bobby Harmon, Webster T. Johnson, Wayne B. Meshew, S. A. Barbee, Thurman G. Haney, J. L. White.

**1-A(O)**  
Cecil M. Floyd.

**1-A(H)**  
Lenton S. Pool, Howard G. Morris, Emmett R. Day, Fay B. Maxey, Kermie E. Deaton, Charlie Thompson, William O. Cherry, John H. Aldridge, Britt Terry, Jim H. Moss, Frank C. Miller, Casper J. Doose, Daniel Laceywell, Ollie McLain, Kenneth R. Ballard, James T. Carter.

**2-A**  
Everett E. Deaton, Thomas G. Moore, Millard C. Ingram, Willie C. Weis, Loyd C. Jones, Elmer L. Elliott, Arthur M. Drake, Albert C. Steelman, John L. Mann, Truett A. McCuiston, Raymond J. Powers, Robert H. Belew, Elmer W. Wise, Glenn E. Reeve, Eugene R. Coffman, John B. Buske, William H. Jarrell, Grady A. Conner, Alvis O. Bell.

**4-A**  
Abner L. Battey.

**2-B**  
Glyn O. Griffin, Lewis H. Bradshaw, John E. Steinbock, Charlie M. Rogers, Jim P. Austin, James M. Brown, Clyde L. Massongil, Penro Evans, Charles K. Crumes.

**1-C**  
Ernest E. Woelfel, Harold V. York, Joe H. Collier, Ronald R. Rule.

**2-C**  
Clarence E. Dixon.

**3-C**  
Harold W. Carpenter, Chester B. Fowler, Leslie V. Ford.

## Pay Your Poll Tax This Month If You Vote

This is election year—school, county and state. Do you want to vote? If you do then you must pay your poll tax during the month of January.

Both men and women are required to have poll tax receipts before voting in any election in Texas. So, if you are not exempt by reason of age, then you are required to pay your poll tax, or get an exemption before Feb. 1st.

Persons aged 60 or more on Jan. 1, 1943, do not need an exemption to vote. Persons needing an exemption are those who have moved into the county since Jan. 1st, 1943; who have become 21 years of age since Jan. 1, 1943, or who will become 21 before election time.

## Men's Meeting Will Have Scout Program

The regular monthly meeting of the local Men's Club will be given over to the Boy Scout movement on Thursday evening of this week when the meeting will be held in the basement of the Methodist Church.

Chairman C. M. Henderson said that Scout executives in this area will be present and give brief talks, after which programs will be presented by the Farwell and Texico troops, under the direction of local scoutmasters.

The regular lunch will be served, and Henderson stressed the importance of members bringing more than the usual amount of food in order to "feed those Scouts who will be our guests for the evening".

## Grady Will Entertain Local Teams Friday

Boys and girls teams of the Texico school will be visitors on the Grady court Friday night of this week, for matches that are expected to be high on the sports entertainment list.

Having beaten Grady here, the Texico boys could be looking for a repeat. However, as Coach C. E. Sanders points out, Grady has taken a win over Clovis, and Clovis defeated Texico, so it appears that not much odds can be cast for either team.

The local girls having been on the losing end of a number of games thus far, are hoping to turn the tables on Grady when the two meet.

The color of ocean water far from land is an almost pure blue.

# Bond Quota Presents Heavy Problem

## Clubber Achievement Program Planned

### So You Wonder Why Buy Extra War Bonds? Farwell Marine Answers Question

Do you honestly NEED a reason to buy war bonds? If you do, then the following letter, written by Pharmacist Mate 2nd-class Raymond Hall to his parents, Mr. and Mrs. W. W. Hall, should send you scurrying to the nearest bond salesman.

Just read it—and then make the decision for yourself.

"Dear Mother and Dad,  
"Just a few lines to let you know I am still in one piece and very lucky to be. I can now tell you I was on Bougainville and saw action—and I do mean action—boy, what a time! I slept in a little hole in the ground (I should not say sleep, for little sleeping I did, you could never tell when a Jap would decide to bunk with you and the bombs, etc., wow!).

"Mentioning bombs, I suppose the narrowest escape I had was when a 500-lb. bomb hit 5 yards from me and missed me, while cutting my shoe string and putting 5 holes in my pants. I was knocked out for a few minutes, and then dug myself out and went to patch up the wounded in the dark, with planes still overhead. Such as that will put grey hairs in your head.

"When a machine gun, firing a thousand and more times a minute, is kicking dirt in your face and when a sniper shoots between your legs at midnight, nights seem like years (and those are not just stories). Besides those things, walking through swamps over your knees all day long, never knowing when a Jap has a bead on you—and in these jungles you can't see one 5 feet away—and your clothes being wringing wet all the time (for it rains every day), digging a hole to crawl in at night, some days eating and some not, patching up your buddies and getting to some too late, and wondering when a shell or bomb is going to hit your hole, and a million other things, there isn't much to war.

"Boy what a life, I hope I get to come home after that but may have to do it again first. If so, hope my luck holds out.

"Not wanting sympathy, I know you are wondering what it's like, so just mentioned a few every-day occurrences."

**STILL NEED A REASON TO BUY BONDS—AND BONDS—AND MORE BONDS?**

## Roberts Announces To Succeed As Clerk

D. K. Roberts, incumbent, has announced himself as a candidate to succeed himself as county and district clerk, subject to the action of the Democratic primary election in July.

Mr. Roberts, in announcing his candidacy, stated that he had no formal announcement to make at this time. "Just tell the voters I am in the race," he said as he authorized his announcement.

Roberts has made an efficient official and is making the race on the record he has made during his tenure. He will appreciate your vote and influence at the forthcoming primaries.

## TO OPEN GROCERY?

A persistent rumor that could not be confirmed this week is that Les Means of Clovis, is making arrangements to open a grocery store in Texico in the near future. It is understood that he will probably occupy the Cranfill building across the street from the Panhandle Lumber yard.

Mrs. George H. Pittman

Texas, if the history of infantile paralysis runs true to form, faces a second polio epidemic. This warning is sounded by Mrs. George H. Pittman, Dallas, Texas representative of the National Foundation for Infantile Paralysis, in a communication to the 223 county chapters within the state urging all-out support for the celebration of the President's birthday. The fund driving campaign opened in Texas Jan. 14 and will close Jan. 29. The Foundation is sending many thousands of dollars into the state at this time, she said, and is supplying great quantities of supplies, many technicians and doctors, iron lungs and hot packs. It is establishing six training centers for the instruction of nurses in the application of the Sisker Kenney treatment. Funds raised through the celebrations finance this program.

## Tax Deadline Nears; Delinquent Feb. 1st

The deadline for paying 1943 taxes without penalty is rapidly approaching, attaches at the tax collector's office reminded taxpayers.

Unpaid current taxes will go on the delinquent rolls on the morning of Feb. 1st, it was announced again this week. After taxes become delinquent, a penalty for non-payment will be assessed, in addition to drawing interest at the rate of 6% per annum.

Mrs. Bess Mansfield, deputy collector, stated today that many people of the county had been paying their taxes during the past two weeks, and she predicted this year's collections would be one of the best in recent years.

## Coupon Surrender Is Required on Car Sales

Motorists and automobile dealers of Farmer County were reminded today by John Armstrong, chairman of the local ration board, that the new plan designed to assure return of outstanding gas coupons for all new and used automobiles and trucks that are sold is now in effect.

Since January 1, persons buying new or used vehicles have had to obtain a duplicate receipt for surrendered gasoline rations from the seller in order to be eligible for a gas ration, he explained.

"Under the plan, the owner of a vehicle intending to sell it must return to this board, in person or by mail, all unused ration coupons issued for the vehicle," he said. "After coupons are received, the board issues, in duplicate, a 'receipt for surrendered gasoline rations'. Both copies of this receipt, together with the tire inspection record, are to be given by the seller to the person buying the car or truck."

## Dealers Are Included

Like private individuals who sell their cars, automobile dealers are to obtain duplicate receipts for surrendered gasoline rations for each car they have for sale, and will deliver both copies of the receipt to the buyer when a car is sold.

Armstrong explained that the new owner will give the original copy of the receipt to the state motor vehicle registrar when applying for a new registration certificate. The duplicate and tire inspection record are to be given the local board when the buyer applies for a new gasoline ration.

Without this receipt, the board cannot issue a new gas ration.

## WOMEN WEAR NOSE RINGS

Noble women of Upper India wear huge nose rings, some of which are as large as their heads.

Faced with the greatest assignment ever undertaken in Farmer County, members of the War Bond Committee today girded themselves for the task of raising the county's quota of \$247,000 during the campaign that officially opened Jan. 18th.

"Farmer County has never failed and I do not think for a moment that we will fall down in this drive, but it is going to take a mighty effort on the part of every individual in the county to see the thing through," Chairman G. D. Anderson stated today.

## Bond Rallies Planned

He said that plans were underway for bond rallies in every community in the county as he and the members of his committee realized that

## BOND RALLY SET

Members of the Farmer County War Bond Committee today announced plans for a huge rally to be held at the Farwell high school on the evening of Thursday, Jan. 27.

A musical program under the direction of Lt. Yates of the Clovis Air Base, featuring enlisted men at the Base, will be rendered, and war bonds will be auctioned off to the highest bidder. Numerous items of valuable merchandise are being collected and will be awarded to purchasers of the bonds.

"We plan to make this the biggest event of its kind ever staged in the county," one member of the committee announced today as plans were being laid.

A far more vigorous campaign will be necessary if the county is to attain its goal in the Fourth Drive.

Anderson pointed out that while the quota for the Fourth Drive is not as heavy as the Third Loan campaign, staged last fall, there is less money in the county now than at that time. Furthermore, he cites that Farmer County invested about \$50,000 in the last campaign that cannot be duplicated this time.

Sales in bonds up to Wednesday morning had reached only \$10,700, Anderson announced as he issued an earnest plea for purchasers to contact solicitors at an early date and turn in their subscriptions.

## Contact Solicitors

"I can't understand why people will sit still and wait for a solicitor to call on them when they already have decided in their own mind the amount of bonds they are going to buy," Anderson reasoned.

He warned that the quota will not be attained unless every man, woman and child buys bonds to the very limit of their ability. "We do not discourage the purchase of small bonds, but we certainly do encourage the purchase of large ones," the county chairman said, explaining that he understood perfectly well that there were some people in the county whose financial condition would not permit bonds of the larger denominations.

"We want to sell all the small bonds we can, but we MUST sell the larger ones, too," he concluded.

## TEACHER ABSENT

Mrs. C. E. Sanders was absent as a member of the Texico faculty the latter part of last week and first of this week, due to illness of her daughter, Mrs. LeRoy Faville and Mrs. A. D. Smith acted as substitute teachers. Mrs. Sanders returned to work on Tuesday.

## Collision Which Killed 72

Wreck of the Atlantic Coast Lines' two streamlined trains which killed 72 and injured approximately 100. Workers using torches are shown attempting to reach victims. Cars of one train were derailed and a few minutes later the second train crashed into the derailed coaches despite bonfire signal which had been built by passengers of the first train.

SCENTS MAKE SENSE

**STUNNING** Helen Bennett, from the Broadway hit show "Early to Bed," has a new slant on what puts the "amour" in glamour. "Perfume," says the famous cover girl, "has played a magic part in many a romance. On the stage or in front of the camera, eye-appeal is all that counts. But in everyday life, the right perfume adds the allure that makes a woman more than just another pretty face."

How can you tell which is the right perfume? Experiment until you find a fragrance you like so

much you'd wear it even when you're alone. Be consistent wear your perfume all the time, not just for special occasions. And, particularly nowadays, choose one that's gay, spirit-lifting and, above all, feminine. Renoir's Chichi, which Helen holds in her hand, is just such a blend. even its heart-and-dart bottle spells romance.

"On and on the stage," concludes Miss Bennett, "I try to please my audience and use a perfume which will be sure to capture the hearts of yours."

Health Notes

by Texas Department of Health

**AUSTIN**—Commenting on the fact that there were approximately 25,000 cases of flu reported in Texas last week, Dr. Geo. W. Cox, State Health Officer, said today that there is no way to estimate the number of additional cases not attended by a physician therefore not reported.

Dr. Cox urged every Texan to do his utmost to protect himself and his family from the dangers of influenza and its possible complications and stressed the fact that it is not a disease to be regarded lightly.

"It is a serious mistake to try to fight flu, on your feet. Complete bed rest, lots of liquids, a light diet and treatment prescribed by a competent physician are the steps most necessary to early recovery," Dr. Cox said.

"Pneumonia is a frequent complication of influenza, and with vitality low from the effects of flu, pneumonia can be an unusually serious menace," Dr. Cox said.

The State Health Officer said that avoiding undue exposure to cold, wet weather, maintaining good ventilation, obtaining sufficient sleep and eating a nourishing, well-balanced diet will aid in building up physical resistance and may help to ward off influenza. If, in spite of these precautions, fever, boneache, and other flu symptoms appear, the

patient should go to bed immediately and consult his family physician.

GARDEN IS GOOD INVESTMENT

**COLLEGE STATION**—January is a good time to begin the preparation of garden soil. Weeds and grass may be removed at this time, looking ahead to February and March planting. A good gardener can expect a yield of one-half to one pound of vegetables per foot of row. That means extra space in the back yard devoted to a garden will yield good returns, says the A&M Extension Service.

It is also possible to increase vegetable yields by the addition of fertilizer to the soil. In sandy areas, three to five pounds of commercial fertilizer per 100 feet of row is recommended. It should be chopped into the soil 10 days before planting time. But in heavy soil, or where moisture is limited, commercial fertilizer is not desirable. You can use barnlot fertilizer or compost, using 25 to 50 pounds of well-rotted manure to each 100 feet of row space.

Put the old dust mop in the wash to thoroughly remove the oil, then slip the top back on the handle. It is now ready to use in cleaning walls and ceilings.

AT FIRST SIGN OF A

NO KIDDING...ARE YOU REALLY DOING THE BEST YOU CAN, TOO?.....

WAC APPEAL MADE

**SOUTH PLAINS ARMY AIR FIELD**—Another urgent appeal to West Texas women to answer the nation's call for additional help in winning the war has been sounded.

Officials have announced that there are many vital jobs which now need filling and that women are capable of handling the duties essential to keep the AAF training program running at its usual efficient speed.

Women of the area who are interested in helping end the war quicker are urged to contact the nearest Women's Army Corps recruiting office immediately or write to the Public Relations Office at SPAAF.

SERVICE CLUB OPEN

**SPAAF, LUBBOCK** — Soldiers stationed at SPAAF now have the opportunity of attending one of the finest service clubs for enlisted men on any field in the Southwest.

The new enlisted men's club has lounge chairs, a snack bar, dance floor, writing tables and other conveniences which make the soldiers' stay at camp as comfortable as possible.

One manufacturing suggestion by an employe of an Army ordnance facility brought about the saving, for each 1,000 armored vehicles, of 12,000 pounds of armor plate, 12,000 bolts and nuts, 1,500 machine hours and 7,500 man hours.

WHY...

should you be asked to buy War Bonds?

**AS** YOU read this you are probably sitting by a warm fire, enjoying more of the comforts of life than you have ever known before. You nor any member of your family have missed a full meal since the war began.

Will you pause long enough to compare your present condition and surroundings with that of the fighting lads from your own community who are this very minute going through the most horrible experiences they have ever known? Many of these lads,—perhaps some of them are your own flesh and blood—will never return to your family fireside... yet they are not complaining.

With these facts in mind, will you please explain why it is necessary that you be solicited to buy War Bonds? Whose war is this, anyway? You have doubtless already made up your mind the amount of bonds you intend to buy during the Fourth War Loan... then why should you not go directly to the bond salesman in your community and make that purchase without waiting for the solicitor to make a special trip at his own personal expense to contact you?

The Parmer County quota is \$247,000, of which amount \$113,000 must be of the series E. This means that your bond purchases during this drive must be the very limit of your ability—anything less will not get the job done, and we might as well understand that at the very outset of the campaign.

It's time that we make up our minds that this war is not going to be won by wishful thinking and the "let-George-do-it" attitude. It's going to take action, blood, sweat, tears... and our MONEY! So, please do not sit still and wait for somebody to solicit you, but act now! Sure, you are busy. But so are the members of the Bond Committee, and if you sit down and wait for a solicitor you are retarding the progress of the campaign just that much.

Get up and do something! Do the thing you know you ought to do! Do the thing that will make you proud when you meet one of our boys in uniform! Be proud of the privileges you are enjoying at the present moment. Back our lads to the limit... nothing less will suffice in this, the most critical period in our history!

WE'RE COUNTING ON YOU!!!

**FEED**

### PLANT HYBRID CORN FOR GREATER YIELDS

COLLEGE STATION — Planting hybrid corn this year will give Texas farmers an opportunity to make production more profitable as well as increase the feed supply.

According to Texas A&M College Extension Service, this new type of corn is more productive than ordinary varieties. Accordingly, on the basis of 20 per cent average increased yield the total annual production in the state easily could be enlarged several million bushels if native types were replaced with good strains of Texas hybrid corn on the more productive land.

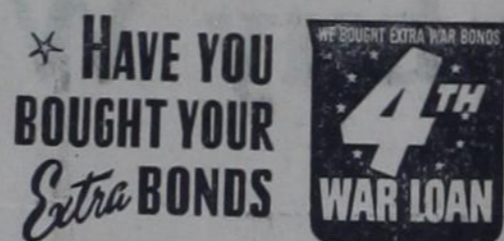

There is an important difference between native and hybrid corn seed which farmers should keep clearly in mind. Hybrid produces its maximum yield the first year only. Consequently, new seed must be planted each year if full production is to be maintained. After the first year, it loses some of its vigor and begins to break up, the breaking becoming worse from year to year. For that reason, seed produced from hybrid corn should not be planted nor sold for planting.

On account of greater yields in experimental tests and on demonstrations, growing of hybrid corn now is developing rapidly. Last year the demand for seed exceeded the supply, and according to reports it looks as though it again will be short. The names of certified hybrid seed corn producers may be obtained from county agricultural agents or from the State Department of Agriculture at Austin.

Among characteristics of Texas hybrid corn other than greater yield are (1) the stalk and type of ears are very uniform; (2) stalks stand up straighter and are not blown over as easily as other varieties because of a stronger root system; (3) nearly all ears reach roasting stage about the same time, and (4) it is more drought resistant than most native varieties.

The agronomist suggests that until farmers are convinced that hybrid pays better than ordinary corn, it is a good plan to plant a few rows of the latter next to the hybrid and weigh several rows of each for comparison.

The wisdom of paying as you go depends on where you are going.

### FIVE MEMBERS ADDED TO NURSING FACULTY

GALVESTON—Addition of five new faculty members this year to the staff of the John Sealy College of Nursing of the University of Texas here brings the personnel of the college to a strength of 18 members, Miss Marjorie Bartholf, director, has announced.

"The new additions are invaluable to us in carrying out the war-accelerated program of training nurses for vital military and civilian duty," Miss Bartholf said.

Nearly 200 students are currently enrolled in the college, most of whom are enlisted in the optional U. S. Cadet Nurses Corps, pledged to essential military or civilian nursing at the completion of their course. It is not obligatory for students to enter the corps, however, Miss Bartholf stressed.

The new staff members include Miss Clara Smith, associate professor of nursing and assistant director of the college, in charge of assignment of nursing service; Miss Irene Healy, assistant professor of nursing and assistant director of the college, in charge of educational administration; Miss Ella Mae Dunlap, assistant professor of nursing, in nursing arts; Miss Marie Buckley, instructor in nursing, assigned to develop the clinical teaching program in hospital wards; and Miss Marjorie Bloom, instructor in clinical nursing.

Hospital supervisors and faculty members of the Medical School also assist in the College of Nursing training program, Miss Bartholf explained.

### SEES DECLINE OF HOME CANNING AFTER WAR

AUSTIN—Home canning and other home food preservation processes will be abandoned on a wide scale after the war, believes a University of Texas test engineer.

Dr. Luis H. Bartlett, developer of a highly-efficient, low-cost commercial type flash-freezing machine for fruits, vegetables, meat and seafood, predicted that as soon as the war is over, housewives generally will again turn to the grocery shelves for their canned, quick-frozen and dehydrated foods.

"It's my experience that commercial canned goods are as good or better than home canned ones, and a lot less trouble," he said.

He does not foresee an extensive market for home quick-freeze units chiefly because (1) preparation of the food requires considerable technical study, "and I cannot see housewives taking the trouble to acquire this knowledge after the present war is over"; (2) economical, efficient quick-freezing is a continuous process, and is not adapted to freezing small quantities; and (3) low temperature storage units must also be available after food is frozen.

### PROFESSOR CONSULTED ON FOOD PROBLEMS

AUSTIN—A University of Texas bacteriologist has been called to Chicago to assist in analyzing the country's war food problems.

Dr. O. B. Williams, professor of botany and bacteriology, was one of a small, select group invited by the U. S. Department of Agriculture to a conference on wartime foods. He was the opening speaker on a panel to discuss food preservation problems.

The University professor was for a number of years chief bacteriologist for the research laboratory of the National Canners Association in Washington, D. C.

The fool and his money are soon parted. Even so, neither of them have lost much.

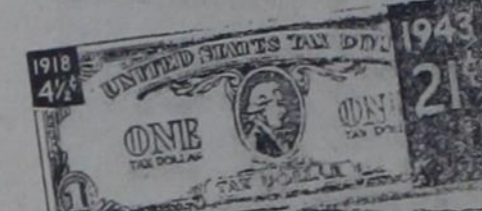

### FD's Son, Grandson

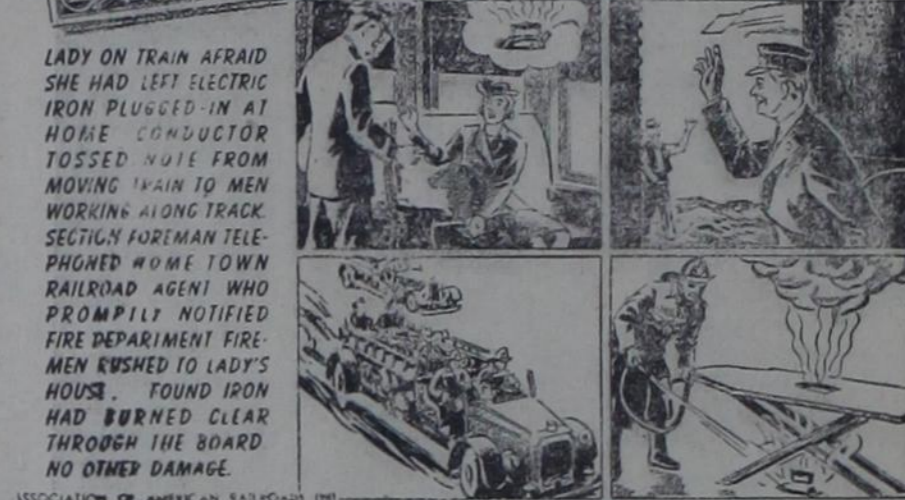

Lieut. Franklin Roosevelt Jr. shows his son, Franklin 3d, age 5, one of his grandfather's boat models. This picture was made at President Roosevelt's Hyde Park home.

## Railoddities

MANY RAILROAD CARS INCLUDING CLUB AND LOUNGE CARS FROM SOME OF THE GREAT TRAINS HAVE BEEN CONVERTED INTO HOSPITAL CARS, COMPLETE WITH OPERATING ROOMS.

TAXES NOW TAKE 21 CENTS OF EVERY DOLLAR RECEIVED BY RAILROADS FOR TRANSPORTING FREIGHT, PASSENGERS, EXPRESS AND MAIL—COMPARED WITH 47 CENTS IN THE FIRST WORLD WAR.

ASSOCIATION OF AMERICAN RAILROADS 1918

### WAR LOAN GOAL IS SET FOR LUBBOCK SOLDIERS

SOUTH PLAINS ARMY AIR FIELD—Officials have set an even higher goal for the Fourth War Loan campaign here, with a total of \$100,000 in war bonds as its quota.

The goal had previously been set at \$75,000, but with civilian and military personnel working on an all-out program of war bond buying during the drive, an additional \$25,000 was added to the total.

With the start of the drive Tuesday, officials launched a campaign to boost officers' allotments, purchases on the allotment plan by enlisted men and cash sales among civilian workers at SPAAF. Several bond rallies have been planned.

And one of the highlights of the campaign will be a colorful military parade in downtown Lubbock at 3 o'clock Saturday afternoon, Jan. 22, with soldiers and weapons spotlighted. The parade, giving citizens of the city and South Plains an opportunity to see to what use their fighting dollars are being put, will be one of the biggest in Lubbock's history.

### PORTABLE X-RAY

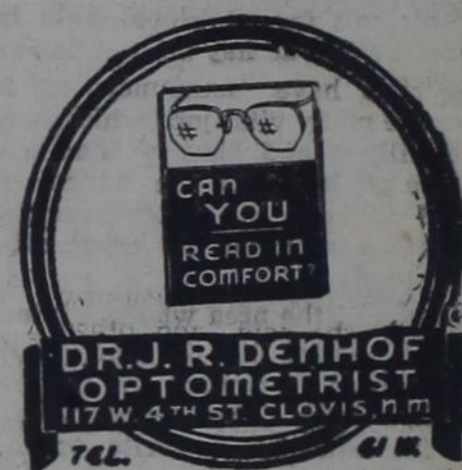

The army's portable X-ray can be assembled in six minutes and will locate foreign matter in 40 seconds.

### MEXICO UNIVERSITY OFFICIAL AT TEXAS U

AUSTIN—The third ranking official of the National University of Mexico is spending four weeks at the University of Texas as visiting lecturer under sponsorship of the E. D. Farmer International Scholarship Committee here.

He is Dr. Manuel Gonzales Montesinos, director of the office of protocol and publicity, and professor of comparative literature. Dr. Montesinos is delivering two public lectures each week on literature and culture, and will conclude his series with an address on "Workings of the Good Neighbor Policy".

For a better class of job-printing, dial 2131.

THIS is what we've been working for all along. This is the year to hit and hurt the enemy. This is the time when everything you do counts double. If we all get together and do all we can, we'll be over this hurdle and well on our way to complete and crushing victory.

No question about the men in uniform—they'll go "all out." But can we count on you to back them all the way? Your quota is where you work—you've got to buy your War Bonds and then buy more, until every last loose

cent you have is fighting. Tough? Of course, it's tough—unless it is a sacrifice you're simply not doing your share!

Make the sacrifice now—buy more than the extra \$100 Bond your country counts on you for—winning the war is worth any sacrifice you make. Besides, you aren't giving, you're lending to America! You'll get back every dollar you invest in War Bonds, with interest.

An extra \$100 War Bond now is the minimum for everybody—can't we count on you for more?

This sticker in your window means you have bought 4th War Loan securities.

Let's All BACK THE ATTACK!

## Installation Services Are Held at Church

Installation services for new officers of the Womens' Society for Christian Service and the Wesleyan Guild were held at the Methodist Church on Sunday night, with Rev. Paul H. Tripp in charge.

As each new officer was sworn in, Rev. Tripp presented her with a small "gift" from a basket held by Marcia Anne Johnson. The "gift", when opened, proved to be plans and ideas for work during the year.

Mrs. B. N. Granam will serve as president of the WSCS, while Mrs. O. B. Pipkin was named vice-president; Mrs. Paul Tripp will serve as recording secretary; Mrs. Anne H. Overstreet is corresponding secretary, and Mrs. W. H. Graham is treasurer.

Secretary of mission education is Mrs. A. D. Smith; secretary of social relations, Mrs. Ralph Humble; secretary of supplies, Mrs. B. A. Rogers; secretary of literature and publicity, Mrs. Roy B. Ezell; secretary of children's work, Mrs. Tripp; and secretary of young people's work, Mrs. B. N. Graham. Mrs. Ezell was named as superintendent of spiritual life.

Incoming president of the Guild is Mrs. V. Scott Johnson. Other officers include Mrs. Ellis M. Mills, vice-president; Mrs. Lenton Pool, secretary-treasurer.

## Lutheran Ladies Meet On Wednesday

The Lutheran ladies of Lariat met last Wednesday afternoon in the home of Mrs. J. A. Kaltwasser.

During the business meeting, new officers were elected as follows: Miss Velma Kube, president; Mrs. E. Keilbrey, secretary, and Mrs. M. Kriegel, treasurer. A report on the activities of last year, which were very successful, was made.

Refreshments were served to nine members by the hostess. The next meeting will be held with Mrs. M. Kriegel.

## Home Ec Classes Will Do Red Cross Work

Mrs. C. J. Doose, director of the homemaking department of the Farwell school, announced this week that members of her classes plans to start or junior Red Cross sewing in the near future.

The group will begin by making wool afghans, she said, and other sewing will be done if the material can be secured.

Junior Red Cross funds come from contributions, and the material necessary to do this sewing will be purchased from this fund.

## License Issued

A marriage license was issued at the Parmer county clerk's office the past Saturday, January 15, to Miss Ross Ann Pompeo and Sgt. James A. Curtis. It is understood that the couple drove to Amarillo for the ceremony.

Earl Atchley, of Los Angeles, is here visiting his parents, Mr. and Mrs. G. W. Atchley.

## Clovis Minister Guest Speaker for PTA

Minister Manzy Sims of the Church of Christ, of Clovis, addressed the Farwell Parent-Teacher Association last Thursday evening on the subject, "Too Busy to Accomplish Anything".

Only a small crowd attended, due to weather conditions and disrupted lighting facilities that threatened a complete black-out.

Minister Sims, in his well-worded talk, stressed that "we are too busy to give time to accomplish things worth while," and said that this applied particularly to school activities. He stressed the importance of practical education as against "book learning".

Mrs. J. T. Carter announced that 75 to 100 new books, both fiction and non-fiction, had recently been added to the school library, and invited the public to make use of the literature.

At the conclusion of the program, the executive committee, in special session, authorized the purchase of 200 new song books to be placed in the school for use of the student body.

## Visitor Is Honored With One O'clock Luncheon

Mrs. Alva Pamplin, of Cairo, Ill., who is here visiting her daughter, Mrs. Paul H. Tripp, was guest of honor at a one o'clock luncheon given Tuesday by Mrs. A. D. Smith.

Guests were seated at a lace-covered table, and a bouquet of evergreens was used as the centerpiece.

Those present included the guest of honor, Mrs. Pamplin, Mrs. Tripp, Mrs. Roy B. Ezell, Mrs. Anne Overstreet, Mrs. B. N. Graham, and Mrs. W. H. Graham.

## Visit in Farwell

Mr. and Mrs. W. S. Anglin and son, Roy, and granddaughter, Pethie Nelms, all of Tahoka, were guests of Miss Hazel Anglin in Farwell, Sunday.

## Assembly Speaker

Rev. W. C. Wright, of the local Baptist Church, will be the guest speaker at the regular assembly program of the Farwell school on this Thursday, Supt. J. T. Carter said today. Rev. Wright will address the student body at 11 o'clock.

## Marriage Performed

County Judge Lee Thompson officiated last Thursday, January 13, at the local courthouse, in the marriage of Douglas L. Walker and Johnnie Mae Hall. The couple, negroes, were both from Clovis.

## Go Through Clinic

Mrs. W. J. Matthews, Mrs. N. R. Harding and Mr. and Mrs. H. H. Carlyle and son have just returned from Temple, Texas, where they went through the Scott and White Clinic.

Mrs. Raymond Ross and daughter, of Morton, are visitors in the home of Mr. and Mrs. B. N. Graham.

## NEWS FROM OUR BOYS IN CAMPS

### LEAVES STATES

Mrs. Earl Bradshaw of this city, has recently received an APO address for her husband, indicating that Captain Bradshaw has gone overseas for active duty.

### VISITS HERE

Billy Potts, of the Navy, is back in the States after having spent several months at sea on the Boise, a cruiser, which was engaged in active war combat in both the Atlantic and Pacific. Potts is now stationed at Miami, Florida, where he is in radio and material. He bears as evidence of battle two small shrapnel scars, and is of the opinion that the Boise "is the luckiest ship afloat". The Potts family formerly lived in Texico, and young Potts' brother, A. C., was one of Parmer County's first casualties, losing his life at Guadalcanal.

### CHUTE PROVES HEADACHE

Pfc. Woodrow Lovelace, serving with the Air Corps in Australia, writes that he recently had some bad moments over a parachute he had packed. Used by a captain, who was forced to bail out, "Wood" worried considerably when efforts to locate the captain were unavailing for some hours—but the man was eventually located.

### FIVE SECONDS A LONG TIME

Pfc. Vance Crume, at Fort Lewis, Wash., writes about the length of five seconds. "when you hold a live hand grenade in your hand, after pulling the pin, waiting for the order to throw it". "Afterwards," Crume says, "you are surprised at how much you can think of in just five seconds."

### BACK IN STATES

Miss Lorene Hodges received a message the first of the week from her brother, MM1-c Volley Hodges, stating that he had landed on the West Coast and would "be home soon". Hodges has been out of the States for 14 months, and it is known that part of that time has been spent in the Aleutian Islands.

### MAJOR THORNTON BACK

Major Julian R. Thornton, son of Mr. and Mrs. J. R. Thornton of this city, has wired his parents from the East Coast that he is back in the good old USA. He has been stationed in England the past two years and is in the Air Corps. It is considered likely that he will be permitted to visit home folks while in the States.

### IN THE NAVY

Information has been received here that Milton Beck, former local boy and son of George Beck, has

## A Winter Season Shortcake

NO need for passing up that all-time family favorite, the shortcake, just because strawberry season has passed. Readily available in every market are apples and cranberries, which combine to make a delectable shortcake—yes, one as colorful and as good to eat as any of your old summertime varieties.

Serve this spicy seasonable sauce on double decker biscuit type shortcakes for a new family thrill, and top it with a bit of hard sauce—the brown sugar variety.

Of course, fruit alone doesn't make a shortcake. It's the lightness, flakiness, tenderness of the shortcake biscuits that's real "proof of this pudding." To be sure of the best results, use a good shortening, like the new blended shortening, scientifically prepared and home tested to assure the best in performance. Blended shortening is good in that brown sugar hard sauce, mentioned too.

Apple and Cranberry Shortcake  
To prepare the Sauce:  
Boil together for

cup sugar and ½ cup water. Add 1 cup diced apple, cook about 5 minutes. Add 1 cup washed cranberries, and a stick of cinnamon. Cook until cranberries pop, about 5 minutes.

### Shortcake Biscuits

½ cup blended shortening  
2 cups sifted flour  
3 teaspoons baking powder  
1 teaspoon salt  
¾ cup milk  
1 tablespoon blended shortening

Make a biscuit dough by cutting the ½ cup blended shortening into the sifted flour, baking powder and salt. Add milk, stirring quickly but thoroughly. Turn dough onto a floured board. Knead gently. Roll out about ½ inch thick. Cut into eight 3-inch rounds. Brush tops of four rounds with melted shortening and place second round on top. Bake in a hot oven (450°F.) about 15 minutes.

Separate the rounds. Cover the bottom with apple cranberry sauce. Place top round on and cover it generously with the sauce. Top with hard sauce, if desired.

recently gone into service with the Navy. His station was not learned.

### TAKES OFFICER TRAINING

Mr. and Mrs. J. I. Gober of this city, have been advised that their son, S2-c Webb Gober, who is in the Navy, has been transferred to Harvard University, for assignment in officer training. Gober has been stationed at Savannah, Ga., for the past several months.

### ENSIGN COOPER VISITS

Ensign Duke Cooper, brother-in-law of Mrs. Aubrey Rhodes, visited with them Sunday at Bovina, en route to Binger, Okla., to visit his wife and relatives.

A former high school commerce teacher, Ensign Cooper has been serving with the Seabees in the Southwest Pacific since December, 1942, notably on New Caledonia, Guadalcanal and the Russell Islands.

He was returned to the States for special training, which he will receive at Tucson, Arizona.

### To El Paso

Rev. Paul H. Tripp, pastor of the local Methodist church, departed on Monday morning for El Paso, where he will attend a conference of church workers on special business.

### Dinner Given Tuesday

Mr. and Mrs. Andrew Suttor and Mr. and Mrs. C. C. Newton, all of Clovis, and Mr. and Mrs. D. K. Roberts of Farwell were guests in the A. D. Smith home, Tuesday night, when Mrs. Smith entertained with a lovely 7 o'clock dinner.

Mrs. John Aldridge and daughters and Mrs. Minnie Aldridge were visitors in Lubbock on Saturday where Mary Belle, daughter of Mr. and Mrs. John Aldridge, was given a medical check-up.

Mrs. Mona Hobbs and Mrs. Clona Leonard, both of Corpus Christi, Texas, are here visiting their mother and other relatives.

### Farwell To Return Cage Matches, 21st

The first and second string boys of the Farwell basketball department will go to Oklahoma Lane on Friday night of this week, to return cage matches staged here a week ago.

Having lost both skirmishes to the visitors on the home court, Farwell players are priming to avenge the insult when the teams meet this weekend.

#### To Enter Tourney

Coach J. T. Carter reported that the first string boys are scheduled to enter an invitation tournament, to be held in Muleshoe on Friday and Saturday, January 28-29.

No drawing for placements has yet been made, and it was not learned here how many teams would be entered in the meet.

Army ordnance is now producing more than 18,000,000 artillery shells a month, as compared with 2,700,000 during World War I.

### Texico Beats Friona; Loses To Melrose

One of the few losses of the season, and another win for the locals, were checked up on Wednesday and Friday nights of last week by the Texico boys, when they met Melrose and Friona, respectively.

Following three quarters which saw Texico in the lead the majority of the time, Melrose grabbed the game in a last minute rally, by 22-20, breaking a tie at 20-20 with two free shots.

The Friona game, on the other hand, ended 33-13 for the Texicoites, and the outcome of the game was never in doubt, with Texico obviously having the upper hand.

Bowers was high-point man in both games, despite the fact that he went out on fouls in the early third period of the Melrose tangle. Against Friona he scored 12, and against Melrose had a count of 9.

Drace did his most outstanding playing of the year against Melrose, while Roop turned in his best performance in the Friona contest.

Stark led the Friona attack, while the backbone of the Melrose team was the Clayton-Pinkston combination.

#### Second String Splits Games

The second string boys also came out with a win and a loss during the meet, taking Melrose 15-11 and losing to Friona 17-19.

Burlison led the count at Melrose, taking 5 for the winners, while Miller, of the locals, was second with 4. Francis and Johnson, for Texico, and Buchanan, of Friona, led the attacks of the two teams Friday.

The local girls lost their match to Friona, Friday, by a 23-28 win, with the game being fairly close throughout. B. Flye sparked the offense for Texico with a total of 12 points, while Massey and McFarland did the major scoring for the visitors, and Todd showed up well at guard.

It is estimated that 200,000 persons will be employed in the U. S. light metals industry by March, 1944, as compared to the 30,000 employed in the industry in 1939.

### Cowboys Round Up Steers On Friday

Matches arranged for Friday night between "A" and "B" string boys of the Farwell and Oklahoma Lane schools, at Farwell, turned in victories on both counts for the visitors.

The Farwell Steers, senior team, was handicapped by the loss of Young, stellar forward, who has recently joined the Merchant Marine, but gave their guests a scramble, with the final score at 20-17.

Visiting players were Christian, Verner, M. Sudderth, Meeks and Foster. The Farwell line-up included D. Summers, Williams, Phillips, C. Summers, and Sprawls.

Phillips was high man of the evening, with 8 points. Christian led the Cowboys, and came second in total count, with 7 points.

#### B Game is Mixup

The "B" string game, featuring mixups by players on both teams, was also won by the visitors, 13-9.

Gully, of Oklahoma Lane, was high man of the evening, with 6 points. Farwell was led by Meissner who scored 3.

Recent discoveries in the Southwest have led scientists to believe that man inhabited North America in the glacial period, much earlier than they were at first believed to have arrived.

### Oklahoma Lane Teams Defeat Bovina Squads

The players of the Bovina and Oklahoma Lane schools met at the Bovina gymnasium last Wednesday night for matches between the boys and girls, with the visitors taking both games.

The boys won by a margin of 18-15, while the girls took their game, 20-8. The Oklahoma Lane girls have won every game played this year.

#### HIGH SCHOOL HONOR ROLL GIVEN, TEXICO

The Texico high school honor roll for the current period is as follows: Freshmen: Marvin Doolittle, Mildred Murphy, Minnie Smotherman. Sophomores: Evelyn Brown, Beryl Brown, Belvin Freeman, Mary Cervantez.

Juniors: Edna Mae Caldwell, Peggy Caillouett, Bill White. Senior: James Orval Francis.

# Let's BUST 'EM Wide Open

**IT'S IN THE AIR.** You can feel it, every time the Axis is struck. This is the climax year, the year of decision.

In history, 1944 will be the big year of the war—every stroke for victory counts more now. That's why it's vitally important for every American to be at his post, doing his part right now.

You, personally, have an important job in winning the war—buying War Bonds. It's not glamorous—no, not even a sacrifice, really, because you are only lending your money, to be re-

turned with interest. But it is essential to complete victory.

Your part in this year of decision is at least one extra \$100 Bond, above your regular Bond buying. That is your minimum individual quota. But don't stop there. Remember wars are won only by all-out effort. So buy \$200, \$300, \$500 worth—buy more than you can afford. And buy your Bonds where you work—at the plant or at the office.

Your country is counting on you—let's make the year of decision OUR year!

This sticker in your window means you have bought 4th War Loan securities.
