Final Figures On Paralysis Fund Given

Nominate Candidates For School Trustees

Up to Tuesday noon, only four of the schools of the county had filed nominations for school trustee jobs with County Superintendent A. D. Smith. Tickets filed up to that time included Friona, Bovina, Farwell and Oklahoma Lane.

With two to be elected in the Friona district, the names of H. T. Magness, J. G. McFarland, C. L. Mercer, Hedley Reeve, C. C. Maurer and G. Cranfill will appear on the ticket. The district will also vote on one member for the county board of education and J. L. Shaffer has been nominated.

In the Farwell district, two are to be elected and a nominating committee has submitted the names of Lester Norton and Joe Magness. J. I. Gober is the county trustee nominee.

Three vacancies occur in the Oklahoma Lane district, and voters will have a choice of six candidates, with the names of Webb Gober, Lee Jones, Sterling Donaldson, John Mounts, W. H. Dollar and Oscar Hubbell appearing on the ballots. Robert Rundell and J. I. Gober have been nominated for the county trustee job in this district.

Voters of the Bovina district will have a field of nine candidates from whom to fill three vacancies. The nominees in this district are: Joe Wilson, Eugene Ezell, Rouel Barron, Emmitt Tabor, Earl Derrick, Roy Deleshaw, J. T. Hammonds, Bedford Caldwell and Earl Ware. O. W. Rinehart is the county trustee nominee in this district.

School elections will be held on Saturday, April 5th and the winning trustees will be elected for a term of three years.

Making Way For Road Building Program

The first steps looking toward the actual construction work on several miles of farm-to-market roads in Parmer County got under way here Monday when the Commissioners Court awarded a contract to C. M. Sanders of Pettit, Texas, for the removal of REA lines along the right-of-ways in this county.

Sanders was given the contract at \$125.00 per mile to move the high tension lines back and make room for the 80-foot right-of-way. The Electric Co-Operative is to furnish all materials in resetting the lines.

Other business attended by the Commissioners included the payment of current bills and the approval of a road petition by E. L. Merriott, et al. A Jury of View, composed of Roy White, George Crain, T. W. Blewett, Albert Carroll and L. W. Smith, was named to report on the route.

Santa Fe Reducing Curve Near Bovina

A crew started work last Thursday morning on the job of reducing the sharp curve on the Santa Fe rail line south of Bovina, where the railroad now crosses the Running Water Draw.

A new grade is being thrown up, which will be about 60 feet west of the present grade and lengthen the curve to a distance of 2300 feet as compared with the present distance of 1150 feet. The present curve, which is 2% bend, will be reduced to a 1% curvature, and will accommodate traffic up to 80 miles per hour, which is ten miles faster than the present curve.

New and heavier steel is being laid from Texico to Canyon and the new steel will be used in the curve-reducing job.

SCOUTS ON CAMP TRIP

Scoutmaster Warren G. Harding and eight of the Texico Scouts drove down to the K. K. Runnels last Friday afternoon and spent the night camping out in the open. Among the high points of the trip was a plunge in to the near-icy waters of an open stock tank at mid-night.

Need letterheads? Dial 2131.

WHO WAS THE LAD?

Adjutant Frank Seal of the Farwell Post American Legion is trying to locate the young lad who assisted in the awarding of the Ford car here on March 15th. Seal has a nice surprise for this lad. Anyone knowing the youngster should advise him to contact Seal at the FSA office in the courthouse.

Clift To Resign As Head Of Schools

Although re-elected for another year, Supt. H. A. Clift has announced his intentions of resigning when his term expires on July 1st.

Questioned about his resignation on Monday, Clift said that he had not at that time given a formal written notice, he expected to do so at an early date. He had no definite plans to announce regarding his plans for the future except to say that he had "several things in mind."

Supt. Clift came here two years ago from Megargel, Texas, and the family has made scores of warm friends here who sincerely regret to see them leave. Members of the School Board had no announcement to make regarding Mr. Clift's successor.

Blacktopping Highway 86 Across Parmer

The finishing touches of completing Highway 86 across Parmer County from east to west, got underway last week with a crew beginning the blacktopping job. The drainage structures and the laying of the caliche base was completed early this month.

Highway 86 across Parmer County starts at the Castro-Parmer County line on the east and intersects Highway 60 at Bovina, a distance of slightly less than 20 miles.

When completed this new road will shorten the distance between here and Oklahoma points and will also afford a good road to the center and eastern edge of this county for rural travel.

Bovina To Vote On Commission Form

Mayor-elect W. O. Cherry of Bovina, stated today that a special election had been called at Bovina for Tuesday, April 15th, at which time the voters will decide the form of city government for that city.

Bovina recently voted overwhelmingly to incorporate the city and a second special election was also held recently to elect the city officials. Now it is proposed to adopt the commission form of government with only three commissioners and a mayor instead of the aldermanic form where five aldermen are required.

Cherry, in speaking of the proposed change, said that it had been decided that the aldermanic form was "too cumbersome" and he believed that the commission form would serve the needs of Bovina to a better advantage.

REPORTS THEFT

Arthur Bolten, living in the Oklahoma Lane community, reported the theft of two automobile batteries from his tool house on his farm last Saturday. Bolten said one of the batteries was a new one and the other was worthless. He said that he felt lucky as the intruder had access to tools valued at hundreds of dollars.

ON FISHING TRIP

Mr. and Mrs. Aubrey Brock and Reagan Looney of Bovina, left the first of the week for a fishing trip to Possum Kingdom Lake, and indicated that they may even go to the new Texoma Lake before returning home. They are determined to give their new equipment, including a new boat and motor, a try-out before returning home.

E. N. Graham, county chairman of the March of Dimes drive in this county, staged during the month of February, today released what he believes to be the final figures on the drive, showing that contributions amounted to \$1,748.47, which is far in excess of any previous drive for this cause.

He said that it was possible there might be a "few dollars" yet unreported, and suggested that any monies still unreported should be sent direct to L. S. Pool, cashier of the Security State Bank in this city, who is treasurer of the fund. Graham said that in keeping with the regular custom, one half of the money raised in the county would be retained here for local use in assistance to polio victims.

He expressed his profound appreciation for the splendid showing made by this county this year. Following is a break-down of the contributions reported up to Tuesday of this week:

Okla. Lane Baptist Church	\$ 9.21
Okla. Lane School	133.43
Lazbuddy School	53.00
Lazbuddy Church of Christ	13.69
Farwell Student Activities	738.45
Bovina School	347.92
Rhea School	8.21
Parmer County Shrine Club	154.00
Blanton Gas Co., Friona	46.15
Friona School	172.01
Friona Lions Club	8.30
Friona	64.00
Total	\$1,748.47

Stroke Ends Life Of Long Time Resident

Grover Cleveland Houston, age 63, of Texico died last Friday afternoon in a Clovis hospital, at 4:45 where he was taken shortly after he became ill at his home.

Family members said that he apparently died of a paralytic stroke. He was stricken while in the back yard at the home and died shortly after being removed to a Clovis hospital without regaining consciousness.

Mr. Houston has lived in Texico for the past 26 years, and has been in ill health for some time, although he was able to get around quite well. Funeral services were held in the Texico-Farwell Baptist Church, Sunday afternoon at 2:30, with Rev. Virgil E. Hunton officiating. Interment was in the Texico cemetery with Steeds Funeral Home in charge of the arrangements.

Mr. Houston is survived by his wife, Ida Mae Houston, and five children, G. C. Houston, Jr., Texico; R. L. of Texico; Clyde, of Clovis; Glenn, of Texico; and Susie Lee Laughlin, Texico; also by eight brothers and sisters, Fred, of Clovis; Jean, of Clovis; Claude, of Houston, Texas; Mrs. Minnie White, Blossom, Texas; Mrs. Myrtle Sherio, of Canyon, Texas; Mrs. Bessie Heck, of Clovis; and Mrs. Mammie Russell, of Carlsbad, New Mexico.

Texico School Starts Work On POW Buildings

Rupert Paul, president of the Texico school board, announced today that work toward the removal of the POW buildings from Hereford had started this week and expected to get them placed on the school grounds within the next few days.

Starting Tuesday morning, men and equipment began leveling the ground for the placing of the buildings, and trucks were sent to Hereford to bring them down.

The buildings will be used for shop and class work to replace the one lost by fire early last fall.

Freight Derails West Of Texico

An east-bound freight tore up about one-half mile of track Sunday morning, three miles west of Texico-Farwell, about 6 a. m. when one of the axels of a car near the mid-section gave way causing two cars to leave the track.

Very little damage was reported, other than destroying several sections of rail and a number of ties. The train came to a stop about 1/2 mile from where the axel broke.

At a meeting of the Farwell Post No. 516, held last Thursday evening at the courthouse, members of the local post selected the site of the new Legion Hall, which will get under construction at an early date.

The site selected is just south of the water tower in Farwell, where the Capitol Freehold Land Trust agreed to donate four choice 25 foot lots, facing west, for the new building. The building committee, composed of O. C. Sikes, Claude Rose and Sterlyn Billington, stated that tentative plans for the building had been accepted and the structure would be 30x70 feet with a full basement underneath.

The materials to be used have not as yet been fully decided. Members of the committee are making investigations as to the cost of various materials, and are working with the view of "getting the best for the money."

Donated labor will play an important part in keeping the cost down, it was pointed out. County Commissioner T. E. Levy, it was stated, has agreed to dig the basement with county road machinery. Ray Sudderth has agreed to be responsible for placing on the grounds all the sand and gravel that will be needed. Other members of the local Post will contribute much of the common labor to be used in erecting the building.

Every effort is being made to get the construction work underway at the earliest possible moment before farm boys begin their farming operations for the year, and to get the structure completed before wheat harvest gets underway.

The local Post is keeping in mind the needs of the community in their building program and the hall will be constructed with the view of serving the community in various ways for community gatherings. Special consideration is being given the Boy and Girl Scouts in providing them a meeting place in the new building. The building fund now amounts to little more than \$6,000 and it is admitted that this amount will not be sufficient to meet the expense of the building program.

Deadline Nears On 1947 Car Licenses

Attaches at the Tax Collectors office in Farwell were bracing themselves for a rushing business during the last few remaining days of March, occasioned by the sale of 1947 auto license plates yet to be expected.

A check up at the Collector's office Tuesday at noon revealed that only 604 license tags had been issued in this county and it was estimated that this number would approximate about half of the plates to be sold here.

Officials again remind applicants for new plates to be sure and bring their certificates of title and their 1946 license receipts when applying for the new 1947 plates. It was estimated that near half the applicants appearing here do not have these necessary papers when they make their first appearance.

The deadline is April 1st, and cars or trucks operating without the proper plates after that date will be "rounded up," it was announced here today by State Patrolmen.

Show Building Progressing Nicely

Good progress is being made in the erection of the local show house since the weather has permitted. For sometime the workmen were unable to make headway, due to the cold weather.

The walls are up and the process of laying the beams and cross timbers, for the support of the roof is now underway, and with a few more days of favorable weather, a big part of the building should be completed. However, the inside finishing will take quiet some time, as well as installation of the equipment, etc., the seats, stage and projector.

TO CONVENTION

Ralph Humble, local Minneapolis-Moline dealer, plans to leave here Friday for Minneapolis, Minn., where he will attend a meeting of M-M dealers from all over the country. The Farwell man will go by auto as far as Kansas City with the Portales dealer, where they will board a train. He expects to be gone about a week.

MIRACLE VILLAGE IN PATH OF ETNA LAVA . . . Erupting Mt. Etna and streams of lava rolling down its sides, form an imposing backdrop for the little village of Passo Pisciaro directly in the path of the Sicily flaming lava. A number of new craters belching flaming lava appeared on volcanic Mt. Etna, but what the Sicilian peasants regard as a miracle, Passo Pisciaro and other hamlets at the foot of the volcano have not yet been engulfed by the river of lava.

Local Church Host To District Conference April 8th and 9th

At least two hundred out-of-town visitors are expected to be here on April 8th and 9th, when the Hamlin Memorial Methodist Church will be host to the annual meeting of the District Conference, which embraces a wide area in Eastern New Mexico and West Texas.

Twenty-seven churches are located in the District, which extends to San Jon, N. M., on the north, Wink, Texas, on the south, Vaughan on the west. Texico-Farwell is the most eastern station in the district. Church officials stated today that at least two delegates would come from all of the churches, and the number would be increased by the pastors and other visitors.

Bishop W. Angie Smith, one of the leading churchmen in Methodism, will be here for the Conference and is scheduled to deliver two sermons. His first sermon will be on Tuesday evening, April 8th, at 8 o'clock, to be followed by his second appearance at the two-day meet on Wednesday morning at 11:30.

The Conference will open at 2 p. m. April 8, and the afternoon will be given over mostly to business matters pertaining to the church's affairs. The afternoon session will recess at 5:30 and the Wesleyan Guild of the local church will serve lunch in the basement. The evening service will start at 8 o'clock.

With Bishop Smith presiding, Wednesday's session will get under way at 9 a. m. and conclude at 12:30 p. m. to be followed by the lunch hour. Bishop Smith will occupy the pulpit at 11:30.

Aged Lady, Former Resident, Injured In Fall At Home

Word was received here the latter part of last week of the injuries sustained by Mrs. G. W. Lambert, 80, former Bovina and Farwell resident, when she fell at her home in Houston, Texas, and sustained a broken hip.

Her daughter, Mrs. Aubrey Sprawls of this city, was called to her bedside last Friday when her condition was considered quite grave. Reports here are to the effect that the aged lady has shown some improvements since the first of the week and is reported to be "resting better."

This is the second similar accident that Mrs. Lambert has sustained. About four years ago, she fractured a hip bone on the reverse side when she fell at her home.

Reinforced concrete makes the most durable of fence posts, serving an estimated 30 to 40 years.

ATTEND STATE MEETS

Judge and Mrs. A. D. Smith returned home the first of the week from two separate state meetings in New Mexico. Mrs. Smith attended a meeting of the Daughters of the American Colonies at Roswell, while judge was in attendance at the annual meeting of the New Mexico Shriners at Carlsbad. Nelson C. Smith, also of this city, was among the Shriners to be present at Carlsbad meeting.

Spring Weather Brings Wheat To Forefront

The first few days of Spring weather, experienced over this section only during the past weeks, have brought Parmer County's record acreage of wheat to the forefront, and all present indications point to a record crop this year.

Fields that have been pastured heavily during the winter months and fields that have remained dormant during the cold weather are now taking on rapid growth and already some fields are described as high enough "to hide a jack rabbit".

Good underground season is reported by growers, and this moisture, supplemented by snows of the winter, have given the growing fields sufficient up to this time. Farmers, however, predict that the rapidly growing fields will be needing additional moisture before many weeks. The month of March, ordinarily one of the severest months on wheat, has been kind to wheat growers of this region with very little wind and no damage at all. The only wind that hurt the fields came during the latter part of January, catching the farmers off guard, before they had anticipated the wind with the result that none of the fields had been chiseled to withstand the onslaught of high winds.

With the heavily increased acreage and the favorable season, the prediction is being freely made that Parmer County gives promise of producing the biggest wheat yield in the history of the county. Farmers, however, are keeping their fingers crossed and wondering what the weather holds in store for them during the next two months. Admittedly, a good rain would be very acceptable at this time.

POLES DELIVERED

The poles to be used in making an extension of approximately six miles or REA electric lines southeast of Farwell have been strung along the route and the extension is expected to be completed at an early date.

MEMBER 1947

OKLAHOMA LANE

Mrs. F. E. Kepley, Gloria Kepley, Louise Rundell, Welma Atchley, Bonnie Foster and Miss Mary Cherry attended the installation of Mrs. Viola Stenson at Olton, Texas, March 18th. The supreme deputy, Mrs. Whitefield was also there.

A large number of Rainbow girls from different communities attended.

T. P. and F. E. Hopkins, Mrs. D. G. Skinner, Mrs. J. O. Campbell, Tom Joiner, Mrs. Bill Bliss, Mrs. Melvin Tadlock and family, Mr. H. C. Sims and son have returned home after visiting their sister and mother, Mrs. Emma Joiner, who is very ill.

The Oklahoma Lane Methodist enjoyed a social Wednesday night, March 19th, dedicating the recreation room. A covered dish luncheon was enjoyed by all.

Bro. Sigo of Friona, delivered an interesting message, after which games were played.

Mr. and Mrs. H. T. Edwards, Mrs. F. E. Kepley, Gloria Kepley, Joyce Edwards, Joyce Doshier and Beverly Gulley were in Amarillo, Saturday.

The girls attended a school of instruction while there.

Mrs. R. L. Barber is showing improvement and was released from the hospital Monday.

Mrs. Fred Long of Muleshoe visited with Mrs. Turner Paine and Mrs. Bill Hanna, Friday.

Miss Vashti Fowler and Earl Roberts visited in Bovina Sunday night. The Oklahoma Lane Variety Club

meets with Mrs. J. I. Gober, April 1st.

OKLAHOMA LANE JUNIOR 4-H CLUB MEETS

The Oklahoma Lane Junior 4-H Club meeting was held on February 21 at 3 p. m. We elected officers in this meeting who are as follows: President-George Young, Vice-President-Glenn Hromas, Secretary-J. B. Sudderth, Reporter-Roy Young.

The boys which were present for this meeting were: J. B. Sudderth, George Young, Glen Hromas, Roy Young, Denzil Young, Ray Verner, Charles Verner, Harold Doshier, Lloyd Kriegel, Billy Johnson, James Roberts, Lavon Jones, Troy Christian, Sammy Sudderth, Jerry Doshier, Teddy Gulley, Vain Doshier, Leonard Rundell, G. H. Miller, and Neal Walls.

Our regular meeting is on the third Monday of every month at 10:30 a. m.

Our second meeting was held on March 17, at 10:30 a. m. At this meeting Leonard Rundell, George Young and Denzil Young were not present. Leonard Truelock joined our club in this meeting. We discussed livestock and business, issued record books for the different kinds of demonstrations and discussed the different breeds of dairy cattle.

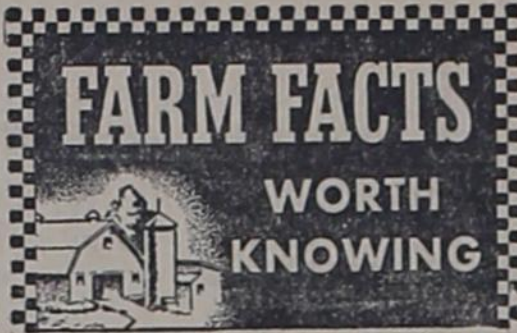

Rotation, Fertilization, And Irrigation, Means Higher Cotton Yields

COLLEGE STATION.—What El Paso farmers are doing with long-time planning in cotton production is something that County Agricultural Agent W. S. Foster believes will be of interest to all West Texas irrigation farmers.

According to figures released by the El Paso County office of the Production and Marketing Administration, farmers of the county averaged 1.93 bales of cotton to the acre in 1946. The 43,774 acres planted in the county produced 86,684 bales, or 965 pounds per acre.

Thirteen years ago, Foster recalls, the official five-year average yield for El Paso County was 404 pounds. The County agent says that this climbing production is due for the most part to the steadily increasing practice among the county's farmers of rotating alfalfa with cotton, applying commercial fertilizer and leveling land to make irrigation better and easier.

Need letterheads? Dial 2131.

Q. Which is more important for increasing milk production—breeding or feeding?

A. Both are important. A cow's top production level, of course, is set by inheritance. Relatively few cows are fed well enough, though, to produce up to capacity. Thus more immediate results in increased production can be obtained through better feeding. Feed cows for better production now and breed for better production in the years ahead.

Q. In feeding the brood sow during gestation, which is the better practice—hand-feeding or self-feeding?

A. Each has its advantages, but hand-feeding is recommended at the Research Farm of the Ralston Purina Company, in order to keep the brood sow in ideal condition. Hand-feeding offers a degree of control seldom attained with self-feeding. This accurate control of condition influences:

1. Ease of farrowing.
2. Lactation and nursing the litter.
3. Vigor of pigs.
4. Livability of the litter.
5. Final returns and profit.

Q. Last year I had trouble with my baby chicks eating the litter. What can I do to prevent this?

A. The most important factor is to provide plenty of feeder space—at least one inch per chick for the first three weeks. Also, cover the litter with three or four layers of newspaper to keep the chicks from eating the litter. Roll off a layer of paper each day. Remove all papers after the third day.

Q. Do hogs become infected with Brucellosis? Are the symptoms the same as in cattle?

A. Hogs do become infected with this disease, although the symptom of abortion is not nearly as prevalent in hogs. A sow may have the disease and not abort. The prevalence of swollen joints and lameness is an important symptom in infected swine herds. The herd book, unlike the bull, is an important carrier and spreader of Brucellosis, and one infected boar may cause the entire sow herd to become infected. Another contrast is that cattle do not usually become infected until at least six months of age while swine may become infected shortly after birth.

Send your questions about livestock or poultry problems to FARM FACTS, 835 South Eighth Street, St. Louis 2, Missouri. Questions will be answered without charge, either by mail or in this column, at the service of the newspaper.

New Slant In Saving Lives Of Little Pigs

COLLEGE STATION.—A faulty foundation in a hog farrowing house in Kentucky has paved the way for swine breeders in saving the lives of little pigs.

It happened like this: Way up in Kentucky, a foundation in a swine breeder's house gave way, and let one side of the floor down. A few days later, a litter of pigs was born in the house, and the slanting floor proved a life saver for a lot of them. It cut down the danger of the young pigs being crushed by their mother.

E. M. Regenbrecht, swine husbandman of the Texas A. and M. College Extension Service, says that the idea has proved sound enough, and that a slope of an inch and a half to the foot on a farrowing house floor works well.

The idea takes advantage of two simple facts in the behavior of pigs. One—on a sloping floor, a sow prefers to lie with her back to the high side. Two—clumsy little pigs stagger a bit the first few days, and even on

a slightly sloping floor tend to tumble to the low side. The life saving is as simple as that. When the mother pig is ready to lie down, she usually chooses the high side of the pen, and the little pigs are just as likely to be bunched up on the low side. The slanting floor arrangement cuts down the chances of the sow's lying down on and crushing one or several pigs.

The actual gain has proved much greater than most breeders would suppose, Regenbrecht says. Reports from Kentucky say that farmers are gaining from one to four pigs to the litter by slanting floors.

One swine grower in that state last year ran a comparison check, sloping the floors in one farrowing house and leaving level floors in another house. On sloped floors, he averaged 9.2 pigs to the litter; on level floors

his average was 7.2 pigs. Many farmers are finding it practical merely to block up one side of the house a few inches to give a life-saving tilt to the floors of farrowing pens.

Lubbock County Leads Texas In Cotton Production

LUBBOCK.—During the decade 1937-1946, Lubbock County led the South Plains and Texas in the average number of bales of cotton ginned

per year, with an average gin of more than 75,000 bales. Second highest county on the Plains was Lynn with an average ginning of 64,715 bales for the ten year period. Other high ranking South Plains counties are Lamb with a 46,348 average and Hockley with an average of 46,121 bales. Lynn

County led the state in 1942 when 98,243 bales of cotton were ginned there. Lubbock county ranked among the ten top Texas counties eight time out of the ten years and was first in the state four of those years, 1937, 1941, 1943, and 1944. In 1946, the county ranked fifth within the state despite a dry year. In five years of the past ten, Lubbock County has ginned in excess of 80,000 bales. Top year was 1937 when a total of 163,500 running bales of cotton were ginned in the county, more than have ever been ginned in any other county in the state.

How Many Is a Million?

The nation's Methodists are trying to visualize a million. The 16 months emphasis on evangelism of their "Crusade for Christ" has surpassed its goal, having brought into the churches 1,050,889 new members: 567,233 on confession of faith, 483,656 by transfer. During the same period 894 new churches have been organized and declining church (Sunday) school enrollment trend has been reversed, showing a gain of 458,896.

Tri-State Dairy Show Held In Plainview April 12th thru 18th

PLAINVIEW.—The twentieth annual Panhandle-Plains Dairy Show here April 12-18, a tri-state exposition covering Texas, New Mexico and Oklahoma, will attract probably the largest number of fine blooded dairy cattle in the history of the exposition. Raymond Lee Johns, Manager, said. Exhibitors will complete delivery of their entries to the dairy barns on Saturday, April 12. The next afternoon the Production Contest will begin. From then until Friday afternoon when the annual Milking Shorthorn auction will ring down the curtain on the show, there will be entertainment, luncheons, banquets and daily judging of dairy cattle to keep the exposition moving at a fast clip.

The pageant at 7:30 Monday night, April 1, with crowning of the Dairy Show Queen as one of the highlights will inaugurate a round of dances, banquets, bathing beauty revues and other attractions. More than fifty young ladies have been designated by firms and organizations to vie for the honor of Dairy Show Queen. The exposition royalty will be selected at a tea dance for princesses and their escorts Monday afternoon at Hilton Hotel. The 441 head of cattle shown last year more than filled the barns. With increased facilities and improved transportation since the 1946 show, officials of the association are look-

B. N. GRAHAM

ing for a record breaking entry list. There will be departments for exhibiting and contests for 4-H club and FFA members. The FFA cattle judging contest will launch Monday's show program.

Cattle will be shown in four divisions, Jersey, Milking Shorthorn, Holstein-Friesian and Guernsey. Wednesday is official Jersey day. That date calls for the annual Plains A and M exes and students roundup in addition to judging Jerseys and other events. Prize money totals \$3,057.00.

I. Walker Rupel, head of the dairy husbandry department of Texas A. and M. College will judge Holstein-Friesian entries. A. W. Kohley, Naperville, Ill., will judge Milking Shorthorns. N. C. Fine, associate professor in the dairy department at Texas Technological College, Lubbock, Texas, will judge Jersey Cattle.

Wayne Thomas, Perryton, will judge the Production Contest for the twentieth consecutive year.

Local Boy Places Fourth In Fat Stock Show

Several 4H Club and FFA boys of Farmer County, attended the South Plains Jr. Fat Stock Show in Lubbock, the first part of the week, entering their calves and hogs in the show.

J. W. Herington placed 4th in the lightweight, Hampshire fat barrow class; the first winner being Cecil Mardis, Muleshoe, with a mate to the one J. W. won 4th place with, and had sold to the Muleshoe boy

"Remember-Phillips 66 Motor Oil means a smoother ride!"

PROVED BY 66 BILLION MILES OF SATISFACTORY SERVICE

some time ago. Duane Curtis won 5th place, in the Berkshire, lightweight fat barrow class. Leonard Watkins placed 14th, with his calf, in the light weight division, with Hershel Harding not placing.

Six calves were entered by the 4H club boys, with Gerald Norton being the only one to place. Two calves and 4 hogs were entered by the FFA boys.

Robert Morton, Vocational Ag teacher of the Farwell high school, said that this was the largest show to be held in several years, and that competition was plenty strong.

Most of the boys remained for the sale, which was slated for Wednesday.

Questions and Answers For Veterans

Q—Does my converted National Service Life Insurance have a cash surrender value?

A—Yes. All converted policies have cash surrender values, paid-up insurance and automatic extended term insurance values, together with policy loan provisions, effective after the policy has been in force one full year.

Q—Is it true that National Service Life Insurance pays the insured veterans \$5 per month for each \$1,000 of insurance in force while he is totally disabled?

A—If the veterans pays the necessary extra premium, he will be paid \$5 per month for each \$1,000 of insurance in force after he has been

totally disabled for 6 consecutive months. Application for the total disability income provision may be made at the time application is made for NSLI or at any time thereafter while the insurance is in force under premium paying conditions.

Q—Is there a time limit for filing for a waiver of premiums on NSLI by the insured, and how far back may a waiver be granted?

A—Application for waiver of premiums should be made by the insured immediately after he has been totally disabled for six months. Ordinarily, his waiver will not be made effective for more than one year prior to date of his application. However, the Administrator of Veterans Affairs may make the waiver effective in excess of one year where he determines that the insured's failure to make timely application was due to circumstances beyond his control.

Q—Can I borrow on my converted National Service Life Insurance?

A—Yes. Any converted policy, in force by payment of premiums one

year or longer, affords the insured the right to borrow up to 94 percent of the cash value by submitting a proper loan agreement to the Veterans Administration prior to the expiration of the grace period.

SEW AND CHATTER CLUB OF BOVINA MET LAST THURSDAY

The Sew and Chatter Club met in the home of Mrs. Alma Vasey on Thursday of last week. The afternoon was enjoyably spent in doing needle work, delicious refreshments were served to the following members: Mesdames Joe Wilson, Ronald Berggren, Robert Calaway, Jess Walling, Paul Jones, Byron Turner, Buck Ellison, John Byler, Jr., and two visitors. Mrs. Pesch and Mrs. Moody, and the hostess, the next meeting will be with Mrs. John Byler, Jr.

The U. S. Department of Agriculture estimates that since organized farm safety work began in 1913, 310,000 lives have been saved through farm accident preventions.

How you can Charge Your Santa Fe Tickets

Apply now for your Travel Card entitling you to this service

Effective April 1, 1947, you can charge Santa Fe tickets on the new Railroad Travel Card Plan as easily as you charge department store purchases.

There is no "red tape" or deposit necessary. Here's how it works:

Railroad Travel Cards will be available to any individual or company with proper credit rating.

Upon presentation of your Travel Card at any Santa Fe ticket office you can charge rail, parlor car, and sleeping car tickets (amounting to \$5.00 or more) to any part of the country even if part of your trip is on other railroads. Your Travel Card also covers excess baggage charges.

Bills will be rendered monthly for the transportation furnished to holders of Railroad Travel Cards.

Apply Now! To secure an application blank for your Travel Card, simply write to Rail Travel Credit Agency, 436 Union Station, Chicago 6, Illinois.

Spurlin Home Scene Of Birthday Party

Miss Joan Spurlin was the honoree at a birthday party, given in the home of her parents, Mr. and Mrs. W. H. Spurlin, last Wednesday evening, March 19th., in celebrating her twelfth birthday.

A cake decorated with twelve candles, was cut by Joan, and served with soda pop, to a large group of her classmates and friends. A number of games were played, and a good time was enjoyed by all, with many nice gifts being presented by her friends.

Those present were: Bob Gerries, of Lariat; Delores Goldsmith, Rose Hines, Darlene Sprawls, Nancy Aldridge, Wanell Houghs, Joyce Herrington, Donald Joe Pipkin, Larry Berry, John Wyrick, Earnest Lokey, Bobby Joe Crume, Gerald Hardage, Peggy Hardage, Billy Don Crume, Jessie Colburn, Charles Phillips, Donald Stovall, Sonny Spurlin, Jimmie Doyle Hardage, Bryle Nix, of Lariat, Rex Pool, Sharon Guth, of Clovis.

Mr. and Mrs. Floyd Maupin, Clovis, Mr. and Mrs. Earnest Spurlin, Clovis, Mr. and Mrs. W. D. Hardage, Mrs. W. D. Hardage and Mrs. Jerry Spurlin helped with the serving of refreshments and conducted the games.

Wanell Houghs and Joyce Herrington spent the night with Joan.

Coming Events Of The Farwell School

The Farwell school has announced the dates of the coming events to be held from now until the end of the term.

March 28th, is the date set for the Junior-Senior Party to be sponsored by Mr. and Mrs. Sam Aldridge, Mr. and Mrs. Johnnie Williams, Mr. and Mrs. A. J. Jones and Mr. and Mrs. Willie Williams, who were chosen as class parents.

Friday, April 4th a Banquet, when the Farwell football boys and pep squad girls will act as host to the Oklahoma Lane and Bovina football boys and pep squad girls.

Friday, April 11th, the Junior-Senior Banquet.

Baccalaureate Services will be held on Sunday morning, May 11th, followed on Tuesday night, May 13th, with the Commencement Exercises.

Friday, April 18th, Senior class play, and on Friday, April 25th, the Father and Son Banquet is booked.

An "old-fashioned" box supper is scheduled for Friday night May 2nd which brings the school's activities to a close for the current year.

Home From Iowa

Mr. and Mrs. O. B. Faville returned home Saturday from a pleasure trip to their old home in Iowa. Enroute home, they stopped by Kansas City and made a number of purchases for their gift shop at the Red Cross Pharmacy.

Mrs. Ruby Stone Hostess To Ruth Sunday School Class

The Ruth Sunday School Class of the Baptist Church met in the home of Mrs. Ruby Stone, Tuesday night, March 25th. Thirty-nine members and two visitors were present.

The meeting was opened with the president, Mrs. Mae Porter, presiding. During the business session the following officers were elected for the next quarter: President-Mrs. Marie Cox, Vice-president-Mrs. Beulah Williams, Secretary-Mrs. Alvenia Sharpe, Treasurer-Mrs. Ruby Stone, Group Captains-Mrs. Mae Porter, Mrs. Vlewa Seale, and Mrs. Hazel Lance, and Reporter-Mrs. Dickie Magness.

It was decided by the class to meet with Mrs. Fern Hardage on Monday and sew for our little adopted girl at the Portales Childrens' Home.

Sunshine friends were revealed and new ones were drawn for the next three months.

Delicious refreshments of cake, punch and candy were served to the following: Mesdames-Bessie Landrum, H. E. Lance, Lucy Brown, V. E. Hunton, Jaunita Huggins, Onie Bradshaw, Fern Hardage, Velma Kelly, Johnnie Crawley, Evelyn Hadley, Alvenia Sharpe, Inez North, Marie Cox, Maxine Cook, Susie Schleuter, N. R. Harding, Austin Jones, Beulah McWilliams, Drusilla Kelly, Lois Smith, Estellene Billington, Dickie Magness, Florine Rogers, Carrie Hambrick, Jencyce Ford, Mary Whitley, Beulah Williams, Ruby Stone, Mae Porter, and Opal Hood.

Texico Seniors Present "Star Crazy", March 28

The Texico Senior play will be staged, for the public in the Texico gymnasium, Friday night, March 28th at 7:30 CTS. If you want to see a good show, be sure and see this dramatic three-act comedy, entitled "Star Crazy", and you'll have seen every thing. Admission prices will be 35c for Adults and 25c for children.

On Vacation Trip

Mr. and Mrs. Ray Sudderth and son, Bob, left here Tuesday for unannounced destinations to the east of here. Asked where they were headed for, Ray replied that they might wind up in Florida before turning around. "All I know is that we are going east," Ray said as he prepared to get away.

To Hot Springs

Mr. and Mrs. Willis Magness, Mr. and Mrs. Buddy Jones and Ralph Cox are among the localites who are in Hot Springs, N. M., taking the baths and fishing, mostly the latter.

Undergoes Operation

Eugene Lovelace was in a Lubbock hospital last week undergoing minor surgery.

Junior Play Presented To Large Crowd

The Junior Class of the Farwell High School presented their play to a full house last Friday night in the Farwell gymnasium. Their play was titled "Girl Shy" because the story was based around a bashful, girl-shy college boy. The cast included nearly all of the Junior Class, although Freshman Rosamond Booth portrayed the part of the negro washlady. Those who did not have a part in the play served as announcers and property managers.

A quick check of the gate receipts indicated that somewhere around \$160.00 was taken in. The Senior class have received their play books and are beginning the preparation necessary for the presentation of the play. A more detailed announcement will appear in a later issue of this paper.

Pfc. George Paul In Victor Division

It is reported here that Pfc. George Paul, son of Mr. and Mrs. Rupert Paul, of Texico, has been assigned to the 19th Infantry Regiment, a unit of the 24th Infantry Division, for duty in Japan.

The 24th is known as the "Victor" Division, and is now occupying the entire island of Kyushu, South of the Japan home group.

Paul was enlisted in the Army, September 14, 1946.

To Visit Hot Springs

Mr. and Mrs. T. E. Levy and Mr. and Mrs. J. D. Moore plan to leave the latter part of this week for Hot Springs, N. M. to take a course of the hot baths.

In Hospital

Champ Porter, of the State Line Grocery and Market, is undergoing medical treatment in the Veterans' Hospital in Amarillo this week.

Returns Home

Mrs. R. E. Williams of Texico, who has been in California the past several months visiting her son, returned to her home the first of the week.

Joe Crume, manager of the Kemp Lumber Co., looked all over town, last Friday, for someone to go with him to the dentist and stay with him, while he had two teeth extracted; since he could not find anyone that he could sell the idea to, his wife took him over, but returned, hoping that he would not give the dentist any trouble.

Clifford Kyker of San Angelo, visited in the home of his parents, Mr. and Mrs. Bob Kyker last Wednesday and Thursday he and Mrs. Lee Bradshaw and small son Mike, motored to Carlsbad, to visit with a brother, Robert Kyker.

Mrs. E. M. Davis of Littlefield, spent last week visiting in the home of her daughters and son-in-laws, Mr. and Mrs. John Porter, and Mr. and Mrs. Dale McCuan, returning to her home Sunday.

Mrs. J. D. Thomas spent last Friday night in Lubbock visiting with friends.

A. C. Green, Chief of the Texico-Farwell fire department, was in Roswell, last Wednesday, attending to business.

Ray Mears, manager of the Farmers Supply, in Texico, gave his display room a new coat of paint and redecorated it, last week.

Edd Muckelroy is able to be up and around again after being confined to his home for two weeks, with the flu.

Charlie E. Crume spent last weekend in Lubbock, visiting with his son, and daughter-in-law, Mr. and Mrs. Richard Crume.

Grayson Roberts was called to Hollis, Okla., this week by the illness of an uncle, who lives there.

BREAKS TEETH IN FALL

Little Mikla Anne Faville, 7-year-old daughter of Mr. and Mrs. Leroy Faville, had the misfortune to break two upper front teeth when she fell at play on the school grounds Tuesday afternoon. A dentist, who examined the teeth, said that the nerves were not exposed, but gave his opinion the teeth would eventually die and would likely have to be extracted.

OUT OF HOSPITAL

Mrs. Grace Sanders, who suffered bone fractures and face lacerations in an automobile accident near Friona several weeks ago, has been permitted to leave the hospital and returned here the first of the week.

Mrs. Jo Ivah Freeman of Los Angeles, visited with her niece, Mrs. Joe Crume here last Tuesday, enroute to California, from East Texas, where she has been visiting relatives.

Mr. and Mrs. J. E. Stover and son Jim Ed and Mr. and Mrs. Clint Richards visited in the home of Mr. and Mrs. Bob Stover over the weekend.

Frank Seale left here, for Tahoka, Texas, Monday when he got word of the death of his brothers baby.

Mrs. Bettie Smart and son Jim Bob spent Sunday visiting friends in Portales.

Judge Lokey was in Ft. Worth last week, attending to business.

Mr. and Mrs. W. W. Hall spent Sunday in Portales visiting relatives and friends.

Tom Atkins of this city and his brothers, Red Atkins of Clovis, went to Mineral Wells, Texas, over the weekend to visit with their father and other relatives.

Miss Hazel Dishman was guest in the home of her uncle and aunt, Rev. and Mrs. J. V. Pace, in Portales, Sunday.

Mrs. Bess Maddox, of Roswell visited here last week with friends.

Mr. and Mrs. Sam Rundell spent the weekend in Fort Worth, attending to business and visiting with friends.

Mrs. Bess Dow of Roswell, formerly of this city, spent several days here the past week visiting with old friends.

Marcia Ann Johnson attended the Junior class play, Friday night then spent the weekend with Wanda and Pauline Sheets.

Mr. and Mrs. Jim Moss and children visited relatives and friends in Elida, New Mexico, Sunday. They were accompanied by Mr. and Mrs. Fred Barker of Friona.

Dick Walker was a business visitor in Amarillo over the past weekend.

Mr. and Mrs. Ralph Humbly and Twila Mae Strickland visited Sunday in Lubbock with Mrs. and Mrs. Lee McDaniel.

Mrs. Doris Keel of Archer City, Texas, spent the weekend in the home of Mr. and Mrs. W. E. Martin.

Mr. and Mrs. Jim Cleve Dixon of Lubbock spent the weekend visiting his mother, Mrs. Ruby Dixon.

Mrs. Sam Randol has entered a Clovis hospital for treatment. Only recently she underwent surgery in an Abilene hospital.

Mr. and Mrs. Vance Crume and Mr. and Mrs. Gene Anthony of Friona visited with relatives and friends and attended to business matters here Friday.

Materials for inoculating the seed of many crops is handled by most dealers. Inoculation costs little and means added insurance against plant disease.

Sunny Side

(By Sonny Graham)

You can nearly always find exceptions to almost any rule, though finding them sometimes requires a little twisting of words and their meanings. I happened to notice a peculiar exception to a well-known rule recently when I read a short ditty in a newspaper that told of a convict who was, in all practical respects, heir to a small fortune of \$350,000. This most fortunate convict was serving the eighth year of a 20-year sentence for bank robbery. He heard the glad news over a "missing heirs" program over the radio, and calling the proper authorities attention to this odd happening, insisted that he was the missing heir. Up until now the legal experts haven't been able to prove otherwise.

Of course the rule was "crime does not pay," but I might call your attention to the odds on your robbing a bank and receiving a mere \$35,000 in return for your trouble and inconvenience upon being caught and clapped in the clink. Now if I had \$350,000 and wanted to leave it to someone, I doubt if I would leave it to any relative of mine that made a practice of going around robbing banks.

Then, there's always the chance that you might stick up the institution that holds and cares for your rich unless money. Taking all this into consideration, maybe it might be better to let the rule stand as uncontested—unless you have a hot-shot lawyer that can get you out of tight spots.

Mr. and Mrs. George Magness left here Tuesday morning for Hot Springs, N. M., where they expect to spend two or three weeks taking mineral water baths.

Sanders, who has recently been employed as the new pastor of the Church of Christ in Bovina, Bro. and Mrs. Sanders and their three children, now live in Farwell, and will soon move to the parsonage in Bovina. We invite everyone out to hear these good sermons, Bible Study at 10 o'clock on Sunday morning, Preaching at 11 o'clock, Bible Study at 7 in the evening followed by preaching at 7:30. Let's be looking forward to, and making plans for the Gospel Meeting to begin at the Church of Christ in Bovina, April 2nd, through April 13th, by evangelist, Marlin S. Hoffman of Abilene, Texas.

SENIORS HONORED WITH BANQUET FRIDAY NIGHT

The WMU of the Baptist church gave the senior class a banquet Friday night at 7:30 at the school building. The women of the church prepared the food and furnished it, the intermediate girls of the Baptist church served.

The table was beautiful with its floral centerpieces, sweet pea plate favors were given to all. The program was as follows:

Prayer by Rev. Bruce Giles, followed by the Welcome address by the WMU president, Response by Senior class president, Supt. W. O. Cherry acted as toastmaster. A quartette consisting of Martha Williams, Loyce Marie Trimble, Eugene Hawkins, Durward Bell. School song by Senior class. Accordion solo by Bob Edwards, Address by Rev. Giles, and the Benediction by Rev. George York.

The report is that this was a wonderful dinner and was enjoyed by all who attended.

DEMOLAY ADVISORY COUNCIL MEETS

The Advisory Council for the Parmer County chapter of the order of Demolay of which Mr. Lee Thompson is chairman, and Mr. Charley Bainum of Friona is Advisor, met with some 30 applicants for the degrees and memberships in the Masonic Hall last Wednesday night, and planned with the boys for the opening work of the chapter.

The first list of officers were selected by the Advisory council with the assistance and suggestions of the boys of the group who have previously joined the organization at Hereford. Reading the list of officers as unanimous choice of both the former members and of the council is John Tabor of Bovina. Upon John falls the honor of being the first master counselor of Bovina, of the organization.

Others of the offices are: Lee Cranfill, Friona, Senior Counselor; Mer-

ril Glenn Bonnell, Oklahoma Lane Junior Counselor; and Don Williams, Farwell, Treasurer; Charles A. Ross, Jr., was appointed senior Deacon; J. R. Ellison, Junior Deacon; R. W. Kelly, Marshall; and Orval Kelly, Sentinal. D. C. Looney of Bovina, was elected orator and Wayne Bainum of Friona was elected Scribe. Other appointive officers will be announced latter.

GIRLS ATTEND OLTON CHAPTER ORDER OF RAINBOW FOR GIRLS

The order of the Rainbow for girls held at Olton, Tuesday night was well represented from the Bovina Assembly. Those attending from the Bovina assembly were:

ARMY RECRUITED TO BE IN BOVINA

Recruiting Sergeant, Leon A. Reynolds from Clovis, N. M., will be in Bovina, Texas, from 9:00 a. m. to 4:30 p. m. on April 3, Thursday. He will be located in the Post Office where all interested can be interviewed and obtain information. At the present time there are many openings available in local and foreign theatres which have advantages.

"Teen-Ager's Night Club." Everybody's been talking about juvenile delinquency but here's an ex-GI who did something about it. The high school boys and girls meet, dance and sip soft drinks—without too much interference and at prices to match their meager budgets. You can read this interesting article in the American weekly, the magazine distributed with next Sunday's Los Angeles Examiner.

Number of livestock on farms in the United States declined during 1946 for the third successive year.

TURKEY TO ENGLAND

COLLEGE STATION.—Arrangements have been made between the U. S. Department of Agriculture and the British Food Ministry to step up the shipment of frozen turkey to the British Isles, which otherwise would have to further reduce the meat

ration. Frozen turkeys in storage in the U. S. as of February 1, were 140 million pounds as compared with a normal storage on that date of between 70 and 80 million pounds.

The Military Academy celebrated its 145th birthday Sunday, March 16.

Hungary, Rumania Open To CARE; New Woolen Package Offered

New York, N. Y.—Extension of CARE's service to Hungary and Rumania and the addition of a woolen textile package to the food and blanket parcels that Americans are sending to Europe by the hundreds of thousands were announced this week as the latest steps in the rapidly expanding program of CARE, non-profit, government-approved cooperative organization at 50 Broad Street,

New York.

The announcement was made by Paul Comly French, CARE's general manager, who said that warehouses in Hungary and Rumania are being set up now, "and as soon as is humanly possible we will stockpile the packages and begin deliveries. But it is reasonable to anticipate that there will be a delay of some weeks before actual deliveries can begin."

The new woolen textile package, like the food and blanket parcels, may be ordered at CARE's headquarters, at a cost of \$10, with delivery to designated individuals or groups guaranteed. It contains 3½ yds.

JUMPS TO RECORD . . . Irv Mondscheln, New York university, is shown establishing a new record in the high jump event at the 26th annual IC-4A indoor championship held in Madison Square Garden, New York City. The champion cleared the bar at 6 feet, 7¼ inches.

of 100 per cent woolen fabric, 56 to 58 inches wide, in 14-ounce herring-bone weave, sufficient for a full suit of clothing for a large man; 2 yards of cotton drill; 500 yards of thread; one packet of needles; one thimble; 3 large buttons and 15 small buttons. Other countries besides Hungary

countries, CARE packages are admitted free of all duty, tax and ration regulations.

That CARE offers "the only sure and efficient way of sending packages to friends and relatives in Europe" is the testimony of former President Herbert Hoover, one of the nation's highest authorities in the task of aiding war-stricken peoples. Mr. Hoover recently made a tour of Germany at the request of President Truman to determine the extent of food needs in that country.

In a telegram to CARE's general manager, Mr. Hoover wrote that having had "the opportunity to see CARE's operation on the ground," he was convinced that "anyone who wishes to serve friends, relatives or institutions served by CARE now has a sure way. In fact, there is no other way where there is real certainty that such packages will reach their destination."

The food package contains basic supplies practically unobtainable in many European lands. There are 2 pounds of meat, 7 pounds of flour, 2 pounds of sugar, and a like amount of vegetable shortening, chocolate and dried milk powder, 1 pound each of dried apricots, prunes and coffee, a half-pound of dried egg powder and 6 ounces of soap.

The extent to which these foods are adaptable to the accustomed diets in the various countries was recently demonstrated in Washington when the chefs of the embassies of the 12 countries served by CARE prepared native dishes and served them to a distinguished gathering of diplomats and government officials. Mr. French received the congratulations of the many foreign representatives on the skill with which the package was designed to meet the needs of families abroad.

Also proving popular with Americans eager to aid friends and relatives is the blanket package, which includes two all-wool blankets, suitable for conversion into clothing or for use as bedding, needles, thread, buttons, safety pins, scissors and thimbles. Designs for clothing are available. Two pairs of composition soles and heels for repairing shoes are included in the packages.

Orders should be sent to CARE's headquarters at 50 Broad Street, New York 4, N. Y., accompanied by check or money order of \$10 for each package, and the names and addresses of both the sender and the beneficiary should be included.

TO CONTROL MOSQUITOES

Dr. O. P. Braland, associate professor of zoology, has just begun a laboratory study of the life cycles and biology of mosquitoes, in order to help science with better information on controlling mosquitoes. He is finding out where and how they breed, and their habits.

One ounce of nicotine sulphate and a half bar of neutral soap, well-mixed with six gallons of water, is an effective control mixture against sucking insects in the garden.

OFFICER CANDIDATE SCHOOL

Plans are now being formulated whereby enlisted men of the National Guard and the Organized Reserve may apply for attendance at the Army Officer Candidate School and qualify for commissions as Second Lieutenants.

Blanket Oven Insulation

A stove that doesn't cook the cook as well as the food is the new automatic "CP" standard gas range. Blanket insulation of the oven does the trick. All the heat is kept inside to cook the food quickly and thoroughly. The well-insulated oven maintains an even temperature consistently; pre-heating takes only a few minutes because no heat escapes. This means time and fuel saved. Blanket oven insulation is another step toward cooking perfection.

*"CP" is a registered trade mark of the Gas Appliance Manufacturers Association placed on gas appliances that meet the highest standards of performance.

Annuals Bring Abundant Bloom

—Photo Courtesy Ferry-Morse Seed Co.

Most home gardeners like to grow annual flowers. Coming quickly into bloom from seed sown each year, they are the easiest of all flowers to grow and bring a wide range of vivacious color for a long period.

Poppy and bachelor button are two of the earliest. The low-growing edgers, sweet alyssum and candytuft, are also fairly quick to flower from seed. The lovely balsam, fragrant pinks, the graceful scabiosa, the hedge-forming four o' clocks, the colorful nasturtiums and petunias are next in line. Later come the tall cosmos, the beloved zinnias and the marigolds. Most annuals are so easy to grow that even children can raise them successfully. Special favorites for children's gardens and those of some grownups are feathered cockscomb, the oddly interesting cockscomb, and the gay woolflower.

One secret of growing near-perfect annuals is to use good seed and sow it thinly. In outdoor planting do not sow deeply but cover the seeds firmly so that they will make immediate contact with warm moist soil for speedy germination. When the seedlings appear, thin the plants so that the remaining ones will have plenty of space to spread and mature.

Most annual flowers are not par-

ticular about the kind of soil they grow in but they do like plenty of sunshine and air. Most annuals do not thrive in shady places.

In order to get the most bloom from annual flowers all through the season, they need a certain amount of attention. Petunia plants sometimes grow lanky and crowd their neighbors. Cut sprays of blossoms freely and arrange them for indoor enjoyment. The plants will recover quickly and bloom better than ever. Snip off the fading blossoms of zinnia, marigold, cosmos, and other annuals. If left to go to seed, they rob the plants of strength to develop new flowers. Keep the edging annuals, such as sweet alyssum and candytuft, from looking frowsy by clipping off the tops with shears after they have bloomed. They will reward you by flowering again and looking pretty for a long season.

Local American Legion Auxiliary To Organize

Frank Seale, Adjutant, of the local American Legion Post No. 516, announced today that Mrs. Henry Cusick, of Amarillo, president of the 18th District of the American Legion Auxiliary, will be on hand at 8 p. m. Friday evening, March 28th for the purpose of organizing a local auxiliary.

The meeting will convene in the District Court room at the local court house.

All eligible women, which includes wives and daughters of servicemen or discharges, or any woman who have been in service, are urged to be present for this meeting.

Pre-Easter Services At Oklahoma Lane Church

The Oklahoma Lane Methodist Church will have services the week beginning Palm Sunday, March 30, and ending Easter Sunday, April 6. The pastor, Rev. Newton S. Starnes will bring a series of messages dealing with the characters and events of the last week of the life of Jesus, and will compare those events that led to the crucifixion of Jesus with the evil forces in the world today. Friday evening will be a sermon on the meaning of the Cross. The services will begin at Eight o'clock.

Easter Sunday services will be held at the regular time. The sermon Easter Sunday will be on the subject, "The Most Revered Image," and will discuss the risen Christ as the world's Saviour. Easter Sunday Evening a candle light communion service will be held, beginning at eight o'clock.

Members of the church and friends in the community are cordially invited to attend.

Friday, March 28th, the Eastern New Mexico teachers will hold their regular meeting in the Clovis high school auditorium.

B. A. Rogers, Superintendent of the Texico school, announced that there will be no school on this date.

FORMER RESIDENT DIES

Word has been received here of the death of Ewing Landis, former local resident and a brother of Mrs. John Floyd, also formerly of this city. Landis was about 75 years old, passed away at a Burbank, Calif., hospital following an intestinal operation, Thursday afternoon of last week.

Mrs. Floyd also relates that her husband underwent an operation recently for the removal of his left eye, which has been sightless for many years.

EZELL ON JOB

County Treasurer Roy B. Ezell returned to his duties at the courthouse Monday. He has been recuperating from an operation of a month ago in a Lubbock Hospital. He says he is "still pretty weak," but able to carry on the duties of the office with Mrs. Ezell's assistance.

In most forests of Texas, pines are growing too thickly to develop strong stems and good crowns, which are necessary for healthy timber growth. Timberland owners who thin the saplings by groups and small patches are promoting better farm forests.

ACA News

Harold W. Carpenter, Secretary

Early indications show that we will have another active year for the 1947 Conservation Program. Nearly a thousand farms in Parmer County are under contract with a large portion of these already reporting conservation practices completed.

We have been allocated \$160,000. to spend for approved soil building practices in Parmer County and any producer is eligible to comply. We are eager to talk with any farmer about his conservation needs.

Nearly all of the 1946 ACP checks have been received by the producers.

These payments are mailed direct from the disbursing office at Dallas.

Payments have been made on all but 15 farms. This is the earliest that producers have been paid for conservation work in several years and is due to the full co-operation of the farmers and the county committee with the local office.

We received 40 tons of 20% super phosphate through the State PMA Office last week. This phosphate was divided among 12 irrigation farmers who had made previous arrangements to purchase it. It was allocated to these producers with the understanding that they apply it only to

alfalfa or permanent pasture. One farmer, Mr. W. S. Menefee of the Lazbuddy community, has already applied 3 tons of phosphate. Any farmer interested in the use of phosphate is urged to watch the results on some of the farms where it is being applied.

We expect to receive another car sometime this year and are taking orders for it now. It can be applied with success at any time during the year.

VOLLEY BALL TOURNNEY

The Curry County girls volley ball tournament will be held at Grady, Friday night, April 18th, with eight schools participating.

Curry County Track Meet In Texico April 18

The Curry County track meet will take place at Texico, April 18th, with C. E. Sanders, coach of the Texico High School, in charge of the events.

Starting Saturday morning and lasting throughout the day, with seven schools, of the county performing, there will be twenty-seven events.

Coach Sanders stated that he will have much work to do, in making preparation for the coming meet, in getting the track in shape, and placing his boys in the position as to what events they will enter, by hold-

ing a try-out contest among themselves, within the next few days.

Sanders said, that he expects to take several places, in the county meet, as they made a good showing last year, and have some good material to work with.

Last year, the Melrose Seniors won the county, with Texico, second; while the Texico Juniors took first place, and Melrose second.

Lazbuddy Baptist Announce Revival

The Lazbuddy Baptist Church today authorized the Tribune to make an announcement of the forthcoming revival meeting which is due to begin Sunday, March 30, and continue through Sunday April 6.

Rev. Ben D. Johnson of Lubbock will do the evangelistic preaching, and special singers are expected to be present for the revival.

Rev. E. L. Merriott, Pastor, extends a cordial invitation to each and every one to attend these services each evening.

Each year, 18,000 people are killed and 2,000,000 injured in farm accidents in the United States.

CATTLE MOVEMENTS ON

Bovina, the center of the cattle industry, has shipped 250 carloads of cattle from that place during the past few weeks, since the removal of cattle from the wheat fields got underway. Most of the cattle pastured here for the winter have been sent to feeding pens of the middle west, while others have gone to Arizona to be put on grass.

Fattened cattle, which are being fed out in Bovina by Triplett & Pringle, are moved out by truck and sent direct to the slaughtering pens in various sections of the Southwest, most of them going to Dallas and El Paso.

FIRST HAIL OF THE YEAR

Last Saturday evening the people of this area witnessed the first hail storm of the season, which hit here about seven o'clock from the north and lasting only a few minutes to be followed by a light rain.

No damage was reported from the storm as there was not much wind and only a short time until the atmospheric condition were changed to cause the freeing to stop and permit it to fall in the form of rain.
