

You may recall a story we passed on a couple of weeks ago concerning a young family from Indiana who came out West. They visited with us a little while on their way to Deming, where they plan to settle down.

A fellow now living in Clovis named Paul Mischler got wind of our story, and since he himself moved with his family to Clovis seven years ago, and his former residence was about 40 miles from that of the persons of whom we wrote, he was interested.

Mischler and his family moved to this part of the Southwest because of the health of a son, but it turns out that although they were forced to relocate for medical reasons, they too look on the West as a land of opportunity.

The Clovis man is in business for himself, owning a firm on First Street known as Mischler Motors. We hope to have a nice visit with the entire family before long.

That first real northern of a week ago has everyone thinking about fall. Football games add realism to the scene, too. We notice that already a few leaves on the elm trees of the community are turning loose and floating earthward.

This year, as always, fall is our favorite season. The few maple trees that we have along Third Street are especially attractive.

The dead cat episode is over, thank goodness.

When June Hensley, our society editor, came to work for The Tribune, we imagine that she was prepared for the unexpected, but frankly, we doubt if she had considered the hazard of dead cats.

It so happens that June resides in an apartment behind the home of Mrs. Graham, our mother and owner of The Tribune. This is a very nice arrangement, we have always thought, and supposed that the soc editor thought so too. At least, she never complains.

However, cause for complaint came to be a couple of weeks ago when one of Mother's prize alley cats turned up missing. Inspection of the usual habitats of catdom around the neighborhood failed to reveal any evidence of the missing feline. Mrs. G. presumed that the cat, who was a she but not necessarily a lady, had sauntered off down the alley with some disreputable man cat, of which our neighborhood seems to have more than its share.

Thus, the subject was laid to rest for a few days, and our landlady mother presumed herself to be all the more fortunate in not having that extra mouth to feed.

However, as time wore on and the sultry summer days beat down, there began to appear certain evidences that the supposedly loose moraled kitty might instead have preserved her reputation by staying closer to home than had been suspected.

The most noticeable clue to this suspicion presented itself in the form of an uncommonly offensive odor which a person, after a sample, might presume to have been even visible because of its strength and weight.

As fate would will, our cat had preserved her virtue but lost all else when she crawled through a small opening near the foundation of the apartment about which we first spoke.

Skip the gory details. Suffice it to say that detection and removal of the body was a rather unsavory chore.

It also happened, we might add, that about the time that this lady cat pulled her act, the gentleman cat of the family disappeared also. It must have been more than just pure coincidence that he strolled into the front yard and back home again on the same day that burial ceremonies were completed for his late mate.

We have known of other instances where a husband left home because his wife raised such a stink.

LaDonna Stewart Models Prize Winning Dress

LaDonna Stewart, 14-year-old daughter of Mr. and Mrs. Stanley Stewart, won first place in the Singer Sewing contest, sponsored in Clovis this week. The dress, which was entered in competition by the local girl, was the first garment she had ever made. She received a scissors set for her efforts.

LaDonna modeled her dress in competition Monday evening, in which several young ladies were participants.

IS ROUTINE

Routine business was handled Monday when the Commissioners Court met to pay bills and hold the hearing on the budget. No citizen was on hand for the budget hearing.

Six peppy young women who will lead the Farwell pep club in the annual Bovina-Farwell football clash Friday night, pose for the cameraman. They are Faye Routon, Ruby Hillock, Naomi Hubbell, Marian Smith, Mary Ann Walls and Betty Smart.

Farwell Vs. Bovina Here Friday Night

Although the Bovina Mustangs and the Farwell Steers are no longer in the same football conference, rivalry is predicted to be keen when the two teams meet for their annual contest Friday night at Steer Stadium in Farwell.

Coach Russell Young said this week that the local team "knows nothing about Bovina," in that it is so early in the season, there is nothing to base any predictions on. Bovina was defeated last Friday by Springlake 27-7, and the Farwell 11 played a 0-0 game with Melrose.

The traditional rivalry between the Bovina and Farwell teams is predicted to show up, even though there is nothing at stake, conference-wise. This is the first time in recent years that the two teams haven't been in the same conference.

Young says the Farwell team is in good spirits and the boys are "ready for Bovina." He feels that the team members are all in good shape. Steer captains this week are David Willard and Jerry Owens.

From the Bovina camp, it was learned Wednesday that Neil Smith, fullback and co-captain, suffered a back injury in practice. Extent of the injury was not known, but the coach predicted he would be out of the game.

Berrys Open Cafe In Texico Friday

Mr. and Mrs. Alton Berry began operation of the Border Cafe in Texico Friday, in the location formerly occupied by the Truck Cafe. The cafe is located adjacent to the service station, now operated by the Berrys.

Plans are for the business to be a family enterprise, say the Berrys, and they will specialize in Mexican food, homemade pies and steaks. Presently, their daughter, Mrs. David Okelberry, is assisting in the business.

The Berrys plan to begin an around-the-clock operation by September 15, with the cafe open 24 hours a day. They now open at 6 o'clock each morning.

The building housing the business has undergone a face-lifting, with a paint job on the exterior and interior and new booths and fixtures on the inside.

Farwell Ties Melrose 0-0 in Season Opener

With one serious scoring threat by the Steers, Farwell and Melrose fought a strong defensive battle at Melrose Friday night which ended in a 0-0 tie to open the 1956 football season for both teams.

The Steers' Tommy Lovelace picked up the opening kick on the 15 and returned it to the 46. Lovelace carried for four yards through the middle on first down try then Jerry Henson picked up five for the first down. Philip Berry plowed for five, but an offside penalty against the Steers made it first and 15 for Farwell.

David Willard's eight yard gain was nullified by a backfield in motion penalty. With first down and 20 needed for a first, Berry carried for five. Willard picked up one, and a third down pass intended for Henson went incomplete, forcing the Steers to kick.

The Buffalo receiving the kick was nailed on the 19 and after a Melrose time-out, Widner carried three times for a two yard gain. Willard grabbed the kick and returned 12 yards to the Melrose 48. Willard carried on first down for a six yard pickup then made a first on an eight yard carry. Lovelace carried for eight and Willard went for almost two. With third down and only inches to go, Willard plowed through the line for two, and an offside penalty against the Buffaloes gave the Steers a first and 10.

Boys Edge By Field; Girls Take Easy Win

Texico High School softball teams traveled to Field Friday night where they took two victories over the Field teams, the girls winning 20-3 and the boys edging the Panthers 14-13.

The Whirlwinds scored two runs in the top of the first inning and from that time the ball game was all theirs, the team scoring runs in every inning except two. Anita Moss hit a home run for the Whirlwinds. Wilma Walton was the winning pitcher.

The Panthers threw a scare into the Wolverines in the bottom of the seventh inning when the home team rallied for four runs to come within one run of the Wolverines. Jerry Henson and Raymond Hadley paced the Wolverines in the hitting department, with Henson getting two home runs and Hadley getting one round tripper. Buddy Spears got a long triple. Losing pitcher was Jack Donham, while Hadley was the winner for the Wolverines.

Next game is with Grady at Clovis, Friday night, September 14.

Shafer Gin Gets First Bale Cotton

Shafer Gin of Lariat received their first load of cotton and turned out their first bale Wednesday morning at 8 o'clock, reports Laurence Cooper, manager.

The cotton was grown by Bartley and Harris, who farm south of the Lariat community.

Bringing 50 cents per pound, the bale weighed 610 pounds. Cooper reports Lariat area cotton "looks good" and that he expects a good harvest this fall.

Edd Hardage Plans Fertilizer Business

Edd Hardage and Gene Hardage announced plans this week for an anhydrous ammonia fertilizer plant to be located in east Farwell. The new business will be named Farwell Fertilizer Co., and will be operated by the father-son team.

A building permit was issued for the plant, to be located on Block 9, Robinson Sub-division. This block is on the north side of the highway, directly west of Lunsford Wrecking Co.

Edd Hardage said this week that the first tank for the operation should be here and ready for installation this weekend. Plans are to have two 6000-gallon tanks, and Phillips 66 products will be handled by the firm. The local men plan to have seven 1000-gallon trailer tanks.

Hardage says four applicators will be owned by the company. He has two new tractors fully equipped to apply the fertilizer. Future plans are for expansion in service, with the business also handling dry fertilizer, insecticides, and other supplies needed by the farmer. "We plan to expand as we realize what the needs of the area will be," he adds.

Also, a warehouse is planned, with storage area and office space. The Hardages predict that it will be the first of the year before this part of the business is completed, but they hope to have the fertilizer plant ready for operation next week.

A pass from Widner to Simon netted the Buffaloes 15 yards and their initial first down of the game.

A series of carries by Roberson, Widner and Simon netted another first for the Buffs on the Steer 31. Roberson's pass to Burnett was incomplete then Burnett was thrown for a nine yard loss. With third and 19 needed, Roberson's pass was intercepted by David Willard who returned to the 41. Berry carried for five and Henson was held for no gain. Berry plowed for four more and Lovelace went for six and a Farwell first down on the Melrose 45.

Willard carried on the first down of this series and was thrown for a yard loss. An offside penalty against the Steers made it first and 15 from the 50.

In the next series of downs, Berry picked up three and Garner grabbed a jump pass good for four yards. Lovelace kicked to Burnett on the 15 who was stopped as he returned to the 19.

Widner went for three and Simon picked up three more on a handoff from Widner. Widner's gain was short of a first by one

and with fourth and one Simon kicked to the 50.

After fumbling the kick, Berry made it to the 41 before being downed. Lovelace recovered his own fumble after a one-yard loss, and Rogers recovered another Lovelace fumble as the first half play ended.

Britton returned the kick to the 46 and Roberson and Widner each picked up one yard. With fourth down and eight needed, Widner kicked to the Steer 15 where Willard covered the ball for the Steers.

Henson picked up five yards in two carries then Garner nabbed a jump pass good for six yards and a Steer first down. Willard lost two on a try through the line then fumbled on his next carry for a one yard loss. A pass intended for Glyn Hardage went incomplete and Lovelace kicked to the 40.

Widner's pass went incomplete, Roberson carried for one yard, Simon fumbled then Simon kicked to the Farwell 25 where the Steers took over.

Boys Edge By Field; Girls Take Easy Win

Texico High School softball teams traveled to Field Friday night where they took two victories over the Field teams, the girls winning 20-3 and the boys edging the Panthers 14-13.

The Whirlwinds scored two runs in the top of the first inning and from that time the ball game was all theirs, the team scoring runs in every inning except two. Anita Moss hit a home run for the Whirlwinds. Wilma Walton was the winning pitcher.

Losing pitcher was Jack Donham, while Hadley was the winner for the Wolverines.

Next game is with Grady at Clovis, Friday night, September 14.

TO SPONSOR SALE

Plans were made in a class meeting Monday for a bake sale to be sponsored by the junior class of Farwell High School. The sale will be held on Saturday, September 15, at the Piggy-Wiggly store in Farwell. Everyone is invited.

Edd Hardage Plans Fertilizer Business

Edd Hardage and Gene Hardage announced plans this week for an anhydrous ammonia fertilizer plant to be located in east Farwell. The new business will be named Farwell Fertilizer Co., and will be operated by the father-son team.

A building permit was issued for the plant, to be located on Block 9, Robinson Sub-division. This block is on the north side of the highway, directly west of Lunsford Wrecking Co.

NUMBER 49

Residents, Contractors Meet To Discuss Paving Possibilities

★ Boar May Be Bore With Bragging

If swine can get the big head, there is a boar in Texico that is liable to become a terrible bore. It's not that he is so important, but his relatives are getting to be pretty well known.

The Duroc boar purchased by the Texico FFA last spring has quite a name to live up to. His two half-brothers were named Grand Champion and Reserve Grand Champion at the Illinois State Fair. The Grand Champion sold for \$2500.

Ford Building Has New Paint Job

A face-lifting was given the Ford Motor building in Farwell this past week, with repair on the roof, and a paint job on the exterior.

Oliver Sikes, owner, says not only has the building been painted white, but a new roof job has been included in the repairs.

Car-Truck Accident Occurs Monday Morn

Injuries were not serious for Parmer County men involved in a car-truck accident at the Wilsey Swih crossing between Bovina and Farwell about mid-morning Monday.

Wendol Christian, who was driving the auto, was treated for a head gash at Parmer County Community Hospital in Friona, and then released. Don Teague, who was driver of the truck, was uninjured. Both men were traveling alone.

The accident occurred when Teague was attempting a left turn as Christian was trying to pass the truck. The automobile hit the rear end of the truck, with heavy damage to the Christian vehicle.

Highway Patrolman Jim Freeman and Parmer County Sheriff Chas. Lovelace investigated the accident.

Demonstration Truck To Be Here Monday

Anyone who would like to see a demonstrator resembling the fire truck that will be ordered for the Farwell fire department, may do so Monday.

About noon on Monday, the demonstrator will be in Farwell for an hour or more, and may be seen by interested local citizens. The truck will be parked near Southwestern Public Service Co.

Two contractors were in Farwell Monday night to meet with property owners and residents of First Street for the purpose of discussing the possibility of a paving project along the street.

Attendance for the meeting was good, with a representative number of those concerned on hand to learn more about the proposed paving project. K. L. Dodson, Clovis contractor, and A. O. Poteet of Ralls, who has done work in the Twin Cities in the past, were present to discuss the feasibility of the work for First Street.

The citizens learned more about costs of such an undertaking, construction, base that would be used for the paving and types of pave-

PTA Meet Held Tuesday Night

Farwell PTA held its first regular meeting of the new school year at the school auditorium on Tuesday evening, September 11, with approximately 75 persons in attendance.

John Getz, vice-president of the organization, presided in the absence of Carl Davis, president, who was unable to attend.

New officers gave reports on the PTA pie booth sponsored by the group at the school Halloween Carnival and members voted to sell Christmas cards again this year.

Mrs. Lenton Pool is accepting memberships to the organization and Mrs. Jim Terrell is taking subscriptions to the national PTA magazine.

Jack Williams, superintendent of Farwell Schools, was speaker of the evening and gave an interesting talk on looking forward to the new year. He introduced the faculty members and stressed the importance of average daily attendance to the Farwell school system. Williams also suggested that parents of the community make a sincere effort to know and appreciate the teachers in the school.

The two fourth grade rooms received the prize for having the most parents in attendance at the meeting.

After the program, the executive committee held a reception in the school cafeteria for parents and teachers to get acquainted.

Lions Plan Sales Campaign Soon

Caravan Sales for the Blind will be in Texico-Farwell September 21-22 under the sponsorship of the local Lions Club, announces a spokesman for the local organization.

The project is planned by the Lions as a fund-raising project. On sale will be household items including brooms, rubber mats, ironing board covers, potholders and other miscellaneous supplies.

The articles are manufactured by the blind of the state of Texas in various workshops. The proceeds will be divided between the

for the construction of the pavement, curb and gutter.

It was recommended that the curb and gutter be done this fall and early winter, and the asphalt work would be placed on the street next spring. Postponing the shooting of the asphalt is to avoid possibilities of injury to paving through severe weather.

Poteet presented the low bid for the paving, and work on the paperwork for the project is underway, Wilfred Quickel, city secretary, said Tuesday.

Cost of the paving is borne by the property owners, with the city responsible to the residents in requiring that the job is according to specifications.

Henson picked up five yards in two carries then Garner nabbed a jump pass good for six yards and a Steer first down. Willard lost two on a try through the line then fumbled on his next carry for a one yard loss. A pass intended for Glyn Hardage went incomplete and Lovelace kicked to the 40.

Widner's pass went incomplete, Roberson carried for one yard, Simon fumbled then Simon kicked to the Farwell 25 where the Steers took over.

THE TRIBUNE'S EDITORIAL COMMENT

"Practical" Christianity

Human beings are slow to catch on. Literally thousands of persons, and especially those who are business executives, are discovering that Christianity is the most practical philosophy of life that there is.

This discovery, sadly enough, is not being made through attendance at church, or in Sunday school classrooms, but through readily-available "drug-store class" literature. This literature, in the form of booklets or magazines, is aimed at the common American citizen who finds himself constantly restless and dissatisfied with his life.

"How To Win Friends and Influence People" was a book which pioneered this type of writing, and the field is now filled to overflowing with writings on winning more friends, making more sales, having less, and living happier.

The great truth is slowly dawning as person after person discovers that the things he is being told to practice in his living are nothing more than out-and-out "steals" from the principles of Christianity as set forth in the Bible.

Businessmen and laborers alike are finding out that the key to their individual successes lies in giving their fellow associate a "fair shake" in every transaction, and in fact, meeting him more than halfway most of the time.

Oddly enough, there are still a lot of people who are going to the bookstore for tips on successful living, instead of referring to the real

jottin's from jeanne

We are the substitute editor this week, and are enjoying every minute of the old routine. Too, we've sort of gotten out of the swing of things, and are enjoying seeing a few things that we've missed.

The new addition to Texico Schools is so attractive, cool, clean, neat and contemporary. The grass in the quadrangle is a nice boost to the morale. It gives it that landscaped look.

Mr. and Mrs. Oliver Sikes embarked on a trip this week that will really be an experience. They are going to see America, and it all sounds so grand, we wish we could stow away in the rumble seat. They promised that they would drop us a card ever so often, just to let the home folks know what they are doing, and we are already looking forward to reports.

Their plans are to be gone for several months, returning on or about January 15. But that won't be all. They'll stick around Farwell long enough to rest awhile, then they plan to take off on the second lap of their tour.

The present itinerary calls for the first stop to be in Kansas City, where they will attend the Ford Dealers meeting at the invitation of the Denver office. They are the former dealers here. From there, they will go to Chicago, then to the Great Lakes, Niagara Falls and will have a longer visit in Boston, Mass., where they have relatives.

They are allowing a full month to see the sights of New York City. Having spent two weeks there once before and not seeing half the sights, they want to see everything this time.

Then they'll go on to Washington, D. C., where they will visit relatives for two or three weeks, and from there will continue to Jacksonville, Fla., where they will also see their kinsmen. While there, they hope to go on to Miami, Fla., and take a trip by sea, to Cuba for a while.

Their last stop before turning toward home will be San Antonio where Mrs. Sikes has a sister.

Then they will arrive home for

a rest, before a second tour of the parts of the country they missed on the first jaunt. Doesn't it sound marvelous?

Rosa Roberts, our educational director, had a surprise for us when we had our first ESA meeting Monday night—the most luscious dessert. Of course, it was the extra bonus after we had eaten a salad supper.

Rosa had recently acquired the recipe for the dessert and tried it on us. Everyone there wanted to know how to make the pie, so that was a good opening for us to request the recipe for our column.

Rosa says the best thing about the dessert is that it is so simple to prepare.

CHOCOLATE CHIP PIE
Put in top of double boiler:
30 marshmallows and 1/2 cup of sweet milk. Cook until marshmallows are melted. Cool until cold. This is important.

Grate 1 oz. unsweetened chocolate. Whip one pint whipping cream stiff. Fold in 1/2 tsp. vanilla and pinch salt. Also add marshmallows and grated chocolate. Pour into Graham cracker crust.

CRUST—(Enough for one pie).
11 Graham crackers rolled into crumbs. (Hold out 2 tbsp. of the crumbs to use on top of dessert.)
2 tbsp. melted butter. Mix and press into pie tin to form crust. Pour filling into crust. Keep in refrigerator all day or overnight before serving. May keep for several days. Cut pie in eight pieces as it is very rich. Serve with cherry on top.
The filling makes two pies.

BACK IN SCHOOL

Leslie Dyer, 13 year old son of Mr. and Mrs. Claude Dyer, Texico is back in school this week after missing last week due to serious burns received in an accident two weeks ago. Leslie's condition is considered good at the present time.

Girls Smother Grady In Softball Opener

Texico junior high girls made a good showing in their season opener against Grady, beating them 34-4 on the home field Wednesday. LaDonna Stewart and Joan Tadlock knocked home runs to help bring Texico their victory.

Betty Walton was on the mound for Texico, with LaDonna Stewart doing the catching. Betty was later relieved by Connie Tharp.

Others on the starting lineup were Pauline, Servatius, Barbara Seal, Christina Bowers, Gayle Hadley, Mary McDaniel, Phyllis Kelley, Judy Adams and Joan Tadlock.

The junior boys' game lasted only two innings, as Grady had to leave at 3 o'clock. Grady was leading 5-3 when the game was called, but this will not go down as an official game.

Starting on the mound for Texico was Charles Bennett Stockton, who was relieved by Wesley Engram. Kenneth Murdock caught for the junior Wolverines.

Besides Charles Bennett and Kenneth, the lineup included Edmond Richardson, Don Johnson, Wesley Engram, Larry Powell, Gary Dunlap, Crayton Weisler, Bill Reid and Travis Taylor.

From Vacation

Mr. and Mrs. Ray Mears and Jimmie returned home Friday night from a 10 day vacation trip to Big Bend National Park, Corpus Christi, Austin, Fort Worth and other Texas points. The local family also enjoyed visiting with relatives over the state while vacationing.

In Amarillo

Mr. and Mrs. Everett Christian and daughter, Barbara, visited in Amarillo last Friday with another daughter and son-in-law, Mr. and Mrs. Robert Barton. Barbara remained in Amarillo to visit with her sister this week.

News From LAZBUDDIE

MRS. BERT GORDON

Longhorns Win First 11-Man Game

The Lazbuddie Longhorns won the opening game of the season by defeating the Friona "B" team 14-0 on their home field, Friday night. A large crowd turned out to see the boys play their first game of 11-man football and were very pleased with the results. The boys have an open date this Friday, but will play New Home there on the night of September 21.

The senior class will be selling subscriptions to quite a number of popular magazines for the next few days and will appreciate any help extended them.

Mr. and Mrs. Ted Treider and son have returned from a vacation to Kansas and Colorado.

Mr. and Mrs. Abe Mallouf, Betty Jo and Junior have returned home after visiting with their daughter and other relatives in California for about ten days.

Miss Nealy Mace Steinbock left Sunday for Portales to enroll in Eastern New Mexico University. She is the daughter of Mr. and Mrs. Walter Steinbock and was a member of the 1956 senior class. She was very active in all sports.

R. Pyritz has been confined to the hospital in Muleshoe for several days. He has shown some improvement, but it is not known when he will be dismissed.

Rev. and Mrs. C. K. Roberts were called to Mason, Texas, last Wednesday to conduct funeral services for Perry Simons. Rev. Roberts had pastored at Mason several years ago.

Mrs. A. M. Bradley left on Tuesday for Dallas where she will teach music in the school system.

Mr. and Mrs. George Crain are in Dallas to be with his brother who recently underwent major surgery.

Mrs. John N. Crim and Doyle are visiting relatives in Mountain View, Okla., this week.

Mrs. F. W. Greene was called to Cuero last Tuesday because of the serious illness of her brother. He died on Wednesday and funeral services were held in Cuero on Thursday.

Louise Ham and Jim Gordon left last Friday for Brownwood where they will enroll at Howard Payne College.

Congratulations to Mr. and Mrs. Kenneth Hall on the birth of a son on Sunday at 3 a. m. The young man weighed 8 lbs.

Mr. and Mrs. Joe Reagan, Gary and Dale of Dalhart, spent the weekend visiting Mrs. N. M. McCurdy and Mr. and Mrs. Jack Smith.

Beverly Smith spent the weekend with Coretta Watkins.

Mr. and Mrs. Claud Watkins and family visited with the Elmer Blankenships at Wilson on Sunday.

PTA WILL MEET

The Lazbuddie PTA will meet on Tuesday night, September 18. This meeting was postponed from last Tuesday night due to the revival at the Baptist Church. It is urged that all parents come out and support the PTA this year.

In Heath Home

The Frank Randal circle of the WMU met in the home of Mrs. Claud Heath on Monday for the mission study book "George Washington Carver" taught by Mrs. Jimmy Ivy. Refreshments were served to the following members: Mesdames Jimmy Ivy, Roger Buckmaster, Buster Jones, Weldon Slayton, Thomas Carrell, Ralph

Cox, Dud Winders and the hostess, Mrs. Heath.

Meets Monday

The Pauline Cammack circle of the WMU met on Monday in the home of Mrs. L. B. Hambricht for mission study. Mrs. John Agee gave a review of the book "Mary McLeod Bethune." After a short business session, refreshments were served to Mesdames Carrie Withrow, Abe Mallouf, Harold DeLoach, W. S. Menefee, F. W. Greene, Earl Peterson, Raymond Houston, Wesley Barnes, John Agee, C. K. Roberts, A. M. Bradley, Bert Gordon, the hostess, Mrs. Hambricht, and one visitor, Mrs. Broadhurst.

School Board Has Discussion Thursday

Members of Texico School board discussed the possibility of purchasing additional lots for the school, but no decision was made, officials said at a meeting held Thursday evening.

Routine paying of bills completed the business for the evening. Board members include John Hadley, president; Murray White, secretary; Truman Doolittle, vice-president and C. C. Curry and Glen Singleterry.

Are Vacationing

Mr. and Mrs. Don Williams are expected to return home the latter part of this week from a vacation trip through points of interest in New Mexico, Colorado and other western states. The Williamses left Farwell last Friday afternoon and planned to be away for about 10 days.

Without Good Vision They're Not Ready To Go Back To School

A thorough examination of your child's eyesight is the best assurance you can have that he's really ready to go back to school. Without good vision he doesn't have a fair chance to learn or to compete on the level with children of his own age.

Demand thorough, competent eye care for your child. Give him the benefit of the professional skill and service that his priceless eyesight demands. And don't confuse the price of glasses with the cost of eye care; and don't heed the bargain lure of "Free Examinations" and glasses at a price.

Invest in eye care—invest in your child's future.

THERE'S MORE TO GOOD VISION THAN GLASSES AT A PRICE

METHODIST CHURCH NEWS

Parents of the young people of the MYF are asked to bring a basket lunch to the church on Sunday, September 16. After lunch, MYF members and their sponsors will go to Olton to attend a sub-district meeting.

Attendance for Sunday School on September 9 was 105. J. T. Hammonds, layman from the Bovina Methodist Church, filled the pulpit in the absence of the pastor, Rev. Willard, who is conducting a revival at Wellington. Douglas Hillock played a piano solo for the special music. Speaking at the Sunday evening service was Bedford Caldwell, another Bovina layman.

Mrs. Willard reminds church members that Rev. R. L. Kirk, Plainview, will be the guest speaker on Sunday morning, September 16. Rev. A. T. Kersey will preach at the evening service on the 16th.

WCS members met at the church for a regular meeting on

Monday afternoon, September 10. The program was opened by members singing "Footprints of Jesus" and Mrs. Melvin Sudderth leading in prayer. Roll call was answered with members repeating Bible verses.

Mrs. Sudderth directed the program, the theme being "Missions at Work at Home and Abroad." Mrs. C. C. Christian discussed "Not Arrows, But Deeds," and "South African Prayer Becomes a Missionary" was given by Mrs. W. P. Shelley.

"Women of God" and "A Christian Woman from Malaya" were topics given by Mrs. Melvin Sudderth and Mrs. Sam Billingsley, respectively. "God, Make Me Over" was discussed by Mrs. George Douglas.

Mrs. Sam Billingsley then gave the devotion in the absence of Mrs. Claude Primrose. She used John 1:5-10 for her guide for the devotion "I Believe in God." Present for the meeting besides those mentioned above were Mesdames V. E. Willard, R. E. Blankenship and Lee Jones.

Mr. and Mrs. Roy Fowler and family moved last week to their original home in Arkansas.

Mrs. Leon Grissom has been on the sick list for several days but is reported to be recuperating at home at the present time. Here to spend a few days with Mrs. Grissom is her mother, Mrs. Jay Jolly

of Plainview.

Mrs. Zula Thompson of San Fernando Valley, Calif., sister of Jess Pruitt, is visiting in the Pruitt home this week. Mrs. Thompson will be visiting friends and relatives in this vicinity for the next few weeks.

Mr. and Mrs. Vernon C. Willard and Terry, Larry Cooper, Derrell Garner, Donnie Carpenter and Miss Judy Billingsley were Sunday dinner guests in the home of Rev. and Mrs. V. E. Willard.

Mr. and Mrs. James Roach and family, and Mr. and Mrs. Ponce Billingsley and Janice were Sunday dinner guests in the home of Mr. and Mrs. Wendol Christian.

Visiting in the home of Mr. and Mrs. Walter Verner after church services Sunday night were Rev. and Mrs. Irving Looney and daughters, Mr. and Mrs. Jimmy McGuire and Mr. and Mrs. Howard Garner.

Garland Billingsley and son, Teddy Lee, of Pinon, N. M., spent Monday night in the home of his parents, Mr. and Mrs. Sam Billingsley.

Mr. and Mrs. Frank Edwards were dinner guests of Mr. and Mrs. Charles Hukill on Sunday, September 9.

BAPTIST CHURCH NEWS

Gary Mac Brown, son of Mr. and Mrs. Dee Brown, joined the church at the service on Sunday morning.

Special music for the evening service was "Near the Cross" sung by the junior choir which is directed by Miss Margaret Verner. Singing the solo part was Janice Hillock.

Mrs. Charles Hukill met with the Intermediate Girls' Auxiliary for a regular meeting on Monday afternoon at the church. The program was on "Stewardship" and also included in the afternoon session was the discussion of "Personal Grooming of a Christian." Present for the meeting were Judy Brown, Janice Hillock and Carol Hukill.

Members of the Mike Naranjo Chapter of the Royal Ambassadors

met for their monthly missionary program at the church on Monday afternoon with Harold Carpenter, counselor, in charge of the program.

Present for the study were Mike Nelson, Stephen Hillock, Hugo and Jose Espinosa, Danny Johnson, David Routhon, John Wayne Herrington, Jimmy and Gary Mac Brown and Donnie Young.

Deborah Class Elects Officers

Officers for the coming term were elected at a regular meeting of the Deborah Sunday School class of the Oklahoma Lane Baptist Church at a meeting held Monday night, September 10, at the home of Mr. and Mrs. Jimmy McGuire.

Mrs. Sterling Donaldson was elected class teacher and her assistant will be Mrs. Wayne Hardage.

Other officers elected include president, Mrs. Jimmy McGuire; secretary, Mrs. Dee Brown; and group captains, Mrs. Irving Looney and Mrs. Lloyd Routhon.

The program was opened with prayer by Mrs. Dee Brown, and Mrs. Wayne Hardage gave the devotion.

After the business meeting, Mrs. Howard Garner closed the meeting with prayer. Mrs. Hardage then led the group in playing games.

Mrs. McGuire served tuna salad, crackers, ice box cookies and pops to Mesdames Howard Garner, Dee Brown, Sterling Donald-

son, Christen Johnson, Wayne Hardage, Vernon Symcox and Harold Carpenter.

Next meeting of the group will be held at the home of Mrs. Alton Pruitt and secret pals will be revealed at this meeting.

BACK IN SCHOOL

LaNell Christian, daughter of Mr. and Mrs. Wendol Christian, is able to be in school now following a recent tonsillectomy performed at the hospital in Friona. LeNell's condition is reported as good at the present time.

E. W. McGuires Have Great-Granddaughter

Mr. and Mrs. E. W. McGuire proudly announce the birth of their first great-grandchild. Mr. and Mrs. John Kincaid of Redlands, Calif., became the parents of a baby daughter on Friday, September 7. Mrs. Kincaid is the former Barbara McGuire, daughter of Mr. and Mrs. Clifford McGuire. Other great-grandparents are Mr. and Mrs. Herman Henson of Texico.

Gwendolyn Christian Feted On Birthday

Miss Phyllis Christian and her mother, Mrs. C. C. Christian, were hostesses for a surprise birthday party honoring Miss Gwendolyn Christian on Tuesday, September 4.

The guests rode the school bus to the C. C. Christian home which

was the scene of the party. When Gwendolyn arrived, the guests greeted her with a birthday song. As the guests arrived they were served sandwiches and pops. After the honoree opened her gifts, refreshments of birthday cake and homemade ice cream were served to Lois Marie and Carolyn Looney, Donna and Diane Sudderth, Linda Nelson, Zella and Dorris Donaldson, Trummie, LaNell and Loy Beth Christian; Also, Mrs. Wendol Christian,

Mrs. Donald Christian and Mrs. Troy Christian. Ginger Willard was unable to attend, but sent a gift.

At Melrose

Mr. and Mrs. Jimmie McGuire, Mr. and Mrs. Howard Garner and Mr. and Mrs. Harold Carpenter were Friday evening supper guests at the home of Rev. and Mrs. Vance Zinn in Melrose last week. (Continued on Last Page)

It's In The CONTRACT!

Hundreds of thousands of young married couples are familiar with the modern contract. They borrow money, buy a home, or make do any of a number of vital transactions through this legal instrument.

How about it—have you ever signed your contract with GOD? Did you know that if you will pledge allegiance to Him that he will guarantee you happiness in this life, and an eternal life after the grave? Take your Bible and read the "fine print" of God's contract. See if he doesn't offer you the best "deal" you could ever find!

Social Events of Interest

Midway HD Club Has Business Meeting

Midway Home Demonstration Club met Tuesday, September 14, in the home of Mrs. Dorothy Brown with 10 members present.

The meeting was called to order by the president, Mrs. Mildred Redwine and the club secretary, Mrs. Grace Young, read the minutes of the last meeting and gave a financial report.

Mrs. Redwine read a letter to the club from Mrs. H. K. Kendrick of Friona who was inviting all the home demonstration clubs in the county to participate in Friona's 50th Anniversary Celebration next week. Because most of the Midway Club members are busy during the harvest season, they voted not to participate in the celebration.

Discussion on the club project for the year was held and the president asked that the financial committee of the club meet with the financial committee of the Lubbock HD Club to set a date and make plans for a fund raising event to help pay for furnishings in the new Lubbock School auditorium.

Dates were given for the advanced dressmaking workshops which are being conducted by Miss Wainscott, home demonstration agent. Since the clothing demonstrator from this club will be unable to attend the workshops, it was decided that two other members who are enrolled in the course would attend the meetings as leaders. Mrs. Dortha Mason and Mrs. Grace Young were appointed to attend the first meeting which was held September 6.

Mrs. Elzada Gulley of the local club is to contact Mrs. Erad Gross of Muleshoe in regard to her giving a demonstration on textile painting at the next regular club meeting.

The club will have an achievement day sometime in November. It will be scheduled on the same day that one of the delegates to the state and national THDA meetings gives her report to the club. Prospective club members are to be invited to the achievement day meeting.

At the close of Tuesday's meeting the hostess served refreshments to Mesdames Louella White, Bernice Splawn, Lora Brown, Mildred Redwine, Dortha Mason, Irene Watkins, Billie Downing, Grace Young and Dorothy Harlan. Next meeting of the group will be held at the home of Mrs. Grace Young on Tuesday, September 18.

Attend Reunion In Lubbock

Mr. and Mrs. Robert Servatius, Pauline, Eugene, Billie and Arlene, and Mr. and Mrs. Buck Taylor and granddaughters, Linda and Karen, all of Pleasant Hill, attended the annual Anderson reunion at Lubbock on Sunday, September 2.

Approximately 125 friends and relatives were present for the reunion and lots of new acquaintances were made. Guests from Alabama, Arizona, California and Texas registered during the day.

Have New Son

Mr. and Mrs. Raymond L. Magness of Shamrock are the parents of a son born last week at Shamrock. Mr. and Mrs. C. L. Magness of Clovis are paternal grandparents.

Jeanette Hughes To Head Farwell FHA

Miss Jeanette Hughes, senior, was elected president of the Farwell Chapter of Future Homemakers of America at a call meeting of the group held Wednesday of last week at the home economics building.

Other officers elected to serve during the coming year include vice-president, Doris Pond; secretary-treasurer, Naomi Hubbell; reporter, Wilma Norton; pianist, Katherine Billington; song leader, Martha Blair; and sergeants at arms, Betty Dollar and Micky Foster.

Regular meeting night for the group for the coming year will be the first Monday night of each month. Meetings will begin at 7 o'clock.

Servatius Twins Are Feted On Birthday

Pauline and Eugene Servatius, twin daughter and son of Mr. and Mrs. Robert Servatius, were honored on their 13th birthday at the home of Mrs. Avis Patterson in Texico on Thursday, September 6.

Chocolate birthday cakes, decorated with "Happy Birthday, Pauline" and "Happy Birthday, Eugene" were served with pops to the children attending. Mothers present were served coffee and cake at tables in the yard.

After the honorees opened their gifts and the guests played games, most of the guests attended the theatre together.

Attending the party were D' Rene Danforth, Linda and Karen Osborn, Myrtice Shockley, Wanda Morgan, Judy Adams, Lee Spears, Joe Ortiz, Bill Roth, Billy Hukill, Fred Warren, Kenneth Murdick; Also, Leslie Dyer, Margaret Hudson, Pat Patterson, Koleta Doshier, Della Crocker, Mary Anciro, Jerry Thigpen, Anna Lois Thatcher, Glendon Moss and Arlene Servatius.

Mothers attending were Mrs. Servatius, Mrs. Amos Shockley, Evelyn and Stanley, Mrs. John Adams, Mrs. Buck Taylor, Mrs. Claude Dyer and Mrs. Fred Danforth.

To Milwaukee

Mrs. Verne Wellman and sons, David and Glenn Paul, recently returned to their home in Milwaukee, Wisc., after visiting here with her mother, Mrs. E. G. Blair.

David, who is seven years old, spent the summer here with his grandmother.

Recent Bride Is Shower Honoree

Mrs. Jerrell Doshier, the former Miss Paulette (Butch) Wallace, was honored with a bridal shower at the Farwell home economics building on Tuesday afternoon, September 11.

Blue and white, chosen colors of the honoree, were featured in the decorations. The serving table was laid with a white lace cloth over blue and was centered with an arrangement of blue and white asters and white daisies. White napkins, inscribed with a blue heart and the names Jerrell and Butch, completed the decorations.

Refreshments of homemade cookies, punch, nuts and mints were served.

Hostesses for the courtesy were Misses Martha Smith, Naomi Hubbell, Belva Christian, Faye Routon, Wilma Norton, Joyce Routon, Jo Anne Schell, Betty Sue Dollar, and Mrs. Orie Jones, Mrs. Everett Christian, Mrs. Earl Routon and Mrs. Lloyd Routon.

Among those attending and sending gifts were Mrs. Willie Joe Carpenter, Doris Rolland, Mrs. W. L. Roberts, Joe and Buddy Spears, Evon Dannheim, Juanita Range, the Dick Doshers, Mrs. Ruby Adams, Mrs. Ruby Stone, Faye Austry, Mrs. Edgar Blair, Mrs. Jim Moss, Georgiana and Glenda Weisler;

Also, Bobby Spears, the Robert Wallaces, Mr. and Mrs. Robert Hicks, Charlene Wesley, Mrs. Clayton Dwin, Grayne Devin, Joyce Hicks, Geneva Henson, Alice Ramm, Jeanette Lindop, Mrs. Tom Lindop, Mrs. Ivan Tarr, Jean and Fern, Mrs. Rita Dollar and Paulette, Mrs. Elmer Doshier, Mrs. Vernon Symcox;

And, Mesdames Joe Helton, Roscoe Burris, Jimmie Allman, Agrie Jones, Charles Stockton, Frank Seale, W. H. Dollar, J. H. McDonald, Claude Rose, Dorothy Eason and Peggy, Ernest Lokey, Bunk Phillips, Smokey Gast, Joe Magness, Ed Muckleroy, Ted Sheets, Ken Stone, H. H. Henson, Joe Cox;

Also, Julia Vernon, Judy Wakefield, Naomi and Audrey Hapke, and members of the Golden Circle Sunday School class of the Texico Baptist Church.

Culpepper Reunion Held Here Recently

The annual Culpepper family reunion was held in the former Legion Hall in Farwell on Sunday, September 2.

Immediate members of the family who were present for the occasion included Mr. and Mrs. H. D. Culpepper of Hereford, Mr. and Mrs. B. S. Lemma of Beeville, Mr. and Mrs. C. L. Culpepper of Fort Worth and Mr. and Mrs. V. L. Martin of Farwell. Another sister, Mrs. Paul Keaton, of Fort Worth, was unable to attend.

Others attending included Mr. and Mrs. Tirie Samsill of Fort Worth, Mr. and Mrs. Curtis Culpepper and family of Clovis, Mr. and Mrs. Harold Lance and family and Mr. and Mrs. Eulice Jones, all of Lubbock, Mrs. Zula Osborn of Plainview, Mrs. Amy Gentry of Bakersfield, Calif., Mr. and Mrs. O. H. Culpepper and daughter, Mrs. Neil Henry and Mr. and Mrs. Dale Henson and family, all of Hereford;

Also, Mr. and Mrs. Raymond Martin, Mr. and Mrs. S. W. Bradshaw and Mr. and Mrs. S. C. McPherson, all of Farwell, Mr. and Mrs. Ray Jones of Big Spring, Mr. and Mrs. W. B. Jones and sons of Sudan, Mr. and Mrs. Felix Kuykendall of Dove Creek, Colo., Mr. and Mrs. Waymon Featherstone and daughter of Tulia;

And, Mr. and Mrs. James Martin and sons, formerly of Austin, and Bill Martin of Long Beach, Calif.

Woman's Club To Meet Monday

First meeting of the year for Texico-Farwell Woman's Club, is planned Monday night, September 17, at the Sands Restaurant in Bovina.

The dinner meeting will be a Dutch treat social occasion. Mrs. Fred Danforth, new president of the group, will preside over the meeting.

Towns-Inman Vows Are Read At Church

MULESHOE, (Special)—Miss Karolene Towns became the bride of Marlon Inman Friday evening, September 7, at 6 o'clock in a double ring ceremony read by Rev. E. K. Shepherd in the First Baptist Church in Muleshoe.

Parents of the couple are Mr. and Mrs. Verney Towns and Mr. and Mrs. Sherman Inman, all of Muleshoe.

The ceremony was read before an altar decorated with seven candelabra holding blue tapers, each candelabrum tied with a bouquet of white gladioli and white satin, and two garlands of plumosis and white pompoms between the candelabra, with a single garland extending to the piano and the organ on either side of the church. Large palms formed the background for the altar. Blue candles with loveknots of greenery and pompoms marked the pews.

Miss Mona Wilhite played traditional wedding music at the organ, and accompanied Miss Sue Barron of Lamesa, when she sang "Thine Alone," "If I Could Tell You" and, as a benediction, "Bless This House."

The bride, given in marriage by her father, wore a bridal gown of white Chantilly lace over taffeta and nylon tulle, the very full lace overskirt ending in a chapel length train. The tight fitting bodice, fashioned with a portrait neckline in scallops outlined in seed pearls and sequins, had a row of tiny covered buttons down the front to the pointed waistline. Her finger tip length veil of imported illusion outlined with lace, fell from a pillbox tiara of lace embroidered with seed pearls and sequins. On a white satin Bible, the bride carried a bouquet of cattleya orchids, stephanotis and lilies of the valley which extended on white satin streamers.

For something old, the bride wore 75-year-old rhinestone hairpins given to her by her Great Grandmother Thompson and a gold bracelet worn by her Grandmother Towns in her wedding 45 years ago. For something new, her bridal ensemble; something borrowed was the white satin Bible belonging to Miss Joanna Wall of Snyder, and her blue garter was made by her mother.

Miss Betty Shanks was maid of honor and wore a French blue lace cape and peplum over nylon net and taffeta, with appliques of lace scattered over the nylon net skirt in waltz length. Her matching lace mitts, scalloped at the top, were of the same French blue, as was her velvet dotted circular veil worn over her hair. She carried a spray bouquet of white Fuji mums.

Bridesmaids were Misses Sue Barron and Martha Crawley, both of Lamesa, Misses Bonnie Stewart and Gloria Petty, both of Levelland, and bridesmatron was Mrs. Gene Saur of Abilene. Young Miss Judy Inman, sister of the bridegroom, was junior bridesmaid, and little Miss Le'Ann Pruitt, cousin of the bride, from Lubbock, was flower girl, carrying a basket of white petals. All of the bride's attendants wore dresses identical to that worn by the maid or honor, except for the lace appliques in the nylon net skirt.

Ringbearer was Mac Wesley Hancock, cousin of the bride, from Lamesa, who carried the rings on a white satin pillow edged in lace.

Candlelighters were James Towns, brother of the bride, and Leon Jamison, cousin of the bride. Jerry Inman served his brother as best man, and ushers were James Towns, Leon Jamison, Gerald Petree of Abilene, Charles Perry of Sudan, and Bobby Ross Goodwin. Junior groomsman was the bridegroom's cousin, Jackie Walton, from Snyder.

For her daughter's wedding, Mrs. Towns wore champagne nylon lace over peau de soie in a sheath designed with folds of peau de soie over the hips ending in a bustle back. Her accessories were ivory lizard, and she wore a tiny jeweled hat, and an orchid corsage. Mrs. Inman, mother of the bridegroom, wore a gown of beige cotton lace over taffeta, designed with a circular skirt. Her accessories were also of beige, her hat jeweled and her corsage an orchid.

After the wedding a reception was held in the home of the bride's parents, where guests were registered by Miss Pat Inman, cousin of the bridegroom. Miss Joanna Wall of Snyder and Miss Priscilla Inman presided at the serving table, which was covered with white embossed and scalloped lace crystallette over a full gather-

MRS. MARLON INMAN

ed nylon net flounce which fell to the floor. Centering the table was the bride's bouquet and at one end of the table was the four tiered wedding cake in white decorated with blue flowers, and at the other end the crystal bowl holding sky blue punch. The house throughout was decorated with arrangements of white gladioli.

In the house party were Mesdames Vernon Jamison and Edward Hicks of Muleshoe, Hershel Pruitt of Lubbock, Mac Hancock of Lamesa and Sherman Sweetman and C. W. Wilhite of Muleshoe.

For traveling, the bride chose a brown wool crepe suit with accessories of morocco blue and brown reptile. Following their wedding trip, they will be at home at University Apartments, 1814-B Dillingham, Abilene, where both are students at Hardin-Simmons University. They are both graduates of Muleshoe High School.

Out of town guests for the wedding included Mr. and Mrs. H. H. DeLozier of Clovis, Mrs. Olan Schlueter of Texico, Mr. and Mrs. Cecil Cole of Goodland, Rev. and Mrs. W. C. Wright of Hale Center, Mrs. Claude James and Mrs. Harold Crooks, both of Tahoka, Mrs. Gerald Walton and Jackie and Miss Joanna Wall, all of Snyder;

Also, Miss Helen Bishop, Mr. and Mrs. Bob Jacobs and Pat and Mrs. Hershel Pruitt, Le'Ann and Rodney, all of Lubbock, Mr. and Mrs. J. W. Nelson and Donna Sue of Brownfield, Mr. and Mrs. Clinton Jackson, Pat and Becky of Hereford, Mr. and Mrs. Harry Whitley and Ann and Mrs. J. O. Ford, all of Farwell, Mr. and Mrs. T. O. Petty and Gloria, and Mr. and Mrs. Ernest Stewart and Bonnie, all of Levelland;

And, Mr. and Mrs. Victor Crawley and Martha, Mrs. Mildred Barron and Sue, Mr. and Mrs. J. E. Towns, Mrs. Mac W. Hancock Jr., Mac Wesley and Debbie and Harold Holladay, all of Lamesa, Mrs. Mac W. Hancock Sr. and Mrs. Lee Taylor of Morton, Mrs. Gene Saur and Gerald Petree of Abilene, Charles Perry and Miss Lynn Meeks of Sudan and Mrs. Louis Linguist of San Antonio.

The United States flag had fifteen stripes from May 1, 1795 to April 1, 1818.

"RUN FOR THE SUN"

RICHARD WIDMARK
TREVOR HOWARD

Mrs. Dollar Is New Class President

Mrs. Reta Dollar was elected president of the Companion Sunday School class of the Texico Baptist Church at a regular class meeting held Thursday night, September 6, at the home of Mrs. Dorothy Camp.

Other officers elected for the next six months' term include vice-president, Mrs. Patsy Webb; secretary, Mrs. Margaret London; treasurer, Mrs. Wilma Nell Whiten; class mistress, Mrs. Margery Fought; reporter, Mrs. Frances Womack; and devotional chairman, Mrs. Dorothy Camp.

After the business meeting, the hostess served refreshments of punch and cookies to the group. Attending the meeting were Mesdames Juanita Foreman, Inez Stone, Glenda Carpenter, Reta Dollar, Coeta Doolittle, Esther Ferguson, Margaret London, Tena Roth, Hazel Stallings, Patsy Webb, Frances Womack, Idalou Combs and the hostess, Mrs. Camp.

Next regular meeting of this group will be held on Thursday night, October 4, in the home of Mrs. Hazel Stallings.

Esther Class Meets In Hromas Home

Regular monthly meeting of the Esther Class of First Baptist Church, Farwell, was held at the home of Mrs. Charlie Hromas on Monday evening, September 10, with Mrs. Joe McWilliams as co-hostess.

Mrs. Calvin Blain gave the devotional and Mrs. Fred Curtis presided during a short business session.

After the business was conducted the group enjoyed seeing motion pictures of the Farwell church building and the activities held at the church on the first day the building was used. Pictures of the Baptist Indian Mission at Taos, N. M., were also shown.

Refreshments of orange sherbet, cake, iced tea and coffee were served to Mesdames Fred Curtis, Mem Sprows, Leroy McDonald, Buddy Wiseman, Weldon Rundell, Calvin Murray, Clarence Johnson, Calvin Blain, Bruce Blair, Raymond Martin, Horace Battenfield, James Patrick, Cecil Rundell, the hostesses and three guests, Mrs. Ray Campbell, Susan Patrick and Darlene Hromas.

Wesleyan Guild Installs Officers

Mrs. W. N. Foster was installed as president of the Wesleyan Guild of Hamlin Memorial Methodist Church at the Guild's regular meeting held Monday night, September 10, in the home of Mrs. Foster. Mrs. Ollie Burton, vice-president of the organization, was in charge of the program.

Officers installed besides Mrs. Foster and Mrs. Burton were secretary, Mrs. Leroy Faville; and treasurer, Mrs. J. H. McDonald.

After the installation ceremony,

an impressive pledge service was conducted and the project for the year was discussed.

The hostess then served refreshments to Mesdames Fred Danforth, Leroy Faville, Avis Patterson, Paul Wurster, R. C. Cantrell, J. H. McDonald, Curtis Jones, Ollie Burton, Fred Barker, John Armstrong, L. B. Penick, Jerry Bell and Jack Feagan.

Next regular meeting of the group will be held at the home of Mrs. Fred Danforth in Texico with Mrs. Bess Mansfield in charge of the program.

Lutheran Ladies Meet Thursday

The Lutheran Ladies of the St. John's Lutheran Church of Lariat held their regular monthly meeting on Thursday afternoon, September 6, with 16 members present.

Rev. Oesch opened the meeting with prayer and the group continued their study of the Apostle's Creed.

After the study, minutes were read and approved and the treasurer's report was given. Old business was attended to and a motion was made to have a bake sale on Tuesday of this week.

A report on the executive board meeting for this zone was given and family night was discussed. Family night will be this Sunday night (September 16) and an ice cream and cake social will be held. Activities will begin at 7:30 at the Parish Hall.

The meeting was adjourned with members of the group repeating The Lord's Prayer. Mrs. Henry Haseloff served refreshments after the meeting.

Susannah Class Meeting Tuesday

Officers of the Susannah Wesley Class of Hamlin Memorial Methodist Church were all re-elected to serve during the coming year.

The regular class meeting was held Tuesday afternoon of this week at the home of Mrs. E. G. Blair. Officers of this class are president, Mrs. Blair; vice-president, Mrs. Grace Sanders; secretary-treasurer, Mrs. Jess Newton; and reporter, Mrs. G. W. Atchley.

Mrs. N. L. Tharp gave the afternoon's devotion and three members drew gifts from the birthday box.

The hostess then served refreshments of orange ade, ice cream and cake to Mesdames N. L. Tharp, Anne Overstreet, Lena Yoder, Roy Thornton, B. N. Graham, Willie Lovelace, W. N. Foster, E. E. Booth, James A. Cox, Grace Sanders, Albert Thomas, Claud White, G. W. Atchley, Jess Newton, W. H. Graham Sr., Ralph Humble and one guest, Mrs. Curtis Jones.

Hibdon Visitors From California

Mrs. Dona Todd of Oakland, Calif., and Mr. and Mrs. W. O. Brown of Hayward, Calif., are visiting with Mr. and Mrs. E. L. Hibdon of the Hub community. Hibdon is a brother of Mrs. Todd and Mrs. Brown.

They arrived here from California on Labor Day and plan to remain here until about the 19th when they will return to California.

To Oklahoma

Miss Nancy Aldridge, accompanied by her mother, Mrs. John Aldridge, and Mrs. Willie Williams left today (Thursday) for Oklahoma. Nancy will be returning to the University where she is a senior and Mrs. Aldridge will visit her brother in Tulsa before going to Missouri to visit her mother. Mrs. Williams plans to visit in Hollis, Okla., with her mother before returning home.

The Tribune continues a series of pictures of young citizens. In the top panel are Dorothy and Bobby Hapke, children of Mr. and Mrs. A. E. Hapke of Texico. Posing happily (middle panel) are the three children of Mr. and Mrs. J. E. McGuire. Steve is on the left, Janet sits between her brothers, and Johnny is on the right. In the bottom panel are two self-assured young men, Ronny and Randy, twin sons of Mr. and Mrs. E. A. Walker.

Children Visit In Martin Home

Leaving this week for his home in Long Beach, Calif., was Bill Martin, son of Mr. and Mrs. V. L. Martin, who has been vacationing here with his parents for two weeks.

The Martins' other son, James and family, left here last Wednesday enroute to Ann Arbor, Mich., where James plans to work on his master's degree at the University of Michigan.

Mr. and Mrs. Martin have received word from their daughter, Mrs. John C. Dooze, that she and her three children arrived safely in Hawaii where Dooze is stationed with the Navy. Mrs. Dooze and children visited here with her parents for several weeks prior to flying to Hawaii.

Miss Anita Moss Honored at Dinner

Miss Anita Moss was honored at a dinner held Sunday at the home of her parents, Mr. and Mrs. Jim Moss, in celebration of her 15th birthday.

Friends present to enjoy the dinner of fried chicken and all the trimmings were Darlene Day, Mikala Faville, Susan Levins, Patsy Hill, D' Rene Danforth, Dickie Adams, Dick Lockhart, Jerry Henson, Weldon Bell, David Lockhart, the honoree and her two brothers, Jimmy Don and Glendon.

On Sunday afternoon the group attended a movie and then returned to the Moss home in Texico for a watermelon feast.

It's A Boy!

Kerry Neil is the new son of Mr. and Mrs. Neil Weems of Portales, N. M. The young man made his arrival on Saturday, September 8, at 10:44 p. m. and weighed eight pounds and 11 ounces.

Maternal grandparents are Mr. and Mrs. D. J. Brown of Texico.

Iodine is made from kelp or ashes of burnt seaweed.

Texico Girls Have Slumber Party

Miss Shirley Doshier, who left Sunday to enroll as a freshman at ENMU in Portales, was hostess to a slumber party at the home of her parents, Mr. and Mrs. Frank Doshier, on Friday night of last week.

The hostess and her guests first attended the Texico-Field softball game at Field then returned for a midnight snack and a night of visiting.

Attending besides the hostess were Misses Gloria Johnson, Mikala Faville, Betty Pendergrass and Joyce Gillean.

Salad Supper Fetes ESA Members

Members of Theta Rho chapter of ESA were entertained with a salad supper Monday night in the home of the educational director, Mrs. M. C. Roberts. The social was the first meeting of the year for the group.

A colorful salad plate was served to attendants, including cottage cheese stuffed tomato, melon and cantaloupe balls, ham and cheese slices, grapes, fresh pear and peach bits and potato salad. Coffee and chocolate chip pie completed the meal.

Dorothy Quickel, corresponding secretary, presided over a short business meeting in the absence of the president and vice-president. LaMoin Williams presented a report by the finance committee

and the group planned two money-making projects in the coming weeks, with dates to be set at the next meeting September 24.

Current plans call for rummage sales in October, and for a doll auction as was held last year. A doll with 15 or more complete costumes will be given away some time before Christmas, possibly in November.

Dardanella Helton presented the report of the yearbook committee and the second and fourth Monday nights were okayed meeting times.

From Lubbock

Miss Linda Kube, daughter of Mr. and Mrs. Ernest Kube, was home from Lubbock during the

weekend to visit with her parents. Linda attended Draughon's Business College in Lubbock during the summer and is presently taking nurses' training at the Methodist Hospital there.

Home From Ruidoso

Mr. and Mrs. M. A. Snider Jr. and children, John Charles and Martha Kim, returned late Sunday from a weekend trip to Ruidoso, N. M.

The Sniders went to Ruidoso last Friday and returned home by Artesia and Lovington where they visited friends and relatives.

Water Line Contest Booked October 3

A court case to test Lubbock's right to acquire right-of-way for its big water supply pipeline now being laid between that city and sandhills pumping stations has been docketed for October 3.

This suit, filed in 53rd district court at Austin, lists C. C. Morgan of Texico as plaintiff, and the City of Lubbock, et al, as defendants. The "et al" in this case would be the State Highway Department.

The basis for the case is the claim by property owners, of which Morgan is one, that Lubbock cannot lawfully obtain its right-of-way from the highway department which has an easement of the property "for highway purposes only."

The land in question is in the northeastern part of Hockley County, and lies adjacent Highway 70-84, along which the pipe is being installed.

This action is backed by the recently created Bi-State Water Commission, which is using it as one of the legal recourses to stop or delay the South Plains city's effort to develop its vast water rights in Bailey and Lamb Counties.

In action taken Friday, Judge J. Harris Gardner threw out five exceptions to the case that had been filed by Lubbock, and announced he would have the trial next month.

Attorney for the plaintiff are John Aiken, Hereford; Arthur Bagby, Austin; and Jack Young, Muleshoe.

There is a possibility that other property owners along the pipeline route may join in the controversy. Representatives of the Water Commission say they believe they have a strong case on these grounds, and they predict that the trial will soon go to the state supreme court where a test of constitutionality of the statutes would be decided.

Thomas Manager Of Ag Development

Sam A. Thomas has been named manager of agricultural development for the Southwestern Public Service Company, Thomas will be headquartered at the company's Amarillo office.

He will be responsible for coordinating the company's program for bringing more of the benefits and efficiency of electricity to farm production and rural homes with all interested agricultural agencies in the company's 45,000 square mile service area. Special attention will be given to working with county agents, home demonstration agents, 4-H and Future Farmer groups, and school and college agriculture teachers.

A native West Texan, Thomas has been with the production department of the electric light and power company since 1952. He is a graduate of West Texas State College, taking his degree in agriculture. Prior to joining Southwestern Public Service, he taught agriculture for more than six years in the Wheeler County vocational school at Mobeetie.

SOIL CONSERVATION DISTRICT NEWS

Now is the time to make preparations to plant wheat. Some farmers have already planted their wheat. Others are in the process of watering beds in preparation to sow.

When fertilizing wheat, it is usually better to fertilize before planting. This enables the nitrogen to speed up the decomposition of old stubble and thus release plant foods much quicker than they would otherwise.

Speaking of fertilizing it won't be long before grain sorghum will be harvested and land preparation will begin again. Many of you will want to fertilize for next year's crop. To increase your organic matter, increase your intake rate on your tighter soils, and decrease your evaporation of soil moisture next growing season, spread your stalks and fertilize as soon as you can after you have cut sorghum.

This will also hold true with your corn stubble. Chances are you will have more of it to dispose of than you will with grain sorghum. In getting this done early you won't have but very little residue left to bother you next spring at planting time.

Many farmers have indicated to us they intend to put in concrete pipe this fall. We have already exceeded last year's amount of pipe that was installed and with what is expected to go in this fall, we will probably double last year's installations.

If you are contemplating a pipe installation and are not sure where you want to put it, contact one of the SCS technicians and they will be glad to assist you in making this determination.

Filling these small lakes in the middle of fields is on the increase. Farmers are finding that by filling these they are able to improve their irrigation at a nominal cost. Your SCS technician can assist you by figuring your cuts and fills on the amount of dirt to be moved.

Rural Youth Day Is September 22

Saturday, September 22, has been set as Rural Youth Day at the Tri-State Fair in Amarillo.

All 4-H Club boys and girls in the county are reminded that if they wish free admission to the fair grounds on that date, they must get a special letter from the county agent's office stating that they are 4-H Club members. No special bus for Parmer County 4-H members will be taken to the fair.

Besides the usual Rural Youth Day activities, a district 4-H council meeting will be held. One of the highlights of the day for 4-H Clubbers will be the crowning of the wheat king and the baking queen. Judy Billingsley, Farwell, in Parmer County's entry in the queen contest, having won the county baking contest.

Judy Billingsley Wins Bake Show

Judy Billingsley, 13 year old daughter of Mr. and Mrs. Leon Billingsley, won the county-wide 4-H Club bake show and will enter district competition at the Tri-State Fair in Amarillo next Saturday.

To win this honor, Judy was high scorer in the cookie baking division and third high scorer in the muffin baking contest. Judy is a member of the Farwell senior 4-H Club.

Sharon Thorn of the Lazbuddie senior 4-H Club won high score in the muffin baking and third high score was received by Katherine Smith, also of Lazbuddie.

In the cookie division, second place scorer was Lexie Stevenson and third high scorer was Sharon Thorn.

Only eight girls from throughout the county entered the contest.

IN AMARILLO

Miss Jimmie Lou Wainscott, Parmer County home demonstration agent, and Joe Jones, Parmer county agent, attended a district meeting of home demonstration agents and county agents, in Amarillo, on Monday of this week.

Subscription about to expire?

FHA Office Now Permanent Here

Parmer County now officially has an office of the Farmers Home Administration, and its full-time manager is John D. Zahn, 30, who come here from Deaf Smith County.

Zahn, whose official title is assistant emergency loan supervisor, took over his new duties September 9. He and his wife and 1-year-old son are now residing in Farwell.

Zahn was born in Haskell County, moved to Lamb County in 1943, and has been working the Deaf Smith and Parmer County FHA area out of Hereford since January of this year.

The Parmer County office will still be under the supervision of Walter Johnson of Hereford. The new manager says that the Farwell office will be open full time,

and that he will be in the office on Tuesdays and Thursdays.

Mondays and Wednesdays, he will make "field visits" and Fridays have been left open for new loans and inspections, he says.

Wilma Limer is assistant emergency loan clerk, and has been employed in the office for some time.

THE HAPPY HOMEMAKER

Do hope none of you have tried the recipe for Orange Chiffon Cake which Mrs. John Benger gave us last week. If you have, don't discard it. There was an error in it. The two tablespoons of baking powder should have been two teaspoons. Seems like making errors in recipes is a habit with us. Will try to do better next time.

An empty cold drink carton makes a very good carrier for cleaning supplies when you are going from one room or area of the house to another.

If you have difficulty keeping pre-school age children busy on days when the weather isn't nice enough for them to play outside, here is an idea you might like to try. Inexpensive finger paint can be made by combining 3/4 cup laundry starch, 2 cups boiling water, 2 tablespoons glycerin and 1 1/2 teaspoons poster paint.

Any paper will take this kind of paint and all the surplus which is spilled on clothing is easily washed out.

Soup mixtures which are made now and frozen or canned will be very nice for evening meals when the temperature begins to drop. Almost anything you have left in the garden will make a good soup mix-

ture combination.

A lot of emphasis has been put on vacations for homemakers. We would be the last one to say that they are not important, but in our opinion every homemaker needs a lot of small vacations more than members of any other profession. Then, too, we think a tiny vacation every day is much more important than a long, expensive vacation once or twice each year.

If there is anything a person really enjoys doing, the time spent doing this thing is like a vacation. Most homemakers can find time or a few minutes relaxation every day. To some homemakers, hobbies are a waste of time. If your hobby does not afford you complete relaxation from your regular routine, our advice to you would be to take up another hobby.

Maybe that is the reason we have never gone in for a collection of any sort. If we had a huge collection of salt and pepper shakers or something else that required a lot of dusting, we would probably dread dusting it so badly that it would become a burden rather than a pleasure.

According to the experts, fall is the ideal time for transplanting trees, grass and shrubs. If you are one of the farm homemakers who have planned a new landscaping program for your home, now is the time to begin putting things in the ground.

The fall growing period is supposed to give the plants a head start on the winds which we will have next spring. We like the idea of using fruit trees for shade trees. It is true that they hardly ever bear fruit, but shade trees never bear fruit.

Youngsters in this area so seldom experience the thrill of picking fresh fruit from trees and eating it. If you had an apricot tree in the yard, when the children are grown they would probably use, "The year that apricot tree had so much fruit on it," as a landmark in their conversation.

In our way of thinking, there just are no prettier shade trees than catalpas. When we make this remark, someone always comes up with, "Yes, but it takes such a long time to grow them." We aren't familiar with the growth pattern of a catalpa, but admire the specie very much.

BULLETIN

Parmer County has been returned to a drought status by the USDA and subsequently is eligible for government drought relief.

Congressman Walter Rogers wired Wednesday: "Drought disaster programs were today extended to December 31, 1956. Counties of Briscoe, Carson, Donley, Hall, and Parmer were designated as drought disaster areas and included in program today."

The Parmer County Implement Co. News

"The Place Where Most People Trade" Wednesday, Sept. 12, 1956, Friona, Texas

Friona's city water is as pure as any anywhere. Our city water has been tested and found to have a high chlorine content. Our water is as good as that in the "Town without a Toothache." The toothpaste that is so highly advertised as containing chlorine to prevent tooth decay is actually detrimental to Friona folks because of too much chlorine.

Texas could resalt the Pacific Ocean and have enough salt left to catch every bird in the world by the old process of sprinkling salt on their tail, and still have enough left over to supply the U. S. until 9403. Annual production is over a million tons and reserves are unlimited. "Salt of the earth" was a phrase invented for Texas.

Frank Spring and Dr. Barnett of Hereford by happenstance were on the same plane to Austin last week. Dr. Barnett got on at Amarillo and Mr. Spring at Lubbock. They enjoyed visiting to Dallas and continued their visit in Dallas until they missed their flight out to Austin.

Thinking they might catch the plane in Fort Worth, they got a taxi and hurried as fast as possible in a 30 mile speed zone, to Fort Worth where they barely missed their plane again. They returned to Dallas and luckily were able to exchange their tickets for the next flight only an hour later. Dr. Barnett and Mr. Spring did enjoy their trip and said it was the only way for them to get to see the famous Amon Carter airfield in Fort Worth.

If you haven't treated the bindweed and Johnson grass on your farm with sodium chlorate, it is the time to do so. It should be applied before frost.

You too can afford an Oldsmobile. For style, comfort and long run economy drive America's finest car—Oldsmobile.

A Texas cowboy, who was having dinner in a cafe, ordered cup after cup of coffee. When the waitress brought him the fifth cup, she said, "You must like coffee." He replied, "I reckon I must when I drink all this water to get a little of it."

O. Henry (William Sydney Porter), generally considered the greatest short story writer America has produced, was a Texan. Many of his stories have their settings in San Antonio, Austin and the Southwest Texas ranch country.

Long trades now allowed on the world's finest pickups and trucks. International. Test drive and be sure.

The Hoyt Smith's small daughter, Linda, has been in and out of a good many hospitals in her short life. Last week when she entered Northwest Texas Hospital in Amarillo and since there wasn't anyone present to give her history, she gave it herself. She gave her name, age, inoculations, her father's full name and when the nurse said "what is your father's occupation?" Linda replied, "He watches television."

The nurse, thinking she just didn't understand, said, "I mean what kind of work does he do to make a living, to make money." To which Linda replied, "He doesn't do anything, he just watches television." Ah well, we only wish we could make a living that way.

Friona's Fire Department has twenty-seven members and need several more. They also need several men on the waiting list so that a full quota of trained men can be available all the time. We have one of the finest volunteer fire departments in Texas and there are plenty of men in Friona to keep it so. Why not call Chas. Bainium and volunteer as a fireman.

Binder twine, the world's best, use McCormick. It is more uniform, ties better, goes further and lasts longer.

David "Red" Moseley says he has a hair cut like the Friona teen-agers. The only difference is that the teen-age hair cuts will grow out and Red's is permanent.

Why not get your binder repaired now. You'll be using it soon. We have plenty of binder parts. Just call Douglas Connelley at 2091 or 2201.

Three U. S. business executives got paid more than \$700,000 in 1955, reports Business Week magazine. The average farmer in the U. S. would have to work 353 years at the rate of his farm income in 1955 to equal the executive's pay in one year.

Pete Buske says he has 8 or 10 bales of cotton open, but no cotton pickers yet.

Need some irrigation supplies? Parmer County Implement Company is headquarters for all kinds of dams, all sizes of irrigation tubes, and spades.

Heard on the radio—City life is so complicated. When a city dweller gets up, he has to drive miles and miles to get to work. When a farmer gets up, he's surrounded by it.

Mr. and Mrs. Sloan Osborn left early Sunday morning to take their daughter to Virginia where she will attend Mary Baldwin. The Osborns will visit in Arkansas on the way and Mr. Osborn's father plans to return to Friona with them. They will be gone about a week.

Have you been thinking of buying a new car? Why not come by for a demonstration of the beautiful new Oldsmobile, which cost no more in the long run.

NEWS FROM THE FARM BUREAU

If you are a lover of government checks and a hater of big business, think about this fact: Governments that have insisted on being big enough to make their people financially dependent upon them have often paid paltry sums of money for the former freedom of those people. Then they had neither finances nor freedom. Big business can occur and exist only in a free country (America, for instance), and is always dependent upon your patronage (voluntary) if it is to remain big. Big business, independent of government, has never, and can never buy your freedom. Even you, if you wish, and have the executive ability, can build a big business in this great country of America as long as you insist on individual initiative as the basis for building. Aren't you glad you can operate a small business, if that is what you like best?

Rhea Farm Bureau, as usual, had a good meeting last Friday night. They read and discussed resolutions proposed by the county resolution committee. They also discussed civic projects, some of which they always have in operation. Joe Ed Sullivan, Farm Bureau field representative, made a talk on various subjects of interest to farmers interested in their future. Franklin Bauer, president, and Jack Patterson, director, are to be commended for their leadership in a fine community, such as Rhea.

Among resolutions to be considered is one favoring a state sales tax for school use only. Only a few years ago such a suggestion would have caused no end of controversy. Now, however, it seems that most people think it is the fairest kind of tax for school use. We'll know how most farmers feel after the county convention September 24. Be sure you're there.

Consider this: When righteous men do rejoice, there is great glory; but the wicked rise, a man is hidden. Proverbs 28:12.

Time To Think Of Cotton Burrs

Money is sometimes a pretty scarce item around Parmer County area farms, but a lot of it will literally be going up in smoke this fall if action is not taken by cotton growers, County Agent Joe Jones points out.

Although the tonnage of cotton burrs which will be dumped into the incinerator is declining steadily over the years as farmers recognize the value of this by-product, still it is a common practice to burn them.

Farmers will be interested to know the results of a recent demonstration with cotton burrs just completed at the Lubbock Experiment station, believes the agent.

The tests show the value of burrs when returned to the soil which produced them, and also indicates what amounts give the greatest return.

Four check plots were used in the project, one of which received no burrs, and the other three received two, four, and six tons, respectively. The 1953 production in lint pounds: zero tons, 379; two tons, 422; four tons, 421; six tons, 453.

1954: zero tons, 449; two tons, 537; four tons, 490; six tons, 555. 1955: zero tons, 645; two tons, 821; four tons, 1017; six tons, 1143. Average: zero tons, 491; two tons, 593; four tons, 543; six tons, 717.

It should be kept in mind, cautions the agent, that water received by the crops during the test period varied. In 1953, 16 inches; in 1954, 18 inches; in 1955, 30 inches.

Burr cost was figured at \$3 a ton, and cotton was valued at 30 cents a pound. That made the following analysis for the average value per ton of burrs during the period; two tons, \$12.30; four tons, \$8.62; six tons, \$8.30.

broiled chicken, coat the liver and precooked heart and gizzard with fat, season and broil just long enough to brown—about 15 minutes.

2. Rub entire surface of chicken with cut lemon, squeezing lemon to obtain plenty of juice. Coat with melted butter or margarine. Sprinkle with a mixture of 1 teaspoon salt, 1 teaspoon sugar, 1/4 teaspoon paprika, and 1/2 teaspoon black pepper for each half.

3. Place chicken halves in bottom of broiling pan—not on rack—so that chicken is kept moist in the juices. Brush with melted butter, margarine, or salad oil. Place skin side down.

4. Place broiler 5 to 7 inches from source of heat. Chicken should be broiled slowly. Regulate heat or pan position so that chicken just begins to brown lightly in 10 minutes.

5. Turn and brush with fat 2 or 3 times (about every 15 minutes) during broiling to brown and cook evenly. Total cooking time varies from 35 to 50 minutes.

6. Test for doneness: The chicken is done when meat on the thickest part of the drumstick cuts easily, and there is no pink color visible. The drumstick and wing joints will yield easily to fork pressure.

7. Serve on warm platter skin side up. Pour the pan drippings over the chicken.

8. If giblets are served with

THE H. D. AGENT'S CORNER

Jimmie Lou Waincott

Are you getting tired of just plain fried chicken? If so, why not try broiling it sometime. It's really good and is not as high in calories as fried chicken. If you would like to try it sometime, here is a good recipe.

Marvelous Broiled Chicken

1. Split chicken in half lengthwise for broiling. Break drumstick, hip and wing joints to keep bird flat during broiling.

When shopping for ready-to-wear and good looking shoes at prices you like to pay, then shop at—

THE PARMER FARMER

If you haven't noticed it, we're not surprised, but it's sure there. We mean an almost imperceptible but vitally important change in our farming practices. More and more farmers are looking into the seed producing business with interest.

This year, in fact, our area is producing its usual big crop of sudan seed, but also prominent are the scattered fields of hybrid corn being grown for seed, and also the appearance of hybrid sorghum plots for the same purpose.

Filling out the picture are growers of certified wheat seed, common feed seed, and a scattering of such crops as the sargos.

Swisher County, which greatly resembles Parmer County in farming characteristics, is the state's largest producer of seed, and when one examines the reasons, this seems reasonable.

Our area is classified as the "high and dry" climate which is especially suited to good, healthy, clean seed production. Isolation is a factor which proves even difficult here sometimes, but we don't have the problems that seed producers elsewhere sometimes experience.

Looking at the nation as a whole, it is readily apparent that the irrigated High Plains is strategically located to produce seed for both the tremendous Midwest markets and also for the fast-expanding ones to the west.

As time wears on, we are going to watch a growing trend that will put more of our products into the bag.

It never hurts to look at the other side of the picture. In fact, most of the time it broadens your viewpoint. Either that, or increases your original convictions.

A lot of the time we don't agree with Congressman Walter Rogers when he comments on farm problems. To show that we aren't just plain bull-headed, though, we are turning the remainder of our column over to him. He made particularly pointed remarks on August 23, and some which we haven't seen published elsewhere and attributed to him.

Here are his thoughts: The secretary of agriculture is now advertising that he is moving into the second phase of his soil bank program. Many are wondering what happened to the first phase. It reminds you of the story of the fellow who reported that he was now working on getting together his second million dollars. It seems he gave up on the first.

The second phase of the soil bank program, referred to by Mr. Benson, is that portion of the program providing for the laying out of land on a long term contract basis. The return from this land is relatively small, and there are requirements that it be planted in grass or trees. Very few farmers will be able to lay out very much land on a long term basis, unless they have an outside income.

Strange as it may seem to some of the present day bureaucrats, very few farmers have an outside income. They must depend upon their land for a living. As the matter presently stands, they are barely able to eke out food and clothing in many instances on the acreage they now have available.

If they cease to farm a portion of this, it simply means that their income will be proportionately reduced.

It is argued that the trouble lies in "surpluses," and that the only way to reduce the surpluses is for the farmers to stop growing some of the products. A more fantastic argument could hardly be imagined. In the first place, the surpluses have no effect whatever on the price that must be paid by the farmer for the processed or manufactured products.

It is true that the surpluses have been used as a sorry excuse for filching the farmer. He has been led to believe that this terrible economic "satan," to wit, surpluses, must be done away with; that as soon as this is done, he, the farmer, can live in a land of milk and honey, and butter his bread on both sides. In other words, these heavy thinkers have figured out that, if they do away with the surpluses and reduce production, there will be a scarcity of food and the price of farm products will increase.

This may be true, but the stupidity of this approach lies in the fact that it will not solve the

problem, but serve only to increase it. The present difficulty of the farmer has been caused by a measurable reduction in his income. On his present income he cannot buy the manufactured and processed articles that he and his family need to live and carry on farm operations. Therefore, the farmer must have an increase in his present income without an increase in the cost of those things that he must purchase to stay in business.

Under the Benson Plan, there are two glaring defects that seem to have been overlooked by the brainy boys.

In the first place, if a farmer has 100 acres of land under production, puts 25 acres in the soil bank, and is paid such amount of money as would equal the profit he would make off these 25 acres if he had planted them, his income will not be increased one cent. Therefore, he is in no better position, from an income standpoint, before or after the soil bank. The only benefit he receives from the soil bank is that it amounts to a sort of crop insurance on the land placed in the soil bank. He is assured of being paid on that acreage, even though he has a subsequent crop failure during the year.

In the second place, the increasing of the cost of farm products, by the creation of a scarcity in those particular commodities, will not serve to benefit the farmer, but will tend to harm him. Under such a plan, the increase in price going to the farmers will be reflected in the price tied to the end manufactured or processed product, and instead of solving the farm problem, there will be an additional problem of inflation.

The income of the American farmer has been allowed to get out of balance in our economic structure. This imbalance is transmitted to and sorely affects small businesses all over the nation—especially in the rural areas and the areas depending upon agriculture for subsistence.

Many of the economic ills of this country, in several segments of the economy could be quickly solved by facing up to and doing something about the present farm tragedy.

DRILL THAT WHEAT—Rigs like this are a common sight these days as farmers in the Parmer County area seed their 1957 wheat. This picture was taken on the dryland farm of Roy Clements between Bovina and Friona. Clements was fortunate enough to get a rain a couple of weeks ago.

Moving Planned By ASC

ASC offices in Farwell will be closed Friday noon to enable personnel to move to a new location in downtown Farwell. The offices have been located on the second floor of the Parmer County Courthouse.

Prentice Mills, office manager, says the new location will be in the building next door to Billington Barber and Beauty Shop, in the location formerly occupied by The Paint Store. The building is owned by a Clovis man.

The move was made possible by approval by the county committee and later approval by the state committee.

Mills says the office will be open in the new location Monday morning, and he advises farmers that the ASC will have cotton marketing cards next week. Farmers may pick them up at the office, or the cards will be sent to them on request.

Regarding the move, Mills says "we will have about 800 feet more floor space, which will enable us to have a more efficient operation and to serve the farmers better."

Weather Cycles Not Found in Recent Study

Predictions of rainfall cannot be made on the basis of weather cycles of "wet and dry years."

Recent studies of 31 locations in the High and Rolling Plains of Texas show that cycles play little or no part in annual rainfall figures dating as far back as 89 years.

Drs. R. J. Hilderth and Gerald W. Thomas of the Texas Agricultural Experiment Station, who made the studies, state that an optimist can find traces of cycles at some locations, but no statistical significance of cycles is revealed in the records.

"Average or normal rainfall seldom occurs," Dr. Hilderth said. "The records indicate that farmers and ranchers in the High and Rolling Plains should figure that more years—52 to 69 percent—will be below average in rainfall than years above average. Prolonged droughts have occurred

SCD Field Tour Is Thursday

The annual field day of the Parmer County SCD will be Thursday afternoon, September 13. It will start at 2 o'clock at the courthouse in Farwell.

Several farms will be visited by interested farmers, and they will see hybrid grain sorghums, fertilization demonstrations, and other practices. In addition, weed and seed specialists will be on hand to bring farmers up to date in those two fields.

Lamb Voters Reject Water Rights Offer

Voters of Lamb County last week rejected an \$800,000 proposition to buy water rights in that county to retain them for local use. The margin was about 5 to 2.

The effect of the vote was to "turn loose" several thousands of acres of sandhill and other area water rights in the county and put them on the open market. Lubbock, new industries, or other towns may be purchasers of the right to develop these areas for the going price of about \$35 an acre.

Al Hall, coordinator of the Bi-State Water Commission, said this week that the group views this development with alarm and that it is another threat to the depletion of Plains ground water supplies.

The commission is calling on the High Plains Water District, the sole regulatory body at present, to expand its restrictions into the area of wells drilled for non-agricultural uses, and to curb unrealistic withdrawals.

Three points are asked: 1. That the District increase the spacing required for wells. 2. That the District require operators of these wells to keep records and make periodic reports on withdrawals and fluctuation of water table levels. 3. That the District require public hearings be held before permits are let for these non-agricultural wells.

Hall says the Commission believes it is "high time" that the District step in with regulations that would apply specifically to non-agricultural users as a means of preventing wholesale and economically unsound pumping for industrial or municipal use.

A sprinkler system waters this thirsty cotton crop in Mississippi, providing moisture during a dry spell which ordinarily would reduce yields.

on the High and Rolling Plains at least two or three times during the period weather records are available. The famous drought of the 1930's, which led to the dust bowl period, shows up in records at most locations. Another bad drought period occurred around 1917. At most locations the recent drought began in 1951 and is the longest and most severe on record. Records go back to 1866 at Abilene.

In most cases, it is not the first year of low rainfall that is disastrous, but the 2, 3 or 4 years in a row of low rainfall. During the dust bowl period Amarillo had 8 consecutive years of below average rainfall.

The study and publication of the results — "Farming and Ranching Risk as Influenced by Rainfall" — is the first of a planned series to include several other areas of Texas — the Edwards Plateau, Trans-Pecos and Rio Grande Plain, where drought also has affected farm and ranch income.

Texico Band Adds Five New Members

Five new members were introduced to the Texico band group at the first meeting of the year recently, bringing the total membership to 47. They are Robert Lawson, cornet; L. A. Lawson, cornet; Johnny Sprawls, cornet; Alex Brown, clarinet; and Patsy Hill, clarinet.

Mikala Faville was elected president of the group with Raymond Hadley, vice-president; Susan Levins, secretary-treasurer; Dick Lockhart, reporter; and Dicky Adams, librarian.

"A complete new library of music has been purchased which will keep band members busy and interested throughout the year," Fred Danforth, band director, stated.

Coming band activities include participation in the Tri-State Fair parade at Amarillo September 17, Friona parade September 20, and the yearly ENMU Homecoming parade at Portales, October 13.

Also on the agenda for next week is participation in the Curry County Fair parade on Wednesday night. Three band trips in one week is unusual, say school officials, and parents shouldn't become alarmed at the high number of activities for the organization this next week.

Danforth says this is the largest band the school has had. Sixteen have enrolled for beginners work and the intermediate class has 10 students.

Rehearsal Dinner Honors Couple

A rehearsal dinner honoring Miss Karolene Towns and Marlon Inman, who were married September 7, at Muleshoe, was held at the home of the bride-elect's parents, Mr. and Mrs. Verney Towns, on Thursday evening, September 6, at 6 o'clock.

Thirty-five persons, including members of the wedding party and guests, were present for the dinner. Places of the wedding party members were marked at the tables with gifts from Karolene and Marlon.

News Editor Is On Vacation

Richard Hapke, news editor of The Tribune, is vacationing in California this week, but plans to return home Sunday. He will then enroll for his senior year of study in journalism at Eastern New Mexico University in Portales.

Hapke plans to commute to his classes and to retain his position as news editor in the coming months.

His brother, Frank, who had been visiting here, returned to California with him, and was to return to his assignment with the Navy. Hapke planned to visit his sister and her family, the Chuck Crosbys in San Francisco, before returning home.

Mrs. Jeanne Graham, former society editor of The Tribune, is serving as news editor during the absence of Hapke.

Violinist To Give Two Programs

Kerek Jarto, noted violinist, will appear at an assembly program at Farwell School on Friday, September 21, at 12:45 p. m. Jarto is being presented by the United School Assemblies.

Previous to his Farwell appearance, his program will be presented at Texico at 10:30 in the morning.

Jarto was a pupil of Hubay and at the age of six was accepted as a pupil in the Franz Liszt Academy of Music at Budapest.

When he was nine, Jarto made his debut in which he played three major Concertos under the baton of Frenz Reiner in the Budapest Royal Opera House.

Finally—A Girl In The Family

It's unusual but true. The Lenton Pools have a granddaughter! It's not so strange that they happen to be grandparents, but little girls are pretty rare in their family.

For instance, Lenton and Lauretta have four sons, Jerry, Rex, Don and Sam. Rex is the father of the first grandchild for the family, 10-month-old Lynn, a boy!

But the picture was changed Wednesday, when a little daughter was born to Mr. and Mrs. Jerry Pool. The 6 lb. 9 oz. miss was born at a Phillips hospital, and was given a very feminine name, Micki Deniese.

And how does it feel to be the grandparents of a girl—“just a little unusual,” say the proud Pools.

TEXICO BAPTIST NEWS

Rev. C. C. Morgan, Pastor

The church auditorium was filled at the preaching hour on Sunday morning, September 9. One hundred sixty-six were present for Sunday School and 88 were present for training union. One addition was made to the church on Sunday and baptismal services will be held next Sunday night.

Members of the WMU met at the church last Wednesday for mission study, and in the absence of the missions chairman, Mrs. Joe Morgan, the group read and discussed mission stories from their Royal Service guides.

Present for this meeting were Mesdames J. O. Ford, D. J. Brown, Barney Kelley, Ed Henry, Nell Autrey, M. H. Poteet, S. G. Billington, C. C. Morgan and Mrs.

Ex-Seniors Give Assembly Program

Several members of the Farwell graduating class of 1956 presented the assembly program at the school on Thursday morning, September 6.

Master of ceremonies for the program was James Norton. Jerry Don Utsman read a list of students receiving scholastic and athletic awards for the school year 1955-56.

Bert Williams presented gifts to the class sponsors, Mr. and Mrs. Calvin Murray and Mrs. L. B. Penick.

Carolyn Cantrell gave a reading and Glenna Davis read a list of what members of the class are doing this year.

Betty Smart and Jerry Henson, Farwell delegates to Girls' and Boys' State this past summer, gave accounts of their trips to Austin.

Gerald Hardage also participated on the program. Letter jackets, which are usually presented at the first assembly program of the year, had not arrived for the presentation at this time this year.

Mrs. Davidson Works In Clerk's Office

Mrs. Grayce Davidson began duties as deputy clerk in the county clerk's office last week, says Hugh Moseley. Mrs. Davidson assumes the position vacated by Mrs. Joe Cox, who resigned.

Formerly, Mrs. Davidson was employed at Wheeler by an insurance and abstract company. She is now staying in the home of her niece and family, Mr. and Mrs. Mem Sprawls.

Mrs. Wilfred Quickel is also a clerk in the county office.

PLAN FAIR BOOTH

Plans for a booth to be sponsored by the Texico Farm Bureau local at the Curry County Fair which starts next week were discussed at the Bureau's regular meeting held at the school lunchroom on Monday evening, September 10.

About 40 persons were present for the pot luck supper served prior to the business meeting. During the business meeting the group heard and discussed resolutions which will come up during the county Bureau meeting.

CARD OF THANKS

I would like to say "thank-you" to everyone for the nice flowers, cards, visits and other kindnesses shown me during my recent operation and convalescence at home.

Kenny Smith.

Texico Brotherhood Meets Tuesday Night

Brotherhood of the Texico Baptist Church met at the church on Tuesday night, September 11, with Leon Perry of Farwell as guest speaker for the evening.

Those attending reported a very spiritual meeting. Present besides Perry were Olan Schlueter, Bob Womack, O. S. Allred, Morgan Billington, Joe Carpenter, Ray Sharp, C. H. Webb, Barney Kelley, J. C. Kelley, D. J. Brown, Alex Brown, C. H. Whitener, Murray White, Bud Pearce, Harry Donahay and the pastor, Rev. C. C. Morgan.

Thirteen Cases Heard Past Month

Thirteen cases tried in the J. P. court of Sam Lewis in Texico, drew fines from \$10 to and including \$25, plus court costs, during the past month.

Highest count on offences was for speeding with seven hearings for this violation. Other cases included illegal passing at yellow line, four; no driver's license, one; violating S. C. laws, one.

One case in police magistrate court, was for operating a motor vehicle upon the streets of Texico, without a driver's license, in violation of Ordinance No. 29 as amended.
