

District 3-A Champions

Shown above are the members of the Farwell Steers football team who reign as champions of the District 3-A conference this week and meet Hale Center in the Bi-District game at Plainview Friday, afternoon. **BOTTOM ROW**—left to right, Glyn McDorman, Gerald Christian, Arlin Smith, Derrell Garner, Lovelace, Wayne Jesko, Larry Cooper, Jerry Henson, and Clive Huggins, manager. **TOP ROW**—Russell Young, coach; Preston Cain, Jerry Owens, Roland Hillock, Doug Hillock, Larry Pike, Donnie Carpenter, Dickie Williams, and Shelby Jobes, Coach.

Steers vs. Hale Center in Bi-District Game

FROM THE
HOPPER
By Hop Jr.

If any community has ever been more completely caught up with football fever than Farwell is at the moment, we haven't heard of it. We have heard of towns going "plumb crazy" over a team, but it always seemed a little far fetched to us.

Now, though, we are seeing the mania take hold of the people of this town like it never has before.

Oh, sure, we have been excited before. Rivalries between this and other towns has often stimulated interest, and we have gotten pretty hot up a time or two about championship football and basketball outfits.

But after all, this is Farwell's first try at Class A, 11 man football, and to come up with a championship team is something to get excited about.

Back in 1947 and 1948, there were some very good basketball and football teams turned out here, which always were supported well by the local boosters, but that was before Farwell really got big enough to compete against the teams which year after year grab off the headlines in the state's papers.

Regardless of the outcome of Friday's contest against Hale Center in Plainview, there will be plenty to talk about in local sports circles for weeks to come. A team such as Farwell, with such heavy dependence on sophomores, just isn't usually figured to come out on top of a Class A conference.

The wife is often critical of male column writers who dwell to excess on (1) sports, (2) politics. She doesn't realize this, of course, but from a man's point of view, there isn't much else left to write on.

Except sex.

"Liberal" is a term which we would never care to have attached to our name in the political sense, but we have for a long time held a personal pride in our "liberal" or "broad-minded" points of view with respect to recognizing the full rights of others to have views contrary to our own.

We have always hoped that it would never be necessary for us to harbor radical thoughts about religion, government, economics, or any other subject. "Live and let live," we decided when in college where we had time to philosophize a little, was a pretty good slogan.

But, little by little, bit by bit, we are being moved closer to the precipice of "radicalism" where we would almost deny a certain element the right to exist in America—the labor unions.

That, of course, would be an extremely strong statement, but upon examination of the performance and goal of the unions in this country today, it might force the concession from the leader that it would be better to abolish the unions and save the country than save the unions and abolish this nation as we now know it.

Plainview Is Picked As Site

Plainview's new 8000-seating capacity football stadium has been selected as the site of the Bi-District football game between the Farwell Steers and the Hale Center Owls. The game will be played Friday at 2:30 p. m.

The reason for selecting Plainview as the site is that it is the only stadium in the area with adequate seating capacity, according to school officials, who met with Hale Center officials Sunday.

Dimmitt and Littlefield were considered as being the logical half-way points, but different circumstances made these two points unfeasible. Dimmitt's stadium is no larger than Farwell's and the stands at Littlefield, while large enough, have some "chicken roost" type seats.

Too, the Plainview Chamber of Commerce will sponsor the event and will be in charge of selling tickets. Proceeds of the game will be divided between Farwell and Hale Center.

Admission to the game will be \$1.25 for adults and 50 cents for school children, reports Jack Williams, superintendent at Farwell. Farwell's stands will be on the east side of the playing field, he says.

School will be turned out at 11 a. m. Friday and several buses will be taken to the game, Williams says.

Billingsley in Critical Condition After Accident

Howard Billingsley, Texico, is in critical condition following an accident at Alamogordo, N. M., Monday night.

Billingsley, a truck driver for the Transport Trucking Company of Texas, was hit by a car after getting out of his truck to go into a cafe, and was pinned between the car and the truck. He received a severe head injury and both legs were badly crushed, according to reports.

He regained consciousness yesterday (Tuesday) noon and was removed from an Alamogordo hospital to El Paso where a bone specialist was to be consulted.

Billingsley has been employed by the trucking company for about a year. He was making a trip from Texico to Phoenix when the accident occurred.

His parents, Mr. and Mrs. Earl Billingsley; two brothers, Billie and Leon; and a sister and husband, Mr. and Mrs. Windborn Hardage, are at his bedside.

FARWELL, TEXAS WEDNESDAY, NOVEMBER 21, 1956 NUMBER 7

Armed Bandit Gets \$318 From Station

An armed bandit held up Tom Finley's Texaco Service Station in Texico early Tuesday morning and when "Pop" Spurlin, station attendant, refused to open the cash register, the robber made off with the register and \$363.

The \$380 cash register has been recovered but no leads have been found as to who committed the robbery, according to investigating officers.

The cash register was found south of the Texico gymnasium yesterday noon, and still contained \$45 in change. The register, discovered by a Texico high school boy, had been pryed open, and damage to it was estimated at \$100 by Finley.

The bandit, described by Spurlin as being between the ages of 25 and 30, six feet tall, and weighing about 170 pounds, entered the station at 4 a. m. and,

pointing a revolver at Spurlin, demanded that he open the cash register.

Spurlin refused and when the man started toward him, Spurlin darted into the rest room and bolted the door. The robber then picked up the cash register and made his get-away. A man, living behind the station, reported seeing an old model pickup pulling away from the station about that time.

Law enforcers from Texico, Farwell, and Clovis, were summoned and road blocks were set up on each highway out of town, but to no avail.

The robbery occurred about 15 minutes after T. L. McLeod, town

The W. E. Hudsons of Texico are in Oklahoma where they plan to spend the Thanksgiving holidays.

constable and night watchman, had left the station.

It was believed that the bandit was an amateur because of the way the cash register had been pryed open, and the fact that the small compartment containing the rolls of change had not been discovered.

The loss was covered by insurance, Finley says.

Steer-Owl Game To Be Aired

Radio Station KPAN of Hereford announced this week that the Farwell-Hale Center football game Friday will be broadcast "live" from the field of play.

Game time is 2:30, and the contest will be aired through the sponsorship of six local merchants.

Owls Formidable Hurdle to State

With an undefeated season behind them, the Farwell Steers, District 3-A champs, go into the Bi-District playoff game this Friday against the Hale Center Owls, a rugged offensive unit from District 4-A. The Owls have just won their fourth consecutive district title.

The Steers won the right to represent District 3-A with a 25-6 win over Springlake last Friday night, while the Owls were romping to a 51-26 decision over Anton for their crown. Even in winning, though, Hale Center had to have help from Ralls to reign as champions.

Ralls battled Crosbyton, the team which beat Hale Center, to a 6-6 tie and won the game on first downs after the two had the same number of penetrations. As the game ended, the Crosbyton eleven was only two inches away from another penetration.

Hale Center finished with a 4-1 record in conference play and Crosbyton stood at 3-2 after last Friday's games.

Under the guidance of Hoss Byerley, the Owls have compiled a 7-3 record this season against teams of Class A classification and higher. They hold wins over three AA schools while losing to one, and against A competition, have won four and lost two.

Double A schools Hale Center has defeated are Dimmitt, 40-24; Olton, 32-27; and Muleshoe, 41-33. In the season opener it lost to Lockney, 19-3. Scores of other games are Sundown, 0-26; Petersburg, 21-6; Idalou, 34-12; Ralls, 6-0; Crosbyton, 14-18; and Anton, 51-26.

If a favorite were to be named, it would be Hale Center, on the basis of its records against stiff opposition. But, going into the game as an underdog is nothing

new to the Steers. They have done it all season.

Winning conference titles and playing in Bi-District games is old stuff for Hale Center as it has done it for the past four years. In Bi-District last year, the Owls topped Sundown, 33-0, then lost to Stinnett, 7-19, in the regional game. Stinnett was the runnerup in the state last year.

For the Steers, the Bi-District encounter will be something new as it was in 1948 that a local team last made it that far.

Coach Russell Young reports that the Steers are in good physical shape and will be at full strength against the Owls this week.

The lineups for both teams are as follows:

FARWELL

- 80 Derrell Garner, 166, E, Jr.
- 82 Glyn McDorman, 136, E, Jr.
- 70 Preston Cain, 173, T, Jr.
- 71 Doug Hillock, 163, T, Sr.
- 60 Jerry Owens, 175, G, Sr.
- 61 Roland Hillock, 140, G, Sr.
- 50 Larry Cooper, 154, C, Sr.
- 12 Johnny Lovelace, 186, B, Soph.
- 22 David Willard, 150, B, Sr.
- 32 Tommy Lovelace, 175, B, Jr.
- 31 Phillip Berry, 163, B, Soph.

HALE CENTER

- 83 Melvin Hyder, 145, E, Sr.
- 81 Jerry McMinn, 151, E, Sr.
- 73 Winfrey Shipp, 200, T, Soph.
- 71 Jesse Reid, 170, T, Jr.
- 61 Eddie Smith, 162, G, Sr.
- 51 Don Sunrall, 145, C, Sr.
- 11 Jerry McMenemy, 151, B, Jr.
- 14 Furman MacBeth, 180, B, Sr.
- 40 David Cannon, 147, B, Jr.
- 33 Jimmy Carver, 164, B, Sr.

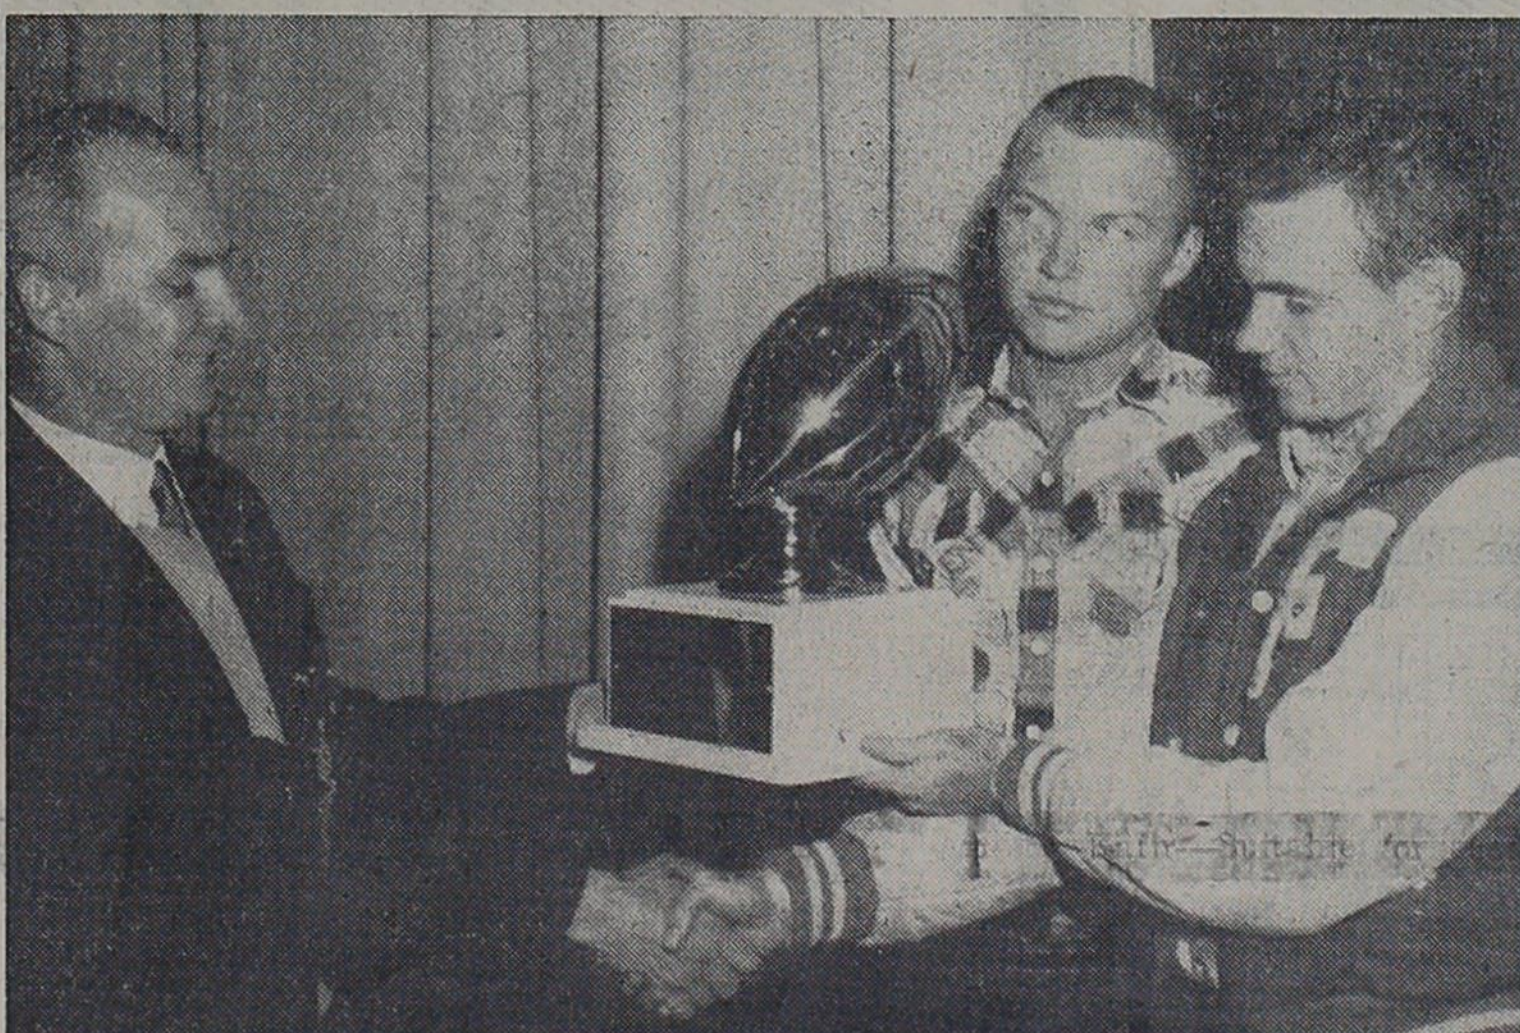

HOORAY FOR THE MERCHANTS

The response to a "congratulations" advertisement in this issue to the Farwell Steers, District 3-A Football champions, was overwhelming. It exceeded expectations to such an extent that the cooperatively-sponsored ad brought in more revenue that had been anticipated.

The Tribune thanks the businesses of the community for their underwriting of this promotion, and announces that we have taken the liberty of using the money over and above regular rates to have enlargements of the team and the senior players made for the team coaches, Russell Young and Shelby Jobes, and the School, plus smaller team pictures for each member of the squad.

Also, we used some of this "surplus" money to prepare promotion material, including pictures and statistics, for area daily newspapers in order that they might give the local team the tribute it richly deserves.

We hope that the businesses agree with our decision, and that those who are receiving these favors paid for by local merchants will acknowledge their thanks to the sponsors.

RECEIVE TROPHY—Receiving the trophy for winning the District 3-A championship are Jerry Owens and David Willard, co-captains of the Farwell Steers football team. Making the presentation of the mounted bronze football is Dillie Kelley, Friona school superintendent and chairman of the district. The presentation was made at a Farwell school assembly Tuesday morning.

Steers Bounce Back in Fourth To Overtake Springlake, 25-6

Defying everybody's beliefs except their own, Farwell's spirited Steers climaxed an undefeated season Friday night with a 25-6 win over the highly-touted Springlake Wolverines, the win giving them the District 3-A football crown their first year in Class A.

The conference title and an unbeaten season are the first for a Farwell team since 1948 when the Steers were still playing six-man football. Participating in Class B conferences for seven years, a team never accomplished either feat.

In spite of playing on a foreign field Friday night, the Steers played before a friendly crowd as a good representation of Farwell fans were on hand. An estimated 500 Steer supporters sat through the game in freezing weather.

It was anybody's ball game up until the final period when the Steers scored three quick touchdowns to break-up a 6-6 tie. The big gun in the Farwell attack was Halfback David Willard.

Playing his last year for Farwell, Willard was nothing less than brilliant as he romped for three touchdowns and set up the other one. Along with the elusive halfback's fine performance was the most efficient blocking turned in by the Farwell team this year.

After getting off to a poor start, the Steers finally got a scoring drive underway late in the first period. Willard went for the Steers initial first down on a 26-yard jaunt, just as the first quarter ended. Two plays later after being thrown for a nine-yard loss, Farwell's first touchdown was set up when Willard, on a reverse, went

150 yards to the Springlake four-yard line. On the next play, Tommy Lovelace went over for the score. The extra point kick was no good.

Later in the second period another Steer drive was halted by a 15-yard penalty and the halftime score stood at 6-0.

In the third quarter the Wolverines came charging back when Max Goforth hit Joe Wheat with an aerial in the flat, good for 74 yards and a touchdown. The extra point attempt by Wheat went low and wide to leave the score 6-6.

Springlake then kicked off and a bobble by a Steer receiver gave the home team possession on the Farwell 10. It was then that the Farwell defense "showed its stuff" and four plays later the Wolverines had been moved back to the 20-yard line.

It was not until the fourth quarter that the Steer offense came to life. Soon after the period got underway Willard snared a Springlake pass at the midfield stripe and, as the blockers "mowed 'em down," he went all the way to pay dirt. The Steers attempted to run the point after but they were stopped short.

Farwell kicked off and seconds later recovered a Wolverine fumble on the 20. T. Lovelace plunged through the line for four yards before Willard went off tackle for 16 yards and a TD. This time Johnny Lovelace's extra point kick split the uprights to make the score 19-6.

Still not satisfied, the Steers held the Wolverines deep in their own territory, and as they kicked out, Willard took the ball on the 37 and behind good protection, returned the ball all the way for his third and final touchdown. The conversion at-

tempt was no good.

It was the second week in a row in which the Farwell team has lost the game in the statistic department but came out on the long end of the score. Springlake penetrated the Farwell line for short gains all during the contest, but could never keep a drive going for more than three first downs.

The Springlake offense had been scoring an average of three touchdowns per game prior to the encounter with the Steers. Jimmy Herring, the Wolverines' vaunted fullback, was held in check most of the game.

Farwell	Statistics	Springlake
8	First Downs	12
157	Rushing Yardage	147
14	Passing Yardage	74
171	Total Offense	221

FARWELL BAPTIST NEWS

Rev. E. J. Keith, Pastor

Rev. Keith reports that the offering for the building note was good. He reminds those who did not have an opportunity to contribute to the special offering Sunday may turn in their offerings at any time.

Sunday School attendance November 18 was 173. Attendance for training union was 96.

Today (Wednesday) the District 9 WMU convention is being held at the First Baptist Church of Leveland.

The local WMU held an all day meeting at the church on Monday. "Japan Advances" was the theme of the day's program.

Regular meeting of the Brotherhood which was scheduled Monday night, December 3, has been postponed to Wednesday night, December 12, because most Sunday school classes of the church are planning Christmas parties on the night of the 3rd.

Rev. Keith says that it is hoped they will be able to have some foreign students present at the meeting to speak to those attending, about missionary work in their home countries.

Members of the intermediate training union department will present a Thanksgiving playlet at the opening assembly of training union on Sunday evening, November 25. All intermediates are urged to be present.

Mr. and Mrs. Durb Kittrell and her sister, Miss Barbara Christian, were in Amarillo on Tuesday to shop and to visit with Mr. and Mrs. Robert W. Barton. Mrs. Barton is a sister of Miss Christian and Mrs. Kittrell.

Ex-Student Banquet Next Saturday Night

Plans are almost complete for the annual banquet and homecoming for ex-students and faculty members of Farwell, West Camp and Oklahoma Lane.

The banquet and get-together is to be held at the Farwell School cafeteria on Saturday evening, December 1, at 8 o'clock. The event had been scheduled for November 24, but was changed after Texans learned they were to observe November 29 as Thanksgiving.

Special guests for the occasion will be John Lee, a former Farwell football coach, now principal of Justin Schools and E. W. Harper, former superintendent of Oklahoma Lane and now of Muleshoe.

Others who will participate on the program are Dorene McDowell and Annie Lee Chumley, Charles Phillips, Jimmy Schell, Dudley Hughes, Jerry Don Utsman, Alan Price, Donnie Carpenter, David Willard, Neil Anderson Hancock, Mrs. Betty Curtis Weiman, Mrs. Shirley Smith Ware, Mrs. Jerry Allison Tharp and Miss Susan Levins.

Tickets for the banquet are \$1.50 and membership dues for the ex-students association is 50c.

Door prizes will be awarded, and gifts will be presented to the oldest ex-student attending and to the ex traveling the farthest distance to the banquet. Free corsages will be presented to the

ladies, compliments of Sherley-Anderson-Pitman, Inc., and the men will receive free cigars from Nickels Gins.

Door prizes are being furnished by Fern's, Karl's Auto Clinic, Farwell Hardware, State Line Grocery, Rose Drug, Stone's Variety, Furniture Mart, Red Cross Pharmacy and Bradshaw Grocery.

All ex-students in the area are invited and urged to attend the banquet.

Officers in the ex-students organization are president, Bunk Phillips; vice-president, Mrs. Don Williams; and secretary-treasurer, Mrs. Wendol Christian.

Helton, Getz To Lions Zone Meet

Joe Helton and John Getz, president and secretary, respectively, of the local Lions Club, represented the Texico-Farwell organization at a Lions zone meeting held Monday evening, November 20, at the Community House in Fort Sumner, N. M., with the Pecos Valley Club as hosts.

The dinner meeting was presided over by Melvin James, Portales Lion, and superintendent of the Portales School system.

Farwell Homecoming is December 1. Make plans to attend now.

Mrs. M. H. Poteet was here over the weekend. She and her husband have been in Causey during the ginning season where he operates a gin.

Mrs. Poteet remains there, too, as the light housekeeper, she says.

They are thrilled with their season, since they have weighed in over 1500 bales, and think they will get over 2000. The gin hadn't been in operation for two years or more, so they are more than pleased.

Football fashions Friday night were on the heavy side, but spirits after the game were on the light side.

Never saw so many downcast eyes as in the first quarter, or as many grins the last quarter, at the second grid thriller in as many weeks... don't know which daughter it was, but the clever little toboggan worn by Ann Smith's daughter attracted many an eye, when the wearer turned her back to you, a bouncy little felt face dangled from the back of her cap... most of the attire of fans was not so becoming, as oversized blankets were the fad... Buck Bradshaw solved the weather problem by donning his sleeping bag... we wonder if there were really more Farwell fans at the game than boosters from Springlake, or was it just an illusion?

And bleacher quarterbacks had a heyday. They really played a game.

Incidentally, we understand that the Steers play Hale Center for a place on the next rung of the ladder. The husband talked to Tom Rambo, editor of the Hale Center newspaper, over the weekend, and Tom confided that their coach has been there five years, and the team has won district four times in that period.

We know one person who will be torn between two loyalties when Farwell and Hale Center play. Jett (Byerley) Campbell, who taught English here a few years ago, is a sister of the Hale Center coach.

Tom Berteau Speaks To West Camp HD

Tom Berteau, local lawyer, was guest speaker at the regular meeting of the West Camp Home Demonstration Club on Wednesday, November 14.

Topic of Berteau's talk was the responsibility of women serving as jurors. He stressed the fact that now that women are eligible to serve as jurors, it makes available about twice as many people for jury service.

Mrs. Jack Peel was hostess for the meeting and served refreshments to Mesdames Gerald Byrd, Jack Hough, William Flowers, E. E. Hughes, E. A. Walker, Mrs. Welch and the guest, Mr. Berteau.

Next regular meeting of the group will be held on Wednesday, November 28, at the home of Mrs. Jack Hough at 2:30 p.m.

Texico Opens Strong With Two Victories

Texico High School basketball teams began the 1956-57 season Friday night with two victories over the Ranchvale squads in games played on the Ranchvale court.

Jerry Henson and Joe Glaze, scoring 32 points between them, led the Wolverines to a 44-34 victory over the Trojans.

Henson scored 21 points on nine field goals and three free throws, while Glaze had four field goals and three free throws for a total of 11 points.

Others scoring were Weldon Bell with six points, and Buddy Spears, Dicky Adams, and Raymond Hadley, each scoring two points.

In the preliminary game, the Whirlwinds edged by the Ranchvale lassies by a score of 47-45.

Barbara Caldwell was the big gun for the Whirlwinds, scoring 30 points on 13 field goals and four free throws. Melba Doshier and Sus-

an Levins were the other "point getters," scoring eight and seven points, respectively.

Methodist Men Have Meet To Re-Organize

L. B. Penick was elected president of the Texico-Farwell Methodist Men at a re-organization meeting held Thursday evening, November 15, at the church with 13 men present.

Other officers elected to serve with Penick include Sam Aldridge as vice-president and Lenton Pool as secretary. Speaker for the evening was Rev. R. C. Cantrell, pastor of the church. Light refreshments were served to the group following the meeting. John Getz, outgoing president of the organization, presided.

Next meeting of the group will be Thursday evening, December 20, when a father-son Christmas social will be observed.

Lazbuddie Methodist Sets Special Service

The public is cordially invited to attend a special service at the Lazbuddie Methodist Church on Sunday evening, November 25, at 7:45. Special guests for the occasion will be students from the Wesley Foundation of West Texas State College at Canyon.

Lazbuddie MYF will serve a fellowship supper to the visiting students at 6:30 p. m. and at 7 p. m. the college students will meet with various fellowship groups to explain some of the purposes of the Wesley Foundation. At 7:45 p. m. the college group will be in charge of the evening worship service to which everyone is invited.

Benton Gramms Here Last Week

Visiting briefly at the home of Mr. and Mrs. B. N. Graham on Friday and Saturday of last week were their son and his wife, Mr. and Mrs. Benton Graham, who are in the state on an extended visit from Sumatra where Graham is employed. At present he is attending school at Lake Charles, La.

Mr. and Mrs. Graham will be back in Farwell this weekend and his mother and father are hoping to have all their children present for a get-together on Sunday.

The Benton Gramms and their three youngest children will return to Sumatra in early December. Their oldest daughter will remain in Pasadena, Calif., to attend high school. The eighth grade is as far as the children can go in school in Sumatra.

At the present time, their two youngest daughters are staying with their grandparents in Bakersville, Calif., while their other daughters are in school.

TEXICO BAPTIST NEWS

Rev. C. C. Morgan, Pastor

An excellent crowd was on hand for the morning preaching service and 172 were present for Sunday school. Eighty-one attended training union Sunday evening. A number of visitors were present for the morning worship services.

Mrs. S. G. Billington was in charge of the Royal Service program of the WMU held at the church last Wednesday afternoon. "Joy from Wells of Salvation" was the program topic. Present for the meeting besides Mrs. Billington were Mesdames J. O. Ford, B. A. Kelley, Thomas, Nora Day, D. J. Brown, C. C. Morgan, and two guests, Mrs. Juanita Watkins of Long Beach, Calif., and Mrs. J. W. Hulsey of Downey, Calif.

Brotherhood members met at the church Monday evening of this week for their monthly visitation program. After a brief meeting at the church, the men made visits in groups.

W. T. Watson will show a film members of the Royal Ambassadors at their regular meeting at the church this evening (Wednesday).

A workers conference was held at the church in Fort Sumner on Tuesday evening. Rev. and Mrs. Morgan planned to attend.

Weekend guests in the home of Mr. and Mrs. Percy Tipton and Fern were his sisters, Mrs. Belle Orr of Hobbs, N. M. and Mrs. Earl Stewart and son, Randall, of Eric, Okla.

Other guests in the Tipton home for a chicken dinner and an afternoon of visiting on Sunday were Mr. and Mrs. Lee Doshier, Mr. and Mrs. Bill Yell, Mr. and Mrs. Bobby Blair and children and Mr. and Mrs. Bill Brand and children.

Mrs. Tipton returned home last Friday from Plainview where she had been to visit her son and family, Mr. and Mrs. Bert Tipton. Mrs. Bert Tipton underwent eye surgery last week, and the local woman reports that her daughter-in-law is getting along fine at the present time.

ESA Doll Give-Away To Be December 1

Theta Rho Chapter of ESA is sponsoring its annual money making project, a doll give-away, on Saturday afternoon, December 1, at 4 o'clock.

The ballerina doll, which will be given to some lucky individual, has 15 separate ensembles in its wardrobe. The give-away will be staged just west of the Watkins' building.

Successful Farmers Agree

on **FALL APPLICATION** of **Phillips 66 Agricultural Ammonia**

Yes, successful farmers agree that Fall application of Phillips 66 Agricultural Ammonia is a good farming practice. This high nitrogen fertilizer feeds soil bacteria, indirectly speeding up decay of turned under stalks, stubble and other residues to help feed next year's crops. This improves soil tilth and increases soil fertility.

The 82% nitrogen in Phillips 66 Agricultural Ammonia helps your crops GREEN UP and GROW for a healthier spring start... helps them obtain the full benefits of other vital plant foods in the soil.

Apply Phillips 66 Agricultural Ammonia direct to the soil with injection equipment during your own slack work season. This long-lasting fertilizer resists leaching because its root zone placement keeps it ready to go to work when spring weather arrives.

See us today for full information on fall applied Phillips 66 Agricultural Ammonia.

Mrs. Coffman To PTA Convention

Mrs. Joyce Coffman, president of the local Parent-Teacher Association, was in Amarillo on Wednesday and Friday of last week to attend the state PTA convention.

Mrs. Coffman reports that the meeting was very inspirational, educational and entertaining. She was particularly impressed by the comments of Mrs. Ralph Hobbs, national vice-president of Region III, from Cataula, Ga., who used "Pilot Your Light" as a topic of her talk.

Of immense inspiration was a dramatic presentation of "Youth" by the Thespian Club of Amarillo High School, reports Mrs. Coffman. The production portrayed the life of a boy and his troubled mind from the time he was a tiny tot until he was called to join the armed forces of his country.

A choral group, 60 young persons strong, from Carver School of Amarillo, entertained the group at one of the afternoon sessions.

Mrs. W. D. Degraffi of Amarillo was elected state president for the coming term and installation services were held.

REMINDER

Mrs. W. H. Graham Sr., superintendent of the beginner department of Hamlin Memorial Methodist Church, reminds mothers of the youngsters in the department that the group is planning a fruit shower for a shut-in Sunday morning, November 25.

ENJOY HUNTING

Grayson Roberts, and C. B. Stockton and son, Charlie, enjoyed hunting near Captain, N. M., during the weekend. They brought home one deer.

Other Texico hunters bringing home a deer recently were Mr. and Mrs. Agrie Jones. Their son and his wife, Mr. and Mrs. Monte Jones of Clovis, accompanied them on their hunting excursion.

S. G. Billingtons Have Anniversary Reception Sunday

Sunday, November 18, marked the 50th wedding anniversary of Mr. and Mrs. S. G. Billington, Texico residents since 1936, who had seven of their eight children at home to help them celebrate the occasion at a reception at their home in Texico. SP-1 Cortez Billington was unable to attend. Cortez, who is in the armed forces, will soon be sailing for duty in Germany.

Mary Morgan and Gordon Billington were united in marriage at a ceremony at the home of her parents, Mr. and Mrs. W. H. Morgan, near Eric, Oklahoma, on Sunday morning, November 18, 1906, at 9 o'clock. After the ceremony, the newlyweds and their families drove nine miles in a buggy to attend church services. Mr. and Mrs. Billington recall that it was "pouring down snow" and that the snow did not melt until six weeks later.

Mrs. S. T. Flowers, sister of Mrs. Billington, was the only person present for the reception who attended the wedding back in 1906.

Mrs. Billington's family moved to the Oklahoma territory, where her daddy filed for land, in 1900. Billington's family came to the sparsely populated area in 1903. There was no town at Eric, and Billington remembers they had to get their marriage license at Mangum, Oklahoma.

"The prettiest dress I ever saw" was the comment of Mrs. Billington as she looked at a picture made on their wedding day. The dress, which was made by her mother, was of white "wool mohair" and was trimmed with white silk braid.

Schooling for Mrs. Billington ended with the completion of the eighth grade as it did for most other youth of that era. Few places in the states at that time had high schools, and Mrs. Billington says she "boarded" in town to attend the eighth grade aft-

er finishing other grade school work at country schools.

Billington received his schooling in a like manner near Fort Worth in Central Texas.

After their wedding, the Billingtons moved to his farm near Eric. Until moving to Texico in '36, they spent most of their time there, with the exception of a couple of years when they lived in Vernon, Texas.

His cousin, Susie Downs, now Mrs. Susie Head, was instrumental in the introduction of the couple. Susie and Mary were great chums, and in Eric one day, Susie introduced Mary to Gordon. Their courtship lasted for two years, during which time the couple enjoyed attending parties, church socials, ice cream suppers, picnics and debates. Mrs. Billington remembers that they always attended the debates held at the school on each Friday night.

She further adds that they had "plenty of entertainment" and that they "had a better time than young people of today". "Young people today are too restless. When they get one place, they're in such a hurry to get somewhere else that they can't have a good time", she says.

Ten children were born to the couple, and eight of them are still living. One daughter, Florence, died with pneumonia at the age of eight years.

Her death is considered the biggest tragedy to occur during their married life. Florence and Victor both had pneumonia, and the doctor and Billington searched most of a snowy night to find a "closed" car to take Florence, the sicker of the two, to the nearest hospital which was in Elk City, 50 miles from their home.

Billington sat on the hood of the car during the blinding drive to keep the snow brushed off the windshield. Florence died 30 hours after they reached the hospital and by that time, Mr. and Mrs. Billington were both confined to the hospital with pneumonia and could not go home for the funeral.

All of the Billington's children were born at Eric except Cortez and Inez, twins, who were born while the family lived at Vernon.

Sterlyn is their oldest son. He and his family live in Farwell. Their other children include Morgan of Texico, Victor of Lubbock, Cortez who is serving with the armed forces, Mrs. Inez Montgomery of Norwalk, Calif., Mrs. Vernice Hulsey of Downey, Calif., Mrs. Juanita Watkins of Long Beach, Calif., and Jim of Buena Park, Calif.

For Sunday afternoon's reception, the serving table was laid with a white crocheted cloth made

by Mrs. Billington. The table was centered with a three tiered arrangement featuring many different sizes of yellow chrysanthemums. Fixed in the arrangement were gold wedding bells. Gold tapers in gold candelabra flanked the centerpiece.

The four tiered wedding cake was white and trimmed with gold and was topped with a bride and groom standing in a gold circle.

A crystal punch service completed the table decorations. Presiding at the refreshment table were Mesdames Juanita Watkins, Vernice Hulsey and Sterlyn Billington.

Miss Lavoyda Billington, granddaughter of the couple, registered the guests. The couple received many nice and useful gifts. In fact, Mrs. Billington says "it seems like Christmas already".

They are especially proud of a new television set presented them by their children.

Attending the afternoon reception for the couple were H. P. Morgan, Mr. and Mrs. S. T. Flowers and daughter, Mrs. Opal Downs, Mrs. Pauline Billington, Wanda and Larry Byars, Sherry, Jimmy and Gregory Byars, Mr. and Mrs. Fink Flowers, Mr. and Mrs. Dale McCuan, Wilburn Montgomery, Mike Billington, Marilyn Billington, Sherilyn Billington, Katherine Montgomery;

Also, Jim and Jeanette Billington, Lavoyda Billington, Mr. and Mrs. Morgan Billington, Bill and Jill Billington, Vicky Billington, Mr. and Mrs. Sterlyn Billington, Victor Billington, Mr. and Mrs. W. B. McNatt, Mr. and Mrs. J. W. Hulsey, Mrs. Susie Head, Mrs. Juanita Watkins, Craig and Mar-nelle, Mrs. Murray White, Mrs. Ray Tharp, Miss Katherine Billington;

And, Mrs. J. C. Banks, Mrs. J. O. Ford, Mrs. Gene Brito, Mike Hulsey, W. S. McDaniel, Mr. and Mrs. G. W. Magness, Mrs. Karl Gast, Mr. and Mrs. A. V. Warren and

Kitty Lea, Mr. and Mrs. W. T. Watson, Rev. and Mrs. C. C. Morgan and Wanda, Mrs. Alfred La-Rue, Mrs. Tena Roth, Mr. and Mrs. Chester Magness, Carolyn Magness, Mrs. M. H. Poteet, Mr. and Mrs. Frank Seale and Mrs. G. D. Anderson.

Are Weekend Guests In Joe Helton Home

Mr. and Mrs. Carroll Helton and daughters of Borger were weekend guests at the home of Mr. and Mrs. Joe A. Helton and Hal Ed in Texico.

Saturday the group was in Canyon to attend homecoming activities at West Texas State College and to see the West Texas State-Texas Western football game.

Mark Williams Has Birthday Party

Mark Williams, son of Mr. and Mrs. Bert Williams, was honored on his fifth birthday with a party on Tuesday afternoon, November 20.

Attending were his great-grandmother, Mrs. J. H. Stone; his grandmother, Mrs. Johnnie Williams, and Mrs. Bob Hart, Bobby and Linda, Mrs. Glen Phillips, Craig, Cindy and Penny, Mrs. M. A. Snider Jr., John Charles and Martha Kim, Mrs. Elmer Har-

grove, Debbie, Bret and Greg; Also, Miss Jo Ann Williams, Mrs. Marilyn Edwards and Terri, Mrs. Jack Williams and Sharon, Mrs. Mitz Walling and Milton Lee, and Ronny Graham.

Unable to attend but sending gifts were Meredith and Will Anderson and Connie Jones.

The children enjoyed playing games during the afternoon, and birthday cake, decorated with a replica of Superman, was served with hot chocolate to the group. Favors were books and balloons.

Family Night Is Well Attended

A good crowd attended the monthly family night program held Sunday, November 18, at St. John's Lutheran Church of Lariat.

Special feature of the evening was a Thanksgiving supper, served cafeteria style, to about 80 persons attending.

After the meal, the group enjoyed seeing two films and visiting.

Woman's Club Dinner Considered Success

Texico-Farwell Woman's Club annual Thanksgiving dinner was highly successful with 21 members, their husbands and guests present at the Farwell School cafeteria for the annual Thanksgiving social on Monday evening, November 19.

Jack McManigal offered the invocation, after which the meal was served, cafeteria style. Menu for the fete included turkey and dressing, candied yams, vegetable and fruit salads, cranberry sauce, peas, beans, pickles, stuffed celery, pie, coffee, and milk.

Following the meal, the club president, Mrs. G. A. Garrett, gave the welcome. The group then participated in a "parcel post sale" and netted \$105 from the project. Packages were received for the sale from places as far away as New York City and Los Angeles.

The money made from this sale will go into the fund for the youth program. Members are starting to work on this project early this year so that they will be ready when the time comes, reports Mrs. D. W. Bagley, chairman of the finance committee.

"The Woman's Club has always been more than happy to help support the summer youth program and other projects for our youth and the support of our youth has always been our main project," says Mrs. G. A. Garrett, president. "Members of our club feel that this is important because we always realize our youth of today are our citizens of tomorrow."

Mrs. Garrett wished to express the entire club's appreciation to all who made their "parcel post sale" so successful.

Plans for the club's Christmas party were made during a short business session. The holiday social will be held at the home of Mrs. Sam Rundell on Monday evening, December 17.

Assisting Mrs. Rundell as hostesses will be Mesdames G. A. Garrett, Claude Coffey, James Patrick, W. N. Foster, and W. H. Graham Sr. Club members will exchange gifts at the meeting and a musical program has been planned.

Sam Rundell was recipient of the 8-pound turkey which was awarded as a door prize at Monday evening's dinner. Mrs. Jack McManigal was awarded the other prize.

Hostesses for the Thanksgiving dinner were Mesdames Sam Rundell, Johnnie Williams, and Mose Glasscock.

Attending the dinner were Mr. and Mrs. B. N. Graham, Mr. and Mrs. Jack Williams, Mr. and Mrs. Jack McManigal, Mr. and Mrs.

Johnie Williams, Mr. and Mrs. Clay Henson, Mr. and Mrs. G. A. Garrett, Mr. and Mrs. D. W. Bagley, Mr. and Mrs. Shelby Jobs;

Also, Mr. and Mrs. Mose Glasscock, Mr. and Mrs. Joe Crume, Mr. and Mrs. Sam Rundell, Mr. and Mrs. John Aldridge, Mr. and Mrs. James Patrick, Mr. and Mrs. Bill Foster, Mr. and Mrs. L. R. Vincent, Mr. and Mrs. Claude Coffey, And, M. C. Roberts, Mrs. Ethel Thomas, Miss Jimmie Lou Wainwright, Mrs. Ollie Burton, Mrs. John R. Armstrong, Mrs. M. A. Snider, and Mrs. E. G. Williams.

Medleys Return Home From Trip

Mr. and Mrs. G. L. Medley returned to their home Monday after visiting for several days with relatives in parts of Oklahoma.

At Clinton, Okla., they were guests of their daughter and family, Mr. and Mrs. Gene Powell, and at Oklahoma City they visited their son and family, Mr. and Mrs. Jack Medley and children.

They also visited with Medley's sisters in Oklahoma City. In Fairview they were guests of his brother and at Hobert they visited her sister.

Church To Honor Two Families

Rev. and Mrs. Gene Oesch and daughters and Mr. and Mrs. H. C. Schaffer will be honored with a farewell party by members of St. John's Lutheran Church of Lariat at the Parish Hall of the church this evening (Wednesday).

The Oesches are leaving sometime next week for Houston where he will take up missionary work. The Schaffers, who live near Muleshoe, are moving to Austin in the near future.

Texico Group Has Party in Clovis

Mrs. Robert Servatius of the Pleasant Hill community was hostess to members of the junior high girls softball club of Texico for a chicken dinner in a Clovis restaurant on Saturday evening of last week. Coach of the group, Paul Frederick, was also honored at the event.

After dinner, most of the group enjoyed skating in Clovis. Attending were Frederick, Mrs. John Adams, Mrs. Ray Sharp, Mrs. Servatius, D' Rene Danforth, Gale Hadley, LaDonna Stewart, Phyllis Kelley, Christy Bowers, Connie Sharp, Judy Adams and Pauline Servatius.

Subscribe to The Tribune!

Texico Woman's Club Has Social Monday

Twenty-nine persons attended the Thanksgiving social of the Texico Woman's Club held Monday evening, November 19, at the school library. Hostesses for the meeting were Mrs. C. B. Stockton and Mrs. N. W. Peyton. Mrs. Frank Seale was unable to attend the meeting, but she also served on that committee.

Those attending enjoyed playing bridge and "42" throughout the evening. Agrie Jones was winner of the high prize in the "42" games, and Mrs. Ira S. Levins and Ansel Doolittle, won high prizes in bridge.

The refreshment table, where pumpkin pie with whipped cream, and coffee were served, was laid with a white linen cloth and was centered with an arrangement of ivy. Cut-outs of turkeys and pumpkins further carried out the Thanksgiving decoration theme. Napkins and talleys were also featured in the Thanksgiving motif.

Mrs. Peyton introduced the club officers and their husbands. Then each charter member of the organization introduced a new member and her husband.

At the close of the meeting, several pies were auctioned, and plus what money was turned in for dues, Mrs. Judge Stone, finance committee chairman, reports that \$28 was turned in. The finance group also reports that they received a \$10 cash gift from Mr. and Mrs. Ed Muckleroy on Saturday.

Mrs. Fred Danforth, president of the organization, wished to express thanks to the Muckleroy's for their generosity.

Mrs. Danforth would also like to remind members to return their coffee coupons as Saturday is the last day they may be turned in.

All New Mexico federated women's clubs are using the money they get from coffee coupon returns to aid in a project to build a swimming pool at New Mexico Boys' Ranch. Mrs. Danforth reports that Mrs. B. A. Rogers and Mrs. Gorman Byrd have already turned in the money they received for their coupons to the club treasury.

Attending Monday evening's social meeting were Mr. and Mrs. Fred Danforth, Mr. and Mrs. Ansel Doolittle, Mr. and Mrs. Agrie Jones, Mr. and Mrs. Ira S. Levins, Mr. and Mrs. Curtis Miller, Mr. and Mrs. F. E. Autrey, Mr. and Mrs. Russell Johnson, Mr. and Mrs. Judge Stone.

Also, Mr. and Mrs. N. W. Peyton, Mr. and Mrs. Jim Moss, Mr. and Mrs. John Adams, Mr. and Mrs. Milton Henson, Mr. and Mrs. Jess Richardson and Mrs. Ronny Ferguson.

On Tuesday afternoon of last week, five members of the club were interviewed on the Clovis Woman's Club regular radio program over a Clovis station. The group discussed the projects and purposes of the new organization. Women from the Texico club participating on the program were Mrs. Danforth, Mrs. Jones, Mrs. Levins, Mrs. Stone and Mrs. Doolittle.

Mrs. B. A. Rogers, Mrs. Gorman Byrd, Mrs. N. W. Peyton, Mrs. Jones and Mrs. Danforth represented the club at a meeting of several of the New Mexico federated clubs recently. The women report that they heard an interesting talk by the state president while there.

WSCS Has Business Meeting Wednesday

A routine business session of the Women's Society of Christian Service was held at the Methodist Church on Wednesday afternoon of last week.

A report on the Wesleyan Guild and WSCS Week of Prayer offering was made and the group discussed money making projects for the organization. No definite plans were made concerning any project for the near future.

Attending were Mesdames B. N. Graham, Grace Sanders, J. Roy Thornton, G. W. Atchley, N. L. Tharp and W. H. Graham Sr.

Visit Parents

Visiting here during the weekend with their parents were Miss Glenna Ruth Davis, daughter of Mr. and Mrs. C. G. Davis, and Miss Jo Elaine Magness, daughter of Mr. and Mrs. Joe W. Magness. Glenna is a freshman at ACC in Abilene, and Jo Elaine is taking nurses training at Northwest Texas Hospital in Amarillo.

Mrs. Harding Chosen Fraternity Member

Mrs. Nathan Harding, the former Miss Mary Joyce Rolland, daughter of Mr. and Mrs. D. O. Rolland, was among 28 students at TSCW in Denton who were initiated into Pi Lambda Theta, national honorary fraternity for women in education, at a formal banquet last week.

Qualifications for the fraternity are a "B" average in all work, 12 semester hours of education, and a total of 60 hours including at least one semester's residence at TSCW. Students must also be recommended by at least two faculty members and one active member of the chapter.

Prior to starting to school at TSCW, Mrs. Harding was enrolled at TCU where Harding was studying for the ministry at Southwestern Seminary in Fort Worth.

To Atlanta

Dr. Mary Leone McNeff left last week for Atlanta, Ga., where she will visit with her sister and family during the Thanksgiving holidays. It is not known when Dr. McNeff will return to Farwell.

Farwell WMU Has All Day Meeting

Mrs. John Porter reviewed the mission study book, "Japan Advances" at an all day meeting of the Farwell WMU at First Baptist Church, Farwell, on Monday, November 19.

To further enhance the theme of the study, Mrs. Porter and Mrs. E. J. Keith, who led a devotional, were dressed in Japanese ki-

monos for the program. Various Japanese articles were featured to further carry out the study of that country.

A covered dish luncheon was enjoyed by the group at noon. Attending the morning session were Mesdames E. J. Keith, John Porter, Billy Dollar and Polly, J. C. Banks, Dora Johnson, Jim Terrell, Cecil Rundell, Dick Gervey and Joe McWilliams and Rev. E. J. Keith.

Dale Berggrens Have New Daughter

Word was received here this week that Mr. and Mrs. Dale Berggren of Palms Motel, San Clemente, Calif., are the proud parents of a baby daughter, Susan Elaine, born Saturday, November 10. The young lady weighed six pounds and seven ounces. Paternal grandparents are Mr. and Mrs. Leroy Berggren.

Marvin Waltons Are Parents of Son

Mr. and Mrs. Marvin Walton, Star Route, Clovis, are the proud parents of a baby boy, born Friday, November 9, at Clovis Memorial Hospital.

The baby weighed six pounds and was named Joel Lee. Mr. and Mrs. Walton are both 1954 graduates of Texico High School. They also have a 17-month-old daughter, Deborah Lynn.

Grandparents are Mr. and Mrs. M. A. Palmateer of Clovis and Mr. and Mrs. D. F. Walton of Pleasant Hill.

Visit Here

Mr. and Mrs. Benny Christian and family of Odessa and Mr. and Mrs. Billy Medley and Mr. and Mrs. Lee Nutt, all of Clovis, visited together at the home of their parents in Farwell during the weekend. Their parents, Mr. and Mrs. G. L. Medley, were visiting relatives in Oklahoma at the time.

ENMU Orchestra Presents Concert

The 65-piece University orchestra of Eastern New Mexico University, Portales, presented its first 1956-57 concert Sunday afternoon, November 18, at the University gymnasium. Guest soloist was Miss Margaret McCoy, instructor in piano at the University. Conducting was C. M. Stookey, chairman of the school of music.

Howard Jenkins of Lariat participated in the presentation.

David Watkins Has Birthday Supper

A birthday supper was given Tuesday night, November 13, honoring David Watkins on his 12th birthday.

Several of David's friends gathered at the home of his parents, Mr. and Mrs. Gilbert Watkins, for a supper of chili, and birthday cake and ice cream.

Attending the supper were Roy Hammonds, Willie Dannheim, Jimmy Keith, Jeff Cantrell, Errol Johnson, David, and his brother, Mike.

do you have visitors in your vents?

Have you checked lately? Unobstructed and unbroken vent pipes and flues are absolutely necessary for safe performance of your heating equipment and for your family's comfort.

Now — before really cold weather arrives — you can have a licensed plumber, heating contractor or your gas company:

- ✓ check for broken or disconnected vent pipes.
- ✓ check all flues and vent pipes for obstructions — like bird nests, leaves or other trash.

Keep your vents "free as a bird!"

Farmers Preparing For 1957 Crop Year

With the whirr of combines and the roar of the gins still echoing over the irrigated High Plains, farmers are already well into preparation for another crop year.

All of the approximately 90,000 acres of wheat in the county has been sown, and all of it is up though some on dryland is precarious. Looking good are the county's some 40,000 acres of irrigated wheat which is up and already supporting considerable grazing.

By and large, the 1956 grain harvest is complete, and behind harvesting operations have come the moldboard and disc breaking plows, which have turned under a large percent of stubble. And many farmers are making every day count from now until planting time by obtaining maximum decay of their old crop residue.

Speeding this process is the application of commercial fertilizer,

mostly in the form of anhydrous ammonia, which not only helps decay the plant matter, but will make nitrogen available for next years crop.

This practice has been increasing in popularity under irrigated conditions, and the showers of three weeks ago, resulted in a spurt of this type of activity.

Once again a fairly common sight in the area is the "automation" of land breaking, where mechanical guides perform the function.

So much has been said and written about the changes in styles for women. We have heard almost nothing about the changes that are being made in men's shirts. One of the newest things we have seen is reverse box pleats from the shoulder seam down each side of the shirt front.

It wouldn't surprise us too much if in the not too far distant future shirt designers aren't using lace. Probably tape or braid will be used first. After these two catch on, they could very easily be followed by lace and ruffles. Who knows?

If you are baking apple pies and like a spicy flavor, add a small amount of your favorite spices to the pie crust before baking.

How long has it been since you gave your entire house a real good cleaning? Most of us don't discard our things which are not usable unless we decide to move. We have planned a thorough house cleaning during which we plan to discard everything that we would not move if we were moving into a new house.

One homemaker we know describes "junk" as something you save for years wondering what to do with it then discarding it two days before you figure out what it could be used for.

A couple of years ago one of our friends discarded some worn nylon hose she had saved for years. Sure enough, a few weeks later her sister, who lives in another section of the country, came up with the idea that discarded nylon hose made ideal stuffing for toys.

An idea, which was introduced into government offices, built around "Don't file it, discard it" caused a great deal of comment and some criticism. It might not

tion of a manual operator and lead the driverless tractor in wide circles while the plowed soil rolls out behind.

Also in the cotton field, stripping machines are fast winding up the harvest of this crop, and a few farmers already have made application of cotton burrs or barnyard manure to strengthen their soils.

Elsewhere, bookings are already being made for hybrid grain sorghum seed for spring delivery, and all indications point toward the likelihood that farmers of the Parmer County area will be better prepared to begin farming next year at the earliest moment permitted by the season.

be a good idea for an office, but for a lot of the "junk" which we accumulate it should be super.

For a good crust, use 1/2 teaspoon cinnamon, 1 1/2 cups graham cracker or wafer crumbs, 1/3 cup melted butter or margarine and 1/4 cup sugar. Roll crumbs with rolling pin, add other ingredients and shape into desired shape. Will make enough for a nine inch crust with generous sprinkle on top or for eight baking cups.

A large desk type calendar should be a must for every homemaker. Then every time you accept an invitation or make an appointment, jot it down. Looking at the calendar is much easier than trying to remember the date or hour you are expected to be at a certain place or do a certain task.

This calendar will also come in very handy as a reminder of things the other members of the family expect you to remember. Before very long it will be one of the most used articles in the house.

A hassock-type clothes hamper will make a nice addition to just about any room in the house. They come in very attractive styles in colors to fit almost any color scheme.

Pipe cleaners come in very handy when you are preparing food for the freezer. Cut them in half and use to close plastic bags. It's easy and a real time saver.

ARE BETTER TODAY

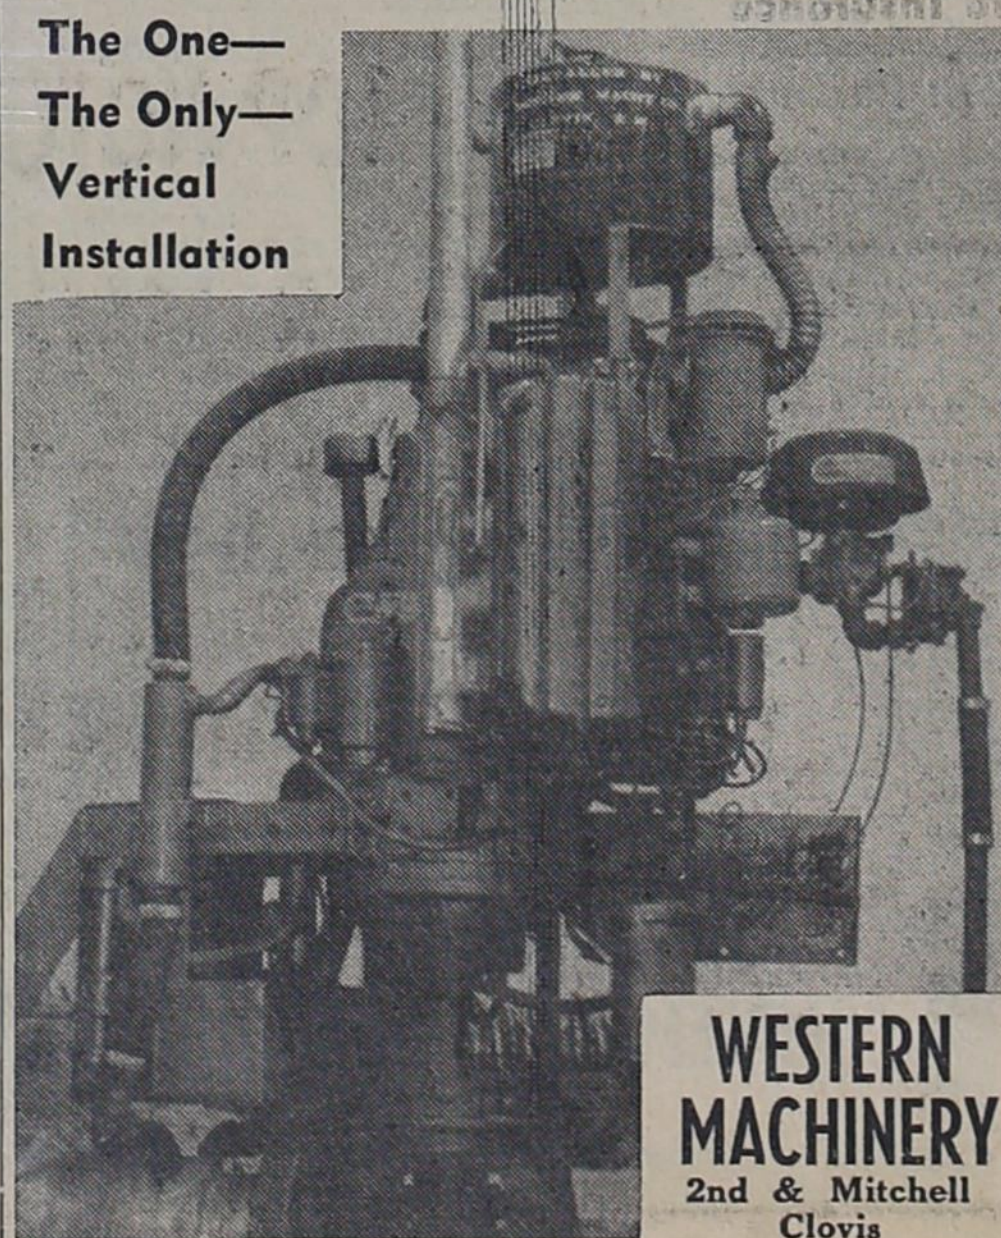

Fertilizers are a lot better today than in years past, but more improved fertilizer materials can be expected in the future, reports M. K. Thornton, extension agricultural chemist. He suggests that farmers be alert to the new developments because they can mean more opportunities for increased production and efficiency and greater farm profits.

The alligator is the only animal whose upper jaw is movable.

Columbus made four voyages to America.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

The eleven members who attended the state convention in Houston last week had an enjoyable and fruitful time. Seven of them were voting delegates and participated in the policy making sessions that determined Texas Farm Bureau's policies for 1957. They supported or opposed resolutions according to the instructions they received at the county convention in September when you voted. Those subjects that were not acted upon at the county convention were discussed by your delegates and acted upon according to what they believed you had indicated in principle on other related issues.

One of the resolutions Parmer County sent in was not included in the draft from the state resolutions committee. Upon the advice of your delegates, Harry Hamilton went before the delegation and presented it from the floor and it was adopted. This was the resolution favoring marketing regulation that will reflect the superior quality of feed grains free of noxious seeds at the local market level.

Cotton John, our radio friend of KGNC, was on hand recording and relaying news reports to the radio and newspapers of Amarillo. His presence made everyone from this area feel more at home, too. All three Houston newspapers and reporters from the Associated Press covered the convention also. As you know by now, District II provided the State Farm Bureau queen for the second year in a row. She is Miss Joann Vaughn of Tulia. Runner-up, Miss Donna Black, is from Dumas, also in District II.

We feel that one of the most significant features of the session occurred when Bill Millen, President of Bailey County Farm Bureau, arose and moved that the section of the suggested 1957 TFB Preamble reading, "We endorse and pledge our support to the principles of the United Nations Charter" be deleted. His motion was seconded and adopted by the delegates. Millen summarized his reasons briefly as follows: Russia, because of her control of satellite nations who are members, holds three votes to America's one. Because of the one-nation veto power, the UN Charter cannot be changed unless Russia wants it changed.

There are numerous other good reasons for the action taken. We hope many people will study aspects of the charter within the next year.

Consider this: And He arose, and departed to His house. Matthew 9:7.

PRICES WILL PICK UP

Pecan growers are advised not to become unduly alarmed about the present market outlook for pecans. Prices later are expected to follow the trend of past years and if this happens, prices should pick up. Growers should harvest their pecans as early as possible to avoid loss from crows, squirrels and bad weather. The crop should be handled carefully to insure clean pecans of uniform high quality.

Hereford Coliseum to Host Event Saturday

The new Deaf Smith County Coliseum will be opened on the evening of Saturday, Nov. 24, at 8:30. The first scheduled event is to be a Hereford Lions Club-sponsored wrestling match featuring some of the best "grunt-and-groaners" in the business.

No formal opening ceremonies are planned, "just good wrestling plus about \$500 worth of door prizes for the spectators," said Ray Cowser, general chairman for the opening night activities at the new 20,000 square-foot county-owned building.

An added attraction on the evening entertainment calendar will be the performance by an acrobatic team, the Amazing Monahans.

With a seating capacity of 1,750, the agriculture exhibit building that has been built to replace the fire-damaged and now demolished bull barn will afford the audience a comfortable and attractive arena for wrestling and the many other events expected to be staged within its walls, said Earnest Langley, Lions president.

Constructed by the county at a cost of over \$20,000 on a 20-acre lot donated by Veterans' Memorial Park owners, the Veterans of Foreign Wars and American Legion, the building has been furnished inside by the Hereford Lions. The civic club has purchased seating, heating, plumbing and other facilities at a cost of \$15,000.

Delegations from the Dimmitt and Friona Lions Clubs are expected to join Hereford Lions, their wives and families, and the general public in attending the opening event.

On the wrestling card for the evening are three 20-minute preliminary bouts and the main event, a six-man tag-team donnybrook. Competing teams will be Rip Rogers, Art Nelson and Shoulders Newman, versus Dory Funk, John Tollas and Ray (Big Train) Clements.

Rogers and Nelson hold the tag team world championship.

The colorful Dory Funk will enter the ring here as Southwestern States junior heavyweight champion, having won the title last Thursday night in a much-publicized

brawl with Dizzy Davis at Amarillo's Sports Arena.

Door prizes being offered by the Lions include a television set, electric fry pan, automobile tire, man's hat and many other items.

Lions aiding Cowser with opening night arrangements are Harold Wester, wrestling promotion chairman; Albert Maxwell, concessions chairman, and F. W. Dool, time-keeper.

Wester is scheduled to referee a preliminary bout, and Karl (Doc) Sarpolis of Amarillo will be here to oversee the matches and referee a second preliminary.

SOIL CONSERVATION DISTRICT NEWS

Where will the farmers get the grass seed to plant the acres placed in the conservation reserve phase of the soil bank? This question is being asked over and over and nobody can give the answer.

A more than normal supply of seed is in the warehouses of the usual grass seed supply firms, but not enough to plant all the acres that are suddenly going back to grass. Seed firms, generally, are reluctant to quote a price on their seed in the face of such a demand.

So far as farmers are concerned locally, the situation could, with a little planning, work itself out very nicely. Most of the land going back to grass in the Parmer County Soil Conservation District will be planted to a mixture with the chief

grass being blue grama. Blue grama is the grass that is found so much on native pastures in this part of the country. It makes seed every time it gets a chance and the seeds are not difficult to harvest.

Assuming that this area receives some winter moisture and a reasonable amount of rain in the spring, these native pastures could easily make more money for the owners from one seed harvest that they have made in the last ten years from grazing. A man with native pasture who also has land to plant to grass could assure himself a seed supply by harvesting his own.

The latest quoted price on blue grama grass seed was about 50 cents per pound. A reasonable harvest would be 100 pounds per acre, while yields up to 300 pounds have been made. It seems it wouldn't even be a bad idea for a man with an irrigation well and some native pasture to give the pasture some extra water and care and take a seed harvest.

Seed harvested next summer would come just right to meet the peak demand. There won't be a lot of grass planted in the spring of '57 since grass must be planted in a standing dead cover crop such as is left by sorghum or sudan. Next year will, for the most part, be used to get that cover. The spring of '58 should see the heavy grass seedings.

An ordinary combine with a few adjustments can be used in harvesting blue grama. With pastures clean and smooth as most of them are here, it wouldn't be difficult to get a combine over them. As with other good things, there are some hazards. Weather can be such that a nice seed head is made without it having any seed in it. However, with a little experience, you can easily detect the presence or absence of seed and if absent you can graze instead of combining.

Snakes sleep with their eyes open because they have no eyelids. Tobacco is cultivated in nearly every civilized country.

Go look this 160 acres over. It is a choice piece of land. Would be classed as near perfect. On the pavement five miles west of Hub on the south side of the highway. It is the north east quarter of Sec. 18, township 6 south, range 3 east. This is priced at least \$25 an acre under market value. On natural gas and choice water. Priced \$225 an acre with small down payment and long term balance.

"The Place Where Most People Trade" Tuesday, November 20, 1956

The Christmas Card club project, sponsored by the Modern Study Club, will close about the middle of December. People joining the club project are asked to donate to the Parmer County Community Hospital what money they usually spend on sending Christmas cards, locally. The money is to be deposited in the Friona State Bank and the name on the deposit slip should read exactly as you would sign your local Christmas cards. In December, Mr. Graham will have a huge Christmas Card in the Friona Star with greetings to your friends and your name will be on that card. Thus, if you usually spend \$20.00 for cards to Friona friends, deposit \$20.00 to the Christmas Card club project at the bank, sign your deposit "The Jones" or "Bob and Mary" or anyway you choose. Your Christmas card chore will be over and the hospital will be the beneficiary.

County-Wide Dinner Attended by Ninety

Miss Jimmie Lou Wainscott, Parmer County Home Demonstration Agent, reports that about 90 persons were present for the second annual county-wide home demonstration club Thanksgiving dinner.

The dinner was held at the Oklahoma Lane Methodist Church with members of the WSCS preparing and serving the turkey dinner.

Mrs. Davis Gulley was toastmistress for the occasion and Rev. Vance Zinn, formerly pastor of the Oklahoma Lane Baptist Church, was guest speaker. The subject of his message was the influence of women in the home, the community and the world.

After the message, the group sang several songs, one of which was the new National Home Demonstration Association song. Songs were led by Mrs. Dorothy Hough and Mrs. Lauretta Brookfield.

Miss Wainscott acted as commentator for the dress revue which featured home demonstration club members modeling dresses they made during the advance sewing workshops.

Those modeling dresses were Mesdames A. L. Black, Lauretta Brookfield, Faye McMahan, Olive Massie, Floyd Rector, Billy Dean Baxter, John Renner, Edgar Walters, Blanche Woody, Lloyd Batteny;

Also, Mesdames Marian Fite, John Hand, Tress Tannahill, Johnnie Hand, Davis Gulley, J. B. Barrett, Gertrude Renner, Cherry Ann Mingus and Miss Wainscott.

Guests attending were Rev. and Mrs. V. E. Willard, Rev. and Mrs. Vance Zinn, Joe Jones and Mrs. Durb Kittrell.

Mrs. Vernon Symcox; Rhea, Mrs. Sarah Dean and Mrs. Velma Schlenker; and one visitor, Mrs. E. A. Rutledge of Merkel.

The right kind and amount of trimmings adds interest and individuality to a costume. Too much can be distracting and confusing, according to extension clothing specialists.

The secret of effectiveness in trimming lies in discriminating use. Self-covered buttons and belts, or those that blend with the garment, can be used without danger of a spotty or overdecorated effect. Self trim of this type becomes part of the design of the garment and gives more leeway in choosing other accessories.

If you plan for contrasting trim, study your figure carefully to determine where to place the emphasis. In other words, "accentuate the positive." Make certain the trim is appropriate to the garment and the occasion for which it will be worn.

Shop for ideas that are different. Study garments displayed in exclusive dress shops and adapt ideas to your own purse and personality.

A final word. When in doubt, leave that extra trim off. It's better to use too little than too much.

This is a rather abrupt change of subjects but it does give us some food for thought. The three C's of credit are a guide for family use of the charge account, says Eula Newman, extension home management specialist. . . . The first one is

Salad King Tosses Greenbacks Now

CHEF ROBERT KREIS who "tossed salad greens into greenbacks" with the creation of his salad dressing mix also made a major contribution toward the salad's popularity in America.

The time may be close at hand when Americans will be eating salads three times a day—even for breakfast!

When a famous gourmet recently aired this prediction at a dinner he was giving, his guests tactfully let him know that even the very thought of salad for breakfast was too much for them.

It may be many years before this prediction becomes a reality, but there is no question that the salad is playing an ever increasing role on American dinner tables. A major contribution to the "eat-more-salad" campaign was made recently by a 6-foot, 4-inch tall chef from Hollywood California, Robert Kreis.

The Kreis contribution is five different salad dressing mixes. These make delightful salad dressings when combined with the exact amounts of oil and vinegar that are prescribed on a bottle which is available with the mixes.

Kreis, who was supervising chef of Hollywood's famous Brown Derby Restaurant explains how his Good Seasons salad dressing came into being. Con-

tinually besieged by friends for information on how to make a salad, he obligingly gave instructions, yet everyone complained that their dressings never turned out as good as his.

"That got me to thinking," he says, "and I made up my mind to create the perfect blend of salad herbs and spices and package them complete with instructions about the proper proportion of oil and vinegar to use."

The ingenious chef added a small easily handled glass shaker to his salad kit. It was clearly marked, indicating so much vinegar and so much oil. This made it very easy to shake up a first class salad dressing. When the mix hit the market, salads had already taken hold in California, and it became popular almost overnight there.

Salad dressings were considered so good by General Foods, the world's largest packaging corporation of grocery products, that they decided to add Chef Kreis's Good Seasons Salad Dressing Mix to their "family of fine foods."

CHARACTER—meaning, will you pay as you agreed to pay. The second C is for CAPACITY and suggests the question, "can you pay as agreed?" . . . The third C is for CAPITAL and pertains to the security you have to offer to prove that you are a good risk. . . . Remember that credit cannot take the place of income. It can only alter the time of payment.

is little excuse for hunting accidents if the basic rules of safety are observed. Don't take chances, and see that fellow hunters respect and obey the same safety rules you follow, says Cooper.

Recent tests by USDA and Montana scientists indicate that use of thyroprotein in mixed feeds to stimulate milk production in dairy cows has little practical value for most herds.

In the painting of Washington Crossing the Delaware, a soldier is shown holding the American flag, though it had not been designed at the time.

THE PARMER FARMER

We have chased County Agent Joe Jones down several times during the past few weeks, pressing for the results of those extensive hybrid grain sorghum tests he staked out over the county this spring.

Joe says that the results have been very slow in coming in, and he is reluctant to release any figures for publication until a complete—or nearly so—representation can be had.

We appreciate this idea, and hope that farmers who have cooperated in this rather large experiment will come through with the necessary statistics in order for the results to be tabulated and published.

Hybrids generated a world of interest in the grain sorghum producing areas this year, and we share the excitement of area farmers in finding out the results of their year of large-scale production.

Our candid advice at the moment, based on what some of the experimenters themselves have said is: Don't set your sights too high. This is our first try with varieties which have some characteristics that are totally unlike the ones we have grown for years and years.

Also, it already has been pointed out that the hybrids probably won't make as good a showing under ideal or nearly so conditions, as they will under adverse conditions, particularly drought.

An area ginner, who is publicity shy and asks that we not use his name, thinks he has unearthed something sensational in reducing or almost eliminating static electricity problems in ginning cotton. Static electricity, especially in dry and often windy West Texas, is tough to whip, and ginners often are troubled by this condition until they are virtually shut down.

The "dry, fleecy cotton picks up so much "juice" as it is transported through the gin that it adheres to the machinery and refuses to turn loose of particles of dust, which has the double effect of not only reducing the gin's ability to turn it out, but also reduces the grade of the cotton considerably.

This particular ginner's idea is not revolutionary in the sense that it makes use of anything new in the "de-statising" field. It merely is his method which is different.

He applies a common wetting agent to the cotton as it is weighed in. This is in contrast to the already proven practice of spraying the chemical on the cotton as it passes through the stands.

Results are most gratifying, he says. Perhaps his desire to remain

anonymous is explained by his comment to us that he is in the process of obtaining a patent for this different method.

The picture just below shows how the wetting agent is shot into the dry bolls.

The wetting agent increases the moisture content of the cotton to a point where static caused from friction against gin parts is almost eliminated. No damage to staple occurs with this treatment.

Most major farm commodities are still in surplus.

One of these is our "competitor" feed grain, corn. Good old corn, one of the oldest cultivated crops on the North American continent, is still the major product of the nation's farms, the net worth each year being over \$4 billion. The Midwest, East, and Southeastern parts of the country produce most of the crop, though most states have some acreage.

Next year's pig crop seems sure to be reduced, and prognosticators warn that corn may go as much as 20% over actual needs.

Wheat figures to about hold its own, unless exports can be increased substantially. Domestic use and exports combined now about equal the annual production. There are 980 million bushels of wheat in CCC hands.

The cotton picture is bright for the first time in years, especially if some of the Southeastern producing areas come into the soil bank. Domestic use is about stable, but Uncle Sam is stepping up exports. There are still about 10 million bales of cotton in the warehouses, though.

It's not too important to our specific area, but we all are interested to note the great progress that has taken place in the surplus dairy products department.

Stockpiles of butter and cheese, which were almost a national scandal a year ago, have been halved. The stockpile is still going down, and the USDA program to cure the ills of this arm of agriculture seems to have been successful.

SUBSCRIBE NOW

JUICIN' THE JUICE—This picture shows a new method being used by an area ginner who "inoculates" cotton with a liquid wetting agent before it is taken through the gin.

Former Texico Man Has Bulbar Polio

Friends of Mr. and Mrs. Charles Ott of Amarillo, will be interested in knowing that Charles, who has been fighting a serious case of bulbar polio, is somewhat improved.

His grandparents, Mr. and Mrs. Bill Hall, were in Amarillo Sunday, and report that he was able to move his hands very slightly on that day, and can turn his head from side to side. He has been paralyzed since he was stricken with the disease on October 5.

Ott wasn't feeling well the night before he was admitted to the hospital, but thought it was a virus illness. When he awakened the next morning, he could not move. Family members took him to the hospital and the case was diagnosed. He was in an iron lung for three weeks.

Still in Northwest Texas Hospital, Ott is undergoing therapy treatments, and is no longer in the iron lung. He hopes to be admitted to Gonzales Warm Springs Hospital for further therapy, in the near future.

Previous to Ott's illness, his wife, the former Yvonne Horton of Texico, had been ill, and doctors later diagnosed her illness as a light attack of polio. Mrs. Hall says the wife so far, has suffered no ill effects, however.

Both Mr. and Mrs. Ott are graduates of Texico High School, but moved to Amarillo shortly after their marriage, where he was employed by a trucking firm. They are parents of two children, Ricky Steve, 2-years-old, and David Michael, who will be a year old December 25. Mrs. Ott's mother, Mrs. Maurine Horton of Pleasant Hill, has been staying with the two children since the illness of the parents.

Friends may write or send cards to Charles at Northwest Texas Hospital, Room 315, in Amarillo.

If you had flea-power you could jump over a 90 story building.

Penguins use their wings for swimming.

Most poisonous of all snakes is the King Cobra.

Lariat Church Will Have New Pastor

Announcement was made this week that Rev. and Mrs. Gene Oesch and daughters of Lariat will be leaving the first of next week for Houston where Rev. Oesch plans to take up missionary work. Rev. Oesch has been pastor of St. John's Lutheran Church in Lariat for a little over a year.

Rev. Martin Moser of Montana will come to replace Rev. Oesch as pastor. Tentative plans are for Rev. Moser to be installed at the church on Sunday, December 9.

Rev. Oesch will conduct his farewell sermon at the church this Sunday.

Basketball Opener Called--No Players

One man's meat is another man's poison.

So goes the saying, and it happens to be true in the case of Farwell's coaches. The basketball season was scheduled to begin this Friday at Farwell, but Coach Calvin Murray reports that there is a shortage of players and the game with Bovina has been cancelled.

Where are all the players? Well, the football coaches—Russell Young and Shelby Jobs—have them tied up at present, and will be taking them into the Bi-District football game against Hale Center this week.

Meanwhile, Murray has had to

cancel the one game and as long as the football team continues its winning ways, other games will also be called off.

However, the basketball coach isn't complaining too much. He says, "I hope we don't start playing basketball until after Christmas."

Not that the coach is lazy, but if the football team keeps winning, it will be another four weeks before football comes to an end for the Steers. Following the Bi-District encounter, there will be four more games in state championship play if they continue to win.

Murray says he would be willing to sacrifice part of his basketball season if the football squad brings home a state crown.

The next scheduled basketball game for Farwell is Tuesday night at Texico. Murray indicated that this game might be played by the few players now working out. Since the game is on Tuesday night it will not interfere with a Friday football game, he says.

Adrian is scheduled to come to Farwell next Friday night and if he football team takes Hale Center, this game will be cancelled.

From there, who knows?

HOPPERS—

(Continued from Page 1)

have it. The time-honored traditions of Benjamin Franklin and other early Americans who taught that a man's thrift and industry, encouraged in a free and competitive economy, were the keys to success, are now being completely reversed by unionism.

Instead, we now read and hear of the "right" of every American who is not born with a silver spoon in his mouth to "share" in wealth of the nation, regardless of his personal ambition, ingenuity, or will to work.

Our Santa Claus government has now fostered a Santa Claus business atmosphere, where "more pay for less work" is the dominant cry on all fronts.

Mechanization of business, large and small, has meant higher pay to everyone, quite naturally, but so often, raises in pay are fought for—and won—with no consideration going to whether these additional benefits have been earned.

An economic fact that cannot be sidestepped, regardless of the balleyhoo of the labor publicists, is that an industry can never increase the returns to labor without a corresponding increase in production OR a raise in the price of the finished product.

Where do you suppose inflation has its real beginning? It isn't on the farms of the High Plains. It isn't in the small businesses of this area.

Inflation has its real beginning in the "key" industries of the nation, which supply the raw materials necessary for our modern civilization.

In spite of communism, in spite of the unsettled conditions of the world, our greatest test of national security is right here at home, and the soundness of our currency is the bell weather of our economic fortunes.

Lazbuddie School will also observe the 29 and classes will be dismissed on Wednesday afternoon with students returning to school on the 3.

Bradshaw Initiates New Football Fashion

You can have your coonskin coat, Indian blanket, or the latest football fashion, but Buck Bradshaw won't be interested. He has solved the problem of what to wear to the grid games in winter weather.

Spectators of the Farwell-Springlake grid contest Friday night were looking at Buck for awhile, instead of the game, exciting as the sport was. Oblivious to comments of his friends, Buck marched up to a windy seat in the bleachers Friday night, settled on the bench, took out his sleeping bag, crawled in, zipped it up, sat down again, and proceeded to watch the game.

While his friends were shivering and complaining of cold feet, Buck warmly watched the game. "Never had a minute's discomfort from the cold", he adds.

Important Chamber Meeting Is Tuesday

Farwell's Chamber of Commerce will meet in regular session next Tuesday night at the City Hall and several important items are up for discussion, reports Wilfred Quickel, secretary.

The main issue to be brought up at the meeting will be the Farwell Cemetery. Plans for the cemetery were complete at the last meeting, but lack of attendance prevented the group from taking any action. "Something will have to be done about this project at this month's meeting," the secretary says.

Also to be discussed will be the annual Christmas lighting project and the organization's banquet in

February. Heinie Henderson is in charge of the committee appointed to raise money for the Christmas lights to be installed on Main Street. "About \$150 will be needed for the lights," Quickel says.

In regard to the annual banquet, a date will be set and the selection of a speaker will be discussed.

Mrs. M. C. Wainscott returned to her home in Olney on Sunday after visiting here since Thursday of last week with her daughter, Miss Jimmie Lou Wainscott, who is home demonstration agent of Farmer County.

FFA Will Sponsor Fertilizer School

Tuesday afternoon, November 27, will mark the opening of the four-day fertilizer school being sponsored by the Texico FFA Chapter for all farmers of Eastern New Mexico and West Texas.

The first session from 2:00 to 4:00 (CST) will be directed by the New Mexico Extension Service, Gordon Hoff, New Mexico Extension Agronomist, and Robert Guice, Extension Soil Conservationist from New Mexico A&M College will be present for the meeting. Also appearing on this program will be Phil Crystal, Curry County Agent.

Hoff and Guice will talk on the work done by New Mexico A&M College with fertilizer plots in this area. Coffee and doughnuts will be furnished for the first two sessions by the Texico FFA Club. The second session on Wednesday night November 28, 7:30 to 9:30 (CST) is being sponsored jointly by Phillips Petroleum Company and their fertilizer dealers of this area. Dealers participating in this program are: Helton Oil and Fertilizer Company of Texico, Sacra Bros., Clovis, and Kendrick Fertilizer Company of Friona.

Phillips Petroleum Company is sending their head agronomist, Dr. Irvin from Bartlesville, Okla., who will show colored movies, slides and charts on fertilizer.

Jim Roming of Phillips Petroleum Company from Roswell will present charts on the uses of fertilizer and the results of these

fertilizers on wheat and grain sorghum. This work was done at the Amarillo Experiment station.

A representative from Kendrick Fuel and Fertilizer Company in Friona will present an analysis of soil samples taken by the Texico FFA members from the following area farms: O. L. Winkles, Pleasant Hill; Ray Tharp, Farwell; Levi Reid, Texico; J. M. White, Texico; Truman Doolittle, Texico; Earl Thompkins, Bellview; Leon Marks, Clovis; D. J. Brown, Texico and Roscoe Burris and Earl Hartley, Clovis.

These soil analysis will be given along with recommended amounts of fertilizer.

Edd Hardage will furnish entertainment for this session.

The third session, on Thursday night, November 29, 7:30 to 9:30 (CST) is being sponsored by the Sunshine Plant Food Company of Clovis and Brandon Chemical Company of Clovis.

Representatives from these firms will show colored movies and charts and will feature talks by various men on their results with fertilizer.

They will furnish doughnuts and coffee for this session which will also have something on tap in the way of entertainment.

Friday night at the same hour as on previous night sessions, Guthals Produce and Mathiasen Chemical Company of Clovis will sponsor the session in which films,

charts and talks will round out the program.

"The Texico FFA boys feel that the farmers should know how to use the right type of fertilizer at the right time and that this is one of the most important problems facing the farmers at the time," J. C. Kelly, FFA president, says.

He stressed the fact that the (Continued On Last Page)

Blind Gymnast Appears At Texico School

Performing in assembly at Texico School, Monday November 19, at 9:30 was Eddie Motter, a blind gymnast, who travels around to entertain in school assemblies.

His program consisted of a hand balancing act and a message for the youth of America.

After finishing high school, Motter enrolled at U. C. L. A. where he joined the gym team and held the title of high-point man for the four year period.

'Tale' Takes Third At Texas Tech J-Day

The "Wolverines Tale" Texico group.

School paper, won third place at the annual Texas Tech Journalism Day on Saturday, November 3. The "Tale" was entered in the classification of school papers printed in a weekly newspaper. Tulia and Paducah won first and second places, respectively.

Charlie Guy, editor of the Lubbock Avalanche Journal, was the main speaker of the day. He spoke to approximately 200 students from 23 high schools. A few of the high schools represented were Lubbock, Amarillo, Clovis, Pampa, Floydada, Seminole, Littlefield, Hamlin, Tulia, Paducah, and Texico.

"So You're Going to College", was the topic James G. Allen, Dean of Student Life on the campus of Texas Tech, delivered to the

Carolyn Curd was a panel member in the discussion of problems of printed newspapers in an afternoon meeting.

Those attending from Texico were Carolyn Curd, editor; Betty Pendergrass, assistant editor; Joyce Gillean, junior high sports editor; Glenda Richardson, grade school reporter; Anita Watts, Audrey Hapke, and Mikala Faville, high school reporters.

Also attending were Mrs. Leroy Faville and Mrs. Jimmie Allman, sponsor.

Napoleon was morbidly afraid of cats.

Texico Classes Select Favorites

In a recent vote of the students in the various Texico classes, favorites of the year were chosen. In the grade school, Janet Wilson, Randall Schwanke, and Paul Alires were chosen from Mrs. Weisler's first grade while Mrs. Faville's first grade chose Patricia Thompson and Gregory Burns. Mrs. Stockton's second graders, selected Sharon Kay Peyton and Jackie Billingsley and from Mrs. Miller's second were Susan White, Jill Billington and Donnie Morris.

Three students were chosen from Mrs. Seale's third grade room. They are Veda Wilson, Jimmy Goolsby and Jimmy Hill. Jo Doshier and Wayne Watts are favorites in Mrs. Patterson's fourth grade as are Esther Thatcher and Larry Martin in Mrs. Byrd's fourth grade room. Other grade favorites are: fifth grade, Sue Walton, Terry Niece and Lonnie Curry; sixth grade, Judy Tharp and Jackie Dyer; seventh grade, Janice Adams and Don Reid; eighth

grade, Koleta Doshier and Gary Dunlap.

Chosen as favorites of the high school are: freshmen, D' Rene Danforth and Wesley Engram; sophomores, Janel Seal and Raymond Hadley; juniors, Rebecca Richardson, Jerry King and Matt Pendergrass; and seniors, Betty Pendergrass and Glen Hancock.

Committees Named In Sixth Grade

In English class the sixth grade had a class meeting in which the president, Carole White, appointed committees as follows:

Room committee: James Watts, Jean Morris, and Hal Ed Helton; art committee: Mrs. Rogers, Jenness Weisler, and Peggy Taylor; and recreation committee: Judy Tharp, Jackie Dyer, and Shirley Huber.

The group has been making Thanksgiving decorations. They enjoyed watching two basketball games last week.

Large Crowd Attends Senior Class Play

The Texico senior play, "The Birds and the Boys," was attended by a large and appreciative crowd. Friday. Seniors cleared over \$100 from the presentation of the play. Receiving most of the laughs throughout the play was Alex Brown in his portrayal of Tex, a boy originally from Texas, at the present, serving time in Youthville, a reformatory.

Another character worthy of praise from the audience as well as the members of the play cast, was Mike, a Pekinese dog owned by Joe Glaze. The dog played the part of "Sooner", a neighbor's dog. Other members of the cast were Betty Pendergrass, Dick Lockhart, Mikala Faville, Susan Levins, Weldon Bell, Glen Hancock, Anita Watts, Glenda Weisler, Glenda Richardson, Verlene Thigpen, Joe Glaze, Barbara Caldwell, Joyce Gillean, Carolyn Curd, J. C. Kelley, and Peggy Weeks.

Giving a star performance was the swing band, "The Four Mistakes," composed of Bobby Patterson, Dicky Adams, and Matt Pendergrass. The fourth member of the group, Dick Lockhart, was in the play cast and therefore unable to perform with the band. The group played "Whispering", "Happiness Street", "Frankie and Johnny", and "Darktown Strutter's Ball."

Betty Pendergrass was hostess to a party honoring the seniors at her home after the play. Refreshments of sandwiches, potato chips, cookies, pops, and hot chocolate were served throughout the evening. "The Four Mistakes" and Marvin and Bobby Pendergrass entertained with music. Those present at the party were Mrs. Pendergrass, Sandra, Matt, Marvin, Bobby, and Betty Pendergrass, Weldon Bell, Alex Brown, Dick Lockhart, Joe Glaze, J. C. Kelley, Susan Levins, Glenda Richardson, Anita Watts, Mikala Faville, Melba Doser, Dicky Adams, Bobby Patterson, Glen Hancock, Gloria Johnson, and Sharon Hendricks.

President of the senior class, Weldon Bell, presented the sponsors of the play, Mrs. Jimmie Allman

and Mrs. Agrie Jones, with silver compacts engraved with their names in assembly Monday morning as a way of saying how much their services were appreciated.

COMMENTING

WITH CAROLYN

After the senior play last Friday night, Betty Pendergrass entertained the cast members with a party. All the kids attending really had a "bang-up" time.

What do you think a nine year old student would know about the Suez Canal situation? Well—you might be surprised! While substituting for a fourth grade teacher recently, I heard some of their opinions on the subject. Everyone is interested in this problem, and the fourth graders at Texico School are no exception.

"Hats tell much about the people wearing them." This statement was made to 30 students in Mr. Jones' English III class. Their assignment was to use this as a lead sentence in writing an essay on hats. Several of the students had quite a struggle with this task. After reading 30 varied opinions on hats, we are quite sure Mr. Jones did his share of the work, too.

The green and white of Texico High are once again showing their ability. After playing Ranchvale and Field as season openers, the Wolvgrine and Whirlwind basketball teams are playing hosts to the Farwell teams next Tuesday night. This will probably be one of the most interesting games of the season. Everyone be sure and come!

Campus Chatter: The seniors were in Clovis yesterday having their senior pictures made. Two sophomores, Patsy Sprowls and Kenneth Hawkins, have left THS. Patsy is now going to Farwell High and Kenneth has moved to Lubbock. Aren't the cheerleaders' new uniforms classy? Their new megaphones are sure nice, too. This week, we are starting on our third six-week period. My!! Doesn't time fly.

Carolyn

**—EDITORIAL—
Is That the Truth?**

By Betty Pendergrass

"Behold the turtle, he makes progress only when he sticks his neck out." This is an old quotation, and in most cases it could apply very well, but in this one he would very likely lose his head!

Are you a person who is given to telling everything you have heard about your "friends", and then adding a little more? If you are, this article applies to you.

Individuals who criticize others destructively, are not helping the person they criticize, and they may be damaging themselves, as far as other people are concerned.

Before you begin talking about other people, be certain that the information you are telling isn't harmful. Another thing to remember is to be certain that your choice bit of information is substantiated by truth.

When you hear anyone criticize or condemn fellow-students, try to get him to explain the evidence upon which he has based his conclusion. That can prove to be very difficult. Yet if he can't explain, it is doubtful if he will tell anyone else the same story. It might even inspire him to try a different type of conversation.

When we feel compelled to make a statement which might be a discredit to a fellow-student, we should consider first the final effect of the statement. Will it improve the situation or will it merely be a discredit?

Students can take an active part in conversation without airing the latest "choice bit of gossip" about mutual acquaintances.

"Behold the turtle, he has been known to stick his neck out at the wrong time."

Senior Personality
By ANITA MOSS

Joyce Gillean, 17 year old senior of Texico, is keeping pretty busy this year.

Joyce, the daughter of Mr. and Mrs. James Gillean, was born on December 20, 1938, in Los Angeles, Calif.

A pretty brown eyed, brown haired, girl, standing 5'2", Joyce holds six offices this year. In addition to being part-time secretary for Paul Fredrick, principal of Texico High, she is president of the Press Club, vice-president of the F.H.A., treasurer of the senior class, Jr. High sports editor for the paper, and business manager for the annual.

Joyce, who has gone to Texico School for 12 years, now has a pretty full schedule of classwork too. She is taking shorthand I, typing II, office practice, journalism, and athletics. Her main interest in school, however, is playing ball.

In spite of her full schedule, Joyce still finds time to enjoy things outside of school. She enjoys the movies a great deal and her favorite movie stars are Doris Day and Gary Cooper. Her favorite song is "Love Me Tender" by Elvis Presley even though she doesn't like Elvis.

Joyce says that out of school her favorite passtime is eating and her favorite food is fried chicken.

FFA SCHOOL—
(Continued From Page One)

club would especially like for the farmers, not only of Texico, but Center, Clovis, Ranchvale, Pleasant Hill and Hollene, New Mexico as well as the farmers of West Texas to attend this school.

Texico Juniors Begin Basketball Season

As the final whistle blew, Texico Jr. High boys and girls scored a double victory over the Fields juniors in their first game of the 56-57 basketball season. The games were played on Texico's home court, Thursday, November 15.

Both teams did some good playing, with the girls winning by a score of 26-16, while the boys brought in a 36-15 victory.

Starting the girls game were Christina Bowers, Connie Sharp and Gayle Hadley as forwards, and Mary McDaniel, Phyllis Kelley and D'Rene Danforth as the guards. Christina Bowers was high point girl for Texico, scoring 12 of Texico's 26 points.

Other girls playing were Joan Brown, LaDonna Stewart, Barbara Seal, Jerry Thigpen, Pauline

Servatius, Judy Adams, Betty Walton and Patricia Patterson. Edmond Richardson, Wesley Engram, Travis Taylor, Don Johnson and Charles Stockton were the starting five for the boys. Wesley Engram scored 14 points to be high point boy for Texico.

Other than the first five starters, Teddy Roth, Glendon Moss, Crayton Weisler, Larry Pawoll, Bill Reid, Alfred Stover, Lee Spears, James Fielding, Billy Murdock, Billy Hassell, Monte Singleterry, Gary Dunlap and Jackie Dyer also saw action in the game.

Girls are coached by Paul Frederick, with Curtis Miller coaching the boys.

Curry County Teachers Feted With Banquet

Seventeen teachers representing the Texico School attended the Chamber of Commerce banquet held at Hotel Clovis, November 13.

The banquet, honoring all county teachers, was given for the purpose of bringing about a closer relationship and understanding between the Clovis Chamber of Commerce and area teachers. Tickets for the occasion were purchased by various Clovis merchants.

Main speaker for the occasion was Mr. Whittington, manager of the Mid-West Video. He delighted the audience for about 40 minutes with a volley of story telling and jokes.

The welcome address was given by Dick Britain followed by the response given by Agrie Jones, superintendent of the Texico School.

Acting as master of ceremony for the occasion was Verlis Rose, manager of the Clovis Chamber of Commerce.

Those attending from Texico were Mr. and Mrs. Curtis Miller, Mr. and Mrs. B. A. Rogers, Mr. and Mrs. Agrie Jones, Mr. and Mrs. N. W. Peyton, Tom Hudson, Edward Choate, Mr. and Mrs. Frank Seale, Mr. and Mrs. Leroy Faville, Mr. and Mrs. John Hadley, Mrs. Avis Patterson and Mr. and Mrs. Fred Danforth.

Junior High Grades Have Varied Interests

Eighth graders have started receiving letters from pen pals overseas. Letters have come from Hawaii, France, England, Australia, and New Zealand.

Making and painting salt maps is a project in their geography class. Gary Dunlap and James Hassell were deer hunting a few days last week.

Billy Hukill has been absent this week after having his tonsils removed.

Robert and H. W. Lawson are back at Texico again after spending a few weeks in Arkansas.

An aquarium is the center of interest in the seventh grade room. It now holds several kinds of fish, shells, and snails.

The seventh grade is sorry to lose Johnny Sprowls, who is moving to Farwell.

News From LAZBUDDIE

MRS. BERT GORDON

MEETS AT CHURCH

The Lazbuddie WMU met at the church on Monday afternoon for the Royal Service program. Mrs. Wesley Barnes was in charge of the program and presented it in the form of a radio broadcast. BAPTIST CHURCH NEWS

Sunday School attendance for November 18 was 118 with 98 present for training union.

Rev. Salvador Rivera, Spanish evangelist from Plainview, was present at the church Sunday to conduct a Sunday School class for the Latin American attendants.

Sunday night he conducted a training union class for 12 adult men. Rev. Looney, pastor of the church, asks all persons in the area who have Nationalists working for them to bring the laborers to Sunday School and training union as a Spanish speaking teacher will be on hand to teach them.

The Deborah Sunday School class met in the home of Mrs. Vernon Symcox on Tuesday night, November 13, for a monthly meeting. After the devotional, Mrs. Symcox served refreshments of date bars and coffee to Mesdames Delbert Garner, Alton Pruitt, Jimmy McGuire and Donald Watkins.

Ruby Parker Circle of the Oklahoma Lane WMU met Monday afternoon, November 19, in the home of Mrs. Bernard Nelson. Mrs. Walter Verner, circle chairman, directed the Bible Study from the second chapter of the book, "Great Prayers of the Bible". Present for the study were Mesdames W. E. Verner, Jack Roach, Sterling Donaldson, Howard Garner and Rev. Irving Looney. Rev. Landtroop used "Jesus' Command to Follow Him" as the subject for his talk.

Rev. Earl Landtroop of the Calvary Baptist Church of Clovis was guest speaker for the regular meeting of the Oklahoma Lane Baptist Brotherhood held Monday night, November 19. Present were Bernard Nelson, Virgil Woodson, Walter Verner, Sterling Donaldson, Howard Garner and Rev. Irving Looney. Rev. Landtroop used "Jesus' Command to Follow Him" as the subject for his talk.

Monday afternoon at the home of Mrs. Charles Hukill for Bible Study. Mrs. Hukill gave the devotional on "Prayer Time". Mrs. Wayne Hardage led the group in prayer before Mrs. Claude Watkins directed the Bible Study. The study was taken from the book of Matthew. Present for the meeting were Mesdames J. M. Pruitt, Wayne Hardage, Lacy Hardage, Irving Looney, O. C. Richards, Claude Watkins and one guest, Mrs. J. W. Hukill.

METHODIST CHURCH NEWS

Naomi Circle of the WSCS met Monday afternoon at the church. The meeting was opened by the group singing "His Way With Thee". Mrs. C. C. Christian then led a prayer. The study of Southeast Asia was completed and was directed by Mrs. Vernon E. Willard. Mrs. Sam Billingsley gave the devotional which was titled "Qualities of a Christian". Attending the meeting were Mesdames W. P. Shelley, George Douglas, Tom Lindop, V. E. Willard, T. L. Kent, C. C. Christian and Sam Billingsley.

Attendance at Sunday School on November 18 was 77. Miss Ruby Karen Hillock presented special music preceding the worship hour. Miss Hillock sang "The Holy City."

IN ACCIDENT

Miss Claudia O'Hair, daughter of Mr. and Mrs. Fred O'Hair, escaped injury Saturday when the family pickup she was driving plow-

ed into a tree. The accident occurred in Bovina Saturday afternoon. Janice Routon, daughter of Mr. and Mrs. Lloyd Routon, was with Claudia at the time of the accident. Extensive damage was done to one fender of the vehicle.

Mr. and Mrs. Frank Edwards visited relatives in Hamlin and Abilene three days of last week.

Mr. and Mrs. D. W. Carpenter visited during the weekend in Cotton Center and Plainview with relatives.

Miss Emma Kersey of Hobbs, N. M., visited from Wednesday until Saturday in the home of her brother and family, Mr. and Mrs. A. T. Kersey.

Sunday dinner guests in the home of Mr. and Mrs. Charles Hukill were Mr. and Mrs. Marvia Qualls and Gerald, Mrs. Lavern West and Danny, and Mrs. J. W. Hukill, all of Fieldton, and Mr. and Mrs. Talmadge Hukill of Muleshoe.

In McGuire Home

Visiting Sunday, November 18, in the E. W. McGuire home were Mr. and Mrs. Roy McGuire, Mr. and Mrs. Lee Wayne McGuire and children, Marcia and Sid, Miss Linda Phillips, Mr. and Mrs. Jimmy McGuire and children and Mr. and Mrs. Leon Billingsley.
