

Farwell Graduation Programs Start Sunday

Minister Lewis C. Cox, pastor of the Texico-Farwell Church of Christ will be the speaker, Sunday morning, May 16th, when the eleven Farwell high school graduates assemble in the school auditorium for baccalaureate services.

The morning worship hour is slated to begin at 11:15, with Mrs. C. M. Henderson presiding at the piano for the entrance of the seniors.

Rev. Harvey E. Carrell, local Methodist minister, will give the invocation, followed by special music by Mrs. O. T. Loyd. The speaker of the day will be introduced by Supt. O. T. Loyd, and the benediction will be given by Rev. W. F. Markham, with Mrs. Henderson again at the piano for the recessional.

Commencement on Monday

On Monday night, May 17th, commencement exercises will be held in the auditorium, beginning at 8:15. Rev. R. L. Butler, of Merkel, Texas, former Texico-Farwell Methodist pastor, is the speaker for the occasion.

The seniors will join in singing the class song, Charles Felts will give the salutatory address and Jo Ann Williams will deliver the valedictory. Jack Williams, principal of the school, will introduce Rev. Butler, and the diplomas will be presented the seniors by Claude Rose, president of the school board. Special awards will be made by Supt. Loyd.

The invocation will be given by Rev. Markham, with Rev. Carrell offering the benediction. Mrs. Henderson will be at the piano for both matches.

Members of the class include Willie Joe Carpenter, Charles Felts, Maxine Ford, W. H. Graham, Jr., Bob Hart, Talma Randol, Junior Robertson, Harry Sheets, Velma Threeth, Leonard Watkins and Jo Ann Williams.

Friena Graduation To Start Sunday, May 16

Graduation exercises for the 26 members of the 1947-48 class of the Friena high school will begin on Sunday, May 16th, with baccalaureate services being held at 8 o'clock that evening in the grade school auditorium, according to Supt. Dalton Caffey.

On Thursday evening, May 20th, the commencement exercises will be held, beginning at 8 o'clock, also in the auditorium of the grade school.

Rev. T. B. Allen, Baptist pastor in Friena, is scheduled to deliver the baccalaureate address, with Dr. Noble Armstrong, of West Texas State College, in Canyon, to speak at the final exercises on Thursday.

Patty Gray Southall is valedictorian of the senior class, with Billy Jones as the salutatorian.

Eighth Grade Services

Diplomas will be presented the eighth grade graduates, 24 in number, on Wednesday evening, May 19, at the auditorium.

Rev. S. M. Dunnam, Methodist pastor from Littlefield, will speak to the graduates. Joyce Miller is the valedictorian, while Joyce Tedford is salutatorian.

Camp Takes Over ACA Office On Wednesday

Joe Camp, who has been associated with the AAA office in Amherst, arrived here the first of the week to take charge of the Parker County office, succeeding Harold Carpenter.

Carpenter's resignation became effective this (Wednesday) morning, and in the future Camp will have charge of the local office.

For some 11 years Carpenter has been associated with the work of the Triple A program in Parker County, having had charge of the office during the past two years. He has resigned to devote his time to farming in the Oklahoma Lane community.

It was also announced that Ponce Billingsley, chief clerk, has tendered his resignation, but no successor to that position has been named.

LARGE HEATING SURFACE

The heating surface provided by the many tubes and flues and by super heaters on a modern freight locomotive covers about 9,000 sq. feet, which is equivalent to an area nearly 125 feet long and 75 feet wide. — Association of American Railroads.

Another Bond Election Slated For Lazbuddy

Another proposed bond election will be held in the Lazbuddy Independent School District on May 22, it was announced today, with the voters at that time to decide whether or not to approve a \$100,000 bond issue for construction of a high school and gymnasium on the present school property.

Two weeks ago, a proposed bond election which would have authorized purchase of a new school site near the center of the consolidated Midway-Lazbuddy school district, and erection of buildings, was defeated overwhelmingly.

Voters of the district will cast their ballots at the school building, with the polls open from 8 a. m. to 6 p. m., it is announced. Roy Daniels will serve as election judge, with R. D. Precure, Ernest Merriott and T. L. Glasscock as clerks.

Consumers Name Two New Directors

Two new directors of the Consumers Fuel Association were selected when the annual meeting was held at the Legion Hall in Bovina recently. I. W. Quickel was re-elected as a director, and Sam Sides was named to succeed Dick Gerles.

Cayson Jones, manager of the firm, said that the stockholders expressed satisfaction over the financial showing of the group for the past year. He said that the Association did not actually return a heavy dividend to the stockholders, adding that the fire at Lariat and extensive improvements at the Bovina store had cut into the dividends during the past two years.

The board of directors is now composed of Lee Thompson, Levi Johnson, Buck Ellisen, I. W. Quickel and Sam Sides.

Nine Texico Seniors To Graduate, Thursday

Diplomas signifying the end of high school activities will be presented by C. C. Curry, president of the school board, to Polly Ann Tapp, Aileen May, Gerald Baldock, Jean and Peggy Rogers, Phyllis Mendoza, Margie Baker, Melvin Curry, and Mary Harding, Thursday night, May 13th, when commencement exercises for 1947-48 are held at the high school auditorium.

Dr. C. B. Wivel, of Eastern New Mexico College, Portales, has been chosen as the speaker of the evening, and Polly Ann Tapp and Aileen May will give the salutatory and valedictory addresses, respectively.

Music will be furnished by the school chorus, directed by Mrs. Gladys Prescott. The numbers include "The World Is Waiting for The Sunrise," and "Now Is The Hour." Rev. Harvey Carrell, Methodist minister, is to give the invocation, with Rev. W. F. Markham to deliver the benediction.

Supt. B. A. Rogers will make the presentation of special awards, and Mrs. W. W. Vinyard will be at the piano for the processional and recessional marches.

The exercises are to begin at 8:30, Texas time, and attendants are urged to be prompt.

Traffic Open To New Clovis-Texico Road

Traffic was being routed along the north half of the four-lane Texico-Clovis highway, now under construction, on Tuesday, although it will be several weeks before the job is completed.

The caliche base has been spread along the north side of the new road and traffic will be allowed to move over it until the south side of the four-lane is surfaced, it was learned. When the topping work begins, it will be necessary for traffic to resume use of the detour roads.

HERE FROM ABERNATHY

R. L. Bledsoe, former farmer-stockman of the Lazbuddy community, who now lives at Abernathy, was here the latter part of last week attending business matters.

World War II conditions reduced mining of gem stones in the United States so sharply that only about \$40,000 worth were produced in 1945

Approve Two, Reject One Merger

Bovina-Rhea Election Contest Is Apparent

Although no petition had been filed here late Tuesday afternoon, it appeared certain that a suit, seeking to set aside the Bovina-Rhea school consolidation election, would be filed in the district court here before the close of the present week, possibly as early as Wednesday afternoon.

Information gathered here by a Tribune reporter early this week indicated that the election would be contested, although no information

was available as to what charges will be set forth in the petition yet to be filed. It is understood that some interested taxpayers of the Rhea school district have employed a Lubbock attorney to represent them in the contest.

By a margin of 34 to 36, the voters of the Rhea district voted to consolidate the district with Bovina, in a special election held last Saturday.

TEXICO GRADUATES ARE URGED BY MINISTER TO TAKE ADVICE OF PAUL

Using as his text the 13th verse of the 16th chapter of First Corinthians, Minister Lewis C. Cox of the local Church of Christ, delivered the baccalaureate sermon to the graduating class of the Texico High School in an impressive service Sunday night in the school auditorium.

"Watch ye, stand fast in the faith, quit ye like men, be strong", the Apostle Paul penned as he was growing old in experience in the Christian faith.

Addressing the class members, the speaker reminded them that "you are now finishing your course in this institution . . . you are now ready to start out on a new road . . . and there are many things calculated to lead you astray. As the Apostle Paul was interested in the future of the Christians at Corinth, we believe his words can be used to apply to my interest in you," he said in opening his remarks.

Taking up the points Paul emphasized, Minister Cox developed, categorically, the admonitions of the Great Apostle.

Under the topic of "Watch ye," the minister pointed out the necessity of watchfulness, and described "evil and righteousness as two great forces in the world today," that are seeking to influence the thoughts of the present generation, and cautioned the class that "some forces in the world today would destroy your liberty."

Turning to the current world program, he stressed the need of preparedness, and used the story of the wise and foolish virgins to illustrate his point.

Turning next to the problem of "standing fast in the faith," he first raised the question, "what is faith?" And answered it by observing the importance of "having faith in yourselves and your fellowmen, and finally, faith in God."

REV. BUTLER USES COMMANDMENTS AS BACCALAUREATE SERMON TOPIC

Using the Ten Commandments as a background for his theme, Rev. R. L. Butler, former local Methodist pastor, now of Merkel, Texas, brought the baccalaureate sermon to the 12 members of the Oklahoma Lane graduating class Sunday morning. For a text the speaker used the words of the Master spoken to the young man who came to him inquiring who was his neighbor, "Thou shalt love the Lord thy God and thy neighbor as thyself."

Taking cognizance of the plight of the world today, Rev. Butler opened his remarks by observing that "Many good things have not yet reached Washington," and from this observation he went on to say that "Man thinks everything else is subject to the moral laws except himself . . . man needs to be taught the laws of being and the laws of the universe."

"What a pity it is that we are always asking God to bless our foolishness," he stated, and then illustrated his point by recalling "big conventions where men stand up and sing 'God Bless America,'" to which he observed with emphasis "that God can't bless a drunken America."

Turning next to his original scripture reading, the speaker pointed out that "the Ten Commandments form the ethical basis for all true religion . . . it's high time we recall them . . . teach them . . . obey them."

At this point, he declared that "it is just as sinful to deprecate the Sabbath as it is to commit adultery."

Observing that "everything fits into the scheme of God's creation," he raised the question of the commercial value of man, and pointed out that his commercial value was

The speaker chose to use the word "acquit" in the place of "quit" in the next development of his sermon, and after urging the class members to "acquit yourselves like men . . . in marriage . . . in business and in religious life," he used the statement credited to President Washington, "Slavery will be our portion unless we acquit ourselves like men," in urging the young people to "put away childish things," and to remember always that "the body is the temple of the Holy Spirit."

Speaking of being strong, Minister Cox observed that physical strength was important, but "the important thing is Godliness."

In conclusion he reminded the class that "love is the greatest thing in the world . . . the love of God . . . the love of Jesus, who gave himself to redeem mankind . . . let love be the ruling factor in your lives." And as a parting thought, he said, "as you go, strive to save your soul that you may be able to stand in that great day and hear the welcome, 'well done thou good and faithful servant. . . .'"

In opening the program, Mrs. W. W. Vinyard gave the processional, followed by Rev. Harvey Carrell who offered the invocation. B. N. Graham gave the scripture reading after the audience had been led in singing "Day Is Dying In the West", by Supt. B. A. Rogers.

Choral numbers were given by the girls' chorus, and Miss Norma Lee Sanders gave a violin solo, accompanied by Miss Jean Rogers. Following the benediction, the class of nine seniors filed out to the tune of the recessional by Mrs. Vinyard.

Members of the graduating class include Aileen May, Polly Tapp, Mary Harding, Peggy Rogers, Jean Rogers, Malvin Curry, Gerald Baldock, Phillis Mendoza, Margery Baker.

far below that of a beef animal, "And yet, there is nothing in the world as valuable as you are," he said to the graduating class. "There is nothing else in the world made in the likeness and image of God but you."

Then he warned that "man's cleverness may prove his undoing," and at this point he used the airplane and atomic power as illustrations of how they are being used to destroy man instead of bringing a blessing as they might be used.

"Oh, how long will it take man to learn God's will except through trial and error," he deplored. Turning next to the subject of universal brotherhood, the speaker observed "that when we come to realize that we are brothers, we will work together the world over," to which he added, "I've had to apologize for the Governor of my state for his attitude on the race question."

Turning again to current world affairs, he offered the prediction that "the Marshall plan and the United Nations were both going to fail because of national bigotry."

In concluding his inspiring sermon, Rev. Butler admonished the class to "keep in mind whose you are . . . you are not your own . . . you are bought with a price." After finishing his address, the former local pastor followed his practice of many years' standing in handing out small New Testaments to members of the graduating class and their sponsor.

The processional and recessional was played by Miss Caryetta Grisom. Claude Watkins led the audience in two songs, with Rev. J. P. (Continued on last page)

LEE SUDDERTH OUT

Lee Sudderth, Oklahoma Lane resident who came out on the worst end of a set-to with an irrigation well motor some weeks ago, is able to be up and about, although still nursing three broken ribs and a bruised and sprained back. Sudderth was confined in the county hospital at Friona for several days following the accident, which occurred at his home.

Two Babies Scalded During Past Week

Two local babies were scalded one of them seriously, during the past week, but both are reported to be recovering satisfactorily at this time.

The most seriously burned was little Randy, 13-months-old son of Mr. and Mrs. Andy Marcus, who received burns when he tipped a cup of freshly poured coffee from a table in the family home. First degree burns were incurred about the little fellow's arms, chest, abdomen and groin. The mother had just poured the coffee and turned to do something in the kitchen when the little toddler reached the cup, upsetting the hot contents down his body.

The second unfortunate accident happened last Saturday afternoon when Steve (Butch) 15-months-old son of Mr. and Mrs. Ray Ford, toppled over and sat down in a pan of hot water at the Ford home. Mrs. Ford had used the water shortly before to scald a chicken, and was in the house when Butch sat down in the pan. The burns were not serious. Mrs. Ford said, as the water had cooled off between the time she had used it and the time the baby came in contact with it.

County Health Nurse Considered Possible

Members of the Parker County Gilmer-Aiken Committee, which was formed recently for the purpose of making recommendations to improve the status of the schools and the health of the students, held its second monthly meeting at Bovina, Monday night.

Questionnaires regarding the condition of the schools of the county were filled out, which will be sent to the State Gilmer-Aiken Committee in Austin, for consideration in making recommendations to the State Legislature for the improvement of schools over the entire state.

The local committee gave most consideration to the possibility of obtaining a county health nurse to work in cooperation with Dr. R. C. Stokes, county health officer, as a means of improving the health of the students of the entire county. It was agreed to talk the health nurse possibilities over with the various school boards of the county, to see if funds for starting the program in September could be obtained.

The sentiment prevailed that county funds might be made available at the beginning of next year when the county budget is made up for 1949. No county funds are available now, it was revealed, and county officials explained that funds for 1949 can be provided only if the item is included in the budget, which would mean a slight advance in tax valuations.

Light Rain, Some Hail Falls Monday Night

A light rain, accompanied by a fairly heavy peppering of small hail stones fell here Monday night, to bring the first moisture of any consequence for many weeks.

Gardens and undeveloped fruit on trees were damaged by the hail, and foliage was ripped from shade trees. No other damage has been reported. Wheat fields that not been plowed up or turned over to stock grazing were not hurt by the hail. On the contrary farmers predicted that the hail would prove a benefit to the struggling fields if moisture in sufficient amounts follows soon. It is pointed out that the hail-beaten stubble will have a tendency to multiply provided rain is forthcoming at an early date.

HAS NOSE OPERATION

Gilbert Ford returned home last Thursday from Lubbock, where he underwent a minor operation on his nasal passages, and says he is greatly improved.

Two of three proposed consolidation moves between schools in Parker County and one school in Bailey county were approved, the past Saturday, while the third consolidation proposition was turned down by the voters, casting ballots at Rhea, Bovina, Oklahoma Lane, Farwell and West Camp.

Majority votes favoring consolidation of the Bovina-Rhea districts were recorded in both the Rhea and Bovina boxes, which was required to authorize the consolidation. At Bovina, the voters turned out in full force, casting 211 votes for the merger and none against, while a tight race at Rhea finally showed a 36-34 decision in favor of the consolidation.

The proposal to join the northern part of the West Camp school district with the Farwell school district also was approved by the voters. In the Farwell box, 64 ballots were cast, all favoring the merger, while 37 "pro" votes were cast at the West Camp school, with no opposition recorded.

The third consideration of the day for Parker voters dealt with the consolidation of the Oklahoma Lane and Bovina districts, which was turned down in the final count. Although Bovina approved the measure, 213 to 0, the Oklahoma Laners turned thumbs down, 123 against 60 for the merger, and since a majority was not obtained in both voting boxes, the consolidation will not be effected.

In merging the north West Camp district with the Farwell district, some 33 sections of land now become taxable for the local district, officials said, while the Rhea-Bovina merger gives Bovina tax rights for the school on 101 sections of county land.

Oklahoma Lane remains in a peculiar position, however, since the state educational department informed officials there some weeks ago that due to the low number of scholastics, no high school could be maintained in that district. It is expected that a merger will likely be made with some school of the county before fall.

Amarillo Boosters Are In Town Thursday

Traveling aboard an eight-car special train, about 100 Amarillo boosters visited the Twin Cities briefly early last Thursday afternoon.

The delegation was accompanied by the 40-piece band from the West Texas State College, Canyon, which rendered a brief musical concert.

Mason King extended greetings on the part of the visitors, and C. M. Henderson responded, welcoming the visitors to the Twin Cities. The Farwell school was dismissed to allow the students to attend in a body. A small representation of the businessmen of Texico-Farwell was on hand.

Only a few of the boosters dismounted the train while it was halted here, and it was explained that most of the delegation was having dinner in the dining cars aboard the train. Steaming out of the Texico station, the train stopped at Bovina and then paused at Friona on the return trip to Amarillo.

Danielson Slates Farm Sale For May 17th

Announcement of a public farm sale was made today by D. W. Danielson, who will conduct the sale at his farm, 1 mile east and 2 miles west of the West Camp school, or about 12 miles southeast of Farwell, on Monday, May 17th.

The principal consignments to the sale are farm implements, with a Farmall tractor at the top of the list. Other items include a good collection of household goods, and a lot of miscellaneous items.

Col. W. D. Wanzor will cry the sale, slated to get underway at 1 p. m., Texas time, and the Home Demonstration ladies of the West Camp community will serve lunch on the grounds. Free coffee will be available.

A complete list of the sale articles is to be found in this issue of The Tribune.

JOHNSON IN HOSPITAL

Dr. V. Scott Johnson, formerly of this city and now a resident of Clovis, is confined to the Memorial Hospital in that city, where he is understood to be suffering from pneumonia.

Health Notes
By Texas Department of Health

AUSTIN—The danger of crippling and death form poliomyelitis is very real and should not be minimized, but according to Dr. Geo. W. Cox, State Health Officer, a knowledge of the facts about this disease will help fight the fear of it, and aid in preventing the panic that is usually associated with the appearance of polio.

The facts about polio are these: It attacks so few people that 20 cases per 100,000 population is considered an epidemic. Half of those who get the disease recover without crippling; another fourth, with good care, recover with only slight crippling. Deformities can be prevented and crippling lessened in many cases, by prompt, complete, and sometimes prolonged medical care.

Even though these encouraging facts have been established, still with polio as with any other disease prevention is better than cure. Summer is the chief danger period, and to avoid the risk of contracting this disease, it is well to observe the following health suggestions, especially with regard to children: practice absolute cleanliness in personal, home and community life; try not to mingle with crowds; don't get over-tired since extreme fatigue lowers resistance; avoid chilling by swimming overlong in cold water; consult your doctor at once if a member of your family has fever, headache, nausea, a cold, upset stomach, muscle soreness or stiffness.

Follow these suggestions will help to prevent the spread of polio but if you do have a case in your family remember that the majority of patients with good care recovers without crippling. Your fear or panic will only make it harder for you and your child.

IRON A SHIRT IN FIVE MINUTES

Homemakers who spent fifteen or twenty minutes ironing each shirt can save time and energy by learning the "new way", says Florence Low, extension home management specialist for Texas A. & M. College. In a new publication "Ironing A Shirt," she explained how to iron a shirt in 5 minutes and turn it only 3 times.

Mrs. Low gives two suggestions in preparing to iron the shirt. The first is to use an ironing board 20 inches wide and a comfortable height. She says that sitting to ironing saves much energy. The second preparation is to dampen and roll the shirt so it will be in a good position for ironing. The rolled shirt is placed on the left end of the ironing board so the tail will fall over the side of the board and the yoke toward the person ironing. The right sleeve is ironed first and both hands are used to shift the iron over the service. As the shirt is front side up on the board, the top of the collar and the band are ironed next. The shirt is turned and the left sleeve, the back of the collar and band ironed.

The next step is to put the yoke in position to iron and with a one-fourth turn the shirt is placed lengthwise of the board. The inside

of the left side and back yoke are ironed. The unironed left front is folded over the ironed back, smoothed and ironed. The buttonhole band is given an extra pressing on the wrong side.

The shirt is shifted slightly toward the back of the board and the inside of the right back ironed. Then the right front is ironed over the back and the button band pressed on the wrong side.

Folding is done without moving the shirt from the board so that the finished shirt is ready to be put away.

KILL PESTS WITH 2, 4-D

COLLEGE STATION — Early spring is the season for killing out loco, hoarhound, bull thistle and poisonous bitterweed with 2, 4-D, says Robert Lancaster, extension pasture specialist of Texas A. & M. College.

Uniform success on these has been reported by county agents over the state the past two years. The most complete kill is made by spraying when the plants are young, tender and growing. 2, 4-D under any brand is the same, but its solution may be weak or strong, and the weak solutions need less water than the stronger concentrations. Directions for mixing and using the various brands are different, and may be found on their containers.

2, 4-D will kill most any other weeds coming up this season of the year. It makes a fine weed killer, but Lancaster warns to keep it away from gardens, flowers and ornamental shrubs because it will damage these plants severely, perhaps kill them entirely.

Another important thing to remember about the use of 2, 4-D, is that it is a fairly strong spray that "hangs on". Even if a sprayer is washed out after being used, it is possible to kill plants with 2, 4-D while spraying insecticides some

POLITICAL ANNOUNCEMENTS

The State Line Tribune is authorized to announce the following candidates for the respective offices, subject to the action of the Democratic primary election in July:

For Sheriff-Assessor-Collector:
WILFRED QUICKEL
EARL BOOTH
(Re-election)
CHARLIE LOVELACE

For County Treasurer:
ROY B. EZELL
(Re-election)

For County and District Clerk:
LOYDE BREWER
(Re-election)

For County Judge:
A. D. SMITH
(Re-election)

For District Attorney, 64th Judicial District:
JOE SHARP of Plainview.

For County Commissioner, Pct. 2:
C. L. CALAWAY
(Re-election)

For County Commissioner, Pct. 4:
W. S. MENEFFEE
(Re-election).
JIMMIE SEATON
ALEX STEINBOCK

For County Commissioner, Pct. 3:
E. F. BILLINGSLEY
FRANK PHILLIPS

time later on. So the safest thing to do is to have two sprayers, one for 2,4-D, and one for insecticides. This way there will be no danger of injuring the plants when switching from 2, 4D to insecticides.

ON HONOR ROLL

LUBBOCK — Four out-of-state, out-of-nation students at Texas Tech were listed on the college's fall honor roll, the Registrar has announced.

The honor student farthest from home is Isik Pinhas, son of Pinasot Pinhas of Istanbul Turkey. He is a senior engineering student.

Two of the group are from Mexico City, and are junior and sophomore engineering students respectively, Carl E. Schmidt and Joseph Yakin.

The fourth is Jorge E. Padilla of Alajuela, Costa Rica, a senior engineer.

There are 14 lines in a sonnet.

MUSIC OFFERED AT T. U.

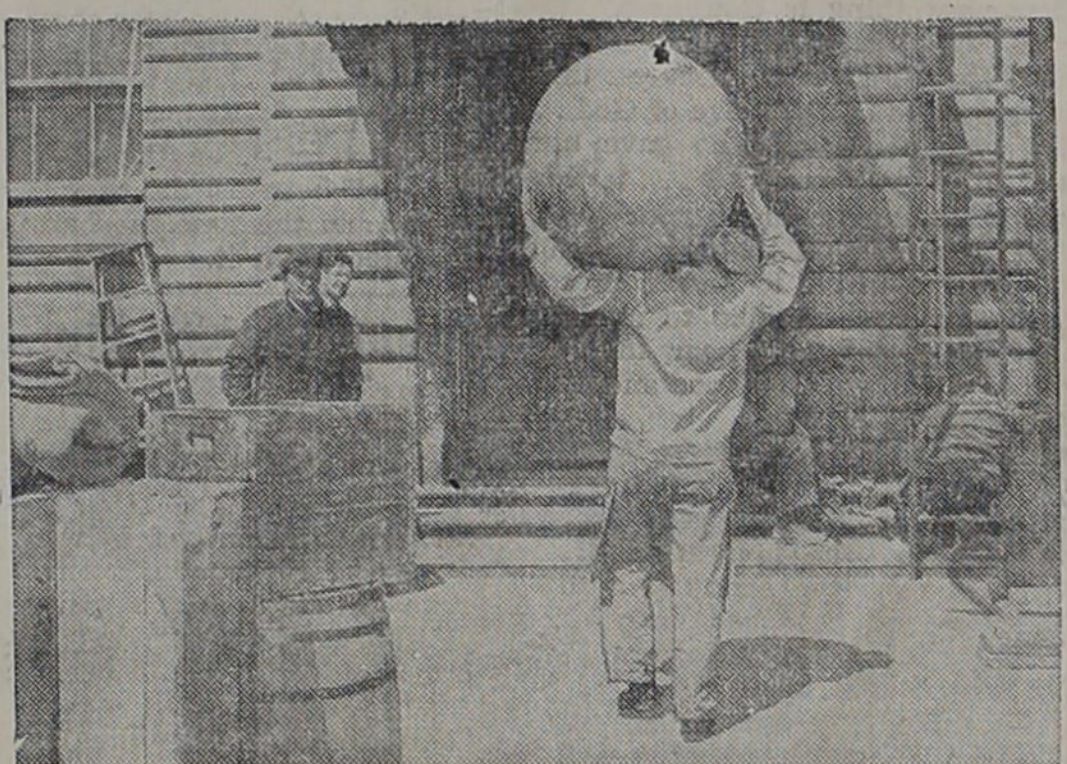

Austin—A conference laboratory in elementary music will be offered at the University of Texas this summer for general classroom teachers. James E. Green, Austin Public Schools music coordinator, will be instructor.

NOTICE To Stockholders :

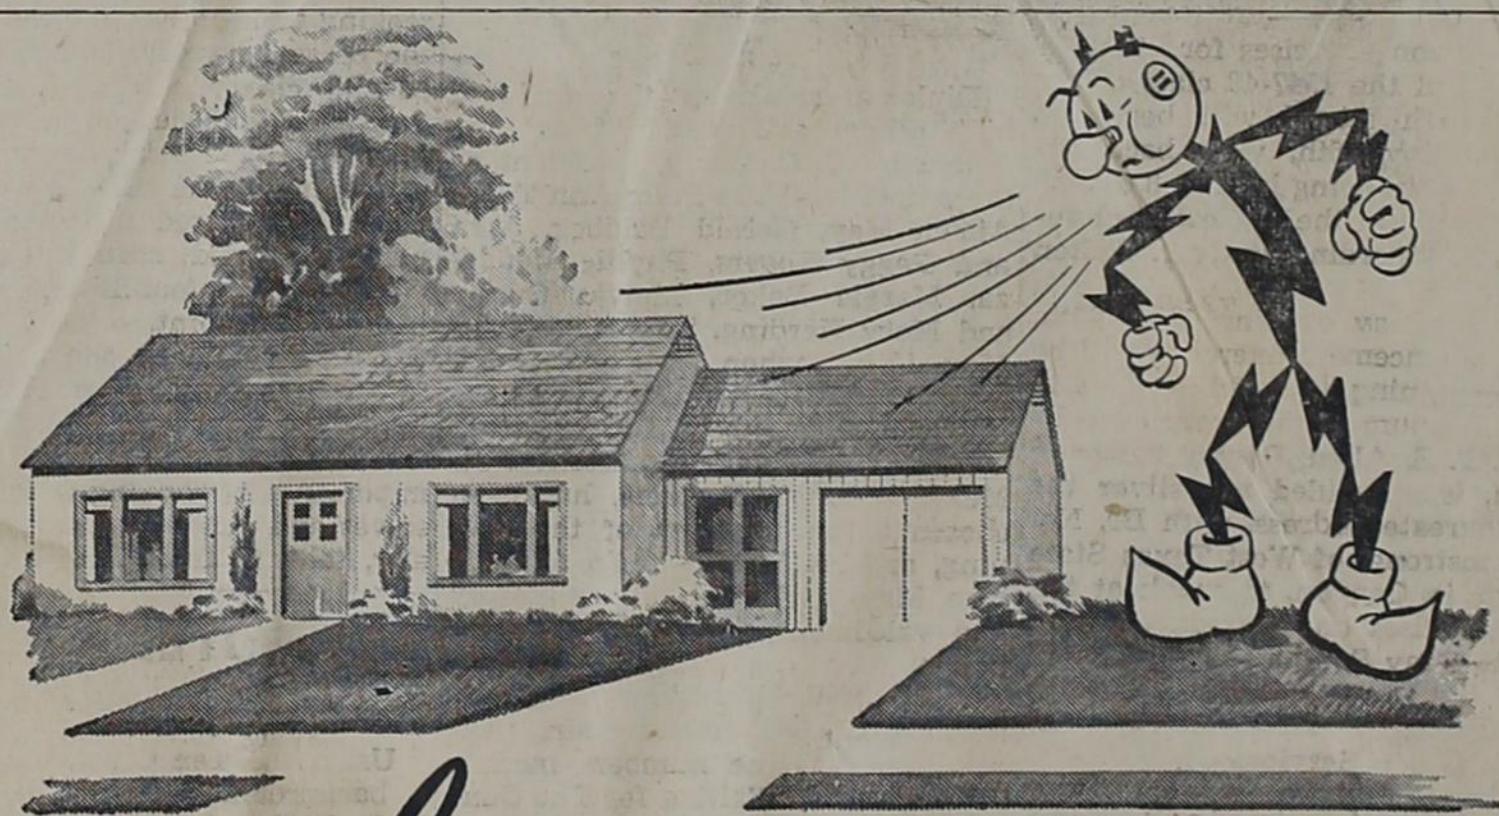

The BOVINA WHEAT GROWERS annual stockholders meeting will be held at the American Legion Hall in Bovina on Monday, May 17th, 1948. Some important business is to be done, and you as a member should be present. Time of meeting, 8:00 p. m.

There are two directors to be elected to serve for a period of three years. The annual auditor's report will be given by Auditor H. H. DeLozier. Checks for Producers Grain Preferred Stock will be delivered to those who patronized the elevator in 1940. Refreshments will be served. Please be present.

J. P. Miller, Secretary

WORLD MOVES TO IKE'S DOOR... All kinds of people have scratched their heads industriously in an effort to find any latent symbolism in this picture of a moving man carrying a globe into the New York home which Gen. Dwight D. Eisenhower and his wife will occupy when he assumes his duties as president of Columbia university. But, withal, it remains just a picture of a man carrying a globe into Ike's new abode.

Stay Cool All Summer Long with ATTIC VENTILATION

Now's the time to plan for long, cool hours of sleep this summer.

Make sure your home is comfortable, on the hottest summer nights, with dependable attic ventilation.

You'll thank electricity time after time, as you feel the cool breezes rustling through your home. You'll sleep better, feel better all summer long with low cost attic ventilation.

We have nothing to sell but good electric service. You'll find a wide choice of efficient attic fans at your favorite appliance dealer's.

COLUMBIA BASIN SIPHON...Near Adrian, Wash., steel workers weave web of heavy reinforcing bars around which will be poured concrete for Crab creek inverted siphons which will convey Columbia basin irrigation water across Dry Coulee to reclaim eastern Washington sagebrush land. Twenty-five feet in diameter and 4,500 feet long, it will be world's largest monolithic concrete pipeline.

Grade A Lunch Served To 200,000 Children

Seventy percent of the 275,000 Texas school children eating in community school lunchrooms are served Type A lunch with milk.

This is a balanced lunch providing about one-third of the child's daily nutritive needs, John J. Slaughter, southwest area supervisor, food distribution programs branch USDA's Production and Marketing Administration, Dallas, said.

Twenty-five percent of the schools serve Type A lunch without milk and the remainder serve Type C which is milk only.

Under School Lunch Act, USDA furnishes the State Department of Education, the state sponsoring agency, with funds to help pay part of the cost of the foods served. Current rate for Type A with milk is nine cents and for Type A without milk, seven cents. Schools serving only milk receive two cents.

This reduces the cost of the foods served, making it possible for more children to take part in the program, Slaughter explained.

In addition to federal funds, USDA donates agricultural products bought under price support programs, those bought to relieve local surpluses and certain foods needed to round out wholesome lunches. So far this year these include Irish potatoes and grapefruit juice from Texas, fresh pears, fresh apples, dried fruits, dried eggs, green beans, cheese, canned tomatoes, tomato juice, dry milk, orange juice and peanut butter.

Total number schools taking part in the program is 2,448 of which 45 percent are rural.

Frozen Food Facts Are Reviewed for Cooks

COLLEGE STATION—Frozen foods are becoming very popular with homemakers because they are time saving, table ready, and little preparation is necessary, according to Louise Mason, extension food preparation specialist.

They are so simple to prepare they appeal to beginning cooks and business women who have a limited time for cooking. If the following simple rules in preparing frozen foods are observed, good products will result:

Do not re-freeze after thawing. If partial packages of frozen fruits or vegetable are to be used, divide the package, rewrap unused portion, and keep frozen until used.

Add frozen vegetables to briskly boiling, salted water. Do not defrost except corn on cob. Begin counting cooking time when boiling begins again after vegetables are added.

Cooking time varies with variety and maturity, size of pieces, and method of preparation. Less water may be needed if heavy utensils and controlled heat are used.

Finally, watch cooking time carefully. Freezing weakens cell walls, and it is easy to overcook vegetables.

Miss Mason says the 10 to 14-oz. package of frozen vegetables will usually serve four people.

APPOINTED COORDINATOR

LUBBOCK—Dr. R. E. Garlin, head professor of education and psychology at Texas Technological College, has recently been appointed coordinator of Phi Delta appa fraternity for the Panhandle-South Plains-El Paso area. All members of Phi Delta Kappa, national professional fraternity for men in the field of education, are invited to contact Dr. Garlin, who is compiling a census of members in the area.

Spring Clinic To Be Held At Texas

AUSTIN—High school musicians will be eligible to enroll in a four-week Spring Clinic to be held at the University of Texas this summer.

Sponsored by the Music Department, the Clinic will be held June 7-July 2. Fifty talented pupils who will constitute a string orchestra will be accepted. They will take certain required courses, lessons in violin, viola, cello or bass, and have daily practice. The State Department of Education will allow one high school credit for the course.

There will be no tuition charge, but students will be expected to pay for their own transportation, room, board, and books.

William, Duke of Normandy, conquered England in 1066 A. D.

REPRESENTS COLLEGE
LUBBOCK—Mrs. F. J. Sanders of Cleveland, Ohio, the former Mary Greathouse, who as graduated from Texas Tech in 1930, will represent the college at inaugural ceremonies for Dr. Wilbur Wallace White at the University of Toledo, May 11, Pres. W. M. Whyburn announced.

CLOVIS, N. M.

Evans Will Speak To Tech Graduates

LUBBOCK—Sterling C. Evans, president of the Federal Land Bank of Houston, will deliver the commencement address at Texas Technological College June 7, Pres. W. M. Whyburn has announced.

Approximately 500 students will receive degrees in June, making the 1948 graduating class the largest in Texas Tech history, Registrar W. P. Clement estimated. Ceremonies will be concluded in Jones stadium, beginning at 8 p. m.

ARCHITECTS RECOGNIZED

LUBBOCK—In recognition of fine quality of architectural drawings made by Texas Technological College students during 1946-47, the University Medal of the Societe des Architectes Diplomes has been presented to the college architecture department. The Texas Tech department made greater progress during the year than any of the 23 other schools over the United States and Canada submitting work to the Beax Arts Institute of Design contest, spokesmen told Prof. F. A. Kleinschmidt, department head.

Store Your Blankets During Hot Months

COLLEGE STATION—These warm spring days mean warm weather is not too far away, and housewives are especially interested in taking the best possible care of their blankets.

Mrs. Bernice Clayton, extension home management specialist of Texas A. & M. College, says that blankets should be carefully cleaned so they will keep their light, soft fluffiness. And storing woolen blankets is an important job—it must be done correctly so there is no risk of moths and dust.

Good care of blankets means several things. Keep them clean, light and fluffy. Protect their frayed or ripped edges and darn the holes and thin spots. Protect them against moths, and wash and store them properly. They will give you extra years of service if treated gently.

Moths cannot live in fresh laundered blankets, so for that reason alone, it is important that they be clean before they are stored.

Lukewarm water, plenty of suds and three rinsings in clear water will lengthen the life of the blanket. Hang it in the shade to dry, and remember it will dry much more quickly if hung over tow lines about a foot apart.

Leaflet L-53, "Care of Woolen Blankets" give instruction on cleaning and storing blankets. This leaflet is put out by the Texas Extension Service, and can be found at the county home demonstration agent's office.

Napoleon Bonaparte was a descendant of an old Italian family and was a Frenchman only because the Island of Corsica had joined France the year before he was born.

☆☆☆ Fashions ☆☆☆

You'll look your best while traveling in the crisp pique-trimmed cotton suit shown above as pictured in the April issue of Good Housekeeping magazine. Note the over-size pockets. Also in brown or green. In sizes 9 to 15, about \$18. Minx Modes. Dan River Cordspun cotton.

VETERAN'S QUESTION BOX

Q—I was injured after I was discharged from the Army. May I get out-patient treatment for the injury?

A—No. Veterans with non-service connected disabilities may not receive out-patient treatment from Veterans Administration.

Q—I have not filed a claim for a service-connected disability, although I did sustain minor wounds in combat. Am I eligible for a 10-point Civil Service preference?

A—Yes. A veteran who does not have a compensable disability may secure Civil Service preference if he submits proof that he was awarded the Purple Heart.

Q—I have a G-I home loan, which has to be paid in 20 years. Is it possible to have this loan extended to 25 years?

A—Your lender is the only person who can extend the date on which the loan must be paid. Veterans Administration will guarantee one half, but not more than \$4,000, of your home loan if it is to be amortized in 25 years or less.

Q—If an insured veteran becomes mentally incompetent, can premiums on his National Service Life Insurance policy be paid by another person?

A—Yes. Premiums on NSLI can be paid by any person on behalf of the insured veteran, but care should always be taken to identify the insured veteran and each payment properly.

Faith will not die as long as seed catalogues are printed

New Station in Texico To Open Doors Soon

J. A. Winegeart, who has been engaged in the construction of a modern service station in Texico since early in the year, stated this week that the work was nearing completion, and that he hoped to be ready for business in a short time.

The station has been built on lots just west of the old Coltharp property in Texico, and along the new four-lane highway now under construction between Texico and Clovis. Winegeart said that he would carry a line of Phillips 66 products.

Students Get Cards At Texico, Friday

The finale of school work for all students in Texico will be held on Friday morning, May 14th, when report cards are passed out by teachers, Supt. B. A. Rogers reported today.

Final examinations were in progress on Tuesday and Wednesday, with no classes slated for Thursday. The busses will make their regular runs no Friday morning, and will return students to their homes around the noon hour.

Classes End Friday, School Out Monday

Final examinations end at the Farwell school the last of this week, with students looking anxiously forward to the yearly vacation period.

Pupils will re-assemble on Monday morning for a short time, when report cards will be issued and final details wound up, faculty members reported today.

ATTENDS STATE TRACK

Gerald Baldoek, member of the Texico track team, was in Albuquerque last weekend, participating in events at the state track meet. He made the trip in company with the Portales team, after having qualified for entry in the discus event by placing second at the District 6 meet held recently in Portales.

June 8 Registration Date For Classes

June 8 will mark the opening of registration for the 1948 summer school of Abilene Christian College. Classes will begin meeting on regular schedule June 9.

ACC this summer will offer over 100 courses in the fields of art, Bible, Greek, business administration, education, Christian education, English, physical education, home economics, mathematics, Spanish, agriculture, French, music, biology, chemistry, physics, history, government and speech. The first of the two six-weeks summer terms will end July 16 and the second will last from July 20 to August 27.

Registration for the school's 1948-49 fall semester will begin September 14, and classes will begin meeting September 17.

MEET ON MONDAY

Farmer County commissioners held a regular meeting at the local courthouse on Monday, paying current bills and ordering a rural road opened. The road petition had been filed previously by Rudolph Renner, et al, and the road lies in precinct 1.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending May 8 were 28,470 compared with 24,162 for same week in 1947. Cars received from connections totaled 11,238 compared with 10,983 for same week in 1947. Total cars moved were 39,706 compared with 35,145 for same week in 1947. Santa Fe handled a total of 39,476 cars in preceding week of this year.

SPRING—AND TOWN

LARAMIE, Wyo.—It was a long hard winter for Mrs. Murl Robbins. Snowbound at her home 87 miles northwest of Laramie nearly five months she finally made the long-awaited trip to town. It only took two days—by horse-drawn sleigh.

A chip on the shoulder indicates there is wood higher up.

COUNTY HOSPITAL NOTES

Patients Admitted: Mrs. Jess Stowers, Friona, maternity; Abelino Cervantez, Portales, medical; Mrs. Henry White, Friona, medical; Albert Cannon, Friona, surgical; Wilfred Quickel, Farwell, maternity; Douglas Short, Friona, medical; Mrs. F. H. Hadley, Friona, accident. Patients Dismissed: Mrs. Fred A. Bolton and baby, Wayne Agee, Mrs. Jess Stowers and baby, Abelino Cervantez, Mrs. Henry White.

COMMUNIST FINED

FOH, Malaya—A Jamaica-born Chinese who became a Communist leader here has been convicted on three charges of causing a public nuisance.

"You appear to think you are a pocket Hitler," said Mr. J. G. Adams, district judge, in pronouncing sentence on the accused, Mr. Liew Yit Fun.

Liew received maximum fines of \$350 of five months imprisonment for using a loudspeaker without permission and lecturing on the roadway.

Watkins-Lunsford Rites Held In Clovis, May 5

Mr. and Mrs. Charles Lunsford, of Farwell, this week announce the marriage of their son, Buster Leon, to Miss Beverly Ann Watkins, daughter of Earl Watkins of Brownwood, Texas, formerly of Friona.

The nuptials were read last Wednesday, May 5th, in the home of Mr. and Mrs. Roy Williams, in Clovis, by Luther G. Roberts, minister of the 9th and Connelly Street Church of Christ in Clovis. They were attended by Mrs. Lunsford, mother of the groom, and Miss Jenean, sister of the groom.

Mr. and Mrs. Lunsford spent a few days in Belen, N. M., and have now returned to make their home in Farwell.

Mrs. Lunsford was born in Friona and lived there until 1940. She was a graduate of the Brownwood high school in 1947.

Girls Give Operetta At Texico, Friday

Members of the Texico girls chorus presented an unusual operetta the past Friday night, weaving a story in the music of Stephen Foster. Mrs. Gladys Prescott directed the operetta, with Mrs. Jimmie Allman in charge of the dance routines and Miss Peggy Rogers at the piano.

Jean Rogers was cast as "Jeanie With the Light Brown Hair", while Violet Curry took the role of Stephen Foster. Norma Lee Sanders appeared as Col. Taunton, with Margie Baker in the role of Richard Morgan, the northern lover. Frankie Harris was Phillip, Col. Taunton's nephew, Jo Sandra Magerus was the widow Hanna, and Aileen May acted the part of a gold prospector.

Some 25 girls appeared in the operetta, all in costumes denoting the period of Foster's life. A large crowd attended, and pronounced the affair one of the most outstanding musical attractions of the year.

Weiner Roast Held By Baptist Group

The junior Sunday School Class of the Baptist church journeyed to the sandhills, south of town, last Thursday evening, to enjoy a weiner roast and social.

Those attending included Allen and J. C. Kelly, Sharen Cook, Truit and Glenn Hardage, Peggy and Gerald Hardage, Leon Branscum, Allen and Dick Lockhart, Nita Fern Brown, Nadine Thornton, Sonya North, Katherine and Weldon Bell Phyllis Tucker, Bob Stears, Jerry Johnson, members; Betty Ruth and David Lockhart, Jo Ann and Elliott Brown, visitors; B. A. Kelly, Mr. and Mrs. D. J. Brown and Mrs. John Lockhart, sponsors.

Family Gathering Held In Lovelace Home

Children of Mrs. Ida Lovelace gathered in her home near Farwell, Sunday to enjoy a Mother's Day dinner and visit.

Among those present were Mr. and Mrs. Dee Bilbrey and son, of Tatum, N. M.; Mr. and Mrs. Thurman Terrill of Lubbock; Mr. and Mrs. Bill Rutherford and son of Tahoka; Mr. and Mrs. Charles Lovelace and sons, Mr. and Mrs. Gene Lovelace and family, Mr. and Mrs. Woodrow Lovelace and daughter, Mr. and Mrs. Arlon Lovelace and Mr. and Mrs. John Lovelace, all of Farwell.

Mr. and Mrs. C. L. Vestal and Mrs. Ida Merrill, all of Friona, were weekend guests in the home of Mr. and Mrs. Loyde Brewer, in Farwell.

College Students Come In For Mother's Day

A number of local college students were in Texico-Farwell during the past weekend, enjoying brief Mothers' Day visits in their respective parental homes.

Texas Tech students here included Joan Booth, in the Earl Booth home; Jean Ann Hart, at the Sam Aldridge home; Don Williams, Peggy and Elmer Hargrove, in the Willie Williams home; Samuel Hines in the Bob Hines home; and Glenn Phillips, in the Frank Phillips home.

Mr. and Mrs. D. J. Brown had as a guest their daughter, Miss Beryl, of Eastern New Mexico College, Portales; and Junior Harding, also an ENMC student, was visiting in the N. G. Harding home.

Piano Recital Held Monday In Friona

Sally Osborn, daughter of Mr. and Mrs. Sloan Osborn, and Denise Magness, daughter of Mr. and Mrs. Hubert Magness, were presented in piano recital Monday evening in the Woman's Club house in Friona, as students of Mrs. Florence Millwee Vinyard.

Giving their intermediate recital, the young pianists played numbers by Beethoven, Bach, and other noted composers, at the conclusion of which Dunning pins were presented by Mrs. Vinyard.

Assisting were Doris Jane McFarland and Deann Buske, who joined Sally Osborn and Denise Magness in songs, and Eugenia Rae Landrum, who read. Doris Jane and Deann also served as usherettes and Doris Jane presided at the guest book. Miss Frankie Phillips accompanied the girls at the piano during the local numbers, and Rex T. E. Allen gave the invocation.

A lovely serving table was arranged, centered with a bouquet of multicolored sweet peas, and refreshments were served to those attending.

Mrs. Stout Installed As PTA President

Mrs. Fern Stout was installed as the new president of the Texico Parent Teacher Association, the past Thursday evening, when a combined social and business meeting was held at the school house.

Mrs. Elbert King, the retiring vice president, presented the new officers to Supt. B. A. Rogers, who in turn installed Mrs. Stout as president, Mrs. Barney Harding as vice president, and Mrs. Jim Moss as secretary-treasurer. Other retiring officers included Ms. Ira S. Levins as president and Mrs. Edwad Engram as secretary.

A large crowd attended the event, enjoying first an informal picnic supper and reception for the teachers, held in the lunch room of the school.

Two Marriages Are Performed Here

Rev. Harvey E. Carrell, local Methodist minister, performed wedding services for Miss Cherry Ann Smith and Glenn Mings, both of Friona, the past Tuesday, May 4th, in Farwell.

On Saturday, May 8th, Miss Thelma Reed and Joel Warren Owings, both of Portales, were married at the local courthouse by Rev. C. F. Booth, Baptist minister from Portales.

Mrs. Harry Jesko and houseguests, Mrs. David Crain and daughter, Rita, of Seattle, Washington, were visitors in Muleshoe, the past Thursday.

PTA Will Meet At Farwell, Thursday

New officers will be installed for the 1948-1949 fiscal year by the Farwell Parent Teacher Association on Thursday night, it was announced today by Mrs. Lewis C. Cox, president.

In addition, a program commemorating National Music Week will be directed by Mrs. Florence Millwee Vinyard, local piano instructor.

The program will begin at 8:30 at the school building, and Mrs. Cox urged a good attendance, particularly asking new officers to be present for installation.

Hendersons Receive Degrees at ENMC

Husband and wife will receive their degrees together when Mr. and Mrs. Clifton M. Henderson, Jr., graduate May 28 at Eastern New Mexico College in Portales.

Henderson, of Farwell, is a religious education student with a major in Greek. Mrs. Henderson, the former Jean Woodburn of Portales, will receive a degree in teacher education with a major in secretarial science. Their son, Cyrus Bruce, is six months old.

A graduate of Amarillo high school, Henderson attended Amarillo junior college before entering ENMC where he was co-chairman of Student Christian association and a member of the Ministerial alliance.

Mrs. Henderson, who has lived in Portales all her life, entered the summer term at ENMC three days after she graduated from high school. She was president of Women's Athletic association and a member of Student Christian association cabinet.

Henderson plans to continue his theological education, majoring in Greek, and then to teach Greek to theological students.

Assists In Ceremony

Miss Beryl Brown, daughter of Mr. and Mrs. D. J. Brown of Texico, will assist in administering initiation to two pledges of Pi Epsilon, honorary secretarial sorority of ENMC, tonight (Wednesday), at the college in Portales.

Leaves On Tuesday

Miss Hazel Dishman, who has been visiting friends here, left Tuesday morning for Chickasha, Okla. She will join friends there and return to her home in Arroyo Grande, California.

Baptist Student Union Names New Officers

PORTALES—Dave Stratton, Tucumcari freshman, was elected president of the Baptist Student Union recently at Eastern New Mexico College.

James Taylor, Estancia freshman, will serve as first vice president; Margaret Conway, Rogers freshman, social vice president; and Willem McKinney, Ft. Sumner freshman, devotional vice president.

Lloyd Lewis, Floyd freshman, is to be in charge of publicity; Mack Bostwick, Portales freshman, pianist; Bob Cooper, Roswell freshman, music chairman; and Gail Whitehead, Roswell sophomore, magazine representative.

Paul Jones, Portales sophomore was given the editorship of BSU publications; Beryl Brown, Texico sophomore, is secretary of the union, and Joyce Gustin, Las Vegas sophomore, is treasurer.

The officers were installed at a formal banquet on Thursday, May 6.

Daughter Arrives

Mr. and Mrs. Wilfred Quickel, of Farwell, announce arrival of their daughter, Teresa Ann, of Sunday, May 9th. The young lady weighed 8 pounds on arrival. Mother and daughter are in the county hospital in Friona. Mrs. Quickel is the former Miss Dorothy Thornton, a daughter of Mr. and Mrs. Roy Thornton.

Bingo Party Slated

A bingo party, sponsored by the Woman's Auxiliary is to be held at the Texico-Farwell Legion Hall on May 24th, at 9:00, Texas time. The public is cordially invited.

Play per game will be charged at the rate of 10c per person, with a grand prize of \$10 being awarded at the conclusion of the evening.

Visit With Children

Mrs. J. D. Thomas and son, Warwick, and Mr. and Mrs. Aubrey Sprawls and daughter, Darlene, returned home the first of the week after a weekend visit with their respective children, Miss Norma Jean Thomas, at the University of Texas, in Austin, and Duane Sprawls, at Texas A. & M. College.

Mrs. A. D. Smith returned home the first of the week from Topeka, Kansas, where she had gone to visit relatives and attend the wedding of a niece.

Local Girl Is ENMC Beauty Candidate

PORTALES—Presentation of the Eastern New Mexico College beauty queen, one of the most popular events of the year, will be next Saturday evening, May 15th, announces Koverta Ellison, editor of the college yearbook. The queen is chosen annually as a feature of the yearbook, The Silver Pack.

In addition to the beauty queen, four Yucca Blossoms, or runners-up in the queen contest, will also be named. The Greatest Greyhound, the athlete considered best in the college by faculty vote, will be announced, as will the faculty member to whom the yearbook has been dedicated.

The beauty queen was chosen this year by Al Capp, cartoonist who became famous for his Lil' Abner comic strip. Capp selected the queen and Yucca Blossoms from portraits of 16 women sponsored by college organizations.

Candidates are: Juliet Gallegos, Los Lunas freshman; Charleyrene Danforth, Portales junior; Mona Ribble, Portales freshman; Arita Winston, Springer freshman; Vivian Kathman, Portales senior; Joyce Christmas, Portales freshman; Margaret Johnson, Muleshoe sophomore; Mary Toya, Jemez junior; Mack Tyson, El Paso senior; Helen Montgomery, Jal sophomore; Yvonna Ratliff, Portales sophomore; Jimmie Alford, Causey sophomore; LaMoin Jones, Farwell freshman; Louise Couch, Eunice junior; Cleo Gray, Portales senior; and Thelma Brown, Amarillo freshman.

Granddaughter Born

Mrs. Ruby Dixon, of Farwell, is this week announcing the arrival of her first grandchild, the young lady being born to Mr. and Mrs. Harold Dixon, of Albuquerque, on Saturday, May 8th. She weighed 7 pounds at arrival.

Mrs. Dixon left Tuesday morning to visit her son and family.

Mrs. North Hostess

The Baptist Golden Circle Sunday School class met Tuesday evening in the home of Mrs. W. T. North, with Mrs. John Hadley assisting in the entertainment.

Lovely refreshments were served to Mesdames Fern Hardage, Murray White, Wanda Pruitt, Ophelia Bilington, Dorothy Richardson, John Lockhart and the hostesses.

Mrs. J. H. Stone visited her son and wife, Mr. and Mrs. Hal Stone, at House, N. M., Sunday.

Mr. and Mrs. Woodrow Lovelace and Diann visited Sunday in the home of her parents, Mr. and Mrs. H. D. Mayfield, near Friona.

VETERAN'S QUESTION BOX

Q. I have a discharge from the draft of World War I. May I consider myself a veteran?

A. For the purposes of laws administered by Veterans Administration in order to be classified as a veteran, you must have had active military service during a time of war. A discharged draftee is not considered to have had such service.

Q. I received a pension as a Spanish-American War veteran's widow. I remarried, and my second husband is now dead. Am I eligible for a pension again as a widow of the Spanish-American War veteran?

A. Yes if you meet the other requirements of the law and regulations.

Q. May I receive death benefits for my husband and my son?

A. Yes, if both were veterans and you are otherwise eligible.

Q. What proof is required to obtain death compensation or pension for an illegitimate child?

A. Acknowledgement in writing, signed by the veteran, or evidence showing he has been judicially ordered or decreed to contribute to the child's support or has been, prior to his death, judicially decreed to be the father of such child, or evidence satisfactory to the Administrator of Veterans Affairs that the veteran is the father of such child.

Q. Is it necessary that a child, in custody of the widow, file a separate claim for compensation?

A. No.

Q. My son was killed in action during World War II, and I would like to know if I am entitled to receive compensation?

A. You are entitled to compensation, provided dependency can be shown. Dependency will be held to exist if you do not have sufficient income to provide reasonable maintenance for yourself and your family.

Q. I am taking on-the-job training in a hazardous occupation under the GI Bill. In case of accident, will VA pay my hospital expenses at a local hospital?

A. No. Any disabilities incurred while training under the GI Bill are considered non-service-connected, but you may be able to establish eligibility for hospitalization in a VA hospital because of war service.

Q. My son, who is in a VA hospital, is trying to get a pass to visit me. Will VA pay for his transportation to and from the hospital?

A. No. Any disabilities incurred from a VA hospital is at the expense of the veteran.

Q. Should a claim ever be filed by a veteran who has been dishonorably discharged?

A. It is always the privilege of a veteran to file a claim but, to show entitlement, it must be established to the satisfaction of the administrator of veterans affairs that the veteran was insane at the time of commission of the act for which the dishonorable discharge was issued.

How many persons in the United States are eligible for Veterans Administration benefits?

It is estimated that more than 46,000,000 persons (living veterans and their dependents) may become eligible for VA benefits under present laws. By 1962, the figure is expected to rise to 62,300,000.

What vocational advisement and why is it required under the Vocational Rehabilitation Act?

The main purpose of vocational advisement is to determine whether a particular trade or occupation based on his previous education, experience, personal desires and ability. He is required to take a series

of aptitude tests at a VA guidance center where he is interviewed and counseled by a group of highly trained specialists. This advisement is required under the program to insure the disabled veteran's proper rehabilitation.

I am the beneficiary of a \$10,000 National Service Life Insurance policy. Are the payments I am receiving subject to taxation?

No. National Service Life Insurance as such, is exempt from taxation, except for Federal Estates Tax purpose.

I am going to school under the educational provisions of the G. Bill and would like to know whether I have to get prior approval from VA if I wish to change course?

If you are studying in a public high school or college, you no longer will need prior approval from VA before changing your course. The change now may be approved by your school.

Starter Solution Is Helpful for Plants

To get an early start in growth with tomatoes, peppers, and eggplants, try using a starter solution, says J. F. Rosborough, extension horticulturist of Texas A. & M. College. These vegetables are having to get out a little late this year due to the late freeze.

When setting out the plants in the garden, pour a teaspoonful of the solution around each one. And here are directions for making the starter solution: add one pound of 5-10-5 fertilizer to five gallons of water—that's the same at 10 pounds of 5-10-5 to a barrel of water—mix well and let the solution stand for a while so it will completely dissolve. Repeat in seven to ten days to give the plants a good "send off".

There will not be many early tomatoes, peppers nor eggplants this year because of heavy kills of plants in the cold frames. Plants should go to the field in early April during an average year, but the late freeze will put this off for another two or three weeks.

The Rio Grand Valley plant dealers will be taxed to supply demands, so don't look for heavy yields in late tomatoes. Because the early variety tomatoes got off to a late start, the growing season for the later varieties has been crowded, says Rosborough, so the late-tomato yield will not be as large as usual this year.

Intrigues Male Movie Stars

Movie stars were intrigued by the fan-palm printed latex swimsuit shown above as pictured in the May issue of Cosmopolitan magazine. It was selected as one of the winners at a Cosmopolitan Male-Tested Fashion Show at the Beverly Hills Hotel, Beverly Hills, Cal. The jury included George Murphy, Walter Pidgeon, Van Johnson, Robert Ryan, James Fitzpatrick and Frank Morgan. They also approved the beach coat by Tabak of California, and three other swimsuits featured in the May issue.

Recently a Texas farmer was asked what was the best part of his farm. And his sad reply was, "The part down in the Gulf of Mexico."

A pallet knife is a painter's tool.

GIVING THEM INDIVIDUAL ATTENTION IN THE HOME

Just so surely as life begins in the home so does that influence which is to mold character for either good or bad. The juvenile delinquency problem of today would not be so great if the youngsters in the home were given more individual attention from their parents. The sin of omission or neglect has arrested too many "well intended" parents. They try to mean well but forget that those hours of personal attention in the home can never be matched by outside teaching.

Be a pal to that girl or that boy of yours while a pal means so much. The supervised wholesome recreation and individual attention from father and mother will pay great dividends in a law abiding citizenry. It is too late after those most precious days pass and you find you have miserably failed as parents and the strong hand of the law has to be called in to discipline where you failed. Keep them in Sabbath Schools and church.

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Watch Condition Of Permanent Pasture

COLLEGE STATION—Permanent pastures change from cool, fresh, dark green grazing in the spring to a dry, stemmy, dormant condition in the summer. It's fine today, but tomorrow or the next day or some time next summer, it will be a different story. In the late summer the permanent pasture grasses are not as good eating for the livestock as they are now. Then is the time the cattle want something besides the dry, brittle grass. Then is the time for sweet sudan, says E. A. Miller, extension agronomist of Texas A. & M. College.

Sweet sudan is the ideal grass for temporary hummer pasture. It is adapted generally throughout the Texas croplands, and can be planted from spring to early summer, depending upon the moisture. Cross-fencing for rotation grazing and for cutting any surplus for hay or silage is well worth while.

Johnson grass, even though it lives from year to year grows better if it is cultivated, fertilized and has a good grazing management. A good grazing combination is Johnson grass and sweet clover.

There are four general steps in growing sweet sudan: (1) prepare your land the same as for other crops, (2) apply 200 to 300 pounds per acre of 5-10-5 commercial fertilizer before or at planting time in the humid sections of Texas. In addition to the 5-10-5 it is well to make one or two top dressings of ammonium nitrate or other good nitrogen fertilizer. (3) plant about 10 pounds of seed per acre in rows and (4) cultivate as other row crops.

When the pastures are at their best, that is the time to plant more. The best way to produce high year-round grazing is to plan ahead so that new grasses are ready for grazing when today's grasses in permanent pastures are passing on beyond peak efficiency.

The permanent pastures and native grasses furnish the best grazing about this time of year. With the coming of the drier, hotter summer months, the present pastures will begin to fade and will need a rest from grazing. If planted now, sweet sudan will keep the livestock on their upward swing of grains.

Sweet sudan is one of the most practical temporary summer pasture crops in the South. Planted at this season, it can be grazed when the sod pastures are on their way out. And it often gives fresh grazing until late fall. Sweet sudan grass is leafier, heavier yielding, more palatable and the livestock like it better than common sudan. Another good point in favor of sweet sudan is that it is more resistant to leaf diseases, and therefore stays greener longer than common sudan.

Sudan is popular because it will grow nearly anywhere, it is easy to plant, and it has a large quantity of forage high in total energy value, vitamins minerals and protein, says Miller.

Physical Director Receives Award

AUSTIN—In recognition of her outstanding service in health, physical education and recreation, Miss Anna Hiss, University of Texas director of physical training for women, was recently named a Fellow in the American Association for Health, Physical Education and Recreation.

Miss Hiss received an honor award at the national meeting of the Association. She is one of 200 who have received the award since its inception in 1931, and the second University staff member to be so honored. Dr. David K. Brace, director of physical education for men, received the award in 1933.

When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smearing and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

THE MAVERICK

EDITORIAL

THE SENIORS OF FARWELL, '47-48

The Senior Class of '47-'48 is composed of 11 members; 7 boys and 4 girls. Most of the class plan to attend a college somewhere next fall, and others are undecided or intend to work about one semester before they leave for college.

Maxine Ford and Jo Ann Williams say they will probably go to Texas Tech at Lubbock. Junior Robertson says he intends to go to West Texas at Canyon, and Velma Threest will likely attend some business school. Charles Felts and Leonard Watkins are contemplating entry at ENMC at Portales while Harry Sheets has his eye on Texas A. and M. Bobby Hart goes to Texas University. Sonny Graham and Willie Joe Carpenter intend to work a while, later going to college somewhere, they hope. Talma Randol is undecided.

We are fortunate to have the privilege of living in the United States of America, where we have opportunities of going to school where we wish and studying what we want to.

This is the final issue of the Maverick until next year. I would like to take this opportunity to thank all teachers and reporters for their cooperation in helping me make the Maverick a success. Also, I would like to thank M. W. H. Graham for his help in publishing the paper.

F. H. A. NEWS

Next Thursday the Homemaking girls will give a style show and model their dresses.

School may be nearing an end, but not for most of the Homemaking girls. We will continue our work on through the summer. Some will be regularly enrolled in homemaking, while others will only be putting in practice the information previously gained to better both their homes and community. It will now be all work as we also plan to include some social activities in our program. Our program will be sponsored by Mrs. O. T. Loyd, assisted by our two F. H. A. mothers until July 1.

F. F. A. NEWS

The Future Farmers of America held their regular meeting Tuesday night at the school house.

Officers elected for the ensuing term include: President, Cary Joe Magness; Vice-Pres., Don Ford; Secretary, Jerry Pool; Treasurer, Leon London; Reporter, Billy Don Crume; Sentinel, Troy McKillip; Parliamentarian, Gerald Norton; Historian, Ernest Lokey; Sec. V-Pres., Bob Gerjes; Third V-Pres., Orie Jones.

Reason for the early election of officers was to enable them to work up next year's program of work during the summer.

A party to be held Friday night, May 21, was also planned. The boys and their dates plan to have a hay ride, probably to the sand hills. Plans for the F. F. A. trip starting

May 25 are being made. It was decided that funds for transportation would be raised by selling advertising on card tables. Businessmen of the town will be contacted in the near future. Card tables will be covered in red leatherette with the advertising engraved on it. Forty different advertisements will appear on the table top. There will be twelve tables which will be the property of the agriculture department. These tables will probably be stationed at the Legion Hall and will be available for use by all.

If you would like advertising in this manner, please contact the Farwell F. F. A. chapter.

WHO WAS WHO

The last issue's Who's Who was Artie Dunlap for the girls and Herman Gerjes for the boys.

FIRST GRADE NEWS

Since our operetta is over, we are busy completing our work books.

We are sorry Jonny Martin really had the measles and couldn't be in the operetta, but we are happy he is now back in school.

Children celebrating birthdays in the months of April and May are: Wiima Norton, Virgia Sheppard, Jerry Tom Airhart, Ross Langham, Jimmy Martin, Mary Sanders, and Charles Williams.

We enjoyed our trip to see the Amarillo boosters, and hearing the West Texas State College band play. We are proud of the hats that were given us.

Everyone is anxious for school to be out. Vacation time is nearly here again. We wish everyone a very happy summer.

SECOND GRADE NEWS

We are very happy to have another girl in our room. Toni Billingsley

who has moved here from California.

Jerry Don Dutton and Richie Reinado are back now after a few days of illness.

Seventeen of the children said this morning that they would be glad when school was out. Ten will not be glad. However, we are sure everyone will have a good time during vacation.

Horace Lynn is going to visit his grandmother in Seminole this summer. Jean is going to visit her aunt. Johnny Mack is going to see his grandmother at Summerfield in Cherokee County. Katherine is going to Oklahoma City. Larry will go to Hot Springs and to Arizona. Jerry Don will go to Knox. Johnny will visit in Lubbock, Vera Fern in Glenrose, Billy in California, Phil in Littlefield, and Delvin in Arkansas. Bobby's grandparents are going to visit him. Jimmy's grandfather is coming for a visit. Connie, Janet, Kaye, Truman, Doyee, Frank Doug, Gary, Tommy, Toni, Drue, Earl, Darrell, and Darrell do not know just yet what they will do during vacation. Ronald thinks he may move away.

We have had many good times together here at school, but we have worked hard and we think we have earned a rest from our school books.

SIXTH GRADE NEWS

The sixth grade had a play, "Taking Teachers Places" last Friday night.

Darlene Sprawls is going to Austin and College Station. She will be gone four or five days.

School is almost out! We believe that we have earned a rest this summer.

THIRD GRADE NEWS

Our operetta is over and we are on our last lap of school. We are finishing our work.

We are happy that Betty Smart has a new baby sister. The little miss has been named Linda Lou. Mrs. Smart and Linda will soon be

home from Amarillo to join the rest of the family. Arlen Lee Smith tells us he is going to California this summer on his vacation. Barbara Caldwell is moving over into Texico, but she will finish her school work here this year.

We have made a parade of walking ducks with umbrellas — now maybe it will rain.

We have a new Electric Mother Goose clock for our room. We enjoy it very much and take turns telling the time for classes, recess and lunch time.

We have enjoyed our school year. May each and every one have a happy vacation this summer.

(Continued from preceding page)
FOURTH GRADE NEWS

Vacation time is near! We are looking forward to vacation time, but we are also sorry to be leaving our schoolmates. This year has been a happy and profitable year for our class. About half of the class has an A average and will not have to take the final examinations next Thursday and Friday. Some of our group are moving away before another school term; some are to attend school at Muleshoe. We wish we could say: "See you next year!"

The children that are making the "A" honor roll for the semester are: Sharon Cook, Glenna Davis, Marilyn Austin, Betty Shanks, Karolene Towns, Bert Williams, Jerry Allison, Elaine Magness and Gerald Hardage. There are several others that have an "A" average in two or more subjects.

FIFTH GRADE NEWS

Merlen Stephen went to Aransas for the weekend and wasn't here for

the end-of-school play. The fifth grade have finished their presents for Mother's Day and are fixing cards now.

The fifth grade's play is entitled "The Gym Ghost". Darrell Hicks, Gloria Dial, Leon Branscum, Jessie Meeks, Pudge Rose, Usleta Brown, Nadean Stover, Betty Curtis, Gene Hardage are in the play. We had a pantomime song which the rest of the fifth grade was in.

SEVENTH GRADE NEWS

Our party two weeks ago last Friday, was a big success. We are very sorry that we can't have another one before school is out.

Friday night we had our pantomime and song, our school play

We are all looking forward to the 14th, when school is officially concluded. We all think that we have earned a vacation this summer from our school books.

SOPHOMORE NEWS

The Sophomore class of Farwell entertained the Sophomore class of Oklahoma Lane with a scavenger

hunt, on April 22. Everyone enjoyed the party.

We plan to have an all-day party May 18. We will go to Clovis and visit several business places, then go skating and to the show.

EIGHTH GRADE NEWS

We have put aside all fun and have gone to work studying for our final exams. We all hope we will be freshmen next year. I think that we shall be.

Our commencement exercise is to be held May 14th on Friday night. Rev. Harvey Carrell will give the invocation. Mrs. McManigal will play the professional and recession-al. Rex Pool will be our valedictorian and the salutatorian will be decided later.

JUNIOR NEWS

The Juniors are getting ready for their six-weeks and final exams. Oh! Don't you pity us, though. School will be out May 17, and no more homework to do for three blessed months.

The Juniors and Seniors leave on our trip May 18. We can hardly wait. The Juniors would like to take this opportunity to wish the Seniors all the luck in the world. We will really miss you next year.

This is the Junior Class saying, "Have an Enjoyable Summer."

SENIOR NEWS

The Seniors will have their Baccalaureate Service Sunday, May 16, at 11:15 a. m., and their Commencement on Monday, the 17th, in the evening.

The Valedictorian of Farwell High school for the year 47-48 is Jo Ann Williams; the Salutatorian Charles Felts. The Senior class extends its heartiest congratulations to two fine students who have maintained exceptionally high grades.

On Tuesday, May 18, the Juniors and Seniors will leave on their annual trip. We will leave for Carlsbad and go through the Caverns on the 19th. On the 20th, we will go through El Paso and Juarez, Mexico. The 21st will find us on the White Sands near Alamogordo, and then we will come on up to Ruidoso. We will stay in Ruidoso three days, and return home on the 24th. We think that we will have a very nice time on our trip.

CONCERT ON SUNDAY

LUBBOCK—A concert by the Texas Technological College orchestra is to be presented May 16 at 3 p. m. in the Lubbock High School auditorium in honor of Pres. W. M. Whyburn, D. O. Wiley, director, announces.

All students and the general public are invited. Wiley said that a program of general appeal is being arranged, and that the selections to be played will include a number of Dr. Whyburn's "favorites".

This will be the final concert by the orchestra in the current school year.

MEMORIAL ON FILE

LUBBOCK—A memorial article on the late Lewis T. Carpenter of Dallas, a pioneer in the establishment of Texas Technological College, has been placed in the biographical file in the college library, A. S. Gaylord, Jr., librarian, announces.

The file which has been instituted recently at the library is designed to contain information on prominent Texans whose lives have contributed or are contributing to the progress and culture of the state, Gaylord said.

The Preacher's daughter went dancing one night. Pop got very mad. At breakfast next morning, he came in and addressed her.

"Good Morning, child of the devil!" She answers, very sweetly, "Good morning, papa!"

Timmy went into the shoe shop with his mother's shoe in hand. "What have you got there, sonny," asked the shoe man.

"Ma's shoe. You see, there a tack sticking out of the toe, and I want to have it fixed before she notices it."

"You don't want your mother to hurt her foot?" "Well, it isn't exactly that. You see, the tack is sticking out of the sole, and this is the shoe Ma whips me with!"

Will Be On Grounds

Attention, Farmers!

Did you know that you can buy special farm machinery policies protecting tractors, combines, other farm implements, irrigation motors, etc., against fire, theft and many other hazards for less than \$2.00 per hundred?

Did you know that insurance on farm stored grain in separate granaries costs only about 75 cents per hundred?

Did you know that this is a favorable time for taking out long term fire and lightning policies on farm improvements, because of the 15% experience credit now taken off of rates?

Farwell Clubber Wins Sears Jersey Heifer

Dune Martin, 13-year-old member of the Farwell 4-H club, is the winner of a registered Jersey heifer, in a contest sponsored by Sears Foundation, with the announcement being made this week by County Agent Ollie Limer.

Young Martin, the son of Mr. and Mrs. W. E. Martin of near Farwell, has been active in 4-H club work for three years, and is currently vice president of the Farwell organization. Last spring he was awarded a registered Chester White gilt in the Sears contest, Limer said. He has also attended the feeder short course, held at Texas Tech.

In the contest, the sponsor furnishes \$150 toward purchasing a registered heifer for the winning boy. Some eleven county club members submitted essays in the contest, Limer said. The animal has not yet been purchased.

County Hospital Notes Natl. Hospital Day

Mrs. Alice B. Moore, superintendent of the Parmer County Community Hospital at Friona, announces that the hospital will observe National Hospital Day on Wednesday, May 12th, to reaffirm the hospital's year-round objective "our promise to the public that we will do our best to provide the most comprehensive hospital care".

In making the announcement, she expressed the appreciation of the hospital staff to the people of Parmer County for cooperating with the staff in its drive for better health in the county.

"We also thank the organizations of the county, who through their health committees and programs have added to the public consciousness the desire for better health; we thank the State Line Tribune for bringing our health objectives to the attention of the public; and thank our own employees and board of directors whose first aim has been the prevention of illness and its cure for the people of our county," Mrs. Moore concluded.

DEAVERS INVITED TO ATTEND TECH MEET

County Agent Ollie Limer said today that dealers in this county are invited to attend a meeting on insecticides and weed killing formulas and processes, which will be held in Lubbock next Wednesday, May 19th.

The meeting will begin at 9:30 a. m. in the Tech agricultural building. H. G. Johnston, J. C. Gaines, Texas A. & M. entomologists; C. E. Fisher, of the Spur experiment station, and Mr. Owens, of the Lubbock experiment station, will appear on the program.

Limer said that he planned to attend, and indicated that several other representatives would be on hand from this county.

Eight Sears Gilts To Be Given Saturday

Eight registered Chester White gilts will be presented to that many Parmer County 4-H club boys, Saturday, May 15th, County Agent Ollie Limer said today, as the climax of a contest sponsored by Sears Foundation.

The winning club boys will assemble at the county agent's office in Farwell at 9 o'clock Saturday morning, and the awards will be made at the court house. In addition to the eight gilts, one registered boar will be assigned a clubber for service in the county.

The winners in the yearly contest agree to turn over to Sears the top gilt of their litter, which is used to promulgate the contest, Limer said.

Listed to receive the gilts this spring are Charles Phillips and James Norton, both of Farwell; Van Doshier, Neil Wall and Troy Christian, of Oklanoma Lane; Max Wells of Friona; Rex Isham of Bovina; and Max Crim, of Lazbuddy. Christian received a gilt last year which proved to be a non-breeder, and Wells is also a return winner, his 1947 gilt having died.

Darrell Norton, of Farwell, will receive the boar, which comes from the Acker and Son swine herd at Dimmitt.

All the boys are fairly young, Limer said today, averaging about two years in 4-H club work.

Class Trip Starts On Tuesday A. M.

Some twenty-six members of the Farwell junior and senior classes, with their sponsors, will leave here next Tuesday morning, May 18th, on their annual spring trip.

Current plans are for the group to go from here to Carlsbad, where they will make the trip through the famous Caverns. Afterward, they will continue to El Paso, also visiting in Juarez, Old Mexico.

On the route home, the trippers will stop at Alamogordo's White Sands, and wind up their vacation outing at Ruidoso, N. M., returning home Monday, May 24th.

Wheat Growers Meet In Annual Session

J. P. Miller, secretary of the Bovina Wheat Growers, Inc., has issued a call for the stockholders of the organization to hold their annual meeting in Bovina on Monday, May 17.

The meeting will be held at the Legion Hall, and is scheduled to get underway at 8:00 p. m.

Several items of business are scheduled to come up, including the election of two new directors to serve for a period of three years, and the annual financial report will be rendered. Refreshments will be served and a full attendance of the membership is desired.

BOMB TO END ALL BOMBS... Secretary of the Army Kenneth Royall (left) cranes his neck to look up in the direction of the tail fins of a giant 43,000-pound bomb which attracted his attention during a visit to Aberdeen, Md., proving grounds. The big bomb recently was given a drop test (unarmed) at Muroc dry lake, Calif., from a converted B-29. With Royall are Maj. Gen. Everett S. Hughes, chief of ordnance, and Maj. Gen. A. D. Quinton, Jr., (right) commanding the proving grounds.

Harding Speaks Tuesday To Grade Graduates

Warren G. Harding, now a student at Texas Tech, and formerly a member of the Texico school faculty, spoke to students and patrons at the school on Tuesday evening, when graduation exercises for eighth graders were held.

Doris Reddin gave the salutatory address, with Margie Reid being the class valedictorian, and diplomas were presented to the class by Supt. B. A. Rogers.

Members of the class included Eldon Hale, Arlye Crooks, Leon and Gayle Doolittle, Patsy Doshier, Donald Ray Engram, Lacy Gant, Kenneth Harris, Vernon Lewis, Georgia Lee Mears, Alva Jane Moss, Alton Lee Morgan, Doris Reddin, Margie Reid, Neva Sparks, Willie Thatcher, Tommie Vigil and Burton Wiggins.

Mothers Are Honored At Sunday Services

In a special observance of Mother's Day, all mothers attending services at the Hamlin Memorial Methodist Church at the 11 o'clock hour Sunday morning were honored by the congregation.

Special seating arrangements were made for the honorees, with each being presented a corsage by the young people of the church.

The sermon, delivered by Rev. Harvey E. Carrell, took cognizance of the day, as did the music of the service.

MRS. MILSTEAD ILL

Mrs. A. Milstead, who has been ill for the past several days, was reported unimproved the first of the week. She is believed to have influenza.

Heart Attack Claims George B. Reisiger

George B. Reisiger, 70, who had lived in the Pleasant Hill community for 35 years, died of a heart attack

at Hot Springs, N. M., last Thursday morning, and his body was returned to Clovis, with interment in the Clovis cemetery, Tuesday morning.

Mr. and Mrs. Reisiger had been living in Hot Springs the past three years. Reisiger was stricken last Thursday morning and died shortly thereafter.

Survivors are the widow, Mrs. Anna Reisiger, and three sisters, Mrs. Kathryn Barr, Clovis, and Mrs. Mary Voges and Miss Ann Reisiger, both residents of Parmer County.
