

BIG JIM MEETS HIS MATCH . . . James E. "Big Jim" Folsom, governor of Alabama with aspirations toward the presidency, found a man his size when he entered the conference room for the closed session of the southern governors' conference. He was surpassed in physique by Capt. Reid Clifton of the Florida highway patrol, whose 235 pounds and 6 feet 6 inches overshadowed the Alabama governor's 250 pounds and 6 feet 8 inches.

Local Chapter Notes National FFA Week

Noting the observance of National FFA week, February 22-28, Robert Morton, director of the Farwell chapter, today discussed FFA work and review some of the current accomplishments of the local organization.

Morton pointed out that the foundation of FFA work is built upon leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

Nationally, FFA records a membership of 260,000, stressing among the boys improved agriculture, better local communities, a more satisfying farm home life, and more efficient farmer citizens.

According to record, the local chapter received its charter in November of 1934, and the records also show that Albet Smith and Bert Williams have been listed as Lone Star farmers, the highest honor given in the state. Some five applications for Lone Star awards will likely be made this year, Morton added.

Currently, 33 boys are enrolled in vocational agriculture in the local school, with some 70 livestock projects underway. Farwell is one of the very few chapters which has its own demonstration farm, a 20-acre tract. At present the department owns some \$6,000 worth of equipment, secured through distribution of government surplus property.

During the present school year, local members showed six hogs at the Roosevelt county fair, in Portales, and brought home the grand champion boar award, as well as six blue ribbons. Twelve hogs were shown at the Parmer county fair last fall, garnering seven blue, three red and two white ribbons. Plans are now being made to take part in the Parmer county, Amarillo, Lubbock and Plainview fat stock shows.

Three boys, Duane Curtis, Leon London and Jackie Holland, are members of the West Texas Duroc Breeders Association, Lubbock; and eight are members of the newly-formed Southwestern Swine Breeders Association, Clovis. In the latter group are Bob and Herman Gerles, Duane and Gerald Curtis, Leon London, Jackie Holland, Carey Joe Magness and Calvin Meissner.

The chapter recently held its annual father-son barbecue, with some 60 members and guests attending. Director Morton has been head of the local department for four years, during which time his boys have done outstanding work with swine.

The Future Farmers of America was organized in November, 1928, and indications are that the 20th year to work will see many accomplishments by boys who make up the membership.

Jona of Arc was killed by burning to the stake in 1431.

POTISHMAN OBJECTS

Leo Potishman, Fort Worth grain dealer, and owner of the Farwell and Santa Fe elevators, has raised an objection to a statement appearing in The Tribune of recent date, which said "Local buyers are withdrawing from the market" in the face of declining prices.

Potishman says, "We have never withdrawn and will always have a market" for grain producers of this area.

Mother of Local Men Dies At 86 Years

Mrs. J. A. Rundell, age 86, passed away early last Saturday morning at the home of her son, Theo Rundell, in Glen Rose, Texas. Burial was made in the family cemetery near their home on Sunday afternoon.

She was the mother of Sam, W. I. (Coon) and Robert Rundell, all of whom are farmers east of Farwell. Other survivors include two daughters: Mrs. Leo Halbert of Crowell, Mrs. R. W. McClendon, Corpus Christi; and three other sons, J. T. Rundell of Wichita Falls, Lon Rundell of Clarendon, and Theo of Walnut Springs.

Dates Are Announced Fat Stock, Dairy Show

Dates for the Fat Stock Show and Dairy Show for 4-H and FFA boys in Parmer County were set last weekend, when county vocational teachers met with County Agent Ollie Limer in Farwell.

Changing up the arrangements this year, the supervisors agreed to hold two separate shows, the fat stock exhibit embracing barrows and steers, with a dairy show being held later. Previously, the entire exhibit list has been grouped together, but it was believed that the separation would improve the chances of local owners in out-of-county shows, which are held at different dates.

If showroom space can be secured, the Fat Stock show will be held in Farwell on March 20th. Some 30 to 40 barrows are expected to be entered by club members, along with around 25 steers. Raymond King, Castro county agent, will serve as judge, and local winners are expected to take their animals to the South Plains Junior Fat Stock Show, which opens in Lubbock on March 22nd.

The dairy show will be held on April 9th, in the show barns at Friona, with entries to go from there to the Plainview show, on April 10.

In the event that no inside accommodations can be arranged in Farwell, the fat stock show will also be held at the Friona show barns.

Memberships Main Aim of Red Cross

COMPLETES SECOND WELL

County Commissioner W. S. Menefee of the Lazbuddy precinct, stated Monday that he had just completed his second irrigation on his farm in that community. Menefee expressed the belief that it would be "a good one".

Menefee put down a well last year and said the increased yield on his farm proved very satisfactory. Experience leads him to believe that a quarter section of land is about all one well can irrigate. Last year he attempted to cover 240 acres, "and I didn't have enough water to go around," he added.

Pioneer Woman Called By Death Wednesday

Death claimed another truly old pioneer last Wednesday night, when Mrs. T. J. Randol came to the end of a well-spent and useful life in the Clovis Memorial Hospital.

She was 77 years old at the time of her passing.

Stricken last Christmas Day with a paralytic stroke, Mrs. Randol was taken to the Clovis hospital, where she lingered until last Wednesday. In her weakened condition, pneumonia developed, and claimed her in a few brief hours.

Mr. and Mrs. Randol came here in 1903 from Trent, Texas, and homesteaded on a claim four miles southwest of Texico, which place continued to be their home.

Mary Ellen Decker was united in marriage to Thomas J. Randol in 1899. To this union four children were born, all of whom survive.

Funeral services were conducted at the Church of Christ in this city Friday afternoon, and burial took place in the Texico cemetery under the direction of the Steed Funeral Home.

Minister L. C. Cox of the Church of Christ, officiated at the services. The church was filled to overflowing with grieving friends and relatives who had come to pay their last respects to the grand old saint whose influence will never die.

She is survived by her husband, T. J. (Uncle Tom) Randol; two sons, Sam of Farwell and Ebb of Muleshoe; two daughters, Mrs. Leona Osborne of Lynnwood, Calif., and Mrs. Gladys Johnson of Texico. Sixteen grandchildren and ten great-grandchildren are also survivors.

Active pallbearers were Leon Cantrell, Grayson Roberts, James Spurlin, Carl Davis, Preston Martin and Albert Martin. Honorary pallbearers were Perry Owens, Frank Curry, W. S. McDaniel, Frank Young, J. O. Landon and E. G. Blair.

Farwell Fire Rates Take Drop March 1

Local insurance writers have been advised that due to Farwell's good fire record the past year, local fire insurance rates are due another reduction, effective March 1st, for the year of 1948.

B. N. Graham, local agent, said that on that date local policies will be given advantage of a 15% credit, which means that premiums will be reduced 5%. For the year of 1947, the credit was 10%.

Farwell policy holders have been penalized the past few years for the heavy loss sustained when several hundred bales of cotton were lost in a fire here.

SUDDERTH IN JAPAN

WITH THE EIGHTH ARMY IN NAGAI, JAPAN—Pfc. Lee H. Sudderth, Jr., son of Lee H. Sudderth of Farwell, is serving in the occupation of Japan. Pfc. Sudderth is in "How" troop of the 5th Cavalry Regiment, part of the famed 1st Cavalry Division which is on duty in the Tokyo-Yokohama area in Japan. A former student of Oklahoma Lane high school, Sudderth enlisted in the Army in April, 1947. He took his basic training at Fort Lewis, Wash.

With the month of March set as the annual period for the drive to secure funds for the American Red Cross, County Chairman W. E. Williams, of Bovina, stated today that the main emphasis would be placed on securing memberships this year. "We have always met our quota splendidly, but we have allowed our list of active members to run low," Williams said as he discussed plans for the drive.

Parmer County will be asked to subscribe a total of \$792.00, in the forthcoming drive, he said, adding that this is the amount the National organization expects of this county. All amounts above that figure will remain in local Red Cross funds.

Williams said today that he planned to make a tour of the county at an early date and enlist solicitors in every community in the county. So far, the chairman was able to name only one solicitor, H. Y. Overstreet has agreed to make the solicitations in Farwell.

Earl Atchley Passes At Home Of Parents

Following an illness of several years, Earl A. Atchley, age 44, died at the home of his parents, Mr. and Mrs. G. W. Atchley in Texico early last Saturday morning.

Funeral services were conducted at the Methodist Church, Monday afternoon, by Rev. Harvey Carrell, and burial took place in the Oklahoma Lane cemetery under the direction of the Steed Funeral Home. Atchley had been in failing health for the past eight years, but not until recent months had his condition been considered serious. He continued his usual activities as long as his physical strength would permit. Atchley had made his home here with his parents for the past two and one-half years.

Besides his parents, he is survived by two children, Mrs. Virginia Kilion, Lancaster, Calif.; Glen Atchley, Reseda, Calif. Other survivors include four brothers, Cecil, Lariat, Milton, Mesquite, N. M.; Willard, Yuma, Ariz.; Joe, Visalia, Calif.; and one sister, Mrs. Tom Lindop, Farwell.

Cold Wave Brings Little Moisture

Two days of cold, misty, foggy weather early this week had brought very little moisture to this immediate section as The Tribune prepared to go to press Wednesday.

A thin ice coating has accumulated on everything outdoors, giving the appearance of winter wonderland to trees and shrubs, and rendering traffic movements extremely hazardous. Mercury readings have been in the upper 20's and low 30's since the cold front moved in.

Bovina Host to District FFA Chapter Contest

At a district leadership contest held in the Bovina FFA chapter room the past Wednesday Dimmitt won first in chapter conducting, Hereford placed second, Bovina third, Farwell was fourth and Canyon fifth. Judges at the contest were O. T. Ryan, area supervisor for vocational agriculture, and Mr. White, ag instructor from Muleshoe.

The contest consisted of the opening and closing ceremony, and the ability to carry on a business session according to parliamentary procedure. The participants were also quizzed by the judges on parliamentary rules.

NOTICE, LEGIONNAIRES

There will be a meeting at the American Legion Hall Friday night February 27th, at 7:30. All members and prospective members are urged to be present. Final plans for the opening of the Hall will be made, and the date for "open house" will be announced next week.

Champ Porter, Adj.

Tomorrow (Thursday) will be a big day for members of the Farwell Steer basketball squad, for the boys and their coach leave in the afternoon for Lubbock, to enter the regional cage play-off, after having taken the district crown in conference play.

This has been quite a year for the Steers. In conference and non-league play they have met 25 opponents and have lost only one game. Their conference record is unblemished, as is their tournament record, for which they hold three first place trophies from invitation meets at Bovina, Farwell and Whiteface. The only loss of the year came at the hands of the Friona Chiefs, who staged a January upset and dumped the Steers 28-36.

In the 25 games, the Steers have racked up a total of 890 points as their opponents scored 481. Bobby Hart, senior and co-captain of the team, is the leading scorer for the year, having run up 250 points. Close behind is Warlick Thomas, a junior, who has only five points less than Hart, with a count of 245. Toby Booth, a southpaw sophomore, is third high with 139 points, while Junior Robertson, senior and co-captain, takes fourth place with 101.

Robertson proved the most outstanding in tourney play, for he was placed on the all-star teams at Bovina, Farwell and Whiteface. Hart rated the team at both Farwell and Bovina, and Thomas was given a place with the stars at Whiteface.

Sheets had the steadiest nerves, apparently, for he bagged 58% of his free shots during the year, putting 23 out of 40 through the hoop. Thomas, Ford and Graham each had a 50% average on the free tries. Robertson sank 44% of his attempts, Hart made 41%, and Henneman Booth and Crume scored 33%. Hughes was not allowed a free shot.

Coach Jack Williams stated today that he had no idea whom—nor when—his team would meet. Drawing of brackets will be made Thursday night when coaches assemble.

Making the trip to the meet will be Hart, Robertson, Thomas, Ford, Sheets, Booth, Henneman, Graham and Hughes—and probably half of Farwell will be on the sidelines.

District winners scheduled to compete include Stratford, Follett, Claude, Carey, Kress, Spade, Shal-lowater, Girard, Dawson and Farwell. Stratford was the 1946 Texas champion of Cius B. Follett, Claude, Carey, Kress and Farwell were in the 1947 regional tournament.

Specialists Coming To Plainview Sanitarium

B. N. Graham, chairman of the Parmer County Chapter of the National Foundation Infantile Paralysis, was advised today that two outstanding specialists of Dallas, Drs. Sim Driver and Eugene Legg, would conduct a one-day clinic at the Plainview Sanitarium on Saturday February 28th.

Mr. Graham said it was desired that all Parmer county patients who are still having difficulties after receiving orthopedic care, plan to be at Plainview at 9 a. m., on that day.

"Any person having difficulties from the effects of infantile paralysis should attend this clinic," he added.

Poteet Wins Fourth In State Contest

Bobby Poteet, representing the Texico FFA department, placed fourth in a state contest held at Albuquerque last Thursday, Fern D. Stout, ag director, reported today.

The local boy, a sophomore, was in competition with five other state entrants, all of whom were seniors, Stout said. Poteet had previously taken district honors, at Clovis, and spoke on "The Swine Industry" in the contest.

MISS McNEW OPERATED

Miss Alyce McNew, of Clovis, who was critically injured October 8 in an automobile accident near Bend, Oregon, underwent a fourth operation on her lung at the Providence Hospital in Portland, Oregon, on Monday. The incision was made to remove an abscess, formed where broken ribs had punctured the lung. Her condition is described as very serious.

Election of supervisors for the Lazbuddy, South Friona, and Bovina and Rhea soil conservation subdivisions will be held on March 16, it was announced today by County Agent Ollie Limer, following a visit from Mr. Dawkins, SCS planner for this area, last Thursday.

Dawkins met with Limer and Oswald (Buddy) Jones, supervisor of the Farwell subdivision. In the election, Jones will be in charge of the Lazbuddy voting place; W. L. Edelman, county polling superintendent and supervisor of the North Friona district, will act as judge of the South Friona election, and Limer will supervise the Bovina-Rhea balloting.

In all cases, the polls will be at school buildings, in Lazbuddy, Friona and Bovina, opening at 2 p. m.

Clarifying the division of the county into districts, a map shows that all land in the Rhea and Bovina school district is considered Sub-division No. 1; the north Friona and Black school districts make up Sub-division 2; Subdivision 3 embraces all land in the south Friona school district; the Oklahoma Lane and Farwell school districts are listed as Subdivision 4; and all land in the Midway and Lazbuddy school area (now the Lazbuddy district since consolidation), is Subdivision 5.

Following the election of the supervisors, Mr. Goss, field representative of SCS, will meet with the five county supervisors to organize an official board, with the members in turn electing a chairman. The chairman's responsibility, chiefly, will be to encourage farmers of the county to turn in their suggestions on what should be incorporated in conservation work, and after a deadline, a plan of work for the county will be made.

When the work plan is approved by the state office, the final steps of establishing a soil conservation district here will be in the hands of higher officials. Limer said today that it was hoped the plan of work could be coordinated and approved soon, in order that an active district could be in operation this year.

Aged Homesteader Is Claimed By Death

W. J. (Uncle Billy) Phillips, who homesteaded 10 miles south of Texico many years ago, died suddenly of a heart attack early last Sunday morning in the home of his daughter, Mrs. Grant Taylor, of Seattle, Wash.

Funeral arrangements have not been learned here. Mr. and Mrs. Tom Martin left for Seattle Sunday afternoon by plane.

Mr. Phillips was 86 years old at the time of his death. Until recently he and his wife lived on the farm they homesteaded south of Texico a number of years ago, being among the first settlers to locate in that immediate section.

Survivors include his wife, Mrs. Alice Phillips of Seattle, and two daughters, Mrs. Mary Dee Taylor of Seattle, and Mrs. Alice Martin of Clovis.

Portales Pastor To Conduct Services

Rev. Harvey Carrell, local Methodist pastor, announced today that Rev. Therman Harris, pastor of the First Methodist Church at Portales, would come here during Holy Week to conduct a series of pre-Easter services.

Services will be held each evening, beginning on Monday and continuing through Friday, March 22-26, starting at 8 o'clock. Rev. Harris is one of the leading young ministers of the New Mexico Conference, and the local pastor expressed a great deal of satisfaction in being able to obtain his services.

NOTED EDUCATOR BURIED

Funeral services for James M. Bickley, 65, for 24 years superintendent of the Clovis schools, were held Monday afternoon at the First Methodist Church in Clovis, with Rev. J. C. English, the pastor, conducting the services.

Supt. Bickley died in a Clovis hospital late Friday afternoon, after a long illness. He had been a patient at the hospital since early last June.

Quite a number of friends of this community attended the final rites. Burial was made in the Clovis cemetery.

C. P. Maupin, of Texico, is in the Plains Hospital in Lubbock for medical attention.

Health Notes

By Texas Department of Health

AUSTIN—With the incidence of measles more than three times higher than the seven-year median, Dr. Geo. W. Cox, State Health Officer, has issued a statement concerning the use of gamma globulin for protecting very young or frail children from an attack of this perennial childhood disease and its often serious complications.

"If you have a child less than five years old who has been exposed to measles, your family doctor may recommend giving gamma globulin," Dr. Cox advised. "Through city, county or state health departments, doctors can obtain gamma globulin free, when parents are unable to pay. Infants and children, whose health makes it inadvisable for them to suffer an attack of measles, may postpone the disease if gamma globulin is administered within eight days from the time of exposure. The State Health Officer emphasized the fact that gamma globulin cannot give a child permanent protection against measles and added that the protection is ordinarily of about three weeks duration. However, there is no limit to the number of times it can be used, and a baby who is protected by it now can be protected by it again in June or July. Gamma globulin can go on shielding him against measles until he is old enough and strong enough to stand an attack without serious consequences.

During an outbreak of measles, Dr. Cox said that it is well to keep children under five years of age, and more especially frail children away from all other youngsters who might serve as sources of infection. Statistics show that nine-tenths of all measles deaths occur in children under five years of age.

Questions And Answers For Former GI's

Q—I am a World War II veteran and would like to know how much an attorney who represents me in my claim for compensation or pension against the Veterans Administration is permitted to charge?

A—If the attorney is admitted to practice before the VA he may receive \$10 in an original claim or \$2 in a claim for increase in compensation or pension, provided the claim is allowed. These fees are paid by VA and deducted from the money benefit awarded the claimant.

Home Builders Given Guide To Proper Material Choice

First impressions are often lasting impressions. This is as true of houses as of people; so before building or remodeling a home, it's important to ask the question, "What is the outside of the house going to look like?"

Obviously the material used on the exterior should be in harmony with the architecture, but in addition, builders suggest three questions:

- 1—Is the material fire-resistant?
- 2—Is it easy to maintain?
- 3—Is its appearance in line with the custom and tradition of the neighborhood, or will the house stand out like a "sort thumb"?

Answers to these questions can't always be "yes." Each individual must decide for himself which factor is of greatest importance. A silk dress must be dry-cleaned, not washed—and if a wooden house is chosen, some fire-resistant qualities along with low maintenance must be sacrificed.

Heading the list of fire-resistant building materials is masonry—including stone, brick, concrete blocks, poured concrete, and asbestos cement. Less expensive, but still easy to maintain, are brick and stone veneer, which simply means wood construction with a surface layer of brick or stone.

With all-wood construction, either clapboard or shingles may be used, which are laid over a base of wood or gypsum sheathing attached to 2x4 studs.

What material for the roof? Here, fire-resistance is all-important. Flammable roofs rank

among the major causes of residential fires, and is the principal cause of conflagrations, National Fire Protection Association statistics reveal. A fire-resistant roof also reduces the cost of fire-insurance.

In addition to protecting the house from fire and weather, the "look" of a roof has a great deal to do with the appearance of the house as a whole. Architects point out that the roof normally is the largest visible unbroken expanse of a house, so it attracts the eye, and by its appearance, first impressions are formed.

Just as a high ceiling can be "lowered" by painting it in a darker shade than the sidewalls, so can a tall house be made to "shrink" if the roof is in a dark color.

Likewise, a squat house can be "stretched" with a brightly colored roof. With fire-resistant asphalt roofing available, in many solid and blended colors, the home owner is offered an infinite variety of exterior color motifs by painting shutters and trim to match or contrast with the roof, depending upon the architecture and the effect it is desired to create.

Water Supplies Held Adequate

LUBBOCK—W. L. Broadhurst of the ground water division of the United States Geological Survey in Texas, believes there is nothing "in the foreseeable future" to cause fear over domestic water supplies.

Broadhurst was asked to investigate the situation in this area after a group of civic leaders expressed concern over what they believed to be misleading reports about the water supply.

He cited figures on irrigation wells in Lubbock County showing an increase from 100 wells in 1937 to 590 in 1945, and during the last two years 744 have been added, bringing the total in November, 1947, to 1,234.

On the high plains as a whole, embracing the territory between the Canadian River on the north, the Pecos River on the west, and the Caprock on the east and south, Broadhurst said the number of irrigation wells increased from about 4,300 in 1945 to 7,500 in 1947, almost double in the two years.

He suggested the partial answer to the problem might be better spacing of wells, and more efficient use of water produced.

There is a difference in the domestic water supply and that for irrigation, he said. Communities seeking domestic water, can reach out, if necessary, to water sands in areas not suitable for irrigated farming.

S. L. Forrest, chairman of the City Water Resources Board, called the expert's report a complete refutation of misinformation about High Plains water supplies.

ATTEND INSTITUTE

LUBBOCK—Twenty-nine student members of the American Institute of Chemical Engineers from Tech will attend the national institute convention in New Orleans, Feb. 15-19. Traveling on a chartered bus, the group will be accompanied by Dr. A. G. Oberg, faculty sponsor, and John Ross Bradford.

LUBBOCK—Dr. W. M. Whyburn, president of Texas Tech and W. L. Stangel, dean of agriculture, will attend the second annual 4-H and FFA calf show in Hereford, Feb. 21. Dean Stangel will serve as calf judge.

An ALL Purpose Machine for Dirt Moving Land Leveling and Seed Bed Preparation

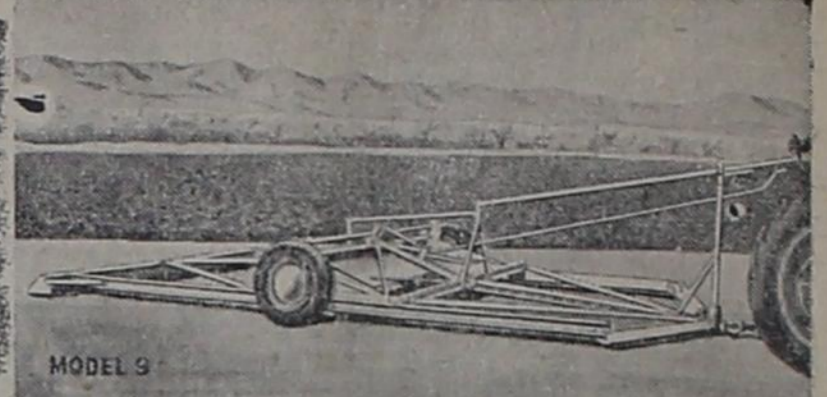

MODEL 25—Width 12'10"; length 32'; cutting blade length 9'3"; depth 22" requiring 38 H.P. (drawbar)

MODEL 12—Width 12'; length 21'; cutting blade length 9'3"; depth 16"; 3 plow tractor. Model 9 shown at top of page slightly smaller for 2 plow tractor.

MODEL 35—Larger, longer, more dirt capacity than Model 25. Both 25 and 35 have main frame spliced for converting in field to maneuverable DIRT MOVER. Shown above in shortened form.

MODEL 9

The Patented EVERSMAN AUTOMATIC Land Levelers and Dirt Movers

Made in 4 Sizes—a Model for Every Farm Operation

Here's an ALL PURPOSE machine that you'll use year after year. The EVERSMAN will not only do your initial job of dirt moving and leveling, leaving your fields in perfect condition for irrigation and drainage, but it is a machine you need every year for maintaining contours and preparing seed beds.

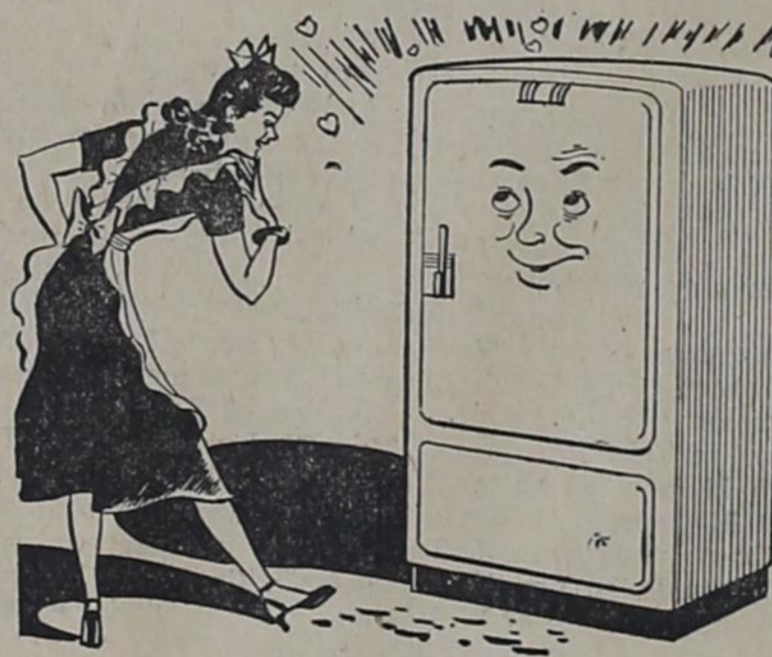

The EVERSMAN is truly an AUTOMATIC leveler. It has the patented eccentric (crank) axle—when wheels go on high place the blade AUTOMATICALLY lowers to gather a load—when wheels go into a low place the blade raises to release enough dirt to fill. Front clod buster and rear smoother blade firms the surface as the machine moves along producing a finely pulverized seed bed while AUTOMATICALLY LEVELING. Also equipped with patented wheel lift for DIRT MOVING which raises and lowers the whole machine and gathers or releases a big load of dirt wherever you wish.

One inexperienced man driving your present tractor handles this ALL PURPOSE machine. Moves fast on rubber tired wheels. Inexpensive!

New Spring Highway Map Now Available

AUSTINI—The Spring Edition of the Texas Highway Department's official travel maps is being released for public distribution, State Highway Engineer D. C. Greer has announced.

The new four color map incorporates all changes in the state road system through December occasioned by the Department's vast post-war roadbuilding system.

There is a generous display of color pictures representing a cross section of the State's industrial and recreational assets.

A message from Governor Beauford H. Jester is printed on the cover. Addressing "motorists everywhere," the Governor invites all to

"see and travel in Texas, revel in its sunshine, its modern cities, and scenic beauty."

Except for revisions in the road system and the new pictures, the edition is similar to others issued since the war which have been acclaimed among the best of the state road maps published throughout the nation.

Standard highway warning and directional signs are reproduced on the map to familiarize drivers with road markers.

Size of the Lone Star State is again graphically told by a table of comparative distances. The 868 miles from El Paso to Orange is greater than the 815 miles from El Paso to Los Angeles. It is also further than the 760 miles from Laredo to Mexico City.

Included also is a small scale map

of the United States showing all state capitals and major federal highways.

The Texas map is published under the direction of R. M. Stene, who performed all the cartography, made the color photographs, and attended to the technical details of details of production. At 76, Mr. Stene's boundless energy and versatile talent uphod his contention that "life begins at 70."

A registered professional engineer, he came with the Highway Department in 1927. He had previously built dams in Arizona and worked for railroads in Texas.

Copies of the new Spring Edition are available to the traveling public at the Highway Department's main office in Austin, its twenty-five district offices throughout the State, and its nine information bu-

reaus operated at ports of entry into Texas.

"Long Life Now For Bluebabies".

Blue babies, suffering from a lake of oxygen, were once doomed to invalidism for death. Now improved surgical techniques make a normal life possible. THEY'RE NOT A BIT SHEEPISH . . . With blizzard winds and snow still whipping around the corners of barns in most sections of the Midwest, these frisky new arrivals, part of the spring lamb crop, frolicked into the picture a little early. However, they don't seem to know it and wouldn't care if they did. Their young master, Dale Goodrich, 10, who lives near Geneseo, Ill., corralled the youngsters for a picture.

TRAFFIC SAFETY

(Fourth of a Series)

If you want to do a good turn for yourself and your fellow motorists learn the proper way to make a right turn while driving your car.

The law on making a right turn was expanded today by W. J. Elliott, Chief of the Texas Highway Patrol, in cooperation with a nationwide "Learn and Obey Traffic Laws" program during February.

The program seeks to reduce the huge motor vehicle accident toll by familiarizing the public with traffic laws and the necessity for obeying them.

"A right turn is one of the simplest of maneuvers in an automobile, yet turning errors are reported in about 5 percent of all accidents," Chief Elliott said.

He emphasized these points:

1. Keep as close as possible to the right edge of the roadway both before and after turning. Don't swing out.
2. Don't forget to make the hand signal well in advance of the turn.
3. Anticipate the turn far enough in advance so that you can be in the proper lane. This means keeping your mind on your driving.
4. Keep close to the right after turning to cause a minimum of interference with the traffic flow you are entering.

Personal incomes for the first 11 months of 1947 averaged at an annual rate of 196.4 billion dollars, about 20 percent above a year earlier.

CHICK CHAT

Watch Out For Flock Colds

Infectious coryza (commonly called colds) is a common respiratory disease of chickens which occurs most frequently during the cold weather months. While it does not cause heavy mortality in most instances, it is feared by most poultry raisers because of its market effect on egg production and because it creates many culls.

Avoid Drafts, Dampness

Coryza is a common problem among birds which are exposed to cold drafts and dampness. It causes the severest harm in young adults although it affects birds of all ages.

A characteristic symptom of infectious coryza is the discharge from the affected bird's nostrils. In the early stages this material is thin and watery, but later it becomes thick and sticky. The face, wattles and skin of the neck often become swollen, the swellings being filled with fluid. Sometimes the bird's eyes are completely puffed shut due to the swelling. Difficult breathing and coughing may also be symptoms.

Warm, Comfortable House

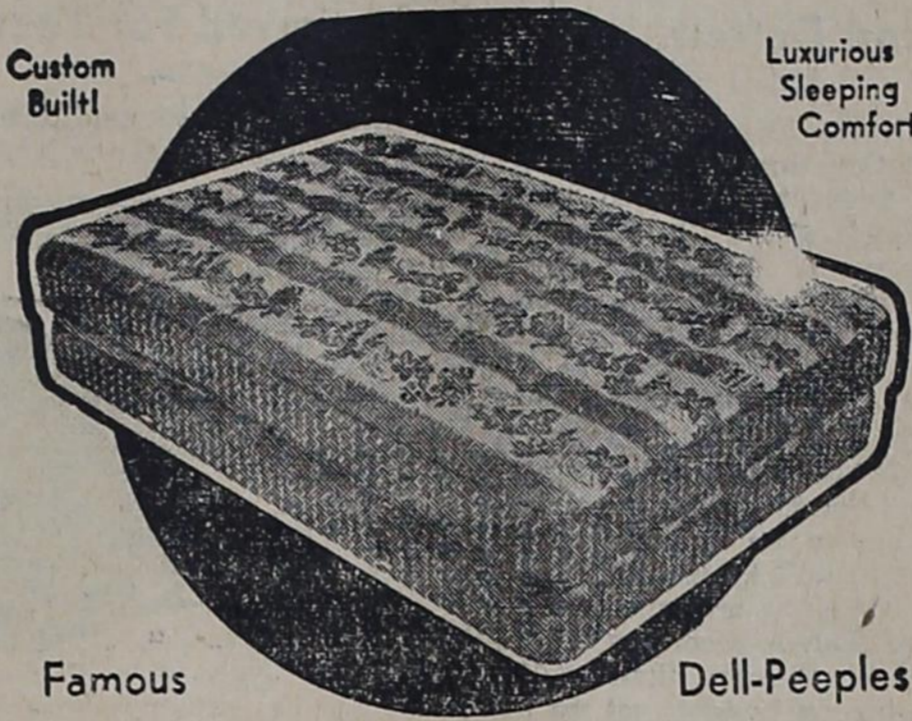

The danger of a coryza outbreak is lessened considerable when birds are quartered in tight, well-ventilated houses which are warm and free of drafts.

Within recent years sulfathiazole has been used extensively to control coryza outbreaks. This drug, when used as soon as the early cold symptoms appear, hastens recovery of affected birds—the diseased fowl usually appear normal within 48 hrs. after treatment has been started. Sulfathiazole is now available in commercial form as a drinking water medicine, for easy use.

Sorghum Flour Use Being Checked

LUBBOCK—Development of tasty yeast bread recipes using flour from sorghum grains is the aim of a research program being launched at Texas Technological College.

Mrs. Jonnie McCrery Michie, head professor of foods and nutrition, and Miss Faye Hattox, instructor, are in charge of the project.

They expect to continue the experiment throughout the year. Wheat flour will be used to supplement sorghum flours in the recipes since sorghum is low in gluten. Needed to cause products leavened with yeast to rise. Much of the work will be testing various combinations of ingredients to get the proper proportion of wheat to sorghum flours.

The experiment is a continuation of a project developed during 1941-42 when a number of sorghum flour recipes were developed. At that time, however, emphasis was on quick breads rather than yeast breads. Recipes concocted at that time received much favorable attention from interested persons over the United States.

In addition to developing the yeast bread recipes, the women will conduct bio-assay tests on white rats comparing growth induced by feeding wheat flour breads with the sorghum products.

A new type sorghum produced by the state agricultural experiment station at Lubbock will be used in the research. Advantages of this particular grain are that it is relatively high in protein and is white, free from water-soluble pigments. Grain will be ground at the Harvest Queen Mills, Plainview, on machinery designed especially for the purpose.

ENROLLMENT RISES

LUBBOCK—Enrollment at Texas Technological College for the current spring semester is 5562, an increase of 379 over the figure for spring, 1947, the registrar's office announces.

Schools Ask Help On Aid Fund Deficit

AUSTIN—The Texas State Teachers Association this week requested Governor Beauford Jester to call a special session of the Legislature to prevent several hundred schools from closing their doors before completing their regular terms this spring.

Before the end of the school year there will be a deficit of approximately \$3,000,000 in the state equalization aid fund. Unless the deficit is made up by an appropriation, many schools will be forced to curtail their activities and shorten the school year. Schools receiving aid, of which there are more than 3,000, are operating on budgets set up after they had been assured they would receive definite amounts of assistance from the state.

Equalization aid is tendered the schools which qualify for it under state law to help pay teachers, provide transportation and general operating expenses and for high school tuition.

The deficit was brought about by several things. Several large districts were made eligible when the Legislature permitted districts with 1500 students to qualify. A total of 259 districts qualified this year for the first time.

Last year the fund was spread among schools employing 16,182 teachers. This year applications came from schools with 20,885 teachers. The Legislature appropriated \$18,000,000 each year of the biennium for the equalization aid fund. The deficit for the school year 1948-49 will be even greater due to the fact that no surplus will accrue for distribution.

Baton Rouge is the capitol of Louisiana.

Enlargement Program Is Approved For Tech

LUBBOCK — Expenditure of more than \$300,000 for enlargement

of facilities and new construction at Texas Technological College was approved by college directors at a recent meeting. The figure includes \$50,000 appropriated toward completion of the West Texas Museum, made on provision that the remainder of needed funds be provided by the Museum association, that construction be completed within the next two years, and that space be provided in the building for classrooms.

The board also pledged research facilities of the college and services of staff members in the furtherance of studies on problems of conservation and development of ground and surface water resources in the state. A board committee was appointed to inaugurate a 10-year beautification program for the campus.

Funds appropriated by the board included payment for some projects already started and partially completed. Projects for which appropriations were authorized included \$5,000 for traffic control lights on the campus; \$27,500 for additions to the college bookstore; \$18,743 for enlarging electric cables on the campus; \$5,413.24 for sidewalks; \$26,216.74 for paving campus streets and parking areas; \$12,274.29 for addition to speech department facilities; \$35,585.96 for utility installation in temporary buildings; \$7,608.08 for enlarging extension division facilities; \$7,700 for a hydraulic

LOVELY TEXAN TELLS COTTON'S FASHION STORY

Blonde and beautiful Matilda Nail of Ft. Worth, Texas, the cotton industry's 1948 Maid of Cotton, has begun a 35,000-mile cotton goodwill tour which will carry her to more than 40 key cities in three countries. She's pictured here in three of the 1948 cotton creations which are included in her glamorous all-cotton wardrobe. On the left, Matilda wears a romantic evening gown done in cotton chambray and organdie by Dorris Varnum. In the center, she poses in a sophisticated cotton suit with the new slim skirt done by Herbert Sondheim. And on the right the Maid of Cotton shows a modern version of the Gibson girl blouse and skirt in white cotton batiste and black poplin from Alice Stuart. The Maid of Cotton tour is sponsored by the National Cotton Council, Memphis Cotton Carnival, and the Cotton Exchanges of New York, Memphis, and New Orleans.

Local Happenings

Plains Youth Rally Held At Texico, Tuesday

The Plains Baptist Association Youth Rally was held Tuesday night at the local Baptist Church, with a fairly good attendance on hand despite inclement weather.

During the business meeting a new secretary-treasurer was elected by acclamation, Mrs. Bradford, of Ranchvale.

O. T. Loyd, local sponsor, extended the welcome to visitors. A special duet, "I Would Be True", was sung by Letha Bridges and Margie Baker, with Peggy Schleuter, accompanying at the piano.

The devotional period was led by Rev. Moore, of Clovis, following which Margie Whitener played a medley of accordion numbers, and a musical reading "Face To Face", was given by Mrs. Clyde Magness, with Miss Schleuter at the piano.

The message of the evening was given by Rev. E. M. Treadwell, local pastor, and Rev. Kelly closed the meeting with prayer.

In the social period, Mrs. Roy Cook served as "Dr. I. Q.", being assisted by Cary Jo Magness, J. D. Kelley, and Earnest Foreman. Lovely refreshments were served by the local group and the young people enjoyed a short sing fest.

Post Nuptial Shower Is Held On Friday

Mrs. Rex Willingham, the former Miss Jeatonne Morris, was honored with a post-nuptial shower the past Friday afternoon, from 4:30 to 6 o'clock. Hostesses for the social, which was held in the homemaking department of the Farwell school, were Mrs. A. J. Jones, Mrs. Ray Ford, Mrs. Johnnie Williams, Misses Maxine Ford, Jo Ann Williams and LaMohn Jones.

Bouquets of sweet peas were used for decoration, and Miss Jones was in charge of the bride's book. The serving table was centered with a bouquet of sweet peas, flanked by white candles in blue holders. Mrs. Elmer Willingham presided at the silver service.

During the afternoon Miss Lurvene Green sang "Always," accompanied at the piano by Miss Peggy Rogers, and appropriate musical selections were given by Misses Jean and Peggy Rogers.

Approximately thirty guests attended, with regrets received from a number who were unable to be present.

Party, Auction Held By Texico PTA

Mrs. Henry Lewis and Hershel Morgan were awarded prizes at the "tacky" party, sponsored by the Texico PTA last Thursday night, for the worst costumes shown.

Mrs. Ira S. Levins, president of the Association, reported today that \$76 was received from the sale of pies and boxes, and expressed the appreciation of the PTA for the patronage given the affair.

A meeting of the PTA will be held tomorrow (Thursday), at 3:30, in the school homemaking rooms. Mrs. Levins added, urging that all members attend the special session.

Marry Here Monday

Miss Devena Hoard and Don Farrar, both of Portales, were married at the Parmer county courthouse, Monday afternoon, February 23rd, with County Judge A. D. Smith performing the ceremony.

Miss Helen McDaniel was a Sunday visitor in the home of Mr. and Mrs. John Willis of Grier, N. M.

Wilkerson-Jordan Nuptials Are Read

Miss Earline Wilkerson, daughter of Mr. and Mrs. D. H. Wilkerson of Bovina, and Marvin Ray Jordan, of Lubbock, son of Mr. and Mrs. Virgil Jordan of Friona, were married at 9:30 a. m. on January 10 at the Bovina Baptist Church by Rev. Bruce Giles.

The bride was lovely in a wool suit accented with black accessories and had a corsage of pink rosebuds.

The matron of honor, Mrs. Roy Morrer of Clovis, aunt of the groom, wore a light brown suit and had a corsage of white rosebuds. Ray Morrer, uncle of the groom, served as best man.

The couple enjoyed a honeymoon trip to Corpus Christi and Austin, and are residing in Lubbock.

Ruth Class Elects Officers For Year

The Ruth Sunday School Class of the Baptist Church met Monday evening at 7:30 in the undercroft of the church for a business and social hour.

New officers were elected as follows: president, Mrs. Olan Schleuter; first vice president, Mrs. Travis Brown; secretary, Mrs. J. E. Stone; treasurer, Mrs. Guy Cox; reporter, Mrs. John Porter; group captains, Mrs. Frank Seale and Mrs. N. G. Harding; social chairman, Mrs. Guy Cox.

Those attending were Mesdames Dallas Brown, J. E. Stone, Frank Seale, Guy Cox, Harry Whitley, Willie Hardage, Olan Schleuter, N. G. Harding, and John Porter.

Elected to Membership Of Silver Key Group

Announcement from ENMC, Portales, is to the effect that Miss Beryl Brown, daughter of Mr. and Mrs. D. J. Brown of Texico, has been elected to membership in Silver Key, campus honorary scholastic organization.

Miss Brown is a sophomore student at the college. Eligible for membership each year are students ranking in the upper five percent of the sophomore and junior classes, and the upper ten per cent of the senior class.

Miscellaneous Shower Honors Recent Bride

A lovely miscellaneous bridal shower honoring Mrs. Jesse Coburn, the former Mona Hobbs, was given in the home of Mrs. Lester Norton, Friday afternoon, from 3 to 5 o'clock. Co-hostess for the affair was Mrs. Bob Drace.

A short program was given during the social hour. Modelle Hammonds gave a reading, Theda Branscum sang, and a short playlet was acted out by two youngsters with Miss Branscum at the piano.

Lovely refreshments were served to the guests by the hostesses.

Miss Jean Rogers was confined to her home the first of the week with an attack of influenza.

"Insurance of All Kinds"

Farwell, Texas

Beryl Brown Member Of Euterpean Society

PORTALES—Euterpean Society, honorary music club of Eastern New Mexico College, announces that 12 students have become active members following a formal initiation last week. In the group was Miss Beryl Brown, daughter of Mr. and Mrs. D. J. Brown, of Texico.

Applicants for membership must have made an "A" in some applied music course and then perform before the club on the instrument studied, afterward being voted upon by members of the society.

Visit Here Sunday

Mr. and Mrs. Clifford Smith and daughter, Ginger, of Roswell, visited in the home of Mr. and Mrs. O. C. Sikes, on Sunday. Mrs. Sikes accompanied them to Wichita, Kansas, to attend the birthday party of Mrs. S. C. Smith, mother of Mrs. Sikes and Mr. Smith.

PARMER HOSPITAL NOTES

Patients Admitted Past Week:

Mrs. P. W. Hughes, Friona, maternity; Christina McLean, Bovina, medical; Mary Garcia, Friona, medical; Mrs. L. D. Knight, Bovina, surgical; Jackie Ray Taylor, Bovina, medical; Mrs. Mary Pesch, Texico, medical; Jimmy Mabry, Friona, medical; Mary Dean McLaughlin, Friona, medical; M. C. Osborn, Jr., Friona, surgical; Mrs. H. C. Beauchamp, Friona, medical; Clara Gonsler, Friona, medical; Martha Ann Knight, Friona, medical; P. W. Hughes, Friona, medical; Mrs. Chas. H. Wise, Friona, medical; Mrs. C. D. Norwood, Friona, medical; Dorothy Wilson, Friona, medical.

License Issued

A marriage license was issued the past Friday, February 20th, to Miss Jean Vining and Paul Byrnes, both of Dimmitt, according to records in the office of County Clerk Loyde Brewer.

To Oklahoma City

Mr. and Mrs. Ed Meeks left here Tuesday for Oklahoma City in response to a message that Mrs. Meeks' father was ill in that city. Her parents, who reside in the east, were enroute to Farwell for a visit in the home of their daughter, when he was stricken at Oklahoma City.

HOME FROM DALLAS

Mr. and Mrs. Loyde Brewer returned home Sunday from Dallas, where he was called to attend a meeting of Home Service Officers for the Veterans Administration. Brewer said that representatives from Texas, Mississippi and Louisiana were present at the meeting.

CARD OF THANKS

In appreciation for the many kindnesses and sympathy paid in respect to our dear departed son and brother, we take this method of speaking to our friends. These deeds will long be remembered and cherished.

Mr. and Mrs. G. W. Atchley, Mr. and Mrs. Tom Lindop and Family.
Mr. and Mrs. Cecil Atchley and Family.

CARD OF THANKS

I want to thank the patrons, faculty members and students of the Farwell school for their splendid co-operation they extended me while I was connected with the school cafeteria. With your co-operation, my four and a half years with the cafeteria have been very pleasant.

Mrs. A. Milstead.

MRS. MILSTEAD RESIGNS

Mrs. A. Milstead, who has been head of the Farwell school cafeteria the past four and a half years, has resigned, and is now helping her husband with the operation of Shorty's Cafe. Mrs. Travis Brown has succeeded Mrs. Milstead at the cafeteria, and will be assisted by Mrs. H. H. Petree and Mrs. Floyd Milstead.

Champ Porter was attending business matters in Dallas last week.

RED + PHARMACY

FREE MAGAZINE MAILED

"Ford Farming", new national rotogravure magazine for Ford Tractor and Dearborn farm equipment users, is now being mailed to farmers in this area, according to O. C. Sikes of Sikes Motor Company.

The magazine is published quarterly by Dearborn Motors Corp., Detroit, and contains photographs and stories about farmers from all parts of the country.

Sikes said that he has a few extra copies for those whose names were not secured in time for the original mailing list. Also, users who do not receive this first issue may receive future copies by mail without cost by leaving names and addresses at Sikes Motor Company.

PLAY DATE SET

"Demon in the Dark", a three-act comedy-mystery, will be presented by the Texico seniors on March 26th, it was announced today. Mrs. Gladys Prescott is in charge.

Attention, Farmers!

Did you know that you can buy special farm machinery policies protecting tractors, combines, other farm implements, irrigation motors, etc., against fire, theft and many other hazards for less than \$2.00 per hundred?

Did you know that insurance on farm stored grain in separate granaries costs only about 75 cents per hundred?

Did you know that this is a favorable time for taking out long term fire and lightning policies on farm improvements, because of the 15% experience credit now taken off of rates?

Bovina Happenings

MRS. JESSIE McSPADEN

Mr. and Mrs. C. R. Elliott visited their daughter, Inell, in Canyon, Sunday.

Mrs. Billy Parker and daughter of Roswell are visiting in the home of Mr. and Mrs. W. J. Parker. Mr. Parker made a trip to Roswell Wednesday and brought them back Thursday.

Joe Wilson, Mrs. Norma Lee Plummer, and Mrs. John Byler had business in Amarillo, Thursday.

Miss Bobbie Edwards, of Plainview, spent the weekend here with her parents, Mr. and Mrs. Lawson Edwards.

Charles Pesch of Washington, D. C., Mr. and Mrs. Alvin Pesch of Abilene, Mrs. Hermon Smith and daughter of Bethany, Okla., have been in Bovina to see their mother. Mrs. Pesch is quite ill and confined in the Parmer County Hospital in Friona.

Mrs. Cash Richards is ill and in the Clovis Memorial Hospital for medical care.

Mr. and Mrs. Troy Armstrong and Mrs. J. Sam Gaines visited in Amarillo, Sunday.

Mr. and Mrs. Tom Rhodes spent the weekend in Oklahoma with Tom's mother.

Mr. and Mrs. Earl Day of Tucumcari are spending a few days in Bovina while his parents are visiting in Oklahoma.

Mr. and Mrs. Gene Wade and children, Mrs. Max Wade and Maxine of Groom, spent the weekend with Mrs. W. J. Wade in Bovina.

Mr. and Mrs. A. M. Wilson attended business in Dimmitt, Tuesday.

Mr. and Mrs. R. L. Cervante of Fortales, and Mr. and Mrs. Pete Cervantez of Clovis, spent the weekend in the S. A. Brito home here.

T. Godsey has been quite ill in Clovis Memorial hospital.

Miss Jean Danner of Portales was here Monday, visiting friends.

G. F. Trimble made a business trip to Mobeetie, Texas, Sunday.

Mrs. G. C. Danner spent Monday afternoon in the Charley Grey home.

Mrs. L. C. Moore, who operates a laundry in Iowa Park, has been home for the past few days.

Mr. and Mrs. C. P. Warren returned home Saturday evening from Fort Worth.

The Methodist Young People had a party at the church Wednesday night, February 18.

BAPTIST WMU MEETS

Last Wednesday, the Baptist WMU met at the church. The afternoon was spent in Bible study. Attending were Mesdames R. N. Williford, Combs, Free, Glover, Ray, Tidenberg and Gooch. They will meet at the church today (Wednesday) in an all-day meeting to sew for the Mexican and Buckner Orphan's homes.

Buy — Sell — Trade — Here!

MUSTANGS WIN

On Tuesday night the Bovina and Lazbuddy teams met on the local court, with Bovina winning both games. However, on Monday night the Mustangs lost to Adrian 31-25, while the girls beat Adrian, 35-8. The season ended Thursday night when the squads played a return game at Dimmitt.

SEW AND CHATTER CLUB

On Thursday afternoon the Sew and Chatter Club met in the home of Mrs. Norman Wilson with Mrs. John Byler as hostess. The afternoon was spent in sewing. At the close, Mrs. George Trimble was presented with a birthday cake and gifts from the member. Cake, sandwiches and spiced tea were served to Mesdames Paul Jones, A. M. Wilson, Buck Ellison, Byron Turner, Ronald Berggren, Emmitt Tabor, Joe Wilson, T. G. Hudson, Odie White, Jess Walling, Euel Hart, Blackie Plummer, Glen Roy Davies, Lucy Wilson, Robert Callaway, Buren Vassey, and Loyce Marie Trimble.

OKLAHOMA LANE

Mrs. Alice Robertson, Dave and June were called to San Antonio last Wednesday to be with J. C. Robertson, who was very ill. They returned Sunday, reporting Robertson's condition as very grave.

Mr. and Mrs. Turner Paine returned from Dallas, Friday, where their small daughter, Velda Jean, received medical attention.

Mrs. I. S. Rundell, of Walnut Springs, Texas, passed away early last Saturday. Attending the funeral from here were Mr. and Mrs. Robert Rundell and family, Mr. and Mrs. Sam Rundell, Mr. and Mrs. W. I. Rundell and family, Mr. and Mrs. Conda Jones, Mr. and Mrs. Lee Jones, Mrs. Buddy Jones and Mr. and Mrs. Sam Billingsley.

Supt. M. J. Colman received a message Wednesday morning of the death of his mother. Funeral services were held in Ibora, near Lampassas, Texas, Thursday.

Mrs. O. C. Petree returned home Sunday from Amherst, where she had received treatment for a heart ailment.

Mr. and Mrs. James McDorman of Muleshoe, have moved into this community, having bought the old P. A. Lee farm.

Mr. and Mrs. Conrad Nelson had as guests the past two weeks his mother and sister, Mrs. Nelson and Mrs. Clark of Carlsbad.

Mr. and Mrs. Johnson of Elk City, Okla., are here for a week in the home of their son, Clarence Johnson, and family.

Mrs. R. D. Hensley, high school English teacher, was absent from work last week due to illness.

Miss Jenny Lynn Belton and Bro. Cole, pastor of the Methodist church, did substitute work at the school while Mr. and Mrs. Colman were away last week.

Miss Ruth Bonds, local teacher, was a weekend guest of Miss Mary Cherry in Canyon.

Claude Watkins and J. J. McDonald are in Austin on business.

Earl Deaton is reported to be hospitalized at Pearl Harbor. No report on his illness is available.

Buddy Jones is vacationing in Hot Springs, N. M.

Miss Bobbie Jo Hammonds, a lo-

SPUDS AND SEAFOOD . . . The annual senate debate on the relative merits of the Louisiana shrimp and sweet potato vs. the Maine lobster and potato took place at a congressional luncheon, with the argument ending, as usual, in a draw. Here, Sen. Owen Brewster (Rep., Me.) feeds a bit of lobster to Sen. John Overton (Dem., La.) as Elsie Waters (left) and Betty Green watch entranced.

cal senior, was a guest on the "Pop Call" program over KICA, Saturday morning, by telephone.

Rev. Bruce Giles of Bovina and Rev. Jesse Terry of Oklahoma Lane held joint baptismal services at the Texico Baptist church, Sunday afternoon at 3 o'clock. Five candidates were baptized.

F. E. Kepley was in Mulshoe, on business, Saturday.

An electric pump is being installed at the Oklahoma Lane school this week.

Mr. and Mrs. Lloyd Battey of Friona were Sunday guests in the Sam Sides home.

A worker's meeting will be held March 2nd at the Oklahoma Lane cemetery. Everyone who can attend is asked to be present. A business meeting will be held and a discussion opened on enlarging the cemetery and adding a well.

FIELD CHANGES HANDS

The Gainesville Air Field is scheduled to pass from government ownership on or about February 17. Under public law and WAA disposal regulations, federal agencies, state and local government units will have until the February 17 deadline to exercise their claims for acquiring the airport property. WAA points out that this arrangement has already enabled many cities and towns throughout Texas to acquire an operating municipal airport worth millions of dollars at virtually no cost to themselves.

A good way to use the last bits of a ham is to add it to a cream sauce made by heating a can of mushroom soup as it comes from the can. Add only a tablespoon or so of cream or milk for thinning.

STEED FUNERAL HOME

End of North Main Street, Clovis, New Mexico
L. V. SPARKS, Co-Owner and Manager

1948 Political Calendar

Jan. 31—Last day to pay poll tax. First Day, Oct. 1, 1947.

Feb. 1—Residents of cities of over 10,000 population entitled by law to exemption from poll tax must obtain certificate of exemption before this date.

Feb. 9—Election judges, appointed in counties by commissioners courts.

Mar. 10—Last day for tax collectors to report poll tax payments to county clerks.

Mar. 31—Last day for delivery of certified poll list to election boards. In counties containing cities of more than 10,000 inhabitants, supplemental lists shall be furnished until four days prior to election.

May 1—Precinct conventions for presidential nominations.

May 4—County conventions for presidential nominations.

May 17—Last day to file for chief justice or associate justice of the court of civil appeals, representative in congress, state senator or representative, district judge or district attorney.

May 25—State convention to name delegates to presidential nominating convention; held where designated by state executive committees of political parties.

June 7—Last day to file for state officers with the executive committee.

June 14—State executive committee meets to select state convention site and to certify to county chairmen names of candidates for places on ballot.

June 19—Last day to file for county and precinct offices.

June 21—County executive committee determines the order of names on the ballot and assesses costs.

June 24—First day for filing first campaign expense report; state and district candidates' reports filed with the secretary of state; county candidates with county clerk.

June 26—Last day for candidates to pay ballot fees.

June 28—Primary committee makes up official ballot.

June 28—Last day for first campaign expense report.

July 4—Absentee voting begins.

July 28—First day for second campaign expense report.

July 15—Last day for second campaign expense report.

July 19—Last day for voters in cities of over 10,000 who have moved to new voting boxes, to appear before tax assessor-collector for corrected certificates; or for voter who has moved to new county or new precinct to present his certificate in order to have his name added to list in precinct of his new residence.

July 20—Last day for absentee voting.

July 22—County clerk sends absentee votes to presiding judges of precincts.

July 24—First primary.

July 24—Precinct conventions held by all political parties.

July 24—Unofficial reports of returns shall be made to secretary of state by midnight.

July 27—Last day for election judges to make returns to county chairmen.

July 29—First day for first expense report, second primary.

July 31—County executive committee canvasses returns.

state by midnight.

Aug. 29—First day for final expense report, second primary.

Aug. 31—Last day for election judges to make returns to county chairmen.

Sept. 4—County executive committee canvasses returns.

Sept. 4—Precinct chairmen assume office.

Sept. 7—Last day for final expense report, second primary.

Sept. 13—State executive committee opens and canvasses returns of second primary and prepares delegate list for state convention.

Sept. 14—State party convention meets, declares nominees, adopts platform, elects new chairman and state executive committee.

Oct. 1—Poll tax paying begins for the following year.

Oct. 2—Last day for county judge to have notices of General election posted.

Oct. 12—Last day for party state committees to certify names of candidates for president and vice president to the secretary of state.

Oct. 13—Absentee voting begins for general election.

Oct. 29—Last day for absentee voting.

Nov. 2—General election. Selection presidential electors.

Nov. 2—Unofficial reports of returns shall be made to secretary of state by midnight.

Nov. 5—Presidential electors certified to county judges.

Nov. 5—Final date (within 72 hrs. from closing of polls) for presiding judges to report returns to county judge.

Nov. 8—Commissioners court shall examine returns and "estimate" the results as to presidential electors; county judge forwards returns to secretary of state.

Nov. 8—Commissioners court shall examine returns and "estimate" the results of general election. If court does not meet on this day, it shall meet "at the earliest day practicable thereafter."

Nov. 10—County judges shall, within 48 hrs. after commissioners court examine returns, forward returns to the secretary of state.

Nov. 12—Last day for filing final expense reports of candidates.

Nov. 17—Secretary of state, governor and attorney general canvass returns for state and district offices, and the governor issues certificates of election.

Nov. 22—Secretary of state, governor and attorney general canvass returns for presidential electors and issue certificates of election.

1949: Jan. 11—Legislature convenes. Secretary of state delivers election returns for governor and lieutenant governor to speaker of house for canvass within first week of session.

Jan. 18—Governor and lieutenant governor inaugurated.

POISON PAYS

"With experience we have had in the last few years, I consider it definitely out of the picture to continue to grow cotton on a paying basis without an adequate poisoning schedule. I have found that with a good poison schedule you will produce enough extra cotton to more than pay for the poison and seed and fertilizer combined."—Henry Gramling, cotton grower, Spartaburg Co., S. C.

59,000 STATIONS

Approximately 59,000 passenger stations and 61,000 freight stations help provide Railroad service to the public.—Santa Fe Almanac.

WOULD-BE SHERIFF . . . Mrs. Frances H. Dwitz, former Cleveland policewoman and a grandmother, announced that she would seek Democratic nomination as sheriff of Lake county, Ohio. She will run on anti-gambling and reform platform.

New Subsistence Setup Arranged For Vets

Only veterans taking full-time courses in schools or colleges will be entitled to increased subsistence allowances under a law signed February 14 by the President, the Veterans Administration has announced.

Veterans taking any of the following types of training are not entitled to the increases, but will continue to receive subsistence at the old rates of \$65 monthly for those without dependants and \$90 for those with dependants.

1. Institutional on-the-farm training and part-time institutional training.
2. On-the-job training or apprenticeships.
3. Combination training in which students attend school part time and

are employed part time, usually in a related field.

4. Internship and residency training; and graduate training under a Fellowship requiring a reduced credit course-load because of services rendered under provisions of the Fellowship.

Eligible veterans now in school who are entitled to \$75 (no dependants) or \$105 (one dependant), will not have to apply for the increases. VA, requesting that these veterans not write, said it had sufficient information to make automatic increases.

However, veterans entitled to \$120 a month because they have more than one dependant, will be required to submit evidence of their additional dependants before the increased payments can be made. For dependent children, photostats or certified birth certificate copies will be necessary. For dependent par-

ents, evidence of actual dependency must be submitted. If veterans now training submit evidence prior to July 1, 1948, they will receive retroactive payments at the new rates back to April 1, 1948.

The higher rates are applicable after April 1. However, since subsistence allowance checks are not due until the end of the month in which the veteran is in training, most of the eligible veteran-students will receive their first checks at the higher rates on or shortly after May 1, VA said.

BOTH NEED MORE

"It would be desirable for this country and the world if the United States 1948 cotton crop were to show a substantial increase over the production of 1947."—G. I. Toison, resident, New York Cotton Exchange.

Grain Storage

We now have plenty of room to store your grain and will be glad to accommodate you.

You can store your grain with us and we will look after it, treating it for weevil or other damage.

When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood. You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

READY FOR TURKISH NAVY . . . This is the USS Brill, one of four submarines which the United States will supply to Turkey. This ship and another one are undergoing repairs at the San Francisco naval ship yard and being readied for their journey into the Mediterranean. U. S. navy has announced that the vessels will be fully loaded and fully armed, as on a wartime patrol, when they leave this country for Turkey.

Hybrid Corn Acreage In Texas Climbing

COLLEGE STATION—The acreage in hybrid corns in Texas jumped again in 1947. At the rate it's going, E. A. Miller, extension agronomist for Texas A. & M. College, says as much as half of the 1948 corn crop may be of hybrid varieties.

Looking at the figures, he's right. In 1946, 750,000 acres, or 22 percent of the total, was in hybrids; in 1947, 1,106,000 acres or 36 percent of the total, was reported in hybrids. If it jumps another 14 percent in 1948, Miller's prediction will become fact.

Miller says that 7,880 acres of hybrids were certified for seed in the state in 1947, which should produce enough seed to take care of the normal increase in acreage. However,

he warns, just in case the increase is even greater than anticipated, it's a good idea to plan to buy seed early.

The superiority of Texas adapted hybrids over open pollinated varieties has been reported by the Texas Agricultural Experiment Station, as a result of a series of tests over a three-year period. Another test, covering 1947, showed that a new hybrid, Texas Yellow No. 20, has a wide range of adaptability, ranking at or near the top in all tests. As a general rule, Texas Hybrid No. 8, No. 18 and the new No. 20 are best adapted to the Blackland and Grand Prairie regions and areas west and south of there, while Nos. 20 and 12 are well suited to the Brazos River bottoms and the section east of the Blackland. Hybrid No. 12 is also recommended for the northern part of the Blackland and Grand

Prarie Regions.

The Texas White Hybrid 9 W also has a wide adaption and is a good hybrid to grow in Texas wherever a white hybrid is desired for special markets for meal and grits, and for roasting ears.

Watch Out For Rust In Wheat Fields

COLLEGE STATION—The stags is all set for a severe epidemic of stem rust, or black rust, in the wheat country next spring.

That's the warning from the agronomists and plant pathologists of Texas A. & M. College and USDA's Bureau of Plant Industry.

It all depends on the principal actors—the rust spores and the right weather. The combination of wheat germinating so late on the High Plains, together with the large acreage of earlier wheat in the Rolling Plains areas east of the Caprock, makes a favorable situation for the development of stem rust on late wheat if the spores develop sufficiently on the early planted wheat.

Nothing can be done about the weather of course, but the situation can be greatly aggravated by the planting of stem rust susceptible varieties of spring wheat and barley, the specialists say, as such varieties would make prolific sources of stem rust spores, which in turn might affect wheat farther north, as none of the hard red winter wheat varieties are immune to stem rust.

Agronomists recommend the planting of oats in place of spring wheat or barley. They say the yields of spring planted oats are much more certain in Texas than either spring wheat or barley and stem rust of oats does not affect wheat. Varieties of oats such as Fultex, Kanota, New Nortex or Ferguson 022 are good selections.

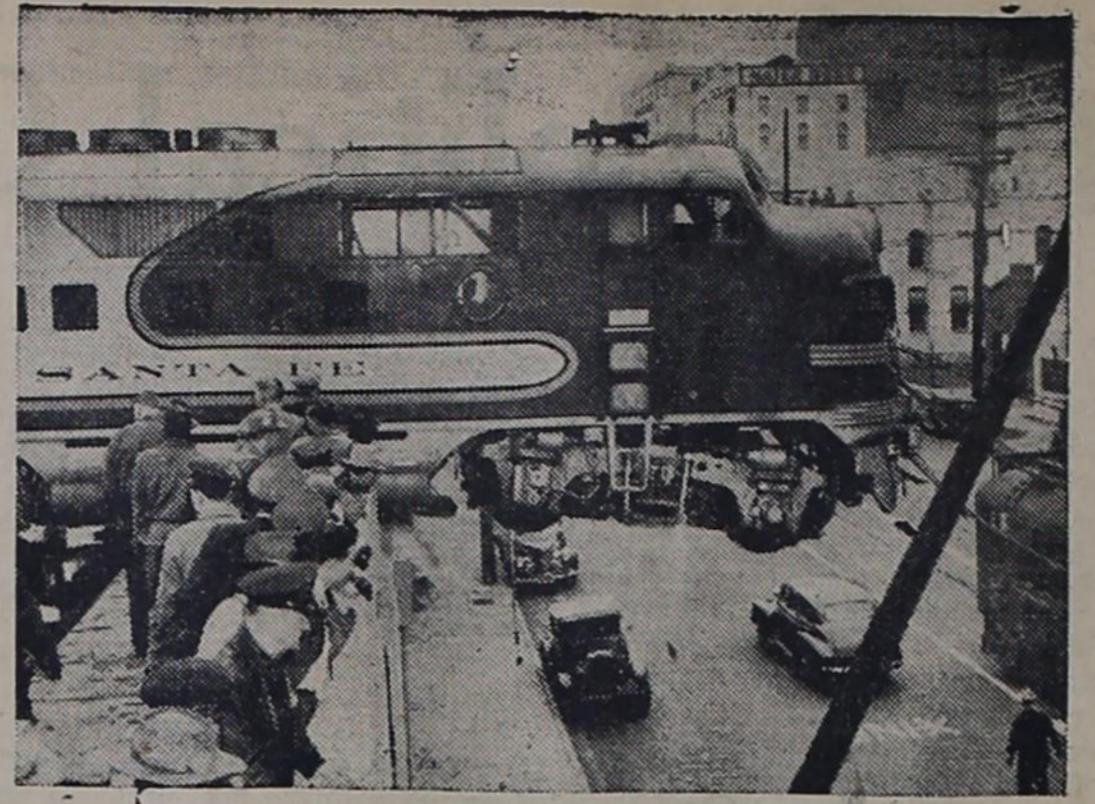

The specialists point out that in view of the great need for a bumper wheat crop in '48, every possible precaution should be taken to reduce the possibility of a stem rust epidemic.

ONE-VARIETY PROFITS

Value of the extra yield of lint and seed and premiums for quality cotton amounted to \$18.95 per acre, or a total of \$11,122,494, for Georgia one-variety cotton growers in 1947. —Georgia Extension Service.

SMALLER RETURN

Mass production has not been permitted to bring as great a return to the railroads in their investment as it has to other industries.

HOW NOT TO DO IT . . . The front of the four-unit diesel power plant of Santa Fe's El Capitan streamliner dangles over Aliso street at the south end of the Los Angeles union station. Train had arrived from Chicago, uncoupled its coaches and was en route to the roundhouse when an apparent brake failure caused the locomotive to trundle off the end of the tracks and crunch through a wall over the street.

True Stories of West Texans

(By N. H. KINCAID)

THE BOOMERANG OF ADOBE WALLS

Billy Dixon, the youngster from West Virginia who was now hunting buffalo on the Staked Plains of Texas, threw his bed-roll upon his wagon and turned to untie his horse. Day had not clearly broken but he wanted an early start.

The night, spent in the stockades of Adobe Walls, had been filled with talk from other buffalo hunters who had come in from outlying camps. They had heard of a Comanche uprising heading their way. But Billy, having made a trade with James Hanrahan, a hunter on a large scale, decided to make his camp break-up permanent, and so was returning for

WAR BRIDES FROM NIPPON . . . Now it's Japanese war brides who are starting to arrive in the United States in greater force. Home from occupation duty in Japan, these are two of the American soldiers who landed in Seattle with their newly won Japanese wives. Sgt. and Mrs. Vincent P. Costello of Philadelphia (left) and Cpl. and Mrs. Doyle Sims of Memphis, Tenn., are interviewed by a customs officer upon their entry into the U. S.

all his stuff. But Billy Dixon never untied his horse. The animal, nervously backing and pulling at the stake, had detected the feared savage scent. Quickly Dixon scanner the gloom and saw that the underbrush seemed to be moving slowly towards the fort.

Even then the youngster, Indian hunter though he was, didn't suspect an organized attack. His thought was that the Indians were after their horses. Knowing that he alone was awake and believing that a few well-aimed shots would scatter them anyway, Dixon raised his gun to his shoulder.

That raised gun seemed to be the signal. With a war-whoop the Comanches put their horses to a run and advanced like the wind. At their head rode Quannah Parker, resplendent in his special war bonnet; its trailing head-piece of eagle feathers reached to his horse's hoofs.

Up to the very fort itself they rode and swerved to kick at the door as they passed.

But their reception was not long in coming. The roused buffalo hunters were true frontiersmen and their old sharp rifles shot a long distance. Soon the Indians, surprised at the size of the hornets nest they had aroused, began backing out of range of those deadly wea-

pons. Before nightfall the coast was clear, and the Indians did not re-

turn. But the fight at Adobe Walls proved a boomerang for the Indians. When the news of the attack reached Dodge City, it was quickly forwarded to Ft. Leavenworth, and a definite campaign of subjugation or annihilation was launched against those who refused to go to their reservations. By the late summer of 1847, 2000 trained troops were in the field and marching towards the Canadian river section of the Llano Estacado.

The idea of the campaign was not to conquer through one decisive victory but to subdue them by continually driving them from one field to another.

By May, 1857, the last Indian tribal group had accepted the alternative of the white man. The army, aided by the severity of the previous winter and the scarcity of the buffalo, had broken their organized resistance.

Adobe Walls had become another landmark in the retreat of the Indian.

Fruits and vegetables freeze more successfully after their moisture is reduced, scientists find, because there is less breakage of the cell tissues from large ice crystals which form when water is present.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: G. S. De Motts, George S. De Motts, and George De Mott, and the unknown heirs, assigns and legal representatives of the aforesaid defendants.

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 22nd day of March, A. D., 1948, at or before 10 o'clock A. M., before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 6 day of February, 1948. The file number of said suit being No. 1427.

The names of the parties in said suit are: Sloan H. Osborn as Plaintiff, and G. S. De Motts, George S. De Motts, and George De Mott, and their unknown heirs, assigns and legal representatives as Defendants.

The nature of said suit being substantially as follows, to wit:

Plaintiff brings this suit in trespass to try title alleging that on February 1, 1948 he was the owner in fee simple of Block 90, 91 and 92 of the original town of Friona, Parmer County, Texas, and that the defendants unlawfully entered upon said land on the 2nd day of February A. D. 1948 and dispossessed him and that the reasonable rental value of said land during unlawful possession is \$1.00.

Plaintiff pleads the ten year statute of limitations in the alternative, and asks for title and possession of said land, costs of suit and his damages.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 6th day of February A. D., 1948.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 6th day of February A. D., 1948.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO Caud Halsell, Francis Smith and the unknown husband or husbands of Francis Smith, and the unknown heirs, assigns, and legal representatives of the aforesaid parties, **GREETING:**

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 5th day of April, A. D. 1948, at or before 10 o'clock A. M., before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 17 day of February, 1948. The file number of said suit being No. 1429.

The names of the parties in said suit are: Mae Abbott joined by her husband, B. P. Abbott, as Plaintiffs, and Francis Smith and the unknown husband or husbands of Francis Smith, Claud Halsell, and the unknown heirs, assigns and legal representatives of the aforesaid parties, as Defendants.

The nature of said suit being substantially as follows, to wit:

Plaintiffs bring this suit in trespass to try title, alleging that on January 1, 1948 they were the owners in fee simple of the following described land:

Lots 11, 12, 13 and 14, Block 19, and Lots 1, 2, 3, 4, and 5, Block 35, all of the original town of Bovina, Parmer County, Texas.

And on the 2nd day of January A. D. 1948 the defendants unlawfully entered upon said lands and dispossessed plaintiffs to their damage in the sum of \$1.00. Plaintiffs also plead the 5 and 10 year statute of limitation and pray for damages, title, and possession of said lands and for general relief.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 17 day of February A. D., 1948.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 17 day of February A. D. 1948.

LOYDE BREWER, Clerk,
District Court, Parmer County, Texas.

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS

TO Frank B. Farr, who is also known as F. B. Farr the unknown wife or wives of; Frank B. Farr; Hazel C. Cloyes, Orange J. Cheeseman and his wife, Winnie B. Cheeseman, Henry Leninger and the unknown wife or wives of Henry Leninger; F. E. Perkins, Sr., and the unknown wife or wives of F. E. Perkins, Sr.; Melvin L. Perkins and Elizabeth Perkins; Mabelle Griffith, Edna M. Perkins and Ruth Griffith, and the unknown heirs, assigns and legal representatives of the aforesaid defendants whose names, residences and addresses are unknown. **GREETING:**

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the fifth day of April, A. D. 1948, at or before 10 o'clock A. M., before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 21 day of February, 1948. The file number of said suit being No. 1431.

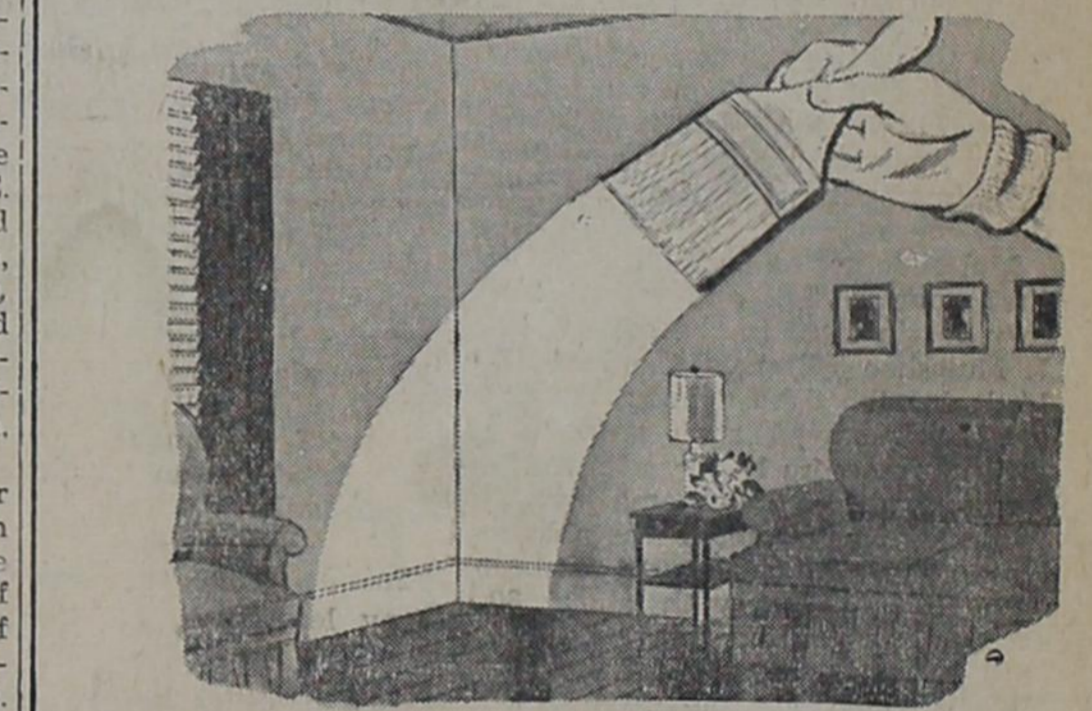

The names of the parties in said suit are: J. G. Palmateer, as Plaintiff, and Frank B. Farr, who is also known as F. B. Farr, the unknown wife or wives of Frank B. Farr; Hazel C. Cloyes, Orange J. Cheeseman and his wife, Winnie B. Cheeseman, Henry Leninger and the unknown wife or wives of Henry Leninger; F. E. Perkins, Sr., and the unknown wife or wives of F. E. Perkins, Sr.; Melvin L. Perkins and Elizabeth Perkins; Mabelle Griffith, Edna M. Perkins and Ruth Griffith; and the unknown heirs, assigns and legal representatives of the aforesaid defendants, whose names, residences and addresses are unknown, as Defendants.

The nature of said suit being substantially as follows, to-wit: Plaintiff alleges that on or about the 20th day of January 1948 he was and still is the owner in fee simple of the following described land.

NE 1/4 and E 1/2 of NW 1/4 of Section 20; NW 1/4 of Section 29 and the N 1/2 of Section 30, Block "C", Rhea Bros. Subdivision, Parmer County, Texas.

And that on Jan. 21, 1948, the defendants entered upon said land and dispossessed him of said premises and withhold from him the possession thereof.

Plaintiff sues for title and possession and for his damages and costs of suit, and specially pleads 10-year statute of limitations.

Paint Comes First In Home Improvement

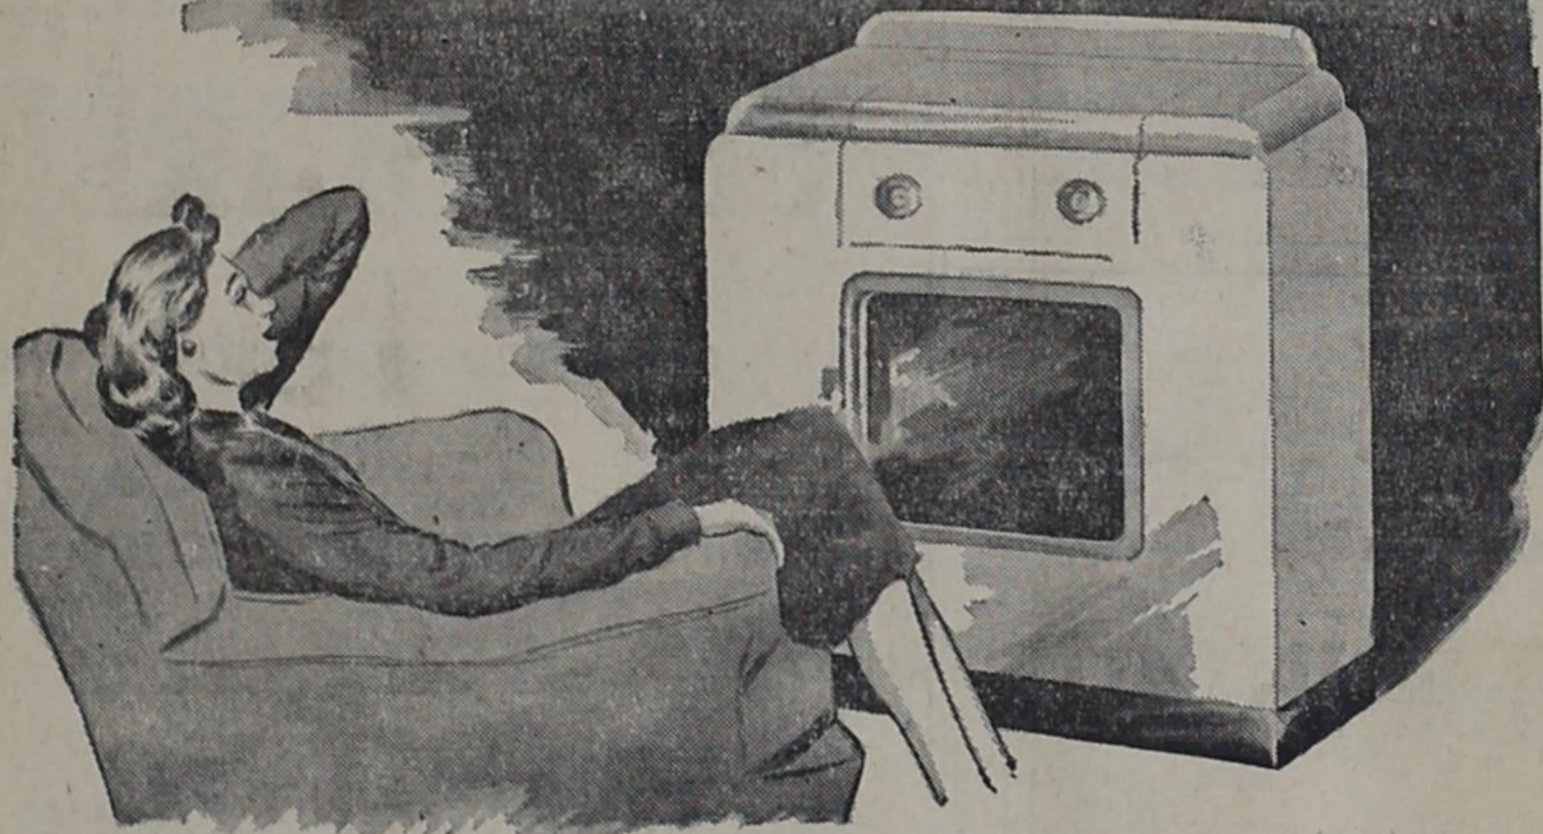

Whether you want to paint the woodwork inside, or give your entire house a new look with paint, you will find that good paints properly applied, make the basis for any home beautification plans. See us for top values in paints that last you longer and better.

WASH DAY-1948

Washday blues are a thing of the past when you install one of the new electric home laundry units. There's nothing to it. Just put your clothes and soap in the machine, turn the switches and relax. Before you know it you'll be looking at the cleanest, brightest wash you ever saw...ready for the line.

To make sure that you can enjoy the convenience and pleasure of an electric home laundry, make sure your home is adequately wired.

We have nothing to sell but good electric service.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.
2. LARGE ENOUGH WIRE for serving your present and future needs.
3. ENOUGH OUTLETS AND SWITCHES for convenient living.

Steers Beat Muleshoe In Season's Finale

Closing out the most successful season they have enjoyed in a number of years, the Farwell Steers stormed over the Muleshoe Yellow-jackets 41-20 last Thursday night in the Farwell High gymnasium. Muleshoe is a class A school and this game had no bearing whatever on Farwell's conference standing.

Chief purpose of the tilt was to raise funds so that the boys would be able to go to the regional meet at Lubbock next weekend. The boys have gone through all their conference games undefeated this season.

The Steers moved slowly in the first canto, although they did gain a good lead of 9-3. They were minus the able services of Junior Robertson, starting guard whose vacancy was ably filled by Don Ford.

The locals picked up considerable steam during the second quarter, and at intermission time the score stood 22-6. Bench boys got in some service in the third and final stanzas. Third quarter score was 32-8. Sanders, hot-shot forward of the Yellowjackets got his eye during the last minutes of the game, and sparked a scoring spree for his teammates which closed out the game.

Big center Toby Booth came through with 12 points for the Steers and Sanders led Muleshoe with 10.

GIRLS WIN IN OVERTIME

The girls signed finis to their hard-luck season by defeating the exceedingly fast Muleshoe aggregation in a hair-raising overtime thriller, 19-18. Local observers all agree that it's a shame the girls are at the end of the season, since they snowed under the Adarain girls last week, and have showed considerable improvement during the last three weeks.

Muleshoe got an early start in the first quarter, 5-6, and pulled further out in front in the second, 12-7. Muleshoe still held the lead 17-14 during the third quarter, but the local girls stayed at it until they knotted the score 18-all as the whistle blew, sending the game into an overtime. Neither team was able to score while the three extra minutes ticked away, but with about 30 seconds of time remaining, the Farwell forwards got a free-toss. Little Valarie Dial took the sphere and calmly tossed it through the hoop to cinch the game.

Dial hooped in 14 points during the contest to lead in the girls' scoring, and Hill led Muleshoe with 8. Vaughn McDowell of Clovis officiated both games.

Wolverines Play Grady In District Tourney

The Texico boys, who have blown both hot and cold during the current cage season, face the second place Curry county winners in their first game of district tournament play, Friday morning, meeting the strong Grady squad at 11:30, Texas time.

The District 6 tournament is being held this year in the huge new gymnasium at Eastern New Mexico College in Portales, where it is hoped—probably for the first time—that all who wish to attend can be seated.

In order to become acquainted with the court the locals scrimmaged the Floyd team on Tuesday evening, Coach C. E. Sanders reports.

The Wolverines have played Grady once this season, losing to them by four points, and the game could be exceptionally close. Grady, however, is a year-in-year-out contender for tourney honors, no matter what type of a showing they make during the regular season: If the Texico-ites edge Grady they face the favorite of the meet—the Portales Rams—in quarter finals.

Making the trip to Portales will be Curtis, Baldock, Pearce, Stewart, Blain, White, Poteet, May and Bridges, as players and Houghtling as manager Coach Sanders said.

Come, Wollard and Covington have been named as officials.

Volleyball Meet Comes To Texico, April 1-2

Squads from over Curry County will be on hand at the Texico gym on April 1 and 2, when the girls stage their annual volleyball tournament, officials at the local school announced today.

With the closing of the basketball season, last weekend, players have this week turned their attention to volleyball, under the direction of Coach Fern Stout, and show indications of turning out a smooth team.

No regular schedule is arranged, but the girls will participate in a number of scrimmage games and expect to attend an invitation meet at Ranchvale.

"This Is Your Day, Ladies!" * * * Happy leap year, girls!—February 29th, you know, is the unofficial starting date for husband-claiming. Before you venture forth, be sure to read the entertaining roundup of leap year lore in THE AMERICAN WEEKLY, that great magazine distributed with next Sunday's Los Angeles Examiner.

Locals Drop Match To Clovis Friday

Closing the 1947-48 season, except for district tournament play this weekend, the Texico Wolverines dropped a game to the Clovis Wildcats, last Friday night, 51-29. The match was played at Clovis.

During the evening the "B" string also lost to Clovis, 31-32, while the grade boys won their match, 21-10. Coach C. E. Sanders reported that the score stood at 9-12, Clovis, when the second quarter opened, but shortly afterward Baldock left the game on fouls, and the Wildcats proceeded to trim the locals.

Bridges of Clovis, led the scoring with 19, while Howard and Lee were also prominent for the Cats. Curtis was high point man with 7 for the Wolverines.

Parmer Boys Participate In Four-County Show

Representatives from 4-H and FFA clubs in Parmer County participated in the four-county fat stock show held the past weekend in Hereford, when club boys from Deaf Smith, Parmer, Castro and Oldham counties gathered for a big exhibit.

County Agent Ollie Limer served as superintendent in the steer and lamb division, and stated that some 62 animals were entered in the steer classifications, with 14 lambs being shown. Approximately 20 barrows were also on hand for judging.

Due to the fact that most Parmer boys feed out stock for the Lubbock show, rather than the Amarillo exhibit entered by Hereford, the animals from this county were not sufficiently far advanced to make much of a showing, Limer said.

Ross Miller and Darrell Norton, 4-H clubbers, showed in the steer competition, while Roy V. Miller, Ray Strickland, Wayne and Marvin Massey and Tommy Jones, all Friona FFA boys, had barrows and steers up for rating.

In the "calf scramble", the Parmer county representatives carried off honors, snagging three calves which will be fed out and shown next year. Winning calves were Ross Miller, Ray Strickland and Marvin Massey. For the scramble, the Friona Lion's Club donated one calf, Limer said.

Duane Walker, of Hereford, exhibited the grand champion steer of the show, while the grand champion barrow belonged to Anthony Acker of Castro county, and Joe Percy Hart, also of Castro county, owned the grand champion lamb.

MARCH 1 DEADLINE

AUSTIN—Texas high schools have until March 1 to enter the University Interscholastic League second annual baseball program, Athletic Director R. J. Kidd says. There are now 567 schools signed for the program. Tentative assignments have been made for conference AA, A, B and City, Kidd said. Last year 469 schools took part.

Clubbers Will Enter Amarillo Exhibit

County Agent Ollie Limer said today that four Parmer County 4H club boys would enter fat barrows in the Fat Stock Show in Amarillo, which opens next Monday, March 1st, and lasts through Saturday March 5th.

Those who have announced intentions of attending the show include James Tidenberg of Bovina and Wesley Heald of Rhea, both of whom will show Spotted Poland-China barrows; Rex Isham of Bovina, and Clyde Hays, of Black, who will enter Hampshire animals.

Three boys from the Farwell FFA group are also planning to show swine at the Amarillo show, Robert Morten, supervisor, said today.

Duane Curtis and Orrie Jones will enter Duroc barrows, while Bob Gerles will show a Berkshire barrow.

Poultry Winners Are Named In Contest

Winners in the Sears Foundation poultry contest were announced this week by County Agent Ollie Limer, who listed the three 4-H clubbers as George Young and Billy Johnson, both of the Oklahoma Lane community, and Jerry Gleason, of the Lazbuddy club.

As winners, the three boys will each receive 300 White Leghorn baby chicks, to be delivered around March 15th. Selection was made by Limer, who judged essays written by the boys and then inspected facilities, which had to be sufficient to take care of the chicks.

Two Road Petitions Approved By Court

The Parmer County Commissioners Court, in session here Monday, approved two petitions for county roads and appointed juries of view to bring in their recommendations.

The minutes reveal that aside from approving the two road petitions, the Commissioners ordered payment of current bills.

Juries of view named include, on one job, Sam White, Jr., T. L. Kent, W. A. Mace, R. L. Hobbs, Arthur L. Bolton; jurymen on the second project are: G. L. Splawn, G. E. Redwine, A. L. Hobbs, W. E. Warren, and T. L. Glasscock.

ROTC GROUP TO EUROPE

AUSTIN—Sixty-four University of Texas Naval ROTC students will have an 8-week training cruise to Europe, next summer, Capt. H. Y. McCown, unit commandant, said.

The students will accompany Navy midshipmen from Annapolis, leaving Norfolk, Va., by June 6.

The 43 University freshman enrollees will go aboard the cruiser Columbus, and the 21 sophomores will go on the Coral Sea, one of the Navy's newest and largest aircraft carriers.

Farm Bureau Sponsors Water Meeting, 8th

The Texas Farm Bureau Federation will sponsor a water hearing, at Plainview on March 8, it was announced today by J. Walter Hammond of Tye, state president. The hearing is scheduled for the purpose of studying the underground and surface water situation in Texas and to discuss the desirability of underground water control legislation, he said. The meeting will begin at 10 a. m. in the City Auditorium.

W. R. Tilson, of Meadow, state Farm Bureau director of the Plains area, will be host for the hearing. Directors Joe M. Hatton of Amarillo and C. H. DeVaney of Coahoma will be co-chairman. The meeting is expected to draw a large attendance of farmers from all sections of the state. State legislators and representatives from other interested groups will participate, and water engineers and geologists have been invited to furnish information on the surface and underground water situation in the state.

TO PUBLISH PAPER

LUBBOCK—Prof. D. O. Wiley, band director and music professor at Texas Tech, and secretary of the Texas Music Education Association, will be in charge of publishing the association newspaper, which is resuming publication after a lapse of about six years. Wiley says the first issue of "The Texas Music Educator" will be off the presses around March 1.
