

GRAND CHAMPION BULL of the 4-H and FFA Dairy Show, held Friday in Friona, is exhibited above by Joe Fallwell, Friona FFA member. The animal belongs to the Friona FFA chapter, headed by J. T. Gee. The grand champion female, whose picture was not obtained, also belongs to the Friona FFA group.

Prize Winners Given In Club Dairy Show

Sixty-six registered dairy animals of various ages were on exhibit at the Friona show barns the past Friday, when a huge crowd gathered for the annual 4-H and FFA Dairy Day show, despite inclement weather.

Attendees were invited to take part in the judging this year, adding a new angle to show attendance. In classified judging, entries are rated by score cards, with each animal receiving a ribbon denoting his class—even though that may mean more than one, or none, blue ribbon winners in each group.

T. G. Hudson, of Bovina, filled out the best score cards of the day in the adult amateur judging while Roy Strickland, of the Friona FFA department, held the best judging rating among clubbers participating.

Jimmie Davie, dairy specialist of Texas A. & M., and J. K. Adams served as official judges in rating the animals, and gave the crowd highlights of the judging, pointing out why and how the animals were scored in the various groups. Both judges expressed great satisfaction with the quality and quantity of dairy stock exhibited at Friona.

Visitors at the show were particularly impressed with the judging, since the animals were paraded and classifications explained by Davis. He explained in detail the grading of each entry, pointing out the manner in which rating is established.

The Friona FFA chapter owned both the grand champion bull and the grand champion female of the show, official classifications revealed. Some thirty-six of the animals are entered this week for competition at the dairy show in Plainview.

Following are the official ratings:

Bulls
Animals Under 1 Year:
Owners of blue ribbon bulls—Jack London, Friona FFA; Roy V. Miller, Friona FFA; Friona FFA chapter.
Owners of red ribbon bulls—Charles Osborne, Friona FFA; Jackie Rule, Friona FFA; Kenneth and Wayne Bainum, Friona FFA.
Owner of white ribbon bull—Richard London, Friona.

Animals Between 1 and 2 Years:
Owners of blue ribbon bulls—Friona FFA chapter (two); G. A. Collier, Friona FFA.
Owners of red ribbon bulls—Leroy Barnett, Bill DeLashaw.
Animals 2 Years and Over:
Owners of blue ribbon bulls—Roy V. Miller, Friona FFA chapter.
Females
Animals 6 Months to 1 Year:
Owners of blue ribbon animals—Harold Wells, Max Wells, Roy V. Miller, all Friona FFA.
Owners of red ribbon animals—Donald Christian, Oklahoma Lane 4-H; Roy V. Miller and Joe Fallwell, Friona FFA.

Owners of white ribbon animals—Donald Christian, Oklahoma Lane 4-H; Arlyn Kriegele, Oklahoma Lane 4-II (two).
Animals 1 to 2 Years:
Owner of blue ribbon animal—Jimmie Gore, Friona FFA.
Owners of red ribbon animals—Friona FFA chapter, Dean London, Friona 4-H; Roy Strickland, Leroy Barnett (two), both Friona FFA; Donald Christian, Okla. Lane 4-H.
Owner of red ribbon animal—Keith Brock, Bovina.

Animals 2 to 3 Years:
Owners of blue ribbon animals—Friona FFA chapter; Roy Strickland (two), Friona FFA; Tommy Jones, (Continued on last page)

CALLED TO DAYTON

Mrs. Aubrey Brock, of Bovina, was called to Dayton, Ohio, last Friday by the illness of her daughter, Mrs. J. G. Kuntz, who is reported to be suffering a nervous breakdown. Mrs. Brock made the trip from Amarillo to Dayton by plane. She intends to bring her daughter home with her for an extended rest when the latter is able to make the trip.

Street Curbing Makes Progress Past Week

Farwell's curb and gutter program, the forerunner of curb-to-curb paving Avenue 'A' through the main business section of town, has made good progress during the past week, with approximately three blocks of the curbing completed.

The contract calls for curbing along the main avenue to 7th Street in east Farwell. Contractor Felix Monroe is completing the work on the south side of the street, and then will move over to the north side.

An agreement between the Chamber of Commerce and the State Highway Department calls for paving the main thoroughfare through the business section from curb to curb when the curbing and guttering is completed.

State Tax Board OK's School Bond Voting

Word from the state tax board in New Mexico puts the board's okay on the proposed school bond vote in the Texico school district, Supt. B. A. Rogers said today, adding that approval of the state board of education is now required before an election for voting such bonds can be called by the official board of the school.

The proposed bond election movement got underway some weeks ago, with a majority of qualified voters in the district signing a petition to hold the election. The petition has been duly accepted by the board of the school, and approval from the state board of education is all that remains to be secured before the local board can call the voters to cast their ballots.

Except in the "direct" fund, the Texico school is in good financial condition, the school head said Monday. The direct fund is the one from which comes money for improvement and building, Supt. Rogers said.

When approval is secured from the state board, the election can be called—but not before thirty days have elapsed since the local board accepted the petition of the voters.

HORSE SHOW AND RACES SLATED FOR SUNDAY

Red Foster, of the Foster Brothers Quarter Horse Sales Co., is sponsoring a horse show and amateur race program at the sales barn, one mile west of Texico, on Sunday afternoon, April 18.

The entertainment program is scheduled to get underway at 2 o'clock, and will feature a number of horse races, winding up with a horse show of several classes. This will be the first regular monthly program of its kind, Foster said.

2 School Consolidation Petitions Filed

Lad's Head Crushed By Heavy Truck

Petitions asking for two separate school consolidation elections have been filed with County Judge A. D. Smith, and the date of one of the elections has been set, he announced here today.

The two separate petitions call for elections to determine whether or not the Oklahoma Lane School District and the Rhea School District will be consolidated with the Bovina Independent School District.

The date of the Oklahoma Lane-Bovina election has been set for May 8th, and Judge Smith stated late Tuesday afternoon that they had not as yet set the date for the Rhea-Bovina balloting.

The Oklahoma Lane-Bovina consolidation petition was filed with Judge Smith last Friday. Twenty-five signers from the Oklahoma Lane district appear on the petition and 41 signatures of Bovina district are listed.

On Monday of this week, a second petition, calling for an election on the Rhea-Bovina issue was filed with the County Judge. It bears the names of 25 voters from Rhea and 35 from Bovina.

Judge Smith said that at least 20 days must expire after officially calling the election, and indicated that he might set the date for the Rhea-Bovina election to coincide with the Oklahoma Lane-Bovina balloting on May 8th.

The move to consolidate the Oklahoma Lane district with Bovina came to a head during recent weeks with the announcement from the State Department of Education that a four-year high school would not be authorized for the coming year, due to the lack of sufficient scholarships in that district to qualify under State regulations. No high school has been maintained at Rhea for some years, and high school students of that district have been transported to Friona and Bovina.

Judge Smith said that a majority of the voters in all districts must favor the consolidation in order for it to become effective. "A majority of the voters of Oklahoma Lane as well as a majority of the Bovina voters must favor consolidation in order for it to become effective," he said, adding that the same principle applied to the proposed Rhea-Bovina consolidation.

Dimmitt Lad Killed When Hit By Car

Mr. and Mrs. Woody McDermitt were called to Dimmitt last Sunday to attend the funeral of his nephew, Billie Ray McDermitt, who was instantly killed there late Friday night.

The lad, who was nine years old, was leaving the Senior play exercises at the Dimmitt high school when he stepped into the street in front of a car being driven by Billie Joe Rothwell, cafe operator, who had closed his business and was enroute home. The lad's neck was broken by the impact, which also inflicted other bone fractures.

Billie Ray was the son of Mr. and Mrs. L. E. McDermitt. Other survivors include his twin sister, Bettie Fay, two other sisters, Audrie Lee and Janie; and two brothers, Kenneth and Dorris.

Funeral services were held at the Baptist Church in Dimmitt and burial was made there Sunday.

STATE SUPT. HERE

New Mexico State School Superintendent Charley Rose of Santa Fe, was here briefly Tuesday morning, visiting with his brother, Claude Rose, of the Fox Drug Store. He was accompanied by Mr. and Mrs. Paul Masters, also of Santa Fe, and they were enroute to Dallas on official business. Masters is connected with the text book division of the New Mexico Department of Education.

ATTEND FRIONA CC MEET

A good representation of Farwell citizens plan to go to Friona tonight (Wednesday) to attend a meeting of the Friona Chamber of Commerce. This is the first meeting of the Friona group since it was reorganized a few weeks ago.

NO LUCK

Wert and Johnnie Pace, of Pace Brothers Garage, drove over to San Marical (N. M.) Lake last Friday for their first fishing trip of the season. Due to a high wind that raged all day Saturday, they came home without any fish, although good catches had been reported from the lake the past week.

Friona Leads County In Red Cross Drive

With Parmer County oversubscribing its quota nearly 100 per cent, Friona emerged with a substantial lead over all other points in the county in the annual Red Cross Roll Call drive, it was announced today by County Chairman W. E. Williams, of Bovina.

Williams said that the quota for the county was \$792.00, and figures released today reveal that a total of \$1508.38 was raised during the month of March, official campaign period for the annual drive.

So far as records were available, this was the first time the Friona group has led in contributions. The Girl Scouts of that city were given considerable credit for the showing.

Farwell came in for second place, with third position going to Bovina. Following are the figures as released by Chairman Williams:

Friona	\$418.88
Farwell	387.00
Bovina	302.00
Rhea	119.00
Lazbuddy	108.50
Oklahoma Lane	73.00
Lariat	43.00
Black	7.00
TOTAL	1508.38

Tax Rate for 1948 Remains Unchanged

The Parmer County Commissioners, in session here Monday, pondered the matter of finances for operating the county for the year of 1948, finally deciding to leave the tax rate and the valuations on the same schedule as was used during 1947.

The tax rate remains at 95c on the \$100.00 valuation, and valuations on personal property, including livestock, farm machinery and motor vehicles, remain unchanged. Value of 1948 motor vehicles, tractors and combines is set at \$450.00, graduated downward to \$190.00 for 1935 models.

Livestock values stay at the same levels, with cattle being valued at \$30.00 per head; hogs, \$15; horses, \$20, and sheep, \$5.

Other matters attended during the session included the opening of two roads in the county, and the canvassing of the recent school election results, which showed no change in the reports published in The Tribune last week.

Harding Sells Interest In Equipment Co.

Frank Seale announced this week that he had purchased the interest of N. R. Harding in the firm of Harding & Seale Equipment Co., and is now sole owner of the business.

Harding stated that he intended to devote all his time to the operation of his farm south of this city, where he has just completed installation of an irrigation well.

In addition to being the local dealer for the Allis-Chalmers line and the Graham-Hoome plow, Seale will carry a line of electrical supplies. The business will operate under the name of the Seale Equipment Company.

WEST CAMP DISTRICT DIVIDED BY BOARD

The West Camp school district, located in Bailey County, south of Farwell, has been divided "satisfactorily to all concerned" by action of the Bailey County School Board, it was learned here early this week.

Division of the district is a primary step to work out a consolidation movement, whereby the north part of the district will be attached to the Farwell district, and the south side of the West Camp district will be merged with the Muleshoe district.

The two consolidation movements will be submitted to the voters "early next month", it was stated here.

Loyde Brewer was in Lubbock, Tuesday, attending business matters.

HERE FROM VIRGINIA

Mr. and Mrs. Vernon Hunter and son, Kim, arrived here the latter part of last week from Richmond, Va., where they have been residing for the past two and one-half years, for a visit in the home of his parents, Mr. and Mrs. S. C. Hunter.

They are expected to depart today (Wednesday) for Dallas, where Hunter goes to investigate an offer by the Dallas Art Museum. For some time he has been regional director of building service for the USO, a program recently discontinued.

Williams Succeeds Loyd As Head Of Farwell School

Jack Williams, for the past four years athletic director of the Farwell High School, was elected superintendent of the Farwell school system, Tuesday night, following the acceptance of Supt. O. T. Loyd's resignation.

Williams stated today that all present members of the faculty were re-employed for another year, but six of them, including Supt. Loyd, had tendered resignations.

Those who do not plan to be back next year include Mr. and Mrs. J. E. Airhart, Supt. and Mrs. Loyd, Mrs. Grace Loyd, and Monroe Richie. Supt.-elect Williams stated today that he was already making plans to fill the vacancies caused by the six resignations.

Former Resident Dies In California, Thursday

Henry Royal, 58, long-time resident of Farwell, died in a Bakersfield, Calif., hospital the past Thursday evening at 10 o'clock, after suffering a series of paralytic strokes, relatives here have been advised.

Funeral services were held at 10:30 Monday morning in Delano, California, where the Royals have made their home for the past eight years, and interment was made in that cemetery.

For a number of years, Royal served as manager of the local Kemp Lumber Yard, with the family residing in Farwell. They sold their property in Farwell some years ago to Hazel Petree, brother-in-law of the deceased, and have since lived in California.

Immediate family survivors include the widow and four children, Mrs. Chesna Davis of Bakersfield, Miss Dorothy Royal of Delano, Sam Royal of Long Beach and Max Royal, of the Army. The latter was being transferred from an Alaska station, and was not contacted for the funeral services, it is understood.

Bovina Revival Off To Good Start

The revival meeting, which started Monday at the Bovina Baptist Church, was reported to be off to a good start by the pastor, Rev. Bruce Giles, who was here Tuesday.

Rev. Ennis Hill of Loop, is doing the evangelistic preaching, and is delivering some inspiring messages. The meeting will continue through next week, with services being conducted at 10 a. m. and 8 p. m.

GOBER ELECTED

Webb Gober, the only candidate appearing on the ballot, was named school trustee of the Oklahoma Lane district, it was learned here late last week after all other results were reported in last week's Tribune. Final tabulations on the county-at-large trustee gave Robert Rundell 142, W. L. Edelman 269.

MRS. BARRY IMPROVES

Mrs. E. R. (Scotty) Barry, who has been receiving treatment at the Lubbock Memorial Hospital the past ten days, is showing improvement, but it will likely be several days before she is permitted to return home.

One of the most tragic accidents that has occurred here in recent months happened about 2 p. m. Wednesday of last week, resulting in the instant death of Edgar Loyd Sizemore, 7-year-old son of Mr. and Mrs. A. L. Sizemore, of Bovina. Sizemore, who has been operating a truck at Bovina, was making a trip to a farm near Lariat, transporting a load of fertilizer from Bovina. Two of his children were accompanying him, seated in the cab by the side of their father. Enroute home, after the load had been dumped, the cab door flew open, about a mile north of Lariat, and the small boy tumbled out, falling beneath the rear wheel of the moving truck. His head was crushed by the heavy 2 1/2-ton vehicle.

The father reached and grabbed his five-year-old daughter, Florence Mae, who was sitting next to him, but was unable to get hold of the boy.

The Sizemore family came to Bovina about six months ago, from Kansas.

Funeral services were held at the Methodist Church in Bovina, Thursday afternoon, conducted by Elder Wm. C. Young, who was assisted by Rev. George York, Rev. Bruce Giles and Minister S. W. Sanders. Burial was made in the Bovina cemetery with Steed's in charge.

Court Takes Recess Until April 26th

Judge C. D. Russell recessed the Parmer County District Court here late Monday afternoon, following disposition of only two cases on the docket, one criminal action and one divorce.

Lester Chason, Mexican laborer, who has been employed on a Santa Fe extra gang in this county, was given a two-year suspended sentence following his plea of guilty to a charge of assault with intent to murder.

Judge Russell granted a divorce to Eulah Newton from Robert Newton, in the only other action of the day.

The Mexican laborer was arrested following a fight during which time he was alleged to have inflicted knife wounds on another member of the extra gang.

In recessing the court until April 26, Judge Russell ordered that a petit jury be empaneled to hear a civil suit in which John T. Hartwell is seeking damages from R. W. Pringle. This will be the first time a petit jury has been used in district court during the past several years, with all cases being heard by the district judge.

Grand Jury Excused

Judge Russell dismissed the Parmer County Grand Jury late Monday afternoon, following a day's labor in which the jurors made several investigations but failed to return any indictments.

It is understood that the case of the State of Texas against Mary Anna Blake, charged with assault with intent to kill her father, John Blake, here shortly before Christmas last year, was "passed over". This does not necessarily mean that she was no-billed, but simply that no action was taken in her case, according to the best current information, with all actions of the grand jury being strictly secret.

PULLAM BUYS STATION

O. C. Pullam, who has operated the Gulf Service Station in Farwell the past two years, closed a deal the first of last week and became sole owner of the business. The building has been owned by the Radford Wholesale Co. Pullam said he would continue to handle a complete line of Gulf products.

TO MAYO CLINIC

Mr. and Mrs. O. C. Sikes, of the Sikes Motor Co., left the first of last week for Rochester, Minn., where they are scheduled to go through the Mayo Clinic for physical checkups. They are expected to return home the latter part of this week.

TAKEN TO HOSPITAL

Mrs. Dixie Stewart, of Texico, was taken to a Clovis hospital, Tuesday, for medical observation. She is reported to be very ill.

LETTERS from Our Readers

(Editor's Note—Although it is contrary to the policy of this newspaper to publish unsigned letters, the following unsigned communication is being published in the interest of community welfare and civic progress. All letters for publication should be signed by the person submitting same although the writer may request that his name not be used in the paper, which request will be observed. This does not necessarily mean that we will publish anything that may be sent in. Articles of a libelous nature will not be used, and the editor reserves the right to be the judge of such communications.)

LETTER FROM TEXICO READER

I, being a regular reader of the State Line Tribune, and a home owner in Texico, am wondering now that our city election is over if our newly appointed mayor and new city commissioners, together with our old ones, will not get busy and see if Texico, won't join her twin sister Farwell in having new electric lights installed. Also they should see what can be done about moving our Texico junk and wrecking yard to a side street. It certainly gives our little city a black, and I do mean black, eye. To not only our citizens here in the Twin Cities but to travelers passing through as they enter our city going east or leave going west, this gives them their first and last view.

With our super highway which is something to be justly proud of, I do think each and every one should try for a more beautiful place and to get rid of unsightly junk yards, transient dogs, etc.

POLITICAL ANNOUNCEMENTS

The State Line Tribune is authorized to announce the following candidates for the respective offices, subject to the action of the Democratic primary election in July:

For Sheriff-Assessor-Collector:
WILFRED QUICKEL
EARL BOOTH
(Re-election)

For County Treasurer:
ROY B. EZELL
(Re-election)

For County and District Clerk:
LOYDE BREWER
(Re-election)

For County Judge:
A. D. SMITH
(Re-election)

For District Attorney, 64th Judicial District:
JOE SHARP of Plainview.

For County Commissioner, Pct. 2:
C. L. CALAWAY.
(Re-election)

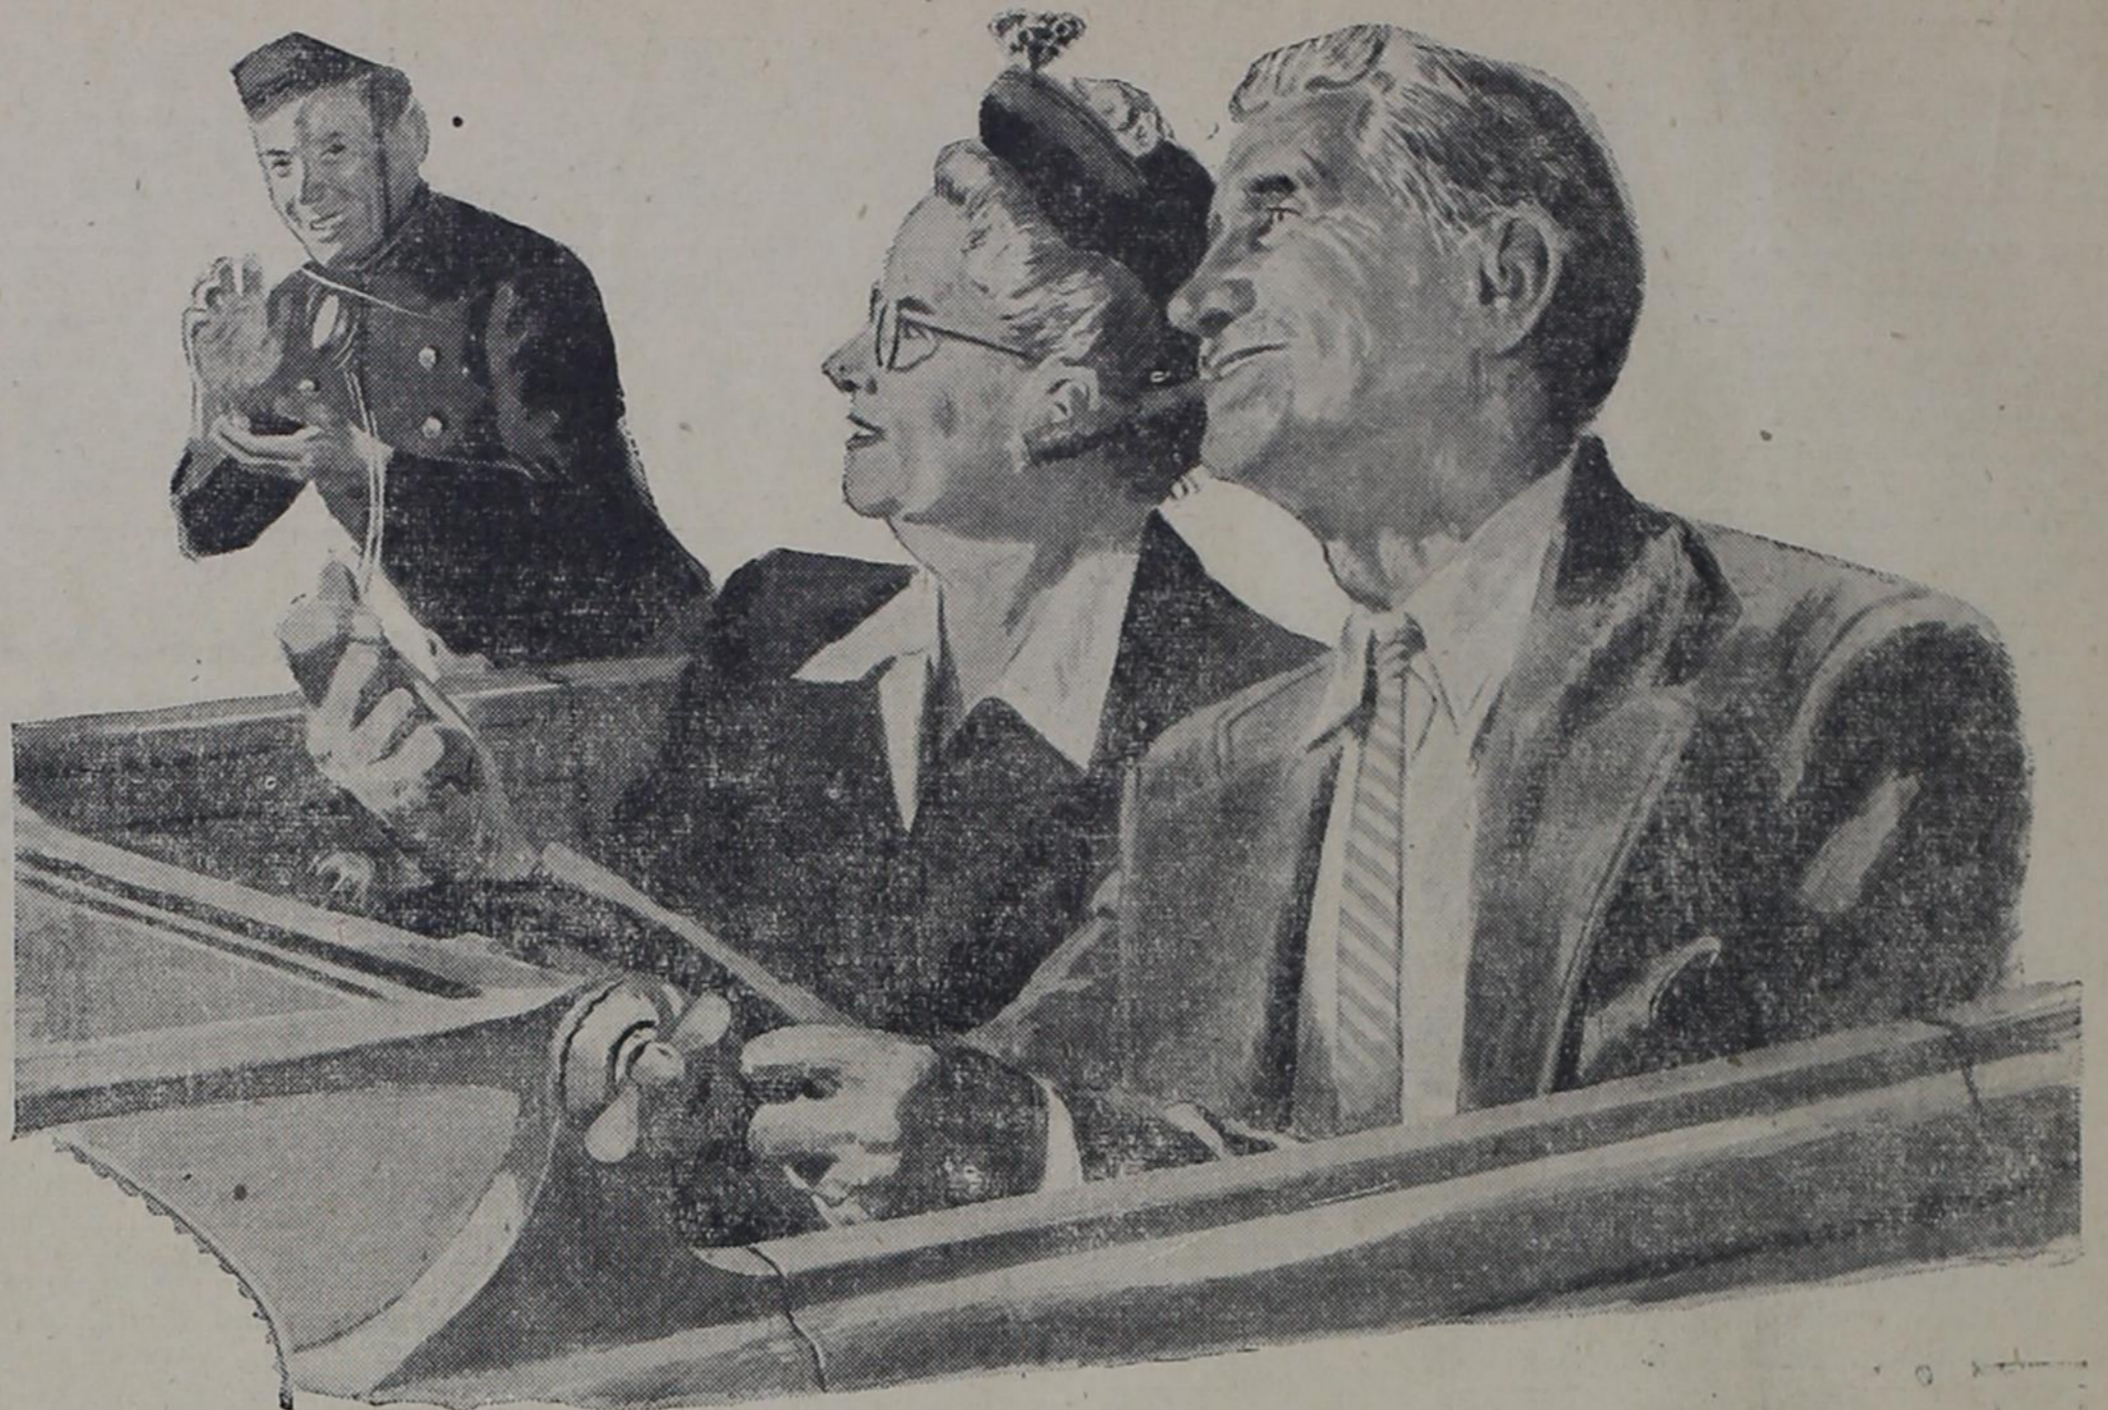

For County Commissioner, Pct. 4:
W. S. MENEFFEE.
(Re-election).
JIMMIE SEATON
ALEX STEINBOCK

For County Commissioner, Pct. 3:
E. F. BILLINGSLEY
FRANK PHILLIPS

New Signal Material Ordered by Santa Fe

The Atchison, Topeka and Santa Fe Railway System has placed an order with the Union Switch and Signal Company for the required signal material involved in the installation of a centralized traffic control system between Canyon, Texas, and Texico, New Mexico, comprising seventy-seven miles of single track. A fifteen-foot style "C" control machine located at Amarillo, Texas, will control the C. T. C. territory with coded track circuit utilized between sidings.

In addition to the machine the order includes the required code equipment, style H-5 high and dwarf searchlight signals, style M-22A electric movements, style T-21 switch, style SL-21A electric locks carrier equipments, relays, rectifiers, transformers, switch circuit controllers, housing, etc. The installation will be carried out by the Railway Company's forces.

Good tip for any trip!

Take it from those who know travel and travelers best . . . before any trip, drain out that dirty old winter oil and OIL-PLATE your engine with fresh, new Conoco Nth!

Conoco Nth Motor Oil (Patented)* contains a plus ingredient that acts magnet-like to fasten an extra film of lubricant so closely to metal that your engine's cylinder walls and all moving

parts are actually OIL-PLATED!

And because protective OIL-PLATING stays up there where it belongs . . . won't all drain down even when your engine's idle overnight. . . Nth Oil extra-protects from "dry-friction" starts . . . from power-choking sludge and carbon due to wear!

For extra-powerful, extra-cool, extra low-cost miles . . .

Make a date to OIL-PLATE!

Health Notes

By Texas Department of Health

AUSTIN—It is a tragedy that Texas parents continue to allow their babies to suffer and die from that painful and killing disease diphtheria. This is the opinion of Dr. Goe. W. Cox, State Health Officer, who says "It is up to the parent. If they protect their children with immunization, they need not have diphtheria."

Dr. Cox said that it is amazing that this disease should be allowed to take its toll of young lives when it can be entirely stamped out by proper immunization. Yet in the past week, 33 cases were reported

in this state.

"Babies should be immunized by the age of eight or nine months," Dr. Cox advised. Authorities on the care of infants recommend a first dose by the age of eight or nine months, and sometimes as early as six months. A second dose is usually given later.

To maintain complete immunity, Dr. Cox said that a reinforcing dose of toxoid is advised when a child is old enough to enter school if a Shick test reveals the need of one. Children who have never been immunized should certainly be protected without any further delay, the State Health Officer declared, and added that it is the responsibility of the parents to save the lives of their children.

Buy foods in plentiful supply. They are generally cheaper.

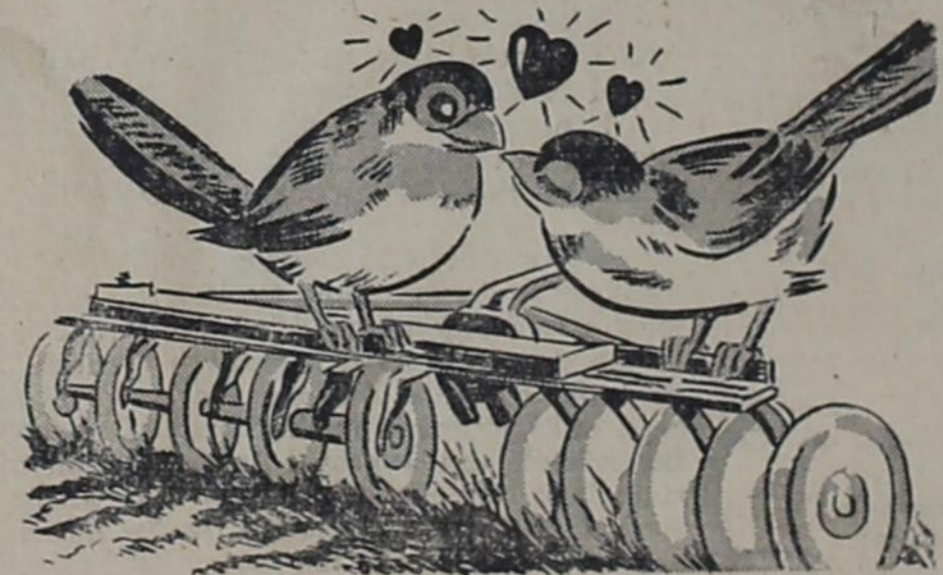

AWARDED FELLOWSHIP

LUBBOCK—Byron Bennett, associate professor in electrical engineering at Texas Tech, was awarded a one-year Westinghouse Fellowship at Leland Stanford University for graduate study in electrical engineering, to begin Sept. 1, 1948.

Bennett joined the college's engineering faculty in 1946 after his discharge from the Navy. He was graduated with a BS degree from Tech in 1943, and during his navy training also did graduate work in electrical engineering at Princeton and Massachusetts Institute of Technology.

\$19 BILLION INVESTED

The investment in the roadway and structures of the railroads amounted to approximately \$19 billion in 1946—Santa Fe Almanac.

True Stories of West Texans

(By N. H. KINCAID)

THE BOOT HILL OF OLD RATH CITY

Twelve miles northwest from Hamlin in Jones County, and just south of the northern boundary fence where the old T-Diamond joins the W. P. Moore ranch, there is a lonely, grass-covered grave yard. It is the "boot hill" of old Rath City. Only one grave was ever marked, but for years it bore the crude legend: "Thos Lumpkins, Apr. 27-77."

To the east of this grave is the present pasture road, and if one should care to kick about in the grass he would discover that it had once been an old wagon trail. Some 600 feet down this trail and buried among the grass roots, might be found another grave yard—that of broken bottles and crumbled adobe walls. It is the remains of a little buffalo hunter's town that used to be.

But there is a story back of that

lonely grave of young Tommy Lumpkins. And this story begins early in Feb., 1877, when news of Indian trouble reached the scattered buffalo hunters out on location. By the last of the month some 300 of them had gathered at Charley Rath's little village for a council of war against Black Horse and his braves. Some of these buffalo men had been at Adobe Walls three years before when Quanah Parker led his Comanches from the Ft. Sill reservation; and they did not intend to be caught flat footed again. Yet one of their number, Marshall Soule, had been killed.

"Why leave it to Black Horse to choose the time and place?" demanded Pat Garrett, who latter became Sheriff of Lincoln County, N. M., and killed Billy the Kid. "Let's do the choosing and flush him out of his lair."

"You are right!" declared Hank Campbell, an old Indian fighter from northern Kansas.

An expedition was decided on and 45 men, under the leadership of Campbell, volunteered to go. The men carried their Sharps buffalo guns and pulled wagons loaded with 250 pounds of ammunition for each man, besides bar lead, primers and reloading outfits.

But here frictions developed. It seems that Tommy Lumpkins, who proved quite hand with his tongue, opposed the entire plan—much to the disgust of Murphy, another buffalo hunter.

Feeling did not subside between the to men, who chose to remain in Rath City; and it came to a head during a poker game a few days after the expedition left. Murphy proved the quicker on the draw. Spotter Jack, a government scout, buried young Tommy Lumpkins and carved out the headpiece from a slab of white pine that had been part of an ammunition box. Thus his proved to be the first casualty of a costly campaign that nevertheless achieved its purpose—that of forcing the Indian to accept the reservation and desist from being a menace in West Texas. And it is as the grave of young Lumpkins that established the "boot hill" of Rath City.

Radio Station Will Be Put In At Hereford

Hereford is to have a radio station. Construction of station KPAN will be started at once. The 250-watt station will operate at 860 kilocycles. A 270-foot tower will be built.

Manager of KPAN will be Marshall Formby, former publisher of the Plainview Tribune. Formby and John Blake of Brownwood own the station. Blake operates a printing establishment in Brownwood and will not be actively engaged in operating KPAN.

Formby and Blake originally obtained a permit for erection of a

station at Canyon, but later amended the request and got permission from the Federal Communications Commission to erect KPAN at Hereford. KPAN to be known as "The Panhandle Station", expects to be on the air in July.

191,800 BRIDGES

191,800 bridges having a total length of 3,860 miles and 1,500 tunnels having a total length of 320 miles carry the Railroad tracks.—Santa Fe Almanac.

Mister, this Oil gives you "Lubri-tection!"*

Yes, That's the Kind of Protection You Get With the Great Phillips 66 Premium Motor Oil!

RIGHT—you can get more than just lubricating qualities with this fine oil—you get plenty of engine protection, too!

That's why we call it "lubri-tection"! Because Phillips 66 Premium does more than just oil moving parts. It washes away harmful sludge, helps reduce piston-fouling varnish, protects delicate bearing metal from corrosion. All that in a quart of oil!

Why not give your engine this kind of treatment—it's worth it. Just ask for the new Phillips 66 Premium.

PHILLIPS 66 PREMIUM MOTOR OIL

* "Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

ACA News

Harold W. Carpenter, Secretary

Every day newer and better farming methods are being tried and approved by some progressive farmer. His neighbor looks across the fence and sees what is taking place and immediately adopts that particular practice. We can learn a lot about modern fertilizers by looking across the fence at our neighbor's alfalfa patch or wheat field. A few years ago, it was the general opinion that all this country needed to produce the maximum is moisture. Since irrigation has been put into widespread use, this theory has been disproved. Here are a few examples: Gus Schlabs of Friona applied 10 lbs. per acre of ammonium nitrate to 70 acres of late wheat. Two weeks ago this wheat was beginning to boot, with 70 head of cows on it. Last year J. G. McFarland, of Friona, applied 200 lbs. per acre of 20% superphosphate to his alfalfa. He estimates that his yield doubled over previous years and the hay produced was of higher protein and much better quality. Jesse Osborn, of Muleshoe, regularly applies a commercial mixture of nitrates, phosphates and potash. His cotton yields are almost unbelievable. Of course, the use of fertilizers is expensive, but results obtained pay off and the natural soil is conserved.

This office is in position to help you with your fertilizer needs. Already nine cars have been delivered to Parmer County. Only one car was delivered last year, which goes to show that we have been watching our neighbors.

All Commodity Credit Corporation grain loans mature on April 30. Producers with grain that has not been redeemed are advised to take steps before the maturity date.

The best system of terraces constructed in Parmer County in recent years was completed last week on the Mervin Wilterding farm in

Lazbuddy community. About 200 acres were terraced by Blackman & Howell of Muleshoe. A conveyor type terraces was used, with the sharp shoulders usually left being pulled in and plowed immediately. Lines were surveyed by Ollie Limer, county extension agent. The entire cost of construction was paid by Production and Marketing Administration.

Gilmer-Aikin Committee Organized in County

Organization of the Parmer County Gilmer-Aikin Advisory Committee was perfected at a meeting held at the Farwell high school on Monday night, following a dinner served by Supt. and Mrs. O. T. Loyd of the Farwell school.

Supt. Loyd acted as chairman pro tem, and the following officers were elected: O. T. Loyd, Chairman; Lesile Hinds of Friona, vice-chairman. Gilmer-Aikin Committees are being organized in every county in Texas, whose duties it will be to study the educational needs of the State with the view of making recommendations to the Texas Legislature for the improvement of the school system throughout the State.

Sixteen representative citizens of the county were named as members of the Parmer County Gilmer-Aikin Committee and eleven of these members met Monday night to set up the organization.

Those attending Monday night's meeting were: Mrs. Frank Spring, Mrs. Sloan Osborne, and Lesile Hinds, Friona; E. B. Caldwell, W. O. Cherry, Bovina; O. T. Loyd, Mrs. Claude Rose, Jack Williams, Judge A. D. Smith, W. H. Graham, Farwell; C. C. Christian, Oklahoma Lane. Visitors present were Mr. and Mrs. W. E. Knoy and Supt. R. S. West of Lazbuddy. Other members of the committee, who were unable to attend the first meeting were: Supt. Dalton Caffee, Friona; Lee Thompson and Troy Armstrong, Bo-

vinia; Mrs. J. D. Thomas, Farwell; John Gammons, Lazbuddy.

After organizing the county-wide committee, the organization was broken down into the following sub-committees:

State Finance: O. T. Loyd, C. C. Christian, Lee Thompson, Dalton Caffee, Jack Williams.

Codification of School Laws, Etc.: Dalton Caffee, A. D. Smith, Troy Armstrong, Jack Williams, Lesile Hinds.

Health: Mrs. Claude Rose, Mrs. Frank Spring, Lee Thompson, W. O. Cherry, A. D. Smith.

Textbooks and Curriculum, Etc.: W. O. Cherry, W. H. Graham, Mrs. Sloan Osborne, E. B. Caldwell, Mrs. J. D. Thomas, Lesile Hinds.

Local administration: To be composed of the chairman of all committees named above, with Judge A. D. Smith named as chairman.

State Organization: The entire group of sixteen named above. The group accepted the invitation of W. O. Cherry to meet at Bovina for the next meeting on the evening of May 10th.

LEAVE FOR CALIFORNIA

Mr. and Mrs. Ebb Randol, of Muleshoe, and T. J. Randol, of Farwell, left the first of the week for Lynnwood, California, to be at the bedside of Mrs. Leona Osborne, former local resident, who suffered a stroke on Sunday, April 4th. Mrs. Osborne, the daughter of T. J. Randol, is completely paralyzed except for use of her eyes, it is understood.

Graves Depot Will Be Moved to Ft. Worth

SAN ANTONIO—The American Graves Registration Division of the San Antonio General Distribution Depot here will be discontinued effective May 15, Lt. Col. S. H. Partidge, chief of the division, announced today.

After that date, remains of Texas war dead returned to Texas for permanent burial, will be distributed from the Fort Worth Quartermaster Depot. Remains destined for sections of Louisiana, that have been served by the San Antonio office, will be handled by the Quartermaster Depot at Memphis, Tenn.

After May 15, all communications relative to the war dead repatriation program should be addressed to the American Graves Registration Division, Fort Worth Quartermaster Depot, Ft. Worth, Tex.

Texans Will Show Appreciation For 'Lady of Liberty'

DALLAS, Tex.—Schools, churches, civic clubs and organizations will express their appreciation to France for the "Statue of Liberty," during the week April 11-18. The week has been proclaimed "Appreciation Week" by Governor Beauford Jester.

The State Department of Education of which Nell Parmley is musi-

cal director has selected a playlet "The Story of the Lady of Liberty," as the most effective means of celebrating the event. The playlet was written by Vernelle Stinson, coordinator of elementary music in the Highland Park Schools of Dallas. The musical theme for the playlet is a song written by John W. Miller and Paul Welbaum of Dallas, titled "Lady of Liberty". Miss Parmley has mailed copies of the playlet and the song to 1750 Texas schools, together with the Governor's proclamation.

The song was featured on Bedloe's Island at the foot of the Statue of Liberty on her 60th birthday. Mr. Miller has a letter of thanks from General Degaulle for a recording of the song sent him.

It has been more than sixty years since the people of France raised funds with which to purchase the Statue of Liberty and present it to the people of the United States in appreciation of their efforts for freedom of all peoples.

NTSC Will Not Rent Books To Students

DENTON—Beginning with the fall semester, North Texas State College students will buy their textbooks instead of drawing them from the textbook rental library, Pres. W. J. McConnell has announced.

"Mounting costs of student activities covered by fees have made it necessary that the college go off the textbook rental plan," Dr. McConnell explained. "Members of the staff in general seem to feel that in certain fields the present plan tends to perpetuate books which have become outdated, and that under the purchase plan books on rapidly changing subject matter could be kept more current," he commented.

Veterans attending school at government expense will continue to receive free textbooks, as the federal government will pay for textbooks as well as activity fees.

BAND HALL AT TEXAS

AUSTIN—The University of Texas Longhorn Band's first Band Hall is now a reality. Located just north of Memorial Stadium, the Hall will be used for practice periods and a meeting place for the honorary band fraternity, Col. George Hurt, director, said.

Legion Hall Is Scene Of Class Banquet

The newly-completed American Legion Hall, in Farwell, was converted into a semi-night club the past Friday night, when members of the Farwell junior class entertained the seniors and other guests in the highlight of the spring season, the Junior-Senior banquet.

Carrying out the motif, pastel drapes were arranged at the windows, with imitation palm trees set out about the dining room. Tables for four were laid, with blue candles rising from a centerpiece of red and white sweetpeas. The napkins bore the letters "FHS", with school colors of blue and white used on the memory books, place cards and napkins. At one end of the hall large letters of "FHS" were arranged on the wall.

Toastmaster for the event was A. C. Henneman, president of the junior class, who offered the welcome. The response as given by Harry Sheets. Miss Rosamond Booth gave a violin solo, accompanied by Miss Theda Branscum, and the senior class will was read by Sonny Graham, with the class prophecy by Warlick Thomas. Supt. O. T. Loyd was introduced for a few remarks, after which Hamlin Y. Overstreet was presented as the principal speaker of the evening.

Seniors present were Jo Ann Williams, Maxine Ford, Junior Robertson, Bobby Hart, Sonny Graham, Velma Threet, Harry Sheets, Charles Felts, Willie Joe Carpenter, Talma Randol and Leonard Watkins. The juniors present: A. C. Henneman, Warlick Thomas, Jackie Holland, Toby Booth, R. A. Cassady, Gorman Pyrd, Duane Curtis, Alta Martin, Mary Ruth Petree, Rosamond Booth, Mildred Meissner, Hollis Hughes, Theda Branscum, Alta Lee Wyrick.

Special guests included Mr. and Mrs. Jack Williams, Mr. and Mrs. Johnnie Williams, Mr. and Mrs. Ray Ford, Mr. and Mrs. Cummins and Peggy from Colorado, Supt. and Mrs. O. T. Loyd, Mr. and Mrs. H. Y. Overstreet.

Supt. and Mrs. Loyd Honored At Shower

Supt. and Mrs. O. T. Loyd were honored with a post-nuptial shower, the past Thursday evening, in the homemaking rooms of the Farwell school, with the Parent Teacher Association acting as hostesses.

Girls of the homemaking department were in charge of the lovely serving table, featuring a centerpiece of sweet peas, and also had charge of the guest register. As the gifts were opened, they were placed on a long table for display.

Out-of-town guests included Mr. and Mrs. W. C. Bley, of Olton; Mr. and Mrs. W. R. Hair of Hereford, Mr. and Mrs. Tom Loyd and Mr. and Mrs. Marion Cryer, of Lubbock.

New Officers Chosen For Texico PTA

Mrs. Fern Stout was chosen as the new president of the Texico Parent Teacher Association, at a meeting of the group held last Thursday.

Vice president is Mrs. Barney Harding, with Mrs. Jim Moss named as secretary-treasurer of the PTA.

On May 6th, a picnic supper will be held at the school grounds, honoring the new officers and the faculty. Mrs. Scotty Levins, retiring president, said today. Following the supper, the group will adjourn to the school auditorium, where new officials will be installed.

Mrs. Carl G. Davis and Mrs. Ernest Meeks were visitors in Amarillo, Monday.

DAR Luncheon Notes 17th Birthday Date

The Daughters of the American Revolution celebrated their 17th birthday with a luncheon in the fellowship hall of the Presbyterian Church in Clovis, last Wednesday, April 7th, at 1 p. m.

Mrs. A. D. Smith, of Farwell, had charge of a program on American music. Mrs. John D. Brown gave a resume of the origin of the DAR's and their many activities. Mrs. Smith discussed American composers, and presented Mrs. C. M. Henderson and Mrs. W. H. Graham, of Farwell. Mrs. Henderson rendered a beautiful piano solo by the American composer, Ethelbert Neven, and accompanied Mrs. Graham, who sang three Negro spirituals.

Mrs. Ann Lisbeth Jameson gave a humorous reading, an Irish woman's version on how to organize a woman's club. Miss Delores Troutner added her talent by playing two piano solos, "To a Wild Rose" and "In An Indian Lodge", by McDowell. The Misses Sandra Powell, Della Ruth Freer, and Maxine Brake, accompanied by Jackie Evans, sang a collection of plantation melodies. The program closed with a tribute to the flag, given by Ann Lisbeth Jameson, assisted by the GDC girls singing patriotic melodies, and the ladies joining in the national anthem.

Mrs. A. D. Smith, Mrs. Anne H. Overstreet, Mrs. W. H. Graham and Mrs. C. M. Henderson, from Farwell, attended the luncheon and program.

Farewell Dinner And Bridge Held Sunday

Mr. and Mrs. J. P. Macon, who are moving this week to Bovina, were honored with a farewell dinner-bridge, Sunday evening, when Mr. and Mrs. M. C. Roberts and Mr. and Mrs. Claude Rose entertained in the Rose home.

Dinner was served buffet style, with table decorations being bouquets of spring flowers. Bridge was enjoyed following the meal, and the honorees presented with farewell gifts.

Those present included Mr. and Mrs. J. P. Macon, Mr. and Mrs. G. E. Anderson, Mr. and Mrs. Joe Magnus, Mr. and Mrs. Ira S. Levins, Mrs. Bess Henneman, Mr. and Mrs. Russell Hardage of Clovis, and the hosts and hostesses.

Sunday School Class Meets Monday Night

The Golden Circle Sunday School Class of the Baptist Church held its regular meeting on April 12 in the home of Mrs. Mabel Gordon Caffee.

Mrs. Hazel Lance had charge of the scripture reading, after which a social hour was enjoyed.

Delicious refreshments were served to Mesdames Julia Hillock, Fern Hardage, Tom Paul McCuan, Inez North, Katherine Lockhart, Onie Bradshaw, Barnes, Perry Crowley and the hostess.

Daughter Is Born

Mr. and Mrs. William Thornton, who live near Bovina announce the arrival of their first-born, Irene, on Friday, April 9th. The young lady checked in at the Friona Community Hospital, weighing 6 pounds and 10 ounces. Mr. and Mrs. Roy Thornton and Mr. and Mrs. B. N. Graham are the proud grandparents.

Mr. and Mrs. John Getz of Peoria, Ill., visited the past weekend in the C. M. Henderson home. They enroute home from a vacation trip to Carlsbad and other New Mexico points of interest.

PTA Box Supper Will Be Held On Friday

Sponsored by the Parent Teacher Association, a box supper will be held in the Farwell auditorium on Friday night of this week, April 16.

Sale of the boxes is scheduled to begin at 8 o'clock, and two separate groups will be set up for the auction. Boxes belonging to grade students will be sold separately, with a ceiling imposed, in order that the youngsters may participate in the bidding.

Proceeds of the supper will go toward paying for the new stage curtains at the school, and the public is invited to attend.

Anniversary Dinner Is Tendered Sunday

Mr. and Mrs. John Crim entertained in their home, Sunday, with an anniversary dinner honoring their daughter and son-in-law, Mr. and Mrs. Lovell Johnson, of Dallas, on their first anniversary.

Those present included the honorees, Mr. and Mrs. Clyde Pumroy and children, Miss Helen McDaniel, Kenneth Willis, Mike, Weldon and John Crim, Jr., and the host and hostess.

Visit In Ft. Worth

Mrs. Hazel Petree returned Monday from Fort Worth, where she had been visiting relatives. Her son, Wendell, who is in the Army, drove her home after taking his wife to Houston to visit relatives. Wendell is being transferred to Montana.

In Faville Home

Mr. and Mrs. Fred L. Evans visited the past Friday and Saturday with Mr. and Mrs. B. O. Faville, in Texico. The Evans, old friends of Mrs. Faville, had spent the winter in Phoenix, Arizona, and were enroute to their home in Marshtown, Iowa.

Baby Born Sunday

Mr. and Mrs. Mitz Walling announce the arrival of their daughter, on Sunday, at a Clovis Hospital. The young miss, who weighed 7 1/2 pounds at birth, has been named Edith Ann.

Is Guest of Parents

Mrs. Della Horne, daughter of Mr. and Mrs. J. A. Richards, arrived at the Bovina home of her parents from Wichita Falls, the first of last week, and is spending a few days.

CARD OF THANKS

To our many friends and neighbors who expressed their sympathy with words, cards and flowers, during the time of our recent bereavement, we take this means of sending you our most sincere appreciation. Your consideration of us will be remembered as an honor to our beloved mother.

The Family of Mrs. Pearl Donaldson.

CARD OF THANKS

May we take this means of thanking our friends, and may God's richest blessings be upon them for so graciously giving of their time, food and the beautiful flowers during the illness and death of our beloved wife, daughter, sister and aunt.

M. H. Martin, Mrs. M. H. Campbell, Mr. and Mrs. Lee Pass, Mr. and Mrs. S. N. Martin and family, Mr. and Mrs. W. C. Hoyl and family, Mr. and Mrs. W. E. Hastings and children, Mr. and Mrs. J. C. Ddney, Mr. and Mrs. Bill Denney, Mr. and Mrs. V. C. Ward, Mr. and Mrs. O. M. Nunn, Mr. and Mrs. Jac Woltman.

Mr. and Mrs. Perry Crawley and children visited last Sunday in the home of his brother and family, Mr. and Mrs. Cecil Crawley, at Forest, N. M.

Turkey Dinner Held in Johnson Home

A turkey dinner was held Sunday in the home of Mr. and Mrs. Russell Johnson, celebrating the 20th birthday of Bill Johnson and the eighth birthday of Gloria Ann Johnson.

Guests were Mr. and Mrs. Tommy Templeman, Billy Joe, Barbara and Judy; Mr. and Mrs. Gene Templeman of Clovis, Mr. and Mrs. Ray Stone, T. J. Randol, Mr. and Mrs. Bill Johnson of Pampa. Fred Curtis, Miss Jane Foster, and the Johnson family.

ATTEND INSTITUTE

Rev. Harvey E. Carrell and Mrs. Jim Moss were in Melrose on Monday, attending an institute for Sunday School workers of the Methodist church. The school dealt particularly with literature for vacation Bible school classes, which are held annually in the summer.

Mr. and Mrs. H. B. Patterson, of Seminole, Texas, spent the weekend as guests in the home of their daughter, Mrs. Harvey Carrell.

Little Miss Myrlene Morris, of Clovis, was a weekend guest of Miss Darlene Sprawls.

Mrs. Raymond Ross and children, of Morton, were here over the weekend in the home of her parents, Mr. and Mrs. B. N. Graham.

Mr. and Mrs. Lovell Johnson, of Dallas, are visiting this week in the home of her parents, Mr. and Mrs. John Crim.

Mr. and Mrs. John Francis Tate, of Amarillo, are parents of a son, born on April 5th. Miss Maggie Tate of Farwell, is spending the week with them.

Mrs. Vane Petree, of Santa Fe, was here the past weekend, visiting relatives and former neighbors.

Mrs. Horace Hunter, of Purcell, Okla., and Mrs. John Perry, of Sherman, Texas, visited last week in the home of Mr. and Mrs. Ira S. Levins.

Mrs. Bess Henneman returned Friday night from Amarillo, where she had attended a two-day meeting of Farm Home Administration employees.

CARD OF THANKS

We take this way of expressing our thanks to our neighbors and friends for the many kindnesses shown us during the illness and death of our sister. Your assistance in helping us care for her; the food and beautiful flowers were gratefully appreciated. May God's blessings be with you all.

Price, Lloyd, Lawrence Quisenberry Miss Erna Quisenberry

CARD OF THANKS

We will always be grateful to our friends who came to our assistance in the death and burial of little Edgar Loyd, whose tragic death occurred last Wednesday. Your kindnesses will always hold a very prominent place in our memories.

Mr. and Mrs. A. L. Sizemore, Mr. and Mrs. H. R. Crook.

"THE GIRL AND THE OUTLAW" ***It's a romantic tale stranger than fiction, this love story of one of the West's most dangerous outlaws and his gentle Julia. Homer Croy tells the thrilling story of desperado Emmet Dalton's career in THE AMERICAN WEEKLY, that great magazine distributed with next Sunday's Los Angeles Examiner.

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

"Where Your Business Is Appreciated"

Social Security Doesn't Want Tax Payments

It's time for employers to file their quarterly social security tax returns again—but the Social Security Administration doesn't want the

money! J. R. Sanderson, manager of the Amarillo office, says that his office again has received a number of tax returns, with money enclosed, which should have been sent instead to the Collector of Internal Revenue. When mailed, the quarterly social security tax returns should be sent

to the Collector of Internal Revenue, Dallas.

He reminded employers who have not yet completed the returns for the quarter ending March 31, 1948, that they should exercise care in reporting the complete name and exact social security account number of each employee who worked, for no matter how short a period, during January, February and March. The return must be filed not later than April 30, by all employers of one or more persons on work covered by the Social Security Act.

Payments Available To War Survivors

Many people still do not know that old-age and survivors insurance payments under the social security act may be payable to survivors of World War II veterans.

John R. Sanderson, manager of the Social Security Administration field office in Amarillo, pointed out that since this protection is based entirely on military service, it is not necessary for the veteran to have held a social security card or to have normally been covered by the Social Security Act. Among those groups which normally are not covered by social security but who are protected by this amendment are agricultural workers, professional men, and the self-employed.

In general, this legislation provides protection to survivors if the veteran served in the armed forces at least 90 days, was honorably discharged, and death occurred within three years of the date of discharge. The amendment does not provide for benefits to survivors of servicemen who died while on active duty. However, the survivors of servicemen who died while on active duty and who had worked in employment covered by Social Security long enough to be insured may still be eligible for benefits under the regular provisions of the Act.

Sanderson said that since these benefits are not automatic, claims must be filed at the nearest Social Security field office.

Dr. Alexander Will Give Baccalaureate

LUBBOCK—Dr. William H. Alexander, prominent religious leader in the Southwest and pastor of the First Christian Church, Oklahoma City, will give the baccalaureate address for the 1948 Texas Technological College graduating class at the college stadium June 6, Pres. W. M. Whyburn announces.

The young pastor has gained recognition in his native Oklahoma and in the Southwest through his Sunday radio programs. His radio hour has polled more listeners than any other religious feature presented on the air. He is widely known also for his successful leadership among youth groups.

The baccalaureate ceremony is expected to honor the largest group of degree candidates in the college's history, with 500 students scheduled for graduation. The service will begin at 6 p. m.

Suede shoes should be dry before they are brushed or rubbed. Use a rubber sponge or stiff brush.

Wheat Variety School Slated, April 22-23

A large enrollment is expected when country elevator and mill grain buyers, as well as county agents, agriculture teachers and certified wheat growers meet at a state school to continue study of wheat kernel characteristics, April 22 and 23, at the Grain Exchange Building in Amarillo.

Invitations to buyers and others extended by K. E. Soder, director, Texas-Oklahoma Wheat Improvement program, lists six instructors headed by Fred T. Dines, nationally recognized variety expert employed by Tex-O-Kan Flour Mills. Other instructors include R. H. Jordan, Oklahoma grain inspector, Claude Goodnight, Texas grain inspector; Willis B. Combs, USDA grain marketing specialist, Chicago; plus several A. & M. College representatives.

The program will begin at 9 a. m. each day. The first half-day will be a review of past schools, and will give beginners an opportunity to catch up, according to Soder. Those who have learned to identify four varieties at past schools will learn four more, for a total of the eight principal varieties grown in this area. Buyers for mills are demanding desirable varieties for local flour sales, and are picking every car they buy for variety. Housewives and bakers, by demanding high quality bread, are forcing mills to pay premiums for the desirable varieties, whether purchased here at home or in the north, advises Soder.

Either wanting premiums today or looking to the time when the huge export program collapses, country elevator wheat buyers are flocking to these and similar schools to learn to distinguish between desirable and undesirable milling and baking varieties. They will thus be prepared to protect their profits when two prices are paid for wheat at country points, as is now the case

at all major wheat terminals, concludes Soder.

"Certificates of Merit" will be awarded all graduates depending on their final ability. Graduates are graded in three groups, primary, qualified, and expert.

Now Is The Time To Prune Shrubs

COLLEGE STATION—Early flowering shrubs which were injured recently by the late freeze should get their annual pruning at this time, says Miss Sadie Hatfield, extension landscape gardening specialist of Texas A. & M. College.

If the roses, jasmine and other shrubs injured by the frost March 10 and 11 have not been pruned back yet, take comfort in knowing that the injury has not been greatly increased through neglect. Most injury in Texas takes two forms: killing of the outer twigs and frost cracks along the larger limbs and sprouts.

Twig injury is easily removed on roses, other shrubs and trees. By this time it is easy to decide how far back the twig needs to be cut in order to remove the dead part. Choose a healthy bud and make a slanting cut about one-half inch above the bud. It is important that the cut be made in the right place. If the cut is made too far above the bud, a dead stub will be left. This may cause a dead treat or "black heart". On the other hand, if the cut is made too close to the bud, it will die.

Most of the time it is hard to see frost cracks, especially when they are on the lower branches of a shrub. These cracks or ruptures, which may be one inch to one foot in length, run in the same general direction as the limb. Usually it is best to cut off the entire limb if the frost cracks are especially large. However, if the cracks are small and few, the limb may wall-over this injury and remain healthy looking. Some plants with frost injury on the

limbs and sprouts remain unthrifty and unattractive for years.

Sometimes the frost cracks are not discovered until summertime, when the plant is examined to find out why it has an unhealthy appearance. It is pretty late to do much about it then, so remove the damaged parts now for a vigorous looking tree or shrub this summer. Here is a point to remember. It is better to remove a great deal than too little on such shrubs as spirea, jasmine, vitex, oleander, primrose, poinsettia and crape myrtle, says Miss Hatfield.

IS NAMED CHAIRMAN

LBUBOCK—Dr. J. William Davis, professor and head of the Texas Technological College government department, was named chairman of the government committee of Southwestern Social Sciences association at a recent meeting in Dallas. He was also elected a member of the executive board.

Dried fruit and bread crumbs or cooked cereal may be combined in a stuffing that dresses up the cheapest cuts of meats.

Fox Relays Come 17th At Ft. Sumner School

Participants from 15 to 20 schools will line up for track and field honors this Saturday, April 17th, when the annual Fox Relays are held at the Ft. Sumner track. Reports here are to the effect that schools from all over the state will be represented at the meet, which is one of the most severe proving grounds for track aspirants.

Coach C. E. Sanders said today that he expected to take a good group of boys from the Texico school, with Blain and Tucker slated for the 100; M. Doolittle in the 220 and 440; A. Doolittle in the half; A. Doolittle, Baldock and M. Doolittle in the high jump; Pearce and Tucker, broad jump; Blain, M. Doolittle, Tucker, and J. Doolittle as low hurdlers; Blain, A. and J. Doolittle and Tucker as high hurdle entries; Pearce, Baldock, Blain and M. Doolittle as th relay squad; Pearce and May in javelin, and discus; Pearce, May and Baldock in shot put; A. and M. Doolittle and May in vault; and A. and J. Doolittle as vaulters.

Several other entries may be made from Texico, he added. Ribbon and medals will be presented individual inners, with trophies being awarded teams who take top honors.

MELROSE GIRLS CHAMPS IN VOLLEYBALL MEET

The Melrose girls won the Curry County volleyball crown the past weekend, when the annual tournament was held in Melrose. Second place went to Ranchvale, with the Grady A squad in third place.

Melrose first defeated Grady's B team, after which the Grady A girls handed Field a 24-3 loss. Texico took its first game, 14-28, over Rose-dale, and Ranchvale dropped Pleasant Hill, in the first round.

Continuing play Friday night, the Ranchvale team tossed the Grady B's for a 31-10 loss, while Texico dropped a heart-breaking one-point decision to Melrose, 19-20. The local girls then lost the consolation match to the Grady A squad, 19-28, and Melrose won the final over Ranchvale, 6-1, in an overtime playoff.

Texico Boys Entered in Track Activities

Track and field men of the Texico school spent last Friday in Melrose, taking part in a seven-school invitation meet which was won by the Pleasant Hill aggregation.

Pleasant Hill racked up 62½ points during the meet, with Melrose taking 36½ to place second. Texico, Floyd and Fiolo were tied for third place with 34 points each, while Grady and Ranchvale each racked up 4 points.

Baldock led the scorers for Texico, placing in th discus, shot, vault, high jump, high hurdles, Coach C. E. Sanders reported today.

Placements made by the Texico boys included:

Mile run—A. Doolittle, 3rd; J. Doolittle, 4th.

Low hurdles—Blain, 3rd; M. Doolittle, 4th.

High Hurdles—Blain, 4th; Baldock, 5th.

Shot put—Baldock, 1st, distance, 41 ft. 6 in.

Discus—Baldock, 1st; distance, 120 ft. 9 in.

Javelin—May, 2nd, distance, 139 ft.

Vault—M. Doolittle, Baldock, and entries from Floyd, tied for 3rd.

Relay — Texico, second; Baldock, Blain, M. Doolittle, Pearce.

The local team was weakened by the absence of several regular members of the team, who were in Las Cruces with the FFA group.

TEXICO SCOUTS ATTEND CAMP-O-REE FRIDAY

Texico Boy Scouts are making plans to attend a district Camp-O-REE, to be held at Alamogordo Lake near Fort Sumner, on Friday and Saturday of this week, Scoutmaster F. D. Stout said Tuesday, following the regular Scout meeting on Monday night.

Various contests concerning the Scout program will be arranged for the groups to participate in, with winners to attend a meeting in Roswell, later this month.

Stout said that 12 or 14 boys representing the Texico troop plan to make the trip.

Ag Boys Return Home From State Meeting

Nine members of the Texico FFA chapter and instructor F. D. Stout returned home Sunday from Las Cruces, where they had spent three days attending the annual state contests and meeting.

Stout reported the first of the week that his boys, most of them freshmen, did not place in the upper bracket at the state gathering, except in the case of Bobby Poteet, a sophomore, who was in the first ten in the individual ratings. Some 39 schools from over the state were represented in the various contests, with the boys doing judging work on stock, dairy, poultry, crops, shop and parliamentary procedure.

In the group from Texico were Bobby Poteet, John White, James Harding, D. J. Brown, W. O. Reed, Wayne Tucker, T. W. Partin, Buddy Joe Sparks, Jimmie Doshier and Instructor Stout. The group camped out on the river while in Cruces, and reported an enjoyable and instructive meeting.

ACHIEVEMENT DAY WILL NOT BE HELD, TEXICO

F. D. Stout, head of the vocational agriculture department of the Texico school, announced on Tuesday that the annual achievement day program for members of the department has been cancelled.

Due to the press of activities between now and the closing of school, Stout said, coupled with the fact that events are running late, caused by weather which closed the school earlier in the year, it was decided to drop the show this year.

Don't Mail Cash, Vets Are Warned By VA

Veterans needlessly take the chance of losing their money and their insurance protection when they mail cash to pay premiums on National Service Life Insurance policies, the VA has warned.

A number of NSLI policyholders continue to send cash to the VA Branch Office in Dallas, for premium payments. Early this month, an eastern office received an envelope with \$1700 in \$100 bills to be applied to the vet's insurance account.

VA pointed out that a veteran, making insurance payments in cash, through ordinary mail, has no way to prove he made the payment in the event it fails to reach VA. Failure to receive the money leaves VA no choice but to lapse the policy.

Veterans are urged to use money orders, postal notes (with the reverse side filled out in full), or checks for NSLI premium payments and also to use the yellow envelopes furnished by VA in mailing payments to the Insurance Service in the Dallas Branch office.

VISITS LOCAL OFFICE

Mrs. Agnes Worsham, administrative office supervisor, of the Dallas Farm Home Administration office, is spending the week at the Farmer County office in Farwell, assisting clerk Mrs. Bess Henneman.

Farm families lose about 3,500 lives and 100 million dollars worth of property each year by fires. This means nearly 10 people die every day because of farm fires.

POULTRY AND STOCK REMEDIES

Keep your poultry and livestock healthy and thrifty by keeping them in good condition. Here you will find a complete line of Dr. LeGear's Poultry and Livestock remedies for every need.
