Texas 4H Clubs All Set For Garden Program

More than 4,700 Texas 4-H Club boys and girls who pledged their "hands to larger service" last year are expected again to enroll in the 1949 National 4-H Garden program. Announcement of this state's acceptance of the program has been made by the National Committee on Boys and Girls Club Work. The activity is conducted under the direction of the Cooperative Extension Service.

Last year nearly 375,000 4-H Club members ranging in age from 10 to 21 years planted and tended approximately 80,000 acres of garden, according to reports of State Club leaders. Born of wartime necessity, the National 4-H Garden contest was first launched in 1942. Peacetime has not lessened the incentive to produce because 4-H'ers continue to raise a large variety of fruits and vegetables which keeps the home table supplied and reduces the family outlay for food.

Records are kept of costs, progress and money returns as part of the 4-H requirements. County Extension agents and local Club leaders organize and encourage the youth to learn how to care for and manage a well-planned garden, carry out a program

ONLY THE BRAVE PROTEST THE FARE . . . But in this instance it appears to be doing little good. A husky Rio de Janeiro, Brazil, cop is doing some vigorous necking here with Evandro Caxato, one of 24 students of the National Union arrested in protest riots against a planned increase in Rio car fare. Three street cars were stoned and set on fire by the demonstrators, who, police said, were members of the young Communist league. All were released after questioning.

disease control, and market surplus produce. In an effort to "make the best better", products are exhibited at county, district and state

fairs, as well as in community competition.

Each 4-H Club member enrolled in the garden program has an opportunity to win one of four county medal awards provided by Allis-Chalmers. Also a state award of an all-expense trip to the 1949 National Club Congress in Chicago, and a chance to become candidate for an eight \$300. scholarships.

FIVE NEW DEGREES

DENTON.—Five new degrees to benefit students going into special fields of science will be offered by North Texas State College beginning in the fall of 1949, Dr. B. B. Harris, dean of administration, has announced.

Students doing specialized work may then receive degrees of bachelor of science in biology, chemistry, mathematics, physics or medical technology. The new degrees, recently approved by the faculty council, will require 20 hours more study than the old bachelor of science degree in these departments.

Regular bachelor of arts degrees

may still be obtained with majors in chemistry, physics, biology or mathematics.

The main trouble with moralists is that they always want to reform somebody according to their ideals.

The modern design for '49

Why not get all this in YOUR new car?

Owners of low-built Hudsons have it!

Owners of New Hudsons are seeing for themselves that the lower a car can be built, the more graceful its lines can be made, the better it will ride, the more surely it will handle, and the safer it will be!

Because people who drive Hudsons "step down" into an exciting, new kind of automobile, they enjoy more head room and roomier seats—in an automobile only five feet from ground to top—than in any mass-produced car built today! Yet Hudson has ample road clearance!

But roominess is only one of the wonderful advantages that go with the automobile that is so far ahead it's a protected investment in motor car value.

Here are more:
Authentic beauty—the "step down" principle is so basically right it frees

designers of the need for makeshift styling, enables Hudson to achieve pleasing proportions, symmetric, free-flowing lines.

A hug-the-road ride, and a smooth, steady way of going, because Hudson has the lowest center of gravity in any American stock car!

Performance? You bet! Hudson's all-new, high-compression Super-Six engine—or the masterful Super-Eight, get every chance to perform at their brilliant best, because this car is so low-built, so streamlined!

A new measure of safety, because you ride completely encircled by the sturdy, box-section steel girders of Hudson's Monobilt body-and-frame.*

We invite you to visit your nearby Hudson showroom, to see all the advantages you are entitled to in your new car!**

Come in, See Hudson's Great PLUS FEATURES

Automatic gear shifting in forward speeds with Hudson Drive-Master Transmission!—shifts only when you want . . . your choice, Super-Six or Super-Eight engine . . . Triple-Safe Brakes finest hydraulic system with reserve mechanical system on same pedal . . . Weather-Control! — Hudson's heater-conditioned-air system . . . Super-Cushion Tires . . . Center-Point Steering . . . and more than 20 other important features on display at your neighborhood Hudson dealer's.

TRIBUNE ADS BRING HOME THE BACON

Attend REA Meeting In New York City

Mr. and Mrs. Leo Forrest, Mr. and Mrs. G. T. Watkins and Mr. and Mrs. Edwin Ramsey, all of the Deaf Smith Electric Cooperative, Inc., of Hereford, have just returned after attending the largest convention of rural electrification leaders in the country, held in New York City on January 31, February 3.

Secretary of Agriculture Charles F. Brannan, Secretary of the Interior Julius A. Krugg; Assistant to the President John R. Steelman, and REA Administrator Claude R. Wickard, were among the top government officials who spoke to the 4,000 National Rural Electric Cooperative Association members at the four-day session of panel discussions, open forums and business meetings. Senator George D. Aiken (Vt.), Rep. W. R. Poage (Tex.), and Senator Estes Kefauver (Tenn.) also spoke to the delegates.

Dr. Steelman, speaking at the banquet held on February 1, read a special message from President Truman: "It will continue to be the policy of this administration to provide loans as rapidly as funds are required to extend electrification to rural areas of our country, through the creation and extension of cooperatives on a sound basis," the President said, "and thus to extend the benefits of our democratic way of life."

Steelman recalled that in the mid-thirties the United States was one of the most backward of the major nations in the vital matter of extending electricity to rural areas. "Only one farm out of 9 in the United States had central electric service . . . today we have only 3 farms in 10 without it."

REA Administrator Wickard, referring to the problems which pertain directly to the bringing of service to every community, told delegates. "Materials are needed in larger quantities. The availability of aluminum conductor is the controlling factor in construction for many REA borrowers. The supply situation on other types of conductor has been tightening. The Wisconsin Electric Cooperative's contract with the Reynolds Metals Company for aluminum conductor offers a bright ray of hope on what otherwise is a darkening picture in this field."

Among resolutions passed by the convention were those calling for Congress to authorize \$450,000,000 for REA loans during the next year and development of the nation's rivers with hydroelectric dams. The resolution supporting public power called attention to the widespread shortage of adequate amounts of electric generating capacity necessary for dependable service.

The Texas group of managers and directors made the trip to the national meeting by special train. Three hundred and twenty-six representatives from Texas attended. This

were able to take a brief sightseeing tour at St. Louis and Niagara Falls on the way to New York. In New York City, after the last business meeting, the Texas group took a grand tour of Manhattan and vicinity.

The special train returned a different route. Friday morning, Feb. 4, the group had breakfast at the House restaurant in Washington, D.

C. This breakfast was attended by both Texas senators, as well as the speaker of the House of Representatives, and a large number of other representatives from Texas.

Upon arrival at Sheffield, Ala., the Chamber of Commerce met the party with automobiles to take the group on a tour of Wilson Dam and other TVA projects. The special train disbanded in Fort Worth.

MMES. GOBER-CALDWELL STUDY CLUB HOSTESSES

Mrs. Webb Gober and Mrs. Tom Caldwell were hostesses to the Bovina Woman's Club, February 10, in the home of Mrs. Gober.

Topic for the program was "Interior Decoration", with Mrs. Lloyd Battey as leader. Mrs. Clarence Jones gave an interesting talk on period furniture.

"Antiques, Glass and China" was discussed in an interesting manner by Mrs. J. P. Macon, who displayed several beautiful pieces of old china and glass.

Mrs. Arnold Hromas spoke on color harmony in the home.

After the meeting was adjourned Mrs. Gober was presented with a large box of pink and blue gifts.

Delicious refreshments of ice cream, red heart-shaped cakes and coffee were served to Mes. Lloyd Battey, G. D. Anderson, Jr., Tom Caldwell, Bedford Caldwell, David Carson, H. J. Charles, Webb Gober, Bob Wilson, Chas. Ross, Aubrey Rhodes, Otho Hammonds, Bill Kyle, Arnold Hromas, C. Jones, J. P. Macon, Reagan Looney and Wm. Thornton.

HAWKINS HOME SCENE OF PINK & BLUE SHOWER
The home of Mrs. Gene Hawkins, north of Bovina, was the scene of a pink and blue shower, Monday afternoon, Feb. 7th, honoring Mrs. D. C. Looney. The Pals Sunday School class acted as assistant hostesses. Guests enjoyed many games during the afternoon, and Valentines

were made, with Mrs. Looney receiving the prize, a wagon loaded down with gifts.

Refreshments of sandwiches, Valentine cookies and coffee were served to Mes. John Wilson, Charlie Hromas, Jerry Pete, Frank Ayres, Frank H. Wilson, Pat Kusekman, R. L. Greco, Clifford Leake, R. N. Williford, A. L. Kerby, Amos Steelman, H. D. Bradshaw, R. L. Barber, Howard Looney, Charles Hawkins, J. P. Macon, W. O. Cherry, E. M. Ware, Reagan Looney, Elton Venable, Gene Hawkins and Arnold Hromas, Misses Jean Danner and June Gay Looney.

Gifts were received from Granny Gaines, Mes. J. W. Gooch, Von Lowen, Gladys Tidenberg, Vernon Ward, Frank Pesch, J. A. Loflin, Bob Johnston, Pauline Caldwell, H. J. Charles, O. D. Ellison, G. F. Trimble and Loyce, Bas Elliott, Lula White, John Kimbrow, Troy Armstrong, Vernon Estes, Paul Jones, Jack Berggren, E. H. Moody, Tom Griffith, Miss Ruth Bonds; Mes. Jimmie Charles, W. E. Williams and Martha, J. C. Denney, Buck Ellison, J. F. Barnett, A. T. Ray, Emmitt Tabor, Lester Rhinehart, A. M. Wilson, N. E. Bonds, J. H. Steelman, T. N. Fuller, O. H. Hardy, Clarence Shanks, R. L. Shanks.

The guest book was made by Mrs. Jack Kessler and was presided over by Mrs. A. L. Kerby.

BRIDAL SHOWER GIVEN MRS. C. SHANKS

A bridal shower honoring Mrs. Clarence Shanks was held in the Otis White home, Saturday, Feb. 5, with the hostesses being Lula White, Miss Delores Wilson, Miss Nancy Lou Williams, Miss Patsy Ellison, Louise Hawkins.

Many lovely gifts were presented the new bride, and lovely refreshments served to Mesdames E. M. Ware, E. H. Moody, Joe Bell, R. S. Shanks, Byron Turner, Pat Kusekman, Frank Pesch, Paul Jones, Joe Wilson, Jess Walling, Emmitt Tabor

W. E. Williams; Misses Janice Taylor Carolyn, Wilson and Martha Williams. Several cent gifts who were unable to attend.

DORCAS CIRCLE MEETS

The Dorcas Circle met Feb. 2 with Mrs. J. T. Hopingardner. After the business meeting, Mrs. Barber gave the devotional on "prayer" which was very interesting. Mrs. Barber sang a solo, "Leave It There". The next meeting will be on March 2 with Mrs. John Wilson. Visitors are always invited and welcomed.

Mr. and Mrs. Otho Hammonds and daughter moved last week to their new home, the former Lee Thompson residence.

Mr. and Mrs. David Carson were in Hereford, Sunday.

Mr. and Mrs. Travis Floyd and children, of Childress, Tex., bought the Wilbur Charles place in town, formerly owned by Bob Williford, and have moved here.

Miss Anna Hastings of Dallas, visited her parents, Mr. and Mrs. Frank Hastings, last weekend.

Mrs. Alvin Games and sons, of Friona, visited in the Elton Venable home, Friday.

Bob Blalock, of Clovis, visited here Saturday.

Mr. Cherry has purchased the old Baptist parsonage, and Mr. and Mrs. Jones, veteran's ag teacher, of Clovis, have moved into it.

Mrs. Bill Venable left Saturday for Midland, to bring Mrs. Marvin Mahan and children back with her. She has been visiting her sisters there since Christmas.

Mrs. Ayres and Wesley had dental work done in Clovis last week.

Mr. and Mrs. Buck Ellison, Pat and Gene, Mr. and Mrs. Ayres and Wesley and Bro. Hamilton had dinner with the Turners Sunday.

The local sophomores enjoyed a theatre party in Clovis, last Saturday night.

Mrs. Verbin Isham, who has been ill for some time, is not improved. The singing at the Church of

Christ, Sunday was well attended. Bro. Hamilton of Abilene, preaches each Sunday at the Church of Christ in Bovina. All are invited.

Farmers Make Strides Toward Mechanizing

COLLEGE STATION—Texas farmers are making long strides toward complete mechanization of crop production, according to H. P. Smith, agricultural engineer of the Texas Agricultural Experiment Station.

Smith has just completed analyzing information on power used on Texas farms in crop production furnished him by county agricultural agents.

No horses or mules are now used in crop production in about 40 Texas counties. With the exception of some hand-hoeing and hand-harvesting of cotton, crop production in these counties is completely mechanized, Smith said.

Thirty counties use less than 25 horses or mules, while in another 35 counties less than 100 horses or mules are used in crop production, Smith said.

Tractor power is used almost exclusively in the production of all crops in a block of 77 Northwest Texas counties. It was reported that a few farmers in these counties still keep a team or two for odd jobs about the farm or for hauling feed.

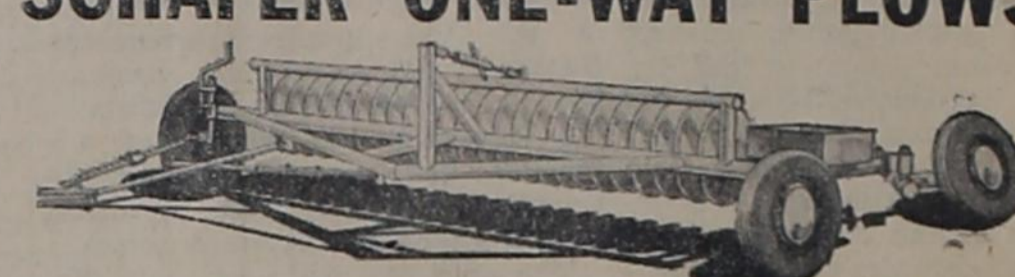

There are about 47 million acres in these 77 counties. The total devoted to crop production amounts to about 14½ million acres.

Smith found that East Texas farmers still use a good deal of animal power. This is likely due to the farms being smaller units than in West Texas. East Texas farmers were reported to use horses and mules ranging in number from a few hundred per county to more than 6,000, Smith said.

New Poultry Houses Built In Texas

COLLEGE STATION.— Many Texas poultrymen built new houses for their birds during the past year, in spite of the high cost of construction.

The 1948 annual report filed by county agent show that 3,405 laying houses, 4,126 brooder houses and 1,435 range shelters were built, according to a compilation made by W. J. Coore, assistant extension poultryman of Texas A. and M. College. An additional 9,002 old houses were remodeled.

A total of 7,106 4-H Club boys and girls conducted demonstrations in poultry production, pullet production, laying flock management and in sanitation and disease control. They raised 336,936 chickens.

More than four hundred entries consisting of a total of 126,701 birds from 95 counties were received in the Texas Extension Service Farm and Home Egg Laying Plan.

The objectives are: (1) To get higher egg production in Texas flocks; (2) To demonstrate the value of record keeping; (3) To put poultry production on a sound business basis; (4) To demonstrate the advantages of a good breeding, feeding and management program; and (5) To encourage the marketing of eggs on a quality basis.

The program got underway October 1, 1948, and will close July 31, 1949.

Texas imports far too many hatching eggs and chicks from other states Moore believes. A sample of what is being done under the plan to produce baby chicks from Texas flocks is reported by Shelby county agent, John Moosberg, who reports that 10,000 high quality New Hampshire pullets have been placed with flock owners of that county. All the eggs from these flocks will go into home incubators and local hatcheries.

Similar programs are underway in a number of other counties, Moore said.

Baltimore To Entertain Legion, Child Care Meet

BALTIMORE.—Child welfare leaders of The American Legion and its three affiliated organizations from eight Atlantic Seaboard states and Puerto Rico, will assemble here February 11 and 12 in the annual Area B Conference to discuss the 1949 program.

Attending the sessions will be department officials and child welfare chairmen of The American Legion its Auxiliary, the Forty and Eight and the Eight and Forty from Delaware, District of Columbia, Maryland, New Jersey, New York, Pennsylvania, Puerto Rico, Virginia and West Virginia.

George Ehinger of Dover, Del., Area B child welfare chairman for The American Legion, will preside. The annual conference banquet on the night of February 11 will be addressed by Dr. Francis S. Schwenter, director of the Harriet Lane Clinic of Johns Hopkins University here.

"WILL IT BE A BOY—OR A GIRL?" * * * At long last, doctors think they have the answer to the question every expectant mother asks. Read about the amazing new blood test that so far has been 80% accurate in predicting a baby's sex! It's in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS TO: J. L. Smith, First National Bank of Canyon, Texas, a defunct corporation, and its unknown stockholders, officers, directors and creditors, successors or assigns; National Bank of Commerce of Amarillo, Texas, a defunct corporation, and its unknown stockholders, officers, directors and creditors, successors or assigns; D. A. Linthicum, Robert Martin, J. M. Neely, Joseph M. Neely, First National Bank at Texico, New Mexico, a defunct corporation, and its unknown stockholders, officers, directors and creditors, successors or assigns; M. T. Anderson, W. W. Taylor, Ethel Mansfield, and the unknown heirs of W. L. Mansfield, and if any of said defendants be deceased, then the unknown heirs, assigns and legal representatives of such deceased defendant or defendants, as defendants.

Mexico, a defunct corporation, and its unknown stockholders, officers, directors and creditors, successors or assigns; M. T. Anderson, W. W. Taylor, Ethel Mansfield, and the unknown heirs of W. L. Mansfield, and if any of said defendants be deceased, then the unknown heirs, assigns and legal representatives of such deceased defendant or defendants, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 49 days from the date of issuance of this Citation, the same being Monday the 14th day of March, A. D., 1949, at or before 10 o'clock A. M., before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 25th day of January, 1949. The file number of said suit being No. 1433.

The names of the parties in said suit are: Gene Lovelace, as Plaintiff, and J. L. Smith, First National Bank of Canyon, Texas, a defunct corporation, and its unknown stockholders, officers, directors, and creditors, successors or assigns; National Bank of Commerce of Amarillo, Texas, a defunct corporation, and its unknown stockholders, officers, directors and creditors, successors or assigns; D. A. Linthicum, Robert Martin, J. M. Neely, Joseph M. Neely, First National Bank at Texico, New Mexico, a defunct corporation, and its unknown stockholders, officers, directors and creditors, successors or assigns; M. T. Anderson, W. W. Taylor, Ethel Mansfield, and the unknown heirs of W. L. Mansfield, and if any of said defendants be deceased, then the unknown heirs, assigns and legal representatives of such deceased defendant or defendants, as defendants.

The nature of said suit being substantially as follows, to-wit:

Plaintiff alleges that on January 25th, 1949, he was and still is the owner in fee simple of lots 21, 22, 23, 24, and 25, of Block 27, of the original town of Farwell, Parmer County, Texas, and on such day was also in possession thereof, and afterwards, on the same day, the defendants unlawfully entered thereon and ejected him therefrom, and withhold possession thereof from him. Plaintiff alleges the reasonable rental of said premises during such

unlawful possession to be \$5.00, and that demand has been made for the payment thereof and that same has not been paid.

In the alternative plaintiff says that he and his predecessors in title have had peaceable, continuous and adverse possession of said land and tenements, cultivating, using and enjoying the same for more than ten years continually, next preceding the filing of this petition, and that such possession has been continuous, open, notorious, hostile and uninterrupted, and plaintiff pleads and invokes the provisions of the ten year statute of limitation as same applies to land titles in the State of Texas.

And further in the alternative, plaintiff invokes the 5 year statute of limitation as same applies to land titles in the State of Texas, and says that for more than 5 years prior to the filing of this suit he and his predecessors in title have been in possession of said premises as above alleged, duly rendering same for taxation, and paying such taxes before same became delinquent.

Plaintiff prays that defendants be cited to answer and appear, and that on final hearing he have judgement for title to and possession of said lands, for costs of suit, for damages, and for such other and further relief to which he may be entitled either at law or in equity.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this the 25th day of January, A. D., 1949.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 25th day of January, A. D., 1949.
