Wheat Allotment Set 204,136 Acres

County Gets Help From Surplus Fund

The government has again imposed restrictions on the amount of wheat that may be sown by farmers. Parmer County wheat growers will be allowed 204,136 acres for next year, said Joe Camp, secretary of Parmer ACA, Monday in an interview with a Tribune reporter.

Camp, in announcing the new allotment, disclosed that the limit was in excess by nearly 10,000 acres the amount that was needed for the 1949 crop. Asked why the government had set the total above what farmers were now producing, Camp replied the figures were arrived at by an analysis of acreage for 1945 through this year.

Showers Visit Most of County Past Week

Repeated and widely scattered showers during the past week have visited most of the county, bringing timely moisture to growing crops.

Reports reaching here indicate that practically all Parmer and Curry Counties have benefitted by the showers that have kept crops in good condition in the absence of a general rain.

Showers Wednesday night of last week appear to have been pretty well confined to this immediate area, with .72 of an inch being recorded here, and half an inch falling in the Oklahoma Lane section.

Again on Sunday night, a good shower fell here, which was accompanied by heavy gusts of wind. Tree limbs were snapped and two large plate glass windows at Crawley grocery, which had previously been cracked, were shattered.

Lazbuddy, Friona and Bovina report good showers also, with the most favored section being north and east of Bovina, where showers, added to heavy rains of a week ago, were very beneficial to crop conditions.

Farmers over the county report occasional dry spots, missed by the hit-and-miss showers, and they contend that a good general rain would be most welcome.

WILLIAMS TO STAGE SUMMER CLEARANCE

Williams Mercantile Company at Bovina is announcing its annual summer clearance sale on all summer merchandise, which is to start Thursday morning, August 4, promptly at 8 a. m.

Drastic price reductions are offered on summer merchandise, including shoes for men, women, and children. Some items are being offered at half price.

Mr. Williams predicts that with prices gradually rising on wearing apparel, we are to see even higher prices in the future and now seems to be a good time to buy while he is offering these savings.

Lariat Farmer Hurt In Auto Accident

O. Dee Gulley, young Lariat farmer, is in the Veteran's Hospital in Amarillo receiving treatment for back injuries he received early last Wednesday evening when his car left the highway and turned over an estimated three times.

According to those who examined the scene following the accident, Gulley was traveling west in a heavy shower and was attempting to pass a truck, also traveling west.

As he rounded the wide curve just east of the city limits on Highway 70, Gulley saw another car advancing from the west. In an attempt to avoid a head-on collision with the advancing machine, Gulley pulled his car to the left, leaving the highway.

When the Gulley machine hit the soft dirt, it went out of control, ran across the bar ditch through a fence, into an adjacent field and back through the fence again, finally landing upright after several rolls. The machine was badly damaged.

Gulley, who was traveling alone at the time of the accident, was picked up by a Steed ambulance and taken to Clovis where a physician gave it as his opinion he had received a fractured vertebrae. The patient was then removed to Amarillo for further examination and treatment.

Hot-Checker Draws \$50 Fine In County Court

Robert Kindred of Muleshoe was assessed a fine of \$50 and costs in County Court here last Friday on a charge of swindling by issuing worthless checks.

In assessing the heavy fine, Judge A. D. Smith explained that the defendant had allegedly made a practice of issuing worthless checks.

Good Crowds Attend Revival Services

Almost capacity crowds are attending the revival services now in progress at the Church of Christ in this city, which began Sunday and will continue through next Wednesday night.

Minister Claude C. Smith of Eastland is doing the evangelistic preaching and Charley Kelly is in charge of the song service. Services are being held twice daily, at 10 a. m. and 8:30 p. m. Officials of the church extend an invitation to the public to attend.

Parmer Boy Wins Third With Sears Dairy Heifer

Winning third place in a district-wide contest sponsored by the Sears Foundation last week was Duane Martin, son of Mr. and Mrs. W. E. Martin, and a member of the Parmer County 4-H Club.

His heifer, graded under a classified rating by County Agent Ollie Linder and Robert Morton, Farwell vocational agriculture instructor, rated third place, petting the lad and his heifer \$15.

Mr. and Mrs. E. E. Booth and grandson, Jerald McDaniel, of Riverside, Calif., spent the past Thursday in the home of Mr. and Mrs. Lee McDaniel in Lubbock.

County Judge A. D. Smith was advised this week that Parmer County was in line to receive \$20,441.63 from the surplus fund of the Road District and Highway Fund at Austin. He said this amount exceeds by approximately \$5,000 the amount received last year from the same source.

The County Judge said the county had to go through the regular formalities of making application for the money and specify how the money would be spent in this county. He added it would be used in construction and maintenance of lateral roads in the county.

He went on to say that the formal application would be filed when Commissioners' Court meets next Monday and that the money, when received around September 1, will be divided among the four precincts of the county on the usual percentage basis.

Draws Jail Sentence And Fine On Charge Of Impersonating Law

J. W. Dufur, reportedly of Amarillo, and whom officers claim is an ex-convict from New Mexico, entered a plea of guilty in County Court here Tuesday morning, and Judge A. D. Smith assessed his penalty at a \$250 fine and three months in county jail.

Dufur was taken off a train by deputy Sheriff Charley Jones about four o'clock Sunday morning, after he had boarded the passenger at Friona, and brought here and lodged in jail.

Specifically, Dufur was charged with impersonating an officer in an incident happening on the street in Friona Saturday night. Dufur, representing himself as the night watchman at Friona, "arrested" two young boys found sleeping on a sidewalk bench in Friona.

Dufur is alleged to have assessed fines of \$5 against the two lads on the spot, and collected half the money from them at the time. Officers here said the lads have identified Dufur as the man who "arrested" them.

Officers are also inclined to believe Dufur is the same man who made an unsuccessful attempt to rob the Friona State Bank in the early morning hours Sunday. Sufficient evidence has not developed to connect him with this affair.

According to the officers here, some man, representing himself as a highway patrolman, called Frank Spring, bank cashier, on the telephone and related that an attempt was being made to burglarize the bank and advised Spring to come down immediately.

Spring responded and when he appeared at the bank in his car, some unknown man attempted to halt him. Instead of heeding the man's signals, Spring bypassed him and sought Deputy Sheriff Jones, who took Dufur in hand shortly after he had boarded the train.

Spring was not able to identify Dufur as the man who attempted to stop him as he approached the bank in his car. "I only had a fleeting glance of the man," Spring is quoted as saying as he detailed the incident to law enforcement officers.

Mr. and Mrs. Si Magnus of Edinburg, Tex., are visiting for the next several days in the homes of their sons, W. T. Joe, and Mutt Magnus, and his brothers, Willis and George Magnus.

Reporter Who's "Tired Of It All" Deserts Staff For Vacation Trip With FFA Group

"It ain't the heat, it's the stupidity I find in this office," complained Sonny Graham, hot-shot reporter of The Tribune, as he packed his duds and chuck into a large box. He was preparing to desert his fellow news hounds and "get away from it all," on a trip with Farwell FFA boys to a distant resort east of Dallas.

He says what this paper needs is some travel lore in its columns, and according to him, that's what it's going to get. Others in the shop viewed his ideas as being only an excuse to leave his work for a vacation, but he promised them a good story, so he was allowed to leave.

Graham plans to truck out with

the boys Friday morning, see Dallas and Fort Worth, and pick up that "travel lore" he was talking about.

If everything goes according to schedule (it never does when he's along), and their money doesn't go the way of their will-nill spending, their should get to Danglerfield state park some time Saturday and there spend a pleasant and uneventful vacation. Whether they get there or not, and whether their stay is pleasant and uneventful, is a school of thought left wide open to speculation.

Just the same, he says he always writes best with his feet in a babbling brook, and he's going to have a good time.

FROM THE HOPPER

By HOP

Let's not forget that road bond election coming up Saturday, August 13. If you plan to be out of your voting precinct on that day, you can cast an absentee vote by making application at the county clerk's office for a ballot. All absentee ballots must be back in the clerk's office by August 10 if they are to be counted. And, remember, you don't have to own real estate in order to be eligible, but you must have rendered taxes on property, including personal property, during the past year. And, of course, you must have a poll tax receipt and meet other requirements such as residence, etc.

One of the most commendable organizations we have is the local volunteer fire department. Fighting all the way from its inception to the present time, the local department has brushed one obstacle after another, never yielding nor giving up. First it was equipment; next it was housing quarters; then operating expenses, and a dozen other obstacles that would have spelled defeat to most young organizations. But not to the fire boys. They continued to fight, and today they have one of the best-equipped organizations in the country. At present, their need is for additional men and boys to man the equipment. Residents of Texico have always born the brunt of furnishing members of the crew . . . and the same thing is true today. More young men are needed, and Farwell should be better represented.

About the best vacation story we have run into lately was related by June Watkins, Bovina beauty parlor operator, last Saturday. The Watkins have a new Nash, one of those jobs where the back of the front seats can be lowered to make a very comfortable bed for two. Early in July, Mr. and Mrs. Watkins were taking their vacation trip in their new car. The fact that they were travelling at the height of the tourist season around July 4th, with the result that tourist court accommodations were almost impossible to obtain, worried the Watkins not at all . . . when night came, they merely pulled off the road and bedded down in their Pullman quarters. They had made the rounds up into Nebraska, into Cheyenne, and were on their road home through Colorado. Night was approaching when they saw a familiar sign, "Roadside Park Ahead." That's where they'd spend the night, they agreed. Driving ahead, James turned off the highway through an arched gateway, confident he was entering the roadside park. Well inside the quietness of the park and away from the noisy highway, James brought the car to a halt and got out to survey the surroundings. Suddenly June was interrupted from making down the bed by her husband. "My God, June, this ain't no park . . . we're right in the middle of a cemetery!" he yelled. And June concluded, very appropriately, "You ought to have seen us get out of there."

Old-Time Residents Visit Friends Here

Two old-time residents of the Twin Cities were here the latter part of last week renewing acquaintances with local people, who had known them in the past.

The visitors were Mr. and Mrs. A. B. Horne, who now live in Burbank, Calif. They were accompanied on their visit here by two of their granddaughters, Joyce and Carroll Anne Horne.

Mr. and Mrs. Horne, located in Farwell in 1905 and resided here seventeen years before moving to California in 1923. During their residence here, Mr. Horne operated a dray line and recalled that he "hailed and handled every brick by hand" in the Parmer County courthouse, the Cruce building in Texico, and other permanent structures in the Twin Cities.

While here, the Hornes were guests of Mr. and Mrs. Lloyd Cain, Mr. and Mrs. Roy Melagin of north of town, and other acquaintances. After going to California, they lived in Los Angeles for 16 years, but are now residents of Burbank.

Pre-School Clinic At Texico August 11th

PTA officials of the Texico school today announced a pre-school clinic to be held at the school Thursday, August 11, beginning at 1:30 p. m. The pre-school health check-up was scheduled for last June 9th, but was postponed.

County Health Nurse Mrs. Wiggins, and County Health Officer Dr. Cotman, will be present to conduct the clinic.

Parents who have children eligible to enter school next fall are urged to bring unvaccinated youngsters to the clinic, as New Mexico law prohibits entrance without inoculation. Patrons are asked to bring two bath towels and several safety pins for each child to be vaccinated.

The clinic is being sponsored by the Texico Parent-Teacher Association.

Mears Produce Moves To New Location

Ray Mears moved his produce business, "lock, stock and barrel" the first of the week to his new location on east main in Farwell, just across the street from the Meeks Service Station.

The Mears buildings have been on leased ground for some time, and he recently purchased lots down the street, where the buildings were located.

Mears said he would continue in the produce business at his new location, and would handle a complete line of feeds and ice.

ATTEND FUNERAL

Mr. and Mrs. C. A. Cassidy left Saturday to attend the funeral of Mrs. Cassidy's sister-in-law, Mrs. Jim Smith, in Aspermouth. She had been in ill health for several months prior to her death.

The Cassadys returned to their home Sunday night.

Report Bovina To Have New Drug Store Soon

Bill Venable of Bovina is erecting a new business building in Bovina, located immediately east of the Bovina Hotel, and it will be ready for occupancy at an early date.

Current rumors, which could not be confirmed, are that a Mr. Truitt of Friona has leased the building and had announced he planned to put in a stock of drugs, soda fountain and other stocks usually found in a first class drug store.

Fixtures for the new business are already on order and are expected to arrive shortly, it was learned.

Revival Meeting At Lazbuddy Church Is Set For August 5-14

The Rev. L. B. Edwards, pastor of First Baptist church at Lazbuddy, has announced a revival meeting at that church, beginning Friday, August 5, and continuing through August 14.

The Rev. Raymond McGinnis of Roulett, Tex., has been engaged to preach, and Frank C. Miller, Jr., of Plainview, will have charge of the song service. Services will be held twice daily at 10:30 a. m. and 8 p. m.

A cordial invitation to the public to attend any and all services has been issued by the pastor.

Cemetery Working Is Set For Saturday

The Rev. J. J. Terry, pastor of Oklahoma Lane Baptist church, announced today that an all-day cemetery working had been set for Saturday, August 6, at the Oklahoma Lane Cemetery.

According to plans announced by the minister, workers are scheduled to assemble at the cemetery at 7:30 a. m., armed with hoes, shovels, and other necessary tools, for ridding the grounds of weeds and shaping up the graves.

And while the minister did not state, it is presumed that all attendants are expected to bring lunch for a dinner-on-the-ground feast at the noon hour.

CLERK UNDER TREATMENT

County Clerk Loyde Brewer, accompanied by his wife and boy, left here the latter part of last week for Oklahoma City to receive treatment for asthma. Information from his office is that he may be back home by Saturday.

John Hadley and Tom Martin went to an Oklahoma City specialist last week to receive treatment for asthma. Both of them have been troubled for the past several months.

Health Note

Texas State Department of Health

AUSTIN—The month of September brings a return of school days, and thousands of Texas boys and girls will be returning to classrooms for the next nine months. Every one of these children, according to Dr. Geo. W. Cox, State Health Officer, should be as free as possible from all physical defects that can be corrected, and protected against other diseases which frequently spread through classrooms.

A complete medical and dental pre-school check-up is of the utmost importance in getting the child ready for school. Eyes, ears, nose, throat, and teeth should be carefully examined, and all remediable defects corrected or placed under treatment. Such defects can lead to serious impairment of growth and progress academically, socially, and emotionally.

Defects of hearing and vision handicap a child in his class work, and often result in the false impression that he is backward and unable to learn. Such defects can often be corrected, and the child is not only more progressive in his school work, but is a happier, better balanced individual as a result of being more socially acceptable.

Dental defects should be corrected

not only for cosmetic reasons, but because good teeth enable a child to chew his food properly and thus promote good digestion and bodily nourishment.

"In addition to correcting such defects as already exist, young children should be protected by immunization against disease, when possible," Dr. Cox said. "Immunization is safe, and dependable, and every child is entitled to this protection against disease."

Cotton Insecticide Shortage Critical

COLLEGE STATION—Texas cotton farmers may have trouble finding a source of supply of the newer and recommended cotton insecticides, says Dr. H. G. Johnston, extension entomologist of Texas A. & M. College. Applications have been very heavy and a shortage has already developed in some states.

Grasshopper, cutworm, and army worm infestations were heavier than usual in many areas of the southwest and now the boll weevil is more numerous and widespread throughout the cotton belt than any year since 1941, except in Texas.

Johnston credits the early and thorough cotton stalk plow up program in Texas with holding down to some extent the boll weevil damage.

Boll worms are causing serious damage in some sections of the state and if present conditions prevail, damage can be expected to become general in many areas within the next two weeks, he says.

The preferred method for general cotton insect control, continues Johnston, is 20 percent toxaphene plus 40 percent sulphur, or a mixture of 3 percent gamma BHC, 5 percent DDT, 40 percent sulphur (3-5-40). If these materials are not available, some substitutions can be made if the substitutes can be found, and results should be good.

Where the boll weevil is the major pest, 7 to 10 pounds of calcium arsenate per acre at 5 day intervals will give good control, says Johnston.

Alternate applications of 3-5-40 and calcium arsenate will prevent increased populations which may result from using calcium arsenate alone. A special lime-free calcium arsenate plus 1 percent gamma BHC will also give good boll weevil control and prevent possible aphid increase.

For the boll worm alone, the following insecticides are suggested in the order of their preference: 2 percent gamma BHC, 10 percent DDT, 40 percent sulphur at increased dosage; lead arsenate; cryolite; and calcium arsenate.

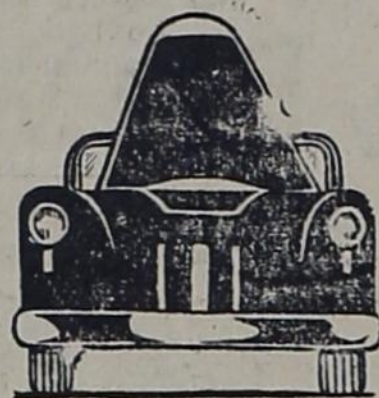

Any one of these materials, he adds, should be applied every five days at rates of 12 to 15 pounds per

acre. Aphid infestations may increase following the use of either the arsenate or DDT. Alternate applications of these and 3-5-40 as for boll weevil control will prevent possible aphid increases.

"When both insects are abundant, follow the suggestions for controlling the boll weevil alone at increased dosage of 12 to 15 pounds per acre, says Johnston. Two percent gamma BHC plus 10 percent DDT and 40 percent sulphur at the rate of 12 to 15 pounds per acre may also be used.

Fleahopper and Lygus may be controlled with 5 percent DDT, 75 percent sulphur or 10 percent toxaphene, 40 percent sulphur. For the fleahopper alone sulphur dust, two applications at 15 to 18 pounds per acre will give good control.

If you need more detailed information, concludes Johnston, call on the local county agricultural agent.

17 Million Days Of Work Lost Due To Farm Accidents

COLLEGE STATION—One resident out of every six farms in this country had an accident involving one day or more lost from regular activities during 1948.

Were you one of the injured? If you were, says E. C. Martin, assistant state agent of the Texas A. & M. College, and chairman of the State Farm Safety Council, you know what it costs to be out of circulation for a few days.

Farm people, last year, spent 36 million dollars for medical, dental and hospital care because of injuries and this does not include the cost of accidents to those who were killed, or who suffered permanent dis-

abilities; or costs other than those resulting directly from the care of injuries. Insurance covered about one-fourth of the medical costs.

The big cost, says Martin, was the 17 million days lost from regular activities. Accidents always seem to happen when you are the busiest and are needed most. This is the time, he adds, when you should be most careful. Don't rush a job—the minute you save may cost much more in time lost if something goes wrong.

The most common causes of farm and home accidents are falls, machines, motor vehicles, handling objects, hand tools, stepping on or striking against objects, falling and flying objects and burns or shock. It's easy, says Martin, to find plenty of scars in your neighborhood left there by one or more of these causes.

Martin suggests that a community-wide project be started to clean up and eliminate these hazards. You'll be proud to live in a community that can boast of having no serious farm or home accidents or fires during the year.

You and your neighbors can do just that, concludes Martin, if every citizen, young and old, will make it his or her responsibility to remove causes and then be careful and thoughtful every minute. This will develop a community attitude that can make your farm and home the safest place on earth.

Cattlemen Seek More Support For Industry

Seeking greater support for the American National Live Stock association among cattlemen in West Texas, officers of the New Mexico Cattle Growers Association will attend a series of meetings in that state which have been arranged by the national organization.

G. W. Evans, president, Magdalena and Hurling Means, vice-presi-

dent, Silver City, of the New Mexico association, will appear as speakers in six West Texas Cities. They will be accompanied by F. E. Mollin, Denver, and Radford Hall, Denver, Executive secretary and assistant secretary of the American national association.

Livestock meetings are scheduled for Amarillo, August 3; Wichita Falls, August 4; Ft. Worth, August 5; Midland, August 6; Marfa, August 7 and 8; and San Antonio August 9. The group will be joined by Albert K. Mitchell in Midland, Tex.

Mitchell is scheduled to speak on the foot and mouth disease situation in Mexico. He is chairman of the national advisory committee to the secretary of agriculture on control and eradication of the disease south of the border. He is also a former president of both the New Mexico association and the national organization. Evans and Means are both former Texas ranchers and have a wide acquaintance among cattlemen of that area. Means is chairman of the finance committee of the national organization.

"We hope these meetings will renew and increase interest among ranchers in the important work now being done by the American National Livestock association," Evans said. "We are both looking forward to

these meetings as it will give us an opportunity to renew many old friendships, and to discuss the vast changes which have been made in the cattle business in this area in the past forty years."

TEXAS BUSINESS FAILURES

AUSTIN—A total of 29 Texas businesses failed during June, 14 in May, and 12 in June 1948, Dun and Bradstreet reports to the University of

Texas Bureau of Business Research showed.

In contrast to the increased number of business fatalities, average liabilities per failure decreased to \$19,000 in June from \$20,000 in May, and \$36,000 in June of last year.

From January through June 1949, Texas business failures amounted to 90 in comparison with 39 for the comparable period in 1948.

A Change is in Order...

Change to OIL-PLATING!

Revealed! . . . You'll be amazed at the smooth performance your car can give with Conoco Nth Motor Oil! Because there's an exclusive ingredient in Conoco Nth that fastens an extra shield of lubricant to the moving parts. That's wonder-working OIL-PLATING!

Stays Up! . . . OIL-PLATING holds fast to metal parts. It can't all drain down, not even overnight. No gouging, rasping "dry-friction" starts with OIL-PLATING.

A Bargain! . . . Conoco Nth is tough. It doesn't break down under summer driving. You can't afford ordinary oils when you get so much from Conoco Nth Motor Oil!

Guards Your Engine! . . . Another additive in Conoco Nth lessens power-loss due to carbon and sludge. It combats combustion acids, too. Conoco Nth guards your engine.

McSpadden-Trice Exchange Vows

The home of Mr. and Mrs. J. M. Trice at Sparenburg, Tex., was the scene of the wedding of their daughter, Miss Carol Jean Trice and Mr. Hal Wade McSpadden, son of Mrs. Jessie McSpadden of Bovina, Tex.

Vows were exchanged before the tripple-tiered trellis of gladioli, fern and bridal wreath, topped with white cathedral tapers.

The double-ring ceremony was read by the Rev. Cecil Tane of Meadow, Tex., at 1 p. m., July 15.

Candles were lighted by Misses Anita Fincannon and Barbara Smith, while organist Jim Chilton played Claire De Lune.

Mrs. Tom Bill Millican of Big Spring, Tex., served her sister as matron of honor, and James Garland Trice, young brother of the bride, was the ring-bearer.

Roy Schmidt of Brownfield, Tex., and uncle of the groom, served as best man.

Preceding the ceremony, Misses Mona Gale and Shirley Trice, sisters of the bride, sang "Because," and "Believe Me If All Those Endearing Young Charms," accompanied by the organ. The traditional procession and recessional wedding marches were used.

Miss Trice, given in marriage by her father, was attired in a white sheer wool afternoon dress, fashioned with long sleeves, fitted bodice, and straight skirt with sheered detail back.

She wore a white felt cloch trimmed in gold with navy shoes and carried a white Bible, topped with two purple throated orchids.

Mrs. Trice chose a grey chambrey afternoon frock with black patent accessories, and a corsag of gardenias, for her daughter's wedding.

Mother of the groom wore a sheer black afternoon dress with aqua accessories. Mrs. McSpadden also wore a corsage of white gardenias.

Out-of-town guests were Mrs. W. L. Liles and son, Billy Curtis, of Bovina, Tex., sister and nephew of the groom; Mr. and Mrs. Roy Schmidt and daughter, Miss Chloe Marion Schmidt, of Brownfield, Tex.; Mr. and Mrs. Bob Wade of Lamesa, Texas; Mr. and Mrs. Tom Bill Mullican of Big Spring; Miss Rita Wilkerson of Bovina, and Miss Thelma Sheppard of Dimmit, Tex.

Following the recessional, the couple was complemented with a reception in the home. The cake, made of a double heart crusted with roses, was served by Miss Sheppard and Miss Wilkerson presided at the punch bowl.

Miss Sheppard and Miss Wilkerson were roommates of the bride, who completed her junior year at Texas Tech last June. She majored in education.

Mr. McSpadden, Navy veteran, is manager and hair stylist of the McSpadden Beauty Shop in Pampa. He attended school in Groom and Amarillo, and also studied in Ft. Worth.

Following the ceremony, the couple was driven to Lubbock, where they boarded a plane for Amarillo. After a weekend there as guests of the Capitol Hotel, they planned to return to Pampa to their new home at 510 North Russell street.

In Houghttelling Home

Guests in the home of Mr. and Mrs. C. D. Houghttelling the past Sunday enjoying a turkey dinner included Mr. and Mrs. J. E. Lewis and Betty; Mrs. Louis Caillouet and children; Mr. and Mrs. Lawrence Goodrich and family of Harlingen, Tex.; and Mrs. A. T. Hough of Rio Hondo, Tex.

Bridal Shower Honors Miss Kathryn Hawkins

Miss Kathryn Hawkins, bride-elect of Claude Gamble, Jr., was honored at a pre-nuptial shower Friday night, July 28, in the home of Mrs. Lawrence Hickman, who lives north of Clovis.

Hostesses for the bridal courtesy were Mesdames Paul Mott, Bill Gibson, J. W. Maples, C. K. Bennett, J. V. Lee, Roy Williams, Theo Rozzell, A. M. Carrington, C. C. Murphy, A. B. Murphy, A. B. Huber and Lawrence Hickman.

In the receiving line were the honoree, Miss Hawkins, her mother, Mrs. A. E. Hawkins, the bridegroom-elect's mother, Mrs. Claude Gamble, Sr., Mrs. Hickman, and the bride-elect's grandmother, Mrs. Jess Newton, Farwell.

Punch, mints, and cake were served from a beautifully appointed lace-covered table, with Mrs. Orvel Rozzell presiding at the punch service.

White asters and pom pom chrysanthemums were arranged to form a crescent centerpiece, featuring a blue cellophane bell suspended from an archway of flowers.

Miniature cupid added to the beauty of the arrangement. Blue candles, which cast a soft glow over the table, also aided in carrying out the color theme of blue and white.

Music for the occasion consisted of vocal selections by Miss Marcia Johnson, accompanied by Miss Betty Hillhouse, and Miss Della Ruth Frear, who was accompanied by Miss Delores Troutner.

A special selection, "Lonely," composed by the bridegroom-elect, was sung by Miss Johnson.

The many guests registered in the bride's book which was presided over by Miss Pat Mott, close friend of the honoree.

Miss Hawkins is the granddaughter of Mr. and Mrs. Jess Newton of this city, and is the daughter of Mr. and Mrs. A. E. Hawkins of Clovis. Mrs. Hawkins is the former Miss Marie Newton.

Thirteen Representatives Leave For District Camp

Thirteen representatives, eleven of which were young people, left early Monday morning for Sacramento, where they will represent Texico-Farwell Methodist church in the annual Clovis district Methodist camp, said the Rev. Murphy Duncan, Monday morning.

The group, leaving in a truck owned and driven by Mr. and Mrs. Billy Joe Foster, sponsors of the representation, was to pick up additional young people from Clovis and Portales. They were expected to arrive at the mountain camp Monday afternoon, and take part in activities.

H. Floyd and Helen Meshew of Bovina.

Ice cream, and fried chicken were served to guests.

\$50,000 Set As Texas Quota For USO Work

DALLAS—The growing USO program has advanced to the point that 170 clubs, lounges and other centers in the United States and overseas daily are serving an average of 72,500 members of our peacetime armed forces, T. E. Braniff, campaign chairman for the USO in Texas, reported today.

The reactivated USO observed its first anniversary July 28, turning in a total of nearly 25,000,000 individual services during the twelve months—a figure equivalent to 15 benefits for each of the 1,600,000 American men and women in the Army, Navy and Air Force.

Mr. Braniff emphasized the importance of this program to Texas, which has more than 98,000 men and women in service, more than half of whom are still in their teens.

"If Texas can send 98,000 of its finest young people to serve in the nation's peacetime defense establishment, I don't think there can be any

question about our raising our USO quota of \$500,000 to back them up," Mr. Braniff said.

Many of these young people daily are returning to civilian life as others are inducted into service, and we want every one of them to return to us as alert and useful citizens. We can assure that by letting them know through USO that folks are back of them."

Mr. Braniff reported that through USO funds in the past twelve months more than 100,000 servicemen in Army, Navy, and Veteran hospitals have been regularly supplied with music and "live" entertainment by some of the top professional entertainers of the country.

The USO is providing long-term and temporary housing facilities in overcrowded areas near military establishments at the rate of 2,500 persons per day. It also provides a wide variety of other services, ranging

from storage lockers to game rooms and gymnasiums.

The USO has been recalled to service by the President and has the complete backing of the government.

Deficiency of Vitamin A is said to cause night blindness.

HOUSE JOINT RESOLUTION NO. 38

proposing an Amendment to the Constitution of Texas by adding to

Article XVI thereof a new Section to be Numbered 63 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors for members of the Legislature at an election to be held throughout this State on the second Tuesday in November, 1949; and at said election the ballots shall have printed thereon the words "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed amendment.

Sec. 3. The Governor of the State

of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election, a majority of the votes cast are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," the foregoing proposed amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereof.

Sec. 5. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated, to pay the expenses of such proclamation, notice and election.

HOUSE JOINT RESOLUTION NO. 36

proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows:

"Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created it shall be approved by a vote of the people in said district."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all bal-

lots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts"; and

"AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall mark out one of

of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

4-H Clubbers Lead The Way In Home Safety

COLLEGE STATION—4-H club members in Refugio County working under the direction of county extension agents L. A. Weiss and Bess Vogt, are doing something about farm and home safety in their county.

Last year, one hundred of them enrolled in farm safety work and they set about to make every one in Refugio county safety conscious. Motion pictures were used to start the program and from there the boys and girls took over.

They made a safety survey that included just about every family in the county and from this report they located the hazards not only on the farms but in the homes. They marked 9,000 hazards with cardboard signs bearing the skull and cross-bone. Dwight Huffman, of the Ti-Well 4-H Club, says you could see these markets about every place in the country. "We didn't even pass up the courthouse," he adds. "The hazard had to be removed before the marker could be taken down and you'd be surprised how fast they disappeared," he said.

Copies of two very fine bulletins, "Safety Guide for the Farm and Home Front" and "Invitation to Live" were distributed. Nancy Rabke, also from Ti-Well 4-H Club, reports that service clubs in the county the commissioner's court, the local 4-H leaders and the school teachers all helped conduct the program. "In fact," she says, "every one cooperated with us to make the program successful."

Travis Neiman, from the Bonnie

View 4-H Club, says "I probably wouldn't be wearing an artificial limb today, if I had known about this work earlier. I stole a ride on my dad's combine in the summer of 1946 and some way got my leg in the combine cylinder. My advice to all boys and girls is; obey your parents and be very careful around farm machinery."

Right now the 4-H'ers are working with the oil companies on a program to get all the barrels used for gasoline storage painted red. They are trying to get a "drivers education" class in every school and they think it will be done. All of the hazards are being re-checked and of course they are entered in the statewide Farm and Home Safety Contest. The newest addition to the program and it's being set up now by the county extension agents Weiss and Vogt is a permanent Refugio County Safety Council.

The 4-H boys and girls of Refugio county are very modest when telling about this safety program, but they are very proud of the plaque they won last year for putting on the best farm and home safety program in the entire state of Texas. They are out to repeat on this honor and they're hoping that one of their members will be selected as the best 4-H safety demonstrator in the state.

Johnson Grass Increases, Says Parmer Co. Agent

"Johnson grass patches are on the increase in Parmer County," said County Agent Ollie Liner early this week. Evidence of this fact could be seen along several rural roads in the county. Johnson grass lines most of the bar-pits, presenting a hazard to adjacent fields.

Liner, in outlining ideas for the eradication of the hard-to-kill pest, said by far the most effective method seemed to be atlaide, applied at a rate of from four to five pounds per square rod.

He said it was definitely established that Johnson grass could be killed with this treatment, but warned farmers to be sure to use as strong an application as had been recommended.

Liner reported the poison would render the patches of land infertile for about twenty months, but said farmers must concede that a period of twenty months of inproductivity was a small price to pay for eradication of Johnson grass.

Johnson grass is the most disliked and persistent of all unwanted growth, Liner said, and his established itself an evil reputation for being hard to get rid of. "It isn't easy, but it can be killed," he insisted.

HOUSE JOINT RESOLUTION NO. 5

proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment

to a vote of the people.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

"Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50), for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."

Sec. 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

"At other times, when called by the Governor, the Legislature shall convene in special session.

"Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4-5) of the Membership of each House may determine shall be considered."

Sec. 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.

Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the

second Tuesday in November, 1949, same being November 8th, 1949, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

"AGAINST the Constitutional Amendments relative to sessions of

the Legislature and to compensation of its members."

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

Sec. 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as required by the Constitution and laws of this State.

Farm And Home Safety Is A Family Affair

COLLEGE STATION—Farm and home safety is a family affair, says Mrs. Eloise Johnson, extension specialist in family life education of Texas A. & M. College. It involves everyday habits of living, working and playing, and there's no safety engineer on the job to remove hazards and prevent acts of thoughtlessness and carelessness, she adds.

"We must realize that the human element and our own attitudes play a big part in our own actions. Likewise, the home atmosphere can be partly responsible for many of the farm and home accidents," she says.

Some of these contributing causes are worry, dissatisfaction, annoyance, anxiety and unhappiness. Mental conditions may cause one to take unnecessary risks, be thoughtless in doing a task or even cause the wrong attitudes toward safety.

The home atmosphere, she says, should be cheerful; calmness should prevail, there should be understanding between all members of the family and all should work together toward the development of a safety attitude for the family. "All accident hazards cannot be eliminated so we must learn to live safely with them. We teach our children by the examples we set and remember," she cautions. "don't teach by fear but by logic."

Farm safety is a family responsibility and it offers a challenge to every member of the family. Those who succeed reap a harvest of happiness and satisfaction, concludes Mrs. Johnson.

HOUSE JOINT RESOLUTION NO. 32

proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, A. D., 1949, at which election all ballots shall be printed thereon:

"FOR the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases" and

"AGAINST the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases." Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed amendment. In counties or subdivisions using voting machines, the above provisions for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 22

proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a practicing lawyer or a Judge of Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of

four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding.

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 8th, 1949, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law"; and

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 19

proposing an Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This Section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein", and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 15

proposing an amendment to the Constitution of the State of Texas by adding a new Section to be known as Section 48-b, authorizing the Legislature to provide for the establishment of health units, and authorizing a tax in support thereof

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be and the same is hereby amended, by adding a new Section to Article III of said Constitution to be designated Section 48-b, reading as follows:

"Section 48-b. The Legislature shall have the authority to provide for the organization of county-city health units and the operation thereof and to authorize cities and counties to provide a tax of not to exceed twenty cents (20¢) on the One Hundred Dollar (\$100) valuation of taxable property in counties and cities for the purpose of financing the said county-city health units; provided that no such tax shall be authorized except by a vote of the people residing in the city or county in which said tax shall apply. The foregoing tax shall be levied only on county

valuations."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1949, at which election all ballots shall have written or printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof" and

"AGAINST the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof."

Each voter shall scratch out one of the said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

SENATE JOINT RESOLUTION NO. 5

proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be, and the same is, hereby amended by adding to said Article a new section, to be known and designated as Section 48-d, reading as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3¢) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on

the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

SENATE JOINT RESOLUTION NO. 4

proposing an amendment to the Constitution of the State of Texas, by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as a juror on grand juries and on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith; providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner thereof and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 19. The Legislature shall

prescribe by law the qualification of grand and petit jurors provided that the qualification of no person for service on grand juries or on petit juries shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or petit juries on account of sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have printed thereon:

"FOR the amendment to the State Constitution qualifying women as grand and petit jurors."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

SENATE JOINT RESOLUTION NO. 1

proposing an amendment to Section 2 of Article VI of the Constitution repealing the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for voters; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 2, Article VI of the Constitution of the State of Texas be and the same is amended hereby so as to read hereafter as follows:

"Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United

States, and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that before offering to vote at any election a voter shall have registered as an elector before the first day of February next preceding such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February for each election to be held for that calendar year, and the Legislature shall have power to prescribe a registration fee. The Legislature may authorize absentee voting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the 8th day of November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

"AGAINST the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

Texico Teacher List Virtually Completed

"I am minus but one music teacher and an English instructor, and have hopeful speculation for those two vacancies," reported Agrie Jones, superintendent of Texico schools, Monday morning.

Jones, coming here from Grady, where he was superintendent two years, succeeds B. A. Rogers, who retires with the intention of farming.

A short time ago, Jones met with the first board meeting of the school. Main topic of discussion, he said, was consideration of several bids by companies for the construction of a new gymnasium for the school.

Two years ago, voters of the area floated bonds in excess of \$40,000 for the new gym, and Jones is hopeful that construction may begin in the not-too-distant future.

"Everything is tentative," stressed the superintendent, emphasizing he was eligible to make no commitments on the measure, since it had not been decided whether submitted bids would be accepted.

Asked about the faculty line-up for the coming term, Jones seemed quite confident that a full staff could be secured. He named eleven teachers already definitely hired:

Mrs. LeRoy Faville, Mrs. C. B. Stockton, Mrs. B. A. Rogers, and Mrs. Neil, all grade school teachers, first-through-sixth. Jones said this year the seventh and eighth graders would be included in junior high, and taught by high school teachers.

High school teachers include Mrs. Agrie Jones, commercial; Mrs. Jimmie Allman, home economics; Fern Stout, vocational agriculture; C. B. Stockton, coach and social science; John Adams, history and English; Agrie Jones, mathematics.

The superintendent said the school board had hoped they might be able to begin school August 29, but with other schools of Curry County waiting until the first Monday in September, he surmised they would have to postpone the August date.

Many Farwell Youths Leave For FFA Trip

Leaving on the annual trip of the Farwell chapter of Future Farmers of America early Friday morning, will be a large delegation of Farwell boys intent on having a good time camping and sight seeing.

They will leave in a Farwell school bus for a 450-mile trek across Texas expanse into the eastern section of the state, where they intend to camp at Daingerfield state park, some 130 miles east of Dallas.

Participants of the party, in which will be included FFA members, ex-members, and visitors, were, in the main, in high spirits for the excursion. However, according to Robert Morton, FFA advisor and a sponsor for the trip, there are dissenters in the group, going only because they have had their arms twisted by fellow members.

Their chief complaints are the present sultry state of weather in eastern Texas, and a sad, sad memory of past FFA trips. The annual party has come to be remembered as a physical and mental proving ground for human endurance and constitution.

Just the same, Morton was able to round up fifteen boys who signed away the next seven days of their lives for the jaunt. They include Duane Martin, Charles Phillips, Jackie Doshier, Jerald Curtis, Bob Gerjes, Jessie Coburn, Beryle Nix, Sonny Graham, Raymond Jesko, Cary Joe Magness, Luther Graham, A. C. Henneman, Don Ford, Melbourn Jones, and John Christian.

Farmers can save money if they buy the water pump best suited for their needs. Three types of water pumps on the market give the farmer a choice, depending on the depth of his well.

Farwell School Secures Two More For Faculty

Engaged by Farwell schools to teach next year are Mrs. O. M. Prescott of Clovis, and Mrs. Dorothy Jack of Wilson, Okla., said Jack Williams, superintendent, Tuesday morning.

Williams, in announcing the appointments, said Mrs. Prescott would be a commercial teacher, and Mrs. Jack would instruct the sixth grade. These two additions bring to a total fifteen teachers for this year. The school is still minus one teacher, the vacancy occurring in the home economics department.

The school board, in a meeting Monday night at the schoolhouse, set the date for opening of school to be Thursday, September 1. Supt. Williams said that particular day had been selected in order that the school might use Thursday and Friday for registration of pupils.

"Further and detailed announcements will be made in regard to the opening of school at a later date," the superintendent reminded.

Final touches are being made on summer improvements of the school, with work being done this week on the old section of the school. It is being re-wired.

Williams also said he was pleased with progress that has been made on the re-sodded football field. "It's really looking good," he commented.

Joe Watson, Oren Lewis and Homer Turner, farmers who reside east of Lawton, Okla., were here last week on a prospecting trip. They are old friends of John Paine and visited in the Paine home while here.

City Cleaners Open In Enlarged Quarters

Completing their expansion program on schedule, Mr. and Mrs. Woody McDermitt opened the City Cleaners for business Monday morning after a two-week shutdown.

In addition to having twice the amount of floor space for the operation of their business, new fixtures, including dust-proof cabinets have been installed the full length of the front office.

An attractive pattern of tile covers the floor and the interior has been completely redecorated. All in all, the business now presents a snazzy appearance and is much better arranged for serving the public.

Texico-Farwell Bluesox Losers To Visiting Friona Baseballers

The Texico-Farwell Blue Sox are back in the losing column. They lost six to three Sunday afternoon on the Farwell diamond in spite of nine hits against seven for the opposition. The loss was blamed on lack of fielding coordination.

The first three innings were pretty evenly squared off, Friona taking a two-run lead. Later, however, things began to pop. The Blue Sox pulled to within one run of Friona's 4-tally score, but were unable to overtake them.

Eberwine pitched his first game for the local stick-swingers, retiring from the mound in the fifth inning to Don Ford, mainstay twirler.

D. Smith displayed his immitable pitching style for eight innings before he was relieved by Renner for the visitors. Smith was credited with the win.

Five errors contributed to the Blue Sox' downfall. Friona had three.

Sunday the Blue Sox will go to Dora where they will play the hosts, according to Manager Wilfred Quickel.

Mr. and Mrs. W. A. Doshier left for home in Tipton, Okla., last Friday, after having spent several days visiting with relatives and friends in Farwell and Oklahoma Lane community.

Local Carrier Plans To Attend National Meet, Grand Rapids

Nelson C. Smith, rural route carrier on Route 1 out of this city, returned home a few days ago from the Texas Rural Letter Carriers Association meet at Tyler, and is now making plans to attend the national convention at Grand Rapids, Mich.

Smith said he planned to leave here the latter part of next week and will arrive in Grand Rapids in advance of the convention date in order that he may attend some committee meetings in advance of the opening of the national gathering.

Following the national meet, he will be among the delegates representing 24 states, to continue over into Canada, where they will spend several days on a tour of inspection studying the postal systems in Canada.

Last year, Smith was a member of a two-party delegation to make the trip into Canada, and this year the delegation has been increased to at least one representative from each of 24 states.

"We gained and imparted much useful information last year while in Canada," Smith said, "and we expect to discuss the two postal systems more in detail this year."
