

TELEPHONE SIGN-UPS IN WEST CAMP COMMUNITY ENCOURAGING WORKERS

Directors of the rural telephone program in this section were encouraged this week with the report of Willie Williams of West Camp community, who reported that practically 100 percent of the rural people in his section have signed up.

Williams has been assigned the area west of the school house to the state line.

Harold Carpenter, one of the directors, said that the signings in the Oklahoma Lane-Lariat sector also have been good.

Most of the delay, he explained, has been due to inability to find owners in when he called and he suggests that interested farmers in the Farwell, Bovina, Oklahoma Lane and Lariat section drop in at the PMA office in Farwell and fill out an application blank.

Carpenter said that the goal for 1000 rural telephones in the combined area of Deaf Smith, Parmer, and Castro Counties is within sight and he urges those interested in the rural telephone program to make their applications at once.

"When we get 1000 patrons, we have been assured that our application will be filed in Washington," he added.

Guest Speakers Preach At Baptist Church

Rev. O. O. Holladay left Thursday for Ft. Worth to hold revival services at Heights Baptist Church. The meeting began Friday and will continue through Sunday, Sept. 17.

Services were preached Sunday morning at the local church by Bro. E. L. Hooker of the Pleasant Hill Baptist Church. At the evening services, two sound motion pictures, "Into the Good Ground," and "Daniel in the Lion's Den" were shown.

Services for next Sunday will be in charge of Bro. David Polston of Melrose. Bro. Polston was graduated from high school last year and is now a student at ENMU in Portales. He is the son of F. O. Polston, missionary evangelist.

Sunday night, two pictures on missions, "Advance in Africa," and "Preview of Advance" will be shown. The two films, produced by Southern Baptist Foreign Mission Board, are in color.

Buddy Pearce is in charge of the evening worship services in the absence of the pastor. He directs the opening of the services and also conducts the showing of the pictures.

Bro. Holladay is scheduled to return from the Ft. Worth revival Monday.

Accidents Should be Reported to Police

The Hereford office of Texas Public Safety Department this week issued a warning to all automobile drivers on the importance of reporting any and all motor vehicle accidents.

Pointing out that many accidents are of a minor nature, members of the State Highway Patrol said in many cases minor accidents can have far-reaching effect in litigation that possibly can follow.

It was suggested that all accidents of any nature be reported to the local peace officer, who will in turn contact the Highway Patrol.

Steers Open Season Friday Night With Melrose Non-Conference Tilt

The Farwell Steers open their 1950 football season Friday night in Melrose where they will lock horns with Coach Allan Thompson's Buffalos. The Buffs are a game up on the Steers, as they lost 12-0 to Amherst last week.

Even though the New Mexicans will have a game under their belt when the whistle starts the game Friday night, the battle is scheduled to be between two teams mainly composed of "greenhands."

If by-the-grapevine reports are dependable, Coach Thompson has been forced to build his team from a crop of largely inexperienced hands.

This also is true of Farwell, claim Coaches Tommy Hestand and Kenneth Livingston. They point out that the Steers have only "three or four" lettermen who will be included in the starting eleven.

The Steers have been making steady strides in practice sessions, Hestand said, expressing satisfaction with workouts. The weather hasn't been

City Council, Directors Will Hold Meet Tonight

Mayor C. M. Henderson announces his week that a combined meeting of the Chamber of Commerce directors and City Council will be at his offices tonight (Wednesday). The meeting is to begin at 8 o'clock, Mayor Henderson said, adding he was anxious for a good attendance.

Lubbock Man Faces Swindling Charge

Arrested before Justice of the Peace B. N. Graham Saturday on a charge of swindling, H. H. Folk of Lubbock was bound over to the action of the grand jury under \$1000 bond.

Folk is alleged to have given a check to Mrs. Haun in the Lazbuddie community in exchange for some scrap iron. The check turned out to be worthless, officers said.

Peace Officers Meet In Farwell Saturday

Forty-seven peace officers from along the Texas-New Mexico border, representing both Texas and New Mexico, gathered here Saturday afternoon for a business session held at Parmer County Courthouse.

The gathering was made up of sheriffs, highway patrolmen, deputies, and city policemen from both states, and Texas Rangers.

The gathering was held for the purpose of working out a better coordinated effort in dealing with law enforcement in both Texas and New Mexico.

Some forms of crime have been on the increase in this region in recent months, the officers said, and their meeting was for working out plans to better cope with the situation.

Lions Club to Enter Attendance Contest

Members of the Texico-Farwell Lions Club are now contesting with other members of Lions International in an attendance contest that will last ten weeks, announces Otis Huggins, secretary.

Huggins said the contest begins this week, and membership present at Tuesday night's meeting of the club will have a definite bearing on Texico-Farwell's standing.

Lions International has designated this week as "100 Percent Week" in the hope of encouraging full attendance at Lions meetings, he explained.

Many prizes will be awarded to winners at the conclusion of the campaign. Principal awards will be expense-paid round trips to the international convention. Other awards graduate down through cash certificates to winning clubs.

Included on Tuesday night's business agenda will be a report from a safety committee on ways and means of launching a safety campaign in the Twin Cities, Huggins concluded.

Car Accident Sends Two County Farmers To Dimmitt Hospital

T. H. Haney, 77, and A. T. Beavers, 38, both farmers of this county, are in a hospital in Dimmitt, where their condition was described as "just fairly good" by hospital attaches Tuesday noon. They were both injured in a car mishap late Tuesday afternoon last week.

Haney lives on a farm some nine miles east of Hub on Highway 86, and Beavers farms three miles north of Lazbuddie. Beavers is reported to be suffering with compound fractures of both legs and a broken arm. Haney's injuries were described as "shock and bruises" about his body, particularly in the region of his chest.

Members of the State Highway Patrol, who investigated the mishap, said that Beavers and his 16-year-old son, James, were traveling west on Highway 86 at a point 6½ miles west of Dimmitt, when a rear tire on their machine went flat. On account of the mud, they were compelled to place their car on the outside edge of the pavement in order to operate the jack.

Haney, who was traveling alone, approached from the east and struck the Beavers' machine in the rear, catching the Lazbuddie farmer between the two cars. The lad, who was standing at the side, was injured only slightly and was not admitted to the hospital. Patrolmen expressed the belief that Haney's eyesight is defective, and the further fact that it was raining at the time, figured in the mishap.

Farwell Polio Victims Recovering Normally

Parmer County's first and only two cases of polio myelitis are recovering satisfactorily this week at Plainview Sanitarium and Clinic where they have been taken only recently.

The girls are Kathlene, 2-year-old daughter of Mr. and Mrs. Eual Tipton; and Fern, 10-year-old daughter of Mr. and Mrs. Percy Tipton. Kathlene is almost completely recovered, and probably will return to her home on the Robert Rundell farm this week.

Fern still is somewhat weakened from her attack, according to Mrs. Tipton, but is showing steady improvement. Exercises and hot packs are to be applied this week, she said. Paralysis is affecting neither of the girls.

Fern is located with a number of other girls her own age, said Mrs. Tipton, and regular classroom studies are to begin this week. The school here sent Fern her books in order that she might not fall behind in her lessons.

"We surely can appreciate the girls' improvement after seeing some of the other children there," said Mrs. Tipton.

This will be Kathlene's third week at the sanitarium. It is the second week for Fern.

ATTEND DEMO CONVENTION

Bob Anderson, W. M. Sherley and Sam Aldridge left Sunday for Mineral Wells to attend the State Democratic convention to be held Tuesday.

JANEAN ELLISON

Janean Ellison Voted 2nd Cavalry Queen

Miss Janean Ellison, daughter of Mr. and Mrs. Buck Ellison of Bovina, has been selected as queen of the 2nd Cavalry football team in Europe, according to a report from Capt. Kenneth A. Peters, head coach of the team.

The queen was selected from pictures presented by team members. Miss Ellison was chosen from a group of forty entrants.

Miss Ellison was represented by Cpl. Leonard Hanna, captain of the Dragon team.

Says Capt. Peters, "The boys are playing under a few hardships over here and something like this helps in keeping up the spirit and morale of the team. Every member of the football team would like to take this means of telling Miss Ellison that they will do their best to make her seasons as queen a winning one."

Feed Crops in Race With Killing Frost

Feed crops of this region, the majority of which give promise of abundant yields, are now staging a race with Jack Frost, whose arrival usually comes about mid-October.

Due to unfavorable weather conditions early in the spring, virtually all dryland crops are distressingly late this year. Even irrigated crops have not matured as early as common.

past two weeks has been wet and cold with heavy rains falling over the county last week to be topped off with a three-quarter inch rain and hail Sunday night.

While the wet, cold weather has retarded the feed crops, it has been most beneficial to wheat seeding operations. Considerable wheat already is up but much more is yet to be planted.

It generally is agreed that many farmers in this county will disregard their wheat allotment acreage this year in order to protect their soil against wind erosion during the winter months.

Thousands of acres of farming are barren due to dry weather early in the spring—and too much rain during July.

Auxiliary Rummage Sale Is Saturday

Texico-Farwell Legion Auxiliary will sponsor a rummage sale at the Clovis American Legion Hall Saturday, Sept. 16.

Members of the auxiliary have been collecting articles for the sale for over a month. Anyone who has anything in the way of old curtains, costume jewelry, dishes, or clothes that are wearable and wish to donate them for the rummage sale are urged to get them in by Friday, which has been set as the deadline.

Anyone having useful articles and wishing to help in the sale by donation may contact Mrs. Dorothy Quicquel, Mrs. John Getz, or Mrs. John Porter. They will be glad to pick up the donations.

Things also may be left at Farmers' Supply or at the State Line Grocery.

Funds from the rummage sale will be used to pay for repair work on the Legion Hall, says Mrs. Porter. Members plan to weather paint the walls, put curtains on the windows, and make other improvements.

Lazbuddie Schools Enroll 200 Pupils

Lazbuddie Schools enrolled over 200 pupils opening day, Aug. 28, Superintendent Archie Sims says. Thirteen teachers are in the school system this year.

Instructors in high school include Arthur L. Harding, Ross Stuard Jr., Mrs. Ross Stuard Jr., Mrs. Lawrence R. Bowers, Lawrence R. Bowers, and A. Sims.

Elementary teachers are Mrs. J. A. Parson, Mrs. Archie Sims, Mrs. Charles Moody, Travis Montgomery, Dale Lavender, Charles Moody, and James E. Ward.

Four of the instructors are teaching in Lazbuddie Schools for the first time. Mr. and Mrs. Moody, who teach the 7th grade and music, respectively; Mrs. Bowers, commercial teacher; and Harding, coach and history instructor, are new instructors in the school system, says Sims.

Discussing athletics, Sims states that the Lazbuddie Longhorns open their football season Friday night, Sept. 15, at Three-Way.

The football team's first home game will be with Pettit either Thursday or Friday night, Sept. 21 or Sept. 22. The game probably will be played on the Muleshoe football field.

Exact time and place of the first game will be announced in next week's paper, says Sims.

Street Paving May Be in Bovina

Prospects for about seven blocks of street paving loomed for Bovina here Monday when Commissioner's Court passed an order authorizing the expenditure of approximately \$5000 for the job.

The money will come from the lateral road fund of precinct two.

The paving job is contingent on the Bovina School District spending approximately \$2500 for the construction of parking aprons in front of the school property, and Supt. W. H. Willoughby of the Bovina school, informed the Tribune that the school board had taken favorable action on the project Monday night.

Commissioner C. L. Calaway, who is engineering the project, said that the proposed paving would tap Highway 36 in the south part of town, run north to the northeast corner of the school property, thence east three blocks to connect with the business loop that runs from Highway 86 to the business section of town.

The Texas Construction Company will do the work, which is to have an eight-inch caliche base, 22 feet wide, and is to comply with specifications furnished by the Texas Highway Department.

Okla. Lane Church Calls New Pastor

A general meeting of the congregation of Oklahoma Lane Baptist Church, meeting last Wednesday evening, extended a call to Rev. Mayo Carpenter of Achille, Okla., as new pastor of the church.

Church officials said today that the minister has not yet accepted the call, but expressed the belief that his acceptance will be forthcoming.

The church has been without a regular pastor since Rev. J. J. Terry resigned some three months ago to go to Grady, N. M.

County invests More In Government Bonds

The Commissioner's Court, meeting here Monday, authorized County Judge A. D. Smith to invest another \$11,000 in Series G U. S. Bonds, which will boost the county's investment in these bonds to \$251,000.

Judge Smith explained that the money was obtained from oil leases on land the county owns in Andrews and Gaines Counties, and belongs to the Parmer County Permanent School Fund. Interest realized from the bonds is divided among the schools of the county on a scholastic basis each year, which amounts to about \$4.00 per pupil at present.

TEACHING AT FRENCH

Miss Opal Williams, daughter of Mr. and Mrs. E. G. Williams, has been employed as teacher of the second grade in French Schools, and assumed her duties last week.

Barring unfavorable weather, the Parmer County Dairy Show and Fair is expected to draw a record gathering when the doors open at the fair grounds in Friona at 8 o'clock Thursday morning.

The showing will occupy a three-day period, with the show getting underway Thursday morning and continuing through Friday and Saturday.

Dairy cattle entered in the butterfat production contest will be required to be in the dairy barns Wednesday morning to be followed on Thursday morning by the first production contest. The final milking for the butterfat contest is scheduled for Thursday at 6 p. m.

All entries, which include livestock, agricultural products, home arts, and other departments, are required to be in position by 5 p. m. Thursday.

A grand parade of floats is slated for 2 p. m. Saturday. Merchants, organizations, schools, and individuals are invited to enter the parade, which is expected to surpass last year's showing.

Cash prizes and ribbons are offered in all departments displayed in the exhibition halls.

Special Features Added

This year, there will be several new additions to the fair in the way of feature entertainment. Beginning Thursday night at 8 o'clock, two Western bands will be on hand to live up proceedings at the fair.

The bands are Delmar Shirley and his Texas Ramblers, and Noble Brown and his Deaf Smith County Hot Rocks. They are scheduled to perform in the tent erected on the grounds.

Friday night, festivities will proceed with a greased pig-catching contest. Several petroleum firms in Friona are sponsoring pigs for that event, and they include the following:

Bert Shackelford's Texaco pig, Denver Smith's Magnolia pig, Paul Fortenberry's Phillips 66 pig, and Henry Lewis' Co-Op pig.

Local boys will be engaged to chase the greased porkers, and the event will be held in the quadrangle.

Special entertainment will conclude Saturday night with a boxing session to be staged in the tent. Arrangements still are pending for this attraction.

Standard concessions will be available at all times during the fair.

Prizes for Parade

Several cash prizes will be awarded by the fair to winning entries in the parade Saturday. Here is the order of the parade, and its prizes:

Hereford Riding Club (exhibition), Friona High School Band (exhibition), school floats (\$25 prize), outside floats (\$10, \$5 prize), merchants' cars (\$10, \$5) prizes, implement company entries (exhibition) ponies (\$2.50, \$1.50, \$1 prizes), bicycles (\$2.50, \$1.50, \$1 prize), and pets in general.

First Kindergarten Well Underway Here

Farwell's first kindergarten is in its second week of classes this week, and Mrs. Tom Foster, director, reports a beginning enrollment of seven pre-school children.

This also is Mrs. Foster's first experience in kindergarten work, she reported, although she previously has had training in this field. Mrs. Foster expects more children to enroll as the term goes on, adding that as long as regular school is in session, the kindergarten will continue to have classes.

Included in the initial enrollment are Linda Russell, Rennie Sanders, Hal Ed Helton, Janice Meeks, Bill Quicquel, Carol Smart, and Steve Hillock.

"I am delighted with the work," said Mrs. Foster. "We have classes from nine until 12 every school-day morning."

The kindergarten building and facilities are owned by Mrs. Foster, as no state aid is available for this type schooling.

Bettie, Mrs. Foster's daughter, a senior in high school occasionally assists the school by playing the piano.

FORMER RESIDENT DIES

Mrs. Fred Merkel, the former Gladys Miller, passed away in Tulsa, Okla., Sunday. She was the daughter of Mr. and Mrs. T. J. Miller of Clovis, former residents of Farwell.

Mrs. Merkel had been ill for about a year. She was the niece of C. E. Crume.

Jim Bob Roop and Harry Baker enrolled at Texas Tech Wednesday for their junior year.

Major Conservation Work Done Under SCS During Year 1950

At the close of the fiscal year June 30, 1950, farmers and ranchers cooperating with the Farmer County Soil Conservation District had applied major soil conservation practices to 10,938 acres of land. This marked the accomplishment of the district after 13 months of functioning.

Improved water application which provides better distribution and penetration of irrigation water, totaled 3534 acres. Irrigation systems have been laid out on over twice this amount of acreage. It will not be reported as improved water application until the farmer has used the system for at least one irrigation season.

Crop residue management totaled 3871 acres. The objective of this practice is to prevent wind erosion and water erosion, conserve moisture, decrease evaporation, and contribute to improvement of the soil. The practice is valid if the heads of sorghum or row crops are cut, if grazing is limited to waste heads and leaves, and if large quantities of vegetation are left undisturbed on the surface, or partially incorporated in the soil.

Contour farming totaled 2493 acres. This practice is widely adapted and is especially a major practice for dry land farmers.

Other major practices planned and partly applied last fiscal year were cover cropping, 516 acres; range improvement, 2506 acres; seeding of range, 220 acres; seeding of pasture, (irrigated) 620 acres; farm and ranch ponds, 2; terraces, 128 miles; field diversion, 11 miles; irrigation land preparation, 605 acres; and terrace outlets, 4.25 miles.

During the year, 134 farmers applied for assistance on 81,875 acres.

The following report, submitted by Harleton A. Jenkins, Chief Regional Information Division, and issued by Louis P. Merrill, Regional Director of the Soil Conservation Service evidences state-wide accomplishments in the 148 soil conservation districts operating in Texas.

"Farmers and ranchers cooperating with the 148 operating soil conservation districts of Texas applied

major conservation practices to 3947 acres in the fiscal year ending last June 30. The year's work brought the accumulated total to 17,713,689 acres. Soil conservation districts cover 89 percent of Texas.

The planting of cover crops to protect and enrich the soil totaled 215,901 acres, an increase of almost 34 percent over the total of 609,948 acres in the previous year. This increase showed up largely in the Plains area where farmers planted extensive acreages to grain sorghums and sudan grass to overcome a serious wind erosion threat.

There were increases in the planting of cover crops in other parts of Texas where wind erosion was a threat, especially the sandy areas around Dublin, DeLeon, Jacksboro, and Vernon.

Contour farming increased 5 percent to 710,310 acres. Improvement of range was another major practice that received much attention, total for the year being 2,548,060 acres, a gain of 83 percent over the 1949 total.

Pasture improvement was up 6 percent to 227,911 acres. Seeding pastureland to good forage grasses and legumes totaled 2,1681 acres, an increase of 49 percent.

The same number of farm and ranch ponds was built each year, 2983. Building of terraces also was almost the same each year, the 20,731 miles in fiscal 1950 comparing with the 20,668 the year before. Field diversions that carry water safely around cropland totaled 1096 miles, a gain of almost 25 percent."

Tech Draws Majority Of College Students

Texas Tech College in Lubbock is first choice among the majority of students from Friona who are entering college this year, according to a survey conducted this week.

Other local young people have chosen West Texas State, Canyon; Texas University, Austin; Texas University Medical School, Galveston; Eastern New Mexico University, Portales; John Tarleton, Texas A. & M., and Stevens College in Missouri.

Leaving the first of the week for Tech were Ray Nell Foster, Viddian Weis, Maridee London, Tim Magness, Dorothy Nell Guinn, Bob Davis, Bill Conner, Murna Welch, John Smith,

Hugh Moseley, Billy Roy Jones, Lavon Rogers, Marvin Massey, Harold Joe Wells, Tommy Laceywell, Roy V. Miller, and R. B. Miller.

Lee Cranfill and Les Allen Orborn will both be enrolled at Texas University, while Spring, who has spent the summer with relatives here, is returning to his studies at the University's medical school.

Kenneth and Wayne Bainum are re-entering John Tarleton, and Lunell McFarland left last week to resume her schooling at Stevens.

Listed for enrollment at WT are Harold Southward, Lila and Wanda Robason. Steve and Lloyd Messenger, Jane Gallagher and Peggy Mayfield. Charles Osborn already has begun work at Texas A. & M., and Mr. and Mrs. James Smith will attend ENMU in Portales.

Girl Scout Caravan To Visit Parmer County

The Coronado Caravan, comprised of Girl Scout good-will trippers from different sections of the Coronado Girl Scout Area, will tour their area Sept. 22 and 23, according to Mrs. Jack McCullough, area public relations chairman.

The Coronado area includes Curry, DeBaca, Quay, and Guadalupe counties in New Mexico, and Parmer and Bailey in Texas.

"Purpose of the caravan," said Mrs. McCullough, "is to 'pep up' interest in and support of Girl Scouting in communities already organized and to assist with re-organizational plans in Vaughn, Muleshoe, and Texico-Farwell.

A panel comprised of L. H. Rhodes, area president, a local association president, a troop leader, a Brownie, Intermediate, and Senior Scout, and Marilyn Chancey, area professional worker, will discuss "What Girl Scouting Means to Me."

C. M. Hendersh, area finance chairman, and Mrs. Anna D. Cook, area program chairman, also will be

on hand to assist with local problems.

All Girl Scout adult workers in the area who can go on the caravan are asked to notify Mrs. McCullough, 510 E. 6th, Clovis, as soon as is possible.

A complete itinerary, including specific date and time the caravan will be in each community, will be announced later.

Pep Squad Is Organized At Lazbuddie Schools

Trixie Steinbock, Levina Clark, and Theresia Steinbock were elected as cheerleaders of the Lazbuddie pep squad last week.

Drum majorettes for the coming year are Carol Ivy and Reta Graef and baton twirler is Mary Hall.

According to a spokesman for the newly elected leaders, "they plan to do a good job of cheering the football boys through the coming season."

The Lazbuddie football team has been working out since Aug. 28. Their first game is scheduled for Friday Sept. 15 with Three-Way.

It also has been announced that girls' basketball practice will be-

gin as soon as the gymnasium floor is refinished.

Texico Schools Have Good Attendance

Texico schools have had very good attendance the past two weeks even with poor weather, says Agrie Jones, superintendent.

Buses have made complete runs every day, although one or two of them have been late a few times.

Discussing the lunchroom program, Jones says approximately 150 students ate in the lunchroom at the beginning of school, but the number has grown to 170.

Compared with last year, this is quite an increase, says Jones. Fewer than 100 pupils ate at school at the beginning of the lunchroom program last year, the average during the term being 103 a day.

The schools have received four more teacher's desks and 1200 feet

of pipe from the War Supplus Administration.

The desks have been placed, too. One is in the superintendent's office, one in the principal's office, in a basement room used for eighth grade classes, and in the new room off the auditorium used for high school classes, Jones states.

"The pipe will be used to fence the yard as soon as we get to it," he adds.

A new Cardex all-steel filing cabinet has been added in the superintendent's office. The schools have been promised three other letter filing cabinets. This equipment is badly needed by the schools, the superintendent says.

The athletic program for Texico schools will get underway Friday afternoon if weather permits, says C. B. Stockton, coach. The baseball team is to play Rosedale at 2 p. m.

"We have a bunch of new boys, but they are shaping up pretty well," Stockton says.

AUXILIARY AND LEGION HOLD ZONE MEETING

Loyde Brewer, zone commander, presided over the joint zone meeting of the Legion and Auxiliary at the local Legion hall Tuesday night.

Members were present from Bovina, Friona, Hereford, Dimmitt, Vega, and Texico-Farwell. Also, a visitor from Houston attended.

The meeting was opened in regular order, after which a program was presented. Coeta Doolittle was first on the program with a baton twirling number. Then Rosamond Booth, accompanied by Ann Bateman, sang "Through A Long and Sleepless Night", and "Tarra-Ta-Laura-Ta-Laura."

Post commanders from Bovina, Dimmitt and Vega attended the meeting.

Mr. and Mrs. Carlos Vaughn gave reports from the convention held in Galveston, Sept. 7-10, after which films "FBI In Peace and War" and "Touchdown Thrills in '47" were shown.

Sandwiches and coffee were served.

The next zone meeting will be held in Vega, Oct. 10.

COPPER CRAFT CLASS OFFERED AT FARWELL

Those interested in making copper pictures can attend an instruction class in the homemaking department of Farwell Schools Thursday, Sept. 21 from 5 until 8.

A small fee of 25 cents will be charged and anyone wishing to participate is welcome. In order to have needed supplies, those interested should contact Mrs. John Lovelace so she can have them on hand.

Other classes will be arranged throughout the school year on such problems as clothing construction, tailoring, stitching details as set-in pockets, bound buttonholes, looped buttonholes, worked buttonholes by hand, or attachment, shoulder pads, putting in zippers, using the blind-stitching attachment, pattern alteration, making draperies, refinishing furniture, freezing foods, and aluminum craft.

If anyone has other problems that they would like to have help on, the department can arrange for conferences between 2:30 and 4 on Wednesdays and Fridays.

FARWELL SCHOOLS PTA MEET TUESDAY NIGHT

Mrs. Jack McManigal presided over the first Farwell PTA meeting of the year Tuesday night, which opened with group singing.

A business session followed. Mrs. C. C. Christian presented the suggestions of the planning committee in the form of a motion that the PTA buy a motion picture projector and screen for the school and that the organization sponsor a pre-school clinic.

The finance committee headed by Miss Jennie Bolton presented several money-making projects for the year including sponsoring of "Snow White and the Seven Dwarfs," feeding the Lions club, pie and coffee booth at the high school carnival, home talent Hillbilly Jamboree, and donation of birthday pennies to the fund.

Chairmen of other committees reported.

The group voted to give \$2.50 to the class having the most parents at PTA each meeting. The money is to be used to buy something for the classroom. At Tuesday night's meeting, the eighth grade won.

Jack Williams, superintendent of schools, introduced Shelby Jones and W. M. Roberts, who in turn introduced the teachers.

A short musical program by Jeanne Lunsford, Dot Kent, and Carvetta Grissom followed. Mrs. Tom Foster continued the program with a humorous talk after which a short film was shown.

Refreshments of punch and cookies were served.

Eastern Star Honors Willa Mae Ross

Bovina Chapter 839 of the Order of the Eastern Star gave special recognition to Willa Mae Ross, Bovina's own grand officer, in a regular meeting Thursday night at the Masonic Hall.

Guest night was observed to honor Mrs. Ross, who has been working in the local chapter and district and state for about ten years.

Large basket arrangements of dahlias and gladiolas beautifully decorated the Hall. All of the flowers were grown by members of the chapter.

On each individual star point was a single flower in a crystal bud vase to represent the color of the point.

Centerpieces in the dining hall carried out the decorative theme. Long banquet tables were centered with bowls of vari-colored dahlias at twelve-inch intervals with arrangements of evergreen interspersed between the flowers.

Grand officers attending the special program honoring the well-known Mrs. Ross were Pat Boone, past grand patron of Texas from Littlefield; Wallace Carmack of Clovis; past grand patron of New Mexico; Flora Best Boone of Littlefield, and Gladys Laing, deputy grand marshal of District No. 2, Section 5.

Included on the program was an original tribute to Mrs. Ross by Mrs. A. D. Smith. Mrs. James E. Tidwell of Friona sang "Living for Jesus."

The officers then formed a cross west of the altar and each carried a red American Beauty rose. They passed the roses to Mrs. Katie Ellison, associate matron, who in turn presented them to Mrs. Ross.

As the officers knelt in the form of a cross, Mrs. W. H. Graham completed the impressive ceremony as she sang "The Old Rugged Cross." Mrs. Graham also sang "Perfect Day" on the program.

The local chapter presented Mrs. Ross with a white Martha Washington bedspread.

A sandwich plate and coffee were served to approximately 150 guests. Eastern Star members were present from Hereford, Dimmitt, Amarillo, Hale Center, Muleshoe, Olton, Canyon, and Clovis chapters.

Hostesses included Mesdames Lorena Brock, Bill Buchanan, Annie Kimbrow, and A. H. Boatman.

Are Dinner Guests

Miss Hazel Dishman and Earl Roberts were Sunday dinner guests in the home of Rev. and Mrs. A. D. Moore at Oklahoma Lane.

Pre-Nuptial Shower Given Miss Kramer

Honored with a pre-nuptial shower Tuesday evening in the home of Mrs. A. E. Guthals in Clovis was Miss Elizabeth Kramer, bride-elect of Gilbert Kaltwasser of Farwell.

Hostesses were Mesdames John Guthals, Henry Kossman, Halbert, Knapp, L. M. Keeling, E. S. Krupp, Warren Cottle, E. A. Cave, Art Hutchins, and Mrs. Guthals.

Receiving the guests at the door were Mrs. A. J. Kaltwasser, mother of the bridegroom-elect, Mrs. Guthals, Miss Kramer, and Mrs. Hutchins.

Miss Martha Woolever registered 70 guests and Miss Oretta Jarell assisted Miss Kramer in the opening and displaying of gifts.

One gift was received from London, England. Mrs. F. Glover, mother of Mrs. Walter Kaltwasser, a sister-in-law of the bridegroom-elect, sent the bride-elect a set of silver pastry forks.

The lace-covered table was set with a crystal punch service. Pink fruit punch and an assortment of dainty cookies were served.

The bride's chosen colors, blue and white, were carried out with an arrangement of white mums and blue candles. Napkins bore the names "Elizabeth and Gilbert."

Musical background and program during the affair were given by members of the G-Clef chorus of Clovis High School, of which Miss Kramer was a member her senior year.

Marcia Johnson, formerly of Farwell, sang a duet with Nancy Lawrence. She also played piano selections.

Miss Kramer, daughter of Karl Kramer, will be married to Mr. Kaltwasser in a candlelight service at the Lutheran Church in Clovis, Sept. 17.

Attending the shower from Farwell were Mrs. J. A. Kaltwasser and Mrs. Walter Kaltwasser.

Returns from Oklahoma

Mr. and Mrs. Loyde A. Brewer and children returned Saturday from Oklahoma City where Brewer received treatment in the Asthma Clinic there. The family left Farwell Friday, Sept. 1.

While gone, the Brewers visited his sister, Mrs. V. M. Elliott, near Woodward, Okla. Brewer is county clerk.

Mr. and Mrs. B. N. Graham visited their daughter and her family, the Raymond Rosses of Morton, Sunday.

Golden Circle Class Meets Monday Night

The Golden Circle Sunday School class of the Baptist Church met in the home of Mrs. John Lockhart in a regular business and social meeting Monday night.

The session opened with group singing, after which Mrs. Murray Dial gave the devotional.

Mrs. Walter Hardage was then elected president for the coming year. Other new officers included Mrs. Raymond Martin, membership vice-president; Mrs. Edd Hardage, fellowship vice-president; Mrs. Dale McCuan, personal ministries vice-president; Mrs. Murray Dial, stewardship vice-president; Mrs. Gertrude Potts, secretary; and Mesdames Morgan Billington and Joe Reed, group captains. Routine business was conducted after election of officers.

After the business meeting was completed, "sunshine friends" or "secret pals" were revealed, after four months of secrecy. Everyone exchanged gifts.

Hot chocolate and gingerbread was served to Mesdames Joe McWilliams, Loyd Spies, R. L. Douglas Jr., Nell Autry, W. M. Roberts, Charlie Hromas, John Chappell, Bill Moss, Otis Branscum, and Mrs. Billington, Mrs. Reed, Mrs. Martin, Mrs. Dial, and the hostess, Mrs. Lockhart.

Hot chocolate and gingerbread was served to Mesdames Joe McWilliams, Loyd Spies, R. L. Douglas Jr., Nell Autry, W. M. Roberts, Charlie Hromas, John Chappell, Bill Moss, Otis Branscum, and Mrs. Billington, Mrs. Reed, Mrs. Martin, Mrs. Dial, and the hostess, Mrs. Lockhart.

Variety Club Meets At J. I. Gober Home

Mrs. J. I. Gober was hostess to the Variety Club Tuesday, Sept. 4 in the Oklahoma Lane community. Although traveling was difficult in the muddy weather, a good crowd attended, a club reporter said.

The women spent the afternoon visiting and hemming dish towels for the hostess.

Refreshments were served to Mesdames Sam Sides, John Ginnings, W. P. Shelley, Clyde Perkins, L. M. Grissom, Clarence Christian, J. R. Caldwell, Mrs. Gober, and Doris Mae Gober.

The Gobers recently moved to their farm home from Clovis, where they resided for several years.

The next meeting of the Variety Club will be in the home of Mr. and Mrs. J. M. Pruitt, Oct. 3 at 2:30 p. m. Members are requested to bring thimbles and scissors.

Stewarts and Selmans Visit at Vega Sunday

Mr. and Mrs. Stanley Stewart, Beale and LaDonna, and Mr. and Mrs. W. L. Selman and Donald Rae Selman of Clovis, were visitors of the Matador Land and Cattle Company of Vega, Texas, Sunday.

They also were dinner guests of Mr. and Mrs. Beale Queen, managers of the L. S. Ranch of Tascosa, Texas. The Queens and the Stewarts are long-time friends.

Mr. Queen is owner of "Battle Creek" quarterhorse that equaled the world record for quarter mile at Big Spring last fall, says Stewart.

J. E. Stone was in Amarillo Tuesday on business.

Local WSCS Members Attend Luncheon

Women of the local WSCS of the Methodist Church were guests of the WSCS of Clovis First Methodist Church at a 1 o'clock luncheon in the undercroft of the church Thursday.

Since 1950 is the 10th anniversary year of the national WSCS, each society is host for a birthday party for another nearby club.

Table decorations for the affair featured appropriate fall flowers. The local group of women furnished the birthday cake, which was decorated with white icing, candy pink flowers, and pink candles.

The theme of the program, held in the church parlor after the luncheon, was "Thy Saving Health Among All Nations."

Ten members of the local WSCS attending the luncheon were Mesdames A. H. Overstreet, Ralph Humble, A. D. Smith, N. L. Tharp, Murphy Duncan, Ruby Dixon, Lena Yoder, G. W. Atchley, B. N. Graham, and W. H. Graham.

Baptist Church Members Attend Clovis Meeting

A group of members from the local Baptist Church attended an annual meeting of the Plains Baptist Association at First Baptist Church in Clovis all day Tuesday.

The association, comprised of 18 Baptist churches, began the first of three sessions at 9:30 in the morning. Rev. E. D. Morgan brought the three devotional messages "Jesus at God's Right Hand," "Jesus at the Throne of Grace," and "Jesus in the Midst of the Churches."

Reports from the churches included gains in baptisms and new members. State workers also were speakers on the program.

The Baptist Church in Clovis was host for the noon and evening meals.

Anita Moss Honored With Birthday Party

Mr. and Mrs. Jim Moss honored their daughter, Anita, with a party on her ninth birthday at their home Saturday afternoon at 3 o'clock.

The children played outdoor games after which refreshments of ice cream cones and birthday cake were served. Favors were packages of chewing gum.

The complete fourth grade of Texico Schools was invited and also a few other special friends of the honoree. About 20 children attended the party.

Bovina Woman Styles Little Girls' Dresses

Mrs. Joe Hromas of Bovina has opened a new business in her home. She is making dresses for little girls.

According to a Bovina reporter, the styles are of Mrs. Hromas' own design and she has "some adorable things for little girls."

Mrs. Hromas calls her new line of children's clothing "Sheri Lynn Originals."

Builders Supply & Manufacturing Company Gives Service That Cannot Be Equaled

A Clovis industry that has supplied millwork, cabinets and fixtures to some of the most modern homes and commercial buildings throughout New Mexico and Texas is Builders Supply and Manufacturing Co., 1200 East 1st street in Clovis.

This popular concern is equipped with not only the proper and latest machinery but also employ only the highest skilled cabinet makers in order to assure good products to their trade, that is why every job is turned out to the entire satisfaction of the customer.

In the store and Restaurant Fixture department the most modern work is done and Builders Supply Mfg. Co. are always glad to make a survey of the building and assist in planning the proper fixtures, keeping in mind convenience and proper location of counters, showcases, etc. so as to save as many steps and give every sales advantage as possible. Cost estimates on any type of millwork or cabinet and fixture requirements are furnished without obligation.

Builders Supply & Mfg. Co. is the choice of most of the contractors and also lumber dealers in this territory for millwork, especially those special sizes in window frames and doors to say nothing of the cabinets and built-ins that go into the modern homes of today.

Builders Supply & Mfg. Co. have made a liberal contribution to the progress of our territory with their quality products and we recommend them to those in the market for millwork, cabinets or store and restaurant fixtures.

Good Seed Wheat Offered by Friona Wheat Growers

Ready to serve our wheat farmers with certified and select seed wheat—the popular varieties that are acceptable to flour millers—Friona Wheat Growers, Inc., will take care of your requirements. They have all the popular varieties including WICHITA and WESTAR. All the seed wheat offered by them has been cleaned and is positively of the highest quality. They also have a full line of all other seeds for fall planting.

Friona Wheat Growers is headquarters for the popular PGC Stock and Poultry Feed. Those who use these balanced rations say that it is not only very economical but made of the purest ingredients and properly balanced to give best results in this section of the country. Friona Wheat Growers, Inc., is looked upon by the farmers in our community as a part of the agricultural activity. At all times he is glad to cooperate with every worthwhile movement that tends to improve farming conditions and is always glad to be of assistance in helping in preparation of government crop loan applications and has gone out of his way to render any service that he could, such as furnishing market information, and giving the benefit of his experience in the grain business to those who seek information.

The Board of Directors as well as the progressive manager and the wheat farmers who are stockholders in this 1,300,000-bushel elevator are to be complimented on the manner that the business of Friona Wheat Growers Inc. is conducted and we compliment all of them for their generous contribution to the agricultural development of our community.

OF & O Supply Co. Handle Outstanding Lines of Machinery

A Friona concern that has lent its assistance to the farmers of this section is O F & O Supply Co., dealers for such famed lines as J. I. Case Farm Machinery, General Electric Appliances including freezers, refrigerators, ranges and the various small electrical appliances that makes house work easier.

O F & O Supply Co. also have a complete line of B. F. Goodrich tires for tractors, trucks and passenger cars as well as auto parts and accessories—they also are headquarters for Texaco gasoline and lubricants.

The garage and automobile, truck and tractor repair department is equipped with the latest machines and the mechanics employed by O F & O Supply are thoroughly experienced—only factory engineered parts are used.

The management of this aggressive concern takes great pride on the outstanding lines that they handle and on the service that they render their customers and they extend a cordial invitation to our readers to

make their place their headquarters during the Farmer County Fair, September 14th, 15th, and 16th and to be sure and see their display at the fair.

In presenting this article devoted to the interests of the farming industry we feel that we are privileged to single out O F & O Supply Co. for their splendid service and the contribution that they have made to the advancement of our prosperous community and to hope for them every success in the future.

Bailey County Co-op Is Boon To Area

In mentioning those who serve the agricultural interests of our area we must point to the Bailey County Electric Co-op. Assn. with offices in Muleshoe. This outstanding electric power cooperative is a model in their field and the management, plant and methods have been studied by many similar organizations throughout the Southwest because of their efficiency.

Bailey County Electric Co-op. has always had an aggressive board of directors who have spent much time in seeing that good service is rendered to their patrons. Special mention is also made of W. H. Thompson, manager of the Co-op. who is most anxious to see that the very best service is given and that the entire operation functions smoothly.

The Co-op is furnishing electrical power to many of our irrigation farmers who find it most economical, as well as furnishing power for lights to operate all of the electrical appliances, such as home freezers, refrigerators, washers, etc. that aid in making the housewife's duties a pleasure.

It is with pride, in this review edition of the paper that we commend W. H. Thompson and the board of directors of Bailey County Electric Co-op. Ass'n. for the splendid service that they render to the farmers of our area.

Top Lines Of Painters Needs Offered by The House of Color

One of the largest and most complete lines of wallpaper shown in this entire trade area, as well as PRATT & LAMBERT paints and varnishes, linseed oil, paint brushes—in fact, anything that the painter might need in the way of supplies, is carried by the HOUSE OF COLOR, owned and operated by Bob and Homer Worthington, 113 East 6th in Clovis.

The service offered by this store does not end with the mere purchase of paint and wallpaper. Their advisory service is second to none and they will recommend the proper paint for your specific purpose. If you wish, they will also recommend a competent and reliable painter.

The HOUSE OF COLOR Wallpaper Department has the proper pattern for every room in your home or just the right design for your store or office. They are glad to give you expert advice in the selection in order that you will have complete harmony in color and design with the furnishings, drapes, and interior trim of the room to be decorated.

This service is extended without obligation and will greatly assist in making your place more attractive. They also will recommend first class paper hangers to do the job right, if you wish.

Nothing so greatly improves the appearance of your home, office, or commercial building than painting and the proper interior decoration, so why don't you, on your next trip to Clovis, drop in and see Bob and Homer Worthington of the HOUSE OF COLOR and discuss your painting and decorating problems with them.

You will find them most friendly and dependable—they will gladly make you a free estimate on the material you may need to do the job and you will find their merchandise of high quality and their prices most reasonable.

Martin Tile & Mantle Do Modern Work

In the designing of new buildings, both residential and commercial, as well as remodeling plans call for the use of either linoleum or tile in the kitchens, bathrooms and porches. Martin Tile & Mantle Co., located at 213 W. Grand in Clovis has been called upon, because of their experience and reliability to do this type of work on a large number of construction jobs in this area.

Martin's organization has made an

A Review of Preferred Places to Trade For The Entire Family

enviable reputation in its field because they see to it that the very best quality of material is used and their craftsmen are able to follow the architect's plans in every detail, because of their experience.

Among the lines handled, and in addition to quality linoleum, clay, steel, and plastic tile is AZPHLEX Asphalt Tile, the premium quality asphalt tile that has "Everything"—greaseproof, tough, durable, and colorful and moderate in price. They also handle MOSAIC ceramic tile which has been used in some of the largest buildings in the United States. The use of MOSAIC as well as AZPHLEX Asphalt Tile has become increasingly popular because it is fireproof, does not require painting and is easy to keep clean.

If a building or remodeling job is contemplated and the use of tile has been overlooked, consult Martin Tile & Mantle and see how economical an attractive installation in your kit-

chen, bathroom or a mantle will really be. Should you be contemplating the remodeling of your store or commercial building, a tile front would be a wise decision and Mr. Martin will gladly take care of the details.

Herring Implement Co. Popular Concern

No review edition of the agricultural interests of our community would be complete without mention of Herring Implement Co. of Friona, who are dealers of the well known John Deere line of tractors and farm implements and Krause plows.

Because of these popular lines, coupled with the very best of service and fair business policies this concern enjoys a large patronage and the goodwill of the entire area. Herring Implement Co. also pride

themselves on having, at all times, a large and complete stock of factory engineered parts for the machinery and implements that they handle. Their service department is known favorably for their experience in repairing tractors and machinery and their charges are most reasonable.

Herring Implement Co. extend an invitation to stop in and see their line of John Deere tractors and implements and Krause plows when you attend the Farmer County Fair September 14th, 15th, and 16th.

This popular agricultural implement house has gained a reputation for complete customer satisfaction and the management and employees are thoroughly familiar with farm machinery and tractors and always go out of their way to be of service to those who seek their advice or information.

Herring Implement Co. has played an important part in the progress of this district and merit the continued good will and whole-hearted support of our farmers.

Quality & Low Prices At Cash-Way Stores

Because they offer the highest quality plain and fancy groceries, fruits, vegetables, meats, and a good selection of frozen foods at a great saving because of their immense purchasing power, CASHWAY GROCERY AND MARKETS which operate stores at Muleshoe, Friona, Earth, Olton, Vega, Dimmitt, and two stores at Hereford, have gained such popularity that they have hundreds of customers who drive many miles and lay in a good supply in order to receive the saving that

CASHWAY low prices afford. The clerks employed by this aggressive food organization have been carefully selected and you will always find them alert and courteous which makes it a pleasure to shop at CASH-WAY. There is always plenty of parking at CASH-WAY stores.

We recommend to our readers in this trade area that you give CASH-WAY a try—see for yourself that you may buy with complete confidence from their complete stock of groceries, their wide variety of fresh fruits and vegetables, frozen foods or choice meats and we are quite sure that you will be loud in your praise of the CASH-WAY superior quality, low prices and courteous service.

We are fortunate in having this wide-awake and high grade organization located in our trade area and we wish for them much success in the future.

Willson & Sanders Lumber Co. Render Special Service

There is no firm in this area that is more on the alert to offer new and proven items in the building supply line than Willson & Sanders Lumber Co. of Muleshoe.

They have always had a reputation for carrying only the very highest quality lumber, millwork, roofing and siding materials builders hardware as well as many other items used in construction and remodeling.

This outstanding concern takes special pride, however, in their wallpaper department which ranks favorably (Continued on Following Page)

Double-Ring Ceremony Is Held On Sunday

Nuptial vows for Miss Edd Uri Talbot, daughter of Mr. and Mrs. E. W. Talbot and Dan Luttrell, son of Mr. and Mrs. M. B. Luttrell, all of Friona, were read in the presence of friends and relatives of the couple Sunday afternoon Aug. 10 at 5 o'clock in the Friona Congregational Church.

Reading the impressive double-ring rites before a background of backed fern and greenery interspersed with yellow and orchid daisies was Rev. Roy Dean Seaney, pastor of the Baptist Church of Arch, N. M. Large baskets of pink and yellow gladioli completed the floral arrangement, and graduated candelabra holding white tapers flanked the decorations. Candle lighters were Gaylord Maurer and Billy Sanders, both of Friona.

Jake Simpson, Portales, was the vocalist for the afternoon, offering "Because," and "I Love You Truly," accompanied by Mrs. Roy Miller of Friona, Mrs. Miller and Mrs. Seaney violinist, joined in pre-nuptial music and also played softly during the ceremony, with selections including "Claire de Lune," "Always," "Indian Love Call," "Ave Maria," and the traditional Mendelssohn's Wedding March.

Miss Delores Troutner of Clovis served as maid of honor to the bride, wearing a formal gown of soft yellow marquisette with a full skirt and short cape, and carried a bouquet of pink asters centered with a yellow gladiola. Best man to the bridegroom was Julius Fulks Jr., Friona.

Beautiful in traditional white satin for her wedding, the bride was given in marriage by her father. Her dress was fashioned with a full skirt which extended into a train, with a deep edging of lace around the entire hem. The lace yoke was outlined in seed pearls and rhinestone beads, and the high bodice topped by a Peter Pan collar. Long pointed sleeves ended in tips on her hands. Her fingertip length veil of imported illusion was held in place by a small coronet of seed pearls and rhinestone beads, and she carried a white Bible on which lay a single white orchid. Satin ribbon and stephanitis fell in a shower effect from the orchid.

Reception at Club House

Immediately following the ceremony the couple was honored with a reception held in the Friona Women's Club House with Miss June Phipps of Friona at the guest book and Mesdames Alan Russell, Calvin Tally and Roy Clements presiding at the serving table.

The table was laid with a hand-made cloth and featured a color scheme of pink and blue, with a bouquet of asters of those colors as a centerpiece. Glowing tapers and crystal service complimented the tiered wedding cake, topped with bride and groom figurines.

Mrs. Luttrell is a graduate of the Friona High School and has been attending Eastern New Mexico University at Portales for the past year, where she majored in music and was a member of Tau Beta Sigma and the Euterpean Club.

Luttrell also is a Friona High School graduate and is engaged in farming near this city. The couple will be at home in Friona following a wedding trip to Colorado. For her traveling costume, Mrs. Luttrell chose a brown suit with matching accessories and wore her orchid as a shoulder corsage.

'Chicken & Trimmings' Offered Fair Visitors

Visitors to the Parmer County Fair, opening in Friona on Thursday of this week will be offered an opportunity to sit down at a table heavily laden with traditional chicken and dressing and all the trimmings on Friday, when ladies of the Women's Society of Christian Service of the Methodist church will serve.

The meal will be served in the Methodist church annex beginning at twelve noon and lasting until 2 o'clock, officials report, and a guarantee of good home-cooked food down to pies and coffee is offered patrons.

Officials stressed the fact that all residents of the community were invited to the dinner, proceeds from which will go into the Society treasury.

Friona Church Men At Amarillo Meet

Laymen and the pastor of the Friona Methodist Church, Rev. Jimmy Tidwell, are spending Wednesday and Thursday in Amarillo attending a special evangelistic series which will launch the "Six Great Months" program of the Methodist Church, opening on world-wide concluding Easter Sunday, 1951.

Rev. Ray Johnson of San Angelo and Rev. Caridine Hooten of Washington, D. C., are to be the special speakers during the two-day meeting. Rev. Tidwell reported before leaving for Amarillo.

Attending the meeting at the Polk

Street Methodist Church are Rev. Tidwell and wife, Forrest Osborn, C. L. Mercer, A. W. Anthony, P. L. London, and Dr. and Mrs. Charles Henderson.

Good Moisture Is Received Locally

Sufficient moisture to insure the Friona area's mammoth row crop of a big harvest has been received during the past ten days, with, in some cases more moisture on hand than was needed or wanted.

General rains the first four days of September put from 1½ to 2 inches of rain in the group and a young cloudburst in some sections north and west of town on Friday night dumped from 3 to 4 inches over a good portion of the far side of the county.

The Friday night rain washed fields badly in some areas as the soaked ground was unable to take care of the downpour. Another heavy shower averaging around ½ inch was recorded over most of the area Sunday night, and overcast skies the first of the week threatened even more rain.

In general, farmers are ready now for several days of good warm sunny weather to insure the row crop's maturity. Chilly nights and cool days have slowed down the growth somewhat during the past week, and an early frost—which is not expected but could come—would almost certainly damage a good portion of the crop.

Fields that have been irrigated earlier are nearer maturity than those which depended on natural moisture, and with the weather permitting, row crop harvest is expected to be one of the largest in years.

Wheat farmers are jubilant over the moisture, pointing out that it paves the way to early planting of the winter crop—providing the fields dry out sufficiently in the near future for sowing. Some fields, having received no moisture several weeks ago, were planted before the more recent rains, and already are showing a short green carpet.

Franklin-Tedford Wedding Sept. 9th

Rev. Thurman Harris, pastor of the Portales Methodist Church, performed the single-ring ceremony uniting Miss Wanda (Frankie) Franklin and Jimmy Tedford, both of Friona, in marriage, on Saturday, Sept. 9.

The nuptials were held in the afternoon in the home of the officiating minister, with friends of the couple as witnesses. Mrs. Artis Fallwell, as matron of honor, wore a brown satin street dress with matching accessories and had a shoulder corsage of yellow roses. Artis Fallwell served as best man.

The bride, daughter of Mr. and Mrs. H. R. Franklin, wore a navy taffeta street dress, with contrasting accessories in white, and had a shoulder corsage of white rosebuds.

Tedford is the son of Mr. and Mrs. Alton H. Tedford and is employed at Blanton Butane in Friona. The couple will be at home in this city.

Three Friona Boys Take Physicals

Three Friona boys were among the 24 registrants reporting for Army physicals in Hereford last Friday, responding to a call from the four-day draft board which embraces Parmer Castro, Bailey, and Deaf Smith.

The three were David Smith, J. D. Johnson, and Glen Harrelson. Smith said Monday that all three passed, unless blood tests and X-rays show up defects making them unfit for service.

They are expecting to get their calls for October induction, although this is not definite.

Four of the group called for physicals failed to make the grade, he added.

Youth Groups Start Work This Week

Youth groups of the Friona Baptist Church began their year's work Tuesday of this week, with meetings being held for all three departments at the church.

Members of the Royal Ambassadors (boys), and the Girls Auxiliary met at the church at 4 p. m., with the Sunbeam group preceding them by holding their gathering at 3.

Teacher On Sick List

Mrs. Cecil Robinson, member of the Friona school faculty, was off duty several days last week and was confined to the Parmer County Community Hospital for treatment of an exceptionally bad throat with threatened pneumonia.

She was dismissed the latter part of the week and is reported improved.

Football Season Opens On Friday

The Friona Chieftains will kick off to the Vega Longhorns to officially open their 1950 gridiron season, with the two teams clashing on the Vega field, Coach Raymond Cook reported today.

Actually, little pre-game dope can be forecast, since this will be the initial action for the squads. Workouts have been slowed down considerably by wet weather, and the game Friday night probably will be a little ragged, dopesters believe.

Attend Seminar At Amarillo

Representatives of the Women's Society for Christian Service of the local Methodist Church were in Amarillo Tuesday, where they attended a seminar held at Polk Street Methodist Church.

In the group were Mesdames Jimmy Tidwell, Howard Ford, Hadley Reeve, John Gaede, Boyles, and Joe Moyer.

In Allen Home

Dr. and Mrs. I. W. Hicks of Lubbock visited last week in the home of their daughter, Mrs. Tommy Allen and family, in Friona.

520 Students Are Now Enrolled

A total of 520 students had been enrolled at the Friona schools during the first week of the 1950-51 term, despite bad weather which made registration a little slow during the early part of last week, Supt. Dalton Caffey reported on Monday morning.

Largest registration came from the first grade department, with a total of 70 being enrolled, the superintendent said, adding that this group had been divided into three sections. On the other hand, the smallest class in school is the junior group, which has registered only sixteen students, to date.

A total of 370 students is listed for the grade school, with 150 high school pupils this year, and registration is up slightly over the 1949-50 term.

At present, the expected new school buses have not arrived to be put in service, Supt. Caffey said, going on to add that he had hopes of securing them soon.

"They were promised for delivery by Aug. 15, but we're still using the old ones," he said ruefully on Monday.

The school cafeteria has been doing a booming business since it got underway Tuesday of last week, and the largest "feeding" was listed at 395 students.

Mrs. Dorothy Baker, home economics instructor in the school, is in charge of the school lunchroom, and six cooks are assisting in preparing and serving the noon meals.

Mr. and Mrs. Dick Crume, of Lubbock, spent Saturday night in the home of his brother, Vance Crume and family.

Teachers Will Be Honored On Sunday

All faculty members and their families of the Friona public schools will be special guests at the local Congregational Church Sunday night of this week, Sept. 17, Rev. Geo. B. Meyer, pastor, reminded today.

The evening services will be listed as "family night" and all members and friends of the church are cordially invited to be on hand for an evening of fellowship.

Two Reservists Are Called For Exam

Two Parmer County residents were among the 32 Panhandle Army reservists who were called to Amarillo on Thursday of last week for physical examinations to determine their fitness for active duty.

They were Private Frank L. Sena of Black and Pfc. Leroy Busby of Friona.

No information has been received here regarding their activation.

Friona Band Takes First In Parade

The Friona school band won a first place honor and a cash award of \$25 the past Saturday when the group, under the direction of Glenn Cunningham, music director of the school, participated in the Castro County fair parade in Dimmitt.

The local group won a number of honors last year for performances, and with 45 members turning out for workouts this year, is hoping to repeat during the current school season.

orably with similar concerns in large cities. Not only do they have a wide selection of patterns in wallpaper for every room in your home, for offices and commercial buildings, including a wide selection of the new "lastic" wallpaper.

It has been the policy each year for Mrs. H. S. Sanders, Sr. to attend the Wallpaper Institute of the University of Houston where she receives special instructions in the very latest styles, and posts herself on the most modern interior decorating ideas advanced by the outstanding interior decorators in this country. Mrs. Sanders has just returned from the Wallpaper Institute this year and will gladly assist you in the selection of the proper paper to harmonize with the interior furnishings of the room and will recommend the proper colors and patterns. Mrs. Sanders is indeed an authority on interior decoration and her advisory services are given without obligation to patrons of Willson & Sanders Wallpaper Department.

We compliment this popular Mule-shoe lumber concern on their quality building materials and the outstanding service rendered to their wallpaper patrons and recommend them to our many readers because of their open and above-board business policies.

Visiting Here

Mr. and Mrs. Frank Solomon of Shamrock are here visiting friends and attending business matters. The Solomons, former Friona residents, own land in the Rhea community, and yearly come here for wheat sowing.

Bovina Opens Season With 14-0 Victory

The Bovina Mustangs formerly opened their 1950 football season at Three-Way Friday night, as they dropped Coach Steve Self's six-man team 14-0.

Clovis Ratliff, Bovina coach, reported the game to be a fairly even one, in spite of Bovina's two-touchdown lead. The first half went scoreless, he said, but the Mustangs forged ahead with a touchdown in each of the last two quarters.

Jimmy Ware, halfback, and Billy Derrick, fullback, each accounted for one of the TDs. Derrick kicked one extra point try for the added two points. The fullback went 55 yards for his touchdown, Coach Ratliff added.

Three-Way was able to outdo their opponents in only one category. They made six first downs, while Bovina made five. A first down in six-man football is 15 yards.

Beginning the game for the Mustangs were Loren Thompson, center; James Tidenberg, right end; Denzil Young, left end; Willy Denney, quarterback; and Ware and Derrick.

The coach noted that Thompson is the only returning main-stringer of last year. Consequently, he pointed out that the game "was pretty ragged in the first half, but picked up considerably in the final two quarters."

He reported that 29 boys are suiting out for the Mustang squad.

The Mustangs are to meet Wilson at Bovina Friday night at 8 o'clock, he said. Last year, Wilson won the Dist. 3 title, and they are expected to again have a strong team.

Included in Bovina's district (No. 2) are Three-Way, Pettit, Lazbuddie, and Bula.

Here is the Mustang schedule for 1950:

Sept. 15—Wilson	Home
Sept. 22	Open
Sept. 29—Pettit	Home
Oct. 6—Lazbuddie	Away
Oct. 13—Bula	Home
Oct. 20—Guthrie	Home
Oct. 27—Three-Way	Home
Nov. 3—Pettit	Away
Nov. 10—Lazbuddie	Home

Nov. 17—Bula

Yearlings are Ready, Will Play Sudan Here

The Yearlings, junior high football team of Farwell Schools, are going to beat their big brothers out of being the first ones to play a game this season.

They will meet a junior team from Sudan here Thursday night at 8 o'clock on Farwell Field, according to S. S. Jobs, Yearling coach.

Jobs, questioned about the shape of the Sudan opponents said he only knew that this is their first year with a junior team. The Yearlings are in their second season here, and most of the members of the team played last year.

Here is the starting lineup as released by Coach Jobs.

Jerry Poteet, 94 (pounds), left end; Wallace Roberson, 182, left tackle; Vane Doshier, 118, left guard; Duane Herrington, 154, center; James Norton, 140, right guard; Deon Branscum, 126, right tackle; Billy Watts, 118, right end; Phillip Cassidy, 130, quarterback; Frank Gullely, 140, left half; Calvin Barber, 122, right half; and Gene Hardage, fullback.

Coach Jobs said he expected to run from three different formations this year. They are punt, split T, and double wing. The double wing is utilized by the varsity Steers.

FARWELL SCHOOL BAND WILL PLAY WHEN STEERS GO MEET BUFFALOS

Members of the Farwell Steers are due for a lot of loud support when they play Melrose there Friday night. They will be supported by both the Pep Squad and the 48-piece school band.

Farwell has had an efficient pep squad for many years, but this will be the first time it can boast a large marching band. Mrs. Shelby Jobs, band director, said this week that the musical group is anxious to practice on some drills, but so far, unfavorable weather has cancelled such activity.

"This band is considerably larger than the one we had last year," Mrs. Jobs explained. "The band has grown since the conclusion of the football season last year when 28 members were included."

Other away-from-home games that they probably will attend include those at Olton and Friona. Naturally, they will be on hand for all home contests, she said.

In outlining personnel of the organization, Mrs. Jobs listed the following students:

CLARINETS—Lavoyda Billington, Beverly Lovelace, Nancy Aldridge, Jerri Allison, Jo Elaine Magness, Wynema Cochran, Gloria Dial, Peggy Hardage, Donnie Carpenter, Sam Pool, Frank Gullely, Gloria Jean Sanders, John McCuan, Darlene Kay Sprawls, Winnie Medley, Minnie Medley, Phyllis Magness, Jerry Venable, Ysleta Brown, Agness Meissner.

ALTO SAXAPHONES—Kayla Felts, Robbie Foster, Roland Hillock.
TENOR SAXAPHONE—Bettie Foster.

CORNETS—Gerald Hardage, Dudley Hughes, Douglas Hillock, Lee Roy Williams, Vane Doshier, Patricia Berry, Jerry Dee Owens.

E-FLAT HORNS—Glenna Ruth Davis, Betty Billingsley, Truitt Hardage, Duane White.

TROMBONES—Howard Jenkins, Bert Williams, La Von Jones, Claude Rose Jr., Jeanette Hughes.

SNARE DRUMS—Marcia Foster, Jo Ann Spurlin.

BARITONES—Dennis Raney, Dick Felts.

BASS HORNS—Robert Armstrong, Katherine Magness.

CYMBALS—Rose Hines.

BASS DRUM—Bobbie Christian.

Farwell Football Field Altered for Track Loop

Football boys were not the only ones busy at Farwell Field this week. A crew of Southwestern Public Service Company was busy yesterday with a large power earth bit, altering position of the lighting fixtures for the school.

Officials explained that the lights are being moved away from the playing field in order that a track loop may be added at a later date. Although work will not begin on the track in the immediate future, the poles are being moved because the crew is available at present.

The crew previously has been engaged in readjusting the lights and checking the electrical system for the field.

Second Leathercraft School Starts Monday

Twenty people enrolled in the leathercraft school which began on Monday night, Sept. 11, at the American Legion Hall. The school, under the direction of Mrs. Roy Carney of Muleshoe, is making its second appearance in Farwell.

The school was reopened for those who were unable to attend the first one, and are anxious to learn etching, says Mrs. John Porter, who helped organize the class.

Anyone wishing to enroll for the two remaining classes held tonight (Wednesday) and tomorrow night are asked to contact Mrs. Porter at telephone 3611 or 2906 or to see her at the State Line Grocery.

A fee of 25 cents will be charged for all registrants to help pay the cost of renting a place for the school to convene. Those who have had a course in leathercraft work will be charged an additional 50 cent fee for the second course.

Classes start as early as 5 o'clock each evening. However, those who cannot come at this hour may come later.

Those enrolling for the leathercraft school Monday night were Jess Landrum, Misses Anne Whitley, Ysleta Brown, Nancy Aldridge, Maxine Ford, Peggy Hardage, Jeanne Dudley, Ann Bateman, Jett Byerley, and Mesdames Gilbert Watkins, J. W. Hulsey, John Aldridge, Rosa Lee Tabor, Jack McManigal, Kate Phillips, Ed Hardage, J. H. Stone, Travis Brown, John Lovelace, and Dale McCuan.

Pep Squad Organized For Farwell Schools

Caryetta Grissom, Delores Goldsmith, Irene Hardage, JoVita Billingsley, and Ruby Kittrell have been chosen as cheerleaders for the Farwell Pep Squad.

Sponsors for the group are Miss Grace Melendez and Miss Jett Byerley.

In a meeting at the beginning of the week, the group decided on blue corduroy skirts and white cardigan sweaters for uniforms.

The pep squad will perform with the band at half-time at football games this season. They plan to attend the Melrose-Farwell game in Melrose Friday night but they will not perform because of the short period of time they have had for

Texico's New Road Comes To Dead End

Texico's new paved road that extends 7.2 miles down the state line came to a dead end some blocks short of its objective last week when the construction crew pulled up and moved out.

The all-weather pavement ends three blocks south of the secondary Santa Fe railroad crossing in south Texico at the corner commonly called the Eason corner. Right-of-way difficulties with the Santa Fe Railway Company is said to have been responsible for the pavement ending there. Texico officials stated this week that they were hopeful of getting the gap closed at an early date by county machinery and crews.

Floyd Davis, who had the contract for the road, hauled in a stockpile of material to be used in closing the gap before pulling off the job.

The Board of Education of the Methodist Church will meet tonight (Wednesday) at 8 o'clock at the church, Rev. Murphy Duncan, pastor, says.
