Paralysis Fund Campaign Under Way

Lions Club Now Has 77 Members Enrolled

At a directors' meeting held Monday night in the offices of the Southwestern Public Service Company plans were laid for charter night of the Texico-Farwell Lions Club, to be held at the Legion Hall on Thursday, January 26.

Thirty-six new applications for membership were approved by the directors at Monday's meeting, bringing the total membership up to 77. Forty-one members enrolled at the organization meeting a week ago and additional enrollments are expected to be in hand before charter night.

The Wesleyan Service Guild of the Methodist Church, which organization has been engaged to serve the banquet in connection with charter night festivities, was advised to prepare at least 200 plates for the occasion.

The Lions Club of Portales, sponsors of the local organization, will be in charge of the program on charter night until the Texico-Farwell charter is officially delivered to Lion President Agrie Jones of the local club.

It was voted at Monday's session to receive members with the payment of the annual dues until the charter is delivered. After that time an initiation fee will be added to the dues.

New members voted in Monday were:

J. E. Hardage, Joe Blair, James P. Landin, Nelson C. Smith, Woodrow Lovelace, Woody McDermitt, Ray Ford, Webb Gober, John Armstrong, Sam Randol, Vernon Symcox, O. C. Pullam, Grayson Roberts, L. R. Vincent, L. E. Meeks;

Carl G. Davis, Bob Sudderth, Donald Watkins, Mose Glascock, Buddy Jones, Frank Seale Gene Lovelace, Lee Nichols, Ed Muckelroy, Boone Allison, J. R. Hadley Sr., Billy Joe Foster, Jack McManigal, Claude Rose, John Porter, Chas. Felts, J. E. Stone, Orval W. Francis, John Aldridge, John Lovelace, Chas. Lovelace.

Farmers Await Outcome Of Revised Allotments

Parmer County farmers, following a telephone conversation with Congressman Eugene Worley, last Friday decided against sending a county representative to Washington to protest cotton acreage cuts.

Previously, representatives from Parmer, Swisher, Deaf Smith and Castro counties had been named to visit the Capital City to present the four-county protest, but after conversing with Worley, both Swisher and Parmer counties decided it was not advisable to send men at this time. However, Posey Cunningham, of Dimmitt, and Mr. Traweck, of Hereford, left last weekend for the capital, it was learned here.

Legislation now pending at Washington will offer little relief to new growers, if it is approved, officials said here, but added that old growers in the county would stand to get a little benefit.

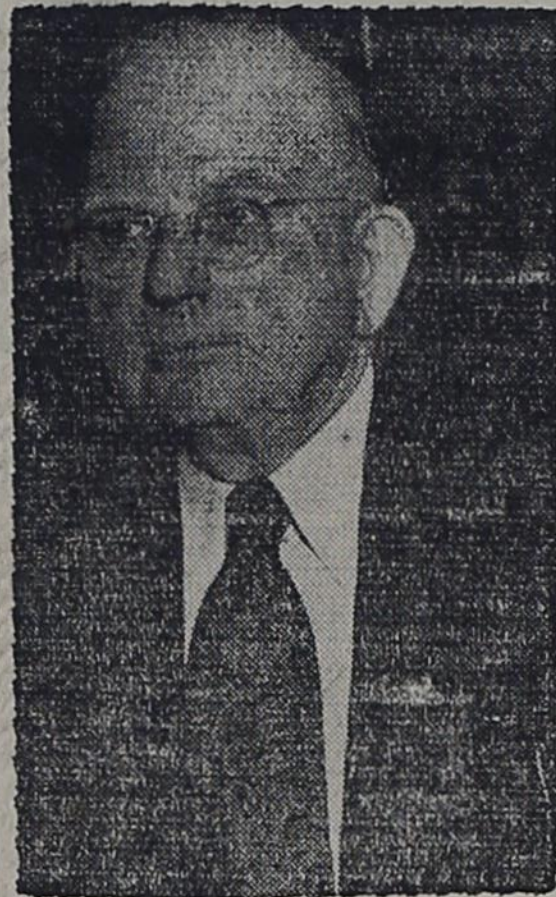

The big hope being held by cotton farmers is for a vastly improved acreage allotment distribution under the 1951 program. Officials of the county group said today that Worley recommended that representatives be on hand in Washington "in about two weeks" when the 1951 comprehensive acreage program will be mapped out, and a further meeting is planned in the near future to discuss this proposal.

Community Auction Is Scheduled, Farwell

Col. Dick Doshier, local auctioneer, said today that he would conduct a community auction in Farwell on Tuesday, February 6.

"We will offer anything that comes in," Doshier said, adding that persons having items to consign to the sale should leave the listings at his office in Farwell, at The Tribune office, or at Mary's Cafe.

John Armstrong was taken to a Clovis hospital on Monday, where he underwent surgery for removal of his tonsils. He is reported to be recovering satisfactorily.

DISTRICT JUDGE E. A. BILLS of Plainview, will make his first official visit to Parmer County next Wednesday, January 25th.

District Judge Will Be Here, Jan. 25th

District Judge E. A. Bills, who recently succeeded Judge C. D. Russell, resigned, will make his first official visit to Parmer County on Wednesday of next week, January 25th, according to a calendar released by Court Reporter Jim Norman.

Clerk Loyde Brewer said on Monday that he had not prepared a docket for service next week, adding that it would be up to the lawyers and individuals involved as to which cases now on file would come before the judge on Wednesday.

Judge Bills, who resides at Plainview, has announced that regular court sessions will be held throughout the district during the year, and last week released a calendar noting the various dates when he would be on hand in the counties.

New Drive-In Theatre Going Up Near Texico

Whipple & Finkelstein of Kansas City closed a deal the latter part of last week for eight acres of land on the C. D. Houghtling farm, located on the four-lane highway, 2½ miles west of Texico.

Construction work began Monday on the erection of a huge drive-in theatre on the location, which is scheduled to be ready for business by March 1st.

Mrs. Whipple said in an interview that the new show would be named the Four Lane Drive-In, and would carry the best of pictures. Finkelstein operates a number of theatres in the Kansas City neighborhood. Mr. and Mrs. Whipple will be in charge of the local project.

A grasshopper can jump 30 times its own length.

Bovina Girls Winners, Steers Second

Parmer County teams made an impressive record the past weekend, as Bovina and Farwell squads grabbed a lion's share of honors at the invitation cage tournament held at Abernathy.

Bovina's efficient girls rated tops, capturing the championship crown; the Farwell Steers were squeezed out of a similar title in an overtime playoff; and the Farwell girls and Bovina Mustangs each held trophies for third place honors.

Still not satisfied, the Parmer-ites rated four players when the all-stars of the tournament were announced, Coach Jack Williams, of Farwell, reported. Three were girls: Betty Foster and Caryetta Grissom of Farwell, and Martha Pounds of Bovina; while the solitary boy stand-out was steady Don Ford, of the local aggregation.

Games Reviewed
In the finals Saturday night, Bovina's girls played hot ball to smack

the hostess team, Abernathy. Final score on the game was 28-35 as the winners took a first quarter lead and continued to hold on.

At the end of the first quarter Bovina led, 13-4, lost ground in the second canto 19-14; saw the count come uncomfortable close, 25-22, in the third period before Bovina got going strong to win. Pounds starred at the basket.

The boys' championship match that gave Abernathy the title was one of the hottest affairs of a tournament which had been marked by exceptionally close games. Leading 10-3 at the end of the first quarter, the locals saw their lead sliced to 18-16 at the half, but still held a two-point lead, 26-24, as the fourth canto opened.

With seconds to go and the count tied at 34-34, Melvin Terry and Don Snodgrass were each fouled. Subs Ted Watts and Jess Coburn went in and both hit the charity tries, with the game ending at 35-35.

Opening of the annual drive for funds to the National Foundation for infantile paralysis came here Monday, January 16th, as the drive was launched nation-wide.

Chairman Loyde Brewer, of the Parmer County chapter, said today that containers for the contributions were distributed over the various communities of the county last week.

"These containers," Brewer said "will be placed in prominent places over the county, in stores, postoffices, banks and schools, and we are urging that each resident make it a point to place his contribution in the containers, as no person-to-person canvass will be conducted."

Lenton Pool, who heads up the drive in Farwell, said on Monday that containers would be placed over town, and added that school students would be responsible for a good deal of the drive by making their contacts at home.

"We are hoping that people in this county will be generous in making their contributions to the March of Dimes," Chairman Brewer said today, adding, "We need over \$2,000 to clear up unpaid bills in our own county."

Community chairmen over the county include: Friona, Dan Ethridge; Oklahoma Lane, Rev. J. J. Terry; Rev. A. D. Moore, Shelby Jobs; Lazbuddy, Supt. Archie Sims; Lakeview, Mrs. Otho Whitefield; Black, Mrs. W. B. Stark; Bovina, Bedford Caldwell, R. E. Everett; Rhea, Mrs. Paul Koeltzow; Lariat, C. A. Felts; Farwell, Lenton Pool.

Two Benefits Planned
Two benefits have been planned in Parmer county, according to reports from community workers, with proceeds from the affairs going into the March of Dimes.

On Thursday night of this week, January 19, the Lazbuddy school auditorium will be the scene of a domino and 42 social, it is announced by Archie Sims, Lazbuddy chairman. He goes on to state that all residents of the community are urged to be present at 7:30, bringing card tables and dominoes.

Mrs. Paul Koeltzow, of the Rhea community, also advises that a benefit will be held, with a box supper planned for Friday night, January 27th. The affair will be held in the community hall of the Lutheran Church, and will begin at 7:30.

Ford Dealers Will Assist Polio Drive
O. C. Sikes, of the Sikes Motor Co., local Ford dealer, said today that Ford dealers throughout the nation had been committed to assist in the polio drive during the remaining days of this month.

Ford dealers are placing special emphasis on contributions from the children, he said, and containers for receiving donations from the younger set have been placed in the local business house.

"Although we are especially interested in receiving contributions from the children, we will also handle donations from their mothers and dads as well," he added.

Mr. and Mrs. John Getz are in Albuquerque this week, where they have taken their son, Michael, to receive treatment from a specialist. The little fellow has been in failing health the past several weeks.

C. G. Davis of the Davis Mercantile Company, today announced plans for the erection of a large business building at the corner of Avenue A and Third Street in Farwell.

A deal was closed the first of the week with the Capitol Freehold Land Trust for a 124-foot front on Ave. A (Main) and Davis said 10 feet of the requirement was being sold to Sterlyn Billington, leaving 114 feet which will be occupied by the new building.

Actual construction work will not begin for some time yet, he added. Owners of the buildings now on the site have been notified to vacate by April 30 of this year.

Davis said the new structure will have a brick front with the extending walls being of tile. Twenty-nine feet of the front will be partitioned off for rental purposes, with the mercantile stock occupying an 85-foot front, which will extend back a depth of 80 feet. It will be a single story building.

Lease on Davis' present location runs for some time yet, he added, explaining that he was in no rush to get the new building underway. "My only reason in announcing my plans now is to give present occupants of the site plenty of time to vacate," he said.

At present, four wooden buildings are on his new property, all of which will have to be moved. The moves will affect Jess Newton, whose building on the corner is vacant; B. N. Graham's insurance office; Felix Monroe, who owns the old postoffice building now occupied by Mary's Cafe; and the Cover Shop, operated by Jess Latham.

Chas. Lovelace Seeks Return As Sheriff

Chas. Lovelace, present incumbent, became the first Parmer County candidate to break the political ice this year by authorizing the announcement of his candidacy to the office of sheriff, assessor-collector.

In making his announcement, subject to the action of the Democratic primary election in July, Lovelace authorized the following statement: "Subject to the will of the voters of Parmer County, I am announcing my candidacy for re-election for the office of Sheriff, Tax Assessor and Collector."

I have just passed the halfway mark of my first term and feel very grateful toward everyone for their kindly cooperation. I am very much pleased to be your servant in this capacity.

I will appreciate your vote in the forthcoming election.

CHAS. LOVELACE

Chamber Commerce To Lay Plans For Year

At a meeting of the directors of the Farwell Chamber of Commerce, held Tuesday night in the office of President C. M. Henderson, it was decided that a meeting of the entire membership would be called Wednesday evening, Jan. 25, at the Legion Hall.

Plans for the coming year will be outlined and new officers will be elected. A full attendance on the part of the membership is urged and members are asked to bring sandwiches, pie and beans for the light lunch.

The meeting is scheduled for 7:30 p. m.

The Don River is in Russia.

FROM THE HOPPER

By HOP

A number of our readers have called attention to the error appearing in last week's paper, wherein we stated that Judge J. D. Hamlin was the first county judge of Parmer County. We are glad to make the correction. Uncle Billy Townsend was the county's first judge.

C. W. Dixon, who claims 35 years of wolf-hunting experience to his credit, said he had a new experience last week in chasing down a lone coyote. Dixon said his hounds chased the fleeing coyote for a distance of two and a half miles. Ordinarily, he says, his dogs are able to pick up a wolf in the first half mile, but this particular coyote had a good start on the hounds. And while we are on the subject, we might add that Clarence will stop his most important farming duties to take his dogs on a chase. He knows no bounds for his favorite sport. Recently, he came in with four coyotes and a badger. Asked where he picked them up, the famous wolf hunter replied, "Down this side of Roswell." For your information, Roswell is about 150 miles from the Dixon holdings north of Bovina. When Clarence leaves his place with his wolf hounds in the rear of the pickup, it is going to be a sad day for some coyotes, even though they may range 200 miles from here.

In the presence of Bill Hall, B. N. Graham was bemoaning the fact that he was going to have to move his office. "Shucks," said Bill, "If I had a shack like yours I'd just put it on a trailer, drag it home every afternoon, bring it back downtown the next morning and stop wherever there was a crowd gathered—just like a watermelon wagon."

We want to thank Mrs. Buck Ellison for the letter she wrote recently. The letter resulted in a good, friendly talk with this good lady and we believe both of us have a better understanding of the lack of Bovina news in this paper. Mrs. Ellison's attitude was not that of criticism; rather, she wanted to be of assistance in helping to get more news of her community in the paper, and her efforts in that direction are already bearing fruit. Thanks, Mrs. Ellison, thanks, for your splendid cooperation.

Well, the political pot in Parmer County has begun to simmer, and will likely reach the boiling point before many weeks have passed. We have two candidates in the field this week; others are likely to follow in rapid succession. This promises to be a year when the voters will get their money's worth by getting a poll tax receipt and being prepared to take part in the campaign.

And here's a note from Mrs. Harold Carpenter, calling attention to the fact that the Farwell school actually has gained one new student with the building of all the new homes in this city. She is little Miss Darlene Hromas, daughter of Mr. and Mrs. C. G. Hromas, who recently completed a lovely home in south Farwell. Our apologies to little Miss Darlene and thanks to Mrs. Carpenter for correcting the oversight.

OUT OF HOSPITAL

Mrs. Effie Johnson was returned to her home in south Farwell, the past Friday. She had spent two weeks in Clovis, confined at Memorial Hospital for medical care.

West Camp Community Plans Fete For March Of Dimes Benefit

Mrs. Austin Jones, chairman of the West Camp community in the 1950 March of Dimes campaign, announced today that a special community sing would be held at the West Camp Baptist Church on Thursday night, January 26th, as a benefit for the drive.

All singers of the area as well as those who wish merely to listen, are cordially urged to be on hand for the program, which is slated to get underway at 7:30 in the evening.

There will be no admission charge, Mrs. Jones emphasized, adding, "We will give everyone present an opportunity to contribute the amount they wish to this worthy cause." Proceeds will go into the Bailey County polio relief fund, she added.

Refreshments of coffee and pie will be served by the ladies from the Baptist Church and Home Demonstration Club.

Edelmon Enters Race For County Judge

W. L. Edelmon, who is at present engaged in farming near Friona this week authorized the announcement for the past 12 years. After serving county judge and ex-officio county superintendent of schools of Parmer County, subject to the action of the Democratic primary election in July.

Edelmon, who is 43 years old, has been a resident of Parmer County for the past 12 years. After serving as superintendent of schools at Friona for four years, he was engaged in the wholesale oil and gas business at Friona and later turned to farming, which he has followed the past four years. Prior to coming to Friona in 1938, he served as superintendent of schools at Spring Lake, one of the largest rural school systems in Texas. All combined, he has had 13 years of school teaching experience behind him.

A graduate of Texas Technological College at Lubbock, where he majored in government, Edelmon served two years as assistant instructor in the department of government at Tech. At present, in addition to his farming activities, he is chairman of the board of supervisors of the Parmer County Soil Conservation Association, and a member-at-large of the Parmer County school board.

Edelmon is well qualified for the position he seeks, and will appreciate the consideration of the voters at the polls.

Williams Mercantile Announces Jan. Sale

W. E. Williams, of the Williams Mercantile Co., Bovina, is announcing his annual January clearance sale in this issue of The Tribune, the sale to open on Thursday morning of this week.

Drastic reductions are announced on all winter merchandise as well as several staple items. Williams predicts that advances in many lines are to be expected shortly and advises buying now at savings.

BACK FROM CHICAGO

Mr. and Mrs. Ben Smart, owners and managers of The Furniture Mart in Texico, returned home Sunday afternoon from Chicago, where they had spent a week attending a furniture market. Several new and different items were purchased and will soon be on display at the local store.

Health Note

Texas State Department of Health

AUSTIN—Rheumatic fever causes more deaths than any other disease in children of school age, declares Dr. Geo. W. Cox, State Health Officer. The first attack usually occurs in children at the age when they are in the first or second grade and recurrences are most common up to the age when children are leaving high school. The insidious onset of so many cases during the school year suggests that teachers and others in daily contact with school children should be aware of early signs and symptoms which may mean acute rheumatic fever.

Dr. Cox said, "There should be more and improved examinations of school children by physicians with time enough for the nurse or teacher and parents to plan with the physician for any needed medical attention."

"School absence due to illness or vague disorders, if investigated, may disclose early cases of rheumatic fever. Teachers need to be more alert to visible signs and symptoms suggestive of substandard health. Among these signs and symptoms which should bring children to the attention of teacher or parent are: failure to gain weight, pallor, poor appetite, fatigue, frequent colds and sore throats, scarlet fever or any known streptococcal infection, unexplained nosebleeds, unexplained fever, pain in arms, legs and joints, unusual restlessness, history of previous rheumatic fever, behavior changes, decreasing achievements in school by a child who has previously done well.

"Children reported by the teacher of showing evidence of substandard health should be medically reviewed by the physician and needed medical care arranged as soon as possible."

Seven presidents of the United States reached the high office by the death of their predecessors—Tyler, Fillmore, Johnson, Arthur, Theodore Roosevelt, Coolidge and Truman.

Grand Champion Steer Brings Record \$11.50 Per Pound

CHICAGO, ILL.—A record price of \$11.50 a pound, for a total of \$13,800 was paid for "Judge Roy Bean," Grand Champion steer at the International Livestock Exposition. High bidder at the auction was Dearborn Motors Corp., Detroit, national marketing organization for Ford tractors. The champion Hereford steer, exhibited by the Pecos County, Texas, 4-H Club, weighed 1200 pounds. The record price was 75 cents a pound higher than the previous top of \$10.75 paid for last year's International Grand Champion.

Pastor's And Layman's Conference Scheduled

PLAINVIEW—Dr. Robert L. Dodson, head of the Bible Department of Wayland College, will bring lectures on the book of Ephesians at the annual Panhandle Pastor's and Layman's Conference to be held at Wayland February 13 and 14.

Dr. W. Boyd Hunt, pastor of the

First Baptist Church of Houston, will use as the theme of his messages during the conference "The Need for Vital Christianity in Today's World". The program is planned especially the men in districts 8, 9, and 10, including Amarillo, Lubbock and Big Spring.

STUDENT NUMBER UP

Serve cheese souffle with tomato sauce or Spanish sauce.

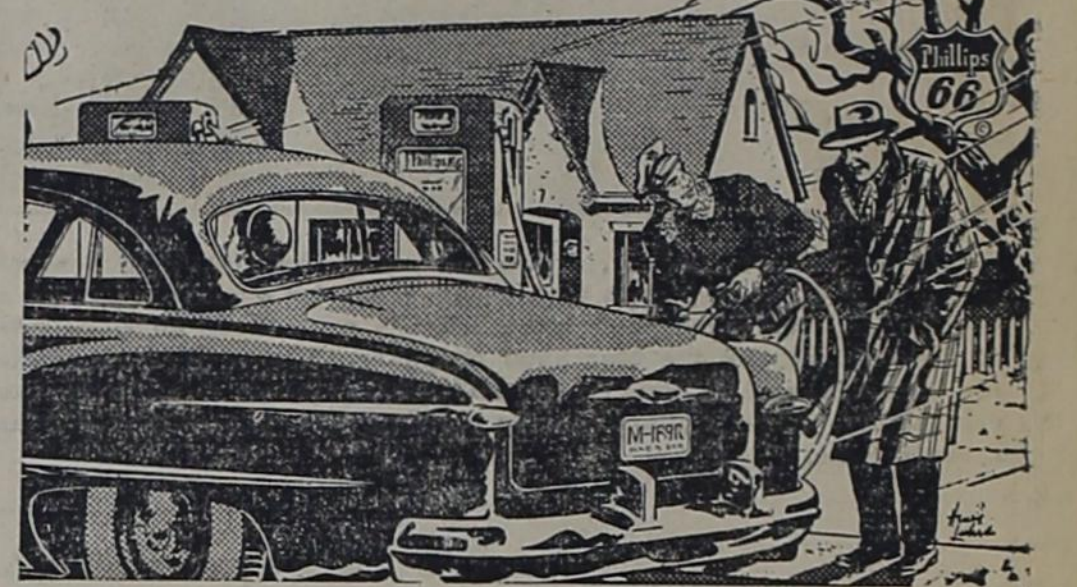

RECORD ATTENDANCE

CANYON—A record attendance at the Panhandle-Plains Museum for the year 1949 has been announced by Boone McClure, Museum director. A total of 60,517 persons signed the register during the year.

All states in the union except Delaware and Vermont were represented. Foreign countries included were: Alaska, Hawaii, Puerto Rico, Canada, Cuba, England, Japan, Guam, Liberia, West Africa, Mexico, Peru, Venezuela, Spain, Greece, Turkey, Brazil, Australia, Germany, Switzerland, Costa Rica, Rhodesia, South Africa, Denmark and Panama.

"Step-down" assigned Hudsons leaders in resale value! Let us show you, in figures from Official Used Car Guide Books of the National Automobile Dealers Association, that Hudson is a leader in resale value, coast to coast!

Lower-Priced Hudson
shouts "Value!" for all to hear!

- MOST ROOM!
- BEST RIDE!
- SAFEST!
- BIGGEST DOLLAR VALUE!

Available with Hudson's new **SUPER-MATIC DRIVE**

YOU DON'T have to buy an undersized car just because you're economy-minded. For the new, lower-priced Hudson is a big, powerful car . . . priced for average pocket-books . . . styled to hold its own in the finest company!

You instantly see that it's the most beautiful of them all. Free-flowing, low-built design flashes the fact that here is the lowest center of gravity in any American automobile. And you know instinctively that, as a result, the Pacemaker hugs the road more tenaciously . . . and is therefore America's best-riding and safest car!

You'll see, too, that this new member of the Hudson family has full road clearance, and more head room than in any other mass-produced car built today, thanks to "step-down" design with its recessed floor. And amazing head room is only one

kind of interior spaciousness you'll find in the new Pacemaker. "Step-down" design gives you more space because it gives you new space that is wasted in other makes of cars. With normal outside width, this compact automobile brings you seat cushions that are up to 12 inches wider than those in cars of far greater outside dimensions!

And for dazzling get-up-and-go, there's the new high-compression Pacemaker engine—a lightning-like performer with saving ways!

No matter how much or how little you intend to pay for your next car, we invite you to look at Hudson's lower-priced Pacemaker . . . it has a "value" message you'll like to hear!

NOW . . . 3 GREAT HUDSON SERIES ONLY CARS WITH "STEP-DOWN" DESIGN

See . . . Drive . . . the New Pacemaker at these Hudson Dealers!

New Drug Checks Colds

Photo by Bristol-Myers Co.

A-chu! The above scene is a familiar one in most homes at this time of the year. Yes, Junior has been told to keep his feet dry, to stay out of drafts and away from crowds. But, somehow, he has wound up with the sniffles.

Now this problem is solved by the arrival on the market of a number of new anticold tablets including Resistab, which contains a new antihistamine drug called thonzylamine. Among the antihistamine drugs so far tested, thonzylamine has been proved to be perfectly safe for both adults and children, when taken as recommended.

These tests have shown that, of all the antihistamine drugs tested, thonzylamine produced virtually no manifestations of sleepiness, dizziness or other common symptoms. The product is most effective when one pill is taken at the first sign of a cold and an additional one before each meal.

In the overwhelming majority of cases, the cold stopped completely within a short time. A good hint to the wise parent is to keep a quantity of these cold resistants around until the winter cold season is over—and thus ascertain that Junior and the sniffles stay parted!

Friona Men Entering Sheep At Stock Show

Heard and Otho Whitefield, Friona, have entered 10 Columbia sheep in the open division of the first annual Antonio Livestock Exposition, February 17-26 show officials announced this week.

Inaugurating the new \$3,000,000 Joe Freeman Coliseum, the territorial show will be complete with livestock exhibits and auction, Colborn's world championship rodeo, carnival midway and commercial exhibits.

Over \$46,000 in premiums and special awards have been listed for winning stock entries. Unofficial figures show over 2900 entries in the open and boys' shows.

Tribune job printing is best.

Specialist Suggests Use Of Animal Psychology

COLLEGE STATION — Animals, just like human beings, have their own ways of making adjustments to the problems of life. How much the farmer knows about the physiology of his animals may be reflected in his income from livestock, says Dr. W. C. Banks, extension veterinarian of Texas A. & M. College. Correct handling usually adds more money to his income and incorrect handling cuts income. Generally speaking, says Banks, we know that animals are influenced perhaps more than humans by emotional changes caused by fear, jealousy, pain, suspicion, frustration, and the dominance of stronger members of their species.

Dozens of examples can be cited

on livestock farms. A good example, points out Banks, is the dairy cow. When she is subjected to a sudden change or something happens to upset her. She gives less milk. A number of things can cause her milk production to drop. Unusual noises, change of caretakers, or even a dislike for the milking time attendant may affect her production.

Believe it or not, says Banks, the relationship between cows is important. In every large herd, he says there are a few outstanding characters. One cow may try to dominate all the other cows; one may enjoy hurting others. Some cows require a great deal of affection from the owner before they produce at their best, while some resent being petted.

It seems that some sheep don't like to take their pills any better than some humans. When they are given a large medicated pill and then turned loose, they may wait until the owner is out of sight and then get rid of it.

Banks says when dealing with pigs, it is well to remember that they are comfortable looking animals and only when they are comfortably

housed and properly cared for will they turn feed and water into the maximum amount of pork.

Dr. Banks believes that one of the secrets of successful livestock production comes from knowing your animals and then taking advantage of this knowledge to get from them their maximum production. He adds good care, shelter, plenty of good feed of the right kinds, and good, clean water will all help to make the animals on your farm comfortable, satisfied and maximum income producers.

New Plains History Book Goes On Sale This Month

CANYON—"The Heraldry of the Range," written by J. Evetts Haley, Panhandle author, and published by the Panhandle-Plains Historical society, will go on sale at local bookstores, January 15.

Type for this book was set by Carl Hartzog of El Paso and illustrations are by Harold Bugbee. The book contains stories of famous Panhandle ranches and of the range region.

FARWELL, TEXAS

Bovina Happenings

BY MARIE VENABLE

Word was received here Saturday evening that Larry Loflin, son of Mr. and Mrs. J. A. Loflin formerly of Bovina but now of Jal, N. M., was accidentally run over by a car Saturday in Jal. He was reported to have head injuries and some broken ribs. Miss Patsy Loflin, Miss Sarah Marie Venable and Mrs. Otis White drove to Jal Saturday night.

Mrs. Tyson Eubanks was surprised Friday night by the Pals Sunday School Class of the Baptist Church, with a birthday party. Present were Mr. and Mrs. Henry Minter and Billy, Mr. and Mrs. J. W. Gooch and Janet, Mr. and Mrs. Gene Hawkins, Mr. and Mrs. Jack Kessler, Mr. and Mrs. Al Kerby and Mrs. Eubank's uncle and aunt from Dimmitt. Two lovely cakes were served and the honoree received several nice gifts.

Rev. Weldon Franks, pastor of the First Baptist Church, left after services Sunday night for Dallas to attend the evangelistic conference now in session. Mrs. Franks, who has been visiting in Dallas since Christmas, is to return with her husband.

W. J. Parker made a business trip to Farwell, Wednesday.

Doug Combs, of Carlsbad, visited his parents, Mr. and Mrs. J. O. Combs, the past week.

Mrs. Otho Hammonds, who has been ill, is somewhat improved.

R. W. Pringle has been dismissed from the hospital and returned home on Wednesday.

Mr. and Mrs. Leroy McDonald moved to Muleshoe on Monday.

Mrs. Jerry Pate went to Amarillo, Monday, to have a final operation on her mouth, for repair of injuries sustained in a car accident last November.

Mr. and Mrs. A. V. Warren returned Friday from Oklahoma, where they had been since their marriage on January 6th.

Mr. and Mrs. Vester Venable and son, Jerry, of Farwell, and Mrs. Vester Venable's parents, Mr. and Mrs. Weeks, of Lamesa, visited Sunday in the O. V. Venable home.

Mrs. E. H. Moody is visiting her mother in Gainesville, this week.

John Tabor is now employed at the Cicero Smith Lumber Co.

Skeeter Queen made a business trip to Amarillo, Saturday, to get his car.

Mr. and Mrs. Gene Ezell made a business trip to Lubbock, Saturday, and brought Roy B. Ezell, who had been in a hospital there, to his home in Farwell.

Elton R. Venable made a business trip to Clovis, Monday.

Clifford Combs, of Hereford, visited in the J. O. Combs home Monday.

Mrs. Tom Griffith entered the Friona Hospital last Tuesday and is seriously ill with pneumonia.

Mrs. J. A. Richards, who has been in the Friona hospital since Christmas, is reported unimproved. She is suffering with a heart ailment.

Mr. and Mrs. Charlie Jefferson and daughters visited her parents in Clovis, Tuesday night.

Mr. and Mrs. L. C. Moore left last Wednesday for Wichita Falls, to attend to business.

Otho Hammonds returned the past weekend from attending business in Oklahoma City.

James McKinney, son of Mr. and Mrs. Hubert McKinney, left Thursday for Roswell, where he joined the Air Corps.

Miss Peggy Robards, of Clovis, spent the past weekend in the Charlie Jefferson home.

The local American Legion team played the Clovis VFW here in a cage game last week, losing 24-31.

The Bovina Four Square Club met Thursday night at the Legion Hall in regular session, with Clovis, Friona and Farwell Clubs as guests. Mr. and Mrs. Howard Looney and Mr. and Mrs. D. C. Looney were hosts.

Miss Sarah Marie Venable and Miss Mary Alice Englant made a trip to Clovis, Friday.

Mr. and Mrs. Jimmie Charles made a business trip to Clovis, Friday.

Mrs. Elton R. Venable is now reporter for the State Line Tribune. Anyone having news to report is asked to call 2861 by Monday morning of each week.

Troy Armstrong and Bill Bradshaw are on a hunting trip near Childress.

The Bovina Service Station has recently been enlarged and remodeled.

Joe Lawrence Langer, of Amarillo, visited with relatives last week.

The bingo at the American Legion Hall Saturday night, sponsored by the Auxiliary, was a success and the affair will be repeated Saturday evening, Jan. 21, at 7:30.

Mrs. Bass Elliott celebrated her birthday, Monday, Jan. 9th. She was surprised with a birthday cake and guests included Mr. and Mrs. Eucl Hart.

Mr. and Mrs. Ross Terry and son, of Friona, visited in the Charlie Jefferson home, Sunday.

Tim, small son of Mr. and Mrs. Au-

brey Rhodes, is receiving medical attention at the Friona hospital.

Mr. and Mrs. Arthur Moorman and children, of Clovis, visited friends here Sunday afternoon.

Mrs. A. G. White visited Wednesday in Amherst with Mr. and Mrs. L. C. Rhodes.

Mrs. M. L. Hines, of Clovis, is visiting in the home of her daughter, Mrs. Durward Lee, this week.

Mrs. Lawrence Rhodes and son of Ralls, Tex., are visiting in the A. J. Moorman and A. G. White homes.

Mrs. Frank Wilson, Mrs. W. E. Williams, Mrs. Pat Kunselman and son and Willie Williams, Jr., visited in Canyon with Delores and Martha, Friday.

Mr. and Mrs. Luther Huckabay spent Thursday night in the O. V. Venable home. They were enroute to their home in California after visiting a daughter in Springfield Cal.

SURPRISE LUNCHEON GIVEN MRS. WARD THOMPSON

Mrs. Ward Thompson was pleasantly surprised last Monday at her home northwest of Bovina with a covered dish luncheon honoring her birthday.

Guests included Mmes. W. J. Parker, John Stagner of Clovis, J. W. Ellison, Mel Gunn, Laura Smith, Lee Thompson, Elmer Venable, J. Sam Gaines, Horace Moody and Sue, D. E. Lee and Sheila, H. L. Tidenberg, Steve Calhoun, J. L. Stagner, and Denny of Clovis, Carrie Smith, Tom Rhodes and Troy Armstrong.

ZONE MEETING HELD AT BOVINA HALL

The Bovina Legion & Auxiliary was host to about 55 Legionnaires and Auxiliary members Tuesday night, when the Zone 1 district meeting was held here.

Bovina had 18 present, Farwell 7, Friona 8, Hereford 13, Vega 8, and Dimmitt was unrepresented. Paul Miller, president of Zone 2, of Tulia, and Harold Hermil, also of Tulia, were visitors.

Refreshments were served at the close of the business meeting, after which the group enjoyed square dancing. The next zone meeting will be in Dimmitt on February 14.

HONORED ON BIRTHDAY

On Wednesday evening, Jan. 11, a group gathered at the home of Minister and Mrs. Durward Lee to honor little Miss Sheila on her sixth birthday.

The pretty cake with six candles centered the table, and was served with punch, candy and cookies to Gary Turner, David Lee Carson, Betty Venable, Dana and Betty Turner, Ronald Keith Bunch, Rodney Allen Billingsley and the honoree and her grandmother, Mrs. M. L. Hines of Clovis.

LETTERS from Our Readers

Mr. "Hop"

Dear Friend: Enclosed you will see a little poetry in response to Mrs. Buck Ellison's letter a couple of issues ago. I cannot seem to get my little old brain to working tonight. Wish I had written it the other night while it was, as the saying goes, fresh on my mind. You can do as you like about printing it.

If you news items in the home paper you wish to see Write or talk to your reporter, for she too must a housewife be. They are always glad to write all they can

Whether it be about a woman or a man.

If you are a visitor, or have guests in your house Just don't keep as still as a mouse! Go tell your reporter, she will give you the time

News must be received by her, so get on the line.

Then when State Line Tribune day arrives,

You and all the family can read and thrive.

You will all be happy to see Friends and your name in print, For who would not be?

Ex-reporter Mrs. Scottie Barry

Plate favors for the children were little cars and tractors for the boys and bracelets for the girls.

Adults enjoying the evening were Mr. and Mrs. Elmer Venable and Stanley, Mr. and Mrs. A. G. White, Mr. and Mrs. Joe Bunch, Mr. and Mrs. Condly Billingsley, Mr. and Mrs. David Carson, Mr. and Mrs. Howard Ellison, Mr. and Mrs. Byron Turner.

REV. OSCAR BRUCE SPEAKS TO CLUB

"Religion of the World" was the subject discussed by Rev. Oscar Bruce, Methodist minister at a meeting of the Bovina Women's Study Club on Friday, January 13. Hostess for the occasion was Mrs. Bass Elliott with Mrs. Webb Gober as co-hostess.

Mrs. J. P. Macon presided at a brief business session, and the group discussed the improvement of a church, the club project for the year. Members answered the roll call, names of women of the Bible and gave interesting facts about them. Attending were Mesdames Lloyd Bestev, Flora Caldwell, David Carson, Bill Kyle, J. P. Macon, Billie

Sudderth, Lewis Pesch, William Thornton, Bass Elliott and Webb Gober.

DORCAS CIRCLE MEETS

The Dorcas Circle met in the home of Mrs. Frank Wilson Wednesday, January 4th. A covered dish luncheon was enjoyed by Mmes. T. J. Hopingardner, Mable Newberry, John Wilson, Pat Kunselman, Lewis Pesch, Lloyd Battey, Joe Jarrell, Oscar Bruce. Mrs. Bruce gave the lesson on stewardship.

Mrs. Sarah A. Tweed, North Carolina, recently died at the age of 107. She was a member of the Little Pine Creek Baptist Church for 90 years.

Takes Work Out of Big Dinners

Chances are this pretty young housewife had to borrow from the neighbors to assemble this array of dishes for her big dinner, but this is what she'll need to serve 12 people. Cleaning up by hand after the "once a year" meal used to be an all day job. Now this new front-opening dishwasher does the job automatically, and is designed to reduce installation costs as much as 60 per cent. Hotpoint, Inc., the manufacturer, says. While she and her guests are enjoying the turkey, the machine washes, rinses and dries pots, pans and preparation dishes. Dinner plates, silverware and glasses are put into the dishwasher as the table is cleared for dessert. This new machine operates automatically with water hotter than hands can stand—all at the setting of a dial.

VETERAN'S QUESTION BOX

Q. I was discharged after World War II without a service-connected disability. Recently, I suffered a back injury in an accident which requires out-patient treatment. Will VA furnish such treatment?

A. Since you do not have a service-connected disability, VA cannot give you out-patient treatment under the law. Such treatment is available only to veterans who have service-connected disabilities.

Q. After my discharge from World War II, I surrendered my \$10,000 NSLI converted policy for the cash value. I have re-enlisted and want insurance again. Am I eligible?

A. Yes. Application for new NSLI may be made while you are in active service.

Q. I am an honorably discharged World War I veteran. Will VA give me legal advice on my domestic troubles with my wife?

A. VA is not authorized to give legal advice regarding personal problems.

Q. If my brother, a World War II veteran, is admitted to a VA hospital will his relatives be allowed to visit him while he is in the hospital?

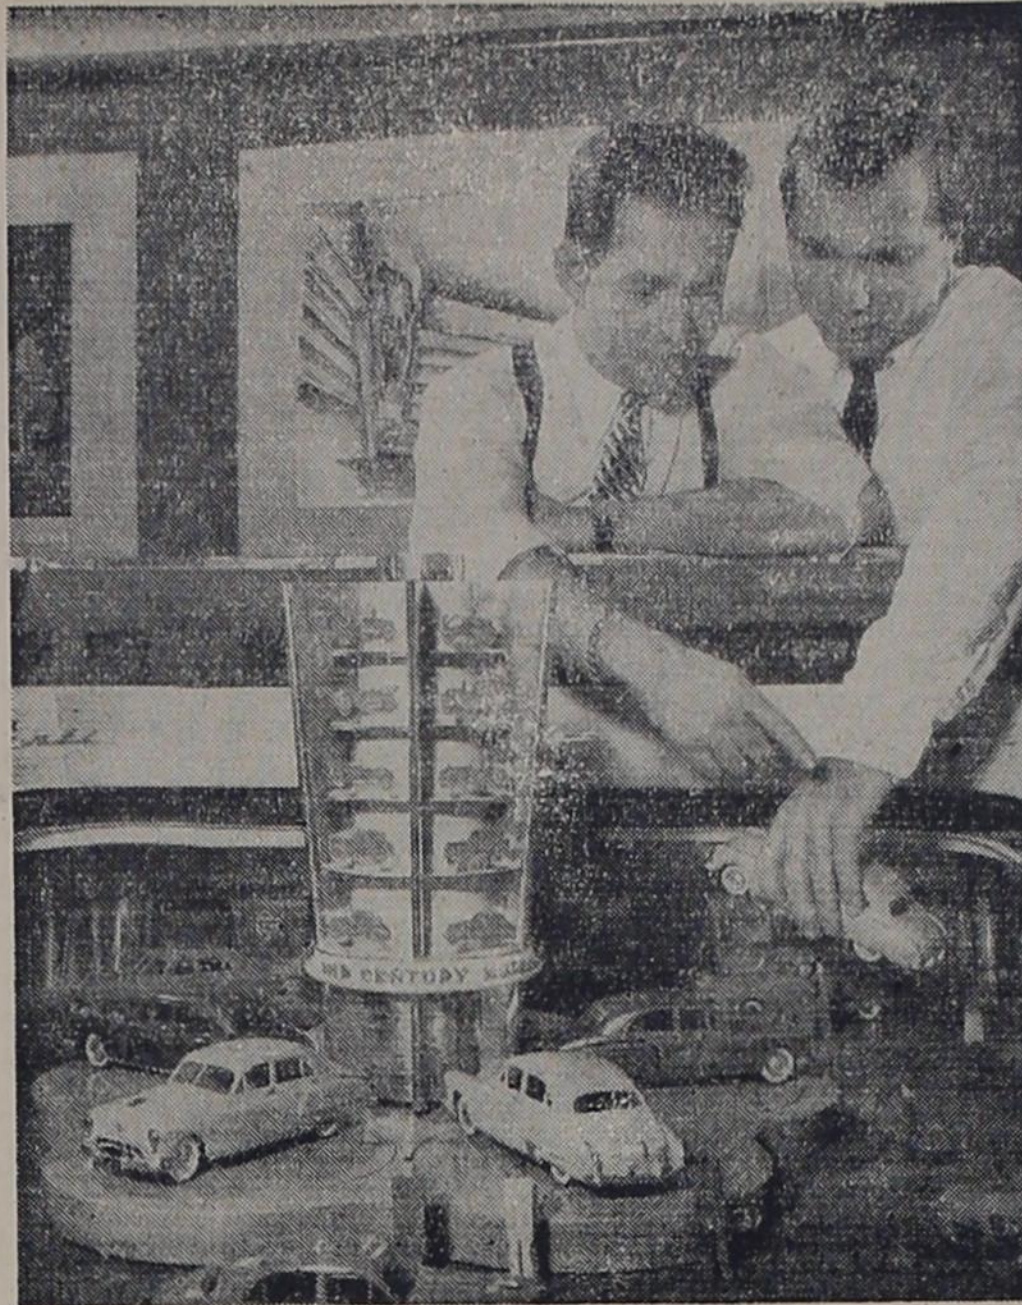

A. Yes. All VA hospitals have special hours set aside each day for visitors, the same as civilian hospitals.

Texas College Students Spend Under Average

LUBBOCK—Texans studying at Texas Tech spend \$177 less for a year's college work than the average American student, a recent survey of the New York Times has revealed.

The New York newspaper poll, conducted by Dr. Benjamin Fine, showed that national average expenses for college tuition, board and room are \$756 per school year. Total expenses at Tech are \$579 per school year, and include housing in recently-constructed dormitories on the

Lubbock campus. The nation-wide survey was made through reports from 630 American colleges and universities, the Times reported.

The first half-century of progress in the automobile industry is being marked by General Motors in its "MidCentury Motorama" exhibition at the Waldorf-Astoria in New York January 19 through 27. The model shown here was constructed to aid GM stylists in preparing the display. It represents about 10,000 square feet of floor space.

Prof. Says Texans Almost Supermen

LUBBOCK—West Texans aren't supermen, but they are above average when it comes to handling a monkey-wrench or tractor carburetor.

Dr. Albert Barnett, Texas Tech psychologist, has statistics to support his thesis that West Texans are "superior" in their mechanical ability. His article supporting the conclusion is carried in a recent issue of the Journal of Applied Psychology.

Tests of 371 freshmen men at Tech most of them from West Texas, showed they had exceeded the standard grade in 70 per cent of the tests. "As yet, there is no satisfactory explanation for this superiority," Dr. Barnett said.

He said mechanized farming in West Texas has brought most young men into contact with tractors and other machines since their boyhood and might possibly afford one reason for outstanding aptitude. On the other hand, he explained, the test is designed to be comparatively free of influence from prior mechanical experience.

The test used was the Revised Minnesota Paper Form Board AA.

BACK TO WASHINGTON

Mrs. Wornie Hurst, accompanied by her son, Charles, is scheduled to leave here Friday night on their return trip to their home in Yakima, Wash. Mr. and Mrs. Walter Hurst arrived here the first of the week from Yakima and will drive them back to Washington.

Charles suffered serious head and shoulder injuries some weeks ago, when the car in which he was riding left the highway and overturned west of Clovis. He has been recuperating at the home of his sister, Mrs. Travis Rundell, after spending 16 days in a Clovis hospital.

NEW EXPERIENCE

Col. Dick Doshier, local auctioneer, said he ran into a new experience recently, when he conducted a public sale of farming implements at La Mesa, N. M. Practically all bidders were Spanish-American and an interpreter had to keep the crowd and the auctioneer informed as to what was taking place. "It was a new experience to me," Doshier commented.

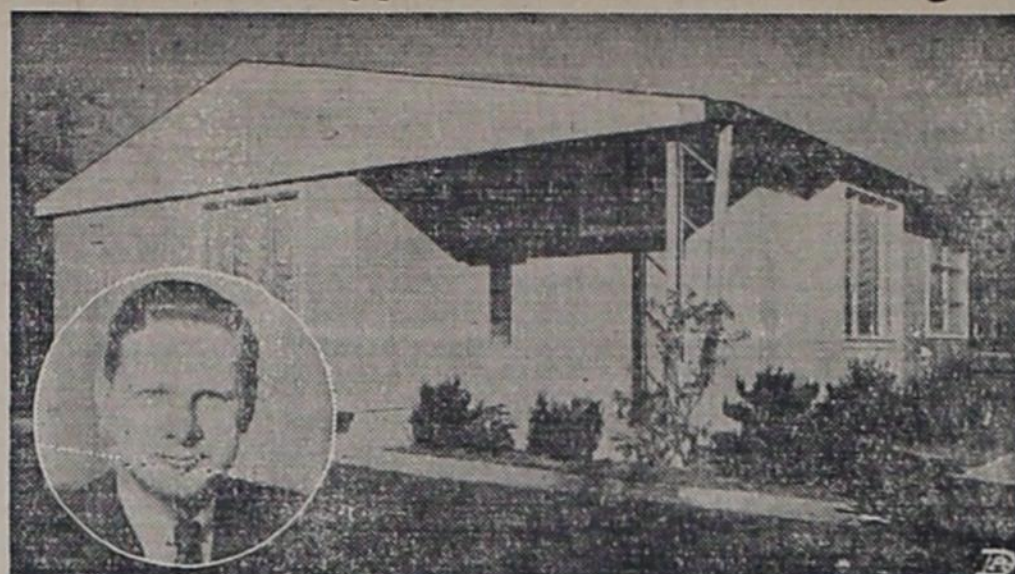

He said that the sale was quite successful, grossing \$20,000. Jack Spurlin acted as clerk of the sale "and that was no easy job," Jack adds.

SUPT. TO PREACH

Rev. Murphy Duncan announced today that Dr. W. Carl Clements district superintendent of the Clovis district, would occupy the pulpit at the local Methodist Church on Sunday, Jan. 22, at the 11 o'clock hour.

Texas A. & M. College operates the only state-owned hotel in the United States, at College Station.

What's Happened to Prefab Housing?

Taxpayers are demanding an answer to the prefab housing situation while the housing shortage continues acute everywhere and a 7% decrease in building is predicted for 1950. In asking what happened to housing like the unit above, it's possible the answer may be contained in what happened to House Resolution 393, which calls for an investigation of Lustron Corporation of Ohio. HR 393 was introduced by Albert M. Cole (Rep.) Kansas. Cole, inset above, a native of Topeka, Kas., represents the first Kansas district, and is a member of the important banking and currency committee.

Surveying the prefab history shows: Prior to the war—some talk. Planning during the war. Promises after the war.

Some private manufacturers are doing the job and are producing houses in the promised price brackets. Lustron became a congressional storm center last summer when its president, Carl G. Strandlund, Columbus, Ohio, told a House committee he launched the corporation into the prefabricated housing industry with \$1,000 of his own money and \$37½ million borrowed from the RFC. An RFC official has announced that RFC lending to Lustron has been halted.

Lustron's program of color advertising and reams of publicity of a 5-room house at \$7,000 resulted in a suggestion of scandal, a unit price at twice that amount in Chicago, and since has abated into all quiet. Perhaps prompt action on the Cole resolution will give the much in demand answer to the question above.

RECIPE OF THE WEEK

Candied Apples

Boil together 1 cup sugar, 1 cup honey, ½ cup water and ¼ teaspoon salt for a few minutes. Wash, core and pare 3 tart, firm apples, cut into half-moon shaped pieces about half an inch thick, drop into the sirup and cook rapidly until the apples are transparent and practically all the sirup is absorbed. Lift onto waxed paper to dry.

Break up cake chocolate made especially for dipping candies and put into a shallow dish over hot water. As soon as the chocolate begins to soften, remove from the hot water and stir the chocolate with the fingers until it is all melted. Dip the pieces of apple into the melted chocolate until well coated and place on waxed paper to dry. Pack the apple candies in layers between sheets of waxed paper.

The finger from an old glove or a thimble placed over the end of a curtain rod helps the curtain slip on to the rod easily without catching or tearing.

SELLS RETAIL BUSINESS

Harry J. Charles, owner-manager of the Charles Oil Co. of Bovina, announced this week that he had sold the retail end of the Phillips 66 business to John Wilson, who is now in charge. In the deal, Wilson bought the retail stock and leased the retail station of the Phillips Co. Charles said that he would devote all his time to the wholesale end of the business.

LANDSCAPING HELPS

A little time and labor plus a few dollars well spent in establishing a lawn and planting trees and shrubs about the home increases its value 10, 20 and in some cases, 50 percent.

STORAGE TIPS

Potatoes can be stored in crates and baskets; beets and carrots in boxes of damp sand. All should be stored under moist conditions at temperatures ranging from 32 to 40 degrees.

BACK FROM MEETING

LUBBOCK—E. R. Heineman, professor of mathematics at Texas Tech has returned from the annual meeting of the Mathematics Association of America, which was held in Boulder, Colo. He delivered an address, "The Preparation of Mathematics Examination Questions", before the National Council of Mathematics Teachers in Denver.

FERTILIZER SUPPLIES UP

Fertilizer supplies for the coming year are expected to be considerably higher than for the past year, but to be on the safe side farmers are urged to make their purchases early. This will aid in solving the transportation problem.

FOR SOIL IMPROVEMENT

Legumes for soil improvement is a good bet for land that will be taken out of wheat, corn or cotton next year. Soil and climate have a lot to do with legume growth, so find out which varieties do best in your county, and plant them now.

22 HOLSTEIN-FRIESIAN AT TECH

LUBBOCK—The purebred registered Holstein-Friesian dairy herd at Texas Technological college now has 22 classified animals following an official inspection authorized by the Holstein-Friesian Association of America.

A Few ?'s to Ask the Printing Peddler

When the Peddler selling stationery and printing supplies solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

Among them being:

- ? Does he pay taxes in this community?
- ? Does he donate space in his newspaper to the local community enterprises?
- ? Does he pay wages to a force of employees located in this City, County or State?
- ? Does his papers devote its entire space toward the betterment and upbuilding of this community?
- ? Does he grant you every favor that you would ordinarily ask of a local newspaper?
- ? Does the quality of his merchandise stand inspection—is it on quality paper stock and the printed matter attractively arranged?
- ? Will he submit proof of your work before finishing and mailing it to you C. O. D.?
- ? Does his price include postage and insurance charges?
- ? Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business.

Two Texico Students Represent ENMU In 1950 "Who's Who"

Two former Texico girls, Miss Beryl Brown and Miss Waunema Turner, are among the eleven students named by Eastern New Mexico University to represent the Portales school in the current "Who's Who In American Universities and Colleges".

Chosen by a secret committee, the students are selected on a basis of scholarship, leadership, and cooperation in educational and extra-curricular activities. The student's promise of future usefulness and his general citizenship are also considered.

Nominations to "Who's Who" are submitted annually by four-year, degree-granting institutions. The college officially recommends the student, who must then be accepted by the editorial board of "Who's Who". Only juniors, seniors, and graduate students are eligible.

Miss Brown is a senior and Miss Turner a junior at ENMU.

Formal Dinner Held By Honorary Band Groups

PORTALES—Two honorary band groups of Eastern New Mexico University had a formal dinner Saturday night at the Portales Country Club. Installation of officers and honorary members and initiation of pledges was featured. Kappa Kappa Psi, honorary band fraternity, and its newly organized sister sorority, Kappa Delta Psi, were host and hostess.

President Floyd D. Golden, A. E. Hunt, University business manager, H. T. Decker, chairman of the School of Music, and Ed J. Neer, Portales businessman, were made honorary members.

Officers of Kappa Delta Psi are Margaret Cole, Portales, president; Betty Crozier, Portales, vice president; Grace Melendez, Roswell, secretary; Evelyn Hogue, Hobbs, treasurer; and Jean Rogers, Texico, historian. Edd Uri Talbot, of Friona, is among the charter members.

Local Students Doing Honors Work Now

PORTALES—Eastern New Mexico University Honors Council has announced that 17 students are now doing special honors work which may lead to the granting of their degrees with honor, according to W. E. Baldwin, instructor in psychology and chairman of the council.

Honors work is in addition to regular university work and is of a creative type on topics selected with the assistance of a faculty adviser. When the student is eligible for graduation and the honors council accepts his special work, he may receive his degree "cum laude", "magna cum laude" or "summa cum laude".

Beryl Brown, Texico senior, and Waunema Turner, Texico junior, are in the group of students.

Semester Recitals Are Presented At ENMU

PORTALES—Two semester-end recitals were presented by the School of Music of Eastern New Mexico University on January 3 and 16.

Students presented at the University theatre on the two afternoons are pupils of Miss Gillian Buchanan, C. M. Stookey and Joe I. Myers.

Misses Jean and Peggy Rogers, of Texico, appeared as pianists during the recitals, with Miss Jean Rogers and Miss Edd Uri Talbot, of Friona, participating in the vocal recitals.

Mrs. Porter Hostess To Wesleyan Guild

Mrs. John Porter was hostess to the Wesleyan Service Guild of the Methodist Church at a regular meeting, the past Wednesday night.

The meeting got underway at 8 o'clock with Mrs. Mary Lou Cason, Mrs. Wana Brewer and Mrs. Ellen Wurster in charge of the program, based on "The New Year".

At the close of the meeting a social hour was enjoyed, with the hostess serving a aslad plate with spiced apple juice to the following attendants: Mesdames Mary Lou Cason, Ellen Wurster, Loyde Brewer, Agrie Jones, LeRoy Faville, and Woody McDermitt.

The next meeting will be in the home of Mrs. W. W. Vinyard, on Wednesday, February 8th, at 8 p. m.

Celebrates Birthday With Slumber Party

Little Miss Jo Ann Brown celebrated her 7th birthday the past Wednesday night with a slumber party, when four of her second grade classmates gathered in the home of her parents, Mr. and Mrs. D. J. Brown, near Texico.

The children spent the early part of the night playing various games and also enjoyed refreshments.

Present were Misses Donna Faye Crawley, Gale Hadley, Mary Ann McDaniel, Jo Ann Wheeler and the young hostess.

Slumber Party Held At Engram Home

Misses Jo Beth and Patsy Engram entertained a number of friends from the Texico high school with a slumber party the past Friday night in the Engram home.

Enjoying the occasion were Coeta and Carmen Roth, Violet Curry, Bobbie Allred, Margie Reid, Norma Kesler, Frankie Harris, Pat Doshier and the hostesses.

BROTHER VISITS HERE, ENROUTE TO JAPAN

M-Sgt. and Mrs. James B. Williams arrived here Monday evening from Ro Linda, California, where he has been stationed with the Army. Sgt. Williams is being transferred to Tokyo, Japan, and is scheduled to sail on February 7th.

They are visiting in the home of his sister and brother-in-law, Mr. and Mrs. Les Means in Texico, this week and plan to proceed to Omaha, Neb., for a visit with Mrs. Williams' parents before leaving the States.

Mrs. Williams plans to join her husband in a few months after he has been stationed in Japan.

Sermon Series Slated By Baptist Pastor

A series of sermons on "Solomon's Temple" will be given by Rev. O. O. Holladay, pastor of the Texico-Farwell Baptist Church, beginning on Sunday night, January 22.

Rev. Holladay stated that he planned to present either four or five sermons on this topic, and urged all members and others interested to be present for the services.

Texico PTA To Meet

Members of the Texico Parent Teacher Association are reminded that the regular meeting of the association will be held at the school building next Tuesday night, January 24th, beginning at 7:30.

Mayor and Mrs. Bob Vinyard, of Clovis, were Sunday guests in the Johnnie Lewis home.

Here From California

Mr. and Mrs. R. C. McReynolds of Needles, Calif., arrived the past week for an extended visit in the home of her parents, Mr. and Mrs. Les Means in Texico. They were called here to be at the bedside of his mother, Mrs. E. N. McReynolds who is seriously ill in a Clovis hospital.

Return Home

Mr. and Mrs. Louis Cailouett returned to their home in Texico, Sunday evening. He had been under medical observation in Oklahoma City for several weeks, and is reported somewhat improved.

To Plainview

Miss Letha Bridges, secretary at the local Southwestern Public Service Company office, left early Monday morning for Plainview where she will receive special training for a week. She will return here Saturday and resume her duties at the local office on Monday morning.

Visit In Canyon

Mr. and Mrs. O. B. Pipkin spent the past Friday night in Canyon, visiting in the home of their son and family, Mr. and Mrs. Jess Herbert Pipkin. They returned to their home in Farwell on Saturday and Pipkin left on Sunday afternoon to resume his duties at the Roswell Air Base.

County Agent Ollie Liner was a visitor in Lubbock over the past week.

Mr. and Mrs. Elmer Townsend, of Albuquerque, were here visiting with friends in Farwell the first of the week.

Mrs. W. H. Graham and Sammy and Judy Crume visited briefly in Portales, Monday, with Sonny Graham, enrolled at ENMU.

BOUQUET OF VIOLETS . . . Here is the newest in twin swim suits. Movie starlets Dorothy Abbott and Jean Ruth model the 1950 swim suits named "wild violets" at the pool of the Franciscan hotel in Hollywood, Calif. The design of these modern suits was inspired by 18th century French porcelain. The suits are made of nylon and laton. They have a chaukelle finish. Both the two-piece and the single-piece suit are of the same material. Wonder if the girls plan to get 'em wet?

Daude Services At Lariat, Sunday

Funeral services for Henry August Daude, age 69 were conducted at the Lutheran Church at Lariat, Sunday afternoon, and burial took place in the Oklahoma Lane cemetery under the direction of the Steed Funeral Home of Clovis.

Mr. Daude, who had been a resident of the Lariat community for a number of years, died at the home of his daughter, Mrs. C. W. Goosman, 1218 Davis, in Clovis, Friday of last week.

Survivors are the wife, Mrs. Augusta Daude; the daughter in Clovis, Mrs. Goosman; another daughter, Mrs. B. L. Deaton, Lordsburg; a son, Calvin Daude, Farwell; three brothers, Walter of Killeen, Tex.; Arthur of Lampassas, Tex., and Eugene of Austin; and two sisters, Mrs. Lonnie Carroll, McGregor, Tex.; and Mrs. Joe Kunkle, Copperas Cove.

NEW TEACHER ADDED

A new course is being offered to students of the Texico high school with the opening of the new semester. Supt. Agrie Jones announced. Mrs. Payton has been secured to conduct a journalism class at the school and around twenty students are currently enrolled in the class.

Bufs In Race For Lead In Border Cage Loop

CANYON—Basketball fans can presently look to the tip-top of this big state to find the leading college basketball team in Texas. By virtue of an impressive 10-3 record against some of the top quint in the nation, West Texas State is the proud possessor of the best campaign showing of any team in the state. Unofficially the Buffaloes, coached by genial Gus Miller, have racked up an 11th win but this was an early season exhibition game and is not to count on the permanent season total.

However this week finds the West Texas State squad facing its toughest assignment yet. Wednesday night the colorful Thundering Herd from the Panhandle moves into Flagstaff, Ariz., to begin a three-game tour of that state against the most rugged foes in the always tough Border Conference. After facing the Flagstaff Lumberjacks Wednesday night, the Bufs move on to Tempe for a struggle with the potent Arizona State Sun Devils Thursday night, and then into the lair of the University of Arizona Wildcats on Friday night.

At present, the Bufs, Tempe and Arizona University are deadlocked in the lead of the Border loop. West Texas and Arizona possess three conference wins each while Tempe has downed two loop foes without a loss.

NEW WEAVING COURSE

CANYON—Weaving, an art course discontinued at West Texas State during the war, will be offered again during the spring semester which starts January 24. It will be Art 211 and will carry three semester hours and does not have a prerequisite.

The course will include various traditional kinds of weaving, use of several types of looms, practice in reading patterns as well as creating original designs, experience in figuring warp and weft and in threading the loom.

Students interested in this course should contact Miss Isabel Robinson during the enrollment period.

Tech-Raised Steers Headed For Show

LUBBOCK—Six yearling steers from Texas Technological college will be entered in the Southwestern Exposition and Fat Stock Show at Fort Worth, Jan. 27-Feb. 5, Dean W. L. Stangel, of the agriculture division, has announced.

Three Herefords and three Aberdeen-Angus steers will make up the Tech animal husbandry entry. William T. Piper, junior from Walnut Springs, will have charge of the animals.

Dean Stangel will act as superintendent of the steer department of the show for the first time this year. Since 1937 he has been in charge of the Aberdeen-Angus division and has been on the exposition staff since 1921.

NEW PARAFFIN USE

To prevent metal cans of scouring powder from leaving stains on damp linoleum or enamel, dip the bottom of the can in melted paraffin. When cool and hard, the paraffin coating will help against stains.

More Dallas Students Enrolled At NTSC

DENTON—"Little D" is losing out to "Big D" in numbers of students at North Texas State College.

Denton and Denton County, which for years led in students at NTSC, now ranks second behind Dallas and Dallas County. Of the 5,300 students enrolled 798, or about 15 per cent, are from Dallas County, and 636, or about 12 per cent, from Denton county. Tarrant County runs third with 345 students, according to a recent tabulation of student data cards.

Dallas also provides the majority of student leaders, as 12 of 34 student government officers list Dallas County as home.

Representatives of 181 Texas counties are enrolled at NTSC.

PRE-REGISTRATION COMPLETE

CANYON—Pre-registration of students now on campus was completed Friday afternoon. Registration for new students and transfers for the spring semester will be Tuesday, January 24.

Regular class work for the new semester will begin Wednesday, January 25.

New students and transfers should report to Burton Gym at 8 o'clock the morning of the 25th to begin registration procedures. Pre-registration figures point to the enrollment remaining near the fall record of slightly over 1300 on-campus students.

Tax Income Guide In 'Best Seller' Listing

"Your Federal Income Tax", the official guide for taxpayers published by the Bureau of Internal Revenue, has established a top on national best-seller lists, according to information released today. Over 200,000 copies of this 133-page tax book, which is available from the Superintendent of Documents, Government Printing Office, at 25c per copy, were sold during the first five weeks since publication.

This new and improved edition of "Your Federal Income Tax" covers, in a series of short articles, questions which may come up concerning tax returns; it covers the latest laws, reau rulings, and court decisions. Chapters have been added which cover installment sales and the important appeals procedure. Also included are facsimiles of tax forms and a detailed index.

PRODUCE OWN FEED

The farm which is most consistently in the profit column is the one which goes a long way toward producing its own food and feed requirements. The cheapest food and feed is that produced by the farmer on his own land.

Using both hands will work wonders in cutting down the actual time required for doing household and farm chores. Practice makes for perfection.

CROSSING THE BAR . . . Still clutching the cash register till, a gunman, identified as Frank Kamick, was killed instantly, by a single shot by Martin Conroy, an off-duty detective, as Kamick and a masked pal attempted to hold up a tavern in which Conroy was a patron. As the gunman's companion fled, Detective Conroy chased him down the street, firing twice, but the other gunman escaped. Medical aid was of no avail as the wounded holdup man failed to regain consciousness.

Tech Gives Cotton Fibers Good 'Going Over'

LUBBOCK — Cotton research at Texas Technological college is aimed at a thorough understanding of cotton fiber properties which in turn facilitates textile and high grade yarn production, Dr. Lyle E. Hessler, research associate, reports.

This knowledge is passed on the marketing and textile trade wherever it is needed, Dr. Hessler said. He mentioned the difficulties experienced by some mills in processing and spinning irrigated cotton—usually due to lack of knowledge on how to handle fiber with the physical characteristics possessed by the cotton.

"Irrigated cotton generally is long, soft, pliable, and thin walled. This does not allow excessive working in the spinning process. Therefore, in order to avoid nappiness, tangling, and buckling in the process machinery, tolerance in settings must be close and speed of operation slowed down," Dr. Hessler said.

Close settings are especially needed in the carding operation where this operation will remove any of the results of overworking that have shown up in previous operations. Yarns of higher grades are readily made from irrigated cotton if the processing is properly handled. He explained that some mills are

reluctant to use this type of cotton because of an adverse previous experience. Those mills are losing out on a chance to make yarns which will meet top specifications for strength.

Irrigated cotton is in a very favorable position this year because of the shortage of strong cottons in some parts of the nation," Dr. Hessler concluded.

Dates Are Announced For Annual Convention Of NM Cattle Growers

Dates for the 35th annual convention of the New Mexico Cattle Growers association have been set for March 26, 27, and 28, according to G. W. Evans, Magdalena, president.

"The annual conclave will be in Albuquerque where it is expected that nearly four thousand cattlemen and their families from every corner of the state will gather to chart the course for the organization to follow in 1950" Evans said. Over three thousand registered for the event last year. Association membership has passed five thousand, three hundred mark and officers expect membership to reach fifty-five hundred before dates of the convention.

A major order of business will be the election of new officers for the

ensuing year. Association by-laws provide that the president and vice-presidents can serve only two terms of one year each, and all current officers will have completed their term at the date of the convention. Vice-presidents of the organization include Homer Berkshire, Albuquerque; Bud Williams, Clovis; Roy Forehand, Carlsbad; and Huling Means, Silver City.

Livestock organizations planning to meet in Albuquerque in conjunction with the cattle growers association include New Mexico Quarter Horse association; New Mexico Hereford Breeders association; State Palomino Horse Breeders association; State Cattle Sanitary Board; Sheep Sanitary Board; and the Junior New Mexico Cattle Growers association and others to be announced at a later date.

"More time will be devoted to committee meetings and business sessions at this convention," Evans said. "We are encouraging all cattlemen in the state to take an active part in our standing committee work so that action of the association will completely represent views of the industry."

Convention sessions will be held in the Hilton Hotel and Sunshine Theatre building.

Texas Retail Sales Show Increase In December

AUSTIN—Texas retail sales rose 22 per cent in December from November to an estimated \$551,673,000, a 1 per cent gain from December 1948, the University of Texas Bureau of Business Research reported.

Sales of durable goods stores stepped up 2 per cent in December from November and rose 3 per cent from December 1948.

Jewelry stores turned in the largest November-to-December increase in durable goods sales—169 per cent. During the monthly period furniture and household dealers reported a 27 percent increase. Automotive store sales dropped 8 per cent in December from the previous month, while building material, lumber, and hardware decreased fractionally. During the yearly period automotive sales rose 14 per cent, and furniture and household goods sales showed a fractional increase.

Total nondurable goods sales rose 40 per cent in December from November, but showed only a fractional

increase from December 1948.

All stores in the nondurable goods group reported November-to-December sales increases. Florist sales rose 77 per cent during the month, while

department store sales gained 72 per cent. Monthly sales gains were also reported in apparel stores, 57 per cent general merchandise stores, 47 per cent drug stores, 38 per cent; office, store and school supply stores, 20 per cent country general stores, 19 per cent; food stores, 14 per cent; eating and drinking places, 1 per cent.

Compared with December 1948, department stores registered a 3 per cent sales gain in December 1949 in the nondurable goods group. Other yearly increases were recorded in food and drug store sales, 2 and 1 per cent, respectively. Apparel stores turned in a fractional increase.

During the 12-month period, sales of office, store, and school supplies dropped 10 per cent. Sales of florist shops dipped 5 per cent; eating and drinking places, 4 per cent; country general stores, 3 per cent; and general merchandise stores, 1 per cent.

Basketball Fabric Scores High

NEW YORK—A new 1950 spring fabric by Fruit of the Loom has made its debut here at Madison Square Garden. Here are New York teen-agers Sandy Madigan and Mary Templeton wearing blouses home-sewn from a pattern featuring basketball action scenes. Appropriately enough the first admirer of the new fabric is George Mikan, 6-foot, 10-inch professional star of stars. Fashion stylists say that the new basketball pattern also lends itself to home-sewing of play-suits, draperies, bedspreads, and table decorations for the rumpus room.

VETERAN'S QUESTION BOX

Q—I intend to apply for a GI loan to go into business. Is there any limit to the period in which I must repay such a loan?

A—If your GI loan is a non-real-estate business loan, it will have to be repaid in 10 years or less; a real estate business loan may run up to 25 years.

Q—Why do I lose all the money I paid in premiums on my term insurance when I convert to a permanent plan?

A—While your term insurance was in force, you received insurance protection against death at a very low rate for that period. Term insurance was intended to provide no more than that.

Q—I am receiving compensation from VA for a service-connected disability. My dependent parents reside in a foreign country. In event of my death, who should they contact to get the compensation to which they may be entitled?

A—They should contact the U. S. Foreign Service in the country

in which they reside. The U. S. Foreign Service cooperates with VA in the administration of benefits available to veterans, their dependents, or beneficiaries in foreign areas.

Q—I was honorably discharged without disability after World War II service. Since my discharge, I was

partially disabled in an automobile accident which prevents me from holding down a full-time job. Am I entitled to any VA benefit for this disability?

A—No, but if you should become permanently and totally disabled for reasons not traceable to your service in the armed forces, you

may be entitled to a pension, providing your income does not exceed \$1,000 if you have no dependents, or \$2,500 if you are married or have a minor child.

Huntsville is called the "Mount Vernon of Texas" because it was the last home of General Sam Houston.

Quakes 'Round World Recorded At Tech

LUBBOCK—If and when an earthquake ever hits the southwest, the only instrument now capable of recording the full shock is in operation at Texas Technological college.

Dr. Leroy T. Patton, director of the Texas Tech Seismographic Observatory, says it is the only one located between Little Rock, Ark., and Tucson, Ariz. He said the Tech Observatory cooperates with the United States Coast and Geodetic Survey, and sends its reports regularly to 33 other observatories in this country.

"Here at Tech we are able to record tremors from distant points, sometimes on the other side of the earth, through movement of the concrete pier in our observatory," Dr. Patton says.

The pier, or base, vibrates and in turn causes delicate instruments (which incidentally have to be kept in perfect working order 24 hours a day) to record the tremor. A horizontal pendulum on the pier changes the vibrations into electrical energy. The waves are transmitted by other machines onto a photographic film.

Dr. Patton says the observatory records about two or three quakes a week. The "most-quoted" areas apparently are Japan, Siberia, Argentina, Mexico and the Pacific islands.

Barber Shop Tunes To Help Students With Scholarship

LUBBOCK — Pear-shaped tones and mellow harmonies from barber shop quartets are expected to provide a sizeable scholarship for a music student at Texas Technological college next fall.

The Lubbock No. 1 chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America has announced that net proceeds from their concert March 18-19 will be used to establish the Tate-Roberson Memorial scholarship at Tech. Last year, the concert netted \$1,000.

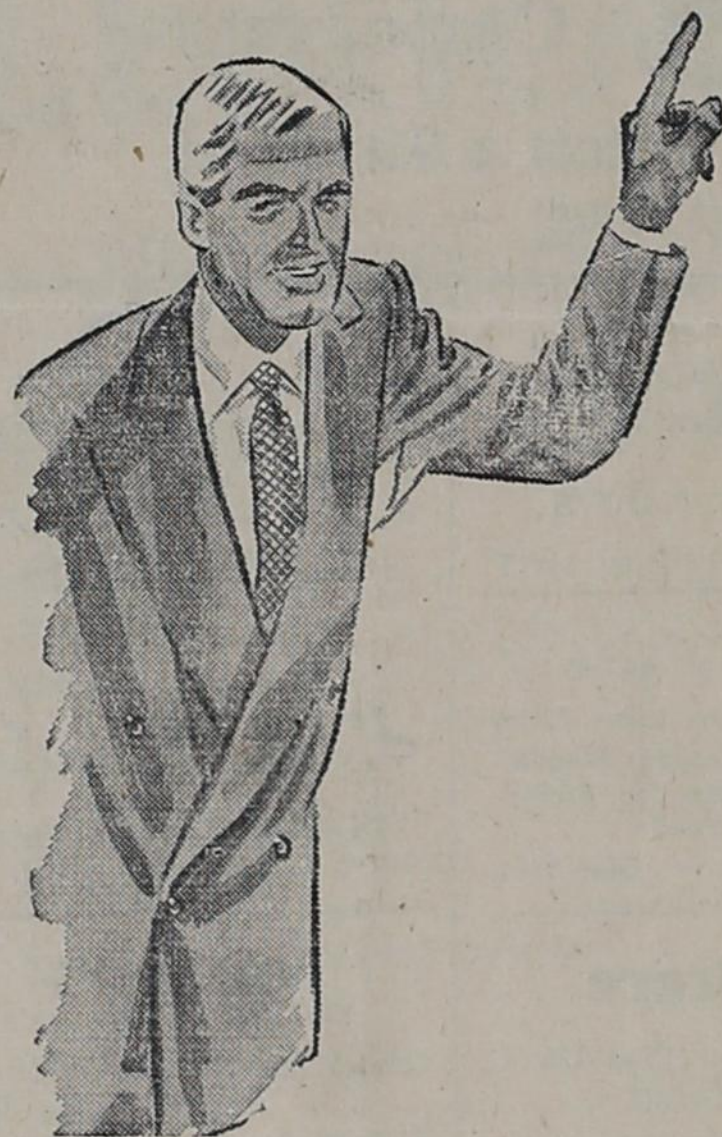

Ray Wells, president of the Lubbock chapter, said the scholarship would not be reserved for vocalists "but will be open to all student musicians". He said that a joint committee of Tech officials and the SPEBSQA members will be asked to administer the fund, which is named in honor of two deceased members of the local chapter.

The March concert will feature the "Varsity Four" quartet from Purdue University. The group received medalist honors at the International convention in Buffalo, N. Y. in 1945.

HADACOL IS HELPFUL TO FOLKS OF ALL AGE GROUPS

Countless thousands have proved that HADACOL is beneficial to folks of all ages. That is the reason so many purchase the large economy size bottle so all the family can benefit from nature's vitamins and minerals in HADACOL.

For instance, Miss Ethel Guidry, 822 Montgomery St., Port Neches, Texas, only 17 years old, was "feeling nervous, had little appetite, her face was pale and drawn and she suffered from gas on the stomach."

Miss Guidry

Her system lacked the B Vitamins and Minerals which HADACOL contains and this may cause digestive disturbances such as heart burns, indigestion, and often times Miss Guidry says she could not eat the kind and type of food she wanted without feeling terrible afterwards.

Miss Guidry, who recently graduated from high school, is already working in a bank. She said that after taking several bottles of HADACOL she is now "feeling wonderful" and has "lots of pep and energy."

Most folks take HADACOL because it has worked such wonders for relatives or friends. Miss Guidry took HADACOL because her mother had taken 12 bottles with excellent results.

In nearby Port Arthur, Texas, Mrs. W. M. Thompson took HADACOL because it had done her husband so much good. He, in turn, had taken HADACOL because an elderly neighbor told him of "feeling so much better after taking several bottles of HADACOL."

Mrs. Thompson's normal weight is 135 pounds but she was down to 110 pounds before taking HADACOL and after taking a few bottles of HADACOL she regained her normal weight.

"I was bothered with stomach trouble, gastric disturbances, I had lost my appetite and was bloated," said Mrs. Thompson.

She had tried several preparations before taking her husband's advice on HADACOL and now she enthusiastically recommends HADACOL to her friends.

Mrs. Thompson

She, too, like Miss Guidry and the others, was suffering from the lack of the B Vitamins and Minerals in her system which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heart burn, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and Minerals which your system lacks.

HADACOL contains not only one, but five of the B Vitamins. HADACOL contains not only one, but four of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL.

So, it matters not who you are . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering! Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. —Adv.

A Brand New Year

How beautiful it is! "Trailing clouds of glory do we come from God." The newborn babe with all its sweet and tender beauty! The *brand New Year* with all its clean and glorious possibilities! The Year is as spotless and as impressionable as the newborn babe. What a responsibility to be entrusted with making the habits and the character of a child! What a trust is the New Year! May we accept the Year as God's gift of love and of confidence in us.

What the New Year shall be depends not so much on outward circumstances as upon the spirit and the attitudes and the purposes which we cherish. In many ways the year ahead of us will be exactly like last year: the same number of days and of hours within each day, the same places to work, the same people as fellow workmen. If this is to be a better year than last, then there must be a better mood in us, there must be higher goals that we set for our striving, there must be a nobler mind with which we approach people and places.

Isn't it a wonderful thing that we may begin again? Our friends and our families are in readiness for the change. Never again for twelve months will it be so easy and so desirable for us to make the changes which will make it a New Year for ourselves, our families, and our fellows everywhere. Why not begin with prayer and devotions such as will lift the whole family into relation to God? *The New Year is a divine gift*; why not accept it as such, and offer thanks to the Giver? If we shall live worthily through these twelve months we shall need divine as well as human help; why not dedicate ourselves and our families to doing the will of God, expecting His aid every step of the way? Let it be God's *brand New Year* and ours; may we be workers together with God.

Wolverines Take One Game On Road Trip

Apparently suffering from a bad attack of near-misses the Texico Wolverines dropped two and took one on their road trip the past weekend, Coach C. B. Stockton reported this week.

Meeting one of the strongest teams in the area on Thursday night, the locals dropped their opening match to Eunice, 34-26. However, the coach said, Texico was within striking distance of Eunice when only four minutes remained to play, trailing three points at that time.

Recovering somewhat, the squad bounced onto the Jal court and came out with a snappy 31-27 victory on Friday night, but went into a slump again on Saturday night to drop 20 points behind Rogers and lose, 41-21. "The boys just don't hit," Coach Stockton said dolefully on Tuesday, explaining that his players repeatedly got loose and in for apparently sure shots, only to have the ball fall away from the basket. "If we can overcome this, we'll make a good showing during the remainder of the season," he added.

Farwell Players Take Three Of Four Games

The Farwell Steers took their first conference loss last Thursday night at the hands of the Vega squad, but the girls handed their hostesses a good spanking.

Score for the girls' match wound up 19-35 as Dial and Newbill raced for scoring honors. Dial, of the locals, got 14, Newbill bagged 12 for the Vega squad.

With Harwell racking up 12 points the Vega team outscored the Steers some 16 points, 36-20. Potet was out in front in the Farwell scoring department, managing 8.

Playing at home on Tuesday night, both boys and girls trounced Grady, in non-conference matches.

Hitting the bucket for 22 points, Dial led Farwell to a 39-28 win, as Briggs sank 14 to pace Grady.

Final score for the boys' game favored the Steers, 25-42. Ford was high with 12, while Smith got 10 for Grady.

Portales, Dora Slated For Boys, Girls Will Play Field Tuesday

Portales and Dora are on the schedule for the Texico Wolverines this weekend, Coach C. B. Stockton said on Tuesday, while Coach Fern Stout reported that his girls would be idle during the weekend but would contact Field next Tuesday night.

On Friday night, two local boys teams—junior high and the Wolverines—are slated to make an appearance in the Portales gymnasium, and Coach Stockton is wishfully hoping to recoup some of the losses sustained over the past weekend.

Home contests come on Saturday night, when the strong Dora squads—two boys—will appear in the new Texico gymnasium. As this is the only series slated for the weekend, it is expected that the seating capacity will be filled.

The Texico Whirlwinds go out of town next Tuesday night, to play at Field, Coach Stout said, adding that Field is reputedly one of the weaker teams in the area and the locals are gunning for a quick win.

FARM BUREAU INSURANCE
Raymond Euler, Friona. 13-2tp

Adrian Teams To Come Here Next Tuesday

The strong teams from Adrian will appear on the Farwell cage court, next Tuesday night, January 24th. Coaches Jack Williams and Louis Purvis said today, while the local squads will be out of town on Friday night, playing the Whiteface aggregations.

Hottest interest next Tuesday is being devoted to the boys' contest, when the late tournament champs, Adrian, contact the Steers in a conference clash.

Featuring a fast and furious attack, beautiful ball handling and a better-than-most shooting average, Adrian has been plowing under opponents this year. Having bowed to the visitors in two invitation tournaments, the Steers are priming to take the conference match to settle the score.

The Farwell girls, who have handled themselves nicely during the season, are also hoping for a victory, although this is not a conference contest for them.

To Whiteface
The local gym is expected to be idle this weekend as both teams go to Whiteface for contests on Friday night, Coach Purvis said.

BOVINA GIRLS

(Continued from Page 1)

Randol led Farwell with 13, while Pounds had top honors with 21.

The Steers took the court for their initial match against Tahoka on Friday afternoon, and with all subs taking part, took an easy 44-16 win. Geries bagged 11 to lead Farwell, as Brice got 3 for Tahoka.

Hitting the semi-finals against their county rivals, Bovina, the locals trailed badly at the end of the first round, 1-6, came up to 9-13 at half and were still behind 16-17 as the last period started, but the fourth quarter scoring gave the locals a win over Bovina, 23-21. Terry hit the bucket for 15 of the Steers points, as Young got 1 for Bovina.

The Mustangs had advanced to the semi-finals by virtue of a first-round win over Littlefield, 41-24, and then played for third place, pounding Lorenzo in another hot one, 37-39.

The Farwell girls faced Littlefield in the first bracket and won hands down, 26-15. Score by quarters was 9-14, 17-11, 22-13 and 22-16. Randol had 8 for Farwell, McLean a like number for Littlefield.

Ousted in the championship race by Bovina, the locals took on New Deal and proceeded to go to town in third place rating, 38-22. First quarter count was 6-5, half gave Farwell a 17-7 edge, and at the end of the third canto the locals were out ahead 23-14. Grissom had 14 and Randol 12 for Farwell; Faubion got 11 and Arant 9 for the losers.

TEXICO GIRLS LOSE

The Texico Whirlwinds, playing on the Ranchvale court, Tuesday night, were edged out in a close 31-35 decision. Scoring had run fairly even during the game until the opening of the final quarter, at which time Ranchvale boasted a 14-point lead. Furious basketing in the last round, with much of the scoring being done by Patsy Engram, accounted for the close finale.

TOO MUCH RAIN

Mr. and Mrs. W. W. Hall returned home Monday from a ten-day visit with friends and relatives downstate. Their visit was cut short by heavy rains and high water in the Dallas area.

Deadline For Grain Sorghum Loans Near

Joe Camp, of the local PMA office on Tuesday called attention of farmers to the fact that deadline for applications of CCC grain sorghum loans is Tuesday, January 31st.

"Recently," he added, "I had told several farmers that the deadline had been extended to February 15, but I am informed that this was an error, and the deadline falls as previously announced, on the last day of January."

The local office is still being besieged with applications for grain loans, Camp added, stating that he would estimate, roughly, that the local crew had handled some 600 or 700 loans since the first of the year.

VA Land Appraiser In County Over Weekend

Jim Hutchins, of Amarillo, who serves as appraiser of this district on real-estate loan applications from veterans, was in Parmer County a week ago, checking on two prospective land deals, according to Lowde Brewer, county service officer.

Pending approval under the program are loans asked by Woodrow Glasscock and Andrew Wilson, Brewer said further. The Glasscock application asks for a purchase of 125 acres on unimproved land from the Glasscock estate, while Wilson is seeking to buy 100 acres of improved land which he will use as a home-stead.

The Glasscock property is located southeast of here near the Bailey county line, the Wilson land lies in the Lazbuddy community.

Following the visit of Hutchins, who declined to reveal any figures, Brewer said that he felt very encouraged the prospects of veterans loans. The two men whose appraisals were made during Hutchins' visit will receive word from the state office concerning their applications during the next 15 days, Hutchins revealed.

Brewer went on to state that the county still had on file a number of applications for purchase of land under the program.

Ag Supervisor Visits Texico FFA Group

J. L. Perrin, assistant state supervisor of vocational agriculture, was here from State College on Monday, January 9th, making his usual supervisory visit to the Texico FFA department.

During the day, Perrin inspected the physical work done around the school plant by the ag boys, under the direction of their supervisor, Fern Stout; visited a number of projects at the homes of the boys, and in addition, sat in on class sessions.

Supt. Agrie Jones reported that the supervisor was highly complimentary on the work done at the school by the FFA department, paying particular attention to the large amount of repair and improvement work the boys and their sponsor had accomplished in the revamping of a good deal of school buildings.

Perrin also made an extensive check of the project work of D. J. Brown, 16-year-old junior student at the school who is to be submitted as a candidate for State Farmer honors by the local department.

Brown, who is now in his third year of ag work, is carrying on comprehensive projects in dairy, livestock, swine, crops, poultry and general improvement, Stout explained.

BUILDING NEW HOME

Mr. and Mrs. W. T. Meeks have started construction work on their new two-bedroom home in east Farwell, which is located on 7th Street, south of the Henderson elevator.

The structure will be of frame and stucco construction, with garage attached.

Getting Estimates On Water Extension

Mayor Orval W. Francis said today that Texico officials were now getting estimates on the probable cost of making extensions on the water distribution lines in the city.

Plans for extending the water lines, and installing new and larger mains, were outlined by the Town Council at the January meeting. The plan under consideration now calls for a meter assessment against all consumers to pay the expense of the installations with the Waterworks Company advancing the money.

Mayor Francis said the amount of the assessment could not be determined until some estimates of the costs are in hand. "We are hopeful that an assessment of 50c per month will meet the needs," Francis said. Any assessment in excess of that amount would work a hardship on some of the consumers, in the opinion of the Texico Mayor.

The Town Council is hoping that all details can be worked out and the lines installed before the arrival of summer. Many consumers in Texico, especially those in the north part of town, were virtually out of water a great deal of the time last summer, due to the fact that many of the distributing lines are too small to accommodate the large number of consumers.

Garbage Disposal Fees Are Coming Slowly

Garbage disposal collections for the current year were coming in rather slowly in Farwell early this week, and at the same time, collections have been very good in Texico.

Arrangements have been made with Frank and Silas Jones to haul away the garbage in Texico-Farwell this year, the fee being 50c per month for residences and \$1.00 per month for business houses. Payment for a full year service is desired. Residents of Farwell should leave payments with G. D. Anderson, and W. L. Freeman is handling the collections in Texico.

The money will be disbursed as the service is rendered.

Nothing Known Here On Texico March of Dimes

Business and professional men of Texico, contacted this week, said they had received no information from the Curry County headquarters regarding the March of Dimes drive in the Texico district.

Supt. Agrie Jones stated Tuesday that he had expected to receive some containers for contributions at the school but thus far, nothing had arrived, and no contact had been made with him regarding the campaign. The same situation prevailed over the town, so far as could be learned.

Local Bank Retains Same Officers And Directors For 1950

At the annual meeting of the officers and stockholders of the Security State Bank of this city, held in the offices of the bank on January 10, all present officers and directors were re-elected for the year 1950.

In an interview Tuesday, G. D. Anderson, president, said that the past year was "very satisfactory" to all stockholders.

Officers re-elected were G. D. Anderson, president; L. S. Pool, cashier; Robert W. Anderson, assistant cashier; Iris Thornton, assistant cashier.

The retained directors are G. W. Brumley, J. A. Pitman, G. D. Anderson, Belva P. Anderson, Robert W. Anderson.

Garden Short Course Offered At Bovina

W. H. Spinks, director of vocational agriculture at the Bovina school, announced today that he would conduct a short course on vegetable gardening if ladies of the Bovina area interested.

A meeting will be held at the high school building on Monday night, January 23rd, to discuss the short course and formation of a garden club, and Spinks urges all ladies interested to be on hand at 7:30.

No Information Here On Census Supervisor

So far as The Tribune has been able to ascertain, there has been no one designated as census supervisor for Parmer County.

Supervisors for a number of the counties over the state have already been named, but local Democratic leaders said here today that they had not been approached on the subject. Such appointments are usually made through political channels, they said.

LEAK IN WATER MAIN

A leak in the six-inch water main along Avenue A in Farwell developed the latter part of last week, necessitating a repair job. Workmen had to tear up the pavement to get to the trouble.

Poll Tax Payments Picking Up Here

A decided upturn in the issuance of poll tax receipts at the tax collector's office was noted here the first of the week, with "better than 1200" being reported by attaches at the office.

Local residents estimated that the poll tax payments this year would reach 1600 before the deadline on Jan. 31. Last year, an off-election year, saw more than 1300 voters paying their polls in this county.

With important elections coming up in 1950, the number is expected to increase considerably.

Remodeling Almost Complete At School

Remodeling work on the old Texico school gymnasium, which is being converted into class rooms, is almost complete, Supt. Agrie Jones said on Tuesday.

Jones added that it had been hoped that the building could be occupied this week, but illness among the workmen, most of them volunteers, delayed the project.

Two good-size class rooms, auditorium space and office quarters are being revamped out of the old gym, which was recently replaced by a modern structure on the campus.
