

Divorces Prominent On Court Docket

FROM THE HOPPER

By HOP

We saw a local merchant receiving his first shipment of fresh garden seed the latter part of last week. Unseasonal warm weather the past several days would lead one to believe that gardening time is just around the corner, but the calendar informs us that we have February and March yet to go through, and it is fairly certain that we are yet due for some cold weather before the grass begins to rise. Temperatures in the high 60s and into the 70s don't sound like January, but readings of this kind have been common over a great deal of the country during the month of January.

The million-dollar Boston robbers were probably influenced by figures they were seeing in the papers every day under a Washington date line.

The way Ben Smart is branching out in the furniture business is giving several of the Texico merchants some concern. They are wondering if Ben might rent or buy their buildings out from under them in order to make more storage room. At the present writing, Ben has furniture stored in five buildings and is reported to be looking for additional room.

Thanks to a number of our subscribers who have taken time to send us in news items during the past few weeks. If more of our readers would take time to inform us about news concerning themselves or their visitors it would be an easy matter to have a more newsy paper, and our readers would be happy to see many of the items that otherwise would be overlooked. Naturally, we want the news while it is new, and not after it has been handed into another newspaper.

Jim's Cafe will feature coffee at ten cents a cup on Friday, with all the proceeds going to the March of Dimes. A very commendable move, we'd say.

That new typesetting machine, purchased last fall, has arrived, and we hope to get it installed over the weekend. This will give us two Linotypes, which is something of which very few small weekly newspapers can boast. What strides the printing industry has made since we first began sticking type! We can remember when five to \$800 would outfit a small weekly newspaper with everything needed to issue a good weekly. Today a single typesetting machine costs five to \$15,000. A small newspaper plant now, properly equipped, will cost not under \$10,000. Go into any town you may choose, and you will find that the money invested in the town's newspaper represents one of the heaviest investments in the town. And then some people can't understand why the publisher has to get two bucks for a year's subscription.

Jefferson Announces For Commissioner

C. H. (Charles) Jefferson of Bovina today authorized The Tribune to announce his candidacy for the office of County Commissioner of Precinct No. 2.

Jefferson has been a resident of Parker County for the past 30 years, and for the past 22 years has operated road maintainers in the county. His first job was covering the entire county, later he was assigned two precincts, and at present his duties are confined to only one precinct.

Mr. Jefferson came from Hall County, Texas, and homesteaded in New Mexico in 1910, moving to Parker County in 1920, locating in the Rhea community where he lived for three years before moving to Bovina. He is 50 years old, has a wife and two children, both of whom are students in the Bovina school.

This is the first time he has even sought public office, but feels that his 22 years of experience as operator of road maintainers qualifies him for one of the most important duties of county commissioner. He will appreciate any consideration shown his candidacy in the Democratic primary election in July.

Serve stew in a noodle ring made by packing cooked noodles in greased mold for two minutes, then turning out on a chop plate.

Divorce cases predominate on the first 1950 district court docket as Judge E. A. Bills, of Plainview, opened the year with his initial visit to Farmer County today (Wednesday).

Court opened at 10 o'clock this morning with Judge Bills on the bench and only non-jury cases were slated to be handled.

On the civil docket at present are the following:

Ellen D. Keith vs. Elmer L. Keith, divorce.

Miles Thomas vs. Eula Thomas, divorce.

Ralph Palmateer vs. J. G. Palmateer, TTT.

Doris Williams vs. Katherine Williams, divorce.

Lottie Mae Boatman et al vs. Geo. H. Sasser, damages.

Lorena Capps vs. Benjamin F. Capps, divorce.

Floyd L. Stowers vs. Laurine Stowers, divorce.

L. E. Meeks vs. Mattie D. Hudson, et al, TTT.

T. G. Hudson vs. J. N. Jones, et al, TTT.

L. Vina Osborn, executor for H. W. Osborn, vs. William H. Rose, et al, TTT and damages.

L. D. Knight vs. Alta Faye Knight, divorce.

Mary Sudderth vs. Leon Sudderth, divorce.

Poll Tax Payments Take Another Slump

Poll tax payments in Farmer County took another nose dive over the past week, with only a few receipts being issued over the period.

Up until Tuesday noon 1313 poll tax receipts had been issued through the local collector's office, which was a rise of only 20 during the week. Attaches at the collector's office speculated that "around 1600" receipts would be issued before the deadline Jan. 31, which would indicate that they are preparing for a brisk business during the next four days.

The year of 1950 promises to be an important election year, and citizens are not allowed to vote in Texas without a poll tax receipt or an exemption certificate.

New License Tags Go On Sale February 1

License plates for 1950, for Texas-owned vehicles, will go on sale on Wednesday of next week, February 1, Mrs. Bess Mansfield, deputy collector at the office of Sheriff Chas. Lovelace, said today.

The new tags, black with gold letters, arrived at the office of the collector on Friday of last week. A two-month buying period will be observed again this year, and operators may attach the tags as soon as they are purchased. However, the deadline for sporting new 1950 tags does not come until April 1st.

Instead of the familiar "AU", Parker County has a new designation this year, it was revealed. The first car tag will be BD2300, with the numbers running through 4049; commercial plates begin at ME2300, running through 2549; farm license tags start at RD3100, through 3949.

No changes have been made in the cost of the tags, which in Texas is based on the weight of the vehicle to be licensed.

Revival Begins For Pentecostal Holiness

Sunday evening services will begin a two-week revival at the Bovina Pentecostal Holiness church Jan. 29, it was learned the first of the week. The Rev. Fred Jones of Oklahoma City has been secured for evangelistic work, the report said, and services will begin nightly at 7:30.

UNDER TREATMENT

Mrs. C. H. Whitner of the Pleasant Hill community and her daughter, Mrs. Donald Watkins of this city, are in the Abell Hospital in Lubbock, where they are under treatment. Mrs. Whitner expects to be able to return home shortly, while Mrs. Watkins is scheduled to remain for another month.

Mrs. H. (Ma) Ross, of Texico, was admitted to Northwest Texas Hospital in Amarillo, the past Saturday, where she underwent minor surgery. She was released to return to her home, Sunday afternoon.

PMA Allocations Increased for 1950

School Youngsters Aid March of Dimes

Cooperating in the annual March of Dimes campaign, Farwell school students are this week taking home cards to be filled with dimes, and letters to their parents, asking additional contributions, Supt. Jack Williams said Monday.

"Each student in the school will receive a small card which can be filled with five dimes," Williams said, "and we are hopeful that each youngster will bring in a full card. In addition, letters are being written to the parents, asking that the cards contain contributions from the children and that they—the parents—give their personal donations to the children to turn in to the fund at the school."

With the worst polio season ever known just a summer past, treasuries of the National Foundation and local chapters have been almost depleted and only generous contributions on the part of every individual will put sufficient money on hand to pay the current bills and leave some funds to take care of the 1950 cases, Loyde A. Brewer, chairman of the county drive, has explained.

A benefit held at Lazbuddy last weekend netted some \$200 to be turned in to the campaign fund, Brewer has been informed by Supt. Archie Sims, who served as chairman in the Lazbuddy community, and the Friona Girl Scouts were making contacts over that city Saturday.

The Rhea community is planning its annual benefit for Friday night of this week, Jan. 27, at which time a box supper will be held, and Mrs. Paul Koeltzow, Rhea chairman, urges cooperation on the part of all residents of the community.

Across the line in Bailey county, to the north, the West Camp community is inviting the public to a special drive Thursday night, Jan. 26, at the conclusion of which free-will contributions will be asked for the March of Dimes. Mrs. Austin Jones, chairman of the drive in the West Camp community, urges a good attendance at the benefit, which will be staged in the Baptist Church.

Clovis, Portales Lions Sponsor Chartering Of Texico-Farwell Group

Seventy-nine Texico-Farwell Lions Club members and their wives will be hosts to representatives of the Portales, Muleshoe and Clovis chapters, Thursday night at 7:30 in the Legion Hall, for the formal chartering of the local organization.

Supt. Agrie Jones, president of the organizing Lions, expressed his desire to have all members to be present with their wives. Some misunderstanding concerning persons expected to attend had arisen, he said, and emphasized the fact that the ladies are invited.

"We have 79 paid members in the club," he explained, "and if they bring their wives, we may expect between 150 and 160 on hand for charter night, in addition to about 50 guests from neighboring clubs, so our total will be near 200. We are preparing the banquet for that number and an attendance drop will leave us with a lot of unconsumed food."

The Portales Lions have charge of ceremonies for the evening, and presiding will be Doc Ccover of Clovis, who is deputy district governor of District 40.

The banquet will be prepared by ladies of the Wesleyan Guild, Jones disclosed.

Mrs. Roy B. Ezell Deputy Treasurer

Acting on the suggestion of County Treasurer Roy B. Ezell, the Commissioners Court named Mrs. Ezell deputy treasurer in an action taken Monday.

Mr. Ezell is convalescing at his home in Farwell after receiving treatment in Lubbock, and is unable to give his full time to official duties. Mrs. Ezell has been assisting her husband with the work for some time.

Other action of the Commissioners Monday included payment of current bills.

COUNTY CLERK ILL

County Clerk Loyde Brewer was off duty the first of the week, due to illness which kept him confined to his home.

Roberts Seed Co. Opens New Elevator

The completely new grain elevator of Roberts Seed Company in Texico, which has been under construction for the past several weeks, was put in operation last Saturday.

Built at a cost of \$75,000, the new elevator is composed of seven concrete tubes that have a capacity of 250,000 bushels of grain. It is located west of the original Roberts holdings and will be operated separately from the original plant.

With the addition of this new plant, Roberts will have a storage capacity of 425,000 bushels in Texico, besides the 650,000 bushel flat storage used for sacked grain. Other elevators at Clovis and Portales operated by Roberts have a capacity of 150,000 bushels and 10,000 bushels, respectively, giving the local concern an overall storage capacity of 675,000 bushels exclusive of the Texico warehouse used for sacked grain.

Truckers began Saturday moving to the new elevator immense piles of threshed grain that have been piled on the ground near the plant.

Oklahoma Lane Takes Lead In March Of Dimes Drive Monday Night

Featuring a double-header basketball game between grade teams of Farwell and Bovina, and a group of male musicians from Wayland College at Plainview, the Oklahoma Lane community contributed \$113.75 to the March of Dimes campaign Monday night.

Rev. A. D. Moore, Rev. J. J. Terry, and Shelby Jobs, who were in charge of the Oklahoma Lane drive, were elated when informed that this was the best showing made thus far in the March of Dimes drive.

Arganbright Sale Booked For Jan. 31

A. S. Arganbright, living 4 miles south and 3 miles west of Texico-Farwell, has advertised a public farm sale Tuesday, Jan. 31, which will be conducted by Col. Dick Doshier, local auctioneer.

A large list of farm machinery, including three tractors, will feature the sale. Also to be offered at public auction will be 16 head of milking stock, all TB and Bang's tested; 28 head of hogs, and 175 chickens, in addition to a large list of miscellaneous items.

The Fairfield ladies club will serve lunch at noon and there will be plenty of free coffee. O. W. Francis and Jack Spurlin will act as clerks, and terms will be cash.

Seeks Re-Election As Commissioner Prct. 1

E. R. (Emmett) Day of Friona this week authorized The Tribune to announce his candidacy for re-election as County Commissioner of Precinct No. 1. Day is concluding his first term in office, and said if re-elected, he will do his best to conduct the office in the manner the people desired, using experience gained in the past two years to the best of his ability.

"I always appreciate your suggestions," Day said, "and through this means we can have a more representative government."

"Your consideration of my candidacy at the polls will be appreciated," he said.

Jan. 31 Is Final Date For Grain, Wheat Loan

Tuesday, Jan. 31 is final day for Farmer County farmers to apply for grain sorghum and wheat loans, announced Joe Camp, PMA secretary, this week. Local grain men expressed the opinion that there were still large amounts of grain in Farmer that had neither been sold or placed in government loan.

ADVANCED WORK OFFERED

Academic work leading to the doctor of philosophy degree will be offered at Texas Technological college beginning in September, 1950.

Chamber Of Commerce Meets At Legion Hall

President C. M. Henderson has called a special meeting of the Farwell Chamber of Commerce to meet tonight (Wednesday) at the American Legion Hall, at 7:30. Plans for the coming year, including the election of officers, will be taken up. All members are urged to attend, bringing with them sandwiches, beans and pies for a light lunch.

Former Bovina Man Dies In Denver

Funeral services for A. J. Jones, former Pleasant Hill and Bovina resident, were conducted at the Charles V. Steed Memorial Chapel in Clovis Tuesday afternoon, and burial took place in the Pleasant Hill cemetery.

Jones, who would have been 76 years old his next birthday, died at his home in Denver, Colo., following a long illness. The remains were shipped here for burial.

Mr. and Mrs. Jones came to this country from Illinois and settled a homestead in what later became the Pleasant Hill community in 1906. In 1928, Mr. and Mrs. Jones went to Bovina, where they operated the Bovina Hotel until 1944, moving to Denver shortly after retiring from the hotel business.

Besides his widow, he is survived by four daughters, Mrs. Bertha Cranfill and Mrs. Ollie Jacks, Burbank, Calif., Mrs. Anna Henry, Craig, Colo., and Mrs. Edith Green, Santa Fe; three sons, John D. Jones, Fairfield, Ill., Ernest Jones, Durango, Colo., and Jesse H. Jones, Denver.

Jones is also survived by 13 grandchildren and five great-grandchildren.

Acting as pallbearers for the services were six nephews, M. E., Virgil, Lewis, Glenn, Pearl, and Ray Singletary.

Brewer Is Candidate For County Clerk

The Tribune is authorized this week to announce the candidacy of Loyde A. Brewer, present incumbent, for re-election to the office of County and District Clerk of Parker County, subject to the Democratic primary election.

Making his announcement, Brewer issued the following statement:

"In announcing my candidacy for re-election to the office of County and District Clerk, subject to the action of the Democratic Primary, I wish to thank the people of Parker County for the honor they have bestowed upon me in the past in allowing me to serve them in that capacity. Should you see fit to re-elect me, I pledge my every effort in continuing to discharge the duties of the office to the best of my ability."

LOYDE A. BREWER.

Bovina Star Route Granted Extension

Extension of the star mail route that now operates out of Bovina has been authorized by the Postoffice Department, to become effective on Feb. 1, Postmaster Eugene Ezell of Bovina has announced.

Ezell said 16 more miles have been added to the route, principally in the Joe Reisinger neighborhood near the state line, and will bring mail service to 12 additional rural families.

In addition to bringing service to the increased number of patrons, Postmaster Ezell said many of the present patrons would be given better service in that they would be closer to the route. Harry J. Charles is carrier on the route.

BENEFIT DANCE

Big Edd Hardage and his musicians are donating their services for a benefit dance to be held at the Priboth Roller Rink near Muleshoe Monday night, Jan. 30. All proceeds of the dance go to the March of Dimes fund.

Noting an increase of "about \$25,000" over 1949, Joe Camp, secretary of the Farmer County PMA, announced that the 1950 allocation would total \$156,000. This money will be paid Farmer farmers for soil building practices, provided they work under prior approval from the office, Camp said.

Eighteen practices were selected by the County Committee, with the assistance of County Agent Ollie Linder. They are as follows:

1. Construction of terraces with necessary outlets and waterways.
2. Construction of diversion terraces to control excess water.
3. Subsoiling to permit better penetration of water.
4. Leaving the stalks or stubble of sorghum and millet on the land as a protection against wind erosion.
5. Managing crop residues to protect soil from wind erosion.
6. Contour listing, contour chiseling, cross slops chiseling, pit cultivation, or chiseling not on the contour.
7. Contour seeding drilled grasses, legumes, or small grains.
8. Control of bindweed.
9. Leveling for irrigation land for which water is available.
10. Reorganization of a permanent farm irrigation system to conserve water and prevent erosion.
11. Drilling or digging wells for livestock water.
12. Construction of earthen dams or reservoirs for livestock water or erosion control.
13. Application of potash and phosphate.
14. Growing a green manure or cover crop of summer legumes.
15. Increasing the total farm acreage or biennial and perennial legumes and grasses.
16. Establishing a satisfactory cover of winter legumes and ryegrass seeded in the fall of 1949.
17. Farrowing or chiseling non-cropland.
18. Establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes, or mixtures of grasses and legumes.

In advising farmers on the use of the plan, Camp again stressed importance of securing prior approval of the County Committee before starting a soil improvement practice.

Judge Smith Seeks Return To Office

The State Line Tribune has been authorized to announce the candidacy of County Judge A. D. Smith, who seeks re-election to the office he now holds. In making his statement, Judge Smith issued the following:

In support of my candidacy for County Judge of Parker County, Texas, I submit the following:

I have lived in Parker County for eighteen years, was born and reared on a farm in Johnson County, Texas, near Grand View, graduated from high school in Grand View, Texas, and attended the University of Texas for two years, taught school in Johnson County, Texas, for two years, then came to New Mexico and taught school.

I lived at Ft. Sumner, De Baca County, New Mexico where I taught school for ten years, and was County Superintendent of Schools of De Baca for four years. I was Superintendent of Schools at Melrose, Curry County, New Mexico. I went to school in New Mexico and graduated from the Normal University, now Highlands University, at Las Vegas, New Mexico, with an A. B. degree.

At the close of my second term as County Superintendent at Ft. Sumner, I attended law school at Cumberland University, Lebanon, Tennessee, graduated at this university with the degree of Bachelor of Laws, took the State Bar Examination at Austin, Texas, and received license to practice law in all courts of the state of Texas.

I commenced practicing law at Friona, Parker County, Texas October 1, 1931, and practiced law there for five years, then was elected County Attorney of Parker County and served in this position until May 1, 1945.

Since this time I have served as County Judge and Ex Officio County Superintendent of Parker County, devoting my entire time to the duties of the office, and would appreciate your support for the coming term.

Respectfully yours,
A. D. SMITH

Mrs. Edward Engram, living 3 miles southwest of Texico, entered Clovis Memorial hospital Wednesday morning, where she is scheduled to undergo major surgery.

Health Note

Texas State Department of Health

AUSTIN—We do not all grow, develop, mature—nor do our organs degenerate—at the same rate, says Dr. Geo. W. Cox, state Health Officer.

"Today, a man of 60 may be as young, vigorous and vital as the average man of 40. On the other hand, he may look and act like a man of 80, old, weak, and miserable. A man of 60 may have a 40 year old heart, 50 year old kidneys and an 80 year old liver.

"The physical changes which come with age alone are not entirely decline, either. Speed of reaction does diminish, but endurance increases in certain capacities. As speed declines, skill is increased with practice, and as strength declines, judgment increases. Automobile driving ability, for example, improves from 24 to 43 in the average individual, and at 65 is superior to that of the 20's.

"Normal human beings can grow mentally at any age. The worst of all old-age diseases is neglect. Many factors that help make a healthy, happy old age are (1) eating right; (2) regular physical examinations and (3) keeping physically and mentally active without overtaxing. There is a rapidly growing branch of medicine, known as geriatrics, that specializes in disease and conditions of the ageing.

"Don't wait until you deteriorate—consult your physician now!"

POLITICAL ANNOUNCEMENTS

The State Line Tribune is authorized to make the following political announcements, subject to the action of the Democratic primary election in July:

For District Judge, 64th Judicial District: ROBT. (BOB) KIRK

For Sheriff, Tax Assessor-Collector: CHAS. LOVELACE (Re-Election)

For County and District Clerk: LOYDE A. BREWER (Re-Election)

For County Judge: W. L. EDELMON A. D. SMITH (Re-Election)

For County Commissioner, Pct. 2: C. H. (CHARLES) JEFFERSON

For Commissioner, Precinct 1: E. R. (EMMETT) DAY (Re-Election)

School Board Members Should Keep Abreast

AUSTIN—The state's 13,000 school board members should be kept as well informed about educational trends as teachers, says University of Texas Educational Administration Professor A. L. Chapman.

Better-informed school board members can establish a climate for improved education by functioning efficiently as lay policy-making bodies, he asserts.

To strengthen and unify board members, Dr. Chapman recommends their joining the Texas Association of School Boards, a section of the Texas State Teachers Association for in-service education.

Dr. Chapman, director of the University of Texas Bureau of Research in Education by Radio, is also executive director of the Texas Association of School Boards and will edit the "Texas School Board Newsletter".

WORLD CITIZEN BESIEGES GERMANY . . . Garry Davis, son of American orchestra leader, Meyer Davis, who gave up his American birthright to become a "citizen of the world," is attempting to get permission to enter Germany. He is explaining his views to Ken Zumwalt, managing editor of the Stars and Stripes. French officials refused to permit Davis to cross the border without proper authorization. The allied control commission for Germany refused Davis an entry permit.

Diphtheria Topic Of Discussion By County Health Officers

Sporadic cases of diphtheria have occurred in the Panhandle the past two weeks, Dr. Paul L. Spring, of Friona, Parmer County Health Officer, said today adding that the disease is preventable and there is no reason for allowing it to occur in Parmer County.

"If your child is over three months old and has not yet been immunized, this should be done at once," Dr. Spring stressed. "If there is any doubt about your child having adequate protection a Schick test should

be made."

The incubation period of diphtheria is short, usually between two and five days. During this time there is nothing by which a diagnosis can be made. The onset of the disease is accompanied by a little soreness of the throat and an initial temperature of from 101 degrees to 104 degrees. If seen early, the throat shows slight redness followed by a gray or white deposit on the tonsils. This membrane remains on the tonsils from three to seven days, a shorter time if antitoxin is given, however, the membrane may spread over the entire throat. Obstruction of the throat may occur and hemorrhage from the nose is not infrequent. In severe

cases the pulse is feeble, rapid and irregular. Also, nervousness, restlessness and excitement occur. Anemia and muscular weakness develops. Heart action is feeble and the illness will persist for several weeks. Diphtheria resembles many other

types of respiratory infections and is difficult to diagnose early. Prevention is simple and the disease is one of the most severe that a child can endure. "If your child is not protected, see your family physician as soon as possible," Dr. Spring urged.

NEW Lower-Priced Hudson
PROVES YOUR DOLLAR BUYS MORE TODAY!

"Step-down" designed Hudsons leaders in resale value! Let us show you, in figures from Official Used Car Guide Books of the National Automobile Dealers Association, that Hudson is a leader in resale value, coast to coast!

New Pacemaker with exclusive "step-down" design brings you
THE MOST ROOM!...BEST RIDE!...GREATEST SAFETY!

IN A FLASH you'll know Hudson has put real meaning into the word "value"!

For you instantly see that Hudson's new, lower-priced Pacemaker is the most beautiful and the lowest-built car of them all! Free-flowing design telegraphs the fact that it has the lowest center of gravity in any American automobile. You quickly see, too, that this new member of the Hudson family has full road clearance and more head room than in any mass-produced car built today—thanks to "step-down" design with its recessed floor.

You know instinctively that, as a result of this exclusive low-built design, the thrilling Hudson Pacemaker hugs the road more tenaciously and is therefore

America's best-riding, safest car!

And through "step-down" design and ingenious use of space that is wasted in other makes of cars, this compact automobile of normal exterior width brings you seat cushions that are up to 12 inches wider than those in cars of far greater outside dimensions!

In just a few minutes behind the wheel, you'll discover, too, that the new high-compression Pacemaker engine is a lightning-like performer . . . with saving ways.

So, accept our invitation to inspect the lower-priced Pacemaker soon . . . to drive it soon . . . to prove to your own satisfaction that, in Hudson, your dollar buys more today!

Simplify Home Chores Advises A&M Specialist

COLLEGE STATION—Home demonstration club members in eight central Texas counties know that homemaking chores can be made easier, because they are using simplified methods in their own homes. They have studied each job, step-by-step, and have then used this information to work out the simplified, time and labor saving methods they now employ.

Last winter, says Bess Edwards, extension district agent, several leadership training schools were held in her district by the home management specialists of Texas A. & M. College for the purpose of training home demonstration agents and work simplification leaders from the local clubs. These local leaders in turn held meetings and gave demonstrations in their clubs for the other members and before the year was over a lot of things had been done.

In Hood county, the 17 trained leaders held demonstration meetings in seven different communities with 210 women attending. Their work was featured by the county home demonstration council when a float on work simplification was entered in a county-wide reunion parade. It was a winner. They have simplified such household chores as ironing, dish washing, bed making and the ar-

rangement of utensils in the kitchen.

As a result of the training program in Hill county, more than 250 women have turned out new methods for doing at least one house keeping job. The trained leaders gave demonstrations to 578 women in the county. They included in their work the home laundry, portable shelves for the kitchen cabinet, rearrangement of sewing centers, ironing aids, and many have rearranged their kitchen equipment to save steps and labor.

In McLennan county, emphasis has been placed on better arrangements for the home sewing center, bringing the pressing equipment into the center and organizing the garment construction job in an orderly manner to save time and unnecessary handling.

Simplified methods have been used by 496 home demonstration club members. Twenty-five families have improved or added a business center to their home. To save time in setting the family table, women have learned how to make and use metal trays. The local county home demonstration agent conducted a training school for 38 leaders and the result—334 trays have been made.

The 40 women and 4-H girls who were trained in work simplification in Palo Pinto county through demonstrations have trained 302 others. Their program has featured better and easier ways to do the family ironing, converting a baby buggy in-

to a cart that is used to make transporting and hanging the family wash a less back-breaking job and adding and rearranging the kitchen cabinets.

Work simplification methods have been applied by 143 Bosque county homemakers to their household jobs. Five families have added business centers; 12 have assembled and are using household kits, and six have added wide ironing boards to their home equipment.

In Falls county, kodachrome slides have been made of the kitchen improvement work carried out by Mrs. A. E. Guderian of the Satin community. She is a local club demonstrator. The slides were shown, as the feature, at the annual community achievement program. They have been used in other communities in the county to show what can be done when jobs are tackled in a systematic way.

Miss Edwards reports that the program has been well received and that plans have already been made to continue and expand it during 1950. She says the time and labor saved as a result of the program has made it possible for the women to participate in many community activities and it all adds up to better rural living in extension district eight.

FARM BUREAU INSURANCE Raymond Euler, Friona. 15-tfc

Farmers Should Consider Home Heating Problems

COLLEGE STATION—New home construction and remodeling in rural areas is expected to continue about the present rate, and coupled with home building comes another important consideration—home heating. W. S. Allen, extension agricultural engineer of Texas A. and M. College, says there is now available a new 24-page illustrated booklet, "Your Farmhouse—Heating," that should be of special interest to families who plan to build new homes and to those who are remodeling or replacing old heating systems in their present homes.

New developments in home heating equipment are discussed in the booklet and include such systems as baseboard radiations and panel heating. There are also sections on fuels, burners, and automatic controls with information the householder should have in mind when discussing plans with the local dealer.

The first step in installing heating

equipment is to consult a competent heating contractor, says Allen. Proper installation is a key to comfortable and economic heating and equipment should be bought that has been designed specifically for the fuel to be used, continues Allen.

Coal or wood burners can be converted to oil or gas but they usually do not have sufficient heating surface for efficient heating. Those who plan to burn oil but may later want to convert to a solid fuel will be wise to start with a coal-burning unit. Coal and wood require a larger fire pot than oil or gas.

If you are buying a boiler, which is required for all hot-water, steam, or vacuum systems, look for the rating stamp. Cast-iron boilers are

Special Farm Meeting To Be Here Feb. 10

An all-day meeting of interest to all Parmer County farmers will be staged Feb. 10 in the district courtroom in Farwell, announces County Agent Ollie Limer. Limer said several specialists will be on hand to discuss problems dealing with soil fertility, fertilizing crops under irrigation, weed control, and wheat production.

Limer briefly outlined the program and named specialists who will lead discussions on the problems. Among them are Duke Thornton, A. & M. fertility expert; Ed Bush, irrigation; Guy Carpenter, A. & M. entomologist; C. E. VanDoren, Amarillo experiment station, soil conservation; and R. E. Karper, Lubbock experiment station.

Limer said he was expecting over 100 Parmer farmers to attend the meeting. "This group of specialists is a team now completing a five-county circuit," he explained. The meeting will begin at 9 a. m. Further details will be carried in next week's Tribune.

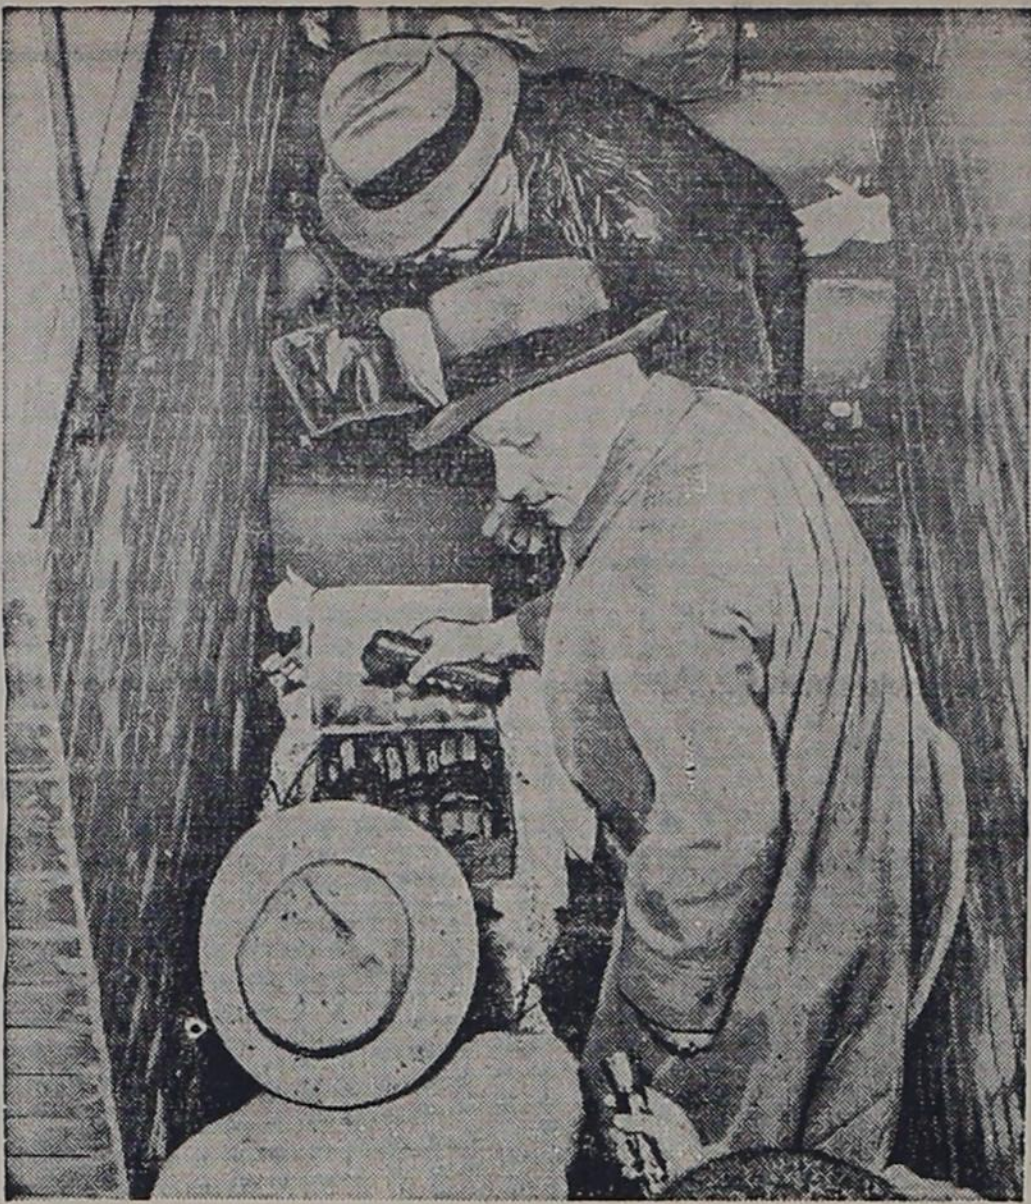

GRASS FIRE EXTINGUISHED

Volunteer firemen of the Texico-Farwell Fire Department responded to a call Tuesday afternoon to extinguish a prairie fire two miles west of Texico near the home of C. D. Houghtling on the Clovis highway. Persons attempting to snuff the blaze had summoned the fire department when it became likely that high winds might spread the flames. The fire burned off several acres of grain stubble, but little damage was done.

BACK FROM N. C.

Mr. and Mrs. D. W. Carpenter returned home the latter part of last week from a trip to their old home in North Carolina, where they spent several days visiting with old friends and relatives. This was their first trip back to their home in ten years. Carpenter said there was evidence of plenty of high water along the route after hitting Arkansas, but they were not held up by the floods.

Many of the major sports employ the use of a ball. Football, baseball, tennis and basketball are examples. But none is used in badminton, boxing, wrestling, fencing and ice hockey.

REPORTER'S TIP REVEALS DYNAMITE PLOT . . . Inspector Albert C. Langtry and other Detroit police officers examine contents of a box holding 39 sticks of dynamite planted in stairway of U. A. W. headquarters. The plot was discovered following a tip to police by a Detroit Times reporter. The bomb apparently was meant for Walter Reuther, president of the U. A. W. Anonymous caller informed the reporter the explosive was planted "when the big guy was in the building."

New Classrooms Added For Texico Schools

By dividing the old gymnasium into three departments, two new classrooms and an auditorium 60x50 feet have been obtained for the Texico schools, announces Agrie Jones, superintendent.

Jones said the new rooms would be used chiefly for high school students, furnishing them a home room for gatherings and assembly. Previously, the grammar school was maintained in the same building with high school pupils, he explained, producing a state of congestion.

With the remodeling, all upper classmen will assemble in the new auditorium each morning and will go to classes from that point. Additional classrooms will house about 30 each, the superintendent said, and will be used for high school studies.

The gymnasium floor has been partitioned at the two-third mark, with the stage remaining at the front of the assembly room and the classrooms at the rear of the building.

All bleachers from the old gymnasium have been re-installed, and will seat around 250. In addition, 375 chairs will be placed around tables on the floor.

The move had been planned for some time, Jones said, but was delayed because of conflicting activities.

TURN IN LISTS

Col. Dick Doshier, local auctioneer, today urged all persons to turn in their lists for the big public auction to be held in Farwell Tuesday, Feb. 6. He said that listings could be left at his office, at Mary's Cafe or at The Tribune office. The bills will be printed Saturday of this week, Doshier said.

Former Student Named 'Airman Of Month'

Corporal Robert D. May, a graduate of the Texico high school and the son of Mr. and Mrs. Denver May, formerly of Texico and now of Pomona, California, was named as "Airman of the Month" last November at Johnson Air Base, Tokyo, Japan, it has been announced here.

Cpl. May has been in the Air Force about two years and has been stationed in Japan since last March. At Johnson Base, he is a member of the 40th Fighter Squadron of the 35th Fighter Wing, as a jet plane mechanic.

The base commander's letter of commendation to Cpl. May stated he was selected for demonstration of high qualities of leadership, and in recognition of his title, he was invited by high ranking officers to take a position with them as they reviewed the base's some 5000 airmen at a dress parade last November.

Prior to his assignment in Japan, Cpl. May received technical training at Chanute Field in Illinois and was stationed at Lackland Field, near San Antonio.

BLAIN SELLS INTEREST

Ed Blain announced today that he has sold his interest in the local firm of Sheets & Blain, blacksmiths and welders, to Harry Sheets, who would continue the operation of the business with his father.

Mr. and Mrs. Blain have purchased a small stock farm near Joblin, Mo., and plan to move there in the near future.

OLD TIMER VISITS HERE

Mrs. Hugh Lee, who was the former Mrs. Ben Wiggins, now living at Hereford, was here renewing acquaintances last Thursday. Mr. and Mrs. Wiggins lived here in the property now occupied by Mr. and Mrs. Roy B. Ezell many years ago, leaving here in 1918.

SPECIAL MEETING

Walter J. O'Neil of the Matheson Chemical Company, will be at the Farmers Supply in Texico on the evening of Jan. 26, at 8:15 p. m. Mr. O'Neil will show slides and charts on all kinds of fertilizers. He will also conduct a question and answer period to discuss your problems. 14-2t

4-H Clubbers To Leave For Fort Worth Show

Representing Parmer County 4-H Club, four members and Walter Verner, Oklahoma Lane farmer, will accompany County Agent Ollie Limer to Ft. Worth this week to attend the annual Fat Stock Show. The boys are James Tidenberg, Jerry Gleason, and Charles and Donald Ray Verner. The group will leave here Friday morning with 13 Hampshires, Chester White, Duroc, and Poland-China hogs which they intend to enter in competition at the show.

Limer said this would be the first time Parmer County had entered exhibits in the show. The group plans to be gone one week.

In 1841 the Brook Farm experiment was a socialistic community founded at West Roxbury, Mass.

Social Events of Interest

Miss Martin Is Bride Of Harry Sheets

In an impressive candlelight ceremony, before an improvised altar of white and beneath an archway of greenery with white ribbons, Miss Alta Faye Martin, daughter of Mr. and Mrs. W. E. Martin of Farwell, became the bride of Harry Sheets, son of Mr. and Mrs. E. W. Sheets, also of Farwell. Minister Ebb Randol, pastor of the Church of Christ in Muleshoe, read the double-ring home ceremony, with nine tapered candles furnishing a soft light, as Mrs. Race of Clovis, friend of the bride, furnished appropriate nuptial music.

The bride was lovely in a street length dress of white nylon crepe with a lace yoke, featuring a fitted bodice and accessories of navy blue and white. She carried a white Bible on which rested a spray of pink rosebuds with white ribbon streamers.

Mrs. Freda Locker, sister of the bride, was matron-of-honor, being attired in a lime green crepe dress with brown accessories. She wore a shoulder corsage of pink carnations. Miss Pauline Martin, another sister of the bride, was chosen as bridesmaid and wore a yellow satin dress with brown accessories and a matching corsage of the matron-of-honor.

Bill Vickers of Clovis served as best man, while Duane Martin, brother of the bride, lighted the candles. For her daughter's wedding, Mrs. Martin chose a purple faville and wore a corsage of white carnations, while Mrs. Sheets, mother of the groom, was attired in a navy blue crepe dress with a white carnation corsage.

Immediately following the ceremony a reception was held at the home of the bride's parents in the dining room, with the bridal party and immediate families attending. After the two-tiered wedding cake which carried out the chosen colors of the bride—lime green and yellow—had been traditionally cut by the bride and groom, cake and spiced tea were served to attendants.

Following the reception the couple left for a week-long honeymoon trip to points in New Mexico.

For her going-away suit, the bride chose a brown gabardine with matching accessories, and wore a pink rosebud corsage that she had carried atop the Bible.

Mrs. Sheets graduated from Farwell high school with the class of '49, while Sheets was graduated in 1948 from the same school. After graduation, Sheets served one year in the Navy, and was released January 5.

Lemmons-Cheever Vows Solemnized, Monday

Mrs. Ilene Cheever and Cecil Lemmons, both of Clovis, exchanged wedding vows the past Monday night, January 16th, in Portales. The simple ceremony was performed in the home of the Roosevelt County Judge.

Mrs. Lemmons was attired in a Kelly green suit with contrasting black and white accessories. She is the former Ilene Watkins, daughter of Mr. and Mrs. W. C. Watkins of Clovis, former Texico residents.

The couple left for Denver, Colorado, Friday, for a brief trip and attended the National Chinchilla convention in that city the first of the week.

Lemmons is employed by the Santa Fe Railway Co. and is also engaged in raising chinchillas.

Spies-Ritchey Exchange Vows In Home Wedding

Miss Ailene Ritchey, daughter of Mr. and Mrs. A. L. Ritchey of Clovis, and Gerald Spies, son of Mrs. Edgar Blain of Texico, exchanged wedding vows Sunday afternoon at 3 o'clock in the home of the groom's mother.

The single-ring ceremony was performed before an improvised altar of fern and red roses, with Minister J. O. Glover, pastor of a Clovis Church of Christ, officiating.

For her wedding attire the bride chose a navy blue suit with winter white accessories. She carried a white Bible topped with a lovely nosegay of white rosebuds.

Misses Macel Wilson and Doris Mathes of Clovis were bridesmaids wearing identical suits of gray with red accessories and corsages of red rosebuds.

Frances Smotherman of Clovis and Billy Joe Johnson of Texico served as best men for the occasion.

For her daughter's wedding, Mrs. Ritchey chose a blue crepe dress, while Mrs. Blain, mother of the groom, wore a blue-gray gabardine suit, and both the mothers were complimented with red rose bud corsages.

After a brief visit here with relatives and friends, the young couple will leave for Missouri where they will make their home.

Farwell Juniors Will Take Stage Friday

The perils of baby-sitting will be graphically portrayed on Friday night of this week, January 27th, when the Farwell Juniors take the stage to present a three-act comedy entitled "The Baby Sitter".

Burdened with the boss's son, young Junior Gordon (Bob Gerles), who to say the least is a holy terror, the Ballards try to make the best of a hysterical situation in a howling comedy. Bob Ballard (Jerry Pool) finds himself forced to break a date with his best girl, Carrie Tucker (Jenean Lunsford), in order to baby sit. Carrie, trying to please Mr. and Mrs. Ballard (Caryetta Grissom and Robert Armstrong) offers to sit with Junior and gets into a nightmare while attempting to keep him from wrecking the house.

Other members of the cast include the Ballard girls, Jane and Helen, played by Maly Belle Aldridge and Dot Kent; Eunice, Carrie's friend who tries to help out, Bettie Foster; Carl, Helen's boyfriend, Billie Don Crume Lefty, another incorrigible; Beryl Nix; Midge and Dot, icebox raiders; Sue Medley and Irene Hardage; and Mr. and Mrs. Gordon, parents of Junior, John Christian and Bobby Ann Christian.

Mrs. O. M. Prescott is directing the play, and stage props will be supplied by The Furniture Mart, in Texico. Ed Hardage and his Swing-billies will furnish between-the-acts entertainment.

Time of presentation is 7:45, and admission will be 50c for adults and 25c for children.

MYF Sponsors Party For Baptist Youth

The MYF of the Texico-Farwell Methodist church sponsored a party Monday night for Baptist young people, according to the Rev. Murphy Duncan, sponsor of the group. Duncan said games of ping-pong, checkers, and dominoes were staged, and refreshments prepared by Mrs. Duncan, Mrs. Jim Moss, and Mrs. D. O. Rolland were served the 23 youths attending.

Farwell FHA Girls Meet Twice During January

Two regular meetings of the Farwell Chapter of Future Homemakers of America were held this month, announces Mrs. John Lovelace, home economics instructor.

The first meeting, held Jan. 6, was a panel discussion on "Problems That Confront Graduates," and was led by Wynema Cochran with eight other seniors assisting. The girls included Alta Norton, Valarie Dial, Hettie Nan Randol, Janice Graham, June Christian, Hazel Petree, Billie Christian, and Ione Billingsley.

The second meeting was Jan. 20, with four FHA members scheduled to give a skit on "Etiquette at the Table," but illness of two girls postponed the demonstration.

Business attended to at the meeting included the selection of Bobby Ann Christian as an outstanding FHA member who will represent Farwell in the Area Spring Newsletter; the appointment of Jenean Lunsford, Betty Foster, and Joan Spurlin to a committee for a cover picture for the Spring Newsletter; the formulation of plans for attendance at ENMU in Portales for Hospitality Day; the selection by several girls of FHA jewelry; the planning of a tea for the FHA mothers; and work done on the school annual by second-year girls.

Mrs. Langford Hostess To Pleasant Hill Club

The Pleasant Hill club met in the home of Mrs. Elmer Langford, near Texico, the past Thursday, in a regular all-day meeting.

A covered-dish luncheon was enjoyed by sixteen members and six guests at the noon hour. Immediately following the luncheon, a business session was conducted by the club president, Mrs. Lowry Winkle, and the club members voted to buy silverware for the club use. They also voted to postpone the building of an outdoor fireplace, which had previously been decided upon, until the first meeting in March.

Mrs. Earl Singleterry demonstrated making divinity fudge, which was enjoyed by the entire group.

Each club member will hold a demonstration every meeting. The next one will be held in the home of Mrs. Daisy Horton, at 2 p. m., Thursday, February 2.

Sunday School Class Meets In Cox Home

The ninth Sunday School class of the Texico-Farwell Baptist church met in the home of Mrs. Guy Cox Monday night, in regular session, with nine members present.

Following the business session, a social hour was enjoyed, with delicious refreshments of spiced tea, cookies and candy carrying out the Valentine motif being served by the hostess.

The class members decided to present their little orphan girl at the home in Portales with an assortment of birthday packages Thursday, Jan. 26, when she will celebrate her birthday.

Those present for the meeting included Mesdames Velna Seale, Susie Schleuter, Dickie Magness, Mary Whitley, Carrie Hardage, D. J. Brown, R. L. Day, Ruby Stone, and the hostess, Alvenia Cox.

Bill White Graduates First Semester At NMU

Bill White, son of Mr. and Mrs. Jack White of Texico will be a first-semester graduate of New Mexico University next week, it was announced Tuesday.

White, who will graduate with a bachelor of science in biology, will be employed immediately after his graduation by the United States Fish and Wildlife Service. His first station will probably be with a fish hatchery in Dexter, N. M., Mr. White advised The Tribune.

Mr. and Mrs. White will not go to Albuquerque for their son's graduation, because first-semester ceremonies are now combined with regular spring graduation program.

Return To California After Visiting Here

Word has been received from Mr. and Mrs. James L. Halbert and sons, Micheal and Danny of Oakland, Cal., that they arrived home after spending a two-week vacation with her parents, Mr. and Mrs. W. P. Shelly of the Oklahoma Lane community, with week-end visits with friends in Lubbock, Plainview, and Clovis.

Mrs. Halbert was the former Miss Ella Bee Shelley, who attended school at Oklahoma Lane and Farwell and was employed at Ribble Florist when she met her husband, a graduate of the Air Cadets of the Air Corps there. He has been an employee of the Bell Telephone Co. of Oakland for eight years.

Farwell Masons Will Be Honored Feb. 2

Gertrude Potts, secretary of the Bovina Masonic Lodge, announces this week that a covered dish supper will be held in the Bovina Hall on Thursday evening, February 2nd, honoring the Masons of Farwell Lodge No. 977.

The social is to be held in the dining room of the Bovina Masonic Hall at 7 p. m., and all members of the Farwell lodge, their wives, members of the Order of Eastern Star and their husbands are urged to attend. Participants are asked to bring a covered dish to add to the spread.

Dinner Held Sunday In Lunsford Home

A family dinner was held in the home of Mr. and Mrs. Charlie Lunsford, in Farwell, Sunday, when relatives assembled to enjoy the day.

Those present included M-Sgt. and Mrs. J. B. Williams of Rio Linda, California; Mr. and Mrs. Willis Crook, Clovis; and Mrs. E. V. Plaster and Dickie, Clovis; Mr. and Mrs. Buster Lunsford and Rickie; Mrs. Les Means of Texico, and her young granddaughter, of Needles, California; and the host and hostess.

Visits With Sister

Mr. and Mrs. Aubrey Adair left the past Friday morning after having spent Thursday night in the home of Mrs. Adair's sister, Miss Hazel Dishman, in east Farwell. They were enroute to their home in Beteravia, Calif., from points in Oklahoma and Texas, where they had been visiting with relatives for several weeks.

Guests Of Kaltwassers

Mr. and Mrs. E. R. Haseloff of Levelland, Mrs. Lucille Ragland and son of Amarillo, and Hattie Haseloff of Vernon visited in the home of J. A. Kaltwasser during the week-end. Henry Haseloff of Vernon, was also a visitor in the A. H. and Harry Jr. Haseloff homes.

With Grandparents

Little Miss Tracy Lee McDaniel, of Lubbock, is here visiting in the home of her maternal grandparents, Mr. and Mrs. Ralph Humble, and with her paternal great-grandparents, Mr. and Mrs. E. E. Booth. She is the daughter of Mr. and Mrs. Lee McDaniel.

From Albuquerque

Mrs. Elmer Temple, of Albuquerque, is here visiting with Mrs. J. C. Temple and Laura and Mrs. Ruby Dixon. On Sunday the local people and their guest spent some time visiting with Mrs. Elmer Temple's mother, in Portales.

Returns To Home

Mrs. Eugene Parker, of Lubbock, who had spent the past week in the home of Mr. and Mrs. Roy B. Ezell, in Farwell, returned to her home on Sunday. She had accompanied the Ezells here when Mr. Ezell was released from a Lubbock hospital following several weeks' treatment.

To Roswell

Mr. and Mrs. John Porter and Mr. and Mrs. C. M. Henderson spent the past Sunday visiting with the Porter's son, JeDon, and friends in Roswell.

To Texas Valley

Mr. and Mrs. Willis Magness left early this week for the Texas Valley where they plan to spend an extended visit with relatives and friends.

Here From Amarillo

Visitors in the home of Mr. and Mrs. C. D. Houghtling, near Texico, on Sunday were her mother, Mrs. Carl Parks, and an aunt and uncle, Mr. and Mrs. Foster Reed, all of Amarillo.

Here From Morton

Rev. J. V. Pace and son, Verdie, of Morton, Texas, were in Farwell on Monday, attending to business matters and visiting with relatives.

Celebrate Anniversary

Rev. and Mrs. O. O. Holladay celebrated their eighth wedding anniversary Sunday, Jan. 22, enjoying a lovely dinner in the home of Mr. and Mrs. S. O. Billington, in Farwell.

To El Paso

Bobby Williams of Texico left late Sunday afternoon with a crew of construction men for El Paso. They plan to be engaged in building for approximately four months.

Guests Of Dykes

Mr. and Mrs. Russell Johnson and children and Bill Johnson were dinner guests in the home of Mr. and Mrs. Cecil Dykes in Clovis, Sunday.

Mr. and Mrs. Willis Magness, accompanied by Joe Magness, left Monday morning for Edinberg, Tex., to visit and attend business.

Miss Gloria Ann Johnson spent the weekend visiting in the home of her sister and brother-in-law, Mr. and Mrs. Cecil Dykes in Clovis.

Mr. and Mrs. R. D. Williams, Sr., and children spent the past Sunday visiting in the home of their daughter and sister, Mrs. Grady Box and family, near Broadview, N. M.

HOSPITAL NOTES

Patients admitted to Parmer County Community Hospital last week included John Paul Guinn, medical, Friona; Mrs. Louise Coyle, medical, Bovina; Mrs. M. L. McFarland, medical, Bovina; Mrs. C. G. Drager, o. b., Friona; Mrs. Arthur Stokes, medical, Friona; Mrs. Ed White, medical, Friona; Mrs. W. H. May, medical, Friona; Helen Stowers, medical, Friona; Sam Jones, medical, Friona; and Mary Dudley, medical, Friona.

Patients dismissed included Tim Rhodes, medical, Bovina; David Smith, medical, Friona; Mrs. Will Osborn, medical, Friona; John Paul Guinn, medical, Friona; Foister Rector, medical, Friona; Mrs. J. S. Rier-son, medical, Bellview, N. M.; Mrs. Tom Griffith, medical, Bovina; Mrs. M. L. McFarland, medical, Bovina; Mrs. Arthur Stokes, medical, Friona; Calvin Barber, medical, Farwell; Sam Jones, medical, Friona.

Methodists Call For Good Used Clothing

The primary and beginners department of Texico-Farwell Methodist church echoed an appeal for the mothers of Texico-Farwell community to look through the used clothing for discarded clothes that are still useable. They should be brought or sent to the church Sunday.

The youngsters have been studying about "Christian Friends In Japan," and decided they would send a package of clothing to the Japanese children.

A letter requesting used clothing has been received from the Japan missions and everyone is urged to aid the program for needy Japanese youth.

The County Clerk's office issued a marriage license to Harry Sheets and Miss Alta Faye Martin Tuesday.

Mr. and Mrs. Al Stone of Clovis were Sunday dinner guests in the home of Mr. and Mrs. J. H. Stone in Farwell.

Mr. and Mrs. S. O. Billington were business visitors in Lubbock, Monday.

Nathan Harding, Jr., student at ENMU, Portales, and Herschel Harding, student at Texas Tech, Lubbock, are visiting at the home of their parents, Mr. and Mrs. N. R. Harding, during the semester vacation.

Mrs. Annie Elkins of Wichita, Kan., is here visiting her sister, Mrs. N. R. Harding, six miles south of town.

Mr. and Mrs. J. E. Stone, Mrs. Opal Jacks, and Kenneth and Gene Jacks spent last Sunday visiting relatives at Quitaque.

Mrs. Gladys Johnson and Mrs. Leona Bailey, who are in charge of the Texico school luncheon, attended a food-handlers school held in Clovis the past week.

Bovina Happenings

BY MARIE VENABLE

Mike Cotter, Miss Sarah Marie Venable and Miss Gladys Hopingardner spent Sunday at Lubbock attending a motorcycle ball game.

Mr. and Mrs. Lester Kelly and family, of Earth, spent the past weekend with relatives here.

The Bovina fire truck was called out Saturday, to extinguish a fire at the D. J. Mann home across from Englant's Laundry. The house was on fire but not much damage was done. The truck also answered a call to the Aubra Ellison home, east of town for a grass fire and another grass fire west of the highway department, Saturday. Earlier in the week a grass fire in the George Trimble pasture burned about 150 acres of grass.

Mrs. Maude Trimble spent a few days last week in Mobeetie, with relatives.

Stacey Queen returned the past week from Savannah, Mo., where she has been the past month receiving medical care.

Howard Schroeder and son of Borger, Texas, visited in the E. H. Englant home Friday night and Saturday.

Rev. Weldon Franks and family moved to Dallas Monday, after offering his resignation the week before. We regret very much their leaving.

A birthday party was given Wednesday night in the home of Al Kerby honoring Henry Minter. A nice heart-shaped birthday cake and ice cream was served to 16 guests. The evening was spent singing and playing "42." A number of nice gifts were opened by the honoree. Those present were Mr. and Mrs. H. D. Bradshaw, Mr. and Mrs. Gene Hawkins, Mr. and Mrs. Jack Kesler, Mr. and Mrs. Tyson Eubanks, Rev. Weldon Franks, Mr. and Mrs. J. W. Gooch and daughter, Mr. and Mrs. Henry Minter and son, and Al Kerby.

Mr. and Mrs. Hershel Lowe of Canyon spent the past weekend visiting here.

Mrs. E. H. Moody returned from Gainsville, Texas, the past weekend after visiting relatives there for a few days.

Mr. and Mrs. Ezra Englant were business visitors in Clovis, N. M., Friday.

Herman Estes left Saturday morning early for Ft. Worth, to take Mrs. Estes' mother. One of her grandchildren has polio there.

Mrs. Chester Vaughn and Mr. and Mrs. Leroy Vaughn of Clarendon, Texas, visited briefly in the Ezra Englant home Friday.

C. R. Elliott left Sunday for Ft. Worth on business and to attend a Frigidaire convention.

Mr. and Mrs. Eual Hart, Mr. and Mrs. Bass Elliott and son, Mrs. Hershel Lowe of Canyon, all went to the Breaks over in New Mexico Sunday and enjoyed a picnic dinner there.

Congratulations to Mr. and Mrs. Vergil Lindsey on the birth of a son Thursday in the Clovis Memorial Hospital.

Mr. and Mrs. Loyd Kent of Portales visited in the Barney McKenney home Sunday.

Mr. and Mrs. L. C. Moore returned home after spending the past ten days visiting in the home of Mr. and Mrs. J. F. Christian and Mr. Moore's sister, Mrs. Goss in Tulia. They also visited Mrs. J. M. Stroud, Mrs. Moore's mother, of Childress, and Mr. and Mrs. S. E. Ketchum of Iowa Park; Mrs. Moore's niece, Mr. and Mrs. Marcell Tindol of Wichita Falls. The Moores reported that we have nicer looking wheat than any where

they had been on their trip.

Mrs. Lester Rhinehart is now employed at the Bovina Tailor Shop starting Monday.

Mrs. Byron Turner and children and Mrs. A. G. White spent the past weekend visiting Grace Wells at Odessa, and Mr. and Mrs. Lee E. Rhodes at Wink.

All Bovina people are enjoying the telephones that have recently been installed. They will continue this week until all have phones that want them.

Perry Looney and Aunt Flo Hall are spending this week in Lubbock, visiting.

Glyndia and Ronald Dean Calhoun of Clovis spent the past weekend visiting their grandparents, Mr. and Mrs. S. A. Calhoun.

Hubert White and children of Hereford spent the past weekend visiting in the Mollie White home.

Mr. and Mrs. Cogsdil of Friona visited in the Tom Griffith home Thursday night.

L. E. Parker of Roswell visited in the home of Mr. and Mrs. W. J. Parker Thursday.

Cletus and Almeda Hull are staying in the A. G. White home for a short period.

Mrs. R. E. Brian and family of Clovis visited in the home of Mr. and Mrs. Fred Langer Saturday. Mrs. Brian and Mrs. Langer are sisters.

Mr. and Mrs. Melton Roberts of Abilene visited in the J. A. Richards home over the weekend.

Word was received here Tuesday that one of Mr. Whiteside's sons who lives at Lovington, N. M., got his eye put out. No details were learned of the accident.

Mrs. Tom Griffith, who has been in the Friona hospital for the past two weeks, was able to return to her home the past weekend. She was suffering from double pneumonia but is much improved at this time. We all hope she will be able to be up and around soon.

Mr. and Mrs. Johnny Glover, who are driving a new 1950 Studebaker, spent the past weekend in Pampa, Texas.

Mr. and Mrs. Bob Williford and Mrs. Buster Cochran visited Mrs. J. A. Richards in the Friona hospital Saturday. Mrs. Richards has been up there since Christmas day.

Mr. and Mrs. Pete Davies and Mrs. Byron Turner were Amarillo visitors Wednesday.

Several people from Bovina enjoyed bingo at the Legion Hall Saturday night. Free coffee and doughnuts were served to about 35 present.

Mr. and Mrs. Bass Barnett, Clovis, visited in the Bill Venable home Sunday.

SUPPER IN DAVIES' HOME

An enchilada supper was enjoyed by a few friends in the home of Mr. and Mrs. Pete Davies Friday night. Those present were Mr. and Mrs. Rex Witt and son Larry, Mr. and Mrs. Chuck Witt and daughter Cheryl, Mr. and Mrs. Frank Fisher and children, Tommie Koehler and the host and hostess, Mr. and Mrs. Pete Davies. The evening was spent playing canasta and all had a wonderful time.

BAPTIST W. M. U. MEETS

The Baptist W. M. U. met with Mrs. N. E. Bonds in her home Tues-

day Jan. 17 for the mission study, given by Mrs. Henry Minter. Those present were Mesdames Henry Minter, J. O. Combs, Frank Barnett, Gene Hawkins, Bill Bradshaw, Bob Williford, N. E. Bonds, A. T. Ray. The next meeting will be at Mrs. Bob Williford's home Jan. 24.

SURPRISE HOUSEWARMING AT LEE THOMPSON HOME

Wednesday evening at 8 o'clock, the Lee Thompson family was very surprised when after the mid-week Bible study everyone followed them to their new home in south Bovina and surprised them with a housewarming. The group, laden with gifts and refreshments for the party included Minister and Mrs. D. E. Lee and daughter Shelia, Mr. and Mrs. Levi Johnson and Betty Rose and Billy, Mr. and Mrs. Elmer Venable and Betty and Stanley, Mr. and Mrs. W. J. Parker, Mr. and Mrs. J. R. Caldwell, Mr. and Mrs. T. E. Rhodes, Mr. and Mrs. C. H. Jefferson, Mr. and Mrs. F. W. Ayres and Wesley, Mr. and Mrs. Mel Gunn, Mr. and Mrs. Buck Ellison, Carrie and Lula Smith, Mrs. A. G. White, Mr. and Mrs. C. F. Bunch and son, Ronald Keith, Charlie Thompson, Mr. and Mrs. Howard Ellison, Mr. and Mrs. C. G. Billingsley and son Rodney Allen, Cletus Huff, Mrs. C. H. Thompson, Dana and Betty Turner, Clara Derrick, and the host and hostess, Loren, Elmer, and Lonita.

Sending gifts were Mrs. Scotty Berry, Mr. and Mrs. W. J. Sides, Mr. and Mrs. Byron Turner, Mr. and Mrs. Bob Williford, Mr. and Mrs. J. P. Macon, Mr. and Mrs. J. W. Ellison, Mr. and Mrs. Ward Thompson, Mr. and Mrs. Arnold Hromas, Mr. and Mrs. Sam Sides, Mr. and Mrs. E. H. Hromas, Mr. and Mrs. John Kimbrow, Mr. and Mrs. Charlie Thompson, Mr. and Mrs. David Carson, Mr. and Mrs. Troy Armstrong, and Mrs. J. Sam Gaines.

RAINBOW INSTALLATION

Installation in Rainbow was performed at the Bovina Masonic Hall Monday night, Jan. 15. There was a private installation at which Assembly No. 158 elected as their Worthy Advisor Modell Hammonds, and Mother Advisor, Mrs. John Aldridge, Farwell.

The Bovina girls had charge of the program and the Farwell girls the refreshments.

Several Masons and Eastern Star members from Farwell, Friona, and Bovina attended. All new officers and stations were elected. June Christian was our past Worthy Advisor, and Mrs. Fuller was our past Mother Advisor. About 30 people attended.

Deduction Refunds Will Be Made Veterans

Veterans who receive National Service Life Insurance dividend checks from which previous overpayments by the Veterans Administration have been deducted, were advised by Robert W. Sisson, manager of the Lubbock regional office of VA, that the finance division of the regional office in whose jurisdiction the veteran's account is maintained, would refund any overdue deduction.

In a few cases, cash payments made by the veteran and deductions

previously made by the VA, plus the amount deducted from the dividend, exceed the indebtedness of the veteran to the government.

The refund of these overdeductions will be made automatically as soon as advice regarding the amount deducted from each individual dividend check is received by the Lubbock regional office from Washington, D. C. In view of the necessity for full information being supplied to the regional office by Washington, veterans are urged not to contact the local VA office, since the accounts will be adjusted automatically as soon as the information is received, Sisson stated.

4-H Program For 1950 Has New Developments

Announcement has been made of a change in emphasis in the 4-H electric program, which in 1950 will be known as the 4-H Farm and Home Electric program, according to the National 4-H Committee.

With the change of name, the program will encourage more boys and girls to study and plan how to use electricity, and to demonstrate what electrical equipment they have made, adjusted, repaired, and installed.

There will be no changes in awards, or donor, which is the Westinghouse Educational Foundation. Awards comprise gold-filled medals, all-expense trips to the National 4-H Club Congress, Chicago, and six \$300 college scholarships to county, state, and national winners, respectively.

A merit plaque also will be awarded to the county reporting the most outstanding 4-H Farm and Home program in the state this year.

Nash's appearance will end the 1949-50 Recreation hall program at Tech, Dean James G. Allen said. Other notables scheduled to speak at Tech before the final lecture include Ellis M. Zacharias, retired navy intelligence officer, and Author James Michener, Pulitzer Prize winner.

The recreational hall program at

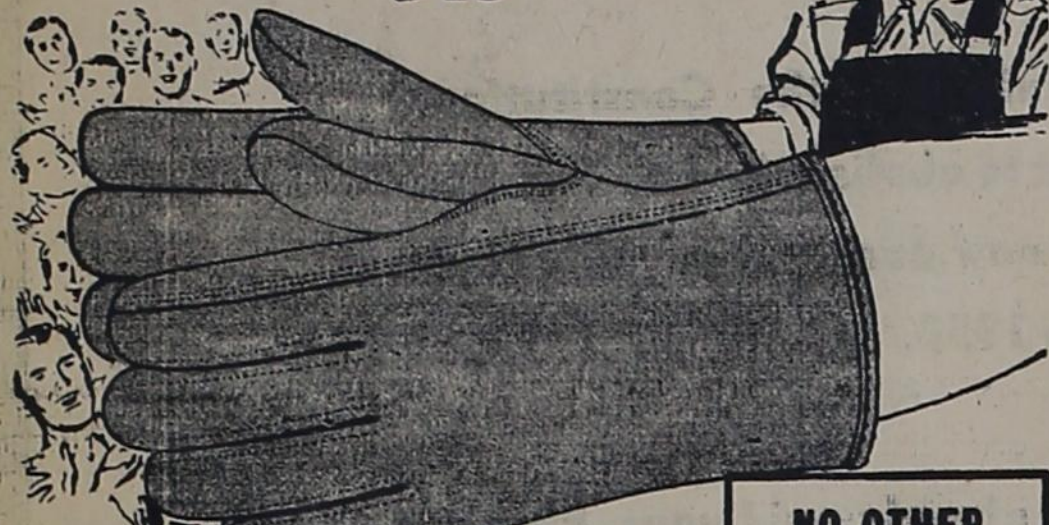

Tech permits all students to attend the lectures without paying the regular admission charge. Speakers during the fall semester included Margaret Bourke-White, famous globe-trotting photographer, and Literary Critic Clifton Fadiman.

TIPS ON PORK

Pork should always be cooked well done before serving. When buying pork look for: meat of light greyish pink color, not deep red; slightly pink bones; fat that is snowy white and rather soft, but not oily; meat that is firm and fine in texture and well marbled with fat.

LOOKING FOR New Ideas in home lighting?

For the latest in modern, smart home-lighting ideas you'll want to see the new Certified Lamps. Now at your dealer's is a wide array of beautiful Certified Lamps designed to be the perfect complement of any decorative idea... and they give so much extra light! With Certified Lamps you'll get from 50% to 100% more light from the same size bulb... without harmful, eye-straining glare.

See your Public Service representative... let him show you how you can dress up your home with light... for better living and better seeing.

Look for the blue tag that tells you it's a genuine Certified Lamp. They're built to comply with 105 rigid, exacting specifications for construction and performance. See them today.

Telephone Highlights of 1949

Improving and extending service made 1949 a busy year for us. Here are a few highlights:

More Telephones

By the end of the year we were serving 91,900 telephones in New Mexico—14,000 more than a year ago, an increase of about 18%.

More Voice Highways

During the year we added 25,000 miles of aerial wire and wire in cable in communities we serve in the state. This does not include many miles of additional long distance circuits.

More Building Space

Adding equipment required new buildings or building additions where growth was greatest.

More Dollars Spent

We spent more than \$4,000,000 on construction of telephone facilities in New Mexico in 1949. This does not include the \$6,000,000 of operating expenses such as wages, taxes, etc.

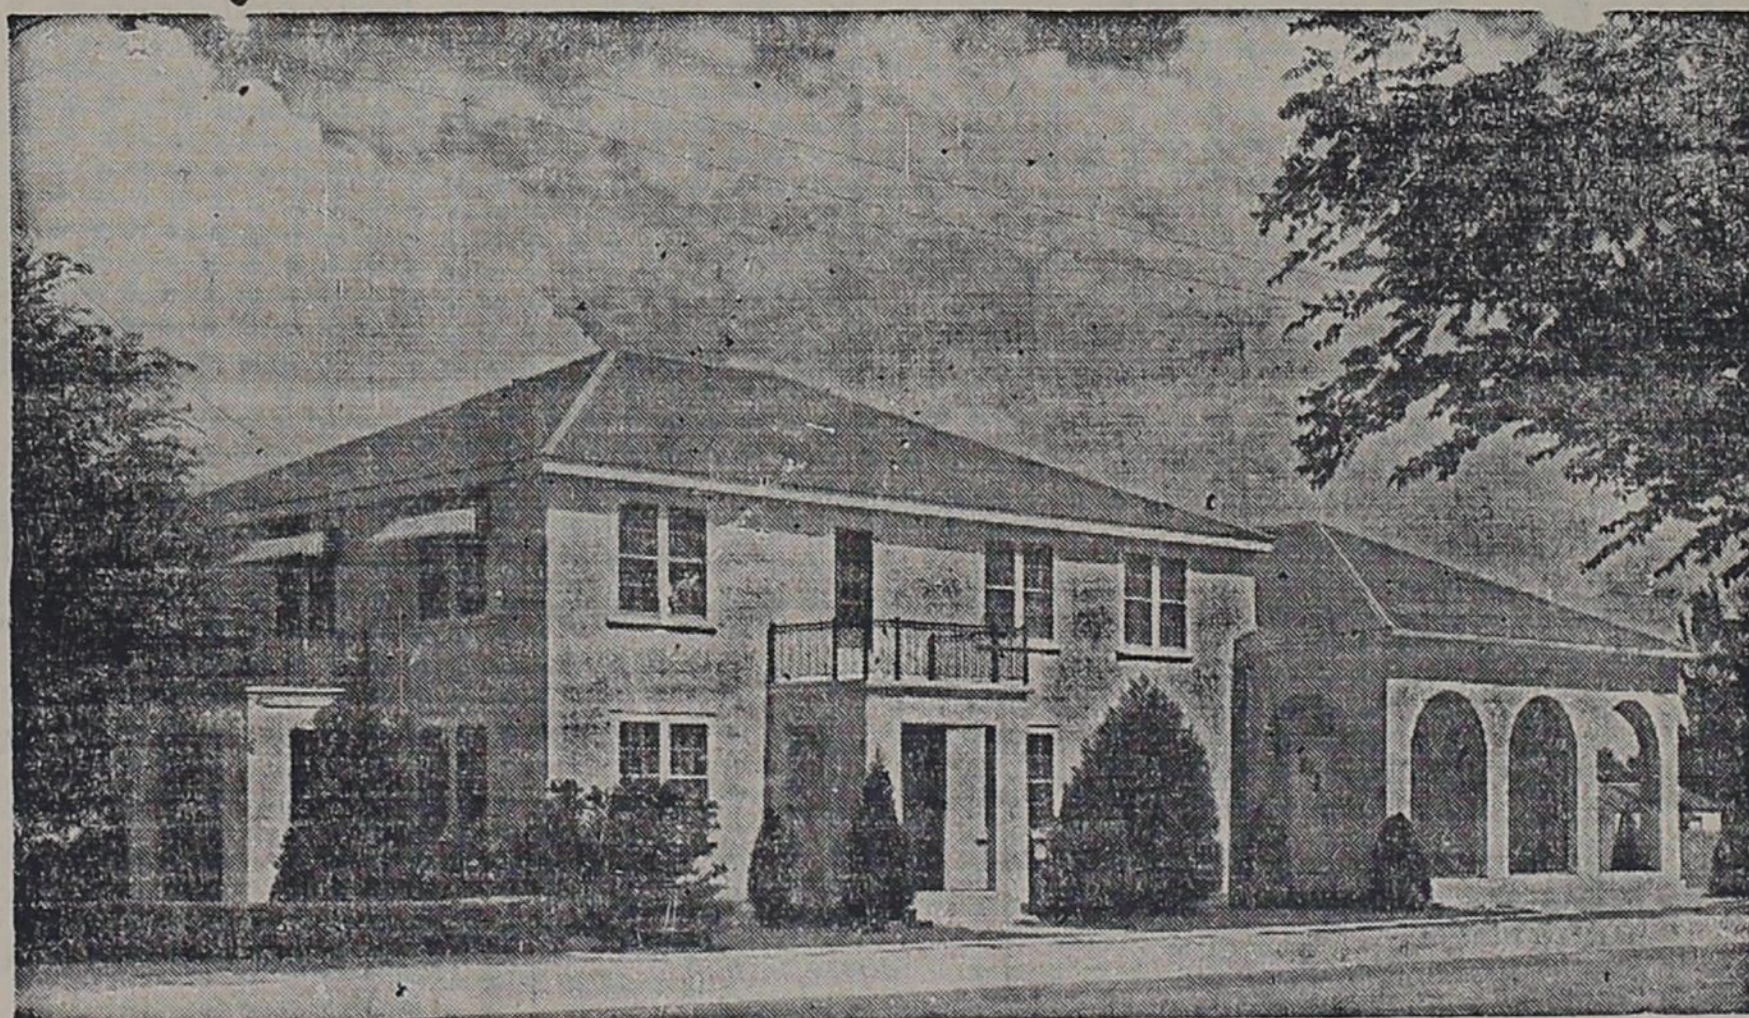

1950 will be another busy year as the 1350 telephone men and women in New Mexico continue to provide a steadily improving service.

Savings Bond Sales Higher, Says Spring

The people of Parmer County invested \$191,956.25 in U. S. Savings Bonds during 1949, according to the annual sales report received today by Frank A. Spring, county savings bond chairman, from Nathan Adams of Dallas, state chairman. This compares with sales of \$89,635.00 in 1948.

Of the 1949 total, Series E, the so-called "people's bond," accounted for \$84,856.25, as compared with \$74,835.00 E bond sales in 1948. Series F and G sales were \$107,100.00 as compared with \$14,000.00 in 1948.

Total sales for the entire state were \$191,499,089, as compared with \$196,448,280 in 1948, Adam's report said. This is a decline of 2.5 percent. However, Adams declared that sales last year were highly satisfactory in view of economic trends and because of a 3.9 percent increase in the sale of E bonds, from \$139,591,216 in 1948 to \$145,114,738 in 1949. Series F and G bonds accounted for \$46,384,351 of the state's sales total last year.

Adams said that the people of Texas today hold more than \$1.5 billion

in Savings Bonds, a substantial share of which are owned by citizens of this county. These savings, he added, give the community, as well as the individual owners, a high degree of financial stability.

Silage-Fed Steers Gain Most At Tech

LUBBOCK—A check-up at the end of the second period of the experiment to evaluate sorghum silage and cottonseed hulls in yearling steer feeding at Texas Tech shows that silage-fed steers out-gained the hull-fed lot.

Dean W. L. Stangel of the division of agriculture said results of the entire 56-day period gave a 2.72 pound daily gain for lots fed on silage. Hull-fed steers had a daily average gain of 2.18 pounds.

Sixty yearlings are being used in the research program, which began Nov. 22. It will end in February. The steers are divided into six lots, and the only diet variety in five lots, has come from silage or hulls. The sixth lot was fed hulls without concentrates, while the others had the same

concentrates and alfalfa hay supplement.

During the initial 28-day period, a straight sorghum silage diet proved to be the cheapest. The early report showed the 100 per cent silage-fed lot gained at a cost of \$11.20 per hundred. A 100 per cent diet of cottonseed hulls cost the most—\$13.04 per hundred.

Costs for the second period have not been determined.

TO DISCUSS RELATIONS

AUSTIN—Methods of teaching human relations to children will be discussed at the third University of Texas College of Education Human Relations Work Conference, June 6-July 16.

The National Conference of Christians and Jews has again allocated a \$2,000 grant for the conference. Forty Texas public school teachers will be selected to attend.

Dr. Howard Lane, visiting professor from New York University, will direct the study, Education Dean L. D. Haskew announced.

NOTICE To Taxpayers

Since the failure of the Constitutional Amendment to abolish the Poll Tax, your Poll Tax is now due and payable if you want to vote in 1950.

If you have already paid your Property Tax, you should check to see if your Poll Tax is paid also.

Water Pipes Freeze Up? Try These Suggestions

COLLEGE STATION—Farm livestock and poultry need water in the winter just as they do during the hot summer, but frozen hydrants and water pipes often cut off the winter supply. W. L. Ulrich, extension agricultural engineer of Texas A. and M. College, says there is something you can do about this problem.

He suggests the use of heating cable, because it is easy to install, is safe and efficient. The heating cable is wrapped around the pipes and

valves. If the temperature falls below freezing, a thermostat turns on the electricity, the cable warms up the pipe and prevents the water inside from freezing. The cable is coated with rubber-type insulation material and it works on the same principal as any other electrical heating unit.

Heating cable comes in various lengths. The cost of operating the unit will vary with the length of pipe heated, the amount of water going through the pipe, outside temperature and insulation. For a temperature of 10 degrees above zero the tape is run straight along the pipe;

for 7 degrees above zero, spirals are 6 inches apart; and for zero or below the cable is wrapped 2 inches between spirals, says Ulrich.

Use of the heating cable does not create a fire hazard, points out Ulrich, but he does caution users to follow the directions of the manufacturer. Be sure the cable is properly installed and protected with the right size fuse, says Ulrich.

If it isn't practical to use heating cable to keep the water flowing, he suggests constructing a frost-proof hydrant. The water pipe should enter the building through a 6- or 8-inch tile extending from the floor to below the frost line in the ground. A stop and waste cock in the pipeline is used to shut off the water below the frost line.

A few inches of gravel should be placed in the bottom of the tile, because it will permit the water to seep away as the stop and waste valve is closed and the faucet opened. The tile above ground should be insulated with several inches of sawdust or commercial insulation, says Ulrich. The stop and waste cock arrangement makes hydrants safe from freezing even outside in below-zero weather if the hydrant and lead pipe are drained after it has been used.

Winter isn't over, and chances are very good that Texas livestock and poultry producers will have plenty of opportunities to use either a heating cable or frost-proof hydrant to keep water flowing to their herds and flocks, says Ulrich.

NEW BOOKLET OUT

A new 24-page illustrated booklet, "Your Farmhouse, Heating" can be secured from the Government Printing Office, Washington, 25, D. C., for 15 cents.

THIS TASTES GOOD IN TEXAS

Recipe Of The Week
Baked Spareribs With Fruit
2 sides spareribs, 4 pounds
2 teaspoons salt
1½ cups dried prunes
1½ cups dried apricots
Water for soaking fruit
¼ cup brown sugar

Brown ribs in small amount of fat on top of stove. Soak dried fruit in water about 15 minutes. Use 1 cup of water in which fruit was soaked, mix with sugar and salt. Place fruit around meat in roasting pan. Pour sugar and water mixture over ribs and fruit. Cover and bake in slow oven (325 degrees F.) for 2 hours. Uncover and allow to brown in oven about 15 minutes.

Complete Menu
Baked Spareribs With Fruit
Sweet-sour Green Beans
Escalloped Potatoes
Carrot Strips Celery Curls

USE HEATING CABLE

Frozen water pipes and hydrants cut off the winter supply of water for farm livestock and poultry. The use of electrical heating cable or frost-proof hydrants will solve the problem. Remember that water is just as necessary to livestock and poultry in the winter as in the summer.

PENNEY'S CUTS YOUR COST OF LIVING... NEW LOW PRICE!

Rayon Marquisette PANELS

It's an old Penney habit to ease those budget worries — and save you money! Proof: these fine washable rayon marquisette tailored panels! Sheer and filmy to add new softness to your room — of fine rayon threads woven for sturdiness (to take many tubbings!). Hemmed with double rows of stitching to give even, graceful draping — and lend a much more costly look. One full panel measures 42" x 81" and 42" x 90"

AUCTION

As I am leaving the farm, I will sell at public auction at my farm, located 4 miles South and 3 miles West of Texico-Farwell, or 4 miles South and 6 miles East of Clovis, on

Tuesday, Jan. 31

Sale Starts at 10:30, N. M. Time

FARM MACHINERY

- 1—1946 Ford Tractor, with lister planter, knifing attachment and 2-speed transmission
- 1—Reg. Farmall Tractor, v-speed governor. This tractor has been stepped up to the same power as the F-20 and has complete 4-row lister and planting attachments.
- 1—Allis-Chalmers Tractor, 1945 model. 3-row tool bar, 2-row planting attachment. Good condition and good rubber.
- 1—M-M 14-inch Feed Mill
- 1—50-foot endless belt
- 1—50-foot endless belt
- 1—2-wheel Tractor, 14-foot bundle rack
- 1—1940 Model A-C Combine, good condition
- 1—McCormick-Deering Row Binder with power take-off
- 1—3-section Harrow
- 1—6-foot One Way—Angel
- 1—Cement Mixer, with electric motor.
- 1—2-row Iron Knife Sled with plows
- 1—2-row Iron Knife Sled
- 4—Knife Attachments for Lister Beams
- 2—M-M Lister Beams
- 1—2-wheel Bundle Tractor
- 1—3-hp Gasoline Engine
- 1—Pump Jack—good
- 1—Dirt Slip
- 4—Sets Sled Knives
- 4—24-inch Sweeps
- 1—Lot of Barbed Wire
- 1—Gas Pump for barrel
- 1—15-gallon Pot
- 5—Weights
- 70—Feet ¾-inch Pipe
- 2—Markers
- 1—1937 Model Plymouth Pickup

FEED & SEED

- 6000—Bundles Red Kaffir
- 1000—Bundles Cane
- 800—Pounds Red Kaffir Seed—re-cleaned

175 CHICKENS

- 175—Hens. Hybrids and White Leghorns

16 HEAD CATTLE

- 1—Jersey Cow 4 years old, giving 4 gals.
- 1—Jersey Cow 4 years old, giving 3 gals.
- 1—Jersey Cow 5 years old, fresh in 60 days.
- 1—Registered Jersey Cow 5 years old giving 3 gals.
- 1—Jersey Cow 4 years old giving 4 gals.
- 1—Jersey Cow 6 years old, giving 3 gals.
- 1—Jersey Cow 3 years old giving 3½ gals.
- 1—Holstein Heifer coming 2 years old—Fresh in April
- 3—Gurnsey Heifers coming 2 years old—heavy springers
- 1—Gurnsey Heifer 1-year old
- 1—Gurnsey Heifer Calf
- 2—Gurnsey Bull Calves
- 1—Jersey Bull Calf

These Cows are T-B and Bangs Tested and will have papers to go anywhere

MISCELLANEOUS

- 1—50-foot Hose
- 5—Gallons Oil, 140 weight
- 3—Gallons oil
- 5—Pounds Gun Grease
- 1—Funnel
- 1—Butane Brooder, 250 size
- 200—Fence Posts
- 1—Lot Used Lumber
- 2—Saw Horses
- 1—Lot Junk Iron
- 1—Chicken Coop
- 1—Lot Chicken Feeders
- 1—Bench
- 1—30-gallon Drum
- 1—Feed Trough
- 1—Hog Feeder, 16-feet long
- 2—Hog Troughs
- 3—10-gallon Cans
- 1—8-gallon Can

28 HEAD HOGS

- 1—Sow and 10 Pigs, 7 weeks old
- 14—Shoats, average weight 150 pounds
- 3—Pigs, 60 days old

Texico Wolverines Lose To Portales, Beat Dora Coyotes

Falling behind in the final quarter of play, the Texico Wolverines met defeat at the hands of the Portales Rams Friday night in the ENMU gymnasium. The contest was a nip-and-tuck affair until the last quarter, when the Rams, paced by captain Joe Erwin, pulled ahead to win 27-34.

C. B. Stockton, Texico coach, noted that his team outscored their opponents 12-11 on field goals, but fell behind in the ree-toss department. Portales made good 12 points out of 25 free shot attempts, while the visitors took 3 out of 10.

Saturday night saw a reversal of tactics as the Wolverines took the Dora Coyotes to a scalping on the

Texico court. The game, narrowly contested most of the way, saw the Wolverines pull into a decisive lead in the final canto to tack up a 30-40 score. It was an unexpected win for the Texico quint, who went on the court underdogs via Dora's conquest over the Clovis Wildcats. Earlier in the season, the Wildcats triumphed Texico.

High point man for the Wolverines in the Dora game was White, who scored 9. Big Walker, center of the Dora team, walked off with the cake in individual scoring, however. He accounted for 26 of his team's 30 points.

Farwell Splits Games With Adrian Visitors

Basketball teams of Farwell high split a double-header bill on their

home court with Adrian Tuesday night, the girls winning an easy contest 53-24, and the boys being dumped by the visitors 29-21.

This was an important game for the Steers, who were trying for a three-way tie in the district with a win over Adrian. The contest, decidedly a defensive one until the last quarter, was close and tense until that final round when Adrian broke out in a rash of scoring.

Jacobson, Adrian center, led scoring with 10 points. Potet scored 7 for Farwell.

June Christian made 18 points for the Farwell girls to lead scorers in the first game, and Jacobson was high for the visitors with 10. Dial, Farwell forward, usually a high scorer, was injured in the first quarter of play and had to retire from the court.

The boys leave Friday morning for Hale Center, where they will enter an invitation tournament. The first game, that afternoon at 3, will be with Cotton Center.

Farwell Girls Down Forrest Aggregation

Continuing their stride for a successful season, the Farwell girls upset a strong sextet 22-21 in a last-minute thriller on the Forrest home court Monday night. The locals pulled from behind a 3-point deficit in the last minute and 45 seconds.

Forrest held the edge 21-18 with less than two minutes remaining when Randol managed to sink an overhead shot to pull within one point of the hosts. Another minute was consumed by Forrest as they attempted to freeze the ball in their forward court. Foster managed to deflect a pass, however, and Dial, diminutive Farwell forward, whipped the cords from 30 feet out to clinch the game.

Pre-game favorites were a risky pick in view of two mutual opponents, Texico and Grady. While Farwell upset Grady 11 points, Forrest made the contest a run-away by a 17-point margin. Farwell has beaten the Texico team by a lopsided 17 points, but Forrest beat them only 7.

Leading scorer in the game was Thomas of Forrest, who managed 17 counts for the evening. Farwell's leading contender was Dial with 3, followed hotly by Randol with 7 and Christian with 6. McCutchen Harper took 2 each for the hosts.

Shallowater, Smyer Are Farwell Cage Victims

The Shallowater girls and boys from Smyer were victims of the Farwell cage squads over the weekend, when the two contests were run in as extras at the Whiteface tournament.

Previously, it had been announced that the Steers and the local girls would meet the Whiteface teams, but arrival there found Whiteface in a tournament, and with Shallowater and Smyer present and unengaged, the matches were staged between-times at the invitation meet.

An easy victory was chalked up by the girls, who pounded Shallowater 14-36 in a decisive win as Dial and Christian tied in scoring 11 points each for Farwell. Sussell topped the losing scorers with 8.

The Steers, although out ahead all the way, had not quite the easy time of the girls, but took a 21-39 decision over Smyer. Ford was high with 11 for Farwell, Allen had 7, and Belew 5 for the losers.

"DON'T BE A SUCKER!"***When you contribute money to some worthwhile charity, make sure most of it doesn't go into the pockets of some professional fund raiser! Learn how the racketeers operate. This timely article can be found in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

District Tourney Comes Nearer, Adrian on Top

The fast-moving Adrian quintet continued to lead the parade in district 11-B cage play on Monday as the finale of the season, the district tournament, loomed only two weeks in the offing.

On top by virtue of their conference wins this season, Adrian is grimly determined to hang onto its own in the remaining games and is looking forward to another district title, taken last year by the group.

Tied for second-place ratings in the district are Farwell and Vega, both of whom have threatened Adrian, but have been unable to upset the champs. On down the line are Bovina, Wildorado, Lazbuddy and Friona.

The District 11-B tournament will be in the Farwell gymnasium, beginning Thursday, Feb. 9 and concluding with the awarding of trophies Saturday night, the 11.

To take the district crown, a team must stand at the top in conference play and in addition, emerge as champions in the tournament. Should one team be high in conference and another grab the tourney crown, a play-off game between the two will be scheduled, officials explained.

Grady and Lazbuddy On Basketball Schedule

The Farwell cage squads will be out of town Saturday night of this week, when they play in Grady, N. M., coaches at the school said today, but home games will be staged here next Tuesday, when the Lazbuddy teams are to be on hand for conference matches.

With the season rumbling down toward its close, all four games are expected to be strongly contested, as the locals strive to make the best showing possible in the time remaining.

Games in New Mexico have no conference bearing on the standing of the Farwell-ites, but competition between the schools is sufficiently keen to keep spectators looking for top-notch play Saturday night.

Sportscasters favor both the Steers and the local girls in the contests arranged for the local court on Tuesday night of next week. The girls have lost their only conference game thus far to Bovina, and are hoping to balance their ledger against Lazbuddy.

Donkey Basketball Coming To Lazbuddy

There will be plenty of thrills, chills, and probably more spills at the Lazbuddy gymnasium Monday night, Jan. 30 at 7:30 when the Dunham trained donkeys will be here for a donkey ballgame.

Local men will mount the animals and try for the basket. This is being sponsored by the P. T.-A. and athletic department of the Lazbuddy school. These organizations will receive fifty per cent on all tickets sold in advance while only forty percent at the door.

Sponsors are anxious for persons planning to attend to purchase their tickets in advance. Admission is fifty cents for adults, twenty-five for children.

Texico Teams To Meet Rosedale, Floyd Here

The Texico Wolverines and Whirlwinds will clash with Rosedale Friday night in the Texico gymnasium, according to Coach C. B. Stockton. Saturday night another home series will be staged when the senior and junior boys teams meet opponents from Floyd. Stockton, asked to comment on the anticipated outcome, said opposition would be very stiff in both cases. Rosedale has been de-

"Must be something to it"

EVERYONE TALKS ABOUT THE

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor". . . winning fame for all 'round performance, all 'round the farm, all-year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

In fields that are reasonably ridged or uneven and where soil conditions do not vary, set the Ford Hydraulic Touch Control lever, and uniform plowing depth is maintained automatically.

In fields that are ridged or uneven and where the soil conditions vary, you merely operate the Touch Control lever to maintain the plowing depth you want.

In reasonably smooth fields, even if soil conditions vary, you use a great Ford feature, Implement Position Control, to maintain uniform depth automatically.

When you buy "DEARBORN" you buy QUALITY
