

AWARD PRESENTED—Lion Secretary Otis Huggins is shown (left) presenting a bronze plaque to President Jack Williams, awarded to the Texico-Farwell Lions Club by Lions International in recognition of first place winners in membership attainments in District 4 for the year 1949-50.

Farwell Meets Dimmitt Friday Night

Farmers Should Follow ACP Provisions

Farmers cooperating with the Agricultural Conservation Program are advised to understand and comply with all the provisions of the ACP program, Joe Camp, PMA secretary, says. Failure to do this may cause their ACP payments to be canceled.

B. F. Vance, Chairman of the State Committee of the Production and Marketing Administration, relates six things every farmer should remember.

- (1) When you receive a purchase order from PMA, accept no substitute for the material described on the order;
- (2) Do not sign the order until all the material has been physically delivered to you or in your possession;
- (3) The material is to be used as specified on the prior approval which you were given at the time you received the purchase order;
- (4) Do not report the materials as having been used to carry out a practice until you are sure the practice has been completed.
- (5) Be sure to get prior approval before starting a practice for which assistance is expected.
- (6) Do not get any conservation materials that you cannot use during the program year—it cannot be transferred to the following year, and you will be required to refund the ACP payment.

Lumber Yard Plans To Move Monday

Aubrey Brock, manager of the Cicero Smith Lumber Co. at Bovina, stated this week that plans were being laid to begin moving the business to their new quarters on Monday of next week.

Brock said that it would be several days before the entire stock could be properly arranged in the new location. The first to be moved will be the large warehouse, to be followed by lumber sheds, and finally, the stock and office fixtures.

Final organization of the stock in the new quarters has been delayed by a fire at Wright City, Mo. resulting in the destruction of all the wall shelving, which was scheduled for shipment at the time of the fire. Brock said it would be mid-November before the destroyed fixtures could be replaced.

Meanwhile, the new counters and office equipment is being built by a Clovis firm.

The new lumber yard is located in north Bovina, just east of the Shirley Grain Company, and along a railroad siding. "It will be one of the most modern lumber yards in the country," Brock said.

Texico Cemetery Work Scheduled

The annual fall clean-up and working program at the Texico Pioneer Cemetery has been scheduled for Tuesday, October 3, it was announced today by Association officials.

Members and friends of the Association are requested to meet at 9 a. m. for a full day's working. Basket dinner will be served at the noon hour.

Plans are being laid for a tree-planting program and it has been requested that the men bring hand tools to be used in this work. "We are especially interested in seeing the men from the town of Texico in attendance," one member of the Association said.

FERN TIPTON REMAINS IN PLAINVIEW CLINIC

Doctors think it will be at least three more weeks before Fern Tipton, 10-year-old polio victim and daughter of Mr. and Mrs. Percy Tipton, will be able to return home.

Fern, who has been in the Polio Clinic at Plainview, is greatly improved, however, her mother says. A few classes are held at the hospital and she is keeping up her school work as much as possible.

Kathleen Tipton, 2-year-old daughter of Mr. and Mrs. Ewell Tipton, returned to the hospital for a check-up Wednesday. She is recovering satisfactorily from a seige of polio, her mother announces.

CONCRETE DRIVEWAYS

Workmen are putting in a series of concrete driveways at the Shirley Grain elevator in Bovina. When the work is completed, all driveways to the scales and to dumping pits will be paved.

DENNIS KELLOGG

New Minister At Lariat Church

Minister Dennis Kellogg has assumed his duties as regular minister of the Church of Christ at Lariat, and began his duties there last Sunday, when good crowds gathered at both morning and evening services.

Bro. Kellogg has been preaching since 1935. He and his family come to Lariat from Amherst. Prior to his work at Amherst, he was minister at churches at Winters, Rankin, Corsicana, and has been called to numerous churches in and out of the state where he conducted revival services.

The Kellogg family has taken up residence at Lariat, and their three sons, Charles, Kirby and Collis Van are attending school in Farwell. In taking up his work at Lariat, Bro. Kellogg extended an invitation to the general public to attend any of his services.

The following regular services were announced by the new minister. Sunday services, Bible study, 10 a. m., preaching, 11 a. m. and 7:30 p. m. Bible study each Wednesday evening at 8 o'clock.

Rains Give Crops Another Set-Back

Grain sorghum crops were given another set-back early this week when another unwelcome rain fell to bring further delay to the already late crops.

Farmers are hoping for several days of warm, dry weather to allow their feed crops to mature instead of rains and cloudy weather. Sunday night moisture in Farwell amounted to more than a half inch, with even heavier downpours being recorded to the south and southeast of here. The rain extended only a short distance north of here.

While the rains have retarded the maturing of feed crops, they have been of great benefit to wheat land. Most of the county's acreage is already seeded and many of the fields are up to a good stand. Wheat growers are predicting good wheat pasturage during the winter months.

Dry land feed crops are late and farmers are hoping for at least another 30 days of warm weather before a killing frost appears.

Commissioners Court Declares Road Open

The two mile extension of the Midway road was declared open without damages at a meeting of Commissioners Court Monday at Paramer County courthouse, according to Loyde Brewer, county clerk. J. H. McDonald and others petitioned for the road.

The Court also decided by unanimous vote that a road agreement signed by the present members of the Commissioner's Court would be joined by the commissioners-elect, as set out in agreement by the road committee.

The program adopted is the paving of the road from Oklahoma Lane through Bovina to the cross roads nine miles north of Bovina, thence east of Friona—then the completion of the road from the twin houses to the Castro County line, Brewer said. Minutes of the last meeting were approved by the Court and bills and warrants were approved for payment.

Only Officials, Players Allowed Inside Fence

Definitely no one is allowed inside the fence around the football field at games but officials and players, Jack Williams, superintendent announced today.

Discussing the reason for this ruling, Supt. Williams states "if our patrons value our being in the interscholastic league, they must adhere to this request."

The fence extends back behind the lamp posts on the field.

Final Rites For Gunshot Victim

Funeral services for little Maria Ann Derrick, 5-year-old daughter of Mr. and Mrs. Earl Derrick, were conducted at the Methodist church in Bovina by Rev. Bruce, pastor, and burial took place in the Bovina cemetery under the direction of the Steed Funeral Home in Clovis.

The little child met a tragic death at the Derrick farm home last Friday morning, when the discharge of a shotgun blew away most of the left side of her face and head.

Family members said they will never know just how the tragedy happened. Marcia Ann and her cousin, Andy Derrick, age 3, were playing in the tool house on the premises of the Derrick farm home, while Mrs. Derrick was inside the home engaged in ironing. She heard the blast of the gun and ran to the tool house to be greeted by the gruesome tragedy.

Little 3-year-old Andy has been unable to explain what happened. An old 12-gauge double-barreled shotgun was kept in the tool house, and used only occasionally to kill hawks molesting chickens about the farm home.

The little girl is survived by her parents, one brother, Billy Ray, 18, and one sister, Clara Etta, 16, both students in the Bovina high school.

Council Hears Tax Valuation Protests

Meeting in a special session at the Legion Hall Tuesday night, the City Council heard protests on tax valuations fixed against property in the newly incorporated City of Farwell.

A fairly good representation of the taxpayers were present and went over the tax rolls with Councilmen, with the result that only a limited number of complaints were registered after hearing an explanation of the means used in arriving at the taxable valuation of the property.

Councilmen explained that the values had been arrived at by first determining the actual value of the property and then setting the taxable value at one-half the actual value. The city tax rate has been set at 60 cents on the \$100 valuation.

For the current year, assessments are being made only against real estate and the total valuations amount to approximately \$650,000, which will yield in the neighborhood of \$4,500 in taxes.

Farm Bureau Meets At Rhea, Sept. 29

A Farm Bureau meeting has been set for Rhea on Friday, Sept. 29, and all farmers of that community are invited to attend.

Leo Forrest, manager of the Deaf Smith County REA will be main speaker for the evening's program which is scheduled to get underway at the Lutheran Parish Hall at 8:30 o'clock. Another feature of the program will be a picture show of interest to the farmers.

Concluding the program, refreshments will be served.

Legion Hall Receives Paint Job Inside

The inside walls of the principal meeting room of the Legion hall have received two coats of new paint, Mrs. Dardanela Helton, president of the Legion Auxiliary reports.

The walls are an off white color and cornice boards of several shades of green to match the color scheme, will be placed on the windows.

The kitchen has been painted a pale yellow, Mrs. Helton says, and minor repairs have been made.

Morgan Billingsley is doing the work on the building.

Kickoff time for the first home game of the 1950 football season comes for the Farwell Steers at 8 o'clock on Friday night of this week, September 29th, when they will play hosts in a conference match to the ferocious Bobcats, representing the Dimmitt school.

Coach Tommy Hestand, previewing the game on Tuesday, said ruefully, "Our scouts report that the Cats don't have a weak spot," and went on to add that strenuous sessions are being held for the Steers this week in an effort to eliminate soft spots for the Dimmitt visitors to hit.

The visiting squad has thus far taken all engagements, running roughshod over most opponents by top-heavy scores, and completely blanked out two of their foes during the year while at the same time allowing only twelve points to be scored against them.

Both Farwell and Dimmitt feature the double-wing formation, however, the Cats have been known to switch into a T, with effective operation. Experience features the visitors, with Coach Hestand reporting that a good number of Bobcats have had considerable experience, while the Steers boast only two returning lettermen for the 1950 aggregation.

Opening of the field for the first game of the year will find more seating capacity for fans, with the recent completion of steel bleachers, with ceremonies to be held at the half-time intermission dedicating the new bleachers, officials said today, in urging a liberal turn-out. W. H. Graham has been slated to give a short dedicatory address.

At present, unless workouts this week put some on the injured list, the Steers are listed to be only one short when they hit the field, with Curtis, who recently received broken bones in the hand, still on the casualty list.

"We are more ready for this game than any we've played so far," Coach Hestand said on Tuesday, adding, "I'm confident that the boys will give the best game they are capable of playing against a formidable opponent."

The lineup for Farwell includes: Doshier, left end; Coburn, right end; Pipkin, left tackle; Dial, right tackle; Raney, left guard; Magness, right guard; Jerry Pool, quarterback; Jordan, fullback; Nix, right halfback; Gerles, left halfback, and Christian, center.

The Bobcats will start activities with Jimmy Clark at left end, Jim Jowell at left tackle, Billy Murphy as left guard; Marvin Axe over the ball; David Behrends at right guard; Don Nelson, right tackle; Billy Gregory, right end; and in the backfield, Weldon Warren, quarter; Gene Easley, left half; Glenn Brown, right half, and Jack Dyer, fullback.

Admission this year will be \$1.00 for adults and 50 cents for school age children, with these prices being accepted by all schools in the conference.

First Loads Milo Arrive At Bovina

The first two loads of 1950 milo arrived at Bovina last Thursday, which is believed to be the first marketed in Paramer County this year.

The new crop grain was produced and marketed by T. O. Leslie, who farms southwest of Bovina. The grain was from irrigated land. It was bought by the Shirley Grain Company at Bovina, who reported that the moisture content registered 15 percent. Finding that the moisture content was too high for safe storing, harvesting operations were held up to allow the grain to dry out more.

Up to Tuesday at noon, no new crop milo had arrived in Farwell, but grain men said that considerable grain in the West Camp irrigated section would begin to move shortly if weather conditions remain favorable.

Texico FFA Boys Serve Record Crowd

A record crowd of 135 was served at the annual FFA barbecue last Friday night, in the Texico school lunch room.

Following the barbecue, Dee J. Brown announced that the shop was open to the crowd for inspection. Donald Engram showed the group through the workroom, pointing out projects the boys have completed this year and listing those they hope to carry out.

"Many people commented that the food was excellent," reported Carl Schmitt, FFA instructor, "and we appreciated their patronage."

Furniture Mart To Open Bovina Store

Ben Smart, owner-manager of the Furniture Mart in Texico, today announced that he was making plans to open a new store in Bovina as soon as arrangements to that end could be completed.

"It will likely be another week," Smart said when asked about the date of the opening of the new store. He has obtained a lease on the large business building, commonly known as the McCuan building and now owned by George McKinney of Bovina, and plans to fill the building with new furniture and appliances. Elton Venable of Bovina, will be in charge of the new business.

In addition to the stock of new furniture, Smart said that some used furniture would also be carried.

This will be the third store for this firm in this region, the second having been opened at Clovis last week at 108 Main street, where the stock consists of mostly used goods.

Red Cross Worker Visits Paramer County

Mrs. Waunata Hutchinson, general field representative of the Red Cross for the Texas and Oklahoma Panhandle was in Farwell for a two-day general field visit Thursday and Friday.

Mrs. Hutchinson works out of a St. Louis office, but she has her field headquarters at Plainview.

Red Cross will have its annual fund raising drive March 1 through March 31 in 1951, says the representative. One of the aims of this visit is to prepare a budget for the chapter in preparation of quota assignments.

The organization will try to set up a similar budget to the one used in 1950-51, though they do not realize how the Korean situation will effect the requirements by March says Mrs. Hutchinson.

During the month of November, Mrs. Hutchinson would like to have a meeting of local government representatives of Friona, Bovina and Farwell to discuss the role of the American Red Cross in civil defense planning on a state and national level.

Further planning will be made for this meeting at a later date, she emphasizes.

Officers of the local Red Cross chapter include: Vernon Estes, Bovina, chapter chairman; C. M. Henderson, Farwell, vice-chairman; Lola Goodwine, Friona, secretary-treasurer; Frank Spring, Friona, fund raising chairman; Mrs. O. F. Laing, Friona, home service chairman; C. R. Elliott, Bovina, disaster chairman; and W. H. Graham, Farwell, public information chairman.

Seven New Registrants Listed For September

Seven Paramer County 18-year-olds were registered with the Selective Service Board at Hereford during the month of September, it was announced here today.

Those registering from this county were: Billie R. Derrick, Bovina; Wm. P. Robertson, Texico Rt.; Edward G. Spring, Jr., Friona; Charles W. Saners, Friona; Tim T. Magness, Friona; Dale E. Houlette, Friona; Glendel L. London, Farwell.

ATTEND TECH GAME

Among the many fans present at the football game between Texas Tech and Texas University at Lubbock, Saturday, were the following local fans: John Aldridge, Joe Jones, Jack Williams, Mr. and Mrs. G. D. Anderson and Snuffy Hancock, also Joe Wilson of Bovina.

Auxiliary Contacts 198 People On Poll

Auxiliary members contacted 198 people in a poll in Twin Cities to determine the reaction of citizens to compulsory military training.

Mrs. Marie L. Sheeche, national president of the auxiliary, quoted the following question to be asked: "In view of the present world situation in which continuing military strength is the only safe guard against attack, and in view of the fact that in war the trained man has a much better chance to come home alive, do you now believe that Congress should immediately provide military training for all young men as survival insurance for all our nation."

One-hundred-fifty-five people in the Twin Cities stated that they favored compulsory military training and 35 voted against it. Only eight persons, were undecided, Dardanela Helton, president of the local organization says.

Women who helped with the survey were Mrs. Helton, Mrs. M. A. Snider, Mrs. John Porter, and Mrs. Perry Crawley.

New Electric Shop Opens In Farwell

M. Stidham has moved his family here from Portales and is opening up a new electrical shop in the building formerly occupied by Frank Seale in Farwell.

He says he is an experienced electrician and will devote most of his time to the repair of electric motors and generators. He can also do wiring, he said. He will operate his shop under the name of the Farwell Electric Shop.

Bank Deposits Up To \$10,000 Are Now Guaranteed

The Security State Bank of this city was advised this week that the Federal Deposits Insurance Act has been amended to insure deposits up to \$10,000.

The amended law became effective on Sept. 21, with the signing of the Act by President Truman. Previously individual deposits up to \$5,000 were protected by the Act.

Overweight Trucks Jam Justice Court

Overloaded trucks on New Mexico highways were responsible for a rather healthy run of business in Justice Sam Lewis court over the past week, with a total of 33 drivers being hauled into his court.

Justice Lewis said Monday that of the 33 drivers brought before his court, charges against three were dismissed for lack of sufficient evidence, and some cases were still pending. For the most part, the offenders have entered pleas of guilty and have been assessed fines ranging from \$10 to \$25.

Complaints originated at the Texico Port of Entry, where a new set of scales were installed recently and Port officials were checking every truck that appeared to be overloaded.

FLY TO MEMPHIS

Mrs. Allan Rogers and son, Robert Allan, boarded a plane in Amarillo Sunday for Memphis, Tenn., where they will join her husband, Lt. Co. Allan Rogers, who is stationed there. They have been visiting here in the B. A. Rogers home while living quarters were being located in the Tennessee city.

Mr. and Mrs. Alex Bateman and family visited in Hereford over the weekend.

Safety Notes For Automobile Drivers

Did you know that you are required to stop your car immediately before passing a school bus which is discharging children, if that bus is on a highway outside of a business or residence district?

After having stopped, you may then proceed at a prudent speed not to exceed 10 miles per hour, until you are safely beyond the bus. The law was passed in 1947 by the 50th Texas legislature as a part of the Uniform Act of Traffic Laws.

If you will notice within the next day or two, you will see in operation some of the approximately 6000 school buses which carry tens of thousands of Texas children to and from school every day. The law stated in this article is one of several which have to do with the operation of a motor vehicle in the vicinity of a school bus which is loading or discharging children.

Each year a number of accidents occur which usually involve a pass-

EVACUATING WOUNDED TO U.S. . . . Lieut. Constance Cowette, United States army air force flight nurse, watches over Private Henry Duckett, a wounded American soldier from the Korean battlefield. He was flown to Fairfield, Calif., with eight of his comrades, also wounded. The big evacuation plane carrying the wounded men landed at the Fairfield-Suisun air force base at the end of a long flight from Korea.

"ELBOW BENDERS"
 A noted physician was lecturing one day on the effects of alcohol. "Is it true," asked one student, "that alcohol makes people able to do things better?"
 "No," replied the physician. "It just makes them less ashamed of doing them badly."
 Planning, maintenance and repair plus good operation on the part of the ginner should result in better prepared cotton for the spinner and higher grades for the producer.

ing car and one of the children getting off of the bus. These accidents

are of the most heart-breaking kind because they usually mean that some young, happy school child either has been killed or possibly maimed for life.

Each driver of an automobile should follow and know the rules concerning motor vehicle traffic around school buses, because these rules were made in an effort to protect the children who ride buses.

It often is a hardship for some of these children to get ready in time to ride the bus many long miles to school each day. Certainly if these boys and girls will put forth that much effort, the drivers of automobiles on our streets and highways can exercise enough care to protect their safety on the way to and from school.

USE CITRIS OR CORN MOLASSES

The results of a recent feeding test by the Texas Agricultural Experiment Station indicate that at current prices it is an economical practice to substitute four pounds of citrus or corn molasses for an equal amount of ground milo in a beef calf fattening ration.

SEWING ROOM EQUIPMENT

Equipment in the sewing room should include a sewing machine, work table, full-view mirror, ironing board, sleeve board, and iron. Small items should include shears,

It's Doughnut Time

Long Johns and Bismarcks are two members of the popular doughnut family. They're exceptionally fluffy and tender because they are made from a sweet yeast dough.

Doughnuts are one of the best breads invented to go with hot fragrant coffee, rich cocoa, or just plain chilled milk. Both cake and yeast-type doughnuts are available in variety from the bakers, but they are fun to make at home now and then. Doughnuts are appropriate for informal parties at which they are guaranteed to disappear by the dozens.

A bit of nutmeg is added for spice to the sweet yeast dough used for yeast doughnuts, Long Johns and Bismarcks. Today's recipe tells how to use the one dough for plain doughnuts with the hole, twists, Bismarcks, and Long Johns. When cool, roll plain doughnuts and twists in granulated sugar, or cinnamon and sugar. Sprinkle Bismarcks with powdered sugar and frost Long Johns with confectioners' sugar icing.

To check the temperature of the fat used for frying doughnuts without a thermometer, drop a one-inch cube of bread into the hot fat. If it browns in 60 seconds, the temperature is right for frying doughnuts.

YEAST DOUGHNUTS

- | | |
|-------------------------------------|---|
| 2 packages yeast, compressed or dry | 2 eggs, beaten |
| 1/4 cup lukewarm water | 1 teaspoon grated lemon rind (if desired) |
| 1 cup milk | 1/4 cup melted shortening |
| 1/2 cup sugar | 3 cups sifted enriched flour (about) |
| 2 teaspoons salt | 1/2 teaspoon nutmeg |

Fat for frying

Soften yeast in lukewarm water. Scald milk. Add sugar and salt. Cool to lukewarm. Add 2 cups flour and nutmeg. Mix well. Add softened yeast, eggs, and lemon rind. Beat well. Add shortening. Mix well. Add more flour to make a soft dough. Turn out on lightly floured board and knead until satiny. Place in greased bowl, cover and let rise until doubled. Punch down. Let rest 10 minutes. Roll out to 1/4 inch

thickness and cut with doughnut cutter for plain doughnuts. For twists, roll small portions of dough under the hand and twist the dough back on itself. For Bismarcks, roll the dough 1/4 inch thick and cut into pieces 1 inch wide and 3 inches long or cut with a biscuit cutter. Let rise until doubled, and fry in deep fat (375° F.). Makes about 3 dozen doughnuts.

Home Grown Grain Good Hog Feed

COLLEGE STATION—The present condition of rising prices makes hog production very profitable for farmers who have home-grown grain on hand, and the pork producer who feeds a ration that will put the most economical gains on his hogs receives the widest margin of profit. Farmers should not allow their attention to be diverted from the advantages of feeding a balanced ration to hogs by the present rising hog prices and favorable feed prices, cautions E. M. Regenbrecht, extension swine husbandman of Texas A. & M. College.

Neglecting to include the necessary amount of protein supplement reduces the digestibility of the ration, raising the feed required per pound of gain and reducing the margin of profit.

Regenbrecht says that a farmer who has home-grown grain can get economical gains by including only a good protein supplement and providing a good pasture to insure that the nutritional deficiencies of the corn or other grain are met.

He points out that corn or sorghum grain alone produces slow and costly gains, but when the grain is

supplemented with the correct protein and mineral supplements, the rate of gain is speeded up and the cost of gain is reduced.

FRENCH SANDWICHES

Here's an unusual dish using that leftover cooked roast in your refrigerator. Grind meat and combine with a can of cream mushroom soup. Spread between slices of bread dip the sandwiches in a French toast mixture and brown on both sides in hot fat.

Hang on to your War Bonds!

Lunch Bacon, Eggs
Bacon and scrambled eggs are a typical breakfast treat. But to turn this combination into a lunch or supper main dish provide a side dish of thick mushroom sauce or tangy Spanish sauce.

Carver's Aid
Help your carver! Cook the roast to just the right degree of doneness—neither overdone nor underdone. Allow the roast to "set" for about 30 minutes before dinner time to make the carving all the easier for him.

It's better for a man to keep his mouth shut and be thought a fool than to open it and remove all doubt.

Texico Sixth Grade Elects Officers

Carolyn Curd was elected president of the sixth grade at Texico schools in a called class meeting, on Friday.

Other officers of the class include Lucille Carpenter, vice president; Susan Palmer Levins, secretary; Oneta Autry, treasurer; and Alfred Doshier, reporter.

The name chosen by the class was "The Polio Fund Club". Dues are 25c monthly and meetings are held each second and fourth Friday.

Charles Felts Plays In Brass Ensemble

In addition to the instrumental organizations on the Eastern New Mexico University Campus in Portales, three small ensembles have been organized. C. M. Stookey, chairman of the School of Music, announces.

Charles Felts, son of Mr. and Mrs. C. A. Felts, of Lariat, Texas, a junior student, is bass horn player for the brass ensemble.

Visits In Lubbock

Jeanne Dudley and Maxine Ford left Saturday afternoon for Lubbock to visit with friends. Miss Ford stayed with Joan Williams of Farwell who attends Texas Tech, and Miss Dudley visited with Mr. and Mrs. Toby Penn and with Miss Mary Swenson. Both Mrs. Penn and Miss Swenson are former college roommates of Miss Dudley's.

Miss Dudley and Miss Ford returned to Farwell Sunday afternoon.

Visits With Relatives

Miss Jett Byerley visited in Muleshoe over the weekend with her grandmother, Mrs. Maude Jones, her aunt and uncle, Mr. and Mrs. Al Robertson, Pattie and Ann, of California, and her parents, Mr. and Mrs. Byerley and Earl of Levelland.

In N. R. Harding Home

Hurshel Harding of Texas Tech college in Lubbock, was home visiting his parents, the N. R. Hardings, over the weekend. Another son, Nathan Harding, also attends school at Tech.

To California

Lee McDaniels, son-in-law of Mr. and Mrs. Ralph Humble of this city, left Friday for Los Angeles, California, where he will be employed by the Bowen Airplane Factories. His family plans to join him in the very near future.

Visits Parents

Hershel Pierce of Iowa Park, Texas, spent the past week visiting with his parents, Mr. and Mrs. Ralph Humble. Mrs. Lee McDaniel and children accompanied them to Lubbock Sunday, and from that point Pierce returned to his home.

Mr. and Mrs. A. C. Henneman left Saturday night for Hereford where they visited Mr. Henneman's mother, Bess Henneman. They returned home Sunday.

Good Will Troopers Visit Twin Cities

A group of Girl Scout good will troopers from different sections of the Coronado Girl Scout area were in Texico-Farwell on Friday, on the first lap of their tour of the area.

The Coronado Caravan stopped at the Texico City Hall, where they presented a program, "Girl Scouting Is Everybody's Business".

Mrs. Jack McCullough, area public relations chairman, opened the program with a discussion on the history of Girl Scouting and on the purpose of the organization.

She stated that the purpose of the Caravan in coming to Texico-Farwell was to interest the townspeople in the reorganization of a local Scout troop. Mrs. McCullough said that the Scout program is a character-building organization open to all girls from seven to seventeen years of age. It is the largest organization of its kind in the world, and is 39 years old. Eleven girls founded Girl Scouts; there are now over 1,000,000 members and 250,000 adult workers.

Included in the Scout training is home management, arts and crafts, safety instruction and outdoor living. Also, the organization works to develop an understanding and friendship between this country and foreign nations.

After Mrs. McCullough's speech, a panel discussion was held by other members of the caravan.

Marilyn Chancey, area executive director, was moderator for the discussion. L. H. Rhodes, superintendent of schools in Tucumcari and president of this Girl Scout area, gave the educational point of view on Girl Scouting.

Rhodes stated that time spent in Scout work not only yields value to the community, but to the boys and girls; the program is educational, moral and spiritual in its outlook.

Discussing "Schoolmates Overseas", a Girl Scout project, Rhodes said boys and girls all over the country are gathering school supplies to be sent to foreign countries, at the same time establishing a contact with young people overseas and forming good relationships with other countries.

Mrs. Irene McFarland, president of the board at Friona, said she had made Scouting her outside interest. She has found for the past eight years that Girl Scouts are youth that can be relied upon in a time of emergency.

Mrs. Willard Stewart, a Scout leader in Friona, feels that girls should develop an interest outside of home and school and this organization is a good outlet. As a troop leader, she gives guidance and help in carrying out programs, but the girls themselves outline their work.

Also included in the Caravan were three Clovis Girl Scouts: Dorothy Krause, a senior Scout, Jane Arnett, an intermediate, and Diane Worrell, a Brownie member. Miss Krause cited the fact that they were a service organization, stating that her troop spent last Christmas helping needy families. They do have parties to keep up interest, she emphasized. Miss Arnett discussed working for second-class badges in different fields.

Reese Cagle, Clovis, gave the businessman's standpoint, saying that "It's fun to see what the kids get out of it; it's also fun to see what you get out of it." He feels that the time to give children a push in the right direction is when they are young and Girl Scouting is a training for leaders.

This area includes six counties: Curry, DeBaca, Quay, Guadalupe, all in New Mexico, and Farmer and Bailey in Texas.

The Coronado Council meeting will be held Thursday afternoon in Clovis at the Girl Scout Little House. All persons interested in Scouting are invited to attend.

Hospital Notes

Those admitted to the Farmer County hospital this week were: Mrs. Raymond Schueler, O. B., Friona; Mrs. Cecil Robison, medical, Friona; Rev. Silas Dixon, surgery, Lazbuddie; Mike Smith, medical, Friona; Pete Sandoval, medical, Friona; Melvin Treider Jr., medical, Lazbuddie; Ross R. Stuard Jr., medical, Lazbuddie; Mrs. W. L. Hannold, O. B., Friona; and Mrs. A. E. Mayfield, medical, Friona.

Dismissed

Mrs. D. R. Rule, Friona; Rev. Silas Dixon, Lazbuddie; Mrs. Paul Koeltzon and baby boy, Friona; Mrs. P. L. London, Friona; Mrs. Ray Lee Jones, Friona; Mrs. Cecil Robison, Friona; Mrs. Fred Bruns, Friona; Pete Sandoval, Friona; Mike Smith, Friona; Ross R. Stuard, Lazbuddie; and Melvin Treider, Lazbuddie.

To Oklahoma

Mr. and Mrs. Ray Stone and daughter, Kathryn Ann, accompanied by Mr. and Mrs. J. H. Stone of this city spent the past weekend visiting with friends and relatives in various parts of Oklahoma.

The Ray Stones attended the Oklahoma State fair in Oklahoma City on Saturday.

Social Events of Interest

Eastern Star Honors Past Matrons, Past Patrons, Thursday

The Bovina Order or Eastern Star showed special honors to the Past Matrons and the Past Patrons of the Order at their regular meeting, Thursday night.

The program was arranged by Mr. and Mrs. H. T. Edwards, who during the meeting presented each of the honored guests with a long stemmed rose, along with a gift from the order.

The Hall was beautifully decorated for the occasion by Nettie Rhinehart, Gladys Everette, Lillie Fuller and Evelyn Macon. The ladies used huge bouquets of mixed cut flowers in the decorative scheme. In the dining room the bouquets were placed about the room, and the table was centered with a lovely green bowl pottery filled with deep red dahlias.

An inspirational talk given by Frank Phillips, who is past patron of the Canyon chapter, and also past worthy patron of the Texas Order of Eastern Star, was enjoyed during the afternoon's program.

Following the talk by Bro. Phillips, the entire group assembled in the dining room where they enjoyed refreshments of cherry pie, ice cream and coffee.

Hostesses for the evening were Vera Banium, Tina Banium, Lucy Jones and Orma Flippin.

Past Matrons and Past Patrons present for the meeting were the following:

Thelma Perkins, Willie Mae Ross, Tina Banium, Mae Porter, Opal Buchanan, Chas. Banium, W. H. Flippin, Jr., and Frank Phillips.

The Order of Eastern Star will hold its regular initiation on Thursday, October 5th, and all members are urged to be present.

Bridal Shower Honors Mrs. Hollis Hughes

Mrs. Hollis Hughes, the former Alta Lee Wyrick of Clovis, was honored at a bridal shower in the home of Mrs. Otis Huggins Tuesday afternoon from 3 until 6 o'clock.

Hostesses for the affair were Mesdames Hop Perrin, Riley Boss, Otis Huggins, Norman Peyton, and Dale McCuan.

The table was laid with a lace cloth and centered with a bouquet of fall flowers. Pampa grass was used in the decorative scheme.

Punch and cake were served to the following:

Mesdames Chas. Lovelace, Mattie Pursley, Gabe Anderson, Duane Curtis, Lila Bennett, Lowie Pail, Perry Crawley, Jessie Gray, Jim Hughes, Alma Boss, Bill Banks, H. B. Whitley, and Lenton Pool.

Those sending regrets were: Mesdames Scott Levins, F. J. Parks, Albert Smith, A. E. Harrison, J. H. Stone, Travis Brown, John Armstrong, Ruby Stone, Hamlin Overstreet, S. S. Jobs, Bess Mansfield, Mae Porter, S. O. Billington, Walter Hardage, Anne Overstreet, Lon Carpenter, Jack Williams, M. A. Snider and Wilma, H. H. Petree, Alvonia Cox, Billie Phillips, Otis Branscum and Nelma Jean.

Sisters Visit Here

Visiting in the B. N. Graham home Tuesday and part of Wednesday were Mrs. Graham's sisters, Mrs. Gene Cox and Mrs. Ross Gibson. Accompanying them was Mrs. Gibson's daughter, Mrs. Dorothy Hayes and one-month-old son, Dennis. All of the visitors were from Lamesa.

Mr. and Mrs. Hayden Jennings of Clovis were visitors in the home of Mr. and Mrs. Les Means in Texico the past Saturday.

Ex-Students Continue Plans For Homecoming

The exes of Farwell Consolidated schools really got underway this week when the correspondence committee met and mailed out letters to all ex-students and ex-teachers whose addresses they knew.

The letter contained an invitation to the addressee to become a part of the newly set-up association, which is the first real organization of ex-students and ex-teachers for Farwell, Oklahoma Lane, and West Camp to be organized.

The Exes association was planned at the annual Ex-Students-Teachers banquet held in August, but actual work on proposed plans didn't begin until September 14 when the Alumni association met and set the date for the first annual Homecoming, Nov. 10, when Farwell plays Spring-lake.

A Homecoming Queen will also be chosen from the school to be crowned at the football game, and an old-fashioned barbeque will be held that night, besides a huge Homecoming bonfire.

All exes are invited to become members of the non-profit organization, LaMoin Williams, secretary of the group, says. Dues of 50 cents will be utilized for correspondence and publicity expense.

Mrs. Williams stresses that it is not necessary to have graduated from Farwell Consolidated schools, if a person attended school there, he is eligible for the organization.

Discussing the Homecoming festivities, Mrs. Williams says that if the ex or teacher is married, the wife or husband, respectively, is welcome to the festivities.

Anyone knowing the addresses of ex students or teachers is asked to see Mrs. Williams or another member of the correspondence committee. This committee includes Mr. and Mrs. A. C. Henneman, Ruby Meeks, Alvonia Cox and Jerry Meeks.

Those wishing to become members of Exes of Farwell Consolidated Schools may send the dues to Mrs. Williams or give them to Ruby Meeks at Hall's Grocery.

Companions Entertain Daughters Of Ruth

Companion Sunday School Class of The Texico-Farwell Baptist Church, entertained the Daughters of Ruth class with a social at 8:30 Tuesday night, in the church parlor.

Eighteen attended the affair. Early arriving guests played ping pong, after which a special program was given.

Group singing was scheduled first on the program, accompanied by Peggy Schleuter. Then Miss Schleuter gave the devotional based on 1 John 4:11, "Beloved, if God so loved us, we ought also to love one another."

Mrs. Ansel Doolittle, who was in charge of the games, read quizzes on automobiles and flowers. A memory game involving Biblical names, then a vocabulary game was played.

Mrs. Buddy Pearce and Jeanne Dudley served doughnuts and hot chocolate to the group.

Those attending the social were: Mesdames Buddy Pearce, Ansel Doolittle, Joe Camp, Jimmy McGuire, Valarie Henneman; Misses Peggy Schleuter, Grace Melendez, Patsy Doshier, Peggy and Betty Donahy, Margie Reed, Jo Beth Ingram, Carmen Roth, Jeanne Dudley, Mary Harding; Mrs. T. E. Roth, Companion class teacher; Mrs. Clyde Magness, Daughters of Ruth class teacher; and Mrs. Barney Kelley, Sunday School superintendent.

Mr. and Mrs. J. W. Deal of Post were dinner guests of Mr. and Mrs. A. C. Henneman Monday.

Eighteen Enroll In Coppercraft School

Eighteen students enrolled in the Coppercraft classes held Thursday and Friday afternoons in the Home Economics building at the Farwell school. Instructor for the course was Mrs. Ann Lovelace, assisted by Mrs. LaMoin Williams, on the first day.

The school was held from 5 until 8 o'clock the first day, and convened on Monday afternoon so students could complete the work they had begun.

Coppercraft pictures, 10 1/2 x 12 inches, were designed with patterns furnished by Mrs. Lovelace. "Horse head pictures were most popular," Mrs. Lovelace commented.

The next school to be held will be on an aluminum tray making. The date of the course will be announced later.

Those attending the school were: Peggy Mayfield, Dorothy Lovelace, Ann Whitley, Elsie Cain, Audie McManigal, Dickie Magness, Mae Porter, Tom Paul McCuan, Edwena Owen, Mary Bryant, Clovis; Ella Ruth Williams, Dr. Mary L. McNeff, Dr. Koenia Scheuck, Merle Clements, Mrs. Travis Brown and Ysleta, Fern Hardage and Mrs. Calvin Sanders.

Lazbuddy PTA Holds First Meeting, 2nd

Lazbuddy PTA will hold its first meeting of the year Monday night, October 2, at 7:30, in the grade school auditorium. All parents, teachers, and other civic-minded individuals are urged to attend, officials say.

The 1950-51 program has been planned, including discussions on "It's Up To Us", "Where Do Teen-Agers Get Their Standards?" and "What Is More Often Followed Than the Models of Parents?". Mrs. Juel Treider is in charge of the program for the night.

The annual membership drive is now being observed, and since State Convention is a week earlier than planned, it is necessary to send membership dues to State Board soon. Anyone interested in joining the organization is asked to pay dues to any of the teachers, who are assisting in the drive.

A social hour will be held after the meeting, officials emphasize.

Local Women Attend District WSCS Meet

The Women's Society of Christian Service of the Methodist Church attended a seminar held by the WSCS of the Clovis district, in Rosedale, Friday.

The meeting was opened at 10:30 in the morning with Mrs. Lang, New Mexico conference secretary of mission study, of El Paso, presiding.

This meeting was one of a series of seminars to be held in the state of New Mexico.

After a short talk by Mrs. Lang, the group was divided in classes to hold 45-minute discussion sessions. Topics were "Mission Study", "Status of Women in Church and Politics", and "Christian Social Relations".

A covered dish luncheon was served and study sessions held in the afternoon.

"It was a wonderful meeting," said Mrs. W. H. Graham, who attended the affair. Other local people present included Mesdames Murphy Duncan, Albert Thomas and B. N. Graham.

Birthday Supper

Mrs. Roy B. Ezell was guest at the birthday supper of Mrs. Albert Thomas Saturday night. Also present was Mrs. Thomas's son and his wife, Mr. and Mrs. Claud Thomas of Fields, N. M.

Texico Is Host To Schoolmasters Meet

The Texico school was host to the Curry County School Masters banquet and monthly business meeting on Thursday evening in the school cafeteria.

Schools represented were Center, Ranchvale, Rosedale, Grady, Field, Clovis and Texico. Fren Stout, principal, estimates 50 men attended.

Kennard Harris sang "Wandering" and "The Old Road", accompanied by Mrs. John Armour at the piano.

Mrs. Jimmy Allman and the home economics girls prepared and served the banquet, which featured baked ham. Girls assisting were Alva Jane Moss, June Breeze, Norma Jean Jacks, Doris Levell, Charlene Allen, Clodine Allen, Catherine Bell, Phyllis Tucker and Lorenia Boyles.

After the meeting the group enjoyed games of "42".

Band And Pep Club Will Perform Friday

The Farwell Band and Pep Squad will perform at the half at the Dimmitt-Farwell football game Friday night, Mrs. Erma Jobs says. This will be their first performance this year.

Members of the group plan to do a simple marching routine while playing the school song. The twirlers will also perform.

Betty Foster is drum major for the band and Bobby Christian, Rose Hines, Nancy Aldridge, Darlene Sprawls, Betty Billingsley, and Gloria Sanders are twirlers.

The band has been practicing formation and music since the beginning of school, Mrs. Jobs said.

Wesley Guild Plans Guest Dinner Soon

In a meeting held Wednesday night at the Methodist church, the Wesley Guild decided to have a guest dinner, with the tentative date of Oct. 11.

The Guild was inactive during the summer months and the Wednesday meeting was the first of the fall schedule.

Members of the group had a short business meeting and outlined plans for the coming year.

Punch and cookies were served to: Mesdames Mary Lou Cason, Bess Mansfield, W. W. Vinyard, Lenora McDermitt, Murphy Duncan, Jim Moss, Paul Wurster, Agrie Jones, Leroy Faville, C. B. Stockton, John Armstrong and Dick Walker.

Birthday Dinner Honors Jo Sonda Magerus

Jo Sonda Magerus was honored with a chicken dinner on her birthday Thursday night, by her parents, Mr. and Mrs. Albert Magerus. Guests for the occasion were two Jo Sandra's classmates, Anita Fern Brown and Betty Bridges.

The three girls spent the early part of the evening taking pictures. Then they were served fried chicken with "all the trimmings" and apple cake for dessert.

The latter part of the evening the girls went skating. The two guests spent the night at the Magerus home.

Enroute To See Mother

Mr. and Mrs. N. W. Peyton had as guests over the past weekend, Mr. Peyton's brother and wife, Mr. and Mrs. Roy Peyton of Williams, Arizona. Mr. Peyton's mother, Mrs. Mamie Peyton of Altus, Oklahoma, has been seriously ill, and the Roy Peytons were enroute to see her.

Watch Eclipse

Visiting Mrs. Roy B. Ezell Sunday was her son and his family, Mr. and Mrs. Marty Ezell of Portales; and another son and his family, Mr. and Mrs. Gene Ezell of Bovina. The group watched the eclipse Sunday night.

Miss Beth Tharp of Texico is visiting relatives in Los Angeles, Calif. this week.

Ruth And Golden Circle Classes Meet Monday

The Ruth and Golden Circle Sunday School classes of the Baptist church held their joint meeting Monday night, Sept. 25, at the home of Mrs. R. L. Douglas.

Lucille Stover was elected secretary of Golden Circle class. Other officers had been previously elected. Golden Circle class has adopted a 5-year-old girl from Portales Orphans home, and plans for her clothing were discussed.

After the business meeting, the guest speaker, Miss Ray Buster, teacher in the Religious Education department of the Baptist High school for girls in Rio de Janerio was introduced.

She told the story of Senior Saul and dona Sarah Silva and their family and of their conversion and Baptism into the church.

At the close of the meeting, apple pie a la mode and coffee were served to the following:

Katherine Lockhart, Beulah McWilliams, Lois Smith, Gertrude Potts, Leona Moss, Gladys Hromas, Alyne Douglas, Eva Branscum, Margaret White, Fern Hardage, Lucille Stoner, Mable Martin, Ray Buster, Mary Whitley, Peggy Schlueter, Elsie Hardage, Estelline Billington, Mae Porter, Dickie Magness, Mrs. Hugh Tucker, Mrs. Luther Moss, Mrs. L. A. Pearce, Mrs. D. J. Brown, Mrs. M. H. Poteet, and one visitor, Mrs. C. L. Harris.

The next meeting will be held in the home of Mrs. R. L. Douglas, Jr.

Home Demonstration Meets in Hardage Home

Maureen Winkles, president, presided at the Thursday meeting of the Pleasant Hill Home Demonstration club which met at the home of Mrs. J. E. Hardage.

Ten members were present. After a covered dish luncheon, a business meeting was held.

Hazel Echelman received a gift from her club pal.

Baptist Young People Attend Youth Rally

A group of young people from Texico-Farwell Baptist church attended a Youth Rally at the Central Baptist Church in Clovis Tuesday night, Rev. O. O. Holladay says.

The meeting, which began at 8:30 o'clock, was sponsored by Plains association.

Mrs. J. B. Hatch and son, Larry, of Portales, spent Monday night with Mrs. G. M. Dial. They also visited with the A. C. Hennemans on Monday.

Alex Bateman, Jimmy and Ann, took Robert Bateman back to Canyon Monday night. Robert is enrolled in West Texas State College.

Mr. and Mrs. A. C. Henneman played canasta at the home of Mr. and Mrs. Jimmy McGuire Monday night.

Visiting in the Ed Hardage home is Mrs. Hardage's brother, A. D. Davenport Jr.

Mr. and Mrs. Glenn Phillips had as dinner guests Wednesday, Mr. and Mrs. Sol Morgan.

Jess Landrum, who works for Aldridge and Aldridge lawyers, was ill the first part of the week.

Mr. and Mrs. Orville London of Amarillo visited her mother, Mrs. Jess Newton over the weekend.

Mr. and Mrs. David Russell and Linda were dinner guests of Mr. and Mrs. Bob Anderson Sunday.

CAN YOU AFFORD TO TAKE CHANCES?

For \$5.00 I can write you an insurance policy that provides up to \$5,000.00 for polio treatment to any one individual.

For \$10.00 you can give this protection to every member of your family, regardless of the number.

Tedde Roth Honored With Birthday Party

Mrs. T. E. Roth honored her son, Tedde, with a party celebrating his ninth birthday in her home Wednesday afternoon.

After the guests played games, refreshments of cake and ice cream were served to Billy and Jerry Reid, Eldon Thatcher, Donald Calliogett, Bill Thigpen, Billie Roth, and Tedde.

Mary Petree Chosen Class Officer At ENMU

In class officer election held at Eastern New Mexico University recently, Mary Ruth Petree was chosen as secretary-treasurer of the sophomore class.

Miss Petree is the daughter of Mr. and Mrs. H. H. Petree of Farwell. She was graduated from the Farwell high school in 1949, where she was class salutatorian.

Julia Rice Celebrates Seventh Birthday

Mr. and Mrs. Albert Rice honored their daughter, Julia, with a party on her seventh birthday Saturday afternoon.

Favors were balloon and toy horns. Pink and white cake with bunny decorated ice cream was served.

Those attending the party were: Jerry Thigpen, Judy and Janice Adams, Margaret Hudson, Beth Ellen Peyton, Ann and Mike Rice, and the honoree, Julia.

Here From New Jersey

Mrs. Norman Gleickman and son, Jimmy, spent the past week as guests in the home of Mr. and Mrs. H. Y. Overstreet of this city and Mr. and Mrs. Henry Minter of Bovina.

Mrs. H. Y. Overstreet and Mrs. Anne Overstreet took the Gleickmans to Amarillo where they boarded a plane for their home in East Orange, New Jersey.

Bovina Happenings

BY MARIE VENABLE

Mrs. Fred Langer and Miss Sarah Marie Venable left Thursday afternoon for points in Montana where Fred Langer is cutting wheat they plan to be gone about a week.

Pete Davies left Friday for Albuquerque, where he is entering his horse in the New Mexico State Fair. Mrs. Davies and Mrs. Byron Turner will join him there today (Wednesday).

David and Jess Bliss of Lariat, visited Sunday in the home of Mr. and Mrs. Garland White. They are cousins of Mr. White.

Mrs. Joe Langer and Mrs. Clyde Blalock returned Tuesday from a six-week visit in Minnesota with relatives and Mrs. Langer's sister, who is in a critical condition.

Mr. and Mrs. McQueen of Memphis Texas visited in the Bill Venable home over the weekend. Mrs. Mary Agnes Evans and baby daughter are visiting in their home of her parents this week.

Mr. and Mrs. E. D. Ashcraft had as guests in their home Sunday Mrs. Ina Pearl Bagwell and daughter of

Amarillo, and Miss Ashcraft of Friona.

Mr. and Mrs. E. H. Young and family visited relatives in Ackerley, Texas, on Sunday.

Mrs. A. M. Wilson underwent minor surgery at a Clovis hospital, on Tuesday.

Mr. and Mrs. J. R. Caldwell spent several days the past week visiting relatives in Odessa and Big Spring.

Rev. and Mrs. York, of Panhandle, were visiting in Bovina over the weekend.

Mr. and Mrs. Monk Horton are visiting in Duncan, Oklahoma, this week.

Mrs. Mable Newberry has had the pleasure of her son's company for the past ten days, Walter B. Newberry, of Oklahoma City.

Mrs. R. G. Morgan is visiting with friends in Bovina this week.

Rev. and Mrs. A. O. Brewer, of Abenrathy, were visitors in the J. H. Steelman home, last Wednesday.

Mr. and Mrs. W. E. McCuan and Dottie went to Fort Worth, Sunday, to attend business matters.

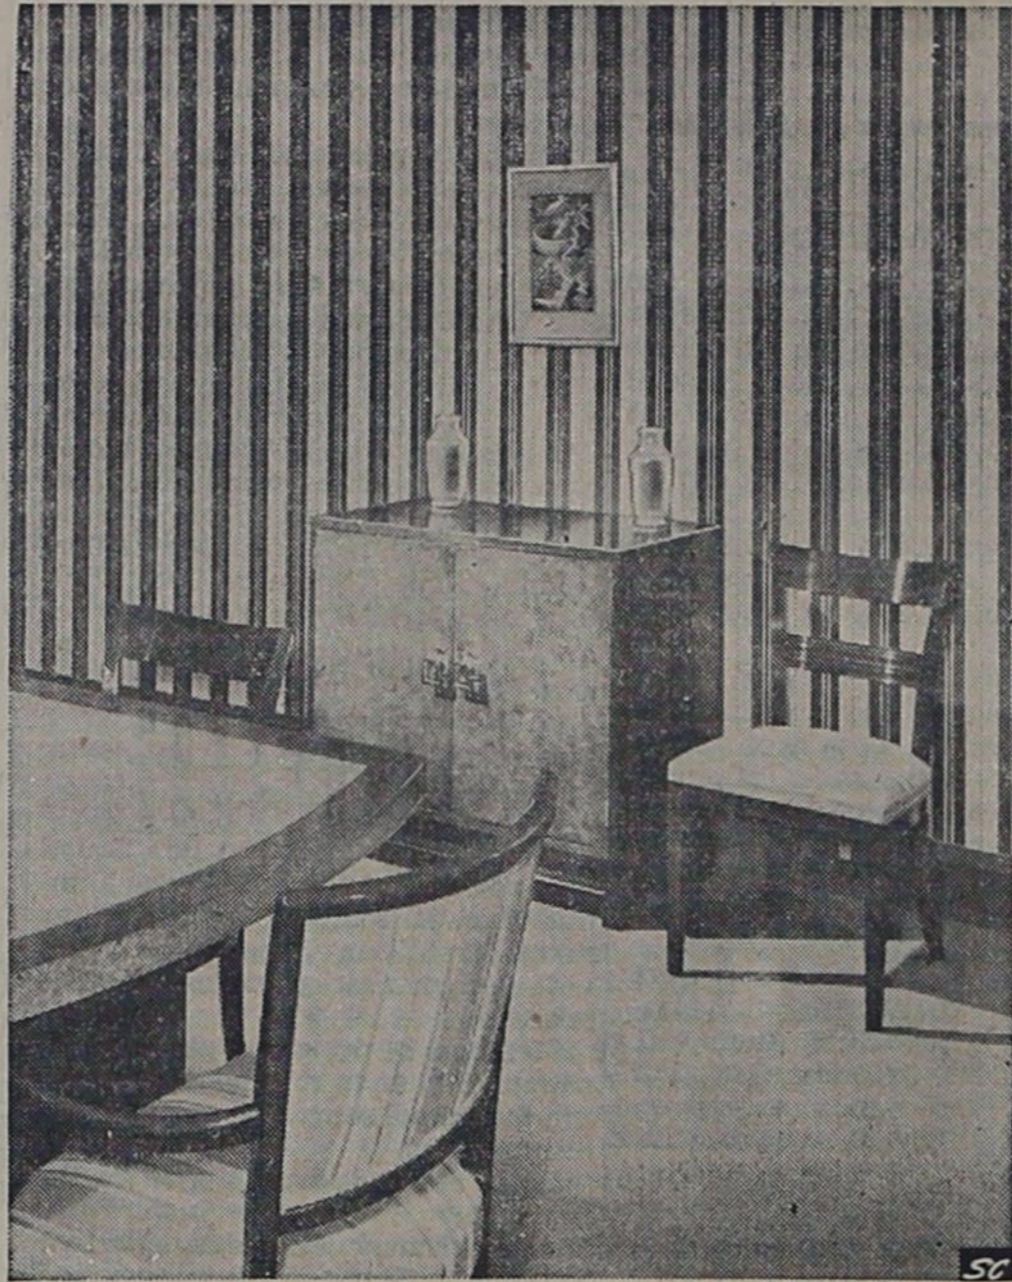

Tommy Kaylor visited home folks in Nash, Oklahoma, last weekend, and attended his sister's wedding.

Mr. and Mrs. Charles Sterling have as their guests this week her parents, Mr. and Mrs. Charley Williams, of Bronson, Kansas.

Mrs. Alvert Mills, of Mapleton, Kansas, is visiting her daughter, Mrs. Earl Dean Boyd, this week.

Mr. and Mrs. Marvin Threlkeld visited her parents, Mr. and Mrs. Freeman, in Sunray, over the week-

Stripes — Your Passkey To Style

Johnson Furniture Company Photo

For matchless perfection, ever-treasured mahogany against a background of green and white stripes! Charm in the grand manner demands no magic formula once you have discovered the potent enchantment of striped wall paper.

It adds up to that unbeatable combination of smartness plus practicality. Nothing lends an aura of sleek style to an interior setting as readily as a striped background, and with the vertical rendition, you can create an illusion of soaring height to diminish the scourge of low ceilings.

end. R. S. Johnson spent the weekend with his parents in Lubbock.

Mrs. Pete Davies had as her guests on Sunday her mother, Mrs. Willie Smith and a sister and brother-in-law, Mr. and Mrs. C. E. Foster, all of Clovis; Mr. and Mrs. Roy Hawkins and Eurith and Roylene, and Mr. and Mrs. Charles Hawkins and daughter.

HALF CENTURY CLUB MEETS THURSDAY

Mrs. Graham Thornton was hostess to the Bovina Half Century Club on Thursday of last week, when they assembled in her home for the first meeting of the year.

Mrs. Donalita Hawkins gave an interesting demonstration on arrangement of fall flowers. The business of the evening was to start the club out on a new year.

Lemonade and cookies were served by the hostess to Mesdames A. V. Warren, Donalita Hawkins, Marion Carson, Bass Elliott, D. S. Looney and Howard Looney.

JOINT MEETING OF WSCS CIRCLES HELD AT CHURCH

A joint meeting of the Dorcas and Marcia Lynn Circles of the WSCS of the Methodist Church was held in the church on Wednesday afternoon at 3 o'clock.

All officers took part in an executive meeting conducted by Mrs. Lewis Pesch before the program began.

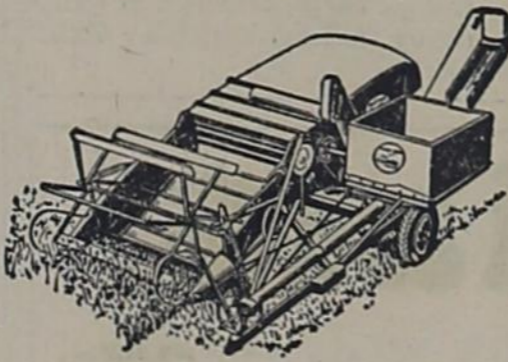

Mrs. Oscar Bruce gave the devotional, and Mrs. Jimmie Charles had charge of the program, on the Near East. Mrs. Boyles, of Friona, was the guest speaker of the evening. Mrs. Lucile Collier, of Friona, was also a guest.

Hostesses were Mesdames Fred Langer, Pat Kunselman and Frank Hastings, and refreshments were served by them to Mesdames H. Poindexter, Billie Sudderth, Rural Barron, Jimmy Charles, T. J. Hopingardner, I. W. Quickel, Lloyd Battey, Lewi Pesch, Oscar Bruce, Mable Newberry, Earl Ware, Mary Richards, J. T. Hammonds and the Friona guests.

AIR DEFENSE COMMANDER... Major General Willard W. Irvine will head the defense department's new army air defense command to fit into the over-all U.S. air defense system in the event of war. The new command will include anti-aircraft units.

MORE and CLEANER GRAIN with a Massey-Harris Clipper

The Massey-Harris Clipper gives you greater threshing capacity. Your grain is never crowded or jammed through cylinders and across screens. There's no bunching or slugging. Straw moves straight through the Clipper in a light, even blanket. More grain is taken from the straw... and it's thoroughly cleaned before it's elevated to the tank.

Come in next time you're in town and let us tell you more about the Massey-Harris Clipper that handles more than 110 different crops. Make your own comparison.

Review of Leading Businesses

Johnson & Pool Feature B. F. Goodrich Tires and Norge Electrical Appliances

Supplying the needs of this area in many lines the well known Muleshoe firm of Johnson & Pool have gained popularity with each sale because of their outstanding merchandise, above-board business policies and good service. Their stock of GOODRICH tractor, truck and automobile tires is second to none and they suggest that you see them for a liberal trade allowance on your old tires—convenient terms may be arranged if desired.

This aggressive Muleshoe concern also handles NORGE ROLLATOR REFRIGERATORS—known for their low operating cost, variety of freezer capacities. They also have a large stock of NORGE Home Freezers, Electric Ranges, Gas Ranges, Ro-Ta-Tor Washers, and Home heaters.

You will find at Johnson & Pool a full line of MOTOROLA Radios—MAYTAG WASHERS as well as hardware, housewares, gifts, sporting goods and WESTINGHOUSE SEWING MACHINES.

We could not, in this article adequately describe the stock of useful items carried by Johnson & Pool—it will indeed be a pleasure for you to visit this popular store the very next time that you are in Muleshoe. You will find that the clerks are most friendly and will give you every assistance in finding just what you want.

Our community is indeed fortunate in having this steady firm in Muleshoe and they merit the goodwill and patronage of our readers because of their quality merchandise and fair treatment to their customers.

Boots Bryant Aids Farmers Of Area

Well known to both grain and cotton farmers in this area is Boots Bryant who is the owner and operator of MULESHOE GIN and O. K. ELEVATOR in Muleshoe.

MULESHOE GIN has been put in readiness to handle their share of the ginning of this year's cotton crop. It will be remembered that last year the estimated cotton crop for this territory that was ginned and marketed in Muleshoe was 60,000 bales. The cotton farmers who used the facilities of the MULESHOE GIN were pleased with the good service that they received and Mr. Bryant and the employees of the gin are again ready to render the same good service and solicit the patronage of their old friends and customers and to those who have never used their services invite them to bring their cotton to them this year and assure them the very best of service.

The O. K. ELEVATOR is ready to receive storage grain. Their facilities are the very best and Boots Bryant sees to it that the grain is properly handled. It is also the policy of O. K. ELEVATOR to be of assistance to our grain farmers in every way possible—furnish them with market information, assist them in the preparation of government loan papers, in fact they will go out of their way to render any service they can and solicit your grain storage.

We take pleasure in recommending both the MULESHOE GIN and O. K. ELEVATOR to our readers. You will find that Boots Bryant has always cooperated with every movement that would better the agricultural interests of this area and his many friends and customers among our farmers are loud in their praise of the good service rendered them by MULESHOE GIN and O. K. ELEVATOR.

Rockwell Bros. & Co. Pioneer Lumbermen

There is no firm in this area that is more on the alert to offer new and proven items in the building supply line than Rockwell Bros. & Co. in Friona.

Since 1907 they have always had a reputation for carrying only the very highest quality lumber, millwork, roofing and siding materials, builders hardware and paint as well as many other items used in construction and remodeling.

They have always been glad to advise with prospective customers regarding their plans and often times can make suggestions and recommendations that will prove of benefit and save you money on your remodeling or building costs.

There is no business that has contributed more to the growth and progress of our community than this pioneer lumber concern. For over forty

years they have supplied the lumber and building material needs of the community and have built their business on two principals, quality material and products and fair and honest prices. They are to be complimented for their splendid service to the public and for their contribution to the building of our prosperous community.

To those of our readers who may be in the need of lumber or building supplies we recommend Rockwell Bros. & Co. of Friona. You will find them most cooperative and glad to furnish you with cost estimates and any other information that you may desire in connection with building or remodeling.

Scott Music Co. Tops In Their Field

Over this entire trade area when music—pianos, any kind of musical instrument or phonograph records are mentioned, Scotts Music located at 311 Main in Clovis are thought of because they have established themselves as "Music Headquarters" for our territory.

This popular Clovis music house feature WURLITZER pianos, a full line of band instruments, string instruments, sheet music and one of the most complete lines of phonograph records in the entire Southwest. They have a wide selection of the latest Western, race and popular records—whenever a new "hit tune" has been released Scotts Music have it. They also have a complete line of record players.

The schools throughout New Mexico and West Texas have always regarded Scotts Music as a most reliable source for instruments for high school bands. Mr. Scott has personally seen to it that high school bands are given every consideration in their selection of instruments and also will extend liberal credit terms to those who wish to purchase a WURLITZER piano, or any other type of instrument so that they can "Learn to Play while you Pay."

We know of no other concern in this section that has contributed to the cultural and musical development of our children and young people than Scotts Music of Clovis—this is the reason, no doubt, that they are leaders in the musical field and to those of our readers who are contemplating purchasing a piano, musical instrument or record player, by all means drop into Scotts Music in Clovis—you will also be pleased with their large stock of records, they will possibly have just what you want, if not—they will order it gladly.

Reeve Chevrolet Co. Is Popular Firm

No review edition of the agricultural interests of our community would be complete without mention of Reeve Chevrolet Co. of Friona who not only sell the popular Chevrolet automobiles but also are dealers for the well known line of ALLIS-CHALMERS TRACTOR and FARM MACHINERY, FRIGIDAIRE home freezers, ranges and refrigerators as well as a general line of smaller electrical appliances.

Because of these popular lines, coupled with the very best of service and fair business policies this concern enjoys a large patronage and the goodwill of the entire area.

Reeve Chevrolet Co. also pride themselves on having, at all times, a large and complete stock of factory engineered parts for the machinery, appliances and implements that they handle. Their service department is known favorably for their experience in repairing tractors and farm equipment and then charges are most reasonable.

An invitation is extended to our many readers to stop in and see Reeve's line of A-C tractors and implements as well as FRIGIDAIRE appliances the next time you are in Friona.

This popular concern has gained a reputation for complete customer satisfaction and they are thoroughly familiar with farm machinery and tractors and always go out of their way to be of service to those who seek their advice or information.

Reeve Chevrolet has played an important part in the progress of this district and merit the continued good will and whole-hearted support of our farmers.

Coal consumption is a poor third in the fuel field race.

A Review of Preferred Places to Trade For The Entire Family

Chas. Lenau Lbr. Co. Carries Large Stock

Carrying the largest stock of lumber, building supplies, asbestos roofing and siding, builders hardware, LOWE BOS. Paint as well as many other items including pipe, fittings and plumbing fixtures, West of Lubbock CHAS. LENAUM LUMBER COMPANY of Muleshoe are classed as leaders in their line.

Quality has always been the watch word of this popular Muleshoe Building Supply concern and they now have in stock many of those "HARD TO GET" items that are not available elsewhere.

Because of Lenau's connections they have always been able to quote "rock bottom prices" on anything that they handle. They have supplied contractors and builders with material, pipe and plumbing supplies to be used all over this area.

Charles Lenau personally sees to the buying for the lumber company and also is always glad to figure cost estimates for any type construction or remodeling jobs, without obligation. Whether the job at hand is a large building project or a small repair job you will find Mr. Lenau most cooperative and willing to give any suggestions that he can that will be of assistance to the builder.

Both Muleshoe and the community are fortunate to have such an aggressive lumberman as Charles Lenau and we compliment him on the business that he operates and wish for him every success in the future.

Clovis Boot Shop Stock Western Togs

To those who wear western boots George and Troy Skinner are well known as they have a reputation throughout New Mexico and West Texas as being "tops" in the making of well-fitting and beautifully designed boots. In fact at the present time it will be necessary to wait for completion of a pair of boots because of the number of orders ahead. They have on hand however a large stock of high quality Mexican made boots from A. C. Moore Co. in Fort Worth, ranging in size from 4 in childrens boots through size 12 in mens sizes.

Clovis Boot Shop have just received a beautiful selection of belt buckle sets in both sterling silver and nickle, they also have a large assortment of hand-tooled belts, Navajo blankets, saddles, show halters, bridles, billfolds, bag and gloves. The Skinner boys have seen to it that they have everything in hand-tooled leather, and if you have something special in mind they will make it for you. They also stock larier rope.

Both George and Troy Skinner have always taken pride in the work that they turn out, whether it is a pair of their hand made boots or a repair job in their modernly equipped boot and shoe repair department. They are always glad to see their old friends and customers and to make new ones—that's why their reputation for being "Tops in Boot Making" extends over such a wide territory.

We compliment Clovis Boot Shop at 216 Main in Clovis for their complete line of western equipment and recommend them to our many readers.

N. M. Roofing-Sheet Metal Co. Lead Field

Well known in both New Mexico and West Texas for their good service, quality material and equipment New Mexico Roofing and Sheet Metal Co. located at 121 W. 1st street in Clovis are leaders in their line.

This aggressive Clovis concern specializes in commercial & domestic refrigeration service and serves Curry, Parmer, Bailey and Roosevelt counties. Their service men are thoroughly experienced in the refrigeration line and make service calls day or night. They handle FRIGIDAIRE commercial units—walk-in freezers, meat display cases, restaurant refrigeration equipment.

N. M. Roofing and Sheet Metal Co. fabricate any item needed in sheet metal and are glad to consult with

you on your requirements and make estimates. They also handle LENOX CENTRAL HEATING EQUIPMENT and at this particular time of the year it would be well to have your heating unit checked by them for necessary repairs and if you need new heating equipment they will give you the very best engineering service and recommend the proper unit to heat your building most efficiently and at the lowest fuel cost.

JOHNS-MANSVILLE Asbestos Roofing and Siding is handled and applied by this company. This nationally known roofing and siding is known for its high quality, is fire-proof and serves as an insulation and will make your building warm in winter and cool in summer.

R. H. Warwick owner of N. M. Roofing and Sheet Metal Co. is a man of wide experience in his lines and sees to it that every job that is turned out by his company is done to the entire satisfaction of the customer.

Parmer Co. Imp. Co. International Dealer

Furnishing our farmers a "one stop implement and tractor service", Parmer County Implement Co. of Friona who handle INTERNATIONAL Tractors and Farm Implements are rendering a service second to none to our farmers.

INTERNATIONAL equipment is one of the oldest and most dependable lines in this country and Parmer County Implement Co. give them the best of representation. They are glad to discuss with you your tractor or implement problems and will go out of their way to make an attractive deal on a tractor or implement.

At this particular time of the year, before the fall rush, they suggest that, should your tractor or any other of your machinery need repairs or a complete over-haul that you bring it in. Their experienced mechanics will do a first class job and they use only factory engineered parts. You will find that their repair shop is well equipped and that they will be reasonable in their charges.

INTERNATIONAL TRUCKS have proven their worth under all conditions—in the oil fields, on the farm and wherever heavy loads are to be hauled. Should you be in the market for a new INTERNATIONAL TRUCK be sure and see Parmer County Implement Co. they will give you a liberal trade-in allowance on your old truck.

We are glad to recommend this reliable Friona concern to our readers because they have built their business on quality equipment and fair dealing and merit the splendid business that they enjoy.

A. S. Stovall Leads As Cotton Buyer

Well known to those who raise cotton in our territory is the popular Muleshoe cotton buyer, A. S. Stovall who has made an enviable reputation in serving his customers to their entire satisfaction.

A. S. Stovall goes out of his way to render the very best of service possible and give our cotton planters the benefit of his experience which is based on many years in the cotton business. He always pays the highest market price for your cotton and makes quick returns. It is also his policy to furnish market information and be of assistance to his customers in any other way that he can.

We have always found that Mr. Stovall is ready and willing to cooperate with any worthwhile public movement that will better our community and is active in the business life of this area. He is serving cotton farmers who have used his services since he started in business and who, not only are loud in their praise of Stovall's above-board business policies but recommend him to others. He has been active in buying 1949 Cotton Loan Equities and has paid the highest market price for them.

It is a pleasure for us to be able to give public recognition to this outstanding citizen and to congratulate Mr. Stovall on the fine progress he has made in the cotton business in Muleshoe.

Good Seed Wheat At Bov. Wheat Growers

Ready to serve our wheat farmers with select seed wheat—the popular varieties such as COMMANCHE, WESTAR and TENMARQ. All of the seed wheat offered by them is of the very highest quality.

Bovina Wheat Growers is headquarters for PGC Stock and Poultry Feed. Those who use these balanced rations say that PGC Feed is most economical but properly balanced to give best results in this section of the country. Bovina Wheat Growers Ass'n is looked upon by the farmers in our community as a part of the agricultural activity. At all times they are glad to cooperate with every worthwhile movement that tends to improve farming conditions and they are always glad to be of assistance in helping in preparation of government crop loan applications and they go out of their way to render any service that is helpful, such as furnishing market information and giving the benefit of their experience in the grain business to those who seek information.

The Board of Directors as well as the progressive management and the stockholders in this 100,000 bushel elevator are to be complimented in the manner in which the business of this association is conducted and for their generous contribution to the agricultural development of our community.

Western Nat'l. Farm Loan Assn. Renders Outstanding Service

In mentioning those who serve the agricultural interests of our area we must point to the Western National Farm Loan Association with offices in Muleshoe. This outstanding farm loan association is a model in their field and the management and methods have been studied by many similar organizations throughout the Southwest because of their efficiency and business policies. They have always made as liberal loans as possible consistent with good business and have saved our farmers considerable in interests and loan-fees. They recently declared a 15% dividend to the stockholders.

Western National Farm Loan Association has always had an aggressive board of directors who have spent much time in seeing to the affairs of the association. Special mention is also made of Noel Woodley the manager who is always anxious to see that every possible detail of the business is properly handled and who is highly regarded by the board and stockholders as well as the entire community. He is a man who has taken an active part in the civic affairs of the community and works for its interest at all times.

It is with pride, in this review edition of the paper that we commend Noel Woodley and the board of directors of Western National Farm Loan Association for the splendid service that they render to the farmers of this area.

E. R. Hart Co. Is Reliable Firm

Having established a most enviable reputation in this trade area for having a quality hardware, furniture, floor coverings and appliances E. R. Hart Co. of Muleshoe have always kept abreast with the times and are among the first to offer anything new in their line.

The hardware department is well stocked with the items used in this section and can be depended upon to furnish the very highest quality at most reasonable prices.

The latest in design and style can always be found in their furniture department as they have a wide selection of bedroom, living room, dining room and kitchen furniture as well as those "occasional and odd pieces" that add to the appearance of your home. Hart's floor coverings—rugs, carpets and linoleums are of the highest quality and they have a good selection. They also have AIR LUMEN VENETIAN BLINDS in all sizes.

KELVINATOR Refrigerators in all capacities are to be had at Hart's and also Home Freezers—it has been proven that you not only save dollars with a KELVINATOR Home Freezer but they pay for themselves while you feast the year 'round.

E. R. Hart Co. has served our area for many years and is looked upon as a "Fixture" in the business life of our community. Only the very highest quality merchandise and fair business tactics can build such a reputation and business. We hope for this aggressive Muleshoe concern continued success in the future.

Friona Lumber Co. Aid To Builders

Headquarters in this area for quality lumber, millwork, shingles, roofing and siding material, plumbing supplies and builders hardware is the Friona Lumber Company who have always taken great pride in rendering the very best of service to the community.

They also handle NEW METHOD PAINTS and a complete line of varnish, laquers, paint brushes, in fact a complete line of painters supplies.

Many of the residents of this community have used the friendly service of Friona Lumber Company who are pleased to be of assistance in making recommendations for remodeling jobs as well as new construction. Because of their experience in the building supply business they often make suggestions that not only save the builder money but will also add to the attractiveness and efficiency of the job.

In the Fall of the year there is often times much repair work and building to be done on the farm. If you will consult with the Friona Lumber Company they will gladly furnish you cost estimates on material without obligation. You will find them most friendly and accommodating.

Should you desire a competent carpenter, painter or plumber they will gladly recommend craftsmen who have had experience and can be depended upon.

We take pleasure in this review edition of our paper in complimenting Friona Lumber Company for their above-board business policies, quality materials and the good service that they render to their patrons and recommend them to anyone who is in need of lumber, other building materials, paint or plumbing supplies.

J. A. McGee Offers Community Service

The Real Estate Business is highly specialized—it is necessary not only to be familiar with the values of ranches, farms and city property but to also know, through many contacts, where these places are and secure their listing in order to offer your clientele a diversified list of properties and locate for them exactly what they want.

One of the best informed and most aggressive real estate men in the area is J. A. McGee in Muleshoe. He has currently listed many ranches and large farms, many irrigated, houses, business property and lots. Should you be in the market to buy or sell you will find Mr. McGee will give you every cooperation to accomplish your need. He is man of seasoned experience and always glad to assist his clients in any way possible.

With some activity in oil being evidenced in this area, J. A. McGee has the necessary contacts and has buyers for oil minerals and royalties. He is most active in this field and will be glad to hear from those who want to sell their royalties or minerals.

We take pleasure in this review edition of the paper in complimenting J. A. McGee on the splendid record he has made in the real estate business and recommend him to those who are in the market to buy or sell ranches, farms, city or business property or their oil minerals or royalties. If you will consult with Mr. McGee you will find him most friendly and he will go out of his way to be of service to you.

Holt & Lyles Are Leading Contractors

As a substantial contributor to the progress of this area both James D. Holt and C. R. Lyles of the engineering and contracting firm bearing their name located at No. 6, The Village in Clovis have established a well deserved reputation in commercial, industrial and warehouse construction as well as building public buildings.

Through the diligent adherence to those factors requisite to the successful operation of the construction business, Holt and Lyles have established themselves as virtual headquarters for matters pertaining to engineering and building. By careful organization they have integrated the efforts of carpenters, masons, excavators and construction crews and also the various sub-contracting groups to form a smooth functioning building operation from the architect's plan to the completed project.

Those who have enjoyed Holt & Lyles valuable services recognize them for their friendly attitude. Whether the contract is established on a cost-plus or fixed fee basis the client may always be assured of the highest quality work at the lowest possible price consistent with quality. It has also been their policy to provide their prospective builders with friendly advice and guidance on.

Happenings at Friona

ABIE CRUME, correspondent. Phone contributions to 2791.

Weight, Experience Prove Downfall For Friona Chieftians

A heavier, smooth-working, experienced team from Spring Lake proved the downfall of the Friona Chiefs on Friday night, when the locals made their first appearance before Friona fans in the 1950 football season. Final count was 34-0, with the visiting Wolverines holding a definite edge throughout the entire game.

Barrett and Underwood, whom some fans will remember from last year, made the Spring Lake backfield function like a charm, and the capabilities of Smith, at the end slot, were also formidable.

Friona had one fair and one apparent lead-pipe cinch at scores, the first coming in the second quarter when the Chiefs recovered a fumbled kick deep in Wolverine territory, but were unable to smash the strong Spring Lake defense. Hopes went high in final quarter when the Chiefs were clicking and marched down to the 10-yard line—only to see an apparently perfect pass bounce out of the hands of unmolested Jimmy Norwood, in the end zone. Two other passing attempts were not so perfect and likewise failed to materialize and Friona's last chance disappeared into thin air.

Spring Lake scored early in the first quarter, with Underwood bulldozing his way into the end zone, and Barrett carried the mail for the extra. In the second quarter the visitors racked up two counters, and two points after, all credited to Smith. Barrett scored again in the third on two occasions, failing to make one extra point and counting on the second try.

Play Hereford Friday

The Chiefs are slated to go out of town again this weekend, visiting at Hereford on Friday night for a game with that aggregation.

FRIONA SCOUTS TAKE PART IN CARAVAN

Friona Girl Scouts and their leaders took part in a Scout caravan on Friday and Saturday of last week, with representatives from over the Coronado Area visiting a large number of communities with a view of stimulating interest in Girl Scout troops.

Special dignita rides in the caravan included Marilyn Chancey, area supervisor; and L. H. Rhodes, of Tucumcari, area council finance chairman; and Mrs. Jack McCullough, of Clovis, publicity chairman.

The caravan paid visits to Friona, Farwell, Muleshoe, Clovis, Tucumcari, Santa Rosa, Vaughn and Fort Sumner, appearing on the air in a special broadcast from Tucumcari on Saturday.

Participating in the activities from Friona troops were Mrs. J. G. McFarland, local leader; Mrs. Bill Stewart, Mrs. Weldon Dickson, Mrs. Ralph Wilson, Eugenia Ray Landrum, Sally Osborn and Glenna Pope.

MRS. KELLY HONORED WITH STORK SHOWER

Mrs. B. M. Kelly was honored the past Friday afternoon, when room-mothers of her 1949-50 grade school class acted as hostesses at a stork shower in the Woman's Club building in Friona.

Hostesses for the occasion were Mesdames Gordon Hough, Johnnie Hand, J. Sanders, Glen Taylor, John Parker and Leo Bailes.

A clever motif was carried out with white storks being arranged about the entertaining rooms, around which were wired bouquets of floating flowers. The serving table featured a crocheted cloth and the crystal punch service, with Mrs. Hough presiding. Mrs. Sanders was in charge of the guest register.

During the afternoon, six youngsters who were formerly taught by Mrs. Kelly sang "Lullaby" to their dolls, with Sally Hough, Johnnie Hand, Bonnie Jean Wagoner, Janie Parker, Lanette Pritchard and Charlotte Bailes as the vocalists.

MRS. ALLEN HOSTESS TO MISSIONARY GROUP

Mrs. Tommy Allen was hostess the past Thursday evening at 8 p. m., when members of the Baptist Women's Missionary Union met in her home for a covered dish supper and the Royal Service program.

Mrs. Curtis Murphy was in charge of the program, which dealt with the work of missionaries in foreign fields in overcoming illiteracy.

During the business session, Mrs. Clyde Sherrieb was elected as president of the WMU; Mrs. Spencer Hough, secretary; Mrs. C. E. Hall, chairman of Circle I; Mrs. Clayton Taylor, chairman of Circle II; and Mrs. Allen, reporter.

VISITS SPECIALIST

Mr. and Mrs. C. A. Guinn of Friona, accompanied by Mr. and Mrs. Alan Guinn and family, of Muleshoe,

New Bleachers For Chief Football Field

New steel bleachers are in the process of erection at Chieftain field, which, when complete, will seat an additional 1,000 fans, Supt. Dalton Caffey said on Monday.

Steel work was actually completed last week, but wood to form the seats—which had been slated to arrive on Friday—did not appear here until Saturday, so the bleachers were not in use at the home game Friday night.

The new arrangement will give a seating capacity of some 1500 to the field, and fans look forward to completion of the stands.

went to Dallas over the weekend, where Mrs. C. A. Guinn is this week going through a clinic for a physical checkup. She has been suffering severe headaches for some time, family members said, and it is hoped that some relief can be found.

WEEK OF PRAYER FOR LADIES ON FRIDAY

Observance of the annual Week of Prayer program will be held for members of the Baptist WMU on Friday of this week, with an all-day meeting in the home Mrs. G. H. Brock.

The program slated to get underway at 10 o'clock in the morning, with a covered dish luncheon to be served at the noon hour. Mrs. Brock program chairman, will conduct the study on home mission work, with special emphasis being placed on the Mary Hill Davis program.

All members of the WMU are urged to be on hand for this special meeting.

SCHOOL FOR TEACHERS HELD IN AMARILLO

A five-day school particularly planned for Sunday School teachers but to which laymen of the church are invited, is being held for Methodist representatives over this area in Amarillo this week.

Rev. Jimmy Tidwell, Friona pastor, said Monday that he planned to attend some of the sessions, but was not certain of other attendance. Classes began on Sunday afternoon, and will be held nightly through Thursday.

PROMOTION DAY COMES SUNDAY FOR YOUNGSTERS

Youngsters in Sunday School groups of the Methodist Church will observe their annual promotion day on Sunday, October 1, when a special assembly program of all groups will be held.

At the conclusion of the assembly, certificates of promotion will be issued to the students by A. W. Anthony, Jr., Sunday School superintendent.

FACULTY PARTY IS HELD ON MONDAY

Teachers of the Friona Schools and their respective wives and husbands were entertained on Monday night when the regular faculty social was held in the Community House.

At the conclusion of games and a social hour, refreshments were served by the hosts, Gene Tyre, B. M. Kelly, and Raymond Cook.

VISITS IN AMARILLO

Mr. and Mrs. E. R. Day and her mother, Mrs. Armstrong, were in Amarillo, Saturday, where they visited and attended the Tri-State Fair. Accompanying them home for the weekend was the Day's daughter, Miss Tila Rue, who is enrolled in nurse's training at Northwest Texas Hospital, and Miss Patsy Cobb, daughter of Mr. and Mrs. Giles Cobb, who is taking a beauty course. The girls returned to Amarillo on Sunday evening.

WORK DAY OBSERVED

Members of the WMU of the Baptist Church met on Monday afternoon to observe their customary "work day", with the ladies making quilts to be sent to the recently-opened Baptist Orphanage at Round Rock, Texas.

ATTEND FOOTBALL GAME

Among the attendants at the Texas University-Texas Tech football game, held the past Saturday afternoon at Jones Stadium in Lubbock, were Mr. and Mrs. Dan Ethridge, Mr. and Mrs. Johnnie Bengier, Dr. Paul Spring, Miss June Plezewski, Mrs. Frank Spring, and Mary Tom, and Mrs. Wesley Foster and Pat. Mrs. Foster also visited her daughter, Ray Nell, who is a freshman student at Tech.

MRS. BOYLE LEADS WSCS STUDY GROUP

Mrs. J. H. Boyle directed the program of the Woman's Society for Christian Service, of the Methodist Church, when the regular meeting was held on Tuesday afternoon, September 26th.

Topic for the afternoon was "Toward a Christian Community", and a good study period was enjoyed by the attendants.

IN ALLEN HOME

Mr. and Mrs. D. H. Mansell, of Hollywood, California, visited the past Thursday in the home of Rev. and Mrs. T. B. Allen in Friona. Mrs. Mansell is an aunt of Mrs. Allen. The Mansells had flown to Detroit, to pick up a new automobile, after which they visited in Washington, D. C., and Chicago. They were enroute to their California home when they stopped briefly here.

TO DISTRICT MEETING

Mrs. Dan Ethridge, district board member; Mrs. Wesley Hardesty, president of the Senior Woman's Club; and Mrs. J. T. Gee, president of the Modern Study Club, were in Plainview the past Friday, attending a district board meeting for club officials. They report an interesting meeting, with plans being mapped for affiliated clubs for the current year.

VISIT HEREFORD CHURCH

Members of the Friona Methodist Church were visitors at the Hereford church on Sunday night, with services in Friona being disbanded. Appearing on the special program was the Friona men's quartette, including Forrest Osborn, Cecial Robason, Dalton Caffey, and P. L. London.

Holt & Lyles—

(Continued From Preceding Page)

the complicated matters peculiar to the construction business. Certainly no other business service is more directly related to the favorable development of this district and it is only fitting that aggressive citizen such as James D. Holt and C. R. Lyles should be among the more prominent men of their profession. Their contribution to the progress of this immediate area and also the State of New Mexico and West Texas where they have and are, at the present time, building projects will speak for their ability as engineers—contractors.

Lambert Noted For Expert Plumbing

At this time of the year it is well for farmers to have their home water system checked and also others that may have need of plumbing repairs before the winter weather is here. Lambert Plumbing Shop in Muleshoe have built a reputation for good service in all branches of the plumbing

line in this territory. Not only are they expert in repair work but are equipped to make complete home water system installations from wells, furnishing the proper pump to meet your specific need, motor and the latest types of plumbing fixtures from their stock. If you are building a new home or remodeling Mr. Lambert will be pleased to go into the details of your plumbing or home water system and furnish cost estimates without obligation.

Lambert also handles, in addition to their stock of plumbing fixtures, TAPPAN GAS RANGES which are known for their beauty, fuel economy and efficiency in baking. They also carry BEN HUR HOME FREEZERS in various sizes.

The next time that you are in Muleshoe drop into Lambert Plumbing Shop and see how they can modernize your home with a water system or plumbing installation and also find out about the superior quality of TAPPAN GAS RANGES and BEN HUR HOME FREEZERS.

We compliment Lambert Plumbing Shop on the good service that they render to their customers and wish for them success in the future.

Tire Rubber Economy Never Possible Before

Into the national achievement record has gone this phenomenal tire rubber economy—never known or possible before!

Not an ounce of wasted rubber yet each tire can give every owner years, instead of miles, of safety and service—his one tire investment for years to come.

With local communities solidly backed by extensive dealer investments in service and maintenance equipment, all of the original safety mileage of these unique tires is continuously renewed and renewable—when other tires are giving up their lives.

They are tires that work and serve at the very heart and core of the national economy in normal times, and in every possible rubber emergency.

They have set up entirely new standards of safety and mileage by which other tires are now being judged and measured, everywhere in the United States.

Whether with black, or with whitewalls, they provide their exclusive Protective Curbguard, their new Royaltex Tread and Traction, and they deliver up to 60% more safe mileage.

They have resulted from many years of continuous research, experience and U. S. Rubber investment. They are the only such tires in the world, priced as low as life and safety permit.

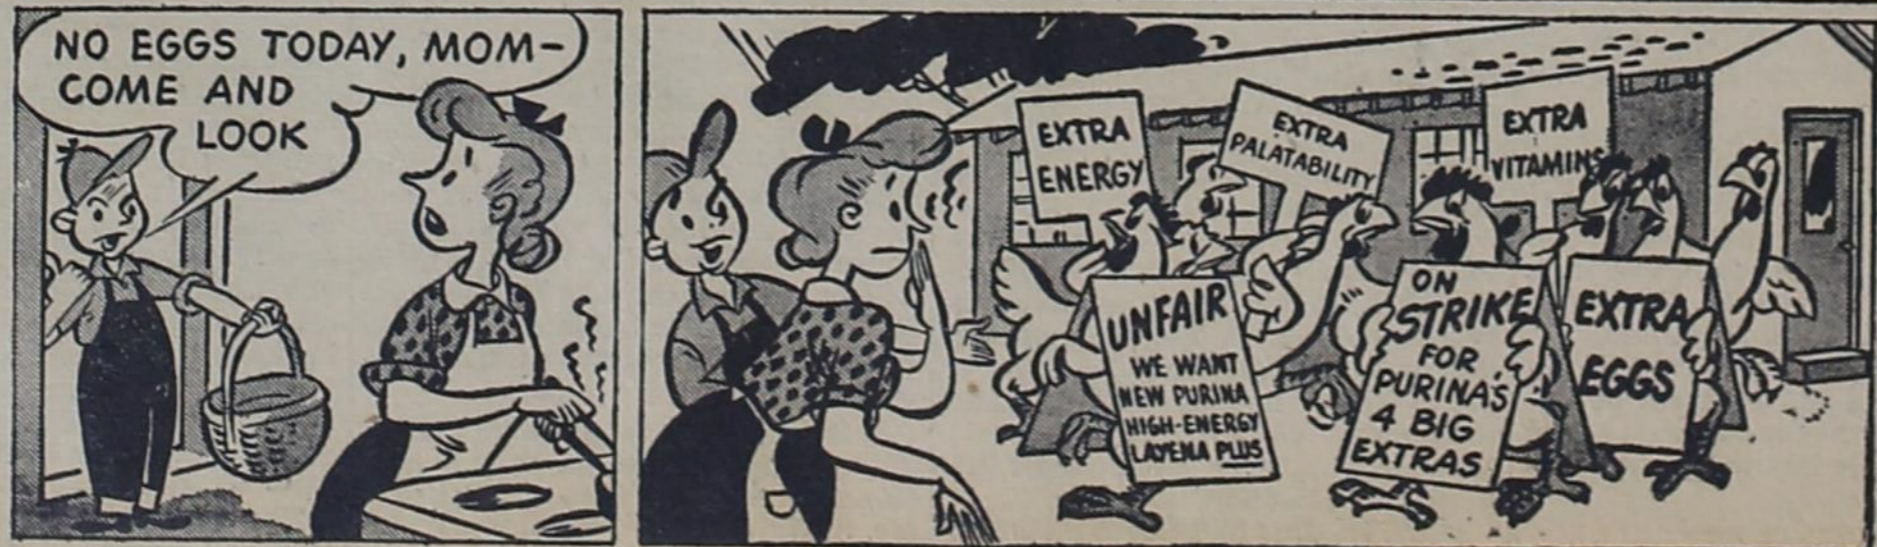

They are the tires that now roll and serve with the nation, with tire rubber economy never known before, remaining fresh and new in safety when other tires are giving up their lives.

'Snow White & The Seven Dwarfs' Presented Oct. 10, Farwell School

The beloved fairy tale, "Snow White and the Seven Dwarfs", will come to life on Thursday, October 10, on the stage of the Farwell high school at 8 p. m., sponsored by the local Parent Teacher Association.

The excellent New York company will present a musical stage version of the famous story, embellished with glorious costumes and elaborate scenery. It will be a production designed for the enjoyment of both young and old. There will be comedy for children of all ages coupled with the sweet sentiment of the time-honored story of Princess Snow White's love for her Prince Charming. The lovable antics of the Seven Dwarfs and the magic of the Queen-Witch plus the singing and dancing make up one of the most delightful stage attractions ever witnessed.

The cast, assembled with utmost care from the ranks of New York performers, has presented "Snow White and the Seven Dwarfs" in every section of the country. Audiences in such metropolitan centers as Chicago, Detroit, Pittsburgh, Kansas City, Seattle and many others have been thrilled with this brilliant musical performance.

It is a safe assumption that any child who sees this production will always remember it as a most joyful event. The magic of the stage, the living actor, music, dance, and the colorful settings which go to make up a musical show never fail to impress the young mind and to guide it toward a fuller enjoyment of the beauties of life.

10,366 Texans To Take Physicals During October

AUSTIN.—State draft boards were called upon today to furnish 10,366 men for armed forces pre-induction examination from October 16th through October 27th.

This brings the number of men called for these tests in Texas to 40,516 since the beginning of the Korean conflict, Brigadier General Paul L. Wakefield, state director of Selective Service, said.

First inductions of Texans into the army since early 1949 began on September 18th. More than 2,500 are scheduled to be inducted in September, and a like amount in October, all previously announced and broken down by local board quotas.

A state call of 3,453 for induction in November has been received from National Headquarters, General Wakefield advised. Quotas for local boards for this induction call will not be issued by state headquarters until early October.

October examinations will be held at Abilene, Amarillo, Corpus Christi, Dallas, El Paso, San Antonio, Houston, Texarkana and Shreveport.

BUY ANGUS CATTLE

L. L. Norton recently purchased a purebred Aberdeen-Angus bull and cow, from W. M. Norton and Sons of Atoka, Oklahoma. Buster Cochrane purchased a bull from the Nortons.

A thorough soaking at intervals of a week or ten days is far better than a daily shallow watering for flowers, trees, shrubs, and the vegetable garden during hot dry weather.

Frank Morris Joins Santa Fe Grain Co.

FRANK MORRIS, Graduate Agronomist of Texas A. & M.—is now associated with the Santa Fe Grain Company, and is organizing a new Seed Division for this old established Company at their headquarters in Friona, Texas.

In addition to setting up a modern and complete seed testing and analyzing laboratory, Morris plans to offer his knowledge and experience as a free service to the growers of this West Texas area. He plans to work with the farmers in assisting them in the selection, control and analysis of their seeds and to encourage the planting and production of certified and registered seed for market. Further, he will develop merchandising outlets for this seed, thus enabling the producers to increase their marketing potential from the present more or less local demand to a state or country-wide distribution.

Morris has also had considerable experimental background with range grasses and he hopes to be able to work with the ranchers of the area in

FRANK MORRIS

the care and maintenance of their rangelands.

The area around Friona produces not only excellent varieties of seed wheat, but also grain sorghums and sudan form a goodly part that area's production. It is hoped that through the cooperative efforts of the com-

pany and the growers that this area will in time become a nationally recognized source for high quality seeds.

Santa Fe Grain Company has a storage capacity of 700,000 bushels, Leo Potishman, Fort Worth, is president of this company. General (Preach) Cranfill, Friona, is vice-president and manager.

Selectees Listed For Induction On Oct. 4

Parmer County will not be required to furnish any men in the induction call for Oct. 4, it was revealed here today with the release of the names of the selectees.

Eleven men from Area No. 18, embracing Parmer, Castro, Deaf Smith and Randall Counties, are scheduled to be inducted on Oct. 4. They are:

Robert Owen Ellison, Hereford; Carl Junior Smith, Canyon; Jack Stanley Laing, Amarillo; Emmett Mason Potter, Hereford; Charles Douglas Barnad, Skellytown; Raymond Milburn Halden, Hart; John Albert Cavin, Jr., Amarillo; Alfred Duwane Smith, Hereford; Johnnie Albert Williams, Canyon; Anthony Vincent Acker, Nazereth.

Come to the First Home Game of the Season!
Let's Support Our Boys All the Way!

When Is A Cake Not A Cake? . . . When They Come In Pairs

When Mrs. A. C. Henneman, a bride of two weeks, decided she would surprise her husband with her baking ability she didn't anticipate that she would be on the receiving end of the surprise.

A. C. had gone to Hereford to visit his mother, Bess Henneman, for a short while when Valarie conceived the idea—with plenty of time to turn out a delectable masterpiece.

What Valarie didn't know was that A. C.'s mother had the same idea, and thought an angel food cake would be a nice surprise for the newlyweds. So, a short time later, A. C. strode into the house with a broad grin on his face proclaiming, "Look what mother sent."

But Valarie didn't get discouraged, not yet, that is. After all, not too many people were so lucky—two cakes at one time!

By all reasonable standards, this story should end here, but no, the pastry question was not settled.

Who should come in only a little later but Valarie's mother, Mrs. G. M. Dial. She, too, had decided to

surprise the now "astonished" couple, but she changed the tempo just a little . . . she brought pies.

Needless to say, the Hennemans are eating pastries this week.

Questions & Answers Given for Veterans

Q—I am a widow of a World War I veteran, and I also served during the war in the WACs. Under a new law, I understand that I, as an unmarried widow, am eligible for a GI home loan. But I also am eligible under my own rights as a veteran. Can I get two GI home loans, one as a widow and the other as a veteran?

A—No. Widows eligible for GI loans because of their own service are not entitled to additional loan benefits as widows.

Q—I graduated from high school under the GI Bill this June, and in the Fall, I'd like to go on to college, also under the GI Bill. Does VA consider this a change of course, and will I have to submit justification before I can enroll?

A—VA will not consider your college training as a change of course, so you will not be required

to submit justification to take it. All you need do is submit a supplemental certificate of eligibility to the VA regional office which maintains your records.

Q—My nephew was admitted to a VA hospital, and I paid his train fare to get there. Is there any way the Government will refund the cost of the trip?

A—If VA authorized travel before the trip began, you may be entitled to a refund. Apply for it at the VA office or hospital that authorized transportation.

Q—If I enter a VA domiciliary home, may I accept outside employment and still remain in the home?

A—No. One of the requirements of eligibility for domiciliary care is that the veteran has a chronic disability or disease which prevents him from earning a living for a prospective period of time. The average boy uses soap as if it came out of his allowance.

Q—When I was discharged from the Navy, I was asked to sign a statement that my disability existed prior to my enlistment. Will this prevent me from receiving disability compensation?

A—No. Under the law, any such statement is considered null

and void. In adjudicating your claim for compensation, VA will determine whether your disability was incurred or aggravated by your military service on the basis of the evidence in the file.

Q—I am drawing disability compensation, and I believe that my disability has increased in severity. What steps do I take to get an increase in compensation?

A—You must submit new medical evidence. This may be an adequate statement from your doctor or a medical report of a recent period of hospitalization.

Q—VA has notified me that my compensation is to be reduced in 60 days. Is there any way I can prevent this reduction?

A—You may submit additional evidence to show that the reduction is not warranted. The evidence must reach VA before the expiration of the 60-day period.

Q—I would like to appear personally before the VA Rating Board that is to rate my disability for compensation purposes. Will VA pay my expense?

A—No. You must bear all the expenses, including travel both ways.

Ichthyology is the study of fishes

Grade B Eggs Are High In Real Food Value

COLLEGE STATION—An egg a day is one step toward being well fed, states Louise Mason, extension foods and nutrition specialist of Texas A. & M. College.

Grade B eggs are now coming into the markets in ever-increasing numbers, while the supply of Grade AA and A eggs is decreasing. Shying away from Grade B eggs is not good economy, as they are equal in food value to eggs of higher grade, Miss Mason points out.

At this season of the year, when they are a few cents less per dozen than Grade A, Grade B eggs are a good buy.

The main reason for this change in supply is that hot weather causes eggs to fall from the peak of freshness in a very short time. The supply of Grade B eggs is also increased because young pullets, which are just coming into production at this time of year, lay eggs which do not

measure up to the higher egg grades, particularly in weight.

Eggs are rich in blood building substances, iron, and its helper, copper. They are good sources of bone building minerals, calcium and phosphorus. They are valuable for their Vitamin A content which helps keep the eyes and the thin layer of skin lining the internal parts of the body in a vigorous and healthy condition.

They supply some Vitamin B that helps keep nerves steady and some niacin which prevents pellagra. They contain fat of a quality that supplies quick energy. Therefore, Miss Mason says, the egg deserves the attention of the homemaker who plans and prepares family meals as well as the individual who eats out.

Shell color does not affect flavor, the food value, or the cooking performance. Neither is it a guide to yolk color. There is no advantage to the homemaker in paying more for a brown or white egg of the same quality and size.

High quality eggs, Grades AA and A, are ideal for poaching, frying and cooking in the shell, but Miss Mason recommends Grade B eggs as an economical product for general cooking.

Senator LeBlanc Says South Has Great Industrial Future

Now Is the Time to Start Getting Somewhere, Says HADACOL Owner

Lafayette, La. (Sp.)—Senator Dudley J. LeBlanc, colorful owner of HADACOL, wants the South to sell its advantages to the nation just as he is selling HADACOL to the rest of the country.

The Senator spoke to about 500,000 people on his recent half million dollar good-will tour of 10 southern states. His theme was the fallacy of the South producing raw products, shipping them north for processing and then paying freight to bring the finished product back home.

The Senator pulled his handkerchief out of his pocket waving it to crowds that ranged from 25,000 to 60,000. "This handkerchief was made from cotton grown in the South," he said. "The cotton was shipped to Massachusetts and made into this finished product. Then we in the South paid the freight on it back home where we grew the cotton."

"That mill in Massachusetts furnished employment to folks up there and paid taxes that created schools and improved their economy. Why couldn't those northern folks move factories down here and give employments to our folks? I tell you, they would if we sell them the wonderful advantages of the South just as we are selling HADACOL to the rest of the nation."

Senator LeBlanc is spending a great deal of money on colored sound pictures of the HADACOL Good Will Show to display the advantages of southern industry. He plans to show these in theaters. He is also preparing an elaborate booklet to distribute throughout the north.

Senator Dudley J. LeBlanc

"I feel that when a firm has become as large as HADACOL that it owes it to its people to do more than sell just itself," said Senator LeBlanc.

Senator LeBlanc presented Mickey Rooney, Burns and Allen, Carmen Mirandi, Connie Boswell, Roy Acuff, Ernest Tubb, Minnie Pearl, Sharkey and His Dixieland Band, Frakson the Magician, and Marie Germain LeBlanc.

HADACOL is now selling at the rate of more than \$2,000,000 per month and the Senator is planning to increase sales to \$50,000,000 if he can obtain enough raw materials.

NOW LOOKING MORE ENCOURAGING PROSPECTS FOR RURAL TELEPHONES

(The Hereford Brand)

Telephone service for farmers in this area advanced a step nearer reality this week when directors instructed engineers to design a preliminary system to submit to government agencies. Local approval of the design will be followed by application for construction and operation.

A total of 850 applications have been made for telephone service through the local project, but plans will be designed upon the basis of 1,000 applications, which is considered minimum for approval for such systems, according to Leo Forrest, REA manager, who said Saturday that he believed the proposed telephone system offered excellent possibility for approval, adding that he felt the additional 150 applications would be on file before system designs were completed within two weeks.

"A fee of \$5 must be filed with each application," Forrest said, but added that in case the project does not materialize approximately \$3.50 of the amount will be returned to applicants, the other \$1.50 being used for stationery, postage, and a small clerical fee.

Tentative proposals for the system designs include five central stations in the area, which covers portions of Deaf Smith, Castro, Odham and Parmer counties. The system will extend from Dawn on the east to the New Mexico line on the west; from near Vega on the north to Flagg and Nazareth areas on the south.

Dial System

Preliminary plans feature dial telephones throughout the entire system. One switch station will be in the vicinity of Hereford, serving 360 families to start with and a possible 450 families within five years. Another switch station will be located in the Flagg area, including service southwest of Dimmitt; 110 initial families and a potential of 145. The third station will be near Nazareth serving 150 initial families, potential 180. A station near Friona is set up with an initial 200 families and a probable 250. The final station, at Oklahoma Lane, is planned for 200 initial families and a probable 275

connections. The initial system is to serve approximately 1,000 families upon completion with an anticipated 1,250 within five years.

"There are many questions which we are now unable to answer," Forrest pointed out. However, he said that two plans are being considered: first, joint operation with REA, using REA poles; second, erection of separate poles and lines. A combination of both plans, using REA poles in sparsely settled areas, was also under consideration.

Small Charge

Cost of operation will be based upon cost of the overall system, according to Forrest, who said that the Clovis project charges a \$4.25 monthly fee, affording service in neighborhood towns without toll charges.

"With the proposed dial system, it will be possible for users to dial on their immediate system without contacting a central," he pointed out. "Where they make calls into Hereford, Friona, Dimmitt, Bovina, it will be necessary for them to first dial the operator in that particular town," he continued. "This plan will be possible, of course, in case satisfactory arrangements can be made with telephone companies operating in the individual towns and, we feel, is much more practical than a smaller monthly charge, plus tolls for each town call."

Engineers, who have the preliminary survey upon a basis of possible erection of the system, have covered the proposed territory and directors feel, are in a position to make designs for the application. Definite action of the proposal was predicted within 30 to 60 days by Forrest.

The good poultry range should provide the flock with plenty of good green feed and shade and the poultryman must provide the feed and water.

Start Planning For South Plains Fair

Preparations for the Panhandle South Plains Fair, Oct. 2-7, moved into high gear this week as workmen applied finishing touches to fair buildings and grounds.

All exhibit spaces inside the Mercantile building on the fair grounds have been leased, and very few booth-sites remain outside. More business and educational exhibits will be featured this year than ever

before, fair officials recently announced.

In downtown Lubbock, rough-looking, unshaven men travel the streets and sidewalks on their way to and from work. The JayCee sponsored beard-growing campaign in popularity and many faces are hidden, not in shame, but by chin stubble. The beards serve as a reminder of "Panorama of the Plains", a historical pageant to be staged during

the fair.

Several more girls actively joined the Queens' contest early last week to try for the title of "Miss South Plains". Entries for area girls closed Saturday after a one-week extension. Lubbock girls are contesting for the title of "Miss Lubbock County."

Among the new entries are Betty Thomas and Winnie Allen, both of Hale Center, and Pat Dyer and Jerry Norris of Abernathy.

Total fair premiums this year will reach \$12,000, officials have announced. A \$2,000 increase in premiums in the cattle division is the chief boost in premium money.

Fair catalogues have been mailed to all past and prospective exhibitors and area county agents and home demonstration agents. Anyone desiring a catalogue may write the Fair Association, Box 561, Lubbock Texas.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition
When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

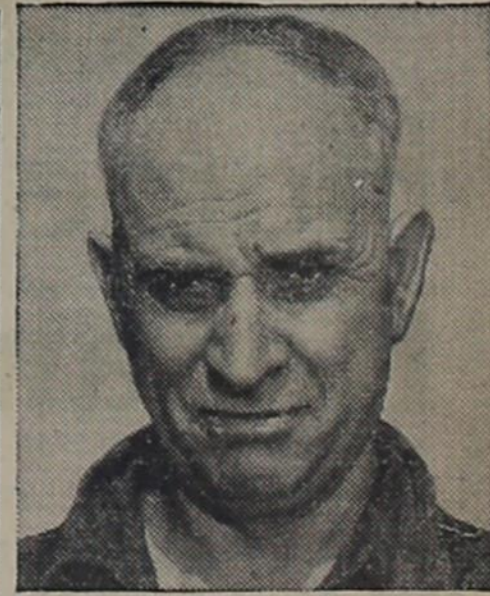

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT!

Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief—because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

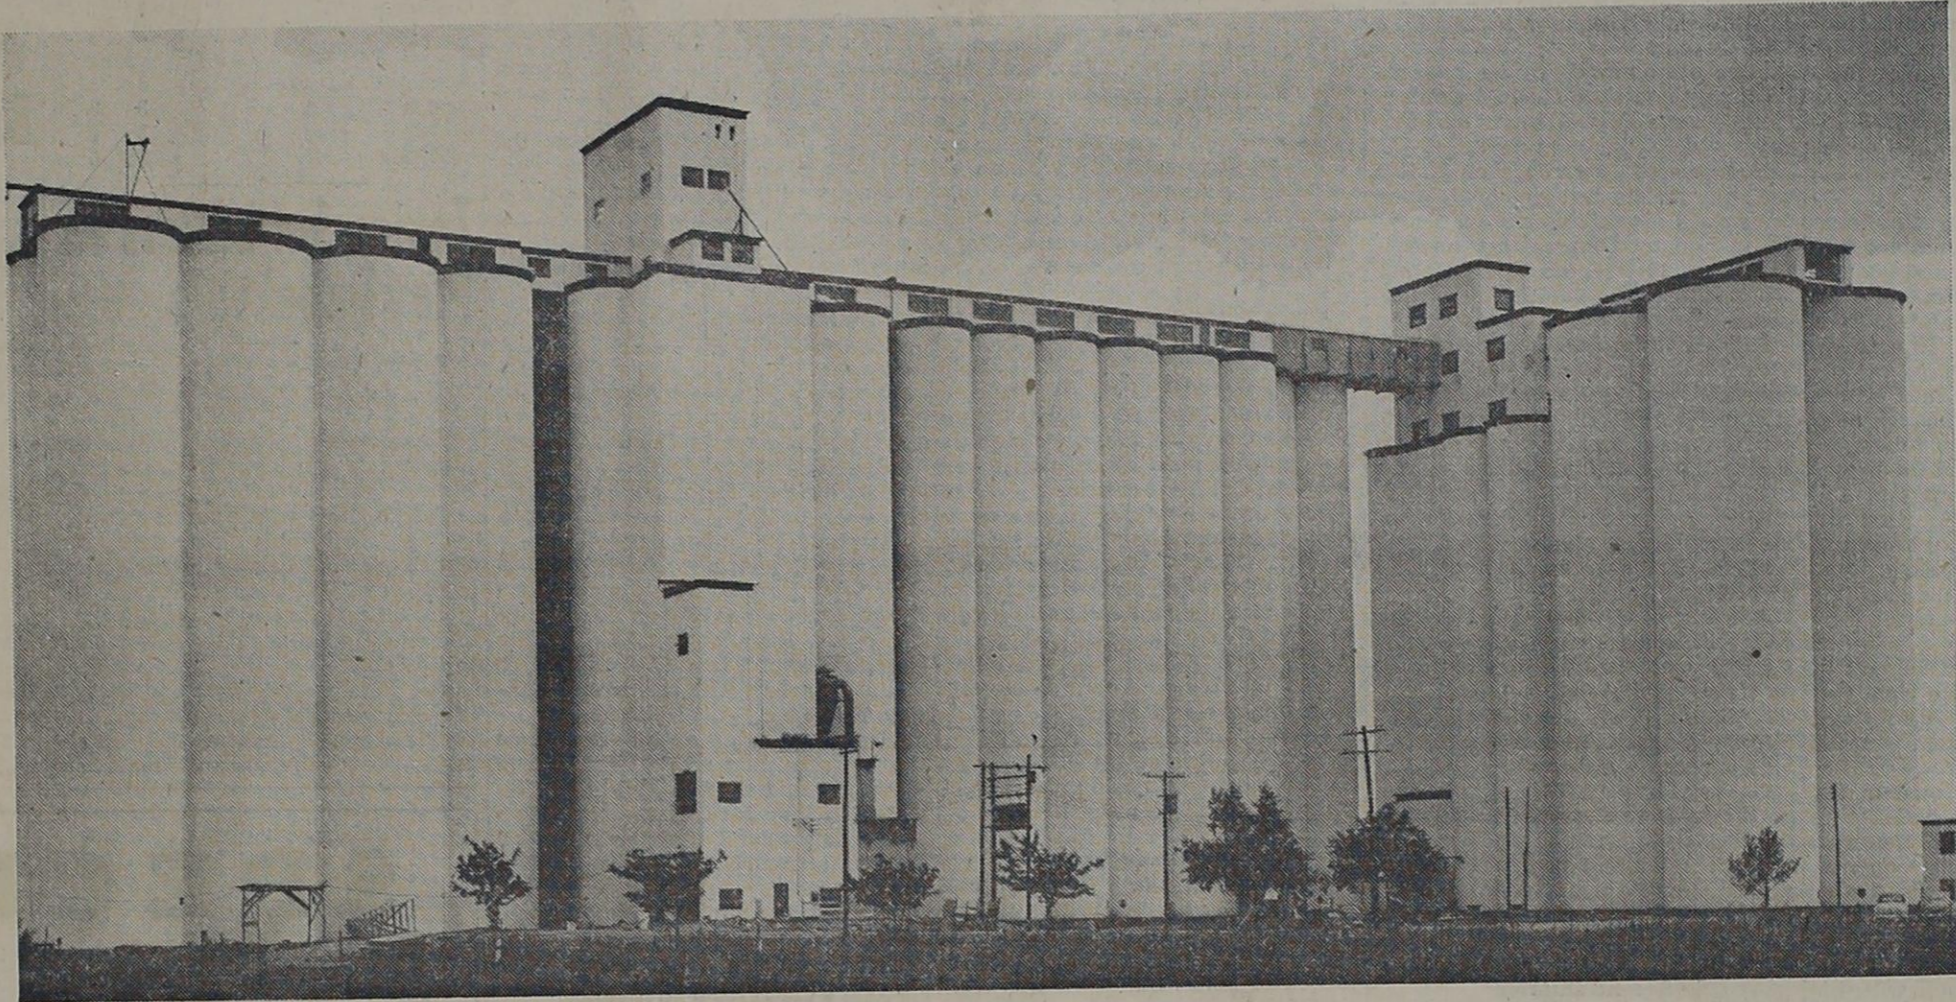

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.50. Large family or hospital size, \$3.50.

BOVINA *Is Justifiably Proud*

OF THE

Sherley Grain Company

(Second Largest Country Elevator In the State of Texas)

FACTS ABOUT THE SHERLEY GRAIN COMPANY

1. A private corporation, owned jointly by W. M. Sherley, J. A. Pitman and G. D. Anderson, Jr.
2. The second largest country elevator in the Southwest, with 181 bins and a total storage capacity of 1,600,000 bushels.
3. Completely equipped with high speed legs and three dumps, all-weather concrete driveways, unloading facilities for every type of truck, and a Fairbanks-Morse, Clear - view Printomatic Scales.
4. Modern equipment for seed recleaning and treating.
5. Federal licensed and bonded.

We Congratulate the Sherley Grain Co. on Completion of their New Elevator

and wish for them

-SPORTS-

SUNDOWN ROUGHNECKS TRIUMPH OVER STEERS FOR A 18-2 VICTORY FRIDAY NIGHT

The Farwell Steers held the Sundown Roughnecks to a close 6-2 score in a rough and tumble game Friday until the fourth quarter when the Sundowners made two fast smashing touchdowns winning out over the local eleven 18-2.

Don Waygood, 13-year-old Sundown line smasher, ran 20 yards for a final touchdown for the Roughnecks in the last two minutes of the game.

Farwell's line, averaging 161 pounds was heavier than the 153 pound average Sundown line. The Roughnecks had an average of 150 pounds in the backfield with the Steers averaging only 149 pounds. There was only two pounds difference in the overall weight average, with Farwell having 150 and Sundown 152.

It was still anybody's game up until the last quarter when the Roughnecks surged ahead to pull down the two winning touchdowns.

The proteges of Coach Smethers and Row of Sundown fumbled the ball in the middle of the first quarter to have it recovered by Nix of Farwell. Then a Steer pass is intercepted and Sundown runs for a first down. Another fumble is recovered by one of the Roughnecks own men before King passes to Whalen who goes over for the first touchdown of the game.

Farwell's score came at the beginning of the second quarter, the Steers had the ball with fourth down and 12 yards to go, so Pool kicked to the Roughneck's Troy King, who dropped the ball behind the goal line for a safety and two points for Farwell.

Points-after-touchdown weren't in the books for the Sundown team Friday night, they tried two passes and one run, but none of them counted for the winning team.

The Steers held their own in the third quarter with the ball going back and forth between the two teams in rough and tumble sequence.

On defense for the Steers, it was Christian and Nix with Quarterback Jerry Pool bucking the line for ground gainage.

Nix also showed up well with his kicking when he booted several long ones past the goal line.

Farwell's Steers began weakening in the last quarter when Greer took the pigskin on the first play of the quarter and smashed through to the goal line on a 43 yard run. The breaks were bad for the Steers in the remainder of the game, especially with fumbles. They lost the ball to the Roughnecks several times in that round.

Then in the last two minutes of the game, young Waygood made the final score for the opponent.

The Sundown eleven gained most of their ground by rushing with a total of 264 yards during the complete game, while Farwell only gained 137 yards in this phase of attack.

Both teams were playing penalty games. In the first half alone, Sundown was penalized 15 yards and Farwell lost 20 yards in penalties in the first half.

First Quarter

John Christian kicked off for Farwell, Wood picked up the ball and traveled to the 45 before he was stopped by Christian. Sundown's Troy King took the pigskin, but there was a question on the play, and Sundown drew a 5 yard penalty which gave them a first down with 15 to go. Don Waygood carried to be stopped by Nix.

A pass was incomplete and King kicked to Pool who picked up the pigskin and smashed through to the Roughneck's 45, where he was

brought down by Mann. Jordan was carrying and was hit by Bagley on the next play. Sundown refused a five yard penalty.

Pool tried to pass and found no one open, so he ran to lose yardage when Whalen tackled him. Farwell had third down with 12 to go. Pool carried to the 29 to make it 4th and 6. Nix kicked the ball 20 yards to the goal line.

Sundown's Wood carried the ball fifteen yards for a first down before he was tackled by Nix. Greer was stopped by Pipkin after an 8 yard gain, then Waygood got the pigskin to smash through to Farwell's 24 before Gerles hit him, making a 1st with 10 to go.

King picked up three yards on the next play and took the ball again to fumble with Farwell's Nix recovering.

Pool carried 13 yards, then Jordan took the ball to be caught by Mann for a yard loss. Pool sent an incomplete pass to Gerles, then another pass was intercepted by Waygood who smashed to the 21 for a first down.

Sundown fumbled, King recovered. Wood was stopped by Christian, needing 2 yards for a 1st, then Wood ran nine yards with first and goal to go. Don Greer took the ball and was tackled by Christian. Sundown drew a 5 yard penalty for illegal formation. King was tackled by Raney, making it 2nd down with only 6 yards to paydirt. King passed to Whalen for a touchdown. Sundown led 6-0.

Bill Waygood kicked to Coburn who was brought down by Greer and King. Farwell had 1st and 10 to go on their own 43 yard line. Gerles took the pigskin, there was a question on the play and Farwell drew a 5 yard penalty for offside.

Gerles started to pass, could find no opening and turned to run and was downed on the 45 by Waygood. Farwell made first down, Pool carried to the 30 yard line. Jordan was stopped by three Sundown men just before the whistle blew for the end of the first quarter. Sundown led 6-0.

Second Quarter

Farwell's ball, second down and 6 to go, and Pool made 3 yards before he was tackled by Waygood. Farwell fumbled, and Pool recovered before he was caught behind the lines by Whalen and Waygood.

Farwell had 4th down with 12 to go, and Pool kicked to King who dropped the ball behind the goal line making a safety and two points for Farwell.

Sundown placed a short kick from the 20 to Doshier who surged to the 28 for first down. Pool passed to Gerles for another first, then Pool carried. Farwell drew a 5 yard penalty making a 1st and 15 yards to go. A snap back was missed and Pool's pass to Gerles was incomplete. Jordan carried and was tackled by Smith, then Nix kicked over the goal line.

The Roughnecks took the ball on the 20, fumbled and recovered for no gain. Greer carried to be stopped by Christian. Sundown fumbled and recovered again. On the 4th down with 7 to go, Sundown kicked to Farwell's 48 yard line where Gerles took the pigskin.

Farwell drew a 5 yard penalty making the count 1st with 15 to go. Jordan handed off to Gerles who scrambled through a hole in the line to pick up nine yards before he was stopped by King.

With 2nd down and 7 to go, Pool took the pigskin to be stopped by Whalen. Farwell drew a 5 yard penalty for backfield in motion. Rex

Pool sent an incomplete pass to Raney, then Jerry Pool's pass to Coburn was also incomplete. Nix punted to King on the 29 yard line, then Nix tackled the Sundown runner. With 1st and 10 to go, King was caught behind the line of scrimmage by Christian for a 3 yard loss. King drove through the line to be stopped by Nix. Pipkin was injured on the play.

Wood tried for a first down, then King tried an incomplete pass. Waygood on an end run was stopped by Coburn on Farwell's 48 yard line. Greer was stopped on the line of scrimmage by Christian, then a jump pass from Duckworth to Greer was broken up by Pool and Gerles.

Sundown was penalized 5 yards for offside. After a pass to Greer, the whistle blew for the half. The score was 6-2.

Third Quarter

Bill Waygood kicked out of bounds on Farwell's 30. He re-kicked to Gerles who was dropped by Holland. Rex Pool made a line plunge to be stopped by Smith, making it Farwell's third with 9 to go.

Pool passed to Doshier, then Nix punted to Sundown's 34 yard line where the ball went out of bounds. Greer fumbled and Walls recovered for Farwell.

Pool carried and was knocked down on Sundown's 30, with 2nd down and 2 to go. Pool passed incomplete to Nix, then Pool carried the pigskin to Sundown's 24 for a first.

Jordan was tackled by Mann, a backfield in motion penalty was refused and Pool took the ball to be stopped by Greer and Smith. Waygood of Sundown was injured on the play.

Pool's pass to Gerles was incomplete and Sundown took over on their own 22.

Wood carried to be stopped by Walls. Woods gained 8 yards on the next play. King smashed through the line to be stopped by Christian with only inches to go for first.

King made a 1st and 10 on a quarterback sneak before he was stopped by Nix. King's pass intended for Waygood was intercepted by Gerles.

Pool took the ball and was brought down by Waygood. Pool was injured on the play. Gerles pass was intercepted by King. Then Pool came back into the ball game.

Woods carried for three yards before he was tackled by Walls. A pass from King to Waygood was broken up by Raney. The score stood at 6-2 at the end of the third quarter.

Fourth Quarter

With 3rd down and 6 to go, Greer took the ball and smashed through to run 43 yards for Sundown's second touchdown. The Roughnecks missed the extra point. Sundown was leading 12-2.

Wood kicked to Jordan who returned to the Farwell 38 yard line. Pool carried to the 43 to be stopped by Greer. With 2nd down and 5 to go, Farwell fumbled and Pool recovered, with a loss of four yards. Pool was brought down on an end run by Waygood. Pool punted to King who was tackled by Gerles.

A pass by King was incomplete and on the next play, he tried to pass and not finding an open man ran to make a first down. Gerles was hurt on the play. Sundowners were on their own 47 and King completed a pass to Whalen, then a pass to Greer was stopped by Nix. A cut back to King was stopped by Christian just short of a first down.

Sundown fumbled and Farwell recovered. Pool's pass was broken up by King. On the third down with ten to go, Pool carried the ball. Four minutes were left to play. Nix punted to King who was tackled by Dial.

Sundown had the ball on Farwell's 23. Pool tackled Waygood who carried the ball on the next play and then Wood carried for one yard. Greer smashed through for the final touchdown making the score 18-2.

Officials for the game were Featheringill, Denton and Lewis. Jerry Pool was acting captain of the Steers and Smith and Wood were captains of the Roughnecks.

Muleshoe Freshmen Down Yearlings, 19-0

The little "Yellow Jackets" from Muleshoe downed the Farwell Yearlings 19-0 when the local team played host to the Muleshoe eleven Thursday night.

Discussing the game, Coach S. S. Jobs says "they were just a little too rough for us. Their team is made up completely of Freshmen, we only have six players in the Freshman class, the remainder of the team is eighth grade boys."

Outstanding players for Farwell were James Norton, Gene Hardage and Duane Herrington. Hardage and Phillip Cassidy looked good on their passing, in fact, most of the ground gained by the Yearlings was by passes.

Coach Jobs didn't feel that the outcome of the game was so bad considering weight, experience, and age of the teams. The Farwell boys were outweighed considerably, even so they were better on passing than the opponent.

The Muleshoe elevens' running attack showed up better than the locals.

Muleshoe is Class A and Farwell is Class B, in the conference. The visiting team had approximately 50 boys suited out, Farwell had 38. It is rather difficult to match games on even terms, Coach Jobs emphasized.

Starting line-up for Farwell included Jerry Poteet, LE; Charles Kello, LT; Vane Doshier, LG; Duane Herrington, C; James Norton, RG; Pudge Rose, RT; Billy Watts, RE; Phillip Cassidy, QB; Troy Christian, LH; Calvin Barber, RH; and Frank Gulley, FB.

The Yearlings play a return game with Sudan next week. They won over the Sudan team 18-0 on the local field last week. Line-up will probably be the same with the exception of Barber, who injured his shoulder in the Muleshoe tilt. Don Pool will fill in the position.

Wolverines Dump Grady Aggregation

Texico boys won their first softball game last Friday after dropping the season opener to Rosedale. The Wolverines collected 19 hits off Pitcher Dunning of Grady, to win 14-6.

Tucker, winning pitcher, allowed nine hits to the Bombs, and was relieved by Terry Horton in the last inning with two men out.

Tucker also accounted for Texico's only home run, with one man aboard and White slugged Grady's solitary four-bagger with the bases empty.

Texico Softballers To Play Ranchvale

Texico baseball teams, boys and girls, will play Ranchvale Friday at 12 noon, CST, on Texico's field. "Ranchvale teams are two of the toughest in the district," says Fern Stout, coach.

Texico boys won over Ranchvale in the semi-finals last year, but Ranchvale had beaten them earlier in the year. The Ranchvale team has won all of it's games so far this year and the Texico boys have lost once to Rosedale.

The Ranchvale girls stood second in the league last year with the Texico Whirlwinds leading the conference. So far the visiting team has

Whirlwinds Down Bronchos 13 to 6

Texico softball girls defended their last year's championship title again Friday afternoon when they won over the Grady Bronchos 13-6, on the local field.

The Grady team was also rated high in the softball conference last year.

The first two innings of the game, Grady was ahead, but the Texico girls rallied in the third inning to tie with the visiting team. The last two innings were Texico's gain as the Whirlwinds whipped out to lead the Bronchos 7 points at the final rally.

Patsy Doshier knocked a homer with two on base. Marsha Peterson pitched the complete game for the Whirlwinds with Rierson on the mound for the first four innngs for the Bronchos and Harrison relieved her to twirl the last five innngs.

The local girls will play Ranchvale on the Texico field on September 29.
