

Amendments Run Gamut From Aid To Oldsters To Longer Terms For State Officers

Voters will trek to the polls a week from next Tuesday to pass on 10 amendments which the recent legislature approved for voter action.

They run the gamut from aid to oldsters to school programs. Despite the fact that the constitution has received wide publicity, the actual amendments themselves facing the voter are a bit vague, and even some organizations' explanations also have been unclear.

Among the organizations which have issued condensations, Texas Farm Bureau offers one of the better explanations. Here is Farm Bureau's study:

1. Senate Joint Resolution 24 — A joint resolution proposing an Amendment to the Constitution of Texas so as to amend Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.
2. House Joint Resolution 5 — Proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000), providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans Land Fund; and providing for an election and the issuance of a proclamation therefor.
3. House Joint Resolution 81 — Proposing an Amendment to the Constitution of the State of Texas, amending Section 51-a and Subsections 51-a-1 and 51-a-2 of Article III so that the same shall consist of one section to be known as Section 51-a; providing that the Legislature shall enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy aged persons over the age of sixty-five (65) who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least 25 years, needy persons under the age of sixty-five (65) who are totally and permanently disabled and who are citizens of the United States, needy blind persons over the age of eighteen (18) who are citizens of the United States, and needy children under the age of twenty-one (21) years who are citizens of the United States and to the caretakers of such children providing rehabilitation and other services included in the Federal legislation providing matching funds to help such families and individuals, attain or retain capability for independence or self-care; authorizing the Legislature to prescribe resident requirements; providing for the acceptance and expenditure of funds from the Government of the United States for such purposes; authorizing appropriations for such purposes out of state funds; providing that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of Federal funds; providing that the total amount of such payments for assistance and/or medical care out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; providing further that the amounts expended out of State funds for assistance payments only shall not exceed Sixty Million Dollars Article XVI of the Constitution; that nothing in the Amendment

SPOOK MAKES READY — Throughout Muleshoe, the small fry are making ready for the goblins-and-ghost time, due next Saturday, and Debby Haynes, daughter of Mr. and Mrs. Douglass Haynes, is no exception. Rigged out as a witch-albeit it a very pretty one! - she will take part in next Saturday's Halloween parade. (Journal Photo)

Parade, Carnival Set As Halloween Events

A downtown parade and a halloween carnival will be on tap for halloween events in Muleshoe next Saturday, and the biggest in history here, say sponsors.

The parade, booked for 3 p.m., is sponsored by the Chamber of Commerce, and the carnival, slated to get under way at 5 o'clock, is sponsored by the Fine Arts Boosters. Both events are expected to draw hundreds of spectators.

The parade will be led by the junior high school, and will perform on Ave. D between First and Main street, according to Fat Glover, general parade chairman. The parade is sponsored by the Retail Committee of the Chamber of Commerce, headed by Doug Haynes.

As in last year's event, prizes will be given for children participating in the parade with children through the eighth grade eligible to take part.

Two divisions are open: Scariest costume, and funniest costume. In both divisions, these cash prizes will be given: First prize, \$7.50; second prize, \$5; and third prize, \$2.50. In addition there will be a special \$5 prize for the costume showing the most originality.

Bicycles or other wheeled vehicles will not be allowed, and no pets. Entrants must be prepared to park in lot not later than 2:30 p.m. Entries should be sent to the Muleshoe State Bank parking lot not later than 2:30 p.m. ◆ See PARADE, Page Eight ◆

RECEIPTS COLLECT DUST — Because everybody is waiting to see how next month's federal tax case in Texas comes out, nobody is his paying 1966 poll tax, so the receipts just collect dust in Tax Assessor Jean Lovelady's office. Here's she's blowing off the dust. (Journal Photo)

Hundreds In Bula For 40th Birthday

Bula community is 40 years old, and the little community is celebrating. The celebration started Friday and continues through today.

Kicking off the celebration was a nine-gun salute and dedication by Scout Troop 676 of a brand-new 32-foot flag pole. The pole and American and Texas flags were given by the troop which has Terry M. Black as Scoutmaster.

Then at 7:30 Friday night, a grand bonfire and pep rally were held west of school. Saturday's program opened at 10 o'clock when these events were staged:

"Reliving the Roaring '20's", a program by the earlier residents of the community with Black as master of ceremonies; A barber shop quartet with Leon Kessler and his crew; Judging of women's costumes and men's beards; judging of antiques;

A "Roaring '20's" wedding; Judge Roy Beane's kangaroo court;

Old fiddlers contest, the events concluding with an old-time basket lunch.

Permits' To Vote Just Won't Sell

They've got lots of 1966 poll tax receipts over at Tax Assessor Jean Lovelady's office which they'll sell at the usual price of a dollar six-bits each. But so far, the tax receipts are an admission ticket to the are just gathering dust — lots of dust.

Because so far (and it's been three-fourths of a month that the receipts have been on sale) absolutely nobody, but nobody, has bought one of the little slips of paper. In fact, the only reason anybody ever buys one of those little slips is because they are an admission ticket to the voting booth, — no tickle, no vote! Not in Texas elections, that is.

But, come next year, voters ◆ See PERMITS, Page Five ◆

County Youths Cop Top Prizes At State Fair

Bailey County 4-H members, showing the largest number of barrows of any county 4-H or FFA chapter in Texas in the State Fair barrow show in Dallas this past week came home with prizes on almost every animal shown.

The county group took first, second and third Thursday morning in the lightweight Durac division, Dennis Newton of Enochs took first and second in this division with Joe Adams barrow coming in third. The top Newton barrow was reserve champion of the Durac show.

Darla Kendall placed her lightweight Hampshire first and second. ◆ See YOUTH, Page Five ◆

Dumas, Scoreless In 1st Half Rallies To Nip Muleshoe 28-7

Muleshoe kicked the ball off to Dumas. The Demons moved to the Mules 45 where Mule Terry Kendall stole a Demon fumble. Muleshoe tried to move the ball but couldn't and had to punt.

On the Demon's second play from scrimmage they fumbled again and it was recovered by Kendall and Charles Jones on the Muleshoe 43-yard line. The Mules still could not clock offensively and punted to the Dumas 33 where Joe Adams took the ball away from the receiver and the Mules retained possession.

After seven ground plays and one 17-yard pass, Joe Adams ran over from the one for the first score of the ball game with two minutes and 25 seconds left in the first quarter. Adam's kick was good.

Dumas received on their 32 and moved to the Dumas 49-yard line before punting to the Mules 15-yard.

Muleshoe drove out to the 33-yard line before having to punt and the Demons fumbled again which was recovered by Joe Adams. ◆ See MULES, Page Five ◆

Busy Judy Putman, Also A Top Student

COLLEGE SCENE — One of the busiest at South Plains Junior College, Lovelland, is Judy Putman, daughter of Dr. and Mrs. R. R. Putman, Muleshoe. She's shown, second from left in picture at right, as vice-president of Sue Spencer Hall, while at far right is another Muleshoe student, Zela Boles, secretary of the hall. Judy is also secretary of the Student Council (left picture). Others are Kenneth Fincher, Hart; Charles Krawchum, Lubbock; Deanna Cathey, Brownfield, and Darlene Bragg, Estelline.

Editor's Note: Under the caption, "Busy Judy Putman is Leading Student," the South Plains Junior College house organ, "The Plainsman Press", carried a story on the Muleshoe girl's record at the college. The story, as written by Dennis Decker, follows.

Pretty sophomore student Judy Putman is among the select few who have earned a 4.0 grade average at SPC.

Judy was born February 29, 1947, in Memphis, Tenn., and one year later moved, with her parents, to Muleshoe, Texas, where she now lives.

Graduating from Muleshoe High School in May of this year, an explanation is needed in that Judy was a freshman at SPC last year.

Judy accumulated a sufficient number of credits to graduate from high school at the end of last year. ◆ See STUDENT, Page Eight ◆

FLAG POLE DEDICATED — Bula Boys Scout Troop 676 presented Bula school with a new 52-foot flagpole and U. S. and Texas flags at an early-morning ceremony Friday. Taking part in the event were (l-r) Mitchell Autry, Dale McFadin, and Randel Robertson, rifle-

men; Terry M. Black, bugler and scoutmaster; Keith Overland, L. D. Holt and Tom Newton, color guard. Receiving the gift for the school were M. J. McDaniel, superintendent, and Donald Grusendorf from the school board. (Journal Photo)

Mrs. Ruth Wilson Installed As Lazbuddie P-TA President

Mrs. Ruth Courtney Wilson was installed as president of the Lazbuddie P-TA in a ceremony held Thursday afternoon in the Lazbuddie Auditorium,

with Mrs. John Agee as installing officer.

Mrs. Wilson moved to Lazbuddie two years ago when she began teaching music in the Lazbuddie school system. She moved here from Portales. She has one son, George, who attends the seventh grade at Lazbuddie.

Mrs. Wilson is a graduate of E.N.M.U. at Portales, N. M. She will finish her masters degree this summer.

Lazbuddie is busy at the present time working on their Halloween booth for their carnival, and plan to sponsor a volleyball tournament in the spring.

All-Day Painting For Hobby Club

A delicious luncheon was served at noon Wednesday at the club house here when the Hobby Club met for an all-day painting and work-shop. Some worked on swans as others painted. Jeanne Coker was present to help the members paint using the liquid embroidery paint.

During the business session the club voted to give \$10 to the United Fund.

Mable Caldwell displayed grape pencil holder and Allie Barbour drew the hostess gift. Next meeting for the club will be an all-day meeting to be held at the club house Nov. 1.

Ruth Bass was hostess for Wednesday's meeting.

Present for Wednesday's meeting was Ola Pesch, Allie Barbour, Wade Bartlett, Gertie Kirk, Hallie Briscoe, Ola B. Jones, Opa Robison, Mae Pattie, Eva Dell Gillis, Zora Mae Beller, Dora Phipps, Wilma Clements, Edna Willoughby, Mable Caldwell, Ruth Bass, Edith St. Clair, Vickie Hendricks, Mae Adkins, Euna Maye Oswalt, Lucille Harper, Alpha Hanks and Mae Henderson.

Rosebud Officers Are Installed

Muleshoe Future Homemakers of America met in the High School Auditorium Monday at 7:30 p.m. to install officers for the Rosebud chapter. Installed as president was Kerma Nichols; Nina Bass, first vice-president; Kathy Williams, second vice-president; Debbie Burrows, third vice-president, Johanna Shelton, fourth vice-president; Vicky Street, fifth vice-president; Lindy Kerr, secretary; Carla Lovelady, treasurer; Renee' Dyer, historian and Sheryl Mason, parliamentarian.

Guest speaker for the installation was Mrs. Mary Sligar, professor of psychology, from West Texas State University. She made an interesting talk on "Teenage Mental Health". Mrs. Sligar was introduced by the first vice-president of the Rose chapter, Carolina Bass.

Kerma Nichols and Karon Black presented chapter mothers and chapter parents with red roses. Jan Everett, second vice-president of the Rose chapter recognized the girls that have achieved their junior and chapter degrees.

During the installation the Rose officers lit candles representing the eight F.H.A. purposes and recited the purposes.

DALLAS BOUND — Mary Farley, Phyllis Beavers, Lois Norwood and Lavonne Hinkson, members of the Muleshoe O.E.S., left Lubbock this morning enroute to Dallas where thousands will gather for the beginning session of the Grand Chapter of Texas. The women will arrive back in Muleshoe Friday night. (Journal Photo)

Today's Meditation

By J. Frank Peery, Pastor
First Methodist Church
God Is Love

Read I John 4:7-11
It is not easy to accept the assertion that God is love. Alert knowledge of the world we live in does not lead one to make an easy conclusion. By careful

observation of the world of speed, space and science one can accept the affirmation that God and God through man is still creative. Such creation is purposeful. But God is love in a world of war, floods, hurricanes and poverty — is hard to believe.

The New Testament is emphatic about God is love. Inspired men, converted men had encountered Christ the Lord or had met those who had known Him. In Jesus Christ they met God and love. Thus, God became love. To meet Christ is to meet love.

In spite of war, floods, hurricanes and poverty, we must be sure of one thing. God is love. God is creative; God is judge; God is forgiving; greatest of all, God is love.

Prayer: Lord God, keep me ever grateful for the love of God that I have never deserved but have always depended upon. Amen.

Ducks and geese are very very strong fliers. The average air speed of ducks and geese is 40 to 50 miles per hour, but ducks have been known to fly 65 to 72 miles per hour when chased.

Adams on the Demon 37-yard line. The Mules ran through play and punted into the end zone.

Dumas with the aid of a bomb, moved to the Muleshoe 12-yard line, then were pushed back to the 21 and then Paul Swint recovered a fumble on the Mules 28-yard line to stop the drive.

The Mules moved out to the 42 before having to punt to the Dumas 19-yard line.

Dumas tried four incomplete passes before the half ended, Muleshoe 7, Dumas 0.

Muleshoe took the ball on their 42-yard line before punting to the Dumas 17. In five plays, Billy McVickers ran over for Dumas' first score from the Muleshoe 18-yard line. McVickers came back for 2 more points.

Muleshoe received the ball on their eight and moved out to the Demon 47-yard line. Punt-

ing to the Dumas 31-yard line, the Demons completed a 38-yard pass and a long run before Tim Galloway threw Ronnie McClurtiff an eleven-yard pass for a T.D. The try for extra point was stopped by Mule, Jim Burton.

The Mules took the kick-off on their 4-yard line and advanced to the Demon 39 where McVicker intercepted a Mule pass.

The Demons, with the aid of a 15-yard penalty and Tim Galloway, ran in from the 10-yard line for the score. Try for extra point was stopped by Paul Swint.

Muleshoe took the ball on the eight and moved to the 38-yard line before punting to the Demon 19-yard line.

The Demons, with a 91-yard pass play, went for another T.D. but it was called back on a penalty.

The Demons moved out to the Muleshoe 48-yard line where Bruce Purdy recovered a fumble on the Muleshoe 46. With the aid of three beautiful pass plays, the Mules moved down the Demon 47-yard line. Punt-

Senate Joint Resolution 27 — A joint resolution proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subject of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation past or present thereon except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

6. House Joint Resolution 57 — Proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, as presently written, the following provisions requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members defining the functions and procedures of said Commission including the duty to investigate, and hold hearings in respect of disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

7. Senate Joint Resolution 28 — Proposing an Amendment to Section 24 of Article III of the Constitution of the State of Texas, to allow an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of

of loan rate, level of certificate payments and diversion payments; any of all of these can be changed.

12 principal points of the feed grain act of 1965 (Title III), has been particularly outlined by the USDA chief.

The 12 provisions include:

1. Corn and grain sorghum are included; barley also, if designated by the Secretary. Oats and rye also may be included but only when wheat is produced on an oat-rye base under the substitution privilege. Participants may be authorized to grow soybeans in place of feed grains and receive feed grain price-support payments on that acreage.
2. Matting barley may be exempted from diversion requirements as in the past.
3. A producer becomes eligible for price support by diverting a specified part of his base acreage. (In previous programs this has been 20 percent of the base.)
4. Price support will be extended through loans and payments. Price support for corn will be at 65 to 90 percent of parity and at comparable levels for grain sorghum, barley, oats, and rye.
5. The total production from the permitted areas will be eligible for price-support loans. Price-support payments based on projected yields would be made to participants on such part of their base as is necessary to make the program effective. Projected yields established for each farm for computing program benefits will be indicative of the yield per acre expected for each farm using current cultural practices and normal weather conditions.
6. Payments for acreage diverted from feed grain to conservation uses may be up to 50 percent of the total county price-support rate (loan plus price-support payment) multiplied by the farm projected yield.
7. Under certain conditions, the diverted acreage could be devoted to the production of guar, sesame, safflower, sunflower, castor beans, mustard seed, cranberry, plantago, oats, and flax at reduced payment rates.
8. Producers could substitute wheat on their feed grain acre-

may not need poll tax receipts asway in order to cast ballots. Then again they MAY need poll tax receipts.

It all depends on the results of a federal test case due to be tried around Nov. 15. The federal government, and especially the present administration, frowns on poll tax payments as a prerequisite to voting, and in all 19 of the 50 states that still have poll tax requirements, the

took Reserve Champion showmanship award of the entire barrow show. Danny Wheeler won second on his heavyweight Hampshire.

During the afternoon show, many prizes were won by the Bailey county 4-H members and the terrific confusion prevented a complete accounting of all winners but Jerry Scoggin took high honors for 4-H in winning China and Reserve Champion of the Poland China show.

The show started Wednesday afternoon with the minor breeds and Steven Bicke placed his 4-H barrow fifth in the lightweight Chester White class. Bailey county 4-H showed only one animal Wednesday and Lynn county 4-H took champion honors in Berkshires, Chester Whites and Crossbreeds Wednesday. County Agent J. K. Adams reports that the Muleshoe area, with a few minor exceptions, took most of the high honors in the strong Thursday showing which included Hampshires, Durocs, Poland Chinas and Yorkshires.

Scoty Windham, V. Ag. instructor of Lathbuidie made a strong showing as Darrel Embrey took first in Medium Durocs in a class of 55 barrows, Terry Kendall, showing both 4-H and FFA barrows, took the coveted Grand Champion of the entire show on his FFA entry which was a medium Hampshire barrow.

9. Up to 50 percent of the estimated payments could be made at time of sign-up.

10. The provision that the established base acreage of conserving crops on the farm must be maintained, is continued.

11. The existing authority for minimum resale prices of CCC-owned feed grains is continued.

12. For purposes of price-support payments, participants who plant at least 90 percent of their acreage of feed grains will be considered as having planted their entire permitted acreage.

probably more appeals until the matter has been kicked around in the federal supreme court for some time. And in the meantime, 1966 elections will have come and gone, and the voter who doesn't buy himself a 1966 poll tax receipt just won't get to vote next year for local, county, district or state offices or amendments.

So, Mrs. Lovelady looks for an upturn in the poll tax selling business along after old Saint Nick has come and gone and the new year has got itself under way.

Meanwhile, she and her assistants continue to dust off the receipts from time to time.

HARLAN, Ky. (AP) — A small girl walked into the drug store and announced, "Mama wants a bag of asafotida." The druggist glanced the fond smelling gum in an envelope and was told, "Mama said charge it."

"Who is your mama?" the druggist asked.

"Mrs. Leitbeller, came the reply.

"Well, "the druggist said, "you tell your mama I cant spell asafotida or Leitbeller either, and that she just owes me 11 cents.

Tap Needs Cutting

NEW DELHI (AP) — Prime Minister Lal Bahadur Shastri has suggested formation of a special committee to streamline government administration and cut red tape.

HEADS PIONEER FIRM — Houston Hart is president of E. R. Hart Co., Inc., one of Muleshoe's long-time business establishments. The company deals in

Berkeley pumps and water systems, and Coleman Heating and Air conditioning units.

Hart Company Long Active As Muleshoe Business Firm

One of the oldest and best known business firms in Muleshoe is the E. R. Hart Co., Inc., dealer in Berkeley pumps and water systems, and Coleman Heating and Air Conditioning units. This establishment installs pumps and irrigation systems and does a turn key job. They also can have wells drilled through their connections with well drilling contractors.

This company has mechanics that overhaul any type of pump and install them. They do all the plumbing work connected with Water service. Otis Blylock is the head mechanic and installed the first Berkeley pump in this area in 1938. Seven employees operate this organization.

Berkeley pumps can be bought on easy terms and his firm handles the financing for pumps and heating and air conditioning units. They are familiar with the water problems of farmers in this area and know how to solve them. They have all the equipment necessary to bring the water to the surface and distribute it over the land.

The E. R. Hart Co., has a complete line of plumbing supplies and pump parts. Practically any item a farmer needs for his irrigation system can be bought here.

Houston Hart is president of this firm and his brother Bill is Vice-president. E. W. Tucker is Secretary and Assistant manager. The business is located at 219 East 3rd St., in Muleshoe and the phone number is 3-3390. Call this number when you need pump or irrigation service or heating and air conditioning units. They operate four service trucks to give prompt service to customers.

(Continued From Page One) p.m. with entry forms filed out and in hand. Judging will be done at that time, and a parade's signature must appear on the form.

Forms are available at the Chamber of Commerce office, 224 W. 2nd.

The annual school carnival will be held in the bus barn and will include just about everything from dime pitch to dunking pen. Many Muleshoe organizations are participating by entering booths and games in the carnival, according to Tom Middlebrooks, general chairman.

Organizations which desire to enter booths were asked to call Mrs. Cliff Griffiths or Mrs. Marvin Huff.

Admission to the carnival will be free.

Twelve young women are competing for queen's honors with high school and junior high school organizations backing the various candidates.

Among booths entered are these:

The Fine Arts Boosters will have a big booth and also will

operate food concessions stands. They also will operate a fortune-telling booth.

Muleshoe Rotary club will have charge of the fishing pond, and Bailey County Fire Department will run the money-pitch game, and the junior class will sponsor a cake walk.

The Spanish club will operate a "jail house" game, and the Rodeo club will roll out an old car for a "car-beating" game. It was explained that people will be permitted to pay for the privilege of beating the old car with a sledge hammer.

The choir will have a "Gay 90's" ice cream parlor, and the art club will present an art-stretching gallery.

The schools' auto mechanics department will operate a dunking board, and the Future Teachers chapter a basketball pitch.

The sophomore class will have a cotton candy machine, and the distributive education class will operate a shooting gallery and a softball game.

Fine Arts Boosters also will sell fruit cakes at the carnival.

Middlebrooks said other organizations and groups are invited to enter booths or games at the carnival.

Muleshoe

(Continued From Page One) ings to be held Saturday at 7 p.m. Also to be given away are 12 plastic Fire Chief Helmets.

Mrs. James Jennings, president of the Muleshoe TSTA, and Mrs. John Watson, district XIII secretary of TSTA, were in Corpus Christi this past week attending the Texas State Teachers' Convention. Theme was "Education for Peace and World Understanding". On the program were Harry Reasoner, CBS White House correspondent, and Wayne King and his orchestra.

Bailey County Historical Committee will meet Monday at 1:30 p.m. in the community

The carnival will be open from 3 until 10 p.m. and afterward will be followed by the crowning of the carnival queen in the high school auditorium. Sherry Smith, Kerma Nickels, Kathryn Dorsey, Debra Williams, Tonya Powers, Sue Dorsey, Metza Bass, Marsha Johnson, Ann Douglas, Jane Branscum, Judy Elliott and Pam St. Clair.

Student

(Continued From Page One) her third year, but because of the particular school policy that a student was to attend high school four years, a diploma could not be issued to her. However, her accreditation and excellent academic record were sufficient to allow her registration at SPC.

While in high school she was a member of FTA, FHA, Spanish Club, Spirit Club, and a member of the girls basketball and volleyball teams, lettering in both, two out of three years.

Last year Judy was a member of WRA, UCCF, and Phi Theta Kappa; and maintained a 4.0 grade average.

This year Judy is secretary of Student Council, vice-president of Phi Theta Kappa, vice-president of Sue Spencer Hall, vice-president of UCCF, and a member of SEA, WRA, and Koshare.

After completing her studies for treatment prior to surgery expected to be performed in about two weeks. Mathiesen is in room 224.

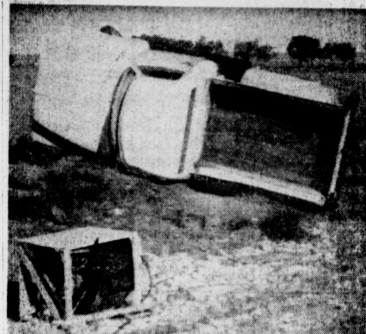

Student

(Continued From Page One) at SPC, she plans to attend Eastern New Mexico University, at Portales, N.M. She is majoring in English and minor-ing in Library Science and plans to teach after completing her college education.

Hobbies include playing basketball, piano, watching athletic events, reading, and listening to music. Judy's favorite author is Ernest Hemingway; favorite songs are "Today" and "When I Fall In Love" and Strauss waltzes; favorite food is ice cream; favorite books are "Gone With The Wind" and "A Farewell To Arms."

Judy's father is an optometrist and her mother is a teacher, however, with four children in the home there is not much time for teaching. She is the oldest of five children in the Putnam home, with three younger brothers and one younger sister.

Of her family, Judy says, "My family is a close and unified one; this has been important to me. There have been many enjoyable and worthwhile moments shared by us. My parents have taught us to be conscientious and dependable in all our endeavors."

PICK-UP FLIPS OVER — Four persons escaped serious injury when this pickup truck left SH 214 two miles north of Enochs, and turned over. Occupants were Mr. and Mrs. Lee Atwood and their two children from Needmore. All were taken to Morton to a hospital. Atwood and the two children were released but Mrs. Atwood was kept for observation. Patrolman Freddie Jack, Muleshoe, investigated the accident. (Journal Photo)
