

State to Pave Friona-Muleshoe Gap

Wildcat Test 9 Miles Southwest Texico

The rotary rig on the wildcat oil test, Lula C. Haynes No. 1, nine miles southwest of Texico, was making satisfactory progress, C. E. Pendegrass, nearby rancher, reported today.

Pendegrass said he had been unable to get any information from the drillers, but gave it as his opinion the hole was "at least a thousand feet deep."

The test is located in the SW 1/4 of the SW 1/4 of Section 24, Township 1, Range 36 East, one mile from the Luther Moss farm. It is also one mile from the Pendegrass holdings, 880 acres of which have been leased to the promoters of the test.

The test is being conducted by Charles H. Osmond, independent operator of Ft. Worth, and the contract calls for drilling to 8,000 feet unless oil or gas is struck at a lesser depth. It is understood here that a 9,500-acre block of leases was secured in the region last October.

Chamber Commerce Directors To Meet Thursday Night

President C. M. Henderson of the Farwell Chamber of Commerce has called a meeting of the board of directors for Thursday evening at 8:30 p. m.

Henderson said the two main items to come up for consideration were the discussion of the pending road bond issue and the health program for the city. The meeting will be held in the offices of the Henderson Grain Co., and the president expressed the hope that a full attendance of director members would be present.

Father Of Mrs. Rose Passes In Oklahoma

Mr. and Mrs. Claude Rose and son, Claude, Jr., have gone to Rush Springs, Okla., to attend the funeral of Mrs. Rose's father, L. J. Gibbs, 67, who passed away there shortly after midnight Monday morning.

Funeral services were scheduled to be held at Rush Springs Wednesday afternoon, and burial was to take place at Byers, Tex. Mr. Gibbs had been in bad health the past year and his death was attributed to heart trouble. He had made his home at Rush Springs the past five years with his son, Raymond Gibbs.

He is survived by all of his children, nine in number: three sons and six daughters, Raymond, Rush Springs; Clifford, Selina, Kans.; Weldon, Lubbock; Mrs. L. T. Bledsoe, Ralls; Mrs. L. J. Clark, Wilson, Okla.; Mrs. Erwin Coleman, Jackson, Miss.; Mrs. C. T. Jameson, Lincoln, Neb.; Mrs. R. P. Chitwood, Los Angeles; Mrs. Claude Rose, Farwell.

Goodwine Awarded Damages By Jury In County Court

Clyde Goodwine, Friona land owner, was awarded damages in the amount of \$5,245.96 against the Southwestern Public Service Co. in County Court here Tuesday by a six-man jury, for damages done to three-quarters of a section of land in erecting transmission lines across his property.

Previously, also in County Court, a special three-man commission had set the damages at a lesser figure, and the case heard Tuesday was an appeal from the commission's findings.

Feed Crops Show Good Promise Over Section

Rains Retard Harvest In Parts Of County

With the wheat harvest in Farmer County virtually completed two weeks ago, reports reaching here the first of the week reveal that there are still a few remaining fields that have not been invaded by the combines.

All such fields are located along the east and northeast part of the county, where rains of the past ten days have kept the machines out of the muddy fields. Predictions were being made that some of the wheat would not be saved. Ollie Williams, who farms in the Midway community, was in Tuesday and said his ground was still too wet at that time to allow harvesting of his crop.

Similar reports reach here from northeast of Friona, where rains amounting to five inches were reported last week.

Mears To Move House To East Main Street

Ray Mears announced this week he had purchased a location on east main street in Farwell and would move his produce business to the new location early in August.

The business will occupy lots opposite the Meeks' service station, and a house-mover has been engaged for August 2 to move the building.

New Cafe Opens In Texico Saturday

Dusty Rhodes, formerly of Fort Worth, but more recently of Chicago, opened a new cafe in Texico last Saturday in the Leftwich building, across the street east of the Texico Hotel.

The new business is equipped with modern electrical appliances throughout and will be operated under the name of the Dusty Rhodes Cafe. New stainless-steel Hotpoint equipment is installed for cooking. The operator said he would cater exclusively to short orders and coffee.

Jerry and Rex Pool, sons of Mr. and Mrs. Leaton Pool, are visiting their grandparents in Tulia, this week.

Fire Department Answerers Call To Extinguish Snake

The local fire department had a new one on the records last Sunday afternoon when the fire fighters were called out to extinguish a large bull snake.

The snake had taken refuge under a shed at the home of Mrs. Effie Johnson after disposing of a number of eggs in a hen house. The intruder was described as being quite a large one.

Absentee Voting To Begin July 23 On Road Bond Issue

County Clerk Loyde Brewer said today the new ballots to be used in the \$800,000 road bond issue August 13 were being prepared and would be turned over to the printers before the end of the present week.

He also called attention to the fact that absentee voting would begin Saturday, July 23, which is 20 days prior to the date of the election.

Persons desiring to cast absentee votes are required to make application through the County Clerk's office for a ballot, either by mail or in person. Ballots must be returned to the Clerk not later than August 10 in order to be counted in the election, he added.

Baptist Church Plans To Erect Building

A new \$7000 educational building will be added to structures of the Texico-Farwell Baptist church in the near future, advised the Rev. O. O. Holloday, pastor, Monday.

Holloday said a special meeting of the building committee would be Friday night, to thrash out final plans for the edifice, which will be 30x80 feet, and house the intermediate and junior groups of the church.

The pastor expected work to begin "in the next few weeks."

County Agent Reports Cotton Infestation

Moderate infestation by lice and flea hoppers is present in some Farmer County cotton, reported County Agent Ollie Liner, Monday. Liner said a count was made last week to ascertain the amount of infestation, but at that time the number of pests would not warrant a crop dusting.

Asked how much Farmer land was planted to cotton, Liner estimated acreage to be "about seven or eight thousand, being located in the southern section of the county—around and south of Lariat."

The county agent said another count would be made next week to determine the spread of insects. If a sufficient number is counted, the cotton will be dusted with a powdered insecticide.

Mrs. W. W. Vinyard and Mrs. Roy B. Ezell of this city attended the funeral of Mrs. Vinyard's aunt, Mrs. Milwee, Saturday in Lubbock. Mrs. Milwee died of a heart attack Friday.

State Highway Engineer D. C. Greer has notified Farmer County officials that the Texas State Highway Commission, meeting in Austin recently, has designated another eleven miles of farm-to-market road in Farmer County, to be constructed during a two-year period, beginning Sept. 1, 1949.

The additional eleven miles will begin at the end of the present pavement on F. M. No. 299, which now extends 4 miles south of the Hub, and will run to the Bailey County line, thus giving a complete paving strip from Friona to Muleshoe. The designation and construction are made subject to the county furnishing the right-of-way free of cost to the state.

County Judge A. D. Smith said here today the county would take immediate steps to provide this right-of-way, and added that as yet none of it has been procured.

He expressed the opinion that all of the required right of way could be obtained through easements without cost to the county. "We find our land owners glad to cooperate in getting a paved road where their property is not actually damaged by the routes," Judge Smith added.

With this designation, Farmer county is soon to receive 21 miles of new farm-to-market road construction. The State Highway Department has already designated 10 miles from Oklahoma Lane to the "twin houses", where it will converge with F. M. No. 299, covered in the most recent designation.

Cost of the extension of F. M. No. 299 is estimated by the State Highway Commission at \$85,000, and the entire route from the Bailey county line to Friona will be maintained by the State after it is completed.

Slow Freight Rams Colorado Auto

Uninjured in a collision with a freight train at the Texico-Farwell crossing Monday morning were Mrs. R. E. Herrington and children, a Colorado family returning to their mountain state.

According to witnesses of the collision, Mrs. Herrington's car, a 1947 Ford sedan, died and stalled on the five-track crossing. Unable to start the auto, she ushered her children to a safe distance where they watched a freight train crush the front end of the car.

The train shoved the car east of the tracks where it was removed by a wrecker. The crash occurred about 9:15 a. m.

Sister Local Man Dies In Arkansas

G. D. Anderson of this city received a message Monday morning announcing the death of his sister, Mrs. E. D. McGowan, 49, who passed away in a Jonesboro, Ark., hospital following an illness of three weeks.

Her death was attributed to complications following an operation for appendicitis. Burial was made at Okolona, Ark., Wednesday afternoon. Mr. Anderson and his two sons, Bobby of this city, and G. D. Jr., of Bovina, and Mrs. Bert Shackelford of Friona, left here early Monday to attend the funeral. Gordon Shackelford, Perryton, sister of the deceased, also attended the funeral.

HE REALLY CAUGHT 'EM—Hop Graham, publisher of The Tribune, enlists the aid of his son to hold up a string of channel catfish for admiring neighbors. Hop claims a total haul of nearly 40 pounds of the warm-water fish, saying he has "found where they hang out." The cats were taken from Elephant Butte Lake near Hot Springs, N. M. Biggest ones in the string above were two ten pounders.

County Agent Discovers That Two Can Play Cigar Game

FROM THE HOPPER  
By HOP

About the most disgusted man we have seen lately is Ollie Williams who has returned from his vacation trip to the mountains of northern New Mexico. In preparation for the trip, Ollie had a whole ham and a side of home-cured bacon prepared to take along to feast on. When the outing party struck camp the first night, it was discovered that the precious home-spun hog meat had been left behind. "All I had on the whole trip was hamburgers," Ollie complained with bitter disgust.

And speaking of vacations, the writer and his wife returned home Sunday from a ten-day outing spent at Hot Springs and Elephant Butte, N. M. And brother, when you say Hot Springs, you can put the emphasis on HOT. A merciless sun beat down on us the whole time we were away, but the hottest place we encountered was at Roswell last Sunday noon on our return home. At Hot Springs, we were very comfortably located at the Triple H Courts, where Mr. and Mrs. Hubbard put us up in an air-conditioned apartment, which, in our opinion, is tops in the city of ever-flowing mineral water. And, we had some luck catching fish at the big lake, with the assistance and advice of Bill Williams, Tom Flowers, et al. We brought home 40 pounds of dressed catfish, taken from the upper reaches of the lake. Naturally, we had occasion to visit with the Rev. Harvey Carrell, former local minister, and his family. Preacher Carrell maintains a trotline at the lake at all times, and, with the assistance of an inflated inner tube, runs his line every morning before breakfast. When we left there, the preacher had about 20 pounds of dressed fish in his ice box. Under the law, a fisherman is allowed "20 pounds and one fish," and the former local minister was preparing to indulge in a few fish fries before taking any more.

Okla. Lane Cemetery Gets New Water Well

Badly needed water for irrigating the Oklahoma Lane cemetery will be available in quantity in the near future, with installation of a new well and an electric pressure pump, informed the Rev. J. J. Terry, pastor of the Oklahoma Lane Baptist church, Monday morning.

A committee composed of Sterling Donaldson, C. C. Christian, Truman Kent, and W. E. Verner selected C. L. Vestal of Bovina to drill and install the well.

Rev. Terry said residents of the community were expecting drilling to begin the latter part of this week. He estimated cost of the project at about one thousand dollars, and said money would be raised by public subscription. "We already have over \$500," he revealed.

The well will be installed in the cemetery proper, and power will be obtained from a near-by REA line. The pastor said those wishing to contribute should see Harold Carpenter, secretary-treasurer of the cemetery organization.

KYKERS PLAN TO MOVE

Clifford Kyker, son of Mr. and Mrs. Bob Kyker, pioneer residents of this city, was here the first of the week, making arrangements to move his father and mother to Abilene, where they will make their home.

Bob stated Monday that he was planning to sell his household goods at auction and dispose of his home here as soon as arrangements could be made at Abilene for a home for he and his wife.

Both Mr. and Mrs. Kyker have been in failing health for several months and they are making the move in order to be near some of their children.

Under the law, a fisherman is allowed "20 pounds and one fish," and the former local minister was preparing to indulge in a few fish fries before taking any more.

The citizenship of Hot Springs could be congratulated on many things, but in my opinion, their most outstanding achievement has been the elimination of flies and mosquitoes. During the ten days we spent there, I saw only one mosquito and not more than a dozen flies. Sponsored by the Chamber of Commerce and financed by the city, the streets and alleys are sprayed frequently.

(Continued on last page)

Voters In August 13 Bond Election Will Use New Form of Ballots

OKLA LANE METHODISTS START REVIVAL MEET

To begin this evening (Wednesday) at 8:30, will be a revival meeting at the Oklahoma Lane Methodist church, announced the Rev. A. D. Moore, pastor of the church, Monday morning.

The revival, to continue through Sunday morning, July 31, will be conducted by the Rev. H. W. Hanks, pastor of the Methodist church at Hale Center, Tex. Another out-of-town worker will be Zed Roberts, coming from Enoch, Tex., to lead singing.

Two services will be held daily, said Rev. Moore, morning services beginning at 11, and evening services starting at 8:30.

The pastor issued an invitation to everyone wishing to attend the revival.

A completely new-style ballot will be introduced to voters when they go to cast their votes in the forthcoming road bond election Saturday, August 13 in Farmer County.

The new voting sheets, made mandatory by a provision of the recent Texas legislature, will be a far departure from those used in Texas over a period of many years.

Each of the new ballots are to be numbered. Attached to each sheet will be a perforated 2x2 square which will be numbered to correspond with the number on the ballot.

When casting his vote, the voter will detach the perforated section from his ballot and deposit it in a separate box.

County Clerk Loyde Brewer revealed today the law now provides that the ballot boxes shall be of a different design than those now in use, which means that 40 new receptacles have to be provided for all voting in the future.

Furthermore, Brewer revealed, the law also provides that all boxes shall be sealed with a seal of the district court and shall remain under lock in the county courthouse for ninety days following any election. Brewer said that should another election be called during that 90-day period it would be necessary for the county to buy an additional 40 boxes for conducting such second election.

To further complicate matters, the clerk said the new issuance of ballot boxes had been on order for several weeks and he was beginning to wonder what to do in event the new boxes were not received in time for the forthcoming bond election.

AUSTIN—With the alarming total of 922 Texans having been attacked by the dread disease poliomyelitis, 1949 bids fair to be the worst polio year the State has ever experienced, and health officials in every section of the State are exerting every effort to bring the disease under control.

Dr. Geo. W. Cox, State Health Officer, has re-iterated his appeal for every citizen to cooperate in a continuous clean-up program, ridding their premises of all rubbish and trash piles, and any such filth as will afford breeding places for flies and other disease-spreading insects.

"This polio situation will never be controlled without the observance of stringens basic sanitation measures," the State Health Officer declared. "The filth on our premises may cause the disease to attack your neighbor; and the same condition on his premises may cause polio in your home. This problem of controlling polio is one of demanding the closest possible cooperation, and until a program of continuous cleaning up is instituted and stringently enforced, we shall continue to face the menace of polio in all sections of the State."

Dr. Cox emphasized to parents whose children are suffering from poliomyelitis, the comforting knowledge that about 60 percent of all cases of recognized polio recover completely, and at least 25 to 30 percent of recognized cases recover with only minor disabling paralysis.

"Only about 8 percent of polio victims develop the deadly bulbar type, which affects the nerves at the base, or 'bulb' of the brain," Dr. Cox said. "Most patients suffering from bulbar polio die within a very short time. But it is a comforting thought that 92 percent of polio victims never develop bulbar polio, and make a partial, or in many cases, complete recovery and are restored to health."

Heat and age are too enemies of egg quality. Either of them is bad on the egg, but when both are combined, the destruction of egg quality is rapid.

**Cerebral Palsied Clinic At Lubbock, August 15**

The Cerebral Palsy Treatment Center will hold a clinic for the examination of cerebral palsied children Monday, August 15. Dr. Charles B. Sadler, Amarillo, and Dr. E. T. Driscoll, Plainview, will examine patients.

The center, which was opened August 23, 1948, is sponsored by the Lubbock Crippled Children's Society and the Lubbock Rotary Club. To date 188 cases have registered at the center for care. Children and parents report to the center once or twice each week for care where the child and parents are taught an exercise program to carry out at home.

At present the center is housed in a building at 1317 Tenth Street and plans are underway for the construction of a new center. Over \$45,000 in funds and \$5,000 in equipment have been donated. An additional \$5,000 is needed to assure the full cost of the building. The new building, construction of which will be started within a few weeks, will provide facilities for a speech therapist, a physical therapist, two treatment rooms, a waiting room, a functional training room, storage space, etc.

Cerebral palsy is a condition which may be present from birth or may be caused by childhood diseases such as whooping cough or measles, or by head injuries. Under treatment many of these children improve to the extent that they can care for themselves, attend school and become employable. There is no known cure for cerebral palsy at this time and the aim of treatment is to obtain maximum improvement possible and to teach the child to live with his handicap. Treatment begun at an early age is most effective.

Parents interested in bringing children to the clinic on August 15 are requested to register the child at the center at some time before the clinic date. Further information may be obtained by contacting Dr. Esther Snell, director of the treatment center, 1317 Tenth Street, or by calling Lubbock 6541.

Texas farmers and stockmen are again cautioned about the use of 2, 4-D applications on plants. Careless use of this poison has caused extensive damage to desirable plants, shrubs and trees. Users of 2, 4-D are urged to read and follow directions and cautions carefully.

**Kudos for Condensed Soup**

The wonder-worker of this winter's kitchen is a can of soup... the condensed kind that is a concentrate of nourishment and flavor. Few other foods play so versatile a role. Once served strictly as a first course, soup now pinch-hits for many items on the menu.

In dozens of dishes soup appears as an important main ingredient. You will find soup being used these days in sauces, dressings, salads, stews, meat loaves, rarebits, and desserts. Soup has earned this reputation as a basic food, because it contains so many items that make up the abc's of cookery: Meat stock, for instance, and golden chicken broth, blue ribbon vegetables, tender egg noodles, and the richest country cream.

Why those are the essentials of nearly all good cookery! So it stands to reason that in a time like this, when basic foods are often market-scarce, a good substitute that not only does the job but adds a little something extra to the bargain, is welcomed with huzzas of joy by housewives. And that's been the happy fate of soup. For by using condensed soups in cookery, housewives have found they can save time, lighten their shopping load, do away with tedious cleaning-chopping-shredding-peeling, get a finished product with a finer flavor than they ever did before.

Let these recipes show you how condensed soup cookery has become the success story of the kitchen:

**Ham Cups with Bean Soup**  
Combine—  
1/2 lb. ground, cooked ham  
2 eggs  
1/2 cup bread crumbs

1/4 teaspoon salt  
Dash pepper.  
Mix thoroughly and divide into five portions.

Grease muffin tins and line with meat mixture. Bake in hot oven (450°F.) for 25 minutes.

**Sauté, until tender—**  
2 tablespoons diced onion  
2 tablespoons diced green pepper

**in—**  
1 tablespoon fortified margarine or butter.

**Add—**  
1 11-oz. can condensed bean soup, undiluted  
1/2 teaspoon Worcestershire sauce.  
Cook for 5 minutes, stirring frequently.

Remove meat from muffin tins and fill with soup mixture. Garnish each Ham Cup with a sprig of parsley. Serves 5.

**Tomato Cheese Omelet**

**Beat together—**

4 eggs, beaten until frothy  
1/4 cup from an 11-oz. can of condensed cream of tomato soup, undiluted

1/4 teaspoon salt  
1/2 cup grated American cheese.

**Heat in skillet—**  
2 tablespoons fat.

**Add, and cook slowly—**  
Egg mixture.

Run spatula around edge, lifting to allow uncooked portion to flow underneath. When slightly browned on bottom, fold omelet in half. Let stand over a low heat until center of omelet is set. Top with Tomato Sauce. (Recipe below).

**Tomato Sauce**

**To—**  
2 tablespoons melted butter

**Add—**  
2 tablespoons flour

**Add, gradually—**  
Remainder of 11-oz. can of condensed cream of tomato soup.

Cook until thickened, stirring constantly. Serve over Tomato Cheese Omelet. Serves 4.

**Stangel Returns To Tech Following Tour**

LUBBOCK—Dean W. L. Stangel has returned to Texas Technological college after an extended tour in Illinois, Missouri and Kentucky.

In St. Louis, he was guest of the Ralston Purina company at the Southern Agriculture Workers conference. Stangel then visited the research farm of the Ralston Purina company where he observed work being done in connection with livestock.

From St. Louis, he went to Pleasant Plains, Ill., to visit the J. Gar-

rett Tolan Aberdeen-Angus farm for the purpose of selecting a herd sire for the college. Stanley E. Anderson, professor of animal husbandry at Tech, met Stangel at the farm and they tentatively selected three bulls from which they hope to purchase the sire for the college.

**Take a Good Look at Your Fields**

If they're full of HUMPS and HOLLOWs

**Level out the Wrinkles This Fall with an EVERSMAN AUTOMATIC LAND LEVELER and DIRT MOVER**

Every farmer knows how costly rough fields can be...the high spots burn out, the low ones drown out. Uneven fields waste irrigation water, wash out crops, cause lots of extra back breaking labor.

That's why it will pay you to iron out the wrinkles this fall with an EVERSMAN. The EVERSMAN levels land AUTOMATICALLY—when wheels go on high place blade lowers to take a cut, when wheels go into a low place blade raises to release dirt—breaks clods, firms and packs the surface, forming a finely pulverized seed bed as the machine moves along.

Some machine is fastest dirt mover on the market today for power required. Excellent for rebuilding fields. After dirt is moved it can be graded down and AUTOMATICALLY LEVELED with the same machine. Here's an ALL-PURPOSE machine used for dirt moving, leveling, for maintaining contours, soil conservation work and preparing seed beds year after year. Come in today for full details. Plan to do your dirt moving and land leveling this fall.

We're trading high...wide...and then some!

It's our big **BUY-NOW BIRTHDAY PARTY**

Our Celebration of Hudson's 40th Anniversary Year

Longest trades, best deals in our history—to win still more new friends for Hudson!

THE NEW HUDSON is riding a rising tide of popularity!

Official figures prove it! Hudson sales so far this year: up 33.7% over the same period last year!

Is it any wonder! The New Hudson, with exclusive "step-down" design, is America's 4-MOST Car. 1—MOST Beautiful. 2—MOST Roomy. 3—MOST Road-worthy. 4—MOST All-round Performance.

**BIG SWITCH TO HUDSON IS ON!**

Of the first 200,000 New Hudsons bought, over half—100,202 to be exact—were bought by alert men and women who traded in cars of other makes, from the lowest to the highest priced, to own a New Hudson.

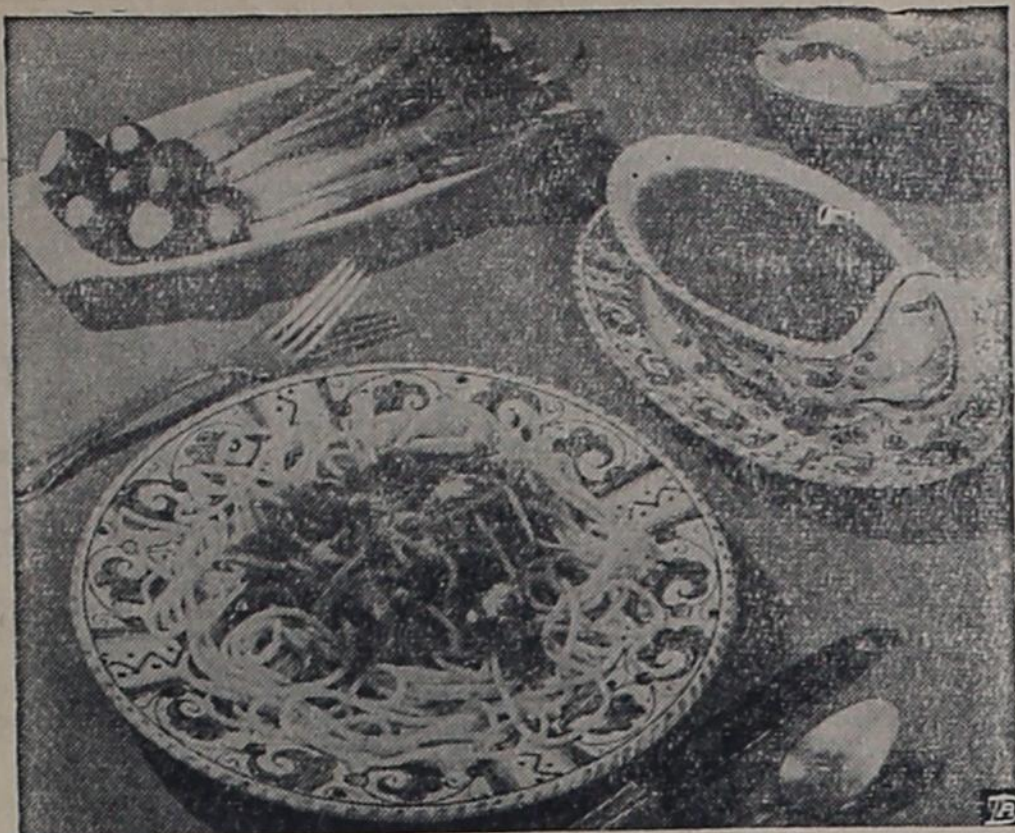

And now, as our way of celebrating Hudson's 40th anniversary and to win still more new friends for the New Hudson in this community, we're making it easier than ever for you to own this years-ahead car! We're offering the longest trades, the best deals in our history. So come in—now—during our big BUY-NOW BIRTHDAY PARTY!

COME IN—NOW—FOR YOUR REVELATION RIDE!

**Hardage Hudson Company**

FARWELL, TEXAS

A packaged spaghetti dinner makes an easy and substantial main dish for a dog-day menu. Serve it with a variety of quickly cooked vegetables—summer squash, green peas or corn on the cob. Or start with a cup of jellied consommé or a wedge of melon as a first course. Then bring on the spaghetti dinner with a big green salad. End up with a fruit dessert, and you'll have a meal that is simplicity itself to prepare but is satisfying and appetizing.

The packaged dinner contains uncooked spaghetti, a can of grated Parmesan-style cheese, and concentrated spaghetti sauce in an 8-ounce bottle. The rich sauce is seasoned with a chef's skill that makes the spaghetti menu something outstanding. It comes in either of two styles, with meat or without. And there is enough spaghetti in each package, with cheese and sauce to go with it, for two or three servings.

### Announcement Of Gas Company Merger Made Today In Chicago

The merger of Texas Public Service Company into Southern Union Gas Company became effective today (July 21) at a meeting in Chicago of Southern Union's board of directors. The action by the board was taken after the required two-thirds majority of the stockholders of both companies approved the merger at separate meetings in Dallas last Thursday, July 14, according to an announcement from C. H. Zachry, Dallas, president of Southern Union, to W. J. Banks, Southern Union agent at Farwell.

C. H. ZACHRY

Zachry also announced that at the board of directors meeting of this company today, William Lawlor, Jr., of Austin, Tex., was elected a vice president of Southern Union. According to Banks, Zachry stated the natural gas distribution systems in Austin, Galveston, Port Arthur, Griffing Park, Lakeview, Nederland, Pear Ridge, Port Neches and Port Acres, Texas, formerly owned by Texas Public Service, will be operated as the South Texas district of Southern Union, with vice president Lawlor supervising operations of the nine cities out of Austin, where he will continue to maintain his office.

With the new customers added by the merger, Southern Union, which is a 21-year-old natural gas distribution utility, now serves approximately 160,000 consumers in 41 towns and cities in Texas, New Mexico, and Colorado. The combined assets of the company since the merger are more than 40 million dollars, and the number of employees total more than one thousand.

### Having Fun Rewards 4-H'ers In National Recreation Program

The 1949 National 4-H Recreation and Rural Arts program—a newcomer in the field of sponsored 4-H activities—is well launched in Texas, according to the State Extension office, A. & M. College.

Introduced only last year, the program has already chalked up an unusually good record which includes training 7150 junior and 4390 adult 4-H Club leaders in recreation.

In addition 1005 clubs in 44 states were awarded blue ribbons for outstanding performance; 350 counties won \$25 each in cash toward buying recreational equipment; 21 states received 50 each for crafts premiums, while five boys and three girls were given educational trips to the National 4-H Club Congress in Chicago.

A total of \$25,280 will be awarded in the same manner by United States Rubber company, sponsors of the program. Awards are based on well-rounded recreational activities developed and carried out by local 4-H Clubs. The eight trips are provided for 4-H'ers who have excelled in recreational leadership.

Among the events designed for club members are indoor and outdoor games; dances, festivals, tours and plays. For members there are numerous types of recreation such as leather, metal or wood craft; stage and set designing; sports and hobbies; singing or dancing leader, and serving as a committee member.

The entire program is conducted under supervision of the Cooperative Extension Service.

### RECORD SUMMER CLASS GET DEGREES AT TECH COLLEGE, AUGUST 26

LUBBOCK—The largest August graduating class in the 23-year history of Texas Technological college will receive degrees August 26 in the first summer commencement since 1946. Three hundred fifty degrees will be conferred.

Gen. Robert J. Smith, president of Pioneer Air Lines and commanding general of the 443rd Troop Carrier wing reserve, will be the principal speaker at the exercises.

General Smith is a veteran of both World Wars, becoming first interested in aviation in 1917. Following his discharge from the service, he began a program of training which was to make him outstanding in the rapidly growing aviation industry.

He obtained an AB degree from

Jefferson university and a LLB from Northwestern. In 1925 he became head of the aviation department of the Dallas Chamber of Commerce.

Remaining there until 1938, he then went to New York City to become general traffic manager of American Airlines.

Since that time he held a position in the law firm of Clark and Rice and was executive vice-president of Braniff Airways in Dallas. He left that company to enter military service in World War II.

As a colonel he acted as deputy commander of the North African Division of the Air Transport command with headquarters in Cairo. General Smith commanded bases in Tripolitania, Libya, Saudi-Arabia, Palestine, Lebanon, Syria, Iraq, Russia and India.

General Smith is a member of the Dallas, Texas and American Bar Associations. He is acting president of Aviation Activities, Inc., a member of the Air Force association and a director of the Dallas Chamber of Commerce.

Oakland Bay Bridge in San Francisco is the largest in the world.

**FOR SALE**—1942 Dodge, 3-ton truck and Lufkin trailer, tight grain bed, excellent for wheat hauling. Phone 3701, Texico—Farmers' Supply. 36tfc

Mrs. Loyde Brewer is visiting in the home of her mother, Mrs. C. L. Vestal, in Friona this week.

Mr. and Mrs. Walter Hardage and children spent the past weekend visiting in the home of Mr. and Mrs. D. K. Roberts near Flagstaff, Ariz.

Mrs. Cora Hughes arrived here Monday to spend several days visiting in the home of Mr. and Mrs. Les Means, and other friends, in Texico.

Mrs. Clayde Perkins' sister visited her for a short time Friday, bringing her some peaches and plums to can.

Mrs. Hamlin Overstreet and daughter, Jane Claire, are visiting with friends in Amarillo this week.

**Special Meeting For Baptist Brotherhood**

A special brotherhood meeting of the men of the Texico-Farwell Baptist church will be held in the basement of the church Monday night at 8:30, informed the Rev. O. O. Holloday, pastor, early this week.

Rev. Holloday said Hugh Chapman from Clovis, president of the Baptist State Brotherhood, would speak at the called session. The pastor invited all Texico-Farwell men to attend the meeting.

**Phillips Is Transferred To Mississippi**

KESSLER AFB, Biloxi, Miss.—1st Lt. Carthon P. Phillips, son of Mr. and Mrs. Frank Phillips of Farwell, and husband of Mrs. Doris E. Phillips, recently reported to Kessler AFB to attend Radar School.

Lt. Phillips received his commission Sept. 8, 1944 at Douglas AAF, Arizona. He attended Texas Tech College and served overseas in the South Pacific.

Need letterheads? Dial 2131.

**Utilities Company Is In New Location**

The local offices of the Southwestern Public Service Company, which has been located just west of the City Cleaners in Farwell, has moved two doors east to their new and improved quarters.

Otis Huggins, local manager, said a new air-conditioner was to be installed in the building. New lighting fixtures have been added to the new location. Huggins said the telephone number would remain the same, 2221.

**FFA TO MEET FRIDAY NIGHT**

An important meeting for the Farwell Chapter of Future Farmers of America will be Friday night at 8:30, reported adviser Robert L. Morton early this week.

He said final plans for the annual trip, which will take the group to Daingerfield state park, east of Dallas, would be made at that time. Morton expected the trip to be a very satisfactory one, and reminded all who intended to make the August 15 sojourn to attend the meeting.

**ON VACATION**

Mr. and Mrs. Bill Hall got into their new Hudson the first of the week and took off for unannounced destinations in the higher elevations of northern New Mexico and Colorado. When they left Farwell, they planned to be gone a full week, but Mrs. W. T. Meeks and Mrs. Willie Hammonds, who are in charge of the business during their absence, expressed belief that they would return before the close of the present week.

**NEW BOOKKEEPER EMPLOYED**

David Russell, who comes here from Hereford, has been employed to succeed Ray Osborn as bookkeeper at the Henderson Grain & Seed Co. in Farwell. Osborne, who came here from Tulsa and has been employed the past 14 months, tendered his resignation some weeks ago. He said he had no plans for the immediate future, but was soon leaving on a vacation trip to the west coast.

# Local Happenings

## Mrs. Leonard Watkins Honoree At Bridal Shower Thursday

Mrs. Leonard Watkins, nee Miss Theda Branscum, was honored with a miscellaneous bridal shower in the basement of the Texico-Farwell Baptist church the past Thursday afternoon, July 14.

Hostesses for the occasion were Mesdames John Hadley, Barney Kelley, Homer Kelley, Verney Towns, Joe McWilliams, W. T. North, Roy E. Cook, Clyde Magness, Olan Schleuter and O. O. Holladay.

The church parlor was beautifully decorated with bouquets of yellow gladiolus and greenery. The color scheme for the affair was carried out in yellow and green, with the lovely lace-covered table topped with individual heart-shaped cakes of yellow and green, and matching candles on either end.

Mrs. Roy Cook directed the attendants in several games after which the honoree was presented a beautiful floor lamp, a gift from the hostesses along with numerous other lovely household items.

Several musical numbers were presented during the evening by Mrs. Jack Greathouse and Mrs. Donald Watkins.

Refreshments consisting of individual cakes, mints and punch were served to approximately fifty guests registered by Mrs. Inez North. Mrs. Verney Towns presided at the crystal punch service and Mrs. Barney Kelley assisted with the serving.

## England Visitors Guests In Jesko Home

Mr. and Mrs. E. E. McEvoy of Winchester, England, were overnight guests in the Harry Jesko home last Thursday, and while here enjoyed a visit with Mrs. Irene Dyer of this city, a former England resident, who gave up her residence in her home land to become the bride of Claude Dyer.

The McEvoy's plan to return to their home soon after spending several weeks in the States, as guests of Mr. and Mrs. Walter Loveless of Friona. They recently completed a trip to the west coast and visited the Grand Canyon. Mrs. Dyer's former home was in Worcestershire, England, some 90 miles from the home of the McEvoy's, which would have required "about a day's travel of train" between the two points. Needless to say that Mr. and Mrs. McEvoy and Mrs. Dyer had a very pleasant visit together, although they were not acquainted in their old home.

## Surprise Birthday Dinner Honors W. J. Matthews

Mrs. W. J. Matthews entertained relatives at a surprise birthday dinner honoring her husband, W. J. Matthews, Sunday, July 10.

Those attending included Mr. and Mrs. J. D. Harding and sons, Leveland; Mr. and Mrs. R. J. Klump, Muleshoe; Mr. and Mrs. N. R. Harding, Farwell; Mr. and Mrs. B. L. Harding, Mary and James, Texico; Mrs. H. H. Carlyle and son Howard, San Angelo; and the honoree and hostess, Mr. and Mrs. W. J. Matthews.

## BTU Enjoys Weiner Roast, Melon Feed

Members of the Baptist Training Union of Texico-Farwell Baptist church enjoyed a weiner roast and watermelon feed at the Farwell park, Thursday night, July 14.

Thirty-two students were present along with their sponsors, Mr. and Mrs. W. T. North.

## Auxiliary Names New Officers Monday Night

The Justice-Williams Legion Auxiliary unit met in their regular monthly meeting Monday evening at 8:30 in the Hall, with 16 members and two guests present. Guests were Mrs. Fry and daughter, Sandra, of Clovis.

The meeting was opened in regular form. After a short business session the following officers were elected for the ensuing year.

President, Mrs. John Getz; first vice-president, Mrs. Mae Porter; second vice-president, Mrs. Modena Banks; secretary-treasurer, Mrs. Jerry Meeks; corresponding secretary, Mrs. Marjorie Meeks; Chaplain, Irene Dyer; sergeant-at-arms, Mrs. Estelene Billington; assistant sergeant-at-arms, Mrs. Mable Martin; historian, Mrs. Bess Hennehan; and musician, Mrs. Velna Seale.

During the business session the probability of sending one or more delegates to the state meeting at Ft. Worth, August 5, 6, and 7, was discussed.

Refreshments of iced raspberry punch and cookies were served at the conclusion of the meeting.

Auxiliary president, Mrs. Mae Porter, reminded members of the Auxiliary and also members of the local Legion that the regular joint monthly meeting would be held Tuesday night, July 26. The meeting will consist of a covered-dish supper and business will be discussed.

At the joint meeting, the boys' state representative, Billy Jim Billington, and the girls' state representative, Coeta Roth, will give reports to the trips to the state meetings.

## Vacation Bible School Attendance Is Good

Sixty-five children, from kindergarten through intermediate age, have been enrolled in the summer vacation Bible school of the Texico-Farwell Methodist church, disclosed the Rev. Murphy Duncan, pastor, on Tuesday. He said a great deal of enjoyment was being had by the children from the meetings, and invited parents of Texico-Farwell to send their children. Classes begin each morning at 9 o'clock, and will continue for two weeks, said Rev. Duncan.

## Niece Of Local Lady Is Wed Saturday

Miss Mary Louise Bledsoe, niece of Mrs. Claude Rose of this city, was united in marriage Saturday night at 7 o'clock at the Baptist church in Ralls, to Herman Rayfelt.

Both Mr. and Mrs. Rayfelt are students at Hardin-Simmons university. Rayfelt is a member of the all-star football team at Hardin-Simmons.

Mrs. Claude Rose and Mrs. M. C. Roberts attended the wedding.

## Jr. Training Union To Have Watermelon Feed

The Junior Training union of the Texico-Farwell Baptist church will gather in the basement of the church Friday night, July 22, where they will enjoy a watermelon feed, sponsored by Mr. and Mrs. Otis Branscum. All members of the junior training union from the ages of 9 through 12 are invited to attend. An enjoyable time is planned for all attendants.

## License Issued

A marriage license was issued to Ima Lee Morris and Rosa Lee Tabor Thursday, July 14, according to records at the office of county clerk.

## Pre-Nuptial Shower Honors Ruth Bonds

Miss Ruth Bonds, daughter of Mr. and Mrs. N. E. Bonds of Bovina, bride-elect of Graham Thornton, was honored with a pre-nuptial shower Saturday, July 16, from 2 to 6 p. m. in the home of Mrs. A. D. Smith. Mrs. Harry Whitley, Mrs. Mose Glasscock, Mrs. John Lovelace, and Miss Wilma Louise Snider acted as co-hostesses.

The reception room was beautifully decorated with huge bouquets of mixed gladiolus, phlox, zinnias and daisies. The hostesses served dainty refreshments of cookies, mints and punch to the guests calling at the different hours.

The guests were favored with several musical numbers and readings, from two of Miss Bonds' former students, Lavoyda Billington, and Claude Rose, Jr., and a former pupil of Mrs. Smith's Sandra North.

The honoree received a lovely assortment of china, silver, crystal and many other useful household items from approximately one hundred friends.

## Golden Circle SS Class To Convene Thursday

The Golden Circle Sunday school class of the Texico-Farwell Baptist church will convene in their regular monthly meeting Thursday evening at 8:30 in the basement of the church. The program will consist of business and a social gathering. Each member is urged to be on hand for this meeting.

## Announce Marriage Of Daughter

Mr. and Mrs. N. E. Bonds of Bovina announce the marriage of their daughter, Miss Mildred Ruth Bonds, to Graham Thornton, at the First Baptist church in Bovina, Friday night, July 22, at 8 o'clock.

The public is cordially invited to attend the wedding.

## Here From Arizona

Mrs. Dee Dial, who is the former Mrs. G. E. Campbell of this city, arrived here the first of the week from Seligman, Ariz., and will spend a week here visiting old friends and attending business matters. The former Mrs. Campbell revealed that she was married to Mr. Dial last November. Her former husband, George Campbell, a pioneer resident of this section, died several years ago while they were residents of this city.

## Attends Commencement

Mrs. J. D. Thomas of Farwell attended the commencement exercises of her daughter, Miss Norma Jean, at the University of Texas in Austin, Friday, July 15th. Following the graduation Norma Jean accompanied her mother to Abilene to visit relatives. They returned to their home here Monday.

## Visits In Aldridge Home

Mr. and Mrs. Bob Maddox of Roswell visited briefly in the home of Mr. and Mrs. Sam Aldridge Monday morning. They were en route to their home from Melrose, where they had taken Jim Bob Dowe to join a construction gang, with which he is employed.

## Vacations In Mountains

During a vacation in the Rocky Mountain range in northern New Mexico last week were Mr. and Mrs. O. C. Pulliam and two daughters. The family visited several interesting places, including the historic museum in Santa Fe. Pulliam reported a very wet trip, declaring that "it rained every fifteen minutes," but didn't have any regrets for time spent traveling.

## Son Is Born

Mr. and Mrs. Pat Terry of Hereford announce the arrival of a son, Hilton Lee, July 16th, in Hereford. The young man weighed 6 pounds and 19 ounces. The Terrys are former residents of this city. Mr. Terry was employed at the Syndicate Land office, and Mrs. Terry was a member of the Farwell school faculty.

## Shower At Okla. Lane

A shower will be held for Bobby Hammond and Wanda Joy Pruitt at the Oklahoma Lane school auditorium Tuesday, 2:30 p. m., according to Mrs. Jim Billingsley. Besides herself, she named hostesses for the affair to be Mrs. Coon Rundell, Mrs. Brown, Mrs. Bill Foster, and Mrs. Jess Terry.

## To East Texas

Mrs. E. F. Lokey and son Ernest Jr., spent several days the past week visiting with her daughter and son-in-law, Mr. and Mrs. T. H. Lindsey in Dallas, and also in the home of her sister and family, Mr. and Mrs. E. L. Wilde, in Abilene. They returned to their home here the first of this week.

## In Smart Home

Dinner guests in the home of Mr. and Mrs. Jim Bob Smart, Sunday, were Mr. and Mrs. Lloyd Sanderson and daughters, Doris and Nancy Lou, Miss Opal Powell, J. A. Sanderson, and Miss Shaw, all of Portales, and Miss Hazel Dishman, Texico.

## Mr. and Mrs. A. L. Smith and sons of Fresno, Calif., spent the weekend in the home of Mr. Smith's sister and family, Mr. and Mrs. C. A. Cassidy. They plan to visit with relatives in Plainview and other Texas cities before returning to their home.

## Mr. and Mrs. Doyle Cummings and son, of Friona, spent Sunday in the home of Mrs. Cummings' parents, Mr. and Mrs. C. A. Cassidy.

## David Russell of Clovis has been employed by the Henderson Grain and Seed Co., and is making his home with Mr. and Mrs. Jess Newton of this city.

## Visitors in the home of Mr. and Mrs. W. J. Matthews over the weekend were Mr. and Mrs. W. A. Durham. Mrs. Durham is a cousin of Mr. Matthews.

## Mr. and Mrs. M. L. Lucas, former residents of this city, who have been residing in east Texas for the past several months, returned here the first of the week to make their home. They are living with Mrs. Jones while arrangements for the home are being made.

## Here From Dallas

Bob Cantrell, former resident of this city, and now of Dallas, spent the past Friday visiting in the home of his brother-in-law and wife, Mr. and Mrs. Mose Glasscock. Cantrell was formerly employed at the local courthouse, and also was an insurance salesman here.

## Home From Vacation

Mr. and Mrs. Ollie Williams and children, and Mrs. Williams' sister Miss Freda Harper, who is visiting here from Bessemer, Ala., returned home the first of the week from a vacation trip to points in northern New Mexico, including Santa Fe and Red River.

## Visits In Ruidoso

Mr. and Mrs. Les Means spent the past weekend in Ruidoso, N. M. They spent Friday night at the Jack Kilgore ranch, at Hi Lonesome, N. M., enroute to Ruidoso. They attended Sunday afternoon races, and visited Cloudercroft while in the New Mexico city.

## In Bailey Home

Visitors in the home of Mrs. Leona Bailey of Texico the past week included Mr. and Mrs. Cecil Tankersley, Kilgore; Mr. and Mrs. Amos McDonald, Phoenix, Arizona; and Mr. and Mrs. Vernon Ford, Dallas.

## Mr. and Mrs. Marvin Hamrick spent Sunday visiting in the home of Mr. Hamrick's sister and family, Mr. and Mrs. B. G. Barber, in Littlefield.

## Mr. and Mrs. G. E. Willet and daughter-in-law, of Rio Grande Valley, spent the weekend in the home of Mr. and Mrs. J. D. Lewis, in Texico.

## Miss Harper and her brother, Bob, who has been here since early in June, plan to leave for their home in Alabama this week.

## Visitors in the home of Mrs. C. D. Houghtelling Sunday included her mother, Mrs. C. C. Potts, a sister, Mrs. Roth Blake and friends, all from Amarillo.

## PROTECT YOUR EYES FROM THE BRIGHT SUNSHINE

Our unlimited bright sunshine is extremely hard on your eyes. But you can protect your eyes from the glare by letting us fit you out with a good pair of sun glasses or goggles.

We have them in practically every style and shade that you can mention.

## HOSPITAL NOTES

Patients admitted last week to the Parmer County Community Hospital included J. R. Glover, Bovina, medical; Mrs. K. E. Slough, Clovis, medical; Mrs. Dick Garner, Plainview, medical; Mrs. Charles Adams, Friona, surgery; Juanell Rogers, Dimmitt, surgery; Mrs. Garcis Harper, Friona, surgery; M. M. Bussell, Friona, surgery; H. C. Johnson, Artesia, N. M., accident; Mrs. N. M. Cruse, Friona, surgery.

## Patients Dismissed

Mrs. J. R. Glover, Mrs. Dick Garner, Juanelle Rogers, M. M. Russell.

Miss Minnie Smotherman, of Clovis, is visiting in the home of Mrs. Bettie Smart this week.

Mr. Whitte of Henrietta, Tex., who is employed by the State of Texas, is making his home with Mr. and Mrs. Jess Newton.

Mrs. H. H. Potter of Muleshoe visited relatives here Saturday afternoon.

## BRIDAL SHOWER HONORS MISS MILDRED RUTH BONDS

Miss Mildred Ruth Bonds was honored with a bridal shower Tuesday July 12 at the Legion Hall. Miss Delores Wilson and Miss Martha Williams presided at the punch bowl and register book.

Those present were Mrs. E. D. Ashcraft, J. F. Barnett, Miss Delores Wilson, Miss Martha Williams, Mrs. Wilford Quickel of Farwell, Mrs. J. R. Thornton of Farwell, Mrs. D. C. Looney, Troy Armstrong, Gladys Tidenberg, W. E. Thornton, Charles Hawkins, Gene Hawkins.

Hostesses were Mrs. John Kimbrough, R. N. Williford, Charlie Jefferson, T. J. Hopingardner, A. B. Wilkinson, Jessie McSpadden, E. H. Moody, Bedford Caldwell. Several sent gifts who were unable to attend.

## LEGION AUXILIARY ZONE MEET

The American Legion and Auxiliary was host to the zone meeting Tuesday night, July 12, at the Legion

Hall. There were 40 present and all reported a splendid meeting. All posts with the exception of Vega were represented.

After delicious refreshments of doughnuts and punch, all visited and then adjourned. The next zone meeting will be held at Dimmitt, August 9. Come and go with us, Legion and Auxiliary members.

## DORCAS CIRCLE MEETS

The Dorcas Circle met Wednesday, July 6 with Mable Newberry. After a covered-dish luncheon, all embroidered tea towels. Then they had business tended to.

The lesson "The Right to Citizenship and Its Privileges," was given by Mrs. Earl Richards. After adjournment, the next meeting was decided to be August 3 at the home of Mrs. Pat Kunselman.

## PALS CLASS ENJOYS CHICKEN FRY

The Pals class of the Baptist church enjoyed a chicken fry at the local park Saturday night. A good time was had by all. Music and singing was a part of the program.

Those attending were Mr. and Mrs. Jack Kessler, Mr. and Mrs. Gene Hawkins, Mr. and Mrs. Otis White, Mr. and Mrs. Henry Minter and Billy, Mr. and Mrs. D. C. Looney and baby, Mr. and Mrs. Arnold Hromas and Charolette, Mr. and Mrs. J. W. Gooch and Janet, Mr. and Mrs. Bill Bradshaw, Diathalee and Julius; Mr.

and Mrs. B. L. Hillock, David, Barbara and Bail; Rev. and Mrs. Weldon Franks, Judy and Billy; Mr. and Mrs. A. L. Kerby and Paula Kay.

Mr. and Mrs. Jim Ellison purchased a new 1949 Dodge this week.

Mr. and Mrs. Elton Venable and children Rudolf and Margaret Jo, visited in Friona Wednesday afternoon. The children received a medical check-up.

Mr. and Mrs. Richard made a business trip to Lubbock Thursday.

The grandchildren of Mr. and Mrs. Oscar Combs are visiting this week. They are the daughters of Mr. and Mrs. Harold Combs of Clovis.

Mrs. Lawrence Starr is visiting in her parents home this week, Mr. and Mrs. Charlie Gray and Lawrence.

Mr. and Mrs. Charlie Calaway and Mr. and Mrs. Charlie Jefferson visited in Muleshoe Sunday.

Mr. Bill Hubble of Clovis visited here Friday.

Miss Jean Danner and Miss Sarah Marie Venable left Tuesday morning by bus for Oklahoma City to visit friends and relatives.

Mr. and Mrs. Troy Fuller purchased a new 1949 Lincoln this week.

Mrs. Fred Carson is driving a new Dodge.

Mr. Joe Langer returned Monday from Colorado, where they are cutting wheat.

Mrs. Gene Hromas and daughter returned home Sunday. Mother and baby are doing nicely.

Mr. and Mrs. Harry Charles purchased a new Mercury this past week.

Miss Sandra and Katherine Jefferson are spending the weekend in Clovis with their grandparents, Mr. and Mrs. Jim Roberts.

Mr. J. O. Glover is in the Friona

hospital receiving medical care.

Mr. and Mrs. Grady Whitt of Amarillo visited in the home of Mr. and Mrs. Jack Kesler the past weekend.

Mr. and Mrs. Lester Rhinehart and daughter, Sandra, and Miss Terry Williams of Clovis, left Wednesday morning for Colorado on business.

Mr. and Mrs. Bob Johnston Jr. visited in Lubbock the past weekend with the family of Mr. and Mrs. Bob Johnson.

Miss Katherine Jefferson and Cledly Palomay had an accident Monday morning at the corner of the A. G. White home. Damage to both cars was extensive.

Mr. W. L. Venable is erecting a new house for the purpose of supplying a new teacher and his family with a place to live.

Mr. and Mrs. Jake Calhoun and family of Winslow, Ariz., spent the past week visiting in the home of Mr. and Mrs. Steve Calhoun.

Mr. and Mrs. Gene Ezell and family left Friday for Oklahoma to visit relatives and friends.

Bovina and Farwell played baseball at Bovina Sunday. Bovina won 24 to 7.

Mr. and Mrs. A. M. Wilson and Mr. and Mrs. Cash Richards left Sunday for a week vacation in Colorado Springs, Colo.

Mr. Joe Brito purchased a new Chevrolet this week.

Mr. and Mrs. Huston Casey and son of Dallas, Tex., visited in the home of Mr. and Mrs. R. L. Green the past week.

Mr. and Mrs. Harry J. Charles and daughter left Saturday for a week vacation.

Mr. and Mrs. Doby Williams and family of Prescott, Ariz., visited in the home of Mr. and Mrs. Stacey

Queen. They also visited in the Bob Queen home.

Mrs. Erwin Bryant and children of Amarillo are visiting here with her parents, Mr. J. O. Clover, who is in Friona hospital in critical condition.

Mrs. Jessie McSpadden and Mrs. W. L. Giles and son spent Thursday night in Brownfield, Tex., with Mr. and Mrs. Ray Schmidt.

Miss Reta Wilkenson attended the wedding of Hal Wade McSpadden Friday in Sparenberg, Texas.

Mr. and Mrs. Hershel Lowe of Canyon spent the past weekend visiting her parents, Mr. and Mrs. C. R. Elliott.

Mrs. John Byler and family of Amarillo visited her mother, Mrs. Norman Wilson, the past weekend.

Mrs. Alvin Gaines, and sons of Friona visited here Saturday.

Congratulations to Mr. and Mrs. Jack Jarrell on the birth of a daughter the past week in Clovis Memorial hospital.

Mr. and Mrs. Will Parker visited in Amarillo with their son, Mr. and Mrs. Oscar Parker, the past weekend.

Word was received here Saturday that Mr. Jack Carr, formerly of Bovina, but now living in Amarillo, died from a heart attack while driving his car.

Mr. and Mrs. Clarence White of Albuquerque, N. M., visited in the A. G. White and Frank and John Wilson home this past week.

Mr. and Mrs. Edd Moorman of Fresno, Calif., are visiting in the home of Mr. and Mrs. Andrew Moorman this week.

Mr. and Mrs. F. W. Ayres have returned from a trip to Liberal, Kan., where they visited a sister of Mrs. Ayres, who is ill.

Mrs. Lawrence Rhodes and son, Randy Lee, is visiting in the A. G. White home this week.

Mr. Frank Wilson, John Wilson, Pat Kunselman, Jackie Barnett, Frank Barnett, and J. W. Ashcraft

returned Saturday from a week-long fishing trip to Hot Springs, N. M.

Mr. and Mrs. Pete Davis motored to Clovis Thursday where their son Windal received medical care for strep throat.

Mr. and Mrs. Vester Venable of Farwell visited in the Elmer Venable home Sunday.

## OKLAHOMA LANE

Those attending the Oklahoma Lane Variety club social at Mrs. Clarence Christians' home Friday night, were Mr. and Mrs. Sam Sides, Mr. and Mrs. Thad Watkins, John West, J. R. Caldwell, Edd McGuire, L. M. Grissom and family, W. E. Verner and family. Visitors were Mr. and Mrs. Taylor and grandson, Mrs. Taylor being Mrs. J. R. Caldwell's sister; Mr. and Mrs. Bedford Caldwell and boys. Refreshments of ice cream and cake were served. The evening was spent playing games. It was not decided where the next meeting place for the club would be, but a date of August 5 was set.

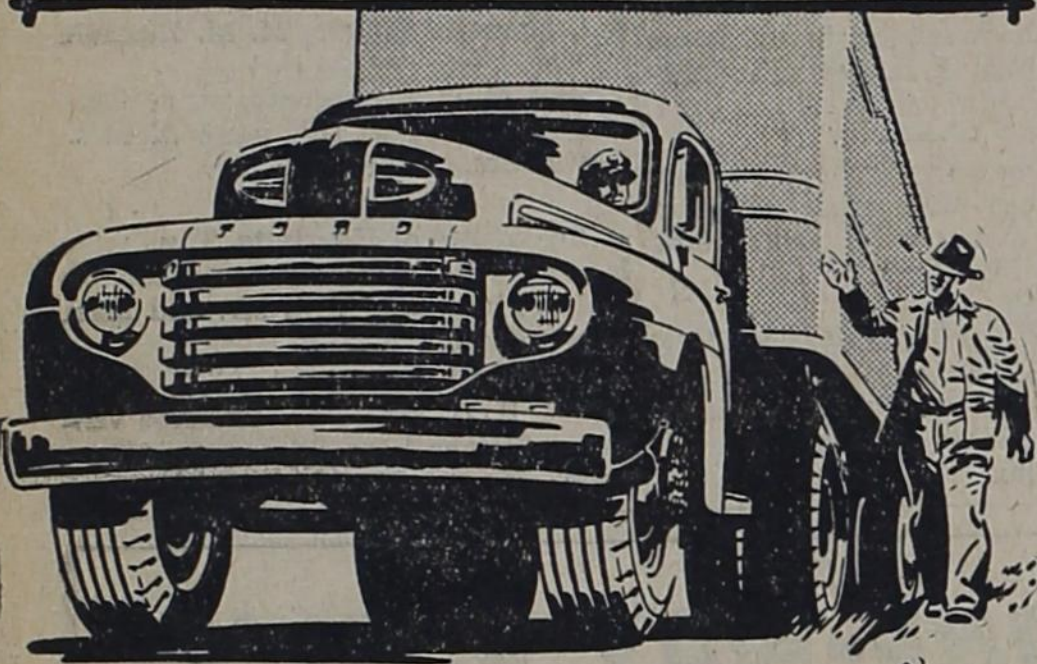

Donald Ray Verner is very slowly improving.

Mr. and Mrs. Loyd Battey were visitors in the Sam Sides' home Sunday.

Billy Gene (Roach) Barber is very ill at her mother's home, Mrs. Jack Roach.

Miss Jewell Barry and Miss Helen Clark were in Lubbock Thursday where Mrs. Barry had a checkup at Lubbock Memorial hospital. They spent the night with Mrs. W. J. Mes.

**DO BETTER WORKERS HOLD THEIR JOBS LONGER?**

**TOPS IN TELEVISION** . . . Lodged on the pinnacle of New York's skyscraping RCA building, like a translucent bubble in the metropolitan air, is the new NBC television plexiglass radome housing receiving equipment for television. It's all-weather proof—cool in summer, warm in winter—as video star Kyle MacDonnell can attest after inspecting the "dish" which serves as a receiving antenna.

**2, 4-D Can Be Dangerous When Improperly Used**

COLLEGE STATION — Reports continue to come in from different sections of the state that show proper precautions are not being followed in the use of 2, 4-D.

Orchards have been defoliated, tomato and other truck crops have been and are being hurt, and cotton is being damaged in almost every section of the state says M. K. Thornton, extension agricultural chemist of Texas A. & M. College.

The users of 2, 4-D must remember, he adds, it will not only kill weeds that are objectional but may also damage desirable plants around the house and farm.

Here are some precautions that should be followed by every user of 2, 4-D, as worked out by a committee of Texas A. & M. College research and extension workers for your protection.

They say don't use 2, 4-D dusts under any conditions. They drift easily and far. Ester forms of 2, 4-D are not recommended because they give off fumes readily. Small liquid spray particles may drift in air cur-

rents and delayed drift effects may occur following changes in direction of the wind.

For ground sprayers, use nozzles producing coarse spray particles and use pressures below 40 pounds per square inch. Do not apply 2, 4-D with ground equipment in wind velocity greater than 5 miles per hour when susceptible crops are within 1/2 mile downwind or nearer upwind.

No 2, 4-D, says the committee, should be released from an airplane at altitudes higher than 10 feet above the ground when wind velocities are greater than 5 miles per hour and susceptible crops are within one mile downwind or 1/4 mile upwind from the application area.

In winds of 6 to 10 mile per hour velocity, it should not be released if susceptible crops are within 2 miles downwind and near upwind.

In communities having intermixed small fields of susceptible and non-susceptible crops, it is difficult to meet the above conditions and in such areas airplanes should probably not be used for applying 2, 4-D.

Thornton advises using separate equipment for 2, 4-D. It is practically impossible, he says, to clean 2, 4-D from a sprayer that may be us-

ed for applying fungicides or insecticides. Don't store 2, 4-D in a building where seeds, fertilizer, fungicides, or insecticides are stored or handled because of danger of contamination.

Employ only qualified airplane operators who have properly functioning equipment and who will apply the spray only when the conditions set forth above can be met, he says.

Among the most susceptible plants are cotton, tomatoes, okra, vine crops such as cucumbers, sweet potatoes; legumes such as blackeye peas, peanuts, snapbeans; fruit trees, grapes, pecan trees and many ornamentals.

Before you use 2, 4-D Thornton suggests that you consult your county agent or other competent authorities as to the best stage of growth and correct dosage for use with any specific crop. Any crop treated with 2, 4-D sprays may be damaged by improper applications.

Mow pastures to control weeds and to keep the grass tender and growing over a longer period of time. This will keep your sudangrass pasture tender and growing.

**Cull The Loafers From Your Poultry Stock**

COLLEGE STATION—It is a direct loss to the poultry producer to feed non-layers during the summer months, says W. J. Moore, associate extension poultry husbandman of Texas A. & M. College, and it's also one of the reasons poultry producers are not doing a better job of maintaining high egg production during the summer months.

He advises poultrymen to sell the non-producers just as soon as they are noticed. Chances are they'll not come back into production until late fall or early winter, and during this time, feeding them is a dead loss.

Hens that show a shrunken, dried-up comb, yellow beak, new feathers, yellow shanks and yellow vents should be culled and sold. Hens that lack vigor and spend their time loafing should also be removed from the flock.

A good producer has to eat good feed and drink lots of clean cool water and they can't do this unless they rustle. Of course, the poultryman must do his part by supplying the

feed and water, adds Moore. The poultry producer who does a good job of culling continuously will be well paid, and at the same time he'll be following one of the important practices of efficient poultry farm management, concludes Moore.

**LEGAL NOTICES**

**CITATION BY PUBLICATION THE STATE OF TEXAS**

TO: Ewing Halsell and wife, Lucile Halsell; Wm. R. McCluskey and wife, Eva Halsell McCluskey; J. V. Holmes and wife, Clarence Halsell Holmes; Frank R. Wood and wife, Mary Halsell Wood; and the unknown heirs, assigns and legal representatives of the foregoing defendants, Greetings:

You are hereby commanded to appear before the Honorable District Court of Parmer County, at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of August, A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 21 day of March, A. D. 1949, in this cause, numbered 1467 on the docket of said court and

styled O. W. Rhinehart, Plaintiff, vs. Charles Wilcox, et al Defendants.

A brief statement of the nature of this suit is as follows, to wit:

This suit is brought in Trespass to Try Title. Plaintiff alleges that on January 1, 1949, he was the owner in fee simple and in possession of lots 1 and 2, Block 116, original town of Bovina, Parmer County, Texas; and thereafter on the second day of January, 1949, the defendants, and all of them, unlawfully dispossessed plaintiff and withhold from him the possession thereof, to his damage in the sum of \$10.00; and plaintiff further pleads the five-ten year statute of limitations and prays for judgment for title, possession of said lands, for damages and costs of suit, as is more fully shown by Plaintiff's Petition on file in this suit.

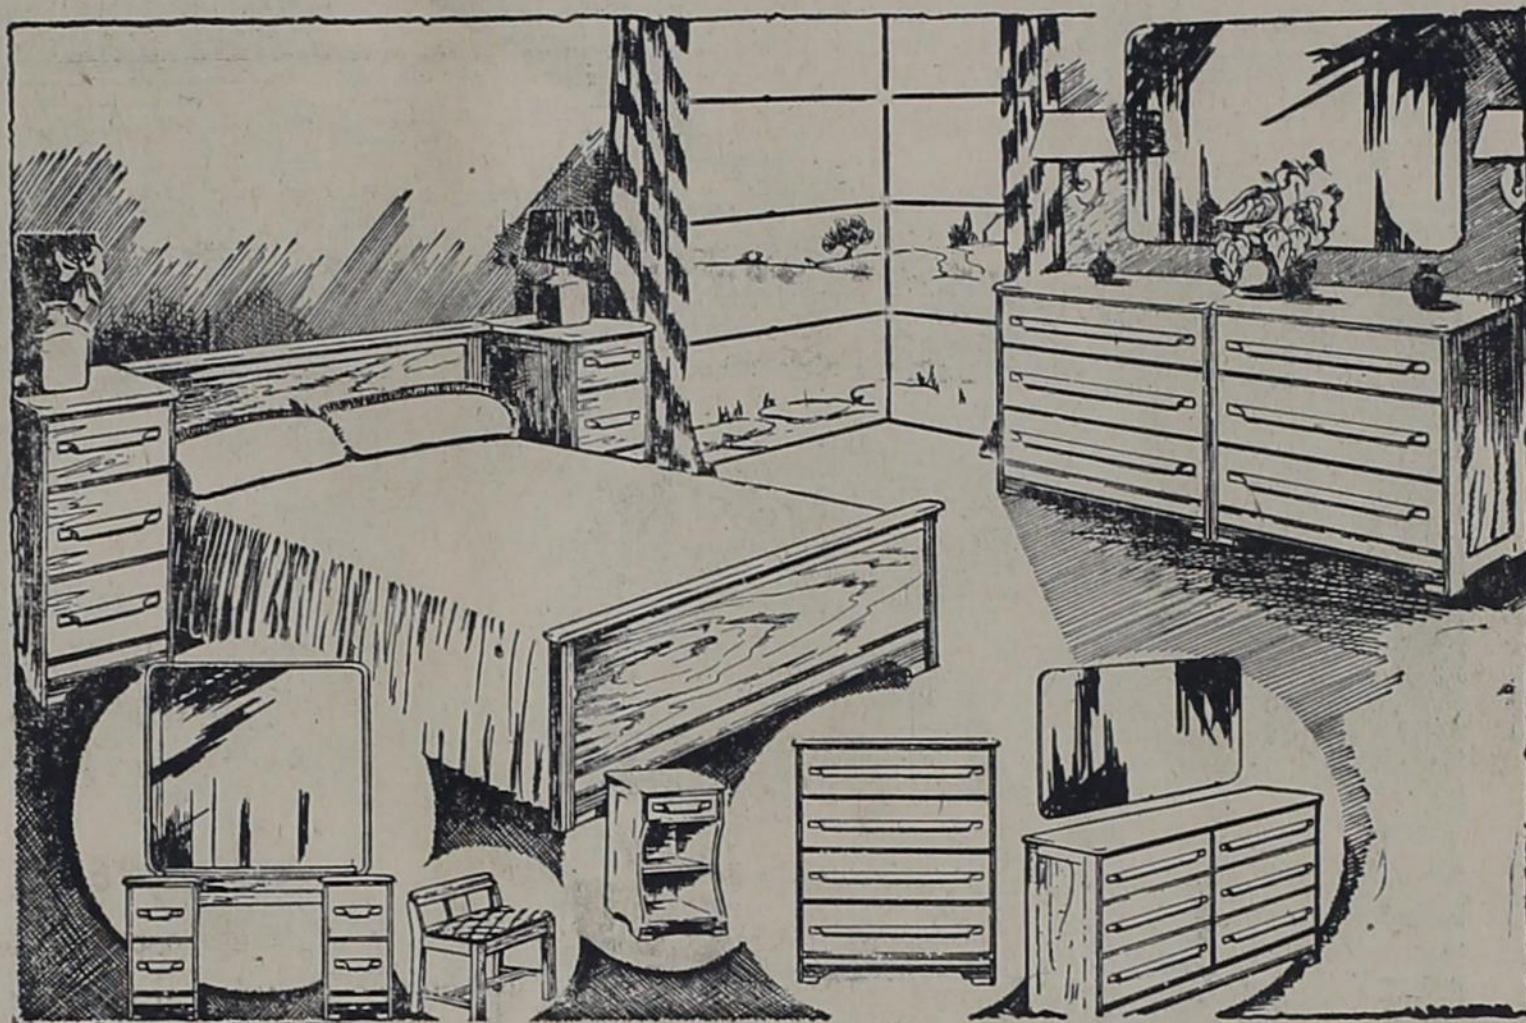

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 23rd day of June, A. D. 1949.

ATTEST:

Loyde Brewer, Clerk, District Court Parmer County, Texas. By Dorothy Lovelace, Deputy. (SEAL) 37-4c.

## Water Pump Is Heart Of Farm Water System

COLLEGE STATION—The water pump is the heart of the farm water system, says W. L. Ulich, extension agricultural engineer of Texas A. and M. College. It works for the family and the livestock under all conditions.

There may be quite a few things around the farm that the average farmer can do without if he has to. But if everything else on the farm fails, you still have to water. You'll be less likely to have trouble with your water system if you have a water pump that fits the special needs of the farm and home, Ulich adds.

He says there are three different types of electric water pumps that are in general use on Texas farms. The shallow well pump, the lowest priced one, is best suited for wells with a water level of 15 to 28 feet below the surface.

The plunger type, deep well pump is used when the water level is deeper than 22 feet. The cylinders that lift the water in this type are lowered to within 20 feet of the water, Ulich says. It can be used for wells of any depth, but is especially adapted to deep ones.

The third type water pump is the jet pump, used for either shallow or deep wells. The jet pump doesn't have to be directly over the water source, which is an advantage.

If you're figuring on buying a water pump this year, it may save you some money to buy the kind that will best fit your farm needs, he concludes.

After cleaning and moth-proofing your clothes, you can store them in trunks, chests or pasteboard boxes, first lined with paper. Be sure the containers are air tight. After placing the garments in the boxes, lay a piece of tissue paper over the top and sprinkle about four ounces of paradichlorobenzene crystals on the tissue.

# Pitch Him a Strike

### YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Copyright 1946 by Williams Newspaper Features Box 413, Fort Worth, Texas

**DADDY**, the count is on you... not the batter. You're not pitching him strikes. If he gets on base it will be a miracle. You are doing both the pitching and umpiring the game. Quite a novelty setup you have there daddy. How is that youngster to learn to play the game of life in GOLDEN RULE FASHION when his own daddy throws him nothing but 'balls' and calls 'em strikes? W-h-y, your son never will have a chance. You have set the pace daddy... blazed the trail of your own blood to a life of dishonesty, greed, and foul pay when you fail to put 'em over the plate.

**YOUR** church has a remedy for this sort of conduct. It upholds the better way of life through the teaching of God's word. The church aids you in establishing a principal... the GOLDEN RULE PRINCIPAL and to build a faith strong enough to play the game of life in strict GOLDEN RULE FASHION.

**THE** church is universal language... it's teachings will bring nations together and prepare the way for His kingdom to come on earth. Go to your church on Sunday and take a friend.

The number of tractors in the United States has more than doubled, and the number of motor trucks on farms is up 83 percent from 1940 figures.

The value of all autos, measured in 1940 dollars, was down one-third, while the value of other machinery is about 3.5 times pre-war.

Euclid a mathematician of Alexandria in the 4th century B. C., compiled the first systematic treatise on geometry which is still in use.

Have you ever been shaving, or perhaps bathing...

...When the telephone began to ring? Might be something interesting...

...So you run like a scared rabbit To answer promptly (a good habit)...

Only to find that the one who "rung up" Was too impatient—and has hung up.

When YOU call someone, give him plenty of time to answer!

THE MOUNTAIN STATES TELEPHONE AND TELEGRAPH COMPANY

### Friendship Caravan To Mexico City Set Early In September

A "friendship caravan" to Mexico City, open to all residents of Texas, is being organized to take place in September, when the travelers will participate in the celebrations of Mexican Independence Day and will be formally honored by the Mexican government.

Expected to be one of the largest goodwill visits ever made to Mexico, the trip's headquarters has been established in San Antonio. Point of departure will be Laredo, September 8. The journey will be 10 days. The trip will be made in special air-conditioned Pullman trains.

One of the many highlights in Mexico City will be a presidential banquet to be given in honor of the visitors by President and Mrs. Miguel Aleman at Casino Military Sept. 14. Other dignitaries of the Mexican government also will be present.

The foreign relation committee of the San Antonio Chamber of Commerce has endorsed the trip as a worthy goodwill visit. The committee this week launched plans for filling two or more cars in a special train, under the direction of Leroy G. Denman Jr., its chairman. It is expected that other chambers in the state will make similar plans.

Gustavo Ortiz Hernan, former consul general of Mexico in San Antonio, is director of the "Friendship Caravan." Raoul Cortez, president general of LULAC, is chairman of caravan committee and Denman is co-chairman.

Literature on the trip may be obtained from the friendship caravan office, 203 Insurance Building, San Antonio 5.

Milk is produced on the dairy farm for food purposes. Handling it as a food is the responsibility of the dairyman.

### LEGAL NOTICES

**NOTICE OF ELECTION**  
THE STATE OF TEXAS  
COUNTY OF PARMER  
TO THE RESIDENT, QUALIFIED ELECTORS OF PARMER COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Parmer County, Texas, on the 13th day of August, A. D. 1949, on the proposition and at the places more particularly set forth in the election order passed by the Commissioners Court of said County on the fifth day of July, A. D. 1949, which reads, as follows:

"AN ORDER  
"CALLING AN ELECTION ON THE PROPOSITION OF THE ISSUANCE OF \$800,000.00 OF ROAD BONDS AND THE LEVY OF AN AD VALOREM TAX IN PAYMENT THEREOF.

"WHEREAS, there has been presented for the consideration of the Court a petition signed by G. F. Trimble and more than fifty other persons praying that an election be held in Parmer County on the proposition of the issuance of Road Bonds of said County in the amount of \$800,000.00 and the levy of an ad valorem tax in payment thereof; and

"WHEREAS, the Court has found that said petition is signed by more than fifty of the resident, qualified property tax-paying electors of Parmer County owning taxable property in said County and who have duly rendered the same for taxation; and

"WHEREAS, the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Parmer County;

"IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF PARMER COUNTY, TEXAS:

"1. That an election be held in said County on the 13th day of August, 1949, which is not less than thirty (30) days from the date of this order, to determine:

"Whether or not the bonds of said Parmer County shall be issued in an amount of \$800,000.00 bearing interest at a rate not to exceed 3 1/2 percent per annum, payable annually or semi-annually, and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise, in not to exceed Thirty (30) years from the date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or in aid thereof throughout Parmer County, Texas; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity."

"2. That the proceeds of such bonds, if authorized, shall be expended in the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes

or in aid thereof throughout Parmer County, Texas.

"3. That said election shall be held under the provisions of Chapter 3, Title 22, Revised Civil Statutes of 1925, as amended by Chapter 16, Acts of the First Called Session of the 39th Legislature.

"4. All persons who are legally qualified electors of this State and of this County, and who are resident, qualified property taxpaying electors of this County, owning taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election, and all electors shall vote in the election precinct of their residence.

"5. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF

"AGAINST THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX FOR PAYMENT THEREOF

"Each voter shall draw a line through one of the above expressions, thus leaving the other as indicating his vote.

"6. The said election shall be held at the several polling places in Parmer County, Texas, and the following named persons are hereby appointed as officers of said election at the several voting precincts as follows:

"In Precinct No. 1 at Black School House in Black, Texas, with the following election officers:

Willis Edelman, Presiding Judge; Bruce Parr, Judge; Mrs. O. B. Robertson, Clerk; Mrs. Britt Clark, Clerk.

"In Precinct No. 2 at School House in Friona, Texas, with the following election officers:

T. J. Crawford, Presiding Judge; F. W. Reeve, Judge; Clyde Goodwine, Clerk; George Baker, Clerk.

"In Precinct No. 3 at Bovina School House in Bovina, Texas, with the following election officers:

Homer Martin, Presiding Judge; Wibur Charles, Judge; I. W. Quickel, Clerk; R. E. Everett, Clerk.

"In Precinct No. 4 at Courthouse in Farwell, Texas, with the following election officers:

Albert Smith, Presiding Judge; Mrs. O. B. Pipkin, Judge; Ethel Thomas, Clerk; Mrs. Harry Whitley, Clerk.

"In Precinct No. 5 at School House in Lazbuddy, Texas, with the following election officers:

Roy Daniels, Presiding Judge; George Crain, Judge; C. C. Matthews, Clerk; Joe Jesko, Clerk.

"In Precinct No. 6 at School House in Oklahoma Lane, with the following election officers:

Sam Sides, Presiding Judge; C. C. Christian, Judge; L. M. Grissom, Clerk; G. H. Lindop, Clerk.

"In Precinct No. 7 at Teacherage in Rhea, with the following election officers:

Melvin Sachs, Presiding Judge; Jack Woltmon, Judge; J. D. Stevens, Clerk; T. F. Taylor, Clerk.

"In Precinct No. 8 at Otho Whitefield home in Lakeview with the following election officers:

Otho Whitefield, Presiding Judge; Fred Barker, Judge; Pearl Hand, Clerk; Claude Miller, Clerk.

"7. The manner of holding said election shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the Statutes hereinabove cited.

"8. Notice of said election shall be given by publication of a copy of this order in the 'STATE LINE TRIBUNE', a newspaper published in the County, for three (3) successive weeks before the date fixed for holding said election. In addition thereto, there shall be posted other copies of this order at four public places in the County, one of which shall be at the Courthouse door for three (3) weeks prior to said election.

"9. The County Clerk is hereby directed to publish and post the same as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

PASSED AND APPROVED this 5th day of July, 1949.

(Signed) A. D. SMITH  
County Judge, Parmer County, Texas

ATTEST:  
(Signed) Loyde A. Brewer  
County Clerk and Ex-Officio Clerk, Commissioners' Court, Parmer County, Texas.

**Friena Student Member Of Summer Great Chorus** **Now Is The Time To Prune Your Trees**

DENTON—Jo Moody of Friena has been selected to sing with the Summer Great Chorus of North Texas State College.

First appearance of the Great Chorus will be an open air performance of Brahms' "Requiem" at NT-SC July 14.

Miss Moody is a sophomore student and a music education major.

The Chorus under the direction of Frank McKinley, School of Music faculty member, replaces the A Capella Choir for the summer.

**Sanitation Number One Item In Fly Control**

COLLEGE STATION—Sanitation is the number one item in a successful fly control program. Insecticidal less a thorough job of cleaning up all fly breeding places is done, says James A. Deer, assistant extension entomologist of Texas A. & M. College.

It is a known fact, adds Deer, that flies carry the germs of many diseases and with the increasing amount of polio in the state it is more important than ever to get rid of the flies and other insects that may be carriers of the disease.

Deer says if DDT is not giving good results, try a 2-percent chlordane household spray. It should get the flies as well as other insects that are bothersome in and around the house.

Premises should be kept clean at all times. Keep garbage in covered containers and keep the lids on these containers. Clean up and destroy breeding places around the farmstead and don't expect the insecticides to do the entire job. They'll help, says Deer, but there is nothing that can be substituted for cleanliness, but he concludes, if you mix the two together in liberal proportions and use them, you can keep flies under control.

Rudyard Kipling was born in Bombay, India.

COLLEGE STATION—If you plan to cut back over-grown trees or shrubs, do it now or wait until winter. Large limbs removed later may lead to winter injury.

Sadie Hatfield, extension specialist in landscape gardening of Texas A. & M. College, says cutting back a plant during the growing season starts new growth and this new growth does not have time to harden before frost. Then the tree or shrub is killed back. Heavy frost often kills large shrubs or even trees.

Fertilizing and watering in late summer stimulates new growth, adds Miss Hatfield, and this growth may also be damaged by cold weather if it doesn't have time to harden before the cold weather hits.

Badly injured plants may not die but they will look sick for a year or more. Blooms and fruit may be light on the injured plants next year.

Miss Hatfield says cut the limbs of smoothly. Don't leave stubs. A tree or shrub will heal quickly if the cut is smooth but a stub will rot. That may take years and it leaves ugly lumps along the trunk branches.

Investigate thoroughly anyone who represents himself as an expert and wants to trim your trees and shrubs in late summer or early fall. She says some plants can survive such rough treatment but all of them will not.

Dead limbs may be cut off at any time without risk. Injured or diseased limbs may need to come off even at a risk, but, she cautions, always use a sharp pruning saw and if the wounds are covered with clear shellac, they'll heal faster.

**Locals Swing Hoes In Weed Control Program**

Residents of the Twin Cities have been swinging hoes along their own and adjacent property during the past few days, following a meeting last week which emphasized the importance of doing away with rank growth of weeds as a precautionary health measure.

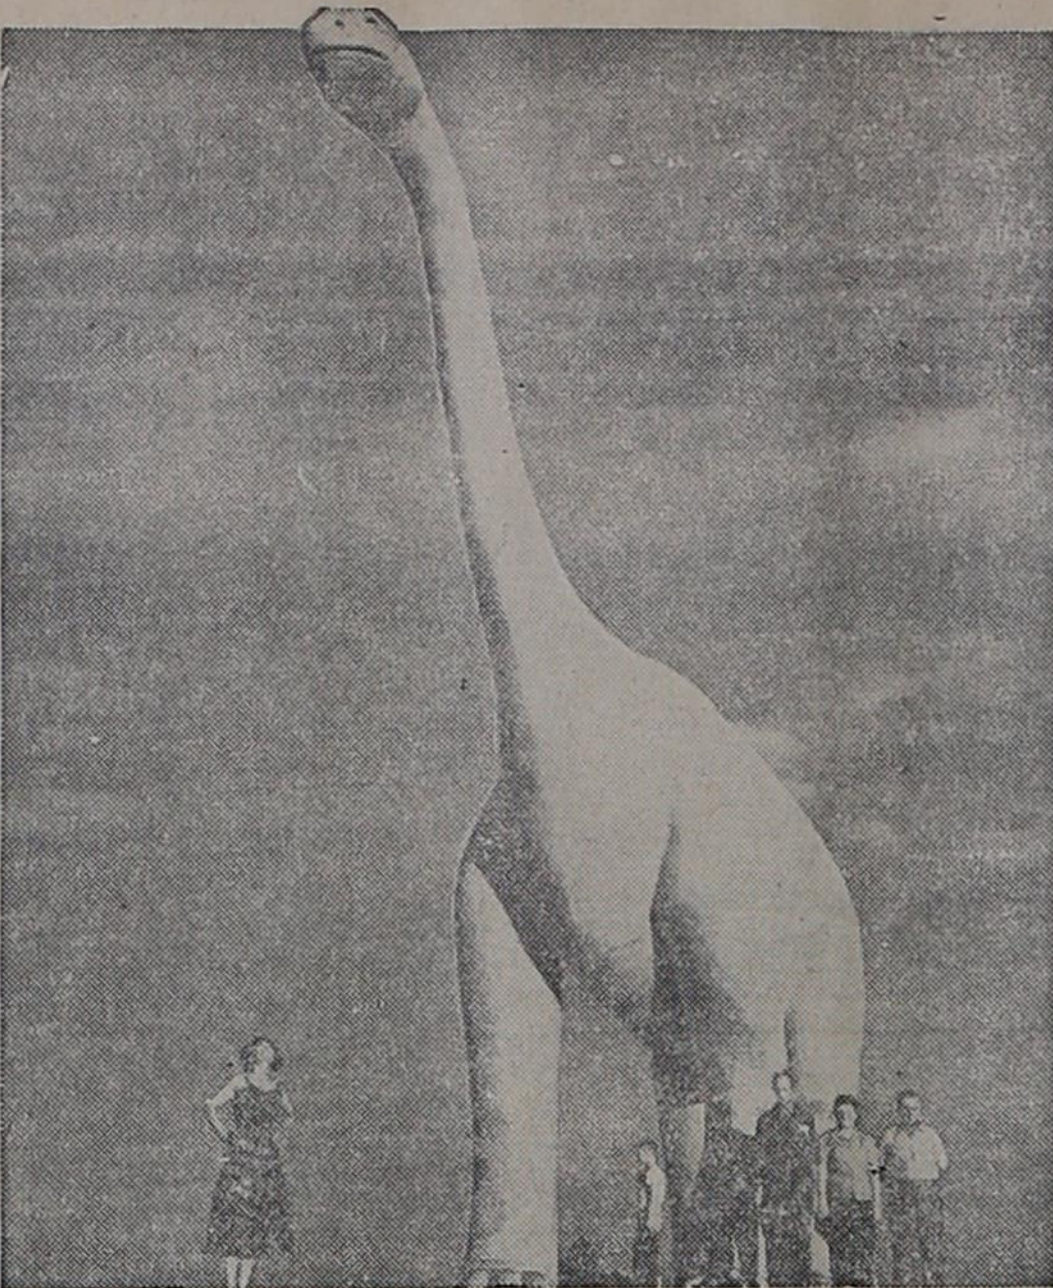

The mowing machine has also been in operation along a number of streets, but it appears that a more concentrated drive will have to be made by all individuals in the town if the weeds are to be put under control.

It is hoped all chopping will be completed within a few days, in order that the town may be sprayed to eradicate mosquitoes and flies, by the end of this week, those who are working on the clean-up program announced.

Committeemen are contracting individuals who do spraying work, but nothing definite along this line could be announced Tuesday.

It is probable the town will be sprayed by plane, with Elvie Jennings of Friena being considered for the work. When—and if—the spraying is done, and how the work will be financed, are matters not yet worked out, committeemen indicated today.

Trade Winds are those blowing continually towards the thermal equator and deflected westward by the rotation of the earth.

**IN YOUR OWN BACK YARD . . .** Vacation time brings the urge to see strange sights. And while such awesome spectacles as this giant dinosaur in the Black Hills of South Dakota do not appear in every part of the country, most Americans can find an amazing variety of interesting places within a 100-mile radius of their own homes. Authority for that statement is Miss Carol Lane, women's travel director of the Shell Oil company's touring bureau and one of the nation's leading travel authorities.

**NEW THEATRE HOURS**

Scotty Levins, owner of the Border Theatre, stated today that beginning next Saturday, two complete afternoon shows would be run at the local theatre, starting at 2 p. m. The evening shows will start at 7:30, he added.

A new feature has been added, and a newsreel will be shown on Thursdays and Fridays hereafter. Levins also said a newsreel would be shown at the Mustang Theatre on Sunday, Monday and Tuesday.

Mr. and Mrs. W. T. Jacks of Quitaque were weekend visitors in the home of Mr. and Mrs. J. E. Stone. They are the parents of Mrs. Stone.

**TROUT FISHING BAD**

Vacationists to mountains in northern New Mexico, returning home during the past week, all agree that trout fishing in the mountain streams was extremely poor during their stay in the high altitudes.

Mr. and Mrs. O. C. Sikes, Mr. and Mrs. LeRoy Faville, and Mr. and Mrs. O. C. Pulliam are among those bringing home unfavorable reports. They say run-off water, occasioned by melting snow and showers has kept the streams running bank full and extremely muddy, which always makes trout fishing poor, they assert.

A government, under the right of eminent domain, can take private property after making compensation to the owner.

Fruits and vegetables may be seriously damaged if left in the hot sun after they are harvested.

**HOPPERS**  
(Continued From Page 1)  
and all garbage is collected regularly from covered garbage cans. They have joined hands in carrying out an insect-eradication campaign and they have really done a magnificent job. On previous visits to Hot Springs, members of the family were so tormented by flies and mosquitoes that we were glad when our hour of departure arrived. But the story is far different today.

Mrs. Florence Vanderpool, 71, housekeeper in the Bob Kyker home, is recovering satisfactorily from bruises and lacerations suffered on one of her hands when she became entangled in a washing machine wringer.

Roofs of the Texico-Farwell Baptist church and parsonage have been repainted, said the Rev. O. O. Holladay, pastor, Monday. The repainting is a part of a new building program for the church.

**TO OPEN REPAIR SHOP**  
R. D. Williams and son, Robert, Jr., are making arrangements to open a furniture repair shop in Texico, and will be located just west of the Stone Variety store on main street. Mr. Williams and son have been associated with the Furniture Mart for the past several months.  
In addition to offering repair service on furniture, they will be in the market for used items of furniture.
