

FROM THE HOPPER

By HOP

Housewives of the Texico-Farwell community could make a great contribution to the American Legion Auxiliary by gathering up surplus and cast-away items about the house and turning them over to the Auxiliary to be sold in their rummage sales. The Auxiliary ladies report good demands for all items they have collected in the past, but they need more contributions to keep the sales going. Any of the Aux ladies will be glad to pick up contributions of dishes, furniture, clothing or what-have-you, providing it has been cleaned, and place it in the rummage sales. You housewives, get behind this project and help the Aux gals out. They are trying to make money to buy additional equipment for the Legion Hall.

There is one constitutional amendment that is being submitted on Nov. 8 that should be adopted. Possibly, there are others among the ten to appear on the ballot that merit the voter's endorsement. But we are speaking particularly of the proposal that would eliminate the trial by jury of lunacy cases. We have had the feeling all the time that no jury of laymen should be called upon to pass on the sanity of any individual. Such cases should be submitted to specialists and not left to the laymen to decide. More than once we have served on juries in sanity hearings, and we have always had the feeling that we were not qualified for such service. We hope the voters of Texas will take this responsibility out of the hands of a jury.

Plains farmers are faced with a great loss of the grain they produced this year, in that they will be unable to gather thousands of pounds of good grain that was blown down by Sunday's high winds. A few years ago, such a storm would not have caused any great loss; it would have meant that the farmer would have a little more back-bending to do as he gathered the grain heads by hand and tossed them into a horse-drawn wagon. But those days are gone in the plains country. If the grain cannot be harvested by machine, it simply goes as a loss these days. Few farmers even possess a single horse, and most of them only have memories of a maize knife. Yes, times have changed. I am reminded of a nephew of mine, who had just been handed his degree from Oklahoma A. & M. College and went out to the farm he was to take over following the death of his father last May. Some 40 acres of excellent corn, standing shoulder high, was badly infested with weeds and he did not know how to get rid of them. He reasoned that a tractor would break the corn down, and I suggested that he might use a horse-drawn double shovel. "And what is a double shovel?" he asked. "They didn't have that in my books."

New Grain Storage Is Erected At Progress

The Progress Grain Company at Progress, in Bailey County, between here and Mulshoe, has just completed the erection of five steel storage bins with a capacity of 75,000 bushels, it was learned here this week. Sam Goodman will be in charge of the new elevator, which is a branch of the Transit Grain Company, of Fort Worth, interests, headed by Leo Potishman.

The Senate has confirmed Col. Roy Harton Parker, Southern Baptist, as Army Chief of Chaplains. He will be promoted to major general.

2-year-old registered Milking Shorthorn female, is being exhibited this week in Indianapolis, Indiana, as a member of the Texas State Herd at the National Milking Shorthorn show. The cow is owned by John S. and Maxine Thompson.

Thompson Cow Being Shown In Indiana

"Thompson's Gypsy May", two-year-old registered Milking Shorthorn female belonging to John S. and Maxine Thompson, who live southeast of Friona, is this week being shown at Indianapolis, Indiana, in the National Milking Shorthorn show. County Agent Ollie Liner reports.

The cow, which for the past two years has taken grand championship honors at the Parmer County Fair, is one of the Texas state herd of 14 animals, representing the cream of the crop of Milking Shorthorns from over the entire Lone Star State. "Gypsy May", reports say, is listed as the two-year-old female entry in the state herd.

Farwell Gin Handles First Cotton Bales

The first two bales of 1949 cotton were ginned at the Farwell Gin early this week, N. L. Tharp, owner and operator, stated today. The cotton was brought in by A. (Shorty) Miltstead.

Tharp said that considering the condition of the bolls, a number of which were still green, a good turnout was realized. Better than 29 percent of lint was realized from the gross weight.

Tharp, who has spent a lifetime in the study of ginning machinery, said that he had reconditioned the local gin during the past weeks, and had installed a new dryer and heater, which will mean a better turnout and a better sample. "We are well pleased with the results realized from the first two bales," Tharp said.

Speaking about the cotton to be disposed of here this season, Tharp expressed the opinion that the local gin "would have all it can handle".

Clubbers Are Entered In State 4H Contests

James Tidenberg, of the Bovina 4H club, and Leon Langford, of the Farwell 4H group, have recently entered state-wide club contests, County Agent Ollie Liner said this week.

Tidenberg has submitted records in the State Fe contest, which yearly sends top ranking 4H boys and girls from over the state to the national congress of clubbers in Kansas City, and Langford is entered in the Texas home beautification contest.

The son of Mr. and Mrs. Hilary Tidenberg of Bovina, young James has been very active in club work for four years, specializing in work with Spotted Poland China hogs and recently taking honors at the Tri-State showing in Amarillo. He is 14 and a member of the freshman class at Bovina high school. Records in the contest are judged on leadership, achievement and showmanship, Liner said.

Leon is also 14 and a freshman at the Farwell high school, the son of Mr. and Mrs. Elmer Langford of this city. He has been in club work for four years and has done good work with beef cattle, he and his father recently taking grand champion honors in both male and female divisions of the Hereford show at the Parmer county fair. The beautification contest includes records on general improvement work done outside the homes, the agent explained.

English hamlets are villages without a church.

WINDS DAMAGE FEED CROPS

Make Ready For Another Farm Road

The Parmer County Commissioners Court, in session Monday, entered into a contract with the Southwestern Public Service Company for the removal of the latter's electric service lines between the Oklahoma Lane school house and the City of Bovina on the present right-of-way. The high tension lines will merely be set back a few feet when all right-of-way easements are obtained in making room for an 80-foot right-of-way for a farm to market pavement from Bovina to the Oklahoma Lane school buildings.

County officials explained that the right-of-way was being cleared for another farm to market road program in the county, which has been on the agenda of the State Highway Department for several months. Just when the road will be built, nobody here would offer a guess.

Other matters receiving the Commissioners attention on Monday included the transfer of \$5,000 from the Jury Fund to the General Fund. And County Judge A. D. Smith was authorized to invest \$16,600 in Series G United States Bonds. The money came into the county's hands last month from oil leases on Parmer County school lands, located in Andrews and Gaines counties.

With this investment, the Permanent School Fund of Parmer County will be boosted well above the \$200,000 mark, Judge Smith stated.

Call Petit Jury For Service On Oct. 17

District Judge C. D. Russell has ordered a petit jury called for service in District Court here on Monday, October 17, and the following 36 men of the county have been ordered to report at 10 a. m. at the courthouses in Farwell on that date:

Fred Barker	Jimmie Ivy
Tom Caldwell	A. J. Poindexter
N. E. Bonds	Harold Carpenter
John L. Seaton	Carl Davis
T. J. Presley	Lacy Hardage
M. M. Sherley	Buck Ellison
T. F. Taylor	Dale Moody
Otho Whitefield	A. G. Schlabs
C. V. Potts	B. J. Foster
David Moseley	Robert Calaway
L. L. Ginnings	A. B. Wilkerson
S. H. Sides	Harry Jesko
E. R. Berry	Harry J. Charles
Claude Rose	H. C. Wells
L. D. Cannon	E. V. Isham
P. P. Griffith	Charles Bainum
O. L. Williams	Ed Steinbock
Fern Barnett	Jake A. Lamb

Final Rites Conducted For Former Local Lad

Permanent burial services for Sgt. Harry O. Williams, former Texico lad, were conducted at the Charles V. Steed Memorial Chapel on Sunday afternoon, the Rev. Virgil Hutton, of Clovis, officiating.

The honor guard and firing squad was composed of members of the Clovis VFW, who also had charge of interment in the Clovis cemetery.

Sgt. Williams, a son of Mr. and Mrs. Abe Williams, formerly of Texico, was a member of the 200th Anti-Aircraft Battalion. He was taken prisoner by the Japs in the fall of Corregidor, and died in a prison camp on June 13, 1946.

Relatives here to attend the last rites included three brothers, Duncan, Felix and Hollis, all of the west coast.

Texas Theatres Raise \$170,222.01 In Polio Drive, Report Shows

Theatres over Texas collected a total of \$170,222.01 during their special polio fund drive, conducted during the month of August, it was revealed here today by Scotty Levins of the Border Theatre.

The money was raised through a free-will campaign staged by the Texas movie houses during the month, and was contributed by the patrons attending the various theatres.

The entire sum, with nothing being deducted for expenses, has been forwarded to the Gonzales Warm Springs Foundation for Crippled Children at Gonzales, Texas, the report received by Levins revealed.

Angels are always pictured as women, because it doesn't embarrass a woman to flit around with nothing on but a pair of wings.

IN VETERANS' HOSPITAL

James D. (Jimmie) Overstreet, son of Mrs. Anne Overstreet, has been placed in a veterans' hospital at Houston, where he will receive medical attention. He was taken ill some days ago at his home in Lake Charles, La., with an attack of pneumonia.

Mrs. Overstreet returned to her home here Monday, after being with her son the past several days.

Family members here said today that Jimmie would likely be confined to the hospital for some time.

Grain Loans In Parmer Reach Near 4 Million

Producers of Parmer County have received approximately four million dollars in Government loans on 1949 grain, as of October 3, it was revealed here today through the local ACA office.

Loans disbursed as of October 3, amounted to \$3,919,176.44, with wheat loans leading by heavy odds. Figures at the ACA office show that a total of 1155 loans on 1949 wheat have been handled for a total of \$3,882,718.22.

Grain sorghum loans, just getting underway, showed a total of eight loans being closed for a total of \$8,018.20. Forty-nine loans on stored barley have amounted to \$24,409.67.

Most of the grain on which loans have been granted is stored in warehouses, with quite a good deal of it being held on the farms. Attaches at the ACA office said that with grain sorghum loans just beginning, it appeared quite likely that loans for this crop would mount to a high figure, "providing approved storage can be found for the grain."

Swine Entries Are Winners At Fair

James Tidenberg exhibited the grand champion Spotted Poland China sow, as well as rating first place with a senior yearling boar at the Tri-State Fair, according to a release in an Amarillo paper.

Tidenberg's grand champion was first rated senior champion in her division, and a senior yearling sow, also shown by the Bovina lad, was awarded first place in her group.

Bobby Calaway of Bovina, and Charles Verner of Farwell, took honors in the junior boar division of the Chester White show, with Calaway's animal placing second and Verner's entry being rated second.

JENNINGS VISITS

Joe Jennings was here the first of the week on a tour of the 120th Legislative district, meeting the voters and renewing his acquaintances. Jennings, candidate for representative from the district, said that he was meeting with encouragement, commenting, "everything looks mighty good."

REMODELING JOB

A remodeling job at the Farmers Supply is now being carried out. In addition to re-arranging the interior of the business, the outside has been treated with fresh coats of paint.

"Contact every farmer in Parmer County."

This is the goal set by the Parmer County Farm Bureau as the group looks forward to Organization Day on Friday, October 28, President Fred Bolton announced today.

On that date, says Bolton, members will work in teams, covering the rural area of the county in a county-wide drive designed to reach every farmer in the county.

"Our local organization is only one year old," Bolton said today, "but we have made remarkable progress in that length of time. We would like for Parmer County to go Farm Bureau 100 percent during 1950."

Team captains, who will be responsible for the membership enrollment, had not been selected early this week, Bolton added.

Culminating the county-wide membership drive on Organization Day, there will be a get-together meeting at the grade school auditorium in Friona, with Bill Tilson, of Meadow, district director, listed as the featured speaker. At the conclusion of the evening, \$50 in cash prizes will be given away. All members of the Farm Bureau are urged to attend and bring a guest.

Court Takes Recess After One Day Labor

The October term of the Parmer County District court, presided over by Judge C. D. Russell of Plainview, recessed Monday afternoon after only one day of labor.

The session will convene again on Monday, October 17, at which time a petit jury has been called to report for duty to consider jury cases on the docket.

In the one-day session, Judge Russell disposed of two criminal cases, two civil cases, and heard the report of the Parmer County Grand Jury.

E. B. Hollingsworth, who was being held on a charge of forgery and passing a forged instrument, entered a plea of guilty and was given a suspended sentence of two years in the penitentiary.

In the other criminal action, Carolyn McEwan, faced with two indictments, both charging forgery and passing forged instruments, entered pleas of guilty and Judge Russell deferred sentence until November 12.

One other criminal indictment was returned by the Grand Jury but the defendant is as yet unapprehended.

In civil matters, Judge Russell ordered a verdict for the plaintiff in a land title suit styled T. J. Crawford vs. Joseph C. Huffman, et al. Irwin Lee Henderson was granted a divorce from Mable Viola Henderson.

OUR ERROR!

The Tribune apologizes for a case of mistaken identity, regarding the picture used in last week's issue. In a vague moment the cut showing Darrell Norton and County Agent Ollie Liner posing with the grand champion boar at the Parmer County Fair was identified as Bobby Calaway with his grand champion boar at the Tri-State Fair. The correct picture will be found in this issue.

Steers Return Home Friday

Returning to their home field after an absence of two weeks, the Farwell Steers will play hosts to the Spade aggregation here Friday night, Coach Louis Purvis said today.

Having lost their last two conference games, the Steers will have to take a victory over Spade if they hope to stay out of the cellar in 3-B play, which currently shows Hale Center and Dimmitt pounding down the stretch as favorites.

Speaking comparatively, the Steers should (?) have the edge on their visitors. The Friona Chiefs thoroughly trounced Spade some weeks ago, and in return were lambasted by the Steers. However, Coach Purvis said that Spade, lost to Hale Center by

only 12 points, which shows a good deal of improvement over the Friona game. Hale Center has also defeated Farwell, 7-0, in conference play.

The local lineup will in all probability continue to be plagued by injuries, Coach Purvis admitted. Norton, starting guard, received a bruised hip last Friday night which, while not serious at present, could develop into something if he should injure it again. It is also likely that Jerry Pool will see the game from the sidelines as he makes a complete recovery from a kidney injury sustained in the Hale Center game.

Another of the Pools-Rex—and Pipkin are likely candidates for the tackle position to fill the vacancy left

Thousands of ready-to-harvest acres of grain sorghums were damaged, some wheat uprooted and property damage resulted here from the high winds that raged over this area last Sunday, and continued throughout part of Monday.

So far as has been reported, the only property loss occurred at the Roberts Seed Co. in Texico, where a new steel elevator is under construction. One of the steel tanks, standing 60 feet high, was crushed and crumpled as though it had been a tin can under the heel of a fair-sized man. The tank, which is quarter-inch steel, was caved in from the impact of the high west wind that blew throughout most of the day at a 35-mile clip, with gusts often reaching 45 to 55 miles per hour.

The extent of the damage done to mature crops will never be known. County Agent Ollie Liner reports that damage was "considerable". Ripe fields of grain, especially crops that had been injured some by lack of rainfall, with the result that the stalks were dry, went down under the continued heavy push of the wind. Liner said that the damage covered the entire county, with some farmers estimating that at least half of their grain crops were laid flat.

Harvesting of such crops will be extremely difficult, and the only suggestion that the Agent had to offer was for farmers to attach pick-up reels to their combines.

There was also some injury to the wheat fields of the county, but this loss is not considered heavy. Most of the wheat losses were confined to fields that were planted in recent weeks and the fields had not attained sufficient growth to withstand the cutting winds. Fields seeded in August stood up fairly well under the pressure of the wind.

Some rain accompanied the wind, being mostly confined to the northeastern part of the county. Only a light intermittent shower fell here during the day. Communication and electric lines that were damaged in adjoining counties withstood the storm here, with no interruptions being reported.

Good Attendance Is Noted At Program

A full house was on hand at the Texico school auditorium the past Friday night, when the FFA department, sponsored by Fern Stout, staged its yearly pie supper and program.

Visitors were entertained with wrestling and boxing matches between boys of the school, while plenty of music was provided by the Clovis Joy Boys. Raymond Martin and Les Means donated their services as auctioneers for the large collection of pies, and Stout reported on Tuesday that the chapter realized a total of \$135.50 from the evening.

Guy Cox, who topped the bidding for pies, was given a locker at the Means zero plant in Texico. A bid of \$7 was recorded for the pie of Coeta Roth, sweetheart of the FFA.

In speaking of the program, Stout expressed the appreciation of the entire chapter for the wholehearted support given by the public.

TO TEXAS-O. U. GAME

Sonny Graham, sophomore student at Eastern New Mexico University in Portales, returned Sunday night from Dallas, where he had attended the opening of the 1949 State Fair of Texas and witnessed the Texas-Oklahoma football clash at the Cotton Bowl on Saturday. Graham made the trip out of Clovis by Pioneer Airlines.

by Norton's removal, and other changes will be occasioned in the backfield and line if Jerry Pool is out.

Coach Osborn, of Spade, announced the following lineup: LE, Streeby, No. 39; LT, J. Trull, No. 41; LG, Streeby, No. 34; C, Sewell, No. 32; RG, Neimast, No. 40; RT, Westbrook, No. 30; RE, B. Mayon, No. 35; QB, F. Trull, No. 27; RH, McKeown, No. 26; LH, N. Trull, No. 29; FB, Prentice, No. 36.

Subs will include ends, Stafford, No. 22 and Wiley, No. 28; tackles, Monroe, No. 38, Poteet, No. 33, Ramage, No. 25; guards, Hutchins, No. 31, Mahaffey, No. 37, May, No. 21, McCoy, No. 29; halfbacks, Hardin, No. 24 and Hendrick, No. 23.

Health Note

Texas State Department of Health

AUSTIN—Lockjaw, or tetanus, is a very serious disease caused by a tiny germ that looks like a stick with a ball on one end—something like a microscopic lollipop, says Dr. Geo. W. Cox, State Health Officer. This ball is called a spore and it is the seed of the germ. Lockjaw germs are found in the soil, especially in manured soil of the barnyard or garden; in blank cartridges; etc., in fact, just about everywhere. These germs grow best in wounds where there is considerable tissue destruction and in which chips of glass, wood splinters or grains of dirt have been embedded.

Every accident seen by the physician must be considered from the lockjaw angle; and whenever there is any question, tetanus antitoxin should be given, for it is the antitoxin that has helped keep the incidence of lockjaw at its low level. Your physician will advise you as to its use. Its disadvantages are that it gives only temporary protection; it does not get rid of the lockjaw germs in the wound; and it does occasionally cause hives and other disagreeable symptoms for a few days, particularly if the subject has had previous injections. Should lockjaw develop, it requires much antitoxin and entails great expense; and even then, not all cases can be saved.

It is not possible to free the environment of lockjaw germs, but now there is a method of active immunization. The subject becomes his own manufacturing establishment for antitoxin to combat lockjaw poison.

One nice feature about the treatment is that it can be combined with diphtheria and whooping cough prophylaxis. The concurrent immunization is, preferably, carried out in infancy. Should a child already have

ONE THAT GOT A "WEIGH" . . . This blue marlin weighs 370 pounds and is believed to be the largest fish ever landed in Bermuda on rod and reel. It was caught by Durham Stephens (left) of Bermuda who, with his guide, Roy Taylor, displays it. The huge fish measures 11 feet and four inches and was brought to gaff after a fierce two-hour battle. It was caught off St. David's Deep, Bermuda.

WT Homecoming Set For October 21-22

CANYON—Celebration of the annual West Texas State Homecoming will begin Friday, October 21 and last through Saturday, October 22. This was revealed in an announcement from the Steering Committee headed by Dr. Lee Johnson, professor at the College.

Planned to be the greatest Homecoming celebration in the history of the college, committees are well on the way up to completion of work assigned them in rounding up details of the two-day festival.

Especially far in the completion stage is the mammoth parade which will move through downtown Canyon at 10 o'clock Saturday morning. Clubs, college organizations and business houses of Canyon are working feverishly on floats and entries trying to cop prize money set up by the Canyon Chamber of Commerce. The parade is headed by Ted Reid of the Veterans Administration, Jack Worsham, student association president, and Leroy Reeves, graduate assistant in History. Around 10 bands will participate in the parade.

Activities will start Friday night at 7 o'clock with the annual Homecoming bonfire. At 8 o'clock Friday evening the West Texas State Speech department will present a 3-act comedy, "The Tightwad."

Immediately after the parade Saturday morning, a reception will be given to ex-students and friends of the college will begin at the tennis courts north of the English building.

Just prior to the football game between the Buffs and Trinity University of San Antonio, the football queen will be crowned at Buffalo Field.

Throughout the day clubs and organizations will hold coffees and smokers for exes.

At 8 o'clock Saturday night two big dances will start on the campus and last until final weary couples are

ready to call it a day. A Western dance will be held in Burton Gym while at the same time, modern dancing will go on in the beautiful college cafeteria.

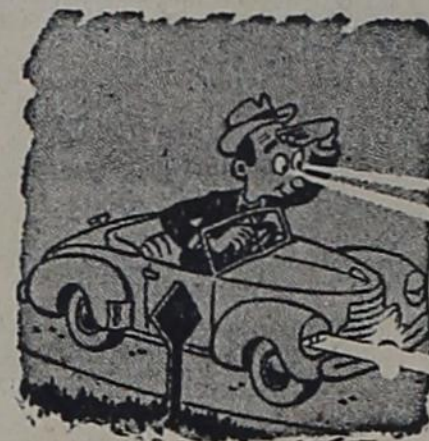

President James P. Cornette has extended a personal invitation to each and every ex-student of WT to make plans now to return to the Canyon campus for this celebration. He has assured good weather, and adds, "come on in and join us for one of the biggest celebrations this College has ever put on."

RANKS NEAR TOP

PORTALES—In a freshmen class of over 300 at Eastern New Mexico University, five students ranked near the top in a standardized English examination. In the group was Mary Ruth Petree, daughter of Mr. and Mrs. Hazel Petree, of Farwell.

Children will be hungry after school. Keep some nutritious as well as delicious sandwich fillings on hand—try these: peanut butter and prune; egg relish; cream-cheese and apple butter; meat salad, or grated carrot and peanut butter. Low in cost, too!

No Wonder
120,000 owners of other cars Switched to Hudson
Look at all the Extra Value they're getting!

HUDSON A LEADER IN RESALE VALUE! Come in today and let us show you figures from the National Automobile Dealers Association Official Used Car Guide Books that prove "step-down" designed New Hudsons command top prices in the nation's used-car markets!

WHAT a car! What value! Is it any wonder Hudson sales this year are 30 per cent ahead of last year's record?

Every day more people are discovering that the New Hudson, with its unique "step-down" design, is packed, right now, with styling, performance and comfort features they thought were years away!

Only in Hudson do you get the most of the four advantages people want most in motoring . . . the most beauty, roominess, road-worthiness, and all-round performance!

In roominess, for instance, Hudson offers you, not just more, but the MOST—the roomiest

seats in any mass-produced car built today! You get amazing head room—the most efficient use of interior space in any motor car!

Come in for a *Revelation Ride*—see all the extra value Hudson's unique "step-down" design gives you. Take the wheel yourself, and put the wonderful New Hudson to any test that pleases you. You'll find that here, at last, is a new kind of motoring. And you'll see right away why, of the more than quarter-million owners of New Hudsons, 120,000 are motorists who have changed to Hudson from other makes!

Bring your present car when you come in. Let us work out a deal that is bound to please you!

VA Announces Special Waiver For Insurance

Veterans with service-connected disabilities were reconnected by Veterans Administration today of an important deadline in connection with their settlement to National Service Life Insurance. Prior to January 1, 1950, such disabilities actually incurred in Service between October 8, 1941 and September 2, 1945, if less than total in degree, are disregarded in determining eligibility under the health requirements for National Service Life Insurance purposes.

This means that veterans who might not otherwise qualify for life insurance for health reasons may reinstate lapsed National Service Life Insurance or buy new or additional insurance up to the \$10,000 maximum if they apply before the end of the year. A physical examination is required, however, for all insurance applied for under this special provision. Such examinations are made by Veterans Administration without cost to the veteran.

"Religious Emphasis Week" will be held at Texas Technological college October 31-November 3.

Local Men Return From Purina Farm

Levi Johnson, Wendol Christian and John Getz, local Purina dealer, have returned from a visit to the Purina Research Farm, Gray Summit, Mo., near St. Louis, where they saw practical feeding and management operations designed to help farmers produce more meat, milk and eggs. On the farm of 738 acres, new rations and new methods of feeding were explained to those on the tour. Some of the accomplishments of the Purina program of feeding, breeding, management and sanitation which were pointed out were dairy heifers raised on dry feed and ready for breeding at 12 to 15 months; sows from which an average of well over 17 fat hogs a year were farrowed, weaned and raised to market age; and broilers that grew to an average of 3 to 3½ pounds at 11 weeks of age on 10 pounds of feed. A banquet was held at the Ralston Purina Co., St. Louis, in honor of the visitors. They were also taken for tours of the Purina Chow Mill and Purina Research Laboratory.

Felts Accepted In Music Society

PORTALES—Nine Eastern New Mexico University students have been accepted by Euterpean Honorary Society as new members, according to Miss Gillian Buchanan, sponsor.

In the group is Charles Felts, of Lariat, sophomore student.

Only students who receive an "A" in applied music are eligible for membership and then they must perform in tryouts before the membership of the society.

PHARMACY OPENING AT TU

AUSTIN—Would you like to have a \$1,200 pharmacy fellowship at the University of Texas? Unclaimed this fall, it is open to applicants for work beginning in February, 1950. The grant is offered through the College of Pharmacy for research in preparations to aid eye specialists, or ophthalmologists. Alcon Laboratories, Fort Worth, is the donor. Any graduate of a recognized pharmacy school is invited to apply for the fellowship, Pharmacy Dean. H. M. Burlage announced.

ENROLLMENT UP AT TECH

LUBBOCK—Current enrollment in the graduate division at Texas Technological college shows a 75 per cent increase over last year's total. Registrar W. P. Clement said today. Clement said 176 graduate students were enrolled in 1948-49, compared with 308 students enrolled in 1949-50. A report from the registrar's office also showed that a total of 5,804 students—4,391 men and 1,413 women—are now enrolled at Tech.

MOORE TO ALABAMA

AUSTIN—Dr. Harry E. Moore, University of Texas associate professor of sociology, will be in Alabama the week of October 17 to conduct a series of home and family life institutes for the University of Alabama Extension Service. He will work with civic clubs, churches, schools, and Junior League chapters in discussions on community and family factors in developing efficient personalities.

FROM THE WALLS OF CHINA . . . The first Chinese-American girl to be admitted to the ranks of the United States women marines tries on for size the cap of Maj. Louie N. Casey after she was sworn into the military organization. The miss of Chinese blood, Evangeline L. S. Lyau, who is 29 years old, took the oath of allegiance recently at a United States courthouse ceremony in Chicago.

Orchard Clean-Up Now In Order

COLLEGE STATION—When the fruit is off the trees and sold, the orchard owner has an opportunity to do some of the jobs that were put off during the growing season. Sucker sprouts are growing on both old and young trees and they should be removed, says J. F. Rosborough, extension horticulturist of Texas A. & M. College. Otherwise, they will make additional growth during the next 60 days and will take up plant food and moisture that is needed by the tree. An orchard cleanup program is in order, he thinks. Remove from the orchard all fruit that has fallen on the ground. He says it's probably full of worms and other insects and diseases that could cause a lot of trouble in the orchard next year. You know an ounce of prevention is worth a pound of cure and a thorough clean up, he says, is that ounce of prevention.

Free in the orchard should be checked for San Jose scale, phony and other insects and diseases. If San Jose scale is found, mark the tree and then go back and treat it. Rosborough recommends washing the tree with a mixture of 1 pound of concentrated lime sulphur and 3 gallons of water. Apply the liquid to the framework branches and the body of the tree, this should hold the scale in check until a thorough job of spraying can be done this winter. If the scale is left unchecked, it may kill the tree. He says to keep the solution off the leaves, if possible, because it will burn them.

The use of a DDT spray mixture for controlling peach borers is becoming more popular, he says. It is made by mixing 3 pounds of 50 percent wettable DDT powder in 50 gallons of water. Spray the body of the tree thoroughly with the mixture. Although the first application is usually made in early July, a second in early August and a third in early September, Rosborough says there has been little evidence of early borer damage and it is probable that an early August and September spray will be effective. In some of the older bearing orchards, a disease known as phony has appeared this year. It is characterized, says Rosborough, by a checking of the current season's growth and the leaves on infected trees take on a peculiar dark green color. The fruit on infected trees is smaller than usual and the crop is light. Trees suspected of having this disease should be removed from the orchard because they are a probable source of infection. Trees that were abnormal this season and have been on the sick list should be removed and this also applies to those infected with crown gall, nematodes or oak root rot. Do a good job of orchard keeping, he says, and the orchard will help keep you.

HAROLD LaFONT HERE

Harold LaFont, former district attorney, was here last Saturday in the interest of his candidacy for state representative in the special election on November 8. LaFont said that he was conducting a thorough campaign and hoped to meet every voter in the district before election.

ATTEND MARKET

Vocational Ag Class Now in New Area

Two new vocational agricultural areas have been created in Texas recently, with the result that Parmer County has been separated from Area 1, with headquarters at Lubbock, and placed in Area No. 11, with headquarters at Plainview.

Area 11 embraces 32 counties in this section of Texas, and will be under the supervision of Walter Labay of Plainview. There are 59 ag classes in the newly-created Area, employing 61 instructors, Robert Morton, of the local school, reports.

Morton said that the local FFA chapter would go to Lazbuddy one day next week to conduct initiation of the new officers of the newly-created Lazbuddy FFA chapter.

CALLING WT EXES

Supt. Jack Williams said on Wednesday that he had been asked to contact all West Texas State ex-students in this area, who plan to attend the big homecoming celebration at Canyon on Oct. 21-22. Those who expect to attend are urged to contact Williams by Monday, Oct. 17, listing their names and the year they attended WT. The information will be forwarded to officials at the college.

Local Students Named To College Offices

PORTALES—Officers of various housing units on the Eastern New Mexico University campus have been elected to direct dormitory activities during the semester.

Each housing unit elects a council and then sends a representative to an inter-dorm council. Miss Irma Poole, counselor of student affairs, is adviser to the council.

Included among the officer-students from Texico-Farwell were: W. H. Graham, Jr., sophomore, vice president for South Hall; Wau-nema Turner, junior, vice president, Mary Harding, sophomore, secretary-treasurer; and Norma Bocox, freshman, all on the North Hall council.

Wealthy people don't get enough roughage in their food while the poor don't get enough food in their roughage.

The girl down the street says it doesn't make much difference to her whether she marries for love or alimony.

Bridal Shower Honors Mrs. J. W. Herington

Of much interest to the many friends of Mrs. J. W. Herington, nee Gloria Kepley, was the bridal shower given in her honor last Wednesday afternoon by Mesdames Clyde Perkins, W. P. Shelley, Tom Lindop, and Miss Bonnie Foster in the Foster home.

The reception room was beautifully decorated with cut flowers from the gardens of Earl Roberts, Mrs. S. Shelley and Mrs. Lindop. On the table where the gifts were displayed stood a bride figurine before an altar of flowers. Miss Bonnie Foster had charge of the guest book.

The lace covered serving table featured a lovely three-tiered cake, baked by Mrs. Turner Paine, sister of the bride. Guests were served squares of cake decorated with tiny bridesmaids, while the honoree's serving held the miniature bride. Mrs. Tom Lindop presided at the punch bowl.

Guests present were Mesdames Kenneth Grissom, Conrad Nelson, Bill Dollar, Jr., J. E. McGuire, Ed McGuire, Wade Carpenter, Alvis Hobbs, A. B. Wilkinson, Emma White, Leon Billingsley, Icie Hanna, Verda Summers, Earl Roten, E. J. Gulley, Benny Gulley, Oscar Hubbell, W. P. Brown, Gilbert Watkins, George Lindop, John Payne, Jack Roach, Don Bruns, Turner Paine, W. I. Rundell, F. E. Kepley, Lee Thompson, Joe Crume, Sterlyn Billington, Fred Bolton, G. W. Magness, Clyde Magness, G. W. Atchley, Wesley Herington, Jess Terry, A. D. Moore, Dee Brown, Claude Watkins, G. T. Watkins, Leonard Watkins, W. E. Martin, Ted Sheets, Albert Ramm, Martin Kriegel, Wilbur Charles, and Misses Jennie Bolton, Wilma Atchley, Alta Martin, Bettie Foster, Lavoyda Billington and the hostesses.

More than fifty friends who could not be present, sent gifts to wish the couple happiness.

Lazbuddy PTA Meets, To Sponsor Tacky Party On 14th

"Teamwork Between Home and School" was the subject of a talk given by Mr. Sims, superintendent of the Lazbuddy school, Monday evening, when the PTA of the school held a regular session.

As the goal for the year, the chapter voted to work toward buying needed school equipment.

In the business meeting, plans were laid to sponsor a "tacky party" at the school on Friday night, Oct. 14. Prizes will be given to the "tackiest", both adult and child entries, and those failing to appear in costume will be fined at the door.

Admission to the party will be 10c for children and 25c for adults, with the proceeds going into the treasury for project work of the PTA. All residents of the area are invited.

Cake and hot chocolate were served at the conclusion of the session. The next meeting will be held Monday night, Nov. 7, at 8 o'clock.

Guests Of Parents

Mrs. Charles Leroy Crume and small son, Johnny Charles, left Sunday for their home in Galeton, Mo., after visiting for several days with her parents, Mr. and Mrs. M. H. Pojeet.

Nuptials Held Sunday At Pastor's Home

Mr. and Mrs. Ira S. Levins, of Texico, announce the marriage of their daughter, Caroline Aulana Martin to Robert W. Anderson, son of Mr. and Mrs. G. D. Anderson of Farwell.

The vows were read Sunday, October 9th at 3:00 p. m. by Rev. Murphy Duncan, pastor of the Hamlin Memorial Methodist Church, in the study of the pastor's home in Farwell.

The bride was dressed in a jonquil yellow suit with contrasting accessories of brown. For flowers she chose a shoulder corsage of sweetheart rosebuds.

Immediately following the ceremony the couple left on a short wedding trip in the mountains of New Mexico. On their return they will be at home in their recently-completed residence in Farwell.

Mrs. Anderson is a graduate of the Purcell, Okla., high school and attended Gulfport College for Women at Gulfport, Miss., and the University of Oklahoma. She was affiliated with Kappa Alpha Theta sorority.

Anderson graduated from the Farwell high school and later took his degree in marketing and finance at Texas A. & M. College. Following service in the Army he returned to this city and is now connected with the Security State Bank.

Golden Circle Class Meets On Monday

The Golden Circle Sunday School Class of the Baptist Church met with Mrs. John Lockhart, Monday, eight members attending.

President Mable Martin opened the meeting, with Mona Townes leading a prayer, followed by a song by the group.

The devotional subject, "The Trinity", was conducted by Marie Purvis after which Eva Branscum, secretary, read the minutes of the previous meeting and new business was discussed.

The class, together with members of the Ruth Class, provides clothing for Martha, the adopted girl at the Baptist orphanage in Portales, and the list of her needs was discussed.

A social hour was enjoyed, with refreshments served to Marie Purvis, Mable Martin, Eva Branscum, Inez North, Fern Hardage, Mona Townes, Johnnie Crawley and the hostess, Mrs. Lockhart.

Celebrates Birthday On October 3rd

Lane Gober, son of Mr. and Mrs. Lloyd Gober of Farwell, celebrated his first birthday on Monday, October 3rd, with a group of little friends attending a party held in his home.

Cake and ice cream was served to Donna Sudderth, Randy Jones, Tim Rhodes, James Lee Calaway, Monte Ginnings, David Lee Carson, Jerry and Judy Roach; Kathy, Dale and Jerald Gober, and young Lane Gober. Also attending were Mrs. R. L. Barber; mothers of the children present, and both grandmothers. Lane is the grandson of Mr. and Mrs. Jack Roach of Farwell and Mr. and Mrs. J. I. Gober of Clovis.

Mrs. J. H. Monroe of Dallas is here on an extended visit in the home of her son and daughter-in-law, Mr. and Mrs. Felix Monroe.

Miss Thomas Will Be Thanksgiving Bride

Mrs. J. D. Thomas, of Abilene, announces the engagement and approaching marriage of her daughter, Norma Jean to Keith Levy, son of Mr. and Mrs. T. E. Levy of Farwell.

Miss Thomas, a graduate of the Farwell high school and the University of Texas, is now connected with the Abilene Christian College Student Exchange.

Levy, who also graduated from the local high school, later received his degree at the University of Texas, following military service, and is employed in the department of geophysics for the Carter Oil Company of Oklahoma City.

The wedding will take place in the Highland Church of Christ, Abilene, on Thanksgiving Day, November 24.

Dinner Guests Sunday In Matthews Home

Dinner guests in the home of Mr. and Mrs. W. J. Matthews, Sunday included Mr. and Mrs. R. J. Klump, Mr. and Mrs. Howard Carlyle, Jr., of Muleshoe; Mrs. H. H. Carlyle, of San Angelo; Mr. and Mrs. B. L. Harding and daughter, Mary, and son, James, J. T. Harding, Beale Stewart, Mr. and Mr. N. R. Harding and son, Nath, Jr., Miss Dadie Kennedy and Miss Sidney Glenn of Morton. Miss Kennedy, Glenn and Harding are all students of ENMU.

Attends Zone Meeting At Lazbuddy Church

Mrs. B. N. Graham spent the past Thursday at Lazbuddy, where she attended a zone meeting of the Women's Society of Christian Service, held at the Methodist Church in that community. Mrs. Graham accompanied her daughter, Mrs. William Thornton, a representative from the Bovina Methodist Church.

Stressing the WSCS "Advance for Christ" program, the four divisions of the "advance" were emphasized, during the day including giving, recruiting, education and membership.

Home From Reunion

Mrs. J. H. Nalley returned to her home here the past Saturday noon from Lordsburg, New Mexico, where she had attended a family reunion. She was accompanied to Lordsburg by her cousin and his wife, Mr. and Mrs. Bert Wood, of Canadian. Mrs. Nalley also visited in the home of her son and family, Mr. and Mrs. B. D. Nalley in Lordsburg, and another son, B. N. Nalley, and family in Tucson, Arizona, before returning home.

The Woods spent the weekend here in the Nalley and Felix Monroe homes before returning to their home in Canadian.

Weekend In Morton

Mr. and Mrs. B. N. Graham spent the past weekend in Morton, Texas, as guests in the home of their daughter, Mrs. Raymond Ross, and family. They returned to their home on Sunday.

From Albuquerque

Mrs. Elmer Temple, of Albuquerque, spent the weekend visiting in the home of Mrs. J. C. Temple, in Farwell. On her return she was accompanied by Mrs. Ruby Dixon, who will visit her sons, Harold and family, in Albuquerque, and Jim Cleve and wife, in Taos.

Home From Vacation

Mr. and Mrs. F. J. Park have returned to their home in Farwell after spending the past several weeks on vacation. They visited with their daughters and families in California, and on the return trip stopped in Albuquerque for a visit with a son and his family.

Returns Home Sunday

Miss Pauline Monroe of Dallas, who has been visiting in the home of her brother and sister-in-law, Mr. and Mrs. Felix Monroe, of Farwell, returned to her home via Pioneer Airlines, Sunday afternoon.

Hallowe'en Carnival Stated For Oct. 29

Getting off to an early start in their plans, officials from the Farwell school announced on Tuesday that the date for the annual Hallowe'en carnival at the school had been set for Saturday night, October 29th.

Hallowe'en actually falls on Monday night, Supt. Jack Williams explained, but it was not deemed practical to hold the affair on a school night.

Jack Caves, Mrs. Ann Lovelace, Mrs. Lenton Pool, Mrs. Elsie Cain, and Mrs. Dorothy Jacks have been named as a committee to work with the student council committee in ironing out all details of the celebration, with Caves being selected by faculty members as the chairman of their aggregation.

Classes of the school plan to select their candidates for the yearly king and queen races next week, with the nominees to be announced in sufficient advance of the carnival to draw good attention. Crowning of the royal pair is always the highlight of the carnival, which draws a full house on every appearance.

Here From Canyon

Robert and Ann Bateman, both students at West Texas State, in Canyon, were weekend visitors in the home of their parents, Mr. and Mrs. Alex Bateman. Also here from WT were Toby Booth, who visited in the Earl Booth home, and A. C. Henneman, who divided his weekend with friends in Farwell and with his mother, Mrs. Bess Henneman, in Friona.

Two Licenses Issued

Records at the county clerk's office reveal that two marriage licenses were issued the past Tuesday, October 4th. The first went to the Caroline Martin and Robert W. Anderson, of Farwell, and the second to Barbara Ruth Foster, of the Oklahoma Lane community, and George H. Trimble, of Bovina.

Here From California

Mr. and Mrs. Duncan Williams, of Lynnwood, California, spent Sunday night in the home of Mr. and Mrs. C. G. Davis in Farwell. The Williams, who formerly lived here, came to Clovis to attend the permanent burial rites for his brother, Sgt. Harry Williams, held Sunday.

Daughter Arrives

Mr. and Mrs. James Spurlin announce the birth of a daughter on Tuesday, October 4th. She weighed 5 lbs. and 4 oz. and has been named Vickie Marcine.

In Tucumcari Tuesday

Rev. Murphy Duncan, pastor of Hamlin Memorial Methodist Church, was in Tucumcari on Tuesday, assisting in a visitation campaign held by the Methodist church in that city.

Visiting Parents

Lt. and Mrs. George H. Houser, Jr., and their three-year-old baby, are visiting in the home of Lt. Houser's parents at Lariat. He has been stationed at Pensacola, Fla., as a flight instructor.

In Moore Home

Visitors in the home of Mr. and Mrs. J. C. Moore in Texico, the past weekend, were Mr. and Mrs. Bob Drace and children and Clois Noblett, all of Abernathy.

Miss Mary Ruth Petree, freshman student at ENMU, in Portales, was a weekend visitor with her parents, Mr. and Mrs. H. H. Petree, in Farwell.

BY MARIE VENABLE

Mr. J. W. Ashcraft purchased a new Ford pick-up truck Monday in Clovis.

Mrs. N. C. White Jr., formerly Betty Jean Alverson, is in the Friona hospital suffering from a kidney infection, she was taken Saturday night.

Mr. and Mrs. Day of Oklahoma visited in Bovina on Monday, Mr. and Mrs. Day lived in Bovina some time ago.

Mrs. J. A. Richards who has been very ill in the Friona hospital for the past month was able to return to her home in Bovina Monday, and is reported to be doing as well as could be expected. We hope she will soon be well and up again.

Mrs. J. A. Loflin and son of Jal, N. M., visited friends and relatives here the past weekend.

Mrs. Elmer Venable was a Clovis shopper, Monday.

Mrs. Tom Griffith was returned to her home the past weekend from a Clovis hospital where she received medical care for a heart attack the middle of the week.

Mr. and Mrs. Harry J. Charles have begun work on their new home in the west end of Bovina.

We are glad to welcome to our town Mr. and Mrs. J. W. Bell from the Pleasant Hill community who moved into their new home in Bovina last week.

Mr. and Mrs. Lee Thompson's new home is almost completed and will be ready for occupancy in the near future.

Mr. and Mrs. James Watkins' new cement tile home is nearing completion and will soon be occupied.

Mr. and Mrs. Lester Rhinehart's new home will soon be completed.

J. O. Combs and Troy Armstrong made a business trip to Dimmitt, on Tuesday.

The Pentecostal Holiness congregation is building a new parsonage directly behind the church. Work began on Monday.

Mr. and Mrs. R. L. Green left the past weekend for Dallas, on business.

Ezra Englant has purchased a large extractor for his helpy-selvy laundry.

Mr. and Mrs. Edgar Chase and family visited here the past weekend in the home of Mr. and Mrs. J. A. Richards. Mrs. Chase is their daughter.

Mr. and Mrs. Ezra Engant and Mary Alice motored to Farmington, N. M., Saturday to bring her mother to Bovina, who has been visiting another daughter there for two weeks.

Owen Mitchell, managed of the Hi-Way cafe, made a business trip to Plainview, Wednesday.

Miss Lennie Sizemore made a business trip to Clovis, Thursday.

Miss Jaquetta Parker, of Amarillo, visited her grandparents, Mr. and Mrs. Will Parker, the past weekend.

Mr. and Mrs. Pete Frazier and daughter of Amarillo, visited her parents, Mr. and Mrs. Tommie Horton, last weekend.

Mrs. Opal Downen, who has been ill, returned to work at the postoffice Thursday.

Mr. and Mrs. O. W. Rhinehart left Friday for Rochester, Minn., where Mrs. Rhinehart will enter Mayo Clinic for medical observation.

Mr. and Mrs. Gene Guyer and daughter, of Lubbock, visited in the J. O. Combs home the past weekend. Mrs. Guyer is a daughter of the local people.

Mrs. Tom Griffith is on the sick list again this week.

Mr. and Mrs. Gene Hromas and daughters are moving to Wichita Falls. They left Sunday to find a home so they can move this week.

"GREAT AMERICAN LOVE STORIES" * * * Meet Martha Hilton, the scrub girl who waited—and won! Read how she stole the heart of Governor Benning Wentworth. It's just one of six absorbing true-life romantic stories beginning in The

American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

EXCAVATION WORK BEGUN

LUBBOCK—Excavation work on one of the two basements for the Administration building additions at Texas Technological college has begun following formal ground-breaking ceremonies held on the Tech campus.

Pres. D. M. Wiggins turned over the first shovel-full of dirt on the \$498,450 project. The two three-story wings to the main building are scheduled for occupancy during the fall term of the 1950-51 academic year.

WE THOUGHT EVERYBODY KNEW REDDY!

A recent national survey showed that 20% of business-managed electric company customers either think their electricity comes from a government operation, or *don't know* what kind of company serves them.

That came as quite a surprise! One out of every five customers didn't know *who* Reddy Kilowatt works for! We thought *everybody* knew that wherever you see Reddy you see the symbol of *business management*... free enterprise... in the service of *all* the folks in the community.

Yes, and that's what your Public Service Company is... a *home-operated* company... *business managed*... ever striving to bring more and more dependable, low-cost service for better living—electrically—to everyone.

Better Treatment For Mentally Ill Urged

AUSTIN—Better treatment for Texas' mentally ill, under a program endorsed by Gov. Allan Shivers and other leading Texans, will be the aim of a Citizens' Committee on Mental Health created this week.

Dr. Ozro T. Jones, Dallas physician, will be chairman of the committee, and some 300 citizens will be asked to become charter members, the Governor said. Gov. Shivers will send a letter to the list supplied by sponsors of the new organization, calling attention specifically to the proposed constitutional amendment that would allow mental patients to enter state hospitals without the necessity of a trial by jury.

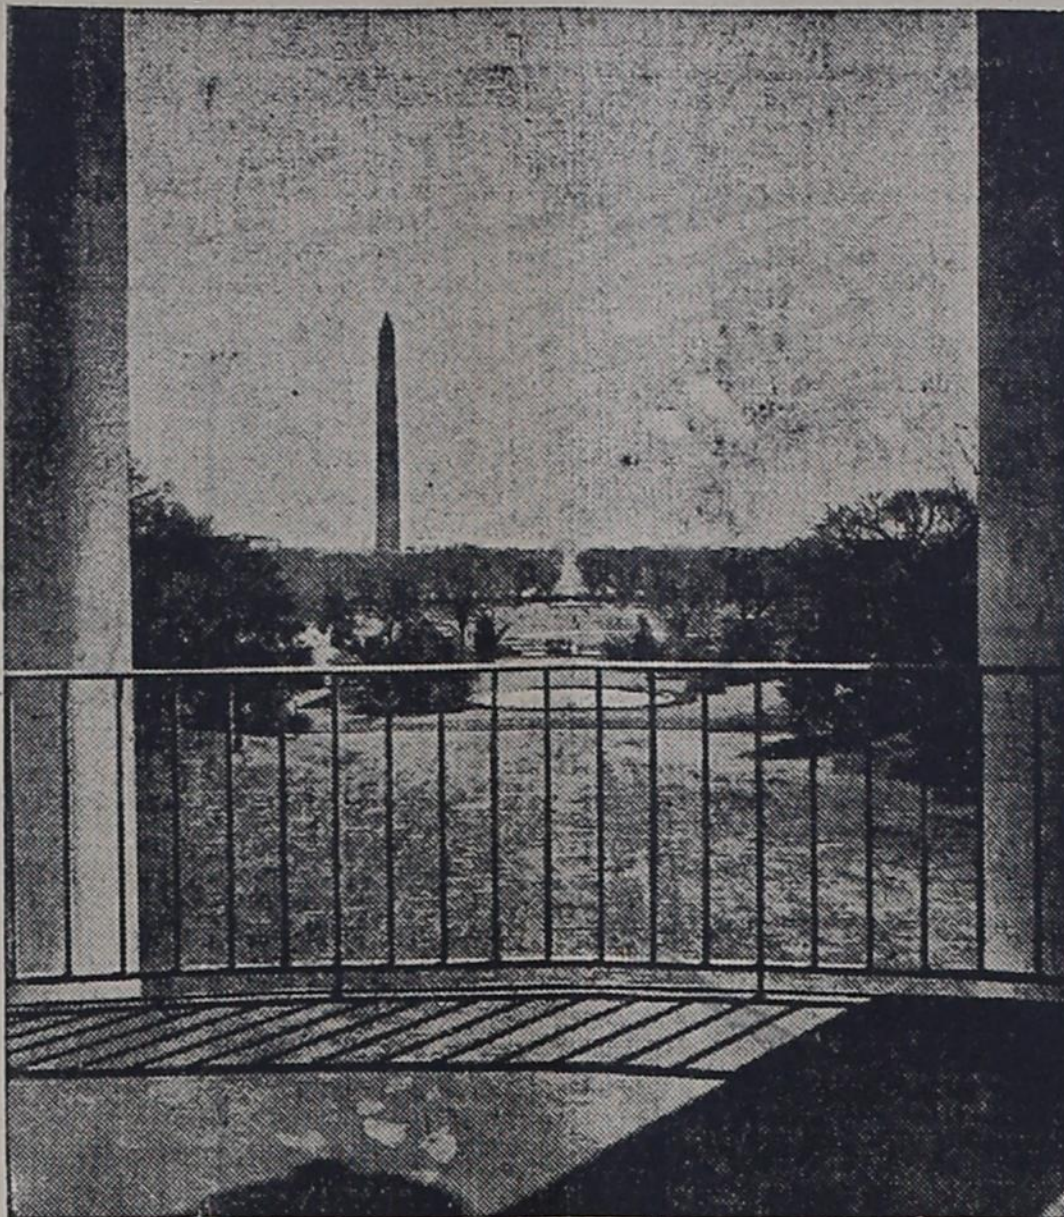

"We hope the CCMH will provide a means of urging the people to open their eyes to the pitiful conditions in our state mental hospitals," said Dr. Woods. "This will be a study group,

and a committee of action as well. Citizens throughout the state will be asked to lead their communities in formulating a desirable mental health program."

Dr. Woods predicted the first project of the CCMH will be to convince Texas voters that "the time has come to bring our laws governing the mentally ill up to a humane, scientific, 1949 level."

The amendment mentioned by the Governor and Dr. Woods will be voted on in the November 8 election. It would empower the legislature to change the commitment procedure which now requires every mental patient to undergo a court trial and be adjudged "insane" by a six-man lay jury before he can be given treatment beyond the temporary stage.

The amendment would instruct the legislature to provide the legal safeguards in the new commitment procedure, including recourse to a jury trial if requested by the patient

BALCONY PANORAMA . . . The new balcony on the south side of the White House in Washington now is completed and here is what Mr. and Mrs. President will see as they enjoy the evening breezes on the new appendage to the executive mansion. The graceful Washington monument, a slender finger pointing to the sky, dominates the vista.

or someone representing him.

"We are the only state in the Union which still make the mentally sick the victims of an antiquated age which treated insanity like a crime," said Dr. Woods. "It is proper that the Citizens Committee on Mental Health should begin its work with a program to bring our thinking up-to-date on the cause and treatment of mental illness."

Gov. Shivers had announced earlier his full support of the lunacy amendment. "The difficult thing for

many people to see," said the Governor, "is that a courtroom scene, with a judge, a prosecutor, and a jury, can do great harm to an already ill mind. It is this sort of thing which we hope the Citizens Committee will be able to explain at firsthand in communities."

The paint job is no better than the application. Remove all loose and peeling paint from the surface before starting the painting job. Paint only on a dry surface.

First Hand Report On Hunting Conditions in New Mexico Given

Dozens of tips on big game hunting in New Mexico are given in the October issue of "Fly and Shell", published in Albuquerque. First hand report of hunting conditions in all major big game areas in the state is given by Editor R. C. "Bob" Pettigell, following an 1800 mile personal survey through national forests and other game regions in New Mexico.

"In the Reserve area on the Apache National Forest there is estimated to be 55 Black Bear, 1600 Mule Deer and 1300 White-tailed deer. Big game population in the Carson National Forest is approximately 300 Black bear, 1400 Mule deer and 100 Whitetailed deer. Browse and mast are good in the higher elevations of this forest", Pettigell said.

"The Santa Fe National Forest which is divided into two divisions, the Jemez and Pecos, is estimated to have 430 Black bear, 6,100 Mule deer and 20 Whitetailed deer. All divisions

of the Cibola National Forest contain an estimated 60 Black bear, 75 White-tailed deer and 13,000 Mule deer. Turkey are considered "occasional" on this forest," Pettigell continued.

"Big game populations contained on the Gila forest in southwestern New Mexico number 250 Black bear, 4,700 Whitetailed deer and 15,000 Mule deer. The Lincoln National Forest in southcentral New Mexico is estimated to have 130 black bear, 1,000 Whitetailed deer and 14,100 Mule deer. Turkey are considered "common" in this area. The Coronado National Forest in the far southwestern tip of the state has approximately 510 Peccary, 2 Black bear, 45 Mule deer and 1,100 Whitetailed deer," according to Pettigell's article in "Fly and Shell."

Texas homeowners seeking a good winter stand of grass can plant Italian rye now on bermuda lawns, but must water it often after the initial planting. The rye grass will die next spring, at about the time bermuda begins to turn green.

AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM... which do you want? The inescapable challenge facing the Christian world today is COMMUNISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM.

ABOUT twenty years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism... It will bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheist principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics.

COMMUNISTS declare theirs is simply the "scientific" application of the teachings of history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD."... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century.

CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe; COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF THE STATE.

THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being threatened by Communist enemies. For the sake of all that is dear to you... attend your church and support her good work.

CROWNING OF "MRS. AMERICA" . . . Mayor George A. Smock of Asbury Park, N.J., crowns Frances L. Cloyd, the mother of three children, "Mrs. America." The beauty from San Diego, Calif., represented her state against stiff competition and topped the other contestants in cooking skill as well as in personal appeal.

Farm Cash Income Goes Down 6 Per Cent

AUSTIN—Texas farm cash income for August 1949 totaled \$178,391,000, falling 6 per cent from July, the University of Texas Bureau of Business Research reported.

Cotton was the greatest source of income, bringing Texas farmers \$103,476,000 during August. Income from cottonseed totaled \$14,527,000; and cattle, \$14,724,000.

Compared with August 1948 farm cash income for August 1949 fell 4 per cent. With the exception of cotton, cottonseed, wheat, oats, and eggs all farm commodities brought Texas

farmers less money in August than August a year ago.

July-to-August increases in crop reporting districts varied from a 2-per-cent gain in Southern Texas Prairies. During this period declines ranged from a 6-per-cent decrease in Northern High Plains to a 78-per-cent fall in Southern High Plains.

In comparison with August 1948 increases varied from 2 per cent in Southern Texas Prairies to 74 per cent in the Lower Rio Grande Valley. From August 1948 to August 1949 declines ranged from 4 per cent in Northern High Plains to 52 per cent in Coastal Prairies.

After adjustment for seasonal variations, the Bureau's index of farm

cash income declined to 473 per cent of the 1935-39 base period in August from 654 in July and 490 in August 1948.

For the first eight months of 1949, farm cash income totaled \$813,983,000, falling 8 per cent under a like period of 1948. Except for a 42-per-cent increase in Northern High Plains and a 7-per-cent gain in the Lower Rio Grande Valley, all districts recorded declines from 10 to 38 per cent below their 1948 levels.

Plans Made For Scout Camp-o-See, 27-28

Milton Davidson, chairman of Camping and Activities, for the Plains District, Boy Scouts of America, has worked out a camporee for scouts of this district and the Roosevelt District, a joint affair, for Thursday afternoon, and night, and Friday morning, October 27 and 28. The Camporee will be held at the state park between Clovis and Fortas. As the schools will be out for state teachers meeting, Davidson stated that a large camporee is expected.

The troops will come into camp on Thursday afternoon and spend the time until 7 o'clock in setting up camp and cooking supper. A campfire program has been arranged from 7 until 8:30 p. m. Then a wide game with the entire camporee taking part will follow until taps at 9:45 p. m.

Friday morning the troops will take part in ten scoutcraft events including knot tying, signalling, courtesies to the flag, first aid, compass, observing and trailing, map reading and hiking methods. The scouts will work in patrols on these events.

The troops will be judged on a standard and the following ratings will be given, superior, excellent, honor and participating.

In commenting on the camporee, Davidson stated, "I know that the unit leaders will begin now to make plans for their troops to attend and we are expecting one of the best camporees ever to be held in the Plains District."

DAR RESOLUTIONS ARE PRESENTED AT MEET

The following resolutions adopted by the National Society of the DAR were presented at the recent state meeting held in Silver City, New Mexico, and have been released locally by Mrs. A. D. Smith, member: The organization favors the recording of the birthplace of every citizen during census taking.

The DAR urges the teaching of U. S. history and geography according to the ideals set forth by the organization.

The DAR is opposed to one head controlling the schools, is opposed to all groups that favor world government; and is opposed to crime stories and pictures that children read and see.

The society urges legislation to protect the flag from mutilation, and is opposed to socialized medicine.

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Mrs. Katherine Williams, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of November, A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 26th day of September A. D. 1949, in this cause, numbered 1486 on A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff alleges that he married defendant November 10, 1948, and because of the excesses, cruel treatment and outrages administered to him by the defendant, their further living together was rendered insupportable. That no child issued from said union and marriage and there is no community property. Plaintiff

prays for judgment for absolute divorce from defendant, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 26th day of September, A. D. 1949.

Attest:
LOYDE A. BREWER, Clerk,
District Court, Parmer County, Texas.
By: Rosa Lee Tabor, Deputy.

Dimmitt Wins Over Locals

The second conference defeat in as many starts during the past weeks was handed the crippled Farwell Steers on Friday night, when the Dimmitt Bobcats added to their press clippings by clawing their way to a 20-12 win over the visiting Steers.

Combining the star-bang tactics of Billy Hodges and Douglas Dennis with the rapid-fire motion of Gene Easley and Loyd Leasure, the Cats racked up touchdowns in the second and third periods to stand ahead 20-0 before the Steers ever got going.

Dimmitt used a shifty backfield reverse play that went for yardage time and again as the Steer tacklers failed to fathom the mystery in time to dodge a wave of blockers, and when the locals got on the offensive the Cat tacklers were just as consistent, pouncing on the Steer ball carriers repeatedly before they could break loose.

The Steer passing threat practically failed to materialize, as the linemen were unable to keep the Cat defense off the passer when the play was aimed for the airways. At times, Farwell's defense—starring hard-hitting Bob Dollar—played brilliant ball, as evidenced in the dying minutes of the game when they staved off a goalward drive and took the ball away from Dimmitt on their own 1-foot line.

Admittedly, the Steers needed the speed of Jerry Pool, who sat forlorn and cheerless in the bleachers after sustaining a kidney injury last week that had him hospitalized for several days. Don Ford, shifted from end in to the backfield, was doing a hard job while playing with a still-sensitive leg, and was out of the game at times when his weight might have made a difference.

Despite the loss, the thrill of the game was chalked up by the Steers, when Dimmitt booted off after a touchdown in the third quarter and Poteet took the ball on his own 20, lowered his head and blasted his way downfield through all opposition for a Steer counter.

First Quarter
Dimmitt received on their own 25 with Dennis going for 10. Wilkinson got loose to the 41 where Nix and Poteet drove him down and Easley added 2 for a first down. Thompson went for 4, Maxwell added 1, Hodges got nothing and Dimmitt drew a 5-yard penalty. Easley scooted for 2 before nailed by Poteet and the Cats kicked out, with Terry fumbling the ball out of bounds on the Steer 30.

Ford hit the line for 8, Coburn got to the scrimmage line and Ford dove on to the 48. Poteet gained 3, Terry failed to get off an aerial, Nix made 3 and then kicked out, Dimmitt taking over on their 20. Easley scampered for 3 and Wilkinson added another 2 as Christian drove him down. McKillip and Dollar converged on Dennis for no gain, but Wilkinson got loose for a dash to the 42 and a first down as Nix halted him.

Hodges fumbled but covered for a loss of 5, Dennis went for 2 as Norton nailed him. Dollar stopped Dennis cold for no gain and the Cats kicked, with Terry being run out of bounds by Leasure on his own 38. Nix gained 1 over center, Rainey added another, and Poteet was sent back for a 2-yard loss by Dyer. Farwell kicked to the Cat 21 and Wilkinson dashed back to the Farwell 38 before Terry got him. Easley made 1 as Terry was there again and Hodges went for two as the quarter ended.

Second Quarter
Wilkinson got out for a scamper to the 22 for a first down, Hodges was caught by Dollar for nothing, but Easley came through with 6. Leasure swept end for the first touchdown of the game as Berhends effectively took Terry out of play, but the ball

was called back and Dimmitt got a 15-yard fine. Wilkinson got 2 as Dollar bore him under, and a pass was complete from Dennis to Leasure but yardage was insufficient and the ball went over on the Farwell 17.

The Steer's luck was short-lived, as on their first offensive move the carrier fumbled and Dimmitt recovered on the 18. Hodges got nothing and Dimmitt drew a 5-yard penalty that merely gave Leasure room for his end run for the first legal score, as Hughes and Dollar both made a frantic grab and missed. Dennis shot one to Maxwell for the extra. Score, 7-0.

Terry received on the 10 and raced back to the 18, Poteet made nothing as he was hit by Axe and Ford got 5 as Murphy snagged him. Terry went for no gain, but Ford was loose to the 39 for a first down and Dimmitt got another 5-yard penalty. Poteet made three and then went for a first on the Dimmitt 49. Terry was hit by Brown for no gain and Ford was stopped for a minus 5 as the line leaked on a pass try. Poteet went to the 42 and then hit it again, but the locals failed to make a first and Dimmitt took over on the 41.

Jack Hodges got 4 as Dollar snared him, Billy Hodges added 2 and then aeriatoed to Maxwell on the Farwell 38 for a first. Dimmitt drew a 5-yard fine and Dollar banged Cluck for nothing, Dennis bored for 5 and Jack Hodges reached the Farwell 11 where Poteet caught him from behind as the half ended.

Third Quarter
Ford's boot went to the 25 and J. Hodges' return was good for 3. Wilkinson added 2 as Dollar again proved his worth at defense, but the next play saw the Cats shaking Easley loose for a beautiful touchdown run right over the middle of the Steer line. Dennis to Maxwell was good for the extra. Score, 14-0.

Dimmitt kicked to the 28 and Poteet came back for 4 with Ford going on to the 38, Terry lost 10 as he pivoted too close and fell, a complete pass from Ford to McKillip netted only 8, Ford passed again to Magness for 2, and a poor kick gave Dimmitt the ball on the 42. Jack Hodges got 1, and the Steers were fined 5, with Wilkinson pushing on down to the 30. Maxwell made 5 and Leasure forged to the 10. Wilkinson's try was halted and Dimmitt fined 5. Cluck gained 1, Dollar stopped Wilkinson for 4, and Easley made another tally which was nullified by offside against both teams. Cluck tried an incomplete pass which was slapped down, and then Leasure broke around end and was into paydirt. The pass try, Dennis to Maxwell was killed by Poteet. Score, 20-0.

The Cats booted to the 20, where Poteet tucked the ball into his arms, shifted into high and was off down the field for the first Steer counter. His kick went low and Dimmitt led, 20-6.

Farwell kicked to the end zone, Leasure came from the 20 to the 32, then added 2 more, Maxwell reached the 41 where he met Dollar, and the Cats were fined 15. Leasure was hit by McKillip for nothing, his next try worked the same way, and Dimmitt kicked out on the 50. Ford fumbled and lost back to the 35, then passed to Poteet on the 42 and went on to the Cat 42 himself but drew a 5-yard penalty and Farwell kicked to the 35, with Easley scooting back to the Steer 43. Hitting it again, Easley got to the 32 and Dennis pushed on for 5, Wilkinson lost one as the period died.

Fourth Quarter
Wilkinson gained 2 with Dollar killing the play and Terry drove Burch back for nothing, the ball going to Farwell on the 21.

Ford to Terry reached the 47 and

Ford hit midfield for a first down. His next try got nowhere, Poteet shoved down to the 41 and then to the 31. Ford to Christian gained 8, Ford added 2 for a first, Nix made 2, Ford tried an incomplete pass, Ford to Poteet marked 8 and Ford got nothing as he turned an ankle and was taken out of play. Poteet came into the breach, boring over center in a determined way that put him into the end zone but the extra failed to materialize. Score, 20-12, Dimmitt.

Farwell kicked off but the boot was returned and Dimmitt penalized 5. Farwell kicked to the 30, Leasure received and made 8. Coburn stopped Dennis after he got 5, Wilkinson blasted his way to the Steer 45 and Farwell drew a 15-yard penalty. Leasure made 1, Wilkinson added 8 and the Cats were fined 15. Easley came back to the 32, Dennis lost 4 and the ball went to the Steers on their 28.

On the first play, Poteet fumbled and Dimmitt swarmed the ball on the 33. Wilkinson got 2 and then nothing, Dimmitt was fined 5, Hodges made 6, Maxwell went for 8 and Hodges got a first down on the 20. Dollar slammed Easley down on the 5, the line held as Leasure got no gain, Coburn drove Wilkinson back for a loss of 5, and an apparently complete pass dropped out of the hands of Maxwell. The entire Farwell team rose up to hold Leasure on the 1-foot line and Farwell took possession. Terry tried an incomplete pass, McKillip made 3, Ford to Terry reached the 8 and the game was over.

Bovina Mustangs Take Three In A Row

The Bovina Mustangs badly defeated a less experienced Lazbuddy Longhorn squad, Friday night, in a one-sided scoring fest played at Bovina.

The Lazbuddy lads were in scoring territory twice, but each time Coach Clovis Ratliff ran in a few first string men and they were turned back, the final score standing Bovina 50, Lazbuddy 0.

This is the third conference win for Coach Ratliff's Mustangs. They have not yet been scored on this season, but do not expect to hold the record all year, for next week they journey to the home field of Three-way to meet a rapidly improving six-man team that has lost only one conference game this year.

Scores in the previous games were 48-0, the Mustangs over Bula, and 7-0 in a close game with Pettit.

Forrest Teams Come To Texico Diamond, 14th

Two teams from Forrest are slated to make their appearance on the Texico softball diamond immediately after noon on Friday, when the senior boys and girls from the schools will continue their regular schedule.

Information sources indicate that the squads will be about evenly paired and games should be close. Consideration Tuesday morning was being given the time element, with officials indicating that the games may be run on time rather than by innings, in order that each group will have an equal chance to play.

In several matches played this season the girls' games, up first, have been allowed to go the full seven innings, with the boy's skirmishes being cut short because of time, Coach C. B. Stockton reported.

Last year the great American hen laid the staggering total of 55 billion eggs—enough to pave a road 750 feet wide from New York to San Francisco.

First Win Chalked Up By Yearling Eleven

Daniels and Dial divided scoring honors the past Thursday night, as the Farwell Yearlings took their first win of the season by defeating the Muleshoe youngsters, 27-12. Both Farwell men reached the glory land twice during the skirmish.

Showing their wares before a home-town crowd, the Yearlings jumped into the lead in the first half when Daniels broke out around end for the initial touchdown of the contest, and Junior Poteet passed to Bradshaw for the extra point.

Farwell grabbed another in the second quarter, with Daniel again toting the pigskin, but the Poteet-Bradshaw aerial combination failed to connect. The Muleshoe scores came in the second and third periods, with one being the result of an intercepted pass. Neither conversion try was successful.

Doing his bit for the night, Dial lugged the leather twice in the second half for local counters, with one extra point coming via Poteet to Bradshaw and the other scored by Daniels on a line plunge.

The lineup included Cassady and Bradshaw, ends; Miller and Herington, tackles; Rundell and Doshier, guards, and Dollar, center. The backs were Daniels, Dial, Poteet, Gully Subbs used were: Rose, Branscum, and Johnson, tackles; Hardage, Gerie, Billingsley and Don Pool, backs; Miller and J. Roberts, guards; and Jerry Poteet, end.

Play Here Thursday
The Yearlings will play again at home on Thursday night of this week when the Friona Juniors come here for a contest that is expected to be hard fought and well-matched. Game time is 7:15, with admission at 50c and 25c.

Girls Take Easy Win Over Field Players

The Texico girls took an easy win over the visiting Field softball team the past Friday afternoon, when the squads met on the Texico diamond.

Coach Fern Stout, who reported that he gave all subs a chance to see action during the game, said that the final scoring stood 9-13 for his players. Patsy Doshier led the scoring by crossing the plate three times.

Adams and Hester, of the Field squad, each scored two runs during the game.

Due to the fact that time ran out, the junior boys game was called as incomplete at the end of the third inning, Coach John Armour said today.

Calves And Pigs Will Be Selected Shortly

Calves and pigs which will go into feed lots as project work for 4H club boys will be selected this month, County Agent Ollie Limer said today, urging that all boys who plan to participate in this type of work contact him soon.

"The animals," Limer said, "will be fed out during the winter for exhibit at fat stock shows next spring, and this year we are planning to feature pens of three and five calves, and pens of three fat barrows."

Beef stock will likely be chosen from Hereford and Angus breeds while various types will be included in the barrow selections.

Limer reported on Tuesday morning that calves had already been secured for project work by Wayne and Marvin Massey, Leon and Delvin Langford, Bob Magness, Hughie Lowrie, Billy John Thorn, Robert Henry Ivy, Jim Roy Daniels, Sammie Cox, Giles and Ted Walling, Donald Barron, and Jimmie Owens.

Thomas Jefferson's home is called Monticello.

FILL YOUR MEDICINE CABINET

Now is the time to re-stock your medicine cabinet and winter months. Be prepared to fight colds . . . with the items you will be needing during the fall and don't forget those vitamins.

Friona Bulls Grand Champions at Fair

Two Friona-owned bulls, Silver Creek Fokie and Welcome Volunteer II, were grand champions in their divisions of the Amarillo Tri-State Fair last week, in the judging of the Brown Swiss and Jersey entries, respectively.

D. C. Burnett exhibited the Brown Swiss champion, which has also been named as breed grand champion at the recent Parmer county fair. The bull, a two-year-old animal, was first in the group of bulls 2 years and under 3, then rated senior bull honors and was finally named grand champion.

The Friona FFA boys are just proud of "Volunteer", a five-year-old Jersey bull which they have owned for three years. In taking the grand champion rating, Volunteer repeated his 1948 performance, although J. T. Gee, FFA supervisor, reported, "it was tougher this year than last."

Preceding his appearance at Amarillo, the FFA bull had, for the third consecutive year, taken grand champion honors at home. In advancing to the top rating at Amarillo, he was given blue ribbons in bulls three years and over and senior champion.

Burnett's Brown Swiss entries, other than Silver Creek Fokie, garnered the following breed placings: Cows, 4 years old and over, Silver Creek Florence RD, first.

Heifer, senior calf, Brownie Babe's Beauty, first.

Produce of dam, from Queen's Brownie Babe, first.

Best uddered cow, second. In the Jersey showings, placings

were taken by the Friona FFA chapter and individual members, other than the grand champion, as follows: Bulls two years and under three, Noble Observer 3rd; Wilovyx Draconis, 4th.

Junior male yearling, Design Prince II, G. A. Collier, 2nd.

Senior male calf: Max Wells, Star Design, 3rd; Friona FFA, Nobel Vol Louie, 4th.

Cows four years and older: Ray Strickland, Progress Belle, 2nd.

Cows three years and under four: Lloyd Rector, Noble Dolly, 2nd; Max Wells, Noble Given, 4th.

Cows two years and under three: Lewis Gore, Dolly, 2nd; Ray Strickland, Noble Silver Eecstasy, 3 d.

Senior yearling heifers, female: Ross Miller, Masterman Crown Queen, 3rd; Ross Miller, You'll Do Fessie, Too, 4th. Vernon Petty, Design Princess, 6th.

Junior yearling heifers: Ross Miller, Sible Spot Draconis, 4th; Joe Fallwell, Noble Jester Girl, 5th; Lewis Gore, Danny Bell, 6th.

Senior heifer calves: Friona FFA, Jester's Joe Faffle, 3rd; Friona FFA, Little Kate, 4th.

Junior heifer calves: Keith Brock, Volunteer Star II, 6th.

Dairy Herd: Friona FFA, 3rd.

Get of sire: Friona FFA, 2nd; Lewis Gore, 4th; Ross Miller, 5th.

Three best females: Friona FFA, 3rd; Ray Strickland, 5th.

Produce of dam: Friona FFA, 4th.

County herd: Parmer, 3rd.

Andrew Jackson lived with his wife for two years when they found that her divorce from her first husband was not valid.
