Steers Win Nine, Lose One For Season

Losing only one of their ten scheduled games this year, the Farwell Steers wound up a highly successful season last Friday. During the season, the locals scored a total of 249 points to the 77 racked up by their opponents, and in addition, won five of their games without giving up a point.

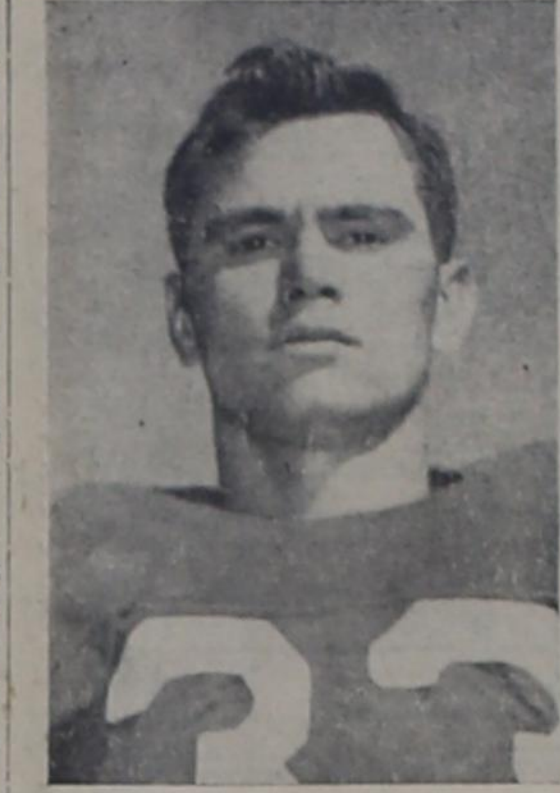

The strong Vega squad was the only foe able to upset the Steers this year, and fans who followed the play closely are convinced that had the locals played in their usual manner, they need not have lost.

Opening the season, Farwell defeated Petersburg, 30-0; then went on to down Anton, 33-0. In their first clash with Vega, the Steers eked out a close 12-7 win; then trounced Sundown, 32-0; added insult by dumping Melrose, 26-0; and then stumbled before Vega, losing 7-19.

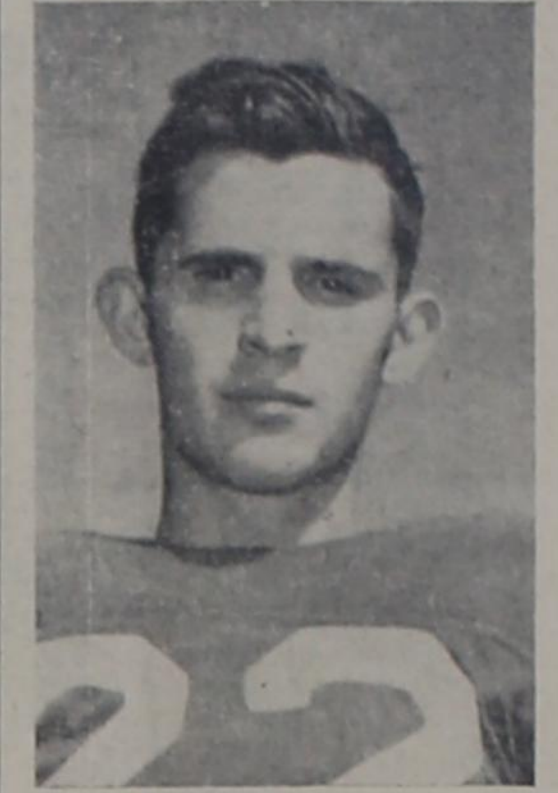

A hard-fought game at Tahoka gave them their sixth win, 20-19, after which they took a breather before taking on Amherst, whom they spanked, 25-0. Playing at Seagraves on Armistice Day, the Steers ran wild over their opponents, 45-14; and last Friday grabbed the fat from the fire in the dying minutes of the game to down the Clovis "B" squad, 19-18.

It is interesting to note the records the locals racked up for their return to eleven-man football, in playing squads who had consistently had the eleven-man teams. During the past two years, when the Steers played six-man, they lost only one game in the two seasons, and won a regional title in 1947, which is as high as six-man competition is arranged.

Although they did not compete for conference honors this year, the locals are actually members of District 3-B and in 1949 will meet Friona, Dimmitt, Spring Lake, Olton, Anton,

TOBY BOOTH

WARLICK THOMAS

Whitharrel, Petersburg, Hale Center and Amherst. During the 1948 season, they met three of the squads they will contest for conference honors in 1949.

A comparative note on the Steers with other teams in the district points out that in the final games last weekend, both Friona and Dimmitt were tied by teams which Farwell had blanked out. Friona took a 13-13 knot with Anton (Steer score 23-0), and Dimmitt and Petersburg wound up at 33-33 (Steer score, 30-0).

Out of the 249 points scored by the Farwell aggregation, a total of 87 came via the air-lines, proving the effectiveness of the passing attack which featured Thomas and Ford principally, although other players had assignments along that line.

The Thomas-to-Ford combination clicked for seven touchdowns and nine extra points; Thomas passed to Cassidy for one touchdown; shot the ball to Holland for two counters; aeriaded to Booth for one; and Booth tossed to Ford for one counter.

Scampering Jerry Pool accounted for eight paydirt touches during the season and Booth plunged into the end zone seven times, plus kicking six placements and receiving a pass from Thomas for a TD. Thomas took to his heels for ten touchdown runs that paid off.

The 1948 season concludes action for five of the gridgers: Quarterback Warlick Thomas, Fullback Toby Booth, Center A. C. Henneman, End Jackie Holland and Tackle Herman Geries.

Nearly a million dollars has been distributed to the farmers of this county as government loans on their 1948 crops, it was revealed here today by Joe Camp, secretary of the Farmer County Agricultural Conservation Association.

These loans are divided between wheat and grain sorghum loans, with wheat figures running far in advance of sorghum. However, Camp said the figures released were as of November 1st, and that many more grain sorghum loans had been made since that date.

Loans distributed to farmers of this county up to November 1 amounted to \$954,248.53, with grain sorghum loans amounting to a total of \$440,125.96 and wheat loans accounting for \$514,122.57.

Most of the loans have been made of grain stored in elevators, while the farm storage loans also come in for a neat figure. A total of \$91,144.49 has been issued on farm stored wheat, and \$422,978.08 has been disbursed on warehouse stored wheat.

A total of 257 growers have been granted loans on grain sorghums for a total of \$440,125.96, all of which is stored in warehouses.

The ACA secretary expressed the belief that loans on grain sorghums would show a substantial increase when another report is made on Dec. 1. Only a few of the farmers of the county had placed their grain sorghums in loan up to Nov. 1, he said.

Death Claims Former Prominent Citizen

This community was shocked Sunday when the news was received here of the sudden and unexpected death of R. H. (Rupert) Paul, who died in the McCune-Brooks Hospital at Carthage, Mo., at the age of 53.

Funeral arrangements have not been completed as yet, and family members here said that the only announcement they were able to make on Wednesday morning that services would be held on Friday and burial would take place in the Texico cemetery.

Mr. Paul, who was one of Texico's outstanding and most prominent citizens, died suddenly Sunday shortly after noon in the hospital, where he had been recovering satisfactorily from injuries of October 25 when he fell from a barn he had under construction at his new farm home four miles from Carthage. In the fall he sustained a broken arm, and leg, and a fracture of the pelvis bone. He was recovering satisfactorily from these injuries, when he developed pneumonia about ten days ago. He fought that attack and was making plans to be removed to his home when a blood clot formed and lodged in his heart resulting in his death only 30 minutes after being stricken.

Rupert came to Texico with his father and mother, Mr. and Mrs. G. W. Paul from Oswatomie, Kansas, at the age of 11 years, and the family homesteaded three miles north of Texico. He made his home here, where he had expanded his interest to become one of the community's outstanding and successful farmers, until a year ago when he sold one of his farms near Grady and purchased a 320 acre stock farm near Carthage, Mo., where he moved his family in October, 1947.

Besides his wife, Mrs. Edna Paul, he is survived by three daughters, Mrs. Dorothy Hallman, Eva Ann Paul, and Neta Nell Paul; two sons, George Thomas Paul, all of Carthage, Mo., and Jerry Lewis Paul, Texico his father, George W. Paul; one brother, Lewis C. Paul; one sister, Mrs. Gladys Skaggs, all of Texico. One granddaughter, Paula Jean Hallman of Carthage, also survives.

Schools Will Observe Holidays This Week

Texico and Farwell school students and faculty members will enjoy the usual Thanksgiving holidays on Thursday and Friday of this week, Supts. B. A. Rogers and Jack Williams have announced, with classes at both schools beginning again on Monday, November 29th.

A special assembly program was held at Farwell the first of the week, and the holidays will officially begin this (Wednesday) afternoon.

All offices in the local courthouse, the bank, both postoffices and most business houses will be closed during Thursday, resuming business as usual on Friday, it was reported.

Miss Betty Agnes Smart spent Sunday in the home of Mr. and Mrs. Ernest Carpenter in Clovis.

SUCCESSFUL HUNTERS—Two hunters who returned home last weekend from the Gila River country, north of Silver City, N. M., are Leroy Hunton (right), of Clovis, and Jack White, Texico rural mail carrier. White and Hunton were members of a six-party group, all of whom brought home evidence of a successful trip. White's deer, weighing 250 pounds, is believed to have been one of the largest brought out of New Mexico this year.

Further Delays In Water Supply Here

Further delays have arisen in the program undertaken two weeks ago to increase the water supply in Texico-Farwell, it was learned today through B. N. Graham, secretary of the Texico-Farwell Waterworks.

Graham said that every effort was being made to get the pumping equipment in condition, but that it may be several days before the work is finally completed. The latest delay was occasioned when it was found that extra equipment for the new 75 h.p. Pomono pump would have to come from the factory in California before the work could be completed.

He said that a wire had been sent for the additional equipment, and it should arrive here during the next few days.

In the meantime, only one well is in operation and this is the well fitted with the small pump, which is wholly inadequate to keep pace with the demands unless the water consumers continue to conserve the use of water.

Cold weather and shortage of experienced help to lay the new lines is delaying the extension of the new four and three-inch mains in the vicinity of the Farwell school house. The ditch has been opened since Thursday of last week. Due to breakage of some of the composition mains, additional joints have been ordered and should arrive here during the next few days, when the work will be completed, weather permitting.

2000 Bales Expected At Lariat Gin

With the 1400 mark already passed, Guy Nickles of the Lariat Gin, said the first of the week that it appeared likely that his gin would handle 2000 bales of cotton during the present season.

Nickles said that more than 3000 acres of irrigated cotton in his territory was hailed out last spring, which cut into his receipts to a considerable degree.

Already he is making plans for a big season next year, with the announcement that he planned to enlarge his ginning facilities before the 1949 season got underway. Nickles estimated that not less than eight thousand acres of irrigated cotton would be grown in the Lariat section next year.

Gas Company Promises Ample Gas For Cold

J. Harvey Wilson, district manager of the Southern Union Gas Company, which serves a large area in West Texas and Eastern New Mexico, stated this week that arrangements had been completed for additional natural gas for the area served by the company.

A six-inch line of the West Texas Gas Company has been tapped near Amherst and the gas is now running into the lines supplying this area, Wilson stated the first of the week, adding that he felt confident the gas supply would be ample for all needs during the coming winter months.

During last winter, on a number of occasions, the pressure became so low in the mains here that a state of emergency was declared and strict conservation measures were invoked, including the closing of local schools. At that time, it was explained that there was plenty of gas, but the mains were not large enough to carry sufficient quantity for the heavy demand.

Prior Approvals Due To Be Returned Here

Farmer County farmers who have prior approval on conservation practices, including seeding wheat on contour, and leaving grain sorghum stubble, have been warned to turn these approvals into the local ACA office before December 3.

The deadline for returning prior approvals on such practices as chiseling, leveling, terracing, irrigation, and fertilizing has not yet been set, but Joe Camp, ACA secretary, gave it as his opinion that date would be "around December 15".

Camp also added that some funds were available at the local office for terracing practices.

Community Observance Thanksgiving Slated

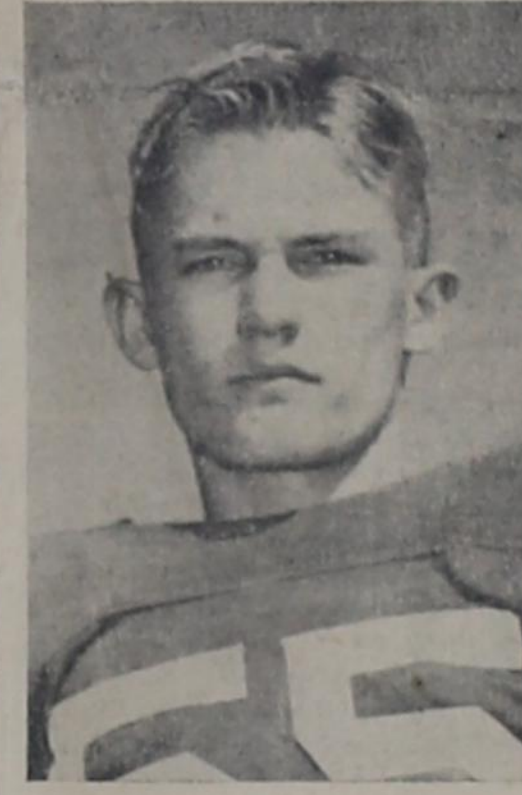

Rev. J. J. Terry, of the Oklahoma Lane community, announced today that a community observance of Thanksgiving would be held in the Oklahoma Lane school auditorium, starting at 7:30 p. m.

A Thanksgiving pageant will be rendered, also readings, songs, and other numbers to complete the program. Rev. Terry issued a cordial invitation to the public.

Thompson Is President Of Co. Farm Bureau

Charlie Thompson, of Farwell was named president of the Farmer County Farm Bureau chapter, last Thursday night, when members met in Bovina to elect permanent officers and complete organization.

Other officers named included Fred Bolton, of Oklahoma Lane, as vice president, and R. H. McFarland, of Friona, as secretary-treasurer.

Each school district represented was asked to name one man to serve on the board of directors, with Ed Meeks of Farwell, Howard Denney of Bovina, and Joe Brummitt of Friona being selected.

Special visitors at the meeting were Bill Tillson, district director, from Meadow, Texas, and Andy Chitwood, president of the Curry County chapter.

President Thompson announced that at present the county chapter had 70 paid members, and added that membership drives would continue over the county through the next two months.

PARTY OF FIVE BAG ONLY ONE DEER

A party of five big game hunters returned home Sunday with four of the number bringing home nothing but regrets.

Harold Millock was the only fortunate one of the party, with Ralph Humble, E. G. Blair, John Bingham, and Joe Blair coming in empty-handed. This was the second hunt of the season for Humble, and he lays claim to the hardest luck story of the year by reporting that he never so much as saw a deer on the two hunts.

Thar's A Bear In Them Bushes

Although she admits that she never heard a bear's growl, you would have a hard time convincing Mrs. Murry Dial that she barely avoided contact with a real live bear while on a recent hunting trip to Colorado.

Armed with only a small .22 rifle, Mrs. Dial got lost about 8 miles from camp, and in her wanderings she approached a small thicket of buck brush. "I know I heard a bear in that brush", she maintained in talking about her experiences.

On cross examination, she admitted that she had never heard a bear growl, but she could not be moved from her suspicion.

COMMISSIONERS MEET

The Farmer County Commission Court was in session here Monday. Aside from the regular routine of approving the general election returns, held over from the last meeting for the reason that the tally sheets from the Lazbuddy precinct had not been properly signed by the election judges.

VISIT LOCAL SCHOOL

R. P. Sweeney, high school supervisor, Mrs. Gayle Barber, elementary supervisor, and Mrs. Rogers, music supervisor, all from the New Mexico State Department of Education, visited the Texico school last Friday, in a series of visits made over Curry county.

Miss Minnie Marie Smotherman of Clovis visited with Miss Hazel Dishman, Sunday.

Legionnaires Will Don Helmets For Gridiron

Legionnaires of Bovina and Texico-Farwell, having more enthusiasm than horse sense, probably, will renew their annual Thanksgiving grid grudge on the Farwell field Thursday afternoon at 2 o'clock, in what promises to be a slam-bang affair.

Last year the crowd got more enjoyment out of the players' time-out—when the majority flopped on the ground, pulled cigaret packs out of their helmets, and fired up—than anything else that went on, and indications are that the hit-em-and-rest will prevail again this year.

A starting lineup has been announced for Farwell, putting Phillips, 175-pounds, at left end; Hanna, 195, left tackle; Quicquel, 192, left guard; Rundell, 205, center; Levins, 165, right guard; Thornton, 215, left tackle; Symcox, 167, right end; Robertson, 140, quarterback; Lovelace, 185, fullback; Gast, 170, right half, and Sudderth, 150, left half.

Subs will include Graham, Sheets, Darr, Martin, White, Phillips, Pipkin, Walling, Dykes, Meeks, Hardage, Herington and Billingsley.

The Bovina lineup includes Queen, 155 pounds, at center; guards, McFarland, 172, and Bonds, 148; tackles, H. Looney, 190, and Billingsley, 180, ends, Warren, 160, and Shanks, 142; quarterback, Ross, 160; fullback, D. Looney, 175; halfbacks, Moore, 165, and Barnett, 175. Subs will be Charles, Ashcraft and Estes.

Jones, of Texas Tech, and Harris, of TCU, both of whom now reside in Bovina, will officiate.

Most vacationists go away for a little change, but come back with a lot less.

Texas H. Ec Association Meets Nov. 26, Dallas

COLLEGE STATION.—The family's problems of consumer buying has been the interest of the Texas Home Economics Association for 1948, and will be the program for the annual meeting November 26th in Dallas, announces Bess Edwards, extension district agent for Texas A. & M. College, and president of the Association.

Miss Edwards says the program for the annual meeting will include a "consumers speaks program" with specialists in foods, clothing and housing. Louise Mason, foods specialist for the Texas Extension Service; Rosa Jean Tannahill, Mary Hardin, Baylor College, and Mrs. Leonard Maxey of North Texas State Teachers College, will present the panel.

A report of the National Conference on Family Life will be given by Mrs. Dora Hassell, housing authority of Dallas, and a special feature on fashion by Mr. Edward Marcus of Dallas.

The Association's membership of nearly 800 will have representatives at this annual meeting of teachers, research workers, county home demonstration agents, and commercial and business home economists. The meeting will be in connection with the Texas State Teachers Association.

Dr. Florence I. Scouler, vice-president-elect, arranged the program. The nominating committee is composed of Dr. Willa Vaughn Tinsley, Ruth Cooper, Mrs. Oneita Wilson Pierce, Mrs. Beulah Smith and Gayle Roberts.

Drive Starts To Raise Funds For Foundation

GONZALES—Texans from the Rio Grande to the Panhandle this week girded for a statewide drive to strike back against polio which thus far in 1948 has stricken more than 1600 persons in more than 150 counties.

Gov. Beauford H. Jester proclaimed the period from Thanksgiving Day to Christmas at Gonzales Warm

Springs Foundation Month, as a state-wide organization, headed by Dana X. Bible, swung into action to secure financial support for the institution which cares for young children stricken by polio and other crippling diseases.

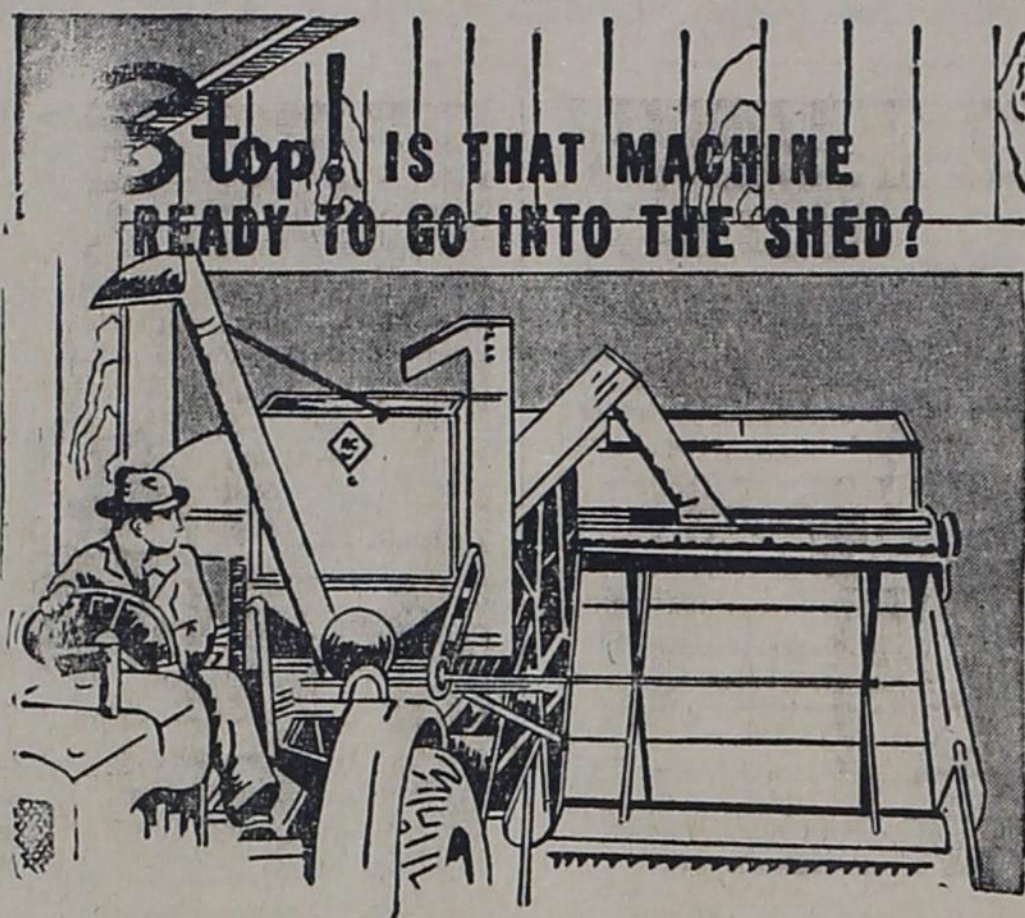

Chairmen in key counties throughout Texas are assisting Bible in bringing the story of the Gonzales Foundation to the people of the state, says Ross Boothe, president of the foundation.

Equipped to care for 110 crippled children, the Gonzales Warm Springs Foundation uses the water from warm natural springs and modern

medical facilities and trained technicians to assist those who have been crippled to regain their health. It is supported largely by the contributions of Texas citizens, he says, and any child suffering from a crippling disease may obtain admission and treatment.

A number of statewide organizations are cooperating in the statewide campaign for financial support, Boothe reported.

More than 500 persons have received treatment at Gonzales Warm Springs Foundation since the institution started receiving patients in 1941.

"I've got to have a little work done on that machine before next spring."

You've probably said that more than once. Thousands of farmers have. But after the machine is in the shed for winter, it is often neglected until it's time to take it back into the field.

Here's a suggestion that will save you time and money. As soon as you finish this year with your All-Crop harvester,

implements and tools, check them over. If any repairs or adjustments need to be made, bring them to us.

Our shop is well equipped to handle all kinds of repair work, from a simple welding job to complete overhauling. Our mechanics have the knack of doing first rate work at the lowest possible cost to you.

Let's get your equipment in shape while there's time to do a good job.

Homecoming Date Set For NTSC Exes

DENTON—Free food, music, entertainment and dancing will await former students of North Texas State College November 19-20, when exes return to Denton for homecoming and the traditional "grudge" game with the East Texas State College Lions.

In fact, everything but game tickets will be free to ex-students, who will start registering at noon Nov. 19. A program planned by a homecoming committee headed by Sid Hamilton includes dances Friday and Saturday nights, a parade through downtown Denton, Saturday morning, a barbecue following the ball game, a free stage show, and numerous smaller functions planned by campus organizations.

A football queen, to be elected by the Eagle gridsters, will lead the parade and will be presented at half-time.

"Hour of Magic" Will Be Presented, Dec. 3

Miracles from one of the nation's top electrical laboratories will be on display here December 3, when the Southwestern Public Service Company presents the General Electric "Hour of Magic" show at the Farwell school auditorium at 7:30 p. m.

Designed to acquaint the layman with what's going on behind scenes in electrical and electronic research, the 60-minute show will be presented under the supervision of Dan J. Castles and H. E. Laird, both of the Plainview office of Southwestern Public Service.

Produced by General Electric for the past several years, the production features exhibits of the progress made in lighting, such as stroboscopic lighting, war-time accomplishment such as a 1,000-watt bulb the size of a match stick, new uses for fluorescent lighting; and by-products of General Electric research such as floating metal, bouncing putty, and material on which writing can be done with certain forms of light.

Here's what 80,000 4-H clubs over the nation did this past year: they raised 80,000 acres of garden crops, 8 million chickens, canned 19 million quarts of food, and made 2 million garments. That's a year's work well done.

These gears are turned by electronic impulse during the General Electric "House of Magic" show which Southwestern Public Service Company will present here soon. Two of the Public Service employees who help present the exhibit are shown. They are Miss Mary Howard, and H. E. Laird, both of the Plainview office of the Public Service Company.

Community Fails To Understand Legion, Thompson Charges

Ever since the local Legion Hut has been open to the community for various activities, the local Legion Post has met with disheartening hostility and lack of cooperation.

After some investigation and consideration the Legionnaires have come to the conclusion that there is a serious misunderstanding within the community as to what the American Legion stands for, and what the local post is doing.

The American Legion is primarily a SERVICE organization; giving service not only to veterans but to the community as a whole.

Contrary to the general feeling in this area, the Legion is NOT working against the churches and other local community organizations. We are trying to work in cooperation with them.

Our meetings and activities are open for the community good, and everyone who cares to is invited to drop in at any time to see and hear first-hand what is going on.

Since human nature seems to relish scandal and overlook good the American Legion has suffered from adverse publicity caused by the actions of only a few. Very little has been published as to the large funds and organized groups of disaster workers that are provided by the Legion to give help to all who need it in times of distress in floods, tornadoes, hurricanes, fires, etc. Millions of dollars from National Legion funds are provided for Boy Scouts, Girl Scouts, Campfire Girls, Big Brothers, Girls Friendly, Youth for Christ, and other such worthy organizations. The cancer, tuberculosis, heart and polio campaigns are backed and aided through yearly Legion budgets, as well as regular aid to disabled veterans, widows, and orphans.

The political action committees and lobbies of the American Legion have pressed Congress and State Legislature for anti-communism laws, improved child labor and welfare laws, better national defense programs, better public health and education laws, laws for better educational facilities for rural areas and federal aid to all schools, along with programs for veterans aid.

The local Legion Post and Auxiliary support all these through their contributions to state and national budgets. Locally, we try to help the needy and to support anything for the good of the whole community.

We are organizing teen-age parties, not to lead youngsters astray, but to provide them with a place for wholesome entertainment. We are providing music for those who wish to dance, for we feel that if youngsters want to dance they will go to places outside to do so; into atmospheres most parents do not approve. For those who don't care to or are not allowed to dance, we are providing games and other activities. We want to give the teen-agers a place of their own, with supervised entertainment of their choosing. Legionnaires and their wives who are interested in young people and activities for them will chaperone these parties. We are anxious for suggestions and CONSTRUCTIVE criticism. Parents who care to are invited to drop in on these parties to see what is going on.

We hope this explanation of our aims and standards will provide the public with a better and true understanding of our organizations, and that our activities will be met with a more friendly spirit and support from our community in the future.

Junior Play Presented Friday Night, Farwell

Taking the stage before a packed auditorium, members of the Farwell junior class presented a three-act comedy, Friday night, at the local school.

Hettye Nan Randol, who had the title part of "Ju-Ju, The Carnival Queen", proved the most entertaining character, with her "stuffed" figure causing howls of delight every time she made an appearance.

All members of the cast were well chosen, and the plot, concerning the escapades of Bruce Clyde (Leon London), and his fiancée, Brenda Day (June Christian), to scare up a scoop for the Gazette, of which Clyde was editor, resulted in much merriment.

Taking parts were Gloria Kepley, as Martha Craig, owner of the hotel; Joan Allison as Eugenia Sherwood, dramatic coach; Wanda Sheets as Julia Boyd, owner of the Gazette; Cary Joe Magness as eccentric Prof. Cornelius Kent; Bob Dollar as Allen, his nephew; Pauline Sheets as Mary Fremond, niece of the professor; Ray Magness as Robert Fremond, Mary's husband; Valerie Dial as Mildred Wade, in love with Allen; and Billie Christian and Bobby Poteet as the colored maid and porter, Daisy Mae Comfort and Lucius Long.

Officials report that the class cleared \$120 on the production.

Texico Boys Put Six Barrows In Feed Pen

The Texico chapter of the Future Farmers of America has put on feed six Hampshire barrows, which will be fattened out for show next spring. Director F. D. Stout announces.

Stout took an opportunity to publicly express gratitude of the chapter to M. C. Roberts and Raymond Mears for donations of supplement to aid in fattening the animals.

An invitation is extended to anyone interested to visit the feed lots and see the rations being used at any time, he said. The pens are located on the southeast corner of the school grounds.

SHOWS IMPROVEMENT

Mrs. J. H. Ford, who was taken to a Clovis hospital for treatment several days ago, is reported to be showing some improvement this week, we are glad to report.

UNDERGOES SURGERY

Mrs. Leroy Faville entered the Clovis Memorial Hospital Monday afternoon and submitted to a major operation Tuesday morning. She is reported to be doing satisfactorily.

Cary Cassidy left Saturday for Quitman, Ark., for an extended visit in the home of his daughter and son-in-law, Mr. and Mrs. Doyle Cummings.

Teachers Plan Holiday Visits With Families

Members of the Farwell school faculty reported the first of the week that they were looking forward to the Thanksgiving holiday weekend, with a number of the school corps expecting to be out-of-town with relatives and friends, while others are making arrangements to entertain visitors.

Mrs. Earl Booth has a double schedule, entertaining daughter Joan from Texas Tech, and seeing young son Mike through minor surgery.

Coach Louis Purvis and Mrs. Mary Payton reported that they planned to be in Farwell during the breather but Mr. and Mrs. Harry Whitley and Mr. and Mrs. Jack Caves will go to Pilot's Point, Texas, to visit.

Mr. and Mrs. Shelby Jobs are leaving for Sylvester to visit relatives, while Mrs. C. E. Sanders and her husband, a Texico teacher, will spend the holidays with her parents, near Portales.

Robert Morton and R. D. Hensley are planning a deer hunt in the area near Lampassas, and Mrs. Hensley will visit her parents, Mr. and Mrs. George Conner, at Lampassas. Mrs. John Lovelace will be in the home of her parents, Mr. and Mrs. R. G. Nabors, at Abernathy.

Miss Wilma Snider says she will spend the weekend at home, as will Mrs. Lenton Pool and Supt. Jack Williams, but Miss Ruth Bonds will join the holiday travelers for a visit in Plainview.

Most of the Texico teachers announced plans to spend the holidays at home, with several expecting visitors during the weekend.

Supt. and Mrs. B. A. Rogers, C. L. Sharpe, Mrs. R. Neale, F. D. Stout and Mrs. Leroy Faville will all be at home in Texico, while Mrs. Jimmie Allman is preparing for company in her Clovis home and Mrs. Frank Seale also will have visitors.

C. E. Sanders hopes to get in a bit of quail hunting, while Mrs. Gladys Prescott will go to Brownwood to visit relatives.

Mrs. Humble Hostess To WSCS Meet, Monday

Mrs. Ralph Humble was hostess, Monday afternoon, to the regular meeting of the Methodist WSCS.

A program on Korea was given, with Mrs. Jim Moss in charge. Assisting Mrs. Moss were Mrs. Harvey E. Carrell, Mrs. B. N. Graham, Mrs. Roy B. Ezell, Mrs. Anne Overstreet, and Mrs. W. H. Graham.

During the social hour, Mrs. Moss was honored, the occasion being her birthday. Mrs. Lee McDaniel, daughter of Mrs. Humble who is here from Lubbock, presided at the lovely serving table, with a lighted birthday cake as the centerpiece. Cake and punch were served.

Attendants included Mesdames Jim Moss, Harvey Carrell, Roy B. Ezell, Anne Overstreet, B. N. Graham, W. H. Graham, G. W. Atchey, Albert Thomas, M. F. Parton, Grace Sanders and Lee McDaniel.

Post Sponsors Dance At Hall, Nov. 26th

Sponsored by the local American Legion, a post-Thanksgiving dance will be held in the Legion Hall in Farwell on Friday night of this week, November 26th, officials announced today.

The Texas Joy Boys are slated to supply music for the dance, which will begin at 8:30 and conclude at 12:30.

Funds from the project will be used to help pay for the heating unit recently installed in the new Hall, and sponsors are urging a liberal attendance.

Mrs. Ralph Cox Hostess To Ruth S. S. Class

The Ruth Sunday School class met in the home of Mrs. Ralph Cox in Texico, Monday night, in the regular monthly assembly, with the class president, Mrs. Frank Seale, in charge.

The meeting was opened by a group song directed by Mrs. Roy Cook, followed by the devotional by Mrs. D. J. Brown. Mrs. Clyde Magness gave a reading entitled "This Is the Road To Happiness", after which the minutes were read and discussed.

Mrs. Seale then gave a report of the fall supplies for the class' adopted orphan girl, and Christmas gifts for the child were discussed.

A letter, received from Miss Lois Jaxie Short, a missionary in China, was read by the president, telling of the work being done in China by the missionaries, which was enjoyed by all.

Names were exchanged for Christmas, and it was voted to hold the next meeting on December 13. The meeting was closed with a prayer by Mrs. R. L. Day.

Pumpkin pie, topped with whipped cream, was served with coffee by Group No. 2. Present were Mesdames Elsie Hardage, Charlie McDaniel, Roy E. Cook, Estellene Billington, Dickie Magness, C. A. Cassidy, R. L. Day, Mae Magness, Velna Seale, D. J. Brown, Mae Porter, and the hostess.

Steers Are Honored At Steak Dinner, Friday

On Friday evening, November 19, Mr. and Mrs. Jim Hughes honored the Farwell football boys and their coach, Louis Purvis, with a steak dinner in the Legion Hall. This dinner has become an annual affair, and the boys look forward to the occasion as the close of the football season.

The tables were arranged in the shape of an "F", and were very attractive with blue candles, autumn leaves, acorns and persimmons as decorations.

Those present were Coach Louis Purvis, Superintendent Jack Williams, Assistant Coach Jack Caves, Managers Hollis Hughes and Billy Don Crume, and the Steer roster: Warlick Thomas, Leon London, Bobby Dollar, Pete Hughes, Calvin Meissner, Jerry Pool, Gerald Norton, Melborn Jones, R. A. Cassidy, John Christian, Jesse Coburn, Toby Booth, Troy McKillip, Cary Magness, Bobby Foteet, Herman Gerles, Don Ford, Bob Gerles, Donald Joe Pipkin, Jackie Doshier, Gerald Doshier, A. C. Hennehan, Rex Pool, Beryle Nix, Melvin Terry and Jackie Holland.

Large Crowd Attends Bazaar, Saturday

With a generous crowd on hand throughout the hours of the bazaar, officials of the WSCS of the Methodist Church reported today that the local society cleared more than \$150 at the annual pre-Christmas bazaar, held in the parlors of the church on Saturday.

Lunch was served at the noon hour by the Wesleyan Guild of the church, featuring pie, coffee and chili, and that organization also reported good patronage during the lunch hour.

Visit In Jesko Home

Mr. and Mrs. L. L. Jones, of Garden City, Kansas, visited briefly on Tuesday morning in the home of Mr. and Mrs. Harry Jesko, in Farwell. The Jones, who formerly lived in Hereford, were en route to their home after a trip into California and Arizona.

Thanksgiving Dinner Is Enjoyed On Thursday

Approximately 150 persons were on hand at the Farwell school, the past Thursday evening, when the yearly Thanksgiving dinner was staged by the Parent Teacher Association.

The dinner was served in the cafeteria of the school, with C. M. Henderson acting as master of ceremonies. Following the meal, a general sing was enjoyed, with Mrs. W. H. Graham leading and Mrs. McManigal at the piano.

Supt. Jack Williams arranged a special picture show for the youngsters who accompanied their parents to the evening's festivities.

Mrs. John Lovelace and the Farwell homemaking girls had charge of decorating the tables on which the banquet was served, with the Thanksgiving motif being used. Potatoes "turkey", complete even to the feathers, combined with pumpkin "Pilgrims" and sheafs of grain, were arranged on the tables in an unusually clever decorative idea.

Special guests at the dinner were ministers of the local churches and their wives, Rev. and Mrs. Harvey L. Carrell of the Methodist Church, Rev. and Mrs. O. O. Holladay of the Baptist Church, and Minister and Mrs. Sol Morgan of the Church of Christ; also Minister and Mrs. L. C. Cox of the Clovis Church of Christ, former pastor; and Rev. and Mrs. J. J. Terry, of the Oklahoma Lane Baptist Church.

Students Expected To Come For Holidays

Local students at institutions of higher learning began arriving the first of the week to spend the seasonal holidays in the homes of their respective parents.

Expected to be around during the week are Peggy and Jean Rogers, Charles Felts, Mr. and Mrs. Calvin Blain, Beryl Brown, Mary Harding, Scotty Levins, Jr., and W. H. Graham, Jr., all of ENMC, while Mary and Phyllis Mendoza, who are enrolled in New Mexico School of Commerce, in Albuquerque, are also expected home.

Jo Ann Williams, Joan Booth, Glenn Phillips and Kenneth Jacks will be in from Texas Tech, while WT students Maxine Ford and Mr. and Mrs. Jess Herbert Pipkin will also greet relatives and friends.

Visiting Parents

Archie Hamm and Charles McDonald, of San Bernadino, Calif., arrived last week for a visit in the home of their parents, Mrs. Felix Monroe in Farwell, and Mr. and Mrs. Benny McDonald, in Clovis. The boys plan to spend another week here before going to Florida.

Legion Meeting Held Monday Evening

The regular meeting of the Justice-Williams Post was held at the Legion Hall on Monday night, with special business concerning plans for the teen-age parties, held weekly on Saturday in the Hall.

Legionnaires announced that all types of entertainment would be arranged for the teen-agers party, and urged that local youngsters take advantage of the social.

Officials also reported that Oliver Sikes has offered to have bannisters on the Legion porch painted and polished, and extended their thanks to him.

Will Show Film At Friendship Supper

In addition to the regular study period, held each Wednesday evening at the Methodist Church, a film entitled "Americans All" will be shown as a feature of the study on the subject of "The Bible and Human Rights".

All are invited to come and enjoy the fellowship supper and the study period.

To Morton For Holiday

Mr. and Mrs. B. N. Graham plan to spend Thanksgiving Day with their daughter, Mrs. Raymond Ross, and family, in Morton. Mr. and Mrs. William Thornton and daughter, of Bovina, and Mr. and Mrs. John Graham and family, of Lubbock, will also be present. Muggins Graham, another member of the family, who is attending McMurry college in Abilene, will spend the holidays at College Station, attending a state-wide meeting of Methodist youth.

Mrs. Hunter Visits

Mrs. S. C. Hunter, former local resident who now makes her home in Dallas, arrived here last week to spend several days visiting in the home of Mr. and Mrs. W. J. Matthews. She was accompanied here by her son, Vernon Hunter, and his son, Kim, who went on to Santa Fe to transact business.

Leave For Dallas

Mr. and Mrs. Hamlin Overstreet left Tuesday to spend the Thanksgiving weekend visiting her parents, Mr. and Mrs. H. D. Nifong, in Mansfield, and their daughter, Jane Claire, who is attending Holladay School for Girls, in Dallas.

Here For Weekend

Mr. and Mrs. John Graham and family, of Lubbock, and Muggins Graham, a student at McMurry, in Abilene, visited over the weekend with their parents, Mr. and Mrs. B. N. Graham, in Farwell.

To Announcement Tea

Mr. and Mrs. John Porter attended an announcement tea in Lubbock on Monday, revealing the engagement and approaching marriage of Miss Glenna Walden, senior student at Texas Tech, to Joe Askersid, also of Lubbock. The wedding date has been set for Saturday, December 18. Miss Walden is well known locally, being a niece of Mr. Porter.

X-RAYS REVEAL GOOD NEWS

The recent X-ray tests which the high school students had made at the Farmer County Hospital through the cooperation of the Texas State Health Department have all been reported to Dr. Stokes. This information reveals that there is not a sus-

pect in the school. All pictures were negative on the TB tests.

During the first nine months of this year, a telephone was installed every 37½ seconds of each working day in the western states we serve.

Since V-J day we have added 323,009 telephones, by far the largest gain in any comparable period in our history. To gain that many telephones we actually installed 926,733.

There are still unfilled orders, pending the installation of more equipment in our buildings and the extension of wire and cable facilities. Completing these orders is our number one job.

**Last Second Touchdown
Wins Game For Steers**

Two Farwell footballers who were finishing up their high school careers wrote a page for their memory books, Friday afternoon, when a do-or-die pass from Quarterback Warlick Thomas went into the hands of Fullback Toby Booth as the final seconds clicked out in a hard-fought game with the Clovis "B" squad, and Booth fell in the end zone to end the game, 19-18.

Played under a brilliant sun, the last game of the season proved the best played at home this year, with neither team able to retain a balance of power for more than a few minutes.

Slapped back on their heels by a quick off-tackle play pulled on the second offensive play of the game for the visitors, which saw Porter break loose and run wild from his own 43 into paydirt, the Steers never quit fighting, and only a few minutes later had forged ahead by scoring Booth and sending a pass from Thomas to Ford for the extra point.

Porter was by far the fastest man of the Clovis squad, and was notable in ball carrying, while his smaller teammates, Crooks, was no slouch when it came to going places with the pigskin.

At the end of the first period Farwell had a 7-6 lead, but by half-time Clovis had scored again, sending a pass from Denton to Porter, but failing to rack up that all-important extra point, which proved the deciding factor in the game.

As the third quarter ticked away Thomas circled left end and put the

locals out ahead again, 13-12, with the count remaining at that point until the second play of the final period when Howards and Carter converged upon Thomas, who was attempting to pass for the locals and knocked the ball out of the Steer quarterback's hands. Howard caught the pigskin in mid-air and was off to the races and Clovis led, 13-18.

Threatening in the middle of the period, the Steers got inside the Clovis 20-yard marker, only to lose ground consistently when the heavier Clovis players blasted protection away from passer Thomas, and the ball went over on downs on the 30.

Clovis was held on a come-back, and with only a couple of minutes to play, the Steers went into possession on their own 12-yard marker. Ford passed to Thomas at midfield, Thomas passed to Booth on the 28, carried the ball himself to the 8, and as the game was dying, managed to get off a pass to Booth, who jumped for it while surrounded by Clovis men, and Thomas was nailed before he reached the double-stripe as he tried for the extra point, and the game ended, 19-18.

The Clovis line repeatedly ripped Farwell's protection to shreds, leaving the ball carriers wide open, but on defense the locals showed more power and after a little stumbling at the opening of the game, managed to hold their own. Pool, Booth and Ford did the heavy part of the defensive work, but Henneman and Thomas showed up well, as did Christian.

First Quarter

The opening kickoff went to Clovis with Howard carrying back to midfield, where he was nailed by Pool. Porter plunged on down to the Steer 30, but the play was nullified and Clovis penalized back to their own 43. Porter then broke into the clear for the first counter, with Pool making a last-minute plunge at him which failed to connect. Henneman nailed Crooks as the latter tried for an extra point. Score, Clovis 6, Farwell 0.

Ford took the Clovis kick, returning to the 40, but an infraction of the rules set the Steers back to their own 15. Thomas passed to Ford, who went to the Clovis 30, Pool fumbled but recovered for three yards, Thomas went to the 15, Pool got nothing, Thomas hit the line to the 9 with Pool opening the way, and Booth took off around left end for a counter. A fake kick, with Thomas passing to Ford in the end zone, put the locals ahead, 7-6.

Booth kicked to Porter, who was downed on the 21. Crooks made two, and Porter added six, then took it again to the Farwell 39. Love was stopped cold, Crooks made five, and Clovis fumbled, with Hughes recovering for the Steers at midfield. A line try got nothing and Ford was dumped for five. Thomas, badly harassed, attempted to pass, with Porter intercepting on the Farwell 40. Booth hit Porter for no gain. Love made four yards and Porter was dumped for no gain as the quarter ended.

Clovis Scores In Second

Porter carried in to the Farwell 28, with Crooks making it down to the 10 and then adding three. Porter pushed to the five, Crooks was nailed for nothing, but a pass, Denton to Porter, connected and Clovis scored again. Love was downed before he reached the end zone, and the visitors led, 12-7.

Clovis kicked with the ball being slapped down by Henneman and recovered by Clovis on their own 40. Pool knocked down an attempted pass, Crooks got two yards, Porter added seven, and then got a first on the Steers 40. Porter made no gain, Love was dumped for five by Ford, Pool and Booth slapped down a pass and Clovis kicked, the ball dying on the Steer 12. Pool broke out to the 21 and Booth passed to Ford on the Clovis 48. Thomas made eight, Booth went on to the 30, Thomas added a yard but lost five as the line leaked when he attempted to pass, Thomas made three and then shot a pass to Ford on the 28, but the yardage was insufficient and Clovis took over. Belamer made nothing as the half ended.

Steers Go Ahead

Farwell received, starting play on their 29. Booth made a yard, but Pool was dumped for three. Booth went to the 39 with Pool giving him a good hand, then added another five. Pool pushed down to the Clovis 45, Ford got to the 40, then went for three more, and Thomas came out to the 32. Pool was stopped for nothing, Booth made two, Ford gained three, and Thomas circled left end for the second Steer score, with Booth's kick being blocked by Chesney. Score, Farwell 13, Clovis 12.

Crooks took the kickoff and came back upfield to his own 46, where he met Pool. Crooks then carried to the Steer 43, while Porter went down to the 28 and Love pushed on to the 20, but Clovis was offside and were put back on the 35. Ford dumped Crooks for to, and Christian broke through to spill Porter for eight. Denton heaved one to Porter on the 36 and Porter was hit by Booth and Dollar, with the Steers taking over on their own 35. Booth made two, but Farwell drew a five-yard fine. Thomas passed the 50, and Booth got to the Clovis 47 as the period ended.

Both Teams Count

Thomas, attempting to pass, was smacked by Howard and Carter and the ball bounced into the air, with Howard recovering before it touched

**Book Review Slated
For Monday Night**

The Justice-Williams Auxiliary Unit No. 516 will sponsor a book review, Monday night, November 29, at 8:30 in the American Legion Hall in Farwell.

The book "We Walk Alone", is a true story of the life of a Spanish-American veteran, who contracted Hansen's disease (leprosy), while in the tropics. The purpose of the book is to educate the people to the fact that Hansen's disease, as it is now known, is not a social disease, as heretofore believed. People who are stricken are not outcasts, as the public has made them feel.

Officials of the local organization said that the book was written for The American Legion and Auxiliary and these are the only organizations who have access to read and review it.

The public is urged to attend. Admission is one cent for each inch of the individual's waist measure. A portion of the proceeds will go to the Leonard Wood Memorial, which is a research laboratory for the disease.

the ground, and running for the third Clovis counter. Denton got off an incomplete pass for the extra, and Clovis led, 13-18.

Booth took the kick, coming to the Farwell 42. Pool made eight and Booth added yardage to the Clovis 43. Thomas made it down to the 35, Booth went on to the 20 and Pool got a yard. Thomas, badly rushed, lost 10 yards, and then was dropped for another minus 10. Pool came back for 10, but the ball went over on the 30. Hughes broke through and grounded Love for a three-yard loss and Porter made only a yard on his first try, going on the second attempt to the 39. Farwell drew an offside penalty which netted Clovis five yards, and Denton tried a pass to Howard, which Pool batted away. Porter made a yard, then added five, and Crooks got to the Farwell 38. Booth got into the backfield to cost Denton five yards, and Crooks got nowhere, with Clovis getting a five-yard penalty. Crooks tried it again for nothing, making contact with Terry, and Clovis kicked, Thomas being downed on his own 12.

Ford passed to Thomas on the 45, and Clovis got a five-yard penalty for too many times out. Thomas threw an incomplete pass, then passed to Booth, who was downed on the Clovis 28. The Steers called time to stop the clock. As the ball went into play again, Thomas lost five on an end-around, and time was called again. Thomas then broke loose down to the eight, and with only seconds left to play, evaded four or five Clovis tacklers and got off a short pass to Booth, who grabbed it out of the reaching hands of the Clovis men and dropped to the ground in the end zone. Thomas hit the line but failed to get over for the extra, but time ran out and the game was over.

**Texico Takes Two As
Cage Season Starts**

The Texico cagers took two preliminary skirmishes with the Field aggregations, the past Saturday evening at Field, as a prelude to the opening of the 1948-49 basketball season. Conference play is slated to get underway at Texico on December 3rd.

With McDaniel scoring twelve and Sanders hooping nine, the Texico girls ran up a strong 30-18 margin over the Fielders. The locals held a commanding lead throughout the game.

Score for the boys' game found Texico swamping their opposition, 43 to 12, with Bridges pacing the local squad with 12. Pearce was close behind with 11 points, while Tucker racked up 10. Smith was high for the losers.
