Texico Journalists New Members Of International Society

Texico journalism class has been accepted as a member of "Quill and Scroll", international honorary society for high school journalists, Mrs. N. W. Peyton, instructor, said Monday.

The class, as a group, has been working all year to obtain this honor. They sent a copy of the Wolverine's Tale, the school paper which appears semi-monthly in The Tribune, in to the national headquarters and received their charter on Tuesday.

Discussing why the class decided to apply for the charter, Mrs. Peyton said she thought the students were doing a creditable job, so she realized they should be associated with an honorary Journalism Society.

The charter was actually granted by the "Quill and Scroll Foundation" of Chicago, but the organization was founded at Iowa University in 1926.

"Such schools as Lubbock, which has one of the best journalism departments in the nation, are recognized members of this association," Jeanne Dudley, Tribune reporter said.

Members of the journalism class are really the ones who made mem-

bership in the organization possible, Mrs. Peyton stated. Class members include: Bobbie Dawn Allred, Violet Curry, D. J. Brown, Frank Hapke, Carmen Roth, Wayne Tucker, Betty Jane Winegeart and Janette Woods. The charter will be framed and displayed in the auditorium, concluded Mrs. Peyton.

Staff Continues Work On School Annual

Staff members have practically completed the layouts for the 1950-51 annual for Farwell schools, W. M. Roberts said.

One-hundred-fifty books have already been sold and Shugart's Studio of Levelland will be at the school on October 24 to take the students pictures.

The staff has planned 72 pages for this year, though the size might increase slightly after all the material is included, Roberts stated. Cover designs have not been selected.

The Taylor Company of Dallas has been engaged to print the annuals.

First School Paper Issued Friday

First issue of the "Maverick", Farwell school paper, was issued Friday to students. This is the first time the

school has had a paper in five years. Sponsored by the senior class under the direction of Mrs. Otis Prescott, publication will be semi-monthly. Subscription rate is 50c. The paper is a four-page mimeograph style, with an office news section, space for class activities and a Chit Chat column.

The staff includes John Christian, editor; Jenean Lunsford, assistant editor; Bill Crume and Bettie Foster, sports reporters; Chit Chat column, Nelma Branscum; Harold Doshier, business manager; Wynema Cockran and Robert Armstrong, circulating managers.

Seniors Turn Attention To Coming Class Play

Principal F. D. Stout, of Texico, today announced that December 1 has been reserved for presentation of the annual senior class play.

A number of comedies are being read and will be voted upon by the members of the class for a definite selection.

Rogers Opens Drive For Congress Seat

CLARENDON—Walter Rogers of Pampa, Democratic nominee for congress, starts a weekly series of radio speeches on Friday at 7 p. m. over station KGNC, according to Judge Ralph Porter of Clarendon, district campaign manager.

Judge Porter said Democrats in every county in the district are busy making plans for a large vote in the November election in order to send Rogers to Washington by a big margin. A heavy vote will help the Panhandle's position in the party because representation at the state convention is based on the number of votes cast in the general election.

"Rogers has demonstrated his ability and qualification for the job in congress at recent meetings with farmers and a representative of the Labor Department.

"He has offered a legal and logical solution for the problem facing cot-

ton farmers presented in the child labor law, which according to the Labor Department, does not permit children to work in the cotton patch during school hours.

"Rogers presented a solution that permits the farmer to get his crop gathered without any violation of the law.

"The popular thing would have been to hurl criticism at the law, but that doesn't get results. Rogers believes in getting things done.

"We need a working congressman and not a critic to represent us in Washington," Porter said.

VITAMIN A FROM CAROTENE
 Farm animals get most of their vitamin A requirements from carotene which is found in green range or pasture grasses and hay or other forage. The carotene is changed to vitamin A within the body of the animal. Both carotene and vitamin are stored in the liver of the animal.

Yearling Team Defeats Friona 13-6

The Farwell Yearlings, in a hard-

fought battle defeated the stubborn Friona Juniors Thursday night, 13-6. Gene Hardage, fullback, scored the first touchdown for the hometown eleven when he plunged off guard in the second quarter. Cassidy's try for the extra point was blocked.

In the third quarter, Cassidy circled right end for a touchdown, then passed to Christian for the extra point.

The Yearlings held the Friona team to a 0 count until the last quarter when the visitors intercepted a pass and ran 25 yards for a touchdown in a spectacular play.

In the backfield for the locals, Hardage, Cassidy, Pool, Gerles, Christian and Barber showed up well and Norton and Doshier were outstanding linemen.

In the third quarter, Poteet, left end, almost scored a hideout play when he caught a pass and pulled down from behind on the 15 yard line. Passers Cassidy, Hardage, and Gerles showed up well throughout the entire game.

The Farwell second team defeated the Friona second string 6-0 in a 20 minute scrimmage. Farwell will play a return game at Muleshoe Thursday night, Oct. 12.

Junior High Girls Take Ranchvale

Texico's junior high softball girls eked out a close win over Ranchvale, 10-9, in a contest played at Texico last Friday afternoon. The game was tied in the top half of the seventh, but Phyllis Tucker crossed the plate with the winning run for the locals in their last turn at bat.

Sue Doolittle knocked the only home run racked up by Texico.

Local players are: catcher, Dora Vigil; pitcher, Charlene Allen; first base, Shirley Stover; second, Sue Doolittle; third, Roxie Henson; short-stop, Aloma Palmateer; left field, Charlene Wilmeth; center field, Katherine Bell; right field, Anita Tharp; short center, Phyllis Tucker.

Softball Tourney Slated At Clovis

October 20th and 21st are the dates set for the senior high softball tournament, announced Fern Stout, principal of the Texico school, today.

The tourney will be held at Hillcrest park in Clovis. Games will begin at 1 o'clock p. m. Friday afternoon and be continued Saturday at 9 a. m.

Brackets for the meet will be announced later when they are drawn.

Field Close Winner In Softball Match

Field defeated the Texico junior boys in the tight 12-11 match played at Field last Thursday night. The locals collected 10 hits off the Field pitcher, Teel.

Claude MacDonald, on the mound for Texico, was touched for 14 safeties and gave up 9 free passes.

The only home run of the game came in the top of the fifth with the bases empty and was blasted by Barnes, of Field.

John Armour, local coach, said, "I was very pleased with the showing the boys made."

Playing for Texico were Clyde and Claude MacDonal, Paul Crooks, Marvin Pendergrass, Alan Kelly, Kenneth Doolittle, Emery Baker, Jimmy Henson, Jimmy Moss, Jimmie D. Moss, Kenneth Reid, Alan Lockhart, Kenneth Allred and Bobby Goldsmith.

Whirlwinds Victors Over Field, 15-7

The Texico Whirlwinds chalked up another victory, Thursday night, by whipping the Field girls under the lights on the home diamond of their opponents.

The game started as a pitchers duel, but in the latter innings, the girls began timberizing the ball. Marsha Peterson was on the mound for the Whirlwinds; Jessie Swinford twirled for the Fielders.

Texico picked up one run in the first, one in the second, five in the third and four in each of the fifth and sixth innings to run their total to 15. Esther McDaniel hit the only homer in the game for the winners.

Field was held scoreless until the third, when they got two counters. They staged a comeback in the sixth, racking up 5, and making their total of 7. No home runs were counted.

Ranchvale Victim Of Texico Run-Over

Ranchvale was the victim of a run-away by the Texico junior high boys, Friday afternoon, on the Texico diamond, as the locals won, 27-2.

Claude MacDonald was on the mound for the first three innings, being relieved by J. B. Taylor. Woods did the twirling for Ranchvale.

There were five homers by the locals. Clyde MacDonald got two, his twin, Claude, hit one, as did J. B. Taylor and Kenneth Doolittle.

Playing for Texico were Claude and Clyde MacDonald, Paul Crooks, Marvin Pendergrass, Kenneth Doolittle, Corkey Baker, Jimmy Henson, Jimmy Moss, Kenneth Reed, Kenneth Allred, J. B. Taylor, Jimmy Moss, Allen Kelly, Bobby Goldsmith, Allen Lockhart, Roy Snodgrass, Gilly Sparks and Walter Curd.

Hayloft Jamboree To Play In Bovina

Arrangements have been made by the American Legion for the presentation of a home talent stage show, "Uncle Ezry's Hayloft Jamboree", on October 19 and 20, at 8:13 o'clock in the high school auditorium.

The Hayloft Jamboree is patterned after barn dance type programs, and uses local amateur talent who impersonate radio celebrities as they compete for ribbons and cash awards. Winners will be selected by the vote of the audience.

This amateur contest is open to everyone in Bovina and the surrounding communities. There is no age limit, those competing do not have to belong to the sponsoring organization and all types of entertainers are wanted. "If you are a singer, yodeler, tap, square or jag dancer, there is a place for you in this big show. If you play any musical instrument, fiddle, guitar, banjo, mandolin, accordion, harmonica, or if you do animal or bird imitations, or if you know anyone who does these things or any other type of specialty act, then contact Bass Elliott, at Bovina, or phone 2771, Bovina, for further details," Patsy L. Moore, director of the show, says.

Mrs. Moore will hold tryouts for talent on Monday and Tuesday, Oct. 16 and 17, at the American Legion

Hall. Those selected to take part will receive special training in radio and microphone technique. She will also select and train the speaking characters for the show. These include impersonations of Joe Kelly, master of ceremonies, for the barn dance, and Quiz Master of the Quiz Kids; Lulu Belle, the girl comedian and sweetheart of the barn dance; Hiram Hicks, a comedy character and Uncle Ezry, the funny old man who gives the jamboree in his hayloft. Also, four boys and girls from fifth and sixth grades will be chosen to impersonate the Quiz Kids.

"The setting for the show will be colorful and unique," Mrs. Moore adds. The stage will be transformed into a typical hayloft by the use of baled straw and hay. Horse collars, pitchforks, lanterns, and other barn paraphernalia will be used to give the show rustic atmosphere. While Hayloft Jamboree is similar to the barn dance shows heard on the radio, it is not intended to be an impersonation of any one specific show. Jamboree is a mixture of such favorite broadcasts as the National Barn Dance, Grand Ole Opry, Ozark Openhouse, and Cross Roads Sociable. It gives local talent an opportunity to appear and imitate their favorite radio entertainer as they show what ability they have and at the same time gives them an opportunity to win cash awards after they have been trained by a professional director.

"Uncle Ezry's Hayloft Jamboree has been played in towns in every state in the nation," according to Mrs. Moore.

Individuals not planning to take part are invited to mark down the dates, October 19-20 and plan to attend. A different program will be given each night.

Prizes are: 1st, \$10; 2nd, \$7.50 and 3rd, \$5. Admission will be 75c for adults and 30c for children.

A Hayloft Jamboree was staged locally recently by the Volunteer Fire Department of Texico-Farwell, with funds going to buy a resuscitator to be used in emergency polio cases.

Oklahoma Lane Notes

The Oklahoma Lane Variety Club met at the home of Mrs. Jim Pruitt on October 3rd. The evening was spent in piecing quilt blocks for the hostess.

Refreshments of sandwiches, cake and hot chocolate were served on the beautiful lawn under a large shade tree. Those present were Mesdames W. W. West, W. P. Shelley, C. C. Christian, Sam Shelley, Jack Roach, John Gennings, Sam Sides, L. M. Grissom, W. E. Verner, Scotty Barry, H. T. Edwards, Lola Jean Grissom. Visitors were Mrs. O. C.

Petree and her mother.

The next meeting will be at the home of Mrs. Jack Roach, and members are to bring sewing accessories. All members are urged to be present as plans for the Thanksgiving supper will be laid at this time.

Mr. and Mrs. Scottie Barry returned Monday evening from a visit with friends in El Reno, Oklahoma, and Wichita and Benton, Kansas. They reported they liked the brown dirt best in Texas, as it rained Friday night while they were visiting in Kansas and they were not on pavement. Scottie said he was afraid the state of Kansas would sue him for

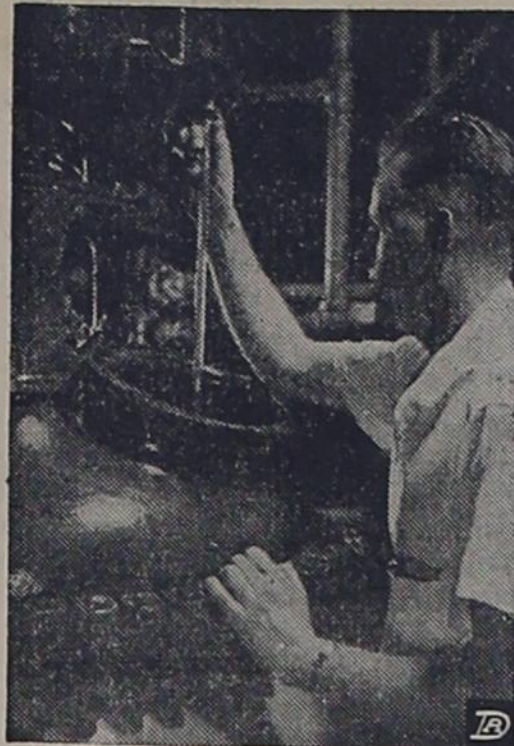

carrying off so much black mud. The feed crops are very good in that area.

Mrs. W. J. Sides was on the sick list this week.

HAIL NEW CURE

A medical research team made up of physicians from the District of Columbia Health Department and the Federal Security Agency have reported a new 1-day cure for gonorrhea. The physicians found that two one-half gram doses of Terramycin taken at 6-hour intervals were sufficient to produce a one hundred per cent cure of the disease.

Terramycin is a new earth-mold drug discovered after screening 100,000 samples of soil from all over the world. The mold which produces Terramycin is recovered from a fermentation process (shown above). Public health and medical authorities believe that with the discovery of the effectiveness of antibiotics against syphilis and gonorrhea it is now medically possible to eradicate venereal disease in the United States within a single year's time.

COX URGES CONTROL OF VENEREAL DISEASE

Venereal infections, notably syphilis and gonorrhea, will probably increase sharply in cities and towns near military centers in the near future, State Health Officer Geo. W. Cox has predicted.

He urged all cities, especially those in which greater numbers of military personnel were expected, to intensify their efforts to control venereal diseases.

Experience during World War Two, the health official said, indicates that unless civilians become as concerned about the venereal disease problem as are military and public health authorities, there will "most certainly" be a great increase in venereal disease infections among men in uniform and in the civilian population as well.

"That doesn't mean all soldiers are destined for VD infection," Dr. Cox

declared. "It means simply that vice conditions, poorly supervised recreational facilities, and an indifferent attitude on the part of the public are inevitable around military posts and all contribute to higher VD rates."

"These young men were only recently civilians," he pointed out. "They worked or went to school in communities no different from yours or mine."

He urged that they be provided with wholesome recreational facilities while "in your town. It will help make their lives in uniform a little less drab and monotonous."

The State Department of Health has been working for years in close

cooperation with the military in controlling VD and other diseases affecting men in uniform.

"It's a very important part of the civil defense program," he said. "Disease can incapacitate a man quite as effectively as a bullet."

Friona Residents Hear Founder Of Girls Town Speak

Approximately 200 residents of Friona and near-by communities heard Miss Amelia Anthony, founder of Girls Town, at Whiteface, Texas, speak the past Tuesday night, when her appearance here was sponsored by the Lions Club and the two Women's Clubs of the city.

Miss Anthony outlined the growth of the idea which led her to the founding of Girls Town, the only one of its kind in the United States. The home was opened this year, and by Christmas Miss Anthony and her co-workers hope to have some 64 girls on hand.

The founder stressed the fact that girls are accepted on the basis of need, with the prime requisite being

that they are "not wanted in their own homes". All of the girls have parents, who may visit them once each three months and are free to write to the girls at any time. At present, Miss Anthony has a total of 800 applications from all over the United States, she said.

One adult worker for each seven girls helps in the training of the girls, who are accepted from infants to age 15, and are welcome at the home until they finish high school and are trained to be self-supporting. The girls receive thorough training in homemaking, doing cooking, cleaning and making their own clothes, and at the conclusion of high school work are offered either college or business training. Those old enough to attend school are enrolled at Whiteface for educational training, and daily non-denominational Bible classes are held at the home.

Miss Anthony stressed the fact that

she does not ask for contributions on her personal appearances, although the home is supported solely in that manner. Individual who wish to contribute to the home may write her personally at Whiteface.

Post-Nuptial Shower Tendered Wednesday

Co-workers of Mrs. Glen Harrelson the former Miss Dorothy Kelly who is a nurse at the Parmer County Community Hospital, honored the recent bride with a surprise post-nuptial shower the past Wednesday afternoon, the social being held in the Women's Club House.

Hostesses for the evening included Mesdames Nettie Collier, Thelma Jones, Lucy Jones, Carol Fallwell and Pat Fallwell.

The serving table was beautifully centered with a bouquet of huge peonies, with Mrs. Thelma Jones and

Mrs. Lucy Jones presiding, and Mrs. Carol Fallwell had charge of the guest book at the door.

During the evening, Mrs. Connie Tidwell obliged with two vocal solos, "I Love You Truly", and "Because", accompanied at the piano by Miss Vera Ann Jones.

Signing the guest register were Mesdames Glen Stevick, H. C. Wells, Giles Cobb, O. C. Jones, Arthur Drake, Weldon Dickson, N. M. Cruse, Sr., Lee Renner, Rudolph Renner, G. W. Parr, Spencer Hough and Patsy, Mickey Mingus, J. L. Shaffer, Dan Luttrell, L. L. Reed, John Benger, Rita Agee, Marilou Rife, Bert Chitwood, Roy Slagle, Hadley Reeve, W. Osborn, W. H. Ford, J. E. Tidwell, Chas. Henderson, Frank Spring, Tina Bainum, J. E. Knight, Rosa Anderson, Roy Clements, Sloan Osborn, Claude Osborn, M. H. Magness, Hazel Lee Guinn, Ozelle Landrum; and regrets were sent by numerous friends unable to be present.

Leave On Tuesday

Mr. and Mrs. Jake Lamb departed on Tuesday morning for a three-week stay at Hot Springs, New Mexico, where Jake will enjoy fishing at Elephant Butte Lake while Mrs. Lamb takes a course of the hot baths.

Parkers Take Long Way Home On Trip

Willis Parker and his brother, Lee, of Friona, along with Mrs. Ada Parker of Farwell and Wiley Parker, finally limped in home in the wee hours of Monday morning, having taken the hard way to get home from Rockwall, Texas.

The early part of last week the foursome made a trip to Rockwall, attending the funeral of Mrs. Parker's brother, J. E. Willis, and later decided to go to Ravie, Oklahoma, to visit relatives. While there, they ruined the motor of the car and called Mrs. Willis Parker, here in Friona, to locate one and send it post-haste.

In the meantime, Lee, tired of waiting, decided to come on in home, only to find on his arrival that Mrs. Willis Parker and Johnny were planning to drive to Oklahoma to deliver the motor they had located. Generously, Lee offered to make the return trip, and did so, starting the trippers on their way home.

As they turned the corner just three blocks from home Sunday night the water pump went out, and the exhausted travelers limped on up the street to their homes, with Mrs. Ada Parker spending the nite in Friona,

as Willis opined, "This is as far as we can go."

Mrs. Ben Hillis Is Shower Honoree

Mrs. Ben Hillis was honored with a pink and blue shower the past Friday afternoon, when Mesdames John Benger, Vernon Smith, Bill Kennedy and H. T. Carr acted as hostesses in the Woman's Club House.

Beautiful and elaborate decorations carrying out the stork theme were arranged about the entertaining room. The honoree was seated at a table covered with lace over yellow, in the center of which was a small stork posing in a nest of angel hair generously sprinkled with tiny doll babies.

By the fireplace stood a large stork, carrying in his bill a small diapered doll, and a corsage which was presented by the hostesses to Mrs. Hillis.

Mrs. Kennedy, of Grady, complete in blackface, appeared as a Negro Mammy, entering with her basket of "washing" which she proceeded to hang on a line revealing dainty infant clothes, and Mrs. J. T. Gee made the presentation of the gifts to Mrs. Hillis.

Some thirty women were present for the affair, and regrets were received from a number unable to attend.

Chiefs Drop Before Dimmitt Bobcats

The Frions Chiefs' tomahawks failed to handle the elusive Dimmitt Bobcats, last Friday night, when the two squads met on the Bobcat gridiron in a conference tangle, and the Cats, undefeated this season, continued on their merry way by trouncing the visitors, 43-0.

Gene Easley, Dimmitt star who will be remembered by many fans of the district, accounted for three pay-dirt trips, as did Glenn Brown. Jack Dyer also racked up a touchdown, and Jowell, big senior tackle, scored one solitary point-after.

Dedication Program Held At McMurry

A dedication program of some \$3,000,000 worth of new buildings began at McMurry College in Abilene on Tuesday and will be concluded today (Wednesday), Rev. J. E. Tidwell, pastor of the Friona Methodist Church, reported on Monday.

McMurry has had a large expansion program underway for some years, and this week will see all obligations on improvements and additions paid off, the minister said.

Rev. and Mrs. Tidwell and family attended the program, and plan to spend the remainder of the week in Dallas with Rev. Tidwell's mother, Mrs. C. E. McBride. Forrest Osborn and P. L. London were among other local visitors at the dedication program.

Baptist Laymen Are In Charge Sunday

Observing Layman's Day, members of the Friona Baptist Church had charge of the evening worship services at the church on Sunday night, October 8th, stressing as their theme "Christian Leadership in Secular Activities".

Mrs. H. T. Magness discussed "Christian Teachers"; George Messenger took up "Christ in The Business World"; and G. B. Buske concluded the discussion on the topic "Christ In Industry".

Group To Continue Study, Wednesday

The Women's Society of Christian Service of the Methodist Church will continue its study "Toward a Christian Community" on Wednesday of this week, when the regular meeting of the ladies is held.

Mr. J. H. Boyle is conducting the series of lessons, and all members of the group are urged to attend.

Educational Classes To Be Offered Adults

A meeting was held at the Friona School on Monday night, at which time adults of the community who wished to enter varied educational classes were on hand to discuss the work with Principal B. M. Kelly and Mrs. Baker, home economics instructor.

Mr. Kelly will offer commercial training, typing and the like, to those interested while ceramics and leather work classes will be conducted by Mrs. Baker. Definite outline of classes will be announced later.

BACK ON DUTY

Dr. Paul Spring, head of the Parmer County Community Hospital, returned to duty on Wednesday of last week, after enjoying a short vacation on the South Coast of Texas, where he did some fishing. Earlier, Dr. Spring had started on a vacation in Northern New Mexico, only to wreck his car out of Las Vegas and was forced to postpone his holiday.

Mr. and Mrs. Dan Ethridge were in Lubbock, Saturday night, attending the West Texas-Texas Tech football game.

Mrs. Doris Jane McFarland was in Hereford over the weekend, visiting in the home of Dr. and Mrs. H. H. Cooke, former Friona residents.

To Discuss Project Work In Childress

J. T. Gee, head of the Friona vocational department, has been invited by Walter Labay, district FFA supervisor, to visit in Childress on Thursday night of this week, speaking on a recent project completed by local FFA boys.

Gee is to discuss commercial feeding of calves by the boys, giving details on the Friona project and outlining the methods used in making the plan a practical and profitable one.

Here Over Weekend

Miss Tila Rue Day, daughter of Mr. and Mrs. Emmett Day, and Miss Patsy Cobb, daughter of Mr. and Mrs. Giles Cobb, were here to spend the

weekend with relatives. Miss Day is in nurse's training at Northwest Texas Hospital in Amarillo, and Miss Cobb is attending an Amarillo beauty college.

Arrives Friday

Kathie Sue, first-born of Mr. and Mrs. Bill Bandy, put in her appearance at the Parmer County Community Hospital the past Friday afternoon, October 6th, at 1:30 o'clock. She weighed 6 pounds and 9 ounces on arrival.

Mrs. Viola Bandy, who is employed in Amarillo, visited here during the weekend with her children and made the acquaintance of her new granddaughter, Kathie Sue, daughter of Mr. and Mrs. Bill Bandy.

Marvin Massey, Lavon Rogers and Harold Joe Wells were among the Texas Tech students visiting in Friona during the weekend.

CARNIVAL DISCUSSED

Preliminary plans for the annual Hallow'en carnival, sponsored by the Friona Parent Teacher Association, were discussed on Monday night when a meeting of PTA members was held at the school. Final details will be worked out in the near future by committee members and announcement of the date and activities made.

Mrs. Bill Kennedy was in Lubbock, Monday, going with a group of dele-

gates from Hereford to a church meeting.

Stewardship Rally Held In Canyon

Representatives from Baptist churches over this associational area were in Canyon Monday afternoon and evening of this week attending a stewardship rally.

Special speakers, reported Rev. Tommy Allen, pastor of the local church, included Rev. Straus Atkinson, pastor of the First Church at Kermit; Rev. Arthur DeLoach, of Odessa; and Dr. A. D. Foreman, Sr., of Abilene.

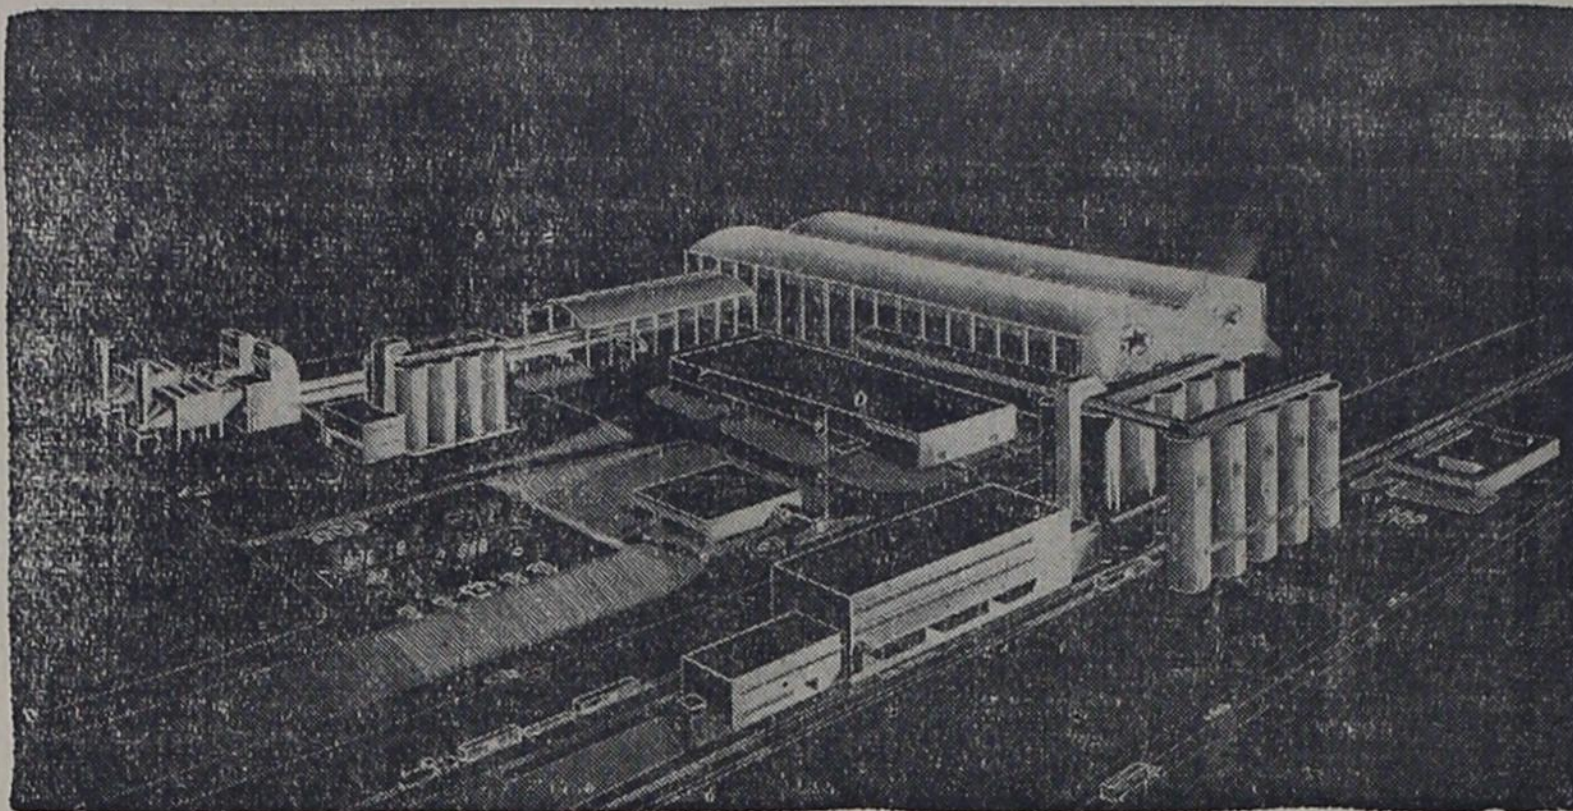

MEET ON THURSDAY

Members of the Friona Lions Club are reminded that the regular meeting will be held at the Club House on Thursday evening of this week, October 12th. Special music is to be provided by the local men's quartet, composed of Dalton Caffey, P. L. London, Forrest Osborn and Cecil Robinson, and all members are urged to be present.

WMU Circles Meet Tuesday Afternoon

Both circles of the Women's Missionary Union of the local Baptist church held their regular meetings on Tuesday afternoon, October 10th, with Bible study periods being observed by the members.

NEW CEMENT PLANT NEAR SWEETWATER

Construction will start immediately on the new plant of the Lone Star Cement Corporation near Sweetwater, shown above as it will look when completed. Materials and machinery have been ordered and construction schedules call for completion during 1951, with every effort being made to start shipping cement at the earliest practical date. This new plant will be among the most modern in the world, with an annual production capacity of five to six million sacks of cement. Lone Star officials said that "the Sweetwater location was selected after thorough survey, with a view of efficiency serving the great empire-within-an-empire which is West Texas."

JUNIORS HOLD BAKE SALE

The Junior class of the Farwell School, held a bake sale recently in the building west of Mary's Cafe, in

Farwell. All of the girls and some of the boys in the class contributed pastries.

They sold all the food donated and could have sold more, a spokesman

for the class said. The class made \$35 profit.

Foundation's study shows 72 per cent post-war rise in state debt.

Defendants, Greeting:

You are hereby commanded to appear before the Honorable 64th District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of November, A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 3rd day of October, A. D. 1950, in this cause, numbered 1536 on the docket of said court, and styled Betty Smart Plaintiff, vs. J. G. Burton, et al., Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff brings this suit for trespass to try title alleging that on January 1, 1950, she was the owner in fee simple of all of the following described land:

36.66 acres of land out of Capitol League No. 549, and particularly described as being all of Lot Number Four in Survey Thirty-two, of Township Nine South, Range One East, Capitol Syndicate Subdivision, Parmer County, Texas, as recorded in Volume 5, Page 117, except a strip of land 100' wide, being 50' on each side of the center line of the located line of the Pecos and Northern Texas Railway, which center line commences at a point on the West line of said Lot Four, 660' South of its northwest corner and runs in an easterly direction, a distance of 1081.3 feet; and also, excepting a strip of land 150' wide, being 75' on each side of the center line, and running for a distance of 241.9' to point of intersection with east line of said lot; and excepting Lots 1-7, Blk. 4, of said tract.

Plaintiff seeks to recover her damages in the sum of \$100 and in the alternative Plaintiff pleads the 10-year statute of limitations.

Plaintiff prays for judgment for title and possession of the above-described land, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 3rd day of October, A. D. 1950.

Who Runs America?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today -keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- General Federation of Women's Clubs
American Farm Bureau Federation
National Grange
Veterans of Foreign Wars
National Conference of Catholic Charities
American Protestant Hospital Association
American Legion
National Association of Small Business Men
United States Chamber of Commerce
National Association of Retail Grocers
National Retail Dry Goods Association
American Bar Association

Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. Today in America—70 million people are protected by Voluntary Health Insurance! Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

CANYON, TEXAS—One squadman from Farwell and one from Bovina are currently blasting the enemy for the powerful West Texas State football team. Toby Booth, (above) lanky and rugged sophomore end from Farwell, will see much action this year for Coach Frank Kimbrough and should develop into a standout end in his future varsity years.

Big blond Bob Kelley, (below) the Bovina bulldozer, plays a mean game at center for the Buffs. His 215-pound frame is hard to push around on the starting eleven and his offensive ability rates him as a possible conference contender.

At present the Buffaloes are leading the Border Conference pennant chase.

Junior High Participate In Tournament, 14th

Texico Junior High softball teams (both boys and girls), will participate in a softball tournament which is to be held at Rosedale October 14th, according to announcements made by Fern D. Stout, principal, early this week.

The games will be played between

the following schools.

Boys tournament: Texico vs Fields, Rosedale vs. Ranchvale, Grady and Center drew byes.

Girls tournament: Texico vs. Grady, Ranchvale vs. Center, Melrose vs. Rosedale, Fields drew a bye.

INSPECT DEER COUNTRY

John Aldridge, Gabe Anderson, Bill Sherley and Buddy Jones returned home recently from a

trip to Colorado, where they went to pick out a good hunting spot for the coming open season on big game. They report plenty of game, but they are in rugged country.

Eighteen Students Win Honors

Students winning popularity honors were selected at individual class meetings and at a called high school meeting at Farwell schools, officials said.

The students were elected by popular vote. All of them will be featured in the high school annual.

Class favorites include: Darlene Sprawls and Charles Kellogg, freshmen; Junior Poteet and Ruby Kittrell, sophomore; Jesse Coburn and Marcia Foster, junior; and Bob Gerjes and Wynema Cochran, senior.

Selected from the complete high school were Dot Kent and Billy Don Crume, most attractive students in FHS.

Most popular were Bobbie Christian and John Christian and best all-round were Caryetta Grissom and Beryl Nix.

Harold "Squirmy" Dasher and Jean Lunsford were selected the most athletic students and biggest flirts were Joan Spurlin and Nicky Foster.

Jones Is Appointed Finance Chairman

Agrie Jones, superintendent of the Texico schools, has been appointed finance chairman for Texico-Farwell in the 1950 Boy Scout drive.

Jones will arrange for workers in both Farwell and Texico, for the drive which will take place over the entire district on Tuesday, Oct. 24.

Organization of a Scout troop, now in the process and sponsored by the Texico-Farwell Lions Club, will help in the drive, Jones added.

America's Utmost in Tire Rubber Economy

Their longer life and greater rubber economy prove them the essential tires of the era.

Every ounce of them is working rubber, without a fraction of waste or excess.

Each of them can give years, instead of miles, of extreme safety and comfort. They are supported by large community investments in dealer service and maintenance equipment.

All of their original safety-mileage is continuously renewed and renewable, without recapping or anything of the sort.

With Blackwalls, or Whitewalls, they bring every owner their Mid-Century Curbguard, to protect their sidewalls and end all grinding curb scuff and abrasion.

They also bring their incomparable Safety Tread (ROYALTEX)—for Skid Protection, Stopping Power, and Life Protection never possible before.

These Royal Master qualities are entirely exclusive. They serve and save at the very heart of the National Economy.

They remain fresh and new in safety, when other tires are giving up their lives.

Eye Trouble Requires Special Attention

The eye examination you get as part of a routine medical check-up is not as thorough as the eye examination you receive when you have reason to believe something is wrong with your vision. Eye trouble, that which has been diagnosed as such, requires special instruments and special technique for which your general family doctor will usually suggest a doctor trained in that special field.

The purpose of the eye examination in the physical check-up is to discover gross defects of the eyes of which you may not be aware and to pick up from the eyes reflections of

physical distress some place else in your body. They mirror your general physical condition as well as trouble originating in the eyes.

Your doctor probably starts his examination of your eyes by blinking a small flashlight some distance away from you before he brings it up close and takes a look at all the parts that make up the visible eye. He may even wave that flashlight around in a big circle and ask you to tell him when you fail to see it as you keep your eyes fastened on some spot right in front of you. And then maybe he tells you to follow that flashlight with your eyes as he makes crosses with it and brings it up close to your nose.

That's not all just waste of motion. It serves a definite purpose in the eye examination.

Your pupils, those black holes in

the middle of the colored part of your eyes, grow larger when looking at a distant object or a dark object. When the object say the flashlight, is turned on close to the eyes, its nearness and its brightness are supposed to make the pupils shrink.

If your pupils fail to dilate, get bigger, at the proper time or to shrink when they're supposed to, that gives your doctor a definite clue as to some possible difficulty. With one disease, locomotor ataxia, the eyes sometime shrink when an object is held close but fails to grow small when a bright object is viewed. Also maybe there is trouble with the nerves that handle the shrinking and dilating functions if the pupils fail to respond properly. Certain drugs influence the size of the pupils and emotional reactions make them change size too, so that unusually large or small pupils have to be weighed along with other health signals and not as a separate clue in itself.

The waving of the flashlight in a wide circle is one of the simplest tests to check the field of vision. You keep your eyes fixed on some stationary object in front of you and when you fail to see the flashlight that the doctor is waving, he figures out your field of vision, sideways, up and down and all around. After he waves the light in a circle he may start making crosses with it and this time tell you to follow the light with your eyes. As your eyes follow it, he may learn of the flexibility of the optic nerve or muscles, the power of convergence of your eyes, and again, the reaction of the pupil to near and distant vision.

Eyes that bulge in their sockets or are sunk deep in their sockets may have special medical significance as part of the whole physical check-up. Eyes that don't stay still, that dance around all time may be indicative of disease; yet on the other hand, after whirling in a swivel chair, if your eyes don't dance a bit, that too may be a sign that something is wrong.

There's more to the eye, medically speaking, than the eyeball, the iris

RACE AGAINST DEATH . . . A seriously wounded American soldier receives blood plasma after being evacuated from the Korean fighting front by air ambulance. The defense department did not specify at which fighting front the GI was hit.

and the pupil. An examination of the eye also checks the lids, the white of the eye, and that transparent coat over the iris and pupil which is called the cornea. When any of these parts deviate from normal, they may be a sign of disease or may be due to some outside influence such as wind, pollen or injury.

Mothers with a keen awareness of sudden changes in Junior's health may decide the youngster will spend a quiet day in the house for no special reason other than a "certain look about the eyes." They are an eloquent barometer for predicting a change in health. A parent notices and wisely seeks medical attention when the change seems too sudden or drastic, along with other signs.
