

## Road Contract Let

### Cars Should Not Pass Stopped School Buses

Complaints have been made to the local sheriff's office that cars are passing school buses while the buses are stopped for loading or unloading, Sheriff Charles Lovelace says.

Lovelace explains that it is illegal in Texas for a car going either direction to pass a school bus that is not moving, and continuation of this violation is an offense punishable by fine.

Drivers are urged to take more precautions, Lovelace adds.

The Farmer County Commissioners Court, meeting in special session here Monday, let a contract to Purcell & Jones of Littlefield, for the caliche surfacing of three and one-half miles of road work on FM No. 690 in the Lazbuddy section.

The contract calls for the grade and drainage structures along the route, the surfacing to be 22 feet wide and a 6-inch compact base, and to meet State Highway specifications. Forty working days are allowed to complete the job.

The three and one-half miles of caliche will be begun at the terminating point of the pavement on FM 690 in the Lazbuddy community, running east toward the Lazbuddy store. Already there is a strip of WPA caliche along this stretch of road, and officials said this additional surfacing would tie the old WPA job to the pavement.

The job has been contracted at the rate of \$3,750.00 per mile and the money will come from the road fund of Precinct No. 4. With the completion of this piece of road work, residents of the Lazbuddy community will have an all-weather road to any market center.

Ultimately, officials here point out, it is the desire of the State Highway Department to construct a farm-to-market road to Hart, in Castro County.

### Farmers Are Advised To Pay Storage Cost In Advance

"It will be to the grower's financial advantage if he will pay his storage cost in advance," Joe Camp, secretary of the Production and Marketing Association, declared here today.

Camp had particular reference to the storage charges on grain sorghum from the 1950 crops, stored in approved warehouses. He said that the base rate on stored grain sorghums was 20 1/2 cents per hundredweight when the grain remains in storage until March 31 1951. "That is what we would deduct for storage costs at the time the grain is placed under loan," Camp said.

But, by paying storage costs in advance, the grower will realize quite a saving, the secretary went on to explain. As an example of the saving to be realized, he cited:

"If the grower stored his grain on Nov. 1 of this year, the storage charges from that date until March 31, 1951, would be approximately 12 1/2 cents per hundredweight, provided such charges are paid in advance. But if he elects to have storage fees deducted at the time the grain is placed in the loan, charges for storage will be computed at the rate of 20 1/2 cents per hundredweight, which would mean that by taking the first choice set forth, the grower would save approximately 8 cents on every hundred pounds of grain placed in storage."

### Two More Buildings Occupied By Mart

Ben Smart, owner-manager of The Furniture Mart in Texico, announced today that he had secured two more business buildings in Texico, and would occupy them with his overflow of new and used furniture.

This will give the local firm a total of nine buildings in Texico under lease in addition to a stock of goods at Clovis, and another soon to be opened in Bovina. The latest acquisition in Texico is the C. W. Hill building, until recently occupied by the United Pentecostal Church, and the garage building in the Texico Hotel building, formerly occupied by the Pace Brothers Garage.

Smart said the hotel building will be used for second-hand furniture, and the Hill building will serve as a storehouse for new furniture.

## BOVINA MUSTANGS MAKE FIRST BID FOR 11-MAN FOOTBALL IN GAME WITH STEERS

The Bovina Mustangs, currently gunning for top position in their six-man conference, will get a preview of eleven-man football on Friday night of this week, when they will be the guests of the Farwell Steers in the local stadium, Coach Tommy Hestand, head of the Steer aggregation, announced Monday.

School officials advise that the Bovina schools are asking for admission to District 11-B next year, and it is the feeling of administrators and coaches that such a game at this time would be beneficial to both schools, since Farwell has an open date due to a cancellation from Eunice, N. M.

Set back on their heels in their previous games this season, the Farwell players are readying themselves for a brisk struggle again Friday night. Strength of the Bovina team is difficult to forecast, since this will be the first time in history that Bovina has fielded an eleven-man squad, and the pending encounter, the Steer's second home game of the season, is expected to draw a large crowd.

Football clouds for the locals have been pretty dark thus far, since they are fielding a number of greenhands this year, but regular drills are being held as coaches try to iron out the wrinkles in both offensive and defensive play.

### To The Patrons of Bovina and Farwell Schools:

The sports rivalry between Farwell and Bovina has always run high and it is the sincere desire of both schools that this rivalry continue on a friendly basis and that it be a help to the schools in promoting clean athletics and good sportsmanship among your youngsters.

Proper conduct on the part of all patrons will go a long way in sponsoring the type of athletics you desire to see.

You are cordially invited to attend this game of October 20.  
SUPT. W. H. WILLOUGHBY  
SUPT. JACK WILLIAMS

Bovina will have one advantage—weight, as they have a heavier backfield, boasting one 235-pound man, officials advise. Farwell has four men on the casualty list. It is indefinite as to whether Nix will be in the line-up for the Friday night game, but Curtis and Gerjes are believed to be in condition for the encounter. Curtis broke his hand in one of the early games of the season and Gerjes received a dislocated shoulder. Jerry Pool, principal ground gainer, is also suffering a bad shoulder. ### FROM THE HOPPER

By HOP

Feed shocking in Farmer County has been slowed down considerably by a news story appearing in this paper last week regarding a 76-year-old farm worker being nabbed by a huge rattlesnake.

No less than a half dozen farm workers told us they are now shocked about half the feed they formerly did. "I imagine there is a snake in every bundle of feed," one worker told us.

The gal who handles the circulation list has asked us to advise our subscribers that she "ain't fooling" when she mails out those subscription expiration notices. Now that the postoffice department charges 3 cents to mail the notices, only one such notice will be mailed in the future.

The story coming out of a Colorado deer camp about Penny Anderson mistaking a bull elk for a cow and letting him get completely away without getting a shot at him, reminds us of a deer hunting story on Penny.

Some years ago when Penny was a lad of 10 or 12 years, he and his dad had crawled into their bunk for the night. Cattle were roaming about the camp when one of them lowed. Penny raised up from his bunk, shook his daddy and said, "Daddy, did you hear that deer moo?"

### Pentecostal Church Has New Quarters

The United Pentecostal Church in Texico, which has been using the C. W. Hill business building as a meeting place, has moved in a building and located it two blocks north of the Home Grocery, where congregational gatherings will be held.

Rev. C. A. Hatcher, pastor of the church, announced regular services were held on Sunday at 10 a. m. and 7:45 p. m. Mid-week services are held each Wednesday at 7:45 p. m. and the weekly meeting for the young people is scheduled for 6:45 p. m., Sunday.

He extended an invitation to the public to attend any of the services.

### INFANT IMPROVING

Lary Wayne, 5-weeks-old infant son of Mr. and Mrs. Otho Hammond of Bovina, was returned to the home of his parents last Thursday from a Lubbock hospital, where he had been under treatment since shortly after birth. The little fellow was found to be suffering with a stomach obstruction, and had to undergo surgery.

### Dosher Funeral Is Set For Thursday P. M.

Funeral services for A. J. (Alpha) Doshier, 48, have been set for 2 p. m. Thursday at the Oklahoma Lane Methodist Church, with Rev. A. D. Moore, pastor, officiating, assisted by Rev. A. T. Kersey of the Pentecostal Holiness Church.

Burial will take place in the Oklahoma Lane cemetery, under the direction of Steeds Funeral Home.

Mr. Doshier died very suddenly at the family farm home 1 1/2 miles north of the Oklahoma Lane school shortly after 2 o'clock Sunday morning from a heart attack.

After an active day in the field on Saturday, and attending a movie with his wife Saturday night he did not complain of feeling ill, his wife reported. Shortly after two a. m., Mrs. Doshier said that he awakened her and complained that he was "hurting all over." Mrs. Doshier, who was sleeping with her husband, arose and turned on a light, but before she could render aid, the end came.

Coming here from Tipton, Oklahoma, in 1917, Doshier had lived in the Oklahoma Lane community since that time, where he has been engaged in farming.

Of his immediate family, he is survived by his wife; one daughter, Wilma Dell, 18; two sons, Jackie, 16, and Vane, 14. Other survivors include his father and step-mother, Mr. and Mrs. W. A. Doshier, Tipton; four brothers, Lee, Texico; Elmo, Tipton; Ernest, Yakima, Wash.; Jessie, California; three sisters, Mrs. Jewel Hurst, Yakima; Mrs. Clarence Barber, Farwell; Mrs. Elmo Tipton, Amarillo.

Relatives and friends coming from a distance to attend the funeral include: Mrs. Allen McReynolds and daughter, Tola Ellen, Burnett; Mrs. Vane Petree and son, Ronnie, Santa Fe; Mrs. Z. W. Petree, Santa Fe; and S-Sgt. Ernest Justice, Washington, D. C.; Mr. and Mrs. B. Beasley, Farmington, N. M.; Sam Justice, Kaycee, Wyoming; Mr. and Mrs. Ernest Doshier, Yakima, Wash.; and Mr. and Mrs. W. A. Doshier, Tipton.

### Firemen Warn About Grass Fire Hazards

Members of the Texico-Farwell Fire Department have issued a warning to the citizens of the Twin Cities about the ever-present danger of grass fires at this season of the year.

Otis Huggins, secretary of the department, said that the practice of burning off rank grass growth in and near the Twin Cities was being discontinued this year. "We had so many complaints last year that we are not going to do it any more," he said.

### District Court To Convene On Monday

The Farmer County District Court, which has been in recess all this week, will convene again Monday and begin work on the criminal docket.

The principal case, scheduled to come up on Monday will be the case of the State of Texas vs. Gordan Thurman, who faces a Grand Jury indictment of rape.

A special venire of 103 jurors have been called to report here on Monday from which a jury will be chosen to hear the case against Thurman.

Sheriff Chas. Lovelace said today that he would go to Fort Sill, Okla., over the weekend and return Thurman here to face trial. He is now in the Army and stationed at Fort Sill.

Thurman, who home was at Littlefield at the time of allegedly committing the crime, is charged with assaulting Miss Florence Sadler, also of Littlefield, a short distance southeast of Farwell on the night of Oct. 26, 1949.

### Kick-Off Breakfast For Boy Scout Drive

Supt. Agrie Jones, who heads up the financial drive for the Boy Scout program in Texico-Farwell, announced Tuesday that the drive would be launched Tuesday morning at 7 o'clock with a kick-off breakfast at the Legion hall.

Jones named two teams who will head up the two separate drives to be made in Texico and Farwell. Fern Stout, Frank Seale, and Grayson Roberts will have charge of the Texico campaign with Jack Williams, Woody McDermitt and Otis Huggins having charge of the Farwell drive.

Each team will select their own helpers to assist in the campaign.

### No Loss Reported In Burglary At Hoston Lumber Co.

E. M. Roop, manager of Houston Lumber Co., reported that he had been unable to discover any loss sustained in the break-in of the lumber yard office Monday night.

Officers were inclined to believe that only one person—an amateur—made the break-in sometime Monday night. An attempt had been made to knock the knob of the company safe, which was not successful.

Roop said that as far as he could determine, no items of merchandise were taken.

A. W. Gibson, of Baird, Texas, accompanied his son, Patrolman Gibson, to Farwell, last Thursday.

### New Fire Truck Will Be Delivered Soon

Otis Huggins, secretary of the Texico-Farwell Fire Department, announced today that the new fire truck purchased some time ago, would be ready for delivery at an early date.

He said that he had been advised that the new machine, now in the process of being built according to specifications, would be completed by November 27, barring unforeseen delays.

Huggins expressed the opinion that some of the members of the Fire Department would go to Anderson, Ill., to receive the new truck, rather than having it shipped here.

The new machine is being mounted on a two-ton Chevrolet chassis, and will be equipped with a 500-gallon booster tank and a 500-gallon pump, in addition to an automatic rewind on the booster hose reel, and other modern appliances.

### No Clues In Friona Burglaries As Yet

Sheriff Chas. Lovelace said today that no clues has as yet been uncovered in three Friona burglaries that took place on Thursday night of last week.

On that night, break-ins occurred at the Friona Lumber Company, the Consumers Association, and at the A. L. Black farm, five miles east of the Hub, south of Friona.

A small safe was hauled from the Friona Lumber Co. and knocked open on a side road a few miles west of town. Cash in the amount of \$11.60 was taken from the safe.

Some three or four dollars in "pop money" was taken at the Black farm an electric drill and an assortment of drill bits and tools were taken.

Officers are inclined to believe that both the jobs inside Friona were committed by the same persons, but that other parties raided the garage at the Black farm.

### Two Sentenced For Liquor Violations

Two pleas of guilty for liquor violations were entered in County Court the first of the week before County Judge A. D. Smith.

Buford Hughes, of Friona, was assessed a fine of \$100.00 and costs, and a 60-day jail sentence on his plea of guilty, on Monday, to selling intoxicating liquor.

Joe Langer, of Bovina, was arraigned Tuesday morning on a charge of possessing beer for sale, and was given a fine of \$100.00 and costs after entering a plea of guilty.

**Local Boys Drop Forrest, 10 To 3**

The Texico Wolverines routed Forrest, 10-3, last Friday at Forrest, in the final game of the regular season, excepting the tournament.  
 Tucker hurled a 3-hitter for the Wolverines, striking out six, but issuing five passes. Rex Miller, Forrest pitcher, gave up 15 hits and was charged with the loss.  
 Two homers were hit in the game, both by Tucker of Texico, although Wayne Breeze tripled nad came in on an error by the left fielder.  
 The Pirates collected their three runs in the initial inning, and were shut out the rest of the game.

**Junior High Girls Take Co. Tourney**

The Texico junior high girls defeated three teams to win the Curry County tourney crown last weekend. First victim of the locals was the Grady squad, losing to Texico, 14-4. In the semi-finals, the girls dropped Ranchvale by a big 15-5 tally. This victory put Texico into the finals opposite Melrose, winner of the lower bracket.

The Wolverines ran into stiff competition in the finale, with the score tied at the bottom of the seventh, 10-10. The game went into extra innings and Texico eked out a close win, 13-11.

The junior high boys hit the strong field aggregation in the first round of the meet and were eliminated, 14-6.

**Whirlwinds Ignore Friday 13, Win Again**

The Texico Whirlwinds were again triumphant, Friday 13, over the Forrest girls with a 17-3 victory, winding up a perfect season record in conference play.  
 The Texico ten showed superior slugging over their hostesses to run up the high marginal score.  
 Texico brought in five runs in the first inning, two in the second, one in the fourth, and nine in the fifth. Jo Beth Engram accounted for two homers and Marsha Peterson scored one four-bagger.  
 The Forresters scored one in each in the first, second and four innings. Patsy Docher, Whirlwind catcher,

caught a nasty blow on the jaw from a bat, which may have her out of commission for a few days.

**SCOUT EXECUTIVES ARE NAMED FOR TEXICO-FARWELL**

John F. Adams has been selected to be scoutmaster of Troop 30 which has been reactivated by the Texico-Farwell Lions Club. He will be assisted by Fern D. Stout and the troop committee composed of John Getz chairman and Perry Crawley, Charles Stockton, John L. Armour and Rip Snodgrass as members.

The troop will meet regularly on Monday night at 7 o'clock at the Texico school. A very aggressive program has been outlined by the leaders of the troop to make it one of the most active units in the district.

A scout assembly program has been arranged for Thursday afternoon, November 2, at which time the local field executive of the Boy Scouts, Oscar Cantwell, will be present.  
 The Lion's Club, Jack Williams, president, is also sponsoring a troop in Farwell which will be completed within a week.

Charter members of Troop 30 are: Richard Hapke, Billy Murdick, Daral Harris, Claud McDonald, Kenneth Ray Allred, Delbert Parton, Rex Harris, Roy Harvey Snodgrass, Bobbie Spears, Emory Baker, Cylde DeDonald, Paul Crooks, Alton Morgan, Jimmie Henson, Jerry Johnson, Vernon Lewis and Jack Wilmeth.

## Residents Will Vote On Big Bond Issue, Saturday, Oct. 21

Residents of the Friona area will make their way to the City Hall on Saturday night, October 21st, to express their opinion on a proposed \$100,000 bond issue, Mayor Mack Bainum said today.

A giant community-wide meeting was held at the school house on Tuesday night, when the general program was outlined to all interested participants, with questions being asked and answered.

The money, Bainum said, will be dispersed as follows, providing the bond issue is approved: \$50,000 for the city's part of a large-scale paving program over the residential area; \$35,000 for enlargement of water mains over the loop of the "fire zone" of the business district in order to secure better insurance rates, and water main enlargement where necessary under streets that will be paved if the program goes through; with the final \$15,000 to be used in construction of a new City Hall with sufficient storage space for the city's fire fighting equipment.

"All qualified voters are urged to cast their ballots at the City Hall on Saturday, whether they favor the program or not," Mayor Bainum said today. A majority vote is required for the bonds to be issued.

## Strong Olton Team Comes Here Friday

The undefeated Olton Mustangs, who ran rough-shod over the Farwell Steers the past weekend, will make their 1950 appearance on the Friona Chieftain field on Friday night of this week, October 20th, Coach Raymond Cook reported on Monday.

Braced for the invasion by their fine work in holding Sudan to a 13-0 victory over them the past weekend, the Chiefs, with no injuries reported, will hold extra-strong workouts this week as they prepare for the match Friday night, and hope to give Olton a run for its money when the chips are down.

Seating capacity at the Chieftain field has been considerably improved during the past two weeks, with

new bleachers to seat 1,000 going up on the eastern side of the playing field, and all fans who wish to see the game are expected to find plenty of top-notch seats.

Game time, 8 o'clock. Admission for adults, \$1.00.

## Combines Begin Work In Friona Fields

Combines began to roll in considerable number over the Friona area the past weekend, as dry, sunshiny weather put the maize crop in condition for cutting.

Both local elevators report that they have had some deliveries, with all thus far going into government loan. At the Santa Fe Grain Company W. H. Long turned in the first load of acceptable loan feed on the 29th of September, it was reported.

Arthur Drake, at the Friona Wheat Growers, said that his first load was accepted the sixth of October, with Ross Terry bringing in the maize. Terry has thus far cut some 55 acres of his row crop, and an average of 3300 pounds has been recorded.

Asked about storage, local grain men said "we have plenty right now" but went on to add that it may develop into a situation as the feed harvest really gets into full swing, as indications are that cars for shipping out the grain to terminal storage points will be scarce indeed. Drake said that he had reports from Plainview area to the effect that the elevators were full, with no available cars, and grain is being poured on the ground.

Parmer county has made considerable additions to its elevators, all over the area, during the past several months, and while it may necessitate longer trips for some operators, hopes are held that the county can take care of its own in storage.

## Sudan Gets Only 13 Points As Chiefs Play Good Game

The Friona Chiefs played their best game of the season, and possibly the best of the past two years, last Friday night, when they held a highly-touted Sudan eleven to only 13 points in a game that had been ex-

pected to be a high scoring affair for the Sudan-ites.

Friona made penetrations several times during the game, but was unable to capitalize on their advantage during the allotted four downs, coaches reported on Monday, and went down in defeat.

Arlis Hogue, halfback for the Hornets, went into the end zone for the first Sudan touchdown in the second quarter, with Bob Lynch, quarterback, hitting over for the point-after, and in the fourth quarter Lynch toed the pigskin for a 21-yard run to score the only other counter of the game.

The entire Friona team showed up exceptionally well, although both teams were guilty of fumbling and off-side penalties due to over eagerness, fans said.

Some 75 fans from the Friona area were on hand for the game.

## Mrs. E. M. Sherrieb Dies, Monday, 16th

Mrs. E. M. Sherrieb, long-time resident of the Friona community, died at the Deaf Smith County Hospital, in Hereford, around four o'clock on Monday afternoon, October 16th, at the age of 69 years.

The elderly lady had been in ill health for several weeks, and had been confined to the hospital for some time, relatives report.

The Sherriebs came to Friona in 1910 from Van Wert County, Ohio, and have continued to make their home there, with Mr. Sherrieb and two sons as the immediate survivors. They are: H. W. Sherrieb, of Darrouzzett, Texas, and Clyde Sherrieb, of Friona.

Other survivors include a sister, Mrs. W. D. Alspaugh, of Elgin, Ohio; and one grandson, Gary Sherrieb, of Friona.

Tentative arrangements Tuesday morning called for funeral services to be held this (Wednesday) afternoon in the First Baptist Church in Friona, with Rev. Joe Wilson, of Floydada, officiating. The Gilliland Funeral Home, of Hereford, is in charge of arrangements.

## Adult Classes Are Started At School

Residents of the Friona area who are interested in either typing, ceramics or textile painting are invited to join the adult classes being offered at the local high school by two of the faculty members.

Dilly Kelly is handling the commercial assignment with classes held each Thursday evening from 7 to 9 o'clock; and Mrs. Dorothy Kate Baker is directing adults in textile painting and ceramics with classes each second and fourth Tuesday nights, also from 7 to 9 o'clock.

A good response to the initial meeting for discussing classes was on hand last Monday night at the school, and Kelly said today that much interest was being expressed by residents in the special training.

## Students Come Home During Weekend

Taking a break from classes were a number of local young people who are attending colleges in the area, with the visitors spending the weekend in the homes of their respective parents.

Seen on the streets over the weekend were Lila and Wanda Robason, Alice Ruth and H. T. Carr, all of West Texas State, Canyon; Tim Magness, Bob Davis, Ray Nell Foster, Maridee London, Billy Joe Wells, Bill Jones, Viddian Weis, Lavon Rogers, John Smith and Roy V. Miller, all of Texas Tech, Lubbock.

Another student, Tila Rue Day, who is in nurses' training at Northwest Texas in Amarillo, was also a Friona visitor.

## Represent Church At Associational Meet

Rev. Geo. B. Meyer, pastor of the Friona Union Congregational Church, and Mr. and Mrs. Floyd Reeve were in Wynoka, last week, attending the Central Association meeting of Congregational Churches.

Rev. Meyer stated that the meeting was very well attended, principally representing Oklahoma churches. He had charge of the communion service at the gathering. The local people returned to their homes during the weekend.

## Modern Study Club Meets On Tuesday

**Farm Group Hears Congressman Guill At Bovina Meet**

Appearing before a meeting of the Parmer County Farm Bureau, at Bovina last Thursday night, Congressman Ben Guill gave a brief outline of his opinion regarding the agricultural program.

Guill, who is the first Republican congressman from Texas in 25 years, and a member of the Agriculture Committee, observed in his opening remarks that "Washington is filled with pressure groups," and added that the Federal Government had the biggest pressure group in the National Capital.

Speaking of subsidies, Congressman Guill said that he was opposed to any price support of any nature, adding, "if they will take it off of everything," going on to observe that the farmer must have price supports if business and industry is to be protected by tariffs and subsidies.

He recalled just how near the price-support program on grain sorghums came to being lost, by saying that the House vote was close, while in the Senate the vote was tied; and it remained for Vice President Barkley to vote off the tie in favor of the farmers.

Congressman Guill declared emphatically that he was opposed to the Brannon Plan, and went on to add that "We've got to clean up the Department of Agriculture . . . clean up the overlapping agencies . . . but we have got to maintain the price supports until a better way is found."

Speaking of the enormous waste he had observed in his five months at Washington, Guill said it would be amusing if it were not so tragic, and here he cited an illustration of what he meant by saying that the Government owns four times as many typewriters as it has employees to use them.

Turning back to the subject of controls, he warned "Don't gripe about controls; if you are going to get supports, you are going to have to have controls."

As a parting thought, he injected another observation that probably did not suit some of his audience. In speaking of Farm Bureau insurance, Guill called attention to the fact that "You can't buy everything wholesale . . . remember, that the man in business has to help pay the operating expenses of our Government."

**Mother Of Bovina Lady Succumbs**

## Farwell PTA Holds Meeting, Monday

Farwell lacks sufficient recreation for "teen-agers", it was decided by a panel at the PTA meeting of the local school, held Monday night. The effects of home, school, church, and community on "teen-age" standards were also discussed by the panel, composed of Mrs. Clyde Magness, Miss Jett Byerley, Wilma Nell Smith and Rex Pool, moderated by Mrs. Tom Foster.

The meeting opened with the group singing "The Eyes of Texas". The president, Mrs. Jack McManigal, announced several items of interest in Texas P. T. A. News. The state convention is to be held in Mineral Wells, November 8-10. October 19 is the Texas PTA Congress' birthday anniversary, and will be PTA Day at the State Fair in Dallas.

New members and guests were introduced by the hospitality chairman, Mrs. Lenton Pool.

After short reports by committee chairmen, the president appointed a committee to supervise the carnival booth.

The points for officers in PTA work were outlined by Mrs. McManigal. These were issued by Mrs. Charles Bustin, state vice president, in a recent meeting of instructions held in Canyon.

The second grade won the \$2.50 award for having the most room parents present at the meeting.

Ten girls under the direction of Mrs. Erma Jobs sang "The Ash Grove" and "All Through The Night".

Refreshments of pie and coffee were served in the lunchroom by a committee of fathers.

## Wesleyan Guild Holds Annual Fall Dinner

Members of the Wesleyan Guild of the Methodist Church held their annual fall membership dinner at the Casa de Fiesta in Clovis, Wednesday night.

Mary Lou Cason, president, was toastmistress. Bess Mansfield opened the program with a discussion on the meaning of the Guild; then Mrs. John Armour sang "The Lord's Prayer". Mrs. Jay Anderson played several piano solos, followed by a talk on "What The Guild Has Done For Me" by Mrs. Woody McDermitt.

After the program a short business session was held and a committee appointed to see about repairs on the church basement.

Members present were Mesdames Dick Walker, John Armstrong, M. C. Roberts, W. W. Vinyard, Woody McDermitt, Bess Mansfield, Paul Wurster, Mae Porter, Jim Moss, LeRoy Faville, C. B. Stockton, John Armour, Agrie Jones and Mary Lou Cason.

Guests included Mesdames Eugene Coffman, Frank Elliot, Jay Anderson, Ardith Bruce, Buddy Jones, John Aldridge, Carl Schmitt, Clarence Meeks, Billy Joe Foster, and N. W. Peyton; and Joan Hapke.

Weekend visitors in the home of Mr. and Mrs. Nathan Harding were Nathan Jr., and Hershel Harding, both students at Texas Tech in Lubbock; and Mr. and Mrs. J. D. Harding and family of Levelland.

## Legion Zone Meeting Held In Friona

Zone meeting for the American Legion was held in Friona at the Legion hall on Tuesday night, Oct. 10.

Local men attending the meeting were Wilfred Quickel, Graham Thornton, John Getz, and Loyde Thornton, John Getz, and Loyde Brewer.

Fred Young, of the Veteran's Administration regional office of Lubbock was principal speaker. He discussed the international situation and also talked about mobilization questions, especially those concerning reservists. A question and answer session was held.

Representatives from Vega, Hereford, Texico-Farwell, Bovina, and Friona, were present at the meeting. Members of the organization discussed plans for the district convention to be held in Shamrock Nov. 11-12.

Young installed Roy Wilson as Friona post commander, and Loyde Brewer of Farwell as zone commander. Letters were read to the group from different members of the Texas Legion in Congress regarding the resolution adopted by the zone advocating universal military training. Letters were presented from Rep. Ben Guill, Rep. George Mahon, and Sen. Lyndon Johnson.

Next zone meeting will be Nov. 14 at Hereford.

## Schwede Notes 85th Birthday With Turkey Dinner Recently

Mr. William Schwede of Clovis, noted his 85th birthday recently in the home of his daughter and family, Mr. and Mrs. G. P. Messiner of Lariat, with a turkey dinner with all the trimmings.

The honoree was the recipient of many lovely gifts and cards on this occasion.

After the lovely family style dinner had been enjoyed, games of Canasta and "42" were enjoyed by approximately forty-five attendants.

Those present included the following:

Mr. and Mrs. Alvin Kriegel and children, Loyd, Kenneth and Nolan, Muleshoe; Mr. and Mrs. Walter Schur of Clovis; H. A. Haseloff and Evelyn, Mr. and Mrs. Wm. Haseloff and children, Billy and Gerald, Vernon, Texas; Walter Schwede, Mrs. Howard Slover, Roswell, N. M.; Mr. and Mrs. Floyd King, Broadview, N. M.; Alma Schwede, Roswell, N. M.; Mr. and Mrs. Adoff Haseloff and children, Margaret, Richard and James, Farwell; Mr. and Mrs. Henry Haseloff, Farwell; Capt. and Mrs. Harold Hasekamp and children, Carol, Charles and Johnnie, Lubbock; Mrs. Louise Driesedow, Haskell, Texas; Mr. and Mrs. Henry Haseloff & David, Muleshoe; Rev. and Mrs. W. B. Gummert and children, Judy and Kathlene, Farwell; Arlyn Kriegel, Mildred and Calvin Messiner, Lubbock; and the honoree, Mr. William Schwede, Clovis, and the host and hostess, Mr. and Mrs. G. P. Messiner and children, Agens and Janice, Lariat.

## Texico Teachers Attend Banquet

All the male instructors at Texico school will attend a schoolmaster's banquet at Rosedale Thursday night, Supt. Agrie Jones, says. The meeting will be held in the Rosedale school cafeteria at 8 o'clock.

Those who will attend are Supt. Jones, Fern Stout, principal, C. B. Stockton, John Armour, John Adams, E. U. Scott, Carl Schmitt, and Duane Watson. They will discuss the athletic program chiefly, and any school problems which might arise.

MISS RUTHELLE BACON

## Amarillo Woman Is Guest Speaker At Half Century Club

Miss Ruthelle Bacon, chairwoman of the Republican party of the 18th Congressional District, will be the guest speaker at a meeting of the Half Century Club in Bovina Thursday afternoon, October 19th, at 2:30 o'clock.

The gathering will be held at the American Legion Hall and will be in observance of annual guest day tea, and all ladies are invited to be present.

Declaring that the American women can cast 2 million more votes than the American men, Miss Bacon is quoted as observing that, "Women have not yet fully realized their importance in the world today."

Miss Bacon's subject for her Bovina appearance will be "The Advantages of a Two-Party System in Texas."

## Texico PTA Meets Friday Night

Texico PTA will meet Friday night instead of the regularly scheduled date, Oct. 26. The meeting has been called because of the New Mexico Education meeting in Albuquerque, Mrs. Albert Rice, president of the PTA says.

Tentative program plans include a panel discussion on the objects, aims, and scope of the PTA with Dr. C. B. Waivell of ENMU as moderator.

Mrs. Rice hopes to have Mrs. Coy Guy, district president of the PTA from Clovis; Mrs. B. B. Loflin, state membership chairman; Mrs. Oliver Kimbrough, principal of Eugene Field Junior High in Clovis and Agrie Jones, superintendent of the Texico school, as other members of the panel.

"All parents are eligible for membership in the organization and any citizen of Texico having the welfare of children at heart are also invited to become members of the group," Mrs. Rice emphasizes. Members are urged to be present the president says.

The Home Economics department of the school will serve refreshments.

## Back From Trip

Mr. and Mrs. J. R. Thornton and daughter, Miss Iris, returned home Sunday afternoon from a two-week vacation trip, visiting at various points in New Mexico and Texas.

Their first stop was at Albuquerque, from there they went to El Paso, Uvalde, an Antonio and Austin, finally ending their journey at Galveston. Enroute home, they stopped at Mr. Thornton's old home at Beeville. Fifty years had elapsed since he resided there.

## Junior Training Union Enjoys Party, Friday

Members of the Junior Training Union of the Texico-Farwell Baptist Church enjoyed a "Superstitious Party" the past Friday night, October 13th, in the undercroft of the church.

During the evening each attendant recounted some superstition and several games, including Black Cat and Cross Your Fingers, were enjoyed by the group.

Several three leaf clovers were placed about the room, with one four leaf. The children each found a clover leaf, with the lucky finder of the four-leaf clover leading the refreshment line to a table where sandwiches, cookies and pop were served.

Those present included the following: Janet Branscum, Kathryn Billington, David Lockhart, Bob Stover, Mary Sue Stover, Audrey Hapke, Faye Autrey, Dick Lockhart, J. C. Kelly, Wayne Pearce, members; and Becky Foster, Charles Ray Roberts, and Mrs. Bernie Kelley, visitors. The sponsors were Mrs. John Lockhart and Mrs. W. M. Roberts.

## Texico Juniors Reveal Cast Of Characters In Coming Play

A cast of the characters for the Junior class play of the Texico school which will be presented on Friday, November 3rd, was announced today by the class sponsor, Carl Schmitt.

A three act comedy, "Tumblin Creek", has been chosen by class members and a list of the characters participating in this rip-roaring comedy are as follows:

The cast: Mrs. Nichols, Bobbie Williams; Henry Nichols, Kennard Harris; George Payne, Vernon Lewis; Mrs. Payne, Donal Engram; Cookie Payne, Ted Cook; Sally Payne, Margie Reid; John Thomas, Donald Clark; Mrs. Esther Thomas, Bobby Christian; Katie Thomas, Patsy Doshier; Walter White, Willie Thatcher; Mrs. White, Neva Sparks; George Hicks, Andre Palmateer; Mrs. Hicks, Jane Moss; Joe Bivins, Gayle Doolittle; Dave Williams, Richard Hapke; and Madge, Marsha Peterson.

The setting of the play is in Henry Nichols' general store in Tumblin Creek village, in the hills of Tennessee.

## Texico Honor Students Are Announced

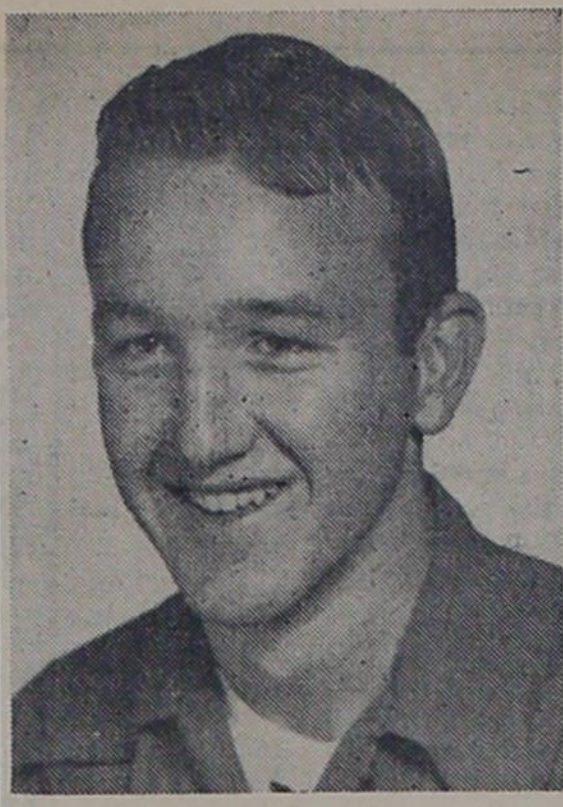

Honor students of Texico schools for the first six weeks work were announced Thursday by the high school principal, Fern D. Stout. "A student must have an average of 3.5 to be on this list," Stout commented.

Students attaining the 3.5 average include: Dee J. Brown, Jo Beth Engram, Carmen Roth, seniors; Patsy Doshier, Alva Jane Moss, Margie Reid, Bobbie Williams, juniors; Claudine Allen, Anita Brown, Mary Lou Hatcher, James King, Doris Leavell, Jo Sondra Magerus, Robert Tucker, sophomores; Roxie Henson, Phyllis Tucker, freshman.

In the lower grades the following students were also listed: Katherine Curd, Wanda Jean Griffin, Allen Lockhart, Kenneth Reid, Bobbie M. Richardson, Nadean Stover, Dora Vigil, Charlotte Wilmet, eighth graders; and Anita Tharp, seventh grade.

ARLYE CROOKS

## Crooks Is FHA Prince Charming Of Texico

Arlye Crooks, sophomore, was elected as F. H. A. Prince Charming in a regular meeting of the Texico F. H. A. October 9th. He was chosen from a group of four boys submitted by a nominating committee composed of Carmen Roth and Jo Beth Engram, on his activeness in F. F. A. and popularity. Other nominees submitted were W. O. Reed, Donald Engram and Gayle Doolittle.

Arlye is enrolled in a full agenda of classes consisting of agriculture II, geometry, English II, and art. He is also active in sports, playing short stop on the softball team.

## Snow White And The Seven Dwarfs Given Here Tuesday Night

Presentation of the fairy tale, "Snow White and the Seven Dwarfs" by a professional New York company in Farwell Tuesday night, was attended by a rather small crowd, Mrs. Jack Williams, reporter of the local Parent-Teachers association, says.

Sponsored by the PTA, the money received at the affair will be spent on a movie projector for the school. Over \$30 profit was realized from the production.

A musical stage version of the famous story was presented by the company of actors, with use of original costumes and scenery. Included was the antics of the Seven Dwarfs to lend comedy to the production.

The cast has presented the program in the immediate area and will be scheduled at other nearby towns. "The children seemed to enjoy the show most of all," Mrs. Williams said.

## Program Features Singing Trio Tuesday

A singing trio was featured in a program which was presented at Farwell schools Tuesday, in conjunction with Southern School assemblies.

Included on the program was a duet, "Its the Most Unusual Thing," and solos, "Blow the Man Down," "O Pretty Maid of France," and "Villia". Other solos included "Moon Beams," and "Will You Remember".

A piano solo, "Rhapsody in Blue", was featured next on the program, then "Night and Day" was the encore number.

One of the vocalists sang "Maid of Cadiz" and another piano solo, "Tico Tico" ended the program.

## Spends Weekend Here

Pfc. Joe Cox, who is stationed at Sheppard Air Force Base in Wichita Falls, spent the weekend in the Guy Cox home in Texico.

## REVERE WARE

We have a fairly good stock of REVERE WARE items in stock at present.

These items make wonderful Christmas gifts, and it might be a good idea to pick them up fairly early if you plan to use them as gift items.

## Bake Sale Scheduled For Saturday Morning

A bake sale sponsored by the Band Boosters Club of Texico will be held Saturday morning beginning at 10 o'clock at the Furniture Mart in Texico, Mrs. Jim Moss, president of the re-organized club, says.

All types of pastries, including pies, cakes and cookies, will be on sale, and tentative plans also are to sell fresh eggs and cream.

The Club is sponsoring the sale to obtain money for uniforms and equipment for the Texico grade school rhythm band. This group includes children in the first three grades.

The uniform project is the first one the club has undertaken this year, but they hope later to help purchase uniforms for the high school band.

Officers elected Friday in the first meeting of the Band Boosters Club were Mrs. Moss as president; Mrs. Milton Henson, vice president; and Mrs. Gilbert Watkins, secretary-treasurer. Mrs. E. R. Tharpe was named chairman of the committee in charge of the coming bake sale.

The club has also voted to purchase a music rack for both bands and glee clubs. The rack will be constructed by the ag boys of the school.

Members who attended the meeting were Mesdames F. S. Thigpen, M. F. Parton, P. D. Cain, J. T. Lockhart, Gilbert Watkins, W. E. Hudson, Milton Henson, Albert Rice, Jim Moss, Edward Engram, John Adams, Leona Bailey, Russell Johnson, E. R. Thorpe, John Armour and Lee Spence.

## Charles Bennet Stockton Honored With Party

Mrs. C. B. Stockton was hostess at a birthday party given in honor of her son, Charles Bennet, October 14, when the honoree was eight years.

The guests were entertained with games of softball and bingo and were later served cake and soda pop. The most impressive moment came when Charles opened his gifts presented by the young guests.

Attending the social were Mary McDaniel, Weldon Jones, Warner Walker, Ladonna Stewart, Dewey Smith, Don Johnston, Gail Hadley, Wendel Doshier, Donna Fay Crawley, Donald Caillouet, and Tommy Armour.

Mr. and Mrs. John Guyer are visiting their daughter and her family, Mr. and Mrs. Charlie Lovelace. They now reside in the state of Washington. He was at one time postmaster at Friona.

# Bovina Happenings

BY MARIE VENABLE

Mrs. George Reisinger returned the past week from Cincinnati, Ohio, where she met her nephew from Germany, who is going to make his home with her at present. They were dinner guests in the Joe Langer home on Sunday.

Garland White and some friends from Friona left Friday for Cortez, Colorado, on a deer hunting trip.

Mrs. Oscar Venable spent Sunday visiting Mrs. L. D. Knight in Clovis.

Mrs. Howard Schroeder and son, Jackson of Boiger, visited in the Ezra Englant home, Wednesday, and Mrs. C. M. Bond returned home with her daughter to stay a while.

Mike Cotter of Littlefield, visited Miss Sarah Marie Venable, Saturday.

Miss Lera Dell Cherry, of Lubbock, visited Mrs. D. C. Looney and other relatives and friends here over the weekend. Lera Dell is formerly of Bovina and is attending school in Lubbock.

Mr. and Mrs. R. C. Martin and sons, of Levelland, visited in the Tabor home, Sunday.

Miss Midgie Tritsch, who is atten-

ding Texas Tech, spent the past week end with her parents here.

Miss Jelena Jackson, of Clayton, visited her parents, Rev. and Mrs. Jackson, the past weekend.

Pete Davies made a business trip to Tucumcari, the past weekend.

Mrs. John Byler and children, of Amarillo, spent the past weekend with her mother, Mrs. Norman Wilson.

Mr. and Mrs. Earl Derrick moved into the E. T. Caldwell home last week.

Mr. and Mrs. Harry Jefferson and family, of Jal, N. M., visited in the Charlie Jefferson home, Sunday.

Dinner guests in the Charlie Jefferson home on Sunday were Mr. and Mrs. Herman Estes and children, Charlie England and Pollock Gurasky.

The Frank Smith residence, just north of the Harry J. Charles home, is going up rapidly. It is understood that it will be sold when completed.

Reagan Looney, Aubrey Brock, D. C. Looney and Howard Looney are on a deer hunt this week.

The regular meeting of the Four Square Dance Club was postponed the past Thursday because of Ben Guill's appearance at the school.

Congratulations to Mr. and Mrs. Harold Hawkins on the birth of a daughter, Sunday afternoon, at the Clovis Memorial Hospital. Both mother and baby are doing fine.

N. E. Bonds is putting in a new concrete driveway at his filling station on Main street this week.

Mrs. Lawrence Rhodes and son are

visiting her parents, Mr. and Mrs. Moorman, this week. Lawrence is in the Navy, at San Diego, California.

The Gulf Gas Co. is constructing a small warehouse down by the big storage tanks. Mr. Delashaw is the local Gulf distributor.

Mr. and Mrs. Bill Denney are making preparations to take their small son, James, to Oklahmoa City, for treatment of eczema. The Denney's baby daughter also has the disease.

Mr. and Mrs. Jack Barnett, of Canyon, visited here the past weekend.

Mrs. J. T. Hammonds substituted in the locals faculty last week, while Mrs. W. E. Williams visited with her daughter, Willie Ellen, and family, in Dallas.

### KIDNAP BREAKFAST IS STAGED ON SATURDAY

The Bovina school cafeteria offered a sight of sleepy eyes, colorful robes, housecoats, absence of make-up and many an uncombed head of hair when the local Study Club surprised many local people with a kidnap breakfast early Saturday morning.

Everything went off nicely, despite the fact that Bob Caldwell never did not get his coffee just right either "not hot enough" or "all gone".

Residents were awakened at five o'clock by blaring horns, and some 200 people participated in the fun.

The sponsors, the Bovina Women's Study Club, expressed its thanks to the public for its sportsmanship.

### ATTEND BALL GAME

Several people from here attended the football game in Dallas last week including Mr. and Mrs. Joe Wilson, Mr. and Mrs. Paul Jones, Mr. and Mrs. Bedford Caldwell, Mr. and Mrs. Vernon Estes, Mr. and Mrs. Harry J. Charles and Mr. and Mrs. Gabe Anderson, Jr.

### RETURN THURSDAY

Mr. and Mrs. Otho Hammonds returned home Thursday with their small son, who has been in the Lubbock hospital for the past month. The baby underwent surgery some ten days ago, and is recuperating.

### CHILD IS IMPROVED

Linda Johnson, small daughter of Mr. and Mrs. Bobbie Johnson, Jr., was returned to her home on Sunday after receiving medical care for a throat disorder at a Lubbock hospital. She is reported as doing nicely.

### WOMEN'S STUDY CLUB MEETS AT SCHOOL

The Bovina Women's Study Club met recently in the Bovina home economics room. Coach Clovis Ratliff gave a talk on "Safety and First Aid" using two school boys on demonstrating artificial respiration, treatment for snake bite, gassing, and care of broken limbs.

Mrs. A. B. Wilkinson talked on "New Medical Discoveries", and Mrs. I. W. Quickel gave an article on "Cancer of the Breast". She stressed four danger signals which would aid in recognition and early diagnosis of the diseases.

Hostesses for the occasion were Mesdames David Carson and Aubrey Rhodes. One new member was welcomed, Mrs. Frank P. Wilson, and others present were Mesdames Aubrey

Ellison, Charles Ross, Bill Kyle, J. P. Macon, A. G. White, Frank Truitt, Horry Poindexter, A. B. Wilkinson, W. H. Willoughby, Clarence Jones, I. W. Quickel, Lewis Pesch, Eddie Redden and Reagan Looney.

### HOME EC. II GIRLS WORKING ON PROJECTS

Jackets seem to hold the limelight on the list of projects the second year home economics girls are making in their sewing class. Seven of the fifteen students in the class are making jackets. The most popular fabric of the year is corduroy, as eight of the girls are using this fabric in various ways.

Margie Reid and Patsy Doshier are making twin jackets of blue corduroy; Doris Leavell and Esther McDaniel are also making jackets alike, but theirs will be of gray corduroy. Anita Brown and Lorena Boyles will use green and rose corduroy, respectively. Betty Bridges' jacket will be of gaberdine in a dark shade of blue.

Suits are also popular with the girls; four of them will make suits in various colors and fabrics. Jo Sandra Magerus chose red corduroy for hers, while Clodine Allen chose blue. Glenda Doshier will be different in fabric and color from any of the others. She selected black and white salt and pepper wool to make hers. Neva Sparks will use chertise gaberdine.

Two skirts and jerkin suits are being made. Mary Lou Hatcher chose wine gaberdine, while Norma Jean Jacks elected to make hers of brown and yellow plaid wool. One dress and one skirt are also being made. Alva Jane Moss is making a dress of green corduroy and June Breeze is fashioning a skirt of blue serge.

### FHA WELCOMES NEW MEMBERS

The FHA extends a welcome to four new members who joined the club Monday, October 9.

New members are Roxie Henson, Aloma Palmateer, Catherine Bell, and Phyllis Tucker.

### TEXICO BOOKKEEPING CLASS DOING WELL

"The bookkeeping class of Texico has completed three projects this year," said Dee J. Brown, member of the class, Tuesday. Brown further stated that the students are setting their own pace, working as fast as

they desire.

In these three projects, the students have studied the five different journals, two subsidiary ledgers, and have completed the complete bookkeeping cycle. They are scheduled to complete a practice set by the end of the second six weeks. They have set a goal of at least three practice sets for the year.

"The students are doing very nice work and they are looking forward to entering national bookkeeping tests to be given here in April, to find out how they rate with other students of the nation," said Mrs. N. W. Peyton, teacher.

Members of the bookkeeping class are: Bobbie Williams, Carmen Roth, La Veda Harriman, Richard Hapke, Dee J. Brown, and Buddy Jo Sparks.

### CHEER LEADER ELECTED

Patsy Doshier, Bobbie Allred and Violet Curry were elected cheer leaders of the Texico High School Pep Club in a meeting, Wednesday, October 4.

Officers elected were: Marsha Peterson, president; Patsy Doshier, vice-president; and Yvonne Horton, secretary-treasurer.

### SUPER SPEEDSTERS SQUELCH HANDICAPPED SCHOOL RABBIT

A group of junior high boys have taken up the pastime of catching jack-rabbits. The boys first hit upon the new hobby last Monday morning when a full-grown jack-rabbit loped across the school grounds where they were practicing football. They immediately left their game, surrounded the rabbit, and captured it.

The rabbit was freed on one of the teacher's instructions and the reason for its capture was easily seen. It was ailing in health and was handicapped by a broken leg.

It is doubtful that the new hobby is to be continued but several of the junior high boys said they would be willing to try again should the opportunity arise.

### STEPHEN STONE JOINS TEXICO SENIOR CLASS

Stephen Stone, a senior, from Sul-

livan, Illinois, registered at Texico Thursday. He is enrolled in American Government, English IV, speech, chemistry, P. E., and dramatics club.

Stephen is the 16 year old son of Claude Stone, former Illinois farmer, who is planning to build a tourist court on highway 60 in Texico.

### SENIORS SELECT PICTURE FOLDERS

The seniors selected picture folders from a large group shown by V. G. Sullivan from Sullivan's Studios in Clovis, Thursday October 5.

The folders were white with diplomas engraved in the lower right corner. Sullivan said, "This is the first time that I know of, that folders of this design have been shown in this district."

Sullivan will make the senior pictures this year.

### TEXICO FFA CHAPTER EXPRESSES THANKS

The Texico FFA chapter expresses thanks to the following who have donated to them this year:

Henderson Grain and Seed Co., Crowley's Grocery, Roth's Grocery, Les Means' Grocery, Stone's Variety, Jim's Cafe, Dykes' Service Station, Red Cross Pharmacy,

Also The Furniture Mart, Robert's Seed Co., Dusty's Cafe, Rose Drug, Lorene's Shop, Davis' Grocery, Sikes' Motor Co., Hall's Grocery, State Line Grocery, Billington's Barber Shop, Ray Mears' Feed Store, Ralph Humble, and W. H. Pendergrass.

### BAND INVITED TO ATTEND ENMU HOMECOMING

Duane Watson, Texico band instructor, announced today that the Texico band has received an invitation to appear at the homecoming of the Eastern New Mexico University football team in Portales on November 4.

Bands from the surrounding area in Eastern New Mexico will participate in the parade in downtown Portales and on the gridiron. The ENMU homecoming queen, who has not yet been selected, will be crowned at the game.

### EIGHT 1950 SENIOR FROM TEXICO ENROLLED IN COLLEGE

Eight of the seventeen students in

the 1950 graduating class of Texico High School are now attending college. They are Lona Mae Jones, Paul Clark, James Harding and Mark Leavell students at E. N. M. U., Portales; John White and Joyce Holland who are attending New Mexico A. and M., Las Cruces; and Patsy Engram and Frankie Harris are engaged in a business course at Draughon's Business College in Lubbock, Texas.

Other seniors are engaged in various activities in New Mexico and Kansas. Betty and Peggy Donahey are home with their parents; Coeta Roth Doolittle and Vera Lee Morgan Wilkinson are housewives now; Billie June Roberts is working in Albuquerque; Douglas Williams is engaged by the Santa Fe Shops in Clovis; and Raymond Troy Morgan is employed by Ingram Bros. in Clovis.

Bennie Jim Billington is a carpenter. David Houghtling is staying with his brother and working in Medicine Lodge, Kansas.

### CITIZENSHIP CLASS DISCUSSES DRIVING WHILE INTOXICATED

A question that appeared on a test in citizenship class this week was "What is your opinion regarding the operation of a motor vehicle while under the influence of liquor, and what do you think a fitting punishment would be if involved in a fatal accident? Non fatal?"

"The answers received on the papers were nearly all alike," reported Instructor John Adams, after the test. "The guilty should be given from 20 years to life in prison and their drivers licenses should be suspended for life," is the punishment the class agreed upon for a person involved in a fatal accident while under the influence of intoxicants.

"A years prison term and drivers licenses suspended for a year after released from prison" was the average answer for a person involved in a non-fatal accident.

"It was very interesting to note each student would subject severe punishment for these serious offenses," stated Adams.

### HOME EC I GIRLS HAVE COMPLETED FIRST PROJECT

First year home economics girls have completed their first project for the first six-weeks, which was to make blouses. Phyllis Tucker, Roxie Henson, Aloma Palmateer and Catherine Bell made white cotton tailored blouses. Charlene Allen fashioned a purple blouse, with long sleeves

and a double collar, which buttoned down the back. Jeannine Donahey made a brown school-girl blouse, and Marjorie Brown made a brown sport blouse.

This six-weeks the girls are learning the different weaves and are illustrated of the weaves in various fabrics.

### IMPROVEMENTS MADE IN TEXICO SCHOOL

"In Agriculture class this week the boys of both classes have been making chinning bars and goals for the outdoor basketball-court," said Carl Schmitt, instructor, today. The chinning bars are being made of stainless steel pipe that was received from the war surplus.

Other improvements in the school are: A magazine rack which was made by the ag boys and placed in the study hall for the convenience of the students and fluorescent lights were placed in three rooms of the school.

### SEVENTH GRADE NEWS

The seventh grade class had an enjoyable skating party at Oklahoma Lane gymnasium, last Thursday evening, according to a report from Jackie Wilmeth, class reporter. Another comment heard was Bobby Goldsmith remarking, "The party was fine, but we should have taken pillows."

Mrs. E. R. Tharp and John Adams sponsors, furnished their cars for the trip.

Those attending were: Roy Thornton, Anita Tharp, Jack Wilmeth, Roy Snodgrass, Delbert Parton, Jimmy Henson, Catherine Bell, Allen Kelly, Bill Sparks, D'Tanis Caldwell, Barbara Caldwell, Sue Doolittle, Bobby Spears, Lester McDaniel, Dick Adams, and Bobby Goldsmith.

### FIFTH, SIXTH GRADE NEWS

Kenneth Smith and Geneva Harriman, fifth graders and Dick Lockhart and Virlene Thigpen sixth graders are on the honor roll this time.

With sixth weeks tests over and Hallowe'en drawing near jack-o-lanterns and Hallowe'en posters is what we see in the fifth and sixth grade room.

### FOURTH GRADE NEWS

Four of the fourth graders, David Lockhart, Anita Moss, Teddy Roth, and Francis Harriman, were on the honor roll the first six weeks.

Six of the group had perfect attendance, including Bobby Stover,

Raymond Hadley, David Lockhart, Francis Harriman, Virgie Thatcher, and Fleita Roberts.

Eitna Lou Allen is planning to be with the fourth graders one more six week period, after which her parents expect to move to Albuquerque.

Ann Speves is back in school after a two-week vacation in Missouri.

### THIRD GRADE NEWS

Third grade boys and girls are doing some freehand cutting. A large tree tacked to the easel is covered with leaves of all colors, some are falling from the tree, while others make a carpet on the ground. This is one sign of autumn.

Hallowe'en posters were made by freehand cutting. A board fence with a cat peeping over the fence and a large moon were placed on a blue background.

Delmar Dubill is back in school this week after being absent about two weeks.

Weldon Jones enrolled in the third grade last week. He came from Levelland, Texas.

### SECOND GRADE NEWS

Second graders are getting ready for Hallowe'en. They are ready to scare anyone who comes in their room with bats, ghosts, pumpkins, and black cats.

Beth Jones from Levelland, Texas, enrolled last week and Cecilia Holladay withdrew and moved to Vernon, Texas.

Two children, Homer Lowrey and Margarita Gonzales are on the sick list this week.

The pupils that have perfect attendance this week are: Alfred Stover, Bill Reid, Billy Roth, Carol Hatcher, Homer Lowrey, Judy Adams, James Arnold, Lee Spears, Margaret Hudson, Margarita Gonzales, and Rosa Gonzales.

### HOME EC II GIRLS COMPLETE PROJECTS

Second year home economics girls have completed three projects during the first six weeks. They have redecorated the home economics room, drawn original house plans, and studied period furniture.

All the girls helped redecorate the room, with the assistance of Mrs. Jimmie Alman, instructor. The walls in the main room and the two utility rooms were painted yellow, with the floors in gray. Cabinets were painted white, a new sink installed, and tops of cabinets covered with green inlaid. (Continued On Following Page)

Defendants. Greeting:

You are hereby commanded to appear before the Honorable 64th District Court of Farmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the sixth day of November, A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 20th day of September A. D. 1950, in this cause, numbered 1536 on the docket of said court and styled Betty Smart Plaintiff, vs. J. G. Burton, et al., Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff brings this suit for trespass to try title alleging that on January 1, 1950, she was the owner in fee simple of all of the following described land:

38.88 acres of land out of Capitol League No. 549, and particularly described as being all of Lot Number Four in Survey Thirty-two, of Township Nine South, Range One East, Capitol Syndicate Subdivision, Farmer County, Texas, as recorded in Volume 5, Page 117, except a strip of land 100 wide, being 50' on each side of the center line of the located line of the Pecos and Northern Texas Railway, which center line commences at a point on the West line of said Lot Four, 660' South of its northeast corner and runs in an easterly direction, a distance of 1081.3 feet; and also, excepting a strip of land 150' wide, being 75' on each side of the center line, and running for a distance of 241.9' to point of intersection with east line of said lot; and excepting Lots 1-7, Blk. 4, of said tract.

Plaintiff seeks to recover her damages in the sum of \$100 and in the alternative Plaintiff pleads the 10-year statute of limitations.

Plaintiff prays for judgment for title and possession of the above-described lands, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 3rd day of October, A. D. 1950.

Attest: Loyde A. Brewer, Clerk, District Court, Farmer County, Texas. By: Rosa Lee Tabor, Deputy. (SEAL) 52-4tc.

linoleum. For the second project, each girl was required to draw original house plans and place the furniture in the rooms to scale. Most outstanding was the one drawn by Mary Lou Hatcher, a plan for a two-story house with garage.

The third project was a study of furniture of the most important periods, which included Victorian, Hepplewhite, Regency, Duncan Phyfe, Sheraton, Early American, French Provincial, and Chippendale.

### PERFECT ATTENDANCE RECORDS ARE SET

Fifteen first graders held perfect attendance records for the first six weeks of school. Students neither absent nor tardy were Janice Adams, Melcena Allen, Joni Sue Armour, Jan Jack, Audrilla Lowrey, Dora Gonzalez, Beulah McDaniel, Sandra Pendergrass, Beth Ellen Peyton, Don Reid, Mary Tunnell, Charlotte Crawford, David Watkins, Bobby Curtis and Jean Hadley.

Absent only one day were: Rosie Arnold, Pat Burford and Judy Whiet.

### SOPHOMORES INITIATE FRESHMEN AT TEXICO

Thursday, October 12, the freshman class of Texico was initiated in a general assembly by the sophomores, with Jo Sandra Magerus acting as master of ceremonies.

First on the agenda was a style parade of ladies' fashions for 1951, presented by eight freshman boys. Darryl Harris took first place with a lavender afternoon dress, with which he wore a tan tam and black shoes. Clyde and Claude MacDonald remained true to their twin identities when they modeled dresses, boots, and scarves alike. Kenneth Allred and Jim Moss presented the costumes the well-dressed teen-ager will wear—short blue jeans, white or burlap blouses, with straw hats and boots. Jerrel Doshier modeled boudior fashions, and Roy Snodgrass and Kenneth Doolittle showed afternoon clothes.

The next scene was the wedding of Aloma Palmateer and Carlton Kyle by the preacher, Waune Morris, who was attired hobo style. Following the wedding, Wayne Hagler who presented the fashions for a well-dressed baby, entertained the students by rolling a potato across the floor with his nose.

Roxie Henson portrayed a young man who proposed to his sweetheart, Paul Crooks, but received a negative answer because the young lady was

intent on taking a shower.

All the boys participated in a hog-calling contest, after which the MacDonald twins, assisted by Darryl Harris, sang "Old MacDonald Had A Farm". Four girls tap-danced and sang "Three Blind Mice". The girls were Charlene Allen, Catherine Bell, Aloma Palmateer, and Phyllis Tucker.

All freshmen joined the grand parade, and then marched out of the auditorium.

### TEXICO SENIOR GIRLS SELL ADS IN CLOVIS

Mrs. Agrie Jones accompanied four senior girls to Clovis Monday morning, where they spent the day selling ads for the school annual. Mrs. Jones returned to Texico at noon, but the girls, Jo Beth Ingram, Carmen Roth, Violet Curry, and Bobbie Dawn Allred, remained in Clovis during the afternoon.

Agrie Jones, superintendent, stated today that the girls were very successful in their campaign, selling ads amounting to a total of \$96.

### TEXICO SCHOOL HAS NEW LAWN

Texico school boasts a new lawn in front of the gymnasium. The area was planted to meadowflesque grass, last Monday evening by a group of local teachers and students.

The seed bed was prepared by the FFA boys and the seeding and covering was done by Carl Schmitt and Supt. Agrie Jones, teachers, and W. O. Reid, Dee J. Brown and Buddy Sparks, students.

The seeding of the area was a further step in the goal of completely grassing the school grounds.

### TEXICO SCHOOLS RECESS OCTOBER 25-28; TEACHERS ATTEND STATE MEET

Texico schools will be dismissed Oct. 25-28 for the State Teachers meeting held in Albuquerque, announces Agrie Jones superintendent of schools. All teachers in the school are making plans to attend the meeting.

Teachers representing all schools in New Mexico will attend the annual meeting of the New Mexico Education Association. The group program will be broken up into various departments of instruction and panel discussions will be held for the instructors, Fern Stout, principal of the local school, says.

Purpose of the meeting is to discuss and work out some of New Mexico's educational problems, Stout adds, and an informal discussion will probably be held on legislation.

## Edwards Gin Great Aid To Area Farmers

Well known to the cotton farmers of this area are Ray and Horace Edwards operators of the EDWARDS GIN CO., in Muleshoe.

The Edwards gin has been put in readiness to handle their share of the ginning of this year's cotton crop. It will be remembered that last year the estimated cotton crop for this territory that was ginned and marketed in Muleshoe was approximately 60,000 bales. The cotton farmers who used the facilities of the Edwards Gin were highly pleased with the good service that they received from Ray and Horace Edwards and their employees and they are again ready to render the same good service and solicit the patronage of their old friends and customers and to those who have never used their ginning facilities, are invited to bring their cotton to them this year and they are assured of the very best of service.

Edwards Gin Co. is also buyers of cotton, paying the very highest market price. They have connections in the major cotton markets and are at all times glad to furnish market information to their customers. They were active in purchasing 1949 cotton equities and paid the highest market price for them.

We are pleased to recommend Edwards Gin Co. to our readers. You will find both Ray Edwards and his son Horace have always cooperated with every movement that would better the agricultural interests of this area and their many friends and customers are loud in their praise of the good service that they render.

## Herb Edwards Opens New Jewelry Store

The many friends throughout this trade area of Herb Edwards will be pleased to know that he has opened a most modern jewelry store—HERB EDWARDS JEWELRY CO. located at 409 Main Street (Lyceum Theatre Bldg.) in Clovis. Herb has been engaged in the jewelry and watchmaking business for the past twenty-five years, the last seventeen years in Clovis, where he has established an enviable reputation for honest deal-

ings. This new store will feature nationally known lines of watches, silverware, costume jewelry, leather goods and small electrical appliances.

The diamonds offered will include a wide selection of FEATURE LOCK and other stones personally selected by Herb direct from the diamond importers. This new jewelry store also has the distinction of having been appointed official Santa Fe railroad time inspector. Wayne Wicker who is also a certified master watchmaker and who has been in the jewelry business in Clovis for the past nineteen years, is another feature of the new firm.

Herb has especially selected his entire stock for the people in this area. When buying jewelry, whether it is the humble cuff links or a diamond solitaire, the average person must depend upon the integrity and knowledge of the jeweler. In this connection the Clovis area is fortunate indeed in having Herb Edwards Jewelry Co. in Clovis, because it is home-owned and merits the patronage of our people because of the quality lines carried and their open and above-board business policies.

We extend the very best wishes to this new concern and hope for them every success in the future.

## Maurer Machinery Popular M-M Dealer

Operating a complete implement and tractor agency, Maurer Machinery Co. of Friona who handle the well-known and dependable MINNEAPOLIS-MOLINE Farm Machinery are rendering a service second to none in our community.

They are always glad to discuss your tractor or farm implement problems and will do every thing possible to make you an attractive deal, giving you a good allowance for your old tractor or implement.

At this particular time of the year before the fall rush, they suggest that should your tractor or any other farm

machinery need repairs or a complete over-haul that you bring it in. Their experienced mechanics will do a first class job and they use only factory engineered parts. You will find their repair shop is well equipped and that they will be reasonable in their charges and they always see to it that the repair work is done properly.

Should you be in the market for a new tractor or other farm equipment let Maurer Machinery Co. give you a demonstration on your own farm and see how M-M tractors and implements can save you much time and do an economical job for you.

We are glad to recommend this reliable Friona farm implement concern to our readers because they have built their business on quality, service and fair dealings and merit the splendid business that they enjoy.

## Arnold Morris Auto Co. Tops In Service

Just as the Dodge and Plymouth automobiles as well as Dodge Job Rated Trucks have been instrumental in giving us the very "Tops In Transportation" so has Arnold Morris Auto Co. of Muleshoe set the pace for the new car business in this area. They have sold many Dodge and Plymouth cars as well as Dodge Job Rated Trucks in this area and are recognized as more than just a new car agency.

They offer the very best in automotive repair service. Their shop is modernly equipped and their mechanics are thoroughly trained and experienced on all makes of cars, trucks and irrigation motors. They use only factory engineered parts and are glad to furnish cost estimates on complete motor rebuilding jobs. While price has never been the means of this concern obtaining business it has always been noticed that their charges are in line with the quality work that they do.

Arnold Morris Auto Co. have also made an enviable reputation on their good used cars and trucks. The honest values and business methods of this concern have always been of the highest calibre whether the dealings have been for a new car or truck or one of their better used cars or work

in their service department.

We are pleased to recommend Arnold Morris Auto Co. to our friends and readers and compliment them on their quality products, good used cars and splendid repair service.

## Leading Lines Are Featured By Johnson & Nix, Muleshoe

No review of the agricultural interest of our area would be complete without mention of Johnson & Nix of Muleshoe who are dealers for OLDSMOBILE—General Motor's outstanding car that features the "ROCKET" Engine, Hydra-Matic Drive and Futuramic Styling and also handle the well-known INTERNATIONAL FARMALLS, Trucks and Farm Implements.

Johnson and Nix have met with great favor since they started in business and daily continue to serve our area in an admirable manner. Having gained a reputation for complete customer satisfaction because they have had a wide and varied experience in the automobile and farm machinery business and have surrounded themselves with employees who, likewise, are thoroughly familiar with their lines, seeing to it that their stock of parts is always complete and every repair job on all makes of cars, tractors and farm machinery is turned out of their shop to the entire satisfaction of the customer.

This popular Muleshoe firm is always glad to have you drop in and present your tractor and farm machinery problems to them and they will give you the benefit of their experience and any advice you may wish along this line. They have at all times good used tractors and farm implements as well as low mileage used cars and trucks.

They are glad to give a demonstration of INTERNATIONAL Tractors or Implements on your own farm so you can see how they will do your job in an economical way.

Johnson & Nix have played an important part in the progress of this district and merit the continued good will and whole-hearted support of our people.

**Dates Changed For Hayloft Jamboree**

Uncle Ezra's Hayloft Jamboree, originally scheduled for Thursday and Friday nights at Bovina, will be staged on Wednesday and Thursday nights instead, Mrs. Patsy L. Moore director in charge, announced today.

Mrs. Moore said the change in the dates became necessary with the announcement that Farwell and Bovina high schools will play football at Farwell on Friday night.

The home-talent play, being put on under the sponsorship of the Bovina American Legion, has arranged for a cast of talent seldom assembled for a home-talent appearance. Bryon Turner is being cast as Joe Kelly, with Joe Moore taking the leading part as Uncle Ezra.

Hiram Hicks will be played by J. T. Hammonds, and Patsy Read will appear as Lula Belle. The Hayloft Hoppers will be composed of members of the Bovina Square Dance Club, with Joe Brito & Company furnishing the music. Billie Derrick will be the guest artist.

In addition to the cast an array of musical talent from Bovina, Farwell, Friona and Texico, are listed in the parade of talent that will appear during the two programs.

Curtain time is 8:13 p. m. each evening, and both shows will be put on at the Bovina school auditorium. Proceeds from the two performances will go to the Bovina Legion Christmas fund.

**Cicero Smith Begins Move To New Yard**

The stock of the Cicero Smith Lumber Company at Bovina, is being moved to their new quarters this week, after many delays.

Aubrey Brock, manager, stated the first of the week that he expected to complete the moving job by the latter part of this week, although considerable straightening up will be strung out over many weeks yet.

The final finishing touches were being added to the new office and showroom quarters early this week and much stock was being rearranged. Final arrangement of the stock in the showrooms has been occasioned by a fire that destroyed some of the fixtures in a factory in Missouri.

The new and roomy office quarters are modern in every detail. Hot and cold water is provided for both the ladies and gents rest rooms. A forced gas heating system, with automatic control, keeps the building at an even temperature.

The final moving job will be some of the old sheds from the old stand, then a fence will be thrown around the entire set-up. The new yard is located on Highway 60 in the north part of town.

**Cotton Controls Are Removed, With Seed Shortage Predicted**

Farm production was stepped up a little last week with the long-predicted removal of farm cotton acreage allotments and market quotas, as announced by Secretary of Agriculture Brannon.

This announcement means that farmers may plant and market the 1951 crop of cotton of both upland and long staple varieties without incurring marketing penalties, forfeiting conservation assistance and without losing eligibility for price support, Jimmy McGuire, clerk at the local Production and Marketing office reports.

In a report by B. F. Vance, chairman of the state PMA committee, it was emphasized that "None of the penalty provisions of the 1950 cotton marketing quota program are relaxed or rescinded by the announcement of the 1951 crop."

Non-cooperators cannot avoid 1950 marketing quota penalties by carrying over a 1950 crop of cotton for sale at some future date, McGuire states.

Secretary Brannon, in his announcement, credited the short crop this year to failure of farmers to plant their allotted land to cotton. Joe Jones, local county agent, feels that many farmers in this area passed up their 1950 allotments, and a good deal of the crop was destroyed by insects.

Anyway, farmers can plant all the cotton they want to in 1951, and Brannon said the crop will be governed by government price supports, but did not indicate at what levels prices will be supported.

Jones warns local farmers that they should make arrangements now for cotton seed if they plan on planting, because indications are that the amount of seed will be short.

Also, Jones points out that if farmers expect to use fertilizer on any crops, they had better check supplies as the spring demand may exceed the amount of fertilizer available.

All reports indicate that demands for cotton will remain at a high level.

**HARDEST**

The hardest thing in the world to keep in cold storage is a warm temper.

The trees are preaching! Let's listen! What is that twisted tree saying to you and to me? What is the second and smaller tree telling you of life, as it twists about the other? "Only God can make a tree"; but even God's purpose to make a strong and straight tree sometimes fails. Why did not this tree grow tall and upright and sturdy? Why ill-formed and crooked and misshapen?

And so are some of us. Why do not women and men grow upward toward God and the good? Why have lives become twisted and gnarled and unattractive? Has the tree a lesson for us here? Most twisted trees were bent when they were young; some storm or some accident worked its evil will upon them. They were intended to grow straight and strong and beautiful; the seed was good, the soil was right; but they did not get the right start. When they were young some sinister influence left its mark upon them for all the years; they have grown in twisted shape because some force shaped them that way. How can we protect young human life from such twisting and scarring? The good heritage is not enough; the comfortable home is not enough; unless we elders see that this fine young life gets its chance to grow straight and true.

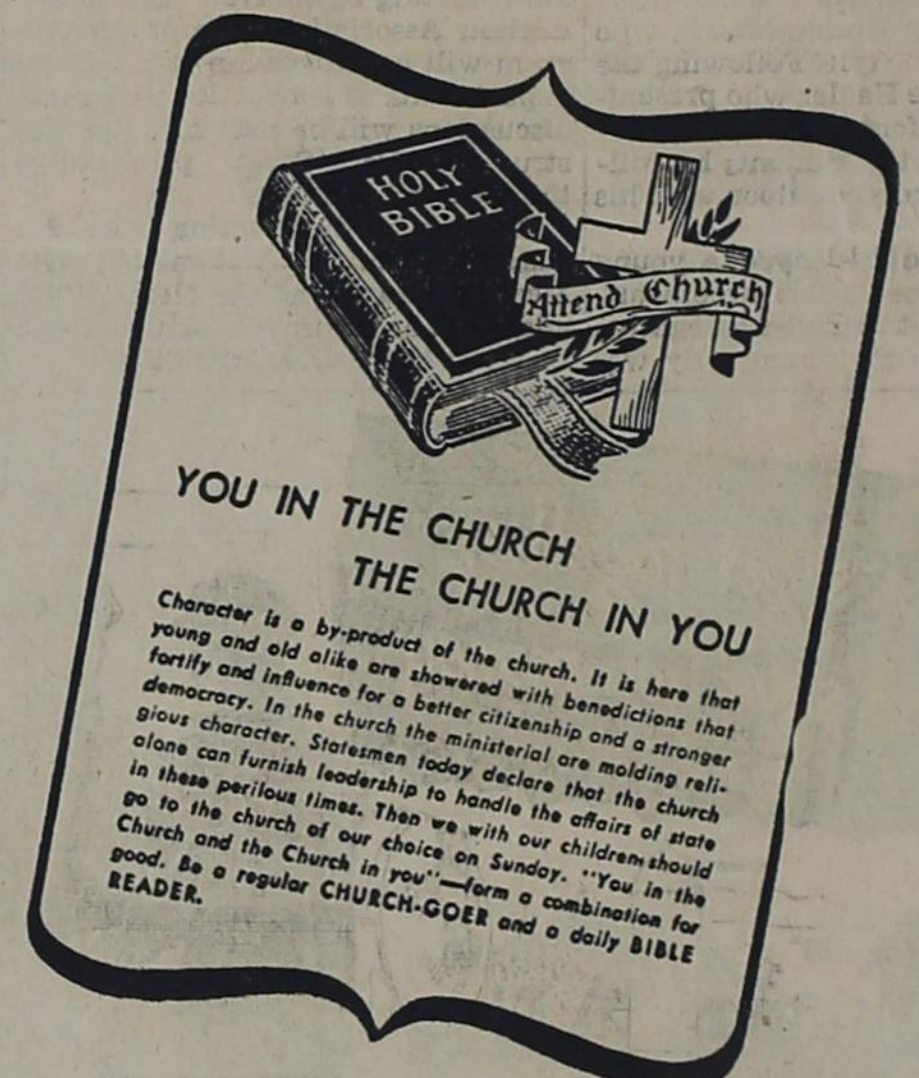

The neglected child of the street or of the lane gets an early twist; the storm of man wickedness and evil is too great for the young life to take; he is subjected too early to the sights and sounds of the women and men who have wrecked themselves.

The pampered child of the foolish parent who is too busy or too careless to guide the developing spirit gets twisted too soon. There are rules that must be learned if one is to play the game of life successfully; there are good habits that must be formed under patient discipline and by good example.

The frightened child who has been compelled to listen to quarreling and scolding elders gets an unhappy fear and disrespect for human contact. He has a right to live in an atmosphere of patient good will and of forbearance, but he is misdirected by selfish and unkind words and deeds.

The sour and the surly children of loveless homes and communities bear the marks of misdirection forever; every child has need of love and kindness and justice and patient understanding; these make the healthful air of human development.

Prayer and reverence for God and the good, loving fellowship in ways of integrity and of helpfulness make the right soil for straight-growing persons. *As the twig is bent, so grows the tree.*

**County Agent Warns Farmers Against Grain Insect Infestations**

Some crops of grain sorghum being produced in Parmer County this year will probably be stored on the farm, Joe Jones, county agent says, and farmers should give special attention to controlling insect infestations in the stored grain.

Thorough cleaning of the bins is necessary to prevent the new crop of grain from being mixed with old grain which is already infested. If the bins are constructed of wood, farmers should apply a residual spray to the walls and floor at the rate of two gallons of spray per 1000 square feet of surface area. Spray steel bins around the door frames and other places where the insects may be con-

cealed, Jones emphasizes.

A satisfactory treatment consists of sprays consisting of two and one-half parts DDT or clordane as emulsions or water suspensions. A water suspension of DDT can be prepared by mixing ten and one-half pounds of 50 percent wettable DDT powder in 25 gallons of water.

As further precautions against insects, Jones advises removing all sources of infestation, including feed, waste grain and other materials stored or accumulated near the bins, before the new grain sorghum is moved in.

Jones warns that the grain sorghum should be as dry as possible when stored. If the moisture content is higher than 12 percent, the insect infestation will be heavier.

Fumigation is also recommended for insect control if the same quality

grain is to be removed from the bin as was stored, Jones says.

Possibly the best time for initial fumigation is within a month after the grain has been placed in the bin. Monthly inspections during warm weather are recommended to determine whether or not refumigation is necessary.

Since insects are likely to be found near the surface of a bin the degree of infestation can usually be determined by sifting a sample of the surface grain. To be safe, Jones adds, if as many as two weevils or five bran beetles are found in a two pound sample, the bin should be refumigated.

In wooden bins, 1000 bushels of the grain can be fumigated with a mixture of 10 gallons of one part carbon tetrachloride and three parts ethylene dichloride. Other recommended dosages are eight gallons of carbon tetrachloride, or eight gallons of a mixture of four parts carbon tetrachloride and one part carbon disulfide per 1000 bushels of grain. The dosages of the three fumigants can be reduced by 25 percent if the grain is stored in steel bins.

Fumigants should be applied from the outside of the bin by means of a bucket pump or other type sprayer and they should be distributed evenly over the surface of the grain. It is unwise to attempt to apply the fumigant with a sprinkling can because the vapors are dangerous to breathe, Jones emphasizes.

Farmers are cautioned that the person applying the fumigant should avoid spilling the insecticide on his skin, clothing, or in his shoes. If the clothing becomes wet, it should be removed at once, and the skin should be washed with soap and water to prevent blistering, Jones says.

**County Farm Bureau Elects New Officers**

At a meeting of the Parmer County Farm Bureau, held last Thursday night at the school auditorium in Bovina, new officers and directors were elected for the coming year, and delegates to the State Convention were named.

The new officers selected were: Bruce Parr, president; James R.

Roach, vice president.

Joe S. Menefee and Lee Edward Meeks were named directors to serve with Melvin Sachs and Billy Sudderth, who were hold-over members.

Those chosen to attend the State Convention at Mineral Wells on Nov. 20-23, were: Bruce Parr, Edward Meeks, Billy Sudderth and Raymond Euler.

In addressing the meeting last Thursday, County Organizer Raymond Euler explained the benefits to be derived by being a member of the organization, and said that there were now 350 active, paid up members in the Parmer County unit.

**FIRST STREET GETS NEEDED GRADING**

County Commissioner E. F. Billingsley had some of the heavy county road machinery here last week doing

some badly needed grading work to First Street in Farwell.

In addition to giving the street a needed grading, drive-in approaches at the Lovelace Grain and Storage elevator were opened up and graded, to be followed by a heavy coating of caliche surfacing.

Chug-holes about the city's streets have also been filled and a new coating has been applied to the driveway around the county courthouse.

Hang on to your War Bonds!

## Outclassed, Over-Powered Farwell Steers Go Down Before Olton Mustangs, 69 To 12

Flat refusal to admit they were out of their class this year against the over-powering Olton Mustangs, the Farwell Steers never quit fighting Friday night, although they went down under an avalanche of Olton touchdowns, with the final count standing at 69 for Olton and 12 for Farwell.

Indomitable Jerry Pool gave the spectators a thrill for their money with the two outstanding runs of the evening in chalking up the Steer counters. Just after the Mustangs had racked up their third score in the initial quarter, Pool took the ball on his own 26 and miraculously came through a nest of Mustangs to completely outrun his competitors for his first jaunt into paydirt; and again in the third quarter the same play paid off, with Pool traveling from his own 26 to the glory land.

Bulky Gerald Allcorn was the backbone of the Mustangs attack, bursting with power through and over the Farwell line time and again for both long gains and scores, while Millsap was another factor in the attack, and Maynard handled the passing department very creditably.

The Steers, outweighed almost to a man down the line by some 8 to 10 pounds, nevertheless proved able to withstand the bone-crushing Mustangs advance on occasions, and twice managed to hold their competitors on fourth down, one time on their own one-foot line. Norton, Christian, Potet and Pool showed up repeatedly on the defensive division, while McClure was one of the most persistent Olton tacklers.

Coach T. M. Cox, head of the Mustangs, sent in some of his second stringers in the second period of the game, and after a few brisk gains, the subs were held by the locals, after which the principal Mustangs re-entered the game and in the most part, remained in the fray until the final whistle.

### First Quarter

Getting the choice, Olton elected to receive and Christian booted to the 30, where Gullett took the ball and came back to his own 40. Maynard hit the line for 9, and then blasted his way downfield behind excellent blocking to the Steer 11 where he was nailed by Doshier. On the next play Allcorn went into the end zone, but the play was called back and Olton fined 5 yards for backfield in motion. Taking the pigskin, Maynard circled to the left and plunged over for a touchdown that went on the records, with Allcorn carrying for the extra, and the Mustangs lead, 7-0.

Olton booted to the 20 with Pool getting back only five yards. On his first try, Pool gained 8, but the Steers were offside and Farwell got a 5-yard penalty, repeating the identical performance on the succeeding play. Pool booted to the Olton 40 and Millsap snapped up 20 yards before being downed by Coburn. Maynard carried for five, Allcorn went over right tackle to the Steer 25 where Dial dumped him; Pool got Maynard after a 5-yard gain; Maynard made another 4 with Pool again stopping him and Allcorn went through a hole over right tackle for a touchdown. Millsap scored the extra on a line plunge. Score, Olton 14; Farwell 0.

The Olton kickoff went to the Farwell 30 with Jesko taking it back to the 38, where McClure and Allcorn downed him. Jordan tried an incomplete pass to Pool with Millsap almost intercepting; Pool lost 6 as the line leaked, then made back the yardage, but was forced to kick, the ball being taken by Allcorn on his own 40 and adding 8 yards. Maynard went over tackle for a 22-yard gain, Gullett went on the Steer 18, took the ball again for another 5, Millsap added 4 before caught by Rex Pool, and Allcorn's gain of 4 was erased by a 15 yard penalty against the Mustangs. Maynard bucked for 7, and then Allcorn took over and was again off on a touchdown scamper, with Millsap carrying the mail for the additional point after which gave the Mustangs a 21-0 lead.

Olton kicked to the Steer 26, where Jordan fumbled and Pool covered, after Gerics got nothing, Pool exploded through a mess of Mustangs and was off to the races for the first Farwell touchdown. The place-kick attempt was blocked by a swarm of Olton-ites but Farwell was in the ball game again, trailing 21-6.

Christian sent the ball to the Olton 10 on his kickoff, Daugherty carried back to the 19, Meeks ran down Allcorn from behind on the Steer 10 after a long downfield gallop, but Daugherty took over for another Olton counter and Millsap drove through for the point-after. Score, 28-6. Olton kicked off and Jordan was dumped on his own 30 as the quarter played out.

### Second Period

Opening the second gasp, Jordan passed to Norton for 5, Gerics lost 2, Pool made back 3, Jordan was caught for a 5-yard minus, and Pool booted out to the Olton 35, where R. V. Allcorn got the ball and was nailed before moving. Olton drew a 5-yard penalty on the first play for offside, and Millsap fired an aerial to Copeland for a short 3-yard gain. Daugherty added 2, and then went tearing through into paydirt with Millsap adding the extra. Score, 35-6.

Pool took the Mustang kickoff on his own 20, but on the first play fumbled the ball and some 6 or 8 Mustangs covered. Millsap made 10 but the play was nullified by a 5-yard penalty, and then Dodd bounced back to score for the Mustangs again and the place kick was good to put Olton ahead, 42-6.

Olton sent the ball to the Steer 8, where Pool grabbed it and bored upfield to the Olton 49. Raney got loose to the 25, Pool was caught for a 4-yard loss, Jordan to Raney made 9 and the same play clicked again with Raney apparently in the clear when his feet slipped and he went down on the Olton 15. Pool's try got nothing and Farwell was penalized 5, Jordan to Raney was incomplete in the end zone; a double offside penalty cancelled a nothing-doing try for Pool; Jordan tried another pass which was intercepted by McClure near his own goal line and he returned to the 15. Farwell got a 5-yard fine, and Olton fumbled the ball with the Steers recovering on the Mustang 21. Jordan to Meeks gained 5, Jordan to Pool got nothing, and McClure again intercepted a Farwell aerial as the half ended.

### Third Quarter

Olton kicked down to the Steer 25 where Doshier fumbled the bounding pigskin but Gerics covered to save for Farwell. A pass try got nothing and then the fans rose to their feet with a mighty roar as diminutive Jerry Pool came bouncing through the line and was off for the second counter, with Dodd and McClure reaching for his coat-tail all the way. Jordan's kick was low and into a mass of Mustangs. Score, 42-12.

Christian sent a sailer and Olton was caught on their own 35. Allcorn made 5, then 2 as he was caught by Jordan, but Farwell drew a 5-yard penalty. Maynard was slapped down by Doshier for a 6-yard minus count, and at the same time was fouled with Olton drawing a 15-yard penalty from the point where the play died. Allcorn came blasting back to his own 45 and then bored for a first down on the Steer 49 as Rex Pool and Meeks nailed him down. Millsap passed to Ellis on the Steer 19 as Jordan failed to cover Ellis, but the play was wiped out with Olton drawing a 5-yard fine. Allcorn's try got nothing, and Olton was forced to kick, with Pool taking the ball on his own 28 and adding 2. Gerics was swarmed over and had no chance to pass, losing ground to his own 10; a bad Farwell kick barely cleared the line, was touched by a Mustang and covered by Farwell, giving them another chance on their own 18, but on the next play the locals fumbled and Olton recovered.

Allcorn made 5, Millsap gained for a first down on the Steer 5 and Daugherty took the ball for a touchdown, with Allcorn plunging over for the extra. Score, 49-12.

Olton kicked to Norton on the 25 and he got no return, Pool managed to rack up 5 yards. Jordan's pass to Norton was a beauty, and Norton was in the clear on the Olton 30, only to drop the ball as he went to tuck it away. A bad Steer kick went out of bounds on their own 45. Allcorn fumbled but Wyatt recovered to gain 5. Daugherty hit the 35 for a first down; and Maynard went all the way for a score which was nullified by a 5-yard penalty. On the identical play, Dodd took the ball and scored for Olton, with Millsap's drop kick true between the uprights, and Olton lead, 56-12.

### Fourth Quarter

Olton kicked to the Steer 28 and Gerics got back for only 2. Jordan shot an incomplete pass, broken up by Hall of the Mustangs; another pass try to Norton was incomplete; Jordan lost six and on fourth down Farwell kicked out with Olton taking over on the Steer 40.

Millsap was hit for a minus 5, then clicked on his pass to Copeland for a first down on the Farwell 29. Durham got nothing, Millsap's pass try to Copeland was slapped down by Norton; R. V. Allcorn made 5, and then Millsap fired to Copeland who went on for a touchdown. Millsap's drop kick was again true, score 63-12.

Crume fumbled the receiving end of the kick on his own 30, and Olton again took over. Christian knocked down Millsap's pass try; a completion, Millsap to Durham was called back and killed by a double offside charge; Millsap to Copeland gained 5; and Gullett hit the 15 for a first down, with Farwell getting a 5-yard penalty for too much time. Christian dumped Millsap after a 2-yard pick-up, Daugherty got nothing but Farwell again got a 5-yard penalty; Millsap's last try was no good, and the Steers had held on their own 1-foot line.

Pool tried the line for nothing and Farwell was penalized half the distance to the goal line, a matter of inches, with the Steers kicking out to the 15, where over-eager Mustangs fumbled and the Steers recovered.

Jordan to Norton was incomplete but Jordan to Pool made 5 and the same combination added another 2, with McClure downing the receiver. Farwell kicked out and R. V. Allcorn came booming back to the Steer 45. Millsap to Copeland reached the 25, R. V. Allcorn added 2, Millsap plunged for a first down on the Steer 10, and Copeland received for a counter, with Millsap booting the extra. Score, 69-12.

Olton's kick went to the Farwell goal line, where Pool received and came bouncing back upfield to the 35. Jordan passed to Doshier for 5, Pool got a first down on the 48. Jordan's pass was almost intercepted by Durham, Raney lost 2, and Jordan tried to pass and then had to run the ball as the game ended.

The Farwell band and pep squad made the trip with the Steers, performing during the half, and numerous loyal Farwell fans were in the stands.

Officials for the game were Earl Ince, of Texas Tech, referee; Howard Price, Tech, head linesman; and George Philbrick, Tech, umpire.

## Co. Softball Tourney Slated This Weekend

Members of the Texico softball teams will enter the county softball tournament held in Clovis this weekend at Hillcrest ball park. Beginning on Friday, the tourney will continue through Saturday when the champs are acclaimed.

Both of the local teams have definite chances to win out over the opposing teams having made good records in the season just closed.

The Texico boys' team has won three games, dropping only one encounter this year. They were defeated by Rosedale, who won over them in the finals to attain the championship last year. Losing to Texico have been Forrest, Grady and Ranchvale.

The girls were co-champions last year and placed second in the county in 1948. They closed the season last Friday with a perfect conference record.

The Wolverines will go to the meet with a batting average of .473 for the year. Individual records are as follows:

Brown	.500
Reid	.561
Breeze	.625
Horton	.562
Palmateer	.466
Doolittle	.480
King	.240
Tucker	.625
Sparks	.240
Christian	.500
Harris	.500
Jester	.100
Bocox	.375
Crooks	.333

Game schedule for the boys' team includes a game between Grady and Ranchvale Friday, with the winner of the tilt playing Texico at 10 Saturday morning. Rosedale and Forrest meet at 1 Saturday afternoon, and the two bracket winners play off the title round at 4 Saturday afternoon.

With more teams competing, the girls will have a fuller schedule. Play opens Friday morning at 9:30, when the locals play Melrose; Ranchvale takes on Field in the next game, and

the semi-final between the winners comes Saturday morning at 8:30.

Rosedale opens against Grady and Forrest meets House Friday afternoon, the semi-final also following on Saturday morning. The championship match is scheduled for 2:30 that afternoon.

## Bovina Dumps Bula 32-17 Friday Night

The undefeated Bovina Mustangs romped the Bula Bulldogs, 32-17, in a fourth District 3 six-man football tilt on the Bovina field Friday night.

The first half was anybody's game with the Bovina speedsters on the low end of the score, but a last half rally maintained the Mustangs position as leading team in the six-man conference.

With the score 7-6 at the end of the second period of the game, the Mustangs whipped up their offenses and notched three touchdowns in the 3rd quarter. Not stopping there, they scored one other touchdown in the last period of the game.

Loren Thompson, Glenn Hromas and Billy Derrick were sparkplugs of the Bovina team's offensive strategy.

## Muleshoe Pummels Yearlings, 28-6

The Muleshoe junior team ripped the Farwell Yearlings at Muleshoe, Thursday night, racking up four touchdowns and four extra points, as Farwell went over the goal line into pay dirt only once. Score, 28-6.

The winning juniors outmanned the Yearlings, but the locals held on even terms until Muleshoe fielded a freshman team, which Farwell was unable to handle.

The Yearling passing attack floundered, but the whole group played well against their heavier opponents.

The Yearling will be in better shape this week, Coach S. S. Jobs

reports, with the return of Calvin Barker, regular right halfback, to the lineup.

The game which was scheduled with Friona for the coming Thursday night has been postponed to October 30, Jobs announces.

## Bovina Mustangs—

(Continued from Page 1)

eleven will be Billie Drierick, fullback; Jimmie Ware, halfback; Willie Denney, quarterback; Glen Hromas, halfback; Loren Thompson, center; Denzil Young, end; Jamie Tidenburg, end; Kenneth Lowrie, guard; Stanley Venable, guard; Bob Burnett, tackle, and Charles Verner, tackle. This group includes four seniors, five juniors, and two sophomores.

Other Mustangs are Huey Lowrie, Leon Ware, Glendon Sudderth, Giles Walling, Roy Young, Jerry Ellison, Sammy Sudderth, Rex Isham, Danny Pounds, Billy Floyd, Ted Walling, Dale Berggren, Norman Taylor, Billy Woelfel, Wayne McCutcheon, Joe Jackson and Owen Burnett.

Tentatively listed for the Steers are: Harold Doshier, left end; Donald Pipkin, right tackle; Beryl Nix, left guard; John Christian, center; Ronnie Dial, left tackle; Jesse Coburn, right end; Jerry Pool, quarterback; Pike Jordan, fullback; Bob Gerics, left halfback; Rex Pool, right guard, and Darrell Norton, right halfback.

Also in uniform will be Charles Phillips, Ted Magness, Dennis Raney, Leon Meeks, Bobbie Crume, Doyle Vaughn, Donald Jesko, Buil Dollar, Junior Potet, Frank Gulley and Gerald Curtis.

Admission prices for the game are \$1 for adults and 50c for children, in conjunction with prices set by District 11-B officials. Game time, 8 p. m.

Mrs. Harry Jesko returned home Monday from Pueblo, Colo. where she has been spending a few days in the home of her sister. She made the trip with Mr. and Mrs. Priboth of Muleshoe.
