Halloween Parties Set For Trick-Or-Treaters

Monday, Oct. 31, is the night that the Twin Cities area will be invaded by witches, goblins, and spooks, as children of all ages don their favorite costumes to celebrate Halloween, which is short for "All Hallows Even."

The October 31st celebration was a time when it was observed by the playing of pranks during the evening, but now youngsters knock on doors asking for a treat or two.

A Halloween Festival at the Texico Community building and a Halloween Party at the Farwell Convalescent Center have been planned to help keep many youngsters off the city streets with games and "treats" on tap at both open house events.

Farwell Convalescent Center will be the scene of a big Halloween party Monday night, Oct. 31, and all ghosts and goblins and other would-be spooks up to the age of 10 are asked to come by the Center for trick-or-treating from 6 to 6:45

p.m. CST.

The party gets underway at 6 o'clock and is being sponsored by the Convalescent Center Auxiliary.

After the residents hand out the trick-or-treat goodies, there will be games and fun galore, including refreshments and other treats.

Harold Carpenter will play the piano to make music for the cake walk, and there will possibly be other entertainment. All the festivities and games will take place in the dining hall of the Center.

All Auxiliary members and other interested community members are asked to bake cakes to be used for prizes in the cake walk and in other various games scheduled throughout the evening.

Members of Alpha Rho Lambda chapter of Beta Sigma Phi sorority are furnishing cookies for the event.

Auxiliary members should plan to be at the Center just before six o'clock, and all resi-

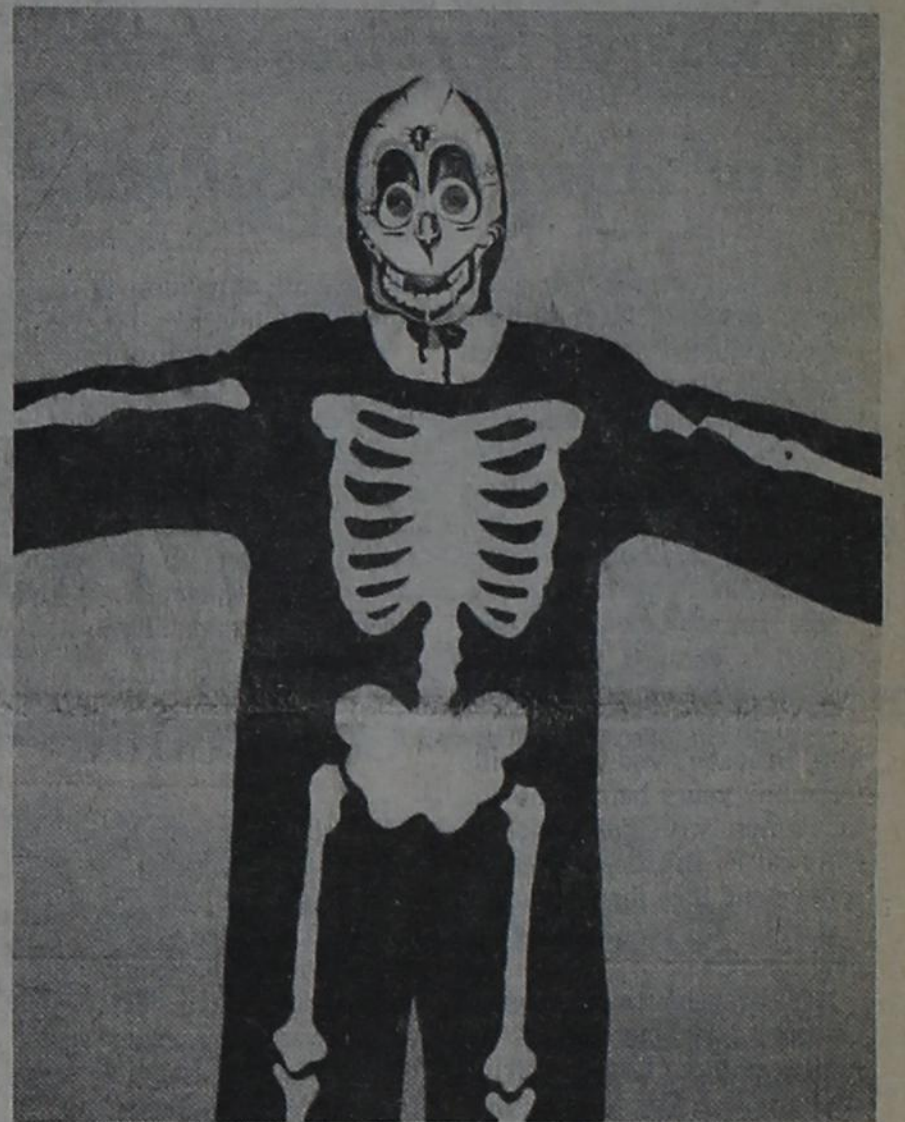

dents are invited to come help make the party a spookin' success.

Texico Women's Club will host its first Halloween Festival for area trick-or-treaters on Monday night, Oct. 31, at the Texico Community Building. The open house will begin at 6 p.m. and will continue until 8:30

p.m.

All area youngsters are invited to come for a time of fun, and parents are invited to come with their children. It will be a come-and-go affair.

Trick or treaters MUST be in costume to enter, says Mary Morin, club secretary. No admission will be charged.

Ready For Halloween

It looks like something from a science lab, or just a bag of bones, but it's actually a Twin Cities youngster all dressed up in Halloween garb ready to celebrate the occasion, Monday, Oct. 31. That's the night that make-believe witches, goblins, ghosts, and all sorts of heroes such as Superman, Spider Man and Wonder Woman roam the streets to trick or treat and

to attend the planned parties at Farwell Convalescent Center and the Texico Community building. Area motorists are urged to take caution and be on the lookout for the miniature hobgoblins as they run through the streets. Children are encouraged to make their rounds before it gets too dark and to wear light colored or reflective costumes and clothing.

Farwell Woman Serious After Monday Accident

Joan Johnson of Farwell remains in serious but stable condition in the intensive care unit of a Lubbock hospital where she is being treated for injuries sustained in an automobile-truck accident which occurred Monday afternoon.

Mrs. Johnson received multiple bone fractures and lacerations in the accident which occurred at the intersection of East 21st Street and Sugarbeet Road where her car collided with a truck being driven by Ronnie E. Hittson of Rosebud, N.M.

Investigating officers report-

ed that Mrs. Johnson was traveling east on 21st Street when her automobile and the truck driven by Hittson collided. The truck driver was cited for stop sign violation.

After Clovis Fire Department rescue workers removed Mrs. Johnson from her car, she was treated at Clovis High Plains Hospital and was then transferred to Lubbock.

Family members reported Wednesday morning that her condition was still serious but stable, and that she was conscious.

Miller Elected To Parmer SWCD Board

Mike Miller of Lazbuddie was recently elected to the Parmer County Soil and Water Conservation District board of directors on October 4. Miller represents Zone V of the district.

Purpose of the Parmer County SWCD, with headquarters in Friona, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state, and federal agencies and other organizations, and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Miller will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Miller is active in the Farm Bureau and High Plains Research Foundation.

Mike and his wife, Pamela, have four children, Kurt, Kristine, Scott, and Jon Colby.

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conserva-

tion Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature

to the landowner or operator. Organized in April of 1948, the Parmer County SWCD has worked jointly with the Soil Conservation Service to serve all landowners and operators equally.

Sheriff's Dept. Has Reports Of Thefts

Three cases of theft in the county have been reported to the office of Parmer County Sheriff Bill Morgan since last week. One of the reports also included the shooting of three hogs, the sheriff said.

Monday, Oct. 24, Lawrence Widner of Bovina reported the shooting of three hogs and the theft of one hog from his farm. Estimated value of the hogs is reported to be \$320.

Kregg Wilson of Bovina reported Tuesday, Oct. 18, that some wrenches were taken from his combine. Estimated value of the tools is \$50.

Clark Billingsley of Clovis reported the theft of some gasoline from his truck and tools from his combine while the vehicles were parked on his farm east of Farwell. The theft apparently took place sometime over the weekend of October

23-24. Approximate value of the stolen property is \$136.

In other action this week, Maxine Fletcher, 37, of Sudan, was arrested on charges of theft by worthless check. She was arrested Sunday, Oct. 23, by the

Sudan Police Department on a warrant from Farwell.

She appeared in County Court before Judge Porter Roberts on the charges and was fined \$1 plus court costs and ordered to make restitution, a total of \$107.

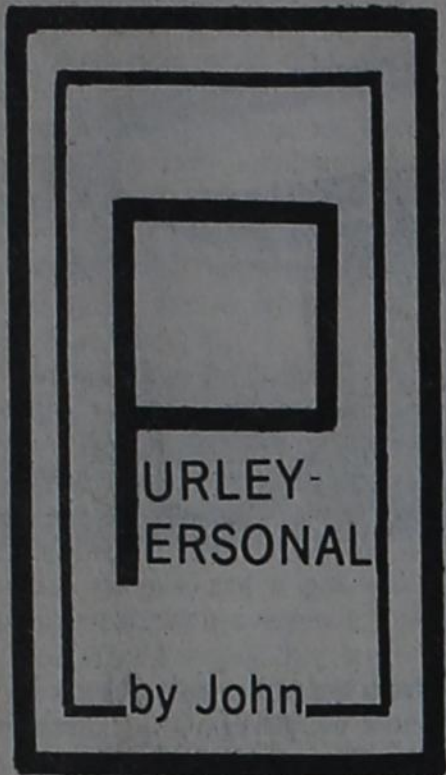

Two Cases Heard In Dist. District Court

Two cases were heard in District Court Thursday, Oct. 20, each by a different judge.

District Judge Marshall of Plainview presided over the hearing of Jose Lewis Aguilar, 31, of Texico, who was charged with violation of probation for an original charge of felony theft.

His probation was revoked

and he was sentenced to four years in the custody of the Texas Department of Corrections in Huntsville. Donald Heiar, 18, of Friona appeared before District Judge Jack Young on the charges of burglary of a habitation and burglary of a motor vehicle. He received five years probation on each charge to run concurrently.

Here We Go Again

Jesse Landrum of Farwell gets ready for that dreaded twice-a-year ritual, the changing of the time. Sunday, Oct. 30, at 2 a.m. is the official date and hour to change the time from Daylight Savings to Standard and is the

opportunity for folks to regain that hour they lost back in April when the time was switched to Daylight Savings. If you're in doubt as to which way to move the little hand or big hand, remember to "fall backward,"

and set the time back one hour as you go to bed Saturday night. Otherwise you may find yourself at church one hour early Sunday morning. Landrum built the large grandfather clock which he is adjusting.

43.7 Percent Turnout - -

Curry Co. Voters Say No To Jail Bond Issue

Curry County voters overwhelmingly defeated the jail bond issue in the special election Tuesday, Oct. 25.

Of 12,105 registered voters in the county, some 4,397 voted against the issue, while 903 were in favor of the bond.

Texico voters, along with those from Pleasant Hill, turned out with 22 persons voting for the jail bond and 142 voting against.

The jail bond election would have issued general obligation bonds in the total sum of \$5,400,000 for the building of a facility which would contain separate facilities for the deten-

tion of adult and juveniles as required by law.

Site of the proposed complex was to have been located at the former site of Eugene Field School in Clovis.

"There was a large senior citizens faction against the issue, and the main reasons for the opposition to the bond, I think, were the large increase in taxes and the new location of the complex," said a spokesperson from the County Clerk's office in Clovis.

Although the new jail facility will not be built, a new juvenile detention center will be built with money obtained from a

state grant for that purpose.

Up to the present time, juveniles were detained in the women's cells in the existing jail facility, but the State Jail Standard Commission from Santa Fe condemned the existing methods of handling juveniles.

The new juvenile facility will be located on the grounds of the current Curry County Courthouse, near the existing jail facilities. No further action will be taken to re-propose the building of the jail facility for approximately two years, as the law states.

Parmer FM Road 3333 Construction To Begin

A pre-construction meeting concerning construction work on FM 3333 from U.S. Highway 60, five miles northeast of Farwell to FM Highway 1731, was held Tuesday morning in the Courthouse in Farwell.

Rhea Bradley, Supervising Resident Engineer, State Department of Highways and Public Transportation, Littlefield, conducted the meeting.

The contractor, Lipham Construction Company of Asper-

mont, is scheduled to start work on Monday, Oct. 31, 1983.

The project consists of constructing grading, structures, flexible base and a two-course surface treatment. The finished travel surface will be 28 feet wide.

Work will start with clearing of right-of-way, removing old structures, and installing new pipe.

The contract will be completed in 150 working days. The

contractor anticipates having a one course surface on by March 1984, and the final surface will be placed in the summer of 1984.

The completed roadway will consist of two 10-foot driving lanes, with two, four-foot paved shoulders, at a cost of \$505,924.45.

The public is urged to obey laws, watch for warning signs, barricades, and speed limits through construction.

Texico Adopts Ordinance

The 1983 New Mexico Traffic Ordinance and the hearing of the city offices were the main topics of discussion at the Texico City Council meeting Tuesday, Oct. 25.

It was announced that the city has begun action to adopt the uniform traffic laws which are enforced in the state but must also be adopted by each city. These laws will govern such items as the width of vehicles, child restraints, and safety codes.

A special hearing on the subject will be conducted at the next regular meeting in November.

Southwestern Public Service representative, Al Atkinson, reported on the specifications for putting electric heating in the city offices. Other bids for the project will be accepted by the Council before a decision will be made.

Curtis and Sylvia Daniel of Texico requested permission from the Council to move a mobile home into the 800 block of Garwood Street. Permission was denied until a petition can

be presented for due consideration by the Council.

In other business, Bob Spears, representing the Texico Volunteer Fire Department, informed the Council of two fire hydrants that are leaking and one that needs to be raised.

The Revenue Sharing reports for the fiscal year of 1982-83 are

ready for public viewing.

City councilmen approved the bills, and discussed repairs to the city streets, but no decision on the repairs was made.

The next regular meeting of the Texico City Council will be Tuesday, November 8, at 6:30 p.m. MST in city hall.

Jr. High Council Sets Veteran's Day Program

In observance of Veteran's Day (November 11) the Farwell Junior High School Student Council is sponsoring a special assembly program. Everyone is cordially invited to the program which will begin at 10:30 a.m. in the school auditorium, Friday, Nov. 11.

A part of the program will be the reading of names and giving recognition to all veterans of the Twin Cities area. All veterans are especially urged to attend.

The Student Council is asking help from community residents in compiling a list of the veterans' names, and asks that all veterans or their families please call the junior high so that their names may be included.

To call in names, ask for Elizabeth Phillips at the junior high school at 481-9260. Mrs. Phillips is sponsor of the junior high Student Council.

Again the government of the United States is confronted with the unpredictable mind of the fanatic. The bombing of the Marine Headquarters in Beirut was a savage, senseless attack on those who have been sent to preserve some peace and safety in that war-ravaged land. Such wanton disregard for human life is incomprehensible to those in a civilized Christian society.

To those who were responsible it must have made a great deal of sense as the driver of the explosive laden truck perished in the holocaust. He and his fellow conspirators must believe strongly in their plans for that area of the world.

We believe that a great deal of our seemingly insurmountable political woes in the world is due to our not being able to think like those of other nations and religious beliefs. We must learn to put world problems not in our context but in the context of our adversaries. We cannot even reason with them, much less prevail if we cannot see the same problems that they see.

So it is in dealing with Communist Russia. They view the world differently than we view it. They have no regard for truth and honesty as we conceive truth and honesty to be.

This is why we think the peacenicks and assorted protesters for disarmaments are so wrong in their attitudes. We want peace. Russia wants peace. It would seem a simple matter to have peace. The problem is we want peace such as found in brotherly love.

Russia wants peace such as complete domination of the world by Russia and by there being nobody left to protest their system.

It is their divergence of the definition of peace that has us in Lebanon in the first place. It is of immense strategic value to the free world. If that area cannot remain free as we see it then even our areas will not be free as we understand it.

We must have the moral courage and mental clarity to defend freedom of other's shores so that our shores will remain so free.

We must also exhibit another kind of moral courage. We must halt the plundering of future generations by running up astronomical public debts. If it were anything except the government it would be bankrupt and declared a bunko scheme. In 1975 all levels of government spent more than \$500 billion a year. Eight years later they are spending a whopping \$1.2 trillion with no end in sight.

Last week an Amarillo commissioner took over from James Watt. The Amarillo worthy said words to the effect that the older folks were leeches on society. The community collapsed on him.

Well, now, we might not know just what the term "older folks" encompasses, but everybody over the age of 30 has had some hand in sinking the future generations hopelessly into debt. Last year for example the budget's biggest component was transfer payments, i.e. Social Security, federal pensions, welfare, food stamps etc. etc. We were distributing \$408 billion that year. Considering a projected debt deficit of some \$200 billion we cannot help but think that just maybe in the years ahead somebody is going to call someone a leech.

If we do not have the moral courage to pay as we go then we are truly bankrupt moral leeches, no matter how we whine and pontificate.

There would be less delinquency if more parents were on spanking terms with their children.

The reason a lot of parents want to see their daughter get married is because they want a phone of their own.

Attendance Urged At Final Steer Home Game

Farwell Booster Club members wish to remind everyone that tonight's (Friday) Steer game against Olton will be the last home game of the season for Farwell.

"This game will determine whether or not we win state this year and will be the last 2A game we play as next year our classification will be changed," says a Booster Club spokesperson.

The boosters are asking everyone to attend the pep rally scheduled for today (Friday) at 3:20 p.m. to show their support of the Steers.

A balloon release is planned to tonight's game and all Steers and Steer supporters are asked to show their school spirit by wearing blue and white to the game.

"This will be the last time our Steers and senior band members will be playing at home and we want to show them we are backing them," said a Booster Club spokesperson.

The special project of the Booster Club this year has been painting and carpeting the boys and girls dressing rooms in the gymnasium and installing a whirlpool in the gym.

Funeral Services Held For Aunt Of Local Man

Funeral services for Edra Sorrels Branson, 86, of Midland were conducted Saturday, Oct. 22, at Polk Street United Methodist Church Chapel in Amarillo. Officiating were Rev. J. Walter Browers of Lubbock and Rev. James Carter, church pastor. Burial was in Llano Cemetery in Amarillo.

Mrs. Branson died Thursday, Oct. 20, in Midland. She was an aunt of John Getz of Farwell.

Born near Murrayville, Ill., Mrs. Branson lived in Amarillo for many years before moving to Pampa with her husband, Guilford F. Branson. After his retirement, they moved back to Amarillo. He preceded her in death in 1974.

Mrs. Branson was a registered nurse and served in the Army Nurse Corps during World War I. She was the first county nurse in Jacksonville, Ill., and worked as school nurse

and private duty nurse in Amarillo during the 1930s.

She was a member of Polk St. United Methodist Church, and a member of Hanson American Legion Post No. 54.

Survivors include a daughter, Jane Ward of Midland; a son, John Branson of Littleton, Colo.; five grandchildren and three great-grandchildren.

Correction

In last week's issue of the Tribune in the obituary for Mrs. Zelma Arend of Lubbock, it was incorrectly stated that she was a sister of Otis McMillan.

This was incorrect. Mrs. Arend was the youngest sister of the late Otis Huggins, longtime Farwell resident.

The Tribune regrets the error.

The Ties Have It - -

Jane Kent Contest Winner With Eleven Correct Picks

For the third week in a row a tie game on the Merchants Football Contest schedule kept the week's top winner from recording a perfect score. And for each of the same three weeks, only one person has managed to call 11 games correctly while numerous contestants called 10 correctly each week.

Winning last week's contest with a score of 11 was Jane Kent of Farwell who was awarded a \$7.50 check for her guessing prowess.

Johnny Actkinson and Ellen Wurster divided the \$5.00 second place check as they edged the other 20 contestants calling 10 games right by each being only 14 points off on the tie-breaker.

Others calling 10 games right were Jamye Berry, Jim Berry, D. Wade Cargile, Betty Jean Castleberry, Doug Cole, David Dannheim, William Dannheim, Ronnie Dunsworth, Barbara Franse, Joannah Gartin, Mammie Howard,

Also, Roy King, Teresa King, Ridley Lonsdale, Yaunda Martin, Ruth Newell, Gaye Roberts, Cheryl Scott, Ruth Scott, and Sam Webb.

Ruth Scott, who was one of those calling 10 right, held onto the sole ownership of first place with a 77 point total, ahead of her nearest competitors by three points.

In second place position with 74 points each are Linda Geries, Roy King, Pat Owen, W.M. Roberts, Dale Sikes, Johnny Torres, and Ronnie Warmuth.

In third place with 73 points are Ann Liethen, Kevin Owen, and Charlotte Pierce.

Fourth place contenders with 72 points apiece are Johnny Actkinson, Jim Berry Rex Cumpston, Jane Kent, Carolla Smith, Kay West, and Dolores Williams.

Of course, no one picked the tie game, and the most missed games were the professional ones-Falcons at the Jets and Vikings at the Packers.

Results of last week's games were Bovina over Springlake, Farwell over Kress, Olton over Hart, Roswell and Clovis, tie, Hereford over Palo Duro, Borger over Dumas, Wichita State over West Texas, Texas over SMU, Arkansas over Houston, Notre Dame over Southern Cal, Falcons over the Jets, and Vikings over the Packers.

Whereas only one point separated the top two places in the overall contest standings last week, the first place leader,

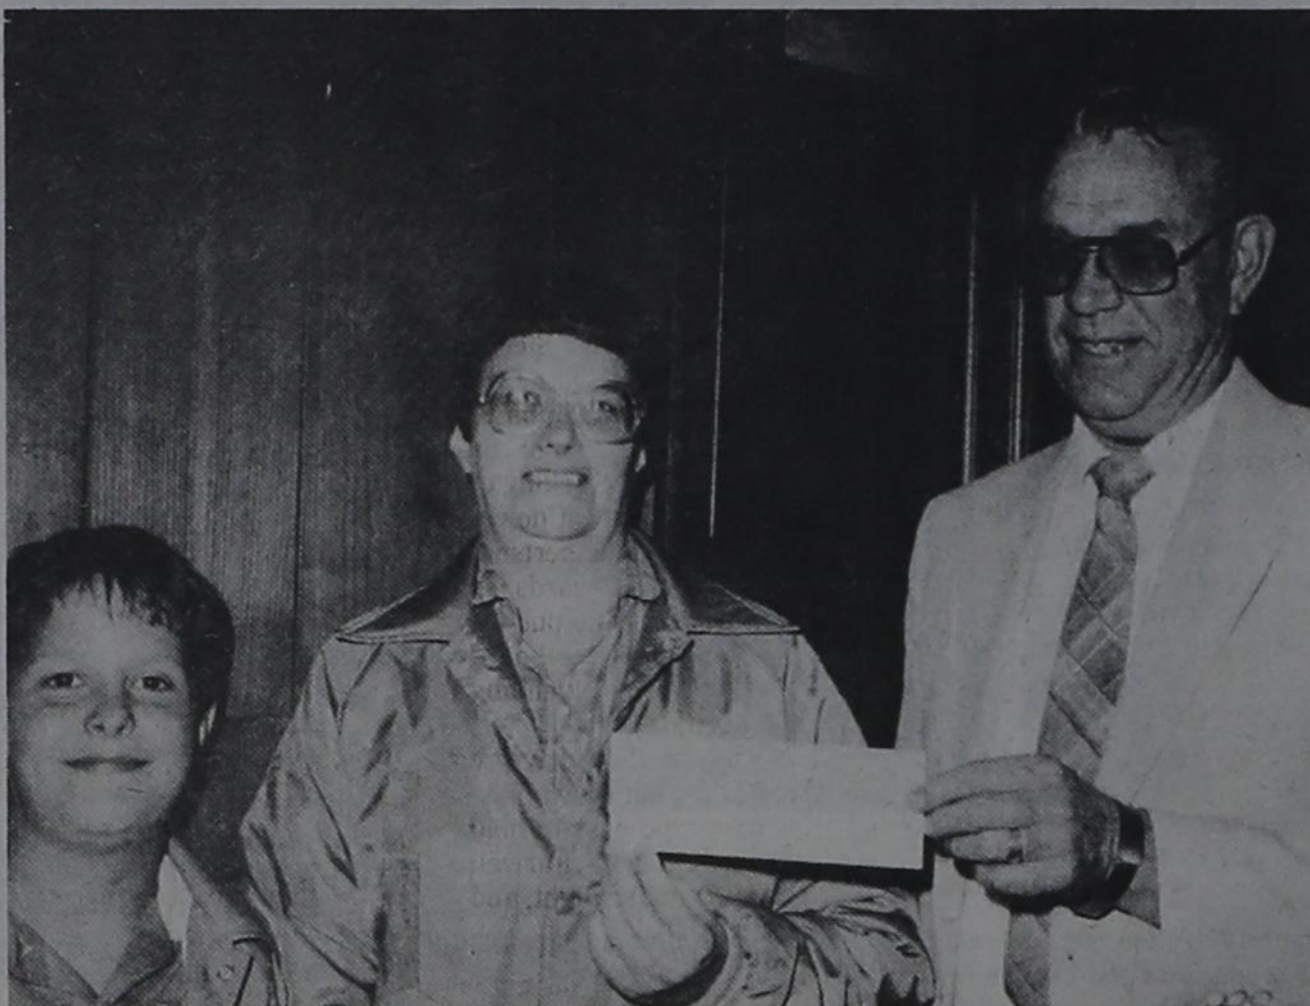

Miss Scott, picked a sound 10 this week to pull away from those in the second place pack.

W.M. Roberts and Dale Sikes shared second place with 66 points last week behind Miss Scott's 67 mark, but they dropped this week with picks of eight apiece, not enough to gain on the leader.

Joining that duo in second place were Linda Geries, Pat Owen, Johnny Torres and Ronnie Warmuth, who all moved up from third place, and Roy King who jumped all the way up from fourth place.

The Tribune editor has selected a good slate of games for would-be entrants this week; so

get your entry blank in to the Tribune office by 5 p.m. Friday, or postmark it on that day if you mail it. You might win a check for \$7.50 as first place weekly winner, or a \$5 check if you guess second best. There are still several weeks left in the contest for you to try your luck at the gridiron guessing game.

Eleven Wins Again

Jane Kent of Farwell, center, from Bill Christian of Texico Branch of Citizens Bank, one of the contest sponsors. Mrs. Kent was the only contestant to guess 11 games correctly in last week's guessing, but 22 persons called 10 games right. Johnny

Actkinson and Ellen Wurster split the second place check for \$5 since both called 10 correctly and missed the tiebreaker by an identical 14 points. Mrs. Kent's son Kade is at left in the picture.

Winnings From Gambling Must Be Reported To IRS

From a tax standpoint, cash winnings from lotteries, races, games of chance, and raffles are viewed as income on the federal tax return, the Internal Revenue Service says.

Similarly, contest prize money and awards from employers are also considered as taxable income by the IRS and must be reported.

The IRS adds that property items won in contests or do-

nated by employers, such as household appliances, all-expense-paid vacations, or cars must also be included in income at fair market value. Both cash and non-cash winnings are shown on Form 1040 as "Other Income."

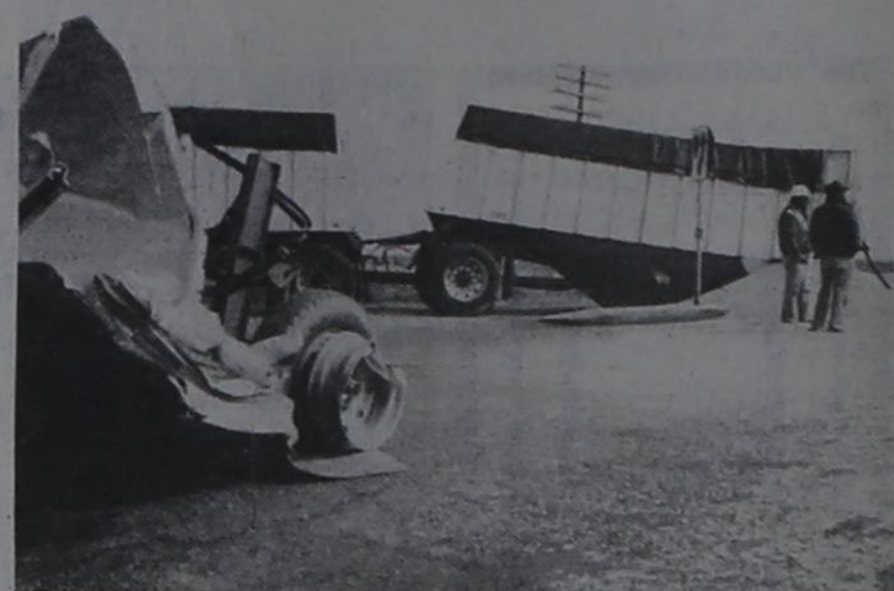

The IRS notes that gambling losses may be deducted to the extent of the winnings if deductions are itemized.

Fire Calls

Farwell Volunteer Fire Department has had two ambulance calls since the last report.

The calls, one Friday and one Tuesday, were both to a residence at Avenue C and 10th Street where a resident was transported to the Clovis hospital.

Texico and Pleasant Hill Volunteer Fire Departments had no calls this week.

Wreck Spills Grain

The second of two automobile-train wrecks in Farwell this week occurred Tuesday, Oct. 25, at the railroad crossing on the Amarillo Highway just northeast of Farwell. Buddy Don Hart of Floydada, driving a 1984 Peterbilt with two trailers, was struck by a north bound train as he crossed the tracks at approximately 12:45 p.m. Hart was reported to be driving around the crossing arms when he was hit by the train which cut the back end off of the second trailer and tore the back wheels

from the trailer body. "He was cited for disregard to railroad crossing signals," said Texas Highway Patrol Officer Jim Bishop, who investigated the accident. Hart was not injured. The first car-train accident this week occurred Monday, Oct. 24, at the railroad crossing on main street when Annie Free Runyon of Earth stopped her car too close to the tracks. The train hit the right front of her vehicle causing minor damage, but Mrs. Runyon was not hurt.

October closeout specials on John Deere 40 Series tractors: finance charge waiver to March 1, '84, or up to \$1,550 in lieu of waiver

We have a dwindling supply of 40 Series tractors, the most popular John Deere ever offered. So if you want a certain model, now's the time to act. Year-end is not far away. Buy a new 40 Series tractor now and you can still take advantage of investment tax credit (ITC) and depreciation for 1983. Buying now will improve your field efficiency and head off possible breakdowns with your old tractor. Plus, the 40 Series will perform right along with higher-priced competitors. And look at this. During October if you finance your new tractor with John Deere you'll save \$100s or even \$1,000s. Because tractors bought by October 31 are eligible for finance-charge waiver to March 1, 1984. Or you can get a cash rebate in lieu of waiver for the amount shown here. Leasing is another option. Lease a new 40 Series tractor and lease payments will be discounted by an amount comparable to the finance charge waiver. Use leasing to get modern power, plus tax advantages, even if your 1983 taxable income is low.

Steers Defeat Kangaroos To Take District Lead

by Mark Cole
The Farwell Steers moved into first place in District 5-AA Friday night with a 28-7 victory over the Kress Kangaroos who were previously undefeated in district play. The Steers are now the only undefeated team in district, with a record of 3-0, and two more games on the conference schedule.

At halftime, the Steers actually trailed 7-0 to the Kangaroos, but an explosive second half racked up 28 points and the victory for Farwell.

Again the Steers relied on a tough defense and a powerful running attack to overpower the Kangaroos and spoil their hopes of winning their homecoming game.

Leading the Steers in the running department were Paul Fulcher and Alan Eubank, each with slightly over 130 yards.

The first quarter of play was scoreless, with the Kangaroos failing to put points on the board even with a first down on the two-yard line. The Steer defense held firm and recovered a fumble on the one to stop what could have been six Kress points.

Late in the second quarter, Kress capitalized on good field position and marched in from the 21-yard line. Lyn Freeman ran in from two yards out for the first score of the game, and the Kangaroos' only occasion to get past the tough Farwell defense, which has given up only

three touchdowns in the last three games.

Kress had one more opportunity to score before halftime with a drive beginning on the 50. On a first down on the one-yard line, Eubank and Berney Mesman stopped the Kress ball carrier for a yard loss.

On second and third downs the Kangaroos were stopped again, still short of the goal line, by Blake Kelley and Todd Christian, then by Fulcher.

On fourth down the Kangaroos were forced to attempt a field goal which should have been nothing more than a chip shot from that range, but Steer linebacker Bobby Ford blocked away the kick to save the three points. The half ended with Kress holding on to a 7-0 lead.

At the opening of the third quarter, the Steers came out fired up and ready to play. The Kangaroos controlled the ball, but found out the Steer defense wasn't going to give up an inch.

On first down Johnny Daniel penetrated the Kress backfield and stopped the runner for a one-yard loss. On second down, Daniel again made the big play, this time for a three yard loss.

This point proved to be the beginning of the Steers' comeback as everyone in the stadium began to feel the momentum change in the direction of the Steers.

On third down Kress went to the passing game but found

nothing there as Eubank broke up the play from his defensive back position.

On fourth down Kevin Owen rushed the Kress punter and got just enough of his hands on the ball to deflect it to a Kress player who was then brought down by Todd Christian.

The Steers took control of the ball on the 45, and used only three plays to tie the game. On first down Owen ran for five yards, on second down Eubank added three more, followed by a 47-yard sprint by Eubank for the TD, behind the wall of blockers made up of Fulcher and Kelley. Manuel Cantu, working on a perfect kicking season, added his first of four extra points to tie the game at 7-7.

On the Kangaroos' next possession, they ran only four plays, with Owen, Daniel, and Kelley making tackles. On fourth down, Jesse Anzaldua recovered a Kress fumble to give the football back to the Steers on the 40-yard line.

Again Farwell needed only three plays for their scoring drive. Kelley ran for 26 on first down, followed by a 25-yard run by Fulcher. Kelley then took the ball in from the one for the touchdown. The Cantu kick put the Steers out in front for good, 14-7.

At the opening of the fourth quarter, Kress took possession of the ball, but on second down

the Kress running back ran into several Farwell players. And before the play was whistled dead, Bobby Ford, who seems to be everywhere, turned up with the ball, returned it about a yard, and was stopped just as he got to the outside on the 45-yard line.

From there the Steers began another scoring drive, beginning with a 12-yard run by Fulcher. A five-yard carry by Eubank, and consecutive runs by Fulcher of 15, four, and five brought the ball to the one where Fulcher took the ball across for the touchdown.

On the following kickoff, Owen drilled the kick hard and low, right into the chest of an unsuspecting Kress lineman, who had no chance of catching the ball. The pigskin then bounced straight into the hands of Steer Mesman, who fell on it to give possession to the Steers at midfield.

On second down Eubank broke his second long run of the game. Following the blocking of the offensive line, and a downfield block by Roger Robertson, Eubank scampered 50 yards for his second score. Cantu put the Steers' last point on the board with his extra point kick ending the game at 28-7.

Kress had one final drive to the 20-yard line, but Owen picked off a Kangaroo pass to hold the score at 28-7 with Farwell winning their third straight, and

sixth of the season.

Alan Eubank was the Steers' leading ground gainer, picking up 133 yards on 10 carries. Paul Fulcher had 130 yards on 13 carries, Blake Kelley ran for 18 on 12 tries, and Kevin Owen had 23 yards on five totes.

Manuel Cantu, the Steers' place kicker is still perfect on the season, kicking four of four extra points in Friday night's game.

Steer mentor Bruce Dollar commented that the Steers played well the second half and did not play well the first half.

"In the second half our defense probably played better than they have all season allowing Kress only three first downs in the final two periods," Dollar said. He said that the offensive line also did a good job the second half allowing the backs

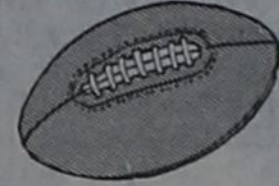

to move the ball "a whole lot better."

Regarding tonight's (Friday) game against Olton at Steer Stadium, Coach Dollar said, "We have to win again. Olton only has one loss and is still very much in the running. They have a well balanced team and are very much improved from the start of the season."

A win tonight would put the Steers into the playoffs for the second year in a row. Farwell is the only team in the district with no losses, a victory tonight would clinch the playoff spot for the Blue and White.

The Steers are 6-2 for the season, suffering losses at the hands of Seagraves and Friona just prior to the district schedule.

The Steers' perfect district mark is ahead of Kress, Bovina and Olton who are all at 2-1 and tied for second place. Springlake-Earth and Hart are both 0-3 in district warfare.

Seniors Set Spaghetti Supper Fri.

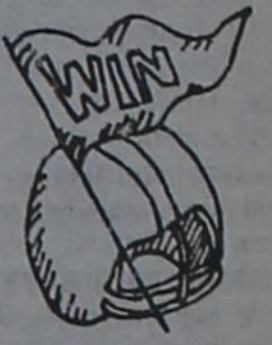

Farwell Senior Class is sponsoring a spaghetti supper this Friday night (October 28) at the school cafeteria beginning at 5 p.m. and continuing until 7 p.m.

Price of the meal is \$3.50 for adults and \$2.00 for elementary students and under.

The meal will feature spaghetti, homemade garlic bread, salad, pie or cake, tea and coffee.

Senior class members are selling tickets, but they may also be purchased at the door.

The seniors invite everyone to come by the cafeteria to have a meal with them before attending the final home game of the season for the Steers.

JOHNNY DANIEL

JESSE ANZALDUA

ALAN EUBANK

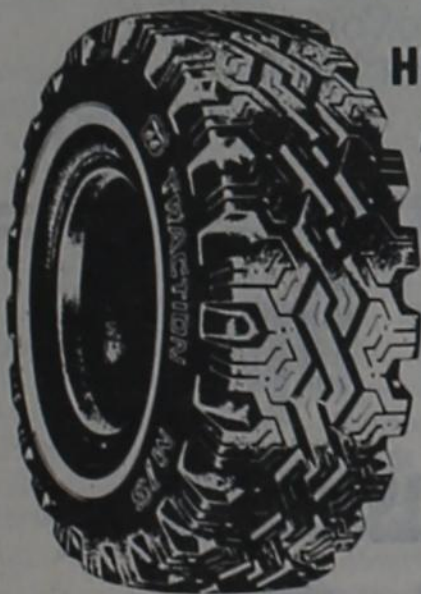

PAUL FULCHER

Johnny Daniel and Jesse Anzaldua were named by Coach Bruce Dollar as the defensive Steers of the Week for their play in the 28-7 Steer victory over Kress. Daniel repeatedly stopped the Kress runners for losses in the backfield and made many other yardage stopping tackles. Anzaldua also contributed to the fine defensive effort and recovered a fumble, setting the Steers up in good field position. Coach Dollar said, "Kress made only three first downs the second half, and these two boys were largely responsible for stopping their offensive movement."

Named by Coach Bruce Dollar as offensive Steers of the Week for their efforts in the game with Kress were Alan Eubank and Paul Fulcher. Eubank picked up 133 yards on 10 carries and scored two touchdowns. Fulcher carried the ball 13 times for 130 yards and scored one touchdown. The Steers host the Olton Mustangs tonight (Friday) and a victory will clinch a playoff spot for the Blue and White who own a 3-0 district mark and 6-2 season record. Tied for second place in the district with 2-1 marks are Olton, Bovina, and Kress.

Campbell Labels Needed By Farwell Elementary

Farwell Elementary School is once again asking area residents to save the labels from Campbell's food products in order that the school may redeem the labels for various school and athletic supplies.

The current campaign, being sponsored in conjunction with the school by Farwell Young Homemakers, got underway this week when parents were notified by letter of the intent to begin another label collecting drive. The Young Homemakers will be assisting with the collection which will continue through the first week in February.

Last week the Young Homemakers presented the school four Centennial cassette player-recorders and two large playground balls which were pur-

chased with the 11,000 Campbell's labels collected during the past three years.

Since the current drive will be much more limited in time, there will not be the opportunity to collect as many labels as before; however, everyone is urged to save the labels so that as many supplies as possible may be secured for the school.

"We will be collecting the labels from now through the first week in February 1984," said Ruth Anne Bennett, president of Young Homemakers.

The Young Homemakers organization takes the responsibility for collection, counting, and redemption of the labels, and is proud to have been able to help secure the needed cas-

sette player-recorders for the elementary school.

"We know we have many friends in the community who will want to help," said Mrs. Bennett, and added that persons wishing to donate labels may give them to any elementary student, take them to the elementary office, or call any Farwell Young Homemaker.

Labels acceptable for collection include Campbell's condensed soups, chunky soups, "Soup for One," low sodium soups, beans products, tomato juice, "V-8" vegetable juice, Franco-American products, Swanson canned and frozen food products, Prego spaghetti sauce, and Recipe dog food products.

M-M-M- Good

"...That's what Campbell's Soups are...etc." Well, Campbell's Soup and other Campbell's product labels are also good, and the benefits of saving the labels to purchase special equipment and supplies are being enjoyed now by Farwell Elementary students, thanks to

the Farwell Young Homemakers who last week presented to the school the items ordered with the labels collected for the school during the past three years. Making the presentation of sports equipment and other items for use in the elementary school were Ruth Anne Bennett,

left, current Young Homemaker president, and Gwen Corn, center, immediate past president. Accepting the donations on behalf of the school was James Craig, elementary principal. The Young Homemakers began another drive to collect Campbell's labels this week.

Indian Dwellings

Farwell fifth graders recently completed a study on the Indians of America, and one of the projects was building Indian dwellings, in which students showed a lot of ingenuity in the material they chose for construction of their dwellings. Students then voted on the four houses they thought best represented how the "real thing" should look. The top four builders and materials used in their dwellings are, from left, Heath Dollar, sugar cubes; Darren Haseloff, toothpicks; Greg Actkinson, sugar cubes; and Kirk Fly, mud and straw.

Farwell Fifth Graders

Study American Indians

Studying about the Indians of America has been a recent class assignment of Farwell Elementary School fifth graders taught by Karolene Inman.

In addition to the regular classroom lessons on the Indians, students colored a picture story of Navajo children which was posted in the hall of the school, made Indian dwellings from various substances, read Indian books and gave book reports, and wrote stories using Indian sign language.

Mrs. Inman told the students that the more Indian signs

they used in their stories, the better their grades would be, and some children used as many as 150 signs in their writings, she said. Beside each sign used, they had to write the word or phrase for which the sign was substituted.

Types of dwellings made by the children included Navajo Hogan, Pueblo Dwelling, Iroquois Long House, and Sioux Teepee. Materials used in the construction of the dwellings included sugar cubes, mud and straw, clay, Play-Doh, cloth, and toothpicks.

After all the dwellings were completed, the students voted on the four houses they thought looked the most like the real thing should look, and those that looked as the most time had been spent building them. Some students used miniature Indian and animal figures around their dwellings to make them look realistic, Mrs. Inman said.

Those preparing the best dwellings, according to the student vote, were Heath Dollar, Darren Haseloff, Greg Actkinson, and Kirk Fly.

Methodists To Host Guest Speaker Sun.

Mrs. J. Boyd (Peggy) Tyrrell, who is a special mission interpreter for the Board of Global Ministries of the United Methodist Church, will be guest speaker at the meeting of the three combined adult Sunday School classes of Hamlin Memorial United Methodist Church, Sunday, October 30, at 10 a.m.

The meeting will be held in the church sanctuary. Mrs. Tyrrell will also speak for a short time at the beginning of the worship service at 11 a.m.

Prior to her present assignment, Mrs. Tyrrell served as assistant general secretary of the Women's Division of the

Board of Global Ministries from 1968-74. She also served for two years as regional secretary with the Women's Division in Washington, D.C. Mrs. Tyrrell is now serving the Education and Cultivation Division as a consultant in intentional itineration.

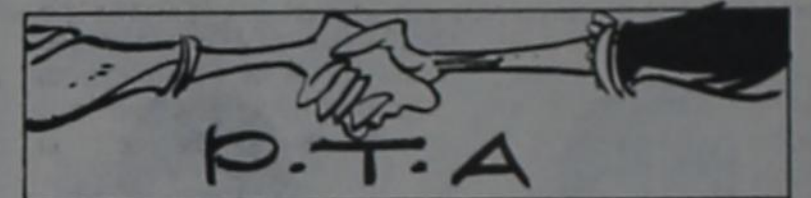

A volunteer for a number of years in women's work, Mrs. Tyrrell held many leadership positions in the former Women's Society of Christian Service on the local, district, and conference levels. She has also served with the Virginia Board of Church Women United and has been active in the Girl Scouts and the American Association of University Women.

Mrs. Tyrrell has traveled in Asia and Africa, the Caribbean, People's Republic of China, seven countries of Latin America, the South Pacific, and has visited most of the church mission projects in the United States.

The guest speaker grew up in Verona and Ambridge, Pa., and earned her bachelor of arts degree from Muskingum College, New Concord, Ohio. She was awarded the master of arts degree (in speech and drama) from the University of Michigan, Ann Arbor, Mich. She is the mother of one son.

Debbie Lacy Feted At Bridal Shower

Debbie Lacy was honored with a bridal shower October 12 at the Prince Street First Federal Building in Clovis.

The serving table featured a white lace tablecloth over white and was centered with a white cake trimmed in blue wedding bells.

Coffee and punch were served from silver and crystal appointments.

Special guests included Donna and Sherry, aunts of the

honoree, from Lubbock.

The hostess gift was an electric skillet.

Hostesses for the occasion included Juanita Hadley, Esther Van Solen, Danalee Sluder, Ruth Daugherty, Jane Harrington, Debra Autrey, Deanne Richardson, Evie Thornton.

Miss Lacy and Wayne Thornton of Lubbock exchanged marriage vows October 22 at the home of the bride's parents.

Farwell Study Club Meets In Coffin Home

Members of the Farwell Study Club were treated to a salad supper Monday night, Oct. 17, in the home of Mrs. Claude Coffin, with Frances Kube as co-hostess.

Special guest was Gladys Armstrong who exhibited samples of her many talents. She showed articles of needle point, candlewick embroidery, oil paintings, pillows, flower arrangements, and turquoise jewelry. In addition to these hobbies, Mrs. Armstrong likes to read, sew, and travel.

The program for the evening was entitled "Our Texas Heritage." Club members sang the state song "Texas Our Texas" and viewed two films, "Cultures of Texas - Who Are Texans?" and "Texas Friendship - The Plains Area." Roll call was answered by naming an historical place in Texas.

During the business session, members planned what their duties would be in relation to their participation in the Arts and Crafts show to be held in the Community Center on Novem-

ber 25 and 26.

Members present were hostesses Hattie Coffin and Frances Kube, Edith Crawford, Lela Atchley, Linnie Mae Crook, Eunice Crume, Gertrude Foster Mildred Haseloff, Elma Hart, Mary Lou Hillock;

Also, Ophell McDonald, Louise Roark, Julia Symcox, Sal Vincent, Ellen Wurster, Dotie Ditterline, and associate member and special guest Gladys Armstrong.

Tennie Doshier of Farwell is receiving medical treatment at Bivins Rehabilitation Center in Amarillo. She was admitted there Monday of this week and will probably remain hospitalized there for about two weeks say family members. She is in Room 217 B and would enjoy cards from friends.

Hospital Notes

Son Born To M. Schwertners

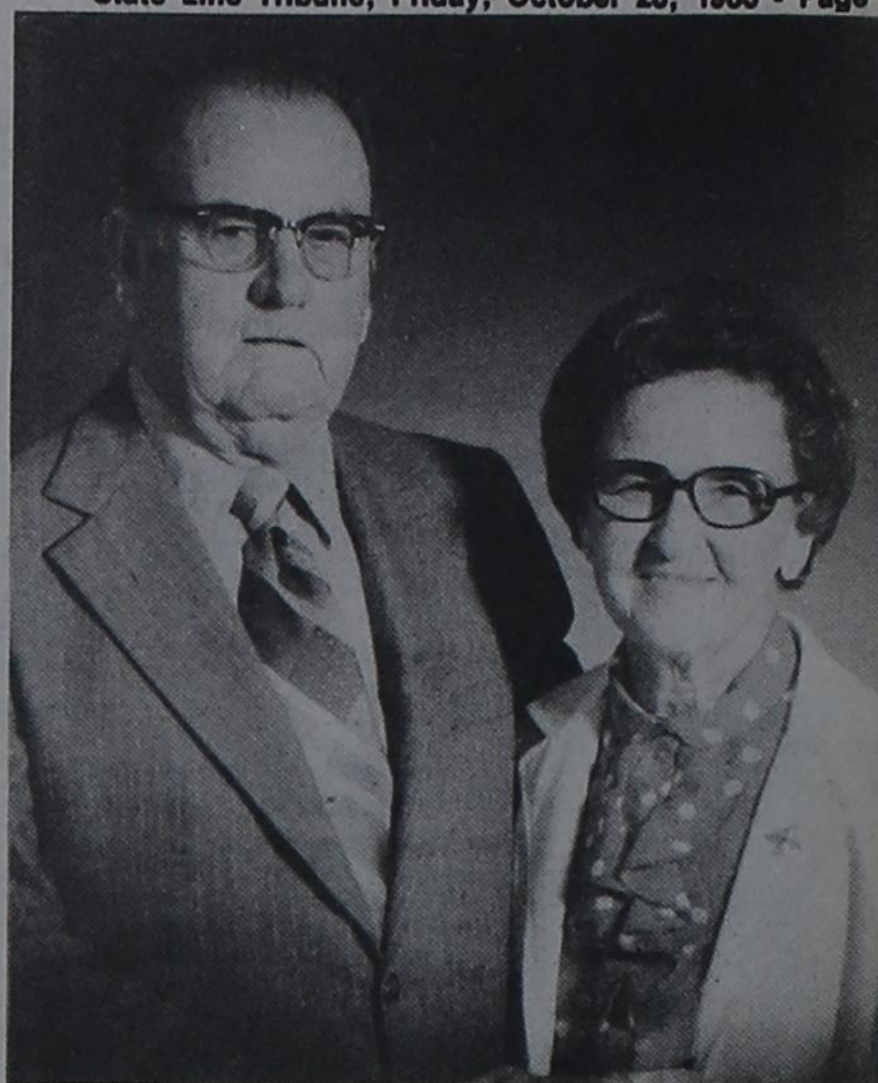

Luke Raymond is the name given to the son born Monday, Oct. 17, to Mark and Nancy Schwertner of Farwell.

The young man, who was born at the hospital in Muleshoe, weighed nine pounds, three ounces, and was 21½ inches long.

He has one sister, Melissa, age seven; and two brothers, Kristopher, five; and Matthew, 20 months.

Maternal grandparents are Mr. and Mrs. Nick Jurecek of Eldorado, Tex., and paternal grandparents are Mr. and Mrs. Hubert Schwertner of Slaton.

Great-grandparents are Mr. and Mrs. Herman Schilling, also of Slaton.

MR. AND MRS. SHERMAN INMAN

Sherman Inmans To Observe Anniversary

Mr. and Mrs. Bert Williams of Farwell traveled by plane to Knoxville, Tenn., on Wednesday, Oct. 19, to visit their daughter and husband, LeeAnn and Jim Blackford.

While there, the group went on a fall foliage tour in the Smokey Mountains, and Mrs. Williams reported that the colors were beautiful.

Williams attended a business meeting in Memphis, Tenn., before returning to Farwell on Sunday.

Mr. and Mrs. Sherman Inman of Muleshoe will be honored at a reception in observance of their fiftieth wedding anniversary on Sunday, Nov. 6, from 2 to 4 p.m. in the Bailey County Coliseum in Muleshoe.

Hosting the event will be the children of the couple, Marlon Inman of Farwell, Jerry Inman of El Paso, and Judy Tonelli of Boston.

Grandchildren of the couple are Sharon Inman of Abilene, Ron Inman of Nacogdoches, Brent Inman of Abilene, and Suzahn Inman of Farwell.

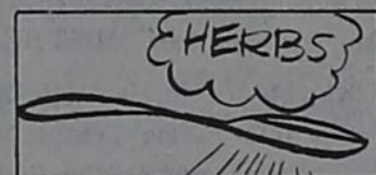

All friends and relatives are cordially invited, and the family requests that your treasured memories compiled in their book be your only gift.

Sherman Inman and Beatrice Hammonds were married February 10, 1934, in the Baptist parsonage in Tahoka, Tex. They lived there two years, lived at Crosbyton two years, lived at O'Donnell 12 years, and have lived in Muleshoe for the past 34 years. Inman is a retired farmer.

After the ceremony the couple was feted at a reception hosted by the bride's parents in the church dining hall.

The bride's table was decorated with a four-branch silver candelabra with apple blossom pink tapered candles, sonia roses and stephanotis, all cascading from the center.

The three-tiered wedding cake surrounded by four smaller cakes, was decorated with dusty rose roses on the sides of each tier. The confection was topped with a "precious moments" bride and groom scene.

A cross stitch sampler of the same scene, done by the bride, was in an antique frame and was also placed on the lace-covered table.

The crystal punch bowl was encircled with fresh ivy and gathered lace. Rose and heart-shaped mints were also on the table.

Roxie Johnson of Muleshoe and Patty White of Clovis, both cousins of the bride, presided at the bride's table.

A six-branch brass candelabra holding grey tapers, enhanced with grey gladioli, ash rose carnations, leather leaf fern, and English ivy decorated the bridegroom's table. A brass coffee service and the square chocolate cake completed the table setting.

Serving at the bridegroom's table were Twila Donaldson and Dana White of Farwell, both cousins of the bridegroom.

Attendants for the reception

were Jackie Pruet, Bonnie and Wayne Johnson, Iris O'Rear, Tommie Skeen, Dixie Jacobs, and Eugene and Jean Fish.

Thank-you scrolls were placed in grey buckets bearing the couple's names and were distributed by Jeremy Don Johnson and Lance Allen White, cousins of the bride.

A bridesmaid luncheon was hosted by Bonnie Johnson in her home on the day of the wedding.

Pre-nuptial courtesies extended the couple included two miscellaneous showers, one hosted at the Oklahoma Lane Baptist Church by friends of the bridegroom; and one given at the home of Mrs. Jackie Pruet by friends of the bride.

Following a wedding trip to New Orleans, the couple is at home in Canyon where both are students at West Texas State University.

A rehearsal dinner was hosted by the bridegroom's parents on the patio at the home of Ed and Gwen Corn in Farwell on the eve of the wedding.

Brisket and ham and all the summer trimmings were served.

A country theme was carried out with baskets of silk flowers, matching multi-colored place mats, miniature bales of hay, and miniature tractors decorating the tables.

Before departing, all the guests had a special opportunity to offer best wishes to the betrothed couple.

Gage Gregory Honoree At Lullaby Shower

A baby shower honoring Gage Gregory, infant son of Robin and Larry Gregory, was hosted by Nell Walling and Kim Norton on October 24 at the home of Mrs. Walling.

Mrs. Norton made the centerpiece from a pumpkin which she had carved and sprayed baby blue. It was filled with balloons.

Assorted gelatin salads and cookies were served.

Special guest was Mrs. Bud Nelson of Woodward, Okla., maternal grandmother of the honoree.

Attending were LaMoine Williams, Joyce Williams, Gwen Corn, Susan Johnson, Altha Herington, Terri Nichols, Lillie Christian, Nell Walling, Leslie Lunsford, Kim Norton, Margaret Aycock, the honoree, his mother, and grandmother.

Fashion Expert To Give Sewing Seminars

Sewing enthusiasts, whether novice or veteran, will have three opportunities in the next few days to receive practical coaching from one of the nation's leading sewing experts, Clotilde.

Well-known as an author, lecturer, and teacher of teachers in sewing skills, Clotilde Yurick will conduct seminars November 3 in Lubbock, November 5 in Snyder, and November 8 in Plainview, said Laura Jacobs, Parmer County Extension agent for home economics.

Day-long "Sew Smart" seminars at the Texas A&M University Agricultural Research and Extension Center in Lubbock (November 3) and at the Fine Arts Auditorium of Western Texas College in Snyder (November 5). Each will cover practical tips to give your home-sewn clothing the custom-made touch, and detailed instruction on easy ways to tailor jackets. These seminars begin at 9 a.m.

An evening seminar in the Llano Estacado Museum of Wayland Baptist University in Plainview (November 8) will provide the practical tips to give your home sewing the "500 look." It begins at 7 p.m.

Pre-registration is needed because of space limitations, the Extension agent said. The fee

for the Lubbock seminar is \$12 and includes a sandwich luncheon. The Snyder seminar fee is \$10, and a luncheon will be available for \$3.25. The Plainview seminar fee is \$10.

Registration forms and additional information are available at the county Extension office, second floor of the Courthouse in Farwell, or phone 481-3619.

Lake Farwell

Farwell's seasonal lake, the area on First Street west of the old lumber building, was filled almost to capacity during last week's rainfall, and drivers had to ease their vehicles through the deep water slowly to avoid drowning the motors. The three

days of slow, drizzling rain dumped an estimated two to three inches in the Twin Cities, and was greeted with mixed emotions by most area farmers. While the wheat and the unplanted wheat fields greatly

needed the moisture, it was not good news to area cotton crops. However, rain is hardly ever frowned upon in this area, and motorists didn't even seem to mind plowing slowly through the First Street pond.

Letter To The Editor

Dear Editor:

Twenty-one girls in Farwell have registered an interest in joining the Girl Scouts by forming a Brownie Troop. These girls will be missing an opportunity to join an organization which stresses the ideals of character, conduct, patriotism, service, and a love of God and country if no adult leadership can be found.

Because most of the mothers of these girls work, the Caprock Girl Scout Council is seeking volunteers in other areas.

Anyone interested in working with girls would be a valuable person to these girls regardless of whether they have a daughter in the troop or not.

Senior Citizens, young homemakers, civic-minded men and women, or church volunteers are encouraged to contact the Girl Scout Office, 501 Joliet, Plainview, TX. 79072 or call 806/825-3707 if they would be interested in leading this group of girls. Training is available.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

THE LOGIC OF THE PLAN OF SALVATION

In I Corinthians 1:22 we are told that "the Jews require a sign, and the Greeks seek after wisdom." This doubtless is why God chose Paul, with his profound intellectual background and acumen, to proclaim "Christ crucified," the "wisdom of God" as well as the "power of God" (1 Cor. 1:23, 24).
Paul was a gifted logician as well as a theologian, and nowhere is this more evident than in his *Epistle to the Romans*, where, by divine inspiration, he presents the logic of God's plan of salvation. Again and again, throughout the Epistle, he uses that word so prominent in mathematics and in logic: "therefore."
"Therefore thou art inexcusable..." (Rom. 2:1).
"Therefore by the deeds of the Law there shall no flesh be justified in His sight" (Rom. 3:20).
"But now the righteousness of God without the Law is manifested... Therefore we conclude that a man is justified by faith without the deeds of the Law" (Rom. 3:21, 28).
"Therefore being justified by faith, we have peace with God through our Lord Jesus Christ; by whom also we have access..." (Rom. 5:1, 2).
"There is therefore now no condemnation to them which are in Christ Jesus" (Rom. 8:1).
"Therefore, brethren, we are debtors..." (Rom. 8:12).
"I BESEECH YOU THEREFORE, BRETHREN, BY THE MERCIES OF GOD, THAT YE PRESENT YOUR BODIES A LIVING SACRIFICE, holy, acceptable to God, which is your reasonable service."
"And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God" (Rom. 12:1, 2).

Tatum Junior High Shuts Down Texico

Tatum Junior High Coyotes completely dominated the junior high Wolverines in their game last week, shutting down the Texico group 38-0 in the game at Tatum.

Texico had 173 total yards, 151 on the ground and 22 through the air. David Vaughn had 110 yards on 21 carries to lead his team in rushing.

Urban Orozco had 17 yards on four carries, Dean Reid was minus six on three totes, David Loera had 25 yards on four

carries, Terry Allen picked up one yard on one carry, and Lance Akers had four yards on his only carry.

In the passing game, Loera caught one of six for seven yards, and Reid had one of one for 15 yards. Reid completed one of six throws for seven yards and had one interception while Michael Day had one completion for 15 yards.

Loera was the leading tackler with eight, and Reid and Akers each recovered a fumble.

Tatum Upsets Wolverines For Season's First Loss

by Johnny Torres

When two of the top-ranked and undefeated Class A teams in New Mexico, Texico and Tatum, met Friday night it was inevitable that one of them would lose its perfect record; and unfortunately for the Texico Wolverines, they came out of the battle with their first loss of the year.

The Tatum Coyotes proved to be unfriendly hosts when they overpowered the Wolverines by a 21-12 margin in a district match that may provide the Coyotes with the district crown. The loss dropped the Wolverines to a 2-1 count in district and a 7-1 overall record. Tatum is 3-0 in district.

The Wolverines' hope for a shot at the state playoffs is a win tonight (Friday) over the Ft. Sumner Foxes who also hold a 2-1 district record. Game time is 7:30, and the winner goes to the playoffs.

On their first possession in Friday night's game, Texico powered through the Coyote defensive line when Billy Bibbs ran behind the blocks of his offensive line to put the Wolverines in scoring position. Joe Steward then capped off the 15-play drive when he caught a pass from Danny Powell and raced into the end zone from five yards out.

The PAT kick by Stanley Cross was no good and the Wolverines held an early 6-0 lead.

The Coyotes controlled the ball for the remainder of the first quarter but did not score.

Early in the second period Coyote running back Larry Hilliard dashed to paydirt from 14 yards out. The extra point kick was good and the Coyotes had a slim 7-6 advantage.

Late in the second quarter the Wolverines established another drive and capped it off when quarterback Powell hit Kevin West on a 26-yard scoring pass. The two-point conversion attempt, a tight end reverse by West, was called incomplete by

the officials, and at halftime, the Wolverines found themselves ahead 12-7.

During the third quarter the Coyotes went to their aerial attack and Tatum quarterback Darby Griffis hit Lloyd Gerber on a 20-yard TD pass. The PAT kick was good and the host team had regained the lead, 14-12.

The Coyotes intercepted a Texico pass and quickly regained control. With only a few minutes left in the third quarter, Tatum's Griffis hit Gerber again for another 20-yard touchdown pass. This time the PAT was no good, but the Coyotes had extended their lead to 21-12.

Tatum's defense managed to control the offense of the Wolverines as the Green and White could never mount a serious drive in the third quarter.

In the fourth period neither team was able to put a serious drive together, but late in the game, Texico's Bobby Steward recovered a Tatum fumble to give the Wolverines possession.

But the Texico offense did not have enough time on the clock to score. When the final buzzer sounded the Wolverines were on the short end of a 21-12 score and felt the agony of their first defeat of the year. It was the first time in seven years that the Coyotes had come out in the victor's column in a Texico-Tatum match.

Billy Bibbs led the Wolverine rushing attack, carrying the ball 23 times for 123 yards. Ronnie Galvan carried seven times for 39 yards.

Kevin West was the leading receiver, catching three passes for 41 yards. Billy Bibbs caught two aerials for 34 yards.

Bibbs and Galvan also led in tackles, each getting 12. Joe Steward and Terry Tubbs had eight each.

Coach David Lynn commented, "They did better than last week. The kids played well considering the absence of Brad Steward. If they win Friday

night's game they go to the playoffs."

The coach continued by saying that Tatum was well prepared for last week's game.

"I was disappointed that we lost, but am really looking forward to Friday night's game against Ft. Sumner. This is an important game because it will determine who goes to the playoffs," Lynn said.

The coach commended Doug Thornton for his play on the offensive line. He also complimented Danny Powell who picked up 33 yards on three carries, and praised Billy Bibbs and Ronnie Galvan who each had 12 tackles.

Jeff Holland was named by the coach as winner of the Wolverine Big Lick of the Week award. Lynn said that Jeff played a really good game, offensively and defensively, against Tatum, "making them run away from him all night."

Wolverine Big Lick Award

JEFF HOLLAND

Jeff Holland has been chosen to receive the Wolverine Defensive Big Lick of the Week award from the Texico coaching staff according to Coach David Lynn. Coach Lynn said Jeff played a real good game and that the Tatum team was "running away from him all night." Texico hosts the Ft. Sumner Foxes tonight [Friday] at 7:30 p.m. MDT.

New Mexico Lobos To Play In Clovis

The New Mexico University basketball team will be in Clovis Sunday afternoon, Oct. 30, for an intra-squad game.

The game will be played at Rock Staubus Gymnasium starting at 2 p.m. MST.

This will give the public a great opportunity to meet

Coach Gary Colson and the Lobos, which include former Clovis High School player Nelson Franse, say the sponsors.
