## Soil Stewardship Observances Set

President Gerald R. Ford has officially proclaimed May 4-11 "National Soil Stewardship

Week" and several area churches have slated special programs in observance of the week. It is an observance which emphasizes man's responsibility to protect and conserve soil, water, and other natural resources with this year's theme being "Test of Strength."

According to ministers of Calvary Missionary Baptist Church in Farwell, Hamlin Memorial United Methodist Church in Farwell and the First Baptist of Texico, informational sheets regarding Soil Stewardship Week and various materials will be distributed Sunday, May 4, with special prayers being offered during the observance.

Rev. W.T. Perry of Hamlin Methodist Church stated services Sunday, May 11, will include a program regarding Soil Stewardship.

The special week of May 4-11 has been set aside to honor and give homage for land. Now called Soil Stewardship Week, the original name was Rogation Days, a name which goes back to Vienne, France, 1,500 years ago.

According to historians, bad weather and earthquakes had

brought crop failures and widespread hunger. The Bishop of Vienne called for prayer and penance on the three days preceding Ascension Day. The

## Alice Lovelace Buried Saturday In Farwell

Funeral services for Mrs. Alice Margaret Lovelace, 64, of Farwell were held Saturday, April 26, at Hamlin Memorial United Methodist Church with Rev. W.T. Perry, pastor, and Rev. Herschel L. Thurston officiating. Burial was in Sunset Terrace Memorial Park at Farwell.

Mrs. Lovelace died at approximately 8:30 p.m. Thursday, April 24, in Parmer County Community Hospital in Friona following a lengthy illness.

Born June 22, 1910 in Indiana, Mrs. Lovelace moved to Parmer County in 1917 with her parents. They settled in Friona where she attended school and graduated from

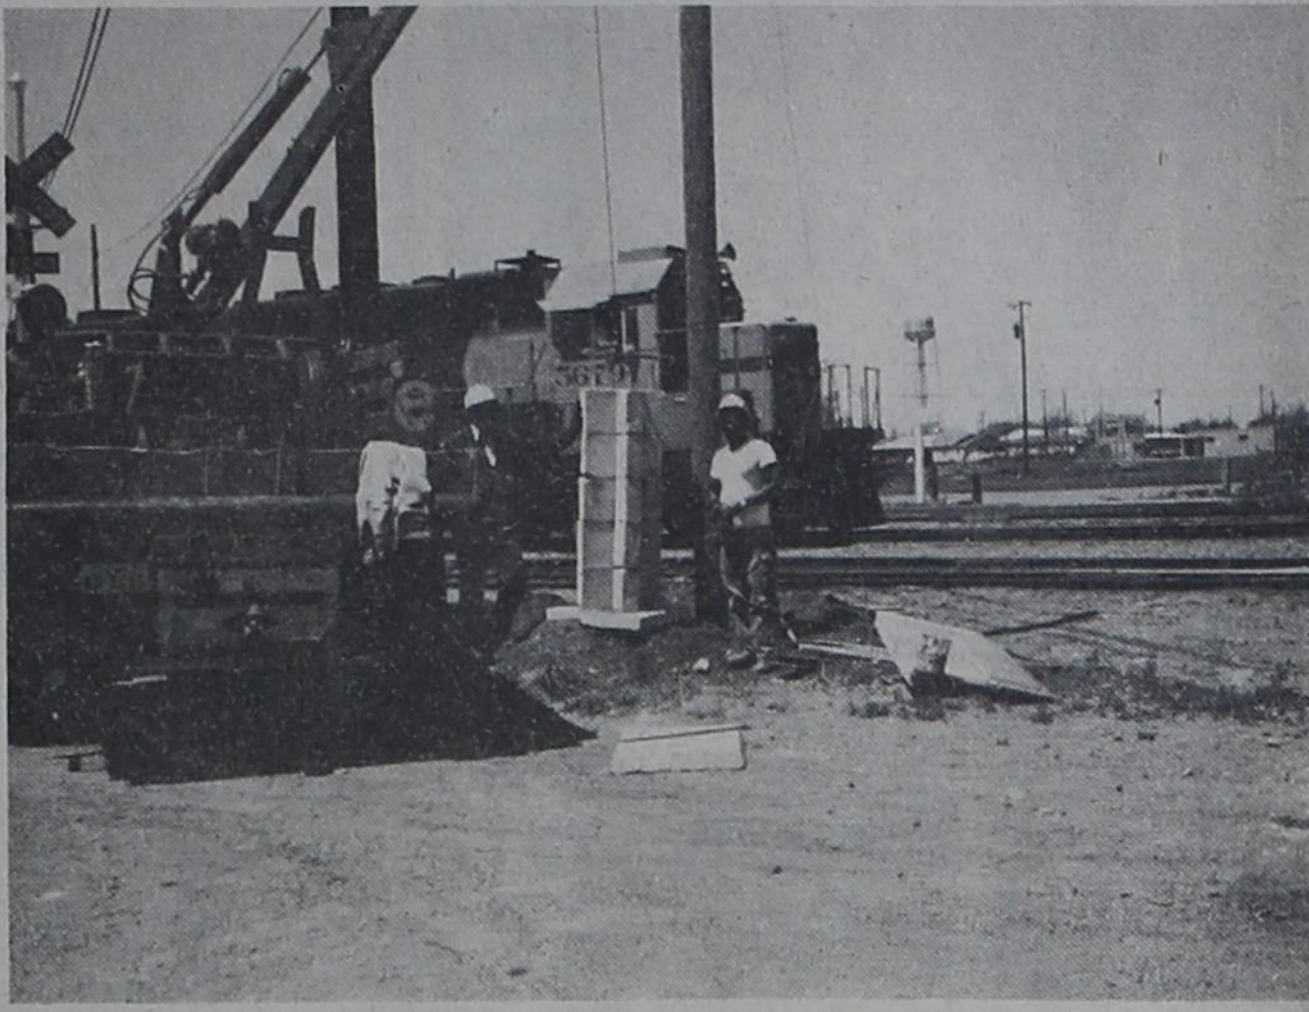

ALICE LOVELACE

Friona High School. The former Alice Margaret Guyer married Charles Lovelace May 27, 1939 in Aspermont, Tex. She was a member of the Congregational Church in Friona.

She is survived by her husband, Charles of Farwell; three sons, Jerry of Irving, Leon of Grapevine and Johnny of Richardson; one sister, Mrs. Myron Bayless of Richland, Wash.; two brothers, William Guyer of Sunnyside, Wash., and John Guyer of Pasco, Wash.; and three grandchildren.

Pallbearers were Oto Whitefield, M.A. Snider, Jr., John Getz, Raymond Martin, D.C. Hale and Tom Adkins.

**RR CROSSING ARMS BEING INSTALLED** - The Santa Fe Railway, assisted by the New Mexico State Highway Department and Texas Highway Department, is presently putting in foundations and underground wiring for crossing arms to protect motorists at the Texico-Farwell railway crossing on Highway 70-84. A three-party agreement was arranged between Texas, New Mexico and the Santa Fe Railway to install crossing arms at this location about a year ago. Work began about a week ago and it is hoped the crossing arms will be installed by this weekend. New Mexico and Texas will share, equally, the expense of installing the crossing arms and the Santa Fe Railway will do the construction and maintenance of the project. Pictured are two men of the work crew as they place the concrete foundations.

## John Dempster Services Conducted At Muleshoe

Funeral services for John R. Dempster, 53, of Farwell were conducted Monday, April 28, at Singleton-Ellis Funeral Home Chapel in Muleshoe. Rev. W.T. Perry, pastor of Hamlin Memorial United Methodist Church of Farwell,

officiated. Interment was in Muleshoe Cemetery.

Mr. Dempster was pronounced dead on arrival Saturday, April 26, at a Littlefield hospital of an apparent heart attack.

Born in Peoria, Ill., January 21, 1922, Mr. Dempster married Mayme Cole in 1946 at Muleshoe. He was a resident of Muleshoe prior to moving to Farwell in 1963. He was owner and manager of Farwell Equipment Company.

A veteran of World War II, Mr. Dempster was a member of the Farwell Chamber of Commerce, the Order of Odd-fellows and the Texico-Farwell Lions Club of which he had been selected president-elect.

Survivors include his wife, Mayme of Farwell.

Pallbearers were E.W. Bass, Hurschel Harding, Uvon Ford, Jerry Caldwell, John Getz and E.R. Smith.

Honorary pallbearers were members of the Lions Club.

## Reward Offered For Information

The City of Farwell is offering a \$50 reward to persons supplying information leading to the arrest and conviction of anyone defacing or removing street signs and/or traffic control signs within the city limits.

According to City Clerk Janie Bowery, each sign erected by the city costs taxpayers approximately \$35.

"Within the last four months this vandalistic activity has increased and is heavily costing the city and taxpayers," stated Mrs. Bowery.

According to city officials, names of informants will be kept in strict confidence.

Persons having information concerning this destruction of city property is asked to call 481-3620.

## Trustees To Call Sales Tax Election

Farwell City Commission met Monday, April 28, in their first regular session following the recent city election. Opening the meeting was Mayor Gil Patschke with Commissioners Ralph Franse and Fred Chandler present.

After much discussion, Commissioners decided to ask for a one cent city sales tax. They took up the matter of tax schedules and renewed their Workmen's Compensation with Texas Municipal League. Hiring or entering into contract with the Parmer County Sheriff's Department for a city marshal was also the topic of much discussion. The fire department attendant will receive a raise and it was learn-

ed that the City Hall has a termite problem.

The city dads asked J.B. Suddeth, real estate agent, and Charles Hromas, building contractor, to attend the meeting to give them some much needed information about property appraisal. It was pointed out that the city of Farwell does have a problem with their tax schedules in a few isolated areas. After having many questions answered by Suddeth and Hromas, the Commissioners decided not to do anything at the present time about the tax schedules, but to try and correct the inequities that presently exist.

They decided to renew the Workman's Compensation insurance with Texas Municipal League at a savings of 25 percent to the city.

The Farwell Fire Department was given the "go ahead" to spend \$200 per fireman up to three men and send them to the Fire School at Texas A&M July 20. Eugene Smith, fire department attendant, was given a \$50 per month raise, the city provides an apartment and pays the utilities as well as salary for Smith to live at the fire station and answer calls, set off the alarm and have the trucks ready to roll when an emergency arises.

The possibility of a one cent sales tax was the topic most on the minds of the City Commissioners. It was decided to call for a special election in the very near future to let the citizens decide if they want the tax. It was pointed out that the

FRIENDSHIP

Like music heard on the waters,  
Like pines when the wind passes by,  
Like pearls in the depth of the ocean,  
Like stars that enamel the sky,  
Like June and the odor of roses,  
Like dew and the freshness of morn,  
Like sunshine that kisseth the clover,  
Like tassels of silk on the corn,  
Like mountains that arch the blue heavens,  
Like clouds when the sun dips low,  
Like songs of birds in the forest,  
Like brooks where the sweet waters flow,  
Like dreams of Arcadian pleasures,  
Like colors that gratefully blend,  
Like everything breathing of kindness,  
Like these is the love of a friend.

## Carlisle Given 25 Years For Ex-Wife's Murder

David Carlisle, 30, a Plainview truck driver accused of murdering his young ex-wife, Betty Ann, 22, was assessed punishment of 25 years in prison after being convicted Friday, April 25, in District Court in Farwell, by a jury of seven women and five men.

It took the jury three and a half hours of deliberation before rendering a verdict of guilty and another three hours before they decided the punishment.

Carlisle was tried for murder in connection with the August 1, 1974, shooting death of his ex-wife Betty Ann who was a waitress at Hereford. Her body was found in a car parked at the side of Bob's TV Repair Shop in Farwell. She had been shot five times.

Carlisle is now in custody in the Parmer County Jail, awaiting formal sentencing. No date has been set for sentencing as yet. He was previously out on \$25,000 bond.

Under Texas law, the defendant is given "constitutional time" to allow his attorneys time to file motions in his behalf. Formal sentencing cannot be scheduled sooner than 10 days from the time punishment is assessed.

District Attorney Jack Young of Muleshoe introduced expert testimony linking three slugs found in the young woman's body to a .38 calibre pistol belonging to Carlisle. Two of the slugs were positively identified as having come from the defendant's gun, according to a spokesman from the Parmer County Sheriff's office.

Defense attorneys Tom Kendrick of Amarillo and Burrell Evans of Tulsa attempted to prove that the Carlisles had been victims of an unidentified hitchhiker who took over their car after finding Carlisle's pistol under the front seat of the car.

The defense attorneys also introduced testimony indicating that Carlisle had been forced at gunpoint to swallow a quantity of tranquilizers and

beer. The defendant took the stand and told jurors that he "vaguely remembered" what happened on the day his ex-wife was slain.

The murder trial lasted five days and was presided over by District Judge Pat Boone, Jr., of Littlefield.

## Banquet Set To Honor Outstanding Athletics

Outstanding athletes from all phases of the athletics department at Farwell High School will be honored Friday, May 9, during the annual Pep Club Athletic Banquet to be conducted at 8 p.m. in the school cafeteria.

Awards will be presented during the banquet to outstanding athletes. Awards include Steer of the Year, Most Outstanding Athlete, Highest Scholastic Achievement, Most Valuable Forward (girls), Outstanding Trackman, Best Blocker and Tackler, Most Outstanding Football Player, Girls' Most Valuable Guard, Boys' Most Outstanding Basketball Player and other awards.

Theme of the banquet will be "Pride Runs Deep" with guest speaker to be Ron Ekker, head coach of the West Texas State University Buffaloes.

A native of Mabel, Minn., Ekker was a two-sport star at Winona, Minn., State College. A star forward, Ekker was also regular shortstop on Winona baseball teams that placed fourth in the NAIA national tournaments in 1961 and '62. As a freshman, he also started in football.

After earning his B.S. degree in 1962, Ekker started his coaching career at Cheboygan, Mich., High School. He led Cheboygan, a team that had not enjoyed a winning season in over 30 years, to a 29-17 two year record and a conference championship.

Following a year at Wayne State where he earned his master's degree, Ekker went back to Winona State for his first collegiate head coaching job. Under his leadership, Winona had four straight winning seasons, including a Northern Intercollegiate Conference championship in 1969. In 1970, he won NIC Coach of the Year honors as Winona posted the best record in school history.

A year as an assistant at Minnesota and two campaigns at Hillsdale, and Ekker started a rebuilding program at West Texas State with an 11-15 record last year.

As a head coach, Ekker has compiled a 115-71 collegiate record. In nine years as a head

coach on the high school and college levels, he has suffered only one losing season.

Special entertainment will be provided during the evening and the menu is to include rib eye steak, baked potatoes, salad, hot rolls, cherry cobbler, tea and coffee.

Tickets for the banquet are priced at \$3 for adults and \$2 for students. They are available from any cheerleader, member of the Farwell Pep Club or may be purchased at the door.

## Farwell Hospital District Board Sworn In Tuesday

Members of the board of the Farwell Development Commission were sworn in as the temporary directors of the Farwell Hospital District at a meeting Tuesday, April 29, at Security State Bank in Farwell.

The enabling legislation for the Farwell Hospital District, Senate Bill 235, was signed by

Governor Dolph Briscoe on Monday, April 28, after passage by the 64th legislature.

Farwell Mayor Gil Patschke administered the oaths of office to the temporary board of directors. The ceremony was witnessed by Jesse Landrum, Farwell notary public.

Don Williams was elected president of the temporary

board of directors, Charles Aycock was elected vice-president and Jim Berry, secretary.

Members present were Prentice Mills, Mr. and Mrs. R.W. Anderson, Mr. and Mrs. Don Williams, Gil Patschke, Jim Berry, Charles Aycock and Claude (Pudge) Rose Jr. Also present was Bob Davis, a representative of Columbia Securities.

Members set the Community Room of Security State Bank as the regular meeting place and set the third Tuesday of each month as the regular meeting date of the board of directors of the Farwell Hospital District.

The board will set a date in June for an election for voters to ratify the formation of the Farwell Hospital District. Persons eligible to vote in the election will be qualified registered voters residing within the boundaries of the Farwell Independent School District, less the portion of the district located in Bailey County.

## Texico Trustees Approve Budget

The Texico Board of Trustees met for its annual Budget Hearing Tuesday night, April 29, at city hall and approved a budget in the amount of \$135,385 for the coming fiscal year. This figure is \$21,852 over last year's budget of \$113,533.

After going over their expenditures, resources and estimated expenditures for the

coming year, the Board approved the budget. Raymon Lara, Chief of the New Mexico Department of Finance, will be in Texico in the near future to go over the budget with the Board of Trustees for final approval.

Included in the budget are funds for the General Fund in the amount of \$51,237 over last

**BATTERESS UP!** - The 1975 Little League season in the Twin Cities has seen a few changes come about such as the addition of girls to the teams and women in the coaching boxes. Reactions have been varied among the "veteran" Little Leaguers but acceptance came quickly. Getting into the swing of things during a practice session last week were coach-practice umpire Zadene Burris, catcher Dennis Dollar, batter Jana Gary and coach LaJune Gary. The two women are coaches and the youngsters are members of the Aldridge team which was to open play for the season at 6:30 p.m. CDT Thursday, May 1, at the Texico-Farwell Little League Ball Park.

### Soil Stewardship . . .

(Continued from Page 1)

people responded and implored God for help in the suffering and privation.

In America, the soil stewardship observance has always traced its origins to the Rogation Days. Throughout parts of the south, earlier in this century, churches and congregations began to set aside the fifth Sunday after Easter as Soil and Soul Sunday.

This became known as Soil Stewardship Sunday, when, in 1946, publishers of Farm and Ranch magazine suggested to religious leaders that one Sunday be set aside each year to remind their congregations of man's duty to be a good steward of the land.

Prior to 1946, on April 27, 1935, a new agency, the Soil Conservation Service, was created to combat the forces that threatened to lay waste to millions of acres of cropland. The Soil Conservation Service began working with landowners by demonstrating means of erosion control, but it became apparent that really effective conservation work was done better when landowners led the job themselves.

In 1937, President Roosevelt recommended that each state legislature enact laws permitting landowners and land occupiers to form units to be called Soil Conservation Districts. Relying to the call, all the states, Puerto Rico and the Virgin Islands, enacted laws permitting formulation of districts.

Soil and Water Conservation Districts set out to focus attention on land and water problems on all privately owned land, to develop annual and long-range programs designed to solve the problems and to enlist all the appropriate help available from public and private sources.

Today over 3,000 conservation districts, covering 97 percent of all privately owned lands, have formed in mutual concern to protect, conserve, and improve the world.

Typically, a conservation district has five supervisors, elected by local landowners. The supervisors work with the Soil Conservation Service District conservationist and other agencies in helping the landowner apply conservation measures on his land.

The Parmer County Soil and Water Conservation District's Board of Directors are Leon Grissom, chairman; Leroy Johnson, secretary; Dick Rockey, Jimmie Cockerham and Dan Smith. The directors are all involved in agriculture and are aware of the problems and the joys the use of the land can present.

More than two million landowners are voluntarily planning and applying conservation measures in local soil and water conservation districts. They are helping to control erosion, improve water supplies, prevent floods, curtail pollution, and develop recreational areas.

The National Association of Soil and Water Conservation District (NACD), organized by

district leaders in 1946, is the means by which the districts make their cause known and voice heard.

George R. Bagley, cotton farmer and real estate developer of St. Joseph, La., is president of the NACD.

"This land is more than a place to live," Bagley said. "It holds our future. How well we treat it will ultimately determine how well we live."

"Conservation and wise development of our natural resources have never been more important. Soil, water, forests, fish and wildlife, open space, and natural beauty are threatened by misuse and waste. Our total environment is under pressure."

"But more than agriculture is involved. Many district programs are directed toward meeting problems of suburban expansion. Districts are cooperating in site location, sediment control, beautification, economic development, and land use planning," Bagley continued.

The principal source of technical assistance to the districts is the Soil Conservation Service. SCS provides a district conservationist for each district to help carry out conservation programs.

The scope of the Soil Conservation Service program has expanded since establishment 40 years ago. Soil and Water Conservation Districts have grown beside it, bringing a better life and future to everyone.

God gave us the land and He gave man the intelligence to figure out how to use it right. Future generations will have to eat and be clothed. If the soil is misused now, the future will be bleak for all who live there. The soil is the basis for all living creatures. City dwellers are as dependent on the soil as rural residents.

With the realization that so much is at stake a new generation of pioneers is emerging. This generation may not be taking their lives in their hands as the early settlers did, but they are experimenting with the basis of their livelihood. This new breed is called conservationist. This group is not the misinformed, ill advised radicals who are gaining so much publicity. These are individuals who on their own are quietly revolutionizing the treatment of the soil.

Parmer County has an abundance of these quiet revolutionaries. To name them all would be an impossible task. To mention a few would be a credit to them all.

Sprinkler irrigation in combination with minimum tillage has practically eliminated erosion and has increased irrigation efficiency on the Charles Hough farm.

Joe Buchanan can see how both moisture and soil are conserved by minimum tillage on his farm.

Wendol Christian and Ed Corn have started on a conservation plan that many will think is radical, but when it is completed the efficiency of the

## Committee Appointed To Seek New Doctor

A committee to search for a doctor for the City of Farwell was appointed by the Farwell Chamber of Commerce during their business meeting held at noon Tuesday, April 29, according to Dutch Quickel, Chamber secretary. Named to the committee were Jim Berry, Bob Anderson, Don Williams, Gil Patschke, Carrie Lane Anderson and Maxine Williams.

Fred Chandler was appointed to the Border Town Days

Committee and a committee for re-evaluation of the Weigh-masters contract was named and includes Fred Chandler, W.T. Perry and Quickel.

Chamber directors also appointed a committee to select this year's Outstanding Senior from Farwell High School.

In other business, Chamber members heard a report from the hospital and nursing home committee relating that the Enabling Legislation has been passed putting Farwell in a hospital district, and signed by the Governor. It is now a law, according to Quickel.

Next step will be to hold a special election to determine if the citizens of Farwell want a nursing home constructed here, followed by the passage of a bond issue to obtain the necessary funds for the construction.

At the conclusion of the meeting, members heard a report of Monday's City Commission meeting.

Directors attending Tuesday's meeting included Pudge Rose, president; Fred Chandler, Dub Nicewarner, Johnny Atkinson, Bo Bartley, Ricky Stewart, Charles Aycock, Dr. Jerry Gregory, Otis Huggins, B.J. Roberts, Gil Patschke and Dutch Quickel.

### Sales Tax . . .

(Continued from Page 1)

tax money collected could be used to help defray the cost of hiring a city marshal which the Commission felt was very much needed in Farwell.

City Secretary Janie Bowery was asked to take the proper steps to call a city election for the sales tax on whatever is taxable under state law.

The decision on hiring a city marshal was left pending as Commissioners wanted to interview persons interested in the position and set work guidelines with alternating hours for a marshal, should one be employed.

A letter from the State Health Department was read concerning the city water which they said contained too much fluoride. The recommended amount of fluoride is 1.6 parts per million and Farwell's water contains 2.7 ppm. There is not much the city can do to eliminate the problem other than to publicize the fact that the fluoride level is high and would cause discoloration of teeth in children 14 years old and younger.

The problem of termites in the City Hall building was brought to the attention of the Commission by the city secretary who said, "they are getting in my hair." She produced a bid from one company in the amount of \$650, which the Commissioners felt was too high. It was decided to get bids from other companies before making any decision about the termite problem.

Joe Caywood of Texico, director of the Senior Citizens, attended the Commission meeting and asked the city of Farwell to join Texico in declaring May 24 as Senior Citizens Day and the Month of May as Senior Citizens Month. It was decided this would be a joint effort and mayors of both cities would sign proclamations declaring such.

At the close of the meeting, it was noted that the second annual paving notices had been mailed.

year's total of \$48,297; Revenue Sharing Funds totaling \$5,523 over last year's expenditure of \$8,892; General Obligation Interest Fund in the amount of \$2,650; General Obligation Principal fund, \$2,150; Solid Waste Disposal Fund totaling \$9,469 with last year's total at \$8,500; Cemetery Fund amounting to \$2,056 with expenditures in the amount of \$1,327 last year; Utility Fund (water and sewer) \$49,934 over the last year's total of \$34,335; Fire Protection Fund in the amount of \$13,110 over the total

of \$8,500 for last year; and \$1,406 for the Recreation fund over last year's amount of \$1,532.

Mayor Manford Turnbough called the meeting to order with Trustees Bill Christian, Bill Thigpen, Vane Doshier and Ruby Goforth attending.

**YEARBOOK AWARDS** - The 1974 Wolverine Yearbook of Texico Schools was awarded first place in Class C competition at the 41st Annual Panhandle High School Press Association Convention in Canyon recently. Four individual 1974 Wolverine staff personnel won individual awards. They were Beverly Duncan, Rhonda Pace Osborn, Rusty Rucker and Eddie Taylor. Displaying the first place trophy and individual awards are 1975 staff members, front, editor Steve Harrington, left, and Eddie Taylor; back, Rusty Rucker and Beverly Duncan.

### Paper Pick-Up Scheduled By ERS

Members of the Texico Emergency Rescue Squad (ERS) began a paper drive Tuesday, April 29, and have scheduled a paper pick-up in Texico and Farwell for Saturday, May 3.

Anyone with papers to be picked up is asked to stack the papers on the curb or sidewalk

Saturday and ERS personnel will canvass the Twin Cities and pick up the papers.

All papers collected are to be taken to the recycling plant in Clovis.

The pick-up area will cover Texico, Farwell, Clovis, Friona, Muleshoe, and Bovina.

## Commissioners Court Votes To Enlarge Sheriff's Dept.

During a regular meeting Monday, April 28, members of the Parmer County Commissioners Court voted to enlarge the staff of the Parmer County Sheriff's Department.

Commissioners approved the hiring of two additional employees for the department to be paid \$350 and \$400 per month. They also agreed to the purchase of a file cabinet and two chairs for the department.

Also during the session, a discussion was conducted concerning appraisals for the project on Highway 214. It was pointed out that several appraisers had been contacted with the lowest appraisal being made by Bill C. Moore of Amarillo. A work agreement specifying a pay rate of \$35 per hour, not to exceed \$2,000 for the parcels of land to be cleared, was approved to be submitted to Moore. Work must be completed by May 25 of this year. If not completed by May 31, a penalty of \$100 per day is to be assessed, if the last date and figure is agreeable to Moore.

The bid of Peek Industrial Tractor Parts Company of Amarillo for a road grader for Precinct 1 was accepted in the amount of \$17,000.

A new draft in the amount of \$55,230 will be drawn on Charles J. Cerf of Midland and forwarded to his bank with the request that the draft replace one drawn on him previously in the amount of \$64,695. This

matter concerned the failure of certain lands to show a clear title in the mineral lease executed with Cerf. In the process of clearing the title, it was found that all of Labor 25 and the south half of Labor 16, all in League 317, Parmer County School Lands, Gaines and Andrew counties, could not show a clear title due to a previous sale of the minerals dated February 8, 1965.

Commissioners decided to accept bids for paving in three different places around the courthouse, per certain specifications.

Votes were canvassed for the special election held April 22 regarding two constitutional amendments. The results are

as follows: Proposition No. 1, 547 For, 323 Against; Proposition No. 2, 517 For, 357 Against.

The Commissioners approved reimbursement in the amount of \$80 to Jana Pronger, county extension agent, for a trip she made to Lubbock Saturday with two bus loads of 4-H youth.

With observance of Memorial Day set Monday, May 26, regular meeting date of the Court, Commissioners rescheduled their meeting for Tuesday, May 27.

Commissioners Court members present for the session included Judge Fortenberry and Commissioners Charlie Jefferson, Cecil Atchley, Tom Le-wellen and Jimmie Briggs.

### THE LIGHT SIDE

By Bob Anson

If a man stands with his right foot on a hot stove and his left foot in a freezer, some statisticians would assert that, on the average, he's comfortable.

Some of us couldn't do with the proposed three-day work week. It takes us that long to get started.

The tip you leave for a meal today would have bought it ten years ago.

A good tip is to call Bob's TV for Fast Service.

## Steers, Yearlings Place In District Track Meet

Nine members of the Farwell Varsity Steer Track Team competed in Regional track competition at Lubbock Saturday, April 26. During the session, Farwell's sprint relay team placed fourth in the finals with Mike Woods placing fifth in the 100-yard dash and Donnie Garner placed fourth in the 880-yard run.

To advance to regional competition, the Steers along with several Yearlings took places in the district meet conducted recently at Springlake-Earth.

Results of the meet are as follows:

The 1975 season of Little League Baseball in the Twin Cities was to be kicked off Thursday, May 1, with the first game scheduled for 6:30 p.m. CDT in the Texico-Farwell Lions Club Ball Park.

According to Little League President Richard Deel, each game night scheduled will see two games played with the first game beginning at 6:30 p.m. and the second game scheduled to get underway at 8:30 p.m.

During the final try-out session conducted Saturday, April 24, rosters for the four teams, Tide, Aldridge, Kelly Green and Worley, were completed with a new touch being added to baseball this year.

The new touch is the feminine touch as this season girls are playing as members of the Little League teams.

Varied reactions were recorded as the girls were selected for the teams. One "veteran" of the Little League circuit commented, "I guess it's okay if they play with us as long as they don't cry," while others commented on the assets gained with the female players. "Well, some of them are pretty good hitters and basePERSONS."

Females are making their appearance in Little League both on the field and in the dugouts. One team, Aldridge Insurance, has two female coaches. They are LaJune Gary and Zadene Burris.

Other coaches for the 1975 season are Bill Stone and Eddie Dunsworth, Kelly Green; Eddie Smith and J. W. Eubank, Worley; and Don Weems and Floyd Coates, Tide.

Team rosters are as follows: **KELLY GREEN** -- Nicky Liethen, Carletta Fitz, Jeff Dunsworth, Joel Edwards, Jeff Day, Darren Darby, David Hughes, Allen Hall, Clint Stone, Jay Duncan, Roy Edwards and Grover Haysell.

**ALDRIDGE INSURANCE** -- Curtis Billington, Blake Buchenau, Dennis Dollar, Danny Reid, Ricky Foreman, Tommy Miller, Billy Askew, Jana Gary, Kelly Alana, Tim Watkins and Todd Meeks.

**WORLEY** -- Alan Eubank, Steven Smith, Jimmy Garza, Joe Garza, William Garza, Randy Herington, Brent Green, Allan Hadley, Tony Cavallero, Rocky Ford, Sammy Daliago, Arthur Chavez and Mike Arnold.

**TIDE** -- John Scott, Boyd White, Mac Langford, Waverly Coates, David Daniel, Monte Powell, Manuel Cantu, Frank Cantu, Johnny Daniel, Johnny Cantu, Tony Bradley and Sonya Thigpen.

The 1975 Little League Baseball schedule is as follows:

## Varsity Wolves Place At Tatum

The Texico Wolverine Varsity Track Team traveled to Tatum Saturday, April 19, where they captured third place in the Tatum Invitational Track Meet. Jal took first with Tatum taking second over the local trackers.

James Stewart topped the

field of competitors to take first in the 100-yard dash with a time of 10.2. Stewart also took first in the 220-yard dash with a time of 23.5.

In 880-yard relay competition the Texico Wolverine team of James Stewart, Tommy Galvan, Spencer Turner and Jimmy Ortiz place second with a time of 1:34.3.

Rusty Rucker was awarded third place in the two mile run with a time of 11:14.0.

Jimmy Ortiz placed fourth in high jump competition when he cleared the cross bar at 5'9".

Terry Brown was declared fifth place winner in the 880-yard dash with a time of 2:13.0.

"Coach Lyons and I both were pleased with the boy's performances," stated Coach Ray Manly, continuing, "We think they've done an outstanding job for us this season and we expect them to do more by being one of the main competitors at the state track meet."

the meet. Voting delegates at the district business session representing the Farwell Chapter were Wesley Hukill and Bruce Kaltwasser.

During the contest district agriculture instructors conferred in the agriculture department to examine and screen applications from district FFA members for State Farmer degrees. Their recommendations will be sent to the regional committee who will in turn select the top group to be sent to the state screening committee. Successful candidates will receive their State Farmer degrees at the state FFA convention in Houston July 9-11.

James Mast, Farwell vocational agriculture instructor, stated that the four basic qualifications for an FFA member to be eligible for the degree are that he must be enrolled in high school vocational agriculture on the junior or senior level, have showed at least a \$500 profit on a livestock or crop project, have demonstrated leadership abilities and have submitted an application with a detailed analysis of his project records.

Walter Labay, Area I Supervisor for vocational agriculture programs, met with the instructors.

Members of the Farwell Future Homemakers Chapter served coffee and pie to the instructors attending the conference.

## Farwell Talent Team Wins District Meet

Four members of the Farwell High School Chapter of Future Farmers of America talent team won the Littlefield District Talent Contest held Tuesday, April 29, in the Farwell High School auditorium.

In conjunction with the District Talent Contest, the local FFA Chapter also hosted the District FFA Public Speaking Contest, the District business meeting and the vocational agriculture instructors conference.

The winning talent team performed as a musical group with Weldon Kube on the base guitar, Jack Foster on the drums, Gerald Hardage playing guitar and Robert Diaz on lead guitar. In taking the district title the team is now eligible to compete in the Regional Talent Contest to be held May 10 at Tascosa High School in Amarillo.

Placing first in the Public Speaking Contest was Foy Mills of the Anton Chapter, second place went to David Booth of the Amherst Chapter and third place was won by Danny Lance of the Muleshoe Chapter. Lance was a student at Farwell High School and member of the Farwell FFA Chapter until he transferred to the Muleshoe school district this winter.

Judges for the Public Speaking competition were Joyce Hargrove, Farwell Schools speech therapist, and Tom Adamson, Farwell High School English teacher.

Other schools with FFA chapters represented at the meet were Friona, Lazbuddie, Bovina, Littlefield, Morton, Springlake-Earth, Three Way, Bula-Pep, Spade, Witharrel and Whiteface.

Mrs. Frink; Sheryl Woods, Miss Akers; Gary Blair, Mr. Black; Wesley Hukill, Dr. Brown; Gerald Hardage, Lucifer; Brad Jones, Mr. Morlock; Charles Christian, Joe; Bruce Kaltwasser, George; David Harding, Jake; Terri Boling, Mildred; and Jacquelyn Langford, Mrs. Morlock.

Aiding with production of the play are Lori Norton, assistant director; Cindy Watts, student director; and David Snider, crew manager.

The Junior Class urges everyone to attend and promises an enjoyable evening of fun and entertainment.

The paper, "Signal Complexity, Response Complexity, and Signal Specification in Vigilance," was based in part on Dr. Childs' dissertation and was awarded a \$100 cash prize by Brooks-Cole Publishing Co.

Dr. Childs currently is analyzing data concerned with attentional deficits in mental retardates. The data were collected at the Lubbock State School and will be published in a journal of psychology.

## Farwell Steerettes Break Many Records

With the 1975 basketball season closed for the Farwell Varsity Steerettes and final records compiled it is revealed that under the coaching of Gayle Nicholas a total of seven records fell during past season action.

Both team and individual records were topped by the Steerettes as a 1975 won-loss record of 22-9 broke a record set in 1973. The record which fell indicated 18 wins and 13 losses during the '73 season.

Most points scored in one game came in the Steerettes clash with Bovina as the local basketballers canned a team

total of 102 points. Standing record had been 83 points against Hart in 1973.

A total of five individual records were topped with Kathy Booth setting four new records and Kathy White credited with setting one.

Steerette White was recognized for having attained the highest field goal percentage. She hit 48.2 percent in that department and broke the old record of 44 percent set by Kathy Booth in 1974.

Steerette Booth was credited with breaking three of her own records, one of Sharon Booth and one of LaShawn Sheets.

Kathy scored 696 points, the most points scored by an individual in one season, to drop the previous record of 610 set by LaShawn Sheets in 1973.

A record of most field goals hit in one season, 277 individual, by Booth broke the record of 190 she set in 1974. She broke the 1974 record of her sister, Sharon Booth, as she hit the highest free throw percentage in one season. Sharon's record was 74 percent and the new record is 75.9 percent.

Final record set by Booth was 19 individual field goals in one game to top her 1974 record of 16.

## Correct Address Law To Be Enforced

The Texas Department of Public Safety advises that all Texas drivers should examine their Texas drivers license to verify that the address on their

license is correct. If his address is incorrect, it will be necessary to contact the local Drivers License Office as soon as possible.

It is a misdemeanor offense for not changing your address within 10 days after moving. This particular law is going to be enforced more strictly in the future. The procedure for changing an address on a license is to have a duplicate license made with a new picture and a \$1 fee.

The Drivers License Law, V.C.S. 66876, Sec. 20, states that whenever any person, after applying for or receiving an Operator's, Commercial Operator's or Chauffeur's license issued under the provisions of this Act is lost, destroyed or there is change in pertinent information, the person to whom the same was issued may obtain a duplicate or correction thereof upon furnishing proof satisfactory to the Department that such permit or license was lost or destroyed or upon the supplying of the required information which has changed, together with proof acceptable to the Department supporting such change, and upon the payment of a fee of \$1.

thereafter notify the Department in writing of his old and new addresses or of such former and new names, of the number of any license then held by him, and such person shall apply for a duplicate license as set out in Section 14.

Section 14 states that in the event that an Operator's, Commercial Operator's or Chauffeur's license issued under the provisions of this Act is lost, destroyed or there is change in pertinent information, the person to whom the same was issued may obtain a duplicate or correction thereof upon furnishing proof satisfactory to the Department that such permit or license was lost or destroyed or upon the supplying of the required information which has changed, together with proof acceptable to the Department supporting such change, and upon the payment of a fee of \$1.

### Marriage Licenses

The Parmer County Clerk's office issued two marriage licenses during the week of April 18-24.

Licenses were issued to Gilberto Aguirre Carrasco and Shirley Ann Esquivel; and Elbert L. Testerman and Martha May Atwood.

### Friona License Office Closes For Vacations

The Friona Drivers License office will be closed for vacation time, May 5, 6, 7; June 23, 24, 25 and July 21, 22, 23. Renewals and tests will be given on Wednesdays of these weeks.

The examiner will not give driving tests on June 11 and August 20 due to his vacation.

People of Parmer County should make note of the above dates so they will not be inconvenienced by an unnecessary trip, according to Carolin Vaughn, drivers license clerk at Friona.

According to the Credit News Bureau, the law requires credit bureaus to disclose everything in your file. The Bureau estimates that more than 1,700,000 consumers reviewed their files in 1973.

## Lester Harrelson Arena Dedicated In Las Cruces

Lester Harrelson Memorial Rodeo Arena, named in honor of a former Texico resident, was formally dedicated Saturday, April 5, during the 30th Annual National Intercollegiate Rodeo Association Rodeo at New Mexico State University in Las Cruces, N.M.

Harrelson, who was an animal science major at NMSU, was killed October 19, 1974, while participating in a NIRA rodeo in Amarillo as a member of the NMSU rodeo team.

The arena is the newest and latest facility built at the university. Dedication was held at NMSU's arena near "A" mountain with the formal dedication being delivered by Rudy Apodaca, NMSU regent from Albuquerque. Dr. Gerald W. Thomas, NMSU president, presented the opening address and recognized guests, making comments on how befitting it was to dedicate such a vast expanse to Harrelson since his entire life had been spent in the rodeo game.

Wallace Cox, extension livestock specialist and Aggie Rodeo Club advisor, gave a poem written in Harrelson's memory by his brother, Leslie Harrelson of Clovis. Rick Wilson, Aggie Rodeo Club vice-president presented Harrelson's wife, Sharon, a plaque in memory of her late husband. Larry Noland of Hereford, Garland Weeks of Abilene and

Adrian Cunningham of Guyton, Okla., presented Mrs. Harrelson a miniature bucking chute.

Harrelson was the son of Mrs. Mary Collier of Friona. His wife is the former Sharon Ann Stallard of Ft. Sumner and she and her two sons, Kyle and Shawn, are making their home near the rodeo grounds at Las Cruces. Harrelson was the grandson of the late Mr. and Mrs. Fred Barker, pioneer residents of Parmer County.

Harrelson was a nephew of Mrs. Joyce Coffman and Mrs. Ogetha Lanford, both of Farwell, Mrs. Crystal Moss of Levelland, formerly of Texico-Farwell, and Fred Barker, Jr. of Friona.

Harrelson graduated from Ft. Sumner (N.M.) High School in 1964 and attended Colorado State University. He was called to serve during the Vietnamese conflict and was discharged from the Paratroopers as an E-5.

He later attended Eastern New Mexico University at Portales where he led the rodeo club of that university to the National Intercollegiate Finals in Deadwood, S.D., in 1969.

At the time of his death, Harrelson was serving as president of the NMSU Aggie Rodeo Club. He had been president of the American Junior Rodeo Association (AJRA), and was past World

Champion Junior Bull Rider and AJRA Runner-up World Champion Steer Wrestler.

During the dedication ceremony, special recognition was given to Mr. and Mrs. Robert Collier, Leslie Harrelson, Linda Widner of Portales, Mr. and Mrs. Elmer Langford of Farwell, Mr. and Mrs. Robert Widner of Holtville, Calif., and Mrs. Erma Stallard of Ft. Sumner.

### Sheriff's Report

The Parmer County Sheriff's Department is investigating the theft of a business band radio stolen from Phil Elliot at the Ray Tharp farm three miles north of Farwell. The radio is alleged to have been stolen April 20.

Two pieces of 18-inch well casing valued at \$360 was reported missing from the Harold Joe Wells farm north of Friona. The apparent theft was reported to the Sheriff's Department Saturday, April 26. The incident is under investigation.

### Fire Calls

The Farwell emergency vehicle was dispatched to a Farwell residence to transport a man to the Friona Hospital on April 26.

On Monday, April 28, at 1:40 p.m., the Farwell Volunteer Fire Department was called to put out a pickup fire.

At 7 p.m. April 28 the Farwell emergency vehicle was sent to a Farwell residence to treat a child victim of ant bites.

The Texico emergency vehicle was dispatched to a Texico residence to take a woman to the Clovis hospital for treatment of a broken leg.

### Annual Appeal

April is Cancer Control Month when the American Cancer Society asks for your support of vital research, public and professional education programs about cancer and ACS services to the cancer patient.

**DIRECTORS SWORN IN** - Farwell Mayor Gil Patschke administered the oaths of office to the temporary directors of the Farwell Hospital District at a meeting Tuesday night, April 29, at Security State Bank. The enabling legislation for the Farwell Hospital District, Senate Bill 235, was signed by Governor Dolph Briscoe on Monday, April 28, after passage by the 64th legislature.

## Underground Water District Relocates Headquarters Office

High Plains Underground Water Conservation District No. 1 has relocated its Lubbock headquarters office from 1628 15th Street to 2930 Avenue Q. The District's Board of Directors inspected the new facility and officially accepted the keys at its March 19 meeting.

Several years of planning the design of the facility and saving the funds for purchase of the property, construction and other professional fees were culminated by a groundbreaking ceremony July 11.

At that time, Board President Billy Wayne Sisson of Hereford stressed that the cost of the land, building and landscaping and all other necessary fees were pre-budgeted with funds on hand and would be paid for without additional taxes or bond sales, and that there would be no liens or other encumbrances against the physical plant.

Funding was provided by five years' interest on time de-

posits, ceilings on salaries and certain expenses, the use of grants to supplement the working functions of the District, all without ever raising the district's tax rate or borrowing additional monies.

The 8,000-square-foot building will house all well records and related data, a reference library, a 30-foot by 40-foot board room (featuring sound projection equipment), a photography reproduction laboratory and a water quality analysis laboratory.

District Manager Frank Rayner noted that the new

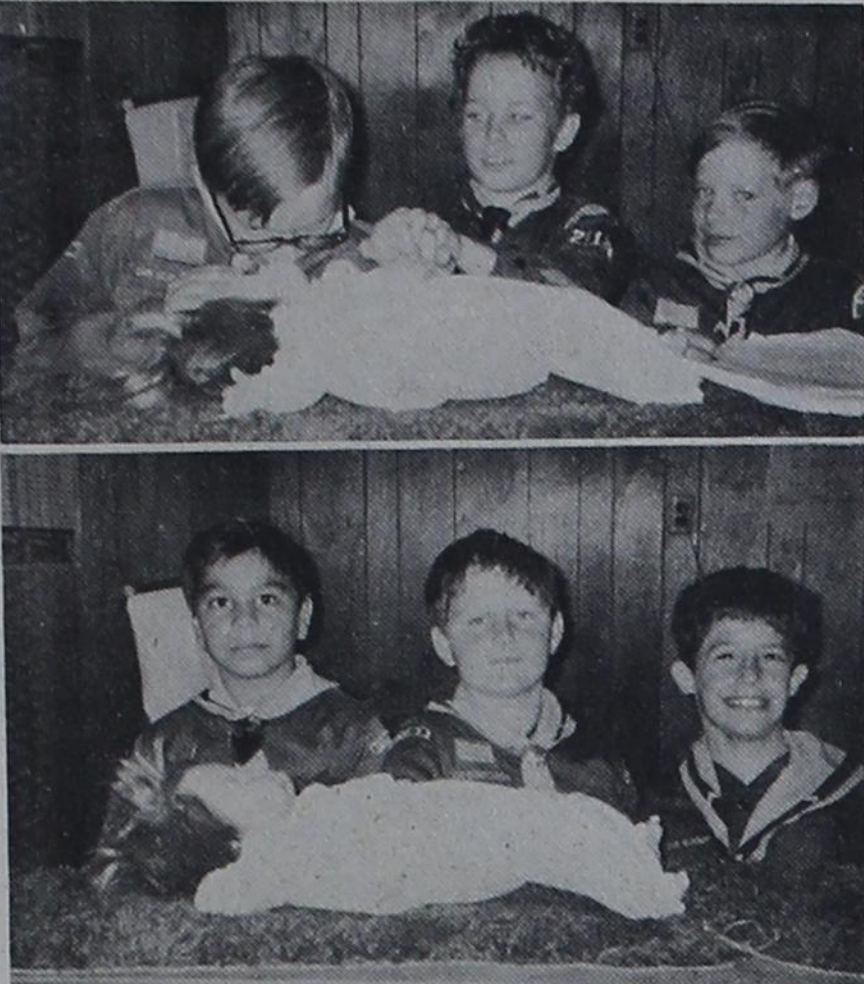

headquarters will facilitate the efficiency and effectiveness of the district's many groundwater conservation and management programs. He also noted that the new building would provide meeting, research and educational facilities for the activities of other water groups, professional, educational, economic and private institutions, and for the general public.

**BREATH OF LIFE** - Members of Farwell Cub Scout Den 1, Pack 213, manned a display booth in the annual El Llano Grande Scoutcraft Fair Saturday afternoon, April 26, at the Curry County Fairgrounds in Clovis. In keeping with the theme of the 1975 fair, "Be Prepared," the Farwell Cubs performed in sessions showing how to use mouth-to-mouth breathing and Cardio-Pulmonary Resuscitation (CPR) to revive and save the life of a supposed victim of drowning. In the top photo Scouts performing the life saving techniques on a large doll representing the drowning victim were left to right, Rocky Menning, Tim Hughes and Royce Menning. Waiting to relieve the first team of demonstrators were, left to right, bottom photo, Johnny Daniels, Brent Mast and Wesley May.

## Farwell Scouts Present Demonstrations At Fair

Farwell Cub Scouts, Den 1, Pack 213, along with the Farwell Boy Scout and Explorer troops participated in the annual El Llano Grande Scoutcraft Fair Saturday afternoon, April 26, at the Curry County Fairgrounds in Clovis.

Opening ceremony began at 1:45 p.m. under the direction of district chairman Wayne Weber and other Scout officials. A ribbon across the pinewood derby track was cut signifying the official opening of the 1975 fair.

Cub Scout, Boy Scout, and Explorer Scout units from Clovis, Portales and Cannon Air Force Base, as well as Farwell, then manned display booths to demonstrate Scouting crafts and skills in conjunction with the fair's theme "Be Prepared."

Farwell Cub Scouts demonstrated how to be prepared in a life saving situation. Films entitled "Breath of Life" were shown illustrating the proper

steps in performing mouth-to-mouth resuscitation. The Cubs also performed in sessions showing how to use mouth-to-mouth breathing and Cardio-Pulmonary Resuscitation (CPR) to revive and save the life of a supposed victim of drowning. A large doll representing the drowning victim was used for the demonstrations.

In the Farwell Boy Scout and Explorer Scout booth various Scouting skills were shown. A large display of different types of animal tracks was the focus of a section of their booth.

Between 24 and 30 other units manned booths and participated in outside activities related to Scouting activities, including outdoor cooking, model campsites, monkey bridge and the pine wood derby by race. The Medical Explorers gave free blood pressure checks, and the Law Enforcement Explorers gave a drug display.

## NOW COOKING WITH GAS MAY HELP KEEP US ALL OUT OF A STEW.

People who cook with gas ranges have always had very good reasons. One is the instant off and on burner control. Something that gas offers.

Another is economy. Because when you cook with gas, it costs almost a third less than with an electric range.

And now, there's another good reason for using a gas range.

Efficiency.

The truth is that a gas range uses less than two-thirds the natural energy of an electric range to do the same job. (See chart.)

So, add one more to the list of reasons for buying a gas range: energy conservation. Today, maybe that's the best reason of all.

That's something we all care about today.

A comparison of costs and efficiency for cooking.

	Average annual energy cost to homeowner (1)	Energy utilization efficiency (2)
Natural Gas	\$14.65	37%
Electricity	43.49	21%
With gas you save	\$28.84 every year.	and use less than 2/3 the energy.

## Portraying Area Homemakers

by Linda Mast

When we think of a homemaker, we usually think of a wife and mother who manages a household and performs such chores as cooking, house cleaning and decorating, and sewing. However, especially in our farming belt area, the term homemaker means considerably more.

Our Area Homemaker this week, Mary Lyn London, typifies some of the "extra meaning" associated with being a homemaker and a farmer's wife.

Mary Lyn's family consists of her husband Leon, a farmer almost all his life, and three daughters, Karen, 16 and a sophomore at Farwell High School; Gay, 17 and a high school junior, and Patti, 19 and a freshman at Texas Tech University.

"We're a farm family through and through," states Mary Lyn, "and that means we all help when and where help is needed. Farming is our family business and involves all of us. So when necessary the girls and I put on our old jeans to help with the plowing, move irrigation pipes or drive the truck during harvest."

"When the girls were younger, regular indoor household chores took up most of my time. But now we all four do the cooking and cleaning much faster and I have more time to be a real help to Leon in the fields," relates Mary Lyn.

"Our garden is a family project, too," she emphasizes. "We have a nice large plot for it near our home. Leon helps care for it, but the girls and I do the canning and preparing of foods for the freezer."

"Looking out across our fields, I feel a great satisfaction that I have outside chores to do," admits Mary Lyn. "They're a welcome break from just working in the house and part of the joy and challenge of living and making a living on the farm."

"Out here the kids grew up with plenty of freedom and a chance to slip a way to a quiet place, enjoy nature and just relax and think. They were able to keep dogs and horses and care for them."

"The girls say now that they are older, they really appreciate the chance they had to grow up in the country," states Mary Lyn. "In some ways they once felt they missed a lot of social 'going ons' by not living in town, but now they realize the values they learned by living close to nature were much more meaningful."

"Being a farmer's wife I think one of the greatest lessons nature has taught me is faith and courage...courage to invest and plant and trust each year that the weather will be favorable enough to produce good crops," confided Mary Lyn. "It is this need for faith that has given God and the church such a strong influence in our family life."

The Londons are members of the Farwell First Baptist Church. Leon serves as Sunday school superintendent. Mary Lyn has taught various Sunday school classes and been involved in many church projects and activities.

Mary Lyn was born in Lubbock and then moved with her parents to Clovis where she graduated from high school. Soon after, in 1955, Mary Lyn and Leon, just out of the service, were married.

"He brought me home to his parents' farm three miles east of Farwell. Farwell was his home town, and it soon became mine," stated our homemaker.

**A SEWING TRUCKER** - Trucking and sewing go together?? Yes, they do in the Texico-Farwell farm country! Our Area Homemaker this week, Mary Lyn London, typifies some of the "extra meaning" associated with being a homemaker as well as a farmer's wife. "Sewing is a necessary task in harvesting crops in our family business of farming," relates Mary Lyn, "and I do both."

"For the first three years we lived in a small house near our present home. We then moved to the family farmhouse and have been living in the same house for seventeen years. Leon truly feels at home here, as he was born about a mile from this house," related Mary Lyn.

Our homemaker takes understandable pride in her three daughters and enjoys a close relationship with each. Karen is a band twirler with the Farwell High School Band and is a member of the high school's National Honor Society Chapter. Gay is a member of the Steer Band and will participate in the junior play this spring. Patti, one of the few younger Farwellites to be born in the Farwell clinic, is an accounting major and honor student at Tech.

As for hobbies, Mary Lyn designates sewing as one of her necessary hobbies. She also enjoys reading books, especially historical fiction. "Truck driving time is my time to indulge in my reading hobby," she relates.

As for cooking, Mary Lyn says that each of her daughters tend to specialize in certain dishes. "We put our 'cooking specialties' together and come up with some pretty good meals," she explains.

The following are two recipe favorites that our homemaker chose to share. The "Mexican Salad" recipe was given to her by another area homemaker, Linda Gerles. The "Cherry Ice Pineapple Cake" recipe is one that was passed down from an aunt. "Patti always asked for this instead of a regular birthday cake," notes Mary Lyn.

**MEXICAN SALAD**  
1 medium pkg. corn chips  
1 can Ranch Style Beans  
1 head of lettuce  
2 small tomatoes  
1 lb. cheese (grated)  
1/2 med. onion  
1 bottle Catalina Red Dressing (8 oz.)  
1 lb. hamburger (fried and drained)

Mix tomatoes, shredded lettuce and chopped onions. Drain and rinse beans. Add beans, cheese and hamburger. Toss with dressing. A whole meal for six or, without meat, a salad for a crowd.

**CHERRY ICE PINEAPPLE CAKE**  
2 eggs  
1/2 c. sugar  
1 c. water or cherry juice  
1 pkg. cherry gelatin  
1 c. maraschino cherries (8 oz.)

## Try An Indoor Garden

If you're looking for a way to beat today's high food prices, why not plant a vegetable garden inside your home this winter.

"Homeowners as well as apartment dwellers who want to practice their gardening skills during the winter can produce tasty vegetables indoors," says Sam Cotner, vegetable specialist with the Texas Agricultural Extension Service.

"The basic requirements for indoor gardening include suitable containers for plants, a good soil mixture, adequate water and fertilizer, and sufficient space with enough light for plant growth."

Among the vegetables that do well indoors are chives, parsley, peppers, tomatoes, leaf lettuce and radishes, says the Texas A&M University System specialist.

Chives are an excellent crop for the kitchen garden and grow similar to green onions. They prefer cool conditions and good light and grow well on a window sill in the kitchen.

Plant seeds or bulbs one inch apart in six-to-eight-inch-deep pots. The leaves will be ready to eat in 10 to 12 weeks.

Parsley can be grown similarly to chives, with one plant per six or eight-inch pot. Tiny Tim tomato plants can be grown in a 10-inch pot, while the Small Fry or Patio varieties do better when planted in three-to-five-gallon con-

tainers. Tomatoes should receive four to six hours of sunlight a day.

Peppers need warm conditions and adequate sunlight and will mature in about 10 weeks.

Leaf lettuce does best when planted in eight-to-ten-inch pots and grown in a relatively cool area which receives some sunlight. Many types of leaf lettuce will be ready to eat within five to six weeks after planting.

Radishes are quick and easy to grow. Use a six-to-eight-inch container and plant seeds one-fourth inch deep. Radishes will be ready to eat in four or five weeks.

"So, if you want to save a little money on groceries this winter as well as enjoying a challenging and rewarding hobby, try indoor gardening," suggests Cotner.

**SO, I'M A GUINEA PIG** - Traci Leigh Curry, daughter of Mr. and Mrs. Ronnie Curry of Texico, didn't seem to mind at all when she became a "guinea pig" for members of the Texico homemaking class. Traci visited the class when a course of child care was being taught to give class members a chance to work with a live-lily demonstrator model. Traci, four months old, was accompanied to class by her mother, Teresa Curry, standing.

### Local Delegates Attend THDA District I Meeting

Texas Home Demonstration Association District I annual conference was held recently in Dumas with local Farmer County THDA representatives attending.

Representing Farmer County at the meet were delegates Mary Ellen McKillip of Farwell, county THDA chairman, and Genevieve Gustin of the Rhea Community. Attending as alternates were Mary Mesman, president of the Oklahoma Lane HD Club, and

Mardee Grissom of the Rhea Community. The group was accompanied by Jana Pronger, Farmer County Extension Agent.

Mrs. Ennis Clayton, District I Director, served as presiding officer for the day's activities. During the morning session, business matters were presented by the Board of Directors and other committees. Highlighting this session was the message entitled "Preservation of Home and Family" delivered by Winfred Moore, pastor of the First Baptist Church in Amarillo.

For the afternoon session, Potter County THDA representatives were in charge of the workshop on family life. Naomi Harney, Potter County Judge and past assistant district attorney for Potter County, presented the workshop program on child abuse laws and how they have changed.

Winner of the state 4-H scholarship was announced at the meeting. This year's recipient is Agnes Acker, a Nazareth High School senior, representing Castro County.

An art exhibit was on display throughout the day composed of handicrafts made by mem-

bers of the counties HD Clubs within the district. Farmer County's display included arts and crafts donated by each of the home demonstration clubs in the county.

## NEWS OF SAFETY

By Experts At The Plastic Bottle Institute

Every year a startling number of children—some 23 million—are injured in household accidents. Often, it's a result of not thinking ahead. Here are some safety tips which should help to keep your child safer.

Store sharp knives and other sharp tools where children can't find them. For example, keep knives in an out-of-reach rack.

**ESA DECORATORS** - Eleven members of Theta Rho Chapter of Epsilon Sigma Alpha Sorority donned their work clothes, gathered tools and paint and headed for Girlstown U.S.A. near Whiteface Tuesday, April 22, to fix-up and paint-up two rooms there. Work began at 8 a.m. and the girls were finished by 8 p.m., taking time off for lunch with the girls in the cafeteria. ESA members left feeling pride for a job well done and are eagerly looking forward to next year's jaunt to Girlstown to fix two more rooms. Materials and funds used for their project are derived from donations from interested persons.

## ESA Refurbishes Rooms At Girlstown, U.S.A.

"It does one's heart good to see how much the girls appreciate having their rooms fixed up," said Diane Actkinson, corresponding secretary of Theta Rho chapter of Epsilon Sigma Alpha when she told of the club's annual project at Girlstown, U.S.A. near Whiteface.

Donning their work clothes, 11 members of the club loaded tools and paint brushes into their cars and headed for Whiteface about 8 a.m. Tuesday, April 22. When they got there they couldn't believe the amount of work that needed to be done.

With enough material to fix up two rooms the ESA girls rolled up their sleeves and set to work. They caulked, filled holes in the walls, painted, re-finished furniture, laid carpet, put up new drapes, bulletin boards and new shelves and left the beds made sporting new bedspreads. Needless to say, the residents of the rooms

had great big smiles on their faces when they saw the finished project. It cost ESA \$200 to fix up the two rooms they tackled this year. They received their funds from citizens who made donations to ESA for Girlstown. Donations come in the form of money, towels, bed spreads, furniture, paint and other needed materials.

The 11-member work crew from ESA finished up about 8 p.m. and came home tired but very pleased with their work and are looking forward to next year when they once again plan to remodel another two rooms for the girls.

There was a little sadness felt though when they thought about rooms which they were unable to redecorate for the other girls. They know all the girls would like bright, freshly painted rooms but ESA is unable to take care of more than two rooms a year due to the expense involved. ESA members are very

appreciative of all the gifts they received and urge anyone wishing to help them on next year's project to contact them.

Making the trip this year were Rosa Roberts, Lillie Christian, Faye Parr, Dot Christian, Patsy Berry, Betty Jean Castleberry, Linda Geries, Maxine Williams, Doris Ford, Diane Actkinson and LaMoin Williams.

**HARD AT IT** - With paint brushes in hand and smiles on their faces these three members of the ESA Sorority refinish the furniture in one of the rooms at Girlstown near Whiteface. Pictured, left to right, are Rosa Roberts, Betty Jean Castleberry and Linda Geries.

## Attend Style Show

Tom Paul McCuan, Lanelle Lee, Gardys Johnson and Frances Kube, all of Farwell, recently attended a hair style show in Amarillo.

During the show, it was reported that many new summer hair styles were shown.

## The Latest

Arriving in the home of Mr. and Mrs. Edward Engram of Farwell Tuesday, April 22, were their son and daughter-in-law, Mr. and Mrs. Donald Engram of Detroit, Mich. The Donald Engrams intend to remain in Farwell for several more days visiting with other friends and relatives in the area.

Other guests in the Engrams' home during the week included their daughters and families, Mr. and Mrs. Douglas Williams and Cynatha of Las Cruces and Mrs. Pat White and Greg of Clovis.

Weekend visitors in the home

of Mr. and Mrs. Mark Williams of Farwell were Mr. and Mrs. Steve Busby of Earth.

Mr. and Mrs. John N. Porter of Farwell returned home Friday, April 25, after spending three weeks visiting with their son and family, Col. and Mrs. Je Don Porter and children in Ft. Rucker, Ala.

During their stay at Ft. Rucker, the Porters traveled with their son and family to Panama City, Fla., to vacation a few days on the beach.

The couple also visited relatives and friends in eastern Texas and Arkansas on their way to Alabama.

## HD Club Learns Microwave Cooking

Members of the Lazbuddie Home Demonstration Club learned how to cook in a microwave oven when they met in the homemaking room at the Lazbuddie school Monday, April 28.

Jana Pronger, Parmer County Home Extension Agent, gave the demonstration to five women present. When the members arrived for the meeting they found the microwave oven set up in the homemaking room where the senior girls were learning to make caramel apples. The women melted the caramel in the oven

with Miss Pronger showing them how easy it was to clean the oven if something boils over.

She also demonstrated how the oven works, showing the women the safety and time and energy saving measures of microwave cooking.

Those attending were Pat Clark, Jan Rogers, Hester Barnes, Mrs. Jimmie Briggs and Mrs. Treider.

The next meeting will be held May 26. The club meets each fourth Monday of the month.

The word ketchup (no different at all from catsup) came from the Chinese term ke-tsiap, meaning taste.

## Hudnalls Host Sunday School Class

Rev. and Mrs. Harvey Hudnall of Farwell were hosts to the Ruth Sunday School Class of the Texico Baptist Church at a dinner in their home Sunday, April 27. Members brought their husbands as guests.

Each member brought a covered dish to go with the turkey, dressing and ham prepared by Mrs. John Lockhart.

Mrs. Allie Burris and Mrs. Hudnall.

The occasion was a farewell gathering for Mr. and Mrs. Clarence McDonald.

A going away gift from the class was presented to them. A housewarming gift was also presented to Rev. and Mrs. Hudnall.

Members and their husbands attending were Mr. and Mrs. John Lockhart, Mr. and Mrs. Anson Bowers, Mr. and Mrs. Clarence McDonald, Mr. and Mrs. Luther Pearce, Rev. and Mrs. Harvey Hudnall;

Also attending were Mrs. Alice Sledge, Mrs. Anne Schloss, Mrs. Allie Burris, Mrs. Hettie Harrison, Mrs. Mamie Hightower, all of Texico; Mrs. S.G. Jones and Mrs. Nora Miller of Farwell.

Special guests included Eldon Smith, Denver May and Dallas Brown of Texico; Rev. and Mrs. Joel Horne and children, Howard, Lora and Craig; Mrs. Clara Winn, Mr. and Mrs. Tom Harlan and children, Jana and Kristy; and Lee Stanley, all of Clovis; and Rev. Bobby Fuller of Dora.

Maxine Williams will host the next meeting on May 12 in her home.

## Five ESA Members Receive Pearl Award

Theta Rho chapter of Epsilon Sigma Alpha Sorority met in the home of Donna Jordan Monday, April 28, for a dinner and business meeting.

During a candlelight ceremony five members were awarded their first pearl award. Kathy Weems, Dot Christian, Betty Jean Castleberry, Karen Lovelace and Diane Actkinson were recipients of this award.

New officers were installed for next year. They are: Faye Parr, president; Doris Ford, vice-president; Diane Actkinson, recording secretary; Dot Christian, treasurer; Karen Lovelace, corresponding secretary; and Rosa Roberts, educational director.

A short business meeting was conducted following the ceremonies with Patsy Berry reporting on the Girlstown project and Faye Parr giving a brief summary of her trip with Rosa Roberts to the ESA State Convention in Albuquerque.

Members present included Rosa Roberts, Diane Actkinson,

son, Patsy Berry, Betty Jean Castleberry, Dickie Chandler, Dot Christian, Lillie Christian, Doris Ford, Linda Geries, Dardanella Helton, Donna Jordan, Karen Lovelace, Faye Parr, Ometa Scott, Eva Dean Stephens, Nell Walling, Kathy Weems and LaMoin Williams.

**GUEST SPEAKER** - Ann Ledbetter, an outgoing director of the Texico Chamber of Commerce, welcomes guest speaker Victor M. Kaneubbe and his daughter, Vicki, to the annual banquet of the Texico Chamber of Commerce, which was held Saturday, April 19, at 7:30 p.m. at the Texico Schools Cafeteria. Kaneubbe, missionary pastor of the First Indian Baptist Church at Gallup, N.M., displayed several Indian rugs and pieces of silver and turquoise jewelry to the audience of almost 100 persons. Kaneubbe entertained the audience with songs and scriptures in Navajo prior to his speech. A Choctaw Indian, Kaneubbe is originally from Okmulgee, Okla.

Attractive seed catalogs and colorful seed packets on store shelves are a great temptation to the impulse buyer. But, vegetable varieties and seed must be selected with great care.

Often the success or failure of a garden depends on the kind and variety of vegetables selected. Varieties differ in the time of maturity, quality and disease resistance. Such information is usually noted on

seed packets. Some companies also indicate which varieties are best suited for preservation by canning or freezing.

Choose varieties with built-in resistance to diseases. This added protection can prevent many problems and assure a better crop. New disease resistant varieties are continually being developed, and current listings are available through the county extension office.

When buying seed, purchase only the amount needed for the current year. This will save money, and fresh seed can be purchased next year. Plan carefully, measure the length of row to be planted of each vegetable, and purchase accordingly. Plant sufficient seed to insure a good stand.

If a larger planting of a particular vegetable is to be made, the larger and more economical packets can be purchased.

The thought and care taken in choosing seed and varieties can produce a better garden and save time and energy later.

If you would like more information from the experts, join us Tuesday, May 6, when Dr. Roland Roberts, vegetable specialist; Dr. Bill Clymer, area entomologist; and Dr. Robert Berry, area plant pathologist, will discuss caring for your garden, new methods of irrigating the home garden and controlling insects and diseases.

The gardening program will take place at 7:30 p.m. at St. Ann's Parish Hall in Bovina.

**RECRUITING STARTED** - Gayle Nicholas, the new women's basketball coach at South Plains College in Levelland, looks over some recruiting information with Bill Powell, SPC athletic director. Although Miss Nicholas will not join the SPC coaching staff until this fall, she plans to start recruiting players for the 1975-76 season as soon as possible. On May 30 she will leave Farwell High School where she coached the Steerettes for the past seven years.

**Planning A Terrace**

A terrace or patio can provide an area for recreation, entertainment and privacy, and can be a valuable addition to the home landscape, according to a specialist in landscape horticulture.

"Terraces located adjacent to the kitchen, family room or bedroom provide a convenient way of linking indoors to outdoors," says Dr. William Welch with the Texas Agricultural Extension Service.

"A terrace should be at least 8-10 feet wide and should continue the design of the adjoining structure," says Welch.

"The surface of the terrace should be firm and relatively smooth and slope away from the house for proper drainage."

The Texas A&M University System specialist suggests using concrete and flagstone materials in constructing the terrace because they are the easiest to clean. However, brick and pea gravel concrete are also suitable and can be hosed off easily.

**TEXICO STUDENT HONORED** - Mickey Lofton, right, has been recognized for outstanding academic achievement in the Department of Agricultural Economics at Texas Tech University. Lofton, a senior, is the son of Mrs. Gladys Lofton of Rt. 1, Texico. He was among the outstanding students recognized during the annual Aggie Honors Banquet of the Texas Tech College of Agricultural Sciences. Congratulating him is James Hinton, vice-president of the Student Agricultural Council.

Texas ranchers have a unique service available to them through the Texas Veterinary Medical Diagnostic Laboratory at Texas A&M University. The lab serves mainly as a test center for animal specimens to identify disease problems so that specific treatment can be administered. The lab also helps in the commerce of animals by performing various tests required for interstate or international shipment of livestock.

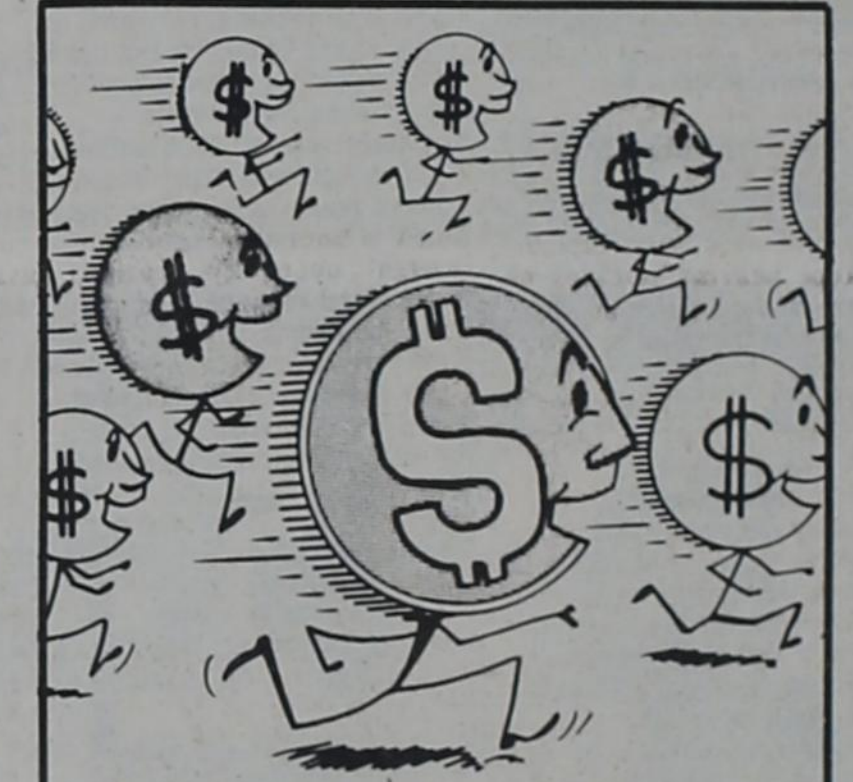

The Texas 4-H Center at Lake Brownwood opened its doors for the first time April 2 when some 200 volunteer 4-H adult leaders gathered for a statewide 4-H adult Leader Forum.

The \$1.4 million educational training facility for the state's 4-H program was constructed under the leadership of T. Louis Austin, Jr., chairman of the Texas 4-H Youth Development Foundation, who is also vice-chairman and chief executive officer for Texas Utilities, Dallas.

This modern facility can accommodate more than 250 people. It features a 300-seat assembly hall and 15 additional conference rooms that can accommodate from 12 to 100 people each. The Center is served by an ultra-modern kitchen and has excellent space for outdoor recreation, a swimming pool, and accommodations attractive to both youth and adults.

The 4-H Center was designed and planned as a leadership training facility for 4-H members and adult leaders who serve the youth of this state. 4-H members will use the Center primarily in the summer months while adult leaders will receive in-service training during the school year to enhance their work with 4-H members. When the Center is not being used by 4-H or other Extension-oriented activities, it will be available to any group with a program of an educational nature.

Lab departments include pathology, toxicology and microbiology, with microbiology subdivided into virology, bacteriology and serology. Each of the departments simultaneously performs various tests, examining certain components of the animal specimen. Again, this procedure leads to a rapid diagnosis. Autopsies are also performed on animals that have died within six to 12 hours during

## Will Anderson Named President Of A&M Society

Texas A&M University junior Will Anderson of Farwell, assistant editor this year of the Texas A&M University campus newspaper, has been selected 1975-76 chapter president of Sigma Delta Chi, society of professional journalists. He is the son of Mr. and Mrs. R.W. Anderson of Farwell.

Robin Elsik, junior from Victoria, was picked for the vice presidency with Judy Baggett of Temple, a junior, chosen secretary. Sophomore Christy Kelm of Hamilton will be the new treasurer. Baggett also served on the Battalion staff this year.

Outstanding senior journalist named by the TAMU chapter was Exa Ellis York of Bryan. Janet Willmann of Mason was voted by the faculty as the student contributing the most

to her department during four years at TAMU.

One of the keys to packing is the ancient maxim: "Divide and conquer." Follow it and the entire operation will be neat and tidy. Plastic bags in a variety of sizes can hold stockings, undergarments, gloves and scarves and keep them from getting separated.

If you or your children wear eyeglasses, bring along an extra pair and your prescription.

If you can wait, don't take any city sightseeing tours on a Sunday. You will see only soundless streets and empty buildings. If you really feel like sightseeing, go out into the countryside. Green fields and rolling hills are a refreshing break from the city traveler's routine.

# New Waste Water System Completed For Texico

It took seven years but it was worth every bit of the waiting. At least that is what Billy Hammit, Texico Water Superintendent, seems to think about the length of time it took for the city of Texico to get its new Aerated Lagoon - Type Waste Water System. The facility is located on and three-fourths miles north of Texico.

Texico began making application for federal funds to construct its new sewage disposal plant seven years ago, in 1968. At that time, it was estimated the project would cost approximately \$22,000. By the time the grant was finally approved, the cost had jumped to \$100,000 with actual construction cost totaling \$89,000.

According to Hammit, the aerated lagoon-type system utilizes oxygen to reduce the odor. "With total retention, the only tests we will have to take will be dissolved oxygen and flow measurements," explained the water superintendent.

The lake covers about four and one-half acre surface area and completely did away with the weed growth that was impossible to control. It also eliminates the "stink" and mosquito problem. The new lake has had mosquito larvae eating fish planted in it to help keep the insects down.

Panhandle Construction Company of Lubbock was the contractor for the job, under the supervision of Clyde Henson,

job foreman. The dirt work was handled by K. Barnett and Sons of Clovis and Herman Concrete Company of Clovis did the cement work.

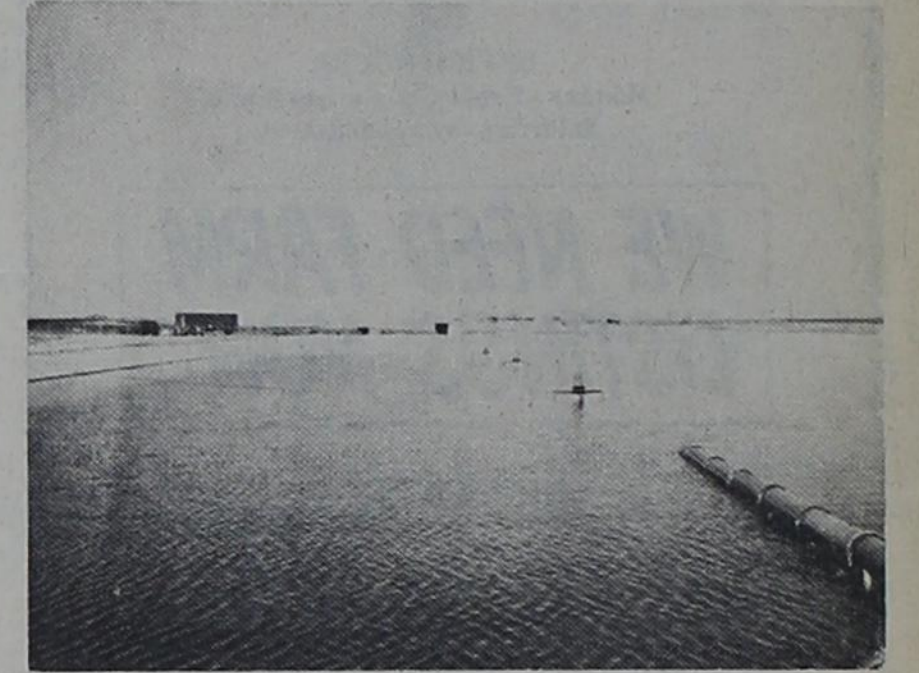

The construction started in mid-February and was finished April 4. However, it won't be completely in operation for another two or three weeks due to the fact that the 440 electrical system has to be rewired for 220.

The electrical work, installation of the aerators and control box was done by Lee Hutchins of Farwell.

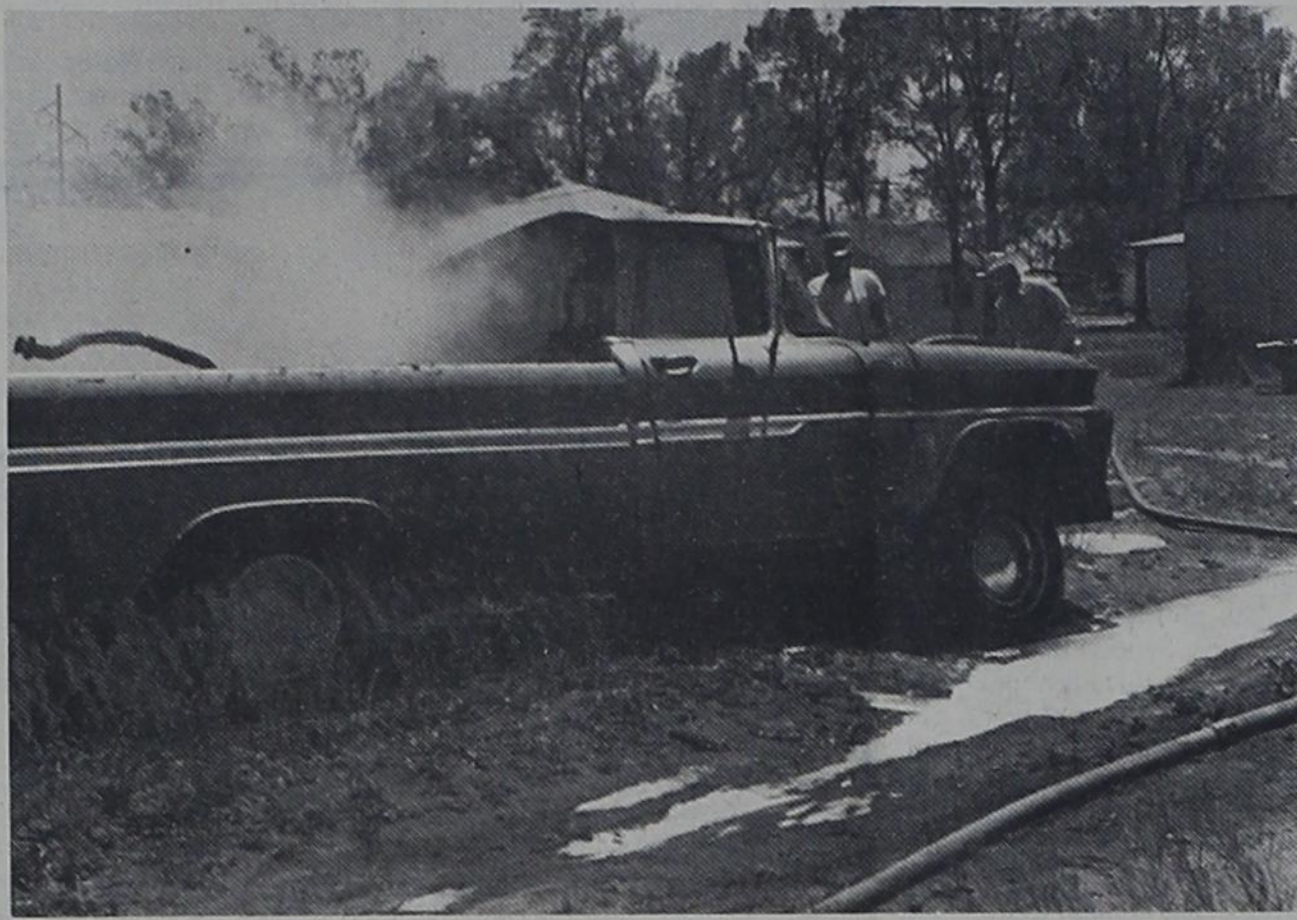

Seventy-five percent of the funds for the construction of the new plant were federal funds with the State of New Mexico and the city of Texico each furnishing 12½ percent to complete the project. The city of Texico spent \$12,500 on the project, and is really proud of its new sewage plant.

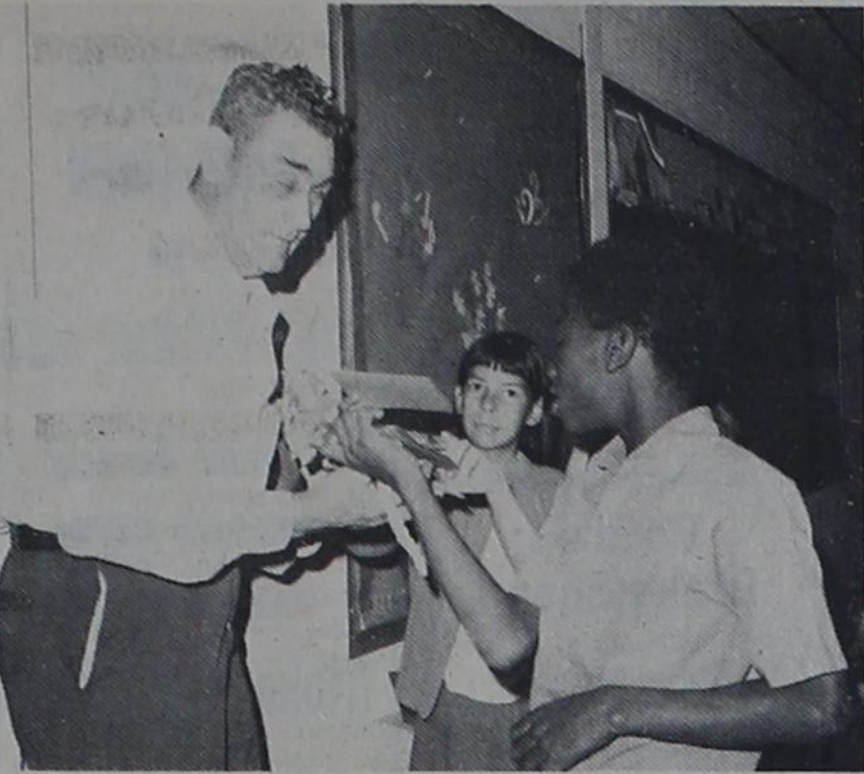

**BEFORE** - This weed-choked, mosquito-infested swamp was what served as the sewage disposal plant at Texico a few short months ago. It was impossible to keep the weeds down, control the mosquitos or get rid of the "stink." The facility is located one and three-fourths miles north of Texico.

**AFTER** - The problem has been solved for Texico with the construction of a new Aerated Lagoon-Type Waste Water System just recently completed. The new system utilizes oxygen to control the odor and has mosquito larvae-eating fish in it to control the insects. The weed problem is also gone.

**PICKUP HITS METER** - A pickup driven by Lewis Foster of Farwell struck a gas meter in an alley causing it to ignite and the pickup to burn. Foster was not injured and the Farwell Volunteer Fire Department made quick work of the fire. Workmen from the Southern Union Gas Company in Clovis were called to cut off the gas and fix the meter. The incident occurred Monday afternoon.

**A SPECIAL THANKS** - Members of the third grade class at Farwell Elementary School presented individually handmade "Thank You" cards to Dewey Morris, elementary custodian, in appreciation to him for keeping their school clean and in good repair. The presentations were made during a surprise appreciation party held Friday afternoon, April 25, at the school. Presenting his card to Morris is Earl Bibbs and waiting to give Morris her "thanks" is Irene Lopez.

## Appreciation Party Honors Dewey Morris

"We love you, Mr. Morris," sang Farwell third graders to the tune of "Happy Birthday" Friday afternoon, April 25, as they took time out from regular school activities to honor Farwell elementary custodian Dewey Morris with a surprise appreciation party.

"The idea to have a party for our custodian was entirely the third graders," stated Mrs. Worley, elementary art and music teacher. "Some of the children decided that he should be rewarded for his hard work of keeping their school clean and in good repair. Soon the idea spread to the whole class and plans for a surprise party were underway."

During the affair, Morris was presented handmade "Thank You" cards by each member of the class. The cards were made by the students in art class during the week and some were decorated with pictures of waste baskets and brooms with "We Love you" messages inside. He also received a "Thank You" cake from the students to take home and enjoy later.

"There were several leaks at the school I couldn't fix last week," related Morris and smiling he went on to explain, "I kept hearing trickles of rumors about a party at which I was to be the guest of honor. However, I really was surprised when there really was a party for me and at all the work the children had done getting ready for it...and I certainly did appreciate it."

Morris has lived in this area for approximately 16 years. He has served as Farwell elementary custodian for several years. He and his wife make their home in Texico.

Refreshments of cake and punch were served during the celebration.

Assisting with the arrangements, and making and serving of refreshments were several "third grade" mothers

and two teachers, Mrs. Worley and Mrs. Inman.

Members of the third grade class are Tonya Meeks, Stephanie Morris, Vickie Rhodes, Susie Rodriguez, Erlene Rudd, Sandra Stanton, Irene Lopez, Olivia Mendoza, Karla Martinez, Earl Bibbs, Alan Eubank, Paul Fulcher, Jimmy Garza, Jesse Gonzales, Danny Hernandez, Steven Lovorn, Santiago Lucio, Daryl Worley and Tommy Watkins;

Also, Leticia Anzaldúa, Lidia Arce, Lezlie Castleberry, Estrella Cereceres, Shelly Ford, Vickie Heard, Geretta Hutchins, Suzahn Inman, Sharla Stewart, Christy Machen, Elizabeth Hargett, Manuel Cantu, Todd Christian, Johnny Daniels, Dario Hernandez, Bernard Mesman, Silas Stroud, Greg Fulker and Brent Mast.

## SCS Created To Combat Floods, Land Erosion

by Herb Evans

Forty years ago, the country faced tremendous problems brought about by erosion, floods, land damage, and violent dust storms.

On April 27, 1935, a new agency, the Soil Conservation Service, was created to combat the forces that threatened to lay waste to millions of acres of cropland. The Soil Conservation Service began working with landowners by demonstrating means of erosion control, but it became apparent that really effective conservation work was done better when landowners led the job themselves.

In 1937, President Roosevelt recommended that each state legislature enact laws permitting landowners and land occupiers to form units to be called Soil Conservation Districts. Rallying to the call, all the states, Puerto Rico, and the Virgin Islands, enacted laws permitting formulation of districts.

Soil and Water Conservation Districts set out to focus attention on land and water problems on all privately-owned

land, develop annual and long-range programs designed to solve the problems, and to enlist all the appropriate help available from public and private sources.

Now, over 3,000 conservation districts, covering 97 percent of all privately-owned lands, have formed in mutual concern to protect, conserve, and improve the world we live in.

Typically, a conservation district has five supervisors, elected by local landowners. The supervisors work with the Soil Conservation Service District conservationist and other agencies in helping the landowner apply conservation measures on his land.

More than two million landowners are voluntarily planning and applying conservation measures in local soil and

water conservation districts. They are helping to control erosion, improve water supplies, prevent floods, curtail pollution, and develop recreational areas.

The National Association of Soil and Water Conservation Districts (NACD), organized by district leaders in 1946, is the means by which the districts make their cause known and voice heard.

George R. Bagley, cotton farmer and real estate developer of St. Joseph, La., is president of the NACD.

"This land is more than a place to live," Bagley said. "It holds our future. How well we treat it will ultimately determine how well we live."

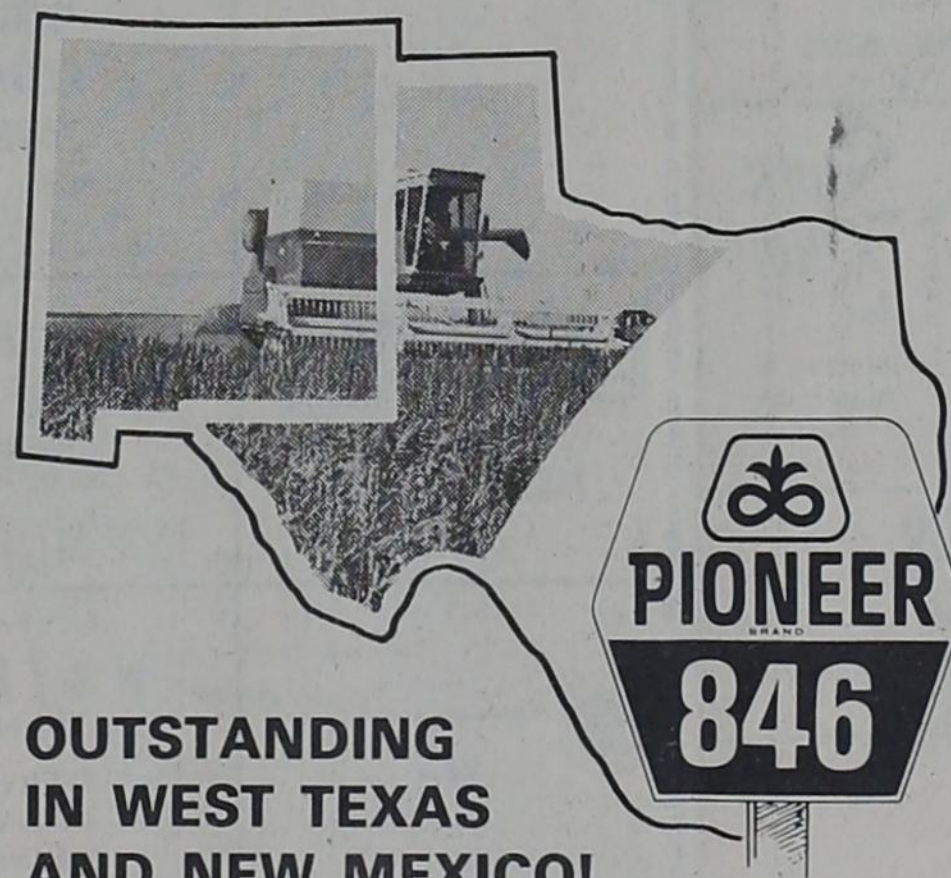

"Conservation and wise development of our natural resources have never been more

important. Soil, water, forests, fish and wildlife, open space, and natural beauty are threatened by misuse and waste. Our total environment is under pressure.

"But more than agriculture is involved. Many district programs are directed toward meeting problems of suburban expansion. Districts are cooperating in site location, sediment control, beautification, economic development, and land use planning," Bagley continued.

The principal source of technical assistance to the districts is the Soil Conservation Service. SCS provides a district conservationist for each district to help carry out conservation programs.

The scope of the Soil Conservation Service program has

### CARD OF THANKS

To those whose comfort meant so much to us in our time of grief, we offer our heartfelt thanks. We were truly helped by the many kindnesses shown us, your prayers, visits, cards, memorials and floral offerings. Special thanks to the friends and neighbors who brought food to our home and to the church, and to the women of the church who served our meal there. Our deepest appreciation to the Parmer County Community Hospital in Friona, to Dr. Paul Spring and the nurses at the hospital who took good care of our loved one.

### THE NAME OF THE LORD

Many people use the name of the Lord very lightly. They are quick to exclaim, "My God!" or to use the name of the Lord Jesus Christ in vain.

We should all understand that the Bible declares that "God will not hold him guiltless that taketh His name in vain" (Ex. 20:7). This is one of the Ten Commandments which too many people forget or ignore. But it is more than a commandment. It does not merely forbid taking the Lord's name on our lips carelessly; it adds the warning "Thou shalt not take the name of the Lord thy God in vain; FOR the Lord will not hold him guiltless that taketh His name in vain." Don't commit this sin, He warns, for if you do you will have to face God Himself for it and He will not overlook it.

Now, probably many of our readers have used the name of God and Christ in vain again and again. They have gotten into the habit and find it difficult to stop. Now what? How can such escape

the condemnation of God upon this sin?

First, one of the principal reasons for not using God's name in vain is because of His infinite greatness. We should all bow and worship before Him. The second reason is because He—the infinite God—took upon Him human form and, as God the Son, died for our sins at Calvary. Now would you want to curse and swear in His name? You wouldn't want people to curse and swear in your mother's name, would you? How much less should we curse and swear in Christ's name or God's name?

Those who have this problem, invariably have never trusted Christ as their own Savior—as the One who died for their sins. Those who have trusted Him as Savior usually never are tempted to use His name in vain again. Rather, like St. Paul, who once was "a blasphemer and a persecutor," they exclaim with deepest gratitude: "He loved me and gave Himself for me" (Gal. 2:20).

To: Flavie McGee and Zola Sue McGee, their unknown wife or wives and their unknown husband or husbands, and if deceased, then their unknown assigns, heirs, devisees or legal representatives, and all unknown claimants, all of whose names and places of residence are unknown,

Defendants, Greeting: You are hereby commanded to appear by filing a written answer to the Plaintiff's First Amended Original Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday, the 19th day of May, A.D. 1975, at or before ten o'clock A.M. before the Honorable District Court of Parmer County, Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiff's First Amended Original Petition was filed in said court, on the 11th day of March, A.D. 1975, in this cause, numbered 3717 on the docket of said court, and styled: EVELYN MACON, Plaintiff, vs. FLAVIE MCGEE, ET AL, Defendants.

The names of the parties to the cause are as follows: EVELYN MACON is Plaintiff, and

Billie Marvin Herrington, Charles Luther Herrington, Clarence Dean Herrington, James Ray Herrington, Hoyt H. Herrington, Mary Lou Herrington, Nina Lou Herrington, Collins, Flavie McGee and Zola Sue McGee, and if any of said persons are married, then his or her unknown husbands or wives, and if deceased, then his or her unknown assigns, heirs, devisees and legal representatives, all of whom are unknown, and all unknown claimants, whose names and places of residence are unknown, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff brings this suit in trespass to try title, alleging that she is the owner in fee simple of:

All of Lots 1, 2, 3, 4 and 5, in Block 55, of the Original Town of Bovina, Parmer County, Texas, as shown by plat of said town of record in the Deed Records of Parmer County, Texas, that on or about the 1st day of November, A.D. 1974, the Defendants entered unlawfully upon such land and ejected Plaintiff therefrom and wrongfully withheld possession from such Plaintiff.

as is more fully shown by Plaintiff's First Amended Original Petition on file in this suit.

If this citation is not served within ninety days after date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and seal of said Court, at office in Farwell, Texas, this 3rd day of April, A.D. 1975.

Attest: Dorothy Quickel, Clerk District Court, Parmer County, Texas.
