

FROM THE HOPPER By HOP

This week The Tribune is mailing a number of sample copies to box-holders in Curry, Farmer and Bailey Counties.

If you receive one of these copies, and are not already a subscriber, this is your invitation to become a member of our constantly-growing list of readers.

I make no claim that The Tribune is anything outstanding in the way of a newspaper. However, we here at the office feel that we get out a very creditable newspaper. It has been given a AA rating by the Community Research Bureau, one of the very few newspapers in this area to be so highly rated.

I am simply asking that you look over the sample we are mailing you this week. If you think it is worth \$2.00 per year, simply mail or bring your subscription to us and we'll see that you are placed on our mailing list to begin receiving the paper regularly.

The post office department will not permit the mailing of sample copies more than once each year, which is another way of saying that only the one sample will be mailed you.

By reading the advertisements of our local merchants every week, and profiting by the values they are offering, you will save your two bucks the first week.

Asked why the two poppies displayed on his shirt front on Poppy Day last Saturday, Ike Quickel explained that he had two grandchildren peddling poppies that day. Granddads can understand that reason as sufficient.

A theft that ordinarily would not cause much concern, loomed to the forefront last week when M. A. Wilson, Bovina grocer, reported the loss of a half sack of spuds from in front of his place of business.

Following a long established custom, a produce delivery boy left Wilson's allotted quota of potatoes in front of his business as he was making his early morning deliveries. When Wilson showed up, he found only the bill for the potatoes. The sheriff's office was notified immediately, but up to now no clues have been uncovered.

Sheriff Chas. Lovelace has been making the rounds, sniffing at kitchen windows in his attempt to find the thief.

Well, a Texico boy makes Hollywood! Here's a card from Les Means bearing a Hollywood post mark. He says he hopes he makes good.

Les concludes his brief message by giving his address at Barn No. 1. Sounds like he is putting up at a lively stable, which is as might have been expected. Whenever Les gets away from a barn full of horses, with its accompanying odors and horse flies, he is just simply out of his element.

I don't know how many people have been kidding M. C. Roberts about his weather forecasts as published in this newspaper a couple of weeks ago. The reactions at this office have been numerous.

Readers will recall that this high-powered forecast called for heavy rains around May 9th, and continued light showers until May 29-30, when the "bottom would fall out" with heavy deluges.

Well, so far his forecasts have been about as reliable as those issued by Willie Williams up at Bovina. But you will recall that M. C. only claimed that his forecasts would be 85 per cent accurate. And I am sure that the misses he has registered up to now are in the 15 per cent category.

Progress Noted On Two New Cotton Gins

Construction progress on the two new cotton gins being erected in Farmer County was noted the first of the week with both projects well ahead of schedule.

Workmen at the Hub gin reported that the finishing touches were being made on the office and the seed house is nearing completion. Machinery is scheduled to be arriving shortly.

At Bovina the office building for the new gin there was being completed; foundations for both the gin structure have been run, and caliche materials for surfacing the yard and driveways has been placed on the ground.

Both the new structures are scheduled for completion well in advance of the ginning season this fall.

MOTHER IN HOSPITAL

Mr. and Mrs. J. E. Stone drove down to Matador on Sunday to visit with Mrs. Stone's mother, who is confined to a hospital there.

Park Program Launched by New Texico Chamber

In its first meeting since organizing last week, the Texico Chamber of Commerce launched a park-improvement program Tuesday night with enthusiastic prospects.

After turning down a project to build a swimming pool on account of the costs and maintenance, the group turned attention to the improvement of a half block of city property for a recreational site.

Chamber officials pointed out that the cost of building a swimming pool that would meet the health and safety laws would be approximately \$20,000. In addition to the high cost, the lack of adequate water figured in the decision to turn thumbs down on the project.

Turning to the park improvement program, CC officials said this project met with enthusiasm, and it was decided to begin immediate steps toward this movement. Plans outlined at the first meeting call for volleyball grounds, tennis court, basketball court and a large outdoor fire-place. Donations of materials, cash and labor were offered at the meeting. Officials said that it was estimated that a fund of \$300 would be needed to pay for materials and contributions will be accepted.

The constitution and by-laws of the newly-formed Chamber were submitted and approved in a final action of the evening.

WATER DISTRICT MEETING CALLED

The Hi-Plains Underground Water Association has scheduled two meetings to be held in Parmer County early in June for the purpose of acquainting the people of this county with the serious water problem that faces them.

The first meeting will be held in the high school auditorium at Friona on the evening of June 5th, and the second gathering will be at the courthouse in Farwell on June 6th. Both meetings are scheduled to get under way at 8 o'clock.

A round table discussion will bring out the important points on the Texas Ground Water Law. A movie, dealing with surface and underground water will be one of the features of the meeting. The film is in full color and highly educational.

The meeting is open to all and everybody is urged to attend.

Castor Beans Look Good Over District

John Martin, district supervisor of the PMA, with offices in Plainview, was here the first of the week checking over the castor bean acreage and prospects in Parmer County.

Martin said that most of the beans in his 9-county district were looking good, and he predicted a good crop this year with favorable weather conditions. He said that there were about 8000 acres of beans in his district, with Crosby County leading in the total acreage.

He said that the PMA was sponsoring the planting of castor beans this year at the request of the War Production Board in order to increase the supply of castor oil, needed in the defense effort. "We should have a fair knowledge of the productivity and income from the crop after this year in this area," he said.

Farmers of the high plains who experimented with the crop for the first time last year, were very well pleased with the profits, Martin said.

Fair Wheat Crop In Prospect Here

The wheat yield in Parmer County will be "only fair" in the opinion of elevator operators and farmers contacted the past week.

While the "just fair" estimate of the yield prevails in most fields of the county, there are a few exceptions where yields up to 20 and 30 bushels are being predicted.

Dry weather during the winter months, followed by late freezes has been responsible for the light yield over the county generally.

BETTY SMART

Anyway You Look at It, She's a Smart Kid!

You don't have to be a Smart to be smart, but a local Smart who has been Smart all her life proved herself to be quite smart this past week.

When awards for scholarship were given the past Friday at Farwell schools, Betty Smart, daughter of Mr. and Mrs. Ben Smart, was cited for having the highest average for the year in the entire school—98, no less. And this past year wasn't the first time she had lived up to her name. She has received awards in scholarship in the third, fifth, sixth and seventh grades.

Betty is 13 years old, and particularly likes speech and reading. She was commended in 1950 for her ability in Mrs. Tom Foster's class.

Grandparents of Betty are Mrs. Bettie Smart, Farwell; Ben H. Smart, Texico; and Mr. and Mrs. R. E. Leitner of Amarillo.

Rev. Stroup Assumes Duties As Pastor

Rev. and Mrs. H. H. Stroup and daughter, Ree, arrived Thursday of last week from Farmington, N. M. and Rev. Stroup began his duties as new pastor of the Methodist church immediately.

The pastor and his family had lived in Farmington for the past two years, and Rev. Stroup was pastor of the Methodist church there. He has been in the ministry 14 years.

The pastor completed his undergraduate work at Colorado College in Colorado Springs, receiving an AB degree. He then finished his graduate work at Pacific School of Religion at Berkeley, Calif. and College of Pacific at Stockton, Calif. He is a member of Odd Fellows and is a 32nd degree Mason.

Mrs. Stroup received an AB degree from Henderson State Teachers College in Arkadelphia, Ark. Daughter Ree is 9 years old and will enter school in the fifth grade next year.

The pastor states that his family is very anxious to get acquainted and adds that he feels they "will be very happy here."

4-H Boys Attend Canyon Encampment

Three Parmer 4-H boys left Monday for Canyon to attend the district 4-H camp on the West Texas State campus. The boys were accompanied by County Agent Joe Jones.

Program for the camp includes training in recreation, safety and other phases. About 125 boys are to be present.

Parmer attendants include: Billy, son of Mr. and Mrs. Levi Johnson of Bovina; Jerry, son of Mr. and Mrs. Truman Gleason; and Leon, son of Mr. and Mrs. Elmer Langford of Farwell. To be eligible for the camp, boys have to be 14 years of age or over.

The group will return home Thursday.

Directors of the Parmer County Fair and Dairy Association met Saturday night in the Friona Chamber of Commerce Office. The date for the 1952 Fair was set as September 11-12-13. These dates were selected to coincide with open dates for Rhodes Rides which Friona Lions Club has been attempting to book for the last three years. There will be a ferris wheel, merry-go-round, and kiddie rides operated by the Lions to afford a more complete show atmosphere for the whole family during the fair.

After a detailed discussion of expenses involved in the publication of a fair catalog, it was decided that it would be dispensed with this year, to be replaced with a simpler list of exhibitors with contributors to the fair fund being listed on the cover. Directors felt that citizens would appreciate the channelling of the several hundred dollars usually spent for catalogue printing to actual support of fair activities.

It was pointed out that contributions to the Fair Fund should not be confined to business places, but opened to farmers and ranchers who are actual participants and components of the show. Raymond Euler, secretary-treasurer, indicated that effort would be made to begin accumulation of funds immediately with intentions of completing the financial fund thirty days in advance of the fair date. This will facilitate publication of the exhibitors lists in advance, thus providing a greater stimulation of interest prior to the actual opening.

This year's fair should be bigger and better than ever before giving Parmer County Citizens an opportunity to mingle and compare crop and livestock methods and results, a speaker says. FFA and 4-H Club boys, will of course provide the bulk of livestock specimens which are always the central theme of these shows.

Floyd Schlenker was elected president; Clyde Hays, vice-president; Joe Jones, general superintendent; and J. T. Gee, assistant general superintendent. Raymond Euler is secretary-treasurer.

Present at the meeting were: Clyde Hays, J. T. Gee, Floyd Schlenker, Eugene Bogges, Martin Fulcher, Alan Romich and Raymond Euler.

Inspection Stations Report Heavy Runs

Three authorized automobile inspection stations in Parmer County have reported a heavy run of business the past two weeks with a fairly steady line of cars awaiting inspections.

Under the new Texas mobile inspection law, all cars and trucks must pass certain rigid inspections if they are to be permitted to operate after Sept. 6. A check-up two weeks ago revealed that approximately 3000 cars and trucks were without inspection stickers in this county.

The three authorized stations are: the Parmer County Implement Co., Friona; Reeve Chevrolet Co., Friona; and Hardage Hudson Co., Farwell.

Inspection station operators reported this week that practically all the cars inspected up to now required little mechanical adjustments. "But wait till those old model cars begin to roll in," Walter Hardage of the Hardage Hudson Co., commented. He predicted a heavy financial outlay would be required to put many of them in condition to meet the requirements of the new law.

L. W. Wilhite of the Motor Vehicle Inspection Division, who was here recently, said no cars would be allowed to operate on the highways after Sept. 6, without inspection certificates.

Farwell Piggly Wiggly Has Anniversary Sale

The Piggly Wiggly store in Farwell this week announces its first anniversary sale, and to celebrate the occasion, store-wide bargains are offered for an entire week.

In addition to many values being offered, 25 baskets of valuable merchandise, that would sell for about \$12.50 each, are to be given away Friday and Saturday of this week. See the 4-page ad in this edition for complete details.

Phil Hawk was in the hospital over the weekend at Clovis for bruises, which he received by being thrown by a horse.

Laying Hen Proves To Be Biting Skunk

Mrs. J. W. Bradshaw, residing just east of town, had rather horrifying experience last Friday afternoon when doing up the chores about her place.

As had been her custom for several days, she inserted her arm in a feed stack to gather eggs that were being deposited by hens of her flock.

When she withdrew her arm, a full-sized skunk was clinging to her forearm. The injury was quite painful, she reports, but she has suffered no after effects.

Mayor's Office In City Remains Open

The office of mayor in the City of Farwell remains open this week, with no indication on the part of the City Commission as to when it may be filled.

The office was left vacant last week when the resignation of C. M. Henderson was finally accepted after some months delay. Henderson tendered his resignation early this year, but it was not accepted until last week.

City Commissioner R. W. Anderson said early this week that "at least four" have been approached to accept the job, but as yet none of them have consented to serve. "We hope to get something worked out pretty soon," Anderson commented.

With the office open, it becomes the obligation of the City Commission to appoint a new mayor. M. A. Snider is the second member of the Commission.

Funeral Rites Today For Lazbuddy Woman

Funeral rites for Mrs. Eula Florence will be held this (Thursday) afternoon at 2:30 in the Lazbuddy Baptist church, with Rev. L. B. Edwards officiating, assisted by Rev. G. E. Swaim and Minister Denton Thompson.

Under the direction of the Steed Funeral Home, burial will take place in the Lazbuddy cemetery. Pallbearers will be Frank Spitzer, John Thomas, Henry Ivy, D. B. Ivy, G. D. Anderson Jr., and Archie Tarter. Honorary pallbearers are Bill Sherry, Wesley Barnes, Elbert Thomas, G. D. Anderson Sr., Fred Gallman and Bert Shackelford.

Mrs. Smith, 44-year-old wife of Leonard W. Smith, prominent Lazbuddy farmer, died in the Parmer County Community hospital Monday afternoon, following a long illness. The Smiths have been residents of the Lazbuddy community for some 25 years and have been active in all community betterment activities.

Besides her husband, she is survived by eight children of her immediate family; three daughters, Joy Marie, Kay Anne, and Mrs. Kenneth Teeth, all of Lazbuddy; five sons, LaVerne, Morton, Gene, Leonard, Dan and Jerry, all of Lazbuddy.

Other survivors include her mother and father, Mr. and Mrs. Austin Darling, Portales; one sister, Miss Gladys Darling, Portales; two brothers, Don and Duane Darling, Portales; and one grandchild.

Commissioners Meet In Regular Session

The regular meeting of the Parmer County Commissioners Court was in session here Monday and disposed of several matters.

It was agreed that the Court would sit as a Board of Equalization on Monday, June 9, starting at 10:30 a.m. Thirteen individuals, firms and corporations have asked to meet with the Board on that date to discuss tax valuation matters.

A road petition of M. H. Sylvester and others, asking for opening of a first class road in Precinct No. 2, was accepted and the following were named as a Jury of View, M. H. Sylvester, Bert Chitwood, Ralph W. Wilson, Loyde Batty, and J. C. Stowers. Current bills were ordered paid.

ATTEND FUNERAL

Mr. and Mrs. H. T. Edwards, Mr. and Mrs. Junior Doshier, Mr. and Mrs. Herbert Potts, and Mrs. J. W. Hardage left here Monday for Seymour to attend the funeral of Mr. Edwards' mother.

Cars Ram Head-on Near Black

One person is dead and four were injured, one of them seriously, in a head-on crash of two automobiles just east of Black in this county, on Highway 60, shortly after midnight Monday morning.

Dead is Mrs. Johnnie Belle Smith, 27, of Palistine, Texas, who was dead on arrival at the Parmer County Community hospital in Friona. Seriously injured is her son, David, age 6, who suffered a brain concussion and bodily injuries. Less seriously injured are Percy Hall Smith, 34, husband of the dead woman; Jeanette, 11-year-old daughter, and Carlos Soliz, 33, a Spanish-American, of Morton.

Highway Patrolman Kirkwood of Hereford, who investigated the crash, said that Soliz was traveling alone and was head west when his machine crashed into the Smith car, going east, a short distance east of Black where the highway swerves slightly. Soliz, according to Kirkwood, was on the wrong side of the pavement when his car hit the Smith machine.

Mr. Smith sustained a slight concussion and brush burns about the body. David, the 6-year-old son, was reported by Mrs. June Kelley, nurse at the hospital, to be "on the critical list but holding his own" early Wednesday morning. The lad remained unconscious early Wednesday.

Soliz, 33-year-old Spanish-American of the second car, was dismissed from the hospital after emergency treatment, as was Jeanette, the 11-year-old daughter of the Smiths.

The body of Mrs. Smith was sent to Palistine for burial Monday, while the rest of her family remained at Friona under treatment for injuries.

The Smith family had been in Hereford the past few weeks and was staying at a tourist court there, while the father was engaged in local labor work. Their home is at Palistine.

The Spanish-American of Morton was returned to his home there after being treated for slight injuries. No charges have been filed here against him, pending the return of County Attorney Sam Aldridge to this city. Aldridge is in San Antonio attending the state Democratic convention.

Patrolman Kirkwood said that both cars were almost completely demolished.

Only Light Rains Recorded Locally

Heavy clouds and threatening weather that prevailed over this area early this week produced only a light trace of rain to the disappointment of rain-hungry farmers of this section.

The cloudy weather was accompanied by a cool front that sent the mercury down in the low 50s after nightfall. Young crops are holding up fairly well, farmers say, but a good rain is needed. Some replanting will be necessary where crops failed to come up on accounts of dry weather.

IN LUBBOCK HOSPITAL

J. R. Sheriff, prominent West Camp farmer is in the Lubbock Memorial hospital receiving treatment for an infection in his arm after being gouged with a pair of shears. Mr. and Mrs. Frank Seale visited him last Sunday and report that he has been quite ill. Mrs. Seale, who is his daughter, remained with him for the remainder of the week.

Twenty-Three Seniors Receive Diplomas In Graduation Exercises At Farwell Friday

Twenty-three seniors received their diplomas at commencement exercises at Farwell schools Friday night in the auditorium. The certificates were presented by Claude Rose, president of the school board.

KATHERINE MAGNESS

Presentation of the coveted loving cup to the outstanding senior of the class was made by Jack Williams, superintendent of schools. For the first time in the history of the cup, which has been presented to the top senior for the past 24 years, two students were named as recipients of the honor—Miss Katherine Magness, daughter of Mr. and Mrs. W. T. Magness, and Rex Pool, son of Mr. and Mrs. Lenton Pool.

REX POOL

The award which was first given in 1928, is presented to the student for high scholastic ability and moral training. Along with the award goes a check for \$25, which is a gift of Mrs. M. C. Roberts of Roberts Seed Co. When told that two seniors were worthy of the honor, Mrs. Roberts immediately stated that each of the two would receive a check instead of splitting the award.

Other awards made included the scholarships to the valedictorian and salutatorian; and Babe Ruth awards to the boy and girl in school who are highest in scholarship and all-around sportsmanship. These two awards were given Buil Dollar, son of Mr. and Mrs. W. H. Dollar, and Kayla Felts, daughter of Mr. and Mrs. Charles Felts.

Mrs. Erma Jobes, director of music at the school, played the processional and recessional for the graduates. Invocation was given by Rev. Mayo Carpenter, pastor of the Oklahoma Lane Baptist church; and benediction was by Rev. H. H. Stroup, new pastor of the Texico-Farwell Methodist church.

Rex Pool presented the valedictory

address; and Delores Goldsmith, daughter of Mr. and Mrs. Noble Goldsmith, gave the salutatory. Special music for the program included two numbers by Farwell chorus, under the direction of Mrs. Jobes—"Sanctus" and "Lift Thine Eyes to the Mountains."

Kenneth Livingston, sponsor of the senior class, introduced the speaker, Rev. William A. James, pastor of the First Presbyterian Church of Clovis. Rev. James received his schooling in England and was graduated from the Columbia School of Theology. He presented comparisons between the English school and the American school. The Clovis man has been in the ministry for about 15 years.

The speaker told seniors that in England, a graduate could be asked on the night of commencement to recite a portion of "Chaucer" or answer a question that was included in their studies, and explained how embarrassing it could be to be called on unexpectedly. He laughingly stated "we didn't have co-education, I surely missed a lot."

Discussing commencement exercises in general, the pastor stated that some people say the graduation is merely matter of course, but actually seniors are taking a big step. "Graduation is a part of a story that you are writing of your life, and you

are writing a story," he emphasizes. He further told the class members that graduation day is when seniors begin learning that they are uneducated.

Continuing, Rev. James explained the benefits of an education, telling members that a good education is the development of catching the hidden meaning in things that others are passing by.

The speaker expressed pessimism about the condition of the world today, telling the audience that "fear and uncertainty is all about" us and is burning into our memories. He warned seniors that they are graduating into a difficult time, stated "the world is almost shipwrecked, believe me." He expressed concern for the degradation of humanity after "centuries of Christianity, two wars to end wars and other factors."

"We are living at the most heart-breaking crossroads, I believe, in civilization," James continued. He told seniors that two whispering voices could be heard telling them their obligations as citizens.

First through the corridor of time can be heard the past saying "you have been enjoying all the fruits of all our dreams and ideals." The pastor explained that blood of Americans has been the charter of American citizenship, which gained for this country the blessings of good government; and it was the gift of endurance of our forefathers that gave Americans life and liberty. "Priceless are the treasures and the multitude of voices say 'God help you and guide you, you are the custodians and trustees of this civilization.'"

The other voice is that of the "unborn generations" who say "God help you to be strong, think of us, the unborn generations." Rev. James explained that the seniors should do their utmost to keep freedom, "don't waste it or lose it," stating that the unborn generation "demand that you defend these blessings and hand them to them intact."

As the speaker explained further, he added "we Americans have something that doesn't belong to us alone, we have an indebtedness to the past and an obligation to the future." And the voices of tomorrow's children keep whispering, "please see to it that we have from you, what you received from others who have lived before."

In conclusion, he advised "may

your generation prove more faithful to the trust of Americans than mine." Mrs. John Hightower has gone to

Truth or Consequences to visit her father Mr. W. H. Jarrell.

Awards Made at School's Closing

Annual award assembly at the Farwell schools was held Friday afternoon in the school auditorium, where students were cited for outstanding work done during the year scholastically; and for perfect attendance.

In the scholastic field, the top student of each grade in the entire school was presented an award; and other high pupils were commended. The highest average for the year was maintained by Betty Smart of the seventh grade, whose average only lacked two points being perfect - a 98.

Competition was very close in some classes. In the second grade group taught by Mrs. Lenton Pool, Billy Liles had a 95 and seven-thirtieths grade; and Carolyn Routon was close with 95 and two-thirtieths. The same situation existed in the third grade. Points were 94 and twenty-twenty-firsts for Tommy Williams and 94 and 10 twenty-firsts for J. F. Mount.

Listed below are the top students of all grades, with the average of the award winner given; followed by names of scholars in order of their grade averages.

First grade: Pat Landrum and Barry McCuan, tie, 94.1; Dean Crume, Bobby Kube and Mike Landrum; second grade taught by Mrs. McDermitt, Virginia Willard, 97; Christine Paine and Jo Donaldson; second grade taught by Mrs. Pool; Billy Liles, 95 and seven-thirtieths; Carolyn Routon and Iris Goldsmith;

Third grade: Tommy Williams, 94 and twenty-twenty-firsts; J. F. Mount, Darlene Hromas; fourth grade: June Ritchie, 96 eight-fifteenths; Mickey Rundell, Katherine Billington; fifth grade, Mike McManigal, 94; Freddie Magness, Dicky Williams;

Sixth Grade: Glenn McDorman, 93.65; Frankie Coffman, Naomi Hubbell, seventh grade: Betty Smart, 98; David Willard, Mary Walls, Douglas Hillock; eighth grade: Jo Magness, 95.3; Imogene McKillip, Marilyn Austin.

High school scholars were: Gloria Dial, 93.5; Loretta Stancell, Dick Felts, Pudge Rose; sophomore, Belle Willard, 93.5; Jo Ann Cochran, Joyce Rolland, Betty Lovvorn; junior, Kayla Felts, 95; Dennis Raney, Buil Bollar, Nancy Aldridge; seniors, Rex Pool 94; Delores Goldsmith.

Kenneth Fields, grade school principal, made the elementary awards; and W. M. Roberts, high school principal made high school awards.

Students were also cited for perfect attendance. Ed Rolland had the outstanding record of the group, having attended school for six years, without being absent or tardy.

Receiving certificates were: Rolland, Joe Tom Reed, Janice Jacks, Donald Pair, Donald Crume, Loyd Cain, Freddie Magness, Doyle Goldsmith, Carroll Huggins, Jean Reed, Bruce Jack, Doris Rolland, Maurice Reed, Preston Cain, Vera Williams, Billy Smith, Clive Huggins, Gerald Hardage, Jerri Allison, Shirley Atchley, Elaine Magness, Glenna Ruth Davis;

Also Rex Pool, Ted Magness, Mary Pair, Gloria Jean Sanders, Lavoyda Billington, Pudge Rose, and Don Pool.

Athletic Awards Given

Coach Shelby Jobs, junior high football coach presented letters to members of the junior high football team. Receiving them were: Troy Christian, James Norton, Gene Hardage, Billy Watts, Deon Branscum, Pudge Rose, Don Gerles, Jerry Poteet, Don Pool, James Roberts, H. R. Billingsley, Ed Rolland, Lavon Jones, Bert Williams, Eddie Smith, Truitt Hardage, Gerald Hardage, Harvey Lesley, Don Utsman, Dennis Jesko, Dan Hammonds, Donnie Carpenter, John Herington, Rolland Hillock, J. T. Jack, Jerry Dee Owens, Jerry Venable, Duane White, Robbie Foster and Jessie Meeks.

Coach Tommy Hestand then presented letters to high school footballers. Awards went to: Duane Herington, Frank Gulley, Ronny Dial, Jerry Bradshaw, Phillip Cassidy, Buil Dollar, Lynn Carpenter, Ted Magness, Dennis Raney and Dale Kersey. Senior team members had already received awards. The coach cited Dennis Raney, Frank Gulley, Ronny Dial, Vernon Willard, Rex Pool, Donald Jesko, Ted Magness, Dale Kersey, and Clarence Kube.

Particular note was taken of two boys, Ronny Dial and Ted Magness, who lettered in three sports: football, basketball and track.

Kenneth Livingston, coach, presented basketball awards, to both boys and girls, and gave a short outline of the season for the teams.

Girls were: Darla Doshier, Darlene Sprawls, Rose Hines, Kayla Felts, Laverna Christian, Joan Spurlin, Katherine Magness, Marcia Foster, Elanda White, Ruby Kittrell, Billie Jean Jesko, and managers, JoVeta Billingsley and Georgia Rundell. Boys were Billy Medley, Jesse Coburn, Bobby Joe Crume, Lynn Carpenter, Ted Magness, Ronny Dial, Duane Herington, Jerry Bradshaw and Jesse Cox.

Mrs. Shelby Jobs, band and music director, named 12 lettermen for the band. They include: Rose Hines, Marcia Foster, Kayla Felts, Nancy Aldridge, Dennis Raney Howard Jenkins; also Jerri Allison, Elaine Magness, Douglas Hughes, Dick Felts, Donnie Carpenter and Glenna Ruth Davis.

Teachers who will not return to

Farwell next year were introduced; and the lunchroom personnel and custodians were also introduced.

Katherine Magness presented an annual to Mrs. Harry Whitley, to whom the yearbook was dedicated this year, as conclusion to the program.

ON VACATION TRIP

Mr. and Mrs. Walter Hardage and children left Amarillo by plane early Monday morning for Detroit, for a round of entertainment at the plant of the Hudson Motor Co. They plan to visit Niagra Falls and other places of interest before going back to Detroit. There they will pick up a new especially built Hudson and make a barge trip down the Mississippi River to Memphis, Tenn., for a visit with Mrs. Hardage's sister before coming home by auto.

Band Parents Have Meeting

The band parents of the Farwell High School met Tuesday afternoon to check all the band suits, also to see how many band suits will have to be ordered for next fall.

It was not said how many suits will have to be ordered, reported Mrs. John Aldridge.

A marriage license was issued yesterday (Wednesday) to Roney Fayne Smith of Earth and Carol Jean Ivy of Lazbuddy, according to a report from members of the County Clerk's office.

Have You...

HAD YOUR CAR INSPECTED AS REQUIRED BY THE NEW TEXAS MOTOR VEHICLE INSPECTION LAW ?

AN ACCIDENT MAY COST YOUR RIGHT TO DRIVE ON TEXAS HIGHWAYS

The Time Is Growing Short!

Actually, you have until Sept. 6 in which to get your car inspected, which sounds like a lot of time. BUT, when you consider the fact that there are only three authorized inspection stations in Parmer County, it means that at least 1000 cars and trucks per month will have to be inspected between now and the deadline date

Could there be a better argument for getting your automobile inspected NOW?

Uninspected cars will NOT BE ALLOWED on Texas highways after September 6.

Make a date now with one of these authorized stations to inspect your car or truck.

Kindergarten Pupils Have Graduation

Kindergarten graduation exercises were held recently at the local Methodist church, Mrs. Tom Foster, instructor, says.

Bettie Foster played a piano solo, and Priscilla Arnold then sang a vocal solo, followed by another piano number by Miss Foster.

After the processional, youngsters said the "Lord's Prayer," and Callaya Roberts gave the greetings. Bill Quickel told the story of "Billy Goat Gruff," and Ronnie Sanders led a song, "Baa, Baa, Black Sheep." Readings were given by the children including: "Mice," Callaya Roberts; "Grandmother," Steve Hillock; "My Daddy," Janice Meeks; "Bang Went The Door," Ronnie Sanders.

Also "Things A Girl Can Do," Anna Lee Thompson; "Red, Yellow, Green," Sherrie Austin; "Our Baby," Bill Quickel; "My Teacher," Priscilla Arnold; A song, "Little Wooden Willie" was presented, followed by the Pledge of Allegiance. Callaya Roberts then told the story of "The Three Bears."

Steve Hillock directed the song "Ten Little Indians," and diplomas were given to students by Mrs. Foster. Priscilla Arnold gave the farewell.

Parents of the pupils then surprised Mrs. Foster with a gift of sheets and pillow cases.

On Tuesday following graduation, students gathered at the kindergarten building and accompanied by Mrs. Partin Austin, Mrs. Bob Anderson and Mrs. Lee Meeks, went to Mrs. Foster's farm for a picnic. First stop was the Oklahoma Lane underpass, where the children climbed the dump and walked down the railroad track. They also stopped at the former Oklahoma Lane school house.

On the farm, children saw animals, played games and held a weiner roast. As a climax to the day, they were allowed to play at the haystack.

Juniors Have All-Day Picnic In Lubbock

Annual all-day trip for juniors of Farwell schools was held Thursday, when the class members spent the day picnicking in MacKenzie park in Lubbock. Sponsors were Mr. and Mrs. W. M. Roberts and Mr. and Mrs. Everette Christian.

After arrival of the students at the park, they spent their first hour riding the tilt-a-whirl and other mechanical rides at the park; then went swimming. Their next activity was to go skating, and to climax the day, young people went horseback riding. Students took a lunch of fried chicken with "all the trimmings."

Benjy Dial Honored With Birthday Party

Benjy Dial, son of Mr. and Mrs. Murray Dial, was honored with a party on his ninth birthday, in the home of his parents Thursday afternoon at 2:30.

Cake, ice cream and pop were served to Joan and Gwendolyn Potts, Janice and Gloria Hillock, Carroll Huggins, Jimmy Clements, Mike and Kathryn Billington, Larry Smith, Koleta and Carmelita Doshier, and Benjy.

Attend Recital

Attendants at the recital of Miss Rosamond Booth recently included Mrs. C. M. Henderson, Mrs. John Porter and Mrs. W. W. Vinyard.

Honors in Music

ESA Members Discuss Current Business

Miss Jeanne Dudley was hostess to regular meeting of Theta Rho chapter of Epsilon Sigma Alpha in her home Monday evening. Special business was discussed, but no program was on schedule. Two visitors from the Clovis chapter were special guests.

Members approved the \$2 brick idea for the construction of an ESA home. Under this plan, each member contributes \$2 for a brick to be used in the construction of the building. A letter from "Adopt A Child Federation" was read urging aid to foreign orphans; and members decided to gain further information on the project.

It was decided that members of the group would have no regular meeting date for the summer months, but would have call sessions to dispense with any business which is necessary.

The international convention slated in July in San Antonio was discussed, but no delegates from the local chapter were named. Members also approved the Texico-Farwell swimming pool project.

Committees for the coming year, which were named at the meeting include: Jeanne Dudley, publicity; Iris Thornton, Gloria Miller, and Hettye Randol, social; Contact and rush, Gladys Kaltwasser, Liz Kaltwasser, and Dorothy Quickel, Julia Symcox, Dardanella Helton and Nell Walling, ways and means; Dorothy Quickel, Jonquil Girl; Hettye Randol, scrapbook; and Gladys Kaltwasser, Iris Thornton and Julia Symcox, yearbook.

Refreshments of ice cream pie and cookies were served with raspberry punch to: Dorothy Quickel, Dardanella Helton, Iris Thornton, Gladys Kaltwasser, Hettye Randol, Liz Kaltwasser, Julia Symcox; also Ruth Crouse and Inez Otten of Clovis, and the hostess.

Poppy Sale Satrday Gains Only \$82.60

Proceeds from the sale of Memorial poppies fell below the usual mark, Mrs. Ruth Thornton, president of the group, said Monday, discussing poppy day, which was held Saturday; \$82.60 was taken in.

According to Mrs. Thornton, the chief handicap was the lack of adult workers, though children who assisted did a good job. Many youngsters substituted for mothers who work, and derived a large portion of the contributions from their efforts.

Usually contributions are about \$100, Mrs. Thornton adds.

Miss Moody Assists On Society News

Miss Yvonne Moody of Bovina is assisting Miss Jeanne Dudley with the society news at The Tribune this week. Miss Moody, who recently was graduated from Bovina High School, will be in charge of the society page the week of June 8 when Miss Dudley is out of town.

All citizens are asked to call in news to Miss Moody and assist her in every way possible in obtaining the news.

Misses Booth, Rogers Return from Dallas

Rosamond Booth and Jean Rogers, both voice students at Eastern New Mexico university in Portales, returned early this week from Dallas, where they auditioned for Starlight Operetta. They are the daughters of Mr. and Mrs. Earl Booth and Mr. and Mrs. B. A. Rogers, respectively.

Both of the girls have recently been presented in voice recitals in Portales.

Family Visits In Graham Home Sunday

Mr. and Mrs. B. N. Graham had their family home, Sunday, May 25. Those that were there were: Mr. and Mrs. John Graham and family from Lubbock; Mr. and Mrs. W. E. Thornton from Bovina; and Mr. Howard Graham; and Mrs. Raymond Ross and children of Morton.

Howard Graham is to leave for the University of Morgantown, West Virginia for summer school.

Clovis Toastmistress has Open House Recently

Open house for the members of Clovis Toastmistress and their guests was held Tuesday evening of last week at the Clovis library. Thirty-five members and about 20 guests were present.

Official hostesses were Lois Pearce and Thelma Holland, with Mrs. Pearce registering guests. The speaker's table was centered with a bouquet of blue iris in a gold vase, signifying the colors of the organization. Honeysuckle and roses were featured on other tables.

Refreshments of a salad plate and punch were served preceding the program. Mary Taylor was toastmistress. Nell Coleman, topic mistress, discussed "What Would You Like To Gain From Toastmistress." Thelma Holland discussed "Narcotics and the Teen-Age Problem with 'Narcotics,'" and Lois Pearce presented a humorous story on a husband teaching a wife to drive the car. Margarite Sass, Mae Porter and Inez Carpenter were critics, and Mrs. Porter was timekeeper. Billie Mersfelder was general evaluator and lexicologist.

All guests were introduced and each took part in the table topic discussion.

Children Visit In Ed Engram Home

Jo Beth Engram, daughter of Mr. and Mrs. Ed Engram, who is taking nurse's training at St. Francis hospital in Wichita, Kansas, is home visiting her parents, for two weeks. The Engrams other daughter and her husband, Mr. and Mrs. John White, were to arrive Wednesday from Las Cruces, where they are enrolled in New Mexico A & M.

Play School Planned For Children in June

Something new is planned for the home economics summer program this year, Mrs. Bill Cannon, instructor says. A play school for children of pre-school age will be held one afternoon each week during the month of June. The school will be directed by Mrs. Cannon and home economics students for approximately two hours on the designated day.

Mrs. Cannon asks that mothers interested in their children being enrolled for the instruction days, contact her after June 3.

The summer home economics program will also begin on or about June 3. Any student who has had at least one year of class instruction in home economics, is eligible for the summer course. First meeting to plan the work will be held at 3 o'clock in the afternoon June 3, at the home economics building. The girls will decide about definite times for other class sessions at that meeting.

At least eight sessions will be held during the month, twice a week. Girls taking the work receive one half credit toward their high school diplomas.

Special project for the group will be to make draperies for the home economics department; cover two chair seats, and if time permits, to complete covers for sewing machines for the department. Enrollees will also have individual projects at home, Mrs. Cannon adds.

Mr. and Mrs. James Box and children visited her parents the L. A. Caillouets over the weekend. James attended the Baccalaureate services at ENMU.

The father of Grayson Roberts of Texico, Jack Roberts of Clovis, N. M., died of a heart attack Monday night at Hollis, Oklahoma. He was 73 years of age.

Funeral arrangements are pending, as family members await the arrival of two daughters who live in Oregon and Washington.

Mr. Roberts was at a family reunion at Hollis, Oklahoma at the time of his death.

Lions Club To Meet Tuesday For Program

The Lions Club will meet Tuesday night at 8 o'clock in the Legion Hall. Plans are to try to get a film on this particular locality, announces Otis Huggins. The program is tentative, however, and no special business is slated.

Installation of new officers will be held on the night of June 17. This is also Ladies night.

Poor Attendance For Chamber of Commerce

"We were very disappointed in the attendance at the Chamber of Commerce meeting Tuesday night," Carl Davis, director, stated today. He asks that people come out to the meetings and make suggestions, and help decide policies of the group. "We want to know what the people of Farwell want," he states.

Meetings are held the last Tuesday of each month.

ATTENDING CONVENTIONS

Parmer County is being represented in Mineral Wells and San Antonio this week, where the Republican and Democratic state conventions are in session.

Leo McLelland of Friona is the county's lone representative at the GOP gathering in Mineral Wells. Bill Sherley, Sam Aldridge, Mrs. G. D. Anderson Jr., and Sloan Osborn are representing the Democrats at the San Antonio meeting.

Mr. and Mrs. Mose Glasscock returned home the first of the week from Farmington, N. M., where they went to convey the personal effects of Rev. and Mrs. Lance Hurst to their new work. The Glasscocks report a very enjoyable trip and said that Rev. and Mrs. Hurst appeared to be well pleased with their new appointment.

OFF TO HARVEST

Ed Hardage and Jack Spurlin, each conveying three combines and crews, left over the weekend for the wheat harvest downstate. Hardage and his crew will start near Iowa Park, and Spurlin and his outfit will begin operations in the Crowell vicinity. They plan to follow the harvest to the north, probably winding up in the Dakotas.

PLANT COTTON FOR DEFENSE!

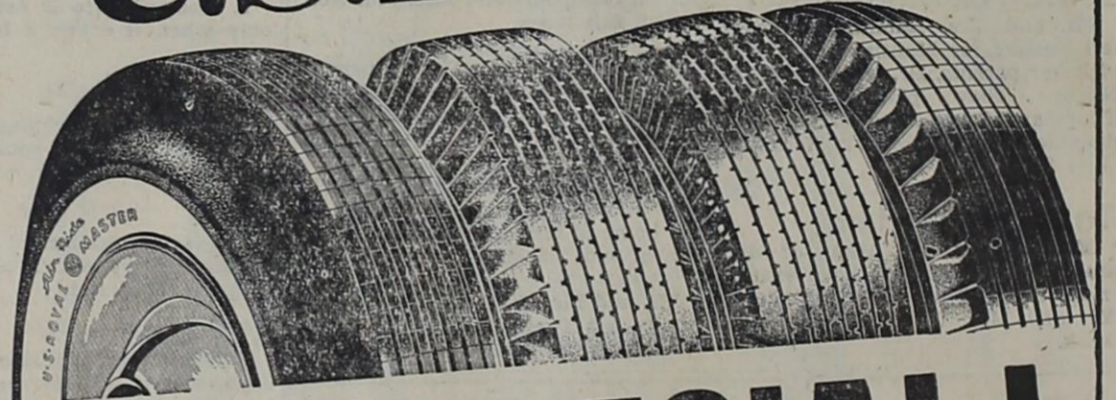

Now that we have adequate moisture, the Parmer County Cotton Improvement Association, made up of Cotton Growers desirous of increasing future Parmer County Cotton Allotments, respectfully urges each Parmer County Farmer to consider planting a reasonable portion of his land to Cotton this season.

Here Is Why:

- 1. Cotton is second only to steel as a national Defense Commodity.
- 2. Cotton fits a diversified farming program on either Dry or Irrigated land.
- 3. Cotton is essential to our balanced economy.
- 4. Parmer County has not had its share of the nation's cotton market.
- 5. Future controls and allotments are almost certain and any future allotments are likely to be based upon current acreages.

Eighth Graders Graduate Thursday Night In Farwell

Commencement exercises for Farwell eighth graders were held Thursday night in the high school auditorium. Beveley Lovelace played the processional and recessional. Invocation was given by Gerald Hardage and Truitt Hardage gave the benediction.

Ima Jean McKillip presented the salutatory, followed by the class history by Barbara Ham. Jerry Allison sang "23rd Psalm." Ed Rierson, class sponsor, introduced the speaker, Abe Morgan, minister of the Church of Christ of Clovis.

Mr. Morgan chose for his subject "The Great Essential." He told the class that three essentials should be remembered: "to have faith in yourself, in your fellow man, and in God." Linda Kube presented the class will, with Jo Elaine Magness presenting the valedictory. Betty Curtis read the class prophecy. Awards were made by Mr. Rierson and Kenneth Fields, grade school principal, awarded diplomas.

Members of the class are: Jerri Allison, Shirley Atchley, Marilyn Austin, Troy Christian, Betty Curtis, Glenna Ruth Davis, Shirley Doshier, Barbara Ham, Dan Hammonds, Glendon Hanna, Gerald Hardage, Truitt Hardage, Betty Hubbell, Barbara Jack, Lee Dennis Jesko, Jimmy Kersey, Agnes Kriegel, Linda Kube, Harvey Lesley, Jo Elaine Magness, Ima Jean McKillip, James Norton, Wallace Roberson, Betty Routon, Jimmy Schell, Dean Smith, Eddie Smith, Joy Smith, Jerry Don Utsman, and Bert Williams.

METHODIST CHURCH NOTES

On Sunday, June 1, at the 11 o'clock hour, Rev. Miller H. Stroup, pastor of the Hamlin Memorial Methodist Church, will preach on the subject, "The Call of Zebedee."

The Sunday School hour is 10 a.m. Charlie Thompson is general superintendent of the fully departmentalized school. There are classes for all age groups. The Junior Methodist Youth Fellowship meets at 6:30 p.m. with Miss Beth Tharp as counselor.

For the evening service we will join with the First Baptist church in their revival.

A cordial invitation is extended to all who have no church home in Texico-Farwell to worship with us.

Mr. and Mrs. Joe Helton and Hal Ed have been to Colorado Springs on a short trip.

Here Is the Effect of the Three Major Elements on Plant Growth:

PHOSPHOROUS

1. Encourages root growth, especially lateral and fibrous rootlets.
2. Hastens maturity of the crop: flowering and fruiting depend upon it.
3. Improves quality of crops.
4. Increases the ratio of grain to straw as well as total yield of grain.
5. Increases disease resistance.
6. It is essential to seed production.
7. Aids in formation of carbohydrates.
8. Aids assimilation of fats.

- by increasing chlorophyll.
3. Increases plumpness and protein of grain.
4. Produces succulence in crops such as grass, lettuce, radishes.
5. In excessive quantity:
 - a. Produces a delayed maturity.
 - b. Increases tendency to lodge.
 - c. Increases susceptibility to diseases.
 - d. Decreases drought resistance.
 - e. Causes plant to fail to set fruit.
 - f. Causes sappy growth and promotes winter killing.
 - g. Causes fruit to be watery and of poor quality.
6. A deficiency of available nitrogen results in stunted plants and restricted root systems. The leaves turn yellow and drop off some plants. Yields and quality are reduced.

NITROGEN

1. Encourages vegetable growth.
2. Causes a deep green leaf color.

Lazbuddie Longhorns Top Olton In Two Tilts

The Lazbuddie Longhorns have been in the winner's seat in the three game series of baseball games to determine the bi-district title holders. Meeting Olton on the opponent's diamond in the first game of the three, the Longhorns topped the opposing group a scant 6-5.

As the visiting team, Lazbuddie took first bat. Clark led off in the first half of the first inning, but was struck out by Curry, starting pitcher for the Mustangs. Rudolf Jesko was batting in the number two slot. He grounded out to Copeland, third baseman for the Olton nine. With two outs, Foster reached second on an error, then Paul Jesko grounded out to Copeland for the third try. Olton was retired without scores in the bottom of the first frame.

Engleking and White were retired in the first of the second, but Gleason hit a single, as did McDonald and Swain, to push across the Longhorn's first run. Swain tried a steal and Allcorn threw over second, sending McDonald home and Swain to third. Clark walked, and the fourth ball was a wild pitch on which Swain stole home. Rudolf Jesko then struck out to retire the side.

In the top of the fourth, Clark gained a home run with two outs and

no one on base. Olton scored two runs in the second half of the fourth. In the first of the fifth, Lazbuddie scored again and the inning ended with the scores, 5-2, which held until the last of the seventh. But the Olton Mustangs rallied and scored three runs to tie the scores 5-5, making an extra inning imperative. In the eighth, no runs were scored. In the top of the ninth, with two outs, Paul Jesko hit a single, stole second and gained home base by the winning pitcher, Richard Engleking, with a booming triple. Olton was retired, with Lazbuddie winning by one run.

Second Game Given

The second of the three game series was at Lazbuddie May 19. Gerald Allcorn was the starting pitcher for the Olton Mustangs and Engleking for the Longhorns. Straw was the first man up for the visiting Mustangs, struck out; then Shelly hit a single and scored on errors. Lazbuddie was retired in the bottom of the first. No runs were scored in the second, and both teams were retired in the third. Olton was retired in the first of the fourth.

Crim was first up for the Longhorns and made no headway. Gleason made a single, McDonald struck out, Swain got a scratch hit moving Gleason to second; Clark made a single to score Gleason and moved Swain to second. Score stood 1-1.

Both teams were retired in the fifth. Olton then gained three runs in the top of the sixth inning, leaving the score, 4-1. Crim hit a single in the

bottom of the sixth, and Gleason rang out a home run. The next three batters were retired. Score was 4-3 in favor of the visitors. The Mustangs were stopped in the top of the seventh, and the Longhorns scored two runs in the bottom of the seventh to win the ball game in the last inning, 5-4.

Junior Football Schedule Released

At the district 10-B junior football meeting in Friona recently, Kenneth Fields was named chairman of the group and Shelby Jobses was selected secretary. Attendants decided to include seventh, eighth and ninth grade and the U. I. L. age rule of Sept. 1 for juniors.

It was agreed to play games on Thursday nights and the admission charges are 50c for adults and 25c for children. The home team will take all gate receipts.

Home teams are to furnish officials. Eligibility lists are to be sent to Fields prior to the first football game.

Football schedule for 1952 for juniors is included below:

- Sept. 18, Farwell at Vega. Friona at Bovina.
- Sept. 25, Bovina at Farwell. Vega at Friona.
- Oct. 9, Farwell at Friona. Bovina at Vega.
- Oct. 23, Vega at Farwell. Bovina at Friona.
- Oct. 30, Friona at Farwell. Vega at Bovina.
- Nov. 6, Farwell at Bovina. Friona at Vega.

Bobbie Richardson's Letter Read Over NBC Radio Program

Bobbie Richardson, sophomore at Texico schools next year, has a new book, as a result of her originality at letter writing; and the letter was heard over the entire United States.

Bobbie listens to Meredith Wilson's Music Room on NBC often. The program has classical and popular music; and as a portion of the program, a "mystery masterpiece" is played. Listeners are asked to write down the picture that the music brings to mind and mail in the entries.

Upon hearing the program, Bobbie wrote the following letter: "Dear Mr. Wilson, As I heard your mystery masterpiece, I saw a cottontail rabbit running across the prairie darting here and there through the beargrass. As the enemy got nearer and nearer, the rabbit disappeared into his hole to the safety of his

Farm Bureau Discusses Wind Erosion District

Parmer County Farm Bureau Directors met in Friona Monday night. Bill Kennedy was present to report on findings relative to formation of a wind erosion district. An effort is being made to determine whether or not Parmer Farmers would favor such a District.

High Plains Underground Water Conservation District was discussed at length. County Committee members for the District, Tom Caldwell, Bruce Parr and Raymond Euler have expressed themselves as favoring emphasis on education features concerning water usage. This view is taken with opposition to any controls or well spacing ideas. It was pointed out that the formation of the District was accomplished for the primary and final purpose of warding off threatened State claims to ownership and consequent control of Underground Water.

The secretary was instructed by unanimous approval to write a letter to the District office in Lubbock supporting the County Committee's views.

4-H boys qualified to attend the State Round-up at College Station in June will be financially aided by Farm Bureau funds as they were last year. FFA and 4-H boys of exceptional aptitude, as determined by their instructors, will be presented Farm Bureau pins of recognition.

Service Agent, Raymond Euler was appointed to manage plans for securing and baling bedding for Fair use. Anyone having wheat the will provide rank straw is urged to see Euler or any of the directors if they would contribute some of the straw at harvest time. Bureau members will bale it and haul it out.

Walter Kaltwasser, Melvin Sachs and Joe Menefee were appointed as resolutions Committee men. Anyone having recommendations they would like presented at the County Convention should see these men.

The next directors meeting will be held at Bovina. Everyone interested is welcome to attend.

Present Monday night were: Bruce Parr, Carl Schlenker, Hadley Reeve, Vernon Symcox, Earl Stevenson, Joe Menefee, T. E. Lovett, J. H. McDonald, Bill Kennedy and Raymond Euler.

Mr. and Mrs. Jim Grisham had as guests Sunday, Mr. and Mrs. W. J. Lee of Plainview.

home." Bobbie's letter was the first one read of the top ten. She received her prize, a book entitled "Who Did What To Fadhala" by Mr. Wilson.

Bovina Happenings

By JEANNE KERBY

Pastor Relates Recent Visit to Miami

By M. D. Durham

The Bovina Baptist church made it possible for their pastor and his wife to attend the Southern Baptist Convention which convened in Miami, Florida, from May 14 through May 18.

After traveling from 12 to 14 hours across our own beloved state, we reached the Louisiana line late in the afternoon. We crossed into Louisiana at Waskom, Texas, and spent the night in Bossier City. Next morning we proceeded on our journey toward Mississippi and Alabama. We were impressed by the broad expanse of golden wheat and barley fields in the Mississippi River Valley in eastern Louisiana. It was a beautiful sight to see the waist high grain waving in the breeze.

We crossed the muddy Mississippi of Vicksburg where if one had ample through the site of the famous battle of Vicksburg where is one had ample time he could spend several days in this historic place. As one sees the beautiful monuments, the relics of the bloody battle and the huge plaque with the names of the gallant heroes who fought in the Civil War, it reminds us of the grim reality of the war between the states.

Traveling eastward from Vicksburg we passed through Bovina, Mississippi. We were greeted with the Sandy land cotton fields of both Mississippi and Alabama with colored folk plowing with the old time Georgia stock pulled by one mule with numbers of other colored folk following chopping the cotton. This scene reminded us of the old southern plantations of which there is still a trace.

Going on into northern Florida, we saw huge tobacco beds of three to four acres in area covered by white netting. We were told that they later transplanted these plants into large fields.

Passing through the citrus belt of central Florida, we were greeted by the sight of rich luscious oranges and grapefruit ready to be picked. Huge trucks were being loaded to be shipped to the various parts of the country. Central Florida is a land of beautiful fresh water lakes, Lake Okeechobee being the largest. On highway 27 one passes through the corner of the famous everglades on the way to Miami.

Miami is a city of friendly people, beautiful hotels and cool sea breezes. The city was not crowded because it was the off season for tourists. Hotel accommodations were more reasonable than during the tourist season. A warm cordiality was shown to

Final Rites Held For Mrs. L. E. Cox

Funeral services were held on Friday afternoon at 3 p.m. from the First Baptist Church for Mrs. L. E. Cox who passed away on Thursday morning of a heart attack. Rev. Wayne Perry of Sudan conducted the services with Rev. M. D. Durham assisting. Burial was in the Bovina cemetery under the direction of Gillian Funeral Home of Hereford.

Pall bearers were H. W. Alverson, Henry Minter, J. W. Gooch, A. L. Kerby, Clifford Leake and Reagan Looney.

Mrs. Cox is survived by her husband, Lewis, of Bovina, one daughter, Mrs. Fred Muller, of Hereford, four sisters, Mrs. Scott W. Hollis of Abilene, Mrs. Henry Armstrong of Westbrook, Mrs. Hugh Murrey of Stevenville, Mrs. Eugene Curry of Ft. Worth, two brothers, Ed and Wallace Norton of Breckenridge.

Vacation Bible School Now In Progress

The Methodist Vacation Bible School started on Monday afternoon with 32 children enrolling and 10 teachers present. This includes ages 4 to 12. Supplies for the intermediate school sometime during June.

Mrs. Earl Richards is superintendent for the school this year with the following helping in the different departments. Mesdames Vernon Estes, Jimmie Charles, Earl Stevenson, Billie Sudderth, R. G. Barron, Eddie Redden, J. T. Hammonds, Milton Derrick, E. M. Ware and I. T. Huckabee. Miss Donna Smith is playing the piano for two of the groups.

The school will last through this week with classes being held each afternoon from three to five p.m.

Mr. and Mrs. Jack Kaminski and children left on Thursday for their home in California after spending two weeks visiting with her parents, Mr. and Mrs. Wilbur Charles and other friends and relatives.

Southern Baptists. The convention was held in the dinner Keys Auditorium on the Biscayne Bay waterfront.

The Atlantic coastal drive from Miami to St. Augustine is one never to be forgotten. Beautiful white sand beaches and historic sites greet you all along the 300 mile drive. In St. Augustine, the oldest city in the United States, there were colored men driving about the city with horse and buggy to take the tourists on sight seeing trips.

The beauty and serenity of the country side around Mobile, Alabama, is striking. The Gulf Coast Drive across Mississippi through Biloxi Gulfport is a beautiful one with the gulf on one side and the spacious old southern homes surrounded by giant-moss-hung oaks on the other.

Passing through New Orleans, we drove down famous Canal Street which is said to be the widest street in the world, thence to Shreveport, Dallas and Bovina. Summing it all up we will say, "The Panhandle of Texas is the grandest spot on Earth."

Graduates from NMMI

Cadet James R. Ellison, son of Mr. and Mrs. A. J. Ellison of Bovina, will be graduated from the Junior College Division of New Mexico Military Institute on June 3.

The Vacation Bible School plans are almost complete. The faculty has been selected, and they have decided what they will make for their hand work. The date for the school will be June 9th through the 18th. Preparation day will be held on Saturday June 7th and there will be a downtown parade that afternoon. Refreshments will be served each day of the Bible School.

The pastor returned from the southern Baptist Convention in Miami, Florida last week, and he preached in both services last Sunday.

A camp for young people has been added to the camps of the Plains Baptist Assembly. This camp will be held June 16-18. Young people, ages 17 to 25 will be eligible to attend. The camps for intermediates and juniors will be held in July.

Last Sunday's attendance reports are as follows: Sunday School, 125; Morning worship, 162; Training Union, 69; Evening Worship, 124.

The junior department of the Sunday School won the three months contest of the departments having the nearest 100 per cent grade during the three month period. They will be given an entertainment in the near future.

A warm and cordial welcome awaits you at the Bovina Baptist Church.

PLANS SCHOOL

Mrs. June Rhodes announces that she will have a summer school beginning on the 2nd of June and lasting for six weeks. The school will be for children who need special instruction from the second through the sixth grades. The school will be held at the school building.

A charge of \$3 per week per child will be made. Anyone interested in such a school is asked to meet with Mrs. Rhodes at the school on June 2. The classes will be held five days a week from 9-12 in the morning.

Leaves for California

Mrs. Art Mast and Carole Jean, are planning to leave the first of this week for California, where they will meet their daddy who has been in Korea. Mrs. Roy Hawkins and Roylene plan to accompany Mrs. Mast where they will visit relatives.

The pastor report to the annual conference which meets Wednesday was ready. The moving picture taken "Children's Day" was shown following the above report.

The Board of Christian Education met Monday evening at 8 p.m.

The biggest attendance yet was the church fellowship picnic supper last Wednesday in the city park. The pastor was caught stealing (second base) in the softball game. The cold wind made us bring our picnic baskets to the church where the "bigger and better feed" of the year was enjoyed by the large crowd who attended.

The parsonage lawn is undergoing a reseeding process at the north side and some 30 feet in the rear. The church also had a chemical treatment last week. Billie Sudderth brought over 100 lbs. of "Stuff to Make Grass Grow."

The pastor and his wife will go to the annual conference at Lubbock Wednesday through Sunday. Mr. and Mrs. Wilbur Charles will also attend the conference, with Mr. Charles as the church delegate.

Mr. and Mrs. Archie McCutchan and Rev. and Mrs. J. M. Lemmon accompanied Mrs. Charlotte Brice and Jobeth to Hatch on Tuesday for funeral services of A. J. Brice. Mr. and Mrs. E. L. McCutchan went to Hatch on Wednesday. Mrs. Brice and Jobeth plan to stay in Hatch for a few days before returning to their home in Bovina.

Womans Study Club Has Final Meeting

The Bovina Women's Study Club met Thursday, May 22, in the home of Mrs. Billie Sudderth for the last meeting of the club year.

A review of the year's programs was given by Mrs. Clarence Jones and a summary of all club activities by the outgoing president, Mrs. Frank Truitt.

Mrs. Steve Struve of the Friona Modern Study Club conducted installation ceremonies for new officers. New officers installed were Mrs. Arlin Hartzog, president; Mrs. W. H. Willoughby, vice-president; Mrs. Rouel Barren, secretary; Mrs. Frank P. Wilson, treasurer; Mrs. I. W. Quickel, reporter; and Mrs. A. B. Wilkenson, parliamentarian.

Other members present for the meeting were Mesdames Clarence Jones, Charles Ross, David Carson, Sam Sides, W. H. Willoughby, Tom Caldwell, Frank Truitt, A. B. Wilkenson, I. T. Huckabee, Lloyd Battey, Bob Rule, E. H. Moody, O. W. Rhinehart, H. L. Tidenberg, Rouel Barren, J. P. Macon, J. W. Kimbrow, I. W. Quickel, William Thornton, Arlin Hartzog, Reagan Looney and Arnold Hromas. Guests were Mrs. Steve Struve and Mrs. Nelton Welch of Friona.

In Alverson Home

Guests in the H. W. Alverson home over the weekend were his sister and family, Mr. and Mrs. Bill Collins, Joe Carrol and Christis Ann of Estelline. Also visiting in the Alverson home on Sunday were their daughter and family, Mr. and Mrs. N. C. White Jr. and Jimmy; and Mrs. Alverson's brother and family, Mr. and Mrs. J. B. Douglas and children, all of Friona.

Senior Trip Reviewed By Clara Derrick

We left Bovina Sunday morning at 5:00 and arrived in Austin about 4:30 in the afternoon. It rained just about all the way down to Austin. As soon as we arrived we went to the capital but it was too late for us to go to the top so we had to go back the next morning. After we left the capital we got our rooms at the Don-Mar Motel.

Monday morning we went to the capital and then to the University. We went to the top of the Tower which had a large clock on each side and who did we meet but Paul Smith of Bovina.

After this, we left for Houston and arrived there around 5:30 that afternoon. After discovering the Shamrock Hotel was filled we began to look for different sleeping quarters which was the Alan Motel. After eating we went to the "Play Land" and had a very good time.

Tuesday, we went out to the San Jacinto Monument and went as high as we could which was 490 feet off the ground. After leaving there we went to the park and had a picnic lunch. At 12:30 we went to the battleship "Texas." Next we headed for Galveston and arrived there about 4:30 and went in swimming.

We stayed in the Coronado Motel, Tuesday, Wednesday and Thursday nights.

Wednesday, most of the group went boat riding on "Miss Texas" which was the biggest boat we could take. Thursday, part of the group went deep sea fishing and caught quite a few fish. We were going to have a fish fry, but didn't have much luck, so we settled for just a picnic.

While in Galveston we rode bicycles quite a bit, and, as a result, many had blistered legs, arms and backs.

Friday we left for San Antonio, arriving there around 4:30. We stayed in the Park Motel. That evening we went to the Sunken Gardens and the zoo. Later we had a picnic supper. After that we did whatever we wanted to do for entertainment.

Saturday, it was a little wet but didn't stop us from doing what we had planned. First, we went to the Alamo and Museum. Next we visited the San Jose Mission which was very interesting. We also went to the Catholic Cathedral and the Buck Horn Saloon. The boys rode motor scooters the biggest part of the day

and the girls did a little shopping. Sunday morning we left San Antonio around 6:00 A. M. and after driving all day we arrived in Bovina about 6:30 p.m. We were all very tired but very happy and everyone enjoyed the trip very much.

Wesleyan Guild Has Final Meeting of Year

A meeting of the Bovina Wesleyan Guild was held in the Bovina Methodist Church on Tuesday, May 20 at 8 p.m. with Mrs. Margaret Charles, president, presiding and the following members present: Mesdames I. T. Huckabee, John Kimbrow, Willie Williams, Durwood Bell, A. M. Wilson, Bob Sudderth and Milton Derrick.

A short business session was held, after which readings of "A Study of the Book of Acts" were given by Mrs. Willie Williams, Mrs. Milton Derrick and Mrs. Bob Sudderth. This concluded the study of this book.

Installation services for officers elected will be held after the Bovina Vacation Bible School is completed.

The Guild is disbanding for the summer months of June, July and August. The next meeting will be held the 4th Thursday in September.

Delicious refreshments of angel food cake topped with strawberries and cream and coffee were served by the hostesses, Mrs. Bob Sudderth and A. M. Wilson.

Carmen Masters Presents Program

An appreciative audience gathered at the school auditorium on Thursday night for the concert by Carmen Master, contralto, of Clovis. Carmen presented a program including two arias from the opera "Carmen," an alto solo from "The Messiah," several Irish songs and some negro spirituals. Miss Jimmy Malone, also of Clovis, was the accompanist and did a splendid job. The audience called Carmen back for several encores and she closed her performance with a beautiful rendition of "The Lord's Prayer."

Following the concert, a reception was held for the guest artist and the guests present for the concert. The reception was held in the home of room of the school with punch being served from a lace covered table with crystal appointments and a centerpiece of red and white flowers and white tapers. Mrs. Vernon Estes presided at the punch bowl. Those present enjoyed meeting Carmen and becoming better acquainted with the talented singer.

Surprise Dinner Fetes Two Women 21st

A surprise birthday dinner was held on Wednesday, May 21 honoring Mrs. Dudley Stout and Mrs. W. L. Venable in the home of Mrs. Venable. Mrs. Stout celebrated her birthday on May 20 and Mrs. Venable on May 22.

A group of friends gathered at the noon hour with covered dishes for a delicious covered dish luncheon and to present the two honorees with many lovely gifts. They spent the afternoon visiting.

Attending the party were Mesdames J. R. Caldwell, Lee Thompson, F. W. Ayres, Steve Calhoun, Tom Griffith, Buck Ellison, Tom Rhodes, E. W. Ashcraft, Will Parker, Elmer Venable, Homer Martin, R. N. Williford and the honorees.

Mrs. Fred Langer and Sherri spent Thursday and Friday in Clovis with Mrs. Langer's sister and family, the R. E. Brians.

Mrs. Jess Scott of Clovis spent Thursday night with her daughter and family, the Howard Looneys.

Mary Sue Moody has gone to Plainview to spend part of this week in the home of her sister Mr. and Mrs. Gene Hawkins and Nancy Carole.

Report of Work in Past Year by Methodists

We are proud of this year's work in our church. There have been presented for baptism 20 babies and 23 young people and children. We began the year with a membership active and inactive, of 429, received 44 into the Church and have removed 30 with a gain of 14. Our present total membership is 443.

There has been \$3,600 retired on our Church debt plus \$1,013 interest on the note. Extensive improvements have been made on the parsonage property which if paid in cash would have equaled about \$3,000 but actually cost us about \$750 in cash. The paving program has been completed and a large part of this 4,500 improvement has been paid for. For all purposes, this Church has raised approximately \$18,323.00.

These have been happy years and I feel that they have been a rich experience for us all. Our Church has grown and I am confident that it will continue to make great strides in the future. The membership 3 years ago was 339 and at present it is 443, with a total increase of 114. Our Church 3 years ago owed approximately \$36,000 plus interest on the building and at present we owe \$18,000. It is my hope and my prayer that the church will continue to fulfill its place of leadership in the community.

The Pastor

Host to Picnic Supper

Mr. and Mrs. F. T. Schlenker were hosts to a picnic supper on Thursday evening at their home honoring Mr. and Mrs. Joe Schlenker and children, Sherrie and Reeve, of Fairview, Calif. Joe is the son of Mr. and Mrs. Oscar Schlenker of Calif. While the children played games, the older group enjoyed visiting. Those present were Mr. and Mrs. Ralph Wilson, Mrs. Elmo Dean and girls, Mr. and Mrs. Cordie Potts and children, Mr. and Mrs. Charlie Lovelace and boys of Farwell, Mr. and Mrs. Carl Schlenker and children, Mr. and Mrs. Hadley Reeve and children, Mr. and Mrs. Glenn Reeve and children, Mr. and Mrs. F. W. Reeve and the hosts, Mr. and Mrs. Schlenker.

Girl Scouts Have Tres Ritos Outing

Early Friday morning, the girls of Scout Troop No. 1 left for Tres Ritos, N. M. and went to the Osborn cabin in the mountains. They arrived there early that afternoon and spent the remainder of the day establishing a camp and exploring the grounds around the cabin.

Saturday, they packed a lunch and hiked up to the snow line. It was odd to see so much snow at this time of year. The creeks were all swollen and very swift. Three of the girls found how cold the water really was, when they accidentally fell into one of the creeks.

Mrs. Stewart and Mrs. Osborn spent their time thawing out the water pipes and cutting wood to keep the girls warm.

Weekenders began their trip home Sunday afternoon and stopped in Santa Rosa for a picnic lunch at Park Lake and shopped in some of the curio shops.

Troop No. 1 has had a complete list of accomplishments for the year completing a junior First Aid course, taught by Miss Ella Mae Wood. They spent one Saturday in community service, and collected money for March of Dimes. Since finishing the First Aid course, girls have completed their cook badge, games badge, garden flower badge, and the Tres Ritos trip completed the campcraft badge.

Mr. and Mrs. Bill Stewart, their two grandchildren, Melanie and John Chandler, Mr. and Mrs. Sloan Osborn and Robbie and Scouts Ann McKee, Sue Cranfill, Tommie Lou Fallwell, Sally Osborn, and Loletta O'Brian made up the party who made this trip. "We all enjoyed our trip very much. It has been a grand year," Ann McKee, scribe, says.

Mr. and Mrs. Glenn Reeve and boys spent Sunday in Amarillo visiting with her parents, Mr. and Mrs. Jess Sparkman. Mrs. Sparkman still has the cast on her leg, as the result of the fall in which she broke her ankle. The cast will probably be removed this week.

Mr. and Mrs. J. T. Gee were in Oklahoma City to visit relatives.

Special Memorial Day Services Planned Friday

On Friday, which will be Memorial Day, the American Legion, the Auxiliary, together with the local minister will present a program at the monument in the park and at the Cemetery to Honor the War Dead.

The park services will start at 10 a.m. with the reading of the names of the war dead by Roy Wilson. Rev. Lott of the Pentecostal Church will give a prayer. A memorial tribute will be given by Commander Bert Neeley. Stanley Lockhart will head the group in singing "God Bless America." Rev. Meyer will give the benediction.

Immediately after this service, the group will go to the cemetery. The color guard and firing squad will form in the road and advance to the center of cemetery. Chaplain of the Legion, Forrest Osborn, will open the services with a prayer. Stanley Lockhart will give a solo. Commander Neeley will introduce the speaker, Rev. Russell Pogue. After Rev. Pogue has given his talk, the Auxiliary will place wreaths on the graves. The Legion Firing Squad will then fire the salute and taps will sound. Kenneth McLellan will sound the taps.

Legion Members Are Special Guests Sunday

Members of the American Legion were special guests of the local Methodist Church on Sunday morning.

Family night was held Sunday night with a covered dish supper at 7 o'clock in the annex. After the supper, the group adjourned to the sanctuary for the program. Special music was a quartet, P. L. London, Mrs. H. L. Outland, Mrs. Emmett Day Jr. and Kenneth Mercer. Mrs. Kenneth Cass concluded the study, "The Family, A Christian Concern." To conclude the program, Rev. Tidwell had a communion to those present.

The MYF group will announce at a later date the showing of a film to raise money to send their delegates to Methodist Youth Assembly at McMurray College to be held the second week in June.

Congregational Church Family Night Planned

The June Congregational Church family nights to be held June 1. The hour is 7:30 p.m., at which time the usual feed will be served; which is sandwiches, jello cake and coffee and iced tea. The feature of the evening is to be movies in color and with sound.

The usual invitation is extended, that is to all members of the church and their families, all friends of the church and their families. You are always welcome at the Congregational Church. Come and see.

The pictures to be shown are "At the Cross Roads of the Cross," and "The Whole Armor." The first picture was made in the Holy Land and shows in colored pictures, with sound, many of the scenes having to do with the life of Christ. There is music with the film too. It is pronounced "A great picture."

The second picture "The Whole Armor" is put out by the American Bible Society, with which the local church is affiliated and is one of their most recent pictures in color and with sound. You will be welcome.

Represented at Binger

The Congregational Church is to be represented at Binger, June 2 by the Reverends Mr. and Mrs. George E. Meyer, Mrs. Floyd Schlenker, Misses Florence Dean, Phyllis Treider and Sue Cranfill. Three of these and the pastor will be on the examining council and will assist in the installation, with the Rev. Mr. Meyer having a special part in the service of installation of the Rev. Harry Lake, recently called as pastor there.

Installs Officers

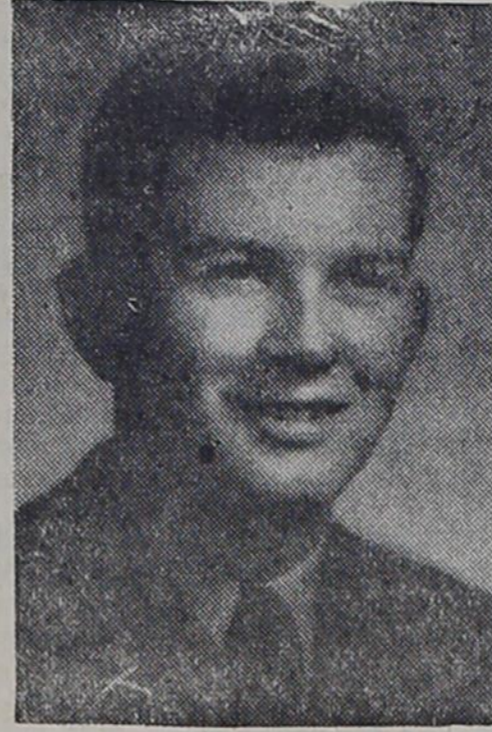

The pastor of the Congregational Church installed the officers of the Women's Fellowship of the church at their most recent meeting. Mrs. Carl C. Maurer played a number on the organ and Mrs. Dan Luttrell sang a solo. The officers installed were: Mrs. Glenn E. Reeve, president; Mrs. Floyd Reeve, vice-president; Mrs. Otho Whitefield, treasurer; Mrs. Walter Lovelace, secretary, and Mrs. George E. Meyer, reporter.

Leaves for Vacation

Mr. and Mrs. F. W. Reeve left Tuesday for a three weeks vacation. They plan to visit their son and family, Mr. and Mrs. Charles Reeve of Conn. and with other relatives in Indiana. Miss Mary Reeve of Pampa will accompany her parents on this trip.

Mr. and Mrs. Wesley Foster were in Dallas this week at market. On their return trip they picked up their daughter, Rea Nell and Vera Ann Jones, who are students at Denton.

CHARLES OSBORN

Charles Osborn To Receive BBA Degree

Charles E. Osborn, son of Mr. and Mrs. Sloan H. Osborn, Friona, will receive a BBA degree in Business Administration from Texas A & M College at College Station on Friday evening, May 30. Charles is a member of the Pre-Law club, the Business Society and the Panhandle club.

At this time, the Friona boy will receive his commission as second lieutenant in the infantry of the United States Army.

LOCAL ITEMS

Twenty Seniors from Friona High are on their senior trip this week. Mr. and Mrs. Raymond Cook and Mrs. Roy Miller went with them. They planned to go to El Paso and will probably see a bull fight while they are gone.

Mrs. J. G. McFarland, Doris, Gay, John, Bill and David Charles, left on Tuesday for Dallas where they will visit a few days with Lunell. Lunell will work at Lufkin, Texas this summer and will not be able to spend much time at home.

The Methodist Vacation Bible School will start next Monday. Registration will be on Saturday of this week.

"Chase the Squirrel Club" had a square dance Saturday night at the Legion Hall. There will be another square dance held Saturday, May 31.

Mr. and Mrs. J. C. Wilkerson have moved into the home of F. W. Reeve while they are away on their vacation.

COTTON

The 1951 cotton crop of 15,130,000 bales of 500 pounds gross weight reported by the Crop Reporting Board on May 8, 1952, compares with 1950 production of 10,012,000 bales and the 1940-49 average of 12,030,000 bales. The average yield per harvested acre was 271.7 pounds against 269 in 1950 and 266, the 1940-49 average.

**Funeral Services Held
In Clovis for Roy Fuller**

Funeral services were held Satur-
day afternoon at the Charles V. Steed
Memorial chapel for Roy Richard
Fuller, 22-year-old, former Bovina
resident.

Fuller was a victim of bulbar polio
and died Wednesday evening at a
Clovis hospital. He had been ill since
October, 1950, and was totally para-
lyzed except for the use of his arms.

He had been in the trucking busi-
ness before he became ill. The Clovis
Lions club assisted the bedfast man,
and arranged for a magazine agency
so he could have a source of income.

Curry County polio chapter helped
him to gain treatment, first in Plain-
view and later in El Paso.

Fuller was 18 years old when he
served with the Air Force in the oc-
cupation zone in Germany. He had
been a resident of Friona.

Survivors include his widow, Mrs.
Betty Lou Fuller, and one year old
son, Roy Alvin; three sister, Mrs.
Flossie Krieds and Mrs. Cora McKin-
ney, both of Arizona, and Mrs. Lou-
ise Farmer, Ft. Sumner; also two
brothers, Lester Teakle, Clovis, and
Paul Teakle, Tucumcari.

Pall bearers were Bobbie Leach,
Billy Ray Horton, Kenneth Horton,
Bobby England, Nick Snodderly and
Leon Wilson.

Burial will be in the Mission Gard-
en of Memories under the direction
of Steed Funeral Home.

**Paul Young Receives

**You Get Good Traction
with PHILLIPS 66
FARM SERVICE TIRES**

The more traction you get
from your rear tractor tires,
the quicker and easier your
work gets done. That saves
you both *time and money!*
You start making this double
saving when you put husky Phillips 66
tires to work on your tractor. Their
open Center Flex-Action Tread grips
firmly and cleans the tires as they roll.
Phillips' deep, tapered "Pyramid-Type"
bars won't pull off or loosen. They're
paired for steady, continuous pull.
Result: Fast, easy field work. *Get ahead
with Phillips!*

FRONT TRACTOR TIRE
In the field or on the road Phillips 66 front tractor
tires steer easily and wear long. Reason? High
center rib. Double side ribs help them hug the
furrow and aid in pulling out of it.

IMPLEMENT TIRE
Cushions equipment, load, and operator. Thick
tread gives long service. Deep-grooved ribs fight
slippage, let implements roll easily. *You save time
and fuel!* Ideal for all free-rolling wheels.

I got Conoco's **NEW 1-2-3**
**"50,000 Miles
No Wear"
Service!**

CONOCO's great new "50,000 Miles—No Wear"
Service will help your engine perform bet-
ter, last longer, use less gasoline and oil! And
here's proof:

This is exactly the *same* service that kept test
cars new in Conoco's spectacular "50,000 Miles
—No Wear" road test!

In that famous 50,000-mile test, with 1,000-
mile drains and proper filter service, test car
engines showed no wear of any consequence; in
fact, an average of less than one one-thousandth
inch on cylinders and crankshafts. Gasoline
mileage for the last 5,000 miles was actually
99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000
Miles—No Wear" Service, at your Conoco
Mileage Merchant's, today!

Here's the Famous "50,000 Miles—No Wear" Service!

- 1 Your Conoco Mileage Merchant Will Drain Out Grit and Sludge, preferably while engine is hot! "Hot-oil" drains every 1,000 miles flush out grit, dirt, acid and contamination—leave your engine sparkling clean!
- 2 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record mileage. Every time hood is lifted, he'll check mileage to be sure filters have been serviced at proper intervals.
- 3 He'll refill with great Conoco Super Motor Oil! Conoco Super is fortified with additives that curb dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—OIL-PLATE against wear.
