

THE TRIBUNE'S EDITORIAL COMMENT

Butane Dealers' Contributions Have Been Noteworthy

First of all, these remarks are not intended to be a "swan song" for the butane business, even though the impending expansion of gas lines is aimed at the heart of their trade territory.

The butane-propane business is just as sound as any other part of our county economy now, and will be at this same time next year, we predict. There are several reasons to cling to this conviction, and any one of them could be regarded as substantial.

First and foremost, it is becoming increasingly evident that we have not developed anywhere near the potential maximum of our underground irrigation areas. More and more paying wells are being brought in farther and farther away from retail centers.

Because of the investment required, gas companies cannot hope to compete with the butane industry for flexibility needed to service these outlying areas. New customers are going on the LP men's books every day.

Secondly, there is an infinite variety of uses for which butane and propane are highly adapted as a fuel. There won't be any pipelines running to tractors in the field, and canned LP is going to retain its predominance in the rural home for many years.

The fuel used for heating, cooking, and refrigeration units on the farm is not about to be supplanted with natural gas. Butane is still a very good buy for the farm owner as far as household use is concerned, and he knows it.

In addition, there is the matter of the type business relations that will be maintained on a "company" level and an individual businessman's level.

Farmers aren't expecting and won't get much service with their natural gas installations. Service will be up to them to procure. This is not true in the butane and propane industry, where independent businessmen, spurred on by competition, have bent over backwards to help the farmer remove rather technical carburetion difficulties.

And lastly, something that perhaps would not even be a consideration, but definitely is at the present time, also deals with business policies.

Butane retailers have time and again borne the brunt of operating costs for the irrigation farmer, who had tied up every penny of capital he could scrape together for his investment in the well, seed, and a hundred other items related to the farm.

In fact, some of the farmers who it looks as though will soon be hooking on to a natural gas line with their irrigation well are going to miss the convenience of "riding" their fuel supplier's books more than they will be able to appreciate the saving involved in pumping economy achieved through a less expensive fuel.

It all comes out in the wash, as they say, and as indifferent observers, we are happy to report that the matter looks as though it's going to work out all right. Some adjustments are going to be made, it is apparent, but by hurdling these changes our local businessmen, who have made tangible contributions to our lives with their civic work, and their payroll, will manage to stay right where they are—and keep on rendering the good service with which they have already identified themselves.

Administration May Be Losing Its Realistic Approach

It seems to us as though it was Franklin D. Roosevelt who once said, "Oh, why worry about the national debt? After all, we owe it to ourselves." Such flippant disregard for the nation's bookkeeping had adverse effects, apparently, for since the time his remark was made (when the debt was about \$50 billion), our red figures have multiplied five times over.

Well, if a president of the United States tells us to quit worrying about how much we owe ourselves, should we take his word at face value, or investigate the matter a little more thoroughly?

The Republican administration which upset the then-considered liberal Democratic reign in 1952, started out by indicating it was most sincerely concerned with the matter of such a tremendous fiscal responsibility for every man, woman, and child.

What has happened, though? Every nationally-circulated magazine we have been able to get hold of in recent weeks has been reporting on a growing trend for the GOPers to act sort of hush-hush about how much we are in the hole. Some of them are even repeating the old Roosevelt line of care-free abandon about such a vital situation.

Now the administration wants permission to push us into debt another notch, asking for a raise on the national debt ceiling of from \$275 billion to \$300 billion. When listening to some of the soothing sounds coming from some of our high-up government officials, we might be led to believe that there is no real danger in letting the debt "ride" until it's more convenient to pay off.

There are a few public servants in congress, however, and thank goodness, who don't fall for such soft-soaping. Our own representative, Walter Rogers, wrote a few words on the subject this week. Among other things, he pointed out that the American taxpayer is now saddled with the task of not retiring, but simply SUSTAINING this huge sum, and that interest alone is currently running about \$175,000,000 each day. Think of it! That's a whole dollar out of the pocket every day of every man, woman and child in the United States!

As for you, we don't know, but the writer would enjoy keeping that George Washington in his jeans. We're 100 per cent for the reduction and elimination of the national debt, even if it means curtailment of every government service short of keeping up our military strength.

Apply Common Sense To Your Hospital's Problem

Regardless of whether you have made it a regular practice to visit the Parmer County Community Hospital in Friona when in need of medical attention, you should consider seriously the merits of supporting the institution's plan for expansion.

Every citizen who is a resident of Parmer County receives either direct or indirect benefits from the hospital at the present time, and as progress marches on, his benefits from it may logically be expected to increase substantially.

For one thing, there is no better-staffed hospital (considering its size) in the Southwest. The highest standard of service attainable has been reached; only the limitations of the physical property stand in the way of further progress.

Just how much it is worth to an individual to know that competent medical attention is available near at hand at all times is a matter that would be difficult to calculate in terms of dollars and cents. It is impossible to measure safeguards to human life by the dollar sign.

You will almost surely be asked to support this fine humanitarian project within the next few days or weeks. A common sense approach to the problem we think will leave only one alternative, and that one a hearty endorsement of the plans for expansion.

No Explanation Available For Running Streams at Matador

Of an origin difficult to explain are several small streams off down in Motley County, just below the Caprock in the "foothill" country. For many years now, these small streams were little more than beds of gravel and sand with an occasional puddle. What could be regarded as a "flow" has not been seen (except shortly after brief rainstorms) for several years.

These small streams were thought to originate in fissures near the High Plains escarpment called the Caprock. Their water was thought to be coming from the ogalala sands that supply this great irrigation empire of which Parmer County is a part.

For this reason, many farmers below the cap have been antagonistic toward our deep-well irrigation development up here believing that we were taking water that was on its way to them. There were substantial arguments in favor of this theory.

But last week in the Matador Tribune, Douglas Meador, an outstanding newspaperman in Texas, reported that "Motley County's usually 'dry' rivers are flowing."

This leaves some opponents of our irrigation development without a leg to stand on, because they were mystified with the phenomenon of the flowing "dry" rivers.

This comes as good news to us on the High Plains, who still hold some hope that the gloomy long-range forecast of hydrologists will somehow be a tremendous error in judgment.

High School Seniors Sell Magazines Now

The senior class of Farwell is beginning a magazine subscription campaign as a fund raising activity, it has been announced. Prices of the magazines are the same as on other lists and the seniors retain a commission.

Most outstanding magazines are included on the senior list. "The class is not asking for donations, but feels that patrons who wish to renew or subscribe for a magazine would help the seniors, knowing that part of the money stays in Farwell," a spokesman says.

Mr. and Mrs. Joe Helton and Hal Ed attended the West Texas State and Arizona basketball game in Plainview Saturday night.

Duane E. Martin Is With Wolfraiders

Marine Pfc. Duane E. Martin of Farwell, is serving with the "Wolfraiders" attack-bomber squadron of Marine Aircraft Group 12, located at an air base of the 1st Marine Aircraft Wing in Korea.

Before the signing of the truce, members of the "Wolfraiders" contributed substantially to the record amount of bombs dropped on enemy targets by Group 12.

Flying their Douglas "Skyraiders," pilots of the squadron set an all-time Marine record for single-engine aircraft by dropping 154 tons of bombs in one day.

TRIES 33 CASES

Thirty-three cases were tried in J. P. Court in Texico in January, Sam Lewis reports. Cases are: violation of SCC laws, 21; overloads, 10; evasion of the port of entry, 1; and overlength, 1. Lewis reminds all citizens to carry drivers licenses at all times, as required by law. He says that four citizens have been fined recently for this violation.

TO MEET MONDAY

Farwell FFA officers meet Monday night for a routine business session, Robert "Prof." Morton, says. Among topics for discussion will be the annual father-son barbecue.

Students See Typing Champion

Texico commercial classes went to Clovis Monday, to see Grace Phelan who demonstrated her speed and accuracy on a Royal electric typewriter.

Miss Phelan is widely respected in educational and typing circles as a top instructor and performer, Miss Phelan has hit the amazing speed of 133 words per minute for thirty minutes, a record which shattered her own previous record of 129 words per minute.

A native Pennsylvanian, Miss Phelan has been winning championships ever since she became State Champion as a high school freshman. Her typing prowess helped her earn her way through Duquesne University, from which she was graduated cum laude. It was at the New York World's Fair that Miss Phelan established a world's amateur record for speed and accuracy.

She is also an experienced typing teacher, as well as a speed typist, an exhibition of her skill proves a highly worthwhile treat for her audiences.

Students going were Roxie Henson, Paul Crooks, Bobby Richardson, Naomi Hapke, Shirley Stover, Shirley Doshier, Catherine Bell, Aloma Palmateer, Jimmy L. Moss, Jimmy D. Moss, Allen Lockhart, Kenneth Reid, Darrell Smith, Phyllis Tucker, and sponsor Mrs. Agrie Jones.

Junior Play Cast Released

Cast for the junior play, "M'liss," was released Friday by Mrs. Jimmie Allman and C. B. Stockton, co-sponsors of the group. The play will be presented March 19.

The play, "M'liss (My Western Miss)" is a new and up-to-date version of the famous old story by the immortal Bret Harte. The play has thrilled thousands of theatre goers and has been made into a moving picture on several dif-

ferent occasions with tremendous success.

"M'liss is a great play filled with comedy and tense, thrilling dramatic situations. 'This is undoubtedly one of Bret Harte's greatest stories, including the famous 'Salomy Jane'. It will please everyone," a spokesman says.

Characters for the play are as follows: Mrs. Lena Moffits, who "rules the roost," which is her hotel, the "Roarin' Dog," is played by Bobby Richardson; Yuba Bill, a tall lanky, slow-moving and talking westerner, played by Jerry Johnson; Carter Langdon, a tall, polished suave, handsome man in his late thirties, played by Allen Lockhart; George Smith, known as "Bummer," played by Rex Harris; Clara Hunting, a handsome, cultured, charming woman played by Naomi Hapke;

Clytie Moffits, a simple, meek, timid, soft-spoken little country girl, played by Wanda Smith; John Grey, a good-looking chap in his early twenties, played by Jimmie Don Moss; Bess Starlight, a tall good-looking young woman, of the "actressy" type, played by Shirley Stover; and Judge McSnaggley, a big, hearty, kindly judge, played by Marvin Pendergrass; M'liss Smith, a cute, lovable, mischievous little tomboy of about eighteen, played by Patricia Morgan.

Third Graders Enjoy Valentines

Third grade boys and girls wish to thank Mrs. Murray White and Mrs. Joe Helton for a most enjoyable Valentine party. A number of games were played by the group, then Mrs. White read riddles to the children. After guessing the riddles, each child opened his valentine box and looked at his many pretty valentines. The room mothers and teachers also received many pretty valentines. Refreshments of beautifully decorated cup cakes, Eskimo pies, and valentine candies were served to the third graders and two visitors, Marsha Palmateer and Myrle Arnold.

Baseball is the favorite game now! The boys have organized two teams and the girls two teams. Each week new captains choose their teams. The boys are really playing some good games and the girls are learning fast.

The third graders are really enjoying their science work. Because of a shortage of books, they are working two to a book, but they feel it is worth it. So many questions they have wondered about are answered for them in their science books.

Edward Deana Smith has enrolled in the third grade. She was in Texico School last year, but moved away. Her friends are happy to have her back with them.

David Seal, Frances Phillips, Jean Clayton, Rupert Johnson, and Rosie Arnold have been absent from school because of illness.

The boys and girls enjoyed helping Lynn Doshier celebrate his eighth birthday the eleventh of this month. Lynn's mother invited the group to the school lunch room. They sang, "Happy Birthday" to Lynn, then watched as he opened his many gifts. Refreshments of ice cream, cake, and bubble gum were served. Balloons were given for favors. Many happy returns of the day, Lynn.

Fifth Grader Receives Honor

Fifth graders have just finished an interesting reading contest with Patricia Patterson receiving the honor of having read the most books for the period. She received a Texico charm bracelet for winning the contest.

Two prizes will be awarded during the next period, one going to the girl who reads the most library books and one to the boy reading the greatest number.

Glendon Moss, winner in the Junior Spelling Bee division, will receive a trip to Amarillo, February 27, to the Regional Spelling Bee.

Koleta Doshier is the new pupil in the fifth grade. "The class is glad to have Koleta," says Mrs. N. W. Peyton, teacher.

The fifth grade students were entertained with a valentine party Friday. Mrs. Glenn Singletary and Mrs. John Adams, room mothers, were present. Other mothers helping with the party, but unable to attend were Mrs. R. A. Stover, Mrs. L. J. Spears, Mrs. Jim Moss, and Mrs. R. S. Servatius. Games were played, valentines exchanged, and refreshments of cookies, pop, and candy were served. Favors were bubble gum, and stick candy.

Fourth Grade Celebrates Valentine

Fourth grade was entertained with a Valentine party Friday, February 12. Many beautiful valentines were exchanged. Games were played, and refreshments of Cheriots were served. The class thanks the room mothers for a nice party.

Visitors in the fourth grade room Friday were Lena Mae Brown, Glen Powers, Jerry Martin, Wesley Raulie, Shirley Wall, Judy Burford, J. C. Jenkins, Billy Curtis, Belda Moore, Murriel Arnold, Larry Faust, Mrs. Alma Hendrix, Mrs. W. W. Raulie, Mrs. A. E. Hapke, Mrs. Charlie Shaw, Mrs. Levi Reid, Mrs. Perry Crowley, and Mrs. Barney Kelley.

Members of the class welcome a new student, Carmelita Doshier, daughter of Mr. and Mrs. Frank Doshier.

Joyce Moore is absent this week because of a broken arm. It is hoped that she will soon be able to come to school.

HORSE SHOW PRESENTED

Tuesday afternoon the students of Texico were entertained by "Booger" Mullins and his trick horse, Dimples. First the horse made a bow to the audience, then it stood on a Coke box with all four feet. After that the horse performed several tricks as: rolling a barrel, standing on a barrel with front feet, rolling over and laying on his back, sitting down, fighting with his master and bucking with his master. He also laid down for his master to get on when he was hurt. The show was enjoyed by everyone.

Lanny Doshier Enters First Grade

Lanny Doshier, from Farwell, entered the Texico schools February 4.

Members of the class are very sorry to lose Kathy Wallace who has moved to Ponta, Texas.

The first grade pupils held their annual valentine party, Friday 12, Lincoln's birthday. Mrs. Burris made small valentine cakes for each student with a pop as the drink. On each cake was a candle for the celebration of Wanda Raye Burris's seventh birthday.

After the party, Mrs. Homerlane Shaw told the story of an interesting incident in Lincoln's life.

A game of hat relay was played and Mrs. Pruitt constructed the valentine box.

Room mothers were Mesdames A. B. Bell, Homer Shaw, R. H. Pruitt, and Roscoe Burris.

Students Named To Honor Roll

Making the honor roll this six weeks were twenty-five students who maintained a B plus average. They are freshman: Alex Brown, Barbara Caldwell, Betty Crawley, Carolyn Curd, Mikala Faville, J. C. Kelly, Susan Levins, Dick Lockhart, and Verlene Thigpen.

Juniors were Allen Lockhart, Pat Morgan, Kenneth Reid, and Bobby Richardson.

Sophomores were Sue Doolittle, and Anita Tharp.

Seniors making the honor roll were Roxie Henson and Phyllis Tucker.

Francis Harriman, David Lockhart, Anita Moss, and Monte Singletary were from the seventh grade.

Eighth grade students were Karen Brehem, Geneva Harriman, Jerry King, and Bobby Patterson.

Eleven 6th Graders Didn't Miss A Day

Eleven students in the sixth grade have perfect attendance for this six weeks. They are Betty Walton, Connie Tharp, Jean Runnels, Gale Hadley, Richard and Priscilla Pichardo, Harbo Jean Walls, Phyllis Kelley, Glendon Harvey, Don Johnson, and Mary McDaniel.

"The members of the sixth grade enjoyed the valentine party given by room mothers, Mrs. B. A. Kelly, Mrs. Stanley Stewart, Mrs. Clyde McDaniel, and Mrs. Ray Tharp, recently," says Mrs. B. A. Rogers, teacher. Refreshments of cake and pop were served to the class and guests.

Schoolmasters Meet At Center

Thursday night the regular Schoolmasters' banquet was held at Center. One of the points of business discussed was the amount of money that should be withheld from the County Basketball Tournament for the track and volleyball trophies.

After the meeting, part of the group went into Clovis to see Lincoln Jackson and Grady play in a basketball game, while, a few remained at Center to play "42".

A delicious meal of ham and all the trimmings was served to the group by Mrs. B. D. Younger.

Reid Is High Point Against Rogers

Sue Reid, sophomore, was credited with a total of 13 points during the last basketball game of the season held in the Texico gym Friday night against Rogers.

Phyllis Tucker and Barbara Caldwell were close behind Reid with 12 and 11 points respectively.

The girls performing nicely at the guard position were Nadine Thornton, Roxie Henson, and Joyce Gillean.

Texico outblasted Rogers from the beginning to end with a 19 point lead at the finish. The final score was 49-30.

FILL-INS BY PHYLLIS

Basketball is almost ended so let's all go to the District Tournament in Portales this weekend and support our boys.

"Oh's" and "ah's" were heard when a handsome young ring salesman met with the junior class. One girl was really pleased when he showed her aside while showing the class a group of rings.

A few girls played their last basketball game for dear old THS Friday night. They are Roxie Henson, Phyllis Tucker, and Aloma Palmateer.

Another six weeks of school is gone leaving us only twelve weeks of school. So students you had better get in there and really study.

The typing department has received a new electric typewriter and all students are really anxious to try it out.

See you next week with more Fill-ins.

SENIOR PERSONALITY

A blonde, curly-haired, blue-eyed boy was chosen as Senior Personality this week.

His favorite pastime is taxidermy, but he plans to go to ENMU and study to become a veterinarian when he graduates from high school.

He is enrolled in journalism, band, world history, biology, chorus, and ag.

His favorite subject is world history. He occupies the position of sentinal in ag.

He is active in all kinds of sports being on the baseball and basketball teams. Another of his accomplishments was in taking first in javelin throw in the district track meet last spring.

His favorite car is a ford while red is his favorite color.

This seventeen year old lad is J. B. Taylor, son of Mr. and Mrs. J. B. Taylor of Texico.

Al Garten Speaks To Texico Seniors

Al Garten, athletic director of ENMU, spoke to the seniors of Texico Tuesday morning. He talked to students on the advantages and educational values to those who attend college.

Some students took cards and filled in their names and addresses. He will contact or visit in their homes this summer to discuss further college problems with them.

BREAKFAST SERVED

Freshman foods class cooked their second breakfast Friday morning under the direction of teacher, Mrs. Jimmie Allman.

The menu consisted of toasted do-nuts with bananas as the appetizer, scrambled eggs and bacon, toast and milk.

Girls participating were Susan Levins, who acted as host, Barbara Caldwell, hostess, and Mikala Faville, waitress. Others enjoying the meal were Betty Crawley, Carolyn Curd, Georgia Moore

TEXICO 4-H MEETING HELD

There was a 4-H meeting held Tuesday February 23rd.

It was called to order by the president Joyce Gillean. The minutes of this meeting were omitted.

New business was a discussion on spreading 4-H stickers and posters for the National 4-H week. A committee was appointed: Joyce Gillean, Sandra Hall, Gloria Johnson, and Lynell Lovett.

They enjoyed demonstrations which were given by Miss Zola Watkins and Mrs. James Gillean.

Miss Walkins gave a demonstration on biscuit baking. The demonstration proved very much successful and interesting to all the girls.

Mrs. Gillean gave a demonstration on the different kinds of sewing stitches. The ones who joined in this said it was very interesting also.

There were 31 present.

TEXICO FALLS TO GRADY

During the Curry County basketball tournament held recently, the Junior High boys were defeated in their first game by Grady, 45-40.

Grady was in the lead all during the game.

Joe Glaze, J. C. Kelley, and Weldon Bell were outstanding players throughout the game.

J. Edgar Hoover's first name is John.

and Sue Stover. These girls used the compromise style of table service in serving their meal.

Each girl in the class composed a menu, and these were then voted on, to select the best meal. Betty Crawley's menu was chosen to be prepared. The meal was served on lime-green mats with a centerpiece of ivy, in the home economics food department.

EDITORIAL IN APPRECIATION

By Patricia Morgan

As the close of the basketball season draws near, we wish to take this opportunity to congratulate our ball teams. They have played some fine games, and have made us proud of them.

One outstanding thing about our teams this year has been the good sportsmanship which has been evident at all games. Both boys and girls have displayed this sportsmanship not only as a team, but each individual has done his part by being a good sport. That is one of the things which really goes to make up a good team.

Another of the traits which we believe has made our teams what they are is the teamwork which has been shown. A feeling of comradeship has helped the team, with no one trying to gain all the honors. They did not feel that every game had to be won, but that they should just do their best.

Several of the players on our teams are seniors, and have played, or will soon play, their last games for T. H. S. To them, we want to say how much the fine sportsmanship and playing has been appreciated, and to wish them luck in the future.

The coaches deserve a lot of credit for the teams this year. They've worked patiently in trying to help students gain better co-ordination and sportsmanship in playing the game.

All in all, we can say that we've had a good basketball season. We've not won all games, but each individual has done his best, and we think Texico has a fine bunch of players on each of the basketball teams.

Copper and tin properly combined make bronze.

WHAT'S THE DIFFERENCE BETWEEN CIRCULATION AND READERSHIP?

There is a difference as vast as the contrast of night and day in the meaning of these two words: circulation and readership.

CIRCULATION, when speaking of newspapers, is a word used to describe the number of copies printed and placed into the mails each regular edition.

READERSHIP, by contrast, is something a good deal more intangible. The two words have relationships, but are in no wise synonymous. The Tribune, for instance, maintains a subscription list that is absolutely up-to-date. If a person quits sending in money to cover the cost of his subscription, he ceases to be mailed a paper. The fact that the 1300 subscribers of The Tribune are willing to PAY for their paper means they WANT it and will READ it.

CIRCULATION, without READERSHIP, means nothing.

NOTES

From the Parmer County SCD

By STEVE BAVOUCSETT

Friday morning brought back memories of the 1934-35 era. According to the weather man, that was the first old black dust storm since 1937.

I was down by the S. L. Shelly farm Thursday. My old Dodge decided to quit running right in front of his house, so I had to walk up in the field where Mr. Shelly was doing a pretty job of breaking with his two-way moldboard.

Mr. Shelly is the only person in Parmer County that we know about that has elected to take advantage of the ACP payment for establishing crop rotation. He is planning to use either vetch or Austrian winter peas to help increase the organic matter in his soils.

We have just laid out 18 acres of bench levelling on the Roy Euler farm. Even though Mr. Euler's farm is pretty flat, he feels that bench-levelling has some advantages. It will help him get uni-

form water distribution plus hold all of the rain exactly where it falls. After the levelling job, Mr. Euler feels that the soil will need conditioning. At the present time, he plans to plant this block to clover for soil conditioning and improvement.

You should hear C. L. Murray who lives across the draw south of Hub, tell about the effects of vetch on crop production. He planted 20 acres on his place near Lubbock and was well satisfied with the results.

Concrete pipe is increasing in popularity. We have laid six lines this last week on the following places: Elmer Euler, Gordon Duncan, Raymond Magee, R. C. Goede, Owen Seamon, and E. L. Fairchild.

WOLVERINES LOSE TO FLOYD

Texico's Wolverines lost a 63-37 decision to the Floyd Bronchos in the first round of the District 6B basketball tournament last night (Wednesday) in Portales. The loss eliminates Texico from any further competition, thus closing out the season for the Wolverines.

Johnnie Anderson of Bovina was Saturday nights guest of his grandparents, the G. D. Andersons.

Annual Meeting Set for Cooperative

A meeting of the board of directors held February 9, set the annual meeting date of the West Texas Rural Telephone Cooperative on April 3. This first meeting of the members of the cooperative will be held at 1:30 p. m. in the district courtroom of the Deaf Smith County courthouse in Hereford.

The board of directors appointed the following as a nominating committee to select a slate of nominees for election as directors: Walter Galley, Pete L. Carmichael, Howard Ellison, John Bengler, John Kalka, Posey Cunningham, and F. E. Kepley. This committee met on February 16, and nominated the following:

- DAWN—C. L. McBroom, E. L. McGee; FRIO—W. A. Springer, W. P. Axe; WESTWAY—J. C. Morrison, Maurice Tannahill; PARMER—Floyd Schlenker, Nelson Welch; HUB—Claud Miller, E. L. Fairchaid; THARP—Vernon Estes, Robert E. Wilson; OKLAHOMA LANE—Harold Carpenter, Charles A. Felts.

Seven directors (one from each exchange) are to be elected. In addition to the above nominees, any fifteen or more members acting together may make other nominations by petition not less than 20 days prior to the meeting date.

All such petitions must be posted with the secretary of the board of directors of the cooperative in Hereford. The secretary of the board will mail a meeting notice together with a list of nominees to all members of the cooperative at least ten days before the meeting date. Additional nominations may be made from the floor of the meeting, however, no one member may nominate more than

one candidate.

For voting purposes, a member is defined in the by-laws as a person holding a \$50 membership. A joint membership may be held by husband and wife. In this case only one vote may be cast by the holders of the joint membership.

The order of business for this, the first annual meeting of the cooperative, is as follows:

- 1.—Report on the number of members present in person in order to determine the existence of a quorum.
- 2.—Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver of notices on the meeting, as the case may be.
- 3.—Presentation and consideration of reports of officers, trustee, and committees.
- 4.—Election of trustees.
- 5.—New business.
- 6.—Adjournment.

Jerry Henson Has Third Place Calf

A 4-H calf belonging to Jerry Henson placed third in the light weight calf division in the Hereford Livestock show the past weekend. Joe Jones, county agent, reports that Jerry plans to enter the calf in the county show and in the Lubbock show the last part of March. Both 4-H and FFA boys from this area were in Hereford for the livestock judging.

From Farwell FFA were: Lee Dennis Jesko, who took a light-weight calf; Gerald Hardage, Harvey Lesley, Troy Christian, Larry Cooper, Clive Huggins, Wayne Morris and James Roberts, showing crossbred lambs. Among 4-H boys who took lambs to the show were Benjie Dial, Charles Roberts, and Jimmy Hardage, and Richard Chitwood of Lazbuddie; Donald and Jerry Barron of Bovina; and Larry and Wayne Jesko of Farwell took calves.

The county show is planned for March 13 and boys will go to Lubbock March 15-17 to show some of the animals.

Irrigation Day Is This Afternoon

Phil Trew, soil scientist of Plainview, will be the first speaker this afternoon (Thursday) for the irrigation and soil fertility day to be held at Bovina American Legion Hall at 1 o'clock. The day is sponsored by Extension Service and Soil Conservation District.

Other speakers are Jay Boston, Castro County farmer, who will begin his talk on "Wheat and Grain Sorghum Production Under Irrigation and Fertilization" at 1:40; Bob Thurmond, Extension Service irrigation engineer of Lubbock, talking about "Irrigation Methods and Underground Water Resources," at 2:20.

At 3 o'clock, Norris P. Swanson, irrigation engineer, soil and water conservation research branch of USDA in Amarillo, will discuss "Timely Irrigation of Crops." At 3:40, Steve Bavousett, Parmer County Work Unit conservationist will tell attendants about local farming practices of interest.

Highlights and Sidelights FROM YOUR State CAPITOL

Austin—March 15, is tax time in Texas in more ways than one. House leaders agreed with him. It's Federal income-tax-paying-time. And it marks the opening of a specially called tax assessing session of the Texas legislature—to raise the pay of teachers.

Members of the legislature will assemble at noon on March 15 for the beginning of what may prove to be a stormy session. Stormy because there are repercussions any time you assess a tax.

Most everyone seems to feel that Texas teachers merit a salary raise—so long as somebody pays for it.

The legislators' job is to put the finger on somebody to foot the bill. That's when the fighting will start.

It will take about \$24 million per year to up the teachers' pay by \$402.

Governor Allan Shivers said, in calling the special session, that he would recommend, "replacement" tax. By that he meant that he would suggest a revenue bill to take the place of one, passed by the last legislature, that was ruled out by the US Supreme Court. It was a gathering tax on gas.

Attorney General John Ben Sheppard prepared three bills that would bring in about \$36 million per year from the natural gas industry.

House Speaker Reuben Senterfitt warned that it will not be easy

to pass the tax bills—and some House leaders agreed with him.

Speaking to the legislative council and legislative budget board, Senterfitt said Shivers had put the lawmakers on the spot by calling the session.

"You and I have no choice in the subject matter before us," Senterfitt said. "That responsibility rests upon the governor, and you and I can only do our best at the job that is handed us."

As if the teacher pay headache were not enough, the governor had two other propositions to place before the Legislature: providing more funds for building programs at Southwestern Medical Branch at Dallas, the Dental College at Houston, and Texas School for Deaf, Austin; and to set penalties, including death, for Communists.

Absent from the session will be Representative H. A. (Salty) Hull of Fort Worth, who died after a long illness. A leader in the House, Hull's sharp wit often served to quiet turbulent debate. He was serving his seventh term as a legislator, had been known as an able committee chairman, and last summer was named to the Texas Commission on Higher Education.

San Diego prepared for the lid to blow off of the controversy between George Parr and state and

federal authorities. Attorney General John Ben Sheppard said that he and his agents "found what we wanted to find in an investigation of Duval County records."

From those records he took three envelopes of material, which he held for evidence.

Parr said he did not know what was in the envelopes, but that he is ready to answer any charges that may be brought against him.

State and federal investigators inquired particularly as to the expenditure of public funds in Duval County and its two school districts.

Also probing was Duval County grand jury, dismissal of which was sought by Shepperd on the grounds, he said, that Parr can tell seven members what to do because they were obligated to him.

Parr, meanwhile, asked a federal court for protection, alleging that two Texas Rangers want to kill him.

Sheppard quickly announced that he would defend the Rangers, Captain Alfred Allee and Ranger Joe Bridge, who have been indicted by a Jim Wells County grand jury on charges of assault to murder Parr.

Parr has hired a famed New York lawyer, Arthur G. Hays, to represent him.

A courthouse brawl was the basis for the indictment; also a conversation between Parr and Allee in San Diego.

Seething developments brought a temporary order issued by Federal Judge Ben Connolly of Houston, restraining two banks from removing their records.

Involved are the San Diego State Bank and the State Bank of Alice. Parr is president of both of them. The order was issued at the request of internal revenue

agents. And State Auditor C. H. Caveness said he found "irregularities in practices, procedures, and items" in the records of Duval County and the San Diego Independent School District.

A case that was related to the Duval County turmoil proceeded in the Texas Supreme Court.

Involved is District Judge C. Woodrow Laughlin of Alice, elected with Parr's support.

Ouster proceedings against Laughlin were brought by 10 attorneys practicing in his district.

Clint Small of Austin, counsel of Laughlin, told the supreme court in a written brief that the proceedings violate the Fourteenth Amendment of the Federal Constitution, which guarantees civil liberties and due process of law. Small contended that the case should be dismissed.

Oral arguments had previously been heard, and the court gave attorneys time to reply.

Small's contention was considered an indication that if the Texas court rules against Laughlin, the case will be appealed to the US Supreme Court.

New laws are needed to protect Texans against insurance evils, says District Judge Charles O. Betts of Austin.

His comment was made in granting a temporary injunction against continued operation of two El Paso companies, United World Life Insurance Company, and United Lloyds Insurance Exchange.

"The public is suffering by reason of the fact that so many companies already are in receivership," Judge Betts said, adding:

"Under various special laws, the public is not properly protected. The insurance commission has no way of maintaining the proper

protection." Quick to agree with the judge was Garland A. Smith, chairman of the State Board of Insurance Commissioners.

Smith blamed some banks for promotion schemes.

"As presently written, the laws encourage speculation in which the insured and not the organizers undergo the risks," Smith said.

Secretary of State Howard Carney also is advocating changes in the laws. His department supervises most insurance stock sales, and he points out that no state agency inspects the securities which insurance companies offer to the public, unless the company voluntarily submits its stock issue for examination.

Cemetery Association Takes in About \$185

Texico Cemetery Association took in about \$185 Saturday, when they served a chicken dinner at the Furniture Mart to gain funds for upkeep of the cemetery, Jim Bob Smart, secretary of the association, says.

Smart expressed appreciation to everyone who helped to make the dinner possible, and to the patrons who attended. The association hopes to purchase three acres of additional land for the cemetery, and some money was pledged to be used for this purpose. The land will be surveyed and divided into lots, and any further donations for the project will be appreciated, Smart adds.

KEEP YOUR CAR IN GOOD REPAIR

Announcement

The Texas Highway Registration laws concerning Motor vehicle have been somewhat revised and now require that everyone purchase their registration plates in the county in which they reside. The percentage of Parmer County residents registering cars in other Counties has been very low, in the past. Parmer County (since it has a population of under 10,000) retains the first \$50,000 from motor vehicle registrations. 50% of all over \$50,000 is remitted to the State of Texas Highway Department.

1954 Motor Vehicle plates are now on sale at this office and may also be obtained at the following places and the days designated, in the month of March.

Every Friday in March at the City Hall in Bovina, 9 A. M. to 5 P. M. Every Saturday in March at the City Hall in Friona, 9 A. M. to 5 P. M. Monday, March 15 at Lazbuddie Store, Lazbuddie, Texas, 9 A. M. to 5 P. M. Monday, March 22 at Black Store, Black, Texas, 9 A. M. to 5 P. M. We are prepared to handle any registration by mail in case this form of purchase is desired. We will need the certificate of Title and the 1953 registration receipt to register any Motor vehicle. It is not necessary to have your inspection receipt.

When purchasing 1954 plates you can render your 1954 personal and real property for taxation and secure a Homestead exemption on your real property on state tax. The statutes allows an exemption on your Homestead on State tax only.

As in the past we will be open on Saturday afternoons in the month of March to register cars and trucks.

Texico Trips Forrest To Win Tourney 39-24

The Texico Junior High basketball girls were victorious over Forrest Junior High girls Saturday afternoon in the final Championship game played in the Junior High gym at Clovis.

The Forrest girls gave Texico girls a scare as the first quarter was tied 8-8. Texico then pulled ahead in the remaining 18 minutes as Barbara Caldwell presented Texico with outstanding overall floor play and a total of 16 points.

Texico moved by Forrest 15 points to take first place with the score ending at 39-24.

Preliminary games were also played Thursday against Ranchvale with Texico walking off with the honors 29-21. Friday they played Grady and again won by a score of 37-24.

Texico Annual Staff Honors Bradshaws

The annual staff had a skating party recently at the Hillcrest Roller Rink in Clovis.

The staff met at the home of Mrs. Fred Danforth, sponsor of the group.

Refreshments were cake and ice cream. These were served to Mr. and Mrs. Fred Danforth, D' Rene, Hap Rogers, Pat Morgan, W. T. Watson, Jerry and Madge Bradshaw, Darrel Harris, Catherine Bell and Aloma Palmateer.

Members of the staff presented Jerry and Madge with a canister set. A cake plate was given by Patricia Morgan and an apron by Mrs. Danforth.

Wolverines Playing In Tournament

The Wolverines lost a game to Rogers in the class B circuit 50-54 and one to Portales in the class A division 65-37 this past week.

The next event on schedule for them is the district tournament held in Portales beginning Tuesday.

The Wolverines are in good condition according to Coach Stockton. It is hoped that they will be in there fighting and winning their share of the games right up to the finish on Saturday night.

BRICKBATS AND BOUQUETS

Bouquets to junior high basketball girls for winning first in the Curry County tournament last week.

Brickbats to students who play hooky.

Bouquets to Bobby Patterson and Glendon Moss for winning first in the County Spelling Bee.

Brickbats to students throwing paper on the floor for the teachers to pick up.

Bouquets to the school lunchroom cooks for preparing such nice meals.

Brickbats to the girls who laughed in home economics lowering the grades of the whole class.

Bouquets to the students for studying hard and making the honor roll.

Brickbats to students who damage other peoples' clothing.

Bouquets to the teachers for their wonderful patience with thoughtless students.

Pleasant Hill Team Winners of Tourney

The fourth annual "42" tournament was held at Center with 192 players from Curry county participating.

Pleasant Hill players were the victors. The team included the following: Mason Neely, captain, Harry Donahey, Pearl Singleberry, John Hightower, Tom Burnett, Sherman Horton, Orris Eshleman, C. H. Whitener, Maurice Clark, H. P. Winkles, Bob Hinks and Dewey Pierce.

Ten games were played during the evening. Intermission was held at halftime and lunch was served by the Center ladies.

Governor Meachem attended and gave a short talk to the group.

High point couple for the evening was Charlie Summers and Albert Smith, who played for the Center team.

Texico had two teams entered. Players for the A team were Roy Spears, captain, Leroy Faville, Pete Haines, W. L. Roberts, John Hadley, Perry Owens, B. A. Rogers, J. R. Hadley, Charlie Beiler, Paul Huber, Mooch Crane and Johnnie Lewis.

B team players were Clyde McDaniel, Ed Muckleroy, Levi Reid, Eddie Hudson, Charlie McDaniel, James Gillean, Howard Hudson, Barney Harding and Fred Houston.

Pleasant Hill team was the winner of the tournament cup last year also.

Car Inspections Picking Up Some

Car inspections in Parmer County have picked up some in the past weeks, but the number of vehicles that have been checked still represent only a small number of those in the county. Hardage Hudson in Farwell reports about 200 cars that have been checked in compliance with the safety law, a 100 of which were brought in the past two weeks.

Sikes Motor Co. of Farwell reports 153 cars checked by that company thus far.

About \$95 Taken In on Ball Game

A donkey basketball game, sponsored by the local American Legion and Auxiliary, was very successful, members of the organization reported, with about \$95 of the proceeds retained by the local groups. The proceeds are divided between the two groups.

Local players rode the donkeys, who furnished laughs for the audience by dumping periodically. A mechanical donkey race was also held, and a short girls game was included in the entertainment.

SPEAKS TO SENIORS

Al Garten of ENMU in Portales was here Tuesday morning to speak to Farwell seniors. He discussed the advantages of going to college.

Bouquets to the annual staff for meeting their deadline on the annual copy.

Bouquets to the senior boys basketball team for playing such an outstanding basketball game against Melrose.

Bouquets to the eighth grade for publishing their own paper.

A group of Farmer County Farm Bureau men are making plans to go to Lubbock this weekend to attend a special meeting of the group there. Tentative Farmer attendants will be Aabra Ellison, T. E. Lovette, Bruce Parr, Melvin Sachs, E. T. Ford and Raymond Euler.

WIN OVER FRIONA

Farwell girls' outsiders basketball team played Friona recently, winning the game over their opponents 47-16. Playing on the Farwell team are: Frances Willard, LaVerna Christian, Irene Hardage, Joan Spurlin, Rose Cassidy and Marcia Foster. Bovina defeated the girls 46-41 the past Monday.

Our son could have had a good laugh on his elders last week, had he been old enough to know that the joke was on us. As is his custom, Ronny awakened with hunger pangs, and yelled for someone to give him some attention. So daddy jumped out of bed, warmed his bottle, and handed it to him.

The father of the household then proceeded as usual, jumped into the bathtub, and after a short time, was ready to shave. That is when we, after trying to quiet our young son, who didn't want a bottle after all, happened to glance at our watch.

So we immediately chuckled surprised Ronny back in his bed, and yelled at the husband. He peered around the bathroom door with his face covered with lather, and we cautiously informed him that it was not our usual hour of rising. Our young son had chosen to awaken us at 3:30.

Needless to say, the family went back to bed.

Out of our public schools will come the future leaders of our country. Pay tribute to the schools during the week of March 1 through March 6. That is Public Schools week, and a fine time for Farmer citizens to go back to school for a day.

We hear that John Adams, Texico teacher, was slightly red-faced last week, when during a class session, he reached in his pocket and pulled out a chicken leg bone, much to his surprise.

We aren't sure of all details, but we gleaned a rehash of the story from Rev. Miller Stroup, who is a truthful news source. It seems that at Lions club meeting the night before, Adams was seated at the banquet, and one of the fellow Lions managed to slip the bones into the teacher's pocket. They were well-wrapped, we understand, so he had to take the package from his pockets and unwrap, before the contents were divulged.

We would imagine that Adams will, henceforth, check his pockets after every Lions club meeting.

Leafing through a publicity kit for Brotherhood week, which was Feb. 21-28, we were reading various excerpts and couldn't help thinking of Brotherhood in our own communities, and realize what a priceless privilege we enjoy. Have you ever stopped to consider how many church denominations are found in our area?

We have the Methodist, Baptist, Church of Christ, Pentecostal, and Assembly of God right here in Texico-Farwell, and maybe others. All of these religious groups are represented right side by side. That is the way it should be.

We have full religious freedom, churches with different views stand within short distances of one another, and pastors and members work together for civic causes, as friends.

And the churches have brotherhood within their own ranks. This is particularly evidenced by the Oklahoma Lane Baptists, who are just now realizing something for which they have worked for a long time. They are on the final jobs of their new church building, for which they have donated their labor and money. The women of the church waxed and cleaned and the men utilized their skills with the carpentry and other jobs. First Baptist Church, Farwell, has done the same thing, as have other groups in the area.

Bobby Patterson, son of Mrs. Avis Patterson of Texico, is one of the out-spellingist, spellers you could imagine. In the spelling bee at the school last week, he didn't miss a single word out of 140 in the contest. It might not be quite so noteworthy, but we understand that his opponents misspelled 18 and 20 words, respectively, in the same group of words.

Not only is Bobby an outstanding speller, he is a very young "man of letters". He recently had an essay published in the 1953 Anthology of Essays, published by National Essay association. Most of the essays were written by high school students, and Bobby was one of three in New Mexico whose

WAR CORRESPONDENTS

essay was chosen for the publication. His essay is included below.

Have you ever stopped to think about the real life of a war correspondent? He is an unsung hero, who is one of the bravest of the brave.

Few people know one for what he really is. He goes everywhere with a designated troop, even into enemy territory, undergoing dangers and hardships like any infantry-combat soldier. This courage is voluntary.

One outstanding example of a war correspondent is Ernie Pyle.

He cheered up the soldiers and gave us true facts about the war. He was killed by a Jap bullet in 1945. Harry Truman said this of his death, "No man in this war has so well told the story of the American fighting men. He deserves the gratitude of all his countrymen".

This could be said of all war correspondents. We owe them a debt of gratitude for the work they are performing.

Practically every woman has a favorite recipe that she likes to use, so if any of you women would be so kind, we would appreciate your sending your favorites to Jeanne, State Line Tribune, and they will be published in this column. We are enjoying the recipes we have received so far, and would like to have many more to pass on to our readers.

Little Timmy Crume, offspring of the Kirt Crumes, rushed into Bradshaw Grocery Monday and breathlessly exclaimed, "You know, I didn't know anybody knew it was my birthday, but all the flags are out."

Dorothy Eason and Carrie Hardage were enjoying Timmy's observations, and didn't bother to tell him that another man was born on Feb. 22, many years ago, who became the first president of the United States.

Mrs. Claud Barker of Bovina, and now of Farwell, has a favorite recipe for pea salad. She drains a pound of canned peas, then adds two tablespoons of minced onion, 1/2 cup chopped canned pimento; 1 cup cubed cheese; 2 tablespoons chopped sweet pickles; 1/2 cup of mayonnaise, mixes all the ingredients and chills.

This would be an excellent salad for guests, because it can be prepared early in the day, and served at any time.

We couldn't resist the following short article appearing in the Hamlin Herald.

Running a newspaper is a snap, in case you have never suspected it. Machinery does all the work. You sit in the office and write beautiful prose, and the machinery never breaks down or causes any trouble. Everybody brings in news and advertising copy on time, and it is all carefully written and there are no mistakes in the dates. With literally thousands of names and dates and places and prices and circumstances in a single issue, nobody in the place ever gets anything wrong, even when working under pressure to meet the week's many deadlines. Nothing ever gets left out of the paper by accident. Proof readers are mind readers and can always know what the patron intended whether he wrote it that way or not.

You can always get paper and other supplies whenever you need them, and the firms that sell them never expect prompt payment, which is nice, because everybody you sell to always pays promptly.

You don't get a vacation because you never need one. You never get tired. You spend long evenings at home loafing, and you have time to attend all public gatherings, board meetings, entertainment and social affairs.

People never ask you to keep news out of the paper or to put tripe into it. If on very rare occasions a mistake does get into the paper, the people who call about it always laugh understandingly and say, "That's perfectly all right."

Newspapering is a snap, any way you look at it, and it's time editors told the public how wonderfully simple and easy it is!

WSCS CONDUCTS SERVICE

WSCS of Oklahoma Lane Methodist Church had charge of services Sunday night in the absence of the pastor who was away for a revival series. The pastor is to return Friday. He also is planning to attend the Willis-Denison lectures at McMurray College next week.

Mr. and Mrs. Tommy Morgan of Lubbock have been visiting in the home of his parents, Rev. and Mrs. C. C. Morgan recently.

SPECIAL "PUBLIC SCHOOLS WEEK" EDITION SCHEDULED MONDAY

In conjunction with the observance of the 100th Anniversary of the Texas Public Schools system, The Tribune will issue a special edition devoted exclusively to the occasion next week. In addition to the regular subscription list which will receive the papers, about 1700 extra copies will be distributed to each student in Farmer County Schools.

The edition will contain material pertaining to Texas Public Schools, as well as feature stories, pictures, and historical backgrounds of Texas Schools in general and Bovina, Friona, Lazbuddie, and Farwell Schools in particular.

Advertisers from Bovina, Friona, and Farwell have purchased a large amount of space in the special edition, and their advertising copy will feature pictures of teachers in their community's schools. The edition is scheduled to be published Monday morning, March 1, to coincide with the start of Texas Public Schools Week. It will be an "extra" paper and not interfere with the regular Thursday publishing of The Tribune.

CONSERVATION NEWS BRIEFS BY DICK BARBER

Most important business at the present time for the Central Curry Soil Conservation District is the Supervisors election to be held by mail March 2, 1954. Nominations are being made by the use of nominating petitions which must be signed by at least ten landowners within the District.

Petitions for the following men have been circulated, signed by ten or more landowners and returned to the Supervisor of the District: Luther A. Pearce, Texico, New Mexico; J. L. Coffey, Melrose, New Mexico; O. R. Buchwald, Melrose New Mexico; R. Leon Marks, Clovis, New Mexico; Luther A. Hutchins, Broadview, New Mexico; Ralph Lofton, Bellview, New Mexico; Raymond Worrell, Clovis, New Mexico.

The aforementioned nominees are classified as farm landowners because more than one-half their income has been derived from farming. Only landowners classified as farmers are eligible to vote for these candidates.

These nominees, Olan N. Schlueter, Texico, New Mexico; Wallace Lockmiller, St. Vrain, New Mexico; Lee Ross Hammond, Jr. Clovis, New Mexico are classified as range landowners and only range landowners within the District are eligible to vote for them. February 20, was the closing date for accepting nominations. The most up-to-date mailing list available will be used to mail ballots to every qualified voter within the District.

If a qualified voter does not receive a ballot by mail, he may obtain one from the County Agent or the Central Curry District. All marked ballots must be received by the County Agent or the Supervisors of the District not later than March 2, 1954. Counting of ballots will begin at 5:00 p. m., March 2nd. This will be done by the present board of Supervisors and anyone else they select to help them. Any person who has an ownership interest in farm or ranch land within the District and is at least 21 years of age is eligible to vote. All eligible voters are urged to participate in this election. The present Board of Supervisors was assisted by the County Extension Service and local farm organization in circulating some by the nominating petitions.

TO BEGIN SERIES

Sermon subject for Rev. C. C. Morgan Sunday will be "The Little Cake." Sunday night, he will begin a series of messages on the book of Revelations. Rev. Morgan is pastor of the Texico Baptist Church.

Letters to the EDITOR

EDITOR: Am sending check to renew my subscription for the paper, it's like getting a long letter from home and I don't want to miss a copy. We are having spring weather here in Arkansas now and early flowers are budding out.

As ever,
Mrs. Callie Eason Quitman, Ark.

Dear Sir: I am enclosing a check to cover a year's subscription to the "State Line Tribune".

I am sure I will enjoy it very much after all these years. You may address the paper to me at the address below.

If it costs anymore I will gladly send you more money.

Yours truly,
Mrs. Roy C. Paul

Search To Begin For Top Farmer

The search began today for Texas' outstanding farmer or rancher. Throughout the state five regional committees have begun selecting nominees for the 1954 Hoblitzelle Achievement Award for the Advancement of Texas Rural Life.

The award consists of \$5,000 in cash and a gold medal. It was established by the Hoblitzelle Found-

ation in 1951 and is presented through Texas Research Foundation at Renner, Texas, "to give suitable recognition and financial

encouragement for personal accomplishments in the field of rural life improvement in Texas.

In the Panhandle-Plains area a regional committee headed by Art Bralley, Vice-President in charge of agriculture, The American National Bank of Amarillo, has been named to receive and to make nominations of candidates for the Award which will be presented at the annual meeting and field day of Texas Research Foundation May 19 at Renner. Other members of the committee are: Homer Taff, Soil Conservation Service, Lubbock; Coby Knokright, Rancher, Hereford; and Sid Payne, Chairman, State Soil Conservation Board, Tulia.

Fred M. Shaw, secretary of the Hoblitzelle Agricultural Awards, reports that the specific award to be presented this year is given every third year to the Texan who has made the most important contribution to Texas rural life as a practicing farmer or rancher. All adults working in this board area of agriculture are eligible for the Award, irrespective of creed, color nationality, or affiliation with agricultural organizations.

Shaw said that anyone who wishes may nominate a farmer or rancher for the Award. The nominee may live either within or outside the region in which he is nominated. These nominations are to be forwarded not later than March 15, 1954 to the chairman of the regional committee, together with a full description of the achievement of the candidate.

Rozella Landrum tells the saddest story of the week. Seems she stuck a roast in the pressure pan Sunday morning and then dashed off to church expecting the meat to be cooked when she returned. It was cooked all right, but not just the way the Landrums liked. In fact, only a charred portion of the meat remained, the rest having turned into a cloud of black smoke that kept the family out of the house the rest of the day.

Sue and Shirley Cook, who moved to North Dakota not too many weeks ago, are back in the area "for a while".

Mrs. C. A. Guinn left the past Thursday for Abilene, to be with her sister for a few days. Mrs. Guinn's niece, it is reported, is in a serious condition.

Two revivals going on, at both the Methodist and Baptist Churches. Special singers, visiting ministers are in town for the series, and residents are invited to attend the church of their choice.

Understand that the West Texas State College band is to be here on Friday, to present a program in the school auditorium beginning at 10 o'clock.

No date has yet been set for the spring banquet of the local Chamber of Commerce, which usually occurs around the early part of April. CC officials are busy at present lining up a speaker for the occasion, and will announce the date later.

Bill Sheehan, local lawyer who was re-called to active duty with the Army some time ago, was in town Monday, visiting friends. Seems the Army was taking a holiday on Washington's Birthday, and Bill drove up from El Paso, where he is stationed. Wife Mary didn't get to come along, as she is teaching school. Bill reports he is slated to receive his discharge May 31st, and expects to return to his duties here immediately thereafter.

Our two youngest girls get along, usually like a couple of angry dogs. At the same time, they combine forces with ardor if outside interference develops. Few days ago, we had occasion to soundly whack the older of the two, then retired to the other room to finish some work we were trying to get done. In a matter of seconds, here came the littlest, jabbering a blue streak, and while she can't talk plainly, it was plain she was giving us fits for banging "Bet-by". She then returned to the other room, and in the momentary quiet between walls we heard Betsy demanding, "Did you hit Mommy back, Prissy?" You can't win.

Vaccine Shortage Slows Vaccination

A shortage of vaccine put a temporary crimp in the program to inoculate animals of the area against rabies, according to Jimmie Baxter, at the Parmer County Hospital, but new shipments are expected momentarily and the program will be resumed.

Previously, inoculations were planned for Monday of last week, but the serum failed to arrive until Wednesday, and was exhausted before all dogs could receive shots. Baxter estimated that around 100 animals were given the vaccine by Mike Pavalos, hospital laboratory technician, and Will Jones, hospital custodian, who are acting as veterinarians for the city.

Friona itself has not experienced a case of rabies among pets, but cities in practically every direction from this location have had a scare. Until pets are vaccinated, the majority of them are being confined to their home premises, since city officials have authorized the picking up of strays.

The city ordinance does not insist that cats be vaccinated, but such an action would be a wise move by the cat owners.

Students home from college over the weekend were J. Von Fulkus and Harold Joe Wells of Texas Tech, D. O. Robason and Dub Cleveland from Canyon.

Elmore Rites Held In Methodist Church

Funeral services for Porter R. Elmore, 48, were held Friday afternoon at the First Methodist Church in Friona, Rev. U. S. Sherrill, pastor, officiating.

Elmore died in Northwest Texas Hospital in Amarillo Thursday, after an illness of several weeks' duration.

He was born May 24, 1905, in Quinlan, Oklahoma. On May 20, 1951, he married Viva Leonard in Los Angeles, California.

Survivors include his wife; parents, Mr. and Mrs. H. H. Elmore of Friona; a daughter, Mrs. Jimmy Black of Houston; one brother, W. V. Elmore; one sister, Mrs. Dick Rokeye, both of Friona; and one granddaughter.

Burial was in the Friona cemetery under the direction of Gilliland's of Hereford.

GIRL SCOUT NEWS

Scout Troop VI met Monday afternoon at the Baptist educational building. They played games and participated in singing. The girls are planning their Girl Scout birthday party. They are inviting Brownie Troop VIII to their party. The girls also wrote out their invitations.

The hostesses were Geraldene Day and Karen Bails. They served cake, pop and gum. There were 18 Scouts present, three leaders: Mrs. A. L. Black, Mrs. Bill Stewart, Miss Ann McKee; one guest, Mrs. Bails.

Brownie Troop VIII
Brownie Troop VIII met Monday afternoon at the Congregational church basement. They enjoyed games and drew birds on paper and colored them. The hostess was Patricia Barker. She served cookies and pop. There were 16 Brownies present, and the leaders, Mrs. Loucille Latta, Mrs. Edith Johnson. The guest was Mrs. Judge Barker.

Girl Scout Troop III
Girl Scout Troop III met at the Baptist Annex Monday afternoon. The Scouts worked on their leather belts. The hostess was Betty Barnett who served cookies and Cokes. There were 11 Scouts present and the two leaders, Mrs. Helen Potts and Mrs. Janix Sneed.

Girl Scout Troop V
Girl Scout Troop V met Monday afternoon at the Friona Club House. The Girl Scouts worked on their badges, sewing them on their uniforms. The hostess was Faye Scales. She served candy. There were 10 Scouts present and two leaders, Mrs. Ralph Wilson and Mrs. Kenneth O'Brian.

Bridge Club Meets

Senior Bridge Club met Friday night in the home of Mrs. Roy Slagle. High went to Mrs. W. B. Stark. Those present were Mesdames W. B. Stark, J. C. Wilkison, Bert Chitwood, Carl Maurer, H. K. Kendrick, O. F. Lange, and W. M. Stewart and the hostess. She served cherry pie with whipped cream.

Mr. and Mrs. A. H. Hadley and family visited Sunday in Borger, with his brother and family, Mr. and Mrs. Bill Hadley. They also visited the Popes and the Steve Triggs.

FFA Boy Enters Calf At Hereford Show

Gordon Wright, a member of the Friona FFA department, entered a fat calf in the Hereford stock show the past weekend, it is reported by J. T. Gee, head of the local chapter.

The Wright animal, going through the sales ring following classification, received a bid from the Piggly-Wiggly Store, with the youngster being allowed to retain the animal for entry in the Lubbock show next week. If the sale bid in Lubbock does not top that Wright received in Hereford, he will return the calf to the Hereford bidder, Gee explained.

No other entries from Friona will be made at either the Amarillo or Lubbock shows, the chapter director added.

Snow, Sand and Rain in Mix-up Here Friday

A combination of wind with sand, snow and rain blasted the Friona area the past Friday, but residents gratefully noted that they received only the edge of the storm, which appeared to be much worse to the north and east.

Although the amount of moisture received was negligible, it was sufficient to slow down the dust plague that moved in on high winds from the north.

Monday turned into another typical Panhandle spring day, with brisk winds kicking up dirt over the area. Thus far, however, little damage to fields has been reported, although a number of farmers have been seen chiseling their dry land to keep it from leaving the country.

Fair Crowd on Hand For Auction Sale

A fairly good crowd was on hand in downtown Friona the past Saturday afternoon for the first of a series of public auctions, sponsored by the local Chamber of Commerce.

Allen Stewart, of the CC, said on Monday that while consignments and turnouts were not large, the sponsoring body was "very well pleased with the initial effort".

W. H. (Bill) Flippin, local auctioneer, cried the sale. The auctions will be held in Friona the third Thursday of each month, Stewart announced, and invited residents of the area to make consignments.

Friona Included In "Golden Spread"

Friona and surrounding area is to be included in The Golden Spread weather reports, it has been announced by the local Chamber of Commerce.

A meeting held recently in Amarillo launched a movement to scotch unfair weather report conditions which frequently, during the winter months, send highway traffic around the Panhandle area.

Victor Krueger has been named by the CC as the contact man in Friona, and Krueger will be "contacted frequently" by Amarillo regarding weather conditions locally. Alternate for Krueger will be "Smiley" Fulkus.

NEW PICK-UP RECEIVED

Members of the Friona FFA chapter are proudly driving a new Chevrolet pickup this week, from the Reeve Chevrolet Co. here in Friona. As an advertising medium, the local business each year provides a pickup for use of the chapter, taking the old model back in the following season for the new model.

METHODIST CHURCH NEWS

The choir of the Methodist Church practiced Wednesday evening. Mrs. J. T. Gee and Mrs. Frank Spring served refreshments to the members at the annex.

February 28 to March 7 is the week of dedication. This week has been designated by the general conference as time when we shall dedicate anew, our talents and our substance to God, and the service of His Kingdom.

The Methodist Church is happy to welcome into the fellowship of their church, Mr. and Mrs. D. H. Nelson, who come from the Methodist Church at Trinity Chapel.

They live three miles south of Friona on the road to the Hub.

Sunday, February 21, the Methodist revival services began. Rev. E. Lee Standford is doing the revival preaching. Services are at 10 a. m. and 7:30 p. m. throughout this week.

The public is invited to attend each of these services.

A meeting of the Namia Hara sub-district was held in the First Methodist Church in Hereford on Sunday. Those going from Friona were Don Lewis, Patsy Anthony, Jerry Belle Norwood, Wanda Beatty, Elizabeth Cocanougher, and their sponsor, Mrs. Opal Jones, and Rev. U. S. Sherrill. Vega, Hereford, Canyon, and Friona are in the district.

The Methodist Youth Fellowship is holding a prayer meeting in the Methodist Annex every evening this week at 7 p. m.

There was a party at Patsy Anthony's home Wednesday night after choir practice. Don Lewis entertained with a few stunts.

Games were played by those present which included Gay Cass, Don Lewis, W. A. Tinney, Jerry Belle Norwood, Wayne Jones, Elizabeth Cocanougher, and the hostess, Patsy Anthony.

All the young people in Friona are invited to a breakfast to be in the Methodist Church Annex at 7 a. m., Saturday, Feb. 27. If you plan to attend the breakfast, please notify a member of the MYF before next Friday. Everyone is invited, so make arrangements to attend.

REVIVAL IN PROGRESS

The Baptist revival started Friday, February 19. Brother Alfred Richards is preaching and Brother Raymond Jones is directing the music. It will come to a close February 28. There were 493 that attended Sunday School Sunday.

Dr. Rex Johnson Injured in Collision

Reports this week are to effect that Dr. Rex Johnston was on his way to Friona to get his wife and small son Mark, Saturday, when his car was struck by a DWI at the edge of Lubbock.

Dr. Johnson was taken to the Lubbock Memorial Hospital where he was discovered to be suffering a mild concussion and a fractured left knee.

Mrs. Johnson and Mrs. Nelson Welch went to Lubbock Monday and brought Dr. Johnson to Friona to the home of Mrs. F. N. Welch.

Mrs. Johnson has been here the past two weeks at the bedside of her mother who had surgery at Hereford last week. The Johnsons will remain in Friona this week.

"Breaking the Tightest Land in Parmer County" Says Elmer Lowrie, South of Parmerton Hill

Elmer Lowrie, who farms what he says is "the tightest land in Parmer County," lives a short distance south of Parmerton Hill. In the picture is Elmer and his new M-M Tumblebug breaking plow that has proved so successful in even land of the type he has.

Elmer reports that he is exceptionally well pleased with the performance of this equipment, and says that the purchase of the plow definitely has been a worthwhile investment for his farm.

This is a good way of pointing out that regardless of the size farm you may be working, or the type soil that you will be cultivating, or the particular type of farming that you may be devoted to, there is definitely a line of famous Minneapolis-Moline equipment available to help you do a BETTER job at MORE PROFIT. We'd certainly welcome an opportunity to meet and discuss with you the advantages of farming with M-M. We sell and service the entire line.

CLEANEST-BURNING FUEL AVAILABLE IS BUTANE

One reason that helps explain the ever-growing popularity of Butane as a fuel is its clean-burning characteristics. Butane, unlike gasoline, will not "sludge down" an engine. Neither will it dilute an engine's crankcase.

Blanton Butane has been popular for these and many other reasons. If you are interested in getting top efficiency from your tractor and stationary engines, please call on us.

NEWS FROM THE FARM BUREAU
By RAYMOND EULER

"If the budget is to be unbalanced to counteract a deflationary trend, it is preferable that the emphasis be on reduced taxes rather than increased government spending." There is a great deal of food for thought in this paragraph from American Farm Bureau's resolution relating to National economic policies. It is another strike against the trend toward socialism, and it comes from the hearts of American farmers like you. Read it again, and think.

Monday night at the Friona cafeteria, over a hundred farmers and farm wives and the 1953 Parmer County Farm Bureau Queen and runner-up, and other guests will assemble to enjoy the fellowship of a banquet and program designed to kick-off the annual membership drive. Judge Dent, formerly of Littlefield and president of the County Judges Association of this area; now with the Texas Board of Water Engineers in Austin, will be the speaker of the evening.

We realize that one of the reasons for the increase in membership renewal by mail and in person this year is the successful culmination of the cotton allotment program. Though this item seems to be, and is, a very important one just now, remember that it is just another of many that Farm Bureau has been instrumental in obtaining. We must be consistent in our diligence, seeking legislation that is economically feasible, and that will contribute to the general welfare of our nation and the world.

Regarding the membership drive: Though some of the Farm Bureau workers will be soliciting hospital contributions at the same time, there is no official connection in the two projects.

ISSUE 36 PERMITS

Parmer County Water Committee issued 36 irrigation well permits Thursday night in a regular session, Raymond Euler says. The committee now has a map of the county with each irrigation well site pinpointed on the map.

BEGIN WORKOUTS

Boys at Farwell schools have begun track workouts, and are also playing tennis and baseball. Girls are practicing for volleyball and tennis, officials say.

Dinner Guests

Mr. and Mrs. Pat Graef from California are visiting relatives in Clovis, Dimmitt, and Lazbuddie. Thursday night the couple was honored with a supper at the C. C. Graef home. Those enjoying the evening were Mr. and Mrs. Mike Langford and Mickiola Ann, Mr. and Mrs. Paul Langford and Lynda, Mrs. Dean Myers and Billie Dean, all of Dimmitt; and Mr. and Mrs. James Welch and Sharon of Lazbuddie.

Saturday, the same group was dinner guests of Mr. and Mrs. Will Graef of Clovis.

Weekend Visitor

Carolyn Hinkson spent the weekend in Muleshoe with Kay Lenderson. The girls had a nice time and got in some practice on their music.

To Florida

Mr. and Mrs. V. H. Bewley left last week for a vacation in Florida. It is indefinite as to when they will return.

Stork Nest

Mrs. F. L. Oliver are the proud parents of a new boy, Michael Lee. Michael made his appearance February 20, at Green Hospital and Clinic in Muleshoe.

Sarouk, Kirman and Kashan are the three most popular modern Persian rugs.

The Continental Divide is formed by the Rocky Mountains.

Mrs. Jack Hankla
GUYMON, OKLAHOMA
says...
My ELECTRIC dryer's so gentle - the life of my clothes has increased!
"What's more, my electric clothes dryer gives me 'all weather' drying any season of the year. My time's my own when it comes to picking a drying day."

"By just opening my dryer door, and putting in the clothes, I save an hour and a half every washday. My trips to the clothesline are over, which saves one hour, and I no longer have to sprinkle the clothes for ironing, and that frees me from a half-hour of work."

"Because washing and drying is no longer back-breaking work, I wash more often. This saves money for me, because I can buy fewer clothes for the children. The dryer passes all the tests of true economy, it saves time, money, work, effort, and the clothes."

"You can't neglect your children just because it's washday. But it was hard not to neglect them before I had a dryer. Now I have much more time for the children and my other household duties."

For An Engine That Packs A PUNCH
A man gets more work done when he is kept busy, but is never rushed. Often times, haste makes waste.
Well, the same thing is true in irrigation engines. The ones that are sitting out there day after day under a full load wave got to "give" somewhere—and sooner or later they will. A G. M. Diesel packs a real punch, and doesn't have to work itself to death. They're the answer to real economy.

Mustangs Reveal Impressive Record

The Bovina boys' high school basketball team, known as the Mustangs have racked up a very good record during this season of play. They have a 26 won and 2 lost record. The only loss to a district team was to Friona during the Friona invitational tournament. They lost in the finals by a one-point margin.

The Mustangs had a perfect record in conference play with 10 wins and no losses in the season and two wins and no losses in the district tournament.

They have also won two first places in tournaments and one second place. They won the Bovina invitational tournament, the Sudan invitational meet and took second in a tourney at Friona.

The boys opened the season in a game with Amherst which they won 61-23. In the following contests of the season, they defeated Lincoln-Jackson of Clovis 65-55; Happy 58-44; Friona 64-48; Adrian 57-56; Vega 85-56; Olton 59-49; Dimmitt 79-57; Vega 69-63; Friona 61-60; Sudan 53-51; Adrian 62-57; Farwell 96-39; Adrian 84-60; Friona 62-51; Texico 63-45; Melrose 69-61; Farwell 74-34; Lazbuddie 74-46; Vega 73-65; Adrian 55-49; Texico 70-40; Friona 65-50; Farwell 79-48; Vega 68-52; and Adrian 67-55.

Their one other loss of the season was to Hereford in a fast contest, 71-55.

They have an average of 67 points per game. In many of their games the entire squad saw action and most of the players featured in the scoring. Their opponents have an average of 51 points per game.

The probable squad for the regional tournament this weekend in Canyon will be Don Owens, Larry Ezell, Danny Pounds, Neil Smith, Darrell Read, Norman Killough, Bobby Calaway, Erith Hawkins, Jerry Newton, Glendon Sudderth, Ted Walling, Billy Richards and Billy Johnson.

Only three members of the squad are seniors.

They are Danny Pounds, Glen-

don Sudderth and Ted Walling. Darrell Read who was top scorer for the season is a sophomore and Neil Smith who led with 28 points in the final game of the district meet is a freshman.

Juniors on the team include Don Owens, Norman Killough, Jerry Newton. Sophomores are Larry Ezell, Erith Hawkins, Bobby Calaway. Freshmen are Billy Richards and Billy Johnson.

STATIONED IN GERMANY

Mr. and Mrs. E. H. Moody have received word from their son, Pfc. Weldon Moody, that he has arrived in Germany and will be stationed near Frankfurt. He arrived about February 12. He is serving with the ordinance department.

Pfc. Moody has been in the service for 15 months, and took his basic training at the Aberdeen Proving Grounds in Aberdeen, Maryland, and also took some additional training at Atlanta, Ga., and then was stationed at Camp Ervin, California, for six months prior to going overseas.

He is due to return to the States and be discharged next November.

GOES FOR CHECKUP

Bill Tritsch has returned to the Santa Fe hospital in Albuquerque, New Mexico. He has been in failing health for some time. He left a week ago Monday. No word has been received as how he is, other than he is undergoing different tests.

Mrs. Tritsch spent last week end in Lubbock, with her son, Virgil, as he has been transferred to Witcha Falls. The company he works for is opening a new store there April 1st. We wish him lots of success in the new store. He is enjoying his work and will soon be made floorman.

To Arizona

Mr. and Mrs. A. L. Kerby and Paula Kay spent last weekend in Nogales, Arizona, where they visited with her sister and family, Mr. and Mrs. J. W. Evans. Al went javalina hunting while in the Arizona town, but he didn't have any luck, only seeing one of the wild hogs.

Scouts Have Blue And Gold Banquet

There were around 70 Cub Scouts, their parents and guests present at the school cafeteria on Monday night for the annual blue and gold banquet. The banquet was served buffet style and the attendants were seated at tables forming a "U".

The tables were decorated with blue and gold and the centerpieces were very clever. They had white styrofoam bases with little Cub Scouts made from blue pipe cleaners.

The little Scouts were engaged in various activities complete with one lying down reading a comic book. The head table had two small tents and a miniature camp fire. The place cards were gold liberty bells and favors were marshmallows holding a birthday candle.

Also decorating the tables were birthday cakes honoring the 44 years of scouting in America. One of the cakes was baked by Mrs. Gene Ezell. It was a three-tiered cake in blue and gold with each tier representing a step in Cub Scouting. The first step was inscribed with "Wolf", the second with "Bear", and the third with "Lion." It had white birthday candles on it.

The program opened with Rev. Virgil Goodwin leading the invocation and the pledge of allegiance was given, with Wendell Davies holding the flag. After the group was served and seated at the tables, they each lit their birthday candle in the marshmallow holders and sang "This Cubbing Light of Mine."

They lit the candles on the birthday cakes and sang "Happy Birthday" to the Scouts, led by Mrs. Bedford Caldwell.

Allen Cumpton, Cubmaster, gave the welcome and Bedford Caldwell, a district Boy Scout officer, gave a talk about the organization of Cub Scouting in Bovina.

The two dens then presented a skit under the leadership of the den mothers, Mrs. Ovid Lawlis and Mrs. Pete Davies. The first group presented a skit called "The Cherry Tree" and it depicted George Washington cutting down

the cherry tree. The other den presented a skit using cards to tell about the Cub Scout work. Don Caldwell then gave a history of Pack 40.

Oscar Cantwell, district Boy Scout chairman of Clovis, gave a talk and then led the group in a series of games and contests in which everyone had a lot of fun.

Allen Cumpton then presented some awards to the Cubs. Three were presented their wolf badges. They included David Lawlis, Wendell Davies and Conley Waltman. Four of the boys received arrow points. They were Joe Tom Pittard, Gary Stevenson, Delbert Morris, and Jimmy Wright.

The group then gave the Cub Scout promise and sang "God Bless America." Allen Cumpton read the Cub Scout benediction and Gene Ezell closed the evening's activities with a prayer.

ATTENDS BEAUTY SHOW

Mrs. Ewin Norton, owner and operator of June's Beauty Shop in Bovina, was in Dallas last weekend where she attended the Lone Star Beauty Show. The show was held at the Adolphus Hotel and along with the show they had classes in hair styling. Mrs. Norton attended these classes under the direction of Madam Buck and Joseph Paterno, both from New York City.

Women Plan All-Church Party

The Friendly Circle Sunday School class of the Baptist Church met Tuesday night at the church for their monthly business meeting and social.

Mrs. A. D. Cumpton, president, opened the meeting and Mrs. Charles Hawkins brought the devotional. During the business session they appointed a committee to plan the coming all-church party. Appointed were Mesdames Henry Minter, Leslie McCain, J. W. Gooch, R. L. Douglas Jr., and Mrs. Ovid Lawlis.

On the refreshment committee were Mesdames Charles Hawkins, C. M. Huggins, and Bobby England.

Following the business meeting, Mrs. A. D. Cumpton led the group in several games and then the hostesses, Mrs. Minter and Mrs. Douglas, served punch and cookies to the group. Present were Mesdames Leslie McCain, A. D. Cumpton, Charles Hawkins, J. W. Gooch, Virgil Goodwin, C. M. Huggins, Glenn Kelley, Bobby England, J. D. Kelley, Ovid Lawlis and the hostesses.

Philip Lloyd Is Eight Years Old

A group of girls and boys gathered at the home of Phillip Lloyd Saturday afternoon to help him celebrate his 8th birthday. He was honored at the party by his mother, Mrs. Buck Lloyd.

The children enjoyed playing games and playing outdoors. They pinned the tail on the donkey with Paula Kay Kerby winning the prize for coming the nearest. The honoree opened his gifts and the children enjoyed playing with the toys he received.

At the close of the afternoon, they were served birthday cake and ice cream. The cake was yellow, trimmed in blue with eight blue candles and "Happy Birthday" written across the top in blue. They were given favors of bubble gum, suckers and balloons.

Those attending were Randy Jones, Timmy Rhodes, Wayne and Wendell Davies, Linda, Mike and Bobby Brawley, Larry Loflin, Tally Kelso and the honoree of Bovina and Barbara Lloyd of Friona.

Friends Honor Mrs. Trimble

A group of friends dropped in at the G. F. Trimble home Wednesday evening, February 17, to honor Mrs. Trimble on her birthday. Attendees each brought a covered dish and they enjoyed a delicious meal. During the evening, the group visited and enjoyed group singing and piano selections.

Those present were Mesdames Robert Reed, Ronald Berggren, Emmitt Tabor, H. W. Alverson, Nat Read, Odis White, George Cervantez, Scott Levens and Aulana Marie, Jess Walling, Joe Wilson, Paul Jones, Leroy Berggren, Jessie McSpadden and Miss Yvonne Moody all of Bovina and the honoree's parents, Mr. and Mrs. A. R. Meek of Mobeetie.

Women To Meet Today for Study

Bovina Woman's Study Club is to meet today (Thursday) for a program under the leadership of Mrs. H. D. Bradshaw. Special for discussion is "How a Bill Becomes a Law."

Mrs. E. C. Berry is to talk on "Does the Court Defend or Prosecute?" and subject of Mrs. O. D. Bingham is "Some of Our Common Laws."

Hostesses are Mesdames Rouel Barron and A. B. Wilkinson.

Visiting in the home of Mr. and Mrs. Sam Sides last Sunday were Mr. and Mrs. M. B. Buchanan of Friona, Mr. and Mrs. George Lindop of Farwell and Mr. and Mrs. Scotty Barry of Bovina.

Mrs. D. S. Harrell was in Sun-down last week with her son and family, the Everett Harrells.

Blackface Show Pays Off For PTA

The minstrel show sponsored by the PTA was a great success and everyone got lots of laughs from the show.

Fred Wilbanks played the part of Mr. Interlocutor with the assistance of end men Jack Smith, J. C. Scruggs, J. W. Gammon, Denton Thompson, and John Gammon.

Many songs were rendered, some of which were, "Kentucky Babe," by Geranium, played by Mrs. Juel Trierder, "Hey Joe," by Denny Thompson, "Missouri Waltz" by Donnie Smith, "St. Louis Blues" by Diamond Lil played by Mrs. John Agee, and "Basin

Street Blues," by Lou Ann Agee. Jim Gordon sang "Mighty Lak a Rose," Juanita Scott sang "Abadaba Honeymoon," and Larry Trierder sang "The Boll Weevil Song."

A trio of the Smith boys sang "Standin' in the Need of Prayer."

A male quartet composed of Denton Thompson, Jack Smith, John Gammon, and Homer Mangrum rendered several numbers. Four gradeschool girls: Janice Clark, Patsy Cox, Sharron Thorn, and Maryellen Thompson sang and danced to "Ballin' the Jack." With the assistance of Denny Thompson they also sang "You-all Come." There were many other numbers and group singing was greatly enjoyed by all present.

Mr. Scruggs stole the show with his witty jokes and songs. Jean Gammon was at the piano and a string quartet made up of Rex and Max Steinbock, Junior Matthews, and Larry Trierder furnished music throughout the program.

The costumes were very funny and it was hard to identify several of the "darkies."

A little over two hundred dollars was cleared and the money will go to buy books for the school library.

Lazbuddie Girls Take Second Place

In the district tournament played at Bovina last Thursday and Friday, the Lazbuddie girls drew a bye the first round of play. On Friday morning at 9, they met the Bovina girls in the semi-finals. This was an easy game for the local sextette as they led all the way, the final score being Lazbuddie 61, Bovina 40.

This placed the team in the finals where they were pitted against Friona, the game being played Friday night at 7:30. The Lazbuddie team got off to a slow start and couldn't seem to get going. At one time, they were within 6 points but Friona again pulled away. Friona was hot the entire game and kept piling up points to win the meet and district title, 62-47.

Lazbuddie was proud to get two of their girls on the all-district team, the two being Clara Looper and Barbara Hinkson.

Ronny Briggs and Dwayne Teague spent Sunday afternoon visiting James Carpenter.

Texas Public Schools Week Is March 1-6

A special program concerning Public Schools Week, March 1-6, will be featured at the regular meeting of PTA Monday, March 1, at 7:30 in the school auditorium. Parents and teachers are cordially invited to attend. Other events of Public Schools Week will be announced at this meeting.

All parents are urged to visit school one or more days during the week.

Due to delay in receiving lockers, it is now doubtful if it will be possible to have the formal dedication of the new addition as previously planned during Texas Public Schools Week. The classrooms are furnished and it is believed they can be occupied by the first of next week.

TEAMS VISIT BOVINA

The Lazbuddie teams traveled to Bovina Monday night where three games were played. They were all good games with the local teams winning all three by an 8-point margin.

The grade school girls played first and took their game by a score of 32 to 24. The next match was between the grade school boys and the Lazbuddie team led the Bovina five 30-22. The junior girls played a high-scoring game which ended with the local sextette scoring 63 points to Bovina's 55.

the people speak

The organizational work is all over. It is up to you, the people who live in Farmer County, as to whether the Hospital Building Program is to be a success or not. The workers received their final instructions and you will no doubt be contacted in the next few weeks for a subscription. If you value your health or the health of the future generations who live in this area, your hospital building program will be a success. We believe we can give that care as good as any hospital, but not forever in our present out-dated facilities; facilities which never have been adequate, and with the addition to our staff of another doctor and dentist, will be even more unpleasant—both to our patrons, and to as good a medical service as is possible to be given in an up-to-date hospital.

Your subscription is not for cheaper medical care—it is for better care. It is cheaper in that as a charitable non-profit organization, no tax money is needed for its operation. We are not in competition with other hospitals in prices or anything like that, but we are in competition when it comes to medical care received.

To those people who would like to acquire membership, we have on hand several persons who are willing to transfer their stock. The first step in this action is to contact the Hospital management for a questionnaire which is very similar to one filled out when acquiring an insurance policy. When that is complete, the hospital manager will take it before the Board of Directors and the Doctors for approval. When this is accepted (and it will be unless, like on insurance policies, it is considered a poor risk) the party buying the stock can go ahead and pay the seller whatever price they have agreed upon.

New stocks sold for \$100 and the hospital will enter the selling price of transferred stocks in no way. When this has been accomplished a \$10 transfer fee will be paid to the Hospital where the old stock (which must be presented) will be voided and a new one issued. Dues will then be paid which are \$16 for the head of the family and \$8 per dependent, this being paid annually. Benefits received are no doctor fee except after-hour calls, \$1 cheaper room rate, and a percentage off of X-rays and laboratory work. Medicine is the same to members and non-members. In other words, your membership is a form of pre-paid insurance.

We urge each citizen of this area to ponder the advances of medical care which have been made in the past century. Are we going to stop where we are now? Are the future citizens going to have to do our work for us? We believe not. We believe the people will accept their responsibility and speak out by making the building fund program a success. That way the road to better health will have one less rough spot for future citizens to travel. We owe it to ourselves as well as the future. LET'S DO IT!

A NEW TRACTOR with a lot of NEW IDEAS!

Bigger... More Powerful MASSEY-HARRIS "44 Special"

Massey-Harris carburetors are precision designed and adjusted to individual engines. Assure correct mixture of all speeds.

Flowing, long throat manifold means fast, uniform vaporization... quick fuel delivery... equal charge to each cylinder.

Cyclo-Head combustion spins and twists the burning fuel... gives it a cyclonic turbulence for the full length of the piston stroke.

Longer piston stroke means greater power leverage... more "torque reserve"... more lugging power at low engine r.p.m.

Massey-Harris transmission gears have a positive full-rolling contact. They're cut to tolerances of less than a 1/1000 part of an inch.

SCHOOL DAYS AGAIN

The time has again come for all Teachers and all true Americans to come to the aid of God and Country. *School days are here!* Young and open minds assemble on playgrounds and in class rooms... men and women are in the making. Dear Teacher, your responsibility is terrifying. You have God to honor and your country to save through your own class room. "A word fitly spoken is like apples of gold in pictures of silver." (Proverbs 25:11)

Eager and learning minds must be properly directed. In the Book of Books the "Great Teacher" gives direction toward the life of goodness and wisdom. The stories of Joseph, the birth of Jesus and the never-to-be-forgotten parables are rich in lessons of wisdom and morality. Let them reflect on the Proverbs of Solomon, and let them sing the songs of David. The lessons of Isaiah, Jeremiah and Paul, and the Sermon on the Mount offer a moral and spiritual constitution for living. Along with lessons in "reading and writing and arithmetic," they need lessons in how to live God's way... it's School Days Again.

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.
